Good Morning:

Understand that your House Leader has been informed that the Government intends to table the Legislative framework that will underpin the Ontario Fair Hydro Plan this afternoon during routine proceedings this afternoon.

To that end, and in keeping with Minister Thibeault's desire to ensure Official Opposition Critic is informed on this important piece of Legislation, we'd like to offer a briefing, at the MPP Smith's convenience.

David Campbell (cc'd) – Minister's Legislative Assistant can work with your team to arrange this meeting. Matt Whittington (also cc'd); Director of Policy to Minister Thibeault will support this dialogue as well as officials from Ministry of Energy Legal Services Branch, who have crafted the proposed legislation.

Many thanks, in advance.

Andrew Teliszewsky
