Thanks James. Clearly the comms shop is way ahead of me!

The PA is out in Windsor tomorrow and Sarnia on Friday, and there are a few Fridays coming up where he will be out in a number of other communities talking about the Fair Hydro Plan. So we're in good shape there -- thanks again for your help in co-ordinating, Andrzej!

Andrzej, in terms of the weeklies with the PA and the MO, could we look to find a standing time on Monday afternoons? We're happy to conduct them at the Legislature if that works on your end, either in the East Lobby or another room. Let me know what works. In our minds, we would discuss ENERGY issues, items at committee, and upcoming events for the Minister/PA. If you have any suggested additions to the weekly agenda, please advise.

Thanks,
James

Hi Andrzej,

Have attached some files that we would like to engage the PA on. We can set up briefings with the Ministry, and I'm also happy to sit down with him and go through each of them. We'll also look to find some time for him and the Minister to meet after the meeting last week had to be rescheduled.

We also want to get him out on tour to promote the Fair Hydro Plan. I've copied James who can work with you on some potential event locations.

I am away for the next few days but happy to chat next week.

Thanks,
Matt
