(xxii) Twenty-Second, any amounts remaining: (A) to be held in the Collection Account for distribution in the above order of priority on the succeeding Payment Date (or for distribution prior thereto as permitted or required pursuant to this Indenture); or (B) after the final Issuer Funding Obligation has been paid in full and discharged, and all of the other foregoing amounts are paid in full, together with all amounts due to the Indenture Trustee under Section 9.05 or otherwise, to the Issuer or as the Issuer designates.

(f) Notwithstanding subsections 7.04(b), (c) and (e):

(i) the transfer of any amounts deposited by IESO into the Collection Account on account of the IESO Cash Reserve Deposit Amount to the IESO Cash Reserve Account, and

(ii) the transfer of any amounts deposited into the Collection Account on account of one-time transaction costs and expenses in connection with the incurrence of Issuer Funding Obligations on or within three (3) Business Days of the closing date of such transaction,

shall, in each case, be made by the Paying Agent, based upon the Payment Instruction received from the Manager on the date applicable thereto without reserving for or paying amounts which are senior in priority to such obligation under subsection 7.04(e).

7.05 Allocation of Amounts on Deposit in Interest Accumulation Account

Subject to Section 7.10, on each Interest Payment Date, amounts on deposit in the Interest Accumulation Account will be distributed by the Paying Agent in the order of priority specified below, based upon the Payment Instruction received from the Manager in respect of such Interest Payment Date:

(b) Second, to Debtholders, on a *pro rata* basis, in respect of all interest due and payable on Subordinated Funding Obligations on such Interest Payment Date; provided that no payment of interest on Subordinated Funding Obligations shall be made under this Section 7.05(b) unless, after making such payment the amount remaining on deposit in the Interest Accumulation Account equals or exceeds the amount of accrued and unpaid interest on the Senior Funding Obligations as of such Interest Payment Date;

provided that upon the occurrence and during the continuance of any Event of Default and acceleration of the Issuer Funding Obligations in accordance with Section 8.02, any amounts in the Interest Accumulation Account shall be applied in accordance with Section 8.13.

7.06 Allocation of Amounts on Deposit in Principal Accumulation Account

(a) Subject to Section 7.10, on each Interest Payment Date (after making the applications provided for in Section 7.05), to the extent that any interest which is due and payable on the Senior Funding Obligations, the Subordinated Funding Obligations and the Junior Subordinated Funding Obligations has not been paid, an amount equal to such deficiency shall be withdrawn from the Principal Accumulation Account and applied to the payment of interest due and payable on such Issuer Funding Obligations, provided that if the amount to be applied pursuant to this clause (a) is insufficient to pay all such interest, the application of such amounts shall be made first to Senior Funding Obligations, then to Subordinated Funding Obligations, and finally to Junior Subordinated Funding Obligations, in each case, on a *pro rata* basis.

(b) Subject to Section 7.10, on each Principal Payment Date (after making the applications provided for in subsection 7.06(a)), amounts on deposit in the Principal Accumulation Account will be distributed by the Paying Agent in the order of priority specified below, based upon the Payment Instruction received from the Manager in respect of such Principal Payment Date:

(iv) Fourth, to Debtholders, on a *pro rata* basis, in respect of the aggregate outstanding principal amount of Junior Subordinated Funding Obligations payable on such Principal Payment Date; provided that no payment of principal on Junior Subordinated Funding Obligations shall be made under this subsection 7.06(b)(iv) unless, after making such payment, the amount remaining on deposit in the Principal Accumulation Account equals or

exceeds the sum of the Required Principal Accumulation Amount (Senior) and the Required Principal Accumulation Amount (Subordinated) as of such Principal Payment Date.

(c) Any amounts remaining after making the applications referred to in subsection 7.06(a) and subsection 7.06(b) shall: (i) be held in the Principal Accumulation Account for distribution under this Section 7.06 on the succeeding Interest Payment Date or Principal Payment Date; or (ii) after the final Issuer Funding Obligation has been repaid in full, be transferred to the Collection Account and applied in accordance with subsection 7.04(e).

(d) Notwithstanding the foregoing clauses in this Section 7.06, upon the occurrence and during the continuance of any Event of Default and acceleration of the Issuer Funding Obligations in accordance with Section 8.02, any amounts in the Principal Accumulation Account shall be applied in accordance with Section 8.13.

7.07 Allocation of Amounts on Deposit in IESO Cash Reserve Account

(a) On each Payment Date beginning on the Payment Date in November, 2021, an amount equal to the lesser of (x) the amounts to be paid or transferred pursuant to clauses (i) through (v) of subsection 7.04(e), and (y) the amount, if any, by which the amount on deposit in the IESO Cash Reserve Account exceeds the IESO Cash Reserve Required Amount shall be withdrawn from the IESO Cash Reserve Account and applied to make the payments or transfers described in clauses (i) through (v) of subsection 7.04(e) in the order in which they are to be paid or transferred under Section 7.04(e).

(b) On each Payment Date to the extent that the amount available for distribution under subsection 7.04(e) and the amounts, if any, available pursuant to subsection 7.07(a) is less than the sum of the amounts to be paid or transferred pursuant to clauses (i) through (v) of subsection 7.04(e), an amount equal to such deficiency shall be withdrawn from the IESO Cash Reserve Account and applied to the making of such payments and transfers in the order in which they are to be paid or transferred under subsection 7.04(e).

(c) Upon all funds in the IESO Cash Reserve Account being paid in accordance with clauses (a) and (b), the IESO Cash Reserve Account shall be closed.

7.08 Allocation of Amounts on Deposit in Program Cash Reserve Account

(a) On each Payment Date (after making the applications provided for in Section 7.07 and 7.04(e)), to the extent that the amount on deposit in the Interest Accumulation Account is less than the sum of the Interest Accrual Amount (Senior), the Interest Accrual Amount (Subordinated) and the Interest Accrual Amount (Junior Subordinated), in each case for such Payment Date, an amount equal to such deficiency shall be withdrawn from the Program Cash Reserve Account and deposited into the Interest Accumulation Account.

(b) On each Principal Payment Date (after making the applications provided for in subsection 7.08(a)), amounts on deposit in the Program Cash Reserve Account will be distributed by the Paying Agent in the order of priority specified below, based upon the Payment Instruction received from the Manager in respect of such Principal Payment Date:

(i) First, to the extent that the amount on deposit in the Principal Accumulation Account is less than the amount of principal due and payable on the Warehouse Obligations on such Principal Payment Date, an amount equal to such deficiency shall be applied, on a *pro rata* basis, to the payment of principal due and payable on the Warehouse Obligations on such Principal Payment Date;

(ii) Second, to the extent that the amount on deposit in the Principal Accumulation Account is less than the amount of principal due and payable on the Senior Funding Obligations (other than Warehouse Obligations) on such Principal Payment Date, an amount equal to such deficiency shall be applied, on a *pro rata* basis, to the payment of principal due and payable on the Senior Funding Obligations (other than Warehouse Obligations) on such Principal Payment Date;

(iii) Third, to the extent that the amount available from the Principal Accumulation Account under subsection 7.06(b)(iii) is less than the amount of principal due and payable on the Subordinated Funding Obligations on such Principal Payment Date, an amount equal to such deficiency shall be applied, on a *pro rata* basis, to the payment of principal due and payable on the Subordinated Funding Obligations on such Principal Payment Date; and

(iv) Fourth, to the extent that the amount available from the Principal Accumulation Account under subsection 7.06(b)(iv) is less than the amount of principal due and payable on the Junior Subordinated Funding Obligations on such Principal Payment Date, an amount equal to such deficiency shall be applied, on a *pro rata* basis, to the payment of principal due and payable on the Junior Subordinated Funding Obligations on such Principal Payment Date.

(c) Any amounts remaining after making the applications referred to in subsection 7.08(a) and subsection 7.08(b) shall: (i) be held in the Program Cash Reserve Account for distribution under this Section 7.08 on the succeeding Interest Payment Date or Principal Payment Date; or (ii) after the final Issuer Funding Obligation has been repaid in full, be transferred to the Collection Account and applied in accordance with subsection 7.04(e).

(d) Notwithstanding the foregoing clauses in this Section 7.08, upon the occurrence and during the continuance of any Event of Default and acceleration of the Issuer Funding Obligations in accordance with Section 8.02, any amounts in the Program Cash Reserve Account shall be applied in accordance with Section 8.13.

7.09 Allocation of Amounts on Deposit in Refinancing Account

(a) Subject to the provisions of any applicable Funding Obligation Agreement, not less than 30 days prior to the first day of the Reference Period that includes the Principal Accumulation Date or Principal Payment Date in respect of a Series of Senior Funding Obligations, Subordinated Funding Obligations or Junior Subordinated Funding Obligations, the Issuer shall, if it intends to repay all or a portion of the principal obligations of such Funding Obligation Agreement pursuant to a Refinancing, issue a Refinancing Notice to the Indenture Trustee.

(b) On completion of a Refinancing, all proceeds received by the Issuer shall be deposited to the Refinancing Account.

(c) On each Principal Payment Date, an amount shall be transferred from the Refinancing Account to the Principal Accumulation Account equal to the lesser of:

(i) the amount on deposit in the Refinancing Account; and

(ii) the Deferred Principal Accumulation Amount.

(d) After the final Issuer Funding Obligation has been repaid in full, any amounts remaining in the Refinancing Account shall be deposited to the Collection Account and applied in accordance with subsection 7.04(e).

(e) Notwithstanding the foregoing clauses in this Section 7.09, upon the occurrence and during the continuance of any Event of Default and the acceleration of the Issuer Funding Obligations in accordance with Section 8.02, any amounts in the Refinancing Account shall be applied in accordance with Section 8.13.

7.10 Allocation of Amounts on Deposit in Protection Account

(a) All amounts received by the Issuer from the Province pursuant to the Change of Law Protection Agreement shall be deposited in the Protection Account.

(b) On each Guarantee Payment Date in respect of which the Province makes a payment pursuant to the Change of Law Protection Agreement, the Paying Agent will, prior to making any payments under any other Payment Waterfall, distribute all amounts in the Protection Account solely to satisfy payments in respect of Approved Obligations as set out in the written statement delivered by the Manager to the Province under Section 2.01(a)i. of the Change of Law Protection Agreement in the order of priority the applicable Obligation Secured has under the applicable Payment Waterfall and based upon the Payment Instruction received from the Manager in respect of such Guarantee Payment Date.

(c) Upon the Province paying any amount in respect of an Approved Obligation as contemplated in subsection 7.10(b), the Province shall be subrogated and entitled to each applicable Specified Creditor's rights and interests under and in respect of the Approved Obligation to the extent of payments made to the Specified Creditor

out of the Protection Account and shall be entitled to (i) the right and entitlement to be paid and receive the related Subrogation Amounts and (ii) the benefits of the related Collateral and all proceeds therefrom. The Province shall have and be entitled to enforce all rights and interests under and in respect of such Approved Obligation to the extent of the payment by the Province in respect of the Approved Obligation as an absolute assignee of the applicable Specified Creditor, with effect from and after the time of such payment, without any further requirement for notice to or acceptance by the Issuer of such absolute assignment and without any reduction, set-off or counterclaim on account of any amounts that may, at or after the time of payment, be or become owing by the Specified Creditor to the Issuer and unaffected by any other rights or equities that arise thereafter as between the Specified Creditor and the Issuer. The Indenture Trustee shall recognize the Province as being entitled to all of the rights, interests and entitlements of the relevant Specified Creditor in respect and to the extent of the Approved Obligation so paid, determined as of the time of payment, for all purposes under this Indenture, and the Province shall be treated as a Specified Creditor in respect thereof for all purposes under this Indenture and any other agreement under which the Approved Obligation arises. For greater certainty, the entitlements of the Province in respect of Subrogation Amounts arising in respect of Approved Obligations that are interest and principal obligations on Notes shall be treated for all purposes of this Indenture as interest and principal obligations, respectively, arising under Notes having the same priority as and any applicable voting rights under the related Approved Obligations, and accordingly the Province (and any successor, assignee or transferee of such entitlements) shall be entitled to all of the rights, entitlements, interests and privileges of a holder of such Notes in accordance with this Indenture and the Related Funding Obligation Agreement.

(d) On each Guarantee Payment Date, Payment Date or other day on which any amount is required to be paid in respect of any Obligation Secured, commencing with the first Guarantee Payment Date, the following shall apply:

(i) if such day is a Guarantee Payment Date, then for each Approved Obligation for which amounts are paid from the Protection Account to a Specified Creditor pursuant to subsection 7.10(b), the amount payable to such Specified Creditor under such Approved Obligation shall be reduced by the respective amounts of such payments, and equivalent amounts (each, a "**Subrogation Amount**") shall be payable by the Issuer to the Province in respect of such Approved Obligation, such Subrogation Amounts to be payable in the same order of priority under the applicable Payment Waterfall as the related amounts under the Obligation Secured previously owing to such Specified Creditor.

(ii) if the Province has made all deposits required to be made by it on each Guarantee Payment Date occurring on or before such day in accordance with subsection 7.10(b) (or the related Approved Obligation Amounts have otherwise all been paid in full), then in respect of each Approved Obligation for which any related Subrogation Amounts have not yet been paid in full

to the Province, the Issuer shall pay to the Province from amounts available under the applicable Payment Waterfall in accordance with the priority of payment provisions in such Payment Waterfall the amount that would be payable on such date in satisfaction of the relevant Approved Obligation, as determined without regard to any amounts paid on any Guarantee Payment Date pursuant to subsection 7.10(b) and also without regard to the corresponding reduction of the amounts owing to present and former Specified Creditors pursuant to subsection 7.10(d)(i) up to the amount of the unpaid related Subrogation Amounts.

(e) No Specified Creditor having a right to be paid an amount in respect of an Approved Obligation, and no other Person entitled under an Obligation Secured, in each case that ranks equal with or subordinate to the Approved Obligation in respect of which a Subrogation Amount is payable to the Province under subsection 7.10(d), shall be entitled to make any claim or assert any right in or to the amounts paid or payable to the Province under subsection 7.10(d) (including any right of set-off, offset, reimbursement, contribution or indemnity) and no such Specified Creditor or other Person shall have any right or interest in, to or under the Collateral or any proceeds therefrom in respect of any such Subrogation Amount.

(f) Any amount payable to the Province in respect of a Subrogation Amount shall bear interest from and including the date of payment by the Province of the related amount pursuant to subsection 7.10(b) to but excluding the date of payment of the Subrogation Amount to the Province, such interest to accrue at the rate equivalent to the applicable interest rate borne by the related Approved Obligation, and such interest amounts shall be added to their respective Subrogation Amounts and shall consequently be payable in the same priority as the relevant Subrogation Amount under subsection 7.10(d), all such accruing interest amounts to be calculated and added to the Subrogation Amounts by the Manager in its discretion acting in a commercially reasonable fashion.

(g) On each Guarantee Payment Date and upon demand by the Province, the Indenture Trustee shall release and the Paying Agent shall, upon receipt of a Payment Instruction, pay to the Province free and clear of any Liens any amount remaining on deposit in the Protection Account that has not been applied to pay Specified Creditors on the Guarantee Payment Date in accordance with subsection 7.10(b) or that otherwise remains on deposit in the Protection Account on the relevant date.

(h) In preparing any Payment Instructions, the Manager shall reflect the amounts payable under Section 2.01(a) of the Change of Law Protection Agreement, if applicable.

7.11 Allocation of Amounts on Deposit in Series Accounts

If, after giving effect to payments made on any Payment Date, the amount in the Collection Account is insufficient to satisfy all amounts required to be paid to Specified Creditors on such date, amounts on deposit in any Series Account may be withdrawn from such Series Account and

allocated to Specified Creditors in accordance with the terms of the Related Funding Obligation Agreement.

7.12 Payments to be Held in Trust

If, notwithstanding the Payment Waterfalls, any payment on Obligations Secured shall be received at any time by any Specified Creditor, other than in accordance with this Indenture, then the funds received in respect of such payment shall be held by such Specified Creditor in trust for the Issuer and the other Specified Creditors and such Specified Creditor shall forthwith remit to the Indenture Trustee such funds.

7.13 Application of Trust Money

All money and obligations deposited with the Indenture Trustee pursuant to this Article VII and all money received by the Indenture Trustee in respect of such obligations will be held in trust and applied by it, in accordance with the provisions of the Program Agreements in respect of which it was deposited and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer acting as its own Paying Agent) as the Indenture Trustee, at the direction of the Manager, may determine, to the Persons entitled thereto, of the principal, interest, fees and other amounts for whose payment that money and obligations have been deposited with or received by the Indenture Trustee. Money held by the Indenture Trustee in trust hereunder need not be segregated from other funds except to the extent required by this Indenture or by applicable law. The Indenture Trustee will be under no liability for interest on any money received by it hereunder except as otherwise agreed with the Issuer.

ARTICLE VIII
EVENTS OF DEFAULT AND REMEDIES

8.01 Events of Default

"**Event of Default**," wherever used herein, means any one of the following events (whatever the reason for such Event of Default and whether it will be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any Governmental Authority):

(a) a default by the Issuer in the payment of any interest on any Controlling Class Obligations when such interest becomes due and payable, and continuance of such default for a period of five (5) days following the date on which such interest became due and payable;

(b) a default by the Issuer in the payment of any principal of any Controlling Class Obligations at its Principal Payment Default Date;

(c) any representation or warranty contained in Section 12.01 proves to be incorrect in any material respect when made and such incorrect representation or warranty if capable of being remedied by the Issuer, has not been remedied for a period of 60 days after notice thereof has been given, by registered or certified mail, to the Issuer by the Indenture Trustee or to the Issuer and the Indenture Trustee by

Controlling Class Creditors holding at least 25% of the Outstanding Dollar Principal Amount of all Controlling Class Obligations, a written notice specifying such default or breach and requesting it to be remedied and stating that such notice is a "Notice of Default" hereunder and, as a result of such default, the interests of such Controlling Class Creditors are materially and adversely affected and continue to be materially and adversely affected during the 60-day period;

(d) a default in the performance, or breach, of any covenant of the Issuer in this Indenture in respect of any Controlling Class Obligations (other than an agreement, covenant or warranty a default in the performance of which or the breach of which is elsewhere specifically dealt with in this Section 8.01), all of such covenants in this Indenture which are not expressly stated to be for the benefit of a particular Series of Issuer Funding Obligations being deemed to be in respect of all Series of Issuer Funding Obligations for this purpose, and continuance of such default or breach for a period of 60 days after notice thereof has been given, by registered or certified mail, to the Issuer by the Indenture Trustee or to the Issuer and the Indenture Trustee by Controlling Class Creditors holding at least 25% of the Outstanding Dollar Principal Amount of all Controlling Class Obligations, a written notice specifying such default or breach and requesting it to be remedied and stating that such notice is a "Notice of Default" hereunder and, as a result of such default, the interests of such Controlling Class Creditors are materially and adversely affected and continue to be materially and adversely affected during the 60-day period;

(e) the Issuer fails to maintain its existence or its status as a Financing Entity or an Insolvency Event occurs in respect of the Issuer;

(f) the Change of Law Protection Agreement ceases to be in full force and effect against the Province, or the validity of the Change of Law Protection Agreement or the applicability thereof to the Province or to any Controlling Class Obligations or any other obligations purported to be secured thereby or any material part thereof shall be disaffirmed in writing by or on behalf of the Province;

(g) an Acceleration Event has occurred; provided that Controlling Class Creditors holding at least 25% of the Outstanding Dollar Principal Amount of all Controlling Class Obligations have given, by registered or certified mail, notice to the Issuer and the Indenture Trustee specifying such default and stating that such notice is a "Notice of Default" hereunder;

(h) a default in the performance or breach by the Issuer of its covenant in Section 13.11 and the continuance of such default or breach for a period of three (3) Business Days after notice thereof has been given to the Issuer by the Indenture Trustee;

(i) at any time, the amounts, if any, withdrawn from the Program Cash Reserve Account pursuant to Section 7.08(a) prior to such time, exceeds the aggregate of (x) an amount equal to 0.50% of the largest Outstanding Dollar Principal Amount of all Senior Funding Obligations, Subordinated Funding Obligations and Junior

Subordinated Funding Obligations at any time on or before such time, plus (y) the sum of all amounts deposited to the Program Cash Reserve Account pursuant to Section 7.04(e)(xiii) prior to such time; or

(j) a Servicer Default shall occur.

If Controlling Class Obligations constituting 25% or more of the Outstanding Dollar Principal Amount of all Controlling Class Obligations have been accelerated in accordance with the Related Funding Obligation Agreements, the threshold required to declare an Event of Default described in clause (c), (d) or (g) shall be deemed to have been met and no vote of Controlling Class Creditors to declare an Event of Default shall be required. For greater certainty, failure to pay amounts owing pursuant to a Derivative Agreement shall not constitute grounds for an Event of Default.

8.02 Acceleration of Maturity; Rescission and Annulment

(a) If an Event of Default (other than an Event of Default described in clause (e) or (f) of Section 8.01) occurs and is continuing, then and in each and every such case, unless the principal of all the Controlling Class Obligations shall have already become due and payable, either the Indenture Trustee or Controlling Class Creditors holding not less than 50% of the Outstanding Dollar Principal Amount of all Controlling Class Obligations (treated as one class), by notice in writing to the Issuer (and to the Indenture Trustee if given by such Controlling Class Creditors), may declare the Outstanding Dollar Principal Amount of all Issuer Funding Obligations (other than Derivative Funding Obligations) and all interest accrued or principal accreted and unpaid (if any) thereon to be due and payable immediately, and upon any such declaration the same will become and will be immediately due and payable, notwithstanding anything in this Indenture or any Funding Obligation Agreement to the contrary. In any vote to determine whether the requisite number of Controlling Class Creditors have agreed to accelerate the Issuer Funding Obligations pursuant to this subsection 8.02(a), Controlling Class Creditors whose Controlling Class Obligations have been accelerated in accordance with the Related Funding Obligation Agreements shall be deemed to have voted in favour of acceleration to the extent of the Outstanding Dollar Principal Amount of those Controlling Class Obligations which have been accelerated. If Controlling Class Obligations constituting 50% or more of the Outstanding Dollar Principal Amount of all Controlling Class Obligations have been accelerated in accordance with the Related Funding Obligation Agreements, no vote of Controlling Class Creditors to accelerate the Issuer Funding Obligations shall be required and all remaining Issuer Funding Obligations (other than Derivative Funding Obligations) will become and will be immediately due and payable, notwithstanding anything in this Indenture or any Funding Obligation Agreement to the contrary.

(b) If an Event of Default described in clause (e) or (f) of Section 8.01 occurs and is continuing, then all Issuer Funding Obligations (other than Derivative Funding Obligations) will automatically be and become immediately due and payable by the Issuer, without notice or demand to any Person, and the Issuer will automatically and immediately be obligated to pay off the Issuer Funding Obligations.

(c) At any time after such a declaration of acceleration has been made or an automatic acceleration has occurred with respect to the Issuer Funding Obligations (other than Derivative Funding Obligations) and before a judgment or decree for payment of the money due has been obtained by the Indenture Trustee as hereinafter provided in this Article VIII, Controlling Class Creditors may, by Extraordinary Resolution, rescind and annul such declaration and its consequences if:

(i) the Issuer has paid or deposited with the Indenture Trustee a sum sufficient to pay (A) all overdue installments of interest on the Controlling Class Obligations, (B) the principal of any Controlling Class Obligations which have become due otherwise than by such declaration of acceleration, and interest thereon at the rate or rates prescribed therefor by the terms of the Related Funding Obligation Agreements, to the extent that payment of such interest is lawful, (C) interest upon overdue installments of interest at the rate or rates prescribed therefor by the terms of the Related Funding Obligation Agreements, to the extent that payment of such interest is lawful, and (D) all sums paid by the Indenture Trustee hereunder and the reasonable compensation, expenses and disbursements of the Indenture Trustee, its agents and counsel and all other amounts due to the Indenture Trustee under Section 9.05; and

(ii) all Events of Default, other than the nonpayment of the principal of the Controlling Class Obligations which has become due solely by such acceleration, have been cured or waived as provided in Section 8.03.

(d) If, at any time, any Event of Default capable of being remedied has been remedied by the Issuer to the satisfaction of the Indenture Trustee: (i) the Security Interest will no longer be or be deemed to be enforceable by reason of such Event of Default; (ii) any rights which had become vested in the Indenture Trustee by virtue thereof will be and be deemed to be cancelled as fully and to the same extent as though no such Event of Default had occurred; and (iii) the Indenture Trustee will, or will instruct any receiver appointed pursuant to this Indenture to restore to the Issuer any Collateral in the possession of the Indenture Trustee or receiver, as the case may be.

(e) No such rescission will affect any subsequent Default or impair any right consequent thereon, nor will any such rescission apply to any event of default applicable solely to any Series or Tranche of Issuer Funding Obligations and contained in any Related Funding Obligation Agreement.

8.03 Waiver of Past Defaults

Subject to Section 8.02(c), Controlling Class Creditors may, by Ordinary Resolution, waive any past Default hereunder and its consequences, provided that the Rating Agency Condition in respect of each Series or Tranche of the Controlling Class Obligations has been satisfied. Upon any such waiver, such Default will cease to exist, and any Event of Default arising

therefrom will be deemed to have been cured, for every purpose of this Indenture; but no such waiver will extend to any subsequent or other Default or impair any right consequent thereon.

8.04 Notice of Defaults

(a) Within 90 days after the occurrence of any Default, Event of Default or Acceleration Event of which the Indenture Trustee has received written notice:

(i) the Indenture Trustee will transmit by mail to all Registered Noteholders, as their names and addresses appear in the Note Register, notice of such Default, Event of Default or Acceleration Event;

(ii) the Indenture Trustee will notify all holders of Bearer Notes by publication of notice of such Default, Event of Default or Acceleration Event in an Authorized Newspaper, or as otherwise provided in the Related Supplemental Indenture;

(iii) the Indenture Trustee will give prompt written notification of such Default, Event of Default or Acceleration Event to those Lenders and other Specified Creditors that are included on the Specified Creditor list provided by the Issuer pursuant to subsection 13.13(b); and

(iv) the Indenture Trustee will give prompt written notification of such Default, Event of Default or Acceleration Event to the Rating Agencies;

provided, however, that (A) the Indenture Trustee shall not be liable for failing to distribute any written notice pursuant to this Section 8.04 to any party that is at the time of delivery a Specified Creditor but is not on the list of Specified Creditors held by the Indenture Trustee pursuant to subsection 9.14(a), and (B) except in the case of a default in the payment of the principal of or interest on any Issuer Funding Obligation, the Indenture Trustee will be protected in withholding such notice if and so long as a Responsible Officer of the Indenture Trustee in good faith determines that the withholding of such notice is in the interests of Debtholders.

(b) When notice of the occurrence of a Default, Event of Default or Acceleration Event has been given and the Default, Event of Default or Acceleration Event is thereafter cured, notice that the Default, Event of Default or Acceleration Event is no longer continuing shall be given by the Indenture Trustee to Persons to whom notice was sent pursuant to subsection 8.04(a) within a reasonable time, but not exceeding 30 days in any event, after the Indenture Trustee receives notice from the applicable Debtholders that the Default, Event of Default or Acceleration Event has been cured.

8.05 Remedies Generally

Subject to subsections 8.02(c) and (d) and Section 8.03, if the Controlling Class Obligations become due and payable pursuant to Section 8.02 and the Issuer has failed to pay such Controlling Class Obligations, the Indenture Trustee (subject, however, to compliance with the

provisions of Section 9.02(d) with respect to the giving of indemnity and funds) may proceed to realize upon the Security Interest and to enforce the rights of the Indenture Trustee and of the Specified Creditors to whom Obligations Secured are owed by (i) application to any court of competent jurisdiction for an order of sequestration and payment of amounts in respect of clean energy adjustments, collections or remittances in accordance with the Act, (ii) possession of the Collateral, (iii) appointment of a receiver with respect to the Collateral, (iv) proceedings in any court of competent jurisdiction for the appointment of a receiver or for sale of the Collateral or any part thereof, or for foreclosure, (v) subject to Section 10.02, exercise any of the rights of the Issuer under any of the Program Agreements, including the right to replace the Manager or the Servicer in accordance with Section 8.10, or (vi) any other action, suit, remedy or proceeding authorized or permitted by this Indenture or by applicable law or by equity.

8.06 Default Interest and Expenses

The Issuer covenants that if:

(a) the Issuer defaults in the payment of interest on any Series of Controlling Class Obligations when such interest becomes due and payable and such default continues for a period of five (5) days following the Interest Payment Date on which such interest became due and payable, or

(b) the Issuer defaults in the payment of the principal amount of any Series of Controlling Class Obligations on the Principal Payment Default Date thereof;

the Issuer will, upon demand of the Indenture Trustee, pay (subject to the allocation provided in Article VII and this Article VIII and any Related Funding Obligation Agreement) to the Indenture Trustee, for the benefit of the Debtholders of any such Issuer Funding Obligations, the whole amount then due and payable on any such Issuer Funding Obligations for principal and interest, with interest, to the extent that payment of such interest will be legally enforceable, upon the overdue principal and upon overdue installments of interest, (i) in the case of interest-bearing Issuer Funding Obligations, at the rate of interest applicable to the principal amount thereof, unless otherwise specified in the Related Funding Obligation Agreement; and (ii) in the case of Discount Notes, as specified in the Related Supplemental Indenture, and in addition thereto, will pay such further amount as will be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Indenture Trustee, its agents and counsel and all other amounts due to the Indenture Trustee under Section 9.05.

If the Issuer fails to pay such amounts forthwith upon such demand, the Indenture Trustee may, if the Issuer Funding Obligations have been accelerated in accordance with Section 8.02, take immediate steps to enforce the Security Interest, including instituting, in its own name and as trustee of an express trust, a judicial proceeding seeking the appointment of a receiver or a judicial proceeding for the collection of the sums so due and unpaid, and may directly prosecute such proceeding to judgment or final decree, and the Indenture Trustee may enforce the same against the Issuer and collect the money adjudged or decreed to be payable in the manner provided by applicable law out of the Collateral, wherever situated.

8.07 Indenture Trustee May File Proofs of Claim

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy or other similar proceeding relative to the Issuer or the property of the Issuer, the Indenture Trustee (irrespective of whether the principal of the Issuer Funding Obligations will then be due and payable as therein expressed or by declaration or otherwise) will be entitled and empowered by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of principal, interest, fees and other amounts owing and unpaid in respect of the Issuer Funding Obligations and to file such other papers or documents as may be necessary and advisable in order to have the claims of the Indenture Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Indenture Trustee, its agents and counsel and all other amounts due to the Indenture Trustee under Section 9.05) and of the Debtholders allowed in such judicial proceeding, and

(b) to collect and receive any funds or other property payable or deliverable on any such claims and to distribute the same;

and any receiver, assignee, trustee, liquidator or other similar official in any such proceeding is hereby authorized by each Specified Creditor to make such payment to the Indenture Trustee, and in the event that the Indenture Trustee will consent to the making of such payments directly to the Specified Creditors, to pay to the Indenture Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Indenture Trustee, its agents and counsel, and any other amounts due to the Indenture Trustee under Section 9.05.

8.08 Indenture Trustee May Enforce Claims Without Possession of Notes

All rights of action and claims under this Indenture or the Notes of any Class, Series or Tranche may be prosecuted and enforced by the Indenture Trustee without the possession of any of the Notes of such Class, Series or Tranche or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Indenture Trustee will be brought in its own name as trustee of an express trust.

8.09 Indenture Trustee May Elect to Hold the Collateral

Following an acceleration of Issuer Funding Obligations in accordance with Section 8.02, the Indenture Trustee may elect to continue to hold the Collateral and apply distributions on the Collateral in accordance with the distribution provisions of Section 8.13.

8.10 Termination by Indenture Trustee of Manager and Servicer

Upon the occurrence and during the continuance of an Event of Default, the Indenture Trustee shall have the right to (and, upon receipt of an Extraordinary Resolution to that effect, shall) terminate the appointment of the then existing Manager under the Management Agreement and/or the Servicer under the Master Transfer and Servicing Agreement, and appoint new Persons under such agreements in accordance with such direction, provided that the Issuer shall have the

right to reinstate any appointee under such agreements at such time as the Event of Default is no longer continuing.

8.11 Control by Controlling Class Creditors

(a) Subject to Section 10.02(b), Controlling Class Creditors will, by Ordinary Resolution, have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Indenture Trustee, or exercising any trust or power conferred on the Indenture Trustee with respect to all Issuer Funding Obligations, provided that:

(i) the Indenture Trustee will have the right to decline to follow any such direction if the Indenture Trustee, being advised by counsel, determines that the action so directed may not lawfully be taken or would conflict with this Indenture, or if the Indenture Trustee in good faith determines that the proceedings so directed would involve it in personal liability or be unjustly prejudicial to the Controlling Class Creditors not taking part in such direction; and

(ii) the Indenture Trustee may take any other action permitted hereunder deemed proper by the Indenture Trustee which is not inconsistent with such direction.

(b) For greater certainty, Specified Creditors other than Debtholders shall not and do not have any right to direct the time, method and place of conducting any proceeding for any remedy available to the Indenture Trustee, or exercising any trust or power conferred on the Indenture Trustee. Specified Creditors other than Debtholders shall only have the right to receive proceeds following an Event of Default in the manner provided for in Section 8.13.

8.12 Limitation on Suits

To the fullest extent permitted by applicable law, no Specified Creditor will have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee or similar official, or for any other remedy hereunder, unless:

(a) the Issuer or a Controlling Class Creditor has previously given written notice to the Indenture Trustee of a continuing Event of Default;

(b) Controlling Class Creditors, by way of Ordinary Resolution, have made written request to the Indenture Trustee to institute proceedings in respect of such Event of Default in the name of the Indenture Trustee hereunder;

(c) such Controlling Class Creditors have offered to the Indenture Trustee (when so requested by the Indenture Trustee) indemnity reasonably satisfactory to it against the costs, expenses and liabilities to be incurred in compliance with such request; and

(d) the Indenture Trustee, for 60 days after the Indenture Trustee has received such notice, request and offer of indemnity has failed to institute any such proceeding;

it being understood and intended that no one or more Specified Creditors will have any right in any manner whatsoever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Specified Creditor, or to obtain or to seek to obtain priority or preference over any other Specified Creditor or to enforce any right under this Indenture, except in the manner herein provided and for the benefit of all Specified Creditors. If the above conditions have been met, a Controlling Class Creditor may exercise such rights in accordance with this Indenture.

8.13 Application of Money Following an Event of Default

Subject to the following paragraph and to Section 7.10, upon the occurrence and during the continuance of an Event of Default which has been accelerated in accordance with Section 8.02, any money or other property standing in each Issuer Account or otherwise received by the Indenture Trustee pursuant to this Article VIII will be applied in the order of priority specified in this Section 8.13, *pro rata* in proportion to the claims represented by each subclause, except as otherwise specifically provided below:

(a) First, to the payment or remittance of all Taxes exigible for which a Governmental Authority is given priority over the Specified Creditors under the laws of the applicable jurisdiction;

(b) Second, to the Indenture Trustee and the Issuer Trustee in respect of the amount of fees, expenses and reimbursements owing;

(c) Third, *pari passu*, (A) to Debtholders, on a *pro rata* basis, in respect of all interest accrued and unpaid, if any, and fees and other amounts (other than principal) due and payable on the Senior Funding Obligations, and (B) to Derivative Counterparties, on a *pro rata* basis, all Derivative Funding Obligations payable other than Termination Payments;

(d) Fourth, to Debtholders, on a *pro rata* basis, in respect of all interest accrued and unpaid, if any, and fees and other amounts (other than principal) due and payable on the Subordinated Funding Obligations;

(e) Fifth, to Debtholders, on a *pro rata* basis, in respect of all interest accrued and unpaid, if any, and fees and other amounts (other than principal) due and payable on the Junior Subordinated Funding Obligations;

(f) Sixth, to Debtholders, on a *pro rata* basis, in respect of the aggregate outstanding principal amount of the Warehouse Obligations until such amount has been paid in full;

(g) Seventh, *pari passu*, (A) to Debtholders, on a *pro rata* basis, in respect of the aggregate outstanding principal amount of the Senior Funding Obligations (other than Warehouse Obligations) until such amount has been paid in full, and (B) to

Derivative Counterparties, on a *pro rata* basis, any Termination Payment where the Derivative Counterparty is not the Defaulting Party or the sole Affected Party;

(h) Eighth, to the Manager in respect of all fees, expenses and reimbursement amounts owing;

(i) Ninth, to Debtholders, on a *pro rata* basis, in respect of the aggregate outstanding principal amount of the Subordinated Funding Obligations until such amount has been paid in full;

(j) Tenth, to Debtholders, on a *pro rata* basis, in respect of the aggregate outstanding principal amount of the Junior Subordinated Funding Obligations until such amount has been paid in full;

(k) Eleventh, to each Derivative Counterparty, on a *pro rata* basis, any Termination Payment where the Derivative Counterparty is the Defaulting Party or the sole Affected Party;

(l) Twelfth, to the Manager in respect of all indemnity amounts owing;

(m) Thirteenth, *pari passu* (i) to the payment or remittance of all Taxes exigible and not previously paid pursuant to clause (a); and (ii) to all other Specified Creditors not specifically referred to in this Section 8.13; in each case, including for each referenced party in subclauses (i) and (ii), any amounts payable to their respective Affiliates under the terms of any relevant indemnity; and

(n) Fourteenth, to the Issuer or as the Issuer otherwise directs.

Notwithstanding the foregoing, amounts on deposit in a Series Account established solely for the benefit of one or more Series of Issuer Funding Obligations shall first be used to satisfy all obligations owing to those Debtholders or Derivative Counterparties for whom such Series Account was established. If any amounts remain following such application, such amounts shall constitute Available Collections and shall be applied in accordance with the priorities set out above. In addition, amounts on deposit in the Protection Account shall only be used to satisfy the obligations for which such amounts were deposited.

8.14 Limited Recourse

(a) Notwithstanding any other provision of this Indenture to the contrary, the obligation to pay principal of or interest on any Issuer Funding Obligation or any other amount payable to any Specified Creditor will be without recourse to the Indenture Trustee, the Issuer Trustee, the Manager or any Affiliate, officer, employee, member or director of any of them, and the satisfaction of the obligation of the Issuer to pay principal of or interest on any Issuer Funding Obligation or any other amount payable to any Specified Creditor will be subject to the allocation and payment provisions of this Indenture and any Related Funding Obligation Agreement, and limited to amounts available from the Collateral.

(b) No recourse may be taken, directly or indirectly, with respect to the obligations of the Issuer under the Issuer Funding Obligations or under this Indenture, or any certificate or other writing delivered in connection herewith or therewith, against (i) the Issuer Trustee in its individual capacity, (ii) any owner of a unit in the Issuer or (iii) any partner, owner, beneficiary, agent, officer, director, employee or agent of the Issuer Trustee in its individual capacity, any holder of a unit in the Issuer or the Issuer Trustee or of any successor or assign of the Issuer Trustee in its individual capacity, except as any such Person may have expressly agreed (it being understood that the Issuer Trustee has no such obligations in its individual capacity).

(c) Under no circumstances shall the Manager or any of its Affiliates be deemed an obligor or guarantor or otherwise deemed to be responsible for payment from its own funds of principal, interest, dividends or other amounts due on the Collateral, the Issuer Funding Obligations or any other Obligations Secured.

8.15 Restoration of Rights and Remedies

If the Indenture Trustee or any Controlling Class Creditor (to the extent and in the manner provided for in Section 8.12) has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, then and in every such case the Issuer, the Indenture Trustee and the Specified Creditors will, subject to any determination in such proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Indenture Trustee and the Specified Creditors will continue as though no such proceeding had been instituted.

8.16 Rights and Remedies Cumulative

No right or remedy herein conferred upon or reserved to the Indenture Trustee or to the Specified Creditors is intended to be exclusive of any other right or remedy, and every right and remedy will, to the extent permitted by applicable law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, will not prevent the concurrent assertion or employment of any other appropriate right or remedy.

8.17 Delay or Omission Not Waiver

No delay or omission of the Indenture Trustee or of any Controlling Class Creditor to exercise any right or remedy accruing upon any Event of Default will impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article VIII or by applicable law to the Indenture Trustee or to the Controlling Class Creditors may be exercised from time to time, and as often as may be deemed expedient, by the Indenture Trustee or by the Controlling Class Creditors, as the case may be.

8.18 Waiver of Stay or Extension Laws

The Issuer covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect

the covenants or the performance of this Indenture; and the Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Indenture Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

8.19 Indenture Trustee Appointed Attorney

The Issuer irrevocably constitutes and appoints the Indenture Trustee and any officer or employee thereof, with full power of substitution, as its true and lawful attorney coupled with an interest with full power and authority in the name of the Issuer or in its own name, in its discretion, upon the occurrence and during the continuance of any Event of Default and acceleration in accordance with Section 8.02, for the purpose of carrying out the terms of this Indenture to take all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes hereof, and without limiting the generality of the foregoing, hereby gives the Indenture Trustee the power and right on behalf of the Issuer, without notice to or assent by the Issuer, to the extent permitted by applicable law, to do the following:

(a) to ask for, demand, sue for, collect and receive all and any monies due or becoming due with respect to the Collateral;

(b) to receive, take, endorse, assign and deliver any and all cheques, notes, drafts, acceptances, documents and other negotiable and non-negotiable instruments, documents and chattel paper taken or received by the Indenture Trustee in connection therewith and herewith; and

(c) to commence, file, prosecute, defend, settle, compromise or adjust any claim, suit, action or proceeding with respect to the Collateral.

8.20 Disclaimer of Marshalling

In the event that the Security Interest shall become enforceable and the Indenture Trustee shall have determined or become bound to enforce the same, the Issuer covenants not to invoke the doctrine of marshalling or any other equitable principle for the purpose of requiring the Indenture Trustee to realize or to have realized on any particular asset forming part of the Collateral.

ARTICLE IX
THE INDENTURE TRUSTEE

9.01 Certain Duties and Responsibilities

(a) The Indenture Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture with respect to the Obligations Secured, and no implied covenants or obligations will be read into this Indenture against the Indenture Trustee.

(b) In the exercise of the rights and duties prescribed or conferred by the terms of this Indenture, the Indenture Trustee will act honestly and in good faith with a view to the best interests of the Debtholders as a whole and exercise that degree of care, diligence and skill that a reasonably prudent trustee would exercise in comparable circumstances. When all Issuer Funding Obligations have been satisfied and discharged in accordance with Section 2.08(b), the Indenture Trustee shall no longer act as Indenture Trustee under this Indenture and shall have no fiduciary responsibilities to any remaining Specified Creditors. From and after such time, the Indenture Trustee shall act only as the security agent for those Specified Creditors.

(c) In the absence of bad faith on its part, the Indenture Trustee may, with respect to any Obligations Secured, conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Indenture Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Indenture Trustee, the Indenture Trustee will be under a duty to examine the same to determine whether or not they substantially conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of any mathematical calculations or other facts stated therein).

(d) No provision of this Indenture will be construed to relieve the Indenture Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this clause (d) will not be construed to limit the effect of subsection 9.01(a);

(ii) the Indenture Trustee will not be liable for any error of judgment made in good faith, unless it will be proved that the Indenture Trustee was negligent in ascertaining the pertinent facts;

(iii) the Indenture Trustee will not be liable with respect to any action taken or omitted to be taken by it in good faith if so directed by Extraordinary Resolution, relating to the time, method and place of conducting any proceeding for any remedy available to the Indenture Trustee, or exercising any trust or power conferred upon the Indenture Trustee, under this Indenture with respect to the Obligations Secured; and

(iv) no provision of this Indenture will require the Indenture Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers.

(e) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Indenture Trustee will be subject to the provisions of this Section 9.01.

9.02 Certain Rights of Indenture Trustee

Except as otherwise provided in Section 9.01:

(a) the Indenture Trustee may conclusively rely and will be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or document (whether in its original, facsimile or other electronic form) believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) whenever in the administration of this Indenture the Indenture Trustee will deem it desirable that a matter be proved or established before taking, suffering or omitting any action hereunder, the Indenture Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's Certificate;

(c) the Indenture Trustee may consult with counsel of its own selection and the advice of such counsel or any Opinion of Counsel will be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(d) the Indenture Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Controlling Class Creditors pursuant to this Indenture, unless such Controlling Class Creditors shall have offered to the Indenture Trustee security or indemnity reasonably satisfactory to it against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

(e) the Indenture Trustee will not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or document, but the Indenture Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Indenture Trustee will determine to make such further inquiry or investigation, it will be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney;

(f) the Indenture Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Indenture Trustee will not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder;

(g) the Indenture Trustee will not be responsible for filing any financing statements or continuation statements in connection with the Obligations Secured or the Security Interest, but will cooperate with the Issuer in connection with the filing of such financing statements or amendments to such financing statements;

(h) the Indenture Trustee shall not be deemed to have notice of any default (including any Servicer Default, Default or Event of Default) unless written notice of any event which is in fact such a default is received by the Indenture Trustee at the Corporate Trust Office of the Indenture Trustee, and such notice references the Issuer Funding Obligations and this Indenture;

(i) the rights, privileges, protections, immunities and benefits given to the Indenture Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Indenture Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder;

(j) the Indenture Trustee shall not be liable for any action taken, suffered or omitted to be taken by it in good faith and reasonably believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture;

(k) the Indenture Trustee shall be entitled to and may rely absolutely upon each Payment Instruction and the Indenture Trustee will have no obligation (i) to perform any calculations under any of the Program Agreements, (ii) to reconcile any Issuer Account against the other(s) or the Program Agreements, or (iii) to monitor any change in the legislation governing any of the Program Agreements;

(l) the Indenture Trustee will be entitled to rely and act upon any direction, order, instruction, notice or communication provided to it under this Indenture which is sent to it by Electronic Methods. The Indenture Trustee shall have no liability for any losses, liabilities, costs or expenses incurred by it as a result of such reliance upon or compliance with such instructions or directions. The Issuer agrees: (i) to assume all risks arising out of the use of such Electronic Methods to submit instructions and directions to the Indenture Trustee, including without limitation the risk of the Indenture Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting instructions to the Indenture Trustee and that there may be more secure methods of transmitting instructions than the method(s) selected by the Issuer; and (iii) that the security procedures (if any) to be followed in connection with its transmission of instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and

(m) the Indenture Trustee will not be liable for any consequential, punitive or special damages.

9.03 Not Responsible for Recitals or Issuer Funding Obligations

The recitals contained herein and in the Funding Obligation Agreements, except the Certificates of Authentication, will be taken as the statements of the Issuer, and the Indenture Trustee assumes no responsibility for their correctness. The Indenture Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Funding Obligation

Agreements. The Indenture Trustee will not be accountable for the use or application by the Issuer of Notes, Borrowings or the proceeds thereof.

9.04 May Hold Notes

The Indenture Trustee, the Issuer Trustee, any Paying Agent, the Note Registrar, the Manager or any other agent of the Issuer, in its individual or any other capacity, may become the owner or pledgee of Notes and, subject to subsection 9.07(e) and applicable legislation, may otherwise deal with the Issuer with the same rights it would have if it were not Indenture Trustee, Issuer Trustee, Paying Agent, Note Registrar, Manager or such other agent.

9.05 Compensation and Reimbursement; Limit on Compensation Reimbursement and Indemnity

(a) The Issuer agrees:

(i) to pay to the Indenture Trustee from time to time reasonable compensation for all services rendered by it hereunder (which compensation will not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(ii) except as otherwise expressly provided herein, to reimburse the Indenture Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Indenture Trustee in accordance with any provision of this Indenture (including the reasonable compensation and the reasonable expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to its own negligence or bad faith; and

(iii) to indemnify the Indenture Trustee for, and to hold it harmless against, any and all loss, liability, expense, claim, damage or injury incurred without negligence or bad faith on its part, arising out of or in connection with the acceptance or administration of the trusts hereunder, including the costs and expenses of defending itself against any claim or liability (whether asserted by the Issuer, any Specified Creditor or any other Person) in connection with the exercise or performance of any of its powers or duties hereunder.

The Indenture Trustee will have no recourse to any asset of the Issuer other than funds available pursuant to Section 7.04, 7.10 or 8.13, or to any Person other than the Issuer.

(b) This Section 9.05 will survive the termination of this Indenture and the resignation or replacement of the Indenture Trustee under Section 9.07.

9.06 Corporate Indenture Trustee Required; Eligibility

There will at all times be an Indenture Trustee hereunder which will be either a bank, a trust company or a corporation organized and doing business under the laws of Canada or of any

province or territory thereof, authorized under such laws to carry on a trust business as contemplated hereby in each of the provinces and territories of Canada. The Issuer may not, nor may any Person directly or indirectly controlling, controlled by, or under common control with the Issuer, serve as Indenture Trustee. If at any time the Indenture Trustee will cease to be eligible in accordance with the provisions of this Section 9.06, it will resign immediately in the manner and with the effect hereinafter specified in this Article IX.

9.07 Resignation and Removal; Appointment of Successor

(a) No resignation or removal of the Indenture Trustee and no appointment of a successor Indenture Trustee pursuant to this Article IX will become effective until the acceptance of appointment by the successor Indenture Trustee under Section 9.08.

(b) The Indenture Trustee may resign at any time by giving written notice thereof to the Issuer. If an instrument of acceptance by a successor Indenture Trustee shall not have been delivered to the Indenture Trustee within 30 days after the giving of such notice of resignation, the resigning Indenture Trustee may petition any court of competent jurisdiction for the appointment of a successor Indenture Trustee.

(c) The Indenture Trustee may be removed at any time by Ordinary Resolution of the Controlling Class Creditors delivered to the Indenture Trustee and to the Issuer. If an instrument of acceptance by a successor Indenture Trustee shall not have been delivered to the Indenture Trustee within 30 days after the giving of such notice of removal, the Indenture Trustee being removed may petition any court of competent jurisdiction for the appointment of a successor Indenture Trustee.

(d) If at any time:

(i) the Indenture Trustee ceases to be eligible under Section 9.06 and fails to resign after written request therefor by the Issuer or by any Controlling Class Creditor, or

(ii) the Indenture Trustee becomes incapable of acting, or

(iii) the Indenture Trustee is adjudged bankrupt or insolvent, or a receiver of the Indenture Trustee or of its property is appointed, or any public officer takes charge or control of the Indenture Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any such case, (A) the Issuer may remove the Indenture Trustee, or (B) any Controlling Class Creditor who has been a *bona fide* Controlling Class Creditor for at least six (6) months may, on behalf of itself and all other Debtholders, petition any court of competent jurisdiction for the removal of the Indenture Trustee and the appointment of a successor Indenture Trustee.

(e) The Indenture Trustee shall resign if a material conflict of interest arises in its role as a trustee under this Indenture that is not eliminated within 90 days after the

Indenture Trustee becomes aware that it has such a material conflict of interest. Forthwith after the Indenture Trustee becomes aware that it has a material conflict of interest, it shall provide the Issuer with written notice of the nature of that conflict. If, notwithstanding the foregoing provisions of this subsection 9.07(e), the Indenture Trustee has such a material conflict of interest, the validity and enforceability of this Indenture and of the Funding Obligation Agreements shall not be affected in any manner whatsoever by reason only of the existence of such material conflict of interest. If the Indenture Trustee contravenes the foregoing provisions of this subsection 9.07(e), any interested Person may apply to a court of competent jurisdiction for an order that the Indenture Trustee be replaced as trustee hereunder. The Indenture Trustee represents to the Issuer that at the time of the execution and delivery hereof, no material conflict of interest exists in the Indenture Trustee's role as a fiduciary hereunder.

(f) If the Indenture Trustee resigns, is removed or becomes incapable of acting, or if a vacancy shall occur in the office of the Indenture Trustee for any cause, the Issuer will promptly appoint a successor Indenture Trustee. If, within one (1) year after such resignation, removal or incapacity, or the occurrence of such vacancy, a successor Indenture Trustee is appointed by Ordinary Resolution of Controlling Class Creditors delivered to the Issuer and the retiring Indenture Trustee, the successor Indenture Trustee so appointed will, forthwith upon its acceptance of such appointment, become the successor Indenture Trustee and supersede the successor Indenture Trustee appointed by the Issuer. If no successor Indenture Trustee shall have been so appointed by the Issuer or Controlling Class Creditors and accepted in the manner hereinafter provided, any Controlling Class Creditor who has been a *bona fide* Controlling Class Creditor for at least six (6) months may, on behalf of itself and all other Debtholders, petition any court of competent jurisdiction for the appointment of a successor Indenture Trustee.

(g) The Issuer will give written notice of each resignation and each removal of the Indenture Trustee and each appointment of a successor Indenture Trustee to each Specified Creditor as provided in Article XV and to each Rating Agency. To facilitate delivery of such notice, upon request by the Issuer, the retiring Indenture Trustee shall provide to the Issuer a list of all Specified Creditors. Each notice will include the name of the successor Indenture Trustee and the address of its Corporate Trust Office.

(h) Upon such resignation, the Indenture Trustee shall be discharged from all further duties and liabilities under this Indenture.

9.08 <u>Acceptance of Appointment by Successor</u>

Every successor Indenture Trustee appointed hereunder will execute, acknowledge and deliver to the Issuer and to the predecessor Indenture Trustee an instrument accepting such appointment, with a copy to the Rating Agencies, and thereupon the resignation or removal of the predecessor Indenture Trustee will become effective, and such successor Indenture Trustee, without any further act, deed or conveyance, will become vested with all the rights, powers, trusts

and duties of the predecessor Indenture Trustee; but, on request of the Issuer or the successor Indenture Trustee, such predecessor Indenture Trustee will execute and deliver an instrument transferring to such successor Indenture Trustee all the rights, powers and trusts of the predecessor Indenture Trustee, and will duly assign, transfer and deliver to such successor Indenture Trustee all property and money held by such predecessor Indenture Trustee hereunder, subject nevertheless to its Lien, if any, provided for in Section 9.05. Upon request of any such successor Indenture Trustee, the Issuer will execute any and all instruments for more fully and certainly vesting in and confirming to such successor Indenture Trustee all such rights, powers and trusts.

No successor Indenture Trustee will accept its appointment unless at the time of such acceptance, such successor Indenture Trustee will be qualified and eligible under this Article IX.

9.09 Merger, Conversion, Consolidation or Succession to Business

Any corporation into which the Indenture Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Indenture Trustee shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Indenture Trustee, will be the successor of the Indenture Trustee hereunder, provided such corporation shall be otherwise qualified and eligible under this Article IX, without the execution or filing of any paper or any further act on the part of any of the parties hereto. The Indenture Trustee shall give prompt written notice of such merger, conversion, consolidation or succession to the Issuer and the Rating Agencies. In case any Notes shall have been authenticated, but not delivered, by the Indenture Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Indenture Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Indenture Trustee had itself authenticated such Notes.

9.10 Trust Indenture Legislation

(a) In this Article IX, the term "**applicable legislation**" means the provisions, if any, of the *Trust and Loan Companies Act* (Canada) and any other statute of Canada or a province thereof, and of regulations under any such statute, in each case, as amended, restated or re-enacted from time to time, relating to trust indentures and to the rights, duties and obligations of trustees under trust indentures and of entities issuing debt obligations under trust indentures, to the extent that in the opinion of counsel to the Issuer such provisions are at the time in force and applicable to this Indenture.

(b) If and to the extent that any provision of this Indenture limits, qualifies or conflicts with a mandatory requirement of applicable legislation, such mandatory requirement shall prevail.

(c) The Issuer and the Indenture Trustee agree that each will at all times in relation to this Indenture and any action to be taken hereunder, observe and comply with and be entitled to the benefits of applicable legislation.

9.11 Representations and Covenants of the Indenture Trustee

The Indenture Trustee represents, warrants and covenants that:

(a) the Indenture Trustee is a trust company organized, existing and in good standing under the laws of Canada;

(b) the Indenture Trustee has full power and authority to execute, deliver and perform this Indenture and has taken all necessary action to authorize the execution, delivery and performance by it of this Indenture and other documents to which it is a party;

(c) each of this Indenture and the other documents to which it is a party has been duly executed and delivered by the Indenture Trustee and constitutes its legal, valid and binding obligation in accordance with its terms; and

(d) the Indenture Trustee is authorized to carry on the business of a trust company in each of the provinces and territories of Canada. If, notwithstanding the provisions of this subsection 9.11(d), the Indenture Trustee ceases to be so authorized to carry on business, the validity and enforceability of this Indenture and the Funding Obligation Agreements shall not be affected in any manner whatsoever by reason only of such event.

9.12 Indenture Trustee's Application for Instructions from the Issuer

Any application by the Indenture Trustee for written instructions from the Issuer may, at the option of the Indenture Trustee, set forth in writing any action proposed to be taken or omitted by the Indenture Trustee under and in accordance with this Indenture and the date on and/or after which such action shall be taken or such omission shall be effective; provided that such application shall make specific reference to this Section 9.12. The Indenture Trustee shall not be liable for any action taken by, or omission of, the Indenture Trustee in accordance with a proposal included in such application on or after the date specified in such application (which date shall not be less than five (5) Business Days after the date the Issuer actually receives such application, unless the Issuer shall have consented in writing to any earlier date) unless prior to taking any such action (or the effective date in the case of an omission), the Indenture Trustee shall have received written instructions in response to such application specifying the action be taken or omitted.

9.13 Appointment of Co-Trustee or Separate Indenture Trustee

(a) Notwithstanding any other provisions of this Indenture, at any time, for the purpose of meeting any legal requirements of any relevant jurisdiction, the Indenture Trustee shall have the power and shall execute and deliver all instruments, subject to the prior written consent of the Manager, which consent shall not be unreasonably withheld, to appoint one or more Persons reasonably acceptable to the Issuer to act as a co-trustee or co-trustees, or separate trustee or separate trustees, of all or any part of the Issuer's property, and to vest in such Person or Persons, in such capacity and for the benefit of the Specified Creditors, such title to the Issuer's property, or any part thereof, and, subject to the other provisions of this Section 9.13, such powers, duties, obligations, rights and trusts as the Indenture

Trustee may consider necessary or desirable. No co-trustee or separate trustee hereunder shall be required to meet the terms of eligibility as a successor trustee under Section 9.06 and no notice to Specified Creditors of the appointment of any co-trustee or separate trustee shall be required under Section 9.07.

(b) Every separate trustee and co-trustee shall, to the extent permitted by applicable law, be appointed and act subject to the following provisions and conditions:

(i) all rights, powers, duties and obligations conferred or imposed upon the Indenture Trustee shall be conferred or imposed upon and exercised or performed by the Indenture Trustee and such separate trustee or co-trustee jointly (it being understood that such separate trustee or co-trustee is not authorized to act separately without the Indenture Trustee joining in such act), except to the extent that under any law of any jurisdiction in which any particular act or acts are to be performed, the Indenture Trustee shall be incompetent or unqualified to perform such act or acts, in which event such rights, powers, duties and obligations (including the holding of title to the Issuer's property or any portion thereof in any such jurisdiction) shall be exercised and performed singly by such separate trustee or co-trustee, but solely at the direction of the Indenture Trustee;

(ii) no trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder; and

(iii) the Indenture Trustee may at any time accept the resignation of or remove any separate trustee or co-trustee.

(c) Any notice, request or other writing given to the Indenture Trustee shall be deemed to have been given to each of the then separate trustees and co-trustees, as effectively as if given to each of them. Every instrument appointing any separate trustee or co-trustee shall refer to this Indenture and the conditions of this Article IX. Each separate trustee and co-trustee, upon its acceptance of the trusts conferred, shall be vested with the estates or property specified in its instrument of appointment, either jointly with the Indenture Trustee or separately, as may be provided therein, subject to all the provisions of this Indenture, specifically including every provision of this Indenture relating to the conduct of, affecting the liability of, or affording protection to, the Indenture Trustee. Every such instrument shall be filed with the Indenture Trustee.

(d) Any separate trustee or co-trustee may at any time appoint the Indenture Trustee, its agent or attorney-in-fact with full power and authority, to the extent not prohibited by applicable law, to do any lawful act under or in respect of this Indenture on its behalf and in its name. If any separate trustee or co-trustee shall die, become incapable of acting, resign or be removed, all of its estates, properties, rights, remedies and trusts shall vest in and be exercised by the Indenture Trustee, to the extent permitted by applicable law, without the appointment of a new or successor trustee.

(e) All such appointments made in accordance with this Section 9.13 shall be subject to the approval of the Issuer. The Issuer will give prior written notice of the appointment of any separate trustee or co-trustee to each Rating Agency.

9.14 Preservation of Information; Communications to Specified Creditors

(a) The Indenture Trustee will preserve, in as current a form as is reasonably practicable, the names and addresses of Registered Noteholders contained in the most recent list furnished to the Indenture Trustee as provided in subsection 13.13(a) and the names and addresses of Registered Noteholders received by the Indenture Trustee in its capacity as Note Registrar. The Indenture Trustee will also preserve, in as current a form as is reasonably practicable, the names and addresses of all other Specified Creditors contained in the most recent list furnished to the Indenture Trustee as provided in subsection 13.13(b). The Indenture Trustee may destroy any such list furnished to it upon receipt of a new list.

(b) If three (3) or more Debtholders of any Class, Series or Tranche (hereinafter referred to as "**applicants**") (or, if there are less than three (3) such Debtholders, all of the Debtholders) apply in writing to the Indenture Trustee by way of an application substantially in the form of Exhibit 4, then the Indenture Trustee will, within five (5) Business Days after the receipt of such application, afford such applicants access to the information preserved at the time by the Indenture Trustee in accordance with subsection 9.14(a); provided, however, that (i) such Debtholders are identified on the most recent lists of Debtholders held by the Indenture Trustee pursuant to subsection 9.14(a), and (ii) the Indenture Trustee shall not release any information other than the names and addresses (including email addresses) of the Debtholders on such lists.

(c) By accepting its rights as a third party beneficiary hereunder, every Debtholder agrees with the Issuer and the Indenture Trustee that neither the Issuer nor the Indenture Trustee will be held accountable by reason of the disclosure of any such information as to the names and addresses (including email addresses) of the Debtholders in accordance with subsection 9.14(b), regardless of the source from which such information was derived.

(d) Any Specified Creditor wishing to be removed from the list of Specified Creditors may deliver a notice to the Indenture Trustee in the form attached as Exhibit 5. Within five (5) Business Days of the receipt of such notice, the Indenture Trustee shall notify the Issuer to have that Specified Creditor removed from the list provided in accordance with subsection 13.13(b). The Indenture Trustee shall not be responsible, nor shall it be liable for any losses, costs or expenses (including special, indirect, punitive or consequential losses or damages) of the Issuer, any Specified Creditor, or any other party, with respect to any Specified Creditor that fails to, or is delayed in sending, such notice and whose information is disseminated in accordance with this Section 9.14.

(e) The Indenture Trustee shall not be liable for, or held accountable by reason of, distributing any information pursuant to this Section 9.14 regarding any Specified Creditor that is on the list of Specified Creditors held by the Indenture Trustee pursuant to subsection 9.14(a).

9.15 Acceptance of Trusts by Indenture Trustee

The Indenture Trustee hereby accepts the trusts in this Indenture and agrees to perform the same upon the terms and conditions herein set forth.

9.16 Paying Agent

(a) The Paying Agent, on behalf of the Indenture Trustee, will make distributions to Specified Creditors from the Collection Account or other applicable Issuer Account pursuant to the provisions of this Indenture and any applicable Program Agreement. Any Paying Agent will have the revocable power to withdraw funds from the Collection Account or other applicable Issuer Account for the purpose of making the distributions referred to above.

(b) The Indenture Trustee may revoke such power and remove the Paying Agent if the Indenture Trustee determines in its sole discretion that the Paying Agent has failed to perform its obligations under this Indenture in any material respect. The Paying Agent upon removal will return all funds in its possession to the Indenture Trustee.

(c) The Issuer will cause each Paying Agent (other than the Indenture Trustee) to execute and deliver to the Indenture Trustee an instrument in which such Paying Agent will agree with the Indenture Trustee (and if the Indenture Trustee acts as Paying Agent, it so agrees), subject to the provisions of this Section 9.16, that such Paying Agent will:

(i) hold all sums held by it for the payment of principal of, interest, fees or other amounts in trust for the benefit of the Persons entitled thereto until such sums will be paid to such Persons or otherwise disposed of as herein provided;

(ii) if such Paying Agent is not the Indenture Trustee, give the Indenture Trustee notice of any default by the Issuer in the making of any such payment of principal or interest on any Issuer Funding Obligations;

(iii) if such Paying Agent is not the Indenture Trustee, at any time during the continuance of any such default, upon the written request of the Indenture Trustee, forthwith pay to the Indenture Trustee all sums so held in trust by such Paying Agent;

(iv) open and maintain appropriate records with respect to each Note; record by appropriate entries therein each payment made on account of interest, principal, fees and other amounts owing with respect to each such Note. For the purposes thereof, the Paying Agent shall make available upon request

of the Issuer or the Indenture Trustee satisfactory evidence of each payment as soon as practicable after making such payment. The failure to record, or any error in recording, any such payment shall not, however, limit or otherwise affect the obligations of the Issuer as to the principal amount or accrued interest owing with respect to any Note. Such records of payment shall be conclusive evidence of the unpaid principal balance and interest owing in respect of the Notes in the absence of demonstrable error;

(v) immediately resign as a Paying Agent and, if such Paying Agent is not the Indenture Trustee, forthwith pay to the Indenture Trustee all sums held by it in trust for the payment of Issuer Funding Obligations if at any time it ceases to meet the standards described in this Section 9.16 required to be met by a Paying Agent at the time of its appointment; and

(vi) comply with all requirements of the Income Tax Act or any other applicable tax law with respect to the withholding from any payments made by it on any amounts contemplated under this Indenture of any applicable withholding taxes imposed thereon and with respect to any applicable reporting requirements in connection therewith.

(d) Each Paying Agent, if not OPG, will at all times have, or be a wholly owned subsidiary of a corporation which has, a combined capital and surplus of at least $50,000,000 and be subject to supervision or examination by a Canadian federal, provincial or territorial authority or be regulated by or subject to the supervision or examination of a Governmental Authority of a nation that is a member of the Organization for Economic Co-operation and Development. If such Paying Agent publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this subsection 9.16(d), the combined capital and surplus of such Paying Agent will be deemed to be its combined capital and surplus as set forth in its most recent report of condition as so published.

(e) Unless and until the Issuer rescinds one or more of such appointments, the Issuer hereby appoints the Indenture Trustee as its Paying Agent. The Issuer will give prior written notice of the appointment of any Paying Agent (if such Paying Agent is not the Indenture Trustee) to each Rating Agency.

ARTICLE X
MEETINGS

10.01 Conduct of Meetings

Meetings of Debtholders of any Class, Series or Tranche, of all Issuer Funding Obligations, of Controlling Class Obligations of a Series or of all Controlling Class Obligations, as the case may be, may be convened, held and conducted in the following manner:

(a) At any time, and from time to time, the Indenture Trustee or the Issuer may, and the Indenture Trustee shall, on receipt of a written request of the Issuer or a

requisition signed by Debtholders of a particular Class, Series or Tranche, of all Issuer Funding Obligations, of Controlling Class Obligations of a Series or of all Controlling Class Obligations (each of such groups of Debtholders being a "**Debtholder Group**"), as the case may be, holding at least 25% of the aggregate Outstanding Dollar Principal Amount of the applicable Issuer Funding Obligations, convene, or cause to be convened, a meeting of the Debtholders of that Debtholder Group. If the Indenture Trustee fails to convene, or cause to be convened, a meeting after 30 days of being duly required by the Issuer or such Debtholders, the Issuer or such Debtholders may themselves convene such meeting and, in the case of a meeting called by such Debtholders, the notice calling such meeting may be signed by such Person as those Debtholders specify. Every such meeting shall be held in the City of Toronto or such other place in Ontario, Canada as the Indenture Trustee may in any case determine or approve.

(b) At least 7 days' prior notice of any meeting shall be given to the Debtholders of the Debtholder Group to which such meeting relates and to the Issuer, unless the meeting has been called by the Issuer, and such notice shall state the date, time and the place the meeting is to be held and shall specify, in general terms, the nature of the business to be transacted. It shall not be necessary to specify in the notice the text of the resolutions to be passed. Subject to Section 10.01(c), notices shall be given in the manner set forth in Article XV and a copy thereof shall be delivered to the Indenture Trustee unless the meeting has been called by it. It shall not be necessary to specify in the notice of any adjournment of a meeting the nature of the business to be transacted at the adjourned meeting. The non-receipt of any such notice by a Debtholder shall not invalidate any resolution passed at such meeting.

(c) At any meeting of a Debtholders Group, subject as herein provided, a quorum shall consist of one or more Persons present in person or by proxy holding either personally or as proxies not less than 25% of the Outstanding Dollar Principal Amount of the Issuer Funding Obligations of the Debtholder Group entitled to vote at such meeting. If a quorum is not present on the date for which the meeting is called within 30 minutes after the time fixed for the holding of such meeting, the meeting shall be adjourned to be held at a place and upon a date and at an hour to be fixed by the Indenture Trustee who shall give not less than seven (7) days' notice of the date and time to which such meeting is to be adjourned and at such adjourned meeting a quorum shall consist of the Debtholders of that Debtholder Group then and there represented in person or by proxy and entitled to vote at such meeting.

(d) An individual, who need not be a Debtholder, nominated in writing by the Indenture Trustee shall be chairman of the meeting (a "**Chairman**"). If no individual is so nominated or if the individual nominated is not present within 25 minutes after the time fixed for the holding of the meeting, the Debtholders and proxies for Debtholders present shall choose one of their number to be Chairman.

(e) Every question submitted to a meeting, except matters requiring an Extraordinary Resolution, shall be decided by a majority of the votes given on a show of hands or, if a poll shall be requested as hereinafter provided, by a majority of the votes

cast on the poll (in either case, an "**Ordinary Resolution**") and shall be binding on all Debtholders of the applicable Debtholder Group. On a show of hands, each Debtholder who is present, whether in person or by proxy, will have one vote for every $1,000 of Outstanding Dollar Principal Amount of applicable Issuer Funding Obligations of which he or she shall be the Debtholder. A poll shall be taken on every Extraordinary Resolution and otherwise whenever requested by a Debtholder or its proxy. On a poll, each Debtholder shall have one vote for every $1,000 of Outstanding Dollar Principal Amount of applicable Issuer Funding Obligations of which he or she shall be the Debtholder. Votes may be given in person or by proxy and a proxy need not be a Debtholder. If at any meeting a poll is so demanded as aforesaid on the election of a Chairman or on a question of adjournment, it shall be taken forthwith. If at any meeting a poll is so demanded on any other question, or an Extraordinary Resolution is to be voted upon, a poll shall be taken in such manner and either at once or after an adjournment as the Chairman directs. The result of a poll shall be deemed to be the decision of the meeting at which the poll was demanded and shall be binding on all Debtholders of the applicable Debtholder Group. In the case of joint Registered Noteholders, any one of them present in person or by proxy at the meeting may vote in the absence of the other or others but, if more than one of them is present in person or by proxy, they shall vote together in respect of the Notes of which they are joint Registered Noteholders.

10.02 Powers Exercisable by Ordinary Resolution and Extraordinary Resolution

(a) Subject to Section 11.02, in addition to any powers hereinbefore given, Debtholders of a Class, Series or Tranche of Issuer Funding Obligations shall by Ordinary Resolution have the power to:

(i) require the Indenture Trustee (subject to receipt by the Indenture Trustee of reasonable funding and indemnity) to exercise or refrain from exercising any of the powers conferred upon it by this Indenture insofar as they apply solely to such Class, Series or Tranche or by the Related Funding Obligation Agreement;

(ii) sanction, insofar as they apply to the Class, Series or Tranche, the release of the Issuer from its covenants and obligations hereunder;

(iii) subject to the provisions of this Indenture or of the Related Funding Obligation Agreement, sanction any change whatsoever to any provision of the Issuer Funding Obligations of such Class, Series or Tranche which shall be agreed to by the Issuer and any modification, alteration, abrogation, compromise or arrangement of or in respect of the rights of the Debtholders of such Class, Series or Tranche or the Indenture Trustee against the Issuer, whether such rights shall arise under the provisions of this Indenture or otherwise;

(iv) subject to the provisions of this Indenture, assent to any modification of or change in or addition to or omission from the provisions contained in this

Indenture, a Related Supplemental Indenture or any instrument ancillary or supplementary hereto or thereto, in each case, insofar as they apply to the Class, Series or Tranche, which shall be agreed to by the Issuer and to authorize the Indenture Trustee to concur in and execute any deed, instrument or agreement embodying any such modification, change, addition or omission or any other deeds, documents or writings authorized by such Ordinary Resolution; provided that no such assent shall be necessary for any modification of or change in or addition otherwise permitted hereunder or under a Related Supplemental Indenture; and

(v) take any other Action authorized by this Indenture or a Related Supplemental Indenture to be taken by Ordinary Resolution of the Debtholders of a Class, Series or Tranche of Issuer Funding Obligations.

(b) Subject to Section 11.02, in addition to any powers hereinbefore given, Controlling Class Creditors shall by Extraordinary Resolution have the power to:

(i) after the Security Interest has become enforceable, authorize the Indenture Trustee to accept, in satisfaction or partial satisfaction, all or any part of the Collateral;

(ii) after the Security Interest has become enforceable, sanction the selling of the Collateral or any part thereof or interest therein;

(iii) after the Security Interest has become enforceable, authorize the Indenture Trustee or any other Person to bid or tender at any sale of the Collateral or any part thereof and take such actions in connection with such sale as it determines to be in the best interests of all Controlling Class Creditors;

(iv) assent to any compromise or arrangement by the Issuer with any creditor, creditors or class or classes of creditors or with the holders of any securities of the Issuer whose claims are payable from the Collateral;

(v) restrain any Debtholder from taking or instituting any suit, action or proceeding for the purpose of realizing on the Collateral or for the execution of any trust or power hereunder or for the appointment of a liquidator, receiver or trustee in bankruptcy or to have the Issuer liquidated or for any other remedy hereunder and to direct such Debtholder to waive any Event of Default on which any suit or proceeding is founded;

(vi) require the Indenture Trustee (subject to receipt by the Indenture Trustee of reasonable funding and indemnity) to exercise or refrain from exercising any other powers conferred upon it by this Indenture of general application to all Classes of Issuer Funding Obligations, including the exercise of any rights of the Issuer under any of the Program Agreements upon the occurrence and during the continuance of an Event of Default, or cancel any declaration of acceleration made pursuant to Article VIII upon such terms and/or conditions as may be decided;

(vii) authorize the Indenture Trustee, in the event of the Issuer making an authorized assignment or proposal or in the event of an administrator, trustee, receiver or liquidator being appointed under any applicable bankruptcy or insolvency legislation for and on behalf of all Debtholders and, in addition to any claim or debt provided or made for its own account as Indenture Trustee hereunder, to file and prove a claim or debt against the Issuer or its property for an amount equivalent to the aggregate amount which may be payable in respect of all Issuer Funding Obligations, to value the Collateral, and to vote such claim or debt at meetings of creditors and generally act for and on behalf of all Debtholders in such proceedings as such Extraordinary Resolution may provide;

(viii) appoint a committee with power and authority (subject to such limitations, if any, as may be prescribed in such Extraordinary Resolution) to exercise, and to direct the Indenture Trustee to exercise, on behalf of all Controlling Class Creditors, such of the powers of such Controlling Class Creditors as are exercisable by Extraordinary Resolution or other resolution as shall be included in the Extraordinary Resolution appointing the committee. The Extraordinary Resolution making such appointment may provide for payment of the expenses and disbursements of and compensation to such committee from the Collateral in portions allocated to each Series as may be specified in such Extraordinary Resolution. Such committee shall consist of such number of Persons as shall be prescribed in the Extraordinary Resolution appointing it and the members need not themselves be Controlling Class Creditors or Debtholders. Each such committee may elect a chairman and may make regulations respecting its quorum, the calling of its meetings, the filling of vacancies occurring in its number and its procedures generally. Such regulations may provide that the committee may act at a meeting at which a quorum is present or may act by minutes signed by the number of members thereof necessary to constitute a quorum. All acts of any such committee within the authority delegated to it shall be binding upon all Debtholders. Neither the committee nor any member thereof shall be liable for any loss arising from or in connection with any action taken or omitted to be taken by them in good faith; and

(ix) take any other action authorized by this Indenture to be taken by Extraordinary Resolution.

(c) The foregoing powers shall be deemed to be several and cumulative and not dependent on each other and the exercise of one or more of such powers, or any combination of such powers, from time to time, shall not be deemed to exhaust the rights of the Debtholders to exercise such power or powers, or combinations of powers, thereafter from time to time. No powers exercisable by Extraordinary Resolution shall derogate in any way from any rights of the Issuer under or pursuant to this Indenture without the agreement of the Issuer. The Issuer shall give the Rating Agency notice of any Ordinary Resolution or Extraordinary Resolution adopted.

10.03 Extraordinary Resolution

An Extraordinary Resolution, adopted in accordance with the provisions hereof, shall be binding upon each and every Debtholder and each other Specified Creditor and their respective heirs, executors, administrators, successors and assigns, whether present or absent, and the Indenture Trustee (subject to the provisions for funding and its indemnity herein contained) shall be bound to give effect thereto accordingly.

Except as expressly provided to the contrary in this Indenture, no action shall be taken at a meeting of the Debtholders of a Debtholder Group which changes any provision of this Indenture or changes or prejudices the exercise of any right of any Debtholder except by Extraordinary Resolution.

10.04 Declaration by Chairman of Result of Vote

At any meeting of Debtholders of any Debtholder Group in cases where no poll is required or requested, a declaration made by the Chairman that a resolution has been carried, or carried by any particular majority, or lost, shall be conclusive evidence thereof.

10.05 Minutes

Minutes of all resolutions and proceedings at every such meeting, as aforesaid, shall be made and duly entered in books to be provided from time to time for that purpose by an agent of the Issuer at the expense of the Issuer and any such minutes, as aforesaid, if signed by the Chairman of the meeting at which such resolutions were passed or proceedings had shall be *prima facie* evidence of the matters therein stated and, until the contrary is proved, every such meeting in respect of the proceedings of which minutes shall have been made shall be deemed to have been duly held and convened and all resolutions passed or proceedings had thereat to have been duly passed and had.

10.06 Signed Instruments

Any resolution or instrument signed in one or more counterparts by (a) Debtholders holding not less than 50% of the aggregate Outstanding Dollar Principal Amount of Issuer Funding Obligations of a Debtholder Group, in the case of matters capable of being decided by Ordinary Resolution, and (b) Controlling Class Creditors holding not less than 66⅔% of the aggregate Outstanding Dollar Principal Amount of all Controlling Class Obligations in the case of matters required to be decided by Extraordinary Resolution, shall, in either case, have the same force and effect as a resolution duly passed at a meeting of such Debtholders by the affirmative vote of all of the votes cast upon a poll. Notice of any Ordinary Resolution or Extraordinary Resolution passed in accordance with this Section 10.06 shall be given by the Indenture Trustee to all applicable Debtholders within 30 days of the date on which such Ordinary Resolution or Extraordinary Resolution was passed.

10.07 Persons Who May Attend

Each Debtholder, by their respective officers, directors, employees, and the legal advisers of such parties, may attend any meeting of Debtholders.

10.08 Binding Effect of Resolutions

Every Ordinary Resolution and every Extraordinary Resolution passed in accordance with the provisions of this Article X at a meeting of Debtholders of a Debtholder Group will be binding upon all of the Debtholders of such Debtholder Group whether present at or absent from such meeting, and every instrument in writing signed by Debtholders in accordance with Section 10.06 will be binding upon all of the Debtholders of such Debtholder Group, whether signatories thereto or not, and the Indenture Trustee will be bound to give effect accordingly to every such Ordinary Resolution, Extraordinary Resolution and instrument in writing. For greater certainty, any Extraordinary Resolution shall bind all Debtholders and all other Specified Creditors in accordance with Section 10.03.

10.09 Notes Regarded as Not Outstanding for Certain Purposes

If, in the opinion of the Indenture Trustee and upon receipt of an Issuer Certificate in respect of the following, any business to be transacted at any meeting of Debtholders or any action to be taken or power exercised by instrument in writing under Section 10.06 does not materially adversely affect the rights of the Debtholders of one or more particular Class, Series or Tranche of Issuer Funding Obligations, the provisions of this Article X shall apply as if the Issuer Funding Obligations of that Class, Series or Tranche were not Outstanding, and no notice of any such meeting need be given to the Debtholders of that Class, Series or Tranche.

ARTICLE XI
SUPPLEMENTAL INDENTURES

11.01 Supplemental Indentures and Amendments Without Consent of Specified Creditors

(l) to enable the Issuer to file a registration statement (and any related exhibits thereto) for the offering of securities registered under the U.S. Securities Act and to comply with Regulation AB (including, without limitation, ongoing reporting obligations thereunder); or

(m) to qualify for sale treatment under generally accepted accounting principles.

Additionally, notwithstanding any provision of this Article XI to the contrary and in addition to clauses (a) through (m) above, the Issuer and the Indenture Trustee may amend this Indenture, including any Supplemental Indenture, without the consent of any Specified Creditor but with 10 Business Days' prior notice to each Rating Agency and the Province, to modify, eliminate or add to the provisions of this Indenture (i) to facilitate compliance with any amendment to any change of law or regulation which applies to the Issuer or the transactions governed by the Program Agreements, or (ii) to cause the provisions hereof to conform to or be consistent with or in furtherance of the statements made with respect to this Indenture in any applicable offering document; in each case, provided that the Issuer shall deliver to the Indenture Trustee an Issuer Certificate to the effect that (A) the Issuer reasonably believes that such amendment will not have an Adverse Effect and is not reasonably expected to have an Adverse Effect at any time in the future or (B) such amendment is required to remain in compliance with any change of law or regulation which applies to the Issuer or the transactions governed by the Program Agreements, or such amendment is required to cause the provisions hereof to conform to or be consistent with or in furtherance of the statements made with respect to this Indenture in any applicable offering document.

Additionally, notwithstanding any provision of this Article XI to the contrary and in addition to clauses (a) through (m) above and the immediately preceding paragraph, this Indenture, including any Supplemental Indenture, may also be amended by the Issuer and the Indenture Trustee, without the consent of any Specified Creditor but with 10 Business Days' prior notice to each Rating Agency and the Province, for the purpose of (i) adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Indenture or any Supplemental Indenture or (ii) modifying in any manner the rights of the Specified Creditors under this Indenture or any Supplemental Indenture; provided, however, that (A) the Issuer shall deliver to the Indenture Trustee an Issuer Certificate to the effect that the Issuer reasonably believes that such amendment will not have an Adverse Effect and is not reasonably expected to have an Adverse Effect at any time in the future, and (B) the Rating Agency Condition shall be satisfied.

Additionally, notwithstanding any provision of this Article XI to the contrary and in addition to clauses (a) through (m) above and the immediately preceding paragraphs, this Indenture, including any Supplemental Indenture, may also be amended by the Issuer and the Indenture Trustee, without the consent of any Specified Creditor but with 10 Business Days' prior notice to each Rating Agency and the Province, to provide for those changes necessary for compliance with securities law requirements or banking laws or regulations; provided, however, that (i) the Issuer shall deliver to the Indenture Trustee an Issuer Certificate to the effect that the Issuer reasonably believes that such amendment will not have an Adverse Effect and is not reasonably expected to have an Adverse Effect at any time in the future, and (ii) the Rating Agency Condition shall be satisfied.

Prior written notice of any amendment to this Indenture or any Supplemental Indenture to the Province in accordance with the above paragraphs shall be sent by the Issuer and the Indenture Trustee. The Issuer and the Indenture Trustee shall send a copy of any amendment pursuant to this Section 11.01 to each Rating Agency and the Province; provided that failure to send copies of any amendment to this Indenture or any Supplemental Indenture, or failure to provide any notice under this Section 11.01 shall not invalidate such amendment.

The Indenture Trustee may, but shall not be obligated to, enter into any amendment which adversely affects the Indenture Trustee's rights, duties, benefits, protections, privileges or immunities under this Indenture or otherwise.

11.02 Supplemental Indentures and Amendments with Consent of Debtholders

In addition to any amendment permitted pursuant to Section 11.01, with 10 Business Days' prior notice to each Rating Agency and the Province, the consent of Debtholders of each Class, Series or Tranche of Issuer Funding Obligations affected by such amendment of this Indenture, including any Supplemental Indenture, by Ordinary Resolution delivered to the Issuer and the Indenture Trustee, and satisfaction of the Rating Agency Condition, the Issuer and the Indenture Trustee may enter into an amendment of this Indenture or any Supplemental Indenture for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Indenture or of modifying in any manner the rights of the Debtholders of each such Class, Series or Tranche of Issuer Funding Obligations under this Indenture or any Supplemental Indenture; provided, however, that no such amendment of this Indenture or any

Supplemental Indenture will, without the consent of each Debtholder of Issuer Funding Obligations affected thereby and satisfaction of the Rating Agency Condition:

(a) change an Interest Payment Date, Principal Payment Date or Principal Payment Default Date of any Issuer Funding Obligation;

(b) reduce the principal amount of, or the interest rate on any Note, or change the method of computing the Outstanding Dollar Principal Amount, the Outstanding Currency Specific Dollar Principal Amount or the Outstanding Dollar Principal Amount in a manner that is adverse to any Debtholders;

(c) reduce the amount of a Discount Note payable upon its acceleration;

(d) reduce the percentage in Outstanding Dollar Principal Amount of Issuer Funding Obligations of any Class, Series or Tranche, the consent of whose holders is required for any such amendment, or the consent of whose holders is required for any waiver of compliance with the provisions of this Indenture or of defaults hereunder and their consequences, provided for in this Indenture;

(e) modify any of the provisions of this Section 11.02 or Section 8.03, except to increase any percentage of Debtholders required to consent to any such amendment or to provide that other provisions of this Indenture cannot be modified or waived without the consent of the Debtholders affected thereby;

(f) change any Place of Payment where any principal of, or interest on, any Note is payable, unless otherwise provided in the Related Supplemental Indenture; or

(g) change the method of computing the amount of principal of, or interest on, any Note on any date.

An amendment of this Indenture or a Supplemental Indenture which changes or eliminates any covenant or other provision of this Indenture which has expressly been included solely for the benefit of one or more particular Classes, Series or Tranches of Issuer Funding Obligations, or which modifies the rights of the Debtholders of such Class, Series or Tranche with respect to such covenant or other provision, will be deemed not to affect the rights under this Indenture of the Debtholders of any other Class, Series or Tranche of Issuer Funding Obligations.

It will not be necessary for any Ordinary Resolution or Extraordinary Resolution under this Section 11.02 to approve the particular form of any proposed amendment or Supplemental Indenture, but it will be sufficient if such Ordinary Resolution or Extraordinary Resolution will approve the substance thereof.

The Issuer and the Indenture Trustee shall send a copy of any amendment pursuant to this Section 11.02 to each Rating Agency and the Province; provided that failure to send copies of any amendment to this Indenture or any Supplemental Indenture, or failure to provide any notice under this Section 11.02 shall not invalidate such amendment.

11.03 Execution of Amendments and Supplemental Indentures

In executing or accepting the additional trusts created by any amendment of this Indenture or Supplemental Indenture permitted by this Article XI or the modifications thereby of the trusts created by this Indenture, the Indenture Trustee will be provided with, and (subject to Section 9.01) will be fully protected in relying upon, an Opinion of Counsel stating that the execution of such amendment or Supplemental Indenture is authorized or permitted by this Indenture and that all conditions precedent thereto have been satisfied. The Indenture Trustee may, but will not (except to the extent required in the case of an amendment or Supplemental Indenture entered into under subsection 11.01(e)) be obligated to, enter into any such amendment or Supplemental Indenture which affects the Indenture Trustee's own rights, duties or immunities under this Indenture or otherwise.

11.04 Effect of Amendments and Supplemental Indentures

Upon the execution of any amendment of this Indenture or any Supplemental Indenture under this Article XI, this Indenture and/or such Supplemental Indenture will be modified in accordance therewith with respect to each Class, Series or Tranche of Issuer Funding Obligations affected thereby, or all Issuer Funding Obligations, as the case may be, and such amendment or Supplemental Indenture will form a part of this Indenture and such Supplemental Indenture for all purposes; and every holder of Issuer Funding Obligations theretofore or thereafter incurred and every other Specified Creditor will be bound thereby to the extent provided therein.

11.05 Reference in Notes to Supplemental Indentures

Notes authenticated and delivered after the execution of any amendment of this Indenture or any Supplemental Indenture pursuant to this Article XI may, and will if required by the Indenture Trustee, bear a notation in form approved by the Indenture Trustee as to any matter provided for in such amendment or Supplemental Indenture. If the Issuer will so determine, new Notes so modified as to conform, in the opinion of the Indenture Trustee and the Issuer, to any such amendment or Supplemental Indenture may be prepared and executed by the Issuer and authenticated and delivered by the Indenture Trustee in exchange for Outstanding Notes.

ARTICLE XII
REPRESENTATIONS AND WARRANTIES OF THE ISSUER

12.01 Representations and Warranties of the Issuer

The Issuer hereby represents and warrants to the Indenture Trustee and shall be deemed to represent and warrant to the Indenture Trustee on the issuance of Notes of any particular Class, Series or Tranche hereunder, and upon each Borrowing under the applicable Funding Obligation Agreement, that:

(a) The Issuer is a Financing Entity.

(b) The indebtedness incurred pursuant to each issuance of Notes and each Borrowing is a Funding Obligation.

(c) The Issuer (i) is a trust duly constituted and validly existing under the laws of the Province of Ontario, (ii) is duly qualified to carry on its business in each jurisdiction in which it carries on business, (iii) has the power and authority to enter into and perform its obligations under this Indenture and the other Program Agreements executed by it and all instruments and agreements delivered pursuant hereto, and thereto and to own its property and carry on its business as currently conducted including, without limitation, the power and authority and legal right to acquire Investment Interests, and (iv) has obtained all approvals from all Governmental Authorities required in connection with the execution, delivery and performance of the Program Agreements.

(d) The execution, delivery and performance of this Indenture, and at the time it enters into such document, the other Program Agreements executed by it and every instrument or agreement delivered pursuant hereto and thereto has been or will be duly authorized by all requisite action and this Indenture and such other Program Agreements, instruments and agreements have been or will be duly executed and delivered by the Issuer and constitute valid and binding obligations of the Issuer enforceable against the Issuer in accordance with their respective terms subject to (i) applicable bankruptcy, insolvency, moratorium and similar laws at the time in effect affecting the rights of creditors generally, and (ii) equitable principles which may limit the availability of certain remedies, including the remedy of specific performance.

(e) There are no actions, suits or proceedings pending or, to the knowledge of the Issuer, threatened against or affecting the Issuer at law or in equity or before or by any Governmental Authority, or before any arbitrator of any kind, which would result in any material adverse change in the business, operations, prospects, properties, assets or condition, financial or otherwise, of the Issuer or in the ability of the Issuer to perform its obligations under this Indenture, the other Program Agreements executed by it or any agreement or instrument delivered pursuant hereto or thereto; and the Issuer is not aware of any existing ground on which such action, suit or proceeding might be commenced with any reasonable likelihood of success or of any default with respect to any judgment, order, writ, injunction, decree, award, rule or regulation of any court, arbitrator or Governmental Authority, which, either separately or in the aggregate, would result in any such material adverse change.

(f) The Issuer is not a party to any agreement or instrument which materially adversely affects its ability to perform its obligations under this Indenture, the other Program Agreements executed by it or any agreements or instruments delivered pursuant hereto or thereto or materially adversely affects the business, operations, prospects, properties, assets or condition, financial or otherwise of the Issuer.

(g) The Issuer is not subject to any restriction or any judgment, order, writ, injunction, decree, award, rule or regulation which materially adversely affects, or in the future may materially adversely affect, the business, operations, prospects, properties, assets or condition, financial or otherwise of the Issuer or its ability to perform its

obligations under this Indenture, the other Program Agreements executed by it or any agreements or instruments delivered pursuant hereto or thereto.

(h) Neither the execution nor delivery of this Indenture, the other Program Agreements executed by it or any agreements or instruments delivered pursuant hereto or thereto, the consummation of the transactions herein and therein contemplated, nor compliance with the terms, conditions and provisions hereof or thereof conflicts with or will conflict with, or results or will result in any breach of, or constitutes a default under, any of the provisions of the Declaration of Trust or any agreements or instruments to which the Issuer is a party or by which it or any of its property and assets are bound, or results or will result in the creation or imposition of any Lien of any nature whatsoever upon any of the property or assets of the Issuer.

(i) No consent, approval or authorization of, or declaration, registration, filing or qualification with, or giving of notice to, or taking of any other action in respect of, any Governmental Authority on the part of the Issuer is required in connection with the execution and delivery of this Indenture, the other Program Agreements executed by it or any agreements or instruments delivered pursuant hereto or thereto or the consummation of any of the transactions contemplated hereby or in connection with the enforcement of this Indenture, the other Program Agreements executed by it or any agreements or instruments delivered pursuant hereto or thereto (except those which have been obtained or deemed to have been obtained).

12.02 Certified Primary Obligations

The Issuer shall be deemed to represent and warrant to the Indenture Trustee on the incurrence of any Obligations Secured (other than Issuer Funding Obligations) that if the Issuer does not deliver the certificates contemplated by subsection 5.03(d), that the Obligations Secured are not Certified Primary Obligations.

ARTICLE XIII
COVENANTS OF THE ISSUER

13.01 Payment of Principal and Interest

With respect to each Class, Series or Tranche of Issuer Funding Obligations, the Issuer will duly and punctually pay the principal of and interest on such Issuer Funding Obligations in accordance with their terms, this Indenture and any Related Funding Obligation Agreement, and will duly comply with all the other terms, agreements and conditions contained in, or made in this Indenture and any Funding Obligation Agreement.

13.02 Use of Proceeds; Funding of Program Cash Reserve Account

The Issuer will use the proceeds of Notes and Borrowings solely for: (i) the acquisition by the Issuer of an Investment Interest; (ii) the redemption, repayment or repurchase of any existing Issuer Funding Obligations; (iii) the funding of Issuer Accounts; and (iv) the payment of transaction fees and expenses in connection with the incurrence of Issuer Funding Obligations.

13.03 Maintenance of Office or Agency

The Issuer will maintain an office or agency in each Place of Payment where Notes may be presented or surrendered for payment, where Notes may be surrendered for transfer or exchange and where notices and demands to or upon the Issuer in respect of the Notes and this Indenture may be served. The Issuer will give prompt written notice to the Indenture Trustee of the location, and of any change in the location, of such office or agency. If at any time the Issuer will fail to maintain such office or agency or will fail to furnish the Indenture Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Indenture Trustee, and the Issuer hereby appoints the Indenture Trustee its agent to receive all such presentations, surrenders, notices and demands.

The Issuer may also from time to time designate one or more other offices or agencies where the Notes of one or more Classes, Series or Tranches may be presented or surrendered for any or all of such purposes specified above and may constitute and appoint one or more Paying Agents for the payments of such Notes, in one or more other cities, and may from time to time rescind such designations and appointments; provided, however, that no such designation, appointment or rescission shall in any matter relieve the Issuer of its obligations to maintain an office or agency in each Place of Payment for Notes of any Class, Series or Tranche for such purposes. The Issuer will give prompt written notice to the Indenture Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

13.04 Legal Existence

The Issuer will do or cause to be done all things necessary to preserve and keep in full force and effect its legal existence and maintain its status as a Financing Entity.

13.05 Separateness Covenants

The Issuer will take all reasonable steps to maintain the Issuer's identity as a distinct entity with assets and liabilities distinct from those of the Manager and any of its Affiliates. Without limiting the generality of the foregoing and in addition to the other covenants set forth herein, the Issuer shall:

(a) not identify the offices of the Manager or any Affiliate thereof as its offices (by signage or otherwise);

(b) not identify the telephone number of the Manager as its telephone number and it will not utilize the stationery, invoices or cheques of the Manager;

(c) conduct all transactions with the Manager strictly on an arm's length basis and in good faith, allocate all overhead expenses for items shared between the Issuer and the Manager on the basis of actual use to the extent practicable and, to the extent such allocation is not practicable, on a basis reasonably related to actual use;

(d) conduct its affairs strictly in accordance with the Declaration of Trust, and observe all necessary, appropriate and trust formalities;

(e) maintain the Issuer's books and records separate from those of the Manager or any Affiliate thereof and otherwise readily identifiable as its own assets rather than assets of the Manager or any Affiliate thereof;

(f) prepare its financial statements separately from those of the Manager and ensure that any consolidated financial statements of the Manager that include the Issuer have notes clearly stating that the Issuer is a separate entity;

(g) only maintain bank accounts or other depository accounts to which the Issuer alone is the account party (or where the Issuer Trustee or the Indenture Trustee will maintain them on behalf of the Issuer), and from which only the Issuer or its agent has the power to make withdrawals;

(h) pay all of the Issuer's operating expenses from the Issuer's own assets (including, for greater certainty, reimbursing the Manager for any such expenses);

(i) continuously maintain the resolutions, agreements and other instruments of the Issuer underlying the transactions described in the Program Agreements as official records of the Issuer separately identified and held apart from the records of the Manager;

(j) maintain its property in such a manner that it is not costly or difficult to segregate, ascertain or otherwise identify its individual assets from or against those of the Manager or any Affiliate thereof; and

(k) not become liable to any Person for any obligations of the Manager or any Affiliate thereof.

13.06 Compliance with Laws

The Issuer will comply with the requirements of all applicable laws, the noncompliance with which would, individually or in the aggregate, materially and adversely affect the ability of the Issuer to perform its obligations under the Program Agreements.

13.07 Performance of Obligations

(a) The Issuer will punctually perform and observe all of its obligations and agreements contained in this Indenture, the Declaration of Trust, the Master Transfer and Servicing Agreement, the other Program Agreements and in the instruments and agreements relating to the Collateral, including but not limited to filing or causing to be filed all PPSA financing statements and amendments thereto required to be filed by the terms of this Indenture in accordance with and within the time periods provided for herein.

(b) The Issuer (i) will diligently pursue any and all actions to enforce its rights under each instrument or agreement included in the Collateral and (ii) will not take any action and will use its best efforts not to permit any action to be taken by others that would release any Person from any of such Person's covenants or obligations under

any such instrument or agreement or that would result in the amendment, hypothecation, subordination, termination or discharge of, or impair the validity or effectiveness of, any such instrument or agreement, except, in each case, as expressly provided in this Indenture, the Master Transfer and Servicing Agreement or any other Program Agreement.

(c) The Issuer will enforce the Servicer's compliance with and performance of all of the Servicer's material obligations under the Master Transfer and Servicing Agreement. The Issuer will enforce the Manager's compliance with and performance of all of the Manager's material obligations under the Management Agreement.

13.08 Funding Obligations

The Issuer will ensure that all indebtedness is incurred pursuant to and in accordance with Article V. The Issuer will not enter into any Funding Obligation Agreement, other than a Warehouse Facility Agreement, that provides for Issuer Funding Obligations that have principal repayment obligations that the Manager believes, acting reasonably having regard to the Financing Plan and all Issuer Funding Obligations then outstanding, would likely require the Issuer to satisfy payments of principal on any Principal Payment Date in respect of such Issuer Funding Obligations by means of a Refinancing other than a Pre-Approved Refinancing.

13.09 Financial Statements

The Issuer will deliver or cause to be delivered to the Indenture Trustee and the Rating Agencies within 140 days after the end of each fiscal year audited financial statements of the Issuer for the fiscal year, including the balance sheet and statements of income, retained earnings and changes in financial position of the Issuer, and within 90 days after the end of each fiscal quarter, other than the fiscal quarter of the Issuer ending on the fiscal year end of the Issuer, unaudited financial statements of the Issuer for such fiscal quarter of the Issuer, including the balance sheet and statements of income, retained earnings and changes in financial position of the Issuer. The Indenture Trustee shall send a copy of each financial statement delivered pursuant to this Section 13.09 to each Noteholder.

13.10 Statement as to Compliance

The Issuer will deliver to the Indenture Trustee and the Rating Agencies, on or before March 31 of each year, beginning in 2018, a written statement signed by a Responsible Officer of the Issuer stating that:

(a) a review of the activities of the Issuer during the prior year and of the Issuer's performance under this Indenture and under the terms of the Notes has been made under such Responsible Officer's supervision; and

(b) to the best of such Responsible Officer's knowledge, based on such review, the Issuer has complied in all material respects with all conditions and covenants under this Indenture throughout such year and that no Default or Event of Default has occurred, or, if there has been a material Default or an Event of Default has

occurred, specifying each such Default or Event of Default known to such Responsible Officer and the nature and status thereof.

13.11 Payment Instructions

Promptly after the receipt by the Issuer of each Monthly Report under the Master Transfer and Servicing Agreement, the Issuer will, in cooperation with the Manager, complete the Payment Instruction in respect of the Collection Account and deliver a copy thereof to the Indenture Trustee and the Paying Agent (if the Paying Agent is not the Indenture Trustee) at least two (2) Business Days prior to the applicable Payment Date. At least two (2) Business Days prior to any date on which payments are to be made pursuant to Sections 7.05 to 7.11, the Issuer will, in cooperation with the Manager, complete and deliver to the Indenture Trustee and the Paying Agent (if the Paying Agent is not the Indenture Trustee) a copy of the Payment Instruction in respect of the Interest Accumulation Account, the Principal Accumulation Account, the IESO Cash Reserve Account, the Program Cash Reserve Account, the Protection Account or any Series Account, as applicable.

13.12 Notice of Certain Events; Protection Event

(a) The Issuer agrees to give the Indenture Trustee and the Rating Agencies prompt written notice of: (i) each Event of Default; (ii) each breach on the part of the Issuer or the Servicer of its respective obligations under the Master Transfer and Servicing Agreement, including any Servicer Default (notice of which Servicer Default shall state that it is a "Notice of Servicer Default"); (iii) each breach on the part of the Manager of its obligations under the Management Agreement; (iv) any default of the Issuer or a Derivative Counterparty under a Derivative Agreement; and (v) any Protection Event and the nature thereof.

(b) Within 10 Business Days after receipt by the Indenture Trustee of notice of any Servicer Default or Protection Event, the Indenture Trustee shall provide notice thereof to each Specified Creditor; provided, however, that the Indenture Trustee shall not be liable for failing to distribute any written notice pursuant to this subsection 13.12(b) to any party that is at the time of delivery a Specified Creditor but is not on the lists of Specified Creditors held by the Indenture Trustee pursuant to subsection 9.14(a).

(c) Upon the occurrence of a Protection Event, if a request has been made by the Issuer or any Controlling Class Creditor, the Indenture Trustee shall deliver a written demand to the Province requiring the Province to make payments on Obligations Secured pursuant to and in accordance with the Change of Law Protection Agreement. If, following such request, the Indenture Trustee does not deliver such written demand to the Province within 10 days of such request, any Controlling Class Creditor shall be entitled to deliver such written demand to the Province.

13.13 Issuer To Furnish Indenture Trustee Names and Addresses of Specified Creditors

(a) The Issuer will furnish or cause to be furnished to the Indenture Trustee:

(i) not more than 15 days after each Record Date, in such form as the Indenture Trustee may reasonably require, a list of the names and addresses of the Registered Noteholders of each applicable Class, Series or Tranche as of such date, and

(ii) at such other times as the Indenture Trustee may request in writing, within 30 days after the receipt by the Issuer of any such request, a list of similar form and content as of a date not more than 15 days before the time such list is furnished;

provided, however, that so long as the Indenture Trustee is the Note Registrar, no such lists shall be required to be furnished.

(b) Upon written request from the Indenture Trustee, within 10 Business Days after the receipt by the Issuer of any such request, the Issuer will furnish or cause to be furnished to the Indenture Trustee a list, substantially in the form of Exhibit 3 (and in .pdf file format) of the names and addresses of all Specified Creditors (other than Noteholders), together with a reference to such Specified Creditor's Program Agreement, provided that no written request shall be required for the deliveries in subsection 5.01(h) or 5.03(c).

13.14 Other Positive Covenants

The Issuer will:

(a) in the event that the Issuer shall be required to file tax returns, the Manager shall prepare or shall cause to be prepared such tax returns and shall provide such tax returns to the Issuer for signature at least five (5) Business Days before such tax returns are due to be filed. The Issuer, in accordance with the terms of each applicable Supplemental Indenture, shall also prepare or shall cause to be prepared all tax information required by applicable law to be distributed to any Noteholder and shall deliver such information to the Indenture Trustee at least five (5) Business Days prior to the date it is required by applicable law to be distributed to any Noteholder. The Indenture Trustee, upon written request, will furnish the Manager with all such information known to the Indenture Trustee as may be reasonably requested and required in connection with the preparation of all tax returns of the Issuer;

(b) subject to the payment priorities provided in Sections 7.04(e) and 8.13, pay or cause to be paid all Taxes levied, assessed or imposed upon the Issuer and its property or any part thereof, as and when the same become due and payable; provided that the Issuer may protest the payment of any such Taxes if it is acting in good faith and if it either provides the Indenture Trustee with cash in an amount sufficient to satisfy the same or otherwise satisfies the Indenture Trustee that its interests are not prejudiced thereby and the Rating Agency Condition is satisfied;

(c) upon the written request of the Indenture Trustee, use reasonable commercial efforts, following any (i) termination or resignation of the Servicer, the Manager or

the Paying Agent or, in each case, any successor thereof; or (ii) termination, non-renewal or expiry of a Liquidity Agreement or a Credit Enhancement Agreement (other than, in the latter case, a termination, non-renewal or expiry which occurs because neither party thereto has any further obligation thereunder), to appoint and enter into an agreement with a successor to such Servicer, Manager or Paying Agent, or replace or renew such Liquidity Agreement or Credit Enhancement Agreement, in form and substance the same as the applicable provisions in the previously existing Program Agreement and will notify the Indenture Trustee and the Rating Agencies of each such occurrence and new agreement, and will execute and deliver all Supplemental Indentures and amendments hereto and all instruments of further assurance and other instruments and will take other and further action as the Indenture Trustee, relying on the advice of counsel, may consider necessary or advisable to assign and render subject to this Indenture any such agreement; and

(d) deliver or cause to be delivered to the Indenture Trustee and the Rating Agencies on a confidential basis (excepting only, on the part of the Rating Agencies, for purposes of rating the securities of the Issuer) (i) copies of all Program Agreements (including any amendments thereto) in effect from time to time; and (ii) such reports and other information relating to the conduct of the business and affairs of the Issuer as the Indenture Trustee and the Rating Agencies may reasonably require including, without limitation, information pertaining to any actual or anticipated Event of Default or other event which could reasonably be anticipated to have a material adverse effect on the affairs of the Issuer.

13.15 Rule 144A Information

For so long as Notes of any Class, Series or Tranche are "restricted securities" within the meaning of Rule 144(a)(3) under the Securities Exchange Act, the Issuer agrees to provide to any Noteholder of such Class, Series or Tranche and to any prospective purchaser of Notes designated by such Noteholder, upon the request of such Noteholder or prospective purchaser, any information required to be provided to such Noteholder or prospective purchaser to satisfy the conditions set forth in Rule 144A(d)(4) under the Securities Exchange Act.

13.16 Further Instruments and Acts

Upon request of the Indenture Trustee or as necessary, the Issuer will execute and deliver such further instruments and do such further acts (including, but not limited to, disclosing or causing to be disclosed information) as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

13.17 No Other Business

The Issuer will not engage in any business other than as permitted under the Declaration of Trust or the other Program Agreements and activities ancillary thereto.

13.18 Amendments to Program Agreements

(a) Unless the Rating Agency Condition is satisfied, the Issuer will not make any material amendments to any Program Agreement (other than this Indenture and individual trade confirmations under Derivative Agreements).

(b) Without in any way limiting clause (a), the Issuer will not:

(i) enter into any Co-Owner Agreement without the consent of Controlling Class Creditors, acting pursuant to an Ordinary Resolution;

(ii) amend, supplement, modify, restate or replace, or waive or consent to a postponement of compliance with the terms and conditions on the part of any other party to, any of the Program Agreements (other than this Indenture, Derivative Agreements and the Declaration of Trust), if any such supplementation, amendment, modification, restatement or replacement, or waiver or consent, could reasonably be considered to be materially prejudicial to the rights or interests of any Specified Creditor(s), except as expressly permitted by such Specified Creditor(s) and subject to the Province having been given 10 Business Days' prior notice; provided that failure to provide such notice shall not invalidate such amendment, supplementation, modification, restatement or replacement, or waiver or consent; or

(iii) consent, if consent is required, to the resignation of the Manager under the Management Agreement.

(c) Without in any way limiting clause (a), the Issuer will not amend the Declaration of Trust if such amendment would have an Adverse Effect or would reasonably be expected to have an Adverse Effect at any time in the future; provided that if an amendment would have, or would reasonably be expected to have, an Adverse Effect, such amendment may only be made if the Issuer has obtained the consent of the Debtholders affected thereby, acting pursuant to an Ordinary Resolution.

(d) Upon receipt of an Issuer Certificate directing it to do so (provided that the Issuer has certified that the conditions set forth in Section 13.18(b) or 13.18(c), as applicable, have been satisfied), the Indenture Trustee shall execute any amendment, supplementation, modification, restatement or replacement of any Program Agreement to which it is a party (by acknowledgment or otherwise).

13.19 Issuer May Consolidate, Etc., Only on Certain Terms

The Issuer shall not consolidate or merge with or into any other Person, or sell, convey, exchange, transfer or otherwise dispose of any of its properties or assets included in the Collateral to any Person (in this Section 13.19, a "**transaction**"), unless:

(a) the Person (if other than the Issuer) formed by or surviving the consolidation or merger, or the Person that acquires by conveyance or transfer the properties and

assets of the Issuer the conveyance or transfer of which is restricted, as applicable, shall: (i) be a Financing Entity, (ii) be organized and existing under the laws of Canada or any province or territory thereof, (iii) not be a Non-resident, (iv) not be subject to regulation as an "investment company" under the Investment Company Act, (v) expressly assume, pursuant to an assignment and/or assumption agreement or supplement executed and delivered to the Indenture Trustee, in a form satisfactory to the Indenture Trustee, the due and punctual payment of all Obligations Secured then outstanding and the performance or observance of every agreement and covenant of the Issuer in this Indenture and the other Program Agreements to which the Issuer is a party; and (vi) in the case of a conveyance or transfer only, expressly agree, by means of such assignment and/or assumption agreement or supplement, that (A) all right, title and interest so conveyed or transferred is subject and subordinate to the Security Interest, and (B) it shall make all filings required by applicable securities laws in connection with the Notes;

(b) immediately after giving effect to such transaction, no Event of Default shall have occurred and be continuing;

The

Indenture Trustee shall give such notice to the Note Registrar and the Paying Agent at the time such notice is given to Noteholders.

(b) Notwithstanding a final distribution to the Noteholders of any Class, Series or Tranche of Notes (or the termination of the Issuer), except as otherwise provided in this paragraph, all funds then on deposit in any Series Account allocated solely to such Noteholders shall continue to be held in trust for the benefit of such Noteholders, and the Paying Agent or the Indenture Trustee shall pay such funds to such Noteholders upon surrender of their Notes, if certificated. In the event that all such Noteholders shall not surrender their Notes for cancellation within six (6) months after the date specified in the notice from the Indenture Trustee described in paragraph (a), the Indenture Trustee shall give a second notice to the remaining such Noteholders to surrender their Notes for cancellation and receive the final distribution with respect thereto (which surrender and payment, in the case of Bearer Notes, shall be outside the United States). If within one (1) year after the second notice all such Notes shall not have been surrendered for cancellation, the Indenture Trustee may take appropriate steps, or may appoint an agent to take appropriate steps, to contact the remaining such Noteholders concerning surrender of their Notes, and the cost thereof shall be paid out of the funds in the Collection Account or any Series Account held for the benefit of such Noteholders. The Indenture Trustee and the Paying Agent shall pay to the Issuer any monies held by them for the payment of principal or interest that remains unclaimed for two (2) years. After payment to the Issuer, Noteholders entitled to the money must look to the Issuer for payment as general creditors unless an applicable abandoned property law designates another Person.

In no event shall the Indenture Trustee or the Issuer Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; it being understood that the Indenture Trustee and the Issuer Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

Any such certificate or opinion of, or representation by, counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, the Issuer stating that the information with respect to such factual matters is in the possession of the Issuer, unless such counsel knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations are erroneous.

1.04 Actions by Noteholders

(a) Any request, demand, authorization, direction, notice, consent, resolution, waiver or other action (collectively, an "**Action**") provided by this Indenture to be given or taken by Noteholders of any Class, Series or Tranche may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Noteholders in person or by an agent duly appointed in writing. In addition, any Action provided by this Indenture to be given or taken by such Noteholders may, alternatively, be embodied in and evidenced by the record of such Noteholders voting in favor thereof, either in person or by proxies duly appointed

in writing, at any meeting of Noteholders duly called and held in accordance with the provisions of Article X or a combination of such instruments and any such record. Except as herein otherwise expressly provided, such Action will become effective when such instrument or instruments or record are delivered to the Indenture Trustee, and, where it is hereby expressly required, to the Issuer. Proof of execution of any such instrument or of a writing appointing any such agent, or the holding by any Person of a Note, will be sufficient for any purpose of this Indenture and (subject to Section 9.01) conclusive in favor of the Indenture Trustee and the Issuer, if made in the manner provided in this Section 1.04. The record of any meeting of Noteholders shall be proved in the manner provided in Article X.

(b) The fact and date of the execution of any such instrument or writing, or the authority of the person executing the same, may be proved in any manner which the Indenture Trustee deems sufficient.

(c) (i) The ownership of Registered Notes will be proved by the Note Register.

(ii) The ownership of Bearer Notes or coupons will be proved by the production of such Bearer Notes or coupons or by a certificate, satisfactory to the Issuer and the Indenture Trustee, executed, as depositary, by any bank, trust company, recognized securities dealer, as depositary, wherever situated, satisfactory to the Issuer. Each such certificate will be dated and will state that on the date thereof a Bearer Note or coupon bearing a specified serial number was deposited with or exhibited to such bank, trust company or recognized securities dealer by the Person named in such certificate. Any such certificate may be issued in respect of one or more Bearer Notes or coupons specified therein. The holding by the Person named in any such certificate of any Bearer Note specified therein will be presumed to continue for a period of one year from the date of such certificate unless at the time of any determination of such holding (A) another certificate bearing a later date is issued in respect of the same Bearer Note or coupon produced, (B) the Bearer Note or coupon specified in such certificate is produced by some other Person or (C) the Bearer Note or coupon specified in such certificate has ceased to be Outstanding.

(d) The fact and date of execution of any such instrument or writing, the authority of the Person executing the same and the principal amount and serial numbers of Bearer Notes held by the Person so executing such instrument or writing and the date of holding the same may also be proved in any other manner which the Indenture Trustee deems sufficient; and the Indenture Trustee may in any instance require further proof with respect to any of the matters referred to in this Section 1.04.

(e) If the Issuer will solicit from the Noteholders any Action, the Issuer may, at its option, by an Issuer Certificate, fix in advance a record date for the determination of Noteholders entitled to give such Action, but the Issuer will have no obligation

to do so. If the Issuer does not so fix a record date, such record date will be the later of 30 days before the first solicitation of such Action or the date of the most recent list of Noteholders furnished to the Indenture Trustee pursuant to Section 13.13 before such solicitation. Such Action may be given before or after the record date, but only the Noteholders of record at the close of business on the record date will be deemed to be Noteholders for the purposes of determining whether Noteholders of the requisite proportion of Outstanding Notes have authorized or agreed or consented to such Action, and for that purpose the Outstanding Notes will be computed as of the record date; provided that no such authorization, agreement or consent by the Noteholders on the record date will be deemed effective unless it will become effective pursuant to the provisions of this Indenture not later than six (6) months after the record date.

(f) Any Action by a Noteholder will bind the holder of every Note issued upon the transfer thereof or in exchange therefor or in lieu thereof, in respect of anything done or suffered to be done by the Indenture Trustee or the Issuer in reliance thereon whether or not notation of such Action is made upon such Note.

(g) Without limiting the foregoing, a Noteholder entitled hereunder to take any Action hereunder with regard to any particular Note may do so with regard to all or any part of the principal amount of such Note or by one or more duly appointed agents each of which may do so pursuant to such appointment with regard to all or any part of such principal amount. Any notice given or Action taken by a Noteholder or its agents with regard to different parts of such principal amount pursuant to this paragraph shall have the same effect as if given or taken by separate Noteholders of each such different part.

(h) Without limiting the generality of the foregoing, unless otherwise specified pursuant to one or more Supplemental Indentures, a Noteholder, including a Depository that is the holder of a Global Note, may make, give or take, by a proxy or proxies duly appointed in writing, any Action provided in this Indenture to be made, given or taken by Noteholders, and a Depository that is the holder of a Global Note may provide its proxy or proxies to the beneficial owners of interests in or security entitlements to any such Global Note through such Depository's standing instructions and customary practices.

(i) The Issuer may fix a record date for the purpose of determining the Persons who are beneficial owners of interests in or security entitlements to any Global Note held by a Depository entitled under the procedures of such Depository to make, give or take, by a proxy or proxies duly appointed in writing, any Action provided in this Indenture to be made, given or taken by Noteholders. If such a record date is fixed, the Noteholders on such record date or their duly appointed proxy or proxies, and only such Persons, shall be entitled to make, give or take such Action, whether or not such Noteholders remain Noteholders after such record date. No such Action shall be valid or effective if made, given or taken more than six (6) months after such record date.

1.05 Actions of Lenders

Any Action provided by this Indenture to be given or taken by any Lender or group of Lenders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Lender(s) in person or an agent duly appointed in writing. Proof of execution of any such instrument or of a writing appointing any such agent will be sufficient for any purpose of this Indenture and (subject to Section 9.01) conclusive in favour of the Indenture Trustee and the Issuer, if made in the manner provided in Section 1.04(b).

1.06 Effect of Headings and Table of Contents

2.02 Recording, Etc.

(a) The Issuer intends the Security Interest granted pursuant to this Indenture in favor of the Indenture Trustee to be prior to all other Liens in respect of the Collateral. The Issuer will take all actions necessary to maintain a perfected Lien on the Collateral in favor of the Indenture Trustee.

(b) The Indenture Trustee shall hold each item of the Collateral separate and apart from all other property held by the Indenture Trustee.

(c) The Issuer will from time to time execute, authorize and deliver all such supplements and amendments hereto and all such financing statements, amendments thereto, instruments of further assurance and other instruments, all as prepared by the Issuer, and will take such other action necessary or advisable to:

(i) The Issuer will cause this Indenture, all amendments and supplements hereto and all financing statements and all amendments to such financing statements and any other necessary documents covering the Indenture Trustee's right, title and interest in and to the Collateral to be promptly recorded, registered and filed, and at all times to be kept recorded, registered and filed, all in such manner and in such places as may be required by applicable law to fully preserve and protect the right, title and interest of the Indenture Trustee in and to all property comprising the Collateral. The Issuer hereby authorizes the filing of financing statements (and amendments of financing statements) that name the Issuer as debtor and the Indenture Trustee as secured party and that cover all personal property of the Issuer. The Issuer also hereby ratifies the filing of any such financing statements (or amendments of financing statements) that were filed prior to the execution hereof.

(ii) The Issuer shall not change its name, its jurisdiction of formation or its type of organization unless it has provided the Indenture Trustee and each Rating Agency with 30 days prior written notice and it has first (A) made all filings and taken all actions in all relevant jurisdictions under the PPSA and other applicable law as are necessary to continue and maintain the first priority perfected Security Interest of the Indenture Trustee in the Collateral, and (B) delivered to the Indenture Trustee (with a copy to each Rating Agency) an Opinion of Counsel to the effect that all necessary filings have been made under the PPSA (and where applicable, the equivalent thereof) in all relevant jurisdictions as are necessary to continue and maintain the first priority perfected Security Interest of the Indenture Trustee in the Collateral.

2.04 Suits to Protect the Collateral

Subject to the provisions of this Indenture, the Indenture Trustee will have the power to institute and to maintain such suits and proceedings as it may deem expedient to prevent any impairment of the Collateral by any acts which may be unlawful or in violation of this Indenture, and such suits and proceedings as the Indenture Trustee may deem expedient to preserve or protect the interests of the Specified Creditors and the interests of the Indenture Trustee in the Collateral (including the power to institute and maintain suits or proceedings to restrain the enforcement of, or compliance with, any legislative or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid if the enforcement of, or compliance with, such enactment, rule or order would impair the Security Interest or be prejudicial to the interests of the Specified Creditors or the Indenture Trustee).

2.05 Purchaser Protected

In no event will any purchaser in good faith of any property purported to be released hereunder be bound to ascertain the authority of the Indenture Trustee to execute the release or to inquire as to the satisfaction of any conditions required by the provisions hereof for the exercise of such authority or to see to the application of any consideration given by such purchaser or other transferee; nor will any purchaser or other transferee of any property or rights permitted by this Article II to be sold be under any obligation to ascertain or inquire into the authority of the Issuer to make any such sale or other transfer.

2.06 Powers Exercisable by Receiver or Indenture Trustee

In case the Collateral shall be in the possession of a receiver or trustee lawfully appointed, the powers conferred in this Article II upon the Issuer with respect to the release, sale or other disposition of such property may be exercised by such receiver or trustee, and an instrument signed by such receiver or trustee shall be deemed the equivalent of any similar instrument of the Issuer or of any officer or officers thereof required by the provisions of this Article II.

2.07 Determinations Relating to Collateral

In the event (i) the Indenture Trustee shall receive any written request from the Issuer for consent or approval with respect to any matter or thing relating to any Collateral or the Issuer's obligations with respect thereto, (ii) there shall be due to or from the Indenture Trustee under the provisions hereof any performance or the delivery of any instrument, or (iii) the Indenture Trustee shall become aware of any nonperformance by the Issuer of any covenant or any breach

of any representation or warranty of the Issuer set forth in this Indenture, then, in each such event, the Indenture Trustee shall be entitled to hire experts, consultants, agents and attorneys to advise the Indenture Trustee on the manner in which the Indenture Trustee should respond to such request or render any requested performance or response to such nonperformance or breach (the expenses of which will be reimbursed to the Indenture Trustee pursuant to Section 9.05). The Indenture Trustee will be fully protected in the taking of any action recommended or approved by any such expert, consultant, agent or attorney, or agreed to by Extraordinary Resolution.

2.08 Satisfaction and Discharge of Indenture

(a) The Issuer may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture with respect to any Class, Series or Tranche of Issuer Funding Obligations or for any other purpose, pay, or by an Issuer Certificate direct any Paying Agent to pay, to the Indenture Trustee all sums held in trust by the Issuer or such Paying Agent in respect of each and every Class, Series or Tranche of Issuer Funding Obligations as to which it seeks to discharge this Indenture or, if for any other purpose, all sums so held in trust by the Issuer in respect of all Issuer Funding Obligations, such sums to be held by the Indenture Trustee upon the same trusts as those upon which such sums were held by the Issuer or such Paying Agent; and, upon such payment by any Paying Agent to the Indenture Trustee, such Paying Agent will be released from all further liability with respect to such money.

(b) This Indenture will cease to be of further effect with respect to any Class, Series or Tranche of Issuer Funding Obligations (except as to any surviving rights of transfer or exchange of Notes of that Class, Series or Tranche expressly provided for herein or in any form of Note for that Class, Series or Tranche), and the Indenture Trustee, on demand of and at the expense of the Issuer, will execute proper instruments acknowledging satisfaction and discharge of this Indenture as to that Class, Series or Tranche, when:

(i) (A) in the case of Notes, all Notes of that Class, Series or Tranche theretofore Outstanding (other than (x) Notes of that Class, Series or Tranche which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 16.05(b), and (y) Notes of that Class, Series or Tranche for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from that trust, as provided in Section 16.05(b)) have been delivered to the Indenture Trustee for cancellation or been cancelled, or (B) in the case of all other Issuer Funding Obligations, all Issuer Funding Obligations of that Class, Series or Tranche have been paid in full, as certified by the Issuer to the Indenture Trustee;

(ii) the Issuer has paid or caused to be paid all other sums payable under the Indenture (including payments to the Indenture Trustee pursuant to Section

9.05) by the Issuer with respect to the Issuer Funding Obligations of that Class, Series or Tranche; and

(iii) the Issuer has delivered to the Indenture Trustee an Issuer Certificate and an Opinion of Counsel each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture with respect to the Issuer Funding Obligations of that Class, Series or Tranche have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture with respect to any Class, Series or Tranche of Issuer Funding Obligations, the obligations of the Issuer to the Indenture Trustee with respect to that Class, Series or Tranche of Issuer Funding Obligations under Section 9.05 and the obligations of the Indenture Trustee under Sections 7.13 and 16.05(b) will survive such satisfaction and discharge.

(c) This Indenture will cease to be of further effect, and the Indenture Trustee, on demand of and at the expense of the Issuer, will execute proper instruments acknowledging satisfaction and discharge of this Indenture, when all Issuer Funding Obligations have been satisfied and discharged in accordance with clause (b) and all other Obligations Secured have been paid in full, as certified by the Issuer to the Indenture Trustee.

2.09 Release of all Collateral

(a) Subject to the payment of its fees and expenses pursuant to Section 9.05, the Indenture Trustee shall, at the request of the Issuer or when otherwise required by the provisions of this Indenture, execute instruments to release Collateral from the Security Interest of this Indenture, or convey the Indenture Trustee's interest (which is held by the Indenture Trustee for the benefit of the Specified Creditors) in the same, in a manner and under circumstances which are not inconsistent with the provisions of this Indenture. No party relying upon an instrument executed by the Indenture Trustee as provided in this Article II will be bound to ascertain the Indenture Trustee's authority, inquire into the satisfaction of any conditions precedent or see to the application of any funds.

(b) Upon delivery of an Officer's Certificate of the Issuer certifying that all Issuer Funding Obligations and all other Obligations Secured have been satisfied and discharged by complying with the provisions of Section 2.08 and all applicable Program Agreements, the Indenture Trustee shall execute and deliver such releases, termination statements and other instruments (in recordable form, where appropriate) as the Issuer may reasonably request evidencing the termination of the Security Interest created by this Indenture.

(c) The Issuer and the Specified Creditors shall be entitled to receive at least 10 days' written notice when the Indenture Trustee proposes to take any action pursuant to clause (a), accompanied by copies of any instruments involved, and the Indenture

Trustee shall also be entitled to require, as a condition to such action, an Opinion of Counsel, stating the legal effect of any such action, outlining the steps required to complete the same, and concluding that all conditions precedent to the taking of such action have been complied with. Counsel rendering any such opinion may rely, without independent investigation, on the accuracy and validity of any certificate or other instrument delivered to the Indenture Trustee in connection with any such action.

2.10 Certain Commercial Law Representations and Warranties

The Issuer hereby makes the following representations and warranties. Such representations and warranties shall survive until the termination of this Indenture. Such representations and warranties speak of the date that a Lien in the Collateral is granted to the Indenture Trustee and shall not be waived by any of the parties to this Indenture unless the Rating Agency Condition is satisfied.

(a) This Indenture constitutes the grant of a first priority perfected Lien by the Issuer to the Indenture Trustee in the Collateral which, in the case of the existing Collateral and the proceeds thereof, is enforceable upon execution and delivery of this Indenture or, with respect to after-acquired property, as of the date such property is acquired, and which will be enforceable with respect to the Collateral hereafter and thereafter created and the proceeds thereof upon such creation. Upon the filing of the assignments, financing statements and continuation statements (and other documents where applicable) and, in the case of after-acquired Collateral and the proceeds thereof, upon its creation, the Indenture Trustee shall have a first priority perfected Lien in such property and proceeds.

(b) At the time of its grant of any Lien in the Collateral pursuant to this Indenture, the Issuer owned and had good and marketable title to such Collateral free and clear of any Lien of any other Person (other than Permitted Liens).

(c) The Issuer has caused the filing of all appropriate financing statements in the proper filing office in the Province of Ontario under applicable law in order to perfect the Security Interest.

(d) Other than the Security Interest, the Issuer has not pledged, assigned, sold, granted a Lien in, or otherwise conveyed, the Collateral. The Issuer has not authorized the filing of and is not aware of any financing statements against the Issuer that include a description of the Collateral other than any financing statement relating to the Security Interest or that has been terminated. The Issuer is not aware of any judgment or Tax lien filings against the Issuer.

3.04 Notes Issuable in the Form of a Global Note

(a) If the Issuer establishes that the Notes of a particular Class, Series or Tranche are to be issued in whole or in part in the form of one or more Global Notes, then the Issuer will execute and the Indenture Trustee or its agent will, in accordance with Section 4.03 and the Issuer Certificate delivered to the Indenture Trustee or its agent thereunder, authenticate and deliver, such Global Note or Global Notes, which, unless otherwise provided in the Related Supplemental Indenture (i) will represent, and will be denominated in an amount equal to the aggregate Stated Principal Amount (or in the case of Discount Notes, the aggregate Stated Principal Amount at the Principal Payment Date of such Notes) of the Outstanding Notes of such Class, Series or Tranche to be represented by such Global Note or Global Notes, or such portion thereof as the Issuer will specify in an Issuer Certificate, (ii) in the case of Registered Notes, will be registered in the name of the Depository for such Global Note or Global Notes or its nominee, (iii) will be delivered by the Issuer or its agent to the Depository or pursuant to the Depository's instruction, (iv) if applicable, will bear a legend substantially to the following effect: (A) "Unless this Note is presented by an authorized representative of The Depository Trust Company ("**DTC**"), to Fair Hydro Trust (the "**Issuer**") or its agent for registration of transfer, exchange or payment, and any Note issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), any transfer, pledge or other use hereof for value or otherwise by or to any Person is wrongful inasmuch as the registered owner hereof, Cede & Co., has an interest herein", or (B) "Unless this Note is presented by an authorized representative of CDS Clearing and Depository Services Inc. ("**CDS**"), to Fair Hydro Trust (the "**Issuer**") or its agent for registration of transfer, exchange or payment, and any Note issued is registered in the name of CDS & Co. or in such other name as is requested by an authorized representative of CDS (and any payment is made to CDS & Co. or to such other entity as is requested by an authorized representative of CDS), any transfer, pledge or other use hereof for

value or otherwise by or to any Person is wrongful since the registered owner hereof, CDS & Co., has a property interest in the securities represented by this Note and it is a violation of its rights for another Person to hold, transfer or deal with this Note", and (v) may bear such other legend as the Issuer, upon advice of counsel, deems to be applicable.

(b) Notwithstanding any other provisions of this Section 3.04 or of Section 4.05, and subject to the provisions of paragraph (c) below, unless the terms of a Global Note or the Related Supplemental Indenture expressly permit such Global Note to be exchanged in whole or in part for individual Notes, a Global Note may be transferred, in whole but not in part and in the manner provided in Section 4.05, only to a nominee of the Depository for such Global Note, or to the Depository, or a successor Depository for such Global Note selected or approved by the Issuer, or to a nominee of such successor Depository.

(c) With respect to Notes issued within the United States or Canada, unless otherwise specified in the Related Supplemental Indenture, or with respect to Notes issued outside the United States and Canada, if specified in the Related Supplemental Indenture:

(i) If at any time the Depository for a Global Note notifies the Issuer that it is unwilling or unable to continue as Depository for such Global Note or if at any time the Depository for the Notes for such Class, Series or Tranche ceases to be a clearing agency registered under the Securities Exchange Act, or other applicable statute or regulation, in the case of Notes issued within the United States, or ceases to be a clearing agency registered under the *Securities Act* (Ontario), or other applicable statute or regulation, in the case of Notes issued within Canada, the Issuer will appoint a successor Depository with respect to such Global Note. If a successor Depository for such Global Note is not appointed by the Issuer within 90 days after the Issuer receives such notice or becomes aware of such ineligibility, the Issuer will execute, and the Indenture Trustee or its agent, upon receipt of an Issuer Certificate requesting the authentication and delivery of individual Notes of such Class, Series or Tranche in exchange for such Global Note, will authenticate and deliver, individual Notes of such Class, Series or Tranche of like tenor and terms in definitive form in an aggregate Stated Principal Amount equal to the Stated Principal Amount of the Global Note in exchange for such Global Note.

(ii) The Issuer may at any time and in its sole discretion determine that the Notes of any Class, Series or Tranche or portion thereof issued or issuable in the form of one or more Global Notes will no longer be represented by such Global Note or Global Notes. In such event the Issuer will execute, and the Indenture Trustee, upon receipt of a written request by the Issuer for the authentication and delivery of individual Notes of such Class, Series or Tranche in exchange in whole or in part for such Global Note, will authenticate and deliver individual Notes of such Class, Series or

Tranche of like tenor and terms in definitive form in an aggregate Stated Principal Amount equal to the Stated Principal Amount of such Global Note or Global Notes representing such Class, Series or Tranche or portion thereof in exchange for such Global Note or Global Notes.

(iii) If any Event of Default has occurred and is continuing and Noteholders holding more than 50% of the Outstanding Dollar Principal Amount of the Controlling Class Obligations of any Series of Notes held as Global Notes advise the Indenture Trustee and the Depository that Global Notes are no longer in the best interest of the Noteholders of that Series, the holders of those Global Notes may exchange such Notes for individual Notes.

(iv) In any exchange provided for in any of the preceding three paragraphs, the Issuer will execute and the Indenture Trustee or its agent will authenticate and deliver individual Notes in definitive registered form in authorized denominations. Upon the exchange of the entire Stated Principal Amount of a Global Note for individual Notes, such Global Note will be canceled by the Indenture Trustee or its agent. Except as provided in the preceding paragraphs, Notes issued in exchange for a Global Note pursuant to this Section 3.04 will be registered in such names and in such authorized denominations as the Depository for such Global Note, pursuant to instructions from its direct or indirect participants or otherwise, will instruct the Indenture Trustee or the Note Registrar. The Indenture Trustee or the Note Registrar will deliver such Notes to the Persons in whose names such Notes are so registered.

3.05 Temporary Global Notes and Permanent Global Notes

(a) If specified in the Related Supplemental Indenture for any Series, all or any portion of a Global Note may initially be issued in the form of a single temporary global Bearer Note or Registered Note (the "**Temporary Global Note**"), without interest coupons, in the denomination of the entire aggregate principal amount of such Series and substantially in the form set forth in the exhibit with respect thereto attached to the Related Supplemental Indenture. Any Temporary Global Note shall bear such notations as the Issuer may determine to distinguish them from the Permanent Global Notes. The Temporary Global Note will be authenticated by the Indenture Trustee upon the same conditions, in substantially the same manner and with the same effect as the Notes in definitive form. The Temporary Global Note may be exchanged as described below or in the Related Supplemental Indenture for permanent global Bearer Notes or Registered Notes (the "**Permanent Global Notes**").

(b) Unless otherwise provided in the Related Supplemental Indenture, exchanges of beneficial interests in or security entitlements to Temporary Global Notes for beneficial interests in or security entitlements to Permanent Global Notes will be made as provided in this subsection 3.05(b). The Manager will, upon its determination of the date of completion of the distribution of the Notes of such

Series, so advise the Indenture Trustee, the Issuer and the Depository forthwith. Without unnecessary delay, but in any event not prior to the Exchange Date, the Issuer will execute and deliver to the Indenture Trustee (at the office of its designated agent outside the United States in the case of Global Notes in bearer form) Permanent Global Notes in bearer or registered form (as specified in the Related Supplemental Indenture) in an aggregate principal amount equal to the Outstanding Dollar Principal Amount or the Outstanding Currency Specific Dollar Principal Amount of such Series of Notes. Bearer Notes so issued and delivered may have coupons attached. The Temporary Global Note may be exchanged for an equal aggregate principal amount of Permanent Global Notes only on or after the Exchange Date; provided, however, that such Temporary Global Note is accompanied by a certificate dated the Exchange Date or a subsequent date and signed by the beneficial owner as to the portion of such Temporary Global Note held for its account then to be exchanged and a certificate dated the Exchange Date or a subsequent date and signed by the Depository in the form set forth in Exhibit 6-B (or in such other form as may be established pursuant to Section 4.01); and provided further that definitive Bearer Notes shall be delivered in exchange for a portion of a Temporary Global Note only in compliance with the requirements of Section 4.03. A beneficial owner of a Temporary Global Note may instruct the Depository to request an exchange on its behalf on or after the Exchange Date by delivering to the Depository, a certificate in the form set forth in Exhibit 6-A (or in such other form as may be established pursuant to Section 4.01), dated no earlier than 15 days prior to the Exchange Date, copies of which certificate shall be available from the offices of the Depository. A United States Person may exchange its beneficial interest in or security entitlement to the Temporary Global Note only for an equal aggregate principal amount of Permanent Global Notes in registered form bearing the applicable legend set forth in the form of Registered Note attached to the Related Supplemental Indenture and having a minimum denomination of 500,000 units of the applicable currency, which may be in temporary form if the Issuer so elects. The Issuer may waive the 500,000 minimum denomination requirement if it so elects. Upon any demand for exchange for Permanent Global Notes in accordance with this subsection 3.05(b), the Issuer will cause the Indenture Trustee to authenticate and deliver the Permanent Global Notes to the Noteholder (x) outside the United States, in the case of Bearer Notes and (y) according to the instructions of the Noteholder, in the case of Registered Notes. Upon receipt of the certification of the Depository, the Indenture Trustee will cause the Temporary Global Note to be endorsed in accordance with subsection 3.05(d). Any exchange as provided in this Section 3.05 will be made free of charge to the Noteholders and the beneficial owners of the Temporary Global Note and to the beneficial owners of the Permanent Global Note issued in exchange, except that a Person receiving the Permanent Global Note must bear the cost of insurance, postage, transportation and the like in the event that such Person does not receive such Permanent Global Note in person at the offices of a Depository.

(c) The delivery to the Indenture Trustee by a Depository of any written statement referred to above may be relied upon by the Issuer and the Indenture Trustee as

conclusive evidence that a corresponding certification or certifications has or have been delivered to such Foreign Depository pursuant to the terms of this Indenture.

(d) Upon any such exchange of all or a portion of the Temporary Global Note for a Permanent Global Note(s), such Temporary Global Note will be endorsed by or on behalf of the Indenture Trustee to reflect the reduction of its principal amount by an amount equal to the aggregate principal amount of such Permanent Global Note(s). Until so exchanged in full, such Temporary Global Note will in all respects be entitled to the same benefits under this Indenture as Permanent Global Notes authenticated and delivered hereunder except that the beneficial owners of such Temporary Global Note will not be entitled to receive payments of interest on the Notes until they have exchanged their beneficial interests in or security entitlements to such Temporary Global Note for Permanent Global Notes.

3.06 Beneficial Ownership of Global Notes

Until definitive Notes have been issued to the applicable Noteholders pursuant to Section 3.04 or as otherwise specified in any Related Supplemental Indenture:

(a) the Issuer and the Indenture Trustee may deal with the applicable Depository and the Depository's participants for all purposes (including the making of distributions) as the authorized representatives of the respective Note Owners; and

(b) the rights of the respective Note Owners will be exercised only through the Depository and the Depository's participants. Unless and until Notes in definitive form are issued pursuant to Section 3.04, the Depository will make book-entry transfers among the Depository's participants and receive and transmit distributions of principal and interest on the related Notes to such Depository's participants in accordance with the Depository's applicable procedures from time to time.

For purposes of any provision of this Indenture requiring or permitting Actions with the consent of, or at the direction of, Noteholders evidencing a specified percentage of the Outstanding Dollar Principal Amount of Notes, such direction or consent may be given by Note Owners (acting through the Depository and the Depository's participants) owning interests in or security entitlements to Notes evidencing the requisite percentage of principal amount of Notes in accordance with the applicable procedures of the Depository and the Depository's participants.

3.07 Notices to Depository

Whenever any notice or other communication is required to be given to Noteholders with respect to which book-entry Notes have been issued, unless and until Notes in definitive form will have been issued to the related Note Owners, the Indenture Trustee will give all such notices and communications to the applicable Depository.

3.08 CUSIP Numbers

In issuing the Notes, the Issuer may use "CUSIP" numbers (if then generally in use), and, if so, the Indenture Trustee shall use such CUSIP numbers in notices of redemption as a convenience to Noteholders; provided that, subject to Section 9.01, any such notice may state that (a) no representation is made as to the correctness of such CUSIP numbers as printed on the related Notes or as contained in any notice of redemption, (b) reliance may be placed only on the other identification numbers, if any, printed on the Notes and (c) any such redemption shall not be affected by any defect in or omission of such CUSIP numbers. The Issuer will promptly provide the Indenture Trustee with written notice of any change in the CUSIP numbers for any Outstanding Note.

ARTICLE IV
THE NOTES

4.01 General Title, General Limitations, Issuable in Series, Terms of a Series or Tranche of Notes

(a) The aggregate Stated Principal Amount of Notes which may be authenticated and delivered and Outstanding under this Indenture is not limited.

(b) The Notes of any Class may be issued in one or more Series or Tranches.

(c) The Classes of Notes are as set forth in this Indenture. Each Note issued must be part of a Class and Series of Notes for purposes of allocations pursuant to this Indenture and the Related Supplemental Indenture. A Series of Notes is created pursuant to a Supplemental Indenture. A Tranche of Notes is created pursuant to a Supplemental Indenture or pursuant to a Terms Document related to the Supplemental Indenture for the applicable Series.

(d) Each Series of Notes shall be designated in the Related Supplemental Indenture as either Senior Notes, Subordinated Notes or Junior Subordinated Notes. If the Notes of a Series of Notes belong to different Tranches, all Notes of such Series, without regard to the Tranche they are included in, shall be Senior Notes, Subordinated Notes or Junior Subordinated Notes, as applicable to the Series of Notes.

(e) Each Series of Notes may consist of a single Tranche or may be subdivided into multiple Tranches. Notes of a single Series of a Class will belong to different Tranches if they have different terms and conditions. With respect to any Series of Notes, Notes which have identical terms, conditions and Tranche designation will be deemed to be part of a single Tranche of Notes.

(f) Before the initial issuance of Notes of each Series or Tranche, there shall also be established in or pursuant to a Supplemental Indenture or pursuant to a Terms Document related to the applicable Supplemental Indenture, provision for:

(i) the Class of such Series;

(ii) the Series designation;

(iii) the Stated Principal Amount of the Notes;

(iv) whether such Notes are of a particular Tranche of Notes;

(v) the currency or currencies in which such Notes will be denominated and in which payments of principal of, and interest on, such Notes will or may be payable;

(vi) the price or prices at which such Series or Tranche of Notes will be issued;

(vii) the times at which such Series or Tranche of Notes may, pursuant to any optional redemption provisions, be redeemed, and the other terms and provisions of any such redemption;

(viii) the rate per annum at which such Series or Tranche of Notes will bear interest, if any, or the formula or index on which such rate will be determined, including all relevant definitions, and the date from which interest will accrue;

(ix) each Interest Payment Date, each Principal Payment Date and the Principal Payment Default Date for such Series or Tranche of Notes;

(x) the Principal Accumulation Date for such Series of Notes;

(xi) the Principal Accumulation Amounts for such Series of Notes;

(xii) the Initial Dollar Principal Amount or the Initial Currency Specific Dollar Principal Amount of such Notes, and the means for calculating the Outstanding Dollar Principal Amount or the Outstanding Currency Specific Dollar Principal Amount, as applicable, of such Series or Tranche of Notes;

(xiii) whether or not application will be made to list such Series or Tranche of Notes on any securities exchange;

(xiv) any events of default with respect to such Series or Tranche of Notes;

(xv) if such Series or Tranche of Notes will be issued in whole or in part in the form of a Global Note or Global Notes, the terms and conditions, if any, upon which such Global Note or Global Notes may be exchanged in whole or in part for other individual Notes, and the Depository for such Global Note or Global Notes;

(xvi) if such Series or Tranche of Notes will be issued in whole or in part as Registered Notes, Bearer Notes or both, whether such Series or Tranche of Notes are to be issued with or without coupons or both;

(xvii) if such Series or Tranche of Notes are to have the benefit of any Credit Enhancement Agreement or Liquidity Agreement, the terms and provisions of the applicable agreement;

(xviii) the Record Date for any Interest Payment Date or Principal Payment Date of such Series or Tranche of Notes, if different from the last day of the month before the related Interest Payment Date or Principal Payment Date;

(xix) whether and under what conditions, additional amounts will be payable to Noteholders of such Series or Tranche of Notes; and

(xx) any other terms of such Notes as stated in the Related Supplemental Indenture;

all upon such terms as may be determined in or pursuant to the Related Supplemental Indenture.

(g) The Notes of each Class, Series or Tranche will be distinguished from the Notes of each other Class, Series or Tranche in such manner, reasonably satisfactory to the Indenture Trustee, as the Issuer may determine.

(h) Any terms or provisions in respect of the Notes of any Class, Series or Tranche issued under this Indenture may be determined pursuant to this Section 4.01 by providing in the Related Supplemental Indenture for the method by which such terms or provisions will be determined.

4.02 Denominations

The Notes of each Series or Tranche will be issuable in such denominations and currency as will be provided in the provisions of this Indenture or in or pursuant to the Related Supplemental Indenture. In the absence of any such provisions with respect to the Registered Notes of any Series or Tranche, the Registered Notes of that Series or Tranche will be issued in denominations of 100,000 units of the applicable currency and integral multiples of 1,000. In the absence of any such provisions with respect to the Bearer Notes of any Series or Tranche, the Bearer Notes of that Series or Tranche will be issued in denominations of 1,000, 5,000, 50,000 and 100,000 units of the applicable currency.

4.03 Execution, Authentication and Delivery and Dating

(a) The Notes will be executed on behalf of the Issuer by a Responsible Officer of the Issuer. The signature of any Responsible Officer of the Issuer on the Notes may be manual or facsimile or may be given by other electronic means.

(b) Notes bearing the manual, facsimile or other electronic signatures of individuals who were at any time a Responsible Officer of the Issuer will bind the Issuer, notwithstanding that such individuals or any of them have ceased to hold such offices before the authentication and delivery of such Notes or did not hold such offices at the date of issuance of such Notes.

(c) At any time and from time to time after the execution and delivery of this Indenture, the Issuer may deliver Notes executed by the Issuer to the Indenture Trustee for authentication; and the Indenture Trustee will, upon request by an Issuer Certificate, authenticate and deliver such Notes as provided in this Indenture and not otherwise; provided however, that, in connection with its original issuance, no Bearer Note shall be mailed or otherwise delivered to any location in the United States; and provided further that, unless otherwise specified with respect to any Series or Tranche of Notes pursuant to Section 4.01, a Bearer Note may be delivered in connection with its original issuance only if the Person entitled to receive such Bearer Note shall have furnished a certificate in the form set forth in Exhibit 6-A, dated no earlier than 15 days prior to the earlier of the date on which such Bearer Note is delivered and the date on which any temporary Note first becomes exchangeable for such Bearer Note in accordance with the terms of such temporary Note and this Indenture. If any Note shall be represented by a permanent Bearer Note issued as a Global Note, then, for purposes of this Section, Section 3.05, and Section 4.04, the notation of a beneficial owner's interest therein upon original issuance of such Note or upon exchange of a portion of a temporary Global Note shall be deemed to be delivery in connection with its original issuance of such beneficial owner's interest in such permanent Global Note. Except as permitted by Section 4.06, the Indenture Trustee shall not authenticate and deliver any Bearer Note unless all appurtenant coupons for interest then matured have been detached and cancelled.

(d) Before any such authentication and delivery, the Indenture Trustee will be entitled to receive, in addition to any Officer's Certificate and Opinion of Counsel required to be furnished to the Indenture Trustee pursuant to Section 1.02, the Issuer Certificate and any other opinion or certificate relating to the issuance of the Series or Tranche of Notes required to be furnished pursuant to Section 3.02 or Article V.

(e) The Indenture Trustee will not be required to authenticate such Notes if the issue thereof will adversely affect the Indenture Trustee's own rights, duties or immunities under the Notes and this Indenture.

(f) Unless otherwise provided in the form of Note for any Series or Tranche, all Notes will be dated the date of their authentication.

(g) No Note will be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Note a Certificate of Authentication executed by the Indenture Trustee by manual signature of an authorized signatory, and such certificate upon any Note will be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder.

4.04 Temporary Notes

(a) Pending the preparation of definitive Notes of any Series or Tranche, the Issuer may execute, and, upon receipt of the documents required by Section 4.03, the Indenture Trustee will authenticate and deliver, temporary Notes which are printed, lithographed, typewritten, mimeographed or otherwise produced, in any authorized denomination, substantially of the tenor of the definitive Notes in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the Issuer may determine, as evidenced by the Issuer's execution of such Notes. Any temporary Note shall bear such notations as the Issuer may determine to distinguish them from the definitive Notes.

(b) If temporary Notes of any Series or Tranche are issued, the Issuer will cause definitive Notes of such Series or Tranche to be prepared without unreasonable delay. After the preparation of definitive Notes, the temporary Notes of such Series or Tranche will be exchangeable for definitive Notes of such Series or Tranche upon surrender of the temporary Notes of such Series or Tranche at the office or agency of the Issuer in a Place of Payment, without charge to the Noteholder; and upon surrender for cancellation of any one or more temporary Notes, the Issuer will execute and the Indenture Trustee will authenticate and deliver in exchange therefor a like Stated Principal Amount of definitive Notes of such Series or Tranche of authorized denominations and of like tenor and terms; provided, however, that no definitive Bearer Note shall be delivered in exchange for a temporary Registered Note; and provided further that a definitive Bearer Note shall be delivered in exchange for a temporary Bearer Note only in compliance with the conditions set forth in Section 4.03. Until so exchanged, the temporary Notes of such Series or Tranche will in all respects be entitled to the same benefits under this Indenture as definitive Notes of such Series or Tranche.

4.05 Registration, Transfer and Exchange

(a) The Issuer will keep or cause to be kept a register (herein sometimes referred to as the "**Note Register**") in which, subject to such reasonable regulations as it may prescribe, the Issuer will provide for the registration of Registered Notes, or of Registered Notes of a particular Class, Series or Tranche, and for transfers of Registered Notes or of Registered Notes of such Class, Series or Tranche. Any such register will be in written form or in any other form capable of being converted into written form within a reasonable time. At all reasonable times, the information contained in such register or registers will be available for inspection by the Indenture Trustee at the office or agency to be maintained by the Issuer as provided in Section 13.03.

(b) Subject to Section 3.04, upon surrender for transfer of any Registered Note of any Class, Series or Tranche at the office or agency of the Issuer in a Place of Payment, the Issuer will execute, and, upon receipt of such surrendered Note, the Indenture Trustee will authenticate and deliver, in the name of the designated transferee or transferees, one or more new Registered Notes of such Class, Series

or Tranche of any authorized denominations, of a like aggregate Stated Principal Amount, Principal Payment Date(s) and Principal Payment Default Date and of like terms.

(c) Subject to Section 3.04, at the option of the Noteholder, Notes of any Class, Series or Tranche may be exchanged for other Notes of such Class, Series or Tranche of any authorized denominations, of a like aggregate Stated Principal Amount, Principal Payment Date(s) and Principal Payment Default Date and of like terms, upon surrender of the Notes to be exchanged at the office or agency of the Issuer in a Place of Payment. Registered Notes, including Registered Notes received in exchange for Bearer Notes, may not be exchanged for Bearer Notes. At the option of the holder of a Bearer Note, subject to applicable laws and regulations, Bearer Notes may be exchanged for other Bearer Notes or Registered Notes (of the same Class, Series and Tranche of Notes) of authorized denominations of like aggregate fractional undivided interests in the Noteholders' interest, upon surrender of the Bearer Notes to be exchanged at an office or agency of the Note Registrar located outside the United States. Each Bearer Note surrendered pursuant to this Section 4.05 will have attached thereto all unmatured coupons; provided, however, that any Bearer Note so surrendered after the close of business on the last day of the month preceding the relevant Interest Payment Date need not have attached the coupon relating to such Interest Payment Date. Whenever any Notes are so surrendered for exchange, the Issuer will execute, and the Indenture Trustee will authenticate and deliver (in the case of Bearer Notes, outside the United States), the Notes which the Noteholders making the exchange are entitled to receive.

(d) All Notes issued upon any transfer or exchange of Notes will be the valid and legally binding obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Notes surrendered upon such transfer or exchange.

(e) Every Note presented or surrendered for transfer or exchange will (if so required by the Issuer or the Indenture Trustee) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Issuer and the Note Registrar duly executed, by the Noteholder or his attorney duly authorized in writing.

(f) Unless otherwise provided in the Note to be transferred or exchanged, no service charge will be made on any Noteholder for any transfer or exchange of Notes, but the Issuer may (unless otherwise provided in such Note) require payment of a sum sufficient to cover any Tax or other governmental charge that may be imposed in connection with any transfer or exchange of Notes before the transfer or exchange will be complete, other than exchanges pursuant to Section 4.04 or Section 11.05 not involving any transfer.

(g) None of the Issuer, the Note Registrar or the Indenture Trustee shall be required (i) to issue, register the transfer of or exchange any Notes of any Class, Series or Tranche during a period beginning at the opening of business 15 days before the

day of selection of Notes of such Class, Series or Tranche to be redeemed and ending at the close of business on (A) if Notes of such Class, Series or Tranche are issuable only as Registered Notes, the day of the mailing of the relevant notice of redemption of Registered Notes of such Class, Series or Tranche so selected for redemption or (B) if Notes of the Class, Series or Tranche are issuable as Bearer Notes, the day of the first publication of the relevant notice of redemption or, if Notes of the Class, Series or Tranche are also issuable as Registered Notes and there is no publication, the mailing of the relevant notice of redemption or (ii) to register the transfer or exchange of any Notes or portions thereof so selected for redemption.

(h) Notwithstanding anything herein to the contrary, the exchange of Bearer Notes into Registered Notes shall be subject to applicable laws and regulations in effect at the time of exchange; none of the Issuer, the Indenture Trustee or the Note Registrar shall exchange any Bearer Notes into Registered Notes if it has received an Opinion of Counsel that as a result of such exchanges the Issuer would suffer adverse consequences under the Canadian or United States federal income tax laws and regulations then in effect, or the income tax laws of the jurisdiction of the holder of the Bearer Note, and the Issuer has delivered to the Indenture Trustee an Issuer Certificate directing the Indenture Trustee not to make such exchanges unless and until the Indenture Trustee receives a subsequent Issuer Certificate to the contrary. The Issuer shall deliver copies of such Issuer Certificates to the Note Registrar.

(i) None of the Issuer, the Indenture Trustee, any agent of the Indenture Trustee, any Paying Agent or the Note Registrar will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership of a Global Note or for maintaining, supervising or reviewing any records relating to such beneficial ownership.

(j) The Issuer initially appoints the Indenture Trustee to act as Note Registrar for the Registered Notes on its behalf. The Issuer may at any time and from time to time authorize any Person to act as Note Registrar in place of the Indenture Trustee with respect to any Class, Series or Tranche of Notes issued under this Indenture.

(k) Registration of transfer of Notes containing the following legend or to which the following legend is applicable:

THIS NOTE HAS NOT BEEN AND WILL NOT BE REGISTERED UNDER THE U.S. SECURITIES ACT OF 1933, AS AMENDED (THE "**SECURITIES ACT**"), OR ANY OTHER APPLICABLE U.S. STATE SECURITIES LAWS AND, ACCORDINGLY, MAY NOT BE OFFERED OR SOLD WITHIN THE UNITED STATES OR TO, OR FOR THE ACCOUNT OR BENEFIT OF, U.S. PERSONS EXCEPT IN ACCORDANCE WITH THE TRUST INDENTURE AND THE INDENTURE SUPPLEMENT AND PURSUANT TO AN EXEMPTION FROM REGISTRATION UNDER THE SECURITIES ACT OR

PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT.

will be effected only if such transfer is made pursuant to an effective registration statement under the U.S. Securities Act, or is exempt from the registration requirements under the U.S. Securities Act. In the event that registration of a transfer is to be made in reliance upon an exemption from the registration requirements under the U.S. Securities Act other than Rule 144A under the U.S. Securities Act or Rule 903 or Rule 904 of Regulation S under the U.S. Securities Act, the transferor or the transferee will deliver, at its expense, to the Issuer and the Indenture Trustee, an investment letter from the transferee, substantially in a form appended to a Supplemental Indenture authorizing the applicable Series of Notes or such other form as the Issuer may determine, and no registration of transfer will be made until such letter is so delivered.

Notes issued upon registration or transfer of, or Notes issued in exchange for, Notes bearing the legend referred to above will also bear such legend and any other legends required by the Related Supplemental Indenture unless the Issuer, the Indenture Trustee and the Note Registrar receive an Opinion of Counsel, satisfactory to each of them, to the effect that such legend may be removed.

Whenever a Note containing the legend referred to above is presented to the Note Registrar for registration of transfer, the Note Registrar will promptly seek instructions from the Issuer regarding such transfer and will be entitled to receive an Issuer Certificate prior to registering any such transfer. The Issuer hereby agrees to indemnify the Note Registrar and the Indenture Trustee and to hold each of them harmless against any loss, liability or expense incurred without negligence or bad faith on their part arising out of or in connection with actions taken or omitted by them in relation to any such instructions furnished pursuant to this clause. The Indenture Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture, the Related Supplemental Indenture, or under applicable law with respect to any transfer of any interest in any Note other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

(l) By acquiring a Note, each Noteholder that is a United States Person will be deemed to represent, warrant and covenant that either: (i) it is not acquiring the Note (or any interest therein) with the assets of a Benefit Plan or a governmental, church or non-U.S. plan that is subject to any federal, state, local or other non-U.S. law that is substantially similar to Section 406 of ERISA or Section 4975 of the Internal Revenue Code ("**Similar Law**"); or (ii) (A) the Note is rated at least "BBB-" or its equivalent by a nationally recognized statistical rating agency at the time of purchase or transfer, and (B) the acquisition, holding and disposition of the Note will not give rise to a non-exempt prohibited transaction

under Section 406 of ERISA or Section 4975 of the Internal Revenue Code or a violation of any Similar Law.

4.06 Mutilated, Destroyed, Lost and Stolen Notes

(a) If (i) any mutilated Note (together, in the case of Bearer Notes, with all unmatured coupons, if any, appertaining thereto) is surrendered to the Indenture Trustee or the Note Registrar, or the Issuer, the Note Registrar or the Indenture Trustee receive evidence to their satisfaction of the destruction, loss or theft of any Note, and (ii) there is delivered to the Issuer, the Note Registrar or the Indenture Trustee such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Issuer, the Note Registrar or the Indenture Trustee that such Note has been acquired by a protected purchaser, the Issuer will execute and upon its request the Indenture Trustee will authenticate and deliver (in the case of Bearer Notes, outside the United States), in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Note, a new Note of like tenor, Class, Series or Tranche, Principal Payment Date(s), Principal Payment Default Date and Stated Principal Amount, bearing a number not contemporaneously Outstanding.

(b) In case any such mutilated, destroyed, lost or stolen Note has become or is about to become due and payable, the Issuer in its discretion may, instead of issuing a new Note, pay such Note.

(c) Upon the issuance of any new Note under this Section 4.06, the Issuer may require the payment of a sum sufficient to cover any Tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Indenture Trustee) connected therewith.

(d) Every new Note issued pursuant to this Section 4.06 in lieu of any destroyed, lost or stolen Note will constitute an original additional contractual obligation of the Issuer, whether or not the destroyed, lost or stolen Note will be at any time enforceable by anyone, and will be entitled to all the benefits of this Indenture equally and proportionately with any and all other Notes of the same Class, Series or Tranche duly issued hereunder.

(e) The provisions of this Section 4.06 are exclusive and will preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes.

4.07 Persons Entitled to Payment

(a) Unless otherwise provided with respect to such Note pursuant to Section 4.01, interest payable on any Registered Note will be paid to the Person in whose name that Note is registered at the close of business on the most recent Record Date and interest payable on any Bearer Note will be paid to the bearer of that Note (or the applicable coupon) outside of the United States.

(b) Subject to clause (a), each Note delivered under this Indenture upon transfer of or in exchange for or in lieu of any other Note will carry the rights to interest accrued or principal accreted and unpaid, and to accrue or accrete, which were carried by such other Note.

(c) Title to any Bearer Note, including any coupons appertaining thereto, shall pass by delivery. The Issuer, the Indenture Trustee, the Manager and any agent of the Issuer, the Indenture Trustee or the Manager may treat the Person who is proved to be the owner of such Note pursuant to subsection 1.04(c) as the owner of such Note for the purpose of receiving payment of principal of and (subject to this Section 4.07) interest on such Note and for all other purposes whatsoever, whether or not such Note be overdue, and none of the Issuer, the Indenture Trustee, the Manager or any agent of the Issuer, the Indenture Trustee or the Manager will be affected by notice to the contrary.

(d) Delivery of a Note to the Paying Agent by the holder of such Note shall, upon payment thereof, be a good discharge to the Issuer of all obligations evidenced by such Note. The Paying Agent shall not be bound to enquire into the title of any such Noteholder, save as ordered by a court of competent jurisdiction or as required by statute, nor shall it be bound to see to the execution of any trust affecting the ownership of any Note or be affected by notice of any equity that may be subsisting in respect thereof.

(e) Any payment of principal or interest on any Note which is due on a day other than a Business Day shall be payable on the next succeeding Business Day without adjustment for interest thereon and such payment shall be deemed to have been made with the same force and effect as if made on the due date.

(f) Upon the Paying Agent's reasonable request therefor, the Issuer will (i) provide the Paying Agent with any information in its possession or (ii) assist the Paying Agent (to the extent necessary and it is commercially reasonable for the Issuer to do so) to obtain information, in each case, to the extent such information is required by the Paying Agent to comply with its tax reporting and withholding obligations under applicable law with respect to payments to be made to Specified Creditors pursuant to this Indenture and the other Program Agreements, unless the Issuer is prohibited from doing so by applicable law or an obligation of confidentiality by which the Issuer is bound.

4.08 Protection of Notes

(a) The Indenture Trustee shall hold in safekeeping the Notes which have not been issued (but which have been delivered to the Indenture Trustee by or on behalf of the Issuer) pending receipt of an Issuer Certificate. The Indenture Trustee shall acknowledge receipt of the Notes so delivered by signing and returning to the Issuer an acknowledgement of receipt of the Notes, such acknowledgement to be in a form satisfactory to the Issuer.

(b) The Indenture Trustee's responsibility for any Notes held in its custody hereunder shall be limited to using the same diligence in physically safeguarding such Notes as it does for its own securities. The Indenture Trustee shall account for the unissued Notes held in its custody whenever so required by the Issuer. If at any time the Indenture Trustee shall discover that any of such Notes have been lost, damaged, destroyed, stolen or misappropriated, it shall promptly advise the Issuer thereof and identify, to the extent practicable, such Notes.

4.09 Additional Issuances of Notes

(a) There are no restrictions on the timing or amount of any additional issuance of Notes of an Outstanding Series or Tranche of Notes, so long as the conditions described in Article V are satisfied. As of the date of any additional issuance of Notes of an Outstanding Series or Tranche of Notes, the Stated Principal Amount and Outstanding Dollar Principal Amount of that Series or Tranche will be increased to reflect the principal amount of the additional Notes. If the additional Notes are a Series or Tranche of Notes that has the benefit of a Derivative Agreement, the Issuer will enter into a Derivative Agreement for the benefit of the additional Notes. In addition, if the additional Notes are a Series or Tranche of Notes that has the benefit of any Credit Enhancement Agreement or Liquidity Agreement, the Issuer will enter into a Credit Enhancement Agreement or Liquidity Agreement, as applicable, for the benefit of the additional Notes.

(b) When issued, the additional Notes of a Series or Tranche will be identical in all respects to the other Outstanding Notes of that Series or Tranche and will be equally and ratably entitled to the benefits of this Indenture and the Related Supplemental Indenture as the other Outstanding Notes of that Series or Tranche without preference, priority or distinction; provided, however, that if such additional Notes are not fungible with such other Outstanding Notes for United States federal income tax purposes, then such additional Notes shall have a separate ISIN, CUSIP or other identifying number from such other Outstanding Notes.

4.10 Redemption of Notes

(a) Subject to Section 13.24, if the Related Supplemental Indenture for a Series or Tranche of Notes specifies that the Notes of such Series or Tranche will be redeemable, in whole at any time or in part from time to time, such Notes may be redeemed at a redemption price (the "**Redemption Price**") provided for in such Related Supplemental Indenture. In case of any redemption, the provisions of this Section 4.10 shall apply except to the extent provided otherwise in such Related Supplemental Indenture.

(b) The Redemption Price, plus accrued and unpaid interest and other amounts (if any) due thereon to the redemption date, will be payable upon presentation and surrender of the Notes called for redemption at any of the places where the

principal of such Series or Tranche of Notes is expressed to be payable and at any other places specified in the notice of redemption.

(c) If less than all the Notes of any Series or Tranche are to be redeemed at one time, the Notes of such Series or Tranche to be redeemed will be selected by the Indenture Trustee on a *pro rata* basis, disregarding fractions, according to the principal amount of Notes registered in the name of each Noteholder, or in such other manner (which may include random selection by computer) as the Indenture Trustee may consider equitable, provided that such selection will be proportionate (to the nearest 1,000 units of the applicable currency). For this purpose, the Indenture Trustee may make, and from time to time amend, regulations with regard to the manner in which such Notes may be called for redemption and regulations so made will be valid and binding upon all Noteholders notwithstanding the fact that, as a result of such regulations, one or more Notes become subject to redemption in part only. Unless the context otherwise requires, the terms "Note" and "Notes" as used in this Section 4.10 will be deemed to include any part of the principal amount of any Note which in accordance with the foregoing provisions has become subject to redemption.

(d) The holder of any Note called for redemption in part only will be entitled to receive, upon surrender of such Note for payment and without expense to such holder, a new Note or Notes of an aggregate principal amount equal to the unredeemed part of the Note so surrendered, and the Issuer will execute and the Indenture Trustee will certify and deliver to such holder such new Note or Notes; provided, however, that, in the case of a Global Note, an appropriate notation may instead be made on such Global Note to decrease the principal amount thereof to an amount equal to the unredeemed portion thereof.

(e) Notice of intention to redeem any Series or Tranche of Notes will be given by the Issuer in the manner provided in Section 15.03 or otherwise in accordance with the procedures of the Depository at least 15 days but not more than 30 days prior to the date fixed for redemption. Notwithstanding the foregoing, a redemption notice may be delivered more than 30 days prior to the date fixed for redemption if such notice is issued in connection with a satisfaction and discharge of this Indenture with respect to any Series or Tranche of Notes. Every such notice will specify that portion of the principal amount of such Note to be redeemed (provided that no Notes in an aggregate principal amount of 1,000 units of the applicable currency or less will be redeemed in part), the redemption date, the Redemption Price and places of payment, and will state that all interest on the Notes called for redemption will cease to be payable from the redemption date.

(f) Upon notice having been given as provided in Section 4.10(e), the Notes called for redemption or the principal amount to be redeemed of the Notes called for redemption in part, as the case may be, will thereupon become due and payable at the Redemption Price, on the redemption date specified in such notice, in the same manner and with the same effect as if it were the maturity date for such Notes, notwithstanding anything contained in this Indenture or in the Notes to the

contrary. From and after such redemption date, if the money necessary to redeem such Notes has been deposited as provided in Section 4.10(h) or 4.10(i) and affidavits or other proof satisfactory to the Indenture Trustee as to the delivery or mailing of such notices have been delivered to it, such Notes will not be considered as Outstanding under this Indenture and interest upon such Notes will cease to accrue after such date.

(g) If any question arises as to whether notice of redemption or deposit of the redemption money has been given or made available as provided above, such question will be decided by the Indenture Trustee, whose decision will be final and binding upon all interested parties.

(h) Except as may otherwise be provided in the Related Supplemental Indenture or in any Series or Tranche of Notes, or as part of a satisfaction and discharge of this Indenture with respect to any Series or Tranche of Notes where payment has been made in accordance with another provision of this Indenture, upon Notes of a Series or Tranche being called for redemption, the Issuer will deposit with the Indenture Trustee immediately available funds no later than 10:00 a.m. on the date fixed for redemption in the relevant notice of redemption (or such later time on such date as is acceptable to the Indenture Trustee), such sums as may be sufficient to pay the Redemption Price of the Notes to be redeemed, plus accrued and unpaid interest and other amounts (if any) due on such Notes to the redemption date, and will pay to the order of the Indenture Trustee the estimated charges and expenses to be incurred in connection with such redemption. From the sums so deposited and upon surrender of such Notes, the Indenture Trustee will pay or cause to be paid to the holders of the Notes called for redemption the principal thereof, interest and other amounts (if any) thereon to which they are entitled on redemption.

(i) Alternatively, in respect of any Global Notes, the Issuer may, at its option, cause the amount payable on redemption to be sent by wire transfer on the day such redemption payment is due to an account maintained by such Noteholder or any other method acceptable to the Issuer and such Noteholder.

4.11 Purchase of Notes for Cancellation

(a) Provided no Event of Default has occurred and is continuing, the Issuer may purchase or otherwise acquire, at any time and from time to time, all or any of the Outstanding Notes of any Series or Tranche in the market (which will include purchase from or through an investment dealer, participant or a firm holding membership on a recognized stock exchange) or by invitation to tender or by private contract at such prices as it may determine in its sole discretion. The Issuer will deliver to the Indenture Trustee all Notes purchased as aforesaid, when paid, as evidence of such payment.

(b) If, upon an invitation to tender, more Notes of a Series or Tranche are tendered in response to such invitation at the same lowest price than the Issuer is prepared to

accept, Notes of the Series or Tranche to be purchased by the Issuer will be selected by the Indenture Trustee on a *pro rata* basis, disregarding fractions, according to the Outstanding Dollar Principal Amount of Notes registered in the name of each Noteholder, or in such other manner as the Indenture Trustee may consider equitable (which may include random selection by computer), from the Notes tendered by each Noteholder which tendered at such lowest price. For this purpose, the Indenture Trustee may make, and from time to time amend, regulations with respect to the manner in which Notes may be so selected and regulations so made will be valid and binding upon all Noteholders, notwithstanding the fact that, as a result thereof, one or more of such Notes becomes subject to purchase in part only. The holder of any Note of which a part only is purchased, will be entitled to receive upon surrender of such Note for payment and without expense to such holder, a new Note or Notes of an aggregate principal amount equal to the unpurchased part of the Note so surrendered and the Indenture Trustee will certify and deliver to such holder a new Note or Notes; provided, however, that, in the case of a Global Note, an appropriate notation may instead be made on such Global Note to decrease the principal amount thereof to an amount equal to the unpurchased portion thereof.

4.12 Cancellation

All Notes surrendered for payment, redemption, repurchase, transfer, conversion or exchange will, if surrendered to any Person other than the Indenture Trustee, be delivered to the Indenture Trustee and will be promptly canceled by it. The Issuer may at any time deliver to the Indenture Trustee for cancellation any Notes previously authenticated and delivered hereunder which the Issuer may have acquired in any manner whatsoever, and all Notes so delivered will be promptly canceled by the Indenture Trustee. No Note will be authenticated in lieu of or in exchange for any Notes canceled as provided in this Section 4.12, except as expressly permitted by this Indenture. The Indenture Trustee will dispose of all canceled Notes in accordance with its customary procedures and will deliver a certificate of such disposition to the Issuer.

(e) No Specified Creditor having a right to be paid an amount in respect of an Approved Obligation, and no other Person entitled under an Obligation Secured, in each case that ranks equal with or subordinate to the Approved Obligation in respect of which a Subrogation Amount is payable to the Province under subsection 7.10(d), shall be entitled to make any claim or assert any right in or to the amounts paid or payable to the Province under subsection 7.10(d) (including any right of set-off, offset, reimbursement, contribution or indemnity) and no such Specified Creditor or other Person shall have any right or interest in, to or under the Collateral or any proceeds therefrom in respect of any such Subrogation Amount.

(f) Any amount payable to the Province in respect of a Subrogation Amount shall bear interest from and including the date of payment by the Province of the related amount pursuant to subsection 7.10(b) to but excluding the date of payment of the Subrogation Amount to the Province, such interest to accrue at the rate equivalent to the applicable interest rate borne by the related Approved Obligation, and such interest amounts shall be added to their respective Subrogation Amounts and shall consequently be payable in the same priority as the relevant Subrogation Amount under subsection 7.10(d), all such accruing interest amounts to be calculated and added to the Subrogation Amounts by the Manager in its discretion acting in a commercially reasonable fashion.

(h) In preparing any Payment Instructions, the Manager shall reflect the amounts payable under Section 2.01(a) of the Change of Law Protection Agreement, if applicable.

7.12 Payments to be Held in Trust

If, notwithstanding the Payment Waterfalls, any payment on Obligations Secured shall be received at any time by any Specified Creditor, other than in accordance with this Indenture, then the funds received in respect of such payment shall be held by such Specified Creditor in trust for the Issuer and the other Specified Creditors and such Specified Creditor shall forthwith remit to the Indenture Trustee such funds.

(b) a default by the Issuer in the payment of any principal of any Controlling Class Obligations at its Principal Payment Default Date;

(c) any representation or warranty contained in Section 12.01 proves to be incorrect in any material respect when made and such incorrect representation or warranty if capable of being remedied by the Issuer, has not been remedied for a period of 60 days after notice thereof has been given, by registered or certified mail, to the Issuer by the Indenture Trustee or to the Issuer and the Indenture Trustee by Controlling Class Creditors holding at least 25% of the Outstanding Dollar Principal Amount of all Controlling Class Obligations, a written notice specifying such default or breach and requesting it to be remedied and stating that such

notice is a "Notice of Default" hereunder and, as a result of such default, the interests of such Controlling Class Creditors are materially and adversely affected and continue to be materially and adversely affected during the 60-day period;

(d) a default in the performance, or breach, of any covenant of the Issuer in this Indenture in respect of any Controlling Class Obligations (other than an agreement, covenant or warranty a default in the performance of which or the breach of which is elsewhere specifically dealt with in this Section 8.01), all of such covenants in this Indenture which are not expressly stated to be for the benefit of a particular Series of Issuer Funding Obligations being deemed to be in respect of all Series of Issuer Funding Obligations for this purpose, and continuance of such default or breach for a period of 60 days after notice thereof has been given, by registered or certified mail, to the Issuer by the Indenture Trustee or to the Issuer and the Indenture Trustee by Controlling Class Creditors holding at least 25% of the Outstanding Dollar Principal Amount of all Controlling Class Obligations, a written notice specifying such default or breach and requesting it to be remedied and stating that such notice is a "Notice of Default" hereunder and, as a result of such default, the interests of such Controlling Class Creditors are materially and adversely affected and continue to be materially and adversely affected during the 60-day period;

(e) the Issuer fails to maintain its existence or its status as a Financing Entity or an Insolvency Event occurs in respect of the Issuer;

(f) the Change of Law Protection Agreement ceases to be in full force and effect against the Province, or the validity of the Change of Law Protection Agreement or the applicability thereof to the Province or to any Controlling Class Obligations or any other obligations purported to be secured thereby or any material part thereof shall be disaffirmed in writing by or on behalf of the Province;

(g) an Acceleration Event has occurred; provided that Controlling Class Creditors holding at least 25% of the Outstanding Dollar Principal Amount of all Controlling Class Obligations have given, by registered or certified mail, notice to the Issuer and the Indenture Trustee specifying such default and stating that such notice is a "Notice of Default" hereunder;

(h) a default in the performance or breach by the Issuer of its covenant in Section 13.11 and the continuance of such default or breach for a period of three (3) Business Days after notice thereof has been given to the Issuer by the Indenture Trustee;

(i) at any time, the amounts, if any, withdrawn from the Program Cash Reserve Account pursuant to Section 7.08(a) prior to such time, exceeds the aggregate of (x) an amount equal to 0.50% of the largest Outstanding Dollar Principal Amount of all Senior Funding Obligations, Subordinated Funding Obligations and Junior Subordinated Funding Obligations at any time on or before such time, plus (y) the

sum of all amounts deposited to the Program Cash Reserve Account pursuant to Section 7.04(e)(xiii) prior to such time; or

(j) a Servicer Default shall occur.

If Controlling Class Obligations constituting 25% or more of the Outstanding Dollar Principal Amount of all Controlling Class Obligations have been accelerated in accordance with the Related Funding Obligation Agreements, the threshold required to declare an Event of Default described in clause (c), (d) or (g) shall be deemed to have been met and no vote of Controlling Class Creditors to declare an Event of Default shall be required. For greater certainty, failure to pay amounts owing pursuant to a Derivative Agreement shall not constitute grounds for an Event of Default.

8.02 Acceleration of Maturity; Rescission and Annulment

(a) If an Event of Default (other than an Event of Default described in clause (e) or (f) of Section 8.01) occurs and is continuing, then and in each and every such case, unless the principal of all the Controlling Class Obligations shall have already become due and payable, either the Indenture Trustee or Controlling Class Creditors holding not less than 50% of the Outstanding Dollar Principal Amount of all Controlling Class Obligations (treated as one class), by notice in writing to the Issuer (and to the Indenture Trustee if given by such Controlling Class Creditors), may declare the Outstanding Dollar Principal Amount of all Issuer Funding Obligations (other than Derivative Funding Obligations) and all interest accrued or principal accreted and unpaid (if any) thereon to be due and payable immediately, and upon any such declaration the same will become and will be immediately due and payable, notwithstanding anything in this Indenture or any Funding Obligation Agreement to the contrary. In any vote to determine whether the requisite number of Controlling Class Creditors have agreed to accelerate the Issuer Funding Obligations pursuant to this subsection 8.02(a), Controlling Class Creditors whose Controlling Class Obligations have been accelerated in accordance with the Related Funding Obligation Agreements shall be deemed to have voted in favour of acceleration to the extent of the Outstanding Dollar Principal Amount of those Controlling Class Obligations which have been accelerated. If Controlling Class Obligations constituting 50% or more of the Outstanding Dollar Principal Amount of all Controlling Class Obligations have been accelerated in accordance with the Related Funding Obligation Agreements, no vote of Controlling Class Creditors to accelerate the Issuer Funding Obligations shall be required and all remaining Issuer Funding Obligations (other than Derivative Funding Obligations) will become and will be immediately due and payable, notwithstanding anything in this Indenture or any Funding Obligation Agreement to the contrary.

(b) If an Event of Default described in clause (e) or (f) of Section 8.01 occurs and is continuing, then all Issuer Funding Obligations (other than Derivative Funding Obligations) will automatically be and become immediately due and payable by the Issuer, without notice or demand to any Person, and the Issuer will

automatically and immediately be obligated to pay off the Issuer Funding Obligations.

(c) At any time after such a declaration of acceleration has been made or an automatic acceleration has occurred with respect to the Issuer Funding Obligations (other than Derivative Funding Obligations) and before a judgment or decree for payment of the money due has been obtained by the Indenture Trustee as hereinafter provided in this Article VIII, Controlling Class Creditors may, by Extraordinary Resolution, rescind and annul such declaration and its consequences if:

(i) the Issuer has paid or deposited with the Indenture Trustee a sum sufficient to pay (A) all overdue installments of interest on the Controlling Class Obligations, (B) the principal of any Controlling Class Obligations which have become due otherwise than by such declaration of acceleration, and interest thereon at the rate or rates prescribed therefor by the terms of the Related Funding Obligation Agreements, to the extent that payment of such interest is lawful, (C) interest upon overdue installments of interest at the rate or rates prescribed therefor by the terms of the Related Funding Obligation Agreements, to the extent that payment of such interest is lawful, and (D) all sums paid by the Indenture Trustee hereunder and the reasonable compensation, expenses and disbursements of the Indenture Trustee, its agents and counsel and all other amounts due to the Indenture Trustee under Section 9.05; and

(ii) all Events of Default, other than the nonpayment of the principal of the Controlling Class Obligations which has become due solely by such acceleration, have been cured or waived as provided in Section 8.03.

(d) If, at any time, any Event of Default capable of being remedied has been remedied by the Issuer to the satisfaction of the Indenture Trustee: (i) the Security Interest will no longer be or be deemed to be enforceable by reason of such Event of Default; (ii) any rights which had become vested in the Indenture Trustee by virtue thereof will be and be deemed to be cancelled as fully and to the same extent as though no such Event of Default had occurred; and (iii) the Indenture Trustee will, or will instruct any receiver appointed pursuant to this Indenture to restore to the Issuer any Collateral in the possession of the Indenture Trustee or receiver, as the case may be.

(e) No such rescission will affect any subsequent Default or impair any right consequent thereon, nor will any such rescission apply to any event of default applicable solely to any Series or Tranche of Issuer Funding Obligations and contained in any Related Funding Obligation Agreement.

8.03 Waiver of Past Defaults

Subject to Section 8.02(c), Controlling Class Creditors may, by Ordinary Resolution, waive any past Default hereunder and its consequences, provided that the Rating Agency Condition in respect of each Series or Tranche of the Controlling Class Obligations has been satisfied. Upon any such waiver, such Default will cease to exist, and any Event of Default arising therefrom will be deemed to have been cured, for every purpose of this Indenture; but no such waiver will extend to any subsequent or other Default or impair any right consequent thereon.

8.04 Notice of Defaults

(a) Within 90 days after the occurrence of any Default, Event of Default or Acceleration Event of which the Indenture Trustee has received written notice:

(i) the Indenture Trustee will transmit by mail to all Registered Noteholders, as their names and addresses appear in the Note Register, notice of such Default, Event of Default or Acceleration Event;

(ii) the Indenture Trustee will notify all holders of Bearer Notes by publication of notice of such Default, Event of Default or Acceleration Event in an Authorized Newspaper, or as otherwise provided in the Related Supplemental Indenture;

(iii) the Indenture Trustee will give prompt written notification of such Default, Event of Default or Acceleration Event to those Lenders and other Specified Creditors that are included on the Specified Creditor list provided by the Issuer pursuant to subsection 13.13(b); and

(iv) the Indenture Trustee will give prompt written notification of such Default, Event of Default or Acceleration Event to the Rating Agencies;

provided, however, that (A) the Indenture Trustee shall not be liable for failing to distribute any written notice pursuant to this Section 8.04 to any party that is at the time of delivery a Specified Creditor but is not on the list of Specified Creditors held by the Indenture Trustee pursuant to subsection 9.14(a), and (B) except in the case of a default in the payment of the principal of or interest on any Issuer Funding Obligation, the Indenture Trustee will be protected in withholding such notice if and so long as a Responsible Officer of the Indenture Trustee in good faith determines that the withholding of such notice is in the interests of Debtholders.

(b) When notice of the occurrence of a Default, Event of Default or Acceleration Event has been given and the Default, Event of Default or Acceleration Event is thereafter cured, notice that the Default, Event of Default or Acceleration Event is no longer continuing shall be given by the Indenture Trustee to Persons to whom notice was sent pursuant to subsection 8.04(a) within a reasonable time, but not exceeding 30 days in any event, after the Indenture Trustee receives notice from

the applicable Debtholders that the Default, Event of Default or Acceleration Event has been cured.

8.05 Remedies Generally

Subject to subsections 8.02(c) and (d) and Section 8.03, if the Controlling Class Obligations become due and payable pursuant to Section 8.02 and the Issuer has failed to pay such Controlling Class Obligations, the Indenture Trustee (subject, however, to compliance with the provisions of Section 9.02(d) with respect to the giving of indemnity and funds) may proceed to realize upon the Security Interest and to enforce the rights of the Indenture Trustee and of the Specified Creditors to whom Obligations Secured are owed by (i) application to any court of competent jurisdiction for an order of sequestration and payment of amounts in respect of clean energy adjustments, collections or remittances in accordance with the Act, (ii) possession of the Collateral, (iii) appointment of a receiver with respect to the Collateral, (iv) proceedings in any court of competent jurisdiction for the appointment of a receiver or for sale of the Collateral or any part thereof, or for foreclosure, (v) subject to Section 10.02, exercise any of the rights of the Issuer under any of the Program Agreements, including the right to replace the Manager or the Servicer in accordance with Section 8.10, or (vi) any other action, suit, remedy or proceeding authorized or permitted by this Indenture or by applicable law or by equity.

8.06 Default Interest and Expenses

The Issuer covenants that if:

(a) the Issuer defaults in the payment of interest on any Series of Controlling Class Obligations when such interest becomes due and payable and such default continues for a period of five (5) days following the Interest Payment Date on which such interest became due and payable, or

(b) the Issuer defaults in the payment of the principal amount of any Series of Controlling Class Obligations on the Principal Payment Default Date thereof;

the Issuer will, upon demand of the Indenture Trustee, pay (subject to the allocation provided in Article VII and this Article VIII and any Related Funding Obligation Agreement) to the Indenture Trustee, for the benefit of the Debtholders of any such Issuer Funding Obligations, the whole amount then due and payable on any such Issuer Funding Obligations for principal and interest, with interest, to the extent that payment of such interest will be legally enforceable, upon the overdue principal and upon overdue installments of interest, (i) in the case of interest-bearing Issuer Funding Obligations, at the rate of interest applicable to the principal amount thereof, unless otherwise specified in the Related Funding Obligation Agreement; and (ii) in the case of Discount Notes, as specified in the Related Supplemental Indenture, and in addition thereto, will pay such further amount as will be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Indenture Trustee, its agents and counsel and all other amounts due to the Indenture Trustee under Section 9.05.

If the Issuer fails to pay such amounts forthwith upon such demand, the Indenture Trustee may, if the Issuer Funding Obligations have been accelerated in accordance with Section 8.02,

take immediate steps to enforce the Security Interest, including instituting, in its own name and as trustee of an express trust, a judicial proceeding seeking the appointment of a receiver or a judicial proceeding for the collection of the sums so due and unpaid, and may directly prosecute such proceeding to judgment or final decree, and the Indenture Trustee may enforce the same against the Issuer and collect the money adjudged or decreed to be payable in the manner provided by applicable law out of the Collateral, wherever situated.

8.07 Indenture Trustee May File Proofs of Claim

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy or other similar proceeding relative to the Issuer or the property of the Issuer, the Indenture Trustee (irrespective of whether the principal of the Issuer Funding Obligations will then be due and payable as therein expressed or by declaration or otherwise) will be entitled and empowered by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of principal, interest, fees and other amounts owing and unpaid in respect of the Issuer Funding Obligations and to file such other papers or documents as may be necessary and advisable in order to have the claims of the Indenture Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Indenture Trustee, its agents and counsel and all other amounts due to the Indenture Trustee under Section 9.05) and of the Debtholders allowed in such judicial proceeding, and

(b) to collect and receive any funds or other property payable or deliverable on any such claims and to distribute the same;

and any receiver, assignee, trustee, liquidator or other similar official in any such proceeding is hereby authorized by each Specified Creditor to make such payment to the Indenture Trustee, and in the event that the Indenture Trustee will consent to the making of such payments directly to the Specified Creditors, to pay to the Indenture Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Indenture Trustee, its agents and counsel, and any other amounts due to the Indenture Trustee under Section 9.05.

8.08 Indenture Trustee May Enforce Claims Without Possession of Notes

All rights of action and claims under this Indenture or the Notes of any Class, Series or Tranche may be prosecuted and enforced by the Indenture Trustee without the possession of any of the Notes of such Class, Series or Tranche or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Indenture Trustee will be brought in its own name as trustee of an express trust.

8.09 Indenture Trustee May Elect to Hold the Collateral

Following an acceleration of Issuer Funding Obligations in accordance with Section 8.02, the Indenture Trustee may elect to continue to hold the Collateral and apply distributions on the Collateral in accordance with the distribution provisions of Section 8.13.

8.10 Termination by Indenture Trustee of Manager and Servicer

Upon the occurrence and during the continuance of an Event of Default, the Indenture Trustee shall have the right to (and, upon receipt of an Extraordinary Resolution to that effect, shall) terminate the appointment of the then existing Manager under the Management Agreement and/or the Servicer under the Master Transfer and Servicing Agreement, and appoint new Persons under such agreements in accordance with such direction, provided that the Issuer shall have the right to reinstate any appointee under such agreements at such time as the Event of Default is no longer continuing.

8.11 Control by Controlling Class Creditors

(a) Subject to Section 10.02(b), Controlling Class Creditors will, by Ordinary Resolution, have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Indenture Trustee, or exercising any trust or power conferred on the Indenture Trustee with respect to all Issuer Funding Obligations, provided that:

(i) the Indenture Trustee will have the right to decline to follow any such direction if the Indenture Trustee, being advised by counsel, determines that the action so directed may not lawfully be taken or would conflict with this Indenture, or if the Indenture Trustee in good faith determines that the proceedings so directed would involve it in personal liability or be unjustly prejudicial to the Controlling Class Creditors not taking part in such direction; and

(ii) the Indenture Trustee may take any other action permitted hereunder deemed proper by the Indenture Trustee which is not inconsistent with such direction.

(b) For greater certainty, Specified Creditors other than Debtholders shall not and do not have any right to direct the time, method and place of conducting any proceeding for any remedy available to the Indenture Trustee, or exercising any trust or power conferred on the Indenture Trustee. Specified Creditors other than Debtholders shall only have the right to receive proceeds following an Event of Default in the manner provided for in Section 8.13.

8.12 Limitation on Suits

To the fullest extent permitted by applicable law, no Specified Creditor will have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee or similar official, or for any other remedy hereunder, unless:

(a) the Issuer or a Controlling Class Creditor has previously given written notice to the Indenture Trustee of a continuing Event of Default;

(b) Controlling Class Creditors, by way of Ordinary Resolution, have made written request to the Indenture Trustee to institute proceedings in respect of such Event of Default in the name of the Indenture Trustee hereunder;

(c) such Controlling Class Creditors have offered to the Indenture Trustee (when so requested by the Indenture Trustee) indemnity reasonably satisfactory to it against the costs, expenses and liabilities to be incurred in compliance with such request; and

(d) the Indenture Trustee, for 60 days after the Indenture Trustee has received such notice, request and offer of indemnity has failed to institute any such proceeding;

it being understood and intended that no one or more Specified Creditors will have any right in any manner whatsoever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Specified Creditor, or to obtain or to seek to obtain priority or preference over any other Specified Creditor or to enforce any right under this Indenture, except in the manner herein provided and for the benefit of all Specified Creditors. If the above conditions have been met, a Controlling Class Creditor may exercise such rights in accordance with this Indenture.

8.13 Application of Money Following an Event of Default

Subject to the following paragraph and to Section 7.10, upon the occurrence and during the continuance of an Event of Default which has been accelerated in accordance with Section 8.02, any money or other property standing in each Issuer Account or otherwise received by the Indenture Trustee pursuant to this Article VIII will be applied in the order of priority specified in this Section 8.13, *pro rata* in proportion to the claims represented by each subclause, except as otherwise specifically provided below:

(a) First, to the payment or remittance of all Taxes exigible for which a Governmental Authority is given priority over the Specified Creditors under the laws of the applicable jurisdiction;

(b) Second, to the Indenture Trustee and the Issuer Trustee in respect of the amount of fees, expenses and reimbursements owing;

(c) Third, *pari passu*, (A) to Debtholders, on a *pro rata* basis, in respect of all interest accrued and unpaid, if any, and fees and other amounts (other than principal) due and payable on the Senior Funding Obligations, and (B) to Derivative Counterparties, on a *pro rata* basis, all Derivative Funding Obligations payable other than Termination Payments;

(d) Fourth, to Debtholders, on a *pro rata* basis, in respect of all interest accrued and unpaid, if any, and fees and other amounts (other than principal) due and payable on the Subordinated Funding Obligations;

(e) Fifth, to Debtholders, on a *pro rata* basis, in respect of all interest accrued and unpaid, if any, and fees and other amounts (other than principal) due and payable on the Junior Subordinated Funding Obligations;

(f) Sixth, to Debtholders, on a *pro rata* basis, in respect of the aggregate outstanding principal amount of the Warehouse Obligations until such amount has been paid in full;

(g) Seventh, *pari passu*, (A) to Debtholders, on a *pro rata* basis, in respect of the aggregate outstanding principal amount of the Senior Funding Obligations (other than Warehouse Obligations) until such amount has been paid in full, and (B) to Derivative Counterparties, on a *pro rata* basis, any Termination Payment where the Derivative Counterparty is not the Defaulting Party or the sole Affected Party;

(h) Eighth, to the Manager in respect of all fees, expenses and reimbursement amounts owing;

(i) Ninth, to Debtholders, on a *pro rata* basis, in respect of the aggregate outstanding principal amount of the Subordinated Funding Obligations until such amount has been paid in full;

(j) Tenth, to Debtholders, on a *pro rata* basis, in respect of the aggregate outstanding principal amount of the Junior Subordinated Funding Obligations until such amount has been paid in full;

(k) Eleventh, to each Derivative Counterparty, on a *pro rata* basis, any Termination Payment where the Derivative Counterparty is the Defaulting Party or the sole Affected Party;

(l) Twelfth, to the Manager in respect of all indemnity amounts owing;

(m) Thirteenth, *pari passu* (i) to the payment or remittance of all Taxes exigible and not previously paid pursuant to clause (a); and (ii) to all other Specified Creditors not specifically referred to in this Section 8.13; in each case, including for each referenced party in subclauses (i) and (ii), any amounts payable to their respective Affiliates under the terms of any relevant indemnity; and

(n) Fourteenth, to the Issuer or as the Issuer otherwise directs.

Notwithstanding the foregoing, amounts on deposit in a Series Account established solely for the benefit of one or more Series of Issuer Funding Obligations shall first be used to satisfy all obligations owing to those Debtholders or Derivative Counterparties for whom such Series Account was established. If any amounts remain following such application, such amounts shall constitute Available Collections and shall be applied in accordance with the priorities set out above. In addition, amounts on deposit in the Protection Account shall only be used to satisfy the obligations for which such amounts were deposited.

8.14 Limited Recourse

(a) Notwithstanding any other provision of this Indenture to the contrary, the obligation to pay principal of or interest on any Issuer Funding Obligation or any other amount payable to any Specified Creditor will be without recourse to the Indenture Trustee, the Issuer Trustee, the Manager or any Affiliate, officer, employee, member or director of any of them, and the satisfaction of the obligation of the Issuer to pay principal of or interest on any Issuer Funding Obligation or any other amount payable to any Specified Creditor will be subject to the allocation and payment provisions of this Indenture and any Related Funding Obligation Agreement, and limited to amounts available from the Collateral.

(b) No recourse may be taken, directly or indirectly, with respect to the obligations of the Issuer under the Issuer Funding Obligations or under this Indenture, or any certificate or other writing delivered in connection herewith or therewith, against (i) the Issuer Trustee in its individual capacity, (ii) any owner of a unit in the Issuer or (iii) any partner, owner, beneficiary, agent, officer, director, employee or agent of the Issuer Trustee in its individual capacity, any holder of a unit in the Issuer or the Issuer Trustee or of any successor or assign of the Issuer Trustee in its individual capacity, except as any such Person may have expressly agreed (it being understood that the Issuer Trustee has no such obligations in its individual capacity).

(c) Under no circumstances shall the Manager or any of its Affiliates be deemed an obligor or guarantor or otherwise deemed to be responsible for payment from its own funds of principal, interest, dividends or other amounts due on the Collateral, the Issuer Funding Obligations or any other Obligations Secured.

8.15 Restoration of Rights and Remedies

If the Indenture Trustee or any Controlling Class Creditor (to the extent and in the manner provided for in Section 8.12) has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, then and in every such case the Issuer, the Indenture Trustee and the Specified Creditors will, subject to any determination in such proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Indenture Trustee and the Specified Creditors will continue as though no such proceeding had been instituted.

8.16 Rights and Remedies Cumulative

No right or remedy herein conferred upon or reserved to the Indenture Trustee or to the Specified Creditors is intended to be exclusive of any other right or remedy, and every right and remedy will, to the extent permitted by applicable law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, will not prevent the concurrent assertion or employment of any other appropriate right or remedy.

8.17 Delay or Omission Not Waiver

No delay or omission of the Indenture Trustee or of any Controlling Class Creditor to exercise any right or remedy accruing upon any Event of Default will impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article VIII or by applicable law to the Indenture Trustee or to the Controlling Class Creditors may be exercised from time to time, and as often as may be deemed expedient, by the Indenture Trustee or by the Controlling Class Creditors, as the case may be.

8.18 Waiver of Stay or Extension Laws

The Issuer covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Indenture Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

8.19 Indenture Trustee Appointed Attorney

The Issuer irrevocably constitutes and appoints the Indenture Trustee and any officer or employee thereof, with full power of substitution, as its true and lawful attorney coupled with an interest with full power and authority in the name of the Issuer or in its own name, in its discretion, upon the occurrence and during the continuance of any Event of Default and acceleration in accordance with Section 8.02, for the purpose of carrying out the terms of this Indenture to take all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes hereof, and without limiting the generality of the foregoing, hereby gives the Indenture Trustee the power and right on behalf of the Issuer, without notice to or assent by the Issuer, to the extent permitted by applicable law, to do the following:

(a) to ask for, demand, sue for, collect and receive all and any monies due or becoming due with respect to the Collateral;

(b) to receive, take, endorse, assign and deliver any and all cheques, notes, drafts, acceptances, documents and other negotiable and non-negotiable instruments, documents and chattel paper taken or received by the Indenture Trustee in connection therewith and herewith; and

(c) to commence, file, prosecute, defend, settle, compromise or adjust any claim, suit, action or proceeding with respect to the Collateral.

8.20 Disclaimer of Marshalling

In the event that the Security Interest shall become enforceable and the Indenture Trustee shall have determined or become bound to enforce the same, the Issuer covenants not to invoke

the doctrine of marshalling or any other equitable principle for the purpose of requiring the Indenture Trustee to realize or to have realized on any particular asset forming part of the Collateral.

ARTICLE IX
THE INDENTURE TRUSTEE

9.01 Certain Duties and Responsibilities

(a) The Indenture Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture with respect to the Obligations Secured, and no implied covenants or obligations will be read into this Indenture against the Indenture Trustee.

(b) In the exercise of the rights and duties prescribed or conferred by the terms of this Indenture, the Indenture Trustee will act honestly and in good faith with a view to the best interests of the Debtholders as a whole and exercise that degree of care, diligence and skill that a reasonably prudent trustee would exercise in comparable circumstances. When all Issuer Funding Obligations have been satisfied and discharged in accordance with Section 2.08(b), the Indenture Trustee shall no longer act as Indenture Trustee under this Indenture and shall have no fiduciary responsibilities to any remaining Specified Creditors. From and after such time, the Indenture Trustee shall act only as the security agent for those Specified Creditors.

(c) In the absence of bad faith on its part, the Indenture Trustee may, with respect to any Obligations Secured, conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Indenture Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Indenture Trustee, the Indenture Trustee will be under a duty to examine the same to determine whether or not they substantially conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of any mathematical calculations or other facts stated therein).

(d) No provision of this Indenture will be construed to relieve the Indenture Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this clause (d) will not be construed to limit the effect of subsection 9.01(a);

(ii) the Indenture Trustee will not be liable for any error of judgment made in good faith, unless it will be proved that the Indenture Trustee was negligent in ascertaining the pertinent facts;

(iii) the Indenture Trustee will not be liable with respect to any action taken or omitted to be taken by it in good faith if so directed by Extraordinary Resolution, relating to the time, method and place of conducting any proceeding for any remedy available to the Indenture Trustee, or exercising any trust or power conferred upon the Indenture Trustee, under this Indenture with respect to the Obligations Secured; and

(iv) no provision of this Indenture will require the Indenture Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers.

(e) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Indenture Trustee will be subject to the provisions of this Section 9.01.

9.02 Certain Rights of Indenture Trustee

Except as otherwise provided in Section 9.01:

(a) the Indenture Trustee may conclusively rely and will be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or document (whether in its original, facsimile or other electronic form) believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) whenever in the administration of this Indenture the Indenture Trustee will deem it desirable that a matter be proved or established before taking, suffering or omitting any action hereunder, the Indenture Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's Certificate;

(c) the Indenture Trustee may consult with counsel of its own selection and the advice of such counsel or any Opinion of Counsel will be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(d) the Indenture Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Controlling Class Creditors pursuant to this Indenture, unless such Controlling Class Creditors shall have offered to the Indenture Trustee security or indemnity reasonably satisfactory to it against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

(e) the Indenture Trustee will not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or

document, but the Indenture Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Indenture Trustee will determine to make such further inquiry or investigation, it will be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney;

(f) the Indenture Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Indenture Trustee will not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder;

(g) the Indenture Trustee will not be responsible for filing any financing statements or continuation statements in connection with the Obligations Secured or the Security Interest, but will cooperate with the Issuer in connection with the filing of such financing statements or amendments to such financing statements;

(h) the Indenture Trustee shall not be deemed to have notice of any default (including any Servicer Default, Default or Event of Default) unless written notice of any event which is in fact such a default is received by the Indenture Trustee at the Corporate Trust Office of the Indenture Trustee, and such notice references the Issuer Funding Obligations and this Indenture;

(i) the rights, privileges, protections, immunities and benefits given to the Indenture Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Indenture Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder;

(k) the Indenture Trustee shall be entitled to and may rely absolutely upon each Payment Instruction and the Indenture Trustee will have no obligation (i) to perform any calculations under any of the Program Agreements, (ii) to reconcile any Issuer Account against the other(s) or the Program Agreements, or (iii) to monitor any change in the legislation governing any of the Program Agreements;

(l) the Indenture Trustee will be entitled to rely and act upon any direction, order, instruction, notice or communication provided to it under this Indenture which is sent to it by Electronic Methods. The Indenture Trustee shall have no liability for any losses, liabilities, costs or expenses incurred by it as a result of such reliance upon or compliance with such instructions or directions. The Issuer agrees: (i) to assume all risks arising out of the use of such Electronic Methods to submit instructions and directions to the Indenture Trustee, including without limitation the risk of the Indenture Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the

protections and risks associated with the various methods of transmitting instructions to the Indenture Trustee and that there may be more secure methods of transmitting instructions than the method(s) selected by the Issuer; and (iii) that the security procedures (if any) to be followed in connection with its transmission of instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and

(m) the Indenture Trustee will not be liable for any consequential, punitive or special damages.

9.03 Not Responsible for Recitals or Issuer Funding Obligations

The recitals contained herein and in the Funding Obligation Agreements, except the Certificates of Authentication, will be taken as the statements of the Issuer, and the Indenture Trustee assumes no responsibility for their correctness. The Indenture Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Funding Obligation Agreements. The Indenture Trustee will not be accountable for the use or application by the Issuer of Notes, Borrowings or the proceeds thereof.

9.04 May Hold Notes

The Indenture Trustee, the Issuer Trustee, any Paying Agent, the Note Registrar, the Manager or any other agent of the Issuer, in its individual or any other capacity, may become the owner or pledgee of Notes and, subject to subsection 9.07(e) and applicable legislation, may otherwise deal with the Issuer with the same rights it would have if it were not Indenture Trustee, Issuer Trustee, Paying Agent, Note Registrar, Manager or such other agent.

9.05 Compensation and Reimbursement; Limit on Compensation Reimbursement and Indemnity

(a) The Issuer agrees:

(i) to pay to the Indenture Trustee from time to time reasonable compensation for all services rendered by it hereunder (which compensation will not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(ii) except as otherwise expressly provided herein, to reimburse the Indenture Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Indenture Trustee in accordance with any provision of this Indenture (including the reasonable compensation and the reasonable expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to its own negligence or bad faith; and

(iii) to indemnify the Indenture Trustee for, and to hold it harmless against, any and all loss, liability, expense, claim, damage or injury incurred without negligence or bad faith on its part, arising out of or in connection with the

The Indenture Trustee will have no recourse to any asset of the Issuer other than funds available pursuant to Section 7.04, 7.10 or 8.13, or to any Person other than the Issuer.

(b) This Section 9.05 will survive the termination of this Indenture and the resignation or replacement of the Indenture Trustee under Section 9.07.

9.06 Corporate Indenture Trustee Required; Eligibility

There will at all times be an Indenture Trustee hereunder which will be either a bank, a trust company or a corporation organized and doing business under the laws of Canada or of any province or territory thereof, authorized under such laws to carry on a trust business as contemplated hereby in each of the provinces and territories of Canada. The Issuer may not, nor may any Person directly or indirectly controlling, controlled by, or under common control with the Issuer, serve as Indenture Trustee. If at any time the Indenture Trustee will cease to be eligible in accordance with the provisions of this Section 9.06, it will resign immediately in the manner and with the effect hereinafter specified in this Article IX.

9.07 Resignation and Removal; Appointment of Successor

(a) No resignation or removal of the Indenture Trustee and no appointment of a successor Indenture Trustee pursuant to this Article IX will become effective until the acceptance of appointment by the successor Indenture Trustee under Section 9.08.

(b) The Indenture Trustee may resign at any time by giving written notice thereof to the Issuer. If an instrument of acceptance by a successor Indenture Trustee shall not have been delivered to the Indenture Trustee within 30 days after the giving of such notice of resignation, the resigning Indenture Trustee may petition any court of competent jurisdiction for the appointment of a successor Indenture Trustee.

(c) The Indenture Trustee may be removed at any time by Ordinary Resolution of the Controlling Class Creditors delivered to the Indenture Trustee and to the Issuer. If an instrument of acceptance by a successor Indenture Trustee shall not have been delivered to the Indenture Trustee within 30 days after the giving of such notice of removal, the Indenture Trustee being removed may petition any court of competent jurisdiction for the appointment of a successor Indenture Trustee.

(d) If at any time:

(i) the Indenture Trustee ceases to be eligible under Section 9.06 and fails to resign after written request therefor by the Issuer or by any Controlling Class Creditor, or

(ii) the Indenture Trustee becomes incapable of acting, or

(iii) the Indenture Trustee is adjudged bankrupt or insolvent, or a receiver of the Indenture Trustee or of its property is appointed, or any public officer takes charge or control of the Indenture Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any such case, (A) the Issuer may remove the Indenture Trustee, or (B) any Controlling Class Creditor who has been a *bona fide* Controlling Class Creditor for at least six (6) months may, on behalf of itself and all other Debtholders, petition any court of competent jurisdiction for the removal of the Indenture Trustee and the appointment of a successor Indenture Trustee.

(e) The Indenture Trustee shall resign if a material conflict of interest arises in its role as a trustee under this Indenture that is not eliminated within 90 days after the Indenture Trustee becomes aware that it has such a material conflict of interest. Forthwith after the Indenture Trustee becomes aware that it has a material conflict of interest, it shall provide the Issuer with written notice of the nature of that conflict. If, notwithstanding the foregoing provisions of this subsection 9.07(e), the Indenture Trustee has such a material conflict of interest, the validity and enforceability of this Indenture and of the Funding Obligation Agreements shall not be affected in any manner whatsoever by reason only of the existence of such material conflict of interest. If the Indenture Trustee contravenes the foregoing provisions of this subsection 9.07(e), any interested Person may apply to a court of competent jurisdiction for an order that the Indenture Trustee be replaced as trustee hereunder. The Indenture Trustee represents to the Issuer that at the time of the execution and delivery hereof, no material conflict of interest exists in the Indenture Trustee's role as a fiduciary hereunder.

(f) If the Indenture Trustee resigns, is removed or becomes incapable of acting, or if a vacancy shall occur in the office of the Indenture Trustee for any cause, the Issuer will promptly appoint a successor Indenture Trustee. If, within one (1) year after such resignation, removal or incapacity, or the occurrence of such vacancy, a successor Indenture Trustee is appointed by Ordinary Resolution of Controlling Class Creditors delivered to the Issuer and the retiring Indenture Trustee, the successor Indenture Trustee so appointed will, forthwith upon its acceptance of such appointment, become the successor Indenture Trustee and supersede the successor Indenture Trustee appointed by the Issuer. If no successor Indenture Trustee shall have been so appointed by the Issuer or Controlling Class Creditors and accepted in the manner hereinafter provided, any Controlling Class Creditor who has been a *bona fide* Controlling Class Creditor for at least six (6) months

may, on behalf of itself and all other Debtholders, petition any court of competent jurisdiction for the appointment of a successor Indenture Trustee.

(g) The Issuer will give written notice of each resignation and each removal of the Indenture Trustee and each appointment of a successor Indenture Trustee to each Specified Creditor as provided in Article XV and to each Rating Agency. To facilitate delivery of such notice, upon request by the Issuer, the retiring Indenture Trustee shall provide to the Issuer a list of all Specified Creditors. Each notice will include the name of the successor Indenture Trustee and the address of its Corporate Trust Office.

(h) Upon such resignation, the Indenture Trustee shall be discharged from all further duties and liabilities under this Indenture.

9.08 Acceptance of Appointment by Successor

Every successor Indenture Trustee appointed hereunder will execute, acknowledge and deliver to the Issuer and to the predecessor Indenture Trustee an instrument accepting such appointment, with a copy to the Rating Agencies, and thereupon the resignation or removal of the predecessor Indenture Trustee will become effective, and such successor Indenture Trustee, without any further act, deed or conveyance, will become vested with all the rights, powers, trusts and duties of the predecessor Indenture Trustee; but, on request of the Issuer or the successor Indenture Trustee, such predecessor Indenture Trustee will execute and deliver an instrument transferring to such successor Indenture Trustee all the rights, powers and trusts of the predecessor Indenture Trustee, and will duly assign, transfer and deliver to such successor Indenture Trustee all property and money held by such predecessor Indenture Trustee hereunder, subject nevertheless to its Lien, if any, provided for in Section 9.05. Upon request of any such successor Indenture Trustee, the Issuer will execute any and all instruments for more fully and certainly vesting in and confirming to such successor Indenture Trustee all such rights, powers and trusts.

No successor Indenture Trustee will accept its appointment unless at the time of such acceptance, such successor Indenture Trustee will be qualified and eligible under this Article IX.

9.09 Merger, Conversion, Consolidation or Succession to Business

Any corporation into which the Indenture Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Indenture Trustee shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Indenture Trustee, will be the successor of the Indenture Trustee hereunder, provided such corporation shall be otherwise qualified and eligible under this Article IX, without the execution or filing of any paper or any further act on the part of any of the parties hereto. The Indenture Trustee shall give prompt written notice of such merger, conversion, consolidation or succession to the Issuer and the Rating Agencies. In case any Notes shall have been authenticated, but not delivered, by the Indenture Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Indenture

Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Indenture Trustee had itself authenticated such Notes.

9.10 Trust Indenture Legislation

(a) In this Article IX, the term "**applicable legislation**" means the provisions, if any, of the *Trust and Loan Companies Act* (Canada) and any other statute of Canada or a province thereof, and of regulations under any such statute, in each case, as amended, restated or re-enacted from time to time, relating to trust indentures and to the rights, duties and obligations of trustees under trust indentures and of entities issuing debt obligations under trust indentures, to the extent that in the opinion of counsel to the Issuer such provisions are at the time in force and applicable to this Indenture.

(b) If and to the extent that any provision of this Indenture limits, qualifies or conflicts with a mandatory requirement of applicable legislation, such mandatory requirement shall prevail.

(c) The Issuer and the Indenture Trustee agree that each will at all times in relation to this Indenture and any action to be taken hereunder, observe and comply with and be entitled to the benefits of applicable legislation.

9.11 Representations and Covenants of the Indenture Trustee

The Indenture Trustee represents, warrants and covenants that:

(a) the Indenture Trustee is a trust company organized, existing and in good standing under the laws of Canada;

(b) the Indenture Trustee has full power and authority to execute, deliver and perform this Indenture and has taken all necessary action to authorize the execution, delivery and performance by it of this Indenture and other documents to which it is a party;

(c) each of this Indenture and the other documents to which it is a party has been duly executed and delivered by the Indenture Trustee and constitutes its legal, valid and binding obligation in accordance with its terms; and

(d) the Indenture Trustee is authorized to carry on the business of a trust company in each of the provinces and territories of Canada. If, notwithstanding the provisions of this subsection 9.11(d), the Indenture Trustee ceases to be so authorized to carry on business, the validity and enforceability of this Indenture and the Funding Obligation Agreements shall not be affected in any manner whatsoever by reason only of such event.

9.12 Indenture Trustee's Application for Instructions from the Issuer

Any application by the Indenture Trustee for written instructions from the Issuer may, at the option of the Indenture Trustee, set forth in writing any action proposed to be taken or omitted by the Indenture Trustee under and in accordance with this Indenture and the date on and/or after which such action shall be taken or such omission shall be effective; provided that such application shall make specific reference to this Section 9.12. The Indenture Trustee shall not be liable for any action taken by, or omission of, the Indenture Trustee in accordance with a proposal included in such application on or after the date specified in such application (which date shall not be less than five (5) Business Days after the date the Issuer actually receives such application, unless the Issuer shall have consented in writing to any earlier date) unless prior to taking any such action (or the effective date in the case of an omission), the Indenture Trustee shall have received written instructions in response to such application specifying the action be taken or omitted.

9.13 Appointment of Co-Trustee or Separate Indenture Trustee

(a) Notwithstanding any other provisions of this Indenture, at any time, for the purpose of meeting any legal requirements of any relevant jurisdiction, the Indenture Trustee shall have the power and shall execute and deliver all instruments, subject to the prior written consent of the Manager, which consent shall not be unreasonably withheld, to appoint one or more Persons reasonably acceptable to the Issuer to act as a co-trustee or co-trustees, or separate trustee or separate trustees, of all or any part of the Issuer's property, and to vest in such Person or Persons, in such capacity and for the benefit of the Specified Creditors, such title to the Issuer's property, or any part thereof, and, subject to the other provisions of this Section 9.13, such powers, duties, obligations, rights and trusts as the Indenture Trustee may consider necessary or desirable. No co-trustee or separate trustee hereunder shall be required to meet the terms of eligibility as a successor trustee under Section 9.06 and no notice to Specified Creditors of the appointment of any co-trustee or separate trustee shall be required under Section 9.07.

(b) Every separate trustee and co-trustee shall, to the extent permitted by applicable law, be appointed and act subject to the following provisions and conditions:

(i) all rights, powers, duties and obligations conferred or imposed upon the Indenture Trustee shall be conferred or imposed upon and exercised or performed by the Indenture Trustee and such separate trustee or co-trustee jointly (it being understood that such separate trustee or co-trustee is not authorized to act separately without the Indenture Trustee joining in such act), except to the extent that under any law of any jurisdiction in which any particular act or acts are to be performed, the Indenture Trustee shall be incompetent or unqualified to perform such act or acts, in which event such rights, powers, duties and obligations (including the holding of title to the Issuer's property or any portion thereof in any such jurisdiction)

shall be exercised and performed singly by such separate trustee or co-trustee, but solely at the direction of the Indenture Trustee;

(ii) no trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder; and

(iii) the Indenture Trustee may at any time accept the resignation of or remove any separate trustee or co-trustee.

(c) Any notice, request or other writing given to the Indenture Trustee shall be deemed to have been given to each of the then separate trustees and co-trustees, as effectively as if given to each of them. Every instrument appointing any separate trustee or co-trustee shall refer to this Indenture and the conditions of this Article IX. Each separate trustee and co-trustee, upon its acceptance of the trusts conferred, shall be vested with the estates or property specified in its instrument of appointment, either jointly with the Indenture Trustee or separately, as may be provided therein, subject to all the provisions of this Indenture, specifically including every provision of this Indenture relating to the conduct of, affecting the liability of, or affording protection to, the Indenture Trustee. Every such instrument shall be filed with the Indenture Trustee.

(d) Any separate trustee or co-trustee may at any time appoint the Indenture Trustee, its agent or attorney-in-fact with full power and authority, to the extent not prohibited by applicable law, to do any lawful act under or in respect of this Indenture on its behalf and in its name. If any separate trustee or co-trustee shall die, become incapable of acting, resign or be removed, all of its estates, properties, rights, remedies and trusts shall vest in and be exercised by the Indenture Trustee, to the extent permitted by applicable law, without the appointment of a new or successor trustee.

(e) All such appointments made in accordance with this Section 9.13 shall be subject to the approval of the Issuer. The Issuer will give prior written notice of the appointment of any separate trustee or co-trustee to each Rating Agency.

9.14 Preservation of Information; Communications to Specified Creditors

(a) The Indenture Trustee will preserve, in as current a form as is reasonably practicable, the names and addresses of Registered Noteholders contained in the most recent list furnished to the Indenture Trustee as provided in subsection 13.13(a) and the names and addresses of Registered Noteholders received by the Indenture Trustee in its capacity as Note Registrar. The Indenture Trustee will also preserve, in as current a form as is reasonably practicable, the names and addresses of all other Specified Creditors contained in the most recent list furnished to the Indenture Trustee as provided in subsection 13.13(b). The Indenture Trustee may destroy any such list furnished to it upon receipt of a new list.

(b) If three (3) or more Debtholders of any Class, Series or Tranche (hereinafter referred to as "**applicants**") (or, if there are less than three (3) such Debtholders, all of the Debtholders) apply in writing to the Indenture Trustee by way of an application substantially in the form of Exhibit 4, then the Indenture Trustee will, within five (5) Business Days after the receipt of such application, afford such applicants access to the information preserved at the time by the Indenture Trustee in accordance with subsection 9.14(a); provided, however, that (i) such Debtholders are identified on the most recent lists of Debtholders held by the Indenture Trustee pursuant to subsection 9.14(a), and (ii) the Indenture Trustee shall not release any information other than the names and addresses (including email addresses) of the Debtholders on such lists.

(c) By accepting its rights as a third party beneficiary hereunder, every Debtholder agrees with the Issuer and the Indenture Trustee that neither the Issuer nor the Indenture Trustee will be held accountable by reason of the disclosure of any such information as to the names and addresses (including email addresses) of the Debtholders in accordance with subsection 9.14(b), regardless of the source from which such information was derived.

(d) Any Specified Creditor wishing to be removed from the list of Specified Creditors may deliver a notice to the Indenture Trustee in the form attached as Exhibit 5. Within five (5) Business Days of the receipt of such notice, the Indenture Trustee shall notify the Issuer to have that Specified Creditor removed from the list provided in accordance with subsection 13.13(b). The Indenture Trustee shall not be responsible, nor shall it be liable for any losses, costs or expenses (including special, indirect, punitive or consequential losses or damages) of the Issuer, any Specified Creditor, or any other party, with respect to any Specified Creditor that fails to, or is delayed in sending, such notice and whose information is disseminated in accordance with this Section 9.14.

(e) The Indenture Trustee shall not be liable for, or held accountable by reason of, distributing any information pursuant to this Section 9.14 regarding any Specified Creditor that is on the list of Specified Creditors held by the Indenture Trustee pursuant to subsection 9.14(a).

9.15 Acceptance of Trusts by Indenture Trustee

The Indenture Trustee hereby accepts the trusts in this Indenture and agrees to perform the same upon the terms and conditions herein set forth.

9.16 Paying Agent

(a) The Paying Agent, on behalf of the Indenture Trustee, will make distributions to Specified Creditors from the Collection Account or other applicable Issuer Account pursuant to the provisions of this Indenture and any applicable Program Agreement. Any Paying Agent will have the revocable power to withdraw funds

from the Collection Account or other applicable Issuer Account for the purpose of making the distributions referred to above.

(b) The Indenture Trustee may revoke such power and remove the Paying Agent if the Indenture Trustee determines in its sole discretion that the Paying Agent has failed to perform its obligations under this Indenture in any material respect. The Paying Agent upon removal will return all funds in its possession to the Indenture Trustee.

(c) The Issuer will cause each Paying Agent (other than the Indenture Trustee) to execute and deliver to the Indenture Trustee an instrument in which such Paying Agent will agree with the Indenture Trustee (and if the Indenture Trustee acts as Paying Agent, it so agrees), subject to the provisions of this Section 9.16, that such Paying Agent will:

(i) hold all sums held by it for the payment of principal of, interest, fees or other amounts in trust for the benefit of the Persons entitled thereto until such sums will be paid to such Persons or otherwise disposed of as herein provided;

(ii) if such Paying Agent is not the Indenture Trustee, give the Indenture Trustee notice of any default by the Issuer in the making of any such payment of principal or interest on any Issuer Funding Obligations;

(iii) if such Paying Agent is not the Indenture Trustee, at any time during the continuance of any such default, upon the written request of the Indenture Trustee, forthwith pay to the Indenture Trustee all sums so held in trust by such Paying Agent;

(iv) open and maintain appropriate records with respect to each Note; record by appropriate entries therein each payment made on account of interest, principal, fees and other amounts owing with respect to each such Note. For the purposes thereof, the Paying Agent shall make available upon request of the Issuer or the Indenture Trustee satisfactory evidence of each payment as soon as practicable after making such payment. The failure to record, or any error in recording, any such payment shall not, however, limit or otherwise affect the obligations of the Issuer as to the principal amount or accrued interest owing with respect to any Note. Such records of payment shall be conclusive evidence of the unpaid principal balance and interest owing in respect of the Notes in the absence of demonstrable error;

(v) immediately resign as a Paying Agent and, if such Paying Agent is not the Indenture Trustee, forthwith pay to the Indenture Trustee all sums held by it in trust for the payment of Issuer Funding Obligations if at any time it ceases to meet the standards described in this Section 9.16 required to be met by a Paying Agent at the time of its appointment; and

(vi) comply with all requirements of the Income Tax Act or any other applicable tax law with respect to the withholding from any payments made by it on any amounts contemplated under this Indenture of any applicable withholding taxes imposed thereon and with respect to any applicable reporting requirements in connection therewith.

(d) Each Paying Agent, if not OPG, will at all times have, or be a wholly owned subsidiary of a corporation which has, a combined capital and surplus of at least $50,000,000 and be subject to supervision or examination by a Canadian federal, provincial or territorial authority or be regulated by or subject to the supervision or examination of a Governmental Authority of a nation that is a member of the Organization for Economic Co-operation and Development. If such Paying Agent publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this subsection 9.16(d), the combined capital and surplus of such Paying Agent will be deemed to be its combined capital and surplus as set forth in its most recent report of condition as so published.

(e) Unless and until the Issuer rescinds one or more of such appointments, the Issuer hereby appoints the Indenture Trustee as its Paying Agent. The Issuer will give prior written notice of the appointment of any Paying Agent (if such Paying Agent is not the Indenture Trustee) to each Rating Agency.

ARTICLE X
MEETINGS

10.01 Conduct of Meetings

Meetings of Debtholders of any Class, Series or Tranche, of all Issuer Funding Obligations, of Controlling Class Obligations of a Series or of all Controlling Class Obligations, as the case may be, may be convened, held and conducted in the following manner:

(a) At any time, and from time to time, the Indenture Trustee or the Issuer may, and the Indenture Trustee shall, on receipt of a written request of the Issuer or a requisition signed by Debtholders of a particular Class, Series or Tranche, of all Issuer Funding Obligations, of Controlling Class Obligations of a Series or of all Controlling Class Obligations (each of such groups of Debtholders being a "**Debtholder Group**"), as the case may be, holding at least 25% of the aggregate Outstanding Dollar Principal Amount of the applicable Issuer Funding Obligations, convene, or cause to be convened, a meeting of the Debtholders of that Debtholder Group. If the Indenture Trustee fails to convene, or cause to be convened, a meeting after 30 days of being duly required by the Issuer or such Debtholders, the Issuer or such Debtholders may themselves convene such meeting and, in the case of a meeting called by such Debtholders, the notice calling such meeting may be signed by such Person as those Debtholders specify. Every such meeting shall be held in the City of Toronto or such other place in Ontario, Canada as the Indenture Trustee may in any case determine or approve.

(b) At least 7 days' prior notice of any meeting shall be given to the Debtholders of the Debtholder Group to which such meeting relates and to the Issuer, unless the meeting has been called by the Issuer, and such notice shall state the date, time and the place the meeting is to be held and shall specify, in general terms, the nature of the business to be transacted. It shall not be necessary to specify in the notice the text of the resolutions to be passed. Subject to Section 10.01(c), notices shall be given in the manner set forth in Article XV and a copy thereof shall be delivered to the Indenture Trustee unless the meeting has been called by it. It shall not be necessary to specify in the notice of any adjournment of a meeting the nature of the business to be transacted at the adjourned meeting. The non-receipt of any such notice by a Debtholder shall not invalidate any resolution passed at such meeting.

(c) At any meeting of a Debtholders Group, subject as herein provided, a quorum shall consist of one or more Persons present in person or by proxy holding either personally or as proxies not less than 25% of the Outstanding Dollar Principal Amount of the Issuer Funding Obligations of the Debtholder Group entitled to vote at such meeting. If a quorum is not present on the date for which the meeting is called within 30 minutes after the time fixed for the holding of such meeting, the meeting shall be adjourned to be held at a place and upon a date and at an hour to be fixed by the Indenture Trustee who shall give not less than seven (7) days' notice of the date and time to which such meeting is to be adjourned and at such adjourned meeting a quorum shall consist of the Debtholders of that Debtholder Group then and there represented in person or by proxy and entitled to vote at such meeting.

(d) An individual, who need not be a Debtholder, nominated in writing by the Indenture Trustee shall be chairman of the meeting (a "**Chairman**"). If no individual is so nominated or if the individual nominated is not present within 25 minutes after the time fixed for the holding of the meeting, the Debtholders and proxies for Debtholders present shall choose one of their number to be Chairman.

(e) Every question submitted to a meeting, except matters requiring an Extraordinary Resolution, shall be decided by a majority of the votes given on a show of hands or, if a poll shall be requested as hereinafter provided, by a majority of the votes cast on the poll (in either case, an "**Ordinary Resolution**") and shall be binding on all Debtholders of the applicable Debtholder Group. On a show of hands, each Debtholder who is present, whether in person or by proxy, will have one vote for every $1,000 of Outstanding Dollar Principal Amount of applicable Issuer Funding Obligations of which he or she shall be the Debtholder. A poll shall be taken on every Extraordinary Resolution and otherwise whenever requested by a Debtholder or its proxy. On a poll, each Debtholder shall have one vote for every $1,000 of Outstanding Dollar Principal Amount of applicable Issuer Funding Obligations of which he or she shall be the Debtholder. Votes may be given in person or by proxy and a proxy need not be a Debtholder. If at any meeting a poll is so demanded as aforesaid on the election of a Chairman or on a question of adjournment, it shall be taken forthwith. If at any meeting a poll is so demanded

on any other question, or an Extraordinary Resolution is to be voted upon, a poll shall be taken in such manner and either at once or after an adjournment as the Chairman directs. The result of a poll shall be deemed to be the decision of the meeting at which the poll was demanded and shall be binding on all Debtholders of the applicable Debtholder Group. In the case of joint Registered Noteholders, any one of them present in person or by proxy at the meeting may vote in the absence of the other or others but, if more than one of them is present in person or by proxy, they shall vote together in respect of the Notes of which they are joint Registered Noteholders.

10.02 Powers Exercisable by Ordinary Resolution and Extraordinary Resolution

(a) Subject to Section 11.02, in addition to any powers hereinbefore given, Debtholders of a Class, Series or Tranche of Issuer Funding Obligations shall by Ordinary Resolution have the power to:

(i) require the Indenture Trustee (subject to receipt by the Indenture Trustee of reasonable funding and indemnity) to exercise or refrain from exercising any of the powers conferred upon it by this Indenture insofar as they apply solely to such Class, Series or Tranche or by the Related Funding Obligation Agreement;

(ii) sanction, insofar as they apply to the Class, Series or Tranche, the release of the Issuer from its covenants and obligations hereunder;

(iii) subject to the provisions of this Indenture or of the Related Funding Obligation Agreement, sanction any change whatsoever to any provision of the Issuer Funding Obligations of such Class, Series or Tranche which shall be agreed to by the Issuer and any modification, alteration, abrogation, compromise or arrangement of or in respect of the rights of the Debtholders of such Class, Series or Tranche or the Indenture Trustee against the Issuer, whether such rights shall arise under the provisions of this Indenture or otherwise;

(iv) subject to the provisions of this Indenture, assent to any modification of or change in or addition to or omission from the provisions contained in this Indenture, a Related Supplemental Indenture or any instrument ancillary or supplementary hereto or thereto, in each case, insofar as they apply to the Class, Series or Tranche, which shall be agreed to by the Issuer and to authorize the Indenture Trustee to concur in and execute any deed, instrument or agreement embodying any such modification, change, addition or omission or any other deeds, documents or writings authorized by such Ordinary Resolution; provided that no such assent shall be necessary for any modification of or change in or addition otherwise permitted hereunder or under a Related Supplemental Indenture; and

(v) take any other Action authorized by this Indenture or a Related Supplemental Indenture to be taken by Ordinary Resolution of the Debtholders of a Class, Series or Tranche of Issuer Funding Obligations.

(b) Subject to Section 11.02, in addition to any powers hereinbefore given, Controlling Class Creditors shall by Extraordinary Resolution have the power to:

(i) after the Security Interest has become enforceable, authorize the Indenture Trustee to accept, in satisfaction or partial satisfaction, all or any part of the Collateral;

(ii) after the Security Interest has become enforceable, sanction the selling of the Collateral or any part thereof or interest therein;

(iii) after the Security Interest has become enforceable, authorize the Indenture Trustee or any other Person to bid or tender at any sale of the Collateral or any part thereof and take such actions in connection with such sale as it determines to be in the best interests of all Controlling Class Creditors;

(iv) assent to any compromise or arrangement by the Issuer with any creditor, creditors or class or classes of creditors or with the holders of any securities of the Issuer whose claims are payable from the Collateral;

(v) restrain any Debtholder from taking or instituting any suit, action or proceeding for the purpose of realizing on the Collateral or for the execution of any trust or power hereunder or for the appointment of a liquidator, receiver or trustee in bankruptcy or to have the Issuer liquidated or for any other remedy hereunder and to direct such Debtholder to waive any Event of Default on which any suit or proceeding is founded;

(vi) require the Indenture Trustee (subject to receipt by the Indenture Trustee of reasonable funding and indemnity) to exercise or refrain from exercising any other powers conferred upon it by this Indenture of general application to all Classes of Issuer Funding Obligations, including the exercise of any rights of the Issuer under any of the Program Agreements upon the occurrence and during the continuance of an Event of Default, or cancel any declaration of acceleration made pursuant to Article VIII upon such terms and/or conditions as may be decided;

(vii) authorize the Indenture Trustee, in the event of the Issuer making an authorized assignment or proposal or in the event of an administrator, trustee, receiver or liquidator being appointed under any applicable bankruptcy or insolvency legislation for and on behalf of all Debtholders and, in addition to any claim or debt provided or made for its own account as Indenture Trustee hereunder, to file and prove a claim or debt against the Issuer or its property for an amount equivalent to the aggregate amount which may be payable in respect of all Issuer Funding Obligations, to value the Collateral, and to vote such claim or debt at meetings of creditors

and generally act for and on behalf of all Debtholders in such proceedings as such Extraordinary Resolution may provide;

(viii) appoint a committee with power and authority (subject to such limitations, if any, as may be prescribed in such Extraordinary Resolution) to exercise, and to direct the Indenture Trustee to exercise, on behalf of all Controlling Class Creditors, such of the powers of such Controlling Class Creditors as are exercisable by Extraordinary Resolution or other resolution as shall be included in the Extraordinary Resolution appointing the committee. The Extraordinary Resolution making such appointment may provide for payment of the expenses and disbursements of and compensation to such committee from the Collateral in portions allocated to each Series as may be specified in such Extraordinary Resolution. Such committee shall consist of such number of Persons as shall be prescribed in the Extraordinary Resolution appointing it and the members need not themselves be Controlling Class Creditors or Debtholders. Each such committee may elect a chairman and may make regulations respecting its quorum, the calling of its meetings, the filling of vacancies occurring in its number and its procedures generally. Such regulations may provide that the committee may act at a meeting at which a quorum is present or may act by minutes signed by the number of members thereof necessary to constitute a quorum. All acts of any such committee within the authority delegated to it shall be binding upon all Debtholders. Neither the committee nor any member thereof shall be liable for any loss arising from or in connection with any action taken or omitted to be taken by them in good faith; and

(ix) take any other action authorized by this Indenture to be taken by Extraordinary Resolution.

(c) The foregoing powers shall be deemed to be several and cumulative and not dependent on each other and the exercise of one or more of such powers, or any combination of such powers, from time to time, shall not be deemed to exhaust the rights of the Debtholders to exercise such power or powers, or combinations of powers, thereafter from time to time. No powers exercisable by Extraordinary Resolution shall derogate in any way from any rights of the Issuer under or pursuant to this Indenture without the agreement of the Issuer. The Issuer shall give the Rating Agency notice of any Ordinary Resolution or Extraordinary Resolution adopted.

10.03 Extraordinary Resolution

An Extraordinary Resolution, adopted in accordance with the provisions hereof, shall be binding upon each and every Debtholder and each other Specified Creditor and their respective heirs, executors, administrators, successors and assigns, whether present or absent, and the Indenture Trustee (subject to the provisions for funding and its indemnity herein contained) shall be bound to give effect thereto accordingly.

Except as expressly provided to the contrary in this Indenture, no action shall be taken at a meeting of the Debtholders of a Debtholder Group which changes any provision of this Indenture or changes or prejudices the exercise of any right of any Debtholder except by Extraordinary Resolution.

10.04 Declaration by Chairman of Result of Vote

At any meeting of Debtholders of any Debtholder Group in cases where no poll is required or requested, a declaration made by the Chairman that a resolution has been carried, or carried by any particular majority, or lost, shall be conclusive evidence thereof.

10.05 Minutes

Minutes of all resolutions and proceedings at every such meeting, as aforesaid, shall be made and duly entered in books to be provided from time to time for that purpose by an agent of the Issuer at the expense of the Issuer and any such minutes, as aforesaid, if signed by the Chairman of the meeting at which such resolutions were passed or proceedings had shall be *prima facie* evidence of the matters therein stated and, until the contrary is proved, every such meeting in respect of the proceedings of which minutes shall have been made shall be deemed to have been duly held and convened and all resolutions passed or proceedings had thereat to have been duly passed and had.

10.06 Signed Instruments

Any resolution or instrument signed in one or more counterparts by (a) Debtholders holding not less than 50% of the aggregate Outstanding Dollar Principal Amount of Issuer Funding Obligations of a Debtholder Group, in the case of matters capable of being decided by Ordinary Resolution, and (b) Controlling Class Creditors holding not less than 66⅔% of the aggregate Outstanding Dollar Principal Amount of all Controlling Class Obligations in the case of matters required to be decided by Extraordinary Resolution, shall, in either case, have the same force and effect as a resolution duly passed at a meeting of such Debtholders by the affirmative vote of all of the votes cast upon a poll. Notice of any Ordinary Resolution or Extraordinary Resolution passed in accordance with this Section 10.06 shall be given by the Indenture Trustee to all applicable Debtholders within 30 days of the date on which such Ordinary Resolution or Extraordinary Resolution was passed.

10.07 Persons Who May Attend

Each Debtholder, by their respective officers, directors, employees, and the legal advisers of such parties, may attend any meeting of Debtholders.

10.08 Binding Effect of Resolutions

Every Ordinary Resolution and every Extraordinary Resolution passed in accordance with the provisions of this Article X at a meeting of Debtholders of a Debtholder Group will be binding upon all of the Debtholders of such Debtholder Group whether present at or absent from such meeting, and every instrument in writing signed by Debtholders in accordance with Section 10.06 will be binding upon all of the Debtholders of such Debtholder Group, whether signatories

thereto or not, and the Indenture Trustee will be bound to give effect accordingly to every such Ordinary Resolution, Extraordinary Resolution and instrument in writing. For greater certainty, any Extraordinary Resolution shall bind all Debtholders and all other Specified Creditors in accordance with Section 10.03.

10.09 Notes Regarded as Not Outstanding for Certain Purposes

If, in the opinion of the Indenture Trustee and upon receipt of an Issuer Certificate in respect of the following, any business to be transacted at any meeting of Debtholders or any action to be taken or power exercised by instrument in writing under Section 10.06 does not materially adversely affect the rights of the Debtholders of one or more particular Class, Series or Tranche of Issuer Funding Obligations, the provisions of this Article X shall apply as if the Issuer Funding Obligations of that Class, Series or Tranche were not Outstanding, and no notice of any such meeting need be given to the Debtholders of that Class, Series or Tranche.

ARTICLE XI
SUPPLEMENTAL INDENTURES

11.01 Supplemental Indentures and Amendments Without Consent of Specified Creditors

Without the consent of Specified Creditors but with 10 Business Days' prior notice to each Rating Agency and the Province, the Issuer and the Indenture Trustee, at any time and from time to time, and upon delivery by the Issuer to the Indenture Trustee of an Issuer Certificate to the effect that the Issuer reasonably believes that such amendment will not have an Adverse Effect and is not reasonably expected to have an Adverse Effect at any time in the future, the Issuer may amend this Indenture, including any Supplemental Indenture or enter into one or more Supplemental Indentures, in form satisfactory to the Indenture Trustee, for any of the following purposes:

(a) to evidence the succession or successive successions of another Financing Entity to the Issuer, and the assumption by any such successor of the covenants of the Issuer herein and in the Notes; or

(b) to add to the covenants of the Issuer, or to surrender any right or power herein conferred upon the Issuer by the Issuer, for the benefit of Debtholders of any or all Classes, Series or Tranches of Issuer Funding Obligations; or

(c) to cure any ambiguity, to correct or supplement any provision herein which may be inconsistent with any other provision herein, to correct a clear clerical or administrative error, or to make any other provisions with respect to matters or questions arising under this Indenture; or

(d) to provide for the issuance of any Series or Tranche of Notes as provided in Article IV and Article V and to set forth the terms thereof, and/or to add to the rights of the Noteholders of any Class, Series or Tranche; or

(e) to evidence and provide for the acceptance of appointment by another corporation as a successor Indenture Trustee hereunder; or

(f) to add any additional Events of Default in respect of any or all Classes, Series or Tranches of Issuer Funding Obligations; or

(g) to provide for the consolidation of any Financing Entity and the Issuer into a single Person or the transfer of assets in any Financing Entity to the Issuer; or

(h) if IESO is replaced under the Master Transfer and Servicing Agreement as Servicer, to make any necessary changes to this Indenture or any other related document; or

(i) to provide for additional forms of Credit Enhancement for any Class, Series or Tranche of Issuer Funding Obligations; or

(j) to facilitate the issuance of Foreign Currency Issuer Funding Obligations; or

(k) to comply with any regulatory, accounting, securities or tax laws, rules, regulations or requirements, or changes to Rating Agency ratings criteria; or

(l) to enable the Issuer to file a registration statement (and any related exhibits thereto) for the offering of securities registered under the U.S. Securities Act and to comply with Regulation AB (including, without limitation, ongoing reporting obligations thereunder); or

(m) to qualify for sale treatment under generally accepted accounting principles.

Additionally, notwithstanding any provision of this Article XI to the contrary and in addition to clauses (a) through (m) above, the Issuer and the Indenture Trustee may amend this Indenture, including any Supplemental Indenture, without the consent of any Specified Creditor but with 10 Business Days' prior notice to each Rating Agency and the Province, to modify, eliminate or add to the provisions of this Indenture (i) to facilitate compliance with any amendment to any change of law or regulation which applies to the Issuer or the transactions governed by the Program Agreements, or (ii) to cause the provisions hereof to conform to or be consistent with or in furtherance of the statements made with respect to this Indenture in any applicable offering document; in each case, provided that the Issuer shall deliver to the Indenture Trustee an Issuer Certificate to the effect that (A) the Issuer reasonably believes that such amendment will not have an Adverse Effect and is not reasonably expected to have an Adverse Effect at any time in the future or (B) such amendment is required to remain in compliance with any change of law or regulation which applies to the Issuer or the transactions governed by the Program Agreements, or such amendment is required to cause the provisions hereof to conform to or be consistent with or in furtherance of the statements made with respect to this Indenture in any applicable offering document.

Additionally, notwithstanding any provision of this Article XI to the contrary and in addition to clauses (a) through (m) above and the immediately preceding paragraph, this Indenture, including any Supplemental Indenture, may also be amended by the Issuer and the Indenture Trustee, without the consent of any Specified Creditor but with 10 Business Days' prior notice to each Rating Agency and the Province, for the purpose of (i) adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Indenture or any

Supplemental Indenture or (ii) modifying in any manner the rights of the Specified Creditors under this Indenture or any Supplemental Indenture; provided, however, that (A) the Issuer shall deliver to the Indenture Trustee an Issuer Certificate to the effect that the Issuer reasonably believes that such amendment will not have an Adverse Effect and is not reasonably expected to have an Adverse Effect at any time in the future, and (B) the Rating Agency Condition shall be satisfied.

Additionally, notwithstanding any provision of this Article XI to the contrary and in addition to clauses (a) through (m) above and the immediately preceding paragraphs, this Indenture, including any Supplemental Indenture, may also be amended by the Issuer and the Indenture Trustee, without the consent of any Specified Creditor but with 10 Business Days' prior notice to each Rating Agency and the Province, to provide for those changes necessary for compliance with securities law requirements or banking laws or regulations; provided, however, that (i) the Issuer shall deliver to the Indenture Trustee an Issuer Certificate to the effect that the Issuer reasonably believes that such amendment will not have an Adverse Effect and is not reasonably expected to have an Adverse Effect at any time in the future, and (ii) the Rating Agency Condition shall be satisfied.

Prior written notice of any amendment to this Indenture or any Supplemental Indenture to the Province in accordance with the above paragraphs shall be sent by the Issuer and the Indenture Trustee. The Issuer and the Indenture Trustee shall send a copy of any amendment pursuant to this Section 11.01 to each Rating Agency and the Province; provided that failure to send copies of any amendment to this Indenture or any Supplemental Indenture, or failure to provide any notice under this Section 11.01 shall not invalidate such amendment.

The Indenture Trustee may, but shall not be obligated to, enter into any amendment which adversely affects the Indenture Trustee's rights, duties, benefits, protections, privileges or immunities under this Indenture or otherwise.

11.02 Supplemental Indentures and Amendments with Consent of Debtholders

In addition to any amendment permitted pursuant to Section 11.01, with 10 Business Days' prior notice to each Rating Agency and the Province, the consent of Debtholders of each Class, Series or Tranche of Issuer Funding Obligations affected by such amendment of this Indenture, including any Supplemental Indenture, by Ordinary Resolution delivered to the Issuer and the Indenture Trustee, and satisfaction of the Rating Agency Condition, the Issuer and the Indenture Trustee may enter into an amendment of this Indenture or any Supplemental Indenture for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Indenture or of modifying in any manner the rights of the Debtholders of each such Class, Series or Tranche of Issuer Funding Obligations under this Indenture or any Supplemental Indenture; provided, however, that no such amendment of this Indenture or any Supplemental Indenture will, without the consent of each Debtholder of Issuer Funding Obligations affected thereby and satisfaction of the Rating Agency Condition:

(a) change an Interest Payment Date, Principal Payment Date or Principal Payment Default Date of any Issuer Funding Obligation;

(b) reduce the principal amount of, or the interest rate on any Note, or change the method of computing the Outstanding Dollar Principal Amount, the Outstanding Currency Specific Dollar Principal Amount or the Outstanding Dollar Principal Amount in a manner that is adverse to any Debtholders;

(c) reduce the amount of a Discount Note payable upon its acceleration;

(d) reduce the percentage in Outstanding Dollar Principal Amount of Issuer Funding Obligations of any Class, Series or Tranche, the consent of whose holders is required for any such amendment, or the consent of whose holders is required for any waiver of compliance with the provisions of this Indenture or of defaults hereunder and their consequences, provided for in this Indenture;

(e) modify any of the provisions of this Section 11.02 or Section 8.03, except to increase any percentage of Debtholders required to consent to any such amendment or to provide that other provisions of this Indenture cannot be modified or waived without the consent of the Debtholders affected thereby;

(f) change any Place of Payment where any principal of, or interest on, any Note is payable, unless otherwise provided in the Related Supplemental Indenture; or

(g) change the method of computing the amount of principal of, or interest on, any Note on any date.

An amendment of this Indenture or a Supplemental Indenture which changes or eliminates any covenant or other provision of this Indenture which has expressly been included solely for the benefit of one or more particular Classes, Series or Tranches of Issuer Funding Obligations, or which modifies the rights of the Debtholders of such Class, Series or Tranche with respect to such covenant or other provision, will be deemed not to affect the rights under this Indenture of the Debtholders of any other Class, Series or Tranche of Issuer Funding Obligations.

It will not be necessary for any Ordinary Resolution or Extraordinary Resolution under this Section 11.02 to approve the particular form of any proposed amendment or Supplemental Indenture, but it will be sufficient if such Ordinary Resolution or Extraordinary Resolution will approve the substance thereof.

The Issuer and the Indenture Trustee shall send a copy of any amendment pursuant to this Section 11.02 to each Rating Agency and the Province; provided that failure to send copies of any amendment to this Indenture or any Supplemental Indenture, or failure to provide any notice under this Section 11.02 shall not invalidate such amendment.

11.03 Execution of Amendments and Supplemental Indentures

In executing or accepting the additional trusts created by any amendment of this Indenture or Supplemental Indenture permitted by this Article XI or the modifications thereby of the trusts created by this Indenture, the Indenture Trustee will be provided with, and (subject to Section 9.01) will be fully protected in relying upon, an Opinion of Counsel stating that the execution of

such amendment or Supplemental Indenture is authorized or permitted by this Indenture and that all conditions precedent thereto have been satisfied. The Indenture Trustee may, but will not (except to the extent required in the case of an amendment or Supplemental Indenture entered into under subsection 11.01(e)) be obligated to, enter into any such amendment or Supplemental Indenture which affects the Indenture Trustee's own rights, duties or immunities under this Indenture or otherwise.

11.04 Effect of Amendments and Supplemental Indentures

Upon the execution of any amendment of this Indenture or any Supplemental Indenture under this Article XI, this Indenture and/or such Supplemental Indenture will be modified in accordance therewith with respect to each Class, Series or Tranche of Issuer Funding Obligations affected thereby, or all Issuer Funding Obligations, as the case may be, and such amendment or Supplemental Indenture will form a part of this Indenture and such Supplemental Indenture for all purposes; and every holder of Issuer Funding Obligations theretofore or thereafter incurred and every other Specified Creditor will be bound thereby to the extent provided therein.

11.05 Reference in Notes to Supplemental Indentures

Notes authenticated and delivered after the execution of any amendment of this Indenture or any Supplemental Indenture pursuant to this Article XI may, and will if required by the Indenture Trustee, bear a notation in form approved by the Indenture Trustee as to any matter provided for in such amendment or Supplemental Indenture. If the Issuer will so determine, new Notes so modified as to conform, in the opinion of the Indenture Trustee and the Issuer, to any such amendment or Supplemental Indenture may be prepared and executed by the Issuer and authenticated and delivered by the Indenture Trustee in exchange for Outstanding Notes.

ARTICLE XII
REPRESENTATIONS AND WARRANTIES OF THE ISSUER

12.01 Representations and Warranties of the Issuer

The Issuer hereby represents and warrants to the Indenture Trustee and shall be deemed to represent and warrant to the Indenture Trustee on the issuance of Notes of any particular Class, Series or Tranche hereunder, and upon each Borrowing under the applicable Funding Obligation Agreement, that:

(a) The Issuer is a Financing Entity.

(b) The indebtedness incurred pursuant to each issuance of Notes and each Borrowing is a Funding Obligation.

(c) The Issuer (i) is a trust duly constituted and validly existing under the laws of the Province of Ontario, (ii) is duly qualified to carry on its business in each jurisdiction in which it carries on business, (iii) has the power and authority to enter into and perform its obligations under this Indenture and the other Program Agreements executed by it and all instruments and agreements delivered pursuant hereto, and thereto and to own its property and carry on its business as currently

conducted including, without limitation, the power and authority and legal right to acquire Investment Interests, and (iv) has obtained all approvals from all Governmental Authorities required in connection with the execution, delivery and performance of the Program Agreements.

(d) The execution, delivery and performance of this Indenture, and at the time it enters into such document, the other Program Agreements executed by it and every instrument or agreement delivered pursuant hereto and thereto has been or will be duly authorized by all requisite action and this Indenture and such other Program Agreements, instruments and agreements have been or will be duly executed and delivered by the Issuer and constitute valid and binding obligations of the Issuer enforceable against the Issuer in accordance with their respective terms subject to (i) applicable bankruptcy, insolvency, moratorium and similar laws at the time in effect affecting the rights of creditors generally, and (ii) equitable principles which may limit the availability of certain remedies, including the remedy of specific performance.

(e) There are no actions, suits or proceedings pending or, to the knowledge of the Issuer, threatened against or affecting the Issuer at law or in equity or before or by any Governmental Authority, or before any arbitrator of any kind, which would result in any material adverse change in the business, operations, prospects, properties, assets or condition, financial or otherwise, of the Issuer or in the ability of the Issuer to perform its obligations under this Indenture, the other Program Agreements executed by it or any agreement or instrument delivered pursuant hereto or thereto; and the Issuer is not aware of any existing ground on which such action, suit or proceeding might be commenced with any reasonable likelihood of success or of any default with respect to any judgment, order, writ, injunction, decree, award, rule or regulation of any court, arbitrator or Governmental Authority, which, either separately or in the aggregate, would result in any such material adverse change.

(f) The Issuer is not a party to any agreement or instrument which materially adversely affects its ability to perform its obligations under this Indenture, the other Program Agreements executed by it or any agreements or instruments delivered pursuant hereto or thereto or materially adversely affects the business, operations, prospects, properties, assets or condition, financial or otherwise of the Issuer.

(g) The Issuer is not subject to any restriction or any judgment, order, writ, injunction, decree, award, rule or regulation which materially adversely affects, or in the future may materially adversely affect, the business, operations, prospects, properties, assets or condition, financial or otherwise of the Issuer or its ability to perform its obligations under this Indenture, the other Program Agreements executed by it or any agreements or instruments delivered pursuant hereto or thereto.

(h) Neither the execution nor delivery of this Indenture, the other Program Agreements executed by it or any agreements or instruments delivered pursuant hereto or thereto, the consummation of the transactions herein and therein contemplated, nor compliance with the terms, conditions and provisions hereof or thereof conflicts with or will conflict with, or results or will result in any breach of, or constitutes a default under, any of the provisions of the Declaration of Trust or any agreements or instruments to which the Issuer is a party or by which it or any of its property and assets are bound, or results or will result in the creation or imposition of any Lien of any nature whatsoever upon any of the property or assets of the Issuer.

(i) No consent, approval or authorization of, or declaration, registration, filing or qualification with, or giving of notice to, or taking of any other action in respect of, any Governmental Authority on the part of the Issuer is required in connection with the execution and delivery of this Indenture, the other Program Agreements executed by it or any agreements or instruments delivered pursuant hereto or thereto or the consummation of any of the transactions contemplated hereby or in connection with the enforcement of this Indenture, the other Program Agreements executed by it or any agreements or instruments delivered pursuant hereto or thereto (except those which have been obtained or deemed to have been obtained).

12.02 Certified Primary Obligations

The Issuer shall be deemed to represent and warrant to the Indenture Trustee on the incurrence of any Obligations Secured (other than Issuer Funding Obligations) that if the Issuer does not deliver the certificates contemplated by subsection 5.03(d), that the Obligations Secured are not Certified Primary Obligations.

ARTICLE XIII
COVENANTS OF THE ISSUER

13.01 Payment of Principal and Interest

With respect to each Class, Series or Tranche of Issuer Funding Obligations, the Issuer will duly and punctually pay the principal of and interest on such Issuer Funding Obligations in accordance with their terms, this Indenture and any Related Funding Obligation Agreement, and will duly comply with all the other terms, agreements and conditions contained in, or made in this Indenture and any Funding Obligation Agreement.

13.02 Use of Proceeds; Funding of Program Cash Reserve Account

The Issuer will use the proceeds of Notes and Borrowings solely for: (i) the acquisition by the Issuer of an Investment Interest; (ii) the redemption, repayment or repurchase of any existing Issuer Funding Obligations; (iii) the funding of Issuer Accounts; and (iv) the payment of transaction fees and expenses in connection with the incurrence of Issuer Funding Obligations.

13.03 Maintenance of Office or Agency

The Issuer will maintain an office or agency in each Place of Payment where Notes may be presented or surrendered for payment, where Notes may be surrendered for transfer or exchange and where notices and demands to or upon the Issuer in respect of the Notes and this Indenture may be served. The Issuer will give prompt written notice to the Indenture Trustee of the location, and of any change in the location, of such office or agency. If at any time the Issuer will fail to maintain such office or agency or will fail to furnish the Indenture Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Indenture Trustee, and the Issuer hereby appoints the Indenture Trustee its agent to receive all such presentations, surrenders, notices and demands.

The Issuer may also from time to time designate one or more other offices or agencies where the Notes of one or more Classes, Series or Tranches may be presented or surrendered for any or all of such purposes specified above and may constitute and appoint one or more Paying Agents for the payments of such Notes, in one or more other cities, and may from time to time rescind such designations and appointments; provided, however, that no such designation, appointment or rescission shall in any matter relieve the Issuer of its obligations to maintain an office or agency in each Place of Payment for Notes of any Class, Series or Tranche for such purposes. The Issuer will give prompt written notice to the Indenture Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

13.04 Legal Existence

The Issuer will do or cause to be done all things necessary to preserve and keep in full force and effect its legal existence and maintain its status as a Financing Entity.

13.05 Separateness Covenants

The Issuer will take all reasonable steps to maintain the Issuer's identity as a distinct entity with assets and liabilities distinct from those of the Manager and any of its Affiliates. Without limiting the generality of the foregoing and in addition to the other covenants set forth herein, the Issuer shall:

(a) not identify the offices of the Manager or any Affiliate thereof as its offices (by signage or otherwise);

(b) not identify the telephone number of the Manager as its telephone number and it will not utilize the stationery, invoices or cheques of the Manager;

(c) conduct all transactions with the Manager strictly on an arm's length basis and in good faith, allocate all overhead expenses for items shared between the Issuer and the Manager on the basis of actual use to the extent practicable and, to the extent such allocation is not practicable, on a basis reasonably related to actual use;

(d) conduct its affairs strictly in accordance with the Declaration of Trust, and observe all necessary, appropriate and trust formalities;

(e) maintain the Issuer's books and records separate from those of the Manager or any Affiliate thereof and otherwise readily identifiable as its own assets rather than assets of the Manager or any Affiliate thereof;

(f) prepare its financial statements separately from those of the Manager and ensure that any consolidated financial statements of the Manager that include the Issuer have notes clearly stating that the Issuer is a separate entity;

(g) only maintain bank accounts or other depository accounts to which the Issuer alone is the account party (or where the Issuer Trustee or the Indenture Trustee will maintain them on behalf of the Issuer), and from which only the Issuer or its agent has the power to make withdrawals;

(h) pay all of the Issuer's operating expenses from the Issuer's own assets (including, for greater certainty, reimbursing the Manager for any such expenses);

(i) continuously maintain the resolutions, agreements and other instruments of the Issuer underlying the transactions described in the Program Agreements as official records of the Issuer separately identified and held apart from the records of the Manager;

(j) maintain its property in such a manner that it is not costly or difficult to segregate, ascertain or otherwise identify its individual assets from or against those of the Manager or any Affiliate thereof; and

(k) not become liable to any Person for any obligations of the Manager or any Affiliate thereof.

13.06 Compliance with Laws

The Issuer will comply with the requirements of all applicable laws, the noncompliance with which would, individually or in the aggregate, materially and adversely affect the ability of the Issuer to perform its obligations under the Program Agreements.

13.07 Performance of Obligations

(a) The Issuer will punctually perform and observe all of its obligations and agreements contained in this Indenture, the Declaration of Trust, the Master Transfer and Servicing Agreement, the other Program Agreements and in the instruments and agreements relating to the Collateral, including but not limited to filing or causing to be filed all PPSA financing statements and amendments thereto required to be filed by the terms of this Indenture in accordance with and within the time periods provided for herein.

(b) The Issuer (i) will diligently pursue any and all actions to enforce its rights under each instrument or agreement included in the Collateral and (ii) will not take any action and will use its best efforts not to permit any action to be taken by others that would release any Person from any of such Person's covenants or obligations

under any such instrument or agreement or that would result in the amendment, hypothecation, subordination, termination or discharge of, or impair the validity or effectiveness of, any such instrument or agreement, except, in each case, as expressly provided in this Indenture, the Master Transfer and Servicing Agreement or any other Program Agreement.

(c) The Issuer will enforce the Servicer's compliance with and performance of all of the Servicer's material obligations under the Master Transfer and Servicing Agreement. The Issuer will enforce the Manager's compliance with and performance of all of the Manager's material obligations under the Management Agreement.

13.08 Funding Obligations

The Issuer will ensure that all indebtedness is incurred pursuant to and in accordance with Article V. The Issuer will not enter into any Funding Obligation Agreement, other than a Warehouse Facility Agreement, that provides for Issuer Funding Obligations that have principal repayment obligations that the Manager believes, acting reasonably having regard to the Financing Plan and all Issuer Funding Obligations then outstanding, would likely require the Issuer to satisfy payments of principal on any Principal Payment Date in respect of such Issuer Funding Obligations by means of a Refinancing other than a Pre-Approved Refinancing.

13.09 Financial Statements

The Issuer will deliver or cause to be delivered to the Indenture Trustee and the Rating Agencies within 140 days after the end of each fiscal year audited financial statements of the Issuer for the fiscal year, including the balance sheet and statements of income, retained earnings and changes in financial position of the Issuer, and within 90 days after the end of each fiscal quarter, other than the fiscal quarter of the Issuer ending on the fiscal year end of the Issuer, unaudited financial statements of the Issuer for such fiscal quarter of the Issuer, including the balance sheet and statements of income, retained earnings and changes in financial position of the Issuer. The Indenture Trustee shall send a copy of each financial statement delivered pursuant to this Section 13.09 to each Noteholder.

13.10 Statement as to Compliance

The Issuer will deliver to the Indenture Trustee and the Rating Agencies, on or before March 31 of each year, beginning in 2018, a written statement signed by a Responsible Officer of the Issuer stating that:

In any case where notice to Registered Noteholders is given by mail, facsimile or electronic transmission, neither the failure to mail, send by facsimile or send by electronic transmission such notice, nor any defect in any notice so mailed, to any particular Noteholders will affect the sufficiency of such notice with respect to other Noteholders and any notice that is mailed, sent by facsimile or sent by electronic transmission in the manner herein provided shall conclusively have been presumed to have been duly given. In the case where CDS is the Registered Noteholder, notices, documents or other communications may be

given by hand-delivery and such notice, document or other communication shall be deemed to have been received on the day of delivery.

(b) No notice will be given by mail, facsimile, email transmission or otherwise delivered to a holder of Bearer Notes or coupons in bearer form. (d) With respect to any Series or Tranche of Notes, the Related Supplemental Indenture or Terms Document may specify different or additional means of giving notice to the Noteholders of such Series or Tranche.

(e) Where this Indenture, any Supplemental Indenture or any Registered Note provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver will be the equivalent of such notice. Any notice, document or other communication required or permitted to be given or delivered to any Specified Creditor (other than Noteholders) hereunder will be in writing and will be given by delivery to the applicable addresses provided to the Issuer by such Specified Creditor and set forth in the Specified Creditor list delivered pursuant to subsection 13.13(b) or by facsimile or electronic transmission. ARTICLE XVI
MISCELLANEOUS

16.01 No Petition

The Indenture Trustee, by entering into this Indenture, and each Specified Creditor by accepting its rights as a third party beneficiary hereunder, agrees, to the fullest extent permitted by applicable law, that at no time until one year and one day following repayment in full of all Issuer Funding Obligations shall it commence, or join in commencing, a bankruptcy case or other insolvency or similar proceeding under the laws of any jurisdiction against the Issuer.

16.02 Withholding Rights

The right of any Person to receive amounts described in this Indenture, including rights of a Noteholder to receive interest on or principal of a Note, or the rights of a Person to receive payments described in the Payment Waterfalls, shall be subject to any applicable withholding or deduction imposed pursuant to the Income Tax Act or other applicable tax law, including foreign withholding and deduction. Any amounts properly withheld or deducted shall be treated as actually paid to the appropriate recipient, provided that such deduction or withheld amounts are actually remitted in accordance with applicable law to the appropriate Governmental Authority.

16.03 U.S. Tax Treatment

The Issuer and each Noteholder that is a United States Person agree that the Notes are intended to be debt for United States federal, state and local income and franchise tax purposes and agree to treat the Notes accordingly for all such purposes, unless otherwise required by a taxing authority. Each Noteholder that is a United States Person further agrees that it will cause any Note Owner that is a United States Person acquiring an interest in a Note through it to comply with this Indenture as to treatment as indebtedness for United States federal, state and local income and franchise tax purposes as described in this Section 16.03.

16.04 Alternate Payment Provisions

Notwithstanding any provision of this Indenture or any of the Notes to the contrary, the Issuer, with the written consent of the Indenture Trustee, may enter into any agreement with any Noteholder providing for a method of payment or notice that is different from the methods provided for in this Indenture for such payments or notices. The Issuer will furnish to the Indenture Trustee a copy of each such agreement and the Indenture Trustee will cause payments or notices, as applicable, to be made in accordance with such agreements.

16.05 Final Distribution

(a) The Issuer shall give the Indenture Trustee at least 30 days written notice of the Principal Payment Date on which the Noteholders of any Class, Series or Tranche may surrender their Notes for payment of the final distribution on and cancellation of such Notes. Not later than the fifth day of the month in which the final distribution in respect of such Class, Series or Tranche is payable to Noteholders, the Indenture Trustee shall provide notice to Noteholders of such Class, Series or Tranche specifying (i) the date upon which final payment of such Class, Series or Tranche will be made upon presentation and surrender of Notes of such Class, Series or Tranche at the office or offices therein designated, (ii) the amount of any such final payment, and (iii) that the Record Date otherwise applicable to such Principal Payment Date is not applicable, payments being made only upon presentation and surrender of such Notes at the office or offices therein specified (which, in the case of Bearer Notes, shall be outside the United States). The Indenture Trustee shall give such notice to the Note Registrar and the Paying Agent at the time such notice is given to Noteholders.

(b) Notwithstanding a final distribution to the Noteholders of any Class, Series or Tranche of Notes (or the termination of the Issuer), except as otherwise provided in this paragraph, all funds then on deposit in any Series Account allocated solely to such Noteholders shall continue to be held in trust for the benefit of such Noteholders, and the Paying Agent or the Indenture Trustee shall pay such funds to such Noteholders upon surrender of their Notes, if certificated. In the event that all such Noteholders shall not surrender their Notes for cancellation within six (6) months after the date specified in the notice from the Indenture Trustee described in paragraph (a), the Indenture Trustee shall give a second notice to the remaining such Noteholders to surrender their Notes for cancellation and receive the final distribution with respect thereto (which surrender and payment, in the case of Bearer Notes, shall be outside the United States). If within one (1) year after the second notice all such Notes shall not have been surrendered for cancellation, the Indenture Trustee may take appropriate steps, or may appoint an agent to take appropriate steps, to contact the remaining such Noteholders concerning surrender of their Notes, and the cost thereof shall be paid out of the funds in the Collection Account or any Series Account held for the benefit of such Noteholders. The Indenture Trustee and the Paying Agent shall pay to the Issuer any monies held by them for the payment of principal or interest that remains unclaimed for two (2) years. After payment to the Issuer, Noteholders entitled to the money must look to the Issuer for payment as general creditors unless an applicable abandoned property law designates another Person.

16.06 Force Majeure

In no event shall the Indenture Trustee or the Issuer Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural

catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; it being understood that the Indenture Trustee and the Issuer Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

3.9 Taxes

(a) All payments by or on account of any obligation of the Issuer hereunder shall, to the extent allowed by law, be made free and clear of, and without deduction or withholding for or on account of Taxes, excluding (i) income taxes (including branch profit taxes, minimum taxes and taxes computed under alternative methods, at least one of which is based on or measured by net income), franchise taxes (imposed in lieu of income taxes), or any other Taxes based on or measured by the net income of any person legally entitled to receive such payments (each a "**Recipient**") as a result of a present or former connection between the Recipient and the jurisdiction of the Governmental Authority imposing such Taxes (other than any such connection arising solely from the Recipient having executed, delivered or performed its obligations or received a payment under, disposed of, or enforced, this Supplemental Indenture); (ii) any withholding or deduction imposed pursuant to

(A) Sections 1471 to 1474 of the Internal Revenue Code ("**FATCA**"), or any successor version thereof, or any similar legislation imposed by any other Governmental Authority, or (B) any treaty, law or regulation or other official guidance enacted by Canada implementing FATCA or any intergovernmental agreement with respect to FATCA or any similar legislation imposed by any other Governmental Authority, including, for greater certainty, the *Canada-United States Enhanced Tax Information Exchange Agreement Implementation Act* (Canada) and Parts XVIII and XIX of the Income Tax Act (collectively, and including FATCA, the "**AEOI Legislation**"); and (iii) any interest, penalties and additions to Taxes in respect of (i) and (ii) (all such excluded Taxes being hereinafter called "**Excluded Taxes**"). If any Taxes, other than Excluded Taxes, are required to be withheld from any amounts payable to a Recipient hereunder, the amounts so payable to the Recipient shall be increased, and the Recipient shall be entitled to be paid by the Issuer the amount of such increase to the extent necessary to yield to the Recipient (after payment of all such Taxes other than Excluded Taxes) interest or any such other amounts payable hereunder or thereunder at the rates or in the amounts specified hereunder. Where the amount payable by the Issuer is increased in accordance with the previous sentence, the Monthly Interest shall be increased by the amount of such increase. Whenever any Taxes are payable on or with respect to amounts distributed to a Recipient, as promptly as possible thereafter the Issuer shall send to such Recipient a certified copy of an original official receipt showing payment thereof.

(b) If a payment by or on account of any obligation of the Issuer hereunder would be subject to withholding Taxes under any AEOI Legislation if the Recipient were to fail to comply with the applicable reporting requirements of any AEOI Legislation, such Recipient shall deliver to the Issuer at the time or times prescribed by law and at such time or times reasonably requested by the Issuer such documentation prescribed by applicable law and such additional documentation reasonably requested by the Issuer as may be necessary for the Issuer to comply with its obligations under any AEOI Legislation and to determine that such Recipient has complied with its obligations under any AEOI Legislation, or to determine the amount to deduct and withhold from such payment. If any form or certification it previously delivered by a Recipient expires or becomes obsolete or inaccurate in any respect, the Recipient shall update such form or certification or promptly notify the Issuer in writing of its legal inability to do so.

(c) If a Recipient is legally entitled to receive a refund of any Taxes (other than Excluded Taxes) as to which it has been indemnified or with respect to which additional amounts have been paid to it hereunder or it is legally entitled to receive a credit or deduction with respect to such Taxes or with respect to such additional amounts that have been paid hereunder (in each case pursuant to Section 3.9(a)), it shall use commercially reasonable efforts to obtain or claim such refund, credit or deduction and pay over such refund or the value of such credit or deduction to the Issuer, together with any interest thereon.

3.10 Increased Costs

(a) (i) If any Regulatory Change (x) subjects the Purchaser to any charge or withholding on or with respect to any Support Facility or this Supplemental Indenture or the Purchaser's obligations under a Support Facility or this Supplemental Indenture, or changes the basis of taxation of payments to the Purchaser of any amounts payable under any Support Facility or this Supplemental Indenture Agreement (except for changes in the rate of tax on the overall net income of the Purchaser or Excluded Taxes) or (y) imposes, modifies or deems applicable any reserve,

assessment, fee, tax, insurance charge, special deposit or similar requirement against assets of, deposits with or for the account of, or liabilities of the Purchaser, or credit extended by the Purchaser pursuant to a Support Facility or this Supplemental Indenture or (z) imposes any other condition the result of which is to increase the cost to the Purchaser of performing its obligations under a Support Facility or this Supplemental Indenture, or to reduce the rate of return on the Purchaser's capital or assets as a consequence of its obligations under a Support Facility or this Supplemental Indenture, or to reduce the amount of any sum received or receivable by the Purchaser under a Support Facility or this Supplemental Indenture, or to require any payment calculated by reference to the amount of interests or loans held or interest received by it, then, upon written request by the Purchaser therefore to the Issuer, the Purchaser shall be entitled to be paid such amounts charged to the Purchaser or such amounts to otherwise compensate the Purchaser for such increased cost or such reduction following a receipt by the Issuer of such request for compensation under this Section 3.10(a)(i), which payment shall be made on the earlier of (A) the first Payment Date on which amounts are available to pay such amounts pursuant to Section 7.04(e) of the Trust Indenture (provided that such request is received by the Issuer no later than five (5) Business Days prior to the end of the Interest Period related to such Payment Date), and (B) the twelfth Payment Date following such request.

(ii) The Issuer acknowledges that the Purchaser may implement, as an internal institutional matter, measures in anticipation of a final or proposed Regulatory Change (including, without limitation, the imposition of internal charges on the Purchaser's interest or obligations under any Support Agreement or this Supplemental Indenture) and may commence recognizing the incurrence of charges by seeking compensation under Section 3.10(a)(i) in connection with such measures, in advance of the effective date of such final or proposed Regulatory Change, and the Issuer agrees that such charges or compensation shall be payable, to the Purchaser, following demand therefor without regard to whether such proposed Regulatory Change has been adopted or whether such effective date has occurred; provided, that (I) the Purchaser shall provide thirty (30) days prior written notice to the Issuer of its intent to impose or incur any such charges or compensation, (II) the Purchaser shall not be compensated for any such amount pursuant to this subsection 3.10(a)(ii) relating to any period ending, and of which the Purchaser has had knowledge, more than 180 days prior to the date that the Purchaser provided the Issuer with the written notice contemplated by the preceding clause (I) of this subsection 3.10(a)(ii), (III) if, after the payment by the Issuer of any charges or compensation pursuant to this subsection 3.10(a)(ii), either (A) the Issuer requests in writing that the Purchaser re-compute any such charge or compensation in light of differences between a proposed Regulatory Change and the final effective version thereof or (B) the Purchaser determines that the amount of the charge imposed on and required to be compensated by the Issuer exceeds the amount necessary to compensate it for the applicable Regulatory Change as contemplated by subsection 3.10(a)(i), then (x) the amount of such charge or compensation shall, from and after such determination, be reduced by the amount of such excess and (y) the Purchaser shall, within thirty (30) days of such determination, either repay the amount of such excess or credit the amount of such excess against future charges under this subsection 3.10(a)(ii). The Issuer further acknowledges that any charge or compensation demanded hereunder may take the form of a monthly charge to be assessed by the Purchaser.

(b) The Purchaser claiming increased amounts described in subsection 3.10(a) of this Supplemental Indenture will furnish to the Issuer (together with its request for compensation) a certificate prepared in good faith setting forth the basis and the calculation of the amount (in

reasonable detail) of each request by the Purchaser for any such increased amounts referred to in subsection 3.10(a) hereof. Any such certificate shall be conclusive absent manifest error. Failure on the part of the Purchaser to demand compensation for any amount pursuant to subsection 3.10(a) hereof with respect to any period shall not constitute a waiver of the Purchaser's right to demand compensation with respect to such period.

(c) If a Recipient is legally entitled to receive a refund of any Taxes (other than Excluded Taxes) as to which it has been indemnified or with respect to which additional amounts have been paid to it hereunder or it is legally entitled to receive a credit or deduction with respect to

such Taxes or with respect to such additional amounts that have been paid hereunder (in each case pursuant to Section 3.9(a)), it shall use commercially reasonable efforts to obtain or claim such refund, credit or deduction and pay over such refund or the value of such credit or deduction to the Issuer, together with any interest thereon.

(a) (i) If any Regulatory Change (x) subjects the Purchaser to any charge or withholding on or with respect to any Support Facility or this Supplemental Indenture or the Purchaser's obligations under a Support Facility or this Supplemental Indenture, or changes the basis of taxation of payments to the Purchaser of any amounts payable under any Support Facility or this Supplemental Indenture Agreement (except for changes in the rate of tax on the overall net income of the Purchaser or Excluded Taxes) or (y) imposes, modifies or deems applicable any reserve, assessment, fee, tax, insurance charge, special deposit or similar requirement against assets of, deposits with or for the account of, or liabilities of the Purchaser, or credit extended by the Purchaser pursuant to a Support Facility or this Supplemental Indenture or (z) imposes any other condition the result of which is to increase the cost to the Purchaser of performing its obligations under a Support Facility or this Supplemental Indenture, or to reduce the rate of return on the Purchaser's capital or assets as a consequence of its obligations under a Support Facility or this Supplemental Indenture, or to reduce the amount of any sum received or receivable by the Purchaser under a Support Facility or this Supplemental Indenture, or to require any payment calculated by reference to the amount of interests or loans held or interest received by it, then, upon written request by the Purchaser therefore to the Issuer, the Purchaser shall be entitled to be paid such amounts charged to the Purchaser or such amounts to otherwise compensate the Purchaser for such increased cost or such reduction following a receipt by the Issuer of such request for compensation under this Section 3.10(a)(i), which payment shall be made on the earlier of (A) the first Payment Date on which amounts are available to pay such amounts pursuant to Section 7.04(e) of the Trust Indenture (provided that such request is received by the Issuer no later than five (5) Business Days prior to the end of the Interest Period related to such Payment Date), and (B) the twelfth Payment Date following such request.

(ii) The Issuer acknowledges that the Purchaser may implement, as an internal institutional matter, measures in anticipation of a final or proposed Regulatory Change (including, without limitation, the imposition of internal charges on the Purchaser's interest or obligations under any Support Agreement or this Supplemental Indenture) and may commence recognizing the incurrence of charges by seeking compensation under Section 3.10(a)(i) in connection with such measures, in advance of the effective date of such final or proposed Regulatory Change, and the Issuer agrees that such charges or compensation shall be payable, to the Purchaser, following demand therefor without regard to whether such proposed Regulatory Change has been adopted or whether such effective date has occurred; provided, that (I) the Purchaser shall provide thirty (30) days prior written notice to the Issuer of its intent to impose or incur any such charges or compensation, (II) the Purchaser shall not be compensated for any such amount pursuant to this subsection 3.10(a)(ii) relating to any period ending, and of which the Purchaser has had knowledge, more than 180 days prior to the date that the Purchaser provided the Issuer with the written notice contemplated by the preceding clause (I) of this subsection 3.10(a)(ii), (III) if, after the payment by the Issuer of any charges or compensation pursuant to this subsection 3.10(a)(ii), either (A) the Issuer requests in writing that the Purchaser re-compute any such charge or

compensation in light of differences between a proposed Regulatory Change and the final effective version thereof or (B) the Purchaser determines that the amount of the charge imposed on and required to be compensated by the Issuer exceeds the amount necessary to compensate it for the applicable Regulatory Change as contemplated by subsection 3.10(a)(i), then (x) the amount of such charge or compensation shall, from and after such determination, be reduced by the amount of such excess and (y) the Purchaser shall, within thirty (30) days of such determination, either repay the amount of such excess or credit the amount of such excess against future charges under this subsection 3.10(a)(ii). The Issuer further acknowledges that any charge or compensation demanded hereunder may take the form of a monthly charge to be assessed by the Purchaser.

If any Taxes, other than Excluded Taxes, are required to be withheld from any amounts payable to a Recipient hereunder, the amounts so payable to the Recipient shall be increased, and the Recipient shall be entitled to be paid by the Issuer the amount of such increase to the extent necessary to yield to the Recipient (after payment of all such Taxes other than Excluded Taxes) interest or any such other amounts payable hereunder or thereunder at the rates or in the amounts specified hereunder. Where the amount payable by the Issuer is increased in accordance with the previous sentence, the Monthly Interest shall be increased by the amount of such increase. Whenever any Taxes are payable on or with respect to amounts distributed to a Recipient, as promptly as possible thereafter the Issuer shall send to such Recipient a certified copy of an original official receipt showing payment thereof.

(b) If a payment by or on account of any obligation of the Issuer hereunder would be subject to withholding Taxes under any AEOI Legislation if the Recipient were to fail to comply with the applicable reporting requirements of any AEOI Legislation, such Recipient shall deliver to the Issuer at the time or times prescribed by law and at such time or times reasonably requested by the Issuer such documentation prescribed by applicable law and such additional documentation reasonably requested by the Issuer as may be necessary for the Issuer to comply with its obligations under any AEOI Legislation and to determine that such Recipient has complied with its obligations under any AEOI Legislation, or to determine the amount to deduct and withhold from such payment. If any form or certification it previously delivered by a Recipient expires or becomes obsolete or inaccurate in any respect, the Recipient shall update such form or certification or promptly notify the Issuer in writing of its legal inability to do so.

(c) If a Recipient is legally entitled to receive a refund of any Taxes (other than Excluded Taxes) as to which it has been indemnified or with respect to which additional amounts have been paid to it hereunder or it is legally entitled to receive a credit or deduction with respect to such Taxes or with respect to such additional amounts that have been paid hereunder (in each case pursuant to Section 3.9(a)), it shall use commercially reasonable efforts to obtain or claim such refund, credit or deduction and pay over such refund or the value of such credit or deduction to the Issuer, together with any interest thereon.

3.10 Increased Costs

(a) (i) If any Regulatory Change (x) subjects the Purchaser to any charge or withholding on or with respect to any Support Facility or this Supplemental Indenture or the Purchaser's obligations under a Support Facility or this Supplemental Indenture, or changes the basis of taxation of payments to the Purchaser of any amounts payable under any Support Facility or this Supplemental Indenture Agreement (except for changes in the rate of tax on the overall net income of the Purchaser or Excluded Taxes) or (y) imposes, modifies or deems applicable any reserve, assessment, fee, tax, insurance charge, special deposit or similar requirement against assets of, deposits with or for the account of, or liabilities of the Purchaser, or credit extended by the Purchaser pursuant to a Support Facility or this Supplemental Indenture or (z) imposes any other

condition the result of which is to increase the cost to the Purchaser of performing its obligations under a Support Facility or this Supplemental Indenture, or to reduce the rate of return on the Purchaser's capital or assets as a consequence of its obligations under a Support Facility or this Supplemental Indenture, or to reduce the amount of any sum received or receivable by the Purchaser under a Support Facility or this Supplemental Indenture, or to require any payment calculated by reference to the amount of interests or loans held or interest received by it, then, upon written request by the Purchaser therefore to the Issuer, the Purchaser shall be entitled to be paid such amounts charged to the Purchaser or such amounts to otherwise compensate the Purchaser for such increased cost or such reduction following a receipt by the Issuer of such request for compensation under this Section 3.10(a)(i), which payment shall be made on the earlier of (A) the first Payment Date on which amounts are available to pay such amounts pursuant to Section 7.04(e) of the Trust Indenture (provided that such request is received by the Issuer no later than five (5) Business Days prior to the end of the Interest Period related to such Payment Date), and (B) the twelfth Payment Date following such request.

(ii) The Issuer acknowledges that the Purchaser may implement, as an internal institutional matter, measures in anticipation of a final or proposed Regulatory Change (including, without limitation, the imposition of internal charges on the Purchaser's interest or obligations under any Support Agreement or this Supplemental Indenture) and may commence recognizing the incurrence of charges by seeking compensation under Section 3.10(a)(i) in connection with such measures, in advance of the effective date of such final or proposed Regulatory Change, and the Issuer agrees that such charges or compensation shall be payable, to the Purchaser, following demand therefor without regard to whether such proposed Regulatory Change has been adopted or whether such effective date has occurred; provided, that (I) the Purchaser shall provide thirty (30) days prior written notice to the Issuer of its intent to impose or incur any such charges or compensation, (II) the Purchaser shall not be compensated for any such amount pursuant to this subsection 3.10(a)(ii) relating to any period ending, and of which the Purchaser has had knowledge, more than 180 days prior to the date that the Purchaser provided the Issuer with the written notice contemplated by the preceding clause (I) of this subsection 3.10(a)(ii), (III) if, after the payment by the Issuer of any charges or compensation pursuant to this subsection 3.10(a)(ii), either (A) the Issuer requests in writing that the Purchaser re-compute any such charge or compensation in light of differences between a proposed Regulatory Change and the final effective version thereof or (B) the Purchaser determines that the amount of the charge imposed on and required to be compensated by the Issuer exceeds the amount necessary to compensate it for the applicable Regulatory Change as contemplated by subsection 3.10(a)(i), then (x) the amount of such charge or compensation shall, from and after such determination, be reduced by the amount of such excess and (y) the Purchaser shall, within thirty (30) days of such determination, either repay the amount of such excess or credit the amount of such excess against future charges under this subsection 3.10(a)(ii). The Issuer further acknowledges that any charge or compensation demanded hereunder may take the form of a monthly charge to be assessed by the Purchaser.

(b) The Purchaser claiming increased amounts described in subsection 3.10(a) of this Supplemental Indenture will furnish to the Issuer (together with its request for compensation) a certificate prepared in good faith setting forth the basis and the calculation of the amount (in reasonable detail) of each request by the Purchaser for any such increased amounts referred to in subsection 3.10(a) hereof. Any such certificate shall be conclusive absent manifest error. Failure on the part of the Purchaser to demand compensation for any amount pursuant to

subsection 3.10(a) hereof with respect to any period shall not constitute a waiver of the Purchaser's right to demand compensation with respect to such period.

The Issuer agrees to indemnify and hold harmless the Indenture Trustee and the Purchaser and each of their respective officers, directors, agents and employees (each, an "**Issuer Indemnified Person**") from and against any loss, liability, expense, damage or injury suffered or sustained by such Issuer Indemnified Person by reason of (a) any acts, omissions or alleged acts or omissions arising out of, or relating to, activities of the Issuer pursuant to the Program Agreements to which it is a party; (b) a breach of any representation or warranty made or deemed made by the Issuer (or any of its officers) in any Program Agreement; or (c) a failure by the Issuer to comply with any applicable law or regulation or to perform its covenants, agreements, duties or obligations required to be performed or observed by it in accordance with the provisions of the Program Agreements, including, but not limited to, any judgment, award, settlement, reasonable attorneys' fees and other reasonable costs or expenses incurred in connection with the defense of any actual or threatened action, proceeding or claim, except to the extent such loss, liability, expense, damage or injury resulted from the gross negligence, bad faith or willful misconduct of such Issuer Indemnified Person or its officers, directors, agents, principals, employees or employers as determined by a court of competent jurisdiction in a final non-appealable judgement or includes any Excluded Taxes; provided that any payments made by the Issuer pursuant to this Section 3.8 shall be made solely from funds available pursuant to Section 7.04 or 8.13 of the Trust Indenture, as applicable, shall be non-recourse other than with respect to such funds, and shall not constitute a claim against the Issuer to the extent that such funds are insufficient to make such payment.

3.9 Taxes

(a) All payments by or on account of any obligation of the Issuer hereunder shall, to the extent allowed by law, be made free and clear of, and without deduction or withholding for or on account of Taxes, excluding (i) income taxes (including branch profit taxes, minimum taxes and taxes computed under alternative methods, at least one of which is based on or measured by net

income), franchise taxes (imposed in lieu of income taxes), or any other Taxes based on or measured by the net income of any person legally entitled to receive such payments (each a "**Recipient**") as a result of a present or former connection between the Recipient and the jurisdiction of the Governmental Authority imposing such Taxes (other than any such connection arising solely from the Recipient having executed, delivered or performed its obligations or received a payment under, disposed of, or enforced, this Supplemental Indenture); (ii) any withholding or deduction imposed pursuant to (A) Sections 1471 to 1474 of the Internal Revenue Code ("**FATCA**"), or any successor version thereof, or any similar legislation imposed by any other Governmental Authority, or (B) any treaty, law or regulation or other official guidance enacted by Canada implementing FATCA or any intergovernmental agreement with respect to FATCA or any similar legislation imposed by any other Governmental Authority, including, for greater certainty, the *Canada-United States Enhanced Tax Information Exchange Agreement Implementation Act* (Canada) and Parts XVIII and XIX of the Income Tax Act (collectively, and including FATCA, the "**AEOI Legislation**"); and (iii) any interest, penalties and additions to Taxes in respect of (i) and (ii) (all such excluded Taxes being hereinafter called "**Excluded Taxes**"). If any Taxes, other than Excluded Taxes, are required to be withheld from any amounts payable to a Recipient hereunder, the amounts so payable to the Recipient shall be increased, and the Recipient shall be entitled to be paid by the Issuer the amount of such increase to the extent necessary to yield to the Recipient (after payment of all such Taxes other than Excluded Taxes) interest or any such other amounts payable hereunder or thereunder at the rates or in the amounts specified hereunder. Where the amount payable by the Issuer is increased in accordance with the previous sentence, the Monthly Interest shall be increased by the amount of such increase. Whenever any Taxes are payable on or with respect to amounts distributed to a Recipient, as promptly as possible thereafter the Issuer shall send to such Recipient a certified copy of an original official receipt showing payment thereof.

(b) If a payment by or on account of any obligation of the Issuer hereunder would be subject to withholding Taxes under any AEOI Legislation if the Recipient were to fail to comply with the applicable reporting requirements of any AEOI Legislation, such Recipient shall deliver to the Issuer at the time or times prescribed by law and at such time or times reasonably requested by the Issuer such documentation prescribed by applicable law and such additional documentation reasonably requested by the Issuer as may be necessary for the Issuer to comply with its obligations under any AEOI Legislation and to determine that such Recipient has complied with its obligations under any AEOI Legislation, or to determine the amount to deduct and withhold from such payment. If any form or certification it previously delivered by a Recipient expires or becomes obsolete or inaccurate in any respect, the Recipient shall update such form or certification or promptly notify the Issuer in writing of its legal inability to do so.

(c) If a Recipient is legally entitled to receive a refund of any Taxes (other than Excluded Taxes) as to which it has been indemnified or with respect to which additional amounts have been paid to it hereunder or it is legally entitled to receive a credit or deduction with respect to such Taxes or with respect to such additional amounts that have been paid hereunder (in each case pursuant to Section 3.9(a)), it shall use commercially reasonable efforts to obtain or claim such refund, credit or deduction and pay over such refund or the value of such credit or deduction to the Issuer, together with any interest thereon.

3.10 Increased Costs

(a) (i) If any Regulatory Change (x) subjects the Purchaser to any charge or withholding on or with respect to any Support Facility or this Supplemental Indenture or the Purchaser's obligations under a Support Facility or this Supplemental Indenture, or changes the basis of taxation of payments to the Purchaser of any amounts payable under any Support Facility or this Supplemental Indenture Agreement (except for changes in the rate of tax on the overall net income of the Purchaser or Excluded Taxes) or (y) imposes, modifies or deems applicable any reserve, assessment, fee, tax, insurance charge, special deposit or similar requirement against assets of, deposits with or for the account of, or liabilities of the Purchaser, or credit extended by the Purchaser pursuant to a Support Facility or this Supplemental Indenture or (z) imposes any other condition the result of which is to increase the cost to the Purchaser of performing its obligations under a Support Facility or this Supplemental Indenture, or to reduce the rate of return on the Purchaser's capital or assets as a consequence of its obligations under a Support Facility or this Supplemental Indenture, or to reduce the amount of any sum received or receivable by the Purchaser under a Support Facility or this Supplemental Indenture, or to require any payment calculated by reference to the amount of interests or loans held or interest received by it, then, upon written request by the Purchaser therefore to the Issuer, the Purchaser shall be entitled to be paid such amounts charged to the Purchaser or such amounts to otherwise compensate the Purchaser for such increased cost or such reduction following a receipt by the Issuer of such request for compensation under this Section 3.10(a)(i), which payment shall be made on the earlier of (A) the first Payment Date on which amounts are available to pay such amounts pursuant to Section 7.04(e) of the Trust Indenture (provided that such request is received by the Issuer no later than five (5) Business Days prior to the end of the Interest Period related to such Payment Date), and (B) the twelfth Payment Date following such request.

(ii) The Issuer acknowledges that the Purchaser may implement, as an internal institutional matter, measures in anticipation of a final or proposed Regulatory Change (including, without limitation, the imposition of internal charges on the Purchaser's interest or obligations under any Support Agreement or this Supplemental Indenture) and may commence recognizing the incurrence of charges by seeking compensation under Section 3.10(a)(i) in connection with such measures, in advance of the effective date of such final or proposed Regulatory Change, and the Issuer agrees that such charges or compensation shall be payable, to the Purchaser, following demand therefor without regard to whether such proposed Regulatory Change has been adopted or whether such effective date has occurred; provided, that (I) the Purchaser shall provide thirty (30) days prior written notice to the Issuer of its intent to impose or incur any such charges or compensation, (II) the Purchaser shall not be compensated for any such amount pursuant to this subsection 3.10(a)(ii) relating to any period ending, and of which the Purchaser has had knowledge, more than 180 days prior to the date that the Purchaser provided the Issuer with the written notice contemplated by the preceding clause (I) of this subsection 3.10(a)(ii), (III) if, after the payment by the Issuer of any charges or compensation pursuant to this subsection 3.10(a)(ii), either (A) the Issuer requests in writing that the Purchaser re-compute any such charge or compensation in light of differences between a proposed Regulatory Change and the final effective version thereof or (B) the Purchaser determines that the amount of the charge imposed on and required to be compensated by the Issuer exceeds the amount necessary to compensate it for the applicable Regulatory Change as contemplated by subsection 3.10(a)(i), then (x) the amount of such charge or compensation shall, from and after such determination, be reduced by

the amount of such excess and (y) the Purchaser shall, within thirty (30) days of such determination, either repay the amount of such excess or credit the amount of such excess against future charges under this subsection 3.10(a)(ii). The Issuer further acknowledges that any charge or compensation demanded hereunder may take the form of a monthly charge to be assessed by the Purchaser.

(b) The Purchaser claiming increased amounts described in subsection 3.10(a) of this Supplemental Indenture will furnish to the Issuer (together with its request for compensation) a certificate prepared in good faith setting forth the basis and the calculation of the amount (in reasonable detail) of each request by the Purchaser for any such increased amounts referred to in subsection 3.10(a) hereof. Any such certificate shall be conclusive absent manifest error. Failure on the part of the Purchaser to demand compensation for any amount pursuant to subsection 3.10(a) hereof with respect to any period shall not constitute a waiver of the Purchaser's right to demand compensation with respect to such period.

NOTE PURCHASE FACILITY

3.1 Purchase of Notes by the Purchasers

(a) ***Initial Purchases***. Subject to the terms and conditions of this Supplemental Indenture, including delivery of notice in accordance with Section 3.3, (i) each Non-Conduit Purchaser shall purchase, and each CP Conduit Purchaser may, in its sole discretion, purchase a Series 2017-1 Senior Note in an amount equal to all or a portion of its Commitment Percentage of the Series 2017-1 Initial Principal Amount on any Business Day during the period from the date hereof to and including December 21, 2017, and if any such CP Conduit Purchaser shall have notified the Administrative Agent and the Funding Agent with respect to such CP Conduit Purchaser that it has elected not to fund a Series 2017-1 Senior Note in an amount equal to its Commitment Percentage of the Series 2017-1 Initial Principal Amount on the Closing Date, the Group Bank with respect to such CP Conduit Purchaser shall fund on the Closing Date that portion of such Series 2017-1 Senior Note not to be funded by such CP Conduit Purchaser; and (ii) thereafter, (A) each Non-Conduit Purchaser shall maintain its Series 2017-1 Senior Note, subject to increase or decrease during the period from the Closing Date to and including the Commitment Expiry Date, in accordance with the provisions of this Supplemental Indenture, (B) if a CP Conduit Purchaser shall have purchased a Series 2017-1 Senior Note on the Closing Date, such CP Conduit Purchaser may, in its sole discretion, maintain its Series 2017-1 Senior Note, subject to increase or decrease during the period from the Closing Date to and including the Commitment Expiry Date, in accordance with the provisions of this Supplemental Indenture, and (C) the Group Bank shall maintain its Series 2017-1 Senior Note with respect to its Related Purchaser Group, subject to increase or decrease during the period from the Closing Date to and including the Commitment Expiry Date, in accordance with the provisions of this Supplemental Indenture. Payments by the Non-Conduit Purchasers, the CP Conduit Purchasers and/or the Group Bank with respect to the CP Conduit Purchasers shall be made in immediately available funds on the Closing Date in accordance with Section 3.3(d).

(b) ***Maximum Purchaser Group Principal Amounts***. Notwithstanding anything to the contrary contained in this Supplemental Indenture, at no time shall a Purchaser Group be required to make the initial purchase of a Series 2017-1 Senior Note or increase its Purchaser Group Principal Amount if the sum of (x) Purchaser Group

Principal Amount with respect to such Purchaser Group, after giving effect to such purchase or increase, and (y) the sum of any unfunded Delayed Amounts with respect to such Purchaser Group, would exceed the Maximum Purchaser Group Principal Amount with respect to such Purchaser Group at such time.

3.2 Delivery

(a) On or prior to the Closing Date (or on any later date that any Purchaser Group becomes a party to this Supplemental Indenture), Series 2017-1 Senior Notes shall be executed, authenticated and delivered by the Issuer in accordance with Section 4.03 of the Trust Indenture (i) in the case of a CP Conduit Purchaser Group, in the name of the Funding Agent with respect to such CP Conduit Purchaser Group (or as otherwise requested by such CP Conduit Purchaser Group and agreed to by the Issuer) in an amount equal to the Maximum Purchaser Group Principal Amount with respect to such CP Conduit Purchaser Group and delivered to such Funding Agent; or (ii) in the case of a Non-Conduit Purchaser Group, in the name of the Related Non-Conduit Purchaser in an amount equal to the Maximum Purchaser Group Principal Amount with respect to such Related Non-Conduit Purchaser and delivered to such Related Non-Conduit Purchaser.

(b) The Administrative Agent shall maintain a record of the actual Purchaser Group Principal Amount outstanding with respect to each Purchaser Group and the actual Series 2017-1 Principal Amount outstanding on any date of determination, which, absent manifest error, shall constitute prima facie evidence of the outstanding Purchaser Group Principal Amounts and outstanding Series 2017-1 Principal Amount from time to time. Upon a written request from the Indenture Trustee, the Administrative Agent shall provide in writing the identity of the Purchaser Groups, the related Funding Agents for each CP Conduit Purchaser Group, the Purchaser Group Principal Amount for each Purchaser Group and the Commitment Percentage with respect to such Purchaser Group to the Indenture Trustee.

3.3 Procedure for Initial Issuance and for Increasing the Series 2017-1 Principal Amount

(a) (i) On any Business Day prior to December 21, 2017, in the case of a Non-Conduit Purchaser Group, the Related Non-Conduit Purchaser hereby agrees, or in the case of a CP Conduit Purchaser Group, the CP Conduit Purchaser in such CP Conduit Purchaser Group may agree, in its sole discretion, and the Group Bank with respect to such CP Conduit Purchaser hereby agrees, that it will purchase a Series 2017-1 Senior Note for an initial purchase price equal to the Commitment Percentage with respect to such Purchaser Group of the Series 2017-1 Initial Principal Amount upon the request of the Issuer (the date on which the initial purchase occurs being referred to as the "**Closing Date**"); provided, however, that the Issuer shall have given each of the Funding Agents (with a copy to the Indenture Trustee) irrevocable written notice (effective upon receipt), by email communication, substantially in the form of Schedule C no later than 12:00 p.m. (Toronto time) on the second Business Day prior to the Closing Date. The written notice of the initial purchase of the Series

2017-1 Senior Notes shall state (x) the Closing Date, and (y) the initial total purchase price to be paid for the Series 2017-1 Senior Notes (the "**Series 2017-1 Initial Principal Amount**"); and (ii) subject to Section 3.3(e), on any Business Day during the period from the initial purchase of the Series 2017-1 Senior Notes hereunder to and including the Commitment Expiry Date, in the case of a Non-Conduit Purchaser Group, the Related Non-Conduit Purchaser hereby agrees, or in the case of a CP Conduit Purchaser Group, the CP Conduit Purchaser in such CP Conduit Purchaser Group may agree, in its sole discretion, and the Group Bank with respect to such CP Conduit Purchaser hereby agrees that the Purchaser Group Principal Amount with respect to such Purchaser Group may be increased by an amount equal to the Commitment Percentage with respect to such Purchaser Group of the Increase Amount (an "**Increase**"), upon the request of the Issuer (each date on which an increase in the Series 2017-1 Principal Amount occurs hereunder being herein referred to as the "**Increase Date**" applicable to such Increase); provided, however, that the Issuer shall have given the Administrative Agent, each Funding Agent and each Non-Conduit Purchaser (with a copy to the Indenture Trustee) irrevocable (other than as specified in Section 3.3(e)) written notice (effective upon receipt), by email communication, substantially in the form of Schedule C (an "**Increase Notice**") no later than 12:00 p.m. (Toronto time) on (A) with respect to a Deferrable Increase Notice, the third Business Day prior to such Increase Date, or (B) with respect to a Non-Deferrable Increase Notice, the second Business Day prior to such Increase Date. Each Increase Notice shall state (x) the Increase Date, (y) the proposed amount of the increase in the Series 2017-1 Principal Amount (an "**Increase Amount**"), (z) whether a Delayed Funding Notice may be delivered in connection with such Increase pursuant to Section 3.3(e) and whether the Increase is to fund a Transfer (a "**Transfer Increase**") or is in respect of a Refinancing (a "**Refinancing Increase**"). The Commitment Percentage with respect to any Purchaser Group of the Increase Amount set forth in any Non-Deferrable Increase Notice shall not exceed such Purchaser Group's Non-Deferrable Draw Amount as of the related Increase Date.

(b) If a CP Conduit Purchaser elects not to fund the full amount of its Commitment Percentage of a requested Increase, such CP Conduit Purchaser shall notify the Administrative Agent and the Funding Agent with respect to such CP Conduit Purchaser, and the Group Bank with respect to such CP Conduit Purchaser shall fund the portion of the Commitment Percentage with respect to such Related Purchaser Group of such Increase not funded by such CP Conduit Purchaser.

(c) No Purchaser Group shall be required to increase its Purchaser Group Principal Amount on any Increase Date hereunder unless:

(i) such Purchaser Group's Commitment Percentage of such Increase Amount is (A) equal to $1,000,000 or more, or (B) if less than $1,000,000, the difference between the Maximum Purchaser Group Principal Amount with respect to such Purchaser Group and the Purchaser Group Principal Amount with respect to such Purchaser Group; and

(ii) after giving effect to such Increase Amount, the sum of the (x) the Purchaser Group Principal Amount, and (y) any unfunded Delayed Amounts with respect to such Purchaser Group would not exceed the Maximum Purchaser Group Principal Amount with respect to such Purchaser Group;

(d) After receipt by any Funding Agent with respect to a CP Conduit Purchaser Group of any notice required by Section 3.3(a) or permitted by Section 3.3(e) from the Issuer, such Funding Agent shall, so long as the conditions set forth in Sections 3.3(a) and (c) and Article 4 are satisfied, promptly provide notice by email communication to the related CP Conduit Purchaser and the related Group Bank, of the Increase Date and of such CP Conduit Purchaser Group's Commitment Percentage of the Closing Date or Increase Amount, as applicable. Subject to Section 3.3(e), if such CP Conduit Purchaser elects to fund all or a portion of its Commitment Percentage of the Series 2017-1 Initial Principal Amount or the Increase Amount, as applicable, such CP Conduit Purchaser shall pay in immediately available funds its Commitment Percentage (or any portion thereof) of the amount of the Series 2017-1 Initial Principal Amount or Increase Amount, as applicable, on the Closing Date or the related Increase Date, as applicable, to the Funding Agent with respect to such CP Conduit Purchaser Group for remittance to the Issuer for application in accordance with Section 3.3(h). Subject to Section 3.3(e), if such CP Conduit Purchaser does not fund the full amount of the Commitment Percentage of such CP Conduit Purchaser Group of the Series 2017-1 Initial Principal Amount or an Increase Amount, as applicable, and the related Group Bank is required to fund the portion thereof not funded by the CP Conduit Purchaser, such Group Bank shall pay in immediately available funds such portion on the Closing Date or the related Increase Date, as applicable, to the Funding Agent with respect to such CP Conduit Purchaser Group. Each Funding Agent shall remit the amounts received by it from its CP Conduit Purchaser or the related Group Bank pursuant to this Section 3.3(d) to the Issuer for application in accordance with Section 3.3(h). Subject to Section 3.3(e), so long as the conditions set forth in Sections 3.3(a) and (c) and Article 4 are satisfied, each Non-Conduit Purchaser shall pay in immediately available funds the Commitment Percentage of such Non-Conduit Purchaser of the amount of the Series 2017-1 Initial Principal Amount or Increase Amount, as applicable, on the Closing Date or the Increase Date, as applicable, to the Issuer for application in accordance with Section 3.3(h).

(e) Notwithstanding any of the foregoing, any Group Bank or Non-Conduit Purchaser may, upon receipt of any Deferrable Increase Notice pursuant to Section 3.3(a), notify the Issuer in writing (a "**Delayed Funding Notice**") on or prior to 12:00 noon (Toronto time) on the second Business Day preceding the related Increase Date, of its intent to fund an amount up to its Commitment Percentage of the related Increase Amount (such amount, subject to any adjustment described below, the "**Delayed Amount**") on a Business Day that is on or before the thirty-third (33rd) day following the Increase Date specified in such Deferrable Increase Notice (the "**Delayed Funding Date**") rather than on such Increase Date. If any Group Bank or Non-Conduit Purchaser provides a Delayed Funding Notice to the Issuer following the Issuer's delivery of an Increase Notice pursuant to Section 3.3(a), the

Issuer may with written notice to the Administrative Agent, each Funding Agent and each Non-Conduit Purchaser delivered prior to 3:00 pm on the second Business Day preceding such Increase Date, (x) decrease the Increase Amount with respect to such Deferrable Increase Notice (or revoke such Deferrable Increase Notice by decreasing the Increase Amount to zero), and/or (y) require any Group Bank or Non-Conduit Purchaser who has provided a Delayed Funding Notice to reduce the Delayed Amount with respect to such Increase by an amount no greater than the Non-Deferrable Draw Amount with respect to such Purchaser Group as of the related Increase Date. In the event that the Increase Amount with respect to such Deferrable Increase Notice is reduced, but not to zero, then any Delayed Amount with respect to any Purchaser Group shall be reduced on a pro rata basis unless otherwise specified by the Issuer pursuant to clause (y) above. No Purchaser Group that has provided a Delayed Funding Notice in respect of an Increase (each a "**Delayed Funding Purchaser Group**") shall be considered to be in default of its obligation to fund its Delayed Amount pursuant to this Section 3.3 unless and until it has failed to fund the Delayed Amount (and/or the Delayed Funding Reimbursement Amount with respect to such Delayed Amount) on or before the Delayed Funding Date.

(f) If (i) one or more Delayed Funding Purchaser Groups provides a Delayed Funding Notice to the Issuer in respect of any Increase Date; and (ii) the Issuer shall not have decreased the related Increase Amount to zero or required each such Delayed Funding Purchaser Group to reduce the Delayed Amount with respect to such Increase to zero, in each case, pursuant to Section 3.3(e), the Administrative Agent shall, by no later than 5:00 p.m. (Toronto time) on the second Business Day preceding such Increase Date, direct each Purchaser Group that is not a Delayed Funding Purchaser Group with respect to such Increase Date (each a "**Non-Delayed Funding Purchaser Group**") to fund an additional portion of such Increase Amount on such Increase Date equal to such Non-Delayed Funding Purchaser Group's proportionate share (based upon the Maximum Purchaser Group Principal Amount with respect to such Non-Delayed Funding Purchaser Group relative to the sum of the Maximum Purchaser Group Principal Amounts with respect to all Non-Delayed Funding Purchaser Groups) of the aggregate Delayed Amounts with respect to such Increase Date; provided that no Non-Delayed Funding Purchaser Group shall be required to fund any portion of the aggregate Delayed Amounts that would cause its Purchaser Group Principal Amount to exceed its Maximum Purchaser Group Principal Amount. Subject to Section 3.3(a), in the case of a Non-Delayed Funding Purchaser Group that is a Non-Conduit Purchaser, such Non-Conduit Purchaser hereby agrees, or, in the case of a Non-Delayed Funding Purchaser Group that is a CP Conduit Purchaser Group, the CP Conduit Purchaser in such CP Conduit Purchaser Group may agree, in its sole discretion, and the Group Bank in such CP Conduit Purchaser Group hereby agrees, to fund such portion of the Increase Amount on such Increase Date.

(g) After the Non-Delayed Funding Purchaser Groups fund a Delayed Amount on any Increase Date in accordance with Section 3.3(f), the Delayed Funding Purchaser Group in respect of such Delayed Amount will be obligated to fund the Delayed

Funding Reimbursement Amount with respect to such Delayed Amount on or before its Delayed Funding Date, irrespective of whether the Scheduled Commitment Expiry Date shall have occurred on or prior to such Delayed Funding Date or the Issuer would be able to satisfy the conditions set forth in Section 3.3(c) to an Increase in an amount equal to such Delayed Funding Reimbursement Amount on such Delayed Funding Date. Such Delayed Funding Purchaser Group shall fund such Delayed Funding Reimbursement Amount on such Delayed Funding Date by paying such amount in immediately available funds to each such Non-Delayed Funding Purchaser Group, *pro rata* based on the relative amount of such Delayed Amount funded by such Non-Delayed Funding Purchaser Group on such Increase Date pursuant to Section 3.3(f).

(h) The Issuer shall apply amounts paid to it pursuant to Sections 3.3(d) and 3.3(f) by application to payment of the purchase price payable by the Issuer to the IESO under the Master Transfer and Servicing Agreement in respect of a Transfer or by deposit to the Refinancing Account.

3.4 Procedure for Decreasing the Series 2017-1 Principal Amount; Optional Termination

(a) In the case of a Non-Conduit Purchaser Group, the Related Non-Conduit Purchaser hereby agrees, and in the case of a CP Conduit Purchaser Group, each of the CP Conduit Purchasers and the Group Bank in such CP Conduit Purchaser Group hereby agrees, that the Purchaser Group Principal Amount with respect to such Purchaser Group may be decreased on any Payment Date by such Purchaser Group's Commitment Percentage of a Decrease Amount (a "**Decrease**"), upon the request of the Issuer. Each Payment Date on which a Decrease in the Series 2017-1 Principal Amount occurs hereunder being herein referred to as the "**Decrease Date**" applicable to such Decrease; provided, however, that the Issuer shall have given the Administrative Agent, each Funding Agent and each Non-Conduit Purchaser (with a copy to the Indenture Trustee and each CP Conduit Rating Agency) irrevocable written notice (effective upon receipt), by email communication, substantially in the form of Schedule D (a "**Decrease Notice**") no later than 12:00 p.m. (Toronto time) on the fifth Business Day prior to any Payment Date that is a Decrease Date. Each Decrease Notice shall state (x) the Decrease Date, and (y) the proposed amount of the decrease in the Series 2017-1 Principal Amount (a "**Decrease Amount**"). If a Decrease is greater than $250,000,000, the Issuer shall provide written notice to the Administrative Agent, each Funding Agent and each Non-Conduit Purchaser (with a copy to the Indenture Trustee and each CP Conduit Rating Agency) no later than 12:00 p.m. (Toronto time) on the 45th day prior to the Decrease Date that the Issuer intends to issue a Decrease Notice with respect to the applicable Decrease Date. If such a notice is not provided prior to the 45th day preceding the proposed Decrease Date, or if a Decrease Notice is not delivered with respect to the proposed Decrease Date, the Issuer shall be required to pay to each Funding Agent any Breakage Costs incurred by any of its related CP Conduit Purchasers with respect to the proposed Decrease on the related Payment Date on which such Decrease was to occur.

(b) Upon each Decrease, the Administrative Agent shall indicate in its records such Decrease and the Purchaser Group Principal Amount outstanding with respect to each Purchaser Group after giving effect to such Decrease.

(c) On any Business Day, the Issuer shall have the right to deliver an irrevocable written notice (an "**Optional Termination Notice**") to the Administrative Agent, each Funding Agent and each Non-Conduit Purchaser (with a copy to each CP Conduit Rating Agency) in which the Issuer declares that the Commitments shall terminate on the date (the "**Optional Termination Date**") set forth in such notice (which date, in any event, shall be a Payment Date not less than twenty (20) Business Days from the date on which such notice is delivered).

3.5 Increases and Reductions of the Commitments

(a) The Issuer may from time to time request that any Purchaser Group agree to increase its Maximum Purchaser Group Principal Amount. An increase in such amount shall be effective hereunder if such Purchaser Group shall have agreed in its sole discretion to such increase and the Rating Agency Condition has been satisfied with respect thereto.

(b) On any Business Day, the Issuer may, upon two (2) Business Days' prior written notice to the Administrative Agent, each Funding Agent and each Non-Conduit Purchaser (effective upon receipt) (with copies to the Indenture Trustee) reduce the Series 2017-1 Maximum Principal Amount in an amount equal to $10,000,000 or a whole multiple of $1,000,000 in excess thereof; provided that no such termination or reduction shall be permitted if, after giving effect thereto and to any reduction in the Series 2017-1 Principal Amount on such date, the Purchaser Group Principal Amount with respect to any Purchaser Group would exceed the Maximum Purchaser Group Principal Amount with respect to such Purchaser Group then in effect. Any reduction in the Series 2017-1 Maximum Principal Amount shall be made on a pro rata basis to the Maximum Purchaser Group Principal Amounts with respect to the Purchaser Groups, based on the Maximum Purchaser Group Principal Amount with respect to each Purchaser Group. Once reduced, the Maximum Purchaser Group Principal Amounts may not be subsequently reinstated without each such Purchaser Group's prior written consent, which consent shall be granted or not in the sole discretion of such Purchaser Group, and with written notice to each CP Conduit Rating Agency.

(c) The Issuer may extend the Scheduled Commitment Expiry Date only with the prior written consent of the Administrative Agent, each Non-Conduit Purchaser and each Funding Agent, and satisfaction of the Rating Agency Condition. Any request for an extension of the Scheduled Commitment Expiry Date by the Issuer shall be made pursuant to a written request (a "**Commitment Extension Request**") to the Administrative Agent, each Non-Conduit Purchaser and each Funding Agent, and such request shall specify the proposed dates and amounts that shall constitute the "Principal Accumulation Date", "Principal Payment Amounts" and "Principal Payment Default Dates" with respect to such extension.

3.6 Interest; Fees and Other Amounts

(a) Interest shall be payable on the Series 2017-1 Senior Notes on each Payment Date.

(b) The Issuer shall pay to each CP Conduit Purchaser Group and each Non-Conduit Purchaser, on each Payment Date, a commitment fee with respect to the preceding Interest Period (the "**Commitment Fee**") during the period from the Closing Date to and including the Commitment Expiry Date in an amount equal to the sum of the following amounts calculated for each day during such Interest Period: (x) the Commitment Fee Rate, multiplied by (y) the amount by which Maximum Purchaser Group Principal Amount with respect to such Purchaser Group on such day exceeds the Purchaser Group Principal Amount with respect to such Purchaser Group on such day, and divided by (z) 365. The Commitment Fees shall be payable monthly in arrears on each Payment Date.

(c) The Funding Agent with respect to each CP Conduit Purchaser Group and each Non-Conduit Purchaser shall provide written notice to the Issuer and the Paying Agent no later than five (5) Business Days prior to each Payment Date, setting forth the Group Monthly Interest and the Group Monthly Fees and Other Amounts with respect to its Related Purchaser Group with respect to the Payment Date.

(d) The Monthly Interest shall be included in each calculation of the Interest Accrual Amount (Senior) for the purposes of Section 7.04(e)(iii) of the Trust Indenture and shall be payable pursuant to Sections 7.05(a), 7.06(a), 7.07, 7.10(b) or 8.13(c) of the Trust Indenture, as applicable. On each Payment Date, the Monthly Fees and Other Amounts shall be payable in respect of the Series 2017-1 Senior Notes pursuant to Sections 7.04(e)(viii), 7.10(b) or 8.13(c) of the Trust Indenture, as applicable. On each Interest Payment Date or Payment Date, as applicable, the Paying Agent shall, subject to availability of funds, pay to each CP Conduit Purchaser Group and each Non-Conduit Purchaser its Group Monthly Interest and its Group Monthly Fees and Other Amounts with respect to the Payment Date; provided that if the amounts available to pay such Group Monthly Interest and Group Monthly Fees and Other Amounts are insufficient, the amounts available shall be paid *pro rata* based on the amounts owing to each Purchaser Group.

3.7 Repayment of Principal

Each Payment Date where the Principal Payment Amount is not nil shall be a Principal Payment Date in respect of the Series 2017-1 Senior Notes. On each Principal Payment Date in respect of the Series 2017-1 Senior Notes, the Paying Agent shall pay to each Non-Conduit Purchaser and each Funding Agent with respect to its Related Purchaser Group, such Purchaser Group's Pro Rata Share of the Principal Payment Amount for such Principal Payment Date out of funds allocated to the Series 2017-1 Senior Notes pursuant to Sections 7.04(e)(vi), 7.06(b)(i), 7.08(b)(i), 7.10(b) or 8.13(f) of the Trust Indenture, as applicable, in repayment of the principal amount of the Series 2017-1 Senior Notes.

3.8 Indemnification by the Issuer

The Issuer agrees to indemnify and hold harmless the Indenture Trustee, the Administrative Agent, each Funding Agent, each CP Conduit Purchaser, the Group Bank, each Non-Conduit Purchaser and each of their respective officers, directors, agents and employees (each, an "**Issuer Indemnified Person**") from and against any loss, liability, expense, damage or injury suffered or sustained by such Issuer Indemnified Person by reason of (a) any acts, omissions or alleged acts or omissions arising out of, or relating to, activities of the Issuer pursuant to the Program Agreements to which it is a party; (b) a breach of any representation or warranty made or deemed made by the Issuer (or any of its officers) in any Program Agreement; or (c) a failure by the Issuer to comply with any applicable law or regulation or to perform its covenants, agreements, duties or obligations required to be performed or observed by it in accordance with the provisions of the Program Agreements, including, but not limited to, any judgment, award, settlement, reasonable attorneys' fees and other reasonable costs or expenses incurred in connection with the defense of any actual or threatened action, proceeding or claim, except to the extent such loss, liability, expense, damage or injury resulted from the gross negligence, bad faith or willful misconduct of such Issuer Indemnified Person or its officers, directors, agents, principals, employees or employers as determined by a court of competent jurisdiction in a final non-appealable judgement or includes any Excluded Taxes; provided that any payments made by the Issuer pursuant to this Section 3.8 shall be made solely from funds available pursuant to Section 7.04 or 8.13 of the Trust Indenture, as applicable, shall be non-recourse other than with respect to such funds, and shall not constitute a claim against the Issuer to the extent that such funds are insufficient to make such payment.

3.9 Funding Agents

(a) The Funding Agent with respect to each CP Conduit Purchaser Group is hereby authorized to determine the Group Monthly Interest and Group Monthly Fees and Other Amounts with respect to each Payment Date and such CP Conduit Purchaser Group. Any such determination by a Funding Agent, absent manifest error, shall constitute prima facie evidence of the accuracy of the calculation. Furthermore, the Funding Agent with respect to each CP Conduit Purchaser Group will maintain records sufficient to identify the percentage interest of the related CP Conduit Purchaser and the Group Bank with respect to such CP Conduit Purchaser Group holding an interest in the Series 2017-1 Senior Note registered in the name of such Funding Agent and any amounts owing thereunder.

(b) Upon receipt of funds on each Payment Date, each Funding Agent shall pay such funds to the related CP Conduit Purchaser and/or the related Group Bank owed such funds. If a Funding Agent shall have paid to any CP Conduit Purchaser or Group Bank any funds that (i) must be returned for any reason (including bankruptcy); or (ii) exceeds that which such CP Conduit Purchaser or Group Bank was entitled to receive, such amount shall be promptly repaid to such Funding Agent by such CP Conduit Purchaser or Group Bank.

3.10 Taxes

(a) All payments by or on account of any obligation of the Issuer hereunder shall, to the extent allowed by law, be made free and clear of, and without deduction or withholding for or on account of Taxes, excluding (i) income taxes (including branch profit taxes, minimum taxes and taxes computed under alternative methods, at least one of which is based on or measured by net income), franchise taxes (imposed in lieu of income taxes), or any other Taxes based on or measured by the net income of any person legally entitled to receive such payments (each a "**Recipient**") as a result of a present or former connection between the Recipient and the jurisdiction of the Governmental Authority imposing such Taxes (other than any such connection arising solely from the Recipient having executed, delivered or performed its obligations or received a payment under, disposed of, or enforced, this Supplemental Indenture); (ii) any withholding or deduction imposed pursuant to (A) Sections 1471 to 1474 of the Internal Revenue Code ("**FATCA**"), or any successor version thereof, or any similar legislation imposed by any other Governmental Authority, or (B) any treaty, law or regulation or other official guidance enacted by Canada implementing FATCA or any intergovernmental agreement with respect to FATCA or any similar legislation imposed by any other Governmental Authority, including, for greater certainty, the Canada-United States Enhanced Tax Information Exchange Agreement Implementation Act (Canada) and Parts XVIII and XIX of the Income Tax Act (collectively, and including FATCA, the "**AEOI Legislation**"); and (iii) any interest, penalties and additions to Taxes in respect of (i) and (ii) (all such excluded Taxes being hereinafter called "**Excluded Taxes**"). If any Taxes, other than Excluded Taxes, are required to be withheld from any amounts payable to a Recipient hereunder, the amounts so payable to the Recipient shall be increased, and the Recipient shall be entitled to be paid by the Issuer the amount of such increase to the extent necessary to yield to the Recipient (after payment of all such Taxes other than Excluded Taxes) interest or any such other amounts payable hereunder or thereunder at the rates or in the amounts specified hereunder. Where the amount payable by the Issuer is increased in accordance with the previous sentence, the Group Monthly Interest shall be increased by the amount of such increase. Whenever any Taxes are payable on or with respect to amounts distributed to a Recipient, as promptly as possible thereafter the Issuer shall send to such Recipient a certified copy of an original official receipt showing payment thereof.

(b) If a payment by or on account of any obligation of the Issuer hereunder would be subject to withholding Taxes under any AEOI Legislation if the Recipient were to fail to comply with the applicable reporting requirements of any AEOI Legislation, such Recipient shall deliver to the Issuer at the time or times prescribed by law and at such time or times reasonably requested by the Issuer such documentation prescribed by applicable law and such additional documentation reasonably requested by the Issuer as may be necessary for the Issuer to comply with its obligations under any AEOI Legislation and to determine that such Recipient has complied with its obligations under any AEOI Legislation, or to determine the amount to deduct and withhold from such payment. If any form or certification it

previously delivered by a Recipient expires or becomes obsolete or inaccurate in any respect, the Recipient shall update such form or certification or promptly notify the Issuer in writing of its legal inability to do so.

(c) If a Recipient is legally entitled to receive a refund of any Taxes (other than Excluded Taxes) as to which it has been indemnified or with respect to which additional amounts have been paid to it hereunder or it is legally entitled to receive a credit or deduction with respect to such Taxes or with respect to such additional amounts that have been paid hereunder (in each case pursuant to Section 3.10(a)), it shall use commercially reasonable efforts to obtain or claim such refund, credit or deduction and pay over such refund or the value of such credit or deduction to the Issuer, together with any interest thereon.

3.11 Increased Costs

(a) (i) If any Regulatory Change (x) subjects any Affected Party to any charge or withholding on or with respect to any Support Facility or this Supplemental Indenture or an Affected Party's obligations under a Support Facility or this Supplemental Indenture, or changes the basis of taxation of payments to any Affected Party of any amounts payable under any Support Facility or this Supplemental Indenture Agreement (except for changes in the rate of tax on the overall net income of an Affected Party or Excluded Taxes) or (y) imposes, modifies or deems applicable any reserve, assessment, fee, tax, insurance charge, special deposit or similar requirement against assets of, deposits with or for the account of, or liabilities of an Affected Party, or credit extended by an Affected Party pursuant to a Support Facility or this Supplemental Indenture or (z) imposes any other condition the result of which is to increase the cost to an Affected Party of performing its obligations under a Support Facility or this Supplemental Indenture, or to reduce the rate of return on an Affected Party's capital or assets as a consequence of its obligations under a Support Facility or this Supplemental Indenture, or to reduce the amount of any sum received or receivable by an Affected Party under a Support Facility or this Supplemental Indenture, or to require any payment calculated by reference to the amount of interests or loans held or interest received by it, then, upon written request by such Affected Party (through the Funding Agent for its Purchaser Group if the Affected Party is a Program Support Provider, CP Conduit Purchaser or Group Bank) to the Issuer, such Affected Party (through the Funding Agent for its Purchaser Group if the Affected Party is a Program Support Provider, CP Conduit Purchaser or Group Bank) shall be entitled to be paid such amounts charged to such Affected Party or such amounts to otherwise compensate such Affected Party for such increased cost or such reduction following a receipt by the Issuer of such request for compensation under this Section 3.11(a)(i), which payment shall be made on the earlier of (A) the first Payment Date on which amounts are available to pay such amounts pursuant to Section 7.04(e) of the Trust Indenture (provided that such request is received by the Issuer no later than five (5) Business Days prior to the end of the Interest Period related to such Payment Date), and (B) the twelfth Payment Date following such request.

(ii) The Issuer acknowledges that any Affected Party may implement, as an internal institutional matter, measures in anticipation of a final or proposed Regulatory Change (including, without limitation, the imposition of internal charges on such Affected Party's interest or obligations under any Support Agreement or this Supplemental Indenture) and may commence recognizing the incurrence of charges by seeking compensation under Section 3.11(a)(i) in connection with such measures, in advance of the effective date of such final or proposed Regulatory Change, and the Issuer agrees that such charges or compensation shall be payable, to the related Funding Agent, for the benefit of Affected Party, following demand therefor without regard to whether such proposed Regulatory Change has been adopted or whether such effective date has occurred; provided, that (I) the Affected Party shall provide thirty (30) days prior written notice to the Issuer of its intent to impose or incur any such charges or compensation, (II) an Affected Party shall not be compensated for any such amount pursuant to this subsection 3.11(a)(ii) relating to any period ending, and of which such Affected Party has had knowledge, more than 180 days prior to the date that such Affected Party provided the Issuer with the written notice contemplated by the preceding clause (I) of this subsection 3.11(a)(ii), (III) if, after the payment by the Issuer of any charges or compensation pursuant to this subsection 3.11(a)(ii), either (A) the Issuer requests in writing that the applicable Affected Party re-compute any such charge or compensation in light of differences between a proposed Regulatory Change and the final effective version thereof or (B) the applicable Affected Party determines that the amount of the charge imposed on and required to be compensated by the Issuer exceeds the amount necessary to compensate it for the applicable Regulatory Change as contemplated by subsection 3.11(a)(i), then (x) the amount of such charge or compensation shall, from and after such determination, be reduced by the amount of such excess and (y) such Affected Party shall, within thirty (30) days of such determination, either repay the amount of such excess or credit the amount of such excess against future charges under this subsection 3.11(a)(ii). The Issuer further acknowledges that any charge or compensation demanded hereunder may take the form of a monthly charge to be assessed by such Affected Party.

(b) Each Affected Party claiming increased amounts described in subsection 3.11(a) of this Supplemental Indenture will furnish to the Issuer (together with its request for compensation) a certificate prepared in good faith setting forth the basis and the calculation of the amount (in reasonable detail) of each request by such Affected Party for any such increased amounts referred to in subsection 3.11(a) hereof. Any such certificate shall be conclusive absent manifest error. Failure on the part of any Affected Party to demand compensation for any amount pursuant to subsection 3.11(a) hereof with respect to any period shall not constitute a waiver of such Affected Party's right to demand compensation with respect to such period.

With respect to any Series 2017-1 Senior Note held by the Administrative Agent, the Administrative Agent shall have the same rights and powers under this Supplemental Indenture and the other Program Agreements as any Group Bank or Funding Agent and may exercise the same as though it were not the Administrative Agent, and the terms "Group Bank," and "Funding Agent" shall include the Administrative Agent in its individual capacity.

(h) The Administrative Agent may resign as Administrative Agent at any time by giving 30 days' notice to the Non-Conduit Purchasers, the Funding Agents, the Indenture Trustee, the Issuer and the Manager. If Royal Bank of Canada shall resign as Administrative Agent under this Supplemental Indenture, then the Requisite Series 2017-1 Noteholders shall appoint a successor administrative agent from among the Non-Conduit Purchasers and Funding Agents, whereupon such successor agent shall succeed to the rights, powers and duties of the Administrative Agent, and the term "Administrative Agent" shall mean such successor agent effective upon such appointment and approval, and the former Administrative Agent's rights, powers and duties as Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Supplemental Indenture. If no successor administrative agent has accepted appointment as Administrative Agent prior to the effective date of the resignation of the Administrative Agent, the retiring Administrative Agent may appoint, after consulting with the Non-Conduit Purchasers and the Funding Agents, a successor Administrative Agent from among the Non-Conduit Purchasers and the Funding Agents. If no successor administrative agent has accepted appointment by the date which is thirty (30) days following a retiring Administrative Agent's notice of resignation, the retiring Administrative Agent's resignation shall nevertheless thereupon become effective and Manager shall assume and perform all of the duties of the Administrative Agent hereunder until such time, if any, as the Requisite Series 2017-1 Noteholders appoint a successor administrative agent as provided for above. After any retiring Administrative Agent's resignation as Administrative Agent, the provisions of this Article 8 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Supplemental Indenture. The Issuer will provide prompt written notice of a resignation of the Administrative Agent and the appointment of any successor administrative agent.

8.2 Funding Agents

(a) Each CP Conduit Purchaser and each Group Bank with respect to such CP Conduit Purchaser hereby irrevocably designates and appoints the Funding Agent set forth next to such CP Conduit Purchaser's name on Schedule E as the agent of such Person under this Supplemental Indenture and irrevocably authorizes such Funding Agent, in such capacity, to take such action on its behalf under the provisions of this Supplemental Indenture and to exercise such powers and perform such duties

as are expressly delegated to such Funding Agent by the terms of this Supplemental Indenture, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Supplemental Indenture, each Funding Agent shall not have any duties or responsibilities except those expressly set forth herein, or any fiduciary relationship with any CP Conduit Purchaser or Group Bank and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Supplemental Indenture or otherwise exist against each Funding Agent.

(b) Each Funding Agent may execute any of its duties under this Supplemental Indenture by or through agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. Each Funding Agent shall not be responsible to the CP Conduit Purchaser or any Group Bank in its CP Conduit Purchaser Group for the negligence or misconduct of any agents or attorneys in fact selected by it with reasonable care.

(c) Each Funding Agent and any of its officers, directors, employees, agents, attorneys in fact or Affiliates shall not be (i) liable for any action lawfully taken or omitted to be taken by it or such Person under or in connection with the Trust Indenture, this Supplemental Indenture or any other Program Agreement (except to the extent that any of the foregoing are found by a final and non-appealable decision of a court of competent jurisdiction to have resulted from its or such Person's own gross negligence or willful misconduct) or (ii) responsible in any manner to any of the CP Conduit Purchasers and/or Group Banks for any recitals, statements, representations or warranties made by the Issuer, the Manager or the IESO, or any officer thereof contained in this Supplemental Indenture or any other Program Agreement or in any certificate, report, statement or other document referred to or provided for in, or received by such Funding Agent under or in connection with, this Supplemental Indenture or any other Program Agreement or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Supplemental Indenture, any other Program Agreement, or for any failure of any of the Issuer, the Manager or the IESO to perform its obligations hereunder or thereunder. Each Funding Agent shall not be under any obligation to the CP Conduit Purchaser or any Group Bank in its CP Conduit Purchaser Group to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Supplemental Indenture, any other Program Agreement or to inspect the properties, books or records of the Issuer, the Manager or the IESO.

(d) Each Funding Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter or electronic message, statement, order or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including, without limitation, counsel to the Issuer, the Manager or the IESO), independent accountants and other experts selected by such Funding Agent. Each Funding Agent shall be fully justified in failing or refusing to take any action under this

Supplemental Indenture or any other Program Agreement unless it shall first receive such advice or concurrence of the Related Purchaser Group, as it deems appropriate or it shall first be indemnified to its satisfaction by the Related Purchaser Group against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action.

(e) Each Funding Agent shall not be deemed to have knowledge or notice of the occurrence of any Termination Event unless such Funding Agent has received written notice from a Non-Conduit Purchaser, a CP Conduit Purchaser, a Group Bank, the Issuer, the Manager or the Administrative Agent referring to the Trust Indenture or this Supplemental Indenture, describing such Termination Event and stating that such notice is a "notice of a Termination Event," as the case may be. In the event that any Funding Agent receives such a notice, such Funding Agent shall give notice thereof to each CP Conduit Rating Agency, the CP Conduit Purchaser and Group Bank in its CP Conduit Purchaser Group. Such Funding Agent shall take such action with respect to such event as shall be reasonably directed by the CP Conduit Purchaser and Group Bank in its CP Conduit Purchaser Group, provided that unless and until such Funding Agent shall have received such directions, such Funding Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such event as it shall deem advisable in the best interests of the CP Conduit Purchaser and Group Bank in its CP Conduit Purchaser Group.

(f) Each CP Conduit Purchaser and each of the related Group Banks expressly acknowledge that neither its Funding Agent nor any of its officers, directors, employees, agents, attorneys in fact or Affiliates has made any representations or warranties to it and that no act by such Funding Agent hereinafter taken, including any review of the affairs of the Issuer, the Manager or the IESO shall be deemed to constitute any representation or warranty by such Funding Agent to any such Person. Each CP Conduit Purchaser and each of the related Group Banks represents to its Funding Agent that it has, independently and without reliance upon such Funding Agent and based on such documents and information as it has deemed appropriate, made its own appraisal of, and investigation into, the business, operations, property, financial and other condition and creditworthiness of the Issuer, the Manager and the IESO and made its own decision to enter into this Supplemental Indenture. Each CP Conduit Purchaser and each of the related Group Banks also represents that it will, independently and without reliance upon its Funding Agent and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Supplemental Indenture and the other Program Agreements, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other conditions and creditworthiness of the Issuer, the Manager and the IESO.

(g) Each Group Bank in a CP Conduit Purchaser Group agrees to indemnify its Funding Agent in its capacity as such (to the extent not reimbursed by the Issuer and without limiting the obligation of the Issuer to do so), from and against any and all

liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever which may at any time be imposed on, incurred by or asserted against such Funding Agent in any way relating to or arising out of this Supplemental Indenture, any of the other Program Agreements or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Funding Agent under or in connection with any of the foregoing; provided that no Group Bank shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and non-appealable decision of a court of competent jurisdiction to have resulted from such related Funding Agent's gross negligence or willful misconduct. The agreements in this Section shall survive the payment of all amounts payable hereunder.

ARTICLE 9
GENERAL

9.1 Successor and Assigns

(a) This Supplemental Indenture shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, except that (i) the Issuer may not assign or transfer any of its rights or obligations under this Supplemental Indenture without the prior written consent of all of the Series 2017-1 Noteholders and at least 10 Business Days' notice having been given to each CP Conduit Rating Agency; (ii) no Non-Conduit Purchaser may assign or transfer any of its rights under this Supplemental Indenture other than pursuant to paragraph (e) or (f) below; (iii) no CP Conduit Purchaser may assign or transfer any of its rights under this Supplemental Indenture other than to the Group Bank with respect to such CP Conduit Purchaser or a Program Support Provider with respect to such CP Conduit Purchaser or pursuant to clause (b) or (e) below of this Section 9.1; and (iv) no Group Bank may assign or transfer any of its rights or obligations under this Supplemental Indenture except to a Program Support Provider or pursuant to clause (c), (d) or (e) below of this Section 9.1.

(b) Without limiting the foregoing, each CP Conduit Purchaser may assign all or a portion of the Purchaser Group Principal Amount with respect to such CP Conduit Purchaser and its rights and obligations under this Supplemental Indenture to a Conduit Assignee with respect to such CP Conduit Purchaser. Prior to the effectiveness of any such assignment, the assigning CP Conduit Purchaser shall notify each CP Conduit Rating Agency, the Administrative Agent, each Funding Agent, each Non-Conduit Purchaser and the Issuer of such assignment. Upon such assignment by a CP Conduit Purchaser to a Conduit Assignee, (i) such Conduit Assignee shall be the owner of the Purchaser Group Principal Amount or such portion thereof with respect to such CP Conduit Purchaser; (ii) the related administrative or managing agent for such Conduit Assignee will act as the administrative agent for such Conduit Assignee hereunder, with all corresponding rights and powers, express or implied, granted to the Funding Agent hereunder; (iii)

such Conduit Assignee and its liquidity support provider(s) and credit support provider(s) and other related parties shall have the benefit of all the rights and protections provided to such CP Conduit Purchaser herein (including, without limitation, any limitation on recourse against such Conduit Assignee as provided in this paragraph); (iv) such Conduit Assignee shall assume all of such CP Conduit Purchaser's obligations, if any, hereunder with respect to such portion of the Purchaser Group Principal Amount and such CP Conduit Purchaser shall be released from such obligations; (v) all distributions in respect of the Purchaser Group Principal Amount or such portion thereof with respect to such CP Conduit Purchaser shall be made to the applicable agent or administrative agent, as applicable, on behalf of such Conduit Assignee; and (vi) if requested by the Administrative Agent or the agent or administrative agent with respect to the Conduit Assignee, the parties will execute and deliver such further agreements and documents and take such other actions as the Administrative Agent or such agent or administrative agent may reasonably request to evidence and give effect to the foregoing. No assignment by any CP Conduit Purchaser to a Conduit Assignee of the Purchaser Group Principal Amount with respect to such CP Conduit Purchaser shall in any way diminish the obligations of the Group Bank with respect to such CP Conduit Purchaser under Section 3.3 to fund any Increase.

(c) Any Group Bank may, in the ordinary course of its business and in accordance with applicable law, at any time, sell all or any part of its rights and obligations under this Supplemental Indenture and the Series 2017-1 Senior Notes, with the prior written consent of the Administrative Agent and the Issuer (in each case, which consent shall not be unreasonably withheld) and with prior notice to each CP Conduit Rating Agency, to one or more banks (an "**Acquiring Group Bank**") pursuant to a transfer supplement in such form and substance as shall be acceptable to the Administrative Agent and the Issuer (acting reasonably), executed by such Acquiring Group Bank, such assigning Group Bank, the Funding Agent with respect to such Group Bank, the Administrative Agent and the Issuer and delivered to the Administrative Agent. Notwithstanding the foregoing, no Group Bank shall so sell its rights hereunder if such Acquiring Group Bank is not an Eligible Assignee.

(d) Any Group Bank may, in the ordinary course of its business and in accordance with applicable law at any time and with prior notice to each CP Conduit Rating Agency, sell to one or more financial institutions or other entities ("**Group Bank Participants**") participations in its Commitment with respect to its related CP Conduit Purchaser Group, its Series 2017-1 Senior Note and its rights hereunder pursuant to documentation in form and substance satisfactory to such Group Bank and the Group Bank Participant; provided, however, that (i) in the event of any such sale by a Group Bank to a Group Bank Participant, (A) such Group Bank's obligations under this Supplemental Indenture shall remain unchanged, (B) such Group Bank shall remain solely responsible for the performance thereof, and (C) the Issuer and the Administrative Agent shall continue to deal solely and directly with such Group Bank in connection with its rights and obligations under this Supplemental Indenture; and (ii) no Group Bank shall sell any participating

interest under which the Group Bank Participant shall have rights to approve any amendment to, or any consent or waiver with respect to, this Supplemental Indenture, the Trust Indenture or any Program Agreement, except to the extent that the approval of such amendment, consent or waiver otherwise would require the unanimous consent of all Group Banks hereunder. A Group Bank Participant shall have the right to receive compensation pursuant to Sections 3.10 and 3.11 but only to the extent that the related selling Group Bank would have had such right absent the sale of the related participation and, with respect to amounts due pursuant to Sections 3.10 and 3.11, only to the extent such Group Bank Participant shall have complied with the provisions of Sections 3.10 and 3.11 as if such Group Bank Participant were a Group Bank.

(e) Any CP Conduit Purchaser and the Group Bank with respect to such CP Conduit Purchaser may, at any time, sell all or any part of their respective rights and obligations, and any Non-Conduit Purchaser may, at any time, sell all or any part of its rights and obligations, under this Supplemental Indenture and the Series 2017-1 Senior Notes, with the prior written consent of the Administrative Agent and the Issuer (in each case, which consent shall not be unreasonably withheld) and with prior notice to each CP Conduit Rating Agency, (x) to a multi-seller commercial paper conduit and one or more banks providing support to such multi-seller commercial paper conduit, or (y) to a financial institution or other entity (an "**Acquiring Purchaser Group**") pursuant to a transfer supplement, substantially in the form of Schedule F (the "**Purchaser Group Supplement**"), executed by such Acquiring Purchaser Group (including the CP Conduit Purchaser and the Group Banks, if any, with respect to such Acquiring Purchaser Group), the Funding Agent, if any, with respect to such Acquiring Purchaser Group, such assigning Purchaser Group (including the Group Banks, if any, with respect to such assigning Purchaser Group), the Funding Agent, if any, with respect to such assigning Purchaser Group and the Administrative Agent and the Issuer and delivered to the Administrative Agent.

(f) Any Non-Conduit Purchaser may, in the ordinary course of its business and in accordance with applicable law and with prior notice to each CP Conduit Rating Agency, at any time sell to one or more financial institutions or other entities ("**Non-Conduit Purchaser Participants**") participations in its Commitment, its Series 2017-1 Senior Note and its rights hereunder pursuant to documentation in form and substance satisfactory to such Non-Conduit Purchaser and the Non-Conduit Purchaser Participant; provided, however, that (i) in the event of any such sale by a Non-Conduit Purchaser to a Non-Conduit Purchaser Participant, (A) such Non-Conduit Purchaser's obligations under this Supplemental Indenture shall remain unchanged, (B) such Non-Conduit Purchaser shall remain solely responsible for the performance thereof, and (C) the Issuer and the Administrative Agent shall continue to deal solely and directly with such Non-Conduit Purchaser in connection with its rights and obligations under this Supplemental Indenture; and (ii) no Non-Conduit Purchaser shall sell any participating interest under which the Non-Conduit Purchaser Participant shall have rights to approve any amendment to, or any consent or waiver with respect to, this Supplemental Indenture, the Trust

Indenture or any Program Agreement, except to the extent that the approval of such amendment, consent or waiver otherwise would require the unanimous consent of all Series 2017-1 Noteholders hereunder. A Non-Conduit Purchaser Participant shall have the right to receive compensation under Sections 3.10 and 3.11 but only to the extent that the related selling Non-Conduit Purchaser would have had such right absent the sale of the related participation and, with respect to amounts due pursuant to Sections 3.10 and 3.11, only to the extent such Non-Conduit Purchaser Participant shall have complied with the provisions of Sections 3.10 and 3.11 as if such Non-Conduit Purchaser Participant were a Non-Conduit Purchaser.

(g) The Issuer authorizes each Group Bank and Non-Conduit Purchaser to disclose to any Group Bank Participant, Acquiring Group Bank, Non-Conduit Purchaser Participant or Acquiring Purchaser Group (each, a "**Transferee**") and any prospective Transferee any and all financial information in such Group Bank's or Non-Conduit Purchaser's possession concerning the Issuer, the Issuer Investment Asset and the Program Agreements which has been delivered to such Group Bank by the Issuer or the Manager in connection with such Group Bank's credit evaluation of the Issuer and the Issuer Investment Interest.

(h) Notwithstanding any other provision of this Supplemental Indenture to the contrary, any Non-Conduit Purchaser, any Group Bank or any Program Support Provider may at any time pledge or grant a security interest in all or any portion of its rights under its Series 2017-1 Senior Note and this Supplemental Indenture to secure obligations of such Non-Conduit Purchaser, such Group Bank or such Program Support Provider to a Federal Reserve Bank or the Bank of Canada, without notice to or consent of the Administrative Agent or the Issuer; provided that no such pledge or grant of a security interest shall release a Non-Conduit Purchaser or a Group Bank from any of its obligations hereunder or substitute any such pledgee or grantee for such Non-Conduit Purchaser or such Group Bank as a party hereto.

(i) Notwithstanding any other provision of this Supplemental Indenture to the contrary, no consent of the Issuer to any assignment referred to in this Section 9.1 shall be required at any time after the occurrence of a Series 2017-1 Event of Default.

9.2 Waiver

Without limiting the requirements of Section 11.02 of the Trust Indenture which shall be applicable to this Supplemental Indenture, no waiver of any provision of this Supplemental Indenture or consent to any departure by the Issuer from any provision of this Supplemental Indenture will be effective (in whole or in part) unless in writing and signed by the Requisite Series 2017-1 Noteholders. Such waiver will be effective only in the specific instance, for the specific purpose and for the specific length of time for which it is given by the Requisite Series 2017-1 Noteholders.

9.3 Notice

All notices, requests, instructions and demands to or upon any party hereto to be effective shall be given (a) in the case of the Issuer and the Indenture Trustee, in the manner set forth in Article 15 of the Trust Indenture; and (b) in the case of the Administrative Agent, the Non-Conduit Purchasers, the CP Conduit Purchasers, the Group Banks and the Funding Agents, in writing, and, unless otherwise expressly provided herein, shall be deemed to have been duly given or made when delivered by hand or three days after being deposited in the mail, postage prepaid, in the case of facsimile notice, when received, or in the case of overnight air courier, one Business Day after the date such notice is delivered to such overnight courier, addressed as follows in the case of the Administrative Agent and to the addresses therefor set forth in Schedule E, in the case of the Non-Conduit Purchasers, the CP Conduit Purchasers, the Group Banks and the Funding Agents; or to such other address as may be hereafter notified by the respective parties hereto:

9.4 No Waiver: Remedies

No failure on the part of any party to exercise, and no delay in exercising, any power, right or remedy hereunder will operate as a waiver thereof; nor will any single or partial exercise of any such power, right or remedy hereunder preclude any other or further exercise thereof or the exercise of any other power, right or remedy. The rights and remedies herein provided are cumulative and not exclusive of any remedies provided by applicable law.

9.5 Entire Agreement

This Supplemental Indenture, the Fee Letter, the Trust Indenture and the other Program Agreements contain the entire agreement between the parties relative to the subject matter hereof and supersede all prior and contemporaneous agreements, term sheets, commitments, understandings, negotiations and discussions, whether oral or written. This Supplemental Indenture shall be governed by, and construed in accordance with, the laws of the Province of Ontario and the parties hereby attorn to the jurisdiction of the courts of Ontario.

9.7 Acknowledgment of Trust Indenture and No Proceedings

The Administrative Agent, each Non-Conduit Purchaser, each CP Conduit Purchaser, each Group Bank and each Funding Agent hereby acknowledges and agrees in favour of the Indenture Trustee that it is a Specified Creditor under the Trust Indenture and its entitlements as a Specified Creditor are subject to the provisions applicable to Specified Creditors under the Trust Indenture including, without limitation, Section 7.12 (Payments To Be Held in Trust), Section 8.11 (Control by Controlling Class Creditors), Section 8.12 (Limitation on Suits), Sections 7.04 through 7.11 and 8.13 (Payment Priorities), Section 8.14 (Limited Recourse), Article IX (Indenture Trustee) (including all limitations of liability thereunder), Section 9.14 (Communications to Specified Creditors) and Section 16.01 (No Petition).

9.8 Expenses

The Issuer agrees to pay on demand (a) to the Indenture Trustee, the Administrative Agent and the Purchaser Groups all reasonable costs and expenses in connection with the preparation, execution, and delivery of this Supplemental Indenture and the other documents to be delivered hereunder or in connection herewith, including, the reasonable fees and out-of-pocket expenses of counsel for the Administrative Agent and the Purchaser Groups, with respect thereto, and the reasonable fees and out-of-pocket expenses incurred by the CP Conduit Purchasers in connection with the review by each rating agency then rating the Commercial Paper of such CP Conduit Purchaser of the transactions contemplated by this Supplemental Indenture and the Program Agreements; (b) to the Indenture Trustee, the Administrative Agent and each Purchaser Group all reasonable costs and expenses in connection with any amendments of or waivers or consents under this Supplemental Indenture or the Program Agreements, including in each case the reasonable fees and out-of-pocket expenses of counsel with respect thereto, and the reasonable fees and out-of-pocket expenses incurred by the CP Conduit Purchasers in connection with the review by any rating agency then rating the Commercial Paper of such CP Conduit Purchasers; and (c) to the Indenture Trustee, the Administrative Agent and each Purchaser Group, on demand, all reasonable costs and expenses (including reasonable fees and expenses of counsel to the Administrative Agent and each Purchaser Group), if any, in connection with the enforcement of this Supplemental Indenture or any of the Program Agreements, and the other documents delivered thereunder or in connection therewith.

9.9 Further Assurances

Each of the parties hereto upon the request of the other party or parties hereto shall do, execute, acknowledge and deliver or cause to be done, executed acknowledged or delivered all such further acts, deeds, documents, assignments, transfers, conveyances, powers of attorney and assurances as may be reasonably necessary or desirable to effect or complete the consummation of the transactions contemplated by this Supplemental Indenture.

9.10 Confidentiality

(a) Each Purchaser Group and the Administrative Agent covenants and agrees that any non-public information obtained by it pursuant to this Supplemental Indenture and the other Program Agreements shall be held in confidence except that the Purchaser

Groups or Administrative Agent may disclose such information (i) pursuant to the order of any court or administrative agency or in any pending legal or administrative proceeding (whether or not having the force or effect of law) provided that, unless prohibited by applicable law, a Purchaser Group or the Administrative Agent, as applicable, shall provide prompt notice of such order to the affected party; (ii) upon the request or demand of any regulatory authority having or claiming jurisdiction over any Purchaser Group or the Administrative Agent; (iii) as required by applicable law including, without limitation, all applicable securities laws; (iv) to the extent that such information becomes publicly available other than by reason of improper disclosure by a Purchaser Group or the Administrative Agent; (v) to its affiliates, officers, directors, employees, legal counsel, independent auditors, accountants, advisors, investors, potential investors, commercial paper dealers, providers of surety, guaranty, credit or liquidity enhancement (including the directors, officers and accountants of such surety, guaranty, credit or liquidity enhancement provider), legal counsel of any of the foregoing and other experts or agents who need to know such information and are informed of the confidential nature of such information (provided that the Persons permitted to make such disclosures under clauses (i), (ii) and (iii) of this Section 9.10 shall also include credit or liquidity enhancers of a CP Conduit Purchaser); (vi) for purposes of establishing a "due diligence" defense; (vii) which was available to a Purchaser Group or the Administrative Agent on a non-confidential basis from a source other than the affected party, provided that such source was not to the knowledge of the Purchaser Group or the Administrative Agent, as applicable, bound by a confidentiality agreement with the affected party; (viii) has been independently acquired or developed by a Purchaser Group or the Administrative Agent without violating any of the Purchaser Group's or the Administrative Agent's obligations under this Supplemental Indenture; (ix) if such disclosure has been approved in writing in advance by the Issuer or the Manager; (x) regarding the existence of this Supplemental Indenture, but not the financial terms thereof; and (xi) to DBRS and Moody's and any other Rating Agencies.

(b) The Issuer covenants and agrees to hold in confidence, and not disclose to any Person, the terms of this Supplemental Indenture (including any fees payable in connection with this Supplemental Indenture or the identity of any CP Conduit Purchaser under this Supplemental Indenture), except as the applicable Purchaser Group may have consented to in writing prior to any proposed disclosure and except (i) it may also disclose such information (A) to its officers, directors, employees, legal counsel, independent auditors, accountants and other advisors who are directly involved in the consideration of this Supplemental Indenture (and then only on a confidential basis), (B) to the Manager and its officers, directors, employees, legal counsel, independent auditors, accountants and other advisors, (C) any ministry or agency of the Province of Ontario and, in each case, their respective employees, officials, agents and advisors, (D) as required by applicable law (including, without limitation, applicable securities law) or compulsory legal process, (E) as expressly permitted by the terms of the Program Agreements, and (F) to DBRS and Moody's and any other Rating Agencies; provided, that, in the case of clause (D), the Issuer will use all commercially reasonable efforts to

maintain confidentiality and will (unless otherwise prohibited by law) notify the affected Administrative Agent or Purchaser Group of its intention to make any such disclosure prior to making such disclosure; and (ii) it may also disclose the existence (but not the financial terms) of this Supplemental Indenture, including to any actual or prospective purchaser of other Notes.

(c) The parties hereto acknowledge that a description of this Supplemental Indenture and the Series 2017-1 Senior Note will be included in the preliminary and final offering memoranda of the Issuer relating to the issue of other Notes from time to time.

(d) The confidentiality provisions set forth in this Section 9.10 shall expire on the second year anniversary of the date on which the Series 2017-1 Senior Notes have been paid in full.

9.11 Acknowledgement and Consent to Bail-In of EEA Financial Institutions

Notwithstanding anything to the contrary in this Supplemental Indenture or in any other Program Agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under this Supplemental Indenture or any other Program Agreement, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments or ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Supplemental Indenture or any other Facility Agreement; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

9.12 Limitation of Liability of Issuer Trustee

Each party hereto other than the Issuer acknowledges that the Issuer is a trust, and that Computershare Trust Company of Canada is the Issuer Trustee. The other parties hereto agree that the Issuer Trustee will not be subject to any liability whatsoever to them, in tort, contract or otherwise, in connection with the Issuer's assets or the trust activities, for any action taken or

permitted by it to be taken, or for its failure to take any action; provided that the foregoing limitation will not apply in respect of any action or failure to act arising from or in connection with wilful misconduct, negligence or reckless disregard of a duty by the Issuer Trustee. The Issuer Trustee in doing anything or permitting anything to be done in respect of assets or the trust activities is, and shall be conclusively deemed to be, acting as trustee of the Issuer and not in any other capacity. Except as to the extent provided in this Section 9.12, the Issuer Trustee will not be subject to any debts, liabilities, obligations, claims, demands, judgments, costs, charges or expenses against or with respect to the Issuer, arising out of anything done or permitted by it to be done or its failure to take any action in respect of the Issuer's assets or the trust activities and resort will be had solely to the Collateral for the payment or performance thereof. No property or assets of the Issuer Trustee, whether owned in its personal capacity or otherwise, will be subject to levy, execution or other enforcement procedure with regard to any obligation under this Supplemental Indenture. Nothing contained in this Section 9.12 shall be construed so as to limit the liability of the Issuer under this Supplemental Indenture. This Supplemental Indenture, and every deed, transfer, assignment, agreement or other instrument made pursuant hereto including, without limitation, the Series 2017-1 Senior Notes, made or purporting to be made by or creating an obligation of the Issuer or the Issuer Trustee on behalf of, or as trustee of, the Issuer shall be deemed and construed for all purposes as if made by the Issuer Trustee, in and only in its capacity as trustee of the Issuer. Any obligations of the Issuer Trustee hereunder or thereunder are non-recourse to the Issuer Trustee in its personal capacity.

9.13 Execution in Counterparts

This Supplemental Indenture may be executed in several counterparts, each of which when so executed shall be deemed to be an original and the counterparts together shall constitute one and the same instrument. This Supplemental Indenture may be executed and delivered by email or other electronic transmission of a manually signed counterpart.

9.14 Delivery of Executed Copies

Each party acknowledges delivery of an executed copy of this Supplemental Indenture.

W I T N E S E T H:

WHEREAS, this Supplement is being executed and delivered in accordance with Section 9.1(e) of the Warehouse Senior Series 2017-1 Supplemental Indenture, dated as of December 21, 2017, among Computershare Trust Company of Canada, its capacity as trustee of Fair Hydro Trust, BNY Trust Company of Canada, as Indenture Trustee, and the CP Conduit Purchasers, Group Banks, Non-Conduit Purchasers and Funding Agents parties thereto, and Royal Bank of Canada, as Administrative Agent (as from time to time amended, supplemented or otherwise modified in accordance with the terms thereof, the "Supplemental Indenture"; unless otherwise defined herein, terms defined in the Supplemental Indenture are used herein as therein defined);

WHEREAS, the Acquiring Purchaser (if it is not already a Purchaser Group party to the Supplemental Indenture) wishes to become a Purchaser Group party to the Supplemental Indenture and the Acquiring Purchaser wishes to acquire and assume from the Selling Purchaser, certain of the rights, obligations and commitments under the Supplemental Indenture; and

WHEREAS, the Selling Purchaser wishes to sell and assign to the Acquiring Purchaser, certain of its rights, obligations and commitments under the Supplemental Indenture.

NOW, THEREFORE, the parties hereto hereby agree as follows:

(a) Upon receipt by the New Funding Agent of five counterparts of this Supplement, to each of which is attached a fully completed Schedule I and Schedule II, each of which has been executed by the Selling Purchaser, the Acquiring Purchaser and the New Funding Agent, the New Funding Agent will promptly transmit to the Manager on behalf of the Issuer, the Indenture Trustee, the Selling Purchaser and the Acquiring Purchaser a Transfer Effective Notice, substantially in the form of Schedule III to this Supplement (a "Transfer Effective Notice"). 3.3 Procedure for Initial Issuance and for Increasing the Series 2017-1 Principal Amount

(a) (i) On any Business Day prior to December ~~[21],~~21, 2017, in the case of a Non-Conduit Purchaser Group, the Related Non-Conduit Purchaser hereby agrees, or in the case of a CP Conduit Purchaser Group, the CP Conduit Purchaser in such CP Conduit Purchaser Group may agree, in its sole discretion, and the Group Bank with respect to such CP Conduit Purchaser hereby agrees, that it will purchase a Series 2017-1 Senior Note for an initial purchase price equal to the Commitment Percentage with respect to such Purchaser Group of the Series 2017-1 Initial Principal Amount upon the request of the Issuer (the date on which the initial purchase occurs being referred to as the "**Closing Date**"); provided, however, that the Issuer shall have given each of the Funding Agents (with a copy to the Indenture Trustee) irrevocable written notice (effective upon receipt), by

email communication, substantially in the form of Schedule C no later than 12:00 p.m. (Toronto time) on the second Business Day prior to the Closing Date. The written notice of the initial purchase of the Series 2017-1 Senior Notes shall state (x) the Closing Date, and (y) the initial total purchase price to be paid for the Series 2017-1 Senior Notes (the "**Series 2017-1 Initial Principal Amount**"); and (ii) subject to Section 3.3(e), on any Business Day during the period from the initial purchase of the Series 2017-1 Senior Notes hereunder to and including the Commitment Expiry Date, in the case of a Non-Conduit Purchaser Group, the Related Non-Conduit Purchaser hereby agrees, or in the case of a CP Conduit Purchaser Group, the CP Conduit Purchaser in such CP Conduit Purchaser Group may agree, in its sole discretion, and the Group Bank with respect to such CP Conduit Purchaser hereby agrees that the Purchaser Group Principal Amount with respect to such Purchaser Group may be increased by an amount equal to the Commitment Percentage with respect to such Purchaser Group of the Increase Amount (an "**Increase**"), upon the request of the Issuer (each date on which an increase in the Series 2017-1 Principal Amount occurs hereunder being herein referred to as the "**Increase Date**" applicable to such Increase); provided, however, that the Issuer shall have given the Administrative Agent, each Funding Agent and each Non-Conduit Purchaser (with a copy to the Indenture Trustee) irrevocable (other than as specified in Section 3.3(e)) written notice (effective upon receipt), by email communication, substantially in the form of Schedule C (an "**Increase Notice**") no later than 12:00 p.m. (Toronto time) on (A) with respect to a Deferrable Increase Notice, the third Business Day prior to such Increase Date, or (B) with respect to a Non-Deferrable Increase Notice, the second Business Day prior to such Increase Date. Each Increase Notice shall state (x) the Increase Date, (y) the proposed amount of the increase in the Series 2017-1 Principal Amount (an "**Increase Amount**"), (z) whether a Delayed Funding Notice may be delivered in connection with such Increase pursuant to Section 3.3(e) and whether the Increase is to fund a Transfer (a "**Transfer Increase**") or is in respect of a Refinancing (a "**Refinancing Increase**"). The Commitment Percentage with respect to any Purchaser Group of the Increase Amount set forth in any Non-Deferrable Increase Notice shall not exceed such Purchaser Group's Non-Deferrable Draw Amount as of the related Increase Date.

(b) If a CP Conduit Purchaser elects not to fund the full amount of its Commitment Percentage of a requested Increase, such CP Conduit Purchaser shall notify the Administrative Agent and the Funding Agent with respect to such CP Conduit Purchaser, and the Group Bank with respect to such CP Conduit Purchaser shall fund the portion of the Commitment Percentage with respect to such Related Purchaser Group of such Increase not funded by such CP Conduit Purchaser.

(c) No Purchaser Group shall be required to increase its Purchaser Group Principal Amount on any Increase Date hereunder unless:

(i) such Purchaser Group's Commitment Percentage of such Increase Amount is (A) equal to $1,000,000 or more, or (B) if less than $1,000,000, the difference between the Maximum Purchaser Group Principal Amount with

respect to such Purchaser Group and the Purchaser Group Principal Amount with respect to such Purchaser Group; and

(ii) after giving effect to such Increase Amount, the sum of the (x) the Purchaser Group Principal Amount, and (y) any unfunded Delayed Amounts with respect to such Purchaser Group would not exceed the Maximum Purchaser Group Principal Amount with respect to such Purchaser Group;

(d) After receipt by any Funding Agent with respect to a CP Conduit Purchaser Group of any notice required by Section 3.3(a) or permitted by Section 3.3(e) from the Issuer, such Funding Agent shall, so long as the conditions set forth in Sections 3.3(a) and (c) and Article 4 are satisfied, promptly provide notice by email communication to the related CP Conduit Purchaser and the related Group Bank, of the Increase Date and of such CP Conduit Purchaser Group's Commitment Percentage of the Closing Date or Increase Amount, as applicable. Subject to Section 3.3(e), if such CP Conduit Purchaser elects to fund all or a portion of its Commitment Percentage of the Series 2017-1 Initial Principal Amount or the Increase Amount, as applicable, such CP Conduit Purchaser shall pay in immediately available funds its Commitment Percentage (or any portion thereof) of the amount of the Series 2017-1 Initial Principal Amount or Increase Amount, as applicable, on the Closing Date or the related Increase Date, as applicable, to the Funding Agent with respect to such CP Conduit Purchaser Group for remittance to the Issuer for application in accordance with Section 3.3(h). Subject to Section 3.3(e), if such CP Conduit Purchaser does not fund the full amount of the Commitment Percentage of such CP Conduit Purchaser Group of the Series 2017-1 Initial Principal Amount or an Increase Amount, as applicable, and the related Group Bank is required to fund the portion thereof not funded by the CP Conduit Purchaser, such Group Bank shall pay in immediately available funds such portion on the Closing Date or the related Increase Date, as applicable, to the Funding Agent with respect to such CP Conduit Purchaser Group. Each Funding Agent shall remit the amounts received by it from its CP Conduit Purchaser or the related Group Bank pursuant to this Section 3.3(d) to the Issuer for application in accordance with Section 3.3(h). Subject to Section 3.3(e), so long as the conditions set forth in Sections 3.3(a) and (c) and Article 4 are satisfied, each Non-Conduit Purchaser shall pay in immediately available funds the Commitment Percentage of such Non-Conduit Purchaser of the amount of the Series 2017-1 Initial Principal Amount or Increase Amount, as applicable, on the Closing Date or the Increase Date, as applicable, to the Issuer for application in accordance with Section 3.3(h).

(e) Notwithstanding any of the foregoing, any Group Bank or Non-Conduit Purchaser may, upon receipt of any Deferrable Increase Notice pursuant to Section 3.3(a), notify the Issuer in writing (a "**Delayed Funding Notice**") on or prior to 12:00 noon (Toronto time) on the second Business Day preceding the related Increase Date, of its intent to fund an amount up to its Commitment Percentage of the related Increase Amount (such amount, subject to any adjustment described

below, the "**Delayed Amount**") on a Business Day that is on or before the thirty-third (33rd) day following the Increase Date specified in such Deferrable Increase Notice (the "**Delayed Funding Date**") rather than on such Increase Date. If any Group Bank or Non-Conduit Purchaser provides a Delayed Funding Notice to the Issuer following the Issuer's delivery of an Increase Notice pursuant to Section 3.3(a), the Issuer may with written notice to the Administrative Agent, each Funding Agent and each Non-Conduit Purchaser delivered prior to 3:00 pm on the second Business Day preceding such Increase Date, (x) decrease the Increase Amount with respect to such Deferrable Increase Notice (or revoke such Deferrable Increase Notice by decreasing the Increase Amount to zero), and/or (y) require any Group Bank or Non-Conduit Purchaser who has provided a Delayed Funding Notice to reduce the Delayed Amount with respect to such Increase by an amount no greater than the Non-Deferrable Draw Amount with respect to such Purchaser Group as of the related Increase Date. In the event that the Increase Amount with respect to such Deferrable Increase Notice is reduced, but not to zero, then any Delayed Amount with respect to any Purchaser Group shall be reduced on a pro rata basis unless otherwise specified by the Issuer pursuant to clause (y) above. No Purchaser Group that has provided a Delayed Funding Notice in respect of an Increase (each a "**Delayed Funding Purchaser Group**") shall be considered to be in default of its obligation to fund its Delayed Amount pursuant to this Section 3.3 unless and until it has failed to fund the Delayed Amount (and/or the Delayed Funding Reimbursement Amount with respect to such Delayed Amount) on or before the Delayed Funding Date.

(f) If (i) one or more Delayed Funding Purchaser Groups provides a Delayed Funding Notice to the Issuer in respect of any Increase Date; and (ii) the Issuer shall not have decreased the related Increase Amount to zero or required each such Delayed Funding Purchaser Group to reduce the Delayed Amount with respect to such Increase to zero, in each case, pursuant to Section 3.3(e), the Administrative Agent shall, by no later than 5:00 p.m. (Toronto time) on the second Business Day preceding such Increase Date, direct each Purchaser Group that is not a Delayed Funding Purchaser Group with respect to such Increase Date (each a "**Non-Delayed Funding Purchaser Group**") to fund an additional portion of such Increase Amount on such Increase Date equal to such Non-Delayed Funding Purchaser Group's proportionate share (based upon the Maximum Purchaser Group Principal Amount with respect to such Non-Delayed Funding Purchaser Group relative to the sum of the Maximum Purchaser Group Principal Amounts with respect to all Non-Delayed Funding Purchaser Groups) of the aggregate Delayed Amounts with respect to such Increase Date; provided that no Non-Delayed Funding Purchaser Group shall be required to fund any portion of the aggregate Delayed Amounts that would cause its Purchaser Group Principal Amount to exceed its Maximum Purchaser Group Principal Amount. Subject to Section 3.3(a), in the case of a Non-Delayed Funding Purchaser Group that is a Non-Conduit Purchaser, such Non-Conduit Purchaser hereby agrees, or, in the case of a Non-Delayed Funding Purchaser Group that is a CP Conduit Purchaser Group, the CP Conduit Purchaser in such CP Conduit Purchaser Group may agree, in its sole discretion, and the Group Bank in such CP Conduit Purchaser

Group hereby agrees, to fund such portion of the Increase Amount on such Increase Date.

(g) After the Non-Delayed Funding Purchaser Groups fund a Delayed Amount on any Increase Date in accordance with Section 3.3(f), the Delayed Funding Purchaser Group in respect of such Delayed Amount will be obligated to fund the Delayed Funding Reimbursement Amount with respect to such Delayed Amount on or before its Delayed Funding Date, irrespective of whether the Scheduled Commitment Expiry Date shall have occurred on or prior to such Delayed Funding Date or the Issuer would be able to satisfy the conditions set forth in Section 3.3(c) to an Increase in an amount equal to such Delayed Funding Reimbursement Amount on such Delayed Funding Date. Such Delayed Funding Purchaser Group shall fund such Delayed Funding Reimbursement Amount on such Delayed Funding Date by paying such amount in immediately available funds to each such Non-Delayed Funding Purchaser Group, *pro rata* based on the relative amount of such Delayed Amount funded by such Non-Delayed Funding Purchaser Group on such Increase Date pursuant to Section 3.3(f).

(h) The Issuer shall apply amounts paid to it pursuant to Sections 3.3(d) and 3.3(f) by application to payment of the purchase price payable by the Issuer to the IESO under the Master Transfer and Servicing Agreement in respect of a Transfer or by deposit to the Refinancing Account.

3.4 Procedure for Decreasing the Series 2017-1 Principal Amount; Optional Termination

(a) In the case of a Non-Conduit Purchaser Group, the Related Non-Conduit Purchaser hereby agrees, and in the case of a CP Conduit Purchaser Group, each of the CP Conduit Purchasers and the Group Bank in such CP Conduit Purchaser Group hereby agrees, that the Purchaser Group Principal Amount with respect to such Purchaser Group may be decreased on any Payment Date by such Purchaser Group's Commitment Percentage of a Decrease Amount (a "**Decrease**"), upon the request of the Issuer. Each Payment Date on which a Decrease in the Series 2017-1 Principal Amount occurs hereunder being herein referred to as the "**Decrease Date**" applicable to such Decrease; provided, however, that the Issuer shall have given the Administrative Agent, each Funding Agent and each Non-Conduit Purchaser (with a copy to the Indenture Trustee and ~~DBRS~~each CP Conduit Rating Agency) irrevocable written notice (effective upon receipt), by email communication, substantially in the form of Schedule D (a "**Decrease Notice**") no later than 12:00 p.m. (Toronto time) on the fifth Business Day prior to any Payment Date that is a Decrease Date~~; provided that if the~~. *Each Decrease Notice shall state *(x) the Decrease Date, and (y)* the proposed amount of the decrease in the Series 2017-1 Principal Amount (a "**Decrease Amount**").* If a Decrease is greater than $250,000,000, the ~~Decrease Notice shall, subject to the second following sentence, be provided~~Issuer shall provide written notice to the Administrative Agent, each Funding Agent and each Non-Conduit Purchaser (with a copy to the Indenture Trustee and each CP Conduit Rating Agency) no

(b) Upon each Decrease, the Administrative Agent shall indicate in its records such Decrease and the Purchaser Group Principal Amount outstanding with respect to each Purchaser Group after giving effect to such Decrease.

(c) On any Business Day, the Issuer shall have the right to deliver an irrevocable written notice (an "**Optional Termination Notice**") to the Administrative Agent, each Funding Agent and each Non-Conduit Purchaser (with a copy to ~~DBRS~~each CP Conduit Rating Agency) in which the Issuer declares that the Commitments shall terminate on the date (the "**Optional Termination Date**") set forth in such notice (which date, in any event, shall be a Payment Date not less than twenty (20) Business Days from the date on which such notice is delivered).

3.5 Increases and Reductions of the Commitments

(a) The Issuer may from time to time request that any Purchaser Group agree to increase its Maximum Purchaser Group Principal Amount. An increase in such amount shall be effective hereunder if such Purchaser Group shall have agreed in its sole discretion to such increase and the Rating Agency Condition has been satisfied with respect thereto.

(b) On any Business Day, the Issuer may, upon two (2) Business Days' prior written notice to the Administrative Agent, each Funding Agent and each Non-Conduit Purchaser (effective upon receipt) (with copies to the Indenture Trustee) reduce the Series 2017-1 Maximum Principal Amount in an amount equal to $10,000,000 or a whole multiple of $1,000,000 in excess thereof; provided that no such termination or reduction shall be permitted if, after giving effect thereto and to any reduction in the Series 2017-1 Principal Amount on such date, the Purchaser Group Principal Amount with respect to any Purchaser Group would exceed the Maximum Purchaser Group Principal Amount with respect to such Purchaser Group then in effect. Any reduction in the Series 2017-1 Maximum Principal Amount shall be made on a pro rata basis to the Maximum Purchaser Group Principal Amounts with respect to the Purchaser Groups, based on the Maximum Purchaser Group Principal Amount with respect to each Purchaser Group. Once reduced, the Maximum Purchaser Group Principal Amounts may not be subsequently reinstated without each such Purchaser Group's prior written

consent, which consent shall be granted or not in the sole discretion of such Purchaser Group, and with written notice to ~~DBRS~~each CP Conduit Rating Agency.

(c) The Issuer may extend the Scheduled Commitment Expiry Date only with the prior written consent of the Administrative Agent, each Non-Conduit Purchaser and each Funding Agent, and satisfaction of the Rating Agency Condition. Any request for an extension of the Scheduled Commitment Expiry Date by the Issuer shall be made pursuant to a written request (a "**Commitment Extension Request**") to the Administrative Agent, each Non-Conduit Purchaser and each Funding Agent, and such request shall specify the proposed dates and amounts that shall constitute the "Principal Accumulation Date", "Principal Payment Amounts" and "Principal Payment Default Dates" with respect to such extension.

The Commitment Fees shall be payable monthly in arrears on each Payment Date.

(c) The Funding Agent with respect to each CP Conduit Purchaser Group and each Non-Conduit Purchaser shall provide written notice to the Issuer and the Paying Agent no later than five (5) Business Days prior to each Payment Date, setting forth the Group Monthly Interest and the Group Monthly Fees and Other Amounts with respect to its Related Purchaser Group with respect to the Payment Date.

If any form or certification it previously delivered by a Recipient expires or becomes obsolete or inaccurate in any respect, the Recipient shall update such form or certification or promptly notify the Issuer in writing of its legal inability to do so.

(c) If a Recipient is legally entitled to receive a refund of any Taxes (other than Excluded Taxes) as to which it has been indemnified or with respect to which additional amounts have been paid to it hereunder or it is legally entitled to receive a credit or deduction with respect to such Taxes or with respect to such additional amounts that have been paid hereunder (in each case pursuant to Section 3.10(a)), it shall use commercially reasonable efforts to obtain or claim such refund, credit or deduction and pay over such refund or the value of such credit or deduction to the Issuer, together with any interest thereon.

The Issuer further acknowledges that any charge or compensation demanded hereunder may take the form of a monthly charge to be assessed by such Affected Party.

(b) Each Affected Party claiming increased amounts described in subsection 3.11(a) of this Supplemental Indenture will furnish to the Issuer (together with its request for compensation) a certificate prepared in good faith setting forth the basis and the calculation of the amount (in reasonable detail) of each request by such Affected Party for any such increased amounts referred to in subsection 3.11(a) hereof. Any such certificate shall be conclusive absent manifest error. Failure on the part of any Affected Party to demand compensation for any amount pursuant to subsection 3.11(a) hereof with respect to any period shall not constitute a waiver of such Affected Party's right to demand compensation with respect to such period.

Except for notices, reports and other documents expressly required to be furnished to the Non-Conduit Purchasers and the Funding Agents by the Administrative Agent hereunder, the Administrative Agent shall have no duty or responsibility to provide any Non-Conduit Purchaser, any CP Conduit Purchaser, any Group Bank or any Funding Agent with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of the Issuer, the Manager or the IESO which may come into the possession of the Administrative Agent or any of its officers, directors, employees, agents, attorneys in fact or Affiliates.

(g) The Administrative Agent and its Affiliates may make loans to, accept deposits from and generally engage in any kind of business with the Issuer, the Manager and the IESO as though the Administrative Agent were not the Administrative Agent hereunder. With respect to any Series 2017-1 Senior Note held by the Administrative Agent, the Administrative Agent shall have the same rights and powers under this Supplemental Indenture and the other Program Agreements as any Group Bank or Funding Agent and may exercise the same as though it were not the Administrative Agent, and the terms "Group Bank," and "Funding Agent" shall include the Administrative Agent in its individual capacity.

(h) The Administrative Agent may resign as Administrative Agent at any time by giving 30 days' notice to the Non-Conduit Purchasers, the Funding Agents, the Indenture Trustee, the Issuer and the Manager. If Royal Bank of Canada shall resign as Administrative Agent under this Supplemental Indenture, then the Requisite Series 2017-1 Noteholders shall appoint a successor administrative agent from among the Non-Conduit Purchasers and Funding Agents, whereupon such successor agent shall succeed to the rights, powers and duties of the Administrative Agent, and the term "Administrative Agent" shall mean such successor agent effective upon such appointment and approval, and the former Administrative Agent's rights, powers and duties as Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Supplemental Indenture. If no successor administrative agent has accepted appointment as Administrative Agent prior to the effective date of the resignation of the Administrative Agent, the retiring Administrative Agent may appoint, after consulting with the Non-Conduit Purchasers and the Funding Agents, a successor Administrative Agent from among the Non-Conduit Purchasers and the Funding Agents. If no successor administrative agent has accepted appointment by the date which is thirty (30) days following a retiring Administrative Agent's notice of resignation, the retiring Administrative Agent's resignation shall nevertheless thereupon become effective and Manager shall assume and perform all of the duties of the Administrative

Agent hereunder until such time, if any, as the Requisite Series 2017-1 Noteholders appoint a successor administrative agent as provided for above. After any retiring Administrative Agent's resignation as Administrative Agent, the provisions of this Article 8 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Supplemental Indenture. The Issuer will provide prompt written notice of a resignation of the Administrative Agent and the appointment of any successor administrative agent.

8.2 Funding Agents

(a) Each CP Conduit Purchaser and each Group Bank with respect to such CP Conduit Purchaser hereby irrevocably designates and appoints the Funding Agent set forth next to such CP Conduit Purchaser's name on Schedule E as the agent of such Person under this Supplemental Indenture and irrevocably authorizes such Funding Agent, in such capacity, to take such action on its behalf under the provisions of this Supplemental Indenture and to exercise such powers and perform such duties as are expressly delegated to such Funding Agent by the terms of this Supplemental Indenture, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Supplemental Indenture, each Funding Agent shall not have any duties or responsibilities except those expressly set forth herein, or any fiduciary relationship with any CP Conduit Purchaser or Group Bank and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Supplemental Indenture or otherwise exist against each Funding Agent.

(b) Each Funding Agent may execute any of its duties under this Supplemental Indenture by or through agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. Each Funding Agent shall not be responsible to the CP Conduit Purchaser or any Group Bank in its CP Conduit Purchaser Group for the negligence or misconduct of any agents or attorneys in fact selected by it with reasonable care.

(c) Each Funding Agent and any of its officers, directors, employees, agents, attorneys in fact or Affiliates shall not be (i) liable for any action lawfully taken or omitted to be taken by it or such Person under or in connection with the Trust Indenture, this Supplemental Indenture or any other Program Agreement (except to the extent that any of the foregoing are found by a final and non-appealable decision of a court of competent jurisdiction to have resulted from its or such Person's own gross negligence or willful misconduct) or (ii) responsible in any manner to any of the CP Conduit Purchasers and/or Group Banks for any recitals, statements, representations or warranties made by the Issuer, the Manager or the IESO, or any officer thereof contained in this Supplemental Indenture or any other Program Agreement or in any certificate, report, statement or other document referred to or provided for in, or received by such Funding Agent under or in connection with, this Supplemental Indenture or any other Program Agreement or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of

this Supplemental Indenture, any other Program Agreement, or for any failure of any of the Issuer, the Manager or the IESO to perform its obligations hereunder or thereunder. Each Funding Agent shall not be under any obligation to the CP Conduit Purchaser or any Group Bank in its CP Conduit Purchaser Group to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Supplemental Indenture, any other Program Agreement or to inspect the properties, books or records of the Issuer, the Manager or the IESO.

(d) Each Funding Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter or electronic message, statement, order or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including, without limitation, counsel to the Issuer, the Manager or the IESO), independent accountants and other experts selected by such Funding Agent. Each Funding Agent shall be fully justified in failing or refusing to take any action under this Supplemental Indenture or any other Program Agreement unless it shall first receive such advice or concurrence of the Related Purchaser Group, as it deems appropriate or it shall first be indemnified to its satisfaction by the Related Purchaser Group against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action.

(e) Each Funding Agent shall not be deemed to have knowledge or notice of the occurrence of any Termination Event unless such Funding Agent has received written notice from a Non-Conduit Purchaser, a CP Conduit Purchaser, a Group Bank, the Issuer, the Manager or the Administrative Agent referring to the Trust Indenture or this Supplemental Indenture, describing such Termination Event and stating that such notice is a "notice of a Termination Event," as the case may be. In the event that any Funding Agent receives such a notice, such Funding Agent shall give notice thereof to ~~DBRS~~each CP Conduit Rating Agency, the CP Conduit Purchaser and Group Bank in its CP Conduit Purchaser Group. Such Funding Agent shall take such action with respect to such event as shall be reasonably directed by the CP Conduit Purchaser and Group Bank in its CP Conduit Purchaser Group, provided that unless and until such Funding Agent shall have received such directions, such Funding Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such event as it shall deem advisable in the best interests of the CP Conduit Purchaser and Group Bank in its CP Conduit Purchaser Group.

(f) Each CP Conduit Purchaser and each of the related Group Banks expressly acknowledge that neither its Funding Agent nor any of its officers, directors, employees, agents, attorneys in fact or Affiliates has made any representations or warranties to it and that no act by such Funding Agent hereinafter taken, including any review of the affairs of the Issuer, the Manager or the IESO shall be deemed to constitute any representation or warranty by such Funding Agent to any such Person. Each CP Conduit Purchaser and each of the related Group Banks

represents to its Funding Agent that it has, independently and without reliance upon such Funding Agent and based on such documents and information as it has deemed appropriate, made its own appraisal of, and investigation into, the business, operations, property, financial and other condition and creditworthiness of the Issuer, the Manager and the IESO and made its own decision to enter into this Supplemental Indenture. Each CP Conduit Purchaser and each of the related Group Banks also represents that it will, independently and without reliance upon its Funding Agent and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Supplemental Indenture and the other Program Agreements, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other conditions and creditworthiness of the Issuer, the Manager and the IESO.

(g) Each Group Bank in a CP Conduit Purchaser Group agrees to indemnify its Funding Agent in its capacity as such (to the extent not reimbursed by the Issuer and without limiting the obligation of the Issuer to do so), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever which may at any time be imposed on, incurred by or asserted against such Funding Agent in any way relating to or arising out of this Supplemental Indenture, any of the other Program Agreements or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Funding Agent under or in connection with any of the foregoing; provided that no Group Bank shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and non-appealable decision of a court of competent jurisdiction to have resulted from such related Funding Agent's gross negligence or willful misconduct. The agreements in this Section shall survive the payment of all amounts payable hereunder.

ARTICLE 9
GENERAL

9.1 Successor and Assigns

(a) This Supplemental Indenture shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, except that (i) the Issuer may not assign or transfer any of its rights or obligations under this Supplemental Indenture without the prior written consent of all of the Series 2017-1 Noteholders and at least 10 Business Days' notice having been given to ~~DBRS~~each CP Conduit Rating Agency; (ii) no Non-Conduit Purchaser may assign or transfer any of its rights under this Supplemental Indenture other than pursuant to paragraph (e) or (f) below; (iii) no CP Conduit Purchaser may assign or transfer any of its rights under this Supplemental Indenture other than to the Group Bank with respect to such CP Conduit Purchaser or a Program Support Provider with respect to such CP Conduit Purchaser or pursuant to clause (b) or (e) below of this

Section 9.1; and (iv) no Group Bank may assign or transfer any of its rights or obligations under this Supplemental Indenture except to a Program Support Provider or pursuant to clause (c), (d) or (e) below of this Section 9.1.

(b) Without limiting the foregoing, each CP Conduit Purchaser may assign all or a portion of the Purchaser Group Principal Amount with respect to such CP Conduit Purchaser and its rights and obligations under this Supplemental Indenture to a Conduit Assignee with respect to such CP Conduit Purchaser. Prior to the effectiveness of any such assignment, the assigning CP Conduit Purchaser shall notify ~~DBRS~~each CP Conduit Rating Agency, the Administrative Agent, each Funding Agent, each Non-Conduit Purchaser and the Issuer of such assignment. Upon such assignment by a CP Conduit Purchaser to a Conduit Assignee, (i) such Conduit Assignee shall be the owner of the Purchaser Group Principal Amount or such portion thereof with respect to such CP Conduit Purchaser; (ii) the related administrative or managing agent for such Conduit Assignee will act as the administrative agent for such Conduit Assignee hereunder, with all corresponding rights and powers, express or implied, granted to the Funding Agent hereunder; (iii) such Conduit Assignee and its liquidity support provider(s) and credit support provider(s) and other related parties shall have the benefit of all the rights and protections provided to such CP Conduit Purchaser herein (including, without limitation, any limitation on recourse against such Conduit Assignee as provided in this paragraph); (iv) such Conduit Assignee shall assume all of such CP Conduit Purchaser's obligations, if any, hereunder with respect to such portion of the Purchaser Group Principal Amount and such CP Conduit Purchaser shall be released from such obligations; (v) all distributions in respect of the Purchaser Group Principal Amount or such portion thereof with respect to such CP Conduit Purchaser shall be made to the applicable agent or administrative agent, as applicable, on behalf of such Conduit Assignee; and (vi) if requested by the Administrative Agent or the agent or administrative agent with respect to the Conduit Assignee, the parties will execute and deliver such further agreements and documents and take such other actions as the Administrative Agent or such agent or administrative agent may reasonably request to evidence and give effect to the foregoing. No assignment by any CP Conduit Purchaser to a Conduit Assignee of the Purchaser Group Principal Amount with respect to such CP Conduit Purchaser shall in any way diminish the obligations of the Group Bank with respect to such CP Conduit Purchaser under Section 3.3 to fund any Increase.

(c) Any Group Bank may, in the ordinary course of its business and in accordance with applicable law, at any time, sell all or any part of its rights and obligations under this Supplemental Indenture and the Series 2017-1 Senior Notes, with the prior written consent of the Administrative Agent and the Issuer (in each case, which consent shall not be unreasonably withheld) and with prior notice to ~~DBRS~~each CP Conduit Rating Agency, to one or more banks (an "**Acquiring Group Bank**") pursuant to a transfer supplement~~, substantially in the form of Exhibit H (the "**Transfer Supplement**"~~ in such form and substance as shall be acceptable to the Administrative Agent and the Issuer (acting reasonably), executed by such Acquiring Group Bank, such assigning Group Bank, the

Funding Agent with respect to such Group Bank, the Administrative Agent and the Issuer and delivered to the Administrative Agent. Notwithstanding the foregoing, no Group Bank shall so sell its rights hereunder if such Acquiring Group Bank is not an Eligible Assignee.

(d) Any Group Bank may, in the ordinary course of its business and in accordance with applicable law at any time and with prior notice to ~~DBRS~~each CP Conduit Rating Agency, sell to one or more financial institutions or other entities ("**Group Bank Participants**") participations in its Commitment with respect to its related CP Conduit Purchaser Group, its Series 2017-1 Senior Note and its rights hereunder pursuant to documentation in form and substance satisfactory to such Group Bank and the Group Bank Participant; provided, however, that (i) in the event of any such sale by a Group Bank to a Group Bank Participant, (A) such Group Bank's obligations under this Supplemental Indenture shall remain unchanged, (B) such Group Bank shall remain solely responsible for the performance thereof, and (C) the Issuer and the Administrative Agent shall continue to deal solely and directly with such Group Bank in connection with its rights and obligations under this Supplemental Indenture; and (ii) no Group Bank shall sell any participating interest under which the Group Bank Participant shall have rights to approve any amendment to, or any consent or waiver with respect to, this Supplemental Indenture, the Trust Indenture or any Program Agreement, except to the extent that the approval of such amendment, consent or waiver otherwise would require the unanimous consent of all Group Banks hereunder. A Group Bank Participant shall have the right to receive compensation pursuant to Sections 3.10 and 3.11 but only to the extent that the related selling Group Bank would have had such right absent the sale of the related participation and, with respect to amounts due pursuant to Sections 3.10 and 3.11, only to the extent such Group Bank Participant shall have complied with the provisions of Sections 3.10 and 3.11 as if such Group Bank Participant were a Group Bank.

(e) Any CP Conduit Purchaser and the Group Bank with respect to such CP Conduit Purchaser may, at any time, sell all or any part of their respective rights and obligations, and any Non-Conduit Purchaser may, at any time, sell all or any part of its rights and obligations, under this Supplemental Indenture and the Series 2017-1 Senior Notes, with the prior written consent of the Administrative Agent and the Issuer (in each case, which consent shall not be unreasonably withheld) and with prior notice to ~~DBRS~~each CP Conduit Rating Agency, (x) to a multi-seller commercial paper conduit and one or more banks providing support to such multi-seller commercial paper conduit, or (y) to a financial institution or other entity (an "**Acquiring Purchaser Group**") pursuant to a transfer supplement, substantially in the form of ~~Exhibit I~~Schedule F (the "**Purchaser Group Supplement**"), executed by such Acquiring Purchaser Group (including the CP Conduit Purchaser and the Group Banks, if any, with respect to such Acquiring Purchaser Group), the Funding Agent, if any, with respect to such Acquiring Purchaser Group, such assigning Purchaser Group (including the Group Banks, if any, with respect to such assigning Purchaser Group), the Funding

Agent, if any, with respect to such assigning Purchaser Group and the Administrative Agent and the Issuer and delivered to the Administrative Agent.

(f) Any Non-Conduit Purchaser may, in the ordinary course of its business and in accordance with applicable law and with prior notice to ~~DBRS~~each CP Conduit Rating Agency, at any time sell to one or more financial institutions or other entities ("**Non-Conduit Purchaser Participants**") participations in its Commitment, its Series 2017-1 Senior Note and its rights hereunder pursuant to documentation in form and substance satisfactory to such Non-Conduit Purchaser and the Non-Conduit Purchaser Participant; provided, however, that (i) in the event of any such sale by a Non-Conduit Purchaser to a Non-Conduit Purchaser Participant, (A) such Non-Conduit Purchaser's obligations under this Supplemental Indenture shall remain unchanged, (B) such Non-Conduit Purchaser shall remain solely responsible for the performance thereof, and (C) the Issuer and the Administrative Agent shall continue to deal solely and directly with such Non-Conduit Purchaser in connection with its rights and obligations under this Supplemental Indenture; and (ii) no Non-Conduit Purchaser shall sell any participating interest under which the Non-Conduit Purchaser Participant shall have rights to approve any amendment to, or any consent or waiver with respect to, this Supplemental Indenture, the Trust Indenture or any Program Agreement, except to the extent that the approval of such amendment, consent or waiver otherwise would require the unanimous consent of all Series 2017-1 Noteholders hereunder. A Non-Conduit Purchaser Participant shall have the right to receive compensation under Sections 3.10 and 3.11 but only to the extent that the related selling Non-Conduit Purchaser would have had such right absent the sale of the related participation and, with respect to amounts due pursuant to Sections 3.10 and 3.11, only to the extent such Non-Conduit Purchaser Participant shall have complied with the provisions of Sections 3.10 and 3.11 as if such Non-Conduit Purchaser Participant were a Non-Conduit Purchaser.

(g) The Issuer authorizes each Group Bank and Non-Conduit Purchaser to disclose to any Group Bank Participant, Acquiring Group Bank, Non-Conduit Purchaser Participant or Acquiring Purchaser Group (each, a "**Transferee**") and any prospective Transferee any and all financial information in such Group Bank's or Non-Conduit Purchaser's possession concerning the Issuer, the Issuer Investment Asset and the Program Agreements which has been delivered to such Group Bank by the Issuer or the Manager in connection with such Group Bank's credit evaluation of the Issuer and the Issuer Investment Interest.

(h) Notwithstanding any other provision of this Supplemental Indenture to the contrary, any Non-Conduit Purchaser, any Group Bank or any Program Support Provider may at any time pledge or grant a security interest in all or any portion of its rights under its Series 2017-1 Senior Note and this Supplemental Indenture to secure obligations of such Non-Conduit Purchaser, such Group Bank or such Program Support Provider to a Federal Reserve Bank or the Bank of Canada, without notice to or consent of the Administrative Agent or the Issuer; provided that no such pledge or grant of a security interest shall release a Non-Conduit

Purchaser or a Group Bank from any of its obligations hereunder or substitute any such pledgee or grantee for such Non-Conduit Purchaser or such Group Bank as a party hereto.

(i) Notwithstanding any other provision of this Supplemental Indenture to the contrary, no consent of the Issuer to any assignment referred to in this Section 9.1 shall be required at any time after the occurrence of a Series 2017-1 Event of Default.

9.2 Waiver

Without limiting the requirements of Section 11.02 of the Trust Indenture which shall be applicable to this Supplemental Indenture, no waiver of any provision of this Supplemental Indenture or consent to any departure by the Issuer from any provision of this Supplemental Indenture will be effective (in whole or in part) unless in writing and signed by the Requisite Series 2017-1 Noteholders. Such waiver will be effective only in the specific instance, for the specific purpose and for the specific length of time for which it is given by the Requisite Series 2017-1 Noteholders.

Any obligations of the Issuer Trustee hereunder or thereunder are non-recourse to the Issuer Trustee in its personal capacity.

A failure to pay principal on May 15, 2038 for the Series 2018-2 Junior Subordinated Notes will constitute an event of default upon the occurrence of which the holders of Series 2018-2 Junior Subordinated Notes may declare the outstanding principal and all accrued and unpaid interest on the Series 2018-2 Junior Subordinated Notes to be immediately due and payable. Hi John

Happy new year, hope you had a few days off. Pls see some minor comments, I have limited my review to the Province's role in the OFHP. Mike may have others.

<!--[if !supportLists]-->• <!--[endif]-->Page 15 – last bullet; the $2 billion credit facility has been extended from the OFA, not the OEFC

<!--[if !supportLists]-->• <!--[endif]-->Page 25 - Change of law Process Agreement; I would add that the PAM is set and updated by the Financing Plan.

Thanks

As discussed attached is the most current draft of the Investor Presentation. If you or the MOE or OFA have any comments please let us know.

The plan is to have another turn of the document in the 1st week in January. May will have the "pen" from our side.

Have a Merry Christmas.

Fair Hydro Investor Presentation Comments

Slide #	Reference	Comment
Disclaimers	Last par.	How will this presentation be used, and is it in conjunction with the offering memorandum? [MOF LSB]
Slide 4	Images	Consider removing the nuclear and large hydro images as the plan only covers costs from renewables procurements, gas and conservation.
Slide 6	First bullet	Suggest using "proxy consumer" instead of "average" in this context, which would be more accurate and consistent with legislation as covered later in the presentation.[MOF LSB: Where is Proxy Consumer explained?]
Slide 6	Second bullet	Suggest changing "8% rebate in the provincial portion…" to " 8% rebate equivalent to the provincial portion…".
Slide 6	Third bullet	Language suggest that bills will increase back to status quo in 2021 – suggest adding language regarding increases back up to and past the status quo over time.
Slide 7	First bullet	Consider replacing the phrase starting from "in an amount…" with "in such an amount that the total OPG-held subordinated debt does not exceed 49% of all outstanding debt", for clarity.
Slide 11	First bullet	Suggest rewording to the following: "As part of the restructuring of Ontario's electricity industry under the Energy Competition Act, 1998, the municipal electricity utilities became municipally-owned business corporations, including local distribution companies ("LDCs")." – Some LDCs continue to be municipally-owned, while others have been sold to or acquired by Hydro One or private-sector owners."
Slide 14	Second bullet	Consider replacing "previously established regulated rate" with "regulated rate established in the first year of the Rate Reduction Period".
Slide 14	Last bullet	Similar to comment on Slide 6 above, suggest referencing increases back up to and beyond status quo beyond the moratorium period~~over time~~.
Slide 15	Third bullet of Moratorium Period section	Consider adding in the words "in favour of the Trust" at the end of the bullet [IESO Security Agreement].
Slide 15	Last bullet	The $2 billion credit facility is provided by the Ontario Financing Authority, not the OEFC. Also, consider rewording so as not to suggest that the $2 billion facility is solely for "carrying costs". Also, suggest that the last clause on security be a stand-alone bullet, not part of the OFA credit facility bullet, and should come before the other part of this bullet (i.e., become the third bullet of this section).

Slide 16	Second bullet	Consider rephrasing to align better with the offering memorandum and legislation.
Slide 16	Third bullet	Consider adding in the word "mainly" before "in respect of …" [see O.Reg. 206/17 section 5]. [MOF LSB: This is a defined term in the Act.]
Slide 16	Bill image	Consider removing as text description should be sufficient.
Slide 17	Second bullet	Consider replacing the words "dealt with" with "mitigated" to avoid suggesting that the risk is eliminated.
Slide 17	Number 2 in the process chart	Consider adding in the word "amount" at the end [O.Reg. 206/17 section 8(2)].
Slide 17	Number 6 in the process chart	Consider replacing the words "in a trust" with "in trust" [FHPA section 16(3)].
Slide 18	Chart	Consider adding explanation of readjustment amount.
Slide 20	Chart	Should the Province's indemnity to OPG [& IESO] be referred to here? [MOF LSB] Also consider whether Management Agreement should be included? [MOF LSB]
Slide 20	OEB's relationship with OPG in the diagram	Consider replacing "review of OPG Fees" with "review and approval of OPG Fees" to better align with the language in O. Reg. 206/17. Consider replacing "Management Agreement" with "Regulation".
Slide 20	IESO's relationship with the Fair Hydro Trust	Note that the Acknowledgement and Indemnity Agreement is made to the Indenture Trustee. Consider editing to avoid confusion.
Slide 20	Ontario Caption	Suggest just having "Province of Ontario" (i.e., omit "(Ministry of Energy)") [MOF LSB: Agree, as MOF is also signatory to some agreements.]
Slide 21	"Suspension Notice"	May wish to consider noting in the sentence that post-suspension refinancing is covered by the guarantee. As this was something Torys made a point of including in the agreement for financeability, suggest including for investors.
Below is a track changes on slides 21 and 22		
Change of Law Protection Agreement		
Parties	• Province of Ontario ~~as Obligor~~ and (2) Indenture Trustee as trustee of the FHT, on behalf of Specified Creditors, ~~as Beneficiaries~~ and (3) OPG as Financial Services Manager ("FSM")	
Purpose	• Provides assurance to Specified Creditors ~~investors~~ that upon the occurrence of a Protection Event, the Province of Ontario will ~~have an obligation to make~~ pay~~ments~~ Approved Obligations on behalf of the Trust, with [limited rights of acceleration][NTD: Consider how to phrase acceleration issue].	
Key Terms	• Term: Continues for as long as any obligations of the Trust that are secured under the	

	Master Trust Indenture (MTI) remain outstanding [MOF LSB: Only if such amounts are covered by the Limited Guarantee] • Mandatory Payment: Upon the occurrence of a Protection Event, the Indenture Trustee has the right to require the Province to pay all Approved ~~o~~Obligations when due and payable • Priority of Payments: The priority of payments is governed by the waterfall provision under the MTI • Adherence Conditions: OPG as FSM is required to comply with certain conditions, including the delivery of an Adherence Compliance Certificate, prior to the issuance of debt which is to benefit from C~~c~~hange in ~~l~~Law ~~p~~Protection Agreement from the Province • Suspension Notice: The Province may deliver a suspension notice upon the occurrence of a program breach, a default in performance, or misrepresentation by OPG as FSM, and any new funding ~~after which date~~ funding obligations that are incurred after the date of a suspension notice will not have the benefit of the Change of Law Protection, ~~upon the occurrence of a program breach, a default in performance, or misrepresentation by OPG as FSM~~ [MOF LSB: Should the pre-approved refinancing provisions be referred to here?]
Protection Events	The occurrence of any of the following events: • The Legislature repeals (and does not replace on an equivalent basis) or amends the FHP Act or any portion thereof as in effect on the date hereof • The Legislature enacts or amends any other statute • The Lieutenant Governor in Council repeals (and does not replace on an equivalent basis) the regulations made under the Act or any portion thereof as in effect on the date hereof • The Lieutenant Governor in Council, a minister of the Crown, an official of the government or a board or commission all the members of which are appointed by the Lieutenant Governor in Council makes or amends any "regulation" (as defined in Part III of the Legislation Act, 2006) as in effect on the date hereof • The implementation of a change in the organization or structure of the IESO or Ontario's electricity market undertaken at the initiative of the Province or an entity controlled by the Province • A court of competent jurisdiction determines that all or a portion of the Act or the regulations made under the Act, is ultra vires or invalid in a way that adversely affects the ability of the Trust to adversely affects the ability of the Financing Entity to receive amounts in respect of its Investment Interest so that it can pay Approved Obligations when due and payable~~pay its obligations~~ in each case that adversely affects the ability of the Trust to pay its obligations when due and payable, taking into account any funds available in reserve accounts, any credit enhancement available and any reasonably expected potential effect of a true-up amount

Slide 23	Key Terms – Moratorium Period (bullet 3)	Consider replacing "(until May 1, 2021)" to "(until April 30, 2021) and up to July 31, 2021" [see section 21(4) of FHPA and section 9.1 of O. Reg. 206/17]. Consider removing "which will be offered, as regulatory assets, for transfer to the Trust in a subsequent period", since this is not expressly provided in the MTSA [also see section 16 of O. Reg. 206/17].
Slide 28	Third bullet	Consider replacing "fit under the fair allocation curve" with "ensure reasonable alignment with fair allocation amounts". [see paragraph 1 of section 21(3) of FHPA].
Slide 31	Chart	The post-FHP bill should not follow the status quo trajectory between 2025 and 2028 – bill should be above status quo including rebates as the FAA is positive for those years (Fair Adjustment would be used to offset the majority of the CEA but the amount of the FAA would remain).
Slide 33	Acceleration Bullet	Should this reference cap in regulation? [MOF LSB]
Slide 36	First bullet	Consider removing references to "statutorily mandated". Remittances from IESO are mandated under s. 9.1 of O. Reg. 206/17.
Slide 36	Guarantor	Should this refer to a limited guarantee to make relationship clear? [MOF LSB]
Slide 38	Political Risk	Consider reviewing the characterization of the risk to align with the risk as described in the Agreements.
Slide 38	Third bullet	Please note reference to ability to disconnect service for non-payment by LDCs isn't fully reflective of the requirement, consider revising to be more reflective of the actual mechanism.

Ron,

Please find attached our comments on the investor presentation deck. We have added our comments in track changes to the word document with the other comments.

Mike and Ken, we are also wondering if you have heard anything new about the timing of the term deal and whether there are any documents that have been circulated that we can start to look at.

Best

Apologies for the short notice, if you have not been looped in earlier. I got the attached from Energy yesterday. OPG is looking for comments ASAP. Would you be able to review and provide any comments for EOD Wednesday?

Also attached is Energy's comments on the deck, with a few preliminary additions added in red. Mike and Ken are also reviewing and said they'd provide comments on Wednesday.

Thanks, and a Happy New Year to you both.

Fair Hydro Investor Presentation Comments

Slide #	Reference	Comment
Disclaimers	Last par.	How will this presentation be used, and is it in conjunction with the offering memorandum?
Slide 4	Images	Consider removing the nuclear and large hydro images as the plan only covers costs fro~~r~~m renewables procurements, gas and conservation. [MOF LSB: Can we confirm whether this is true?]
Slide 6	First bullet	Suggest using "proxy consumer" instead of "average" in this context, which would be more accurate and consistent with legislation as covered later in the presentation.[MOF LSB: Where is Proxy Consumer explained? I am not sure what it means.]
Slide 6	Second bullet	Suggest changing "8% rebate in the provincial portion…" to " 8% rebate equivalent to the provincial portion…".
Slide 6	Third bullet	Language suggest that bills will increase back to status quo in 2021 – suggest adding language regarding increases back up to and past the status quo over time.
Slide 7	First bullet	Consider replacing the phrase starting from "in an amount…" with "in such an amount that the total OPG-held subordinated debt does not exceed 49% of all outstanding debt", for clarity.
Slide 11	First bullet	Suggest rewording to the following: "As part of the restructuring of Ontario's electricity industry under the Energy Competition Act, 1998, the municipal electricity utilities became municipally-owned business corporations, including local distribution companies ("LDCs")." – Some LDCs continue to be municipally-owned, while others have been sold to or acquired by Hydro One or private-sector owners."
Slide 14	Second bullet	Consider replacing "previously established regulated rate" with "regulated rate established in the first year of the Rate Reduction Period".
Slide 14	Last bullet	Similar to comment on Slide 6 above, suggest referencing increases back up to and beyond status quo beyond the moratorium period~~over time~~.
Slide 15	Third bullet of Moratorium Period section	Consider adding in the words "in favour of the Trust" at the end of the bullet [IESO Security Agreement]. Also, can we clarify whether the $2 billion credit facility is provided by the OFA or the OEFC? Who is the actual lender? [MOF LSB: Our understanding is that this credit facility comes from the OFA, not the OEFC.
Slide 15	Last bullet	It's "Ontario Electricity Financial Corporation" (i.e., not "Financing"). [MOF LSB: But likely the reference to the OEFC should be deleted in any event since the credit facility comes from the OFA, as far as we understand it.] Also, consider rewording so as not to suggest that the $2 billion facility is solely for "carrying costs".

		Also, suggest that the last clause on security be a stand-alone bullet, not part of the OEF credit facility bullet, and should come before the other part of this bullet (ie, become the third bullet of this section).
Slide 16	Second bullet	Consider rephrasing to align better with the offering memorandum and legislation.
Slide 16	Third bullet	Consider adding in the word "mainly" before "in respect of …" [see O.Reg. 206/17 section 5]. [MOF LSB: This is a defined term in the Act.]
Slide 16	Bill image	Consider removing as text description should be sufficient.
Slide 17	Second bullet	Consider replacing the words "dealt with" with "mitigated" to avoid suggesting that the risk is eliminated.
Slide 17	Number 2 in the process chart	Consider adding in the word "amount" at the end [O.Reg. 206/17 section 8(2)].
Slide 17	Number 6 in the process chart	Consider replacing the words "in a trust" with "in trust" [FHPA section 16(3)].
Slide 18	Chart	Consider adding explanation of readjustment amount.
Slide 20	Chart	Should the Province's indemnity to OPG [& IESO] be referred to here? Also consider whether Management Agreement should be included?
Slide 20	OEB's relationship with OPG in the diagram	Consider replacing "review of OPG Fees" with "review and approval of OPG Fees" to better align with the language in O. Reg. 206/17. Consider replacing "Management Agreement" with "Regulation".
Slide 20	IESO's relationship with the Fair Hydro Trust	Note that the Acknowledgement and Indemnity Agreement is made to the Indenture Trustee. Consider editing to avoid confusion.
Slide 20	Ontario Caption	Suggest just having "Province of Ontario" (i.e., omit "(Ministry of Energy)") [MOF LSB: Agree, as MOF is also signatory to some agreements.]
Slide 21	"Suspension Notice"	May wish to consider noting in the sentence that post-suspension refinancing is covered by the guarantee. As this was something Torys made a point of including in the agreement for financeability, suggest including for investors.

Slide 23	Key Terms – Moratorium Period (bullet 3)	Consider replacing "(until May 1, 2021)" to "(until April 30, 2021) and up to July 31, 2021" [see section 21(4) of FHPA and section 9.1 of O.

		Reg. 206/17]. Consider removing "which will be offered, as regulatory assets, for transfer to the Trust in a subsequent period", since this is not expressly provided in the MTSA [also see section 16 of O. Reg. 206/17].

Hi John

Happy new year, hope you had a few days off. Pls see some minor comments, I have limited my review to the Province's role in the OFHP. Mike may have others.

- <!--[if !supportLists]-->• <!--[endif]-->Page 15 – last bullet; the $2 billion credit facility has been extended from the OFA, not the OEFC
- <!--[if !supportLists]-->• <!--[endif]-->Page 25 - Change of law Process Agreement; I would add that the PAM is set and updated by the Financing Plan.

Thanks

	the Fair Hydro Trust	
Slide 21	"Suspension Notice"	May wish to consider noting in the sentence that post-suspension refinancing is covered by the guarantee. As this was something Torys made a point of including in the agreement for financeability, suggest including for investors.
Slide 23	Key Terms – Moratorium Period (bullet 3)	Consider replacing "(until May 1, 2021)" to "(until April 30, 2021) and up to July 31, 2021" [see section 21(4) of FHPA and section 9.1 of O. Reg. 206/17]. Consider removing "which will be offered, as regulatory assets, for transfer to the Trust in a subsequent period", since this is not expressly provided in the MTSA [also see section 16 of O. Reg. 206/17].
Slide 28	Third bullet	Consider replacing "fit under the fair allocation curve" with "ensure reasonable alignment with fair allocation amounts". [see paragraph 1 of section 21(3) of FHPA].
Slide 31	Chart	The post-FHP bill should not follow the status quo trajectory between 2025 and 2028 – bill should be above status quo including rebates as the FAA is positive for those years (Fair Adjustment would be used to offset the majority of the CEA but the amount of the FAA would remain).
Slide 36	First bullet	Consider removing references to "statutorily mandated". Remittances from IESO are mandated under s. 9.1 of O. Reg. 206/17.
Slide 38	Political Risk	Consider reviewing the characterization of the risk to align with the risk as described in the Agreements.
Slide 38	Third bullet	Please note reference to ability to disconnect service for non-payment by LDCs isn't fully reflective of the requirement, consider revising to be more reflective of the actual mechanism.

I. Introduction and Transaction Overview

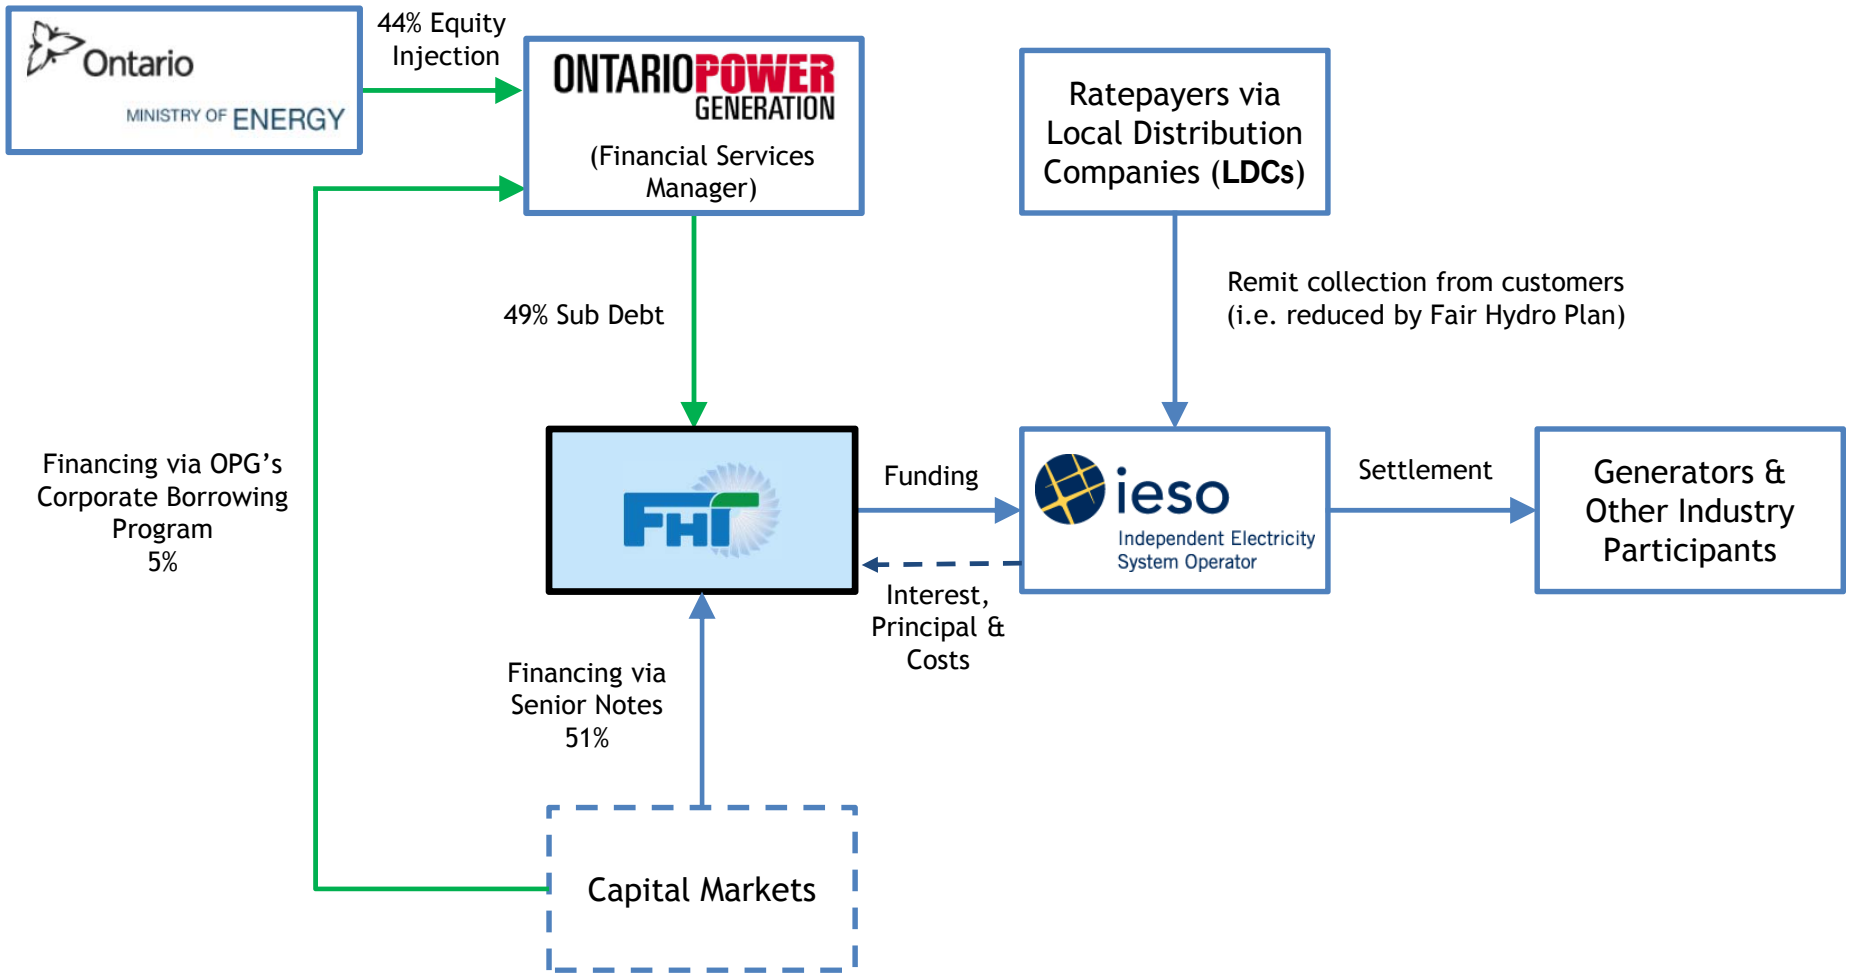
Introduction

Ontario's Fair Hydro Plan	• The Province of Ontario announced its Fair Hydro Plan ("FHP") on March 2nd, 2017, which proposed to lower the average electricity bill for eligible customers[1] (referred to as "Specified Consumers") by 25% (the "Fair Adjustment") • The 25% reduction includes an 8% rebate in the provincial portion of the HST granted by the Ontario government in January 2017 • It is expected that the rate reduction will be in effect to April 30, 2021, with any rate increases over that period limited to the rate of inflation in Ontario
Legislation	• On June 1, 2017, the Ontario government passed the *Ontario Fair Hydro Plan Act, 2017* (the "FHPA" or "Act"), legislation that reallocates certain electricity costs over time and provides immediate rate relief to Specified Consumers • The FHPA imposes an irrevocable and non-bypassable charge referred to as the Clean Energy Adjustment ("CEA") that will be determined by Ontario Power Generation ("OPG") in its role as Financial Services Manager under the Act • The CEA will be determined for each six month reference period and converted by the Ontario Energy Board ("OEB") into a $/kWh rate and added to electricity invoices sent to Specified Consumers commencing on May 1, 2021 • From July 1, 2017 until April 30, 2021 (the "Moratorium Period"), no CEA will be collected; during this period the Independent Electricity System Operator ("IESO") is obligated to pay all funding costs (excluding principal) under the Regulations
Fair Hydro Trust ("FHT")	• The implementation of the Fair Hydro Plan will be financed by the Fair Hydro Trust ("FHT", the "Trust" or the "Issuer") through the issuance of senior and subordinated notes • Structured to be bankruptcy remote and ring fenced from OPG

[1] Primarily Regulated Price Plan-eligible customers.

Transaction Structure

- Concurrent with every issuance of senior notes, it is expected that OPG will purchase subordinated debt of the Trust in an amount not to exceed 49% of all outstanding debt

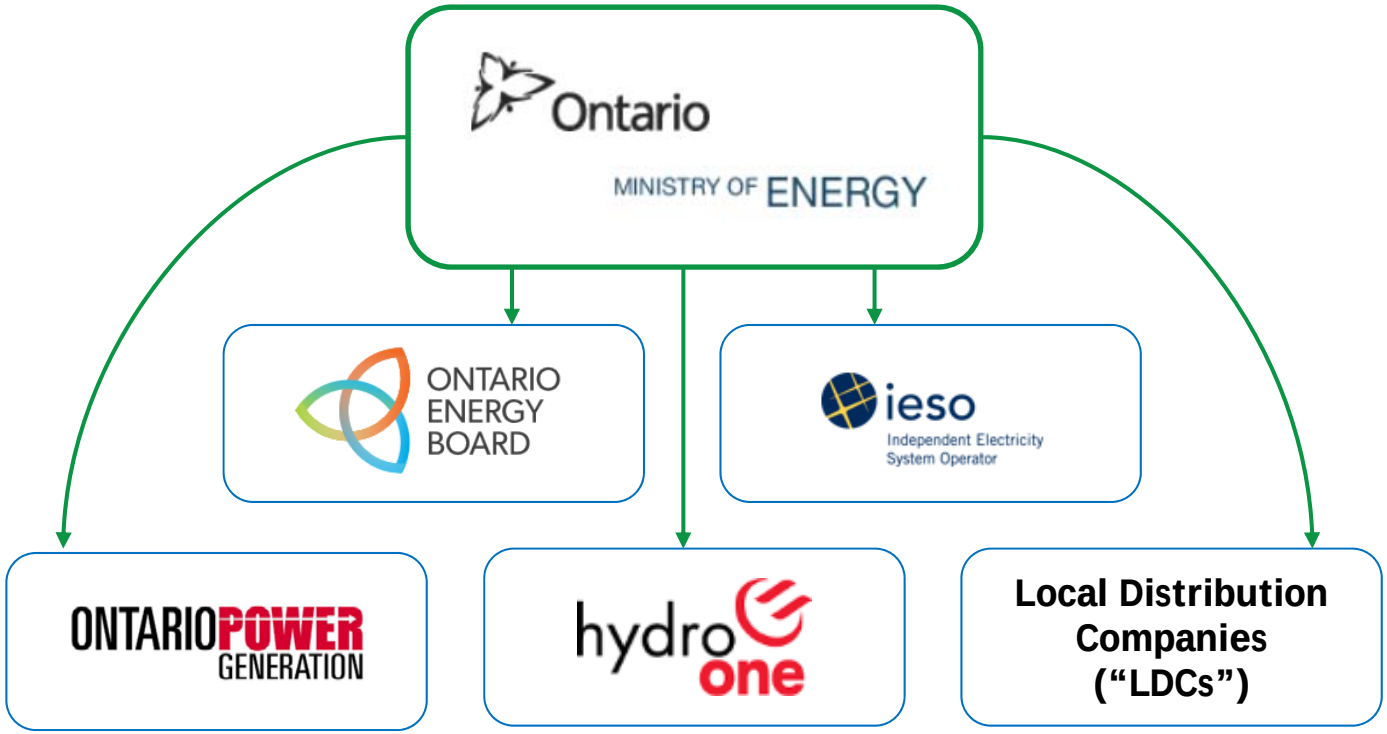


Note: The assets and liabilities of the Trust are deemed, under the *Electricity Act, 1998* to not include the assets and liabilities of OPG, and vice versa

II. Ontario Electricity Market

Overview of Ontario's Electricity Market

- Highly regulated electricity market comprised primarily of three components: generation, transmission and distribution; ~$22 billion in annual cash flows
- Transmission rates, distribution rates, and OPG's regulated rates are set by the Ontario Energy Board
- Rates for the majority of the remaining generation supply are set by direct contracts with the IESO (e.g. wind, solar, hydroelectric)



Key Industry Participants

Participant	Rating *(DBRS / S&P / Moody's)*	Description
ONTARIO ENERGY BOARD	--	• The OEB is an independent public regulatory agency established under the Ontario Energy Board Act, 1998 • The Ontario Energy Board Act, 1998 provides the OEB with the authority to regulate Ontario's electricity market, including the activities of transmitters and distributors • The OEB sets the regulated price for the commodity cost charged to most residential electricity customers via the Regulated Price Plan ("RPP"); RPP rates are set twice a year (May and November) • RPP prices are set for: time-of-use (On-peak, Mid-peak, and Off-peak); and tiered (Tier 1 and Tier 2), to recover the forecast commodity cost of electricity
ieso Independent Electricity System Operator	A(h) / -- / Aa2	• The Independent Electricity System Operator (the "IESO") is a not-for-profit corporation established under the Electricity Act, 1998 • The IESO manages the operation and reliability of Ontario's bulk power system and administers the wholesale electricity market
ONTARIO POWER GENERATION	A(l) / BBB+ / --	• OPG is a corporation formed under the Business Corporation Act (Ontario), whose sole shareholder is the Province of Ontario • OPG's principal business is the generation and sale of electricity in Ontario • OPG is Ontario's largest electricity generator, providing approximately half of Ontario's electricity
hydro one	A(h) / A / A3	• Hydro One is Ontario's largest electricity transmission and distribution company; Hydro One delivers electricity to over 1.3 million customers across the Province of Ontario, and to large industrial customers and municipal utilities

Key Industry Participants – LDC Overview

- As part of the restructuring of Ontario's electricity industry, the province's municipally-owned electricity distributors were reorganized into separate business corporations
  - These distributors are typically referred to in Ontario as local distribution companies, or "LDCs"
- An LDC is responsible for distributing electricity to customers in its OEB-licensed service territory, and in some cases to other distributors
  - A service territory may cover large portions of all of a particular municipality, or an otherwise-defined geographic area
  - Distribution customers include residential, commercial and industrial end-users, such as governments, schools and hospitals

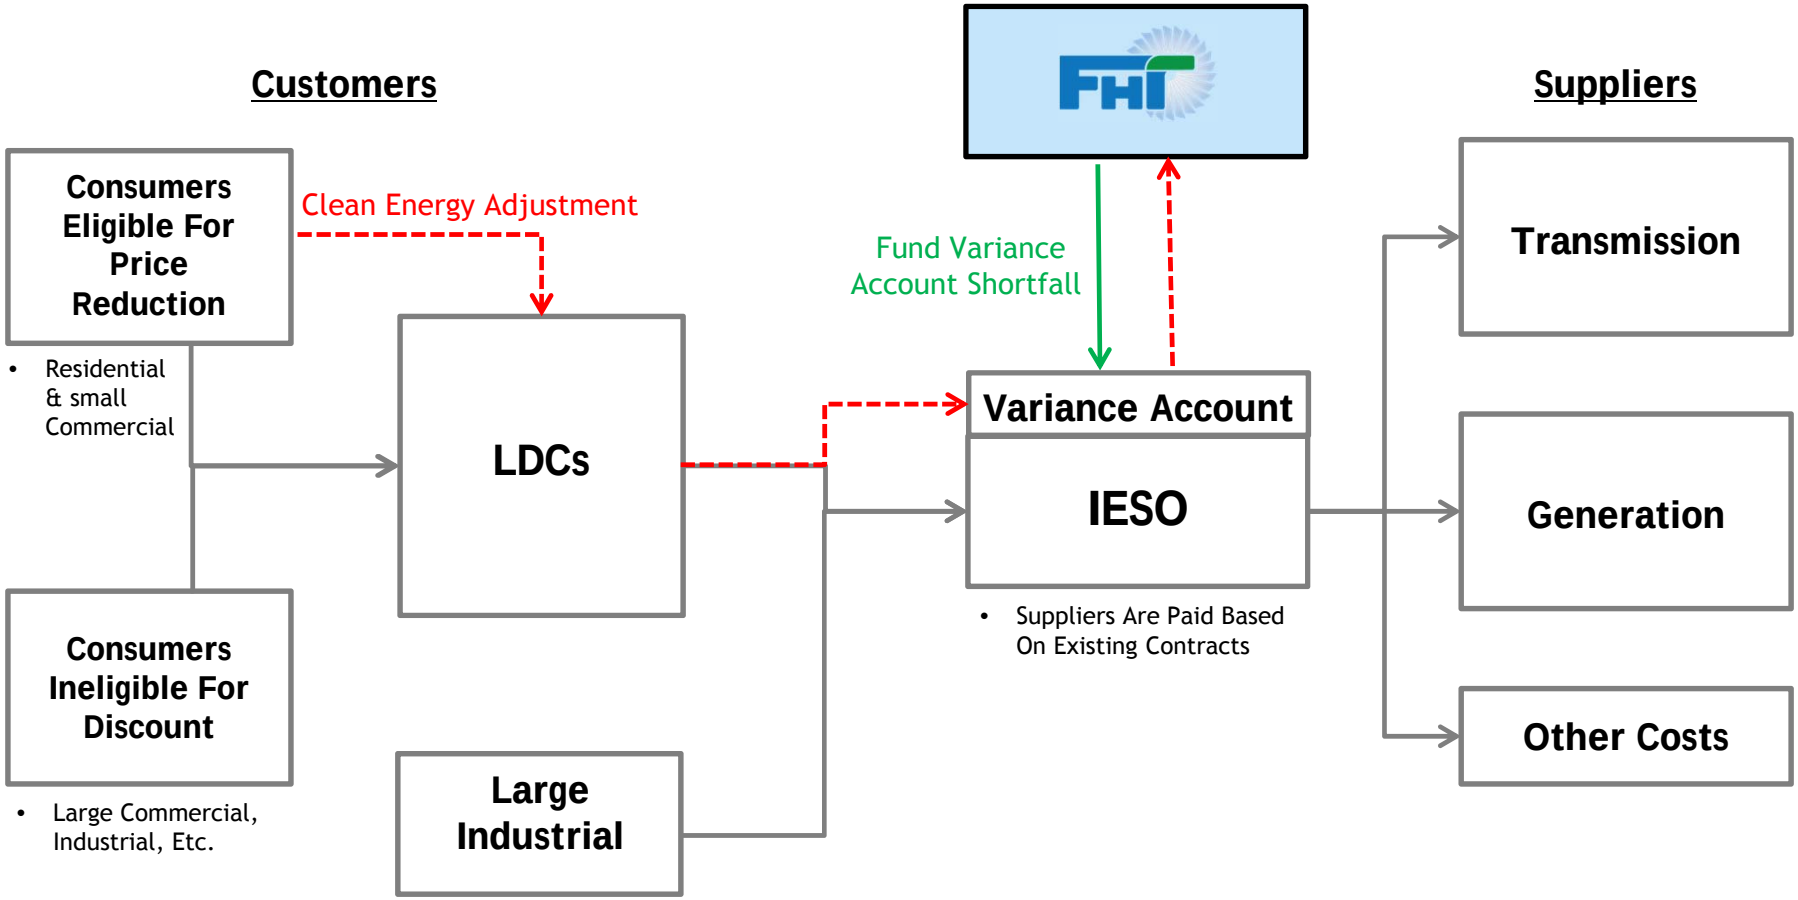
Electricity Market with FHT

- Under the FHPA, each month the IESO determines the shortfall that results from the Fair Adjustment and records this amount, together with financing costs, in a variance account
- FHT will finance the shortfall and is entitled to recover its costs through CEAs from Specified Consumers



III. Legislative and Regulatory Framework

Legislation Overview

Purpose	• The FHPA was enacted to ensure that clean energy costs and clean energy benefits are fairly allocated among present and future Specified Consumers • Clean energy costs are costs allocated to consumers as a result of Ontario's clean energy initiative; clean energy benefits are benefits that accrue to both present and future electricity consumers
Specified Consumers	• A category of consumers that generally is comprised of residential consumers, small businesses and farms • Includes consumers with a demand for electricity of 50 kW or less or those that use not more than 250,000 kWh of electricity annually
Rate Reduction Period	• *July 1, 2017 – April 30, 2018* – Specified Consumers charged an invoice amount that is 25% less than the regulated rate that would otherwise have been determined by the OEB (referred to as the "Fair Adjustment") • *May 1, 2018 – April 30, 2019* - previously established regulated rate anticipated to increase by the rate of inflation in Ontario • *May 1, 2019 – April 30, 2021* - rate reductions will be established by regulation but anticipated to increase by the rate of inflation in Ontario

Legislation Overview

Regulatory Asset	• Each month the IESO determines the shortfall that results from the Fair Adjustment and records this amount, together with the costs of financing the shortfall, in a variance account • The IESO has the right to recover the balance recorded in the variance account from Specified Consumers (such right, the "Regulatory Asset") • The IESO may transfer a specified portion of the Regulatory Asset to the Trust for a cash purchase price equal to the amount recorded in the variance account in respect of such specified portion of the Regulatory Asset
Investment Asset	• If the IESO and the Trust agree to the transfer of a specified portion of the Regulatory Asset, such transfer results in the creation of a current and irrevocable property right that is immediately vested in the Trust (such right, an "Investment Interest") • By acquiring an Investment Interest, the Trust will be entitled to recover all of its costs of such financing and will acquire the right to impose, invoice, collect, receive and recover CEAs from Specified Consumers • The Trust is not obligated to purchase Regulatory Assets from the IESO
Moratorium Period	• From July 1, 2017 to April 30, 2021, CEAs are not permitted to be collected from Specified Consumers ("Moratorium Period") • The IESO is obligated to pay all funding and other expenses of the Trust (referred to as Carrying Costs), excluding principal, during the Moratorium Period up to July 31, 2021 • The IESO has a $2 billion credit facility from the Ontario Electricity Financing Corporation ("OEFC") to pay Carrying Costs; as security for the performance of its obligations, the IESO has granted a first-priority security interest in all of its accounts receivables

Clean Energy Adjustments

- Under the FHPA, the "clean energy adjustment" is the amount payable by Specified Consumers to cover the cost of financing the shortfall from the Fair Adjustment and the associated costs to finance, including operating costs of the Trust and funding of reserve accounts
- CEAs may not be set off or by-passed by Specified Consumers
- **Finance amount** = estimate of the amount payable by the Trust in respect of principal payments, interest costs, Trust expenses and taxes, reserve account deposits and derivative payments
- **True-up amount** = captures the difference between the finance amounts incurred by the Trust and the CEAs collected from consumers and also includes other anticipated shortfalls and differences due to various factors (e.g. consumer defaults and delays, billing lags, write-offs and variations in electricity consumption)

Ontario's Fair Hydro Plan substantially lowers electricity bills for typical residential consumers. This includes the eight per cent rebate introduced in January 2017, and builds on previous initiatives to deliver broad-based relief on all electricity bills.

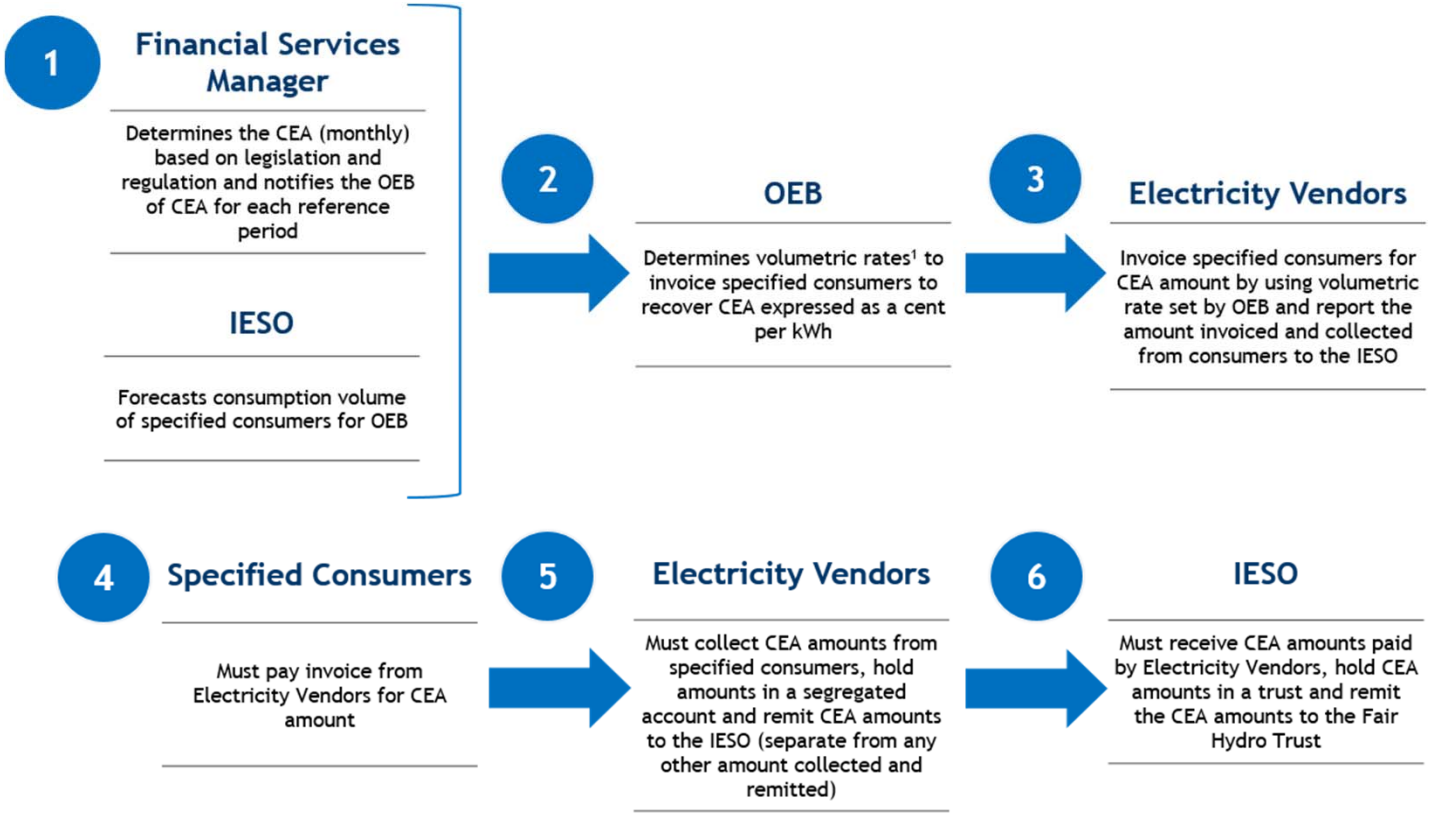
Billing and Collection of CEAs

- CEA amounts for billing and collection purposes will be managed outside of the IESO's current settlement processes set out in the Market Rules for electricity invoice amounts
- Collection risk for CEA amounts are dealt with through statutory rights in the Act, the collection obligations of the IESO under the Master Transfer & Servicing Agreement ("MTSA") and the ability to include amounts into the true up mechanism



[1] The rates will be determined by dividing the CEA amount by the forecasted energy consumption in the reference period by Specified Consumers

Fair Allocation Amount

- The Fair Allocation Amount ("FAA") is the estimated clean energy costs without consideration of the FHP compared to these same costs reallocated on the basis of estimated clean energy benefits to Specified Consumers in respect of each reference period and includes operating and financing costs of the FHT
- If the FAA is negative, this means that the Minister of Energy has determined that current Specified Consumers have borne more than their fair share of Clean Energy Costs (with the consequent rate reduction for current Specified Consumers); the FAA is expected to be negative until at least May 2024
- The Ministry of Energy will provide updated FAAs to OPG from time-to-time

V. Financing Program

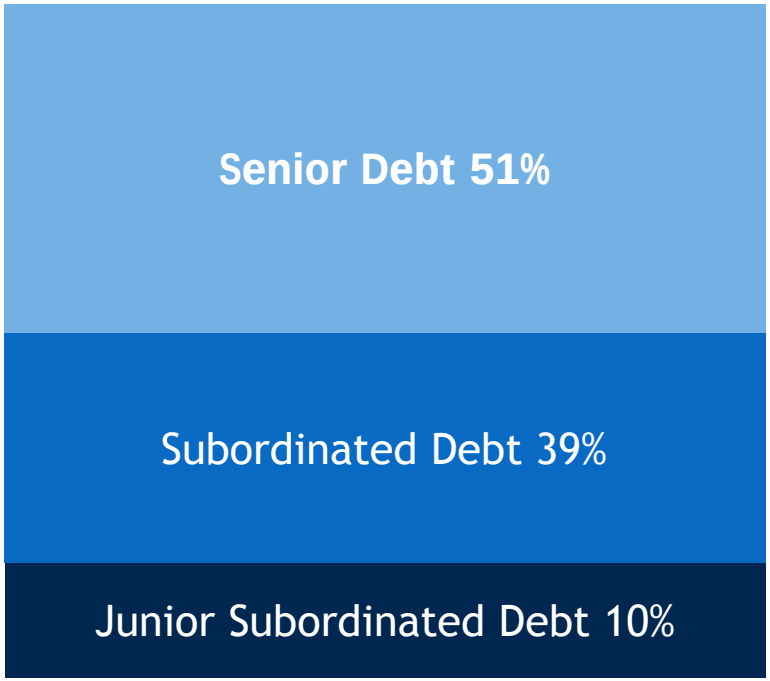
Financing Plan / Strategy

- OPG is responsible for administering the FHT financing program
- Given the size (~$20 billion) and longevity (~10 years) of the FHT financing program, the funding strategy has been designed to provide flexibility
- Warehouse financing (ABCP conduit) and OPG subordinated debt will be used to fund monthly regulatory asset purchases from the IESO
  - Periodically refinance the warehouse facility through the issuance of term debt (likely access the market 2-3 times per year)
- Term debt can take the form of bullet bonds or could be issued as amortizing bonds

ABCP Conduit	• ABCP conduit and OPG subordinated debt will be used to fund monthly regulatory asset purchases from the IESO
Term Debt	• Term debt issuances will be used to refinance short term debt financing provided by ABCP conduit and OPG subordinated debt • Both Canadian term debt and U.S. term debt market will be considered • Maturity profiles will be structured to fit under the fair allocation curve (bullet bonds with synthetic amortization or amortizing bonds)
Subordinated Debt	• Subordinated debt provides credit enhancement for senior debt (ranks behind senior debt in cash flow waterfall)

Financing Structure

- The Trust will fund regulatory asset purchases through the issuance of senior, subordinated and junior subordinated secured debt
- Senior debt (51%) will be sourced monthly from committed warehouse facilities, and the periodic issuance of term debt
- Subordinated debt (49% anticipated; minimum of 35% required) will be purchased by OPG, primarily with equity injections from the Province (44%) and the remaining 5% from OPG



Senior Notes
Term debt issuances (in Canada and/or the U.S.)

Subordinated Notes
Provided to Trust by OPG via equity injection from the Province

Junior Subordinated Debt
- OPG equity injection (5%)
- Provided to Trust by OPG via the Province (5%)

Aggregate Financing Program

Illustrative Debt Summary - Funding & Repayment Period (Annual)

- Based on the Fair Allocation Amount and the Province's electricity bill reduction targets, the following debt profile for the program is expected, peaking at just under $20 billion by 2029
- Various tranches of debts will be issued periodically during the period of 2017 - 2028, which will mature over a period after 2029

Illustrative Aggregatee Funding and Repayment Profile (Annual; Net of Sinking Fund ("SF") Payments)

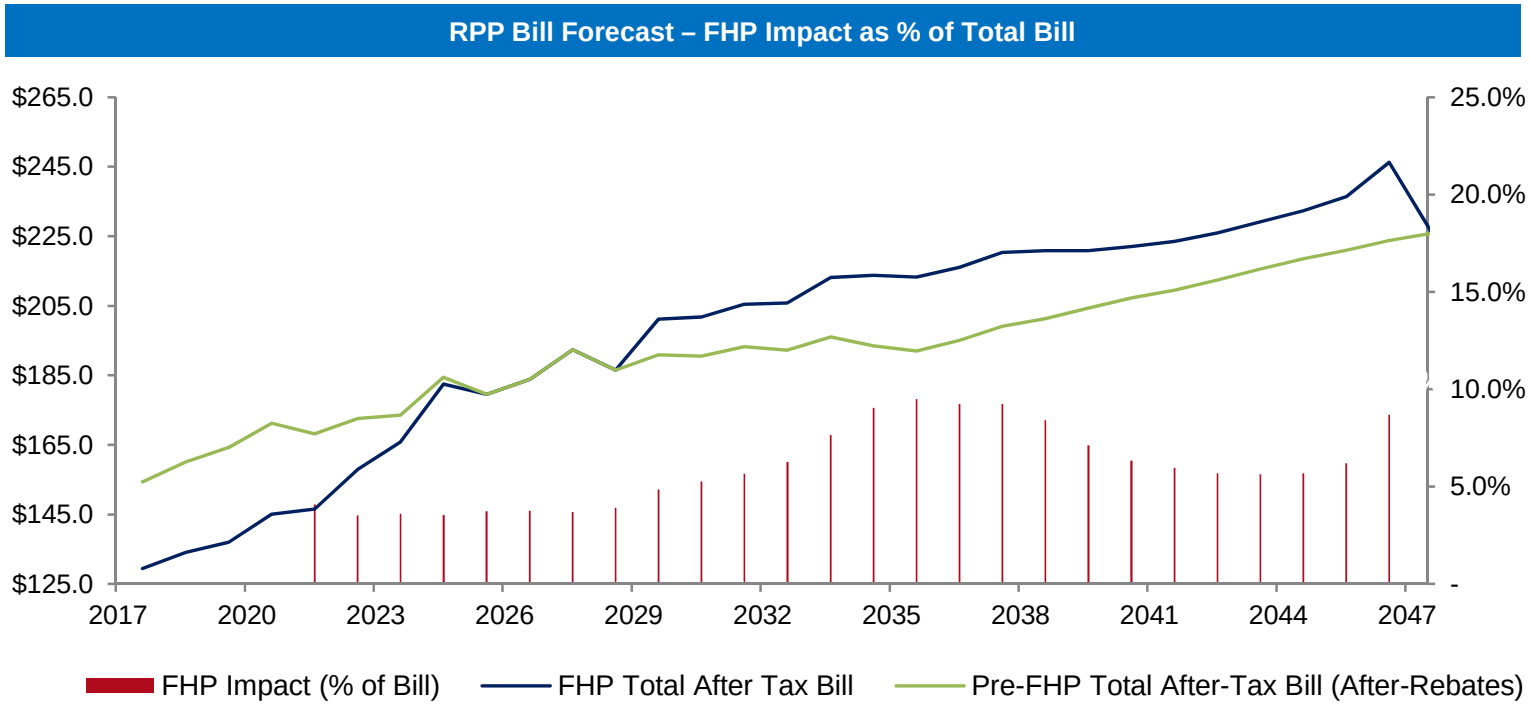
Consumer Bill Forecast with FHP

RPP Bill Forecast - FHP Impact % of Total Bill (C$ per Month)

- Over the duration of the Fair Hydro program, the clean energy adjustment for the average residential customer is anticipated to remain below 10% of the total electricity bill
- Max CEA as a percent of the total bill is forecast to be 10.1%
- Average CEA as a percent of the total bill is forecast to be 6.9%



Capital Markets Platform

Master Trust Indenture

Parties	• (1) Computershare Trust Company (Issuer Trustee), on behalf of the Trust, acting through OPG as the Manager; (2) BNY Trust Company (Indenture Trustee) on behalf of Specified Creditors
Purpose	• All Specified Creditors are required to be bound by the terms of the MTI including the priority provisions and to limit recourse to the assets of the Trust

Key Terms

Incurrence of Funding Obligations	• Trust may incur funding obligations under a variety of instruments including:
	  • Note issuances under supplemental indentures
	  • Borrowings under credit agreements
	  • Purchase of notes under note purchase agreements
	  • Letters of Credit/Guarantees under credit enhancement agreements
	  • Liquidity loans under liquidity agreements backing short term notes

Conditions Precedent	• Prior to incurring additional funding obligations, the Trust confirms to the Indenture Trustee and each rating agency that:
	  – the incurrence of such additional obligations will not cause an adverse effect
	  – the incurrence of such additional obligations is materially consistent with the Financing Plan
	  – the estimated finance amount that would become due during the applicable reference period is expected to reasonably align with the fair allocation amount for such reference period
	• It will also be a condition precedent that each rating agency confirm that the issuance of such additional funding obligations will not result in a reduction or withdrawal of any existing ratings of outstanding funding obligations

Security	• Granted over all assets of the Trust, including the Trust's investment interest, all collections under the MTSA and all accounts

Capital Markets Platform

Master Trust Indenture – Key Terms (cont'd)

Subordination	• Provides for three different classes of funding obligations (i) senior (ii) subordinated, and (iii) junior subordinated
Priority	• Prior to an Event of Default: the waterfall provision applies • After an Event of Default: payment priority direct all amounts to pay senior obligations first
Early Amortization	• Early amortization events will include the occurrence of a scheduled final payment date on notes, the Trust becoming an investment company, the insolvency of IESO or the Manager and any other additional early amortization events set out in a funding obligation agreement • An early amortization event will result in a modified repayment schedule for the outstanding funding obligations
Events of Default	• Include payment defaults, and representation and covenant breaches
Acceleration	• CEAs cannot be increased to the level to repay all outstanding principal following acceleration, however the subordination of debt would advance the repayment of the senior funding obligations

Risk	Description of Risk	Mitigants
Political Risk	• There may be pressure on a future government to adjust certain aspects of the repayment requirements	• Change of Law Protection Agreement in favour of lenders / investors
Under Collection	• If the IESO inaccurately forecasts electricity consumption or if OPG uses inaccurate consumer delinquency or write-off data when setting the CEA, there could be a shortfall in collections, which might result in missed or delayed payments of principal and interest on the Notes	• 6-month reference period • True up mechanism • Any shortfall in collections are recoverable from all Specified Consumers
Defaults (IESO & LDCs)	• During the Moratorium Period, the Trust is dependent on the IESO to pay carrying costs • Receipt of CEAs dependent on the performance of LDCs and IESO	• IESO has a very strong credit profile and very low losses • IESO to provide a letter of credit/other security for the obligation of non-rated or below investment grade rated LDCs • LDCs collect security deposits and, when permitted, have the ability to disconnect service for non-payment
Size of Charge vs. Bill	• If the charge applied to bills becomes too high, there could be a consumer and/or political backlash	• 20-year repayment period allows for gradual rate increases • Max CEAs as a percent of the total is forecast to be ~10%

VIII. Investment Highlights

- Enhanced true-up mechanism
- Credit enhancement for senior debt provided via subordinated debt
- Experienced operating agents (OPG, IESO, and LDCs)
- Strong service territory

Subject: RE: EXTERNAL – Delivery of Reference Documentation to Province

Thanks for the update, Malle.

I'm not sure how this materiality discussion will relate to the Province commenting on the OM. The base form of the OM was not envisioned as of December 20th, and so it is unclear to me that the material effect discussion is relevant for that purpose.

I have been expecting that the Province would be quite involved in the production of the OM, and not just for information purposes.

To illustrate the sorts of items I would anticipate being relevant to the Province in reviewing the OM, I attach a partial mark-up of the Nov 17th OM (the only one we ever saw) to show how (among other things) the narratives included at that time were not aligned with the legislation. The partial mark-up is a comparison to the version circulated by Alena that included James Rehob's comments. Also, as you know, the Change of Law terms were substantially settled after November 17th, and so those portions of the OM will also be quite different.

Generally, the sorts of things I think the Province may be concerned about in reviewing the OM will include:

(a) ensuring that the description of the Protection Agreement is accurate and does not overstate the Province's obligations,

(b) ensuring that the limitations contemplated in s. 40 of OFHPA and s.19 of the General Regulation have been observed,

(c) eliminating any implied/moral undertakings by the Province to bondholders,

(d) scrutinizing any “risk factors”, particularly as they might relate to the context in which Protection Events may arise,

(e) confirming any disclosures regarding the Province’s (Ministers’) roles, including in setting the “fair allocation amount”, accepting the “Financing Plan” provided to the Minister of Energy, etc.,

(f) ensuring that any description of the Crown, Crown immunity, the OFHPA, the regulations made under it, the OIC, the authority of the LGIC, the provisions of the Electricity Act and related regulations and processes, the Financing Plan, the electricity market regulatory infrastructure and other relevant legal principles and contexts are all properly and accurately described (recognizing the risk that any statement may be attributed to the Province based on its close proximity to the program, and could become consequential in any future legal process that seeks to interpret the statute),

(g) scrutinizing disclosures that could later become evidence in any legal proceeding that would challenge the validity of the OFHPA and related laws,

(h) confirming any “electricity market” disclosures that could impact on underlying considerations, such as the potential for and impact of off-grid migration and by-pass risks, and

(i) the propriety of disclosures regarding matters that could impact on the pricing or rating of the issued bonds.

(This list was previously included in my November 22nd due diligence note to the Province's lawyer team.)

In addition, the Province will need to confirm how James Rehob's earlier comments have been reflected in the OM.

Given all this and the offering timing described by Torys, I think it makes sense to insist on getting the OM now and confirming with OPG that the Province will be taking a careful look at the document, which will take some time (at least 5 business days), and so that could impact the overall timing.

I will be tied up from 930 to 1030, but then free until 1145.

Regards, Steve

Subject: FW: EXTERNAL – Delivery of Reference Documentation to Province

As you know prior to the warehouse closing we were sent informally drafts of the reference documents as they developed. Since Dec 20th we have received no further drafts of these documents. I don't understand whether it is OPG's plan that they send final transactions documents today (10 days before) and then the Province has the right to object based on the parameters of "material effect" as defined in the Process Agreement. A draft of the investor presentation was circulated to the Province and some comments were being collected yesterday by Energy and the OFA.

""Material Effect" means a material adverse effect on the obligations or the rights of the Province under the Limited Guarantee, the Change of Law Protection Agreement or this Agreement that relates to, and in each case, differs in any material respect from the terms or conditions applicable to any other Transaction Document that forms part of the Reference Documentation at the relevant time, the following: (i) the timing of or circumstances under which related payments would or may become due or accrue (including as a result of any default, acceleration, termination, wind-up, liquidation or realization) that, in each case, is inconsistent with the Fair Allocation Amount; (ii) the appointment, obligations or duties of OPG as the Manager; (iii) the existence, powers or authority of the Financing Entity or the Financing Entity Trustee; (iv) the obligations of the Indenture Trustee to or in respect of the Province as a Specified Creditor; (v) the payment provisions and associated priorities set forth in the Trust Indenture; (vi) compliance by the FSM with the then applicable Financing Plan; (vii) compliance by the FSM or the Financing Entity with the Act or the General Regulation; or (viii) the Province's rights of subrogation or assignment (including pursuant to Sections 1.05, 2.01 or 5.01 of the Change of Law Protection Agreement) or its interests as a subrogee or an assignee, that would arise as a result of performing the Limited Guarantee in respect of the applicable Primary Obligation."

Subject: RE: EXTERNAL – Delivery of Reference Documentation to Province

Hi Malle, Alena and Toby, Happy New Year to all of you. John forwarded the email below and attached and asked that I connect with you and provide an update. I have included the business folks on this email to make sure we are all on the same page. As John notes below, we had been working towards being in a position to commence marketing for the term deal on January 15th but if marketing is pushed to January 22 or later, then a waiver of the 10 business day requirement should not be necessary. I will let our respective clients advise us on that point and we can come back to the logistics/process for obtaining a waiver should we need one.

We are planning on delivering the following additional reference documentation to the Province tomorrow:

(1) Supplemental Indenture for the Series 2018-1 Term Notes

(2) Supplemental Indenture for the Series 2018-1 Subordinated Term Notes

(3) Supplemental Indenture for the Series 2018-1 Junior Subordinated Term Notes

(4) Agency Agreement

(5) Offering Memorandum (including the investor presentation attached as an exhibit to the OM)

(6) Term Sheet supplementing the Offering Memorandum

As you may recall, under the change of law process agreement, all deliveries are required to be made by mail, fax or delivered by hand to each of the Ministers and Deputy Ministers of the MOF and the MOE. To comply with the agreement, we plan on hand delivering the above documents to each of the Ministers and Deputy Ministers tomorrow. We can also email all of these documents to all of you and anyone else you would like us to send these to (in addition to Scott Thompson, Gadi Mayman, Anna Strathy, David McLean, Jonathan Tekle, Mike Manning and Ken Kandeepan -- as requested in Ken's email below). I believe that earlier drafts of all of the term supplemental indentures and the agency agreement were previously circulated to you -- for ease of reference, please let us know if it would be helpful for us to include blacklines to the last versions we sent to you in the email.

Let us know if you agree with the above approach, and feel free to reach out if you have any questions or would like to discuss.

Malle, you had also asked about delivery of the documents from the warehouse closing -- closing books are in progress and we expect to have those ready for circulation next week. Again, in order to comply with the change of law process agreement, the electronic closing books will be delivered to the Ministers and Deputy Ministers of each of the MOF and MOE, but we are happy to also send a copy to others on your instruction.

Thanks,

Rima

Ken/Steen:

We are operating under the assumption that it was the Province desire to execute the term deal as early as possible in 2018 which would involve a launch on the 15th. If the preference is now to adhere to the 10 business day requirement and not waive it we are happy to do so and commence marketing later in the month on the 22nd.

Please advise and we will adjust the work plan accordingly.

Hi John

I spoke to our DM's office and Scott's email is Scott.Thompson@ontario.ca, As required by the Process Agreement between the Province and OPG, pls forward the documents pertaining to the upcoming term deal by email to Scott with a cc to the following:

Gadi Mayman, Anna Strathy, David McLean (cc'ed above), Jonathan Tekle (also cc'ed above), Mike and myself.

Given that the Process Agreement requires OPG to also provide the same documents to MOE, I am cc'ing Steen and Tim so that they can inform their DM's Office as well.

With regard to the waiver, pls see Malle's comments below, it would also be useful if OPG were to provide a rationale as to why waiving the 10 business days requirement which may allow for term debt issuance in mid-January by the Trust is more beneficial than issuance either later in the same month or early February.

Thanks

It would be very helpful if OPG and Torys could provide to us a timetable and schedule for delivery of reference documents that are being prepared and when do we expect to get them and when is the proposed issuance. On that basis we can review the timing and determine whether a waiver will be necessary and if it is how it might be processed. Unfortunately we haven't received any updates or draft documents since the closing of the warehouse deal. Also is there a plan for distributing to the Province the documents from the warehouse closing?

I should add that the waiver of the 10 BD requirement needs to be executed in writing by the Province (which means we will need signatures from each Minister). Will that be achievable? If not, perhaps we can proceed on the basis of an email waiver with the waiver signed by the Ministers to follow as soon as possible. Sorry but it is going to be a pain in the butt navigating through this agreement … hopefully the Province will realize that and agree to make some amendments!

Subject: RE: EXTERNAL – RE: Diligence Questions

I was speaking to Ken Kandeepan on the process this afternoon and he indicated to me that we should send the documents and the waiver request to the Deputy Minister of Finance with a cc. Gadi. Ken was going to send along the contact info for the DM of Finance and also alert their Office of the inbound email so they would not be surprised.

A. Background

In June 2017, the Province enacted the *Ontario Fair Hydro Plan Act, 2017* (the Fair Hydro Act or the Act), to establish a framework under which the costs and benefits associated with the Government of Ontario's (the Province) clean energy initiatives are to be fairly allocated between present and future consumers of electricity under Ontario's Fair Hydro Plan (Fair Hydro Plan or FHP). The Act requires the Ontario Energy Board (OEB) to set rates that reduce average electricity bills for specified consumers by 25 percent commencing on July 1, 2017. The total bill reduction of 25 percent is comprised of an 8 percent reduction of the Provincial portion of the harmonized sales tax, with the remaining 17 percent achieved by decreasing energy rates for specified consumers paying the Regulated Price Plan rate and providing a global adjustment reduction credit for other specified consumers. The reduction in electricity bills will result in a shortfall in the Independent Electricity System Operator's (IESO) collections, which will need to be financed in order to pay the underlying global adjustment costs (GAC). The objective of the Fair Hydro Plan Program (FHP Program) is to refinance a portion of the deferred GAC over a longer period.

Under the Act, OPG is appointed as the Financial Services Manager (FSM) and is given the authority to, among other things, establish and manage one or more financing entities to raise debt financing (referred to as "funding obligations") for the purposes of the Act. The Act requires the Minister of Energy (MOE) to calculate the Fair Allocation Amount and for the FSM to incur funding obligations that, subject to refinancing, reasonably align with the Fair Allocation Amount, as adjusted by any readjustment amount.

The following attendant regulations were enacted in support of the Act:

- *Ontario Regulation 206/17 General* (General Regulation) provides details on specific requirements of the Act, in particular, the requirements for the Financing Plan.
- *Ontario Regulation 195/17 Fair Adjustment* provides details on rate reductions up to April 30, 2019 for specified consumers under the Act.
- *Ontario Regulation 196/17 Invoicing Requirements* provides details on information to be included with the invoice for specified consumers under the Act.

Under sections 21(1) and 21(2) of the Act, OPG, as FSM, has an obligation to prepare a Financing Plan in accordance with the Act and regulations, and to deliver it to the Minister of Energy. Under section 21(6) of the Act, the FSM has the right to amend the Financing Plan from time to time, without affecting any Clean Energy Adjustment that has already been determined or any funding obligations that have already been incurred before the amendment.

This Financing Plan was prepared based on the information available to, and the views of, OPG at the time this Financing Plan was prepared (or amended, as applicable). This Financing Plan also includes forward-looking information, which is subject to change. Actual outcomes and results may differ materially from what is expressed, implied or forecasted due to, but not limited to, changes in underlying assumptions relating to the Fair Allocation Amount, interest rates, investor interest, market capacity, market conditions, and credit rating assessments. References made to the "current Fair Allocation Amount" pertains to the Fair Allocation Amount received by OPG from the MOE at the end of September 2017. Terms that are capitalized and not defined herein have meanings ascribed to the same terms as in the Act or in the General Regulation. All amounts presented are in Canadian dollars.

1. Financing Entity – Fair Hydro Trust

Trustees

In **[**November**]** 2017, OPG as FSM, appointed Computershare Trust Company of Canada to act as the third party issuer trustee (Computershare or Issuer Trustee). Following its appointment, the Fair Hydro Trust (the Trust) was established as a financing entity contemplated in the Act through a declaration of trust. The Trust is structured to be bankruptcy remote from OPG. The Issuer Trustee is empowered under the declaration of trust to appoint, employ or contract with any person for the transaction of the Trust's activities. Under the Management Agreement between the Trust (by the Issuer Trustee) and OPG, the Trust appointed OPG as its agent to provide services and perform duties for the Trust in planning, implementing and administering the debt financing for the FHP Program.

In **[**November**]** 2017, OPG as FSM, appointed BNY Trust Company of Canada, as the third party indenture trustee (BNY or Indenture Trustee). The Indenture Trustee will be acting on behalf of all specified creditors, who are all persons who may have contractual claims against the Trust under the FHP Program agreements contemplated by the Master Trust Indenture (MTI) governing the debt issued by the Trust.

Unitholders

The Trust will carry on activities for the benefit of its unitholders outlined below:

Table 1: Fair Hydro Trust Unitholders

Unitholder	Number of Units Held
FHP2017 Inc., a wholly-owned subsidiary of OPG	1,000,000
BNY, as Indenture Trustee	1
Total Units Outstanding	1,000,001

Trust Capitalization Structure

The Trust will be 100 percent debt financed and the contemplated source of funding is summarized in Table 2.

DRAFT

Table 2: Type and Source of Debt Funding

Tranche and Debt Type	Source of Funding	% of Total Funding Requirement
Tranche A Senior Debt	Capital Markets	51%
Tranche B Subordinated Debt	OPG via Province	39%
Tranche C Junior Subordinated Debt	OPG via Province	5%
	OPG via Capital Markets	5%

The Trust will issue senior debt in the capital markets to finance 51 percent of the total funding requirement related to the deferred GAC (Tranche A). The financing platform was developed to allow the Trust access to both the Canadian and United States (US) markets in order to optimize pricing, provide flexibility, and market capacity. Further details on the types of financing that can be utilized are outlined under the heading *Current Funding Options*.

Through periodic equity injections in OPG, the Province is expected to provide 44 percent of the total funding requirement throughout the duration of the FHP Program. OPG will invest the proceeds from the equity injections into the Trust, with 39 percent in Tranche B as subordinated debt and five percent in Tranche C as junior subordinated debt.

OPG will invest the remaining five percent of the total funding requirement in Tranche C as junior subordinated debt, using internally generated funds or proceeds raised from debt issuances from the public markets.

2. OPG's Duties and Responsibilities

Financial Services Manager under the Act

OPG, as FSM, will perform its duties and responsibilities under the Act and its attendant regulations. These include, but are not limited to, the following:

- Establish one or more financing entities to incur funding obligations for the FHP Program
- Prepare a written Financing Plan to be used by OPG to evaluate the incurrence of funding obligations to acquire and finance a portion of the GAC deferral
- Ensure that funding obligations are incurred in a manner that is consistent with the Financing Plan
- Forecast the cash flow requirements of the financing entities
- Determine the monthly Clean Energy Adjustment for a particular ~~r~~Reference ~~p~~Period
- Administer the Investment Asset on behalf of the financing entities
- Establish and charge fees to the financing entities to recover costs and expenditures and to earn a return
- Seek the best terms available at the time of incurrence of a funding obligation, having regard to other financing transactions of similar size and type

- Apply debt proceeds to purchase an Investment Interest or repay or redeem outstanding debt
- Consider the interests of specified consumers with respect to stable and predictable electricity rates
- Deal with related parties on arm's length terms
- Fulfil various reporting requirements to stakeholders

Manager under the Management Agreement

OPG has also entered into a management agreement with the Issuer Trustee, on behalf of the Trust, whereby all of the powers and duties of managing the Trust have been delegated to OPG as the manager. The duties and responsibilities associated with this role includes:

- Determining whether to incur funding obligations to acquire an Investment Interest or to refinance existing funding obligations;
- Negotiating and entering into program agreements;
- Maintaining accounts and banking records;
- Preparing any offering documents furnished by the Trust to prospective purchasers of funding obligations; and
- Preparing financial statements and tax filings on behalf of the Trust.

OPG's entitlement to fees, as FSM, is subject to the payment priorities outlined in the MTI and summarized in Section C, *Application of Recovery Amounts to Funding Obligations,* Figure 5. The FSM is not entitled to resign from its duties or terminate the management agreement as long as funding obligations remain outstanding. OPG may be terminated by the Issuer Trustee, with the consent of the Indenture Trustee, or by the Indenture Trustee in accordance with the MTI.

3. Fair Allocation Amount and the Financing Plan

The Fair Allocation Amount, including the readjustment amount, is an amount calculated under the Act and the regulations by the MOE for every ~~r~~Reference Pp~~p~~eriod over the term of the FHP Program. It is intended to allocate the estimated Clean Energy Costs and Clean Energy Benefits fairly among specified consumers.

The FSM is required to prepare a Financing Plan under the Act to evaluate whether funding obligations should be incurred by the Trust. OPG is to have regard to certain prescribed principles (outlined in detail in Section B below), including that funding obligations should be incurred so that the estimated Finance Amount that would become due and payable during a ~~r~~Reference ~~p~~Period will, subject to refinancing, reasonably align with the Fair Allocation Amount determined in respect of such ~~r~~Reference Pp~~p~~eriod, as adjusted by a readjustment amount where applicable. In other words, the Financing Plan should contemplate the issuance of funding obligations from time to time, with terms that would result in Clean Energy Adjustments being payable by specified consumers to ensure that they are bearing their fair share of the costs of providing Clean Energy benefits. The Act also provides that each funding obligation is deemed to be consistent with the Financing Plan and to provide for the reasonable alignment of the estimated Finance Amount with the Fair Allocation Amount.

Figures 1 and 2 illustrate the FHP Program's financing profile over the next 30-year period.

Figure 1: Fair Hydro Trust Debt Balance

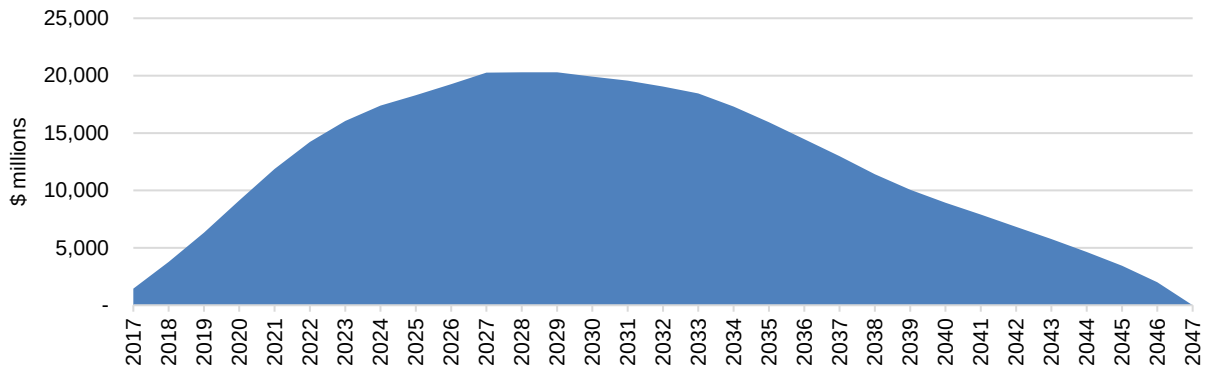

Figure 2: Fair Hydro Trust Borrowing and Repayment Profile

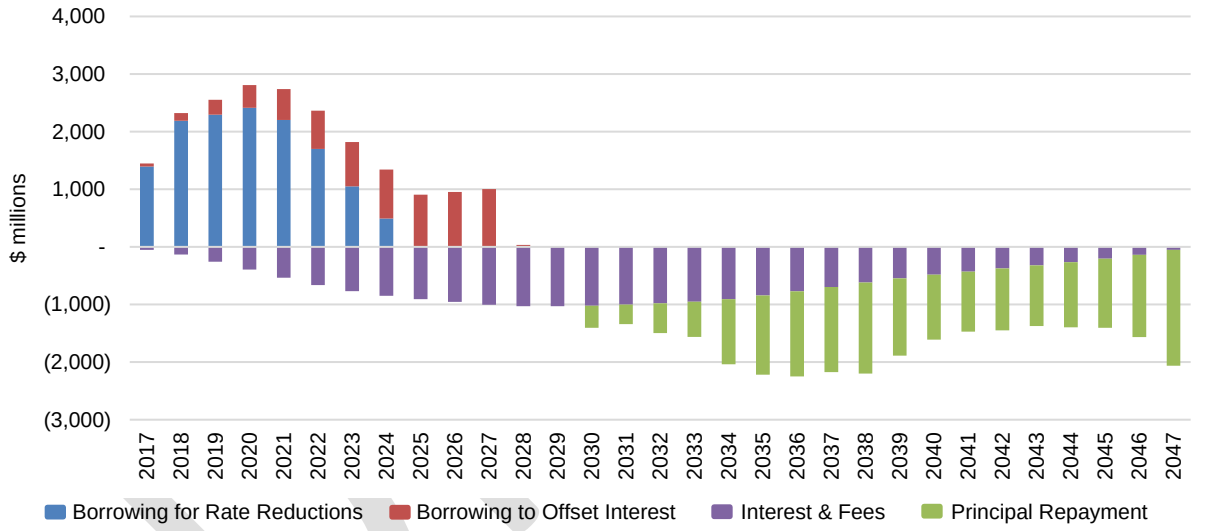


The Fair Allocation Amount is a net amount, either positive or negative, equal to the difference between the following:

1) estimated costs of clean energy initiatives without adjustment; and
2) a re-profiling of the costs in item 1) plus:
    a. the estimated operating and financing costs of the FHP Program, and
    b. the repayment of the readjustment amount.

A negative Fair Allocation Amount in any ~~r~~Reference P~~p~~eriod generally represents a period of borrowing, and a positive Fair Allocation Amount generally represents a period of principal repayment.

In a ~~r~~Reference ~~p~~Period when the Fair Allocation Amount is negative, the operating and financing costs of the FHP Program are shown in the Fair Allocation Amount calculation as an

increase in the debt of the FHP Program. This treatment is equivalent to increasing the amount of the deferred GAC by providing specified consumers with a higher rate reduction. The repayment of the related debt is included in the Fair Allocation Amount calculation to establish that all debt will be repaid by the end of the FHP Program. During these periods, operating and financing costs of the FHP Program are considered to align with the Fair Allocation Amount as long as these costs do not exceed the corresponding components in the Fair Allocation Amount calculation in any ~~r~~Reference ~~p~~Period by more than +/- 15 percent. If these costs exceed the corresponding components of the Fair Allocation Amount by more than +/- 15 percent, the FSM will take reasonable actions in accordance with the Act and regulations to align to the Fair Allocation Amount. Variability in costs is expected throughout the FHP Program as the Fair Allocation Amount was calculated on a forecast basis. Accordingly, any variability that is less than +/-
15 percent is deemed to be within an acceptable range.

Assessment for Reasonable Alignment

The Act stipulates that the Financing Plan must reasonably align with Fair Allocation Amount. This requirement is expected to be achieved through the consistent application of the following methodology, guidelines, and steps throughout the term of the FHP Program:

- Maintain a financial model that captures the funding obligations requirements of the Trust. Translate the funding requirements into expected cash flows by determining the related interest amounts, reserve requirements, fees, principal repayment, and the Trust's operating costs. This exercise will be performed for each ~~r~~Reference ~~p~~Period over the term of the program.
- Determine and assess the following:
    - For ~~r~~Reference ~~p~~Periods when the Fair Allocation Amount is negative, determine whether the forecast cash flow requirements is less than or equal to the financing and operating costs reflected in the Fair Allocation Amount as additional debt of the Trust. If the forecast cash flow requirements exceed the addition to the debt in the Fair Allocation Amount by more than +/- 15 percent, determine the cause of the variance. In these situations, the FSM will take reasonable actions in accordance with the Act and regulations to align to the Fair Allocation Amount.
    - For ~~r~~Reference ~~p~~Periods when the Fair Allocation Amount is positive, determine whether the forecast cash flow requirements is less than or equal to the Fair Allocation Amount. If the forecast cash flow requirements exceed the Fair Allocation Amount by more than +/- 15 percent, determine the cause of the variance. In these situations, the FSM will take reasonable actions in accordance with the Act and regulations to align to the Fair Allocation Amount.
- Due to the timing of the collection of cash flows, the General Regulation contemplates the use of reserve accounts. Provisions for reserves are excluded from the reasonable alignment assessment as these amounts are required to allow the Trust to incur the funding obligations. In addition, the reserve balances will be credited to specified consumers at the end of the term through the true-up mechanism if they are not required to satisfy terms of any funding obligation agreements pursuant to the MTI. Refer to *Financing Reserve and Capital Accounts* for more information on reserve accounts.
- Utilize and apply an accrual methodology when determining costs of the program, except for debt issuance costs, principal repayments, and reserve requirements.

DRAFT

The FSM will establish a methodology for assessing reasonable alignment at such time when a new Fair Allocation Amount letter is received from the MOE.

B. Principles and Assumptions of the Financing Plan

This section outlines the various principles and assumptions that guided the development of this Financing Plan in accordance with the Act and section 14 of the General Regulation. The same principles and assumptions will apply to all subsequent revisions of the Financing Plan, if required.

The FSM is required to make reasonable assumptions regarding the following matters:

1. IESO Deferral for Future Months

The FSM will base its expectation of the IESO deferrals on the most current version of the Fair Allocation Amount and readjustment amounts provided by the MOE. Actual IESO deferrals and forecasts of near term deferrals, if available, will be used to guide forecast deferrals over the next quarter.

2. Future Transfers of Portions of the IESO's Regulatory Asset

The Trust anticipates periodic purchases of Investment Assets from the IESO when the cumulative balance of its regulatory assets is large enough to be financed and when effective financing options are available to the Trust. The market capacity for both long-term and short-term debt financing will also be key elements to consider when determining the most cost efficient option.

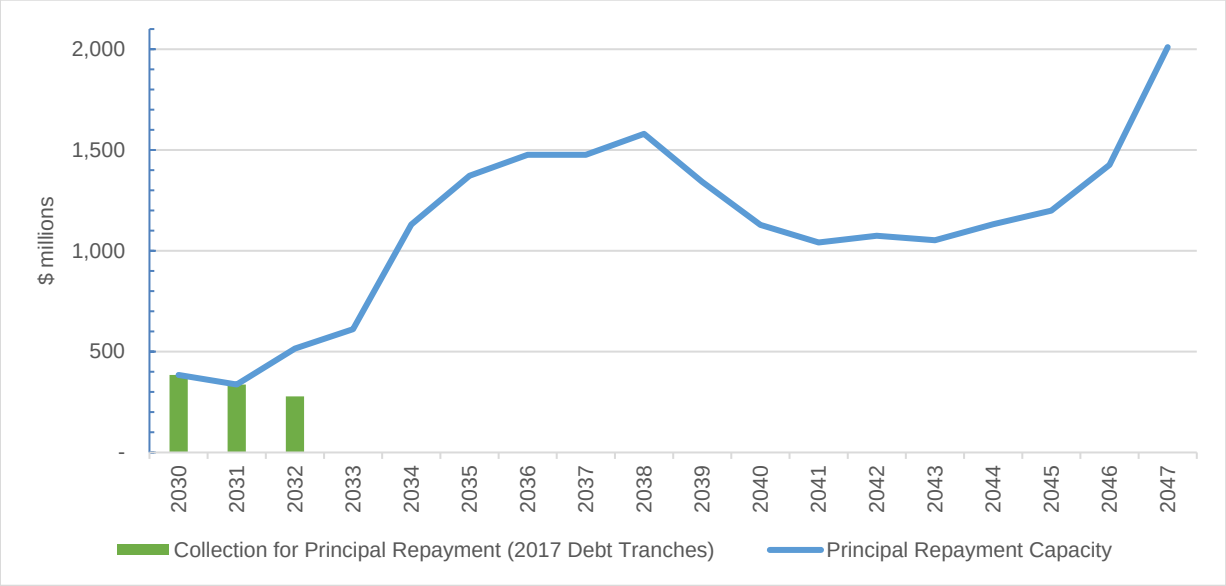
3. Term to Maturity of Funding Obligations

Initial Debt Tranche – 2017 Borrowing

The forecast debt profile for the Trust based on the current Fair Allocation Amount received from the Province at the end of September 2017 indicates that principal repayments can commence in 2030 (see Figure 3). However, the principal repayment amount for this year is expected to be relatively small at approximately $400 million for the year or about $200 million for each six-month ~~r~~Reference ~~p~~Period. Accordingly, principal repayment of the 2017 debt tranche is expected to commence in 2032 when the cumulative principal repayment amount reaches approximately $1 billion, which indicates a minimum term for the initial debt issuance of 15 years (i.e. 2017-2032). This offering is expected to include $500 million of senior notes, which is a sizeable amount to ensure sufficient liquidity and marketability. Subsequently, principal repayment increases to approximately $1.5 billion annually or $0.75 billion for each ~~r~~Reference P~~p~~eriod by around 2035 allowing for larger single maturities.

DRAFT

Figure 3: Principal Repayment Profile Based on Current Fair Allocation Amount



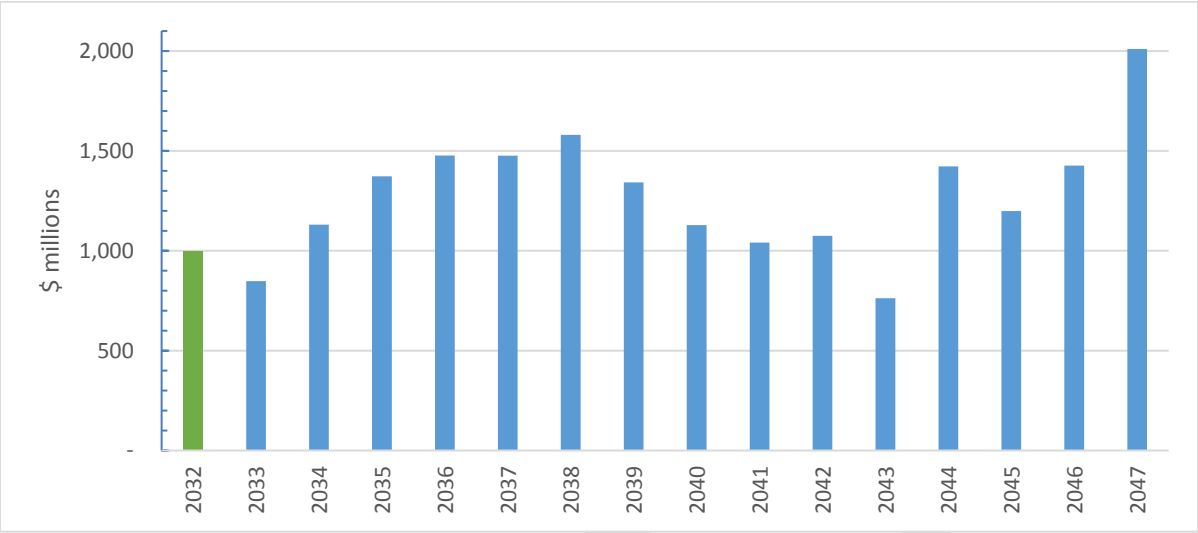
This length of term for an asset-backed security (ABS) has no ~~is un~~precedence ~~ted~~ in the Canadian market where terms are typically 10 years or less. Therefore, it is expected that a higher premium will be required to attract investors. Refer to Table 3 under the heading *Interest Rates* for the indicative current pricing range for all debt tranches, including senior debt.

For a new issuer such as the Trust offering a unique program, a strategy of issuing a 15-year term paper may not provide an optimal initial pricing given the absence of a specific credit curve for the Trust. It is expected that at program inception, the Trust will issue debt to cover both short and long-term exposures. The terms of maturities will be staggered, up to year 30, with maturities capped at the projected Fair Allocation Amount and readjustment amount, during each six-month ~~r~~Reference ~~p~~Period. In addition, consideration for a combination of characteristics established by the Fair Allocation Amount curve and investor interest will drive the term of a funding obligation.

Indicative Debt Maturities for Post-2017 Borrowings

Using the current Fair Allocation Amount, the forecast debt maturities over the life of the FHP Program was derived in Figure 4 for illustrative purposes only and is current as of the date of this Financing Plan. Actual debt maturities may differ materially from what is illustrated in Figure 4 primarily due, but not limited to, future changes in the Fair Allocation Amount.

Figure 4: Indicative Debt Maturities Using Current Fair Allocation Amount



The key objective when determining the indicative debt maturities in Figure 4 is to align the annual amount of debt maturities with the principal repayment capacity under the Fair Allocation Amount curve. In years where the principal repayment capacity is less than $500 million, the debt maturities will fall in subsequent years where the cumulative maturities do not exceed the cumulative principal repayment capacity. This type of decision will be made along with other considerations such as size of each issuance to ensure liquidity (and thus, cost efficiency). As this schedule is based on the current Fair Allocation Amount curve and its underlying assumptions, a shift in the curve and/or any changes in the assumptions will result in changes to this indicative debt maturity schedule.

4. Refinancing

The MTI requires the Trust to establish and maintain a deposit account in the name of the Indenture Trustee for a refinancing account held for the benefit of the Indenture Trustee and specified creditors. All proceeds arising from notes and borrowings related to refinancing shall be deposited to this refinancing account.

Debt refinancing may occur under the following scenarios:

- When original financing is incurred, the short end of the yield curve is more cost efficient than the long end, on a relative basis;
- The Fair Allocation Amount or readjustment amount is updated; and
- In line with the provisions of the Act, no Clean Energy Adjustments will be collected from specified consumers between July 1, 2017 and April 30, 2021, except in limited circumstances. Accordingly, any debt maturities during this period will need to be refinanced.

Refinancing decisions will be guided by the Trust's ability to secure cost efficient long-term financing from investors and the maximum principal repayment profile dictated by the fair allocation curve.

5. Cash Flow Requirements

The Trust's cash flow requirements to meet its contractual obligations include, but are not limited to, the following:

- Payment of taxes, if any
- Reimbursing the FSM for costs and expenditures outlined in sections 10.2 (3) and 10.13 (3) of the General Regulation and summarized under the heading *Fair Hydro Trust Costs and Expenditures*
- Interest and fees on all outstanding borrowings
- Scheduled principal repayments
- Deposits or transfers to reserve accounts required by the MTI and summarized under the heading *Financing Reserve and Capital Accounts*
- OPG's fees as FSM as summarized under the heading *Financial Services Manager's Fees*
- Termination payments to defaulting derivative counterparties, if applicable

Refer to Figure 5 in Section C, *Application of Recovery Amounts to Funding Obligations* for the cash flow receipts' payment priority.

6. Current Funding Options and related Terms and Conditions

To achieve cost efficiencies, the following funding vehicles could be utilized in either the Canadian or US markets (except for the subordinated debt), from time to time, depending on the financing requirement, as well as market capacity and relative pricing at the time of issuance:

- **Short Term**: asset-backed commercial paper (ABCP) conduit and revolving bank lines of credit in the Canadian market
- **Medium to Long-Term**: term ABS and privately placed debt securities in either the Canadian or US markets
- **Subordinated Debt**: to be provided by OPG

<u>Syndicated Short-Term Warehousing Facility</u>

Short-term notes will be issued by the Trust to fund short-term borrowing requirements. The amount outstanding will be periodically refinanced and repaid by long-term funding from the capital markets once the cumulative amount of the Investment Asset available to be purchased is approximately $300 million to $500 million. This warehouse facility is expected to be utilized on a monthly basis to fund the Investment Asset purchases from the IESO.

The Trust has **[**secured a warehouse facility agreement with a bank syndicate comprising of CIBC, RBC, and Goldman Sachs for $800 million under a 2-year committed term, which would be primarily funded through their ABCP conduit**]**.

DRAFT

Revolving Bank Lines of Credit

This type of funding option provides the Trust with a warehouse facility under which principal amounts can be advanced, repaid and again advanced during a committed revolving period. This bank funding option will be utilized when it is more cost effective than short-term notes.

Term ABS

ABS are notes that will be backed by the Trust's Investment Asset and issued under the MTI. The specific terms and conditions of each series, class or tranche of notes will be set forth in a supplemental indenture and, if applicable, a terms document authorizing that series, class or tranche.

To minimize financing costs, term ABS bullet bonds will be used rather than amortizing bonds, which require an additional premium by investors. The current intent is to issue term ABS notes in the 15 to 25 year term to fill out the yield curve based on the Fair Allocation Amount and investor demand.

Subordinated Debt

Concurrent with every issuance of senior debt by the Trust, it is expected that OPG will acquire subordinated debt in an amount not to exceed 49 percent of all outstanding debt of the Trust at any time. The subordination of OPG's debt investment plays an important credit enhancement role, which is expected to minimize the cost of senior debt tranches in the external market by garnering a higher rating through some differentiation. The subordinated debt will assume substantially all of the liquidity and deferral risk for the structure. Accordingly, the cash flow payment waterfall in Figure 5 reflects this subordination structure.

The credit rating for the subordinated debt will be dependent on the rating agency assessment and evaluation of the stress credit scenarios. It is expected that there will be a minimum of one rating category differential between each debt tranche.

The interest rate applicable to subordinated debt is expected to be the aggregate of:

- The applicable base rate, which is the relevant senior debt rate, plus
- The applicable spread, which represents the additional interest, in basis points, over the base rate that will apply to the relevant subordinated debt. This rate will be established by OPG through an annual survey of market spreads from a syndicate of banks.

The subordinated debt will maintain a minimum of one rating to allow for appropriate benchmarking/pricing. A simple average of the market spreads will determine the rate, excluding the highest and lowest rates in the survey sample. The terms of the subordinated debt will be finalized prior to the initial debt issuance.

For the short-term subordinated debt lending facility, the banking syndicate will provide OPG with short-term lending spreads for comparables on committed bank credit facilities on an annual basis (i.e. ratings based on a pricing grid). A simple average of the market spreads will determine the rate, excluding the highest and lowest rates in the survey sample.

The process will be consistent with the Subordinated Debt Pricing Protocol Agreement between the Trust and the Ontario Financing Authority.

7. Currency and Interest Rate Hedging Programs

As the FHP Program develops over time, the Trust will consider interest rate and currency swaps and other hedging instruments, as required. Refer to the Section C, *Risk Mitigation Strategies* for further details on hedging and other instruments that could be used by the Trust.

8. Fair Hydro Trust Costs and Expenditures

The costs and expenditures incurred by OPG as FSM on behalf of the Trust will be in accordance with sections 10.2 (3) and 10.13 (3) of the General Regulation as amended in November 2017.

Specifically, the costs and expenditures incurred by the FSM include, but are not limited to, the following:

1. Underwriters or selling agents for funding obligations.
2. Banking fees, including but not limited to structuring fees or work fees.
3. Fees of issuing and paying agents for funding obligations.
4. Fees of trustees.
5. Fees incurred in the preparation of financial statements, financial reports, compliance certificates and tax returns.
6. Fees of legal counsel.
7. Rating agency fees.
8. Filing or registration fees.
9. Direct costs of OPG for employees whose work consists exclusively of the provision of services to the Trust in relation to prescribed matters.
10. Costs and expenditures incurred on behalf of any financing entity in connection with OPG's duties under the Act in relation to the financing entity.
11. Costs and expenditures incurred in relation to a management agreement between OPG as FSM and any financing entity, where the agreement provides for the reimbursement of the costs and expenditures.

The costs and expenditures incurred directly by the Trust, as well as the fees of the FSM and the costs and expenditures incurred by the FSM on behalf of the Trust, are Finance Amounts that can be recovered by the Trust (as carrying costs) from the IESO until July 2021 and thereafter through Clean Energy Adjustments charged to specified consumers.

9. Interest Rates

As the FHP Program is expected to last until 2047, it is appropriate to assume that long-term debt rates are the primary components of the financing costs for the overall program. In estimating indicative interest rates for each tranche and debt type, the following key considerations and assumptions were utilized:

- The base case credit rating assumptions are as follows:
    - Target of "AAA" for Tranche A – Senior Debt,

  - "A" for Tranche B – Subordinated Debt which is dependent on the senior debt credit rating, and
  - "BBB" for Tranche C – Junior Subordinated Debt
- Using the projected Province of Ontario long bond rate of 4 percent plus a 25 basis points premium to reflect the securitization structure, the estimated indicative pricing over the life of Tranche A – Senior Debt is 4.25 percent
- For comparative purposes, the current pricing using the Province of Ontario long bond rate of 3.0 percent plus the same 25 basis points premium was included to reflect the current low interest rate environment
- A higher return on the subordinated debt is required to compensate for incremental risks assuming:
  - Rating agencies attribute a lower rating to the subordinated debt relative to the senior debt due to the lower priority in the cash flow waterfall (refer to Figure 5 in Section C, *Application of Recovery Amounts to Funding Obligations*)
  - Senior debt's rating needs to be credit enhanced to address collection and liquidity risks

To achieve cost efficiencies, the Trust was established with a tiered debt structure to achieve a higher credit rating for the senior debt and to maximize market capacity by accessing the AAA market to achieve cheaper financing costs overall. The following table summarizes the indicative pricing range by debt tranche:

Table 3: Indicative Pricing by Debt Tranche

Tranche and Debt Type	Risk Profile	Source	% of Total Funding Requirement	Rating Category Estimate	Current Pricing	Potential Rating Range	Price Based on Rating Range
Tranche A Senior Debt	Lowest Risk	Capital Market	51%	AAA	3.25%	AAA – AA	3.25% – 3.75%
Tranche B Subordinated Debt	Medium Risk	OPG via Province	39%	A	4.5%	AA – A	4.0% – 4.5%
Tranche C Junior Subordinated Debt	Highest Risk	OPG via Province	5%	BBB	5.5%	A – BBB	5.0% – 5.75%
		OPG via Capital Markets	5%				
Weighted Average					**4.0%**		**3.75% – 4.5%**

The credit range for each debt tranche will be determined by the overall credit strength of the financing structure and its resilience under various credit stress scenarios. The rating agencies' assessment of the guarantee to bondholders provided by the Change of Law Protection Agreement, discussed under the heading *Indemnifications*, is one of the major factors that will influence the final ratings of each debt tranche. In addition, in assessing credit stress, the following factors, among others, will be considered: (i) declining energy usage throughout the securitization period, (ii) forecast collections in peak months not materializing, and (iii) declining consumption equal to the largest absolute annual forecast error. The market capacity for

securitization notes is predominantly available for AAA-rated notes, limited for AA-rated notes, and not tested or developed for A-rated or lower. The pricing estimates provided in Table 3 reflect these credit and liquidity factors. Debt pricing will be finalized at the time of the initial issuance.

10. Financing Reserve and Capital Accounts

Section 5(1) of the General Regulation stipulates that the Finance Amount shall include any amounts the Trust deposits into capital or finance reserve accounts as required under the governing documents of the funding obligations (i.e. the MTI). The accounts also act as a credit enhancement feature in support of the Trust borrowings. Any unused balance in the segregated trust accounts at the end of the term will be credited to specified consumers. Refer to Figure 5 in Section C, *Application of Recovery Amounts to Funding Obligations*, for the priority order of deposits into the reserve accounts.

The MTI between the Trust and the Indenture Trustee specifies the establishment and maintenance of the following key reserve accounts:

Finance Reserve Accounts

Program Cash Reserve Account

The Trust shall establish and maintain a Program Cash Reserve Account, a deposit account in the name of the Indenture Trustee with an eligible institution. This finance reserve account shall be under the control of the Indenture Trustee for the benefit of the Indenture Trustee and the specified creditors. Available collections not required to be paid to specified creditors at such time will be credited to a capital reserve account in accordance with the terms of any applicable funding obligation agreement. The funding obligation agreement for a series, class or tranche of funding obligations will specify whether such series, class or tranche has the benefit of a capital reserve account.

Series Finance Reserve Account

From time to time, the Trust may establish a Series Finance Reserve Account, a deposit account in the name of the Indenture Trustee with an eligible institution. This finance reserve account may be established for the purpose of allowing the Trust to reserve funds to pay finance charges (including, without limitation, interest and payments under derivative agreements) for a series of issuer funding obligations. Payments of available collections shall be credited to this account, to the extent that there is a requirement for such funds, in accordance with the terms of the applicable funding obligation agreement and the MTI. Each Series Finance Reserve Account shall be under the control of the Indenture Trustee for the benefit of the Indenture Trustee and the applicable specified creditors.

Capital Reserve Account

Series Capital Reserve Account

From time to time, the Trust may establish a Series Capital Reserve Account, a deposit account in the name of the Indenture Trustee with an eligible institution. This capital reserve account may be established for the sole purpose of allowing the Trust to accumulate funds to be used to make repayments in respect of funding obligations. Details of any period of accumulation and the

amounts to be accumulated shall be specified in the related funding obligation agreement. Payments of available collections shall be credited to this account, to the extent that there is a requirement for such funds, in accordance with the terms of the applicable funding obligation agreement and the MTI. Each Series Capital Reserve Account shall be under the control of the Indenture Trustee for the benefit of the Indenture Trustee and the applicable specified creditors.

11. Indemnifications

The following forms of indemnities are expected to be issued for the FHP Program:

Change of Law Protection Agreement **[MONITOR]**

The Change of Law Protection Agreement provides bondholders a guarantee in the event of a protection event and acts as a credit enhancement for the Trust's senior debt. The guarantee will be triggered if~~when~~:

i. the Province changes the Fair Hydro legislation/regulations or passes other legislation/regulation that materially adversely affects the ability of the Trust to service interest or principal payments on its debt, or

ii. the Act is declared invalid/unconstitutional.

Upon a protection event, the Province is required to either, at its election: (i) pay the specified claims consisting of all Finance Amounts, excluding ■ **[update],** owing by the Trust as they become due and payable, or (ii) assume the Trust's obligations as primary obligor, **[**in each case**]**, without acceleration of the specified claims.

Issuer Trustee

Each of the Issuer Trustee and its related parties will be indemnified out of the trust property from and against all liabilities, obligations, losses, damages, penalties, taxes, claims, actions, investigations, proceedings, costs, expenses or disbursements of any kind arising out of, among other things, the declaration of trust or any other program agreement, the administration of the Trust's assets or the action or inaction of the Issuer Trustee's agents, except for its own fraud, willful misconduct, bad faith or negligence.

Limited Recourse

The obligation of the Trust to pay principal and interest on the funding obligations is subject to the allocation and payment provisions in the MTI and the applicable funding obligation agreement and limited to amounts available from the collateral. Neither the Indenture Trustee, OPG nor the Issuer Trustee in its individual capacity will be personally liable for the payment of the principal or interest on the notes or any other funding obligation, or for the Trust's covenants and agreements contained in the MTI.

12. Financial Services Manager's Fees

All fees charged by OPG to the Trust will be in accordance with the provisions of the General Regulation.

Subject to OEB approval, OPG is entitled to the following:

- For 2017, OPG will receive $3.1 million and an amount to cover up-front costs incurred between June 1 and December 31, 2017 by OPG on behalf of the Trust (e.g. legal fees, rating agency fees, trustee fees). The $3.1 million includes a $600,000 fee and $2.5 million to cover costs incurred prior to June 1, 2017. The expenses between June 1 and December 31, 2017 will also include direct costs of OPG employees who are dedicated exclusively to Fair Hydro matters.
- For January 2018 to March 2019, OPG will receive (i) a base fee equal to 7.5 basis points, divided by 12, multiplied by ~~times~~ the average monthly outstanding debt of the Trust, (ii) a variable fee that is calculated based on how the interest rate for external funding tranches for that period compare to forecast interest rates for the period (and which fee is limited to ± 2% of 5% of the total external funding tranches issued in the period), and (iii) third-party expenses and direct employee costs of dedicated Fair Hydro employees.
- For April 2019 to March 2020, and every 12 month period thereafter, OPG will make submissions to the OEB on the base fee, variable fee and expenses. The base fee will be based on comparable fees charged by full-service managers of securitization vehicles (and other similar funds). The variable fee will be calculated in the same manner noted above, but with a refresh of forecast interest rates for the relevant period. For 2019 onward, the expenses will include direct employee costs of dedicated Fair Hydro employees only if the fees of comparable managers also include such direct costs.

A written confirmation from OPG's external auditor or another external auditor is required to accompany each submission to the OEB for the recovery of expenditures incurred by OPG on behalf of the Trust. The report shall confirm the accuracy of the costs and expenditures charged to the Trust, that such amounts were incurred by OPG, and the amounts were paid to third parties (with the exception of direct employee costs).

C. Other Considerations

1. Market

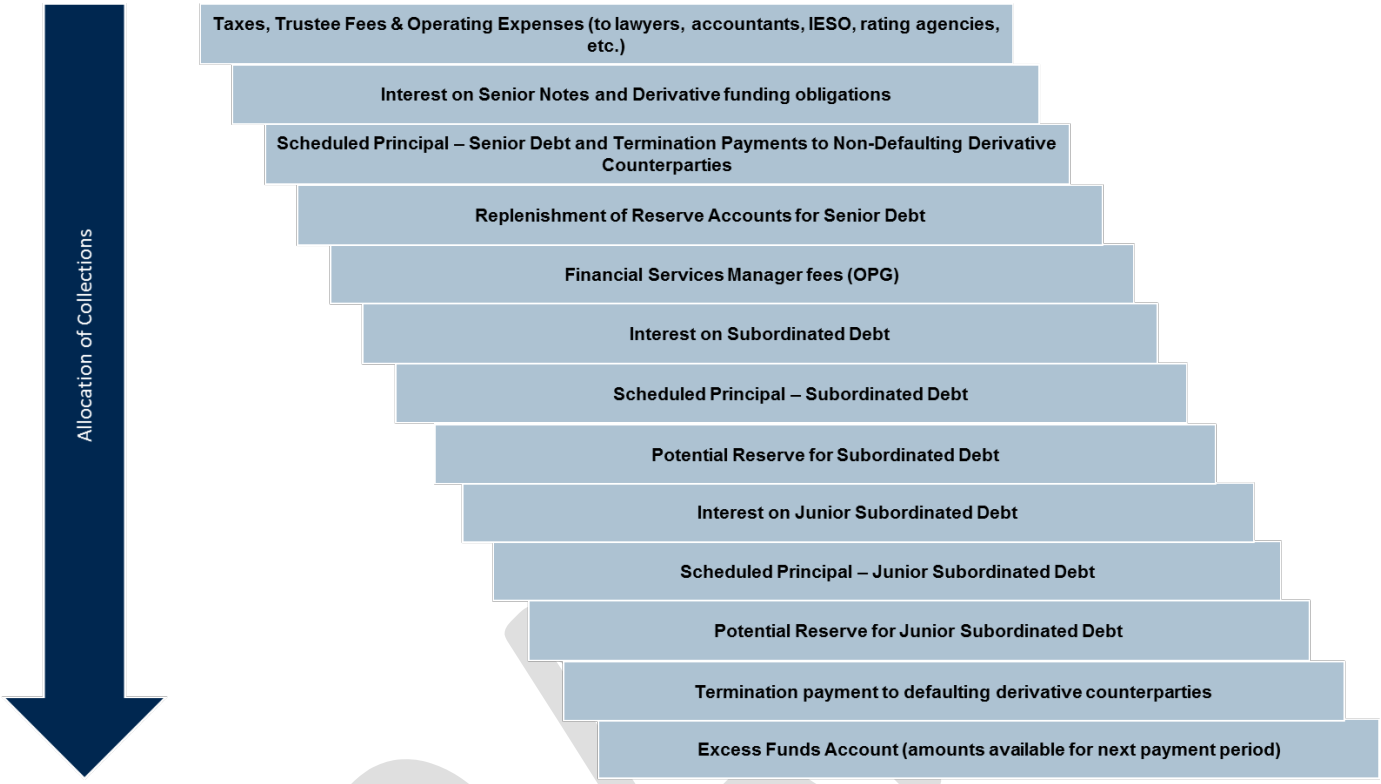
The FHP Program's financing platform was developed to allow for access to both the Canadian and US markets in order to have the best pricing and flexibility options. To the extent that the Canadian market has sufficient capacity and provides cost efficiency, priority will be given to the domestic market. However, there is no precedence in the Canadian market for term ABS notes longer than 10 years, nor the size of funding required by the FHP Program. Due to this, the ability to access the US market provides the program additional financing capacity in the event that the Canadian market cannot support the financing requirement. The FSM will make its decision on which market to access on a deal-by-deal basis.

For the initial debt issuance in 2017, it is anticipated that a term ABS funding will be sourced from the Canadian market as it is expected to be more cost efficient given current market conditions.

2. Application of Recovery Amounts to Funding Obligations

The MTI outlines the payment priorities for the Trust's receipt of cash flows. Figure 5 below summarizes the significant components of the waterfall.

Figure 5: Waterfall for Fair Hydro Trust Cash Collection



Payment Priorities

On each payment date, all amounts on deposit in the collection account will be paid out in the following order of priority:

1. to pay (A) all taxes exigible for which a governmental authority is given priority over the specified creditors under the laws of the applicable jurisdiction, and then (B) fees, expenses and reimbursements owing to the Issuer Trustee and the Indenture Trustee up to a maximum aggregate amount of ■ percent[1] of the outstanding principal amount of all funding obligations at such time;
2. to pay (A) interest, fees and other amounts owing in respect of senior debt and (B) amounts payable to derivative counterparties other than termination payments;
3. to pay (A) principal owing in respect of senior debt to the extent required to satisfy any payment of principal; and (B) termination payments owing to derivative counterparties where the derivative counterparty is not the defaulting party or the sole affected party;
4. to deposit or transfer to any reserve account in respect of senior debt, the amount required pursuant to the applicable funding obligation agreement;
5. to pay fees, expenses, reimbursement and indemnity amounts owing to OPG;
6. to pay interest, fees and other amounts owing in respect of subordinated debt;

[1] To be confirmed.

7. to pay principal owing in respect of subordinated debt to the extent required to satisfy any payment of principal;
8. to deposit or transfer to any reserve account related solely to subordinated debt the amount required pursuant to the applicable funding obligation agreement;
9. to pay interest, fees and other amounts owing in respect of junior subordinated debt;
10. to pay principal owing in respect of junior subordinated debt to the extent required to satisfy any payment of principal;
11. to deposit or transfer to any reserve account related solely to junior subordinated debt the amount required pursuant to the applicable funding obligation agreement;
12. to pay termination payments owing to derivative counterparties where the derivative counterparty is the defaulting party or the sole affected party; and
13. to be held in the collection account for distribution in the above order of priority on the next payment date; or (ii) after all funding obligations have been paid and discharged, and all other amounts have been paid in full, to pay to the Trust.

3. Risk Mitigation Strategies

Currency Risk

If the Canadian market cannot support the financing capacity of the FHP Program in the future and/or it is less cost efficient than the US market at the time of each subsequent debt issuance, the Trust will access the US market for long term financing.

Under this scenario, hedges will be considered to mitigate currency exposure. For the initial debt issuance in 2017, it is anticipated that funding will be sourced from the Canadian market only as it is expected to be more cost efficient and there is sufficient market capacity.

Interest Rate and Refinancing Risk

The FHP Program is expected to span over a 30-year period until 2047 with various series of notes expected to be issued at various maturity dates. Given the long-term timeline of the program, it is subject to interest rate and refinancing risk.

Interest rate hedges, including bond forwards and/or forward start interest rate swaps, will be considered in the future to mitigate potential interest rate risk and/or refinancing risk in a cost-efficient manner.

4. Tax Minimization Strategies

Beneficiary – FHP2017 Inc.

The majority unitholder and beneficiary of the Trust is exempt from federal tax under section 149 of the *Income Tax Act, Canada* and from Ontario tax under section 27 of the *Ontario Taxation Act, 2007*.

The beneficiary is subject to payments in lieu of federal and provincial income taxes (PILs). In order to minimize the tax associated with the Fair Hydro Plan, an exemption from PILs payable

on income from the Trust was secured for the beneficiary **[MONITOR]**. This will result in a reduction in the income tax costs related to the Financing Plan.

Fair Hydro Trust

Trust income will be fully distributed to unitholders to ensure that there is no tax payable by the Trust.

D. Execution Plan for the Inaugural Debt Issuance

It is anticipated that the first term ABS notes will be issued in the 1st or 2nd week of December 2017 to purchase the accumulated regulatory assets from the IESO, expected to be approximately $1 billion at that time. Accordingly, the expected size of the senior debt tranche is approximately $500 million representing the 51 percent funding structure allocation from capital markets. In the event the term markets do not have sufficient capacity for the full required funding of $500 million, the warehouse facility will be utilized. OPG will purchase subordinated and junior subordinated debt issued by the Trust for approximately $500 million representing the remaining 49 percent of the total funding requirement.

Key Activities

The following table outlines the key activities required to execute the first purchase of the Investment Asset:

Activity	2017 Timeline
Rating Agencies' Assessment	End of November
Marketing & Roadshow	Last week of November – 1st week of December
Term Debt Closing & Funding	1st – 2nd week of December
Warehouse Facility Closing & Funding	2nd week of December

A number of inputs will vary over the thirty-year life of the GA refinancing program and will continue to be revised to reflect changing conditions (e.g., changes in interest rates).

The Ministry analysis underpinning the 2017 Fair Allocation Amount (FAA) included a 5.0% average interest rate over the life of the GA refinancing program (i.e., 30 years). Note: Navigant's modelling of GA refinancing assumed an interest rate of 4.5%. In the development of the 2017 FAA the interest rate assumptions were revised to 5% based on consultations with OPG.

The announcement yesterday that OPG was able to secure an interest rate of 3.357% for the senior debt on its first issuance has a 15 year term and a value of $500 million.

OPG advises that the remainder of the debt is split between "subordinated" and "junior subordinated" debt. The effective interest rate will be the weighted average of these three series of debt (i.e., senior, subordinated and junior subordinated). OPG is expected to finalize the pricing for the subordinated and junior subordinated debt within the next 48 hours. The pricing will be based in part on the pricing of the senior series.

Hi Steve,

Not sure if you received an update already, but below is the result of the OPG Trust financing this afternoon for the OFHP:

- OPG has informed us that pricing has been confirmed at 3.357% and they financed $500m.

- This is 92 bps over GOC, so it is still the lowest cost.

- The OFA has confirmed that the issue was 23 bps over the Ontario curve.

Hi Ron,

So the spread seems to have widened from the dealer survey information the day of the senior debt issue. It was around 46bps but now in the attached actual, the spread averaged to 51.2bps. [Using the dealer email indicating 32bps from Ontario which implied 3.2% for Ontario.]

The difference in interest paid widened to 2.48bn (from the earlier prelim number we had of 2.2bn based on dealer survey numbers]. Naturally, we can ask why it widened.

Attached spreadsheet provides additional details, if you're

interested.

Also, related to Gadi's inquiry last week and we have the actual rates for the sub debt issues.

Thanks,

Ontario Forms New Trust to Tap Markets for Hydro Subsidies
2017-03-02 21:18:47.509 GMT

By Maciej Onoszko
(Bloomberg) -- Ontario Power Generation Inc. will set up a special purpose vehicle that will raise funds to help finance subsidies announced Thursday to curb soaring electricity bills in Canada's most-populous province.
Ontario's largest power generation company will manage the new entity for the province and its electricity system operator, known as IESO. The vehicle will tap bond and possibly equity markets for funding, said Chief Executive Officer Jeff Lyash. "We've got the scale to do this, we have got access to debt markets, relationships with credit rating agencies, we have the internal capabilities," Lyash said by phone on Thursday. "We're basically a service provider -- think about it like a trust."
Ontario's plan includes refinancing investments in power generation over longer periods to reduce electricity costs in the short term. The province plans to push back the cost of the so-called global adjustment, which is a charge that covers the

costs the power industry has incurred as part of its multi-billion dollar investment in facilities.

It will probably take a few months to set up the trust as the province needs to create the regulatory framework for the changes, Lyash said, adding the vehicle will be run separate from the rest of OPG's business. He declined to say how much money the entity would raise.

The trust will most likely access the bond market, but it could raise equity too, Lyash said, adding final decisions haven't been made.

The immediate reduction in the global adjustment will amount to about C$2.5 billion per year on average over the first 10 years, the province said in a presentation of its proposal on Thursday. The additional financing will add up to C$1.4 billion a year in interest payments.

Hi Gadi,

It went ok. There will likely be some pressure to move quickly on the s.28 request on the Energy indemnities to OPG and IESO.

Comments on the DRC piece are still to come.

I had noticed the listing of the IESO borrowing reg in the list, so asked staff to follow up (our Minister

has a role under that reg, on approving the IESO SIPP, and IESO has come forward with a proposed amendment on that, but wanted to see if the reg amendments affect the Minister of Finance parts at all).

Also, it was mentioned that the OPG Articles of Incorporation would need to be amended to allow it to do certain activities under the FHP. No elaborations, but I was thinking they were referring to what OPG brought up in the past on the prohibition on the issuance and sale of securities to the public, and to amend given the debt issuance plan, and issuance of a new class of shares, though, in the latter case, not to the public. Not sure if such an amendment should be reviewed and approved by MOF – nor what exactly the proposed amendments are.

Thanks for those clarifications, Ron. How did the Energy weekly go? If you found it useful, I'd suggest that you continue to come, even on weeks where I'm able to attend. Other organizations bring more than one representative, and given the Scott T. never comes (he's only been there once), I'd suggest that Finance is underrepresented at the table with just Scott N and me there.

Hi Gadi,

As a comment, yes, no reg is needed for the OFA-IESO credit facility, but you've seen the OIC package to expand the OFA's borrowing room from the Province under CIPA to allow for the expanded credit facility. That's still tracking for the 27th.

And I had understood from the Energy weekly that the Energy regs would not all be ready at once (note the list from the materials Energy sent yesterday, as attached, where only some are listed as ready – though I did not see the IESO borrowing one mentioned in the CBN, though listed as "ready"), so this would just be the first set (not that I have yet to see any of the actual proposed regs, just this CBN).

Hi David,

A few comments from us:

- Suggest a mention of accounting risks in the Fiscal subsection, particularly given the AG's stated position at Committee on this. May want to seek input from OPCD/TBS.
- Suggest including on page 6, as part of the objectives of the proposed regulations:
  - Details on how the interest on the Trust debt will be managed; and
  - The Clean Energy Adjustment as it relates to repayment from 2027 onwards.

Comments from CEFD will be relayed separately by Gavin.

Thanks, Anna

Agree with Gadi's point re accounting risks. No need for regulations for both the guarantee and the new credit facility to IESO(confirmed with Malle). I would also suggest that the objectives of the proposed regulations spelled out on page 6 include:

- Details on how the interest on the Trust debt will be managed and
- The Clean Energy Adjustment as it relates to repayment from 2027 onwards.

I find it interesting that in the Risks section there is a lengthy description of the constitutional risk in the Legal subsection, but there is no mention of the accounting risks in the Fiscal subsection, in spite of the AG's stated position at Committee on this. I think that it's a gap that needs to be at least mentioned in the CBN, doesn't it?

I'm assuming, because it isn't mentioned anywhere in the CBN, that there are no regs required for the guarantees that Mike has been working on with Blakes and OPG? Also, our direction on the $2 billion line of credit for the IESO can be done independently of these regs?

Thanks,

I had noticed the listing of the IESO borrowing reg in the list, so asked staff to follow up (our Minister has a role under that reg, on approving the IESO SIPP, and IESO has come forward with a proposed amendment on that, but wanted to see if the reg amendments affect the Minister of Finance parts at all).

Also, it was mentioned that the OPG Articles of Incorporation would need to be amended to allow it to do certain activities under the FHP. No elaborations, but I was thinking they were referring to what OPG brought up in the past on the prohibition on the issuance and sale of securities to the public, and to amend given the debt issuance plan, and issuance of a new class of shares, though, in the latter case, not to the public. Not sure if such an amendment should be reviewed and approved by MOF – nor what exactly the proposed amendments are.

Hi,

You may have also noted the part on page 4 on "Planned payment flows will follow the same reimbursement process under the ORECA, including requirements to provide information for reimbursement purposes, duty to provide information, records, and invoicing requirements."

Not sure if this may mean a potential forthcoming Energy request to the OFA for an MOU like the ORECA one – staff will follow-up.

Hi Gadi,

It went ok. There will likely be some pressure to move quickly on the s.28 request on the Energy indemnities to OPG and IESO.

Comments on the DRC piece are still to come.

I had noticed the listing of the IESO borrowing reg in the list, so asked staff to follow up (our Minister has a role under that reg, on approving the IESO SIPP, and IESO has come forward with a proposed amendment on that, but wanted to see if the reg amendments affect the Minister of Finance parts at all).

Also, it was mentioned that the OPG Articles of Incorporation would need to be amended to allow it to do certain activities under the FHP. No elaborations, but I was thinking they were referring to what OPG brought up in the past on the prohibition on the issuance and sale of securities to the public, and to amend given the debt issuance plan, and issuance of a new class of shares, though, in the latter case, not to the public. Not sure if such an amendment should be reviewed and approved by MOF – nor what exactly the proposed amendments are.

Thanks for those clarifications, Ron. How did the Energy weekly go? If you found it useful, I'd suggest that you continue to come, even on weeks where I'm able to attend. Other organizations bring more than one representative, and given the Scott T. never comes (he's only been there once), I'd suggest that Finance is underrepresented at the table with just Scott N and me there.

Hi Gadi,

As a comment, yes, no reg is needed for the OFA-IESO credit facility, but you've seen the OIC package to expand the OFA's borrowing room from the Province under CIPA to allow for the expanded credit facility. That's still tracking for the 27th.

And I had understood from the Energy weekly that the Energy regs would not all be ready at once (note the list from the materials Energy sent yesterday, as attached, where only some are listed as ready – though I did not see the IESO borrowing one mentioned in the CBN, though listed as "ready"), so this would just be the first set (not that I have yet to see any of the actual proposed regs, just this CBN).

Hi David,

A few comments from us:

- Suggest a mention of accounting risks in the Fiscal subsection, particularly given the AG's stated position at Committee on this. May want to seek input from OPCD/TBS.
- Suggest including on page 6, as part of the objectives of the proposed regulations:
  - Details on how the interest on the Trust debt will be managed; and
  - The Clean Energy Adjustment as it relates to repayment from 2027 onwards.

Comments from CEFD will be relayed separately by Gavin.

Thanks, Anna

Anna/Gadi

Agree with Gadi's point re accounting risks. No need for regulations for both the guarantee and the new credit facility to IESO(confirmed with Malle). I would also suggest that the objectives of the proposed regulations spelled out on page 6 include:

- Details on how the interest on the Trust debt will be managed and
- The Clean Energy Adjustment as it relates to repayment from 2027 onwards.

Thanks

I find it interesting that in the Risks section there is a lengthy description of the constitutional risk in the Legal subsection, but there is no mention of the accounting risks in the Fiscal subsection, in spite of the AG's stated position at Committee on this. I think that it's a gap that needs to be at least mentioned in the CBN, doesn't it?

I'm assuming, because it isn't mentioned anywhere in the CBN, that there are no regs required for the guarantees that Mike has been working on with Blakes and OPG? Also, our direction on the $2 billion line of credit for the IESO can be done independently of these regs?

Thanks,
Gadi

Hi all

From the perspective of both Mike and I the comments and edits are very factual and should not pose any issues to OPG or the Trust should they choose to accept them. If others are of the same opinion, I suggest that either MOF or MOE Legal forward the marked up version to Torys with cc's to the usual suspects.

Thanks

Hi. Here is a list of items that could be discussed at 9:30, in order to settle on the scope and nature of commenting on the OM:

MOE – Alignment Considerations

1. Simplified references to the OFHPA (general caveat)
2. Scope of descriptions (generally, should be …subject to the OFHPA and the Regulations)
3. "purposes" of the OFHPA (e.g., implies that is rate reduction)
4. Nature and duration of the "moratorium period" (non-legislative)

5. Trust vs. “financing entity” (permit multiple FEs and co-ownership arrangements – minimally described)

6. “Fair Allocation Amount” – amount vs. effect of calculation (imprecise); concept of “Readjustments” missing

7. Financing Plan – refinements (e.g., references to Refinancings)

8. Expectations re FAA – negative until 2024

9. “Ontario’s Fair Allocation Plan” – styling

10. OPG appointment as FSM (initial only – ability for Minister to replace)

11. Inclusions into IESO deferrals (precision)

12. Carrying costs vs funding rebates (impact on nature of Investment Asset)???

13. No reference to pre-OFHPA adjustments (piggy bank)

14. Risk Factors – approach to describing legal risks and Protection Agreement as mitigation

15. Technical definitions and descriptions (e.g., carrying costs; forecasts from IESO rather than forecast information; invoicing mechanics; simplifications of definitions; etc.)

16. Limited discussion re contents of “Financing Plan”

17. No real recognition of tail risk and duration mismatch considerations and mitigants/strategies

18. No discussion re OFHPA rights of action, etc.

19. “non-bypassable” (meaning)

<u>OFA - Change of Law Protection Agreement</u>

1. Narrative (e.g., “in favour of the Issuer”)

2. Notes do not constitute debt of Province, etc. (confirm description) – additional considerations?

3. Scope of “Approved Obligations” (overbroad)

4. Positive obligations in favour of Province (e.g., apply amounts; credit for applied amounts)

5. Definition of “Protection Events” (align)

6. Rights of Subrogation (needs to be more detailed)

7. Mechanics of Protection Account

8. Limited direct rights of Noteholders (through indenture trustee)

9. Limitations on damages

10. Only passing reference to the “Process Agreement” in OM (but referred to in more detail in the Investor Presentation)

<u>Other</u>

1. Confidentiality (deemed vs. confirmed in writing)
2. Liability for Taxes (priority claim in waterfall; impact on triggers)
3. IESO - descriptions
4. Electricity Market; OEB; OPG
5. Platform (e.g., very broad cross default – beyond generic risk factors?)
6. Interplay between Warehouse and Term issuances
7. Description of 2018 Notes
8. Optional Redemption of Notes (confirm if applicable/acceptable)

FYI, attached is our internal (preliminary) mark-up of the OM. It should not be on-circulated at this stage. We are providing it now in case you would find it useful to have specified illustrations of the foregoing items.

Subject: RE: EXTERNAL – Delivery of Reference Documentation to Province

Thanks for the update, Malle.

I'm not sure how this materiality discussion will relate to the Province commenting on the OM. The base form of the OM was not envisioned as of December 20th, and so it is unclear to me that the material effect discussion is relevant for that purpose.

I have been expecting that the Province would be quite involved in the production of the OM, and not just for information purposes.

To illustrate the sorts of items I would anticipate being relevant to the Province in reviewing the OM, I attach a partial mark-up of the Nov 17th OM (the only one we ever saw) to show how (among other things) the narratives included at that time were not aligned with the legislation. The partial mark-up is a comparison to the version circulated by Alena that included James Rehob's comments. Also, as you know, the Change of Law terms were substantially settled after November 17th, and so those portions of the OM will also be quite different.

Generally, the sorts of things I think the Province may be concerned about in reviewing the OM will include:

(a) ensuring that the description of the Protection Agreement is accurate and does not overstate the Province's obligations,

(b) ensuring that the limitations contemplated in s. 40 of OFHPA and s.19 of the General Regulation have been observed,

(c) eliminating any implied/moral undertakings by the Province to bondholders,

(d) scrutinizing any "risk factors", particularly as they might relate to the context in which Protection Events may arise,

(e) confirming any disclosures regarding the Province's (Ministers') roles, including in setting the "fair allocation amount", accepting the "Financing Plan" provided to the Minister of Energy, etc.,

(f) ensuring that any description of the Crown, Crown immunity, the OFHPA, the regulations made under it, the OIC, the authority of the LGIC, the provisions of the Electricity Act and related regulations and processes, the Financing Plan, the electricity market regulatory infrastructure and other relevant legal principles and contexts are all properly and accurately described (recognizing the risk that any statement may be attributed to the Province based on its close proximity to the program, and could become consequential in any future legal process that seeks to interpret the statute),

(g) scrutinizing disclosures that could later become evidence in any legal proceeding that would challenge the validity of the OFHPA and related laws,

(h) confirming any "electricity market" disclosures that could impact on underlying considerations, such as the potential for and impact of off-grid migration and by-pass risks, and

(i) the propriety of disclosures regarding matters that could impact on the pricing or rating of the issued bonds.

(This list was previously included in my November 22nd due diligence note to the Province's lawyer team.)

In addition, the Province will need to confirm how James Rehob's earlier comments have been reflected in the OM.

Given all this and the offering timing described by Torys, I think it makes sense to insist on getting the OM now and confirming with OPG that the Province will be taking a careful look at the document, which will take some time (at least 5 business days), and so that could impact the overall timing.

I will be tied up from 930 to 1030, but then free until 1145.

Regards, Steve

Subject: FW: EXTERNAL – Delivery of Reference Documentation to Province

As you know prior to the warehouse closing we were sent informally drafts of the reference documents as they developed. Since Dec 20th we have received no further drafts of these documents. I don't understand whether it is OPG's plan that they send final transactions documents today (10 days before) and then the Province has the right to object based on the parameters of "material effect" as defined in the Process Agreement. A draft of the investor presentation was circulated to the Province and some comments were being collected yesterday by Energy and the OFA.

""Material Effect" means a material adverse effect on the obligations or the rights of the Province under the Limited Guarantee, the Change of Law Protection Agreement or this Agreement that relates to, and in each case, differs in any material respect from the terms or conditions applicable to any other Transaction Document that forms part of the Reference Documentation at the relevant time, the following: (i) the timing of or circumstances under which related payments would or may become due or accrue (including as a result of any default, acceleration, termination, wind-up, liquidation or realization) that, in each case, is inconsistent with the Fair Allocation Amount; (ii) the appointment, obligations or duties of OPG as the Manager; (iii) the existence, powers or authority of the Financing Entity or the Financing Entity Trustee; (iv) the obligations of the Indenture Trustee to or in respect of the Province as a Specified Creditor; (v) the payment provisions and associated priorities set forth in the Trust Indenture; (vi) compliance by the FSM with the then applicable Financing Plan; (vii) compliance by the FSM or the Financing Entity with the Act or the General Regulation; or (viii) the Province's rights of subrogation or assignment (including pursuant to Sections 1.05, 2.01 or 5.01 of the Change of Law Protection Agreement) or its interests as a subrogee or an assignee, that would arise as a result of performing the Limited Guarantee in respect of the applicable Primary Obligation."

Subject: RE: EXTERNAL – Delivery of Reference Documentation to Province

Hi Malle, Alena and Toby, Happy New Year to all of you. John forwarded the email below and attached and asked that I connect with you and provide an update. I have included the business folks on this email to make sure we are all on the same page. As John notes below, we had been working towards being in a position to commence marketing for the term deal on January 15th but if marketing is pushed to January 22 or later, then a waiver of the 10 business day requirement should not be necessary. I will let our respective clients advise us on that point and we can come back to the logistics/process for obtaining a waiver should we need one.

We are planning on delivering the following additional reference documentation to the Province tomorrow:

(1) Supplemental Indenture for the Series 2018-1 Term Notes

(2) Supplemental Indenture for the Series 2018-1 Subordinated Term Notes

(3) Supplemental Indenture for the Series 2018-1 Junior Subordinated Term Notes

(4) Agency Agreement

(5) Offering Memorandum (including the investor presentation attached as an exhibit to the OM)

(6) Term Sheet supplementing the Offering Memorandum

As you may recall, under the change of law process agreement, all deliveries are required to be made by mail, fax or delivered by hand to each of the Ministers and Deputy Ministers of the MOF and the MOE. To comply with the agreement, we plan on hand delivering the above documents to each of the Ministers and Deputy Ministers tomorrow. We can also email all of these documents to all of you and anyone else you would like us to send these to (in addition to Scott Thompson, Gadi Mayman, Anna Strathy, David McLean, Jonathan Tekle, Mike Manning and Ken Kandeepan -- as requested in Ken's email below). I believe that earlier drafts of all of the term supplemental indentures and the agency agreement were previously circulated to you -- for ease of reference, please let us know if it would be helpful for us to include blacklines to the last versions we sent to you in the email.

Let us know if you agree with the above approach, and feel free to reach out if you have any questions or would like to discuss.

Malle, you had also asked about delivery of the documents from the warehouse closing -- closing books are in progress and we expect to have those ready for circulation next week. Again, in order to comply with the change of law process agreement, the electronic closing books will be delivered to the Ministers and Deputy Ministers of each of the MOF and MOE, but we are happy to also send a copy to others on your instruction.

Thanks,

Rima

Ken/Steen:

We are operating under the assumption that it was the Province desire to execute the term deal as early as possible in 2018 which would involve a launch on the 15th. If the preference is now to adhere to the 10 business day requirement and not waive it we are happy to do so and commence marketing later in the month on the 22nd.

Please advise and we will adjust the work plan accordingly.

Hi John

I spoke to our DM's office and Scott's email is Scott.Thompson@ontario.ca, As required by the Process Agreement between the Province and OPG, pls forward the documents pertaining to the upcoming term deal by email to Scott with a cc to the following:

Gadi Mayman, Anna Strathy, David McLean (cc'ed above), Jonathan Tekle (also cc'ed above), Mike and myself.

Given that the Process Agreement requires OPG to also provide the same documents to MOE, I am cc'ing Steen and Tim so that they can inform their DM's Office as well.

With regard to the waiver, pls see Malle's comments below, it would also be useful if OPG were to provide a rationale as to why waiving the 10 business days requirement which may allow for term debt issuance in mid-January by the Trust is more beneficial than issuance either later in the same month or early February.

Thanks

It would be very helpful if OPG and Torys could provide to us a timetable and schedule for delivery of reference documents that are being prepared and when do we expect to get them and when is the proposed issuance. On that basis we can review the timing and determine whether a waiver will be necessary and if it is how it might be processed. Unfortunately we haven't received any updates or draft documents since the closing of the warehouse deal. Also is there a plan for distributing to the Province the documents from the warehouse closing?

I should add that the waiver of the 10 BD requirement needs to be executed in writing by the Province (which means we will need signatures from each Minister). Will that be achievable? If not, perhaps we can proceed on the basis of an email waiver with the waiver signed by the Ministers to follow as soon as possible. Sorry but it is going to be a pain in the butt navigating through this agreement … hopefully the Province will realize that and agree to make some amendments!

Subject: RE: EXTERNAL – Delivery of Reference Documentation to Province

Thanks for the update, Malle.

I'm not sure how this materiality discussion will relate to the Province commenting on the OM. The base form of the OM was not envisioned as of December 20th, and so it is unclear to me that the material effect discussion is relevant for that purpose.

I have been expecting that the Province would be quite involved in the production of the OM, and not just for information purposes.

To illustrate the sorts of items I would anticipate being relevant to the Province in reviewing the OM, I attach a partial mark-up of the Nov 17th OM (the only one we ever saw) to show how (among other things) the narratives included at that time were not aligned with the legislation. The partial mark-up is a comparison to the version circulated by Alena that included James Rehob's comments. Also, as you know, the Change of Law terms were substantially settled after November 17th, and so those portions of the OM will also be quite different.

Generally, the sorts of things I think the Province may be concerned about in reviewing the OM will include:

(a) ensuring that the description of the Protection Agreement is accurate and does not overstate the Province's obligations,

(b) ensuring that the limitations contemplated in s. 40 of OFHPA and s.19 of the General Regulation have been observed,

(c) eliminating any implied/moral undertakings by the Province to bondholders,

(d) scrutinizing any "risk factors", particularly as they might relate to the context in which Protection Events may arise,

(e) confirming any disclosures regarding the Province's (Ministers') roles, including in setting the "fair allocation amount", accepting the "Financing Plan" provided to the Minister of Energy, etc.,

(f) ensuring that any description of the Crown, Crown immunity, the OFHPA, the regulations made under it, the OIC, the authority of the LGIC, the provisions of the Electricity Act and related regulations and processes, the Financing Plan, the electricity market regulatory infrastructure and other relevant legal principles and contexts are all properly and accurately described (recognizing the risk that any statement may be attributed to the Province based on its close proximity to the program, and could become consequential in any future legal process that seeks to interpret the statute),

(g) scrutinizing disclosures that could later become evidence in any legal proceeding that would challenge the validity of the OFHPA and related laws,

(h) confirming any "electricity market" disclosures that could impact on underlying considerations, such as the potential for and impact of off-grid migration and by-pass risks, and

(i) the propriety of disclosures regarding matters that could impact on the pricing or rating of the issued bonds.

(This list was previously included in my November 22nd due diligence note to the Province's lawyer team.)

In addition, the Province will need to confirm how James Rehob's earlier comments have been reflected in the OM.

Given all this and the offering timing described by Torys, I think it makes sense to insist on getting the OM now and confirming with OPG that the Province will be taking a careful look at the document, which will take some time (at least 5 business days), and so that could impact the overall timing.

I will be tied up from 930 to 1030, but then free until 1145.

Regards, Steve

Subject: FW: EXTERNAL – Delivery of Reference Documentation to Province

As you know prior to the warehouse closing we were sent informally drafts of the reference documents as they developed. Since Dec 20th we have received no further drafts of these documents. I don't understand whether it is OPG's plan that they send final transactions documents today (10 days before) and then the Province has the right to object based on the parameters of "material effect" as defined in the Process Agreement. A draft of the investor presentation was circulated to the Province and some comments were being collected yesterday by Energy and the OFA.

""Material Effect" means a material adverse effect on the obligations or the rights of the Province under the Limited Guarantee, the Change of Law Protection Agreement or this Agreement that relates to, and in each case, differs in any material respect from the terms or conditions applicable to any other Transaction Document that forms part of the Reference Documentation at the relevant time, the following: (i) the timing of or circumstances under which related payments would or may become due or accrue (including as a result of any default, acceleration, termination, wind-up, liquidation or realization) that, in each case, is inconsistent with the Fair Allocation Amount; (ii) the appointment, obligations or duties of OPG as the Manager; (iii) the existence, powers or authority of the Financing Entity or the Financing Entity Trustee; (iv) the obligations of the Indenture Trustee to or in respect of the Province as a Specified Creditor; (v) the payment provisions and associated priorities set forth in the Trust Indenture; (vi) compliance by the FSM with the then applicable Financing Plan; (vii) compliance by the FSM or the Financing Entity with the Act or the General Regulation; or (viii) the Province's rights of subrogation or assignment (including pursuant to Sections 1.05, 2.01 or 5.01 of the Change of Law Protection Agreement) or its interests as a subrogee or an assignee, that would arise as a result of performing the Limited Guarantee in respect of the applicable Primary Obligation."

Subject: RE: EXTERNAL – Delivery of Reference Documentation to Province

Hi Malle, Alena and Toby, Happy New Year to all of you. John forwarded the email below and attached and asked that I connect with you and provide an update. I have included the business folks on this email to make sure we are all on the same page. As John notes below, we had been working towards being in a position to commence marketing for the term deal on January 15th but if marketing is pushed to January 22 or later, then a waiver of the 10 business day requirement should not be necessary. I will let our respective clients advise us on that point and we can come back to the logistics/process for obtaining a waiver should we need one.

We are planning on delivering the following additional reference documentation to the Province tomorrow:

(1) Supplemental Indenture for the Series 2018-1 Term Notes

(2) Supplemental Indenture for the Series 2018-1 Subordinated Term Notes

(3) Supplemental Indenture for the Series 2018-1 Junior Subordinated Term Notes

(4) Agency Agreement

(5) Offering Memorandum (including the investor presentation attached as an exhibit to the OM)

(6) Term Sheet supplementing the Offering Memorandum

As you may recall, under the change of law process agreement, all deliveries are required to be made by mail, fax or delivered by hand to each of the Ministers and Deputy Ministers of the MOF and the MOE. To comply with the agreement, we plan on hand delivering the above documents to each of the Ministers and Deputy Ministers tomorrow. We can also email all of these documents to all of you and anyone else you would like us to send these to (in addition to Scott Thompson, Gadi Mayman, Anna Strathy, David McLean, Jonathan Tekle, Mike Manning and Ken Kandeepan -- as requested in Ken's email below). I believe that earlier drafts of all of the term supplemental indentures and the agency agreement were previously circulated to you -- for ease of reference, please let us know if it would be helpful for us to include blacklines to the last versions we sent to you in the email.

Let us know if you agree with the above approach, and feel free to reach out if you have any questions or would like to discuss.

Malle, you had also asked about delivery of the documents from the warehouse closing -- closing books are in progress and we expect to have those ready for circulation next week. Again, in order to comply with the change of law process agreement, the electronic closing books will be delivered to the Ministers and Deputy Ministers of each of the MOF and MOE, but we are happy to also send a copy to others on your instruction.

Thanks,

Rima

Ken/Steen:

We are operating under the assumption that it was the Province desire to execute the term deal as early as possible in 2018 which would involve a launch on the 15th. If the preference is now to adhere to the 10 business day requirement and not waive it we are happy to do so and commence marketing later in the month on the 22nd.

Please advise and we will adjust the work plan accordingly.

Hi John

I spoke to our DM's office and Scott's email is Scott.Thompson@ontario.ca, As required by the Process Agreement between the Province and OPG, pls forward the documents pertaining to the upcoming term deal by email to Scott with a cc to the following:

Gadi Mayman, Anna Strathy, David McLean (cc'ed above), Jonathan Tekle (also cc'ed above), Mike and myself.

Given that the Process Agreement requires OPG to also provide the same documents to MOE, I am cc'ing Steen and Tim so that they can inform their DM's Office as well.

With regard to the waiver, pls see Malle's comments below, it would also be useful if OPG were to provide a rationale as to why waiving the 10 business days requirement which may allow for term debt issuance in mid-January by the Trust is more beneficial than issuance either later in the same month or early February.

Thanks

It would be very helpful if OPG and Torys could provide to us a timetable and schedule for delivery of reference documents that are being prepared and when do we expect to get them and when is the proposed issuance. On that basis we can review the timing and determine whether a waiver will be necessary and if it is how it might be processed. Unfortunately we haven't received any updates or draft documents since the closing of the warehouse deal. Also is there a plan for distributing to the Province the documents from the warehouse closing?

I should add that the waiver of the 10 BD requirement needs to be executed in writing by the Province (which means we will need signatures from each Minister). Will that be achievable? If not, perhaps we can proceed on the basis of an email waiver with the waiver signed by the Ministers to follow as soon as possible. Sorry but it is going to be a pain in the butt navigating through this agreement … hopefully the Province will realize that and agree to make some

amendments!

Subject: RE: EXTERNAL – Delivery of Reference Documentation to Province

Thanks for the update, Malle.

I'm not sure how this materiality discussion will relate to the Province commenting on the OM. The base form of the OM was not envisioned as of December 20th, and so it is unclear to me that the material effect discussion is relevant for that purpose.

I have been expecting that the Province would be quite involved in the production of the OM, and not just for information purposes.

To illustrate the sorts of items I would anticipate being relevant to the Province in reviewing the OM, I attach a partial mark-up of the Nov 17th OM (the only one we ever saw) to show how (among other things) the narratives included at that time were not aligned with the legislation. The partial mark-up is a comparison to the version circulated by Alena that included James Rehob's comments. Also, as you know, the Change of Law terms were substantially settled after November 17th, and so those portions of the OM will also be quite different.

Generally, the sorts of things I think the Province may be concerned about in reviewing the OM will include:

(a) ensuring that the description of the Protection Agreement is accurate and does not overstate the Province's obligations,

(b) ensuring that the limitations contemplated in s. 40 of OFHPA and s.19 of the General Regulation have been observed,

(c) eliminating any implied/moral undertakings by the Province to bondholders,

(d) scrutinizing any "risk factors", particularly as they might relate to the context in which Protection Events may arise,

(e) confirming any disclosures regarding the Province's (Ministers') roles, including in setting the "fair allocation amount", accepting the "Financing Plan" provided to the Minister of Energy, etc.,

(f) ensuring that any description of the Crown, Crown immunity, the OFHPA, the regulations made under it, the OIC, the authority of the LGIC, the provisions of the Electricity Act and related regulations and processes, the Financing Plan, the electricity market regulatory infrastructure and other relevant legal principles and contexts are all properly and accurately described (recognizing the risk that any statement may be attributed to the Province based on its close proximity to the program, and could become consequential in any future legal process that seeks to interpret the statute),

(g) scrutinizing disclosures that could later become evidence in any legal proceeding that would challenge the validity of the OFHPA and related laws,

(h) confirming any "electricity market" disclosures that could impact on underlying considerations, such as the potential for and impact of off-grid migration and by-pass risks, and

(i) the propriety of disclosures regarding matters that could impact on the pricing or rating of the issued bonds.

(This list was previously included in my November 22nd due diligence note to the Province's lawyer team.)

In addition, the Province will need to confirm how James Rehob's earlier comments have been reflected in the OM.

Given all this and the offering timing described by Torys, I think it makes sense to insist on getting the OM now and confirming with OPG that the Province will be taking a careful look at the document, which will take some time (at least 5 business days), and so that could impact the overall timing.

I will be tied up from 930 to 1030, but then free until 1145.

Regards, Steve

Subject: FW: EXTERNAL – Delivery of Reference Documentation to Province

As you know prior to the warehouse closing we were sent informally drafts of the reference documents as they developed. Since Dec 20th we have received no further drafts of these documents. I don't understand whether it is OPG's plan that they send final transactions documents today (10 days before) and then the Province has the right to object based on the parameters of "material effect" as defined in the Process Agreement. A draft of the investor presentation was circulated to the Province and some comments were being collected yesterday by Energy and the OFA.

""Material Effect" means a material adverse effect on the obligations or the rights of the Province under the Limited Guarantee, the Change of Law Protection Agreement or this Agreement that relates to, and in each case, differs in any material respect from the terms or conditions applicable to any other Transaction Document that forms part of the Reference Documentation at the relevant time, the following: (i) the timing of or circumstances under which related payments would or may become due or accrue (including as a result of any default, acceleration, termination, wind-up, liquidation or realization) that, in each case, is inconsistent with the Fair Allocation Amount; (ii) the appointment, obligations or duties of OPG as the Manager; (iii) the existence, powers or authority of the Financing Entity or the Financing Entity Trustee; (iv) the obligations of the Indenture Trustee to or in respect of the Province as a Specified Creditor; (v) the payment provisions and associated priorities set forth in the Trust Indenture; (vi) compliance by the FSM with the then applicable Financing Plan; (vii) compliance by the FSM or the Financing Entity with the Act or the General Regulation; or (viii) the Province's rights of subrogation or assignment (including pursuant to Sections 1.05, 2.01 or 5.01 of the Change of Law Protection Agreement) or its interests as a subrogee or an assignee, that would arise as a result of performing the Limited Guarantee in respect of the applicable Primary Obligation."

Subject: RE: EXTERNAL – Delivery of Reference Documentation to Province

Hi Malle, Alena and Toby, Happy New Year to all of you. John forwarded the email below and attached and asked that I connect with you and provide an update. I have included the business folks on this email to make sure we are all on the same page. As John notes below, we had been working towards being in a position to commence marketing for the term deal on January 15th but if marketing is pushed to January 22 or later, then a waiver of the 10 business day requirement should not be necessary. I will let our respective clients advise us on that point and we can come back to the logistics/process for obtaining a waiver should we need one.

We are planning on delivering the following additional reference documentation to the Province tomorrow:

(1) Supplemental Indenture for the Series 2018-1 Term Notes

(2) Supplemental Indenture for the Series 2018-1 Subordinated Term Notes

(3) Supplemental Indenture for the Series 2018-1 Junior Subordinated Term Notes

(4) Agency Agreement

(5) Offering Memorandum (including the investor presentation attached as an exhibit to the OM)

(6) Term Sheet supplementing the Offering Memorandum

As you may recall, under the change of law process agreement, all deliveries are required to be made by mail, fax or delivered by hand to each of the Ministers and Deputy Ministers of the MOF and the MOE. To comply with the agreement, we plan on hand delivering the above documents to each of the Ministers and Deputy Ministers tomorrow. We can also email all of these documents to all of you and anyone else you would like us to send these to (in addition to Scott Thompson, Gadi Mayman, Anna Strathy, David McLean, Jonathan Tekle, Mike Manning and Ken Kandeepan -- as requested in Ken's email below). I believe that earlier drafts of all of the term supplemental indentures and the agency agreement were previously circulated to you -- for ease of reference, please let us know if it would be helpful for us to include blacklines to the last versions we sent to you in the email.

Let us know if you agree with the above approach, and feel free to reach out if you have any questions or would like to discuss.

Malle, you had also asked about delivery of the documents from the warehouse closing -- closing books are in progress and we expect to have those ready for circulation next week. Again, in order to comply with the change of law process agreement, the electronic closing books will be delivered to the Ministers and Deputy Ministers of each of the MOF and MOE, but we are happy to also send a copy to others on your instruction.

Thanks,

Rima

Ken/Steen:

We are operating under the assumption that it was the Province desire to execute the term deal as early as possible in 2018 which would involve a launch on the 15th. If the preference is now to adhere to the 10 business day requirement and not waive it we are happy to do so and commence marketing later in the month on the 22nd.

Please advise and we will adjust the work plan accordingly.

Hi John

I spoke to our DM's office and Scott's email is Scott.Thompson@ontario.ca, As required by the Process Agreement between the Province and OPG, pls forward the documents pertaining to the upcoming term deal by email to Scott with a cc to the following:

Gadi Mayman, Anna Strathy, David McLean (cc'ed above), Jonathan Tekle (also cc'ed above), Mike and myself.

Given that the Process Agreement requires OPG to also provide the same documents to MOE, I am cc'ing Steen and Tim so that they can inform their DM's Office as well.

With regard to the waiver, pls see Malle's comments below, it would also be useful if OPG were to provide a rationale as to why waiving the 10 business days requirement which may allow for term debt issuance in mid-January by the Trust is more beneficial than issuance either later in the same month or early February.

Thanks

It would be very helpful if OPG and Torys could provide to us a timetable and schedule for delivery of reference documents that are being prepared and when

do we expect to get them and when is the proposed issuance. On that basis we can review the timing and determine whether a waiver will be necessary and if it is how it might be processed. Unfortunately we haven't received any updates or draft documents since the closing of the warehouse deal. Also is there a plan for distributing to the Province the documents from the warehouse closing?

Please advise.

I should add that the waiver of the 10 BD requirement needs to be executed in writing by the Province (which means we will need signatures from each Minister). Will that be achievable? If not, perhaps we can proceed on the basis of an email waiver with the waiver signed by the Ministers to follow as soon as

possible. Sorry but it is going to be a pain in the butt navigating through this agreement … hopefully the Province will realize that and agree to make some amendments!

OK. I assume the DM of Finance will sign off on behalf of the Minister of Finance. But what about the Minister of Energy? The agreement requires notices to both Ministers on behalf of the Province and I recall on the warehouse closing, we had to wait for a representative from each Ministry to sign off.

I was speaking to Ken Kandeepan on the process this afternoon and he indicated to me that we should send the documents and the waiver request to the Deputy Minister of Finance with a cc. Gadi. Ken was going to send along the contact info for the DM of Finance and also alert their Office of the inbound email so they would not be surprised.

Subject: RE: EXTERNAL – Delivery of Reference Documentation to Province

Thanks for the update, Malle.

I'm not sure how this materiality discussion will relate to the Province commenting on the OM. The base form of the OM was not envisioned as of December 20th, and so it is unclear to me that the material effect discussion is relevant for that purpose.

I have been expecting that the Province would be quite involved in the production of the OM, and not just for information purposes.

To illustrate the sorts of items I would anticipate being relevant to the Province in reviewing the OM, I attach a partial mark-up of the Nov 17th OM (the only one we ever saw) to show how (among other things) the narratives included at that time were not aligned with the legislation. The partial mark-up is a comparison to the version circulated by Alena that included James Rehob's comments. Also, as you know, the Change of Law terms were substantially settled after November 17th, and so those portions of the OM will also be quite different.

Generally, the sorts of things I think the Province may be concerned about in reviewing the OM will include:

(a) ensuring that the description of the Protection Agreement is accurate and does not overstate the Province's obligations,

(b) ensuring that the limitations contemplated in s. 40 of OFHPA and s.19 of the General Regulation have been observed,

(c) eliminating any implied/moral undertakings by the Province to bondholders,

(d) scrutinizing any "risk factors", particularly as they might relate to the context in which Protection Events may arise,

(e) confirming any disclosures regarding the Province's (Ministers') roles, including in setting the "fair allocation amount", accepting the "Financing Plan" provided to the Minister of Energy, etc.,

(f) ensuring that any description of the Crown, Crown immunity, the OFHPA, the regulations made under it, the OIC, the authority of the LGIC, the provisions of the Electricity Act and related regulations and processes, the Financing Plan, the electricity market regulatory infrastructure and other relevant legal principles and contexts are all properly and accurately described (recognizing the risk that any statement may be attributed to the Province based on its close proximity to the program, and could become consequential in any future legal process that seeks to interpret the statute),

(g) scrutinizing disclosures that could later become evidence in any legal proceeding that would challenge the validity of the OFHPA and related laws,

(h) confirming any "electricity market" disclosures that could impact on underlying considerations, such as the potential for and impact of off-grid migration and by-pass risks, and

(i) the propriety of disclosures regarding matters that could impact on the pricing or rating of the issued bonds.

(This list was previously included in my November 22nd due diligence note to the Province's lawyer team.)

In addition, the Province will need to confirm how James Rehob's earlier comments have been reflected in the OM.

Given all this and the offering timing described by Torys, I think it makes sense to insist on getting the OM now and confirming with OPG that the Province will be taking a careful look at the document, which will take some time (at least 5 business days), and so that could impact the overall timing.

I will be tied up from 930 to 1030, but then free until 1145.

Regards, Steve

As you know prior to the warehouse closing we were sent informally drafts of the reference documents as they developed. Since Dec 20th we have received no further drafts of these documents. I don't understand whether it is OPG's plan that they send final transactions documents today (10 days before) and then the Province has the right to object based on the parameters of "material effect" as defined in the Process Agreement. A draft of the investor presentation was circulated to the Province and some comments were being collected yesterday by Energy and the OFA.

""Material Effect" means a material adverse effect on the obligations or the rights of the Province under the Limited Guarantee, the Change of Law Protection Agreement or this Agreement that relates to, and in each case, differs in any material respect from the terms or conditions applicable to any other Transaction Document that forms part of the Reference Documentation at the relevant time, the following: (i) the timing of or circumstances under which related payments would or may become due or accrue (including as a result of any default, acceleration, termination, wind-up, liquidation or realization) that, in each case, is inconsistent with the Fair Allocation Amount; (ii) the appointment, obligations or duties of OPG as the Manager; (iii) the existence, powers or authority of the Financing Entity or the Financing Entity Trustee; (iv) the obligations of the Indenture Trustee to or in respect of the Province as a Specified Creditor; (v) the payment provisions and associated priorities set forth in the Trust Indenture; (vi) compliance by the FSM with the then applicable Financing Plan; (vii) compliance by the FSM or the Financing Entity with the Act or the General Regulation; or (viii) the Province's rights of subrogation or assignment (including pursuant to Sections 1.05, 2.01 or 5.01 of the Change of Law Protection Agreement) or its interests as a subrogee or an assignee, that would arise as a result of performing the Limited Guarantee in respect of the applicable Primary Obligation."

Subject: RE: EXTERNAL – Delivery of Reference Documentation to Province

Hi Malle, Alena and Toby, Happy New Year to all of you. John forwarded the email below and attached and asked that I connect with you and provide an update. I have included the business folks on this email to make sure we are all on the same page. As John notes below, we had been working towards being in a position to commence marketing for the term deal on January 15th but if marketing is pushed to January 22 or later, then a waiver of the 10 business day requirement should not be necessary. I will let our respective clients advise us on that point and we can come back to the logistics/process for obtaining a waiver should we need one.

We are planning on delivering the following additional reference documentation to the Province tomorrow:

(1) Supplemental Indenture for the Series 2018-1 Term Notes

(2) Supplemental Indenture for the Series 2018-1 Subordinated Term Notes

(3) Supplemental Indenture for the Series 2018-1 Junior Subordinated Term Notes

(4) Agency Agreement

(5) Offering Memorandum (including the investor presentation attached as an exhibit to the OM)

(6) Term Sheet supplementing the Offering Memorandum

As you may recall, under the change of law process agreement, all deliveries are required to be made by mail, fax or delivered by hand to each of the Ministers and Deputy Ministers of the MOF and the MOE. To comply with the agreement, we plan on hand delivering the above documents to each of the Ministers and Deputy Ministers tomorrow. We can also email all of these documents to all of you and anyone else you would like us to send these to (in addition to Scott Thompson, Gadi Mayman, Anna Strathy, David McLean, Jonathan Tekle, Mike Manning and Ken Kandeepan -- as requested in Ken's email below). I believe that earlier drafts of all of the term supplemental indentures and the agency agreement were previously circulated to you -- for ease of reference, please let us know if it would be helpful for us to include blacklines to the last versions we sent to you in the email.

Let us know if you agree with the above approach, and feel free to reach out if you have any questions or would like to discuss.

Malle, you had also asked about delivery of the documents from the warehouse closing -- closing books are in progress and we expect to have those ready for circulation next week. Again, in order to comply with the change of law process agreement, the electronic closing books will be delivered to the Ministers and Deputy Ministers of each of the MOF and MOE, but we are happy to also send a copy to others on your instruction.

Thanks,

Rima

Subject: RE: EXTERNAL – RE: Waiver Process

Ken/Steen:

We are operating under the assumption that it was the Province desire to execute the term deal as early as possible in 2018 which would involve a launch on the 15th. If the preference is now to adhere to the 10 business day requirement and not waive it we are happy to do so and commence marketing later in the month on the 22nd.

Please advise and we will adjust the work plan accordingly.

Hi John

I spoke to our DM's office and Scott's email is Scott.Thompson@ontario.ca, As required by the Process Agreement between the Province and OPG, pls forward the documents pertaining to the upcoming term deal by email to Scott with a cc to the following:

Gadi Mayman, Anna Strathy, David McLean (cc'ed above), Jonathan Tekle (also cc'ed above), Mike and myself.

Given that the Process Agreement requires OPG to also provide the same documents to MOE, I am cc'ing Steen and Tim so that they can inform their DM's Office as well.

With regard to the waiver, pls see Malle's comments below, it would also be useful if OPG were to provide a rationale as to why waiving the 10 business days requirement which may allow for term debt issuance in mid-January by the Trust is more beneficial than issuance either later in the same month or early February.

Thanks

It would be very helpful if OPG and Torys could provide to us a timetable and schedule for delivery of reference documents that are being prepared and when do we expect to get them and when is the proposed issuance. On that basis we can review the timing and determine whether a waiver will be necessary and if it is how it might be processed. Unfortunately we haven't received any updates or draft documents since the closing of the warehouse deal. Also is there a plan for distributing to the Province the documents from the warehouse closing?

Thanks

I should add that the waiver of the 10 BD requirement needs to be executed in writing by the Province (which means we will need signatures from each Minister). Will that be achievable? If not, perhaps we can proceed on the basis of an email waiver with the waiver signed by the Ministers to follow as soon as possible. Sorry but it is going to be a pain in the butt navigating through this agreement … hopefully the Province will realize that and agree to make some amendments!

OK. I assume the DM of Finance will sign off on behalf of the Minister of Finance. But what about the Minister of Energy? The agreement requires notices to both Ministers on behalf of the Province and I recall on the warehouse closing, we had to wait for a representative from each Ministry to sign off.

Subject: RE: EXTERNAL – Delivery of Reference Documentation to Province

Thanks for the update, Malle.

I'm not sure how this materiality discussion will relate to the Province commenting on the OM. The base form of the OM was not envisioned as of December 20th, and so it is unclear to me that the material effect discussion is relevant for that purpose.

I have been expecting that the Province would be quite involved in the production of the OM, and not just for information purposes.

To illustrate the sorts of items I would anticipate being relevant to the Province in reviewing the OM, I attach a partial mark-up of the Nov 17th OM (the only one we ever saw) to show how (among other things) the narratives included at that time were not aligned with the legislation. The partial mark-up is a comparison to the version circulated by Alena that included James Rehob's comments. Also, as you know, the Change of Law terms were substantially settled after November 17th, and so those portions of the OM will also be quite different.

Generally, the sorts of things I think the Province may be concerned about in reviewing the OM will include:

(a) ensuring that the description of the Protection Agreement is accurate and does not overstate the Province's obligations,

(b) ensuring that the limitations contemplated in s. 40 of OFHPA and s.19 of the General Regulation have been observed,

(c) eliminating any implied/moral undertakings by the Province to bondholders,

(d) scrutinizing any "risk factors", particularly as they might relate to the context in which Protection Events may arise,

(e) confirming any disclosures regarding the Province's (Ministers') roles, including in setting the "fair allocation amount", accepting the "Financing Plan" provided to the Minister of Energy, etc.,

(f) ensuring that any description of the Crown, Crown immunity, the OFHPA, the regulations made under it, the OIC, the authority of the LGIC, the provisions of the Electricity Act and related regulations and processes, the Financing Plan, the electricity market regulatory infrastructure and other relevant legal principles and contexts are all properly and accurately described (recognizing the risk that any statement may be attributed to the Province based on its close proximity to the program, and could become consequential in any future legal process that seeks to interpret the statute),

(g) scrutinizing disclosures that could later become evidence in any legal proceeding that would challenge the validity of the OFHPA and related laws,

(h) confirming any "electricity market" disclosures that could impact on underlying considerations, such as the potential for and impact of off-grid migration and by-pass risks, and

(i) the propriety of disclosures regarding matters that could impact on the pricing or rating of the issued bonds.

(This list was previously included in my November 22nd due diligence note to the Province's lawyer team.)

In addition, the Province will need to confirm how James Rehob's earlier comments have been reflected in the OM.

Given all this and the offering timing described by Torys, I think it makes sense to insist on getting the OM now and confirming with OPG that the Province will be taking a careful look at the document, which will take some time (at least 5 business days), and so that could impact the overall timing.

I will be tied up from 930 to 1030, but then free until 1145.

Subject: FW: EXTERNAL – Delivery of Reference Documentation to Province

As you know prior to the warehouse closing we were sent informally drafts of the reference documents as they developed. Since Dec 20th we have received no further drafts of these documents. I don't understand whether it is OPG's plan that they send final transactions documents today (10 days before) and then the Province has the right to object based on the parameters of "material effect" as defined in the Process Agreement. A draft of the investor presentation was circulated to the Province and some comments were being collected yesterday by Energy and the OFA.

""Material Effect" means a material adverse effect on the obligations or the rights of the Province under the Limited Guarantee, the Change of Law Protection Agreement or this Agreement that relates to, and in each case, differs in any material respect from the terms or conditions applicable to any other Transaction Document that forms part of the Reference Documentation at the relevant time, the following: (i) the timing of or circumstances under which related payments would or may become due or accrue (including as a result of any default, acceleration, termination, wind-up, liquidation or realization) that, in each case, is inconsistent with the Fair Allocation Amount; (ii) the appointment, obligations or duties of OPG as the Manager; (iii) the existence, powers or authority of the Financing Entity or the Financing Entity Trustee; (iv) the obligations of the Indenture Trustee to or in respect of the Province as a Specified Creditor; (v) the payment provisions and associated priorities set forth in the Trust Indenture; (vi) compliance by the FSM with the then applicable Financing Plan; (vii) compliance by the FSM or the Financing Entity with the Act or the General Regulation; or (viii) the Province's rights of subrogation or assignment (including pursuant to Sections 1.05, 2.01 or 5.01 of the Change of Law Protection Agreement) or its interests as a subrogee or an assignee, that would arise as a result of performing the Limited Guarantee in respect of the applicable Primary Obligation."

Subject: RE: EXTERNAL – Delivery of Reference Documentation to Province

Hi Malle, Alena and Toby, Happy New Year to all of you. John forwarded the email below and attached and asked that I connect with you and provide an update. I have included the business folks on this email to make sure we are all on the same page. As John notes below, we had been working towards being in a position to commence marketing for the term deal on January 15th but if marketing is pushed to January 22 or later, then a waiver of the 10 business day requirement should not be necessary. I will let our respective clients advise us on that point and we can come back to the logistics/process for obtaining a waiver should we need one.

We are planning on delivering the following additional reference documentation to the Province tomorrow:

(1) Supplemental Indenture for the Series 2018-1 Term Notes

(2) Supplemental Indenture for the Series 2018-1 Subordinated Term Notes

(3) Supplemental Indenture for the Series 2018-1 Junior Subordinated Term Notes

(4) Agency Agreement

(5) Offering Memorandum (including the investor presentation attached as an exhibit to the OM)

(6) Term Sheet supplementing the Offering Memorandum

As you may recall, under the change of law process agreement, all deliveries are required to be made by mail, fax or delivered by hand to each of the Ministers and Deputy Ministers of the MOF and the MOE. To comply with the agreement, we plan on hand delivering the above documents to each of the Ministers and Deputy Ministers tomorrow. We can also email all of these documents to all of you and anyone else you would like us to send these to (in addition to Scott Thompson, Gadi Mayman, Anna Strathy, David McLean, Jonathan Tekle, Mike Manning and Ken Kandeepan -- as requested in Ken's email below). I believe that earlier drafts of all of the term supplemental indentures and the agency agreement were previously circulated to you -- for ease of reference, please let us know if it would be helpful for us to include blacklines to the last versions we sent to you in the email.

Let us know if you agree with the above approach, and feel free to reach out if you have any questions or would like to discuss.

Malle, you had also asked about delivery of the documents from the warehouse closing -- closing books are in progress and we expect to have those ready for circulation next week. Again, in order to comply with the change of law process agreement, the electronic closing books will be delivered to the Ministers and Deputy Ministers of each of the MOF and MOE, but we are happy to also send a copy to others on your instruction.

Thanks,

Rima

Ken/Steen:

We are operating under the assumption that it was the Province desire to execute the term deal as early as possible in 2018 which would involve a launch on the 15th. If the preference is now to adhere to the 10 business day requirement and not waive it we are happy to do so and commence marketing later in the month on the 22nd.

Please advise and we will adjust the work plan accordingly.

Hi John

I spoke to our DM's office and Scott's email is Scott.Thompson@ontario.ca, As required by the Process Agreement between the Province and OPG, pls forward the documents pertaining to the upcoming term deal by email to Scott with a cc to the following:

Gadi Mayman, Anna Strathy, David McLean (cc'ed above), Jonathan Tekle (also cc'ed above), Mike and myself.

Given that the Process Agreement requires OPG to also provide the same documents to MOE, I am cc'ing Steen and Tim so that they can inform their DM's Office as well.

With regard to the waiver, pls see Malle's comments below, it would also be useful if OPG were to provide a rationale as to why waiving the 10 business days requirement which may allow for term debt issuance in mid-January by the Trust is more beneficial than issuance either later in the same month or early February.

Thanks

It would be very helpful if OPG and Torys could provide to us a timetable and schedule for delivery of reference documents that are being prepared and when do we expect to get them and when is the proposed issuance. On that basis we can review the timing and determine whether a waiver will be necessary and if it is how it might be processed. Unfortunately we haven't received any updates or draft documents since the closing of the warehouse deal. Also is there a plan for distributing to the Province the documents from the warehouse closing?

Thanks

I should add that the waiver of the 10 BD requirement needs to be executed in writing by the Province (which means we will need signatures from each Minister). Will that be achievable? If not, perhaps we can proceed on the basis of an email waiver with the waiver signed by the Ministers to follow as soon as possible. Sorry but it is going to be a pain in the butt navigating through this agreement … hopefully the Province will realize that and agree to make some amendments!

OK. I assume the DM of Finance will sign off on behalf of the Minister of Finance. But what about the Minister of Energy? The agreement requires notices to both Ministers on behalf of the Province and I recall on the warehouse closing, we had to wait for a representative from each Ministry to sign off.

Subject: RE: EXTERNAL – Delivery of Reference Documentation to Province

Thanks for the update, Malle.

I'm not sure how this materiality discussion will relate to the Province commenting on the OM. The base form of the OM was not envisioned as of December 20th, and so it is unclear to me that the material effect discussion is relevant for that purpose.

I have been expecting that the Province would be quite involved in the production of the OM, and not just for information purposes.

To illustrate the sorts of items I would anticipate being relevant to the Province in reviewing the OM, I attach a partial mark-up of the Nov 17th OM (the only one we ever saw) to show how (among other things) the narratives included at that time were not aligned with the legislation. The partial mark-up is a comparison to the version circulated by Alena that included James Rehob's comments. Also, as you know, the Change of Law terms were substantially settled after November 17th, and so those portions of the OM will also be quite different.

Generally, the sorts of things I think the Province may be concerned about in reviewing the OM will include:

(a) ensuring that the description of the Protection Agreement is accurate and does not overstate the Province's obligations,

(b) ensuring that the limitations contemplated in s. 40 of OFHPA and s.19 of the General Regulation have been observed,

(c) eliminating any implied/moral undertakings by the Province to bondholders,

(d) scrutinizing any "risk factors", particularly as they might relate to the context in which Protection Events may arise,

(e) confirming any disclosures regarding the Province's (Ministers') roles, including in setting the "fair allocation amount", accepting the "Financing Plan" provided to the Minister of Energy, etc.,

(f) ensuring that any description of the Crown, Crown immunity, the OFHPA, the regulations made under it, the OIC, the authority of the LGIC, the provisions of the Electricity Act and related regulations and processes, the Financing Plan, the electricity market regulatory infrastructure and other relevant legal principles and contexts are all properly and accurately described (recognizing the risk that any statement may be attributed to the Province based on its close proximity to the program, and could become consequential in any future legal process that seeks to interpret the statute),

(g) scrutinizing disclosures that could later become evidence in any legal proceeding that would challenge the validity of the OFHPA and related laws,

(h) confirming any "electricity market" disclosures that could impact on underlying considerations, such as the potential for and impact of off-grid migration and by-pass risks, and

(i) the propriety of disclosures regarding matters that could impact on the pricing or rating of the issued bonds.

(This list was previously included in my November 22nd due diligence note to the Province's lawyer team.)

In addition, the Province will need to confirm how James Rehob's earlier comments have been reflected in the OM.

Given all this and the offering timing described by Torys, I think it makes sense to insist on getting the OM now and confirming with OPG that the Province will be taking a careful look at the document, which will take some time (at least 5 business days), and so that could impact the overall timing.

I will be tied up from 930 to 1030, but then free until 1145.

As you know prior to the warehouse closing we were sent informally drafts of the reference documents as they developed. Since Dec 20th we have received no further drafts of these documents. I don't understand whether it is OPG's plan that they send final transactions documents today (10 days before) and then the Province has the right to object based on the parameters of "material effect" as defined in the Process Agreement. A draft of the investor presentation was circulated to the Province and some comments were being collected yesterday by Energy and the OFA.

""Material Effect" means a material adverse effect on the obligations or the rights of the Province under the Limited Guarantee, the Change of Law Protection Agreement or this Agreement that relates to, and in each case, differs in any material respect from the terms or conditions applicable to any other Transaction Document that forms part of the Reference Documentation at the relevant time, the following: (i) the timing of or circumstances under which related payments would or may become due or accrue (including as a result of any default, acceleration, termination, wind-up, liquidation or realization) that, in each case, is inconsistent with the Fair Allocation Amount; (ii) the appointment, obligations or duties of OPG as the Manager; (iii) the existence, powers or authority of the Financing Entity or the Financing Entity Trustee; (iv) the obligations of the Indenture Trustee to or in respect of the Province as a Specified Creditor; (v) the payment provisions and associated priorities set forth in the Trust Indenture; (vi) compliance by the FSM with the then applicable Financing Plan; (vii) compliance by the FSM or the Financing Entity with the Act or the General Regulation; or (viii) the Province's rights of subrogation or assignment (including pursuant to Sections 1.05, 2.01 or 5.01 of the Change of Law Protection Agreement) or its interests as a subrogee or an assignee, that would arise as a result of performing the Limited Guarantee in respect of the applicable Primary Obligation."

Hi Rima,

I have a further question for clarification and perhaps it would make sense to have a call this morning. As you know we have not seen any further drafts of these documents since before the warehouse closing. Have all of these transaction documents now been done in final form? What is their status?

Thanks,

Thanks for the update. I think it would be helpful if you included Toby, Alena and myself on the email where you attach the documents in order to save time. Also it would be helpful if you include track changes versions as you suggest.

Thanks

Subject: RE: EXTERNAL – Delivery of Reference Documentation to Province

Hi Malle, Alena and Toby, Happy New Year to all of you. John forwarded the email below and attached and asked that I connect with you and provide an update. I have included the business folks on this email to make sure we are all on the same page. As John notes below, we had been working towards being in a position to commence marketing for the term deal on January 15th but if marketing is pushed to January 22 or later, then a waiver of the 10 business day requirement should not be necessary. I will let our respective clients advise us on that point and we can come back to the logistics/process for obtaining a waiver should we need one.

We are planning on delivering the following additional reference documentation to the Province tomorrow:

(1) Supplemental Indenture for the Series 2018-1 Term Notes

(2) Supplemental Indenture for the Series 2018-1 Subordinated Term Notes

(3) Supplemental Indenture for the Series 2018-1 Junior Subordinated Term Notes

(4) Agency Agreement

(5) Offering Memorandum (including the investor presentation attached as an exhibit to the OM)

(6) Term Sheet supplementing the Offering Memorandum

As you may recall, under the change of law process agreement, all deliveries are required to be made by mail, fax or delivered by hand to each of the Ministers and Deputy Ministers of the MOF and the MOE. To comply with the agreement, we plan on hand delivering the above documents to each of the Ministers and Deputy Ministers tomorrow. We can also email all of these documents to all of you and anyone else you would like us to send these to (in addition to Scott Thompson, Gadi Mayman, Anna Strathy, David McLean, Jonathan Tekle, Mike Manning and Ken Kandeepan -- as requested in Ken's email below). I believe that earlier drafts of all of the term supplemental indentures and the agency agreement were previously circulated to you -- for ease of reference, please let us know if it would be helpful for us to include blacklines to the last versions we sent to you in the email.

Let us know if you agree with the above approach, and feel free to reach out if you have any questions or would like to discuss.

Malle, you had also asked about delivery of the documents from the warehouse closing -- closing books are in progress and we expect to have those ready for circulation next week. Again, in order to comply with the change of law process agreement, the electronic closing books will be delivered to the Ministers and Deputy Ministers of each of the MOF and MOE, but we are happy to also send a copy to others on your instruction.

Thanks,

Rima

Ken/Steen:

We are operating under the assumption that it was the Province desire to execute the term deal as early as possible in 2018 which would involve a launch on the 15th. If the preference is now to adhere to the 10 business day requirement and not waive it we are happy to do so and commence marketing later in the month on the 22nd.

Please advise and we will adjust the work plan accordingly.

Hi John

I spoke to our DM's office and Scott's email is Scott.Thompson@ontario.ca, As required by the Process Agreement between the Province and OPG, pls forward the documents pertaining to the upcoming term deal by email to Scott with a cc to the following:

Gadi Mayman, Anna Strathy, David McLean (cc'ed above), Jonathan Tekle (also cc'ed above), Mike and myself.

Given that the Process Agreement requires OPG to also provide the same documents to MOE, I am cc'ing Steen and Tim so that they can inform their DM's Office as well.

With regard to the waiver, pls see Malle's comments below, it would also be useful if OPG were to provide a rationale as to why waiving the 10 business days requirement which may allow for term debt issuance in mid-January by the Trust is more beneficial than issuance either later in the same month or early February.

Thanks

It would be very helpful if OPG and Torys could provide to us a timetable and schedule for delivery of reference documents that are being prepared and when do we expect to get them and when is the proposed issuance. On that basis we can review the timing and determine whether a waiver will be necessary and if it is how it might be processed. Unfortunately we haven't received any updates or draft documents since the closing of the warehouse deal. Also is there a plan for distributing to the Province the documents from the warehouse closing?

Thanks

I should add that the waiver of the 10 BD requirement needs to be executed in writing by the Province (which means we will need signatures from each Minister). Will that be achievable? If not, perhaps we can proceed on the basis of an email waiver with the waiver signed by the Ministers to follow as soon as possible. Sorry but it is going to be a pain in the butt navigating through this agreement … hopefully the Province will realize that and agree to make some amendments!

Subject: RE: EXTERNAL – Delivery of Reference Documentation to Province

Thanks for the update, Malle.

I'm not sure how this materiality discussion will relate to the Province commenting on the OM. The base form of the OM was not envisioned as of December 20th, and so it is unclear to me that the material effect discussion is relevant for that purpose.

I have been expecting that the Province would be quite involved in the production of the OM, and not just for information purposes.

To illustrate the sorts of items I would anticipate being relevant to the Province in reviewing the OM, I attach a partial mark-up of the Nov 17th OM (the only one we ever saw) to show how (among other things) the narratives included at that time were not aligned with the legislation. The partial mark-up is a comparison to the version circulated by Alena that included James Rehob's comments. Also, as you know, the Change of Law terms were substantially settled after November 17th, and so those portions of the OM will also be quite different.

Generally, the sorts of things I think the Province may be concerned about in reviewing the OM will include:

(a) ensuring that the description of the Protection Agreement is accurate and does not overstate the Province's obligations,

(b) ensuring that the limitations contemplated in s. 40 of OFHPA and s.19 of the General Regulation have been observed,

(c) eliminating any implied/moral undertakings by the Province to bondholders,

(d) scrutinizing any “risk factors”, particularly as they might relate to the context in which Protection Events may arise,

(e) confirming any disclosures regarding the Province’s (Ministers’) roles, including in setting the “fair allocation amount”, accepting the “Financing Plan” provided to the Minister of Energy, etc.,

(f) ensuring that any description of the Crown, Crown immunity, the OFHPA, the regulations made under it, the OIC, the authority of the LGIC, the provisions of the Electricity Act and related regulations and processes, the Financing Plan, the electricity market regulatory infrastructure and other relevant legal principles and contexts are all properly and accurately described (recognizing the risk that any statement may be attributed to the Province based on its close proximity to the program, and could become consequential in any future legal process that seeks to interpret the statute),

(g) scrutinizing disclosures that could later become evidence in any legal proceeding that would challenge the validity of the OFHPA and related laws,

(h) confirming any “electricity market” disclosures that could impact on underlying considerations, such as the potential for and impact of off-grid migration and by-pass risks, and

(i) the propriety of disclosures regarding matters that could impact on the pricing or rating of the issued bonds.

(This list was previously included in my November 22nd due diligence note to the Province's lawyer team.)

In addition, the Province will need to confirm how James Rehob's earlier comments have been reflected in the OM.

Given all this and the offering timing described by Torys, I think it makes sense to insist on getting the OM now and confirming with OPG that the Province will be taking a careful look at the document, which will take some time (at least 5 business days), and so that could impact the overall timing.

I will be tied up from 930 to 1030, but then free until 1145.

Subject: FW: EXTERNAL – Delivery of Reference Documentation to Province

As you know prior to the warehouse closing we were sent informally drafts of the reference documents as they developed. Since Dec 20th we have received no further drafts of these documents. I don't understand whether it is OPG's plan that they send final transactions documents today (10 days before) and then the Province has the right to object based on the parameters of "material effect" as defined in the Process Agreement. A draft of the investor presentation was circulated to the Province and some comments were being collected yesterday by Energy and the OFA.

""Material Effect" means a material adverse effect on the obligations or the rights of the Province under the Limited Guarantee, the Change of Law Protection Agreement or this Agreement that relates to, and in each case, differs in any material respect from the terms or conditions applicable to any other Transaction Document that forms part of the Reference Documentation at the relevant time, the following: (i) the timing of or circumstances under which related payments would or may become due or accrue (including as a result of any default, acceleration, termination, wind-up, liquidation or realization) that, in each case, is inconsistent with the Fair Allocation Amount; (ii) the appointment, obligations or duties of OPG as the Manager; (iii) the existence, powers or authority of the Financing Entity or the Financing Entity Trustee; (iv) the obligations of the Indenture Trustee to or in respect of the Province as a Specified Creditor; (v) the payment provisions and associated priorities set forth in the Trust Indenture; (vi) compliance by the FSM with the then applicable Financing Plan; (vii) compliance by the FSM or the Financing Entity with the Act or the General Regulation; or (viii) the Province's rights of subrogation or assignment (including pursuant to Sections 1.05, 2.01 or 5.01 of the Change of Law Protection Agreement) or its interests as a subrogee or an assignee, that would arise as a result of performing the Limited Guarantee in respect of the applicable Primary Obligation."

Hi Rima,

I have a further question for clarification and perhaps it would make sense to have a call this morning. As you know we have not seen any further drafts of these documents since before the warehouse closing. Have all of these transaction documents now been done in final form? What is their status?

Thanks,

Thanks for the update. I think it would be helpful if you included Toby, Alena and myself on the email where you attach the documents in order to save time. Also it would be helpful if you include track changes versions as you suggest.

Thanks

Subject: RE: EXTERNAL – Delivery of Reference Documentation to Province

Hi Malle, Alena and Toby, Happy New Year to all of you. John forwarded the email below and attached and asked that I connect with you and provide an update. I have included the business folks on this email to make sure we are all on the same page. As John notes below, we had been working towards being in a position to commence marketing for the term deal on January 15th but if marketing is pushed to January 22 or later, then a waiver of the 10 business day requirement should not be necessary. I will let our respective clients advise us on that point and we can come back to the logistics/process for obtaining a waiver should we need one.

We are planning on delivering the following additional reference documentation to the Province tomorrow:

(1) Supplemental Indenture for the Series 2018-1 Term Notes

(2) Supplemental Indenture for the Series 2018-1 Subordinated Term Notes

(3) Supplemental Indenture for the Series 2018-1 Junior Subordinated Term Notes

(4) Agency Agreement

(5) Offering Memorandum (including the investor presentation attached as an exhibit to the OM)

(6) Term Sheet supplementing the Offering Memorandum

As you may recall, under the change of law process agreement, all deliveries are required to be made by mail, fax or delivered by hand to each of the Ministers and Deputy Ministers of the MOF and the MOE. To comply with the agreement, we plan on hand delivering the above documents to each of the Ministers and Deputy Ministers tomorrow. We can also email all of these documents to all of you and anyone else you would like us to send these to (in addition to Scott Thompson, Gadi Mayman, Anna Strathy, David McLean, Jonathan Tekle, Mike Manning and Ken Kandeepan -- as requested in Ken's email below). I believe that earlier drafts of all of the term supplemental indentures and the agency agreement were previously circulated to you -- for ease of reference, please let us know if it would be helpful for us to include blacklines to the last versions we sent to you in the email.

Let us know if you agree with the above approach, and feel free to reach out if you have any questions or would like to discuss.

Malle, you had also asked about delivery of the documents from the warehouse closing -- closing books are in progress and we expect to have those ready for circulation next week. Again, in order to comply with the change of law process agreement, the electronic closing books will be delivered to the Ministers and Deputy Ministers of each of the MOF and MOE, but we are happy to also send a copy to others on your instruction.

Thanks,

Rima

Ken/Steen:

We are operating under the assumption that it was the Province desire to execute the term deal as early as possible in 2018 which would involve a launch on the 15th. If the preference is now to adhere to the 10 business day requirement and not waive it we are happy to do so and commence marketing later in the month on the 22nd.

Please advise and we will adjust the work plan accordingly.

Hi John

I spoke to our DM's office and Scott's email is Scott.Thompson@ontario.ca, As required by the Process Agreement between the Province and OPG, pls forward the documents pertaining to the upcoming term deal by email to Scott with a cc to the following:

Gadi Mayman, Anna Strathy, David McLean (cc'ed above), Jonathan Tekle (also cc'ed above), Mike and myself.

Given that the Process Agreement requires OPG to also provide the same documents to MOE, I am cc'ing Steen and Tim so that they can inform their DM's Office as well.

With regard to the waiver, pls see Malle's comments below, it would also be useful if OPG were to provide a rationale as to why waiving the 10 business days requirement which may allow for term debt issuance in mid-January by the Trust is more beneficial than issuance either later in the same month or early February.

Thanks

Subject: Re: Waiver Process

It would be very helpful if OPG and Torys could provide to us a timetable and schedule for delivery of reference documents that are being prepared and when do we expect to get them and when is the proposed issuance. On that basis we can review the timing and determine whether a waiver will be necessary and if it is how it might be processed. Unfortunately we haven't received any updates or draft documents since the closing of the warehouse deal. Also is there a plan for distributing to the Province the documents from the warehouse closing?

Thanks

I should add that the waiver of the 10 BD requirement needs to be executed in writing by the Province (which means we will need signatures from each Minister). Will that be achievable? If not, perhaps we can proceed on the basis of an email waiver with the waiver signed by the Ministers to follow as soon as possible. Sorry but it is going to be a pain in the butt navigating through this agreement … hopefully the Province will realize that and agree to make some amendments!

Subject: RE: EXTERNAL – Delivery of Reference Documentation to Province

Thanks for the update, Malle.

I'm not sure how this materiality discussion will relate to the Province commenting on the OM. The base form of the OM was not envisioned as of December 20th, and so it is unclear to me that the material effect discussion is relevant for that purpose.

I have been expecting that the Province would be quite involved in the production of the OM, and not just for information purposes.

To illustrate the sorts of items I would anticipate being relevant to the Province in reviewing the OM, I attach a partial mark-up of the Nov 17th OM (the only one we ever saw) to show how (among other things) the narratives included at that time were not aligned with the legislation. The partial mark-up is a comparison to the version circulated by Alena that included James Rehob's comments. Also, as you know, the Change of Law terms were substantially settled after November 17th, and so those portions of the OM will also be quite different.

Generally, the sorts of things I think the Province may be concerned about in reviewing the OM will include:

(a) ensuring that the description of the Protection Agreement is accurate and does not overstate the Province's obligations,

(b) ensuring that the limitations contemplated in s. 40 of OFHPA and s.19 of the General Regulation have been observed,

(c) eliminating any implied/moral undertakings by the Province to bondholders,

(d) scrutinizing any "risk factors", particularly as they might relate to the context in which Protection Events may arise,

(e) confirming any disclosures regarding the Province's (Ministers') roles, including in setting the "fair allocation amount", accepting the "Financing Plan" provided to the Minister of Energy, etc.,

(f) ensuring that any description of the Crown, Crown immunity, the OFHPA, the regulations made under it, the OIC, the authority of the LGIC, the provisions of the Electricity Act and related regulations and processes, the Financing Plan, the electricity market regulatory infrastructure and other relevant legal principles and contexts are all properly and accurately described (recognizing the risk that any statement may be attributed to the Province based on its close proximity to the program, and could become consequential in any future legal process that seeks to interpret the statute),

(g) scrutinizing disclosures that could later become evidence in any legal proceeding that would challenge the validity of the OFHPA and related laws,

(h) confirming any "electricity market" disclosures that could impact on underlying considerations, such as the potential for and impact of off-grid migration and by-pass risks, and

(i) the propriety of disclosures regarding matters that could impact on the pricing or rating of the issued bonds.

(This list was previously included in my November 22nd due diligence note to the Province's lawyer team.)

In addition, the Province will need to confirm how James Rehob's earlier comments have been reflected in the OM.

Given all this and the offering timing described by Torys, I think it makes sense to insist on getting the OM now and confirming with OPG that the Province will be taking a careful look at the document, which will take some time (at least 5 business days), and so that could impact the overall timing.

I will be tied up from 930 to 1030, but then free until 1145.

Regards, Steve

Subject: FW: EXTERNAL – Delivery of Reference Documentation to Province

As you know prior to the warehouse closing we were sent informally drafts of the reference documents as they developed. Since Dec 20th we have received no further drafts of these documents. I don't understand whether it is OPG's plan that they send final transactions documents today (10 days before) and then the Province has the right to object based on the parameters of "material effect" as defined in the Process Agreement. A draft of the investor presentation was circulated to the Province and some comments were being collected yesterday by Energy and the OFA.

""Material Effect" means a material adverse effect on the obligations or the rights of the Province under the Limited Guarantee, the Change of Law Protection Agreement or this Agreement that relates to, and in each case, differs in any material respect from the terms or conditions applicable to any other Transaction Document that forms part of the Reference Documentation at the relevant time, the following: (i) the timing of or circumstances under which related payments would or may become due or accrue (including as a result of any default, acceleration, termination, wind-up, liquidation or realization) that, in each case, is inconsistent with the Fair Allocation Amount; (ii) the appointment, obligations or duties of OPG as the Manager; (iii) the existence, powers or authority of the Financing Entity or the Financing Entity Trustee; (iv) the obligations of the Indenture Trustee to or in respect of the Province as a Specified Creditor; (v) the payment provisions and associated priorities set forth in the Trust Indenture; (vi) compliance by the FSM with the then applicable Financing Plan; (vii) compliance by the FSM or the Financing Entity with the Act or the General Regulation; or (viii) the Province's rights of subrogation or assignment (including pursuant to Sections 1.05, 2.01 or 5.01 of the Change of Law Protection Agreement) or its interests as a subrogee or an assignee, that would arise as a result of performing the Limited Guarantee in respect of the applicable Primary Obligation."

Thanks,

Thanks

Subject: RE: EXTERNAL – Delivery of Reference Documentation to Province

Hi Malle, Alena and Toby, Happy New Year to all of you. John forwarded the email below and attached and asked that I connect with you and provide an update. I have included the business folks on this email to make sure we are all on the same page. As John notes below, we had been working towards being in a position to commence marketing for the term deal on January 15th but if marketing is pushed to January 22 or later, then a waiver of the 10 business day requirement should not be necessary. I will let our respective clients advise us on that point and we can come back to the logistics/process for obtaining a waiver should we need one.

We are planning on delivering the following additional reference documentation to the Province tomorrow:

(1) Supplemental Indenture for the Series 2018-1 Term Notes

(2) Supplemental Indenture for the Series 2018-1 Subordinated Term Notes

(3) Supplemental Indenture for the Series 2018-1 Junior Subordinated Term Notes

(4) Agency Agreement

(5) Offering Memorandum (including the investor presentation attached as an exhibit to the OM)

(6) Term Sheet supplementing the Offering Memorandum

As you may recall, under the change of law process agreement, all deliveries are required to be made by mail, fax or delivered by hand to each of the Ministers and Deputy Ministers of the MOF and the MOE. To comply with the agreement, we plan on hand delivering the above documents to each of the Ministers and Deputy Ministers tomorrow. We can also email all of these documents to all of you and anyone else you would like us to send these to (in addition to Scott Thompson, Gadi Mayman, Anna Strathy, David McLean, Jonathan Tekle, Mike Manning and Ken Kandeepan -- as requested in Ken's email below). I believe that earlier drafts of all of the term supplemental indentures and the agency agreement were previously circulated to you -- for ease of reference, please let us know if it would be helpful for us to include blacklines to the last versions we sent to you in the email.

Let us know if you agree with the above approach, and feel free to reach out if you have any questions or would like to discuss.

Malle, you had also asked about delivery of the documents from the warehouse closing -- closing books are in progress and we expect to have those ready for circulation next week. Again, in order to comply with the change of law process agreement, the electronic closing books will be delivered to the Ministers and Deputy Ministers of each of the MOF and MOE, but we are happy to also send a copy to others on your instruction.

Thanks,

Rima

Ken/Steen:

We are operating under the assumption that it was the Province desire to execute the term deal as early as possible in 2018 which would involve a launch on the 15th. If the preference is now to adhere to the 10 business day requirement and not waive it we are happy to do so and commence marketing later in the month on the 22nd.

Please advise and we will adjust the work plan accordingly.

Hi John

I spoke to our DM's office and Scott's email is Scott.Thompson@ontario.ca, As required by the Process Agreement between the Province and OPG, pls forward the documents pertaining to the upcoming term deal by email to Scott with a cc to the following:

Gadi Mayman, Anna Strathy, David McLean (cc'ed above), Jonathan Tekle (also cc'ed above), Mike and myself.

Given that the Process Agreement requires OPG to also provide the same documents to MOE, I am cc'ing Steen and Tim so that they can inform their DM's Office as well.

With regard to the waiver, pls see Malle's comments below, it would also be useful if OPG were to provide a rationale as to why waiving the 10 business days requirement which may allow for term debt issuance in mid-January by the Trust is more beneficial than issuance either later in the same month or early February.

Thanks

It would be very helpful if OPG and Torys could provide to us a timetable and schedule for delivery of reference documents that are being prepared and when do we expect to get them and when is the proposed issuance. On that basis we can review the timing and determine whether a waiver will be necessary and if it is how it might be processed. Unfortunately we haven't received any updates or draft documents since the closing of the warehouse deal. Also is there a plan for distributing to the Province the documents from the warehouse closing?

Thanks

I should add that the waiver of the 10 BD requirement needs to be executed in writing by the Province (which means we will need signatures from each Minister). Will that be achievable? If not, perhaps we can proceed on the basis of an email waiver with the waiver signed by the Ministers to follow as soon as possible. Sorry but it is going to be a pain in the butt navigating through this agreement … hopefully the Province will realize that and agree to make some amendments!

From the perspective of both Mike and I the comments and edits are very factual and should not pose any issues to OPG or the Trust should they choose to accept them. If others are of the same opinion, I suggest that either MOF or MOE Legal forward the marked up version to Torys with cc's to the usual suspects.

Hi. Here is a list of items that could be discussed at 9:30, in order to settle on the scope and nature of commenting on the OM:

MOE – Alignment Considerations

1. Simplified references to the OFHPA (general caveat)
2. Scope of descriptions (generally, should be …subject to the OFHPA and the Regulations)
3. "purposes" of the OFHPA (e.g., implies that is rate reduction)
4. Nature and duration of the "moratorium period" (non-legislative)
5. Trust vs. "financing entity" (permit multiple FEs and co-ownership arrangements – minimally described)
6. "Fair Allocation Amount" – amount vs. effect of calculation (imprecise); concept of "Readjustments" missing
7. Financing Plan – refinements (e.g., references to Refinancings)
8. Expectations re FAA – negative until 2024
9. "Ontario's Fair Allocation Plan" – styling
10. OPG appointment as FSM (initial only – ability for Minister to replace)
11. Inclusions into IESO deferrals (precision)
12. Carrying costs vs funding rebates (impact on nature of Investment Asset)???
13. No reference to pre-OFHPA adjustments (piggy bank)
14. Risk Factors – approach to describing legal risks and Protection Agreement as mitigation
15. Technical definitions and descriptions (e.g., carrying costs; forecasts from IESO rather than forecast information; invoicing mechanics; simplifications of definitions; etc.)
16. Limited discussion re contents of "Financing Plan"
17. No real recognition of tail risk and duration mismatch considerations and mitigants/strategies
18. No discussion re OFHPA rights of action, etc.
19. "non-bypassable" (meaning)

OFA - Change of Law Protection Agreement

1. Narrative (e.g., "in favour of the Issuer")
2. Notes do not constitute debt of Province, etc. (confirm description) – additional considerations?
3. Scope of "Approved Obligations" (overbroad)
4. Positive obligations in favour of Province (e.g., apply amounts; credit for applied amounts)

5. Definition of “Protection Events” (align)

6. Rights of Subrogation (needs to be more detailed)

7. Mechanics of Protection Account

8. Limited direct rights of Noteholders (through indenture trustee)

9. Limitations on damages

10. Only passing reference to the “Process Agreement” in OM (but referred to in more detail in the Investor Presentation)

Other

1. Confidentiality (deemed vs. confirmed in writing)

2. Liability for Taxes (priority claim in waterfall; impact on triggers)

3. IESO - descriptions

4. Electricity Market; OEB; OPG

5. Platform (e.g., very broad cross default – beyond generic risk factors?)

6. Interplay between Warehouse and Term issuances

7. Description of 2018 Notes

8. Optional Redemption of Notes (confirm if applicable/acceptable)

FYI, attached is our internal (preliminary) mark-up of the OM. It should not be on-circulated at this stage. We are providing it now in case you would find it useful to have specified illustrations of the foregoing items.

Hi all

From the perspective of both Mike and I the comments and edits are very factual and should not pose any issues to OPG or the Trust should they choose to accept them. If others are of the same opinion, I suggest that either MOF or MOE Legal forward the marked up version to Torys with cc's to the usual suspects.

Thanks

CONFIDENTIAL SHELF OFFERING MEMORANDUM

New Issue By Way of Private Placement

January ■, 2018

FAIR HYDRO TRUST
Senior Secured Notes

Fair Hydro Trust (the "**Issuer**"), a special purpose trust established under the laws of the Province of Ontario by Computershare Trust Company of Canada, acting as trustee of the Issuer, and caused to be established by Ontario Power Generation Inc. ("**OPG**"), as Financial Services Manager (as hereinafter defined), has created a program providing for the offering and issuance of senior secured notes (the "**Senior Notes**"), in one or several offerings. The Issuer was established in connection with the *Ontario Fair Hydro Plan Act, 2017* (the "**FHPA**"), legislation [that reallocates certain electricity costs over time and provides immediate rate relief to Specified Consumers (a category of consumers that generally is comprised of residential consumers, small businesses and farms).][1] Under the FHPA, OPG is appointed as the initial financial services manager (in such capacity, the "**Financial Services Manager**") and is given the authority to, among other things, establish, or cause to be established, one or more financing entities (each, a "**Financing Entity**") to incur payment obligations (referred to as "**Funding Obligations**") for the purposes of the FHPA.[2] The Issuer is a Financing Entity under the FHPA and the Senior Notes are Funding Obligations being offered for the purposes of the FHPA.

The Senior Notes do not constitute a debt, liability or other obligation of, or interest in, OPG or any of its other affiliates (other than the Issuer). The Senior Notes are not a debt, liability or obligation of the Province of Ontario or any of its political subdivisions, agencies or instrumentalities. The Senior Notes will not be insured or guaranteed by the Province of Ontario, OPG or any of their respective affiliates or any other person or entity, except that the Province of Ontario has agreed to provide a limited guarantee in respect of the Senior Notes following the occurrence of certain events. See "*Change of Law Protection Agreement*". The Senior Notes will be nonrecourse obligations, secured only by the collateral described in this confidential shelf offering memorandum. See "*Risk Factors*".

[1] **Note:** This narrative should be removed or, if necessary, it should track the purposes of the FHPA set out in Section 3 of the Act.

[2] **Note:** The statutory definition of "funding obligation" provides that the funding obligations have the purpose of funding ownership in an investment interest. Please consider revising the definition of "funding obligation" to more closely track that in the Act.

The specific terms of any offering of Senior Notes, including, without limitation, the aggregate principal amount of Senior Notes being offered, the currency of the Senior Notes, the issue price (at par, at a discount or at a premium), the issue, delivery and maturity dates, any redemption or repayment provisions, the rating of the Senior Notes at the time of such offering, the interest (either fixed or floating and the circumstances, if any, under which the rate may be adjusted), the interest rate basis and interest payment dates, will be established by the Issuer and set forth in a term sheet (a "**Term Sheet**") that will accompany, be incorporated by reference in and form an integral part of this confidential shelf offering memorandum. Unless otherwise specified in a Term Sheet, the Senior Notes will not be listed on any securities exchange.

The offering of Senior Notes from time to time (each, an "**Offering**") will be made pursuant to exemptions from the prospectus requirements of applicable securities laws in each of the provinces of Canada only to "accredited investors" (as such term is defined in National Instrument 45-106 – *Prospectus Exemptions* ("**NI 45-106**") and, in the case of a purchaser resident in Ontario, section 73.3(1) of the *Securities Act* (Ontario)) that are purchasing the Senior Notes as principal and that are not individuals unless those individuals are also "permitted clients" (as such term is defined in National Instrument 31-103 – *Registration Requirements, Exemptions and Ongoing Registrant Obligations* ("**NI 31-103**")). Purchasers of Senior Notes will be obliged to establish their qualification to invest in accordance with the requirements of the securities laws of the jurisdiction in which they reside. See *"Representations and Agreements of Purchasers"*. As each Offering will be made pursuant to exemptions from prospectus requirements of applicable securities laws, there will be restrictions on the resale of the Senior Notes. See *"Risk Factors"* and *"Restrictions on Resale"*.

The Senior Notes may be sold by the Issuer directly pursuant to applicable statutory exemptions or through agents designated by the Issuer from time to time (the "**Agents**"). See *"Plan of Distribution"*. Each Term Sheet will identify the Agents engaged to conditionally offer the Senior Notes for sale on a best efforts basis, subject to prior sale, in connection with the applicable Offering of Senior Notes and will also set forth the terms of such Offering of Senior Notes, including the net proceeds to the Issuer and, to the extent applicable, any fees payable to the Agents.

Subscriptions for the Senior Notes will be received subject to rejection or allotment in whole or in part and the right is reserved to close the subscription books at any time without notice. The Senior Notes will be delivered and recorded in book-entry form through CDS Clearing and Depository Services Inc. ("**CDS**") or another depository selected by the Issuer in accordance with the master trust indenture governing the Senior Notes. The Senior Notes will be represented by fully registered book-entry notes held by, or on behalf of, such depository, or a successor thereof, as the custodian of the book-entry notes, in its name or the name of its nominee.

The Senior Notes will be issued under and will be entitled to the benefits of a master trust indenture dated as of December 21, 2017 between the Issuer, as issuer, and BNY Trust Company of Canada, as indenture trustee, as amended or supplemented by supplemental indentures thereto.

In making an investment decision, prospective investors acknowledge that they have not relied on the Agents or any person affiliated with the Agents for investment or other advice and are relying on their own examination of the terms of an Offering, including the merits and risks involved and creditworthiness of the Issuer. Prospective investors are not to construe the contents of this document as legal, tax, accounting or investment advice. Prior to investing in the Senior Notes, prospective investors should consult with their legal, tax, accounting and investment advisors to determine the consequences of an investment in the Senior Notes. See *"Risk Factors"* for a discussion of certain factors that should be considered by prospective purchasers of Senior Notes.

The Issuer is not a "reporting issuer" (as such term is defined under applicable Canadian securities laws) in any jurisdiction. The Issuer will only distribute the Senior Notes in Canada under exemptions from the prospectus requirements of the securities laws of the provinces where they are sold. The Senior Notes may only be traded in Canada under exemptions from the prospectus requirements of the securities laws of the provinces in which they are traded and only through dealers registered or exempt from the dealer registration requirements of applicable Canadian securities laws. See *"Restrictions on Resale"*.

There is currently no secondary market for the Senior Notes. There can be no assurance that a secondary market will develop or, if a secondary market does develop, that it will provide holders of Senior Notes with liquidity for their investment or that it will continue for the term of the applicable Senior Notes. Accordingly,

purchasers of the Senior Notes may be required to bear the financial risk of investing in such Senior Notes until the maturity date of such Senior Notes.

No person is authorized to give any information or make any representation other than those contained in this confidential shelf offering memorandum in connection with an Offering and any decision to purchase Senior Notes should be based solely on the information contained herein. The Term Sheet applicable to such Offering and the investor presentation (the "**Investor Presentation**"), attached hereto as Exhibit 1, are incorporated by reference and included in, respectively, and form an integral part of, this confidential shelf offering memorandum. The information contained in the Investor Presentation is current only as of the date thereof. The Investor Presentation may be updated and replaced by the Issuer in connection with an Offering and such updated Investor Presentation will be attached as Exhibit 1, and will be included in, and form an integral part of, this confidential shelf offering memorandum delivered in respect of such Offering.

This confidential shelf offering memorandum, including the Investor Presentation attached hereto, and any Term Sheets, are provided on a confidential basis to prospective investors for informational use solely in connection with their consideration of the purchase of Senior Notes. Use for any other purpose is not authorized. Each Offering will be made solely on the basis of the information contained herein or incorporated by reference which has been furnished by the Issuer. No Agent makes any representation or warranty, express or implied, as to the accuracy, adequacy or completeness of such information. Furthermore, no Agent has independently verified the information in this confidential shelf offering memorandum and has no responsibility for the accuracy, adequacy or completeness of any such information.

This confidential shelf offering memorandum does not contain all of the information that would normally appear in a prospectus qualified under applicable Canadian securities laws. Neither the delivery of this confidential shelf offering memorandum, at any time, nor any sales made pursuant hereto, will imply that the information contained herein is correct as of any time subsequent to the date set forth on the face page hereof and the Issuer and the Agents will not update such information except as may be required by applicable law.

Capitalized terms used and not otherwise defined in this confidential shelf offering memorandum have the meanings ascribed to them in the glossary starting on page [92] of this confidential shelf offering memorandum. Forward-looking information is contained in the summary and in the sections titled *"Ontario's Fair Hydro Plan — Fair Allocation Amount & Financing Plan"*, *"Subordinated Debt"*, *"■"*[3] and *"Risk Factors"* of this confidential shelf offering memorandum and *"Financing Plan / Strategy"*, *"Financing Structure"*, *Aggregate Financing Program"*, *"■"*[4] and *"Consumer Bill Forecast with FHP"* of the Investor Presentation. The forward-looking statements contained in this confidential shelf offering memorandum are presented for the purposes of assisting potential purchasers in making an investment decision regarding the Senior Notes and may not be appropriate for other purposes.

Often, but not always, forward-looking information can be identified by the use of forward-looking terminology such as "may", "will", "expect", "believe", "estimate", "plan", "could", "should", "would", "outlook", "forecast", "anticipate", "foresee", "continue" or the negative of these terms or variations of them or similar terminology. Forward-looking information is based on the reasonable assumptions, estimates, analysis and opinions of management of the Issuer made in light of its experience and perception of trends, current conditions and expected developments, as well as other factors that the Issuer believes to be relevant and reasonable at the date that such statements are made. A variety of factors, many of which are beyond the Issuer's control, may cause actual results to differ materially from the expectations expressed in the forward-looking statements. These factors include, but are not limited to, the following risks:

Judicial, Legislative or Regulatory Risks:

- Future legal action might challenge or invalidate the FHPA or the Regulations and materially adversely affect a holder's investment in the Senior Notes.
- Future legislative action to change the FHPA, the Regulations, the Change of Law Protection Agreement or the electricity market might materially adversely affect a holder's investment in the Senior Notes.
- Future regulatory action to change the rules applicable to the operation of the electricity market might materially adversely affect a holder's investment in the Senior Notes.
- Future judicial action could reduce the value of a holder's investment in the Senior Notes.
- Potential difficulties in enforcing civil liabilities against the Province of Ontario may arise.

Risks Associated with the Unusual Nature of the Investment Asset:

- Clean Energy Adjustments will not be payable until May 1, 2021 and until such time the IESO will be the sole source of funds for payment on the Senior Notes.
- The Issuer's ability to enforce security granted by the IESO may be impaired or delayed.
- A holder of Senior Notes may experience material payment delays because the source of funds for payment after the Moratorium Period is limited.
- The Clean Energy Adjustment may not be billed after April 30, 2047, unless further regulations to extend that date are passed.
- Foreclosure of the Indenture Trustee's lien on the Investment Interest securing the Senior Notes might not be practical and acceleration of the Senior Notes before maturity might have little practical effect.
- The Issuer may issue multiple Series of Senior Notes secured by the Investment Interest and some decisions affecting holders of Senior Notes may require approval by resolution of the holders of all Series of Senior Notes.
- If a Series of Senior Notes or all Senior Notes are accelerated, a holder of Senior Notes might receive payment of principal sooner or later than expected.
- The Issuer may have a co-ownership interest in the Investment Asset with other Financing Entities.

[4] **Note:** Please complete.

- If the Clean Energy Adjustment amounts and other funds held in the Issuer Accounts results in investment losses or the investments become illiquid, a holder of Senior Notes might receive payment of principal of and interest on the Senior Notes later than expected.

Servicing, Operating and Consumer Risks

- Payments on the Senior Notes depend on the performance of Electricity Vendors and the IESO.
- Payments on the Senior Notes depend on the performance of OPG as Financial Services Manager and as Manager of the Issuer.
- Inaccurate consumption forecasting or unanticipated delinquencies or write-offs might reduce or delay scheduled payments on the Senior Notes.
- Changes to billing and collection practices may reduce the amount of funds available for payments on the Senior Notes.
- Limits on rights to terminate service to Specified Consumers might make it more difficult to collect the Clean Energy Adjustment.
- It might be difficult for the Issuer to collect the Clean Energy Adjustment from Specified Consumers.
- Indemnification obligations of OPG and the IESO are limited and might not be sufficient to protect the investments in the Senior Notes.
- Delinquent or partial payments of electricity bills may make principal payments on the Senior Notes occur later than expected.
- Power outages could impair payment of the Senior Notes.[5]
- Technological changes that make alternative energy sources more attractive in the future or significant population fluctuations may result in fewer Specified Consumers from whom to collect the Clean Energy Adjustment.

Insolvency-Related Risks

- If the Issuer were to become subject to Canadian Insolvency and Restructuring Laws, the Indenture Trustee's ability to enforce security granted by the Issuer may be significantly impaired or delayed.
- If the IESO or any Electricity Vendor were to become subject to Canadian Insolvency and Restructuring Laws, collections that have been commingled may be unrecoverable and the Issuer's ability to enforce its rights against the IESO may be significantly impaired or delayed.
- If OPG were to become subject to Canadian Insolvency and Restructuring Laws, the Issuer's ability to enforce its rights against OPG may be significantly impaired or delayed and the Issuer's assets and liabilities may be substantively consolidated with those of OPG.
- If the Issuer Trustee were to become subject to Canadian Insolvency and Restructuring Laws, the assets and liabilities of the Issuer may be substantively consolidated with the Issuer Trustee.
- If a Specified Consumer were to become subject to Canadian Insolvency and Restructuring Laws, the Issuer's ability to collect Clean Energy Adjustment amounts from such Specified Consumer may be adversely affected.
