~~**Warehousing Takeout Risk and Servicing (Commingling) Risk**~~

~~*Note – these items are provided for information purposes only as these risks were included in the previous version of the term sheet as items that the Dealers/OPG were looking for the Province for protection against. The current proposals with respect to these items is described below. These do not contain any requirement for the Province to directly backstop these risks.*~~

| | |
|---|---|
| **Commingling Risk (applies to Warehouse as well as any Term transactions)** | |
| **Commingling Risk Mitigant:** | For any LDC which is not investment grade rated by each of the rating agencies which are rating the funding obligations (the "Non-Investment Grade LDCs"), either:<br>(A) The IESO must post a Letter of Credit (L/C), or deposit funds in a Commingling Reserve Account in a quantum equal to the Commingling Risk Amount; or<br>(B) The IESO, for so long as it is rated investment grade by the rating agencies which are rating the funding obligations, will assume responsibility for commingling risk by the LDCs and will agree to remit to the Financing Entity any clean energy adjustment amounts collected by the LDC, regardless of whether the LDC remitted those amounts to the IESO for remittance to the Financing Entity |
| **Commingling Risk Amount:** | An amount equal to the sum of the expected Clean Energy Adjustment collections from the Non-Investment Grade LDCs over the next [45-60] days |
| **Commingling Risk Amount Reset Date:** | Each settlement date for the Financing Entity (monthly) |
| **Beneficiary:** | The beneficiary of the L/C or the Commingling Reserve Account would be the Financing Entity and the Indenture Trustee for the benefit of the creditors of the Financing Entity. The Financing Entity and/or the Indenture Trustee would have the ability to draw down the L/C or draw on the Commingling Reserve Account for any clean energy adjustment amounts expected to be received from the IESO but which were not received due to those funds not being remitted from an LDC to the IESO for that period |
| **L/C Provider:** | An entity rated at least A+ (or equivalent) |
| **Approvals:** | The approach is subject to approval from the IESO, by the rating agencies rating the funding obligations of the Financing Entity and the risk management areas of the banks providing the warehouse facilities |
| | |
| **Warehouse Takeout Risk** | |
| **Commitment Period for** | |

| | |
|---|---|
| **Warehouse[1]:** | Expected to be 12-24 months |
| **Takeout for Warehouse:** | Expected to be every 3-6 months |
| **Warehouse Default Event:** | One of the events of default for the warehouse will be the failure to repay the warehouse facility at the end of the commitment term |
| **Consequences of Warehouse Default Event:** | If the Warehouse Default Event[2] described above occurs, all amounts funded through the warehouse would become immediately due and payable, subject to the Warehouse Default Payment Cap, and Default Pricing will be charged on any amounts funded through the warehouse facility |
| **Default Pricing:** | Step up in pricing to [x] until the moratorium period ends and thereafter stepping up in increments of [y] every six months until the warehouse facility is repaid |
| **Warehouse Default Payment Cap:** | For any given reference period following the occurrence of a Warehouse Default Event, the amount that shall be remitted to the Financing Entity for repayment of the warehouse facilities will be the sum of (x) the interest amount due on the warehouse facilities (which, for greater certainty will include any program fees) and (y) the lessor of:<br>(a) The outstanding amount funded through the warehouse facilities; and<br>(b) The maximum amount that can be charged for that period so that clean energy adjustments are equal to, but do not exceed, the fair allocation amount for such period. |
| **Approval Requirement:** | Subject to approval by the risk management areas of the banks providing the warehouse facilities which will in part depend on receipt of information on the fair allocation curve and an understanding of how long the "tail risk" could be following a Warehouse Default Event |

[1] Please note that this is not intended to be an exhaustive list of terms for the warehouse facility, but rather is a summary of a few select terms that relate to the warehouse takeout risk.

[2] Note there may be other Warehouse Default Events beyond the takeout risk item described above. The consequences for a breach of these other Warehouse Default Events may be different than the one described above where the default is related to failure to takeout the warehouse facility by the end of the commitment period.

# Change of Law Assumption Agreement

## Indicative Term Sheet

## Ontario Fair Hydro Plan Act, 2017

*This indicative term sheet (the "**Term Sheet**") relates to transactions contemplated to be undertaken under the Ontario Fair Hydro Plan Act, 2017 (the "**Act**") and the regulations made thereunder and made in connection thereto (the "**Regulation**").[1] This Term Sheet is to be held confidential. Unless otherwise specified, defined terms used herein have the meanings ascribed to them in the Act or the August 23, 2017 draft of the Master Trust Indenture (as defined below), as applicable. The provincial assumption arrangements contemplated in this Term Sheet will include such terms and conditions as the Minister of Energy and the Minister of Finance determine to be appropriate. This Term Sheet is not intended to create any obligations or be binding on the parties.*

*This Term Sheet does not discuss the servicing commingling risk and the warehousing takeout risk, which will be addressed separately by the following (i) the Master Transfer and Servicing Agreement will include an obligation for the IESO to provide a letter of credit if required to support the Funding Obligations in an amount equal to one month of anticipated collections of the clean energy adjustments by all non-rated local distribution companies, and (ii) there will be a step up in pricing reflected in the documents evidencing the short term debt issuance.*

| | |
|---|---|
| **Change of Law Assumption Agreement:** | A Change of Law Assumption Agreement will be among the Obligor, a Financing Entity and an Indenture Trustee, acting for and on behalf of the Specified Creditors in accordance with the Master Trust Indenture. |
| **Obligor:** | The Province of Ontario, by the Minister of Energy and the Minister of Finance. |
| **Indenture Trustee:** | An indenture trustee, acting for and on behalf of the Specified Creditors under a master trust indenture to be entered into by the Financing Entity, as issuer (the "**Master Trust Indenture**"). |
| **Beneficiaries:** | The Indenture Trustee, acting for and on behalf of the Specified Creditors. |

[1] Regulations covered by the Change of Law Assumption Agreement must also include the regulations obligating the IESO to pay the debt carrying costs during the moratorium period.

| | |
|---|---|
| **Obligations Secured:** | Obligations Secured approved as contemplated below under Obligor Approval.[2] |
| **Assumption Events:** | Any of the following would constitute an Assumption Event:<br>(A) (1) the Legislature repeals (and does not replace on an equivalent basis) or amends the Act or any portion thereof;<br>(2) the Legislature enacts or amends any other statute;<br>(3) the Lieutenant Governor in Council repeals (and does not replace on an equivalent basis) or amends the Regulation made under the Act or any portion thereof;<br>(4) the Lieutenant Governor in Council, a minister of the Crown, an official of the government or a board or commission all the members of which are appointed by the Lieutenant Governor in Council makes or amends any "regulation" (as defined in Part III of the *Legislation Act, 2006*); or<br>(5) there is a change in the organization, structure or operations of the IESO or a change in the electricity market structure or operations not otherwise effected through the actions described in clauses (A)(1) through (4) above.[3]<br>in each case, that is reasonably expected to adversely affect (a) the ability of the Financing Entity to receive amounts on its investment interest so that it can pay the Obligations Secured or (b) the Change of Law Assumption Agreement or any of the agreements under which Obligations Secured arise without the agreement of the Indenture Trustee; or[4]<br>(B) a court of competent jurisdiction determines that all or a portion of the Act or the Regulation is *ultra vires*, invalid or inoperative in a way that adversely affects the ability of the Financing Entity to receive amounts on its investment |

[2] "Obligations Secured" is a defined term in the Master Trust Indenture and encompasses all debts and liabilities of the Financing Entity owing to the Specified Creditors and captures subordinated debt as well. As discussed on the call with Blakes and the Provincial legal team, excluding subordinated debt from the benefits of the Assumption Agreement will increase the pricing of such debt, the costs of which would ultimately be passed on to ratepayers.

[3] We understand certain internal changes to the structure of the IESO may be made by the IESO board without statutory enactments.

[4] A materiality qualifier is not appropriate since a change of law that would result in either (a) or (b) is by its nature material.

| | |
|---|---|
| | interest so that it can pay the Obligations Secured including, without limitation, a declaration that any funding obligations of the Financing Entity or any investment interests are invalid or unenforceable. |
| **Obligation to Pay the Obligations Secured:** | Upon the occurrence of an Assumption Event, the Obligor will pay the amounts pertaining to the Obligations Secured on behalf of the Financing Entity when they become due and payable (without acceleration). The exercise of such right by the Indenture Trustee in accordance with the Master Trust Indenture shall constitute the only remedy available under the Change of Law Assumption Agreement. Under no circumstances shall the Obligor be obligated to pay or indemnify a Beneficiary for consequential, special or punitive damages. |
| **Subrogation:** | Upon paying an amount to a Beneficiary in respect of an Obligation Secured, the Obligor shall become entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Obligations Secured, including the security interest in the property of the Financing Entity. |

| | |
|---|---|
| **Event of Default Cure:**[5] | Upon the occurrence of a Default under the Master Trust Indenture (being an event which, with the passage of time or giving of notice could become an Event of Default), the Obligor would have the following rights:<br>(A) a right to receive written notice from the Indenture Trustee (at the same time that such trustee provides a notice to the Financing Entity through OPG as the manager) that a Default has occurred;<br>(B) in the event of the occurrence of an Event of Default that is not based upon the occurrence of a Default followed by a cure period (such as insolvency of the Financing Entity), a right to receive written notice from the Indenture Trustee that an Event of Default has occurred; and<br>(C) a right (but not an obligation) to cure the Default or the Event of Default, as the case may be, within a specified cure period, which will run concurrently with any cure period available under the Master Trust Indenture with respect to the applicable Event of Default.<br>The Master Trust Indenture will provide that notwithstanding the occurrence of an Event of Default, the Obligations Secured may not be accelerated until the expiry of the cure period available to the Obligor. If the Default or Event of Default in question cannot be cured by the Obligor on behalf of the Financing Entity within this cure period, then the Obligor will have the option (but not an obligation) to "cure" and avoid acceleration of the Obligations Secured by assuming those Obligations Secured. In such circumstances, the Fair Hydro program would be discontinued and the Obligations Secured owing under the program would be those of the Obligor. |
| **Optional Assumption:** | At any time following an Assumption Event or an Event of Default, the Obligor shall be entitled (but not obligated) to assume all of the Obligations Secured. The Financing Entity (including through the Manager) will ensure that any Obligations Secured by their contractual terms permit, on an Assumption Event or an Event of Default, an assumption by the Obligor without any requirement for further consent, approval or agreement of the applicable Specified Creditor. |
| **Term:** | The Change of Law Assumption Agreement will continue for as long as any Obligations Secured remain outstanding. |

[5] We have layered in our proposal on acceleration which was provided to all parties in a memo from OPG dated August 30, 2017.

| | |
|---|---|
| **Obligor Approval:** | The Change of Law Assumption Agreement will apply to all Obligations Secured that are incurred by an "Eligible Financing Entity" designated as such in accordance with the following process:<br><br>In order for a Financing Entity to become designated as an Eligible Financing Entity by the Obligor, prior to the initial issuance of Funding Obligations by such Financing Entity, the Obligor will review the constating documents of such Financing Entity and the various program agreements. Once a Financing Entity is designated by the Obligor as an Eligible Financing Entity, it will not be necessary for the Obligor to approve the documentation related to specific issuances of Funding Obligations; however, the Manager will notify the Obligor of any new material program documentation or any material amendments to existing program documentation before such new documentation or amendments become effective.[6]<br><br>It will not be necessary for the Obligor to approve each new issuance of Funding Obligations provided that such Funding Obligations are issued in accordance with following process:<br><br>(A) At least **[30 days]** prior to the initial issuance of Funding Obligations by an Eligible Financing Entity, the Manager will provide the Obligor with a forecast of the principal amount of Funding Obligations that the Manager expects such Eligible Financing Entity to issue in accordance with the Financing Plan in the next two years (a "**Two Year Forecast**"). The execution of the Change of Law Assumption Agreement in respect of such Eligible Financing Entity shall constitute the Obligor's approval of the issuance of Funding Obligations by such Eligible Financing Entity in accordance with the Two Year Forecast.<br><br>(B) the Manager shall provide the Obligor with an updated Two Year Forecast between **[6 and 9 months]** prior to the expiry of each current Two Year Forecast.<br><br>(C) Unless the Obligor provides the Manager with a written notice no later than **[3 months]** prior to the expiry of the current Two Year Forecast that the Change of Law Assumption Agreement will be inapplicable with respect to new Funding Obligations incurred following the expiry of the current Two Year Forecast, the Obligor will be deemed to approve the application of the Change of Law Assumption Agreement to all Funding Obligations and all |

| | |
|---|---|
| | other Obligations Secured in connection thereto incurred up to the expiry of the new Two Year Forecast. |
| **FIPPA:** | The Change of Law Assumption Agreement will acknowledge that the Obligor will be bound by the *Freedom of Information and Protection of Privacy Act* (Ontario) and that any information provided to the Obligor, or any agent or representative of the Obligor in connection with the Change of Law Assumption Agreement, may be subject to disclosure in accordance with the act or as otherwise required by law. |
| **Representations and Warranties:** | To be determined by the Minister of Finance and Minister of Energy in negotiation with the Financing Entity. |
| **Confidentiality Obligations:** | To be determined based on what would be customary and appropriate for similar types of arrangements and is acceptable to the Obligor and the Financing Entity. |
| **Governing Law:** | Province of Ontario. |

[6] We have not included an express right of the Province to review and sign off on program agreements since that is subsumed in the concept of Eligible Financing Entity – the Province will confirm it is comfortable with such documents prior to designating a Financing Entity an Eligible Financing Entity.

# Change of Law Assumption Agreement

## Indicative Term Sheet

## Ontario Fair Hydro Plan Act, 2017

*This* ***indicative*** *term sheet (the "**Term Sheet**") relates to transactions contemplated to be undertaken under the Ontario Fair Hydro Plan Act, 2017* ***(the "Act")*** *and the regulations* ~~*to be*~~ *made thereunder* ***and made in connection thereto*** *(the "*~~***Act***~~***Regulation***").[1] *This Term Sheet is to be held confidential. Unless otherwise specified, defined terms used herein have the meanings ascribed to them in the Act*~~.~~ ***or the August 23, 2017 draft of the Master Trust Indenture (as defined below), as applicable. The provincial assumption arrangements contemplated in this Term Sheet will include such terms and conditions as the Minister of Energy and the Minister of Finance determine to be appropriate. This Term Sheet is not intended to create any obligations or be binding on the parties.***

***This Term Sheet does not discuss the servicing commingling risk and the warehousing takeout risk, which will be addressed separately by the following (i) the Master Transfer and Servicing Agreement will include an obligation for the IESO to provide a letter of credit if required to support the Funding Obligations in an amount equal to one month of anticipated collections of the clean energy adjustments by all non-rated local distribution companies, and (ii) there will be a step up in pricing reflected in the documents evidencing the short term debt issuance.***

| **Change ~~in~~of Law ~~Guarantee~~Assumption Agreement:** | **A Change of Law Assumption Agreement will be among the Obligor, a Financing Entity and an Indenture Trustee, acting for and on behalf of the Specified Creditors in accordance with the Master Trust Indenture.** |

**[2] "Obligations Secured" is a defined term in the Master Trust Indenture and encompasses all debts and liabilities of the Financing Entity owing to the Specified Creditors and captures subordinated debt as well. As discussed on the call with Blakes and the Provincial legal team, excluding subordinated debt from the benefits of the Assumption Agreement will increase the pricing of such debt, the costs of which would ultimately be passed on to ratepayers.**

The exercise of such right by the Indenture Trustee in accordance with the Master Trust Indenture shall constitute the only remedy available under the Change of Law Assumption Agreement. Under no circumstances shall the Obligor be obligated to pay or indemnify a Beneficiary for consequential, special or punitive damages. |
| Subrogation: | Upon paying an amount to a Beneficiary in respect of an Obligation Secured, the Obligor shall become entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Obligations Secured, including the security interest in the property of the Financing Entity. |

In such circumstances, the Fair Hydro program would be discontinued and the Obligations Secured owing under the program would be those of the Obligor. |
| Optional Assumption: | At any time following an Assumption Event or an Event of Default, the Obligor shall be entitled (but not obligated) to assume all of the Obligations Secured. The Financing Entity (including through the Manager) will ensure that any Obligations Secured by their contractual terms permit, on an Assumption Event or an Event of Default, an assumption by the Obligor without any requirement for further consent, approval or agreement of the applicable Specified Creditor. |

~~**Warehousing Takeout Risk and Servicing (Commingling) Risk**~~

~~*Note – these items are provided for information purposes only as these risks were included in the previous version of the term sheet as items that the Dealers/OPG were looking for the Province for protection against. The current proposals with respect to these items is described below. These do not contain any requirement for the Province to directly backstop these risks.*~~

| | |
|---|---|
| **Commingling Risk (applies to Warehouse as well as any Term transactions)** | |
| **Commingling Risk Mitigant:** | For any LDC which is not investment grade rated by each of the rating agencies which are rating the funding obligations (the "Non-Investment Grade LDCs"), either:<br>(A) The IESO must post a Letter of Credit (L/C), or deposit funds in a Commingling Reserve Account in a quantum equal to the Commingling Risk Amount; or<br>(B) The IESO, for so long as it is rated investment grade by the rating agencies which are rating the funding obligations, will assume responsibility for commingling risk by the LDCs and will agree to remit to the Financing Entity any clean energy adjustment amounts collected by the LDC, regardless of whether the LDC remitted those amounts to the IESO for remittance to the Financing Entity |
| **Commingling Risk Amount:** | An amount equal to the sum of the expected Clean Energy Adjustment collections from the Non-Investment Grade LDCs over the next [45-60] days |
| **Commingling Risk Amount Reset Date:** | Each settlement date for the Financing Entity (monthly) |
| **Beneficiary:** | The beneficiary of the L/C or the Commingling Reserve Account would be the Financing Entity and the Indenture Trustee for the benefit of the creditors of the Financing Entity. The Financing Entity and/or the Indenture Trustee would have the ability to draw down the L/C or draw on the Commingling Reserve Account for any clean energy adjustment amounts expected to be received from the IESO but which were not received due to those funds not being remitted from an LDC to the IESO for that period |
| **L/C Provider:** | An entity rated at least A+ (or equivalent) |
| **Approvals:** | The approach is subject to approval from the IESO, by the rating agencies rating the funding obligations of the Financing Entity and the risk management areas of the banks providing the warehouse facilities |
| | |
| **Warehouse Takeout Risk** | |
| **Commitment Period for** | |

| | |
|---|---|
| **Warehouse[1]:** | Expected to be 12-24 months |
| **Takeout for Warehouse:** | Expected to be every 3-6 months |
| **Warehouse Default Event:** | One of the events of default for the warehouse will be the failure to repay the warehouse facility at the end of the commitment term |
| **Consequences of Warehouse Default Event:** | If the Warehouse Default Event[2] described above occurs, all amounts funded through the warehouse would become immediately due and payable, subject to the Warehouse Default Payment Cap, and Default Pricing will be charged on any amounts funded through the warehouse facility |
| **Default Pricing:** | Step up in pricing to [x] until the moratorium period ends and thereafter stepping up in increments of [y] every six months until the warehouse facility is repaid |
| **Warehouse Default Payment Cap:** | For any given reference period following the occurrence of a Warehouse Default Event, the amount that shall be remitted to the Financing Entity for repayment of the warehouse facilities will be the sum of (x) the interest amount due on the warehouse facilities (which, for greater certainty will include any program fees) and (y) the lessor of:<br>(a) The outstanding amount funded through the warehouse facilities; and<br>(b) The maximum amount that can be charged for that period so that clean energy adjustments are equal to, but do not exceed, the fair allocation amount for such period. |
| **Approval Requirement:** | Subject to approval by the risk management areas of the banks providing the warehouse facilities which will in part depend on receipt of information on the fair allocation curve and an understanding of how long the "tail risk" could be following a Warehouse Default Event |

[1] Please note that this is not intended to be an exhaustive list of terms for the warehouse facility, but rather is a summary of a few select terms that relate to the warehouse takeout risk.

[2] Note there may be other Warehouse Default Events beyond the takeout risk item described above. The consequences for a breach of these other Warehouse Default Events may be different than the one described above where the default is related to failure to takeout the warehouse facility by the end of the commitment period.

# Change of Law Assumption Agreement

## Indicative Term Sheet

## Ontario Fair Hydro Plan Act, 2017

*This indicative term sheet (the "**Term Sheet**") relates to transactions contemplated to be undertaken under the Ontario Fair Hydro Plan Act, 2017 (the "**Act**") and the regulations made thereunder and made in connection thereto (the "**Regulation**").[1] This Term Sheet is to be held confidential. Unless otherwise specified, defined terms used herein have the meanings ascribed to them in the Act or the August 23, 2017 draft of the Master Trust Indenture (as defined below), as applicable. The provincial assumption arrangements contemplated in this Term Sheet will include such terms and conditions as the Minister of Energy and the Minister of Finance determine to be appropriate. This Term Sheet is not intended to create any obligations or be binding on the parties.*

*This Term Sheet does not discuss the servicing commingling risk and the warehousing takeout risk, which will be addressed separately by the following (i) the Master Transfer and Servicing Agreement will include an obligation for the IESO to provide a letter of credit if required to support the Funding Obligations in an amount equal to one month of anticipated collections of the clean energy adjustments by all non-rated local distribution companies, and (ii) there will be a step up in pricing reflected in the documents evidencing the short term debt issuance.*

| | |
|---|---|
| **Change of Law Assumption Agreement:** | A Change of Law Assumption Agreement will be among the Obligor, a Financing Entity and an Indenture Trustee, acting for and on behalf of the Specified Creditors in accordance with the Master Trust Indenture. |
| **Obligor:** | The Province of Ontario, by the Minister of Energy and the Minister of Finance. |
| **Indenture Trustee:** | An indenture trustee, acting for and on behalf of the Specified Creditors under a master trust indenture to be entered into by the Financing Entity, as issuer (the "**Master Trust Indenture**"). |
| **Beneficiaries:** | The Indenture Trustee, acting for and on behalf of the Specified Creditors. |

[1] Regulations covered by the Change of Law Assumption Agreement must also include the regulations obligating the IESO to pay the debt carrying costs during the moratorium period.

| | |
|---|---|
| **Obligations Secured:** | Obligations Secured approved as contemplated below under Obligor Approval.[2] |
| **Assumption Events:** | Any of the following would constitute an Assumption Event:<br>(A) (1) the Legislature repeals (and does not replace on an equivalent basis) or amends the Act or any portion thereof;<br>(2) the Legislature enacts or amends any other statute;<br>(3) the Lieutenant Governor in Council repeals (and does not replace on an equivalent basis) or amends the Regulation made under the Act or any portion thereof;<br>(4) the Lieutenant Governor in Council, a minister of the Crown, an official of the government or a board or commission all the members of which are appointed by the Lieutenant Governor in Council makes or amends any "regulation" (as defined in Part III of the *Legislation Act, 2006*); or<br>(5) there is a change in the organization, structure or operations of the IESO or a change in the electricity market structure or operations not otherwise effected through the actions described in clauses (A)(1) through (4) above.[3]<br>in each case, that is reasonably expected to adversely affect (a) the ability of the Financing Entity to receive amounts on its investment interest so that it can pay the Obligations Secured or (b) the Change of Law Assumption Agreement or any of the agreements under which Obligations Secured arise without the agreement of the Indenture Trustee; or[4]<br>(B) a court of competent jurisdiction determines that all or a portion of the Act or the Regulation is *ultra vires*, invalid or inoperative in a way that adversely affects the ability of the Financing Entity to receive amounts on its investment |

[2] "Obligations Secured" is a defined term in the Master Trust Indenture and encompasses all debts and liabilities of the Financing Entity owing to the Specified Creditors and captures subordinated debt as well. As discussed on the call with Blakes and the Provincial legal team, excluding subordinated debt from the benefits of the Assumption Agreement will increase the pricing of such debt, the costs of which would ultimately be passed on to ratepayers.

[3] We understand certain internal changes to the structure of the IESO may be made by the IESO board without statutory enactments.

[4] A materiality qualifier is not appropriate since a change of law that would result in either (a) or (b) is by its nature material.

| | |
|---|---|
| | interest so that it can pay the Obligations Secured including, without limitation, a declaration that any funding obligations of the Financing Entity or any investment interests are invalid or unenforceable. |
| **Obligation to Pay the Obligations Secured:** | Upon the occurrence of an Assumption Event, the Obligor will pay the amounts pertaining to the Obligations Secured on behalf of the Financing Entity when they become due and payable (without acceleration). The exercise of such right by the Indenture Trustee in accordance with the Master Trust Indenture shall constitute the only remedy available under the Change of Law Assumption Agreement. Under no circumstances shall the Obligor be obligated to pay or indemnify a Beneficiary for consequential, special or punitive damages. |
| **Subrogation:** | Upon paying an amount to a Beneficiary in respect of an Obligation Secured, the Obligor shall become entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Obligations Secured, including the security interest in the property of the Financing Entity. |

| | |
|---|---|
| **Event of Default Cure:**[5] | Upon the occurrence of a Default under the Master Trust Indenture (being an event which, with the passage of time or giving of notice could become an Event of Default), the Obligor would have the following rights:<br>(A) a right to receive written notice from the Indenture Trustee (at the same time that such trustee provides a notice to the Financing Entity through OPG as the manager) that a Default has occurred;<br>(B) in the event of the occurrence of an Event of Default that is not based upon the occurrence of a Default followed by a cure period (such as insolvency of the Financing Entity), a right to receive written notice from the Indenture Trustee that an Event of Default has occurred; and<br>(C) a right (but not an obligation) to cure the Default or the Event of Default, as the case may be, within a specified cure period, which will run concurrently with any cure period available under the Master Trust Indenture with respect to the applicable Event of Default.<br>The Master Trust Indenture will provide that notwithstanding the occurrence of an Event of Default, the Obligations Secured may not be accelerated until the expiry of the cure period available to the Obligor. If the Default or Event of Default in question cannot be cured by the Obligor on behalf of the Financing Entity within this cure period, then the Obligor will have the option (but not an obligation) to "cure" and avoid acceleration of the Obligations Secured by assuming those Obligations Secured. In such circumstances, the Fair Hydro program would be discontinued and the Obligations Secured owing under the program would be those of the Obligor. |
| **Optional Assumption:** | At any time following an Assumption Event or an Event of Default, the Obligor shall be entitled (but not obligated) to assume all of the Obligations Secured. The Financing Entity (including through the Manager) will ensure that any Obligations Secured by their contractual terms permit, on an Assumption Event or an Event of Default, an assumption by the Obligor without any requirement for further consent, approval or agreement of the applicable Specified Creditor. |
| **Term:** | The Change of Law Assumption Agreement will continue for as long as any Obligations Secured remain outstanding. |

[5] We have layered in our proposal on acceleration which was provided to all parties in a memo from OPG dated August 30, 2017.

| | |
|---|---|
| **Obligor Approval:** | The Change of Law Assumption Agreement will apply to all Obligations Secured that are incurred by an "Eligible Financing Entity" designated as such in accordance with the following process:<br><br>In order for a Financing Entity to become designated as an Eligible Financing Entity by the Obligor, prior to the initial issuance of Funding Obligations by such Financing Entity, the Obligor will review the constating documents of such Financing Entity and the various program agreements. Once a Financing Entity is designated by the Obligor as an Eligible Financing Entity, it will not be necessary for the Obligor to approve the documentation related to specific issuances of Funding Obligations; however, the Manager will notify the Obligor of any new material program documentation or any material amendments to existing program documentation before such new documentation or amendments become effective.[6]<br><br>It will not be necessary for the Obligor to approve each new issuance of Funding Obligations provided that such Funding Obligations are issued in accordance with following process:<br><br>(A) At least **[30 days]** prior to the initial issuance of Funding Obligations by an Eligible Financing Entity, the Manager will provide the Obligor with a forecast of the principal amount of Funding Obligations that the Manager expects such Eligible Financing Entity to issue in accordance with the Financing Plan in the next two years (a "**Two Year Forecast**"). The execution of the Change of Law Assumption Agreement in respect of such Eligible Financing Entity shall constitute the Obligor's approval of the issuance of Funding Obligations by such Eligible Financing Entity in accordance with the Two Year Forecast.<br><br>(B) the Manager shall provide the Obligor with an updated Two Year Forecast between **[6 and 9 months]** prior to the expiry of each current Two Year Forecast.<br><br>(C) Unless the Obligor provides the Manager with a written notice no later than **[3 months]** prior to the expiry of the current Two Year Forecast that the Change of Law Assumption Agreement will be inapplicable with respect to new Funding Obligations incurred following the expiry of the current Two Year Forecast, the Obligor will be deemed to approve the application of the Change of Law Assumption Agreement to all Funding Obligations and all |

| | |
|---|---|
| | other Obligations Secured in connection thereto incurred up to the expiry of the new Two Year Forecast. |
| **FIPPA:** | The Change of Law Assumption Agreement will acknowledge that the Obligor will be bound by the *Freedom of Information and Protection of Privacy Act* (Ontario) and that any information provided to the Obligor, or any agent or representative of the Obligor in connection with the Change of Law Assumption Agreement, may be subject to disclosure in accordance with the act or as otherwise required by law. |
| **Representations and Warranties:** | To be determined by the Minister of Finance and Minister of Energy in negotiation with the Financing Entity. |
| **Confidentiality Obligations:** | To be determined based on what would be customary and appropriate for similar types of arrangements and is acceptable to the Obligor and the Financing Entity. |
| **Governing Law:** | Province of Ontario. |

[6] We have not included an express right of the Province to review and sign off on program agreements since that is subsumed in the concept of Eligible Financing Entity – the Province will confirm it is comfortable with such documents prior to designating a Financing Entity an Eligible Financing Entity.

The obligations of the Financing Entity include its funding obligations as well as any other obligation the Financing Entity has related to the Fair Hydro program such as payments to service providers (such as trustees, auditors, etc), rating agencies and any fees due to the securities commissions~~. The exercise of such right by the Indenture Trustee in accordance with the Master Trust Indenture shall constitute the only remedy available under the Change of Law Assumption Agreement. Under no circumstances shall the Obligor be obligated to pay or indemnify a Beneficiary for consequential, special or punitive damages. |
| Subrogation: | Upon paying an amount to a Beneficiary in respect of an Obligation Secured, the Obligor shall become entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Obligations Secured, including the security interest in the property of the Financing Entity. |
| Event of Default Cure:[5] | Upon the occurrence of a Default under the Master Trust Indenture (being an event which, with the passage of time or giving of notice could become an Event of Default), the Obligor would have the following rights:<br>(A) a right to receive written notice from the Indenture Trustee (at the same time that such trustee provides a |

If the Default or Event of Default in question cannot be cured by the Obligor on behalf of the Financing Entity within this cure period, then the Obligor will have the option (but not an obligation) to "cure" and avoid acceleration of the Obligations Secured by assuming those Obligations Secured. In such circumstances, the Fair Hydro program would be discontinued and the Obligations Secured owing under the program would be those of the Obligor. |
| Optional Assumption: | At any time following an Assumption Event or an Event of Default, the Obligor shall be entitled (but not obligated) to assume all of the Obligations Secured. The Financing Entity (including through the Manager) will ensure that any Obligations Secured by their contractual terms permit, on an Assumption Event or an Event of Default, an assumption by the Obligor without any requirement for further consent, approval or agreement of the applicable Specified Creditor. |

~~**Warehousing Takeout Risk and Servicing (Commingling) Risk**~~

~~*Note – these items are provided for information purposes only as these risks were included in the previous version of the term sheet as items that the Dealers/OPG were looking for the Province for protection against. The current proposals with respect to these items is described below. These do not contain any requirement for the Province to directly backstop these risks.*~~

| | |
|---|---|
| **Commingling Risk (applies to Warehouse as well as any Term transactions)** | |
| **Commingling Risk Mitigant:** | For any LDC which is not investment grade rated by each of the rating agencies which are rating the funding obligations (the "Non-Investment Grade LDCs"), either:<br>(A) The IESO must post a Letter of Credit (L/C), or deposit funds in a Commingling Reserve Account in a quantum equal to the Commingling Risk Amount; or<br>(B) The IESO, for so long as it is rated investment grade by the rating agencies which are rating the funding obligations, will assume responsibility for commingling risk by the LDCs and will agree to remit to the Financing Entity any clean energy adjustment amounts collected by the LDC, regardless of whether the LDC remitted those amounts to the IESO for remittance to the Financing Entity |
| **Commingling Risk Amount:** | An amount equal to the sum of the expected Clean Energy Adjustment collections from the Non-Investment Grade LDCs over the next [45-60] days |
| **Commingling Risk Amount Reset Date:** | Each settlement date for the Financing Entity (monthly) |
| **Beneficiary:** | The beneficiary of the L/C or the Commingling Reserve Account would be the Financing Entity and the Indenture Trustee for the benefit of the creditors of the Financing Entity. The Financing Entity and/or the Indenture Trustee would have the ability to draw down the L/C or draw on the Commingling Reserve Account for any clean energy adjustment amounts expected to be received from the IESO but which were not received due to those funds not being remitted from an LDC to the IESO for that period |
| **L/C Provider:** | An entity rated at least A+ (or equivalent) |
| **Approvals:** | The approach is subject to approval from the IESO, by the rating agencies rating the funding obligations of the Financing Entity and the risk management areas of the banks providing the warehouse facilities |
| | |
| **Warehouse Takeout Risk** | |
| **Commitment Period for** | |

| | |
|---|---|
| **Warehouse[1]:** | Expected to be 12-24 months |
| **Takeout for Warehouse:** | Expected to be every 3-6 months |
| **Warehouse Default Event:** | One of the events of default for the warehouse will be the failure to repay the warehouse facility at the end of the commitment term |
| **Consequences of Warehouse Default Event:** | If the Warehouse Default Event[2] described above occurs, all amounts funded through the warehouse would become immediately due and payable, subject to the Warehouse Default Payment Cap, and Default Pricing will be charged on any amounts funded through the warehouse facility |
| **Default Pricing:** | Step up in pricing to [x] until the moratorium period ends and thereafter stepping up in increments of [y] every six months until the warehouse facility is repaid |
| **Warehouse Default Payment Cap:** | For any given reference period following the occurrence of a Warehouse Default Event, the amount that shall be remitted to the Financing Entity for repayment of the warehouse facilities will be the sum of (x) the interest amount due on the warehouse facilities (which, for greater certainty will include any program fees) and (y) the lessor of:<br>(a) The outstanding amount funded through the warehouse facilities; and<br>(b) The maximum amount that can be charged for that period so that clean energy adjustments are equal to, but do not exceed, the fair allocation amount for such period. |
| **Approval Requirement:** | Subject to approval by the risk management areas of the banks providing the warehouse facilities which will in part depend on receipt of information on the fair allocation curve and an understanding of how long the "tail risk" could be following a Warehouse Default Event |

[1] Please note that this is not intended to be an exhaustive list of terms for the warehouse facility, but rather is a summary of a few select terms that relate to the warehouse takeout risk.

[2] Note there may be other Warehouse Default Events beyond the takeout risk item described above. The consequences for a breach of these other Warehouse Default Events may be different than the one described above where the default is related to failure to takeout the warehouse facility by the end of the commitment period.

Osler team – please find attached a revised draft of the term sheet for the Provincial Change of Law Assumption Agreement (blacklined to the Province's draft as well as the draft you prepared on August 14). Please note that there are some formatting issues in the blacklines that do not appear in the clean word version.
Please also note that this draft is being concurrently circulated to OPG and remains subject to OPG's review. Please let us know if you or the dealers have any comments by no later than this Friday. We will need to circulate a revised draft of the term sheet to the Province by then.
Thank you,

**<u>Indicative Term Sheet</u>**

**<u>Ontario Fair Hydro Plan Act, 2017</u>**

*This indicative term sheet (the "**Term Sheet**") relates to transactions contemplated to be undertaken under the Ontario Fair Hydro Plan Act, 2017 (the "**Act**") and the regulations made thereunder (the "**Regulation**"). This Term Sheet is to be held confidential. Unless otherwise specified, defined terms used herein have the meanings ascribed to them in the Act. The provincial protection and assurance arrangements contemplated in this Term Sheet will include such terms and conditions as the Minister of Energy and the Minister of Finance determine to be appropriate. This Term Sheet is not intended to create any obligations or be binding.*

| | |
|---|---|
| **Change of Law Protection Agreement:** | A Change of Law Protection Agreement will be among the Obligor, a Financing Entity and an Indenture Trustee, acting for and on behalf of the Beneficiaries in accordance with a Trust Indenture. |
| **Obligor:** | The Province of Ontario, by the Minister of Energy and the Minister of Finance acting together. |
| **Indenture Trustee:** | An indenture trustee, acting for itself and on behalf of other persons entitled under an applicable Trust Indenture. |
| **Beneficiaries:** | The Indenture Trustee, acting for itself and on behalf of other persons entitled under Specified Claims. |
| **Specified Claims:** | Payment obligations of the Financing Entity that are secured under the Trust Indenture and that are approved as contemplated below under Obligor Approval. |
| **Protection Events:** | Any of the following would constitute a Protection Event:<br>(A) (1) the Legislature repeals (and does not replace on an equivalent basis) or amends the Act or any portion thereof;<br>(2) the Legislature enacts or amends any other statute;<br>(3) the Lieutenant Governor in Council repeals (and does not replace on an equivalent basis) the Regulation made under the Act or any portion thereof; or<br>(4) the Lieutenant Governor in Council, a minister of the Crown, an official of the government or a board or commission all the members of which are |

| | |
|---|---|
| | appointed by the Lieutenant Governor in Council makes or amends any "regulation" (as defined in Part III of the *Legislation Act, 2006*);<br><br>(5) there is a change in the organization or structure of the IESO or Ontario's market undertaken at the initiative of the Province or an entity controlled by the Province,<br><br>in each case, that materially and adversely affects (a) the ability of the Financing Entity to receive amounts on its investment interest so that it can pay Specified Claims, or (b) the Change of Law Protection Agreement or any of the agreements under which Specified Claims arise, other than if the Indenture Trustee has confirmed in writing that the affect under such agreements is otherwise acceptable; or<br><br>(B) a court of competent jurisdiction [in a final and non-appealable judgement][1] determines that all or a portion of the Act or the Regulation is *ultra vires* or invalid in a way that materially and adversely affects the ability of the Financing Entity to receive amounts on its investment interest so that it can pay Specified Claims. |
| **Obligation to Pay Specified Claims:** | Upon the occurrence of a Protection Event, the Indenture Trustee will have the right to require the Obligor to pay the Specified Claims owing by the Financing Entity when they become due and payable (without acceleration). The exercise of such right by the Indenture Trustee in accordance with the Trust Indenture shall constitute the only remedy available under the Change of Law Protection Agreement. Under no circumstances shall the Obligor be obligated to pay or indemnify a Beneficiary for consequential, special or punitive damages, or for economic loss or loss of profits. |
| **Subrogation:** | Upon paying a Specified Claim to a Beneficiary, the Obligor as guarantor shall have rights of subrogation, including becoming entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Specified Claim, including the security interest in each related investment interest and related property of the Financing Entity. |

[1] Under consideration to assess the marketability implications of this phrase.

| | |
|---|---|
| **Optional Assumption:** | At any time following the occurrence of a Protection Event, the Obligor shall be entitled (but not obligated) to assume the Financing Entity's obligations in respect of Specified Claims as obligor and debtor. The Financing Entity (including through the Financial Services Manager) will ensure that Specified Claims permit such an assumption by the Obligor without any penalty or make-whole payment (or, in the case of any contract for the provision of on-going services to the Financing Entity, the satisfaction and termination of the Specified Claims without any acceleration of future fees, profits or other like amounts), or any requirement for further consent, approval or agreement. |
| **Term:** | The Change of Law Protection Agreement will continue for as long as any Specified Claim remains outstanding. |
| **Obligor Approval:** | The process by which a Specified Claim will become subject to the Change of Law Protection Agreement will be determined by the Minister of Finance and Minister of Energy in negotiation with the Financing Entity. |
| **FIPPA:** | The Change of Law Protection Agreement will acknowledge that the Obligor will be bound by the *Freedom of Information and Protection of Privacy Act* (Ontario) and that any information provided to the Obligor, or any agent or representative of the Obligor in connection with the Change of Law Protection Agreement, may be subject to disclosure in accordance with the act or as otherwise required by law. |
| **Representations and Warranties:** | To be determined by the Minister of Finance and Minister of Energy in negotiation with the Financing Entity. |
| **Confidentiality Obligations:** | To be determined based on what would be customary and appropriate for similar types of arrangements and is acceptable to the Obligor and the Financing Entity. |
| **Governing Law:** | Province of Ontario. |

Mike:
The response is helpful in terms of helping to explain the Province thinking but does little in terms of addressing the accounting gap as it relates to the E&Y concerns.
I think it may be more productive to have a meeting with John Mauti, Cindy Veinot and myself on Monday to discuss what can be changed to close the accounting gap. We can only provide advice. Ultimately, the Province controls the pen on this agreement and the risk is yours to bear.

Please find attached our comments on your response of October 6. We have moved the text of your email to the attached document and responded inline in square brackets for ease of review.
We recognize that we are running out of time, and that we should discuss and move this forward at the beginning of next week.
We also generally recognize that, although there are still some gaps in our respective approaches, we would find it helpful to have some more specific suggestions and comments on our Sept. 27 draft in order to help move this forward. This might include also the timing issues, with some indication of where, if OPG finds the timing does not work, some alternatives can be suggested for consideration.

Toby,

Thank you for your draft proposal; we have set out below our conceptual comments and concerns on it. Please note that the points below remain subject to the continuing review of OPG. Please also note that we have not yet sought the dealers' views on the proposal. We think it is premature to do so until we settle these points amongst ourselves and a revised draft of the proposal is circulated reflecting our agreement.

As further discussed below, your proposal deviates in some key ways from what we proposed in our email of September 19 (attached) and raises the accounting and operational issues we tried to avoid in the September 19th proposal. Given the need to settle the Protection Agreement as soon as possible, we'd appreciate if we could discuss these points early next week.

Best Regards,

Nina

**Accounting Issues:**

E&Y has concerns from an accounting perspective with the level of Provincial oversight and input on certain parts of the process, namely:

-that OPG will likely have to go back to the Province on each incurrence of debt and they will have to do so prior to that incurrence

-that OPG must certify and provide a lot of detailed reporting with respect to each incurrence of debt

-the level of frequency of reporting in general (not just the certifications/information noted above but also the contemplated annual forecasts and quarterly updates of those forecasts)

-the negative pledge with respect to the exercise of certain options on the debt

-the fact that OPG must give notice to the Province when incurring funding obligations that are expressly excluded from the Protection Agreement

Taken as a whole, we understand that E&Y sees all of this as the Province exerting a level of control on the debt that no typical guarantor would have. Please also advise if the Province's accountants have reviewed the proposal.

**Practical Issues:**

- The procedural steps to bind the Province are lengthy and complicated. From our perspective, as drafted, OPG will likely have to seek Provincial approval on each debt issuance (which weakens the accounting as discussed above). The dealers and their counsel will have a reaction to the proposed adherence conditions but query whether there is value in setting out the adherence conditions in the Protection Agreement itself. Setting aside the mechanics of how we get there, the dealers want comfort that the incurrence of obligations by the financing entity will be covered by the Protection

Agreement. We would propose that the mechanics of any approval process (once we settle the terms of that process) be the subject of a separate procedures agreement or memo from the Province to OPG, whereby the Province delegates to OPG the ability to bind the Province under the Protection Agreement with respect to an incurrence of obligations so long as the adherence conditions in the procedures agreement or memo have been met. The Protection Agreement would then simply state that, upon OPG certifying to the indenture trustee that the adherence conditions have been satisfied under the procedures agreement/memo, the Province will be deemed to be bound under the Protection Agreement with respect to the specific obligations incurred at the time of the certification.

- In addition to the accounting concerns, the level of detail and frequency of reporting required present timing and operational issues. For example, as part of the adherence conditions, you are asking for details on the interest rate. However, pricing will in part be driven off whether that specific incurrence will have the benefits of the Protection Agreement.

**Drafting Issues:**

- Please refer to the existing terminology of the Act to ensure there is certainty on the obligations covered under the Protection Agreement. We think the best way for you to approach this would be to refer to all finance amounts and then expressly carve out what you are proposing not be covered.
- We'd like to understand the reason OPG's management fees have been excluded. We assume you do not intend for OPG's reimbursement costs (costs incurred by OPG on behalf of the Financing Entity) to be excluded? Please advise why taxes are being excluded?
- There are a few references to "exceed the maximum amount specified therefor in the applicable governing document". Please advise what is being contemplated here.
- We have a number of other drafting comments which we'll revisit once we've settled on the conceptual points above and have reviewed a revised draft of the document.

Steve, Malle and Toby, further to our meeting the other day, set out below for your review is a proposal on the Provincial approval process under the Change of Law Assumption Agreement. Once we have your feedback on this, we will need to share it with Osler and the accountants and as John mentioned, we are under some time pressure to bring this to a resolution prior to the upcoming June 29 OPG Board meeting. We look forward to your comments, and feel free

to reach out if you have any questions. -- Rima

**Obligor Approval**

The Change of Law Assumption Agreement will apply to all Specified Claims relating to Funding Obligations that are incurred by an Eligible Financing Entity in accordance with the Obligor's approval process. The definition of Specified Claims to be mutually agreed by all parties.

In order for a Financing Entity to become designated as an Eligible Financing Entity by the Obligor, prior to the initial issuance of Funding Obligations by such Financing Entity, the Obligor will be provided with copies of the following documents (collectively the "Program Documents") for review:

(i) the constating documents of such Financing Entity;

(ii) the management agreement between the Financing Entity and OPG;

(iii) the master transfer and servicing agreement between the Financing Entity and the IESO;

(iv) the master trust indenture governing the issuance of Funding Obligations by the Financing Entity;

(v) a form of supplemental indenture governing the issuance of bonds, issuable in series, by the Financing Entity;

(vi) a form of note purchase agreement or credit agreement governing the issuance of short term Funding Obligations by the Financing Entity;

(vii) a form of schedule to an ISDA Master Agreement governing derivative transactions that may be entered into the Financing Entity from time to time; and

(viii) such other documents as may be requested by the Obligor.

Once a Financing Entity is designated by the Obligor as an Eligible Financing Entity, it will not be necessary for the Obligor to approve the documentation related to specific issuances of Funding Obligations; however, OPG will be expected to notify the Obligor of any new material program documentation or any material amendments to existing program documentation before such new documentation or amendments become effective. The failure of OPG to provide any such notice will not invalidate the application of the Change of Law Assumption Agreement to any Specified Claims.

It will not be necessary for the Obligor to approve each new issuance of Funding Obligations provided that such Funding Obligations are issued in accordance with following:

(1) The Funding Obligations are issued in accordance with agreements that contain: (a) covenants of the Eligible Financing Entity that are no more onerous in any material respect and (b) events of default that are consistent in all material respects, respectively, with the covenants of the Eligible Financing Entity and events of default contained in the draft Program Documents.

(2) At least [30 days] prior to the initial issuance of Funding Obligations by an Eligible Financing Entity, OPG will provide the Obligor with a forecast of the principal amount and expected term of the Funding Obligations that OPG expects such Eligible Financing Entity to issue in accordance with the Financing Plan in the next two years (a "Two Year Forecast"). The execution of the Change of Law Assumption Agreement in respect of such Eligible Financing

Entity shall constitute the Obligor's approval of the issuance of Funding Obligations by such Eligible Financing Entity in accordance with the Two Year Forecast.
(3) OPG shall provide the Obligor with an updated Two Year Forecast between 9 and 12 months prior to the expiry of each current Two Year Forecast.
(4) Unless the Obligor provides OPG with a written notice no later than 3 months prior to the date following receipt of the current Two Year Forecast that the Change of Law Assumption Agreement will be inapplicable with respect to new Funding Obligations incurred following the expiry of the current Two Year Forecast, the Obligor will be deemed to approve the application of the Change of Law Assumption Agreement to all Funding Obligations incurred up to the expiry of the new Two Year Forecast.
At the time of issuance of Funding Obligations by an Eligible Financing Entity, the Financing Entity will provide (i) any required certifications to the underwriters/agents that such Funding Obligations are covered by the Change of Law Assumption Agreement; and (ii) notice to the Obligor of the material terms of the Funding Obligations issued, together with electronic copies of the final executed Program Documents.

[NOTE TO DRAFT: CONFIRM THAT TORYS IS REFERRING TO THE OFA/MOE PROPOSAL FROM SEPTEMBER 27TH. ]

Toby,

Thank you for your draft proposal; we have set out below our conceptual comments and concerns on it. Please note that the points below remain subject to the continuing review of OPG. Please also note that we have not yet sought the dealers' views on the proposal. We think it is premature to do so until we settle these points amongst ourselves and a revised draft of the proposal is circulated reflecting our agreement.

As further discussed below, your proposal deviates in some key ways from what we proposed in our email of September 19 (attached) and raises the accounting and operational issues we tried to avoid in the September 19th proposal. Given the need to settle the Protection Agreement as soon as possible, we'd appreciate if we could discuss these points early next week.

Best Regards,
Nina

**Accounting Issues:**
E&Y has concerns from an accounting perspective with the level of Provincial oversight and input on certain parts of the process, namely:

[There is minimal oversight and input from the Province so long as the pre-agreed scope and parameters are adhered to.]

-that OPG will likely have to go back to the Province on each incurrence of debt and they will have to do so prior to that incurrence

[The proposal is that basic information regarding an incurrence will be provided to enable the province to (1) understand the nature and scope of the incurrence, to enable the Province to address internal governance considerations and (2) to be satisfied that the proposed incurrences are in-line with the pre-agreed parameters (the "Parameters"). The intention is not to curtail incurrences that follow the pre-agreed approach. The timing of the notice to the Province may be a point of discussion.]

-that OPG must certify and provide a lot of detailed reporting with respect to each incurrence of debt
[As the entity running the program, OPG will be expected to provide the province with information sufficient to enable the province to make sure any incurrence falls inside the Parameters. The delivery of a certificate in an agreed form, just prior to the time of the incurrence, is meant to create a brightline test for the financing entity's counterparties to know that, so long as the certificate has been delivered (even if it's inaccurate), the Province will be bound. As you suggest below, any inaccuracy will give rise to considerations between the province and OPG. The delivery of the certificate at the time of an incurrence is considered an important due diligence confirmation for the province.
What is the basis for E&Y expressing a reservation regarding the province having access to underlying information about the "approved obligations", which in turn will define the scope of the

province's own obligations if called upon under the change of law protection agreement (CLPA)?]
-the level of frequency of reporting in general (not just the certifications/information noted above but also the contemplated annual forecasts and quarterly updates of those forecasts)
[Any surety in a similar circumstance would want to know the nature and extent of the obligations incurred and to be incurred. That information is intended to allow the province to ensure compliance with the Parameters. Please provide an alternative proposal that meets OPGs requirements and still provides adequate information for the Province.]
-the negative pledge with respect to the exercise of certain options on the debt
[The idea is that if there is optionality in favour of the financing entity, and the exercise would affect the payment profile under the CLPA, such an exercise following a Protection Event should not affect the Province's payment obligations. In effect, the payment schedule will crystalize and cannot be accelerated or extended once the province becomes obligated to pay, following a Protection Event.]
-the fact that OPG must give notice to the Province when incurring funding obligations that are expressly excluded from the Protection Agreement
[The Province needs to understand the overall credit picture of the financing entity since it will become a creditor (through subrogation) if it is called on to perform. Exclusions are narrowly defined and should be minimal in practice.]

Taken as a whole, we understand that E&Y sees all of this as the Province exerting a level of control on the debt that no typical guarantor would have.
[These checks and balances are in-line with the province not writing a "blank cheque" in relation to future incurrences. Prudent sureties would be expected to exercise diligence - indeed to do less could be evidence of interdependence and non-arm's length terms, which presumably would be unhelpful to E&Y's analysis. ] Please also advise if the Province's accountants have reviewed the proposal.
[The Province's accountants are involved in this process and are also reviewing the proposal]

**Practical Issues:**

- The procedural steps to bind the Province are lengthy and complicated.

[The OFHPA will involve very significant and complex financings. The process is intended to provide an appropriate level of third party enquiry given the size and scale of the financing program to the province and in order to ensure the issuances are within the Parameters. ] From our perspective, as drafted, OPG will likely have to seek Provincial approval
[No approval is contemplated or expected by the Province, except if the incurrence is outside of the pre-agreed boundaries.] on each debt issuance (which weakens the accounting as discussed above)
[An explanation of the relevant accounting principles that E&Y has expressed concern about would assist the province to understand E&Y'S concerns. Also, a detailed list of any particular troublesome requirements would be helpful, with drafting suggestions as appropriate] [The dealers and their counsel will have a reaction to the proposed adherence conditions but query whether there is value in setting out the adherence conditions in the Protection Agreement itself.
[From the dealers' perspective, the three listed requirements (namely, (1) quantum under the program limit (2) delivery of the OPG certificate (3) absence of contrary notice from the Province) can be easily and objectively verified by the dealers. These process requirements should be reflected in the incurrence procedures as a check/balance at the relevant time, given that the province will not otherwise be directly involved in the incurrence process but will be obligated under the CLPA] Setting aside the mechanics of how we get there, the dealers want

comfort that the incurrence of obligations by the financing entity will be covered by the Protection Agreement.

[As noted above, the three listed requirements can be easily and objectively confirmed by the dealers prior to a closing. inaccuracies or other failures within the certification process will not negate the Province's obligations] We would propose that the mechanics of any approval process (once we settle the terms of that process) be the subject of a separate procedures agreement or memo from the Province to OPG, whereby the Province delegates to OPG the ability to bind the Province under the Protection Agreement with respect to an incurrence of obligations so long as the adherence conditions in the procedures agreement or memo have been met.

[As noted, this due diligence check/balance is how the province will ensure the issuances satisfy the Parameters. It is anticipated that the Ministers will see this process as significant to the exercise of their authorities under OFHPA 5(3). Ultimately, the Province will depend on OPG, which is why the delivery of a certificate, without being impugned by an accuracy, is the contemplated adherence condition - rather than making the confirmation of certificate accuracy a condition, which we assume would be unwelcome by the underwriters.] The Protection Agreement would then simply state that, upon OPG certifying to the indenture trustee that the adherence conditions have been satisfied under the procedures agreement/memo, the Province will be deemed to be bound under the Protection Agreement with respect to the specific obligations incurred at the time of the certification.

[The Province wants an actual certificate to be delivered to it (not just the indenture trustee) as part of the closing process. Also, the program limit and failsafe disapproval notice are considered to be important safeguards for the province]

- In addition to the accounting concerns, the level of detail and frequency of reporting required present timing and operational issues. For example, as part of the adherence conditions, you are asking for details on the interest rate. However, pricing will in part be driven off whether that specific incurrence will have the benefits of the Protection Agreement.
- [In the case of details not known at the time the OPG certificate is to be delivered (which will be expected to occur close to closing), it should be sufficient to indicate the process by which those details will be finalized. For example, it would be sufficient to say "interest rates to be set on or about [date] based on underwriting syndicate pricing indications".]

**Drafting Issues:**

- Please refer to the existing terminology of the Act to ensure there is certainty on the obligations covered under the Protection Agreement. We think the best way for you to approach this would be to refer to all finance amounts and then expressly carve out what you are proposing not be covered.
- [The proposal uses the specific defined terms from the OFHPA and regulation, in order to tie back to the statute and appropriately narrow the scope to the obligations that are reasonably known to require protection from the province. Considerable thought has been given to the approach reflected in the province's proposal. The Province wishes to focus on each inclusion that requires the support arrangements, which should then be net of available/free cash flows, set-offs, etc. Please provide specific comments on any specific items of concerns.]
- We'd like to understand the reason OPG's management fees have been excluded. [This is still an open question under consideration.] We assume you do not intend for OPG's

reimbursement costs (costs incurred by OPG on behalf of the Financing Entity) to be excluded? [Under consideration] Please advise why taxes are being excluded?

[CRA does not require/is not entitled by law to the benefit of the protection arrangement. Please explain the logic of the request to include taxes]

- There are a few references to "exceed the maximum amount specified therefor in the applicable governing document". Please advise what is being contemplated here.

[For the Province's support arrangement to apply to an obligation, the quantum of the obligation must be factored into the program maximum test. if the obligation is a contingent obligation, the province's obligations must be capped so that the amount of the cap can be factored into the program limit test]

- We have a number of other drafting comments which we'll revisit once we've settled on the conceptual points above and have reviewed a revised draft of the document.

[In the interest of time, please provide any other detailed comments you may have on the September 27th version of the proposal as soon as possible]

Hi Mike,
Just letting you that Ken K. will be discussing with Gadi this morning whether a Ministerial directive will once again be sought for the IESO intercept provision exemption, or to keep pursuing the tripartite letter between IESO-Energy-OFA to include the intercept.
Thanks,
Sarah

Hi Lisa and everyone,
Along with comments from Ken over the weekend, just circling everyone in on the latest information from TBS. Pls. advise if your assessment changes but to me, TBS appears to be advising that Green ON Fund is not IESO's operation expense/allocation but allocation from MOECC to Green ON Fund. Also, IESO staff have thus far signalled positively on the letter agreement. We are potentially looking about 2 days to conclude the process.
One caveat is that OPG is requesting that the trust be given first priority/security over all IESO assets. While the issue is still being discussed, if this is to proceed, the IESO will have to amend its current facilities. I would consider this almost as a separate issue in that if the scenario plays out, then we would need to look at and potentially open up all existing facilities.

Sorry for the delay, had to dig in the email archives.
There is no IESO allocation in Printed Estimates. There is an OREC transfer payment. In the 17-18 PRRT workbook for OREC is the following:

- Electricity utilities are reimbursed by submitting and receiving claims which are netted against their other monthly transactions from the IESO, and the IESO submits and receives one monthly amount from the Ontario Financing Authority on behalf of the Ministry of Energy – this process is streamlined and leverages an already existing reimbursement process, thereby minimizing

costs.

The second attachment, email, contains the consolidation worksheet from OPCD. For IESO, I don't see any Transfer Payment flows in from the Province.

Hi James,

The Green ON Fund…am I correct to think that this is also not part of IESO's operating expense/allocation? As for the items below (for Energy), it is a program expense facilitated through the IESO?

Thanks,

John

Sorry for the delay, had to dig in the email archives.
There is no IESO allocation in Printed Estimates. There is an OREC transfer payment. In the 17-18 PRRT workbook for OREC is the following:

- Electricity utilities are reimbursed by submitting and receiving claims which are netted against their other monthly transactions from the IESO, and the IESO submits and receives one monthly amount from the Ontario Financing Authority on behalf of the Ministry of Energy – this process is streamlined and leverages an already existing reimbursement process, thereby minimizing costs.

The second attachment, email, contains the consolidation worksheet from OPCD. For IESO, I don't see any Transfer Payment flows in from the Province.

## A. Background

In June 2017, the Province enacted the *Ontario Fair Hydro Plan Act, 2017* (the Fair Hydro Act or the Act), to establish a framework under which the costs and benefits associated with the Government of Ontario's (the Province) clean energy initiatives are to be fairly allocated between present and future consumers of electricity under Ontario's Fair Hydro Plan (Fair Hydro Plan or FHP). The Act requires the Ontario Energy Board (OEB) to set rates that reduce average electricity bills for specified consumers by 25 percent commencing on July 1, 2017. The total bill reduction of 25 percent is comprised of an 8 percent reduction of the Provincial portion of the harmonized sales tax, with the remaining 17 percent achieved by decreasing energy rates for specified consumers paying the Regulated Price Plan rate and providing a global adjustment reduction credit for other specified consumers. The reduction in electricity bills will result in a shortfall in the Independent Electricity System Operator's (IESO) collections, which will need to be financed in order to pay the underlying global adjustment costs (GAC). The objective of the Fair Hydro Plan Program (FHP Program) is to refinance a portion of the deferred GAC over a longer period.

Under the Act, OPG is appointed as the Financial Services Manager (FSM) and is given the authority to, among other things, establish and manage one or more financing entities to raise debt financing (referred to as "funding obligations") for the purposes of the Act. The Act requires the Minister of Energy (MOE) to calculate the Fair Allocation Amount and for the FSM to incur funding obligations that, subject to refinancing, reasonably align with the Fair Allocation Amount, as adjusted by any readjustment amount.

The following attendant regulations were enacted in support of the Act:

- *Ontario Regulation 206/17 General* (General Regulation) provides details on specific requirements of the Act, in particular, the requirements for the Financing Plan.
- *Ontario Regulation 195/17 Fair Adjustment* provides details on rate reductions up to April 30, 2019 for specified consumers under the Act.
- *Ontario Regulation 196/17 Invoicing Requirements* provides details on information to be included with the invoice for specified consumers under the Act.

Under sections 21(1) and 21(2) of the Act, OPG, as FSM, has an obligation to prepare a Financing Plan in accordance with the Act and regulations, and to deliver it to the Minister of Energy. Under section 21(6) of the Act, the FSM has the right to amend the Financing Plan from time to time, without affecting any Clean Energy Adjustment that has already been determined or any funding obligations that have already been incurred before the amendment.

This Financing Plan was prepared based on the information available to, and the views of, OPG at the time this Financing Plan was prepared (or amended, as applicable). This Financing Plan also includes forward-looking information, which is subject to change. Actual outcomes and results may differ materially from what is expressed, implied or forecasted due to, but not limited to, changes in underlying assumptions relating to the Fair Allocation Amount, interest rates, investor interest, market capacity, market conditions, and credit rating assessments. References made to the "current Fair Allocation Amount" pertains to the Fair Allocation Amount received by OPG from the MOE at the end of September 2017. Terms that are capitalized and not defined herein have meanings ascribed to the same terms as in the Act or in the General Regulation. All amounts presented are in Canadian dollars.

## 1. Financing Entity – Fair Hydro Trust

Trustees

In **[**November**]** 2017, OPG as FSM, appointed Computershare Trust Company of Canada to act as the third party issuer trustee (Computershare or Issuer Trustee). Following its appointment, the Fair Hydro Trust (the Trust) was established as a financing entity contemplated in the Act through a declaration of trust. The Trust is structured to be bankruptcy remote from OPG. The Issuer Trustee is empowered under the declaration of trust to appoint, employ or contract with any person for the transaction of the Trust's activities. Under the Management Agreement between the Trust (by the Issuer Trustee) and OPG, the Trust appointed OPG as its agent to provide services and perform duties for the Trust in planning, implementing and administering the debt financing for the FHP Program.

In **[**November**]** 2017, OPG as FSM, appointed BNY Trust Company of Canada, as the third party indenture trustee (BNY or Indenture Trustee). The Indenture Trustee will be acting on behalf of all specified creditors, who are all persons who may have contractual claims against the Trust under the FHP Program agreements contemplated by the Master Trust Indenture (MTI) governing the debt issued by the Trust.

Unitholders

The Trust will carry on activities for the benefit of its unitholders outlined below:

**Table 1: Fair Hydro Trust Unitholders**

| Unitholder | Number of Units Held |
|---|---|
| FHP2017 Inc., a wholly-owned subsidiary of OPG | 1,000,000 |
| BNY, as Indenture Trustee | 1 |
| Total Units Outstanding | 1,000,001 |

Trust Capitalization Structure

The Trust will be 100 percent debt financed and the contemplated source of funding is summarized in Table 2.

DRAFT

**Table 2: Type and Source of Debt Funding**

| Tranche and Debt Type | Source of Funding | % of Total Funding Requirement |
|---|---|---|
| Tranche A<br>Senior Debt | Capital Markets | 51% |
| Tranche B<br>Subordinated Debt | OPG via Province | 39% |
| Tranche C<br>Junior Subordinated Debt | OPG via Province | 5% |
| | OPG via Capital Markets | 5% |

The Trust will issue senior debt in the capital markets to finance 51 percent of the total funding requirement related to the deferred GAC (Tranche A). The financing platform was developed to allow the Trust access to both the Canadian and United States (US) markets in order to optimize pricing, provide flexibility, and market capacity. Further details on the types of financing that can be utilized are outlined under the heading *Current Funding Options*.

Through periodic equity injections in OPG, the Province is expected to provide 44 percent of the total funding requirement throughout the duration of the FHP Program. OPG will invest the proceeds from the equity injections into the Trust, with 39 percent in Tranche B as subordinated debt and five percent in Tranche C as junior subordinated debt.

OPG will invest the remaining five percent of the total funding requirement in Tranche C as junior subordinated debt, using internally generated funds or proceeds raised from debt issuances from the public markets.

## 2. OPG's Duties and Responsibilities

Financial Services Manager under the Act

OPG, as FSM, will perform its duties and responsibilities under the Act and its attendant regulations. These include, but are not limited to, the following:

- Establish one or more financing entities to incur funding obligations for the FHP Program
- Prepare a written Financing Plan to be used by OPG to evaluate the incurrence of funding obligations to acquire and finance a portion of the GAC deferral
- Ensure that funding obligations are incurred in a manner that is consistent with the Financing Plan
- Forecast the cash flow requirements of the financing entities
- Determine the monthly Clean Energy Adjustment for a particular ~~r~~Reference ~~p~~Period
- Administer the Investment Asset on behalf of the financing entities
- Establish and charge fees to the financing entities to recover costs and expenditures and to earn a return
- Seek the best terms available at the time of incurrence of a funding obligation, having regard to other financing transactions of similar size and type

- Apply debt proceeds to purchase an Investment Interest or repay or redeem outstanding debt
- Consider the interests of specified consumers with respect to stable and predictable electricity rates
- Deal with related parties on arm's length terms
- Fulfil various reporting requirements to stakeholders

Manager under the Management Agreement

OPG has also entered into a management agreement with the Issuer Trustee, on behalf of the Trust, whereby all of the powers and duties of managing the Trust have been delegated to OPG as the manager. The duties and responsibilities associated with this role includes:

- Determining whether to incur funding obligations to acquire an Investment Interest or to refinance existing funding obligations;
- Negotiating and entering into program agreements;
- Maintaining accounts and banking records;
- Preparing any offering documents furnished by the Trust to prospective purchasers of funding obligations; and
- Preparing financial statements and tax filings on behalf of the Trust.

OPG's entitlement to fees, as FSM, is subject to the payment priorities outlined in the MTI and summarized in Section C, *Application of Recovery Amounts to Funding Obligations,* Figure 5. The FSM is not entitled to resign from its duties or terminate the management agreement as long as funding obligations remain outstanding. OPG may be terminated by the Issuer Trustee, with the consent of the Indenture Trustee, or by the Indenture Trustee in accordance with the MTI.

## 3. Fair Allocation Amount and the Financing Plan

The Fair Allocation Amount, including the readjustment amount, is an amount calculated under the Act and the regulations by the MOE for every ~~r~~Reference Pp~~p~~eriod over the term of the FHP Program. It is intended to allocate the estimated Clean Energy Costs and Clean Energy Benefits fairly among specified consumers.

The FSM is required to prepare a Financing Plan under the Act to evaluate whether funding obligations should be incurred by the Trust. OPG is to have regard to certain prescribed principles (outlined in detail in Section B below), including that funding obligations should be incurred so that the estimated Finance Amount that would become due and payable during a ~~r~~Reference ~~p~~Period will, subject to refinancing, reasonably align with the Fair Allocation Amount determined in respect of such ~~r~~Reference Pp~~p~~eriod, as adjusted by a readjustment amount where applicable. In other words, the Financing Plan should contemplate the issuance of funding obligations from time to time, with terms that would result in Clean Energy Adjustments being payable by specified consumers to ensure that they are bearing their fair share of the costs of providing Clean Energy benefits. The Act also provides that each funding obligation is deemed to be consistent with the Financing Plan and to provide for the reasonable alignment of the estimated Finance Amount with the Fair Allocation Amount.

Figures 1 and 2 illustrate the FHP Program's financing profile over the next 30-year period.

**Figure 1: Fair Hydro Trust Debt Balance**

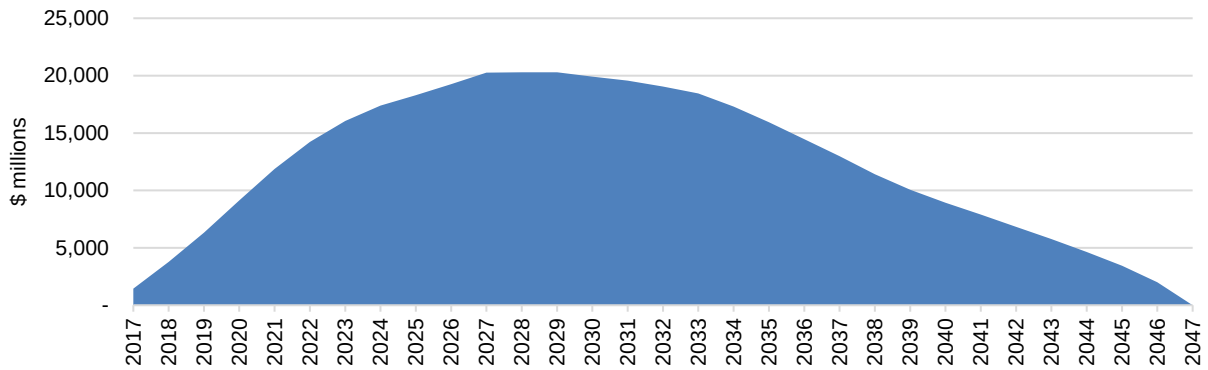

**Figure 2: Fair Hydro Trust Borrowing and Repayment Profile**

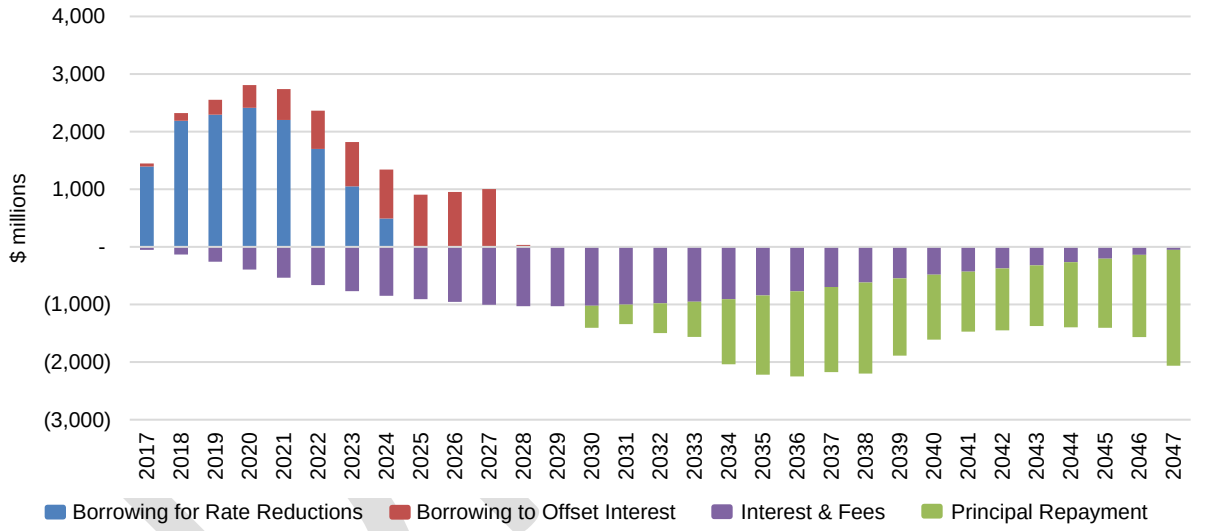


The Fair Allocation Amount is a net amount, either positive or negative, equal to the difference between the following:

1) estimated costs of clean energy initiatives without adjustment; and
2) a re-profiling of the costs in item 1) plus:
    a. the estimated operating and financing costs of the FHP Program, and
    b. the repayment of the readjustment amount.

A negative Fair Allocation Amount in any ~~r~~Reference P~~p~~eriod generally represents a period of borrowing, and a positive Fair Allocation Amount generally represents a period of principal repayment.

In a ~~r~~Reference ~~p~~Period when the Fair Allocation Amount is negative, the operating and financing costs of the FHP Program are shown in the Fair Allocation Amount calculation as an

increase in the debt of the FHP Program. This treatment is equivalent to increasing the amount of the deferred GAC by providing specified consumers with a higher rate reduction. The repayment of the related debt is included in the Fair Allocation Amount calculation to establish that all debt will be repaid by the end of the FHP Program. During these periods, operating and financing costs of the FHP Program are considered to align with the Fair Allocation Amount as long as these costs do not exceed the corresponding components in the Fair Allocation Amount calculation in any ~~r~~Reference ~~p~~Period by more than +/- 15 percent. If these costs exceed the corresponding components of the Fair Allocation Amount by more than +/- 15 percent, the FSM will take reasonable actions in accordance with the Act and regulations to align to the Fair Allocation Amount. Variability in costs is expected throughout the FHP Program as the Fair Allocation Amount was calculated on a forecast basis. Accordingly, any variability that is less than +/-
15 percent is deemed to be within an acceptable range.

Assessment for Reasonable Alignment

The Act stipulates that the Financing Plan must reasonably align with Fair Allocation Amount. This requirement is expected to be achieved through the consistent application of the following methodology, guidelines, and steps throughout the term of the FHP Program:

- Maintain a financial model that captures the funding obligations requirements of the Trust. Translate the funding requirements into expected cash flows by determining the related interest amounts, reserve requirements, fees, principal repayment, and the Trust's operating costs. This exercise will be performed for each ~~r~~Reference ~~p~~Period over the term of the program.
- Determine and assess the following:
    - For ~~r~~Reference ~~p~~Periods when the Fair Allocation Amount is negative, determine whether the forecast cash flow requirements is less than or equal to the financing and operating costs reflected in the Fair Allocation Amount as additional debt of the Trust. If the forecast cash flow requirements exceed the addition to the debt in the Fair Allocation Amount by more than +/- 15 percent, determine the cause of the variance. In these situations, the FSM will take reasonable actions in accordance with the Act and regulations to align to the Fair Allocation Amount.
    - For ~~r~~Reference ~~p~~Periods when the Fair Allocation Amount is positive, determine whether the forecast cash flow requirements is less than or equal to the Fair Allocation Amount. If the forecast cash flow requirements exceed the Fair Allocation Amount by more than +/- 15 percent, determine the cause of the variance. In these situations, the FSM will take reasonable actions in accordance with the Act and regulations to align to the Fair Allocation Amount.
- Due to the timing of the collection of cash flows, the General Regulation contemplates the use of reserve accounts. Provisions for reserves are excluded from the reasonable alignment assessment as these amounts are required to allow the Trust to incur the funding obligations. In addition, the reserve balances will be credited to specified consumers at the end of the term through the true-up mechanism if they are not required to satisfy terms of any funding obligation agreements pursuant to the MTI. Refer to *Financing Reserve and Capital Accounts* for more information on reserve accounts.
- Utilize and apply an accrual methodology when determining costs of the program, except for debt issuance costs, principal repayments, and reserve requirements.

DRAFT

The FSM will establish a methodology for assessing reasonable alignment at such time when a new Fair Allocation Amount letter is received from the MOE.

## B. Principles and Assumptions of the Financing Plan

This section outlines the various principles and assumptions that guided the development of this Financing Plan in accordance with the Act and section 14 of the General Regulation. The same principles and assumptions will apply to all subsequent revisions of the Financing Plan, if required.

The FSM is required to make reasonable assumptions regarding the following matters:

### 1. IESO Deferral for Future Months

The FSM will base its expectation of the IESO deferrals on the most current version of the Fair Allocation Amount and readjustment amounts provided by the MOE. Actual IESO deferrals and forecasts of near term deferrals, if available, will be used to guide forecast deferrals over the next quarter.

### 2. Future Transfers of Portions of the IESO's Regulatory Asset

The Trust anticipates periodic purchases of Investment Assets from the IESO when the cumulative balance of its regulatory assets is large enough to be financed and when effective financing options are available to the Trust. The market capacity for both long-term and short-term debt financing will also be key elements to consider when determining the most cost efficient option.

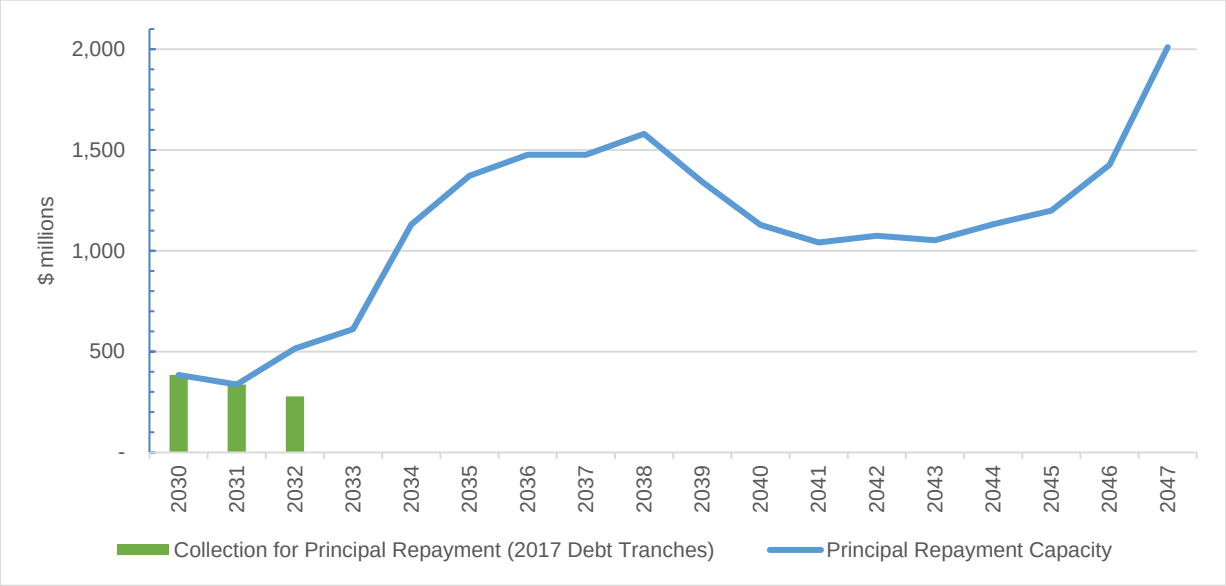
### 3. Term to Maturity of Funding Obligations

Initial Debt Tranche – 2017 Borrowing

The forecast debt profile for the Trust based on the current Fair Allocation Amount received from the Province at the end of September 2017 indicates that principal repayments can commence in 2030 (see Figure 3). However, the principal repayment amount for this year is expected to be relatively small at approximately $400 million for the year or about $200 million for each six-month ~~r~~Reference ~~p~~Period. Accordingly, principal repayment of the 2017 debt tranche is expected to commence in 2032 when the cumulative principal repayment amount reaches approximately $1 billion, which indicates a minimum term for the initial debt issuance of 15 years (i.e. 2017-2032). This offering is expected to include $500 million of senior notes, which is a sizeable amount to ensure sufficient liquidity and marketability. Subsequently, principal repayment increases to approximately $1.5 billion annually or $0.75 billion for each ~~r~~Reference P~~p~~eriod by around 2035 allowing for larger single maturities.

DRAFT

**Figure 3: Principal Repayment Profile Based on Current Fair Allocation Amount**



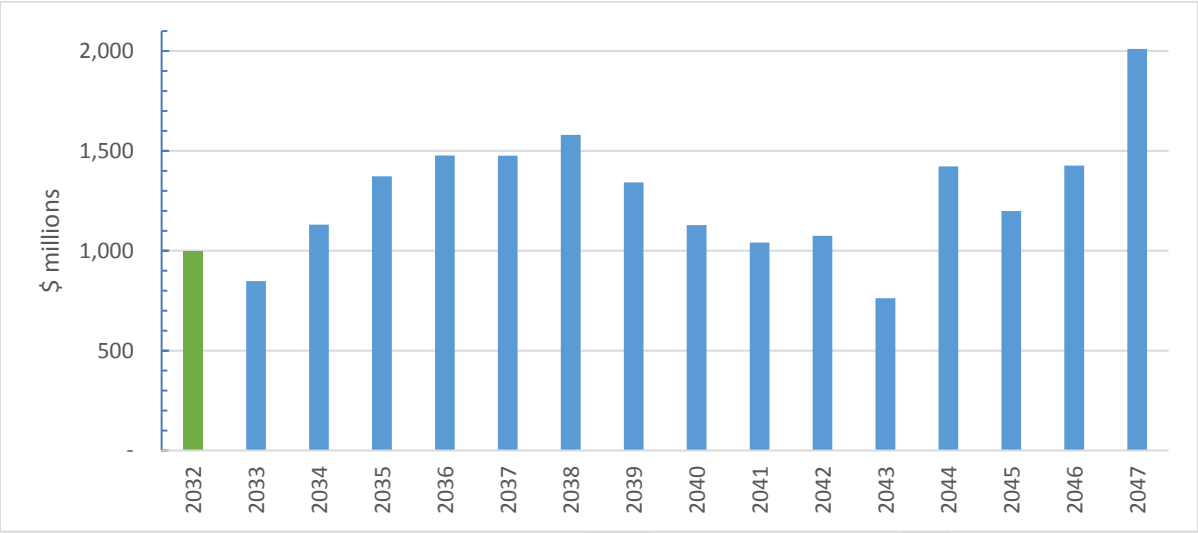
This length of term for an asset-backed security (ABS) has no ~~is un~~precedence ~~ted~~ in the Canadian market where terms are typically 10 years or less. Therefore, it is expected that a higher premium will be required to attract investors. Refer to Table 3 under the heading *Interest Rates* for the indicative current pricing range for all debt tranches, including senior debt.

For a new issuer such as the Trust offering a unique program, a strategy of issuing a 15-year term paper may not provide an optimal initial pricing given the absence of a specific credit curve for the Trust. It is expected that at program inception, the Trust will issue debt to cover both short and long-term exposures. The terms of maturities will be staggered, up to year 30, with maturities capped at the projected Fair Allocation Amount and readjustment amount, during each six-month ~~r~~Reference ~~p~~Period. In addition, consideration for a combination of characteristics established by the Fair Allocation Amount curve and investor interest will drive the term of a funding obligation.

Indicative Debt Maturities for Post-2017 Borrowings

Using the current Fair Allocation Amount, the forecast debt maturities over the life of the FHP Program was derived in Figure 4 for illustrative purposes only and is current as of the date of this Financing Plan. Actual debt maturities may differ materially from what is illustrated in Figure 4 primarily due, but not limited to, future changes in the Fair Allocation Amount.

**Figure 4: Indicative Debt Maturities Using Current Fair Allocation Amount**



The key objective when determining the indicative debt maturities in Figure 4 is to align the annual amount of debt maturities with the principal repayment capacity under the Fair Allocation Amount curve. In years where the principal repayment capacity is less than $500 million, the debt maturities will fall in subsequent years where the cumulative maturities do not exceed the cumulative principal repayment capacity. This type of decision will be made along with other considerations such as size of each issuance to ensure liquidity (and thus, cost efficiency). As this schedule is based on the current Fair Allocation Amount curve and its underlying assumptions, a shift in the curve and/or any changes in the assumptions will result in changes to this indicative debt maturity schedule.

## 4. Refinancing

The MTI requires the Trust to establish and maintain a deposit account in the name of the Indenture Trustee for a refinancing account held for the benefit of the Indenture Trustee and specified creditors. All proceeds arising from notes and borrowings related to refinancing shall be deposited to this refinancing account.

Debt refinancing may occur under the following scenarios:

- When original financing is incurred, the short end of the yield curve is more cost efficient than the long end, on a relative basis;
- The Fair Allocation Amount or readjustment amount is updated; and
- In line with the provisions of the Act, no Clean Energy Adjustments will be collected from specified consumers between July 1, 2017 and April 30, 2021, except in limited circumstances. Accordingly, any debt maturities during this period will need to be refinanced.

Refinancing decisions will be guided by the Trust's ability to secure cost efficient long-term financing from investors and the maximum principal repayment profile dictated by the fair allocation curve.

## 5. Cash Flow Requirements

The Trust's cash flow requirements to meet its contractual obligations include, but are not limited to, the following:

- Payment of taxes, if any
- Reimbursing the FSM for costs and expenditures outlined in sections 10.2 (3) and 10.13 (3) of the General Regulation and summarized under the heading *Fair Hydro Trust Costs and Expenditures*
- Interest and fees on all outstanding borrowings
- Scheduled principal repayments
- Deposits or transfers to reserve accounts required by the MTI and summarized under the heading *Financing Reserve and Capital Accounts*
- OPG's fees as FSM as summarized under the heading *Financial Services Manager's Fees*
- Termination payments to defaulting derivative counterparties, if applicable

Refer to Figure 5 in Section C, *Application of Recovery Amounts to Funding Obligations* for the cash flow receipts' payment priority.

## 6. Current Funding Options and related Terms and Conditions

To achieve cost efficiencies, the following funding vehicles could be utilized in either the Canadian or US markets (except for the subordinated debt), from time to time, depending on the financing requirement, as well as market capacity and relative pricing at the time of issuance:

- **Short Term**: asset-backed commercial paper (ABCP) conduit and revolving bank lines of credit in the Canadian market
- **Medium to Long-Term**: term ABS and privately placed debt securities in either the Canadian or US markets
- **Subordinated Debt**: to be provided by OPG

<u>Syndicated Short-Term Warehousing Facility</u>

Short-term notes will be issued by the Trust to fund short-term borrowing requirements. The amount outstanding will be periodically refinanced and repaid by long-term funding from the capital markets once the cumulative amount of the Investment Asset available to be purchased is approximately $300 million to $500 million. This warehouse facility is expected to be utilized on a monthly basis to fund the Investment Asset purchases from the IESO.

The Trust has **[**secured a warehouse facility agreement with a bank syndicate comprising of CIBC, RBC, and Goldman Sachs for $800 million under a 2-year committed term, which would be primarily funded through their ABCP conduit**]**.

DRAFT

Revolving Bank Lines of Credit

This type of funding option provides the Trust with a warehouse facility under which principal amounts can be advanced, repaid and again advanced during a committed revolving period. This bank funding option will be utilized when it is more cost effective than short-term notes.

Term ABS

ABS are notes that will be backed by the Trust's Investment Asset and issued under the MTI. The specific terms and conditions of each series, class or tranche of notes will be set forth in a supplemental indenture and, if applicable, a terms document authorizing that series, class or tranche.

To minimize financing costs, term ABS bullet bonds will be used rather than amortizing bonds, which require an additional premium by investors. The current intent is to issue term ABS notes in the 15 to 25 year term to fill out the yield curve based on the Fair Allocation Amount and investor demand.

Subordinated Debt

Concurrent with every issuance of senior debt by the Trust, it is expected that OPG will acquire subordinated debt in an amount not to exceed 49 percent of all outstanding debt of the Trust at any time. The subordination of OPG's debt investment plays an important credit enhancement role, which is expected to minimize the cost of senior debt tranches in the external market by garnering a higher rating through some differentiation. The subordinated debt will assume substantially all of the liquidity and deferral risk for the structure. Accordingly, the cash flow payment waterfall in Figure 5 reflects this subordination structure.

The credit rating for the subordinated debt will be dependent on the rating agency assessment and evaluation of the stress credit scenarios. It is expected that there will be a minimum of one rating category differential between each debt tranche.

The interest rate applicable to subordinated debt is expected to be the aggregate of:

- The applicable base rate, which is the relevant senior debt rate, plus
- The applicable spread, which represents the additional interest, in basis points, over the base rate that will apply to the relevant subordinated debt. This rate will be established by OPG through an annual survey of market spreads from a syndicate of banks.

The subordinated debt will maintain a minimum of one rating to allow for appropriate benchmarking/pricing. A simple average of the market spreads will determine the rate, excluding the highest and lowest rates in the survey sample. The terms of the subordinated debt will be finalized prior to the initial debt issuance.

For the short-term subordinated debt lending facility, the banking syndicate will provide OPG with short-term lending spreads for comparables on committed bank credit facilities on an annual basis (i.e. ratings based on a pricing grid). A simple average of the market spreads will determine the rate, excluding the highest and lowest rates in the survey sample.

The process will be consistent with the Subordinated Debt Pricing Protocol Agreement between the Trust and the Ontario Financing Authority.

## 7. Currency and Interest Rate Hedging Programs

As the FHP Program develops over time, the Trust will consider interest rate and currency swaps and other hedging instruments, as required. Refer to the Section C, *Risk Mitigation Strategies* for further details on hedging and other instruments that could be used by the Trust.

## 8. Fair Hydro Trust Costs and Expenditures

The costs and expenditures incurred by OPG as FSM on behalf of the Trust will be in accordance with sections 10.2 (3) and 10.13 (3) of the General Regulation as amended in November 2017.

Specifically, the costs and expenditures incurred by the FSM include, but are not limited to, the following:

1. Underwriters or selling agents for funding obligations.
2. Banking fees, including but not limited to structuring fees or work fees.
3. Fees of issuing and paying agents for funding obligations.
4. Fees of trustees.
5. Fees incurred in the preparation of financial statements, financial reports, compliance certificates and tax returns.
6. Fees of legal counsel.
7. Rating agency fees.
8. Filing or registration fees.
9. Direct costs of OPG for employees whose work consists exclusively of the provision of services to the Trust in relation to prescribed matters.
10. Costs and expenditures incurred on behalf of any financing entity in connection with OPG's duties under the Act in relation to the financing entity.
11. Costs and expenditures incurred in relation to a management agreement between OPG as FSM and any financing entity, where the agreement provides for the reimbursement of the costs and expenditures.

The costs and expenditures incurred directly by the Trust, as well as the fees of the FSM and the costs and expenditures incurred by the FSM on behalf of the Trust, are Finance Amounts that can be recovered by the Trust (as carrying costs) from the IESO until July 2021 and thereafter through Clean Energy Adjustments charged to specified consumers.

## 9. Interest Rates

As the FHP Program is expected to last until 2047, it is appropriate to assume that long-term debt rates are the primary components of the financing costs for the overall program. In estimating indicative interest rates for each tranche and debt type, the following key considerations and assumptions were utilized:

- The base case credit rating assumptions are as follows:
    - Target of "AAA" for Tranche A – Senior Debt,

  - "A" for Tranche B – Subordinated Debt which is dependent on the senior debt credit rating, and
  - "BBB" for Tranche C – Junior Subordinated Debt
- Using the projected Province of Ontario long bond rate of 4 percent plus a 25 basis points premium to reflect the securitization structure, the estimated indicative pricing over the life of Tranche A – Senior Debt is 4.25 percent
- For comparative purposes, the current pricing using the Province of Ontario long bond rate of 3.0 percent plus the same 25 basis points premium was included to reflect the current low interest rate environment
- A higher return on the subordinated debt is required to compensate for incremental risks assuming:
  - Rating agencies attribute a lower rating to the subordinated debt relative to the senior debt due to the lower priority in the cash flow waterfall (refer to Figure 5 in Section C, *Application of Recovery Amounts to Funding Obligations*)
  - Senior debt's rating needs to be credit enhanced to address collection and liquidity risks

To achieve cost efficiencies, the Trust was established with a tiered debt structure to achieve a higher credit rating for the senior debt and to maximize market capacity by accessing the AAA market to achieve cheaper financing costs overall. The following table summarizes the indicative pricing range by debt tranche:

**Table 3: Indicative Pricing by Debt Tranche**

| Tranche and Debt Type | Risk Profile | Source | % of Total Funding Requirement | Rating Category Estimate | Current Pricing | Potential Rating Range | Price Based on Rating Range |
|---|---|---|---|---|---|---|---|
| Tranche A Senior Debt | Lowest Risk | Capital Market | 51% | AAA | 3.25% | AAA – AA | 3.25% – 3.75% |
| Tranche B Subordinated Debt | Medium Risk | OPG via Province | 39% | A | 4.5% | AA – A | 4.0% – 4.5% |
| Tranche C Junior Subordinated Debt | Highest Risk | OPG via Province | 5% | BBB | 5.5% | A – BBB | 5.0% – 5.75% |
| | | OPG via Capital Markets | 5% | | | | |
| **Weighted Average** | | | | | **4.0%** | | **3.75% – 4.5%** |

The credit range for each debt tranche will be determined by the overall credit strength of the financing structure and its resilience under various credit stress scenarios. The rating agencies' assessment of the guarantee to bondholders provided by the Change of Law Protection Agreement, discussed under the heading *Indemnifications*, is one of the major factors that will influence the final ratings of each debt tranche. In addition, in assessing credit stress, the following factors, among others, will be considered: (i) declining energy usage throughout the securitization period, (ii) forecast collections in peak months not materializing, and (iii) declining consumption equal to the largest absolute annual forecast error. The market capacity for

securitization notes is predominantly available for AAA-rated notes, limited for AA-rated notes, and not tested or developed for A-rated or lower. The pricing estimates provided in Table 3 reflect these credit and liquidity factors. Debt pricing will be finalized at the time of the initial issuance.

## 10. Financing Reserve and Capital Accounts

Section 5(1) of the General Regulation stipulates that the Finance Amount shall include any amounts the Trust deposits into capital or finance reserve accounts as required under the governing documents of the funding obligations (i.e. the MTI). The accounts also act as a credit enhancement feature in support of the Trust borrowings. Any unused balance in the segregated trust accounts at the end of the term will be credited to specified consumers. Refer to Figure 5 in Section C, *Application of Recovery Amounts to Funding Obligations*, for the priority order of deposits into the reserve accounts.

The MTI between the Trust and the Indenture Trustee specifies the establishment and maintenance of the following key reserve accounts:

Finance Reserve Accounts

*Program Cash Reserve Account*

The Trust shall establish and maintain a Program Cash Reserve Account, a deposit account in the name of the Indenture Trustee with an eligible institution. This finance reserve account shall be under the control of the Indenture Trustee for the benefit of the Indenture Trustee and the specified creditors. Available collections not required to be paid to specified creditors at such time will be credited to a capital reserve account in accordance with the terms of any applicable funding obligation agreement. The funding obligation agreement for a series, class or tranche of funding obligations will specify whether such series, class or tranche has the benefit of a capital reserve account.

*Series Finance Reserve Account*

From time to time, the Trust may establish a Series Finance Reserve Account, a deposit account in the name of the Indenture Trustee with an eligible institution. This finance reserve account may be established for the purpose of allowing the Trust to reserve funds to pay finance charges (including, without limitation, interest and payments under derivative agreements) for a series of issuer funding obligations. Payments of available collections shall be credited to this account, to the extent that there is a requirement for such funds, in accordance with the terms of the applicable funding obligation agreement and the MTI. Each Series Finance Reserve Account shall be under the control of the Indenture Trustee for the benefit of the Indenture Trustee and the applicable specified creditors.

Capital Reserve Account

*Series Capital Reserve Account*

From time to time, the Trust may establish a Series Capital Reserve Account, a deposit account in the name of the Indenture Trustee with an eligible institution. This capital reserve account may be established for the sole purpose of allowing the Trust to accumulate funds to be used to make repayments in respect of funding obligations. Details of any period of accumulation and the

amounts to be accumulated shall be specified in the related funding obligation agreement. Payments of available collections shall be credited to this account, to the extent that there is a requirement for such funds, in accordance with the terms of the applicable funding obligation agreement and the MTI. Each Series Capital Reserve Account shall be under the control of the Indenture Trustee for the benefit of the Indenture Trustee and the applicable specified creditors.

## 11. Indemnifications

The following forms of indemnities are expected to be issued for the FHP Program:

Change of Law Protection Agreement **[MONITOR]**

The Change of Law Protection Agreement provides bondholders a guarantee in the event of a protection event and acts as a credit enhancement for the Trust's senior debt. The guarantee will be triggered if~~when~~:

i. the Province changes the Fair Hydro legislation/regulations or passes other legislation/regulation that materially adversely affects the ability of the Trust to service interest or principal payments on its debt, or

ii. the Act is declared invalid/unconstitutional.

Upon a protection event, the Province is required to either, at its election: (i) pay the specified claims consisting of all Finance Amounts, excluding ■ **[update],** owing by the Trust as they become due and payable, or (ii) assume the Trust's obligations as primary obligor, **[**in each case**]**, without acceleration of the specified claims.

Issuer Trustee

Each of the Issuer Trustee and its related parties will be indemnified out of the trust property from and against all liabilities, obligations, losses, damages, penalties, taxes, claims, actions, investigations, proceedings, costs, expenses or disbursements of any kind arising out of, among other things, the declaration of trust or any other program agreement, the administration of the Trust's assets or the action or inaction of the Issuer Trustee's agents, except for its own fraud, willful misconduct, bad faith or negligence.

Limited Recourse

The obligation of the Trust to pay principal and interest on the funding obligations is subject to the allocation and payment provisions in the MTI and the applicable funding obligation agreement and limited to amounts available from the collateral. Neither the Indenture Trustee, OPG nor the Issuer Trustee in its individual capacity will be personally liable for the payment of the principal or interest on the notes or any other funding obligation, or for the Trust's covenants and agreements contained in the MTI.

## 12. Financial Services Manager's Fees

All fees charged by OPG to the Trust will be in accordance with the provisions of the General Regulation.

Subject to OEB approval, OPG is entitled to the following:

- For 2017, OPG will receive $3.1 million and an amount to cover up-front costs incurred between June 1 and December 31, 2017 by OPG on behalf of the Trust (e.g. legal fees, rating agency fees, trustee fees). The $3.1 million includes a $600,000 fee and $2.5 million to cover costs incurred prior to June 1, 2017. The expenses between June 1 and December 31, 2017 will also include direct costs of OPG employees who are dedicated exclusively to Fair Hydro matters.
- For January 2018 to March 2019, OPG will receive (i) a base fee equal to 7.5 basis points, divided by 12, multiplied by ~~times~~ the average monthly outstanding debt of the Trust, (ii) a variable fee that is calculated based on how the interest rate for external funding tranches for that period compare to forecast interest rates for the period (and which fee is limited to ± 2% of 5% of the total external funding tranches issued in the period), and (iii) third-party expenses and direct employee costs of dedicated Fair Hydro employees.
- For April 2019 to March 2020, and every 12 month period thereafter, OPG will make submissions to the OEB on the base fee, variable fee and expenses. The base fee will be based on comparable fees charged by full-service managers of securitization vehicles (and other similar funds). The variable fee will be calculated in the same manner noted above, but with a refresh of forecast interest rates for the relevant period. For 2019 onward, the expenses will include direct employee costs of dedicated Fair Hydro employees only if the fees of comparable managers also include such direct costs.

A written confirmation from OPG's external auditor or another external auditor is required to accompany each submission to the OEB for the recovery of expenditures incurred by OPG on behalf of the Trust. The report shall confirm the accuracy of the costs and expenditures charged to the Trust, that such amounts were incurred by OPG, and the amounts were paid to third parties (with the exception of direct employee costs).

## C. Other Considerations

### 1. Market

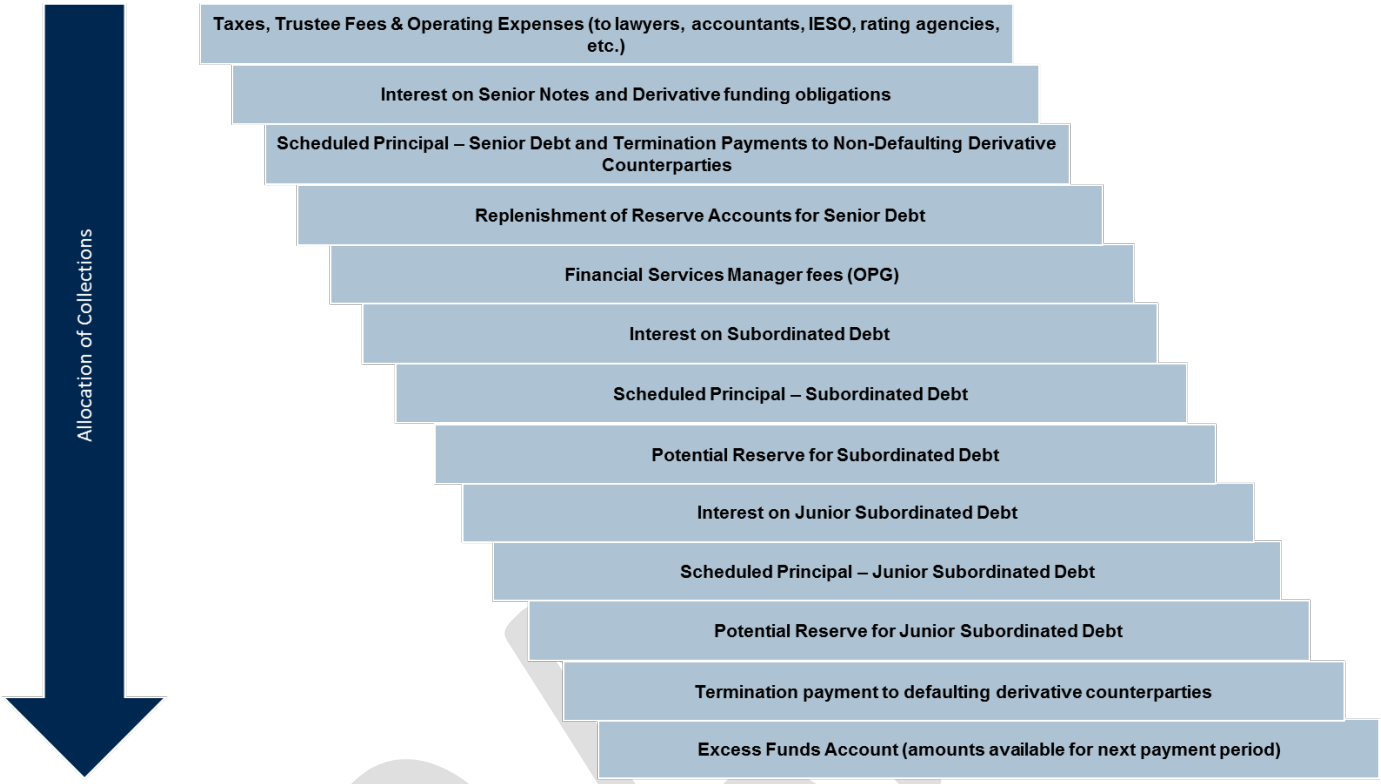
The FHP Program's financing platform was developed to allow for access to both the Canadian and US markets in order to have the best pricing and flexibility options. To the extent that the Canadian market has sufficient capacity and provides cost efficiency, priority will be given to the domestic market. However, there is no precedence in the Canadian market for term ABS notes longer than 10 years, nor the size of funding required by the FHP Program. Due to this, the ability to access the US market provides the program additional financing capacity in the event that the Canadian market cannot support the financing requirement. The FSM will make its decision on which market to access on a deal-by-deal basis.

For the initial debt issuance in 2017, it is anticipated that a term ABS funding will be sourced from the Canadian market as it is expected to be more cost efficient given current market conditions.

### 2. Application of Recovery Amounts to Funding Obligations

The MTI outlines the payment priorities for the Trust's receipt of cash flows. Figure 5 below summarizes the significant components of the waterfall.

**Figure 5: Waterfall for Fair Hydro Trust Cash Collection**



Payment Priorities

On each payment date, all amounts on deposit in the collection account will be paid out in the following order of priority:

1. to pay (A) all taxes exigible for which a governmental authority is given priority over the specified creditors under the laws of the applicable jurisdiction, and then (B) fees, expenses and reimbursements owing to the Issuer Trustee and the Indenture Trustee up to a maximum aggregate amount of ■ percent[1] of the outstanding principal amount of all funding obligations at such time;
2. to pay (A) interest, fees and other amounts owing in respect of senior debt and (B) amounts payable to derivative counterparties other than termination payments;
3. to pay (A) principal owing in respect of senior debt to the extent required to satisfy any payment of principal; and (B) termination payments owing to derivative counterparties where the derivative counterparty is not the defaulting party or the sole affected party;
4. to deposit or transfer to any reserve account in respect of senior debt, the amount required pursuant to the applicable funding obligation agreement;
5. to pay fees, expenses, reimbursement and indemnity amounts owing to OPG;
6. to pay interest, fees and other amounts owing in respect of subordinated debt;

[1] To be confirmed.

7. to pay principal owing in respect of subordinated debt to the extent required to satisfy any payment of principal;
8. to deposit or transfer to any reserve account related solely to subordinated debt the amount required pursuant to the applicable funding obligation agreement;
9. to pay interest, fees and other amounts owing in respect of junior subordinated debt;
10. to pay principal owing in respect of junior subordinated debt to the extent required to satisfy any payment of principal;
11. to deposit or transfer to any reserve account related solely to junior subordinated debt the amount required pursuant to the applicable funding obligation agreement;
12. to pay termination payments owing to derivative counterparties where the derivative counterparty is the defaulting party or the sole affected party; and
13. to be held in the collection account for distribution in the above order of priority on the next payment date; or (ii) after all funding obligations have been paid and discharged, and all other amounts have been paid in full, to pay to the Trust.

## 3. Risk Mitigation Strategies

Currency Risk

If the Canadian market cannot support the financing capacity of the FHP Program in the future and/or it is less cost efficient than the US market at the time of each subsequent debt issuance, the Trust will access the US market for long term financing.

Under this scenario, hedges will be considered to mitigate currency exposure. For the initial debt issuance in 2017, it is anticipated that funding will be sourced from the Canadian market only as it is expected to be more cost efficient and there is sufficient market capacity.

Interest Rate and Refinancing Risk

The FHP Program is expected to span over a 30-year period until 2047 with various series of notes expected to be issued at various maturity dates. Given the long-term timeline of the program, it is subject to interest rate and refinancing risk.

Interest rate hedges, including bond forwards and/or forward start interest rate swaps, will be considered in the future to mitigate potential interest rate risk and/or refinancing risk in a cost-efficient manner.

## 4. Tax Minimization Strategies

Beneficiary – FHP2017 Inc.

The majority unitholder and beneficiary of the Trust is exempt from federal tax under section 149 of the *Income Tax Act, Canada* and from Ontario tax under section 27 of the *Ontario Taxation Act, 2007*.

The beneficiary is subject to payments in lieu of federal and provincial income taxes (PILs). In order to minimize the tax associated with the Fair Hydro Plan, an exemption from PILs payable

on income from the Trust was secured for the beneficiary **[MONITOR]**. This will result in a reduction in the income tax costs related to the Financing Plan.

Fair Hydro Trust

Trust income will be fully distributed to unitholders to ensure that there is no tax payable by the Trust.

## D. Execution Plan for the Inaugural Debt Issuance

It is anticipated that the first term ABS notes will be issued in the 1st or 2nd week of December 2017 to purchase the accumulated regulatory assets from the IESO, expected to be approximately $1 billion at that time. Accordingly, the expected size of the senior debt tranche is approximately $500 million representing the 51 percent funding structure allocation from capital markets. In the event the term markets do not have sufficient capacity for the full required funding of $500 million, the warehouse facility will be utilized. OPG will purchase subordinated and junior subordinated debt issued by the Trust for approximately $500 million representing the remaining 49 percent of the total funding requirement.

Key Activities

The following table outlines the key activities required to execute the first purchase of the Investment Asset:

| Activity | 2017 Timeline |
|---|---|
| Rating Agencies' Assessment | End of November |
| Marketing & Roadshow | Last week of November – 1st week of December |
| Term Debt Closing & Funding | 1st – 2nd week of December |
| Warehouse Facility Closing & Funding | 2nd week of December |

**Determining the finance amount**

**5.** (1) Subject to subsection (2), the finance amount in respect of a financing entity and a period of time shall be determined as follows:

2. After eliminating any duplication in the following amounts, calculate the sum of the following amounts:
    i. Amounts withdrawn, as required under the governing documents of funding obligations, from capital accounts or finance reserve accounts during the period.
    ii. Amounts received during the period in respect of funding rebates and carrying costs.
    iii. Recovery amounts received during the period.

iv. Refinancing amounts that are applied to repayments during the period.

v. Any payments received in connection with a derivative agreement, including ordinary course receipts, payments received on termination and payments received in connection with margining or collateral arrangements.

vi. Tax refunds received during the period.

3. Subtract the sum calculated under paragraph 2 from the sum calculated under paragraph 1. O. Reg. 415/17, s. 2.

(2) Subject to subsection (3), the following rules apply with respect to the determination of the finance amount:

1. The determination shall be made by applying a cash basis accounting method.

2. If the determination is in respect of a past period of time, the determination shall reflect cash amounts actually paid, deposited, received, applied, withdrawn or made available during that period of time.

3. If the determination is in respect of a future period of time, the determination shall reflect the estimated cash amounts that will be paid, deposited, received, applied, withdrawn or made available during that period of time.

4. If the determination is in respect of a period of time that includes both past and future dates, the determination may reflect a combination of actual and expected cash amounts.

(3) Despite subsection (2), taxes may be estimated in respect of a particular tax reporting period of a financing entity and allocated in respect of various periods of time that occur within the tax reporting period, in such manner as the Financial Services Manager considers to be reasonable, subject to the following rules:

1. The estimated taxes, less any taxes paid by way of instalment or otherwise by or on behalf of the financing entity during the period of time in respect of which the finance amount is determined, shall be deemed to be a tax liability of the financing entity during that period of time.

2. The amount, if any, by which the estimated taxes exceeds the tax liability of the financing entity in respect of the particular tax reporting period, as determined without taking into account paragraph 1, shall be deemed to be a tax refund received by the financing entity during the period of time described in subsection (4).

3. The amount, if any, by which the tax liability of the financing entity in respect of the particular tax reporting period, as determined without taking into account paragraph 1, exceeds the estimated taxes shall be deemed to be a tax liability payable by the financing entity during the period of time described in subsection (4).

4. If a financing entity receives an assessment or reassessment of taxes for a particular tax reporting period that differs from the amount shown on a tax return filed with the applicable governmental authority, the following rules apply:

i. The assessed or reassessed amount shall be deemed to be a tax liability payable by the financing entity during the first period of time, commencing after the date of the assessment or reassessment, in respect of which the finance amount is determined.

ii. Any interest charged on the assessed or reassessed amount following the date of the assessment or reassessment shall be deemed to be a tax liability payable by the financing entity as the interest is paid or accrues.

iii. Once there has been a final determination with respect to the tax liability payable by the financing entity in respect of the particular tax reporting period, the amount, if any, by which the tax liability payable by the financing entity during the tax reporting period is decreased from the assessed or reassessed amount, together with the after-tax amount of any refund interest received by the financing entity, shall be deemed to be a tax refund received by the financing entity during the first period of time, commencing after the final determination, in respect of which the finance amount is determined.

(4) For the purposes of paragraphs 2 and 3 of subsection (3), the period of time is the first period of time, commencing after the filing of the tax return with the applicable governmental authority for the particular tax reporting period, in respect of which the finance amount is determined.

(5) For the purposes of subparagraph 4 iii of subsection (3),

"final determination" means a determination made by the applicable governmental authority or court of competent jurisdiction and in respect of which all rights to object to or appeal have been exhausted or have expired.

(b) the Board has made a determination under subsection 15 (4) of the Act in respect of the reference period; and

(c) the Financial Services Manager reasonably forecasts that the collection of the clean energy adjustment will be insufficient to pay the estimated finance amount for a reference period.

(3) The true up amount in respect of a reference period or a portion of the reference period shall be determined, as follows:

$$T = (A - B) + C$$

where,

T = the true up amount in respect of the period of time,

A = the aggregate of the finance amounts in respect of all reference periods preceding the current reference period and, if the determination is being made at a point in time during the current reference period, in respect of the portion of the current reference period that precedes the point in time,

B = the aggregate of all amounts of the clean energy adjustment remitted to or for the benefit of the investment interest owners during all reference periods preceding the current reference period and, if the determination is being made at a point in time during the current reference period, in respect of the portion of the current reference period that precedes the point in time,

C = the amount representing reasonably foreseeable differences between the amounts to be invoiced in respect of the clean energy adjustment and the amounts to be remitted by the IESO to the investment interest owners in respect of the invoices due to various factors, including those mentioned in subparagraphs 2 ii and iii of subsection 15 (2) of the Act.

(4) The Financial Services Manager shall, when determining the amounts described in "C" in the formula set out in subsection (3), have regard to amounts payable that were not collected and any amounts in respect of which an overpayment was made, which may include amounts resulting from a default of specified consumers, an electricity vendor or the IESO, whether in its capacity as an electricity vendor or its activities as agent or otherwise under section 16 or 17 of the Act.

(5) If the Financial Services Manager determines that an error in the determination of the clean energy adjustment or any other error relating to the clean energy adjustment requires correction, the Financial Services Manager may reflect the correction in a subsequent determination of the true up amount.

**Notification to Board**

**7.** (1) The Financial Services Manager shall notify the Board of the clean energy adjustment in respect of a reference period or a portion of a reference period in accordance with this section.

**Board to determine rates**

**8.** (1) The Board shall, upon receiving a notice of the clean energy adjustment under section 7, determine the rates at which specified consumers are to be invoiced in respect of the period of time in respect of which the notice was given.

(2) The rates shall be expressed as a cent per kWh amount and determined by dividing the clean energy adjustment in respect of the relevant period of time by the forecast electricity consumption of specified consumers in respect of the period.

(3) For the purposes of subsection (2), the forecast electricity consumption of specified consumers shall be based on forecast information provided to the Board by the IESO.

(4) If notice is provided under subsection 7 (2) or (5), the rates shall be determined by the Board so that the rate takes effect on the first day of the month following the month in which the notice was required to be provided.

**Variable fee**

**10.10** (1) The Financial Services Manager shall establish a variable fee mentioned in subsection 10.8 (1) for a year as follows:

1. Apply the following formula in respect of each funding tranche that forms part of the net annual funding obligation for the year:

$$(A \times (B - C)) \times 0.10$$

where,

A = the principal amount of the funding tranche,

B = the forecast interest rate for the funding tranche, and

C = the actual interest rate for the funding tranche.

2. Calculate the sum of the amounts determined by applying the formula under paragraph 1.

3. If the result calculated under paragraph 2 is greater than the following, decrease the result to the following: the amount that is 2 per cent of the amount that is 5 per cent of the sum of the principal amounts of funding tranches issued in the period, other than any funding tranches that constitute a refinancing.

4. If the result calculated under paragraph 2 is less than the following amount, increase the result to the following: the amount that is -2 per cent of the amount that is 5 per cent of the sum of the principal amounts of funding tranches issued in the period, other than any funding tranches that constitute a refinancing. (3) If the Board refuses to approve the proposed variable fee,

(a) the Board may make recommendations to the Financial Services Manager regarding each forecast interest rate that the Board found was materially inconsistent with market comparable forecast interest rates; and

(b) the Financial Services Manager shall submit to the Board,

(i) a revised proposed fee that takes into consideration the recommendations of the Board, if any, and

(ii) a description of the methodology that the Financial Services Manager has applied to determine revised forecast interest rates for each funding tranche in respect of which the Board found an inconsistency with market comparable forecast interest rates. O. Reg. 415/17, s. 4.

(4) If, subsequent to the initial submission to the Board under subsection (1), the Financial Services Manager determines that a funding tranche may be issued that was not contemplated in the initial submission, the following rules apply:

1. If the Board has not approved the proposed fee, the Financial Services Manager may notify the Board of the funding tranche and, on a day that is later than February 28 but before such day as may be specified by the Board, submit an amendment to the submission that sets out a forecast interest rate for that funding tranche.

2. If the Board has approved the proposed fee, the Financial Services Manager may notify the Board of the funding tranche and, before such day as may be specified by the Board, submit to the Board a forecast interest rate for that funding tranche as part of a proposal to amend the fee to include that funding tranche. O. Reg. 415/17, s. 4.

(4) Where there is more than one financing entity, the portion of the fees allocated to and payable by a financing entity shall be based on,

(a) in the case of a base fee, the financing entity's proportionate share of the average principal amount of funding obligations for the applicable period; and

(b) in the case of a variable fee, the portion of the variable fee attributable to the funding tranches issued by the financing entity. O. Reg. 415/17, s. 4.

(5) If the Board approves an amendment to a fee under section 10.11, the fee as amended may be charged,

(4) If the costs referred to in paragraph 9 of subsection (3) are paid after March 31, 2019, they are recoverable for a year only if the Board, upon reviewing the submission, makes the following determination:

1. A majority of the market comparable fees used by the Board for the purposes of subsection 10.9 (3) for a fiscal year that begins in the calendar year to which the submission under this section relates are charged by full-service managers of funds who, in addition to charging those fees, also recover costs that are materially consistent with and similar to the costs referred to in paragraph 9 of subsection (3) that are paid after March 31, 2019. (2) The Board may refuse to approve an amount of a cost or expenditure if the Board is of the view that the cost or expenditure was not incurred by the Financial Services Manager in relation to prescribed matters or that the cost or expenditure was not paid by the Financial Services Manager during the year to which the fee relates. O. Reg. 415/17, s. 4.

**Charging of fee for costs, expenditures**

## FAIR ALLOCATION AMOUNT

**Prescribed period, amount**

**11.** (1) The prescribed period for the purposes of sub-subparagraph 1 ii B of subsection 20 (1) of the Act shall be the period beginning on January 1, 2005 and ending on April 30, 2017.

(2) If the sum of the amounts determined under paragraphs 1 and 2 of subsection 20 (1) of the Act is less than or equal to the amount determined under paragraph 3 of subsection 20 (1) of the Act, the amount determined by applying the following formula is prescribed for the purposes of paragraph 5 of subsection 20 (1) of the Act:

$$A = B - C$$

where,

A = the amount prescribed for the purposes of paragraph 5 of subsection 20 (1) of the Act,

B = the sum of the amounts determined under paragraphs 1 and 2 of subsection 20 (1) of the Act, and

C = the amount determined under paragraph 3 of subsection 20 (1) of the Act.

**Determination of estimated financing costs**

**12.** (1) For the purposes of paragraph 2 of subsection 20 (1) of the Act, the estimated financing costs in respect of a reference period shall consist of the sum of the following amounts, after eliminating any duplication, that are forecast to become payable during the reference period:

1. Estimated funding costs.
2. Estimated financing entity expenses.
3. Estimated funding rebates.

(2) In estimating amounts for the purposes of subsection (1), the Minister shall make the following assumptions:

1. The entire amount of the regulatory asset is transferred over time in accordance with section 26 of the Act.
2. The principal owing by a financing entity during a reference period is paid in full by applying funds that are forecast to be available to it under the Financing Plan after all other estimated finance amounts for the reference period have been paid in full.

(3) For the purposes of subsection 20 (2) of the Act, the prescribed circumstances are that one or more determinations under section 9 or 11 of the Act in respect of a past reference period have resulted in a readjustment amount.

(4) If the circumstances mentioned in subsection (3) apply, the Minister shall, in addition to calculating the sum of the costs set out in paragraphs 1 to 3 of subsection (1), calculate a portion of the readjustment amount that should be attributed to the reference period and include it in the determination of the estimated financing costs in respect of the reference period.

(5) For the purposes of subsection (4), the Minister shall determine the portion to be attributed to the reference period in such a manner as to ensure that readjustment amounts are recovered equally over the remaining reference periods.

**Minister's considerations**

**13.** For the purposes of subsection 20 (3) of the Act, the Minister shall have regard to the following matters:

1. Electricity prices.
2. Interest rates.
3. Inflation.

**Subject:** Fair Hydro - Option for Province to Cure Default before Acceleration of Debt

Dear James,

During the discussions of the Provincial guarantee at a recent Thursday rate mitigation meeting, OPG raised the issue of potential acceleration of financing entity debt where the guarantee is not applicable. That would occur if there is an event of default (e.g. if the trust is not able to pay/service the debt) for a reason that doesn't trigger the guarantee (e.g. for a reason other than a change of the legislation).

When there is an acceleration, all of the principal amount becomes due and a large payment would need to be made by the financing entity to bondholders. If the acceleration occurs after the moratorium period, the amount payable to bondholders would be put through the Clean Energy Adjustment to specified consumers. That could result in a significant increase in consumer bills in a short period of time.

We understand that the Province may not want consumers to experience such a sharp bill increase. We discussed the Dealers whether the Province could be given the option to cure an event of default of a financing entity before it results in acceleration of debt. The Dealers were amenable to providing this option.

When we raised this possibility, the Province indicated it would like to have such an option, and asked us to put together a note describing the terms.

Please find attached a note describing the proposed terms of the option.

Let us know if you have any questions or comments, or if this should be directed to someone else.

Les

Memorandum

**To:** Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**")

**Date:** August 30, 2017

**From:** Ontario Power Generation Inc.

**Subject: Acceleration of Ontario Fair Hydro Plan Act Obligations**

Under the *Ontario Fair Hydro Plan Act*, 2017, clean energy adjustments are designed to recover the "funding obligations" and "finance amounts" (as defined in the Act and regulations thereunder, respectively, collectively referred to as the "**Obligations**") that become due during a reference period (each generally a six month period). This means that if there is an event of default under the master trust indenture (the "**Indenture**") that is not or cannot be cured, the full amount of the accelerated Obligations may become due and payable and be included in the calculation of the clean energy adjustments for the next reference period. Furthermore, it is likely that all funding obligations will be cross-defaulted to each other, so acceleration of one series of funding obligations will likely result in acceleration of all funding obligations. Accordingly, electricity rates for specified consumers would be set at a rate for a six-month period that would result in repayment in full of all outstanding and accelerated Obligations. On the assumption that all interested parties would like to avoid such a scenario, we have discussed with the dealers the following as an approach in the context of an event of default:

1. Upon the occurrence of a Default under the Indenture (being an event which, with the passage of time or giving of notice could become an Event of Default), the Province would have the following rights:

(a) a right to receive written notice from the trustee under the Indenture (at the same time that such trustee provides a notice to the financing entity through OPG as the manager) that a Default has occurred;

(b) in the event of the occurrence of an Event of Default that is not based upon the occurrence of a Default followed by a cure period (such as insolvency of the financing entity), a right to receive written notice from the trustee under the Indenture that an Event of Default has occurred; and

(c) a right to cure the Default or the Event of Default, as the case may be, within a specified cure period, which will run concurrently with any cure period available under the Indenture with respect to the applicable Event of Default.

2. The Indenture will provide that notwithstanding the occurrence of an Event of Default, the Obligations may not be accelerated until the expiry of the cure period available to the Province. If the Default or Event of Default in question cannot be cured by the Province on behalf of the financing entity within this cure period, then the Province will have the option to "cure" and avoid acceleration of the Obligations by assuming those Obligations. This option would be set out in the provincial protection and assurances agreement. In such circumstances, as in the case of a change of law, the Fair Hydro program would be discontinued and the Obligations owing under the program would be those of the Province.

Steve, Malle and Toby, further to our meeting the other day, set out below for your review is a proposal on the Provincial approval process under the Change of Law Assumption Agreement. Once we have your feedback on this, we will need to share it with Osler and the accountants and as John mentioned, we are under some time pressure to bring this to a resolution prior to the upcoming June 29 OPG Board meeting. We look forward to your comments, and feel free to reach out if you have any questions. -- Rima

**Obligor Approval**

The Change of Law Assumption Agreement will apply to all Specified Claims relating to Funding Obligations that are incurred by an Eligible Financing Entity in accordance with the Obligor's approval process. The definition of Specified Claims to be mutually agreed by all parties.

In order for a Financing Entity to become designated as an Eligible Financing Entity by the Obligor, prior to the initial issuance of Funding Obligations by such Financing Entity, the Obligor will be provided with copies of the following documents (collectively the "Program Documents") for review:

(i) the constating documents of such Financing Entity;
(ii) the management agreement between the Financing Entity and OPG;
(iii) the master transfer and servicing agreement between the Financing Entity and the IESO;
(iv) the master trust indenture governing the issuance of Funding Obligations by the Financing Entity;
(v) a form of supplemental indenture governing the issuance of bonds, issuable in series, by the Financing Entity;
(vi) a form of note purchase agreement or credit agreement governing the issuance of short term Funding Obligations by the Financing Entity;
(vii) a form of schedule to an ISDA Master Agreement governing derivative transactions that may be entered into the Financing Entity from time to time; and
(viii) such other documents as may be requested by the Obligor.

Once a Financing Entity is designated by the Obligor as an Eligible Financing Entity, it will not be necessary for the Obligor to approve the documentation related to specific issuances of Funding Obligations; however, OPG will be expected to notify the Obligor of any new material program documentation or any material amendments to existing program documentation before such new documentation or amendments become effective. The failure of OPG to provide any such notice will not invalidate the application of the Change of Law Assumption Agreement to any Specified Claims.

It will not be necessary for the Obligor to approve each new issuance of Funding Obligations

provided that such Funding Obligations are issued in accordance with following:
(1) The Funding Obligations are issued in accordance with agreements that contain: (a) covenants of the Eligible Financing Entity that are no more onerous in any material respect and (b) events of default that are consistent in all material respects, respectively, with the covenants of the Eligible Financing Entity and events of default contained in the draft Program Documents.
(2) At least [30 days] prior to the initial issuance of Funding Obligations by an Eligible Financing Entity, OPG will provide the Obligor with a forecast of the principal amount and expected term of the Funding Obligations that OPG expects such Eligible Financing Entity to issue in accordance with the Financing Plan in the next two years (a "Two Year Forecast"). The execution of the Change of Law Assumption Agreement in respect of such Eligible Financing Entity shall constitute the Obligor's approval of the issuance of Funding Obligations by such Eligible Financing Entity in accordance with the Two Year Forecast.
(3) OPG shall provide the Obligor with an updated Two Year Forecast between 9 and 12 months prior to the expiry of each current Two Year Forecast.
(4) Unless the Obligor provides OPG with a written notice no later than 3 months prior to the date following receipt of the current Two Year Forecast that the Change of Law Assumption Agreement will be inapplicable with respect to new Funding Obligations incurred following the expiry of the current Two Year Forecast, the Obligor will be deemed to approve the application of the Change of Law Assumption Agreement to all Funding Obligations incurred up to the expiry of the new Two Year Forecast.
At the time of issuance of Funding Obligations by an Eligible Financing Entity, the Financing Entity will provide (i) any required certifications to the underwriters/agents that such Funding Obligations are covered by the Change of Law Assumption Agreement; and (ii) notice to the Obligor of the material terms of the Funding Obligations issued, together with electronic copies of the final executed Program Documents.

Subject to satisfaction of the conditions described under "Adherence Condition", below, the Change of Law Protection Agreement will apply (without duplication) in respect of the following "Specified Claims" (as defined in the Term Sheet) of the applicable financing entity (collectively, the "Approved Obligations"):

1. repayments[1], other than to the extent that funds are available for payment thereof from one or more committed refinancings or from amounts on deposit in a capital account, finance reserve account or supplemental reserve account or from payment proceeds under a related derivative agreement ("Principal Obligations");

2. obligations incurred by the financing entity to pay specified redemption amounts, other than to the extent that funds are available for payment thereof from one or more refinancings or from amounts on deposit in a capital account, finance reserve account or supplemental reserve account or from payment proceeds under a related derivative agreement ("Redemption Obligations");

3. interest payable under outstanding indebtedness of the financing entity, other than to the extent that funds are available for payment thereof from a finance reserve account or supplemental reserve account, from a funding rebate[2] or from payment proceeds under a related derivative agreement ("Interest Obligations");

4. derivative payments due and payable by the financing entity, determined on a net payment basis after the application of any collateral posted or available for posting by or on behalf of the financing entity to or for the benefit of the applicable counterparty, other than to the extent that funds are available for payment thereof from a capital account, finance reserve account or supplemental reserve account or from a funding rebate ("Hedging Obligations");

5. other funding costs due and payable by the financing entity and that are not included in 2, 3 or 4, above, other than to the extent that funds are available for payment thereof from a finance reserve account or supplemental reserve account or from a funding rebate ("Other Funding Obligations"); and

[1] This assumes that repayments will only include scheduled principal amounts, without regard to default and acceleration.

[2] Incorporate alternative GA stream, as applicable, in relation to all covered amounts – including interest, derivative payments, other funding costs and expenses contemplated in paras. 3 to 6.

6. finance entity expenses, due and payable by the financing entity and that are not included in 2 to 5, above and [other than amounts charged by the Financial Services Manager][3], other than to the extent that funds are available for payment thereof from a finance reserve account or supplemental reserve account or from a funding rebate ("Third Party Expense Obligations"),

but excluding in each case payments due and payable by the financing entity in respect of any contingent obligation of the financing entity to the extent that such payments would in the aggregate exceed the maximum amount specified therefor in the applicable governing document.

For greater certainty, the Change of Law Protection Agreement will not apply to any other amount or obligation of the financing entity, including (a) any amounts that are or become payable as a result of the exercise of an option of the financing entity following a Protection Event (e.g., redemption or extension rights), (b) amounts required to be deposited by or on behalf of the financing entity into any capital account, finance reserve account or supplemental reserve account, (c) tax liabilities and (d) contingent payment obligations that exceed the maximum amount therefor specified in the applicable governing document.

Adherence Conditions

The Change of Law Protection Agreement will bind the Province in respect of a funding obligation that is an Approved Obligation if:

1. at the time the funding obligation is incurred, the maximum aggregate payment amounts due or becoming due under the funding obligation, together with all other outstanding or committed Approved Obligations, do not exceed the Program Maximum;

2. OPG delivers a certificate, signed by at least two executive officers of OPG and addressed to the Province, not less than • Toronto business days prior to the incurrence or any amendment of the funding obligation, setting out the following with respect to the funding obligation:

   (a) the following information respecting a funding obligation to be incurred:

      (i) in the case of an incurrence of any related Principal Obligation, material details respecting such Principal Obligation, including the amount, timing and conditions of repayments (including any redemption or extension rights), the basis for OPG's expectations regarding the availability of any related refinancings, any required deposits to be made into a capital account or a finance reserve account in order to provide for payment of the Principal Obligation, and the rating (if any) contemplated to be attributed to the Principal Obligation;

[3] Confirm arrangements with OPG.

(ii) in the case of an incurrence of any related Redemption Obligation, material details respecting such Redemption Obligation, including the basis for determining to exercise any right, option or privilege that would result in an obligation to redeem, prepay or pay prior to a scheduled maturity any Approved Obligation, the basis for OPG's expectations regarding the availability of any related refinancings, and any required deposits to be made into a capital account or a finance reserve account in order to provide for payment of the Redemption Obligation;

(iii) in the case of an incurrence of any related Interest Obligation, material details respecting such Interest Obligation, including the applicable rate or rates (including default rates) and the timing and any conditions of payments, any required deposits to be made into a finance reserve account or supplemental account or the availability of any funding rebates in order to provide for payment of the Interest Obligation, and the rating (if any) contemplated to be attributed to the Interest Obligation;

(iv) in the case of an incurrence of any related Hedging Obligation, material details respecting such Hedging Obligation, including the counterparty payor(s), the credit ratings (if any) of the payor(s), the anticipated risk or risks to be mitigated by the related derivative agreement, the circumstances in which the Hedging Obligation may not achieve such mitigation or be subject to early termination and whether collateral posting requirements will apply;

(v) in the case of an incurrence of any related Other Funding Obligation and any related Third Party Expense Obligation, material details respecting such obligations, including the payees, the timing and any conditions of payments, and any required deposits to be made into a finance reserve account or supplemental account or the availability of any funding rebates in order to provide for payment of such obligations;

(vi) in the case of any contingent obligation, material details respecting the contingent obligation of the financing entity under the funding obligation, including the nature and extent of any contingent payment, the circumstances in which the payment may arise and the maximum amount specified therefor in the applicable governing document;

(b) if an existing funding obligation is to be amended, material details respecting such amendment and the anticipated effect of the amendment on or in relation to the affected terms and conditions of the funding obligation, including regarding the applicable details set forth in (a), above, as the context requires;

(c) a statement that:

(i) the Principal Obligations, Redemption Obligations, Interest Obligations and Hedging Obligations becoming payable under the funding obligation (1) will

arise under terms and conditions that are "Substantially in the Form" of the Reviewed Documentation applicable thereto; (2) in the opinion of such officers, are reasonably incurred in compliance with the OFHPA, the General Regulation, any other enactments related thereto and the applicable Financing Plan; (3) are of a type and are on terms that a reasonably prudent financial services manager would incur in similar circumstances; and (4) reflect, in all material respects, arm's length terms and conditions;

(ii) the Other Funding Obligations and Third Party Expense Obligations becoming payable under the funding obligation (1) will, in the opinion of such officers, be reasonably incurred in compliance with the OFHPA, the General Regulation, any other enactments related thereto and the applicable Financing Plan; (2) are of a type and are on terms that a reasonably prudent financial services manager would incur in similar circumstances; and (3) reflect, in all material respects, arm's length terms and conditions;

(iii) any Disclosure Document used in connection with the offering and sale of notes, bonds or other securities is "Substantially in the Form" of the Reviewed Documentation; and

(d) confirmation that if the funding obligation includes any contingent obligation, the applicable governing document for the funding obligation sets forth a maximum amount therefor; and

3. the Province has not provided written notice to OPG within • Toronto business days of receiving the certificate specified in 2, above, in respect of a proposed funding obligation stating that the Change of Law Protection Agreement shall not apply in respect of the funding obligation.

If the Adherence Conditions are satisfied, it will not be necessary for the Province to specifically approve the particular terms, conditions or documentation for the related funding obligations.

In connection with an incurrence or amendment of a funding obligation, OPG may certify to interested third parties that Adherence Condition 2[4] with respect thereto has been satisfied. Such certification shall be determinative (regardless of any inaccuracies, incompleteness or other defect in the certificate delivered) and may be relied upon by any addressee as conclusive evidence of same.

Reviewed Documentation

OPG will ensure that not less than • Toronto business days prior to the initial issuance of any funding obligation by the financing entity, the Province will have received copies, in substantially final form, of the following documents:

[4] Should this only relate to the certification or also the maximum program and the absence of a negating notice?

(a) the constating and organizational documents of the financing entity;

(b) any management, administration or servicing agreement to which the financing entity is a party, including any replacement or standby services agreement;

(c) the master transfer and servicing agreement between the financing entity and the IESO;

(d) the master trust indenture governing the issuance and common terms of notes or bonds and the security and priority of all Specified Claims that may be incurred from time to time by the financing entity;

(e) the form of supplemental indenture (supplemental to the master trust indenture referred to in (d), above) governing the terms and conditions of related series of notes or bonds issued by the financing entity and the particular allocations, security and priority of Specified Claims being serviced by related series property;

(f) the form of any note, bond or securities purchase agreement and any underwriting/agency/selling/subscription agreement with respect to sale of any series of notes, bonds or securities to be issued under the supplemental indenture referred to in (e), above;

(g) the form of any credit agreement governing the issuance of short term loan obligations by the financing entity;

(h) the form of schedule to an ISDA Master Agreement governing derivative transactions that may be entered into the financing entity from time to time;

(i) the form of any other agreement or instrument under which a Principal Obligation, a Redemption Obligation, an Interest Obligation, a Hedging Obligation or an Other Funding Obligation may arise or be affected. For example, any other agreement under which the financing entity incurs a material financial obligation or that affects the Province's subrogation rights and subrogee interests must be provided to the Province and, if accepted, become part of the Reviewed Documentation in the future, such as standby liquidity arrangements or credit enhancement agreements;

(j) if applicable, any other agreement governing the respective interests of persons having rights or interests in the investment asset or other assets of the financing entity, including any agreement of the sort contemplated in subsection 29(5) of the OFHPA; and

(k) the form of disclosure document (including any offering circular, prospectus or other investor disclosure statement) (a "Disclosure Document") describing the material terms of the Funding Obligation together with any related material information.

If acceptable, the Province will confirm that such reviewed documents shall be the "Reviewed Documentation" for the purposes of Adherence Condition 2(c).

Any proposed changes, additions or supplements to the Reviewed Documentation will be provided to the Province not less than • Toronto business days prior to any proposed use or such documents becoming effective. Such modified, additional or supplemental documentation will only become "Reviewed Documentation" for the purposes of satisfying Adherence Condition 2(c) if the Province confirms same not less than • Toronto business days prior to the delivery and effective time of the certificate contemplated in Adherence Condition 2.

For the purposes of Adherence Condition 2(c), the term "Substantially in the Form" means:

(a) with respect to the Reviewed Documentation referred to in (a) to (j), above, that there are no differences between the proposed documents and such Reviewed Documentation that could result in a change in the material terms or conditions applicable to the Approved Obligations, including regarding the amount of the payment obligations or the timing of or circumstances under which related payments are or may become due or accrue (including as a result of any default, acceleration, termination, wind-up, liquidation or realization), or that would affect the Province's rights of subrogation or interests as a subrogee as a result of performing the Change of Law Protection Agreement with respect to any Approved Obligation;

(b) with respect to the Reviewed Documentation referred to in (e) to (h), above, and possibly (i) and (j) as the context requires, that the variable terms to be set forth in the proposed documents are as reasonably contemplated in the Reviewed Documentation, as to the type, scope and extent of the obligations arising thereunder and as to the timing, conditions and circumstances in which such obligations may arise, but without regard to the particular financial terms, rates, levels and parameters set forth in the proposed documents other than to the extent that the forms of Reviewed Documentation specify specific requirements, limitations or parameters with respect thereto; and

(c) with respect to the Disclosure Document referred to in (k), above, that there are no material differences between the form and substance of the proposed disclosure document and such Disclosure Document and that such proposed disclosure document complies in all material respects with all securities disclosure requirements relating to the Funding Obligation subject to distribution thereunder.

Program Maximum

The Program Maximum will be determined by the Province prior to the initial issuance of the first funding obligation. In determining the Program Maximum, the Province will have regard to (but not be bound by) OPG's forecast of the maximum payment obligations expected to arise under Approved Obligations during the next [12] month period, based on and in accordance with the applicable Financing Plan (the "Forecast"). OPG will be required to deliver the Forecast to the Province not less than • Toronto business days prior to the proposed incurrence of the first funding obligation. The Province will confirm the Program Maximum in writing to OPG and the financing entity.

The Forecast will be updated and delivered to the Province [quarterly] thereafter, or more frequently if OPG so elects, to reflect the maximum payment obligations expected to arise under

Approved Obligations during the [12] month period immediately following the date of such updated Forecast, based on and in accordance with the applicable Financing Plan. Upon receiving an updated Forecast, the Province will determine whether or not the Program Maximum will be revised. Any determination to revise the Program Maximum will be confirmed by setting out a new Program Maximum in a written notice from the Province to OPG, the delivery of which will be conclusive evidence that such new Program Maximum will apply until further so revised.

On-Going Deliveries to the Province

Prior to the initial issuance of any funding obligation by the financing entity, OPG will provide the Province with a copy of the applicable Financing Plan and will promptly deliver to the Province a copy of any proposed change to or replacement of the Financing Plan.

Not later than • Toronto business days prior to the use or other dissemination by or on behalf of the financing entity of a disclosure document (including any offering circular, prospectus or other investor disclosure statement) respecting a funding obligation that will constitute an Approved Obligation, OPG will provide the Province with a copy of such disclosure document.

Not later than • Toronto business days prior to the incurrence by the financing entity of a funding obligation that will constitute an Approved Obligation, OPG will provide the Province with a written summary of the final terms and conditions of the proposed funding obligation.

Promptly following any incurrence of a funding obligation that constitutes an Approved Obligation or any amendment of such a funding obligation, OPG will be provide the Province with electronic copies of all related governing and all other closing documents executed by or on behalf of the financing entity in connection with such incurrence or amendment that would affect the financing entity's assets or obligations.

Upon request, OPG will provide the Province with such additional information and documentation as the Province requests in order to enable the Province to assess the nature and extent of its obligations under the Change of Law Protection Agreement.

For greater certainty, a failure by OPG to make the foregoing deliveries will not constitute a failure to satisfy the Adherence Conditions.

Covenants of OPG

To support the approval and related information processes described above, OPG will covenant to the Province (among other things) as follows:

(a) OPG will comply and ensure compliance by any financing entity (including as Financial Services Manager) with the OFHPA, the General Regulation and any other enactment related thereto;

(b) OPG will promptly notify the Province of the creation of any funding obligation that OPG determines is not or would not be an Approved Obligation;

(c) after the occurrence of any Protection Event (or any event that with the passage of time or the giving of notice would be a Protection Event), OPG will not, without the Province's prior written consent, permit any financing entity to exercise any redemption, pre-payment, early termination or extension right in respect of any Approved Obligation or exercise any other election or privilege in respect of any Approved Obligation, in each case if as a result the obligations applicable to the Approved Obligation under the Change of Law Protection Agreement would be accelerated, delayed or otherwise affected;

(d) if a funding obligation that is incurred includes a contingent obligation, OPG will ensure that the governing document for such funding obligation sets forth a maximum amount in order to limit the possible claim amount thereunder and OPG will ensure that such maximum amount is not increased without the Province's prior written consent; and

(e) OPG will ensure that any disclosure (including in any offering document) that refers to or describes the terms, effect or adherence of the Change of Law Protection Agreement will be subject to the prior review and approval of the Province.

For greater certainty, a failure by OPG to perform such covenants will not constitute a failure to satisfy the Adherence Conditions.

Please see attached for discussion our draft proposal for an approval process. This proposal significantly fleshes out the issues and the process in much greater detail from the OPG proposal below.
One issue to note in particular is the process relating to the Program Maximum amount, and the proposed timing for addressing approvals relating to that amount.
Once this group has had a chance to review we can schedule a call or compile any comments before getting back to OPG.

Please see below an email from OPG's counsel setting out a proposed approval process setting out how the Provincial protection agreement would apply to any set of obligations of the Financing Entity.
We at MOF Legal along with Energy Legal and Stephen Ashbourne are in the process of reviewing their proposal and preparing comments. We will have significant comments and questions about this proposal, but wanted to give everyone a chance to review the OPG proposal so that we can discuss those comments as soon as we are ready to do so.

Steve, Malle and Toby, further to our meeting the other day, set out below for your review is a proposal on the Provincial approval process under the Change of Law Assumption Agreement. Once we have your feedback on this, we will need to share it with Osler and the accountants and as John mentioned, we are under some time pressure to bring this to a resolution prior to the upcoming June 29 OPG Board meeting. We look forward to your comments, and feel free to reach out if you have any questions. -- Rima

**Obligor Approval**

The Change of Law Assumption Agreement will apply to all Specified Claims relating to Funding Obligations that are incurred by an Eligible Financing Entity in accordance with the Obligor's approval process. The definition of Specified Claims to be mutually agreed by all parties.

In order for a Financing Entity to become designated as an Eligible Financing Entity by the Obligor, prior to the initial issuance of Funding Obligations by such Financing Entity, the Obligor will be provided with copies of the following documents (collectively the "Program Documents") for review:

(i) the constating documents of such Financing Entity;
(ii) the management agreement between the Financing Entity and OPG;
(iii) the master transfer and servicing agreement between the Financing Entity and the IESO;
(iv) the master trust indenture governing the issuance of Funding Obligations by the Financing Entity;
(v) a form of supplemental indenture governing the issuance of bonds, issuable in series, by the Financing Entity;
(vi) a form of note purchase agreement or credit agreement governing the issuance of short term Funding Obligations by the Financing Entity;
(vii) a form of schedule to an ISDA Master Agreement governing derivative transactions that may be entered into the Financing Entity from time to time; and
(viii) such other documents as may be requested by the Obligor.

Once a Financing Entity is designated by the Obligor as an Eligible Financing Entity, it will not be necessary for the Obligor to approve the documentation related to specific issuances of Funding Obligations; however, OPG will be expected to notify the Obligor of any new material program documentation or any material amendments to existing program documentation before such new documentation or amendments become effective. The failure of OPG to provide any such notice will not invalidate the application of the Change of Law Assumption Agreement to any Specified Claims.

It will not be necessary for the Obligor to approve each new issuance of Funding Obligations provided that such Funding Obligations are issued in accordance with following:

(1) The Funding Obligations are issued in accordance with agreements that contain: (a) covenants of the Eligible Financing Entity that are no more onerous in any material respect and (b) events of default that are consistent in all material respects, respectively, with the covenants of the Eligible Financing Entity and events of default contained in the draft Program Documents.
(2) At least [30 days] prior to the initial issuance of Funding Obligations by an Eligible Financing Entity, OPG will provide the Obligor with a forecast of the principal amount and expected term

of the Funding Obligations that OPG expects such Eligible Financing Entity to issue in accordance with the Financing Plan in the next two years (a "Two Year Forecast"). The execution of the Change of Law Assumption Agreement in respect of such Eligible Financing Entity shall constitute the Obligor's approval of the issuance of Funding Obligations by such Eligible Financing Entity in accordance with the Two Year Forecast.
(3) OPG shall provide the Obligor with an updated Two Year Forecast between 9 and 12 months prior to the expiry of each current Two Year Forecast.
(4) Unless the Obligor provides OPG with a written notice no later than 3 months prior to the date following receipt of the current Two Year Forecast that the Change of Law Assumption Agreement will be inapplicable with respect to new Funding Obligations incurred following the expiry of the current Two Year Forecast, the Obligor will be deemed to approve the application of the Change of Law Assumption Agreement to all Funding Obligations incurred up to the expiry of the new Two Year Forecast.
At the time of issuance of Funding Obligations by an Eligible Financing Entity, the Financing Entity will provide (i) any required certifications to the underwriters/agents that such Funding Obligations are covered by the Change of Law Assumption Agreement; and (ii) notice to the Obligor of the material terms of the Funding Obligations issued, together with electronic copies of the final executed Program Documents.

**Adherence of the Change of Law Protection Agreement to Approved Obligations**

Words that are not defined below and that are defined in the OFHPA or otherwise in the General Regulation will have the meanings given in the OFHPA or the General Regulation, as applicable.

Approval Process

Subject to satisfaction of the conditions described under "Adherence Condition", below, the Change of Law Protection Agreement will apply (without duplication) in respect of the following "Specified Claims" (as defined in the Term Sheet) of the applicable financing entity (collectively, the "Approved Obligations"):

1. repayments[1], other than to the extent that funds are available for payment thereof from one or more committed refinancings or from amounts on deposit in a capital account or finance reserve account or from payment proceeds under a related derivative agreement ("Principal Obligations");

2. obligations incurred by the financing entity to pay specified redemption amounts, other than to the extent that funds are available for payment thereof from one or more refinancings or from amounts on deposit in a capital account or finance reserve account or from payment proceeds under a related derivative agreement ("Redemption Obligations");

3. interest payable under outstanding indebtedness of the financing entity, other than to the extent that funds are available for payment thereof from a finance reserve account, from a funding rebate or from payment proceeds under a related derivative agreement ("Interest Obligations");

4. derivative payments due and payable by the financing entity, determined on a net payment basis after the application of any collateral posted or available for posting by or on behalf of the financing entity to or for the benefit of the applicable counterparty, other than to the extent that funds are available for payment thereof from a capital account or finance reserve account or from a funding rebate ("Hedging Obligations");

5. other funding costs due and payable by the financing entity and that are not included in 2, 3 or 4, above, other than to the extent that funds are available for payment thereof from a finance reserve account or from a funding rebate ("Other Funding Obligations"); and

6. finance entity expenses, due and payable by the financing entity and that are not included in 2 to 5, above and [other than amounts charged by the Financial Services Manager][2], other than to the extent that funds are available for payment thereof from a finance reserve account or from a funding rebate ("Third Party Expense Obligations"),

[1] This assumes that repayments will only include scheduled principal amounts, without regard to default and acceleration.

[2] Confirm arrangements with OPG.

but excluding in each case payments due and payable by the financing entity in respect of any contingent obligation of the financing entity to the extent that such payments would in the aggregate exceed the maximum amount specified therefor in the applicable governing document.

For greater certainty, the Change of Law Protection Agreement will not apply to any other amount or obligation of the financing entity, including (a) any redemption amounts that are or become payable at the option of the financing entity following a Protection Event, (b) amounts required to be deposited by or on behalf of the financing entity into any capital account or finance reserve account, (c) tax liabilities and (d) contingent payment obligations that exceed the maximum amount therefor specified in the applicable governing document.

Adherence Conditions

The Change of Law Protection Agreement will bind the Province in respect of a funding obligation that is an Approved Obligation if:

1. at the time the funding obligation is incurred, the maximum aggregate payment amounts due or becoming due under the funding obligation, together with all other outstanding or committed Approved Obligations, do not exceed the Program Maximum;

2. OPG delivers a certificate, signed by at least two executive officers of OPG and addressed to the Province, not less than [3] Toronto business days prior to the incurrence or any amendment of the funding obligation, setting out the following with respect to the funding obligation:

   (a) the following information respecting a funding obligation to be incurred:

      (i) in the case of an incurrence of any related Principal Obligation, material details respecting such Principal Obligation, including the amount, timing and conditions of repayments, the basis for OPG's expectations regarding the availability of any related refinancings, any required deposits to be made into a capital account or a finance reserve account in order to provide for payment of the Principal Obligation, and the rating (if any) contemplated to be attributed to the Principal Obligation;

      (ii) in the case of an incurrence of any related Redemption Obligation, material details respecting such Redemption Obligation, including the basis for determining to exercise any right, option or privilege that would result in an obligation to redeem, prepay or pay prior to a scheduled maturity any Approved Obligation, the basis for OPG's expectations regarding the availability of any related refinancings, and any required deposits to be made into a capital account or a finance reserve account in order to provide for payment of the Redemption Obligation;

(iii) in the case of an incurrence of any related Interest Obligation, material details respecting such Interest Obligation, including the applicable rate or rates (including default rates) and the timing and any conditions of payments, any required deposits to be made into a finance reserve account or the availability of any funding rebates in order to provide for payment of the Interest Obligation, and the rating (if any) contemplated to be attributed to the Interest Obligation;

(iv) in the case of an incurrence of any related Hedging Obligation, material details respecting such Hedging Obligation, including the counterparty payor(s), the credit ratings (if any) of the payor(s), the anticipated risk or risks to be mitigated by the related derivative agreement, the circumstances in which the Hedging Obligation may not achieve such mitigation or be subject to early termination and whether collateral posting requirements will apply;

(v) in the case of an incurrence of any related Other Funding Obligation and any related Third Party Expense Obligation, material details respecting such obligations, including the payees, the timing and any conditions of payments, and any required deposits to be made into a finance reserve account or the availability of any funding rebates in order to provide for payment of such obligations;

(vi) in the case of any contingent obligation, material details respecting the contingent obligation of the financing entity under the funding obligation, including the nature and extent of any contingent payment, the circumstances in which the payment may arise and the maximum amount specified therefor in the applicable governing document;

(b) if an existing funding obligation is to be amended, material details respecting such amendment and the anticipated effect of the amendment on or in relation to the affected terms and conditions of the funding obligation, including regarding the applicable details set forth in (a), above, as the context requires;

(c) a statement that:

(i) the Principal Obligations, Redemption Obligations, Interest Obligations and Hedging Obligations becoming payable under the funding obligation (1) will arise under terms and conditions that are "Substantially in the Form" of the Reviewed Documentation applicable thereto; and (2) in the opinion of such officers, are reasonably incurred in compliance with the OFHPA, the General Regulation, any other enactments related thereto and the applicable Financing Plan;

(ii) the Other Funding Obligations and Third Party Expense Obligations becoming payable under the funding obligation (1) will, in the opinion of such officers, be reasonably incurred in compliance with the OFHPA, the General

Regulation, any other enactments related thereto and the applicable Financing Plan; (2) are of a type and are on terms that a reasonably prudent financial services manager would incur in similar circumstances; and (3) reflect, in all material respects, arm's length terms and conditions;

(iii) any Disclosure Document used in connection with the offering and sale of notes or bonds is "Substantially in the Form" of the Reviewed Documentation; and

(d) confirmation that if the funding obligation includes any contingent obligation, the applicable governing document for the funding obligation sets forth a maximum amount therefor; and

3. the Province has not provided written notice to OPG within 2 Toronto business days of receiving the certificate specified in 2, above, in respect of a proposed funding obligation stating that the Change of Law Protection Agreement shall not apply in respect of the funding obligation.

If the Adherence Conditions are satisfied, it will not be necessary for the Province to specifically approve the particular terms, conditions or documentation related to related funding obligations.

In connection with an incurrence or amendment of a funding obligation, OPG may certify to interested third parties that Adherence Condition 2[3] with respect thereto has been satisfied. Such certification shall be determinative (regardless of any inaccuracies, incompleteness or other defect in the certificate delivered) and may be relied upon by any addressee as conclusive evidence of same.

Reviewed Documentation

OPG will ensure that not less than 20 Toronto business days prior to the initial issuance of any funding obligation by the financing entity, the Province will have received copies, in substantially final form, of the following documents:

(a) the constating and organizational documents of the financing entity;

(b) any management, administration or servicing agreement to which the financing entity is a party, including any replacement or standby services agreement;

(c) the master transfer and servicing agreement between the financing entity and the IESO;

(d) the master trust indenture governing the issuance and common terms of notes or bonds and the security and priority of all Specified Claims that may be incurred from time to time by the financing entity;

[3] Should this only relate to the certification or also the maximum program and the absence of a negating notice?

(e) the form of supplemental indenture (supplemental to the master trust indenture referred to in (d), above) governing the terms and conditions of related series of notes or bonds issued by the financing entity and the particular allocations, security and priority of Specified Claims being serviced by related series property;

(f) the form of any note or bond purchase agreement and any underwriting/agency/selling/subscription agreement with respect to sale of series of notes or bonds to be issued under the supplemental indenture referred to in (e), above;

(g) the form of any credit agreement governing the issuance of short term loan obligations by the financing entity;

(h) the form of schedule to an ISDA Master Agreement governing derivative transactions that may be entered into the financing entity from time to time;

(i) the form of any other agreement or instrument under which a Principal Obligation, a Redemption Obligation, an Interest Obligation, a Hedging Obligation or an Other Funding Obligation may arise or be affected. For example, any other agreement under which the financing entity incurs a material financial obligation or that affects the Province's subrogation rights and subrogee interests must be provided to the Province and, if accepted, become part of the Reviewed Documentation in the future, such as standby liquidity arrangements or credit enhancement agreements;

(j) if applicable, any other agreement governing the respective interests of persons having rights or interests in the investment asset or other assets of the financing , including any agreement of the sort contemplated in subsection 29(5) of the OFHPA; and

(k) the form of disclosure document (including any offering circular, prospectus or other investor disclosure statement) (a "Disclosure Document") describing the material terms of the Funding Obligation together with any related material information.

If acceptable, the Province will confirm that such reviewed documents shall be the "Reviewed Documentation" for the purposes of Adherence Condition 2(c).

Any proposed changes, additions or supplements to the Reviewed Documentation will be provided to the Province not less than 10 Toronto business days prior to any proposed use or such documents becoming effective. Such modified, additional or supplemental documentation will only become "Reviewed Documentation" for the purposes of satisfying Adherence Condition 2(c) if the Province confirms same not less than [2] Toronto business days prior to the delivery and effective time of the certificate contemplated in Adherence Condition 2.

For the purposes of Adherence Condition 2(c), the term "Substantially in the Form" means:

(a) with respect to the Reviewed Documentation referred to in (a) to (j), above, that there are no differences between the proposed documents and such Reviewed Documentation that could result in a change in the material terms or conditions applicable to the Approved Obligations, including regarding the amount of the payment obligations or the timing of

or circumstances under which related payments are or may become due or accrue (including as a result of any default, acceleration, termination, wind-up, liquidation or realization), or that would affect the Province's rights of subrogation or interests as a subrogee as a result of performing the Change of Law Protection Agreement with respect to any Approved Obligation;

(b) with respect to the Reviewed Documentation referred to in (e) to (h), above, and possibly (i) and (j) as the context requires, that the variable terms to be set forth in the proposed documents are as reasonably contemplated in the Reviewed Documentation, as to the type, scope and extent of the obligations arising thereunder and as to the timing, conditions and circumstances in which such obligations may arise, but without regard to the specific financial terms, rates, levels and parameters set forth in the proposed documents other than to the extent that the forms of Reviewed Documentation specify specific requirements, limitations or parameters with respect thereto; and

(c) with respect to the Disclosure Document referred to in (k), above, that there are no material differences between the form and substance of the proposed disclosure document and such Disclosure Document and that such proposed disclosure document complies in all material respects with all securities disclosure requirements relating to the Funding Obligation subject to distribution thereunder.

Program Maximum

The Program Maximum will be determined by the Province prior to the initial issuance of the first funding obligation. In determining the Program Maximum, the Province will have regard to (but not bound by) OPG's forecast of the maximum payment obligations expected to arise under Approved Obligations during the next [12] month period, based on and in accordance with the applicable Financing Plan (the "Forecast"). OPG will be required to deliver the Forecast to the Province not less than [20] Toronto business days prior to the proposed incurrence of the first funding obligation. The Province will confirm the Program Maximum in writing to OPG and the financing entity.

The Forecast will be updated and delivered to the Province [quarterly] thereafter, or more frequently if OPG so elects, to reflect the maximum payment obligations expected to arise under Approved Obligations during the [12] month period immediately following such updated Forecast, based on and in accordance with the applicable Financing Plan. Upon receiving an updated Forecast, the Province will determine whether or not the Program Maximum will be revised. Any determination to revise the Program Maximum will be confirmed by setting out a new Program Maximum in a written notice from the Province to OPG, the delivery of which will be conclusive evidence that such new Program Maximum will apply until further so revised.

On-Going Deliveries to the Province

Prior to the initial issuance of any funding obligation by the financing entity, OPG will provide the Province with a copy of the applicable Financing Plan and will promptly deliver to the Province a copy of any proposed change to or replacement of the Financing Plan.

Not later than 20 Toronto business days prior to the use or other dissemination by or on behalf of the financing entity of a disclosure document (including any offering circular, prospectus or other investor disclosure statement) respecting a funding obligation that will constitute an Approved Obligation, OPG will provide the Province with a copy of such disclosure document.

Not later than 5 Toronto business days prior to the incurrence by the financing entity of a funding obligation that will constitute an Approved Obligation, OPG will provide the Province with a written summary of the final terms and conditions of the proposed funding obligation.

Promptly following any incurrence of a funding obligation that constitutes an Approved Obligation or any amendment of a funding obligation, OPG will be provide the Province with electronic copies of all related governing and all other closing documents executed by or on behalf of the financing entity in connection with such incurrence or amendment that would affect the financing entity's assets or obligations.

Upon request, OPG will provide the Province with such additional information and documentation as the Province requests in order to enable the Province to assess the nature and extent of its obligations under the Change of Law Protection Agreement.

For greater certainty, a failure by OPG to make the foregoing deliveries will not constitute a failure to satisfy the Adherence Conditions.

Covenants of OPG

To support the approval and related information processes described above, OPG will covenant to the Province (among other things) as follows:

(a) OPG will comply (including as Financial Services Manager) with the OFHPA, the General Regulation and any other enactment related thereto;

(b) after the occurrence of any Protection Event (or any event that with the passage of time or the giving of notice would be a Protection Event), OPG will not, without the Province's prior written consent, permit any financing entity to exercise any redemption, pre-payment or early termination right in respect of any Approved Obligation or any other election or privilege in respect of any Approved Obligation, in each case if as a result the obligations applicable to the Approved Obligation under the Change of Law Protection Agreement would be accelerated or otherwise affected;

(c) if a funding obligation that is incurred includes a contingent obligation, OPG will ensure that the governing document for such funding obligation sets forth a maximum amount in order to limit the possible claim amount thereunder and OPG will ensure that such maximum amount is not increased without the Province's prior written consent; and

(d) OPG will ensure that any disclosure (including in any offering document) that refers to or describes the terms, effect or adherence of the Change of Law Protection Agreement will be subject to the prior review and approval of the Province.

For greater certainty, a failure by OPG to perform such covenants will not constitute a failure to satisfy the Adherence Conditions.

Please see below an email from OPG's counsel setting out a proposed approval process setting out how the Provincial protection agreement would apply to any set of obligations of the Financing Entity.

We at MOF Legal along with Energy Legal and Stephen Ashbourne are in the process of reviewing their proposal and preparing comments. We will have significant comments and questions about this proposal, but wanted to give everyone a chance to review the OPG proposal so that we can discuss those comments as soon as we are ready to do so.

Steve, Malle and Toby, further to our meeting the other day, set out below for your review is a proposal on the Provincial approval process under the Change of Law Assumption Agreement. Once we have your feedback on this, we will need to share it with Osler and the accountants and as John mentioned, we are under some time pressure to bring this to a resolution prior to the upcoming June 29 OPG Board meeting. We look forward to your comments, and feel free to reach out if you have any questions. -- Rima

**Obligor Approval**

The Change of Law Assumption Agreement will apply to all Specified Claims relating to Funding Obligations that are incurred by an Eligible Financing Entity in accordance with the Obligor's approval process. The definition of Specified Claims to be mutually agreed by all parties.

In order for a Financing Entity to become designated as an Eligible Financing Entity by the Obligor, prior to the initial issuance of Funding Obligations by such Financing Entity, the Obligor will be provided with copies of the following documents (collectively the "Program Documents") for review:

(i) the constating documents of such Financing Entity;

(ii) the management agreement between the Financing Entity and OPG;

(iii) the master transfer and servicing agreement between the Financing Entity and the IESO;

(iv) the master trust indenture governing the issuance of Funding Obligations by the Financing

Entity;
(v) a form of supplemental indenture governing the issuance of bonds, issuable in series, by the Financing Entity;
(vi) a form of note purchase agreement or credit agreement governing the issuance of short term Funding Obligations by the Financing Entity;
(vii) a form of schedule to an ISDA Master Agreement governing derivative transactions that may be entered into the Financing Entity from time to time; and
(viii) such other documents as may be requested by the Obligor.
Once a Financing Entity is designated by the Obligor as an Eligible Financing Entity, it will not be necessary for the Obligor to approve the documentation related to specific issuances of Funding Obligations; however, OPG will be expected to notify the Obligor of any new material program documentation or any material amendments to existing program documentation before such new documentation or amendments become effective. The failure of OPG to provide any such notice will not invalidate the application of the Change of Law Assumption Agreement to any Specified Claims.
It will not be necessary for the Obligor to approve each new issuance of Funding Obligations provided that such Funding Obligations are issued in accordance with following:
(1) The Funding Obligations are issued in accordance with agreements that contain: (a) covenants of the Eligible Financing Entity that are no more onerous in any material respect and (b) events of default that are consistent in all material respects, respectively, with the covenants of the Eligible Financing Entity and events of default contained in the draft Program Documents.
(2) At least [30 days] prior to the initial issuance of Funding Obligations by an Eligible Financing Entity, OPG will provide the Obligor with a forecast of the principal amount and expected term of the Funding Obligations that OPG expects such Eligible Financing Entity to issue in accordance with the Financing Plan in the next two years (a "Two Year Forecast"). The execution of the Change of Law Assumption Agreement in respect of such Eligible Financing Entity shall constitute the Obligor's approval of the issuance of Funding Obligations by such Eligible Financing Entity in accordance with the Two Year Forecast.
(3) OPG shall provide the Obligor with an updated Two Year Forecast between 9 and 12 months prior to the expiry of each current Two Year Forecast.
(4) Unless the Obligor provides OPG with a written notice no later than 3 months prior to the date following receipt of the current Two Year Forecast that the Change of Law Assumption Agreement will be inapplicable with respect to new Funding Obligations incurred following the expiry of the current Two Year Forecast, the Obligor will be deemed to approve the application of the Change of Law Assumption Agreement to all Funding Obligations incurred up to the expiry of the new Two Year Forecast.
At the time of issuance of Funding Obligations by an Eligible Financing Entity, the Financing Entity will provide (i) any required certifications to the underwriters/agents that such Funding Obligations are covered by the Change of Law Assumption Agreement; and (ii) notice to the Obligor of the material terms of the Funding Obligations issued, together with electronic

copies of the final executed Program Documents.

Hi Mike and others

Not sure if you had an opportunity to review this but I did go through quickly and if you read past all of the legal terms and conditions including the language it seems to set out a reasonable process for the Province's review of debt issues by the Financing Entity to ensure that they fall within the terms and conditions of the Protection Agreement.

Page 5 details what will be provided to us prior to each issuance, maybe we can have a discussion with MOF Legal and Steve Ashbourne.

Thanks

Toby,

In the interest of time, we have drafted a procedures agreement incorporating the approval mechanics we circulated below. As noted in previous correspondence, we think the approval process should be the subject of a separate agreement and not included in the Change of Law Protection Agreement you are drafting. Please note that the attached remains subject to the continuing review of OPG and Torys.

Can you please also let us know when we can expect to see a draft of the Change of Law Protection Agreement?

Many thanks,

Nina

**Subject:** RE: Fair Hydro -- Change of Law Assumption Agreement

Toby – further to discussions between OPG and the Province, please find attached comments on the draft proposal under the Change of Law Protection Agreement (blacklined to the draft circulated below). The attached reflects our comments from accounting, operational and financeability perspectives. In particular, the financeability of the program will turn on whether there is a clear and concise way for investors to determine that an incurrence of funding obligations will be covered under the Change of Law Protection Agreement and that, once confirmed, the confirmation is irrevocable. Accordingly, we have proposed in the attached that a simple confirmation from OPG to a third party binds the Province in respect of the incurrence of the applicable funding obligations provided that OPG has satisfied the requirements of the approval process (which we propose be the subject of a separate procedures agreement or memo). Please note that the attached remains subject to the review of the working group including the dealers and the rating agencies.

Best Regards,

Nina

Please find attached our comments on your response of October 6. We have moved the text of your email to the attached document and responded inline in square brackets for ease of review.

We recognize that we are running out of time, and that we should discuss and move this forward at the beginning of next week.
We also generally recognize that, although there are still some gaps in our respective approaches, we would find it helpful to have some more specific suggestions and comments on our Sept. 27 draft in order to help move this forward. This might include also the timing issues, with some indication of where, if OPG finds the timing does not work, some alternatives can be suggested for consideration.

Toby,
Thank you for your draft proposal; we have set out below our conceptual comments and concerns on it. Please note that the points below remain subject to the continuing review of OPG. Please also note that we have not yet sought the dealers' views on the proposal. We think it is premature to do so until we settle these points amongst ourselves and a revised draft of the proposal is circulated reflecting our agreement.
As further discussed below, your proposal deviates in some key ways from what we proposed in our email of September 19 (attached) and raises the accounting and operational issues we tried to avoid in the September 19th proposal. Given the need to settle the Protection Agreement as soon as possible, we'd appreciate if we could discuss these points early next week.
Best Regards,
Nina

**Accounting Issues:**

E&Y has concerns from an accounting perspective with the level of Provincial oversight and input on certain parts of the process, namely:
-that OPG will likely have to go back to the Province on each incurrence of debt and they will have to do so prior to that incurrence
-that OPG must certify and provide a lot of detailed reporting with respect to each incurrence of debt
-the level of frequency of reporting in general (not just the certifications/information noted above but also the contemplated annual forecasts and quarterly updates of those forecasts)
-the negative pledge with respect to the exercise of certain options on the debt
-the fact that OPG must give notice to the Province when incurring funding obligations that are expressly excluded from the Protection Agreement
Taken as a whole, we understand that E&Y sees all of this as the Province exerting a level of control on the debt that no typical guarantor would have. Please also advise if the Province's accountants have reviewed the proposal.

**Practical Issues:**

- The procedural steps to bind the Province are lengthy and complicated. From our perspective, as drafted, OPG will likely have to seek Provincial approval on each debt issuance (which weakens the accounting as discussed above). The dealers and their counsel will have a reaction to the proposed adherence conditions but query whether there is value in setting out the adherence conditions in the Protection Agreement itself. Setting aside the mechanics of how we get there, the dealers want comfort that the incurrence of obligations by the financing entity will be covered by the Protection Agreement. We would propose that the mechanics of any approval process (once we settle the terms of that process) be the subject of a separate procedures agreement or memo from the Province to OPG, whereby the Province delegates to OPG the ability to bind the Province under the Protection Agreement with respect to an incurrence of obligations so long as the adherence conditions in the procedures agreement or memo have been met. The Protection Agreement would then simply state that, upon OPG certifying to the indenture trustee that the adherence conditions have been satisfied under the procedures agreement/memo, the Province will be deemed to be bound under the Protection Agreement with respect to the specific obligations incurred at the time of the certification.
- In addition to the accounting concerns, the level of detail and frequency of reporting required present timing and operational issues. For example, as part of the adherence conditions, you are asking for details on the interest rate. However, pricing will in part be driven off whether that specific incurrence will have the benefits of the Protection Agreement.

**Drafting Issues:**

- Please refer to the existing terminology of the Act to ensure there is certainty on the obligations covered under the Protection Agreement. We think the best way for you to approach this would be to refer to all finance amounts and then expressly carve out what you are proposing not be covered.
- We'd like to understand the reason OPG's management fees have been excluded. We assume you do not intend for OPG's reimbursement costs (costs incurred by OPG on behalf of the Financing Entity) to be excluded? Please advise why taxes are being excluded?
- There are a few references to "exceed the maximum amount specified therefor in the applicable governing document". Please advise what is being contemplated here.
- We have a number of other drafting comments which we'll revisit once we've settled on the conceptual points above and have reviewed a revised draft of the document.

**Subject:** Fair Hydro -- Change of Law Assumption Agreement

Steve, Malle and Toby, further to our meeting the other day, set out below for your review is a proposal on the Provincial approval process under the Change of Law Assumption Agreement. Once we have your feedback on this, we will need to share it with Osler and the accountants and as John mentioned, we are under some time pressure to bring this to a resolution prior to the upcoming June 29 OPG Board meeting. We look forward to your comments, and feel free to

**Obligor Approval**

The Change of Law Assumption Agreement will apply to all Specified Claims relating to Funding Obligations that are incurred by an Eligible Financing Entity in accordance with the Obligor's approval process. The definition of Specified Claims to be mutually agreed by all parties.

In order for a Financing Entity to become designated as an Eligible Financing Entity by the Obligor, prior to the initial issuance of Funding Obligations by such Financing Entity, the Obligor will be provided with copies of the following documents (collectively the "Program Documents") for review:

(i) the constating documents of such Financing Entity;

(ii) the management agreement between the Financing Entity and OPG;

(iii) the master transfer and servicing agreement between the Financing Entity and the IESO;

(iv) the master trust indenture governing the issuance of Funding Obligations by the Financing Entity;

(v) a form of supplemental indenture governing the issuance of bonds, issuable in series, by the Financing Entity;

(vi) a form of note purchase agreement or credit agreement governing the issuance of short term Funding Obligations by the Financing Entity;

(vii) a form of schedule to an ISDA Master Agreement governing derivative transactions that may be entered into the Financing Entity from time to time; and

(viii) such other documents as may be requested by the Obligor.

Once a Financing Entity is designated by the Obligor as an Eligible Financing Entity, it will not be necessary for the Obligor to approve the documentation related to specific issuances of Funding Obligations; however, OPG will be expected to notify the Obligor of any new material program documentation or any material amendments to existing program documentation before such new documentation or amendments become effective. The failure of OPG to provide any such notice will not invalidate the application of the Change of Law Assumption Agreement to any Specified Claims.

It will not be necessary for the Obligor to approve each new issuance of Funding Obligations provided that such Funding Obligations are issued in accordance with following:

(1) The Funding Obligations are issued in accordance with agreements that contain: (a) covenants of the Eligible Financing Entity that are no more onerous in any material respect and (b) events of default that are consistent in all material respects, respectively, with the covenants of the Eligible Financing Entity and events of default contained in the draft Program Documents.

(2) At least [30 days] prior to the initial issuance of Funding Obligations by an Eligible Financing Entity, OPG will provide the Obligor with a forecast of the principal amount and expected term of the Funding Obligations that OPG expects such Eligible Financing Entity to issue in accordance with the Financing Plan in the next two years (a "Two Year Forecast"). The execution of the Change of Law Assumption Agreement in respect of such Eligible Financing Entity shall constitute the Obligor's approval of the issuance of Funding Obligations by such Eligible Financing Entity in accordance with the Two Year Forecast.

(3) OPG shall provide the Obligor with an updated Two Year Forecast between 9 and 12 months prior to the expiry of each current Two Year Forecast.

(4) Unless the Obligor provides OPG with a written notice no later than 3 months prior to the date following receipt of the current Two Year Forecast that the Change of Law Assumption Agreement will be inapplicable with respect to new Funding Obligations incurred following the expiry of the current Two Year Forecast, the Obligor will be deemed to approve the application of the Change of Law Assumption Agreement to all Funding Obligations incurred up to the expiry of the new Two Year Forecast.

At the time of issuance of Funding Obligations by an Eligible Financing Entity, the Financing

Entity will provide (i) any required certifications to the underwriters/agents that such Funding Obligations are covered by the Change of Law Assumption Agreement; and (ii) notice to the Obligor of the material terms of the Funding Obligations issued, together with electronic copies of the final executed Program Documents.

**1.3 Interpretation**

In this Agreement, unless the context otherwise requires:

1.3.1 words importing the singular shall include the plural and vice versa, words importing gender shall include all genders or the neuter, and words importing the neuter shall include all genders;

1.3.2 the words "include", "includes", "including", or any variations thereof, when following any general term or statement, are not to be construed as limiting the general term or statement to the specific items or matters set forth or to similar items or matters, but rather

as referring to all other items or matters that could reasonably fall within the broadest possible scope of the general term or statement;

1.3.3 references to any Person include such Person's successors and permitted assigns;

1.3.4 except as otherwise provided in this Agreement, any reference in this Agreement to a statute, regulation, policy, rule or instrument shall include, and shall be deemed to be a reference also to, all rules and regulations made under such statute, in the case of a statute, all amendments made to such statute, regulation, policy, rule or instrument, and any statute, regulation, policy, rule or instrument that may be passed which has the effect of supplementing or superseding the statute, regulation, policy, rule or instrument so referred to;

## ARTICLE 2
## APPROVAL PROCESS

**2.1 Approval Process**

The Manager is authorized to make a Certification in respect of a specific incurrence of Funding Obligations and other Specified Claims upon the following conditions precedent having been satisfied:

(a) at the time such Funding Obligations are to be incurred, the maximum aggregate payment amounts due or becoming due under such Funding Obligations, together with all other outstanding or committed Specified Claims previously subject to a Certification, do not exceed the Program Maximum in effect at that time; and

(b) The Manager delivers a certificate, signed by at least two of its executive officers and addressed to the Province, not less than **[■]** Business Days prior to the incurrence of such Funding Obligations:

(i) setting out the material terms of such Funding Obligations pertaining to principal amount, pricing and third party fees; and

(ii) confirming that:

(A) the Funding Obligations (1) will arise under terms and conditions that are "Substantially in the Form" of the Reviewed Documentation applicable thereto; (2) in the opinion of such officers, are reasonably incurred in compliance with the Act and the regulations made thereunder, any other enactments related thereto and the applicable Financing Plan; (3) are of a type and are on terms that a reasonably prudent financial services manager would incur in similar circumstances; and (4) reflect, in all material respects, arm's length terms and conditions; and

(B) any Disclosure Document used in connection with the offering and sale of notes, bonds or other securities is Substantially in the Form of the Reviewed Documentation.

**2.2 Program Maximum**

(a) The initial Program Maximum will be determined prior to the initial issuance of Funding Obligations under the Indenture in accordance with this Section 2.2. The Program Maximum will be based on the Manager's forecast of the maximum payment obligations expected to arise under Specified Claims during the next 24 month period, based on and in accordance with the applicable Financing Plan (the "**Forecast**"). The Manager will be required to deliver the Forecast to the Province

not less than **[thirty (30)]** Business Days prior to the proposed incurrence of the initial Funding Obligations under the Indenture. If the Province agrees that the Forecast is consistent with the Financing Plan and the Finance Amounts contemplated thereunder for the applicable Reference Periods are reasonably expected to align with the Fair Allocation Amounts in respect of such Reference Periods, then the Province will confirm in writing to the Manager within **[thirty (30)]** Business Days of receipt of the Forecast that it agrees with the Program Maximum.

(b) The Forecast will be updated and delivered to the Province between nine (9) and twelve (12) months prior to the expiry of the then current Forecast, based on and in accordance with the applicable Financing Plan. Upon receiving an updated Forecast, the Province will confirm that the Forecast is consistent with the Financing Plan and the Finance Amounts contemplated thereunder for the applicable Reference Periods are reasonably expected to align with the Fair Allocation Amounts in respect of such Reference Periods.

(c) If the Province does not agree with the determination of the Program Maximum, then the Province and the Manager will discuss and address any inaccuracies in the Financing Plan to the satisfaction of both parties, and the Program Maximum will be revised within **[thirty (30)]** Business Days of receipt of the Forecast. Any determination to revise the Program Maximum will be confirmed by setting out a new Program Maximum in a written notice from the Province to the Manager, the delivery of which will be conclusive evidence that such new Program Maximum will apply until further so revised.

**2.3 Reviewed Documentation**

(a) The Manager will ensure that not less than **[■]** Business Days prior to the initial issuance of any Funding Obligations under the Indenture, the Province will have received copies, in substantially final form, of the following documents:

(i) the declaration of trust made as of ■, 2017 under which the Issuer was established;

(ii) the management agreement dated ■, 2017 between the Manager and the Issuer;

(iii) the master transfer and servicing agreement dated ■, 2017 between the Issuer, the IESO and the Indenture Trustee;

(iv) the master trust indenture dated ■, 2017 between the Issuer and the Indenture Trustee (the "**Indenture**");

(v) the Senior Series 2017-1 Supplemental Indenture to the Indenture dated ■, 2017, along with the Senior Series 2017-1 Notes;

(vi) the Subordinated Series 2017-1 Supplemental Indenture to the Indenture dated ■, 2017, along with the Subordinated Series 2017-1 Notes;

(vii) the Senior Series 2017-2 Supplemental Indenture to the Indenture dated ■, 2017, along with the Senior Series 2017-2 Notes;

(viii) the Subordinated Series 2017-2 Supplemental Indenture to the Indenture dated ■, 2017, along with the Subordinated Series 2017-2 Notes;

(ix) the Agency Agreement dated ■, 2017 between ■;

(x) the Subscription Agreement dated ■, 2017 between ■;

(xi) the schedule to an ISDA Master Agreement dated ■, 2017 governing derivative transactions that may be entered into by the Issuer from time to time;

(xii) if applicable, any other agreement or instrument under which a Funding Obligation may arise or be affected;

(xiii) if applicable, any other agreement between, *inter alia*, the Issuer and any other owner or owners of an Investment Interest as contemplated by subsection 29(5) of the Act;

(xiv) the security agreement dated ■, 2017 granted by the IESO to the Issuer; and

(xv) the Preliminary and Final Offering Memorandums of the Issuer together with any related material information.

(b) The Province will confirm within **[■]** Business Days of receipt of the documents referenced in Section 2.3(a) if such reviewed documents shall be the "Reviewed Documentation" for the purposes of this Agreement; provided that the Province agrees that it will not be entitled to provide input on the Reviewed Documentation other than in its capacity as obligor under the Change of Law Protection Agreement.

(c) Any proposed material amendments, additions or supplements to the Reviewed Documentation will be provided to the Province not less than **[fifteen (15)]** Business Days prior to any proposed use or such documents becoming effective. Such material amendments, additional or supplemental documentation will only become "Reviewed Documentation" for the purposes of this Agreement if the Province confirms the same within **[fifteen (15)]** Business Days of receipt of such proposed material changes, additions or supplements to the Reviewed Documentation.

**2.4 Termination**

This Agreement will continue in full force and effect so long as any Specified Claims remain outstanding and until the Issuer has satisfied all of its obligations under the Reviewed Documentation.

(a) a copy of the then most recent Financing Plan;

(b) electronic copies of all related closing documents executed by or on behalf of the Issuer in connection with such incurrence, amendment or replacement of such Funding Obligations that would affect the Issuer's assets or obligations (including, for greater certainty, any Disclosure Documents); and

(c) The Manager will ensure that any disclosure (including in any Disclosure Document) that refers to or describes the terms, effect or adherence of the Change of Law Protection Agreement and this Agreement will be subject to the prior review and approval of the Province unless that disclosure is substantially in a form previously approved by the Province.

normal business hours as the Issuer or the Indenture Trustee shall reasonably request and that do not unreasonably interfere with the Manager's normal operations; and

(v) upon instruction from the Indenture Trustee in accordance with the Indenture or any other Person in accordance with another Program Agreement, release any Investment Interest Records to the Indenture Trustee, the Indenture Trustee's agent or the Indenture Trustee's designee, as the case may be, at such place or places as the Indenture Trustee may designate, as soon as practicable.

(b) Nothing in this Section 4.3 shall affect the obligation of the Manager to observe any applicable law prohibiting disclosure of information regarding Specified Consumers, and the failure of the Manager to provide access to such information as a result of such obligation shall not constitute a breach of this Section 4.3.

(c) Nothing in this Section 4.3 shall be deemed to require an initial review or any periodic review by the Issuer or the Indenture Trustee of the Investment Interest Records. The Manager's duties to hold the Investment Interest Records set forth in this Section 4.3, to the extent the Investment Interest Records have not been previously transferred to a successor Manager pursuant to Section 7.1, shall terminate one year and one day after the earlier of (i) the date on which the Manager is succeeded by a successor Manager in accordance with Section 7.1 and (ii) the day after the termination of the Indenture and payment in full of the Issuer Funding Obligations or any other amounts owed under the Indenture.

**4.4 Payment of Other Issuer Fees and Expenses**

The Manager in accordance with the Program Agreements may, at its option, pay from its own funds the fees and expenses properly incurred on behalf of the Issuer in the ordinary course of the Issuer's operations. To the extent such fees and expenses are paid by the Manager from its own funds, the Issuer will reimburse the Manager for such payments, subject to the payment priorities specified in the Program Agreements.

**4.5 Delegation**

In connection with the services to be provided or duties to be performed by it under this Agreement, the Manager may, subject to any limitation on delegation imposed by applicable law, by the Declaration of Trust or by the Issuer, engage or employ any Persons as employees, agents, representatives, independent contractors or otherwise, including, without limitation, banks, underwriters, accountants, investment advisers, tax advisers, insurance advisers, lawyers, appraisers, bankers, brokers, dealers, depositories, custodians, agents for collection or others in one or more capacities and any other advisers which the Manager deems advisable, and may delegate any of the powers and duties of the Manager to any such Persons upon such terms and conditions as it may determine. For greater certainty, the Manager shall remain liable and responsible for any of the powers and duties of the Manager which it delegates to a third party.

### 4.6 Annual Compliance Certificates

The Manager shall provide to the Issuer Trustee a certificate in the form of Exhibit A within 120 days after the end of each fiscal year of the Issuer confirming compliance with the matters referred to in such certificate. The Issuer shall be entitled to rely on such certificate for the period between the effective dates of two consecutive certificates certifying such compliance unless the Issuer has received written notice to the contrary.

### 4.7 Acknowledgment of Duties as Financial Services Manager

The parties hereto acknowledge that, for so long as Ontario Power Generation Inc. is the Financial Services Manager appointed under the Act, Ontario Power Generation Inc., in its capacity as the Financial Services Manager, will satisfy its obligations as Financial Services Manager in accordance with the Act and the Regulations, and, for greater certainty, its services and duties in this regard will include:

(a) preparing the Financing Plan and, in accordance therewith, evaluating whether Funding Obligations should be incurred by the Issuer for the purposes of acquiring an Investment Interest or refinancing maturing Issuer Funding Obligations;

(b) determining the Clean Energy Adjustment (inclusive of any True Up Amount) payable by Specified Consumers in respect of each month in a Reference Period;

(c) calculating the True Up Amount;

(d) notifying the Board of the Clean Energy Adjustment (inclusive of any True Up Amount) in respect of a Reference Period or such other period as prescribed by the Regulations and sending a copy of such notice, as required, to the Issuer, the Indenture Trustee and the Rating Agencies concurrently therewith; and

(e) if, for any reason any Clean Energy Adjustment is not implemented and effective in respect of the Reference Period set forth in the notice and commencing on the date required under the Act, notifying the Issuer, the Indenture Trustee and each Rating Agency by the end of the second Business Day after such applicable date.

## ARTICLE 5
## OTHER PROVISIONS RELATING TO THE DUTIES AND COMPENSATION

### 5.1 Standard of Care

The Manager will perform its duties hereunder (including, for so long as it is the Financial Services Manager, its duties as Financial Services Manager under the Act and the Regulations) diligently and in conformity with the Issuer's obligations under the Program Agreements and with the Act and the Regulations, as applicable, and honestly, in good faith and in the best interests of the Issuer and, in connection therewith, will exercise the degree of care, diligence and skill that a reasonably prudent Person would exercise in comparable circumstances (the "**Standard of Care**"). In carrying out its obligations hereunder, the Manager may rely upon

the opinion or advice of or information obtained from any counsel, auditor, valuer or certificates from officers of any of the other parties to Program Agreements. Unless otherwise required by applicable law, the Manager will not be required to give bond, surety or security in any jurisdiction for the performance of any duties or obligations hereunder. The Manager will not be required to devote its entire time to its duties hereunder. Notwithstanding anything else to the contrary herein contained, nothing herein shall be interpreted or construed as an obligation of or on the part of the Manager, and the Manager shall not be liable or obligated, to pay or make any payment of, on or in respect of any debt, liability or obligation of the Issuer (including any payment of, on or in respect of any Issuer Funding Obligations or under any other Program Agreement), as agent for or on behalf of the Issuer or otherwise, except from the monies or funds of the Issuer which are made available to the Manager pursuant to this Agreement or the other Program Agreements for the purpose of such payment.

**5.2 Compliance with Program Agreements; Conformity with Law**

The Manager acknowledges that it has received copies of the Program Agreements, the Act and the Regulations in effect on the date hereof and is familiar with and understands the duties of the respective parties thereto or governed thereby, including those duties of the Issuer which are being delegated to the Manager hereunder. Notwithstanding anything herein to the contrary, the Manager shall perform its duties hereunder in a manner consistent with any applicable provisions of the Program Agreements in effect from time to time, and the Manager will not, in performing its obligations hereunder, take any action which it knows or ought reasonably to know would cause it or the Issuer to be in violation of any law, rule or regulation applicable to it. The Manager will use reasonable commercial efforts to comply with the terms applicable to the Issuer when acting on its behalf under all Program Agreements and will use reasonable commercial efforts in accordance with its Standard of Care to take such actions as would reasonably be expected to result in the representations and warranties given by the Issuer in any Program Agreement being true and correct in all material respects when made.

**5.3 Liabilities**

Except as provided in Section 5.6,

(a) the Manager will not be liable for any liabilities of the Issuer; and

(b) subject to the payment priorities specified in the Program Agreements, the Issuer agrees to indemnify, defend and hold harmless the Manager from and against any and all liabilities which may be imposed on, incurred by or assessed against the Manager as a result of any act or omission of the Issuer or the Manager under this Agreement or under any Program Agreement; provided that this Section 5.3(b) does not apply to the extent that in any circumstances there has been wilful misconduct or gross negligence of the Manager or its respective officers, employees or agents or any failure to comply with the standard of care required under Section 5.1.

To the extent that a liability is attributable solely to a single Series or a number of specific Series of Issuer Funding Obligations, the Manager will first exhaust its recourse against

the assets available for recovery of such liability and designated to such Series of Issuer Funding Obligations. If such assets are insufficient to satisfy the indemnity set out in this Section 5.3, or if the liability is not attributable to a single Series or a number of specific Series of Issuer Funding Obligations, the liability will be satisfied on a pro rata basis as among the assets available for recovery of such liability and designated to all Issuer Funding Obligations.

Each party expressly disclaims any intention to create a partnership, and neither the Issuer nor the Manager will be deemed to be carrying on business in partnership by reason of its execution and delivery of this Agreement or the exercise or performance by it of its respective rights and obligations hereunder.

### 5.4 Compensation of the Manager

In consideration of and as compensation for all services provided and duties performed by the Manager pursuant to this Agreement, the Issuer will pay to the Manager, subject to the payment priorities specified in the Program Agreements: (i) the Management Base Fee on a monthly basis and (ii) the Management Variable Fee on an annual basis.[4] The Management Base Fee and the Management Variable Fee are exclusive of any applicable sales taxes and the Issuer shall pay to the Manager the amount of any applicable sales taxes in addition to such fees.

### 5.5 Compensation of the Issuer

In consideration of the Issuer engaging in the activities contemplated by the Act, the Manager will pay to the Issuer, on a monthly basis, the sum of $10 per month for any month or part thereof that the Issuer is engaged in such activities (the "**Issuer Compensation**"). The Issuer Compensation is exclusive of any applicable sales taxes and the Manager shall pay to the Issuer the amount of any applicable sales taxes in addition to the Issuer Compensation.

The Issuer and the Manager agree that in respect of any month that the Issuer has an amount payable to the Manager under Section 5.4 in an amount that is not less than $10 (plus the amount of any applicable sales taxes on the Issuer Compensation), the Manager's obligation to pay the compensation to the Issuer under this Section will be fully satisfied by way of setting-off $10 (plus the amount of any applicable sales taxes on the Issuer Compensation) of the amount payable by the Issuer to the Manager under Section 5.4 against the Manager's amount payable to the Issuer under this Section.

### 5.6 Indemnification by Manager

The Manager agrees to indemnify, defend and hold harmless the Issuer from and against any and all liabilities which may be imposed on, incurred by or assessed against the Issuer as the result of any wilful misconduct or gross negligence by the Manager, its officers, employees or agents or any failure to comply with the standard of care required under Section 5.1, provided that the Manager will have the exclusive right to compromise or defend, through counsel selected and retained by the Manager, any such liabilities or related claims at its own expense, which

[4] **NTD**: Section 5.4 and the related defined terms are subject to finalization of the fee regulations.

decision will be binding upon the Issuer. It is, however, expressly understood that the Manager is not agreeing to indemnify or hold the Issuer harmless with respect to any of the following:

(a) payments due on Issuer Funding Obligations or other amounts borrowed;

(b) any breach or failure to perform on the part of any other third party under any Program Agreement;

(c) any claim arising out of the assessment of any tax or payments in lieu of tax by a taxing authority against the Issuer;

(d) any amount for which the Issuer agrees to indemnify the Manager hereunder;

(e) any liability of the Issuer accruing after the termination of this Agreement unless attributable to the actions or omissions of the Manager prior to such termination;

(f) any losses of the Issuer arising due to risks inherent in the Issuer Investment Interest; or

(g) any statements or certificates provided by the Issuer to the effect that

(i) any Funding Obligation is consistent with the Financing Plan, or

(ii) the estimated Finance Amount that would have become due and payable in any Reference Period is expected to align with the Fair Allocation Amount determined in respect of such Reference Period.

It is further understood that the Manager is not agreeing to indemnify or hold harmless the Issuer Trustee with respect to any liabilities resulting from the failure of the Issuer Trustee to satisfy the standard of care set out in the Declaration of Trust. Where the Manager has assumed total defense of a claim, it shall agree to ensure that any settlement of such claim does not include any form of admission of liability on the part of the Issuer Trustee (in its personal capacity).

The Manager agrees to indemnify, defend and hold harmless the Indenture Trustee from and against any and all liabilities which may be imposed on, incurred by or asserted against the Indenture Trustee as the result of any wilful misconduct or gross negligence relating to the maintenance and custody by the Manager, as custodian, of the Investment Interest Records; provided that (a) the Manager will have the exclusive right to compromise or defend, through counsel selected and retained by the Manager, any such liabilities or related claims at its own expense, which decision will be binding upon the Indenture Trustee and (b) the Manager shall not be liable for any portion of any liability resulting from the wilful misconduct, bad faith or gross negligence of the Indenture Trustee.

### 5.7 Contracting with Itself and Affiliates

In the exercise of its rights, duties and obligations, the Manager may, if it is acting in good faith, enter into, as Manager for the Issuer, agreements and other contracts to which the Manager, in its personal capacity, or an Affiliate of the Manager, is a party.

## ARTICLE 6
## REPRESENTATIONS AND WARRANTIES

### 6.1 Representations of the Issuer

The Issuer represents and warrants to the Manager that the execution, delivery and performance by the Issuer of this Agreement are within the powers of the Issuer and have been duly authorized by all necessary action on the part of the Issuer and do not contravene (i) the Program Agreements in effect on the date hereof or (ii) any law or contractual restriction binding on or affecting the Issuer and the Agreement is a legal, valid and binding obligation of the Issuer, enforceable against the Issuer.

## ARTICLE 7
## TERMINATION AND RESIGNATION

### 7.1 Termination

The Manager shall not be entitled to resign as manager of the Issuer or to terminate this Agreement for so long as any Funding Obligations remain outstanding. The Manager's rights and obligations under this Agreement (other than under Sections 5.3, 5.4, 5.6 and 8.3) will terminate, if the Manager receives a termination notice from (i) the Issuer Trustee, with the consent of the Indenture Trustee, or (ii) the Indenture Trustee, subject to the terms and conditions of the Indenture, in each case, on the 30$^{th}$ day after receipt of such notice. Notwithstanding the foregoing, no termination shall be effective until a replacement manager that satisfies the Rating Agency Condition has been approved and has entered into a management agreement whereby the replacement manager agrees to assume, in substance, the obligations of the Manager hereunder. Upon the termination of its rights and obligations under this Agreement, the Manager will notify the Rating Agencies and, promptly and upon the request of the Issuer, deliver to the Issuer all records (including Investment Interest Records) in the possession of the Manager relating to the performance of its services hereunder.

## ARTICLE 8
## MISCELLANEOUS

### 8.1 Appointment of Manager as Attorney-in-Fact

Subject to any Program Agreement, the Issuer hereby irrevocably appoints the Manager as the Issuer's attorney-in-fact during the term of this Agreement, with full authority in the place and stead of and in the name of the Issuer or otherwise, including full power of substitution, from time to time in the Manager's discretion or as required by this Agreement, to take such actions on behalf of the Issuer as the Manager may deem necessary or advisable to comply with or effect the purposes of this Agreement and any Program Agreement including, without limitation, to execute any documents, instruments or certificates in connection therewith, to ask, demand, collect, sue for, recover, compound, receive and give acquittances and receipts for monies due or becoming due to the Issuer or otherwise owed thereto, to receive, endorse and collect any drafts or other instruments, documents and chattel paper in connection therewith, and to file any claims or take any action or institute any proceedings which the Manager may deem necessary or desirable for the collection thereof, or to enforce compliance with the terms and conditions of any Program Agreement.

### 8.2 Amendments and Waivers

(a) Subject to Section 8.2(b), this Agreement may be amended, supplemented, modified, restated or replaced from time to time by written instrument signed by the Issuer and the Manager. The Manager will forthwith after the execution of any such instrument by the Issuer and the Manager provide the Rating Agencies with a copy of such instrument.

(b) No provision of this Agreement may be amended, supplemented, modified, restated or replaced in any material respect without first obtaining the written consent of the Indenture Trustee in accordance with the Indenture and such amendment, supplement, modification or replacement will only be effective if the Rating Agency Condition has been satisfied.

(c) No waiver of any provision of this Agreement, nor consent to any departure by any party therefrom, shall in any event be effective unless the same shall be in writing and signed by such party and such waiver or consent, if material, will only be effective if the Rating Agency Condition has been satisfied, and then said waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. No failure on the part of any party to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof.

### 8.3 Withholding Rights

The parties hereto shall be entitled to deduct and withhold from amounts payable under this Agreement such amounts as each is required to deduct and withhold with respect to such payment under the *Income Tax Act* (Canada) or any provision of any applicable federal, provincial, territorial, state, local or foreign tax law. To the extent that amounts are so withheld, such withheld amounts shall be treated for all purposes as having been paid to the recipient of the payment in

respect of which such deduction and withholding was made, provided that such withheld amounts are actually remitted in accordance with applicable law to the appropriate taxing authority.

**8.4 No Petition**

The Manager hereby agrees that it will not, prior to the date that is one year and one day after the termination of the Indenture and payment in full of the Issuer Funding Obligations and any other amounts owed under the Indenture, institute or encourage against the Issuer, or join or acquiesce in any institution against the Issuer of, any bankruptcy, reorganization, arrangement, insolvency, winding-up or liquidation proceedings, or other proceedings under any federal or provincial bankruptcy, insolvency or similar law in connection with any obligations relating to this Agreement or any of the other Program Agreements. The foregoing shall not limit the rights of the Manager to file any claim in or otherwise take any action with respect to any insolvency proceeding that was instituted against the Issuer by any Person other than the Manager.

The obligations hereunder are not binding upon the Issuer Trustee except in its capacity as trustee of the Issuer nor will resort be had to the property of the Issuer Trustee except where liability is expressly imposed on the Issuer Trustee in its personal capacity hereunder, but the Issuer Property will be bound hereby.

### 8.7 Severability

If one or more provision of this Agreement is for any reason whatever held invalid, such provision will be deemed severable from the remaining covenants, agreements and provisions of this Agreement and will in no way affect the validity or enforceability of such remaining provisions or the rights of any parties hereto.

of creditors, or admit in writing its inability to pay its debts generally as they become due, or take any similar action in respect of the Trust.

## 2.3 Name and Head Office

The English form of the name of the Trust is **["■"]** and the French form of the name of the Trust is **["■"]**. The Trust may use and may be legally designated by either the English form or the French form of its name. Should the Issuer Trustee determine that the use of such name is not practicable, legal or convenient, it may use such other designation or adopt such other name for the Trust as it deems proper and the Trust may hold property and conduct the Trust Activities under such other designation or name. The head office, chief executive office, chief place of business and situs of administration of the Trust will initially be situated at the offices of the Issuer Trustee situated at **[*address of Issuer Trustee*]**.

## 2.4 Nature of the Trust

The Trust is an unincorporated open-ended unit trust established for the purposes specified in Section 2.1. The Trust shall be governed by the general law of trusts, except as such general law of trusts has been or is from time to time modified, altered or abridged for the Trust by:

(a) applicable laws and regulations or other requirements imposed by applicable securities or other regulatory authorities, including the Act and Regulations; and

(b) the terms, conditions and trusts set forth in this Declaration of Trust.

The beneficial interest and rights generally of the Unitholders in the Trust shall be limited to the right to participate in distributions when and as declared by the Issuer Trustee and distributions upon the termination of the Trust. The Trust is not and is not intended to be, shall not be deemed to be and shall not be treated as a general partnership, limited partnership, syndicate, association, joint venture, company, corporation or joint stock company nor shall the Issuer Trustee or the Unitholders or any of them for any purpose be, or be deemed to be treated in any way whatsoever to be, liable or responsible hereunder as partners or joint venturers. The Issuer Trustee shall not be, or be deemed to be, an agent of the Unitholders. The relationship of the Unitholders to the Issuer Trustee, to the Trust and to the Trust Property shall be solely that of beneficiaries in accordance with this Declaration of Trust.

## 2.5 Rights of Unitholders

No Unitholder shall be entitled to call for any partition or division of the Trust Property or for a distribution of any particular asset forming part of the Trust Property or of any particular monies or funds received by the Issuer Trustee. The legal ownership of the Trust Property and the right to conduct the activities of the Trust are vested exclusively in the Issuer Trustee, and no Unitholder has or is deemed to have any right of ownership in any of the Trust Property, except as specifically provided herein. Except as specifically provided herein, no Unitholder or Unitholders shall be entitled to interfere with or give any direction to the Issuer Trustee with respect to the affairs of the Trust or in connection with the exercise of any powers or authorities conferred upon the Issuer Trustee under this Declaration of Trust. The Units shall be personal property and shall

confer upon the holders thereof only the interest and rights, and impose upon the holders thereof only those liabilities and obligations, specifically set forth in this Declaration of Trust.

## ARTICLE 3
## UNITS

### 3.1 Nature of Units

The beneficial interests in the Trust shall be divided into a single class of Units. Each Unit represents an equal undivided beneficial interest in any distributions by the Trust, whether of Income of the Trust (other than Income of the Trust allocated and distributed to redeeming Unitholders), net realized capital gains of the Trust (other than net realized capital gains of the Trust allocated and distributed to redeeming Unitholders), or other amounts, and, in the event of termination or winding up of the Trust, in the net assets of the Trust remaining after satisfaction of all liabilities. All Units rank equally among themselves and rateably without discrimination, preference or priority. Each Unit will entitle the Unitholder of record thereof to one vote at all meetings of the Unitholders or in respect of any written resolution of the Unitholders. Each Unit, when issued, shall vest indefeasibly in the holder thereof.

The number of Units which the Trust may issue is unlimited. The issued and outstanding Units may be subdivided or consolidated from time to time by the Issuer Trustee without notice to or approval of the Unitholders. Unless the Issuer Trustee determines otherwise, immediately after any *pro rata* issuance of additional Units to all Unitholders pursuant to subsection 11.3(3), the number of outstanding Units will automatically be consolidated such that each such holder will hold after the consolidation the same number of Units as such holder held before the issuance of additional Units.

### 3.2 Consideration of Units

A Unit will not be fully paid until the consideration therefor has been received in full by or on behalf of the Trust. The consideration for any Unit will be paid in money or in property (including, without limitation, a debt instrument issued to the Trust) or in past services received by the Trust that are not less in value than the fair equivalent of the money that the Trust would have received if the Unit had been issued for money. In determining whether property or past services are the fair equivalent of consideration paid in money, the Issuer Trustee may take into account reasonable charges and expenses of organization and reorganization and payments for property and past services reasonably expected to benefit the Trust. In no case will a Unit be issued to a Designated Beneficiary.

### 3.3 No Pre-Emptive Rights

No Person shall be entitled, as a matter of right, to subscribe for or purchase any Units of the Trust. There are no pre-emptive rights attaching to the Units.

### 3.4 Fractional Units

If as a result of any act of the Issuer Trustee hereunder, any Person becomes entitled to a fraction of a Unit, such Person will not be entitled to receive a certificate therefor. Fractional Units

will not, except to the extent that they may represent in the aggregate one or more whole Units, entitle the holders thereof to notice of or to attend or to vote at meetings of the Unitholders. Subject to the foregoing, such fractional Units will have attached thereto the rights, restrictions, conditions and limitations attaching to whole Units in the proportion that they bear to a whole Unit.

### 3.5 Allotment and Issue

Subject to Section 3.6, the Issuer Trustee may allot and issue Units at such time or times and in such manner (including pursuant to any plan from time to time in effect relating to reinvestment by the Unitholders of distributions of the Trust in Units) and to such Person, Persons or class of Persons as the Issuer Trustee in its sole discretion will determine. The price or the value of the consideration for which Units may be issued and the terms and conditions of issuance of the Units will be determined by the Issuer Trustee in its sole discretion. Not restricting the generality of the foregoing, the Issuer Trustee may accept amounts received from a Unitholder as a prepayment in respect of the obligation of the Unitholder to pay all or any part of the subscription price of Units to be issued at a later date by the Issuer Trustee. In such circumstances, such prepayment will form part of the Trust Property. In the event that Units are issued in whole or in part for a consideration other than money, the resolution of the Issuer Trustee allotting and issuing such Units will express the fair equivalent in money of the other consideration received.

### 3.6 Prohibited Issuances and Transfers

(1) Notwithstanding any other provision in this Declaration of Trust, at no time, may Units be issued or transferred to a Person who would be a "designated beneficiary" within the meaning of Part XII.2 of the ITA ("**Designated Beneficiary**"), and the Issuer Trustee will not accept a subscription for Units from, or issue or register a transfer of Units to, a Person unless the Person provides a declaration to the Issuer Trustee that it would not be a Designated Beneficiary and covenants to maintain such representation true for as long as it continues to hold one or more Units. If, notwithstanding the foregoing, the Issuer Trustee determines that a Person has purported to become or remain a Unitholder in breach of the above mentioned declaration or covenant, or if the Unitholder fails to provide, upon request, a declaration in form and content satisfactory to the Issuer Trustee that it is not a Designated Beneficiary, (i) the Issuer Trustee will require such Person to dispose of the Units within a specified period not to exceed 60 days to a Person who does not contravene the above mentioned limitation on ownership ("**New Holder**"), and (ii) effective immediately prior to the breach, such Person will be deemed to have ceased to be a holder of such Units, the voting and distribution rights attached to such Units will be suspended and such Units will be deemed not to be outstanding until acquired by a New Holder (provided that holders of other Units will not be entitled to any portion of the distributions that may have been paid in respect of Units that have been so deemed not to be outstanding) and such Person's rights in respect of such Units will be limited to receiving the net proceeds of the sale thereof. If such Person has not, within such period, sold such Units or provided the Issuer Trustee with a declaration in form and content satisfactory to the Issuer Trustee that it is not a Designated Beneficiary, the Issuer Trustee may sell such Units on behalf of such Person (and the Issuer Trustee will have the power of attorney of such Person to do so), and such Person's rights in respect of such Units will be limited to receiving the net proceeds of sale upon surrender of the certificates representing such Units.

(2) Subject to this section 3.6, and until the Issuer Trustee will have been required to do so under the terms hereof, the Issuer Trustee will not be bound to do or take any proceeding or action with respect to this section 3.6 by virtue of the powers conferred on it hereby. The Issuer Trustee will have the sole right and authority to make any determination required for the administration of the provisions of, or contemplated under this section 3.6, and without limiting the generality of the foregoing, if the Issuer Trustee considers that there are reasonable grounds for believing that a contravention of the above mentioned limitation on ownership has occurred or may occur, the Issuer Trustee will make a determination with respect to the matter. Any such determination will be conclusive, final and binding for the purposes of this section 3.6 except to the extent modified by any subsequent determination by the Issuer Trustee. The Issuer Trustee may require declarations as to whether a Unitholder is a Designated Beneficiary or as to factual information that will enable the Issuer Trustee to determine whether a Unitholder or a prospective transferee of a Unit may be a Designated Beneficiary. In any situation where it is unclear whether Units may be held by a Person who may be a Designated Beneficiary, the Issuer Trustee may exercise its discretion in determining whether such Person is or is not a Designated Beneficiary, and any such exercise by it of its discretion will be binding for the purposes of this section 3.6.

### 3.7 Liability of Unitholders

No Unitholder of the Trust, in its capacity as such, will incur or be subject to any liability, direct or indirect, absolute or contingent, in contract or in tort or of any other kind, to any Person in connection with: (i) the Trust Property or the ownership, use, operation, acquisition or disposition thereof or exercise or enjoyment of the rights, privileges, conditions or benefits attached thereto, associated therewith or derived therefrom; (ii) the obligations, liabilities, activities or affairs of the Trust; (iii) any actual or alleged act or omission of the Issuer Trustee or any other Person in respect of the activities or affairs of the Trust (whether or not authorized by or pursuant to this Declaration of Trust); (iv) any actual or alleged act or omission of the Issuer Trustee or any other Person in the performance or exercise, or purported or attempted performance or exercise, of any obligation, power, discretion or authority conferred upon the Issuer Trustee or such other Person in respect of the activities or affairs of the Trust (whether or not authorized by or pursuant to this Declaration of Trust); (v) any transaction entered into by the Issuer Trustee or by any other Person in respect of the activities or affairs of the Trust (whether or not authorized by or pursuant to this Declaration of Trust); or (vi) any taxes, levies, imposts or charges or fines, penalties or interest in respect thereof payable by the Trust or by the Issuer Trustee or by any other Person (except the Unitholders to the extent required by applicable tax laws) on behalf of or in connection with the activities or affairs of the Trust. No Unitholder will be liable to indemnify the Issuer Trustee or any other Person with respect to any such liability or liabilities incurred by the Issuer Trustee or by any such other Person or Persons or with respect to any taxes payable by the Trust or by the Issuer Trustee or any other Person on behalf of or in connection with the Trust. To the extent that any such liabilities of the Unitholders may arise, they will be enforceable only against, and will be satisfied only out of, the Trust Property to the full extent of such liability and the costs of any litigation or other proceedings in which such liability will have been determined, including without limitation, the fees and disbursements of counsel.

## ARTICLE 4
## REDEMPTION OF UNITS

### 4.1 Redemption of Units

Each Unitholder will be entitled to require the Trust to redeem at any time and from time to time at the demand of such Unitholder all or any part of the Units held by such Unitholder as follows:

(1) The Unitholder will give notice in writing to the Trust at its head office of its intention to redeem Units and the number of Units to be redeemed.

(2) Upon receipt by the Trust of such notice from the Unitholder to redeem Units, the Unitholder will be entitled to receive, subject to subsection 4.1(3), an amount equal to the fair market value (the "**Redemption Price**") of such Units established by the Issuer Trustee, acting reasonably (which, for greater certainty, will not necessarily be net asset value), payable by certified cheque or via wire transfer of funds.

(3) In the event that the Trust has insufficient funds to make the payment required pursuant to subsection 4.1(2) or such payment is restricted under the terms of the Indenture, the Trust will, subject to compliance with any regulatory requirements, distribute to the redeeming Unitholder *in specie* a proportionate amount of the Trust Property, the fair market value of which, as determined by the Issuer Trustee, acting reasonably, is equal to the Redemption Price.

(4) Upon satisfaction of the Redemption Price, the redeeming Unitholder will not be entitled to any rights or benefits, including voting and the right to receive distributions, in connection with the Units redeemed.

(5) On redemption of a Unit, the Issuer Trustee may designate and pay to the redeeming Unitholder as part of, and not in addition to, the Redemption Price, such part of the net realized capital gains of the Trust and/or Income of the Trust as is realized by the Trust in order to fund the Redemption Price.

## ARTICLE 5
## RIGHTS AND POWERS OF ISSUER TRUSTEE

Subject to the specific restrictions and limitations set forth in this Declaration of Trust and notwithstanding the provisions of the *Trustee Act* (Ontario) or any other similar legislation in any jurisdiction, the Issuer Trustee will have, without the necessity of authorization by, and free from any power or control on the part of, the Unitholders, full, exclusive and absolute power, control and authority over the Trust Property and the Trust Activities to the same extent as if the Issuer Trustee were the sole and absolute owner thereof in its own right including, without limitation, such power, control and authority to do all such acts and things as in its sole judgment and discretion are necessary, incidental or desirable for carrying on the Trust Activities in accordance with the Program Agreements with such powers of delegation as may be permitted by this

Declaration of Trust, including the right, power and authority to amend this Declaration of Trust subject to and in accordance with the terms hereof and to appoint, employ or contract with any Person as the Issuer Trustee may deem necessary, appropriate or desirable for the transaction of the Trust Activities, including for the administration of the Trust. For greater certainty, the powers of the Issuer Trustee that may be exercised as aforesaid include the powers set forth in Section 5.2 to and including Section 5.18. The enumeration of any specific power or authority in this Declaration of Trust will not be construed as limiting the aforesaid power or authority or any other specific power or authority. Subject only to the express limitations contained in this Declaration of Trust, every discretion or power hereby conferred on the Issuer Trustee is an absolute and uncontrolled discretion or power.

### 5.2 Acquisition of Assets and Deposit of Funds

Subject to Section 2.1, the Issuer Trustee will have the power to acquire Investment Interests in accordance with the Program Agreements. Subject to compliance with the terms of the Program Agreements, the Issuer Trustee will have the power to deposit any money forming part of the Trust Property with any bank (which bank may be an Affiliate of the Issuer Trustee) licensed under the laws of Canada or any trust company (which includes the Issuer Trustee) licensed under the laws of any province of Canada and to withdraw such deposits in accordance with the Program Agreements. The Issuer Trustee will have no liability for any loss which may occur by reason of the failure of any depository with whom such money has been deposited or for the depreciation of any investment.

### 5.3 Legal Title and Custody

The Issuer Trustee will have the power to cause any and all Trust Property to be held by and/or registered in the name of any Person.

### 5.4 Disposition of Trust Property

In accordance with and subject to the terms of the Program Agreements, the Issuer Trustee will have the power to sell, convey, transfer and assign all Trust Property free and clear of any and all trusts hereby established, at public or private sale, for cash or on terms, with or without advertisement and subject to such restrictions, stipulations, agreements and reservations as it may deem proper.

### 5.5 Management of Trust Property

### 5.6 Power to Borrow Money and Issue Funding Obligations

In accordance with and subject to the terms of the Program Agreements, the Issuer Trustee will have the power to:

(a) borrow or in any other manner raise money and to evidence the same by the issuance of Funding Obligations, by private placement, public offering or otherwise;

(c) execute and deliver any trust indenture or supplement thereto, security agreement, mortgage, pledge, hypothec, assignment or other instrument to secure Funding Obligations, and amendments, modifications, restatements or replacements thereof, whether by fixed or floating charge or by assignment or by the granting of a security interest, free and clear of any and all trusts hereby established and, in lieu of or in addition to granting any security, to grant to any Person a negative pledge whereby the Issuer Trustee agrees not to encumber any Trust Property and such other covenants as may be consistent with those set out in the Program Agreements or as may otherwise be specified by any applicable Rating Agency in accordance with the foregoing; and

(d) execute and/or deliver any agreement, instrument, certificate, direction or other document necessary or desirable in order to permit or give effect to the provisions of this Section 5.6, including, without limitation, prospectuses, offering memoranda, regulatory filings, dealer agreements, Underwriting Agreements, subscription agreements, letters of representation, consent letters, and any instruments ancillary thereto.

### 5.8 Execution of Instruments

Every deed, transfer, assignment, hypothec, agreement, certificate, direction, instrument, prospectus, or any other document which is necessary or desirable to be executed by the Trust, including, without limitation, any document evidencing Funding Obligations or relating to the issuance of Funding Obligations, will be signed on behalf of the Trust by the Issuer Trustee or its duly appointed agent, including the Administrative Agent or the Manager.

### 5.9 Facsimile Signatures

The Issuer Trustee may authorize the use of facsimile signatures on the documents evidencing Funding Obligations, provided, however, that where facsimile signatures are so used, documents evidencing Funding Obligations will be manually countersigned or certified by a transfer agent, trustee, registrar or similar Person. If a Funding Obligation contains a printed or mechanically reproduced signature of a Person, the Issuer Trustee may issue the Funding Obligation notwithstanding that the Person has ceased to be a director, officer or signing officer of the Issuer Trustee, and the Funding Obligation will be as valid as if the Person were a director, an officer or a signing officer at the date of its issue.

### 5.10 Taxes

The Issuer Trustee will have the power to pay all taxes or assessments of whatever kind or nature imposed upon the Issuer Trustee and/or the Trust in connection with the Trust Property or the Trust Activities or upon or against the income from the Trust Activities or any part thereof, to settle and compromise disputed tax liabilities and, for the foregoing purposes, to make such returns and do all such other acts and things as may be deemed by the Issuer Trustee necessary or desirable. The Issuer Trustee will have the power to deduct and remit any taxes which are required by law to be deducted and remitted from any payment made by the Issuer Trustee under any Program Agreements or otherwise.

(c) engage or intervene in, prosecute, defend, compound, compromise, abandon or adjust by arbitration or otherwise deal with or settle any actions, suits, proceedings, disputes, claims, demands or things relating to the Trust Property or the Trust Activities;

(d) exercise any and all remedies available to it under any Program Agreements or otherwise, including any power of foreclosure or sale available to the Issuer Trustee at law or pursuant to any agreement and, in connection with any such foreclosure or sale, to purchase or otherwise acquire title to any property and to convey good title thereto free of any and all trusts hereby established, or to take or retake possession of any property secured or unsecured thereunder or such other security;

**5.12 Expenses and Compensation of Issuer Trustee**

(a) The Issuer Trustee will have the power to incur and make payment of any charges or expenses which in the opinion of the Issuer Trustee are necessary or incidental to or proper for carrying out any of the purposes of this Declaration of Trust and the Trust Activities, and to pay appropriate compensation or fees from the Trust Property to Persons with whom the Trust has contracted or transacted business including, without limitation, any charges, expenses, compensation or fees payable under or in connection with the Program Agreements.

(b) The Issuer Trustee will be entitled to be paid from the funds of the Trust, without any requirement of a passing of accounts in respect thereof or approval of the Unitholders, such fees as the Issuer Trustee and the Manager may agree to from time to time for its services hereunder and all reasonable expenses, disbursements and advances incurred or made by the Issuer Trustee in the administration or execution of the trusts hereby created (including the reasonable compensation and the disbursements of its counsel and all other advisers and assistants not regularly in its employ) until all the duties of the Issuer Trustee under the trusts hereby created shall be finally and fully performed, except any such expense, disbursement or advance as may arise from or in connection with the dishonesty, bad faith, wilful misconduct, negligence or reckless disregard of any duty or the failure to comply with the standard of care referred to in Section 7.1 by the Issuer Trustee, its officers, employees or agents. All such amounts will be payable at such times as the Issuer Trustee and the Manager may agree from time to time. Any amount not paid when due shall bear interest at a rate per annum equal to the rate designated by the Issuer Trustee as the then current rate charged by the Issuer Trustee or its successors from time to time to its corporate customers, payable on demand. After default and unless otherwise provided in the Indenture and any documents contemplated thereunder, all amounts so payable and the interest thereon shall be payable out of any funds coming into the possession of the Issuer Trustee or its successors in the trusts hereunder in priority to any payments to other Specified Creditors.

**5.13 Allocation**

The Issuer Trustee will have the power to determine conclusively whether money or other assets received by the Trust or expenses or disbursements made by the Trust will be charged or credited to income or capital or allocated between income and capital, provided, however, that such determination will not be inconsistent with calculation of income in accordance with the ITA at the time the determination is made.

**5.14 Fiscal Year and Form of Accounts**

The fiscal year of the Trust will end on December 31. The Issuer Trustee will have the power to determine and from time to time change the method or form in which the accounts of the

Trust will be kept, provided such method or form reasonably complies with Canadian generally accepted accounting principles as applicable from time to time.

### 5.15 Power to Contract

In accordance with and subject to the terms of the Program Agreements, the Issuer Trustee will have the power to appoint, employ or contract with any Person as the Issuer Trustee may deem necessary or desirable for the transaction of the Trust Activities and may transfer assets to such Person and, save and except for such matters as are listed in Section 2.2, delegate to such Person any or all of the discretionary powers given to the Issuer Trustee with respect to the management of the Trust Property. Without in any way limiting the generality of the foregoing, the Issuer Trustee will have the power to:

(a) enter into, execute, deliver, perform the obligations of the Trust under, and grant security as provided for in, the Program Agreements;

(b) appoint, employ or contract with the Manager or the Administrative Agent or any other Person who, under the supervision of the Manager or Administrative Agent, may, among other things: (i) furnish and supervise or cause to be furnished and supervised the performance of the clerical and administrative services necessary to the administration of the Trust and the Trust Property including, without limitation, the provision of office space, office equipment and personnel for the performance of such services, property management, administration and servicing, the maintenance of documents, books and Records for the Trust (including those described in Section 8.1), the receipt and disbursement of Trust Property, the servicing and payment of debt and other obligations and generally all matters relating to the obtaining of and the administration and servicing of Trust Property, including, without limitation, as provided in the Administrative Services Agreement or Management Agreement; (ii) serve as an advisor to the Issuer Trustee, furnish reports to the Issuer Trustee and provide research, economic and statistical data in connection with the Trust Activities; (iii) act as consultant, accountant, correspondent, lender, technical advisor, counsel, broker and dealer, underwriter, fiscal agent, corporate fiduciary, escrow agent, depository, custodian or agent for collection from obligors, loan administrator, appraiser, bank, insurer or insurance agent, transfer agent or registrar or issuing and paying agent for Funding Obligations or in any other capacity deemed by the Issuer Trustee necessary or desirable; (iv) act as attorney or agent in the purchase or sale or other disposition of the Trust Property or the property secured thereby and the handling, prosecution or settling of any claims of the Trust and assist in the performance of such functions necessary in the management of the Trust as may be agreed upon with the Issuer Trustee; and (v) execute and deliver the Program Agreements. For greater certainty, the appointment by the Issuer Trustee of the Administrative Agent under the Administrative Services Agreement and the Manager under the Management Agreement will, where applicable, be deemed to constitute adequate supervision by the Issuer Trustee for purposes of the *Trustee Act* (Ontario) and this Declaration of Trust of any Person thereby engaged in connection with the foregoing activities; and

(c) investigate, select and conduct negotiations with Persons acting in the capacities referred to in Section 5.15(b) and pay appropriate fees to, and enter into appropriate contracts with, employ or retain the services of, any of them in connection with the Trust Property or property secured thereby, other assets and any security related thereto funded, acquired, sold or otherwise disposed of, or committed, negotiated or contemplated to be funded, acquired, sold, or otherwise disposed of in connection with Funding Obligations.

**5.16 Indemnification**

In accordance with and subject to the terms of the Program Agreements, the Issuer Trustee will have the power to indemnify or enter into agreements with respect to indemnification with any Person with whom the Issuer Trustee or the Trust deals to such extent as the Issuer Trustee determines necessary or desirable.

**5.17 Further Powers**

Subject to Section 2.1, the Issuer Trustee will have the power to perform and do all such other acts and things and to execute itself (or have executed by any Person appointed by it pursuant to Section 5.15) all such deeds, transfers, assignments, hypothecs, agreements, certificates, directions, instruments or other documents whatsoever as it deems necessary, proper or desirable in order to carry on the Trust Activities in accordance with and subject to the Program Agreements notwithstanding that such acts, things, deeds, transfers, assignments, hypothecs, agreements, certificates, directions, instruments or other documents are not herein specifically mentioned. Any determination as to what is necessary, proper or desirable in order to carry on the Trust Activities in accordance with the Program Agreements or otherwise, provided it is made by the Issuer Trustee honestly and in good faith, will be conclusive. Any construction of this Declaration of Trust or the existence of any power or authority hereunder, made honestly and in good faith by the Issuer Trustee upon the advice of counsel, will be conclusive to the extent consistent with the law. In construing the provisions of this Declaration of Trust, there will be a presumption in favour of a grant of power to the Issuer Trustee.

**5.18 Auditors**

In accordance with and subject to the terms of the Program Agreements, the Issuer Trustee will have the power from time to time to select and appoint and discharge and reappoint an auditor of the Trust in its discretion and to negotiate and fix the fees of any such auditor.

**5.19 Defect in Appointment**

Notwithstanding anything to the contrary herein contained, no action taken by the Issuer Trustee will be invalid by reason only of any defect that is thereafter discovered in its appointment.

**5.20 Status**

The Issuer Trustee shall not have the status of bankrupt and shall be resident in Canada for purposes of the ITA.

## ARTICLE 6
## REPLACEMENT OF ISSUER TRUSTEE

### 6.1 Resignation of Issuer Trustee

(a) If the Issuer Trustee desires to resign and be discharged from the trusts and powers reposed in or conferred on it by this Declaration of Trust, it will provide 120 days written notice (or such shorter period of notice as the Unitholders , the Indenture Trustee and the Rating Agencies may agree to) thereof to the Unitholders, the Indenture Trustee and the Rating Agencies provided that no such voluntary resignation shall be effective until a replacement Issuer Trustee acceptable to the Unitholders and the Indenture Trustee has been appointed and has executed a written agreement whereby such replacement Issuer Trustee agrees to assume the obligations of the Issuer Trustee hereunder, under the Program Agreements and under any other contract pursuant to which the Issuer Trustee is obligated.

(b) The Issuer Trustee shall resign if a material conflict of interest arises in its role as a trustee under this Declaration of Trust that is not eliminated within 90 days after the Issuer Trustee becomes aware that it has such a material conflict of interest. Forthwith after the Issuer Trustee becomes aware that it has such a material conflict of interest, it shall provide the Unitholders, the Indenture Trustee and the Rating Agencies with written notice of the nature of such material conflict of interest. Upon such resignation, the Issuer Trustee shall (subject to Section 6.6) be discharged from its office under this Declaration of Trust. If, notwithstanding the foregoing provisions of this Section 6.1(b), the Issuer Trustee has such a material conflict of interest, the validity and enforceability of this Declaration of Trust and any agreement entered into by the Issuer Trustee shall not be affected in any manner whatsoever by reason only of the existence of such material conflict of interest. If the Issuer Trustee contravenes the foregoing provisions of this Section 6.1(b), the Unitholders, may apply, on notice to the Rating Agencies, to a court of competent jurisdiction for an order that the Issuer Trustee be replaced as Issuer Trustee hereunder.

### 6.2 Removal of Issuer Trustee

The Issuer Trustee may be removed from its office under this Declaration of Trust by the Unitholders, at any time by notice in writing delivered to the Issuer Trustee not less than 90 days prior to the date that such removal is to take effect.

### 6.3 Vacancy

In the event of the bankruptcy or insolvency of the Issuer Trustee or the inability of the Issuer Trustee to exercise its duties under this Declaration of Trust, the Unitholders may forthwith terminate the term of office of the Issuer Trustee as trustee and, in such instance, a vacancy will occur. No vacancy (including upon a resignation of the Issuer Trustee pursuant to Section 6.1(b)) shall operate to annul this Declaration of Trust or affect the continuity of the Trust or terminate

the appointment of the Administrative Agent under the Administrative Services Agreement or the Manager under the Management Agreement.

### 6.4 Appointment of New Issuer Trustee

If, pursuant to this Article 6, the Issuer Trustee resigns or a vacancy occurs in the office of the Issuer Trustee for any reason, the Unitholders may by instrument in writing appoint a Trust Company, which either (i) has risk-based capital of at least $50,000,000 or, in the case of an entity that is not subject to risk-based capital adequacy requirements, has a combined capital and surplus of at least $50,000,000; or (ii) has been approved in writing by each Rating Agency prior to its appointment by the Unitholders, in order to replace the Issuer Trustee. If the Unitholders fails to make such appointment within 60 days of the occurrence of any such resignation, removal or vacancy, then the Issuer Trustee may make an application, on notice to the Rating Agencies, to a court of competent jurisdiction to appoint a successor Issuer Trustee hereunder. If the Issuer Trustee elects not to make such an application, the Unitholders may do so on notice to the Rating Agencies. The expense of any act, document, deed or other instrument or thing required under this Section 6.4 will be satisfied from the Trust Property.

### 6.5 Merger, Consolidation and Amalgamation

Any company into which the Issuer Trustee may be merged or with which it may be consolidated or amalgamated, or any company resulting from any merger, consolidation or amalgamation to which the Issuer Trustee is a party or any company succeeding to the corporate trust business of the Issuer Trustee will be a successor Issuer Trustee under this Declaration of Trust without any further action on the part of the Issuer Trustee, provided that such company shall be a Trust Company.

### 6.6 Vesting in Successor Issuer Trustee

Any successor Issuer Trustee will become vested with all the estates, properties, rights, powers, duties, responsibilities and trusts of its predecessors in the trusts hereunder as if it had been originally named as Issuer Trustee pursuant to this Declaration of Trust. In furtherance of the foregoing, upon written request of the successor Issuer Trustee, the Issuer Trustee ceasing to act will do, make, execute, deliver or cause to be done, made, executed or delivered all such acts, documents, deeds or other instruments and things as may be necessary or desirable in order to more effectively assign, transfer and deliver to, and vest in, the successor Issuer Trustee, upon the trusts herein expressed, all the rights, powers and trusts of, and all property and money held by the Issuer Trustee so ceasing to act. The expense of any act, document, deed or other instrument or thing required under this Section 6.6 will be satisfied from the Trust Property.

### 6.7 Confidentiality

At all times (including, without limitation, at any time the Issuer Trustee should resign or be discharged from the trusts and powers reposed in or conferred on it by this Declaration of Trust), the Issuer Trustee (or the trustee so resigning and being discharged, as the case may be) will treat as confidential all information relating to the Trust, the Trust Activities and the transactions contemplated by the Program Agreements obtained by it in its capacity as Issuer Trustee.

### 6.8 Right to Disclose

The Issuer Trustee shall have the right to disclose any information disclosed or released to it if in the opinion of legal counsel to the Issuer Trustee it is required to disclose under any applicable laws, court order or directions of Governmental Authorities or if it is requested by a Rating Agency. The Issuer Trustee shall not be responsible or liable to any party for any loss or damage arising out of or in any way sustained or incurred or in any way relating to such disclosure.

## ARTICLE 7
## STANDARD OF CARE, LIMITATION OF LIABILITY OF ISSUER TRUSTEE AND OTHER MATTERS

### 7.1 Standard of Care

The Issuer Trustee will exercise its powers and carry out its obligations hereunder as Issuer Trustee honestly, in good faith and in the best interests of the Trust and the Unitholders and in connection therewith will exercise that degree of care, diligence and skill that a reasonably prudent Person would exercise in comparable circumstances. To the extent that the Issuer Trustee has delegated or subcontracted the performance of all or a portion of its duties to the Administrative Agent or Manager as contemplated by Section 5.15, it will be deemed to have satisfied the aforesaid standard of care. Unless otherwise required by law, the Issuer Trustee will not be required to give bond, surety or security in any jurisdiction for the performance of any duties or obligations hereunder. The Issuer Trustee will not be required to devote its entire time to the Trust Activities. For greater certainty, the entering into of any Program Agreement by the Trust and the performance by the Trust of its obligations thereunder will be deemed to be in the best interests of the Unitholders and the Trust.

### 7.2 Limitation of Liability of Issuer Trustee

The Issuer Trustee has entered into this Declaration of Trust solely in its capacity as trustee of the Trust and not in its personal capacity, and any and all of the representations, warranties, undertakings, covenants, indemnities, agreements and other obligations made on the part of the Issuer Trustee herein are made and intended not as personal representations, warranties, undertakings, covenants, indemnities, agreements and other obligations by the Issuer Trustee or for the purpose or with the intention of binding the Issuer Trustee in its personal capacity, but are made and intended for the purpose of binding only the Trust Property or a specific portion thereof. No property or assets of the Issuer Trustee, whether owned beneficially by it in its personal capacity or otherwise (other than the Trust Property), will be subject to levy, execution or other enforcement procedures with regard to any of the representations, warranties, undertakings, covenants, indemnities, agreements and other obligations of the Trust or the Issuer Trustee hereunder, and no recourse may be had or taken, directly or indirectly, against the Issuer Trustee in its personal capacity, any Unitholder or any Affiliate, shareholder, director, officer, representative, employee or agent of the Issuer Trustee or any predecessor or successor of the Issuer Trustee with regard to the representations, warranties, undertakings, covenants, indemnities, agreements and other obligations of the Trust or the Issuer Trustee hereunder; provided that the foregoing limitation will not apply in respect of any action or failure to act arising from or in connection with the wilful misconduct, negligence or the failure to comply with the standard of

care referred to in Section 7.1. Notwithstanding any other provision of this Article 7, but subject to the Indenture, each Specified Creditor is entitled to recourse to the Trust Property to satisfy in full the obligations of the Trust to it even if the Issuer Trustee has no right, or only an impaired right, to seek indemnification from the Trust Property or to apply the Trust Property in satisfaction of such obligations.

### 7.3 Indemnification of the Issuer Trustee

The Issuer Trustee, its directors, officers, agents, representatives and employees will at all times be indemnified and saved harmless out of the Trust Property from and against all claims (including any claim arising out of the assessment of any tax on income by a taxing authority), demands, levies, penalties, suits, losses, actions, causes of action, costs, charges, fees and expenses, damages and liabilities whatsoever, including, without limitation, those arising out of or related to actions taken or omitted to be taken by any agent of the Issuer Trustee, including, without limitation, the Administrative Agent or the Manager, as contemplated hereby, legal fees and disbursements on a substantial indemnity basis and costs and expenses incurred in connection with the enforcement of this indemnity (each, a "**Claim**"), which the Issuer Trustee, its directors, officers, representatives and employees may suffer or incur, whether at law or in equity, in any way caused by or arising, directly or indirectly, in respect of any act, deed, matter or thing whatsoever made, done, acquiesced in or omitted in or about or in relation to the execution of its duties as Issuer Trustee or which it sustains or incurs in or about or in relation to the Trust Property and the Trust Activities. Further, the Issuer Trustee will not be liable to the Trust, to any Unitholder or to any other Person for any loss or damage relating to any matter regarding the Trust, including any loss or diminution in the value of the Trust Property. The foregoing provisions of this Section 7.3 do not apply to the extent that in any circumstances there has been wilful misconduct, gross negligence or the failure to comply with standard of care referred to in Section 7.1 on the part of the Issuer Trustee, its directors, officers, agents, representatives or employees excluding the other parties to the Program Agreements. Notwithstanding any other provision hereof, this indemnity will survive the removal or resignation of the Issuer Trustee, the termination of this Declaration of Trust and the termination of any trust created hereby.

### 7.4 Reliance upon Advice

The Issuer Trustee may rely and act upon any statement, notice, report or opinion prepared by or any advice received from the Administrative Agent or the Manager or from the auditors, counsel or other professional advisors of the Issuer Trustee and will not be responsible or held liable for any loss or damage resulting from so relying or acting if the Issuer Trustee acted reasonably and in good faith relied upon the advice received and if the professional advisor was aware that the Issuer Trustee was receiving the advice in its capacity as Issuer Trustee. The Issuer Trustee is entitled to be reimbursed from the Trust Property for all costs, charges and expenses it incurs in connection with obtaining any such statement, notice, report, opinion or advice. The Issuer Trustee is entitled to rely and act upon the genuineness and authenticity of any writing submitted to it that it in good faith believes to be genuine.

### 7.5 Retain Experts

The Issuer Trustee may appoint such agents and employ or retain such counsel, accountants, engineers, appraisers or other experts or advisers as it may reasonably require for the purpose of discharging its duties hereunder and shall not be responsible for any misconduct on the part of any of them. The Issuer Trustee may pay remuneration out of the Trust Property for all services performed for it in the discharge of the trusts hereof without taxation for costs or fees of any counsel, solicitor or attorney.

### 7.6 Reliance on Experts

The Issuer Trustee may act and rely and shall be protected in acting in good faith on the opinion or advice of or information obtained from any agent, counsel, accountant, engineer, appraiser or other expert or adviser in relation to any matter arising in the performance of its duties under the Program Agreements.

### 7.7 Provisions Regarding Liability

Any written instrument creating an obligation of the Issuer Trustee will be conclusively deemed to have been executed by the Issuer Trustee only in its capacity as Issuer Trustee. Any written instrument creating an obligation of the Issuer Trustee will contain a provision to the effect that the obligations thereunder are not binding upon the Issuer Trustee except in its capacity as Issuer Trustee, nor will recourse be had to the property of the Issuer Trustee except in its capacity as Issuer Trustee, but that the Trust Property or a specific portion thereof only will be bound, and may at the request of the Issuer Trustee make specific provision to the foregoing effect and contain any further provisions which the Issuer Trustee may deem appropriate, but the omission of any such provisions will not operate to invalidate any such instrument or to impose liability on the Issuer Trustee, except as aforesaid. The Issuer Trustee shall not be required to expend or risk its own funds or otherwise incur financial liability in the performance of its duties hereunder.

## ARTICLE 8
## RECORDS

### 8.1 Records to be Kept

The Issuer Trustee will keep or cause to be kept at the head office of the Trust a copy of this Declaration of Trust, a register of Unitholders, minutes of meetings and resolutions of Unitholders, minutes of meetings and resolutions of the Issuer Trustee, and such Records as are by law or good business practice necessary. The Records may be kept at the office of any Person whom the Issuer Trustee has appointed to maintain the same, provided that the Issuer Trustee has access to the Records on one Business Day’s notice to such Person.

### 8.2 Segregation of Assets

The Issuer Trustee shall maintain the Trust Property separate from all other property in its possession.

### 8.3 Method of Keeping Records

Where this Declaration of Trust requires the Issuer Trustee to cause a Record to be kept, it may be kept in bound or loose-leaf form or by means of a mechanical, electronic or other device.

### 8.4 Annual Financial Statements

A copy of the annual financial statements of the Trust, signed by the Issuer Trustee, shall be mailed or otherwise made available within 120 days following the end of a fiscal year to which they relate to each Unitholder. The financial statements shall include all information required to be included in annual financial statements of the Trust by applicable laws.

## ARTICLE 9
## MEETINGS OF UNITHOLDERS AND DECISION OF UNITHOLDERS

### 9.1 Annual Meeting

There will not be an annual meeting of the Unitholders.

### 9.2 Other Meetings

The Issuer Trustee will have power at any time to call meetings of the Unitholders at such time and place as the Issuer Trustee may determine. Unitholders holding in the aggregate not less than a majority of the outstanding Units may requisition the Issuer Trustee in writing to call a meeting of the Unitholders for the purposes stated in the requisition. The requisition shall state in reasonable detail the business proposed to be transacted at the meeting and will be sent to the Issuer Trustee at the address of the Issuer Trustee. Upon receiving the requisition, the Issuer Trustee will call a meeting of the Unitholders to transact the business referred to in the requisition. If the Issuer Trustee does not within 10 days after receiving the requisition call a meeting, any Unitholder who signed the requisition may call the meeting.

### 9.3 Quorum and Voting

A quorum for any meeting of the Unitholders will be persons present being Unitholders or representing by proxy Unitholders who hold in the aggregate a majority of the total number of outstanding Units. Unitholders may attend and vote at all meetings of the Unitholders either in person or by proxy. Each Unit will be entitled to one vote at all meetings of the Unitholders. Any action to be taken by the Unitholders will, except as otherwise required by this Declaration of Trust, or by law, be authorized when approved by a majority of the votes cast at a meeting of the Unitholders. The chairman of any such meeting will not have a second or casting vote.

### 9.4 Written Resolution

Any business which may be conducted at a meeting of the Unitholders may be approved by a resolution in writing in lieu thereof. Notice of such resolution will be given to all Unitholders and approval of such resolution will be evidenced by the signature on any such resolution or counterpart thereof by the required percentage of Unitholders for the matter to be determined.

## ARTICLE 10
## AMENDMENT

### 10.1 Amendment

Subject to Section 2.1 and compliance with the terms of the applicable Program Agreements, the Issuer Trustee may, from time to time, amend, vary, supplement, replace or restate the provisions of this Declaration of Trust without the consent or approval of the Unitholders or any court as follows:

(a) to the extent deemed necessary by the Issuer Trustee in good faith to be necessary to ensure compliance with, or to remove any conflicts or other inconsistencies which may exist between any term of this Declaration of Trust and the provisions of, any applicable law in effect from time to time;

(b) to the extent deemed necessary by the Issuer Trustee in good faith to be necessary to make any change or correction in this Declaration of Trust which is a typographical change or correction or which the Issuer Trustee has been advised by legal counsel is required for the purpose of curing any ambiguity or defect or inconsistent provision or clerical omission or mistake or manifest error contained herein, or

(c) subject to the satisfaction of the Rating Agency Condition, to the extent deemed necessary or desirable in the sole discretion of the Issuer Trustee to permit or facilitate the carrying on of the Trust Activities, including the accommodation of requests made by the Rating Agencies or regulatory authorities in relation to the issuance of Funding Obligations.

However, any such amendment may be made only if it will not materially adversely affect the interest of any Unitholder, unless that Unitholder has also approved of the amendment in writing. The Issuer Trustee will immediately upon the entering into thereof, provide the Rating Agencies and the Indenture Trustee with a copy of any amendment, variation, supplement, replacement or restatement of this Declaration of Trust.

### 10.2 Automatic Amendment

Upon the Issuer Trustee ceasing to be a trustee of the Trust, this Declaration of Trust will be automatically amended to delete any reference to the name of the trustee so ceasing to be a trustee of the Trust and to substitute therefor the name of the successor trustee of the Trust. Notice of any change in the Issuer Trustee may be endorsed upon or attached to this Declaration of Trust and signed by the successor Issuer Trustee and every such notice will be sufficient evidence to any Person dealing with the Issuer Trustee under this Declaration of Trust as to the facts to which it relates.

### 10.3 Supplemental Declaration of Trust

The Issuer Trustee is authorized to execute any supplemental declaration of trust to give effect to amendments to this Declaration of Trust made pursuant to this Article 10. The Issuer

Trustee shall not be obligated to enter into any such supplemental declaration if it adversely affects the Issuer Trustee's rights, duties or immunities under this Declaration of Trust or otherwise. No amendment to or amendment and restatement of this Declaration of Trust, whether pursuant to this Article 10 or otherwise, shall be construed as a termination of the Trust or the settlement or establishment of a new trust.

## ARTICLE 11
## DISTRIBUTION OF TRUST PROPERTY[2]

### 11.1 Distributions

(1) The Issuer Trustee may declare to be payable and make distributions, from time to time, out of Income of the Trust, net realized capital gains of the Trust, capital of the Trust or otherwise, in any year, in such amount or amounts, and on such dates as the Issuer Trustee may determine, to the Unitholders at the record date for such distribution. The Issuer Trustee may declare such amounts to be payable or authorize such distributions in advance by way of a standing resolution that is effective for a period not exceeding 12 months after the date of the resolution.

(2) If the Issuer Trustee declares to be payable or makes a distribution pursuant to subsection 11.1(1) without determining the portion of such distribution that is payable out of Income of the Trust, net realized capital gains of the Trust, capital of the Trust or otherwise, such allocation shall be made pursuant to subsection 11.2(2).

(3) Having regard to the present intention of the Issuer Trustee to make payable to Unitholders all of the Income of the Trust and net realized capital gains of the Trust for each taxation year so that the Trust will not have any liability for tax under Part I of the ITA in any taxation year (other than alternative minimum tax or taxes payable under the "SIFT trust" rules in the ITA), unless the Issuer Trustee, in its sole discretion determines otherwise, the following amounts will, without any further actions on the part of the Issuer Trustee, be due and payable to the Unitholders of record on the last day in each such taxation year:

(a) an amount equal to the amount, if any, by which the Income of the Trust for such year exceeds the aggregate of (A) any amount of the Income of the Trust payable to redeeming Unitholders pursuant to subsection 4.1(5), (B) the aggregate of the portions of the distributions paid or payable by the Trust which have been determined by the Issuer Trustee to have been payable by the Trust out of the Income of the Trust for such year, if any, and (C) the aggregate of the portions of distributions deemed by subsection 11.2(2)(a) to be paid or payable by the Trust out of the Income of the Trust for such year; and

(b) an amount equal to the amount, if any, by which the net realized capital gains of the Trust for such year exceeds the aggregate of (A) any amount of the net realized capital gains of the Trust payable to redeeming Unitholders pursuant to subsection 4.1(5), (B) the aggregate of the portions of the distributions paid or

[2] Subject to PILs exemption.

payable by the Trust which have been determined by the Issuer Trustee to have been payable by the Trust out of net realized capital gains of the Trust for such year, if any, and (C) the aggregate of the portions of distributions deemed by subsection 11.2(2)(b) to be paid or payable by the Trust out of the net realized capital gains of the Trust for such year, if any.

Any determinations by the Issuer Trustee not to make a distribution described in this subsection 11.1(3) must be exercised by the Issuer Trustee in writing prior to December 31 of the applicable taxation year.

(4) The proportionate share of each Unit of the amount of any distribution made pursuant to this section will be determined by dividing such amount by the number of issued and outstanding Units on the applicable record date in respect of a distribution pursuant to subsection 11.1(1) and on the last day of the taxation year in respect of a distribution pursuant to subsection 11.1(3). Each Unitholder's share of the amount of any such distribution will be an amount equal to the proportionate share of each Unit of such amount multiplied by the number of Units owned of record by each such Unitholder on such applicable record date or the last day of the taxation year, as the case may be, and such Unitholder shall, on such date, be entitled to enforce payment of the Unitholder's share. Subject to section 11.3, amounts which are payable to Unitholders will be paid in cash.

**11.2 Allocation**

(1) Subject to subsection 11.2(2), distributions payable to the Unitholders pursuant to Article 11 will be deemed to be distributions of Income of the Trust (including dividends), net realized capital gains of the Trust, returns of capital or other items in such amount as the Issuer Trustee in its absolute discretion determines and will be allocated to the Unitholders in the same proportions as distributions received by the Unitholders, subject to the discretion of the Issuer Trustee to adopt an allocation method which the Issuer Trustee considers to be more reasonable in the circumstances.

(2) If the Issuer Trustee has declared to be payable or made one or more distributions in a taxation year pursuant to subsection 11.1(1) without determining the portion of such distributions that is payable out of Income of the Trust, net realized capital gains of the Trust, capital of the Trust or otherwise, such distributions shall be deemed to be paid or payable out of:

(a) first, the Income of the Trust for such year to the extent, if any, that the Income of the Trust for such year exceeds the aggregate of the amounts in subsection 11.1(3)(a)(A) and 11.1(3)(a)(B);

(b) second, the net realized capital gains of the Trust for such year to the extent, if any, that the net realized capital gains of the Trust for such year exceeds the aggregate of the amounts in subsection 11.1(3)(b)(A) and 11.1(3)(b)(B); and

(c) as to any balance, the capital of the Trust;

and such amounts will be allocated to the Unitholders in the same proportions as such distributions were received by the Unitholders.

(3) For greater certainty it is hereby declared that any distribution of net realized capital gains of the Trust will include the non-taxable portion of the capital gains of the Trust which are included in such distribution.

**11.3 Payment of Distributions**

(1) Distributions to a Unitholder will be made by cash, wire transfer or cheque payable to or to the order of the Unitholder or by such other manner provided for in subsection 11.3(3). The payment, if made by cheque, will be conclusively deemed to have been made upon hand delivery of a cheque to the Unitholder or to its agent duly authorized in writing or upon the mailing of a cheque by prepaid first-class mail addressed to the Unitholder at its address set out in the records of the Issuer Trustee unless the cheque is not paid on presentation, or in any other manner determined by the Issuer Trustee in its discretion. The Issuer Trustee may issue a replacement cheque if it is satisfied that the original cheque has not been received or has been lost or destroyed upon being furnished with such evidence of loss, indemnity or other document in connection therewith that the Issuer Trustee may in its discretion consider necessary.

(2) The Issuer Trustee may, in its sole discretion, transfer temporarily from capital to income within the Trust sufficient cash to facilitate payments of Income of the Trust to Unitholders. A permanent transfer from capital to income may be effected if payments made by and /or expenses of the Trust in any year exceed the aggregate of the net income and net realized capital gains of the Trust in such year.

(3) Without limiting the generality of the foregoing, a distribution to a Unitholder may be paid (i) by the issuance of additional Units, or fractions of Units having a fair market value equal to the amount of such distribution, (ii) by the issuance of a promissory note for a principal amount equal to the amount of such distribution and/or (iii) *in specie* by the transfer of Trust Property having a fair market value equal to the amount of such distribution, all as may be determined by the Issuer Trustee. The Issuer Trustee acknowledges and agrees that it will elect to make payment to a Unitholder of the amount of a distribution in the manner described in this subsection 11.3(3) only if it has received prior written notice from the Unitholder that such payment method is acceptable, and the Unitholder makes the cash payment described in Section 11.7 to the Issuer Trustee, which written notice may be revoked in writing by the Unitholder at any time. If the Issuer Trustee elects to make payment of the amount of a distribution by the issuance of a promissory note, such promissory note shall bear interest at a fixed or floating rate, shall be repayable on demand or on the expiry of a stated term, and shall contain such other terms all of which may be determined by the Issuer Trustee such that the fair market value of such promissory note is equal to the amount of the distribution. Any such promissory note or additional Units issued, or Trust Property transferred, by the Trust shall constitute absolute and unconditional payment in full of the distribution and, by becoming a Unitholder, each Unitholder hereby acknowledges that any such note, additional Units or transfer of Trust

Property will be accepted by the Unitholder as such absolute and unconditional payment of the distribution payable to the Unitholder.

### 11.4 Legal Rights

For greater certainty, it is hereby declared that the Unitholders shall have the legal right to enforce payment of any amount to be distributed or payable hereunder at the time such amount is due and payable.

### 11.5 Income Tax Matters

In reporting income for income tax purposes, the Trust will claim the maximum amount available to it as deductions under the relevant law, unless the Issuer Trustee determines otherwise.

### 11.6 Designations

In accordance with and to the extent permitted by the ITA, the Issuer Trustee will, in each taxation year, make such designations for income tax purposes in respect of amounts paid or payable or deemed to be paid to the Unitholders for such amounts that the Issuer Trustee considers to be reasonable in all circumstances, including designations relating to taxable dividends received or deemed to be received by the Trust in the year on shares of taxable Canadian corporations, net taxable capital gains of the Trust in the year and foreign source income of the Trust and foreign taxes in respect of such foreign source income for the year, if any.

### 11.7 Withholding Taxes

The Issuer Trustee will deduct or withhold from distributions payable to a Unitholder amounts required by law to be deducted or withheld from such Unitholder's distributions, whether such distributions are in the form of cash, a promissory note, additional Units or otherwise. To the extent that any amounts are deducted or withheld from payments described in subsection 11.3(1), such deducted or withheld amounts shall be treated for all purposes as having been paid to a Unitholder in respect of the distribution payable, provided that such deducted or withheld amounts are actually remitted in accordance with applicable law to the appropriate taxing authority. In the event that the Issuer Trustee elects to pay a distribution pursuant to subsection 11.3(3), the Unitholder shall provide cash to the Issuer Trustee in amount equal to any required deduction or withholding, which the Issuer Trustee shall forthwith remit to the appropriate taxing authority on behalf of the Unitholder.

## ARTICLE 12
## TERMINATION OF THE TRUST

### 12.1 Termination

(a) The Trust will continue in full force and effect for a period of twelve months from the date hereof and thereafter for so long as any Funding Obligations remain outstanding and until the Trust has satisfied all of its obligations under the Program Agreements or otherwise for the purposes of carrying on the Trust Activities. Notwithstanding the foregoing, the Issuer Trustee may, with the unanimous

approval of Unitholders, wind-up the affairs of the Trust and terminate the Trust and distribute the Trust Property then remaining to the Unitholders in proportion to the number of Units held by each Unitholder no later than the date that is one day prior to the 21st anniversary of the death of the last surviving lineal descendent of Queen Elizabeth, II of England living at the date this declaration is made.

(b) Subject to Section 12.1(a), the Issuer Trustee may, with the unanimous approval of the Unitholders, wind up the affairs of the Trust and terminate the Trust. To the fullest extent permitted by law, and notwithstanding any duty otherwise existing at law or in equity, the Issuer Trustee shall consider only the interests of the Trust, including its creditors, in acting on the matters referred to in this Section 12.1. On the date the Trust is terminated, the Issuer Trustee will, upon receipt of such releases, indemnities and refunding agreements as the Issuer Trustee may deem necessary for its protection, distribute the remaining Trust Property, after payment of all other obligations of the Trust, in cash or in kind , or partly in each, to the Unitholders in proportion to the number of Units held by each Unitholder

Any certificate or opinion of the Issuer may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel, unless the Issuer knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations are erroneous. Any such certificate or opinion of, or representation by, counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, the Issuer stating that the information with respect to such factual matters is in the possession of the Issuer, unless such counsel knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

**1.04 Actions by Noteholders**

(a) Any request, demand, authorization, direction, notice, consent, resolution, waiver or other action (collectively, an "**Action**") provided by this Indenture to be given or taken by Noteholders of any Class, Series or Tranche may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Noteholders in person or by an agent duly appointed in writing. In addition, any Action provided by this Indenture to be given or taken by such Noteholders may, alternatively, be embodied in and evidenced by the record of such Noteholders voting in favor thereof, either in person or by proxies duly appointed in writing, at any meeting of Noteholders duly called and held in accordance with the provisions

of Article X or a combination of such instruments and any such record. Except as herein otherwise expressly provided, such Action will become effective when such instrument or instruments or record are delivered to the Indenture Trustee, and, where it is hereby expressly required, to the Issuer. Proof of execution of any such instrument or of a writing appointing any such agent, or the holding by any Person of a Note, will be sufficient for any purpose of this Indenture and (subject to Section 9.01) conclusive in favor of the Indenture Trustee and the Issuer, if made in the manner provided in this Section 1.04. The record of any meeting of Noteholders shall be proved in the manner provided in Article X.

(b) The fact and date of the execution of any such instrument or writing, or the authority of the person executing the same, may be proved in any manner which the Indenture Trustee deems sufficient.

(c) (i) The ownership of Registered Notes will be proved by the Note Register.

(ii) The ownership of Bearer Notes or coupons will be proved by the production of such Bearer Notes or coupons or by a certificate, satisfactory to the Issuer and the Indenture Trustee, executed, as depositary, by any bank, trust company, recognized securities dealer, as depositary, wherever situated, satisfactory to the Issuer. Each such certificate will be dated and will state that on the date thereof a Bearer Note or coupon bearing a specified serial number was deposited with or exhibited to such bank, trust company or recognized securities dealer by the Person named in such certificate. Any such certificate may be issued in respect of one or more Bearer Notes or coupons specified therein. The holding by the Person named in any such certificate of any Bearer Note specified therein will be presumed to continue for a period of one year from the date of such certificate unless at the time of any determination of such holding (A) another certificate bearing a later date is issued in respect of the same Bearer Note or coupon produced, (B) the Bearer Note or coupon specified in such certificate is produced by some other Person or (C) the Bearer Note or coupon specified in such certificate has ceased to be Outstanding.

(d) The fact and date of execution of any such instrument or writing, the authority of the Person executing the same and the principal amount and serial numbers of Bearer Notes held by the Person so executing such instrument or writing and the date of holding the same may also be proved in any other manner which the Indenture Trustee deems sufficient; and the Indenture Trustee may in any instance require further proof with respect to any of the matters referred to in this Section 1.04.

(e) If the Issuer will solicit from the Noteholders any Action, the Issuer may, at its option, by an Issuer Certificate, fix in advance a record date for the determination of Noteholders entitled to give such Action, but the Issuer will have no obligation to do so. If the Issuer does not so fix a record date, such record date will be the later of 30 days before the first solicitation of such Action or the date of the most recent

list of Noteholders furnished to the Indenture Trustee pursuant to Section 13.13 before such solicitation. Such Action may be given before or after the record date, but only the Noteholders of record at the close of business on the record date will be deemed to be Noteholders for the purposes of determining whether Noteholders of the requisite proportion of Outstanding Notes have authorized or agreed or consented to such Action, and for that purpose the Outstanding Notes will be computed as of the record date; provided that no such authorization, agreement or consent by the Noteholders on the record date will be deemed effective unless it will become effective pursuant to the provisions of this Indenture not later than 6 months after the record date.

(f) Any Action by a Noteholder will bind the holder of every Note issued upon the transfer thereof or in exchange therefor or in lieu thereof, in respect of anything done or suffered to be done by the Indenture Trustee or the Issuer in reliance thereon whether or not notation of such Action is made upon such Note.

(g) Without limiting the foregoing, a Noteholder entitled hereunder to take any Action hereunder with regard to any particular Note may do so with regard to all or any part of the principal amount of such Note or by one or more duly appointed agents each of which may do so pursuant to such appointment with regard to all or any part of such principal amount. Any notice given or Action taken by a Noteholder or its agents with regard to different parts of such principal amount pursuant to this paragraph shall have the same effect as if given or taken by separate Noteholders of each such different part.

(h) Without limiting the generality of the foregoing, unless otherwise specified pursuant to one or more Supplemental Indentures, a Noteholder, including a Depository that is the holder of a Global Note, may make, give or take, by a proxy or proxies duly appointed in writing, any Action provided in this Indenture to be made, given or taken by Noteholders, and a Depository that is the holder of a Global Note may provide its proxy or proxies to the beneficial owners of interests in or security entitlements to any such Global Note through such Depository's standing instructions and customary practices.

(i) The Issuer may fix a record date for the purpose of determining the Persons who are beneficial owners of interests in or security entitlements to any Global Note held by a Depository entitled under the procedures of such Depository to make, give or take, by a proxy or proxies duly appointed in writing, any Action provided in this Indenture to be made, given or taken by Noteholders. If such a record date is fixed, the Noteholders on such record date or their duly appointed proxy or proxies, and only such Persons, shall be entitled to make, give or take such Action, whether or not such Noteholders remain Noteholders after such record date. No such Action shall be valid or effective if made, given or taken more than six months days after such record date.

### 1.05 Actions of Other Specified Creditors

Any Action provided by this Indenture to be given or taken by any Specified Creditor (other than Noteholders) may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Specified Creditor in person or an agent duly appointed in writing. Proof of execution of any such instrument or of a writing appointing any such agent will be sufficient for any purpose of this Indenture and (subject to Section 9.01) conclusive in favour of the Indenture Trustee and the Issuer, if made in the manner provided in Section 1.04(b).

The Issuer also hereby ratifies the filing of any such financing statements (or amendments of financing statements) that were filed prior to the execution hereof.

**2.04 Suits To Protect the Collateral**

Subject to the provisions of this Indenture, the Indenture Trustee will have the power to institute and to maintain such suits and proceedings as it may deem expedient to prevent any impairment of the Collateral by any acts which may be unlawful or in violation of this Indenture, and such suits and proceedings as the Indenture Trustee may deem expedient to preserve or protect the interests of the Specified Creditors and the interests of the Indenture Trustee in the Collateral

(including the power to institute and maintain suits or proceedings to restrain the enforcement of, or compliance with, any legislative or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid if the enforcement of, or compliance with, such enactment, rule or order would impair the Security Interest or be prejudicial to the interests of the Specified Creditors or the Indenture Trustee).

**2.05 Purchaser Protected**

**2.06 Powers Exercisable by Receiver or Indenture Trustee**

In case the Collateral shall be in the possession of a receiver or trustee lawfully appointed, the powers conferred in this Article II upon the Issuer with respect to the release, sale or other disposition of such property may be exercised by such receiver or trustee, and an instrument signed by such receiver or trustee shall be deemed the equivalent of any similar instrument of the Issuer or of any officer or officers thereof required by the provisions of this Article II.

In the event (i) the Indenture Trustee shall receive any written request from the Issuer for consent or approval with respect to any matter or thing relating to any Collateral or the Issuer's obligations with respect thereto, (ii) there shall be due to or from the Indenture Trustee under the provisions hereof any performance or the delivery of any instrument, or (iii) the Indenture Trustee shall become aware of any nonperformance by the Issuer of any covenant or any breach of any representation or warranty of the Issuer set forth in this Indenture, then, in each such event, the Indenture Trustee shall be entitled to hire experts, consultants, agents and attorneys to advise the Indenture Trustee on the manner in which the Indenture Trustee should respond to such request or render any requested performance or response to such nonperformance or breach (the expenses of which will be reimbursed to the Indenture Trustee pursuant to Section 9.05). The Indenture Trustee will be fully protected in the taking of any action recommended or approved by any such expert, consultant, agent or attorney, or agreed to by Extraordinary Resolution of Debtholders of Controlling Class Obligations.

**2.08 Satisfaction and Discharge of Indenture**

(a) The Issuer may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture with respect to any Class, Series or Tranche of Notes or for any other purpose, pay, or by an Issuer Certificate direct any Paying Agent to pay, to the Indenture Trustee all sums held in trust by the Issuer or such Paying Agent in respect of each and every Class, Series or Tranche of Funding Obligations as to which it seeks to discharge this Indenture or, if for any other purpose, all sums

so held in trust by the Issuer in respect of all Notes, such sums to be held by the Indenture Trustee upon the same trusts as those upon which such sums were held by the Issuer or such Paying Agent; and, upon such payment by any Paying Agent to the Indenture Trustee, such Paying Agent will be released from all further liability with respect to such money.

(b) This Indenture will cease to be of further effect with respect to any Class, Series or Tranche of Funding Obligations (except as to any surviving rights of transfer or exchange of Notes of that Class, Series or Tranche expressly provided for herein or in any form of Note for that Class, Series or Tranche), and the Indenture Trustee, on demand of and at the expense of the Issuer, will execute proper instruments acknowledging satisfaction and discharge of this Indenture as to that Class, Series or Tranche, when:

(i) all Notes of that Class, Series or Tranche theretofore outstanding (other than (A) Notes of that Class, Series or Tranche which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 16.05(b), and (B) Funding Obligations of that Class, Series or Tranche for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from that trust, as provided in Section 16.05(b)) have been delivered to the Indenture Trustee for cancellation or been cancelled;

(ii) the Issuer has paid or caused to be paid all other sums payable under the Indenture (including payments to the Indenture Trustee pursuant to Section 9.05) by the Issuer with respect to the Funding Obligations of that Class, Series or Tranche; and

(iii) the Issuer has delivered to the Indenture Trustee an Issuer Certificate and an Opinion of Counsel each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture with respect to the Notes of that Class, Series or Tranche have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture with respect to any Class, Series or Tranche of Notes, the obligations of the Issuer to the Indenture Trustee with respect to that Class, Series or Tranche of Notes under Section 9.05 and the obligations of the Indenture Trustee under Sections 7.12 and 16.05(b) will survive such satisfaction and discharge.

## 2.09 Release of all Collateral

(a) Subject to the payment of its fees and expenses pursuant to Section 9.05, the Indenture Trustee shall, at the request of the Issuer or when otherwise required by the provisions of this Indenture, execute instruments to release Collateral from the Security Interest of this Indenture, or convey the Indenture Trustee's interest (which is held by the Indenture Trustee for the benefit of the Specified Creditors) in the same, in a manner and under circumstances which are not inconsistent with the

provisions of this Indenture. No party relying upon an instrument executed by the Indenture Trustee as provided in this Article II will be bound to ascertain the Indenture Trustee's authority, inquire into the satisfaction of any conditions precedent or see to the application of any funds.

(b) Upon delivery of an Officer's Certificate of the Issuer certifying that all Issuer Funding Obligations and all other Obligations Secured have been satisfied and discharged by complying with the provisions of this Article II and all applicable Program Agreements, the Indenture Trustee shall execute and deliver such releases, termination statements and other instruments (in recordable form, where appropriate) as the Issuer may reasonably request evidencing the termination of the Security Interest created by this Indenture.

(c) The Issuer and the Specified Creditors shall be entitled to receive at least 10 days' written notice when the Indenture Trustee proposes to take any action pursuant to clause (a), accompanied by copies of any instruments involved, and the Indenture Trustee shall also be entitled to require, as a condition to such action, an Opinion of Counsel, stating the legal effect of any such action, outlining the steps required to complete the same, and concluding that all conditions precedent to the taking of such action have been complied with. Counsel rendering any such opinion may rely, without independent investigation, on the accuracy and validity of any certificate or other instrument delivered to the Indenture Trustee in connection with any such action.

## 2.10 Certain Commercial Law Representations and Warranties

The Issuer hereby makes the following representations and warranties. Such representations and warranties shall survive until the termination of this Indenture. Such representations and warranties speak of the date that a Lien in the Collateral is granted to the Indenture Trustee and shall not be waived by any of the parties to this Indenture unless the Rating Agency Condition is satisfied.

(a) This Indenture constitutes the grant of a first priority perfected Lien by the Issuer to the Indenture Trustee in the Collateral which, in the case of the existing Collateral and the proceeds thereof, is enforceable upon execution and delivery of this Indenture or, with respect to after-acquired property, as of the date such property is acquired, and which will be enforceable with respect to the Collateral hereafter and thereafter created and the proceeds thereof upon such creation. Upon the filing of the assignments, financing statements and continuation statements (and other documents where applicable) and, in the case of after-acquired Collateral and the proceeds thereof, upon its creation, the Indenture Trustee shall have a first priority perfected Lien in such property and proceeds.

(b) At the time of its grant of any Lien in the Collateral pursuant to this Indenture, the Issuer owned and had good and marketable title to such Collateral free and clear of any Lien of any other Person (other than Permitted Liens).

(c) The Issuer has caused the filing of all appropriate financing statements in the proper filing office in the Province of Ontario under applicable law in order to perfect the Security Interest.

(d) Other than the Security Interest, the Issuer has not pledged, assigned, sold, granted a Lien in, or otherwise conveyed, the Collateral. The Issuer has not authorized the filing of and is not aware of any financing statements against the Issuer that include a description of the Collateral other than any financing statement relating to the Security Interest or that has been terminated. The Issuer is not aware of any judgment or Tax lien filings against the Issuer.

**3.04 Notes Issuable in the Form of a Global Note**

(a) If the Issuer establishes that the Notes of a particular Class, Series or Tranche are to be issued in whole or in part in the form of one or more Global Notes, then the Issuer will execute and the Indenture Trustee or its agent will, in accordance with Section 4.03 and the Issuer Certificate delivered to the Indenture Trustee or its agent thereunder, authenticate and deliver, such Global Note or Notes, which, unless otherwise provided in the Related Supplemental Indenture (i) will represent, and will be denominated in an amount equal to the aggregate Stated Principal Amount (or in the case of Discount Notes, the aggregate Stated Principal Amount at the Principal Payment Due Date of such Notes) of the Outstanding Notes of such Class, Series or Tranche to be represented by such Global Note or Notes, or such portion thereof as the Issuer will specify in an Issuer Certificate, (ii) in the case of Registered Notes, will be registered in the name of the Depository for such Global Note or Notes or its nominee, (iii) will be delivered by the Indenture Trustee or its agent to the Depository or pursuant to the Depository's instruction, (iv) if applicable, will bear a legend substantially to the following effect: (A) "Unless this Note is presented by an authorized representative of The Depository Trust Company ("**DTC**"), to Fair Hydro Trust (the "**Issuer**") or its agent for registration of transfer, exchange or payment, and any Note issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), any transfer, pledge or other use hereof for value or otherwise by or to any Person is wrongful inasmuch as the registered owner hereof, Cede & Co., has an interest herein", or (B) "Unless this Note is presented by an authorized representative of CDS Clearing and Depository Services Inc. ("**CDS**"), to Fair Hydro Trust (the "**Issuer**") or its agent for registration of transfer, exchange or payment, and any Note issued is registered in the name of CDS & Co. or in such other name as is requested by an authorized representative of CDS (and any payment is made to CDS & Co. or to such other entity as is requested by an authorized representative of CDS), any transfer, pledge or other use hereof for value or otherwise by or to any Person is wrongful since the

registered owner hereof, CDS & Co., has a property interest in the securities represented by this Note and it is a violation of its rights for another Person to hold, transfer or deal with this Note", and (v) may bear such other legend as the Issuer, upon advice of counsel, deems to be applicable. **[NTD: Indenture Trustee to review forms of legends.]**

(b) Notwithstanding any other provisions of this Section 3.04 or of Section 4.05, and subject to the provisions of paragraph (c) below, unless the terms of a Global Note or the Related Supplemental Indenture expressly permit such Global Note to be exchanged in whole or in part for individual Notes, a Global Note may be transferred, in whole but not in part and in the manner provided in Section 4.05, only to a nominee of the Depository for such Global Note, or to the Depository, or a successor Depository for such Global Note selected or approved by the Issuer, or to a nominee of such successor Depository.

(c) With respect to Notes issued within the United States or Canada, unless otherwise specified in the Related Supplemental Indenture, or with respect to Notes issued outside the United States and Canada, if specified in the Related Supplemental Indenture:

(i) If at any time the Depository for a Global Note notifies the Issuer that it is unwilling or unable to continue as Depository for such Global Note or if at any time the Depository for the Notes for such Class, Series or Tranche ceases to be a clearing agency registered under the Securities Exchange Act, or other applicable statute or regulation, in the case of Notes issued within the United States, or ceases to be a clearing agency registered under the *Securities Act* (Ontario), or other applicable statute or regulation, in the case of Notes issued within Canada, the Issuer will appoint a successor Depository with respect to such Global Note. If a successor Depository for such Global Note is not appointed by the Issuer within 90 days after the Issuer receives such notice or becomes aware of such ineligibility, the Issuer will execute, and the Indenture Trustee or its agent, upon receipt of an Issuer Certificate requesting the authentication and delivery of individual Notes of such Class, Series or Tranche in exchange for such Global Note, will authenticate and deliver, individual Notes of such Class, Series or Tranche of like tenor and terms in definitive form in an aggregate Stated Principal Amount equal to the Stated Principal Amount of the Global Note in exchange for such Global Note.

(ii) The Issuer may at any time and in its sole discretion determine that the Notes of any Class, Series or Tranche or portion thereof issued or issuable in the form of one or more Global Notes will no longer be represented by such Global Note or Notes. In such event the Issuer will execute, and the Indenture Trustee, upon receipt of a written request by the Issuer for the authentication and delivery of individual Notes of such Class, Series or Tranche in exchange in whole or in part for such Global Note, will authenticate and deliver individual Notes of such Class, Series or Tranche

of like tenor and terms in definitive form in an aggregate Stated Principal Amount equal to the Stated Principal Amount of such Global Note or Notes representing such Class, Series or Tranche or portion thereof in exchange for such Global Note or Notes.

(iii) If any Event of Default has occurred and is continuing and Noteholders holding more than 50% of the unpaid Outstanding Dollar Principal Amount of the Global Notes of all Series advise the Indenture Trustee and the Depository that Global Notes are no longer in the best interest of the Noteholders, the holders of Global Notes may exchange such Notes for individual Notes.

(iv) In any exchange provided for in any of the preceding three paragraphs, the Issuer will execute and the Indenture Trustee or its agent will authenticate and deliver individual Notes in definitive registered form in authorized denominations. Upon the exchange of the entire Stated Principal Amount of a Global Note for individual Notes, such Global Note will be canceled by the Indenture Trustee or its agent. Except as provided in the preceding paragraphs, Notes issued in exchange for a Global Note pursuant to this Section 3.04 will be registered in such names and in such authorized denominations as the Depository for such Global Note, pursuant to instructions from its direct or indirect participants or otherwise, will instruct the Indenture Trustee or the Note Registrar. The Indenture Trustee or the Note Registrar will deliver such Notes to the Persons in whose names such Notes are so registered.

**3.05 Temporary Global Notes and Permanent Global Notes**

(a) If specified in the Related Supplemental Indenture for any Series, all or any portion of a Global Note may initially be issued in the form of a single temporary global Bearer Note or Registered Note (the "**Temporary Global Note**"), without interest coupons, in the denomination of the entire aggregate principal amount of such Series and substantially in the form set forth in the exhibit with respect thereto attached to the Related Supplemental Indenture. The Temporary Global Note will be authenticated by the Indenture Trustee upon the same conditions, in substantially the same manner and with the same effect as the Notes in definitive form. The Temporary Global Note may be exchanged as described below or in the Related Supplemental Indenture for permanent global Bearer Notes or Registered Notes (the "**Permanent Global Notes**").

(b) Unless otherwise provided in the Related Supplemental Indenture, exchanges of beneficial interests in or security entitlements to Temporary Global Notes for beneficial interests in or security entitlements to Permanent Global Notes will be made as provided in this subsection 3.05(b). The Manager will, upon its determination of the date of completion of the distribution of the Notes of such Series, so advise the Indenture Trustee, the Issuer, the Foreign Depository, and each foreign clearing agency forthwith. Without unnecessary delay, but in any event not

prior to the Exchange Date, the Issuer will execute and deliver to the Indenture Trustee at the office of its designated agent outside Canada and the United States Permanent Global Notes in bearer or registered form (as specified in the Related Supplemental Indenture) in an aggregate principal amount equal to the Outstanding Currency Specific Dollar Principal Amount of such Series of Notes. Bearer Notes so issued and delivered may have coupons attached. The Temporary Global Note may be exchanged for an equal aggregate principal amount of Permanent Global Notes only on or after the Exchange Date. A United States Person may exchange its beneficial interest in or security entitlement to the Temporary Global Note only for an equal aggregate principal amount of Permanent Global Notes in registered form bearing the applicable legend set forth in the form of Registered Note attached to the Related Supplemental Indenture and having a minimum denomination of 500,000 units of the applicable currency, which may be in temporary form if the Issuer so elects. The Issuer may waive the 500,000 minimum denomination requirement if it so elects. Upon any demand for exchange for Permanent Global Notes in accordance with this subsection 3.05(b), the Issuer will cause the Indenture Trustee to authenticate and deliver the Permanent Global Notes to the Noteholder (x) outside Canada or the United States, in the case of Bearer Notes and (y) according to the instructions of the Noteholder, in the case of Registered Notes. Upon receipt of such certification, the Indenture Trustee will cause the Temporary Global Note to be endorsed in accordance with subsection 3.05(d). Any exchange as provided in this Section 3.05 will be made free of charge to the Noteholders and the beneficial owners of the Temporary Global Note and to the beneficial owners of the Permanent Global Note issued in exchange, except that a Person receiving the Permanent Global Note must bear the cost of insurance, postage, transportation and the like in the event that such Person does not receive such Permanent Global Note in person at the offices of a foreign clearing agency or Foreign Depository.

(c) The delivery to the Indenture Trustee by a foreign clearing agency or Foreign Depository of any written statement referred to above may be relied upon by the Issuer and the Indenture Trustee as conclusive evidence that a corresponding certification or certifications has or have been delivered to such foreign clearing agency or Foreign Depository pursuant to the terms of this Indenture.

(d) Upon any such exchange of all or a portion of the Temporary Global Note for a Permanent Global Note(s), such Temporary Global Note will be endorsed by or on behalf of the Indenture Trustee to reflect the reduction of its principal amount by an amount equal to the aggregate principal amount of such Permanent Global Note(s). Until so exchanged in full, such Temporary Global Note will in all respects be entitled to the same benefits under this Indenture as Permanent Global Notes authenticated and delivered hereunder except that the beneficial owners of such Temporary Global Note will not be entitled to receive payments of interest on the Notes until they have exchanged their beneficial interests in or security entitlements to such Temporary Global Note for Permanent Global Notes.

### 3.06 Beneficial Ownership of Global Notes

Until definitive Notes have been issued to the applicable Noteholders pursuant to Section 3.04 or as otherwise specified in any Related Supplemental Indenture:

(a) the Issuer and the Indenture Trustee may deal with the applicable Depository and the Depository's participants for all purposes (including the making of distributions) as the authorized representatives of the respective Note Owners; and

(b) the rights of the respective Note Owners will be exercised only through the Depository and the Depository's participants. Unless and until Notes in definitive form are issued pursuant to Section 3.04, the Depository will make book-entry transfers among the Depository's participants and receive and transmit distributions of principal and interest on the related Notes to such Depository's participants in accordance with the Depository's applicable procedures from time to time.

For purposes of any provision of this Indenture requiring or permitting Actions with the consent of, or at the direction of, Noteholders evidencing a specified percentage of the Outstanding Dollar Principal Amount of Outstanding Notes, such direction or consent may be given by Note Owners (acting through the Depository and the Depository's participants) owning interests in or security entitlements to Notes evidencing the requisite percentage of principal amount of Notes in accordance with the applicable procedures of the Depository.

### 3.07 Notices to Depository

Whenever any notice or other communication is required to be given to Noteholders with respect to which book-entry Notes have been issued, unless and until Notes in definitive form will have been issued to the related Note Owners, the Indenture Trustee will give all such notices and communications to the applicable clearing agency or Depository.

### 3.08 CUSIP Numbers

In issuing the Notes, the Issuer may use "CUSIP" numbers (if then generally in use), and, if so, the Indenture Trustee shall use such CUSIP numbers in notices of redemption as a convenience to Noteholders; provided that, subject to Section 9.01, any such notice may state that (a) no representation is made as to the correctness of such CUSIP numbers as printed on the related Notes or as contained in any notice of redemption, (b) reliance may be placed only on the other identification numbers, if any, printed on the Notes and (c) any such redemption shall not be affected by any defect in or omission of such CUSIP numbers. The Issuer will promptly provide the Indenture Trustee with written notice of any change in the CUSIP numbers for any Outstanding Note.

(x) the Principal Accumulation Date for such Series of Notes;

(xi) the Principal Accumulation Amounts for such Series of Notes;

(xii) the Initial Dollar Principal Amount or the Initial Currency Specific Dollar Principal Amount of such Notes, and the means for calculating the Outstanding Dollar Principal Amount or the Outstanding Currency Specific Dollar Principal Amount, as applicable, of such Series or Tranche of Notes;

(xiii) whether or not application will be made to list such Series or Tranche of Notes on any securities exchange;

(xiv) any Events of Default with respect to such Series or Tranche of Notes, if not set forth herein and any additions, deletions or other changes to the Events of Default set forth herein that will be applicable to such Series or Tranche of Notes (including a provision making any Event of Default set forth herein inapplicable to the Notes of that Series or Tranche);

(xv) if such Series or Tranche of Notes will be issued in whole or in part in the form of a Global Note or Global Notes, the terms and conditions, if any, upon which such Global Note or Global Notes may be exchanged in whole or in part for other individual Notes, and the Depository for such Global Note or Global Notes;

(xxi) any other terms of such Notes as stated in the Related Supplemental Indenture;

all upon such terms as may be determined in or pursuant to the Related Supplemental Indenture.

(g) The Notes of each Class, Series or Tranche will be distinguished from the Notes of each other Class, Series or Tranche in such manner, reasonably satisfactory to the Indenture Trustee, as the Issuer may determine.

(h) Any terms or provisions in respect of the Notes of any Class, Series or Tranche issued under this Indenture may be determined pursuant to this Section 4.01 by providing in the Related Supplemental Indenture for the method by which such terms or provisions will be determined.

**4.02 Denominations**

The Notes of each Series or Tranche will be issuable in such denominations and currency as will be provided in the provisions of this Indenture or in or pursuant to the Related Supplemental Indenture. In the absence of any such provisions with respect to the Registered Notes of any Series or Tranche, the Registered Notes of that Series or Tranche will be issued in denominations of 100,000 units of the applicable currency and integral multiples of 1,000. In the absence of any such provisions with respect to the Bearer Notes of any Series or Tranche, the Bearer Notes of that Series or Tranche will be issued in denominations of 1,000, 5,000, 50,000 and 100,000 units of the applicable currency.

**4.03 Execution, Authentication and Delivery and Dating**

(a) The Notes will be executed on behalf of the Issuer by a Responsible Officer of the Issuer. The signature of any Responsible Officer of the Issuer on the Notes may be manual or facsimile or may be given by other electronic means.

(b) Notes bearing the manual, facsimile or other electronic signatures of individuals who were at any time a Responsible Officer of the Issuer will bind the Issuer, notwithstanding that such individuals or any of them have ceased to hold such offices before the authentication and delivery of such Notes or did not hold such offices at the date of issuance of such Notes.

(c) At any time and from time to time after the execution and delivery of this Indenture, the Issuer may deliver Notes executed by the Issuer to the Indenture Trustee for authentication; and the Indenture Trustee will, upon request by an Issuer Certificate, authenticate and deliver such Notes as provided in this Indenture and not otherwise.

(d) Before any such authentication and delivery, the Indenture Trustee will be entitled to receive, in addition to any Officer's Certificate and Opinion of Counsel required to be furnished to the Indenture Trustee pursuant to Section 1.02, the Issuer Certificate and any other opinion or certificate relating to the issuance of the Series or Tranche of Notes required to be furnished pursuant to Section 3.02 or Article V.

(e) The Indenture Trustee will not be required to authenticate such Notes if the issue thereof will adversely affect the Indenture Trustee's own rights, duties or immunities under the Notes and this Indenture.

(f) Unless otherwise provided in the form of Note for any Series or Tranche, all Notes will be dated the date of their authentication.

(g) No Note will be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Note a Certificate of Authentication executed by the Indenture Trustee by manual signature of an authorized signatory, and such certificate upon any Note will be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder.

**4.04 Temporary Notes**

(a) Pending the preparation of definitive Notes of any Series or Tranche, the Issuer may execute, and, upon receipt of the documents required by Section 4.03, the Indenture Trustee will authenticate and deliver, temporary Notes which are printed, lithographed, typewritten, mimeographed or otherwise produced, in any authorized denomination, substantially of the tenor of the definitive Notes in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the Issuer may determine, as evidenced by the Issuer's execution of such Notes.

(b) If temporary Notes of any Series or Tranche are issued, the Issuer will cause definitive Notes of such Series or Tranche to be prepared without unreasonable delay. After the preparation of definitive Notes, the temporary Notes of such Series or Tranche will be exchangeable for definitive Notes of such Series or Tranche upon surrender of the temporary Notes of such Series or Tranche at the office or agency of the Issuer in a Place of Payment, without charge to the Noteholder; and upon surrender for cancellation of any one or more temporary Notes the Issuer will execute and the Indenture Trustee will authenticate and deliver in exchange therefor a like Stated Principal Amount of definitive Notes of such Series or Tranche of authorized denominations and of like tenor and terms. Until so exchanged the temporary Notes of such Series or Tranche will in all respects be entitled to the same benefits under this Indenture as definitive Notes of such Series or Tranche.

**4.05 Registration, Transfer and Exchange**

(a) The Issuer will keep or cause to be kept a register (herein sometimes referred to as the "**Note Register**") in which, subject to such reasonable regulations as it may prescribe, the Issuer will provide for the registration of Registered Notes, or of

Registered Notes of a particular Class, Series or Tranche, and for transfers of Registered Notes or of Registered Notes of such Class, Series or Tranche. Any such register will be in written form or in any other form capable of being converted into written form within a reasonable time. At all reasonable times, the information contained in such register or registers will be available for inspection by the Indenture Trustee at the office or agency to be maintained by the Issuer as provided in Section 13.03.

(b) Subject to Section 3.04, upon surrender for transfer of any Registered Note of any Class, Series or Tranche at the office or agency of the Issuer in a Place of Payment, the Issuer will execute, and, upon receipt of such surrendered Note, the Indenture Trustee will authenticate and deliver, in the name of the designated transferee or transferees, one or more new Registered Notes of such Class, Series or Tranche of any authorized denominations, of a like aggregate Stated Principal Amount, Principal Payment Due Date and Principal Payment Default Date and of like terms.

(c) Subject to Section 3.04, at the option of the Noteholder, Notes of any Class, Series or Tranche may be exchanged for other Notes of such Class, Series or Tranche of any authorized denominations, of a like aggregate Stated Principal Amount, Principal Payment Due Date and Principal Payment Default Date and of like terms, upon surrender of the Notes to be exchanged at the office or agency of the Issuer in a Place of Payment. Registered Notes, including Registered Notes received in exchange for Bearer Notes, may not be exchanged for Bearer Notes. At the option of the holder of a Bearer Note, subject to applicable laws and regulations, Bearer Notes may be exchanged for other Bearer Notes or Registered Notes (of the same Class, Series and Tranche of Notes) of authorized denominations of like aggregate fractional undivided interests in the Noteholders' interest, upon surrender of the Bearer Notes to be exchanged at an office or agency of the Note Registrar located outside Canada and the United States. Each Bearer Note surrendered pursuant to this Section 4.05 will have attached thereto all unmatured coupons; provided, however, that any Bearer Note, so surrendered after the close of business on the last day of the month preceding the relevant Payment Date need not have attached the coupon relating to such Payment Date. Whenever any Notes are so surrendered for exchange, the Issuer will execute, and the Indenture Trustee will authenticate and deliver (in the case of Bearer Notes, outside Canada and the United States), the Notes which the Noteholders making the exchange are entitled to receive.

(d) All Notes issued upon any transfer or exchange of Notes will be the valid and legally binding obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Notes surrendered upon such transfer or exchange.

(e) Every Note presented or surrendered for transfer or exchange will (if so required by the Issuer or the Indenture Trustee) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Issuer and the Note Registrar duly executed, by the Noteholder or his attorney duly authorized in writing.

(f) Unless otherwise provided in the Note to be transferred or exchanged, no service charge will be made on any Noteholder for any transfer or exchange of Notes, but the Issuer may (unless otherwise provided in such Note) require payment of a sum sufficient to cover any Tax or other governmental charge that may be imposed in connection with any transfer or exchange of Notes before the transfer or exchange will be complete, other than exchanges pursuant to Section 4.04 or Section 11.05 not involving any transfer.

(g) None of the Issuer, the Note Registrar or the Indenture Trustee shall be required (i) to issue, register the transfer of or exchange any Notes of any Class, Series or Tranche during a period beginning at the opening of business 15 days before the day of selection of Notes of such Class, Series or Tranche to be redeemed and ending at the close of business on (A) if Notes of such Class, Series or Tranche are issuable only as Registered Notes, the day of the mailing of the relevant notice of redemption of Registered Notes of such Class, Series or Tranche so selected for redemption or (B) if Notes of the Class, Series or Tranche are issuable as Bearer Notes, the day of the first publication of the relevant notice of redemption or, if Notes of the Class, Series or Tranche are also issuable as Registered Notes and there is no publication, the mailing of the relevant notice of redemption or (ii) to register the transfer or exchange of any Notes or portions thereof so selected for redemption.

(h) Notwithstanding anything herein to the contrary, the exchange of Bearer Notes into Registered Notes shall be subject to applicable laws and regulations in effect at the time of exchange; none of the Issuer, the Indenture Trustee or the Note Registrar shall exchange any Bearer Notes into Registered Notes if it has received an Opinion of Counsel that as a result of such exchanges the Issuer would suffer adverse consequences under the Canadian or United States federal income tax laws and regulations then in effect, or the income tax laws of the jurisdiction of the holder of the Bearer Note, and the Issuer has delivered to the Indenture Trustee an Issuer Certificate directing the Indenture Trustee not to make such exchanges unless and until the Indenture Trustee receives a subsequent Issuer Certificate to the contrary. The Issuer shall deliver copies of such Issuer Certificates to the Note Registrar.

(i) None of the Issuer, the Indenture Trustee, any agent of the Indenture Trustee, any Paying Agent or the Note Registrar will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership of a Global Note or for maintaining, supervising or reviewing any records relating to such beneficial ownership.

(j) The Issuer initially appoints the Indenture Trustee to act as Note Registrar for the Registered Notes on its behalf. The Issuer may at any time and from time to time authorize any Person to act as Note Registrar in place of the Indenture Trustee with respect to any Class, Series or Tranche of Notes issued under this Indenture.

(k) Registration of transfer of Notes containing the following legend or to which the following legend is applicable:

THIS NOTE HAS NOT BEEN AND WILL NOT BE REGISTERED UNDER THE U.S. SECURITIES ACT OF 1933, AS AMENDED (THE "**SECURITIES ACT**"), OR ANY OTHER APPLICABLE U.S. STATE SECURITIES LAWS AND, ACCORDINGLY, MAY NOT BE OFFERED OR SOLD WITHIN THE UNITED STATES OR TO, OR FOR THE ACCOUNT OR BENEFIT OF, U.S. PERSONS EXCEPT IN ACCORDANCE WITH THE TRUST INDENTURE AND THE INDENTURE SUPPLEMENT AND PURSUANT TO AN EXEMPTION FROM REGISTRATION UNDER THE SECURITIES ACT OR PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT.

will be effected only if such transfer is made pursuant to an effective registration statement under the U.S. Securities Act, or is exempt from the registration requirements under the U.S. Securities Act. In the event that registration of a transfer is to be made in reliance upon an exemption from the registration requirements under the U.S. Securities Act other than Rule 144A under the U.S. Securities Act or Rule 903 or Rule 904 of Regulation S under the U.S. Securities Act, the transferor or the transferee will deliver, at its expense, to the Issuer and the Indenture Trustee, an investment letter from the transferee, substantially in a form appended to a Supplemental Indenture authorizing the applicable Series of Notes or such other form as the Issuer may determine, and no registration of transfer will be made until such letter is so delivered.

Notes issued upon registration or transfer of, or Notes issued in exchange for, Notes bearing the legend referred to above will also bear such legend and any other legends required by the Related Supplemental Indenture unless the Issuer, the Indenture Trustee and the Note Registrar receive an Opinion of Counsel, satisfactory to each of them, to the effect that such legend may be removed.

Whenever a Note containing the legend referred to above is presented to the Note Registrar for registration of transfer, the Note Registrar will promptly seek instructions from the Issuer regarding such transfer and will be entitled to receive an Issuer Certificate prior to registering any such transfer. The Issuer hereby agrees to indemnify the Note Registrar and the Indenture Trustee and to hold each of them harmless against any loss, liability or expense incurred without negligence or bad faith on their part arising out of or in connection with actions taken or omitted by them in relation to any such instructions furnished pursuant to this clause. The Indenture Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture, the Related Supplemental Indenture, or under applicable law with respect to any transfer of any interest in any Note other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

(l) By acquiring a Note, each Noteholder that is a United States Person will be deemed to represent, warrant and covenant that either: (i) it is not acquiring the Note (or any interest therein) with the assets of a Benefit Plan or a governmental, church or non-U.S. plan that is subject to any federal, state, local or other non-U.S. law that is substantially similar to Section 406 of ERISA or Section 4975 of the Internal Revenue Code ("**Similar Law**"); or (ii) (A) the Note is rated at least "BBB-" or its equivalent by a nationally recognized statistical rating agency at the time of purchase or transfer, and (B) the acquisition, holding and disposition of the Note will not give rise to a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Internal Revenue Code or a violation of any Similar Law.

**4.06 Mutilated, Destroyed, Lost and Stolen Notes**

(a) If (i) any mutilated Note (together, in the case of Bearer Notes, with all unmatured coupons, if any, appertaining thereto) is surrendered to the Indenture Trustee or the Note Registrar, or the Issuer, the Note Registrar or the Indenture Trustee receive evidence to their satisfaction of the destruction, loss or theft of any Note, and (ii) there is delivered to the Issuer, the Note Registrar or the Indenture Trustee such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Issuer, the Note Registrar or the Indenture Trustee that such Note has been acquired by a protected purchaser, the Issuer will execute and upon its request the Indenture Trustee will authenticate and deliver (in the case of Bearer Notes, outside the United States), in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Note, a new Note of like tenor, Class, Series or Tranche, Principal Payment Due Date, Principal Payment Default Date and Stated Principal Amount, bearing a number not contemporaneously Outstanding.

(b) In case any such mutilated, destroyed, lost or stolen Note has become or is about to become due and payable, the Issuer in its discretion may, instead of issuing a new Note, pay such Note.

(c) Upon the issuance of any new Note under this Section 4.06, the Issuer may require the payment of a sum sufficient to cover any Tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Indenture Trustee) connected therewith.

(c) any representation or warranty contained in Section 12.01 proves to be incorrect in any material respect when made and such incorrect representation or warranty if capable of being remedied by the Issuer, has not been remedied for a period of 60 days after notice thereof has been given, by registered or certified mail, to the Issuer by the Indenture Trustee or to the Issuer and the Indenture Trustee by Debtholders holding at least 25% of the Outstanding Dollar Principal Amount of all Controlling Class Obligations, a written notice specifying such default or breach and requesting it to be remedied and stating that such notice is a "Notice of Default" hereunder and, as a result of such default, the interests of such Debtholders are materially and adversely affected and continue to be materially and adversely affected during the 60-day period;

(d) a default in the performance, or breach, of any covenant of the Issuer in this Indenture in respect of any Controlling Class Obligations (other than an agreement, covenant or warranty a default in the performance of which or the breach of which is elsewhere specifically dealt with in this Section 8.01), all of such covenants in this Indenture which are not expressly stated to be for the benefit of a particular Series of Issuer Funding Obligations being deemed to be in respect of all Series of Issuer Funding Obligations for this purpose, and continuance of such default or breach for a period of 60 days after notice thereof has been given, by registered or certified mail, to the Issuer by the Indenture Trustee or to the Issuer and the Indenture Trustee by Debtholders holding at least 25% of the Outstanding Dollar Principal Amount of all Controlling Class Obligations, a written notice specifying such default or breach and requesting it to be remedied and stating that such notice is a "Notice of Default" hereunder and, as a result of such default, the interests of such Debtholders are materially and adversely affected and continue to be materially and adversely affected during the 60-day period;

**8.02 Acceleration of Maturity; Rescission and Annulment**

**[NTD: to be determined if acceleration should be determined on a series by series basis.]**

(a) If an Event of Default (other than an Event of Default described in clause (e), (f) or (g) of Section 8.01) occurs and is continuing, then and in each and every such case, unless the principal of all the Controlling Class Obligations shall have already become due and payable, either the Indenture Trustee or Debtholders holding not less than 50% of the Outstanding Dollar Principal Amount of all Controlling Class Obligations (treated as one class), by notice in writing to the Issuer (and to the Indenture Trustee if given by such Debtholders), may declare the Outstanding Dollar Principal Amount of all Issuer Funding Obligations (other than Derivative Funding Obligations) and all interest accrued or principal accreted and unpaid (if any) thereon to be due and payable immediately, and upon any such declaration the same will become and will be immediately due and payable, notwithstanding anything in this Indenture or any Funding Obligation Agreement to the contrary.

(b) If an Event of Default described in clause (e), (f) or (g) of Section 8.01 occurs and is continuing, then all Series of Issuer Funding Obligations (other than Derivative Funding Obligations) will automatically be and become immediately due and payable by the Issuer, without notice or demand to any Person, and the Issuer will automatically and immediately be obligated to pay off the Issuer Funding Obligations.

(c) At any time after such a declaration of acceleration has been made or an automatic acceleration has occurred with respect to the Issuer Funding Obligations (other than Derivative Funding Obligations) and before a judgment or decree for payment of the money due has been obtained by the Indenture Trustee as hereinafter provided in this Article VIII, Debtholders of Controlling Class Obligations may, by Extraordinary Resolution, rescind and annul such declaration and its consequences if:

(i) the Issuer has paid or deposited with the Indenture Trustee a sum sufficient to pay (A) all overdue installments of interest on the Controlling Class Obligations, (B) the principal of any Controlling Class Obligations which have become due otherwise than by such declaration of acceleration, and interest thereon at the rate or rates prescribed therefor by the terms of the Related Funding Obligation Agreements, to the extent that payment of such interest is lawful, (C) interest upon overdue installments of interest at the rate or rates prescribed therefor by the terms of the Related Funding Obligation Agreements, to the extent that payment of such interest is lawful, and (D) all sums paid by the Indenture Trustee hereunder and the reasonable compensation, expenses and disbursements of the Indenture Trustee, its

agents and counsel and all other amounts due to the Indenture Trustee under Section 9.05; and

(ii) all Events of Default other than the nonpayment of the principal of the Controlling Class Obligations which has become due solely by such acceleration, have been cured or waived as provided in Section 8.03.

(e) No such rescission will affect any subsequent default or impair any right consequent thereon.

**8.03 Waiver of Past Defaults**

Subject to Section 8.02(c), Debtholders of Controlling Class Obligations may, by Ordinary Resolution, waive any past default hereunder and its consequences. Upon any such waiver, such default will cease to exist, and any Event of Default arising therefrom will be deemed to have been cured, for every purpose of this Indenture; but no such waiver will extend to any subsequent or other default or impair any right consequent thereon.

**8.04 Notice of Defaults**

(a) Within 90 days after the occurrence of any Event of Default of which the Indenture Trustee has received written notice:

(i) the Indenture Trustee will transmit by mail to all Registered Noteholders, as their names and addresses appear in the Note Register, notice of such default;

(ii) the Indenture Trustee will notify all holders of Bearer Notes by publication of notice of such default in an Authorized Newspaper, or as otherwise provided in the Related Supplemental Indenture;

(iii) the Indenture Trustee will give prompt written notification thereof to the other Debtholders and all other Specified Creditors; and

(iv) the Indenture Trustee will give prompt written notification thereof to the Rating Agencies, unless such default will have been cured or waived;

provided, however, that, except in the case of a default in the payment of the principal of or interest on any Issuer Funding Obligations, the Indenture Trustee will be protected in withholding such notice if and so long as a Responsible Officer of the Indenture Trustee in good faith determines that the withholding of such notice is in the interests of the Specified Creditors.

(b) When such notice of an occurrence of an Event of Default has been given and the Event of Default is thereafter cured, notice that the Event of Default is no longer continuing shall be given by the Indenture Trustee to Persons to whom notice was sent pursuant to Section 8.04(a) within a reasonable time, but not exceeding 30 days in any event, after the Indenture Trustee receives notice from the applicable Debtholders that the Event of Default has been cured.

(a) the Indenture Trustee will have the right to decline to follow any such direction if the Indenture Trustee, being advised by counsel, determines that the action so directed may not lawfully be taken or would conflict with this Indenture, or if the Indenture Trustee in good faith determines that the proceedings so directed would involve it in personal liability or be unjustly prejudicial to the Debtholders of Controlling Class Obligations not taking part in such direction; and

(b) the Indenture Trustee may take any other action permitted hereunder deemed proper by the Indenture Trustee which is not inconsistent with such direction.

## 8.12 Limitation on Suits

(d) the Indenture Trustee, for 60 days after the Indenture Trustee has received such notice, request and offer of indemnity has failed to institute any such proceeding;

it being understood and intended that no one or more Specified Creditors will have any right in any manner whatsoever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Specified Creditor, or to obtain or to seek to obtain priority or preference over any other Specified Creditor or to enforce any right under this Indenture, except in the manner herein provided and for the benefit of all Specified Creditors.

## 8.14 Limited Recourse

(a) Notwithstanding any other provision of this Indenture to the contrary, the obligation to pay principal of or interest on any Issuer Funding Obligation or any other amount payable to any Specified Creditor will be without recourse to the Indenture Trustee, the Issuer Trustee, the Manager or any Affiliate, officer, employee, member or director of any of them, and the satisfaction of the obligation of the Issuer to pay principal of or interest on any Issuer Funding Obligation or any other amount payable to any Specified Creditor will be subject to the allocation and payment provisions of this Indenture and any Related Funding Obligation Agreement, and limited to amounts available from the Collateral.

(c) Under no circumstances shall the Manager or any of its Affiliates be deemed an obligor or guarantor or otherwise deemed to be responsible for payment from its own funds of principal, interest, dividends or other amounts due on the Collateral, the Issuer Funding Obligations or any other Obligations Secured.

## 8.15 Restoration of Rights and Remedies

If the Indenture Trustee or any Specified Creditor (to the extent and in the manner provided for in Section 8.12) has instituted any proceeding to enforce any right or remedy under this

Indenture and such proceeding has been discontinued or abandoned for any reason, then and in every such case the Issuer, the Indenture Trustee and the Specified Creditors will, subject to any determination in such proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Indenture Trustee and the Specified Creditors will continue as though no such proceeding had been instituted.

### 8.16 Rights and Remedies Cumulative

No right or remedy herein conferred upon or reserved to the Indenture Trustee or to the Specified Creditors is intended to be exclusive of any other right or remedy, and every right and remedy will, to the extent permitted by applicable law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, will not prevent the concurrent assertion or employment of any other appropriate right or remedy.

### 8.17 Delay or Omission Not Waiver

No delay or omission of the Indenture Trustee or of any Specified Creditor to exercise any right or remedy accruing upon any Event of Default will impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article VIII or by applicable law to the Indenture Trustee or to the Specified Creditors may be exercised from time to time, and as often as may be deemed expedient, by the Indenture Trustee or by the Specified Creditors, as the case may be.

### 8.18 Waiver of Stay or Extension Laws

The Issuer covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Indenture Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

### 8.19 Indenture Trustee Appointed Attorney

The Issuer irrevocably constitutes and appoints the Indenture Trustee and any officer or employee thereof, with full power of substitution, as its true and lawful attorney coupled with an interest with full power and authority in the name of the Issuer or in its own name, in its discretion, upon the occurrence and during the continuance of any Event of Default, for the purpose of carrying out the terms of this Indenture to take all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes hereof, and without limiting the generality of the foregoing, hereby gives the Indenture Trustee the power and right on behalf of the Issuer, without notice to or assent by the Issuer, to the extent permitted by applicable law, to do the following:

(a) to ask for, demand, sue for, collect and receive all and any monies due or becoming due with respect to the Collateral;

(b) to receive, take, endorse, assign and deliver any and all cheques, notes, drafts, acceptances, documents and other negotiable and non-negotiable instruments, documents and chattel paper taken or received by the Indenture Trustee in connection therewith and herewith; and

**8.20 Disclaimer of Marshalling**

In the event that the Security Interest shall become enforceable and the Indenture Trustee shall have determined or become bound to enforce the same, the Issuer covenants not to invoke the doctrine of marshalling or any other equitable principle for the purpose of requiring the Indenture Trustee to realize or to have realized on any particular asset forming part of the Collateral.

## ARTICLE IX
## THE INDENTURE TRUSTEE

**9.01 Certain Duties and Responsibilities**

(a) The Indenture Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture with respect to the Obligations Secured, and no implied covenants or obligations will be read into this Indenture against the Indenture Trustee.

(b) In the exercise of the rights and duties prescribed or conferred by the terms of this Indenture, the Indenture Trustee will act honestly and in good faith with a view to the best interests of the Specified Creditors as a whole and exercise that degree of care, diligence and skill that a reasonably prudent trustee would exercise in comparable circumstances.

(c) In the absence of bad faith on its part, the Indenture Trustee may, with respect to any Obligations Secured, conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Indenture Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Indenture Trustee, the Indenture Trustee will be under a duty to examine the same to determine whether or not they substantially conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of any mathematical calculations or other facts stated therein).

(d) No provision of this Indenture will be construed to relieve the Indenture Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this clause (d) will not be construed to limit the effect of subsection 9.01(a);

(ii) the Indenture Trustee will not be liable for any error of judgment made in good faith by a Responsible Officer of the Indenture Trustee, unless it will be proved that the Indenture Trustee was negligent in ascertaining the pertinent facts;

(iii) the Indenture Trustee will not be liable with respect to any action taken or omitted to be taken by it in good faith if so directed by Extraordinary Resolution, relating to the time, method and place of conducting any proceeding for any remedy available to the Indenture Trustee, or exercising any trust or power conferred upon the Indenture Trustee, under this Indenture with respect to the Obligations Secured; and

(iv) no provision of this Indenture will require the Indenture Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers.

(e) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Indenture Trustee will be subject to the provisions of this Section 9.01.

**9.02 Certain Rights of Indenture Trustee**

Except as otherwise provided in Section 9.01:

(a) the Indenture Trustee may conclusively rely and will be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or document (whether in its original, facsimile or other electronic form) believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) whenever in the administration of this Indenture the Indenture Trustee will deem it desirable that a matter be proved or established before taking, suffering or omitting any action hereunder, the Indenture Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's Certificate;

(c) the Indenture Trustee may consult with counsel of its own selection and the advice of such counsel or any Opinion of Counsel will be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(d) the Indenture Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Specified Creditors pursuant to this Indenture, unless such Specified Creditors shall have offered to the Indenture Trustee security or indemnity reasonably satisfactory to it against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

(e) the Indenture Trustee will not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or document, but the Indenture Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Indenture Trustee will determine to make such further inquiry or investigation, it will be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney;

(f) the Indenture Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Indenture Trustee will not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder;

(g) the Indenture Trustee will not be responsible for filing any financing statements or continuation statements in connection with the Obligations Secured or the Security Interest, but will cooperate with the Issuer in connection with the filing of such financing statements or amendments to such financing statements;

(h) the Indenture Trustee shall not be deemed to have notice of any default (including any Servicer Default or Event of Default) unless a Responsible Officer of the Indenture Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Indenture Trustee at the Corporate Trust Office of the Indenture Trustee, and such notice references the Issuer Funding Obligations and this Indenture;

(i) the rights, privileges, protections, immunities and benefits given to the Indenture Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Indenture Trustee in each of its capacities hereunder, and each agent, custodian and other person employed to act hereunder;

(j) the Indenture Trustee shall not be liable for any action taken, suffered or omitted to be taken by it in good faith and reasonably believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture;

(k) the Indenture Trustee shall be entitled to and may rely absolutely upon the Payment Instruction and the Indenture Trustee will have no obligation to calculate any amount due or owing or to be allocated as provided in this Indenture, including interest or principal for any Issuer Funding Obligations;

(l) the Indenture Trustee will be entitled to rely and act upon any direction, order, instruction, notice or communication provided to it under this Indenture which is sent to it by Electronic Methods. The Indenture Trustee shall have no liability for any losses, liabilities, costs or expenses incurred by it as a result of such reliance upon or compliance with such instructions or directions. The Issuer agrees: (i) to assume all risks arising out of the use of such Electronic Methods to submit instructions and directions to the Indenture Trustee, including without limitation the risk of the Indenture Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting instructions to the Indenture Trustee and that there may be more secure methods of transmitting instructions than the method(s) selected by the Issuer; and (iii) that the security procedures (if any) to be followed in connection with its transmission of instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and

(m) the Indenture Trustee will not be liable for any consequential, punitive or special damages.

**9.03 Not Responsible for Recitals or Issuer Funding Obligations**

The recitals contained herein and in the Funding Obligation Agreements, except the Certificates of Authentication, will be taken as the statements of the Issuer, and the Indenture Trustee assumes no responsibility for their correctness. The Indenture Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Funding Obligation Agreements. The Indenture Trustee will not be accountable for the use or application by the Issuer of Notes, Borrowings or the proceeds thereof.

**9.04 May Hold Notes**

The Indenture Trustee, the Issuer Trustee, any Paying Agent, the Note Registrar, the Manager or any other agent of the Issuer, in its individual or any other capacity, may become the owner or pledgee of Notes and, subject to subsection 9.07(e) and applicable legislation, may otherwise deal with the Issuer with the same rights it would have if it were not Indenture Trustee, Issuer Trustee, Paying Agent, Note Registrar, Manager or such other agent.

**9.05 Compensation and Reimbursement; Limit on Compensation Reimbursement and Indemnity**

(a) The Issuer agrees:

(i) to pay to the Indenture Trustee from time to time reasonable compensation (or, for so long as BNY Trust Company of Canada is the Indenture Trustee, such amount as has been mutually agreed upon in writing) for all services rendered by it hereunder (which compensation will not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(ii) except as otherwise expressly provided herein, to reimburse the Indenture Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Indenture Trustee in accordance with any provision of this Indenture (including the reasonable compensation and the reasonable expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to its own negligence or bad faith; and

(iii) to indemnify the Indenture Trustee for, and to hold it harmless against, any and all loss, liability, expense, claim, damage or injury incurred without negligence or bad faith on its part, arising out of or in connection with the acceptance or administration of the trusts hereunder, including the costs and expenses of defending itself against any claim or liability (whether asserted by the Issuer, any Specified Creditor or any other Person) in connection with the exercise or performance of any of its powers or duties hereunder.

The Indenture Trustee will have no recourse to any asset of the Issuer other than funds available pursuant to Section 7.04 or 8.13, or to any Person other than the Issuer.

(b) This Section 9.05 will survive the termination of this Indenture and the resignation or replacement of the Indenture Trustee under Section 9.07.

**9.06 Corporate Indenture Trustee Required; Eligibility**

There will at all times be an Indenture Trustee hereunder which will be either a bank, a trust company or a corporation organized and doing business under the laws of Canada or of any province or territory thereof, authorized under such laws to carry on a trust business as contemplated hereby in each of the provinces and territories of Canada. The Issuer may not, nor may any Person directly or indirectly controlling, controlled by, or under common control with the Issuer, serve as Indenture Trustee. If at any time the Indenture Trustee will cease to be eligible in accordance with the provisions of this Section 9.06, it will resign immediately in the manner and with the effect hereinafter specified in this Article IX.

**9.07 Resignation and Removal; Appointment of Successor**

(a) No resignation or removal of the Indenture Trustee and no appointment of a successor Indenture Trustee pursuant to this Article IX will become effective until the acceptance of appointment by the successor Indenture Trustee under Section 9.08.

(b) The Indenture Trustee may resign at any time by giving written notice thereof to the Issuer. If an instrument of acceptance by a successor Indenture Trustee shall not have been delivered to the Indenture Trustee within 30 days after the giving of such notice of resignation, the resigning Indenture Trustee may petition any court of competent jurisdiction for the appointment of a successor Indenture Trustee.

(c) The Indenture Trustee may be removed at any time by Ordinary Resolution of the Debtholders of Controlling Class Obligations delivered to the Indenture Trustee and to the Issuer. If an instrument of acceptance by a successor Indenture Trustee shall not have been delivered to the Indenture Trustee within 30 days after the giving of such notice of removal, the Indenture Trustee being removed may petition any court of competent jurisdiction for the appointment of a successor Indenture Trustee.

(d) If at any time:

(i) the Indenture Trustee ceases to be eligible under Section 9.06 and fails to resign after written request therefor by the Issuer or by any Debtholder of Controlling Class Obligations, or

(ii) the Indenture Trustee becomes incapable of acting, or

(iii) the Indenture Trustee is adjudged bankrupt or insolvent or a receiver of the Indenture Trustee or of its property is appointed, or any public officer takes charge or control of the Indenture Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any such case, (A) the Issuer may remove the Indenture Trustee, or (B) subject to Article XI, any Debtholder of Controlling Class Obligations who has been a *bona fide* Debtholder of Controlling Class Obligations for at least six (6) months may, on behalf of itself and all other Debtholders, petition any court of competent jurisdiction for the removal of the Indenture Trustee and the appointment of a successor Indenture Trustee.

(e) The Indenture Trustee shall resign if a material conflict of interest arises in its role as a trustee under this Indenture that is not eliminated within 90 days after the Indenture Trustee becomes aware that it has such a material conflict of interest. Forthwith after the Indenture Trustee becomes aware that it has a material conflict of interest, it shall provide the Issuer with written notice of the nature of that conflict. If, notwithstanding the foregoing provisions of this subsection 9.07(e), the Indenture Trustee has such a material conflict of interest, the validity and enforceability of this Indenture and of the Funding Obligation Agreements shall not be affected in any manner whatsoever by reason only of the existence of such material conflict of interest. If the Indenture Trustee contravenes the foregoing provisions of this subsection 9.07(e), any interested Person may apply to a court of competent jurisdiction for an order that the Indenture Trustee be replaced as trustee hereunder. The Indenture Trustee represents to the Issuer that at the time of the execution and delivery hereof no material conflict of interest exists in the Indenture Trustee's role as a fiduciary hereunder.

(f) If the Indenture Trustee resigns, is removed or becomes incapable of acting, or if a vacancy shall occur in the office of the Indenture Trustee for any cause, the Issuer will promptly appoint a successor Indenture Trustee. If, within one (1) year after

such resignation, removal or incapacity, or the occurrence of such vacancy, a successor Indenture Trustee is appointed by Ordinary Resolution of Debtholders of Controlling Class Obligations delivered to the Issuer and the retiring Indenture Trustee, the successor Indenture Trustee so appointed will, forthwith upon its acceptance of such appointment, become the successor Indenture Trustee and supersede the successor Indenture Trustee appointed by the Issuer. If no successor Indenture Trustee shall have been so appointed by the Issuer or Debtholders of Controlling Class Obligations and accepted in the manner hereinafter provided, any Debtholder of Controlling Class Obligations who has been a *bona fide* Debtholder of Controlling Class Obligations for at least six (6) months may, on behalf of itself and all other Debtholders, petition any court of competent jurisdiction for the appointment of a successor Indenture Trustee.

(g) The Issuer will give written notice of each resignation and each removal of the Indenture Trustee and each appointment of a successor Indenture Trustee to each Specified Creditor as provided in Article XV and to each Rating Agency. To facilitate delivery of such notice, upon request by the Issuer, the retiring Indenture Trustee shall provide to the Issuer a list of all Specified Creditors. Each notice will include the name of the successor Indenture Trustee and the address of its Corporate Trust Office.

(h) Upon such resignation, the Indenture Trustee shall be discharged from all further duties and liabilities under this Indenture.

**9.08 <u>Acceptance of Appointment by Successor</u>**

Every successor Indenture Trustee appointed hereunder will execute, acknowledge and deliver to the Issuer and to the predecessor Indenture Trustee an instrument accepting such appointment, with a copy to the Rating Agencies, and thereupon the resignation or removal of the predecessor Indenture Trustee will become effective, and such successor Indenture Trustee, without any further act, deed or conveyance, will become vested with all the rights, powers, trusts and duties of the predecessor Indenture Trustee; but, on request of the Issuer or the successor Indenture Trustee, such predecessor Indenture Trustee will, upon payment of its reasonable charges, if any, execute and deliver an instrument transferring to such successor Indenture Trustee all the rights, powers and trusts of the predecessor Indenture Trustee, and will duly assign, transfer and deliver to such successor Indenture Trustee all property and money held by such predecessor Indenture Trustee hereunder, subject nevertheless to its Lien, if any, provided for in Section 9.05. Upon request of any such successor Indenture Trustee, the Issuer will execute any and all instruments for more fully and certainly vesting in and confirming to such successor Indenture Trustee all such rights, powers and trusts.

No successor Indenture Trustee will accept its appointment unless at the time of such acceptance, such successor Indenture Trustee will be qualified and eligible under this Article IX.

**9.09 Merger, Conversion, Consolidation or Succession to Business**

Any corporation into which the Indenture Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Indenture Trustee shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Indenture Trustee, will be the successor of the Indenture Trustee hereunder, provided such corporation shall be otherwise qualified and eligible under this Article IX, without the execution or filing of any paper or any further act on the part of any of the parties hereto. The Indenture Trustee shall give prompt written notice of such merger, conversion, consolidation or succession to the Issuer and the Rating Agencies. In case any Notes shall have been authenticated, but not delivered, by the Indenture Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Indenture Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Indenture Trustee had itself authenticated such Notes.

**9.10 Trust Indenture Legislation**

(a) In this Article IX, the term "**applicable legislation**" means the provisions, if any, of the *Trust and Loan Companies Act* (Canada) and any other statute of Canada or a province thereof, and of regulations under any such statute, in each case, as amended, restated or re-enacted from time to time, relating to trust indentures and to the rights, duties and obligations of trustees under trust indentures and of entities issuing debt obligations under trust indentures, to the extent that in the opinion of counsel to the Issuer such provisions are at the time in force and applicable to this Indenture.

(b) If and to the extent that any provision of this Indenture limits, qualifies or conflicts with a mandatory requirement of applicable legislation, such mandatory requirement shall prevail.

(c) The Issuer and the Indenture Trustee agree that each will at all times in relation to this Indenture and any action to be taken hereunder, observe and comply with and be entitled to the benefits of applicable legislation.

**9.11 Representations and Covenants of the Indenture Trustee**

The Indenture Trustee represents, warrants and covenants that:

(a) the Indenture Trustee is a trust company organized, existing and in good standing under the laws of Canada;

(b) the Indenture Trustee has full power and authority to execute, deliver and perform this Indenture and has taken all necessary action to authorize the execution, delivery and performance by it of this Indenture and other documents to which it is a party;

(c) each of this Indenture and the other documents to which it is a party has been duly executed and delivered by the Indenture Trustee and constitutes its legal, valid and binding obligation in accordance with its terms; and

(d) the Indenture Trustee is authorized to carry on the business of a trust company in each of the provinces and territories of Canada. If, notwithstanding the provisions of this subsection 9.11(d), the Indenture Trustee ceases to be so authorized to carry on business, the validity and enforceability of this Indenture and the Funding Obligation Agreements shall not be affected in any manner whatsoever by reason only of such event.

**9.12 Indenture Trustee's Application for Instructions from the Issuer**

Any application by the Indenture Trustee for written instructions from the Issuer may, at the option of the Indenture Trustee, set forth in writing any action proposed to be taken or omitted by the Indenture Trustee under and in accordance with this Indenture and the date on and/or after which such action shall be taken or such omission shall be effective; provided that such application shall make specific reference to this Section 9.12. The Indenture Trustee shall not be liable for any action taken by, or omission of, the Indenture Trustee in accordance with a proposal included in such application on or after the date specified in such application (which date shall not be less than five (5) Business Days after the date the Issuer actually receives such application, unless the Issuer shall have consented in writing to any earlier date) unless prior to taking any such action (or the effective date in the case of an omission), the Indenture Trustee shall have received written instructions in response to such application specifying the action be taken or omitted.

**9.13 Appointment of Co-Trustee or Separate Indenture Trustee**

(a) Notwithstanding any other provisions of this Indenture, at any time, for the purpose of meeting any legal requirements of any relevant jurisdiction, the Indenture Trustee shall have the power and shall execute and deliver all instruments, subject to the prior written consent of the Manager, which consent shall not be unreasonably withheld, to appoint one or more Persons reasonably acceptable to the Issuer to act as a co-trustee or co-trustees, or separate trustee or separate trustees, of all or any part of the Issuer's property, and to vest in such Person or Persons, in such capacity and for the benefit of the Specified Creditors, such title to the Issuer's property, or any part thereof, and, subject to the other provisions of this Section 9.13, such powers, duties, obligations, rights and trusts as the Indenture Trustee may consider necessary or desirable. No co-trustee or separate trustee hereunder shall be required to meet the terms of eligibility as a successor trustee under Section 9.06 and no notice to Specified Creditors of the appointment of any co-trustee or separate trustee shall be required under Section 9.07.

(b) Every separate trustee and co-trustee shall, to the extent permitted by applicable law, be appointed and act subject to the following provisions and conditions:

(i) all rights, powers, duties and obligations conferred or imposed upon the Indenture Trustee shall be conferred or imposed upon and exercised or performed by the Indenture Trustee and such separate trustee or co-trustee jointly (it being understood that such separate trustee or co-trustee is not authorized to act separately without the Indenture Trustee joining in such act), except to the extent that under any law of any jurisdiction in which any

particular act or acts are to be performed, the Indenture Trustee shall be incompetent or unqualified to perform such act or acts, in which event such rights, powers, duties and obligations (including the holding of title to the Issuer's property or any portion thereof in any such jurisdiction) shall be exercised and performed singly by such separate trustee or co-trustee, but solely at the direction of the Indenture Trustee;

(ii) no trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder; and

(iii) the Indenture Trustee may at any time accept the resignation of or remove any separate trustee or co-trustee.

(c) Any notice, request or other writing given to the Indenture Trustee shall be deemed to have been given to each of the then separate trustees and co-trustees, as effectively as if given to each of them. Every instrument appointing any separate trustee or co-trustee shall refer to this Indenture and the conditions of this Article IX. Each separate trustee and co-trustee, upon its acceptance of the trusts conferred, shall be vested with the estates or property specified in its instrument of appointment, either jointly with the Indenture Trustee or separately, as may be provided therein, subject to all the provisions of this Indenture, specifically including every provision of this Indenture relating to the conduct of, affecting the liability of, or affording protection to, the Indenture Trustee. Every such instrument shall be filed with the Indenture Trustee.

(d) Any separate trustee or co-trustee may at any time appoint the Indenture Trustee, its agent or attorney-in-fact with full power and authority, to the extent not prohibited by applicable law, to do any lawful act under or in respect of this Indenture on its behalf and in its name. If any separate trustee or co-trustee shall die, become incapable of acting, resign or be removed, all of its estates, properties, rights, remedies and trusts shall vest in and be exercised by the Indenture Trustee, to the extent permitted by applicable law, without the appointment of a new or successor trustee.

**9.14 Preservation of Information; Communications to Debtholders**

(a) The Indenture Trustee will preserve, in as current a form as is reasonably practicable, the names and addresses of Registered Noteholders contained in the most recent list furnished to the Indenture Trustee as provided in Section 13.13 and the names and addresses of Registered Noteholders received by the Indenture Trustee in its capacity as Note Registrar. The Indenture Trustee may destroy any list furnished to it as provided in Section 13.13 upon receipt of a new list so furnished. The Indenture Trustee will also preserve, in as current a form as is reasonably practicable, the names and addresses of all other Specified Creditors received by the Indenture Trustee pursuant to subsections 5.01(f) and 5.03(b).

(b) If three or more Debtholders of any Class, Series or Tranche (hereinafter referred to as "**applicants**") (or, if there are less than three such Debtholders, all of the Debtholders) apply in writing to the Indenture Trustee, and furnish to the Indenture Trustee reasonable proof that each such applicant has owned an Issuer Funding Obligation of such Class, Series or Tranche for a period of at least six (6) months preceding the date of such application, and such application states that the applicants desire to communicate with all Debtholders (or such subset thereof as will be specified) with respect to their rights under this Indenture or under the applicable Issuer Funding Obligations and is accompanied by a copy of the form of proxy or other communication which such applicants propose to transmit, then the Indenture Trustee will, within five (5) Business Days after the receipt of such application, at its election, either:

(i) afford such applicants access to the information preserved at the time by the Indenture Trustee in accordance with subsection 9.14(a), or

(ii) inform such applicants as to the approximate number of Debtholders of all Issuer Funding Obligations (or such subset thereof as will be specified), as the case may be, whose names and addresses appear in the information preserved at the time by the Indenture Trustee in accordance with subsection 9.14(a) and as to the approximate cost of mailing to such Debtholders the form of proxy or other communication, if any, specified in such application.

If the Indenture Trustee shall elect not to afford such applicants access to such information, the Indenture Trustee shall, upon the written request of such applicants, mail to each applicable Lender and to each holder of a Registered Note of the applicable Classes, Series and Tranches whose names and addresses appear in the information preserved at the time by the Indenture Trustee in accordance with subsection 9.14(a), a copy of the form of proxy or other communication which is specified in such request, with reasonable promptness after a tender to the Indenture Trustee of the material to be mailed and of payment, or provision for the payment, of the reasonable expenses of mailing, unless, within five days after such tender, the Indenture Trustee shall mail to such applicants, together with a copy of the material to be mailed, a written statement to the effect that, in the opinion of the Indenture Trustee, such mailing would be contrary to the best interests of the Debtholders for which such mailing is intended or would be in violation of applicable law. Such written statement will specify the basis of such opinion.

(c) Every Debtholder agrees with the Issuer and the Indenture Trustee that neither the Issuer nor the Indenture Trustee will be held accountable by reason of the disclosure of any such information as to the names and addresses of the Debtholders in accordance with subsection 9.14(b), regardless of the source from which such information was derived, and that the Indenture Trustee will not be held accountable by reason of mailing any material pursuant to a request made under subsection 9.14(b).

## 9.15 Acceptance of Trusts by Indenture Trustee

The Indenture Trustee hereby accepts the trusts in this Indenture and agrees to perform the same upon the terms and conditions herein set forth.

## 9.16 Paying Agent

(a) The Paying Agent, on behalf of the Indenture Trustee, will make distributions to Specified Creditors from the Collection Account or other applicable Issuer Account pursuant to the provisions of this Indenture and any applicable Program Agreement and will report the amounts of such distributions to the Indenture Trustee. Any Paying Agent will have the revocable power to withdraw funds from the Collection Account or other applicable Issuer Account for the purpose of making the distributions referred to above.

(b) The Indenture Trustee may revoke such power and remove the Paying Agent if the Indenture Trustee determines in its sole discretion that the Paying Agent has failed to perform its obligations under this Indenture in any material respect. The Paying Agent upon removal will return all funds in its possession to the Indenture Trustee.

(c) The Issuer will cause each Paying Agent (other than the Indenture Trustee) to execute and deliver to the Indenture Trustee an instrument in which such Paying Agent will agree with the Indenture Trustee (and if the Indenture Trustee acts as Paying Agent, it so agrees), subject to the provisions of this Section 9.16, that such Paying Agent will:

(i) hold all sums held by it for the payment of principal of, interest, fees or other amounts in trust for the benefit of the Persons entitled thereto until such sums will be paid to such Persons or otherwise disposed of as herein provided;

(ii) if such Paying Agent is not the Indenture Trustee, give the Indenture Trustee notice of any default by the Issuer in the making of any such payment of principal or interest on any Issuer Funding Obligations;

(iii) if such Paying Agent is not the Indenture Trustee, at any time during the continuance of any such default, upon the written request of the Indenture Trustee, forthwith pay to the Indenture Trustee all sums so held in trust by such Paying Agent;

(iv) open and maintain appropriate records with respect to each Note; record by appropriate entries therein each payment made on account of interest, principal, fees and other amounts owing with respect to each such Note. For the purposes thereof, the Paying Agent shall provide to the Issuer and the Indenture Trustee satisfactory evidence of each payment as soon as practicable after making such payment. The failure to record, or any error in recording, any such payment shall not, however, limit or otherwise affect the obligations of the Issuer as to the principal amount or accrued interest

owing with respect to any Note. Such records of payment shall be conclusive evidence of the unpaid principal balance and interest owing in respect of the Notes in the absence of demonstrable error;

(v) immediately resign as a Paying Agent and, if such Paying Agent is not the Indenture Trustee, forthwith pay to the Indenture Trustee all sums held by it in trust for the payment of Issuer Funding Obligations if at any time it ceases to meet the standards described in this Section 9.16 required to be met by a Paying Agent at the time of its appointment; and

(vi) comply with all requirements of the Income Tax Act or any other applicable tax law with respect to the withholding from any payments made by it on any amounts contemplated under this Indenture of any applicable withholding taxes imposed thereon and with respect to any applicable reporting requirements in connection therewith.

(d) Each Paying Agent, if not OPG, will at all times have, or be a wholly owned subsidiary of a corporation which has, a combined capital and surplus of at least $50,000,000 and be subject to supervision or examination by a Canadian federal, provincial or territorial authority or be regulated by or subject to the supervision or examination of a Governmental Authority of a nation that is a member of the Organization for Economic Co-operation and Development. If such Paying Agent publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this subsection 9.16(d), the combined capital and surplus of such Paying Agent will be deemed to be its combined capital and surplus as set forth in its most recent report of condition as so published.

## ARTICLE X
## MEETINGS

### 10.01 Conduct of Meetings

Meetings of Debtholders of any Class, Series or Tranche, of all Issuer Funding Obligations or of all Controlling Class Obligations, as the case may be, may be convened, held and conducted in the following manner:

(a) At any time, and from time to time, the Indenture Trustee or the Issuer may, and the Indenture Trustee shall, on receipt of a written request of the Issuer or a requisition signed by Debtholders of a particular Class, Series or Tranche, of all Issuer Funding Obligations, **[of Controlling Class Obligations of a Series]** or of all Controlling Class Obligations (each of such groups of Debtholders being a "**Debtholder Group**"), as the case may be, holding at least 25% of the aggregate Outstanding Dollar Principal Amount of that Debtholder Group, convene a meeting of the Debtholders of that Debtholder Group. If the Indenture Trustee fails to convene a meeting after 30 days of being duly required by the Issuer or such Debtholders, the Issuer or such Debtholders may themselves convene such meeting

and, in the case of a meeting called by such Debtholders, the notice calling such meeting may be signed by such Person as those Debtholders specify. Every such meeting shall be held in the City of Toronto or such other place in Ontario, Canada as the Indenture Trustee may in any case determine or approve.

(b) At least 7 days' prior notice of any meeting shall be given to the Debtholders of the applicable Debtholder Group to which such meeting relates and to the Issuer, unless the meeting has been called by the Issuer, and such notice shall state the date, time and the place the meeting is to be held and shall specify, in general terms, the nature of the business to be transacted. It shall not be necessary to specify in the notice the text of the resolutions to be passed. Subject to Section 10.01(c), notices shall be given in the manner set forth in Article XV and a copy thereof shall be delivered to the Indenture Trustee unless the meeting has been called by it. It shall not be necessary to specify in the notice of any adjournment of a meeting the nature of the business to be transacted at the adjourned meeting. The non-receipt of any such notice by a Debtholder shall not invalidate any resolution passed at such meeting.

(c) At any meeting of a Debtholders Group, subject as herein provided, a quorum shall consist of two or more Persons present in person or by proxy holding either personally or as proxies not less than 25% of the Outstanding Dollar Principal Amount of the Issuer Funding Obligations of the applicable Debtholder Group entitled to vote at such meeting. If a quorum is not present on the date for which the meeting is called within 30 minutes after the time fixed for the holding of such meeting, the meeting shall be adjourned to be held at a place and upon a date and at an hour to be fixed by the Indenture Trustee who shall give not less than 7 days' notice of the date and time to which such meeting is to be adjourned and at such adjourned meeting a quorum shall consist of the Debtholders of that Debtholder Group then and there represented in person or by proxy and entitled to vote at such meeting.

(d) An individual, who need not be a Debtholder, nominated in writing by the Indenture Trustee shall be chairman of the meeting (a "**Chairman**"). If no individual is so nominated or if the individual nominated is not present within 25 minutes after the time fixed for the holding of the meeting, the Debtholders and proxies for Debtholders present shall choose one of their number to be Chairman.

(e) Every question submitted to a meeting, except matters requiring an Extraordinary Resolution, shall be decided by a majority of the votes given on a show of hands or, if a poll shall be requested as hereinafter provided, by a majority of the votes cast on the poll (in either case, an "**Ordinary Resolution**") and shall be binding on all Debtholders of the Debtholder Group. On a show of hands, each Debtholder who is present, whether in person or by proxy, will have one vote for every $1,000 of Outstanding Dollar Principal Amount of applicable Issuer Funding Obligations of which he or she shall be the Debtholder. A poll shall be taken on every Extraordinary Resolution and otherwise whenever requested by a Debtholder or its proxy. On a poll, each Debtholder shall have one vote for every $1,000 of Outstanding Dollar Principal Amount of applicable Issuer Funding Obligations of

which he or she shall be the Debtholder. Votes may be given in person or by proxy and a proxy need not be a Debtholder. If at any meeting a poll is so demanded as aforesaid on the election of a Chairman or on a question of adjournment, it shall be taken forthwith. If at any meeting a poll is so demanded on any other question, or an Extraordinary Resolution is to be voted upon, a poll shall be taken in such manner and either at once or after an adjournment as the Chairman directs. The result of a poll shall be deemed to be the decision of the meeting at which the poll was demanded and shall be binding on all Debtholders of the applicable Debtholder Group. In the case of joint Registered Noteholders, any one of them present in person or by proxy at the meeting may vote in the absence of the other or others but, if more than one of them is present in person or by proxy, they shall vote together in respect of the Notes of which they are joint Registered Noteholders.

**10.02 Powers Exercisable by Ordinary Resolution and Extraordinary Resolution**

(a) In addition to any powers hereinbefore given, Debtholders of a Class, Series or Tranche of Issuer Funding Obligations shall by Ordinary Resolution have the power to:

(i) require the Indenture Trustee (subject to receipt by the Indenture Trustee of reasonable funding and indemnity) to exercise or refrain from exercising any of the powers conferred upon it by this Indenture insofar as they apply solely to such Class, Series or Tranche or by the Related Funding Obligation Agreement;

(ii) sanction, insofar as they apply to the Class, Series or Tranche, the release of the Issuer from its covenants and obligations hereunder;

(iii) subject to the provisions of this Indenture or of the Related Funding Obligation Agreement, sanction any change whatsoever to any provision of the Issuer Funding Obligations of such Class, Series or Tranche which shall be agreed to by the Issuer and any modification, alteration, abrogation, compromise or arrangement of or in respect of the rights of the Debtholders of such Class, Series or Tranche or the Indenture Trustee against the Issuer, whether such rights shall arise under the provisions of this Indenture or otherwise;

(iv) subject to the provisions of this Indenture, assent to any modification of or change in or addition to or omission from the provisions contained in this Indenture, a Related Supplemental Indenture or any instrument ancillary or supplementary hereto or thereto, in each case, insofar as they apply to the Class, Series or Tranche, which shall be agreed to by the Issuer and to authorize the Indenture Trustee to concur in and execute any deed, instrument or agreement embodying any such modification, change, addition or omission or any other deeds, documents or writings authorized by such Ordinary Resolution; provided that no such assent shall be

necessary for any modification of or change in or addition otherwise permitted hereunder or under a Related Supplemental Indenture; and

(v) take any other Action authorized by this Indenture or a Related Supplemental Indenture to be taken by Ordinary Resolution of the Debtholders of a Class, Series or Tranche of Issuer Funding Obligations.

(b) In addition to any powers hereinbefore given, Debtholders of the Controlling Class Obligations shall by Extraordinary Resolution have the power to:

(i) after the Security Interest has become enforceable, authorize the Indenture Trustee to accept, in satisfaction or partial satisfaction, all or any part of the Collateral;

(ii) after the Security Interest has become enforceable, sanction the selling of the Collateral or any part thereof or interest therein;

(iii) after the Security Interest has become enforceable, authorize the Indenture Trustee or any other Person to bid or tender at any sale of the Collateral or any part thereof and take such actions in connection with such sale as it determines to be in the best interests of all Debtholders of Controlling Class Obligations;

(iv) assent to any compromise or arrangement by the Issuer with any creditor, creditors or class or classes of creditors or with the holders of any securities of the Issuer whose claims are payable from the Collateral;

(v) restrain any Debtholder from taking or instituting any suit, action or proceeding for the purpose of realizing on the Collateral or for the execution of any trust or power hereunder or for the appointment of a liquidator, receiver or trustee in bankruptcy or to have the Issuer liquidated or for any other remedy hereunder and to direct such Debtholder to waive any Event of Default on which any suit or proceeding is founded;

(vi) require the Indenture Trustee (subject to receipt by the Indenture Trustee of reasonable funding and indemnity) to exercise or refrain from exercising any other powers conferred upon it by this Indenture of general application to all Classes of Issuer Funding Obligations, including the exercise of any rights of the Issuer under any of the Program Agreements upon the occurrence and during the continuance of an Event of Default, or cancel any declaration of acceleration made pursuant to Article VIII upon such terms and/or conditions as may be decided;

(vii) authorize the Indenture Trustee, in the event of the Issuer making an authorized assignment or proposal or in the event of an administrator, trustee, receiver or liquidator being appointed under any applicable bankruptcy or insolvency legislation for and on behalf of all Specified Creditors and, in addition to any claim or debt provided or made for its own

account as Indenture Trustee hereunder, to file and prove a claim or debt against the Issuer or its property for an amount equivalent to the aggregate amount which may be payable in respect of all Issuer Funding Obligations, to value the Collateral, and to vote such claim or debt at meetings of creditors and generally act for and on behalf of all Debtholders in such proceedings as such Extraordinary Resolution may provide;

(viii) appoint a committee with power and authority (subject to such limitations, if any, as may be prescribed in such Extraordinary Resolution) to exercise, and to direct the Indenture Trustee to exercise, on behalf of all Debtholders of Controlling Class Obligations, such of the powers of such Debtholders as are exercisable by Extraordinary Resolution or other resolution as shall be included in the Extraordinary Resolution appointing the committee. The Extraordinary Resolution making such appointment may provide for payment of the expenses and disbursements of and compensation to such committee from the Collateral. Such committee shall consist of such number of Persons as shall be prescribed in the Extraordinary Resolution appointing it and the members need not themselves be Debtholders. Each such committee may elect a chairman and may make regulations respecting its quorum, the calling of its meetings, the filling of vacancies occurring in its number and its procedures generally. Such regulations may provide that the committee may act at a meeting at which a quorum is present or may act by minutes signed by the number of members thereof necessary to constitute a quorum. All acts of any such committee within the authority delegated to it shall be binding upon all Debtholders. Neither the committee nor any member thereof shall be liable for any loss arising from or in connection with any action taken or omitted to be taken by them in good faith;

(ix) take any other action authorized by this Indenture to be taken by Extraordinary Resolution; and

(x) permit the creation of any Lien on the Collateral that is prior to the Security Interest.

(c) The foregoing powers shall be deemed to be several and cumulative and not dependent on each other and the exercise of one or more of such powers, or any combination of such powers, from time to time, shall not be deemed to exhaust the rights of the Debtholders to exercise such power or powers, or combinations of powers, thereafter from time to time. No powers exercisable by Extraordinary Resolution shall derogate in any way from any rights of the Issuer under or pursuant to this Indenture. The Issuer shall give the Rating Agency notice of any Extraordinary Resolution adopted.

**10.03 Extraordinary Resolution**

An Extraordinary Resolution, adopted in accordance with the provisions hereof, shall be binding upon each and every Debtholder and each other Specified Creditor and their respective

heirs, executors, administrators, successors and assigns, whether present or absent, and the Indenture Trustee (subject to the provisions for funding and its indemnity herein contained) shall be bound to give effect thereto accordingly.

Except as expressly provided to the contrary in this Indenture, no action shall be taken at a meeting of the Debtholders of a Debtholder Group which changes any provision of this Indenture or changes or prejudices the exercise of any right of any Debtholder except by Extraordinary Resolution of the Debtholders of Controlling Class Obligations.

**10.04 Declaration by Chairman of Result of Vote**

At any meeting of the Debtholders of any Debtholder Group in cases where no poll is required or requested, a declaration made by the Chairman that a resolution has been carried, or carried by any particular majority, or lost, shall be conclusive evidence thereof.

**10.05 Minutes**

Minutes of all resolutions and proceedings at every such meeting, as aforesaid, shall be made and duly entered in books to be provided from time to time for that purpose by an agent of the Issuer at the expense of the Issuer and any such minutes, as aforesaid, if signed by the Chairman of the meeting at which such resolutions were passed or proceedings had shall be *prima facie* evidence of the matters therein stated and, until the contrary is proved, every such meeting in respect of the proceedings of which minutes shall have been made shall be deemed to have been duly held and convened and all resolutions passed or proceedings had thereat to have been duly passed and had.

**10.06 Signed Instruments**

Any resolution or instrument signed in one or more counterparts by (a) Debtholders holding not less than 50% of the aggregate Outstanding Dollar Principal Amount of Issuer Funding Obligations of a Debtholder Group, in the case of matters capable of being decided by Ordinary Resolution, and (b) Debtholders holding not less than 66⅔% of the aggregate Outstanding Dollar Principal Amount of Issuer Funding Obligations of all Controlling Class Obligations in the case of matters required to be decided by Extraordinary Resolution, shall, in either case, have the same force and effect as a resolution duly passed at a meeting of such Debtholders by the affirmative vote of all of the votes cast upon a poll. Notice of any Ordinary Resolution or Extraordinary Resolution passed in accordance with this Section 10.06 shall be given by the Indenture Trustee to all applicable Debtholders within 30 days of the date on which such Ordinary Resolution or Extraordinary Resolution was passed.

**10.07 Persons Who May Attend**

Each Debtholder, by their respective officers, directors, employees, and the legal advisers of such parties, may attend any meeting of Debtholders.

**10.08 Binding Effect of Resolutions**

Every Ordinary Resolution and every Extraordinary Resolution passed in accordance with the provisions of this Article X at a meeting of Debtholders of a Debtholder Group will be binding upon all of the Debtholders of such Debtholder Group whether present at or absent from such meeting, and every instrument in writing signed by Debtholders in accordance with Section 10.06 will be binding upon all of the Debtholders of such Debtholder Group, whether signatories thereto or not, and the Indenture Trustee will be bound to give effect accordingly to every such Ordinary Resolution, Extraordinary Resolution and instrument in writing. For greater certainty, any Extraordinary Resolution shall bind all Debtholders in accordance with Section 10.03.

**10.09 Notes Regarded as Not Outstanding for Certain Purposes**

If, in the opinion of the Indenture Trustee and upon receipt of an Issuer Certificate in respect of the following, any business to be transacted at any meeting of Debtholders or any action to be taken or power exercised by instrument in writing under Section 10.06 does not materially adversely affect the rights of the Debtholders of one or more particular Class, Series or Tranche of Issuer Funding Obligations, the provisions of this Article X shall apply as if the Issuer Funding Obligations of that Class, Series or Tranche were not outstanding, and no notice of any such meeting need be given to the Debtholders of that Class, Series or Tranche.

## ARTICLE XI
## SUPPLEMENTAL INDENTURES

**11.01 Supplemental Indentures and Amendments Without Consent of Specified Creditors**

Without the consent of Specified Creditors but with 10 Business Days' prior notice to each Rating Agency, the Issuer and the Indenture Trustee, at any time and from time to time, and upon delivery by the Issuer to the Indenture Trustee of an Issuer Certificate to the effect that the Issuer reasonably believes that such amendment will not have an Adverse Effect and is not reasonably expected to have an Adverse Effect at any time in the future, the Issuer may amend this Indenture, including any Supplemental Indenture or enter into one or more Supplemental Indentures, in form satisfactory to the Indenture Trustee, for any of the following purposes:

(a) to evidence the succession or successive successions of another Financing Entity to the Issuer, and the assumption by any such successor of the covenants of the Issuer herein and in the Notes; or

(c) to cure any ambiguity, to correct or supplement any provision herein which may be inconsistent with any other provision herein, to correct a clear clerical or administrative error, or to make any other provisions with respect to matters or questions arising under this Indenture; or

(d) to provide for the issuance of any Series or Tranche of Notes as provided in Article IV and Article V and to set forth the terms thereof, and/or to add to the rights of the Noteholders of any Class, Series or Tranche; or

(e) to evidence and provide for the acceptance of appointment by another corporation as a successor Indenture Trustee hereunder; or

(f) to add any additional Events of Default in respect of any or all Classes, Series or Tranches of Issuer Funding Obligations; or

(g) to provide for the consolidation of any Financing Entity and the Issuer into a single Person or the transfer of assets in any Financing Entity to the Issuer; or

(h) if IESO is replaced under the Master Transfer and Servicing Agreement as Servicer, to make any necessary changes to this Indenture or any other related document; or

(i) to provide for additional forms of Credit Enhancement for any Class, Series or Tranche of Issuer Funding Obligations; or

(j) to comply with any regulatory, accounting, securities or tax laws, rules, regulations or requirements, or changes to Rating Agency ratings criteria; or

(l) to qualify for sale treatment under generally accepted accounting principles.

Additionally, notwithstanding any provision of this Article XI to the contrary and in addition to clauses (a) through (l) above, the Issuer and the Indenture Trustee may amend this Indenture, including any Supplemental Indenture, without the consent of any Specified Creditor, to modify, eliminate or add to the provisions of this Indenture (i) to facilitate compliance with any amendment to any change of law or regulation which applies to the Issuer or the transactions governed by the Program Agreements, or (ii) to cause the provisions hereof to conform to or be consistent with or in furtherance of the statements made with respect to this Indenture in any applicable offering document; in each case, provided that the Issuer shall deliver to the Indenture Trustee an Issuer Certificate to the effect that (A) the Issuer reasonably believes that such amendment will not have an Adverse Effect and is not reasonably expected to have an Adverse Effect at any time in the future or (B) such amendment is required to remain in compliance with any change of law or regulation which applies to the Issuer or the transactions governed by the Program Agreements, or such amendment is required to cause the provisions hereof to conform to or be consistent with or in furtherance of the statements made with respect to this Indenture in any applicable offering document.

Additionally, notwithstanding any provision of this Article XI to the contrary and in addition to clauses (a) through (l) above and the immediately preceding paragraph, this Indenture, including any Supplemental Indenture, may also be amended by the Issuer and the Indenture

Trustee, without the consent of any Specified Creditor, for the purpose of (i) adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Indenture or any Supplemental Indenture or (ii) modifying in any manner the rights of the Specified Creditors under this Indenture or any Supplemental Indenture; provided, however, that (A) the Issuer shall deliver to the Indenture Trustee an Issuer Certificate to the effect that the Issuer reasonably believes that such amendment will not have an Adverse Effect and is not reasonably expected to have an Adverse Effect at any time in the future, and (B) the Rating Agency Condition shall be satisfied.

Additionally, notwithstanding any provision of this Article XI to the contrary and in addition to clauses (a) through (l) above and the immediately preceding paragraphs, this Indenture, including any Supplemental Indenture, may also be amended by the Issuer and the Indenture Trustee, without the consent of any Specified Creditor, to provide for those changes necessary for compliance with securities law requirements or banking laws or regulations; provided, however, that (i) the Issuer shall deliver to the Indenture Trustee an Issuer Certificate to the effect that the Issuer reasonably believes that such amendment will not have an Adverse Effect and is not reasonably expected to have an Adverse Effect at any time in the future, and (ii) the Rating Agency Condition shall be satisfied.

The Issuer shall send a copy of any amendment to this Indenture or any Supplemental Indenture to each Rating Agency.

The Indenture Trustee may, but shall not be obligated to, enter into any amendment which adversely affects the Indenture Trustee's rights, duties, benefits, protections, privileges or immunities under this Indenture or otherwise.

**11.02 Supplemental Indentures and Amendments with Consent of Debtholders**

In addition to any amendment permitted pursuant to Section 11.01, with prior notice to each Rating Agency and the consent of Debtholders of each Class, Series or Tranche of Issuer Funding Obligations affected by such amendment of this Indenture, including any Supplemental Indenture, by Ordinary Resolution delivered to the Issuer and the Indenture Trustee, the Issuer and the Indenture Trustee may enter into an amendment of this Indenture or any Supplemental Indenture for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Indenture or of modifying in any manner the rights of the Debtholders of each such Class, Series or Tranche of Issuer Funding Obligations under this Indenture or any Supplemental Indenture; provided, however, that no such amendment of this Indenture or any Supplemental Indenture will, without the consent of each Debtholder of Issuer Funding Obligations affected thereby:

(a) change the scheduled payment date of any payment of interest on any Issuer Funding Obligation, or change a Principal Payment Due Date or Principal Payment Default Date of any Issuer Funding Obligation;

(b) reduce the principal amount of, or the interest rate on any Note, or change the method of computing the Outstanding Dollar Principal Amount, the Outstanding Currency Specific Dollar Principal Amount or the Outstanding Dollar Principal Amount in a manner that is adverse to any Debtholders;

(c) reduce the amount of a Discount Note payable upon its acceleration;

(d) reduce the percentage in Outstanding Dollar Principal Amount of Issuer Funding Obligations of any Class, Series or Tranche, the consent of whose holders is required for any such amendment, or the consent of whose holders is required for any waiver of compliance with the provisions of this Indenture or of defaults hereunder and their consequences, provided for in this Indenture;

(e) modify any of the provisions of this Section 11.02 or Section 8.03, except to increase any percentage of Debtholders required to consent to any such amendment or to provide that other provisions of this Indenture cannot be modified or waived without the consent of the Debtholders affected thereby;

(f) change any Place of Payment where any principal of, or interest on, any Note is payable, unless otherwise provided in the Related Supplemental Indenture; or

(g) change the method of computing the amount of principal of, or interest on, any Note on any date.

An amendment of this Indenture or a Supplemental Indenture which changes or eliminates any covenant or other provision of this Indenture which has expressly been included solely for the benefit of one or more particular Classes, Series or Tranches of Issuer Funding Obligations, or which modifies the rights of the Debtholders of such Class, Series or Tranche with respect to such covenant or other provision, will be deemed not to affect the rights under this Indenture of the Debtholders of any other Class, Series or Tranche of Issuer Funding Obligations.

It will not be necessary for any Ordinary Resolution under this Section 11.02 to approve the particular form of any proposed amendment or Supplemental Indenture, but it will be sufficient if such Ordinary Resolution will approve the substance thereof.

**11.03 Execution of Amendments and Supplemental Indentures**

In executing or accepting the additional trusts created by any amendment of this Indenture or Supplemental Indenture permitted by this Article XI or the modifications thereby of the trusts created by this Indenture, the Indenture Trustee will be provided with, and (subject to Section 9.01) will be fully protected in relying upon, an Opinion of Counsel stating that the execution of such amendment or Supplemental Indenture is authorized or permitted by this Indenture and that all conditions precedent thereto have been satisfied. The Indenture Trustee may, but will not (except to the extent required in the case of an amendment or Supplemental Indenture entered into under subsection 11.01(e)) be obligated to, enter into any such amendment or Supplemental Indenture which affects the Indenture Trustee's own rights, duties or immunities under this Indenture or otherwise.

**11.04 Effect of Amendments and Supplemental Indentures**

Upon the execution of any amendment of this Indenture or any Supplemental Indenture under this Article XI, this Indenture and/or such Supplemental Indenture will be modified in accordance therewith with respect to each Class, Series or Tranche of Issuer Funding Obligations

(b) The Issuer (i) will diligently pursue any and all actions to enforce its rights under each instrument or agreement included in the Collateral and (ii) will not take any action and will use its best efforts not to permit any action to be taken by others that would release any Person from any of such Person's covenants or obligations under any such instrument or agreement or that would result in the amendment, hypothecation, subordination, termination or discharge of, or impair the validity or effectiveness of, any such instrument or agreement, except, in each case, as expressly provided in this Indenture, the Master Transfer and Servicing Agreement or any other Program Agreement.

(c) The Issuer will enforce the Servicer's compliance with and performance of all of the Servicer's material obligations under the Master Transfer and Servicing Agreement. **13.11 Payment Instruction**

Promptly after the receipt by the Issuer of each Monthly Report under the Master Transfer and Servicing Agreement, the Issuer will, in cooperation with the Manager, complete the Payment Instruction and deliver a copy thereof to the Indenture Trustee and the Paying Agent (if the Paying Agent is not the Indenture Trustee).

**13.12 Notice of Events of Default**

**13.14 Other Positive Covenants**

The Issuer will:

(a) in the event that the Issuer shall be required to file tax returns, the Manager shall prepare or shall cause to be prepared such tax returns and shall provide such tax returns to the Issuer for signature at least five (5) Business Days before such tax returns are due to be filed. ~~of a Series, Class or Tranche are issuable in whole or in part as Bearer Notes~~**In addition**, any Action provided by this Indenture to be given or taken by such Noteholders may, alternatively, be embodied in and evidenced by the record of such Noteholders voting in favor thereof, either in person or by proxies duly appointed in writing, at any meeting of Noteholders duly called and held in accordance with the provisions of Article X or a combination of such instruments and any such record. Except as herein otherwise expressly provided, such Action will become effective when such instrument or instruments or record are delivered to the Indenture Trustee, and, where it is hereby expressly required, to the Issuer. Proof of execution of any such instrument or of a writing appointing any such agent, or the holding by any Person of a Note, will be sufficient for any purpose of this Indenture and (subject to Section 9.01) conclusive in favor of the Indenture Trustee and the Issuer, if made in the manner provided in this Section 1.04. The record of any meeting of Noteholders shall be proved in the manner provided in Article X.

(b) ~~The fact and date of the execution by any Person of any such instrument or writing may be proved by the affidavit of a witness to such execution or by the certificate of any notary public or other officer authorized by applicable law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to him the execution thereof. Where such execution is by an officer of a corporation or limited liability company, or a partner of a partnership, on behalf of such corporation, limited liability company or partnership, such certificate or affidavit will also constitute sufficient proof of his or her authority.~~ The fact and date of the execution of any such instrument or writing, or the authority of the person executing the same, may ~~also~~ be proved in any ~~other~~ manner which the Indenture Trustee deems sufficient.

(c) (i) The ownership of Registered Notes will be proved by the Note Register.

Each such certificate will be dated and will state that on the date thereof a Bearer Note or coupon bearing a specified serial number was deposited with or exhibited to such bank, trust company or recognized securities dealer by the Person named in such certificate. Any such certificate may be issued in respect of one or more Bearer Notes or coupons specified therein. (d) The fact and date of execution of any such instrument or writing, the authority of the Person executing the same and the principal amount and serial numbers of Bearer Notes held by the Person so executing such instrument or writing and the date of holding the same may also be proved in any other manner which the Indenture Trustee deems sufficient; and the Indenture Trustee may in any instance require further proof with respect to any of the matters referred to in this Section 1.04.

(e) If the Issuer will solicit from the Noteholders any Action, the Issuer may, at its option, by an Issuer Certificate, fix in advance a record date for the determination of Noteholders entitled to give such Action, but the Issuer will have no obligation to do so. If the Issuer does not so fix a record date, such record date will be the later of 30 days before the first solicitation of such Action or the date of the most recent list of Noteholders furnished to the Indenture Trustee pursuant to Section 13.13 before such solicitation. Such Action may be given before or after the record date, but only the Noteholders of record at the close of business on the record date will be deemed to be Noteholders for the purposes of determining whether Noteholders of the requisite proportion of Outstanding Notes have authorized or agreed or consented to such Action, and for that purpose the Outstanding Notes will be computed as of the record date; provided that no such authorization, agreement or consent by the Noteholders on the record date will be deemed effective unless it will become effective pursuant to the provisions of this Indenture not later than 6 months after the record date.

(f) Any Action by a Noteholder will bind the holder of every Note issued upon the transfer thereof or in exchange therefor or in lieu thereof, in respect of anything done or suffered to be done by the Indenture Trustee or the Issuer in reliance thereon whether or not notation of such Action is made upon such Note.

(g) Without limiting the foregoing, a Noteholder entitled hereunder to take any Action hereunder with regard to any particular Note may do so with regard to all or any part of the principal amount of such Note or by one or more duly appointed agents each of which may do so pursuant to such appointment with regard to all or any part of such principal amount. Any notice given or Action taken by a Noteholder or its agents with regard to different parts of such principal amount pursuant to this paragraph shall have the same effect as if given or taken by separate Noteholders of each such different part.

(h) Without limiting the generality of the foregoing, unless otherwise specified ~~pursuant to Section 4.01 or~~ pursuant to one or more Supplemental Indentures, a Noteholder, including a Depository that is the holder of a Global Note, may make, give or take, by a proxy or proxies duly appointed in writing, any Action provided in this Indenture to be made, given or taken by Noteholders, and a Depository that is the holder of a Global Note may provide its proxy or proxies to the beneficial owners of interests in or security entitlements to any such Global Note through such Depository's standing instructions and customary practices.

If such a record date is fixed, the Noteholders on such record date or their duly appointed proxy or proxies, and only such Persons, shall be entitled to make, give or take such Action, whether or not such Noteholders remain Noteholders after such record date. No such Action shall be valid or effective if made, given or taken more than ~~90~~**six months** days after such record date.

**1.05 Actions of Other Specified Creditors**

Any Action provided by this Indenture to be given or taken by any Specified Creditor (other than Noteholders) may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Specified Creditor in person or an agent duly appointed in writing. Proof of execution of any such instrument or of a writing appointing any such agent will be sufficient for any purpose of this Indenture and (subject to Section 9.01) conclusive in favour of the Indenture Trustee and the Issuer, if made in the manner provided in Section 1.04(b).

The Article and Section headings herein and the Table of Contents are for convenience only and will not affect the construction hereof.

**1.07 Successors and Assigns**

All covenants and agreements in this Indenture by the Issuer will bind its successors and assigns, whether so expressed or not. All covenants and agreements of the Indenture Trustee in this Indenture shall bind its successors, co-trustees and agents of the Indenture Trustee.

**1.08 Severability**

**1.13 Interest Act**

For the purpose of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest to which any rate of interest payable under this Indenture that is calculated on any basis other than a full calendar year is equivalent may be determined by multiplying such rate by a fraction, the numerator of which is the actual number of days in the calendar year in which such yearly rate of interest is to be ascertained and the denominator of which is the number of days comprising such other basis. The parties further agree that for the purposes of the *Interest Act* (Canada), (i) the principle of deemed reinvestment of interest shall not apply to any interest calculation under this Indenture or the Notes, and (ii) the rates of interest stipulated in this Indenture or the Notes are intended to be nominal rates and not effective rates or yields.

**2.10 Certain Commercial Law Representations and Warranties**

The Issuer hereby makes the following representations and warranties. Such representations and warranties shall survive until the termination of this Indenture. within 90 days after the Issuer receives such notice or becomes aware of such ineligibility, the Issuer will execute, and the Indenture Trustee or its agent, upon receipt of an Issuer Certificate requesting the authentication and delivery of individual Notes of such **Class,** Series~~, Class~~ or Tranche in exchange for such Global Note, will authenticate and deliver, individual Notes of such **Class,** Series~~, Class~~ or Tranche of like tenor and terms in **definitive form in** an aggregate Stated Principal Amount equal to the Stated Principal Amount of the Global Note in exchange for such Global Note.

**3.05 Temporary Global Notes and Permanent Global Notes**

(a) If specified in the Related Supplemental Indenture for any ~~Tranche~~**Series**, all or any portion of a Global Note may initially be issued in the form of a single temporary global Bearer Note or Registered Note (the "**Temporary Global Note**"), without interest coupons, in the denomination of the entire aggregate principal amount of such Series~~, Class or Tranche~~ and substantially in the form set forth in the exhibit with respect thereto attached to the Related Supplemental Indenture. The Temporary Global Note will be authenticated by the Indenture Trustee upon the same conditions, in substantially the same manner and with the same effect as the Notes in definitive form. The Temporary Global Note may be exchanged as described below or in the Related Supplemental Indenture for permanent global Bearer Notes or Registered Notes (the "**Permanent Global Notes**").

(b) Unless otherwise provided in the Related Supplemental Indenture, exchanges of beneficial interests in or security entitlements to Temporary Global Notes for beneficial interests in or security entitlements to Permanent Global Notes will be made as provided in this subsection 3.05(b). The Manager will, upon its determination of the date of completion of the distribution of the Notes of such Series~~, Class or Tranche~~, so advise the Indenture Trustee, the Issuer, the Foreign Depository, and each foreign clearing agency forthwith. The Issuer may waive the 500,000 minimum denomination requirement if it so elects. Upon any demand for exchange for Permanent Global Notes in accordance with this subsection 3.05(b), the Issuer will cause the Indenture Trustee to authenticate and deliver the Permanent Global Notes to the Noteholder (x) outside Canada or the United States, in the case of Bearer Notes and (y) according to the instructions of the Noteholder, in the case of Registered Notes. Upon receipt of such certification, the Indenture Trustee will cause the Temporary Global Note to be endorsed in accordance with subsection 3.05(d). Any exchange as provided in this Section 3.05 will be made free of charge to the Noteholders and the beneficial owners of the Temporary Global Note and to the beneficial owners of the Permanent Global

(d) Upon any such exchange of all or a portion of the Temporary Global Note for a Permanent Global Note(s), such Temporary Global Note will be endorsed by or on behalf of the Indenture Trustee to reflect the reduction of its principal amount by an amount equal to the aggregate principal amount of such Permanent Global Note(s). Until so exchanged in full, such Temporary Global Note will in all respects be entitled to the same benefits under this Indenture as Permanent Global Notes authenticated and delivered hereunder except that the beneficial owners of such Temporary Global Note will not be entitled to receive payments of interest on the Notes until they have exchanged their beneficial interests in or security entitlements to such Temporary Global Note for Permanent Global Notes.

**3.07 Notices to Depository**

Whenever any notice or other communication is required to be given to Noteholders with respect to which book-entry Notes have been issued, unless and until Notes in definitive form will have been issued to the related Note Owners, the Indenture Trustee will give all such notices and communications to the applicable clearing agency or Depository.

**3.08 CUSIP Numbers**

In issuing the Notes, the Issuer may use "CUSIP" numbers (if then generally in use), and, if so, the Indenture Trustee shall use such CUSIP numbers in notices of redemption as a convenience to Noteholders; provided that, subject to Section 9.01, any such notice may state that (a) no representation is made as to the correctness of such CUSIP numbers as printed on the related Notes or as contained in any notice of redemption, (b) reliance may be placed only on the other identification numbers, if any, printed on the Notes and (c) any such redemption shall not be affected by any defect in or omission of such CUSIP numbers. **(g)** ~~(i)~~ The Notes of each **Class,** Series~~, Class~~ or Tranche will be distinguished from the Notes of each other **Class,** Series~~, Class~~ or Tranche in such manner, reasonably satisfactory to the Indenture Trustee, as the Issuer may determine.

**(h)** ~~(j)~~ Any terms or provisions in respect of the Notes of any **Class,** Series~~, Class~~ or Tranche issued under this Indenture may be determined pursuant to this Section 4.01 by providing in the Related Supplemental Indenture for the method by which such terms or provisions will be determined.

**4.02 Denominations**

The Notes of each Series~~, Class~~ or Tranche will be issuable in such denominations and currency as will be provided in the provisions of this Indenture or in or pursuant to the Related Supplemental Indenture. (b) Notes bearing the manual, facsimile or other electronic signatures of individuals who were at any time a Responsible Officer of the Issuer will bind the Issuer, notwithstanding that such individuals or any of them have ceased to hold such offices before the authentication and delivery of such Notes or did not hold such offices at the date of issuance of such Notes.

(c) At any time and from time to time after the execution and delivery of this Indenture, the Issuer may deliver Notes executed by the Issuer to the Indenture Trustee for authentication; and the Indenture Trustee will, upon request by an Issuer Certificate, authenticate and deliver such Notes as provided in this Indenture and not otherwise.

(d) Before any such authentication and delivery, the Indenture Trustee will be entitled to receive, in addition to any Officer's Certificate and Opinion of Counsel required to be furnished to the Indenture Trustee pursuant to Section 1.02, the Issuer Certificate and any other opinion or certificate relating to the issuance of the Series~~, Class~~ or Tranche of Notes required to be furnished pursuant to Section 3.02 or Article V.

(e) The Indenture Trustee will not be required to authenticate such Notes if the issue thereof will adversely affect the Indenture Trustee's own rights, duties or immunities under the Notes and this Indenture.

(f) Unless otherwise provided in the form of Note for any Series~~, Class~~ or Tranche, all Notes will be dated the date of their authentication.

(g) No Note will be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Note a Certificate of Authentication executed by the Indenture Trustee by manual signature of an authorized signatory, and such certificate upon any Note will be conclusive

evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder.

**4.04 Temporary Notes**

(a) Pending the preparation of definitive Notes of any Series~~, Class~~ or Tranche, the Issuer may execute, and, upon receipt of the documents required by Section 4.03, the Indenture Trustee will authenticate and deliver, temporary Notes which are printed, lithographed, typewritten, mimeographed or otherwise produced, in any authorized denomination, substantially of the tenor of the definitive Notes in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the Issuer may determine, as evidenced by the Issuer's execution of such Notes.

(b) If temporary Notes of any Series~~, Class~~ or Tranche are issued, the Issuer will cause definitive Notes of such Series~~, Class~~ or Tranche to be prepared without unreasonable delay. After the preparation of definitive Notes, the temporary Notes of such Series~~, Class~~ or Tranche will be exchangeable for definitive Notes of such Series~~, Class~~ or Tranche upon surrender of the temporary Notes of such Series~~, Class~~ or Tranche at the office or agency of the Issuer in a Place of Payment, without charge to the Noteholder; and upon surrender for cancellation of any one or more temporary Notes the Issuer will execute and the Indenture Trustee will authenticate and deliver in exchange therefor a like Stated Principal Amount of definitive Notes of such Series~~, Class~~ or Tranche of authorized denominations and of like tenor and terms. Until so exchanged the temporary Notes of such Series~~, Class~~ or Tranche will in all respects be entitled to the same benefits under this Indenture as definitive Notes of such Series~~, Class~~ or Tranche.

**4.05 Registration, Transfer and Exchange**

(a) The Issuer will keep or cause to be kept a register (herein sometimes referred to as the "**Note Register**") in which, subject to such reasonable regulations as it may prescribe, the Issuer will provide for the registration of Registered Notes, or of Registered Notes of a particular **Class,** Series~~, Class~~ or Tranche, and for transfers of Registered Notes or of Registered Notes of such **Class,** Series~~, Class~~ or Tranche. Any such register will be in written form or in any other form capable of being converted into written form within a reasonable time. At all reasonable times, the information contained in such register or registers will be available for inspection by the Indenture Trustee at the office or agency to be maintained by the Issuer as provided in Section 13.03.

(b) Subject to Section 3.04, upon surrender for transfer of any Registered Note of any **Class,** Series~~, Class~~ or Tranche at the office or agency of the Issuer in a Place of Payment, the Issuer will execute, and, upon receipt of such surrendered Note, the Indenture Trustee will authenticate and deliver, in the name of the designated transferee or transferees, one or more new Registered Notes of such **Class,** Series~~, Class~~ or Tranche of any authorized denominations, of a like aggregate Stated

At the option of the holder of a Bearer Note, subject to applicable laws and regulations, Bearer Notes may be exchanged for other Bearer Notes or Registered Notes (of the same **Class,** Series~~, Class~~ and Tranche of Notes) of authorized denominations of like aggregate fractional undivided interests in the Noteholders' interest, upon surrender of the Bearer Notes to be exchanged at an office or agency of the Note Registrar located outside Canada and the United States. Each Bearer Note surrendered pursuant to this Section 4.05 will have attached thereto all unmatured coupons; provided, however, that any Bearer Note, so surrendered after the close of business on the last day of the month preceding the relevant Payment Date need not have attached the coupon relating to such Payment Date. Whenever any Notes are so surrendered for exchange, the Issuer will execute, and the Indenture Trustee will authenticate and deliver (in the case of Bearer Notes, outside Canada and the United States), the Notes which the Noteholders making the exchange are entitled to receive.

(d) All Notes issued upon any transfer or exchange of Notes will be the valid and legally binding obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Notes surrendered upon such transfer or exchange.

(e) Every Note presented or surrendered for transfer or exchange will (if so required by the Issuer or the Indenture Trustee) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Issuer and the Note Registrar duly executed, by the Noteholder or his attorney duly authorized in writing.

(f) Unless otherwise provided in the Note to be transferred or exchanged, no service charge will be made on any Noteholder for any transfer or exchange of Notes, but the Issuer may (unless otherwise provided in such Note) require payment of a sum sufficient to cover any Tax or other governmental charge that may be imposed in connection with any transfer or exchange of Notes before the transfer or exchange will be complete, other than exchanges pursuant to Section 4.04 or Section 11.05 not involving any transfer.

(g) None of the Issuer, the Note Registrar or the Indenture Trustee shall be required (i) to issue, register the transfer of or exchange any Notes of any **Class,** Series~~, Class~~ or Tranche during a period beginning at the opening of business 15 days

before the day of selection of Notes of such **Class,** Series~~, Class~~ or Tranche to be redeemed and ending at the close of business on (A) if Notes of such **Class,** Series~~, Class~~ or Tranche are issuable only as Registered Notes, the day of the mailing of the relevant notice of redemption of Registered Notes of such **Class,** Series~~, Class~~ or Tranche so selected for redemption or (B) if Notes of the **Class,** Series~~, Class~~ or Tranche are issuable as Bearer Notes, the day of the first publication of the relevant notice of redemption or, if Notes of the **Class,** Series~~, Class~~ or Tranche are also issuable as Registered Notes and there is no publication, the mailing of the relevant notice of redemption or (ii) to register the transfer or exchange of any Notes or portions thereof so selected for redemption.

(h) Notwithstanding anything herein to the contrary, the exchange of Bearer Notes into Registered Notes shall be subject to applicable laws and regulations in effect at the time of exchange; none of the Issuer, the Indenture Trustee or the Note Registrar shall exchange any Bearer Notes into Registered Notes if it has received an Opinion of Counsel that as a result of such exchanges the Issuer would suffer adverse consequences under the Canadian or United States federal income tax laws and regulations then in effect, or the income tax laws of the jurisdiction of the holder of the Bearer Note, and the Issuer has delivered to the Indenture Trustee an Issuer Certificate directing the Indenture Trustee not to make such exchanges unless and until the Indenture Trustee receives a subsequent Issuer Certificate to the contrary. The Issuer shall deliver copies of such Issuer Certificates to the Note Registrar.

(i) None of the Issuer, the Indenture Trustee, any agent of the Indenture Trustee, any Paying Agent or the Note Registrar will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership of a Global Note or for maintaining, supervising or reviewing any records relating to such beneficial ownership.

(j) The Issuer initially appoints the Indenture Trustee to act as Note Registrar for the Registered Notes on its behalf. The Issuer may at any time and from time to time authorize any Person to act as Note Registrar in place of the Indenture Trustee with respect to any **Class,** Series~~, Class~~ or Tranche of Notes issued under this Indenture.

(k) Registration of transfer of Notes containing the following legend or to which the following legend is applicable:

PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT.

will be effected only if such transfer is made pursuant to an effective registration statement under the U.S. Securities Act, or is exempt from the registration requirements under the U.S. Securities Act. In the event that registration of a transfer is to be made in reliance upon an exemption from the registration requirements under the U.S. Securities Act other than Rule 144A under the U.S. Securities Act or Rule 903 or Rule 904 of Regulation S under the U.S. Securities Act, the transferor or the transferee will deliver, at its expense, to the Issuer and the Indenture Trustee, an investment letter from the transferee, substantially in a form appended to a Supplemental Indenture authorizing the applicable Series of Notes or such other form as the Issuer may determine, and no registration of transfer will be made until such letter is so delivered.

Notes issued upon registration or transfer of, or Notes issued in exchange for, Notes bearing the legend referred to above will also bear such legend and any other legends required by the Related Supplemental Indenture unless the Issuer, the Indenture Trustee and the Note Registrar receive an Opinion of Counsel, satisfactory to each of them, to the effect that such legend may be removed.

Whenever a Note containing the legend referred to above is presented to the Note Registrar for registration of transfer, the Note Registrar will promptly seek instructions from the Issuer regarding such transfer and will be entitled to receive an Issuer Certificate prior to registering any such transfer. The Issuer hereby agrees to indemnify the Note Registrar and the Indenture Trustee and to hold each of them harmless against any loss, liability or expense incurred without negligence or bad faith on their part arising out of or in connection with actions taken or omitted by them in relation to any such instructions furnished pursuant to this clause. The Indenture Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture, the Related Supplemental Indenture, or under applicable law with respect to any transfer of any interest in any Note other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

(l) By acquiring a Note, each Noteholder that is a United States Person will be deemed to represent, warrant and covenant that either: (i) it is not acquiring the Note (or any interest therein) with the assets of a Benefit Plan or a governmental, church or non-U.S. plan that is subject to any federal, state, local or other non-U.S. law that is substantially similar to Section 406 of ERISA or Section 4975 of the Internal Revenue Code ("**Similar Law**"); or (ii) (A) the Note is rated at least "BBB-" or its equivalent by a nationally recognized statistical rating agency at the time of purchase or transfer, and (B) the acquisition, holding and disposition of the Note will not give rise to a non-exempt prohibited transaction

under Section 406 of ERISA or Section 4975 of the Internal Revenue Code or a violation of any Similar Law.

(b) In case any such mutilated, destroyed, lost or stolen Note has become or is about to become due and payable, the Issuer in its discretion may, instead of issuing a new Note, pay such Note.

(c) Upon the issuance of any new Note under this Section 4.06, the Issuer may require the payment of a sum sufficient to cover any Tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Indenture Trustee) connected therewith.

(d) Every new Note issued pursuant to this Section 4.06 in lieu of any destroyed, lost or stolen Note will constitute an original additional contractual obligation of the Issuer, whether or not the destroyed, lost or stolen Note will be at any time enforceable by anyone, and will be entitled to all the benefits of this Indenture equally and proportionately with any and all other Notes of the same **Class,** Series~~, Class~~ or Tranche duly issued hereunder.

(e) The provisions of this Section 4.06 are exclusive and will preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes.

(a) Unless otherwise provided with respect to such Note pursuant to Section 4.01, interest payable on any Registered Note will be paid to the Person in whose name that Note (or one or more Predecessor Notes) is registered at the close of business on the most recent Record Date and interest payable on any Bearer Note will be paid to the bearer of that Note (or the applicable coupon).

(b) Subject to clause (a), each Note delivered under this Indenture upon transfer of or in exchange for or in lieu of any other Note will carry the rights to interest accrued or principal accreted and unpaid, and to accrue or accrete, which were carried by such other Note.

(c) Title to any Bearer Note, including any coupons appertaining thereto, shall pass by delivery. The Issuer, the Indenture Trustee, the Manager and any agent of the Issuer, the Indenture Trustee or the Manager may treat the Person who is proved to be the owner of such Note pursuant to subsection 1.04(c) as the owner of such Note for the purpose of receiving payment of principal of and (subject to this Section 4.07) interest on such Note and for all other purposes whatsoever, whether or not such Note be overdue, and none of the Issuer, the Indenture Trustee, the Manager or any agent of the Issuer, the Indenture Trustee or the Manager will be affected by notice to the contrary.

(d) Delivery of a Note to the Paying Agent by the holder of such Note shall, upon payment thereof, be a good discharge to the Issuer of all obligations evidenced by such Note. The Paying Agent shall not be bound to enquire into the title of any such Noteholder, save as ordered by a court of competent jurisdiction or as required by statute, nor shall it be bound to see to the execution of any trust affecting the ownership of any Note or be affected by notice of any equity that may be subsisting in respect thereof.

(e) In the case of the death of one or more joint registered owners, the principal money of and interest, if any, on a Note may be paid to the survivor or survivors of such registered Noteholders whose receipt thereof, accompanied by the delivery of such Note, shall constitute a valid discharge to the Issuer and the Paying Agent.

(f) Any payment of principal or interest on any Note which is due on a day other than a Business Day shall be payable on the next succeeding Business Day without adjustment for interest thereon and such payment shall be deemed to have been made with the same force and effect as if made on the due date.

(g) Upon the Paying Agent's reasonable request therefor, the Issuer will (i) provide the Paying Agent with any information in its possession or (ii) assist the Paying Agent (to the extent necessary and it is commercially reasonable for the Issuer to do so) to obtain information, in each case, to the extent such information is required by the Paying Agent to comply with its tax reporting and withholding obligations under applicable law with respect to payments to be made to Specified Creditors pursuant to this Indenture and the other Program Agreements, unless the Issuer is prohibited from doing so by applicable law or an obligation of confidentiality by which the Issuer is bound.

**4.08 Cancellation**

All Notes surrendered for payment, redemption, **repurchase,** transfer, conversion or exchange will, if surrendered to any Person other than the Indenture Trustee, be delivered to the

Indenture Trustee and, if not already canceled, will be promptly canceled by it. The Issuer may at any time deliver to the Indenture Trustee for cancellation any Notes previously authenticated and delivered hereunder which the Issuer may have acquired in any manner whatsoever, and all Notes so delivered will be promptly canceled by the Indenture Trustee. No Note will be authenticated in lieu of or in exchange for any Notes canceled as provided in this Section 4.08, except as expressly permitted by this Indenture. The Indenture Trustee will dispose of all canceled Notes in accordance with its customary procedures and will deliver a certificate of such disposition to the Issuer.

**4.09 Protection of Notes**

(a) The Indenture Trustee shall hold in safekeeping the Notes which have not been issued (but which have been delivered to the Indenture Trustee by or on behalf of the Issuer) pending receipt of an Issuer Certificate. The Indenture Trustee shall acknowledge receipt of the Notes so delivered by signing and returning to the Issuer an acknowledgement of receipt of the Notes, such acknowledgement to be in a form satisfactory to the Issuer.

(b) The Indenture Trustee's responsibility for any Notes held in its custody hereunder shall be limited to using the same diligence in physically safeguarding such Notes as it does for its own securities. The Indenture Trustee shall account for the unissued Notes held in its custody whenever so required by the Issuer. If at any time the Indenture Trustee shall discover that any of such Notes have been lost, damaged, destroyed, stolen or misappropriated, it shall promptly advise the Issuer thereof and identify, to the extent practicable, such Notes.

**4.10 New Issuances of Notes**

(a) There are no restrictions on the timing or amount of any additional issuance of Notes of an Outstanding ~~Class~~**Series** or Tranche of a ~~Series~~**Class** of Notes, so long as the conditions described in Article V are satisfied. As of the date of any additional issuance of Notes of an Outstanding ~~Class~~**Series** or Tranche of Notes, the Stated Principal Amount and Outstanding Dollar Principal Amount of that ~~Class~~**Series** or Tranche will be increased to reflect the principal amount of the additional Notes. (c) any representation or warranty contained in Section 12.01 proves to be incorrect in any material respect when made and such incorrect representation or warranty if capable of being remedied by the Issuer, has not been remedied for a period of ~~90~~**60** days after notice thereof has been given, by registered or certified mail, to the Issuer by the Indenture Trustee or to the Issuer and the Indenture Trustee by Debtholders holding at least 25% of the Outstanding Dollar Principal Amount of all Controlling Class Obligations, a written notice specifying such default or breach and requesting it to be remedied and stating that such notice is a "Notice of Default" hereunder and, as a result of such default, the interests of such Debtholders are materially and adversely affected and continue to be materially and adversely affected during the ~~90~~**60**-day period;

(d) a default in the performance, or breach, of any covenant of the Issuer in this Indenture in respect of any Controlling Class Obligations (other than an agreement, covenant or warranty a default in the performance of which or the breach of which is elsewhere specifically dealt with in this Section 8.01), all of such covenants in this Indenture which are not expressly stated to be for the benefit of a particular Series of Issuer Funding Obligations being deemed to be in respect of all Series of Issuer Funding Obligations for this purpose, and continuance of such default or breach for a period of ~~90~~**60** days after notice thereof has been given, by registered or certified mail, to the Issuer by the Indenture Trustee or to the Issuer and the Indenture Trustee by Debtholders holding at least 25% of the Outstanding Dollar Principal Amount of all Controlling Class Obligations, a written notice specifying such default or breach and requesting it to be remedied and stating that such notice is a "Notice of

**8.02 Acceleration of Maturity; Rescission and Annulment**

**[NTD: to be determined if acceleration should be determined on a series by series basis.]**

(a) If an Event of Default (other than an Event of Default described in clause (e), (f) or (g) of Section 8.01) occurs and is continuing, then and in each and every such case, unless the principal of all the Controlling Class Obligations shall have already become due and payable, either the Indenture Trustee or Debtholders holding not less than 50% of the Outstanding Dollar Principal Amount of all Controlling Class Obligations (treated as one class), by notice in writing to the Issuer (and to the Indenture Trustee if given by such Debtholders), may declare the Outstanding Dollar Principal Amount of all Issuer Funding Obligations (other than Derivative Funding Obligations) and all interest accrued or principal accreted and unpaid (if any) thereon to be due and payable immediately, and upon any such declaration the same will become and will be immediately due and payable, notwithstanding anything in this Indenture or any Funding Obligation Agreement to the contrary.

(b) If an Event of Default described in clause (e), (f) or (g) of Section 8.01 occurs and is continuing, then all Series of Issuer Funding Obligations (other than Derivative Funding Obligations) will automatically be and become immediately due and payable by the Issuer, without notice or demand to any Person, and the Issuer will

automatically and immediately be obligated to pay off the Issuer Funding Obligations.

(c) At any time after such a declaration of acceleration has been made or an automatic acceleration has occurred with respect to the Issuer Funding Obligations (other than Derivative Funding Obligations) and before a judgment or decree for payment of the money due has been obtained by the Indenture Trustee as hereinafter provided in this Article VIII, Debtholders of Controlling Class Obligations may, by Extraordinary Resolution, rescind and annul such declaration and its consequences if:

(i) the Issuer has paid or deposited with the Indenture Trustee a sum sufficient to pay (A) all overdue installments of interest on the Controlling Class Obligations, (B) the principal of any Controlling Class Obligations which have become due otherwise than by such declaration of acceleration, and interest thereon at the rate or rates prescribed therefor by the terms of the Related Funding Obligation Agreements, to the extent that payment of such interest is lawful, (C) interest upon overdue installments of interest at the rate or rates prescribed therefor by the terms of the Related Funding Obligation Agreements, to the extent that payment of such interest is lawful, and (D) all sums paid by the Indenture Trustee hereunder and the reasonable compensation, expenses and disbursements of the Indenture Trustee, its agents and counsel and all other amounts due to the Indenture Trustee under Section 9.05; and

(ii) all Events of Default other than the nonpayment of the principal of the Controlling Class Obligations which has become due solely by such acceleration, have been cured or waived as provided in Section 8.03.

(d) If, at any time, any Event of Default capable of being remedied has been remedied by the Issuer to the satisfaction of the Indenture Trustee: (i) the Security Interest will no longer be or be deemed to be enforceable by reason of such Event of Default; (ii) any rights which had become vested in the Indenture Trustee by virtue thereof will be and be deemed to be cancelled as fully and to the same extent as though no such Event of Default had occurred; and (iii) the Indenture Trustee will, or will instruct any receiver appointed pursuant to this Indenture to restore to the Issuer any Collateral in the possession of the Indenture Trustee or receiver, as the case may be.

(e) No such rescission will affect any subsequent default or impair any right consequent thereon.

**8.03 Waiver of Past Defaults**

Subject to Section 8.02(c), Debtholders of Controlling Class Obligations may, by Ordinary Resolution, waive any past default hereunder and its consequences. Upon any such waiver, such default will cease to exist, and any Event of Default arising therefrom will be

deemed to have been cured, for every purpose of this Indenture; but no such waiver will extend to any subsequent or other default or impair any right consequent thereon.

**8.04 Notice of Defaults**

(a) Within 90 days after the occurrence of any Event of Default of which the Indenture Trustee has received written notice:

(i) the Indenture Trustee will transmit by mail to all Registered Noteholders, as their names and addresses appear in the Note Register, notice of such default;

(ii) the Indenture Trustee will notify all holders of Bearer Notes by publication of notice of such default in an Authorized Newspaper, or as otherwise provided in the Related Supplemental Indenture;

(iii) the Indenture Trustee will give prompt written notification thereof to the other Debtholders and all other Specified Creditors; and

(iv) the Indenture Trustee will give prompt written notification thereof to the Rating Agencies, unless such default will have been cured or waived;

provided, however, that, except in the case of a default in the payment of the principal of or interest on any Issuer Funding Obligations, the Indenture Trustee will be protected in withholding such notice if and so long as a Responsible Officer of the Indenture Trustee in good faith determines that the withholding of such notice is in the interests of the Specified Creditors.

(b) When such notice of an occurrence of an Event of Default has been given and the Event of Default is thereafter cured, notice that the Event of Default is no longer continuing shall be given by the Indenture Trustee to Persons to whom notice was sent pursuant to Section 8.04(a) within a reasonable time, but not exceeding 30 days in any event, after the Indenture Trustee receives notice from the applicable Debtholders that the Event of Default has been cured.

**8.05 Remedies Generally**

Subject to subsections 8.02(c) and (d), and Section 8.03, if, with respect to any Controlling Class Obligations, such Controlling Class Obligation has become due and payable pursuant to Section 8.02 and the Issuer has failed to pay such Controlling Class Obligation, the Indenture Trustee (subject, however, to compliance with the provisions of Section 9.02(d) with respect to the giving of indemnity and funds) may proceed to realize upon the Security Interest and to enforce the rights of the Indenture Trustee and of the Specified Creditors to whom Obligations Secured are owed by (i) application to any court of competent jurisdiction for an order of sequestration and payment of amounts in respect of clean energy adjustments, collections or remittances in accordance with the Act, (ii) possession of the Collateral, (iii) appointment of a receiver with respect to the Collateral, (iv) proceedings in any court of competent jurisdiction for the appointment of a receiver or for sale of the Collateral or any part

the Issuer will, upon demand of the Indenture Trustee, pay (subject to the allocation provided in this Article VIII and any Related Funding Obligation Agreement) to the Indenture Trustee, for the benefit of the Debtholders of any such Issuer Funding Obligations, the whole amount then due and payable on any such Issuer Funding Obligations for principal and interest, with interest, to the extent that payment of such interest will be legally enforceable, upon the overdue principal and upon overdue installments of interest, (i) in the case of interest-bearing Issuer Funding Obligations, at the rate of interest applicable to the principal amount thereof, unless otherwise specified in the Related Funding Obligation Agreement; and (ii) in the case of Discount Notes, as specified in the Related Supplemental Indenture, and in addition thereto, will pay such further amount as will be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Indenture Trustee, its agents and counsel and all other amounts due to the Indenture Trustee under Section 9.05.

If the Issuer fails to pay such amounts forthwith upon such demand, the Indenture Trustee may, if the Issuer Funding Obligations have been accelerated in accordance with Section 8.02, take immediate steps to enforce the Security Interest, including instituting, in its own name and as trustee of an express trust, a judicial proceeding seeking the appointment of a receiver or a judicial proceeding for the collection of the sums so due and unpaid, and may directly prosecute such proceeding to judgment or final decree, and the Indenture Trustee may enforce the same against the Issuer and collect the money adjudged or decreed to be payable in the manner provided by applicable law out of the Collateral, wherever situated.

**8.07 Indenture Trustee May File Proofs of Claim**

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy or other similar proceeding relative to the Issuer or the property of the Issuer, the Indenture Trustee (irrespective of whether the principal of the Issuer Funding Obligations will then be due and payable as therein expressed or by declaration or otherwise) will be entitled and empowered by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of principal, interest, fees and other amounts owing and unpaid in respect of the Issuer Funding Obligations and to file such other papers or documents as may be necessary and advisable in order to have the claims of the Indenture Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Indenture Trustee, its agents and counsel and all other amounts due to the Indenture Trustee under Section 9.05) and of the Specified Creditors allowed in such judicial proceeding, and

(a) the Indenture Trustee will have the right to decline to follow any such direction if the Indenture Trustee, being advised by counsel, determines that the action so directed may not lawfully be taken or would conflict with this Indenture, or if the Indenture Trustee in good faith determines that the proceedings so directed would involve it in personal liability or be unjustly prejudicial to the Debtholders of Controlling Class Obligations not taking part in such direction; and

(b) the Indenture Trustee may take any other action permitted hereunder deemed proper by the Indenture Trustee which is not inconsistent with such direction.

## 8.12 Limitation on Suits

To the fullest extent permitted by applicable law, no Specified Creditor will have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee or similar official, or for any other remedy hereunder, unless:

**8.17 Delay or Omission Not Waiver**

No delay or omission of the Indenture Trustee or of any Specified Creditor to exercise any right or remedy accruing upon any Event of Default will impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article VIII or by applicable law to the Indenture Trustee or to the Specified Creditors may be exercised from time to time, and as often as may be deemed expedient, by the Indenture Trustee or by the Specified Creditors, as the case may be.

**8.18 Waiver of Stay or Extension Laws**

The Issuer covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Indenture Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

**8.19 Indenture Trustee Appointed Attorney**

The Issuer irrevocably constitutes and appoints the Indenture Trustee and any officer or employee thereof, with full power of substitution, as its true and lawful attorney coupled with an interest with full power and authority in the name of the Issuer or in its own name, in its discretion, upon the occurrence and during the continuance of any Event of Default, for the purpose of carrying out the terms of this Indenture to take all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes hereof, and without limiting the generality of the foregoing, hereby gives the Indenture Trustee the power and right on behalf of the Issuer, without notice to or assent by the Issuer, to the extent permitted by applicable law, to do the following:

(b) In the exercise of the rights and duties prescribed or conferred by the terms of this Indenture, the Indenture Trustee will act honestly and in good faith with a view to the best interests of the Specified Creditors as a whole and exercise that degree of care, diligence and skill that a reasonably prudent trustee would exercise in comparable circumstances.

(d) No provision of this Indenture will be construed to relieve the Indenture Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this clause (d) will not be construed to limit the effect of subsection 9.01(a);

(ii) the Indenture Trustee will not be liable for any error of judgment made in good faith by a Responsible Officer of the Indenture Trustee, unless it will be proved that the Indenture Trustee was negligent in ascertaining the pertinent facts;

(iii) the Indenture Trustee will not be liable with respect to any action taken or omitted to be taken by it in good faith if so directed by Extraordinary Resolution, relating to the time, method and place of conducting any proceeding for any remedy available to the Indenture Trustee, or exercising any trust or power conferred upon the Indenture Trustee, under this Indenture with respect to the Obligations Secured; and

(iv) no provision of this Indenture will require the Indenture Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers.

(e) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Indenture Trustee will be subject to the provisions of this Section 9.01.

**9.02 Certain Rights of Indenture Trustee**

Except as otherwise provided in Section 9.01:

(a) the Indenture Trustee may conclusively rely and will be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or document (whether in its original, facsimile or other electronic form) believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) whenever in the administration of this Indenture the Indenture Trustee will deem it desirable that a matter be proved or established before taking, suffering or omitting any action hereunder, the Indenture Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's Certificate;

(c) the Indenture Trustee may consult with counsel of its own selection and the advice of such counsel or any Opinion of Counsel will be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(d) the Indenture Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Specified Creditors pursuant to this Indenture, unless such Specified Creditors shall have offered to the Indenture Trustee security or indemnity reasonably satisfactory to it against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

(e) the Indenture Trustee will not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or document, but the Indenture Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Indenture Trustee will determine to make such further inquiry or investigation, it will be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney;

(f) the Indenture Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Indenture Trustee will not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder;

(g) the Indenture Trustee will not be responsible for filing any financing statements or continuation statements in connection with the Obligations Secured or the Security Interest, but will cooperate with the Issuer in connection with the filing of such financing statements or amendments to such financing statements;

(h) the Indenture Trustee shall not be deemed to have notice of any default (including any Servicer Default or Event of Default) unless a Responsible Officer of the Indenture Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Indenture Trustee at the Corporate Trust Office of the Indenture Trustee, and such notice references the Issuer Funding Obligations and this Indenture;

(i) the rights, privileges, protections, immunities and benefits given to the Indenture Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Indenture Trustee in each of its capacities hereunder, and each agent, custodian and other person employed to act hereunder;

(j) the Indenture Trustee shall not be liable for any action taken, suffered or omitted to be taken by it in good faith and reasonably believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture;

(k) the Indenture Trustee shall be entitled to and may rely absolutely upon the Payment Instruction and the Indenture Trustee will have no obligation to calculate any amount due or owing or to be allocated as provided in this Indenture, including interest or principal for any Issuer Funding Obligations;

(l) the Indenture Trustee will be entitled to rely and act upon any direction, order, instruction, notice or communication provided to it under this Indenture which is sent to it by Electronic Methods. The Indenture Trustee shall have no liability for any losses, liabilities, costs or expenses incurred by it as a result of such reliance upon or compliance with such instructions or directions. The Issuer agrees: (i) to assume all risks arising out of the use of such Electronic Methods to submit instructions and directions to the Indenture Trustee, including without limitation the risk of the Indenture Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting instructions to the Indenture Trustee and that there may be more secure methods of transmitting instructions than the method(s) selected by the Issuer; and (iii) that the security procedures (if any) to be followed in connection with its transmission of instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and

(m) the Indenture Trustee will not be liable for any consequential, punitive or special damages.

**9.03 Not Responsible for Recitals or Issuer Funding Obligations**

The recitals contained herein and in the Funding Obligation Agreements, except the Certificates of Authentication, will be taken as the statements of the Issuer, and the Indenture Trustee assumes no responsibility for their correctness. The Indenture Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Funding Obligation Agreements. The Indenture Trustee will not be accountable for the use or application by the Issuer of Notes, Borrowings or the proceeds thereof.

**9.04 May Hold Notes**

The Indenture Trustee, the Issuer Trustee, any Paying Agent, the Note Registrar, the Manager or any other agent of the Issuer, in its individual or any other capacity, may become the owner or pledgee of Notes and, subject to subsection 9.07(e) and applicable legislation, may otherwise deal with the Issuer with the same rights it would have if it were not Indenture Trustee, Issuer Trustee, Paying Agent, Note Registrar, Manager or such other agent.

**9.05 Compensation and Reimbursement; Limit on Compensation Reimbursement and Indemnity**

(a) The Issuer agrees:

(i) to pay to the Indenture Trustee from time to time reasonable compensation (or, for so long as ~~[Indenture Trustee]~~**BNY Trust Company of Canada** is the Indenture Trustee, such amount as has been mutually agreed upon in writing) for all services rendered by it hereunder (which compensation will not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(ii) except as otherwise expressly provided herein, to reimburse the Indenture Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Indenture Trustee in accordance with any provision of this Indenture (including the reasonable compensation and the reasonable expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to its own negligence or bad faith; and

(iii) to indemnify the Indenture Trustee for, and to hold it harmless against, any and all loss, liability, expense, claim, damage or injury incurred without negligence or bad faith on its part, arising out of or in connection with the acceptance or administration of the trusts hereunder, including the costs and expenses of defending itself against any claim or liability (whether asserted by the Issuer, any Specified Creditor or any other Person) in connection with the exercise or performance of any of its powers or duties hereunder.

The Indenture Trustee will have no recourse to any asset of the Issuer other than funds available pursuant to Section 7.04 or 8.13, or to any Person other than the Issuer.

(b) This Section 9.05 will survive the termination of this Indenture and the resignation or replacement of the Indenture Trustee under Section 9.07.

**9.06 Corporate Indenture Trustee Required; Eligibility**

There will at all times be an Indenture Trustee hereunder which will be either a bank, a trust company or a corporation organized and doing business under the laws of Canada or of any province or territory thereof, authorized under such laws to carry on a trust business as contemplated hereby in each of the provinces and territories of Canada. The Issuer may not, nor may any Person directly or indirectly controlling, controlled by, or under common control with the Issuer, serve as Indenture Trustee. If at any time the Indenture Trustee will cease to be eligible in accordance with the provisions of this Section 9.06, it will resign immediately in the manner and with the effect hereinafter specified in this Article IX.

**9.07 Resignation and Removal; Appointment of Successor**

(a) No resignation or removal of the Indenture Trustee and no appointment of a successor Indenture Trustee pursuant to this Article IX will become effective until the acceptance of appointment by the successor Indenture Trustee under Section 9.08.

(b) The Indenture Trustee may resign at any time by giving written notice thereof to the Issuer. If an instrument of acceptance by a successor Indenture Trustee shall not have been delivered to the Indenture Trustee within 30 days after the giving of such notice of resignation, the resigning Indenture Trustee may petition any court of competent jurisdiction for the appointment of a successor Indenture Trustee.

(c) The Indenture Trustee may be removed at any time by Ordinary Resolution of the Debtholders of Controlling Class Obligations delivered to the Indenture Trustee and to the Issuer. If an instrument of acceptance by a successor Indenture Trustee shall not have been delivered to the Indenture Trustee within 30 days after the giving of such notice of removal, the Indenture Trustee being removed may petition any court of competent jurisdiction for the appointment of a successor Indenture Trustee.

(d) If at any time:

(i) the Indenture Trustee ceases to be eligible under Section 9.06 and fails to resign after written request therefor by the Issuer or by any Debtholder of Controlling Class Obligations, or

(ii) the Indenture Trustee becomes incapable of acting, or

(iii) the Indenture Trustee is adjudged bankrupt or insolvent or a receiver of the Indenture Trustee or of its property is appointed, or any public officer takes charge or control of the Indenture Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any such case, (A) the Issuer may remove the Indenture Trustee, or (B) subject to Article XI, any Debtholder of Controlling Class Obligations who has been a *bona fide* Debtholder of Controlling Class Obligations for at least six (6) months may, on behalf of itself and all other Debtholders, petition any court of competent jurisdiction for the removal of the Indenture Trustee and the appointment of a successor Indenture Trustee.

(e) The Indenture Trustee shall resign if a material conflict of interest arises in its role as a trustee under this Indenture that is not eliminated within 90 days after the Indenture Trustee becomes aware that it has such a material conflict of interest. Forthwith after the Indenture Trustee becomes aware that it has a material conflict of interest, it shall provide the Issuer with written notice of the nature of that conflict. If, notwithstanding the foregoing provisions of this subsection 9.07(e), the Indenture Trustee has such a material conflict of interest, the validity and enforceability of this Indenture and of the Funding Obligation Agreements shall not be affected in any manner whatsoever by reason only of the existence of such material conflict of interest. If the Indenture Trustee contravenes the foregoing provisions of this subsection 9.07(e), any interested Person may apply to a court of competent jurisdiction for an order that the Indenture Trustee be replaced as trustee hereunder. The Indenture Trustee represents to the Issuer that at the time of the execution and delivery hereof no material conflict of interest exists in the Indenture Trustee's role as a fiduciary hereunder.

(f) If the Indenture Trustee resigns, is removed or becomes incapable of acting, or if a vacancy shall occur in the office of the Indenture Trustee for any cause, the Issuer will promptly appoint a successor Indenture Trustee. If, within one (1) year after such resignation, removal or incapacity, or the occurrence of such vacancy, a successor Indenture Trustee is appointed by Ordinary Resolution of Debtholders of Controlling Class Obligations delivered to the Issuer and the retiring Indenture Trustee, the successor Indenture Trustee so appointed will, forthwith upon its acceptance of such appointment, become the successor Indenture Trustee and supersede the successor Indenture Trustee appointed by the Issuer. If no successor Indenture Trustee shall have been so appointed by the Issuer or Debtholders of Controlling Class Obligations and accepted in the manner hereinafter provided, any Debtholder of Controlling Class Obligations who has been a *bona fide* Debtholder of Controlling Class Obligations for at least six (6) months may, on behalf of itself and all other Debtholders, petition any court of competent jurisdiction for the appointment of a successor Indenture Trustee.

(g) The Issuer will give written notice of each resignation and each removal of the Indenture Trustee and each appointment of a successor Indenture Trustee to each Specified Creditor as provided in Article XV and to each Rating Agency. To

facilitate delivery of such notice, upon request by the Issuer, the retiring Indenture Trustee shall provide to the Issuer a list of all Specified Creditors. Each notice will include the name of the successor Indenture Trustee and the address of its Corporate Trust Office.

(h) Upon such resignation, the Indenture Trustee shall be discharged from all further duties and liabilities under this Indenture.

**9.08 Acceptance of Appointment by Successor**

Every successor Indenture Trustee appointed hereunder will execute, acknowledge and deliver to the Issuer and to the predecessor Indenture Trustee an instrument accepting such appointment, with a copy to the Rating Agencies, and thereupon the resignation or removal of the predecessor Indenture Trustee will become effective, and such successor Indenture Trustee, without any further act, deed or conveyance, will become vested with all the rights, powers, trusts and duties of the predecessor Indenture Trustee; but, on request of the Issuer or the successor Indenture Trustee, such predecessor Indenture Trustee will, upon payment of its reasonable charges, if any, execute and deliver an instrument transferring to such successor Indenture Trustee all the rights, powers and trusts of the predecessor Indenture Trustee, and will duly assign, transfer and deliver to such successor Indenture Trustee all property and money held by such predecessor Indenture Trustee hereunder, subject nevertheless to its Lien, if any, provided for in Section 9.05. Upon request of any such successor Indenture Trustee, the Issuer will execute any and all instruments for more fully and certainly vesting in and confirming to such successor Indenture Trustee all such rights, powers and trusts.

No successor Indenture Trustee will accept its appointment unless at the time of such acceptance, such successor Indenture Trustee will be qualified and eligible under this Article IX.

**9.09 Merger, Conversion, Consolidation or Succession to Business**

Any corporation into which the Indenture Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Indenture Trustee shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Indenture Trustee, will be the successor of the Indenture Trustee hereunder, provided such corporation shall be otherwise qualified and eligible under this Article IX, without the execution or filing of any paper or any further act on the part of any of the parties hereto. The Indenture Trustee shall give prompt written notice of such merger, conversion, consolidation or succession to the Issuer and the Rating Agencies. In case any Notes shall have been authenticated, but not delivered, by the Indenture Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Indenture Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Indenture Trustee had itself authenticated such Notes.

**9.10 Trust Indenture Legislation**

(a) In this Article IX, the term "**applicable legislation**" means the provisions, if any, of the *Trust and Loan Companies Act* (Canada) and any other statute of Canada or

a province thereof, and of regulations under any such statute, in each case, as amended, restated or re-enacted from time to time, relating to trust indentures and to the rights, duties and obligations of trustees under trust indentures and of entities issuing debt obligations under trust indentures, to the extent that in the opinion of counsel to the Issuer such provisions are at the time in force and applicable to this Indenture.

(b) If and to the extent that any provision of this Indenture limits, qualifies or conflicts with a mandatory requirement of applicable legislation, such mandatory requirement shall prevail.

(c) The Issuer and the Indenture Trustee agree that each will at all times in relation to this Indenture and any action to be taken hereunder, observe and comply with and be entitled to the benefits of applicable legislation.

**9.11 Representations and Covenants of the Indenture Trustee**

The Indenture Trustee represents, warrants and covenants that:

(a) the Indenture Trustee is a trust company organized, existing and in good standing under the laws of Canada;

(b) the Indenture Trustee has full power and authority to execute, deliver and perform this Indenture and has taken all necessary action to authorize the execution, delivery and performance by it of this Indenture and other documents to which it is a party;

(c) each of this Indenture and the other documents to which it is a party has been duly executed and delivered by the Indenture Trustee and constitutes its legal, valid and binding obligation in accordance with its terms; and

(d) the Indenture Trustee is authorized to carry on the business of a trust company in each of the provinces and territories of Canada. If, notwithstanding the provisions of this subsection 9.11(d), the Indenture Trustee ceases to be so authorized to carry on business, the validity and enforceability of this Indenture and the Funding Obligation Agreements shall not be affected in any manner whatsoever by reason only of such event.

**9.12 Indenture Trustee's Application for Instructions from the Issuer**

Any application by the Indenture Trustee for written instructions from the Issuer may, at the option of the Indenture Trustee, set forth in writing any action proposed to be taken or omitted by the Indenture Trustee under and in accordance with this Indenture and the date on and/or after which such action shall be taken or such omission shall be effective; provided that such application shall make specific reference to this Section 9.12. The Indenture Trustee shall not be liable for any action taken by, or omission of, the Indenture Trustee in accordance with a proposal included in such application on or after the date specified in such application (which date shall not be less than five (5) Business Days after the date the Issuer actually receives such

application, unless the Issuer shall have consented in writing to any earlier date) unless prior to taking any such action (or the effective date in the case of an omission), the Indenture Trustee shall have received written instructions in response to such application specifying the action be taken or omitted.

**9.13 Appointment of Co-Trustee or Separate Indenture Trustee**

(a) Notwithstanding any other provisions of this Indenture, at any time, for the purpose of meeting any legal requirements of any **relevant** jurisdiction ~~in which any part of the Issuer's property may at the time be located~~, the Indenture Trustee shall have the power and shall execute and deliver all instruments, subject to the prior written consent of the Manager, which consent shall not be unreasonably withheld, to appoint one or more Persons reasonably acceptable to the Issuer to act as a co-trustee or co-trustees, or separate trustee or separate trustees, of all or any part of the Issuer's property, and to vest in such Person or Persons, in such capacity and for the benefit of the Specified Creditors, such title to the Issuer's property, or any part thereof, and, subject to the other provisions of this Section 9.13, such powers, duties, obligations, rights and trusts as the Indenture Trustee may consider necessary or desirable. No co-trustee or separate trustee hereunder shall be required to meet the terms of eligibility as a successor trustee under Section 9.06 and no notice to Specified Creditors of the appointment of any co-trustee or separate trustee shall be required under Section 9.07.

(b) Every separate trustee and co-trustee shall, to the extent permitted by applicable law, be appointed and act subject to the following provisions and conditions:

(i) all rights, powers, duties and obligations conferred or imposed upon the Indenture Trustee shall be conferred or imposed upon and exercised or performed by the Indenture Trustee and such separate trustee or co-trustee jointly (it being understood that such separate trustee or co-trustee is not authorized to act separately without the Indenture Trustee joining in such act), except to the extent that under any law of any jurisdiction in which any particular act or acts are to be performed, the Indenture Trustee shall be incompetent or unqualified to perform such act or acts, in which event such rights, powers, duties and obligations (including the holding of title to the Issuer's property or any portion thereof in any such jurisdiction) shall be exercised and performed singly by such separate trustee or co-trustee, but solely at the direction of the Indenture Trustee;

(ii) no trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder; and

(iii) the Indenture Trustee may at any time accept the resignation of or remove any separate trustee or co-trustee.

(c) Any notice, request or other writing given to the Indenture Trustee shall be deemed to have been given to each of the then separate trustees and co-trustees, as

effectively as if given to each of them. Every instrument appointing any separate trustee or co-trustee shall refer to this Indenture and the conditions of this Article IX. Each separate trustee and co-trustee, upon its acceptance of the trusts conferred, shall be vested with the estates or property specified in its instrument of appointment, either jointly with the Indenture Trustee or separately, as may be provided therein, subject to all the provisions of this Indenture, specifically including every provision of this Indenture relating to the conduct of, affecting the liability of, or affording protection to, the Indenture Trustee. Every such instrument shall be filed with the Indenture Trustee.

(d) Any separate trustee or co-trustee may at any time appoint the Indenture Trustee, its agent or attorney-in-fact with full power and authority, to the extent not prohibited by applicable law, to do any lawful act under or in respect of this Indenture on its behalf and in its name. If any separate trustee or co-trustee shall die, become incapable of acting, resign or be removed, all of its estates, properties, rights, remedies and trusts shall vest in and be exercised by the Indenture Trustee, to the extent permitted by applicable law, without the appointment of a new or successor trustee.

**9.14 Preservation of Information; Communications to Debtholders**

(a) The Indenture Trustee will preserve, in as current a form as is reasonably practicable, the names and addresses of Registered Noteholders contained in the most recent list furnished to the Indenture Trustee as provided in Section 13.13 and the names and addresses of Registered Noteholders received by the Indenture Trustee in its capacity as Note Registrar. The Indenture Trustee may destroy any list furnished to it as provided in Section 13.13 upon receipt of a new list so furnished. The Indenture Trustee will also preserve, in as current a form as is reasonably practicable, the names and addresses of all other Specified Creditors received by the Indenture Trustee pursuant to subsections 5.01(f) and 5.03(b).

(b) If three or more Debtholders of any **Class,** Series~~, Class~~ or Tranche (hereinafter referred to as "**applicants**") (or, if there are less than three such Debtholders, all of the Debtholders) apply in writing to the Indenture Trustee, and furnish to the Indenture Trustee reasonable proof that each such applicant has owned an Issuer Funding Obligation of such **Class,** Series~~, Class~~ or Tranche for a period of at least six (6) months preceding the date of such application, and such application states that the applicants desire to communicate with all Debtholders (or such subset thereof as will be specified) with respect to their rights under this Indenture or under the applicable Issuer Funding Obligations and is accompanied by a copy of the form of proxy or other communication which such applicants propose to transmit, then the Indenture Trustee will, within five (5) Business Days after the receipt of such application, at its election, either:

(i) afford such applicants access to the information preserved at the time by the Indenture Trustee in accordance with subsection 9.14(a), or

(ii) inform such applicants as to the approximate number of Debtholders of all Issuer Funding Obligations (or such subset thereof as will be specified), as the case may be, whose names and addresses appear in the information preserved at the time by the Indenture Trustee in accordance with subsection 9.14(a) and as to the approximate cost of mailing to such Debtholders the form of proxy or other communication, if any, specified in such application.

If the Indenture Trustee shall elect not to afford such applicants access to such information, the Indenture Trustee shall, upon the written request of such applicants, mail to each applicable Lender and to each holder of a Registered Note of the applicable **Classes,** Series~~, Classes~~ and Tranches whose names and addresses appear in the information preserved at the time by the Indenture Trustee in accordance with subsection 9.14(a), a copy of the form of proxy or other communication which is specified in such request, with reasonable promptness after a tender to the Indenture Trustee of the material to be mailed and of payment, or provision for the payment, of the reasonable expenses of mailing, unless, within five days after such tender, the Indenture Trustee shall mail to such applicants, together with a copy of the material to be mailed, a written statement to the effect that, in the opinion of the Indenture Trustee, such mailing would be contrary to the best interests of the Debtholders for which such mailing is intended or would be in violation of applicable law. Such written statement will specify the basis of such opinion.

(c) Every Debtholder agrees with the Issuer and the Indenture Trustee that neither the Issuer nor the Indenture Trustee will be held accountable by reason of the disclosure of any such information as to the names and addresses of the Debtholders in accordance with subsection 9.14(b), regardless of the source from which such information was derived, and that the Indenture Trustee will not be held accountable by reason of mailing any material pursuant to a request made under subsection 9.14(b).

## 9.15 Acceptance of Trusts by Indenture Trustee

The Indenture Trustee hereby accepts the trusts in this Indenture and agrees to perform the same upon the terms and conditions herein set forth.

## 9.16 Paying Agent

(a) The Paying Agent, on behalf of the Indenture Trustee, will make distributions to Specified Creditors from the Collection Account or other applicable Issuer Account pursuant to the provisions of this Indenture and any applicable Program Agreement and will report the amounts of such distributions to the Indenture Trustee. Any Paying Agent will have the revocable power to withdraw funds from the Collection Account or other applicable Issuer Account for the purpose of making the distributions referred to above.

(b) The Indenture Trustee may revoke such power and remove the Paying Agent if the Indenture Trustee determines in its sole discretion that the Paying Agent has failed to perform its obligations under this Indenture in any material respect. The Paying Agent upon removal will return all funds in its possession to the Indenture Trustee.

(c) The Issuer will cause each Paying Agent (other than the Indenture Trustee) to execute and deliver to the Indenture Trustee an instrument in which such Paying Agent will agree with the Indenture Trustee (and if the Indenture Trustee acts as Paying Agent, it so agrees), subject to the provisions of this Section 9.16, that such Paying Agent will:

(i) hold all sums held by it for the payment of principal of, interest, fees or other amounts in trust for the benefit of the Persons entitled thereto until such sums will be paid to such Persons or otherwise disposed of as herein provided;

(ii) if such Paying Agent is not the Indenture Trustee, give the Indenture Trustee notice of any default by the Issuer in the making of any such payment of principal or interest on any Issuer Funding Obligations;

(iii) if such Paying Agent is not the Indenture Trustee, at any time during the continuance of any such default, upon the written request of the Indenture Trustee, forthwith pay to the Indenture Trustee all sums so held in trust by such Paying Agent;

(iv) open and maintain appropriate records with respect to each Note; record by appropriate entries therein each payment made on account of interest, principal, fees and other amounts owing with respect to each such Note. For the purposes thereof, the Paying Agent shall provide to the Issuer and the Indenture Trustee satisfactory evidence of each payment as soon as practicable after making such payment. The failure to record, or any error in recording, any such payment shall not, however, limit or otherwise affect the obligations of the Issuer as to the principal amount or accrued interest owing with respect to any Note. Such records of payment shall be conclusive evidence of the unpaid principal balance and interest owing in respect of the Notes in the absence of demonstrable error;

(v) immediately resign as a Paying Agent and, if such Paying Agent is not the Indenture Trustee, forthwith pay to the Indenture Trustee all sums held by it in trust for the payment of Issuer Funding Obligations if at any time it ceases to meet the standards described in this Section 9.16 required to be met by a Paying Agent at the time of its appointment; and

(vi) comply with all requirements of the Income Tax Act or any other applicable tax law with respect to the withholding from any payments made by it on any amounts contemplated under this Indenture of any

(a) The IESO acknowledges that it has an obligation to pay monthly Carrying Costs pursuant to the Regulations for the prescribed period set out in the Regulations (the "**Prescribed Period**") and agrees to comply with its obligations under the Regulations to pay and remit the Carrying Costs to the Issuer on a monthly basis.

(b) On or before the 4th Business Day of each calendar month during the Prescribed Period, the Issuer shall prepare and deliver to the IESO a written statement substantially in the form of Exhibit C (a "**Monthly Carrying Costs Statement**") certifying the amount of the Carrying Costs incurred in the preceding calendar month ("**Monthly Carrying Costs**"). If requested by the IESO, the Issuer shall, in lieu of providing the Monthly Carrying Costs Statement, enter the amount of the Monthly Carrying Costs in the IESO operated portal, or such other similar facility operated by the IESO, and such entry shall be deemed to be a certification of the accuracy of the amount entered.

(c) On or before the [14$^{th}$] Business Day following receipt by the IESO of the Monthly Carrying Costs Statement, the IESO shall, as required under the Regulations, deliver or cause to be delivered to the Issuer, by wire transfer or electronic funds transfer in immediately available funds, an amount in Canadian dollars equal to the Monthly Carrying Costs certified by the Issuer in the applicable Monthly Carrying Costs Statement.

## ARTICLE 4
## REPRESENTATIONS AND WARRANTIES OF THE IESO

### 4.1 Representations and Warranties

Subject to Section 3.6, the IESO makes the following representations and warranties as of the date hereof and as of each applicable Closing Date, and the IESO acknowledges that the Issuer will rely thereon in paying the Purchase Price related to Transfers of Specified Portions of the Regulatory Asset, and the Issuer has relied thereon in entering into this Agreement relating to the servicing of the corresponding Investment Interests.

(a) Organization and Good Standing. The IESO is a statutory corporation amalgamated under the laws of the Province of Ontario, with requisite corporate power and authority to own its properties, to conduct its business as such properties are currently owned and such business is presently conducted by it.

(b) Due Qualification. The IESO has obtained all necessary licences and approvals, in all jurisdictions in which the ownership or lease of property or the conduct of its business (including acting as Servicer under this Agreement) shall require such licences or approvals, except where the failure to so qualify or obtain such licences and approvals would not be reasonably likely to have a material adverse effect on the IESO's business, operations, assets, revenues or properties, the Regulatory Asset or the servicing of related Investment Interests.

(c) Power and Authority. The IESO has the requisite corporate power and authority to execute and deliver this Agreement and to carry out its terms. The IESO has full corporate power and authority to hold the Regulatory Asset and to Transfer Specified Portions of the Regulatory Asset to the Issuer and the IESO has duly authorized such Transfer to the Issuer by all necessary corporate action. The execution, delivery and performance of all obligations under this Agreement have been duly authorized by all necessary corporate action on the part of the IESO under all applicable laws.

(d) Binding Obligation. This Agreement constitutes a legal, valid and binding obligation of the IESO, enforceable against the IESO in accordance with its terms, subject to bankruptcy, receivership, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally from time to time in effect and to general principles of equity (including concepts of materiality, reasonableness, good faith and fair dealing).

(e) No Violation. The consummation of the transactions contemplated by this Agreement and the fulfillment of the terms hereof by the IESO do not conflict with, result in any breach of any of the terms and provisions of, or constitute (with or without notice or lapse of time, or both) a default under, the IESO's by-laws, or

any indenture, or other material agreement or instrument to which the IESO is a party or by which it is bound, result in the creation or imposition of any Lien upon any of the IESO's properties pursuant to the terms of any such indenture, agreement or other instrument or violate any existing law or any order, rule or regulation applicable to the IESO issued by any Governmental Authority having jurisdiction over the IESO or its properties, except, in each case, where such breach would not reasonably be expected to materially and adversely affect the performance by the IESO of its obligations under this Agreement or the Act or the validity or enforceability of this Agreement.

(f) No Proceedings. To the IESO's knowledge, except as disclosed in writing to the Issuer, there are no Proceedings pending or threatened against the IESO or its properties: (a) asserting the invalidity of this Agreement or the Act, (b) seeking to prevent the consummation of any of the transactions contemplated by this Agreement or the Act, or (c) seeking a determination or ruling that could reasonably be expected to materially and adversely affect the performance by the IESO of its obligations under this Agreement or the Act or the validity or enforceability of this Agreement.

(g) Approvals. No approvals, authorizations, consents, orders or other actions or filings with any Governmental Authority are required for the IESO to execute, deliver and perform its obligations under this Agreement except those which have previously been obtained or made.

(h) Information. Except in respect of information provided by a third party, all written information, as amended or supplemented from time to time, provided by the Transferor to the Issuer with respect to the Issuer in a Transfer Notice and a Monthly Report is true and correct in all material respects and does not omit any material fact.

(i) The Transfer. After the completion of the Transfer on the applicable Closing Date, the IESO will have no right, title or interest in the Investment Interest related to the Specified Portion of the Regulatory Asset as set forth in the applicable Transfer Notice, and the related Investment Interest shall not form part of the estate of the IESO in the event of an Insolvency Event in respect of the IESO.

(j) No Transfer. Except for Permitted Transfers, the IESO has not sold, transferred, assigned or otherwise conveyed any interest in the Regulatory Asset to any Person.

(k) Liens. IESO has not pledged or otherwise granted a Lien to any Person in the Regulatory Asset and to the IESO's knowledge (after due inquiry), there is no registered financing statement listing the IESO as debtor covering or extending to the Regulatory Asset.

(l) Tax Liens. The IESO (i) is not aware, after due inquiry, of any judgment or tax lien filing against the IESO, and (ii) is not a non-resident of Canada for purposes of the *Income Tax Act* (Canada).

(m) Solvency. On the date hereof and after giving effect to each Transfer, the IESO:

(i) reasonably believes that it will be able to pay its debts as they come due; and

(ii) is able to pay its debts as they mature and does not intend to incur, or believes that it will not incur, indebtedness that it will not be able to repay at its maturity.

(n) No Court Order. There is no order by any court that seeks to enjoin the performance of any obligations of the IESO under the Act or this Agreement.

**4.2 Survival**

The representations and warranties set forth in Section 4.1 shall survive the execution and delivery of this Agreement, each Transfer of a Specified Portion of a Regulatory Asset to the Issuer and the pledge of the corresponding Investment Asset to the Indenture Trustee pursuant to the Indenture and may not be waived by any party hereto except pursuant to a written agreement executed in accordance with Section 8.1 and as to which the Rating Agency Condition has been satisfied.

## ARTICLE 5
## COVENANTS OF THE IESO

**5.1 Existence**

So long as any Issuer Funding Obligations are outstanding, the IESO (a) shall not take any action to impair its corporate existence, and (b) will obtain and preserve its qualification to do business in the Province of Ontario.

**5.2 No Transfer or Liens**

Except for Transfers under this Agreement to the Issuer or Permitted Transfers, the IESO will not Transfer the Regulatory Asset or any portion thereof to any person. The IESO will not grant, create, incur, assume or suffer to exist any Lien on the Regulatory Asset or any portion thereof. The IESO will not at any time assert any Lien against or with respect to the Issuer Investment Interest, except for any Lien granted by the Issuer to the IESO.

**5.3 Notice of Liens**

The IESO shall notify the Issuer promptly after becoming aware of any Lien on any portion of the Regulatory Asset.

## 5.4 Compliance with Law

The IESO will comply with all Requirements of Law applicable to, and binding upon, the IESO or relating to the Regulatory Asset, except to the extent that failure to so comply would not materially adversely affect the Transfer of Specified Portions of the Regulatory Asset or the IESO's performance of its obligations under this Agreement; provided, however, that the foregoing is not intended to, and shall not, impose any liability on the IESO for non-compliance with any Requirement of Law that the IESO is contesting in good faith in accordance with its customary standards and procedures.

## 5.5 Covenants Related to the Investment Interest

(a) So long as any Issuer Funding Obligations are outstanding, the IESO shall treat the Issuer Investment Interest as the Issuer's property for all purposes.

(b) Except for investments held for employee benefit purposes, the IESO shall not at any time become a holder of Issuer Funding Obligations.

(c) The IESO shall disclose the effects of all transactions between the IESO and the Issuer in accordance with generally accepted accounting principles (for government entities).

(d) (i) In all Proceedings relating directly or indirectly to the Issuer Investment Interest, the IESO shall affirmatively certify and confirm that it has Transferred all of its rights and interests in and to the Specified Portions of the Regulatory Asset giving rise to the Issuer Investment Interest, (ii) the IESO shall not make any statement or reference in respect of the Issuer Investment Interest that is inconsistent with the ownership interest of the Issuer, and (iii) the IESO shall not take any action in respect of the Issuer Investment Interest except solely in its capacity as the Servicer thereof pursuant to this Agreement.

## 5.6 Non-petition Covenants

Notwithstanding any prior termination of this Agreement or the Indenture, the IESO shall not, prior to the date that is one year plus one day after termination of the Indenture and the payment in full of all Issuer Funding Obligations and any other amounts owed under the Indenture, petition or otherwise invoke the process of any Governmental Authority for the purpose of commencing or sustaining a Proceeding against the Issuer under any Canadian bankruptcy, insolvency or similar law, appointing a receiver, liquidator, assignee, trustee, custodian, sequestrator or other similar official or any substantial part of the property of the Issuer.

## 5.7 Disclosure

The IESO shall provide such non-confidential information regarding IESO, the Regulatory Asset and the services provided by the Servicer hereunder (collectively, the "**IESO Disclosure**") as may be reasonably requested by the Issuer for inclusion in any offering document of the Issuer from time to time, including but not limited to offering memoranda,

prospectuses, registration statements and continuous disclosure documents (the "**Offering Documents**"), provided that the IESO has been given a reasonable opportunity by the Issuer to review any such Offering Documents. The IESO represents that, except in respect information provided by a third party, all IESO Disclosure, as at the respective dates of delivery to the Issuer, is true and correct in all material respects and contains no misrepresentation.

### 5.8 Further Assurances

Upon the request of the Issuer, the IESO shall execute and deliver such further instruments and do such further acts as may reasonably be necessary to carry out the provisions and purposes of this Agreement.

### 5.9 Access to Certain Records and Information

The IESO shall provide to the Issuer access to all records relating to the IESO Deferral, the Fair Hydro Variance Account, the IESO Segregated Account and Servicer CEA Receipts, as is reasonably required for the Issuer to confirm compliance by the IESO with its obligations under this Agreement. Access shall be afforded without charge, but only upon reasonable request and during normal business hours at the offices of the IESO. Nothing in this Section 5.9 shall affect the obligation of the IESO to comply with any Requirement of Law prohibiting disclosure of information, and the failure of the IESO to provide access to such information as a result of such obligation shall not constitute a breach of this Section 5.9.

### 5.10 Maintenance of Operations

Subject to Section 3.11, the IESO agrees to continue, unless prevented by circumstances beyond its control, to operate as the electricity system operator in the Province of Ontario so long as it is acting as the Servicer under this Agreement.

## ARTICLE 6
## IESO INDEMNITIES

### 6.1 Liability of the IESO; Indemnities

(a) The IESO shall indemnify the Issuer and each of its trustees, officers, directors and employees (each, an "**Indemnified Party**"), for, and defend and hold harmless each such Person from and against, any and all liabilities, obligations, losses, damages, payments and claims, and reasonable costs or expenses, of any kind whatsoever (collectively, "**Indemnified Losses**") imposed on, incurred by or asserted against such Person, as a result of (i) the failure of the IESO to perform its covenants and other obligations under this Agreement or any other Program Agreement to which the IESO is a party; or (ii) the breach by the IESO of any of its representations or warranties under this Agreement or any other Program Agreement to which the IESO is a party and, except to the extent of Indemnified Losses resulting from the willful misconduct, bad faith or gross negligence of such Person seeking indemnification hereunder; provided that, in each case, the IESO shall not be required to indemnify an Indemnified Party for any amount

paid or payable by such Indemnified Party in the settlement of any Proceeding or investigation without the written consent of the IESO, which consent shall not be unreasonably withheld. Promptly after receipt by an Indemnified Party of notice of the commencement of any Proceeding or investigation, such Indemnified Party shall, if a claim in respect thereof is to be made against the IESO under this Section 6.1(a), notify the IESO in writing of the commencement thereof. Failure by an Indemnified Party to so notify the IESO shall relieve the IESO from the obligation to indemnify and hold harmless such Indemnified Party under this Section 6.1(a) only to the extent that the IESO suffers actual prejudice as a result of such failure. With respect to any Proceeding or investigation brought by a third party for which indemnification may be sought under this Section 6.1(a), the IESO shall be entitled to conduct and control, at its expense and with counsel of its choosing that is reasonably satisfactory to such Indemnified Party, the defence of any such Proceeding or investigation (in which case the IESO shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the Indemnified Party except as set forth below); provided, that the Indemnified Party shall have the right to participate in such Proceeding or investigation through counsel chosen by it and at its own expense. Notwithstanding the IESO's election to assume the defence of any Proceeding or investigation, the Indemnified Party shall have the right to employ separate counsel, and the IESO shall bear the reasonable fees, costs and expenses of such separate counsel, if (i) the defendants in any such action include both the Indemnified Party and the IESO and the Indemnified Party shall have reasonably concluded that there may be legal defences available to it that are different from or additional to those available to the IESO, (ii) the IESO shall not have employed counsel reasonably satisfactory to the Indemnified Party to represent the Indemnified Party within a reasonable time after notice of the institution of such action, or (iii) the IESO authorizes the Indemnified Party to employ separate counsel at the expense of the IESO. Notwithstanding the foregoing, the IESO shall not be obligated to pay for the fees, costs and expenses of more than one separate counsel for the Indemnified Parties other than one local counsel, if appropriate. The IESO will not, without the prior written consent of the Indemnified Party, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim or Proceeding in respect of which indemnification may be sought under this Section 6.1(a) (whether or not the Indemnified Party is an actual or potential party to such claim or action) unless such settlement, compromise or consent includes an unconditional release of the Indemnified Party from all liability arising out of such claim or Proceeding.

(b) For purposes of Section 6.1(a), in the event of the termination of the rights and obligations of the IESO (or any successor thereto pursuant to Section 3.11) as Servicer pursuant to Section 7.1, or a resignation by such Servicer pursuant to Section 3.10 of this Agreement, the IESO shall be deemed to be the Servicer pending appointment of a Successor Servicer pursuant to Section 7.2.

(c) Indemnification under Section 6.1(a) shall include reasonable out-of-pocket fees and expenses of investigation and litigation (including reasonable legal fees and expenses), except as otherwise expressly provided in this Agreement.

(d) Indemnification under this Section 6.1 shall survive any repeal of, modification of, or supplement to, or judicial invalidation of, the Act and shall survive the termination of this Agreement and will rank *pari passu* with other general, unsecured obligations of the IESO.

(e) The IESO shall not be required to indemnify any party under this Section 6.1 for any losses resulting from changes in law after the date hereof, whether such changes in law are effected by means of any legislative enactment or any final and non-appealable judicial decision.

## ARTICLE 7
## SERVICER DEFAULT

### 7.1 Servicer Default

If any one or more of the following events (each, a "**Servicer Default**") shall occur and be continuing:

(a) any failure by the Servicer to remit to the Collection Account any required remittance that shall continue unremedied for a period of **[two/three]** Business Days after written notice of such failure is received by the Servicer from the Issuer or after discovery of such failure by a Responsible Officer of the Servicer;

(b) any failure on the part of the Servicer or, so long as the Servicer is the IESO, any failure on the part of the IESO, as the case may be, duly to observe or to perform in any respect any covenants or agreements of the Servicer or the IESO, as the case may be, set forth in this Agreement or in any other Program Agreement to which it is a party (other than as provided in Section 7.1(a)), which failure shall (i) materially and adversely affect the rights of the Specified Creditors and (ii) continue unremedied for a period of 30 days after the date on which (A) written notice of such failure, requiring the same to be remedied, shall have been given to the Servicer or the IESO, as the case may be, by the Issuer or (B) such failure is discovered by a Responsible Officer of the Servicer;

(c) any representation or warranty made by the Servicer in this Agreement, any other Program Agreement to which it is a party, any Transfer Notice or any Monthly Report shall prove to have been incorrect when made, which has a material adverse effect on the Issuer and which remains unremedied for a period of 30 days after the date on which (i) written notice thereof, requiring the same to be remedied, shall have been delivered to the Servicer by the Issuer or (ii) such failure is discovered by a Responsible Officer of the Servicer;

(d) an Insolvency Event occurs with respect to the Servicer or the IESO; or

(e) any additional "Servicer Default" as specified in any Co-Owner Agreement occurs;

then, and in each and every case, the Issuer may, subject to the terms of any Co-Owner Agreement, by notice then given in writing to the Servicer (a "**Termination Notice**"), terminate all the rights and obligations (other than the obligations set forth in Section 6.1 and the obligation under Section 7.2 to continue performing its functions as Servicer until a Successor Servicer is appointed) of the Servicer under this Agreement and under the Co-Owner Agreement. In addition, upon a Servicer Default described in Section 7.1(a), Issuer shall be entitled to apply to a court of appropriate jurisdiction for an order for sequestration and payment of revenues arising with respect to the Issuer. On or after the receipt by the Servicer of a Termination Notice, all authority and power of the Servicer under this Agreement, whether with respect to the Investment Interest, the Clean Energy Adjustments or otherwise, shall, without further action, pass to and be vested in such Successor Servicer as may be appointed under Section 7.2; and, without limitation, the Issuer is hereby authorized and empowered to execute and deliver, on behalf of the predecessor Servicer, as attorney-in-fact or otherwise, any and all documents and other instruments, and to do or accomplish all other acts or things necessary or appropriate to effect the purposes of such Termination Notice, whether to complete the transfer of all documents and records related to the Regulatory Asset, the Fair Hydro Variance Account and related documents or records, or otherwise (the "**Records**"). The predecessor Servicer shall cooperate with the Successor Servicer and the Issuer in effecting the termination of the responsibilities and rights of the predecessor Servicer under this Agreement, including the transfer to the Successor Servicer for administration by it of all Records and all cash amounts that shall at the time be held by the predecessor Servicer for remittance, or shall thereafter be received by it with respect to the Investment Interest or the Clean Energy Adjustment. As soon as practicable after receipt by the Servicer of such Termination Notice, the Servicer shall deliver the Records to the Successor Servicer. If a Successor Servicer has been appointed as a result of a Servicer Default, all reasonable costs and expenses (including reasonable legal fees and expenses) incurred in connection with transferring the Records to the Successor Servicer and amending this Agreement and any Co-Owner Agreement to reflect such succession as Servicer pursuant to this Section 7.1 shall be paid by the predecessor Servicer upon presentation of reasonable documentation of such costs and expenses. Termination of the IESO as Servicer shall not terminate the IESO's rights or obligations under this Agreement (except rights thereunder deriving from its rights as the Servicer hereunder).

**7.2 Appointment of Successor Servicer**

(a) Upon the Servicer's receipt of a Termination Notice pursuant to Section 7.1 or the Servicer's resignation or removal in accordance with the terms of this Agreement, the predecessor Servicer shall continue to perform its functions as Servicer under this Agreement, until a Successor Servicer shall have assumed in writing the obligations of the Servicer hereunder as described below. In the event of the Servicer's removal or resignation hereunder, the Issuer may, but subject to the provisions of the applicable Co-Owner Agreement, appoint a Successor Servicer and the Successor Servicer shall accept its appointment by a written assumption in form reasonably acceptable to the Issuer. If, within 30 days after the delivery of the Termination Notice, a Successor Servicer shall not have been appointed, the

Issuer may petition a court of competent jurisdiction to appoint a Successor Servicer under this Agreement. A Person shall qualify as a Successor Servicer only if (i) such Person is permitted under the Act to perform the duties of the Servicer, (ii) the Rating Agency Condition shall have been satisfied with respect to such appointment, (iii) such Person enters into a master transfer and servicing agreement with the Issuer having substantially the same provisions as this Agreement and (iv) such Person agrees to perform the obligations of the Servicer under any Co-Owner Agreement. In no event shall the Issuer be liable for its appointment of a Successor Servicer..

(b) Upon appointment, the Successor Servicer shall be the successor in all respects to the predecessor Servicer and shall be subject to all the responsibilities, duties and liabilities arising thereafter placed on the predecessor Servicer and shall be entitled to all the rights granted to the predecessor Servicer by the terms and provisions of this Agreement.

**7.3 Waiver of Past Defaults**

The Issuer may waive in writing any default by the Servicer in the performance of its obligations hereunder and its consequences. Upon any such waiver of a past default, such default shall cease to exist, and any Servicer Default arising therefrom shall be deemed to have been remedied for every purpose of this Agreement. No such waiver shall extend to any subsequent or other default or impair any right consequent thereto.

**7.4 Notice of Servicer Default**

The Servicer shall deliver to the Issuer, promptly after having obtained knowledge thereof, but in no event later than five Business Days thereafter, written notice of any event that, with the giving of notice or lapse of time, or both, would become a Servicer Default under Section 7.1.

**7.5 Cooperation with Successor Servicer**

The Servicer covenants and agrees with the Issuer that it will, on an ongoing basis, cooperate with the Successor Servicer and provide whatever information is, and take whatever actions are, reasonably necessary to assist the Successor Servicer in performing its obligations hereunder.

## ARTICLE 8
## MISCELLANEOUS

**8.1 Amendment**

This Agreement may be amended in writing by the IESO and the Issuer, and with satisfaction of the Rating Agency Condition, such satisfaction to be confirmed by the Issuer at the time of such amendment. Promptly after the execution of any such amendment, the Issuer shall furnish copies of such amendment to each of the Rating Agencies.

## 8.2 Withholding Rights

The parties shall be entitled to deduct and withhold from amounts payable under this Agreement such amounts as each is required to deduct and withhold with respect to such payment under the *Income Tax Act* (Canada) or any provision of any applicable federal, provincial, territorial, state, local or foreign tax law. To the extent that amounts are so withheld, such withheld amounts shall be treated for all purposes as having been paid to the recipient of the payment in respect of which such deduction and withholding was made, provided that such withheld amounts are actually remitted in accordance with applicable law to the appropriate taxing authority.

## 8.3 No Partnership

Each party expressly disclaims any intention to create a partnership, and none of the Issuer or the IESO will be deemed to be carrying on business in partnership by reason of its execution and delivery of this Agreement or the exercise or performance by it of its respective rights and obligations hereunder.

**8.5 Assignment**

Notwithstanding anything to the contrary contained herein, except as provided in the provisions of this Agreement concerning the resignation of the Servicer, this Agreement may not be assigned by the IESO.

**8.6 Limitations on Rights of Third Parties**

The provisions of this Agreement are solely for the benefit of the IESO and the Issuer, and such Persons shall have the right to enforce the relevant provisions of this Agreement. Nothing in this Agreement, whether express or implied, shall be construed to give to any other Person any legal or equitable right, remedy or claim in the Issuer Investment Interest or under or in respect of this Agreement or any covenants, conditions or provisions contained herein.

**8.7 Severability**

Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remainder of such provision (if any) or the remaining provisions hereof (unless such construction shall be unreasonable), and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

**8.8 Separate Counterparts; Electronic Delivery**

This Agreement may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute but one and the same instrument. Delivery of an executed signature page to this Agreement by a party by electronic transmission will be as effective as delivery of a manually executed copy of this Agreement by such party.

**8.9 Governing Law**

This Agreement shall be construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein, and each party to this Agreement attorns to the non-exclusive jurisdiction of the courts of the Province of Ontario.

**8.10 Grant of Security Interest to Indenture Trustee**

The IESO hereby acknowledges and consents to the grant of a Lien by the Issuer to the Indenture Trustee pursuant to the Indenture for the benefit of the Specified Creditors

against all right, title and interest of the Issuer in, to and under this Agreement, the Investment Interest and the proceeds thereof and the assignment of any or all of the Issuer's rights hereunder to the Indenture Trustee for the benefit of the Specified Creditors.

**8.11 Limitation of Liability of the Issuer Trustee**

(a) It is expressly understood and agreed by the parties hereto that the Issuer Trustee is acting solely in its capacity as trustee of the Issuer, and not in any other capacity. The Issuer solely shall be responsible for the performance of the Issuer's obligations hereunder and the assets of the Issuer solely shall be subject to levy or execution in satisfaction of such obligations.

(b) The Issuer Trustee will not be subject to any liability whatsoever, in tort, in contract or otherwise, in connection with the Issuer's property or the Issuer's activities, to the Issuer's beneficiaries or to any other Person, for any action taken or permitted by the Issuer Trustee to be taken, or the Issuer Trustee's failure to compel in any way any former or acting Issuer Trustee to redress any breach of trust with respect to the execution of the duties of its office or in respect of the Issuer's property or the Issuer's activities, provided that the foregoing limitation will not apply in respect of action or failure to act arising from or in connection with dishonesty, bad faith, willful misconduct, gross negligence or reckless disregard of a duty by the Issuer Trustee. The Issuer Trustee, in doing anything or permitting anything to be done in respect of the execution of the duties of its office or in respect of the Issuer's property or the Issuer's activities, is, and will be conclusively deemed to be, acting as trustee of the Issuer and not in any other capacity. Except as to the extent provided in this Section 8.11, the Issuer Trustee will not be subject to any liability for any debts, liabilities, obligations, claims, demands, judgments, costs, charges or expenses against or with respect to the Issuer, arising out of anything done or permitted by it to be done or its failure to take any action in respect of the execution of the duties of its office or for or in respect of the Issuer's property or the Issuer's activities and resort will be had solely to the Issuer's property for the payment or performance thereof. No property or assets of the Issuer Trustee owned in its personal capacity will be subject to levy, execution or other enforcement procedure with regard to any obligation under this Agreement.

(c) The holders of the units of the Issuer will not be subject to any liability whatsoever, in tort, in contract or otherwise, in connection with the Issuer's property or the Issuer's activities, to the Issuer's beneficiaries or to any other Person, for any action taken or permitted by it to be taken. The holders of the units of the Issuer will not be subject to any liability for any debts, liabilities, obligations, claims, demands, judgments, costs, charges or expenses against or with respect to the Issuer, arising out of anything done or permitted by it to be done or its failure to take any action in respect of the execution of the duties of its office or for or in respect of the Issuer's property or the Issuer's activities and resort will be had solely to the Issuer's property for the payment or performance thereof. No property or assets of the holders of the units of the Issuer owned in

Any such waiver shall be validly and sufficiently authorized for the purposes of this Agreement if, as to any party, it is authorized in writing by an authorized representative of such party, with prompt written notice of any such waiver to be provided to the Rating Agencies. The failure of any party hereto to enforce at any time any provision of this Agreement shall not be construed to be a waiver of such provision, nor in any way to affect the validity of this Agreement or any part hereof or the right of any party thereafter to enforce each and every such provision. No waiver of any breach of this Agreement shall be held to constitute a waiver of any other or subsequent breach.

Subject to Section 3.6, the Servicer shall discharge its duties, responsibilities and obligations hereunder with reasonable care and in material compliance with the Requirements of Law, including the Act and the Regulations and, in doing so, shall follow standards, policies and procedures in performing its duties as Servicer hereunder that are customary for an electricity market operator and administrator that regularly performs settlement functions.

### 3.8 Appointments

The Servicer may at any time appoint any Person to act as its agent to perform all or any portion of its obligations as Servicer hereunder; provided however, that the Rating Agency Condition shall have been satisfied in connection therewith; and provided further that the Servicer shall remain obligated and be liable for the performance of its obligations under this Agreement without diminution of such obligation and liability by virtue of the appointment of such Person and to the same extent and under the same terms and conditions as if the Servicer alone were performing such obligations. The fees and expenses of any such Person shall be as agreed between the Servicer and such Person from time to time, and the Issuer shall not have any responsibility therefor or right or claim thereto. Any such appointment shall not constitute a resignation of the Servicer under Section 3.10.

The appointment of the Servicer as servicer under this Agreement shall be terminated effective as of the date of the Termination Event.

### 3.10 Resignation of Servicer

No such resignation shall become effective until a Successor Servicer that is a Permitted Successor has

assumed the servicing obligations and duties hereunder of the Servicer in accordance with Section 7.2.

### 3.11 Mergers

When any Person that is a Permitted Successor acquires the properties and assets of the Servicer substantially as a whole or otherwise becomes the successor, by merger, conversion, consolidation, sale, transfer, lease or otherwise, to all or substantially all the assets of the Servicer in accordance with the terms of this Section 3.11, then, upon satisfaction of all of the other conditions of this Section 3.11, the preceding Servicer shall automatically and without further notice be released from all of its obligations hereunder (except for responsibilities for its actions prior to such release).

### 3.12 The IESO Not to Resign as Servicer

Subject to the provisions of Section 3.11, the IESO shall not resign from the obligations and duties imposed on it as Servicer under this Agreement except upon a determination that the performance of its duties under this Agreement shall no longer be permissible under applicable Requirements of Law. Notice of any such determination permitting the resignation of the IESO as Servicer shall be communicated to the Issuer and each Rating Agency at the earliest practicable time (and, if such communication is not in writing, shall be confirmed in writing at the earliest practicable time), and any such determination shall be evidenced by an Opinion of Counsel to such effect delivered to the Issuer and each Rating Agency concurrently with or promptly after such notice. ## 5.4 Compliance with Law

## ARTICLE 6
## IESO INDEMNITIES

### 6.1 Liability of the IESO; Indemnities

(a) The IESO shall indemnify the Issuer~~, the Manager~~ and each of ~~their respective~~**its** trustees, officers, directors and employees (each, an "**Indemnified Party**"), for, and defend and hold harmless each such Person from and against, any and all liabilities, obligations, losses, damages, payments and claims, and reasonable costs or expenses, of any kind whatsoever (collectively, "**Indemnified Losses**") imposed on, incurred by or asserted against such Person, as a result of (i) the failure of the IESO to perform its covenants and other obligations under this Agreement or any other Program Agreement to which the IESO is a party; or (ii) the breach by the IESO of any of its representations or warranties under this Agreement or any other Program Agreement to which the IESO is a party and, except to the extent of Indemnified Losses resulting from the willful misconduct, bad faith or gross negligence of such Person seeking indemnification hereunder; provided that, in each case, the IESO shall not be required to indemnify an Indemnified Party for any amount paid or payable by such Indemnified Party in the settlement of any Proceeding or investigation without the written consent of the IESO, which consent shall not be unreasonably withheld. Promptly after receipt by an Indemnified Party of notice of the commencement of any Proceeding or investigation, such Indemnified Party shall, if a claim in respect thereof is to be made against the IESO under this Section 6.1(a), notify the IESO in writing of the commencement thereof. Failure by an Indemnified Party to so notify the IESO shall relieve the IESO from the obligation to indemnify and hold harmless such Indemnified Party under this Section 6.1(a) only to the extent that the IESO suffers actual prejudice as a result of such failure. With respect to any Proceeding or investigation brought by a third party for which indemnification may be sought under this Section 6.1(a), the IESO shall be entitled to conduct and control, at its expense and with counsel of its choosing that is reasonably satisfactory to such Indemnified Party, the defence of any such Proceeding or investigation (in which case the IESO shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the Indemnified Party except as set forth below); provided, that the Indemnified Party shall have the right to participate in such Proceeding or investigation through counsel chosen by it and at its own expense. Notwithstanding the IESO's election to assume the defence of any Proceeding or investigation, the Indemnified Party shall have the right to employ separate counsel, and the IESO shall bear the reasonable fees, costs and expenses of such separate counsel, if (i) the defendants in any such action include both the Indemnified Party and the IESO and the Indemnified Party shall have reasonably concluded that there may be legal defences available to it that are different from or additional to those available to the IESO, (ii) the IESO shall not have employed

counsel reasonably satisfactory to the Indemnified Party to represent the Indemnified Party within a reasonable time after notice of the institution of such action, or (iii) the IESO authorizes the Indemnified Party to employ separate counsel at the expense of the IESO. Notwithstanding the foregoing, the IESO shall not be obligated to pay for the fees, costs and expenses of more than one separate counsel for the Indemnified Parties other than one local counsel, if appropriate. The IESO will not, without the prior written consent of the Indemnified Party, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim or Proceeding in respect of which indemnification may be sought under this Section 6.1(a) (whether or not the Indemnified Party is an actual or potential party to such claim or action) unless such settlement, compromise or consent includes an unconditional release of the Indemnified Party from all liability arising out of such claim or Proceeding.

(b) For purposes of Section 6.1(a), in the event of the termination of the rights and obligations of the IESO (or any successor thereto pursuant to Section 3.11) as Servicer pursuant to Section 7.1, or a resignation by such Servicer pursuant to Section 3.10 of this Agreement, the IESO shall be deemed to be the Servicer pending appointment of a Successor Servicer pursuant to Section 7.2.

(c) Indemnification under Section 6.1(a) shall include reasonable out-of-pocket fees and expenses of investigation and litigation (including reasonable legal fees and expenses), except as otherwise expressly provided in this Agreement.

(d) Indemnification under this Section 6.1 shall survive any repeal of, modification of, or supplement to, or judicial invalidation of, the Act and shall survive the termination of this Agreement and will rank *pari passu* with other general, unsecured obligations of the IESO.

(e) The IESO shall not be required to indemnify any party under this Section 6.1 for any losses resulting from changes in law after the date hereof, whether such changes in law are effected by means of any legislative enactment or any final and non-appealable judicial decision.

~~**[Note to Draft: The Indenture Trustee has been removed as a party to this Agreement on the understanding that a separate acknowledgement and indemnity will be entered into between the IESO and the Indenture Trustee in which the IESO acknowledges the Indenture Trustee's right to enforce this Agreement, and in which the IESO provides an similar indemnity to that above in favour of the Indenture Trustee on behalf of the Specified Creditors.]**~~

(a) any failure by the Servicer to remit to the Collection Account any required remittance that shall continue unremedied for a period of **[two/three~~] [NTD: Rating Agencies will expect 2-3 days~~]** Business Days after written notice of such failure is received by the Servicer from the Issuer or after discovery of such failure by a Responsible Officer of the Servicer;

(b) any failure on the part of the Servicer or, so long as the Servicer is the IESO, any failure on the part of the IESO, as the case may be, duly to observe or to perform in any respect any covenants or agreements of the Servicer or the IESO, as the case may be, set forth in this Agreement or in any other Program Agreement to which it is a party (other than as provided in Section 7.1(a)), which failure shall (i) materially and adversely affect the rights of the Specified Creditors and (ii) continue unremedied for a period of 30 days after the date on which (A) written notice of such failure, requiring the same to be remedied, shall have been given to the Servicer or the IESO, as the case may be, by the Issuer or (B) such failure is discovered by a Responsible Officer of the Servicer;

(c) any representation or warranty made by the Servicer in this Agreement, any other Program Agreement to which it is a party, any Transfer Notice or any Monthly Report shall prove to have been incorrect when made, which has a material adverse effect on the Issuer and which remains unremedied for a period of 30 days after the date on which (i) written notice thereof, requiring the same to be remedied, shall have been delivered to the Servicer by the Issuer or (ii) such failure is discovered by a Responsible Officer of the Servicer;

(d) an Insolvency Event occurs with respect to the Servicer or the IESO; or

(e) any additional "Servicer Default" as specified in any Co-Owner Agreement occurs;

then, and in each and every case, the Issuer may, subject to the terms of any Co-Owner Agreement, by notice then given in writing to the Servicer (a "**Termination Notice**"), terminate all the rights and obligations (other than the obligations set forth in Section 6.1 and the obligation under Section 7.2 to continue performing its functions as Servicer until a Successor Servicer is appointed) of the Servicer under this Agreement and under the Co-Owner Agreement. In addition, upon a Servicer Default described in Section 7.1(a), Issuer shall be entitled to apply to a court of appropriate jurisdiction for an order for sequestration and payment of revenues arising with respect to the Issuer. On or after the receipt by the Servicer of a Termination Notice, all authority and power of the Servicer under this Agreement, whether with respect to the Investment

Interest, the Clean Energy Adjustments or otherwise, shall, without further action, pass to and be vested in such Successor Servicer as may be appointed under Section 7.2; and, without limitation, the Issuer is hereby authorized and empowered to execute and deliver, on behalf of the predecessor Servicer, as attorney-in-fact or otherwise, any and all documents and other instruments, and to do or accomplish all other acts or things necessary or appropriate to effect the purposes of such Termination Notice, whether to complete the transfer of all documents and records related to the Regulatory Asset, the Fair Hydro Variance Account and related documents or records, or otherwise (the "**Records**"). The predecessor Servicer shall cooperate with the Successor Servicer and the Issuer in effecting the termination of the responsibilities and rights of the predecessor Servicer under this Agreement, including the transfer to the Successor Servicer for administration by it of all Records and all cash amounts that shall at the time be held by the predecessor Servicer for remittance, or shall thereafter be received by it with respect to the Investment Interest or the Clean Energy Adjustment. As soon as practicable after receipt by the Servicer of such Termination Notice, the Servicer shall deliver the Records to the Successor Servicer. If a Successor Servicer has been appointed as a result of a Servicer Default, all reasonable costs and expenses (including reasonable legal fees and expenses) incurred in connection with transferring the Records to the Successor Servicer and amending this Agreement and any Co-Owner Agreement to reflect such succession as Servicer pursuant to this Section 7.1 shall be paid by the predecessor Servicer upon presentation of reasonable documentation of such costs and expenses. Termination of the IESO as Servicer shall not terminate the IESO's rights or obligations under this Agreement (except rights thereunder deriving from its rights as the Servicer hereunder).

**7.2 Appointment of Successor Servicer**

(a) Upon the Servicer's receipt of a Termination Notice pursuant to Section 7.1 or the Servicer's resignation or removal in accordance with the terms of this Agreement, the predecessor Servicer shall continue to perform its functions as Servicer under this Agreement, until a Successor Servicer shall have assumed in writing the obligations of the Servicer hereunder as described below. In the event of the Servicer's removal or resignation hereunder, the Issuer may, but subject to the provisions of the applicable Co-Owner Agreement, appoint a Successor Servicer and the Successor Servicer shall accept its appointment by a written assumption in form reasonably acceptable to the Issuer. If, within 30 days after the delivery of the Termination Notice, a Successor Servicer shall not have been appointed, the Issuer may petition a court of competent jurisdiction to appoint a Successor Servicer under this Agreement. A Person shall qualify as a Successor Servicer only if (i) such Person is permitted under the Act to perform the duties of the Servicer, (ii) the Rating Agency Condition shall have been satisfied with respect to such appointment, (iii) such Person enters into a master transfer and servicing agreement with the Issuer having substantially the same provisions as this Agreement and (iv) such Person agrees to perform the obligations of the Servicer under any Co-Owner Agreement. In no event shall the Issuer be liable for its appointment of a Successor Servicer..

(b) Upon appointment, the Successor Servicer shall be the successor in all respects to the predecessor Servicer and shall be subject to all the responsibilities, duties and

liabilities arising thereafter placed on the predecessor Servicer and shall be entitled to all the rights granted to the predecessor Servicer by the terms and provisions of this Agreement.

### 7.3 Waiver of Past Defaults

The Issuer may waive in writing any default by the Servicer in the performance of its obligations hereunder and its consequences. Upon any such waiver of a past default, such default shall cease to exist, and any Servicer Default arising therefrom shall be deemed to have been remedied for every purpose of this Agreement. No such waiver shall extend to any subsequent or other default or impair any right consequent thereto.

### 7.4 Notice of Servicer Default

The Servicer shall deliver to the Issuer, promptly after having obtained knowledge thereof, but in no event later than five Business Days thereafter, written notice of any event that, with the giving of notice or lapse of time, or both, would become a Servicer Default under Section 7.1.

### 7.5 Cooperation with Successor Servicer

The Servicer covenants and agrees with the Issuer that it will, on an ongoing basis, cooperate with the Successor Servicer and provide whatever information is, and take whatever actions are, reasonably necessary to assist the Successor Servicer in performing its obligations hereunder.

Notwithstanding anything to the contrary contained herein, except as provided in the provisions of this Agreement concerning the resignation of the Servicer, this Agreement may not be assigned by the IESO.

### 8.6 Limitations on Rights of Third Parties

The provisions of this Agreement are solely for the benefit of the IESO and the Issuer, and such Persons shall have the right to enforce the relevant provisions of this Agreement. ### 8.7 Severability

Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remainder of such provision (if any) or the remaining provisions hereof (unless such construction shall be unreasonable), and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

### 8.8 Separate Counterparts; Electronic Delivery

This Agreement may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute but one and the same instrument. ### 8.9 Governing Law

This Agreement shall be construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein, and each party to this Agreement attorns to the non-exclusive jurisdiction of the courts of the Province of Ontario.

## 8.10 Grant of Security Interest to Indenture Trustee

The IESO hereby acknowledges and consents to the grant of a Lien by the Issuer to the Indenture Trustee pursuant to the Indenture for the benefit of the Specified Creditors against all right, title and interest of the Issuer in, to and under this Agreement, the Investment Interest and the proceeds thereof and the assignment of any or all of the Issuer's rights hereunder to the Indenture Trustee for the benefit of the Specified Creditors.

## 8.11 Limitation of Liability of the Issuer Trustee

(a) It is expressly understood and agreed by the parties hereto that the Issuer Trustee is acting solely in its capacity as trustee of the Issuer, and not in any other capacity. The Issuer solely shall be responsible for the performance of the Issuer's obligations hereunder and the assets of the Issuer solely shall be subject to levy or execution in satisfaction of such obligations.

(b) The Issuer Trustee will not be subject to any liability whatsoever, in tort, in contract or otherwise, in connection with the Issuer's property or the Issuer's activities, to the Issuer's beneficiaries or to any other Person, for any action taken or permitted by the Issuer Trustee to be taken, or the Issuer Trustee's failure to compel in any way any former or acting Issuer Trustee to redress any breach of trust with respect to the execution of the duties of its office or in respect of the Issuer's property or the Issuer's activities, provided that the foregoing limitation will not apply in respect of action or failure to act arising from or in connection with dishonesty, bad faith, willful misconduct, gross negligence or reckless disregard of a duty by the Issuer Trustee. The Issuer Trustee, in doing anything or permitting anything to be done in respect of the execution of the duties of its office or in respect of the Issuer's property or the Issuer's activities, is, and will be conclusively deemed to be, acting as trustee of the Issuer and not in any other capacity. Except as to the extent provided in this Section 8.11, the Issuer Trustee will not be subject to any liability for any debts, liabilities, obligations, claims, demands, judgments, costs, charges or expenses against or with respect to the Issuer, arising out of anything done or permitted by it to be done or its failure to take any action in respect of the execution of the duties of its office or for or in respect of the Issuer's property or the Issuer's activities and resort will be had solely to the Issuer's property for the payment or performance thereof. No property or assets of the Issuer Trustee owned in its personal capacity will be subject to levy, execution or other enforcement procedure with regard to any obligation under this Agreement.

(c) The holders of the units of the Issuer will not be subject to any liability whatsoever, in tort, in contract or otherwise, in connection with the Issuer's property or the Issuer's activities, to the Issuer's beneficiaries or to any other Person, for any action taken or permitted by it to be taken. The holders of the units

of the Issuer will not be subject to any liability for any debts, liabilities, obligations, claims, demands, judgments, costs, charges or expenses against or with respect to the Issuer, arising out of anything done or permitted by it to be done or its failure to take any action in respect of the execution of the duties of its office or for or in respect of the Issuer's property or the Issuer's activities and resort will be had solely to the Issuer's property for the payment or performance thereof. No property or assets of the holders of the units of the Issuer owned in their personal capacity will be subject to levy, execution or other enforcement procedure with regard to any obligation under this Agreement.

**8.12 Waivers**

Any term or provision of this Agreement may be waived, or the time for its performance may be extended, by the party or parties entitled to the benefit thereof. Any such waiver shall be validly and sufficiently authorized for the purposes of this Agreement if, as to any party, it is authorized in writing by an authorized representative of such party, with prompt written notice of any such waiver to be provided to the Rating Agencies. The failure of any party hereto to enforce at any time any provision of this Agreement shall not be construed to be a waiver of such provision, nor in any way to affect the validity of this Agreement or any part hereof or the right of any party thereafter to enforce each and every such provision. No waiver of any breach of this Agreement shall be held to constitute a waiver of any other or subsequent breach.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

warranty notwithstanding any investigation made by or on behalf of the Secured Party at any time.

## 6. ENFORCEMENT

### 6.1 Enforceability of Security

The security hereby constituted shall become enforceable only upon the failure of the Grantor to pay the Statutory Obligations when due, and then only to the extent of the Statutory Obligations not then paid when due. The Grantor acknowledges that it has no right in any circumstance to accelerate payment of the Statutory Obligations, to apply proceeds of Collateral on account of Statutory Obligations not yet due, or to reserve or hold proceeds of Collateral on account of Statutory Obligations not yet due.

### 6.2 Remedies

At any time that the security hereby constituted shall have become enforceable, the Secured Party may give notice of its intention to its exercise rights and remedies hereunder. At any time ten Business Days following the giving of such notice, and unless the amounts due and owing on account of the carrying Costs at the time of the Notice have been paid, the Secured Party shall have the following rights, powers and remedies:

(a) to appoint any person to be an agent or any person to be a receiver, manager or receiver and manager (herein called the "**Receiver**") of the Collateral and to remove any Receiver so appointed and to appoint another if the Secured Party so desires; it being agreed that any Receiver appointed pursuant to the provisions of this Agreement shall have all of the powers of the Secured Party hereunder;

(f) to enjoy and exercise in respect of the Collateral all of the rights and remedies of a secured party under the PPSA;

(g) to notify the account debtors or obligors under any Accounts which constitute part of the Collateral of the assignment of such Accounts to the Secured Party and to direct such account debtors or obligors to make payment of all amounts due or to become due to the Grantor thereunder directly to the Secured Party and to give valid and binding receipts and discharges therefor and in respect thereof and,

upon such notification and at the expense of the Grantor, to enforce collection of any such Accounts, and to adjust, settle or compromise the amount or payment thereof, in the same manner and to the same extent as the Grantor might have done; and

(h) to commence, continue or defend proceedings in any court of competent jurisdiction in the name of the Secured Party, the Receiver or the Grantor for the purpose of exercising any of the rights, powers and remedies set out in this Section, including the institution of proceedings for the appointment of a receiver, manager or receiver and manager of the Collateral.

**6.3 Special Rules re Accounts**

(a) all Money or other form of payment received by the Grantor in respect of the Collateral shall be received in trust for the benefit of the Secured Party hereunder, shall be segregated from other funds of the Grantor and shall be forthwith paid over to the Secured Party in the same form as so received (with any necessary endorsement) to be held as cash collateral and applied as provided by Section 6.8; and

(b) the Grantor shall not adjust, settle or compromise the amount or payment of any Collateral.

**6.4 Receiver as Agent**

The Receiver shall be deemed to be the agent of the Grantor for the purpose of establishing liability for the acts or omissions of the Receiver and the Secured Party shall not be liable for such acts or omissions and, without restricting the generality of the foregoing, the Grantor hereby irrevocably authorizes the Secured Party to give instructions to the Receiver relating to the performance of its duties as set out herein.

**6.5 Expenses of Enforcement**

The Grantor shall pay to the Receiver the remuneration of the Receiver and all costs and expenses (including, without limitation, legal fees and disbursements on a full indemnity basis) properly incurred by the Receiver pursuant to its appointment and the exercise of its powers hereunder, and shall pay to the Secured Party and the Receiver as required all amounts of Money (including interest thereon) borrowed or advanced by either of them pursuant to the powers set out herein, and the obligations of the Grantor to the Secured Party and the Receiver pursuant to this Section 6.5 shall be payable on demand.

**6.6 Indulgences and Releases**

Either the Secured Party or the Receiver may grant extensions of time and other indulgences, take and give up securities, accept compositions, grant releases and discharges, release any part of the Collateral to third parties and otherwise deal with the Grantor, debtors of the Grantor,

sureties and others and with the Collateral and other security as the Secured Party or the Receiver may see fit without prejudice to the right of the Secured Party and the Receiver to repossess, hold, collect and realize the Collateral.

### 6.7 No Liability for Failure to Exercise Remedies

The Secured Party and the Receiver shall not be liable or accountable to the Grantor or to any other person for any failure to exercise any of the rights, powers and remedies set out in this Agreement, and shall not be bound to commence, continue or defend proceedings for the purpose of preserving or protecting any rights of the Secured Party, the Receiver, the Grantor or any other party in respect of the same.

### 6.8 Proceeds of Disposition

All Moneys received by the Secured Party or by the Receiver pursuant to Section 6.2 shall be promptly applied as follows:

(a) first, in payment of all costs and expenses incurred by the Secured Party in the exercise of all or any of the powers granted to it under this Agreement and in payment of all of the remuneration of the Receiver and all costs and expenses properly incurred by the Receiver in the exercise of all or any of the powers granted to it under this Agreement, including, without limitation, the remuneration, costs and expenses referred to in Section 6.5;

(b) second, in payment of all amounts of Money borrowed or advanced by either of the Secured Party or the Receiver pursuant to the powers set out in this Agreement and any interest thereon;

(c) third, in payment of the Statutory Obligation, provided that if there are not sufficient Moneys to fully pay and perform the Statutory Obligation, the Secured Party may apply the Moneys available to such part or parts thereof as the Secured Party, in its sole discretion, may determine; and

(d) fourth, in payment of any surplus in accordance with applicable law.

### 6.9 Grantor Liable for Deficiency

If the Moneys received by the Secured Party or the Receiver pursuant to Section 6.2 are not sufficient to pay the claims set out in Section 6.8, the Grantor shall immediately pay the Secured Party the amount of such deficiency.

### 6.10 Restriction on Grantor

Upon notification of the account debtors or obligors under any Accounts which constitute part of the Collateral of the assignment of such Accounts to the Secured Party or the appointment of a Receiver in respect of the Collateral, all the powers, functions, rights and privileges of the Grantor or any officer, director, servant or agent of the Grantor with respect to the Collateral shall, to the extent permitted by applicable law, be suspended unless specifically continued by the written consent of the Secured Party; however, all other powers, functions, rights and

privileges of the Grantor or any officer, director, servant or agent of the Grantor shall be unaffected by such events.

### 6.11 Rights Cumulative

All rights and remedies of the Secured Party set out in this Agreement shall be cumulative and no right or remedy contained herein is intended to be exclusive but each shall be in addition to every other right or remedy contained herein or in any existing or future security document or now or hereafter existing at law or in equity or by statute.

## 7. GENERAL

### 7.1 Waiver

Any default by the Grantor in the observance or performance of any covenant or condition required to be observed or performed by the Grantor hereunder, may only be waived by the Secured Party in writing, provided that no such waiver by the Secured Party shall extend to or be taken in any manner to affect any subsequent breach or default or the rights resulting therefrom.

### 7.2 The Secured Party as Attorney

At any time that the Secured Party is entitled to exercise its rights and remedies under Section 6.2, the Grantor hereby irrevocably appoints the Secured Party and any person further designated by the Secured Party to be the attorney of the Grantor for and in the name of the Grantor to execute and do any deeds, documents, transfers, demands, assignments, assurances, consents and things which the Grantor is obliged to sign, execute or do hereunder and, to commence, continue and defend any proceedings authorized to be taken hereunder and generally to use the name of the Grantor in the exercise of all or any of the powers hereby conferred on the Secured Party. These powers are coupled with an interest, have been given for valuable consideration (the receipt and adequacy of which is acknowledged), survive, and do not terminate upon, the bankruptcy, dissolution, winding up or insolvency of the Grantor, and are irrevocable until the Statutory Obligation has been satisfied in full and this Agreement is terminated and the security interest created herein has been released. This power of attorney extends to and is binding upon the Grantor's successors and permitted assigns. The Grantor authorizes the Secured Party to delegate in writing to another person any power and authority of the Secured Party under this power of attorney as may be necessary or desirable in the opinion of the Secured Party, and to revoke or suspend such delegation.

### 7.3 Further Assurances

The Grantor shall do, execute, acknowledge and deliver or cause to be done, executed, acknowledged and delivered, such further acts, deeds, mortgages, transfers and assurances as the Secured Party shall reasonably require for the better assuring, charging, assigning and conferring unto the Secured Party a security interest in the Collateral, or which the Grantor may hereafter become bound to charge in favour of the Secured Party, for the purpose of accomplishing and effecting the intention of this Agreement.

The written notice of the initial purchase of the Series 2017-1 Senior Notes shall state (x) the Closing Date, and (y) the initial total purchase price to be paid for the Series 2017-1 Senior Notes (the "**Series 2017-1 Initial Principal Amount**"); and (ii) subject to Section 3.3(e), on any Business Day during the period from the initial purchase of the Series 2017-1 Senior Notes hereunder to and including the Commitment Expiry Date, in the case of a Non-Conduit Purchaser Group, the Related Non-Conduit Purchaser hereby agrees, or in the case of a CP Conduit Purchaser Group, the CP Conduit Purchaser in such CP Conduit Purchaser Group may agree, in its sole discretion, and the Group Bank with respect to such CP Conduit Purchaser hereby agrees that the Purchaser Group Principal Amount with respect to such Purchaser Group may be increased by an amount equal to the Commitment Percentage with respect to such Purchaser Group of the Increase Amount (an "**Increase**"), upon the request of the Issuer (each date on which an increase in the Series 2017-1 Principal Amount occurs hereunder being herein referred to as the "**Increase Date**" applicable to such Increase); provided, however, that the Issuer shall have given the Administrative Agent (with

a copy to the Indenture Trustee) irrevocable (other than as specified in Section 3.3(e)) written notice (effective upon receipt), by email communication, substantially in the form of Schedule C (an "**Increase Notice**") no later than **[3:00 p.m.]** (Toronto time) on (A) with respect to a Deferrable Increase Notice, the third Business Day prior to such Increase Date, or (B) with respect to a Non-Deferrable Increase Notice, the second Business Day prior to such Increase Date. (b) If a CP Conduit Purchaser elects not to fund the full amount of its Commitment Percentage of a requested Increase, such CP Conduit Purchaser shall notify the Administrative Agent and the Funding Agent with respect to such CP Conduit Purchaser, and the Group Bank with respect to such CP Conduit Purchaser shall fund the portion of the Commitment Percentage with respect to such Related Purchaser Group of such Increase not funded by such CP Conduit Purchaser.

(c) No Purchaser Group shall be required to increase its Purchaser Group Principal Amount on any Increase Date hereunder unless:

(i) such Purchaser Group's Commitment Percentage of such Increase Amount is (A) equal to $**[1,000,000]** or more, or (B) if less than $[1,000,000], the difference between the Maximum Purchaser Group Principal Amount with respect to such Purchaser Group and the Purchaser Group Principal Amount with respect to such Purchaser Group; and

(ii) after giving effect to such Increase Amount, the sum of the (x) the Purchaser Group Principal Amount, and (y) any unfunded Delayed Amounts with respect to such Purchaser Group would not exceed the Maximum Purchaser Group Principal Amount with respect to such Purchaser Group;

(d) Upon receipt of any notice required by Section 3.3(a) or permitted by Section 3.3(e) from the Issuer, the Administrative Agent shall forward (by email communication) a copy of such notice to each Non-Conduit Purchaser and the Funding Agent with respect to each CP Conduit Purchaser Group (or, with respect to any notice pursuant to Section 3.3(e) requiring a Delayed Funding Purchaser Group to decrease its Delayed Amount, the applicable Non-Conduit Purchaser or Funding Agent), no later than **[5:00 p.m.]** (Toronto time) on the Business Day received. After receipt by any Funding Agent with respect to a CP Conduit Purchaser Group of such notice from the Administrative Agent, such Funding Agent shall, so long as the conditions set forth in Sections 3.3(a) and (c) and Article 4 are satisfied, promptly provide notice by email communication to the related CP Conduit Purchaser and the related Group Bank, of the Increase Date and of such CP Conduit Purchaser Group's Commitment Percentage of the Closing Date or Increase Amount, as applicable. Subject to Section 3.3(e), if such CP Conduit Purchaser elects to fund all or a portion of its Commitment Percentage of the Series 2017-1 Initial Principal Amount or the Increase Amount, as applicable, such CP Conduit Purchaser shall pay in immediately available funds its Commitment Percentage (or any portion thereof) of the amount of the Series 2017-1 Initial Principal Amount or Increase Amount, as applicable, on the Closing Date or the related Increase

Date, as applicable, to the Funding Agent with respect to such CP Conduit Purchaser Group for remittance to the Issuer for application in accordance with Section 3.3(h). Subject to Section 3.3(e), if such CP Conduit Purchaser does not fund the full amount of the Commitment Percentage of such CP Conduit Purchaser Group of the Series 2017-1 Initial Principal Amount or an Increase Amount, as applicable, and the related Group Bank is required to fund the portion thereof not funded by the CP Conduit Purchaser, such Group Bank shall pay in immediately available funds such portion on the Closing Date or the related Increase Date, as applicable, to the Funding Agent with respect to such CP Conduit Purchaser Group. Each Funding Agent shall remit the amounts received by it from its CP Conduit Purchaser or the related Group Bank pursuant to this Section 3.3(d) to the Issuer for application in accordance with Section 3.3(h). Subject to Section 3.3(e), so long as the conditions set forth in Sections 3.3(a) and (c) and Article 4 are satisfied, each Non-Conduit Purchaser shall pay in immediately available funds the Commitment Percentage of such Non-Conduit Purchaser of the amount of the Series 2017-1 Initial Principal Amount or Increase Amount, as applicable, on the Closing Date or the Increase Date, as applicable, to the Issuer for application in accordance with Section 3.3(h).

(e) Notwithstanding any of the foregoing, any Group Bank or Non-Conduit Purchaser who shall have previously notified the Issuer in writing that it or any related Program Support Provider may, in the absence of the Group Bank or Non-Conduit Purchaser having the ability to deliver Delayed Funding Notices hereunder, incur charges under, or in anticipation of, Basel III (which may include external charges incurred by the Group Bank, Non-Conduit Purchaser or Program Support Provider or internal charges incurred by any of their businesses) in respect of its Commitment hereunder or any agreement to support such Commitment, or in respect of its interest in the Series 2017-1 Senior Notes, based on its "liquidity coverage ratio" calculated under Basel III, may, upon receipt of any Deferrable Increase Notice pursuant to Section 3.3(a), notify the Issuer in writing (a "**Delayed Funding Notice**") on or prior to **[12:00 noon]** (Toronto time) on the second Business Day preceding the related Increase Date, of its intent to fund an amount up to its Commitment Percentage of the related Increase Amount (such amount, subject to any adjustment described below, the "**Delayed Amount**") on a Business Day that is on or before the thirty-third (33rd) day following the Increase Date specified in such Deferrable Increase Notice (the "**Delayed Funding Date**") rather than on such Increase Date. If any Group Bank or Non-Conduit Purchaser provides a Delayed Funding Notice to the Issuer following the Issuer's delivery of an Increase Notice pursuant to Section 3.3(a), the Issuer may with written notice to the Administrative Agent delivered prior to 3:00 pm on the second Business Day preceding such Increase Date, (x) decrease the Increase Amount with respect to such Deferrable Increase Notice (or revoke such Deferrable Increase Notice by decreasing the Increase Amount to zero), and/or (y) require any Group Bank or Non-Conduit Purchaser who has provided a Delayed Funding Notice to reduce the Delayed Amount with respect to such Increase by an amount no greater than the Non-Deferrable Draw Amount with respect to such Purchaser Group as of the related Increase Date. In the event that the Increase Amount with respect to such Deferrable Increase Notice is reduced, but not to zero, then any Delayed Amount with respect to any Purchaser Group shall be reduced on a pro rata basis unless otherwise specified by the Issuer pursuant to clause (y) above. No Purchaser Group that has provided a Delayed Funding Notice in respect of an Increase (each a "**Delayed Funding Purchaser Group**") shall be considered to be in default of its obligation to fund its Delayed Amount pursuant to this Section 3.3 unless and until it has failed to fund the Delayed Amount (and/or the Delayed Funding Reimbursement Amount with respect to such Delayed Amount) on or before the Delayed Funding Date. [**NTD: the definition of "Non-Deferrable Draw Amount"**

**includes a percentage (currently [10]%) that represents the amount that cannot be deferred by the dealers. OPG should make a proposal as to this percentage.]**

(f) If (i) one or more Delayed Funding Purchaser Groups provides a Delayed Funding Notice to the Issuer in respect of any Increase Date; and (ii) the Issuer shall not have decreased the related Increase Amount to zero or required each such Delayed Funding Purchaser Group to reduce the Delayed Amount with respect to such Increase to zero, in each case, pursuant to Section 3.3(e), the Administrative Agent shall, by no later than **[12:00 noon]** (Toronto time) on the Business Day preceding such Increase Date, direct each Purchaser Group that is not a Delayed Funding Purchaser Group with respect to such Increase Date (each a "**Non-Delayed Funding Purchaser Group**") to fund an additional portion of such Increase Amount on such Increase Date equal to such Non-Delayed Funding Purchaser Group's proportionate share (based upon the Maximum Purchaser Group Principal Amount with respect to such Non-Delayed Funding Purchaser Group relative to the sum of the Maximum Purchaser Group Principal Amounts with respect to all Non-Delayed Funding Purchaser Groups) of the aggregate Delayed Amounts with respect to such Increase Date; provided that no Non-Delayed Funding Purchaser Group shall be required to fund any portion of the aggregate Delayed Amounts that would cause its Purchaser Group Principal Amount to exceed its Maximum Purchaser Group Principal Amount. Subject to Section 3.3(a), in the case of a Non-Delayed Funding Purchaser Group that is a Non-Conduit Purchaser, such Non-Conduit Purchaser hereby agrees, or, in the case of a Non-Delayed Funding Purchaser Group that is a CP Conduit Purchaser Group, the CP Conduit in such CP Conduit Purchaser Group may agree, in its sole discretion, and the Group Bank in such CP Conduit Purchaser Group hereby agrees, to fund such portion of the Increase Amount on such Increase Date.

(g) After the Non-Delayed Funding Purchaser Groups fund a Delayed Amount on any Increase Date in accordance with Section 3.3(f), the Delayed Funding Purchaser Group in respect of such Delayed Amount will be obligated to fund the Delayed Funding Reimbursement Amount with respect to such Delayed Amount on or before its Delayed Funding Date, irrespective of whether the Scheduled Commitment Expiry Date shall have occurred on or prior to such Delayed Funding Date or the Issuer would be able to satisfy the conditions set forth in Section 3.3(c) to an Increase in an amount equal to such Delayed Funding Reimbursement Amount on such Delayed Funding Date. Such Delayed Funding Purchaser Group shall fund such Delayed Funding Reimbursement Amount on such Delayed Funding Date by paying such amount to the Administrative Agent in immediately available funds, and the Administrative Agent shall distribute such funds to each such Non-Delayed Funding Purchaser Group, *pro rata* based on the relative amount of such Delayed Amount funded by such Non-Delayed Funding Purchaser Group on such Increase Date pursuant to Section 3.3(f).

(h) The Issuer shall apply amounts paid to it pursuant to Sections 3.3(d) and 3.3(f) in the following order of priority:

(i) As to an amount equal to ●% of the amounts paid to pursuant to Sections 3.3(d) and 3.3(f), by deposit to the Program Cash Reserve Account; and

(ii) as to the balance, in respect of the proceeds of the initial purchase of the Series 2017-1 Notes or a Transfer Increase, by application to payment of the purchase price payable by the Issuer to the IESO under the Master Transfer and Servicing Agreement in respect of the related Transfer and, in respect of the proceeds of a Refinancing Increase, by deposit to the Refinancing Account.

### 3.4 Procedure for Decreasing the Series 2017-1 Principal Amount; Optional Termination

(a) In the case of a Non-Conduit Purchaser Group, the Related Non-Conduit Purchaser hereby agrees, and in the case of a CP Conduit Purchaser Group, each of the CP Conduit Purchasers and the Group Bank in such CP Conduit Purchaser Group hereby agrees, that the Purchaser Group Principal Amount with respect to such Purchaser Group may be decreased on any Payment Date by such Purchaser Group's Commitment Percentage of a Decrease Amount (a "**Decrease**"), upon the request of the Issuer. Each Payment Date on which a Decrease in the Series 2017-1 Principal Amount occurs hereunder being herein referred to as the "**Decrease Date**" applicable to such Decrease; provided, however, that the Issuer shall have given the Administrative Agent (with a copy to the Indenture Trustee) irrevocable written notice (effective upon receipt), by email communication, substantially in the form of Schedule D (a "**Decrease Notice**") no later than **[3:00 p.m.]** (Toronto time) on the second Business Day prior to any Payment Date that is a Decrease Date. Each Decrease Notice shall state (x) the Decrease Date, and (y) the proposed amount of the decrease in the Series 2017-1 Principal Amount (a "**Decrease Amount**").

(b) Upon each Decrease, the Administrative Agent shall indicate in its records such Decrease and the Purchaser Group Principal Amount outstanding with respect to each Purchaser Group after giving effect to such Decrease. Upon receipt of any notice required by Section 3.4(a) from the Issuer, the Administrative Agent shall forward (by email communication) a copy of such notice to each Non-Conduit Purchaser and the Funding Agent with respect to each CP Conduit Purchaser Group, no later than **[1:00 p.m.]** (Toronto time) on the Business Day received.

(c) On any Business Day, the Issuer shall have the right to deliver an irrevocable written notice (an "**Optional Termination Notice**") to the Administrative Agent in which the Issuer declares that the Commitments shall terminate on the date (the "**Optional Termination Date**") set forth in such notice (which date, in any event, shall be a Payment Date not less than twenty (20) Business Days from the date on which such notice is delivered). Upon receipt of any Optional Termination Notice from the Issuer, the Administrative Agent shall promptly notify each Non-Conduit Purchaser and the Funding Agent with respect to each CP Conduit Purchaser Group thereof.

### 3.5 Increases and Reductions of the Commitments

(a) The Issuer may from time to time request that any Purchaser Group agree to increase its Maximum Purchaser Group Principal Amount. An increase in such amount shall be effective hereunder if such Purchaser Group shall have agreed in its sole discretion to such increase.

(b) On any Business Day, the Issuer may, upon two (2) Business Days' prior written notice to the Administrative Agent (effective upon receipt) (with copies to the Indenture Trustee) reduce the Series 2017-1 Maximum Principal Amount in an amount equal to $**[10,000,000]** or a whole multiple of $**[1,000,000]** in excess thereof; provided that no such termination or reduction shall be permitted if, after giving effect thereto and to any reduction in the Series 2017-1 Principal Amount on such date, the Purchaser Group Principal Amount with respect to any Purchaser Group would exceed the Maximum Purchaser Group Principal Amount with respect to such Purchaser Group then in effect. Any reduction in the Series 2017-1 Maximum Principal Amount shall be made on a pro rata basis to the Maximum Purchaser Group Principal Amounts with respect to the Purchaser Groups, based on the Maximum Purchaser Group Principal Amount with respect to each Purchaser Group. Once reduced, the Maximum Purchaser Group Principal Amounts may not be

subsequently reinstated without each such Purchaser Group's prior written consent, which consent shall be granted or not in the sole discretion of such Purchaser Group.

(c) The Issuer may extend the Scheduled Commitment Expiry Date only with the prior written consent of the Administrative Agent, each Non-Conduit Purchaser and each Funding Agent.

**3.6 Interest; Fees and Other Amounts**

(a) Interest shall be payable on the Series 2017-1 Senior Notes on each Payment Date.

(b) The Issuer shall pay to each CP Conduit Purchaser Group and each Non-Conduit Purchaser, on each Payment Date, a commitment fee with respect to the preceding Billing Period (the "**Commitment Fee**") during the period from the Closing Date to and including the Commitment Expiry Date in an amount equal to the sum of the following amounts calculated for each day during such Billing Period: (x) the Commitment Fee Rate, multiplied by (y) the amount by which Maximum Purchaser Group Principal Amount with respect to such Purchaser Group on such day exceeds the Purchaser Group Principal Amount with respect to such Purchaser Group on such day, and divided by (z) 365. The Commitment Fees shall be payable monthly in arrears on each Payment Date.

(c) The Funding Agent with respect to each CP Conduit Purchaser Group and each Non-Conduit Purchaser shall provide written notice to the Issuer and the Paying Agent no later than two (2) Business Days prior to each Payment Date, setting forth the Group Monthly Interest and the Group Monthly Fees and Other Amounts with respect to its Related Purchaser Group with respect to the Payment Date.

(d) The Monthly Interest shall be included in each calculation of the Interest Accrual Amount (Senior) for the purposes of Section 7.04(e)(iii) of the Trust Indenture and shall be payable pursuant to Sections 7.05(a), 7.08(a)(i) or 8.13(c) of the Trust Indenture, as applicable. On each Payment Date, the Monthly Fees and Other Amounts shall be payable in respect of the Series 2017-1 Notes pursuant to Sections 7.04(e)(iii) or 8.13(c) of the Trust Indenture, as applicable. On each Payment Date the Paying Agent shall, subject to availability of funds, pay to each CP Conduit Purchaser Group and each Non-Conduit Purchaser its Group Monthly Interest and its Group Monthly Fees and Other Amounts with respect to the Payment Date; provided that if the amounts available to pay such Group Monthly Interest and Group Monthly Fees and Other Amounts are insufficient, the amounts available shall be paid *pro rata* based on the amounts owing to each Purchaser Group.

**3.7 Accumulation and Repayment of Principal**

(a) For the purposes of the Trust Indenture and the Series 2017-1 Notes:

(i) for each Payment Date before the Principal Accumulation Date, the Principal Accumulation Amount shall be the Principal Payment Amount for such Payment Date; and

(ii) for each Payment Date on or after the Principal Accumulation Date, the Principal Accumulation Amount shall be the greater of (x) the Principal Payment Amount

for such Payment Date, and (y) the Principal Accumulation Amount, for such Payment Date.

(b) Each Payment Date where the Principal Payment Amount is not nil shall be a Principal Payment Date in respect of the Series 2017-1 Notes. On each Principal Payment Date in respect of the Series 2017-1 Notes, the Paying Agent shall pay to each Non-Conduit Purchaser and each Funding Agent with respect to its Related Purchaser Group, such Purchaser Group's Pro Rata Share of the Principal Payment Amount for such Principal Payment Date out of funds allocated to the Series 2017-1 Senior Notes pursuant to Sections **7.04(e)(iv)(A), 7.06(a) or 8.13(d)** of the Trust Indenture, as applicable, in repayment of the principal amount of the Series 2017-1 Notes.

### 3.8 Indemnification by the Issuer

The Issuer agrees to indemnify and hold harmless the Indenture Trustee, the Administrative Agent, each Funding Agent, each CP Conduit Purchaser, the Group Bank, each Non-Conduit Purchaser and each of their respective officers, directors, agents and employees (each, an "**Issuer indemnified person**") from and against any loss, liability, expense, damage or injury suffered or sustained by such Issuer indemnified person by reason of (a) any acts, omissions or alleged acts or omissions arising out of, or relating to, activities of the Issuer pursuant to the Program Agreements to which it is a party; (b) a breach of any representation or warranty made or deemed made by the Issuer (or any of its officers) in any Program Agreement; or (c) a failure by the Issuer to comply with any applicable law or regulation or to perform its covenants, agreements, duties or obligations required to be performed or observed by it in accordance with the provisions of the Program Agreements, including, but not limited to, any judgment, award, settlement, reasonable attorneys' fees and other reasonable costs or expenses incurred in connection with the defense of any actual or threatened action, proceeding or claim, except to the extent such loss, liability, expense, damage or injury resulted from the gross negligence, bad faith or willful misconduct of such Issuer indemnified person or its officers, directors, agents, principals, employees or employers as determined by a court of competent jurisdiction in a final non-appealable judgement or includes any Excluded Taxes; provided that any payments made by the Issuer pursuant to this Section 3.8 shall be made solely from funds available pursuant to Section **[7.04] or [8.13]** of the Trust Indenture, as applicable, shall be non-recourse other than with respect to such funds, and shall not constitute a claim against the Issuer to the extent that such funds are insufficient to make such payment.

### 3.9 Funding Agents

(a) The Funding Agent with respect to each CP Conduit Purchaser Group is hereby authorized to determine the Group Monthly Interest and Group Monthly Fees and Other Amounts with respect to each Payment Date and such CP Conduit Purchaser Group. Any such determination by a Funding Agent, absent manifest error, shall constitute prima facie evidence of the accuracy of the calculation. Furthermore, the Funding Agent with respect to each CP Conduit Purchaser Group will maintain records sufficient to identify the percentage interest of the related CP Conduit Purchaser and the Group Bank with respect to such CP Conduit Purchaser Group holding an interest in the Series 2017-1 Senior Note registered in the name of such Funding Agent and any amounts owing thereunder.

(b) Upon receipt of funds on each Payment Date, each Funding Agent shall pay such funds to the related CP Conduit Purchaser and/or the related Group Bank owed such funds. If a Funding

Agent shall have paid to any CP Conduit Purchaser or Group Bank any funds that (i) must be returned for any reason (including bankruptcy); or (ii) exceeds that which such CP Conduit Purchaser or Group Bank was entitled to receive, such amount shall be promptly repaid to such Funding Agent by such CP Conduit Purchaser or Group Bank.

**3.10 Taxes**

(a) All payments by or on account of any obligation of the Issuer hereunder shall, to the extent allowed by law, be made free and clear of, and without deduction or withholding for or on account of Taxes, excluding (i) income taxes (including branch profit taxes, minimum taxes and taxes computed under alternative methods, at least one of which is based on or measured by net income), franchise taxes (imposed in lieu of income taxes), or any other Taxes based on or measured by the net income of any person legally entitled to receive such payments (each a "**Recipient**") as a result of a present or former connection between the Recipient and the jurisdiction of the Governmental Authority imposing such Taxes (other than any such connection arising solely from the Recipient having executed, delivered or performed its obligations or received a payment under, disposed of, or enforced, this Supplemental Indenture); (ii) any withholding or deduction imposed pursuant to (A) Sections 1471 to 1474 of the U.S. Internal Revenue Code of 1986, as amended ("**FATCA**"), or any successor version thereof, or any similar legislation imposed by any other Governmental Authority, or (B) any treaty, law or regulation or other official guidance enacted by Canada implementing FATCA or any intergovernmental agreement with respect to FATCA or any similar legislation imposed by any other Governmental Authority, including, for greater certainty, the Canada-United States Enhanced Tax Information Exchange Agreement Implementation Act (Canada) and Parts XVIII and XIX of the Income Tax Act (Canada), as amended (collectively, and including FATCA, the "**AEOI Legislation**"); and (iii) any interest, penalties and additions to Taxes in respect of (i) and (ii) (all such excluded Taxes being hereinafter called "**Excluded Taxes**"). If any Taxes, other than Excluded Taxes, are required to be withheld from any amounts payable to a Recipient hereunder, the amounts so payable to the Recipient shall be increased, and the Recipient shall be entitled to be paid by the Issuer the amount of such increase to the extent necessary to yield to the Recipient (after payment of all such Taxes other than Excluded Taxes) interest or any such other amounts payable hereunder or thereunder at the rates or in the amounts specified hereunder. Where the amount payable by the Issuer is increased in accordance with the previous sentence, the Group Monthly Interest shall be increased by the amount of such increase. Whenever any Taxes are payable on or with respect to amounts distributed to a Recipient, as promptly as possible thereafter the Issuer shall send to such Recipient a certified copy of an original official receipt showing payment thereof.

(b) If a payment by or on account of any obligation of the Issuer hereunder would be subject to withholding Taxes under any AEOI Legislation if the Recipient were to fail to comply with the applicable reporting requirements of any AEOI Legislation, such Recipient shall deliver to the Issuer at the time or times prescribed by law and at such time or times reasonably requested by the Issuer such documentation prescribed by applicable law and such additional documentation reasonably requested by the Issuer as may be necessary for the Issuer to comply with its obligations under any AEOI Legislation and to determine that such Recipient has complied with its obligations under any AEOI Legislation, or to determine the amount to deduct and withhold from such payment. If any form or certification it previously delivered by a Recipient expires or becomes obsolete or inaccurate in any respect, the Recipient shall update such form or certification or promptly notify the Issuer in writing of its legal inability to do so.

(c) If a Recipient is legally entitled to receive a refund of any Taxes (other than Excluded Taxes) as to which it has been indemnified or with respect to which additional amounts have been paid to it hereunder or it is legally entitled to receive a credit or deduction with respect to such Taxes or with respect to such additional amounts that have been paid hereunder (in each case pursuant to Section 3.10(a)), it shall use commercially reasonable efforts to obtain or claim such refund, credit or deduction and pay over such refund or the value of such credit or deduction to the Issuer, together with any interest thereon.

**3.11 Increased Costs**

(a) (i) If any Regulatory Change (x) subjects any Affected Party to any charge or withholding on or with respect to any Support Facility or this Supplemental Indenture or an Affected Person's obligations under a Support Facility or this Supplemental Indenture, or changes the basis of taxation of payments to any Affected Person of any amounts payable under any Support Facility or this Supplemental Indenture Agreement (except for changes in the rate of tax on the overall net income of an Affected Person or Excluded Taxes) or (y) imposes, modifies or deems applicable any reserve, assessment, fee, tax, insurance charge, special deposit or similar requirement against assets of, deposits with or for the account of, or liabilities of an Affected Person, or credit extended by an Affected Person pursuant to a Support Facility or this Supplemental Indenture or (z) imposes any other condition the result of which is to increase the cost to an Affected Person of performing its obligations under a Support Facility or this Supplemental Indenture, or to reduce the rate of return on an Affected Person's capital or assets as a consequence of its obligations under a Support Facility or this Supplemental Indenture, or to reduce the amount of any sum received or receivable by an Affected Person under a Support Facility or this Supplemental Indenture, or to require any payment calculated by reference to the amount of interests or loans held or interest received by it, then, upon written request by such Affected Party (through the Funding Agent for its Purchaser Group if the Affected Party is a Program Support Provider, CP Conduit Purchaser or Group Bank) of a written request therefore to the Issuer, such Affected Party (through the Funding Agent for its Purchaser Group if the Affected Party is a Program Support Provider, CP Conduit Purchaser or Group Bank) shall be entitled to be paid, such amounts charged to such Affected Party or such amounts to otherwise compensate such Affected for such increased cost or such reduction, no later than the Payment Date following receipt by the Issuer of such request for compensation under this Section 3.11(a)(i), if such request is received by the Issuer no later than five (5) Business Days prior to the end of the Interest Period related to such Payment Date, and otherwise on the following Payment Date.

(ii) The Issuer acknowledges that any Affected Party may implement, as an internal institutional matter, measures in anticipation of a final or proposed Regulatory Change (including, without limitation, the imposition of internal charges on such Affected Party's interest or obligations under any Support Agreement or this Supplemental Indenture) and may commence recognizing the incurrence of charges by seeking compensation under Section 3.11(a)(i) in connection with such measures, in advance of the effective date of such final or proposed Regulatory Change, and the Issuer agrees that such charges or compensation shall be payable, to the related Funding Agent, for the benefit of Affected Party, following demand therefor without regard to whether such proposed Regulatory Change has been adopted or whether such effective date has occurred; provided, that (I) the Affected Party shall provide thirty (30) days prior written notice to the Issuer of its intent to impose or incur any such charges or compensation, (II) an Affected Party shall not be compensated for any such amount pursuant to this subsection 3.11(a)(ii)

relating to any period ending, and of which such Affected Party has had knowledge, more than one year prior to the date that such Affected Party provided the Issuer with the written notice contemplated by the preceding clause (I) of this subsection 3.11(a)(ii), (III) if, after the payment by the Trust of any charges or compensation pursuant to this subsection 3.11(a)(ii), either (A) the Issuer requests in writing that the applicable Affected Party re-compute any such charge or compensation in light of differences between a proposed Regulatory Change and the final effective version thereof or (B) the applicable Affected Party determines that the amount of the charge imposed on and required to be compensated by the Issuer exceeds the amount necessary to compensate it for the applicable Regulatory Change as contemplated by subsection 3.11(a)(i), then (x) the amount of such charge or compensation shall, from and after such determination, be reduced by the amount of such excess and (y) such Affected Party shall, within thirty (30) days of such determination, either repay the amount of such excess or credit the amount of such excess against future charges under this subsection 3.11(a)(ii). The Issuer further acknowledges that any charge or compensation demanded hereunder may take the form of a monthly charge to be assessed by such Affected Party.

(b) Each Affected Party claiming increased amounts described in subsection 3.11(a) of this Supplemental Indenture will furnish to the Issuer (together with its request for compensation) a certificate prepared in good faith setting forth the basis and the calculation of the amount (in reasonable detail) of each request by such Affected Party for any such increased amounts referred to in subsection 3.11(a) hereof. Any such certificate shall be conclusive absent manifest error. Failure on the part of any Affected Party to demand compensation for any amount pursuant to subsection 3.11(a) hereof with respect to any period shall not constitute a waiver of such Affected Party's right to demand compensation with respect to such period.

## ARTICLE 7
## AGENTS

### 7.1 Administrative Agent

(a) Each of the Non-Conduit Purchasers, CP Conduit Purchasers, the Group Banks and the Funding Agents hereby irrevocably designates and appoints the Administrative Agent as the agent of such Person under this Supplemental Indenture and irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Supplemental Indenture and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Supplemental Indenture, together with such other

powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Supplemental Indenture, the Administrative Agent shall not have any duties or responsibilities except those expressly set forth herein, or any fiduciary relationship with any Non-Conduit Purchaser, any CP Conduit Purchaser, any Group Bank or any Funding Agent, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Supplemental Indenture or otherwise exist against the Administrative Agent.

(b) The Administrative Agent may execute any of its duties under this Supplemental Indenture by or through agents or attorneys in fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. The Administrative Agent shall not be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care.

(c) Neither the Administrative Agent nor any of its officers, directors, employees, agents, attorneys in fact or Affiliates shall be (i) liable for any action lawfully taken or omitted to be taken by it or such Person under or in connection with the Trust Indenture, this Supplemental Indenture or any other Program Agreement (except to the extent that any of the foregoing are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from its or such Person's own gross negligence or willful misconduct) or (ii) responsible in any manner to any of the Non-Conduit Purchasers, the CP Conduit Purchasers, the Group Banks or the Funding Agents for any recitals, statements, representations or warranties made by the Issuer, the IESO, the Manager or any officer thereof contained in this Supplemental Indenture or any other Program Agreement or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Supplemental Indenture or any other Program Agreement or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Supplemental Indenture, any other Program Agreement, or for any failure of any of the Issuer, the Manager or the IESO to perform its obligations hereunder or thereunder. The Administrative Agent shall not be under any obligation to any Non-Conduit Purchaser, any CP Conduit Purchaser, any Group Bank or any Funding Agent to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Supplemental Indenture, any other Program Agreement or to inspect the properties, books or records of the Issuer, the Manager or the IESO.

(d) The Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter or electronic message, statement, order or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including, without limitation, counsel to the Issuer, the Manager or the IESO), independent accountants and other experts selected by the Administrative Agent.

(e) The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Termination Event unless the Administrative Agent has received written notice from a Non-Conduit Purchaser, a CP Conduit Purchaser, a Group Bank, a Funding Agent, the Issuer or the Manager referring to the Trust Indenture or this Supplemental Indenture, describing such Termination Event and stating that such notice is a "notice of a Termination Event". In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give notice thereof to the Non-Conduit Purchasers, the Funding Agents, the Issuer Trustee and the Manager.

(f) Each of the Non-Conduit Purchasers, the CP Conduit Purchasers, the Group Banks and the Funding Agents expressly acknowledges that neither the Administrative Agent nor any of its officers, directors, employees, agents, attorneys in fact or Affiliates has made any representations or warranties to it and that no act by the Administrative Agent hereinafter taken, including any review of the affairs of the Issuer, the Manager or the IESO shall be deemed to constitute any representation or warranty by the Administrative Agent to any such Person. Each of the Non-Conduit Purchasers, the CP Conduit Purchasers, the Group Banks and the Funding Agents represents to the Administrative Agent that it has, independently and without reliance upon the Administrative Agent or any other Non-Conduit Purchaser, CP Conduit Purchaser, Group Bank or Funding Agent and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Issuer, the Manager and the IESO and made its own decision to enter into this Supplemental Indenture. Each of the Non-Conduit Purchasers, the CP Conduit Purchasers, the Group Banks and the Funding Agents also represents that it will, independently and without reliance upon the Administrative Agent or any other Non-Conduit Purchaser, CP Conduit Purchaser, Group Bank or Funding Agent, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Supplemental Indenture and the other Program Agreements, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Issuer, the Manager and the IESO. Except for notices, reports and other documents expressly required to be furnished to the Non-Conduit Purchasers and the Funding Agents by the Administrative Agent hereunder, the Administrative Agent shall have no duty or responsibility to provide any Non-Conduit Purchaser, any CP Conduit Purchaser, any Group Bank or any Funding Agent with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of the Issuer, the Manager or the IESO which may come into the possession of the Administrative Agent or any of its officers, directors, employees, agents, attorneys in fact or Affiliates.

(g) The Administrative Agent and its Affiliates may make loans to, accept deposits from and generally engage in any kind of business with the Issuer, the Manager and the IESO as though the Administrative Agent were not the Administrative Agent hereunder. With respect to any Series 2017-1 Senior Note held by the Administrative Agent, the Administrative Agent shall have the same rights and powers under this Supplemental Indenture and the other Program Agreements as any Group Bank or Funding Agent and may exercise the same as though it were not the Administrative Agent, and the terms "Group Bank," and "Funding Agent" shall include the Administrative Agent in its individual capacity.

(h) The Administrative Agent may resign as Administrative Agent at any time by giving 30 days' notice to the Non-Conduit Purchasers, the Funding Agents, the Indenture Trustee, the Issuer and the Manager. If ● shall resign as Administrative Agent under this Supplemental Indenture, then the Requisite Series 2017-1 Noteholders shall appoint a successor administrative agent from among the Non-Conduit Purchasers and Funding Agents, whereupon such successor agent shall succeed to the rights, powers and duties of the Administrative Agent, and the term "Administrative Agent" shall mean such successor agent effective upon such appointment and approval, and the former Administrative Agent's rights, powers and duties as Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Supplemental Indenture. If no successor administrative agent

has accepted appointment as Administrative Agent prior to the effective date of the resignation of the Administrative Agent, the retiring Administrative Agent may appoint, after consulting with the Non-Conduit Purchasers and the Funding Agents, a successor Administrative Agent from among the Non-Conduit Purchasers and the Funding Agents. If no successor administrative agent has accepted appointment by the date which is thirty (30) days following a retiring Administrative Agent's notice of resignation, the retiring Administrative Agent's resignation shall nevertheless thereupon become effective and Manager shall assume and perform all of the duties of the Administrative Agent hereunder until such time, if any, as the Requisite Series 2017-1 Noteholders appoint a successor administrative agent as provided for above. After any retiring Administrative Agent's resignation as Administrative Agent, the provisions of this Article 7 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Supplemental Indenture.

**7.2 Funding Agents**

(a) Each CP Conduit Purchaser and each Group Bank with respect to such CP Conduit Purchaser hereby irrevocably designates and appoints the Funding Agent set forth next to such CP Conduit Purchaser's name on Schedule E as the agent of such Person under this Supplemental Indenture and irrevocably authorizes such Funding Agent, in such capacity, to take such action on its behalf under the provisions of this Supplemental Indenture and to exercise such powers and perform such duties as are expressly delegated to such Funding Agent by the terms of this Supplemental Indenture, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Supplemental Indenture, each Funding Agent shall not have any duties or responsibilities except those expressly set forth herein, or any fiduciary relationship with any CP Conduit Purchaser or Group Bank and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Supplemental Indenture or otherwise exist against each Funding Agent.

(b) Each Funding Agent may execute any of its duties under this Supplemental Indenture by or through agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. Each Funding Agent shall not be responsible to the CP Conduit Purchaser or any Group Bank in its CP Conduit Purchaser Group for the negligence or misconduct of any agents or attorneys in fact selected by it with reasonable care.

(c) Each Funding Agent and any of its officers, directors, employees, agents, attorneys in fact or Affiliates shall not be (i) liable for any action lawfully taken or omitted to be taken by it or such Person under or in connection with the Trust Indenture, this Supplemental Indenture or any other Program Agreement (except to the extent that any of the foregoing are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from its or such Person's own gross negligence or willful misconduct) or (ii) responsible in any manner to any of the CP Conduit Purchasers and/or Group Banks for any recitals, statements, representations or warranties made by the Issuer, the Manager or the IESO, or any officer thereof contained in this Supplemental Indenture or any other Program Agreement or in any certificate, report, statement or other document referred to or provided for in, or received by such Funding Agent under or in connection with, this Supplemental Indenture or any other Program Agreement or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Supplemental Indenture, any other Program Agreement, or for any failure of any of the Issuer, the Manager or the IESO to perform its obligations hereunder or thereunder. Each Funding Agent shall not be under any obligation to the CP Conduit Purchaser or any Group Bank in its CP Conduit Purchaser Group to

ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Supplemental Indenture, any other Program Agreement or to inspect the properties, books or records of the Issuer, the Manager or the IESO.

(d) Each Funding Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter or electronic message, statement, order or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including, without limitation, counsel to the Issuer, the Manager or the IESO), independent accountants and other experts selected by such Funding Agent. Each Funding Agent shall be fully justified in failing or refusing to take any action under this Supplemental Indenture or any other Program Agreement unless it shall first receive such advice or concurrence of the Related Purchaser Group, as it deems appropriate or it shall first be indemnified to its satisfaction by the Related Purchaser Group against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action.

(e) Each Funding Agent shall not be deemed to have knowledge or notice of the occurrence of any Termination Event unless such Funding Agent has received written notice from a Non-Conduit Purchaser, a CP Conduit Purchaser, a Group Bank, the Issuer, the Manager or the Administrative Agent referring to the Trust Indenture or this Supplemental Indenture, describing such Termination Event and stating that such notice is a "notice of a Termination Event," as the case may be. In the event that any Funding Agent receives such a notice, such Funding Agent shall give notice thereof to the CP Conduit Purchaser and Group Bank in its CP Conduit Purchaser Group. Such Funding Agent shall take such action with respect to such event as shall be reasonably directed by the CP Conduit Purchaser and Group Bank in its CP Conduit Purchaser Group, provided that unless and until such Funding Agent shall have received such directions, such Funding Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such event as it shall deem advisable in the best interests of the CP Conduit Purchaser and Group Bank in its CP Conduit Purchaser Group.

(f) Each CP Conduit Purchaser and each of the related Group Banks expressly acknowledge that neither its Funding Agent nor any of its officers, directors, employees, agents, attorneys in fact or Affiliates has made any representations or warranties to it and that no act by such Funding Agent hereinafter taken, including any review of the affairs of the Issuer, the Manager or the IESO shall be deemed to constitute any representation or warranty by such Funding Agent to any such Person. Each CP Conduit Purchaser and each of the related Group Banks represents to its Funding Agent that it has, independently and without reliance upon such Funding Agent and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Issuer, the Manager and the IESO and made its own decision to enter into this Supplemental Indenture. Each CP Conduit Purchaser and each of the related Group Banks also represents that it will, independently and without reliance upon its Funding Agent and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Supplemental Indenture and the other Program Agreements, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other conditions and creditworthiness of the Issuer, the Manager and the IESO.

(g) Each Group Bank in a CP Conduit Purchaser Group agrees to indemnify its Funding Agent in its capacity as such (to the extent not reimbursed by the Issuer and without limiting the obligation of the Issuer to do so), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever which may at any time be imposed on, incurred by or asserted against such Funding Agent in any way relating to or arising out of this Supplemental Indenture, any of the other Program Agreements or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Funding Agent under or in connection with any of the foregoing; provided that no Group Bank shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from such related Funding Agent's gross negligence or willful misconduct. The agreements in this Section shall survive the payment of all amounts payable hereunder.

## ARTICLE 8
## GENERAL

### 8.1 Successor and Assigns

(a) This Supplemental Indenture shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, except that (i) the Issuer may not assign or transfer any of its rights under this Supplemental Indenture without the prior written consent of all of the Series 2017-1 Noteholders; (ii) no Non-Conduit Purchaser may assign or transfer any of its rights under this Supplemental Indenture other than pursuant to paragraph (e) or (f) below; (iii) no CP Conduit Purchaser may assign or transfer any of its rights under this Supplemental Indenture other than to the Group Bank with respect to such CP Conduit Purchaser or a Program Support Provider with respect to such CP Conduit Purchaser or pursuant to clause (b) or (e) below of this Section 8.1; and (iv) no Group Bank may assign or transfer any of its rights or obligations under this Supplemental Indenture except to a Program Support Provider or pursuant to clause (c), (d) or (e) below of this Section 8.1.

(b) Without limiting the foregoing, each CP Conduit Purchaser may assign all or a portion of the Purchaser Group Principal Amount with respect to such CP Conduit Purchaser and its rights and obligations under this Supplemental Indenture to a Conduit Assignee with respect to such CP Conduit Purchaser. Prior to or concurrently with the effectiveness of any such assignment (or if impracticable, immediately thereafter), the assigning CP Conduit Purchaser shall notify the Administrative Agent and the Issuer. Upon such assignment by a CP Conduit Purchaser to a Conduit Assignee, (i) such Conduit Assignee shall be the owner of the Purchaser Group Principal Amount or such portion thereof with respect to such CP Conduit Purchaser; (ii) the related administrative or managing agent for such Conduit Assignee will act as the administrative agent for such Conduit Assignee hereunder, with all corresponding rights and powers, express or implied, granted to the Funding Agent hereunder; (iii) such Conduit Assignee and its liquidity support provider(s) and credit support provider(s) and other related parties shall have the benefit of all the rights and protections provided to such CP Conduit Purchaser herein (including, without limitation, any limitation on recourse against such Conduit Assignee as provided in this paragraph); (iv) such Conduit Assignee shall assume all of such CP Conduit Purchaser's obligations, if any, hereunder with respect to such portion of the Purchaser Group Principal Amount and such CP Conduit Purchaser shall be released from such obligations; (v) all

distributions in respect of the Purchaser Group Principal Amount or such portion thereof with respect to such CP Conduit Purchaser shall be made to the applicable agent or administrative agent, as applicable, on behalf of such Conduit Assignee; and (vi) if requested by the Administrative Agent or the agent or administrative agent with respect to the Conduit Assignee, the parties will execute and deliver such further agreements and documents and take such other actions as the Administrative Agent or such agent or administrative agent may reasonably request to evidence and give effect to the foregoing. No assignment by any CP Conduit Purchaser to a Conduit Assignee of the Purchaser Group Principal Amount with respect to such CP Conduit Purchaser shall in any way diminish the obligations of the Group Bank with respect to such CP Conduit Purchaser under Section 3.3 to fund any Increase.

(c) Any Group Bank may, in the ordinary course of its business and in accordance with applicable law, at any time, sell all or any part of its rights and obligations under this Supplemental Indenture and the Series 2017-1 Senior Notes, with the prior written consent of the Administrative Agent and the Issuer (in each case, which consent shall not be unreasonably withheld), to one or more banks (an "**Acquiring Group Bank**") pursuant to a transfer supplement, substantially in the form of Exhibit H (the "**Transfer Supplement**"), executed by such Acquiring Group Bank, such assigning Group Bank, the Funding Agent with respect to such Group Bank, the Administrative Agent and the Issuer and delivered to the Administrative Agent. Notwithstanding the foregoing, no Group Bank shall so sell its rights hereunder if such Acquiring Group Bank is not an Eligible Assignee.

(d) Any Group Bank may, in the ordinary course of its business and in accordance with applicable law at any time sell to one or more financial institutions or other entities ("**Group Bank Participants**") participations in its Commitment Amount with respect to its related CP Conduit Purchaser Group, its Series 2017-1 Senior Note and its rights hereunder pursuant to documentation in form and substance satisfactory to such Group Bank and the Group Bank Participant; provided, however, that (i) in the event of any such sale by a Group Bank to a Group Bank Participant, (A) such Group Bank's obligations under this Supplemental Indenture shall remain unchanged, (B) such Group Bank shall remain solely responsible for the performance thereof, and (C) the Issuer and the Administrative Agent shall continue to deal solely and directly with such Group Bank in connection with its rights and obligations under this Supplemental Indenture; and (ii) no Group Bank shall sell any participating interest under which the Group Bank Participant shall have rights to approve any amendment to, or any consent or waiver with respect to, this Supplemental Indenture, the Trust Indenture or any Program Agreement, except to the extent that the approval of such amendment, consent or waiver otherwise would require the unanimous consent of all Group Banks hereunder. A Group Bank Participant shall have the right to receive compensation pursuant to Sections 3.10 and 3.11 but only to the extent that the related selling Group Bank would have had such right absent the sale of the related participation and, with respect to amounts due pursuant to Sections 3.10 and 3.11, only to the extent such Group Bank Participant shall have complied with the provisions of Sections 3.10 and 3.11 as if such Group Bank Participant were a Group Bank.

(e) Any CP Conduit Purchaser and the Group Bank with respect to such CP Conduit Purchaser may, at any time, sell all or any part of their respective rights and obligations, and any Non-Conduit Purchaser may, at any time, sell all or any part of its rights and obligations, under this Supplemental Indenture and the Series 2017-1 Senior Notes, with the prior written consent of the Administrative Agent and the Issuer (in each case, which consent shall not be unreasonably withheld), (x) to a

multi-seller commercial paper conduit and one or more banks providing support to such multi-seller commercial paper conduit, or (y) to a financial institution or other entity (an "**Acquiring Purchaser Group**") pursuant to a transfer supplement, substantially in the form of Exhibit I (the "**Purchaser Group Supplement**"), executed by such Acquiring Purchaser Group (including the CP Conduit Purchaser and the Group Banks, if any, with respect to such Acquiring Purchaser Group), the Funding Agent, if any, with respect to such Acquiring Purchaser Group, such assigning Purchaser Group (including the Group Banks, if any, with respect to such assigning Purchaser Group), the Funding Agent, if any, with respect to such assigning Purchaser Group and the Administrative Agent and the Issuer and delivered to the Administrative Agent.

(f) Any Non-Conduit Purchaser may, in the ordinary course of its business and in accordance with applicable law, at any time sell to one or more financial institutions or other entities ("**Non-Conduit Purchaser Participants**") participations in its Commitment, its Series 2017-1 Senior Note and its rights hereunder pursuant to documentation in form and substance satisfactory to such Non-Conduit Purchaser and the Non-Conduit Purchaser Participant; provided, however, that (i) in the event of any such sale by a Non-Conduit Purchaser to a Non-Conduit Purchaser Participant, (A) such Non-Conduit Purchaser's obligations under this Supplemental Indenture shall remain unchanged, (B) such Non-Conduit Purchaser shall remain solely responsible for the performance thereof, and (C) the Issuer and the Administrative Agent shall continue to deal solely and directly with such Non-Conduit Purchaser in connection with its rights and obligations under this Supplemental Indenture; and (ii) no Non-Conduit Purchaser shall sell any participating interest under which the Non-Conduit Purchaser Participant shall have rights to approve any amendment to, or any consent or waiver with respect to, this Supplemental Indenture, the Trust Indenture or any Program Agreement, except to the extent that the approval of such amendment, consent or waiver otherwise would require the unanimous consent of all Series 2017-1 Noteholders hereunder. A Non-Conduit Purchaser Participant shall have the right to receive compensation under Sections 3.10 and 3.11 but only to the extent that the related selling Non-Conduit Purchaser would have had such right absent the sale of the related participation and, with respect to amounts due pursuant to Sections 3.10 and 3.11, only to the extent such Non-Conduit Purchaser Participant shall have complied with the provisions of Sections 3.10 and 3.11 as if such Non-Conduit Purchaser Participant were a Non-Conduit Purchaser.

(g) The Issuer authorizes each Group Bank and Non-Conduit Purchaser to disclose to any Group Bank Participant, Acquiring Group Bank, Non-Conduit Purchaser Participant or Acquiring Purchaser Group (each, a "**Transferee**") and any prospective Transferee any and all financial information in such Group Bank's or Non-Conduit Purchaser's possession concerning the Issuer, the Issuer Investment Asset and the Program Agreements which has been delivered to such Group Bank by the Issuer or the Manager in connection with such Group Bank's credit evaluation of the Issuer and the Issuer Investment Asset.

(h) Notwithstanding any other provision of this Supplemental Indenture to the contrary, any Non-Conduit Purchaser, any Group Bank or any Program Support Provider may at any time pledge or grant a security interest in all or any portion of its rights under its Series 2017-1 Senior Note and this Supplemental Indenture to secure obligations of such Non-Conduit Purchaser, such Group Bank or such Program Support Provider to a Federal Reserve Bank or the Bank of Canada, without notice to or consent of the Administrative Agent, the Issuer or the Administrator; provided that no such pledge or grant of a security interest shall release a Non-Conduit Purchaser or an Group Bank

from any of its obligations hereunder or substitute any such pledgee or grantee for such Non-Conduit Purchaser or such Group Bank as a party hereto.

**8.2 Waiver**

Without limiting the requirements of Section **[11.02]** of the Trust Indenture which shall be applicable to this Supplemental Indenture, no waiver of any provision of this Supplemental Indenture or consent to any departure by the Issuer from any provision of this Supplemental Indenture will be effective (in whole or in part) unless in writing and signed by the Requisite Series 2017-1 Noteholders. Such waiver will be effective only in the specific instance, for the specific purpose and for the specific length of time for which it is given by the Requisite Series 2017-1 Noteholders.

**8.3 Notice**

All notices, requests, instructions and demands to or upon any party hereto to be effective shall be given (a) in the case of the Issuer and the Indenture Trustee, in the manner set forth in Article **[15]** of the Trust Indenture; and (b) in the case of the Administrative Agent, the Non-Conduit Purchasers, the CP Conduit Purchasers, the Group Banks and the Funding Agents, in writing, and, unless otherwise expressly provided herein, shall be deemed to have been duly given or made when delivered by hand or three days after being deposited in the mail, postage prepaid, in the case of facsimile notice, when received, or in the case of overnight air courier, one Business Day after the date such notice is delivered to such overnight courier, addressed as follows in the case of the Administrative Agent and to the addresses therefor set forth in Schedule E, in the case of the Non-Conduit Purchasers, the CP Conduit Purchasers, the Group Banks and the Funding Agents; or to such other address as may be hereafter notified by the respective parties hereto:

**8.4 No Waiver: Remedies**

No failure on the part of any party to exercise, and no delay in exercising, any power, right or remedy hereunder will operate as a waiver thereof; nor will any single or partial exercise of any such power, right or remedy hereunder preclude any other or further exercise thereof or the exercise of any other power, right or remedy. The rights and remedies herein provided are cumulative and not exclusive of any remedies provided by applicable law.

**8.5 Entire Agreement**

This Supplemental Indenture, the Fee Letter, the Trust Indenture and the other Program Agreements contain the entire agreement between the parties relative to the subject matter hereof and supersede all prior and contemporaneous agreements, term sheets, commitments, understandings, negotiations and discussions, whether oral or written. There are no warranties, representations or other agreements between the parties in connection with the subject matter

hereof except as specifically set forth in this Supplemental Indenture, the Fee Letter, the Trust Indenture and the other Program Agreements.

The Administrative Agent, each Non-Conduit Purchaser, each CP Conduit Purchaser, each Group Bank and each Funding Agent hereby acknowledges and agrees in favour of the Indenture Trustee that it is a Specified Creditor under the Trust Indenture and its entitlements as a Specified Creditor are subject to the provisions applicable to Specified Creditors under the Trust Indenture including, without limitation, Section **[7.06]** (Payments Held in Trust), Section **[8.12]** (Limitation on Suits), Sections **[7.04 and 8.13]** (Payment Priorities), Section **[8.14]** (Limited Recourse) and Section **[16.01]** (No Petition).

### 8.8 Expenses

The Issuer agrees to pay on demand (a) to the Indenture Trustee, the Administrative Agent and the Purchaser Groups all reasonable costs and expenses in connection with the preparation, execution, and delivery of this Supplemental Indenture and the other documents to be delivered hereunder or in connection herewith, including, the reasonable fees and out-of-pocket expenses of counsel for the Administrative Agent and the Purchaser Groups, with respect thereto, and the reasonable fees and out-of-pocket expenses incurred by the CP Conduit Purchasers in connection with the review by each rating agency then rating the Commercial Paper of such CP Conduit Purchaser of the transactions contemplated by this Supplemental Indenture and the Program Agreements; (b) to the Indenture Trustee, the Administrative Agent and each Purchaser Group all reasonable costs and expenses in connection with any amendments of or waivers or consents under this Supplemental Indenture or the Program Agreements, including in each case the reasonable fees and out-of-pocket expenses of counsel with respect thereto, and the reasonable fees and out-of-pocket expenses incurred by the CP Conduit Purchasers in connection with the review by any rating agency then rating the Commercial Paper of such CP Conduit Purchasers; and (c) to the Indenture Trustee, the Administrative Agent and each Purchaser Group, on demand, all reasonable costs and expenses (including reasonable fees and expenses of counsel to the Administrative Agent and each Purchaser Group), if any, in connection with the enforcement of this Supplemental Indenture or any of the Program Agreements, and the other documents delivered thereunder or in connection therewith.

Malle and team, attached is a revised draft of the MTSA (clean and blacklined to the prior draft circulated to Steve), together with an initial draft of the IESO security agreement (as a reminder, in order to achieve a AAA rating in light of the moratorium period, it has been proposed that IESO enter into this security agreement in favour of the financing entity as security for the performance of its regulatory obligation to pay carrying costs during the moratorium).
FYI, these documents are currently under review by the IESO and Stikeman.

### 5.9 Access to Certain Records and Information Regarding Investment Interest

The IESO shall provide to the Issuer and the Indenture Trustee access to all records relating to the IESO Deferral, the Fair Hydro Variance Account, the IESO Segregated Account and Servicer CEA Receipts, as is reasonably required for the Issuer and the Indenture Trustee to confirm compliance by the IESO with its obligations under this Agreement. Access shall be afforded without charge, but only upon reasonable request and during normal business hours at the offices of the IESO. Nothing in this Section 5.9 shall affect the obligation of the IESO to comply with any Requirement of Law prohibiting disclosure of information, and the failure of the IESO to provide access to such information as a result of such obligation shall not constitute a breach of this Section 5.9.

### 5.10 Maintenance of Operations

Subject to Section 3.12, the IESO agrees to continue, unless prevented by circumstances beyond its control, to operate as the electricity system operator in the Province of Ontario so long as it is acting as the Servicer under this Agreement.

## ARTICLE 6
## IESO INDEMNITIES

### 6.1 Liability of the IESO; Indemnities

(a) The IESO shall indemnify the Issuer, the Indenture Trustee (for itself and for the benefit of the Specified Creditors), the Manager and each of their respective trustees, officers, directors, employees and agents (each, an "**Indemnified Party**"), for, and defend and hold harmless each such Person from and against, any and all liabilities, obligations, losses, damages, payments and claims, and reasonable costs or expenses, of any kind whatsoever (collectively, "**Indemnified Losses**") imposed on, incurred by or asserted against any such Person as a result of (i) the failure of the IESO to perform its covenants and other obligations under this Agreement, any Co-Owner Agreement and any other Program Agreement to which the IESO is a party; and (ii) the IESO's breach of any of its representations or warranties under this Agreement, any Co-Owner Agreement and any other Program Agreement to which the IESO is a party; and, except to the extent of Indemnified Losses resulting from the willful misconduct, bad faith or gross negligence of such Person seeking indemnification hereunder; provided that, in each case, the IESO shall not be required to indemnify an Indemnified Party for any amount paid or payable by such Indemnified Party in the settlement of any Proceeding or investigation without the written consent of the IESO, which consent shall not be unreasonably withheld. Promptly after receipt by an Indemnified Party of notice of the commencement of any Proceeding or investigation, such Indemnified Party shall, if a claim in respect thereof is to be made against the IESO under this Section 6.1(a), notify the IESO in writing of the commencement thereof. Failure by an Indemnified Party to so notify the IESO shall relieve the IESO from the obligation to indemnify and hold harmless such Indemnified Party under this Section 6.1(a) only to the extent that the IESO

suffers actual prejudice as a result of such failure. With respect to any Proceeding or investigation brought by a third party for which indemnification may be sought under this Section 6.1(a), the IESO shall be entitled to conduct and control, at its expense and with counsel of its choosing that is reasonably satisfactory to such Indemnified Party, the defence of any such Proceeding or investigation (in which case the IESO shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the Indemnified Party except as set forth below); provided, that the Indemnified Party shall have the right to participate in such Proceeding or investigation through counsel chosen by it and at its own expense. Notwithstanding the IESO's election to assume the defence of any Proceeding or investigation, the Indemnified Party shall have the right to employ separate counsel, and the IESO shall bear the reasonable fees, costs and expenses of such separate counsel, if (i) the defendants in any such action include both the Indemnified Party and the IESO and the Indemnified Party shall have reasonably concluded that there may be legal defences available to it that are different from or additional to those available to the IESO, (ii) the IESO shall not have employed counsel reasonably satisfactory to the Indemnified Party to represent the Indemnified Party within a reasonable time after notice of the institution of such action, (iii) the IESO authorizes the Indemnified Party to employ separate counsel at the expense of the IESO, or (iv) in the case of the Indenture Trustee, such action exposes the Indenture Trustee to a material risk of criminal liability or forfeiture or a Servicer Default has occurred and is continuing. Notwithstanding the foregoing, the IESO shall not be obligated to pay for the fees, costs and expenses of more than one separate counsel for the Indemnified Parties other than one local counsel, if appropriate. The IESO will not, without the prior written consent of the Indemnified Party, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim or Proceeding in respect of which indemnification may be sought under this Section 6.1(a) (whether or not the Indemnified Party is an actual or potential party to such claim or action) unless such settlement, compromise or consent includes an unconditional release of the Indemnified Party from all liability arising out of such claim or Proceeding.

(b) For purposes of Section 6.1(a), in the event of the termination of the rights and obligations of the IESO (or any successor thereto pursuant to Section 3.12) as Servicer pursuant to Section 7.1, or a resignation by such Servicer pursuant to Section 3.11 of this Agreement, the IESO shall be deemed to be the Servicer pending appointment of a Successor Servicer pursuant to Section 7.2.

(c) Indemnification under Section 6.1(a) shall include reasonable out-of-pocket fees and expenses of investigation and litigation (including reasonable legal fees and expenses), except as otherwise expressly provided in this Agreement.

(d) Indemnification under this Section 6.1 shall survive any repeal of, modification of, or supplement to, or judicial invalidation of, the Act and shall survive the resignation or removal of the Indenture Trustee or the termination of this Agreement and will rank *pari passu* with other general, unsecured obligations of the IESO.

(e) The IESO shall not be required to indemnify any party under this Section 6.1 for any losses resulting from changes in law after the date hereof, whether such changes in law are effected by means of any legislative enactment or any final and non-appealable judicial decision.

(f) Except to the extent expressly provided in this Agreement (including the payment of the Purchase Price), the IESO hereby releases and discharges the Issuer and each of its trustees, officers, directors and agents (collectively, the "**Released Parties**"), from any and all actions, claims and demands whatsoever, whenever arising, which the IESO, in its capacity as Servicer or otherwise, shall or may have against any such Person relating to the Investment Interest or the IESO's activities with respect thereto, other than any actions, claims and demands arising out of the willful misconduct, bad faith or gross negligence of the Released Parties.

## ARTICLE 7
## SERVICER DEFAULT

### 7.1 Servicer Default

If any one or more of the following events (each, a "**Servicer Default**") shall occur and be continuing:

(a) any failure by the Servicer to remit to the Collection Account any required remittance that shall continue unremedied for a period of **[two/three] [NTD: Rating Agencies will expect 2-3 days]** Business Days after written notice of such failure is received by the Servicer from the Issuer or the Indenture Trustee or after discovery of such failure by a Responsible Officer of the Servicer;

(b) any failure on the part of the Servicer or, so long as the Servicer is the IESO, any failure on the part of the IESO, as the case may be, duly to observe or to perform in any respect any covenants or agreements of the Servicer or the IESO, as the case may be, set forth in this Agreement (other than as provided in Section 7.1(a)) or any other Program Agreement to which it is a party, which failure shall (i) materially and adversely affect the rights of the Specified Creditors and (ii) continue unremedied for a period of 30 days after the date on which (A) written notice of such failure, requiring the same to be remedied, shall have been given to the Servicer or the IESO, as the case may be, by the Issuer or to the Servicer or the IESO, as the case may be, by the Indenture Trustee or (B) such failure is discovered by a Responsible Officer of the Servicer;

(c) any representation or warranty made by the Servicer in this Agreement, any other Program Agreement or in any Monthly Report, shall prove to have been incorrect when made, which has a material adverse effect on the Issuer, the Indenture Trustee or any other Specified Creditor and which remains unremedied for a period of 30 days after the date on which (i) written notice thereof, requiring the same to be remedied, shall have been delivered to the Servicer (with a copy to the Indenture

Trustee) by the Issuer or the Indenture Trustee or (ii) such failure is discovered by a Responsible Officer of the Servicer;

(d) an Insolvency Event occurs with respect to the Servicer or the IESO; or

(e) any additional "Servicer Default" as specified in any Co-Owner Agreement occurs;

then, and in each and every case, the Indenture Trustee shall, upon the instruction of the Specified Creditors as provided for under the Trust Indenture, subject to the terms of any Co-Owner Agreement, by notice then given in writing to the Servicer (and to the Indenture Trustee if given by the Specified Creditors) (a "**Termination Notice**"), terminate all the rights and obligations (other than the obligations set forth in Section 6.1 and the obligation under Section 7.2 to continue performing its functions as Servicer until a Successor Servicer is appointed) of the Servicer under this Agreement and under the Co-Owner Agreement. In addition, upon a Servicer Default described in Section 7.1(a), the Specified Creditors and the Indenture Trustee (or any of their representatives) shall be entitled to apply to a court of appropriate jurisdiction for an order for sequestration and payment of revenues arising with respect to the Issuer. On or after the receipt by the Servicer of a Termination Notice, all authority and power of the Servicer under this Agreement, whether with respect to the Investment Interest, the Clean Energy Adjustments or otherwise, shall, without further action, pass to and be vested in such Successor Servicer as may be appointed under Section 7.2; and, without limitation, the Indenture Trustee is hereby authorized and empowered to execute and deliver, on behalf of the predecessor Servicer, as attorney-in-fact or otherwise, any and all documents and other instruments, and to do or accomplish all other acts or things necessary or appropriate to effect the purposes of such Termination Notice, whether to complete the transfer of all documents and records related to the Regulatory Asset, the Fair Hydro Variance Account and related documents or records, or otherwise (the "**Records**"). The predecessor Servicer shall cooperate with the Successor Servicer, the Issuer and the Indenture Trustee in effecting the termination of the responsibilities and rights of the predecessor Servicer under this Agreement, including the transfer to the Successor Servicer for administration by it of all Records and all cash amounts that shall at the time be held by the predecessor Servicer for remittance, or shall thereafter be received by it with respect to the Investment Interest or the Clean Energy Adjustment. As soon as practicable after receipt by the Servicer of such Termination Notice, the Servicer shall deliver the Records to the Successor Servicer. If a Successor Servicer has been appointed as a result of a Servicer Default, all reasonable costs and expenses (including reasonable legal fees and expenses) incurred in connection with transferring the Records to the Successor Servicer and amending this Agreement and any Co-Owner Agreement to reflect such succession as Servicer pursuant to this Section 7.1 shall be paid by the predecessor Servicer upon presentation of reasonable documentation of such costs and expenses. Termination of the IESO as Servicer shall not terminate the IESO's rights or obligations under this Agreement (except rights thereunder deriving from its rights as the Servicer hereunder).

**7.2 Appointment of Successor Servicer**

(a) Upon the Servicer's receipt of a Termination Notice pursuant to Section 7.1 or the Servicer's resignation or removal in accordance with the terms of this Agreement, the predecessor Servicer shall continue to perform its functions as Servicer under this Agreement, until a Successor Servicer shall have assumed in writing the

obligations of the Servicer hereunder as described below. In the event of the Servicer's removal or resignation hereunder, the Indenture Trustee may, and at the written direction and with the consent of the Specified Creditors as provided for under the Trust Indenture shall, but subject to the provisions of the applicable Co-Owner Agreement, appoint a Successor Servicer with the Issuer's prior written consent thereto (which consent shall not be unreasonably withheld), and the Successor Servicer shall accept its appointment by a written assumption in form reasonably acceptable to the Issuer. If, within 30 days after the delivery of the Termination Notice, a Successor Servicer shall not have been appointed, the Indenture Trustee may, at the direction of Specified Creditors as provided for under the Trust Indenture, petition a court of competent jurisdiction to appoint a Successor Servicer under this Agreement. A Person shall qualify as a Successor Servicer only if (i) such Person is permitted under the Act to perform the duties of the Servicer, (ii) the Rating Agency Condition shall have been satisfied with respect to such appointment, (iii) such Person enters into a master transfer and servicing agreement with the Issuer having substantially the same provisions as this Agreement and (iv) such Person agrees to perform the obligations of the Servicer under any Co-Owner Agreement. In no event shall the Indenture Trustee be liable for its appointment of a Successor Servicer. The Indenture Trustee's expenses incurred under this Section 7.2(a) shall be at the sole expense of the Issuer and payable from the Collection Account as provided in **[Section 8.02]** of the Indenture.

(b) Upon appointment, the Successor Servicer shall be the successor in all respects to the predecessor Servicer and shall be subject to all the responsibilities, duties and liabilities arising thereafter placed on the predecessor Servicer and shall be entitled to all the rights granted to the predecessor Servicer by the terms and provisions of this Agreement.

**7.3 Waiver of Past Defaults**

The Indenture Trustee, with the written consent of Specified Creditors as provided for under the Trust Indenture, may waive in writing any default by the Servicer in the performance of its obligations hereunder and its consequences, except a default in making any required deposits to the Collection Account in accordance with this Agreement. Upon any such waiver of a past default, such default shall cease to exist, and any Servicer Default arising therefrom shall be deemed to have been remedied for every purpose of this Agreement. No such waiver shall extend to any subsequent or other default or impair any right consequent thereto.

**7.4 Notice of Servicer Default**

The Servicer shall deliver to the Issuer, the Manager, the Indenture Trustee and the Rating Agencies promptly after having obtained knowledge thereof, but in no event later than five Business Days thereafter, written notice of any event that, with the giving of notice or lapse of time, or both, would become a Servicer Default under Section 7.1.

### 7.5 Cooperation with Successor Servicer

The Servicer covenants and agrees with the Issuer that it will, on an ongoing basis, cooperate with the Successor Servicer and provide whatever information is, and take whatever actions are, reasonably necessary to assist the Successor Servicer in performing its obligations hereunder.

## ARTICLE 8
## MISCELLANEOUS

### 8.1 Amendment

This Agreement may be amended in writing by the IESO, the Issuer and the Indenture Trustee and with satisfaction of the Rating Agency Condition. Promptly after the execution of any such amendment, the Issuer shall furnish copies of such amendment to each of the Rating Agencies.

### 8.2 Withholding Rights

The parties shall be entitled to deduct and withholding from amounts payable under this Agreement such amounts as each is required to deduct and withhold with respect to such payment under the *Income Tax Act* (Canada) or any provision of any applicable federal, provincial, territorial, state, local or foreign tax law. To the extent that amounts are so withheld, such withheld amounts shall be treated for all purposes as having been paid to the recipient of the payment in respect of which such deduction and withholding was made, provided that such withheld amounts are actually remitted in accordance with applicable law to the appropriate taxing authority.

### 8.3 No Partnership

Each party expressly disclaims any intention to create a partnership, and none of the Issuer, the IESO or the Indenture Trustee will be deemed to be carrying on business in partnership by reason of its execution and delivery of this Agreement or the exercise or performance by it of its respective rights and obligations hereunder.

**8.5 Assignment**

Notwithstanding anything to the contrary contained herein, except as provided in the provisions of this Agreement concerning the resignation of the Servicer, this Agreement may not be assigned by the IESO.

**8.6 Limitations on Rights of Third Parties**

The provisions of this Agreement are solely for the benefit of the IESO, the Issuer and, to the extent provided herein or in the other Program Agreements, the Indenture Trustee (for its own benefit and for the benefit of the Specified Creditors) and the other Persons expressly referred to herein, and such Persons shall have the right to enforce the relevant provisions of this Agreement. Nothing in this Agreement, whether express or implied, shall be construed to give to any other Person any legal or equitable right, remedy or claim in the Issuer Investment Interest or under or in respect of this Agreement or any covenants, conditions or provisions contained herein.

**8.7 Severability**

Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remainder of such provision (if any) or the remaining provisions hereof (unless such construction shall be unreasonable), and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

**8.8 Separate Counterparts; Electronic Delivery**

This Agreement may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute but one and the same instrument. Delivery of an executed signature page to this Agreement by a party by electronic transmission will be as effective as delivery of a manually executed copy of this Agreement by such party.

**8.9 Governing Law**

This Agreement shall be construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein, and each party to this Agreement attorns to the non-exclusive jurisdiction of the courts of the Province of Ontario.

**8.10 Grant of Security Interest to Indenture Trustee**

The IESO hereby acknowledges and consents to the grant of a Lien by the Issuer to the Indenture Trustee pursuant to the Indenture for the benefit of the Specified Creditors against all right, title and interest of the Issuer in, to and under this Agreement, the Investment Interest and the proceeds thereof and the assignment of any or all of the Issuer's rights hereunder to the Indenture Trustee for the benefit of the Specified Creditors.

**8.11 Limitation of Liability of Indenture Trustee**

It is expressly understood and agreed by the parties hereto that this Agreement is executed and delivered by the Indenture Trustee, not individually or personally but solely as Indenture Trustee on behalf of the Specified Creditors, in the exercise of the powers and authority conferred and vested in it. The Indenture Trustee in acting hereunder is entitled to all rights, benefits, protections, immunities and indemnities accorded to it under the Indenture.

**8.12 Limitation of Liability of the Issuer Trustee**

(a) It is expressly understood and agreed by the parties hereto that the Issuer Trustee is acting solely in its capacity as trustee of the Issuer, and not in any other capacity. The Issuer solely shall be responsible for the performance of the Issuer's obligations hereunder and the assets of the Issuer solely shall be subject to levy or execution in satisfaction of such obligations.

(b) The Issuer Trustee will not be subject to any liability whatsoever, in tort, in contract or otherwise, in connection with the Issuer's property or the Issuer's activities, to the Issuer's beneficiaries or to any other Person, for any action taken or permitted by the Issuer Trustee to be taken, or the Issuer Trustee's failure to compel in any way any former or acting Issuer Trustee to redress any breach of trust with respect to the execution of the duties of its office or in respect of the Issuer's property or the Issuer's activities, provided that the foregoing limitation will not apply in respect of action or failure to act arising from or in connection with dishonesty, bad faith, willful misconduct, gross negligence or reckless disregard of a duty by the Issuer Trustee. The Issuer Trustee, in doing anything or permitting anything to be done in respect of the execution of the duties of its office or in respect of the Issuer's property or the Issuer's activities, is, and will be conclusively deemed to be, acting as trustee of the Issuer and not in any other capacity. Except as to the extent provided in this Section 8.12, the Issuer Trustee will not be subject to any liability for any debts, liabilities, obligations, claims, demands, judgments, costs, charges or expenses against or with respect to the Issuer, arising out of anything done or permitted by it to be done or its failure to take any action in respect of the execution of the duties of its office or for or in respect of the Issuer's property or the Issuer's activities and resort will be had solely to the Issuer's property for the payment or performance thereof. No property or assets of the Issuer Trustee owned in its personal capacity will be subject to levy, execution or other enforcement procedure with regard to any obligation under this Agreement.

(c) The holders of the units of the Issuer will not be subject to any liability whatsoever, in tort, in contract or otherwise, in connection with the Issuer's property or the Issuer's activities, to the Issuer's beneficiaries or to any other Person, for any action taken or permitted by it to be taken. The holders of the units of the Issuer will not be subject to any liability for any debts, liabilities, obligations, claims, demands, judgments, costs, charges or expenses against or with respect to the Issuer, arising out of anything done or permitted by it to be done or its failure to take any action in respect of the execution of the duties of its office or for or in respect of the Issuer's property or the Issuer's activities and resort will be had solely to the Issuer's property for the payment or performance thereof. No property or assets of the holders of the units of the Issuer owned in their personal capacity will be subject to levy, execution or other enforcement procedure with regard to any obligation under this Agreement.

**8.13 Waivers**

Any term or provision of this Agreement may be waived, or the time for its performance may be extended, by the party or parties entitled to the benefit thereof; provided, however, that no such waiver delivered by the Issuer shall be effective unless the Indenture Trustee has given its prior written consent thereto. Any such waiver shall be validly and sufficiently authorized for the purposes of this Agreement if, as to any party, it is authorized in writing by an authorized representative of such party, with prompt written notice of any such waiver to be provided to the Rating Agencies. The failure of any party hereto to enforce at any time any provision of this Agreement shall not be construed to be a waiver of such provision, nor in any

way to affect the validity of this Agreement or any part hereof or the right of any party thereafter to enforce each and every such provision. No waiver of any breach of this Agreement shall be held to constitute a waiver of any other or subsequent breach.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

**IN WITNESS WHEREOF**, the parties hereto have caused this Agreement to be duly executed by their respective officers as of the day and year first above written.

## ARTICLE 6
## IESO INDEMNITIES

### 6.1 Liability of the IESO; Indemnities

(a) The IESO shall indemnify the Issuer, the Indenture Trustee (for itself and for the benefit of the Specified Creditors), the Manager~~, the Administrative Agent~~ and each of their respective trustees, officers, directors, employees and agents (each, an "**Indemnified Party**"), for, and defend and hold harmless each such Person from and against, any and all liabilities, obligations, losses, damages, payments and claims, and reasonable costs or expenses, of any kind whatsoever (collectively, "**Indemnified Losses**") imposed on, incurred by or asserted against any such Person as a result of (i) the failure of the IESO to perform its covenants and other obligations under this Agreement, any Co-Owner Agreement and any other Program Agreement to which the IESO is a party; **and** (ii) the IESO's breach of any of its representations or warranties under this Agreement, any Co-Owner Agreement and any other Program Agreement to which the IESO is a party; and ~~(iii) any litigation and related expenses relating to the IESO's status and obligations as Servicer (other than any Proceeding the IESO is required to institute under this Agreement)~~, except to the extent of Indemnified Losses resulting from the willful misconduct, bad faith or gross negligence of such Person seeking indemnification hereunder; provided that, in each case, the IESO shall not be required to indemnify an Indemnified Party for any amount paid or payable by such Indemnified Party in the settlement of any Proceeding or investigation without the written consent of the IESO, which consent shall not be unreasonably withheld. Promptly after receipt by an Indemnified Party of notice ~~(or, in the case of the Indenture Trustee, receipt of notice by a Responsible Officer only)~~ of the commencement of any Proceeding or investigation, such Indemnified Party shall, if a claim in respect thereof is to be made against the IESO under this Section 6.1(a), notify the IESO in writing of the commencement thereof. Failure by an Indemnified Party to so notify the IESO shall relieve the IESO from the obligation to indemnify and hold harmless such Indemnified Party under this Section 6.1(a) only to the extent that the IESO suffers actual prejudice as a result of such failure. With respect to any Proceeding or investigation brought by a third party for which indemnification may be sought under this Section 6.1(a), the IESO shall be entitled to conduct and control, at its expense and with counsel of its choosing that is reasonably satisfactory to such Indemnified Party, the defence of any such Proceeding or investigation (in which case the IESO shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the Indemnified Party except as set forth below); provided, that the Indemnified Party shall have the right to participate in such Proceeding or investigation through counsel chosen by it and at its own expense. Notwithstanding the IESO's election to assume the defence of any Proceeding or investigation, the Indemnified Party

shall have the right to employ separate counsel, and the IESO shall bear the reasonable fees, costs and expenses of such separate counsel, if (i) the defendants in any such action include both the Indemnified Party and the IESO and the Indemnified Party shall have reasonably concluded that there may be legal defences available to it that are different from or additional to those available to the IESO, (ii) the IESO shall not have employed counsel reasonably satisfactory to the Indemnified Party to represent the Indemnified Party within a reasonable time after notice of the institution of such action, (iii) the IESO ~~shall authorize~~**authorizes** the Indemnified Party to employ separate counsel at the expense of the IESO, or (iv) in the case of the Indenture Trustee, such action exposes the Indenture Trustee to a material risk of criminal liability or forfeiture or a Servicer Default has occurred and is continuing. Notwithstanding the foregoing, the IESO shall not be obligated to pay for the fees, costs and expenses of more than one separate counsel for the Indemnified Parties other than one local counsel, if appropriate. The IESO will not, without the prior written consent of the Indemnified Party, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim or Proceeding in respect of which indemnification may be sought under this Section 6.1(a) (whether or not the Indemnified Party is an actual or potential party to such claim or action) unless such settlement, compromise or consent includes an unconditional release of the Indemnified Party from all liability arising out of such claim or Proceeding.

(b) For purposes of Section 6.1(a), in the event of the termination of the rights and obligations of the IESO (or any successor thereto pursuant to Section ~~3.7~~**3.12**) as Servicer pursuant to Section 7.1, or a resignation by such Servicer pursuant to **Section 3.11 of** this Agreement, the IESO shall be deemed to be the Servicer pending appointment of a Successor Servicer pursuant to Section 7.2.

(c) Indemnification under Section 6.1(a) shall include reasonable out-of-pocket fees and expenses of investigation and litigation (including reasonable legal fees and expenses), except as otherwise expressly provided in this Agreement.

(d) Indemnification under this Section 6.1 shall survive any repeal of, modification of, or supplement to, or judicial invalidation of, the Act and shall survive the resignation or removal of the Indenture Trustee or the termination of this Agreement and will rank *pari passu* with other general, unsecured obligations of the IESO. ~~Other than provided in the preceding sentence, the~~

**(e)** **The** IESO shall not **be required to** indemnify any party under this Section 6.1 for any **losses resulting from** changes in law after the date hereof, whether such changes in law are effected by means of any legislative enactment or any final and non-appealable judicial decision.

~~25847049.5~~

**(f)** ~~(e)~~ Except to the extent expressly provided in this Agreement (including the payment of the Purchase Price), the IESO hereby releases and discharges the Issuer ~~and the Indenture Trustee,~~ and each of ~~their respective~~**its** trustees, officers, directors and agents (collectively, the "**Released Parties**"), from any and all actions, claims and demands whatsoever, whenever arising, which the IESO, in its capacity as Servicer or otherwise, shall or may have against any such Person relating to the Investment Interest or the IESO's activities with respect thereto, other than any actions, claims and demands arising out of the willful misconduct, bad faith or gross negligence of the Released Parties.

## ARTICLE 7
## SERVICER DEFAULT

### 7.1 Servicer Default

If any one or more of the following events (each, a "**Servicer Default**") shall occur and be continuing:

(a) any failure by the Servicer to remit to the Collection Account ~~on behalf of the Issuer~~ any required remittance that shall continue unremedied for a period of **[two/three] [NTD: Rating Agencies will expect 2-3 days]** Business Days after written notice of such failure is received by the Servicer from the Issuer ~~(with a copy to the Indenture Trustee)~~ or the Indenture Trustee or after discovery of such failure by a Responsible Officer of the Servicer;

(b) any failure on the part of the Servicer or, so long as the Servicer is the IESO, any failure on the part of the IESO, as the case may be, duly to observe or to perform in any respect any covenants or agreements of the Servicer or the IESO, as the case may be, set forth in this Agreement (other than as provided in Section 7.1(a)) or any other Program Agreement to which it is a party, which failure shall (i) materially and adversely affect the rights of the Specified Creditors and (ii) continue unremedied for a period of 30 days after the date on which (A) written notice of such failure, requiring the same to be remedied, shall have been given to the Servicer or the IESO, as the case may be, by the Issuer ~~(with a copy to the Indenture Trustee)~~ or to the Servicer or the IESO, as the case may be, by the Indenture Trustee or (B) such failure is discovered by a Responsible Officer of the Servicer;

(c) any representation or warranty made by the Servicer in this Agreement, any other Program Agreement or in any Monthly Report, shall prove to have been incorrect when made, which has a material adverse effect on the Issuer, the Indenture Trustee or any other Specified Creditor and which remains unremedied for a period of 30 days after the date on which (i) written notice thereof, requiring the

same to be remedied, shall have been delivered to the Servicer (with a copy to the Indenture Trustee) by the Issuer or the Indenture Trustee or (ii) such failure is discovered by a Responsible Officer of the Servicer;

then, and in each and every case, the Indenture Trustee shall, upon the instruction of the Specified Creditors ~~evidencing a majority of the Outstanding Amount of the Issuer's Funding Obligations~~**as provided for under the Trust Indenture**, subject to the terms of any Co-Owner Agreement, by notice then given in writing to the Servicer (and to the Indenture Trustee if given by the Specified Creditors) (a "**Termination Notice**"), terminate all the rights and obligations (other than the obligations set forth in Section 6.1 and the obligation under Section 7.2 to continue performing its functions as Servicer until a Successor Servicer is appointed) of the Servicer under this Agreement and under the Co-Owner Agreement. In addition, upon a Servicer Default described in Section 7.1(a), the Specified Creditors and the Indenture Trustee (or any of their representatives) shall be entitled to apply to a court of appropriate jurisdiction for an order for sequestration and payment of revenues arising with respect to the ~~Investment Interest.~~**Issuer.** On or after the receipt by the Servicer of a Termination Notice, all authority and power of the Servicer under this Agreement, whether with respect to the Investment Interest, the Clean Energy Adjustments or otherwise, shall, without further action, pass to and be vested in such Successor Servicer as may be appointed under Section 7.2; and, without limitation, the Indenture Trustee is hereby authorized and empowered to execute and deliver, on behalf of the predecessor Servicer, as attorney-in-fact or otherwise, any and all documents and other instruments, and to do or accomplish all other acts or things necessary or appropriate to effect the purposes of such Termination Notice, whether to complete the transfer of all documents and records related to the Regulatory Asset, ~~the IESO Deferral,~~ the Fair Hydro Variance Account and related documents or records, or otherwise (the "**Records**"). The predecessor Servicer shall cooperate with the Successor Servicer, the Issuer and the Indenture Trustee in effecting the termination of the responsibilities and rights of the predecessor Servicer under this Agreement, including the transfer to the Successor Servicer for administration by it of all Records and all cash amounts that shall at the time be held by the predecessor Servicer for remittance, or shall thereafter be received by it with respect to the Investment Interest or the Clean Energy Adjustment. As soon as practicable after receipt by the Servicer of such Termination Notice, the Servicer shall deliver the Records to the Successor Servicer. If a Successor Servicer has been appointed as a result of a Servicer Default, all reasonable costs and expenses (including reasonable legal fees and expenses) incurred in connection with transferring the Records to the Successor Servicer and amending this Agreement and any Co-Owner Agreement to reflect such succession as Servicer pursuant to this Section 7.1 shall be paid by the predecessor Servicer upon presentation of reasonable documentation of such costs and expenses. Termination of the IESO as Servicer shall

not terminate the IESO's rights or obligations under this Agreement (except rights thereunder deriving from its rights as the Servicer hereunder).

**7.2 Appointment of Successor Servicer**

(a) Upon the Servicer's receipt of a Termination Notice pursuant to Section 7.1 or the Servicer's resignation or removal in accordance with the terms of this Agreement, the predecessor Servicer shall continue to perform its functions as Servicer under this Agreement, until a Successor Servicer shall have assumed in writing the obligations of the Servicer hereunder as described below. In the event of the Servicer's removal or resignation hereunder, the Indenture Trustee may, and at the written direction and with the consent of the Specified Creditors ~~evidencing a majority of the Outstanding Amount of the Issuer's Funding Obligations~~**as provided for under the Trust Indenture** shall, but subject to the provisions of the applicable Co-Owner Agreement, appoint a Successor Servicer with the Issuer's prior written consent thereto (which consent shall not be unreasonably withheld), and the Successor Servicer shall accept its appointment by a written assumption in form reasonably acceptable to the Issuer. If, within 30 days after the delivery of the Termination Notice, a Successor Servicer shall not have been appointed, the Indenture Trustee may, at the direction of Specified Creditors ~~evidencing a majority of the Outstanding Amount of the Issuer's Funding Obligations~~**as provided for under the Trust Indenture**, petition a court of competent jurisdiction to appoint a Successor Servicer under this Agreement. A Person shall qualify as a Successor Servicer only if (i) such Person is permitted under the Act to perform the duties of the Servicer, (ii) the Rating Agency Condition shall have been satisfied with respect to such appointment, (iii) such Person enters into a master transfer and servicing agreement with the Issuer having substantially the same provisions as this Agreement and (iv) such Person agrees to perform the obligations of the Servicer under any Co-Owner Agreement. In no event shall the Indenture Trustee be liable for its appointment of a Successor Servicer. The Indenture Trustee's expenses incurred under this Section 7.2(a) shall be at the sole expense of the Issuer and payable from the Collection Account as provided in **[Section 8.02]** of the Indenture.

(b) Upon appointment, the Successor Servicer shall be the successor in all respects to the predecessor Servicer and shall be subject to all the responsibilities, duties and liabilities arising thereafter placed on the predecessor Servicer and shall be entitled to all the rights granted to the predecessor Servicer by the terms and provisions of this Agreement.

**7.3 Waiver of Past Defaults**

The Indenture Trustee, with the written consent of Specified Creditors ~~evidencing a majority of the Outstanding Amount of the Issuer's Funding Obligations~~**as provided for under the Trust Indenture**, may waive in writing any default by the Servicer in the performance of its obligations hereunder and its consequences, except a default in making any required deposits to the Collection Account in accordance with this Agreement. Upon any such waiver of a past

default, such default shall cease to exist, and any Servicer Default arising therefrom shall be deemed to have been remedied for every purpose of this Agreement. No such waiver shall extend to any subsequent or other default or impair any right consequent thereto.

**7.4 Notice of Servicer Default**

The Servicer shall deliver to the Issuer, the Manager, the Indenture Trustee and the Rating Agencies promptly after having obtained knowledge thereof, but in no event later than five Business Days thereafter, written notice of any event that, with the giving of notice or lapse of time, or both, would become a Servicer Default under Section 7.1.

**7.5 Cooperation with Successor Servicer**

The Servicer covenants and agrees with the Issuer that it will, on an ongoing basis, cooperate with the Successor Servicer and provide whatever information is, and take whatever actions are, reasonably necessary to assist the Successor Servicer in performing its obligations hereunder.

Any such waiver shall be validly and sufficiently authorized for the purposes of this Agreement if, as to any party, it is authorized in writing by an authorized representative of such party, with prompt written notice of any such waiver to be provided to the Rating Agencies. The failure of any party hereto to enforce at any time any provision of this Agreement shall not be construed to be a waiver of such provision, nor

in any way to affect the validity of this Agreement or any part hereof or the right of any party thereafter to enforce each and every such provision. No waiver of any breach of this Agreement shall be held to constitute a waiver of any other or subsequent breach.

## ARTICLE 6
## IESO INDEMNITIES

### 6.1 Liability of the IESO; Indemnities

(a) The IESO shall indemnify the Issuer, the Indenture Trustee (for itself and for the benefit of the Specified Creditors), the Manager~~, the Administrative Agent~~ and each of their respective trustees, officers, directors, employees and agents (each, an "**Indemnified Party**"), for, and defend and hold harmless each such Person from and against, any and all liabilities, obligations, losses, damages, payments and claims, and reasonable costs or expenses, of any kind whatsoever (collectively, "**Indemnified Losses**") imposed on, incurred by or asserted against any such Person as a result of (i) the failure of the IESO to perform its covenants and other obligations under this Agreement, any Co-Owner Agreement and any other Program Agreement to which the IESO is a party; **and** (ii) the IESO's breach of any of its representations or warranties under this Agreement, any Co-Owner Agreement and any other Program Agreement to which the IESO is a party; and ~~(iii) any litigation and related expenses relating to the IESO's status and obligations as Servicer (other than any Proceeding the IESO is required to institute under this Agreement)~~, except to the extent of Indemnified Losses resulting from the willful misconduct, bad faith or gross negligence of such Person seeking indemnification hereunder; provided that, in each case, the IESO shall not be required to indemnify an Indemnified Party for any amount paid or payable by such Indemnified Party in the settlement of any Proceeding or investigation without the written consent of the IESO, which consent shall not be unreasonably withheld. Promptly after receipt by an Indemnified Party of notice ~~(or, in the case of the Indenture Trustee, receipt of notice by a Responsible Officer only)~~ of the commencement of any Proceeding or investigation, such Indemnified Party shall, if a claim in respect thereof is to be made against the IESO under this Section 6.1(a), notify the IESO in writing of the commencement thereof. Failure by an Indemnified Party to so notify the IESO shall relieve the IESO from the obligation to indemnify and hold harmless such Indemnified Party under this Section 6.1(a) only to the extent that the IESO suffers actual prejudice as a result of such failure. With respect to any Proceeding or investigation brought by a third party for which indemnification may be sought under this Section 6.1(a), the IESO shall be entitled to conduct and control, at its expense and with counsel of its choosing that is reasonably satisfactory to such Indemnified Party, the defence of any such Proceeding or investigation (in which case the IESO shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the Indemnified Party except as set forth below); provided, that the Indemnified Party shall have the right to participate in such Proceeding or investigation through counsel chosen by it and at its own expense. Notwithstanding the IESO's election to assume the defence of any Proceeding or investigation, the Indemnified Party

shall have the right to employ separate counsel, and the IESO shall bear the reasonable fees, costs and expenses of such separate counsel, if (i) the defendants in any such action include both the Indemnified Party and the IESO and the Indemnified Party shall have reasonably concluded that there may be legal defences available to it that are different from or additional to those available to the IESO, (ii) the IESO shall not have employed counsel reasonably satisfactory to the Indemnified Party to represent the Indemnified Party within a reasonable time after notice of the institution of such action, (iii) the IESO ~~shall authorize~~**authorizes** the Indemnified Party to employ separate counsel at the expense of the IESO, or (iv) in the case of the Indenture Trustee, such action exposes the Indenture Trustee to a material risk of criminal liability or forfeiture or a Servicer Default has occurred and is continuing. Notwithstanding the foregoing, the IESO shall not be obligated to pay for the fees, costs and expenses of more than one separate counsel for the Indemnified Parties other than one local counsel, if appropriate. The IESO will not, without the prior written consent of the Indemnified Party, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim or Proceeding in respect of which indemnification may be sought under this Section 6.1(a) (whether or not the Indemnified Party is an actual or potential party to such claim or action) unless such settlement, compromise or consent includes an unconditional release of the Indemnified Party from all liability arising out of such claim or Proceeding.

(b) For purposes of Section 6.1(a), in the event of the termination of the rights and obligations of the IESO (or any successor thereto pursuant to Section ~~3.7~~**3.12**) as Servicer pursuant to Section 7.1, or a resignation by such Servicer pursuant to **Section 3.11 of** this Agreement, the IESO shall be deemed to be the Servicer pending appointment of a Successor Servicer pursuant to Section 7.2.

(c) Indemnification under Section 6.1(a) shall include reasonable out-of-pocket fees and expenses of investigation and litigation (including reasonable legal fees and expenses), except as otherwise expressly provided in this Agreement.

(d) Indemnification under this Section 6.1 shall survive any repeal of, modification of, or supplement to, or judicial invalidation of, the Act and shall survive the resignation or removal of the Indenture Trustee or the termination of this Agreement and will rank *pari passu* with other general, unsecured obligations of the IESO. ~~Other than provided in the preceding sentence, the~~

**(e)** **The** IESO shall not **be required to** indemnify any party under this Section 6.1 for any **losses resulting from** changes in law after the date hereof, whether such changes in law are effected by means of any legislative enactment or any final and non-appealable judicial decision.

~~25847049.5~~

**(f)** ~~(e)~~ Except to the extent expressly provided in this Agreement (including the payment of the Purchase Price), the IESO hereby releases and discharges the Issuer ~~and the Indenture Trustee,~~ and each of ~~their respective~~**its** trustees, officers, directors and agents (collectively, the "**Released Parties**"), from any and all actions, claims and demands whatsoever, whenever arising, which the IESO, in its capacity as Servicer or otherwise, shall or may have against any such Person relating to the Investment Interest or the IESO's activities with respect thereto, other than any actions, claims and demands arising out of the willful misconduct, bad faith or gross negligence of the Released Parties.

### 7.1 Servicer Default

If any one or more of the following events (each, a "**Servicer Default**") shall occur and be continuing:

(a) any failure by the Servicer to remit to the Collection Account ~~on behalf of the Issuer~~ any required remittance that shall continue unremedied for a period of **[two/three] [NTD: Rating Agencies will expect 2-3 days]** Business Days after written notice of such failure is received by the Servicer from the Issuer ~~(with a copy to the Indenture Trustee)~~ or the Indenture Trustee or after discovery of such failure by a Responsible Officer of the Servicer;

(b) any failure on the part of the Servicer or, so long as the Servicer is the IESO, any failure on the part of the IESO, as the case may be, duly to observe or to perform in any respect any covenants or agreements of the Servicer or the IESO, as the case may be, set forth in this Agreement (other than as provided in Section 7.1(a)) or any other Program Agreement to which it is a party, which failure shall (i) materially and adversely affect the rights of the Specified Creditors and (ii) continue unremedied for a period of 30 days after the date on which (A) written notice of such failure, requiring the same to be remedied, shall have been given to the Servicer or the IESO, as the case may be, by the Issuer ~~(with a copy to the Indenture Trustee)~~ or to the Servicer or the IESO, as the case may be, by the Indenture Trustee or (B) such failure is discovered by a Responsible Officer of the Servicer;

(c) any representation or warranty made by the Servicer in this Agreement, any other Program Agreement or in any Monthly Report, shall prove to have been incorrect when made, which has a material adverse effect on the Issuer, the Indenture Trustee or any other Specified Creditor and which remains unremedied for a period of 30 days after the date on which (i) written notice thereof, requiring the

same to be remedied, shall have been delivered to the Servicer (with a copy to the Indenture Trustee) by the Issuer or the Indenture Trustee or (ii) such failure is discovered by a Responsible Officer of the Servicer;

then, and in each and every case, the Indenture Trustee shall, upon the instruction of the Specified Creditors ~~evidencing a majority of the Outstanding Amount of the Issuer's Funding Obligations~~**as provided for under the Trust Indenture**, subject to the terms of any Co-Owner Agreement, by notice then given in writing to the Servicer (and to the Indenture Trustee if given by the Specified Creditors) (a "**Termination Notice**"), terminate all the rights and obligations (other than the obligations set forth in Section 6.1 and the obligation under Section 7.2 to continue performing its functions as Servicer until a Successor Servicer is appointed) of the Servicer under this Agreement and under the Co-Owner Agreement. In addition, upon a Servicer Default described in Section 7.1(a), the Specified Creditors and the Indenture Trustee (or any of their representatives) shall be entitled to apply to a court of appropriate jurisdiction for an order for sequestration and payment of revenues arising with respect to the ~~Investment Interest.~~**Issuer.** On or after the receipt by the Servicer of a Termination Notice, all authority and power of the Servicer under this Agreement, whether with respect to the Investment Interest, the Clean Energy Adjustments or otherwise, shall, without further action, pass to and be vested in such Successor Servicer as may be appointed under Section 7.2; and, without limitation, the Indenture Trustee is hereby authorized and empowered to execute and deliver, on behalf of the predecessor Servicer, as attorney-in-fact or otherwise, any and all documents and other instruments, and to do or accomplish all other acts or things necessary or appropriate to effect the purposes of such Termination Notice, whether to complete the transfer of all documents and records related to the Regulatory Asset, ~~the IESO Deferral,~~ the Fair Hydro Variance Account and related documents or records, or otherwise (the "**Records**"). The predecessor Servicer shall cooperate with the Successor Servicer, the Issuer and the Indenture Trustee in effecting the termination of the responsibilities and rights of the predecessor Servicer under this Agreement, including the transfer to the Successor Servicer for administration by it of all Records and all cash amounts that shall at the time be held by the predecessor Servicer for remittance, or shall thereafter be received by it with respect to the Investment Interest or the Clean Energy Adjustment. As soon as practicable after receipt by the Servicer of such Termination Notice, the Servicer shall deliver the Records to the Successor Servicer. If a Successor Servicer has been appointed as a result of a Servicer Default, all reasonable costs and expenses (including reasonable legal fees and expenses) incurred in connection with transferring the Records to the Successor Servicer and amending this Agreement and any Co-Owner Agreement to reflect such succession as Servicer pursuant to this Section 7.1 shall be paid by the predecessor Servicer upon presentation of reasonable documentation of such costs and expenses. Termination of the IESO as Servicer shall

not terminate the IESO's rights or obligations under this Agreement (except rights thereunder deriving from its rights as the Servicer hereunder).

**7.2 Appointment of Successor Servicer**

(a) Upon the Servicer's receipt of a Termination Notice pursuant to Section 7.1 or the Servicer's resignation or removal in accordance with the terms of this Agreement, the predecessor Servicer shall continue to perform its functions as Servicer under this Agreement, until a Successor Servicer shall have assumed in writing the obligations of the Servicer hereunder as described below. In the event of the Servicer's removal or resignation hereunder, the Indenture Trustee may, and at the written direction and with the consent of the Specified Creditors ~~evidencing a majority of the Outstanding Amount of the Issuer's Funding Obligations~~**as provided for under the Trust Indenture** shall, but subject to the provisions of the applicable Co-Owner Agreement, appoint a Successor Servicer with the Issuer's prior written consent thereto (which consent shall not be unreasonably withheld), and the Successor Servicer shall accept its appointment by a written assumption in form reasonably acceptable to the Issuer. If, within 30 days after the delivery of the Termination Notice, a Successor Servicer shall not have been appointed, the Indenture Trustee may, at the direction of Specified Creditors ~~evidencing a majority of the Outstanding Amount of the Issuer's Funding Obligations~~**as provided for under the Trust Indenture**, petition a court of competent jurisdiction to appoint a Successor Servicer under this Agreement. A Person shall qualify as a Successor Servicer only if (i) such Person is permitted under the Act to perform the duties of the Servicer, (ii) the Rating Agency Condition shall have been satisfied with respect to such appointment, (iii) such Person enters into a master transfer and servicing agreement with the Issuer having substantially the same provisions as this Agreement and (iv) such Person agrees to perform the obligations of the Servicer under any Co-Owner Agreement. In no event shall the Indenture Trustee be liable for its appointment of a Successor Servicer. The Indenture Trustee's expenses incurred under this Section 7.2(a) shall be at the sole expense of the Issuer and payable from the Collection Account as provided in **[Section 8.02]** of the Indenture.

(b) Upon appointment, the Successor Servicer shall be the successor in all respects to the predecessor Servicer and shall be subject to all the responsibilities, duties and liabilities arising thereafter placed on the predecessor Servicer and shall be entitled to all the rights granted to the predecessor Servicer by the terms and provisions of this Agreement.

**7.3 Waiver of Past Defaults**

The Indenture Trustee, with the written consent of Specified Creditors ~~evidencing a majority of the Outstanding Amount of the Issuer's Funding Obligations~~**as provided for under the Trust Indenture**, may waive in writing any default by the Servicer in the performance of its obligations hereunder and its consequences, except a default in making any required deposits to the Collection Account in accordance with this Agreement. Upon any such waiver of a past

default, such default shall cease to exist, and any Servicer Default arising therefrom shall be deemed to have been remedied for every purpose of this Agreement. No such waiver shall extend to any subsequent or other default or impair any right consequent thereto.

**7.4 Notice of Servicer Default**

The Servicer shall deliver to the Issuer, the Manager, the Indenture Trustee and the Rating Agencies promptly after having obtained knowledge thereof, but in no event later than five Business Days thereafter, written notice of any event that, with the giving of notice or lapse of time, or both, would become a Servicer Default under Section 7.1.

**7.5 Cooperation with Successor Servicer**

The Servicer covenants and agrees with the Issuer that it will, on an ongoing basis, cooperate with the Successor Servicer and provide whatever information is, and take whatever actions are, reasonably necessary to assist the Successor Servicer in performing its obligations hereunder.
