I. Introduction and Transaction Overview

Introduction

Ontario's Fair Hydro Plan

- ~~The Province of Ontario announced its Fair Hydro Plan (FHP) on March 2, 2017, which proposed to lower the average electricity bill for eligible customers1 (referred to as Specified Consumers) by 25% (the Fair Adjustment)~~
- ~~The 25% reduction includes an 8% rebate equivalent to the provincial portion of the harmonized sales tax granted by the Ontario government in January 2017~~
- ~~It is expected that the rate reduction will be in effect until April 30, 2021, with any rate increases until that date limited to the rate of inflation in Ontario~~
- **[Rather introduce by focusing on the enacted legislation. Earlier plan and announcement were superceded by the more detailed context of the legislation.]**

Legislation

- On June 1, 2017, the Ontario government passed the *Ontario Fair Hydro Plan Act, 2017* (~~together, with the regulations promulgated thereunder,~~ the "FHPA" or "Act"). **[Track the purpose language in s. 3 OFHPA. Rate reduction is incidental and need not be emphasized.]**
- The FHPA is supplemented by regulations related to the implementation of the FHPA (the "Regulations" and (together, with the Regulations, the "[Legislation]").
- The FHPA imposes an irrevocable and non-bypassable charge recoverable from Specified Consumers and referred to as the Clean Energy Adjustment (CEA). The CEA for a period ~~that~~ will be determined in accordance with the Legislation by Ontario Power Generation (OPG) in its role as Financial Services Manager under the Act.
- The CEA will be determined for each month during successive six month reference periods and will be ~~period and~~ converted by the Ontario Energy Board (OEB) into a cent per ~~$/~~kWh rate and added to electricity invoices sent to Specified Consumers ~~commencing on May 1, 2021~~.
- From [July 1, 2017] to April 30, 2021 (the "Moratorium Period"), no payments in respect of the CEA are expected to be collected. During the Moratorium Period and until July 31, 2021, ~~CEA will be collected; during this period~~ the Independent Electricity System Operator (IESO) is obligated to pay all funding and [other expenses] of the [Trust][Financing Entities] (excluding principal) (referred to as "Carrying Costs")

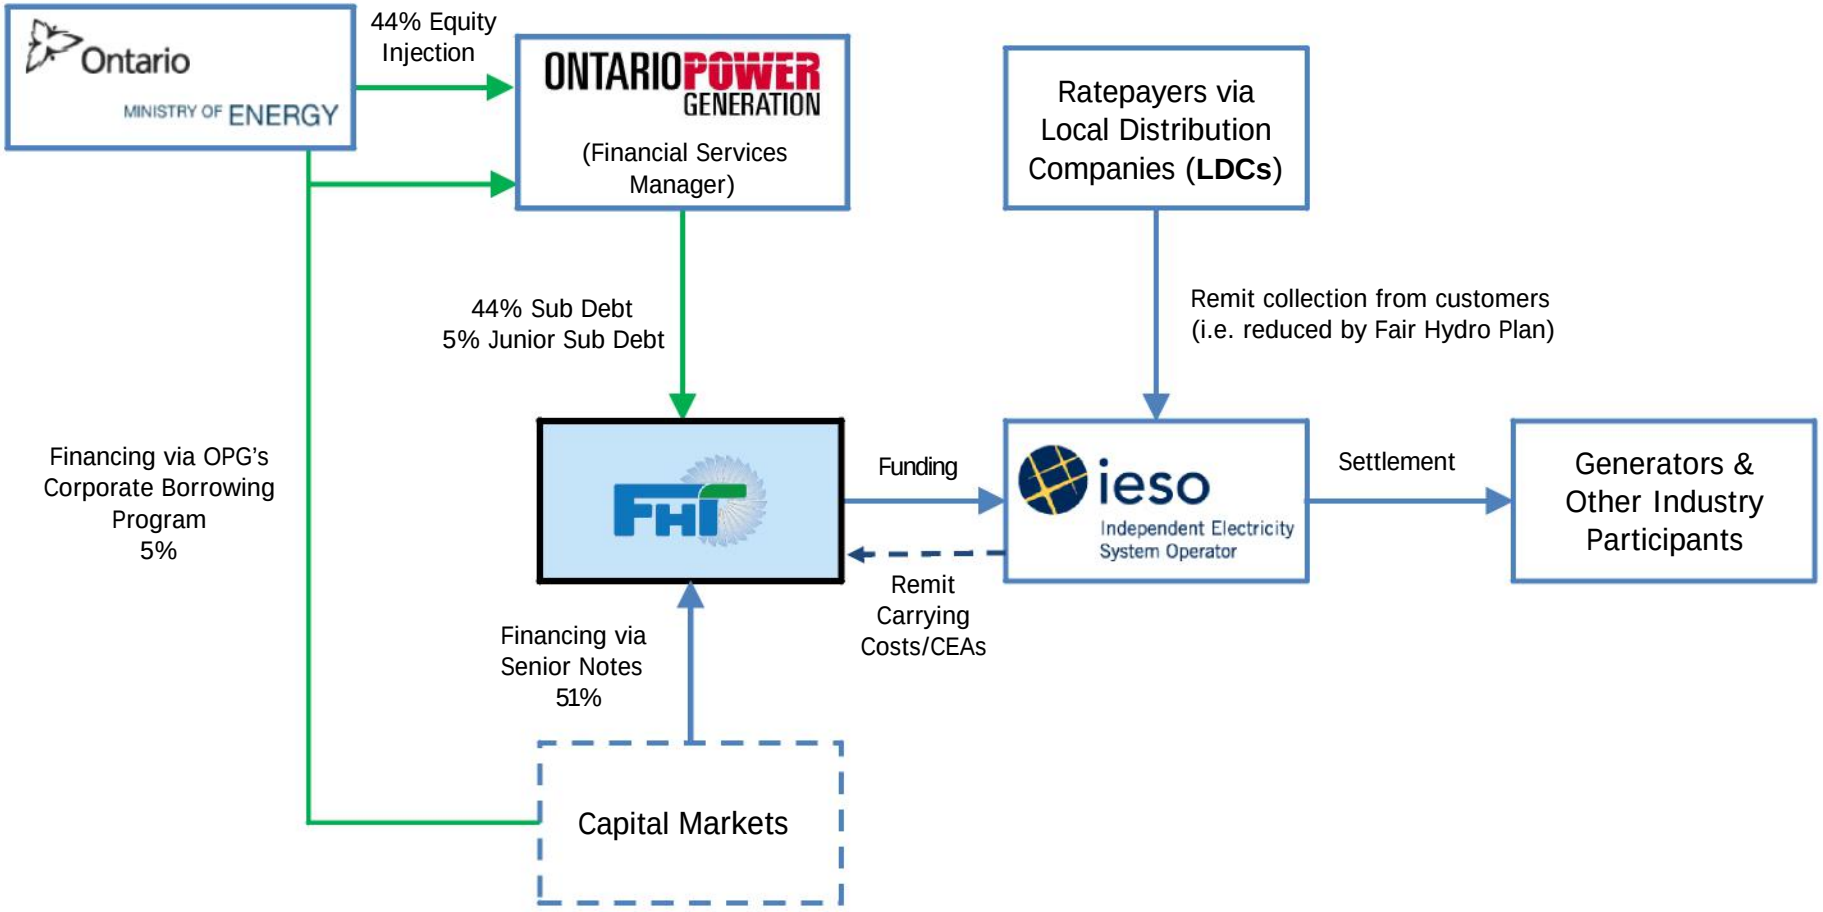
Fair Hydro Trust

- The implementation of the Fair Hydro Plan will be financed by the Fair Hydro Trust ("FHT", the "Trust" or the "Issuer") **[Consider other financing entities?]**through the issuance of senior, subordinated and junior subordinated notes.
- Structured to be bankruptcy remote and even though consolidated by OPG on an accounting basis is ring fenced from OPG's other creditors
- The FHT term notes will be repaid through the CEA payments received from Specified Consumers or from the proceeds of one or more refinancings.

1 Primarily Regulated Price Plan-eligible customers.

Transaction Structure

- Concurrent with every issuance of senior notes, it is expected that OPG will purchase subordinated debt and junior subordinated debt of the Trust in an aggregate amount not to exceed 49% of all outstanding debt



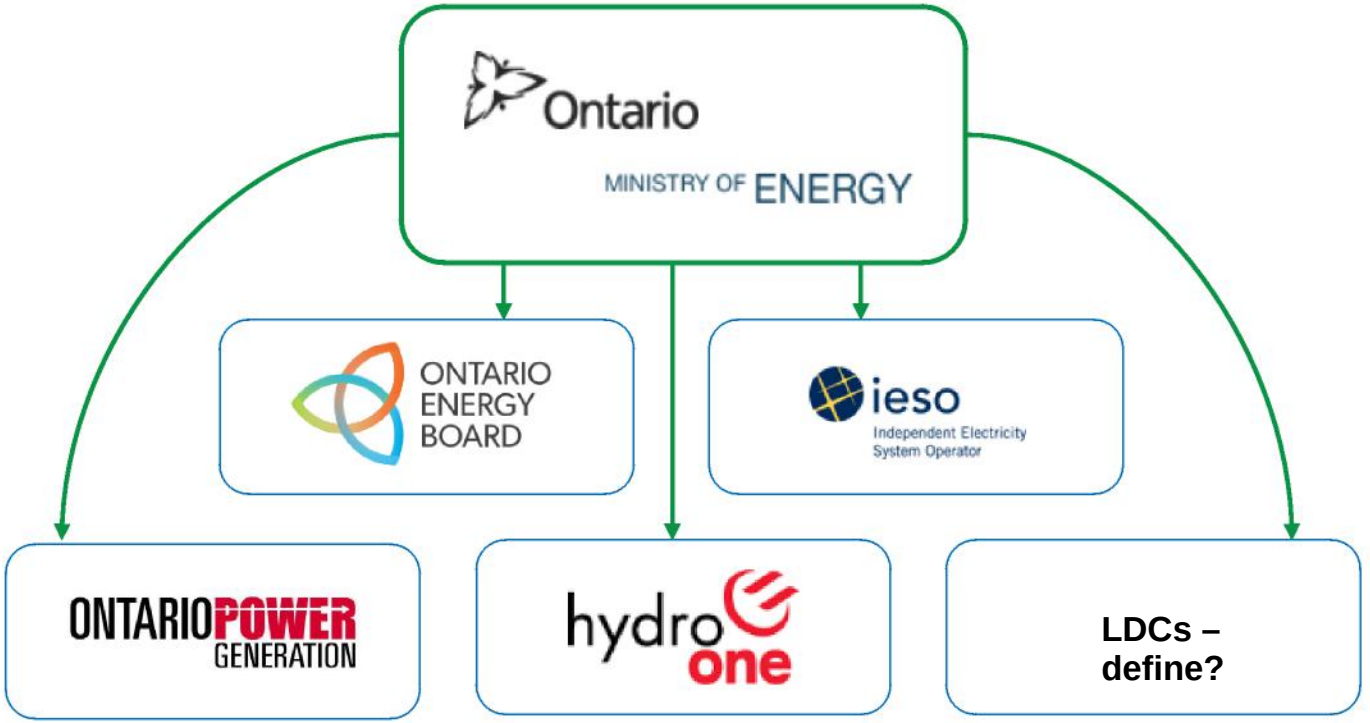
Note: The diagram above is based on subordinated debt of 49% of all outstanding debt; under the Master Trust Indenture, the Trust covenants to maintain the level of subordinated debt plus junior subordinated debt at not less than [35% of all outstanding debt] **[Elaborate]**

Note: The assets and liabilities of the Trust are deemed, under the *Electricity Act, 1998* to exclude the assets and liabilities of OPG, and vice versa. **[Needed?]**

II. Ontario Electricity Market

Overview of Ontario's Electricity Market

- Highly regulated electricity market comprised primarily of three components: generation, transmission and distribution; ~$22 billion in average annual cash flows[1]
- Transmission rates, distribution rates, and OPG's regulated rates are set by the OEB
- Rates for the majority of the remaining generation supply are set by direct contracts with the IESO (e.g. wind, solar, hydroelectric)



[1] Source: "Ontario Planning Outlook – A technical report on the electricity system prepared by the IESO" dated September 1, 2016. The amount represents the mathematical average of the system costs on page 44 in the appendix to the technical report, entitled "Data Tables for the OPO Technical Report".

Key Industry Participants

Participants	Credit Ratings *(DBRS / S&P / Moody's)*	Description
Ontario Ministry of Energy	**AA (l) / A+ / Aa2** [1]	• The Province of Ontario through the Ministry of Energy sets the policy for the electricity system
Ontario Energy Board	**--**	• Independent public regulatory agency established under the *Ontario Energy Board Act, 1998* and has the authority to regulate Ontario's electricity market, including the activities of transmitters and distributors • Sets the regulated price for the commodity cost charged to most residential electricity customers via the Regulated Price Plan (RPP); RPP rates are set twice a year (May and November)
IESO Independent Electricity System Operator	**A(h) / -- / Aa2**	• Not-for-profit corporation established under the *Electricity Act, 1998 (Ontario)* • Manages the operation and reliability of Ontario's bulk power system and administers the wholesale electricity market
Ontario Power Generation	**A(l) / BBB+ / --**	• Corporation formed under the *Business Corporation Act (Ontario)*, whose sole shareholder is the Province of Ontario • Principal business is the generation and sale of electricity in Ontario and is Ontario's largest clean energy electricity generator, providing approximately half of the province's electricity
hydro one	**A(h) / A / A3**	• Ontario's largest electricity transmission and distribution company, delivering electricity to over 1.3 million customers across the province, and to large industrial customers and municipal utilities **[Relevance? Not named in OM.]**

[1] The credit ratings noted are for the Province of Ontario.

Key Industry Participants – LDC Overview

- As part of the restructuring of Ontario's electricity industry under the *Energy Competition Act, 1998*, the municipal electricity utilities became municipally-owned business corporations, including LDCs. The majority of LDCs continue to be municipally-owned, while others have been sold to or acquired by Hydro One or private-sector owners
- An LDC is responsible for distributing electricity to customers in its OEB-licensed service territory, and in some cases to other distributors

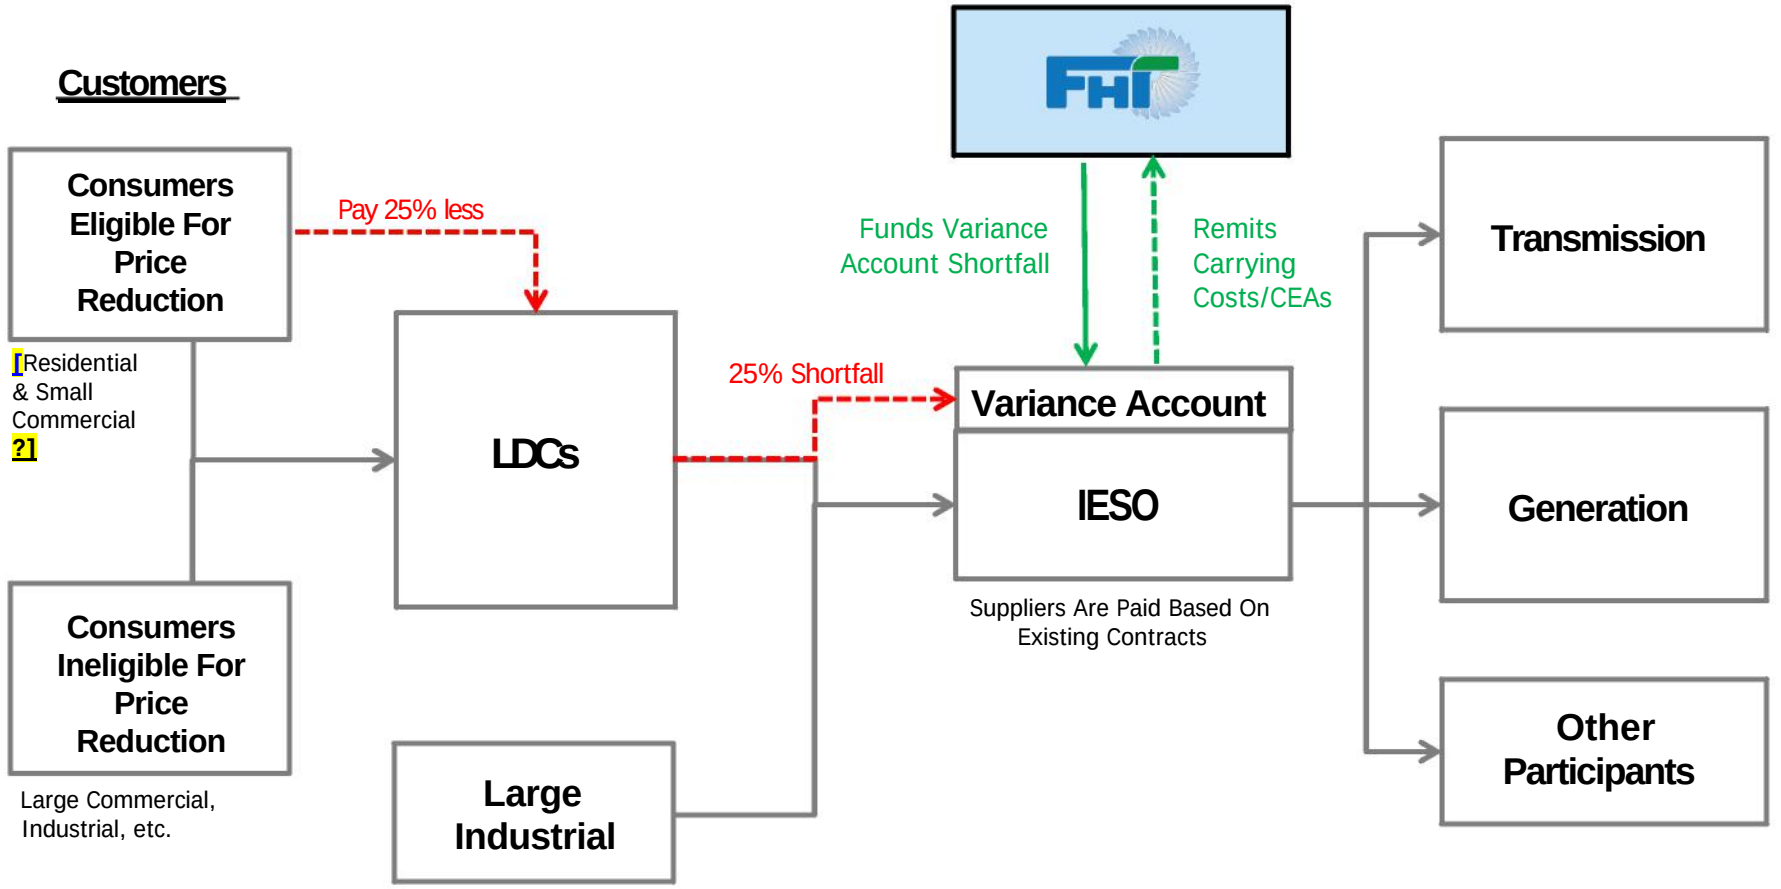
Electricity Market with FHT

- Under the FHPA, each month the IESO determines the shortfall that [results from the Fair Adjustment] **[Please consider more precisions. See the statutory definition of "IESO deferral".]** and records this amount, together with financing costs, in a variance account
- FHT will [acquire the Investment Interest to be financed by…] ~~finance the~~ ~~shortfall and is entitled to recover~~ The acquired Investment Interest entitles FHT to be paid an amount determined by reference to its costs and the principal and interest on its debt, through CEAs from Specified Consumers



III. Legislative and Regulatory Framework

Legislation Overview

Purpose	• The FHPA was enacted to ensure that clean energy costs and clean energy benefits are fairly allocated among present and future Specified Consumers • Clean energy costs are costs allocated to consumers as a result of Ontario's clean energy initiatives; clean energy benefits are benefits that accrue to both present and future electricity consumers
Specified Consumers	• A category of consumers that generally is comprised of residential consumers, small businesses and farms • Includes consumers with a demand for electricity of 50 kW or less or those that use not more than 250,000 kWh of electricity annually
Rate Reduction Period	• **July 1, 2017** – **April 30, 2018** – Specified Consumers charged an invoice amount that is 25%[1] less than the regulated rate that would otherwise have been determined by the OEB; the 25% reduction includes an 8% rebate equivalent to the provincial portion of the HST previously granted by the Ontario government • **May 1, 2018** – **April 30, 2019** - regulated rate established in the first year of the Rate Reduction Period anticipated to increase by the rate of inflation in Ontario • **May 1, 2019** – **April 30, 2021** - rate reductions **[**will be established by future regulation**]** **[Not determined]** but anticipated to increase by the rate of inflation in Ontario **[Not confirmed]**

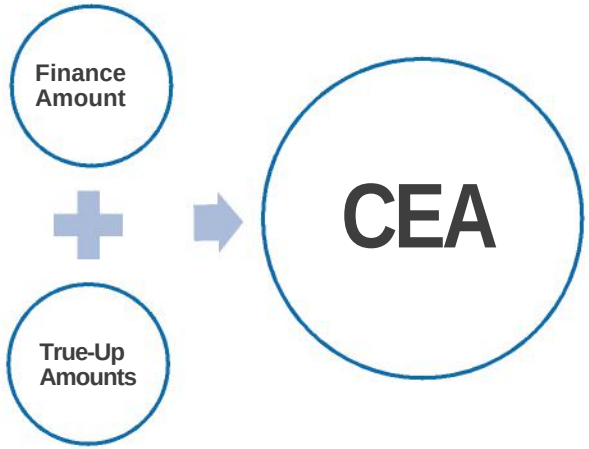
[1] Based on a typical Toronto Hydro customer; the amount of the reduction for any given Specified Consumer may vary from this account.

Legislation Overview, cont'd

Regulatory Asset	• Each month the IESO determines [the shortfall that results from the Fair Adjustment] **[Replace with concept of IESO deferral]** and records this amount, together with the costs of financing the shortfall, in a variance account • The IESO has the right to recover the balance recorded in the variance account from Specified Consumers (such right is the "Regulatory Asset") • The IESO may transfer a specified portion of the Regulatory Asset to **[**the Trust**]** for a cash purchase price equal to the corresponding amount recorded in the variance account
Investment Asset and Investment Interests	• The Trust is not obligated to purchase Regulatory Assets from the IESO • If the IESO and the Trust agree to the transfer of a specified portion of the Regulatory Asset, such transfer results in the creation of a current and irrevocable property right that is immediately vested in the Trust (such right is an "Investment Interest") • By acquiring an Investment Interest, **[**the Trust**]** will be entitled to recover all of its associated financing costs and acquires the right to impose, invoice, collect, receive and recover CEAs from Specified Consumers in accordance with the Legislation
Moratorium Period *(July 1, 2017 to April 30, 2021)*	• CEAs are **[**not permitted to be collected from Specified Consumers during this period**]** **[Conform to Legislation]** • The IESO is obligated to pay [the Trust all Carrying Costs**]**, excluding repayment of principal on any debt obligations, during the Moratorium Period and extending to July 31, 2021. The Carrying Costs incurred by the IESO will be added to its Regulatory Asset variance account pursuant to Regulations • As security for the performance of its obligations, the IESO has granted the Trust a first-priority security interest in all of its accounts receivable owing by Electricity Vendors to the IESO • The IESO has a $2 billion general credit facility from the Ontario Financing Authority (OFA) which can be used to pay the Carrying Costs **[Suggestive that OFA line will necessarily be available to cover varying costs?]**

Clean Energy Adjustments

- Under the FHPA, the CEA is the amount payable by Specified Consumers to cover the [cost of financing the shortfall from the Fair Adjustment] **[consider precision/alignment with Legislation]** and the associated costs of the financing, including payment of principal, operating costs of the Trust and funding of
- CEAs shown on an invoice issued to Specified Consumers represents the amount of the consumers' indebtedness and may not be set off or bypassed

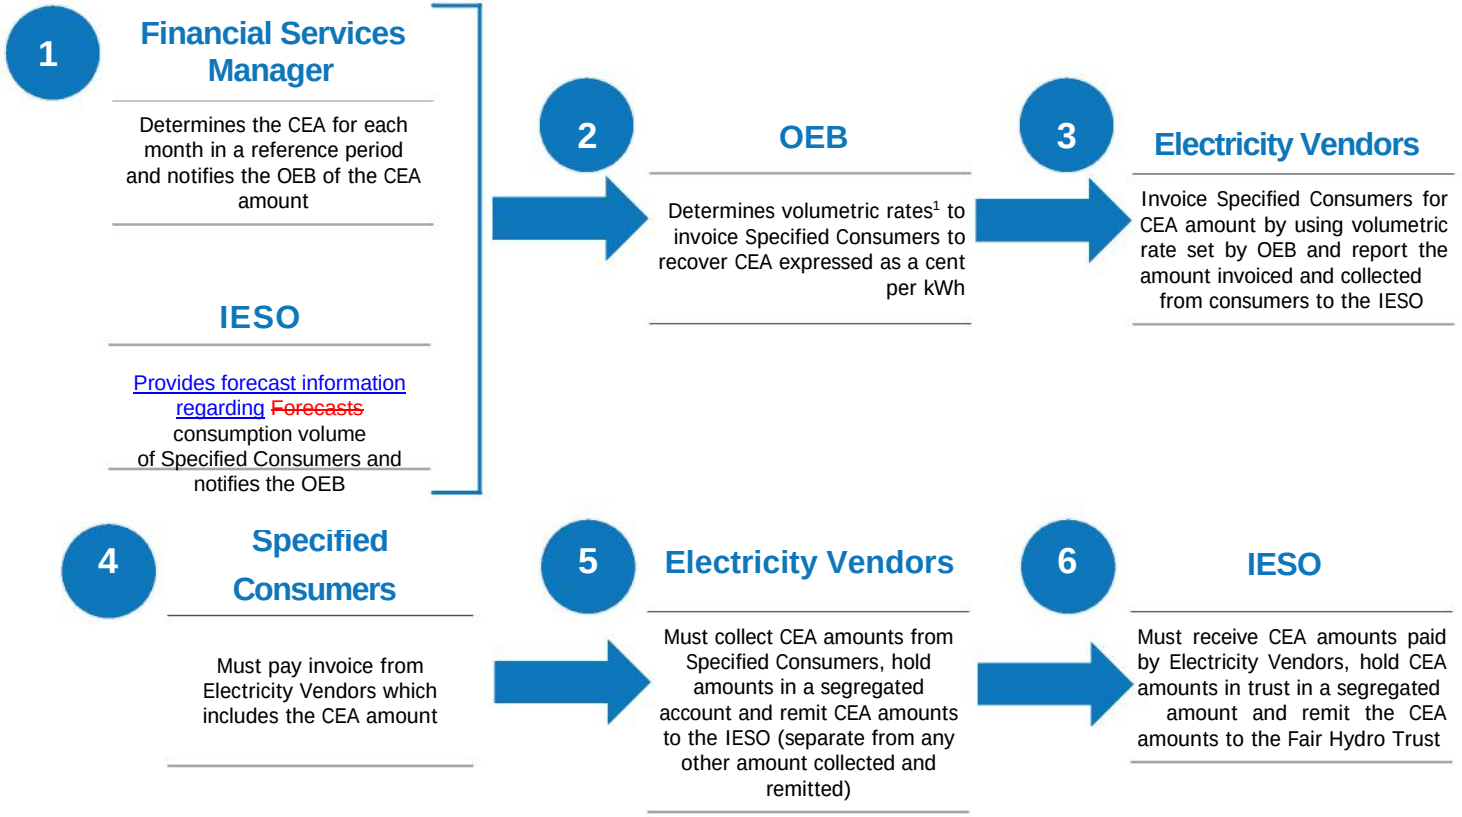


Finance amount = estimate of the amount payable by the Trust mainly in respect of principal payments, interest costs, Trust expenses and taxes, reserve account deposits and derivative payments

True-up amounts capture the difference between the finance amounts incurred by the Trust and the CEAs collected from Specified Consumers and also include other anticipated shortfalls and differences due to various factors (e.g. consumer defaults and delays, billing lags, write-offs and variations in electricity consumption)

Billing and Collection of CEAs

- CEA amounts for billing and collection purposes will be managed outside of the IESO's current settlement processes set out in the Market Rules for electricity invoice amounts
- Collection risk for CEA amounts are mitigated through statutory rights in the FHPA, the collection obligations of the IESO under the Master Transfer & Servicing Agreement (MTSA), and the ability to include amounts into the true up mechanism
- IESO is allowed to commingle the CEAs during a monthly period before remitting to FHT. If the IESO's rating is downgraded below investment grade, it will not be allowed to commingle CEAs and will remit within two business days of receipt



[1] The rates will be determined by dividing the CEA amount by the forecasted energy consumption in the reference period by Specified Consumers.

[CONFIRM IF FAIR ALLOCATION SHOULD BE INCLUDED. NOT IN OM. CONSIDER ANY CONFIDENTIALITY CONCERNS.]

V. Financing Program

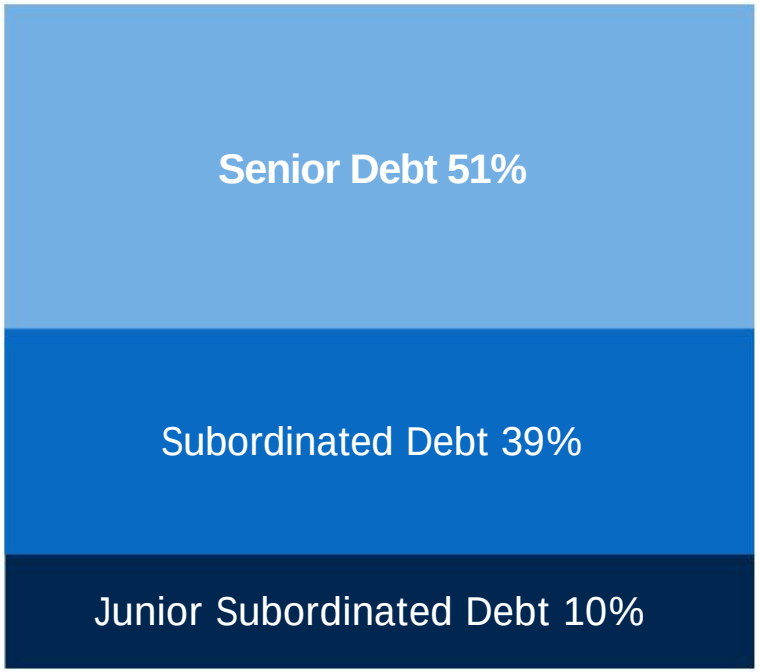
Financing Plan / Strategy

- OPG is responsible for administering the FHT financing program, as the initial FSM appointed under the Act
- Given the size (~[$20][Confirm] billion) and longevity (~[10][Confirm] years) of the FHT financing program, the funding strategy has been designed to provide flexibility
- Initial Warehouse financing (ABCP conduit and bank funded senior debt) and subordinated warehouse debt and junior subordinated warehouse debt funded by OPG will be used to fund monthly [Regulatory Asset purchases] from the IESO
  - Periodically refinance the warehouse facility through the issuance of term debt (likely access the market 2-3 times per year)
- For example, Term debt can take the form of bullet bonds or could be issued as amortizing bonds

Initial Warehouse	• ABCP conduit and bank funded senior debt and subordinated debt funded by OPG will be used by the Trust to fund monthly Regulatory Asset purchases from the IESO
Term Debt	• Term debt issuances will be used to refinance warehouse financing and the subordinated debt and junior subordinated debt funded by OPG • Both Canadian term debt [and U.S. term debt market will be considered] **[Confirm]** • Maturity profiles will be structured to ensure reasonable alignment with the FAA (bullet bonds with sinking funds or amortizing bonds) **[Describe possible refinancings of shorter maturing debt?]**
Subordinated Debt	• Subordinated debt provides credit enhancement for senior debt (ranks behind senior debt in cash flow waterfall **[Principal only?]**)

Financing Structure

- The Trust will fund Regulatory Asset purchases through the issuance of senior, subordinated and junior subordinated secured debt
- Senior debt (51%) will be sourced monthly from committed warehouse facilities, and the periodic issuance of term debt
- Subordinated debt (49% anticipated; minimum of 35% required) will be **[Incurrence or maintenance requirement?]** purchased by OPG, primarily funded by equity injections from the Province (44% of the 49%) and the remaining portion from OPG (5% of 49%)



Senior Notes
Warehouse facilities and term debt issuances (in Canada and/or the U.S.)

Subordinated Notes
Provided to Trust by OPG via equity injection from the Province

Junior Subordinated Debt
- OPG equity injection (5%) via its corporate borrowing program
- Provided to Trust by OPG via the Province (5%)

Note: Assumes 49% Subordinated Debt.

Aggregate Financing Program

Illustrative Debt Summary - Funding & Repayment Period (Annual)

- Based on the Fair Allocation Amount **[repayments, but not incurrences]** and the [Province's electricity bill reduction targets **[Can this be suggested? Known?]** the following debt profile for the program is expected, peaking at just under $20 billion by 2029 **[Confirm]**
- Various tranches of debts will be issued periodically during the period of 2017 - 2028, which are expected to mature over a period after 2029 **[Confirm. Consider refinancings or shorter maturities?]**

Illustrative Aggregate Funding and Repayment Profile (Annual; Net of Sinking Fund ("SF") Payments)

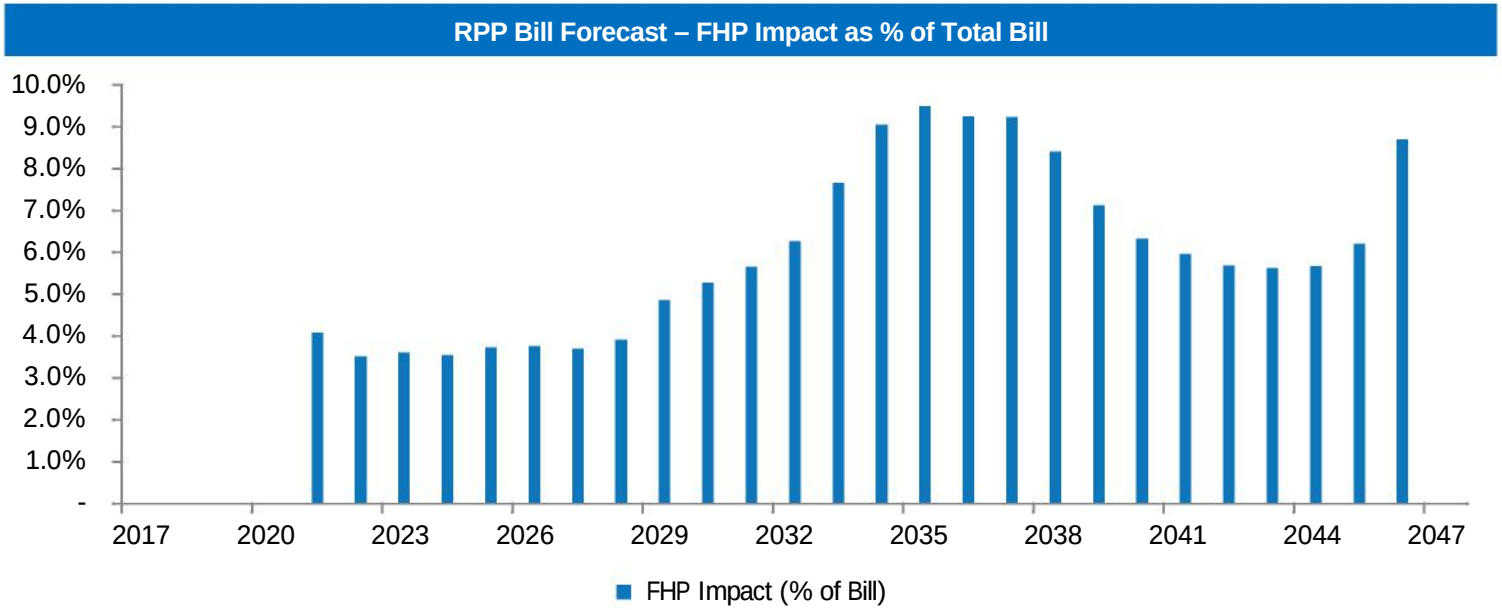
Consumer Bill Forecast with FHP

RPP Bill Forecast - FHP Impact % of Total Bill (C$ per Month)

- Over the duration of the Fair Hydro Program, the CEA for the average residential customer is anticipated to remain below 10% of the total electricity bill **[Can this be suggested? Known?]**
- Max CEA as a percent of the total bill is forecast to be 10.1% **[Known? Assumptions?]**
- Average CEA as a percent of the total bill is forecast to be 6.9% **[Same?]**



Capital Markets Platform

Master Trust Indenture

Parties	• (1) Computershare Trust Company (Issuer Trustee), on behalf of the Trust, acting through OPG as the Manager; (2) BNY Trust Company (Indenture Trustee) on behalf of Specified Creditors
Purpose	• Governs the terms of the debt issued by FHT and cash flow waterfall and collateral structure for all Trust obligations to all Specified Creditors

Key Terms

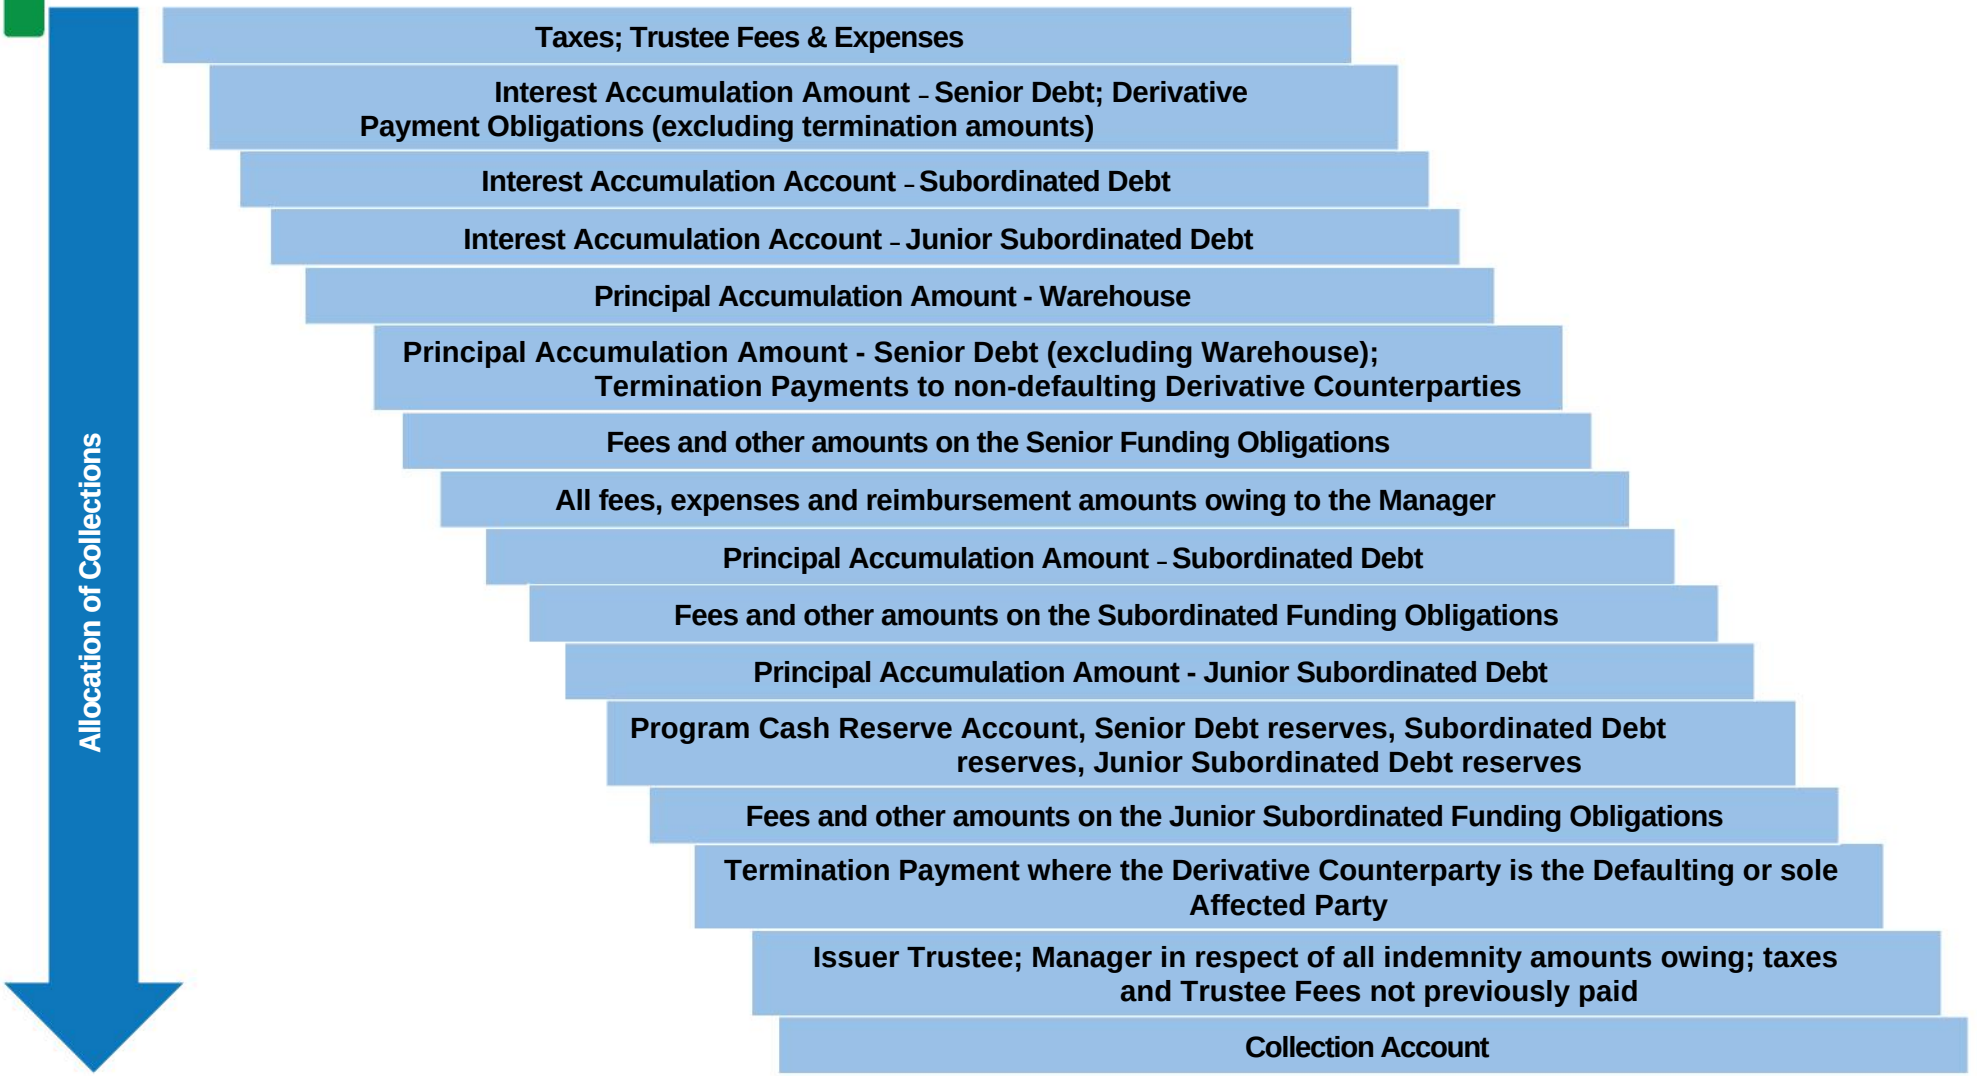
Incurrence of Funding Obligations	• Trust may incur funding obligations under a variety of instruments, including: – Note issuances under supplemental indentures – Borrowings under future credit agreements – Sales of notes under note purchase agreements – Letters of Credit/Guarantees under credit enhancement agreements – Liquidity loans under liquidity agreements backing short term notes
Conditions Precedent	• Prior to incurring additional funding obligations, the Trust confirms to the Indenture Trustee and each rating agency that: – the incurrence of such additional obligations will not cause an adverse effect – the incurrence of such additional obligations is materially consistent with the Financing Plan • It will also be a condition precedent that (i) each rating agency confirm that the issuance of such additional funding obligations will not result in a reduction or withdrawal of any existing ratings of outstanding funding obligations and (ii) the Indenture Trustee has received certain assurances as to the applicability of the Change of Law Protection Agreement to such funding obligations

Capital Markets Platform

Master Trust Indenture – Key Terms (cont'd)

Security	• Granted over all assets of the Trust, including the Trust's investment interest, all collections under the MTSA and all accounts
Subordination	• Provides for three different classes of funding obligations – (i) senior – (ii) subordinated – (iii) junior subordinated
Events of Default	• Include payment defaults, representation and covenant breaches, insolvency and Change of Law Protection Agreement ceasing to be in full force and effect against the Province
Acceleration	• Upon an acceleration, CEAs may be insufficient to repay all amounts becoming due in a period. CEAs for a period will be capped ~~CEAs cannot be increased to the level required to immediately repay all outstanding principal following acceleration. The increase in CEAs is limited~~ under the Regulation at the otherwise scheduled amounts, plus an additional amount if the aggregate of those otherwise scheduled amounts would be less than ~~to the amount available per~~ the FAA for the period • However, the amounts received from CEAs after an acceleration will be allocated to pay senior indebtedness before principal amounts owing on subordinated and junior subordinated indebtedness ~~CEAs are allocated to paying the senior indebtedness first~~. Accordingly, the subordination of debt across all series of debt should ~~would~~ advance the repayment of the principal amount for senior funding obligations • After an acceleration, all **[Confirm. Can a series elect to defer payment on acceleration?]** Senior Term Notes will be paid pa~~r~~ri passu

Waterfall



Note: This waterfall indicates the priority of payment prior to an Event of Default and acceleration; additional information on the priority of payments after an Event of Default and acceleration can be found in the Offering Memorandum.

Note: After paying interest on the senior debt, no interest payments will be made on the subordinated debt unless there will be sufficient amounts remaining in the Interest Accumulation Account for what should be accumulated for the Senior Notes after making such payments.

VII. Key Risks and Mitigants

Risk Mitigation

Risk	Description of Risk	Mitigants
Political Risk	• Future legislative action to change or challenge/invalidate the Act or the Change of Law Protection Agreement might materially adversely affect a holder's investment in the Notes	• Limited Guarantee provided by the Province of Ontario via the Change of Law Protection Agreement in the Indenture Trustee for ~~favour of~~ lenders/investors in these
Under Collection	• If the IESO inaccurately forecasts electricity consumption or if OPG uses inaccurate consumer delinquency or write-off data when setting the CEA, there could be a shortfall in collections, which might result in missed or delayed payments of principal and interest on the Notes	• True up mechanism may result in a delay, but will be corrected in next True up **[Frequency?]** • Cash reserve and 35%-49% subordination which would first absorb any shortfalls **[Maintenance vs Incurrence?]** • 6-month reference period • Any shortfall in collections are recoverable from all Specified Consumers
Reliance on IESO and LDCs	• During the Moratorium Period, the Trust is dependent on the IESO to pay for all Carrying Costs **[Suggests that IESO will pay; not provide cash for Trust to pay]** • Receipt of CEAs dependent on the performance of LDCs and IESO • Limited ability to enforce against or replace an ~~on~~ LDC	• Highly regulated industry and LDC and IESO are required under law and regulation to perform duties under FHP • IESO has a very strong credit profile and [very low losses] **[Any? Socialized?]** and grants security over all of its accounts receivables as security during the Moratorium Period • IESO will provide a letter of credit/other security to mitigate commingling risks for CEAs held ~~for the commingling of CEAs~~ by non-rated or below investment grade rated LDCs until they are remitted to IESO • LDCs collect security deposits and, when permitted, have the ability to disconnect service for non-payment **[Sensitive?]** • $2 billion general credit facility from the OFA which can be used to pay the Carrying Costs
Size of Charge vs. Bill	• If the charge applied to bills becomes too high, there could be a consumer and/or political backlash	• 20-year repayment period allows for gradual rate increases • Max CEAs as a percent of the total bill is forecast to be ~10% **[Known? Confirm?]**

CONFIDENTIAL SHELF OFFERING MEMORANDUM

New Issue By Way of Private Placement

FAIR HYDRO TRUST

Senior Secured Notes

Fair Hydro Trust (the "**Issuer**"), a special purpose trust governed by the laws of the Province of Ontario, established by Computershare Trust Company of Canada, acting as trustee of the Issuer, and caused to be established by Ontario Power Generation Inc. ("**OPG**"), as Financial Services Manager (as hereinafter defined), has created a program providing for the offering and issuance of senior secured notes (the "**Senior Notes**"), in one or several offerings. The Issuer was established in connection with the *Ontario Fair Hydro Plan Act, 2017* (the "**FHPA**"), legislation [that reallocates certain electricity costs over time and provides immediate rate relief to Specified Consumers (a category of consumers that generally is comprised of residential consumers, small businesses and farms).][1] Under the FHPA, OPG is appointed as the initial financial services manager (in such capacity, the "**Financial Services Manager**") and is given the authority to, among other things, establish, or cause to be established, one or more financing entities (each, a "**Financing Entity**") to incur payment obligations (referred to as "**Funding Obligations**") for the purposes of the FHPA.[2] The Issuer is a Financing Entity under the FHPA and the Senior Notes are Funding Obligations being offered for the purposes of the FHPA.

The Senior Notes do not constitute a debt, liability or other obligation of, or interest in, OPG or any of its other affiliates (other than the Issuer). The Senior Notes are not a debt, liability or obligation of the Province of Ontario or any of its political subdivisions, agencies or instrumentalities. The Senior Notes will not be insured or guaranteed by the Province of Ontario, OPG or any of their respective affiliates or any other person or entity, except that the Province of Ontario has agreed to provide a limited guarantee in respect of the Senior Notes following the occurrence of certain events. See "*Change of Law Protection Agreement*". The Senior Notes will be limited recourse obligations, secured only by the collateral described in this confidential shelf offering memorandum. See "*Capital Markets Platform — Acceleration and Remedies — Limited Recourse*" and "*Risk Factors*".

[1] **Note:** This narrative should be removed or, if necessary, it should track the purposes of the FHPA set out in Section 3 of the Act.

[2] **Note:** The statutory definition of "funding obligation" provides that the funding obligations have the purpose of funding ownership in an investment interest. Please consider revising the definition of "funding obligation" to more closely track that in the Act.

The specific terms of any offering of Senior Notes, including, without limitation, the aggregate principal amount of Senior Notes being offered, the currency of the Senior Notes, the issue price (at par, at a discount or at a premium), the issue, delivery and maturity dates, any redemption or repayment provisions, the rating of the Senior Notes at the time of such offering, the interest (either fixed or floating and the circumstances, if any, under which the rate may be adjusted), the interest rate basis and interest payment dates, will be established by the Issuer and set forth in a term sheet (a "**Term Sheet**") that will accompany, be incorporated by reference in and form an integral part of this confidential shelf offering memorandum. Unless otherwise specified in a Term Sheet, the Senior Notes will not be listed on any securities exchange.

The offering of Senior Notes from time to time (each, an "**Offering**") will be made pursuant to exemptions from the prospectus requirements of applicable securities laws in each of the provinces of Canada only to "accredited investors" (as such term is defined in National Instrument 45-106 – *Prospectus Exemptions* ("**NI 45-106**") and, in the case of a purchaser resident in Ontario, section 73.3(1) of the *Securities Act* (Ontario)) that are purchasing the Senior Notes as principal and that are not individuals unless those individuals are also "permitted clients" (as such term is defined in National Instrument 31-103 – *Registration Requirements, Exemptions and Ongoing Registrant Obligations* ("**NI 31-103**")). Purchasers of Senior Notes will be obliged to establish their qualification to invest in accordance with the requirements of the securities laws of the jurisdiction in which they reside. See *"Representations and Agreements of Purchasers"*. As each Offering will be made pursuant to exemptions from prospectus requirements of applicable securities laws, there will be restrictions on the resale of the Senior Notes. See *"Risk Factors"* and *"Restrictions on Resale"*.

The Senior Notes may be sold by the Issuer directly pursuant to applicable statutory exemptions or through agents designated by the Issuer from time to time (the "**Agents**"). See *"Plan of Distribution"*. Each Term Sheet will identify the Agents engaged to conditionally offer the Senior Notes for sale on a best efforts basis, subject to prior sale, in connection with the applicable Offering of Senior Notes and will also set forth the terms of such Offering of Senior Notes, including the net proceeds to the Issuer and, to the extent applicable, any fees payable to the Agents.

Subscriptions for the Senior Notes will be received subject to rejection or allotment in whole or in part and the right is reserved to close the subscription books at any time without notice. The Senior Notes will be delivered and recorded in book-entry form through CDS Clearing and Depository Services Inc. ("**CDS**") or another depository selected by the Issuer in accordance with the master trust indenture governing the Senior Notes. The Senior Notes will be represented by fully registered book-entry notes held by, or on behalf of, such depository, or a successor thereof, as the custodian of the book-entry notes, in its name or the name of its nominee.

The Senior Notes will be issued under and will be entitled to the benefits of a master trust indenture dated as of December 21, 2017 between the Issuer, as issuer, and BNY Trust Company of Canada, as indenture trustee, as amended or supplemented by supplemental indentures thereto.

In making an investment decision, prospective investors acknowledge that they have not relied on the Agents or any person affiliated with the Agents for investment or other advice and are relying on their own examination of the terms of an Offering, including the merits and risks involved and creditworthiness of the Issuer. Prospective investors are not to construe the contents of this document as legal, tax, accounting or investment advice. Prior to investing in the Senior Notes, prospective investors should consult with their legal, tax, accounting and investment advisors to determine the consequences of an investment in the Senior Notes. See *"Risk Factors"* for a discussion of certain factors that should be considered by prospective purchasers of Senior Notes.

The Issuer is not a "reporting issuer" (as such term is defined under applicable Canadian securities laws) in any jurisdiction. The Issuer will only distribute the Senior Notes in Canada under exemptions from the prospectus requirements of the securities laws of the provinces where they are sold. The Senior Notes may only be traded in Canada under exemptions from the prospectus requirements of the securities laws of the provinces in which they are traded and only through dealers registered or exempt from the dealer registration requirements of applicable Canadian securities laws. See *"Restrictions on Resale"*.

There is currently no secondary market for the Senior Notes. There can be no assurance that a secondary market will develop or, if a secondary market does develop, that it will provide holders of Senior Notes with liquidity for their investment or that it will continue for the term of the applicable Senior Notes. Accordingly,

purchasers of the Senior Notes may be required to bear the financial risk of investing in such Senior Notes until the maturity date of such Senior Notes.

No person is authorized to give any information or make any representation other than those contained in this confidential shelf offering memorandum in connection with an Offering and any decision to purchase Senior Notes should be based solely on the information contained herein. The Term Sheet applicable to such Offering and the investor presentation (the "**Investor Presentation**"), attached hereto as Exhibit 1, are incorporated by reference and included in, respectively, and form an integral part of, this confidential shelf offering memorandum. The information contained in the Investor Presentation is current only as of the date thereof. The Investor Presentation may be updated and replaced by the Issuer in connection with an Offering and such updated Investor Presentation will be attached as Exhibit 1, and will be included in, and form an integral part of, this confidential shelf offering memorandum delivered in respect of such Offering.

This confidential shelf offering memorandum, including the Investor Presentation attached hereto, and any Term Sheets, are provided on a confidential basis to prospective investors for informational use solely in connection with their consideration of the purchase of Senior Notes. Use for any other purpose is not authorized. Each Offering will be made solely on the basis of the information contained herein or incorporated by reference which has been furnished by the Issuer. No Agent makes any representation or warranty, express or implied, as to the accuracy, adequacy or completeness of such information. Furthermore, no Agent has independently verified the information in this confidential shelf offering memorandum and has no responsibility for the accuracy, adequacy or completeness of any such information.

This confidential shelf offering memorandum does not contain all of the information that would normally appear in a prospectus qualified under applicable Canadian securities laws. Neither the delivery of this confidential shelf offering memorandum, at any time, nor any sales made pursuant hereto, will imply that the information contained herein is correct as of any time subsequent to the date set forth on the face page hereof and the Issuer and the Agents will not update such information except as may be required by applicable law.

Capitalized terms used and not otherwise defined in this confidential shelf offering memorandum have the meanings ascribed to them in the glossary starting on page [92] of this confidential shelf offering memorandum. CAUTION REGARDING FORWARD-LOOKING INFORMATION

Some of the statements contained in this confidential shelf offering memorandum, including those relating to the Issuer's expectations, forecasts, strategic and other statements, are forward-looking information within the meaning of securities laws. Forward-looking information is contained in the summary and in the sections titled *"Ontario's Fair Hydro Plan — Fair Allocation Amount & Financing Plan"*, *"Subordinated Debt"*, *"■"*[3] and *"Risk Factors"* of this confidential shelf offering memorandum and *"Financing Plan / Strategy"*, *"Financing Structure"*, *Aggregate Financing Program"*, *"■"*[4] and *"Consumer Bill Forecast with FHP"* of the Investor Presentation. The forward-looking statements contained in this confidential shelf offering memorandum are presented for the purposes of assisting potential purchasers in making an investment decision regarding the Senior Notes and may not be appropriate for other purposes.

Often, but not always, forward-looking information can be identified by the use of forward-looking terminology such as "may", "will", "expect", "believe", "estimate", "plan", "could", "should", "would", "outlook", "forecast", "anticipate", "foresee", "continue" or the negative of these terms or variations of them or similar terminology. Forward-looking information is based on the reasonable assumptions, estimates, analysis and opinions of management of the Issuer made in light of its experience and perception of trends, current conditions and expected developments, as well as other factors that the Issuer believes to be relevant and reasonable at the date that such statements are made. A variety of factors, many of which are beyond the Issuer's control, may cause actual results to differ materially from the expectations expressed in the forward-looking statements. These factors include, but are not limited to, the following risks:

Judicial, Legislative or Regulatory Risks:

- Future legal action might challenge or invalidate the FHPA or the Regulations and materially adversely affect a holder's investment in the Senior Notes.
- Future legislative action to change the FHPA, the Regulations, the Change of Law Protection Agreement or the electricity market might materially adversely affect a holder's investment in the Senior Notes.
- Future regulatory action to change the rules applicable to the operation of the electricity market might materially adversely affect a holder's investment in the Senior Notes.
- Future judicial action could reduce the value of a holder's investment in the Senior Notes.
- Potential difficulties in enforcing civil liabilities against the Province of Ontario may arise.

Risks Associated with the Unusual Nature of the Investment Asset:

- Clean Energy Adjustments will not be payable until May 1, 2021 and until such time the IESO will be the sole source of funds for payment on the Senior Notes.
- The Issuer's ability to enforce security granted by the IESO may be impaired or delayed.
- A holder of Senior Notes may experience material payment delays because the source of funds for payment after the Moratorium Period is limited.
- The Clean Energy Adjustment may not be billed after April 30, 2047, unless further regulations to extend that date are passed.
- Foreclosure of the Indenture Trustee's lien on the Investment Interest securing the Senior Notes might not be practical and acceleration of the Senior Notes before maturity might have little practical effect.
- The Issuer may issue multiple Series of Senior Notes secured by the Investment Interest and some decisions affecting holders of Senior Notes may require approval by resolution of the holders of all Series of Senior Notes.
- If a Series of Senior Notes or all Senior Notes are accelerated, a holder of Senior Notes might receive payment of principal sooner or later than expected.
- The Issuer may have a co-ownership interest in the Investment Asset with other Financing Entities.

[3] **Note:** Please complete.

[4] **Note:** Please complete.

- If the Clean Energy Adjustment amounts and other funds held in the Issuer Accounts results in investment losses or the investments become illiquid, a holder of Senior Notes might receive payment of principal of and interest on the Senior Notes later than expected.

Servicing, Operating and Consumer Risks

- Payments on the Senior Notes depend on the performance of Electricity Vendors and the IESO.
- Payments on the Senior Notes depend on the performance of OPG as Financial Services Manager and as Manager of the Issuer.
- Inaccurate consumption forecasting or unanticipated delinquencies or write-offs might reduce or delay scheduled payments on the Senior Notes.
- Changes to billing and collection practices may reduce the amount of funds available for payments on the Senior Notes.
- Limits on rights to terminate service to Specified Consumers might make it more difficult to collect the Clean Energy Adjustment.
- It might be difficult for the Issuer to collect the Clean Energy Adjustment from Specified Consumers.
- Indemnification obligations of OPG and the IESO are limited and might not be sufficient to protect the investments in the Senior Notes.
- Delinquent or partial payments of electricity bills may make principal payments on the Senior Notes occur later than expected.
- Power outages could impair payment of the Senior Notes.[5]
- Technological changes that make alternative energy sources more attractive in the future or significant population fluctuations may result in fewer Specified Consumers from whom to collect the Clean Energy Adjustment.

Insolvency-Related Risks

- If the Issuer were to become subject to Canadian Insolvency and Restructuring Laws, the Indenture Trustee's ability to enforce security granted by the Issuer may be significantly impaired or delayed.
- If the IESO or any Electricity Vendor were to become subject to Canadian Insolvency and Restructuring Laws, collections that have been commingled may be unrecoverable and the Issuer's ability to enforce its rights against the IESO may be significantly impaired or delayed.
- If OPG were to become subject to Canadian Insolvency and Restructuring Laws, the Issuer's ability to enforce its rights against OPG may be significantly impaired or delayed and the Issuer's assets and liabilities may be substantively consolidated with those of OPG.
- If the Issuer Trustee were to become subject to Canadian Insolvency and Restructuring Laws, the assets and liabilities of the Issuer may be substantively consolidated with the Issuer Trustee.
- If a Specified Consumer were to become subject to Canadian Insolvency and Restructuring Laws, the Issuer's ability to collect Clean Energy Adjustment amounts from such Specified Consumer may be adversely affected.
- If amounts in the Issuer Accounts for any Series are invested with entities that become subject to insolvency proceedings, the Issuer's ability to make payments to holders of Senior Notes may be adversely affected.

Other Risks:

- The credit ratings are not an indication of the expected rate of payment of principal on the Senior Notes.
- If the ratings on the Senior Notes are withdrawn or revised downward, the value of a holder's investment in the Senior Notes may be adversely affected.
- The credit ratings of the IESO, OPG and the Province of Ontario might affect the market value of the Senior Notes.

[5] Is this relevant? Is the concern that the CEA would be spread across a relatively smaller base due to lower usage in a period?

- The absence of an established market for the Senior Notes might limit the ability to resell or refinance the Senior Notes.
- Restrictions on resale might limit the ability to resell the Senior Notes.

Please also see *"Risk Factors"*.

The Issuer does not intend, or assume any obligation, to update any forward-looking information except as may be required by applicable law.

SUMMARY

This summary does not contain all the information prospective purchasers should consider before investing in the Senior Notes. Prospective purchasers should read this entire confidential shelf offering memorandum carefully, including the section entitled "Risk Factors". Capitalized terms used and not otherwise defined in this summary have the meanings ascribed to them in the glossary starting on page [92] of this confidential shelf offering memorandum.

Issuer:	Fair Hydro Trust, a special purpose trust governed by the laws of the Province of Ontario.
Manager:	Ontario Power Generation Inc. ("**OPG**"), pursuant to the terms of the Management Agreement.
Limitations:	The Senior Notes do not constitute a debt, liability or other obligation of, or interest in, OPG or any of its other affiliates (other than the Issuer). The Senior Notes are not a debt, liability or obligation of the Province of Ontario or any of its political subdivisions, agencies or instrumentalities. The Senior Notes will not be insured or guaranteed by the Province of Ontario, OPG or any of their respective affiliates or any other person or entity, except that the Province of Ontario has agreed to provide a limited guarantee in respect of the Senior Notes following the occurrence of certain events. See *"— Change of Law Protection Agreement"*.
Ontario Fair Hydro Plan Act:	On June 1, 2017, the Ontario Legislature passed the Ontario Fair Hydro Plan Act, 2017 (the "**FHPA**"). The FHPA was enacted to: (i) ensure that Clean Energy Costs and Clean Energy Benefits are fairly allocated among present and future Specified Consumers (a category of consumers that generally is comprised of residential consumers, small businesses and farms); (ii) recognize that Clean Energy Benefits have accrued and will accrue over time and will continue to benefit present and future electricity consumers in Ontario; and (iii) align Clean Energy Costs with Clean Energy Benefits, in order to provide fairness for Specified Consumers over time. As a result, from July 1, 2017 until April 30, 2018, electricity rates payable by Specified Consumers will in effect be the rate that would result in a representative consumer being charged an invoice amount that is 25%[6] less than the rate that would otherwise have been determined by the Ontario Energy Board (the "**OEB**") under its Regulated Price Plan[7] for that period. Under the FHPA, OPG is appointed as the initial financial services manager (in such capacity, the "**Financial Services Manager**") and is given the authority to, among other things, establish, or cause to be established, one or more financing entities (each, a "**Financing Entity**") to incur payment obligations (referred to as "**Funding Obligations**") for the purposes of the FHPA and the Regulations.[8] The

[6] The 25% reduction includes an 8% rebate equivalent to the provincial portion of the harmonized sales tax previously granted by the Ontario government.

[7] Specified Consumers, as a class, are not a one-to-one equivalent class to the RPP consumer class.

[8] **Note:** The statutory definition of "funding obligation" provides that the funding obligations have the purpose of funding ownership in an investment interest. Please consider revising the definition of "funding obligation" to more closely track that in the Act.

	Issuer is a Financing Entity[9] under the FHPA and the Regulations and the Notes are Funding Obligations being offered for the purposes of the FHPA and the Regulations. See *"Ontario's Fair Hydro Plan — Background"*.
Summary of the Fair Hydro Financing Program:	The implementation of the Fair Hydro Plan is intended to be financed by the Issuer through the Fair Hydro financing program. The program provides for the offering and issuance by the Issuer of Senior Notes, in any number of series (each a "**Series**"), in one or several offerings (each, an "**Offering**"). A Term Sheet will describe particulars of the terms of each Series of Senior Notes and will be incorporated by reference and form an integral part of this confidential shelf offering memorandum. Each Series of Senior Notes will be issued under the master trust indenture dated as of December 21, 2017 (as amended, supplemented, restated or otherwise modified from time to time, the "**Master Trust Indenture**") between the Issuer, as issuer, and BNY Trust Company of Canada, as indenture trustee (the "**Indenture Trustee**"), as supplemented by a supplemental indenture dated the date of the issuance of such Series between the Issuer and the Indenture Trustee (a "**Supplemental Indenture**" and collectively with the Master Trust Indenture, the "**Indenture**") authorizing that Series.
Transferor and Servicer:	The Independent Electricity System Operator (the "**IESO**") is a not-for-profit corporation established under the *Electricity Act, 1998* (Ontario). The IESO manages the operation and reliability of Ontario's bulk power system and administers the wholesale electricity market.[10] Each month, the IESO will determine the shortfall resulting from the rate reduction mandated by the FHPA and record the amount in a variance account. The IESO has the right, exercisable in accordance with the FHPA and the Regulations, to recover the balance recorded in the variance account from Specified Consumers (such right, the "**Regulatory Asset**"). However, the FHPA provides that the IESO is not permitted to exercise such right before May 1, 2021 is limited under the FHPA. The IESO has entered into a master transfer and servicing agreement with the Issuer dated as of December 21, 2017 (as amended, supplemented, restated or otherwise modified from time to time, the "**Master Transfer and Servicing Agreement**") pursuant to which the IESO may, on a monthly basis, offer to transfer a specified portion of the Regulatory Asset to the Issuer in accordance with the FHPA. See *"Transferor and Servicer"*.
Investment Interest:	Upon acceptance of the transfer by the IESO of a specified portion of the Regulatory Asset, the Issuer will acquire an Investment Interest in the Investment Asset, which is a current and irrevocable property right consisting of the rights specified in the FHPA, including the right and interest to impose, invoice, collect, receive and recover the Clean

To the extent that this simplification suggests in a particular context that other future Financing Entities would not be permitted or similarly treated, references to the Trust should be broadened to encompass the possibility of future Financing Entities.

Energy Adjustment from Specified Consumers in accordance with the FHPA and the Regulations. See *"— Clean Energy Adjustment"* below and *"Ontario's Fair Hydro Plan — Regulatory Asset"*, *"Ontario's Fair Hydro Plan — Investment Interest"* and *"The Transferor and Servicer"*.

Clean Energy Adjustment:

The FHPA and the Regulations impose an irrevocable and non-bypassable charge referred to as the Clean Energy Adjustment that will be determined by the Financial Services Manager based on the calculations and parameters set out in the FHPA. The OEB is required to determine the rates at which Specified Consumers are to be invoiced in order to recover the Clean Energy Adjustment in respected of a specified Reference Period (which is generally a six month period, or a shorter period in certain circumstances). The rates are to be determined by reference to forecasted electricity consumption of Specified Consumers for a period and are expressed as a cent per KWh rate. See *"— Statutory Duties of the OEB"* below.

The required Clean Energy Adjustment will be determined by the Financial Services Manager for each month in a Reference Period and consists of the sum (without duplication) of: (i) the estimated Finance Amount in respect of the Reference Period, which will include an estimate of all repayments, redemptions, funding costs, derivative payments, required deposits, Issuer expenses and taxes, and other amounts paid or payable during such Reference Period, and (ii) the True-up Amount for such Reference Period, all divided by the number of months in the applicable Reference Period.

The "**True-up Amount**" is required to be calculated by the Financial Services manager in accordance with the Regulations. In principle, the True-up Amount should serve to ensure that the collection of the Clean Energy Adjustment is sufficient to pay the Finance Amount when it is due, by capturing any Finance Amounts not previously received in respect of the Clean Energy Adjustment during preceding Reference Periods.

The True-up Amount may also reflect historical and reasonably foreseeable differences between the estimated and actual Finance Amount; between amounts invoiced and amounts collected due to various factors, including applicable taxes, consumer defaults and delays, billing lags and write-offs; and variations in billings due to variations in electricity consumption. In determining such differences, the Financial Services Manager is required to have regard to amounts payable that were not collected and any amounts in respect of which an overpayment was made, which may include amounts resulting from a default of Specified Consumers, an Electricity Vendor or the IESO, whether in its capacity as an Electricity Vendor or its activities as agent or otherwise under the FHPA and the Regulations. The Financial Services Manager is obligated to calculate the True-up Amount in respect of each Reference Period so long as all Funding Obligations and other Finance Amounts have not been paid in full. The Financial Services Manager may also, at any time during a Reference Period, determine an interim True-up Amount if, among other things, it reasonably forecasts that the collection of the Clean Energy Adjustment will be insufficient to pay the estimated Finance Amount for a

Reference Period.

[Commencing May 1, 2021, a charge in respect of the Clean Energy Adjustment will be included on invoices sent to Specified Consumers, and collected and remitted to the Issuer to pay amounts owing on the Senior Notes and all other administrative and other financing expenses of the Issuer. From July 1, 2017 until April 30, 2021 (the "**Moratorium Period**"), no Clean Energy Adjustment amounts are permitted to be collected from Specified Consumers. During the Moratorium Period, the sole source of funds for payment on the Senior Notes, and the Issuer's other Carrying Costs, will be the amounts the IESO is obligated to pay under the Regulations during such period. See *"Ontario's Fair Hydro Plan — Clean Energy Adjustment"*.][11]

Non-bypassability:

The FHPA mandates that an amount in respect of the Clean Energy Adjustment shown on an invoice issued to a Specified Consumer is determinative of the amount of the consumer's indebtedness resulting from the Clean Energy Adjustment, and is irrevocable on invoicing such Specified Consumer and may not be set off or bypassed. See *"Ontario's Fair Hydro Plan — Clean Energy Adjustment"*.

Payment of Carrying Costs during the Moratorium Period:

During the Moratorium Period and extending to July 31, 2021,[12] the IESO, which is rated A(high) by DBRS Limited ("**DBRS**") and Aa2 by Moody's Investors Services, Inc. ("**Moody's**"), is required under the Regulations to pay and remit to the Issuer any amounts charged to the IESO by the Issuer in respect of its Carrying Costs. Under the Regulations, Carrying Costs include all funding costs, such as interest on the Senior Notes, and other expenses of the Issuer, other than repayment of principal on any debt obligations of the Issuer (such as principal on the Senior Notes).[13]

Pursuant to the Master Transfer and Servicing Agreement, on or before the fourth business day of each calendar month, the Issuer will submit a carrying costs statement to the IESO certifying the amount of Carrying Costs estimated to be incurred by the Issuer in the following month. On or before the 14th business day following receipt of the Issuer's carrying costs statement,[14] the IESO is required to deliver the amount specified therein to the Issuer. See *"The Transferor and Servicer"*. The IESO has a $2 billion unsecured credit facility provided by the Ontario Financing Authority, expiring ■, 20■, which is permitted to be used to pay the Issuer's Carrying Costs. The amounts paid by the IESO to fund these Carrying Costs will be recorded by the IESO in a variance account and form part of the Regulatory Asset that the IESO is expected to transfer to the Issuer in a subsequent period and, upon such transfer, will become part of the Issuer's Investment Interest pursuant to

[11] **Note:** This narrative should more precisely track the FHPA. The relevant provisions are Section 25(3) [*the IESO shall not be entitled to collect all or part of the balance recorded in the variance account from specified consumers before May 1, 2021*] and Section 21(4) *[limitation on the Financial Services Manager incurring funding obligations payable through Clean Energy Adjustments from July 1, 2017 to April 30, 2021*]. In particular, the suggestion that CEAs cannot be collected in any circumstance during the Moratorium Period goes beyond 21(4) and presumes that there will be no Readjustment.

[12] **Note:** Please clarify this disclosure for consistency with Section 9.1(1) of the General Regulation. This provision states that the IESO shall pay financing entity carrying costs in respect of the period beginning June 1, 2017 (before the Moratorium Period) and ending on July 31, 2021.

[13] **Note:** Consider revising to conform with Section 9.3(3) of the General Regulation. This Section provides that "carrying costs" also include derivative payments, etc.

[14] **Note:** Not sure how this lines up with fee recovery.

the Regulations.

As security for the performance of its obligation under the Regulations to pay the Issuer's Carrying Costs, the IESO has granted the Issuer a first-priority security interest in all of its accounts receivable, which includes the amounts receivable by the IESO from Electricity Vendors with respect to the global adjustment charge. See *"The Transferor and Servicer"*. For a further description of the global adjustment charge, see *"The Electricity Industry in Ontario — Electricity Prices"*.

Acceleration of Indebtedness:

A holder of Senior Notes must rely solely on the Clean Energy Adjustment amounts collected and any available reserve accounts for repayment of principal on the Senior Notes. Accordingly, if all or any portion of the principal amount of any indebtedness of the Issuer (including one or more Series of Senior Notes) becomes due and payable during the Moratorium Period and before its scheduled payment date, maturity date or redemption date, the source of funds for repayment of principal may be limited.

If all or any portion of the principal amount of any indebtedness of the Issuer (including one or more Series of Senior Notes) becomes due and payable after the Moratorium Period and before its scheduled payment date, maturity date or redemption date, then the estimated Finance Amount used by the Financial Services Manager to determine the Clean Energy Adjustment for a period will be determined without regard to the fact that such amount has become due and payable, unless and only to the extent that the amount of the Clean Energy Adjustment is capable of being increased based on the Fair Allocation Amount for such period. See *"— Fair Allocation Amount and Financing Plan"* below. However, upon such acceleration, all accelerated Senior Notes will be repaid in full before any further payments of principal are made to holders of subordinated indebtedness, including the subordinated debt held by OPG; therefore, collections of the Clean Energy Adjustment that would otherwise have been available to repay the principal amount of subordinated indebtedness in the absence of acceleration of the Senior Notes will instead be applied to repay accelerated Senior Notes. See *"— Subordinated Debt"* below.[15]

Statutory Duties of the OEB:

The OEB is an independent public regulatory agency established under the *Ontario Energy Board Act, 1998*. The *Ontario Energy Board Act, 1998* provides the OEB with the authority to regulate participants (e.g. OEB licensees) in Ontario's [electricity market][16], including the activities of transmitters and distributors as well as the IESO (all Electricity Vendors for the purposes of the FHPA).

Under the Regulations, the OEB is responsible for determining the rates at which Specified Consumers are to be invoiced to recover the Clean Energy Adjustment. The rates are expressed as a cent per kWh rate and are determined by the OEB by dividing (i) the aggregate Clean Energy Adjustment as determined by the Financial Services Manager in respect of the relevant period of time by (ii) the forecast of electricity consumption of Specified Consumers in respect of such period, based

[15] **Note:** Add detailed descriptions to correspond to the limitation on cashflows during acceleration in the applicable detailed portions of the OM and specifically address in Risk Factors.

[16] **Note:** Technically, the IESO administers (supervises) the IESO-administered markets. There is no definition for "electricity market".

on forecast information provided to the OEB by the IESO. See "*— Statutory and Servicing Duties of the IESO"* below.

Statutory Duties of Electricity Vendors:

Electricity is distributed to almost all Specified Consumers in Ontario through a network of local distributors. See "*Electricity Industry in Ontario*" and the Investor Presentation attached as Exhibit 1 to this confidential shelf offering memorandum for more details regarding the Ontario electricity market and these local distributors.

The FHPA and the Regulations require Electricity Vendors to invoice their Specified Consumers for a charge in respect of the Clean Energy Adjustment, as determined by applying the rate set by the OEB, which is required to be included as a separate line item on each invoice sent to Specified Consumers. Electricity Vendors are also required to collect, as agent of [the Issuer][17], amounts in respect of the Clean Energy Adjustment, deposit such amounts into a segregated account established for the purpose of receiving those amounts, and hold such amounts in trust for the benefit of [the Issuer][18] until remitted to the IESO for the benefit of [the owners of Investment Interests (initially, only the Issuer)].[19] If an Electricity Vendor does not receive payment in full of an invoice issued to a Specified Consumer, the Electricity Vendor shall allocate any payment received on a *pro rata* basis to the Clean Energy Adjustment and the other amounts payable under the particular invoice.[20] It is a deemed condition of their distribution license issued by the OEB that Electricity Vendors comply with the FHPA.[21]

As security for any failure of an Electricity Vendor that does not have an investment grade rating from DBRS and Moody's to remit Clean Energy Adjustment amounts collected under the FHPA, the IESO is required, pursuant to the Master Transfer and Servicing Agreement, to provide to the Issuer on or prior to the first day of the first billing period when the Clean Energy Adjustment is being invoiced to Specified Consumers, a letter of credit from a provider that satisfies the Rating Agency Condition or a performance guarantee or such other form of security that is acceptable to the Issuer and that satisfies the Rating Agency Condition. The amount of the security required from the IESO is based on a formula as set out in the Master Transfer and Servicing Agreement and will equal: (i) 50% of forecasted Clean Energy Adjustment amounts that are to be collected by such non-investment grade rated Electricity Vendors and held for 45 days prior to the funds being remitted to the Issuer; or (ii) such other amount that satisfies the Rating Agency Condition. See "*The Transferor and Servicer.*"

Management Duties of OPG:

OPG has entered into a management agreement (the "**Management Agreement**") with the Issuer pursuant to which the Issuer has delegated to OPG, as manager (the "**Manager**"), all of the powers and duties of managing the Issuer, including determining whether to incur Funding Obligations (including Offerings of Senior Notes) to acquire an Investment Interest or refinance existing Funding Obligations;

[17] **Note:** This and similar references to the Issuer should instead refer to Financing Entities (Investment Interest owners), of which the Trust is the first, and then cross-refer to the concept of co-ownership in order to facilitate additional financings in the future.

negotiating and executing, on behalf of the Issuer, all agreements; maintaining accounts and banking records; preparing any offering documents to be furnished by the Issuer to prospective purchasers of Funding Obligations (including the Senior Notes); and preparing financial statements and tax filings on behalf of the Issuer. See "*The Manager*".

In addition to the powers and duties delegated to the Manager under the Management Agreement, OPG is also required to comply with its duties as Financial Services Manager under the FHPA and the Regulations, including preparing the Financing Plan to evaluate whether potential Funding Obligations should be incurred for the purposes of Financing Entities acquiring and financing an Investment Interest, determining the amount of the Clean Energy Adjustment inclusive of the calculation of any True-up Amount, notifying the OEB of the Clean Energy Adjustment inclusive of any True-up Amount and ensuring that Funding Obligations are incurred in a manner consistent with the Financing Plan. OPG may also administer the Investment Interest on behalf of the Issuer and any other Financing Entities. Subject to OEB approval and as provided for in the FHPA and the Regulations, OPG is entitled to charge the Issuer a fee, comprised of a base fee and a variable fee, to earn a return and to recover costs and expenditures incurred by OPG on behalf of the Issuer or in relation to the establishment, management and administration of the Issuer and its Investment Interest. The priority of the Manager's entitlement to fees is subject to the payment priorities set forth in the Master Trust Indenture. See "*The Manager*".

Statutory and Servicing Duties of the IESO:

Following the Moratorium Period, the IESO is required, as agent of [the Issuer][22], to receive Clean Energy Adjustment amounts paid to it from Electricity Vendors, deposit such amounts promptly into a segregated account established for the purpose of receiving amounts in respect of the Clean Energy Adjustment, hold such amounts in trust on behalf of [the Issuer] and remit such amounts to [the Issuer] [on a monthly basis, subject to daily remittance being required in certain limited circumstances.][23] In addition, the IESO will provide certain reporting and other servicing duties in favour of the Issuer, including providing forecast information regarding electricity consumption of Specified Consumers and providing such forecast information to the OEB and the Issuer, making commercially reasonable efforts to cause Electricity Vendors to establish segregated accounts into which Clean Energy Adjustment amounts are deposited, remitting such amounts to [the Issuer] and fulfilling certain additional reporting requirements. [Generally, all servicing duties provided by the IESO to the Issuer are provided at no cost to the Issuer.][24] However, the Issuer will reimburse the IESO for certain direct costs relating to the performance by the IESO of its duties and obligations under the Master Transfer and Servicing Agreement that are otherwise not recovered or recoverable by the IESO under the *Electricity Act, 1998* (Ontario). See "*The Transferor and Servicer.*"

[22] **Note:** Please see note 17 regarding bracketed references to the "Issuer" in this paragraph..

[23] **Note:** Please consider disclosing which IESO duties are statutory and which arise under the MTSA. For instance, in this sentence, these time requirements arise from the MTSA. Section 9(2) of the General Regulation requires that the IESO remit within a reasonable period of time.

[24] **Note:** Please confirm.

Change of Law Protection Agreement:

Pursuant to the Change of Law Protection Agreement in favour of the Indenture Trustee, upon a Protection Event and delivery by the Indenture Trustee of a written payment demand, the Province of Ontario is required to make payments in respect of all "Approved Obligations" when due and payable into the Protection Account (which, provided that the Notes are Approved Obligations, includes payments of amounts that are due and payable in respect of Notes), although the amount of Province of Ontario's payment obligations in a particular period will differ depending on whether an Acceleration has occurred. See "*Change of Law Protection Agreement*". The Issuer and Indenture Trustee must ensure that amounts deposited into the Protection Account are applied to pay each Specified Creditor to whom an amount is due and payable under an Approved Obligation.

Generally, an "Approved Obligation" under the Change of Law Protection Agreement includes all obligations of the Issuer (except for amounts required to be deposited into any capital account or finance reserve account, or any obligation for the Issuer to pay itself any remaining amounts in the Collection Account pursuant to the Master Trust Indenture), including obligations of the Issuer under the Notes, subject to the satisfaction of certain adherence conditions for those obligations that constitute "Certified Primary Obligations", as defined in the Change of Law Protection Agreement. Subject to certain limited exceptions for refinancings, a "Certified Primary Obligation" includes all Notes, as well as certain other obligations of the Issuer under derivative agreements or under contracts with terms of greater than three years that are not terminable by the Issuer on less than three years' notice under which the Manager, acting reasonably, expects aggregate payments by the Issuer during the term of the contract in an amount in excess of $5,000,000.

Protection Event:

Each of the following constitutes a "**Protection Event**" for purposes of the Change of Law Protection Agreement:

(a)

(i) the Ontario legislature repeals, and does not replace on an equivalent basis, or amends, the FHPA or any portion thereof, as in effect on the date hereof;

(ii) the Ontario legislature enacts or amends any other statute;

(iii) the Lieutenant Governor in Council repeals, and does not replace on an equivalent basis, the regulations made under the FHPA or any portion thereof, as in effect on the date hereof;

(iv) the Lieutenant Governor in Council, a minister of the Crown, an official of the government or a board or commission all the members of which are appointed by the Lieutenant Governor in Council makes or amends any "regulation" (as defined in Part III of the *Legislation Act, 2006*) as in effect on the date hereof; or

(v) the implementation of a change in the organization or structure of the IESO or Ontario's electricity market

undertaken at the initiative of the Province of Ontario or an entity controlled by the Province of Ontario,

in each case, that (X) adversely affects the ability of the Issuer to receive amounts in respect of its Investment Interest so that it can pay Approved Obligations when due and payable, in each case determined after taking into account and having regard to (i) any funds available at such time to apply to such Approved Obligations, including in any finance reserve account, capital account or collateral posting account applicable under a derivative agreement, (ii) the availability of any credit enhancement agreement to which the Issuer is a party and (iii) any reasonably expected potential effect of a True-up Amount in the Reference Period immediately following the occurrence of an event described in any of clauses (i) to (v) above, or (Y) adversely affects the enforceability of, or adversely changes, the terms and conditions of the Change of Law Protection Agreement or of any of the agreements under which Approved Obligations arise; or

(b) a court of competent jurisdiction determines that all or a portion of the FHPA or the Regulations, as in effect on the date hereof, is *ultra vires* or invalid in a way that adversely affects the ability of the Issuer to receive amounts in respect of its Investment Interest so that it can pay Approved Obligations when due and payable and that has the effect of the Issuer not in fact having sufficient funds to pay such Approved Obligations that have become due and payable, in each case determined after taking into account and having regard to (i) any funds available at such time to apply to such Approved Obligations, including in any finance reserve account, capital account or collateral posting account applicable under a derivative agreement, (ii) the availability of any credit enhancement agreement to which the Issuer is a party and (iii) any reasonably expected potential effect of a True-up Amount in the Reference Period immediately following the occurrence of an event described in this paragraph (b).

The occurrence of a Protection Event in and of itself will not result in the acceleration of the Senior Notes.

The Province of Ontario's obligation to make payments under the Change of Law Protection Agreement upon a Protection Event and subsequent delivery of a written payment demand by the Indenture Trustee is referred to as the "**Limited Guarantee**".

Upon paying amounts when due and payable in respect of Approved Obligations, including the Senior Notes, into the Protection Account, the Province of Ontario will be subrogated and entitled to all of the rights and interests of applicable Specified Creditors (including Noteholders) under and in respect of the Approved Obligations to the extent of the amounts paid. The Province of Ontario will have the right to be paid from the Issuer the amounts that the Province of Ontario paid in respect of the Approved Obligations, such amounts being payable in the same order of priority and with the same entitlements accruing to the Province of Ontario as applied to the amounts in respect of the Approved Obligations previously owing to Specified Creditors that the Province of Ontario has paid. The Province of Ontario will also be

entitled to the benefit of the Collateral and proceeds therefrom.

Under the Change of Law Protection Agreement, the right to deliver a written payment demand on occurrence of a Protection Event to enforce the Limited Guarantee is the only remedy available to the Indenture Trustee (and to Specified Creditors, to the extent they are permitted to exercise any rights, interests or elections under and in accordance with the Master Trust Indenture). Specified Creditors are not permitted to exercise any rights, interests, or elections under the Change of Law Protection Agreement, other than in the manner and to the extent effected and exercised under, in accordance with and subject to the limitations set forth in the Master Trust Indenture as at December 21, 2017.

Approved Obligations & Adherence Conditions:

Under the Management Agreement, the Manager is required to ensure that all obligations of the Issuer are and remain Approved Obligations under the Change of Law Protection Agreement.

The Limited Guarantee shall apply to all Certified Primary Obligations that meet the following adherence conditions:

(a) the Certified Primary Obligation when incurred is an Obligation Secured under the Master Trust Indenture;

(b) OPG, as Financial Services Manager, delivers a certificate to the Indenture Trustee on or before the incurrence of such obligation certifying that it has complied with all of its obligations to the Province of Ontario and internal requirements and processes in connection with the adherence of the Limited Guarantee to the Certified Primary Obligation; and

(c) the Province of Ontario has not provided a Suspension Notice to the Indenture Trustee, OPG and the Issuer.

All Senior Notes shall constitute Obligations Secured under the Master Trust Indenture and therefore condition (a) above will be satisfied for all Offerings of Senior Notes. It will be a condition to any Offering of Senior Notes that OPG deliver the adherence certificate required pursuant to (b) above or that the Province of Ontario designates in writing that the Senior Notes are Approved Obligations. The Change of Law Protection Agreement provides that delivery of an adherence certificate shall be determinative of satisfaction of this adherence condition, notwithstanding that such certificate may include inaccuracies, be incomplete or otherwise be defective or deficient, and such certificate may be relied upon as conclusive evidence of same.

Suspension Notice & Post-Suspension Refinancing

The Change of Law Protection Agreement will remain in full force and effect until the indefeasible payment, observance and performance in full of the Approved Obligations.

However, in the following limited circumstances, the Province of Ontario may deliver a Suspension Notice under the Change of Law Protection Agreement: (i) if there has been an acceleration of Funding Obligations in accordance with the provisions of the Master Trust Indenture or an event of default, early amortization event, termination

event or similar event or circumstance (including any event that with the passage of time or the giving of notice would become such an event) of or in respect of the obligations of any party under any Program Agreement; (ii) if there has been an uncured breach of covenant, uncured default in performance, or uncured representation, warranty or certification that proves to be incorrect in any material respect on the date made, in each case of OPG (or its officers, in the case of a certification) to the Province of Ontario in connection with its obligations to the Province of Ontario pursuant to internal requirements and processes in connection with the provision or adherence of the Limited Guarantee to or in respect of any Certified Primary Obligations; or (iii) if the Financial Services Manager is no longer the Manager or actions have been taken by or on behalf of the Indenture Trustee to remove the Financial Services Manager as the Manager.

Upon delivery of a Suspension Notice, the Limited Guarantee shall not apply in respect of obligations incurred by the Issuer (excluding certain refinancings of Approved Obligations as described below) and certain material amendments of outstanding obligations of the Issuer.

Notwithstanding delivery of a Suspension Notice, the Limited Guarantee shall continue to apply to: (i) any Approved Obligations that were incurred prior to the suspension and (ii) any Funding Obligations incurred by the Issuer following a suspension that satisfy the terms and conditions of the Change of Law Protection Agreement, provided that the proceeds of such incurrence are to be used for the purpose of repaying one or more series of Approved Obligations. Accordingly, subject to compliance with the Change of Law Protection Agreement, any Senior Notes or other Funding Obligations that may be issued following a suspension to refinance Senior Notes that were Approved Obligations issued prior to a suspension will continue to have the benefit of the Limited Guarantee.

See *"Change of Law Protection Agreement"*.

Fair Allocation Amount & Financing Plan:

The Fair Allocation Amount is an amount calculated under the FHPA and the Regulations by the Minister of Energy in respect of each Reference Period that, among other things, allocates the estimated value of certain costs allocated to Specified Consumers in respect of the Ontario government's clean energy initiatives ("**Clean Energy Costs**")[25] in proportion to the relative attribution of the value of benefits determined to be derived by or accruing to Specified Consumers as a result of such clean energy initiatives ("**Clean Energy Benefits**") among Specified Consumers. See *"Ontario's Fair Hydro Plan"*.[26]

The Financial Services Manager is required to prepare a Financing Plan under the FHPA to evaluate whether potential Funding Obligations should be incurred by the Issuer or other Financing Entities for the purposes of acquiring an Investment Interest or for the purposes of a Refinancing. In preparing the Financing Plan, the Financial Services Manager must have regard to certain principles, including that Funding

[25] **Note:** Consider that "Clean Energy Costs" is more thoroughly defined in the Glossary. Through the OM, reconsider instances where there are two different definitions.

[26] **Note:** The description of the fair allocation amount should more closely align to Section 20(1) of the FHPA.

Obligations should be incurred such that, along with any Funding Obligations already incurred, the estimated Finance Amount that would, subject to any Refinancing, become due and payable during a Reference Period will reasonably align with the Fair Allocation Amount determined in respect of such Reference Period as of the date the Funding Obligations were incurred, after reducing the Fair Allocation Amount by the Readjustment Amount, if any, in respect of the Reference Period.

In other words, the Financing Plan should contemplate the issuance of Funding Obligations from time to time, with terms that would result in Clean Energy Adjustments being payable by Specified Consumers that align with the purposes of the FHPA [, namely, to ensure that present and future Specified Consumers are bearing their share of the costs of providing Clean Energy Benefits].[27] Notwithstanding the above, the FHPA provides that each Funding Obligation is deemed to be consistent with the Financing Plan and to provide for the reasonable alignment of the estimated Finance Amount with the Fair Allocation Amount.

Currently, the Clean Energy Costs have been determined to exceed the Clean Energy Benefits, with the result that the Fair Allocation Amount is negative. This [means that the Minister of Energy has determined that current Specified Consumers have borne more than their fair share of Clean Energy Costs (with the consequent rate reduction for current Specified Consumers). The Fair Allocation Amount is expected to be negative until at least May 2024.][28] Accordingly, the Financing Plan does not currently contemplate the issuance of any Senior Notes maturing prior to May 2024. The Financial Services Manager may, however, determine to refinance Senior Notes maturing after May 2024 through the issuance of another Series of Senior Notes. If Senior Notes cannot be refinanced on or before the applicable Principal Payment Default Date, holders of such Senior Notes will have the ability to accelerate their Senior Notes resulting in Clean Energy Adjustments that would otherwise be used to pay the principal amount on subordinated indebtedness to holders of subordinated Notes being used to pay holders of accelerated Senior Notes.

The Financing Plan allows for the issuance of a variety of short and long term debt. See the Investor Presentation attached as Exhibit 1 to this confidential shelf offering memorandum for more details regarding the Financing Plan and the Fair Allocation Amount.

Subordinated Debt:

Concurrent with every issuance of senior debt by the Issuer, including any Offering of Senior Notes, it is expected that OPG will subscribe for subordinated debt and junior subordinated debt of the Issuer in an amount equal to no more than 49% of all of the Issuer's Funding Obligations, approximately 44% of which is expected to be funded through equity investments in OPG by the Province of Ontario with the remaining 5% being funded from OPG's available funds, including all or a portion of the proceeds of any offerings by OPG of medium term notes.

[27] **Note:** The description should more closely align with the stated purposes of the FHPA in Section 3 of the Act.

[28] **Note:** MOE to confirm whether including this sort of prediction is appropriate.

	Under the Master Trust Indenture, the Issuer will be required at all times to ensure that: (i) the aggregate outstanding principal amount of all subordinated debt and junior subordinated debt be not less than 35% of the aggregate outstanding principal amount of all of the Issuer's Funding Obligations; and (ii) the aggregate outstanding principal amount of all junior subordinated debt be not less than 10% of the aggregate outstanding principal amount of all of the Issuer's Funding Obligations.
Use of Proceeds:	The proceeds from each Offering may be used to (i) acquire an Investment Interest from the IESO pursuant to the Master Transfer and Servicing Agreement, (ii) refinance indebtedness of the Issuer (including other Series of Senior Notes), (iii) pay Offering and related costs of the Issuer and (iv) fund specific reserve accounts as required. The Term Sheet for each Offering of Senior Notes will identify the amount of proceeds that will be used for such specified purposes.
Interest Rate:	Fixed, floating or otherwise, as determined by the Issuer and as set out in the Term Sheet applicable to such Offering.
Interest Payment Dates:	As determined from time to time by the Issuer and as set out in the Term Sheet applicable to such Offering.
Principal Accumulation Date(s) and Principal Accumulation Amount(s):	As determined from time to time by the Issuer and as set out in the Term Sheet applicable to such Offering.
Principal Payment Date(s) and Principal Payment Amount(s):	As determined from time to time by the Issuer and as set out in the Term Sheet applicable to such Offering.
Principal Payment Default Date:	As determined from time to time by the Issuer and as set out in the Term Sheet applicable to such Offering.
Ranking:	Subject to the applicable payment waterfalls set out in the Master Trust Indenture, the Senior Notes will be direct, secured and unsubordinated obligations of the Issuer, and will at all times rank equally and proportionately with each other and all other senior indebtedness issued by the Issuer from time to time pursuant to the Indenture, without discrimination or preference. See "*Capital Markets Platform — Subordination Provisions*", "*Capital Markets Platform — Acceleration and Remedies — Payment Waterfall Upon Acceleration"*.
Security:	All indebtedness and other obligations of the Issuer, including the Senior Notes, will be secured by a first ranking charge against all property and assets of the Issuer, including each Issuer Account (and all funds and property credited thereto), all rights and benefits, and powers of the Issuer under the FHPA and all rights, benefits and power under all Program Agreements, including under the Limited Guarantee. Under the Master Trust Indenture, the Issuer is required to maintain certain reserves: the IESO Cash Reserve Deposit Amount (an amount equal to the aggregate of (i) 0.50% of the aggregate amount of all outstanding senior, subordinated and junior subordinated funding obligations determined as of April 15, 2021, and (ii) an amount estimated as the amount of Carrying Costs payable during May, June

and July 2021, provided such amount in (ii) satisfies the Rating Agency Condition) will be deposited by the IESO by April 30, 2021. There is also a Program Cash Reserve Account which will begin to be funded from Clean Energy Adjustments following the Moratorium Period until it reaches the Program Cash Reserve Required Amount (on each Payment Date on and after May 15, 2021, an amount equal to 0.50% of the aggregate amount of all outstanding senior, subordinated and junior subordinated funding obligations determined as of such date, or such lesser amount that satisfies the Rating Agency Condition). Funds in the IESO Cash Reserve Account will be applied to pay Carrying Costs after April 2021 to the extent that funds can be so applied such that the aggregate amount of funds in the IESO Cash Reserve Account and Program Cash Reserve Account is maintained at the Program Cash Reserve Required Amount.

In connection with the incurrence of any Series of Notes, the Issuer may (i) establish a Series Account for purposes of accumulating funds used to make principal payments or for purposes of reserving funds to pay finance charges, and/or (ii) enter into a credit enhancement agreement or liquidity agreement. Whether a Series of Senior Notes has the benefit of a Series Account or any credit enhancement agreement or liquidity agreement will be determined from time to time by the Issuer and set out in the Term Sheet applicable to such Offering.

See "*Capital Markets Platform — Security*".

Priority of Payments:

Prior to an Event of Default and acceleration of the Issuer Funding Obligations (other than Derivative Funding Obligations), amounts available for disbursement will generally be applied in the following order of priority:

THE ELECTRICITY INDUSTRY IN ONTARIO

General Overview

The Ontario electricity industry is principally comprised of three components:

- *Generation*: the production of electricity from various forms of energy, such as wind, solar, hydropower, natural gas and nuclear;
- *Transmission*: the transfer of electricity across high-voltage power lines from generating facilities to local areas; and
- *Distribution*: the delivery of electricity within local areas to homes and businesses using lower voltage power lines.

The structure of Ontario's electricity industry underwent significant changes in the late 1990s and early 2000s. Prior to April 1, 1999, Ontario Hydro, a Crown corporation, supplied most of Ontario's electricity generation and transmission needs. Consistent with initiatives taken in other electricity markets in North America at the time, the electricity industry was restructured in order to encourage greater competition. Ontario's competitive electricity market was opened by the IESO on May 1, 2002 and the market is used to administer the purchase and sale of wholesale electricity in Ontario.

Since the opening of the competitive market, Ontario's power supply mix has experienced significant change. As a result of provincial government policy, coal-fired generation has been eliminated and a significant amount of new capacity has been added as a result of new natural gas powered capacity, new wind and solar capacity and additional baseload nuclear generation capacity. These changes have resulted in significantly increased costs of electricity to consumers in Ontario.

While electricity supply in Ontario has increased, the province's electricity demand as reported by the IESO has fallen over the last decade, largely due to changes in economic conditions and conservation measures. Moreover, the addition of small scale solar generation embedded in the distribution system has reduced the level of demand that is supplied by transmission-connected generation. Reducing electricity demand by encouraging conservation and demand management has been a key part of the Government of Ontario's plan to reduce greenhouse gas emissions from the province's electricity sector. Shorter-term fluctuations in electricity demand are impacted by variations in seasonal weather conditions.

Real-time energy supply needs are met through the wholesale electricity market administered by the IESO. Generators offer their generation into this real-time energy market, or "spot market", to be dispatched by the IESO. The IESO receives hourly offers from electricity generators and importers to provide energy, along with bids to withdraw energy from a few flexible loads and exporters, and then schedules the lowest-cost offers and bids needed to meet demand. Virtually all generators in Ontario also have bilateral contracts with the IESO or receive regulated prices, or payment amounts, that provide for payments in addition to the market price of electricity that is paid to generators.

Key Industry Participants

Ontario Power Generation Inc.

OPG is a corporation formed under the *Business Corporation Act* (Ontario), whose sole shareholder is the Province of Ontario. In 1999, when Ontario Hydro was split up in anticipation of deregulation, OPG was formed to hold all of the generation assets. OPG has divested itself of certain of those assets, but remains the largest generator in Ontario.

OPG is Ontario's largest clean energy generator. As at the date hereof, OPG operated two nuclear generating stations, 66 hydroelectric generating stations, three thermal generating stations, and one wind power

turbine. OPG's mission is to provide low cost power in a safe, clean, reliable and sustainable manner for the benefit of its customers and its sole shareholder, the Province of Ontario. OPG's electricity generation accounts for almost half of the total energy generated and injected into Ontario's electricity transmission system, as reported by the IESO. OPG is one of the most experienced and largest generating companies in Canada with a broad set of relationships and capabilities. OPG is also experienced in successful complex financing arrangements of large capital projects, including the recently completed Lower Mattagami project.

Additional information about OPG is provided in the Investor Presentation attached as Exhibit 1 to this confidential shelf offering memorandum and is available at www.opg.com.

The IESO

The IESO is a non-share capital corporation created under the *Electricity Act, 1998* (Ontario). It was created as an amalgamation of two predecessor entities, one of which was also called the IESO ("**Predecessor IESO**") and the other of which was called the Ontario Power Authority ("**OPA**"). Predecessor IESO was responsible for operating the real-time electricity markets in Ontario, as well as administering the market rules. The OPA was the counterparty that entered into bilateral power or capacity purchase contracts with generators. These two entities were merged statutorily on January 1, 2015 into the IESO, which now carries out all of these functions. As a non-share capital corporation, the IESO does not have any shareholders or owners, but it is governed by an independent Board of Directors whose chair and directors are appointed by the Minister of Energy.

Additional information about the IESO is provided in the Investor Presentation attached as Exhibit 1 to this confidential shelf offering memorandum and is available at www.ieso.ca.

The Ontario Energy Board

The OEB is a non-share capital corporation created under the *Ontario Energy Board Act, 1998*. The OEB is an independent and impartial public regulatory agency. The *Ontario Energy Board Act, 1998* provides the OEB with the authority to license and regulate the participants in Ontario's electricity market, including the activities of the IESO, transmitters and distributors which are also Electricity Vendors for the purposes of the FHPA.

The OEB has the following objectives in relation to the electricity industry:

(a) to protect the interests of consumers with respect to prices and the adequacy, reliability and quality of electricity service;

(b) to promote the education of consumers;

(c) to promote economic efficiency and cost effectiveness in the generation, transmission, distribution, sale and demand management of electricity and to facilitate the maintenance of a financially viable electricity industry;

(d) to promote electricity conservation and demand management in a manner consistent with the policies of the Province of Ontario, including having regard to the consumer's economic circumstances;

(e) to facilitate the implementation of a smart grid in Ontario; and

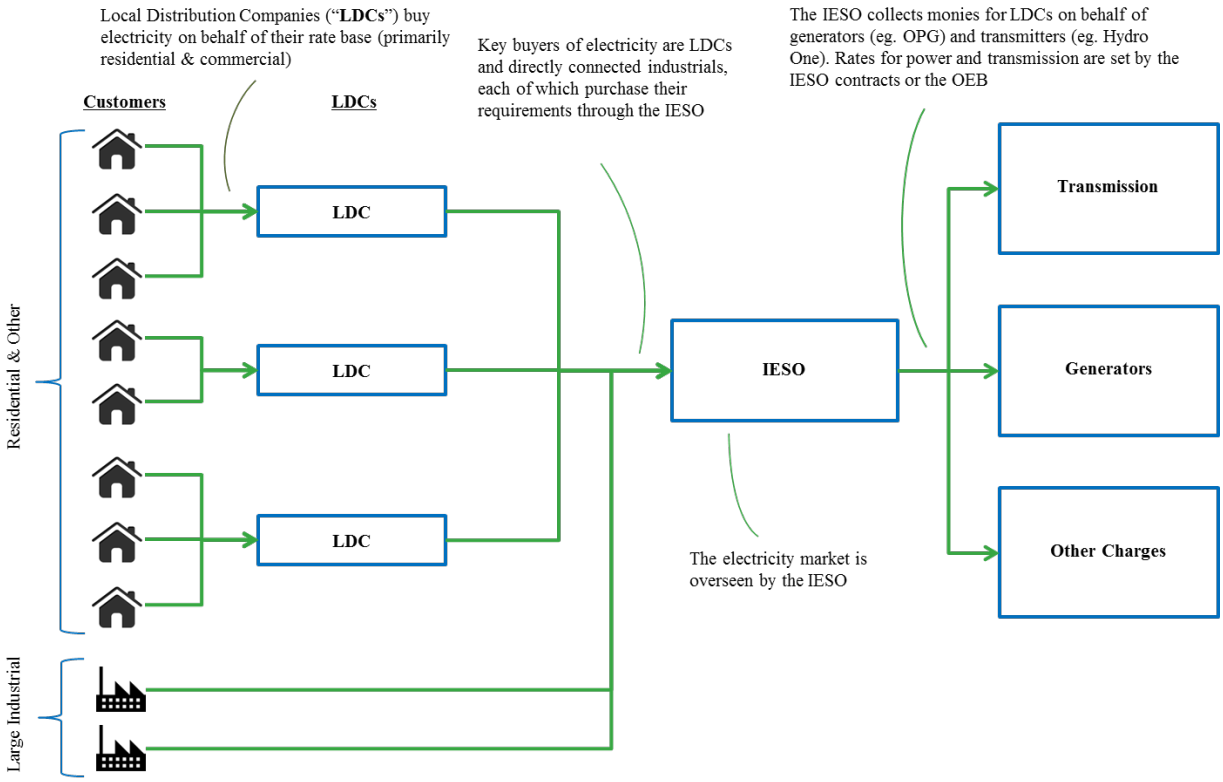
(f) to promote the use and generation of electricity from renewable energy sources in a manner consistent with the policies of the Ontario government, including the timely expansion or reinforcement of transmission systems and distribution systems to accommodate the connection of renewable energy generation facilities.

The OEB is responsible for, among other things, approving transmission and distribution rates in Ontario, as well as payment amounts for OPG's nuclear and hydroelectric generation. It also approves the construction, expansion, or reinforcement of transmission lines greater than two kilometres in length, as well as mergers,

acquisitions, amalgamations and divestitures involving distributors, transmitters and other entities which it licenses. The activities of transmitters and distributors are subject to the conditions of their transmission and distribution licenses, as applicable, which require compliance with a number of industry codes issued by the OEB, as well as with the market rules that are administered by the IESO. These codes and other requirements prescribe minimum standards of conduct and service for licensed participants in the electricity market.

Electricity Vendors

As part of the restructuring of Ontario's electricity industry, the province's municipally-owned electricity distributors were reorganized into separate business corporations. These distributors are typically referred to in Ontario as local distribution companies, or "**LDCs**". An LDC is responsible for distributing electricity to customers in its OEB-licensed service territory, and in some cases to other distributors. A service territory may cover large portions or all of a particular municipality, or an otherwise-defined geographic area. Distribution customers include residential, commercial and industrial end-users, such as governments, schools and hospitals. At multi-unit buildings within an LDC's service territory, there may be a unit sub-metering service provider that provides metering services for each individual unit. These sub-metering service providers are also licensed by the OEB. The following diagram depicts a simplified flow of funds between the key industry participants:[29]



See the Investor Presentation attached as Exhibit 1 to this confidential shelf offering memorandum for more details regarding LDCs.

Electricity Prices

There are two components that make up the commodity cost of electricity in Ontario, the Hourly Ontario Energy Price ("**HOEP**") and the Global Adjustment charge.

[29] **Note:** Proposed revisions to the text in the chart: (i) "The electricity market is ~~overseen~~ administered by the IESO"; (ii) "~~Rates for power and transmission are set by the IESO contracts or the OEB.~~ Prices paid to generators are determined by IESO contracts or approved by the OEB. Transmission rates are approved by the OEB."

- The HOEP is set by the IESO based on bids and offers in the real-time energy market that is administered by the IESO.

- The global adjustment charge is paid by all consumers. It is established monthly by the IESO in accordance with regulations and is used to collect funds used by the IESO to pay certain "out of market" costs that are not compensated by the HOEP, including the cost of energy supply contracts with generators and payments made to certain generators, including OPG, that are entitled to a regulated rate of return based on OEB-established payment amounts. For all Specified Consumers[30] the global adjustment charge is based on electricity usage on a per unit basis.

Prior to the FHPA being passed, the amount collected by the IESO on account of the HOEP and global adjustment charge was approximately equal to the IESO's liabilities in this regard, subject to certain periodic true-ups and adjustments to keep the IESO whole.

At the request of the Minister of Energy in 2004, and in accordance with amendments to legislation, the OEB created the "**Regulated Price Plan**" or "**RPP**", which establishes time-of-use and tiered commodity prices for residential, farm and small commercial customers. Prior to the introduction of the FHPA, the RPP prices were reviewed and changed every six months based on an updated forecast and any accumulated differences between the amounts collected from RPP consumers and the amount paid to generators in previous periods. RPP prices are now established in accordance with the FHPA. Most Specified Consumers are billed for electricity based on the Regulated Price Plan, although some Specified Consumers may be invoiced the HOEP and the global adjustment charge by their LDC for electricity they have consumed. The IESO has also stated that there is one Specified Consumer connected directly to the transmission system and settled by the IESO, not an LDC.

While most residential and small commercial consumers in Ontario choose to purchase their electricity under the RPP, consumers in Ontario may instead choose to buy their electricity from a licensed retailer pursuant to a retail contract that provides a fixed rate for electricity over a specified period. These customers are also required to pay the global adjustment charge in addition to the rate under their retail contract.

In addition to the HOEP and global adjustment charges, or RPP prices, as the case may be, electricity consumers pay a number of other uplifts and charges, such as transmission and distribution tariffs.

ONTARIO'S FAIR HYDRO PLAN

Background

On June 1, 2017, the Ontario Legislature passed the *Ontario Fair Hydro Plan Act, 2017*[31] (the "**FHPA**")[, legislation that reallocates certain electricity costs over time and provides immediate rate relief to consumers][32]. From July 1, 2017 until April 30, 2018, electricity rates payable by Specified Consumers (a category of consumers that generally is comprised of residential consumers, small businesses and farms) will be the rates that result in a representative consumer being charged an invoice amount that is 25%[33] less than the rate that would otherwise have been determined by the OEB for that period (the "**Fair Adjustment**") absent Ontario's Fair Hydro Plan.

Under the FHPA, a "**Specified Consumer**" is:

(a) a person who has an account with an Electricity Vendor for the supply of electricity in the Province of Ontario and meets any one of the following criteria:

[30] **Note:** Some consumers below 500 kw are not Specified Consumers.

[31] **Note:** The FHPA was Schedule 1 to omnibus legislation entitled the *Fair Hydro Act, 2017*. Further, already defined as the FHPA above.

[32] **Note:** This narrative should be removed, or if necessary, the description of the FHPA should track the purposes of the Act as set out in Section 3 to the Act.

[33] The 25% reduction includes an 8% rebate equivalent to the provincial portion of the harmonized sales tax previously granted by the Ontario government and the shifting of certain support program costs from the rate base to the tax base.

(i) the person has a demand for electricity of 50 kilowatts or less, or such other amount as may be prescribed by the Regulations;

(ii) the person annually uses not more than 250,000 kilowatt hours of electricity, or such other amount as may be prescribed by the Regulations;

(iii) the person carries on a business that is a farming business for the purposes of the *Farm Registration and Farm Organizations Funding Act, 1993* and either holds a valid registration number assigned under that Act or has had the obligation to file a farming business registration form waived pursuant to an order made under subsection 22(6) of that Act;

(iv) the person's account with the Electricity Vendor relates to

(A) a dwelling;

(B) a property within the meaning of the *Condominium Act, 1998*;

(C) a residential complex within the meaning of subsection 2(1) of the *Residential Tenancies Act, 2006*, without regard to section 5 of that Act; or

(D) a property that includes one or more housing units and that is owned or leased by a co-operative within the meaning of the *Co-operative Corporations Act*; or

(v) the person satisfies such criteria as may be prescribed by the Regulations; or

(b) such other person as may be prescribed by the Regulations.

Electricity bills for Specified Consumers for the period between May 1, 2018 and April 30, 2019 are to increase by the rate of inflation (or remain unchanged in the event inflation is negative). Permitted increases after April 30, 2019 will be determined by the Ontario government through additional regulations, though the Ontario government has indicated its intention that rate increases will be held to the rate of inflation until 2021.

Under the FHPA, OPG is appointed as the initial Financial Services Manager and given the authority to, among other things, establish, or cause to be established, one or more financing entities (each, a "**Financing Entity**") to incur payment obligations (such obligations, "**Funding Obligations**") to fund the acquisition of an Investment Interest. The Issuer is a Financing Entity under the FHPA and the Senior Notes are Funding Obligations under the FHPA.

Regulatory Asset

Under the FHPA, each month the IESO determines the shortfall that results from the Fair Adjustment as compared to what the IESO would have been entitled to receive without the Fair Adjustment and records this amount, together with the costs of financing the shortfall, in a variance account.[34] The IESO has the right, exercisable in accordance with the FHPA and the Regulations, to recover the balance recorded in the variance account from Specified Consumers (such right, the "**Regulatory Asset**"). However, in accordance with the FHPA, the IESO is not entitled to collect all or part of the balance recorded in the variance account (which is the basis of the Regulatory Asset) from specified consumers before May 1, 2021. The IESO may, in accordance with the FHPA, transfer a specified portion of the Regulatory Asset to a Financing Entity for a cash purchase price equal to the amount recorded in the variance account in respect of such specified portion of the Regulatory Asset. Upon receipt by the IESO of payment by the Financing Entity, the IESO retains no further right, title or interest in the corresponding Investment Interest.

[34] **Note:** Please consider disclosure of further details as to what is recorded in the variance account. For instance, paragraph 3 of Section 15 in the General Regulation states that amounts incurred by the IESO on or after May 1, 2017 but before the FHPA came into force may be recorded in the IESO deferral.

Investment Interest

By acquiring an Investment Interest, the Financing Entity is financing a portion of the shortfall that results from the Fair Adjustment and, as an owner of the Investment Interest, will be entitled to recover its "Finance Amount" (the costs of such financing). While a Financing Entity may choose to acquire an Investment Interest from the IESO, it is under no obligation to do so.

If the IESO and a Financing Entity agree to the transfer of a specified portion of the Regulatory Asset from the IESO, such transfer results in the creation of a current and irrevocable property right that is immediately vested in the Financing Entity, free and clear of any adverse claim (such right, the "**Investment Asset**", and an ownership interest therein, an "**Investment Interest**"). The Investment Asset consists, collectively, of the following rights and interests of Investment Interest owners (among other things):[35]

(a) the right and interest to impose, invoice, collect, receive and recover the Clean Energy Adjustment from Specified Consumers, including the right to determine the Clean Energy Adjustment in accordance with the FHPA;

(b) the right to receive, collect and recover the Clean Energy Adjustment that is imposed, invoiced and recoverable under the FHPA, including any amounts in respect of the Clean Energy Adjustment that are held by Electricity Vendors or the IESO;

(c) the right to enforce the duties and obligations under the FHPA of each Electricity Vendor to impose, attribute, charge and invoice for the Clean Energy Adjustment;

(d) the right to enforce the duties and obligations under the FHPA of each Electricity Vendor and the IESO to collect, receive and remit amounts received by it in respect of the Clean Energy Adjustment, including all collections and the proceeds of any enforcement action undertaken by any Electricity Vendor to recover payment of the Clean Energy Adjustment;

(e) all rights of any kind related to any of the other property rights or interests that comprise the Investment Interest, including any rights to receive a payment obligation incurred by the IESO as part of the transfer of the Regulatory Asset (such payment obligations incurred by the IESO being "**Funding Rebates**"); and

(f) all revenue, collections, claims, payments, money and proceeds of or derived from the rights described in paragraphs (a) to (e), regardless of whether it is invoiced, collected and maintained together with or commingled with other revenue, collections, claims, payments, money and proceeds.

Clean Energy Adjustment

The "**Clean Energy Adjustment**" is the amount calculated in accordance with the FHPA and payable by Specified Consumers [to cover the cost of financing the shortfall that results from the Fair Adjustment].[36] The Financial Services Manager will determine the amount of the Clean Energy Adjustment payable by Specified Consumers for each month of a Reference Period. The Clean Energy Adjustment is based on an estimate of the amount payable by a Financing Entity in a Reference Period in respect of the Finance Amount and the True-up Amount (each as described below).

The "**Finance Amount**" in respect of the Issuer for a period of time is an amount determined by the Financial Services Manager as follows:

[35] **Note:** Please consider disclosing in this section that the Investment Asset is a collective right of the Investment Interest owners. While this is explained in a risk factor ("The Issuer may have a co-ownership interest in the Investment Asset with other Financing Entities), additional explanation/ disclosure may be warranted here.

[36] **Note:** Consider that the statutory definition of "Clean Energy Adjustment" states that it is "the amount determined under section 15 [of the FHPA] and payable by specified consumers". The FHPA does not expressly state the purpose of the Clean Energy Adjustment.

(a) after eliminating any duplication in the following amounts, calculating the sum of the following amounts:

(i) amounts paid or payable during the period in respect of the payment by or on behalf of the Issuer or the provision by or on behalf of the Issuer for the payment of all or a portion of the principal amount advanced to the Issuer under a Funding Obligation;

(ii) interest, commitment fees or other similar costs payable by or on behalf of the Issuer in respect of Funding Obligations that are paid or payable during the period;

(iii) amounts payable by or on behalf of the Issuer to redeem, prepay or repurchase Funding Obligations incurred by or on behalf of the Issuer, including any premium, make-whole or other amount payable to give effect to the prepayment, redemption or repurchase, that are paid or payable during the period;

(iv) payments required to be made in respect of any derivative agreements during the period, including ordinary course payments, payments on termination and payments made in connection with margining or collateral arrangements;

(v) amounts deposited, as required under the governing documents of Funding Obligations, into capital accounts or finance reserve accounts during the Reference Period;

(vi) Issuer expenses, including fees (including fees charged by the Financial Services Manager), charges, costs, indemnities, reimbursements and other amounts incurred or committed to by or on behalf of the Issuer as a result of an activity authorized or permitted under the FHPA, and any taxes on such amounts, in each case that are paid or payable during the period;

(vii) taxes paid or payable by or on behalf of the Issuer, incurred directly or indirectly by the Issuer, or for which the Issuer is otherwise liable as a result of any activity, undertaking, transaction or event authorized or permitted under the FHPA that payable during the period; and

(viii) amounts paid or payable by or on behalf of the Issuer during the period to any guarantor or surety that made a payment of an amount due and payable under a funding obligation, including pursuant to a guarantee, indemnity, contract of insurance or agreement entered into under subsection 5(2) or (3) of the FHPA;

(b) after eliminating any duplication in the following amounts, calculating the sum of the following amounts:

(i) amounts withdrawn, as required under the governing documents of Funding Obligations, from capital accounts or finance reserve accounts during the period;

(ii) for any period before May 1, 2021, amounts received during the period in respect of Carrying Costs and Funding Rebates and for any period on and after May 1, 2021, amounts received during the period in respect of Funding Rebates;

(iii) the aggregate of all amounts received by or on behalf of the Issuer in respect of Funding Obligations during the period;

(iv) the principal amount of Funding Obligations incurred by the Issuer that are applied to refinance existing Funding Obligation during the period;

(v) any payments received in connection with a derivative agreement, including ordinary course receipts, payments received on termination and payments received in connection with margining or collateral arrangements, in each case during the period;

(vi) amounts received by or on behalf of the Issuer as a refund of tax and to which the Issuer is entitled as a result of any activity, undertaking, transaction or event authorized or permitted under the FHPA during the period; and

(c) subtracting the sum calculated under (b) from the sum calculated under (a).

In determining the Clean Energy Adjustment, the Financial Services Manager must also calculate a "**True-up Amount**" in accordance with the Regulations. In principle, the True-up Amount should serve to ensure that the collection of the Clean Energy Adjustments is sufficient to pay the Finance Amount when it is due, by capturing any Finance Amounts not previously received in respect of the Clean Energy Adjustment during the preceding Reference Periods. The True-up Amount may also reflect historical and reasonably foreseeable differences between the estimated and actual Finance Amount; between amounts invoiced and amounts collected due to various factors, including applicable taxes, consumer defaults and delays, billing lags and write-offs; and variations in billings due to variations in electricity consumption. In determining such differences, the Financial Services Manager is required to have regard to amounts payable that were not collected and any amounts in respect of which an overpayment was made, which may include amounts resulting from a default of Specified Consumers, an Electricity Vendor or the IESO, whether in its capacity as an Electricity Vendor or its activities as agent or otherwise under the FHPA and the Regulations. The Regulations obligate the Financial Services Manager to calculate the True-up Amount in respect of each Reference Period so long as all Funding Obligations and other Finance Amounts have not been paid in full. The Financial Services Manager may also at any time during a Reference Period determine an interim True-up Amount if, among other things, it reasonably forecasts that the collection of the Clean Energy Adjustment will be insufficient to pay the estimated Finance Amount for a Reference Period.

The Financial Services Manager must notify the OEB of the Clean Energy Adjustment for each Reference Period. The OEB must accept this amount and will determine the rates at which Specified Consumers are to be invoiced to recover the Clean Energy Adjustment. The rates are expressed as a cent per kWh amount and are determined by the OEB by dividing (i) the Clean Energy Adjustment provided by the Financial Services Manager in respect of the relevant period of time by (ii) the forecast of electricity consumption of Specified Creditors in respect of such period, based on forecast information provided to the OEB by the IESO. Electricity Vendors are required to invoice their Specified Consumers for the Clean Energy Adjustment, as determined by applying the rate set by the OEB, which is required to be included as a separate line item on each invoice. Electricity Vendors are required to collect, as agent of the [Issuer],[37] amounts in respect of the Clean Energy Adjustment, deposit such amounts into a segregated account established for the purpose of receiving those amounts, and hold such amounts in trust for the benefit of the [Issuer] until remitted to the IESO for the benefit of the [the owners of Investment Interests (initially, only the Issuer)]. If an Electricity Vendor does not receive payment in full of an invoice issued to a Specified Consumer, the Electricity Vendor shall allocate any payment received on a *pro rata* basis to the Clean Energy Adjustment and the other amounts payable under the particular invoice.[38] It is a deemed condition of their licenses that Electricity Vendors comply with their obligations under the FHPA.[39] If there are any amounts that are collected by the Electricity Vendor, but not remitted to the IESO to remit to [the Issuer] during a Reference Period, such shortfall will be included in the True-up Amount for the subsequent period.

An amount in respect of the Clean Energy Adjustment shown on an invoice issued to a Specified Consumer is determinative of the amount of such Specified Consumer's indebtedness resulting from the Clean Energy Adjustment and is irrevocable upon invoicing and may not be set off or bypassed, except to the extent that the invoice reflects a clerical, typographical or calculation-related error. [Commencing May 1, 2021, a charge in respect of the Clean Energy Adjustment will be included on invoices sent to Specified Consumers, and collected and

[37] **Note:** Please see note 17 regarding the placement of square brackets around "the Issuer" in this paragraph. The disclosure should indicate that amounts are collected for the Investment Interests owners (and that, as at the date of the OM, the Issuer is the only Investment Interest owner).

[38] **Note:** Please consider revising to conform more closely to Section 17(4) of the FHPA.

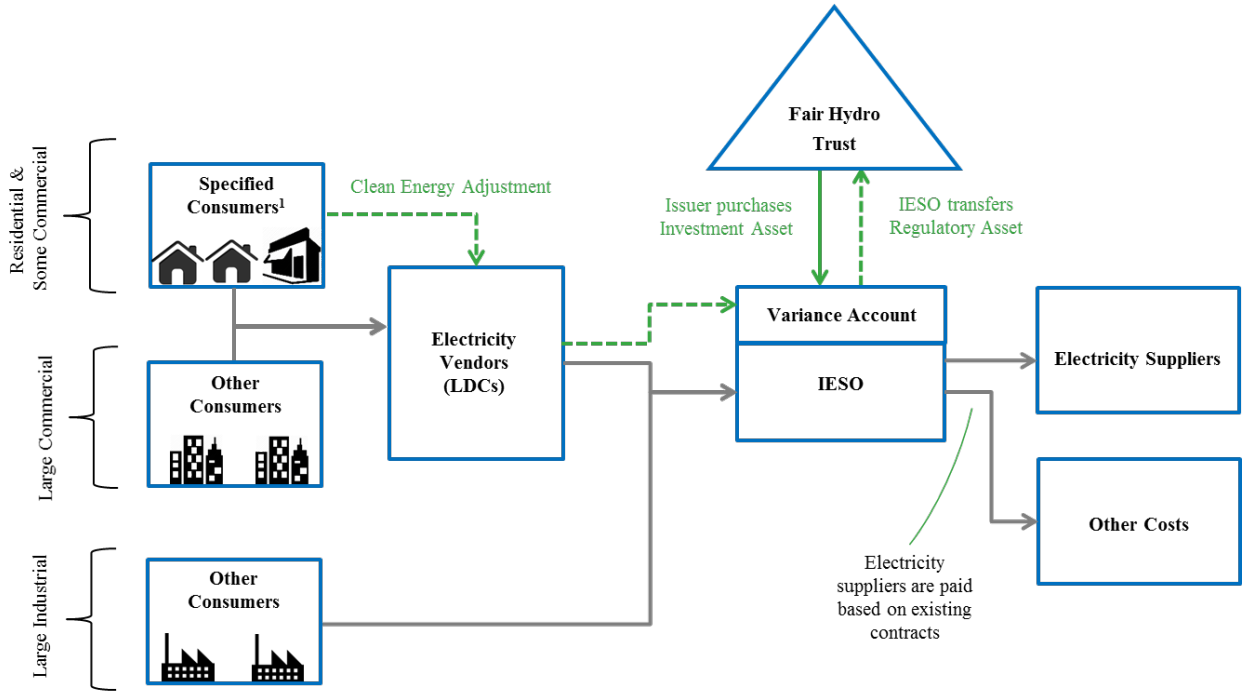
remitted to the Issuer to pay amounts owing on the Senior Notes and all other administrative and other financing expenses of the Issuer. From July 1, 2017 until April 30, 2021 (the "**Moratorium Period**"), no Clean Energy Adjustments are permitted to be collected from Specified Consumers. During the Moratorium Period, the sole source of funds for payment on the Senior Notes, and the Issuer's other Carrying Costs, will be the amounts the IESO is obligated to pay under the Regulations during such period.][40] See *"— IESO Payment of Carrying Costs during the Moratorium Period"* below. Once it starts being included on such invoices, the Clean Energy Adjustment will be collected until all outstanding Funding Obligations and other Finance Amounts have been repaid in full. Subject to the FHPA, the Clean Energy Adjustment will be collected and remitted to the Issuer to pay the Finance Amount, including the principal and interest on the Senior Notes and all other administrative and other financing expenses of the Issuer.

The following diagram illustrates the flow of funds under the Fair Hydro Plan.



[1] There is currently one Specified Consumer that is directly connected to the IESO and, accordingly, makes payments, including in respect of the Clean Energy Adjustment, directly to the IESO.

Fair Allocation Amount and Financing Plan

The FHPA was enacted to: (i) ensure that Clean Energy Costs and Clean Energy Benefits are fairly allocated among present and future Specified Consumers; (ii) recognize that Clean Energy Benefits have accrued and will accrue over time and will continue to benefit present and future electricity consumers in Ontario; and (iii) align Clean Energy Costs with Clean Energy Benefits, in order to provide fairness for Specified Consumers over time. Under the FHPA, the Minister of Energy calculates a "**Fair Allocation Amount**", which is an amount for every Reference Period that, among other things, allocates the estimated Clean Energy Costs in proportion to the relative attribution of Clean Energy Benefits among Specified Consumers.[41] Under the FHPA, the Minister of Energy is responsible for determining the Fair Allocation Amount prior to the incurrence of the first Funding Obligation. The Fair Allocation Amount may be changed from time to time in accordance with the FHPA , provided

[40] **Note:** This narrative should more precisely track the FHPA. The relevant provisions are Section 25(3) [*the IESO shall not be entitled to collect all or part of the balance recorded in the variance account from specified consumers before May 1, 2021*] and Section 21(4) [*limitation on the Financial Services Manager incurring funding obligations payable through Clean Energy Adjustments from July 1, 2017 to April 30, 2021*].

[41] **Note:** Please consider a description of the fair allocation amount that more closely aligns to Section 20(1) of the FHPA.

that no change of the Fair Allocation Amount shall affect any Clean Energy Adjustment that arises as a result of a Funding Obligation that has been incurred prior to such change.

OPG, as Financial Services Manager, is required to prepare a Financing Plan to evaluate whether and when potential Funding Obligations should be incurred by a Financing Entity to acquire an Investment Interest or for the purposes of a Refinancing. The Financial Services Manager is required to prepare the Financing Plan having regard to certain prescribed principles, including that Funding Obligations should be incurred such that, along with any Funding Obligations already incurred, the estimated Finance Amount that would, subject to any Refinancing, become due and payable during a Reference Period will reasonably align with the Fair Allocation Amount determined in respect of such Reference Period as of the date the Funding Obligations were incurred, after reducing the Fair Allocation Amount by the Readjustment Amount, if any, in respect of the Reference Period. In other words, the Financing Plan should contemplate the issuance of Funding Obligations from time to time, with terms that would result in Clean Energy Adjustments being payable by Specified Consumers that align with the purposes of the FHPA[, namely, to ensure that present and future Specified Consumers are bearing their fair share of the costs of providing Clean Energy Benefits][42]. Notwithstanding the above, the FHPA provides that each Funding Obligation is deemed to be consistent with the Financing Plan and to provide for the reasonable alignment of the estimated Finance Amount with the Fair Allocation Amount.

Currently, the Clean Energy Costs have been determined to exceed the Clean Energy Benefits, with the result that the Fair Allocation Amount is negative. This [means that the Minister of Energy has determined that current Specified Consumers have borne more than their fair share of Clean Energy Costs (with the consequent rate reduction for current Specified Consumers). The Fair Allocation Amount is expected to be negative until at least May 2024.][43] Accordingly, the Financing Plan does not currently contemplate the issuance of any Senior Notes maturing prior to May 2024. The Financial Services Manager may, however, determine to refinance Senior Notes maturing after May 2024 through the issuance of another Series of Senior Notes. If Senior Notes cannot be refinanced on or before the applicable Principal Payment Default Date, holders of such Senior Notes will have the ability to accelerate their Senior Notes resulting in Clean Energy Adjustments that would otherwise be used to pay the principal amount of subordinated indebtedness to holders of subordinated Notes being used to pay holders of accelerated Senior Notes.

The Financing Plan allows for the issuance of a variety of short and long term debt. See the Investor Presentation attached as Exhibit 1 to this confidential shelf offering memorandum for more details regarding the Financing Plan and the Fair Allocation Amount.

IESO Payment of Carrying Costs During the Moratorium Period

Commencing May 1, 2021, a charge in respect of the Clean Energy Adjustment will be included on invoices sent to Specified Consumers, and collected and remitted to the Issuer to pay amounts owing on the Senior Notes and all other administrative and financing expenses of the Issuer. During the Moratorium Period and extending to July 31, 2021,[44] the IESO, which is rated A(high) by DBRS Limited ("**DBRS**") and Aa2 by Moody's Investors Services, Inc. ("**Moody's**"), is required under the Regulations to pay and remit to the Issuer amounts charged to the IESO by the Issuer in respect of its Carrying Costs. Carrying Costs include all funding costs (such as interest on the Senior Notes) and other expenses of the Issuer, other than repayment of principal on any debt obligations of the Issuer (including repayment of principal on the Senior Notes).[45] The amounts paid by the IESO to fund these Carrying Costs will be recorded by the IESO in a variance account and form part of the Regulatory Asset that the IESO is expected to transfer to the Issuer in a subsequent period and, upon such transfer, will become part of the Issuer's Investment Interest pursuant to the Regulations.

Pursuant to the Master Transfer and Servicing Agreement, on or before the fourth business day of each calendar month, the Issuer will submit a carrying costs statement to the IESO certifying the amount of Carrying

[42] **Note:** Any description of the purpose of the FHPA should conform with the stated purposes of the Act set out in Section 3.

[43] **Note:** MOE to confirm.

[44] **Note:** Please clarify this disclosure for consistency with Section 9.1(1) of the General Regulation. This provision states that the IESO shall pay financing entity carrying costs in respect of the period beginning June 1, 2017 (before the Moratorium Period) and ending July 31, 2021.

[45] **Note:** Consider revising to conform with the definition of "carrying costs" in Section 9.1(3) of the General Regulation.

Costs estimated to be incurred by the Issuer in the following month. On or before the 14th business day following receipt of the Issuer's statement, the IESO is required to deliver the amount specified in the carrying costs statement to the Issuer. See *"The Transferor and Servicer"*. The IESO has a $2 billion unsecured credit facility provided by the Ontario Financing Authority, expiring ■, 20■, which is permitted to be used to pay the Issuer's Carrying Costs. Furthermore, as security for the performance of its obligations under the Regulations to pay the Issuer's Carrying Costs, the IESO has granted the Issuer a first-priority security interest in all of its accounts receivable, which includes the amounts receivable by the IESO from Electricity Vendors with respect to the global adjustment charge. See *"The Transferor and Servicer"*.

Other Statutory Protections

The FHPA provides certain protection and assurances in respect of the obligations of Specified Consumers to pay amounts in respect of the Clean Energy Adjustment. Generally, no action or omission by the OEB, the Minister of Energy or the Crown, and no regulation under the FHPA, will be effective to reduce, impair, postpone or terminate the obligations of Specified Consumers to pay amounts in respect of the Clean Energy Adjustment or to impair or postpone the invoicing, collection or remittance of the Clean Energy Adjustment. If an Electricity Vendor, the IESO or the Financial Services Manager, has failed, or will fail, to comply with the FHPA or the Regulations, the Issuer may apply to an Ontario court to make an order directing such party to comply and requiring compensation to be provided to the Issuer by such non-compliant party. Additional contractual protections are provided in the Change of Law Protection Agreement described below.

CHANGE OF LAW PROTECTION AGREEMENT

The following brief summary of certain provisions of the Change of Law Protection Agreement does not purport to be comprehensive or definitive. All references in this confidential shelf offering memorandum to the Change of Law Protection Agreement are qualified in their entirety by reference to the Change of Law Protection Agreement and the detailed provisions thereof. The Change of Law Protection Agreement may be reviewed at the principal office of the Issuer Trustee in Toronto, Ontario during normal business hours while any Senior Notes are outstanding.

Pursuant to the Change of Law Protection Agreement in favour of the Indenture Trustee, upon a Protection Event and delivery by the Indenture Trustee of a written payment demand, the Province of Ontario is required to make payments of amounts that are due and payable in respect of all Approved Obligations when due and payable into the Protection Account (as hereinafter defined). The Issuer and Indenture Trustee must ensure that amounts deposited into the Protection Account are applied to pay each Specified Creditor to whom an amount is due and payable under an Approved Obligation. The Province of Ontario's obligation to make such payments under the Change of Law Protection Agreement upon a Protection Event and delivery by the Indenture Trustee of a written payment demand is referred to as the "**Limited Guarantee**".

The payment obligations of the Province of Ontario under the Limited Guarantee differ depending on whether an Acceleration has occurred. If no Acceleration has occurred in respect of any Obligation Secured on or before a date on which the Province of Ontario is to perform the Limited Guarantee, the Change of Law Protection Agreement provides that the Province of Ontario is to pay the amounts due and payable on such date in respect of Approved Obligations. If an Acceleration has occurred in respect of any Obligation Secured on or before a date on which the Province of Ontario is to perform the Limited Guarantee, the Province of Ontario is to pay the amounts that would be available to be paid on such date in respect of the Approved Obligation on an applicable payment date in respect of the Approved Obligation under the applicable payment provisions of the Master Trust Indenture, determined on the assumption that the amount available for allocation to Specified Creditors in accordance with such applicable payment provisions of the Master Trust Indenture in respect of each relevant month during each Reference Period is equal to the estimated Finance Amount determined in respect of such Reference Period for purposes of [section 15(1) of the FHPA (in effect as at December 21, 2017), including section 6.1 of the General

Regulation under the FHPA (in effect as at December 21, 2017)][46], divided by the number of months in such Reference Period.

The Province of Ontario is not obligated to pay or indemnify the Indenture Trustee or any Specified Creditor for consequential, special or punitive damages, or for economic loss or loss of profits (provided that economic loss does not include payments of amounts that are due and payable in respect of the Notes).

Under the Change of Law Protection Agreement, the right to deliver a written payment demand on occurrence of a Protection Event to enforce the Limited Guarantee is the only remedy available to the Indenture Trustee (and to Specified Creditors, to the extent they are permitted to exercise any rights, interests or elections under and in accordance with the Master Trust Indenture). Specified Creditors are not permitted to exercise any rights, interests, or elections under the Change of Law Protection Agreement, other than in the manner and to the extent effected and exercised under, in accordance with and subject to the limitations set forth in the Master Trust Indenture as at December 21, 2017.

In connection with the provision of the Limited Guarantee, OPG, as Financial Services Manager, has entered into a process agreement with the Province of Ontario pursuant to which OPG is required to satisfy certain reporting and other requirements regarding the Issuer's incurrence of, and material amendments to, any Issuer Funding Obligations.

Protection Event

Each of the following constitutes a "**Protection Event**" under the Change of Law Protection Agreement:

(a)

(i) the Ontario legislature repeals, and does not replace on an equivalent basis, or amends, the FHPA, in whole or in part, as in effect on the date hereof;

(ii) the Ontario legislature enacts or amends any other statute;

(iii) the Lieutenant Governor in Council repeals, and does not replace on an equivalent basis, the regulations made under the FHPA, in whole or in part, as in effect on the date hereof;

(iv) the Lieutenant Governor in Council, a minister of the Crown, an official of the government or a board or commission all the members of which are appointed by the Lieutenant Governor in Council makes or amends any "regulation" (as defined in Part III of the *Legislation Act, 2006*) as in effect on the date hereof; or

(v) the implementation of a change in the organization or structure of the IESO or Ontario's electricity market undertaken at the initiative of the Province of Ontario or an entity controlled by the Province of Ontario,

in each case, that (X) adversely affects the ability of the Issuer to receive amounts in respect of its Investment Interest so that it can pay Approved Obligations when due and payable, in each case determined after taking into account and having regard to (i) any funds available at such time to apply to such Approved Obligations, including in any finance reserve account, capital account or collateral posting account applicable under a derivative agreement, (ii) the availability of any credit enhancement agreement to which the Issuer is a party and (iii) any reasonably expected potential effect of a True-up Amount in the Reference Period immediately following the occurrence of an event described in any of clauses (i) to (v) above, or (Y) adversely affects the enforceability of, or adversely changes, the terms and conditions of the Change of Law Protection Agreement or of any of the agreements under which Approved Obligations arise; or

[46] Perhaps this should instead cross-reference a more detailed description and explanation of the "Acceleration" mechanics under 6.1 of the Regulation.

(b) a court of competent jurisdiction determines that all or a portion of the FHPA or the Regulations, as in effect on the date hereof, is *ultra vires* or invalid in a way that adversely affects the ability of the Issuer to receive amounts in respect of its Investment Interest so that it can pay Approved Obligations when due and payable and that has the effect of the Issuer not in fact having sufficient funds to pay such Approved Obligations that have become due and payable, in each case determined after taking into account and having regard to (i) any funds available at such time to apply to such Approved Obligations, including in any finance reserve account, capital account or collateral posting account applicable under a derivative agreement, (ii) the availability of any credit enhancement agreement to which the Issuer is a party and (iii) any reasonably expected potential effect of a True-up Amount in the Reference Period immediately following the occurrence of an event described in this paragraph (b).

The occurrence of a Protection Event in and of itself will not result in the acceleration of the Senior Notes.

On a Protection Event and payment by the Province of Ontario of amounts in respect of Approved Obligations that are due and payable into the Protection Account, such deposited amounts are applied by the Issuer and Indenture Trustee in the priority of payments governed by the Master Trust Indenture.

Upon the Province of Ontario's payment of amounts in respect of Approved Obligations that are due and payable into the Protection Account, the Province of Ontario will be subrogated and entitled to all of the rights and interests of applicable Specified Creditors (including Noteholders) under and in respect of the Approved Obligations to the extent of the amounts paid. Applicable Specified Creditors in respect of whom amounts were deposited into the Protection Account will not have continuing rights, interests or entitlements (including rights as a secured party) in respect of Approved Obligations to the extent so paid; the Province of Ontario will be the absolute assignee of such rights. The Province of Ontario will have the right to be paid from the Issuer the amounts that the Province of Ontario paid in respect of the Approved Obligations ("**Subrogation Amounts**"), such Subrogation Amounts being payable in the same order of priority and with the same entitlements accruing to the Province of Ontario as applied to the amounts in respect of the Approved Obligations previously owing to Specified Creditors that the Province of Ontario has paid. The Province of Ontario will also be entitled to the benefit of the Collateral (as hereinafter defined) and proceeds therefrom to the extent of the amounts paid under the Limited Guarantee.

As payee of Subrogation Amounts, the Province of Ontario will be a Specified Creditor under the Master Trust Indenture and no person entitled under any Obligation Secured (including a Specified Creditor) that ranks equal with or subordinate to the Approved Obligation in respect of which the Province of Ontario is owed a Subrogation Amount will be entitled to make any claim or assert any right in or to the amounts paid or payable to the Province of Ontario, and no such person will have any right to the Collateral or any proceeds therefrom in respect of any Subrogation Amount. Further, the entitlements of the Province of Ontario to Subrogation Amounts arising in respect of Approved Obligations that are interest and principal obligations on Notes will be treated for all purposes of the Master Trust Indenture as interest and principal obligations, respectively, arising under Notes, having the same priority and any applicable voting rights as under the related Approved Obligations, and accordingly the Province of Ontario will be entitled to all of the rights, entitlements, interests and privileges of a holder of such Notes in accordance with the Master Trust Indenture, as supplemented by the supplemental indenture or other indenture document under which the related Approved Obligations were issued.

Approved Obligations & Adherence Conditions

Under the Management Agreement, the Manager is required to ensure that all obligations of the Issuer are and remain Approved Obligations under the Change of Law Protection Agreement.

An "**Approved Obligation**" under the Change of Law Protection Agreement means: (i) a Certified Primary Obligation if the adherence conditions applicable thereto have been satisfied at the time such obligation was incurred; (ii) all other Primary Obligations that are not Certified Primary Obligations (except any Primary Obligation to which the Limited Guarantee will not apply on or after delivery of a Suspension Notice as described below); and (iii) all Certified Primary Obligations that the Province of Ontario, in its sole discretion, designates in writing is an Approved Obligation.

A "**Primary Obligation**" under the Change of Law Protection Agreements means any Obligation Secured under the Master Trust Indenture (i) that is a Funding Obligation or (ii) that otherwise is a payment obligation of the Issuer that gives rise to a Finance Amount, in each case other than (x) any amounts required to be deposited by or on behalf of the Issuer into any capital account or finance reserve account; and (y) any obligation to pay the Issuer or on the Issuer's direction any remaining amounts in the Collection Account pursuant to the Master Trust Indenture.

A "**Certified Primary Obligation**" means a Primary Obligation: (i) incurred by or on behalf of the Issuer to fund its ownership of an Investment Interest, including any Refinancing, other than a Post-Suspension Refinancing or a Pre-Approved Refinancing (each as defined below), of such a Primary Obligation (for greater certainty, including, in the case of any Certified Primary Obligation permitting funding transactions pursuant to a Funding Obligation Agreement applicable to the Certified Primary Obligation, each individual borrowing or funding utilization thereunder), (ii) incurred by or on behalf of the Issuer upon the Issuer entering into a derivative agreement, in which case the Certified Primary Obligation therefor shall be the Master Agreement applicable to such derivative agreement and not any individual trade confirmation other than a trade confirmation that modifies or purports to override the express terms or conditions of the related Master Agreement, or (iii) incurred by or on behalf of the Issuer upon entering into a contract that has a term of more than three (3) years which is not terminable by the Issuer giving three (3) years' notice or less and expected (as determined by the Manager, acting reasonably) aggregate payments by the Issuer thereunder during the term of such contract are or would be in excess of $5,000,000 (that, for greater certainty, is not otherwise captured in clauses (i) and (ii) above).

The Limited Guarantee shall apply to all Certified Primary Obligations that meet the following adherence conditions:

(a) the Certified Primary Obligation when incurred is an Obligation Secured under the Master Trust Indenture;

(b) OPG, as Financial Services Manager, delivers a certificate to the Indenture Trustee on or before the incurrence of such obligation certifying, among other things, that OPG has delivered a certificate to the Province of Ontario confirming that OPG has complied with all of its obligations to the Province of Ontario and internal requirements and processes in connection with the adherence of the Limited Guarantee to the Certified Primary Obligation (an "**Adherence Compliance Certificate**"); and

(c) the Province of Ontario has not provided a Suspension Notice to the Indenture Trustee, OPG and the Issuer.

All Senior Notes shall constitute Obligations Secured under the Master Trust Indenture and therefore condition (a) above will be satisfied for all Offerings of Senior Notes. It will be a condition to any Offering of Senior Notes that OPG deliver the adherence certificate required pursuant to (b) above or that the Province of Ontario designates in writing that the Senior Notes are Approved Obligations. The Change of Law Protection Agreement provides that delivery of an adherence certificate shall be determinative of satisfaction of this adherence condition, notwithstanding that such certificate may include inaccuracies, be incomplete or otherwise be defective or deficient, and such certificate may be relied upon as conclusive evidence of same.

Suspension Notice & Post-Suspension Refinancings

The Change of Law Protection Agreement will remain in full force and effect until the indefeasible payment, observance and performance in full of the Approved Obligations.

However, in the following limited circumstances, the Province of Ontario may deliver a written notice (a "**Suspension Notice**") to the Indenture Trustee, the Financial Services Manager and the Issuer:

(a) an acceleration of Funding Obligations in accordance with the provisions of the Master Trust Indenture or an event of default, early amortization event, termination event or similar event or circumstance (including any event that with the passage of time or the giving of notice would become such an event) of or in respect of the obligations of any party under any Program Agreement;

(b) a default in the performance, or breach, of any covenants of OPG, as Financial Services Manager, or OPG, in its corporate capacity, in each case to the Province of Ontario in connection with its obligations to the Province of Ontario pursuant to internal requirements and processes in connection with the provision or adherence of the Limited Guarantee to or in respect of any Certified Primary Obligation and the expiration of any applicable cure period;

(c) a representation or warranty made by OPG or a certification made by one or more officers of OPG, in each case whether as Financial Services Manager or in its corporate capacity, to the Province of Ontario in connection with its obligations to the Province of Ontario and its internal requirements and processes in connection with the provision or adherence of the Limited Guarantee to or in respect of any Certified Primary Obligations, proves to be incorrect in any material respect on the date made and the expiration of any applicable cure period; or

(d) the Financial Services Manager no longer being the Manager or actions having been taken by or on behalf of the Indenture Trustee to remove the Financial Services Manager as the Manager;

If a Suspension Notice has been provided under the Change of Law Protection Agreement (the provision of such notice being a "**Suspension Event**"), the Limited Guarantee shall not apply in respect of: (i) any Primary Obligation incurred, excluding any Post-Suspension Refinancing, or (ii) any amendment of any Primary Obligation that has a Material Effect, unless otherwise agreed to by the Province of Ontario, in each case, on or after the time such Suspension Notice is delivered.

Following the occurrence of a Suspension Event, the Limited Guarantee shall continue to apply in respect of any Post-Suspension Refinancing; provided that prior to the Financing Entity incurring any Primary Obligation constituting a Post-Suspension Refinancing, the Manager shall provide the Province of Ontario with at least 30 days' notice of its intention to seek a Post-Suspension Refinancing and during such 30-day period the Province of Ontario may, but is not obligated to, offer to fund such Post-Suspension Refinancing or arrange for another Person to fund such Post-Suspension Refinancing on the same terms as set out in the notice or on such other terms as may be considered by the Province of Ontario to be not more onerous on the Financing Entity and that are acceptable on that basis to the Financing Entity, acting reasonably.

A "**Post-Suspension Refinancing**" means a Funding Obligation that is an Obligation Secured and that is incurred on or after the occurrence of a Suspension Event in compliance with the requirements of the Change of Law Protection Agreement, as a Refinancing of one or more Series of Approved Obligations (including any Pre-Approved Refinancing incurred on or after the occurrence of a Suspension Event), in each case the proceeds of which, together with any other funds that may be available, are used solely for the purpose of paying in full such Series of Approved Obligations and any costs and expenses associated with such Refinancing.

A "**Pre-Approved Refinancing**" means a Refinancing of a Certified Primary Obligation in respect of which the Province of Ontario has, prior to the incurrence of such Certified Primary Obligation, agreed shall be an Approved Obligation, subject to compliance with such conditions and requirements as may be specified in such agreement.

A "**Material Effect**" means a material adverse effect on the obligations or the rights of the Province of Ontario under the Limited Guarantee that relates to, and in each case, differs in any material respect from the terms or conditions applicable to any transaction document which was previously provided to the Province of Ontario, the following: (i) the timing of or circumstances under which Primary Obligations would or may become due or accrue (including as a result of any default, acceleration, termination, wind-up, liquidation or realization) that, in each case, is inconsistent with the Fair Allocation Amount; (ii) the appointment, obligations or duties of OPG as the Manager; (iii) the existence, powers or authority of the Issuer or the Issuer Trustee; (iv) the obligations of the Indenture Trustee to or in respect of the Province of Ontario as a Specified Creditor; (v) the payment provisions and associated priorities set forth in the Master Trust Indenture; (vi) compliance by the Financial Services Manager with the then applicable Financing Plan; (vii) compliance by the Financial Services Manager or the Issuer with the FHPA or the Regulations; or (viii) the Province of Ontario's rights of subrogation or assignment or its interests as a subrogee or an assignee, that would arise as a result of performing the Limited Guarantee in respect of the applicable Primary Obligation.

Accordingly, notwithstanding delivery of a Suspension Notice, the Limited Guarantee shall continue to apply to: (i) any Approved Obligations that were incurred prior to the Suspension Event and (ii) any Funding Obligations incurred by the Issuer following a Suspension Event if the terms and conditions of the Change of Law Protection Agreement are satisfied and the proceeds of such incurrence are to be used for the purpose of repaying one or more series of Approved Obligations. Accordingly, subject to compliance with the Change of Law Protection Agreement, any Senior Notes or other Funding Obligations that may be issued following a Suspension Event to refinance Senior Notes that were Approved Obligations issued prior to a Suspension Event will continue to have the benefit of the Limited Guarantee.

THE ISSUER

The Issuer is an unincorporated open-ended unit trust governed by the laws of the Province of Ontario pursuant to a declaration of trust made December 20, 2017 (the "**Declaration of Trust**"). Computershare Trust Company of Canada (the "**Issuer Trustee**") is the sole trustee of the Issuer, which is a Financing Entity established to incur Funding Obligations for the purpose of acquiring Investment Interests pursuant to the FHPA. The principal business address and head office of the Issuer is in Ontario, in the care of the Issuer Trustee at the following address: 100 University Avenue, 11th Floor, Toronto, Ontario M5J 2Y1.

The following brief summary of certain provisions of the Declaration of Trust does not purport to be comprehensive or definitive. All references in this confidential shelf offering memorandum to the Declaration of Trust are qualified in their entirety by reference to the Declaration of Trust and the detailed provisions thereof. The Declaration of Trust may be reviewed at the principal office of the Issuer Trustee in Toronto, Ontario during normal business hours while any Senior Notes are outstanding.

The Declaration of Trust establishes the Issuer to carry on activities for the exclusive benefit of its unitholders, FHP2017 Inc., a wholly-owned subsidiary of OPG, and BNY Trust Company of Canada, the Indenture Trustee under the Master Trust Indenture (collectively, the "**Unitholders**"). The beneficial interest and rights generally of the Unitholders in the Issuer are limited to the right to participate in distributions when and as declared by the Issuer Trustee and distributions upon the termination of the Issuer. The legal ownership of the trust property and the right to conduct the activities of the Issuer are vested exclusively in the Issuer Trustee and no Unitholder has any right of ownership in any of the trust property. Except in limited circumstances provided in the Declaration of Trust, no Unitholder is entitled to interfere with or give any direction to the Issuer Trustee with respect to the affairs of the Issuer or in connection with the exercise of any powers or authorities conferred upon the Issuer Trustee under the Declaration of Trust. The Issuer Trustee will generally have, free from any power or control on the part of the Unitholders, full authority over the trust property and the activities of the Issuer to the same extent as if the Issuer Trustee were the sole and absolute owner thereof. The Unitholders will also not be subject to any liability arising out of the activities of the Issuer.

The Issuer Trustee, on behalf of the Issuer, has entered into a management agreement with OPG, as Manager, whereby all of the powers and duties of managing the Issuer have been delegated to the Manager. See *"The Manager."*

The permitted activities of the Issuer are limited to:

(a) acquiring, owning, holding, administering or entering into agreements regarding the acquisition and servicing of Investment Interests, along with certain other related assets;

(b) managing, selling, assigning, pledging and collecting amounts due on or otherwise dealing with Investment Interests and certain other related assets in accordance with the terms of the Program Agreements;

(c) negotiating, authorizing, executing, delivering, assuming the obligations under and performing its duties under the Program Agreements;

(d) filing with any applicable securities commission one or more prospectuses, offering memoranda, registration statements or documents necessary or desirable to register one or more series of Funding Obligations under the securities laws of any applicable jurisdiction;

(e) authorizing, executing, delivering, issuing and registering one or more series of Funding Obligations;

(f) making payments on Funding Obligations;

(g) pledging its interest in Investment Interests and related assets to the Indenture Trustee in order to secure Funding Obligations; and

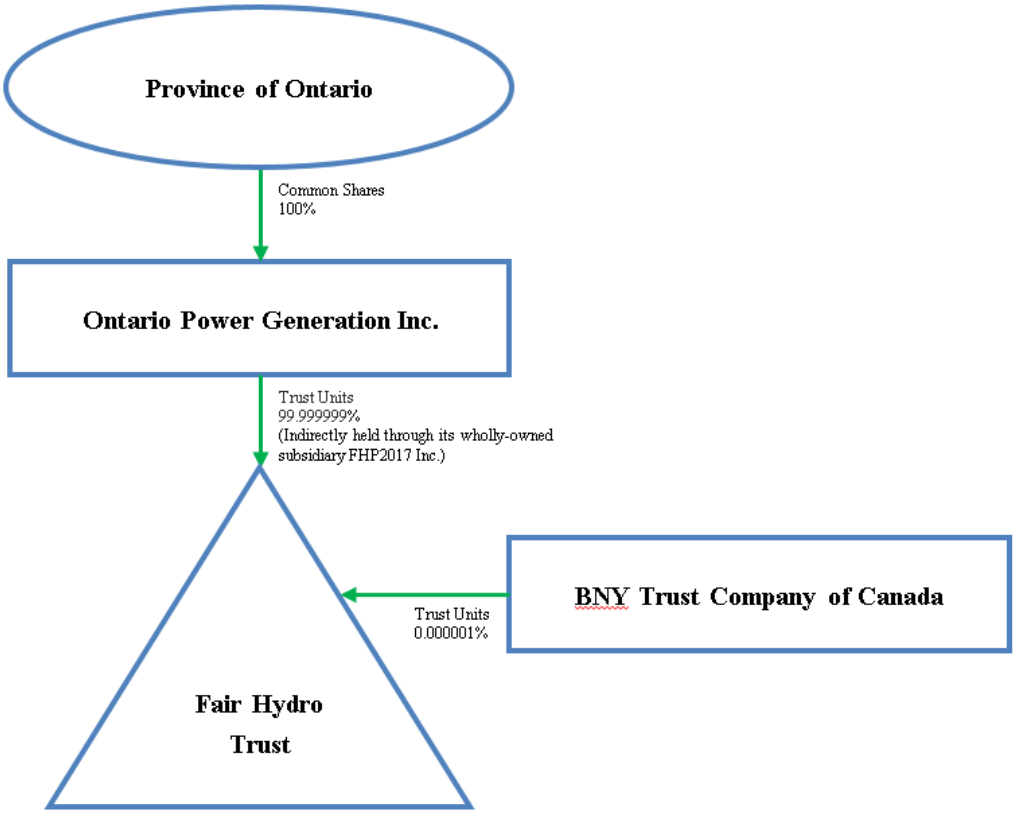
(h) engaging in any lawful act or activity that is incidental to the above-mentioned purposes.

The Issuer Trustee may amend the Declaration of Trust under specified circumstances without the consent of Unitholders provided (i) the amendment will not materially adversely affect the interest of any Unitholder, unless that Unitholder has approved of the amendment in writing, and (ii) in respect of any material amendment, the Rating Agency Condition has been satisfied. The Issuer Trustee is required to provide the Rating Agencies and the Indenture Trustee with a copy of any amendment, variation, supplement, replacement or restatement of the Declaration of Trust.

The consent of the Indenture Trustee, in addition to all other Unitholders, will be required to wind up the Issuer or voluntarily institute or consent to insolvency proceedings against the Issuer while any Funding Obligations remain outstanding. The Issuer Trustee may be removed by the Unitholders at any time by notice in writing delivered to the Issuer Trustee not less than 90 days prior to the date such removal is to take effect. The Issuer Trustee may also be removed by the Unitholders with no prior written notice if it becomes bankrupt or insolvent or it is unable to exercise its duties under the Declaration of Trust. The Issuer Trustee may resign on 120 days' prior written notice to the Unitholders, the Indenture Trustee and the Rating Agencies. No such resignation will be effective until a replacement issuer trustee acceptable to the Unitholders and the Indenture Trustee has been appointed and the Rating Agency Condition has been satisfied.

Each of the Issuer Trustee and its directors, officers, agents, representatives and employees will be indemnified from and against all claims (including any claim arising out of the assessment of any tax on income by a taxing authority), demands, levies, penalties, suits, losses, actions, causes of action, costs, charges, fees and expenses, damages and liabilities whatsoever arising out of, among other things, any action or omission in relation to the execution of the duties of the Issuer Trustee or in relation to the trust property or the activities of the Issuer, except, in each case, for wilful misconduct, gross negligence or failure to comply with the standard of care established by the Declaration of Trust.

The following diagram illustrates the structure of the Issuer and its affiliates.



THE MANAGER

OPG has entered into a management agreement with the Issuer dated as of December 20, 2017 (the "**Management Agreement**") pursuant to which the Issuer has delegated to OPG, as Manager, all of the powers and duties of managing the Issuer. The following brief summary of certain provisions of the Management Agreement does not purport to be comprehensive or definitive. All references in this confidential shelf offering memorandum to the Management Agreement are qualified in their entirety by reference to the Management Agreement and the detailed provisions thereof. The Management Agreement may be reviewed at the principal office of the Issuer Trustee in Toronto, Ontario during normal business hours while any Senior Notes are outstanding.

The powers and duties delegated to the Manager under the Management Agreement include, among others:

(a) negotiating and executing, on behalf of the Issuer, the Program Agreements;

(b) maintaining accounts and banking records;

(c) enforcing the rights of the Issuer under the Program Agreements and the FHPA;

(d) determining, in accordance with the Financing Plan, when it is appropriate for the Issuer to incur Funding Obligations;

(e) ensuring that all Primary Obligations of the Issuer are and remain Approved Obligations;

(f) administering all activities of the Issuer in connection with the issuance, sale, payment, repurchase and redemption of the Issuer's Funding Obligations;

(g) preparing, in accordance with applicable securities laws, any offering documents to be furnished by the Issuer to prospective purchasers of Funding Obligations, including the Senior Notes, and ensuring that all statements of the Issuer made therein are at all times true and correct in all material respects;

(h) arranging for compliance by the Issuer with any continuous disclosure obligations;

(i) arranging for the retention of legal counsel, accountants and an auditor for the Issuer;

(j) preparing financial statements and paying taxes on behalf of the Issuer;

(k) preparing a monthly portfolio report setting out information regarding incoming and outgoing cash flows; and

(l) providing such other services as are incidental to the foregoing or as may be agreed upon between the Issuer and the Manager.

The Manager is also required to work with the IESO to develop, on or before January 31, 2020, a written implementation plan identifying the actions to be taken by the IESO and the Issuer to facilitate the OEB, the Issuer, the IESO and Electricity Vendors being prepared to perform their obligations under the FHPA and the Regulations when setting, invoicing and collecting the Clean Energy Adjustment. The Manager will deliver written progress reports to the Issuer and the Indenture Trustee on the status of the implementation plan on or before June 30, 2020, October 31, 2020 and January 31, 2021.

Following the Moratorium Period, the Manager will review a monthly servicer report required to be delivered to the Issuer by the IESO under the Master Transfer and Servicing Agreement and make commercially reasonable efforts to resolve any Electricity Vendor failures or discrepancies identified in such report that have not been remedied or adequately explained by Electricity Vendors. The Manager is obligated to institute any proceedings necessary to compel performance by Electricity Vendors of any obligations or duties under the FHPA and the Regulations, including with respect to the invoicing, collection and remittance of Clean Energy Adjustment amounts. Commencing May 1, 2021 and pursuant to its rights under the Regulations, [47] the Manager shall review, or cause to be reviewed, on an annual basis, or less frequently as may be determined by the Manager and subject to satisfaction of the Rating Agency Condition, the records maintained by Electricity Vendors with respect to the Clean Energy Adjustment and if there is evidence of material non-compliance by an Electricity Vendor, the Manager will promptly review or cause to be reviewed the records of such Electricity Vendor.

The Manager is obligated to perform its duties under the Management Agreement diligently and in conformity with the Issuer's obligations under each of the Program Agreements and with the FHPA and the Regulations, as applicable, and honestly, in good faith and in the best interest of the Issuer. The Manager must exercise the degree of care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances.

In addition to the powers and duties delegated to OPG pursuant to the Management Agreement, OPG has also agreed to comply with its duties under the FHPA in its capacity as Financial Services Manager, including:

(a) preparing the Financing Plan to evaluate whether potential Funding Obligations should be incurred by Financing Entities for the purposes of acquiring Investment Interests in accordance with the FHPA or for the purposes of a Refinancing;

(b) determining the amounts of the Clean Energy Adjustment, inclusive of any True-up Amount;

(c) calculating the True-up Amount;

[47] Please confirm the source of the right to review electricity vendor records under the Regulations. If this refers to Section 10(4) of the General Regulation, the right is that of the Issuer or the FSM.

(d) notifying the OEB of the Clean Energy Adjustment, inclusive of any True-up Amount;

(e) administering the Investment Interests on behalf of Financing Entities in accordance with the Program Agreements;

(f) ensuring that Funding Obligations are incurred in a manner that is consistent with the Financing Plan; and

(g) establishing and charging fees for the services provided under the Management Agreement.

Subject to OEB approval and the Regulations, OPG is entitled to charge the Issuer a fee, comprised of a base fee and a variable fee, to earn a return and to recover costs and expenditures incurred by OPG on behalf of the Issuer or in relation to the establishment, management and administration of the Issuer and its Investment Interest. The priority of the Manager's entitlement to fees is subject to the payment priorities set forth in the Master Trust Indenture.

The Manager is not entitled to resign from its duties or terminate the Management Agreement as long as Funding Obligations remain outstanding. The Manager may be terminated by the Issuer Trustee, with the consent of the Indenture Trustee, or by the Indenture Trustee in accordance with the Master Trust Indenture. No termination of the Manager will be effective until a replacement manager that satisfies the Rating Agency Condition has been approved and has entered into a management agreement with the Issuer whereby the replacement manager agrees to assume, in substance, the obligations of the Manager under the Management Agreement. If the Manager ceases to perform, or inadequately performs, its management duties under the Management Agreement, it might be difficult to find a replacement for the Manager or a successor manager. See "*Risk Factors − Payments on the Senior Notes depend on the performance of OPG as Financial Services Manager and Manager of the Issuer.*"

The Manager shall provide to the Issuer Trustee an annual certificate confirming compliance with certain matters, including: (i) accurate maintenance of the books and records of the Issuer; (ii) all debt obligations and expenses due and payable by the Issuer have been paid to date; (iii) all required filings with tax and regulatory authorities have been completed to date; and (iv) all material statements and reports to be delivered by the Issuer under the Program Agreements have been delivered and all material statements and reports to be received by the Issuer under the Program Agreements have been received.

The Manager indemnifies the Issuer under the Management Agreement for any losses incurred by the Issuer as a result of the failure of the Manager to perform its obligations under the Management Agreement or any breach by the Manager of its representations and warranties under the Management Agreement or any other Program Agreement to which it is a party, except to the extent such losses result from the willful misconduct, bad faith or gross negligence of the Issuer. Notwithstanding the foregoing, the Manager is not obligated to indemnify the Issuer under the Management Agreement for any losses resulting from: (i) a breach or failure to perform by a third party under any Program Agreement, the FHPA or the Regulations (excluding any delegation by the Manager under the Management Agreement to a third party); (ii) changes in law, (iii) the validity or applicability of the Change of Law Protection Agreement; (iv) the collectability or sufficiency of the Clean Energy Adjustment or Carrying Costs to satisfy the Issuer Funding Obligations, including the Senior Notes; or (v) any liability of the Issuer incurred after termination of the Management Agreement unless attributable to the actions or omissions of the Manager prior to such termination or in respect of a representation, warranty or covenant that survives such termination.

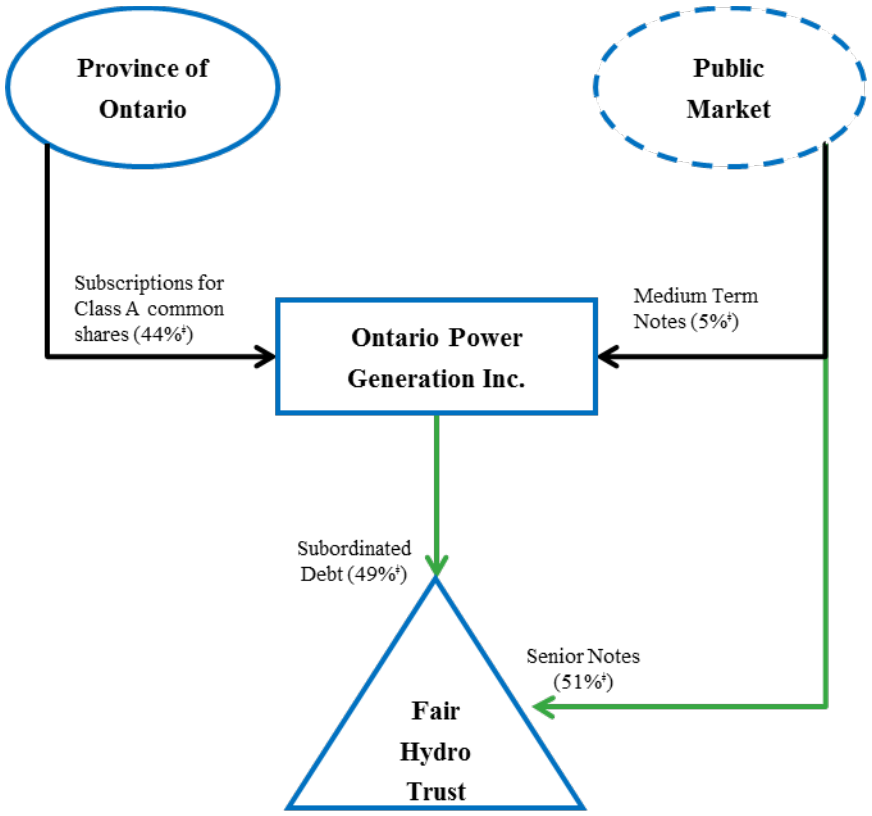
SUBORDINATED DEBT

Concurrent with every issuance of senior debt by the Issuer, including any Offering of Senior Notes, it is expected that OPG will subscribe for subordinated debt and junior subordinated debt of the Issuer in an amount of no more than 49% of all of the Issuer's Funding Obligations, approximately 44% of which is expected to be funded through equity investments in OPG by the Province of Ontario with the remaining approximate 5% being funded from OPG's available funds, including all or a portion of the proceeds of any offerings by OPG of medium term notes).

Under the Master Trust Indenture, the Issuer will be required at all times to ensure that: (i) the aggregate outstanding principal amount of all subordinated debt and junior subordinated debt be equal to not less than 35% of the aggregate outstanding principal amount of all of the Issuer's Funding Obligations; and (ii) the aggregate outstanding principal amount of all junior subordinated debt be equal to not less than 10% of the aggregate outstanding principal amount of all of the Issuer's Funding Obligations.

The Issuer is structured to be bankruptcy remote from OPG insofar as none of OPG, its subsidiaries or holders of its indebtedness will have any recourse whatsoever against the Issuer or its assets other than OPG's rights and remedies as a holder of subordinated debt of the Issuer in accordance with the provisions of that indebtedness. From an accounting perspective, however, the Issuer will be consolidated with OPG.

The following diagram illustrates the expected structure of OPG's investments in subordinated debt of the Issuer.



‡ OPG will acquire up to 49% of the Issuer's outstanding debt in the form of subordinated debt. Actual amounts may vary if OPG acquires less than 49% of the Issuer's outstanding debt.

SHORT TERM INDEBTEDNESS

On December 21, 2017, the Issuer entered into the following supplemental indentures under the Master Trust Indenture for the provision of an aggregate of approximately $1.56 billion in short term indebtedness (collectively, the "**Warehouse Facilities**"), of which a total of $1.179 billion is drawn as of the date hereof:

(i) a warehouse senior series 2017-1 supplemental indenture with, among others, Royal Bank of Canada, as administrative agent for certain commercial paper conduit purchasers and financial institutions named therein, for the provision of an aggregate maximum principal amount of $800,000,000 floating rate variable funding Senior Notes, Series 2017-1 ("**Senior Notes, Series 2017-1**"), of which $601,290,000 is drawn;

(ii) a warehouse subordinated series 2017-1 supplemental indenture with, among others, OPG for the provision of an aggregate maximum principal amount of $611,764,705.88 floating rate variable funding Subordinated Notes, Series 2017-1 ("**Subordinated Notes, Series 2017-1**"), of which $459,810,000 is drawn; and

(iii) a warehouse junior subordinated series 2017-1 supplemental indenture with, among others, OPG for the provision of an aggregate maximum principal amount of $156,862,745.10 floating rate variable funding Junior Subordinated Notes, Series 2017-1 ("**Junior Subordinated Notes, Series 2017-1**"), of which $117,900,000 is drawn.

The issuance of Senior Notes, Series 2017-1, Subordinated Notes, Series 2017-1 and Junior Subordinated Notes, Series 2017-1 under the Warehouse Facilities described above were used to acquire a $1.179 billion Investment Interest from the IESO on December 21, 2017.

THE TRANSFEROR AND SERVICER

The IESO has entered into a master transfer and servicing agreement with the Issuer dated as of December 21, 2017 (the "**Master Transfer and Servicing Agreement**") pursuant to which the IESO may periodically transfer specified portions of the Regulatory Asset to the Issuer. Additional information regarding the IESO, including its most recently published financial statements, is available at www.ieso.ca. Such information does not form part of this confidential shelf offering memorandum and neither the Issuer nor the Agents guarantee the accuracy of such information or has independently verified the accuracy or completeness of any such information or to determine if there has been any omission by the IESO to disclose any facts, information or events which may affect the significance or accuracy of any such financial statements or other information.

The following brief summary of certain provisions of the Master Transfer and Servicing Agreement does not purport to be comprehensive or definitive. All references in this confidential shelf offering memorandum to the Master Transfer and Servicing Agreement are qualified in their entirety by reference to the Master Transfer and Servicing Agreement and the detailed provisions thereof. The Master Transfer and Servicing Agreement may be reviewed at the principal office of the Issuer Trustee in Toronto, Ontario during normal business hours while any Senior Notes are outstanding.

Under the Master Transfer and Servicing Agreement, the IESO may offer, no more frequently than monthly, to transfer to the Issuer its right, title and interest in, to and under a specified portion of the Regulatory Asset. The Issuer has the right, but not the obligation, to accept the IESO's offer. The IESO is responsible for servicing the Issuer's Investment Interest in accordance with the Regulations and the Master Transfer and Servicing Agreement. Its responsibilities including, among others:

(a) establishing a segregated account to be used for the sole purpose of collecting the Clean Energy Adjustment in respect of the Issuer's Investment Interest and making commercially reasonable efforts to cause Electricity Vendors to do the same;

(b) making commercially reasonable efforts to cause each Electricity Vendor to establish procedures for the invoicing of amounts in respect of the Clean Energy Adjustment;

(c) responding to inquiries by Electricity Vendors with respect to the Clean Energy Adjustment and amounts payable in respect thereof;

(d) reviewing reports submitted to the IESO by Electricity Vendors regarding the collection of Clean Energy Adjustment amounts for material manifest discrepancies;

(e) contacting Electricity Vendors on the occurrence of certain events;

(f) holding Clean Energy Adjustment amounts collected in respect of the Issuer's Investment Interest in trust for the benefit of the Issuer and remitting such amounts to the Issuer on a monthly basis, subject to daily remittance being required in certain limited circumstances;

(g) together with the Issuer, settling a form of monthly servicer report to be provided to the Issuer; and

(h) forecasting the electricity consumption of Specified Consumers and providing such forecast information to the OEB and the Issuer.

While the IESO provides no guarantee that collections of the Clean Energy Adjustment from Electricity Vendors will equal amounts invoiced or that the Clean Energy Adjustment amounts will be sufficient to satisfy the Issuer's Funding Obligations, the IESO must follow standards, policies and procedures in performing its servicing duties that are customary for an electricity market operator and administrator that regularly performs settlement functions.

The IESO is required to work with the Manager to develop, on or before January 31, 2020, a written implementation plan identifying the actions to be taken by the IESO and the Issuer to facilitate the OEB, the Issuer, the IESO and Electricity Vendors being prepared to perform their obligations under the FHPA and the Regulations when setting, invoicing and collecting Clean Energy Adjustment amounts. The IESO and the Manager will deliver to the Issuer written progress reports on the status of the implementation plan on or before June 30, 2020, October 31, 2020 and January 31, 2021. The IESO is also required to work with the Issuer to settle a form of monthly servicer report, which will be provided to the Manager on or before the 20th business day after the end of each month in which Clean Energy Adjustment amounts are collected by Electricity Vendors from Specified Consumers, and which report is expected to contain available information regarding the Clean Energy Adjustment amounts billed, collected and remitted by Electricity Vendors, actual electricity consumption compared to forecast electricity consumption and such other information as may be agreed to by the IESO.

Generally, all servicing duties provided by the IESO to the Issuer are provided at no cost to the Issuer.[48] However, the Issuer will reimburse the IESO for its direct costs relating to the performance by the IESO of its duties and obligations under the Master Transfer and Servicing Agreement that are not otherwise recovered by the IESO under the *Electricity Act, 1998* (Ontario), excluding any costs relating to the performance of the IESO's duties and obligations under the FHPA or the Regulations, including its obligation to pay the Issuer's Carrying Costs.

During the Moratorium Period and extending to July 31, 2021, the IESO, which is rated A(high) by DBRS and Aa2 by Moody's is required under the Regulations to pay and remit to the Issuer amounts charged to the IESO by the Issuer in respect of its Carrying Costs. Under the Regulations, Carrying Costs include all funding costs, such as interest on the Senior Notes, and other expenses of the Issuer, other than repayment of principal on any debt obligations of the Issuer, including repayment of principal on the Senior Notes.[49] Pursuant to the Master Transfer and Servicing Agreement, on or before the fourth business day of each calendar month, the Issuer will submit a carrying costs statement to the IESO certifying the amount of Carrying Costs estimated to be incurred by the Issuer in the following month. On or before the 14th business day following receipt of the Issuer's carry costs statement, the IESO is required to deliver the amount specified therein to the Issuer. The IESO has a $2 billion unsecured credit facility provided by the Ontario Financing Authority, expiring ■, 20■, which is permitted to be used to pay the Issuer's Carrying Costs.

As security for the performance of its obligation to pay the Issuer's Carrying Costs, the IESO has granted the Issuer a first-priority security interest in all of its accounts receivable, which includes the amounts receivable by the IESO with respect to the global adjustment charge. The amounts paid by the IESO to fund these Carrying Costs will be recorded by the IESO in a variance account and form part of the Regulatory Asset which is expected to be offered by the IESO for transfer to the Issuer in a subsequent period and, upon completion of such transfer, shall become part of the Issuer's Investment Interest pursuant to the Regulations.

As security for any failure of Non-Investment Grade Rated Electricity Vendors to remit Clean Energy Adjustment amounts collected under the FHPA, the IESO is required, pursuant to the Master Transfer and Servicing Agreement, to provide to the Issuer on or prior to the first day of the first billing period when the Clean Energy

[48] **Note:** Please confirm.

[49] **Note:** Consider a description of "carrying costs" that conforms to the definition set out in Section 9.1(3) of the General Regulation. Also note that the Glossary defines "Carrying Costs" as having the meaning ascribed to the term in the Regulations.

Adjustment is being invoiced to Specified Consumers, a letter of credit from a provider that satisfies the Rating Agency Condition or a performance guarantee or such other form of security that is acceptable to the Issuer and that satisfies the Rating Agency Condition. A "**Non-Investment Grade Rated Electricity Vendor**" means any Electricity Vendor that does not have a rating of: (i) "Baa3" or higher by Moody's, unless otherwise agreed to by Moody's; and (ii) "BBB(low)" or higher by DBRS, unless otherwise agreed to by DBRS.

The amount of security required from the IESO will be calculated on an annual basis and will be equal to the amount determined by the following formula:

((A / B) x C x D / 365 x E)

where A, B, C, D and E are as follows:

A = for the most recently completed twelve-month period, the aggregate amount of energy consumed by Specified Consumers of all Non-Investment Grade Rated Electricity Vendors.

B = for the same twelve-month period used for A, the aggregate amount of energy consumed by all Specified Consumers.

C = for the most current twelve-month forecast period available, the Clean Energy Adjustment amounts estimated to be payable by all Specified Consumers.

D = 45, representing the estimated number of days that total Clean Energy Adjustment amounts are expected to be held by Electricity Vendors.

E = 0.50 or another value as mutually agreed to in writing by the Issuer and the IESO and that satisfies the Rating Agency Condition.

The Master Transfer and Servicing Agreement sets out specific servicer defaults. Upon the occurrence of a servicer default, the Issuer will be entitled to appoint a replacement servicer that will perform the IESO's duties as servicer under the Master Transfer and Servicing Agreement. Any replacement servicer must be permitted under the FHPA to perform the duties of servicer, the Rating Agency Condition must be satisfied and the replacement servicer must enter into a master transfer and servicing agreement with the Issuer having substantially the same terms as the Master Transfer and Servicing Agreement.

The IESO has agreed to indemnify the Issuer for any losses incurred by the Issuer as a result of the failure of the IESO to perform its obligations under the Master Transfer and Servicing Agreement or any other Program Agreement to which it is a party or the breach by the IESO of any of its representations or warranties under the Master Transfer and Servicing Agreement or any other Program Agreement to which the IESO is a party, except to the extent such losses result from the willful misconduct, bad faith or gross negligence of the Issuer. Notwithstanding the foregoing, the IESO is not obligated to indemnify the Issuer under the Master Transfer and Servicing Agreement for any losses resulting from: (i) a breach or failure to perform by a third party under any Program Agreement, the FHPA or the Regulations (excluding any delegation by the IESO under the Master Transfer and Servicing Agreement to a third party); (ii) changes in law, (iii) the collectability or sufficiency of the Clean Energy Adjustment to satisfy the Issuer's Funding Obligations, including the Senior Notes; or (iv) any liability of the Issuer incurred after termination of the Master Transfer and Servicing Agreement unless attributable to the actions or omissions of the IESO prior to such termination or in respect of a representation, warranty or covenant that survives such termination.

CREDIT RATINGS

Credit ratings are intended to provide investors with an independent measure of the credit quality of securities and are indicators of the likelihood of the payment capacity and willingness of an issuer to meet its financial commitment on an obligation in accordance with the terms of such obligation. The credit ratings accorded to the Senior Notes are not recommendations to purchase, hold or sell such securities inasmuch as such ratings are not a comment upon the market price of the securities or their suitability for a particular investor. There is no

assurance that any rating will remain in effect for any given period of time or that any rating will not be revised or withdrawn entirely by a rating agency in the future if, in its judgment, circumstances so warrant.

The Term Sheet for each Offering will identify the rating of the applicable Senior Notes at the time of such Offering.

RATING AGENCY CONDITION

The Program Agreements provide that certain actions are subject to the "**Rating Agency Condition**". In each such case, satisfaction of the Rating Agency Condition requires: (a) that the Issuer has delivered written notice of the proposed action to the Rating Agencies at least ten business days prior to the effective date of such action; and (b) that the Rating Agencies shall have informed the Issuer prior to the effective date of such action that such action will not result in the reduction or withdrawal of the rating in effect with respect to the Notes immediately before the taking of such action. If the Rating Agency Condition is to be satisfied without specifying one or more specific Series or Tranches of Notes, the Rating Agency Condition must be satisfied with respect to all outstanding Series or Tranches of Notes.

CAPITAL MARKETS PLATFORM

The Financial Services Manager has developed a Financing Plan for the Issuer which encompasses an ongoing program which allows for the issuance of a variety of short and long term debt, as well as interest rate and currency swaps and other hedging instruments.

The Master Trust Indenture establishes common security and a set of common covenants given by the Issuer for the benefit of all of its creditors. Notes are issued under Supplemental Indentures and in certain cases, Terms Documents. Borrowings are incurred pursuant to liquidity agreements or loan agreements. Notes and Borrowings incurred by the Issuer are Issuer Funding Obligations. Each Issuer Funding Obligation will be part of a Class and Series of Issuer Funding Obligations, and may include one or more Tranches. A Class designation determines the relative seniority for receipt of cash flows. See "*— Subordination Provisions*", "*— Payment Waterfalls Prior to Acceleration*" and "*— Acceleration and Remedies — Payment Waterfall Upon Acceleration*". Tranches of Issuer Funding Obligations may differ from each other as to the interest rate, maturity and the timing, sequential order and amount of payments of principal or interest, or both.

The following summary of the principal provisions contained in the Master Trust Indenture does not purport to be comprehensive or definitive. This overview summarizes certain provisions of the Master Trust Indenture and omits descriptions of many provisions which may be considered to be of a customary nature. All references in this confidential shelf offering memorandum to the Master Trust Indenture are qualified in their entirety by reference to the Master Trust Indenture and the detailed provisions thereof. The Master Trust Indenture may be reviewed at the principal office of the Issuer Trustee in Toronto, Ontario during normal business hours while any Notes are outstanding.

Indenture Trustee

BNY Trust Company of Canada, a trust company governed by the laws of Canada, is the Indenture Trustee under the Master Trust Indenture.

Under the terms of the Master Trust Indenture, the Issuer has agreed to pay the Indenture Trustee reasonable compensation for the performance of its duties under the Master Trust Indenture. The Indenture Trustee has agreed to perform only those duties expressly set forth in the Master Trust Indenture. Many of the duties of the Indenture Trustee are described throughout this confidential shelf offering memorandum. Under the terms of the Master Trust Indenture, the Indenture Trustee's limited responsibilities include the following:

- to authenticate, deliver, cancel and otherwise administer the Notes;
- to serve as the registrar in respect of the Notes;

- to establish and maintain all Issuer Accounts and to maintain accurate records of activity in those accounts;

- to serve as the Paying Agent and distribute and transfer funds at the direction of the Manager in accordance with the terms of the Master Trust Indenture;

- to invest funds in the Issuer Accounts at the direction of the Manager (or its agent);

- to deliver to Specified Creditors notice of any Default, Event of Default, Acceleration Event, Protection Event or Servicer Default of which it has received notice, as required under the Master Trust Indenture; and

- to perform certain other administrative functions identified in the Master Trust Indenture.

In the exercise of its duties, the Indenture Trustee will use the same degree of care and skill as a reasonably prudent person would use in comparable circumstances. When all Issuer Funding Obligations have been satisfied and discharged (see "*— Satisfaction and Discharge*"), the Indenture Trustee will no longer act as Indenture Trustee and will have no fiduciary responsibilities to any remaining Specified Creditors and will act only as security agent for those remaining Specified Creditors. The Indenture Trustee is not liable for any errors of judgment as long as the errors are made in good faith and the Indenture Trustee was not negligent. Furthermore, the Indenture Trustee will not be liable for any action taken or not taken by it in good faith if directed to do so by Extraordinary Resolution. The Indenture Trustee is not required to expend or risk its own funds, or incur any financial liability in the exercise of its duties under the Master Trust Indenture and it will not be obliged to exercise any of its rights under the Master Trust Indenture at the request of any Controlling Class Creditor unless such Controlling Class Creditor has provided it with security or an indemnity reasonably satisfactory to it.

In addition to the Indenture Trustee's compensation and the reimbursement of the Indenture Trustee's expenses in connection with the Master Trust Indenture, the Issuer will indemnify the Indenture Trustee for any loss, liability or expense incurred without negligence or bad faith on its part, arising out of or in connection with the administration of the trusts under the Master Trust Indenture. The payment of all such amounts will be subject to the payment waterfalls set out in the Master Trust Indenture and in certain instances, such amounts will be higher in priority than payments to Noteholders. See "*— Payment Waterfalls Prior to Acceleration — Collection Account*", "*— Payment Waterfalls Prior to Acceleration — Protection Account*" and "*— Acceleration and Remedies — Payment Waterfall Upon Acceleration*".

The Indenture Trustee may resign at any time by giving written notice to the Issuer and it may be removed for any reason by Ordinary Resolution of Controlling Class Creditors. The Indenture Trustee must resign if a material conflict of interest arises in its role as an Indenture Trustee under the Master Trust Indenture and such conflict of interest is not eliminated within 90 days after the Indenture Trustee becomes aware of such material conflict of interest. The Issuer may remove, or any Controlling Class Creditor who has been a *bona fide* Controlling Class Creditor for at least six months may, on behalf of itself and all other Debtholders, petition any court of competent jurisdiction for the removal of the Indenture Trustee if (i) the Indenture Trustee is no longer eligible to act as trustee under the Master Trust Indenture (and any Supplemental Indenture) and fails to resign after it has received a written request to do so by the Issuer or by any Controlling Class Creditor, (ii) the Indenture Trustee becomes incapable of acting, or (iii) the Indenture Trustee becomes subject to any bankruptcy or insolvency related events. In all such circumstances, the Issuer must appoint a successor Indenture Trustee. Any resignation or removal of the Indenture Trustee and appointment of a successor Indenture Trustee will not become effective until the successor Indenture Trustee accepts the appointment. If an instrument of acceptance by a successor Indenture Trustee has not been delivered to the Indenture Trustee within 30 days of giving notice of resignation or removal, the Indenture Trustee may petition a court of competent jurisdiction to appoint a successor Indenture Trustee.

Any successor Indenture Trustee will execute and deliver to the Issuer and its predecessor Indenture Trustee an instrument accepting such appointment. The successor Indenture Trustee must be a bank, a trust company or a corporation organized and doing business under the laws of Canada or of any province or territory thereof, authorized under such laws to carry on a trust business in each of the provinces and territories of Canada. The Issuer

may not, nor may any person directly or indirectly controlling, controlled by, or under common control with the Issuer, serve as Indenture Trustee.

The Indenture Trustee may become the owner or pledgee of Notes and may otherwise deal with the Issuer with the same rights it would have if it were not the Indenture Trustee (subject to its obligation to resign if there is a material conflict).

Conditions Precedent to Incurrence of Obligations Secured

There is no limit on the aggregate amount of indebtedness or other obligations which may be secured under the Master Trust Indenture. However, the Issuer will not be permitted to incur any Issuer Funding Obligations or other obligations unless the Issuer meets the conditions described below under *"— Issuer Funding Obligations"* and *"— Other Obligations Secured"*.

Issuer Funding Obligations

The Issuer may not incur any new Issuer Funding Obligations, or renew or extend any existing Issuer Funding Obligations (in each case, other than Derivative Funding Obligations), unless the conditions described below are met on or prior to the date that the Issuer enters into a definitive agreement in respect of such Issuer Funding Obligations:

(a) the Issuer delivers to the Indenture Trustee and each Rating Agency notice of such incurrence;

(b) the Issuer delivers to the Indenture Trustee and each Rating Agency a certificate to the effect that:

(i) the Issuer reasonably believes that such incurrence will not cause an Adverse Effect; an "**Adverse Effect**" means that such action will at the time of its occurrence (a) result in the occurrence of an Event of Default or any event which with the giving of notice or passage of time, or both, would become an Event of Default, (b) adversely affect the amount or timing of any payment to be made to any Debtholder or Derivative Counterparty pursuant to the Master Trust Indenture or any Program Agreement, (c) materially adversely affect the amount or timing of payments to be made to the Specified Creditors (other than Debtholders and Derivative Counterparties) pursuant to this Indenture or any Program Agreement, or (d) adversely affect the security interest and the rights and remedies of the Indenture Trustee in respect thereof;

(ii) all instruments furnished to the Indenture Trustee conform to the requirements of the Master Trust Indenture and constitute sufficient authority under the Master Trust Indenture for the Indenture Trustee to (A) in the case of an issuance of Notes only, authenticate and deliver such Notes, and (B) in the case of all other Issuer Funding Obligations, execute and deliver the applicable Funding Obligation Agreement;

(iii) in the case of an issuance of Notes only, the form and terms of the Notes have been established in conformity with the provisions of the Master Trust Indenture;

(iv) the incurrence of such Issuer Funding Obligation is consistent in all material respects with the Financing Plan; see *"Ontario Fair Hydro Plan — Fair Allocation Amount and Financing Plan"*;

(v) the conditions set out in clauses (c), (d), (g) and (k) below are met; and

(vi) such other matters as the Indenture Trustee may reasonably request;

(c) the representations and warranties of the Issuer in the Master Trust Indenture are true and correct in all material respects;

(d) the Rating Agency Condition is satisfied with respect to all outstanding Series or Tranches of Issuer Funding Obligations;

(e) the Indenture Trustee receives either:

(i) a certified copy of the instrument whereby the Province of Ontario designated in writing that such Issuer Funding Obligation is an Approved Obligation as contemplated by the Change of Law Protection Agreement; or

(ii) both (A) an Adherence Compliance Certificate addressed to the Indenture Trustee with respect to such Issuer Funding Obligation delivered in accordance with the Change of Law Protection Agreement; and (B) a certificate signed by the Manager certifying that the Province of Ontario has not provided a Suspension Notice;

(f) the Issuer delivers to the Indenture Trustee copies of the applicable Funding Obligation Agreement, including in the case of Notes, a Supplemental Indenture relating to the applicable Series or Tranche of Notes and, if applicable, a Terms Document relating to the applicable Tranche of Notes;

(g) in the case of Senior Funding Obligations only, the Issuer has Subordinated Funding Obligations and Junior Subordinated Funding Obligations in an aggregate outstanding principal amount equal to not less than 35% of the aggregate outstanding principal amount of the aggregate Senior Funding Obligations, Subordinated Funding Obligations and Junior Subordinated Funding Obligations (after giving effect to such incurrence) and in the case of Subordinated Funding Obligations only, the Issuer has Junior Subordinated Funding Obligations in an aggregate outstanding principal amount equal to not less than 10% of the aggregate outstanding principal amount of the aggregate Senior Funding Obligations, Subordinated Funding Obligations and Junior Subordinated Funding Obligations (after giving effect to such incurrence);

(h) except in the case of Notes, the Issuer delivers to the Indenture Trustee an updated list of the Specified Creditors;

(i) each Debtholder in respect of such Issuer Funding Obligation (or an authorized agent on their behalf) has made the acknowledgements and agreements described below under "— *Acknowledgements of Specified Creditors*";

(j) the Change of Law Protection Agreement is in full force and effect against the Province of Ontario or has been replaced with a new agreement that is in form and substance satisfactory to Controlling Class Creditors pursuant to an Ordinary Resolution;

(k) the conditions precedent, if any, specified in the applicable Funding Obligation Agreement are satisfied; and

(l) in the case of an issuance of Notes only:

(i) the Indenture Trustee receives a certificate for the certification and delivery of the Notes and specifying the particulars relating to such Notes;

(ii) in the case of Notes described in section 163(f)(2)(A) of the United States Internal Revenue Code of 1986, if such Notes are not in registered form (including by reason of a book entry system described in section 163(f) of the United States Internal Revenue Code of 1986), then such Notes are described in section 4701(b)(1)(B) of the United States Internal Revenue Code of 1986 and such section will apply to such Notes; and

(iii) in the case of foreign currency Notes, the Issuer appoints one or more Paying Agents in the appropriate countries, if requested by the Indenture Trustee.

Periodic drawdowns under existing Funding Obligation Agreements will not constitute a new incurrence of Issuer Funding Obligations. However, an increase in the aggregate commitment under an existing Funding Obligation Agreement or the issuance of additional Notes of an outstanding Series or Tranche of Notes will constitute a new incurrence of Issuer Funding Obligations.

The Indenture Trustee is not required to and, except as otherwise provided in a Funding Obligation Agreement, the Issuer is not required to, provide prior notice to or obtain the consent of any Debtholder or any other Specified Creditor to issue any Issuer Funding Obligations.

Other Obligations Secured

The Issuer may incur other obligations (including Derivative Funding Obligations) so long as:

(a) the Issuer delivers to the Indenture Trustee a copy of the agreement giving rise to such obligations;

(b) the Issuer delivers to the Indenture Trustee an updated list of the Specified Creditors;

(c) the counterparty to the agreement giving rise to such obligations makes the acknowledgements and agreements described below under "*— Acknowledgements of Specified Creditors*";

(d) if the obligations are Certified Primary Obligations, the Indenture Trustee receives either:

(i) a certified copy of the instrument whereby the Province of Ontario designated in writing that such obligation is an Approved Obligation as contemplated by the Change of Law Protection Agreement; or

(ii) both (A) an Adherence Compliance Certificate addressed to the Indenture Trustee with respect to such obligation delivered in accordance with the Change of Law Protection Agreement; and (B) a certificate signed by the Manager certifying that the Province of Ontario has not provided a Suspension Notice;

provided that, in respect of derivative agreements, the Issuer will provide notice to each Rating Agency of the identity of the Derivative Counterparty and the terms of any applicable master agreement and schedule.

Derivative Agreements

The Issuer may, from time to time, enter into one or more derivative agreements, which would consist of a currency swap or interest rate swap, a cap (obligating a Derivative Counterparty to make payments if a reference rate is greater than a specified rate), a floor (obligating a Derivative Counterparty to make payments if a reference rate is less than a specified rate), or a collar (obligating a Derivative Counterparty to make payments if a reference rate is greater than a specified rate and entitling the Derivative Counterparty to receive payments if the same reference rate is less than a lower specified rate), with various counterparties. In general, the Issuer will receive payments from the Derivative Counterparty in exchange for the Issuer's payments to them, to the extent required under the derivative agreements. Payments received by the Issuer will constitute Available Collections.

Acknowledgements of Specified Creditors

Each Specified Creditor must acknowledge and agree in favour of the Indenture Trustee that it is a Specified Creditor under the Master Trust Indenture and that its entitlements as a Specified Creditor are subject to the provisions applicable to Specified Creditors under the Master Trust Indenture including, without limitation, those described under "*— Indenture Trustee*", "*— Payment Waterfalls Prior to Acceleration*", "*— Debtholder Approvals and Meetings — Access to Debtholder Lists*", "*— Acceleration and Remedies — Payment Waterfall Upon Acceleration*", "*— Acceleration and Remedies — Rights of Specified Creditors*", "*— Acceleration and Remedies — Limited Recourse*" and "*— Acceleration and Remedies — No Petition*".

Subordination Provisions

Under the Master Trust Indenture, the Issuer can issue the following classes of Issuer Funding Obligations: "Senior Funding Obligations", "Subordinated Funding Obligations" or "Junior Subordinated Funding Obligations" (each, a "**Class**"). The payment of interest on Subordinated Funding Obligations shall be subordinate and rank junior to the payment of interest on Senior Funding Obligations and Derivative Funding Obligations. Subordinated Funding Obligations and Junior Subordinated Funding Obligations

Notwithstanding anything in a Funding Obligation Agreement to the contrary, the Issuer may not redeem any Series or Tranche of Subordinated Funding Obligations or Junior Subordinated Funding Obligations unless the following conditions are satisfied: (i) no Default or Event of Default has occurred and is continuing; (ii) all Issuer Accounts are fully funded in accordance with the Master Trust Indenture and any applicable Funding Obligation Agreement; and (iii) the aggregate outstanding principal amount of Subordinated Funding Obligations and Junior Subordinated Funding Obligations after giving effect to such redemption will not be less than 35% of the aggregate outstanding principal amount of Senior Funding Obligations, Subordinated Funding Obligations and Junior Subordinated Funding Obligations.

The Issuer will not permit (i) the aggregate outstanding principal amount of Subordinated Funding Obligations and Junior Subordinated Funding Obligations to be less than 35% of the aggregate outstanding principal amount of Senior Funding Obligations, Subordinated Funding Obligations and Junior Subordinated Funding Obligations, or (ii) the aggregate outstanding principal amount of Junior Subordinated Funding Obligations to be less than 10% of the aggregate outstanding principal amount of Senior Funding Obligations, Subordinated Funding Obligations and Junior Subordinated Funding Obligations.

Security Matters

The Issuer will not (i) permit any lien, charge, excise, claim, security interest, mortgage or other encumbrance (other than permitted liens) to be created on or extend to the Collateral, (ii) release any security or guarantee in respect of the Collateral, (iii) sell, transfer, exchange or otherwise dispose of any of the Collateral except as expressly permitted under the Master Trust Indenture, or (vi) change its name, jurisdiction of formation or type of organization, unless it has provided the Indenture Trustee and each Rating Agency with prior written notice and it has first made all filings and taken all actions necessary to continue and maintain the Indenture Trustee's first priority security interest in the Collateral.

Other Covenants

In addition to the covenants contained in any Supplemental Indenture or any other Funding Obligation Agreement and the other covenants described in this section, the Issuer agrees that:

- upon the written request of the Indenture Trustee, it will use reasonable commercial efforts, following any (i) termination or resignation of the Servicer, the Manager or the Paying Agent, or (ii) termination, non-renewal or expiry of a liquidity agreement or a credit enhancement agreement, to appoint and enter into an agreement with a successor to such Servicer, Manager or Paying Agent, or replace or renew such liquidity agreement or credit enhancement agreement, in form and substance the same as the previously existing Program Agreement;

- it will not claim any credit on or make any deduction from the principal and interest payable on the Notes or Borrowings (other than amounts withheld or deducted in accordance with the Master Trust Indenture); or

- it will not take any action that would cause it to be treated as engaged in a "trade or business within the United States" for U.S. federal income tax purposes.

Amendments to Master Trust Indenture

Amendments not Requiring Consent of Specified Creditors

The Issuer and the Indenture Trustee may amend, supplement or otherwise modify the Master Trust Indenture or any Supplemental Indenture without the consent of any Specified Creditor upon prior notice to each Rating Agency and the Province of Ontario and delivery by the Issuer to the Indenture Trustee of an officer's certificate to the effect that the Issuer reasonably believes that such amendment will not and is not reasonably expected to have an Adverse Effect. Such amendments to the Master Trust Indenture or any Supplemental Indenture may:

- evidence the succession or successive successions of another Financing Entity to the Issuer, and the assumption by such successor of the covenants of the Issuer in the Master Trust Indenture and the Notes;

- add to the covenants of the Issuer, or have the Issuer surrender any of its rights or powers under the Master Trust Indenture (or any Supplemental Indenture), for the benefit of the Debtholders of any or all Classes, Series or Tranches of Issuer Funding Obligations;

- cure any ambiguity, correct or supplement any provision in the Master Trust Indenture which may be inconsistent with any other provision in the Master Trust Indenture (or any Supplemental Indenture), to correct a clear clerical or administrative error, or make any other provisions for matters or questions arising under the Master Trust Indenture;

- provide for the issuance of any Series or Tranche of Notes and to set forth the terms thereof, and/or to add to the rights of the Noteholders of any Class, Series or Tranche;

- provide for the acceptance of a successor Indenture Trustee under the Master Trust Indenture;

- add any Events of Default relating to any or all Classes, Series or Tranches of Issuer Funding Obligations;

- provide for the consolidation of any financing entity and the Issuer into a single entity or the transfer of assets in any financing entity to the Issuer;

- if the IESO is replaced under the Master Transfer and Servicing Agreement, make any necessary changes to the Master Trust Indenture;

- provide for additional forms of credit enhancement for any Class, Series or Tranche of Issuer Funding Obligations;

- facilitate the issuance of foreign currency Issuer Funding Obligations;

- comply with any regulatory, accounting or tax laws, or changes to any ratings criteria;

- enable the Issuer to file a registration statement for the offering of securities registered under the Securities Act and to comply with Regulation AB thereunder; or

- qualify for sale treatment under generally accepted accounting principles.

The Master Trust Indenture or any Supplemental Indenture may also be amended by the Issuer and the Indenture Trustee without the consent of any Specified Creditor (but with prior notice to each Rating Agency and the Province of Ontario) in the following circumstances, provided that the Issuer delivers to the Indenture Trustee an officer's certificate to the effect that (i) the Issuer reasonably believes that such amendment will not and is not reasonably expected to have an Adverse Effect, and (ii) such amendment is required to comply with law, or to conform or be consistent with the statements contained in this confidential shelf offering memorandum:

- to facilitate compliance with changes in laws or regulations applicable to the Issuer or the transactions governed by the Program Agreements; or

- to cause the provisions of the Master Trust Indenture to conform to or be consistent with or in furtherance of the statements made in this confidential shelf offering memorandum with respect to the Master Trust Indenture or any Supplemental Indenture.

Additionally, the Master Trust Indenture or any Supplemental Indenture may also be amended by the Issuer and the Indenture Trustee without the consent of any Specified Creditor (but with prior notice to each Rating Agency and the Province of Ontario) in the following circumstances, provided that (i) the Issuer delivers to the Indenture Trustee an officer's certificate to the effect that the Issuer reasonably believes that such amendment will not and is not reasonably expected to have an Adverse Effect and (ii) the Rating Agency Condition is satisfied with respect to such amendment:

- to add provisions to, or change in any manner or eliminate any of the provisions of, the Master Trust Indenture or any Supplemental Indenture;

- to modify in any manner the rights of the Specified Creditors under the Master Trust Indenture or any Supplemental Indenture; or

- to provide for those changes necessary for compliance with securities law requirements or banking laws or regulations.

The Indenture Trustee may, but is not obligated to, enter into any amendment which adversely affects its rights, duties, benefits, protections, privileges or immunities under the Master Trust Indenture (or any Supplemental Indenture).

Amendments Requiring Consent of Debtholders

The Issuer and the Indenture Trustee may amend, supplement or otherwise modify and amend the Master Trust Indenture or any Supplemental Indenture for reasons other than those stated in the prior section ("*— Amendments not Requiring Consent of Specified Creditors*"), with prior notice to each Rating Agency and the Province of Ontario, the consent of Debtholders of each Class, Series or Tranche of Issuer Funding Obligations affected by that amendment, supplement or other modification by Ordinary Resolution, and satisfaction of the Rating Agency Condition. However, if the amendment, supplement or other modification would result in any of the following events occurring, it may be made only with the consent of each Debtholder of Issuer Funding Obligations affected thereby and satisfaction of the Rating Agency Condition:

- a change in an Interest Payment Date, Principal Payment Date or Principal Payment Default Date for any Issuer Funding Obligation;

- a reduction in the principal amount of, or interest rate on, any Note, or a change in the method of computing the outstanding principal amount in a manner that is adverse to any Debtholder;

- a reduction in the amount of a discount note payable upon its acceleration;

- a reduction in the percentage in outstanding principal amount of Issuer Funding Obligations of any Class, Series or Tranche, the consent of whose holders is required for modification or amendment of the Master Trust Indenture, any Supplemental Indenture or any related agreement or for waiver of compliance with provisions of the Master Trust Indenture or for waiver of defaults and their consequences provided for in the Master Trust Indenture;

- a modification of any of the provisions governing the amendment of the Master Trust Indenture or any Supplemental Indenture, or waivers of past defaults, except to increase any percentage of Debtholders required to consent to any such amendment or waiver, or to provide that certain other provisions of the Master Trust Indenture cannot be modified or waived without the consent of each Debtholder affected by such modification;

- a change in the city or political subdivision so designated with respect to any Class, Series or Tranche of Notes where any principal of, or interest on, any Note is payable; or

- a change in the method of computing the amount of principal of, or interest on, any Note on any date.

Debtholder Approvals and Meetings

Access to Debtholder Lists

The Indenture Trustee will preserve the names and addresses of all Specified Creditors received by it in its capacity as Note registrar and those which it has received from the Issuer in accordance with the Master Trust Indenture. Three or more Debtholders of any Series or Tranche, each of whom has owned an Issuer Funding Obligation of such Series or Tranche for at least six months, may, by application to the Indenture Trustee in the prescribed form, obtain access to the current list of Debtholders held by the Indenture Trustee for purposes of communicating with other Debtholders concerning their rights under the Master Trust Indenture (or any Supplemental Indenture) or under the applicable Program Agreement.

Debtholder Meetings

The Master Trust Indenture sets out the mechanics for meetings of Debtholders. The Master Trust Indenture provides for meetings of Debtholders of any Class, Series or Tranche of Issuer Funding Obligations, of all Issuer Funding Obligations, of Controlling Class Obligations of a Series or of all Controlling Class Obligations (each of such groups of Debtholders being a "**Debtholder Group**"). The Indenture Trustee will call a meeting of a Debtholder Group upon request of the Issuer or Debtholders of at least 25% in aggregate outstanding principal amount of the applicable Issuer Funding Obligations. If the Indenture Trustee fails to convene, or cause to be convened, such a meeting after 30 days, the Issuer or those Debtholders may convene the meeting. The Indenture Trustee may call a meeting of a Debtholder Group at any time for any purpose. The quorum for any meeting is one or more persons holding (personally or as proxies) not less than 25% of the outstanding principal amount of the Issuer Funding Obligations of the Debtholder Group entitled to vote at such meeting. Each Debtholder who is present, whether in person or by proxy, will have one vote for every $1,000 of outstanding principal amount of applicable Issuer Funding Obligations of which he or she shall be the holder.

Every question submitted to a meeting, except those matters requiring an Extraordinary Resolution, shall be decided by a majority of the votes (an "**Ordinary Resolution**"). Any matter requiring an Extraordinary Resolution shall be decided by the affirmative vote of Controlling Class Creditors holding not less than 66⅔% of the outstanding principal amount of all Controlling Class Obligations (an "**Extraordinary Resolution**"). Such matters include:

- after the security has become enforceable, authorizing the Indenture Trustee to accept, in satisfaction or partial satisfaction, all or any part of the Collateral;

- after the security has become enforceable, sanctioning the selling of the Collateral or any part thereof or interest therein;

- after the security has become enforceable, authorizing the Indenture Trustee or any other person to bid or tender at any sale of the Collateral or any part thereof and take such actions in connection with such sale as it determines to be in the best interests of all Controlling Class Creditors;

- consenting to any compromise or arrangement by the Issuer with any creditor, creditors or class or classes of creditors or with the holders of any securities of the Issuer whose claims are payable from the Collateral;

- restraining any Debtholder from taking or instituting any suit, action or proceeding for the purpose of realizing on the Collateral or for the execution of any trust or power hereunder or for the appointment of a liquidator, receiver or trustee in bankruptcy or to have the Issuer liquidated or for any other remedy hereunder and to direct such Debtholder to waive any Event of Default on which any suit or proceeding is founded;

- requiring the Indenture Trustee (subject to receipt by the Indenture Trustee of reasonable funding and indemnity) to exercise or refrain from exercising any other powers conferred upon it by the Master Trust Indenture of general application to all Classes of Issuer Funding Obligations, including the exercise of any rights of the Issuer under any of the Program Agreements upon the occurrence and during the continuance of an Event of Default, or cancel any declaration of acceleration made pursuant to the Master Trust Indenture upon such terms and/or conditions as may be decided;

- authorizing the Indenture Trustee, for and on behalf of all Debtholders, to file and prove a claim or debt against the Issuer or its property for an amount equivalent to the aggregate amount which may be payable in respect of all Issuer Funding Obligations, to value the Collateral, and to vote such claim or debt at meetings of creditors and generally act for and on behalf of all Debtholders in such proceedings as such Extraordinary Resolution may provide; and

- appointing a committee to exercise, on behalf of all Controlling Class Creditors, any powers of such Controlling Class Creditors as are exercisable by Extraordinary Resolution or other resolution (as specified in the Extraordinary Resolution appointing such committee).

Any resolution or instrument signed by the requisite number of Debtholders or Controlling Class Creditors, as applicable, shall have the same force and effect as a resolution duly passed at a meeting of such Debtholders or Controlling Class Creditors.

Any action or vote taken at a meeting (including by way of written instrument) of Debtholders of a Debtholder Group duly held in accordance with the Master Trust Indenture will be binding on all Debtholders of that Debtholder Group. An Extraordinary Resolution shall bind all Debtholders and all other Specified Creditors.

In determining whether Noteholders of the requisite principal amount have taken any action under the Master Trust Indenture, (i) Senior Notes owned by the Issuer, the Manager or any affiliate of either of them, and (ii) any Class of Notes (or portion thereof) in which the Province of Ontario has an interest will, in each case, be disregarded and deemed not to be outstanding at any time that a Specified Creditor other than the Province of Ontario has an interest in such Class of Notes. In determining whether the Indenture Trustee will be protected in relying upon any such action, only Senior Notes (or, in the case of the Province of Ontario, any Notes) which a responsible officer of the Indenture Trustee knows to be owned by the Issuer, OPG or any affiliate of either of them, or with respect to which the Province of Ontario has an interest pursuant to the Change of Law Protection Agreement, will be so disregarded.

Whenever an action may be taken by Debtholders of a specified percentage of outstanding principal amount of Issuer Funding Obligations and at such time there are outstanding Issuer Funding Obligations of any relevant Series denominated in a foreign currency, then the principal amount of the Issuer Funding Obligations of such Series which will be deemed to be outstanding for purposes of taking such action will be the amount of Canadian dollars which could be obtained for such principal amount at the market exchange rate on the applicable date.

Events of Default

General

Each of the following events is an "**Event of Default**":

(a) the Issuer's failure, for a period of 5 days, to pay interest on any Controlling Class Obligations when such interest becomes due and payable;

(b) the Issuer's failure to pay the principal of any Controlling Class Obligations at the Principal Payment Default Date;

(c) any representation or warranty in the Master Trust Indenture proves to be incorrect in any material respect when made and if capable of remedy, such incorrect representation or warranty is not remedied for a period of 60 days after the Indenture Trustee or Controlling Class Creditors holding at least 25% of the outstanding principal amount of all Controlling Class Obligations have provided written notice to the Issuer requesting remedy of that default and stating that as a result of such default, the interests of such Controlling Class Creditors are materially and adversely affected and continue to be materially and adversely affected during the 60-day period;

(d) the Issuer's default in the performance, or breach, of any other of its covenants or warranties in the Master Trust Indenture, for a period of 60 days after the Indenture Trustee or Controlling Class Creditors holding at least 25% of the outstanding principal amount of all Controlling Class Obligations have provided written notice to the Issuer requesting remedy of that default and stating that as a result of such default, the interests of such Controlling Class Creditors are materially and adversely affected and continue to be materially and adversely affected during the 60-day period;

(e) certain events of bankruptcy or insolvency of the Issuer, or the Issuer fails to maintain its existence or status as a Financing Entity;

(f) the Change of Law Protection Agreement ceases to be in full force and effect against the Province of Ontario, or the validity thereof, or the applicability thereof to the Province of Ontario or any Controlling Class Obligations is disaffirmed by the Province of Ontario;

(g) an Acceleration Event has occurred and Controlling Class Creditors holding at least 25% of the outstanding principal amount of all Controlling Class Obligations have provided written notice to the Issuer and the Indenture Trustee specifying the default;

(h) the Issuer's default in the performance of its covenant to deliver payment instructions for a period of three days after the Indenture Trustee has provided written notice thereof;

(i) at any time, the amounts withdrawn from the Program Cash Reserve Account prior to such time exceed the aggregate of (x) 0.50% of the largest outstanding principal amount of all Senior Funding Obligations, Subordinated Funding Obligations and Junior Subordinated Funding Obligations on or prior to such time, (y) the sum of all amounts deposited to the Program Cash Reserve Account, and (z) all interest and earnings (net of losses and investment expenses), if any, on funds credited to the Program Cash Reserve Account; or

(j) a Servicer Default occurs.

If Controlling Class Obligations constituting 25% or more of the outstanding principal amount of all Controlling Class Obligations have been accelerated in accordance with their Funding Obligation Agreements, the thresholds required in clauses (c), (d) or (g) will be deemed to have been met.

Waiver of Default

Subject to the summary provided for below under "*— Acceleration and Remedies — General*", Controlling Class Creditors may, by Ordinary Resolution, waive any past Default under the Master Trust Indenture so long as the Rating Agency Condition in respect of each Series or Tranche of Controlling Class Obligations has been satisfied.

Acceleration and Remedies

General

If an Event of Default (other than an Event of Default described in paragraph (e) or (f)) occurs and is continuing, either the Indenture Trustee or Controlling Class Creditors holding not less than 50% of the outstanding principal amount of all Controlling Class Obligations (treated as one class) may declare the outstanding principal amount of all Issuer Funding Obligations (other than Derivative Funding Obligations) to be immediately due and payable. If Controlling Class Obligations constituting 50% or more of the outstanding principal amount of all Controlling Class Obligations have been accelerated in accordance with their Funding Obligation Agreements, the 50% threshold required will be deemed to have been met. The occurrence of an Event of Default described in paragraph (e) or (f) results in an automatic acceleration of all Issuer Funding Obligations (other than Derivative Funding Obligations).

A declaration of acceleration or an automatic acceleration may be rescinded by Extraordinary Resolution if (i) the Issuer has paid all overdue interest, principal that has become due (other by reason of acceleration) on Controlling Class Obligations and other amounts set out in the Master Trust Indenture, and (ii) all Events of Default (other than non-payment of principal) have been cured or waived.

If Controlling Class Obligations are accelerated, the Indenture Trustee may amongst other things, (i) apply to a court for an order of sequestration and payment of amounts in respect of the Clean Energy Adjustment in accordance with the FHPA, (ii) take possession of the Collateral, (iii) appoint a receiver with respect to the Collateral, (iv) initiate proceedings in any court for the appointment of a receiver or for sale or foreclosure, (v) exercise rights, remedies, powers, privileges and claims under any Program Agreement, including the right to terminate and replace the Manager or the Servicer, or (vi) take any other action, suit, remedy or proceeding authorized or permitted by the Master Trust Indenture or by applicable law. The Indenture Trustee is not obligated to exercise any of its rights or powers under the Master Trust Indenture at the request or direction of any Controlling Class Creditors unless Controlling Class Creditors offer the Indenture Trustee a reasonable indemnity.

See *"Risk Factors — Risks Associated with the Unusual Nature of the Investment Asset" and "Risk Factors — Insolvency-Related Risks Relating to the Issuer"*.

Limitation on Available Amounts on Acceleration

If all or any portion of the principal amount of any indebtedness of the Issuer (including one or more Series of Senior Notes) becomes due and payable after the Moratorium Period and before its scheduled payment date, maturity date or redemption date, then the estimated Finance Amount used by the Financial Services Manager to determine the Clean Energy Adjustment for a period will be determined without regard to the fact that such amount has become due and payable, unless and only to the extent that the amount of the Clean Energy Adjustment is capable of being increased based on the Fair Allocation Amount for such period. See *"Ontario's Fair Hydro Plan — Fair Allocation Amount and Financing Plan"*. However, upon such acceleration, all accelerated Senior Notes will be repaid in full before any further payments of principal are made to holders of subordinated indebtedness, including the subordinated debt held by OPG; therefore, collections of the Clean Energy Adjustment that would otherwise have been available to repay the principal amount of subordinated indebtedness in the absence of

acceleration of the Senior Notes will instead be applied to repay accelerated Senior Notes. See "*Capital Markets Platform*".[52]

Payment Waterfall Upon Acceleration

After acceleration of the Issuer Funding Obligations (other than derivative agreements), any money or other property standing to the credit of an Issuer Account (except as set out below) or otherwise collected by the Indenture Trustee will be applied in the following priority:

(a) first, to the payment or remittance of taxes for which a governmental authority is given priority over the Specified Creditors under the laws of the applicable jurisdiction;

(b) second, to pay fees, expenses and reimbursement amounts owing to the Issuer Trustee and the Indenture Trustee;

(c) third, *pari passu* (i) to pay interest, fees and other amounts (other than principal) owing in respect of Senior Funding Obligations and (ii) to pay all Derivative Funding Obligations (other than termination payments);

(d) fourth, to pay interest, fees and other amounts (other than principal) owing in respect of Subordinated Funding Obligations;

(e) fifth, to pay interest, fees and other amounts (other than principal) owing in respect of Junior Subordinated Funding Obligations;

(f) sixth, to pay principal owing in respect of Warehouse Obligations;

(g) seventh, *pari passu* (A) to pay principal owing in respect of Senior Funding Obligations (other than Warehouse Obligations) and (B) to pay termination payments owing to Derivative Counterparties where the Derivative Counterparty is not the defaulting party or the sole affected party;

(h) eighth, to pay fees, expenses and reimbursement amounts owing to the Manager;

(i) ninth, to pay principal owing in respect of Subordinated Funding Obligations;

(j) tenth, to pay principal owing in respect of Junior Subordinated Funding Obligations;

(k) eleventh, to pay termination payments owing to Derivative Counterparties where the Derivative Counterparty is the defaulting party or the sole affected party;

(l) twelfth, to pay all indemnity amounts owing to the Manager;

(m) thirteenth, *pari passu* (i) to the payment or remittance of taxes not previously paid pursuant to paragraph (a), and (ii) to pay all amounts owing to Specified Creditors not specifically referred to above; in each case, including, for each referenced party, any amounts payable to their respective affiliates under the terms of any relevant indemnity; and

(n) fourteenth, to pay any remaining amounts to the Issuer.

However, amounts on deposit in a Series Account will first be used to satisfy all obligations owing to the Debtholders or Derivative Counterparties for whom such Series Account was established. Thereafter, such amounts

[52] **Note:** Please consider tracking the specific terms of section 6.1 of the General Regulation, and add detailed descriptions to correspond to the limitation on cashflows during acceleration in the applicable detailed portions of the OM and Risk Factors.

will be applied in accordance with the priorities set out above. In addition, amounts on deposit in the Protection Account will only be used to satisfy the obligations for which those amounts were deposited.

Rights of Specified Creditors

No Specified Creditor will have the right to institute any proceeding, judicial or otherwise, with respect to the Master Trust Indenture, or for the appointment of a receiver or trustee or similar official, or for any other remedy under the Master Trust Indenture. A Controlling Class Creditor may exercise such rights if:

(a) the Issuer or a Controlling Class Creditor has previously given to the Indenture Trustee written notice of a continuing Event of Default;

(b) Controlling Class Creditors, by Ordinary Resolution, have made written request of the Indenture Trustee to institute the proceeding in its own name as Indenture Trustee;

(c) Controlling Class Creditors have offered the Indenture Trustee a satisfactory indemnity; and

(d) the Indenture Trustee has, for 60 days, failed to institute the proceeding.

Subject to certain powers which may only be exercised by Extraordinary Resolution, Controlling Class Creditors, by Ordinary Resolution, will have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Indenture Trustee, or exercising any trust or power conferred on the Indenture Trustee with respect to all Issuer Funding Obligations. However, the Indenture Trustee may decline to follow such direction if it determines (based on advice from counsel) that such direction (i) conflicts with applicable law or the Master Trust Indenture, (ii) has a substantial likelihood of involving the Indenture Trustee in personal liability or (iii) is unjustly prejudicial to Controlling Class Creditors not taking part such direction. See "*— Debtholder Approvals and Meetings — Debtholder Meetings*" for a description of certain powers which may only be exercised by Extraordinary Resolution. Specified Creditors (other than Debtholders) do not have any right to direct the time, method and place of conducting any proceeding for any remedy available to the Indenture Trustee, or exercising any trust or power conferred on the Indenture Trustee. Specified Creditors (other than Debtholders) will only have the right to receive proceeds following an Event of Default.

Limited Recourse

The obligation of the Issuer to pay principal of and interest on the Issuer Funding Obligations or any other amount payable to any Specified Creditor is subject to the allocation and payment provisions in the Master Trust Indenture and the applicable Funding Obligation Agreement and limited to amounts available from the Collateral. Neither the Indenture Trustee, the Manager nor the Issuer Trustee in its individual capacity, nor any holder of any unit in the Issuer, nor any of their respective owners, beneficiaries, agents, officers, directors, employees, successors or assigns will, in the absence of an express agreement to the contrary, be personally liable for the payment of the principal of or interest on the Notes or any other Issuer Funding Obligation, or for the Issuer's covenants and agreements contained in the Master Trust Indenture.

No Petition

Each Specified Creditor, by accepting its rights as a beneficiary under the Master Trust Indenture, agrees that until one year and one day following repayment in full of all Issuer Funding Obligations, it will not commence (or join in commencing) a bankruptcy, insolvency or similar proceeding under the laws of any jurisdiction against the Issuer.

Force Majeure

The Indenture Trustee and the Issuer Trustee will not be responsible or liable for any failure or delay in the performance of their obligations under the Master Trust Indenture arising out of or caused by, directly or indirectly, forces beyond their control, including loss or malfunctions of utilities, communications or computer services.

Satisfaction and Discharge

The Master Trust Indenture will cease to be of further effect with respect to any Class, Series or Tranche of Issuer Funding Obligations when:

(a) (x) in the case of Notes, all Notes of that Class, Series or Tranche which had been outstanding, with certain exceptions set forth in the Master Trust Indenture, have been delivered to the Indenture Trustee for cancellation or been cancelled, or (y) in the case of all other Issuer Funding Obligations, all Issuer Funding Obligations of that Class, Series or Tranche have been paid in full, as certified by the Issuer;

(b) the Issuer has paid all other sums payable by it under the Master Trust Indenture with respect to that Class, Series or Tranche of Issuer Funding Obligations; and

(c) the Issuer has delivered to the Indenture Trustee an officer's certificate and an opinion of external counsel each stating that the conditions precedent in the Master Trust Indenture relating to the satisfaction and discharge with respect to that Class, Series or Tranche of Issuer Funding Obligations have been complied with.

The Master Trust Indenture will cease to be of further effect when all Issuer Funding Obligations have been satisfied and discharged in accordance with the previous paragraph and all other Obligations Secured have been paid in full, as certified by the Issuer.

DESCRIPTION OF NOTES

The following description of the Senior Notes is a summary of certain of their material attributes and characteristics, and does not purport to be complete. The terms and conditions set forth in this "Description of the Senior Notes" section will apply to each Senior Note unless otherwise specified in the Term Sheet applicable to such Offering. For further particulars, reference should be made to the Master Trust Indenture and the Supplemental Indenture and Terms Document, if any, relating to the particular Series or Tranche of Senior Notes.

General

The Senior Notes will be issued under the Master Trust Indenture and will be Funding Obligations issued in connection with the financing program described under the heading "*Capital Markets Platform*". The specific terms and conditions of each Series of Senior Notes will be set forth in the Supplemental Indenture authorizing that Series and the specific terms and conditions of any Tranche of Senior Notes will be set forth in the Supplemental Indenture or the Terms Document authorizing that Tranche.

Under the Master Trust Indenture, the Issuer may issue an unlimited principal amount of Senior Notes. See "*Capital Markets Platform — Conditions Precedent to Incurrence of Obligations Secured — Issuer Funding Obligations*". The Senior Notes will be direct obligations of the Issuer and secured in the manner provided for under the Master Trust Indenture. See "*Capital Markets Platform — Security*".

The Supplemental Indenture or Terms Document will describe the following terms of the Senior Notes:

- the Series designation;
- stated principal amount of the Senior Notes;
- whether such Senior Notes are of a particular Tranche of Senior Notes;

- the currency or currencies in which such Senior Notes will be denominated and in which payments of principal of, and interest on, such Senior Notes will or may be payable;

- the price at which such Series or Tranche of Senior Notes will be issued;

- the times at which such Series or Tranche of Senior Notes may, pursuant to any optional redemption provisions, be redeemed, and the other terms and provisions of any such redemption;

- the rate per annum at which such Series or Tranche of Senior Notes will bear interest, if any, or the formula or index on which such rate will be determined;

- each Interest Payment Date, each Principal Payment Date and the Principal Payment Default Date for such Series or Tranche of Senior Notes;

- the Principal Accumulation Date(s) and Principal Accumulation Amount(s) for such Series of Senior Notes;

- the initial principal amount of such Senior Notes, and the means for calculating the outstanding principal amount of such Series or Tranche of Senior Notes;

- whether or not application will be made to list such Series or Tranche of Notes on any securities exchange;

- any events of default with respect to such Series or Tranche of Senior Notes;

- if such Series or Tranche of Senior Notes will be issued in whole or in part in the form of a global note, the terms and conditions, if any, upon which such global note may be exchanged for other individual Senior Notes, and the depository for such global note;

- if such Class, Series or Tranche of Senior Notes will be issued in whole or in part in registered form, bearer form or both, and if such Senior Notes will be issued with or without coupons;

- if such Class, Series or Tranche will have the benefit of a credit enhancement agreement or liquidity agreement, and the terms and provisions of the applicable agreement;

- the record date for any Interest Payment Date or Principal Payment Date of such Series or Tranche of Senior Notes, if different from the last of the month before the related Interest Payment Date or Principal Payment Date; and

- whether and under what conditions, additional amounts will be payable to Noteholders of such Series or Tranche of Notes.

Limitations

The Senior Notes do not constitute a debt, liability or other obligation of, or interest in, OPG or any of its other affiliates (other than the Issuer). The Senior Notes are not a debt, liability or obligation of the Province of Ontario or any of its political subdivisions, agencies or instrumentalities. The Senior Notes will not be insured or guaranteed by the Province of Ontario, OPG or any of their respective affiliates or any other person or entity, except that the Province of Ontario has agreed to provide a limited guarantee in respect of the Senior Notes following the occurrence of certain events. See *"Change of Law Protection Agreement"*.

Payments of Principal and Interest

Interest will accrue on the principal balance of each Series or Tranche of Senior Note at the interest rate specified in the related Term Sheet and will be payable on the Interest Payment Date(s) specified in the related Term

Sheet. Principal of each Series or Tranche of Senior Notes will be payable in the amounts and on the Principal Payment Date(s) specified in the related Term Sheet. The Term Sheet applicable to a Series or Tranche of Senior Notes will also set out the Principal Payment Default Date for such Senior Notes, which is the date on which failure to pay the principal amount of such Senior Notes will result in an Event of Default.

On each Payment Date, the Issuer will, to the extent funds are available therefor from the Collection Account (see "*Capital Markets Platform — Payment Waterfalls Prior to Acceleration — Collection Account*"), transfer to the Interest Accumulation Account the aggregate amount of interest that has accrued on each Series of Senior Notes (together with all other amounts to be accrued for other Issuer Funding Obligations). On each Interest Payment Date for a Series or Tranche of Senior Notes, the Paying Agent will pay to the holders of such Senior Notes interest then due on such Senior Notes using amounts available therefor from the Interest Accumulation Account, the Principal Accumulation Account, the IESO Cash Reserve Account, the Program Cash Reserve Account and the Protection Account. See "*Change of Law Protection Agreement*" and "*Capital Markets Platform — Payment Waterfalls Prior to Acceleration*".

On each Payment Date, the Issuer will, to the extent funds are available therefor from the Collection Account (see "*Capital Markets Platform — Payment Waterfalls Prior to Acceleration — Collection Account*"), transfer to the Principal Accumulation Account the aggregate of the amounts the Issuer is required to accumulate for each Series of Senior Notes (together with all other amounts to be accumulated for other Issuer Funding Obligations). The Term Sheet applicable to a Series or Tranche of Senior Notes will set out the Principal Accumulation Amount(s) and the Principal Accumulation Date(s) for such Senior Notes. On each Principal Payment Date for a Series or Tranche of Senior Notes, the Paying Agent will pay to the holders of such Senior Notes the principal then due on such Senior Notes using amounts available therefor from the Principal Accumulation Account, the Program Cash Reserve Account and the Protection Account. See "*Change of Law Protection Agreement*" and "*Capital Markets Platform — Payment Waterfalls Prior to Acceleration*". Holders of Senior Notes may receive principal payments earlier than a Principal Payment Date if an optional redemption occurs and may receive principal payments later than a Principal Payment Date if there are insufficient Available Collections. See "*Risk Factors*" for a discussion of factors that may affect the timing of principal payments on a Series or Tranche of Senior Notes. It is not an Event of Default if the stated principal amount of a Series or Tranche of Senior Notes is not paid in full on a Principal Payment Date. If the stated principal amount of a Senior Note is not paid in full by its Principal Payment Default Date, an Event of Default will occur. See "*Capital Markets Platform — Events of Default*".

Unless otherwise specified in a Term Sheet, the Issuer has designated the Indenture Trustee as its Paying Agent for all Senior Notes having a place of payment in Toronto, Ontario.

Optional Redemption of Senior Notes

If a Supplemental Indenture for any Series or Tranche of Senior Notes states that such Senior Notes will be redeemable, in whole at any time or in part from time to time, such Senior Notes will be redeemable at the option of the Issuer at the redemption price specified in the Supplemental Indenture. If less than all the Senior Notes of any Series or Tranche are to be redeemed at one time, the Senior Notes of such Series or Tranche to be redeemed will be selected by the Indenture Trustee on a pro rata basis according to the principal amount of such Senior Notes registered in the name of each holder thereof, or in such other manner as the Indenture Trustee may consider equitable.

Notice of any redemption will be delivered to each holder of the Senior Notes to be redeemed, electronically or by mail (postage prepaid) at the address of such holder appearing in the Note register (or published in an authorized newspaper in the case of Senior Notes held in bearer form) or otherwise in accordance with the procedures of the depository, at least 15 days but not more than 30 days before the redemption date, except that redemption notices may be delivered more than 30 days prior to the redemption date if the notice is issued in connection with a satisfaction and discharge of the Master Trust Indenture with respect to such Series or Tranche of Senior Notes. The notice of redemption will state (i) the portion of the principal amount thereof to be redeemed (provided that no Senior Notes in an aggregate principal amount of 1,000 units of the applicable currency or less will be redeemed in part), (ii) the redemption date and (iii) the redemption price. Unless the Issuer defaults in payment of the redemption price, on and after the redemption date, interest will cease to accrue on the Senior Notes or portions of the Senior Notes called for redemption. A replacement note in principal amount equal to the

unredeemed portion thereof will be issued in the name of the holder thereof upon cancellation of the original note; provided, however, that, in the case of a global note, an appropriate notation may instead be made on such note to decrease the principal amount thereof to an amount equal to the unredeemed portion thereof.

The Term Sheet for each Offering will identify the redemption provisions of the applicable Notes at the time of such Offering.

Purchase for Cancellation

The Issuer may purchase or otherwise acquire, at any time or from time to time, all or any of the outstanding Senior Notes of any Series or Tranche in the market or by invitation for tenders or by private contract at such prices as it may determine in its sole discretion. All such Senior Notes purchased by the Issuer will be cancelled. If, upon a tender, more Senior Notes of a Series or Tranche are tendered at the same lowest price than the Issuer is prepared to accept, the Senior Notes of such Series or Tranche to be purchased will be selected by the Indenture Trustee on a pro rata basis according to the principal amount of such Senior Notes registered in the name of each holder thereof, or in such other manner as the Indenture Trustee may consider equitable.

DEPOSITORY SERVICES

Except as otherwise provided below, the Senior Notes will be issued in "book-entry only" form and must be purchased, transferred, redeemed or exchanged through participants ("**Participants**") in the depository service of a depository chosen by the Issuer (the "**depository**") or its nominee, which include securities brokers and dealers, banks and trust companies. On the closing date of an Offering, the Issuer will cause a global certificate representing the Senior Notes to be delivered to, and registered in the name of, the depository or its nominee. Except as described below, no purchaser of Senior Notes will be entitled to a certificate or other instrument from the Issuer or the depository evidencing that purchaser's ownership thereof, and no purchaser will be shown on the records maintained by the depository except through a book-entry account of a Participant acting on behalf of such purchaser. Each purchaser of Senior Notes will typically receive a customer confirmation of purchase from the registered dealer from which the Senior Notes are purchased in accordance with the practices and procedures of that registered dealer. The practices of registered dealers may vary, but generally, customer confirmations are issued promptly after execution of a customer order. The depository will be responsible for establishing and maintaining book-entry accounts for its Participants having interests in the Senior Notes.

Neither the Issuer, the Indenture Trustee nor the Agents will assume any liability for: (i) any aspect of the records relating to the beneficial ownership of the Senior Notes held by the depository or the payments relating thereto; (ii) maintaining, supervising or reviewing any records relating to the Senior Notes; or (iii) any advice or representation made by or with respect to the depository or those contained in this confidential shelf offering memorandum and relating to the rules governing the depository or any action to be taken by the depository or at the direction of its Participants. The rules governing the depository provide that it acts as the agent and depository for the Participants. As a result, Participants must look solely to the depository and persons, other than Participants, having an interest in the Senior Notes must look solely to Participants for payments made by or on behalf of the Issuer to the depository in respect of the Senior Notes.

If: (i) required by applicable law; (ii) the depository notifies the Issuer in writing that the depository is no longer willing or able to discharge properly the responsibilities of a depository with respect to the Senior Notes and the Issuer is unable to locate a qualified successor; (iii) the Issuer determines the Senior Notes in book-entry only form should be exchanged for definitive certificates and the Issuer delivers a written notice to such effect to the Indenture Trustee; (iv) an Event of Default has occurred and Noteholders holding more than 50% of the Controlling Class Obligations of any Series of Senior Notes determine such book-entry system is no longer in the best interests of the holders of that Series; or (v) the book-entry system is terminated, then certificates representing the Senior Notes will be issued to the beneficial owners of Senior Notes.

Interest on the Senior Notes will be paid directly to CDS while the book-entry only system is in effect. If definitive certificates are issued, interest will be paid by wire transfer of immediately available funds to the accounts specified by the holders thereof or, if no such account is specified, by mailing a cheque to each such holder's registered address. Payment of principal, and the interest due, at maturity, will be paid directly to CDS while the

book-entry only system is in effect. If definitive certificates are issued, payment of principal, and interest due, at maturity, will be paid upon surrender thereof at any office of the Trustee or as otherwise specified in the Indenture.

Manner of Effecting Transfer or Redemption

A transfer or redemption of Senior Notes held in "book-entry form" only will be effected through records maintained by the depository or its nominee with respect to interests of Participants, and on the records of Participants with respect to interests of persons other than Participants. Purchasers of such Senior Notes who are not Participants, but who desire to purchase, sell or otherwise transfer ownership of or other interests in the Senior Notes, may do so only through Participants.

DTC, Euroclear and Clearstream, Luxembourg

Where CDS acts as depository for a series of Senior Notes, to the extent the Issuer makes such series of Senior Notes eligible with The Depositary Trust Company ("**DTC**"), Euroclear Bank S.A./N.V., as operator of the Euroclear System ("**Euroclear**") and Clearstream Banking, société anonyme ("**Clearstream, Luxembourg**"), and the Issuer specifies as such in the Term Sheet with respect to the particular series of Senior Notes, holders may hold such series of Senior Notes through the accounts maintained by DTC, Euroclear or Clearstream, Luxembourg, as applicable, as participants in CDS only if they are participants of those systems, or indirectly through organizations which are participants of those systems.

In such case, DTC, Euroclear and Clearstream, Luxembourg will hold omnibus book-entry positions on behalf of their participants through customers' securities accounts in their respective depositaries which in turn will hold such positions in customers' securities accounts in the names of the nominees of the depositaries on the books of CDS. All securities in DTC, Euroclear and Clearstream, Luxembourg are held on a fungible basis without attribution of specific certificates to specific securities clearance accounts.

Transfers of such Senior Notes by persons holding through Euroclear or Clearstream, Luxembourg participants, as applicable, will be effected through CDS, in accordance with CDS rules, on behalf of the relevant European international clearing system by its depositaries; however, such transactions will require delivery of transfer instructions to the relevant European international clearing system by the participant in such system in accordance with its rules and procedures and within its established deadlines (European time). The relevant European international clearing system will, if the transfer meets its requirements, deliver instructions to its depositaries to take action to effect the transfer of the Senior Notes on its behalf by delivering Senior Notes through CDS and receiving payment in accordance with its normal procedures for next-day funds settlement. Payments with respect to the Senior Notes held through Euroclear or Clearstream, Luxembourg will be credited to the cash accounts of Euroclear participants or Clearstream, Luxembourg participants in accordance with the relevant system's rules and procedures, to the extent received by its depositaries.

All information in this confidential shelf offering memorandum concerning CDS, DTC, Euroclear and Clearstream, Luxembourg, reflects the Issuer's understanding of the policies of such organizations which may change at any time without notice.

PLAN OF DISTRIBUTION

The Senior Notes may be sold by the Issuer directly pursuant to applicable statutory exemptions or through agents designated by the Issuer from time to time. Each Term Sheet will identify the Agents engaged in connection with the applicable Offering of Senior Notes and will also set forth the terms of the Offering of Senior Notes, including the net proceeds to the Issuer and, to the extent applicable, any fees payable to the Agents. The Agents will conditionally offer the Senior Notes for sale on a "best efforts" basis, if, as and when issued and delivered by the Issuer in accordance with the conditions contained in an agency agreement (the "**Agency Agreement**") between the Issuer, OPG and the Agents to be entered into on or about the date of each Term Sheet. The Agents will be paid a fee by the Issuer for their services rendered to the Issuer in connection with the offering, issue and sale of the Senior Notes. The obligations of the Agents under the Agency Agreement may be terminated upon the occurrence of certain stated events. The Agents may over-allot or effect transactions which stabilize or maintain the market price

of the Senior Notes at a level different than that which might otherwise prevail in the open market. Such transactions, if commenced, may be discontinued at any time.

The Senior Notes may not be offered or sold, directly or indirectly, in Canada or to or for the account of any Canadian resident except, in the case of sales made in any province of Canada, pursuant to an exemption from the prospectus requirements in Section 2.3 of NI 45-106 and, in the case of a purchaser resident in Ontario, section 73.3(2) of the *Securities Act* (Ontario), also known as the "accredited investor" exemption. In addition, Senior Notes will not be offered or sold, directly or indirectly, to individuals unless those individuals are also "permitted clients" within the meaning of NI 31-103.

Resale of the Senior Notes will be subject to restrictions under applicable securities legislation which vary depending on the relevant jurisdictions. **The Senior Notes may only be sold on a basis that is exempt from the prospectus requirements of applicable securities legislation through an appropriately registered dealer or pursuant to an exemption from the registration requirements of applicable securities legislation**. See *"Restrictions on Resale"*.

This confidential shelf offering memorandum does not constitute an offer to sell or a solicitation of an offer to buy any of the Senior Notes in the United States. The Senior Notes have not been and will not be registered under the U.S. Securities Act or any state securities laws and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons (as such term is defined in Regulation S under the U.S. Securities Act) unless the Senior Notes are registered under the U.S. Securities Act and applicable state securities laws or an exemption therefrom is available. In addition, until 40 days after the commencement of an Offering, any offer or sale of the Senior Notes within the United States by any dealer (whether or not participating in an Offering) may violate the registration requirements of the U.S. Securities Act if such offer or sale is made otherwise than in accordance with an exemption from the registration requirements of the U.S. Securities Act. Each Agent has agreed that, except as permitted by an Agency Agreement, it will not offer or sell the Senior Notes as part of the distribution of the Senior Notes at any time within the United States or to, or for the account or benefit of, U.S. persons.

RISK FACTORS

An investment in Senior Notes involves certain risks. Prospective investors in the Senior Notes should carefully consider all the information included in this confidential shelf offering memorandum, including the risks described below, before deciding to invest in the Senior Notes. This section does not describe all risks applicable to the Issuer and is intended only as a summary of certain material risks. In addition, prospective investors should consult their own financial and other legal and tax advisors, and should carefully consider, among other matters, the following discussion of risks before deciding whether to purchase Senior Notes.

Judicial, Legislative or Regulatory Risks

Future legal action might challenge or invalidate the FHPA or the Regulations and materially adversely affect a holder's investment in the Senior Notes.

The Investment Asset is a creation of the FHPA, which became effective on June 1, 2017. The Issuer will be the first Financing Entity under the FHPA to issue Funding Obligations as contemplated under the FHPA. The FHPA, the Regulations or any provisions thereof might be directly contested in courts or otherwise become the subject of litigation. The FHPA is novel legislation in Canada and therefore there are no precedents to rely on to support the validity of the FHPA or the Regulations.

As of the date of this confidential shelf offering memorandum, no such litigation has arisen; however, there can be no assurance that a lawsuit challenging the validity of some portion or all of the FHPA or the Regulations will not be filed in the future or that, if filed, such lawsuit will not be successful. If such a lawsuit was successful, and an invalidation of any relevant underlying legislative or regulatory provision were to result that did not constitute a Protection Event under the Change of Law Protection Agreement, a holder of Senior Notes may lose some or all of their investment in the Senior Notes or experience significant delays in recovering their investment in the Senior Notes. Even if the successful lawsuit constitutes a Protection Event, under the terms of the Change of Law Protection Agreement, the Province of Ontario is not obligated to pay or indemnify the Indenture Trustee or any

Specified Creditor for consequential, special or punitive damages, or for economic loss or loss of profits (provided that economic loss does not include any amount in respect of an amount due and payable to a Specified Creditor under the Limited Guarantee).

Future legislative action to change the FHPA, the Regulations, the Change of Law Protection Agreement or the electricity market might materially adversely affect a holder's investment in the Senior Notes.

The FHPA provides that no act or omission of the Crown shall be effective to reduce, impair, postpone or terminate the obligations of Specified Consumers to pay amounts in respect of the Clean Energy Adjustment or to impair or postpone the invoicing, collection or remittance of the Clean Energy Adjustment. Ontario does not have a referendum or initiative process by which the FHPA may be amended or repealed. Therefore, the only way for such provisions of the FHPA to be amended or repealed would be through a subsequent legislative action by the Province of Ontario. A determination by the Province of Ontario that, for political or other reasons, the FHPA or the Regulations should no longer be law in Ontario or that the FHPA or Regulations should be amended to limit or delay the recovery of Clean Energy Adjustments, could result in a decision to make such an amendment, repeal or revocation. Any such action that adversely affects the ability of the Issuer to receive amounts in respect of the Investment Interest so that it can pay Approved Obligations when due and payable (determined after taking into account certain factors described above in the definition of "Protection Event") would be subject to the Change of Law Protection Agreement. Under the Change of Law Protection Agreement, the Province of Ontario is not obligated to pay or indemnify the Indenture Trustee or any Specified Creditor for consequential, special or punitive damages, or for economic loss or loss of profits (provided that economic loss does not include any amount in respect of an amount due and payable to a Specified Creditor under the Limited Guarantee). See "*Change of Law Protection Agreement*". However, future legislative action by the Province of Ontario could also be taken that would have the effect of voiding or otherwise rendering invalid the Change of Law Protection Agreement.

Canada does not have any constitutional protection of property rights. While an adverse impact of statutory measures on private property has, in some circumstances, been judicially held to entitle property owners to compensation, such entitlements themselves can also be extinguished by legislation. Accordingly, if the provisions of the FHPA or the Regulations referenced in the previous paragraph were amended or revoked through subsequent legislative action of the Province of Ontario and future legislative action was also taken by the Province of Ontario that had the effect of voiding or otherwise rendering invalid the Change of Law Protection Agreement, a holder of Senior Notes may lose some or all of their investment in the Senior Notes or experience significant delays in recovering their investment in the Senior Notes.

Future judicial action could reduce the value of a holder's investment in the Senior Notes.

The Investment Asset is the creation of the FHPA. There is uncertainty associated with investing in Senior Notes payable from an interest in an asset that depends on legislation for its existence because there is no juridical or regulatory experience implementing and interpreting the legislation or similar legislation in Canada. Because the Investment Asset is a creation of the FHPA, any judicial determination interpreting the FHPA or the Investment Asset might have an adverse effect on a holder of Senior Notes' investment in the Senior Notes.

Potential difficulties in enforcing civil liabilities against the Province of Ontario may arise.

Under the *Proceedings Against the Crown Act* (Ontario), the remedies of injunction and specific performance are not available against the Province of Ontario, although the remedy of damages is available.[53] Nothing in the Change of Law Protection Agreement or the Program Agreements affects the rights, protections and immunities of the Crown under the *Proceedings Against the Crown Act* (Ontario). As a result, if the Province of Ontario fails to comply with the Change of Law Protection Agreement, the Indenture Trustee's ability to obtain an effective remedy

[53] **Note:** Consider mentioning that section 21 of the *Proceedings Against the Crown Act* (Ontario) prohibits execution, attachment and process against the Province.

against the Province of Ontario is limited and holders of Senior Notes may lose some or all of their investments in the Senior Notes or experience significant delays in recovering their investments.[54]

Risks Associated with the Unusual Nature of the Investment Asset

Clean Energy Adjustments will not be payable until May 1, 2021 and until such time the IESO will be the sole source of funds for payment on the Senior Notes.

During the Moratorium Period, no Clean Energy Adjustments are permitted to be collected from Specified Consumers. During the Moratorium Period, a holder of Senior Notes must rely for payment of interest on the Senior Notes, and the Issuer must rely for payment of all of its other Carrying Costs, solely upon the IESO who is obligated under the Regulations to pay these Carrying Costs. The IESO has granted the Issuer a first-priority security interest in all its accounts receivable from Electricity Vendors, which includes the amounts receivable by the IESO from Electricity Vendors with respect to the global adjustment charge, as security for the performance of its regulatory obligation to pay the Issuer's Carrying Costs. The IESO also has a $2 billion unsecured credit facility agreement with the Ontario Financing Authority, expiring ■, 20■, which is permitted to be used to pay the Issuer's Carrying Costs. ***[NTD: IESO credit facility description to be confirmed.]***[55] There can be no assurance that the IESO will continue to have sufficient funds available to pay interest on the Senior Notes or to pay the Issuer's other Carrying Costs during the Moratorium Period. If the Issuer enforces the security granted to the Issuer by the IESO during this period, there can be no assurance that the IESO's accounts receivable from Electricity Vendors will be sufficient to pay interest on the Senior Notes or the Issuer's other Carrying Costs and a holder of Senior Notes may suffer material payment delay on the Senior Notes during the Moratorium Period.

The Issuer's ability to enforce security granted by the IESO may be significantly impaired or delayed.

Under various Canadian bankruptcy, insolvency and restructuring statutes or Canadian federal or provincial receivership laws, including the *Bankruptcy and Insolvency Act* (Canada), the *Companies' Creditors Arrangement Act* (Canada), the *Canada Business Corporations Act*, the *Winding-up and Restructuring Act*, and various provincial corporate statutes (collectively, "**Canadian Insolvency and Restructuring Laws**"), the Issuer's ability to enforce security granted by the IESO may be significantly impaired or delayed. In view of the broad discretionary powers of courts under Canadian Insolvency and Restructuring Laws, it is not possible to predict how long payments of Carrying Costs by the IESO or enforcement of any letter of credit or performance guarantee provided by the IESO could be delayed following commencement of a proceeding under Canadian Insolvency and Restructuring Laws by the IESO or whether or when the Issuer would be able to repossess or dispose of the assets over which it holds a security interest. Canadian Insolvency and Restructuring Laws also contemplate the granting of super priority security interests or charges (which could be in priority to the security of existing secured creditors) on the assets of the debtor company to secure the repayment of any amounts to be borrowed to facilitate the insolvency proceeding, any amounts owing for the fees and costs of professionals involved in the insolvency proceeding, obligations of directors of the company with respect to their statutory liabilities and sometimes other amounts.

Canadian Insolvency and Restructuring Laws also contain provisions enabling an obligor to prepare and file a proposal or a plan of arrangement or reorganization for consideration by all or some of its creditors, to be voted on by the various classes of creditors affected thereby. Such a restructuring proposal or plan of arrangement or reorganization, if accepted by the requisite majority of each class of affected creditors and if approved by the relevant Canadian court, would be binding on all creditors of the applicable obligor within the affected classes, including the Issuer, whether or not the Issuer votes in favour of the restructuring proposal or plan of arrangement or reorganization. Such a proposal or plan of arrangement or reorganization may have the effect of compromising certain rights available to the Issuer with respect to the payment of Carrying Costs or enforcement of any security provided by the IESO under the Master Transfer and Servicing Agreement.

[54] **Note:** Consider mentioning, as a mitigant, that section 22 of the *Proceedings Against the Crown Act* (Ontario), which states that "the Minister of Finance shall pay out of the Consolidated Revenue Fund the amount payable by the Crown, (a) under an order of a court that is final and not subject to appeal; (b) under a settlement of a proceeding in a court…".

[55] **Note:** Is there any other information to be added apart from the expiry date?

A holder of Senior Notes may experience material payment delays because the source of funds for payment after the Moratorium Period is limited.

A holder of Senior Notes may suffer material payment delays on the Senior Notes if the collateral securing the Senior Notes is insufficient to pay the accrued interest on and the principal amount of those Senior Notes in full. During the Moratorium Period, a holder of Senior Notes must rely for payment of interest on the Senior Notes, and the Issuer must rely for payment of all of its other Carrying Costs, solely upon the IESO who is obligated under the Regulations to pay these Carrying Costs. After the Moratorium Period, the only source of funds for payments of interest on and principal of the Senior Notes will be the collateral. The collateral for the Senior Notes will include:

- the Investment Interest, including the right to impose, bill, collect and receive Clean Energy Adjustment amounts, inclusive of the True-up Amount;
- the cash and investments on deposit in the accounts held by the Indenture Trustee; and
- the Issuer's rights under various contracts described in this confidential shelf offering memorandum and under the FHPA and the Regulations.

The Senior Notes will not be insured or guaranteed by the Province of Ontario, the IESO, OPG or any of their respective affiliates, the Indenture Trustee or any other person or entity, except pursuant to the Limited Guarantee provided by the Province of Ontario upon the occurrence of a Protection Event and delivery by the Indenture Trustee to the Province of Ontario of a written payment demand. See *"Change of Law Protection Agreement"*. The Senior Notes will be limited recourse obligations, secured only by the collateral. See "*Capital Markets Platform — Acceleration and Remedies — Limited Recourse*". Delays in payment on the Senior Notes might result in a reduction in the market value of the Senior Notes and, therefore, the value of a holder's investment in the Senior Notes.

The Senior Notes do not constitute a debt, liability or other obligation of, or interest in, OPG or any of its other affiliates (other than the Issuer). The Senior Notes are not a debt, liability or other obligation of the Province of Ontario or any of its political subdivisions, agencies or instrumentalities.

A holder of Senior Notes must rely for payment of principal of and interest on the Senior Notes solely upon the FHPA and the Regulations, rights to enforcement of the FHPA, the Regulations and of various agreements described in this confidential shelf offering memorandum, collections of Clean Energy Adjustment amounts and cash and investments on deposit in the related accounts held pursuant to the Master Trust Indenture.

The Clean Energy Adjustment may not be billed after April 30, 2047, unless further regulations to extend that date are passed.

The Clean Energy Adjustment may not be billed to Specified Consumers after April 30, 2047, unless further regulations to extend that date are passed. If Clean Energy Adjustment amounts billed through this period are not sufficient to repay the Senior Notes in full and further regulations to extend this date are not passed, apart from amounts in the capital accounts, if any, no other funds will be available to pay the unpaid balance due on the Senior Notes.

Foreclosure of the Indenture Trustee's lien on the Investment Interest securing the Senior Notes might not be practical and acceleration of the Senior Notes before maturity might have little practical effect.

Under the Master Trust Indenture, the Indenture Trustee on behalf of the holders of Senior Notes and other creditors has the right to foreclose or otherwise enforce the lien granted to the Indenture Trustee by the Issuer on the collateral securing the Senior Notes. However, in the event of foreclosure, there is likely to be a limited market, if any, for the collateral. Therefore, foreclosure might not be a realistic or practical remedy. Moreover, although principal of the Senior Notes will be due and payable upon acceleration of the Senior Notes before maturity, under the Regulations, the amount of the Clean Energy Adjustment may not be increased to take into account such acceleration (subject to limited exceptions depending on the Fair Allocation Amount at the time). As a result, this limitation on increases to the Clean Energy Adjustment at the time of any acceleration of the Senior Notes prior to maturity will result in

principal of the Senior Notes being paid on acceleration as funds become available. However, upon such acceleration, the priority of principal payments to creditors of the Issuer will result in all accelerated Senior Notes being repaid in full before any further payments of principal are made to holders of subordinated indebtedness of the Issuer. In the event of an acceleration, holders of Senior Notes may be paid sooner or later than originally expected.

The Issuer may issue multiple Series of Senior Notes secured by the Investment Interest and some decisions affecting holders of Senior Notes may require the approval of all Series.

The Issuer may issue multiple Series of Senior Notes all of which will be secured by the collateral securing the Senior Notes. The Issuer may not issue additional Series of Senior Notes if the issuance would not satisfy the Rating Agency Condition and certain other conditions precedent in the Master Trust Indenture. See *"Capital Markets Platform — Conditions Precedent to Incurrence of Obligations Secured — Issuer Funding Obligations"*. If additional Series of Senior Notes are issued, Clean Energy Adjustment amounts collected by or for the benefit of the Issuer will be prorated among the Series of Senior Notes based on the respective amounts of interest and principal due and payable or required to be accumulated in respect of each Series of Senior Notes. Any issuance of additional Series of Senior Notes by the Issuer could cause reductions or delays in payment on the Senior Notes. In addition, some matters relating to the Senior Notes issued by the Issuer may require the vote of the holders of all Series of Senior Notes. The interests of holders of a particular Series of Senior Notes in these votes might conflict with the interests of the holders of another Series of Senior Notes. Thus, these votes could result in an outcome that is materially unfavorable to holders of a particular Series of Senior Notes.

The Master Trust Indenture contains Events of Default (other than those pertaining to the insolvency of the Issuer or invalidity of the Change of Law Protection Agreement) that can only be declared by Debtholders who hold at least 25% of the outstanding Controlling Class Obligations. If any such Event of Default has occurred and is continuing, Debtholders who hold at least 50% of the outstanding Controlling Class Obligations may accelerate all Issuer Funding Obligations (other than Derivative Funding Obligations). However, it is possible for individual Series of Senior Notes to have their own acceleration events such that those individual Series of Senior Notes may be accelerated while other Series of Issuer Funding Obligations would not be accelerated. In such a case, (i) the allocation of Available Collections to the holders of accelerated Series of Issuer Funding Obligations in a Class would be higher relative to the non-accelerated Series of Issuer Funding Obligations of that Class than it would otherwise be, and (ii) after payment in full of accelerated Senior Notes and other Senior Funding Obligations and once all amounts due and payable on non-accelerated Senior Notes and other Senior Funding Obligations have been satisfied on any principal payment date, amounts remaining for payment of principal would be allocated to the repayment of principal on both accelerated and non-accelerated subordinated debt, as applicable. In certain cases, a declaration of acceleration or an automatic acceleration may also be rescinded by Extraordinary Resolution if (i) the Issuer has paid all overdue interest, principal that has become due (other than by reason of acceleration) on Controlling Class Obligations and other amounts set out in the Master Trust Indenture, and (ii) all Events of Default (other than non-payment of principal) have been cured or waived. See *"Capital Markets Platform — Acceleration and Remedies — General"*.

If a Series of Senior Notes or all Senior Notes are accelerated, a holder of Senior Notes might receive payment of principal sooner or later than expected.

Under certain circumstances it is possible that all outstanding Senior Notes will be accelerated as a Class or that certain Series of Senior Notes will be accelerated while other Series of Senior Notes will not be accelerated. See *"Capital Markets Platform – Acceleration and Remedies"*. The possibility of certain Series of Senior Notes accelerating while other Series of Senior Notes do not accelerate would arise if (i) an Event of Default occurs but Noteholders holding at least 50% of all outstanding Senior Notes do not approve the acceleration of all outstanding Senior Notes, and (ii) holders of Senior Notes of a particular Series approve the acceleration of the Senior Notes of that Series by the requisite majority of holders of that Series as set out in the applicable supplemental indenture for that Series.

If all Senior Notes are accelerated the application of available funds will be as described under *"Capital Markets Platform – Acceleration and Remedies"* for all Senior Notes. It is possible that holders of 50% or more of the outstanding principal balance of all Senior Notes will approve the acceleration of all Senior Notes even if holders of a particular Series of Senior Notes do not vote in favour of the acceleration of the Senior Notes of that Series.

If only certain Series of Senior Notes are accelerated, then the outstanding principal balance of those Series of Senior Notes will become immediately due and payable but the payment due dates of those Series of Senior Notes that have not been accelerated will not change. In this case, the application of available funds will continue as described under *"Capital Markets Platform -- Payment Waterfalls Prior to Acceleration"*.

Where all Series of Senior Notes or only certain Series of Senior Notes are accelerated, available funds that would otherwise be used to pay the principal amount of subordinated indebtedness will be applied to repay principal of the accelerated Senior Notes. This could result in a holder of Senior Notes that have been accelerated receiving payment of principal sooner than expected. If a Series of Senior Notes has not been accelerated, the payment of principal on such Senior Notes should not occur earlier than expected as the payment due dates for such Senior Notes will not have been accelerated.

Where all Series of Senior Notes or only certain Series of Senior Notes are accelerated, available funds that would otherwise be used to pay the principal amount of the Senior Notes in accordance with the original repayment schedules of such Senior Notes may be applied to repay principal of the accelerated Senior Notes *pari passu* with the principal due on all outstanding Senior Notes (subject to the payment priority given to Warehouse Funding Obligations). If accelerated Senior Notes were not expected to be repaid before a particular Series of Senior Notes at the time the accelerated Senior Notes were issued, the acceleration of such Senior Notes could result in the holder of a particular Series of Senior Notes receiving payment of principal later than expected.

The Issuer may have a co-ownership interest in the Investment Asset with other Financing Entities.

The FHPA authorizes the establishment of one or more Financing Entities that may incur Funding Obligations for the purpose of acquiring an Investment Interest. The Master Trust Indenture does not contain any restrictions on the establishment of other Financing Entities or any restrictions on the transfer by the IESO of a specified portion of the Regulatory Asset to other Financing Entities. If additional Funding Obligations are incurred by other Financing Entities to acquire an Investment Interest, Clean Energy Adjustment amounts collected by or for the benefit of the Issuer will be prorated among all Investment Interest owners based on the respective amounts of Clean Energy Adjustment amounts invoiced and not yet paid. Any issuance of Funding Obligations by other Financing Entities could cause reductions or delays in payment on the Senior Notes.[56]

[56] **Note:** Consider explaining under this risk factor that the Investment Asset is a bundle of rights and interests held collectively by all investment interest owners.

If the Clean Energy Adjustment amounts and other funds held in the Issuer Accounts results in investment losses or the investments become illiquid, a holder of Senior Notes might receive payment of principal of and interest on the Senior Notes later than expected.

Funds held in the Issuer Accounts will be invested in Eligible Investments. Eligible Investments include, among other categories, money market funds having a rating in the highest investment category from each applicable Rating Agency. Although investments in these money market funds have traditionally been viewed as highly liquid with a low probability of principal loss, illiquidity and principal losses have been experienced by investors in certain of these funds as a result of disruptions in the financial markets in recent years. If investment losses or illiquidity are experienced, a holder of Senior Notes might experience a delay in payments of principal and interest and a decrease in the value of their investment in the Senior Notes.

Servicing, Operating and Consumer Risks

Payments on the Senior Notes depend on the performance of Electricity Vendors and the IESO.

The Issuer's receipt of Clean Energy Adjustment amounts, which will be used to make payments on the Senior Notes, will depend in part on the skill and diligence of Electricity Vendors and the IESO and their respective successors in performing their respective duties under the FHPA, the Regulations and, with respect to the IESO, the Master Transfer and Servicing Agreement.

The FHPA, the Regulations and the Program Agreements impose new duties and obligations of the IESO and Electricity Vendors. There can be no assurances that the new duties and obligations of the IESO and the Electricity Vendors will be assumed and implemented without difficulty and in accordance with the provisions of the FHPA, the Regulations and the Program Agreements. If the IESO ceases to perform, or inadequately performs, its collection, remittance, forecasting and other functions under the terms of the FHPA, the Regulations and the Master Transfer and Servicing Agreement, it might be difficult to enforce these obligations against the IESO. While the Indenture Trustee has the right to replace the IESO, as servicer, on an Event of Default upon receipt of an Ordinary Resolution, it might be difficult to find a replacement for the IESO or a successor servicer. Also, any successor servicer might have less experience and ability than the IESO and might experience difficulties in collecting Clean Energy Adjustment amounts or forecasting consumption, resulting in delays or disruptions to the setting and collection of the Clean Energy Adjustment. Any successor servicer would likely charge fees for the provision of such services and such fees could be material.

If an Electricity Vendor or the IESO fails to collect or remit sufficient Clean Energy Adjustment amounts for any reason, then the IESO's payments to the Issuer in respect of the Clean Energy Adjustments might be delayed or reduced. In that event, payments on the Senior Notes might be delayed or reduced. In addition, any person into which the IESO may be merged, converted or amalgamated or that may succeed to the properties and assets of the IESO substantially as a whole will assume the role of servicer under the Master Transfer and Servicing Agreement, subject only to the satisfaction of the conditions set forth therein. These conditions do not include either the consent of holders of Senior Notes or satisfaction of the Rating Agency Condition.

Payments on the Senior Notes depend on the performance of OPG as Financial Services Manager and as Manager of the Issuer.

The FHPA, the Regulations and the Program Agreements impose new duties and obligations of OPG, as Financial Services Manager and as Manager of the Issuer. There can be no assurances that the new duties and obligations of OPG will be assumed and implemented without difficulty and in accordance with the provisions of the FHPA, the Regulations and the Program Agreements. If OPG, as Financial Services Manager, ceases to perform, or inadequately performs, its statutory duties under the FHPA and the Regulations, including determining the Clean Energy Adjustment (inclusive of the True-Up Amount), the Indenture Trustee will have no right to replace OPG as Financial Services Manager. If OPG ceases to perform, or inadequately performs, its management duties under the Management Agreement, the Indenture Trustee has the right to replace the Manager on an Event of Default upon receipt of an Ordinary Resolution but it might be difficult to find a replacement for OPG or a successor manager. Also, any successor manager might have less experience and ability than OPG, resulting in delays or disruptions to

the setting and collection of the Clean Energy Adjustment. Any successor manager would likely charge fees for the provision of such services and such fees could be materially higher than the fees charged by OPG.

Inaccurate consumption forecasting or unanticipated delinquencies or write-offs might reduce or delay scheduled payments on the Senior Notes.

Clean Energy Adjustment amounts will be calculated in part based upon a forecast of Specified Consumer usage to be newly developed by the IESO[, adjusted for expected billing lags and charge-offs] [including the effect of delinquencies and write-offs] ***[Confirm whether the IESO forecast takes into account items noted in square brackets.]***. Under the Regulations, the IESO is required to provide to the OEB forecast information regarding electricity consumption of Specified Consumers. The amount and the rate of the Clean Energy Adjustment will depend in part on actual electricity usage and the amount of collections and write-offs for Specified Consumers.[57] If the IESO or a successor inaccurately forecasts electricity consumption or if OPG uses inaccurate consumer delinquency or write-off data when setting or adjusting the Clean Energy Adjustment, there could be a shortfall or material delay in collections, which might result in missed or delayed payments of principal and interest on the Senior Notes.

Inaccurate forecasting of electricity consumption by the IESO might result from, among other things unanticipated weather, resulting in less electricity consumption than forecast; general economic conditions being worse than expected, causing Specified Consumers to reduce their electricity consumption; the occurrence of a natural disaster, wind storm or an act of terrorism, cyber-attack or other catastrophic event unexpectedly disrupting electrical service and reducing electricity consumption; unanticipated changes in the market structure of the electric industry; Specified Consumers unexpectedly ceasing business or departing from the Province of Ontario; dramatic and unexpected changes in energy prices resulting in decreased electricity consumption; Specified Consumers consuming less electricity than anticipated because of increased energy prices, unanticipated increases in conservation efforts or unanticipated increases in electricity consumption efficiency; differences or changes in forecasting methodology; or Specified Consumers switching to alternative sources of energy, including self-generation or co-generation of electric power in some cases without using Ontario's transmission or distribution system. Self-generators that receive no transmission or distribution service from the Province of Ontario are not liable for the Clean Energy Adjustment. Neither the FHPA nor the Regulations require exit fees to be charged to any Specified Consumers that might leave the grid to self-generate.

Inaccurate forecasting of delinquencies or write-offs by OPG could result from, among other things unexpected deterioration of the economy, the occurrence of a natural disaster, an act of war or terrorism or other catastrophic events causing greater write-offs than expected or forcing Electricity Vendors to grant additional payment relief to Specified Consumers; the failure of Electricity Vendors to submit accurate and timely information to the IESO regarding their collections and write-offs; an unexpected change in law that makes it more difficult for Electricity Vendors to terminate service to nonpaying Specified Consumers, or that requires Electricity Vendors to apply more lenient credit standards for Specified Consumers.

Changes to billing and collection practices may reduce the amount of funds available for payments on the Senior Notes.

The methodology for determining the amount of the Clean Energy Adjustment invoiced to each Specified Consumer is specified in the FHPA and the Regulations. None of OPG, the IESO or any Electricity Vendor, as it performs its billing and collection functions on the Issuer's behalf, may change this methodology. However, subject to applicable law, tariff and regulatory requirements, billing and collection arrangements with each Specified Consumer may be changed in a manner that delays or reduces the payments to the Issuer in respect of the Clean Energy Adjustment. For example, an Electricity Vendor's conditions of service may permit it to offer equal monthly billing plans to its consumers thereby delaying payments from one month to the next during the year or to enter into arrangements for the payment of arrears. In that event, collection of the Clean Energy Adjustment may be delayed or reduced until an adjustment is made.

[57] **Note:** Please confirm.

Limits on rights to terminate service to Specified Consumers might make it more difficult to collect the Clean Energy Adjustment.

To the extent that Specified Consumers do not pay for their electricity service, Electricity Vendors will not be able to collect the Clean Energy Adjustment from these Specified Consumers. Electricity Vendors have the ability to terminate service for non-payment subject to the terms of their conditions of service, which conditions must be consistent with the OEB's rules regarding disconnection. Under OEB rules, Electricity Vendors are prohibited from disconnecting or threatening to disconnect homes for non-payment during the winter from November 15 to April 30 every year. Historical rates of non-payment are included in the calculations of the Clean Energy Adjustment, but increases in the rates of non-payment would reduce the Clean Energy Adjustment until it is adjusted through the True-up Amount in a subsequent Reference Period.

It might be difficult for the Issuer to collect the Clean Energy Adjustment from Specified Consumers

Under the FHPA, the Issuer may bring an action against a Specified Consumer for non-payment of the Clean Energy Adjustment, but only an Electricity Vendor may terminate service for failure to pay the Clean Energy Adjustment.[58] The FHPA provides that partial payment of electricity invoices shall be allocated pro rata among the Clean Energy Adjustment and other charges on the invoice. Since the Issuer does not have the threat of termination of service available to enforce payment of the Clean Energy Adjustment, it would need to rely on the Electricity Vendor to threaten to terminate service for nonpayment of other portions of the electricity invoice. This inability might reduce the value of a holder's investment in the Senior Notes.

Indemnification obligations of OPG and the IESO are limited and might not be sufficient to protect the investments in the Senior Notes.

OPG will be obligated under the Management Agreement to indemnify the Issuer and the Indenture Trustee, for itself and on behalf of the holders of Senior Notes and other creditors, only in specified circumstances. Likewise, the IESO will be obligated under the Master Transfer and Servicing Agreement and the Acknowledgement and Indemnity Agreement to indemnify the Issuer and the Indenture Trustee, for itself and on behalf of the holders of Senior Notes and other creditors, only in specified circumstances.

Furthermore, neither OPG nor the IESO may have sufficient funds available to satisfy its indemnification obligations, and the amount of any indemnification paid by OPG or the IESO, as applicable, might not be sufficient for holders of Senior Notes to recover all of their investment in the Senior Notes. In addition, if OPG or the IESO becomes obligated to indemnify holders of Senior Notes, the ratings on the Senior Notes might be downgraded as a result of the circumstances causing the breach and the fact that holders of Senior Notes will be unsecured creditors of OPG or the IESO, as applicable, with respect to any of these indemnification amounts. Neither OPG nor the IESO will indemnify any person for any loss, damages, liability, obligation, claim, action, suit or payment resulting solely from a downgrade in the ratings on the Senior Notes, or for any consequential damages, including any loss of market value of the Senior Notes resulting from a default or a downgrade of the ratings of the Senior Notes.

Delinquent or partial payments of electricity bills may make payments on the Senior Notes occur later than expected.

The amount and the rate of collection of the Clean Energy Adjustment, including the True-up Amount, will impact whether there is a delay in the scheduled payments on the Senior Notes. If the Clean Energy Adjustment amounts are collected at a slower rate than expected, OPG might have to make adjustments to the Clean Energy Adjustment for a subsequent Reference Period through the True-Up Amount. If those adjustments are not timely and accurate, there may be a delay in payments of principal and interest and a decrease in the value of the Senior Notes.

Power outages could impair payment of the Senior Notes.

Ontario experiences seasonal conditions typical of southeastern Canada. Summers are usually hot with high temperatures in excess of 20°C. Winters include snow and icing conditions that can be damaging to overhead power

lines. Transmission and/or distribution and generation facilities could be damaged depending on weather conditions and usage of electricity could be interrupted temporarily or for long periods of time, reducing the Clean Energy Adjustment amounts collected in one or more Reference Periods.

Technological changes that make alternative energy sources more attractive in the future or significant population fluctuations may result in fewer Specified Consumers from whom to collect the Clean Energy Adjustment.

Technological developments and/or tax or other economic incentives might result in the introduction of economically attractive, more fuel-efficient, more environmentally-friendly and/or more cost-effective alternatives to purchasing electricity through Electricity Vendors for increasing numbers of Specified Consumers. Manufacturers of self-generation facilities may develop smaller-scale, more fuel-efficient on-site generating and/or storage units that can be cost-effective options for a greater number of Specified Consumers. Moreover, an increase in self-service power may result if extreme weather conditions result in regular shortages of grid-supplied energy or if other factors cause grid-supplied energy to be less reliable. Specified Consumers who self-generate their electricity may use it to offset, or eliminate, their consumption from the grid thereby reducing, or eliminating, the Clean Energy Adjustment amounts payable by such Specified Consumers. Technological developments might allow greater numbers of Specified Consumers to reduce or even altogether avoid the payment of Clean Energy Adjustment amounts under such provisions through on-site generation, including where coupled with on-site storage capacity. This might reduce the kilowatt-hours of electric energy delivered to Specified Consumers by means of an Electricity Vendor's system, thereby causing Clean Energy Adjustment charges to the remaining Specified Consumers to increase. Such increases may reduce the collectability of the Clean Energy Adjustment.

Unexpected significant population decreases in the Province of Ontario or Specified Consumers unexpectedly ceasing business or departing from the Province of Ontario may adversely affect the amount of the Clean Energy Adjustment to be invoiced, collected and recovered from Specified Consumers. The decrease in the population of the Province of Ontario may result in fewer Specified Consumers from whom to collect the Clean Energy Adjustment. The increased impact on the remaining Specified Consumers could lead to increased potential consumer defaults and delays, billing lags and write-offs or variations in billing due to variations in electricity consumption.

Insolvency-Related Risks

If the Issuer were to become subject to Canadian Insolvency and Restructuring Laws, the Indenture Trustee's ability to enforce security granted by the Issuer may be significantly impaired or delayed.

Trusts such as the Issuer ordinarily cannot seek protection under the principal Canadian Insolvency and Restructuring Laws (other than a receivership). However, in view of the broad discretionary powers of courts under Canadian Insolvency and Restructuring Laws, the courts' inherent jurisdiction and otherwise, it is not possible to state with certainty that the Issuer could not become subject to Canadian Insolvency and Restructuring Laws. If the Issuer were to become subject to Canadian Insolvency and Restructuring Laws, the Indenture Trustee's ability to enforce security granted by the Issuer may be significantly impaired or delayed. It is not possible to predict how long payments under the Senior Notes could be delayed following commencement of a proceeding under Canadian Insolvency and Restructuring Laws by the Issuer or whether or when the Indenture Trustee would be able to enforce upon or dispose of the assets over which it holds a security interest. Canadian Insolvency and Restructuring Laws also contemplate the granting of super priority security interests or charges (which could be in priority to the security of existing secured creditors) on the assets of the debtor company to secure the repayment of any amounts to be borrowed to facilitate the insolvency proceeding, any amounts owing for the fees and costs of professionals involved in the insolvency proceeding, obligations of directors of the company with respect to their statutory liabilities and sometimes other amounts.

Canadian Insolvency and Restructuring Laws also contain provisions enabling an obligor to prepare and file a proposal or a plan of arrangement or reorganization for consideration by all or some of its creditors, to be voted on by the various classes of creditors affected thereby. Such a restructuring proposal or plan of arrangement or reorganization, if accepted by the requisite majority of each class of affected creditors and if approved by the relevant Canadian court, would be binding on all creditors of the applicable obligor within the affected classes, including the Indenture Trustee and the Noteholders, whether or not the Indenture Trustee or any holders of Senior

Notes votes in favour of the restructuring proposal or plan of arrangement or reorganization. Such a proposal or plan of arrangement or reorganization may have the effect of compromising certain rights available to the Indenture Trustee and the holders of Senior Notes under the Master Trust Indenture or in respect of the collateral.

If the IESO were to become subject to Canadian Insolvency and Restructuring Laws, the transfers between the IESO and the Issuer pursuant to the Master Transfer and Servicing Agreement may not be respected as true sales of the Investment Interest.

Ordinarily, the interests of the Issuer as transferee of the Investment Interest may be subordinate to statutory deemed trusts and other non-consensual liens, trusts and claims created or imposed by statute or rule of law on the property of the IESO arising prior to the time an Investment Interest is transferred to the Issuer, which could reduce the amounts that may be available to the Issuer and, consequently, the holders of Senior Notes. Section 27(3) of the FHPA provides that at the time of the transfer to a Financing Entity under the FHPA, such transfer shall be deemed to have been perfected, vested, valid and binding against the IESO and all other persons who have claims of any kind against the IESO. Section 27(4) of the FHPA provides that section 27(3) applies regardless of whether the persons who have claims have received notice of the transfer and the property rights and interests acquired by the transferee shall have priority over any liens in favour of those persons. However, in the event that the IESO becomes insolvent, its insolvency would be subject to federal bankruptcy and insolvency legislation and the effect of these provisions of the FHPA in such circumstances is untested. The IESO will treat the transactions described herein as a transfer of the Regulatory Asset to the Issuer. Such transfers will be made in accordance with Section 26 of the FHPA. Section 27(1) of the FHPA provides that a transfer of a specified portion of the Regulatory Asset under section 26 constitutes a valid and enforceable absolute assignment, conveyance and sale of the corresponding Investment Interest to the transferee. As a transfer, the Investment Interest would not form part of the assets of the IESO and would not be available to the creditors of the IESO. However, with respect to certain insolvency events relating to the IESO, it is possible that an insolvency administrator or a creditor of the IESO may attempt to argue that the transactions between the IESO and the Issuer are not true sales of the Investment Interest. This position, if accepted by a court applying federal bankruptcy and insolvency laws, could prevent timely or ultimate payment of amounts due to the Issuer and, consequently, due from the Issuer to holders of Senior Notes.

These risks are in addition to the insolvency risks of the IESO noted above under "*Risks Associated with the Unusual Nature of the Investment Asset*".

If the IESO or any Electricity Vendor were to become subject to Canadian Insolvency and Restructuring Laws, collections that have been commingled may be unrecoverable and the Issuer's ability to enforce its rights against the IESO may be significantly impaired or delayed.

While the IESO is the servicer under the Master Transfer and Servicing Agreement, collections held by the IESO are to be held by the IESO in a segregated account. Until Clean Energy Adjustments are remitted to the IESO by Electricity Vendors, amounts collected by the Electricity Vendors are to be held by Electricity Vendors in segregated accounts. If the IESO or any Electricity Vendor fails to hold collections in a segregated account, then to the extent that funds are commingled and used for the benefit of the IESO or such Electricity Vendor prior to making required deposits, in the event of the liquidation, insolvency, receivership or administration or other proceeding under Canadian Insolvency and Restructuring Laws of the IESO or the Electricity Vendor, the ability of the Issuer to enforce its rights to the collections in a timely manner may be adversely affected and collections that have been commingled may be unrecoverable. In the event of the insolvency of the IESO, the right of the Issuer under the Master Transfer and Servicing Agreement to appoint a replacement servicer may be stayed or prevented.

These risks are in addition to the insolvency risks of the IESO noted above under "*Risks Associated with the Unusual Nature of the Investment Asset*".

If OPG were to become subject to Canadian Insolvency and Restructuring Laws, the Issuer's ability to enforce its rights against the Manager may be significantly impaired or delayed and the Issuer's assets and liabilities may be substantively consolidated with those of OPG.

Section 53.1 of the *Electricity Act, 1998* (Ontario), as amended by the FHPA, provides that, regardless of whether a Financing Entity is or is not a subsidiary of OPG: (a) the assets and liabilities of the Financing Entity shall not form

part of the assets and liabilities of OPG or any of its subsidiaries (excluding the Financing Entity if it is a subsidiary); and (b) the assets and liabilities of OPG or any of its subsidiaries (excluding the Financing Entity if it is a subsidiary) shall not form part of the assets and liabilities of the Financing Entity. However, in the event that OPG becomes insolvent, its insolvency would be subject to federal bankruptcy and insolvency legislation and the effect of these provisions of the *Electricity Act, 1998* (Ontario), as amended by the *Fair Hydro Act, 2017*,[59] in such circumstances is untested. In particular, in the event of the liquidation, insolvency, receivership or administration or other proceeding under Canadian Insolvency and Restructuring Laws of OPG, the ability of the Issuer to enforce certain of its rights in and to the Investment Interest in a timely manner may be adversely affected. Such affected rights may include the right to appoint a replacement Manager. It is possible that the creditors of OPG may attempt to substantively consolidate the assets and liabilities of OPG and the Issuer. The Issuer and OPG have taken steps to minimize this risk. However, no assurance can be given that, in the case of the insolvency of OPG, a court would not order that the Issuer's assets and liabilities be substantively consolidated with those of OPG. Such substantive consolidation would result in all creditors of OPG and the Issuer being paid out of a common pool of assets, with no distinction as to which assets are property of OPG and which assets are property of the Issuer, and could cause payment of the claims of the beneficial owners of the Senior Notes to be subject to substantial delay and to adjustment in timing and amount.

If the Issuer Trustee were to become subject to Canadian Insolvency and Restructuring Laws, the assets and liabilities of the Issuer may be substantively consolidated with the Issuer Trustee.

In the case of the insolvency of the Issuer Trustee, it is possible that the creditors of the Issuer Trustee may attempt to argue that the assets of the Issuer are held by the Issuer Trustee in its personal capacity (and not as trustee of the Issuer) and are to be available to the creditors of the Issuer Trustee. Assuming that the Issuer Trustee deals with the assets of the Issuer in accordance with the provisions of the Declaration of Trust, the assets of the Issuer would not constitute property of the Issuer Trustee available for distribution to the creditors of the Issuer Trustee. An insolvency administrator appointed with respect to the Issuer Trustee may be able to recover from the property of the Issuer a portion of its costs that are incurred until a replacement for the Issuer Trustee, as trustee of the Issuer, is appointed or pending any proceeding in respect of the property of the Issuer. Such costs may exceed the compensation provided for in the Declaration of Trust.

If a Specified Consumer were to become subject to Canadian Insolvency and Restructuring Laws, the Issuer's ability to collect Clean Energy Adjustment amounts from such Specified Consumer may be adversely affected.

The application to a Specified Consumer of Canadian Insolvency and Restructuring Laws and related provincial laws could also affect the ability to collect the Clean Energy Adjustments due for the period prior to the insolvency. Federal bankruptcy laws would generally discharge bankrupt Specified Consumers who are individuals of their obligation to pay Clean Energy Adjustment amounts due for the period prior to the individual being discharged from bankruptcy.

If amounts in the Issuer Accounts for any Series are invested with entities that become subject to insolvency proceedings, the Issuer's ability to make payments to holders of Senior Notes may be adversely affected.

Amounts that are on deposit from time to time in the Issuer Accounts for any Series may be invested in Eligible Investments. If insolvency proceedings were to be commenced by or against any entity with which an Eligible Investment is made or which is an issuer, obligor or guarantor of any Eligible Investment, the ability of the Indenture Trustee to enforce its rights in respect of any such Eligible Investment and the ability of the Issuer to make payments to holders of Senior Notes in a timely manner may be adversely affected. In order to reduce this risk, the Eligible Investments must satisfy certain ratings criteria. See *"Rating Agency Condition"*.

[59] The *Fair Hydro Act, 2017* (Ontario), which provided in Schedule 1 the *Ontario Fair Hydro Plan Act, 2017*, amends two other statutes: the *Electricity Act, 1998* (see section 43) and the *Ontario Energy Board Act, 1998* (see section 44).

Other Risks

The credit ratings are not an indication of the expected rate of payment of principal on the Senior Notes.

The Senior Notes will be rated by one or more established rating agencies. A rating is not a recommendation to buy, sell or hold the Senior Notes. The ratings merely analyze the probability that the Issuer will repay the total principal amount of each series of Senior Notes at its final principal payment date (which is later than the Principal Payment Date(s)) and will make timely interest payments. The ratings are not an indication that the rating agencies believe that principal payments are likely to be paid on time according to any expected sinking fund schedule. Thus, the Issuer might repay the principal of a holder of Senior Notes later than expected, which might materially reduce the value of a holder's investment in the Senior Notes.

If the ratings on the Senior Notes are withdrawn or revised downward, the value of a holder's investment in the Senior Notes may be adversely affected.

There is no assurance that any credit rating will remain in effect for any given period of time. The ratings on the Senior Notes may be withdrawn or revised downward at any time without notice, which may have an adverse effect on the market price of the Senior Notes. A rating is not a recommendation to buy, sell or hold the Senior Notes. The ratings merely analyze the probability that the Issuer will repay the total principal amount of each series of Senior Notes at its final principal payment date (which is later than the Principal Payment Date(s)) and will make timely interest payments. The ratings are not an indication that the rating agencies believe that principal payments are likely to be paid on time according to any expected sinking fund schedule. Ratings on the Senior Notes may be lowered, qualified or withdrawn at any time without notice.

The credit ratings of the IESO, OPG and the Province of Ontario might affect the market value of the Senior Notes.

The Senior Notes will not be insured or guaranteed by the Province of Ontario, IESO, OPG or any of their respective affiliates or any other person or entity, except that the Province of Ontario has agreed to provide a limited guarantee in respect of the Senior Notes following the occurrence of certain events. See *"Change of Law Protection Agreement"*. Although neither the IESO nor OPG are obligors in respect of the Senior Notes, a downgrading of the current credit ratings of the IESO, OPG or the Province of Ontario might have an adverse effect on the market value of the Senior Notes, particularly, with respect to the IESO, during the Moratorium Period when no Clean Energy Adjustments are permitted to be collected from Specified Consumers. Credit ratings might change at any time. A rating agency has the authority to revise or withdraw its rating based solely upon its own judgment.

The absence of an established market for the Senior Notes might limit the ability to resell or refinance the Senior Notes.

There is no public market for the Senior Notes, and the Issuer does not intend to apply for a listing of the Senior Notes on any stock exchange. There can be no assurance as to the liquidity of the trading market for the Senior Notes or that a trading market for the Senior Notes will develop.

There is currently no secondary market for the Senior Notes. There can be no assurance that a secondary market will develop or, if a secondary market does develop, that it will provide holders of such Senior Notes with liquidity for their investment or that it will continue for the term of such Senior Notes. Accordingly, purchasers of the Senior Notes may be required to bear the financial risk of investing in the Senior Notes until the maturity date of the Senior Notes.

If an active market does develop for the Senior Notes, the market price on the Senior Notes will depend on many factors including, but not limited to, (i) the Issuer's credit rating and the credit rating of the Senior Notes; (ii) the prevailing interest rates being paid on similar securities; (iii) the Issuer's financial condition and future prospects; and (iv) the overall condition of the economy and the financial markets. The condition of the financial markets and prevailing interest rates have fluctuated in the past and are likely to fluctuate in the future. Fluctuations could have an adverse effect on the market price of the Senior Notes.

The Financial Services Manager has the ability to determine whether to refinance Senior Notes maturing after May 2024 through the issuance of another Series of Senior Notes. However, there can be no assurance that Senior Notes can be refinanced on or before their applicable Principal Payment Default Date.

Restrictions on resale might limit the ability to resell the Senior Notes.

The Senior Notes may not be offered or sold, directly or indirectly, in Canada or to or for the account of any Canadian resident except, in the case of sales made in any province of Canada, pursuant to an exemption from the prospectus requirements under applicable securities laws. The Issuer currently does not intend to file a prospectus or similar document with any securities regulatory authority in Canada qualifying the resale of the Senior Notes to the public in any province of Canada in connection with any Offering of Senior Notes. As a result, the Senior Notes purchased pursuant to this confidential shelf offering memorandum will be subject to restrictions on resale, and may only be resold if a further statutory exemption may be relied upon by the investor or if an appropriate discretionary order or consent is obtained pursuant to applicable securities laws. See "Restrictions on Resale".

RESTRICTIONS ON RESALE

The distribution of the Senior Notes in the provinces of Canada is being made on a private placement basis and is therefore exempt from the requirement that the Issuer prepare and file a prospectus with the relevant Canadian securities regulatory authorities. Accordingly, any resale of the Senior Notes must be made: (a) through an appropriately registered dealer or pursuant to an exemption from the dealer registration requirements of applicable provincial securities laws; and (b) in accordance with, or pursuant to an exemption from, the prospectus requirements of applicable provincial securities laws. These resale restrictions may in some circumstances apply to resales made outside of Canada. Purchasers are advised to seek legal advice prior to any resale of the Senior Notes.

Purchasers are advised that the Issuer does not intend to file a prospectus or similar document with any securities regulatory authority in Canada qualifying the resale of the Senior Notes to the public in any province of Canada in connection with any Offering.

Furthermore, each purchaser of Senior Notes, by its purchase thereof, will be deemed to have represented, acknowledged or confirmed, as the case may be, to the Issuer and any dealer who is involved in the sale of the Senior Notes to such purchaser that such purchaser understands that the Senior Notes are subject to transfer and resale restrictions in Canada and that the certificates representing the Senior Notes (or the relevant ownership statement under a direct registration system or other book-entry system) or other applicable document or notice (including this document) will bear or will notify the purchaser of the following legend:

> "EXCEPT IN THE PROVINCE OF MANITOBA, IN ACCORDANCE WITH NATIONAL INSTRUMENT 45-102 — RESALE OF SECURITIES, UNLESS OTHERWISE PERMITTED UNDER CANADIAN SECURITIES LEGISLATION, THE HOLDER OF THIS SECURITY MUST NOT TRADE THE SECURITY BEFORE THE DATE THAT IS FOUR MONTHS AND A DAY AFTER THE LATER OF (I) THE DATE ON WHICH THE SECURITY IS ISSUED; AND (II) THE DATE THE ISSUER BECOMES A REPORTING ISSUER IN ANY PROVINCE OR TERRITORY OF CANADA.
>
> IN THE PROVINCE OF MANITOBA, UNLESS OTHERWISE PERMITTED UNDER APPLICABLE CANADIAN SECURITIES LAWS OR WITH THE PRIOR WRITTEN CONSENT OF THE APPLICABLE REGULATORS, THE HOLDER OF THIS SECURITY MUST NOT TRADE THE SECURITY BEFORE THE DATE THAT IS TWELVE MONTHS AND A DAY AFTER THE DATE THE PURCHASER ACQUIRED THE SECURITY."

The Issuer is not and does not intend to become a reporting issuer.

There is currently no secondary market for the Senior Notes. There can be no assurance that a secondary market will develop or, if a secondary market does develop, that it will provide holders of such Series of Senior Notes with liquidity for their investment or that it will continue for the life of such Senior Notes. Accordingly, purchasers of the Senior Notes may be required to bear the financial risk of investing in the Senior Notes until the maturity date.

REPORTING REQUIREMENTS

The Issuer is not a reporting issuer or the equivalent thereof under the securities legislation in any jurisdiction. Accordingly, the Issuer is not subject to the continuous reporting and disclosure requirements prescribed by such securities legislation. Therefore, there is no requirement that the Issuer comply with such requirements, including, without limitation, the requirements to provide prompt notification of material changes by way of press releases, to formally file disclosure documents with applicable securities regulatory authorities or to prepare and file annual audited financial statements or quarterly unaudited financial statements. However, the Issuer will provide audited annual financial statements and unaudited quarterly financial statements in accordance with the terms of the Master Trust Indenture. See *"Description of Senior Notes — Reporting Requirements of Senior Notes"*.

STATUTORY RIGHTS OF ACTION

Securities legislation in certain of the provinces of Canada provides purchasers, in addition to any other rights they may have at law, with a remedy for rescission or damages where an offering memorandum or any amendment to it, and in some cases, advertising and sales literature used in connection therewith, contains a misrepresentation. These remedies, or notice with respect thereto, must be exercised or delivered, as the case may be, by the purchaser within the time limit prescribed, and are subject to the defences contained, in the applicable securities legislation. Purchasers should refer to the applicable provisions of the securities legislation of their province for the particulars of these rights or consult with a legal advisor. The following is a summary of the rights of rescission or rights to damages available to purchasers of the Senior Notes.

Rights for Purchasers in Ontario

Section 5.2 of Ontario Securities Commission Rule 45-501 — *Ontario Prospectus and Registration Exemptions* provides that when an offering memorandum, such as this confidential shelf offering memorandum, is delivered to an investor to whom securities are distributed in reliance upon the "accredited investor" prospectus exemption in section 73.3 of the *Securities Act* (Ontario) or a predecessor exemption to section 73.3 of the *Securities Act* (Ontario) the right of action referred to in section 130.1 of the *Securities Act* (Ontario) ("**Section 130.1**") is applicable, unless the prospective purchaser is:

(a) an association governed by the *Cooperative Credit Associations Act* (Canada) or a central cooperative credit society for which an order has been made under section 473(1) of that Act;

(b) a bank, loan corporation, trust company, trust corporation, insurance company, treasury branch, credit union, caisse populaire, financial services cooperative, or league that, in each case, is authorized by an enactment of Canada or a jurisdiction of Canada to carry on business in Canada or a jurisdiction of Canada;

(c) a Schedule III bank, meaning an authorized foreign bank named in Schedule III of the *Bank Act* (Canada);

(d) the Business Development Bank of Canada incorporated under the *Business Development Bank of Canada Act* (Canada); or

(e) a subsidiary of any person referred to in paragraphs (a), (b), (c) or (d), if the person owns all of the voting securities of the subsidiary, except the voting securities required by law to be owned by the directors of the subsidiary.

Section 130.1(1) provides such investors who purchase securities offered by an offering memorandum with a statutory right of action against the Issuer of securities for rescission or damages in the event that the offering memorandum and any amendment to it contains a "misrepresentation". The term "misrepresentation" is defined to mean an untrue statement of a material fact or an omission to state a material fact that is required to be stated or that is necessary to make any statement not misleading in the light of the circumstances in which it was made. These remedies, or notice with respect to these remedies, must be exercised or delivered, as the case may be, by the purchaser within the time limits prescribed by applicable securities laws.

Where this confidential shelf offering memorandum is delivered to a prospective purchaser of Senior Notes in connection with a trade made in reliance on section 73.3 of the *Securities Act* (Ontario), and this document contains a misrepresentation, the purchaser will have, without regard to whether the purchaser relied on the misrepresentation, a statutory right of action against the Issuer for damages or, while still the owner of Senior Notes, for rescission, in which case, if the purchaser elects to exercise the right of rescission, the purchaser will have no right of action for damages, provided that the right of action for rescission will be exercisable by the purchaser only if the purchaser commences the action not more than 180 days after the date of the transaction that gave rise to the cause of action; or, in the case of any action other than an action for rescission, the earlier of: (i) 180 days after the plaintiff first had knowledge of the facts giving rise to the cause of action, or (ii) three years after the date of the transaction that gave rise to the cause of action.

The Issuer will not be liable for a misrepresentation if it proves that the purchaser purchased the Senior Notes with knowledge of the misrepresentation.

In an action for damages, the Issuer will not be liable for all or any portion of the damages that the Issuer proves do not represent the depreciation in value of the Senior Notes as a result of the misrepresentation relied upon.

In no case will the amount recoverable for the misrepresentation exceed the price at which the Senior Notes were offered.

The liability of all persons and companies referred to above is joint and several. The Issuer, however, shall not be liable where it is not receiving any proceeds from the distribution of the securities being distributed and the misrepresentation was not based on information provided by the Issuer, unless the misrepresentation, (a) was based on information that was previously publicly disclosed by the Issuer, (b) was a misrepresentation at the time of its previous public disclosure and (c) was not subsequently publicly corrected or superseded by the Issuer prior to the completion of the distribution of the securities being distributed.

The foregoing statutory right of action for rescission or damages conferred is in addition to and without derogation from any other right the purchaser may have at law.

This summary is subject to the express provisions of the *Securities Act* (Ontario) and the regulations and rules made under it, and prospective investors should refer to the complete text of those provisions.

Rights for Purchasers in Saskatchewan

Section 138 of *The Securities Act, 1988* (Saskatchewan), as amended (the "**Saskatchewan Act**") provides that where an offering memorandum (such as this confidential shelf offering memorandum) or any amendment to it is sent or delivered to a purchaser and it contains a misrepresentation (as defined in the Saskatchewan Act), a purchaser who purchases a security covered by the offering memorandum or any amendment to it has, without regard to whether the purchaser relied on the misrepresentation, a right of action for rescission against the Issuer or a selling security holder on whose behalf the distribution is made or has a right of action for damages against:

(a) the Issuer or a selling security holder on whose behalf the distribution is made;

(b) every promoter and trustee of the Issuer or the selling security holder, as the case may be, at the time the offering memorandum or any amendment to it was sent or delivered;

(c) every person or company whose consent has been filed respecting the offering, but only with respect to reports, opinions or statements that have been made by them;

(d) every person who or company that, in addition to the persons or companies mentioned in (a) to (c) above, signed the offering memorandum or the amendment to the offering memorandum; and

(e) every person who or company that sells securities on behalf of the Issuer or selling security holder under the offering memorandum or amendment to the offering memorandum.

Such rights of rescission and damages are subject to certain limitations including the following:

(a) if the purchaser elects to exercise its right of rescission against the Issuer or selling security holder, it will have no right of action for damages against that party;

(b) in an action for damages, a defendant will not be liable for all or any portion of the damages that he, she or it proves do not represent the depreciation in value of the securities resulting from the misrepresentation relied on;

(c) no person or company, other than the Issuer or a selling security holder, will be liable for any part of the offering memorandum or any amendment to it not purporting to be made on the authority of an expert and not purporting to be a copy of, or an extract from, a report, opinion or statement of an expert, unless the person or company failed to conduct a reasonable investigation sufficient to provide reasonable grounds for a belief that there had been no misrepresentation or believed that there had been a misrepresentation;

(d) in no case will the amount recoverable exceed the price at which the securities were offered; and

(e) no person or company is liable in an action for rescission or damages if that person or company proves that the purchaser purchased the securities with knowledge of the misrepresentation.

In addition, no person or company, other than the Issuer or selling security holder, will be liable if the person or company proves that:

(a) the offering memorandum or any amendment to it was sent or delivered without the person's or company's knowledge or consent and that, on becoming aware of it being sent or delivered, that person or company immediately gave reasonable general notice that it was so sent or delivered; or

(b) with respect to any part of the offering memorandum or any amendment to it purporting to be made on the authority of an expert, or purporting to be a copy of, or an extract from, a report, an opinion or a statement of an expert, that person or company had no reasonable grounds to believe and did not believe that: (i) there had been a misrepresentation, or (ii) the part of the offering memorandum or any amendment to it did not fairly represent the report, opinion or statement of the expert, or was not a fair copy of, or an extract from, the report, opinion or statement of the expert.

Not all defences upon which the Issuer or others may rely are described herein. Please refer to the full text of the Saskatchewan Act for a complete listing.

The liability of all persons and companies referred to above is joint and several.

Similar rights of action for damages and rescission are provided in section 138.1 of the Saskatchewan Act in respect of a misrepresentation in advertising and sales literature disseminated in connection with an offering of securities.

Section 138.2 of the Saskatchewan Act also provides that, subject to certain limitations and defences, where an individual makes a verbal statement to a purchaser that contains a misrepresentation relating to the security purchased and the verbal statement is made either before or contemporaneously with the purchase of the security, the purchaser has, without regard to whether the purchaser relied on the misrepresentation, a right of action for damages against the individual who made the verbal statement.

Section 141(1) of the Saskatchewan Act provides a purchaser with the right to void the purchase agreement and to recover all money and other consideration paid by the purchaser for the securities if the securities are sold in contravention of the Saskatchewan Act, the regulations to the Saskatchewan Act or a decision of the Saskatchewan Financial Services Commission.

Section 141(2) of the Saskatchewan Act also provides a right of action for rescission or damages to a purchaser of securities to whom an offering memorandum or any amendment to it was not sent or delivered prior to or at the same time as the purchaser enters into an agreement to purchase the securities, as required by Section 80.1 of the Saskatchewan Act.

The rights of action for damages or rescission under the Saskatchewan Act are in addition to and do not derogate from any other right which a purchaser may have at law.

Section 147 of the Saskatchewan Act provides that no action will be commenced to enforce any of the foregoing rights more than:

(a) in the case of an action for rescission or cancellation, 180 days after the date of the transaction that gave rise to the cause of action; or

(b) in the case of any other action, other than an action for rescission or cancellation, the earlier of:

  (i) one year after the plaintiff first had knowledge of the facts giving rise to the cause of action; or

  (ii) six years after the date of the transaction that gave rise to the cause of action.

The Saskatchewan Act also provides that a purchaser who has received an amended offering memorandum delivered in accordance with subsection 80.1(3) of the Saskatchewan Act has a right to withdraw from the agreement to purchase the securities by delivering a notice to the person who or company that is selling the securities, indicating the purchaser's intention not to be bound by the purchase agreement, provided such notice is delivered by the purchaser within two business days of receiving the amended offering memorandum.

This summary is subject to the express provisions of the Saskatchewan Act and the regulations and rules made under it, and prospective investors should refer to the complete text of those provisions.

Rights for Purchasers in Nova Scotia

The right of action for rescission or damages described herein is conferred by section 138 of the *Securities Act* (Nova Scotia). Section 138 provides, in the relevant part, that in the event that this confidential shelf offering memorandum, together with any amendments hereto, or any advertising or sales literature (as defined in the *Securities Act* (Nova Scotia)) contains an untrue statement of material fact or omits to state a material fact that is required to be stated or that is necessary in order to make any statements contained herein or therein not misleading in light of the circumstances in which it was made (a "**misrepresentation**"), a purchaser of Senior Notes is deemed to have relied upon such misrepresentation if it was a misrepresentation at the time of purchase and has, subject to certain limitations and defences, a statutory right of action for damages against the Issuer, its trustees, any person who signed this confidential shelf offering memorandum, any selling security holder and the directors of any such selling security holder at the date of this confidential shelf offering memorandum or, alternatively, while still the owner of the Senior Notes, may elect instead to exercise a statutory right of rescission against the Issuer, in which case the purchaser will have no right of action for damages against any person listed above, including the Issuer, provided that, among other limitations:

(a) no action will be commenced to enforce the right of action for rescission or damages by a purchaser resident in Nova Scotia under Section 138 later than 120 days after the date payment was made for the Senior Notes (or after the date on which initial payment was made for the Senior Notes where payments subsequent to the initial payment are made pursuant to a contractual commitment assumed prior to, or concurrently with, the initial payment);

(b) no person will be liable if it proves that the purchaser purchased the Senior Notes with knowledge of the misrepresentation;

(c) no person or company, other than the Issuer, is liable under Section 138 if the person or company proves that:

(i) this confidential shelf offering memorandum, or any amendment hereto, was sent or delivered to the purchaser without the person's or company's knowledge or consent and that, on becoming aware of its delivery, the person or company gave reasonable general notice that it was delivered without the person's or company's knowledge or consent;

(ii) after delivery of this confidential shelf offering memorandum, or the amendment hereto, and before the purchase of the Senior Notes by the purchaser, on becoming aware of any misrepresentation in this confidential shelf offering memorandum, or the amendment hereto, or any record incorporated or deemed incorporated by reference therein, the person or company withdrew the person's or company's consent to this confidential shelf offering memorandum, or amendment hereto, or such record, and gave reasonable general notice of the withdrawal and the reason for it; or

(iii) with respect to any part of this confidential shelf offering memorandum, or amendment hereto, or any record incorporated or deemed to be incorporated by reference therein, purporting to be made on the authority of an expert, or to be a copy of, or an extract from a report, an opinion or a statement of an expert, the person or company had no reasonable grounds to believe and did not believe that there had been a misrepresentation, or that the relevant part of this confidential shelf offering memorandum, or amendment hereto, or such record, did not fairly represent the report, opinion or statement of the expert, or was not a fair copy of, or extract from, the report, opinion or statement of the expert;

(d) no person or company, other than the Issuer, is liable under Section 138 with respect to any part of this confidential shelf offering memorandum, or amendment hereto, or any record incorporated or deemed incorporated by reference therein, not purporting to be made on the authority of an expert, or to be a copy of or an extract from, a report, opinion or statement of an expert, unless the person or company failed to conduct a reasonable investigation to provide reasonable grounds for a belief that there had been no misrepresentation, or believed that there had been a misrepresentation;

(e) in the case of an action for damages, no person will be liable for all or any portion of the damages that it proves do not represent the depreciation in value of the Senior Notes resulting from the misrepresentation; and

(f) in no case will the amount recoverable under Section 138 in any action exceed the price at which the Senior Notes were offered to the purchaser.

The liability of all persons or companies referred to above is joint and several with respect to the same cause of action. A defendant who is found liable to pay a sum in damages may recover a contribution, in whole or in part, from a person or company who is jointly and severally liable to make the same payment in the same cause of action unless, in all the circumstances of the case, the court is satisfied that it would not be just and equitable.

The foregoing statutory right of action for rescission or damages conferred by Section 138 of the Securities Act (Nova Scotia) is in addition to and without derogation from any other right or remedy available at law or otherwise to the purchaser. This summary is subject to the express provisions of the *Securities Act* (Nova Scotia) and the regulations and rules made under it, and prospective investors should refer to the complete text of those provisions may have at law.

Rights for Purchasers in New Brunswick

Section 2.1 of New Brunswick Securities Commission Rule 45-802 provides that the statutory rights of action in rescission or damages referred to in Section 150 of the *Securities Act* (New Brunswick) ("**Section 150**") apply to information relating to an offering memorandum, such as this confidential shelf offering memorandum, that is provided to a purchaser of securities in connection with a distribution made in reliance on the "accredited

investor" prospectus exemption in Section 2.3 of NI 45-106. Section 150 provides investors who purchase securities offered for sale in reliance on an exemption from the prospectus requirements of the *Securities Act* (New Brunswick) with a statutory right of action for damages against (i) the Issuer; (ii) the selling security holder on whose behalf the distribution was made; (iii) every person who was a director of the Issuer as at the date of the offering memorandum; and (iv) every person who signed the offering memorandum in the event that an offering memorandum provided to such investor contains a "misrepresentation". Alternatively, if the investor purchased the securities from a person referred to in (i) or (ii) above, an investor may elect a right of rescission, in which case the investor shall have no right of action for damages. "Misrepresentation" means an untrue statement of a material fact or an omission to state a material fact that is required to be stated or that is necessary to make a statement not misleading in the light of the circumstances in which it was made.

Where this confidential shelf offering memorandum is delivered to a prospective purchaser of Senior Notes in connection with a trade made in reliance on Section 2.3 of NI 45-106, and this document (including any documentation incorporated or deemed to be incorporated by reference) contains a misrepresentation, a purchaser who purchases the securities will be deemed to have relied on the misrepresentation and will have, subject to certain limitations and defences, a statutory right of action against the Issuer for damages or, while still the owner of Senior Notes, for rescission. If the purchaser elects to exercise the right of rescission, the purchaser will have no right of action for damages. The right of action for rescission will be exercisable by the purchaser only if the purchaser commences the action against the defendant, not more than 180 days after the date of the transaction that gave rise to the cause of action; or, in the case of any action other than an action for rescission, the earlier of: (i) one year after the plaintiff first had knowledge of the facts giving rise to the cause of action, or (ii) six years after the date of the transaction that gave rise to the cause of action.

No person other than the Issuer or the selling security holder is liable under Section 150 if the person proves that:

(a) the offering memorandum was delivered to the purchaser without the person's knowledge or consent and that, on becoming aware of its delivery, the person gave written notice to the Issuer that it was delivered without the person's knowledge or consent;

(b) upon becoming aware of a misrepresentation in the offering memorandum the person withdrew the person's consent to the offering memorandum and gave written notice to the Issuer of the withdrawal and the reason for the withdrawal; or

(c) with respect to any part of the offering memorandum purporting to be made on the authority of an expert or purporting to be a copy of, or an extract from, a report, opinion or statement of an expert, the person had no reasonable grounds to believe and did not believe there had been a misrepresentation or that the relevant part of the offering memorandum did not fairly represent the report, opinion or statement of the expert or was not a fair copy of, or extract from, the report, opinion or statement of the expert.

In addition, no person other than the Issuer or the selling security holder is liable under Section 150 with respect to any part of an offering memorandum not purporting to be made on the authority of an expert and not purporting to be a copy of, or an extract from, a report, opinion or statement of an expert unless (i) the person failed to conduct such reasonable investigations as to provide reasonable grounds for a belief that there had been no misrepresentation or (ii) the person believed that there had been misrepresentation.

The defendant will not be liable for a misrepresentation if it proves that the purchaser purchased the Senior Notes with knowledge of the misrepresentation.

In an action for damages, the defendant will not be liable for all or any portion of the damages that the defendant proves do not represent the depreciation in value of the Senior Notes as a result of the misrepresentation relied upon.

In no case will the amount recoverable for the misrepresentation exceed the price at which the Senior Notes were offered.

The liability of all persons referred to above is joint and several.

The foregoing statutory right of action for rescission or damages conferred is in addition to and without derogation from any other right the purchaser may have at law.

This summary is subject to the express provisions of the Securities Act (New Brunswick) and the regulations and rules made under it, and prospective investors should refer to the complete text of those provisions.

Rights for Purchasers in Prince Edward Island

The right of action for rescission or damages described herein is conferred by Section 112 of the *Securities Act* (Prince Edward Island). Section 112 provides, that in the event that this confidential shelf offering memorandum contains a "misrepresentation", a purchaser who purchased the Senior Notes during the period of distribution, without regard to whether the purchaser relied upon such misrepresentation, has a statutory right of action for damages against the Issuer, the selling security holder on whose behalf the distribution was made, every trustee of the Issuer as at the date of the confidential shelf offering memorandum, and every person who signed the confidential shelf offering memorandum. Alternatively, the purchaser while still the owner of the Senior Notes may elect to exercise a statutory right of action for rescission against the Issuer. "Misrepresentation" means an untrue statement of material fact, or an omission to state a material fact that is required to be stated by the *Securities Act* (Prince Edward Island), or an omission to state a material fact that needs to be stated so that a statement is not false or misleading in light of the circumstances in which it is made. Statutory rights of action for rescission or damages by a purchaser are subject to the following limitations:

Steve, as requested, attached are our current working drafts of the Fair Hydro Master Trust Indenture and Master Transfer and Servicing Agreement. Please note that these drafts are still in progress and, in particular, are subject to revision to reflect comments from OPG and the broader working group, as well as finalization of the mechanics of the payment of the debt carrying costs during the moratorium period (which we understand are expected to be paid by the IESO and addressed in a new regulation).

Please let us know if you have any comments or questions on the attached. We are in the process of advancing the drafts of the DOT and management agreement and will forward those to you as soon as possible.

Best,
Rima

This **TRUST INDENTURE**, between **[ISSUER]**, a trust formed under the laws of the Province of Ontario (the "**Issuer**"), and **[INDENTURE TRUSTEE]**, a trust company existing under the laws of Canada, in its capacity as Indenture Trustee (the "**Indenture Trustee**"), is made and entered into as of [■], 2017.

RECITALS OF THE ISSUER

The Issuer wishes to provide for the issuance of its Notes to be issued in one or more fully registered or bearer Series, Classes or Tranches.

All things necessary to make this Indenture a valid and legally binding agreement of the Issuer, in accordance with its terms, have been done.

AGREEMENT OF THE PARTIES

In consideration of the respective agreements herein contained, the parties hereto covenant and agree as follows:

ARTICLE I
DEFINITIONS AND OTHER PROVISIONS OF GENERAL APPLICATION

1.01 Definitions

For all purposes of this Indenture and of any Supplemental Indenture, except as otherwise expressly provided or unless the context otherwise requires:

(a) the terms defined in Schedule A have the meanings assigned to them in Schedule A, and include the plural as well as the singular;

(b) [all other terms used herein which are defined in the Master Transfer and Servicing Agreement, either directly or by reference therein, have the meanings assigned to them therein;][1]

(c) all accounting terms not otherwise defined herein have the meanings assigned to them in accordance with generally accepted accounting principles (including the International Financial Reporting Standards as published by the International Accounting Standards Board, or any successor accounting standards board) and, except as otherwise herein expressly provided, the term "generally accepted accounting principles" with respect to any computation required or permitted hereunder means such accounting principles as are generally accepted in Canada at the date of such computation;

[1] Defined terms from Master Transfer and Servicing Agreement to be included in Schedule A. Schedule A will be a master glossary for all Program Agreements.

(d) unless the context otherwise requires, terms defined in the PPSA and not otherwise defined in this Indenture or a Supplemental Indenture shall have the meanings set forth in the PPSA;

(e) all references to any Person shall include such Person's permitted successors and assigns, and any reference to a Person in a particular capacity excludes such Person in other capacities;

(f) references to any law, rule, regulation or order of a Governmental Authority shall include such law, rule, regulation or order as from time to time in effect, including any amendment, modification, codification, replacement or reenactment thereof or any substitution therefor;

(g) the word "will" shall be construed to have the same meaning and effect as the word "shall". The word "or" is not exclusive;

(h) all references in this Indenture to designated "Articles", "Sections", "Schedules", "Exhibits" and other subdivisions are to the designated Articles, Sections, Schedules, Exhibits and other subdivisions of this Indenture as originally executed. The words "herein", "hereof" and "hereunder" and other words of similar import refer to this Indenture as a whole and not to any particular Article, Section or other subdivision;

(i) "including" and words of similar import will be deemed to be followed by "without limitation"; and

(j) with respect to the computation of periods of time from a specified date to a later specified date, unless otherwise expressly stated, the word "from" means "from and including" and the words "to" and "until" each mean "to but excluding".

1.02 Compliance Certificates and Opinions

Upon any application or request by the Issuer to the Indenture Trustee to take any action under any provision of this Indenture, the Issuer will furnish to the Indenture Trustee (i) an Issuer's Certificate stating that all conditions precedent, if any, provided for in this Indenture relating to the proposed action have been complied with, and (ii) an Opinion of Counsel stating that, in the opinion of such counsel, all such conditions precedent, if any, have been complied with, except that in the case of any such application or request as to which the furnishing of such documents are specifically required by any provision of this Indenture relating to such particular application or request, no additional certificate or opinion need be furnished.

The Indenture Trustee may rely, as to authorization by the Issuer of any Series, Class or Tranche of Notes, the form and terms thereof and the legality, validity, binding effect and enforceability thereof, upon the Opinion of Counsel and the other documents delivered pursuant to Article V and this Section 1.02, as applicable, in connection with the first authentication of Notes of such Series, Class or Tranche.

Every certificate or opinion with respect to compliance with a condition or covenant provided for in this Indenture (except for the written statement required by Section 13.10) will include:

(a) a statement that each individual signing such certificate or opinion has read such covenant or condition and the definitions herein relating thereto;

(b) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based;

(d) a statement as to whether, in the opinion of each such individual, such condition or covenant has been complied with.

1.03 Form of Documents Delivered to Indenture Trustee

In any case where several matters are required to be certified by, or covered by an opinion of, one or more specified Persons, one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to the other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of the Issuer may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel, unless the Issuer knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations are erroneous. Any such certificate or opinion of, or representation by, counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, the Issuer stating that the information with respect to such factual matters is in the possession of the Issuer, unless such counsel knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

1.04 Actions by Noteholders

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action (collectively, an "**Action**") provided by this Indenture to be given or taken by Noteholders of any Series, Class or Tranche may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Noteholders in person or by an agent duly appointed in writing. If Notes of a Series, Class or Tranche are issuable in whole or in part as Bearer Notes, any Action provided by this Indenture to be given or taken by such Noteholders may, alternatively, be embodied in and evidenced by the record of such Noteholders voting in favor thereof, either in person or by proxies duly appointed in writing, at

any meeting of Noteholders duly called and held in accordance with the provisions of Article X or a combination of such instruments and any such record. Except as herein otherwise expressly provided, such Action will become effective when such instrument or instruments or record are delivered to the Indenture Trustee, and, where it is hereby expressly required, to the Issuer. Proof of execution of any such instrument or of a writing appointing any such agent, or the holding by any Person of a Note, will be sufficient for any purpose of this Indenture and (subject to Section 9.01) conclusive in favor of the Indenture Trustee and the Issuer, if made in the manner provided in this Section 1.04. The record of any meeting of Noteholders shall be proved in the manner provided in Article X.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved by the affidavit of a witness to such execution or by the certificate of any notary public or other officer authorized by applicable law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to him the execution thereof. Where such execution is by an officer of a corporation or limited liability company, or a partner of a partnership, on behalf of such corporation, limited liability company or partnership, such certificate or affidavit will also constitute sufficient proof of his or her authority. The fact and date of the execution of any such instrument or writing, or the authority of the person executing the same, may also be proved in any other manner which the Indenture Trustee deems sufficient.

(c) (i) The ownership of Registered Notes will be proved by the Note Register.

(ii) The ownership of Bearer Notes or coupons will be proved by the production of such Bearer Notes or coupons or by a certificate, satisfactory to the Issuer and the Indenture Trustee, executed, as depositary, by any bank, trust company, recognized securities dealer, as depositary, wherever situated, satisfactory to the Issuer. Each such certificate will be dated and will state that on the date thereof a Bearer Note or coupon bearing a specified serial number was deposited with or exhibited to such bank, trust company or recognized securities dealer by the Person named in such certificate. Any such certificate may be issued in respect of one or more Bearer Notes or coupons specified therein. The holding by the Person named in any such certificate of any Bearer Note specified therein will be presumed to continue for a period of one year from the date of such certificate unless at the time of any determination of such holding (A) another certificate bearing a later date is issued in respect of the same Bearer Note or coupon produced, (B) the Bearer Note or coupon specified in such certificate is produced by some other Person or (C) the Bearer Note or coupon specified in such certificate has ceased to be Outstanding.

(d) The fact and date of execution of any such instrument or writing, the authority of the Person executing the same and the principal amount and serial numbers of Bearer Notes held by the Person so executing such instrument or writing and the date of holding the same may also be proved in any other manner which the

Indenture Trustee deems sufficient; and the Indenture Trustee may in any instance require further proof with respect to any of the matters referred to in this Section 1.04.

(e) If the Issuer will solicit from the Noteholders any Action, the Issuer may, at its option, by an Issuer Certificate, fix in advance a record date for the determination of Noteholders entitled to give such Action, but the Issuer will have no obligation to do so. If the Issuer does not so fix a record date, such record date will be the later of 30 days before the first solicitation of such Action or the date of the most recent list of Noteholders furnished to the Indenture Trustee pursuant to Section 13.14 before such solicitation. Such Action may be given before or after the record date, but only the Noteholders of record at the close of business on the record date will be deemed to be Noteholders for the purposes of determining whether Noteholders of the requisite proportion of Notes Outstanding have authorized or agreed or consented to such Action, and for that purpose the Notes Outstanding will be computed as of the record date; provided that no such authorization, agreement or consent by the Noteholders on the record date will be deemed effective unless it will become effective pursuant to the provisions of this Indenture not later than 6 months after the record date.

(f) Any Action by a Noteholder will bind the holder of every Note issued upon the transfer thereof or in exchange therefor or in lieu thereof, in respect of anything done or suffered to be done by the Indenture Trustee or the Issuer in reliance thereon whether or not notation of such Action is made upon such Note.

(g) Without limiting the foregoing, a Noteholder entitled hereunder to take any Action hereunder with regard to any particular Note may do so with regard to all or any part of the principal amount of such Note or by one or more duly appointed agents each of which may do so pursuant to such appointment with regard to all or any part of such principal amount. Any notice given or Action taken by a Noteholder or its agents with regard to different parts of such principal amount pursuant to this paragraph shall have the same effect as if given or taken by separate Noteholders of each such different part.

(h) Without limiting the generality of the foregoing, unless otherwise specified pursuant to Section 4.01 or pursuant to one or more Supplemental Indentures, a Noteholder, including a Depository that is the holder of a Global Note, may make, give or take, by a proxy or proxies duly appointed in writing, any Action provided in this Indenture to be made, given or taken by Noteholders, and a Depository that is the holder of a Global Note may provide its proxy or proxies to the beneficial owners of interests in or security entitlements to any such Global Note through such Depository's standing instructions and customary practices.

(i) The Issuer may fix a record date for the purpose of determining the Persons who are beneficial owners of interests in or security entitlements to any Global Note held by a Depository entitled under the procedures of such Depository to make, give or take, by a proxy or proxies duly appointed in writing, any Action provided

in this Indenture to be made, given or taken by Noteholders. If such a record date is fixed, the Noteholders on such record date or their duly appointed proxy or proxies, and only such Persons, shall be entitled to make, give or take such Action, whether or not such Noteholders remain Noteholders after such record date. No such Action shall be valid or effective if made, given or taken more than 90 days after such record date.

1.05 Actions of Other Specified Creditors

Any Action provided by this Indenture to be given or taken by any Specified Creditor (other than Noteholders) may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Specified Creditor in person or an agent duly appointed in writing. Proof of execution of any such instrument or of a writing appointing any such agent will be sufficient for any purpose of this Indenture and (subject to Section 9.01) conclusive in favour of the Indenture Trustee and the Issuer, if made in the manner provided in Section 1.04(b).

1.06 Effect of Headings and Table of Contents

The Article and Section headings herein and the Table of Contents are for convenience only and will not affect the construction hereof.

1.07 Successors and Assigns

All covenants and agreements in this Indenture by the Issuer will bind its successors and assigns, whether so expressed or not. All covenants and agreements of the Indenture Trustee in this Indenture shall bind its successors, co-trustees and agents of the Indenture Trustee.

1.08 Severability

In case any provision in this Indenture or in the Notes will be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions will not in any way be affected or impaired thereby.

1.09 Governing Law

THIS INDENTURE WILL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE PROVINCE OF ONTARIO AND THE FEDERAL LAWS OF CANADA APPLICABLE THEREIN, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS. EACH PARTY SUBMITS TO THE EXCLUSIVE JURISDICTION OF ANY ONTARIO COURTS SITTING IN TORONTO IN ANY ACTION, APPLICATION, REFERENCE OR OTHER PROCEEDING ARISING OUT OF OR RELATED TO THIS INDENTURE. THE PARTIES HERETO HEREBY WAIVE ANY RIGHT THEY MAY HAVE TO REQUIRE A TRIAL BY JURY OF ANY PROCEEDING COMMENCED IN CONNECTION WITH THIS INDENTURE.

1.10 Counterparts

This Indenture may be executed in any number of counterparts, each of which so executed will be deemed to be an original, but all such counterparts will together constitute one and the same instrument.

1.11 Indenture Referred to in the Declaration of Trust and the Master Transfer and Servicing Agreement

This is the Indenture referred to in the Declaration of Trust and the Master Transfer and Servicing Agreement.

1.12 Non-Business Days

Whenever any payment to be made hereunder shall be stated to be due, any period of time would begin or end, any calculation is to be made or any other action to be taken hereunder shall be stated to be required to be taken, on a day other than a Business Day, then (notwithstanding any other provision of the Notes or this Indenture) such payment shall be made, such period of time shall begin or end, such calculations shall be made and such other action shall be taken on the next succeeding Business Day.

1.13 Interest Act

For the purpose of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest to which any rate of interest payable under this Indenture that is calculated on any basis other than a full calendar year is equivalent may be determined by multiplying such rate by a fraction, the numerator of which is the actual number of days in the calendar year in which such yearly rate of interest is to be ascertained and the denominator of which is the number of days comprising such other basis. The parties further agree that for the purposes of the *Interest Act* (Canada), (i) the principle of deemed reinvestment of interest shall not apply to any interest calculation under this Indenture or the Notes, and (ii) the rates of interest stipulated in this Indenture or the Notes are intended to be nominal rates and not effective rates or yields.

1.14 Currency

Unless stated otherwise, all amounts herein are stated in Canadian Dollars.

1.15 References to Acts of the Issuer

For greater certainty, where any reference is made in this Indenture, or in any other instrument executed pursuant hereto or contemplated hereby to which the Issuer or the Issuer Trustee, as trustee of the Issuer, is party, to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or release to be provided by, a suit or proceeding to be taken by or against, or a covenant, representation or warranty (other than relating to the constitution or existence of the Issuer) by or with respect to (i) the Issuer or (ii) the Issuer Trustee, such reference shall be construed and applied for all purposes as if it referred to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or release to be provided by, a suit or proceeding to be taken by or against or

The obligation of the Issuer in respect of any Original Currency due from it to the Indenture Trustee under this Indenture shall, notwithstanding any judgment or payment in such other currency, be discharged only to the extent that, on the Business Day following receipt of any sum so paid or adjudged to be due under this Indenture in the Second Currency, the Indenture Trustee may, in accordance with normal banking procedures, purchase in the New York foreign exchange market the Original Currency with the amount of the Second Currency so paid or so adjudged to be due; and if the amount of the Original Currency so purchased is less than the amount originally due in the Original Currency, the Issuer shall indemnify the Indenture Trustee against such loss.

(b) The Indenture Trustee shall hold each item of the Collateral separate and apart from all other property held by the Indenture Trustee.

(c) The Issuer will from time to time execute, authorize and deliver all such supplements and amendments hereto and all such financing statements, amendments thereto, instruments of further assurance and other instruments, all as prepared by the Issuer, and will take such other action necessary or advisable to:

(v) preserve and defend title to the Collateral and the rights of the Indenture Trustee in the Collateral against the claims of all Persons; or

(vi) pay all taxes or assessments levied or assessed upon the Collateral when due.

(d) The Issuer will from time to time promptly pay and discharge all PPSA recording and filing fees, charges and taxes relating to this Indenture, any amendments hereto and any other instruments of further assurance.

(i) The Issuer will cause this Indenture, all amendments and supplements hereto and all financing statements and all amendments to such financing statements and any other necessary documents covering the Indenture Trustee's right, title and interest in and to the Collateral to be promptly recorded, registered and filed, and at all times to be kept recorded, registered and filed, all in such manner and in such places as may be required by applicable law fully to preserve and protect the right, title and interest of the Indenture Trustee in and to all property comprising the Collateral. The Issuer hereby authorizes the filing of financing statements (and amendments of financing statements) that name the Issuer as debtor and the Indenture Trustee as secured party and that cover all personal property of the Issuer. The Issuer also hereby ratifies the filing of any such financing statements (or amendments of financing statements) that were filed prior to the execution hereof.

(ii) The Issuer shall not change its name, its jurisdiction of formation or its type of organization unless it has first (A) made all filings and taken all actions in all relevant jurisdictions under the PPSA and other applicable law as are necessary to continue and maintain the first priority perfected Security Interest of the Indenture Trustee in the Collateral, and (B) delivered to the Indenture Trustee an Opinion of Counsel to the effect that all necessary filings have been made under the PPSA (and where applicable, the equivalent thereof) in all relevant jurisdictions as are necessary to continue and maintain the first priority perfected Security Interest of the Indenture Trustee in the Collateral.

2.03 Use of Collateral

2.04 Suits To Protect the Collateral

Subject to the provisions of this Indenture, the Indenture Trustee will have power to institute and to maintain such suits and proceedings as it may deem expedient to prevent any impairment of the Collateral by any acts which may be unlawful or in violation of this Indenture, and such suits and proceedings as the Indenture Trustee may deem expedient to preserve or protect the interests of the Specified Creditors and the interests of the Indenture Trustee in the Collateral (including the power to institute and maintain suits or proceedings to restrain the enforcement of, or compliance with, any legislative or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid if the enforcement of, or compliance with, such enactment, rule or order would impair the Security Interest or be prejudicial to the interests of the Specified Creditors or the Indenture Trustee).

2.05 Purchaser Protected

In no event will any purchaser in good faith of any property purported to be released hereunder be bound to ascertain the authority of the Indenture Trustee to execute the release or to inquire as to the satisfaction of any conditions required by the provisions hereof for the exercise of such authority or to see to the application of any consideration given by such purchaser or other transferee; nor will any purchaser or other transferee of any property or rights permitted by this Article II to be sold be under any obligation to ascertain or inquire into the authority of the Issuer to make any such sale or other transfer.

In case the Collateral shall be in the possession of a receiver or trustee lawfully appointed, the powers conferred in this Article II upon the Issuer with respect to the release, sale or other disposition of such property may be exercised by such receiver or trustee, and an instrument signed by such receiver or trustee shall be deemed the equivalent of any similar instrument of the Issuer or of any officer or officers thereof required by the provisions of this Article II.

2.07 Determinations Relating to Collateral

In the event (i) the Indenture Trustee shall receive any written request from the Issuer for consent or approval with respect to any matter or thing relating to any Collateral or the Issuer's obligations with respect thereto, (ii) there shall be due to or from the Indenture Trustee under the provisions hereof any performance or the delivery of any instrument, or (iii) the Indenture Trustee shall become aware of any nonperformance by the Issuer of any covenant or any breach of any representation or warranty of the Issuer set forth in this Indenture, then, in each such event, the Indenture Trustee shall be entitled to hire experts, consultants, agents and attorneys to advise the Indenture Trustee on the manner in which the Indenture Trustee should respond to such request or render any requested performance or response to such nonperformance or breach (the expenses of which will be reimbursed to the Indenture Trustee pursuant to Section 9.05). The Indenture Trustee will be fully protected in the taking of any action recommended or approved by any such expert, consultant, agent or attorney, or agreed to by Extraordinary Resolution.

2.08 Satisfaction and Discharge of Indenture

(a) The Issuer may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture with respect to any Series, Class or Tranche of Notes or for any other purpose, pay, or by an Issuer Certificate direct any Paying Agent to pay, to the Indenture Trustee all sums held in trust by the Issuer or such Paying Agent in respect of each and every Series, Class or Tranche of Notes as to which it seeks to discharge this Indenture or, if for any other purpose, all sums so held in trust by the Issuer in respect of all Notes, such sums to be held by the Indenture Trustee upon the same trusts as those upon which such sums were held by the Issuer or such Paying Agent; and, upon such payment by any Paying Agent to the Indenture Trustee, such Paying Agent will be released from all further liability with respect to such money.

(b) This Indenture will cease to be of further effect with respect to any Series, Class or Tranche of Notes (except as to any surviving rights of transfer or exchange of Notes of that Series, Class or Tranche expressly provided for herein or in the form of Note for that Series, Class or Tranche), and the Indenture Trustee, on demand of and at the expense of the Issuer, will execute proper instruments acknowledging satisfaction and discharge of this Indenture as to that Series, Class or Tranche, when:

(i) all Notes of that Series, Class or Tranche theretofore authenticated and delivered (other than (A) Notes of that Series, Class or Tranche which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 17.04(b), and (B) Notes of that Series, Class or Tranche for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from that trust, as provided in Section 17.04(b)) have been delivered to the Indenture Trustee canceled or for cancellation;

(ii) the Issuer has paid or caused to be paid all other sums payable under the Indenture (including payments to the Indenture Trustee pursuant to Section 9.05) by the Issuer with respect to the Notes of that Series, Class or Tranche; and

(iii) the Issuer has delivered to the Indenture Trustee an Issuer Certificate and an Opinion of Counsel each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture with respect to the Notes of that Series, Class or Tranche have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture with respect to any Series, Class or Tranche of Notes, the obligations of the Issuer to the Indenture Trustee with respect to that Series, Class or Tranche of Notes under Section 9.05 and the obligations of the Indenture Trustee under Sections 7.07 and 17.04(b) will survive such satisfaction and discharge.

2.09 Release of all Collateral

(a) Subject to the payment of its fees and expenses pursuant to Section 9.05, the Indenture Trustee shall, at the request of the Issuer or when otherwise required by the provisions of this Indenture, execute instruments to release Collateral from the Security Interest of this Indenture, or convey the Indenture Trustee's interest (which is held by the Indenture Trustee for the benefit of the Specified Creditors) in the same, in a manner and under circumstances which are not inconsistent with the provisions of this Indenture. No party relying upon an instrument executed by the Indenture Trustee as provided in this Article II will be bound to ascertain the Indenture Trustee's authority, inquire into the satisfaction of any conditions precedent or see to the application of any funds.

(b) Upon delivery of an Officer's Certificate of the Manager certifying that all Funding Obligations and all other Obligations Secured have been satisfied and discharged by complying with the provisions of this Article II and all applicable Program Agreements, the Indenture Trustee shall execute and deliver such releases, termination statements and other instruments (in recordable form, where appropriate) as the Issuer may reasonably request evidencing the termination of the Security Interest created by this Indenture.

(c) The Issuer and the Specified Creditors shall be entitled to receive at least 10 days' written notice when the Indenture Trustee proposes to take any action pursuant to clause (a), accompanied by copies of any instruments involved, and the Indenture Trustee shall also be entitled to require, as a condition to such action, an Opinion of Counsel, stating the legal effect of any such action, outlining the steps required to complete the same, and concluding that all conditions precedent to the taking of such action have been complied with. Counsel rendering any such opinion may rely, without independent investigation, on the accuracy and validity of any certificate or other instrument delivered to the Indenture Trustee in connection with any such action.

2.10 Certain Commercial Law Representations and Warranties

The Issuer hereby makes the following representations and warranties. Such representations and warranties shall survive until the termination of this Indenture. Such representations and warranties speak of the date that a Lien in the Collateral is granted to the Indenture Trustee and shall not be waived by any of the parties to this Indenture unless the Rating Agency Condition is satisfied.

(a) This Indenture constitutes the grant of a first priority perfected Lien by the Issuer to the Indenture Trustee in the Collateral which, in the case of the existing Collateral and the proceeds thereof, is enforceable upon execution and delivery of this Indenture or, with respect to after-acquired property, as of the date such property is acquired, and which will be enforceable with respect to the Collateral hereafter and thereafter created and the proceeds thereof upon such creation. Upon the filing of the assignments, financing statements and continuation statements (and other

documents where applicable) and, in the case of after-acquired Collateral and the proceeds thereof, upon its creation, the Indenture Trustee shall have a first priority perfected Lien in such property and proceeds.

(b) At the time of its grant of any Lien in the Collateral pursuant to this Indenture, the Issuer owned and had good and marketable title to such Collateral free and clear of any Lien of any other Person.

(c) The Issuer has caused the filing of all appropriate financing statements in the proper filing office in the Province of Ontario under applicable law in order to perfect the Security Interest.

(d) Other than the Security Interest, the Issuer has not pledged, assigned, sold, granted a Lien in, or otherwise conveyed, the Collateral. The Issuer has not authorized the filing of and is not aware of any financing statements against the Issuer that include a description of the Collateral other than any financing statement relating to the Security Interest or that has been terminated. The Issuer is not aware of any judgment or tax lien filings against the Issuer.

3.01 Forms Generally

The Notes will have such appropriate insertions, omissions, substitutions and other variations as are required or permitted by this Indenture or the Related Supplemental Indenture and may have such letters, numbers or other marks of identification and such legends or endorsements placed thereon, as may be required to comply with applicable laws or regulations or with the rules of any securities exchange, or as may, consistently herewith, be determined by the Issuer, as evidenced by the Issuer's execution of such Notes. Any portion of the text of any Note may be set forth on the reverse thereof, with an appropriate reference thereto on the face of the Note.

Definitive Notes will be typewritten, printed, lithographed or engraved or produced by any combination of these methods (with or without steel engraved borders) or may be produced in any other manner, all as determined by the Issuer, as evidenced by the Issuer's execution of such Notes, subject, with respect to the Notes of any Series, Class or Tranche, to the rules of any securities exchange on which such Notes are listed.

3.02 Forms of Notes

Each Note will be in one of the forms approved from time to time by or pursuant to a Supplemental Indenture. Before the delivery of a Note to the Indenture Trustee for authentication in any form approved by or pursuant to an Issuer Certificate, the Issuer will deliver to the Indenture Trustee the Issuer Certificate by or pursuant to which such form of Note has been approved, which Issuer Certificate will have attached thereto a true and correct copy of the form of Note which has been approved thereby or, if an Issuer Certificate authorizes a specific officer or officers of the Manager to approve a form of Note, a certificate of such officer or officers approving the form of

Note attached thereto. Any form of Note approved by or pursuant to an Issuer Certificate must be acceptable as to form to the Indenture Trustee, such acceptance to be evidenced by the Indenture Trustee's authentication of Notes in that form or a certificate signed by a Responsible Officer of the Indenture Trustee and delivered to the Issuer.

3.03 Form of Indenture Trustee's Certificate of Authentication

The form of Indenture Trustee's Certificate of Authentication for any Note issued pursuant to this Indenture will be substantially as follows:

3.04 Notes Issuable in the Form of a Global Note

(a) If the Issuer establishes pursuant to Sections 3.02 and 4.01 that the Notes of a particular Series, Class or Tranche are to be issued in whole or in part in the form of one or more Global Notes, then the Issuer will execute and the Indenture Trustee or its agent will, in accordance with Section 4.03 and the Issuer Certificate delivered to the Indenture Trustee or its agent thereunder, authenticate and deliver, such Global Note or Notes, which, unless otherwise provided in the Related Supplemental Indenture (i) will represent, and will be denominated in an amount equal to the aggregate Stated Principal Amount (or in the case of Discount Notes, the aggregate Stated Principal Amount at the Scheduled Final Payment Date of such Notes) of the Outstanding Notes of such Series, Class or Tranche to be represented by such Global Note or Notes, or such portion thereof as the Issuer will specify in an Issuer Certificate, (ii) in the case of Registered Notes, will be registered in the name of the Depository for such Global Note or Notes or its nominee, (iii) will be delivered by the Indenture Trustee or its agent to the Depository or pursuant to the Depository's instruction, (iv) if applicable, will bear a legend substantially to the following effect: (A) "Unless this Note is presented by an authorized representative of The Depository Trust Company ("**DTC**"), to [Issuer] (the "**Issuer**") or its agent for registration of transfer, exchange or payment, and any Note issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), any transfer, pledge or other use hereof for value or otherwise by or to any Person is wrongful inasmuch

as the registered owner hereof, Cede & Co., has an interest herein", or (B) "Unless this Note is presented by an authorized representative of CDS Clearing and Depository Services Inc. ("**CDS**"), to [Issuer] (the "**Issuer**") or its agent for registration of transfer, exchange or payment, and any Note issued is registered in the name of CDS & Co. or in such other name as is requested by an authorized representative of CDS (and any payment is made to CDS & Co. or to such other entity as is requested by an authorized representative of CDS), any transfer, pledge or other use hereof for value or otherwise by or to any Person is wrongful since the registered owner hereof, CDS & Co., has a property interest in the securities represented by this Note and it is a violation of its rights for another Person to hold, transfer or deal with this Note", and (v) may bear such other legend as the Issuer, upon advice of counsel, deems to be applicable.

(b) Notwithstanding any other provisions of this Section 3.04 or of Section 4.05, and subject to the provisions of paragraph (c) below, unless the terms of a Global Note or the Related Supplemental Indenture expressly permit such Global Note to be exchanged in whole or in part for individual Notes, a Global Note may be transferred, in whole but not in part and in the manner provided in Section 4.05, only to a nominee of the Depository for such Global Note, or to the Depository, or a successor Depository for such Global Note selected or approved by the Issuer, or to a nominee of such successor Depository.

(c) With respect to Notes issued within the United States or Canada, unless otherwise specified in the Related Supplemental Indenture, or with respect to Notes issued outside the United States and Canada, if specified in the Related Supplemental Indenture:

(i) If at any time the Depository for a Global Note notifies the Issuer that it is unwilling or unable to continue as Depository for such Global Note or if at any time the Depository for the Notes for such Series, Class or Tranche ceases to be a clearing agency registered under the Securities Exchange Act, or other applicable statute or regulation, in the case of Notes issued within the United States, or a clearing agency registered under the *Securities Act* (Ontario), or other applicable statute or regulation, in the case of Notes issued within Canada, the Issuer will appoint a successor Depository with respect to such Global Note. If a successor Depository for such Global Note is not appointed by the Issuer within 90 days after the Issuer receives such notice or becomes aware of such ineligibility, the Issuer will execute, and the Indenture Trustee or its agent, upon receipt of an Issuer Certificate requesting the authentication and delivery of individual Notes of such Series, Class or Tranche in exchange for such Global Note, will authenticate and deliver, individual Notes of such Series, Class or Tranche of like tenor and terms in an aggregate Stated Principal Amount equal to the Stated Principal Amount of the Global Note in exchange for such Global Note.

(ii) The Issuer may at any time and in its sole discretion determine that the Notes of any Series, Class or Tranche or portion thereof issued or issuable

in the form of one or more Global Notes will no longer be represented by such Global Note or Notes. In such event the Issuer will execute, and the Indenture Trustee, upon receipt of a written request by the Issuer for the authentication and delivery of individual Notes of such Series, Class or Tranche in exchange in whole or in part for such Global Note, will authenticate and deliver individual Notes of such Series, Class or Tranche of like tenor and terms in definitive form in an aggregate Stated Principal Amount equal to the Stated Principal Amount of such Global Note or Notes representing such Series, Class or Tranche or portion thereof in exchange for such Global Note or Notes.

(iii) If specified by the Issuer pursuant to Sections 3.02 and 4.01 with respect to Notes issued or issuable in the form of a Global Note, the Depository for such Global Note may surrender such Global Note in exchange in whole or in part for individual Notes of such Series, Class or Tranche of like tenor and terms in definitive form on such terms as are acceptable to the Issuer and such Depository. Thereupon the Issuer will execute, and the Indenture Trustee or its agent will authenticate and deliver, without service charge, (A) to each Person specified by such Depository a new Note or Notes of the same Series, Class or Tranche of like tenor and terms and of any authorized denomination as requested by such Person in aggregate Stated Principal Amount equal to and in exchange for such Person's beneficial interest in the Global Note; and (B) to such Depository a new Global Note of like tenor and terms and in an authorized denomination equal to the difference, if any, between the Stated Principal Amount of the surrendered Global Note and the aggregate Stated Principal Amount of Notes delivered to the Noteholders thereof.

(iv) If any Event of Default has occurred and is continuing with respect to such Global Notes, and Noteholders holding more than 50% of the unpaid Outstanding Dollar Principal Amount of the Global Notes of that Series advise the Indenture Trustee and the Depository that a Global Note is no longer in the best interest of the Noteholders of that Series, the holders of Global Notes of that Series may exchange such Notes for individual Notes.

(v) In any exchange provided for in any of the preceding four paragraphs, the Issuer will execute and the Indenture Trustee or its agent will authenticate and deliver individual Notes in definitive registered form in authorized denominations. Upon the exchange of the entire Stated Principal Amount of a Global Note for individual Notes, such Global Note will be canceled by the Indenture Trustee or its agent. Except as provided in the preceding paragraphs, Notes issued in exchange for a Global Note pursuant to this Section 3.04 will be registered in such names and in such authorized denominations as the Depository for such Global Note, pursuant to instructions from its direct or indirect participants or otherwise, will instruct the Indenture Trustee or the Note Registrar. The Indenture Trustee or the

Note Registrar will deliver such Notes to the Persons in whose names such Notes are so registered.

3.05 Temporary Global Notes and Permanent Global Notes

(a) If specified in the Related Supplemental Indenture for any Tranche, all or any portion of a Global Note may initially be issued in the form of a single temporary global Bearer Note or Registered Note (the "**Temporary Global Note**"), without interest coupons, in the denomination of the entire aggregate principal amount of such Series, Class or Tranche and substantially in the form set forth in the exhibit with respect thereto attached to the Related Supplemental Indenture. The Temporary Global Note will be authenticated by the Indenture Trustee upon the same conditions, in substantially the same manner and with the same effect as the Notes in definitive form. The Temporary Global Note may be exchanged as described below or in the Related Supplemental Indenture for permanent global Bearer Notes or Registered Notes (the "**Permanent Global Notes**").

(b) Unless otherwise provided in the Related Supplemental Indenture, exchanges of beneficial interests in or security entitlements to Temporary Global Notes for beneficial interests in or security entitlements to Permanent Global Notes will be made as provided in this subsection 3.05(b). The Manager will, upon its determination of the date of completion of the distribution of the Notes of such Series, Class or Tranche, so advise the Indenture Trustee, the Issuer, the Foreign Depository, and each foreign clearing agency forthwith. Without unnecessary delay, but in any event not prior to the Exchange Date, the Issuer will execute and deliver to the Indenture Trustee at the office of its designated agent outside Canada and the United States Permanent Global Notes in bearer or registered form (as specified in the Related Supplemental Indenture) in an aggregate principal amount equal to the Outstanding Currency Specific Dollar Principal Amount of such Series, Class or Tranche of Notes. Bearer Notes so issued and delivered may have coupons attached. The Temporary Global Note may be exchanged for an equal aggregate principal amount of Permanent Global Notes only on or after the Exchange Date. A United States Person may exchange its beneficial interest in or security entitlement to the Temporary Global Note only for an equal aggregate principal amount of Permanent Global Notes in registered form bearing the applicable legend set forth in the form of Registered Note attached to the Related Supplemental Indenture and having a minimum denomination of 500,000 units of the applicable currency, which may be in temporary form if the Issuer so elects. The Issuer may waive the 500,000 minimum denomination requirement if it so elects. Upon any demand for exchange for Permanent Global Notes in accordance with this subsection 3.05(b), the Issuer will cause the Indenture Trustee to authenticate and deliver the Permanent Global Notes to the Noteholder (x) outside Canada or the United States, in the case of Bearer Notes and (y) according to the instructions of the Noteholder, in the case of Registered Notes. Upon receipt of such certification, the Indenture Trustee will cause the Temporary Global Note to be endorsed in accordance with subsection 3.05(d). Any exchange as provided in this Section 3.05 will be made free of charge to the Noteholders and the beneficial owners of the

Temporary Global Note and to the beneficial owners of the Permanent Global Note issued in exchange, except that a Person receiving the Permanent Global Note must bear the cost of insurance, postage, transportation and the like in the event that such Person does not receive such Permanent Global Note in person at the offices of a foreign clearing agency or Foreign Depository.

(c) The delivery to the Indenture Trustee by a foreign clearing agency or Foreign Depository of any written statement referred to above may be relied upon by the Issuer and the Indenture Trustee as conclusive evidence that a corresponding certification or certifications has or have been delivered to such foreign clearing agency or Foreign Depository pursuant to the terms of this Indenture.

(d) Upon any such exchange of all or a portion of the Temporary Global Note for a Permanent Global Note(s), such Temporary Global Note will be endorsed by or on behalf of the Indenture Trustee to reflect the reduction of its principal amount by an amount equal to the aggregate principal amount of such Permanent Global Note(s). Until so exchanged in full, such Temporary Global Note will in all respects be entitled to the same benefits under this Indenture as Permanent Global Notes authenticated and delivered hereunder except that the beneficial owners of such Temporary Global Note will not be entitled to receive payments of interest on the Notes until they have exchanged their beneficial interests in or security entitlements to such Temporary Global Note for Permanent Global Notes.

3.06 Beneficial Ownership of Global Notes

Until definitive Notes have been issued to the applicable Noteholders pursuant to Section 3.04 or as otherwise specified in any Related Supplemental Indenture:

(a) the Issuer and the Indenture Trustee may deal with the applicable clearing agency or Depository and the clearing agency's or Depository's participants for all purposes (including the making of distributions) as the authorized representatives of the respective Note Owners; and

(b) the rights of the respective Note Owners will be exercised only through the applicable clearing agency or Depository and the clearing agency's or Depository's participants and will be limited to those established by applicable law and agreements between such Note Owners and the clearing agency or Depository and/or the clearing agency's or Depository's participants. Pursuant to the operating rules of the applicable clearing agency, unless and until Notes in definitive form are issued pursuant to Section 3.04, the clearing agency or the Depository will make book-entry transfers among the clearing agency's or the Depository's participants and receive and transmit distributions of principal and interest on the related Notes to such clearing agency's or Depository's participants.

For purposes of any provision of this Indenture requiring or permitting Actions with the consent of, or at the direction of, Noteholders evidencing a specified percentage of the Outstanding Dollar Principal Amount of Outstanding Notes, such direction or consent may be given by Note

Owners (acting through the clearing agency and the clearing agency's participants) owning interests in or security entitlements to Notes evidencing the requisite percentage of principal amount of Notes.

3.07 Notices to Depository

Whenever any notice or other communication is required to be given to Noteholders with respect to which book-entry Notes have been issued, unless and until Notes in definitive form will have been issued to the related Note Owners, the Indenture Trustee will give all such notices and communications to the applicable clearing agency or Depository.

3.08 CUSIP Numbers

In issuing the Notes, the Issuer may use "CUSIP" numbers (if then generally in use), and, if so, the Indenture Trustee shall use such CUSIP numbers in notices of redemption as a convenience to Noteholders; provided that, subject to Section 9.01, any such notice may state that (a) no representation is made as to the correctness of such CUSIP numbers as printed on the related Notes or as contained in any notice of redemption, (b) reliance may be placed only on the other identification numbers, if any, printed on the Notes and (c) any such redemption shall not be affected by any defect in or omission of such CUSIP numbers. The Issuer will promptly provide the Indenture Trustee with written notice of any change in the CUSIP numbers for any Outstanding Note.

(h) The form of the Notes of each Series, Class or Tranche will be established pursuant to the provisions of this Indenture and the Related Supplemental Indenture or Terms Document. 4.02 Denominations

The Notes of each Series, Class or Tranche will be issuable in such denominations and currency as will be provided in the provisions of this Indenture or in or pursuant to the Related Supplemental Indenture. (b) Notes bearing the manual, facsimile or other electronic signatures of individuals who were at any time a Responsible Officer of the Issuer will bind the Issuer, notwithstanding that such individuals or any of them have ceased to hold such offices before the authentication and delivery of such Notes or did not hold such offices at the date of issuance of such Notes.

(c) At any time and from time to time after the execution and delivery of this Indenture, the Issuer may deliver Notes executed by the Issuer to the Indenture Trustee for authentication; and the Indenture Trustee will, upon request by an Issuer Certificate, authenticate and deliver such Notes as provided in this Indenture and not otherwise.

(d) Before any such authentication and delivery, the Indenture Trustee will be entitled to receive, in addition to any Officer's Certificate and Opinion of Counsel required to be furnished to the Indenture Trustee pursuant to Section 1.02, the Issuer Certificate and any other opinion or certificate relating to the issuance of the Series, Class or Tranche of Notes required to be furnished pursuant to Section 3.02 or Article V.

(e) The Indenture Trustee will not be required to authenticate such Notes if the issue thereof will adversely affect the Indenture Trustee's own rights, duties or immunities under the Notes and this Indenture.

(f) Unless otherwise provided in the form of Note for any Series, Class or Tranche, all Notes will be dated the date of their authentication.

(g) No Note will be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Note a Certificate of Authentication executed by the Indenture Trustee by manual signature of an authorized signatory, and such certificate upon any Note will be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder.

4.04 Temporary Notes

(a) Pending the preparation of definitive Notes of any Series, Class or Tranche, the Issuer may execute, and, upon receipt of the documents required by Section 4.03, the Indenture Trustee will authenticate and deliver, temporary Notes which are printed, lithographed, typewritten, mimeographed or otherwise produced, in any authorized denomination, substantially of the tenor of the definitive Notes in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the Issuer may determine, as evidenced by the Issuer's execution of such Notes.

(b) If temporary Notes of any Series, Class or Tranche are issued, the Issuer will cause definitive Notes of such Series, Class or Tranche to be prepared without unreasonable delay. After the preparation of definitive Notes, the temporary Notes of such Series, Class or Tranche will be exchangeable for definitive Notes of such Series, Class or Tranche upon surrender of the temporary Notes of such Series, Class or Tranche at the office or agency of the Issuer in a Place of Payment, without charge to the Noteholder; and upon surrender for cancellation of any one or more temporary Notes the Issuer will execute and the Indenture Trustee will authenticate and deliver in exchange therefor a like Stated Principal Amount of definitive Notes of such Series, Class or Tranche of authorized denominations and of like tenor and terms. Until so exchanged the temporary Notes of such Series, Class or Tranche

will in all respects be entitled to the same benefits under this Indenture as definitive Notes of such Series, Class or Tranche.

4.05 Registration, Transfer and Exchange

(a) The Issuer will keep or cause to be kept a register (herein sometimes referred to as the "**Note Register**") in which, subject to such reasonable regulations as it may prescribe, the Issuer will provide for the registration of Registered Notes, or of Registered Notes of a particular Series, Class or Tranche, and for transfers of Registered Notes or of Registered Notes of such Series, Class or Tranche. Any such register will be in written form or in any other form capable of being converted into written form within a reasonable time. At all reasonable times, the information contained in such register or registers will be available for inspection by the Indenture Trustee at the office or agency to be maintained by the Issuer as provided in Section 13.03.

(b) Subject to Section 3.04, upon surrender for transfer of any Registered Note of any Series, Class or Tranche at the office or agency of the Issuer in a Place of Payment, the Issuer will execute, and, upon receipt of such surrendered Note, the Indenture Trustee will authenticate and deliver, in the name of the designated transferee or transferees, one or more new Registered Notes of such Series, Class or Tranche of any authorized denominations, of a like aggregate Stated Principal Amount, Scheduled Final Payment Date and Legal Maturity Date and of like terms.

Registered Notes, including Registered Notes received in exchange for Bearer Notes, may not be exchanged for Bearer Notes. At the option of the holder of a Bearer Note, subject to applicable laws and regulations, Bearer Notes may be exchanged for other Bearer Notes or Registered Notes (of the same Series, Class and Tranche of Notes) of authorized denominations of like aggregate fractional undivided interests in the Noteholders' interest, upon surrender of the Bearer Notes to be exchanged at an office or agency of the Note Registrar located outside Canada and the United States. Each Bearer Note surrendered pursuant to this Section 4.05 will have attached thereto all unmatured coupons; provided, however, that any Bearer Note, so surrendered after the close of business on the last day of the month preceding the relevant Payment Date need not have attached the coupon relating to such Payment Date. Whenever any Notes are so surrendered for exchange, the Issuer will execute, and the Indenture Trustee will authenticate and deliver (in the case of Bearer Notes, outside Canada and the United States), the Notes which the Noteholders making the exchange are entitled to receive.

(d) All Notes issued upon any transfer or exchange of Notes will be the valid and legally binding obligations of the Issuer, evidencing the same debt, and entitled to

the same benefits under this Indenture, as the Notes surrendered upon such transfer or exchange.

(e) Every Note presented or surrendered for transfer or exchange will (if so required by the Issuer or the Indenture Trustee) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Issuer and the Note Registrar duly executed, by the Noteholder or his attorney duly authorized in writing.

(f) Unless otherwise provided in the Note to be transferred or exchanged, no service charge will be made on any Noteholder for any transfer or exchange of Notes, but the Issuer may (unless otherwise provided in such Note) require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Notes before the transfer or exchange will be complete, other than exchanges pursuant to Section 4.04 or Section 11.05 not involving any transfer.

(g) None of the Issuer, the Note Registrar or the Indenture Trustee shall be required (i) to issue, register the transfer of or exchange any Notes of any Series, Class or Tranche during a period beginning at the opening of business 15 days before the day of selection of Notes of such Series, Class or Tranche to be redeemed and ending at the close of business on (A) if Notes of such Series, Class or Tranche are issuable only as Registered Notes, the day of the mailing of the relevant notice of redemption of Registered Notes of such Series, Class or Tranche so selected for redemption or (B) if Notes of the Series, Class or Tranche are issuable as Bearer Notes, the day of the first publication of the relevant notice of redemption or, if Notes of the Series, Class or Tranche are also issuable as Registered Notes and there is no publication, the mailing of the relevant notice of redemption or (ii) to register the transfer or exchange of any Notes or portions thereof so selected for redemption.

(h) Notwithstanding anything herein to the contrary, the exchange of Bearer Notes into Registered Notes shall be subject to applicable laws and regulations in effect at the time of exchange; none of the Issuer, the Indenture Trustee or the Note Registrar shall exchange any Bearer Notes into Registered Notes if it has received an Opinion of Counsel that as a result of such exchanges the Issuer would suffer adverse consequences under the Canadian and United States federal income tax laws and regulations then in effect and the Issuer has delivered to the Indenture Trustee an Issuer Certificate directing the Indenture Trustee not to make such exchanges unless and until the Indenture Trustee receives a subsequent Issuer Certificate to the contrary. The Issuer shall deliver copies of such Issuer Certificates to the Note Registrar.

(i) None of the Issuer, the Indenture Trustee, any agent of the Indenture Trustee, any Paying Agent or the Note Registrar will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial

ownership of a Global Note or for maintaining, supervising or reviewing any records relating to such beneficial ownership.

(j) The Issuer initially appoints the Indenture Trustee to act as Note Registrar for the Registered Notes on its behalf. The Issuer may at any time and from time to time authorize any Person to act as Note Registrar in place of the Indenture Trustee with respect to any Series, Class or Tranche of Notes issued under this Indenture.

(k) Registration of transfer of Notes containing the following legend or to which the following legend is applicable:

will be effected only if such transfer is made pursuant to an effective registration statement under the U.S. Securities Act, or is exempt from the registration requirements under the U.S. Securities Act. In the event that registration of a transfer is to be made in reliance upon an exemption from the registration requirements under the U.S. Securities Act other than Rule 144A under the U.S. Securities Act or Rule 903 or Rule 904 of Regulation S under the U.S. Securities Act, the transferor or the transferee will deliver, at its expense, to the Issuer and the Indenture Trustee, an investment letter from the transferee, substantially in the form of the investment letter attached hereto as Exhibit 1 or such other form as the Issuer may determine, and no registration of transfer will be made until such letter is so delivered.

Notes issued upon registration or transfer of, or Notes issued in exchange for, Notes bearing the legend referred to above will also bear such legend and any other legends required by the Related Supplemental Indenture unless the Issuer, the Indenture Trustee and the Note Registrar receive an Opinion of Counsel, satisfactory to each of them, to the effect that such legend may be removed.

Whenever a Note containing the legend referred to above is presented to the Note Registrar for registration of transfer, the Note Registrar will promptly seek instructions from the Issuer regarding such transfer and will be entitled to receive an Issuer Certificate prior to registering any such transfer. The Issuer hereby agrees to indemnify the Note Registrar and the Indenture Trustee and to hold each of them harmless against any loss, liability or expense incurred without negligence or bad faith on their part arising out of or in connection with actions taken or omitted by

them in relation to any such instructions furnished pursuant to this clause. The Indenture Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture, the Related Supplemental Indenture, or under applicable law with respect to any transfer of any interest in any Note other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

(l) By acquiring a Note, each Noteholder that is a United States Person will be deemed to represent, warrant and covenant that either: (i) it is not acquiring the Note (or any interest therein) with the assets of a Benefit Plan or a governmental, church or non-U.S. plan that is subject to any federal, state, local or other non-U.S. law that is substantially similar to Section 406 of ERISA or Section 4975 of the Internal Revenue Code ("**Similar Law**"); or (ii) (A) the Note is rated at least "BBB-" or its equivalent by a nationally recognized statistical rating agency at the time of purchase or transfer, and (B) the acquisition, holding and disposition of the Note will not give rise to a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Internal Revenue Code or a violation of any Similar Law.

4.06 Mutilated, Destroyed, Lost and Stolen Notes

(b) In case any such mutilated, destroyed, lost or stolen Note has become or is about to become due and payable, the Issuer in its discretion may, instead of issuing a new Note, pay such Note.

(c) Upon the issuance of any new Note under this Section 4.06, the Issuer may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Indenture Trustee) connected therewith.

(d) Every new Note issued pursuant to this Section 4.06 in lieu of any destroyed, lost or stolen Note will constitute an original additional contractual obligation of the Issuer, whether or not the destroyed, lost or stolen Note will be at any time enforceable by anyone, and will be entitled to all the benefits of this Indenture equally and proportionately with any and all other Notes of the same Series, Class or Tranche duly issued hereunder.

(e) In the case of the death of one or more joint registered owners, the principal money of and interest, if any, on a Note may be paid to the survivor or survivors of such registered Noteholders whose receipt thereof, accompanied by the delivery of such Note, shall constitute a valid discharge to the Issuer and the Paying Agent.

(h) Upon the Paying Agent's reasonable request therefor, the Issuer will (i) provide the Paying Agent with any information in its possession or (ii) assist the Paying Agent (to the extent necessary and it is commercially reasonable for the Issuer to do so) to obtain information, in each case, to the extent such information is required by the Paying Agent to comply with its tax reporting and withholding obligations under applicable law with respect to payments to be made to Specified Creditors pursuant to this Indenture and the other Program Agreements, unless the Issuer is prohibited from doing so by applicable law or an obligation of confidentiality by which the Issuer is bound.

The Indenture Trustee shall acknowledge receipt of the Notes so delivered by signing and returning to the Issuer an acknowledgement of receipt of the Notes, such acknowledgement to be in a form satisfactory to the Issuer.

(b) The Indenture Trustee's responsibility for any Notes held in its custody hereunder shall be limited to using the same diligence in physically safeguarding such Notes as it does for its own securities. The Indenture Trustee shall account for the unissued Notes held in its custody whenever so required by the Issuer. If at any time the Indenture Trustee shall discover that any of such Notes have been lost, damaged,

destroyed, stolen or misappropriated, it shall promptly advise the Issuer thereof and identify, to the extent practicable, such Notes.

4.10 New Issuances of Notes

(d) From time to time in connection with the creation of any Series of Funding Obligations, the Issuer may cause the Indenture Trustee to establish one or more Eligible Deposit Accounts denominated as "**Supplemental Reserve Accounts**" in the name of the Indenture Trustee, bearing a designation clearly indicating that the funds and other property credited thereto are held for the benefit of the Indenture Trustee and the applicable Specified Creditors. Payments of Available Collections out of the Collection Account not otherwise required to be paid to Specified Creditors, a Capital Reserve Account or a Finance Reserve Account at such time shall be credited to a Supplemental Reserve Account in accordance with the terms of the any applicable Funding Obligation Agreement and Section 7.04 or 8.13, as applicable. Each Supplemental Reserve Account shall be under the control of the Indenture Trustee for the benefit of the Indenture Trustee and the applicable Specified Creditors. If, at any time, the institution holding a Supplemental Reserve Account ceases to be an Eligible Institution, the Manager shall notify the Indenture Trustee, and the Indenture Trustee upon being notified in writing of such ineligibility (or the Manager on its behalf) shall within 30 calendar days (or such longer period, not to exceed 45 calendar days, so long as the Rating Agency Condition is satisfied) establish a new Supplemental Reserve Account, as applicable, that is an Eligible Deposit Account and shall transfer any funds or other property from such Supplemental Reserve Account to such new Supplemental Reserve Account. From the date each such new Supplemental Reserve Account is established, it shall be a "Supplemental Reserve Account".

(e) All payments to be made from time to time by or on behalf of the Issuer to Specified Creditors out of funds in the Issuer Accounts pursuant to the Program Agreements will be made by the Paying Agent in each case not later than 1:00 p.m., Toronto time, on the applicable Payment Date or earlier, if necessary, or as otherwise provided in the applicable Program Agreement but only to the extent of available funds in the applicable Issuer Accounts or Sub-Accounts.

7.03 Investment of Funds in the Issuer Accounts

(a) Funds credited to the Issuer Accounts will (unless otherwise stated in this Indenture or any applicable Funding Obligation Agreement) be invested and reinvested by the Indenture Trustee at the written direction of the Manager in one or more Eligible Investments. The Manager may appoint as its agent under a separate agreement a registered investment advisor and authorize such agent to give instructions on behalf of the Manager to the Indenture Trustee for funds to be invested and reinvested in one or more Eligible Investments. The Manager shall provide the Indenture Trustee with a written direction certifying any such appointment. The Indenture Trustee shall be entitled to conclusively rely on, and shall be protected in

acting upon, instructions received from such agent on behalf of the Manager. The Manager (or its agent appointed pursuant to the preceding sentence) may authorize the Indenture Trustee to make specific investments pursuant to written instructions, in such amounts as the Manager will specify. Notwithstanding the foregoing, funds held by the Indenture Trustee in any of the Issuer Accounts will be invested in Eligible Investments that will mature so that a sufficient amount of such funds shall be available to the extent required to pay all Obligations Secured that are payable on the following Payment Date.

(b) All funds from time to time credited to the Issuer Accounts pursuant to this Indenture and the Funding Obligation Agreements, and all investments made with such funds, if any, will be held by the Indenture Trustee in the Issuer Accounts as part of the Collateral as herein provided, subject to withdrawal by the Paying Agent or the Indenture Trustee for the purposes specified herein.

(c) Funds and other property in any of the Issuer Accounts will not be commingled with any other funds or property of the Issuer or the Indenture Trustee.

(d) Subject to Section 8.13, on the applicable Payment Date, all interest and earnings (net of losses and investment expenses), if any, on funds credited to the Issuer Accounts will be applied as specified in Sections 7.04 and 7.05. Unless otherwise stated in any applicable Funding Obligation Agreement, for purposes of determining the availability of funds or the balance in the Issuer Accounts for any reason under this Indenture or any Funding Obligation Agreement, investment earnings on such funds, if any, shall be deemed not to be available or on deposit.

(e) Subject to subsection 9.01(d), neither the Indenture Trustee nor the Manager will in any way be held liable by reason of any insufficiency in such Issuer Accounts resulting from any loss on any Eligible Investment included therein.

(f) Funds credited to the Issuer Accounts will be invested and reinvested by the Indenture Trustee as provided in the written direction of the Manager; provided, however, that such funds shall remain uninvested upon the occurrence of any of the following events:

(i) the Manager (or its agent appointed pursuant to paragraph (a) above) shall have failed to give investment directions to the Indenture Trustee; or

(ii) an Event of Default shall have occurred and is continuing but no Notes have been declared due and payable pursuant to Section 8.02.

7.05 Allocation of Amounts on Deposit in the Other Issuer Accounts

(a) Subject to clause (b) below, if, after giving effect to payments made on any Payment Date, the amount in the Collection Account is insufficient to satisfy all amounts required to be paid to Specified Creditors on such date: (i) amounts on deposit in any Issuer Account, other than Issuer Accounts related solely to Associated Subordinated Funding Obligations or Associated Junior Subordinated Funding Obligations, may be withdrawn from such Issuer Account and allocated only to those Specified Creditors required to be paid pursuant to and in accordance with subsection 7.04(e)(i) through (iii); (ii) amounts on deposit in any Issuer Account related solely to Associated Junior Subordinated Funding Obligations may be withdrawn from such Issuer Account and allocated only to those Specified Creditors required to be paid pursuant to and in accordance with subsection 7.04(e)(i) through (ix); and (iii) amounts on deposit in any Issuer Account related solely to Associated Subordinated Funding Obligations may be withdrawn from such Issuer Account and allocated only to those Specified Creditors required to be paid pursuant to and in accordance with subsection 7.04(e)(i) through (xii).

ARTICLE VIII
EVENTS OF DEFAULT AND REMEDIES[4]

8.01 Events of Default

"**Event of Default**," wherever used herein, means with respect to any Series of Funding Obligations any one of the following events (whatever the reason for such Event of Default and whether it will be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any Governmental Authority), unless such event is either expressly stated to be inapplicable to a particular Series of Funding Obligations or specifically deleted or modified in the Related Funding Obligation Agreement:

(a) with respect to such Series of Funding Obligations, a default by the Issuer in the payment of any interest on such Funding Obligations when such interest becomes due and payable, and continuance of such default for a period of **[65]** days following the date on which such interest became due and payable;

(b) with respect to such Series of Funding Obligations, a default by the Issuer in the payment of principal of such Series of Funding Obligations at the applicable Legal Maturity Date;

(c) any representation or warranty contained in Section 12.01 proves to be incorrect in any material respect when made and such incorrect representation or warranty if capable of being remedied by the Issuer, has not been remedied for a period of 90 days after notice thereof has been given, by registered or certified mail, to the Issuer by the Indenture Trustee or to the Issuer and the Indenture Trustee by Debtholders holding at least **[25%]** of the Outstanding Dollar Principal Amount of the affected Series of Funding Obligations, a written notice specifying such default or breach and requesting it to be remedied and stating that such notice is a "Notice of Default" hereunder and, as a result of such default, the interests of the Debtholders of such Series are materially and adversely affected and continue to be materially and adversely affected during the 90-day period;

(d) a default in the performance, or breach, of any covenant of the Issuer in this Indenture in respect of the Funding Obligations of such Series (other than an agreement, covenant or warranty a default in the performance of which or the breach of which is elsewhere specifically dealt with in this Section 8.01), all of such covenants in this Indenture which are not expressly stated to be for the benefit of a particular Series of Funding Obligations being deemed to be in respect of the Funding Obligations of all Series for this purpose, and continuance of such default or breach for a period of 90 days after notice thereof has been given, by registered or certified mail, to the Issuer by the Indenture Trustee or to the Issuer and the Indenture Trustee by Debtholders holding at least **[25%]** of the Outstanding Dollar Principal Amount of the affected Series of Funding Obligations, a written notice

[4] Subject to further review and discussion.

specifying such default or breach and requesting it to be remedied and stating that such notice is a "Notice of Default" hereunder and, as a result of such default, the interests of the Debtholders of such Series are materially and adversely affected and continue to be materially and adversely affected during the 90-day period;

(e) an Insolvency Event in respect of the Issuer;

(f) a default by the Issuer in the observance or performance of any term, covenant or agreement contained in any Funding Obligation Agreement by which it is bound as a result of which the holders of such Funding Obligations cause or are entitled to cause acceleration of the maturity thereof;

(g) the Provincial Protection and Assurances Agreement ceases to be in full force and effect against the Province and if the Province does not, within **[90]** days of receipt of notice of such agreement not being in full force and effect, cause such agreement to be in full force and effect or replace such agreement with a new agreement that is in form and substance satisfactory to Debtholders, acting reasonably, pursuant to an Ordinary Resolution;

(h) the validity of the Provincial Protection and Assurances Agreement or the applicability thereof to the Province or to the Funding Obligations or any other obligations purported to be secured thereby or any material part thereof shall be disaffirmed in writing by or on behalf of the Province; or

(i) with respect to such Series of Funding Obligations, any additional event of default specified in a Related Funding Obligation Agreement.

8.02 Acceleration of Maturity; Rescission and Annulment[5]

(a) If an Event of Default described in clause (a), (b), (c), (d), (f) or (g) (if the Event of Default under clause (c) or (d) is with respect to less than all Series of Funding Obligations) of Section 8.01 occurs and is continuing with respect to any Series, then and in each and every such case, unless the principal of all the Funding Obligations of such Series shall have already become due and payable, either the Indenture Trustee or Debtholders holding not less than 50% of the Outstanding Dollar Principal Amount of the Funding Obligations of such Series (each such Series acting as a separate Class), by notice in writing to the Issuer (and to the Indenture Trustee if given by the Debtholders), may declare the Outstanding Dollar Principal Amount of all Funding Obligations of such Series and all interest accrued or principal accreted and unpaid (if any) thereon to be due and payable immediately, and upon any such declaration the same will become and will be immediately due and payable, notwithstanding anything in this Indenture or any Funding Obligation Agreement to the contrary.

[5] To discuss if any additional delay is required between the occurrence of an Event of Default and the right to accelerate.

(b) If an Event of Default described in clause (c) or (d) of Section 8.01 occurs with respect to all Series of Funding Obligations and is continuing or an Event of Default described in clause (g) or (h) occurs and is continuing, then and in each and every such case, unless the principal of all the Funding Obligations shall have already become due and payable, either the Indenture Trustee or Debtholders holding not less than 50% of the Outstanding Dollar Principal Amount of all Funding Obligations (treated as one Class), by notice in writing to the Issuer (and to the Indenture Trustee if given by Debtholders), may declare the Outstanding Dollar Principal Amount of all the Funding Obligations and all interest accrued or principal accreted and unpaid (if any) thereon to be due and payable immediately, and upon any such declaration the same will become and will be immediately due and payable, notwithstanding anything in this Indenture or any Funding Obligation Agreement to the contrary.

(c) If an Event of Default described in clause (e) of Section 8.01 occurs and is continuing, then all Series of Funding Obligations will automatically be and become immediately due and payable by the Issuer, without notice or demand to any Person, and the Issuer will automatically and immediately be obligated to pay off the Funding Obligations.

(d) At any time after such a declaration of acceleration has been made or an automatic acceleration has occurred with respect to the Funding Obligations of any Series and before a judgment or decree for payment of the money due has been obtained by the Indenture Trustee as hereinafter provided in this Article VIII, Debtholders may, by Extraordinary Resolution, rescind and annul such declaration and its consequences if:

(i) the Issuer has paid or deposited with the Indenture Trustee a sum sufficient to pay (A) all overdue installments of interest on the Funding Obligations of such Series, (B) the principal of any Funding Obligations of such Series which have become due otherwise than by such declaration of acceleration, and interest thereon at the rate or rates prescribed therefor by the terms of the Funding Obligations of such Series, to the extent that payment of such interest is lawful, (C) interest upon overdue installments of interest at the rate or rates prescribed therefor by the terms of the Funding Obligations of such Series, to the extent that payment of such interest is lawful, and (D) all sums paid by the Indenture Trustee hereunder and the reasonable compensation, expenses and disbursements of the Indenture Trustee, its agents and counsel and all other amounts due to the Indenture Trustee under Section 9.05; and

(ii) all Events of Default with respect to such Series of Funding Obligations, other than the nonpayment of the principal of the Funding Obligations of such Series which has become due solely by such acceleration, have been cured or waived as provided in Section 8.03.

(e) If, at any time, any Event of Default capable of being remedied has been remedied by the Issuer to the satisfaction of the Indenture Trustee: (i) the Security Interest will no longer be or be deemed to be enforceable by reason of such Event of Default; (ii) any rights which had become vested in the Indenture Trustee by virtue thereof will be and be deemed to be cancelled as fully and to the same extent as though no such Event of Default had occurred; and (iii) the Indenture Trustee will, or will instruct any receiver appointed pursuant to this Indenture to restore to the Issuer any Collateral in the possession of the Indenture Trustee or receiver, as the case may be.

(f) No such rescission will affect any subsequent default or impair any right consequent thereon.

8.03 Waiver of Past Defaults

Debtholders may, by Extraordinary Resolution, waive any past default hereunder or under the Related Funding Obligation Agreement with respect to such Series, and its consequences, except a default not theretofore cured in the payment of the principal of or interest on any Funding Obligation of such Series.

Upon any such waiver, such default will cease to exist, and any Event of Default arising therefrom will be deemed to have been cured, for every purpose of this Indenture; but no such waiver will extend to any subsequent or other default or impair any right consequent thereon.

8.04 Notice of Defaults

(a) Within 90 days after the occurrence of any Event of Default of which the Indenture Trustee has received written notice:

(i) the Indenture Trustee will transmit by mail to all Registered Noteholders of such Series, Class or Tranche, as their names and addresses appear in the Note Register, notice of such default;

(ii) the Indenture Trustee will notify all Noteholders of Bearer Notes of such Series, Class or Tranche, by publication of notice of such default in an Authorized Newspaper, or as otherwise provided in the Related Supplemental Indenture;

(iii) the Indenture Trustee will give prompt written notification thereof to the other Specified Creditors; and

(iv) the Indenture Trustee will give prompt written notification thereof to the Rating Agencies, unless such default will have been cured or waived;

provided, however, that, except in the case of a default in the payment of the principal of or interest on any Funding Obligations of any Series, Class or Tranche, the Indenture Trustee will be protected in withholding such notice if and so long as a Responsible Officer of the Indenture Trustee in good faith determines that the

withholding of such notice is in the interests of the Debtholders of such Series, Class or Tranche and the other Specified Creditors.

(b) When such notice of an occurrence of an Event of Default has been given and the Event of Default is thereafter cured, notice that the Event of Default is no longer continuing shall be given by the Indenture Trustee to Persons to whom notice was sent pursuant to Section 8.04(a) within a reasonable time, but not exceeding 30 days in any event, after the Indenture Trustee receives notice from the applicable Debtholders that the Event of Default has been cured.

8.05 Remedies Generally

Subject to subsections 8.02(d) and (e), and Section 8.03, if, with respect to any Funding Obligation, such Funding Obligation has become due and payable pursuant to Section 8.02 and the Issuer has failed to pay such Funding Obligation, the Indenture Trustee (subject, however, to compliance with the provisions of Section 9.02(d) with respect to the giving of indemnity and funds) may proceed to realize upon the Security Interest and to enforce the rights of the Indenture Trustee and of the Specified Creditors to whom Obligations Secured are owed by (i) application to any court of competent jurisdiction for an order of sequestration and payment of amounts in respect of clean energy adjustments, collections or remittances in accordance with the Act, (ii) possession of the Collateral, (iii) appointment of a receiver with respect to the Collateral, (iv) proceedings in any court of competent jurisdiction for the appointment of a receiver or for sale of the Collateral or any part thereof or for foreclosure, (v) subject to Section 10.02, exercise any of the rights of the Issuer under any of the Program Agreements, including the right to replace the Manager, the Administrative Agent or the Servicer in accordance with Section 8.10, or (vi) any other action, suit, remedy or proceeding authorized or permitted by this Indenture or by applicable law or by equity.

8.06 Collection of Indebtedness and Suits for Enforcement by Indenture Trustee

The Issuer covenants that if:

(a) the Issuer defaults in the payment of interest on any Series of Funding Obligations when such interest becomes due and payable and such default continues for a period of **[65]** days following the date on which such interest became due and payable, or

(b) the Issuer defaults in the payment of the principal amount of any Series of Funding Obligations on the Legal Maturity Date thereof;

the Issuer will, upon demand of the Indenture Trustee, pay (subject to the allocation provided in this Article VIII and any Related Funding Obligation Agreement) to the Indenture Trustee, for the benefit of the Debtholders of any such Funding Obligations of the affected Series, the whole amount then due and payable on any such Funding Obligations for principal and interest, with interest, to the extent that payment of such interest will be legally enforceable, upon the overdue principal and upon overdue installments of interest, (i) in the case of interest-bearing Funding Obligations, at the rate of interest applicable to the principal amount thereof, unless otherwise specified in the Related Funding Obligation Agreement; and (ii) in the case of Discount Notes, as specified in the Related Supplemental Indenture, and in addition thereto, will pay such further

amount as will be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Indenture Trustee, its agents and counsel and all other amounts due to the Indenture Trustee under Section 9.05.

If the Issuer fails to pay such amounts forthwith upon such demand, the Indenture Trustee may take immediate steps to enforce the Security Interest, including instituting, in its own name and as trustee of an express trust, a judicial proceeding seeking the appointment of a receiver or a judicial proceeding for the collection of the sums so due and unpaid, and may directly prosecute such proceeding to judgment or final decree, and the Indenture Trustee may enforce the same against the Issuer and collect the money adjudged or decreed to be payable in the manner provided by applicable law out of the Collateral, wherever situated.

8.07 Indenture Trustee May File Proofs of Claim

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy or other similar proceeding relative to the Issuer or the property of the Issuer, the Indenture Trustee (irrespective of whether the principal of the Funding Obligations will then be due and payable as therein expressed or by declaration or otherwise) will be entitled and empowered by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of principal, interest, fees and other amounts owing and unpaid in respect of the Funding Obligations and to file such other papers or documents as may be necessary and advisable in order to have the claims of the Indenture Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Indenture Trustee, its agents and counsel and all other amounts due the Indenture Trustee under Section 9.05) and of the Specified Creditors allowed in such judicial proceeding, and

(b) to collect and receive any funds or other property payable or deliverable on any such claims and to distribute the same;

and any receiver, assignee, trustee, liquidator or other similar official in any such proceeding is hereby authorized by each Specified Creditor to make such payment to the Indenture Trustee, and in the event that the Indenture Trustee will consent to the making of such payments directly to the Specified Creditors, to pay to the Indenture Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Indenture Trustee, its agents and counsel, and any other amounts due the Indenture Trustee under Section 9.05.

Nothing herein contained will be deemed to authorize the Indenture Trustee to authorize or consent to or accept or adopt on behalf of any Specified Creditor any plan of reorganization, arrangement, adjustment or composition affecting the Funding Obligations or the rights of any Specified Creditors, or to authorize the Indenture Trustee to vote in respect of the claim of any Specified Creditor in any such proceeding.

8.08 Indenture Trustee May Enforce Claims Without Possession of Notes

All rights of action and claims under this Indenture or the Notes of any Series, Class or Tranche may be prosecuted and enforced by the Indenture Trustee without the possession of any of the Notes of such Series, Class or Tranche or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Indenture Trustee will be brought in its own name as trustee of an express trust.

8.09 Indenture Trustee May Elect to Hold the Collateral

Following an acceleration of any Series of Funding Obligations, the Indenture Trustee may elect to continue to hold the Collateral and apply distributions on the Collateral in accordance with the distribution provisions of Section 8.13.

8.10 Termination by Indenture Trustee of Manager, Administrative Agent and Servicer

Upon the occurrence and during the continuance of an Event of Default, the Indenture Trustee shall have the right to (and, upon receipt of an Extraordinary Resolution to that effect, shall) terminate the appointment of the then existing Manager under the Management Agreement, the then existing Administrative Agent under the Administrative Services Agreement and/or the Servicer under the Master Transfer and Servicing Agreement, and appoint new Persons under such agreements in accordance with such direction, provided that the Issuer shall have the right to reinstate any appointee under such agreements at such time as the Event of Default is no longer continuing.

8.11 Control by Debtholders of Funding Obligations

Subject to Section 10.02(b), Debtholders of any affected Series of Funding Obligations will, by Ordinary Resolution, have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Indenture Trustee, or exercising any trust or power conferred on the Indenture Trustee with respect to the Funding Obligations of such Series, provided that:

(a) the Indenture Trustee will have the right to decline to follow any such direction if the Indenture Trustee, being advised by counsel, determines that the action so directed may not lawfully be taken or would conflict with this Indenture or if the Indenture Trustee in good faith determines that the proceedings so directed would involve it in personal liability or be unjustly prejudicial to the Debtholders not taking part in such direction; and

(b) the Indenture Trustee may take any other action permitted hereunder deemed proper by the Indenture Trustee which is not inconsistent with such direction.

8.12 Limitation on Suits

To the fullest extent permitted by applicable law, no Specified Creditor will have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee or similar official, or for any other remedy hereunder, unless:

(a) the Issuer or a Debtholder has previously given written notice to the Indenture Trustee of a continuing Event of Default with respect to the Funding Obligations;

(b) the Debtholders, by way of Extraordinary Resolution, have made written request to the Indenture Trustee to institute proceedings in respect of such Event of Default in the name of the Indenture Trustee hereunder;

(c) such Debtholder(s) have offered to the Indenture Trustee (when so requested by the Indenture Trustee) indemnity reasonably satisfactory to it against the costs, expenses and liabilities to be incurred in compliance with such request; and

(d) the Indenture Trustee, for 60 days after the Indenture Trustee has received such notice, request and offer of indemnity has failed to institute any such proceeding;

it being understood and intended that no one or more Specified Creditors will have any right in any manner whatsoever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Specified Creditor, or to obtain or to seek to obtain priority or preference over any other Specified Creditor or to enforce any right under this Indenture, except in the manner herein provided and for the benefit of all the Specified Creditors.

8.13 Application of Money Following an Event of Default

Upon the occurrence and during the continuance of an Event of Default, any money or other property standing in each Issuer Account (except as set out in the following paragraph) or otherwise received by the Indenture Trustee pursuant to this Article VIII will be applied in the order of priority specified in this Section 8.13, *pro rata* in proportion to the claims represented by each subclause, except as otherwise specifically provided below:

(l) Twelfth, to the Issuer or as the Issuer otherwise directs.

Notwithstanding the foregoing, amounts on deposit in an Issuer Account established solely for the benefit of one or more Series, Classes or Tranches of Funding Obligations shall first be used to satisfy all obligations owing to those Specified Creditors for whom such Issuer Account was established. If any amounts remain following such application, such amounts shall be applied in accordance with the priorities set out above.

8.14 Unconditional Right of Noteholders to Receive Principal and Interest

Notwithstanding any other provisions in this Indenture but subject to Section 8.15, any Noteholder will have the right, which is absolute and unconditional, to receive payment of the principal of and interest on such Note on the Legal Maturity Date expressed in the Related Supplemental Indenture and to institute suit for the enforcement of any such payment, and such right will not be impaired without the consent of such Noteholder.

8.15 Limited Recourse

(a) Notwithstanding any other provision of this Indenture to the contrary, the obligation to pay principal of or interest on any Funding Obligation or any other amount payable to any Debtholder will be without recourse to the Indenture Trustee, the Issuer Trustee or any Affiliate, officer, employee, member or director of any of them, and the obligation of the Issuer to pay principal of or interest on any Funding Obligation or any other amount payable to any Debtholder will be subject to the allocation and payment provisions of this Indenture and any Related Funding Obligation Agreement, and limited to amounts available from the Collateral.

(b) No recourse may be taken, directly or indirectly, with respect to the obligations of the Issuer under the Funding Obligations or under this Indenture, or any certificate or other writing delivered in connection herewith or therewith, against (i) the Issuer Trustee in its individual capacity, (ii) any owner of a beneficial interest in the Issuer or (iii) any partner, owner, beneficiary, agent, officer, director, employee or agent of the Issuer Trustee in its individual capacity, any holder of a beneficial interest in the Issuer or the Issuer Trustee or of any successor or assign of the Issuer Trustee in its individual capacity, except as any such Person may have expressly agreed (it being understood that the Issuer Trustee has no such obligations in its individual capacity).

(c) Under no circumstances shall the Manager or the Administrative Agent or any of their Affiliates be deemed an obligor or guarantor or otherwise deemed to be responsible for payment from its own funds of principal, interest, dividends or other amounts due on the Collateral, the Funding Obligations or any other Obligations Secured.

8.16 Restoration of Rights and Remedies

If the Indenture Trustee or any Specified Creditor has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned

for any reason, then and in every such case the Issuer, the Indenture Trustee and the Specified Creditors will, subject to any determination in such proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Indenture Trustee and the Specified Creditors will continue as though no such proceeding had been instituted.

8.17 Rights and Remedies Cumulative

No right or remedy herein conferred upon or reserved to the Indenture Trustee or to the Specified Creditors is intended to be exclusive of any other right or remedy, and every right and remedy will, to the extent permitted by applicable law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, will not prevent the concurrent assertion or employment of any other appropriate right or remedy.

8.18 Delay or Omission Not Waiver

No delay or omission of the Indenture Trustee or of any Specified Creditor to exercise any right or remedy accruing upon any Event of Default will impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article VIII or by applicable law to the Indenture Trustee or to the Specified Creditors may be exercised from time to time, and as often as may be deemed expedient, by the Indenture Trustee or by the Specified Creditors, as the case may be.

8.19 Waiver of Stay or Extension Laws

The Issuer covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Indenture Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

8.20 Indenture Trustee Appointed Attorney

The Issuer irrevocably constitutes and appoints the Indenture Trustee and any officer or employee thereof, with full power of substitution, as its true and lawful attorney coupled with an interest with full power and authority in the name of the Issuer or in its own name, in its discretion, upon the occurrence and during the continuance of any Event of Default, for the purpose of carrying out the terms of this Indenture to take all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes hereof, and without limiting the generality of the foregoing, hereby gives the Indenture Trustee the power and right on behalf of the Issuer, without notice to or assent by the Issuer, to the extent permitted by applicable law, to do the following:

(a) to ask for, demand, sue for, collect and receive all and any monies due or becoming due with respect to the Collateral;

(b) to receive, take, endorse, assign and deliver any and all cheques, notes, drafts, acceptances, documents and other negotiable and non-negotiable instruments, documents and chattel paper taken or received by the Indenture Trustee in connection therewith and herewith; and

8.21 Disclaimer of Marshalling

In the event that the security hereby constituted shall become enforceable and the Indenture Trustee shall have determined or become bound to enforce the same, the Issuer covenants not to invoke the doctrine of marshalling or any other equitable principle for the purpose of requiring the Indenture Trustee to realize or to have realized on any particular asset forming part of the Collateral.

ARTICLE IX

9.01 Certain Duties and Responsibilities

(a) The Indenture Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture with respect to the Funding Obligations of any Series, Class or Tranche, and no implied covenants or obligations will be read into this Indenture against the Indenture Trustee.

(b) In the exercise of the rights and duties prescribed or conferred by the terms of this Indenture, the Indenture Trustee will act honestly and in good faith with a view to the best interests of the Specified Creditors as a whole and exercise that degree of care, diligence and skill that a reasonably prudent trustee would exercise in comparable circumstances.

(c) In the absence of bad faith on its part, the Indenture Trustee may, with respect to Funding Obligations of any Series, conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Indenture Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Indenture Trustee, the Indenture Trustee will be under a duty to examine the same to determine whether or not they substantially conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of any mathematical calculations or other facts stated therein).

(d) No provision of this Indenture will be construed to relieve the Indenture Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this clause (d) will not be construed to limit the effect of subsection 9.01(a);

(ii) the Indenture Trustee will not be liable for any error of judgment made in good faith by a Responsible Officer of the Indenture Trustee, unless it will be proved that the Indenture Trustee was negligent in ascertaining the pertinent facts;

(iii) the Indenture Trustee will not be liable with respect to any action taken or omitted to be taken by it in good faith if so directed by Extraordinary Resolution, relating to the time, method and place of conducting any proceeding for any remedy available to the Indenture Trustee, or exercising any trust or power conferred upon the Indenture Trustee, under this Indenture with respect to the Funding Obligations; and

(iv) no provision of this Indenture will require the Indenture Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers.

(e) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Indenture Trustee will be subject to the provisions of this Section 9.01.

9.02 Certain Rights of Indenture Trustee

Except as otherwise provided in Section 9.01:

(a) the Indenture Trustee may conclusively rely and will be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or document (whether in its original, facsimile or other electronic form) believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) whenever in the administration of this Indenture the Indenture Trustee will deem it desirable that a matter be proved or established before taking, suffering or omitting any action hereunder, the Indenture Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's Certificate;

(c) the Indenture Trustee may consult with counsel of its own selection and the advice of such counsel or any Opinion of Counsel will be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(d) the Indenture Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Specified Creditors pursuant to this Indenture, unless such Specified Creditors shall have offered to the Indenture Trustee security or indemnity reasonably satisfactory to it against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

(e) the Indenture Trustee will not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or document, but the Indenture Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Indenture Trustee will determine to make such further inquiry or investigation, it will be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney;

(f) the Indenture Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Indenture Trustee will not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder;

(g) the Indenture Trustee will not be responsible for filing any financing statements or continuation statements in connection with the Obligations Secured or the Security Interest, but will cooperate with the Issuer in connection with the filing of such financing statements or amendments to such financing statements;

(h) the Indenture Trustee shall not be deemed to have notice of any default (including any Servicer Default or Event of Default) unless a Responsible Officer of the Indenture Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Indenture Trustee at the Corporate Trust Office of the Indenture Trustee, and such notice references the Funding Obligations and this Indenture;

(i) the rights, privileges, protections, immunities and benefits given to the Indenture Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Indenture Trustee in each of its capacities hereunder, and each agent, custodian and other person employed to act hereunder;

(j) the Indenture Trustee shall not be liable for any action taken, suffered or omitted to be taken by it in good faith and reasonably believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture;

(k) the Indenture Trustee will have no obligation to calculate any amount due or owing or to be allocated as provided in this Indenture, including interest or principal for any Funding Obligations; the Indenture Trustee shall be entitled to and may rely absolutely upon the Payment Instruction;

(l) the Indenture Trustee will be entitled to rely and act upon any direction, order, instruction, notice or communication provided to it under this Indenture which is sent to it by Electronic Methods. The Indenture Trustee shall have no liability for any losses, liabilities, costs or expenses incurred by it as a result of such reliance upon or compliance with such instructions or directions. The Issuer agrees: (i) to assume all risks arising out of the use of such Electronic Methods to submit instructions and directions to the Indenture Trustee, including without limitation the risk of the Indenture Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting instructions to the Indenture Trustee and that there may be more secure methods of transmitting instructions than the method(s) selected by the Issuer; and (iii) that the security procedures (if any) to be followed in connection with its transmission of instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and

(m) the Indenture Trustee will not be liable for any consequential, punitive or special damages.

9.03 Not Responsible for Recitals or Issuance of Notes

The recitals contained herein and in the Notes, except the Certificates of Authentication, will be taken as the statements of the Issuer, and the Indenture Trustee assumes no responsibility for their correctness. The Indenture Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Funding Obligation Agreements. The Indenture Trustee will not be accountable for the use or application by the Issuer of Notes, Borrowings or the proceeds thereof.

9.04 May Hold Notes

The Indenture Trustee, any Paying Agent, the Note Registrar, the Administrative Agent, the Manager or any other agent of the Issuer, in its individual or any other capacity, may become the owner or pledgee of Notes and, subject to subsection 9.07(e) and applicable legislation, may otherwise deal with the Issuer with the same rights it would have if it were not Indenture Trustee, Paying Agent, Note Registrar, Administrative Agent, Manager or such other agent.

9.05 Compensation and Reimbursement; Limit on Compensation Reimbursement and Indemnity

(a) The Issuer agrees:

(i) to pay to the Indenture Trustee from time to time reasonable compensation (or, for so long as [Indenture Trustee] is the Indenture Trustee, such amount as has been mutually agreed upon in writing) for all services rendered by it hereunder (which compensation will not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(ii) except as otherwise expressly provided herein, to reimburse the Indenture Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Indenture Trustee in accordance with any provision of this Indenture (including the reasonable compensation and the reasonable expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to its own negligence or bad faith; and

(iii) to indemnify the Indenture Trustee for, and to hold it harmless against, any and all loss, liability, expense, claim, damage or injury incurred without negligence or bad faith on its part, arising out of or in connection with the acceptance or administration of this trust, including the costs and expenses of defending itself against any claim or liability (whether asserted by the Issuer, any Specified Creditor or any other Person) in connection with the exercise or performance of any of its powers or duties hereunder.

The Indenture Trustee will have no recourse to any asset of the Issuer other than funds available pursuant to Section 7.04 or 8.13, or to any Person other than the Issuer.

(b) This Section 9.05 will survive the termination of this Indenture and the resignation or replacement of the Indenture Trustee under Section 9.07.

9.06 Corporate Indenture Trustee Required; Eligibility

There will at all times be an Indenture Trustee hereunder which will be either a bank, a trust company or a corporation organized and doing business under the laws of Canada or of any province or territory thereof, authorized under such laws to carry on a trust business as contemplated hereby in each of the provinces and territories of Canada. The Issuer may not, nor may any Person directly or indirectly controlling, controlled by, or under common control with the Issuer, serve as Indenture Trustee. If at any time the Indenture Trustee will cease to be eligible in accordance with the provisions of this Section 9.06, it will resign immediately in the manner and with the effect hereinafter specified in this Article IX.

9.07 Resignation and Removal; Appointment of Successor

(a) No resignation or removal of the Indenture Trustee and no appointment of a successor Indenture Trustee pursuant to this Article IX will become effective until the acceptance of appointment by the successor Indenture Trustee under Section 9.08.

(b) The Indenture Trustee may resign at any time by giving written notice thereof to the Issuer. If an instrument of acceptance by a successor Indenture Trustee shall not have been delivered to the Indenture Trustee within 30 days after the giving of such notice of resignation, the resigning Indenture Trustee may petition any court of competent jurisdiction for the appointment of a successor Indenture Trustee.

(c) The Indenture Trustee may be removed at any time by Ordinary Resolution of the Debtholders delivered to the Indenture Trustee and to the Issuer. If an instrument of acceptance by a successor Indenture Trustee shall not have been delivered to the Indenture Trustee within 30 days after the giving of such notice of removal, the Indenture Trustee being removed may petition any court of competent jurisdiction for the appointment of a successor Indenture Trustee.

(d) If at any time:

(i) the Indenture Trustee ceases to be eligible under Section 9.06 and fails to resign after written request therefor by the Issuer or by any Debtholder, or

(ii) the Indenture Trustee becomes incapable of acting, or

(iii) the Indenture Trustee is adjudged bankrupt or insolvent or a receiver of the Indenture Trustee or of its property is appointed, or any public officer takes charge or control of the Indenture Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any such case, (A) the Issuer may remove the Indenture Trustee, or (B) subject to Article XI, any Debtholder who has been a bona fide Debtholder for at least six (6) months may, on behalf of itself and all other Debtholders, petition any court of competent jurisdiction for the removal of the Indenture Trustee and the appointment of a successor Indenture Trustee.

(e) The Indenture Trustee shall resign if a material conflict of interest arises in its role as a trustee under this Indenture that is not eliminated within 90 days after the Indenture Trustee becomes aware that it has such a material conflict of interest. Forthwith after the Indenture Trustee becomes aware that it has a material conflict of interest, it shall provide the Issuer with written notice of the nature of that conflict. If, notwithstanding the foregoing provisions of this subsection 9.07(e), the Indenture Trustee has such a material conflict of interest, the validity and enforceability of this Indenture and of the Funding Obligation Agreements shall not be affected in any manner whatsoever by reason only of the existence of such material conflict of interest. If the Indenture Trustee contravenes the foregoing provisions of this subsection 9.07(e), any interested party may apply to a court of competent jurisdiction for an order that the Indenture Trustee be replaced as trustee hereunder. The Indenture Trustee represents to the Issuer that at the time of the execution and delivery hereof no material conflict of interest exists in the Indenture Trustee's role as a fiduciary hereunder.

(f) If the Indenture Trustee resigns, is removed or becomes incapable of acting, or if a vacancy shall occur in the office of the Indenture Trustee for any cause, the Issuer will promptly appoint a successor Indenture Trustee. If, within one (1) year after such resignation, removal or incapacity, or the occurrence of such vacancy, a successor Indenture Trustee is appointed by Ordinary Resolution of the Debtholders delivered to the Issuer and the retiring Indenture Trustee, the successor

Indenture Trustee so appointed will, forthwith upon its acceptance of such appointment, become the successor Indenture Trustee and supersede the successor Indenture Trustee appointed by the Issuer. If no successor Indenture Trustee shall have been so appointed by the Issuer or the Debtholders and accepted in the manner hereinafter provided, any Debtholder who has been a bona fide Debtholder for at least six (6) months may, on behalf of itself and all other Debtholders, petition any court of competent jurisdiction for the appointment of a successor Indenture Trustee.

(g) The Issuer will give written notice of each resignation and each removal of the Indenture Trustee and each appointment of a successor Indenture Trustee to each Specified Creditor as provided in Article XVI and to each Rating Agency. To facilitate delivery of such notice, upon request by the Issuer, the Note Registrar shall provide to the Issuer a list of the relevant Registered Noteholders. Each notice will include the name of the successor Indenture Trustee and the address of its Corporate Trust Office.

(h) Upon such resignation, the Indenture Trustee shall be discharged from all further duties and liabilities under this Indenture.

9.08 Acceptance of Appointment by Successor

Every successor Indenture Trustee appointed hereunder will execute, acknowledge and deliver to the Issuer and to the predecessor Indenture Trustee an instrument accepting such appointment, with a copy to the Rating Agencies, and thereupon the resignation or removal of the predecessor Indenture Trustee will become effective, and such successor Indenture Trustee, without any further act, deed or conveyance, will become vested with all the rights, powers, trusts and duties of the predecessor Indenture Trustee; but, on request of the Issuer or the successor Indenture Trustee, such predecessor Indenture Trustee will, upon payment of its reasonable charges, if any, execute and deliver an instrument transferring to such successor Indenture Trustee all the rights, powers and trusts of the predecessor Indenture Trustee, and will duly assign, transfer and deliver to such successor Indenture Trustee all property and money held by such predecessor Indenture Trustee hereunder, subject nevertheless to its Lien, if any, provided for in Section 9.05. Upon request of any such successor Indenture Trustee, the Issuer will execute any and all instruments for more fully and certainly vesting in and confirming to such successor Indenture Trustee all such rights, powers and trusts.

No successor Indenture Trustee will accept its appointment unless at the time of such acceptance, such successor Indenture Trustee will be qualified and eligible under this Article IX.

9.09 Merger, Conversion, Consolidation or Succession to Business

Any corporation into which the Indenture Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Indenture Trustee shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Indenture Trustee, will be the successor of the Indenture Trustee hereunder, provided such corporation shall be otherwise qualified and

eligible under this Article IX, without the execution or filing of any paper or any further act on the part of any of the parties hereto. The Indenture Trustee shall give prompt written notice of such merger, conversion, consolidation or succession to the Issuer and the Rating Agencies. In case any Notes shall have been authenticated, but not delivered, by the Indenture Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Indenture Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Indenture Trustee had itself authenticated such Notes.

9.10 Trust Indenture Legislation

(a) In this Article IX, the term "applicable legislation" means the provisions, if any, of the *Trust and Loan Companies Act* (Canada) and any other statute of Canada or a province thereof, and of regulations under any such statute, in each case, as amended, restated or re-enacted from time to time, relating to trust indentures and to the rights, duties and obligations of trustees under trust indentures and of entities issuing debt obligations under trust indentures, to the extent that in the opinion of counsel to the Issuer such provisions are at the time in force and applicable to this Indenture.

(b) If and to the extent that any provision of this Indenture limits, qualifies or conflicts with a mandatory requirement of applicable legislation, such mandatory requirement shall prevail.

(c) The Issuer and the Indenture Trustee agree that each will at all times in relation to this Indenture and any action to be taken hereunder, observe and comply with and be entitled to the benefits of applicable legislation.

9.11 Representations and Covenants of the Indenture Trustee

The Indenture Trustee represents, warrants and covenants that:

(a) The Indenture Trustee is a trust company organized, existing and in good standing under the laws of Canada;

(b) The Indenture Trustee has full power and authority to execute, deliver and perform this Indenture and has taken all necessary action to authorize the execution, delivery and performance by it of this Indenture and other documents to which it is a party;

(c) Each of this Indenture and the other documents to which it is a party has been duly executed and delivered by the Indenture Trustee and constitutes its legal, valid and binding obligation in accordance with its terms; and

(d) The Indenture Trustee is authorized to carry on the business of a trust company in each of the provinces and territories of Canada. If, notwithstanding the provisions of this subsection 9.11(d), the Indenture Trustee ceases to be so authorized to carry on business, the validity and enforceability of this Indenture and the Funding Obligation Agreements shall not be affected in any manner whatsoever by reason only of such event.

9.12 Indenture Trustee's Application for Instructions from the Issuer

Any application by the Indenture Trustee for written instructions from the Issuer may, at the option of the Indenture Trustee, set forth in writing any action proposed to be taken or omitted by the Indenture Trustee under and in accordance with this Indenture and the date on and/or after which such action shall be taken or such omission shall be effective; provided that such application shall make specific reference to this Section 9.12. The Indenture Trustee shall not be liable for any action taken by, or omission of, the Indenture Trustee in accordance with a proposal included in such application on or after the date specified in such application (which date shall not be less than five (5) Business Days after the date the Issuer actually receives such application, unless the Issuer shall have consented in writing to any earlier date) unless prior to taking any such action (or the effective date in the case of an omission), the Indenture Trustee shall have received written instructions in response to such application specifying the action be taken or omitted.

9.13 Appointment of Co-Trustee or Separate Indenture Trustee

(a) Notwithstanding any other provisions of this Indenture, at any time, for the purpose of meeting any legal requirements of any jurisdiction in which any part of the Issuer's property may at the time be located, the Indenture Trustee shall have the power and shall execute and deliver all instruments, subject to the prior written consent of the Manager, which consent shall not be unreasonably withheld, to appoint one or more Persons reasonably acceptable to the Issuer to act as a co-trustee or co-trustees, or separate trustee or separate trustees, of all or any part of the Issuer's property, and to vest in such Person or Persons, in such capacity and for the benefit of the Specified Creditors, such title to the Issuer's property, or any part thereof, and, subject to the other provisions of this Section 9.13, such powers, duties, obligations, rights and trusts as the Indenture Trustee may consider necessary or desirable. No co-trustee or separate trustee hereunder shall be required to meet the terms of eligibility as a successor trustee under Section 9.06 and no notice to Specified Creditors of the appointment of any co-trustee or separate trustee shall be required under Section 9.07.

(b) Every separate trustee and co-trustee shall, to the extent permitted by applicable law, be appointed and act subject to the following provisions and conditions:

(i) all rights, powers, duties and obligations conferred or imposed upon the Indenture Trustee shall be conferred or imposed upon and exercised or performed by the Indenture Trustee and such separate trustee or co-trustee jointly (it being understood that such separate trustee or co-trustee is not authorized to act separately without the Indenture Trustee joining in such act), except to the extent that under any law of any jurisdiction in which any particular act or acts are to be performed, the Indenture Trustee shall be incompetent or unqualified to perform such act or acts, in which event such rights, powers, duties and obligations (including the holding of title to the Issuer's property or any portion thereof in any such jurisdiction) shall be exercised and performed singly by such separate trustee or co-trustee, but solely at the direction of the Indenture Trustee;

(ii) no trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder; and

(iii) the Indenture Trustee may at any time accept the resignation of or remove any separate trustee or co-trustee.

(c) Any notice, request or other writing given to the Indenture Trustee shall be deemed to have been given to each of the then separate trustees and co-trustees, as effectively as if given to each of them. Every instrument appointing any separate trustee or co-trustee shall refer to this Indenture and the conditions of this Article IX. Each separate trustee and co-trustee, upon its acceptance of the trusts conferred, shall be vested with the estates or property specified in its instrument of appointment, either jointly with the Indenture Trustee or separately, as may be provided therein, subject to all the provisions of this Indenture, specifically including every provision of this Indenture relating to the conduct of, affecting the liability of, or affording protection to, the Indenture Trustee. Every such instrument shall be filed with the Indenture Trustee.

(d) Any separate trustee or co-trustee may at any time appoint the Indenture Trustee, its agent or attorney-in-fact with full power and authority, to the extent not prohibited by applicable law, to do any lawful act under or in respect of this Indenture on its behalf and in its name. If any separate trustee or co-trustee shall die, become incapable of acting, resign or be removed, all of its estates, properties, rights, remedies and trusts shall vest in and be exercised by the Indenture Trustee, to the extent permitted by applicable law, without the appointment of a new or successor trustee.

9.14 Preservation of Information; Communications to Debtholders

(a) The Indenture Trustee will preserve, in as current a form as is reasonably practicable, the names and addresses of Registered Noteholders contained in the most recent list furnished to the Indenture Trustee as provided in Section 13.14 and the names and addresses of Registered Noteholders received by the Indenture Trustee in its capacity as Note Registrar. The Indenture Trustee may destroy any list furnished to it as provided in Section 13.14 upon receipt of a new list so furnished. The Indenture Trustee will also preserve, in as current a form as is reasonably practicable, the names and addresses of all other Specified Creditors received by the Indenture Trustee pursuant to Sections 5.01(f) and 5.03(b).

(b) If **[three]** or more Debtholders of any Series, Class or Tranche (hereinafter referred to as "**applicants**") (or, if there are less than **[three]** such Debtholders, all of the Debtholders) apply in writing to the Indenture Trustee, and furnish to the Indenture Trustee reasonable proof that each such applicant has owned a Funding Obligation of such Series, Class or Tranche for a period of at least six (6) months preceding the date of such application, and such application states that the applicants desire to communicate with other Debtholders of such Series, Class or Tranche or with all Debtholders with respect to their rights under this Indenture or under such Funding

Obligations and is accompanied by a copy of the form of proxy or other communication which such applicants propose to transmit, then the Indenture Trustee will, within five (5) Business Days after the receipt of such application, at its election, either:

(i) afford such applicants access to the information preserved at the time by the Indenture Trustee in accordance with subsection 9.14(a), or

(ii) inform such applicants as to the approximate number of Debtholders of such Series, Class or Tranche or all Funding Obligations, as the case may be, whose names and addresses appear in the information preserved at the time by the Indenture Trustee in accordance with subsection 9.14(a) and as to the approximate cost of mailing to such Debtholders the form of proxy or other communication, if any, specified in such application.

If the Indenture Trustee shall elect not to afford such applicants access to such information, the Indenture Trustee shall, upon the written request of such applicants, mail to each Lender and to each holder of a Registered Note of such Series, Class or Tranche or to all Lenders and/or Registered Noteholders, as the case may be, whose names and addresses appear in the information preserved at the time by the Indenture Trustee in accordance with subsection 9.14(a), a copy of the form of proxy or other communication which is specified in such request, with reasonable promptness after a tender to the Indenture Trustee of the material to be mailed and of payment, or provision for the payment, of the reasonable expenses of mailing, unless, within five days after such tender, the Indenture Trustee shall mail to such applicants, together with a copy of the material to be mailed, a written statement to the effect that, in the opinion of the Indenture Trustee, such mailing would be contrary to the best interests of the Debtholders of such Series, Class or Tranche or all Debtholders, as the case may be, or would be in violation of applicable law. Such written statement will specify the basis of such opinion.

(c) Every Debtholder agrees with the Issuer and the Indenture Trustee that neither the Issuer nor the Indenture Trustee will be held accountable by reason of the disclosure of any such information as to the names and addresses of the Debtholders in accordance with subsection 9.14(b), regardless of the source from which such information was derived, and that the Indenture Trustee will not be held accountable by reason of mailing any material pursuant to a request made under subsection 9.14(b).

9.15 Acceptance of Trusts by Indenture Trustee

The Indenture Trustee hereby accepts the trusts in this Indenture and agrees to perform the same upon the terms and conditions herein set forth.

9.16 Paying Agent

(a) The Paying Agent, on behalf of the Indenture Trustee, will make distributions to Specified Creditors from the Collection Account or other applicable Issuer Account

pursuant to the provisions of this Indenture and any applicable Program Agreement and will report the amounts of such distributions to the Indenture Trustee. Any Paying Agent will have the revocable power to withdraw funds from the Collection Account or other applicable Issuer Account for the purpose of making the distributions referred to above.

(b) The Indenture Trustee may revoke such power and remove the Paying Agent if the Indenture Trustee determines in its sole discretion that the Paying Agent has failed to perform its obligations under this Indenture in any material respect. The Paying Agent upon removal will return all funds in its possession to the Indenture Trustee.

(c) The Issuer will cause each Paying Agent (other than the Indenture Trustee) to execute and deliver to the Indenture Trustee an instrument in which such Paying Agent will agree with the Indenture Trustee (and if the Indenture Trustee acts as Paying Agent, it so agrees), subject to the provisions of this Article XI, that such Paying Agent will:

(i) hold all sums held by it for the payment of principal of, interest, fees or other amounts in trust for the benefit of the Persons entitled thereto until such sums will be paid to such Persons or otherwise disposed of as herein provided;

(ii) if such Paying Agent is not the Indenture Trustee, give the Indenture Trustee notice of any default by the Issuer in the making of any such payment of principal or interest on any Funding Obligations;

(iii) if such Paying Agent is not the Indenture Trustee, at any time during the continuance of any such default, upon the written request of the Indenture Trustee, forthwith pay to the Indenture Trustee all sums so held in trust by such Paying Agent;

(iv) open and maintain appropriate records with respect to each Note; record by appropriate entries therein each payment made on account of interest, principal, fees and other amounts owing with respect to each such Note. For the purposes thereof, the Paying Agent shall provide to the Issuer and the Indenture Trustee satisfactory evidence of each payment as soon as practicable after making such payment. The failure to record, or any error in recording, any such payment shall not, however, limit or otherwise affect the obligations of the Issuer as to the principal amount or accrued interest owing with respect to any Note. Such records of payment shall be conclusive evidence of the unpaid principal balance and interest owing in respect of the Notes in the absence of demonstrable error;

(v) immediately resign as a Paying Agent and, if such Paying Agent is not the Indenture Trustee, forthwith pay to the Indenture Trustee all sums held by it in trust for the payment of Funding Obligations if at any time it ceases to

meet the standards described in this Article XI required to be met by a Paying Agent at the time of its appointment; and

(vi) comply with all requirements of the Income Tax Act or any other applicable tax law with respect to the withholding from any payments made by it on any Notes of any applicable withholding taxes imposed thereon and with respect to any applicable reporting requirements in connection therewith.

(d) Each Paying Agent, if not OPG, will at all times have, or be a wholly owned subsidiary of a corporation which has, a combined capital and surplus of at least $50,000,000 and be subject to supervision or examination by a Canadian federal, provincial or territorial authority or be regulated by or subject to the supervision or examination of a Governmental Authority of a nation that is a member of the Organization for Economic Co-operation and Development. If such Paying Agent publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this subsection 9.16(d), the combined capital and surplus of such Paying Agent will be deemed to be its combined capital and surplus as set forth in its most recent report of condition as so published.

ARTICLE X
MEETINGS

10.01 Conduct of Meetings

Meetings of Debtholders of any Series, Class or Tranche, or of all Series of Funding Obligations, as the case may be, shall be convened, held and conducted in the following manner:

(a) At any time, and from time to time, the Indenture Trustee or the Issuer may, and the Indenture Trustee shall, on receipt of a written request of the Issuer or a requisition signed by Debtholders of a particular Series, Class or Tranche or of all Series of Funding Obligations, as the case may be, holding at least **[25%]** of the aggregate Outstanding Dollar Principal Amount of the Funding Obligations of that Series, Class or Tranche, or all Series of Funding Obligations, as the case may be, convene a meeting of the Debtholders of that Series, Class or Tranche, or of all Series of Funding Obligations, as the case may be. If the Indenture Trustee fails to convene a meeting after 30 days of being duly required by the Issuer or such Debtholders, the Issuer or such Debtholders may themselves convene such meeting and, in the case of a meeting called by such Debtholders, the notice calling such meeting may be signed by such Person as those Debtholders specify. Every such meeting shall be held in the City of Toronto or such other place in Ontario, Canada as the Indenture Trustee may in any case determine or approve.

(b) At least 7 days' prior notice of any meeting shall be given to the Debtholders of the Series, Class or Tranche to which such meeting relates or of all Series of Funding Obligations, as the case may be, and to the Issuer, unless the meeting has been called by the Issuer, and such notice shall state the date, time and the place the

meeting is to be held and shall specify, in general terms, the nature of the business to be transacted. It shall not be necessary to specify in the notice the text of the resolutions to be passed. Subject to Section 10.01(c), notices shall be given in the manner set forth in Article XVI and a copy thereof shall be delivered to the Indenture Trustee unless the meeting has been called by it. It shall not be necessary to specify in the notice of any adjournment of a meeting the nature of the business to be transacted at the adjourned meeting. The non-receipt of any such notice by a Debtholder shall not invalidate any resolution passed at such meeting.

(c) At any meeting of the Debtholders of the Series, Class or Tranche or of all Series of Funding Obligations, as the case may be, subject as herein provided, a quorum shall consist of two or more Persons present in person or by proxy holding either personally or as proxies not less than **[25%]** of the Outstanding Dollar Principal Amount of the Funding Obligations of the Series, Class or Tranche or of all Series of Funding Obligations, as the case may be, entitled to vote at such meeting. If a quorum is not present on the date for which the meeting is called within 30 minutes after the time fixed for the holding of such meeting, the meeting shall be adjourned to be held at a place and upon a date and at an hour to be fixed by the Indenture Trustee who shall give not less than 7 days' notice of the date and time to which such meeting is to be adjourned and at such adjourned meeting a quorum shall consist of the Debtholders of that Series, Class or Tranche or of all Series of Funding Obligations, as the case may be, then and there represented in person or by proxy and entitled to vote at such meeting.

(d) An individual, who need not be a Debtholder, nominated in writing by the Indenture Trustee shall be Chairman of the meeting. If no individual is so nominated or if the individual nominated is not present within 25 minutes after the time fixed for the holding of the meeting, the Debtholders and proxies for Debtholders present shall choose one of their number to be Chairman.

(e) Every question submitted to a meeting, except an Extraordinary Resolution, shall be decided by a majority of the votes given on a show of hands or, if a poll shall be requested as hereinafter provided, by a majority of the votes cast on the poll (in either case, an "**Ordinary Resolution**") and shall be binding on all Debtholders of the Series, Class or Tranche or of all Series of Funding Obligations, as the case may be. On a show of hands, each Debtholder who is present, whether in person or by proxy, will have one vote for every $1,000 Outstanding Dollar Principal Amount of Funding Obligations of which he or she shall be the Debtholder. A poll shall be taken on every Extraordinary Resolution and otherwise whenever requested by a Debtholder or its proxy. On a poll, each Debtholder shall have one vote for every $1,000 Outstanding Dollar Principal Amount of Funding Obligations of which he or she shall be the Debtholder. Votes may be given in person or by proxy and a proxy need not be a Debtholder. If at any meeting a poll is so demanded as aforesaid on the election of a Chairman or on a question of adjournment, it shall be taken forthwith. If at any meeting a poll is so demanded on any other question, or an Extraordinary Resolution is to be voted upon, a poll shall be taken in such manner and either at once or after an adjournment as the Chairman directs. The result of a

poll shall be deemed to be the decision of the meeting at which the poll was demanded and shall be binding on all Debtholders of that Series, Class or Tranche or of all Series of Funding Obligations, as the case may be. In the case of joint Registered Noteholders, any one of them present in person or by proxy at the meeting may vote in the absence of the other or others but, if more than one of them is present in person or by proxy, they shall vote together in respect of the Outstanding Notes of which they are joint Registered Noteholders.

10.02 Powers Exercisable by Ordinary Resolution and Extraordinary Resolution

(a) In addition to any powers hereinbefore given, Debtholders of a Series, Class or Tranche of Funding Obligations shall by Ordinary Resolution have the power to:

(i) require the Indenture Trustee (subject to receipt by the Indenture Trustee of reasonable funding and indemnity) to exercise or refrain from exercising any of the powers conferred upon it by this Indenture insofar as they apply to the Series, Class or Tranche or by the Related Supplemental Indenture or to waive any Event of Default and/or cancel any declaration made pursuant to Section 8.02 upon such terms and/or conditions as may be decided;

(ii) sanction, insofar as they apply to the Series, Class or Tranche, the release of the Issuer from its covenants and obligations hereunder;

(iii) subject to the provisions of this Indenture or of the Related Funding Obligation Agreement, sanction any change whatsoever to any provision of the Funding Obligations of such Series, Class or Tranche which shall be agreed to by the Issuer and any modification, alteration, abrogation, compromise or arrangement of or in respect of the rights of the Debtholders of such Series, Class or Tranche or the Indenture Trustee against the Issuer, whether such rights shall arise under the provisions of this Indenture or otherwise;

(iv) subject to the provisions of this Indenture (including, without limitation, Section 8.02), assent to any modification of or change in or addition to or omission from the provisions contained in this Indenture, a Related Supplemental Indenture or any instrument ancillary or supplementary hereto or thereto which shall be agreed to by the Issuer and to authorize the Indenture Trustee to concur in and execute any deed, instrument or agreement embodying any such modification, change, addition or omission or any other deeds, documents or writings authorized by such Ordinary Resolution; provided that no such assent shall be necessary for any modification of or change in or addition otherwise permitted hereunder or under a Related Supplemental Indenture; and

(v) take any other Action authorized by this Indenture or a Related Supplemental Indenture to be taken by Ordinary Resolution of the Debtholders of a Series, Class or Tranche of Funding Obligations.

(b) In addition to any powers hereinbefore given, Debtholders of all Series Funding Obligations, collectively, shall by Extraordinary Resolution have the power to:

(i) authorize the Indenture Trustee to accept, in satisfaction or partial satisfaction, all or any part of the Collateral;

(ii) sanction the selling of the Collateral or any part thereof or interest therein;

(iii) authorize the Indenture Trustee or any other Person to bid or tender at any sale of the Collateral or any part thereof and take such actions in connection with such sale as it determines to be in the best interests of all Debtholders;

(iv) assent to any compromise or arrangement by the Issuer with any creditor, creditors or class or classes of creditors or with the holders of any securities of the Issuer whose claims are payable from the Collateral;

(v) restrain any Debtholder from taking or instituting any suit, action or proceeding for the purpose of realizing on the Collateral or for the execution of any trust or power hereunder or for the appointment of a liquidator, receiver or trustee in bankruptcy or to have the Issuer liquidated or for any other remedy hereunder and to direct such Debtholder to waive any Event of Default on which any suit or proceeding is founded;

(vi) require the Indenture Trustee (subject to receipt by the Indenture Trustee of reasonable funding and indemnity) to exercise or refrain from exercising any other powers conferred upon it by this Indenture of general application to all Series of Funding Obligations, including the exercise of any rights of the Issuer under any of the Program Agreements upon the occurrence and during the continuance of an Event of Default, or to waive any Event of Default and/or cancel any declaration made pursuant to Article XI upon such terms and/or conditions as may be decided;

(vii) authorize the Indenture Trustee, in the event of the Issuer making an authorized assignment or proposal or in the event of an administrator, trustee, receiver or liquidator being appointed under any applicable bankruptcy or insolvency legislation for and on behalf of all Specified Creditors and, in addition to any claim or debt provided or made for its own account as Indenture Trustee hereunder, to file and prove a claim or debt against the Issuer or its property for an amount equivalent to the aggregate amount which may be payable in respect of all Funding Obligations, to value the Collateral, and to vote such claim or debt at meetings of creditors and generally act for and on behalf of all Debtholders in such proceedings as such Extraordinary Resolution may provide;

(viii) appoint a committee with power and authority (subject to such limitations, if any, as may be prescribed in such Extraordinary Resolution) to exercise, and to direct the Indenture Trustee to exercise, on behalf of all Debtholders, such of the powers of such Debtholders as are exercisable by Extraordinary

Resolution or other resolution as shall be included in the Extraordinary Resolution appointing the committee. The Extraordinary Resolution making such appointment may provide for payment of the expenses and disbursements of and compensation to such committee from the Collateral, in portions allocated to each Series as may be specified in such Extraordinary Resolution. Such committee shall consist of such number of Persons as shall be prescribed in the Extraordinary Resolution appointing it and the members need not themselves be Debtholders. Each such committee may elect its Chairman and may make regulations respecting its quorum, the calling of its meetings, the filling of vacancies occurring in its number and its procedures generally. Such regulations may provide that the committee may act at a meeting at which a quorum is present or may act by minutes signed by the number of members thereof necessary to constitute a quorum. All acts of any such committee within the authority delegated to it shall be binding upon all Debtholders. Neither the committee nor any member thereof shall be liable for any loss arising from or in connection with any action taken or omitted to be taken by them in good faith; and

(ix) take any other action authorized by this Indenture to be taken by Extraordinary Resolution.

(c) The foregoing powers shall be deemed to be several and cumulative and not dependent on each other and the exercise of one or more of such powers, or any combination of such powers, from time to time, shall not be deemed to exhaust the rights of the Debtholders to exercise such power or powers, or combinations of powers, thereafter from time to time. No powers exercisable by Extraordinary Resolution shall derogate in any way from any rights of the Issuer under or pursuant to this Indenture. The Issuer shall give the Rating Agency notice of any Extraordinary Resolution adopted.

10.03 Extraordinary Resolution

An Extraordinary Resolution, adopted in accordance with the provisions hereof, shall be binding upon each and every Debtholder and each other Specified Creditor and their respective heirs, executors, administrators, successors and assigns, whether present or absent, and the Indenture Trustee (subject to the provisions for funding and its indemnity herein contained) shall be bound to give effect thereto accordingly.

Except as expressly provided to the contrary in this Indenture, no action shall be taken at a meeting of the Debtholders of a Series, Class or Tranche or of all Series of Funding Obligations which changes any provision of this Indenture or changes or prejudices the exercise of any right of any Debtholder except by Extraordinary Resolution.

10.04 Declaration by Chairman of Result of Vote

At any meeting of the Debtholders of any Series, Class or Tranche or of all Series of Funding Obligations, in cases where no poll is required or requested, a declaration made by the

Chairman that a resolution has been carried, or carried by any particular majority, or lost, shall be conclusive evidence thereof.

10.05 Minutes

Minutes of all resolutions and proceedings at every such meeting, as aforesaid, shall be made and duly entered in books to be provided from time to time for that purpose by an agent of the Issuer at the expense of the Issuer and any such minutes, as aforesaid, if signed by the Chairman of the meeting at which such resolutions were passed or proceedings had, or by the Chairman of the next succeeding meeting of Debtholders, shall be *prima facie* evidence of the matters therein stated and, until the contrary is proved, every such meeting in respect of the proceedings of which minutes shall have been made shall be deemed to have been duly held and convened and all resolutions passed or proceedings had thereat to have been duly passed and had.

10.06 Signed Instruments

Any resolution or instrument signed in one or more counterparts by (a) Debtholders holding not less than 50% of the aggregate Outstanding Dollar Principal Amount of Funding Obligations of a Series, Class or Tranche, as the case may be, in the case of matters capable of being decided at a meeting of Debtholders by Ordinary Resolution, and (b) Debtholders holding not less than 66⅔% of the aggregate Outstanding Dollar Principal Amount of Funding Obligations of all Series in the case of matters required to be decided at a meeting of Debtholders by Extraordinary Resolution shall, in either case, have the same force and effect as a resolution duly passed at a meeting of such Debtholders by the affirmative vote of all of the votes cast upon a poll. Notice of any Ordinary Resolution or Extraordinary Resolution passed in accordance with this Section 10.06 shall be given by the Indenture Trustee to the Debtholders, as applicable, within 30 days of the date on which such Ordinary Resolution or Extraordinary Resolution was passed.

10.07 Persons Who May Attend

Each of the Specified Creditors, by their respective officers, directors, employees, and the legal advisers of such parties, may attend any meeting of Debtholders.

10.08 Binding Effect of Resolutions

Every Ordinary Resolution and every Extraordinary Resolution passed in accordance with the provisions of this Article X at a meeting of Debtholders of a Series, Class or Tranche or of all Series of Funding Obligations, as the case may be, will be binding upon all of the Debtholders of such Series, Class or Tranche or of all Series of Funding Obligations, as the case may be, whether present at or absent from such meeting, and every instrument in writing signed by Debtholders in accordance with Section 10.06 will be binding upon all of the Debtholders of such Series, Class or Tranche or of all Series of Funding Obligations, as the case may be, whether signatories thereto or not, and the Indenture Trustee will be bound to give effect accordingly to every such Ordinary Resolution, Extraordinary Resolution and instrument in writing.

10.09 Notes Regarded as Not Outstanding for Certain Purposes

If, in the opinion of the Indenture Trustee and upon receipt of an Issuer Certificate in respect of the following, any business to be transacted at any meeting of Debtholders or any action to be taken or power exercised by instrument in writing under Section 10.06 does not materially adversely affect the rights of the Debtholders of one or more particular Series, Class or Tranche of Funding Obligations, the provisions of this Article X shall apply as if the Funding Obligations of that Series, Class or Tranche were not outstanding, and no notice of any such meeting need be given to the Debtholders of that Series, Class or Tranche.

ARTICLE XI
SUPPLEMENTAL INDENTURES

11.01 Supplemental Indentures and Amendments Without Consent of Specified Creditors

Without the consent of the Specified Creditors but with 10 Business Days' prior notice to each Rating Agency, the Issuer and the Indenture Trustee, at any time and from time to time, and upon delivery by the Issuer to the Indenture Trustee of an Issuer Certificate to the effect that the Issuer reasonably believes that such amendment will not have an Adverse Effect and is not reasonably expected to have an Adverse Effect at any time in the future, the Issuer may amend this Indenture, including any Supplemental Indenture or enter into one or more Supplemental Indentures, in form satisfactory to the Indenture Trustee, for any of the following purposes:

(a) to evidence the succession or successive successions of another Financing Entity to the Issuer, and the assumption by any such successor of the covenants of the Issuer herein and in the Notes; or

(b) to add to the covenants of the Issuer, or to surrender any right or power herein conferred upon the Issuer by the Issuer, for the benefit of the Debtholders of any or all Series, Class or Tranche of Funding Obligations; or

(c) to cure any ambiguity, to correct or supplement any provision herein which may be inconsistent with any other provision herein, or to make any other provisions with respect to matters or questions arising under this Indenture; or

(d) to establish any form of Note, as provided in Article III, and to provide for the issuance of any Series, Class or Tranche of Notes as provided in Article IV and Article V and to set forth the terms thereof, and/or to add to the rights of the Noteholders of any Series, Class or Tranche; or

(e) to evidence and provide for the acceptance of appointment by another corporation as a successor Indenture Trustee hereunder; or

(f) to add any additional Early Amortization Events or Events of Default in respect of any or all Series, Class or Tranche of Funding Obligations; or

(g) to provide for the consolidation of any Financing Entity and the Issuer into a single Person or the transfer of assets in any Financing Entity to the Issuer; or

(h) if IESO is replaced under the Master Transfer and Servicing Agreement as Servicer, to make any necessary changes to this Indenture or any other related document; or

(i) to designate additional Collateral to the Issuer; or

(j) to provide for additional or alternative forms of Credit Enhancement for any Series, Class or Tranche of Funding Obligations; or

(m) to qualify for sale treatment under generally accepted accounting principles.

Additionally, notwithstanding any provision of this Article XI to the contrary and in addition to clauses (a) through (m) above, the Issuer and the Indenture Trustee may amend this Indenture, including any Supplemental Indenture, to modify, eliminate or add to the provisions of this Indenture (i) to facilitate compliance with any amendment to any change of law or regulation which applies to the Issuer or the transactions governed by the Program Agreements, or (ii) to cause the provisions hereof to conform to or be consistent with or in furtherance of the statements made with respect to this Indenture in any applicable offering document; in each case, provided that the Issuer shall deliver to the Indenture Trustee an Issuer Certificate to the effect that (A) the Issuer reasonably believes that such amendment will not have a material adverse effect on the Specified Creditors or (B) such amendment is required to remain in compliance with any change of law or regulation which applies to the Issuer or the transactions governed by the Program Agreements, or such amendment is required to cause the provisions hereof to conform to or be consistent with or in furtherance of the statements made with respect to this Indenture in any applicable offering document.

Additionally, notwithstanding any provision of this Article XI to the contrary and in addition to clauses (a) through (m) above, this Indenture, including any Supplemental Indenture, may also be amended by the Issuer and the Indenture Trustee, without the consent of any of the Specified Creditors, for the purpose of (i) adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Indenture or any Supplemental Indenture or (ii) modifying in any manner the rights of the Specified Creditors under this Indenture or any Supplemental Indenture; provided, however, that (i) the Issuer shall deliver to the Indenture Trustee an Issuer Certificate to the effect that the Issuer reasonably believes that such amendment will not have an Adverse Effect and is not reasonably expected to have an Adverse Effect at any time in the future, and (ii) the Rating Agency Condition shall be satisfied.

Additionally, notwithstanding any provision of this Article XI to the contrary and in addition to clauses (a) through (m) and the immediately preceding paragraph, this Indenture, including any Supplemental Indenture, may also be amended without the consent of the Indenture Trustee or any of the Specified Creditors, to provide for those changes necessary for compliance

with securities law requirements or banking laws or regulations; provided, however, that (i) the Issuer shall deliver to the Indenture Trustee an Issuer Certificate to the effect that the Issuer reasonably believes that such amendment will not have an Adverse Effect and is not reasonably expected to have an Adverse Effect at any time in the future, and (ii) the Rating Agency Condition shall be satisfied.

The Issuer shall send a copy of any amendment to this Indenture or any Supplemental Indenture to each Rating Agency.

The Indenture Trustee may, but shall not be obligated to, enter into any amendments which adversely affects the Indenture Trustee's rights, duties, benefits, protections, privileges or immunities under this Indenture or otherwise.

11.02 Supplemental Indentures with Consent of Debtholders

In addition to any amendment permitted pursuant to Section 11.01, with prior notice to each applicable Rating Agency and the consent of Debtholders of each Series of Funding Obligations affected by such amendment of this Indenture, including any Supplemental Indenture, by Ordinary Resolution delivered to the Issuer and the Indenture Trustee, the Issuer and the Indenture Trustee may enter into an amendment of this Indenture for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Indenture or of modifying in any manner the rights of the Debtholders of each such Series of Funding Obligations under this Indenture or any Supplemental Indenture; provided, however, that no such amendment of this Indenture or any Supplemental Indenture will, without the consent of the Debtholders of each Funding Obligation affected thereby:

(a) change the scheduled payment date of any payment of interest on any Funding Obligation, or change an Scheduled Final Payment Date or Legal Maturity Date of any Funding Obligation;

(b) reduce the principal amount of, or the interest rate on any Note, or change the method of computing the Outstanding Dollar Principal Amount, the Outstanding Currency Specific Dollar Principal Amount or the Adjusted Outstanding Dollar Principal Amount in a manner that is adverse to any Debtholders;

(c) reduce the amount of a Discount Note payable upon the occurrence of an Early Amortization Event or other optional or mandatory redemption or upon the acceleration of its Legal Maturity Date;

(d) impair the right to institute suit for the enforcement of any payment on any Funding Obligation;

(f) modify any of the provisions of this Section 11.02 or Section 8.03, except to increase any percentage of Debtholders required to consent to any such amendment or to provide that other provisions of this Indenture cannot be modified or waived without the consent of the Debtholders affected thereby;

(g) permit the creation of any Lien on the Collateral that is prior to the Security Interest;

(h) change any Place of Payment where any principal of, or interest on, any Note is payable, unless otherwise provided in the Related Funding Obligation Agreement;

(i) change the method of computing the amount of principal of, or interest on, any Note on any date; or

(j) make any other amendment not permitted by Section 11.01.

An amendment of this Indenture or a Supplemental Indenture which changes or eliminates any covenant or other provision of this Indenture which has expressly been included solely for the benefit of one or more particular Series of Funding Obligations, or which modifies the rights of the Debtholders of such Series with respect to such covenant or other provision, will be deemed not to affect the rights under this Indenture of the Debtholders of any other Series of Funding Obligations.

It will not be necessary for any Ordinary Resolution under this Section 11.02 to approve the particular form of any proposed amendment or Supplemental Indenture, but it will be sufficient if such Ordinary Resolution will approve the substance thereof.

11.03 Execution of Amendments and Supplemental Indentures

In executing or accepting the additional trusts created by any amendment of this Indenture or Supplemental Indenture permitted by this Article XI or the modifications thereby of the trusts created by this Indenture, the Indenture Trustee will be provided with, and (subject to Section 9.01) will be fully protected in relying upon, an Opinion of Counsel stating that the execution of such amendment or Supplemental Indenture is authorized or permitted by this Indenture and that all conditions precedent thereto have been satisfied. The Indenture Trustee may, but will not (except to the extent required in the case of an amendment or Supplemental Indenture entered into under subsection 11.01(e)) be obligated to, enter into any such amendment or Supplemental Indenture which affects the Indenture Trustee's own rights, duties or immunities under this Indenture or otherwise.

11.04 Effect of Amendments and Supplemental Indentures

Upon the execution of any amendment of this Indenture or any Supplemental Indenture under this Article XI, this Indenture and/or such Supplemental Indenture will be modified in accordance therewith with respect to each Series, Class or Tranche of Funding Obligations affected thereby, or all Funding Obligations, as the case may be, and such amendment or Supplemental Indenture will form a part of this Indenture and such Supplemental Indenture for all purposes; and every holder of Funding Obligations theretofore or thereafter incurred and every other Specified Creditor will be bound thereby to the extent provided therein.

11.05 Reference in Notes to Supplemental Indentures

Notes authenticated and delivered after the execution of any amendment of this Indenture or any Supplemental Indenture pursuant to this Article XI may, and will if required by the Indenture Trustee, bear a notation in form approved by the Indenture Trustee as to any matter provided for in such amendment or Supplemental Indenture. If the Issuer will so determine, new Notes so modified as to conform, in the opinion of the Indenture Trustee and the Issuer, to any such amendment or Supplemental Indenture may be prepared and executed by the Issuer and authenticated and delivered by the Indenture Trustee in exchange for Outstanding Notes.

(i) No consent, approval or authorization of, or declaration, registration, filing or qualification with, or giving of notice to, or taking of any other action in respect of, any Governmental Authority on the part of the Issuer is required in connection with the execution and delivery of this Indenture, the other Program Agreements executed by it or any agreements or instruments delivered pursuant hereto or thereto or the consummation of any of the transactions contemplated hereby or in connection with the enforcement of this Indenture, the other Program Agreements

COVENANTS OF THE ISSUER

13.01 Payment of Principal and Interest

With respect to each Series, Class or Tranche of Funding Obligations, the Issuer will duly and punctually pay the principal of and interest on such Funding Obligations in accordance with their terms, this Indenture and any Related Funding Obligation Agreement, and will duly comply with all the other terms, agreements and conditions contained in, or made in this Indenture and any Funding Obligation Agreement. The payment of principal and interest on each Series, Class or Tranche of Funding Obligations will be primarily based on the performance of the Investment Asset and, except for interest rate or currency mismatches, will not be contingent on market or credit events that are independent of the Investment Asset.

13.02 Use of Proceeds

The Issuer will use the proceeds of Notes and Borrowings solely for: (i) the acquisition by the Issuer of an Investment Interest; (ii) the refinancing of any existing Funding Obligations; and (iii) the payment of transaction fees and expenses in connection with the incurrence of Funding Obligations.

13.03 Maintenance of Office or Agency

The Issuer will give prompt written notice to the Indenture Trustee of the location, and of any change in the location, of such office or agency. If at any time the Issuer will fail to maintain such office or agency or will fail to furnish the Indenture Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Indenture Trustee, and the Issuer hereby appoints the Indenture Trustee its agent to receive all such presentations, surrenders, notices and demands.

The Issuer may also from time to time designate one or more other offices or agencies where the Notes of one or more Series, Classes or Tranches may be presented or surrendered for any or all of such purposes specified above and may constitute and appoint one or more Paying Agents for the payments of such Notes, in one or more other cities, and may from time to time rescind such designations and appointments; provided, however, that no such designation, appointment or rescission shall in any matter relieve the Issuer of its obligations to maintain an office or agency in each Place of Payment for Notes of any Series, Class or Tranche for such purposes. The Issuer will give prompt written notice to the Indenture Trustee of any such designation or rescission and of any change in the location of any such other office or agency. Unless and until the Issuer rescinds one or more of such appointments, the Issuer hereby appoints the Indenture Trustee, at its principal office, as its Paying Agent in Toronto, Ontario with respect

to all Series, Classes and Tranches of Notes having a Place of Payment in the City of Toronto, Ontario.

13.04 Legal Existence

The Issuer will do or cause to be done all things necessary to preserve and keep in full force and effect its legal existence and maintain its status as a Financing Entity.

13.05 Separateness Covenants

The Issuer will take all reasonable steps to maintain the Issuer's identity as a distinct entity with assets and liabilities distinct from those of the Manager or the Administrative Agent and any of their respective Affiliates. Without limiting the generality of the foregoing and in addition to the other covenants set forth herein, the Issuer shall:

(a) not identify the offices of the Manager or the Administrative Agent or any Affiliate thereof as its offices (by signage or otherwise);

(b) not identify the telephone number of the Manager or the Administrative Agent as its telephone number and it will not utilize the stationery, invoices or cheques of the Manager or the Administrative Agent;

(c) conduct all transactions with the Manager or the Administrative Agent strictly on an arm's length basis and in good faith, allocate all overhead expenses for items shared between the Issuer and the Manager or the Administrative Agent on the basis of actual use to the extent practicable and, to the extent such allocation is not practicable, on a basis reasonably related to actual use;

(d) conduct its affairs strictly in accordance with the Declaration of Trust, and observe all necessary, appropriate and trust formalities;

(e) maintain the Issuer's books and records separate from those of the Manager or the Administrative Agent or any Affiliate thereof and otherwise readily identifiable as its own assets rather than assets of the Manager, the Administrative Agent or any Affiliate thereof;

(f) prepare its financial statements separately from those of the Manager or the Administrative Agent and ensure that any consolidated financial statements of the Manager or the Administrative Agent that include the Issuer have notes clearly stating that the Issuer is a separate entity;

(g) only maintain bank accounts or other depository accounts to which the Issuer alone is the account party (or where the Issuer Trustee or the Indenture Trustee will maintain them on behalf of the Issuer), and from which only the Issuer or its agent has the power to make withdrawals;

(h) pay all of the Issuer's operating expenses from the Issuer's own assets;

(i) continuously maintain the resolutions, agreements and other instruments of the Issuer underlying the transactions described in the Program Agreements as official records of the Issuer separately identified and held apart from the records of the Manager or the Administrative Agent;

(j) maintain its property in such a manner that it is not costly or difficult to segregate, ascertain or otherwise identify its individual assets from or against those of the Manager, the Administrative Agent or any Affiliate thereof;

(k) not become liable to any Person for any obligations of the Manager, the Administrative Agent or any Affiliate thereof; and

(l) pay all of its operating expenses from its own property.

13.06 Compliance with Laws

The Issuer will comply with the requirements of all applicable laws, the noncompliance with which would, individually or in the aggregate, materially and adversely affect the ability of the Issuer to perform its obligations under the Program Agreements.

13.07 Performance of Obligations

The Issuer will punctually perform and observe all of its obligations and agreements contained in this Indenture, the Declaration of Trust and in the instruments and agreements (including but not limited to, the Master Transfer and Servicing Agreement) relating to the Collateral, including but not limited to filing or causing to be filed all PPSA financing statements and amendments thereto required to be filed by the terms of this Indenture in accordance with and within the time periods provided for herein. **[If the Issuer is required to distribute net income in accordance with the Declaration of Trust at any time that it is restricted from distributing funds pursuant to any other provision of this Indenture, the Issuer shall distribute such net income by the issuance of additional units to its unitholders in accordance with the Declaration of Trust.]**

13.08 Funding Obligations

The Issuer will ensure that all indebtedness is incurred pursuant to and in accordance with Article V.

13.09 Financial Statements

The Issuer will deliver or cause to be delivered to the Indenture Trustee and the Rating Agencies within 140 days after the end of each fiscal year audited financial statements of the Issuer for the fiscal year, including the balance sheet and statements of income, retained earnings and changes in financial position of the Issuer and within 90 days after the end of each fiscal quarter, other than the fiscal quarter of the Issuer ending on the fiscal year end of the Issuer, unaudited financial statements of the Issuer for such fiscal quarter of the Issuer, including the balance sheet and statements of income, retained earnings and changes in financial position of the Issuer.

13.10 Statement as to Compliance

The Issuer will deliver to the Indenture Trustee and the Rating Agencies, on or before **[March 31]** of each year, beginning in 2018, a written statement signed by a Responsible Officer of the Issuer stating that:

(a) a review of the activities of the Issuer during the prior year and of the Issuer's performance under this Indenture and under the terms of the Notes has been made under such Authorized Officer's supervision; and

(b) to the best of such Authorized Officer's knowledge, based on such review, the Issuer has complied in all material respects with all conditions and covenants under this Indenture throughout such year, or, if there has been a material default in the fulfillment of any such condition or covenant (without regard to any grace period or requirement of notice), specifying each such default known to such Authorized Officer and the nature and status thereof.

13.11 Monthly Specified Creditor Statement

On each Payment Date, the Issuer will, in cooperation with the Manager, complete and deliver to the Indenture Trustee and the Paying Agent (with a copy to each Rating Agency), a Monthly Specified Creditor Statement.

13.12 Payment Instruction

Promptly after the receipt by the Issuer of each Monthly Report under the Master Transfer and Servicing Agreement, the Issuer will, in cooperation with the Manager, complete the Payment Instruction and deliver a copy thereof to the Indenture Trustee and the Paying Agent (if such Paying Agent is not the Indenture Trustee).

13.13 Notice of Events of Default

The Issuer agrees to give the Indenture Trustee and the Rating Agencies prompt written notice of each Event of Default hereunder and each breach on the part of the Issuer or the Servicer of its respective obligations under the Master Transfer and Servicing Agreement and any default of a Derivative Counterparty.

13.14 Issuer To Furnish Indenture Trustee Names and Addresses of Specified Creditors

The Issuer will furnish or cause to be furnished to the Indenture Trustee:

(a) not more than 15 days after each Record Date, in such form as the Indenture Trustee may reasonably require, a list of the names and addresses of the Registered Noteholders of such Series, Classes or Tranches as of such date, and

(b) at such other times as the Indenture Trustee may request in writing, within 30 days after the receipt by the Issuer of any such request, a list of similar form and content as of a date not more than 15 days before the time such list is furnished;

provided, however, that so long as the Indenture Trustee is the Note Registrar, no such list shall be required to be furnished. Upon written request from the Indenture Trustee, within **[30]** days after the receipt by the Issuer of any such request, the Issuer will furnish or cause to be furnished to the Indenture Trustee a list of the names and addresses of all other Specified Creditors.

13.15 Other Positive Covenants

The Issuer will:

(a) In the event that the Issuer shall be required to file tax returns, the Administrative Agent shall prepare or shall cause to be prepared such tax returns and shall provide such tax returns to the Issuer for signature at least **[five (5) Business Days]** before such tax returns are due to be filed. The Issuer, in accordance with the terms of each applicable Supplemental Indenture, shall also prepare or shall cause to be prepared all tax information required by applicable law to be distributed to any Noteholder and shall deliver such information to the Indenture Trustee at least **[5 days]** prior to the date it is required by applicable law to be distributed to any Noteholder. The Indenture Trustee, upon written request, will furnish the Administrative Agent with all such information known to the Indenture Trustee as may be reasonably requested and required in connection with the preparation of all tax returns of the Issuer, and shall, upon request, execute such returns. In no event shall the Administrative Agent, the Indenture Trustee or the Issuer Trustee be personally liable for any liabilities, costs or expenses of the Issuer or any Noteholder arising under any tax law, including without limitation, federal, state, provincial, territorial or local income or excise taxes or any other tax imposed on or measured by income (or any interest or penalty with respect thereto arising from a failure to comply therewith);

(b) pay or cause to be paid all taxes, government fees and dues levied, assessed or imposed upon the Issuer and its property or any part thereof, as and when the same become due and payable; provided that the Issuer may protest the payment of any such taxes, fees or dues if it is acting in good faith and if it either provides the Indenture Trustee with cash in an amount sufficient to satisfy the same or otherwise satisfies the Indenture Trustee that its interests are not prejudiced thereby and the Rating Agency Condition is satisfied;

(c) upon the written request of the Indenture Trustee, use reasonable commercial efforts, following any (i) termination or resignation of the Servicer, the Administrative Agent, the Manager or the Paying Agent or, in each case, any successor thereof; or (ii) termination, non-renewal or expiry of a Liquidity Agreement or a Credit Enhancement Agreement (other than, in the latter case, a termination, non-renewal or expiry which occurs because neither party thereto has any further obligation thereunder), to appoint and enter into an agreement with a successor to such Servicer, Administrative Agent, Manager or Paying Agent, or replace or renew such Liquidity Agreement or Credit Enhancement Agreement, in form and substance the same as the applicable provisions in the relevant, previously existing Program Agreement and will notify the Indenture Trustee and the Rating

13.16 Rule 144A Information

For so long as any of the Notes of any Series, Class or Tranche are "restricted securities" within the meaning of Rule 144(a)(3) under the Securities Exchange Act, the Issuer agrees to provide to any Noteholder of such Series, Class or Tranche and to any prospective purchaser of Notes designated by such Noteholder, upon the request of such Noteholder or prospective purchaser, any information required to be provided to such Noteholder or prospective purchaser to satisfy the conditions set forth in Rule 144A(d)(4) under the Securities Exchange Act.

13.17 Further Instruments and Acts

(ii) consent, if consent is required, to the resignation of (i) the Administrative Agent under the Administrative Services Agreement; or (ii) the Manager under the Management Agreement unless the Rating Agency Condition is satisfied;

(b) Subject to the provisions of the Declaration of Trust, without the consent of Debtholders or the Indenture Trustee, the Issuer Trustee may amend the Declaration of Trust so long as such amendment will not have an Adverse Effect and is not reasonably expected to have an Adverse Effect at any time in the future. Subject to the provisions of the Declaration of Trust, with the consent of Debtholders affected by such amendment, by Ordinary Resolution delivered to the Indenture Trustee, the Issuer Trustee may amend the Declaration of Trust for the purpose of adding, changing or eliminating any provisions of the Declaration of Trust or of modifying the rights of those Debtholders.

(a) The Issuer shall give the Indenture Trustee at least 30 days written notice of the Payment Date on which the Noteholders of any Series, Class or Tranche may surrender their Notes for payment of the final distribution on and cancellation of such Notes. (c) The IESO agrees and acknowledges that it holds all Servicer CEA Collections and any other proceeds in respect of the Clean Energy Adjustment received by it in trust for the benefit of the Issuer, any other owner of Investment Interests, the Indenture Trustee and the Specified Creditors and that all such amounts will be remitted by the Servicer in accordance with this Section 3.3 without any surcharge, fee, offset, charge or other deduction. The IESO further agrees not to make any claim to reduce its obligation to remit all Servicer CEA Collections received by it in accordance with this Agreement.

(d) Absent the occurrence of a Daily Remittance Event, the Issuer Share of Servicer CEA Collections received by the Servicer during a Billing Period and any interest earned thereon shall be remitted by the Servicer to the Collection Account no later than the Remittance Date immediately following such Billing Period. Following the occurrence of a Daily Remittance Event, the Issuer Share of all Servicer CEA Collections on deposit in the IESO Segregated Account and any interest earned thereon shall be remitted by the Servicer to the Collection Account on each Servicer Business Day.

(e) On or before the **[2nd]** Servicer Business Day following the end of each Billing Period, the Servicer shall prepare and deliver to the Issuer, the Indenture Trustee and the Rating Agencies a written report substantially in the form of Exhibit B (a "**Monthly Report**").

[NTD: Terminology and provisions relating to IESO payment of carrying costs during the moratorium period subject to finalization of regulations creating this obligation.]

(a) On or before the **[4th]** Servicer Business Day following the end of each calendar month in which no Clean Energy Adjustment is billed to Specified Consumers, the Issuer shall prepare and deliver to the IESO a written statement substantially in the form of Exhibit C (a "**Monthly Funding Rebate Statement**") setting out the aggregate amount of all (i) Funding Costs, (ii) Finance Reserve Deposits, (iii) Financing Entity Expenses, and (iv) Tax Liabilities (net of Tax Refunds), that were incurred by or on behalf of the Issuer during the previous calendar month ("**Monthly Funding Expenses**").

(b) On or before the **[10th]** Servicer Business Day following receipt by the IESO of the Monthly Funding Rebate Statement, the IESO shall, as required by the Regulations, deliver or cause to be delivered to the Issuer, by wire transfer in immediately available funds, an amount in Canadian dollars equal to the Monthly Funding Expenses set forth in the applicable Monthly Funding Rebate Statement (the "**Funding Rebate**").

3.5 Reporting Functions

(a) Notification of Laws and Regulations. The Servicer shall promptly notify the Issuer in writing of any Requirement of Law hereafter adopted or announced or the occurrence of any other event or circumstance that has a material adverse effect on the Servicer's ability to perform its duties and obligations under this Agreement.

(b) Other Information. Upon the reasonable request of the Issuer, the Indenture Trustee or any Rating Agency, the Servicer shall provide to the Issuer, the Indenture Trustee or such Rating Agency, as the case may be, any public financial information in respect of the Servicer, or any material information regarding the Investment Interest or the Regulatory Asset to the extent it is reasonably available to the Servicer, as may be reasonably necessary and permitted by law to enable the Issuer, the Indenture Trustee or the Rating Agencies to monitor the performance by the Servicer of its duties and obligations hereunder. In addition, the Servicer shall provide the Issuer and the Indenture Trustee, within a reasonable time after written request therefor, any information available to the Servicer or reasonably obtainable by it that is necessary to calculate the Clean Energy Adjustment.

3.6 Servicing and Maintenance Standards

The Servicer shall monitor payments and impose collection policies on Electricity Vendors with respect to Electricity Vendor CEA Collections. On behalf of the Issuer, the Servicer shall: (a) manage, service, administer, collect and receive Servicer CEA Collections with reasonable care and in material compliance with each applicable Requirement of Law, including the Act and the Regulations, using the same degree of care and diligence that the Servicer exercises with respect to the collection of other amounts from Electricity Vendors for its own account and, if applicable, for others; (b) follow standards, policies and procedures in performing its duties as Servicer that are customary for an electricity market operator and administrator that regularly performs settlement functions; (c) use all reasonable efforts, consistent with its customary servicing procedures, to receive and hold Servicer CEA Collections in trust for the benefit of the Issuer; (d) comply with each Requirement of Law, including all regulations and guidelines, applicable to and binding on it relating to its duties hereunder; and (e) provide all information to the Board as required by the Act and the Regulations. The Servicer shall follow such customary and usual practices and procedures as it shall deem necessary or advisable in its servicing of all or any portion of the Investment Asset and the Issuer Investment Interest, which may include, at the direction of the Issuer, the taking of legal action, at the Issuer's expense but subject to the priority of payments set forth in **[Section 8.02(e)]** of the Indenture. In no event shall the Issuer Investment Interest be set off at any time by the IESO or any Permitted Successor thereof in connection with any default by such Person or otherwise.

3.7 Binding Effect of Servicing Obligations

The obligations to continue to provide services and to receive and account for Servicer CEA Collections and related amounts will be binding upon the Servicer and any Permitted Successor so long as the Servicer CEA Collections have not been fully received and posted. Any Person (a) into which the Servicer may be merged, converted or amalgamated and that is a

Permitted Successor, (b) that may result from any merger, conversion or amalgamation to which the Servicer shall be a party and that is a Permitted Successor, (c) that may succeed to the properties and assets of the Servicer substantially as a whole and that is a Permitted Successor, or (d) that otherwise is a Permitted Successor, which Person in any of the foregoing cases executes an agreement of assumption to perform all of the obligations of the Servicer hereunder, shall be the successor to the Servicer under this Agreement without further act on the part of any of the parties to this Agreement; provided, however, that (i) immediately after giving effect to such transaction, no representation or warranty made pursuant to Section 4.1 shall have been breached and no Servicer Default and no event that, after notice or lapse of time, or both, would become a Servicer Default shall have occurred and be continuing, (ii) the Servicer shall have delivered to the Issuer and the Indenture Trustee an Officer's Certificate and an Opinion of Counsel from external counsel stating that such consolidation, conversion, merger or succession and such agreement of assumption complies with this Section 3.7 and that all conditions precedent, if any, provided for in this Agreement relating to such transaction have been complied with, and (iii) the Servicer shall have given to the Issuer prior written notice of such transaction. When any Person that is a Permitted Successor acquires the properties and assets of the Servicer substantially as a whole or otherwise becomes the successor, by merger, conversion, consolidation, sale, transfer, lease or otherwise, to all or substantially all the assets of the Servicer in accordance with the terms of this Section 3.7, then, upon satisfaction of all of the other conditions of this Section 3.7, the preceding Servicer shall automatically and without further notice be released from all of its obligations hereunder (except for responsibilities for its actions prior to such release).

3.8 Limitation on Liability of Servicer and Others

(a) Except as otherwise provided under this Agreement, including Section 6.1, neither the Servicer nor any of the directors, officers, employees or agents of the Servicer shall be liable to the Issuer or any other Person for any action taken or for refraining from the taking of any action pursuant to this Agreement or for good faith errors in judgment; provided, however, that this provision shall not protect the Servicer or any such Person against any liability that would otherwise be imposed by reason of negligence, recklessness or willful misconduct in the performance of duties or by reason of reckless disregard of obligations and duties under this Agreement. The Servicer and any director, officer, employee or agent of the Servicer may rely in good faith on the advice of counsel or on any document of any kind, *prima facie* properly executed and submitted by any Person, respecting any matters arising under this Agreement.

(b) Except as provided in this Agreement, the Servicer shall not be under any obligation to appear in, prosecute or defend any legal action relating to the Issuer Investment Interest that is not directly related to one of the Servicer's enumerated duties in this Agreement or related to its obligation to pay indemnification, and that in its reasonable opinion may cause it to incur any expense or liability; provided, however, that the Servicer will, at the direction of the Issuer, in respect of any Proceeding, undertake any action that is not specifically identified in this Agreement as a duty of the Servicer but that the Issuer reasonably determines is necessary or desirable in order to protect the rights and duties of the Issuer or the

Indenture Trustee under this Agreement and the interests of Specified Creditors under the Indenture.

3.9 The IESO Not to Resign as Servicer

Subject to the provisions of Section 3.7, the IESO shall not resign from the obligations and duties imposed on it as Servicer under this Agreement except upon a determination that the performance of its duties under this Agreement shall no longer be permissible under applicable Requirements of Law. Notice of any such determination permitting the resignation of the IESO as Servicer shall be communicated to the Issuer, the Indenture Trustee and each Rating Agency at the earliest practicable time (and, if such communication is not in writing, shall be confirmed in writing at the earliest practicable time), and any such determination shall be evidenced by an Opinion of Counsel to such effect delivered to the Issuer, the Indenture Trustee and each Rating Agency concurrently with or promptly after such notice. No such resignation shall become effective until a Successor Servicer that is a Permitted Successor has assumed the servicing obligations and duties hereunder of the Servicer in accordance with Section 7.2.

3.10 Appointments

(a) Subject to Section 3.10(b), the Servicer may at any time appoint any Person to perform all or any portion of its obligations as Servicer hereunder; provided, however, that the Rating Agency Condition shall have been satisfied in connection therewith; and provided, further, that the Servicer shall remain obligated and be liable under this Agreement for the servicing and administering of the Issuer Investment Interest in accordance with the provisions hereof without diminution of such obligation and liability by virtue of the appointment of such Person and to the same extent and under the same terms and conditions as if the Servicer alone were servicing and administering the Investment Interest. The fees and expenses of any such Person shall be as agreed between the Servicer and such Person from time to time, and none of the Issuer, the Indenture Trustee, Specified Creditors or any other Person shall have any responsibility therefor or right or claim thereto. Any such appointment shall not constitute a resignation of the Servicer under Section 3.9.

(b) The following matters shall be performed by the Electricity Vendors in accordance with the Act and shall not be considered an "appointment" for purposes of Section 3.10(a): (i) invoicing Specified Consumers in respect of the Clean Energy Adjustment and ancillary matters related thereto; (ii) collection from Specified Consumers of payments in respect of such invoices and remittance of such payments to the Servicer; and (iii) reporting to the Servicer the total CEA Consumer Invoice Amounts invoiced by such Electricity Vendor to its Specified Consumers in respect of the Clean Energy Adjustment, the total Electricity Vendor CEA Collections received by such Electricity Vendor and such other information the IESO may reasonably request for the purposes of determining the IESO Deferral or such further information as may be required. The Servicer shall not be responsible or liable for the performance by Electricity Vendors of their duties and responsibilities under the Act or the Regulations or in respect of the matters set out in this Section 3.10(b).

3.11 Effective Period and Termination

The Servicer's appointment as Servicer under this Agreement shall become effective as of the execution hereof and shall continue in full force and effect until the earlier of (a) the effective date of resignation of the Servicer in accordance with the provisions of this Agreement, (b) termination of all of the rights and obligations of the Servicer under Article 7, and (c) the date on which all Issuer Funding Obligations have been paid in full and all CEA Consumer Invoice Amounts have been received or written off (in each case, a "**Termination Event**"). The appointment of the Servicer as servicer under this Agreement shall be terminated effective as of the date of the Termination Event.

ARTICLE 4
REPRESENTATIONS AND WARRANTIES OF THE IESO

4.1 Representations and Warranties

Subject to Section 4.3, the IESO makes the following representations and warranties as of the date hereof and as of each applicable Closing Date, and the IESO acknowledges that the Issuer and the Indenture Trustee will rely thereon in paying the Purchase Price related to Transfers of specified portions of the Regulatory Asset, and the Issuer has relied thereon in entering into this Agreement relating to the servicing of the corresponding Investment Interests.

(b) Due Qualification. The IESO has obtained all necessary licences and approvals, in all jurisdictions in which the ownership or lease of property or the conduct of its business (including acting as Servicer under this Agreement) shall require such licences or approvals, except where the failure to so qualify or obtain such licences and approvals would not be reasonably likely to have a material adverse effect on the IESO's business, operations, assets, revenues or properties, the Regulatory Asset, the servicing of related Investment Interests, the Issuer or the repayment when due of the Funding Obligations.

(c) Power and Authority. The IESO has the requisite power and authority to execute and deliver this Agreement and to carry out its terms. The IESO has full corporate power and authority to hold the Regulatory Asset and to Transfer specified portions of the Regulatory Asset to the Issuer and the IESO has duly authorized such Transfer to the Issuer by all necessary action. (f) No Proceedings. There are no Proceedings or, to the IESO's knowledge, investigations pending or Proceedings threatened, before any Governmental Authority having jurisdiction over the IESO or its properties: (a) asserting the invalidity of this Agreement or the Act, (b) seeking to prevent the consummation of any of the transactions contemplated by this Agreement or the Act, or (c) seeking a determination or ruling that could reasonably be expected to materially and adversely affect the performance by the IESO of its obligations under, or the validity or enforceability of, this Agreement or the Act.

(g) Approvals. No approvals, authorizations, consents, orders or other actions or filings with any Governmental Authority are required for the IESO to execute, deliver and perform its obligations under this Agreement except those which have previously been obtained or made.

(ii) Each report and certificate delivered in connection with any filing made or information provided to the Board by the IESO in connection with the Act, including on behalf of the Issuer with respect to Clean Energy Adjustments, will constitute a representation and warranty by the IESO that each such report or certificate, as the case may be, is true and correct in all material respects; provided, however, that, to the extent any such report or certificate is based in part upon or contains assumptions, forecasts or other predictions of future events, the representation and warranty of the IESO with respect

thereto will be limited to the representation and warranty that such assumptions, forecasts or other predictions of future events are reasonable based upon historical performance (and facts known to the IESO on the date such report or certificate is delivered).

(i) The Transfer. On the applicable Closing Date, the specified portion of the Regulatory Asset as set forth in the applicable Transfer Notice shall be validly Transferred to the Issuer and the IESO will have no right, title or interest in the related Investment Interest and the related Investment Interest shall not form part of the estate of the IESO in the event of an Insolvency Event in respect of the IESO.

(j) No Transfer. Except pursuant to any Co-Owner Agreement, no portion of the Regulatory Asset has been sold, transferred, assigned, pledged or otherwise conveyed by the IESO to any Person other than the Issuer or the Indenture Trustee, and, to the IESO's knowledge (after due inquiry), no security agreement, financing statement or equivalent security or lien instrument listing the IESO as debtor covering all or a portion of the Regulatory Asset (or the corresponding Investment Interest upon the Transfer thereof) is on file or of record in any jurisdiction, except such as may have been filed or recorded in favour of the Issuer or the Indenture Trustee in connection with the Program Agreements.

(ii) reasonably believes that it will be able to pay its debts as they come due; and

(iii) is able to pay its debts as they mature and does not intend to incur, or believes that it will not incur, indebtedness that it will not be able to repay at its maturity.

(n) No Court Order. There is no order by any court that seeks to enjoin the performance of any obligations of the IESO under the Act or this Agreement.

4.2 Survival

The representations and warranties set forth in Section 4.1 shall survive the execution and delivery of this Agreement, each Transfer of an Investment Interest to the Issuer and the pledge thereof to the Indenture Trustee pursuant to the Indenture and may not be waived

by any party hereto except pursuant to a written agreement executed in accordance with Section 8.1 and as to which the Rating Agency Condition has been satisfied.

4.3 Limitations on Representations and Warranties

Notwithstanding anything in this Agreement to the contrary, the IESO makes no representation or warranty that the Issuer's Share of Servicer CEA Collections will be sufficient to satisfy in full the Issuer's Funding Obligations.

ARTICLE 5
COVENANTS OF THE IESO

Subject to Section 3.9, so long as any Funding Obligations are outstanding, the IESO (a) will keep in full force and effect its existence and remain validly existing under the laws of the Province of Ontario, and (b) will obtain and preserve its qualifications to do business in each jurisdiction in which such qualification is or will be necessary to protect the validity and enforceability of this Agreement and each other instrument or agreement to which the IESO is a party necessary for the proper administration of this Agreement and the transactions contemplated hereby.

any of the Program Agreements, the value of the Issuer Investment Interest, the timing or amount of Clean Energy Adjustments payable by Specified Consumers or the IESO's performance of its obligations under this Agreement; provided, however, that the foregoing is not intended to, and shall not, impose any liability on the IESO for non-compliance with any Requirement of Law that the IESO is contesting in good faith in accordance with its customary standards and procedures.

5.5 Covenants Related to the Investment Interest

(a) So long as any Issuer Funding Obligations are outstanding, the IESO shall treat the Issuer Investment Interest as the Issuer's property for all purposes.

(b) Except for passive investments held for employee benefit purposes, the IESO shall not at any time become a holder of Issuer Funding Obligations other than Funding Rebates.

(c) The IESO shall disclose the effects of all transactions between the IESO and the Issuer in accordance with generally accepted accounting principles (for government entities).

(d) The IESO agrees that upon completion of a Transfer, the IESO shall reduce the balance in the Fair Hydro Variance Account by the Purchase Price and will adjust the Regulatory Asset accordingly.

5.10 Access to Certain Records and Information Regarding Investment Interest

The IESO shall provide to the Issuer and the Indenture Trustee access to all records relating to the IESO Deferral, the Fair Hydro Variance Account, the IESO Segregated Account and Servicer CEA Collections, as is reasonably required for the Issuer and the Indenture Trustee to confirm compliance by the IESO with its obligations under this Agreement and any other Program Agreements to which the IESO is a party. ARTICLE 6
IESO INDEMNITIES

6.1 Liability of the IESO; Indemnities

(a) The IESO shall indemnify the Issuer, the Indenture Trustee (for itself and for the benefit of the Specified Creditors), the Manager, the Administrative Agent and each of their respective trustees, officers, directors, employees and agents (each, an "**Indemnified Party**"), for, and defend and hold harmless each such Person from and against, any and all liabilities, obligations, losses, damages, payments and claims, and reasonable costs or expenses, of any kind whatsoever (collectively, "**Indemnified Losses**") imposed on, incurred by or asserted against any such Person as a result of (i) the failure of the IESO to perform its covenants and other obligations under this Agreement, any Co-Owner Agreement and any other Program Agreement to which the IESO is a party; (ii) the IESO's breach of any of its representations or warranties under this Agreement, any Co-Owner Agreement and any other Program Agreement to which the IESO is a party; and (iii) any litigation and related expenses relating to the IESO's status and obligations as Servicer (other than any Proceeding the IESO is required to institute under this Agreement), except to the extent of Indemnified Losses resulting from the willful misconduct, bad faith or gross negligence of such Person seeking indemnification hereunder; provided that, in each case, the IESO shall not be required to indemnify an Indemnified Party for any amount paid or payable by such Indemnified Party in the settlement of any Proceeding or investigation without the written consent of the IESO, which consent shall not be unreasonably withheld. Promptly after receipt by an Indemnified Party of notice (or, in the case of the Indenture Trustee, receipt of notice by a Responsible Officer only) of the commencement of any Proceeding or investigation, such Indemnified Party shall, if a claim in respect thereof is to be made against the IESO under this Section 6.1(a), notify the IESO in writing of the commencement thereof. Failure by an Indemnified Party to so notify the IESO shall relieve the IESO from the obligation to indemnify and hold harmless such Indemnified Party under this Section 6.1(a) only to the extent that the IESO suffers actual prejudice as a result of such failure. With respect to any Proceeding or investigation brought by a third party for which indemnification may be sought under this Section 6.1(a), the IESO shall be entitled to conduct and control, at its expense and with counsel of its choosing that is reasonably satisfactory to such Indemnified Party, the defence of any such Proceeding or investigation (in which case the IESO shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the Indemnified Party except as set forth below); provided, that the Indemnified Party shall have the right to participate in such Proceeding or investigation through counsel chosen by it and at its own expense. Notwithstanding the IESO's election to assume the defence of any Proceeding or investigation, the Indemnified Party shall have the right to employ separate counsel, and the IESO shall bear the reasonable fees, costs and expenses of such separate counsel, if (i) the defendants in any such action include both the Indemnified Party and the IESO and the Indemnified Party shall have reasonably concluded that there may be legal defences available to it that are different from or additional to those

available to the IESO, (ii) the IESO shall not have employed counsel reasonably satisfactory to the Indemnified Party to represent the Indemnified Party within a reasonable time after notice of the institution of such action, (iii) the IESO shall authorize the Indemnified Party to employ separate counsel at the expense of the IESO, or (iv) in the case of the Indenture Trustee, such action exposes the Indenture Trustee to a material risk of criminal liability or forfeiture or a Servicer Default has occurred and is continuing. Notwithstanding the foregoing, the IESO shall not be obligated to pay for the fees, costs and expenses of more than one separate counsel for the Indemnified Parties other than one local counsel, if appropriate. The IESO will not, without the prior written consent of the Indemnified Party, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim or Proceeding in respect of which indemnification may be sought under this Section 6.1(a) (whether or not the Indemnified Party is an actual or potential party to such claim or action) unless such settlement, compromise or consent includes an unconditional release of the Indemnified Party from all liability arising out of such claim or Proceeding.

(b) For purposes of Section 6.1(a), in the event of the termination of the rights and obligations of the IESO (or any successor thereto pursuant to Section 3.7) as Servicer pursuant to Section 7.1, or a resignation by such Servicer pursuant to this Agreement, the IESO shall be deemed to be the Servicer pending appointment of a Successor Servicer pursuant to Section 7.2.

(c) Indemnification under Section 6.1(a) shall include reasonable out-of-pocket fees and expenses of investigation and litigation (including reasonable legal fees and expenses), except as otherwise expressly provided in this Agreement.

(d) Indemnification under this Section 6.1 shall survive any repeal of, modification of, or supplement to, or judicial invalidation of, the Act and shall survive the resignation or removal of the Indenture Trustee or the termination of this Agreement and will rank *pari passu* with other general, unsecured obligations of the IESO. Other than provided in the preceding sentence, the IESO shall not indemnify any party under this Section 6.1 for any changes in law after the date hereof, whether such changes in law are effected by means of any legislative enactment or any final and non-appealable judicial decision.

(e) Except to the extent expressly provided in this Agreement (including the payment of the Purchase Price), the IESO hereby releases and discharges the Issuer and the Indenture Trustee, and each of their respective trustees, officers, directors and agents (collectively, the "**Released Parties**"), from any and all actions, claims and demands whatsoever, whenever arising, which the IESO, in its capacity as Servicer or otherwise, shall or may have against any such Person relating to the Investment Interest or the IESO's activities with respect thereto, other than any actions, claims and demands arising out of the willful misconduct, bad faith or gross negligence of the Released Parties.

ARTICLE 7
SERVICER DEFAULT

7.1 Servicer Default

If any one or more of the following events (each, a "**Servicer Default**") shall occur and be continuing:

(a) any failure by the Servicer to remit to the Collection Account on behalf of the Issuer any required remittance that shall continue unremedied for a period of **[two/three][NTD: Rating Agencies will expect 2-3 days]** Business Days after written notice of such failure is received by the Servicer from the Issuer (with a copy to the Indenture Trustee) or the Indenture Trustee or after discovery of such failure by a Responsible Officer of the Servicer;

(b) any failure on the part of the Servicer or, so long as the Servicer is the IESO, any failure on the part of the IESO, as the case may be, duly to observe or to perform in any respect any covenants or agreements of the Servicer or the IESO, as the case may be, set forth in this Agreement (other than as provided in Section 7.1(a)) or any other Program Agreement to which it is a party, which failure shall (i) materially and adversely affect the rights of the Specified Creditors and (ii) continue unremedied for a period of 30 days after the date on which (A) written notice of such failure, requiring the same to be remedied, shall have been given to the Servicer or the IESO, as the case may be, by the Issuer (with a copy to the Indenture Trustee) or to the Servicer or the IESO, as the case may be, by the Indenture Trustee or (B) such failure is discovered by a Responsible Officer of the Servicer;

(c) any representation or warranty made by the Servicer in this Agreement, any other Program Agreement or in any Monthly Report, shall prove to have been incorrect when made, which has a material adverse effect on the Issuer, the Indenture Trustee or any other Specified Creditor and which remains unremedied for a period of 30 days after the date on which (i) written notice thereof, requiring the same to be remedied, shall have been delivered to the Servicer (with a copy to the Indenture Trustee) by the Issuer or the Indenture Trustee or (ii) such failure is discovered by a Responsible Officer of the Servicer;

(d) an Insolvency Event occurs with respect to the Servicer or the IESO;

(e) any additional "Servicer Default" as specified in any Co-Owner Agreement occurs; or

(f) the termination or withdrawal of the "Servicing Guarantee" under the Provincial Protection and Assurances Agreement. **[NTD: Subject to finalization of the Provincial Protection and Assurances Agreement.]**

then, and in each and every case, the Indenture Trustee shall, upon the instruction of the Specified Creditors evidencing a majority of the Outstanding Amount of the Issuer's Funding Obligations,

subject to the terms of any Co-Owner Agreement, by notice then given in writing to the Servicer (and to the Indenture Trustee if given by the Specified Creditors) (a "**Termination Notice**"), terminate all the rights and obligations (other than the obligations set forth in Section 6.1 and the obligation under Section 7.2 to continue performing its functions as Servicer until a Successor Servicer is appointed) of the Servicer under this Agreement and under the Co-Owner Agreement. In addition, upon a Servicer Default described in Section 7.1(a), the Specified Creditors and the Indenture Trustee (or any of their representatives) shall be entitled to apply to a court of appropriate jurisdiction for an order for sequestration and payment of revenues arising with respect to the Investment Interest. On or after the receipt by the Servicer of a Termination Notice, all authority and power of the Servicer under this Agreement, whether with respect to the Investment Interest, the Clean Energy Adjustments or otherwise, shall, without further action, pass to and be vested in such Successor Servicer as may be appointed under Section 7.2; and, without limitation, the Indenture Trustee is hereby authorized and empowered to execute and deliver, on behalf of the predecessor Servicer, as attorney-in-fact or otherwise, any and all documents and other instruments, and to do or accomplish all other acts or things necessary or appropriate to effect the purposes of such Termination Notice, whether to complete the transfer of all documents and records related to the Regulatory Asset, the IESO Deferral, the Fair Hydro Variance Account and related documents or records, or otherwise (the "**Records**"). The predecessor Servicer shall cooperate with the Successor Servicer, the Issuer and the Indenture Trustee in effecting the termination of the responsibilities and rights of the predecessor Servicer under this Agreement, including the transfer to the Successor Servicer for administration by it of all Records and all cash amounts that shall at the time be held by the predecessor Servicer for remittance, or shall thereafter be received by it with respect to the Investment Interest or the Clean Energy Adjustment. As soon as practicable after receipt by the Servicer of such Termination Notice, the Servicer shall deliver the Records to the Successor Servicer. If a Successor Servicer has been appointed as a result of a Servicer Default, all reasonable costs and expenses (including reasonable legal fees and expenses) incurred in connection with transferring the Records to the Successor Servicer and amending this Agreement and any Co-Owner Agreement to reflect such succession as Servicer pursuant to this Section 7.1 shall be paid by the predecessor Servicer upon presentation of reasonable documentation of such costs and expenses. Termination of the IESO as Servicer shall not terminate the IESO's rights or obligations under this Agreement (except rights thereunder deriving from its rights as the Servicer hereunder).

7.2 Appointment of Successor Servicer

(a) Upon the Servicer's receipt of a Termination Notice pursuant to Section 7.1 or the Servicer's resignation or removal in accordance with the terms of this Agreement, the predecessor Servicer shall continue to perform its functions as Servicer under this Agreement, until a Successor Servicer shall have assumed in writing the obligations of the Servicer hereunder as described below. In the event of the Servicer's removal or resignation hereunder, the Indenture Trustee may, and at the written direction and with the consent of the Specified Creditors evidencing a majority of the Outstanding Amount of the Issuer's Funding Obligations shall, but subject to the provisions of the applicable Co-Owner Agreement, appoint a Successor Servicer with the Issuer's prior written consent thereto (which consent shall not be unreasonably withheld), and the Successor Servicer shall accept its appointment by a written assumption in form reasonably acceptable to the Issuer.

If, within 30 days after the delivery of the Termination Notice, a Successor Servicer shall not have been appointed, the Indenture Trustee may, at the direction of Specified Creditors evidencing a majority of the Outstanding Amount of the Issuer's Funding Obligations, petition a court of competent jurisdiction to appoint a Successor Servicer under this Agreement. A Person shall qualify as a Successor Servicer only if (i) such Person is permitted under the Act to perform the duties of the Servicer, (ii) the Rating Agency Condition shall have been satisfied with respect to such appointment, (iii) such Person enters into a master transfer and servicing agreement with the Issuer having substantially the same provisions as this Agreement and (iv) such Person agrees to perform the obligations of the Servicer under any Co-Owner Agreement. In no event shall the Indenture Trustee be liable for its appointment of a Successor Servicer. The Indenture Trustee's expenses incurred under this Section 7.2(a) shall be at the sole expense of the Issuer and payable from the Collection Account as provided in **[Section 8.02]** of the Indenture.

(b) Upon appointment, the Successor Servicer shall be the successor in all respects to the predecessor Servicer and shall be subject to all the responsibilities, duties and liabilities arising thereafter placed on the predecessor Servicer and shall be entitled to all the rights granted to the predecessor Servicer by the terms and provisions of this Agreement.

7.3 Waiver of Past Defaults

The Indenture Trustee, with the written consent of Specified Creditors evidencing a majority of the Outstanding Amount of the Issuer's Funding Obligations, may waive in writing any default by the Servicer in the performance of its obligations hereunder and its consequences, except a default in making any required deposits to the Collection Account in accordance with this Agreement. Upon any such waiver of a past default, such default shall cease to exist, and any Servicer Default arising therefrom shall be deemed to have been remedied for every purpose of this Agreement. No such waiver shall extend to any subsequent or other default or impair any right consequent thereto.

7.4 Notice of Servicer Default

The Servicer shall deliver to the Issuer, the Manager, the Indenture Trustee and the Rating Agencies promptly after having obtained knowledge thereof, but in no event later than five Business Days thereafter, written notice of any event that, with the giving of notice or lapse of time, or both, would become a Servicer Default under Section 7.1.

7.5 Cooperation with Successor Servicer

The Servicer covenants and agrees with the Issuer that it will, on an ongoing basis, cooperate with the Successor Servicer and provide whatever information is, and take whatever actions are, reasonably necessary to assist the Successor Servicer in performing its obligations hereunder.

ARTICLE 8

(b) Prior to the execution of any amendment to this Agreement, the Issuer and the Indenture Trustee shall be entitled to receive and rely upon an Opinion of Counsel, which counsel may be an employee of or counsel to the Issuer or the IESO and which shall be reasonably satisfactory to the Indenture Trustee, or, in the Indenture Trustee's sole judgment, external counsel of the IESO stating that the execution of such amendment is authorized and permitted by this Agreement and that all conditions precedent provided for in this Agreement relating to such amendment have been complied with. 8.3 Assignment

Notwithstanding anything to the contrary contained herein, except as provided in the provisions of this Agreement concerning the resignation of the Servicer, this Agreement may not be assigned by the IESO.

8.4 Limitations on Rights of Third Parties

The provisions of this Agreement are solely for the benefit of the IESO, the Issuer and, to the extent provided herein or in the other Program Agreements, the Indenture Trustee (for its own benefit and for the benefit of the Specified Creditors) and the other Persons expressly referred to herein, and such Persons shall have the right to enforce the relevant provisions of this Agreement. Nothing in this Agreement, whether express or implied, shall be construed to give to any other Person any legal or equitable right, remedy or claim in the Issuer Investment Interest or under or in respect of this Agreement or any covenants, conditions or provisions contained herein.

8.5 Severability

Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remainder of such provision (if any) or the remaining provisions hereof (unless such construction shall be unreasonable), and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

8.6 Separate Counterparts; Electronic Delivery

This Agreement may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute but one and the same instrument. Delivery of an executed signature page to this

Agreement by a party by electronic transmission will be as effective as delivery of a manually executed copy of this Agreement by such party.

8.7 Governing Law

This Agreement shall be construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein, and each party to this Agreement attorns to the non-exclusive jurisdiction of the courts of the Province of Ontario.

8.8 Assignment to Indenture Trustee

The IESO hereby acknowledges and consents to any mortgage, pledge, assignment and grant of a security interest by the Issuer to the Indenture Trustee pursuant to the Indenture for the benefit of the Specified Creditors of all right, title and interest of the Issuer in, to and under this Agreement, the Investment Interest and the proceeds thereof and the assignment of any or all of the Issuer's rights hereunder to the Indenture Trustee for the benefit of the Specified Creditors. In no event shall the Indenture Trustee have any liability for the representations, warranties, covenants, agreements or other obligations of the Issuer hereunder or in any of the certificates delivered pursuant hereto, as to all of which any recourse shall be had solely to the assets of the Issuer subject to the availability of funds therefor under Section **[8.02]** of the Indenture.

8.9 Limitation of Liability of Indenture Trustee

It is expressly understood and agreed by the parties hereto that this Agreement is executed and delivered by the Indenture Trustee, not individually or personally but solely as Indenture Trustee on behalf of the Specified Creditors, in the exercise of the powers and authority conferred and vested in it. The Indenture Trustee in acting hereunder is entitled to all rights, benefits, protections, immunities and indemnities accorded to it under the Indenture.

8.10 Limitation of Liability of the Issuer Trustee

(a) It is expressly understood and agreed by the parties hereto that the Issuer Trustee is acting solely in its capacity as trustee of the Issuer, and not in any other capacity. The Issuer solely shall be responsible for the performance of the Issuer's obligations hereunder and the assets of the Issuer solely shall be subject to levy or execution in satisfaction of such obligations.

(b) The Issuer Trustee will not be subject to any liability whatsoever, in tort, in contract or otherwise, in connection with the Issuer's property or the Issuer's activities, to the Issuer's beneficiaries or to any other Person, for any action taken or permitted by the Issuer Trustee to be taken, or the Issuer Trustee's failure to compel in any way any former or acting Issuer Trustee to redress any breach of trust with respect to the execution of the duties of its office or in respect of the Issuer's property or the Issuer's activities, provided that the foregoing limitation will not apply in respect of action or failure to act arising from or in connection with dishonesty, bad faith, willful misconduct, gross negligence or reckless disregard of a duty by the Issuer Trustee. The Issuer Trustee, in doing anything or permitting anything to be done in respect of the execution of the duties of its office or in respect of the Issuer's

property or the Issuer's activities, is, and will be conclusively deemed to be, acting as trustee of the Issuer and not in any other capacity. Except as to the extent provided in this Section 8.10, the Issuer Trustee will not be subject to any liability for any debts, liabilities, obligations, claims, demands, judgments, costs, charges or expenses against or with respect to the Issuer, arising out of anything done or permitted by it to be done or its failure to take any action in respect of the execution of the duties of its office or for or in respect of the Issuer's property or the Issuer's activities and resort will be had solely to the Issuer's property for the payment or performance thereof. No property or assets of the Issuer Trustee owned in its personal capacity will be subject to levy, execution or other enforcement procedure with regard to any obligation under this Agreement.

(c) The holders of the units of the Issuer will not be subject to any liability whatsoever, in tort, in contract or otherwise, in connection with the Issuer's property or the Issuer's activities, to the Issuer's beneficiaries or to any other Person, for any action taken or permitted by it to be taken. The holders of the units of the Issuer will not be subject to any liability for any debts, liabilities, obligations, claims, demands, judgments, costs, charges or expenses against or with respect to the Issuer, arising out of anything done or permitted by it to be done or its failure to take any action in respect of the execution of the duties of its office or for or in respect of the Issuer's property or the Issuer's activities and resort will be had solely to the Issuer's property for the payment or performance thereof. No property or assets of the holders of the units of the Issuer owned in their personal capacity will be subject to levy, execution or other enforcement procedure with regard to any obligation under this Agreement.

8.11 Waivers

Any term or provision of this Agreement may be waived, or the time for its performance may be extended, by the party or parties entitled to the benefit thereof; provided, however, that no such waiver delivered by the Issuer shall be effective unless the Indenture Trustee has given its prior written consent thereto. Any such waiver shall be validly and sufficiently authorized for the purposes of this Agreement if, as to any party, it is authorized in writing by an authorized representative of such party, with prompt written notice of any such waiver to be provided to the Rating Agencies. The failure of any party hereto to enforce at any time any provision of this Agreement shall not be construed to be a waiver of such provision, nor in any way to affect the validity of this Agreement or any part hereof or the right of any party thereafter to enforce each and every such provision. No waiver of any breach of this Agreement shall be held to constitute a waiver of any other or subsequent breach.

8.12 Indenture Trustee Actions

In acting hereunder, the Indenture Trustee shall have the rights, protections and immunities granted to it under the Indenture.

8.13 Issuer Trustee

In acting hereunder, the Issuer Trustee shall have the rights, protections and immunities granted to it under the Declaration of Trust.

5.1 Standard of Care

The Manager will perform its duties hereunder (including, for so long as it is the Financial Services Manager, its duties as Financial Services Manager under the Act and the Regulations) diligently and in conformity with the Issuer's obligations under the Program Agreements and with the Act and the Regulations, as applicable, and honestly, in good faith and in the best interests of the Issuer and, in connection therewith, will exercise the degree of care, diligence and skill that a reasonably prudent Person would exercise in comparable circumstances (the "**Standard of Care**"). In carrying out its obligations hereunder, the Manager may rely upon the opinion or advice of or information obtained from any counsel, auditor, valuer or certificates from officers of any of the other parties to Program Agreements. Unless otherwise required by applicable law, the Manager will not be required to give bond, surety or security in any jurisdiction for the performance of any duties or obligations hereunder. The Manager will not be required to devote its entire time to its duties hereunder. Notwithstanding anything else to the contrary herein contained, nothing herein shall be interpreted or construed as an obligation of or on the part of the Manager, and the Manager shall not be liable or obligated, to pay or make any payment of, on or in respect of any debt, liability or obligation of the Issuer (including any payment of, on or in respect of any Issuer Funding Obligations or under any other Program Agreement), as agent for or on behalf of the Issuer or otherwise, except from the monies or funds of the Issuer which are made available to the Manager pursuant to this Agreement or the other Program Agreements for the purpose of such payment.

5.2 Compliance with Program Agreements; Conformity with Law

The Manager acknowledges that it has received copies of the Program Agreements, the Act and the Regulations in effect on the date hereof and is familiar with and understands the duties of the respective parties thereto or governed thereby, including those duties of the Issuer which are being delegated to the Manager hereunder. Notwithstanding anything herein to the contrary, the Manager shall perform its duties hereunder in a manner consistent with any applicable provisions of the Program Agreements in effect from time to time, and the Manager will not, in performing its obligations hereunder, take any action which it knows or ought reasonably to know would cause it or the Issuer to be in violation of any law, rule or regulation applicable to it. The Manager will use reasonable commercial efforts to comply with the terms applicable to the Issuer when acting on its behalf under all Program Agreements and will use reasonable commercial efforts in accordance with its Standard of Care to take such actions as would reasonably be expected to result in the representations and warranties given by the Issuer in any Program Agreement being true and correct in all material respects when made.

5.3 Liabilities

Except as provided in Section 5.6,

(a) the Manager will not be liable for any liabilities of the Issuer; and

(b) subject to the payment priorities specified in the Program Agreements, the Issuer agrees to indemnify, defend and hold harmless the Manager from and against any and all liabilities which may be imposed on, incurred by or assessed against the Manager as a result of any act or omission of the Issuer or the Manager under this Agreement or under any Program Agreement; provided that this Section 5.3(b) does not apply to the extent that in any circumstances there has been wilful misconduct or gross negligence of the Manager or its respective officers, employees or agents or any failure to comply with the Standard of Care.

To the extent that a liability is attributable solely to a single Series or a number of specific Series of Issuer Funding Obligations, the Manager will first exhaust its recourse against the assets available for recovery of such liability and designated to such Series of Issuer Funding Obligations. If such assets are insufficient to satisfy the indemnity set out in this Section 5.3, or if the liability is not attributable to a single Series or a number of specific Series of Issuer Funding Obligations, the liability will be satisfied on a pro rata basis as among the assets available for recovery of such liability and designated to all Issuer Funding Obligations.

Each party expressly disclaims any intention to create a partnership, and neither the Issuer nor the Manager will be deemed to be carrying on business in partnership by reason of its execution and delivery of this Agreement or the exercise or performance by it of its respective rights and obligations hereunder.

5.4 Compensation of the Manager

In consideration of and as compensation for all services provided and duties performed by the Manager pursuant to this Agreement, and so long as the Financial Services

Manager is also the Manager, all services provided and duties performed by the Financial Services Manager, the Issuer will pay to the Manager, subject to the payment priorities specified in the Program Agreements, the Management Fees. The Management Fees are exclusive of any applicable sales taxes and the Issuer shall pay to the Manager the amount of any applicable sales taxes in addition to such fees.

5.5 Compensation of the Issuer

In consideration of the Issuer engaging in the activities contemplated by the Act, the Manager will pay to the Issuer, on a monthly basis, the sum of $10 per month for any month or part thereof that the Issuer is engaged in such activities (the "**Issuer Compensation**"). The Issuer Compensation is exclusive of any applicable sales taxes and the Manager shall pay to the Issuer the amount of any applicable sales taxes in addition to the Issuer Compensation.

5.6 Indemnification by Manager

(a) The Manager shall indemnify the Issuer and defend and hold harmless the Issuer from and against, any and all liabilities, obligations, losses, damages, payments and claims, and reasonable costs or expenses, of any kind whatsoever (collectively, "**Indemnified Losses**") imposed on, incurred by or asserted against the Issuer, as a result of (i) the failure of the Manager to perform its covenants and other obligations under this Agreement or any other Program Agreement to which the Manager is a party; or (ii) the breach by the Manager of any of its representations or warranties under this Agreement or any other Program Agreement to which the Manager is a party and, except to the extent of Indemnified Losses resulting from the willful misconduct, bad faith or gross negligence of the Issuer, seeking indemnification hereunder; provided that, in each case, the Manager shall not be required to indemnify the Issuer for any amount paid or payable by the Issuer in the settlement of any Proceeding or investigation without the written consent of the Manager, which consent shall not be unreasonably withheld or delayed. Promptly after receipt by the Issuer of notice of the commencement of any Proceeding or investigation, the Issuer shall, if a claim in respect thereof is to be made against the Manager under this Section 5.6(a), notify the Manager in writing of the commencement thereof. Failure by the Issuer to so notify the Manager shall relieve the Manger from the obligation to indemnify and hold harmless the Issuer under this Section 5.6(a) only to the extent that the Manager suffers actual prejudice as a result of such failure. With respect to any Proceeding or investigation brought by a third party for which indemnification may be sought under this Section 5.6(a), the Manager shall be entitled to conduct and control, at its expense and with counsel of its choosing that is reasonably satisfactory to the Issuer, the defence of any such Proceeding or investigation (in which case the Manager shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the Issuer except as set forth below); provided, that the Issuer shall have the right to participate in such Proceeding or investigation through counsel chosen by it and at its own expense. Notwithstanding the Manager's election to assume the defence of any Proceeding or investigation, the Issuer shall have the right to employ separate counsel, and the Manager shall bear the reasonable fees, costs and expenses of such separate

counsel, if (i) the defendants in any such action include both the Issuer and the Manager and the Issuer shall have reasonably concluded that there may be legal defences available to it that are different from or additional to those available to the Manager, (ii) the Manager shall not have employed counsel reasonably satisfactory to the Issuer to represent the Issuer within a reasonable time after notice of the institution of such action, (iii) the Issuer shall have been advised by counsel to the Issuer that there may be a conflict of interest between the Manager and the Issuer, or (iv) the Manager authorizes the Issuer to employ separate counsel at the expense of the Manager. Notwithstanding the foregoing, the Manager shall not be obligated to pay for the fees, costs and expenses of more than one separate counsel for the Issuer other than one local counsel, if appropriate. The Manager will not, without the prior written consent of the Issuer, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim or Proceeding in respect of which indemnification may be sought under this Section 5.6(a) (whether or not the Issuer is an actual or potential party to such claim or action) unless such settlement, compromise or consent includes an unconditional release of the Issuer from all liability arising out of such claim or Proceeding

(b) Indemnification under Section 5.6(a) shall survive any repeal of, modification of, or supplement to, or judicial invalidation of, the Act and shall survive the termination of this Agreement and will rank pari passu with other general, unsecured obligations of the Manager.

(c) Notwithstanding anything contained in this Agreement, it is expressly understood that the Manager is not agreeing to indemnify or hold the Issuer harmless with respect to any of the following:

(i) any losses resulting from any breach or failure to perform by the Manager caused by a breach or failure to perform on the part of any other third party under any Program Agreement, the Act or the Regulations; provided that this Section 5.6(c)(i) shall not apply to limit the liability of the Manager in respect of any delegation to a third party as provided for in Section 4.7.

(ii) any losses resulting from changes in law after the date hereof, whether such changes in law are effected by means of any legislative enactment or any final and non-appealable judicial decision, other than losses resulting solely from the Manager's failure to comply with Section 4.1(a)(xiv);

(iii) any losses resulting from the validity of the Change of Law Protection Agreement or the applicability thereof to the Province, the Issuer or the Indenture Trustee or any material part thereof being disaffirmed by or on behalf of the Province; or

(iv) any liability of the Issuer incurred after the termination of this Agreement unless attributable to the actions or omissions of the Manager prior to such

termination or in respect of a representation, warranty or covenant of the Manager that survives termination of this Agreement.

(d) To the fullest extent permitted by applicable law, no Specified Creditor (other than the Indenture Trustee) will have any right to institute any proceeding, judicial or otherwise, or to make any claim for indemnification, with respect to this Agreement, or for the appointment of a receiver or trustee or similar official, or for any other remedy hereunder, except in accordance with Section 8.12 of the Indenture.

(e) The parties hereto agree that the Manager is not providing any representations, warranties or covenants in this Agreement, and shall have no liability to the Issuer, with respect to the collectability of the Clean Energy Adjustment or the Carrying Costs, or that the Clean Energy Adjustment amounts or Carrying Costs collected will be sufficient to satisfy the Issuer Funding Obligations.

(f) Notwithstanding anything contained in this Agreement, it is expressly understood that the Manager is not agreeing to indemnify or hold harmless the Issuer Trustee with respect to any liabilities resulting from the failure of the Issuer Trustee to satisfy the standard of care set out in the Declaration of Trust. Where the Manager has assumed total defense of a claim, it shall agree to ensure that any settlement of such claim does not include any form of admission of liability on the part of the Issuer Trustee (in its personal capacity).

5.7 Contracting with Itself and Affiliates

In the exercise of its rights, duties and obligations, the Manager may, if it is acting in good faith, enter into, as Manager for the Issuer, agreements and other contracts to which the Manager, in its personal capacity, or an Affiliate of the Manager, is a party.

ARTICLE 6
REPRESENTATIONS AND WARRANTIES

6.1 Representations of the Issuer

The Issuer represents and warrants to the Manager that (a) the execution, delivery and performance by the Issuer of this Agreement are within the powers of the Issuer and have been duly authorized by all necessary action on the part of the Issuer and do not contravene (i) the Program Agreements in effect on the date hereof or (ii) any law or contractual restriction binding on or affecting the Issuer and (b) this Agreement is a legal, valid and binding obligation of the Issuer, enforceable against the Issuer.

legal, valid and binding obligation of the Manager enforceable against the Manager and (c) it is a resident of Canada for purposes of the *Income Tax Act* (Canada).

ARTICLE 7
TERMINATION AND RESIGNATION

7.1 Termination

The Manager shall not be entitled to resign as manager of the Issuer or to terminate this Agreement for so long as any Funding Obligations remain outstanding. The Manager's rights and obligations under this Agreement (other than under Sections 5.3, 5.4, 5.6 and 8.5) will terminate, if the Manager receives a termination notice from (i) the Issuer Trustee, with the consent of the Indenture Trustee, or (ii) the Indenture Trustee, subject to the terms and conditions of the Indenture, in each case, on the 30th day after receipt of such notice. Notwithstanding the foregoing, no termination shall be effective until a replacement manager that satisfies the Rating Agency Condition has been approved and has entered into a management agreement whereby the replacement manager agrees to assume, in substance, the obligations of the Manager hereunder. Upon the termination of its rights and obligations under this Agreement, the Manager will notify the Rating Agencies and, promptly and upon the request of the Issuer, deliver to the Issuer all records (including Investment Interest Records) in the possession of the Manager relating to the performance of its services hereunder.

ARTICLE 8
MISCELLANEOUS

8.1 Acknowledgement of Indenture

The Manager (i) acknowledges and agrees in favour of the Indenture Trustee that it is a Specified Creditor under the Indenture and its entitlements as a Specified Creditor are subject to the provisions applicable to Specified Creditors under the Indenture including, without limitation, Sections 7.04 through 7.11 and 8.13 (Payment Priorities), Section 7.12 (Payments Held in Trust), Section 8.11 (Control by Controlling Class Creditors), Section 8.12 (Limitation on Suits), Section 8.14 (Limited Recourse), Article IX (Indenture Trustee) (including all limitations of liability thereunder), Section 9.14 (Communications to Specified Creditors) and Section 16.01 (No Petition) of the Indenture; (ii) irrevocably authorizes and directs the Indenture Trustee on its behalf to take such action (including the execution and delivery of documents of subordination) as may be necessary or appropriate to further assure the priority arrangements provided for in Article VI, Article VII and Section 8.13 of the Indenture, and appoints the Indenture Trustee as its agent for any and all such purposes; and (iii) consents, requests and authorizes the Issuer and the Indenture Trustee to (X) add the Manager (or its agent) to the register of Specified Creditors described in Section 13.13 of the Indenture and (Y) disseminate the notice details of the Manager to other Specified Creditors for the purposes set out in subsection 9.14(b) of the Indenture.

8.2 Appointment of Manager as Attorney-in-Fact

Subject to any Program Agreement, the Issuer hereby irrevocably appoints the Manager as the Issuer's attorney-in-fact during the term of this Agreement, with full authority in the place and stead of and in the name of the Issuer or otherwise, including full power of

substitution, from time to time in the Manager's discretion or as required by this Agreement, to take such actions on behalf of the Issuer as the Manager may deem necessary or advisable to comply with or effect the purposes of this Agreement and any Program Agreement including, without limitation, to execute any documents, instruments or certificates in connection therewith, to ask, demand, collect, sue for, recover, compound, receive and give acquittances and receipts for monies due or becoming due to the Issuer or otherwise owed thereto, to receive, endorse and collect any drafts or other instruments, documents and chattel paper in connection therewith, and to file any claims or take any action or institute any proceedings which the Manager may deem necessary or desirable for the collection thereof, or to enforce compliance with the terms and conditions of any Program Agreement.

8.3 Amendments and Waivers

(a) Subject to Section 8.3(b), this Agreement may be amended, supplemented, modified, restated or replaced from time to time by written instrument signed by the Issuer and the Manager. The Manager will forthwith after the execution of any such instrument by the Issuer and the Manager provide the Rating Agencies with a copy of such instrument.

(b) No provision of this Agreement may be amended, supplemented, modified, restated or replaced in any material respect without first obtaining the written consent of the Indenture Trustee in accordance with the Indenture and such amendment, supplement, modification or replacement will only be effective if the Rating Agency Condition has been satisfied.

(c) No waiver of any provision of this Agreement, nor consent to any departure by any party therefrom, shall in any event be effective unless the same shall be in writing and signed by such party and such waiver or consent, if material, will only be effective if the Rating Agency Condition has been satisfied, and then said waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. The Manager will forthwith after the execution of any waiver by the Issuer and the Manager provide the Rating Agencies with a copy of such instrument. No failure on the part of any party to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof.

8.4 Withholding Rights

The parties hereto shall be entitled to deduct and withhold from amounts payable under this Agreement such amounts as each is required to deduct and withhold with respect to such payment under the *Income Tax Act* (Canada) or any provision of any applicable federal, provincial, territorial, state, local or foreign tax law. To the extent that amounts are so withheld, such withheld amounts shall be treated for all purposes as having been paid to the recipient of the payment in respect of which such deduction and withholding was made, provided that such withheld amounts are actually remitted in accordance with applicable law to the appropriate taxing authority.

8.5 No Petition

The Manager hereby agrees that it will not, prior to the date that is one year and one day after the termination of the Indenture and payment in full of the Issuer Funding Obligations and any other amounts owed under the Indenture, institute or encourage against the Issuer, or join or acquiesce in any institution against the Issuer of, any bankruptcy, reorganization, arrangement, insolvency, winding-up or liquidation proceedings, or other proceedings under any federal or provincial bankruptcy, insolvency or similar law in connection with any obligations relating to this Agreement or any of the other Program Agreements. The foregoing shall not limit the rights of the Manager to file any claim in or otherwise take any action with respect to any insolvency proceeding that was instituted against the Issuer by any Person other than the Manager.

THE TRUST

The purpose of the Trust is to establish and carry on activities for the exclusive benefit of the Unitholders and to distribute the Trust Property upon termination of those activities by the Trust in accordance with Article 11. The Trust is permitted to engage in any activity, undertaking, transaction or event authorized or permitted by the Act (the "**Trust Activities**"), including:

2.3 Name and Head Office

The English form of the name of the Trust is "Fair Hydro Trust" and the French form of the name of the Trust is "Fiducie pour des frais d'électricité équitables". The Trust may use and may be legally designated by either the English form or the French form of its name. Should the Issuer Trustee determine that the use of such name is not practicable, legal or convenient, it may use such other designation or adopt such other name for the Trust as it deems proper and the Trust may hold property and conduct the Trust Activities under such other designation or name. The head office, chief executive office, chief place of business and situs of administration of the Trust will initially be situated at the offices of the Issuer Trustee situated at 100 University Avenue, 11th Floor, Toronto, Ontario M5J 2Y1.

2.4 Nature of the Trust

The Trust is an unincorporated open-ended unit trust established for the purposes specified in Section 2.1. The Trust shall be governed by the general law of trusts, except as such general law of trusts has been or is from time to time modified, altered or abridged for the Trust by:

(a) applicable laws and regulations or other requirements imposed by applicable securities or other regulatory authorities, including the Act and Regulations; and

(b) the terms, conditions and trusts set forth in this Declaration of Trust.

The beneficial interest and rights generally of the Unitholders in the Trust shall be limited to the right to participate in distributions when and as declared by the Issuer Trustee and distributions upon the termination of the Trust. The Trust is not and is not intended to be, shall not be deemed to be and shall not be treated as a general partnership, limited partnership, syndicate, association, joint venture, company, corporation or joint stock company nor shall the Issuer Trustee or the

Unitholders or any of them for any purpose be, or be deemed to be treated in any way whatsoever to be, liable or responsible hereunder as partners or joint venturers. The Issuer Trustee shall not be, or be deemed to be, an agent of the Unitholders. The relationship of the Unitholders to the Issuer Trustee, to the Trust and to the Trust Property shall be solely that of beneficiaries in accordance with this Declaration of Trust.

2.5 Rights of Unitholders

No Unitholder shall be entitled to call for any partition or division of the Trust Property or for a distribution of any particular asset forming part of the Trust Property or of any particular monies or funds received by the Issuer Trustee. The legal ownership of the Trust Property and the right to conduct the activities of the Trust are vested exclusively in the Issuer Trustee, and no Unitholder has or is deemed to have any right of ownership in any of the Trust Property, except as specifically provided herein. Except as specifically provided herein, no Unitholder or Unitholders shall be entitled to interfere with or give any direction to the Issuer Trustee with respect to the affairs of the Trust or in connection with the exercise of any powers or authorities conferred upon the Issuer Trustee under this Declaration of Trust. The Units shall be personal property and shall confer upon the holders thereof only the interest and rights, and impose upon the holders thereof only those liabilities and obligations, specifically set forth in this Declaration of Trust.

ARTICLE 3
UNITS

3.1 Nature of Units

The beneficial interests in the Trust shall be divided into a single class of Units. Each Unit represents an equal undivided beneficial interest in any distributions by the Trust, whether of Income of the Trust, Net Realized Capital Gains of the Trust (other than Net Realized Capital Gains of the Trust Allocated on Redemption to redeeming Unitholders), or other amounts, and, in the event of termination or winding up of the Trust, in the net assets of the Trust remaining after satisfaction of all liabilities. All Units rank equally among themselves and rateably without discrimination, preference or priority. Each Unit will entitle the Unitholder of record thereof to one vote at all meetings of the Unitholders or in respect of any written resolution of the Unitholders. Each Unit, when issued, shall vest indefeasibly in the holder thereof.

The number of Units which the Trust may issue is unlimited. The issued and outstanding Units may be subdivided or consolidated from time to time by the Issuer Trustee without notice to or approval of the Unitholders. Unless the Issuer Trustee determines otherwise, immediately after any *pro rata* issuance of additional Units to all Unitholders pursuant to subsection 11.3(3), the number of outstanding Units will automatically be consolidated such that each such holder will hold after the consolidation the same number of Units as such holder held before the issuance of additional Units.

3.2 Consideration of Units

A Unit will not be fully paid until the consideration therefor has been received in full by or on behalf of the Trust. The consideration for any Unit will be paid in money or in property (including, without limitation, a debt instrument issued to the Trust) or in past services received

by the Trust that are not less in value than the fair equivalent of the money that the Trust would have received if the Unit had been issued for money. In determining whether property or past services are the fair equivalent of consideration paid in money, the Issuer Trustee may take into account reasonable charges and expenses of organization and reorganization and payments for property and past services reasonably expected to benefit the Trust. In no case will a Unit be issued to a Designated Beneficiary.

3.3 No Pre-Emptive Rights

No Person shall be entitled, as a matter of right, to subscribe for or purchase any Units of the Trust. There are no pre-emptive rights attaching to the Units.

3.4 Fractional Units

If as a result of any act of the Issuer Trustee hereunder, any Person becomes entitled to a fraction of a Unit, such Person will not be entitled to receive a certificate therefor. Fractional Units will not, except to the extent that they may represent in the aggregate one or more whole Units, entitle the holders thereof to notice of or to attend or to vote at meetings of the Unitholders. Subject to the foregoing, such fractional Units will have attached thereto the rights, restrictions, conditions and limitations attaching to whole Units in the proportion that they bear to a whole Unit.

3.5 Allotment and Issue

Subject to Section 3.6, the Issuer Trustee may allot and issue Units at such time or times and in such manner (including pursuant to any plan from time to time in effect relating to reinvestment by the Unitholders of distributions of the Trust in Units) and to such Person, Persons or class of Persons as the Issuer Trustee in its sole discretion will determine. The price or the value of the consideration for which Units may be issued and the terms and conditions of issuance of the Units will be determined by the Issuer Trustee in its sole discretion. Not restricting the generality of the foregoing, the Issuer Trustee may accept amounts received from a Unitholder as a prepayment in respect of the obligation of the Unitholder to pay all or any part of the subscription price of Units to be issued at a later date by the Issuer Trustee. In such circumstances, such prepayment will form part of the Trust Property. In the event that Units are issued in whole or in part for a consideration other than money, the resolution of the Issuer Trustee allotting and issuing such Units will express the fair equivalent in money of the other consideration received.

3.6 Prohibited Issuances and Transfers

(1) Notwithstanding any other provision in this Declaration of Trust, at no time, may Units be issued or transferred to a Person who would be a "designated beneficiary" within the meaning of Part XII.2 of the ITA ("**Designated Beneficiary**"), and the Issuer Trustee will not accept a subscription for Units from, or issue or register a transfer of Units to, a Person unless the Person provides a declaration to the Issuer Trustee that it would not be a Designated Beneficiary and covenants to maintain such representation true for as long as it continues to hold one or more Units. If, notwithstanding the foregoing, the Issuer Trustee determines that a Person has purported to become or remain a Unitholder in breach of the above mentioned declaration or covenant, or if the Unitholder fails to provide, upon request, a declaration in form and content satisfactory to the Issuer Trustee that it is not a

Designated Beneficiary, (i) the Issuer Trustee will require such Person to dispose of the Units within a specified period not to exceed 60 days to a Person who does not contravene the above mentioned limitation on ownership ("**New Holder**"), and (ii) effective immediately prior to the breach, such Person will be deemed to have ceased to be a holder of such Units, the voting and distribution rights attached to such Units will be suspended and such Units will be deemed not to be outstanding until acquired by a New Holder (provided that holders of other Units will not be entitled to any portion of the distributions that may have been paid in respect of Units that have been so deemed not to be outstanding) and such Person's rights in respect of such Units will be limited to receiving the net proceeds of the sale thereof. If such Person has not, within such period, sold such Units or provided the Issuer Trustee with a declaration in form and content satisfactory to the Issuer Trustee that it is not a Designated Beneficiary, the Issuer Trustee may sell such Units on behalf of such Person (and the Issuer Trustee will have the power of attorney of such Person to do so), and such Person's rights in respect of such Units will be limited to receiving the net proceeds of sale upon surrender of the certificates representing such Units.

(2) Subject to this section 3.6, and until the Issuer Trustee will have been required to do so under the terms hereof, the Issuer Trustee will not be bound to do or take any proceeding or action with respect to this section 3.6 by virtue of the powers conferred on it hereby. The Issuer Trustee will have the sole right and authority to make any determination required for the administration of the provisions of, or contemplated under this section 3.6, and without limiting the generality of the foregoing, if the Issuer Trustee considers that there are reasonable grounds for believing that a contravention of the above mentioned limitation on ownership has occurred or may occur, the Issuer Trustee will make a determination with respect to the matter. Any such determination will be conclusive, final and binding for the purposes of this section 3.6 except to the extent modified by any subsequent determination by the Issuer Trustee. The Issuer Trustee may require declarations as to whether a Unitholder is a Designated Beneficiary or as to factual information that will enable the Issuer Trustee to determine whether a Unitholder or a prospective transferee of a Unit may be a Designated Beneficiary. In any situation where it is unclear whether Units may be held by a Person who may be a Designated Beneficiary, the Issuer Trustee may exercise its discretion in determining whether such Person is or is not a Designated Beneficiary, and any such exercise by it of its discretion will be binding for the purposes of this section 3.6.

3.7 Liability of Unitholders

No Unitholder of the Trust, in its capacity as such, will incur or be subject to any liability, direct or indirect, absolute or contingent, in contract or in tort or of any other kind, to any Person in connection with: (i) the Trust Property or the ownership, use, operation, acquisition or disposition thereof or exercise or enjoyment of the rights, privileges, conditions or benefits attached thereto, associated therewith or derived therefrom; (ii) the obligations, liabilities, activities or affairs of the Trust; (iii) any actual or alleged act or omission of the Issuer Trustee or any other Person in respect of the activities or affairs of the Trust (whether or not authorized by or pursuant to this Declaration of Trust); (iv) any actual or alleged act or omission of the Issuer Trustee or any other Person in the performance or exercise, or purported or attempted performance or exercise, of any obligation, power, discretion or authority conferred upon the Issuer Trustee or such other Person in respect of the activities or affairs of the Trust (whether or not authorized by

or pursuant to this Declaration of Trust); (v) any transaction entered into by the Issuer Trustee or by any other Person in respect of the activities or affairs of the Trust (whether or not authorized by or pursuant to this Declaration of Trust); or (vi) any taxes, levies, imposts or charges or fines, penalties or interest in respect thereof payable by the Trust or by the Issuer Trustee or by any other Person (except the Unitholders to the extent required by applicable tax laws) on behalf of or in connection with the activities or affairs of the Trust. No Unitholder will be liable to indemnify the Issuer Trustee or any other Person with respect to any such liability or liabilities incurred by the Issuer Trustee or by any such other Person or Persons or with respect to any taxes payable by the Trust or by the Issuer Trustee or any other Person on behalf of or in connection with the Trust. To the extent that any such liabilities of the Unitholders may arise, they will be enforceable only against, and will be satisfied only out of, the Trust Property to the full extent of such liability and the costs of any litigation or other proceedings in which such liability will have been determined, including without limitation, the fees and disbursements of counsel.

ARTICLE 4
REDEMPTION OF UNITS

4.1 Redemption of Units

Each Unitholder will be entitled to require the Trust to redeem at any time and from time to time at the demand of such Unitholder all or any part of the Units held by such Unitholder as follows:

(1) The Unitholder will give notice in writing to the Trust at its head office of its intention to redeem Units and the number of Units to be redeemed.

(2) Upon receipt by the Trust of such notice from the Unitholder to redeem Units, the Unitholder will be entitled to receive, subject to subsection 4.1(3), an amount equal to the aggregate fair market value of such Units immediately before the redemption (the "**Redemption Price**") established by the Issuer Trustee, acting reasonably, payable by certified cheque or via wire transfer of funds.

(3) In the event that the Trust has insufficient funds to make the payment required pursuant to subsection 4.1(2) or such payment is restricted under the terms of the Indenture, the Trust will satisfy the Redemption Price, subject to compliance with any regulatory requirements, by either issuing a promissory note to the Unitholder, which note shall have a principal amount equal to the Redemption Price and such other terms as is determined at the time of issuance by the Issuer Trustee, or by distributing to the redeeming Unitholder *in specie* a proportionate amount of the Trust Property, the fair market value of which, as determined by the Issuer Trustee, acting reasonably, is equal to the Redemption Price. In the event that property is distributed *in specie*, the amount of Net Realized Capital Gains of the Trust Allocated on Redemption as contemplated by subsection 4.1(5) payable in connection with the redemption of Units shall be payable to the Unitholder in kind, and to the extent of the amount thereof, the Redemption Price of the Units being redeemed shall be reduced accordingly (the "**Adjusted Redemption Price**").

(4) Upon satisfaction of the Redemption Price or the Adjusted Redemption Price, as the case may be, the redeeming Unitholder will not be entitled to any rights or benefits, including voting and the right to receive distributions, in connection with the Units redeemed.

(5) Where the Trust distributes Trust Property *in specie* as contemplated in subsection 4.1(3), the Issuer Trustee shall designate and pay to the redeeming Unitholder such part of the Net Realized Capital Gains of the Trust as is realized by the Trust in connection with such *in specie* distribution, provided that the amount of the Net Realize Capital Gains on the Trust so allocated shall not exceed the amount, if any, by which the Redemption Price of the particular Units being redeemed exceeds the aggregate adjusted cost base of such Units to the Unitholder for the purpose of the ITA immediately before the redemption (the "**Net Realized Capital Gains of the Trust Allocated on Redemption**"). If the total Net Realized Capital Gains of the Trust Allocated on Redemption determined by the Issuer Trustee pursuant to the preceding sentence for all redeeming Unitholders in any taxation year exceeds the Net Realized Capital Gains of the Trust for that year, the Net Realized Capital Gains of the Trust for that taxation year shall be allocated rateably to all redeeming Unitholders for the year based on the Net Realized Capital Gains of the Trust Allocated on Redemption as otherwise determined pursuant to the preceding sentence. The Net Realized Capital Gains of the Trust Allocated on Redemption designated and paid on the redemption of Units as determined under this subsection shall be deemed to be a distribution of Net Realized Capital Gains of the Trust for the particular taxation year in which the redemption occurs. If the Issuer Trustee is required to deduct or withhold an amount from such distribution, the Unitholder shall make the cash payment described in Section 11.7 to the Issuer Trustee on or prior to the date the Units are to be redeemed.

ARTICLE 5
RIGHTS AND POWERS OF ISSUER TRUSTEE

5.1 General Rights and Powers

Subject to the specific restrictions and limitations set forth in this Declaration of Trust and notwithstanding the provisions of the *Trustee Act* (Ontario) or any other similar legislation in any jurisdiction, the Issuer Trustee will have, without the necessity of authorization by, and free from any power or control on the part of, the Unitholders, full, exclusive and absolute power, control and authority over the Trust Property and the Trust Activities to the same extent as if the Issuer Trustee were the sole and absolute owner thereof in its own right including, without limitation, such power, control and authority to do all such acts and things as in its sole judgment and discretion are necessary, incidental or desirable for carrying on the Trust Activities in accordance with the Program Agreements with such powers of delegation as may be permitted by this Declaration of Trust, including the right, power and authority to amend this Declaration of Trust subject to and in accordance with the terms hereof and to appoint, employ or contract with any Person as the Issuer Trustee may deem necessary, appropriate or desirable for the transaction of the Trust Activities, including for the administration of the Trust. For greater certainty, the powers of the Issuer Trustee that may be exercised as aforesaid include the powers set forth in Section 5.2 to and including Section 5.18. The enumeration of any specific power or authority in this Declaration of Trust will not be construed as limiting the aforesaid power or authority or any other specific power

5.2 Acquisition of Assets and Deposit of Funds

Subject to Section 2.1, the Issuer Trustee will have the power to acquire Investment Interests in accordance with the Program Agreements. Subject to compliance with the terms of the Program Agreements, the Issuer Trustee will have the power to deposit any money forming part of the Trust Property with any bank (which bank may be an Affiliate of the Issuer Trustee) licensed under the laws of Canada or any trust company (which includes the Issuer Trustee) licensed under the laws of any province of Canada and to withdraw such deposits in accordance with the Program Agreements. 5.5 Management of Trust Property

In accordance with and subject to the terms of the Program Agreements, the Issuer Trustee will have the power to own, manage, use, invest and hold the Trust Property (including, without limitation, the power to make investments in Eligible Investments) and to enter into agreements in respect of the Trust Property or its use including, without limitation, agreements to modify, amend, extend, renew or terminate any grant or agreement relating to the Trust Property and to waive compliance with any of the terms and conditions thereof, all, in each case, without the approval of or notice to the Unitholders.

5.6 Power to Borrow Money and Issue Funding Obligations

In accordance with and subject to the terms of the Program Agreements, the Issuer Trustee will have the power to:

(a) borrow or in any other manner raise money and to evidence the same by the issuance of Funding Obligations, by private placement, public offering or otherwise;

(b) reacquire or redeem Funding Obligations;

(c) execute and deliver any trust indenture or supplement thereto, security agreement, mortgage, pledge, hypothec, assignment or other instrument to secure Funding Obligations, and amendments, modifications, restatements or replacements thereof, whether by fixed or floating charge or by assignment or by the granting of a security interest, free and clear of any and all trusts hereby established and, in lieu of or in addition to granting any security, to grant to any Person a negative pledge whereby the Issuer Trustee agrees not to encumber any Trust Property and such other covenants as may be consistent with those set out in the Program Agreements or as may otherwise be specified by any applicable Rating Agency in accordance with the foregoing; and

(d) execute and/or deliver any agreement, instrument, certificate, direction or other document necessary or desirable in order to permit or give effect to the provisions of this Section 5.6, including, without limitation, prospectuses, offering memoranda, regulatory filings, dealer agreements, Underwriting Agreements, Agency Agreements, subscription agreements, letters of representation, consent letters, and any instruments ancillary thereto.

5.7 Derivative Agreements

In accordance with and subject to the terms of the Program Agreements, the Issuer Trustee will have the power to enter into Derivative Agreements in connection with or related to the borrowing or other raising of money by the Issuer Trustee or the purchase or ownership of Investment Interests, provided that such Derivative Agreements may be entered into only at or prior to the time that such securities are sold, or such borrowing, other raising of money or purchase takes place, as applicable, or as otherwise expressly permitted in the Management Agreement; provided, however, that amendments, modifications or novations of or to a Derivative Agreement may be entered into at any time after the original Derivative Agreement was executed.

5.8 Execution of Instruments

Every deed, transfer, assignment, hypothec, agreement, certificate, direction, instrument, prospectus, or any other document which is necessary or desirable to be executed by the Trust, including, without limitation, any document evidencing Funding Obligations or relating to the issuance of Funding Obligations, will be signed on behalf of the Trust by the Issuer Trustee or its duly appointed agent, including the Manager.

5.9 Facsimile Signatures

The Issuer Trustee may authorize the use of facsimile signatures on the documents evidencing Funding Obligations, provided, however, that where facsimile signatures are so used, documents evidencing Funding Obligations will be manually countersigned or certified by a transfer agent, trustee, registrar or similar Person. If a Funding Obligation contains a printed or mechanically reproduced signature of a Person, the Issuer Trustee may issue the Funding Obligation notwithstanding that the Person has ceased to be a director, officer or signing officer of

the Issuer Trustee, and the Funding Obligation will be as valid as if the Person were a director, an officer or a signing officer at the date of its issue.

5.10 Taxes

The Issuer Trustee will have the power to pay all taxes or assessments of whatever kind or nature imposed upon the Issuer Trustee and/or the Trust in connection with the Trust Property or the Trust Activities or upon or against the income from the Trust Activities or any part thereof, to settle and compromise disputed tax liabilities and, for the foregoing purposes, to make such returns and do all such other acts and things as may be deemed by the Issuer Trustee necessary or desirable. The Issuer Trustee will have the power to deduct and remit any taxes which are required by law to be deducted and remitted from any payment made by the Issuer Trustee under any Program Agreements or otherwise.

5.11 Collection

In accordance with and subject to the terms of the Program Agreements, the Issuer Trustee will have the power to:

(a) collect, receive, give receipts for and sue for all sums of money or other property due to the Trust;

(b) consent to extensions of time for payment of, or the renewal of, any securities or obligations of the Trust;

(c) engage or intervene in, prosecute, defend, compound, compromise, abandon or adjust by arbitration or otherwise deal with or settle any actions, suits, proceedings, disputes, claims, demands or things relating to the Trust Property or the Trust Activities;

(d) exercise any and all remedies available to it under any Program Agreements or otherwise, including any power of foreclosure or sale available to the Issuer Trustee at law or pursuant to any agreement and, in connection with any such foreclosure or sale, to purchase or otherwise acquire title to any property and to convey good title thereto free of any and all trusts hereby established, or to take or retake possession of any property secured or unsecured thereunder or such other security;

(e) extend the time, with or without security, for the payment or delivery of any debts or property and to execute and enter into releases, agreements and other instruments; and

(f) pay or satisfy any debts or claims upon any evidence that the Issuer Trustee determines to be sufficient.

5.12 Expenses and Compensation of Issuer Trustee

(a) The Issuer Trustee will have the power to incur and make payment of any charges or expenses which in the opinion of the Issuer Trustee are necessary or incidental

to or proper for carrying out any of the purposes of this Declaration of Trust and the Trust Activities, and to pay appropriate compensation or fees from the Trust Property to Persons with whom the Trust has contracted or transacted business including, without limitation, any charges, expenses, compensation or fees payable under or in connection with the Program Agreements.

(b) The Issuer Trustee will be entitled to be paid from the funds of the Trust, without any requirement of a passing of accounts in respect thereof or approval of the Unitholders, such fees as the Issuer Trustee and the Manager may agree to from time to time for its services hereunder and all reasonable expenses, disbursements and advances incurred or made by the Issuer Trustee in the administration or execution of the trusts hereby created (including the reasonable compensation and the disbursements of its counsel and all other advisers and assistants not regularly in its employ) until all the duties of the Issuer Trustee under the trusts hereby created shall be finally and fully performed, except any such expense, disbursement or advance as may arise from or in connection with the dishonesty, bad faith, wilful misconduct, negligence or reckless disregard of any duty or the failure to comply with the standard of care referred to in Section 7.1 by the Issuer Trustee, its officers, employees or agents. All such amounts will be payable at such times as the Issuer Trustee and the Manager may agree from time to time. All such amounts shall be exclusive of any applicable taxes and any applicable taxes shall be paid to the Issuer Trustee in addition to such amounts. Any amount not paid when due shall bear interest at a rate per annum equal to the rate designated by the Issuer Trustee as the then current rate charged by the Issuer Trustee or its successors from time to time to its corporate customers, payable on demand. After default and unless otherwise provided in the Indenture and any documents contemplated thereunder, all amounts so payable and the interest thereon shall be payable out of any funds coming into the possession of the Issuer Trustee or its successors in the trusts hereunder in priority to any payments to other Specified Creditors.

5.13 Allocation

The Issuer Trustee will have the power to determine conclusively whether money or other assets received by the Trust or expenses or disbursements made by the Trust will be charged or credited to income or capital or allocated between income and capital, provided, however, that such determination will not be inconsistent with calculation of income in accordance with the ITA at the time the determination is made.

5.14 Fiscal Year and Form of Accounts

The fiscal year of the Trust will end on December 31. The Issuer Trustee will have the power to determine and from time to time change the method or form in which the accounts of the Trust will be kept, provided such method or form reasonably complies with Canadian generally accepted accounting principles as applicable from time to time.

5.15 Power to Contract

In accordance with and subject to the terms of the Program Agreements, the Issuer Trustee will have the power to appoint, employ or contract with any Person as the Issuer Trustee may deem necessary or desirable for the transaction of the Trust Activities and may transfer assets to such Person and, save and except for such matters as are listed in Section 2.2, delegate to such Person any or all of the discretionary powers given to the Issuer Trustee with respect to the management of the Trust Property. Without in any way limiting the generality of the foregoing, the Issuer Trustee will have the power to:

(a) enter into, execute, deliver, perform the obligations of the Trust under, and grant security as provided for in, the Program Agreements;

(b) appoint, employ or contract with the Manager or any other Person who, under the supervision of the Manager, may, among other things: (i) furnish and supervise or cause to be furnished and supervised the performance of the clerical and administrative services necessary to the administration of the Trust and the Trust Property including, without limitation, the provision of office space, office equipment and personnel for the performance of such services, property management, administration and servicing, the maintenance of documents, books and Records for the Trust (including those described in Section 8.1), the receipt and disbursement of Trust Property, the servicing and payment of debt and other obligations and generally all matters relating to the obtaining of and the administration and servicing of Trust Property, including, without limitation, as provided in the Management Agreement; (ii) serve as an advisor to the Issuer Trustee, furnish reports to the Issuer Trustee and provide research, economic and statistical data in connection with the Trust Activities; (iii) act as consultant, accountant, correspondent, lender, technical advisor, counsel, broker and dealer, underwriter, fiscal agent, corporate fiduciary, escrow agent, depository, custodian or agent for collection from obligors, loan administrator, appraiser, bank, insurer or insurance agent, transfer agent or registrar or issuing and paying agent for Funding Obligations or in any other capacity deemed by the Issuer Trustee necessary or desirable; (iv) act as attorney or agent in the purchase or sale or other disposition of the Trust Property or the property secured thereby and the handling, prosecution or settling of any claims of the Trust and assist in the performance of such functions necessary in the management of the Trust as may be agreed upon with the Issuer Trustee; and (v) execute and deliver the Program Agreements. For greater certainty, the appointment by the Issuer Trustee of the Manager under the Management Agreement will, where applicable, be deemed to constitute adequate supervision by the Issuer Trustee for purposes of the *Trustee Act* (Ontario) and this Declaration of Trust of any Person thereby engaged in connection with the foregoing activities; and

(c) investigate, select and conduct negotiations with Persons acting in the capacities referred to in Section 5.15(b) and pay appropriate fees to, and enter into appropriate contracts with, employ or retain the services of, any of them in connection with the Trust Property or property secured thereby, other assets and any security related

thereto funded, acquired, sold or otherwise disposed of, or committed, negotiated or contemplated to be funded, acquired, sold, or otherwise disposed of in connection with Funding Obligations.

5.16 Indemnification

In accordance with and subject to the terms of the Program Agreements, the Issuer Trustee will have the power to indemnify or enter into agreements with respect to indemnification with any Person with whom the Issuer Trustee or the Trust deals to such extent as the Issuer Trustee determines necessary or desirable.

5.17 Further Powers

Subject to Section 2.1, the Issuer Trustee will have the power to perform and do all such other acts and things and to execute itself (or have executed by any Person appointed by it pursuant to Section 5.15) all such deeds, transfers, assignments, hypothecs, agreements, certificates, directions, instruments or other documents whatsoever as it deems necessary, proper or desirable in order to carry on the Trust Activities in accordance with and subject to the Program Agreements notwithstanding that such acts, things, deeds, transfers, assignments, hypothecs, agreements, certificates, directions, instruments or other documents are not herein specifically mentioned. Any determination as to what is necessary, proper or desirable in order to carry on the Trust Activities in accordance with the Program Agreements or otherwise, provided it is made by the Issuer Trustee honestly and in good faith, will be conclusive. Any construction of this Declaration of Trust or the existence of any power or authority hereunder, made honestly and in good faith by the Issuer Trustee upon the advice of counsel, will be conclusive to the extent consistent with the law. In construing the provisions of this Declaration of Trust, there will be a presumption in favour of a grant of power to the Issuer Trustee.

5.18 Auditors

In accordance with and subject to the terms of the Program Agreements, the Issuer Trustee will have the power from time to time to select and appoint and discharge and reappoint an auditor of the Trust in its discretion and to negotiate and fix the fees of any such auditor.

5.19 Defect in Appointment

Notwithstanding anything to the contrary herein contained, no action taken by the Issuer Trustee will be invalid by reason only of any defect that is thereafter discovered in its appointment.

5.20 Status

The Issuer Trustee shall not have the status of bankrupt and shall be resident in Canada for purposes of the ITA.

ARTICLE 6
REPLACEMENT OF ISSUER TRUSTEE

6.1 Resignation of Issuer Trustee

(a) If the Issuer Trustee desires to resign and be discharged from the trusts and powers reposed in or conferred on it by this Declaration of Trust, it will provide 120 days written notice (or such shorter period of notice as the Unitholders , the Indenture Trustee and the Rating Agencies may agree to) thereof to the Unitholders, the Indenture Trustee and the Rating Agencies provided that no such voluntary resignation shall be effective until a replacement Issuer Trustee acceptable to the Unitholders and the Indenture Trustee has been appointed and has executed a written agreement whereby such replacement Issuer Trustee agrees to assume the obligations of the Issuer Trustee hereunder, under the Program Agreements and under any other contract pursuant to which the Issuer Trustee is obligated.

(b) The Issuer Trustee shall resign if a material conflict of interest arises in its role as a trustee under this Declaration of Trust that is not eliminated within 90 days after the Issuer Trustee becomes aware that it has such a material conflict of interest. Forthwith after the Issuer Trustee becomes aware that it has such a material conflict of interest, it shall provide the Unitholders, the Indenture Trustee and the Rating Agencies with written notice of the nature of such material conflict of interest. Upon such resignation, the Issuer Trustee shall (subject to Section 6.6) be discharged from its office under this Declaration of Trust. If, notwithstanding the foregoing provisions of this Section 6.1(b), the Issuer Trustee has such a material conflict of interest, the validity and enforceability of this Declaration of Trust and any agreement entered into by the Issuer Trustee shall not be affected in any manner whatsoever by reason only of the existence of such material conflict of interest. If the Issuer Trustee contravenes the foregoing provisions of this Section 6.1(b), the Unitholders, may apply, on notice to the Rating Agencies, to a court of competent jurisdiction for an order that the Issuer Trustee be replaced as Issuer Trustee hereunder.

6.2 Removal of Issuer Trustee

The Issuer Trustee may be removed from its office under this Declaration of Trust by the Unitholders, at any time by notice in writing delivered to the Issuer Trustee not less than 90 days prior to the date that such removal is to take effect.

6.3 Vacancy

In the event of the bankruptcy or insolvency of the Issuer Trustee or the inability of the Issuer Trustee to exercise its duties under this Declaration of Trust, the Unitholders may forthwith terminate the term of office of the Issuer Trustee as trustee and, in such instance, a vacancy will occur. No vacancy (including upon a resignation of the Issuer Trustee pursuant to Section 6.1(b)) shall operate to annul this Declaration of Trust or affect the continuity of the Trust or terminate the appointment of the Manager under the Management Agreement.

6.4 Appointment of New Issuer Trustee

If, pursuant to this Article 6, the Issuer Trustee resigns or a vacancy occurs in the office of the Issuer Trustee for any reason, the Unitholders may, subject to the satisfaction of the Rating Agency Condition, by instrument in writing appoint a Trust Company, which has risk-based capital of at least $50,000,000 or, in the case of an entity that is not subject to risk-based capital adequacy requirements, has a combined capital and surplus of at least $50,000,000, in order to replace the Issuer Trustee. If the Unitholders fail to make such appointment within 60 days of the occurrence of any such resignation, removal or vacancy, then the Issuer Trustee may make an application, on notice to the Rating Agencies, to a court of competent jurisdiction to appoint a successor Issuer Trustee hereunder. If the Issuer Trustee elects not to make such an application, the Unitholders may do so on notice to the Rating Agencies. If the Issuer Trustee and the Unitholders elect not to make such an application, the Indenture Trustee may do so on notice to the Rating Agencies if so directed in accordance with the Indenture. The expense of any act, document, deed or other instrument or thing required under this Section 6.4 will be satisfied from the Trust Property.

6.5 Merger, Consolidation and Amalgamation

Any company into which the Issuer Trustee may be merged or with which it may be consolidated or amalgamated, or any company resulting from any merger, consolidation or amalgamation to which the Issuer Trustee is a party or any company succeeding to the corporate trust business of the Issuer Trustee will be a successor Issuer Trustee under this Declaration of Trust without any further action on the part of the Issuer Trustee, provided that such company shall be a Trust Company.

6.6 Vesting in Successor Issuer Trustee

Any successor Issuer Trustee will become vested with all the estates, properties, rights, powers, duties, responsibilities and trusts of its predecessors in the trusts hereunder as if it had been originally named as Issuer Trustee pursuant to this Declaration of Trust. In furtherance of the foregoing, upon written request of the successor Issuer Trustee, the Issuer Trustee ceasing to act will do, make, execute, deliver or cause to be done, made, executed or delivered all such acts, documents, deeds or other instruments and things as may be necessary or desirable in order to more effectively assign, transfer and deliver to, and vest in, the successor Issuer Trustee, upon the trusts herein expressed, all the rights, powers and trusts of, and all property and money held by the Issuer Trustee so ceasing to act. The expense of any act, document, deed or other instrument or thing required under this Section 6.6 will be satisfied from the Trust Property.

6.7 Confidentiality

At all times (including, without limitation, at any time the Issuer Trustee should resign or be discharged from the trusts and powers reposed in or conferred on it by this Declaration of Trust), the Issuer Trustee (or the trustee so resigning and being discharged, as the case may be) will treat as confidential all information relating to the Trust, the Trust Activities and the transactions contemplated by the Program Agreements obtained by it in its capacity as Issuer Trustee.

6.8 Right to Disclose

The Issuer Trustee shall have the right to disclose any information disclosed or released to it if in the opinion of legal counsel to the Issuer Trustee it is required to disclose under any applicable laws, court order or directions of Governmental Authorities or if it is requested by a Rating Agency. The Issuer Trustee shall not be responsible or liable to any party for any loss or damage arising out of or in any way sustained or incurred or in any way relating to such disclosure.

ARTICLE 7
STANDARD OF CARE, LIMITATION OF LIABILITY OF ISSUER TRUSTEE AND OTHER MATTERS

7.1 Standard of Care

The Issuer Trustee will exercise its powers and carry out its obligations hereunder as Issuer Trustee honestly, in good faith and in the best interests of the Trust and the Unitholders and in connection therewith will exercise that degree of care, diligence and skill that a reasonably prudent Person would exercise in comparable circumstances. To the extent that the Issuer Trustee has delegated or subcontracted the performance of all or a portion of its duties to the Manager as contemplated by Section 5.15, it will be deemed to have satisfied the aforesaid standard of care. Unless otherwise required by law, the Issuer Trustee will not be required to give bond, surety or security in any jurisdiction for the performance of any duties or obligations hereunder. The Issuer Trustee will not be required to devote its entire time to the Trust Activities. For greater certainty, the entering into of any Program Agreement by the Trust and the performance by the Trust of its obligations thereunder will be deemed to be in the best interests of the Unitholders and the Trust.

7.2 Limitation of Liability of Issuer Trustee

The Issuer Trustee has entered into this Declaration of Trust solely in its capacity as trustee of the Trust and not in its personal capacity, and any and all of the representations, warranties, undertakings, covenants, indemnities, agreements and other obligations made on the part of the Issuer Trustee herein are made and intended not as personal representations, warranties, undertakings, covenants, indemnities, agreements and other obligations by the Issuer Trustee or for the purpose or with the intention of binding the Issuer Trustee in its personal capacity, but are made and intended for the purpose of binding only the Trust Property or a specific portion thereof. No property or assets of the Issuer Trustee, whether owned beneficially by it in its personal capacity or otherwise (other than the Trust Property), will be subject to levy, execution or other enforcement procedures with regard to any of the representations, warranties, undertakings, covenants, indemnities, agreements and other obligations of the Trust or the Issuer Trustee hereunder, and no recourse may be had or taken, directly or indirectly, against the Issuer Trustee in its personal capacity, any Unitholder or any Affiliate, shareholder, director, officer, representative, employee or agent of the Issuer Trustee or any predecessor or successor of the Issuer Trustee with regard to the representations, warranties, undertakings, covenants, indemnities, agreements and other obligations of the Trust or the Issuer Trustee hereunder; provided that the foregoing limitation will not apply in respect of any action or failure to act arising from or in connection with the wilful misconduct, gross negligence or the failure to comply with the standard of care referred to in Section 7.1. Notwithstanding any other provision of this Article 7, but subject

to the Indenture, each Specified Creditor is entitled to recourse to the Trust Property to satisfy in full the obligations of the Trust to it even if the Issuer Trustee has no right, or only an impaired right, to seek indemnification from the Trust Property or to apply the Trust Property in satisfaction of such obligations.

7.3 Indemnification of the Issuer Trustee

The Issuer Trustee, its directors, officers, agents, representatives and employees will at all times be indemnified and saved harmless out of the Trust Property from and against all claims (including any claim arising out of the assessment of any tax on income by a taxing authority), demands, levies, penalties, suits, losses, actions, causes of action, costs, charges, fees and expenses, damages and liabilities whatsoever, including, without limitation, those arising out of or related to actions taken or omitted to be taken by any agent of the Issuer Trustee, including, without limitation, the Manager, as contemplated hereby, legal fees and disbursements on a substantial indemnity basis and costs and expenses incurred in connection with the enforcement of this indemnity (each, a "**Claim**"), which the Issuer Trustee, its directors, officers, representatives and employees may suffer or incur, whether at law or in equity, in any way caused by or arising, directly or indirectly, in respect of any act, deed, matter or thing whatsoever made, done, acquiesced in or omitted in or about or in relation to the execution of its duties as Issuer Trustee or which it sustains or incurs in or about or in relation to the Trust Property and the Trust Activities. Further, the Issuer Trustee will not be liable to the Trust, to any Unitholder or to any other Person for any loss or damage relating to any matter regarding the Trust, including any loss or diminution in the value of the Trust Property. The foregoing provisions of this Section 7.3 do not apply to the extent that in any circumstances there has been wilful misconduct, gross negligence or the failure to comply with standard of care referred to in Section 7.1 on the part of the Issuer Trustee, its directors, officers, agents, representatives or employees excluding the other parties to the Program Agreements. Notwithstanding any other provision hereof, this indemnity will survive the removal or resignation of the Issuer Trustee, the termination of this Declaration of Trust and the termination of any trust created hereby.

7.4 Reliance upon Advice

The Issuer Trustee may rely and act upon any statement, notice, report or opinion prepared by or any advice received from the Manager or from the auditors, counsel or other professional advisors of the Issuer Trustee and will not be responsible or held liable for any loss or damage resulting from so relying or acting if the Issuer Trustee acted reasonably and in good faith relied upon the advice received and if the professional advisor was aware that the Issuer Trustee was receiving the advice in its capacity as Issuer Trustee. The Issuer Trustee is entitled to be reimbursed from the Trust Property for all costs, charges and expenses it incurs in connection with obtaining any such statement, notice, report, opinion or advice. The Issuer Trustee is entitled to rely and act upon the genuineness and authenticity of any writing submitted to it that it in good faith believes to be genuine.

7.5 Retain Experts

The Issuer Trustee may appoint such agents and employ or retain such counsel, accountants, engineers, appraisers or other experts or advisers as it may reasonably require for the

purpose of discharging its duties hereunder and shall not be responsible for any misconduct on the part of any of them. The Issuer Trustee may pay remuneration out of the Trust Property for all services performed for it in the discharge of the trusts hereof without taxation for costs or fees of any counsel, solicitor or attorney.

7.6 Reliance on Experts

The Issuer Trustee may act and rely and shall be protected in acting in good faith on the opinion or advice of or information obtained from any agent, counsel, accountant, engineer, appraiser or other expert or adviser in relation to any matter arising in the performance of its duties under the Program Agreements.

7.7 Provisions Regarding Liability

Any written instrument creating an obligation of the Issuer Trustee will be conclusively deemed to have been executed by the Issuer Trustee only in its capacity as Issuer Trustee. Any written instrument creating an obligation of the Issuer Trustee will contain a provision to the effect that the obligations thereunder are not binding upon the Issuer Trustee except in its capacity as Issuer Trustee, nor will recourse be had to the property of the Issuer Trustee except in its capacity as Issuer Trustee, but that the Trust Property or a specific portion thereof only will be bound, and may at the request of the Issuer Trustee make specific provision to the foregoing effect and contain any further provisions which the Issuer Trustee may deem appropriate, but the omission of any such provisions will not operate to invalidate any such instrument or to impose liability on the Issuer Trustee, except as aforesaid. The Issuer Trustee shall not be required to expend or risk its own funds or otherwise incur financial liability in the performance of its duties hereunder.

ARTICLE 8
RECORDS

8.1 Records to be Kept

The Issuer Trustee will keep or cause to be kept at the head office of the Trust a copy of this Declaration of Trust, a register of Unitholders, minutes of meetings and resolutions of Unitholders, minutes of meetings and resolutions of the Issuer Trustee, and such Records as are by law or good business practice necessary. The Records may be kept at the office of any Person whom the Issuer Trustee has appointed to maintain the same, provided that the Issuer Trustee has access to the Records on one Business Day’s notice to such Person.

8.2 Segregation of Assets

The Issuer Trustee shall maintain the Trust Property separate from all other property in its possession.

8.3 Method of Keeping Records

Where this Declaration of Trust requires the Issuer Trustee to cause a Record to be kept, it may be kept in bound or loose-leaf form or by means of a mechanical, electronic or other device.

8.4 Annual Financial Statements

A copy of the annual financial statements of the Trust, signed by the Issuer Trustee, shall be mailed or otherwise made available within 120 days following the end of a fiscal year to which they relate to each Unitholder. The financial statements shall include all information required to be included in annual financial statements of the Trust by applicable laws.

ARTICLE 9
MEETINGS OF UNITHOLDERS AND DECISION OF UNITHOLDERS

9.1 Annual Meeting

There will not be an annual meeting of the Unitholders.

9.2 Other Meetings

The Issuer Trustee will have power at any time to call meetings of the Unitholders at such time and place as the Issuer Trustee may determine. Unitholders holding in the aggregate not less than a majority of the outstanding Units may requisition the Issuer Trustee in writing to call a meeting of the Unitholders for the purposes stated in the requisition. The requisition shall state in reasonable detail the business proposed to be transacted at the meeting and will be sent to the Issuer Trustee at the address of the Issuer Trustee. Upon receiving the requisition, the Issuer Trustee will call a meeting of the Unitholders to transact the business referred to in the requisition. If the Issuer Trustee does not within 10 days after receiving the requisition call a meeting, any Unitholder who signed the requisition may call the meeting.

9.3 Quorum and Voting

A quorum for any meeting of the Unitholders will be persons present being Unitholders or representing by proxy Unitholders who hold in the aggregate a majority of the total number of outstanding Units. Unitholders may attend and vote at all meetings of the Unitholders either in person or by proxy. Each Unit will be entitled to one vote at all meetings of the Unitholders. Any action to be taken by the Unitholders will, except as otherwise required by this Declaration of Trust, or by law, be authorized when approved by a majority of the votes cast at a meeting of the Unitholders. The chairman of any such meeting will not have a second or casting vote.

9.4 Written Resolution

Any business which may be conducted at a meeting of the Unitholders may be approved by a resolution in writing in lieu thereof. Notice of such resolution will be given to all Unitholders and approval of such resolution will be evidenced by the signature on any such resolution or counterpart thereof by the required percentage of Unitholders for the matter to be determined.

ARTICLE 10
AMENDMENT

10.1 Amendment

Subject to Section 2.1 and compliance with the terms of the applicable Program Agreements, the Issuer Trustee may, from time to time, amend, vary, supplement, replace or restate the provisions of this Declaration of Trust without the consent or approval of the Unitholders or any court as follows:

(a) to the extent deemed necessary by the Issuer Trustee in good faith to be necessary to ensure compliance with, or to remove any conflicts or other inconsistencies which may exist between any term of this Declaration of Trust and the provisions of, any applicable law in effect from time to time;

(b) to the extent deemed necessary by the Issuer Trustee in good faith to be necessary to make any change or correction in this Declaration of Trust which is a typographical change or correction or which the Issuer Trustee has been advised by legal counsel is required for the purpose of curing any ambiguity or defect or inconsistent provision or clerical omission or mistake or manifest error contained herein, or

(c) subject to the satisfaction of the Rating Agency Condition, to the extent deemed necessary or desirable in the sole discretion of the Issuer Trustee to permit or facilitate the carrying on of the Trust Activities, including the accommodation of requests made by the Rating Agencies or regulatory authorities in relation to the issuance of Funding Obligations.

However, any such amendment may be made only if: (i) it will not materially adversely affect the interest of any Unitholder, unless that Unitholder has also approved of the amendment in writing and (ii) in respect of any material amendment, the Rating Agency Condition has been satisfied. The Issuer Trustee will immediately upon the entering into thereof, provide the Rating Agencies and the Indenture Trustee with a copy of any amendment, variation, supplement, replacement or restatement of this Declaration of Trust.

10.2 Automatic Amendment

Upon the Issuer Trustee ceasing to be a trustee of the Trust, this Declaration of Trust will be automatically amended to delete any reference to the name of the trustee so ceasing to be a trustee of the Trust and to substitute therefor the name of the successor trustee of the Trust. Notice of any change in the Issuer Trustee may be endorsed upon or attached to this Declaration of Trust and signed by the successor Issuer Trustee and every such notice will be sufficient evidence to any Person dealing with the Issuer Trustee under this Declaration of Trust as to the facts to which it relates.

10.3 Supplemental Declaration of Trust

The Issuer Trustee is authorized to execute any supplemental declaration of trust to give effect to amendments to this Declaration of Trust made pursuant to this Article 10. The Issuer Trustee shall not be obligated to enter into any such supplemental declaration if it adversely affects the Issuer Trustee's rights, duties or immunities under this Declaration of Trust or otherwise. No amendment to or amendment and restatement of this Declaration of Trust, whether pursuant to this Article 10 or otherwise, shall be construed as a termination of the Trust or the settlement or establishment of a new trust.

ARTICLE 11
DISTRIBUTION OF TRUST PROPERTY

11.1 Distributions

(1) The Issuer Trustee may declare to be payable and make distributions, from time to time, out of Income of the Trust, Net Realized Capital Gains of the Trust, capital of the Trust or otherwise, in any year, in such amount or amounts, and on such dates as the Issuer Trustee may determine, to the Unitholders at the record date for such distribution. The Issuer Trustee may declare such amounts to be payable or authorize such distributions in advance by way of a standing resolution that is effective for a period not exceeding 12 months after the date of the resolution.

(2) Where the Trust proposes to distribute Trust Property in specie to a redeeming Unitholder as contemplated in subsection 4.1(3), and the Issuer Trustee reasonably expects that such in specie distribution will give rise to Income of the Trust and / or Net Realized Capital Gains of the Trust in excess of the amount of the Net Realized Capital Gains of the Trust Allocated on Redemption to the particular Unitholder whose Units are being redeemed (collectively, the "**Excess Income on Redemption**"), the Issuer Trustee shall declare to be payable and make a distribution, on the record date that is one Business Day before the redemption, to Unitholders at such record date in an amount equal to the estimated Excess Income on Redemption. Such distribution will be satisfied by the issuance of additional Units, or fractions of Units, having a fair market value equal to the amount of such distribution. If the Issuer Trustee is required to deduct or withhold an amount from such distribution, the applicable Unitholder shall make the cash payment described in Section 11.7 to the Issuer Trustee on or prior to the date the distribution.

(3) If the Issuer Trustee declares to be payable or makes a distribution pursuant to subsections 11.1(1) or 11.1(2) without determining the portion of such distribution that is payable out of Income of the Trust, Net Realized Capital Gains of the Trust, capital of the Trust or otherwise, such allocation shall be made pursuant to subsection 11.2(2).

(4) The Issuer Trustee intends to make payable to Unitholders all of the Income of the Trust and Net Realized Capital Gains of the Trust for each taxation year throughout which all Unitholders are Specified Unitholders so that the Trust will not have any liability for tax under Part I of the ITA in any such taxation year (other than alternative minimum tax or taxes payable under the "SIFT trust" rules in the ITA). Unless the Issuer Trustee, in its sole

discretion determines otherwise, the following amounts will, without any further actions on the part of the Issuer Trustee, be due and payable to the Unitholders of record on the last day in each taxation year throughout which all Unitholders are Specified Unitholders:

(a) an amount equal to the amount, if any, by which the Income of the Trust for such year exceeds the aggregate of (A) the aggregate of the portions of the distributions paid or payable by the Trust which have been determined by the Issuer Trustee to have been payable by the Trust out of the Income of the Trust for such year, if any, and (B) the aggregate of the portions of distributions deemed by subsection 11.2(2)(a) to be paid or payable by the Trust out of the Income of the Trust for such year; and

(b) an amount equal to the amount, if any, by which the Net Realized Capital Gains of the Trust for such year exceeds the aggregate of (A) any amount of the Net Realized Capital Gains of the Trust Allocated on Redemption for the year payable to redeeming Unitholders pursuant to subsection 4.1(5), (B) the aggregate of the portions of the distributions paid or payable by the Trust which have been determined by the Issuer Trustee to have been payable by the Trust out of Net Realized Capital Gains of the Trust for such year, if any, and (C) the aggregate of the portions of distributions deemed by subsection 11.2(2)(b) to be paid or payable by the Trust out of the Net Realized Capital Gains of the Trust for such year, if any.

Any determinations by the Issuer Trustee not to make a distribution described in this subsection 11.1(4) must be exercised by the Issuer Trustee in writing prior to December 31 of the applicable taxation year.

(5) The Issuer Trustee retains discretion to make payable to Unitholders all of the Income of the Trust and Net Realized Capital Gains of the Trust for each taxation year not described in subsection 11.1(4) above, but any such distribution would require the consent of all Unitholders in such year (other than a Unitholder described in paragraph (a) of the definition of Specified Unitholder).

(6) The proportionate share of each Unit of the amount of any distribution made pursuant to this section will be determined by dividing such amount by the number of issued and outstanding Units on the applicable record date in respect of a distribution pursuant to subsections 4.1(5), 11.1(1) or 11.1(2) and on the last day of the taxation year in respect of a distribution pursuant to subsection 11.1(4). Each Unitholder's share of the amount of any such distribution will be an amount equal to the proportionate share of each Unit of such amount multiplied by the number of Units owned of record by each such Unitholder on such applicable record date or the last day of the taxation year, as the case may be, and such Unitholder shall, on such date, be entitled to enforce payment of the Unitholder's share. Subject to subsections 4.1(5) and 11.1(2) and section 11.3, amounts which are payable to Unitholders will be paid in cash.

11.2 Allocation

(1) Subject to subsection 11.2(2), distributions payable to the Unitholders pursuant to Article 11 will be deemed to be distributions of Income of the Trust (including dividends), Net Realized Capital Gains of the Trust, returns of capital of the Trust or other items in such amount as the Issuer Trustee in its absolute discretion determines and will be allocated to the Unitholders in the same proportions as distributions received by the Unitholders.

(2) If the Issuer Trustee has declared to be payable or made one or more distributions in a taxation year pursuant to subsection 11.1(1) without determining the portion of such distributions that is payable out of Income of the Trust, Net Realized Capital Gains of the Trust, capital of the Trust or otherwise, such distributions shall be deemed to be paid or payable out of:

(a) first, the Income of the Trust for such year to the extent, if any, that the Income of the Trust for such year exceeds the aggregate of the amounts in subsection 11.1(4)(a)(A);

(b) second, the Net Realized Capital Gains of the Trust for such year to the extent, if any, that the Net Realized Capital Gains of the Trust for such year exceeds the aggregate of the amounts in subsection 11.1(4)(b)(A) and 11.1(4)(b)(B); and

(c) as to any balance, the capital of the Trust;

and such amounts will be allocated to the Unitholders in the same proportions as such distributions were received by the Unitholders.

(3) For greater certainty it is hereby declared that any distribution of Net Realized Capital Gains of the Trust will include the non-taxable portion of the capital gains of the Trust which are included in such distribution.

11.3 Payment of Distributions

(1) Distributions to a Unitholder (other than distributions described in subsections 4.1(5) and 11.1(2)) will be made by cash, wire transfer or cheque payable to or to the order of the Unitholder or by such other manner provided for in subsection 11.3(3). The payment, if made by cheque, will be conclusively deemed to have been made upon hand delivery of a cheque to the Unitholder or to its agent duly authorized in writing or upon the mailing of a cheque by prepaid first-class mail addressed to the Unitholder at its address set out in the records of the Issuer Trustee unless the cheque is not paid on presentation, or in any other manner determined by the Issuer Trustee in its discretion. The Issuer Trustee may issue a replacement cheque if it is satisfied that the original cheque has not been received or has been lost or destroyed upon being furnished with such evidence of loss, indemnity or other document in connection therewith that the Issuer Trustee may in its discretion consider necessary.

(2) The Issuer Trustee may, in its sole discretion, transfer temporarily from capital to income within the Trust sufficient cash to facilitate payments of Income of the Trust to Unitholders.

A permanent transfer from capital to income may be effected if payments made by and /or expenses of the Trust in any year exceed the aggregate of the net income and Net Realized Capital Gains of the Trust in such year.

(3) Without limiting the generality of the foregoing, a distribution to a Unitholder may be paid (i) by the issuance of additional Units, or fractions of Units having a fair market value equal to the amount of such distribution, (ii) by the issuance of a promissory note for a principal amount equal to the amount of such distribution and/or (iii) *in specie* by the transfer of Trust Property having a fair market value equal to the amount of such distribution, all as may be determined by the Issuer Trustee, acting reasonably. The Issuer Trustee acknowledges and agrees that it will elect to make payment to a Unitholder of the amount of a distribution in the manner described in this subsection 11.3(3) only if it has received prior written notice from the Unitholder that such payment method is acceptable, and the Unitholder makes the cash payment described in Section 11.7 to the Issuer Trustee, which written notice may be revoked in writing by the Unitholder at any time. If the Issuer Trustee elects to make payment of the amount of a distribution by the issuance of a promissory note, such promissory note shall bear interest at a fixed or floating rate, shall be repayable on demand or on the expiry of a stated term, and shall contain such other terms all of which may be determined by the Issuer Trustee such that the fair market value of such promissory note is equal to the amount of the distribution. Any such promissory note or additional Units issued, or Trust Property transferred, by the Trust shall constitute absolute and unconditional payment in full of the distribution and, by becoming a Unitholder, each Unitholder hereby acknowledges that any such note, additional Units or transfer of Trust Property will be accepted by the Unitholder as such absolute and unconditional payment of the distribution payable to the Unitholder.

11.4 Legal Rights

For greater certainty, it is hereby declared that the Unitholders shall have the legal right to enforce payment of any amount to be distributed or payable hereunder at the time such amount is due and payable.

11.5 Income Tax Matters

In reporting income for income tax purposes, the Trust will claim the maximum amount available to it as deductions under the relevant law, unless the Issuer Trustee determines otherwise.

11.6 Designations

In accordance with and to the extent permitted by the ITA, the Issuer Trustee will, in each taxation year, make such designations for income tax purposes in respect of amounts paid or payable or deemed to be paid to the Unitholders for such amounts that the Issuer Trustee considers to be reasonable in all circumstances, including designations relating to taxable dividends received or deemed to be received by the Trust in the year on shares of taxable Canadian corporations, net taxable capital gains of the Trust in the year and foreign source income of the Trust and foreign taxes in respect of such foreign source income for the year, if any.

11.7 Withholding Taxes

The Issuer Trustee will deduct or withhold from distributions or other amounts payable under this Declaration of Trust amounts required by law to be deducted or withheld from such distributions or payments, whether such distributions or payments are satisfied in the form of cash, cheque, promissory note, additional Units or otherwise. To the extent that any amounts are deducted or withheld from payments made by cash, cheque or wire transfer, including those described in subsection 11.3(1), such deducted or withheld amounts shall be treated for all purposes as having been paid to the recipient of the payment in respect of the distribution or other amount payable, provided that such deducted or withheld amounts are actually remitted in accordance with applicable law to the appropriate taxing authority. In the event that the Issuer Trustee makes a distribution or payment that is satisfied in a manner other than cash, cheque or wire transfer, including those described in subsections 4.1(3), 4.1(5) or 11.3(3), the recipient of the payment shall provide cash to the Issuer Trustee in amount equal to any required deduction or withholding, which the Issuer Trustee shall forthwith remit to the appropriate taxing authority on behalf of the Unitholder.

When any Person that is a Permitted Successor acquires the properties and assets of the Servicer substantially as a whole or otherwise becomes the successor, by merger, conversion, consolidation, sale, transfer, lease or otherwise, to all or substantially all the assets of the Servicer in accordance with the terms of this Section 3.12, then, upon satisfaction of all of the other conditions of this Section 3.12, the preceding Servicer shall automatically and without further notice be released from all of its obligations hereunder (except for responsibilities for its actions prior to such release).

No such resignation shall become effective until a Successor Servicer that is a Permitted Successor has assumed the servicing obligations and duties hereunder of the Servicer in accordance with Section 7.2.

3.14 IESO Regulatory Obligation to Pay Carrying Costs

(a) The IESO acknowledges that it has an obligation pursuant to the Regulations to pay monthly Carrying Costs to the Issuer for the prescribed period set out in the Regulations (the "**Prescribed Period**") and agrees to comply with its obligations under the Regulations to pay and remit the Carrying Costs to the Issuer.

(b) On or before the 4th Business Day of each calendar month during the Prescribed Period, the Issuer shall prepare and deliver to the IESO a written statement substantially in the form of Exhibit B (a "**Monthly Carrying Costs Statement**") certifying the amount of the Carrying Costs expected to be incurred in the following calendar month ("**Monthly Carrying Costs**"). If requested by the IESO, the Issuer shall, in lieu of providing the Monthly Carrying Costs Statement, enter the amount of such expected Monthly Carrying Costs in the IESO operated portal, or such other similar facility operated by the IESO, and such entry shall be deemed to be a certification of the accuracy of the amount entered.

(c) On or before the 14th Business Day following receipt by the IESO of the Monthly Carrying Costs Statement, the IESO shall, as required under the Regulations, deliver or cause to be delivered to the Issuer, by wire transfer or electronic funds transfer in immediately available funds, an amount in Canadian dollars equal to the expected Monthly Carrying Costs certified by the Issuer in the applicable Monthly Carrying Costs Statement.

(d) To the extent that the expected Monthly Carrying Costs certified in a Monthly Carrying Costs Statement are less than or greater than the actual Monthly Carrying Costs incurred in respect of a calendar month, an adjustment shall be made to the expected Monthly Carrying Costs for the calendar month for which the first Monthly Carrying Costs Statement is issued after the amount of the discrepancy is determined or any such overpayment shall be returned to the IESO.

3.15 IESO Security for CEA Remittances

The IESO shall provide to the Issuer, on or prior to the first day of the first Billing Period when amounts are invoiced to Specified Consumers in respect of Clean Energy Adjustments, security for any failure of Non-Investment Grade Rated Electricity Vendors to remit their Electricity Vendor CEA Collections in the form of (x) a letter of credit from a provider that satisfies the Rating Agency Condition and with a term extending to the first day of the immediately following calendar year, or (y) a performance guarantee or such other form of security as may be acceptable to the Issuer and that satisfies the Rating Agency Condition.

The amount of security required by the IESO pursuant to this Section 3.15 will be calculated on an annual basis and will be equal to the amount determined in accordance with the following formula, or such other lower amount as may be proposed by the Servicer, is acceptable to the Issuer and satisfies the Rating Agency Condition:

((A / B) x C x D / 365 x E)

where A, B, C, D and E are as follows:

A = for the most recent completed 12 month period for which information is available, as provided by the Servicer, the aggregate amount of energy consumed by Specified Consumers of all Non-Investment Grade Rated Electricity Vendors.

B = for the same 12 month period used for A, as provided by the Servicer, the aggregate amount of energy consumed by all Specified Consumers.

C = for the most current 12 month forecast period available, as provided by OPG, in its capacity as the Financial Services Manager under the Act, the Clean Energy Adjustment amounts estimated to be payable by all Specified Consumers.

D = 45, which represents an estimated number of days that total Clean Energy Adjustment amounts are expected to be held by Electricity Vendors, or such other number as mutually agreed to in writing by the Issuer and the Servicer and that satisfies the Rating Agency Condition;

E = 0.50, or another value as mutually agreed to in writing by the Issuer and the Servicer and that satisfies the Rating Agency Condition.

Except in respect of information provided by a third party, all written information, as amended or supplemented from time to time, provided by the Transferor to the Issuer with respect to the Issuer in a Transfer Notice and a Monthly Servicer Report is true and correct in all material respects and does not omit any material fact.

(i) The Transfer. After the completion of the Transfer on the applicable Closing Date, the IESO will have no right, title or interest in the Investment Interest

related to the Specified Portion of the Regulatory Asset as set forth in the applicable Transfer Notice, and the related Investment Interest shall not form part of the estate of the IESO in the event of an Insolvency Event in respect of the IESO.

(j) No Transfer. Except for Permitted Transfers, the IESO has not sold, transferred, assigned or otherwise conveyed any interest in the Regulatory Asset to any Person.

(k) Liens. IESO has not pledged or otherwise granted a Lien to any Person in the Regulatory Asset and to the IESO's knowledge (after due inquiry), there is no registered financing statement listing the IESO as debtor covering or extending to the Regulatory Asset.

(l) Tax Liens. The IESO (i) is not aware, after due inquiry, of any judgment or tax lien filing against the IESO, and (ii) is not a non-resident of Canada for purposes of the *Income Tax Act* (Canada).

(m) Solvency. On the date hereof and after giving effect to each Transfer, the IESO:

(i) reasonably believes that it will be able to pay its debts as they come due; and

(ii) is able to pay its debts as they mature and does not intend to incur, or believes that it will not incur, indebtedness that it will not be able to repay at its maturity.

(n) No Court Order. There is no order by any court that seeks to enjoin the performance of any obligations of the IESO under the Act or this Agreement.

4.2 Survival

The representations and warranties set forth in Section 4.1 shall survive the execution and delivery of this Agreement, each Transfer of a Specified Portion of a Regulatory Asset to the Issuer and the pledge of the corresponding Investment Asset to the Indenture Trustee pursuant to the Indenture and may not be waived by any party hereto except pursuant to a written agreement executed in accordance with Section 8.2 and as to which the Rating Agency Condition has been satisfied.

ARTICLE 5
COVENANTS OF THE IESO

5.1 Existence

So long as any Issuer Funding Obligations are outstanding, the IESO (a) shall not take any action to impair its corporate existence, and (b) will obtain and preserve its qualification to do business in the Province of Ontario.

5.2 No Transfer or Liens

Except for Transfers under this Agreement to the Issuer or Permitted Transfers, the IESO will not Transfer the Regulatory Asset or any portion thereof to any person. The IESO will not grant, create, incur, assume or suffer to exist any Lien on the Regulatory Asset or any portion thereof. The IESO will not at any time assert any Lien against or with respect to the Issuer Investment Interest, except for any Lien granted by the Issuer to the IESO.

5.3 Notice of Liens

The IESO shall notify the Issuer promptly after becoming aware of any Lien on any portion of the Regulatory Asset.

5.4 Compliance with Law

The IESO will comply with all Requirements of Law applicable to, and binding upon, the IESO or relating to the Regulatory Asset, except to the extent that failure to so comply would not materially adversely affect the Transfer of Specified Portions of the Regulatory Asset or the IESO's performance of its obligations under this Agreement; provided, however, that the foregoing is not intended to, and shall not, impose any liability on the IESO for non-compliance with any Requirement of Law that the IESO is contesting in good faith in accordance with its customary standards and procedures.

5.5 Covenants Related to the Investment Interest

(a) So long as any Issuer Funding Obligations are outstanding, the IESO shall treat the Issuer Investment Interest as the Issuer's property for all purposes.

(b) Except for investments held for employee benefit purposes, the IESO shall not at any time become a holder of Issuer Funding Obligations.

(c) The IESO shall disclose the effects of all transactions between the IESO and the Issuer in accordance with generally accepted accounting principles (for government entities).

(d) (i) In all Proceedings relating directly or indirectly to the Issuer Investment Interest, the IESO shall affirmatively certify and confirm that it has Transferred all of its rights and interests in and to the Specified Portions of the Regulatory Asset giving rise to the Issuer Investment Interest, (ii) the IESO shall not make any statement or reference in respect of the Issuer Investment Interest that is inconsistent with the ownership interest of the Issuer, and (iii) the IESO shall not take any action in respect of the Issuer Investment Interest except solely in its capacity as the Servicer thereof pursuant to this Agreement.

5.6 Non-petition Covenants

Notwithstanding any prior termination of this Agreement or the Indenture, the IESO shall not, prior to the date that is one year plus one day after termination of the Indenture

and the payment in full of all Issuer Funding Obligations and any other amounts owed under the Indenture, petition or otherwise invoke the process of any Governmental Authority for the purpose of commencing or sustaining a Proceeding against the Issuer under any Canadian bankruptcy, insolvency or similar law, appointing a receiver, liquidator, assignee, trustee, custodian, sequestrator or other similar official or any substantial part of the property of the Issuer.

5.7 Disclosure

The IESO shall provide such non-confidential information regarding IESO, the Regulatory Asset and the services provided by the Servicer hereunder (collectively, the "**IESO Disclosure**") as may be reasonably requested by the Issuer for inclusion in any offering document of the Issuer from time to time, including but not limited to offering memoranda, prospectuses, registration statements and continuous disclosure documents (the "**Offering Documents**"). Provided that the IESO has been given a reasonable opportunity by the Issuer to review any such Offering Documents and has provided its consent to the use of such IESO Disclosure, the IESO will represent that, except in respect of information provided by a third party, all IESO Disclosure, as at the respective dates of delivery to the Issuer, is true and correct in all material respects and contains no misrepresentation.

5.8 Further Assurances

Upon the request of the Issuer, the IESO shall execute and deliver such further instruments and do such further acts as may reasonably be necessary to carry out the provisions and purposes of this Agreement.

5.9 Access to Certain Records and Information

The IESO shall provide to the Issuer access to all records relating to the IESO Deferral, the Fair Hydro Variance Account, the IESO Segregated Account and Servicer CEA Receipts, as is reasonably required for the Issuer to confirm compliance by the IESO with its obligations under this Agreement. Access shall be afforded without charge, but only upon reasonable request and during normal business hours at the offices of the IESO. Nothing in this Section 5.9 shall affect the obligation of the IESO to comply with any Requirement of Law prohibiting disclosure of information, and the failure of the IESO to provide access to such information as a result of such obligation shall not constitute a breach of this Section 5.9.

5.10 Maintenance of Operations

Subject to Section 3.12, the IESO agrees to continue, unless prevented by circumstances beyond its control, to operate as the electricity system operator in the Province of Ontario so long as it is acting as the Servicer under this Agreement.

ARTICLE 6
IESO INDEMNITIES

6.1 Liability of the IESO; Indemnities

(a) The IESO shall indemnify the Issuer and each of its trustees, officers, directors and employees (each, an "**Indemnified Party**"), for, and defend and hold harmless each such Person from and against, any and all liabilities, obligations, losses, damages, payments and claims, and reasonable costs or expenses, of any kind whatsoever (collectively, "**Indemnified Losses**") imposed on, incurred by or asserted against such Person, as a result of (i) the failure of the IESO to perform its covenants and other obligations under this Agreement or any other Program Agreement to which the IESO is a party; or (ii) the breach by the IESO of any of its representations or warranties under this Agreement or any other Program Agreement to which the IESO is a party and, except to the extent of Indemnified Losses resulting from the willful misconduct, bad faith or gross negligence of such Person, seeking indemnification hereunder; provided that, in each case, the IESO shall not be required to indemnify an Indemnified Party for any amount paid or payable by such Indemnified Party in the settlement of any Proceeding or investigation without the written consent of the IESO, which consent shall not be unreasonably withheld or delayed. Promptly after receipt by an Indemnified Party of notice of the commencement of any Proceeding or investigation, such Indemnified Party shall, if a claim in respect thereof is to be made against the IESO under this Section 6.1(a), notify the IESO in writing of the commencement thereof. Failure by an Indemnified Party to so notify the IESO shall relieve the IESO from the obligation to indemnify and hold harmless such Indemnified Party under this Section 6.1(a) only to the extent that the IESO suffers actual prejudice as a result of such failure. With respect to any Proceeding or investigation brought by a third party for which indemnification may be sought under this Section 6.1(a), the IESO shall be entitled to conduct and control, at its expense and with counsel of its choosing that is reasonably satisfactory to such Indemnified Party, the defence of any such Proceeding or investigation (in which case the IESO shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the Indemnified Party except as set forth below); provided, that the Indemnified Party shall have the right to participate in such Proceeding or investigation through counsel chosen by it and at its own expense. Notwithstanding the IESO's election to assume the defence of any Proceeding or investigation, the Indemnified Party shall have the right to employ separate counsel, and the IESO shall bear the reasonable fees, costs and expenses of such separate counsel, if (i) the defendants in any such action include both the Indemnified Party and the IESO and the Indemnified Party shall have reasonably concluded that there may be legal defences available to it that are different from or additional to those available to the IESO, (ii) the IESO shall not have employed counsel reasonably satisfactory to the Indemnified Party to represent the Indemnified Party within a reasonable time after notice of the institution of such action, (iii) the Indemnified Party shall have been advised by counsel to the Indemnified Party that there may be a conflict of interest between the IESO and the Indemnified Party, or (iv) the IESO authorizes the Indemnified Party to employ separate counsel at the expense of the IESO. Notwithstanding the foregoing, the IESO shall not be obligated to pay for the fees, costs and expenses

of more than one separate counsel for the Indemnified Parties other than one local counsel, if appropriate. The IESO will not, without the prior written consent of the Indemnified Party, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim or Proceeding in respect of which indemnification may be sought under this Section 6.1(a) (whether or not the Indemnified Party is an actual or potential party to such claim or action) unless such settlement, compromise or consent includes an unconditional release of the Indemnified Party from all liability arising out of such claim or Proceeding.

(b) For purposes of Section 6.1(a), in the event of the termination of the rights and obligations of the IESO (or any successor thereto pursuant to Section 3.12) as Servicer pursuant to Section 7.1, or a resignation by such Servicer pursuant to Section 3.13 of this Agreement, the IESO shall be deemed to be the Servicer pending appointment of a Successor Servicer pursuant to Section 7.2.

(c) Indemnification under Section 6.1(a) shall survive any repeal of, modification of, or supplement to, or judicial invalidation of, the Act and shall survive the termination of this Agreement and will rank *pari passu* with other general, unsecured obligations of the IESO.

(d) Notwithstanding anything contained in this Agreement, it is expressly understood that the IESO is not agreeing to indemnify or hold the Issuer or any Indemnified Party harmless with respect to any of the following:

(i) any losses resulting from any breach or failure to perform by the IESO caused by a breach or failure to perform on the part of any other third party under any Program Agreement, the Act or the Regulations; provided that this Section 6.1(d)(i) shall not apply to limit the liability of the IESO in respect of any appointments as provided for in Section 3.10;

(ii) any losses resulting from changes in law after the date hereof, whether such changes in law are effected by means of any legislative enactment or any final and non-appealable judicial decision; or

(iii) any liability of the Issuer or any Indemnified Party incurred after the termination of this Agreement unless attributable to the actions or omissions of the IESO prior to such termination.

(e) The parties hereto agree that the IESO is not providing any representations, warranties or covenants in this Agreement, and shall have no liability to the Issuer or any Indemnified Party, with respect to the Clean Energy Adjustment amounts being sufficient to satisfy the Issuer Funding Obligations.

ARTICLE 7
SERVICER DEFAULT

7.1 Servicer Default

If any one or more of the following events (each, a "**Servicer Default**") shall occur and be continuing:

(a) any failure by the Servicer to remit to the Collection Account any required remittance that shall continue unremedied for a period of three Business Days after written notice of such failure is received by the Servicer from the Issuer or after discovery of such failure by a Responsible Officer of the Servicer;

(b) any failure on the part of the Servicer or, so long as the Servicer is the IESO, any failure on the part of the IESO, as the case may be, duly to observe or to perform in any respect any covenants or agreements of the Servicer or the IESO, as the case may be, set forth in this Agreement or in any other Program Agreement to which it is a party (other than as provided in Section 7.1(a)), which failure shall (i) materially and adversely affect the rights of the Specified Creditors and (ii) continue unremedied for a period of 30 days after the date on which (A) written notice of such failure, requiring the same to be remedied, shall have been given to the Servicer or the IESO, as the case may be, by the Issuer or (B) such failure is discovered by a Responsible Officer of the Servicer;

(c) any representation or warranty made by the Servicer in this Agreement, any other Program Agreement to which it is a party, any Transfer Notice or any Monthly Servicer Report shall prove to have been incorrect when made, which has a material adverse effect on the Issuer and which remains unremedied for a period of 30 days after the date on which (i) written notice thereof, requiring the same to be remedied, shall have been delivered to the Servicer by the Issuer or (ii) such failure is discovered by a Responsible Officer of the Servicer;

(d) an Insolvency Event occurs with respect to the Servicer or the IESO; or

(e) any additional "Servicer Default" as specified in any Co-Owner Agreement occurs;

then, and in each and every case, the Issuer may, subject to the terms of any Co-Owner Agreement, by notice then given in writing to the Servicer (a "**Termination Notice**"), terminate all the rights and obligations (other than the obligations set forth in Section 6.1 and the obligation under Section 7.2 to continue performing its functions as Servicer until a Successor Servicer is appointed) of the Servicer under this Agreement and under the Co-Owner Agreement. In addition, upon a Servicer Default described in Section 7.1(a), Issuer shall be entitled to apply to a court of appropriate jurisdiction for an order for sequestration and payment of revenues arising with respect to the Issuer. On or after the receipt by the Servicer of a Termination Notice, all authority and power of the Servicer under this Agreement, whether with respect to the Investment Interest, the Clean Energy Adjustments or otherwise, shall, without further action, pass to and be vested in such Successor Servicer as may be appointed under Section 7.2; and,

without limitation, the Issuer is hereby authorized and empowered to execute and deliver, on behalf of the predecessor Servicer, as attorney-in-fact or otherwise, any and all documents and other instruments, and to do or accomplish all other acts or things necessary or appropriate to effect the purposes of such Termination Notice, whether to complete the transfer of all documents and records related to the Regulatory Asset, the Fair Hydro Variance Account and related documents or records, or otherwise (the "**Records**"). The predecessor Servicer shall cooperate with the Successor Servicer and the Issuer in effecting the termination of the responsibilities and rights of the predecessor Servicer under this Agreement, including the transfer to the Successor Servicer for administration by it of all Records and all cash amounts that shall at the time be held by the predecessor Servicer for remittance, or shall thereafter be received by it with respect to the Investment Interest or the Clean Energy Adjustment. As soon as practicable after receipt by the Servicer of such Termination Notice, the Servicer shall deliver the Records to the Successor Servicer. If a Successor Servicer has been appointed as a result of a Servicer Default, all reasonable costs and expenses (including reasonable legal fees and expenses) incurred in connection with transferring the Records to the Successor Servicer and amending this Agreement and any Co-Owner Agreement to reflect such succession as Servicer pursuant to this Section 7.1 shall be paid by the predecessor Servicer upon presentation of reasonable documentation of such costs and expenses. Termination of the IESO as Servicer shall not terminate the IESO's rights or obligations under this Agreement (except rights thereunder deriving from its rights as the Servicer hereunder).

7.2 Appointment of Successor Servicer

(a) Upon the Servicer's receipt of a Termination Notice pursuant to Section 7.1 or the Servicer's resignation or removal in accordance with the terms of this Agreement, the predecessor Servicer shall continue to perform its functions as Servicer under this Agreement, until a successor (a "**Successor Servicer**") shall have assumed in writing the obligations of the Servicer hereunder as described below. In the event of the Servicer's removal or resignation hereunder, the Issuer may, but subject to the provisions of the applicable Co-Owner Agreement, appoint a Successor Servicer and the Successor Servicer shall accept its appointment by a written assumption in form reasonably acceptable to the Issuer. If, within 30 days after the delivery of the Termination Notice, a Successor Servicer shall not have been appointed, the Issuer may petition a court of competent jurisdiction to appoint a Successor Servicer under this Agreement. A Person shall qualify as a Successor Servicer only if (i) such Person is permitted under the Act to perform the duties of the Servicer, (ii) the Rating Agency Condition shall have been satisfied with respect to such appointment, (iii) such Person enters into a master transfer and servicing agreement with the Issuer having substantially the same provisions as this Agreement and (iv) such Person agrees to perform the obligations of the Servicer under any Co-Owner Agreement. In no event shall the Issuer be liable for its appointment of a Successor Servicer.

(b) Upon appointment, the Successor Servicer shall be the successor in all respects to the predecessor Servicer and shall be subject to all the responsibilities, duties and liabilities arising thereafter placed on the predecessor Servicer and shall be

entitled to all the rights granted to the predecessor Servicer by the terms and provisions of this Agreement.

7.3 Waiver of Past Defaults

The Issuer may waive in writing any default by the Servicer in the performance of its obligations hereunder and its consequences, subject to satisfaction of the Rating Agency Condition in respect of any waiver of a material default by the Servicer, and with prompt written notice of any waiver to be provided to the Rating Agencies. Upon any such waiver of a past default, such default shall cease to exist, and any Servicer Default arising therefrom shall be deemed to have been remedied for every purpose of this Agreement. No such waiver shall extend to any subsequent or other default or impair any right consequent thereto.

7.4 Notice of Servicer Default

The Servicer shall deliver to the Issuer and each Rating Agency, promptly after having obtained knowledge thereof, but in no event later than five Business Days thereafter, written notice of any event that, with the giving of notice or lapse of time, or both, would become a Servicer Default under Section 7.1.

7.5 Cooperation with Successor Servicer

The Servicer covenants and agrees with the Issuer that it will, on an ongoing basis, cooperate with the Successor Servicer and provide whatever information is, and take whatever actions are, reasonably necessary to assist the Successor Servicer in performing its obligations hereunder.

ARTICLE 8
MISCELLANEOUS

8.1 Acknowledgement of Indenture

The IESO (i) acknowledges and agrees in favour of the Indenture Trustee that it is a Specified Creditor under the Indenture and its entitlements as a Specified Creditor are subject to the provisions applicable to Specified Creditors under the Indenture including, without limitation, Sections 7.04 through 7.11 and 8.13 (Payment Priorities), Section 7.12 (Payments Held in Trust), Section 8.11 (Control by Controlling Class Creditors), Section 8.12 (Limitation on Suits), Section 8.14 (Limited Recourse), Article IX (Indenture Trustee) (including all limitations of liability thereunder), Section 9.14 (Communications to Specified Creditors) and Section 16.01 (No Petition) of the Indenture; (ii) irrevocably authorizes and directs the Indenture Trustee on its behalf to take such action (including the execution and delivery of documents of subordination) as may be necessary or appropriate to further assure the priority arrangements provided for in Article VI, Article VII and Section 8.13 of the Indenture, and appoints the Indenture Trustee as its agent for any and all such purposes; and (iii) consents, requests and authorizes the Issuer and the Indenture Trustee to (X) add the IESO (or its agent) to the register of Specified Creditors described in Section 13.13 of the Indenture and (Y) disseminate the notice details of the IESO to other Specified Creditors for the purposes set out in subsection 9.14(b) of the Indenture.

8.2 Amendment

This Agreement may be amended in writing by the IESO and the Issuer, and with satisfaction of the Rating Agency Condition, such satisfaction to be confirmed by the Issuer at the time of such amendment. Promptly after the execution of any such amendment, the Issuer shall furnish copies of such amendment to each of the Rating Agencies.

8.3 Withholding Rights

The parties shall be entitled to deduct and withhold from amounts payable under this Agreement such amounts as each is required to deduct and withhold with respect to such payment under the *Income Tax Act* (Canada) or any provision of any applicable federal, provincial, territorial, state, local or foreign tax law. To the extent that amounts are so withheld, such withheld amounts shall be treated for all purposes as having been paid to the recipient of the payment in respect of which such deduction and withholding was made, provided that such withheld amounts are actually remitted in accordance with applicable law to the appropriate taxing authority.

8.4 No Partnership

Each party expressly disclaims any intention to create a partnership, and none of the Issuer or the IESO will be deemed to be carrying on business in partnership by reason of its execution and delivery of this Agreement or the exercise or performance by it of its respective rights and obligations hereunder.

8.6 Assignment

Notwithstanding anything to the contrary contained herein, except as provided in the provisions of this Agreement concerning the resignation of the Servicer, this Agreement may not be assigned by the IESO.

8.7 Limitations on Rights of Third Parties

The provisions of this Agreement are solely for the benefit of the IESO and the Issuer, and such Persons shall have the right to enforce the relevant provisions of this Agreement. Nothing in this Agreement, whether express or implied, shall be construed to give to any other Person any legal or equitable right, remedy or claim in the Issuer Investment Interest or under or in respect of this Agreement or any covenants, conditions or provisions contained herein.

8.8 Severability

Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remainder of such provision (if any) or the remaining provisions hereof (unless such construction shall be unreasonable), and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

8.9 Separate Counterparts; Electronic Delivery

This Agreement may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute but one and the same instrument. Delivery of an executed signature page to this Agreement by a party by electronic transmission will be as effective as delivery of a manually executed copy of this Agreement by such party.

8.10 Governing Law

This Agreement shall be construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein, and each party to this Agreement attorns to the non-exclusive jurisdiction of the courts of the Province of Ontario.

8.11 Grant of Security Interest to Indenture Trustee

The IESO hereby acknowledges and consents to the grant of a Lien by the Issuer to the Indenture Trustee pursuant to the Indenture for the benefit of the Specified Creditors against all right, title and interest of the Issuer in, to and under this Agreement, the Investment Interest and the proceeds thereof and the assignment of any or all of the Issuer's rights hereunder to the Indenture Trustee for the benefit of the Specified Creditors. The IESO further acknowledges and agrees that, pursuant to the terms of the Indenture, if the Issuer fails to exercise any of its rights under this Agreement, including any right to be indemnified by the IESO for Indemnified Losses pursuant to Article 6 of this Agreement, the Indenture Trustee shall be entitled, subject to the terms of the Indenture, to enforce such rights against the IESO directly on the Issuer's behalf.

8.12 Limitation of Liability of the Issuer Trustee

(a) It is expressly understood and agreed by the parties hereto that the Issuer Trustee is acting solely in its capacity as trustee of the Issuer, and not in any other capacity. The Issuer solely shall be responsible for the performance of the Issuer's obligations hereunder and the assets of the Issuer solely shall be subject to levy or execution in satisfaction of such obligations.

(b) The Issuer Trustee will not be subject to any liability whatsoever, in tort, in contract or otherwise, in connection with the Issuer's property or the Issuer's activities, to the Issuer's beneficiaries or to any other Person, for any action taken or permitted by the Issuer Trustee to be taken, or the Issuer Trustee's failure to compel in any way any former or acting Issuer Trustee to redress any breach of trust with respect to the execution of the duties of its office or in respect of the Issuer's property or the Issuer's activities, provided that the foregoing limitation will not apply in respect of action or failure to act arising from or in connection with dishonesty, bad faith, willful misconduct, gross negligence or reckless disregard of a duty by the Issuer Trustee. The Issuer Trustee, in doing anything or permitting anything to be done in respect of the execution of the duties of its office or in respect of the Issuer's property or the Issuer's activities, is, and will be conclusively deemed to be, acting as trustee of the Issuer and not in any other capacity. Except as to the extent provided in this Section 8.12, the Issuer Trustee will not be subject to any liability for any debts, liabilities, obligations, claims, demands, judgments, costs, charges or expenses against or with respect to the Issuer, arising out of anything done or permitted by it to be done or its failure to take any action in respect of the execution of the duties of its office or for or in respect of the Issuer's property or the Issuer's activities and resort will be had solely to the Issuer's property for the payment or performance thereof. No

property or assets of the Issuer Trustee owned in its personal capacity will be subject to levy, execution or other enforcement procedure with regard to any obligation under this Agreement.

(c) The holders of the units of the Issuer will not be subject to any liability whatsoever, in tort, in contract or otherwise, in connection with the Issuer's property or the Issuer's activities, to the Issuer's beneficiaries or to any other Person, for any action taken or permitted by it to be taken. The holders of the units of the Issuer will not be subject to any liability for any debts, liabilities, obligations, claims, demands, judgments, costs, charges or expenses against or with respect to the Issuer, arising out of anything done or permitted by it to be done or its failure to take any action in respect of the execution of the duties of its office or for or in respect of the Issuer's property or the Issuer's activities and resort will be had solely to the Issuer's property for the payment or performance thereof. No property or assets of the holders of the units of the Issuer owned in their personal capacity will be subject to levy, execution or other enforcement procedure with regard to any obligation under this Agreement.

8.13 Waivers

Any term or provision of this Agreement may be waived, or the time for its performance may be extended, by the party or parties entitled to the benefit thereof, subject to the satisfaction of the Rating Agency Condition in respect of any material waiver. Any such waiver shall be validly and sufficiently authorized for the purposes of this Agreement if, as to any party, it is authorized in writing by an authorized representative of such party, with prompt written notice of any such waiver to be provided to the Rating Agencies. The failure of any party hereto to enforce at any time any provision of this Agreement shall not be construed to be a waiver of such provision, nor in any way to affect the validity of this Agreement or any part hereof or the right of any party thereafter to enforce each and every such provision. No waiver of any breach of this Agreement shall be held to constitute a waiver of any other or subsequent breach.

[Remainder of page intentionally left blank.]

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed by their respective officers as of the day and year first above written.

The Grantor hereby covenants and agrees with the Secured Party as follows:

(c) To do, make, execute and deliver such further and other assignments, transfers, deeds, agreements and other documents as may be required by the Secured Party to establish in favour of the Secured Party the security interest intended to be created hereby.

3.2 Performance of Covenants by the Secured Party

The Secured Party may, in its sole discretion and upon notice to and at the expense of the Grantor, perform any covenant of the Grantor under this Agreement that the Grantor fails to perform and that the Secured Party is capable of performing, provided that the Secured Party will not be obligated to perform any such covenant on behalf of the Grantor and no such performance by the Secured Party will require the Secured Party further to perform the Grantor’s covenants nor operate as a derogation of the rights and remedies of the Secured Party under this Agreement.

4. DEALING WITH COLLATERAL

4.1 Grantor’s Rights

Until the Secured Party is entitled to exercise its rights and remedies under Section 6.2, the Grantor shall be entitled to deal with the Collateral in the ordinary course of business, provided however, that no such action shall be taken which would impair the effectiveness of the security interests created hereby, the provisions of this Agreement or any other written agreement between the Secured Party and the Grantor.

4.2 General Restrictions

The Grantor shall not, without the prior written consent of the Secured Party:

(a) sell, lease or otherwise dispose of the Collateral or any part thereof except in the ordinary course of business; or

4.3 Release by the Secured Party

The Secured Party may, at its discretion, at any time release from the security interest created by this Agreement any part or parts of the Collateral or any other security or any surety for the Statutory Obligation either with or without sufficient consideration therefor without thereby releasing any other part of the Collateral or any person from this Agreement.

5. REPRESENTATIONS AND WARRANTIES

5.1 Representations and Warranties

The Grantor hereby represents and warrants to the Secured Party, the matters set out below:

(a) **Incorporation and Qualifications** – The Grantor is a statutory corporation amalgamated under the laws of the Province of Ontario, with requisite power and authority to own its properties, to conduct its business as such properties are currently owned and such business is presently conducted by it, and to execute, deliver and carry out the terms of this Agreement.

(d) **Ownership of Collateral Free of Liens** – The Grantor is the owner of or has rights in the existing Collateral free and clear of any liens other than Permitted Liens.

(e) **Grantor Information** – Schedule A sets forth (a) the Grantor's jurisdiction of incorporation, (b) the location of the Grantor's registered office and business operations and records, and (c) the Grantor's exact legal name (in English and French).

5.2 Reliance and Survival

All representations and warranties of the Grantor made in this Agreement shall survive the execution and delivery of this Agreement and shall continue in full force and effect without time limit. The Secured Party shall be deemed to have relied upon each such representation and warranty notwithstanding any investigation made by or on behalf of the Secured Party at any time.

6. ENFORCEMENT

6.1 Enforceability of Security

The security hereby constituted shall become enforceable only upon the failure of the Grantor to pay the Statutory Obligations when due, and then only to the extent of the Statutory Obligations not then paid when due. The Grantor acknowledges that it has no right in any circumstance to accelerate payment of the Statutory Obligations, to apply proceeds of Collateral on account of Statutory Obligations not yet due, or to reserve or hold proceeds of Collateral on account of Statutory Obligations not yet due.

6.2 Remedies

At any time that the security hereby constituted shall have become enforceable, the Secured Party may give notice of its intention to its exercise rights and remedies hereunder. At any time ten Business Days following the giving of such notice, and unless the amounts due and owing on account of the carrying Costs at the time of the Notice have been paid, the Secured Party shall have the following rights, powers and remedies:

(a) to appoint any person to be an agent or any person to be a receiver, manager or receiver and manager (herein called the "**Receiver**") of the Collateral and to remove any Receiver so appointed and to appoint another if the Secured Party so desires; it being agreed that any Receiver appointed pursuant to the provisions of this Agreement shall have all of the powers of the Secured Party hereunder;

(d) to enjoy and exercise all powers necessary or incidental to the performance of all functions provided for in this Agreement;

(e) to sell or dispose of all or any part of the Collateral whether by public or private sale or otherwise and on any terms so long as every aspect of the disposition is

commercially reasonable, including without limitation, terms that provide time for payment on credit;

(f) to enjoy and exercise in respect of the Collateral all of the rights and remedies of a secured party under the PPSA;

(g) to notify the account debtors or obligors under any Accounts which constitute part of the Collateral of the assignment of such Accounts to the Secured Party and to direct such account debtors or obligors to make payment of all amounts due or to become due to the Grantor thereunder directly to the Secured Party and to give valid and binding receipts and discharges therefor and in respect thereof and, upon such notification and at the expense of the Grantor, to enforce collection of any such Accounts, and to adjust, settle or compromise the amount or payment thereof, in the same manner and to the same extent as the Grantor might have done; and

(h) to commence, continue or defend proceedings in any court of competent jurisdiction in the name of the Secured Party, the Receiver or the Grantor for the purpose of exercising any of the rights, powers and remedies set out in this Section, including the institution of proceedings for the appointment of a receiver, manager or receiver and manager of the Collateral.

6.3 Special Rules re Accounts

At any time that the Secured Party is entitled to exercise its rights and remedies under Section 6.2,

(a) all Money or other form of payment received by the Grantor in respect of the Collateral shall be received in trust for the benefit of the Secured Party hereunder, shall be segregated from other funds of the Grantor and shall be forthwith paid over to the Secured Party in the same form as so received (with any necessary endorsement) to be held as cash collateral and applied as provided by Section 6.8; and

(b) the Grantor shall not adjust, settle or compromise the amount or payment of any Collateral.

6.4 Receiver as Agent

The Receiver shall be deemed to be the agent of the Grantor for the purpose of establishing liability for the acts or omissions of the Receiver and the Secured Party shall not be liable for such acts or omissions and, without restricting the generality of the foregoing, the Grantor hereby irrevocably authorizes the Secured Party to give instructions to the Receiver relating to the performance of its duties as set out herein.

6.5 Expenses of Enforcement

The Grantor shall pay to the Receiver the remuneration of the Receiver and all costs and expenses (including, without limitation, legal fees and disbursements on a full indemnity basis)

properly incurred by the Receiver pursuant to its appointment and the exercise of its powers hereunder, and shall pay to the Secured Party and the Receiver as required all amounts of Money (including interest thereon) borrowed or advanced by either of them pursuant to the powers set out herein, and the obligations of the Grantor to the Secured Party and the Receiver pursuant to this Section 6.5 shall be payable on demand.

6.6 Indulgences and Releases

Either the Secured Party or the Receiver may grant extensions of time and other indulgences, take and give up securities, accept compositions, grant releases and discharges, release any part of the Collateral to third parties and otherwise deal with the Grantor, debtors of the Grantor, sureties and others and with the Collateral and other security as the Secured Party or the Receiver may see fit without prejudice to the right of the Secured Party and the Receiver to repossess, hold, collect and realize the Collateral.

6.7 No Liability for Failure to Exercise Remedies

The Secured Party and the Receiver shall not be liable or accountable to the Grantor or to any other person for any failure to exercise any of the rights, powers and remedies set out in this Agreement, and shall not be bound to commence, continue or defend proceedings for the purpose of preserving or protecting any rights of the Secured Party, the Receiver, the Grantor or any other party in respect of the same.

6.8 Proceeds of Disposition

All Moneys received by the Secured Party or by the Receiver pursuant to Section 6.2 shall be promptly applied as follows:

(a) first, in payment of all costs and expenses incurred by the Secured Party in the exercise of all or any of the powers granted to it under this Agreement and in payment of all of the remuneration of the Receiver and all costs and expenses properly incurred by the Receiver in the exercise of all or any of the powers granted to it under this Agreement, including, without limitation, the remuneration, costs and expenses referred to in Section 6.5;

(b) second, in payment of all amounts of Money borrowed or advanced by either of the Secured Party or the Receiver pursuant to the powers set out in this Agreement and any interest thereon;

(c) third, in payment of the Statutory Obligation, provided that if there are not sufficient Moneys to fully pay and perform the Statutory Obligation, the Secured Party may apply the Moneys available to such part or parts thereof as the Secured Party, in its sole discretion, may determine; and

(d) fourth, in payment of any surplus in accordance with applicable law.

6.9 Grantor Liable for Deficiency

If the Moneys received by the Secured Party or the Receiver pursuant to Section 6.2 are not sufficient to pay the claims set out in Section 6.8, the Grantor shall immediately pay the Secured Party the amount of such deficiency.

6.10 Restriction on Grantor

Upon notification of the account debtors or obligors under any Accounts which constitute part of the Collateral of the assignment of such Accounts to the Secured Party or the appointment of a Receiver in respect of the Collateral, all the powers, functions, rights and privileges of the Grantor or any officer, director, servant or agent of the Grantor with respect to the Collateral shall, to the extent permitted by applicable law, be suspended unless specifically continued by the written consent of the Secured Party; however, all other powers, functions, rights and privileges of the Grantor or any officer, director, servant or agent of the Grantor shall be unaffected by such events.

6.11 Rights Cumulative

All rights and remedies of the Secured Party set out in this Agreement shall be cumulative and no right or remedy contained herein is intended to be exclusive but each shall be in addition to every other right or remedy contained herein or in any existing or future security document or now or hereafter existing at law or in equity or by statute.

7. GENERAL

7.1 Waiver

Any default by the Grantor in the observance or performance of any covenant or condition required to be observed or performed by the Grantor hereunder, may only be waived by the Secured Party in writing, provided that (i) no such waiver by the Secured Party shall extend to or be taken in any manner to affect any subsequent breach or default or the rights resulting therefrom, (ii) the Rating Agency Condition is satisfied in respect of any waiver of a material default by the Grantor and (iii) prompt written notice of any waiver is provided to each Rating Agency.

7.2 The Secured Party as Attorney

At any time that the Secured Party is entitled to exercise its rights and remedies under Section 6.2, the Grantor hereby irrevocably appoints the Secured Party and any person further designated by the Secured Party to be the attorney of the Grantor for and in the name of the Grantor to execute and do any deeds, documents, transfers, demands, assignments, assurances, consents and things which the Grantor is obliged to sign, execute or do hereunder and, to commence, continue and defend any proceedings authorized to be taken hereunder and generally to use the name of the Grantor in the exercise of all or any of the powers hereby conferred on the Secured Party. These powers are coupled with an interest, have been given for valuable consideration (the receipt and adequacy of which is acknowledged), survive, and do not terminate upon, the bankruptcy, dissolution, winding up or insolvency of the Grantor, and are irrevocable until the Statutory Obligation has been satisfied in full and this Agreement is terminated and the security

interest created herein has been released. This power of attorney extends to and is binding upon the Grantor's successors and permitted assigns. The Grantor authorizes the Secured Party to delegate in writing to another person any power and authority of the Secured Party under this power of attorney as may be necessary or desirable in the opinion of the Secured Party, and to revoke or suspend such delegation.

---

WHEREAS the Government of Ontario has passed the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**") for the purpose of, among other things, ensuring that Clean Energy Costs and Clean Energy Benefits are fairly allocated among present and future Specified Consumers;

AND WHEREAS Ontario Power Generation Inc. has been appointed as Financial Services Manager under the Act to, among other things, evaluate whether potential Funding Obligations should be incurred by Financing Entities for the purposes of acquiring and financing Investment Interests;

AND WHEREAS the Issuer and the Manager have entered into the Management Agreement in furtherance of, and in accordance with, the Act;

AND WHEREAS the Manager has agreed to execute this Indemnity Agreement to provide certain indemnities with respect to its duties and obligations under the Management Agreement.

IN CONSIDERATION OF the mutual covenants and agreements herein and the sum of $1.00 and other good and valuable consideration (the receipt and sufficiency of which are hereby acknowledged) the parties hereto agree as follows:

1. Unless otherwise defined in this Indemnity Agreement, all capitalized terms used herein shall have the meanings ascribed thereto, either directly or by incorporation therein, in the Management Agreement.

2. The Manager shall indemnify the Indenture Trustee, on behalf of itself and on behalf of the Administrative Agent, each Funding Agent, each CP Conduit Purchaser, each Group Bank and each Non-Conduit Purchaser (in each case, in their respective capacities as such under the Supplemental Indenture) (each, an "**Indemnified Person**") and defend and hold harmless each such Indemnified Person from and against, any and all liabilities, obligations, losses, damages, payments and claims, and reasonable costs or expenses, of any kind whatsoever (collectively, "**Indemnified Losses**") imposed on, incurred by or asserted against each such Indemnified Person in connection with the Supplemental Indenture or the Series 2017-1 Notes issued thereunder, as a result of (i) the failure of the Manager to perform its covenants and other obligations under the Management

Agreement or any other Program Agreement to which the Manager is a party; or (ii) the breach by the Manager of any of its representations or warranties under the Management Agreement or any other Program Agreement to which the Manager is a party and, except to the extent of Indemnified Losses resulting from the willful misconduct, bad faith or gross negligence of such Indemnified Person seeking indemnification hereunder; provided that, in each case, the Manager shall not be required to indemnify an Indemnified Person for any amount paid or payable by such Indemnified Person in the settlement of any Proceeding or investigation without the written consent of the Manager, which consent shall not be unreasonably withheld or delayed. Promptly after receipt by an Indemnified Person of notice of the commencement of any Proceeding or investigation, such Indemnified Person shall, if a claim in respect thereof is to be made against the Manager under this Section 2, notify the Manager in writing of the commencement thereof. Failure by an Indemnified Person to so notify the Manager shall relieve the Manager from the obligation to indemnify and hold harmless such Indemnified Person under this Section 2 only to the extent that the Manager suffers actual prejudice as a result of such failure. With respect to any Proceeding or investigation brought by a third party for which indemnification may be sought under this Section 2, the Manager shall be entitled to conduct and control, at its expense and with counsel of its choosing that is reasonably satisfactory to such Indemnified Person, the defence of any such Proceeding or investigation (in which case the Manager shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the Indemnified Person except as set forth below); provided, that the Indemnified Person shall have the right to participate in such Proceeding or investigation through counsel chosen by it and at its own expense. Notwithstanding the Manager's election to assume the defence of any Proceeding or investigation, the Indemnified Person shall have the right to employ separate counsel, and the Manager shall bear the reasonable fees, costs and expenses of such separate counsel, if (i) the defendants in any such action include both the Indemnified Person and the Manager and the Indemnified Person shall have reasonably concluded that there may be legal defences available to it that are different from or additional to those available to the Manager, (ii) the Manager shall not have employed counsel reasonably satisfactory to the Indemnified Person to represent the Indemnified Person within a reasonable time after notice of the institution of such action, (iii) the Indemnified Person shall have been advised by counsel to the Indemnified Person that there may be a conflict of interest between the Manager and the Indemnified Person, or (iv) the Manager authorizes the Indemnified Person to employ separate counsel at the expense of the Manager. Notwithstanding the foregoing, the Manager shall not be obligated to pay for the fees, costs and expenses of more than one separate counsel for the Indemnified Persons other than one local counsel, if appropriate. The Manager will not, without the prior written consent of the Indemnified Person, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim or Proceeding in respect of which indemnification may be sought under this Section 2 (whether or not the Indemnified Person is an actual or potential party to such claim or action) unless such settlement, compromise or consent includes an unconditional release of the Indemnified Person from all liability arising out of such claim or Proceeding.

Indemnification under Section this 2 shall survive any repeal of, modification of, or supplement to, or judicial invalidation of, the Act and shall survive the termination of this

Indemnity Agreement or the Management Agreement and will rank pari passu with other general, unsecured obligations of the Manager.

Notwithstanding anything contained in this Indemnity Agreement or the Management Agreement, it is expressly understood that the Manager is not agreeing to indemnify or hold any Indemnified Person harmless with respect to any of the following: (i) any losses resulting from any breach or failure to perform by the Manager caused by a breach or failure to perform on the part of any other third party under any Program Agreement, the Act or the Regulations; provided that the foregoing clause (i) shall not apply to limit the liability of the Manager in respect of any delegation to a third party as provided for in section 4.7 of the Management Agreement; (ii) any losses resulting from changes in law after the date hereof, whether such changes in law are effected by means of any legislative enactment or any final and non-appealable judicial decision, other than losses resulting solely from the Manager's failure to comply with section 4.1(a)(xiv) of the Management Agreement; (iii) any losses resulting from the validity of the Change of Law Protection Agreement or the applicability thereof to the Province or to any Indemnified Person or any material part thereof being disaffirmed by or on behalf of the Province; or (iv) any liability of any Indemnified Person incurred after the termination of this Indemnity Agreement or the Management Agreement unless attributable to the actions or omissions of the Manager prior to such termination or in respect of a representation, warranty or covenant of the Manager that survives termination of this Indemnity Agreement or the Management Agreement.

To the fullest extent permitted by applicable law, no Specified Creditor (other than the Indenture Trustee) will have any right to institute any proceeding, judicial or otherwise, or to make any claim for indemnification, with respect to this Indemnity Agreement or the Management Agreement, or for the appointment of a receiver or trustee or similar official, or for any other remedy hereunder, except in accordance with Section 8.12 of the Indenture.

The parties hereto agree that the Manager is not providing any representations, warranties or covenants in this Indemnity Agreement or the Management Agreement, and shall have no liability to any Indemnified Person, with respect to the collectability of the Clean Energy Adjustment or the Carrying Costs, or that the Clean Energy Adjustment amounts or Carrying Costs collected will be sufficient to satisfy the Issuer Funding Obligations.

3. This Indemnity Agreement may be amended in writing by the Manager and the Indenture Trustee, and with satisfaction of the Rating Agency Condition, such satisfaction to be confirmed by the Indenture Trustee at the time of such amendment. Promptly after the execution of any such amendment, the Indenture Trustee shall furnish copies of such amendment to each of the Rating Agencies.

4. This Indemnity Agreement shall enure to the benefit of and shall be binding upon the Manager and the Indemnified Parties and their respective successors and assigns.

5. If one or more provision of this Indemnity Agreement is for any reason whatever held invalid, such provision will be deemed severable from the remaining covenants, agreements and provisions of this Indemnity Agreement and will in no way affect the validity or enforceability of such remaining provisions or the rights of any parties hereto.

6. This Indemnity Agreement shall be governed by and construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein.

7. This Indemnity Agreement may be executed in counterparts, each of which when so executed shall be deemed to be an original and the counterparts together shall constitute one and the same instrument. Delivery of an executed signature page to this Indemnity Agreement by any party by electronic transmission will be as effective as delivery of a manually executed copy of this Indemnity Agreement by such party.

---

WHEREAS the Government of Ontario has enacted the *Ontario Fair Hydro Plan Act*, 2017 (the "**Act**") for the purpose of, among other things, ensuring that clean energy costs and clean energy benefits (each as defined in the Act) are fairly allocated among present and future Specified Consumers;

AND WHEREAS, under the Act, the IESO is required to establish and maintain the Fair Hydro Variance Account, and has the right under the Act and the Regulations to record certain amounts in the Fair Hydro Variance Account and recover the balance from time to time of the Fair Hydro Variance Account from Specified Consumers (such right, the "**Regulatory Asset**");

AND WHEREAS the IESO may from time to time, in accordance with the Act, Transfer Specified Portions of the Regulatory Asset to the Issuer pursuant to Section 26(1) of the Act;

AND WHEREAS the Issuer and the Indenture Trustee are parties to a master trust indenture dated as of December 21, 2017 (as amended, restated, modified or supplemented (including by way of Supplemental Indentures) from time to time, the "**Indenture**");

AND WHEREAS the Issuer may finance the acquisition from the IESO, from time to time, of an Investment Interest through the incurrence of Funding Obligations under the Indenture;

AND WHEREAS in connection with its ownership of the Issuer Investment Interest and in order to collect the associated Clean Energy Adjustments in accordance with the Act, pursuant to the MTSA the Issuer has engaged the Servicer to carry out the services described therein;

AND WHEREAS, pursuant to the Indenture, the Issuer has granted a security interest (the "**Security Interest**") over, *inter alia*, all rights, benefits and powers of the Issuer under the MTSA, to and in favour of the Indenture Trustee on behalf of the Specified Creditors, as security for the due payment of all Obligations Secured;

AND WHEREAS the Servicer has agreed to execute this Acknowledgement and Indemnity Agreement to (i) acknowledge that the Security Interest has been granted to the Indenture Trustee, on behalf of the Specified Creditors, thereby assigning as security all of the rights,

benefits and powers of the Issuer under the MTSA to the Indenture Trustee, and (ii) provide certain indemnities with respect to its duties and obligations under the MTSA.

IN CONSIDERATION OF the mutual covenants and agreements herein and the sum of $1.00 and other good and valuable consideration (the receipt and sufficiency of which are hereby acknowledged) the parties hereto agree as follows:

1. Unless otherwise defined in this Acknowledgement and Indemnity Agreement, all capitalized terms used herein shall have the meanings ascribed thereto, either directly or by incorporation therein, in the MTSA.

2. The Servicer hereby acknowledges receipt of notice that (i) the Issuer has granted the Security Interest to the Indenture Trustee, on behalf of the Specified Creditors, and (ii) as a result of the grant of the Security Interest, the Issuer has assigned as security all of its rights, benefits and powers under the MTSA to the Indenture Trustee, on behalf of the Specified Creditors, and the Servicer hereby consents to such assignment.

3. The Servicer acknowledges and agrees that (i) the Indenture Trustee has the right to exercise remedies against, and enforce the duties and obligations of, the Servicer under the MTSA in place of the Issuer in all circumstances in which the Indenture Trustee is entitled to do so under the Indenture, (ii) upon receipt of notice from the Indenture Trustee that the Indenture Trustee is entitled to instruct the Servicer under the Indenture, the Servicer shall take instructions from the Indenture Trustee with respect to the performance of the Servicer's duties and obligations under the MTSA, and (iii) the Indenture Trustee has not assumed any of the obligations of the Issuer pursuant to the MTSA.

4. The Servicer shall indemnify the Indenture Trustee, on behalf of itself and on behalf of the Administrative Agent, each Funding Agent, each CP Conduit Purchaser, each Group Bank and each Non-Conduit Purchaser (in each case, in their respective capacities as such under the Supplemental Indenture) (each, an "**Indemnified Person**") and defend and hold harmless each such Indemnified Person from and against, any and all liabilities, obligations, losses, damages, payments and claims, and reasonable costs or expenses, of any kind whatsoever (collectively, "**Indemnified Losses**") imposed on, incurred by or asserted against each such Indemnified Person in connection with the Supplemental Indenture or the Series 2017-1 Notes issued thereunder, as a result of (i) the failure of the Servicer to perform its covenants and other obligations under the MTSA or any other Program Agreement to which the Servicer is a party; or (ii) the breach by the Servicer of any of its representations or warranties under the MTSA or any other Program Agreement to which the Servicer is a party and, except to the extent of Indemnified Losses resulting from the willful misconduct, bad faith or gross negligence of such Indemnified Person seeking indemnification hereunder; provided that, in each case, the Servicer shall not be required to indemnify an Indemnified Person for any amount paid or

payable by such Indemnified Person in the settlement of any Proceeding or investigation without the written consent of the Servicer, which consent shall not be unreasonably withheld or delayed. Promptly after receipt by an Indemnified Person of notice of the commencement of any Proceeding or investigation, such Indemnified Person shall, if a claim in respect thereof is to be made against the Servicer under this Section 4, notify the Servicer in writing of the commencement thereof. Failure by an Indemnified Person to so notify the Servicer shall relieve the Servicer from the obligation to indemnify and hold harmless such Indemnified Person under this Section 4 only to the extent that the Servicer suffers actual prejudice as a result of such failure. With respect to any Proceeding or investigation brought by a third party for which indemnification may be sought under this Section 4, the Servicer shall be entitled to conduct and control, at its expense and with counsel of its choosing that is reasonably satisfactory to such Indemnified Person, the defence of any such Proceeding or investigation (in which case the Servicer shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the Indemnified Person except as set forth below); provided, that the Indemnified Person shall have the right to participate in such Proceeding or investigation through counsel chosen by it and at its own expense. Notwithstanding the Servicer's election to assume the defence of any Proceeding or investigation, the Indemnified Person shall have the right to employ separate counsel, and the Servicer shall bear the reasonable fees, costs and expenses of such separate counsel, if (i) the defendants in any such action include both the Indemnified Person and the Servicer and the Indemnified Person shall have reasonably concluded that there may be legal defences available to it that are different from or additional to those available to the Servicer, (ii) the Servicer shall not have employed counsel reasonably satisfactory to the Indemnified Person to represent the Indemnified Person within a reasonable time after notice of the institution of such action, (iii) the Indemnified Person shall have been advised by counsel to the Indemnified Person that there may be a conflict of interest between the Servicer and the Indemnified Person, or (iv) the Servicer authorizes the Indemnified Person to employ separate counsel at the expense of the Servicer. Notwithstanding the foregoing, the Servicer shall not be obligated to pay for the fees, costs and expenses of more than one separate counsel for the Indemnified Persons other than one local counsel, if appropriate. The Servicer will not, without the prior written consent of the Indemnified Person, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim or Proceeding in respect of which indemnification may be sought under this Section 4 (whether or not the Indemnified Person is an actual or potential party to such claim or action) unless such settlement, compromise or consent includes an unconditional release of the Indemnified Person from all liability arising out of such claim or Proceeding.

Indemnification under this Section 4 shall survive any repeal of, modification of, or supplement to, or judicial invalidation of, the Act and shall survive the termination of the MTSA or this Acknowledgement and Indemnity Agreement and will rank pari passu with other general, unsecured obligations of the Servicer.

Notwithstanding anything contained in the MTSA or this Acknowledgement and Indemnity Agreement, it is expressly understood that the Servicer is not agreeing to indemnify or hold any Indemnified Person harmless with respect to any of the following: (i) any losses resulting from any breach or failure to perform by the Servicer caused by a breach or failure to perform on the part of any other third party under any Program Agreement, the Act or the Regulations; provided that this provision shall not apply to limit the liability of the IESO in respect of any appointments as provided for in Section 3.10 of the MTSA; (ii) any losses resulting from changes in law after the date hereof, whether such changes in law are effected by means of any legislative enactment or any final and non-appealable judicial decision; or (iii) any liability of the Indemnified Person incurred after the termination of the MTSA and this Acknowledgement and Indemnity Agreement unless attributable to the actions or omissions of the Servicer prior to such termination or in respect of a representation, warranty or covenant of the Servicer that survives termination of the MTSA or this Acknowledgement and Indemnity Agreement.

To the fullest extent permitted by applicable law, no Specified Creditor (other than the Indenture Trustee) will have any right to institute any proceeding, judicial or otherwise, or to make any claim for indemnification, with respect to this Acknowledgement and Indemnity Agreement, or for the appointment of a receiver or trustee or similar official, or for any other remedy hereunder, except in accordance with Section 8.12 of the Indenture.

The parties hereto agree that the IESO is not providing any representations, warranties or covenants in the MTSA or this Acknowledgement and Indemnity Agreement, and shall have no liability to any Indemnified Person, with respect to the collectability of the Clean Energy Adjustment, or whether the Clean Energy Adjustment Amounts or Carrying Costs collected will be sufficient to satisfy the Funding Obligations.

5. The parties hereto acknowledge and agree that the duties, liabilities and obligations of the IESO are limited as provided in this Section 5.

(a) IESO is not responsible for, or in respect of, any amounts not collected by Electricity Vendors from their customers or not remitted by Electricity Vendors to the Servicer.

(b) IESO is not responsible to confirm, verify or audit the amount of the Clean Energy Adjustment invoiced by Electricity Vendors or the Electricity Vendor CEA Collections collected by Electricity Vendors and reported to the IESO.

(c) IESO is not responsible for enforcing the obligations of Specified Consumers to pay, or the obligations of Electricity Vendors to invoice, collect or remit Clean Energy Adjustments or any other amounts, or to establish a segregated account into which Electricity Vendor CEA Collections are to be deposited, and IESO is

under no obligation to initiate or prosecute any legal action relating to the collection of the Clean Energy Adjustments or the Issuer Investment Interest.

(d) IESO is not responsible or liable for the performance by Electricity Vendors of their duties and responsibilities under the Act or the Regulations including (i) the invoicing of Specified Consumers in respect of the Clean Energy Adjustment and ancillary matters related thereto; (ii) the collection from Specified Consumers of amounts due in respect of such invoices and the remittance of such payments to the Servicer; (iii) the accuracy of any information provided by the Electricity Vendors; and (iv) any reporting by the Electricity Vendors, including the reporting to the Servicer of the total CEA Consumer Invoice Amounts invoiced by such Electricity Vendor to its Specified Consumers in respect of the Clean Energy Adjustment, the total Electricity Vendor CEA Collections received by such Electricity Vendor and the Issuer Share of Electricity Vendor CEA Collections received by such Electricity Vendor and any other reporting in the Electricity Vendor Billing Period Report.

(e) IESO is under no responsibility or obligation to any Person with respect to the nature or extent of the Issuer Investment Interest, the collectability of the Issuer Share of Servicer CEA Receipts or that the Issuer Share of Servicer CEA Receipts will be sufficient to satisfy the Issuer's Funding Obligations.

(f) IESO may rely in good faith on the advice of counsel or on any document of any kind, prima facie properly executed and submitted by any Person, respecting any matters arising under the MTSA.

(g) IESO shall have no liability or responsibility to any Person in respect of any forecasts or other information provided pursuant to the MTSA, provided only that such forecasts or other information has been prepared and provided in good faith.

(h) None of the directors, officers, employees or agents of IESO shall be liable to any Person for any action taken or for refraining from the taking of any action pursuant to the MTSA or this Acknowledgement and Indemnity Agreement or for good faith errors in judgment.

6. The Servicer and the Indenture Trustee shall execute and deliver, or cause to be executed and delivered, such instruments or further assurances as may be necessary or desirable to give effect to the provisions of this Acknowledgement and Indemnity Agreement.

7. This Acknowledgement and Indemnity Agreement may be amended in writing by the IESO and the Indenture Trustee, and with satisfaction of the Rating Agency Condition, such satisfaction to be confirmed by the Indenture Trustee at the time of such amendment. Promptly after the execution of any such amendment, the Indenture Trustee shall furnish copies of such amendment to each of the Rating Agencies.

8. This Acknowledgement and Indemnity Agreement shall enure to the benefit of and shall be binding upon the Servicer and the Indenture Indemnified Parties and their respective successors and assigns.

9. If one or more provision of this Acknowledgement and Indemnity Agreement is for any reason whatever held invalid, such provision will be deemed severable from the remaining covenants, agreements and provisions of this Acknowledgement and Indemnity Agreement and will in no way affect the validity or enforceability of such remaining provisions or the rights of any parties hereto.

10. This Acknowledgement and Indemnity Agreement shall be governed by and construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein.

11. This Acknowledgement and Indemnity Agreement may be executed in counterparts, each of which when so executed shall be deemed to be an original and the counterparts together shall constitute one and the same instrument. Delivery of an executed signature page to this Acknowledgement and Indemnity Agreement by any party by electronic transmission will be as effective as delivery of a manually executed copy of this Acknowledgement and Indemnity Agreement by such party.

Dated as of December [■], 2017

This **AGREEMENT**, among Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), Computershare Trust Company of Canada, in its capacity as trustee (the "**Financing Entity Trustee**") of Fair Hydro Trust, a trust organized under the laws of the Province of Ontario (the "**Financing Entity**"), Ontario Power Generation Inc., in its capacity as Manager of the Financing Entity and in its capacity as the Financial Services Manager in accordance with the Act (the "**FSM**") and BNY Trust Company of Canada, a trust company existing under the laws of Canada, as Indenture Trustee, is made and entered into as of December [■], 2017.

RECITALS

Pursuant to Subsection 5(3) of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**"), the Lieutenant Governor in Council may by order, authorize the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to agree to guarantee or indemnify certain debts, obligations, securities or undertakings associated with an Investment Interest.

Pursuant to an Order in Council 1981/2017 (the "**OIC**"), the Lieutenant Governor in Council has, among other things, authorized the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to enter into one or more agreements to guarantee or indemnify the debts, obligations, securities or undertakings of one or more financing entities established or caused to be established pursuant to Subsection 22(2) of the Act by the FSM and that may incur Funding Obligations in connection with one or more Investment Interests.

Pursuant to a Declaration of Trust dated as of December 20, 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

The Financing Entity Trustee, in its capacity as trustee of the Financing Entity, and the Indenture Trustee are parties to the Trust Indenture and propose to create and issue series of notes, bonds and other securities as contemplated therein, and to provide security over the assets and undertaking of the Financing Entity in respect of such notes, bonds and securities, as well as other Obligations Secured.

The Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, have determined to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Primary Obligations that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions at the time the Approved Obligation is incurred. This Agreement sets out the terms and conditions of such protections and assurances.

All things necessary to make this Agreement a valid and legally binding agreement of the Province, the Financing Entity, the FSM and the Indenture Trustee, in accordance with the Act, the OIC and the Trust Indenture, have been done.

AGREEMENT OF THE PARTIES

In consideration of the respective agreements herein contained, the parties hereto covenant and agree as follows:

Each of the provisions contained in this Agreement is distinct and severable and a declaration of invalidity or unenforceability of any such provision or part thereof by a court of competent jurisdiction will not affect the validity or enforceability of any other provision hereof. To the extent permitted by applicable law, the parties waive any provision of law which renders any provision of this Agreement invalid or unenforceable in any respect.

1.09 Governing Law

THIS AGREEMENT WILL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE PROVINCE OF ONTARIO AND THE FEDERAL LAWS OF CANADA APPLICABLE THEREIN, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

1.19 Judgment Currency

(a) If for the purpose of obtaining judgment in any court or for any other purposes (other than conversions specifically provided for in the agreement under which an Approved Obligation arises), it is necessary to convert any amount due under this Agreement from the currency in which it is due (the "**Original Currency**") into another currency (the "**Second Currency**"), the rate of exchange applied shall be that at which, in accordance with normal banking procedures, the purchaser could purchase, in the New York foreign exchange market, the Original Currency with the Second Currency on the date on which judgment is given. The obligation of the Province in respect of any Original Currency due from it to the Indenture Trustee under this Agreement shall, notwithstanding any judgment or payment in such other currency, be discharged only to the extent that, on the Business Day following receipt of any sum so paid or adjudged to be due under this Agreement in the Second Currency, the Indenture Trustee may, in accordance with normal banking procedures, purchase in the New York foreign exchange market the Original Currency with the amount of the Second Currency so paid or so adjudged to be due; and if the amount of the Original Currency so purchased is less than the amount originally due in the Original Currency, the Province shall indemnify the Indenture Trustee against such loss.

(b) The term "rate of exchange" in this Section 1.19 means the spot rate at which the Indenture Trustee, in accordance with normal practice, is able on the relevant date to purchase the Original Currency with the Second Currency and includes any premium and costs of exchange payable in connection with such purchase.

ARTICLE II
AGREEMENT TO PERFORM APPROVED OBLIGATIONS

2.01 Limited Guarantee

(a) Upon the occurrence of a Protection Event, the Indenture Trustee may deliver a written demand, substantially in the form attached as Exhibit A (a "**Payment Demand**"), to the Province requiring the Province to make payments in respect of the Approved Obligations at the times, in the amounts and subject to the requirements specified in this Agreement. From and after such delivery of a

Payment Demand, the Province shall make the following payments in respect of the Approved Obligations (the "**Limited Guarantee**"), the Financing Entity shall pay, and the Province shall be entitled to be paid, the Subrogation Amounts specified below, and the following terms shall apply:

i. Not less than three (3) Business Days prior to each day when any payment or payments are to be made in respect of one or more Approved Obligations occurring after such delivery of a Payment Demand (each such day, a "**Guarantee Payment Date**"), the Manager shall deliver a written statement setting forth the Aggregate Approved Obligations Amount, if any, in respect of the Approved Obligations that are due and payable on such Guarantee Payment Date, together with a detailed description identifying such Approved Obligations and the nature and amount of payments due and payable thereunder on the Guarantee Payment Date, the aggregate outstanding amount payable by the Financing Entity under such Approved Obligations as of the date of such written statement, and details regarding any default in performance by any party obligated thereunder.

ii. On each such Guarantee Payment Date, the Province shall deposit the Aggregate Approved Obligations Amount into the Protection Account.

iii. On each such Guarantee Payment Date, the Financing Entity and the Indenture Trustee shall ensure that the amounts on deposit in the Protection Account are applied to pay each Beneficiary to whom an amount is due and payable under an Approved Obligation on the Guarantee Payment Date the Approved Obligation Amount for such Beneficiary in respect of such Approved Obligation on such Guarantee Payment Date; provided that if the amount deposited pursuant to clause 2.01(a)ii is insufficient to pay all such Approved Obligation Amounts in full, the amount on deposit in the Protection Account on the Guarantee Payment Date shall be applied to pay Beneficiaries in the order of priority in which such Approved Obligations are payable under the payment provisions of the Trust Indenture applicable to the making of such payments on the Guarantee Payment Date (each, a "**Beneficiary Payee**" and each payment made to a Beneficiary Payee on a Guarantee Payment Date, a "**Guarantee Payment**").

iv. On the first Guarantee Payment Date and on each subsequent Guarantee Payment Date, Payment Date or other day on which any amount is required to be paid in respect of any Obligations Secured under the Trust Indenture (a "**Subrogation Payment Date**"), the Issuer and the Indenture Trustee shall ensure that the applicable payment provisions of the Trust Indenture shall be applied and operate on the following basis:

(A) If such day is a Guarantee Payment Date, then for each Approved Obligation for which amounts are paid to a

Beneficiary Payee on such day pursuant to clause 2.01(a)iii in respect of principal, interest or any other amounts ("**Payable Approved Amounts**"), the amounts payable by the Financing Entity in respect of such amounts for such Approved Obligation shall be reduced by the respective amounts of such payments to the Beneficiary Payee, and equivalent amounts shall be payable by the Financing Entity to the Province as "**Subrogation Amounts**" in respect of such Approved Obligations, such Subrogation Amounts being payable in the same order of priority and with the same entitlements accruing to the Province as applied in respect of the related Payable Approved Amounts which were previously owing to the Beneficiary Payee, and to reflect this subrogation the payments set out in clause 2.01(a)iv(B) below shall be made by the Financing Entity.

(B) If the Province has made all deposits required to be made by it on each Guarantee Payment Date occurring on or before such day in accordance with clause 2.01(a)ii (or the related Approved Obligation Amounts have otherwise all been paid in full), then in respect of each Approved Obligation for which any related Subrogation Amounts have not yet been paid in full to the Province, the Financing Entity shall pay to the Province from amounts available under the Trust Indenture payment provisions and in accordance with the priority of payment provisions in the Trust Indenture the amount that would be payable on such date in satisfaction of the relevant Payable Approved Amounts, as determined without regard to any Guarantee Payment paid on any Guarantee Payment Date and also without regard to the corresponding reduction of the amounts owing to present and former Beneficiary Payees pursuant to subclause 2.01(a)iv(A) up to the amount of the unpaid related Subrogation Amounts.

(C) No Beneficiary having a right to be paid an amount in respect of an Approved Obligation, and no other Person entitled under an Obligation Secured, in each case that ranks equal with or subordinate to the Payable Approved Amount in respect of which a Subrogation Amount is payable to the Province under subclause 2.01(a)iv(B), shall be entitled to make any claim or assert any right in or to the amounts paid or payable to the Province under such subclause (including any right of set-off, offset, reimbursement, contribution or indemnity) and no such Beneficiary or other Person shall have any right or

interest in, to or under the Collateral or any proceeds therefrom in respect of any such Subrogation Amount.

(D) For greater certainty, the entitlements of the Province in respect of Subrogation Amounts arising in respect of Payable Approved Obligations that are interest and principal obligations on Notes shall be treated for all purposes of the Trust Indenture as interest and principal obligations, respectively, arising under Notes having the same priority as and any applicable voting rights under the related Approved Obligations, and accordingly the Province (and any successor, assignee or transferee of such entitlements) shall be entitled to all of the rights, entitlements, interests and privileges of a Holder of such a Notes in accordance with the Trust Indenture, as supplemented by the Supplemental Indenture or other indenture document under which the related Approved Obligations were issued.

(b) On each Guarantee Payment Date and upon demand by the Province, the Indenture Trustee shall release and pay to the Province free and clear of any Liens any amount remaining on deposit in the Protection Account that has not been applied to pay Guarantee Payments to Beneficiary Payees on the Guarantee Payment Date in accordance with clause 2.01(a)iii or that otherwise remains on deposit in the Protection Account on the relevant date.

(c) In preparing any payment instructions under the Trust Indenture, the Manager shall reflect the amounts payable under Section 2.01(a), if applicable.

(d) The Province shall, as a payee of Subrogation Amounts under clause 2.01(a)iv(B) and as a payee of any amounts payable under clause 2.01(b), be a "Specified Creditor" under the Trust Indenture and have the benefit of the Collateral thereunder.

(e) For greater certainty, the Limited Guarantee will not apply to any amount or obligation of the Financing Entity that is not or does not arise under an Approved Obligation and will be limited to the right to receive the Approved Obligation Amounts, if any, for payment to Beneficiary Payees and will be subject to the priorities and to the Province's rights to Subrogation Amounts, set forth in Section 2.01(a).

(f) Except as expressly provided in this Agreement, the Province's obligation to provide and perform the Limited Guarantee shall be irrevocable, absolute and unconditional.

(g) Any amount payable by the Province under the Limited Guarantee in respect of an Approved Obligation that is not paid by the Province when required herein

shall bear interest from the applicable due date until paid in full at the rate or rates expressed to be payable on the Approved Obligation by their terms.

(h) Any amount payable to the Province in respect of a Subrogation Amount shall bear interest from and including the date of payment by the Province of the related Guarantee Payment to but excluding the date of payment of the Subrogation Amount to the Province, such interest to accrue at the rate equivalent to the applicable interest rate borne by the related Approved Obligation, and such interest amounts shall be added to their respective Subrogated Amounts and shall consequently be payable in the same priority as the relevant Subrogated Amount under clause 2.01(a)iv(B), all such accruing interest amounts to be calculated and added to the Subrogation Amounts by the Manager in its discretion acting in a commercially reasonable fashion.

(i) The right to deliver a Payment Demand and thereupon enforce the Limited Guarantee shall constitute the only remedy available to the Indenture Trustee (and to the Beneficiaries, to the extent they are permitted to exercise any rights, interests, or elections under and in accordance with the Trust Indenture) under this Agreement. Under no circumstances shall the Province be obligated to pay or indemnify the Indenture Trustee or any Beneficiary for consequential, special or punitive damages, or for economic loss or loss of profits; provided that, for greater certainty, economic loss shall not include any amount in respect of any amount due and payable to a Beneficiary Payee under the Limited Guarantee.

2.02 Intentionally Deleted.

2.03 Absence of Set-off

Subject to applicable law, the Province acknowledges and agrees that each payment to be made by the Province hereunder in respect of an Approved Obligation shall be made as required in whole, without application of any right of set-off and without regard to any equities as between or among any of the Province, the Beneficiaries and/or the Indenture Trustee.

2.04 Payment into Protection Account in Satisfaction

(a) On or before the date of delivery of a Payment Demand to the Province, the Indenture Trustee shall cause to be established and maintained an Eligible Deposit Account (the "**Protection Account**") in the name of the Indenture Trustee, bearing a designation clearly indicating that the funds and other property credited thereto are held for the benefit of the Indenture Trustee and the Beneficiaries. The Protection Account shall be under the control of the Indenture Trustee for the benefit of the Beneficiaries. If, at any time, the institution holding the Protection Account ceases to be an Eligible Institution, the FSM shall notify the Indenture Trustee, and the Indenture Trustee upon being notified in writing of such ineligibility (or the FSM on its behalf) shall within 30 days (or such longer period, not to exceed 45 days, so long as the Rating Agency Condition is satisfied) establish a new Protection Account that is an Eligible Deposit Account and shall

transfer any funds or other property from such Protection Account to such new Protection Account. From the date each such new Protection Account is established, it shall be the "Protection Account" for purposes of this Agreement.

(b) Notwithstanding the priority of payment requirements set forth in the Trust Indenture and any legal rule concerning the imputation of payments, the Financing Entity and the Indenture Trustee shall ensure that all amounts paid by the Province into the Protection Account on a Guarantee Payment Date in respect of an Approved Obligation are applied to pay the amounts due and payable to the Beneficiary Payee as and to the extent provided for in Section 2.01(a). Upon a payment having been made by or on behalf of the Province into the Protection Account, the amounts so paid shall for all purposes be considered to have been applied to pay the applicable Beneficiary Payee as provided for in Section 2.01(a) and thereby reduce the amount due and payable to such Beneficiary Payee in respect of the applicable Approved Obligations, whereupon an affected Beneficiary Payee shall have no continuing rights, interests or entitlements (including rights as a secured party) in respect of the Approved Obligation to the extent so paid. For greater certainty, the obligations arising in respect of an applicable Approved Obligation shall not be reduced by such payment as the Province shall become entitled to be paid related Subrogation Amounts and the rights contemplated under Section 2.01(a) and Section 5.01 in relation to such continuing obligations.

2.05 Certain Waivers

The Province hereby waives:

(a) any requirement, and any right to require, that any power be exercised or any action be taken against the Financing Entity or any Collateral for any of the Approved Obligations;

(b) all notices which may be required by applicable law to preserve any rights against the Province hereunder, including any notice of default, demand, dishonour, presentment and protest;

(c) diligence; and

(d) any defence based upon, arising out of or in any way related to any claim that any election of remedies by the Beneficiaries impaired, reduced, released or extinguished any rights that the Province might otherwise have had against the Financing Entity or any other surety.

The Province agrees that each such waiver is made with full knowledge of its significance and consequences and if any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the maximum extent permitted by applicable law.

2.06 Additional Security

This Agreement shall be in addition to and without prejudice to any other security by whomsoever given, held at any time by the Indenture Trustee or for the benefit of any of the Beneficiaries.

2.07 Continuing Liability of the Province

The Approved Obligations shall be deemed not to have been paid, observed or performed, and the liability of the Province hereunder in respect thereof shall continue and not be discharged, to the extent that any payment, observance or performance thereof by the Financing Entity, or out of the proceeds of any Collateral, is recovered from or reimbursed by or for the account of any of the Beneficiaries for any reason, including a preference or fraudulent transfer or by virtue of any subordination (whether present or future or contractual or otherwise) of the Approved Obligations, whether such recovery or payment over is effected by any judgment, decree or order of any court or Governmental Authority, by any plan of reorganization or by settlement or compromise by any of the Beneficiaries (whether or not consented to by the Financing Entity or the Province) of any claim for any such recovery or payment over.

2.08 Continuance of the Limited Guarantee

Subject to Section 2.07, the Limited Guarantee shall continue in full force and effect until the indefeasible payment, observance and performance in full of the Approved Obligations in accordance with Section 8.01.

2.09 Modifications of Approved Obligations

The Province expressly authorizes the Indenture Trustee, at any time and from time to time, without notice and without affecting the liability of the Province hereunder, but subject to compliance with the requirements of the Program Agreements and this Agreement, to:

(a) accept new, additional or replacement instruments, documents, agreements or security in connection with all or any part of the Approved Obligations;

(b) accept partial payments on the Approved Obligations; and

(c) waive, release, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, compromise, liquidate and enforce all or any part of the Approved Obligations and any security or guarantee therefor, and apply any such security and direct the order or manner of sale thereof as the Indenture Trustee (for the benefit of the Beneficiaries) in its discretion may determine.

ARTICLE III
THE INDENTURE TRUSTEE

3.01 The Indenture Trustee

This Agreement is made in favour of the Indenture Trustee in its capacity as trustee under the Trust Indenture. Accordingly, in the event of a new trustee being appointed under the Trust Indenture, such new trustee shall thereupon become and be the Indenture Trustee hereunder, but nevertheless, the Indenture Trustee shall forthwith assign, transfer and make over to the new trustee hereunder this Agreement. All provisions of the Trust Indenture for the protection of the Indenture Trustee or for facilitating the administration of the trusts or otherwise relating to the Indenture Trustee solely as to its holding of the rights thereunder shall apply *mutatis mutandis* to this Agreement and the Indenture Trustee's duties hereunder.

3.02 Acceptance of Trusts

The Indenture Trustee hereby accepts the trusts hereof and agrees to carry out and discharge the same unless and until a new trustee shall be appointed as contemplated in Section 3.01.

ARTICLE IV
APPROVED OBLIGATIONS

4.01 Approval Process

Except in respect of any Primary Obligation to which the Limited Guarantee will not apply on or after a Suspension Notice is delivered in accordance with Section 7.02, a Primary Obligation that is not a Certified Primary Obligation shall be an Approved Obligation. A Certified Primary Obligation shall constitute an Approved Obligation if (i) the Adherence Conditions applicable thereto have been satisfied at the time the Primary Obligation was incurred or (ii) the Province, in its sole discretion, designates in writing that it is an Approved Obligation.

4.02 Adherence Conditions

(a) The following shall be the Adherence Conditions applicable in relation to each Certified Primary Obligation:

i. the Certified Primary Obligation when incurred is an Obligation Secured under the Trust Indenture; and

ii. OPG, as FSM, delivers an Adherence Compliance Certificate in the form attached hereto as Exhibit B signed by the Chief Financial Officer and the Treasurer of OPG, or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) and addressed to the Indenture Trustee, on or before the incurrence of the Certified Primary Obligation (provided that delivery may not be more than 5 Business Days before the incurrence of the Certified Primary Obligation); and

iii. the Province has not provided a Suspension Notice to the Indenture Trustee, OPG and the Financing Entity.

(b) Without limiting any obligations of OPG to the Province arising other than pursuant to this Agreement, satisfaction of the Adherence Conditions for a Certified Primary Obligation shall be deemed satisfaction of the Adherence Conditions in respect of all principal, interest and other amounts owing under the Certified Primary Obligation, as such Certified Primary Obligation may be amended, restated, supplemented or modified from time to time.

(c) For greater certainty, there shall be no Adherence Conditions applicable in relation to a Primary Obligation that is not a Certified Primary Obligation.

4.03 Evidence of Satisfaction

An Adherence Compliance Certificate delivered in accordance with clause 4.02(a)ii shall be determinative as to whether the applicable Adherence Condition with respect thereto has been satisfied, notwithstanding that such certificate may include inaccuracies, be incomplete or otherwise be defective or deficient, and such closing certificate may be relied upon by any addressee as conclusive evidence of same. An Adherence Compliance Certificate that purports on its face to be signed by officers specified in clause 4.02(a)ii may be relied upon by any addressee without further enquiry or evidence as to the incumbency or signatures of such officers. If an Adherence Compliance Certificate is not delivered in accordance with the timing requirements of clause 4.02(a)ii such certificate may be delivered at a later date, and be effective as if it had been delivered in accordance with the timing requirement of clause 4.02(a)ii if at the time such certificate was otherwise required to be delivered OPG had delivered to the Province all certifications required by the Province in connection with the adherence of the Limited Guarantee to the Certified Primary Obligation.

ARTICLE V
PROVINCE MATTERS

5.01 Assignment and Subrogation

(a) Upon paying an amount in respect of an Approved Obligation to or at the direction of the Indenture Trustee in satisfaction of the Limited Guarantee, the Province (in addition to and without prejudice to any rights it otherwise has in law or equity) shall be subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation to the extent of such payment, and shall be entitled to (i) the right and entitlement to be paid and receive the related Subrogation Amounts, (ii) the benefits of the related Collateral and (iii) all proceeds therefrom. The Province shall have and be entitled to enforce all rights and interests (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)), under and in respect of such Approved Obligation to the extent of the payment by the Province in respect of the Approved Obligation as an absolute assignee of the applicable Beneficiary, with effect from and after the time of such payment, without any

further requirement for notice to or acceptance by the Financing Entity of such absolute assignment and without any reduction, set-off or counterclaim on account of any amounts that may, at or after the time of payment, be or become owing by the Beneficiary to the Financing Entity and unaffected by any other rights or equities that arise thereafter as between the Beneficiary and the Financing Entity. The Indenture Trustee shall recognize the Province as being entitled to all of the rights, interests and entitlements of the Beneficiary (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)) in respect and to the extent of the Approved Obligation so paid, determined as of the time of payment, for all purposes under the Trust Indenture, and the Province shall be treated as a Specified Creditor in respect thereof for all purposes under the Trust Indenture and any other agreement under which the Approved Obligation arises.

(b) The Province (i) acknowledges and agrees in favour of the Indenture Trustee that, upon being subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation in accordance with Section 5.01(a), the Province, in its capacity as a Specified Creditor, will be subject to the provisions applicable to Specified Creditors under the Trust Indenture, including Sections 7.04 through 7.11 and 8.13 (Payment Priorities), Section 7.12 (Payments Held in Trust), Section 8.11 (Control by Controlling Class Creditors), Section 8.12 (Limitation on Suits), Section 8.14 (Limited Recourse), Article IX (The Indenture Trustee), including all limitations of liability thereunder, Section 9.14 (Communications to Specified Creditors) and Section 16.01 (No Petition); (ii) consents, requests and authorizes the Issuer and the Indenture Trustee to (x) add the Province to the register of Specified Creditors described in subsection 13.13 of the Trust Indenture and (y) disseminate the notice details of the Province to other Specified Creditors for the purposes set out in subsection 9.14(b) of the Trust Indenture, and (iii) confirms that it will execute and deliver, or cause to be executed and delivered, all such further agreements, documents and instruments in connection with this Section 5.01 as the Indenture Trustee may request from time to time for the purpose of giving effect to the terms of this Section 5.01.

5.02 Priorities

For greater certainty, the rights, interests and entitlements of the Province as an assignee and subrogee of and with respect to an Approved Obligation and the Payable Approved Amounts thereunder shall rank equally with the rights, interests and entitlements of a Beneficiary to whom a Limited Guarantee payment is made in respect of, and to the extent of the payment made to satisfy, the Approved Obligation and the Province shall not be subject to postponement or subordination with respect thereto except to the extent of the priorities established in relation to the Approved Obligation under the Trust Indenture in the manner and to the extent contemplated in Section 7.10 of the Trust Indenture.

5.03 Intentionally Deleted

5.04 Representations and Warranties

The Province hereby represents and warrants that:

(a) the execution and delivery of, and the performance of its obligations under, this Agreement by the Province have been authorized by all necessary action on the part of the Province;

(b) the execution and delivery of, and the performance of its obligations under, this Agreement by the Province do not result in the violation of any applicable law; and

(c) this Agreement has been duly executed and delivered by the Province.

ARTICLE VI
INDENTURE TRUSTEE MATTERS

6.01 Limited Recourse

No recourse may be taken, directly or indirectly, with respect to the obligations of the Financing Entity under this Agreement, or any certificate or other writing delivered in connection herewith or therewith, against (a) the Financing Entity Trustee in its individual capacity, (b) any owner of a beneficial interest in the Financing Entity or (c) any partner, owner, beneficiary, agent, officer, director, employee or agent of the Financing Entity Trustee in its individual capacity, any holder of a beneficial interest in the Financing Entity or the Financing Entity Trustee or of any successor or assign of the Financing Entity Trustee in its individual capacity, except as any such Person may have expressly agreed (it being understood that the Financing Entity Trustee has no such obligations in its individual capacity).

6.02 Not Responsible for Recitals

The recitals contained herein will be taken as the statements of the Province, the Financing Entity and the FSM, and the Indenture Trustee assumes no responsibility for their correctness. The Indenture Trustee makes no representations as to the validity or sufficiency of this Agreement.

6.03 Representations and Covenants of the Indenture Trustee

The Indenture Trustee represents, warrants and covenants that:

(a) the Indenture Trustee is a trust company organized, existing and in good standing under the laws of Canada;

(b) the Indenture Trustee has full power and authority to execute, deliver and perform this Agreement and has taken all necessary action to authorize the execution, delivery and performance by it of this Agreement;

(c) this Agreement has been duly executed and delivered by the Indenture Trustee and constitutes its legal, valid and binding obligation in accordance with its terms; and

(d) the Indenture Trustee is authorized to carry on the business of a trust company in each of the provinces and territories of Canada. If, notwithstanding the provisions of this subsection 6.03(d), the Indenture Trustee ceases to be so authorized to carry on business, the validity and enforceability of this Agreement shall not be affected in any manner whatsoever by reason only of such event.

ARTICLE VII
SUSPENSION OF ADHERENCE FOR NEW PRIMARY OBLIGATIONS

7.01 Suspension Notice

Upon:

(a) a Program Breach;

(b) a default in the performance, or breach, of any covenants of OPG, as FSM, or OPG, in its corporate capacity, in each case to the Province in connection with its obligations to the Province pursuant to internal requirements and processes in connection with the provision or adherence of the Limited Guarantee to or in respect of any Certified Primary Obligation and the expiration of any applicable cure period;

(c) a representation or warranty made by OPG or a certification made by one or more officers of OPG, in each case whether as FSM or in its corporate capacity, to the Province in connection with its obligations to the Province and its internal requirements and processes in connection with the provision or adherence of the Limited Guarantee to or in respect of any Certified Primary Obligations, proves to be incorrect in any material respect on the date made and the expiration of any applicable cure period; or

(d) the FSM no longer being the Manager or actions having been taken by or on behalf of the Indenture Trustee to remove the FSM as the Manager;

the Province may deliver a written notice in the form of Exhibit C (a "**Suspension Notice**") to the Indenture Trustee, the FSM and the Financing Entity.

7.02 Suspension

If a Suspension Notice has been provided under Section 7.01 (the provision of such notice being a "**Suspension Event**"), the Limited Guarantee shall not apply in respect of: (i) any Primary Obligation incurred, excluding Post-Suspension Refinancings, or (ii) any amendment of any Primary Obligation that has a Material Effect, unless otherwise agreed to by the Province, in each case, on or after the time such Suspension Notice is delivered.

7.03 Additional Right of the Province Regarding Post-Suspension Refinancings

Following the occurrence of a Suspension Event, the Limited Guarantee shall continue to apply in respect of any Post-Suspension Refinancing (for greater certainty, without regard to the satisfaction of any Adherence Conditions); provided that prior to the Financing Entity incurring any Primary Obligation constituting a Post-Suspension Refinancing, the Manager shall provide the Province with at least 30 days' notice of its intention to seek a Post-Suspension Refinancing and prior to incurrence, which notice shall describe the material covenants, events of default, representations and warranties and indemnities of the Financing Entity and other material terms, excluding financial terms, rates and levels, and that shall be in respect of the full amount of the amount becoming due and payable in respect of the applicable Primary Obligation less amounts otherwise available to the Financing Entity from other available or committed sources (the "**Proposal**"), and during such 30 day period the Province may, but is not obligated to, offer to fund such Post-Suspension Refinancing or arrange for another Person to fund such Post-Suspension Refinancing on the same terms as set out in the Proposal or on such other terms as may be considered by the Province to be not more onerous on the Financing Entity and that are acceptable on that basis to the Financing Entity, acting reasonably. If, within such 30-day period, the Province elects to offer to fund such Post-Suspension Refinancing as provided in the preceding sentence, the Manager shall accept such offer; however, if the Province does not elect to offer to fund such Post-Suspension Refinancing, the Manager shall cause the Financing Entity to incur Primary Obligations constituting such a Post-Suspension Refinancing on substantially the same terms (excluding, for greater certainty, any financial terms, rates or levels) as those set out in the Proposal if the Post-Suspension Refinancing can be completed by the Financing Entity in compliance with the Act, or on such other terms as would not have a Material Effect, without taking into account any financial terms, rates or levels.

7.04 No Impact on Adherence

For greater certainty, the occurrence of a Suspension Event or a failure by the FSM or the Financing Entity to perform its covenants under this Agreement will not invalidate or extinguish the obligations of the Province under the Limited Guarantee in respect of Approved Obligations in existence prior to the occurrence of the Suspension Event or in respect of any Post-Suspension Refinancing.

ARTICLE VIII

ONTARIO POWER GENERATION INC.

CHANGE OF LAW PROCESS AGREEMENT

Dated as of December [■], 2017

This **CHANGE OF LAW PROCESS AGREEMENT**, between Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), and Ontario Power Generation Inc. ("**OPG**") is made and entered into as of December [■], 2017.

RECITALS

OPG is appointed as the Financial Services Manager under Section 18 of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**").

Pursuant to Section 22(2) of the Act, OPG, in its capacity as the Financial Services Manager (the "**FSM**"), may establish or cause to be established one or more financing entities (as defined in the Act), which may incur Funding Obligations in accordance with the Act.

Pursuant to a Declaration of Trust dated as of December 20, 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

Concurrent with this Agreement, the Province, the FSM, the Financing Entity and the Indenture Trustee will enter into the Change of Law Protection Agreement under which the Province will agree to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Obligations Secured that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the applicable Adherence Conditions.

Prior to entering into this Agreement, OPG provided the Province with the final forms of certain of the Transaction Documents, as described on Exhibit "A", and the Province has not objected to such forms and hereby confirms to OPG that such Transaction Documents will constitute "Reference Documentation" for purposes of this Agreement.

Prior to entering into this Agreement, OPG, as the FSM, provided the Minister of Energy, in compliance with the Act, with the initial Financing Plan, which includes the initial forecast (the "**Initial Forecast**") setting out OPG's expectations regarding the aggregate maximum amount of Repayments that would arise in the future under Obligations Secured to be incurred during the 24 month period from December 1, 2017 to November 30, 2019 (the "**Initial Forecast Period**"). Prior to entering into this Agreement, OPG provided the Province with the initial Protection Agreement Maximum (the "**Initial Protection Agreement Maximum**"). The Province has received the initial Financing Plan and has not disagreed with the Initial Forecast or the Initial Protection Agreement Maximum on the basis of an apparent inaccuracy in the Initial Forecast, an inconsistency between the Initial Forecast and the initial Financing Plan, or as a result of the Initial Protection Agreement Maximum being more than the Initial Forecast.

This Agreement sets out the obligations OPG has agreed to perform and assurances OPG has agreed to provide and on which the Province will rely in entering into and implementing the Change of Law Protection Agreement, including for the purposes of determining whether the applicable Adherence Conditions have been satisfied and maintaining information related to the Program Agreements and the Approved Obligations.

All things necessary to make this Agreement a valid and legally binding agreement of OPG and the Province, have been done.

AGREEMENT OF THE PARTIES

In consideration of the respective agreements herein contained, the parties hereto covenant and agree as follows:

(iv) not engage in any business other than as permitted under the Declaration of Trust or the other Program Agreements and activities ancillary thereto; and

(v) not (unless waived in writing by the Province):

(A) amend, supplement, modify, restate or replace or waive or consent to a postponement of compliance with the terms and conditions on the part of any other party to any of the Program Agreements, if any such supplementation, amendment, modification, restatement, replacement, waiver or consent could reasonably be considered to have a Material Effect; provided, however, that the foregoing does not apply to any supplement, amendment, modification, restatement, replacement, waiver or consent in respect of particular financial terms, rates or levels;

(B) extend, renew, compromise, novate, replace, suspend, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, liquidate or enforce the terms of all or any part of the Approved Obligations or any Collateral, if any such action could reasonably be considered to have a Material Effect; provided, however, that the foregoing does not apply to any such action taken in respect of particular financial terms, rates or levels; or

(C) permit the validity or effectiveness of the Change of Law Protection Agreement to be impaired.

(b) If any action restricted pursuant to Section 2.02(a)(v) is reflected in a delivery required to be made by OPG to the Province pursuant to Section 2.01(b) and is not objected to by the Province under Section 3.04(b), the Province shall be

deemed to have waived its rights in respect of such action under Section 2.02(a)(v).

(v) after the occurrence of any Protection Event (or any event or circumstance known to OPG that with the passage of time or the giving of notice would be a Protection Event), not, without the Province's prior written consent, permit the Financing Entity to exercise any redemption, pre-payment, early termination or extension right in respect of any Approved Obligation or exercise any other election or privilege in respect of any Approved Obligation, in each case if as a result the obligations applicable to the Approved Obligation under the Change of Law Protection Agreement would be accelerated, delayed or otherwise affected.

(d) The Province and OPG acknowledge that their obligations to each other under the Indemnity Agreement between the Province and OPG dated June 1, 2017 (as amended, the "**Indemnity Agreement**") are not amended by this Agreement and continue in full force and effect, notwithstanding that this Agreement is entered into subsequent to the Indemnity Agreement.

(i) where a Derivative Agreement has been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the hedged value expressed in Canadian dollars; and

(ii) where a Derivative Agreement has not been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the noon spot rate for conversions of any currencies into Canadian dollars.

3.02 Acknowledgement regarding delivery of certificate under Change of Law Protection Agreement

The Province acknowledges and agrees that, concurrent with the delivery of the Process Certificate pursuant to Section 3.01 of this Agreement, the Chief Financial Officer and the Treasurer of OPG or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) are authorized to deliver the certificate referred to in Subsection 4.02(a)(ii) of the Change of Law Protection Agreement to the Indenture Trustee confirming that OPG has complied with all of its obligations to the Province and internal requirements and processes in connection with adherence of the Limited Guarantee to the incurrence of the Certified Primary Obligations in respect of which the certificate in Subsection 4.02(a)(ii) of the Change of Law Protection Agreement is being delivered; provided that, upon receipt of a Suspension Notice under the Change of Law Protection Agreement, OPG covenants not to deliver any further certificates to the Indenture Trustee under Subsection 4.02(a)(ii) of the Change of Law Protection Agreement.

3.03 Acknowledgement regarding delivery of Suspension Notice

The parties acknowledge and agree that the Province is entitled to deliver a Suspension Notice under Section 7.01 of the Change of Law Protection Agreement if a Program Breach or Breach Event has occurred. The Province agrees not to deliver a Suspension Notice pursuant to Section 7.01 of the Change of Law Protection Agreement unless a Program Breach or a Breach Event has occurred.

3.04 Meaning of "Reference Documentation"

For the purposes of Subsection 3.01(c), the term "Reference Documentation" shall mean each Transaction Document that, at the relevant time:

(a) is a Transaction Document listed on Exhibit "A"; or

(b) is a Transaction Document (including any amended or amended and restated Transaction Document) provided to the Province in accordance with Subsection 2.01(b) that has not been objected to by the Province, by delivery of an objection notice in writing delivered to OPG, within 10 Business Days after it is provided to the Province; provided that the Province (i) shall only be entitled to deliver an objection notice if the Transaction Document (including any amended or amended and restated Transaction Document) has a Material Effect and (ii) shall not be entitled to deliver an objection notice in respect of any Post-Suspension Refinancing.

3.05 Meaning of "Substantially in the Form"

For the purposes of Subsection 3.01(c), the term "Substantially in the Form" shall mean:

(b) with respect to the Reference Documentation referred to in clause (xii) of the definition of "Transaction Documents", that there are no material differences between the form and substance of the proposed Disclosure Document and such form of Disclosure Document and that the proposed Disclosure Document complies in all material respects with all applicable securities disclosure requirements relating to the Primary Obligation subject to distribution thereunder.

ARTICLE IV
PROTECTION AGREEMENT MAXIMUM

4.01 Protection Agreement Maximum

(a) Between nine (9) and twelve (12) months prior to the end of the Initial Forecast Period, OPG shall, as the FSM, deliver to the Province an updated forecast setting out the sum of (1) the aggregate amount of Repayments that will arise in the future under Obligations Secured that are then outstanding and (2) OPG's expectations regarding the aggregate maximum amount of Repayments that would arise in the future under Obligations Secured to be incurred during the period ending 24 months following the Initial Forecast Period, which expectation shall be consistent with the then applicable Financing Plan. Such updated forecast

shall be further updated on a similar basis with respect to each successive 24 month period or more frequently if at any time OPG has knowledge that the most recent forecast is materially inaccurate (the Initial Forecast and each such updated forecast, each a "**Forecast**"). Together with each Forecast, OPG shall also provide a revised Protection Agreement Maximum, which may not exceed such Forecast.

(b) Not more than 10 Business Days, or such lesser period as the Province may agree to in writing, following receipt of any further Forecast and notice of the revised Protection Agreement Maximum from OPG pursuant to Section 4.01(a), the Province may disagree with such further Forecast or revised Protection Agreement Maximum on the basis that (i) there appears to be inaccuracies in such further Forecast, (ii) the further Forecast is inconsistent with the Financing Plan, or (iii) the revised Protection Agreement Maximum is more than the further Forecast. If the Province disagrees, OPG shall discuss any discrepancies with the Province, address any inaccuracies and inconsistencies to the reasonable satisfaction of the Province and OPG, and the revised Protection Agreement Maximum will be further revised accordingly and confirmed by an amended notice to the Province.

(c) For clarity, Repayments under Obligations Secured owing in currencies other than Canadian dollars will be valued at the time to be determined for the purposes of this Section 4.01 in accordance with the following:

(i) where a Derivative Agreement has been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the hedged value expressed in Canadian dollars; and

(ii) where a Derivative Agreement has not been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the noon spot rate for conversions of any currencies into Canadian dollars.

5.1 Standard of Care

The Manager will perform its duties hereunder (including, for so long as it is the Financial Services Manager, its duties as Financial Services Manager under the Act and the

Regulations) diligently and in conformity with the Issuer's obligations under the Program Agreements and with the Act and the Regulations, as applicable, and honestly, in good faith and in the best interests of the Issuer and, in connection therewith, will exercise the degree of care, diligence and skill that a reasonably prudent Person would exercise in comparable circumstances (the "**Standard of Care**"). In carrying out its obligations hereunder, the Manager may rely upon the opinion or advice of or information obtained from any counsel, auditor, valuer or certificates from officers of any of the other parties to Program Agreements. Unless otherwise required by applicable law, the Manager will not be required to give bond, surety or security in any jurisdiction for the performance of any duties or obligations hereunder. The Manager will not be required to devote its entire time to its duties hereunder. Notwithstanding anything else to the contrary herein contained, nothing herein shall be interpreted or construed as an obligation of or on the part of the Manager, and the Manager shall not be liable or obligated, to pay or make any payment of, on or in respect of any debt, liability or obligation of the Issuer (including any payment of, on or in respect of any Issuer Funding Obligations or under any other Program Agreement), as agent for or on behalf of the Issuer or otherwise, except from the monies or funds of the Issuer which are made available to the Manager pursuant to this Agreement or the other Program Agreements for the purpose of such payment.

5.2 Compliance with Program Agreements; Conformity with Law

The Manager acknowledges that it has received copies of the Program Agreements, the Act and the Regulations in effect on the date hereof and is familiar with and understands the duties of the respective parties thereto or governed thereby, including those duties of the Issuer which are being delegated to the Manager hereunder. Notwithstanding anything herein to the contrary, the Manager shall perform its duties hereunder in a manner consistent with any applicable provisions of the Program Agreements in effect from time to time, and the Manager will not, in performing its obligations hereunder, take any action which it knows or ought reasonably to know would cause it or the Issuer to be in violation of any law, rule or regulation applicable to it. The Manager will use reasonable commercial efforts to comply with the terms applicable to the Issuer when acting on its behalf under all Program Agreements and will use reasonable commercial efforts in accordance with its Standard of Care to take such actions as would reasonably be expected to result in the representations and warranties given by the Issuer in any Program Agreement being true and correct in all material respects when made.

5.3 Liabilities

Except as provided in Section 5.6,

(a) the Manager will not be liable for any liabilities of the Issuer; and

(b) subject to the payment priorities specified in the Program Agreements, the Issuer agrees to indemnify, defend and hold harmless the Manager from and against any and all liabilities which may be imposed on, incurred by or assessed against the Manager as a result of any act or omission of the Issuer or the Manager under this Agreement or under any Program Agreement; provided that this Section 5.3(b) does not apply to the extent that in any circumstances there has been wilful

misconduct or gross negligence of the Manager or its respective officers, employees or agents or any failure to comply with the Standard of Care.

To the extent that a liability is attributable solely to a single Series or a number of specific Series of Issuer Funding Obligations, the Manager will first exhaust its recourse against the assets available for recovery of such liability and designated to such Series of Issuer Funding Obligations. If such assets are insufficient to satisfy the indemnity set out in this Section 5.3, or if the liability is not attributable to a single Series or a number of specific Series of Issuer Funding Obligations, the liability will be satisfied on a pro rata basis as among the assets available for recovery of such liability and designated to all Issuer Funding Obligations.

Each party expressly disclaims any intention to create a partnership, and neither the Issuer nor the Manager will be deemed to be carrying on business in partnership by reason of its execution and delivery of this Agreement or the exercise or performance by it of its respective rights and obligations hereunder.

5.4 Compensation of the Manager

In consideration of and as compensation for all services provided and duties performed by the Manager pursuant to this Agreement, and so long as the Financial Services Manager is also the Manager, all services provided and duties performed by the Financial Services Manager, the Issuer will pay to the Manager, subject to the payment priorities specified in the Program Agreements, the Management Fees. The Management Fees are exclusive of any applicable sales taxes and the Issuer shall pay to the Manager the amount of any applicable sales taxes in addition to such fees.

5.5 Compensation of the Issuer

In consideration of the Issuer engaging in the activities contemplated by the Act, the Manager will pay to the Issuer, on a monthly basis, the sum of $10 per month for any month or part thereof that the Issuer is engaged in such activities (the "**Issuer Compensation**"). The Issuer Compensation is exclusive of any applicable sales taxes and the Manager shall pay to the Issuer the amount of any applicable sales taxes in addition to the Issuer Compensation.

5.6 Indemnification by Manager

(a) The Manager shall indemnify the Issuer and defend and hold harmless the Issuer from and against, any and all liabilities, obligations, losses, damages, payments and claims, and reasonable costs or expenses, of any kind whatsoever (collectively, "**Indemnified Losses**") imposed on, incurred by or asserted against the Issuer, as a result of (i) the failure of the Manager to perform its covenants and other obligations under this Agreement or any other Program Agreement to which the Manager is a party; or (ii) the breach by the Manager of any of its representations or warranties under this Agreement or any other Program Agreement to which the Manager is a party and, except to the extent of Indemnified Losses resulting from the willful misconduct, bad faith or gross negligence of the Issuer, seeking indemnification hereunder; provided that, in each

case, the Manager shall not be required to indemnify the Issuer for any amount paid or payable by the Issuer in the settlement of any Proceeding or investigation without the written consent of the Manager, which consent shall not be unreasonably withheld or delayed. Promptly after receipt by the Issuer of notice of the commencement of any Proceeding or investigation, the Issuer shall, if a claim in respect thereof is to be made against the Manager under this Section 5.6(a), notify the Manager in writing of the commencement thereof. Failure by the Issuer to so notify the Manager shall relieve the Manger from the obligation to indemnify and hold harmless the Issuer under this Section 5.6(a) only to the extent that the Manager suffers actual prejudice as a result of such failure. With respect to any Proceeding or investigation brought by a third party for which indemnification may be sought under this Section 5.6(a), the Manager shall be entitled to conduct and control, at its expense and with counsel of its choosing that is reasonably satisfactory to the Issuer, the defence of any such Proceeding or investigation (in which case the Manager shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the Issuer except as set forth below); provided, that the Issuer shall have the right to participate in such Proceeding or investigation through counsel chosen by it and at its own expense. Notwithstanding the Manager's election to assume the defence of any Proceeding or investigation, the Issuer shall have the right to employ separate counsel, and the Manager shall bear the reasonable fees, costs and expenses of such separate counsel, if (i) the defendants in any such action include both the Issuer and the Manager and the Issuer shall have reasonably concluded that there may be legal defences available to it that are different from or additional to those available to the Manager, (ii) the Manager shall not have employed counsel reasonably satisfactory to the Issuer to represent the Issuer within a reasonable time after notice of the institution of such action, (iii) the Issuer shall have been advised by counsel to the Issuer that there may be a conflict of interest between the Manager and the Issuer, or (iv) the Manager authorizes the Issuer to employ separate counsel at the expense of the Manager. Notwithstanding the foregoing, the Manager shall not be obligated to pay for the fees, costs and expenses of more than one separate counsel for the Issuer other than one local counsel, if appropriate. The Manager will not, without the prior written consent of the Issuer, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim or Proceeding in respect of which indemnification may be sought under this Section 5.6(a) (whether or not the Issuer is an actual or potential party to such claim or action) unless such settlement, compromise or consent includes an unconditional release of the Issuer from all liability arising out of such claim or Proceeding

(b) Indemnification under Section 5.6(a) shall survive any repeal of, modification of, or supplement to, or judicial invalidation of, the Act and shall survive the termination of this Agreement and will rank pari passu with other general, unsecured obligations of the Manager.

(c) Notwithstanding anything contained in this Agreement, it is expressly understood that the Manager is not agreeing to indemnify or hold the Issuer harmless with respect to any of the following:

(i) any losses resulting from any breach or failure to perform by the Manager caused by a breach or failure to perform on the part of any other third party under any Program Agreement, the Act or the Regulations; provided that this Section 5.6(c)(i) shall not apply to limit the liability of the Manager in respect of any delegation to a third party as provided for in Section 4.7.

(ii) any losses resulting from changes in law after the date hereof, whether such changes in law are effected by means of any legislative enactment or any final and non-appealable judicial decision, other than losses resulting solely from the Manager's failure to comply with Section 4.1(a)(xiv);

(iii) any losses resulting from the validity of the Change of Law Protection Agreement or the applicability thereof to the Province, the Issuer or the Indenture Trustee or any material part thereof being disaffirmed by or on behalf of the Province; or

(iv) any liability of the Issuer incurred after the termination of this Agreement unless attributable to the actions or omissions of the Manager prior to such termination or in respect of a representation, warranty or covenant of the Manager that survives termination of this Agreement.

(d) To the fullest extent permitted by applicable law, no Specified Creditor (other than the Indenture Trustee) will have any right to institute any proceeding, judicial or otherwise, or to make any claim for indemnification, with respect to this Agreement, or for the appointment of a receiver or trustee or similar official, or for any other remedy hereunder, except in accordance with Section 8.12 of the Indenture.

(e) The parties hereto agree that the Manager is not providing any representations, warranties or covenants in this Agreement, and shall have no liability to the Issuer, with respect to the collectability of the Clean Energy Adjustment or the Carrying Costs, or that the Clean Energy Adjustment amounts or Carrying Costs collected will be sufficient to satisfy the Issuer Funding Obligations.

(f) Notwithstanding anything contained in this Agreement, it is expressly understood that the Manager is not agreeing to indemnify or hold harmless the Issuer Trustee with respect to any liabilities resulting from the failure of the Issuer Trustee to satisfy the standard of care set out in the Declaration of Trust. Where the Manager has assumed total defense of a claim, it shall agree to ensure that any settlement of such claim does not include any form of admission of liability on the part of the Issuer Trustee (in its personal capacity).

5.7 Contracting with Itself and Affiliates

In the exercise of its rights, duties and obligations, the Manager may, if it is acting in good faith, enter into, as Manager for the Issuer, agreements and other contracts to which the Manager, in its personal capacity, or an Affiliate of the Manager, is a party.

ARTICLE 6
REPRESENTATIONS AND WARRANTIES

6.1 Representations of the Issuer

The Issuer represents and warrants to the Manager that (a) the execution, delivery and performance by the Issuer of this Agreement are within the powers of the Issuer and have been duly authorized by all necessary action on the part of the Issuer and do not contravene (i) the Program Agreements in effect on the date hereof or (ii) any law or contractual restriction binding on or affecting the Issuer and (b) this Agreement is a legal, valid and binding obligation of the Issuer, enforceable against the Issuer.

6.2 Representations of the Manager

The Manager represents and warrants to the Issuer that (a) the execution, delivery and performance by the Manager of this Agreement are within the powers of the Manager and have been duly authorized by all necessary action on the part of the Manager and do not contravene any law or contractual restriction binding on or affecting the Manager, (b) this Agreement is a legal, valid and binding obligation of the Manager enforceable against the Manager and (c) it is a resident of Canada for purposes of the *Income Tax Act* (Canada).

ARTICLE 7
TERMINATION AND RESIGNATION

7.1 Termination

The Manager shall not be entitled to resign as manager of the Issuer or to terminate this Agreement for so long as any Funding Obligations remain outstanding. The Manager's rights and obligations under this Agreement (other than under Sections 5.3, 5.4, 5.6 and 8.5) will terminate, if the Manager receives a termination notice from (i) the Issuer Trustee, with the consent of the Indenture Trustee, or (ii) the Indenture Trustee, subject to the terms and conditions of the Indenture, in each case, on the 30th day after receipt of such notice. Notwithstanding the foregoing, no termination shall be effective until a replacement manager that satisfies the Rating Agency Condition has been approved and has entered into a management agreement whereby the replacement manager agrees to assume, in substance, the obligations of the Manager hereunder. Upon the termination of its rights and obligations under this Agreement, the Manager will notify the Rating Agencies and, promptly and upon the request of the Issuer, deliver to the Issuer all records (including Investment Interest Records) in the possession of the Manager relating to the performance of its services hereunder.

ARTICLE 8
MISCELLANEOUS

8.1 Acknowledgement of Indenture

8.2 Appointment of Manager as Attorney-in-Fact

Subject to any Program Agreement, the Issuer hereby irrevocably appoints the Manager as the Issuer's attorney-in-fact during the term of this Agreement, with full authority in the place and stead of and in the name of the Issuer or otherwise, including full power of substitution, from time to time in the Manager's discretion or as required by this Agreement, to take such actions on behalf of the Issuer as the Manager may deem necessary or advisable to comply with or effect the purposes of this Agreement and any Program Agreement including, without limitation, to execute any documents, instruments or certificates in connection therewith, to ask, demand, collect, sue for, recover, compound, receive and give acquittances and receipts for monies due or becoming due to the Issuer or otherwise owed thereto, to receive, endorse and collect any drafts or other instruments, documents and chattel paper in connection therewith, and to file any claims or take any action or institute any proceedings which the Manager may deem necessary or desirable for the collection thereof, or to enforce compliance with the terms and conditions of any Program Agreement.

8.3 Amendments and Waivers

(a) Subject to Section 8.3(b), this Agreement may be amended, supplemented, modified, restated or replaced from time to time by written instrument signed by the Issuer and the Manager. The Manager will forthwith after the execution of any such instrument by the Issuer and the Manager provide the Rating Agencies with a copy of such instrument.

(b) No provision of this Agreement may be amended, supplemented, modified, restated or replaced in any material respect without first obtaining the written consent of the Indenture Trustee in accordance with the Indenture and such amendment, supplement, modification or replacement will only be effective if the Rating Agency Condition has been satisfied.

(c) No waiver of any provision of this Agreement, nor consent to any departure by any party therefrom, shall in any event be effective unless the same shall be in writing and signed by such party and such waiver or consent, if material, will only be effective if the Rating Agency Condition has been satisfied, and then said waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. The Manager will forthwith after the execution of any waiver by the Issuer and the Manager provide the Rating Agencies with a copy of such instrument. No failure on the part of any party to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof.

8.4 Withholding Rights

The parties hereto shall be entitled to deduct and withhold from amounts payable under this Agreement such amounts as each is required to deduct and withhold with respect to such payment under the *Income Tax Act* (Canada) or any provision of any applicable federal, provincial, territorial, state, local or foreign tax law. To the extent that amounts are so withheld, such withheld amounts shall be treated for all purposes as having been paid to the recipient of the payment in respect of which such deduction and withholding was made, provided that such withheld amounts are actually remitted in accordance with applicable law to the appropriate taxing authority.

8.5 No Petition

The Manager hereby agrees that it will not, prior to the date that is one year and one day after the termination of the Indenture and payment in full of the Issuer Funding Obligations and any other amounts owed under the Indenture, institute or encourage against the Issuer, or join or acquiesce in any institution against the Issuer of, any bankruptcy, reorganization, arrangement, insolvency, winding-up or liquidation proceedings, or other proceedings under any federal or provincial bankruptcy, insolvency or similar law in connection with any obligations relating to this Agreement or any of the other Program Agreements. The foregoing shall not limit the rights of the Manager to file any claim in or otherwise take any action with respect to any insolvency proceeding that was instituted against the Issuer by any Person other than the Manager.

The English form of the name of the Trust is "Fair Hydro Trust" and the French form of the name of the Trust is "Fiducie pour des frais d'électricité équitables". The Trust may use and may be legally designated by either the English form or the French form of its name. The head office, chief executive office, chief place of business and situs of administration of the Trust will initially be situated at the offices of the Issuer Trustee situated at 100 University Avenue, 11th Floor, Toronto, Ontario M5J 2Y1.

2.4 Nature of the Trust

The Trust is an unincorporated open-ended unit trust established for the purposes specified in Section 2.1. The Trust shall be governed by the general law of trusts, except as such general law of trusts has been or is from time to time modified, altered or abridged for the Trust by:

(a) applicable laws and regulations or other requirements imposed by applicable securities or other regulatory authorities, including the Act and Regulations; and

(b) the terms, conditions and trusts set forth in this Declaration of Trust.

The beneficial interest and rights generally of the Unitholders in the Trust shall be limited to the right to participate in distributions when and as declared by the Issuer Trustee and distributions upon the termination of the Trust. The Trust is not and is not intended to be, shall not be deemed to be and shall not be treated as a general partnership, limited partnership, syndicate, association, joint venture, company, corporation or joint stock company nor shall the Issuer Trustee or the Unitholders or any of them for any purpose be, or be deemed to be treated in any way whatsoever to be, liable or responsible hereunder as partners or joint venturers. The Issuer Trustee shall not be, or be deemed to be, an agent of the Unitholders. The relationship of the Unitholders to the Issuer Trustee, to the Trust and to the Trust Property shall be solely that of beneficiaries in accordance with this Declaration of Trust.

2.5 Rights of Unitholders

No Unitholder shall be entitled to call for any partition or division of the Trust Property or for a distribution of any particular asset forming part of the Trust Property or of any particular monies or funds received by the Issuer Trustee. The legal ownership of the Trust Property and the right to conduct the activities of the Trust are vested exclusively in the Issuer Trustee, and no Unitholder has or is deemed to have any right of ownership in any of the Trust Property, except as specifically provided herein. Except as specifically provided herein, no Unitholder or Unitholders shall be entitled to interfere with or give any direction to the Issuer Trustee with respect to the affairs of the Trust or in connection with the exercise of any powers or authorities conferred upon the Issuer Trustee under this Declaration of Trust. The Units shall be personal property and shall confer upon the holders thereof only the interest and rights, and impose upon the holders thereof only those liabilities and obligations, specifically set forth in this Declaration of Trust.

ARTICLE 3
UNITS

3.1 Nature of Units

The beneficial interests in the Trust shall be divided into a single class of Units. Each Unit represents an equal undivided beneficial interest in any distributions by the Trust, whether of Income of the Trust, Net Realized Capital Gains of the Trust (other than Net Realized Capital Gains of the Trust Allocated on Redemption to redeeming Unitholders), or other amounts, and, in the event of termination or winding up of the Trust, in the net assets of the Trust remaining

after satisfaction of all liabilities. All Units rank equally among themselves and rateably without discrimination, preference or priority. Each Unit will entitle the Unitholder of record thereof to one vote at all meetings of the Unitholders or in respect of any written resolution of the Unitholders. Each Unit, when issued, shall vest indefeasibly in the holder thereof.

The number of Units which the Trust may issue is unlimited. The issued and outstanding Units may be subdivided or consolidated from time to time by the Issuer Trustee without notice to or approval of the Unitholders. Unless the Issuer Trustee determines otherwise, immediately after any *pro rata* issuance of additional Units to all Unitholders pursuant to subsection 11.3(3), the number of outstanding Units will automatically be consolidated such that each such holder will hold after the consolidation the same number of Units as such holder held before the issuance of additional Units.

3.2 Consideration of Units

A Unit will not be fully paid until the consideration therefor has been received in full by or on behalf of the Trust. The consideration for any Unit will be paid in money or in property (including, without limitation, a debt instrument issued to the Trust) or in past services received by the Trust that are not less in value than the fair equivalent of the money that the Trust would have received if the Unit had been issued for money. In determining whether property or past services are the fair equivalent of consideration paid in money, the Issuer Trustee may take into account reasonable charges and expenses of organization and reorganization and payments for property and past services reasonably expected to benefit the Trust. In no case will a Unit be issued to a Designated Beneficiary.

3.3 No Pre-Emptive Rights

No Person shall be entitled, as a matter of right, to subscribe for or purchase any Units of the Trust. There are no pre-emptive rights attaching to the Units.

3.4 Fractional Units

If as a result of any act of the Issuer Trustee hereunder, any Person becomes entitled to a fraction of a Unit, such Person will not be entitled to receive a certificate therefor. Fractional Units will not, except to the extent that they may represent in the aggregate one or more whole Units, entitle the holders thereof to notice of or to attend or to vote at meetings of the Unitholders. Subject to the foregoing, such fractional Units will have attached thereto the rights, restrictions, conditions and limitations attaching to whole Units in the proportion that they bear to a whole Unit.

3.5 Allotment and Issue

Subject to Section 3.6, the Issuer Trustee may allot and issue Units at such time or times and in such manner (including pursuant to any plan from time to time in effect relating to reinvestment by the Unitholders of distributions of the Trust in Units) and to such Person, Persons or class of Persons as the Issuer Trustee in its sole discretion will determine. The price or the value of the consideration for which Units may be issued and the terms and conditions of issuance of the Units will be determined by the Issuer Trustee in its sole discretion. Not

restricting the generality of the foregoing, the Issuer Trustee may accept amounts received from a Unitholder as a prepayment in respect of the obligation of the Unitholder to pay all or any part of the subscription price of Units to be issued at a later date by the Issuer Trustee. In such circumstances, such prepayment will form part of the Trust Property. In the event that Units are issued in whole or in part for a consideration other than money, the resolution of the Issuer Trustee allotting and issuing such Units will express the fair equivalent in money of the other consideration received.

3.6 Prohibited Issuances and Transfers

(1) Notwithstanding any other provision in this Declaration of Trust, at no time, may Units be issued or transferred to a Person who would be a "designated beneficiary" within the meaning of Part XII.2 of the ITA ("**Designated Beneficiary**"), and the Issuer Trustee will not accept a subscription for Units from, or issue or register a transfer of Units to, a Person unless the Person provides a declaration to the Issuer Trustee that it would not be a Designated Beneficiary and covenants to maintain such representation true for as long as it continues to hold one or more Units. If, notwithstanding the foregoing, the Issuer Trustee determines that a Person has purported to become or remain a Unitholder in breach of the above mentioned declaration or covenant, or if the Unitholder fails to provide, upon request, a declaration in form and content satisfactory to the Issuer Trustee that it is not a Designated Beneficiary, (i) the Issuer Trustee will require such Person to dispose of the Units within a specified period not to exceed 60 days to a Person who does not contravene the above mentioned limitation on ownership ("**New Holder**"), and (ii) effective immediately prior to the breach, such Person will be deemed to have ceased to be a holder of such Units, the voting and distribution rights attached to such Units will be suspended and such Units will be deemed not to be outstanding until acquired by a New Holder (provided that holders of other Units will not be entitled to any portion of the distributions that may have been paid in respect of Units that have been so deemed not to be outstanding) and such Person's rights in respect of such Units will be limited to receiving the net proceeds of the sale thereof. If such Person has not, within such period, sold such Units or provided the Issuer Trustee with a declaration in form and content satisfactory to the Issuer Trustee that it is not a Designated Beneficiary, the Issuer Trustee may sell such Units on behalf of such Person (and the Issuer Trustee will have the power of attorney of such Person to do so), and such Person's rights in respect of such Units will be limited to receiving the net proceeds of sale upon surrender of the certificates representing such Units.

(2) Subject to this section 3.6, and until the Issuer Trustee will have been required to do so under the terms hereof, the Issuer Trustee will not be bound to do or take any proceeding or action with respect to this section 3.6 by virtue of the powers conferred on it hereby. The Issuer Trustee will have the sole right and authority to make any determination required for the administration of the provisions of, or contemplated under this section 3.6, and without limiting the generality of the foregoing, if the Issuer Trustee considers that there are reasonable grounds for believing that a contravention of the above mentioned limitation on ownership has occurred or may occur, the Issuer Trustee will make a determination with respect to the matter. Any such determination will be conclusive, final and binding for the purposes of this section 3.6 except to the extent

modified by any subsequent determination by the Issuer Trustee. The Issuer Trustee may require declarations as to whether a Unitholder is a Designated Beneficiary or as to factual information that will enable the Issuer Trustee to determine whether a Unitholder or a prospective transferee of a Unit may be a Designated Beneficiary. In any situation where it is unclear whether Units may be held by a Person who may be a Designated Beneficiary, the Issuer Trustee may exercise its discretion in determining whether such Person is or is not a Designated Beneficiary, and any such exercise by it of its discretion will be binding for the purposes of this section 3.6.

3.7 Liability of Unitholders

No Unitholder of the Trust, in its capacity as such, will incur or be subject to any liability, direct or indirect, absolute or contingent, in contract or in tort or of any other kind, to any Person in connection with: (i) the Trust Property or the ownership, use, operation, acquisition or disposition thereof or exercise or enjoyment of the rights, privileges, conditions or benefits attached thereto, associated therewith or derived therefrom; (ii) the obligations, liabilities, activities or affairs of the Trust; (iii) any actual or alleged act or omission of the Issuer Trustee or any other Person in respect of the activities or affairs of the Trust (whether or not authorized by or pursuant to this Declaration of Trust); (iv) any actual or alleged act or omission of the Issuer Trustee or any other Person in the performance or exercise, or purported or attempted performance or exercise, of any obligation, power, discretion or authority conferred upon the Issuer Trustee or such other Person in respect of the activities or affairs of the Trust (whether or not authorized by or pursuant to this Declaration of Trust); (v) any transaction entered into by the Issuer Trustee or by any other Person in respect of the activities or affairs of the Trust (whether or not authorized by or pursuant to this Declaration of Trust); or (vi) any taxes, levies, imposts or charges or fines, penalties or interest in respect thereof payable by the Trust or by the Issuer Trustee or by any other Person (except the Unitholders to the extent required by applicable tax laws) on behalf of or in connection with the activities or affairs of the Trust. No Unitholder will be liable to indemnify the Issuer Trustee or any other Person with respect to any such liability or liabilities incurred by the Issuer Trustee or by any such other Person or Persons or with respect to any taxes payable by the Trust or by the Issuer Trustee or any other Person on behalf of or in connection with the Trust. To the extent that any such liabilities of the Unitholders may arise, they will be enforceable only against, and will be satisfied only out of, the Trust Property to the full extent of such liability and the costs of any litigation or other proceedings in which such liability will have been determined, including without limitation, the fees and disbursements of counsel.

ARTICLE 4
REDEMPTION OF UNITS

4.1 Redemption of Units

Each Unitholder will be entitled to require the Trust to redeem at any time and from time to time at the demand of such Unitholder all or any part of the Units held by such Unitholder as follows:

(1) The Unitholder will give notice in writing to the Trust at its head office of its intention to redeem Units and the number of Units to be redeemed.

(2) Upon receipt by the Trust of such notice from the Unitholder to redeem Units, the Unitholder will be entitled to receive, subject to subsection 4.1(3), an amount equal to the aggregate fair market value of such Units immediately before the redemption (the "**Redemption Price**") established by the Issuer Trustee, acting reasonably, payable by certified cheque or via wire transfer of funds.

(3) In the event that the Trust has insufficient funds to make the payment required pursuant to subsection 4.1(2) or such payment is restricted under the terms of the Indenture, the Trust will satisfy the Redemption Price, subject to compliance with any regulatory requirements, by either issuing a promissory note to the Unitholder, which note shall have a principal amount equal to the Redemption Price and such other terms as is determined at the time of issuance by the Issuer Trustee, or by distributing to the redeeming Unitholder *in specie* a proportionate amount of the Trust Property, the fair market value of which, as determined by the Issuer Trustee, acting reasonably, is equal to the Redemption Price. In the event that property is distributed *in specie*, the amount of Net Realized Capital Gains of the Trust Allocated on Redemption as contemplated by subsection 4.1(5) payable in connection with the redemption of Units shall be payable to the Unitholder in kind, and to the extent of the amount thereof, the Redemption Price of the Units being redeemed shall be reduced accordingly (the "**Adjusted Redemption Price**").

(4) Upon satisfaction of the Redemption Price or the Adjusted Redemption Price, as the case may be, the redeeming Unitholder will not be entitled to any rights or benefits, including voting and the right to receive distributions, in connection with the Units redeemed.

(5) Where the Trust distributes Trust Property *in specie* as contemplated in subsection 4.1(3), the Issuer Trustee shall designate and pay to the redeeming Unitholder such part of the Net Realized Capital Gains of the Trust as is realized by the Trust in connection with such *in specie* distribution, provided that the amount of the Net Realize Capital Gains on the Trust so allocated shall not exceed the amount, if any, by which the Redemption Price of the particular Units being redeemed exceeds the aggregate adjusted cost base of such Units to the Unitholder for the purpose of the ITA immediately before the redemption (the "**Net Realized Capital Gains of the Trust Allocated on Redemption**"). If the total Net Realized Capital Gains of the Trust Allocated on Redemption determined by the Issuer Trustee pursuant to the preceding sentence for all redeeming Unitholders in any taxation year exceeds the Net Realized Capital Gains of the Trust for that year, the Net Realized Capital Gains of the Trust for that taxation year shall be allocated rateably to all redeeming Unitholders for the year based on the Net Realized Capital Gains of the Trust Allocated on Redemption as otherwise determined pursuant to the preceding sentence. The Net Realized Capital Gains of the Trust Allocated on Redemption designated and paid on the redemption of Units as determined under this subsection shall be deemed to be a distribution of Net Realized Capital Gains of the Trust for the particular taxation year in which the redemption occurs. If the Issuer Trustee is required to deduct or withhold an amount from such distribution, the Unitholder shall make the cash payment

described in Section 11.7 to the Issuer Trustee on or prior to the date the Units are to be redeemed.

ARTICLE 5
RIGHTS AND POWERS OF ISSUER TRUSTEE

5.1 General Rights and Powers

Subject to the specific restrictions and limitations set forth in this Declaration of Trust and notwithstanding the provisions of the *Trustee Act* (Ontario) or any other similar legislation in any jurisdiction, the Issuer Trustee will have, without the necessity of authorization by, and free from any power or control on the part of, the Unitholders, full, exclusive and absolute power, control and authority over the Trust Property and the Trust Activities to the same extent as if the Issuer Trustee were the sole and absolute owner thereof in its own right including, without limitation, such power, control and authority to do all such acts and things as in its sole judgment and discretion are necessary, incidental or desirable for carrying on the Trust Activities in accordance with the Program Agreements with such powers of delegation as may be permitted by this Declaration of Trust, including the right, power and authority to amend this Declaration of Trust subject to and in accordance with the terms hereof and to appoint, employ or contract with any Person as the Issuer Trustee may deem necessary, appropriate or desirable for the transaction of the Trust Activities, including for the administration of the Trust. For greater certainty, the powers of the Issuer Trustee that may be exercised as aforesaid include the powers set forth in Section 5.2 to and including Section 5.18. 5.2 Acquisition of Assets and Deposit of Funds

Subject to Section 2.1, the Issuer Trustee will have the power to acquire Investment Interests in accordance with the Program Agreements. Subject to compliance with the terms of the Program Agreements, the Issuer Trustee will have the power to deposit any money forming part of the Trust Property with any bank (which bank may be an Affiliate of the Issuer Trustee) licensed under the laws of Canada or any trust company (which includes the Issuer Trustee) licensed under the laws of any province of Canada and to withdraw such deposits in accordance with the Program Agreements. 5.5 Management of Trust Property

In accordance with and subject to the terms of the Program Agreements, the Issuer Trustee will have the power to own, manage, use, invest and hold the Trust Property (including, without limitation, the power to make investments in Eligible Investments) and to enter into agreements in respect of the Trust Property or its use including, without limitation, agreements to modify, amend, extend, renew or terminate any grant or agreement relating to the Trust Property and to waive compliance with any of the terms and conditions thereof, all, in each case, without the approval of or notice to the Unitholders.

5.6 Power to Borrow Money and Issue Funding Obligations

In accordance with and subject to the terms of the Program Agreements, the Issuer Trustee will have the power to:

(a) borrow or in any other manner raise money and to evidence the same by the issuance of Funding Obligations, by private placement, public offering or otherwise;

(b) reacquire or redeem Funding Obligations;

(c) execute and deliver any trust indenture or supplement thereto, security agreement, mortgage, pledge, hypothec, assignment or other instrument to secure Funding Obligations, and amendments, modifications, restatements or replacements thereof, whether by fixed or floating charge or by assignment or by the granting of a security interest, free and clear of any and all trusts hereby established and, in lieu of or in addition to granting any security, to grant to any Person a negative pledge whereby the Issuer Trustee agrees not to encumber any Trust Property and such other covenants as may be consistent with those set out in the Program Agreements or as may otherwise be specified by any applicable Rating Agency in accordance with the foregoing; and

(d) execute and/or deliver any agreement, instrument, certificate, direction or other document necessary or desirable in order to permit or give effect to the provisions of this Section 5.6, including, without limitation, prospectuses, offering memoranda, regulatory filings, dealer agreements, Underwriting Agreements, Agency Agreements, subscription agreements, letters of representation, consent letters, and any instruments ancillary thereto.

5.7 Derivative Agreements

In accordance with and subject to the terms of the Program Agreements, the Issuer Trustee will have the power to enter into Derivative Agreements in connection with or related to the borrowing or other raising of money by the Issuer Trustee or the purchase or ownership of Investment Interests, provided that such Derivative Agreements may be entered into only at or prior to the time that such securities are sold, or such borrowing, other raising of money or purchase takes place, as applicable, or as otherwise expressly permitted in the Management Agreement; provided, however, that amendments, modifications or novations of or to a Derivative Agreement may be entered into at any time after the original Derivative Agreement was executed.

5.8 Execution of Instruments

Every deed, transfer, assignment, hypothec, agreement, certificate, direction, instrument, prospectus, or any other document which is necessary or desirable to be executed by the Trust, including, without limitation, any document evidencing Funding Obligations or relating to the issuance of Funding Obligations, will be signed on behalf of the Trust by the Issuer Trustee or its duly appointed agent, including the Manager.

5.9 Facsimile Signatures

The Issuer Trustee may authorize the use of facsimile signatures on the documents evidencing Funding Obligations, provided, however, that where facsimile signatures are so used, documents evidencing Funding Obligations will be manually countersigned or certified by a transfer agent, trustee, registrar or similar Person. If a Funding Obligation contains a printed or mechanically reproduced signature of a Person, the Issuer Trustee may issue the Funding Obligation notwithstanding that the Person has ceased to be a director, officer or signing officer of the Issuer Trustee, and the Funding Obligation will be as valid as if the Person were a director, an officer or a signing officer at the date of its issue.

5.10 Taxes

The Issuer Trustee will have the power to pay all taxes or assessments of whatever kind or nature imposed upon the Issuer Trustee and/or the Trust in connection with the Trust Property or the Trust Activities or upon or against the income from the Trust Activities or any part thereof, to settle and compromise disputed tax liabilities and, for the foregoing purposes, to make such returns and do all such other acts and things as may be deemed by the Issuer Trustee necessary or desirable. The Issuer Trustee will have the power to deduct and remit any taxes which are required by law to be deducted and remitted from any payment made by the Issuer Trustee under any Program Agreements or otherwise.

5.11 Collection

In accordance with and subject to the terms of the Program Agreements, the Issuer Trustee will have the power to:

(a) collect, receive, give receipts for and sue for all sums of money or other property due to the Trust;

(b) consent to extensions of time for payment of, or the renewal of, any securities or obligations of the Trust;

(c) engage or intervene in, prosecute, defend, compound, compromise, abandon or adjust by arbitration or otherwise deal with or settle any actions, suits, proceedings, disputes, claims, demands or things relating to the Trust Property or the Trust Activities;

(d) exercise any and all remedies available to it under any Program Agreements or otherwise, including any power of foreclosure or sale available to the Issuer Trustee at law or pursuant to any agreement and, in connection with any such foreclosure or sale, to purchase or otherwise acquire title to any property and to convey good title thereto free of any and all trusts hereby established, or to take or retake possession of any property secured or unsecured thereunder or such other security;

(e) extend the time, with or without security, for the payment or delivery of any debts or property and to execute and enter into releases, agreements and other instruments; and

(f) pay or satisfy any debts or claims upon any evidence that the Issuer Trustee determines to be sufficient.

5.12 Expenses and Compensation of Issuer Trustee

(a) The Issuer Trustee will have the power to incur and make payment of any charges or expenses which in the opinion of the Issuer Trustee are necessary or incidental to or proper for carrying out any of the purposes of this Declaration of Trust and the Trust Activities, and to pay appropriate compensation or fees from the Trust Property to Persons with whom the Trust has contracted or transacted business including, without limitation, any charges, expenses, compensation or fees payable under or in connection with the Program Agreements.

(b) The Issuer Trustee will be entitled to be paid from the funds of the Trust, without any requirement of a passing of accounts in respect thereof or approval of the Unitholders, such fees as the Issuer Trustee and the Manager may agree to from time to time for its services hereunder and all reasonable expenses, disbursements and advances incurred or made by the Issuer Trustee in the administration or execution of the trusts hereby created (including the reasonable compensation and the disbursements of its counsel and all other advisers and assistants not regularly in its employ) until all the duties of the Issuer Trustee under the trusts hereby created shall be finally and fully performed, except any such expense, disbursement or advance as may arise from or in connection with the dishonesty, bad faith, wilful misconduct, negligence or reckless disregard of any duty or the failure to comply with the standard of care referred to in Section 7.1 by the Issuer

Trustee, its officers, employees or agents. All such amounts will be payable at such times as the Issuer Trustee and the Manager may agree from time to time. All such amounts shall be exclusive of any applicable taxes and any applicable taxes shall be paid to the Issuer Trustee in addition to such amounts. Any amount not paid when due shall bear interest at a rate per annum equal to the rate designated by the Issuer Trustee as the then current rate charged by the Issuer Trustee or its successors from time to time to its corporate customers, payable on demand. After default and unless otherwise provided in the Indenture and any documents contemplated thereunder, all amounts so payable and the interest thereon shall be payable out of any funds coming into the possession of the Issuer Trustee or its successors in the trusts hereunder in priority to any payments to other Specified Creditors.

5.13 Allocation

The Issuer Trustee will have the power to determine conclusively whether money or other assets received by the Trust or expenses or disbursements made by the Trust will be charged or credited to income or capital or allocated between income and capital, provided, however, that such determination will not be inconsistent with calculation of income in accordance with the ITA at the time the determination is made.

5.14 Fiscal Year and Form of Accounts

The fiscal year of the Trust will end on December 31. The Issuer Trustee will have the power to determine and from time to time change the method or form in which the accounts of the Trust will be kept, provided such method or form reasonably complies with Canadian generally accepted accounting principles as applicable from time to time.

5.15 Power to Contract

In accordance with and subject to the terms of the Program Agreements, the Issuer Trustee will have the power to appoint, employ or contract with any Person as the Issuer Trustee may deem necessary or desirable for the transaction of the Trust Activities and may transfer assets to such Person and, save and except for such matters as are listed in Section 2.2, delegate to such Person any or all of the discretionary powers given to the Issuer Trustee with respect to the management of the Trust Property. Without in any way limiting the generality of the foregoing, the Issuer Trustee will have the power to:

(a) enter into, execute, deliver, perform the obligations of the Trust under, and grant security as provided for in, the Program Agreements;

(b) appoint, employ or contract with the Manager or any other Person who, under the supervision of the Manager, may, among other things: (i) furnish and supervise or cause to be furnished and supervised the performance of the clerical and administrative services necessary to the administration of the Trust and the Trust Property including, without limitation, the provision of office space, office equipment and personnel for the performance of such services, property management, administration and servicing, the maintenance of documents, books

and Records for the Trust (including those described in Section 8.1), the receipt and disbursement of Trust Property, the servicing and payment of debt and other obligations and generally all matters relating to the obtaining of and the administration and servicing of Trust Property, including, without limitation, as provided in the Management Agreement; (ii) serve as an advisor to the Issuer Trustee, furnish reports to the Issuer Trustee and provide research, economic and statistical data in connection with the Trust Activities; (iii) act as consultant, accountant, correspondent, lender, technical advisor, counsel, broker and dealer, underwriter, fiscal agent, corporate fiduciary, escrow agent, depository, custodian or agent for collection from obligors, loan administrator, appraiser, bank, insurer or insurance agent, transfer agent or registrar or issuing and paying agent for Funding Obligations or in any other capacity deemed by the Issuer Trustee necessary or desirable; (iv) act as attorney or agent in the purchase or sale or other disposition of the Trust Property or the property secured thereby and the handling, prosecution or settling of any claims of the Trust and assist in the performance of such functions necessary in the management of the Trust as may be agreed upon with the Issuer Trustee; and (v) execute and deliver the Program Agreements. For greater certainty, the appointment by the Issuer Trustee of the Manager under the Management Agreement will, where applicable, be deemed to constitute adequate supervision by the Issuer Trustee for purposes of the *Trustee Act* (Ontario) and this Declaration of Trust of any Person thereby engaged in connection with the foregoing activities; and

(c) investigate, select and conduct negotiations with Persons acting in the capacities referred to in Section 5.15(b) and pay appropriate fees to, and enter into appropriate contracts with, employ or retain the services of, any of them in connection with the Trust Property or property secured thereby, other assets and any security related thereto funded, acquired, sold or otherwise disposed of, or committed, negotiated or contemplated to be funded, acquired, sold, or otherwise disposed of in connection with Funding Obligations.

5.16 Indemnification

In accordance with and subject to the terms of the Program Agreements, the Issuer Trustee will have the power to indemnify or enter into agreements with respect to indemnification with any Person with whom the Issuer Trustee or the Trust deals to such extent as the Issuer Trustee determines necessary or desirable.

5.17 Further Powers

Subject to Section 2.1, the Issuer Trustee will have the power to perform and do all such other acts and things and to execute itself (or have executed by any Person appointed by it pursuant to Section 5.15) all such deeds, transfers, assignments, hypothecs, agreements, certificates, directions, instruments or other documents whatsoever as it deems necessary, proper or desirable in order to carry on the Trust Activities in accordance with and subject to the Program Agreements notwithstanding that such acts, things, deeds, transfers, assignments, hypothecs, agreements, certificates, directions, instruments or other documents are not herein

specifically mentioned. Any determination as to what is necessary, proper or desirable in order to carry on the Trust Activities in accordance with the Program Agreements or otherwise, provided it is made by the Issuer Trustee honestly and in good faith, will be conclusive. Any construction of this Declaration of Trust or the existence of any power or authority hereunder, made honestly and in good faith by the Issuer Trustee upon the advice of counsel, will be conclusive to the extent consistent with the law. In construing the provisions of this Declaration of Trust, there will be a presumption in favour of a grant of power to the Issuer Trustee.

5.18 Auditors

In accordance with and subject to the terms of the Program Agreements, the Issuer Trustee will have the power from time to time to select and appoint and discharge and reappoint an auditor of the Trust in its discretion and to negotiate and fix the fees of any such auditor.

5.19 Defect in Appointment

Notwithstanding anything to the contrary herein contained, no action taken by the Issuer Trustee will be invalid by reason only of any defect that is thereafter discovered in its appointment.

5.20 Status

The Issuer Trustee shall not have the status of bankrupt and shall be resident in Canada for purposes of the ITA.

ARTICLE 6
REPLACEMENT OF ISSUER TRUSTEE

6.1 Resignation of Issuer Trustee

(a) If the Issuer Trustee desires to resign and be discharged from the trusts and powers reposed in or conferred on it by this Declaration of Trust, it will provide 120 days written notice (or such shorter period of notice as the Unitholders , the Indenture Trustee and the Rating Agencies may agree to) thereof to the Unitholders, the Indenture Trustee and the Rating Agencies provided that no such voluntary resignation shall be effective until a replacement Issuer Trustee acceptable to the Unitholders and the Indenture Trustee has been appointed and has executed a written agreement whereby such replacement Issuer Trustee agrees to assume the obligations of the Issuer Trustee hereunder, under the Program Agreements and under any other contract pursuant to which the Issuer Trustee is obligated.

(b) The Issuer Trustee shall resign if a material conflict of interest arises in its role as a trustee under this Declaration of Trust that is not eliminated within 90 days after the Issuer Trustee becomes aware that it has such a material conflict of interest. Forthwith after the Issuer Trustee becomes aware that it has such a material conflict of interest, it shall provide the Unitholders, the Indenture Trustee and the Rating Agencies with written notice of the nature of such material conflict of

interest. Upon such resignation, the Issuer Trustee shall (subject to Section 6.6) be discharged from its office under this Declaration of Trust. If, notwithstanding the foregoing provisions of this Section 6.1(b), the Issuer Trustee has such a material conflict of interest, the validity and enforceability of this Declaration of Trust and any agreement entered into by the Issuer Trustee shall not be affected in any manner whatsoever by reason only of the existence of such material conflict of interest. If the Issuer Trustee contravenes the foregoing provisions of this Section 6.1(b), the Unitholders, may apply, on notice to the Rating Agencies, to a court of competent jurisdiction for an order that the Issuer Trustee be replaced as Issuer Trustee hereunder.

6.2 Removal of Issuer Trustee

The Issuer Trustee may be removed from its office under this Declaration of Trust by the Unitholders, at any time by notice in writing delivered to the Issuer Trustee not less than 90 days prior to the date that such removal is to take effect.

6.3 Vacancy

In the event of the bankruptcy or insolvency of the Issuer Trustee or the inability of the Issuer Trustee to exercise its duties under this Declaration of Trust, the Unitholders may forthwith terminate the term of office of the Issuer Trustee as trustee and, in such instance, a vacancy will occur. No vacancy (including upon a resignation of the Issuer Trustee pursuant to Section 6.1(b)) shall operate to annul this Declaration of Trust or affect the continuity of the Trust or terminate the appointment of the Manager under the Management Agreement.

6.4 Appointment of New Issuer Trustee

If, pursuant to this Article 6, the Issuer Trustee resigns or a vacancy occurs in the office of the Issuer Trustee for any reason, the Unitholders may, subject to the satisfaction of the Rating Agency Condition, by instrument in writing appoint a Trust Company, which has risk-based capital of at least $50,000,000 or, in the case of an entity that is not subject to risk-based capital adequacy requirements, has a combined capital and surplus of at least $50,000,000, in order to replace the Issuer Trustee. If the Unitholders fail to make such appointment within 60 days of the occurrence of any such resignation, removal or vacancy, then the Issuer Trustee may make an application, on notice to the Rating Agencies, to a court of competent jurisdiction to appoint a successor Issuer Trustee hereunder. If the Issuer Trustee elects not to make such an application, the Unitholders may do so on notice to the Rating Agencies. If the Issuer Trustee and the Unitholders elect not to make such an application, the Indenture Trustee may do so on notice to the Rating Agencies if so directed in accordance with the Indenture. The expense of any act, document, deed or other instrument or thing required under this Section 6.4 will be satisfied from the Trust Property.

6.5 Merger, Consolidation and Amalgamation

Any company into which the Issuer Trustee may be merged or with which it may be consolidated or amalgamated, or any company resulting from any merger, consolidation or amalgamation to which the Issuer Trustee is a party or any company succeeding to the corporate

trust business of the Issuer Trustee will be a successor Issuer Trustee under this Declaration of Trust without any further action on the part of the Issuer Trustee, provided that such company shall be a Trust Company.

6.6 Vesting in Successor Issuer Trustee

Any successor Issuer Trustee will become vested with all the estates, properties, rights, powers, duties, responsibilities and trusts of its predecessors in the trusts hereunder as if it had been originally named as Issuer Trustee pursuant to this Declaration of Trust. In furtherance of the foregoing, upon written request of the successor Issuer Trustee, the Issuer Trustee ceasing to act will do, make, execute, deliver or cause to be done, made, executed or delivered all such acts, documents, deeds or other instruments and things as may be necessary or desirable in order to more effectively assign, transfer and deliver to, and vest in, the successor Issuer Trustee, upon the trusts herein expressed, all the rights, powers and trusts of, and all property and money held by the Issuer Trustee so ceasing to act. The expense of any act, document, deed or other instrument or thing required under this Section 6.6 will be satisfied from the Trust Property.

6.7 Confidentiality

At all times (including, without limitation, at any time the Issuer Trustee should resign or be discharged from the trusts and powers reposed in or conferred on it by this Declaration of Trust), the Issuer Trustee (or the trustee so resigning and being discharged, as the case may be) will treat as confidential all information relating to the Trust, the Trust Activities and the transactions contemplated by the Program Agreements obtained by it in its capacity as Issuer Trustee.

6.8 Right to Disclose

The Issuer Trustee shall have the right to disclose any information disclosed or released to it if in the opinion of legal counsel to the Issuer Trustee it is required to disclose under any applicable laws, court order or directions of Governmental Authorities or if it is requested by a Rating Agency. The Issuer Trustee shall not be responsible or liable to any party for any loss or damage arising out of or in any way sustained or incurred or in any way relating to such disclosure.

ARTICLE 7
STANDARD OF CARE, LIMITATION OF LIABILITY OF ISSUER TRUSTEE AND OTHER MATTERS

7.1 Standard of Care

The Issuer Trustee will exercise its powers and carry out its obligations hereunder as Issuer Trustee honestly, in good faith and in the best interests of the Trust and the Unitholders and in connection therewith will exercise that degree of care, diligence and skill that a reasonably prudent Person would exercise in comparable circumstances. To the extent that the Issuer Trustee has delegated or subcontracted the performance of all or a portion of its duties to the Manager as contemplated by Section 5.15, it will be deemed to have satisfied the aforesaid standard of care. Unless otherwise required by law, the Issuer Trustee will not be required to give bond, surety or

security in any jurisdiction for the performance of any duties or obligations hereunder. The Issuer Trustee will not be required to devote its entire time to the Trust Activities. For greater certainty, the entering into of any Program Agreement by the Trust and the performance by the Trust of its obligations thereunder will be deemed to be in the best interests of the Unitholders and the Trust.

7.2 Limitation of Liability of Issuer Trustee

The Issuer Trustee has entered into this Declaration of Trust solely in its capacity as trustee of the Trust and not in its personal capacity, and any and all of the representations, warranties, undertakings, covenants, indemnities, agreements and other obligations made on the part of the Issuer Trustee herein are made and intended not as personal representations, warranties, undertakings, covenants, indemnities, agreements and other obligations by the Issuer Trustee or for the purpose or with the intention of binding the Issuer Trustee in its personal capacity, but are made and intended for the purpose of binding only the Trust Property or a specific portion thereof. No property or assets of the Issuer Trustee, whether owned beneficially by it in its personal capacity or otherwise (other than the Trust Property), will be subject to levy, execution or other enforcement procedures with regard to any of the representations, warranties, undertakings, covenants, indemnities, agreements and other obligations of the Trust or the Issuer Trustee hereunder, and no recourse may be had or taken, directly or indirectly, against the Issuer Trustee in its personal capacity, any Unitholder or any Affiliate, shareholder, director, officer, representative, employee or agent of the Issuer Trustee or any predecessor or successor of the Issuer Trustee with regard to the representations, warranties, undertakings, covenants, indemnities, agreements and other obligations of the Trust or the Issuer Trustee hereunder; provided that the foregoing limitation will not apply in respect of any action or failure to act arising from or in connection with the wilful misconduct, gross negligence or the failure to comply with the standard of care referred to in Section 7.1. Notwithstanding any other provision of this Article 7, but subject to the Indenture, each Specified Creditor is entitled to recourse to the Trust Property to satisfy in full the obligations of the Trust to it even if the Issuer Trustee has no right, or only an impaired right, to seek indemnification from the Trust Property or to apply the Trust Property in satisfaction of such obligations.

7.3 Indemnification of the Issuer Trustee

The Issuer Trustee, its directors, officers, agents, representatives and employees will at all times be indemnified and saved harmless out of the Trust Property from and against all claims (including any claim arising out of the assessment of any tax on income by a taxing authority), demands, levies, penalties, suits, losses, actions, causes of action, costs, charges, fees and expenses, damages and liabilities whatsoever, including, without limitation, those arising out of or related to actions taken or omitted to be taken by any agent of the Issuer Trustee, including, without limitation, the Manager, as contemplated hereby, legal fees and disbursements on a substantial indemnity basis and costs and expenses incurred in connection with the enforcement of this indemnity (each, a "**Claim**"), which the Issuer Trustee, its directors, officers, representatives and employees may suffer or incur, whether at law or in equity, in any way caused by or arising, directly or indirectly, in respect of any act, deed, matter or thing whatsoever made, done, acquiesced in or omitted in or about or in relation to the execution of its duties as Issuer Trustee or which it sustains or incurs in or about or in relation to the Trust Property and the Trust Activities. Further, the Issuer Trustee will not be liable to the Trust, to any Unitholder

or to any other Person for any loss or damage relating to any matter regarding the Trust, including any loss or diminution in the value of the Trust Property. The foregoing provisions of this Section 7.3 do not apply to the extent that in any circumstances there has been wilful misconduct, gross negligence or the failure to comply with standard of care referred to in Section 7.1 on the part of the Issuer Trustee, its directors, officers, agents, representatives or employees excluding the other parties to the Program Agreements. Notwithstanding any other provision hereof, this indemnity will survive the removal or resignation of the Issuer Trustee, the termination of this Declaration of Trust and the termination of any trust created hereby.

7.4 Reliance upon Advice

The Issuer Trustee may rely and act upon any statement, notice, report or opinion prepared by or any advice received from the Manager or from the auditors, counsel or other professional advisors of the Issuer Trustee and will not be responsible or held liable for any loss or damage resulting from so relying or acting if the Issuer Trustee acted reasonably and in good faith relied upon the advice received and if the professional advisor was aware that the Issuer Trustee was receiving the advice in its capacity as Issuer Trustee. The Issuer Trustee is entitled to be reimbursed from the Trust Property for all costs, charges and expenses it incurs in connection with obtaining any such statement, notice, report, opinion or advice. The Issuer Trustee is entitled to rely and act upon the genuineness and authenticity of any writing submitted to it that it in good faith believes to be genuine.

7.5 Retain Experts

The Issuer Trustee may appoint such agents and employ or retain such counsel, accountants, engineers, appraisers or other experts or advisers as it may reasonably require for the purpose of discharging its duties hereunder and shall not be responsible for any misconduct on the part of any of them. The Issuer Trustee may pay remuneration out of the Trust Property for all services performed for it in the discharge of the trusts hereof without taxation for costs or fees of any counsel, solicitor or attorney.

7.6 Reliance on Experts

The Issuer Trustee may act and rely and shall be protected in acting in good faith on the opinion or advice of or information obtained from any agent, counsel, accountant, engineer, appraiser or other expert or adviser in relation to any matter arising in the performance of its duties under the Program Agreements.

7.7 Provisions Regarding Liability

Any written instrument creating an obligation of the Issuer Trustee will be conclusively deemed to have been executed by the Issuer Trustee only in its capacity as Issuer Trustee. Any written instrument creating an obligation of the Issuer Trustee will contain a provision to the effect that the obligations thereunder are not binding upon the Issuer Trustee except in its capacity as Issuer Trustee, nor will recourse be had to the property of the Issuer Trustee except in its capacity as Issuer Trustee, but that the Trust Property or a specific portion thereof only will be bound, and may at the request of the Issuer Trustee make specific provision to the foregoing effect and contain any further provisions which the Issuer Trustee may deem appropriate, but the

omission of any such provisions will not operate to invalidate any such instrument or to impose liability on the Issuer Trustee, except as aforesaid. The Issuer Trustee shall not be required to expend or risk its own funds or otherwise incur financial liability in the performance of its duties hereunder.

ARTICLE 8
RECORDS

8.1 Records to be Kept

The Issuer Trustee will keep or cause to be kept at the head office of the Trust a copy of this Declaration of Trust, a register of Unitholders, minutes of meetings and resolutions of Unitholders, minutes of meetings and resolutions of the Issuer Trustee, and such Records as are by law or good business practice necessary. The Records may be kept at the office of any Person whom the Issuer Trustee has appointed to maintain the same, provided that the Issuer Trustee has access to the Records on one Business Day's notice to such Person.

8.2 Segregation of Assets

The Issuer Trustee shall maintain the Trust Property separate from all other property in its possession.

8.3 Method of Keeping Records

Where this Declaration of Trust requires the Issuer Trustee to cause a Record to be kept, it may be kept in bound or loose-leaf form or by means of a mechanical, electronic or other device.

8.4 Annual Financial Statements

A copy of the annual financial statements of the Trust, signed by the Issuer Trustee, shall be mailed or otherwise made available within 120 days following the end of a fiscal year to which they relate to each Unitholder. The financial statements shall include all information required to be included in annual financial statements of the Trust by applicable laws.

ARTICLE 9
MEETINGS OF UNITHOLDERS AND DECISION OF UNITHOLDERS

9.1 Annual Meeting

There will not be an annual meeting of the Unitholders.

9.2 Other Meetings

The Issuer Trustee will have power at any time to call meetings of the Unitholders at such time and place as the Issuer Trustee may determine. Unitholders holding in the aggregate not less than a majority of the outstanding Units may requisition the Issuer Trustee in writing to call a meeting of the Unitholders for the purposes stated in the requisition. The requisition shall state in

reasonable detail the business proposed to be transacted at the meeting and will be sent to the Issuer Trustee at the address of the Issuer Trustee. Upon receiving the requisition, the Issuer Trustee will call a meeting of the Unitholders to transact the business referred to in the requisition. If the Issuer Trustee does not within 10 days after receiving the requisition call a meeting, any Unitholder who signed the requisition may call the meeting.

9.3 Quorum and Voting

A quorum for any meeting of the Unitholders will be persons present being Unitholders or representing by proxy Unitholders who hold in the aggregate a majority of the total number of outstanding Units. Unitholders may attend and vote at all meetings of the Unitholders either in person or by proxy. Each Unit will be entitled to one vote at all meetings of the Unitholders. Any action to be taken by the Unitholders will, except as otherwise required by this Declaration of Trust, or by law, be authorized when approved by a majority of the votes cast at a meeting of the Unitholders. The chairman of any such meeting will not have a second or casting vote.

9.4 Written Resolution

Any business which may be conducted at a meeting of the Unitholders may be approved by a resolution in writing in lieu thereof. Notice of such resolution will be given to all Unitholders and approval of such resolution will be evidenced by the signature on any such resolution or counterpart thereof by the required percentage of Unitholders for the matter to be determined.

ARTICLE 10
AMENDMENT

10.1 Amendment

Subject to Section 2.1 and compliance with the terms of the applicable Program Agreements, the Issuer Trustee may, from time to time, amend, vary, supplement, replace or restate the provisions of this Declaration of Trust without the consent or approval of the Unitholders or any court as follows:

(a) to the extent deemed necessary by the Issuer Trustee in good faith to be necessary to ensure compliance with, or to remove any conflicts or other inconsistencies which may exist between any term of this Declaration of Trust and the provisions of, any applicable law in effect from time to time;

(b) to the extent deemed necessary by the Issuer Trustee in good faith to be necessary to make any change or correction in this Declaration of Trust which is a typographical change or correction or which the Issuer Trustee has been advised by legal counsel is required for the purpose of curing any ambiguity or defect or inconsistent provision or clerical omission or mistake or manifest error contained herein, or

(c) subject to the satisfaction of the Rating Agency Condition, to the extent deemed necessary or desirable in the sole discretion of the Issuer Trustee to permit or

facilitate the carrying on of the Trust Activities, including the accommodation of requests made by the Rating Agencies or regulatory authorities in relation to the issuance of Funding Obligations.

However, any such amendment may be made only if: (i) it will not materially adversely affect the interest of any Unitholder, unless that Unitholder has also approved of the amendment in writing and (ii) in respect of any material amendment, the Rating Agency Condition has been satisfied. The Issuer Trustee will immediately upon the entering into thereof, provide the Rating Agencies and the Indenture Trustee with a copy of any amendment, variation, supplement, replacement or restatement of this Declaration of Trust.

10.2 Automatic Amendment

Upon the Issuer Trustee ceasing to be a trustee of the Trust, this Declaration of Trust will be automatically amended to delete any reference to the name of the trustee so ceasing to be a trustee of the Trust and to substitute therefor the name of the successor trustee of the Trust. Notice of any change in the Issuer Trustee may be endorsed upon or attached to this Declaration of Trust and signed by the successor Issuer Trustee and every such notice will be sufficient evidence to any Person dealing with the Issuer Trustee under this Declaration of Trust as to the facts to which it relates.

10.3 Supplemental Declaration of Trust

The Issuer Trustee is authorized to execute any supplemental declaration of trust to give effect to amendments to this Declaration of Trust made pursuant to this Article 10. The Issuer Trustee shall not be obligated to enter into any such supplemental declaration if it adversely affects the Issuer Trustee's rights, duties or immunities under this Declaration of Trust or otherwise. No amendment to or amendment and restatement of this Declaration of Trust, whether pursuant to this Article 10 or otherwise, shall be construed as a termination of the Trust or the settlement or establishment of a new trust.

ARTICLE 11
DISTRIBUTION OF TRUST PROPERTY

11.1 Distributions

(1) The Issuer Trustee may declare to be payable and make distributions, from time to time, out of Income of the Trust, Net Realized Capital Gains of the Trust, capital of the Trust or otherwise, in any year, in such amount or amounts, and on such dates as the Issuer Trustee may determine, to the Unitholders at the record date for such distribution. The Issuer Trustee may declare such amounts to be payable or authorize such distributions in advance by way of a standing resolution that is effective for a period not exceeding 12 months after the date of the resolution.

(2) Where the Trust proposes to distribute Trust Property in specie to a redeeming Unitholder as contemplated in subsection 4.1(3), and the Issuer Trustee reasonably expects that such in specie distribution will give rise to Income of the Trust and / or Net Realized Capital Gains of the Trust in excess of the amount of the Net Realized Capital Gains of the Trust

Allocated on Redemption to the particular Unitholder whose Units are being redeemed (collectively, the "**Excess Income on Redemption**"), the Issuer Trustee shall declare to be payable and make a distribution, on the record date that is one Business Day before the redemption, to Unitholders at such record date in an amount equal to the estimated Excess Income on Redemption. Such distribution will be satisfied by the issuance of additional Units, or fractions of Units, having a fair market value equal to the amount of such distribution. If the Issuer Trustee is required to deduct or withhold an amount from such distribution, the applicable Unitholder shall make the cash payment described in Section 11.7 to the Issuer Trustee on or prior to the date the distribution.

(3) If the Issuer Trustee declares to be payable or makes a distribution pursuant to subsections 11.1(1) or 11.1(2) without determining the portion of such distribution that is payable out of Income of the Trust, Net Realized Capital Gains of the Trust, capital of the Trust or otherwise, such allocation shall be made pursuant to subsection 11.2(2).

(4) The Issuer Trustee intends to make payable to Unitholders all of the Income of the Trust and Net Realized Capital Gains of the Trust for each taxation year throughout which all Unitholders are Specified Unitholders so that the Trust will not have any liability for tax under Part I of the ITA in any such taxation year (other than alternative minimum tax or taxes payable under the "SIFT trust" rules in the ITA). Unless the Issuer Trustee, in its sole discretion determines otherwise, the following amounts will, without any further actions on the part of the Issuer Trustee, be due and payable to the Unitholders of record on the last day in each taxation year throughout which all Unitholders are Specified Unitholders:

(a) an amount equal to the amount, if any, by which the Income of the Trust for such year exceeds the aggregate of (A) the aggregate of the portions of the distributions paid or payable by the Trust which have been determined by the Issuer Trustee to have been payable by the Trust out of the Income of the Trust for such year, if any, and (B) the aggregate of the portions of distributions deemed by subsection 11.2(2)(a) to be paid or payable by the Trust out of the Income of the Trust for such year; and

(b) an amount equal to the amount, if any, by which the Net Realized Capital Gains of the Trust for such year exceeds the aggregate of (A) any amount of the Net Realized Capital Gains of the Trust Allocated on Redemption for the year payable to redeeming Unitholders pursuant to subsection 4.1(5), (B) the aggregate of the portions of the distributions paid or payable by the Trust which have been determined by the Issuer Trustee to have been payable by the Trust out of Net Realized Capital Gains of the Trust for such year, if any, and (C) the aggregate of the portions of distributions deemed by subsection 11.2(2)(b) to be paid or payable by the Trust out of the Net Realized Capital Gains of the Trust for such year, if any.

Any determinations by the Issuer Trustee not to make a distribution described in this subsection 11.1(4) must be exercised by the Issuer Trustee in writing prior to December 31 of the applicable taxation year.

(1) The Issuer Trustee retains discretion to make payable to Unitholders all of the Income of the Trust and Net Realized Capital Gains of the Trust for each taxation year not described in subsection 11.1(4) above, but any such distribution would require the consent of all Unitholders in such year (other than a Unitholder described in paragraph (a) of the definition of Specified Unitholder).

(2) The proportionate share of each Unit of the amount of any distribution made pursuant to this section will be determined by dividing such amount by the number of issued and outstanding Units on the applicable record date in respect of a distribution pursuant to subsections 4.1(5), 11.1(1) or 11.1(2) and on the last day of the taxation year in respect of a distribution pursuant to subsection 11.1(4). Each Unitholder's share of the amount of any such distribution will be an amount equal to the proportionate share of each Unit of such amount multiplied by the number of Units owned of record by each such Unitholder on such applicable record date or the last day of the taxation year, as the case may be, and such Unitholder shall, on such date, be entitled to enforce payment of the Unitholder's share. Subject to subsections 4.1(5) and 11.1(2) and section 11.3, amounts which are payable to Unitholders will be paid in cash.

11.2 Allocation

(1) Subject to subsection 11.2(2), distributions payable to the Unitholders pursuant to Article 11 will be deemed to be distributions of Income of the Trust (including dividends), Net Realized Capital Gains of the Trust, returns of capital of the Trust or other items in such amount as the Issuer Trustee in its absolute discretion determines and will be allocated to the Unitholders in the same proportions as distributions received by the Unitholders.

(2) If the Issuer Trustee has declared to be payable or made one or more distributions in a taxation year pursuant to subsection 11.1(1) without determining the portion of such distributions that is payable out of Income of the Trust, Net Realized Capital Gains of the Trust, capital of the Trust or otherwise, such distributions shall be deemed to be paid or payable out of:

(a) first, the Income of the Trust for such year to the extent, if any, that the Income of the Trust for such year exceeds the aggregate of the amounts in subsection 11.1(4)(a)(A);

(b) second, the Net Realized Capital Gains of the Trust for such year to the extent, if any, that the Net Realized Capital Gains of the Trust for such year exceeds the aggregate of the amounts in subsection 11.1(4)(b)(A) and 11.1(4)(b)(B); and

(c) as to any balance, the capital of the Trust;

and such amounts will be allocated to the Unitholders in the same proportions as such distributions were received by the Unitholders.

(1) For greater certainty it is hereby declared that any distribution of Net Realized Capital Gains of the Trust will include the non-taxable portion of the capital gains of the Trust which are included in such distribution.

11.3 Payment of Distributions

(1) Distributions to a Unitholder (other than distributions described in subsections 4.1(5) and 11.1(2)) will be made by cash, wire transfer or cheque payable to or to the order of the Unitholder or by such other manner provided for in subsection 11.3(3). The payment, if made by cheque, will be conclusively deemed to have been made upon hand delivery of a cheque to the Unitholder or to its agent duly authorized in writing or upon the mailing of a cheque by prepaid first-class mail addressed to the Unitholder at its address set out in the records of the Issuer Trustee unless the cheque is not paid on presentation, or in any other manner determined by the Issuer Trustee in its discretion. The Issuer Trustee may issue a replacement cheque if it is satisfied that the original cheque has not been received or has been lost or destroyed upon being furnished with such evidence of loss, indemnity or other document in connection therewith that the Issuer Trustee may in its discretion consider necessary.

(2) The Issuer Trustee may, in its sole discretion, transfer temporarily from capital to income within the Trust sufficient cash to facilitate payments of Income of the Trust to Unitholders. A permanent transfer from capital to income may be effected if payments made by and /or expenses of the Trust in any year exceed the aggregate of the net income and Net Realized Capital Gains of the Trust in such year.

(3) Without limiting the generality of the foregoing, a distribution to a Unitholder may be paid (i) by the issuance of additional Units, or fractions of Units having a fair market value equal to the amount of such distribution, (ii) by the issuance of a promissory note for a principal amount equal to the amount of such distribution and/or (iii) *in specie* by the transfer of Trust Property having a fair market value equal to the amount of such distribution, all as may be determined by the Issuer Trustee, acting reasonably. The Issuer Trustee acknowledges and agrees that it will elect to make payment to a Unitholder of the amount of a distribution in the manner described in this subsection 11.3(3) only if it has received prior written notice from the Unitholder that such payment method is acceptable, and the Unitholder makes the cash payment described in Section 11.7 to the Issuer Trustee, which written notice may be revoked in writing by the Unitholder at any time. If the Issuer Trustee elects to make payment of the amount of a distribution by the issuance of a promissory note, such promissory note shall bear interest at a fixed or floating rate, shall be repayable on demand or on the expiry of a stated term, and shall contain such other terms all of which may be determined by the Issuer Trustee such that the fair market value of such promissory note is equal to the amount of the distribution. Any such promissory note or additional Units issued, or Trust Property transferred, by the Trust shall constitute absolute and unconditional payment in full of the distribution and, by becoming a Unitholder, each Unitholder hereby acknowledges that any such note, additional Units or transfer of Trust Property will be accepted by the Unitholder as such absolute and unconditional payment of the distribution payable to the Unitholder.

11.4 Legal Rights

For greater certainty, it is hereby declared that the Unitholders shall have the legal right to enforce payment of any amount to be distributed or payable hereunder at the time such amount is due and payable.

11.5 Income Tax Matters

In reporting income for income tax purposes, the Trust will claim the maximum amount available to it as deductions under the relevant law, unless the Issuer Trustee determines otherwise.

11.6 Designations

In accordance with and to the extent permitted by the ITA, the Issuer Trustee will, in each taxation year, make such designations for income tax purposes in respect of amounts paid or payable or deemed to be paid to the Unitholders for such amounts that the Issuer Trustee considers to be reasonable in all circumstances, including designations relating to taxable dividends received or deemed to be received by the Trust in the year on shares of taxable Canadian corporations, net taxable capital gains of the Trust in the year and foreign source income of the Trust and foreign taxes in respect of such foreign source income for the year, if any.

11.7 Withholding Taxes

The Issuer Trustee will deduct or withhold from distributions or other amounts payable under this Declaration of Trust amounts required by law to be deducted or withheld from such distributions or payments, whether such distributions or payments are satisfied in the form of cash, cheque, promissory note, additional Units or otherwise. To the extent that any amounts are deducted or withheld from payments made by cash, cheque or wire transfer, including those described in subsection 11.3(1), such deducted or withheld amounts shall be treated for all purposes as having been paid to the recipient of the payment in respect of the distribution or other amount payable, provided that such deducted or withheld amounts are actually remitted in accordance with applicable law to the appropriate taxing authority. In the event that the Issuer Trustee makes a distribution or payment that is satisfied in a manner other than cash, cheque or wire transfer, including those described in subsections 4.1(3), 4.1(5) or 11.3(3), the recipient of the payment shall provide cash to the Issuer Trustee in amount equal to any required deduction or withholding, which the Issuer Trustee shall forthwith remit to the appropriate taxing authority on behalf of the Unitholder.

ARTICLE 4
REPRESENTATIONS AND WARRANTIES OF THE IESO

4.1 Representations and Warranties

Subject to Section 3.8, the IESO makes the following representations and warranties as of the date hereof and as of each applicable Closing Date, and the IESO acknowledges that the Issuer will rely thereon in paying the Purchase Price related to Transfers of Specified Portions of the Regulatory Asset, and the Issuer has relied thereon in entering into this Agreement relating to the servicing of the corresponding Investment Interests.

(a) Organization and Good Standing. The IESO is a statutory corporation amalgamated under the laws of the Province of Ontario, with requisite corporate power and authority to own its properties, to conduct its business as such properties are currently owned and such business is presently conducted by it.

(b) Due Qualification. The IESO has obtained all necessary licences and approvals, in all jurisdictions in which the ownership or lease of property or the conduct of its business (including acting as Servicer under this Agreement) shall require such licences or approvals, except where the failure to so qualify or obtain such licences and approvals would not be reasonably likely to have a material adverse effect on the IESO's business, operations, assets, revenues or properties, the Regulatory Asset or the servicing of related Investment Interests.

(c) Power and Authority. The IESO has the requisite corporate power and authority to execute and deliver this Agreement and to carry out its terms. The IESO has full corporate power and authority to hold the Regulatory Asset and to Transfer Specified Portions of the Regulatory Asset to the Issuer and the IESO has duly authorized such Transfer to the Issuer by all necessary corporate action. The execution, delivery and performance of all obligations under this Agreement have been duly authorized by all necessary corporate action on the part of the IESO under all applicable laws.

(d) Binding Obligation. This Agreement constitutes a legal, valid and binding obligation of the IESO, enforceable against the IESO in accordance with its terms, subject to bankruptcy, receivership, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally from time to time in effect and to general principles of equity (including concepts of materiality, reasonableness, good faith and fair dealing).

(e) No Violation. The consummation of the transactions contemplated by this Agreement and the fulfillment of the terms hereof by the IESO do not conflict with, result in any breach of any of the terms and provisions of, or constitute (with or without notice or lapse of time, or both) a default under, the IESO's by-laws, or any indenture, or other material agreement or instrument to which the IESO is a party or by which it is bound, result in the creation or imposition of any Lien upon any of the IESO's properties pursuant to the terms of any such indenture, agreement or other instrument or violate any existing law or any order, rule or regulation applicable to the IESO issued by any Governmental Authority having jurisdiction over the IESO or its properties, except, in each case, where such breach would not reasonably be expected to materially and adversely affect the performance by the IESO of its obligations under this Agreement or the Act or the validity or enforceability of this Agreement.

(f) No Proceedings. To the IESO's knowledge, except as disclosed in writing to the Issuer, there are no Proceedings pending or threatened against the IESO or its properties: (a) asserting the invalidity of this Agreement or the Act, (b) seeking to prevent the consummation of any of the transactions contemplated by this Agreement or the Act, or (c) seeking a determination or ruling that could reasonably be expected to materially and adversely affect the performance by the IESO of its obligations under this Agreement or the Act or the validity or enforceability of this Agreement.

(g) Approvals. No approvals, authorizations, consents, orders or other actions or filings with any Governmental Authority are required for the IESO to execute, deliver and perform its obligations under this Agreement except those which have previously been obtained or made.

(h) Information. Except in respect of information provided by a third party, all written information, as amended or supplemented from time to time, provided by the Transferor to the Issuer with respect to the Issuer in a Transfer Notice and a Monthly Servicer Report is true and correct in all material respects and does not omit any material fact.

(i) The Transfer. After the completion of the Transfer on the applicable Closing Date, the IESO will have no right, title or interest in the Investment Interest related to the Specified Portion of the Regulatory Asset as set forth in the applicable Transfer Notice, and the related Investment Interest shall not form part of the estate of the IESO in the event of an Insolvency Event in respect of the IESO.

(j) No Transfer. Except for Permitted Transfers, the IESO has not sold, transferred, assigned or otherwise conveyed any interest in the Regulatory Asset to any Person.

(k) Liens. IESO has not pledged or otherwise granted a Lien to any Person in the Regulatory Asset and to the IESO's knowledge (after due inquiry), there is no registered financing statement listing the IESO as debtor covering or extending to the Regulatory Asset.

(l) Tax Liens. The IESO (i) is not aware, after due inquiry, of any judgment or tax lien filing against the IESO, and (ii) is not a non-resident of Canada for purposes of the *Income Tax Act* (Canada).

(m) Solvency. On the date hereof and after giving effect to each Transfer, the IESO:

(i) reasonably believes that it will be able to pay its debts as they come due; and

(ii) is able to pay its debts as they mature and does not intend to incur, or believes that it will not incur, indebtedness that it will not be able to repay at its maturity.

(n) No Court Order. There is no order by any court that seeks to enjoin the performance of any obligations of the IESO under the Act or this Agreement.

4.2 Survival

The representations and warranties set forth in Section 4.1 shall survive the execution and delivery of this Agreement, each Transfer of a Specified Portion of a Regulatory Asset to the Issuer and the pledge of the corresponding Investment Asset to the Indenture Trustee pursuant to the Indenture and may not be waived by any party hereto except pursuant to a written agreement executed in accordance with Section ~~8.1~~**8.2** and as to which the Rating Agency Condition has been satisfied.

ARTICLE 5
COVENANTS OF THE IESO

5.1 Existence

So long as any Issuer Funding Obligations are outstanding, the IESO (a) shall not take any action to impair its corporate existence, and (b) will obtain and preserve its qualification to do business in the Province of Ontario.

5.2 No Transfer or Liens

Except for Transfers under this Agreement to the Issuer or Permitted Transfers, the IESO will not Transfer the Regulatory Asset or any portion thereof to any person. The IESO will not grant, create, incur, assume or suffer to exist any Lien on the Regulatory Asset or any portion thereof. The IESO will not at any time assert any Lien against or with respect to the Issuer Investment Interest, except for any Lien granted by the Issuer to the IESO.

5.3 Notice of Liens

The IESO shall notify the Issuer promptly after becoming aware of any Lien on any portion of the Regulatory Asset.

5.4 Compliance with Law

The IESO will comply with all Requirements of Law applicable to, and binding upon, the IESO or relating to the Regulatory Asset, except to the extent that failure to so comply would not materially adversely affect the Transfer of Specified Portions of the Regulatory Asset or the IESO's performance of its obligations under this Agreement; provided, however, that the foregoing is not intended to, and shall not, impose any liability on the IESO for non-compliance with any Requirement of Law that the IESO is contesting in good faith in accordance with its customary standards and procedures.

5.5 Covenants Related to the Investment Interest

(a) So long as any Issuer Funding Obligations are outstanding, the IESO shall treat the Issuer Investment Interest as the Issuer's property for all purposes.

(b) Except for investments held for employee benefit purposes, the IESO shall not at any time become a holder of Issuer Funding Obligations.

(c) The IESO shall disclose the effects of all transactions between the IESO and the Issuer in accordance with generally accepted accounting principles (for government entities).

(d) (i) In all Proceedings relating directly or indirectly to the Issuer Investment Interest, the IESO shall affirmatively certify and confirm that it has Transferred all of its rights and interests in and to the Specified Portions of the Regulatory Asset giving rise to the Issuer Investment Interest, (ii) the IESO shall not make any statement or reference in respect of the Issuer Investment Interest that is inconsistent with the ownership interest of the Issuer, and (iii) the IESO shall not

take any action in respect of the Issuer Investment Interest except solely in its capacity as the Servicer thereof pursuant to this Agreement.

5.6 Non-petition Covenants

Notwithstanding any prior termination of this Agreement or the Indenture, the IESO shall not, prior to the date that is one year plus one day after termination of the Indenture and the payment in full of all Issuer Funding Obligations and any other amounts owed under the Indenture, petition or otherwise invoke the process of any Governmental Authority for the purpose of commencing or sustaining a Proceeding against the Issuer under any Canadian bankruptcy, insolvency or similar law, appointing a receiver, liquidator, assignee, trustee, custodian, sequestrator or other similar official or any substantial part of the property of the Issuer.

5.7 Disclosure

The IESO shall provide such non-confidential information regarding IESO, the Regulatory Asset and the services provided by the Servicer hereunder (collectively, the "**IESO Disclosure**") as may be reasonably requested by the Issuer for inclusion in any offering document of the Issuer from time to time, including but not limited to offering memoranda, prospectuses, registration statements and continuous disclosure documents (the "**Offering Documents**"). Provided that the IESO has been given a reasonable opportunity by the Issuer to review any such Offering Documents and has provided its consent to the use of such IESO Disclosure, the IESO will represent that, except in respect of information provided by a third party, all IESO Disclosure, as at the respective dates of delivery to the Issuer, is true and correct in all material respects and contains no misrepresentation.

5.8 Further Assurances

Upon the request of the Issuer, the IESO shall execute and deliver such further instruments and do such further acts as may reasonably be necessary to carry out the provisions and purposes of this Agreement.

5.9 Access to Certain Records and Information

The IESO shall provide to the Issuer access to all records relating to the IESO Deferral, the Fair Hydro Variance Account, the IESO Segregated Account and Servicer CEA Receipts, as is reasonably required for the Issuer to confirm compliance by the IESO with its obligations under this Agreement. Access shall be afforded without charge, but only upon reasonable request and during normal business hours at the offices of the IESO. Nothing in this Section 5.9 shall affect the obligation of the IESO to comply with any Requirement of Law prohibiting disclosure of information, and the failure of the IESO to provide access to such information as a result of such obligation shall not constitute a breach of this Section 5.9.

5.10 Maintenance of Operations

Subject to Section 3.12, the IESO agrees to continue, unless prevented by circumstances beyond its control, to operate as the electricity system operator in the Province of Ontario so long as it is acting as the Servicer under this Agreement.

ARTICLE 6
IESO INDEMNITIES

6.1 Liability of the IESO; Indemnities

(a) The IESO shall indemnify the Issuer and each of its trustees, officers, directors and employees (each, an "**Indemnified Party**"), for, and defend and hold harmless each such Person from and against, any and all liabilities, obligations, losses, damages, payments and claims, and reasonable costs or expenses, of any kind whatsoever (collectively, "**Indemnified Losses**") imposed on, incurred by or asserted against such Person, as a result of (i) the failure of the IESO to perform its covenants and other obligations under this Agreement or any other Program Agreement to which the IESO is a party; or (ii) the breach by the IESO of any of its representations or warranties under this Agreement or any other Program Agreement to which the IESO is a party and, except to the extent of Indemnified Losses resulting from the willful misconduct, bad faith or gross negligence of such Person, seeking indemnification hereunder; provided that, in each case, the IESO shall not be required to indemnify an Indemnified Party for any amount paid or payable by such Indemnified Party in the settlement of any Proceeding or investigation without the written consent of the IESO, which consent shall not be unreasonably withheld or delayed. Promptly after receipt by an Indemnified Party of notice of the commencement of any Proceeding or investigation, such Indemnified Party shall, if a claim in respect thereof is to be made against the IESO under this Section 6.1(a), notify the IESO in writing of the commencement thereof. Failure by an Indemnified Party to so notify the IESO shall relieve the IESO from the obligation to indemnify and hold harmless such Indemnified Party under this Section 6.1(a) only to the extent that the IESO suffers actual prejudice as a result of such failure. With respect to any Proceeding or investigation brought by a third party for which indemnification may be sought under this Section 6.1(a), the IESO shall be entitled to conduct and control, at its expense and with counsel of its choosing that is reasonably satisfactory to such Indemnified Party, the defence of any such Proceeding or investigation (in which case the IESO shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the Indemnified Party except as set forth below); provided, that the Indemnified Party shall have the right to participate in such Proceeding or

investigation through counsel chosen by it and at its own expense. Notwithstanding the IESO's election to assume the defence of any Proceeding or investigation, the Indemnified Party shall have the right to employ separate counsel, and the IESO shall bear the reasonable fees, costs and expenses of such separate counsel, if (i) the defendants in any such action include both the Indemnified Party and the IESO and the Indemnified Party shall have reasonably concluded that there may be legal defences available to it that are different from or additional to those available to the IESO, (ii) the IESO shall not have employed counsel reasonably satisfactory to the Indemnified Party to represent the Indemnified Party within a reasonable time after notice of the institution of such action, (iii) the Indemnified Party shall have been advised by counsel to the Indemnified Party that there may be a conflict of interest between the IESO and the Indemnified Party, or (iv) the IESO authorizes the Indemnified Party to employ separate counsel at the expense of the IESO. Notwithstanding the foregoing, the IESO shall not be obligated to pay for the fees, costs and expenses of more than one separate counsel for the Indemnified Parties other than one local counsel, if appropriate. The IESO will not, without the prior written consent of the Indemnified Party, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim or Proceeding in respect of which indemnification may be sought under this Section 6.1(a) (whether or not the Indemnified Party is an actual or potential party to such claim or action) unless such settlement, compromise or consent includes an unconditional release of the Indemnified Party from all liability arising out of such claim or Proceeding.

(b) For purposes of Section 6.1(a), in the event of the termination of the rights and obligations of the IESO (or any successor thereto pursuant to Section 3.12) as Servicer pursuant to Section 7.1, or a resignation by such Servicer pursuant to Section 3.13 of this Agreement, the IESO shall be deemed to be the Servicer pending appointment of a Successor Servicer pursuant to Section 7.2.

(c) Indemnification under Section 6.1(a) shall survive any repeal of, modification of, or supplement to, or judicial invalidation of, the Act and shall survive the termination of this Agreement and will rank *pari passu* with other general, unsecured obligations of the IESO.

(d) Notwithstanding anything contained in this Agreement, it is expressly understood that the IESO is not agreeing to indemnify or hold the Issuer or any Indemnified Party harmless with respect to any of the following:

(i) any losses resulting from any breach or failure to perform by the IESO caused by a breach or failure to perform on the part of any other third party under any Program Agreement, the Act or the Regulations; provided that this Section 6.1(d)(i) shall not apply to limit the liability of the IESO in respect of any appointments as provided for in Section 3.10;

(ii) any losses resulting from changes in law after the date hereof, whether such changes in law are effected by means of any legislative enactment or any final and non-appealable judicial decision; or

(iii) any liability of the Issuer or any Indemnified Party incurred after the termination of this Agreement unless attributable to the actions or omissions of the IESO prior to such termination.

(e) The parties hereto agree that the IESO is not providing any representations, warranties or covenants in this Agreement, and shall have no liability to the Issuer or any Indemnified Party, with respect to the Clean Energy Adjustment amounts being sufficient to satisfy the Issuer Funding Obligations.

ARTICLE 7
SERVICER DEFAULT

7.1 Servicer Default

If any one or more of the following events (each, a "**Servicer Default**") shall occur and be continuing:

(a) any failure by the Servicer to remit to the Collection Account any required remittance that shall continue unremedied for a period of three Business Days after written notice of such failure is received by the Servicer from the Issuer or after discovery of such failure by a Responsible Officer of the Servicer;

(b) any failure on the part of the Servicer or, so long as the Servicer is the IESO, any failure on the part of the IESO, as the case may be, duly to observe or to perform in any respect any covenants or agreements of the Servicer or the IESO, as the case may be, set forth in this Agreement or in any other Program Agreement to which it is a party (other than as provided in Section 7.1(a)), which failure shall (i) materially and adversely affect the rights of the Specified Creditors and (ii) continue unremedied for a period of 30 days after the date on which (A) written notice of such failure, requiring the same to be remedied, shall have been given to the Servicer or the IESO, as the case may be, by the Issuer or (B) such failure is discovered by a Responsible Officer of the Servicer;

(c) any representation or warranty made by the Servicer in this Agreement, any other Program Agreement to which it is a party, any Transfer Notice or any Monthly Servicer Report shall prove to have been incorrect when made, which has a material adverse effect on the Issuer and which remains unremedied for a period of 30 days after the date on which (i) written notice thereof, requiring the same to be remedied, shall have been delivered to the Servicer by the Issuer or (ii) such failure is discovered by a Responsible Officer of the Servicer;

(d) an Insolvency Event occurs with respect to the Servicer or the IESO; or

(e) any additional "Servicer Default" as specified in any Co-Owner Agreement occurs;

then, and in each and every case, the Issuer may, subject to the terms of any Co-Owner Agreement, by notice then given in writing to the Servicer (a "**Termination Notice**"), terminate all the rights and obligations (other than the obligations set forth in Section 6.1 and the obligation under Section 7.2 to continue performing its functions as Servicer until a Successor Servicer is appointed) of the Servicer under this Agreement and under the Co-Owner Agreement. In addition, upon a Servicer Default described in Section 7.1(a), Issuer shall be entitled to apply to a court of appropriate jurisdiction for an order for sequestration and payment of revenues arising with respect to the Issuer. On or after the receipt by the Servicer of a Termination Notice, all authority and power of the Servicer under this Agreement, whether with respect to the Investment Interest, the Clean Energy Adjustments or otherwise, shall, without further action, pass to and be vested in such Successor Servicer as may be appointed under Section 7.2; and, without limitation, the Issuer is hereby authorized and empowered to execute and deliver, on behalf of the predecessor Servicer, as attorney-in-fact or otherwise, any and all documents and other instruments, and to do or accomplish all other acts or things necessary or appropriate to effect the purposes of such Termination Notice, whether to complete the transfer of all documents and records related to the Regulatory Asset, the Fair Hydro Variance Account and related documents or records, or otherwise (the "**Records**"). The predecessor Servicer shall cooperate with the Successor Servicer and the Issuer in effecting the termination of the responsibilities and rights of the predecessor Servicer under this Agreement, including the transfer to the Successor Servicer for administration by it of all Records and all cash amounts that shall at the time be held by the predecessor Servicer for remittance, or shall thereafter be received by it with respect to the Investment Interest or the Clean Energy Adjustment. As soon as practicable after receipt by the Servicer of such Termination Notice, the Servicer shall deliver the Records to the Successor Servicer. If a Successor Servicer has been appointed as a result of a Servicer Default, all reasonable costs and expenses (including reasonable legal fees and expenses) incurred in connection with transferring the Records to the Successor Servicer and amending this Agreement and any Co-Owner Agreement to reflect such succession as Servicer pursuant to this Section 7.1 shall be paid by the predecessor Servicer upon presentation of reasonable documentation of such costs and expenses. Termination of the IESO as Servicer shall not terminate the IESO's rights or obligations under this Agreement (except rights thereunder deriving from its rights as the Servicer hereunder).

7.2 Appointment of Successor Servicer

(a) Upon the Servicer's receipt of a Termination Notice pursuant to Section 7.1 or the Servicer's resignation or removal in accordance with the terms of this Agreement, the predecessor Servicer shall continue to perform its functions as Servicer under this Agreement, until a **successor (a "Successor Servicer")** shall have assumed in writing the obligations of the Servicer hereunder as described below. In the event of the Servicer's removal or resignation hereunder, the Issuer may, but subject to the provisions of the applicable Co-Owner Agreement, appoint a Successor Servicer and the Successor Servicer shall accept its appointment by a written

assumption in form reasonably acceptable to the Issuer. If, within 30 days after the delivery of the Termination Notice, a Successor Servicer shall not have been appointed, the Issuer may petition a court of competent jurisdiction to appoint a Successor Servicer under this Agreement. A Person shall qualify as a Successor Servicer only if (i) such Person is permitted under the Act to perform the duties of the Servicer, (ii) the Rating Agency Condition shall have been satisfied with respect to such appointment, (iii) such Person enters into a master transfer and servicing agreement with the Issuer having substantially the same provisions as this Agreement and (iv) such Person agrees to perform the obligations of the Servicer under any Co-Owner Agreement. In no event shall the Issuer be liable for its appointment of a Successor Servicer.

(b) Upon appointment, the Successor Servicer shall be the successor in all respects to the predecessor Servicer and shall be subject to all the responsibilities, duties and liabilities arising thereafter placed on the predecessor Servicer and shall be entitled to all the rights granted to the predecessor Servicer by the terms and provisions of this Agreement.

7.3 Waiver of Past Defaults

The Issuer may waive in writing any default by the Servicer in the performance of its obligations hereunder and its consequences, subject to satisfaction of the Rating Agency Condition in respect of any waiver of a material default by the Servicer, and with prompt written notice of any waiver to be provided to the Rating Agencies. Upon any such waiver of a past default, such default shall cease to exist, and any Servicer Default arising therefrom shall be deemed to have been remedied for every purpose of this Agreement. No such waiver shall extend to any subsequent or other default or impair any right consequent thereto.

7.4 Notice of Servicer Default

The Servicer shall deliver to the Issuer and each Rating Agency, promptly after having obtained knowledge thereof, but in no event later than five Business Days thereafter, written notice of any event that, with the giving of notice or lapse of time, or both, would become a Servicer Default under Section 7.1.

7.5 Cooperation with Successor Servicer

The Servicer covenants and agrees with the Issuer that it will, on an ongoing basis, cooperate with the Successor Servicer and provide whatever information is, and take whatever actions are, reasonably necessary to assist the Successor Servicer in performing its obligations hereunder.

8.7 ~~8.6~~ **Limitations on Rights of Third Parties**

The provisions of this Agreement are solely for the benefit of the IESO and the Issuer, and such Persons shall have the right to enforce the relevant provisions of this Agreement. 8.8 ~~8.7~~ **Severability**

8.11 ~~**8.10**~~ **Grant of Security Interest to Indenture Trustee**

The IESO hereby acknowledges and consents to the grant of a Lien by the Issuer to the Indenture Trustee pursuant to the Indenture for the benefit of the Specified Creditors against all right, title and interest of the Issuer in, to and under this Agreement, the Investment Interest and the proceeds thereof and the assignment of any or all of the Issuer's rights hereunder to the Indenture Trustee for the benefit of the Specified Creditors. The IESO further acknowledges and agrees that, pursuant to the terms of the Indenture, if the Issuer fails to exercise any of its rights under this Agreement, including any right to be indemnified by the IESO for Indemnified Losses pursuant to Article 6 of this Agreement, the Indenture Trustee shall be entitled, subject to the terms of the Indenture, to enforce such rights against the IESO directly on the Issuer's behalf.

8.12 ~~**8.11**~~ **Limitation of Liability of the Issuer Trustee**

(a) It is expressly understood and agreed by the parties hereto that the Issuer Trustee is acting solely in its capacity as trustee of the Issuer, and not in any other capacity. The Issuer solely shall be responsible for the performance of the Issuer's obligations hereunder and the assets of the Issuer solely shall be subject to levy or execution in satisfaction of such obligations.

(b) The Issuer Trustee will not be subject to any liability whatsoever, in tort, in contract or otherwise, in connection with the Issuer's property or the Issuer's activities, to the Issuer's beneficiaries or to any other Person, for any action taken or permitted by the Issuer Trustee to be taken, or the Issuer Trustee's failure to compel in any way any former or acting Issuer Trustee to redress any breach of trust with respect to the execution of the duties of its office or in respect of the Issuer's property or the Issuer's activities, provided that the foregoing limitation will not apply in respect of action or failure to act arising from or in connection with dishonesty, bad faith, willful misconduct, gross negligence or reckless disregard of a duty by the Issuer Trustee. The Issuer Trustee, in doing anything or permitting anything to be done in respect of the execution of the duties of its office or in respect of the Issuer's property or the Issuer's activities, is, and will be conclusively deemed to be, acting as trustee of the Issuer and not in any other capacity. Except as to the extent provided in this Section ~~8.11~~**8.12**, the Issuer Trustee will not be subject to any liability for any debts, liabilities, obligations, claims, demands, judgments, costs, charges or expenses against or with respect to the Issuer, arising out of anything done or permitted by it to be done or its failure to take any action in respect of the execution of the duties of its office or for or in respect of the Issuer's property or the Issuer's activities and resort will be had solely to the Issuer's property for the payment or performance thereof. No property or assets of the Issuer Trustee owned in its personal capacity will be subject to levy, execution or other enforcement procedure with regard to any obligation under this Agreement.

The Grantor hereby represents and warrants to the Secured Party, the matters set out below:

(a) **Incorporation and Qualifications** – The Grantor is a statutory corporation amalgamated under the laws of the Province of Ontario, with requisite power and authority to own its properties, to conduct its business as such properties are currently owned and such business is presently conducted by it, and to execute, deliver and carry out the terms of this Agreement.

(f) to enjoy and exercise in respect of the Collateral all of the rights and remedies of a secured party under the PPSA;

(g) to notify the account debtors or obligors under any Accounts which constitute part of the Collateral of the assignment of such Accounts to the Secured Party and to direct such account debtors or obligors to make payment of all amounts due or to become due to the Grantor thereunder directly to the Secured Party and to give valid and binding receipts and discharges therefor and in respect thereof and, upon such notification and at the expense of the Grantor, to enforce collection of any such Accounts, and to adjust, settle or compromise the amount or payment thereof, in the same manner and to the same extent as the Grantor might have done; and

(h) to commence, continue or defend proceedings in any court of competent jurisdiction in the name of the Secured Party, the Receiver or the Grantor for the purpose of exercising any of the rights, powers and remedies set out in this Section, including the institution of proceedings for the appointment of a receiver, manager or receiver and manager of the Collateral.

6.6 Indulgences and Releases

Either the Secured Party or the Receiver may grant extensions of time and other indulgences, take and give up securities, accept compositions, grant releases and discharges, release any part of the Collateral to third parties and otherwise deal with the Grantor, debtors of the Grantor, sureties and others and with the Collateral and other security as the Secured Party or the Receiver may see fit without prejudice to the right of the Secured Party and the Receiver to repossess, hold, collect and realize the Collateral.

(d) fourth, in payment of any surplus in accordance with applicable law.

6.9 Grantor Liable for Deficiency

If the Moneys received by the Secured Party or the Receiver pursuant to Section 6.2 are not sufficient to pay the claims set out in Section 6.8, the Grantor shall immediately pay the Secured Party the amount of such deficiency.

6.10 Restriction on Grantor

Upon notification of the account debtors or obligors under any Accounts which constitute part of the Collateral of the assignment of such Accounts to the Secured Party or the appointment of a Receiver in respect of the Collateral, all the powers, functions, rights and privileges of the Grantor or any officer, director, servant or agent of the Grantor with respect to the Collateral shall, to the extent permitted by applicable law, be suspended unless specifically continued by the written consent of the Secured Party; however, all other powers, functions, rights and privileges of the Grantor or any officer, director, servant or agent of the Grantor shall be unaffected by such events.

All rights and remedies of the Secured Party set out in this Agreement shall be cumulative and no right or remedy contained herein is intended to be exclusive but each shall be in addition to every other right or remedy contained herein or in any existing or future security document or now or hereafter existing at law or in equity or by statute.

7.2 The Secured Party as Attorney

At any time that the Secured Party is entitled to exercise its rights and remedies under Section 6.2, the Grantor hereby irrevocably appoints the Secured Party and any person further designated by the Secured Party to be the attorney of the Grantor for and in the name of the Grantor to execute and do any deeds, documents, transfers, demands, assignments, assurances, consents and things which the Grantor is obliged to sign, execute or do hereunder and, to commence, continue and defend any proceedings authorized to be taken hereunder and generally to use the name of the Grantor in the exercise of all or any of the powers hereby conferred on the Secured Party. These powers are coupled with an interest, have been given for valuable consideration (the receipt and adequacy of which is acknowledged), survive, and do not terminate upon, the bankruptcy, dissolution, winding up or insolvency of the Grantor, and are irrevocable until the Statutory Obligation has been satisfied in full and this Agreement is terminated and the security interest created herein has been released. This power of attorney extends to and is binding upon the Grantor's successors and permitted assigns. The Grantor authorizes the Secured Party to delegate in writing to another person any power and authority of the Secured Party under this power of attorney as may be necessary or desirable in the opinion of the Secured Party, and to revoke or suspend such delegation.

INDEMNITY AGREEMENT

TO: BNY Trust Company of Canada, in its capacity as Indenture Trustee of Fair Hydro Trust (in such capacity, the "**Indenture Trustee**")

RE: Management Agreement dated as of ~~■,~~December 20, 2017 (the "**Management Agreement**") made between Ontario Power Generation, as manager (in such capacity, the "**Manager**") and Fair Hydro Trust (the "**Issuer**")

AND RE: Warehouse Senior Series 2017-1 Supplemental Indenture dated as of ~~■,~~December 21, 2017 (as in effect on the date hereof, the "**Supplemental Indenture**") made between, *inter alios*, the Issuer and the Indenture Trustee

---

WHEREAS the Government of Ontario has passed the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**") for the purpose of, among other things, ensuring that Clean Energy Costs and Clean Energy Benefits are fairly allocated among present and future Specified Consumers;

AND WHEREAS Ontario Power Generation Inc. has been appointed as Financial Services Manager under the Act to, among other things, evaluate whether potential Funding Obligations should be incurred by Financing Entities for the purposes of acquiring and financing Investment Interests;

AND WHEREAS the Issuer is a Financing Entity established, at the request of the Financial Services Manager and pursuant to the Act, by Computershare Trust Company of Canada;

AND WHEREAS the Issuer and the Manager have entered into the Management Agreement in furtherance of, and in accordance with, the Act;

AND WHEREAS the Manager has agreed to execute this Indemnity Agreement to provide certain indemnities with respect to its duties and obligations under the Management Agreement.

IN CONSIDERATION OF the mutual covenants and agreements herein and the sum of $1.00 and other good and valuable consideration (the receipt and sufficiency of which are hereby acknowledged) the parties hereto agree as follows:

1. Unless otherwise defined in this Indemnity Agreement, all capitalized terms used herein shall have the meanings ascribed thereto, either directly or by incorporation therein, in the Management Agreement.

2. The Manager shall indemnify the Indenture Trustee, on behalf of itself and on behalf of the Administrative Agent, each Funding Agent, each CP Conduit Purchaser, each Group Bank and each Non-Conduit Purchaser (in each case, in their respective capacities as such under the Supplemental Indenture) (each, an "**Indemnified Person**") and defend and hold harmless each such Indemnified Person from and against, any and all liabilities, obligations, losses, damages, payments and claims, and reasonable costs or expenses, of any kind whatsoever (collectively, "**Indemnified Losses**") imposed on, incurred by or asserted against each such Indemnified Person in connection with the Supplemental Indenture or the Series 2017-1 Notes issued thereunder, as a result of (i) the failure of the

Manager to perform its covenants and other obligations under the Management Agreement or any other Program Agreement to which the Manager is a party; or (ii) the breach by the Manager of any of its representations or warranties under the Management Agreement or any other Program Agreement to which the Manager is a party and, except to the extent of Indemnified Losses resulting from the willful misconduct, bad faith or gross negligence of such Indemnified Person seeking indemnification hereunder; provided that, in each case, the Manager shall not be required to indemnify an Indemnified Person for any amount paid or payable by such Indemnified Person in the settlement of any Proceeding or investigation without the written consent of the Manager, which consent shall not be unreasonably withheld or delayed. Promptly after receipt by an Indemnified Person of notice of the commencement of any Proceeding or investigation, such Indemnified Person shall, if a claim in respect thereof is to be made against the Manager under this Section 2, notify the Manager in writing of the commencement thereof. Failure by an Indemnified Person to so notify the Manager shall relieve the Manager from the obligation to indemnify and hold harmless such Indemnified Person under this Section 2 only to the extent that the Manager suffers actual prejudice as a result of such failure. With respect to any Proceeding or investigation brought by a third party for which indemnification may be sought under this Section 2, the Manager shall be entitled to conduct and control, at its expense and with counsel of its choosing that is reasonably satisfactory to such Indemnified Person, the defence of any such Proceeding or investigation (in which case the Manager shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the Indemnified Person except as set forth below); provided, that the Indemnified Person shall have the right to participate in such Proceeding or investigation through counsel chosen by it and at its own expense. Notwithstanding the Manager's election to assume the defence of any Proceeding or investigation, the Indemnified Person shall have the right to employ separate counsel, and the Manager shall bear the reasonable fees, costs and expenses of such separate counsel, if (i) the defendants in any such action include both the Indemnified Person and the Manager and the Indemnified Person shall have reasonably concluded that there may be legal defences available to it that are different from or additional to those available to the Manager, (ii) the Manager shall not have employed counsel reasonably satisfactory to the Indemnified Person to represent the Indemnified Person within a reasonable time after notice of the institution of such action, (iii) the Indemnified Person shall have been advised by counsel to the Indemnified Person that there may be a conflict of interest between the Manager and the Indemnified Person, or (iv) the Manager authorizes the Indemnified Person to employ separate counsel at the expense of the Manager. Notwithstanding the foregoing, the Manager shall not be obligated to pay for the fees, costs and expenses of more than one separate counsel for the Indemnified Persons other than one local counsel, if appropriate. The Manager will not, without the prior written consent of the Indemnified Person, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim or Proceeding in respect of which indemnification may be sought under this Section 2 (whether or not the Indemnified Person is an actual or potential party to such claim or action) unless such settlement, compromise or consent includes an unconditional release of the Indemnified Person from all liability arising out of such claim or Proceeding.

Indemnification under Section this 2 shall survive any repeal of, modification of, or supplement to, or judicial invalidation of, the Act and shall survive the termination of this

Indemnity Agreement or the Management Agreement and will rank pari passu with other general, unsecured obligations of the Manager.

Notwithstanding anything contained in this Indemnity Agreement or the Management Agreement, it is expressly understood that the Manager is not agreeing to indemnify or hold any Indemnified Person harmless with respect to any of the following: (i) any losses resulting from any breach or failure to perform by the Manager caused by a breach or failure to perform on the part of any other third party under any Program Agreement, the Act or the Regulations; provided that the foregoing clause (i) shall not apply to limit the liability of the Manager in respect of any delegation to a third party as provided for in section 4.7 of the Management Agreement; (ii) any losses resulting from changes in law after the date hereof, whether such changes in law are effected by means of any legislative enactment or any final and non-appealable judicial decision, other than losses resulting solely from the Manager's failure to comply with section 4.1(a)(xiv) of the Management Agreement; (iii) any losses resulting from the validity of the Change of Law Protection Agreement or the applicability thereof to the Province or to any Indemnified Person or any material part thereof being disaffirmed by or on behalf of the Province; or (iv) any liability of any Indemnified Person incurred after the termination of this Indemnity Agreement or the Management Agreement unless attributable to the actions or omissions of the Manager prior to such termination or in respect of a representation, warranty or covenant of the Manager that survives termination of this Indemnity Agreement or the Management Agreement.

To the fullest extent permitted by applicable law, no Specified Creditor (other than the Indenture Trustee) will have any right to institute any proceeding, judicial or otherwise, or to make any claim for indemnification, with respect to this Indemnity Agreement or the Management Agreement, or for the appointment of a receiver or trustee or similar official, or for any other remedy hereunder, except in accordance with Section 8.12 of the Indenture.

The parties hereto agree that the Manager is not providing any representations, warranties or covenants in this Indemnity Agreement or the Management Agreement, and shall have no liability to any Indemnified Person, with respect to the collectability of the Clean Energy Adjustment or the Carrying Costs, or that the Clean Energy Adjustment amounts or Carrying Costs collected will be sufficient to satisfy the Issuer Funding Obligations.

3. This Indemnity Agreement may be amended in writing by the Manager and the Indenture Trustee, and with satisfaction of the Rating Agency Condition, such satisfaction to be confirmed by the Indenture Trustee at the time of such amendment. Promptly after the execution of any such amendment, the Indenture Trustee shall furnish copies of such amendment to each of the Rating Agencies.

4. This Indemnity Agreement shall enure to the benefit of and shall be binding upon the Manager and the Indemnified Parties and their respective successors and assigns.

5. If one or more provision of this Indemnity Agreement is for any reason whatever held invalid, such provision will be deemed severable from the remaining covenants, agreements and provisions of this Indemnity Agreement and will in no way affect the validity or enforceability of such remaining provisions or the rights of any parties hereto.

6. This Indemnity Agreement shall be governed by and construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein.

7. This Indemnity Agreement may be executed in counterparts, each of which when so executed shall be deemed to be an original and the counterparts together shall constitute one and the same instrument. Delivery of an executed signature page to this Indemnity Agreement by any party by electronic transmission will be as effective as delivery of a manually executed copy of this Indemnity Agreement by such party.

[Remainder of page intentionally left blank.]

IN WITNESS WHEREOF the undersigned have executed this Indemnity Agreement as of December ____, 2017.

---

WHEREAS the Government of Ontario has enacted the *Ontario Fair Hydro Plan Act*, 2017 (the "**Act**") for the purpose of, among other things, ensuring that clean energy costs and clean energy benefits (each as defined in the Act) are fairly allocated among present and future Specified Consumers;

AND WHEREAS, under the Act, the IESO is required to establish and maintain the Fair Hydro Variance Account, and has the right under the Act and the Regulations to record certain amounts in the Fair Hydro Variance Account and recover the balance from time to time of the Fair Hydro Variance Account from Specified Consumers (such right, the "**Regulatory Asset**");

AND WHEREAS the IESO may from time to time, in accordance with the Act, Transfer Specified Portions of the Regulatory Asset to the Issuer pursuant to Section 26(1) of the Act;

AND WHEREAS the Issuer and the Indenture Trustee are parties to a master trust indenture dated as of ~~■,~~December 21, 2017 (as amended, restated, modified or supplemented (including by way of Supplemental Indentures) from time to time, the "**Indenture**");

AND WHEREAS the Issuer may finance the acquisition from the IESO, from time to time, of an Investment Interest through the incurrence of Funding Obligations under the Indenture;

AND WHEREAS in connection with its ownership of the Issuer Investment Interest and in order to collect the associated Clean Energy Adjustments in accordance with the Act, pursuant to the MTSA the Issuer has engaged the Servicer to carry out the services described therein;

AND WHEREAS, pursuant to the Indenture, the Issuer has granted a security interest (the "**Security Interest**") over, *inter alia*, all rights, benefits and powers of the Issuer under the MTSA, to and in favour of the Indenture Trustee on behalf of the Specified Creditors, as security for the due payment of all Obligations Secured;

AND WHEREAS the Servicer has agreed to execute this Acknowledgement and Indemnity Agreement to (i) acknowledge that the Security Interest has been granted to the Indenture Trustee, on behalf of the Specified Creditors, thereby assigning as security all of the rights,

benefits and powers of the Issuer under the MTSA to the Indenture Trustee, and (ii) provide certain indemnities with respect to its duties and obligations under the MTSA.

IN CONSIDERATION OF the mutual covenants and agreements herein and the sum of $1.00 and other good and valuable consideration (the receipt and sufficiency of which are hereby acknowledged) the parties hereto agree as follows:

1. Unless otherwise defined in this Acknowledgement and Indemnity Agreement, all capitalized terms used herein shall have the meanings ascribed thereto, either directly or by incorporation therein, in the MTSA.

2. The Servicer hereby acknowledges receipt of notice that (i) the Issuer has granted the Security Interest to the Indenture Trustee, on behalf of the Specified Creditors, and (ii) as a result of the grant of the Security Interest, the Issuer has assigned as security all of its rights, benefits and powers under the MTSA to the Indenture Trustee, on behalf of the Specified Creditors, and the Servicer hereby consents to such assignment.

3. The Servicer acknowledges and agrees that (i) the Indenture Trustee has the right to exercise remedies against, and enforce the duties and obligations of, the Servicer under the MTSA in place of the Issuer in all circumstances in which the Indenture Trustee is entitled to do so under the Indenture, (ii) upon receipt of notice from the Indenture Trustee that the Indenture Trustee is entitled to instruct the Servicer under the Indenture, the Servicer shall take instructions from the Indenture Trustee with respect to the performance of the Servicer's duties and obligations under the MTSA, and (iii) the Indenture Trustee has not assumed any of the obligations of the Issuer pursuant to the MTSA.

4. The Servicer shall indemnify the Indenture Trustee, on behalf of itself and on behalf of the Administrative Agent, each Funding Agent, each CP Conduit Purchaser, each Group Bank and each Non-Conduit Purchaser (in each case, in their respective capacities as such under the Supplemental Indenture) (each, an "**Indemnified Person**") and defend and hold harmless each such Indemnified Person from and against, any and all liabilities, obligations, losses, damages, payments and claims, and reasonable costs or expenses, of any kind whatsoever (collectively, "**Indemnified Losses**") imposed on, incurred by or asserted against each such Indemnified Person in connection with the Supplemental Indenture or the Series 2017-1 Notes issued thereunder, as a result of (i) the failure of the Servicer to perform its covenants and other obligations under the MTSA or any other Program Agreement to which the Servicer is a party; or (ii) the breach by the Servicer of any of its representations or warranties under the MTSA or any other Program Agreement to which the Servicer is a party and, except to the extent of Indemnified Losses resulting from the willful misconduct, bad faith or gross negligence of such Indemnified Person seeking indemnification hereunder; provided that, in each case, the Servicer shall not be required to indemnify an Indemnified Person for any amount paid or payable by such

Indemnified Person in the settlement of any Proceeding or investigation without the written consent of the Servicer, which consent shall not be unreasonably withheld or delayed. Promptly after receipt by an Indemnified Person of notice of the commencement of any Proceeding or investigation, such Indemnified Person shall, if a claim in respect thereof is to be made against the Servicer under this Section 4, notify the Servicer in writing of the commencement thereof. Failure by an Indemnified Person to so notify the Servicer shall relieve the Servicer from the obligation to indemnify and hold harmless such Indemnified Person under this Section 4 only to the extent that the Servicer suffers actual prejudice as a result of such failure. With respect to any Proceeding or investigation brought by a third party for which indemnification may be sought under this Section 4, the Servicer shall be entitled to conduct and control, at its expense and with counsel of its choosing that is reasonably satisfactory to such Indemnified Person, the defence of any such Proceeding or investigation (in which case the Servicer shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the Indemnified Person except as set forth below); provided, that the Indemnified Person shall have the right to participate in such Proceeding or investigation through counsel chosen by it and at its own expense. Notwithstanding the Servicer's election to assume the defence of any Proceeding or investigation, the Indemnified Person shall have the right to employ separate counsel, and the Servicer shall bear the reasonable fees, costs and expenses of such separate counsel, if (i) the defendants in any such action include both the Indemnified Person and the Servicer and the Indemnified Person shall have reasonably concluded that there may be legal defences available to it that are different from or additional to those available to the Servicer, (ii) the Servicer shall not have employed counsel reasonably satisfactory to the Indemnified Person to represent the Indemnified Person within a reasonable time after notice of the institution of such action, (iii) the Indemnified Person shall have been advised by counsel to the Indemnified Person that there may be a conflict of interest between the Servicer and the Indemnified Person, or (iv) the Servicer authorizes the Indemnified Person to employ separate counsel at the expense of the Servicer. Notwithstanding the foregoing, the Servicer shall not be obligated to pay for the fees, costs and expenses of more than one separate counsel for the Indemnified Persons other than one local counsel, if appropriate. The Servicer will not, without the prior written consent of the Indemnified Person, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim or Proceeding in respect of which indemnification may be sought under this Section 4 (whether or not the Indemnified Person is an actual or potential party to such claim or action) unless such settlement, compromise or consent includes an unconditional release of the Indemnified Person from all liability arising out of such claim or Proceeding.

Indemnification under this Section 4 shall survive any repeal of, modification of, or supplement to, or judicial invalidation of, the Act and shall survive the termination of the MTSA or this Acknowledgement and Indemnity Agreement and will rank pari passu with other general, unsecured obligations of the Servicer.

Notwithstanding anything contained in the MTSA or this Acknowledgement and Indemnity Agreement, it is expressly understood that the Servicer is not agreeing to indemnify or hold any Indemnified Person harmless with respect to any of the following: (i) any losses resulting from any breach or failure to perform by the Servicer caused by a breach or failure to perform on the part of any other third party under any Program Agreement, the Act or the Regulations; provided that this provision shall not apply to limit the liability of the IESO in respect of any appointments as provided for in Section 3.10 of the MTSA; (ii) any losses resulting from changes in law after the date hereof, whether such changes in law are effected by means of any legislative enactment or any final and non-appealable judicial decision; or (iii) any liability of the Indemnified Person incurred after the termination of the MTSA and this Acknowledgement and Indemnity Agreement unless attributable to the actions or omissions of the Servicer prior to such termination or in respect of a representation, warranty or covenant of the Servicer that survives termination of the MTSA or this Acknowledgement and Indemnity Agreement.

To the fullest extent permitted by applicable law, no Specified Creditor (other than the Indenture Trustee) will have any right to institute any proceeding, judicial or otherwise, or to make any claim for indemnification, with respect to this Acknowledgement and Indemnity Agreement, or for the appointment of a receiver or trustee or similar official, or for any other remedy hereunder, except in accordance with Section 8.12 of the Indenture.

The parties hereto agree that the IESO is not providing any representations, warranties or covenants in the MTSA or this Acknowledgement and Indemnity Agreement, and shall have no liability to any Indemnified Person, with respect to the collectability of the Clean Energy Adjustment, or whether the Clean Energy Adjustment Amounts or Carrying Costs collected will be sufficient to satisfy the Funding Obligations.

5. The parties hereto acknowledge and agree that the duties, liabilities and obligations of the IESO ~~under the MTSA~~ are limited as provided in this Section 5.[1]

(a) IESO is not responsible for, or in respect of, any amounts not collected by Electricity Vendors from their customers or not remitted by Electricity Vendors to the Servicer.

(b) IESO is not responsible to confirm, verify or audit the amount of the Clean Energy Adjustment invoiced by Electricity Vendors or the Electricity Vendor CEA Collections collected by Electricity Vendors and reported to the IESO.

(c) IESO is not responsible for enforcing the obligations of Specified Consumers to pay, or the obligations of Electricity Vendors to invoice, collect or remit Clean Energy Adjustments or any other amounts, or to establish a segregated account into which Electricity Vendor CEA Collections are to be deposited, and IESO is

[1] ~~The language included in this Section tracks Section 3.8 of the MTSA.~~

under no obligation to initiate or prosecute any legal action relating to the collection of the Clean Energy Adjustments or the Issuer Investment Interest.

(d) IESO is not responsible or liable for the performance by Electricity Vendors of their duties and responsibilities under the Act or the Regulations including (i) the invoicing of Specified Consumers in respect of the Clean Energy Adjustment and ancillary matters related thereto; (ii) the collection from Specified Consumers of amounts due in respect of such invoices and the remittance of such payments to the Servicer; (iii) the accuracy of any information provided by the Electricity Vendors; and (iv) any reporting by the Electricity Vendors, including the reporting to the Servicer of the total CEA Consumer Invoice Amounts invoiced by such Electricity Vendor to its Specified Consumers in respect of the Clean Energy Adjustment, the total Electricity Vendor CEA Collections received by such Electricity Vendor and the Issuer Share of Electricity Vendor CEA Collections received by such Electricity Vendor and any other reporting in the Electricity Vendor Billing Period Report.

(e) IESO is under no responsibility or obligation to ~~the Issuer~~**any Person** with respect to the nature or extent of the Issuer Investment Interest, the collectability of the Issuer Share of Servicer CEA Receipts or that the Issuer Share of Servicer CEA Receipts will be sufficient to satisfy the Issuer's Funding Obligations.

(f) IESO may rely in good faith on the advice of counsel or on any document of any kind, prima facie properly executed and submitted by any Person, respecting any matters arising under the MTSA.

(g) IESO shall have no liability or responsibility to any Person in respect of any forecasts or other information provided pursuant to the MTSA, provided only that such forecasts or other information has been prepared and provided in good faith.

(h) None of the directors, officers, employees or agents of IESO shall be liable to any Person for any action taken or for refraining from the taking of any action pursuant to the MTSA or this Acknowledgement and Indemnity Agreement or for good faith errors in judgment.

6. The Servicer and the Indenture Trustee shall execute and deliver, or cause to be executed and delivered, such instruments or further assurances as may be necessary or desirable to give effect to the provisions of this Acknowledgement and Indemnity Agreement.

7. This Acknowledgement and Indemnity Agreement may be amended in writing by the IESO and the Indenture Trustee, and with satisfaction of the Rating Agency Condition, such satisfaction to be confirmed by the Indenture Trustee at the time of such amendment. Promptly after the execution of any such amendment, the Indenture Trustee shall furnish copies of such amendment to each of the Rating Agencies.

8. This Acknowledgement and Indemnity Agreement shall enure to the benefit of and shall be binding upon the Servicer and the Indenture Indemnified Parties and their respective successors and assigns.

9. If one or more provision of this Acknowledgement and Indemnity Agreement is for any reason whatever held invalid, such provision will be deemed severable from the remaining covenants, agreements and provisions of this Acknowledgement and Indemnity Agreement and will in no way affect the validity or enforceability of such remaining provisions or the rights of any parties hereto.

10. This Acknowledgement and Indemnity Agreement shall be governed by and construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein.

11. This Acknowledgement and Indemnity Agreement may be executed in counterparts, each of which when so executed shall be deemed to be an original and the counterparts together shall constitute one and the same instrument. Delivery of an executed signature page to this Acknowledgement and Indemnity Agreement by any party by electronic transmission will be as effective as delivery of a manually executed copy of this Acknowledgement and Indemnity Agreement by such party.

Pursuant to Subsection 5(3) of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**"), the Lieutenant Governor in Council may by order, authorize the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to agree to guarantee or indemnify certain debts, obligations, securities or undertakings associated with an Investment Interest.

Pursuant to an Order in Council 1981/2017 (the "**OIC**"), the Lieutenant Governor in Council has, among other things, authorized the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to enter into one or more agreements to guarantee or indemnify the debts, obligations, securities or undertakings of one or more financing entities established or caused to be established pursuant to Subsection 22(2) of the Act by the FSM and that may incur Funding Obligations in connection with one or more Investment Interests.

Pursuant to a Declaration of Trust dated as of ~~■,~~ December 20, 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

The Financing Entity Trustee, in its capacity as trustee of the Financing Entity, and the Indenture Trustee are parties to the Trust Indenture and propose to create and issue series of notes, bonds and other securities as contemplated therein, and to provide security over the assets and undertaking of the Financing Entity in respect of such notes, bonds and securities, as well as other Obligations Secured.

This Agreement sets out the terms and conditions of such protections and assurances.

All things necessary to make this Agreement a valid and legally binding agreement of the Province, the Financing Entity, the FSM and the Indenture Trustee, in accordance with the Act, the OIC and the Trust Indenture, have been done.

The Manager shall act diligently in the preparation of each such statement and shall provide the Indenture Trustee and the Province with all supporting computations and calculations used by the Manager to prepare each such statement promptly following a request therefor made by the Indenture Trustee or the Province.

1.04 Limitation on Rights of and Actions by Specified Creditors

Specified Creditors, as Beneficiaries, shall not have or be permitted to exercise any rights, interests, or elections under this Agreement, other than in the manner and to the extent effected and exercised under, in accordance with and subject to the limitations set forth in the Trust Indenture as of the date of this Agreement.

1.05 Province Retains Rights of Beneficiaries

Without limiting any rights of subrogation or succession that arise pursuant to applicable law or pursuant to the Province's rights as an assignee, subrogee or pursuant to Section 2.01 or Section 5.01, all of the rights, interests, elections and privileges that would arise in favour of a Beneficiary under the Trust Indenture or other Funding Obligation Agreement under which a related Primary Obligation arises shall automatically arise, vest in and be available to the Province to the extent of the performance by the Province of the Primary Obligation.

1.08 Severability

Each of the provisions contained in this Agreement is distinct and severable and a declaration of invalidity or unenforceability of any such provision or part thereof by a court of competent jurisdiction will not affect the validity or enforceability of any other provision hereof. To the extent permitted by applicable law, the parties waive any provision of law which renders any provision of this Agreement invalid or unenforceable in any respect.

1.09 Governing Law

THIS AGREEMENT WILL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE PROVINCE OF ONTARIO AND THE FEDERAL LAWS OF CANADA APPLICABLE THEREIN, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

The parties further agree that for the purposes of the *Interest Act* (Canada), (i) the principle of deemed reinvestment of interest shall not apply to any interest calculation under this Agreement, and (ii) the rates of interest stipulated in this Agreement are intended to be nominal rates and not effective rates or yields.

1.18 References to Acts of the Financing Entity

For greater certainty, where any reference is made in this Agreement, or in any other instrument executed pursuant hereto or contemplated hereby to which the Financing Entity or the Financing Entity Trustee, as trustee of the Financing Entity, is party, to an act to be performed by,

an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or release to be provided by, a suit or proceeding to be taken by or against, or a covenant, representation or warranty (other than relating to the constitution or existence of the Financing Entity) by or with respect to (i) the Financing Entity or (ii) the Financing Entity Trustee, such reference shall be construed and applied for all purposes as if it referred to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or release to be provided by, a suit or proceeding to be taken by or against or a covenant, representation or warranty (other than relating to the constitution or existence of the Financing Entity) by or with respect to, the Financing Entity Trustee as trustee of the Financing Entity.

1.19 Judgment Currency

(a) If for the purpose of obtaining judgment in any court or for any other purposes (other than conversions specifically provided for in the agreement under which an Approved Obligation arises), it is necessary to convert any amount due under this Agreement from the currency in which it is due (the "**Original Currency**") into another currency (the "**Second Currency**"), the rate of exchange applied shall be that at which, in accordance with normal banking procedures, the purchaser could purchase, in the New York foreign exchange market, the Original Currency with the Second Currency on the date on which judgment is given. The obligation of the Province in respect of any Original Currency due from it to the Indenture Trustee under this Agreement shall, notwithstanding any judgment or payment in such other currency, be discharged only to the extent that, on the Business Day following receipt of any sum so paid or adjudged to be due under this Agreement in the Second Currency, the Indenture Trustee may, in accordance with normal banking procedures, purchase in the New York foreign exchange market the Original Currency with the amount of the Second Currency so paid or so adjudged to be due; and if the amount of the Original Currency so purchased is less than the amount originally due in the Original Currency, the Province shall indemnify the Indenture Trustee against such loss.

(b) The term "rate of exchange" in this Section 1.19 means the spot rate at which the Indenture Trustee, in accordance with normal practice, is able on the relevant date to purchase the Original Currency with the Second Currency and includes any premium and costs of exchange payable in connection with such purchase.

ARTICLE II
AGREEMENT TO PERFORM APPROVED OBLIGATIONS

2.01 Limited Guarantee

(a) Upon the occurrence of a Protection Event, the Indenture Trustee may deliver a written demand, substantially in the form attached as ~~[~~Exhibit A~~]~~ (a "**Payment Demand**"), to the Province requiring the Province to make payments in respect of the Approved Obligations at the times, in the amounts and subject to the requirements specified in this Agreement. From and after such delivery of a Payment Demand, the Province shall make the following payments in respect of

the Approved Obligations (the "**Limited Guarantee**"), the Financing Entity shall pay, and the Province shall be entitled to be paid, the Subrogation Amounts specified below, and the following terms shall apply:

i. Not less than three (3) Business Days prior to each day when any payment or payments are to be made in respect of one or more Approved Obligations occurring after such delivery of a Payment Demand (each such day, a "**Guarantee Payment Date**"), the Manager shall deliver a written statement setting forth the Aggregate Approved Obligations Amount, if any, in respect of the Approved Obligations that are due and payable on such Guarantee Payment Date, together with a detailed description identifying such Approved Obligations and the nature and amount of payments due and payable thereunder on the Guarantee Payment Date, the aggregate outstanding amount payable by the Financing Entity under such Approved Obligations as of the date of such written statement, and details regarding any default in performance by any party obligated thereunder.

ii. On each such Guarantee Payment Date, the Province shall deposit the Aggregate Approved Obligations Amount into the Protection Account.

iii. On each such Guarantee Payment Date, the Financing Entity and the Indenture Trustee shall ensure that the amounts on deposit in the Protection Account are applied to pay each Beneficiary to whom an amount is due and payable under an Approved Obligation on the Guarantee Payment Date the Approved Obligation Amount for such Beneficiary in respect of such Approved Obligation on such Guarantee Payment Date; provided that if the amount deposited pursuant to clause 2.01(a)ii is insufficient to pay all such Approved Obligation Amounts in full, the amount on deposit in the Protection Account on the Guarantee Payment Date shall be applied to pay Beneficiaries in the order of priority in which such Approved Obligations are payable under the payment provisions of the Trust Indenture applicable to the making of such payments on the Guarantee Payment Date (each, a "**Beneficiary Payee**" and each payment made to a Beneficiary Payee on a Guarantee Payment Date, a "**Guarantee Payment**").

iv. On the first Guarantee Payment Date and on each subsequent Guarantee Payment Date, Payment Date or other day on which any amount is required to be paid in respect of any Obligations Secured under the Trust Indenture (a "**Subrogation Payment Date**"), the Issuer and the Indenture Trustee shall ensure that the applicable payment provisions of the Trust Indenture shall be applied and operate on the following basis:

(A) If such day is a Guarantee Payment Date, then for each Approved Obligation for which amounts are paid to a Beneficiary Payee on such day pursuant to clause 2.01(a)iii in respect of principal, interest or any other

amounts ("**Payable Approved Amounts**"), the amounts payable by the Financing Entity in respect of such amounts for such Approved Obligation shall be reduced by the respective amounts of such payments to the Beneficiary Payee, and equivalent amounts shall be payable by the Financing Entity to the Province as "**Subrogation Amounts**" in respect of such Approved Obligations, such Subrogation Amounts being payable in the same order of priority and with the same entitlements accruing to the Province as applied in respect of the related Payable Approved Amounts which were previously owing to the Beneficiary Payee, and to reflect this subrogation the payments set out in clause 2.01(a)iv(B) below shall be made by the Financing Entity.

(B) If the Province has made all deposits required to be made by it on each Guarantee Payment Date occurring on or before such day in accordance with clause 2.01(a)ii (or the related Approved Obligation Amounts have otherwise all been paid in full), then in respect of each Approved Obligation for which any related Subrogation Amounts have not yet been paid in full to the Province, the Financing Entity shall pay to the Province from amounts available under the Trust Indenture payment provisions and in accordance with the priority of payment provisions in the Trust Indenture the amount that would be payable on such date in satisfaction of the relevant Payable Approved Amounts, as determined without regard to any Guarantee Payment paid on any Guarantee Payment Date and also without regard to the corresponding reduction of the amounts owing to present and former Beneficiary Payees pursuant to subclause 2.01(a)iv(A) up to the amount of the unpaid related Subrogation Amounts.

(C) No Beneficiary having a right to be paid an amount in respect of an Approved Obligation, and no other Person entitled under an Obligation Secured, in each case that ranks equal with or subordinate to the Payable Approved Amount in respect of which a Subrogation Amount is payable to the Province under subclause 2.01(a)iv(B), shall be entitled to make any claim or assert any right in or to the amounts paid or payable to the Province under such subclause (including any right of set-off, offset, reimbursement, contribution or indemnity) and no such Beneficiary or other Person shall have any right or interest in, to or under the Collateral or any proceeds therefrom in respect of any such Subrogation Amount.

(D) For greater certainty, the entitlements of the Province in respect of Subrogation Amounts arising in respect of Payable Approved Obligations that are interest and principal obligations on Notes shall be treated for all purposes of the Trust Indenture as interest and principal obligations, respectively, arising under Notes having the same priority as and any applicable voting rights under the related Approved Obligations, and accordingly the Province (and any successor, assignee or transferee of such entitlements) shall be entitled to all of the rights, entitlements, interests and privileges of a Holder of such a Notes in accordance with the Trust Indenture, as supplemented by the Supplemental Indenture or other indenture document under which the related Approved Obligations were issued.

(b) On each Guarantee Payment Date and upon demand by the Province, the Indenture Trustee shall release and pay to the Province free and clear of any Liens any amount remaining on deposit in the Protection Account that has not been applied to pay Guarantee Payments to Beneficiary Payees on the Guarantee Payment Date in accordance with clause 2.01(a)iii or that otherwise remains on deposit in the Protection Account on the relevant date.

(c) In preparing any payment instructions under the Trust Indenture, the Manager shall reflect the amounts payable under Section 2.01(a), if applicable.

(d) The Province shall, as a payee of Subrogation Amounts under clause 2.01(a)iv(B) and as a payee of any amounts payable under clause 2.01(b), be a "Specified Creditor" under the Trust Indenture and have the benefit of the Collateral thereunder.

(e) For greater certainty, the Limited Guarantee will not apply to any amount or obligation of the Financing Entity that is not or does not arise under an Approved Obligation and will be limited to the right to receive the Approved Obligation Amounts, if any, for payment to Beneficiary Payees and will be subject to the priorities and to the Province's rights to Subrogation Amounts, set forth in Section 2.01(a).

(f) Except as expressly provided in this Agreement, the Province's obligation to provide and perform the Limited Guarantee shall be irrevocable, absolute and unconditional.

(g) Any amount payable by the Province under the Limited Guarantee in respect of an Approved Obligation that is not paid by the Province when required herein shall bear interest from the applicable due date until paid in full at the rate or rates expressed to be payable on the Approved Obligation by their terms.

(h) Any amount payable to the Province in respect of a Subrogation Amount shall bear interest from and including the date of payment by the Province of the related Guarantee Payment to but excluding the date of payment of the Subrogation Amount to the Province, such interest to accrue at the rate equivalent to the applicable interest rate borne by the related Approved Obligation, and such interest amounts shall be added to their respective Subrogated Amounts and shall consequently be payable in the same priority as the relevant Subrogated Amount under clause 2.01(a)iv(B), all such accruing interest amounts to be calculated and added to the Subrogation Amounts by the Manager in its discretion acting in a commercially reasonable fashion.

(i) The right to deliver a Payment Demand and thereupon enforce the Limited Guarantee shall constitute the only remedy available to the Indenture Trustee (and to the Beneficiaries, to the extent they are permitted to exercise any rights, interests, or elections under and in accordance with the Trust Indenture) under this Agreement. Under no circumstances shall the Province be obligated to pay or indemnify the Indenture Trustee or any Beneficiary for consequential, special or punitive damages, or for economic loss or loss of profits; provided that, for greater certainty, economic loss shall not include any amount in respect of any amount due and payable to a Beneficiary Payee under the Limited Guarantee.

2.02 Intentionally Deleted.

2.03 Absence of Set-off

Subject to applicable law, the Province acknowledges and agrees that each payment to be made by the Province hereunder in respect of an Approved Obligation shall be made as required in whole, without application of any right of set-off and without regard to any equities as between or among any of the Province, the Beneficiaries and/or the Indenture Trustee.

2.04 Payment into Protection Account in Satisfaction

(a) On or before the date of delivery of a Payment Demand to the Province, the Indenture Trustee shall cause to be established and maintained an Eligible Deposit Account (the "**Protection Account**") in the name of the Indenture Trustee, bearing a designation clearly indicating that the funds and other property credited thereto are held for the benefit of the Indenture Trustee and the Beneficiaries. The Protection Account shall be under the control of the Indenture Trustee for the benefit of the Beneficiaries. If, at any time, the institution holding the Protection Account ceases to be an Eligible Institution, the FSM shall notify the Indenture Trustee, and the Indenture Trustee upon being notified in writing of such ineligibility (or the FSM on its behalf) shall within 30 days (or such longer period, not to exceed 45 days, so long as the Rating Agency Condition is satisfied) establish a new Protection Account that is an Eligible Deposit Account and shall transfer any funds or other property from such Protection Account to such new Protection Account. From the date each such new Protection Account is established, it shall be the "Protection Account" for purposes of this Agreement.

~~Funds credited to the Protection Account will be invested and held in accordance with Section [7.03] of the Trust Indenture on the basis that it is an Issuer Account.~~

(b) Notwithstanding the priority of payment requirements set forth in the Trust Indenture and any legal rule concerning the imputation of payments, the Financing Entity and the Indenture Trustee shall ensure that all amounts paid by the Province into the Protection Account on a Guarantee Payment Date in respect of an Approved Obligation are applied to pay the amounts due and payable to the Beneficiary Payee as and to the extent provided for in Section 2.01(a). Upon a payment having been made by or on behalf of the Province into the Protection Account, the amounts so paid shall for all purposes be considered to have been applied to pay the applicable Beneficiary Payee as provided for in Section 2.01(a) and thereby reduce the amount due and payable to such Beneficiary Payee in respect of the applicable Approved Obligations, whereupon an affected Beneficiary Payee shall have no continuing rights, interests or entitlements (including rights as a secured party) in respect of the Approved Obligation to the extent so paid. For greater certainty, the obligations arising in respect of an applicable Approved Obligation shall not be reduced by such payment as the Province shall become entitled to be paid related Subrogation Amounts and the rights contemplated under Section 2.01(a) and Section 5.01 in relation to such continuing obligations.

2.05 Certain Waivers

The Province hereby waives:

(a) any requirement, and any right to require, that any power be exercised or any action be taken against the Financing Entity or any Collateral for any of the Approved Obligations;

(b) all notices which may be required by applicable law to preserve any rights against the Province hereunder, including any notice of default, demand, dishonour, presentment and protest;

(c) diligence; and

(d) any defence based upon, arising out of or in any way related to any claim that any election of remedies by the Beneficiaries impaired, reduced, released or extinguished any rights that the Province might otherwise have had against the Financing Entity or any other surety.

The Province agrees that each such waiver is made with full knowledge of its significance and consequences and if any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the maximum extent permitted by applicable law.

2.06 Additional Security

This Agreement shall be in addition to and without prejudice to any other security by whomsoever given, held at any time by the Indenture Trustee or for the benefit of any of the Beneficiaries.

2.07 Continuing Liability of the Province

The Approved Obligations shall be deemed not to have been paid, observed or performed, and the liability of the Province hereunder in respect thereof shall continue and not be discharged, to the extent that any payment, observance or performance thereof by the Financing Entity, or out of the proceeds of any Collateral, is recovered from or reimbursed by or for the account of any of the Beneficiaries for any reason, including a preference or fraudulent transfer or by virtue of any subordination (whether present or future or contractual or otherwise) of the Approved Obligations, whether such recovery or payment over is effected by any judgment, decree or order of any court or Governmental Authority, by any plan of reorganization or by settlement or compromise by any of the Beneficiaries (whether or not consented to by the Financing Entity or the Province) of any claim for any such recovery or payment over.

2.08 Continuance of the Limited Guarantee

Subject to Section 2.07, the Limited Guarantee shall continue in full force and effect until the indefeasible payment, observance and performance in full of the Approved Obligations in accordance with Section 8.01.

2.09 Modifications of Approved Obligations

The Province expressly authorizes the Indenture Trustee, at any time and from time to time, without notice and without affecting the liability of the Province hereunder, but subject to compliance with the requirements of the Program Agreements and this Agreement, to:

(a) accept new, additional or replacement instruments, documents, agreements or security in connection with all or any part of the Approved Obligations;

(b) accept partial payments on the Approved Obligations; and

(c) waive, release, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, compromise, liquidate and enforce all or any part of the Approved Obligations and any security or guarantee therefor, and apply any such security and direct the order or manner of sale thereof as the Indenture Trustee (for the benefit of the Beneficiaries) in its discretion may determine.

ARTICLE III
THE INDENTURE TRUSTEE

3.01 The Indenture Trustee

This Agreement is made in favour of the Indenture Trustee in its capacity as trustee under the Trust Indenture. Accordingly, in the event of a new trustee being appointed under the Trust Indenture, such new trustee shall thereupon become and be the Indenture Trustee hereunder, but nevertheless, the Indenture Trustee shall forthwith assign, transfer and make over to the new trustee hereunder this Agreement. All provisions of the Trust Indenture for the protection of the Indenture Trustee or for facilitating the administration of the trusts or otherwise relating to the Indenture Trustee solely as to its holding of the rights thereunder shall apply *mutatis mutandis* to this Agreement and the Indenture Trustee's duties hereunder.

3.02 Acceptance of Trusts

The Indenture Trustee hereby accepts the trusts hereof and agrees to carry out and discharge the same unless and until a new trustee shall be appointed as contemplated in Section 3.01.

ARTICLE IV
APPROVED OBLIGATIONS

4.01 Approval Process

Except in respect of any Primary Obligation to which the Limited Guarantee will not apply on or after a Suspension Notice is delivered in accordance with Section 7.02, a Primary Obligation that is not a Certified Primary Obligation shall be an Approved Obligation. A Certified Primary Obligation shall constitute an Approved Obligation if (i) the Adherence Conditions applicable thereto have been satisfied at the time the Primary Obligation was incurred or (ii) the Province, in its sole discretion, designates in writing that it is an Approved Obligation.

4.02 Adherence Conditions

(a) The following shall be the Adherence Conditions applicable in relation to each Certified Primary Obligation:

i. the Certified Primary Obligation when incurred is an Obligation Secured under the Trust Indenture; and

ii. OPG, as FSM, delivers an Adherence Compliance Certificate in the form attached hereto as Exhibit B signed by the Chief Financial Officer and the Treasurer of OPG, or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) and addressed to the Indenture Trustee, on or before the incurrence of the Certified Primary Obligation (provided that delivery may not be more than 5 Business Days before the incurrence of the Certified Primary Obligation); and

iii. the Province has not provided a Suspension Notice to the Indenture Trustee, OPG and the Financing Entity.

(b) Without limiting any obligations of OPG to the Province arising other than pursuant to this Agreement, satisfaction of the Adherence Conditions for a Certified Primary Obligation shall be deemed satisfaction of the Adherence Conditions in respect of all principal, interest and other amounts owing under the Certified Primary Obligation, as such Certified Primary Obligation may be amended, restated, supplemented or modified from time to time.

(c) For greater certainty, there shall be no Adherence Conditions applicable in relation to a Primary Obligation that is not a Certified Primary Obligation.

4.03 Evidence of Satisfaction

An Adherence Compliance Certificate delivered in accordance with clause 4.02(a)ii shall be determinative as to whether the applicable Adherence Condition with respect thereto has been satisfied, notwithstanding that such certificate may include inaccuracies, be incomplete or otherwise be defective or deficient, and such closing certificate may be relied upon by any addressee as conclusive evidence of same. An Adherence Compliance Certificate that purports on its face to be signed by officers specified in clause 4.02(a)ii may be relied upon by any addressee without further enquiry or evidence as to the incumbency or signatures of such officers. If an Adherence Compliance Certificate is not delivered in accordance with the timing requirements of clause 4.02(a)ii such certificate may be delivered at a later date, and be effective as if it had been delivered in accordance with the timing requirement of clause 4.02(a)ii if at the time such certificate was otherwise required to be delivered OPG had delivered to the Province all certifications required by the Province in connection with the adherence of the Limited Guarantee to the Certified Primary Obligation.

ARTICLE V
PROVINCE MATTERS

5.01 Assignment and Subrogation

(a) Upon paying an amount in respect of an Approved Obligation to or at the direction of the Indenture Trustee in satisfaction of the Limited Guarantee, the Province (in addition to and without prejudice to any rights it otherwise has in law or equity) shall be subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation to the extent of such payment, and shall be entitled to (i) the right and entitlement to be paid and receive the related Subrogation Amounts, (ii) the benefits of the related Collateral and (iii) all proceeds therefrom. The Province shall have and be entitled to enforce all rights and interests (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)), under and in respect of such Approved Obligation to the extent of the payment by the Province in respect of the Approved Obligation as an absolute assignee of the applicable Beneficiary, with effect from and after the time of such payment, without any

further requirement for notice to or acceptance by the Financing Entity of such absolute assignment and without any reduction, set-off or counterclaim on account of any amounts that may, at or after the time of payment, be or become owing by the Beneficiary to the Financing Entity and unaffected by any other rights or equities that arise thereafter as between the Beneficiary and the Financing Entity. The Indenture Trustee shall recognize the Province as being entitled to all of the rights, interests and entitlements of the Beneficiary (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)) in respect and to the extent of the Approved Obligation so paid, determined as of the time of payment, for all purposes under the Trust Indenture, and the Province shall be treated as a Specified Creditor in respect thereof for all purposes under the Trust Indenture and any other agreement under which the Approved Obligation arises.

(b) The Province (i) acknowledges and agrees in favour of the Indenture Trustee that, upon being subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation in accordance with Section 5.01(a), the Province, in its capacity as a Specified Creditor, will be subject to the provisions applicable to Specified Creditors under the Trust Indenture, including Sections ~~[~~7.04~~]~~ through ~~[~~7.11~~]~~ and ~~[~~8.13~~]~~ (Payment Priorities), Section ~~[~~7.12~~]~~ (Payments Held in Trust), Section ~~[~~8.11~~]~~ (Control by Controlling Class Creditors), Section ~~[~~8.12~~]~~ (Limitation on Suits), Section ~~[~~8.14~~]~~ (Limited Recourse), Article IX (The Indenture Trustee), including all limitations of liability thereunder, Section ~~[~~9.14~~]~~ (Communications to Specified Creditors) and Section ~~[~~16.01~~]~~ (No Petition); (ii) consents, requests and authorizes the Issuer and the Indenture Trustee to (x) add the Province to the register of Specified Creditors described in subsection ~~[~~13.13~~(b)]~~ of the Trust Indenture and (y) disseminate the notice details of the Province to other Specified Creditors for the purposes set out in subsection ~~[~~9.14(b)~~]~~ of the Trust Indenture, and (iii) confirms that it will execute and deliver, or cause to be executed and delivered, all such further agreements, documents and instruments in connection with this Section 5.01 as the Indenture Trustee may request from time to time for the purpose of giving effect to the terms of this Section 5.01.

5.02 Priorities

For greater certainty, the rights, interests and entitlements of the Province as an assignee and subrogee of and with respect to an Approved Obligation and the Payable Approved Amounts thereunder shall rank equally with the rights, interests and entitlements of a Beneficiary to whom a Limited Guarantee payment is made in respect of, and to the extent of the payment made to satisfy, the Approved Obligation and the Province shall not be subject to postponement or subordination with respect thereto except to the extent of the priorities established in relation to the Approved Obligation under the Trust Indenture in the manner and to the extent contemplated in Section ~~[~~7.10~~]~~ of the Trust Indenture.

5.03 Intentionally Deleted

5.04 Representations and Warranties

The Province hereby represents and warrants that:

(a) the execution and delivery of, and the performance of its obligations under, this Agreement by the Province have been authorized by all necessary action on the part of the Province;

(b) the execution and delivery of, and the performance of its obligations under, this Agreement by the Province do not result in the violation of any applicable law; and

(c) this Agreement has been duly executed and delivered by the Province.

ARTICLE VI
INDENTURE TRUSTEE MATTERS

6.01 Limited Recourse

No recourse may be taken, directly or indirectly, with respect to the obligations of the Financing Entity under this Agreement, or any certificate or other writing delivered in connection herewith or therewith, against (a) the Financing Entity Trustee in its individual capacity, (b) any owner of a beneficial interest in the Financing Entity or (c) any partner, owner, beneficiary, agent, officer, director, employee or agent of the Financing Entity Trustee in its individual capacity, any holder of a beneficial interest in the Financing Entity or the Financing Entity Trustee or of any successor or assign of the Financing Entity Trustee in its individual capacity, except as any such Person may have expressly agreed (it being understood that the Financing Entity Trustee has no such obligations in its individual capacity).

6.02 Not Responsible for Recitals

The recitals contained herein will be taken as the statements of the Province, the Financing Entity and the FSM, and the Indenture Trustee assumes no responsibility for their correctness. The Indenture Trustee makes no representations as to the validity or sufficiency of this Agreement.

6.03 Representations and Covenants of the Indenture Trustee

The Indenture Trustee represents, warrants and covenants that:

(a) the Indenture Trustee is a trust company organized, existing and in good standing under the laws of Canada;

(b) the Indenture Trustee has full power and authority to execute, deliver and perform this Agreement and has taken all necessary action to authorize the execution, delivery and performance by it of this Agreement;

ARTICLE VII
SUSPENSION OF ADHERENCE FOR NEW PRIMARY OBLIGATIONS

7.01 Suspension Notice

Upon:

(a) a Program Breach;

(b) a default in the performance, or breach, of any covenants of OPG, as FSM, or OPG, in its corporate capacity, in each case to the Province in connection with its obligations to the Province pursuant to internal requirements and processes in connection with the provision or adherence of the Limited Guarantee to or in respect of any Certified Primary Obligation and the expiration of any applicable cure period;

(c) a representation or warranty made by OPG or a certification made by one or more officers of OPG, in each case whether as FSM or in its corporate capacity, to the Province in connection with its obligations to the Province and its internal requirements and processes in connection with the provision or adherence of the Limited Guarantee to or in respect of any Certified Primary Obligations, proves to be incorrect in any material respect on the date made and the expiration of any applicable cure period; or

(d) the FSM no longer being the Manager or actions having been taken by or on behalf of the Indenture Trustee to remove the FSM as the Manager;

the Province may deliver a written notice in the form of Exhibit C (a "**Suspension Notice**") to the Indenture Trustee, the FSM and the Financing Entity.

7.02 Suspension

If a Suspension Notice has been provided under Section 7.01 (the provision of such notice being a "**Suspension Event**"), the Limited Guarantee shall not apply in respect of: (i) any Primary Obligation incurred, excluding Post-Suspension Refinancings, or (ii) any amendment of any Primary Obligation that has a Material Effect, unless otherwise agreed to by the Province, in each case, on or after the time such Suspension Notice is delivered.

7.03 Additional Right of the Province Regarding Post-Suspension Refinancings

Following the occurrence of a Suspension Event, the Limited Guarantee shall continue to apply in respect of any Post-Suspension Refinancing (for greater certainty, without regard to the satisfaction of any Adherence Conditions); provided that prior to the Financing Entity incurring any Primary Obligation constituting a Post-Suspension Refinancing, the Manager shall provide the Province with at least 30 days' notice of its intention to seek a Post-Suspension Refinancing and prior to incurrence, which notice shall describe the material covenants, events of default, representations and warranties and indemnities of the Financing Entity and other material terms, excluding financial terms, rates and levels, and that shall be in respect of the full amount of the amount becoming due and payable in respect of the applicable Primary Obligation less amounts otherwise available to the Financing Entity from other available or committed sources (the "**Proposal**"), and during such 30 day period the Province may, but is not obligated to, offer to fund such Post-Suspension Refinancing or arrange for another Person to fund such Post-Suspension Refinancing on the same terms as set out in the Proposal or on such other terms as may be considered by the Province to be not more onerous on the Financing Entity and that are acceptable on that basis to the Financing Entity, acting reasonably. If, within such 30-day period, the Province elects to offer to fund such Post-Suspension Refinancing as provided in the preceding sentence, the Manager shall accept such offer; however, if the Province does not elect to offer to fund such Post-Suspension Refinancing, the Manager shall cause the Financing Entity to incur Primary Obligations constituting such a Post-Suspension Refinancing on substantially the same terms (excluding, for greater certainty, any financial terms, rates or levels) as those set out in the Proposal if the Post-Suspension Refinancing can be completed by the Financing Entity in compliance with the Act, or on such other terms as would not have a Material Effect, without taking into account any financial terms, rates or levels.

7.04 No Impact on Adherence

For greater certainty, the occurrence of a Suspension Event or a failure by the FSM or the Financing Entity to perform its covenants under this Agreement will not invalidate or extinguish the obligations of the Province under the Limited Guarantee in respect of Approved Obligations in existence prior to the occurrence of the Suspension Event or in respect of any Post-Suspension Refinancing.

HER MAJESTY THE QUEEN IN RIGHT OF ONTARIO, AS REPRESENTED BY THE MINISTER OF ENERGY AND THE MINISTER OF FINANCE

AND

ONTARIO POWER GENERATION INC.

CHANGE OF LAW PROCESS AGREEMENT

Dated as of December [■], 2017

This **CHANGE OF LAW PROCESS AGREEMENT**, between Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), and Ontario Power Generation Inc. ("**OPG**") is made and entered into as of December [■], 2017.

RECITALS

OPG is appointed as the Financial Services Manager under Section 18 of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**").

Pursuant to Section 22(2) of the Act, OPG, in its capacity as the Financial Services Manager (the "**FSM**"), may establish or cause to be established one or more financing entities (as defined in the Act), which may incur Funding Obligations in accordance with the Act.

Pursuant to a Declaration of Trust dated as of ~~[■],~~ December 20, 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

Concurrent with this Agreement, the Province, the FSM, the Financing Entity and the Indenture Trustee will enter into the Change of Law Protection Agreement under which the Province will agree to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Obligations Secured that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the applicable Adherence Conditions.

Prior to entering into this Agreement, OPG provided the Province with the final forms of certain of the Transaction Documents, as described on Exhibit "A", and the Province has not objected to such forms and hereby confirms to OPG that such Transaction Documents will constitute "Reference Documentation" for purposes of this Agreement.

Prior to entering into this Agreement, OPG, as the FSM, provided the Minister of Energy, in compliance with the Act, with the initial Financing Plan, which includes the initial forecast (the "**Initial Forecast**") setting out OPG's expectations regarding the aggregate maximum amount of Repayments that would arise in the future under Obligations Secured to be incurred during the 24 month period from December 1, 2017 to November 30, 2019 (the "**Initial Forecast Period**"). Prior to entering into this Agreement, OPG provided the Province with the initial Protection Agreement Maximum (the "**Initial Protection Agreement Maximum**"). The Province has received the initial Financing Plan and has not disagreed with the Initial Forecast or the Initial Protection Agreement Maximum on the basis of an apparent inaccuracy in the Initial Forecast, an inconsistency between the Initial Forecast and the initial Financing Plan, or as a result of the Initial Protection Agreement Maximum being more than the Initial Forecast.

This Agreement sets out the obligations OPG has agreed to perform and assurances OPG has agreed to provide and on which the Province will rely in entering into and implementing the Change of Law Protection Agreement, including for the purposes of determining whether the applicable Adherence Conditions have been satisfied and maintaining information related to the Program Agreements and the Approved Obligations.

All things necessary to make this Agreement a valid and legally binding agreement of OPG and the Province, have been done.

AGREEMENT OF THE PARTIES

In consideration of the respective agreements herein contained, the parties hereto covenant and agree as follows:

(B) extend, renew, compromise, novate, replace, suspend, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, liquidate or enforce the terms of all or any part of the Approved Obligations or any Collateral, if any such action could reasonably be considered to have a Material Effect; provided, however, that the foregoing does not apply to any such action taken in respect of particular financial terms, rates or levels; or

(C) permit the validity or effectiveness of the Change of Law Protection Agreement to be impaired.

(b) If any action restricted pursuant to Section 2.02(a)(v) is reflected in a delivery required to be made by OPG to the Province pursuant to Section 2.01(b) and is not objected to by the Province under Section 3.04(b), the Province shall be deemed to have waived its rights in respect of such action under Section 2.02(a)(v).

(v) after the occurrence of any Protection Event (or any event or circumstance known to OPG that with the passage of time or the giving of notice would be a Protection Event), not, without the Province's prior written consent, permit the Financing Entity to exercise any redemption, pre-payment, early termination or extension right in respect of any Approved Obligation or exercise any other election or privilege in respect of any Approved Obligation, in each case if as a result the obligations applicable to the Approved Obligation under the Change of Law Protection Agreement would be accelerated, delayed or otherwise affected.

(d) The Province and OPG acknowledge that their obligations to each other under the Indemnity Agreement between the Province and OPG dated June 1, 2017 (as amended, the "**Indemnity Agreement**") are not amended by this Agreement and continue in full force and effect, notwithstanding that this Agreement is entered into subsequent to the Indemnity Agreement.

(e) The Province and OPG acknowledge that their obligations to each other under the Indemnity Agreement are not amended by the Change of Law Protection Agreement and continue in full force and effect, notwithstanding that the Change of Law Protection Agreement was entered into subsequent to the Indemnity Agreement.

ARTICLE III
PROCESS CERTIFICATE

3.01 Process Certificate

OPG shall deliver a certificate (the "**Process Certificate**"), signed by the Chief Financial Officer and the Treasurer of OPG or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) and addressed to the Province, on or before the incurrence or any amendment of a Funding Obligation, other than any Funding Obligation under which not more than $5,000,000 in the aggregate may become payable by the Financing Entity (provided that delivery may not be more than 5 Business Days before the incurrence or amendment of the Funding Obligation), setting out the following with respect to such Funding Obligation:

(a) the material terms of the Funding Obligation pertaining to (i) in the case of notes, bonds or other securities, the principal amount, interest or discount rate, third party fees, term to maturity, amortization, redemption or extension features, structure and coupon frequency, as applicable, and (ii) in the case of a Derivative Agreement, OPG's best estimate of the expected notional amount, financial terms and pricing, benchmarks, payment structures and early termination rights;

(b) if an existing Funding Obligation is proposed to be amended, material details respecting such amendment, including regarding the applicable details set forth in Subsection 3.01(a), as the context requires;

(c) a statement to the effect that: (i) the Funding Obligation to be incurred or amended (1) will arise under terms and conditions that are Substantially in the Form of the Reference Documentation applicable thereto; (2) in the opinion of the signatories to the Process Certificate, are reasonably incurred or effected in compliance with the Act, the General Regulation, any other enactments related thereto and the applicable Financing Plan; (3) are of a type and are on terms that a reasonably prudent financial services manager would incur in similar circumstances; and (4) reflect, in all material respects, arm's length terms and conditions; and (ii) any Disclosure Document used in connection with the offering and sale of notes, bonds or other securities is Substantially in the Form of the Reference Documentation;

(d) a statement confirming that any disclosure made in respect of the Funding Obligation (including any Disclosure Document, press release or other written communication prepared for dissemination to third parties in relation to the Funding Obligation) that refers to or describes the terms, effect or adherence of or to this Agreement or the Change of Law Protection Agreement has been made available to the Province prior to use or dissemination, other than where such disclosure was substantially the same as a disclosure previously made;

(e) a statement that no Breach Event has occurred on or prior to the date of the Process Certificate, unless such Breach Event has been waived by the Province in writing; and

(f) confirmation that, at the time the Funding Obligation is incurred or amended, the maximum aggregate payment amounts due or becoming due in the future in respect of Repayments under the Funding Obligation, together with all other outstanding amounts due or becoming due in the future in respect of Repayments under all Approved Obligations, do not and will not exceed the Protection Agreement Maximum applicable on the date that the Process Certificate is delivered; for clarity, Repayments under Obligations Secured owing in currencies other than Canadian dollars will be determined on the date the Process Certificate is delivered hereunder in accordance with the following:

(i) where a Derivative Agreement has been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the hedged value expressed in Canadian dollars; and

(ii) where a Derivative Agreement has not been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the noon spot rate for conversions of any currencies into Canadian dollars.

3.02 Acknowledgement regarding delivery of certificate under Change of Law Protection Agreement

The Province acknowledges and agrees that, concurrent with the delivery of the Process Certificate pursuant to Section 3.01 of this Agreement, the Chief Financial Officer and the Treasurer of OPG or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) are authorized to deliver the certificate referred to in Subsection 4.02(a)(ii) of the Change of Law Protection Agreement to the Indenture Trustee confirming that OPG has complied with all of its obligations to the Province and internal requirements and processes in connection with adherence of the Limited Guarantee to the incurrence of the Certified Primary Obligations in respect of which the certificate in Subsection 4.02(a)(ii) of the Change of Law Protection Agreement is being delivered; provided that, upon receipt of a Suspension Notice under the Change of Law Protection Agreement, OPG covenants not to deliver any further certificates to the Indenture Trustee under Subsection 4.02(a)(ii) of the Change of Law Protection Agreement.

3.03 Acknowledgement regarding delivery of Suspension Notice

The parties acknowledge and agree that the Province is entitled to deliver a Suspension Notice under Section 7.01 of the Change of Law Protection Agreement if a Program Breach or Breach Event has occurred. The Province agrees not to deliver a Suspension Notice pursuant to Section 7.01 of the Change of Law Protection Agreement unless a Program Breach or a Breach Event has occurred.

3.04 Meaning of "Reference Documentation"

For the purposes of Subsection 3.01(c), the term "Reference Documentation" shall mean each Transaction Document that, at the relevant time:

(a) is a Transaction Document listed on Exhibit "A"; or

(b) is a Transaction Document (including any amended or amended and restated Transaction Document) provided to the Province in accordance with Subsection 2.01(b) that has not been objected to by the Province, by delivery of an objection notice in writing delivered to OPG, within 10 Business Days after it is provided to the Province; provided that the Province (i) shall only be entitled to deliver an objection notice if the Transaction Document (including any amended or amended and restated Transaction Document) has a Material Effect and (ii) shall not be entitled to deliver an objection notice in respect of any Post-Suspension Refinancing.

3.05 Meaning of "Substantially in the Form"

For the purposes of Subsection 3.01(c), the term "Substantially in the Form" shall mean:

(a) with respect to the Reference Documentation referred to in clauses (i) to (xi) of the definition of "Transaction Documents", that there are no differences between the proposed documents and such Reference Documentation that could result in a change in the material terms or conditions applicable to the applicable Primary Obligation that could have a Material Effect; provided, however, that the foregoing does not apply to any particular financial terms, rates or levels; and

(b) with respect to the Reference Documentation referred to in clause (xii) of the definition of "Transaction Documents", that there are no material differences between the form and substance of the proposed Disclosure Document and such form of Disclosure Document and that the proposed Disclosure Document complies in all material respects with all applicable securities disclosure requirements relating to the Primary Obligation subject to distribution thereunder.

ARTICLE IV
PROTECTION AGREEMENT MAXIMUM

4.01 Protection Agreement Maximum

(a) Between nine (9) and twelve (12) months prior to the end of the Initial Forecast Period, OPG shall, as the FSM, deliver to the Province an updated forecast setting out the sum of (1) the aggregate amount of Repayments that will arise in the future under Obligations Secured that are then outstanding and (2) OPG's expectations regarding the aggregate maximum amount of Repayments that would arise in the future under Obligations Secured to be incurred during the period ending 24 months following the Initial Forecast Period, which expectation shall be consistent with the then applicable Financing Plan. Such updated forecast shall be

further updated on a similar basis with respect to each successive 24 month period or more frequently if at any time OPG has knowledge that the most recent forecast is materially inaccurate (the Initial Forecast and each such updated forecast, each a "**Forecast**"). Together with each Forecast, OPG shall also provide a revised Protection Agreement Maximum, which may not exceed such Forecast.

(b) Not more than 10 Business Days, or such lesser period as the Province may agree to in writing, following receipt of any further Forecast and notice of the revised Protection Agreement Maximum from OPG pursuant to Section 4.01(a), the Province may disagree with such further Forecast or revised Protection Agreement Maximum on the basis that (i) there appears to be inaccuracies in such further Forecast, (ii) the further Forecast is inconsistent with the Financing Plan, or (iii) the revised Protection Agreement Maximum is more than the further Forecast. If the Province disagrees, OPG shall discuss any discrepancies with the Province, address any inaccuracies and inconsistencies to the reasonable satisfaction of the Province and OPG, and the revised Protection Agreement Maximum will be further revised accordingly and confirmed by an amended notice to the Province.

(c) For clarity, Repayments under Obligations Secured owing in currencies other than Canadian dollars will be valued at the time to be determined for the purposes of this Section 4.01 in accordance with the following:

(i) where a Derivative Agreement has been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the hedged value expressed in Canadian dollars; and

(ii) where a Derivative Agreement has not been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the noon spot rate for conversions of any currencies into Canadian dollars.

Any such certificate may be issued in respect of one or more Bearer Notes or coupons specified therein. The holding by the Person named in any such certificate of any Bearer Note specified therein will be presumed to continue for a period of one year from the date of such certificate unless at the time of any determination of such holding (A) another certificate bearing a later date is issued in respect of the same Bearer Note or coupon produced, (B) the Bearer Note or coupon specified in such certificate is produced by some other Person or (C) the Bearer Note or coupon specified in such certificate has ceased to be Outstanding.

(d) The fact and date of execution of any such instrument or writing, the authority of the Person executing the same and the principal amount and serial numbers of Bearer Notes held by the Person so executing such instrument or writing and the date of holding the same may also be proved in any other manner which the Indenture Trustee deems sufficient; and the Indenture Trustee may in any instance require further proof with respect to any of the matters referred to in this Section 1.04.

(e) If the Issuer will solicit from the Noteholders any Action, the Issuer may, at its option, by an Issuer Certificate, fix in advance a record date for the determination of Noteholders entitled to give such Action, but the Issuer will have no obligation to do so. If the Issuer does not so fix a record date, such record date will be the later of 30 days before the first solicitation of such Action or the date of the most recent

list of Noteholders furnished to the Indenture Trustee pursuant to Section 13.13 before such solicitation. Such Action may be given before or after the record date, but only the Noteholders of record at the close of business on the record date will be deemed to be Noteholders for the purposes of determining whether Noteholders of the requisite proportion of Outstanding Notes have authorized or agreed or consented to such Action, and for that purpose the Outstanding Notes will be computed as of the record date; provided that no such authorization, agreement or consent by the Noteholders on the record date will be deemed effective unless it will become effective pursuant to the provisions of this Indenture not later than six (6) months after the record date.

(f) Any Action by a Noteholder will bind the holder of every Note issued upon the transfer thereof or in exchange therefor or in lieu thereof, in respect of anything done or suffered to be done by the Indenture Trustee or the Issuer in reliance thereon whether or not notation of such Action is made upon such Note.

(g) Without limiting the foregoing, a Noteholder entitled hereunder to take any Action hereunder with regard to any particular Note may do so with regard to all or any part of the principal amount of such Note or by one or more duly appointed agents each of which may do so pursuant to such appointment with regard to all or any part of such principal amount. Any notice given or Action taken by a Noteholder or its agents with regard to different parts of such principal amount pursuant to this paragraph shall have the same effect as if given or taken by separate Noteholders of each such different part.

(h) Without limiting the generality of the foregoing, unless otherwise specified pursuant to one or more Supplemental Indentures, a Noteholder, including a Depository that is the holder of a Global Note, may make, give or take, by a proxy or proxies duly appointed in writing, any Action provided in this Indenture to be made, given or taken by Noteholders, and a Depository that is the holder of a Global Note may provide its proxy or proxies to the beneficial owners of interests in or security entitlements to any such Global Note through such Depository's standing instructions and customary practices.

(i) The Issuer may fix a record date for the purpose of determining the Persons who are beneficial owners of interests in or security entitlements to any Global Note held by a Depository entitled under the procedures of such Depository to make, give or take, by a proxy or proxies duly appointed in writing, any Action provided in this Indenture to be made, given or taken by Noteholders. If such a record date is fixed, the Noteholders on such record date or their duly appointed proxy or proxies, and only such Persons, shall be entitled to make, give or take such Action, whether or not such Noteholders remain Noteholders after such record date. No such Action shall be valid or effective if made, given or taken more than six (6) months after such record date.

1.05 Actions of Lenders

Any Action provided by this Indenture to be given or taken by any Lender or group of Lenders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Lender(s) in person or an agent duly appointed in writing. Proof of execution of any such instrument or of a writing appointing any such agent will be sufficient for any purpose of this Indenture and (subject to Section 9.01) conclusive in favour of the Indenture Trustee and the Issuer, if made in the manner provided in Section 1.04(b).

The Issuer will take all actions necessary to maintain a perfected Lien on the Collateral in favor of the Indenture Trustee.

(b) The Indenture Trustee shall hold each item of the Collateral separate and apart from all other property held by the Indenture Trustee.

(c) The Issuer will from time to time execute, authorize and deliver all such supplements and amendments hereto and all such financing statements, amendments thereto, instruments of further assurance and other instruments, all as prepared by the Issuer, and will take such other action necessary or advisable to:

The Issuer hereby authorizes the filing of financing statements (and amendments of financing statements) that name the Issuer as debtor and the Indenture Trustee as secured party and that cover all personal property of the Issuer. The Issuer also hereby ratifies the filing of any such financing statements (or amendments of financing statements) that were filed prior to the execution hereof.

(ii) The Issuer shall not change its name, its jurisdiction of formation or its type of organization unless it has provided the Indenture Trustee and each Rating Agency with 30 days prior written notice and it has first (A) made all filings and taken all actions in all relevant jurisdictions under the PPSA and other applicable law as are necessary to continue and maintain the first priority perfected Security Interest of the Indenture Trustee in the Collateral, and (B) delivered to the Indenture Trustee (with a copy to each Rating Agency) an Opinion of Counsel to the effect that all necessary filings have been made under the PPSA (and where applicable, the equivalent thereof) in all relevant jurisdictions as are necessary to continue and maintain the first priority perfected Security Interest of the Indenture Trustee in the Collateral.

2.04 Suits to Protect the Collateral

Subject to the provisions of this Indenture, the Indenture Trustee will have the power to institute and to maintain such suits and proceedings as it may deem expedient to prevent any impairment of the Collateral by any acts which may be unlawful or in violation of this Indenture, and such suits and proceedings as the Indenture Trustee may deem expedient to preserve or protect the interests of the Specified Creditors and the interests of the Indenture Trustee in the Collateral (including the power to institute and maintain suits or proceedings to restrain the enforcement of, or compliance with, any legislative or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid if the enforcement of, or compliance with, such enactment, rule or order would impair the Security Interest or be prejudicial to the interests of the Specified Creditors or the Indenture Trustee).

2.05 Purchaser Protected

In no event will any purchaser in good faith of any property purported to be released hereunder be bound to ascertain the authority of the Indenture Trustee to execute the release or to inquire as to the satisfaction of any conditions required by the provisions hereof for the exercise of such authority or to see to the application of any consideration given by such purchaser or other transferee; nor will any purchaser or other transferee of any property or rights permitted by this Article II to be sold be under any obligation to ascertain or inquire into the authority of the Issuer to make any such sale or other transfer.

2.06 Powers Exercisable by Receiver or Indenture Trustee

In case the Collateral shall be in the possession of a receiver or trustee lawfully appointed, the powers conferred in this Article II upon the Issuer with respect to the release, sale or other disposition of such property may be exercised by such receiver or trustee, and an instrument signed by such receiver or trustee shall be deemed the equivalent of any similar instrument of the Issuer or of any officer or officers thereof required by the provisions of this Article II.

2.07 Determinations Relating to Collateral

In the event (i) the Indenture Trustee shall receive any written request from the Issuer for consent or approval with respect to any matter or thing relating to any Collateral or the Issuer's obligations with respect thereto, (ii) there shall be due to or from the Indenture Trustee under the provisions hereof any performance or the delivery of any instrument, or (iii) the Indenture Trustee shall become aware of any nonperformance by the Issuer of any covenant or any breach of any representation or warranty of the Issuer set forth in this Indenture, then, in each such event, the

Indenture Trustee shall be entitled to hire experts, consultants, agents and attorneys to advise the Indenture Trustee on the manner in which the Indenture Trustee should respond to such request or render any requested performance or response to such nonperformance or breach (the expenses of which will be reimbursed to the Indenture Trustee pursuant to Section 9.05). The Indenture Trustee will be fully protected in the taking of any action recommended or approved by any such expert, consultant, agent or attorney, or agreed to by Extraordinary Resolution.

2.08 Satisfaction and Discharge of Indenture

(a) The Issuer may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture with respect to any Class, Series or Tranche of Issuer Funding Obligations or for any other purpose, pay, or by an Issuer Certificate direct any Paying Agent to pay, to the Indenture Trustee all sums held in trust by the Issuer or such Paying Agent in respect of each and every Class, Series or Tranche of Issuer Funding Obligations as to which it seeks to discharge this Indenture or, if for any other purpose, all sums so held in trust by the Issuer in respect of all Issuer Funding Obligations, such sums to be held by the Indenture Trustee upon the same trusts as those upon which such sums were held by the Issuer or such Paying Agent; and, upon such payment by any Paying Agent to the Indenture Trustee, such Paying Agent will be released from all further liability with respect to such money.

(b) This Indenture will cease to be of further effect with respect to any Class, Series or Tranche of Issuer Funding Obligations (except as to any surviving rights of transfer or exchange of Notes of that Class, Series or Tranche expressly provided for herein or in any form of Note for that Class, Series or Tranche), and the Indenture Trustee, on demand of and at the expense of the Issuer, will execute proper instruments acknowledging satisfaction and discharge of this Indenture as to that Class, Series or Tranche, when:

(i) (A) in the case of Notes, all Notes of that Class, Series or Tranche theretofore Outstanding (other than (x) Notes of that Class, Series or Tranche which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 16.05(b), and (y) Notes of that Class, Series or Tranche for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from that trust, as provided in Section 16.05(b)) have been delivered to the Indenture Trustee for cancellation or been cancelled, or (B) in the case of all other Issuer Funding Obligations, all Issuer Funding Obligations of that Class, Series or Tranche have been paid in full, as certified by the Issuer to the Indenture Trustee;

(ii) the Issuer has paid or caused to be paid all other sums payable under the Indenture (including payments to the Indenture Trustee pursuant to Section 9.05) by the Issuer with respect to the Issuer Funding Obligations of that Class, Series or Tranche; and

(iii) the Issuer has delivered to the Indenture Trustee an Issuer Certificate and an Opinion of Counsel each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture with respect to the Issuer Funding Obligations of that Class, Series or Tranche have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture with respect to any Class, Series or Tranche of Issuer Funding Obligations, the obligations of the Issuer to the Indenture Trustee with respect to that Class, Series or Tranche of Issuer Funding Obligations under Section 9.05 and the obligations of the Indenture Trustee under Sections 7.13 and 16.05(b) will survive such satisfaction and discharge.

(c) This Indenture will cease to be of further effect, and the Indenture Trustee, on demand of and at the expense of the Issuer, will execute proper instruments acknowledging satisfaction and discharge of this Indenture, when all Issuer Funding Obligations have been satisfied and discharged in accordance with clause (b) and all other Obligations Secured have been paid in full, as certified by the Issuer to the Indenture Trustee.

2.09 Release of all Collateral

(a) Subject to the payment of its fees and expenses pursuant to Section 9.05, the Indenture Trustee shall, at the request of the Issuer or when otherwise required by the provisions of this Indenture, execute instruments to release Collateral from the Security Interest of this Indenture, or convey the Indenture Trustee's interest (which is held by the Indenture Trustee for the benefit of the Specified Creditors) in the same, in a manner and under circumstances which are not inconsistent with the provisions of this Indenture. No party relying upon an instrument executed by the Indenture Trustee as provided in this Article II will be bound to ascertain the Indenture Trustee's authority, inquire into the satisfaction of any conditions precedent or see to the application of any funds.

(b) Upon delivery of an Officer's Certificate of the Issuer certifying that all Issuer Funding Obligations and all other Obligations Secured have been satisfied and discharged by complying with the provisions of Section 2.08 and all applicable Program Agreements, the Indenture Trustee shall execute and deliver such releases, termination statements and other instruments (in recordable form, where appropriate) as the Issuer may reasonably request evidencing the termination of the Security Interest created by this Indenture.

(c) The Issuer and the Specified Creditors shall be entitled to receive at least 10 days' written notice when the Indenture Trustee proposes to take any action pursuant to clause (a), accompanied by copies of any instruments involved, and the Indenture Trustee shall also be entitled to require, as a condition to such action, an Opinion of Counsel, stating the legal effect of any such action, outlining the steps required to complete the same, and concluding that all conditions precedent to the taking of

such action have been complied with. Counsel rendering any such opinion may rely, without independent investigation, on the accuracy and validity of any certificate or other instrument delivered to the Indenture Trustee in connection with any such action.

2.10 Certain Commercial Law Representations and Warranties

The Issuer hereby makes the following representations and warranties. Such representations and warranties shall survive until the termination of this Indenture. Such representations and warranties speak of the date that a Lien in the Collateral is granted to the Indenture Trustee and shall not be waived by any of the parties to this Indenture unless the Rating Agency Condition is satisfied.

(a) This Indenture constitutes the grant of a first priority perfected Lien by the Issuer to the Indenture Trustee in the Collateral which, in the case of the existing Collateral and the proceeds thereof, is enforceable upon execution and delivery of this Indenture or, with respect to after-acquired property, as of the date such property is acquired, and which will be enforceable with respect to the Collateral hereafter and thereafter created and the proceeds thereof upon such creation. Upon the filing of the assignments, financing statements and continuation statements (and other documents where applicable) and, in the case of after-acquired Collateral and the proceeds thereof, upon its creation, the Indenture Trustee shall have a first priority perfected Lien in such property and proceeds.

(b) At the time of its grant of any Lien in the Collateral pursuant to this Indenture, the Issuer owned and had good and marketable title to such Collateral free and clear of any Lien of any other Person (other than Permitted Liens).

(c) The Issuer has caused the filing of all appropriate financing statements in the proper filing office in the Province of Ontario under applicable law in order to perfect the Security Interest.

(d) Other than the Security Interest, the Issuer has not pledged, assigned, sold, granted a Lien in, or otherwise conveyed, the Collateral. The Issuer has not authorized the filing of and is not aware of any financing statements against the Issuer that include a description of the Collateral other than any financing statement relating to the Security Interest or that has been terminated. The Issuer is not aware of any judgment or Tax lien filings against the Issuer.

("**CDS**"), to Fair Hydro Trust (the "**Issuer**") or its agent for registration of transfer, exchange or payment, and any Note issued is registered in the name of CDS & Co. or in such other name as is requested by an authorized representative of CDS (and any payment is made to CDS & Co. or to such other entity as is requested by an authorized representative of CDS), any transfer, pledge or other use hereof for value or otherwise by or to any Person is wrongful since the registered owner hereof, CDS & Co., has a property interest in the securities represented by this Note and it is a violation of its rights for another Person to hold, transfer or deal with this Note", and (v) may bear such other legend as the Issuer, upon advice of counsel, deems to be applicable.

(b) Notwithstanding any other provisions of this Section 3.04 or of Section 4.05, and subject to the provisions of paragraph (c) below, unless the terms of a Global Note or the Related Supplemental Indenture expressly permit such Global Note to be exchanged in whole or in part for individual Notes, a Global Note may be transferred, in whole but not in part and in the manner provided in Section 4.05, only to a nominee of the Depository for such Global Note, or to the Depository, or a successor Depository for such Global Note selected or approved by the Issuer, or to a nominee of such successor Depository.

(c) With respect to Notes issued within the United States or Canada, unless otherwise specified in the Related Supplemental Indenture, or with respect to Notes issued outside the United States and Canada, if specified in the Related Supplemental Indenture:

(i) If at any time the Depository for a Global Note notifies the Issuer that it is unwilling or unable to continue as Depository for such Global Note or if at any time the Depository for the Notes for such Class, Series or Tranche ceases to be a clearing agency registered under the Securities Exchange Act, or other applicable statute or regulation, in the case of Notes issued within the United States, or ceases to be a clearing agency registered under the *Securities Act* (Ontario), or other applicable statute or regulation, in the case of Notes issued within Canada, the Issuer will appoint a successor Depository with respect to such Global Note. If a successor Depository for such Global Note is not appointed by the Issuer within 90 days after the Issuer receives such notice or becomes aware of such ineligibility, the Issuer will execute, and the Indenture Trustee or its agent, upon receipt of an Issuer Certificate requesting the authentication and delivery of individual Notes of such Class, Series or Tranche in exchange for such Global Note, will authenticate and deliver, individual Notes of such Class, Series or Tranche of like tenor and terms in definitive form in an aggregate Stated Principal Amount equal to the Stated Principal Amount of the Global Note in exchange for such Global Note.

(ii) The Issuer may at any time and in its sole discretion determine that the Notes of any Class, Series or Tranche or portion thereof issued or issuable in the form of one or more Global Notes will no longer be represented by such Global Note or Global Notes. In such event the Issuer will execute, and the Indenture Trustee, upon receipt of a written request by the Issuer for the authentication and delivery of individual Notes of such Class, Series or Tranche in exchange in whole or in part for such Global Note, will authenticate and deliver individual Notes of such Class, Series or Tranche of like tenor and terms in definitive form in an aggregate Stated Principal Amount equal to the Stated Principal Amount of such Global Note or Global Notes representing such Class, Series or Tranche or portion thereof in exchange for such Global Note or Global Notes.

(iii) If any Event of Default has occurred and is continuing and Noteholders holding more than 50% of the Outstanding Dollar Principal Amount of the Controlling Class Obligations of any Series of Notes held as Global Notes advise the Indenture Trustee and the Depository that Global Notes are no longer in the best interest of the Noteholders of that Series, the holders of those Global Notes may exchange such Notes for individual Notes.

(iv) In any exchange provided for in any of the preceding three paragraphs, the Issuer will execute and the Indenture Trustee or its agent will authenticate and deliver individual Notes in definitive registered form in authorized denominations. Upon the exchange of the entire Stated Principal Amount of a Global Note for individual Notes, such Global Note will be canceled by the Indenture Trustee or its agent. Except as provided in the preceding paragraphs, Notes issued in exchange for a Global Note pursuant to this Section 3.04 will be registered in such names and in such authorized

denominations as the Depository for such Global Note, pursuant to instructions from its direct or indirect participants or otherwise, will instruct the Indenture Trustee or the Note Registrar. The Indenture Trustee or the Note Registrar will deliver such Notes to the Persons in whose names such Notes are so registered.

3.05 Temporary Global Notes and Permanent Global Notes

(a) If specified in the Related Supplemental Indenture for any Series, all or any portion of a Global Note may initially be issued in the form of a single temporary global Bearer Note or Registered Note (the "**Temporary Global Note**"), without interest coupons, in the denomination of the entire aggregate principal amount of such Series and substantially in the form set forth in the exhibit with respect thereto attached to the Related Supplemental Indenture. Any Temporary Global Note shall bear such notations as the Issuer may determine to distinguish them from the Permanent Global Notes. The Temporary Global Note will be authenticated by the Indenture Trustee upon the same conditions, in substantially the same manner and with the same effect as the Notes in definitive form. The Temporary Global Note may be exchanged as described below or in the Related Supplemental Indenture for permanent global Bearer Notes or Registered Notes (the "**Permanent Global Notes**").

(b) Unless otherwise provided in the Related Supplemental Indenture, exchanges of beneficial interests in or security entitlements to Temporary Global Notes for beneficial interests in or security entitlements to Permanent Global Notes will be made as provided in this subsection 3.05(b). The Manager will, upon its determination of the date of completion of the distribution of the Notes of such Series, so advise the Indenture Trustee, the Issuer and the Depository forthwith. Without unnecessary delay, but in any event not prior to the Exchange Date, the Issuer will execute and deliver to the Indenture Trustee (at the office of its designated agent outside the United States in the case of Global Notes in bearer form) Permanent Global Notes in bearer or registered form (as specified in the Related Supplemental Indenture) in an aggregate principal amount equal to the Outstanding Dollar Principal Amount or the Outstanding Currency Specific Dollar Principal Amount of such Series of Notes. Bearer Notes so issued and delivered may have coupons attached. The Temporary Global Note may be exchanged for an equal aggregate principal amount of Permanent Global Notes only on or after the Exchange Date; provided, however, that such Temporary Global Note is accompanied by a certificate dated the Exchange Date or a subsequent date and signed by the beneficial owner as to the portion of such Temporary Global Note held for its account then to be exchanged and a certificate dated the Exchange Date or a subsequent date and signed by the Depository in the form set forth in Exhibit 6-B (or in such other form as may be established pursuant to Section 4.01); and provided further that definitive Bearer Notes shall be delivered in exchange for a portion of a Temporary Global Note only in compliance with the requirements of Section 4.03. A beneficial owner of a Temporary Global Note may instruct the Depository to request an exchange on its behalf on or after the Exchange Date by

delivering to the Depository, a certificate in the form set forth in Exhibit 6-A (or in such other form as may be established pursuant to Section 4.01), dated no earlier than 15 days prior to the Exchange Date, copies of which certificate shall be available from the offices of the Depository. A United States Person may exchange its beneficial interest in or security entitlement to the Temporary Global Note only for an equal aggregate principal amount of Permanent Global Notes in registered form bearing the applicable legend set forth in the form of Registered Note attached to the Related Supplemental Indenture and having a minimum denomination of 500,000 units of the applicable currency, which may be in temporary form if the Issuer so elects. The Issuer may waive the 500,000 minimum denomination requirement if it so elects. Upon any demand for exchange for Permanent Global Notes in accordance with this subsection 3.05(b), the Issuer will cause the Indenture Trustee to authenticate and deliver the Permanent Global Notes to the Noteholder (x) outside the United States, in the case of Bearer Notes and (y) according to the instructions of the Noteholder, in the case of Registered Notes. Upon receipt of the certification of the Depository, the Indenture Trustee will cause the Temporary Global Note to be endorsed in accordance with subsection 3.05(d). Any exchange as provided in this Section 3.05 will be made free of charge to the Noteholders and the beneficial owners of the Temporary Global Note and to the beneficial owners of the Permanent Global Note issued in exchange, except that a Person receiving the Permanent Global Note must bear the cost of insurance, postage, transportation and the like in the event that such Person does not receive such Permanent Global Note in person at the offices of a Depository.

(c) The delivery to the Indenture Trustee by a Depository of any written statement referred to above may be relied upon by the Issuer and the Indenture Trustee as conclusive evidence that a corresponding certification or certifications has or have been delivered to such Foreign Depository pursuant to the terms of this Indenture.

(d) Upon any such exchange of all or a portion of the Temporary Global Note for a Permanent Global Note(s), such Temporary Global Note will be endorsed by or on behalf of the Indenture Trustee to reflect the reduction of its principal amount by an amount equal to the aggregate principal amount of such Permanent Global Note(s). Until so exchanged in full, such Temporary Global Note will in all respects be entitled to the same benefits under this Indenture as Permanent Global Notes authenticated and delivered hereunder except that the beneficial owners of such Temporary Global Note will not be entitled to receive payments of interest on the Notes until they have exchanged their beneficial interests in or security entitlements to such Temporary Global Note for Permanent Global Notes.

3.06 Beneficial Ownership of Global Notes

Until definitive Notes have been issued to the applicable Noteholders pursuant to Section 3.04 or as otherwise specified in any Related Supplemental Indenture:

(a) the Issuer and the Indenture Trustee may deal with the applicable Depository and the Depository's participants for all purposes (including the making of distributions) as the authorized representatives of the respective Note Owners; and

(b) the rights of the respective Note Owners will be exercised only through the Depository and the Depository's participants. Unless and until Notes in definitive form are issued pursuant to Section 3.04, the Depository will make book-entry transfers among the Depository's participants and receive and transmit distributions of principal and interest on the related Notes to such Depository's participants in accordance with the Depository's applicable procedures from time to time.

For purposes of any provision of this Indenture requiring or permitting Actions with the consent of, or at the direction of, Noteholders evidencing a specified percentage of the Outstanding Dollar Principal Amount of Notes, such direction or consent may be given by Note Owners (acting through the Depository and the Depository's participants) owning interests in or security entitlements to Notes evidencing the requisite percentage of principal amount of Notes in accordance with the applicable procedures of the Depository and the Depository's participants.

3.07 Notices to Depository

Whenever any notice or other communication is required to be given to Noteholders with respect to which book-entry Notes have been issued, unless and until Notes in definitive form will have been issued to the related Note Owners, the Indenture Trustee will give all such notices and communications to the applicable Depository.

3.08 CUSIP Numbers

In issuing the Notes, the Issuer may use "CUSIP" numbers (if then generally in use), and, if so, the Indenture Trustee shall use such CUSIP numbers in notices of redemption as a convenience to Noteholders; provided that, subject to Section 9.01, any such notice may state that (a) no representation is made as to the correctness of such CUSIP numbers as printed on the related Notes or as contained in any notice of redemption, (b) reliance may be placed only on the other identification numbers, if any, printed on the Notes and (c) any such redemption shall not be affected by any defect in or omission of such CUSIP numbers. The Issuer will promptly provide the Indenture Trustee with written notice of any change in the CUSIP numbers for any Outstanding Note.

ARTICLE IV
THE NOTES

4.01 General Title, General Limitations, Issuable in Series, Terms of a Series or Tranche of Notes

(a) The aggregate Stated Principal Amount of Notes which may be authenticated and delivered and Outstanding under this Indenture is not limited.

(b) The Notes of any Class may be issued in one or more Series or Tranches.

(c) The Classes of Notes are as set forth in this Indenture. Each Note issued must be part of a Class and Series of Notes for purposes of allocations pursuant to this Indenture and the Related Supplemental Indenture. A Series of Notes is created pursuant to a Supplemental Indenture. A Tranche of Notes is created pursuant to a Supplemental Indenture or pursuant to a Terms Document related to the Supplemental Indenture for the applicable Series.

(d) Each Series of Notes shall be designated in the Related Supplemental Indenture as either Senior Notes, Subordinated Notes or Junior Subordinated Notes. If the Notes of a Series of Notes belong to different Tranches, all Notes of such Series, without regard to the Tranche they are included in, shall be Senior Notes, Subordinated Notes or Junior Subordinated Notes, as applicable to the Series of Notes.

(e) Each Series of Notes may consist of a single Tranche or may be subdivided into multiple Tranches. Notes of a single Series of a Class will belong to different Tranches if they have different terms and conditions. With respect to any Series of Notes, Notes which have identical terms, conditions and Tranche designation will be deemed to be part of a single Tranche of Notes.

(f) Before the initial issuance of Notes of each Series or Tranche, there shall also be established in or pursuant to a Supplemental Indenture or pursuant to a Terms Document related to the applicable Supplemental Indenture, provision for:

(i) the Class of such Series;

(ii) the Series designation;

(iii) the Stated Principal Amount of the Notes;

(iv) whether such Notes are of a particular Tranche of Notes;

(v) the currency or currencies in which such Notes will be denominated and in which payments of principal of, and interest on, such Notes will or may be payable;

(vi) the price or prices at which such Series or Tranche of Notes will be issued;

(vii) the times at which such Series or Tranche of Notes may, pursuant to any optional redemption provisions, be redeemed, and the other terms and provisions of any such redemption;

(viii) the rate per annum at which such Series or Tranche of Notes will bear interest, if any, or the formula or index on which such rate will be determined, including all relevant definitions, and the date from which interest will accrue;

(ix) each Interest Payment Date, each Principal Payment Date and the Principal Payment Default Date for such Series or Tranche of Notes;

(x) the Principal Accumulation Date for such Series of Notes;

(xi) the Principal Accumulation Amounts for such Series of Notes;

(xii) the Initial Dollar Principal Amount or the Initial Currency Specific Dollar Principal Amount of such Notes, and the means for calculating the Outstanding Dollar Principal Amount or the Outstanding Currency Specific Dollar Principal Amount, as applicable, of such Series or Tranche of Notes;

(xiii) whether or not application will be made to list such Series or Tranche of Notes on any securities exchange;

(xiv) any events of default with respect to such Series or Tranche of Notes;

(xv) if such Series or Tranche of Notes will be issued in whole or in part in the form of a Global Note or Global Notes, the terms and conditions, if any, upon which such Global Note or Global Notes may be exchanged in whole or in part for other individual Notes, and the Depository for such Global Note or Global Notes;

(xvi) if such Series or Tranche of Notes will be issued in whole or in part as Registered Notes, Bearer Notes or both, whether such Series or Tranche of Notes are to be issued with or without coupons or both;

(xvii) if such Series or Tranche of Notes are to have the benefit of any Credit Enhancement Agreement or Liquidity Agreement, the terms and provisions of the applicable agreement;

(xviii) the Record Date for any Interest Payment Date or Principal Payment Date of such Series or Tranche of Notes, if different from the last day of the month before the related Interest Payment Date or Principal Payment Date;

(xix) whether and under what conditions, additional amounts will be payable to Noteholders of such Series or Tranche of Notes; and

(xx) any other terms of such Notes as stated in the Related Supplemental Indenture;

all upon such terms as may be determined in or pursuant to the Related Supplemental Indenture.

(g) The Notes of each Class, Series or Tranche will be distinguished from the Notes of each other Class, Series or Tranche in such manner, reasonably satisfactory to the Indenture Trustee, as the Issuer may determine.

(h) Any terms or provisions in respect of the Notes of any Class, Series or Tranche issued under this Indenture may be determined pursuant to this Section 4.01 by

providing in the Related Supplemental Indenture for the method by which such terms or provisions will be determined.

4.02 Denominations

The Notes of each Series or Tranche will be issuable in such denominations and currency as will be provided in the provisions of this Indenture or in or pursuant to the Related Supplemental Indenture. In the absence of any such provisions with respect to the Registered Notes of any Series or Tranche, the Registered Notes of that Series or Tranche will be issued in denominations of 100,000 units of the applicable currency and integral multiples of 1,000. In the absence of any such provisions with respect to the Bearer Notes of any Series or Tranche, the Bearer Notes of that Series or Tranche will be issued in denominations of 1,000, 5,000, 50,000 and 100,000 units of the applicable currency.

4.03 Execution, Authentication and Delivery and Dating

(a) The Notes will be executed on behalf of the Issuer by a Responsible Officer of the Issuer. The signature of any Responsible Officer of the Issuer on the Notes may be manual or facsimile or may be given by other electronic means.

(b) Notes bearing the manual, facsimile or other electronic signatures of individuals who were at any time a Responsible Officer of the Issuer will bind the Issuer, notwithstanding that such individuals or any of them have ceased to hold such offices before the authentication and delivery of such Notes or did not hold such offices at the date of issuance of such Notes.

(c) At any time and from time to time after the execution and delivery of this Indenture, the Issuer may deliver Notes executed by the Issuer to the Indenture Trustee for authentication; and the Indenture Trustee will, upon request by an Issuer Certificate, authenticate and deliver such Notes as provided in this Indenture and not otherwise; provided however, that, in connection with its original issuance, no Bearer Note shall be mailed or otherwise delivered to any location in the United States; and provided further that, unless otherwise specified with respect to any Series or Tranche of Notes pursuant to Section 4.01, a Bearer Note may be delivered in connection with its original issuance only if the Person entitled to receive such Bearer Note shall have furnished a certificate in the form set forth in Exhibit 6-A, dated no earlier than 15 days prior to the earlier of the date on which such Bearer Note is delivered and the date on which any temporary Note first becomes exchangeable for such Bearer Note in accordance with the terms of such temporary Note and this Indenture. If any Note shall be represented by a permanent Bearer Note issued as a Global Note, then, for purposes of this Section, Section 3.05, and Section 4.04, the notation of a beneficial owner's interest therein upon original issuance of such Note or upon exchange of a portion of a temporary Global Note shall be deemed to be delivery in connection with its original issuance of such beneficial owner's interest in such permanent Global Note. Except as permitted by Section 4.06, the Indenture Trustee shall not authenticate and deliver any Bearer

Note unless all appurtenant coupons for interest then matured have been detached and cancelled.

(d) Before any such authentication and delivery, the Indenture Trustee will be entitled to receive, in addition to any Officer's Certificate and Opinion of Counsel required to be furnished to the Indenture Trustee pursuant to Section 1.02, the Issuer Certificate and any other opinion or certificate relating to the issuance of the Series or Tranche of Notes required to be furnished pursuant to Section 3.02 or Article V.

(e) The Indenture Trustee will not be required to authenticate such Notes if the issue thereof will adversely affect the Indenture Trustee's own rights, duties or immunities under the Notes and this Indenture.

(f) Unless otherwise provided in the form of Note for any Series or Tranche, all Notes will be dated the date of their authentication.

(g) No Note will be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Note a Certificate of Authentication executed by the Indenture Trustee by manual signature of an authorized signatory, and such certificate upon any Note will be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder.

4.04 Temporary Notes

(a) Pending the preparation of definitive Notes of any Series or Tranche, the Issuer may execute, and, upon receipt of the documents required by Section 4.03, the Indenture Trustee will authenticate and deliver, temporary Notes which are printed, lithographed, typewritten, mimeographed or otherwise produced, in any authorized denomination, substantially of the tenor of the definitive Notes in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the Issuer may determine, as evidenced by the Issuer's execution of such Notes. Any temporary Note shall bear such notations as the Issuer may determine to distinguish them from the definitive Notes.

(b) If temporary Notes of any Series or Tranche are issued, the Issuer will cause definitive Notes of such Series or Tranche to be prepared without unreasonable delay. After the preparation of definitive Notes, the temporary Notes of such Series or Tranche will be exchangeable for definitive Notes of such Series or Tranche upon surrender of the temporary Notes of such Series or Tranche at the office or agency of the Issuer in a Place of Payment, without charge to the Noteholder; and upon surrender for cancellation of any one or more temporary Notes, the Issuer will execute and the Indenture Trustee will authenticate and deliver in exchange therefor a like Stated Principal Amount of definitive Notes of such Series or Tranche of authorized denominations and of like tenor and terms; provided, however, that no definitive Bearer Note shall be delivered in exchange for a temporary Registered Note; and provided further that a definitive Bearer Note shall be delivered in exchange for a temporary Bearer Note only in compliance with the conditions set

forth in Section 4.03. Until so exchanged, the temporary Notes of such Series or Tranche will in all respects be entitled to the same benefits under this Indenture as definitive Notes of such Series or Tranche.

4.05 Registration, Transfer and Exchange

(a) The Issuer will keep or cause to be kept a register (herein sometimes referred to as the "**Note Register**") in which, subject to such reasonable regulations as it may prescribe, the Issuer will provide for the registration of Registered Notes, or of Registered Notes of a particular Class, Series or Tranche, and for transfers of Registered Notes or of Registered Notes of such Class, Series or Tranche. Any such register will be in written form or in any other form capable of being converted into written form within a reasonable time. At all reasonable times, the information contained in such register or registers will be available for inspection by the Indenture Trustee at the office or agency to be maintained by the Issuer as provided in Section 13.03.

(b) Subject to Section 3.04, upon surrender for transfer of any Registered Note of any Class, Series or Tranche at the office or agency of the Issuer in a Place of Payment, the Issuer will execute, and, upon receipt of such surrendered Note, the Indenture Trustee will authenticate and deliver, in the name of the designated transferee or transferees, one or more new Registered Notes of such Class, Series or Tranche of any authorized denominations, of a like aggregate Stated Principal Amount, Principal Payment Date(s) and Principal Payment Default Date and of like terms.

(c) Subject to Section 3.04, at the option of the Noteholder, Notes of any Class, Series or Tranche may be exchanged for other Notes of such Class, Series or Tranche of any authorized denominations, of a like aggregate Stated Principal Amount, Principal Payment Date(s) and Principal Payment Default Date and of like terms, upon surrender of the Notes to be exchanged at the office or agency of the Issuer in a Place of Payment. Registered Notes, including Registered Notes received in exchange for Bearer Notes, may not be exchanged for Bearer Notes. At the option of the holder of a Bearer Note, subject to applicable laws and regulations, Bearer Notes may be exchanged for other Bearer Notes or Registered Notes (of the same Class, Series and Tranche of Notes) of authorized denominations of like aggregate fractional undivided interests in the Noteholders' interest, upon surrender of the Bearer Notes to be exchanged at an office or agency of the Note Registrar located outside the United States. Each Bearer Note surrendered pursuant to this Section 4.05 will have attached thereto all unmatured coupons; provided, however, that any Bearer Note so surrendered after the close of business on the last day of the month preceding the relevant Interest Payment Date need not have attached the coupon relating to such Interest Payment Date. Whenever any Notes are so surrendered for exchange, the Issuer will execute, and the Indenture Trustee will authenticate and deliver (in the case of Bearer Notes, outside the United States), the Notes which the Noteholders making the exchange are entitled to receive.

(d) All Notes issued upon any transfer or exchange of Notes will be the valid and legally binding obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Notes surrendered upon such transfer or exchange.

(e) Every Note presented or surrendered for transfer or exchange will (if so required by the Issuer or the Indenture Trustee) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Issuer and the Note Registrar duly executed, by the Noteholder or his attorney duly authorized in writing.

(f) Unless otherwise provided in the Note to be transferred or exchanged, no service charge will be made on any Noteholder for any transfer or exchange of Notes, but the Issuer may (unless otherwise provided in such Note) require payment of a sum sufficient to cover any Tax or other governmental charge that may be imposed in connection with any transfer or exchange of Notes before the transfer or exchange will be complete, other than exchanges pursuant to Section 4.04 or Section 11.05 not involving any transfer.

(g) None of the Issuer, the Note Registrar or the Indenture Trustee shall be required (i) to issue, register the transfer of or exchange any Notes of any Class, Series or Tranche during a period beginning at the opening of business 15 days before the day of selection of Notes of such Class, Series or Tranche to be redeemed and ending at the close of business on (A) if Notes of such Class, Series or Tranche are issuable only as Registered Notes, the day of the mailing of the relevant notice of redemption of Registered Notes of such Class, Series or Tranche so selected for redemption or (B) if Notes of the Class, Series or Tranche are issuable as Bearer Notes, the day of the first publication of the relevant notice of redemption or, if Notes of the Class, Series or Tranche are also issuable as Registered Notes and there is no publication, the mailing of the relevant notice of redemption or (ii) to register the transfer or exchange of any Notes or portions thereof so selected for redemption.

(h) Notwithstanding anything herein to the contrary, the exchange of Bearer Notes into Registered Notes shall be subject to applicable laws and regulations in effect at the time of exchange; none of the Issuer, the Indenture Trustee or the Note Registrar shall exchange any Bearer Notes into Registered Notes if it has received an Opinion of Counsel that as a result of such exchanges the Issuer would suffer adverse consequences under the Canadian or United States federal income tax laws and regulations then in effect, or the income tax laws of the jurisdiction of the holder of the Bearer Note, and the Issuer has delivered to the Indenture Trustee an Issuer Certificate directing the Indenture Trustee not to make such exchanges unless and until the Indenture Trustee receives a subsequent Issuer Certificate to the contrary. The Issuer shall deliver copies of such Issuer Certificates to the Note Registrar.

(i) None of the Issuer, the Indenture Trustee, any agent of the Indenture Trustee, any Paying Agent or the Note Registrar will have any responsibility or liability for any

aspect of the records relating to or payments made on account of beneficial ownership of a Global Note or for maintaining, supervising or reviewing any records relating to such beneficial ownership.

(j) The Issuer initially appoints the Indenture Trustee to act as Note Registrar for the Registered Notes on its behalf. The Issuer may at any time and from time to time authorize any Person to act as Note Registrar in place of the Indenture Trustee with respect to any Class, Series or Tranche of Notes issued under this Indenture.

(k) Registration of transfer of Notes containing the following legend or to which the following legend is applicable:

THIS NOTE HAS NOT BEEN AND WILL NOT BE REGISTERED UNDER THE U.S. SECURITIES ACT OF 1933, AS AMENDED (THE "**SECURITIES ACT**"), OR ANY OTHER APPLICABLE U.S. STATE SECURITIES LAWS AND, ACCORDINGLY, MAY NOT BE OFFERED OR SOLD WITHIN THE UNITED STATES OR TO, OR FOR THE ACCOUNT OR BENEFIT OF, U.S. PERSONS EXCEPT IN ACCORDANCE WITH THE TRUST INDENTURE AND THE INDENTURE SUPPLEMENT AND PURSUANT TO AN EXEMPTION FROM REGISTRATION UNDER THE SECURITIES ACT OR PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT.

will be effected only if such transfer is made pursuant to an effective registration statement under the U.S. Securities Act, or is exempt from the registration requirements under the U.S. Securities Act. In the event that registration of a transfer is to be made in reliance upon an exemption from the registration requirements under the U.S. Securities Act other than Rule 144A under the U.S. Securities Act or Rule 903 or Rule 904 of Regulation S under the U.S. Securities Act, the transferor or the transferee will deliver, at its expense, to the Issuer and the Indenture Trustee, an investment letter from the transferee, substantially in a form appended to a Supplemental Indenture authorizing the applicable Series of Notes or such other form as the Issuer may determine, and no registration of transfer will be made until such letter is so delivered.

Notes issued upon registration or transfer of, or Notes issued in exchange for, Notes bearing the legend referred to above will also bear such legend and any other legends required by the Related Supplemental Indenture unless the Issuer, the Indenture Trustee and the Note Registrar receive an Opinion of Counsel, satisfactory to each of them, to the effect that such legend may be removed.

Whenever a Note containing the legend referred to above is presented to the Note Registrar for registration of transfer, the Note Registrar will promptly seek instructions from the Issuer regarding such transfer and will be entitled to receive an Issuer Certificate prior to registering any such transfer. The Issuer hereby agrees to indemnify the Note Registrar and the Indenture Trustee and to hold each of them harmless against any loss, liability or expense incurred without negligence or bad

faith on their part arising out of or in connection with actions taken or omitted by them in relation to any such instructions furnished pursuant to this clause. The Indenture Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture, the Related Supplemental Indenture, or under applicable law with respect to any transfer of any interest in any Note other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

(l) By acquiring a Note, each Noteholder that is a United States Person will be deemed to represent, warrant and covenant that either: (i) it is not acquiring the Note (or any interest therein) with the assets of a Benefit Plan or a governmental, church or non-U.S. plan that is subject to any federal, state, local or other non-U.S. law that is substantially similar to Section 406 of ERISA or Section 4975 of the Internal Revenue Code ("**Similar Law**"); or (ii) (A) the Note is rated at least "BBB-" or its equivalent by a nationally recognized statistical rating agency at the time of purchase or transfer, and (B) the acquisition, holding and disposition of the Note will not give rise to a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Internal Revenue Code or a violation of any Similar Law.

4.06 Mutilated, Destroyed, Lost and Stolen Notes

(a) If (i) any mutilated Note (together, in the case of Bearer Notes, with all unmatured coupons, if any, appertaining thereto) is surrendered to the Indenture Trustee or the Note Registrar, or the Issuer, the Note Registrar or the Indenture Trustee receive evidence to their satisfaction of the destruction, loss or theft of any Note, and (ii) there is delivered to the Issuer, the Note Registrar or the Indenture Trustee such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Issuer, the Note Registrar or the Indenture Trustee that such Note has been acquired by a protected purchaser, the Issuer will execute and upon its request the Indenture Trustee will authenticate and deliver (in the case of Bearer Notes, outside the United States), in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Note, a new Note of like tenor, Class, Series or Tranche, Principal Payment Date(s), Principal Payment Default Date and Stated Principal Amount, bearing a number not contemporaneously Outstanding.

(b) In case any such mutilated, destroyed, lost or stolen Note has become or is about to become due and payable, the Issuer in its discretion may, instead of issuing a new Note, pay such Note.

(c) Upon the issuance of any new Note under this Section 4.06, the Issuer may require the payment of a sum sufficient to cover any Tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Indenture Trustee) connected therewith.

(d) Every new Note issued pursuant to this Section 4.06 in lieu of any destroyed, lost or stolen Note will constitute an original additional contractual obligation of the Issuer, whether or not the destroyed, lost or stolen Note will be at any time enforceable by anyone, and will be entitled to all the benefits of this Indenture equally and proportionately with any and all other Notes of the same Class, Series or Tranche duly issued hereunder.

(e) The provisions of this Section 4.06 are exclusive and will preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes.

4.07 Persons Entitled to Payment

(a) Unless otherwise provided with respect to such Note pursuant to Section 4.01, interest payable on any Registered Note will be paid to the Person in whose name that Note is registered at the close of business on the most recent Record Date and interest payable on any Bearer Note will be paid to the bearer of that Note (or the applicable coupon) outside of the United States.

(b) Subject to clause (a), each Note delivered under this Indenture upon transfer of or in exchange for or in lieu of any other Note will carry the rights to interest accrued or principal accreted and unpaid, and to accrue or accrete, which were carried by such other Note.

(c) Title to any Bearer Note, including any coupons appertaining thereto, shall pass by delivery. The Issuer, the Indenture Trustee, the Manager and any agent of the Issuer, the Indenture Trustee or the Manager may treat the Person who is proved to be the owner of such Note pursuant to subsection 1.04(c) as the owner of such Note for the purpose of receiving payment of principal of and (subject to this Section 4.07) interest on such Note and for all other purposes whatsoever, whether or not such Note be overdue, and none of the Issuer, the Indenture Trustee, the Manager or any agent of the Issuer, the Indenture Trustee or the Manager will be affected by notice to the contrary.

(d) Delivery of a Note to the Paying Agent by the holder of such Note shall, upon payment thereof, be a good discharge to the Issuer of all obligations evidenced by such Note. The Paying Agent shall not be bound to enquire into the title of any such Noteholder, save as ordered by a court of competent jurisdiction or as required by statute, nor shall it be bound to see to the execution of any trust affecting the ownership of any Note or be affected by notice of any equity that may be subsisting in respect thereof.

(e) Any payment of principal or interest on any Note which is due on a day other than a Business Day shall be payable on the next succeeding Business Day without adjustment for interest thereon and such payment shall be deemed to have been made with the same force and effect as if made on the due date.

(f) Upon the Paying Agent's reasonable request therefor, the Issuer will (i) provide the Paying Agent with any information in its possession or (ii) assist the Paying Agent (to the extent necessary and it is commercially reasonable for the Issuer to do so) to obtain information, in each case, to the extent such information is required by the Paying Agent to comply with its tax reporting and withholding obligations under applicable law with respect to payments to be made to Specified Creditors pursuant to this Indenture and the other Program Agreements, unless the Issuer is prohibited from doing so by applicable law or an obligation of confidentiality by which the Issuer is bound.

4.08 Protection of Notes

(a) The Indenture Trustee shall hold in safekeeping the Notes which have not been issued (but which have been delivered to the Indenture Trustee by or on behalf of the Issuer) pending receipt of an Issuer Certificate. The Indenture Trustee shall acknowledge receipt of the Notes so delivered by signing and returning to the Issuer an acknowledgement of receipt of the Notes, such acknowledgement to be in a form satisfactory to the Issuer.

(b) The Indenture Trustee's responsibility for any Notes held in its custody hereunder shall be limited to using the same diligence in physically safeguarding such Notes as it does for its own securities. The Indenture Trustee shall account for the unissued Notes held in its custody whenever so required by the Issuer. If at any time the Indenture Trustee shall discover that any of such Notes have been lost, damaged, destroyed, stolen or misappropriated, it shall promptly advise the Issuer thereof and identify, to the extent practicable, such Notes.

4.09 Additional Issuances of Notes

(a) There are no restrictions on the timing or amount of any additional issuance of Notes of an Outstanding Series or Tranche of Notes, so long as the conditions described in Article V are satisfied. As of the date of any additional issuance of Notes of an Outstanding Series or Tranche of Notes, the Stated Principal Amount and Outstanding Dollar Principal Amount of that Series or Tranche will be increased to reflect the principal amount of the additional Notes. If the additional Notes are a Series or Tranche of Notes that has the benefit of a Derivative Agreement, the Issuer will enter into a Derivative Agreement for the benefit of the additional Notes. In addition, if the additional Notes are a Series or Tranche of Notes that has the benefit of any Credit Enhancement Agreement or Liquidity Agreement, the Issuer will enter into a Credit Enhancement Agreement or Liquidity Agreement, as applicable, for the benefit of the additional Notes.

(b) When issued, the additional Notes of a Series or Tranche will be identical in all respects to the other Outstanding Notes of that Series or Tranche and will be equally and ratably entitled to the benefits of this Indenture and the Related Supplemental Indenture as the other Outstanding Notes of that Series or Tranche without preference, priority or distinction; provided, however, that if such additional Notes

are not fungible with such other Outstanding Notes for United States federal income tax purposes, then such additional Notes shall have a separate ISIN, CUSIP or other identifying number from such other Outstanding Notes.

4.10 Redemption of Notes

(a) Subject to Section 13.24, if the Related Supplemental Indenture for a Series or Tranche of Notes specifies that the Notes of such Series or Tranche will be redeemable, in whole at any time or in part from time to time, such Notes may be redeemed at a redemption price (the "**Redemption Price**") provided for in such Related Supplemental Indenture. In case of any redemption, the provisions of this Section 4.10 shall apply except to the extent provided otherwise in such Related Supplemental Indenture.

(b) The Redemption Price, plus accrued and unpaid interest and other amounts (if any) due thereon to the redemption date, will be payable upon presentation and surrender of the Notes called for redemption at any of the places where the principal of such Series or Tranche of Notes is expressed to be payable and at any other places specified in the notice of redemption.

(c) If less than all the Notes of any Series or Tranche are to be redeemed at one time, the Notes of such Series or Tranche to be redeemed will be selected by the Indenture Trustee on a *pro rata* basis, disregarding fractions, according to the principal amount of Notes registered in the name of each Noteholder, or in such other manner (which may include random selection by computer) as the Indenture Trustee may consider equitable, provided that such selection will be proportionate (to the nearest 1,000 units of the applicable currency). For this purpose, the Indenture Trustee may make, and from time to time amend, regulations with regard to the manner in which such Notes may be called for redemption and regulations so made will be valid and binding upon all Noteholders notwithstanding the fact that, as a result of such regulations, one or more Notes become subject to redemption in part only. Unless the context otherwise requires, the terms "Note" and "Notes" as used in this Section 4.10 will be deemed to include any part of the principal amount of any Note which in accordance with the foregoing provisions has become subject to redemption.

(d) The holder of any Note called for redemption in part only will be entitled to receive, upon surrender of such Note for payment and without expense to such holder, a new Note or Notes of an aggregate principal amount equal to the unredeemed part of the Note so surrendered, and the Issuer will execute and the Indenture Trustee will certify and deliver to such holder such new Note or Notes; provided, however, that, in the case of a Global Note, an appropriate notation may instead be made on such Global Note to decrease the principal amount thereof to an amount equal to the unredeemed portion thereof.

(e) Notice of intention to redeem any Series or Tranche of Notes will be given by the Issuer in the manner provided in Section 15.03 or otherwise in accordance with the procedures of the Depository at least 15 days but not more than 30 days prior to the

date fixed for redemption. Notwithstanding the foregoing, a redemption notice may be delivered more than 30 days prior to the date fixed for redemption if such notice is issued in connection with a satisfaction and discharge of this Indenture with respect to any Series or Tranche of Notes. Every such notice will specify that portion of the principal amount of such Note to be redeemed (provided that no Notes in an aggregate principal amount of 1,000 units of the applicable currency or less will be redeemed in part), the redemption date, the Redemption Price and places of payment, and will state that all interest on the Notes called for redemption will cease to be payable from the redemption date.

(f) Upon notice having been given as provided in Section 4.10(e), the Notes called for redemption or the principal amount to be redeemed of the Notes called for redemption in part, as the case may be, will thereupon become due and payable at the Redemption Price, on the redemption date specified in such notice, in the same manner and with the same effect as if it were the maturity date for such Notes, notwithstanding anything contained in this Indenture or in the Notes to the contrary. From and after such redemption date, if the money necessary to redeem such Notes has been deposited as provided in Section 4.10(h) or 4.10(i) and affidavits or other proof satisfactory to the Indenture Trustee as to the delivery or mailing of such notices have been delivered to it, such Notes will not be considered as Outstanding under this Indenture and interest upon such Notes will cease to accrue after such date.

(g) If any question arises as to whether notice of redemption or deposit of the redemption money has been given or made available as provided above, such question will be decided by the Indenture Trustee, whose decision will be final and binding upon all interested parties.

(h) Except as may otherwise be provided in the Related Supplemental Indenture or in any Series or Tranche of Notes, or as part of a satisfaction and discharge of this Indenture with respect to any Series or Tranche of Notes where payment has been made in accordance with another provision of this Indenture, upon Notes of a Series or Tranche being called for redemption, the Issuer will deposit with the Indenture Trustee immediately available funds no later than 10:00 a.m. on the date fixed for redemption in the relevant notice of redemption (or such later time on such date as is acceptable to the Indenture Trustee), such sums as may be sufficient to pay the Redemption Price of the Notes to be redeemed, plus accrued and unpaid interest and other amounts (if any) due on such Notes to the redemption date, and will pay to the order of the Indenture Trustee the estimated charges and expenses to be incurred in connection with such redemption. From the sums so deposited and upon surrender of such Notes, the Indenture Trustee will pay or cause to be paid to the holders of the Notes called for redemption the principal thereof, interest and other amounts (if any) thereon to which they are entitled on redemption.

(i) Alternatively, in respect of any Global Notes, the Issuer may, at its option, cause the amount payable on redemption to be sent by wire transfer on the day such

redemption payment is due to an account maintained by such Noteholder or any other method acceptable to the Issuer and such Noteholder.

4.11 Purchase of Notes for Cancellation

(a) Provided no Event of Default has occurred and is continuing, the Issuer may purchase or otherwise acquire, at any time and from time to time, all or any of the Outstanding Notes of any Series or Tranche in the market (which will include purchase from or through an investment dealer, participant or a firm holding membership on a recognized stock exchange) or by invitation to tender or by private contract at such prices as it may determine in its sole discretion. The Issuer will deliver to the Indenture Trustee all Notes purchased as aforesaid, when paid, as evidence of such payment.

(b) If, upon an invitation to tender, more Notes of a Series or Tranche are tendered in response to such invitation at the same lowest price than the Issuer is prepared to accept, Notes of the Series or Tranche to be purchased by the Issuer will be selected by the Indenture Trustee on a *pro rata* basis, disregarding fractions, according to the Outstanding Dollar Principal Amount of Notes registered in the name of each Noteholder, or in such other manner as the Indenture Trustee may consider equitable (which may include random selection by computer), from the Notes tendered by each Noteholder which tendered at such lowest price. For this purpose, the Indenture Trustee may make, and from time to time amend, regulations with respect to the manner in which Notes may be so selected and regulations so made will be valid and binding upon all Noteholders, notwithstanding the fact that, as a result thereof, one or more of such Notes becomes subject to purchase in part only. The holder of any Note of which a part only is purchased, will be entitled to receive upon surrender of such Note for payment and without expense to such holder, a new Note or Notes of an aggregate principal amount equal to the unpurchased part of the Note so surrendered and the Indenture Trustee will certify and deliver to such holder a new Note or Notes; provided, however, that, in the case of a Global Note, an appropriate notation may instead be made on such Global Note to decrease the principal amount thereof to an amount equal to the unpurchased portion thereof.

4.12 Cancellation

All Notes surrendered for payment, redemption, repurchase, transfer, conversion or exchange will, if surrendered to any Person other than the Indenture Trustee, be delivered to the Indenture Trustee and will be promptly canceled by it. The Issuer may at any time deliver to the Indenture Trustee for cancellation any Notes previously authenticated and delivered hereunder which the Issuer may have acquired in any manner whatsoever, and all Notes so delivered will be promptly canceled by the Indenture Trustee. No Note will be authenticated in lieu of or in exchange for any Notes canceled as provided in this Section 4.12, except as expressly permitted by this Indenture. The Indenture Trustee will dispose of all canceled Notes in accordance with its customary procedures and will deliver a certificate of such disposition to the Issuer.

(n) in the case of Foreign Currency Notes only, the Issuer shall have appointed one or more Paying Agents in the appropriate countries, if requested by the Indenture Trustee.

For greater certainty, periodic drawdowns under existing Funding Obligation Agreements shall not constitute a new incurrence of Issuer Funding Obligations. However, an increase in the aggregate commitment under an existing Funding Obligation Agreement or the issuance of additional Notes of an Outstanding Series or Tranche of Notes shall constitute a new incurrence of Issuer Funding Obligations.

5.02 No Consent

The Indenture Trustee will not be required to and, except as otherwise provided in any Funding Obligation Agreement, the Issuer will not be required to, provide prior notice to or obtain the consent of any Debtholder or any other Specified Creditor to incur any Issuer Funding Obligations.

The provisions of this Article VI are and are intended solely for the purpose of defining the relative rights of the Debtholders of Senior Funding Obligations, Subordinated Funding

Nothing in this Article VI is intended to or shall impair the obligation of the Issuer, subject to the rights of the Debtholders of Senior Funding Obligations and Derivative Counterparties, to pay the Subordinated Funding Obligations and Junior Subordinated Funding Obligations as and when the same shall become due and payable in accordance herewith, or affect the relative rights of the Debtholders of Subordinated Funding Obligations and Junior Subordinated Funding Obligations, and creditors of the Issuer other than Debtholders of such Senior Funding Obligations and Derivative Counterparties, nor shall anything in this Article VI prevent the Indenture Trustee or such Debtholders from exercising all remedies otherwise permitted by this Indenture, subject to the rights (if any) under this Article VI of Debtholders of Senior Funding Obligations, Derivative Counterparties and the Indenture Trustee on their behalves in respect of any payment or distribution of cash, property or securities of the Issuer received upon the exercise of any such remedy.
