Yes, feel free to send back. The OFHP earnings don't go back to ratepayers, but rather back to the province through net income from OPG.

Thanks dude

Hey guys – my comments mostly touched on how the heavy water storage and drum handling facility project's budget was explained throughout the docs and I was also hoping to get a better understanding of Fair Hydro Trust "earnings" (are they ultimately returned to ratepayer?) and a piece about how staff received additional income to support the design of the Trust. My comments are mapped out below.

Hi Matt and David,

Please find attached the following:

- OPG Press Release
- OPG MD&A
- OPG Annual Information Form
- OPG Q4 Financial Statements
- OPG Q4 Results – Summary
- DM approved Staff Comments on all of these documents

We're looking for approval for SNAP to share these with OPG. OPG intends to post its Q4 financials on March 8th, and we're expecting comments from us last week, so it would be great if we could get these out to them as soon as we can.

Let me know if you have any questions.

Thanks,
Deni
