Hey Rob,

As per Andrew's message, I think 12:30 today would be tight. Is it possible to arrange a time tomorrow for Mr. Tabuns?

Best,
David

Dave,

If you can arrange the briefing for MPP Tabuns, his office is 165 in the main Legislative building or he could come to the Minister's office.

Good Morning:

Understand that your House Leader has been informed that the Government intends to table the Legislative framework that will underpin the Ontario Fair Hydro Plan this afternoon during routine proceedings today.

To that end, and in keeping with Minister Thibeault's desire to ensure Opposition Critic is informed on this important piece of Legislation, we'd like to offer a briefing, at the MPP Tabuns' convenience.

David Campbell (cc'd) - Minister's Legislative Assistant can work with your team to arrange this meeting. Matt Whittington (also cc'd); Director of Policy to Minister Thibeault will support this dialogue as well as officials from Ministry of Energy Legal Services Branch, who have crafted the proposed legislation.

Many thanks, in advance.
