Subject: Wed Briefing Materials - OFHP & Darlington Refurb

Hi Minister

Hope you had a good weekend.

Attached are the materials for your Wednesday briefings on OFHP and Darlington Refurb:

1) OFHP Update

- This deck focuses on the few outstanding business items and next steps for OPG in its role as Financial Services Manager for the FHP. Most importantly, the deck outlines OPG's plans for going to market with the first tranche of OFHP debt in the coming weeks. There are also brief updates on the other elements of the OFHP (First Nation Delivery Credit, RRRP etc.)

2) Darlington Refurb

- First product (OPG pdf file – "DRP Unit 2") is an update on the ongoing refurb of Unit 2 (password: **PPP2018**)
- Second product is the TB/CAB sub that we are tracking for TB/CAB next week. This is the same product that Andrew had shared with you over the holidays, just enclosing here for convenience.

Later today I will also be sending notes for your 2 stakeholder meetings on Wednesday:

1) Meeting note for GoldCorp Lunch

- Landon, Rachel, David to staff

2) Meeting note for ITC (Lake Erie Connector Project)

- Matt to staff
- OPG/IESO/DM will also be in attendance

We are also working to prepare your ROMA binder. This will likely be sent along tomorrow as an e-binder. Figure you already have enough material to keep you busy until then!

Let us know if you need anything else.

Thanks,
Matt
