ARTICLE V
PROVINCE MATTERS

5.01 Assignment and Subrogation

(a) Upon paying an amount in respect of an Approved Obligation:

i. to or at the direction of the Indenture Trustee in satisfaction of the Limited Guarantee; or

ii. **[as a result of assuming the Financing Entity's obligations in respect of all Obligations Secured under Article VI,] [NTD: This requires further discussion depending on the terms of the assignment and assumption agreement. If the Obligations Secured are assigned and assumed by the Province under Article VI, how would the Province be subrogated and entitled to the Beneficiary's rights and interests under the Approved Obligation? Consider limiting the application of this section 5.01 to the Limited Guarantee.]**

the Province (in addition to and without prejudice to any rights it otherwise has in law or equity) shall be subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation to the extent of such payment, including (i) the right and entitlement to be paid and receive distributions of such amount by the Financing Entity in accordance with and in the priority applicable to the Approved Obligation applicable in respect of the payment under the Trust Indenture, (ii) the benefits of the related Collateral and (iii) all proceeds therefrom. Subject to Section 5.01(b), the Province shall have and be entitled to enforce all rights and interests (including as a Specified Creditor under the Trust Indenture) under such Approved Obligation as an absolute assignee of the applicable Beneficiary, with effect from and after the time of such payment, without any further requirement for notice to or acceptance by the Financing Entity of such absolute assignment and without any reduction, set-off or counterclaim on account of any amounts that may, at or after the time of payment, be or become owing by the Beneficiary to the Financing Entity and unaffected by any other rights or equities that arise thereafter as between the Beneficiary and the Financing Entity. Subject to Section 5.01(b), the Indenture Trustee shall recognize the Province as being entitled to all of the rights, interests and entitlements of the Beneficiary (including, if applicable, as a Noteholder) in respect and to the extent of the Approved Obligation so paid, determined as of the time of payment, for all purposes under the Trust Indenture, and the Province shall be treated as a Specified Creditor in respect thereof for all purposes under the Trust Indenture and any other agreement under which the Approved Obligation arises.

(b) the Province (i) acknowledges and agrees in favour of the Indenture Trustee that, upon being subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation in accordance with Section 5.01(a), the Province will be a Specified Creditor hereunder and its entitlements as a Specified Creditor are subject to the provisions applicable to Specified Creditors under the Trust Indenture including, without limitation, **[Section 7.11 (Payments Held in Trust), Section 8.12 (Limitation on Suits), Sections 7.04 and 8.13 (Payment Priorities), Section 8.14 (Limited Recourse) and Section 16.01 (No Petition) thereof]**, (ii) irrevocably authorizes and directs the Indenture Trustee on its behalf to take such action (including the execution and delivery of documents of subordination) as may be necessary or appropriate to

further assure the priority arrangements provided for in **[Article VI and Sections 7.04 and 8.13 of the Trust Indenture]**, (iii) appoints the Indenture Trustee as its agent for any and all such purposes, and (iv) confirms that the Indenture Trustee shall send notices to the Province in accordance with Section 9.02.

5.02 Priorities

For greater certainty, the rights, interests and entitlements of the Province as an assignee and subrogee of and with respect to an Approved Obligation shall rank equally with the rights, interests and entitlements of a Beneficiary for whom a Limited Guarantee payment is made in respect of, and to the extent of the payment made to satisfy, the Approved Obligation and the Province shall not be subject to postponement or subordination with respect thereto except to the extent of the priorities established in relation to the Approved Obligation under the Trust Indenture.

5.03 Voting Rights under "Outstanding Notes"

[Notwithstanding the last three sentences of the definition of "Outstanding" in the Trust Indenture[4]:

(a) **Notes in connection with Approved Obligations in respect of which the Province has rights and interest pursuant to Section 5.01 shall be regarded as "Outstanding" within the meaning of the Trust Indenture; and**

(b) **in determining whether Noteholders of the requisite principal amount of Notes that are Outstanding (as defined in the Trust Indenture) have taken any Action under the Trust Indenture, and for the purposes of Article X of the Trust Indenture, the Province shall be deemed to have the amount of Outstanding (as defined in the Trust Indenture) Notes in proportion to its interest in such Notes based on the amounts that the Province has paid in respect of Approved Obligations under this Agreement.] [NTD: To be discussed. Giving these voting rights to the Province may affect the marketability of the debt under this program.]**

5.04 Province May Perform Other Program Agreement Covenants.

If the Financing Entity fails to perform any covenant under any Program Agreement, the Province may (but, except as expressly provided for under this Agreement, shall not be obligated to) perform such covenant on behalf of the Financing Entity. If the Province performs such a covenant on behalf of the Financing Entity, all sums expended or advanced by the Province in so performing the covenant will bear interest at the rate of interest determined by the Province to reflect market terms and conditions for a borrowing made by the Province at the relevant time from the date of expenditure until repayment by the Financing Entity and will (together with such interest) be paid by the Financing Entity upon demand and will until paid form part of the Obligations Secured subject to Sections **[7.04 and 8.13]** of the Trust Indenture and constitute a

On the date that the assignment and assumption of the Obligations Secured by and from the Financing Entity to and by the Province becomes effective (the "**Assumption Effective Date**"), the Province shall no longer be required to provide and perform the Limited Guarantee but will instead be primary obligor under the Obligations Secured. **[NTD: Need to move Article VI of the Change of Law Process Agreement into this Article VI and amend accordingly. Also, we will need to attach the form of Assumption Agreement as an Exhibit to this Agreement that will be used for the assignment and assumption of all Obligations Secured. Contrary to the statement in Section 6.02(f) of the Change of Law Protection Agreement, there will not be a separate form of Assumption Agreement for each Obligation Secured.]**

6.04 Interim Period

(f) any reference to this Agreement or any other agreement, document or instrument shall be construed as a reference to this Agreement or, as the case may be, such other agreement, document or instrument as the same

may have been, or may from time to time be, amended, varied, replaced, amended and restated, supplemented or otherwise modified;

(g) all references in this Agreement to designated "Articles", "Sections", "Subsections", "Schedules", "Exhibits" and other subdivisions are to the designated Articles, Sections, Subsections, Schedules, Exhibits and other subdivisions of this Agreement as originally executed. The words "herein", "hereof" and "hereunder" and other words of similar import refer to this Agreement as a whole and not to any particular Article, Section, Subsection, Schedule, Exhibit or other subdivision;

(h) "including" and words of similar import will be deemed to be followed by "without limitation"; and

(i) with respect to the computation of periods of time from a specified date to a later specified date, unless otherwise expressly stated, the word "from" means "from and including" and the words "to" and "until" each mean "to but excluding".

~~1.02 Trustee to act in accordance with the Trust Indenture~~

~~Any action taken, required to be taken or permitted to be taken by the Indenture Trustee under this Agreement shall only be taken in the manner, at the times, for the purposes, subject to the prerequisites, conditions, requirements and limitations, and with the benefits, exculpations, indemnities and protections that are provided to the Indenture Trustee, in each case in respect of such action taken, required to be taken or permitted to be taken by it under the Trust Indenture.~~

1.02 ~~1.03~~ Proof of Approved Obligations

The efficacy of any agreement, instrument or writing evidencing a Primary Obligation may, in the absence of manifest error, be conclusively proved in any manner that the Indenture Trustee deems to be sufficient.

Any statement of account prepared by the Indenture Trustee as regards the Primary Obligations shall constitute *prima facie* evidence of the amount which, as at the date of the statement so prepared, is due and payable by the Financing Entity to the Beneficiaries and/or the Indenture Trustee and the Province hereby acknowledges and agrees that, absent manifest error, it shall be bound by each such statement. The Indenture Trustee agrees to provide the Province with the computations and calculations used by the Indenture Trustee to prepare each such statement of account promptly following a request therefor.

1.03 ~~1.04~~ Limitation on Rights of and Actions by Specified Creditors

Specified Creditors, as Beneficiaries, shall not have or be permitted to exercise any rights, interests, or elections under this Agreement, other than in the manner and to the extent effected and exercised through the Indenture Trustee under, in accordance with and subject to the limitations set forth in the Trust Indenture. ~~No Specified Creditor will have any right to institute any proceeding, judicial or otherwise, with respect to this Agreement.~~

1.04 ~~1.05~~ Province Retains Rights of Beneficiaries

Without limiting any rights of subrogation or succession that arise pursuant to applicable law or pursuant to the Province's rights as an assignee, subrogee or pursuant to Section 5.01, all of the rights, interests, elections and privileges that would arise in favour of a Beneficiary under the Trust Indenture or other ~~agreement~~Funding Obligation Agreement under which a related Primary Obligation arises shall automatically arise, vest in and be available to the Province upon performance by the Province of the Primary Obligation. To the extent of any conflict between this Agreement and the Indemnity Agreement by the Province in favour of OPG dated June 1, 2017 in respect of any matter relating to the Province's obligations to indemnify the FSM or the Financing Entity, the latter shall prevail.

1.05 ~~1.06~~ Effect of Headings

The Article and Section headings herein are for convenience only and will not affect the construction hereof.

1.06 ~~1.07~~ Successors and Assigns

All covenants and agreements in this Agreement by the parties will bind their respective successors and permitted assigns, whether so expressed or not. All covenants and agreements of the Indenture Trustee or the FSM in this Agreement shall bind their respective successors, co-trustees and agents.

1.07 ~~1.08~~ Severability

Each of the provisions contained in this Agreement is distinct and severable and a declaration of invalidity or unenforceability of any such provision or part thereof by a court of competent jurisdiction will not affect the validity or enforceability of any other provision hereof. To the extent permitted by applicable law, the parties waive any provision of law which renders any provision of this Agreement invalid or unenforceable in any respect. The parties will engage in good faith negotiations to replace any provision which is declared invalid or unenforceable with a valid and enforceable provision, the economic effect of which comes as close as possible to that of the invalid or unenforceable provision which it replaces.

1.08 ~~1.09~~ Governing Law

THIS AGREEMENT WILL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE PROVINCE OF ONTARIO AND THE FEDERAL LAWS OF CANADA APPLICABLE THEREIN, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

1.09 ~~1.10~~ Proceedings Against the Crown Act

NOTHING IN THIS AGREEMENT OR THE PROGRAM AGREEMENTS AFFECTS THE RIGHTS, PROTECTIONS AND IMMUNITIES OF THE CROWN UNDER THE PROCEEDINGS AGAINST THE CROWN ACT.

1.10 ~~1.11~~ Attornment

EACH PARTY SUBMITS TO THE EXCLUSIVE JURISDICTION OF ANY ONTARIO COURTS SITTING IN TORONTO IN ANY ACTION, APPLICATION, REFERENCE OR OTHER PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT. THE PARTIES HERETO HEREBY WAIVE ANY RIGHT THEY MAY HAVE TO REQUIRE A TRIAL BY JURY OF ANY PROCEEDING COMMENCED IN CONNECTION WITH THIS AGREEMENT.

1.11 ~~1.12~~ Counterparts; Electronic Delivery

This Agreement may be executed in any number of counterparts, each of which so executed will be deemed to be an original, but all such counterparts will together constitute one and the same instrument. Delivery of an executed signature page to this Agreement by a party by electronic transmission will be as effective as delivery of a manually executed copy of the Agreement by such party.

1.12 ~~1.13~~ Change of Law Protection Agreement Referred to in the Trust Indenture

This Agreement is the "Change of Law Protection Agreement" referred to in the Trust Indenture.

1.13 ~~1.14~~ Non-Business Days

Whenever any payment to be made hereunder shall be stated to be due, any period of time would begin or end, any calculation is to be made or any other action to be taken hereunder shall be stated to be required to be taken, on a day other than a Business Day, then (notwithstanding any other provision of this Agreement) such payment shall be made, such period of time shall begin or end, such calculations shall be made and such other action shall be taken on the next succeeding Business Day.

1.14 ~~1.15~~ Waiver, Amendment

Except as expressly provided in this Agreement, no amendment or waiver of this Agreement will be binding unless executed in writing by the party to be bound thereby. No waiver of any provision of this Agreement will constitute a waiver of any other provision nor will any waiver of any provision of this Agreement constitute a continuing waiver unless otherwise expressly provided. A party's failure or delay in exercising any right under this Agreement will not operate as a waiver of that right. A single or partial exercise of any right will not preclude a party from any other or further exercise of that right or the exercise of any other right.

1.15 ~~1.16~~ Interest Act

For the purpose of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest to which any rate of interest payable under this Agreement that is calculated on any basis other than a full calendar year is equivalent may be determined by multiplying such rate by a fraction, the numerator of which is the actual number of days in the calendar year in which such

yearly rate of interest is to be ascertained and the denominator of which is the number of days comprising such other basis. The parties further agree that for the purposes of the *Interest Act* (Canada), (i) the principle of deemed reinvestment of interest shall not apply to any interest calculation under this Agreement, and (ii) the rates of interest stipulated in this Agreement are intended to be nominal rates and not effective rates or yields.

1.16 ~~1.17~~ Currency

Unless stated otherwise, all amounts herein are stated in Canadian Dollars.

1.17 ~~1.18~~ References to Acts of the Financing Entity ~~Trustee~~

For greater certainty, where any reference is made in this Agreement, or in any other instrument executed pursuant hereto or contemplated hereby to which the Financing Entity ~~or the Financing Entity Trustee, as trustee of the Financing Entity,~~ is party, to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or release to be provided by, a suit or proceeding to be taken by or against, or a covenant, representation or warranty (other than relating to the constitution or existence of the Financing Entity) by or with respect to ~~(i)~~ the Financing Entity ~~or (ii) the Financing Entity Trustee~~, such reference shall be construed and applied for all purposes as if it referred to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or release to be provided by, a suit or proceeding to be taken by or against or a covenant, representation or warranty (other than relating to the constitution or existence of the Financing Entity) by or with respect to, the FSM as agent for the Financing Entity Trustee (in its capacity as trustee of the Financing Entity~~,~~). **[NTD: Discuss whether the Financing Entity Trustee should be a party to this Agreement and references to the Financing Entity Trustee re-inserted into this section and others.]**

1.18 ~~1.19~~ Judgment Currency

(a) If for the purpose of obtaining judgment in any court or for any other purposes (other than conversions specifically provided for in the agreement under which an Approved Obligation arises), it is necessary to convert any amount due under this Agreement from the currency in which it is due (the "**Original Currency**") into another currency (the "**Second Currency**"), the rate of exchange applied shall be that at which, in accordance with normal banking procedures, the purchaser could purchase, in the New York foreign exchange market, the Original Currency with the Second Currency on the date on which judgment is given. The obligation of the Province in respect of any Original Currency due from it to the Indenture Trustee under this Agreement shall, notwithstanding any judgment or payment in such other currency, be discharged only to the extent that, on the Business Day following receipt of any sum so paid or adjudged to be due under this Agreement in the Second Currency, the Indenture Trustee may, in accordance with normal banking procedures, purchase in the New York foreign exchange market the Original Currency with the amount of the Second Currency so paid or

so adjudged to be due; and if the amount of the Original Currency so purchased is less than the amount originally due in the Original Currency, the ~~Financing Entity~~Province shall indemnify the Indenture Trustee against such loss.

(b) The term "rate of exchange" in this Section 1.19 means the spot rate at which the Indenture Trustee, in accordance with normal practice, is able on the relevant date to purchase the Original Currency with the Second Currency and includes any premium and costs of exchange payable in connection with such purchase.

ARTICLE II
AGREEMENT TO PERFORM APPROVED OBLIGATIONS

2.01 Limited Guarantee

(a) Upon the occurrence of a Protection Event, the Indenture Trustee may provide a written demand, in the form attached as Exhibit A (a "**Payment Demand**"), to the Province requiring the Province to pay the Approved Obligations owing from time to time by the Financing Entity to the Indenture Trustee as and when they become due and payable~~, without Acceleration~~[1]. A Payment Demand will not be valid with respect to an Approved Obligation until the amount claimed becomes due and payable in respect of the Approved Obligation ~~(without Acceleration)~~ in accordance with the Trust Indenture and has not otherwise been paid by the Financing Entity.

(b) Following receipt of a valid Payment Demand under Subsection 2.01(a), the Province shall pay the amounts owing by the Financing Entity to the Indenture Trustee, on behalf of the applicable Beneficiaries, in respect of each Approved Obligation[2], in each case as and when the Approved Obligation becomes due and payable in accordance with its terms and on its scheduled, specified or determined payment date, ~~as determined without regard to any Acceleration or rights of Acceleration arising under the Approved Obligation,~~ in each case by the Province depositing or causing the deposit of the applicable payment amount into the ~~Collection~~Protection Account 5 Business Days prior to the fifteen day of each calendar month (the "**Limited Guarantee**"). For greater certainty, the Limited Guarantee will not apply to any amount or obligation of the Financing Entity that is not or does not arise under an Approved Obligation~~, including (i) any amounts that are or become payable as a~~

[1] Consider mechanics for notifying the Province regarding the specific amounts payable and their due dates. Consider attaching a detailed schedule of payments under the Payment Demand and the respective due date of each payment.

[2] Under Subsection 5(3) of the Act, the Province can guarantee only obligations "associated with an investment interest". The guarantee in Section 2.01 of the draft agreement guarantees "Approved Obligations", which in turn relies on the definition of Primary Obligations. The connection between a Primary Obligations and an "investment interest" is therefore crucial. Blakes is considering how to more precisely connect these concepts.

result of the exercise of an option of the Financing Entity following a Protection Event, and (ii) amounts required to be deposited by or on behalf of the Financing Entity into any Capital Account, Finance Reserve Account or a Supplemental Reserve Account.

(c) Except as expressly provided in this Agreement, the Province's obligation to provide and perform the Limited Guarantee shall be irrevocable, absolute and unconditional.

(d) Any amount payable by the Province under the Limited Guarantee in respect of an Approved Obligation that is not paid when required herein shall bear interest from the applicable due date until paid in full at the rate or rates expressed to be payable on the Approved Obligation.

(e) The right to deliver a Payment Demand and thereupon enforce the Limited Guarantee shall constitute the only remedy available to the Indenture Trustee under this Agreement. Under no circumstances shall the Province be obligated to pay or indemnify the Indenture Trustee or any Beneficiary for consequential, special or punitive damages, or for economic loss or loss of profits.

2.02 Gross-up

[All amounts payable by the Province under this Agreement shall be made free and clear of and without deduction for or on account of any present or future taxes, charges, fees, levies, duties or withholdings of any kind. If the Province is obliged to deduct or withhold an amount in respect of any such taxes, charges, fees, levies, duties or withholdings, then in such event the Province shall deposit into the CollectionProtection Account such additional amount as is necessary to ensure that the Indenture Trustee receives (on an after-tax basis, after payment of any and all income taxes on such additional amounts) an amount equal to the full amount otherwise due and payable in respect of the related Approved Obligation, net of any such taxes, charges, fees, levies, duties or withholdings.][3]

2.03 Absence of Set-off

The Province acknowledges and agrees that each payment to be made by the Province hereunder in respect of an Approved Obligation shall be made as required in whole, without application of any right of set-off and without regard to any equities as between or among any of the Province, the Beneficiaries and/or the Indenture Trustee.

2.04 Payment into CollectionProtection Account in Satisfaction

(a) On or before the date of delivery of a Payment Demand to the Province, the Indenture Trustee shall cause to be established and maintained an Eligible Deposit Account (the "**Protection Account**") in the name of the Indenture Trustee, bearing a designation clearly indicating that the funds and other property credited

[3] Under consideration.

thereto are held for the benefit of the Indenture Trustee and the Beneficiaries. The Protection Account shall be under the control of the Indenture Trustee for the benefit of the Beneficiaries. If, at any time, the institution holding the Protection Account ceases to be an Eligible Institution, the FSM shall notify the Indenture Trustee, and the Indenture Trustee upon being notified in writing of such ineligibility (or the FSM on its behalf) shall within 30 days (or such longer period, not to exceed 45 days, so long as the Rating Agency Condition is satisfied) establish a new Protection Account that is an Eligible Deposit Account and shall transfer any funds or other property from such Protection Account to such new Protection Account. From the date each such new Protection Account is established, it shall be the "Protection Account." for purposes of this Agreement. Funds credited to the Protection Account will be invested and held in accordance with Section 7.03 of the Trust Indenture as if it were an Issuer Account.

(b) Notwithstanding the priority of payment requirements set forth in the Trust Indenture and any legal rule concerning the imputation of payments, the Indenture Trustee shall apply the full amount paid by the Province into the ~~Collection~~Protection Account in respect of an Approved Obligation to pay the corresponding amount due and payable to the applicable Beneficiaries under the Approved Obligation.[4] Upon a payment having been made by or on behalf of the Province into the ~~Collection~~Protection Account in respect of an Approved Obligation, the amount so paid shall for all purposes be considered to have been applied to pay the applicable Beneficiaries and thereby reduce the amount due and payable under the Approved Obligation, whereupon an affected Beneficiary shall have no continuing rights, interests or entitlements (including rights as a secured party) in respect of the Approved Obligation to the extent so paid~~5~~3.

2.05 Certain Waivers

The Province hereby waives:

(a) any requirement, and any right to require, that any power be exercised or any action be taken against the Financing Entity or any Collateral for any of the Approved Obligations;

(b) all notices which may be required by applicable law to preserve any rights against the Province hereunder, including any notice of default, demand, dishonour, presentment and protest;

[4] ~~This will need to operate in tandem with the Trust Indenture waterfall. The idea is that the Approved Obligations may not necessarily follow the sequence of the "payment waterfall" included in the Trust Indenture, and so amounts from the Province would need to operate independently.~~

~~5~~3 Consider how Beneficiary rights under Obligations Secured will be amended under an agreement to which a Beneficiary is not directly a party. To achieve a binding relationship, a corresponding provision should appear in the Trust Indenture and each other contract under which the Obligation Secured arises, to the effect that the Beneficiaries will be deemed to be bound by the agreement of the Indenture Trustee under this Agreement. Please see our addition in Section 9.08. The Specified Creditors already make the necessary acknowledgement in Article 5 of the Trust Indenture. Isn't this also addressed in section 1.03 above?

(c) diligence; and

(d) any defence based upon, arising out of or in any way related to any claim that any election of remedies by the Beneficiaries impaired, reduced, released or extinguished any rights that the Province might otherwise have had against the Financing Entity or any other surety. **[NTD: Further consideration required as to whether there should be a waiver of any other equitable defences.]**

The Province agrees that each such waiver is made with full knowledge of its significance and consequences and if any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the maximum extent permitted by applicable law.

2.06 Additional Security

This Agreement shall be in addition to and without prejudice to any other security by whomsoever given, held at any time by the Indenture Trustee or for the benefit of any of the Beneficiaries.

2.07 Continuing Liability of the Province

The Approved Obligations shall be deemed not to have been paid, observed or performed, and the liability of the Province hereunder in respect thereof shall continue and not be discharged, to the extent that any payment, observance or performance thereof by the Financing Entity, or out of the proceeds of any Collateral, is recovered from or reimbursed by or for the account of any of the Beneficiaries for any reason, including a preference or fraudulent transfer or by virtue of any subordination (whether present or future or contractual or otherwise) of the Approved Obligations, whether such recovery or payment over is effected by any judgment, decree or order of any court or Governmental Authority, by any plan of reorganization or by settlement or compromise by any of the Beneficiaries (whether or not consented to by the Financing Entity or the Province) of any claim for any such recovery or payment over.

2.08 Continuance of the Limited Guarantee

Subject to Section 2.07, the Limited Guarantee shall continue in full force and effect until the indefeasible payment, observance and performance in full of the Approved Obligations and termination of the Trust Indenture, or until the Province is no longer required to provide and perform the Limited Guarantee in accordance with Section 6.03~~)~~.

2.09 Modifications of Approved Obligations

The Province expressly authorizes the Indenture Trustee, at any time and from time to time, without notice and without affecting the liability of the Province hereunder, but subject to compliance with the requirements of the Program Agreements ~~and this Agreement~~, to:

(a) accept new, additional or replacement instruments, documents, agreements or security in connection with all or any part of the Approved Obligations;

(b) accept partial payments on the Approved Obligations; and

(c) waive, release, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, compromise, liquidate and enforce all or any part of the Approved Obligations and any security or guarantee therefor, and apply any such security and direct the order or manner of sale thereof as the Indenture Trustee (for the benefit of the Beneficiaries) in its discretion may determine~~,provided, however, that the Indenture Trustee shall not permit any change, modification, alteration, amendment, supplement, extension, renewal, compromise, novation, replacement, suspension or waiver of the terms of all or any part of the Approved Obligations or any Collateral therefor expect with the prior written consent of the Province having first been obtained~~.

ARTICLE III
THE INDENTURE TRUSTEE

3.01 The Indenture Trustee

This Agreement is made in favour of the Indenture Trustee in its capacity as trustee under the Trust Indenture. Accordingly, in the event of a new trustee being appointed under the Trust Indenture, such new trustee shall thereupon become and be the Indenture Trustee hereunder, but nevertheless, the Indenture Trustee shall forthwith assign, transfer and make over to the new trustee hereunder this Agreement. All provisions of the Trust Indenture for the protection of the Indenture Trustee or for facilitating the administration of the trusts or otherwise relating to the Indenture Trustee solely as to its holding of the rights thereunder shall apply *mutatis mutandis* to this Agreement and the Indenture Trustee's duties hereunder.

3.02 Acceptance of Trusts

The Indenture Trustee hereby accepts the trusts hereof and agrees to carry out and discharge the same unless and until a new trustee shall be appointed as contemplated in Section 3.01.

ARTICLE IV
APPROVED OBLIGATIONS

(a) the Primary Obligation is contemplated under the Trust Indenture as an Obligation Secured; and

(b) at the time the Primary Obligation is incurred or amended, the maximum aggregate payment amounts due or becoming due in the future in respect of Repayments[6] under the Primary Obligation, together with all other outstanding amounts due or becoming due in the future in respect of Repayments under Approved Obligations, do not exceed the Protection Agreement Maximum;**[NTD: already covered in process certificate in section 3.01 of the Process Agreement]**

(c) the FSM delivers a notice to the Indenture Trustee, with a copy to the Province, one Business Day prior to the incurrence or any amendment of the Primary Obligation, setting out the Protection Agreement Maximum;**[NTD: already covered under Process Agreement.]**

(d) the FSM delivers a certificate signed by the Chief Financial Officer and the Treasurer of OPG (or their respective designees, provided that such designees are executive officers of OPG and, for clarity, such certificate is to be provided in OPG's capacity as FSM) and addressed to the Province and the Indenture Trustee, one Business Day prior to the earlier of (i) one Business Day prior to the incurrence or any amendment of the Primary Obligation, and (ii) on the Business Day on which the financial terms of the Primary Obligation are definitively determined (including the interest or discount rate applicable to any notes, bonds or other securities), setting out the following with respect to the Primary Obligation:

i. confirmation that, at the time the Primary Obligation is incurred or amended, the maximum aggregate payment amounts due or becoming due in the future in respect of Repayments under the Primary Obligation (if any), together with all other outstanding amounts due or becoming due in the future in respect of Repayments under Approved Obligations, do not and will not exceed the Protection Agreement Maximum; andii. confirmation that confirming that the FSM has delivered to the Province a certificateProcess Certificate in accordance with Section **[3.01]** of the Process Agreement confirming, among other things, that the transaction documents in respect of the Primary Obligation are in substantially the form of the documentation reviewed by the Province; and

(e) the Province has not provided a Suspension Notice to the Indenture Trustee, the FSM and the Financing Entity in accordance with the terms**[NTD: This is more properly dealt with in Section 8.02 of this Agreement.]**.

[6] Use of the concept of "repayments" under the OFHPA for this purpose is under consideration.

4.03 Evidence of Satisfaction

A closing certificate ~~signed by at least two executive officers of OPG~~delivered in accordance with Section 4.02 in connection with an incurrence or amendment of a Primary Obligation shall be determinative as to whether the applicable Adherence Conditions with respect thereto have been satisfied, notwithstanding that such certificate may include inaccuracies, be incomplete or otherwise be defective or deficient, and such closing certificate may be relied upon by any addressee as conclusive evidence of same.

ARTICLE V
~~RIGHTS OF THE~~ PROVINCE MATTERS

5.01 Assignment and Subrogation

(a) Upon paying an amount in respect of an Approved Obligation:

i. ~~(a)~~ to or at the direction of the Indenture Trustee in satisfaction of the Limited Guarantee; or

ii. ~~(b)~~ **[as a result of assuming the Financing Entity's obligations in respect of all Obligations Secured under Article VI,] [NTD: This requires further discussion depending on the terms of the assignment and assumption agreement. If the Obligations Secured are assigned and assumed by the Province under Article VI, how would the Province be subrogated and entitled to the Beneficiary's rights and interests under the Approved Obligation? Consider limiting the application of this section 5.01 to the Limited Guarantee.]**

the Province (in addition to and without prejudice to any rights it otherwise has in law or equity) shall be subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation to the extent of such payment, including (i) the right and entitlement to be paid and receive distributions of such amount by the Financing Entity in accordance with and in the priority applicable to the Approved Obligation applicable in respect of the payment under the Trust Indenture, (ii) the benefits of the related Collateral and (iii) all proceeds therefrom. ~~The~~Subject to Section 5.01(b), the Province shall have and be entitled to enforce all rights and interests (including as a ~~secured party~~Specified Creditor under the Trust Indenture) under such Approved Obligation as an absolute assignee of the applicable Beneficiary, with effect from and after the time of such payment, without any further requirement for notice to or acceptance by the Financing Entity of such absolute assignment and without any reduction, set-off or counterclaim on account of any amounts that may, at or after the time of payment, be or become owing by the Beneficiary to the Financing Entity and unaffected by any other rights or equities that arise thereafter as between the Beneficiary and the Financing Entity. ~~The~~Subject to Section 5.01(b), the Indenture Trustee shall recognize the Province as being entitled to all

of the rights, interests and entitlements of the Beneficiary (including, if applicable, as a Noteholder) in respect and to the extent of the Approved Obligation so paid, determined as of the time of payment, for all purposes under the Trust Indenture, and the Province shall be treated as a Specified Creditor in respect thereof for all purposes under the Trust Indenture and any other agreement under which the Approved Obligation arises.

(b) the Province (i) acknowledges and agrees in favour of the Indenture Trustee that, upon being subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation in accordance with Section 5.01(a), the Province will be a Specified Creditor hereunder and its entitlements as a Specified Creditor are subject to the provisions applicable to Specified Creditors under the Trust Indenture including, without limitation, **[Section 7.11 (Payments Held in Trust), Section 8.12 (Limitation on Suits), Sections 7.04 and 8.13 (Payment Priorities), Section 8.14 (Limited Recourse) and Section 16.01 (No Petition) thereof]**, (ii) irrevocably authorizes and directs the Indenture Trustee on its behalf to take such action (including the execution and delivery of documents of subordination) as may be necessary or appropriate to further assure the priority arrangements provided for in **[Article VI and Sections 7.04 and 8.13 of the Trust Indenture]**, (iii) appoints the Indenture Trustee as its agent for any and all such purposes, and (iv) confirms that the Indenture Trustee shall send notices to the Province in accordance with Section 9.02.

5.02 Priorities

For greater certainty, the rights, interests and entitlements of the Province as an assignee and subrogee of and with respect to an Approved Obligation shall rank equally with the rights, interests and entitlements of a Beneficiary for whom a Limited Guarantee payment is made in respect of, and to the extent of the payment made to satisfy, the Approved Obligation and the Province shall not be subject to postponement or subordination with respect thereto except to the extent of the priorities established in relation to the Approved Obligation under the Trust Indenture.

5.03 Voting Rights under "Outstanding Notes"

[Notwithstanding the last three sentences of the definition of "Outstanding" in the Trust Indenture[74]:

(a) **Notes in connection with Approved Obligations in respect of which the Province has rights and interest pursuant to Section 5.01 shall be regarded as "Outstanding" within the meaning of the Trust Indenture; and**

(b) **in determining whether Noteholders of the requisite principal amount of Notes that are Outstanding (as defined in the Trust Indenture) have taken**

[74] This concept needs to be reflected in the Trust Indenture. This requires further discussion (see NTD above).

any Action under the Trust Indenture, and for the purposes of Article X of the Trust Indenture, the Province shall be deemed to have the amount of Outstanding (as defined in the Trust Indenture) Notes in proportion to its interest in such Notes based on the amounts that the Province has paid in respect of Approved Obligations under this Agreement.] [NTD: To be discussed. Giving these voting rights to the Province may affect the marketability of the debt under this program.]

5.04 Province May Perform Other Program Agreement Covenants.

If the Financing Entity fails to perform any covenant under any Program Agreement, the Province may (but, except as expressly provided for under this Agreement, shall not be obligated to) perform such covenant on behalf of the Financing Entity. If the Province performs such a covenant on behalf of the Financing Entity, all sums expended or advanced by the Province in so performing the covenant will bear interest at the rate of interest determined by the Province to reflect market terms and conditions for a borrowing made by the Province at the relevant time from the date of expenditure until repayment by the Financing Entity and will (together with such interest) be paid by the Financing Entity upon demand and will until paid form part of the Obligations Secured subject to Sections **[7.04 and 8.13]** of the Trust Indenture and constitute a Finance Amount.[85] **[NTD: Discussion required as to how these repayments will be dealt with under the MTI, and in particular, under the waterfall provisions.]**

5.05 Representations and Warranties

The Province hereby represents and warrants that:

(a) the Province has the necessary power, authority and capacity to execute and perform its obligations under this Agreement;

(b) the execution, delivery and performance by the Province of this Agreement and the completion of the transactions contemplated hereby do not and will not result in a violation of any applicable law;

(c) all necessary action has been taken by the Province including, without limitation, under sections 5(2) and 5(3) of the Act and section 28(1.1) of the *Financial Administration Act*, R.S.O. 1990 c. F. 12, to authorize the execution and delivery of this Agreement by the Province and the performance by the Province of its obligations hereunder; and

(d) this Agreement has been duly authorized, executed and delivered on behalf of the Province and is a legal, valid and binding obligation of the Province, enforceable against it in accordance with its terms.

ARTICLE VI
NOTICE OF ASSUMPTION OF OBLIGATIONS SECURED

6.01 Delivery of Assumption Notice

Following the occurrence of a Protection Event, the Province may provide notice (in the form of Exhibit B) to the Indenture Trustee, in accordance with the terms of the Process Agreement, that the Province has elected to assume the Financing Entity's obligations in respect of all Obligations Secured, as obligor and debtor (the "**Assumption Notice**"). The Assumption Notice shall specify the date on which the assignment and assumption of the Obligations Secured will be effective (the "**Assumption Closing Date**").

6.02 Cooperation to Implement the Assignment and Assumption

The Indenture Trustee, the FSM, the Financing Entity and the Province will cooperate and use best efforts to complete the assignment and assumption of the Obligations Secured by and from the Financing Entity to and by the Province, by the Assumption Closing Date.[96]

6.03 Effect of Assumption

On the date that the assignment and assumption of the Obligations Secured by and from the Financing Entity to and by the Province becomes effective (the "**Assumption Effective Date**"), the Province shall no longer be required to provide and perform the Limited Guarantee but will instead be primary obligor under the Obligations Secured. **[NTD: Need to move Article VI of the Change of Law Process Agreement into this Article VI and amend accordingly. Also, we will need to attach the form of Assumption Agreement as an Exhibit to this Agreement that will be used for the assignment and assumption of all Obligations Secured. Contrary to the statement in Section 6.02(f) of the Change of Law Protection Agreement, there will not be a separate form of Assumption Agreement for each Obligation Secured.]**

6.04 Interim Period

Until the effective time of the assignment and assumption of the Obligations Secured by and from the Financing Entity to and by the Province on the Assumption Effective Date, the Province shall continue to perform and be obligated under the Limited Guarantee.

ARTICLE VII
INDENTURE TRUSTEE MATTERS

7.01 Limited Recourse

("**OPG**"), as Financial Services Manager for the Financing Entity in accordance with the Act, is made and entered into as of [■], 2017.

RECITALS

OPG is appointed as the Financial Services Manager under Section 18 of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**").

Pursuant to Section 22(2) of the Act, OPG, in its capacity as the Financial Services Manager (the "**FSM**"), may establish or cause to be established one or more financing entities (as defined in the Act), which may incur Funding Obligations in accordance with the Act.

Pursuant to a Declaration of Trust dated as of [■], 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.[1]

Concurrent with this Agreement, the Province, the FSM, the Financing Entity and the Indenture Trustee will enter into the Change of Law Protection Agreement under which the Province will agree to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Obligations Secured that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions at the time the Approved Obligation is incurred or amended.

Prior to entering into this Agreement, the FSM provided the Province with copies of certain of the Transaction Documents, and the Province has confirmed by a notice delivered to the FSM that the reviewed forms (as further described in such notice) shall be Reviewed Documentation for the purposes of this Agreement.

This Agreement sets out the obligations the FSM has agreed to perform and assurances the FSM has agreed to provide and on which the Province will rely in entering into and implementing the Change of Law Protection Agreement, including for the purposes of determining whether the Adherence Conditions have been satisfied in connection with the incurrence or amendment of an Approved Obligation, maintaining information related to the Program Agreements and the Approved Obligations, and ensuring that the Province's assumption rights pursuant to Article VI of the Change of Law Protection Agreement may be exercised without impediment on the terms and conditions contemplated in this Agreement and the Change of Law Protection Agreement.

All things necessary to make this Agreement a valid and legally binding agreement of the FSM, and of the Province in accordance with the Act, have been done.

[1] Note: This draft only addresses the first Financing Entity. If additional financing entities are established, revisions to this Agreement may be made at that time, in context. Any additional financing entities contemplated should be as contemplated in the Financing Plan.

All things necessary to make this Agreement a valid and legally binding agreement of ~~OPG~~the FSM, and of the Province in accordance with the Act, have been done.

[1] Note: This draft only addresses the first Financing Entity. If additional financing entities are established, revisions to this Agreement may be made at that time, in context. Any additional financing entities contemplated should be as contemplated in the Financing Plan.

Rima, Krista, Nina and Michael,

Here are drafts of the Change of Law Protection Agreement and Change of Law Process Agreement. Please note that while various people at the Province have provided considerable thought and input into these drafts, they remain subject to on-going review, comment and consideration (including where indicated in the drafts) by the Province, and of course remain subject to ultimate consideration and approval by the Ministers. This circulation is for discussion purposes only. Please feel free to circulate these drafts to OPG, E&Y, Osler and the Dealers, reflecting that understanding.

We propose that a consolidated mark-up be prepared that reflects all of the issues that you or those others may have, and ideally reflects input from the rating agencies. Once that mark-up is available, we propose that a meeting of interested parties be held to resolve any outstanding issues.

In the meantime, please feel free to call Malle, Toby, Tom, Alena or me if you have questions or concerns.

Regards, Steve

HER MAJESTY THE QUEEN IN RIGHT OF ONTARIO, AS REPRESENTED BY THE MINISTER OF ENERGY AND THE MINISTER OF FINANCE

AND

COMPUTERSHARE TRUST COMPANY OF CANADA, AS TRUSTEE OF FAIR HYDRO TRUST

AND

ONTARIO POWER GENERATION INC., AS FINANCIAL SERVICES MANAGER

AND

BNY TRUST COMPANY OF CANADA, AS INDENTURE TRUSTEE

CHANGE OF LAW PROTECTION AGREEMENT

Dated as of [■], 2017

This **AGREEMENT**, among Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), Computershare Trust Company of Canada, in its capacity as trustee (the "**Financing Entity Trustee**") of Fair Hydro Trust, a trust under the laws of the Province of Ontario (the "**Financing Entity**")[1], Ontario Power Generation Inc., in its capacity as Manager of the Financing Entity and in its capacity as the Financial Services Manager in accordance with the Act (the "**FSM**") and BNY Trust Company of Canada, a trust company existing under the laws of Canada, as Indenture Trustee, is made and entered into as of [■], 2017.

RECITALS

Pursuant to Subsection 5(3) of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**"), the Lieutenant Governor in Council may by order, authorize the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to agree to guarantee or indemnify certain debts, obligations, securities or undertakings associated with an Investment Interest.

Pursuant to an Order in Council dated as of ■ (the "**OIC**"), the Lieutenant Governor in Council has, among other things, authorized the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to enter into one or more agreements to guarantee or indemnify the debts, obligations, securities or undertakings of one or more financing entities established or caused to be established pursuant to Subsection 22(2) of the Act by the FSM and that may incur Funding Obligations in connection with one or more Investment Interests.

Pursuant to a Declaration of Trust[2] dated as of ■, 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

The Financing Entity Trustee, in its capacity as trustee of the Financing Entity, and the Indenture Trustee are parties to the Trust Indenture and propose to create and issue series of notes, bonds and other securities as contemplated therein, and to provide security over the assets and undertaking of the Financing Entity in respect of such notes, bonds and securities, as well as other Obligations Secured.

The Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, have determined to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Obligations Secured that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions at the time the Approved Obligation is incurred or amended. This Agreement sets out the terms and conditions of such protections and assurances.

---

[1] Province needs the Trust as a party to be assured of its rights of subrogation, step-in, etc.

[2] Torys to confirm that Trust is a "financing entity" under OFHPA. Under definition, FSM to establish or cause to be established. DofT indicates Computershare declares trust. Need to have this confirmed for purposes of authority under OFHPA 5(3), among other things.

All things necessary to make this Agreement a valid and legally binding agreement of the Province, the Financing Entity, the FSM and the Indenture Trustee, in accordance with the Act, the OIC and the Trust Indenture, have been done.

(i) with respect to the computation of periods of time from a specified date to a later specified date, unless otherwise expressly stated, the word "from" means "from and including" and the words "to" and "until" each mean "to but excluding".

1.02 Trustee to act in accordance with the Trust Indenture

Any action taken, required to be taken or permitted to be taken by the Indenture Trustee under this Agreement shall only be taken in the manner, at the times, for the purposes, subject to the prerequisites, conditions, requirements and limitations, and with the benefits, exculpations, indemnities and protections that are provided to the Indenture Trustee, in each case in respect of such action taken, required to be taken or permitted to be taken by it under the Trust Indenture.

1.03 Proof of Approved Obligations

The efficacy of any agreement, instrument or writing evidencing a Primary Obligation may, in the absence of manifest error, be conclusively proved in any manner that the Indenture Trustee deems to be sufficient.

Any statement of account prepared by the Indenture Trustee as regards the Primary Obligations shall constitute *prima facie* evidence of the amount which, as at the date of the statement so prepared, is due and payable by the Financing Entity to the Beneficiaries and/or the Indenture Trustee and the Province hereby acknowledges and agrees that, absent manifest error, it shall be bound by each such statement. The Indenture Trustee agrees to provide the Province with the computations and calculations used by the Indenture Trustee to prepare each such statement of account promptly following a request therefor.

1.04 Limitation on Rights of and Actions by Specified Creditors

Specified Creditors, as Beneficiaries, shall not have or be permitted to exercise any rights, interests, or elections under this Agreement, other than in the manner and to the extent effected and exercised under, in accordance with and subject to the limitations set forth in the Trust Indenture.

1.05 Province Retains Rights of Beneficiaries

Without limiting any rights of subrogation or succession that arise pursuant to applicable law or pursuant to the Province's rights as an assignee, subrogee or pursuant to Section 5.01, all of the rights, interests, elections and privileges that would arise in favour of a Beneficiary under the Trust Indenture or other Funding Obligation Agreement under which a related Primary

Obligation arises shall automatically arise, vest in and be available to the Province to the extent of the performance by the Province of the Primary Obligation.

1.06 Effect of Headings

The Article and Section headings herein are for convenience only and will not affect the construction hereof.

1.07 Successors and Assigns

All covenants and agreements in this Agreement by the parties will bind their respective successors and permitted assigns, whether so expressed or not. All covenants and agreements of the Indenture Trustee, the Financing Entity, the Financing Entity Trustee or the FSM in this Agreement shall bind their respective successors, co-trustees and agents.

1.08 Severability

Each of the provisions contained in this Agreement is distinct and severable and a declaration of invalidity or unenforceability of any such provision or part thereof by a court of competent jurisdiction will not affect the validity or enforceability of any other provision hereof. To the extent permitted by applicable law, the parties waive any provision of law which renders any provision of this Agreement invalid or unenforceable in any respect. The parties will engage in good faith negotiations to replace any provision which is declared invalid or unenforceable with a valid and enforceable provision, the economic effect of which comes as close as possible to that of the invalid or unenforceable provision which it replaces.

1.09 Governing Law

THIS AGREEMENT WILL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE PROVINCE OF ONTARIO AND THE FEDERAL LAWS OF CANADA APPLICABLE THEREIN, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

1.10 Proceedings Against the Crown Act

NOTHING IN THIS AGREEMENT OR THE PROGRAM AGREEMENTS AFFECTS THE RIGHTS, PROTECTIONS AND IMMUNITIES OF THE CROWN UNDER THE PROCEEDINGS AGAINST THE CROWN ACT.

1.11 Attornment

EACH PARTY SUBMITS TO THE EXCLUSIVE JURISDICTION OF ANY ONTARIO COURTS SITTING IN TORONTO IN ANY ACTION, APPLICATION, REFERENCE OR OTHER PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT. THE PARTIES HERETO HEREBY WAIVE ANY RIGHT THEY MAY

HAVE TO REQUIRE A TRIAL BY JURY OF ANY PROCEEDING COMMENCED IN CONNECTION WITH THIS AGREEMENT.

1.12 Counterparts; Electronic Delivery

This Agreement may be executed in any number of counterparts, each of which so executed will be deemed to be an original, but all such counterparts will together constitute one and the same instrument. Delivery of an executed signature page to this Agreement by a party by electronic transmission will be as effective as delivery of a manually executed copy of the Agreement by such party.

1.13 Change of Law Protection Agreement Referred to in the Trust Indenture

This Agreement is the "Change of Law Protection Agreement" referred to in the Trust Indenture.

1.14 Non-Business Days

Whenever any payment to be made hereunder shall be stated to be due, any period of time would begin or end, any calculation is to be made or any other action to be taken hereunder shall be stated to be required to be taken, on a day other than a Business Day, then (notwithstanding any other provision of this Agreement) such payment shall be made, such period of time shall begin or end, such calculations shall be made and such other action shall be taken on the next succeeding Business Day.

1.15 Waiver, Amendment

Except as expressly provided in this Agreement, no amendment or waiver of this Agreement will be binding unless executed in writing by the party to be bound thereby. No waiver of any provision of this Agreement will constitute a waiver of any other provision nor will any waiver of any provision of this Agreement constitute a continuing waiver unless otherwise expressly provided. A party's failure or delay in exercising any right under this Agreement will not operate as a waiver of that right. A single or partial exercise of any right will not preclude a party from any other or further exercise of that right or the exercise of any other right.

1.16 Interest Act

For the purpose of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest to which any rate of interest payable under this Agreement that is calculated on any basis other than a full calendar year is equivalent may be determined by multiplying such rate by a fraction, the numerator of which is the actual number of days in the calendar year in which such yearly rate of interest is to be ascertained and the denominator of which is the number of days comprising such other basis. The parties further agree that for the purposes of the *Interest Act* (Canada), (i) the principle of deemed reinvestment of interest shall not apply to any interest calculation under this Agreement, and (ii) the rates of interest stipulated in this Agreement are intended to be nominal rates and not effective rates or yields.

1.17 Currency

Unless stated otherwise, all amounts herein are stated in Canadian Dollars.

1.18 References to Acts of the Financing Entity

For greater certainty, where any reference is made in this Agreement, or in any other instrument executed pursuant hereto or contemplated hereby to which the Financing Entity or the Financing Entity Trustee, as trustee of the Financing Entity, is party, to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or release to be provided by, a suit or proceeding to be taken by or against, or a covenant, representation or warranty (other than relating to the constitution or existence of the Financing Entity) by or with respect to (i) the Financing Entity or (ii) the Financing Entity Trustee, such reference shall be construed and applied for all purposes as if it referred to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or release to be provided by, a suit or proceeding to be taken by or against or a covenant, representation or warranty (other than relating to the constitution or existence of the Financing Entity) by or with respect to, the Financing Entity Trustee as trustee of the Financing Entity.

1.19 Judgment Currency

(a) If for the purpose of obtaining judgment in any court or for any other purposes (other than conversions specifically provided for in the agreement under which an Approved Obligation arises), it is necessary to convert any amount due under this Agreement from the currency in which it is due (the "**Original Currency**") into another currency (the "**Second Currency**"), the rate of exchange applied shall be that at which, in accordance with normal banking procedures, the purchaser could purchase, in the New York foreign exchange market, the Original Currency with the Second Currency on the date on which judgment is given. The obligation of the Province in respect of any Original Currency due from it to the Indenture Trustee under this Agreement shall, notwithstanding any judgment or payment in such other currency, be discharged only to the extent that, on the Business Day following receipt of any sum so paid or adjudged to be due under this Agreement in the Second Currency, the Indenture Trustee may, in accordance with normal banking procedures, purchase in the New York foreign exchange market the Original Currency with the amount of the Second Currency so paid or so adjudged to be due; and if the amount of the Original Currency so purchased is less than the amount originally due in the Original Currency, the Province shall indemnify the Indenture Trustee against such loss.

(b) The term "rate of exchange" in this Section 1.19 means the spot rate at which the Indenture Trustee, in accordance with normal practice, is able on the relevant date to purchase the Original Currency with the Second Currency and includes any premium and costs of exchange payable in connection with such purchase.

ARTICLE II
AGREEMENT TO PERFORM APPROVED OBLIGATIONS

2.01 Limited Guarantee

(a) Upon the occurrence of a Protection Event, the Indenture Trustee may provide a written demand, substantially in the form attached as Exhibit A (a "**Payment Demand**"), to the Province requiring the Province to pay the Approved Obligations as provided in this Agreement. From and after the delivery of a Payment Demand, the Province shall make payments in respect of Approved Obligations and receive Subrogation Amounts in accordance with the following procedures (the "**Limited Guarantee**"):

i. One Business Day prior to each Payment Date when any payment or payments are to be made in respect of one or more Approved Obligations, the Manager shall advise the Province in writing of the Aggregate Approved Obligations Amount in respect of such Approved Obligations on such Payment Date.

ii. On each Payment Date the Province shall pay the Aggregate Approved Obligations Amount to the Indenture Trustee and the Indenture Trustee shall deposit such amount to the Protection Account.

iii. On each Payment Date, the Paying Agent shall apply the Aggregate Approved Obligations Amount deposited to the Protection Account to pay in full to the applicable Beneficiaries the Approved Obligation Amount of each Beneficiary payable on such Payment Date; provided that if for any reason the amount deposited pursuant to clause 2.01(a)ii is insufficient to pay all such Approved Obligation Amounts in full, the amount available shall be applied in the order of priority in which the applicable Approved Obligations are payable in the section of the Trust Indenture which would otherwise be applicable to the making of such payments.

iv. The Manager shall prepare payment instructions for the Payment Date under each section of the Trust Indenture applicable to the making of the payments under clause 2.01(a)iii allocating the amounts available to be allocated under each such section (which for greater certainty, are amounts other than the Approved Obligations Amounts) on the basis that: (A) for the purpose of determining the amount of the payment to each applicable Person (including the Beneficiaries of Approved Obligations), the payments made under clause 2.01(a)iii are disregarded, and (B) any amounts so determined which are payable to the Beneficiaries that have been paid under clause 2.01(a)iii are paid instead to the Province (such payments being "**Subrogation Amounts**").

(b) For greater certainty, the Limited Guarantee will not apply to any amount or obligation of the Financing Entity that is not or does not arise under an Approved Obligation.

(c) Except as expressly provided in this Agreement, the Province's obligation to provide and perform the Limited Guarantee shall be irrevocable, absolute and unconditional.

(d) Any amount payable by the Province under the Limited Guarantee in respect of an Approved Obligation that is not paid when required herein shall bear interest from the applicable due date until paid in full at the rate or rates expressed to be payable on the Approved Obligation.

(e) The right to deliver a Payment Demand and thereupon enforce the Limited Guarantee shall constitute the only remedy available to the Indenture Trustee under this Agreement. Under no circumstances shall the Province be obligated to pay or indemnify the Indenture Trustee or any Beneficiary for consequential, special or punitive damages, or for economic loss or loss of profits; provided that, for greater certainty, economic loss shall not include the loss represented by the failure to receive the principal and interest itself.

2.02 Intentionally Deleted.

2.03 Absence of Set-off

Subject to applicable law, the Province acknowledges and agrees that each payment to be made by the Province hereunder in respect of an Approved Obligation shall be made as required in whole, without application of any right of set-off and without regard to any equities as between or among any of the Province, the Beneficiaries and/or the Indenture Trustee.

2.04 Payment into Protection Account[3] in Satisfaction

(a) On or before the date of delivery of a Payment Demand to the Province, the Indenture Trustee shall cause to be established and maintained an Eligible Deposit Account (the "**Protection Account**") in the name of the Indenture Trustee, bearing a designation clearly indicating that the funds and other property credited thereto are held for the benefit of the Indenture Trustee and the Beneficiaries. The Protection Account shall be under the control of the Indenture Trustee for the benefit of the Beneficiaries. If, at any time, the institution holding the Protection Account ceases to be an Eligible Institution, the FSM shall notify the Indenture Trustee, and the Indenture Trustee upon being notified in writing of such ineligibility (or the FSM on its behalf) shall within 30 days (or such longer period, not to exceed 45 days, so long as the Rating Agency Condition is satisfied) establish a new Protection Account that is an Eligible Deposit Account and shall

[3] Use of Protection Account to be considered by Province after required modifications to Trust Indenture have been provided.

transfer any funds or other property from such Protection Account to such new Protection Account. From the date each such new Protection Account is established, it shall be the "Protection Account." for purposes of this Agreement. Funds credited to the Protection Account will be invested and held in accordance with Section 7.03 of the Trust Indenture on the basis that it is an Issuer Account.

(b) Notwithstanding the priority of payment requirements set forth in the Trust Indenture and any legal rule concerning the imputation of payments, the Indenture Trustee shall apply the full amount paid by the Province into the Protection Account in respect of an Approved Obligation to pay the corresponding amount due and payable to the applicable Beneficiaries under the Approved Obligation as provided for in Section 2.01(a). Upon a payment having been made by or on behalf of the Province into the Protection Account in respect of an Approved Obligation, the amount so paid shall for all purposes be considered to have been applied to pay the applicable Beneficiaries as provided for in Section 2.01(a) and thereby reduce the amount due and payable to such Beneficiaries in respect of the Approved Obligation, whereupon an affected Beneficiary shall have no continuing rights, interests or entitlements (including rights as a secured party) in respect of the Approved Obligation to the extent so paid[4]. For greater certainty, the obligations arising in respect of the Approved Obligation shall not be reduced by such payment as the Province shall become entitled to related Subrogation Amounts and the rights contemplated Section 5.01 in relation to such continuing obligations.

2.05 Certain Waivers

The Province hereby waives:

(a) any requirement, and any right to require, that any power be exercised or any action be taken against the Financing Entity or any Collateral for any of the Approved Obligations;

(b) all notices which may be required by applicable law to preserve any rights against the Province hereunder, including any notice of default, demand, dishonour, presentment and protest;

(c) diligence; and

(d) any defence based upon, arising out of or in any way related to any claim that any election of remedies by the Beneficiaries impaired, reduced, released or extinguished any rights that the Province might otherwise have had against the Financing Entity or any other surety.

[4] A corresponding provision needs to be added to the Trust Indenture and each other contract under which the Obligation Secured arises, so that the Beneficiaries are bound by these applications and the agreement of the Indenture Trustee under this Agreement.

The Province agrees that each such waiver is made with full knowledge of its significance and consequences and if any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the maximum extent permitted by applicable law.

2.06 Additional Security

This Agreement shall be in addition to and without prejudice to any other security by whomsoever given, held at any time by the Indenture Trustee or for the benefit of any of the Beneficiaries.

2.07 Continuing Liability of the Province

The Approved Obligations shall be deemed not to have been paid, observed or performed, and the liability of the Province hereunder in respect thereof shall continue and not be discharged, to the extent that any payment, observance or performance thereof by the Financing Entity, or out of the proceeds of any Collateral, is recovered from or reimbursed by or for the account of any of the Beneficiaries for any reason, including a preference or fraudulent transfer or by virtue of any subordination (whether present or future or contractual or otherwise) of the Approved Obligations, whether such recovery or payment over is effected by any judgment, decree or order of any court or Governmental Authority, by any plan of reorganization or by settlement or compromise by any of the Beneficiaries (whether or not consented to by the Financing Entity or the Province) of any claim for any such recovery or payment over.

2.08 Continuance of the Limited Guarantee

Subject to Section 2.07, the Limited Guarantee shall continue in full force and effect until the indefeasible payment, observance and performance in full of the Approved Obligations, or until the Province is no longer required to provide and perform the Limited Guarantee in accordance with Section 6.03.

2.09 Modifications of Approved Obligations

The Province expressly authorizes the Indenture Trustee, at any time and from time to time, without notice and without affecting the liability of the Province hereunder, but subject to compliance with the requirements of the Program Agreements and this Agreement, to:

(a) accept new, additional or replacement instruments, documents, agreements or security in connection with all or any part of the Approved Obligations;

(b) accept partial payments on the Approved Obligations; and

(c) waive, release, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, compromise, liquidate and enforce all or any part of the Approved Obligations and any security or guarantee therefor, and apply any such security and direct the order or manner of sale thereof as the Indenture Trustee (for the benefit of the Beneficiaries) in its discretion may determine.

ARTICLE III
THE INDENTURE TRUSTEE

3.01 The Indenture Trustee

This Agreement is made in favour of the Indenture Trustee in its capacity as trustee under the Trust Indenture. Accordingly, in the event of a new trustee being appointed under the Trust Indenture, such new trustee shall thereupon become and be the Indenture Trustee hereunder, but nevertheless, the Indenture Trustee shall forthwith assign, transfer and make over to the new trustee hereunder this Agreement. All provisions of the Trust Indenture for the protection of the Indenture Trustee or for facilitating the administration of the trusts or otherwise relating to the Indenture Trustee solely as to its holding of the rights thereunder shall apply *mutatis mutandis* to this Agreement and the Indenture Trustee's duties hereunder.

3.02 Acceptance of Trusts

The Indenture Trustee hereby accepts the trusts hereof and agrees to carry out and discharge the same unless and until a new trustee shall be appointed as contemplated in Section 3.01.

ARTICLE IV
APPROVED OBLIGATIONS

4.01 Approval Process

A Primary Obligation shall constitute an Approved Obligation if the Adherence Conditions applicable thereto have been satisfied at the time the Primary Obligation was incurred.

4.02 Adherence Conditions

There shall be no Adherence Conditions applicable in relation to a Primary Obligation that is not a Funding Obligation. The following shall be the Adherence Conditions applicable in relation to a Primary Obligation that is a Funding Obligation:

(a) the Primary Obligation is contemplated under the Trust Indenture as an Obligation Secured; and

(b) OPG (acting in its capacity as FSM) delivers an officer's certificate addressed to the Indenture Trustee, prior to the earlier of (i) one Business Day prior to the incurrence of the Primary Obligation, and (ii) one Business Day after the Business Day on which the financial terms of the Primary Obligation are definitively determined (including the interest or discount rate applicable to any notes, bonds or other securities), confirming that OPG has delivered to the Province all certifications required by the Province in connection with the incurrence of the Primary Obligations; and [**NTD: does this work for derivatives? They are often priced at the same time they are entered into.**]

(c) the Province has not provided a Suspension Notice to the Indenture Trustee, the FSM and the Financing Entity in accordance with the terms of this Agreement.

4.03 Evidence of Satisfaction

A closing certificate delivered in accordance with Section 4.02 in connection with an incurrence or amendment of a Primary Obligation shall be determinative as to whether the applicable Adherence Conditions with respect thereto have been satisfied, notwithstanding that such certificate may include inaccuracies, be incomplete or otherwise be defective or deficient, and such closing certificate may be relied upon by any addressee as conclusive evidence of same.

ARTICLE V
PROVINCE MATTERS

5.01 Assignment and Subrogation

(a) Upon paying an amount in respect of an Approved Obligation to or at the direction of the Indenture Trustee in satisfaction of the Limited Guarantee, the Province (in addition to and without prejudice to any rights it otherwise has in law or equity) shall be subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation to the extent of such payment, including (i) the right and entitlement to be paid and receive the related Subrogation Amounts, (ii) the benefits of the related Collateral and (iii) all proceeds therefrom. The Province shall have and be entitled to enforce all rights and interests (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)), under and in respect of such Approved Obligation to the extent of the payment by the Province in respect of the Approved Obligation as an absolute assignee of the applicable Beneficiary, with effect from and after the time of such payment, without any further requirement for notice to or acceptance by the Financing Entity of such absolute assignment and without any reduction, set-off or counterclaim on account of any amounts that may, at or after the time of payment, be or become owing by the Beneficiary to the Financing Entity and unaffected by any other rights or equities that arise thereafter as between the Beneficiary and the Financing Entity. The Indenture Trustee shall recognize the Province as being entitled to all of the rights, interests and entitlements of the Beneficiary (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)) in respect and to the extent of the Approved Obligation so paid, determined as of the time of payment, for all purposes under the Trust Indenture, and the Province shall be treated as a Specified Creditor in respect thereof for all purposes under the Trust Indenture and any other agreement under which the Approved Obligation arises.

(b) The Province (i) acknowledges and agrees in favour of the Indenture Trustee that, upon being subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation in accordance with Section 5.01(a), the Province, in its capacity as a Specified Creditor, will be

subject to the provisions applicable to Specified Creditors under the Trust Indenture, including **[Section 7.11 (Payments Held in Trust), Section 8.12 (Limitation on Suits), Sections 7.04 and 8.13 (Payment Priorities), Section 8.14 (Limited Recourse) and Section 16.01 (No Petition) thereof]** and (ii) confirms that the Indenture Trustee shall send notices to the Province, in its capacity as a Specified Creditor, in accordance with Section 9.02.

5.02 Priorities

For greater certainty, the rights, interests and entitlements of the Province as an assignee and subrogee of and with respect to an Approved Obligation shall rank equally with the rights, interests and entitlements of a Beneficiary for whom a Limited Guarantee payment is made in respect of, and to the extent of the payment made to satisfy, the Approved Obligation and the Province shall not be subject to postponement or subordination with respect thereto except to the extent of the priorities established in relation to the Approved Obligation under the Trust Indenture.

5.03 Province May Perform Other Program Agreement Covenants.

If the Financing Entity fails to perform any covenant under any Program Agreement, the Province may (but, except as expressly provided for under this Agreement, shall not be obligated to) perform such covenant on behalf of the Financing Entity. If the Province performs such a covenant on behalf of the Financing Entity, all sums expended or advanced by the Province in so performing the covenant will bear interest at the rate of interest determined by the Province to reflect market terms and conditions for a borrowing made by the Province at the relevant time from the date of expenditure until repayment by the Financing Entity and will (together with such interest) be paid by the Financing Entity upon demand and will until paid form part of the Obligations Secured subject to Sections **[7.04 and 8.13]** of the Trust Indenture and constitute a Finance Amount.[5]

5.04 Representations and Warranties

The Province hereby represents and warrants that:

(a) the execution, delivery and performance of this Agreement by the Province have been authorized by all necessary action on the part of the Province;

(b) the execution, delivery and performance of this Agreement by the Province do not result in the violation of any applicable law; and

(c) this Agreement has been duly executed and delivered by the Province.

[5] Payments to be addressed in the Trust Indenture like servicer advances under the waterfall provisions.

ARTICLE VI
NOTICE OF ASSUMPTION OF OBLIGATIONS SECURED

6.01 Delivery of Assumption Notice

Following the occurrence of a Protection Event, the Province may provide notice (in the form of Exhibit B) to the Indenture Trustee that the Province has elected to assume the Financing Entity's obligations in respect of all Obligations Secured, as obligor and debtor (the "**Assumption Notice**"). The Assumption Notice shall specify the date on which the assignment and assumption of the Obligations Secured will be effective (the "**Assumption Closing Date**").

6.02 Cooperation to Implement the Assignment and Assumption

The Indenture Trustee, the FSM, the Financing Entity and the Province will cooperate and use best efforts to complete the assignment and assumption of the Obligations Secured by and from the Financing Entity to and by the Province, by the Assumption Closing Date.[6]

6.03 Effect of Assumption

On the date that the assignment and assumption of the Obligations Secured by and from the Financing Entity to and by the Province becomes effective (the "**Assumption Effective Date**"), the Province shall no longer be required to provide and perform the Limited Guarantee but will instead become a primary obligor under the Obligations Secured assumed pursuant to and in accordance with an applicable Assumption Agreement. For greater certainty, the obligations of the Province so assumed will not be secured obligations of the Province and the obligees thereof will have no right, interest or claim to or in respect of the Collateral or any proceeds therefrom. **[NTD: the forms of assumption agreement(s) need to be settled before this agreement is finalized.]**

6.04 Interim Period

Until the effective time of the assignment and assumption of the Obligations Secured by and from the Financing Entity to and by the Province on the Assumption Effective Date, the Province shall continue to perform and be obligated under the Limited Guarantee.

6.05 Rights in respect of the Assets Comprising the Collateral

Upon assuming the Financing Entity's obligations in respect of all Obligations Secured under Article VI, the Province (in addition to and without prejudice to any rights it otherwise has in law or equity) shall be subrogated and entitled to all of the Financing Entity's rights and interests under and in respect of the assets, property and undertaking comprising the Collateral and all proceeds therefrom, free and clear of any liens, encumbrances or restrictions arising under or as a result of the Trust Indenture. The Province shall have and be entitled to enforce all such rights and interests as an absolute assignee of the Financing Entity, with effect from and after the time of such assumption, without any further requirement for notice to or acceptance by

[6] Further details regarding obtaining of third party consents and rating agency approvals to be provided by OPG.

the Financing Entity of such absolute assignment and without any reduction, set-off or counterclaim on account of any amounts that may, at or after the time of payment, be or become owing to the Financing Entity and unaffected by any other rights, interests or equities that arise thereafter in respect of the assets, property and undertaking comprising the Collateral as between the Beneficiaries and the Financing Entity. The Indenture Trustee shall thereupon recognize the Province as the absolute owner of the assets, property and undertaking comprising the Collateral.

ARTICLE VII
INDENTURE TRUSTEE MATTERS

7.01 Limited Recourse

No recourse may be taken, directly or indirectly, with respect to the obligations of the Financing Entity under this Agreement, or any certificate or other writing delivered in connection herewith or therewith, against (a) the Financing Entity Trustee in its individual capacity, (b) any owner of a beneficial interest in the Financing Entity or (c) any partner, owner, beneficiary, agent, officer, director, employee or agent of the Financing Entity Trustee in its individual capacity, any holder of a beneficial interest in the Financing Entity or the Financing Entity Trustee or of any successor or assign of the Financing Entity Trustee in its individual capacity, except as any such Person may have expressly agreed (it being understood that the Financing Entity Trustee has no such obligations in its individual capacity).

7.02 Not Responsible for Recitals or Issuance of Notes

The recitals contained herein will be taken as the statements of the Province and the FSM, and the Indenture Trustee assumes no responsibility for their correctness. The Indenture Trustee makes no representations as to the validity or sufficiency of this Agreement.

7.03 Representations and Covenants of the Indenture Trustee

The Indenture Trustee represents, warrants and covenants that:

(a) the Indenture Trustee is a trust company organized, existing and in good standing under the laws of Canada;

(b) the Indenture Trustee has full power and authority to execute, deliver and perform this Agreement and has taken all necessary action to authorize the execution, delivery and performance by it of this Agreement and other documents to which it is a party;

(c) each of this Agreement and the other documents to which it is a party has been duly executed and delivered by the Indenture Trustee and constitutes its legal, valid and binding obligation in accordance with its terms; and

(d) the Indenture Trustee is authorized to carry on the business of a trust company in each of the provinces and territories of Canada.

ARTICLE VIII
SUSPENSION OF ADHERENCE FOR NEW PRIMARY OBLIGATIONS

8.01 Suspension Notice

A written notice in the form of Exhibit C (a "**Suspension Notice**") may be provided by the Province to the Indenture Trustee, the FSM and the Financing Entity:

(a) upon the Province becoming aware of the occurrence of a Program Breach; and

(b) following the occurrence of a Breach Event that has not been waived in writing by the Province.

8.02 Suspension

If a Suspension Notice has been provided under Section 8.01 (the provision of such notice being a "**Suspension Event**"), the Limited Guarantee shall not apply in respect of any Obligation Secured incurred on or after the time such Suspension Notice is delivered. For greater certainty, the rights of the Province under Article VI shall apply in respect of all Obligations Secured, including if incurred on or after the time such Suspension Notice is delivered.

8.03 Termination Notice

On (a) the occurrence of a Suspension Event or (b) the Assumption Effective Date, the Province may provide to the Indenture Trustee, the FSM and the Financing Entity a notice in the form of Exhibit D (a "**Termination Notice**").[7]

8.04 No Impact on Adherence

For greater certainty, the occurrence of Suspension Event or a failure by the FSM or the Financing Entity to perform its covenants under this Agreement will not invalidate or extinguish the obligations of the Province under the Limited Guarantee in respect of Approved Obligations in existence prior to the occurrence of the Suspension Event, nor will it in any way impact the Obligations Secured which are assumed by the Province in accordance with Article VI.

ARTICLE IX
MISCELLANEOUS

9.01 Term of Agreement

This Agreement will continue until the later of:

[7] The suspension right in favour of the Province is intended to allow the Province to cut-off future obligations under this Agreement, but not affect rights that have arisen prior to the suspension notice. The termination notice is a further step that allows the Province to bring this agreement to an end, but that only happens (under section 9.01) after all amounts capable of becoming due under the Limited Guarantee have been paid (i.e., the last obligation incurred prior to the suspension notice has been satisfied), including as a result of an assumption under Art VI.

(a) the date that no amount is or may become due and payable by the Province under the Limited Guarantee; and

(b) the date that a Termination Notice delivered in accordance with Section 8.03 is received by the Indenture Trustee, the FSM and the Financing Entity.

9.02 Notices

Any notice or other communication required or permitted to be given hereunder will be in writing and will be given by prepaid first-class mail, by facsimile or other means of electronic communication or by hand-delivery as hereinafter provided. This **AGREEMENT**, among Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), Computershare Trust Company of Canada, in its capacity as trustee (the "**Financing Entity Trustee**") of Fair Hydro Trust, a trust under the laws of the Province of Ontario (the "**Financing Entity**")[1], Ontario Power Generation Inc., in its capacity as Manager of the Financing Entity and in its capacity as the Financial Services Manager in accordance with the Act (the "**FSM**") and BNY Trust Company of Canada, a trust company existing under the laws of Canada, as Indenture Trustee, is made and entered into as of [■], 2017.

RECITALS

Pursuant to Subsection 5(3) of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**"), the Lieutenant Governor in Council may by order, authorize the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to agree to guarantee or indemnify certain debts, obligations, securities or undertakings associated with an Investment Interest.

Pursuant to an Order in Council dated as of ■ (the "**OIC**"), the Lieutenant Governor in Council has, among other things, authorized the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to enter into one or more agreements to guarantee or indemnify the debts, obligations, securities or undertakings of one or more financing entities established or caused to be established pursuant to Subsection 22(2) of the Act by the FSM and that may incur Funding Obligations in connection with one or more Investment Interests.

Pursuant to a Declaration of Trust[2] dated as of ■, 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

The Financing Entity Trustee, in its capacity as trustee of the Financing Entity, and the Indenture Trustee are parties to the Trust Indenture and propose to create and issue series of notes, bonds and other securities as contemplated therein, and to provide security over the assets and undertaking of the Financing Entity in respect of such notes, bonds and securities, as well as other Obligations Secured.

The Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, have determined to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Obligations Secured that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions at the time the Approved Obligation is incurred or amended. This Agreement sets out the terms and conditions of such protections and assurances.

[1] Province needs the Trust as a party to be assured of its rights of subrogation, step-in, etc.

[2] Torys to confirm that Trust is a "financing entity" under OFHPA. Under definition, FSM to establish or cause to be established. DofT indicates Computershare declares trust. Need to have this confirmed for purposes of authority under OFHPA 5(3), among other things.

~~The FSM and the Province will concurrently enter into the Process Agreement, under which the FSM will agree to perform certain related activities and to provide certain assurances on which the Province will rely, including for the purposes of determining whether< *the Adherence Conditions* >have been satisfied in connection with the incurrence or amendment of an Approved Obligation and ensuring that the Province's assumption right may be exercised without impediment on the terms and conditions contemplated in this Agreement.~~

All things necessary to make this Agreement a valid and legally binding agreement of the Province, the Financing Entity, the FSM and the Indenture Trustee, in accordance with the Act, the OIC and the Trust Indenture, have been done.

Province will need to know that all amounts will be applied for their intended purposes without undermining Province's step-in and subrogation rights.~~

Guarantee will not apply to any amount or obligation of the Financing Entity that is not or does not arise under an Approved Obligation.

(c) Except as expressly provided in this Agreement, the Province's obligation to provide and perform the Limited Guarantee shall be irrevocable, absolute and unconditional.

(d) Any amount payable by the Province under the Limited Guarantee in respect of an Approved Obligation that is not paid when required herein shall bear interest from the applicable due date until paid in full at the rate or rates expressed to be payable on the Approved Obligation.

(e) The right to deliver a Payment Demand and thereupon enforce the Limited Guarantee shall constitute the only remedy available to the Indenture Trustee under this Agreement. Under no circumstances shall the Province be obligated to pay or indemnify the Indenture Trustee or any Beneficiary for consequential, special or punitive damages, or for economic loss or loss of profits~~.~~**; provided that, for greater certainty, economic loss shall not include the loss represented by the failure to receive the principal and interest itself.**

2.02 Intentionally Deleted.

2.03 Absence of Set-off

Subject to applicable law, the Province acknowledges and agrees that each payment to be made by the Province hereunder in respect of an Approved Obligation shall be made as required in whole, without application of any right of set-off and without regard to any equities as between or among any of the Province, the Beneficiaries and/or the Indenture Trustee.

2.04 Payment into Protection Account[53] in Satisfaction

(a) On or before the date of delivery of a Payment Demand to the Province, the Indenture Trustee shall cause to be established and maintained an Eligible Deposit Account (the "**Protection Account**") in the name of the Indenture Trustee, bearing a designation clearly indicating that the funds and other property credited thereto are held for the benefit of the Indenture Trustee and the Beneficiaries. The Protection Account shall be under the control of the Indenture Trustee for the benefit of the Beneficiaries. If, at any time, the institution holding the Protection Account ceases to be an Eligible Institution, the FSM shall notify the Indenture Trustee, and the Indenture Trustee upon being notified in writing of such ineligibility (or the FSM on its behalf) shall within 30 days (or such longer period, not to exceed 45 days, so long as the Rating Agency Condition is satisfied) establish a new Protection Account that is an Eligible Deposit Account and shall transfer any funds or other property from such Protection Account to such new

Protection Account. From the date each such new Protection Account is established, it shall be the "Protection Account." for purposes of this Agreement. Funds credited to the Protection Account will be invested and held in accordance with Section 7.03 of the Trust Indenture on the basis that it is an Issuer Account.

(b) Notwithstanding the priority of payment requirements set forth in the Trust Indenture and any legal rule concerning the imputation of payments, the Indenture Trustee shall apply the full amount paid by the Province into the Protection Account in respect of an Approved Obligation to pay the corresponding amount due and payable to the applicable Beneficiaries under the Approved Obligation **as provided for in Section 2.01(a)**. Upon a payment having been made by or on behalf of the Province into the Protection Account in respect of an Approved Obligation, the amount so paid shall for all purposes be considered to have been applied to pay the applicable Beneficiaries **as provided for in Section 2.01(a)** and thereby reduce the amount due and payable to such Beneficiaries in respect of the Approved Obligation, whereupon an affected Beneficiary shall have no continuing rights, interests or entitlements (including rights as a secured party) in respect of the Approved Obligation to the extent so paid[64]. For greater certainty, the obligations arising in respect of the Approved Obligation shall not be reduced by such payment as the Province shall become entitled to **related Subrogation Amounts and** the rights contemplated ~~under~~ Section 5.01 in relation to such continuing obligations.

2.05 Certain Waivers

The Province hereby waives:

(a) any requirement, and any right to require, that any power be exercised or any action be taken against the Financing Entity or any Collateral for any of the Approved Obligations;

(b) all notices which may be required by applicable law to preserve any rights against the Province hereunder, including any notice of default, demand, dishonour, presentment and protest;

(c) diligence; and

(d) any defence based upon, arising out of or in any way related to any claim that any election of remedies by the Beneficiaries impaired, reduced, released or extinguished any rights that the Province might otherwise have had against the Financing Entity or any other surety.

[64] A corresponding provision needs to be added to the Trust Indenture and each other contract under which the Obligation Secured arises, so that the Beneficiaries are bound by these applications and the agreement of the Indenture Trustee under this Agreement.

The Province agrees that each such waiver is made with full knowledge of its significance and consequences and if any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the maximum extent permitted by applicable law.

2.06 Additional Security

This Agreement shall be in addition to and without prejudice to any other security by whomsoever given, held at any time by the Indenture Trustee or for the benefit of any of the Beneficiaries.

2.07 Continuing Liability of the Province

The Approved Obligations shall be deemed not to have been paid, observed or performed, and the liability of the Province hereunder in respect thereof shall continue and not be discharged, to the extent that any payment, observance or performance thereof by the Financing Entity, or out of the proceeds of any Collateral, is recovered from or reimbursed by or for the account of any of the Beneficiaries for any reason, including a preference or fraudulent transfer or by virtue of any subordination (whether present or future or contractual or otherwise) of the Approved Obligations, whether such recovery or payment over is effected by any judgment, decree or order of any court or Governmental Authority, by any plan of reorganization or by settlement or compromise by any of the Beneficiaries (whether or not consented to by the Financing Entity or the Province) of any claim for any such recovery or payment over.

2.08 Continuance of the Limited Guarantee

Subject to Section 2.07, the Limited Guarantee shall continue in full force and effect until the indefeasible payment, observance and performance in full of the Approved Obligations, or until the Province is no longer required to provide and perform the Limited Guarantee in accordance with Section 6.03.

2.09 Modifications of Approved Obligations

The Province expressly authorizes the Indenture Trustee, at any time and from time to time, without notice and without affecting the liability of the Province hereunder, but subject to compliance with the requirements of the Program Agreements and this Agreement, to:

(a) accept new, additional or replacement instruments, documents, agreements or security in connection with all or any part of the Approved Obligations;

(b) accept partial payments on the Approved Obligations; and

(c) waive, release, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, compromise, liquidate and enforce all or any part of the Approved Obligations and any security or guarantee therefor, and apply any such security and direct the order or manner of sale thereof as the Indenture Trustee (for the benefit of the Beneficiaries)

in its discretion may determine~~,provided, however, that the Indenture Trustee shall not permit any change, modification, alteration, amendment, supplement, extension, renewal, compromise, novation, replacement, suspension or waiver of the terms of all or any part of the Approved Obligations or any Collateral therefor expect with the prior written consent of the Province having first been obtained~~.

the Trust Indenture on the basis contemplated in Section 5.01(b)), under and in respect of such Approved Obligation **to the extent of the payment by the Province in respect of the Approved Obligation** as an absolute assignee of the applicable Beneficiary, with effect from and after the time of such payment, without any further requirement for notice to or acceptance by the Financing Entity of such absolute assignment and without any reduction, set-off or counterclaim on account of any amounts that may, at or after the time of payment, be or become owing by the Beneficiary to the Financing Entity and unaffected by any other rights or equities that arise thereafter as between the Beneficiary and the Financing Entity. The Indenture Trustee shall recognize the Province as being entitled to all of the rights, interests and entitlements of the Beneficiary (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)) in respect and to the extent of the Approved Obligation so paid, determined as of the time of payment, for all purposes under the Trust Indenture, and the Province shall be treated as a Specified Creditor in respect thereof for all purposes under the Trust Indenture and any other agreement under which the Approved Obligation arises.

(b) ~~(a)~~ The Province (i) acknowledges and agrees in favour of the Indenture Trustee that, upon being subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation in accordance with Section 5.01(a), the Province, in its capacity as a Specified Creditor, will be subject to the provisions applicable to Specified Creditors under the Trust Indenture, including **[Section 7.11 (Payments Held in Trust), Section 8.12 (Limitation on Suits), Sections 7.04 and 8.13 (Payment Priorities), Section 8.14 (Limited Recourse) and Section 16.01 (No Petition) thereof]** and (ii) confirms that the Indenture Trustee shall send notices to the Province, in its capacity as a Specified Creditor, in accordance with Section 9.02.

5.02 Priorities

For greater certainty, the rights, interests and entitlements of the Province as an assignee and subrogee of and with respect to an Approved Obligation shall rank equally with the rights, interests and entitlements of a Beneficiary for whom a Limited Guarantee payment is made in respect of, and to the extent of the payment made to satisfy, the Approved Obligation and the Province shall not be subject to postponement or subordination with respect thereto except to the extent of the priorities established in relation to the Approved Obligation under the Trust Indenture.

5.03 Province May Perform Other Program Agreement Covenants.

If the Financing Entity fails to perform any covenant under any Program Agreement, the Province may (but, except as expressly provided for under this Agreement, shall not be obligated

to) perform such covenant on behalf of the Financing Entity. If the Province performs such a covenant on behalf of the Financing Entity, all sums expended or advanced by the Province in so performing the covenant will bear interest at the rate of interest determined by the Province to reflect market terms and conditions for a borrowing made by the Province at the relevant time from the date of expenditure until repayment by the Financing Entity and will (together with such interest) be paid by the Financing Entity upon demand and will until paid form part of the Obligations Secured subject to Sections **[7.04 and 8.13]** of the Trust Indenture and constitute a Finance Amount.[~~8~~5]

5.04 Representations and Warranties

The Province hereby represents and warrants that:

(a) the execution, delivery and performance of this Agreement by the Province have been authorized by all necessary action on the part of the Province;

(b) the execution, delivery and performance of this Agreement by the Province do not result in the violation of any applicable law; and

(c) this Agreement has been duly executed and delivered by the Province.

ARTICLE VI

The Assumption Notice shall specify the date on which the assignment and assumption of the Obligations Secured will be effective (the "**Assumption Closing Date**").

6.02 Cooperation to Implement the Assignment and Assumption

The Indenture Trustee, the FSM, the Financing Entity and the Province will cooperate and use best efforts to complete the assignment and assumption of the Obligations Secured by and from the Financing Entity to and by the Province, by the Assumption Closing Date.[~~9~~6]

6.03 Effect of Assumption

On the date that the assignment and assumption of the Obligations Secured by and from the Financing Entity to and by the Province becomes effective (the "**Assumption Effective Date**"), the Province shall no longer be required to provide and perform the Limited Guarantee

but will instead become a primary obligor under the Obligations Secured assumed pursuant to and in accordance with an applicable Assumption Agreement. For greater certainty, the obligations of the Province so assumed will not be secured obligations of the Province and the obligees thereof will have no right, interest or claim to or in respect of the Collateral or any proceeds therefrom. **[NTD: ~~Need to move Article VI of the Change of Law Process Agreement into this Article VI and amend accordingly.~~[10] ~~Also, we will need to attach the form of Assumption Agreement as an Exhibit to this Agreement that will be used for the assignment and assumption of all Obligations Secured. Contrary to the statement in Section 6.02(f) of the Change of Law Protection Agreement, there will not be a separate form of Assumption Agreement for each Obligation Secured.~~[11] the forms of assumption agreement(s) need to be settled before this agreement is finalized.]**

6.04 Interim Period

Until the effective time of the assignment and assumption of the Obligations Secured by and from the Financing Entity to and by the Province on the Assumption Effective Date, the Province shall continue to perform and be obligated under the Limited Guarantee.

6.05 Rights in respect of the Assets Comprising the Collateral

Upon assuming the Financing Entity's obligations in respect of all Obligations Secured under Article VI, the Province (in addition to and without prejudice to any rights it otherwise has in law or equity) shall be subrogated and entitled to all of the Financing Entity's rights and interests under and in respect of the assets, property and undertaking comprising the Collateral and all proceeds therefrom, free and clear of any liens, encumbrances or restrictions arising under or as a result of the Trust Indenture. The Province shall have and be entitled to enforce all such rights and interests as an absolute assignee of the Financing Entity, with effect from and after the time of such assumption, without any further requirement for notice to or acceptance by the Financing Entity of such absolute assignment and without any reduction, set-off or counterclaim on account of any amounts that may, at or after the time of payment, be or become owing to the Financing Entity and unaffected by any other rights, interests or equities that arise thereafter in respect of the assets, property and undertaking comprising the Collateral as between the Beneficiaries and the Financing Entity. The Indenture Trustee shall thereupon recognize the Province as the absolute owner of the assets, property and undertaking comprising the Collateral.

~~[10] The idea was to not burden the external agreement with the necessary steps for the Province to be in a position to step in. If the preference is to include more in this external agreement, the Province will not object subject to further consideration of drafting issues.~~

~~[11] It has been assumed that there may be variations depending on the nature of the underlying obligations. A root form of Assumption Agreement, modified to conform substantially to that form in connection with a particular obligation, was the idea. To be further discussed.~~

HER MAJESTY THE QUEEN IN RIGHT OF ONTARIO, AS REPRESENTED BY THE MINISTER OF ENERGY AND THE MINISTER OF FINANCE

AND

ONTARIO POWER GENERATION INC.

CHANGE OF LAW PROCESS AGREEMENT

Dated as of [■], 2017

This **CHANGE OF LAW PROCESS AGREEMENT**, between Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), and Ontario Power Generation Inc. ("**OPG**")[1] is made and entered into as of [■], 2017.

RECITALS

OPG is appointed as the Financial Services Manager under Section 18 of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**").

Pursuant to Section 22(2) of the Act, OPG, in its capacity as the Financial Services Manager (the "**FSM**"), may establish or cause to be established one or more financing entities (as defined in the Act), which may incur Funding Obligations in accordance with the Act.[2]

Pursuant to a Declaration of Trust dated as of [■], 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

Concurrent with this Agreement, the Province, the FSM, the Financing Entity and the Indenture Trustee will enter into the Change of Law Protection Agreement under which the Province will agree to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Obligations Secured that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions.

Prior to entering into this Agreement, OPG provided the Province with copies of certain of the Transaction Documents, and the Province has confirmed by a notice delivered to OPG that the reviewed forms (as further described in such notice) shall be Reviewed Documentation for the purposes of this Agreement.[3]

This Agreement sets out the obligations OPG has agreed to perform and assurances OPG has agreed to provide and on which the Province will rely in entering into and implementing the Change of Law Protection Agreement, including for the purposes of determining whether the Adherence Conditions have been satisfied, maintaining information related to the Program Agreements and the Approved Obligations, and ensuring that the Province's assumption rights pursuant to Article VI of the Change of Law Protection Agreement may be exercised without impediment on the terms and conditions contemplated in this Agreement and the Change of Law Protection Agreement.

---

[1] We do not believe OPG is entering into this Agreement as agent on behalf of the Trust. Rather, OPG is entering into this Agreement at the request of its shareholder, the Province, in order to satisfy the Province's reporting requirements regarding the Fair Hydro Plan.

[2] Blakes to advise what they would like to see as evidence of OPG's establishment of the Trust as a financing entity. OPG can send the Province the retainer of Computershare to act as issuer trustee to the Trust.

[3] Once agreements are settled, Province to provide draft notice.

All things necessary to make this Agreement a valid and legally binding agreement of OPG, and of the Province in accordance with the Act, have been done.

EXHIBIT A
FORM OF EXPLORATION NOTICE

HER MAJESTY THE QUEEN IN RIGHT OF ONTARIO, AS REPRESENTED BY THE MINISTER OF ENERGY AND THE MINISTER OF FINANCE

AND

ONTARIO POWER GENERATION INC.~~[, AS FINANCIAL SERVICES MANAGER[1]]~~

CHANGE OF LAW PROCESS AGREEMENT

Dated as of [■], 2017

[1] ~~OPG to consider if this agreement should form part of the overall covenant pattern (Program Agreement). We assume not. If OPG signs as FSM, consider the potential impact on the Trust, if the FSM is considered to be contracting on behalf of the Trust as principal. The intention was to keep these terms 'behind the scenes' and as between OPG and the Province.~~

This **CHANGE OF LAW PROCESS AGREEMENT**, between Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), and Ontario Power Generation Inc. ("**OPG**")~~[, as Financial Services Manager for the Financing Entity in accordance with the Act,]~~[1] is made and entered into as of [■], 2017.

RECITALS

OPG is appointed as the Financial Services Manager under Section 18 of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**").

Pursuant to Section 22(2) of the Act, OPG, in its capacity as the Financial Services Manager (the "**FSM**"), may establish or cause to be established one or more financing entities (as defined in the Act), which may incur Funding Obligations in accordance with the Act.[2]

Pursuant to a Declaration of Trust dated as of [■], 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

Concurrent with this Agreement, the Province, the FSM, the Financing Entity and the Indenture Trustee will enter into the Change of Law Protection Agreement under which the Province will agree to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Obligations Secured that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions ~~at the time the Approved Obligation is incurred or amended~~.

Prior to entering into this Agreement, ~~the [FSM]~~**OPG** provided the Province with copies of certain of the Transaction Documents, and the Province has confirmed by a notice delivered to ~~[the FSM]~~**OPG** that the reviewed forms (as further described in such notice) shall be Reviewed Documentation for the purposes of this Agreement.[3]

This Agreement sets out the obligations ~~[the FSM]~~**OPG** has agreed to perform and assurances ~~[the FSM]~~**OPG** has agreed to provide and on which the Province will rely in entering into and implementing the Change of Law Protection Agreement, including for the purposes of determining whether the Adherence Conditions have been satisfied~~< *in connection with the incurrence* >or amendment of an Approved Obligation~~, maintaining information related to the Program Agreements and the Approved Obligations, and ensuring that the Province's assumption rights pursuant to Article VI of the Change of Law Protection Agreement may be exercised without impediment on the terms and conditions contemplated in this Agreement and the Change of Law Protection Agreement.

[1] We do not believe OPG is entering into this Agreement as agent on behalf of the Trust. Rather, OPG is entering into this Agreement at the request of its shareholder, the Province, in order to satisfy the Province's reporting requirements regarding the Fair Hydro Plan.

[2] Blakes to advise what they would like to see as evidence of OPG's establishment of the Trust as a financing entity. OPG can send the Province the retainer of Computershare to act as issuer trustee to the Trust.

[3] Once agreements are settled, Province to provide draft notice.

All things necessary to make this Agreement a valid and legally binding agreement of ~~[the FSM]~~**OPG**, and of the Province in accordance with the Act, have been done.

PROCESS CERTIFICATE

~~[The FSM]~~**OPG** shall deliver a certificate (the "**Process Certificate**"), signed by the Chief Financial Officer and the Treasurer of OPG (or their respective designees, provided that such designees are also executive officers of OPG) and addressed to the Province, on the earlier of (i) one Business Day prior to the incurrence or any amendment of a ~~Primary~~**Funding** Obligation, and (ii) on the Business Day on which the financial terms of such ~~Primary~~**Funding** Obligation are definitively determined (including the interest or discount rate applicable to any notes, bonds or other securities), setting out the following with respect to such ~~Primary~~**Funding** Obligation: [5]

(a) the material terms of the ~~Primary~~**Funding** Obligation pertaining to (i) in the case of notes, bonds or other securities, the principal amount, interest or discount rate, third party fees, term to maturity, amortization, redemption or extension features, structure and coupon frequency, as applicable, and (ii) in the case of a Derivative Agreement, the notional amount, financial terms and pricing, benchmarks, payment structures and early termination rights;

(b) if an existing Primary Obligation is proposed to be amended, material details respecting such amendment, including regarding the applicable details set forth in Subsection 3.01(a), as the context requires;

(c) a statement to the effect that: (i) the ~~Primary~~**Funding** Obligation to be incurred or amended (1) will arise under terms and conditions that are Substantially in the Form of the Reviewed Documentation applicable thereto; (2) in the opinion of the signatories to the Process Certificate, are reasonably incurred or effected in compliance with the Act, the General Regulation, any other enactments related thereto and the applicable Financing Plan; (3) are of a type and are on terms that a reasonably prudent financial services manager would incur in similar circumstances; and (4) reflect, in all material respects, arm's length terms and conditions; and (ii) any Disclosure Document used in connection with the offering and sale of notes, bonds or other securities is Substantially in the Form of the Reviewed Documentation;

[5] Note to Province: We have revised this section so as to allow the Process Agreement to be cleansed from the Change of Law Protection Agreement. In addition to all the deliverables under section 2.01 of this Agreement, the Province will receive the certifications in section 3.01 in the case of an incurrence of funding obligations and an amendment to funding obligations.

(d) a statement confirming that any disclosure made in respect of the ~~Primary~~**Funding** Obligation (including any Disclosure Document, press release or other written communication prepared for dissemination to third parties in relation to the ~~Primary~~**Funding** Obligation) that refers to or describes the terms, effect or adherence of or to this Agreement or the Change of Law Protection Agreement has been made available for review to the Province prior to use or dissemination ~~and the Province provided its written consent to such use or dissemination~~, other than where such disclosure was substantially the same as a disclosure previously made ~~and for which the Province had previously provided its written consent~~;

(e) a statement that no Breach Event has occurred on or prior to the date of the Process Certificate, unless such Breach Event has been waived by the Province in writing; and

(f) confirmation that, at the time the ~~Primary~~**Funding** Obligation is incurred ~~or amended~~, the maximum aggregate payment amounts due or becoming due in the future in respect of Repayments under the ~~Primary~~**Funding** Obligation, together with all other outstanding amounts due or becoming due in the future in respect of Repayments under all Approved Obligations, do not and will not exceed the Protection Agreement Maximum; for clarity, Repayments under Obligations Secured owing in currencies other than Canadian dollars ~~and in respect of which~~**will be determined on the date the Process Certificate is delivered hereunder in accordance with the following:**

(i) **where a Derivative Agreement has been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the** >*hedged value expressed in*< **Canadian dollars; and**

(ii) **where** a Derivative Agreement has **not** been entered into to hedge related currency exposures**, Repayments under such obligations** shall be valued ~~for this purpose~~ on the basis of the <~~*hedged value expressed in*~~>**noon spot rate for conversions of any currencies into** Canadian dollars ~~for so long as such Derivative Agreement is in good standing~~.

3.02 Acknowledgment

The ~~parties acknowledge that~~**Province acknowledges and agrees that, concurrent with the delivery of** the Process Certificate ~~is the "process~~**pursuant to Section 3.01 of this Agreement, any two senior officers of OPG are authorized to deliver the** certificate~~"~~ referred to in Subsection **[4.02(b)]** of the Change of Law Protection Agreement **to the Indenture Trustee confirming that OPG has delivered to the Province all certifications required by the Province**> *in connection with the incurrence* <**of the Primary Obligations in respect of which such certificate is delivered**.

3.03 Meaning of "Reviewed Documentation"

For the purposes of Subsection 3.01(c), the term "Reviewed Documentation" shall mean each Transaction Document (including any change, addition or supplement thereto) that, at the relevant time:

(a) is a Transaction Document provided to the Province prior to the making of this Agreement and in respect of which the notice contemplated in the fifth recital to this Agreement has been delivered by the Province to ~~[the FSM]~~**OPG**; or

(b) is a Transaction Document provided to the Province in accordance with Subsection 2.01(b) that has been accepted by the Province, as confirmed by way of a written notice of acceptance from the Province delivered to ~~[the FSM]~~**OPG**.

3.04 Meaning of "Substantially in the Form"

For the purposes of Subsection 3.01(c), the term "Substantially in the Form" shall mean:

(a) with respect to the Reviewed Documentation referred to in clauses (i) to (xi) of the definition of "Transaction Documents", that there are no differences between the proposed documents and such Reviewed Documentation that could result in a change in the material terms or conditions applicable to the applicable Primary Obligation, including regarding the timing of or circumstances under which related payments are or may become due or accrue (including as a result of any default, acceleration, termination, wind-up, liquidation or realization), or that would affect the Province's rights of subrogation or assignment (including pursuant to **[Section 5.01 or Article VI]** of the Change of Law Protection Agreement) or its interests as a subrogee or an assignee, that would arise as a result of performing the Limited Guarantee in respect of the applicable Primary Obligation or upon the assumption of obligations in accordance with **[Article VI]** of the Change of Law Protection Agreement; provided, however, that the foregoing does not apply to any variable terms to be set forth in the proposed documents as are reasonably contemplated in the Reviewed Documentation, including the particular financial terms, rates and levels set forth in the proposed documents other than to the extent that the forms of Reviewed Documentation themselves specify specific requirements, limitations or parameters with respect to such financial terms, rates, levels and parameters; and

(b) with respect to the Reviewed Documentation referred to in clause (xii) of the definition of "Transaction Documents", that there are no material differences between the form and substance of the proposed Disclosure Document and such form of Disclosure Document and that the proposed Disclosure Document complies in all material respects with all applicable securities disclosure requirements relating to the Primary Obligation subject to distribution thereunder.

ARTICLE IV
PROTECTION AGREEMENT MAXIMUM

4.01 Protection Agreement Maximum

(a) Not less than 15 Business Days prior to the proposed incurrence of the first Funding Obligation, OPG shall, as the FSM, deliver to the Province: (i) a forecast setting out OPG's expectations regarding the aggregate maximum amount of Repayments that would arise in the future under Approved Obligations to be incurred during the next following 24 month period (the "**Initial Forecast Period**"), which expectations shall be consistent with the Financing Plan (the "**Initial Forecast**"); and (ii) notice of the initial Protection Agreement Maximum, which may not exceed the Initial Forecast.

(b) Not more than 10 Business Days following receipt of the Initial Forecast and notice of the initial Protection Agreement Maximum from OPG pursuant to Section 4.01(a), the Province may disagree with the Initial Forecast and the initial Protection Agreement Maximum on the basis that (i) there appears to be inaccuracies in the Financing Plan or the Initial Forecast, (ii) the Initial Forecast is inconsistent with the Financing Plan, or (iii) the initial Protection Agreement Maximum is not less than the Initial Forecast. If the Province disagrees, OPG shall discuss any discrepancies with the Province, address any inaccuracies and inconsistencies to the reasonable satisfaction of the Province, and the initial Protection Agreement Maximum will be revised accordingly and confirmed by an amended notice to the Province.

(c) Between nine (9) and twelve (12) months prior to the end of the Initial Forecast Period, OPG shall, as the FSM, deliver to the Province an updated forecast setting out the sum of (1) the aggregate amount of Repayments that will arise in the future under Approved Obligations that are then outstanding and (2) OPG's expectations regarding the aggregate maximum amount of Repayments that would arise in the future under Approved Obligations to be incurred during the period ending 24 months following the Initial Forecast Period, which expectation shall be consistent with the then applicable Financing Plan. Such updated forecast shall be further updated on a similar basis with respect to each successive 24 month period or more frequently ~~with the consent of the Province~~ if at any time OPG has knowledge that the most recent forecast is materially inaccurate (the Initial Forecast and each such updated forecast, each a "**Forecast**"). Together with each Forecast, OPG shall also provide a revised Protection Agreement Maximum, which may not exceed such Forecast.

(d) Not more than 10 Business Days following receipt of any further Forecast and notice of the revised Protection Agreement Maximum from OPG pursuant to Section 4.01(c), the Province may disagree with such further Forecast or revised Protection Agreement Maximum on the basis that (i) there appears to be inaccuracies in the Financing Plan or such further Forecast, (ii) the further

Forecast is inconsistent with the Financing Plan, or (iii) the revised Protection Agreement Maximum is not less than the further Forecast. If the Province disagrees, OPG shall discuss any discrepancies with the Province, address any inaccuracies and inconsistencies to the reasonable satisfaction of the Province, and the revised Protection Agreement Maximum will be further revised accordingly and confirmed by an amended notice to the Province.

(e) For clarity, Repayments under Obligations Secured owing in currencies other than Canadian dollars ~~and in respect of which~~**will be valued at the time to be determined**> *for the purposes of this Section 4.01*< **in accordance with the following:**

(i) **where** a Derivative Agreement has been entered into to hedge related currency exposures ~~shall be valued~~<~~*for the purposes of this Section 4.01*~~>**, Repayments under such obligations shall be valued** on the basis of the hedged value expressed in Canadian dollars ~~for so long as such Derivative Agreement is in good standing.~~**; and**

(ii) **where a Derivative Agreement has not been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the noon spot rate for conversions of any currencies into Canadian dollars.**

~~[The FSM]~~**OPG** represents and warrants that on the date hereof and on each day that a Primary Obligation is incurred or amended:

(a) The Financing Entity is a trust duly constituted and validly existing under the laws of the Province of Ontario, is duly qualified to carry on its business in each jurisdiction in which it carries on business, and has the power and authority to perform the acts that OPG, as the FSM, may cause it to perform pursuant to this Agreement and to own its property and carry on its business in accordance with the Program Agreements.

(b) OPG is a corporation duly constituted and validly existing under the laws of the Province of Ontario and has the power and authority to enter into and perform its obligations under this Agreement and all instruments and agreements delivered pursuant hereto.

(c) ~~OPG has been validly appointed, and has irrecovably accepted such appointment, as the FSM in accordance with the Act.~~ OPG has the power and authority to enter into and perform its obligations as the FSM under the Program Agreements and all instruments and agreements delivered pursuant thereto.

(d) The execution, delivery and performance of this Agreement and every instrument or agreement delivered pursuant hereto or in its capacity as the FSM has been or will be duly authorized by all requisite action by OPG and constitute a valid and binding obligation in accordance with its terms subject to (i) applicable bankruptcy, insolvency, moratorium and similar laws at the time in effect affecting the rights of creditors generally, and (ii) equitable principles which may limit the availability of certain remedies, including the remedy of specific performance.

(e) There are no actions, suits or proceedings pending or, to the knowledge of OPG, threatened against or affecting the Financing Entity at law or in equity or before or by any Governmental Authority, or before any arbitrator of any kind, which would result in any material adverse change in the business, operations, prospects, properties, assets or condition, financial or otherwise, of the Financing Entity or in the ability of the Financing Entity to perform its obligations under the Program Agreements.

(f) There are no actions, suits or proceedings pending or, to the knowledge of OPG, threatened against or affecting OPG at law or in equity or before or by any Governmental Authority, or before any arbitrator of any kind, which would result in any material adverse change in the business, operations, prospects, properties, assets or condition, financial or otherwise, of OPG or in the ability of the OPG to perform its obligations under this Agreement or any Program Agreements.

(g) The performance by the Financing Entity of the Program Agreements does not conflict with, will not conflict with, does not result in, and will not result in, any breach of, and does not constitute, a default under, the Declaration of Trust or any agreements or instruments to which the Financing Entity is a party or by which it or any of its property and assets are bound.

(h) Neither the execution nor delivery of this Agreement, the Program Agreements nor any agreements or instruments delivered pursuant hereto or thereto, the consummation of the transactions herein or therein, nor compliance with the terms, conditions and provisions hereof or thereof conflicts with or will conflict with, or results or will result in any breach of, or constitutes a default under, any of the provisions of the constating documents of OPG or any agreements or instruments to which OPG is a party or by which it or any of its property and assets are bound.

(i) No consent, approval or authorization of, or declaration, registration, filing or qualification with, or giving of notice to, or taking of any other action in respect of, any Governmental Authority on the part of OPG is required in connection with the execution and delivery of this Agreement, the Program Agreements or any agreements or instruments delivered pursuant hereto or thereto or the consummation of any of the transactions contemplated hereby or thereby or in connection with the enforcement of this Agreement, the Program Agreements or

any agreements or instruments delivered pursuant hereto or thereto, except those which have been obtained.

5.02 Representations and Warranties of the Province

The Province hereby represents and warrants that:

(a) the execution, delivery and performance of this Agreement by the Province have been authorized by all necessary action on the part of the Province;

(b) the execution, delivery and performance of this Agreement by the Province do not result in the violation of any applicable law; and

(c) this Agreement has been duly executed and delivered by the Province.

ARTICLE VI
ELECTION[2] TO ASSUME APPROVED OBLIGATIONS[6]

6.01 Election by the Province

At any time following the occurrence of a Protection Event, the Province may (but shall not be obligated) elect to assume the Financing Entity's obligations in respect of all Obligations Secured, as obligor and debtor. To make such election, the Province shall duly complete and deliver to ~~[the FSM]~~**OPG** a notice in the form of Exhibit A (an "~~**Election Notice**~~"), ~~which in turn will set forth the form of agreement (an "**Assumption Agreement**") setting forth the material terms and conditions under which the Province would assume and become obligated under each of the Obligations Secured. The Election~~**Exploration Notice"). The Exploration** Notice shall, among other things, specify the date on which the Province proposes to assume the Obligations Secured, which date shall be no earlier than 20 Business Days following delivery of the ~~Election~~**Exploration** Notice to ~~[the FSM]~~**OPG** (the "**Proposed Assumption Date**").

6.02 Details regarding Obligations Secured

Promptly following the delivery of the ~~Election~~**Exploration** Notice to ~~[the FSM], [the FSM]~~**OPG, OPG** shall provide the following information and documentation to the Province:

(a) a summary of the amounts that will be owing under all Obligations Secured as of the Proposed Assumption Date, together with a detailed schedule setting out the dates on which such amounts will become due and payable under the Obligations Secured;

~~[2] OPG's proposal to move Art VI to the Protection Agreement is not consistent with the original basis for the Process Agreement – to keep the details and plumbing out of the "external" document. If we move toward putting all of this into the Protection Agreement, it will raise additional drafting issues (e.g., we will have to have a parallel "Breach Event" concept in the Protection Agreement that will deal with these sorts of undertakings and allow for a suspension of the Limited Guarantee). OPG to advise if that approach is preferred.~~

[6] Note: Lawyers to discuss assumption mechanics.

(b) a summary of the rights arising under the Obligations Secured that permit the Financing Entity to assign the Obligations Secured to the Province, including details regarding any conditions precedent to such assignment and the related assumption becoming effective and any notices, filings, consents or other actions that will be required in order to implement and effect such assignment and assumption;

(c) current versions of all documentation under which the Obligations Secured arise;

(d) copies of all correspondence exchanged between OPG, as the FSM, or the Financing Entity, on the one hand, and any Specified Creditor, Rating Agency or the Indenture Trustee, on the other hand, in each case that may reasonably be considered to be material to the assumption and performance of the Obligations Secured by the Province; **and**

(e) all income tax returns and assessments, financial statements and notices of proceedings of or pertaining to the Financing Entity or its business and any documentation related thereto, including any pleadings, appeals, objections, qualifications or other similar materials in respect of the Financing Entity or any Program Agreement; and.

(f) the form of Assumption Agreement in respect of the assignment and assumption of all Obligations Secured attached as Exhibit E to the Change of Law Protection Agreement.[3]

6.03 Settlement of Terms

Within 30 Business Days following receipt by the Province of the information and documentation to be provided under Section 6.02, the Province shall confirm in writing whether or not it will proceed with the assignment and assumption of the Obligations Secured and, if it will be proceeding with the assignment and assumption, the date on which the Province intends that assignment and assumption will be effected, which may not be earlier than the Proposed Assumption Date. If it will be proceeding with such assignment and assumption, the Province will deliver an Assumption Notice as contemplated under Section **[6.01]** of the Change of Law Protection Agreement, which will specify such date as the "Assumption Closing Date" for the purposes thereof.

6.04 Cooperation to Implement the Assignment and Assumption

[The FSM]**OPG** shall cooperate with the Province and**, as FSM,** will use commercially reasonable efforts to cause the Financing Entity to cooperate, and shall use its commercially reasonable efforts, to complete the assignment and assumption of the Obligations Secured by and from the Financing Entity to and by the Province, by the applicable Assumption Closing Date.

[3] Torys to provide a draft of the proposed form of global Assumption Agreement for all Obligations Secured. The Province may be guided by OPG on this, but we note that it seems simplistic to think that the same assumption agreement will work for swaps, debt and service obligations.

6.05 Terms of Obligations Secured

In order to permit the Province to assume the Obligations Secured in the circumstances contemplated herein, ~~[the~~**OPG, as** FSM~~]~~**,** shall **use its commercially reasonable efforts to** cause the Financing Entity to ensure that all Obligations Secured permit such an assignment to and assumption by the Province substantially in accordance with the terms and on the basis contemplated in the Assumption Agreement, without any penalty or make-whole payment, or any requirement for further consent, approval or agreement, or alternatively, in the case of any Obligations Secured entered into by or on behalf of the Financing Entity for the provision of on-going services to the Financing Entity permitting the satisfaction and termination of such Obligations Secured on or prior to the effective time of such assumption without any acceleration of future fees, profits or other like amounts, **[other than to the extent of payment obligations arise under market standard mark-to-market payment terms and conditions included on a commercially reasonable basis under a Derivative Agreement**~~.[4]~~**][NTD: Subject to the input of the dealers.]**

ARTICLE VII
BREACH EVENTS

7.01 Breach Events

"**Breach Event**" shall mean the occurrence or existence of any one or more of the following:

(a) a default in the performance, or breach, of any covenants of ~~[the FSM]~~**OPG** under this Agreement, which continues for thirty (30) days after written notice by the Province to ~~[the FSM]~~**OPG** of such default or breach;

(b) any representation or warranty made by ~~[the FSM]~~**OPG** in this Agreement, any certification made in a Process Certificate, or any certification made in a certificate contemplated by Section **[4.02]** of the Change of Law Protection Agreement, proves to be incorrect on the date made and, if curable, is not cured within thirty (30) days after written notice by the Province to ~~[the FSM]~~**OPG** of such misrepresentation; or

(c) OPG is no longer the Manager or actions have been taken by or on behalf of the Indenture Trustee to remove OPG as the Manager.

~~[4]The Trust Indenture will need to permit the obligations of the Financing Entity to the Indenture Trustee and the Noteholders to be assigned to and assumed by the Province in accordance with an assumption agreement, substantially in a form of agreement to be set out in an exhibit to the Trust Indenture. The Province agrees that the same form of the assumption agreement should also be an exhibit to the Change of Law Protection Agreement. The Trust Indenture will need to be revised to ensure that the Province's assignment and assumption right is fully contemplated and may be implemented without any requirement for further Specified Creditor or other third party consents. Among other changes, it is contemplated that Torys will add the following to the MTI to address this requirement: (i) Specified Creditors will be required to acknowledge the rights of the Province to assume the Obligations Secured on the basis contemplated in the form of assumption agreement, and (ii) the Indenture Trustee will be permitted to enter into and give effect to the global Assumption Agreement without the consent of Specified Creditors or any other third parties.~~

7.02 Notice on Breach Event

If any Breach Event shall have occurred and not been waived in writing by the Province, the Province shall have the right at its option, upon written notice to ~~[the FSM]~~**OPG**, and in addition to and not in substitution for any other remedies available hereunder at law or equity, to provide a Suspension Notice to the Indenture Trustee, ~~[the FSM]~~**OPG** and the Financing Entity in accordance with the terms of the Change of Law Protection Agreement.

ARTICLE VIII

Rima, Krista, Nina and Michael,

Here are drafts of the Change of Law Protection Agreement and Change of Law Process Agreement. Please note that while various people at the Province have provided considerable thought and input into these drafts, they remain subject to on-going review, comment and consideration (including where indicated in the drafts) by the Province, and of course remain subject to ultimate consideration and approval by the Ministers. This circulation is for discussion purposes only. Please feel free to circulate these drafts to OPG, E&Y, Osler and the Dealers, reflecting that understanding.

We propose that a consolidated mark-up be prepared that reflects all of the issues that you or those others may have, and ideally reflects input from the rating agencies. Once that mark-up is available, we propose that a meeting of interested parties be held to resolve any outstanding issues.

In the meantime, please feel free to call Malle, Toby, Tom, Alena or me if you have questions or concerns.

Regards, Steve

Subject: Change of Law Protection and Process Agreements

All,

Please find attached clean and blacklined copies of the updated Change of Law agreements. The agreements reflect yesterday's discussions and Malle's update note to Blakes following discussions with Gadi.

For assistance in your review, I have attached blacklines against (i) Torys' drafts sent over on November 24th; and (ii) the previous drafts of the Province prior to Torys' mark-up (dated November 21st). I would recommend to review against the previous Province drafts as this would allow you to ignore the distractions and re-opened points that were inserted into the November 24th drafts.

While we have cut down on the internal footnotes, you will notice a handful of points for your specific consideration, including the following:

1. **Definition of Certified Primary Obligation (Footnote 7 in the Protection Agreement)**
   - Please confirm that you are satisfied with the scope of Certified Primary Obligations, particularly prong (ii) (pertaining to ISDA Master Agreements, but not trade confirmations) and prong (iii) (pertaining to contracts that must (A) have a term > 3 years; (B) have aggregate payments >$5M; and (C) not be terminable on 3 years notice or less, before they are considered "Certified Primary Obligations")

2. **Definition of "Executive Officer" (Footnote 8 in the Protection Agreement)**
   - Please confirm that you are satisfied with the definition of "Executive Officer". Executive Officers would sign the Process Certificate (under the Process Agreement) as well as the adherence certificate (under the Protection Agreement).

3. **Monetary threshold for funding obligations to require a Process Certificate (Section 3.01 of the Process Agreement)**

- The Province's previous draft of the Process Agreement (dated November 21) required a Process Certificate to be delivered on the incurrence or amendment of a Funding Obligation, other than a Funding Obligation that does not exceed a certain dollar threshold amount.
- As we have reverted to this drafting in the attached, please consider the dollar threshold amount for delivery of a Process Certificate.

Once you have had a chance to review, please let us know if you would like to discuss these drafts.

Kind regards,
Jon

HER MAJESTY THE QUEEN IN RIGHT OF ONTARIO, AS REPRESENTED BY THE MINISTER OF ENERGY AND THE MINISTER OF FINANCE

AND

ONTARIO POWER GENERATION INC.

CHANGE OF LAW PROCESS AGREEMENT[1]

Dated as of [■], 2017

[1] This Agreement and the Protection Agreement will need to be effective on closing but signed and held in escrow as soon as they are settled and prior to pricing of the term deal. **Note to Torys:** Closing mechanics under consideration by the Province.

This **CHANGE OF LAW PROCESS AGREEMENT**, between Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), and Ontario Power Generation Inc. ("**OPG**") is made and entered into as of [■], 2017.

RECITALS

OPG is appointed as the Financial Services Manager under Section 18 of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**").

Pursuant to Section 22(2) of the Act, OPG, in its capacity as the Financial Services Manager (the "**FSM**"), may establish or cause to be established one or more financing entities (as defined in the Act), which may incur Funding Obligations in accordance with the Act.

Pursuant to a Declaration of Trust dated as of [■], 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.[2]

Concurrent with this Agreement, the Province, the FSM, the Financing Entity and the Indenture Trustee will enter into the Change of Law Protection Agreement under which the Province will agree to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of ~~Primary~~ Obligations Secured that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions.

Prior to entering into this Agreement, OPG provided the Province with the proposed forms of certain of the Transaction Documents ~~listed on Exhibit "A"~~, and the Province has not objected to such forms ~~and has confirmed to OPG that such Transaction Documents constitute "Reference Documentation" for purposes of this Agreement~~.

~~Prior to entering into this Agreement, OPG, as the FSM, provided the Province with the initial Financing Plan attached hereto as Exhibit "B" (the "**Initial Financing Plan**"), and the Province has not objected to such Initial Financing Plan.~~

~~Prior to entering into this Agreement, OPG, as the FSM, provided to the Province (i) the initial forecast attached hereto as Exhibit "C" (the "**Initial Forecast**") setting out OPG's expectations regarding the aggregate maximum amount of Repayments that would arise in the future under Approved Obligations to be incurred during the 24 month period following the date hereof (the "**Initial Forecast Period**"); and (ii) notice of the initial Protection Agreement Maximum of C$■ (the "**Initial Protection Agreement Maximum**").~~[3]

[2] ~~We are comfortable on this point because OPG has retained Computershare as issuer trustee. The recitals of the Declaration of Trust provide that Computershare has established the Trust at the request of the FSM. We can also provide you with a copy of the Computershare engagement letter upon request.~~

[3] ~~Given that this Agreement would now be delivered on or immediately prior to closing, we thought it would be acceptable to reference these initial items as delivered versus as future deliverables. Please note that OPG is working with the Province to deliver the initial financing plan and the initial forecast and to confirm the initial protection agreement maximum.~~

~~The Province has not objected to the Initial Forecast and the Initial Protection Agreement Maximum on the basis that (i) there does not appear to be inaccuracies in the Initial Financing Plan or the Initial Forecast, (ii) the Initial Forecast is consistent with the Initial Financing Plan, and (iii) the Initial Protection Agreement Maximum is less than the Initial Forecast.~~

This Agreement sets out the obligations OPG has agreed to perform and assurances OPG has agreed to provide and on which the Province will rely in entering into and implementing the Change of Law Protection Agreement, including for the purposes of determining whether the Adherence Conditions have been satisfied, maintaining information related to the Program Agreements and the Approved Obligations, and ensuring that the Province's assumption rights pursuant to Article VI of the Change of Law Protection Agreement may be exercised without impediment on the terms and conditions contemplated in this Agreement and the Change of Law Protection Agreement.

All things necessary to make this Agreement a valid and legally binding agreement of OPG and the Province, have been done.

(b) Not less than 10 Business Days, or such lesser period as the Province may agree to in writing, prior to (i) any proposed change or supplement to a previously provided Transaction Document becoming effective or otherwise being used, (ii) any additional or replacement Transaction Document becoming effective or otherwise being used, OPG shall deliver to the Province a copy of such proposed change or supplement to the Transaction Document and any such additional or replacement Transaction Document.

(c) Promptly following (i) any change, modification, alteration, amendment, supplement, extension, renewal, compromise, novation, replacement, suspension or waiver of the terms of all or any part of the Approved Obligations or any Collateral therefor being made, (ii) any new, additional or replacement instruments, documents, agreements or security being used or granted in connection with all or any part of the Approved Obligations, or (iii) any waiver, release, reconveyance, termination, abandonment, subordination, exchange, substitution, transfer, compound, compromise, liquidation or enforcement of all or any part of the Approved Obligations or any security or guarantee therefor being effected, OPG shall deliver to the Province a detailed description of such event and the reasons for it together with any related documents, agreements and instruments.

(d) Promptly following any incurrence of a Funding Obligation or any amendment of a Funding Obligation, OPG shall provide the Province with electronic copies of all related Governing Documents and all other closing documents executed by or on behalf of the Financing Entity in connection with such incurrence or amendment that would affect the Financing Entity's assets or obligations (including, for greater certainty, any related Disclosure Document) and which have not been previously provided to the Province.

(e) Promptly upon request, OPG shall provide the Province with such additional information and documentation as the Province reasonably requests in order to enable the Province to assess the nature and extent of its obligations under the Change of Law Protection Agreement.

2.02 Covenants

(a) OPG shall use commercially reasonable efforts to cause the Financing Entity to:

(i) punctually perform and observe all of the Financing Entity's obligations and agreements contained in the Program Agreements;

(ii) ensure that all Obligations Secured are incurred pursuant to and in accordance with the terms and conditions of the Trust Indenture;

(iii) ensure that no obligations other than the Obligations Secured are incurred by or on behalf of the Financing Entity;

(iv) not engage in any business other than as permitted under the Declaration of Trust or the other Program Agreements and activities ancillary thereto; and

(v) not (unless waived in writing by the Province):

(A) amend, supplement, modify, restate or replace or waive or consent to a postponement of compliance with the terms and conditions on the part of any other party to any of the Program Agreements, if any such supplementation, amendment, modification, restatement or replacement or waiver or consent could reasonably be considered to be materially prejudicial to the rights or interests of the Province under the Change of Law Protection Agreement; provided, however, that the foregoing does not apply to any change in particular financial terms, rates and levels;

(B) extend, renew, compromise, novate, replace, suspend, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, liquidate or enforce the terms of all or any part of the Approved Obligations or any Collateral, if any such action could reasonably be considered to be materially prejudicial to the rights or interests of the Province under the Change of Law Protection Agreement; provided, however, that the foregoing does not apply to the extent that only particular financial terms, rates and levels are affected;

(C) permit the validity or effectiveness of the Change of Law Protection Agreement to be impaired; or

(D) allow the Financing Entity to enter into any Supplemental Indenture or Loan Agreement where any penalty or make-whole payment, or any requirement for further consent, approval or agreement, of the Specified Creditor party thereto would be required for the Province to assume the Obligations Secured thereunder.[4]

(b) OPG shall:

(i) comply, and shall use commercially reasonable efforts to cause compliance by the Financing Entity, with the Act, the General Regulation and any other enactment related thereto;

(ii) punctually perform and observe all of its (including as the FSM and as Manager) obligations and agreements contained in the Program Agreements;

(iii) promptly notify the Province of the creation of any Funding Obligation that is not or would not be an Approved Obligation; and

(iv) after the occurrence of any Protection Event[5] (or any event known to OPG that with the passage of time or the giving of notice would be a Protection Event), not, without the Province's prior written consent, permit the Financing Entity to exercise any redemption, pre-payment, early termination or extension right in respect of any Approved Obligation or exercise any other election or privilege in respect of any Approved Obligation, in each case if as a result the obligations applicable to the Approved Obligation under the Change of Law Protection Agreement would be accelerated, delayed or otherwise affected.

~~(c) For greater certainty, the parties hereto acknowledge and agree that OPG's obligations under this Agreement are subject to (i) OPG's obligations as FSM under the Act, and (ii) OPG's obligations under the Management Agreement.[6]~~

(c) ~~(d)~~ Nothing in this Agreement ~~nor in the Change of Law Protection Agreement~~[7] shall limit the obligations of the Province under the Indemnity Agreement by the

[4] ~~Please see our cover note regarding the proposed assumption by the Province. Lawyers to discuss if appropriate mechanics for the first two deals are possible given timing.~~

[5] ~~OPG is not in a position to be aware of events that may lead to a Protection Event.~~

[6] ~~We would like to ensure that there is an acknowledgement that OPG has certain obligations under the Act and the Management Agreement.~~

[7] ~~This language has extra-contractual implications and so its meaning as between only 2 of the parties to the Protection Agreement is uncertain. Torys to explain intention. Torys: This provision is intended to clarify that neither the Protection Agreement nor the Process Agreement supersedes or otherwise amends the Province's obligations under the Provincial Indemnity Agreement. It is effectively an acknowledgment by the Province in favour of OPG and does not involve the other parties to the Protection Agreement and so we are comfortable including it here only. However, we do not have an issue with putting an equivalent clause in the Protection Agreement if that is preferable from your perspective.~~

Province in favour of OPG dated June 1, 2017 (as amended, the "**Indemnity Agreement**") and to the extent of any conflict between this Agreement~~, the Change of Law Protection Agreement~~ and such Indemnity Agreement, in respect of any matter relating to the Province's obligations to indemnify OPG, the Indemnity Agreement shall prevail.

ARTICLE III
PROCESS CERTIFICATE

3.01 Process Certificate[8]

OPG shall deliver a certificate (the "**Process Certificate**"), signed by the Chief Financial Officer and the Treasurer of OPG or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) and addressed to the Province, on or before the incurrence or any amendment[2] of a ~~Certified Primary Obligation~~Funding Obligation, other than any Funding Obligation under which not more than $• in the aggregate may become payable by the Financing Entity (provided that delivery may not be more than 5 Business Days before the incurrence or amendment of the ~~Certified Primary~~Funding Obligation), setting out the following with respect to such ~~Certified Primary~~Funding Obligation:

(a) the material terms of the ~~Certified Primary~~Funding Obligation pertaining to (i) in the case of notes, bonds or other securities, the principal amount, interest or discount rate, third party fees, term to maturity, amortization, redemption or extension features, structure and coupon frequency, as applicable, and (ii) in the case of a ~~Master~~Derivative Agreement[9]~~, events of default, termination events and any amendment to the standard terms of the Master Agreement relating to the calculation of termination amounts (and, for greater certainty, it shall not be necessary to set out the terms of any trade confirmation)~~, the notional amount, financial terms and pricing, benchmarks, payment structures and early termination rights;

(b) if an existing Funding Obligation is proposed to be amended, material details respecting such amendment, including regarding the applicable details set forth in Subsection 3.01(a), as the context requires;

[8] ~~The Process Certificate conforms to the certificate delivered under the Change of Law Protection Agreement including the changes to ensure that the Process Certificate is only provided here when a concurrent certificate is required to be delivered by OPG under the Protection Agreement. Without this consistency, the obligations can become confusing and the intent of the parties of when Primary Obligations are subject to the adherence conditions may not be clear.~~

[2] **Note to Province:** Please confirm that the timing of the delivery of the Process Certificate is satisfactory to you. The Process Certificate is delivered "on or before" incurrence or amendment. If preferable, we can revert back to the prior timing, which was delivery on the earlier of incurrence/ amendment, or pricing.

[9] ~~Since we agreed at our meeting that OPG only needs to provide a certificate under section 4.02 of the Change of Law Protection Agreement when they enter into a Master Agreement (and not the broader concept of the Derivative Agreement), we had to revise the language here to conform to what would be expected to be found in a Master Agreement.~~

(c) ~~(b)~~ a statement to the effect that: (i) the ~~Certified Primary~~Funding Obligation to be incurred or amended (1) will arise under terms and conditions that are Substantially in the Form of the Reference Documentation applicable thereto; (2) in the opinion of the signatories to the Process Certificate, are reasonably incurred or effected in compliance with the Act, the General Regulation, any other enactments related thereto and the applicable Financing Plan; (3) are of a type and are on terms that a reasonably prudent financial services manager would incur in similar circumstances; and (4) reflect, in all material respects, arm's length terms and conditions; and (ii) any Disclosure Document used in connection with the offering and sale of notes, bonds or other securities is Substantially in the Form of the Reference Documentation;

(d) ~~(c)~~ a statement confirming that any disclosure made in respect of the ~~Certified Primary~~Funding Obligation (including any Disclosure Document, press release or other written communication prepared for dissemination to third parties in relation to the ~~Certified Primary~~Funding Obligation) that refers to or describes the terms, effect or adherence of or to this Agreement or the Change of Law Protection Agreement has been made available to the Province prior to use or dissemination, other than where such disclosure was substantially the same as a disclosure previously made;

(e) ~~(d)~~ a statement that no Breach Event has occurred on or prior to the date of the Process Certificate, unless such Breach Event has been waived by the Province in writing; and

(f) ~~(e)~~ confirmation that, at the time the ~~Certified Primary~~Funding Obligation is incurred or amended, the maximum aggregate payment amounts due or becoming due in the future in respect of Repayments under the ~~Certified Primary~~Funding Obligation, together with all other outstanding amounts due or becoming due in the future in respect of Repayments under all Approved Obligations, do not and will not exceed the then applicable Protection Agreement Maximum; for clarity, Repayments under Obligations Secured owing in currencies other than Canadian dollars will be determined on the date the Process Certificate is delivered hereunder in accordance with the following:

(i) where a Derivative Agreement has been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the hedged value expressed in Canadian dollars; and

(ii) where a Derivative Agreement has not been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the noon spot rate for conversions of any currencies into Canadian dollars.

3.02 Acknowledgement[10] regarding delivery of certificate under Change of Law protection Agreement

The Province acknowledges and agrees that, concurrent with the delivery of the Process Certificate pursuant to Section 3.01 of this Agreement, the Chief Financial Officer and the Treasurer of OPG or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) are authorized to deliver the certificate referred to in **[Subsection [4.02(b)]** of the Change of Law Protection Agreement to the Indenture Trustee confirming that OPG has delivered all required certifications to the Province in connection with adherence of the Limited Guarantee to the incurrence of the Certified Primary Obligations in respect of which the certificate in **[Subsection [4.02(b)]** of the Change of Law Protection Agreement is being delivered; provided that, upon receipt of a Suspension Notice under the Change of Law Protection Agreement, OPG covenants not to deliver any further certificates to the Indenture Trustee under **[Subsection [4.02(b)]** of the Change of Law Protection Agreement other than in connection with a Refinancing of a Primary Obligation in respect of which the Adherence Conditions had been satisfied at the time such Primary Obligation was incurred.[11]

3.03 Acknowledgement regarding delivery of Suspension Notice

The parties acknowledge and agree that the Province is entitled to deliver a Suspension Notice under **[Section 7.01]** of the Change of Law Protection Agreement if a Program Breach or Breach Event has occurred. The Province agrees not to deliver a Suspension Notice pursuant to **[Section 7.01]** of the Change of Law Protection Agreement unless a Program Breach or a Breach Event has occurred.

3.04 ~~3.03~~ Meaning of "Reference Documentation"

For the purposes of Subsection 3.01(~~b~~c), the term "Reference Documentation" shall mean each Transaction Document (including any change, addition or supplement thereto) that, at the relevant time:

(a) is a Transaction Document provided to, and not objected to by, the Province prior to the making of this Agreement, as contemplated in the fifth recital to this Agreement; or

(b) is a Transaction Document provided to the Province in accordance with Subsection 2.01(b) that has not been objected to by the Province, by delivery of an objection notice in writing delivered to OPG, within 10 Business Days after it is provided to the Province.

[10] OPG needs certainty on the conditions in which it is permitted to deliver the certificate under the Change of Law adherence conditions.

[11] Since OPG receives a Suspension Notice under the Change of Law Protection Agreement, we removed the concept of such notice here other than to provide the covenant above.

3.05 ~~3.04~~ Meaning of "Substantially in the Form"

For the purposes of Subsection 3.01(~~b~~c), the term "Substantially in the Form" shall mean:

(a) with respect to the Reference Documentation referred to in clauses (i) to (xi) of the definition of "Transaction Documents", that there are no differences between the proposed documents and such Reference Documentation that could result in a change in the material terms or conditions applicable to the applicable Primary Obligation, including regarding the timing of or circumstances under which related payments are or may become due or accrue (including as a result of any default, acceleration, termination, wind-up, liquidation or realization), or that would affect the Province's rights of subrogation or assignment (including pursuant to **[Section 5.01~~ or Article VI~~]** of the Change of Law Protection Agreement) or its interests as a subrogee or an assignee, that would arise as a result of performing the Limited Guarantee in respect of the applicable Primary Obligation~~ or upon the assumption of obligations in accordance with [Article VI] of the Change of Law Protection Agreement~~; provided, however, that the foregoing does not apply to any variable terms to be set forth in the proposed documents as are reasonably contemplated in the Reference Documentation, including the particular financial terms, rates and levels set forth in the proposed documents other than to the extent that the forms of Reference Documentation themselves specify specific requirements, limitations or parameters with respect to such financial terms, rates, levels and parameters; and

(b) with respect to the Reference Documentation referred to in clause (xii) of the definition of "Transaction Documents", that there are no material differences between the form and substance of the proposed Disclosure Document and such form of Disclosure Document and that the proposed Disclosure Document complies in all material respects with all applicable securities disclosure requirements relating to the Primary Obligation subject to distribution thereunder.

ARTICLE IV
PROTECTION AGREEMENT MAXIMUM

4.01 Protection Agreement Maximum~~12~~

(a) Not less than 15 Business Days, or such lesser period as the Province may agree to in writing, prior to the proposed incurrence of the first Funding Obligation, OPG shall, as the FSM, deliver to the Province: (i) a forecast setting out OPG's expectations regarding the aggregate maximum amount of Repayments that would arise in the future under Approved Obligations to be incurred during the next following 24 month period (the "**Initial Forecast Period**"), which expectations shall be consistent with the Financing Plan (the "**Initial Forecast**"); and (ii) notice of the initial Protection Agreement Maximum, which may not exceed the Initial Forecast.

~~12 Per an earlier footnote, the items in previous draft (a) and (b) were moved to the recitals.~~

(b) Not more than 10 Business Days, or such lesser period as the Province may agree to in writing, following receipt of the Initial Forecast and notice of the initial Protection Agreement Maximum from OPG pursuant to Section 4.01(a), the Province may disagree with the Initial Forecast and the initial Protection Agreement Maximum on the basis that (i) there appears to be inaccuracies in the Financing Plan or the Initial Forecast, (ii) the Initial Forecast is inconsistent with the Financing Plan, or (iii) the initial Protection Agreement Maximum is more than the Initial Forecast. If the Province disagrees, OPG shall discuss any discrepancies with the Province, address any inaccuracies and inconsistencies to the reasonable satisfaction of the Province and OPG, and the initial Protection Agreement Maximum will be revised accordingly and confirmed by an amended notice to the Province.

(c) ~~(a)~~ Between nine (9) and twelve (12) months prior to the end of the Initial Forecast Period, OPG shall, as the FSM, deliver to the Province an updated forecast setting out the sum of (1) the aggregate amount of Repayments that will arise in the future under Approved Obligations that are then outstanding and (2) OPG's expectations regarding the aggregate maximum amount of Repayments that would arise in the future under Approved Obligations to be incurred during the period ending 24 months following the Initial Forecast Period, which expectation shall be consistent with the then applicable Financing Plan. Such updated forecast shall be further updated on a similar basis with respect to each successive 24 month period or more frequently if at any time OPG has knowledge that the most recent forecast is materially inaccurate (the Initial Forecast and each such updated forecast, each a "**Forecast**"). Together with each Forecast, OPG shall also provide a revised Protection Agreement Maximum, which may not exceed such Forecast.

(d) ~~(b)~~ Not more than 10 Business Days, or such lesser period as the Province may agree to in writing, following receipt of any further Forecast and notice of the revised Protection Agreement Maximum from OPG pursuant to Section 4.01(~~a~~c), the Province may disagree with such further Forecast or revised Protection Agreement Maximum on the basis that (i) there appears to be inaccuracies in the Financing Plan or such further Forecast, (ii) the further Forecast is inconsistent with the Financing Plan, or (iii) the revised Protection Agreement Maximum is more than the further Forecast. If the Province disagrees, OPG shall discuss any discrepancies with the Province, address any inaccuracies and inconsistencies to the reasonable satisfaction of the Province and OPG, and the revised Protection Agreement Maximum will be further revised accordingly and confirmed by an amended notice to the Province.

(e) ~~(c)~~ For clarity, Repayments under Obligations Secured owing in currencies other than Canadian dollars will be valued at the time to be determined for the purposes of this Section 4.01 in accordance with the following:

(i) where a Derivative Agreement has been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the hedged value expressed in Canadian dollars; and

(ii) where a Derivative Agreement has not been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the noon spot rate for conversions of any currencies into Canadian dollars.

CHANGE OF LAW PROTECTION AGREEMENT

Dated as of [■], 2017

[1] This Agreement and the Process Agreement will need to be effective on closing but signed and held in escrow as soon as they are settled and prior to pricing of the term deal. **Note to Torys:** Logistics of closing are under consideration.

[~~1~~] ~~Torys and Blakes to discuss signatory~~[2] **Torys Note:** Please advise if there are any further issues with the Manager signing the Protection Agreement on behalf of the Trust? If so, can you please explain the issue. The Manager is currently signing all Program Agreements on behalf of the Trust and has authority to do so. We would ~~propose to do the same on the change of law agreement~~like the Manager to sign this Agreement on behalf of the Trust. **Note to Torys:** Manager derives authority under the Management Agreement to sign Program Agreements. Management Agreement powers determined by reference to the Program Agreements, so authority is circular. Ultimately, Province will accept the opinion of Torys on due execution point.

This **AGREEMENT**, among Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), Computershare Trust Company of Canada, in its capacity as trustee (the "**Financing Entity Trustee**") of Fair Hydro Trust, a trust under the laws of the Province of Ontario (the "**Financing Entity**"), Ontario Power Generation Inc., in its capacity as Manager of the Financing Entity and in its capacity as the Financial Services Manager in accordance with the Act (the "**FSM**") and BNY Trust Company of Canada, a trust company existing under the laws of Canada, as Indenture Trustee, is made and entered into as of [■], 2017.

RECITALS

Pursuant to Subsection 5(3) of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**"), the Lieutenant Governor in Council may by order, authorize the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to agree to guarantee or indemnify certain debts, obligations, securities or undertakings associated with an Investment Interest.

Pursuant to an Order in Council dated as of ■ (the "**OIC**"), the Lieutenant Governor in Council has, among other things, authorized the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to enter into one or more agreements to guarantee or indemnify the debts, obligations, securities or undertakings of one or more financing entities established or caused to be established pursuant to Subsection 22(2) of the Act by the FSM and that may incur Funding Obligations in connection with one or more Investment Interests.

Pursuant to a Declaration of Trust[~~2~~]3 dated as of ■, 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

The Financing Entity Trustee, in its capacity as trustee of the Financing Entity, and the Indenture Trustee are parties to the Trust Indenture and propose to create and issue series of notes, bonds and other securities as contemplated therein, and to provide security over the assets and undertaking of the Financing Entity in respect of such notes, bonds and securities, as well as other Obligations Secured.

The Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, have determined to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Primary Obligations ~~Secured~~ that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence

[~~2~~] ~~Torys to confirm that Trust is a "financing entity" under OFHPA. Under definition, FSM to establish or cause to be established. DofT indicates Computershare declares trust. Need to have this confirmed for purposes of authority under OFHPA 5(3), among other things.~~

[3] **Torys Note:** We are comfortable on this point because OPG has retained Computershare as issuer trustee. The recitals of the Declaration of Trust provide that Computershare has established the Trust at the request of the FSM. We can also provide you with a copy of the Computershare engagement letter upon request. **Note to Torys:** The Province will accept authorities opinion regarding the Trust from Torys.

Conditions at the time the Approved Obligation is incurred ~~or amended~~. This Agreement sets out the terms and conditions of such protections and assurances.

All things necessary to make this Agreement a valid and legally binding agreement of the Province, the Financing Entity, the FSM and the Indenture Trustee, in accordance with the Act, the OIC and the Trust Indenture, have been done.

2.04 Payment into Protection Account[3] in Satisfaction

(a) On or before the date of delivery of a Payment Demand to the Province, the Indenture Trustee shall cause to be established and maintained an Eligible Deposit Account (the "**Protection Account**") in the name of the Indenture Trustee, bearing a designation clearly indicating that the funds and other property credited thereto are held for the benefit of the Indenture Trustee and the Beneficiaries. The Protection Account shall be under the control of the Indenture Trustee for the benefit of the Beneficiaries. If, at any time, the institution holding the Protection Account ceases to be an Eligible Institution, the FSM shall notify the Indenture Trustee, and the Indenture Trustee upon being notified in writing of such ineligibility (or the FSM on its behalf) shall within 30 days (or such longer period, not to exceed 45 days, so long as the Rating Agency Condition is satisfied) establish a new Protection Account that is an Eligible Deposit Account and shall transfer any funds or other property from such Protection Account to such new Protection Account. From the date each such new Protection Account is established, it shall be the "Protection Account" for purposes of this Agreement. Funds credited to the Protection Account will be invested and held in accordance with Section **[7.03]** of the Trust Indenture on the basis that it is an Issuer Account.

(b) Notwithstanding the priority of payment requirements set forth in the Trust Indenture and any legal rule concerning the imputation of payments, the Financing Entity and the Indenture Trustee shall ensure that all amounts paid by the Province into the Protection Account on a Guarantee Payment Date in respect of an Approved Obligation are applied to pay the amounts due and payable to the Beneficiaries as and to the extent provided for in Section 2.01(a). Upon a payment having been made by or on behalf of the Province into the Protection Account, the amounts so paid shall for all purposes be considered to have been applied to pay the applicable Beneficiaries as provided for in Section 2.01(a) and thereby reduce the amount due and payable to such Beneficiaries in respect of the applicable Approved Obligations, whereupon an affected Beneficiary shall have no continuing rights, interests or entitlements (including rights as a secured party) in

respect of the Approved Obligation to the extent so paid[4]. For greater certainty, the obligations arising in respect of an applicable Approved Obligation shall not be reduced by such payment as the Province shall become entitled to be paid related Subrogation Amounts and the rights contemplated under Section 2.01(a) and Section 5.01 in relation to such continuing obligations.

2.05 Certain Waivers

The Province hereby waives:

(a) any requirement, and any right to require, that any power be exercised or any action be taken against the Financing Entity or any Collateral for any of the Approved Obligations;

(b) all notices which may be required by applicable law to preserve any rights against the Province hereunder, including any notice of default, demand, dishonour, presentment and protest;

(c) diligence; and

(d) any defence based upon, arising out of or in any way related to any claim that any election of remedies by the Beneficiaries impaired, reduced, released or extinguished any rights that the Province might otherwise have had against the Financing Entity or any other surety.

The Province agrees that each such waiver is made with full knowledge of its significance and consequences and if any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the maximum extent permitted by applicable law.

2.06 Additional Security

This Agreement shall be in addition to and without prejudice to any other security by whomsoever given, held at any time by the Indenture Trustee or for the benefit of any of the Beneficiaries.

2.07 Continuing Liability of the Province

The Approved Obligations shall be deemed not to have been paid, observed or performed, and the liability of the Province hereunder in respect thereof shall continue and not be discharged, to the extent that any payment, observance or performance thereof by the Financing Entity, or out of the proceeds of any Collateral, is recovered from or reimbursed by or for the account of any of the Beneficiaries for any reason, including a preference or fraudulent transfer or by virtue of any subordination (whether present or future or contractual or otherwise) of the Approved Obligations, whether such recovery or payment over is effected by any judgment,

decree or order of any court or Governmental Authority, by any plan of reorganization or by settlement or compromise by any of the Beneficiaries (whether or not consented to by the Financing Entity or the Province) of any claim for any such recovery or payment over.

2.08 Continuance of the Limited Guarantee

Subject to Section 2.07, the Limited Guarantee shall continue in full force and effect until the indefeasible payment, observance and performance in full of the Approved Obligations~~, or until the Province is no longer required to provide and perform the Limited Guarantee~~ in accordance with Section ~~6.03 or Section 8.02~~.8.01.

2.09 Modifications of Approved Obligations

The Province expressly authorizes the Indenture Trustee, at any time and from time to time, without notice and without affecting the liability of the Province hereunder, but subject to compliance with the requirements of the Program Agreements and this Agreement, to:

(a) accept new, additional or replacement instruments, documents, agreements or security in connection with all or any part of the Approved Obligations;

(b) accept partial payments on the Approved Obligations; and

(c) waive, release, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, compromise, liquidate and enforce all or any part of the Approved Obligations and any security or guarantee therefor, and apply any such security and direct the order or manner of sale thereof as the Indenture Trustee (for the benefit of the Beneficiaries) in its discretion may determine.

3.01 The Indenture Trustee

This Agreement is made in favour of the Indenture Trustee in its capacity as trustee under the Trust Indenture. Accordingly, in the event of a new trustee being appointed under the Trust Indenture, such new trustee shall thereupon become and be the Indenture Trustee hereunder, but nevertheless, the Indenture Trustee shall forthwith assign, transfer and make over to the new trustee hereunder this Agreement. All provisions of the Trust Indenture for the protection of the Indenture Trustee or for facilitating the administration of the trusts or otherwise relating to the Indenture Trustee solely as to its holding of the rights thereunder shall apply *mutatis mutandis* to this Agreement and the Indenture Trustee's duties hereunder.

3.02 Acceptance of Trusts

The Indenture Trustee hereby accepts the trusts hereof and agrees to carry out and discharge the same unless and until a new trustee shall be appointed as contemplated in Section 3.01.

ARTICLE IV
APPROVED OBLIGATIONS

4.01 Approval Process

A Primary Obligation shall constitute an Approved Obligation if (i) the Adherence Conditions applicable thereto have been satisfied at the time the Primary Obligation was incurred, or (ii) the Province, in its sole discretion, designates in writing that it is an Approved Obligation.

4.02 Adherence Conditions[5]

The following shall be the Adherence Conditions applicable in relation to each Certified Primary Obligation ~~other than any Funding Obligation under which not more than $■ in the aggregate may become payable by the Financing Entity~~:

(c) in respect of a Certified Primary Obligation other than a Refinancing of a Primary Obligation in respect of which the Adherence Conditions had been satisfied, the Province has not provided a Suspension Notice to the Indenture Trustee, OPG and the Financing Entity.

For greater certainty, (y) satisfaction of the Adherence Conditions for a ~~Funding~~Certified Primary Obligation shall be deemed satisfaction of the Adherence Conditions in respect of all principal, interest and other amounts owing under the ~~Funding~~Certified Primary Obligation, as such ~~Funding~~Certified Primary Obligation may be amended, restated, supplemented or otherwise modified from time to time, and (z) there shall be no Adherence Conditions applicable in relation to a Primary Obligation that is not a Certified Primary Obligation.

4.03 Evidence of Satisfaction

A closing certificate delivered in accordance with Section 4.02(b~~)(x~~) in connection with an incurrence of a Certified Primary Obligation shall be determinative as to whether the applicable Adherence Conditions with respect thereto have been satisfied, notwithstanding that such certificate may include inaccuracies, be incomplete or otherwise be defective or deficient, and such closing certificate may be relied upon by any addressee as conclusive evidence of same. A closing certificate that purports on its face to be signed by officers specified in Section 4.02(b) may be relied upon by any addressee without further enquiry or evidence as to the incumbency or signatures of such officers. If a closing certificate is not delivered in accordance with the timing requirements of Section 4.02(b) in respect of a Certified Primary Obligation, such certificate may be delivered at a later date, and be effective as if it had been delivered in accordance with the timing requirement of Section 4.02(b), if at the time such certificate was required to be delivered OPG had delivered to the Province all certifications required by the Province in connection with the adherence of the Limited Guarantee to the Certified Primary Obligation.

[10] ~~This needs to tie into the "estimated finance amount" determined under the General Regulation applicable during the Reference Period~~[5] **Note to Province**: MOE should confirm that this captures the limitations contemplated in connection with any "acceleration" under the revised Regulation. Consider whether it is necessary to refer specifically to the Regulation to avoid any disconnect, and to tie-in specifically to the context of the acceleration scenario applicable at the time.

[11] **Torys Note:** Refinancings can occur up to six months prior to the application of the refinancing proceeds to the existing obligation. The regulations provide that if the refinancing proceeds are not applied to repay the intended f unding obligation, then it is not a Refinancing. Accordingly, we have revised the definition to ensure that Refinancings do not have to be simultaneous with repayment of the existing Approved Obligation (we understand from the dealers that in most circumstances they will not be). **Note to Province**: The General Regulation specifically provides that debt can be considered a "Refinancing" when incurred within the 6 months prior to the maturity date of a funding obligation. The Act/Regulation's definition doesn't require that "Refinancings" are simultaneous with the repayment of existing Approved Obligations. Consider if further discussion is required and MOE to specifically confirm understanding of the Regulation on this point.

HER MAJESTY THE QUEEN IN RIGHT OF ONTARIO, AS REPRESENTED BY THE MINISTER OF ENERGY AND THE MINISTER OF FINANCE

AND

ONTARIO POWER GENERATION INC.

CHANGE OF LAW PROCESS AGREEMENT[1]

Dated as of [■], 2017

[1] This Agreement and the Protection Agreement will need to be effective on closing but signed and held in escrow as soon as they are settled and prior to pricing of the term deal. **Note to Torys:** Closing mechanics under consideration by the Province.

This **CHANGE OF LAW PROCESS AGREEMENT**, between Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), and Ontario Power Generation Inc. ("**OPG**") is made and entered into as of [■], 2017.

RECITALS

OPG is appointed as the Financial Services Manager under Section 18 of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**").

Pursuant to Section 22(2) of the Act, OPG, in its capacity as the Financial Services Manager (the "**FSM**"), may establish or cause to be established one or more financing entities (as defined in the Act), which may incur Funding Obligations in accordance with the Act.[1]

Pursuant to a Declaration of Trust dated as of [■], 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.[2]

Concurrent with this Agreement, the Province, the FSM, the Financing Entity and the Indenture Trustee will enter into the Change of Law Protection Agreement under which the Province will agree to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Obligations Secured that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions.

Prior to entering into this Agreement, OPG provided the Province with the proposed forms of certain of the Transaction Documents, and the Province has not objected to such forms.

This Agreement sets out the obligations OPG has agreed to perform and assurances OPG has agreed to provide and on which the Province will rely in entering into and implementing the Change of Law Protection Agreement, including for the purposes of determining whether the Adherence Conditions have been satisfied, maintaining information related to the Program Agreements and the Approved Obligations, and ensuring that the Province's assumption rights pursuant to Article VI of the Change of Law Protection Agreement may be exercised without impediment on the terms and conditions contemplated in this Agreement and the Change of Law Protection Agreement.

All things necessary to make this Agreement a valid and legally binding agreement of OPG and the Province, have been done.

[1] ~~Blakes suggests that it be made clear in the Declaration of Trust that OPG is establishing the Trust. Blakes would appreciate the benefit of Torys analysis as to how the Trust is an "entity" under the OFHPA, as opposed to the trustee. Clearly OPG has not established Computershare. Blakes and Torys to discuss.~~

[2] ~~Lawyers to discuss.~~

CHANGE OF LAW PROTECTION AGREEMENT

Dated as of [■], 2017

[1] This Agreement and the Process Agreement will need to be effective on closing but signed and held in escrow as soon as they are settled and prior to pricing of the term deal. **Note to Torys:** Logistics of closing are under consideration.

[2] **Torys Note:** Please advise if there are any further issues with the Manager signing the Protection Agreement on behalf of the Trust? If so, can you please explain the issue. The Manager is currently signing all Program Agreements on behalf of the Trust and has authority to do so. We would like the Manager to sign this Agreement on behalf of the Trust. **Note to Torys:** Manager derives authority under the Management Agreement to sign Program Agreements. Management Agreement powers determined by reference to the Program Agreements, so authority is circular. Ultimately, Province will accept the opinion of Torys on due execution point.

This **AGREEMENT**, among Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), Computershare Trust Company of Canada, in its capacity as trustee (the "**Financing Entity Trustee**") of Fair Hydro Trust, a trust under the laws of the Province of Ontario (the "**Financing Entity**"), Ontario Power Generation Inc., in its capacity as Manager of the Financing Entity and in its capacity as the Financial Services Manager in accordance with the Act (the "**FSM**") and BNY Trust Company of Canada, a trust company existing under the laws of Canada, as Indenture Trustee, is made and entered into as of [■], 2017.

RECITALS

Pursuant to Subsection 5(3) of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**"), the Lieutenant Governor in Council may by order, authorize the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to agree to guarantee or indemnify certain debts, obligations, securities or undertakings associated with an Investment Interest.

Pursuant to an Order in Council dated as of ■ (the "**OIC**"), the Lieutenant Governor in Council has, among other things, authorized the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to enter into one or more agreements to guarantee or indemnify the debts, obligations, securities or undertakings of one or more financing entities established or caused to be established pursuant to Subsection 22(2) of the Act by the FSM and that may incur Funding Obligations in connection with one or more Investment Interests.

Pursuant to a Declaration of Trust[3] dated as of ■, 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

The Financing Entity Trustee, in its capacity as trustee of the Financing Entity, and the Indenture Trustee are parties to the Trust Indenture and propose to create and issue series of notes, bonds and other securities as contemplated therein, and to provide security over the assets and undertaking of the Financing Entity in respect of such notes, bonds and securities, as well as other Obligations Secured.

The Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, have determined to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Primary Obligations that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions at the time the Approved Obligation is incurred. This Agreement sets out the terms and conditions of such protections and assurances.

[3] **Torys Note:** We are comfortable on this point because OPG has retained Computershare as issuer trustee. The recitals of the Declaration of Trust provide that Computershare has established the Trust at the request of the FSM. We can also provide you with a copy of the Computershare engagement letter upon request. **Note to Torys:** The Province will accept authorities opinion regarding the Trust from Torys.

All things necessary to make this Agreement a valid and legally binding agreement of the Province, the Financing Entity, the FSM and the Indenture Trustee, in accordance with the Act, the OIC and the Trust Indenture, have been done.

AGREEMENT OF THE PARTIES

In consideration of the respective agreements herein contained, the parties hereto covenant and agree as follows:

Any statement of account prepared by the Indenture Trustee as regards the Primary Obligations shall constitute *prima facie* evidence of the amount which, as at the date of the statement so prepared, is due and payable by the Financing Entity to the Beneficiaries and/or the Indenture Trustee and the Province hereby acknowledges and agrees that, absent manifest error, it shall be bound by each such statement. The Indenture Trustee agrees to provide the Province with the computations and calculations used by the Indenture Trustee to prepare each such statement of account promptly following a request therefor.

1.04 Limitation on Rights of and Actions by Specified Creditors

Specified Creditors, as Beneficiaries, shall not have or be permitted to exercise any rights, interests, or elections under this Agreement, other than in the manner and to the extent effected and exercised under, in accordance with and subject to the limitations set forth in the Trust Indenture as of the date of this Agreement.

1.05 Province Retains Rights of Beneficiaries

Without limiting any rights of subrogation or succession that arise pursuant to applicable law or pursuant to the Province's rights as an assignee, subrogee or pursuant to Section 2.01 or Section 5.01, all of the rights, interests, elections and privileges that would arise in favour of a

Beneficiary under the Trust Indenture or other Funding Obligation Agreement under which a related Primary Obligation arises shall automatically arise, vest in and be available to the Province to the extent of the performance by the Province of the Primary Obligation.

1.08 Severability

Each of the provisions contained in this Agreement is distinct and severable and a declaration of invalidity or unenforceability of any such provision or part thereof by a court of competent jurisdiction will not affect the validity or enforceability of any other provision hereof. To the extent permitted by applicable law, the parties waive any provision of law which renders any provision of this Agreement invalid or unenforceable in any respect.

1.09 Governing Law

THIS AGREEMENT WILL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE PROVINCE OF ONTARIO AND THE FEDERAL LAWS OF CANADA APPLICABLE THEREIN, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

1.15 Waiver, Amendment

Except as expressly provided in this Agreement, no amendment or waiver of this Agreement will be binding unless executed in writing by the party to be bound thereby. No waiver of any provision of this Agreement will constitute a waiver of any other provision nor will any waiver of any provision of this Agreement constitute a continuing waiver unless otherwise expressly provided. A party's failure or delay in exercising any right under this Agreement will not operate as a waiver of that right. A single or partial exercise of any right will not preclude a party from any other or further exercise of that right or the exercise of any other right.

1.16 Interest Act

For the purpose of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest to which any rate of interest payable under this Agreement that is calculated on any basis other than a full calendar year is equivalent may be determined by multiplying such rate by a fraction, the numerator of which is the actual number of days in the calendar year in which such yearly rate of interest is to be ascertained and the denominator of which is the number of days comprising such other basis. The parties further agree that for the purposes of the *Interest Act* (Canada), (i) the principle of deemed reinvestment of interest shall not apply to any interest calculation under this Agreement, and (ii) the rates of interest stipulated in this Agreement are intended to be nominal rates and not effective rates or yields.

1.17 Currency

Unless stated otherwise, all amounts herein are stated in Canadian Dollars.

1.18 References to Acts of the Financing Entity

For greater certainty, where any reference is made in this Agreement, or in any other instrument executed pursuant hereto or contemplated hereby to which the Financing Entity or the Financing Entity Trustee, as trustee of the Financing Entity, is party, to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or release to be provided by, a suit or proceeding to be taken by or against, or a covenant, representation or warranty (other than relating to the constitution or existence of the Financing Entity) by or with respect to (i) the Financing Entity or (ii) the Financing Entity Trustee, such reference shall be construed and applied for all purposes as if it referred to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or release to be provided by, a suit or proceeding to be taken by or against or a covenant, representation or warranty (other than relating to the constitution or existence of the Financing Entity) by or with respect to, the Financing Entity Trustee as trustee of the Financing Entity.

1.19 Judgment Currency

(a) If for the purpose of obtaining judgment in any court or for any other purposes (other than conversions specifically provided for in the agreement under which an Approved Obligation arises), it is necessary to convert any amount due under this Agreement from the currency in which it is due (the "**Original Currency**") into another currency (the "**Second Currency**"), the rate of exchange applied shall be that at which, in accordance with normal banking procedures, the purchaser could purchase, in the New York foreign exchange market, the Original Currency with the Second Currency on the date on which judgment is given. The obligation of the Province in respect of any Original Currency due from it to the Indenture Trustee under this Agreement shall, notwithstanding any judgment or payment in such other currency, be discharged only to the extent that, on the Business Day following receipt of any sum so paid or adjudged to be due under this Agreement in the Second Currency, the Indenture Trustee may, in accordance with normal banking procedures, purchase in the New York foreign exchange market the Original Currency with the amount of the Second Currency so paid or so adjudged to be due; and if the amount of the Original Currency so purchased is less than the amount originally due in the Original Currency, the Province shall indemnify the Indenture Trustee against such loss.

(b) The term "rate of exchange" in this Section 1.19 means the spot rate at which the Indenture Trustee, in accordance with normal practice, is able on the relevant date to purchase the Original Currency with the Second Currency and includes any premium and costs of exchange payable in connection with such purchase.

ARTICLE II
AGREEMENT TO PERFORM APPROVED OBLIGATIONS

2.01 Limited Guarantee

(a) Upon the occurrence of a Protection Event, the Indenture Trustee may deliver a written demand, substantially in the form attached as Exhibit A (a "**Payment Demand**"), to the Province requiring the Province to make payments in respect of the Approved Obligations at the times, in the amounts and subject to the requirements specified in this Agreement. From and after such delivery of a Payment Demand, the Province shall make the following payments in respect of the Approved Obligations (the "**Limited Guarantee**"), and the Financing Entity shall pay, and the Province shall be entitled to be paid, the Subrogation Amounts specified below, on the specified Guarantee Payment Date:

i. Not less than 3 Business Days prior to each day when any payment or payments are to be made in respect of one or more Approved Obligations occurring after such delivery of a Payment Demand and prior to the Assumption Effective Date, if any, (a "**Guarantee Payment Date**"), the Manager shall deliver a written statement setting forth the Aggregate Approved Obligations Amount, if any, in respect of the Approved Obligations that are due and payable on such Guarantee Payment Date, together with a detailed description identifying such Approved Obligations and the nature and amount of payments due and payable thereunder on the Guarantee Payment Date, the aggregate outstanding amount payable by the Financing Entity under such Approved Obligations as of the date of ~~the Guarantor Settlement Statement~~such written statement, and details regarding any default in performance by any party obligated thereunder ~~(a "**Guarantor Settlement Statement**")~~[4] .

ii. On each such Guarantee Payment Date, the Province shall deposit the Aggregate Approved Obligations Amount into the Protection Account.

iii. On each such Guarantee Payment Date, the Financing Entity and the Indenture Trustee shall ensure that the amounts on deposit in the Protection Account are applied to pay each Beneficiary to whom an amount is due and payable under an Approved Obligation on the Guarantee Payment Date the Approved Obligation Amount for such Beneficiary in respect of such Approved Obligation on such Guarantee Payment Date; provided that if the amount deposited pursuant to clause 2.01(a)ii is

[4] ~~Given timing, we would appreciate if the parties did not negotiate this form now.~~

insufficient to pay all such Approved Obligation Amounts in full, the amount on deposit in the Protection Account on the Guarantee Payment Date shall be applied to pay Beneficiaries in the order of priority in which such Approved Obligations are payable under the payment provisions of the Trust Indenture applicable to the making of such payments on the Guarantee Payment Date (each, a "**Beneficiary Payee**").

iv. On any Guarantee Payment Date on which an amount is paid by the Province pursuant to clause 2.01(a)ii, the applicable payment provisions of the Trust Indenture shall, notwithstanding the express terms of such provisions set forth in the Trust Indenture, be applied and operate on the following basis:

(A) the amount payable to a Beneficiary Payee in respect of an Approved Obligation from amounts available under such payment provisions on such Guarantee Payment Date shall be reduced by the amount paid to the Beneficiary Payee pursuant to clause 2.01(a)iii in respect of such Approved Obligation on such Guarantee Payment Date;

(B) the Province shall be paid the lesser of (x) the amount payable to a Beneficiary Payee in respect of an Approved Obligation from amounts available to pay the Beneficiary Payee under such payment provisions on the Guarantee Payment Date, determined without regard to subclause 2.01(a)iv(A), and (y) the amount paid to the Beneficiary Payee pursuant to clause 2.01(a)iii in respect of such Approved Obligation on the Guarantee Payment Date (such payments to the Province being "**Subrogation Amounts**"); and[5]

(C) no Beneficiary having a right to be paid an amount in respect of an Approved Obligation that ranks equal with or subordinate to an Approved Obligation in respect of which an amount is payable to the Province under subclause 2.01(a)iv(B) shall be entitled to make any claim or assert any right in or to the amounts paid or payable to the Province under such subclause (including any right or reimbursement, contribution or indemnity) and no such Beneficiary shall have any right or interest in,

to or under the Collateral or any proceeds therefrom in respect of such amounts.

v. On any Guarantee Payment Date, the Indenture Trustee shall release and pay to the Province free and clear of any Liens any amount remaining on deposit in the Protection Account that has not been applied to pay Beneficiary Payees on the Guarantee Payment Date in accordance with clause 2.01(a)iii.

vi. In preparing any payment instructions under the Trust Indenture, the Manager shall reflect the amounts payable for the Guarantee Payment Date under Section 2.01(a).

(b) The Province shall, as a payee of Subrogation Amounts under clause 2.01(a)(iv)(B) and any amounts payable under clause 2.01(a)(~~iv)(B~~v)**,** be a "Specified Creditor" under the Trust Indenture and have the benefit of the Collateral thereunder.

(c) For greater certainty, the Limited Guarantee will not apply to any amount or obligation of the Financing Entity that is not or does not arise under an Approved Obligation and will be limited to the right to receive the Approved Obligation Amounts, if any, for payment to Beneficiary Payees and will be subject to the priorities and to the Province's rights to Subrogation Amounts, set forth in Section 2.01(a).

(d) Except as expressly provided in this Agreement, the Province's obligation to provide and perform the Limited Guarantee shall be irrevocable, absolute and unconditional.

(e) Any amount payable by the Province under the Limited Guarantee in respect of an Approved Obligation that is not paid by the Province when required herein shall bear interest from the applicable due date until paid in full at the rate or rates expressed to be payable on the Approved Obligation by their terms.

(f) The right to deliver a Payment Demand and thereupon enforce the Limited Guarantee shall constitute the only remedy available to the Indenture Trustee (and to the Beneficiaries, to the extent they are permitted to exercise any rights, interests, or elections under and in accordance with the Trust Indenture) under this Agreement. Under no circumstances shall the Province be obligated to pay or indemnify the Indenture Trustee or any Beneficiary for consequential, special or punitive damages, or for economic loss or loss of profits; provided that, for greater certainty, economic loss shall not include any amount in respect of any amount due and payable to a Beneficiary Payee under the Limited Guarantee.

2.02 Intentionally Deleted.

2.03 Absence of Set-off

Subject to applicable law, the Province acknowledges and agrees that each payment to be made by the Province hereunder in respect of an Approved Obligation shall be made as required in whole, without application of any right of set-off and without regard to any equities as between or among any of the Province, the Beneficiaries and/or the Indenture Trustee.

2.04 Payment into Protection Account in Satisfaction

(a) On or before the date of delivery of a Payment Demand to the Province, the Indenture Trustee shall cause to be established and maintained an Eligible Deposit Account (the "**Protection Account**") in the name of the Indenture Trustee, bearing a designation clearly indicating that the funds and other property credited thereto are held for the benefit of the Indenture Trustee and the Beneficiaries. The Protection Account shall be under the control of the Indenture Trustee for the benefit of the Beneficiaries. If, at any time, the institution holding the Protection Account ceases to be an Eligible Institution, the FSM shall notify the Indenture Trustee, and the Indenture Trustee upon being notified in writing of such ineligibility (or the FSM on its behalf) shall within 30 days (or such longer period, not to exceed 45 days, so long as the Rating Agency Condition is satisfied) establish a new Protection Account that is an Eligible Deposit Account and shall transfer any funds or other property from such Protection Account to such new Protection Account. From the date each such new Protection Account is established, it shall be the "Protection Account" for purposes of this Agreement. Funds credited to the Protection Account will be invested and held in accordance with Section **[7.03]** of the Trust Indenture on the basis that it is an Issuer Account.

(b) Notwithstanding the priority of payment requirements set forth in the Trust Indenture and any legal rule concerning the imputation of payments, the Financing Entity and the Indenture Trustee shall ensure that all amounts paid by the Province into the Protection Account on a Guarantee Payment Date in respect of an Approved Obligation are applied to pay the amounts due and payable to the Beneficiaries as and to the extent provided for in Section 2.01(a). Upon a payment having been made by or on behalf of the Province into the Protection Account, the amounts so paid shall for all purposes be considered to have been applied to pay the applicable Beneficiaries as provided for in Section 2.01(a) and thereby reduce the amount due and payable to such Beneficiaries in respect of the applicable Approved Obligations, whereupon an affected Beneficiary shall have no continuing rights, interests or entitlements (including rights as a secured party) in respect of the Approved Obligation to the extent so paid. For greater certainty, the obligations arising in respect of an applicable Approved Obligation shall not be reduced by such payment as the Province shall become entitled to be paid related Subrogation Amounts and the rights contemplated under Section 2.01(a) and Section 5.01 in relation to such continuing obligations.

2.05 Certain Waivers

The Province hereby waives:

(a) any requirement, and any right to require, that any power be exercised or any action be taken against the Financing Entity or any Collateral for any of the Approved Obligations;

(b) all notices which may be required by applicable law to preserve any rights against the Province hereunder, including any notice of default, demand, dishonour, presentment and protest;

(c) diligence; and

(d) any defence based upon, arising out of or in any way related to any claim that any election of remedies by the Beneficiaries impaired, reduced, released or extinguished any rights that the Province might otherwise have had against the Financing Entity or any other surety.

The Province agrees that each such waiver is made with full knowledge of its significance and consequences and if any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the maximum extent permitted by applicable law.

2.06 Additional Security

This Agreement shall be in addition to and without prejudice to any other security by whomsoever given, held at any time by the Indenture Trustee or for the benefit of any of the Beneficiaries.

2.07 Continuing Liability of the Province

The Approved Obligations shall be deemed not to have been paid, observed or performed, and the liability of the Province hereunder in respect thereof shall continue and not be discharged, to the extent that any payment, observance or performance thereof by the Financing Entity, or out of the proceeds of any Collateral, is recovered from or reimbursed by or for the account of any of the Beneficiaries for any reason, including a preference or fraudulent transfer or by virtue of any subordination (whether present or future or contractual or otherwise) of the Approved Obligations, whether such recovery or payment over is effected by any judgment, decree or order of any court or Governmental Authority, by any plan of reorganization or by settlement or compromise by any of the Beneficiaries (whether or not consented to by the Financing Entity or the Province) of any claim for any such recovery or payment over.

2.08 Continuance of the Limited Guarantee

Subject to Section 2.07, the Limited Guarantee shall continue in full force and effect until the indefeasible payment, observance and performance in full of the Approved Obligations in accordance with Section ~~9.01~~8.01.[6]

2.09 Modifications of Approved Obligations

The Province expressly authorizes the Indenture Trustee, at any time and from time to time, without notice and without affecting the liability of the Province hereunder, but subject to compliance with the requirements of the Program Agreements and this Agreement, to:

(a) accept new, additional or replacement instruments, documents, agreements or security in connection with all or any part of the Approved Obligations;

(b) accept partial payments on the Approved Obligations; and

(c) waive, release, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, compromise, liquidate and enforce all or any part of the Approved Obligations and any security or guarantee therefor, and apply any such security and direct the order or manner of sale thereof as the Indenture Trustee (for the benefit of the Beneficiaries) in its discretion may determine.

ARTICLE III
THE INDENTURE TRUSTEE

3.01 The Indenture Trustee

This Agreement is made in favour of the Indenture Trustee in its capacity as trustee under the Trust Indenture. Accordingly, in the event of a new trustee being appointed under the Trust Indenture, such new trustee shall thereupon become and be the Indenture Trustee hereunder, but nevertheless, the Indenture Trustee shall forthwith assign, transfer and make over to the new trustee hereunder this Agreement. All provisions of the Trust Indenture for the protection of the Indenture Trustee or for facilitating the administration of the trusts or otherwise relating to the Indenture Trustee solely as to its holding of the rights thereunder shall apply *mutatis mutandis* to this Agreement and the Indenture Trustee's duties hereunder.

3.02 Acceptance of Trusts

The Indenture Trustee hereby accepts the trusts hereof and agrees to carry out and discharge the same unless and until a new trustee shall be appointed as contemplated in Section 3.01.

[6] ~~We made this change to be consistent with the termination clause in section 9.01.~~

ARTICLE IV
APPROVED OBLIGATIONS

4.01 Approval Process

A Primary Obligation shall constitute an Approved Obligation if (i) the Adherence Conditions applicable thereto have been satisfied at the time the Primary Obligation was incurred, or (ii) the Province, in its sole discretion, ~~agrees~~designates in writing that it is an Approved Obligation.

4.02 Adherence Conditions[7]

The following shall be the Adherence Conditions applicable in relation to each Certified Primary Obligation:

(a) the Certified Primary Obligation when incurred is an Obligation Secured under the Trust Indenture; and

(b) OPG, as FSM, delivers a certificate signed by the Chief Financial Officer and the Treasurer of OPG, or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) and addressed to the Indenture Trustee, on or before the incurrence of a Certified Primary Obligation[8] (provided that delivery may not be more than 5 Business Days before the incurrence of the Certified Primary Obligation), confirming that OPG has ~~provided to the Province all certifications required by~~delivered to the Province a certificate signed by the Chief Financial Officer and the Treasurer of OPG, or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) confirming that OPG has complied with all of its obligations to the Province and internal requirements and processes in connection with the ~~incurrence of such~~adherence of the Limited Guarantee to the Certified Primary Obligation; and

(c) in respect of a Certified Primary Obligation other than a Refinancing of a Primary Obligation in respect of which the Adherence Conditions had been satisfied, the Province has not provided a Suspension Notice to the Indenture Trustee, OPG and the Financing Entity.

[7] ~~We would propose that the certification in section 4.02(b) of the Protection Agreement track the requirements of section 3.01 of the Process Agreement to ensure that the two sections are consistent. Accordingly, we have revised section 4.02(b) of the Protection Agreement to state the certificate delivered to the Indenture Trustee under this section should confirm that all certifications to the Province required in connection with the incurrence of such Certified Primary Obligations have been delivered to the Province.~~

[8] ~~We tried to address all parties concerns expressed at our last meeting by this language. The Province can be assured that no certificate earlier than 5 Business Days prior to incurring the Certified Primary Obligation is delivered and the dealers have comfort that the clause is not too prescriptive.~~

For greater certainty, (y) satisfaction of the Adherence Conditions for a Certified Primary Obligation shall be deemed satisfaction of the Adherence Conditions in respect of all principal, interest and other amounts owing under the Certified Primary Obligation, as such Certified Primary Obligation may be amended, restated, supplemented or otherwise modified from time to time, and (z) there shall be no Adherence Conditions applicable in relation to a Primary Obligation that is not a Certified Primary Obligation.

4.03 Evidence of Satisfaction

A closing certificate delivered in accordance with Section 4.02(b) in connection with an incurrence of a Certified Primary Obligation shall be determinative as to whether the applicable Adherence Conditions with respect thereto have been satisfied, notwithstanding that such certificate may include inaccuracies, be incomplete or otherwise be defective or deficient, and such closing certificate may be relied upon by any addressee as conclusive evidence of same. A closing certificate that purports on its face to be signed by officers specified in Section 4.02(b) may be relied upon by any addressee without further enquiry or evidence as to the incumbency or signatures of such officers. If a closing certificate is not delivered in accordance with the timing requirements of Section 4.02(b) in respect of a Certified Primary Obligation, such certificate may be delivered at a later date, and be effective as if it had been delivered in accordance with the timing requirement of Section 4.02(b), if at the time such certificate was required to be delivered OPG had delivered to the Province all certifications required by the Province in connection with the ~~incurrence of a~~adherence of the Limited Guarantee to the Certified Primary Obligation.[9]

ARTICLE V
PROVINCE MATTERS

5.01 Assignment and Subrogation

(a) Upon paying an amount in respect of an Approved Obligation to or at the direction of the Indenture Trustee in satisfaction of the Limited Guarantee, the Province (in addition to and without prejudice to any rights it otherwise has in law or equity) shall be subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation to the extent of such payment, including (i) the right and entitlement to be paid and receive the related Subrogation Amounts, (ii) the benefits of the related Collateral and (iii) all proceeds therefrom. The Province shall have and be entitled to enforce all rights and interests (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)), under and in respect of such Approved Obligation to the extent of the payment by the Province in respect of the Approved Obligation as an absolute assignee of the applicable Beneficiary, with effect from and after the time of such payment, without any further requirement for notice to or acceptance by the Financing Entity of such absolute assignment and without any reduction, set-off or

counterclaim on account of any amounts that may, at or after the time of payment, be or become owing by the Beneficiary to the Financing Entity and unaffected by any other rights or equities that arise thereafter as between the Beneficiary and the Financing Entity. The Indenture Trustee shall recognize the Province as being entitled to all of the rights, interests and entitlements of the Beneficiary (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)) in respect and to the extent of the Approved Obligation so paid, determined as of the time of payment, for all purposes under the Trust Indenture, and the Province shall be treated as a Specified Creditor in respect thereof for all purposes under the Trust Indenture and any other agreement under which the Approved Obligation arises.

(b) The Province (i) acknowledges and agrees in favour of the Indenture Trustee that, upon being subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation in accordance with Section 5.01(a), the Province, in its capacity as a Specified Creditor, will be subject to the provisions applicable to Specified Creditors under the Trust Indenture, including **[Sections 7.04 through 7.11 and 8.13 (Payment Priorities), Section 7.12 (Payments Held in Trust), Section 8.11 (Control by Controlling Class Creditors), Section 8.12 (Limitation on Suits), Section 8.14 (Limited Recourse), Section 9.14 (Communications to Specified Creditors) and Section 16.01 (No Petition)]**; (ii) consents, requests and authorizes the Issuer and the Indenture Trustee to (x) add the Province to the register of Specified Creditors described in subsection **[13.13(b)]** of the Trust Indenture and (y) disseminate the notice details of the Province to other Specified Creditors for the purposes set out in subsection **[9.14(b)]** of the Trust Indenture, and (iii) confirms that the Indenture Trustee shall send notices to the Province, in its capacity as a Specified Creditor, in accordance with Section ~~9.02.~~[10]8.02.

5.02 Priorities

For greater certainty, the rights, interests and entitlements of the Province as an assignee ~~or~~and subrogee~~, as applicable,~~ of and with respect to an Approved Obligation shall rank equally with the rights, interests and entitlements of a Beneficiary to whom a Limited Guarantee payment is made in respect of, and to the extent of the payment made to satisfy, the Approved Obligation and the Province shall not be subject to postponement or subordination with respect thereto except to the extent of the priorities established in relation to the Approved Obligation under the Trust Indenture in the manner and to the extent contemplated in Section ~~2.01.~~7.1(d) of the Trust Indenture.

[10] ~~These changes were made to conform to the latest draft of the Trust Indenture, a copy of which will be circulated soon.~~

5.03 Intentionally Deleted

5.04 Representations and Warranties

The Province hereby represents and warrants that:

(a) the execution and delivery of, and the performance of its obligations under, this Agreement by the Province have been authorized by all necessary action on the part of the Province;

(b) the execution and delivery of, and the performance of its obligations under, this Agreement by the Province do not result in the violation of any applicable law; and

(c) this Agreement has been duly executed and delivered by the Province.

~~**ARTICLE VI**~~
~~**NOTICE OF ASSUMPTION OF CERTAIN OBLIGATIONS SECURED**[11]~~

~~**6.01 Delivery of Assumption Notice**~~

~~Following the occurrence of a Protection Event, the Province may (but shall not be obligated to) provide notice (in the form of Exhibit B) to the Indenture Trustee that the Province has elected to assume the Financing Entity's obligations in respect of all Obligations Secured permitted to be assumed by their terms (the "**Assumption Notice**"). The Assumption Notice shall specify the date on which the assignment and assumption of such Obligations Secured will be effective (each such date being an "**Assumption Closing Date**").~~[12]

~~**6.02 Cooperation to Implement the Assignment and Assumption**~~

~~The Indenture Trustee, the FSM, the Financing Entity and the Province will cooperate and use best efforts to complete the assignment and assumption of the Obligations Secured referenced in Section 6.01 by and from the Financing Entity to and by the Province by the applicable Assumption Closing Date.~~

~~**6.03 Effect of Assignment and Assumption**~~

~~On the date that the assignment and assumption of the Obligations Secured referenced in Section 6.01 by and from the Financing Entity to and by the Province becomes effective (the "**Assumption Effective Date**"), the Province shall no longer be required to provide and perform the Limited Guarantee but will instead become a primary obligor under such Obligations Secured assumed pursuant to and in accordance with an applicable Assumption Agreement. ~~[12] It is not realistic to think that the assumptions of Secured Obligations will all occur on one day. We think it has to happen on a contract by contract basis. As a Secured Obligation is assumed, the Limited Guarantee falls away with respect to it (it becomes a "zero" item in the waterfalls).~~

~~6.04 Interim Period~~

~~Until the effective time of the assignment and assumption of the Obligations Secured referenced in Section 6.01 by and from the Financing Entity to and by the Province on the Assumption Effective Date, the Province shall continue to perform and be obligated under the Limited Guarantee with respect to those Obligations Secured.~~

ARTICLE VI~~ARTICLE VII~~
INDENTURE TRUSTEE MATTERS

6.01 ~~7.01~~ Limited Recourse

No recourse may be taken, directly or indirectly, with respect to the obligations of the Financing Entity under this Agreement, or any certificate or other writing delivered in connection herewith or therewith, against (a) the Financing Entity Trustee in its individual capacity, (b) any owner of a beneficial interest in the Financing Entity or (c) any partner, owner, beneficiary, agent, officer, director, employee or agent of the Financing Entity Trustee in its individual capacity, any holder of a beneficial interest in the Financing Entity or the Financing Entity Trustee or of any successor or assign of the Financing Entity Trustee in its individual capacity, except as any such Person may have expressly agreed (it being understood that the Financing Entity Trustee has no such obligations in its individual capacity).

6.02 ~~7.02~~ Not Responsible for Recitals

The recitals contained herein will be taken as the statements of the Province, the Financing Entity and the FSM, and the Indenture Trustee assumes no responsibility for their correctness. The Indenture Trustee makes no representations as to the validity or sufficiency of this Agreement.

6.03 ~~7.03~~ Representations and Covenants of the Indenture Trustee~~13~~[4]

The Indenture Trustee represents, warrants and covenants that:

(a) the Indenture Trustee is a trust company organized, existing and in good standing under the laws of Canada; and

(b) the Indenture Trustee is authorized to carry on the business of a trust company in each of the provinces and territories of Canada.

~~13~~[4] **Torys Note:** The Indenture Trustee asked us to delete these representations. They will not provide these types of representations without attaining a legal opinion from outside counsel. To avoid delay, we would ask that the parties agree to this deletion. **Note to Torys:** The representations provided by the Indenture Trustee should be consistent with those in the Trust Indenture.

ARTICLE VII~~ARTICLE VIII~~
SUSPENSION OF ADHERENCE FOR NEW PRIMARY OBLIGATIONS

7.01 ~~8.01~~ Suspension Notice

Upon:

(a) a Program Breach;~~ or~~

(b) a default in the performance, or breach, of any covenants ~~or representations of the FSM~~of OPG, as FSM, or OPG, in its corporate capacity, in each case to the Province in connection with ~~an incurrence or amendment of Primary Obligations~~its obligations to the Province pursuant to internal requirements and processes in connection with the adherence of the Limited Guarantee, which continues for thirty (30) days after written notice by the Province to ~~the FSM~~OPG of such default or breach;

(c) a representation or warranty made by OPG or a certification made by one or more officers of OPG, in each case whether as FSM or in its corporate capacity, to the Province in connection with its obligations to the Province pursuant to internal requirements and processes in connection with the adherence of the Limited Guarantee, proves to be incorrect on the date made and, if curable, is not cured within thirty (30) days after written notice by the Province to OPG of such misrepresentation; or

(d) ~~(c)~~ the FSM no longer being the Manager or actions having been taken by or on behalf of the Indenture Trustee to remove the FSM as the Manager,

the Province may declare that the Limited Guarantee under this Agreement shall not apply to any Primary Obligations incurred[14] on or after such declaration, other than any Refinancing of a Primary Obligation in respect of which the Adherence Conditions had previously been satisfied, by delivering a written notice in the form of Exhibit ~~C~~B (a "**Suspension Notice**")~~ to the Province~~ to the Indenture Trustee, the FSM and the Financing Entity.[15]

The Limited Guarantee shall apply to any Certified Primary Obligation incurred after a Suspension Event on the basis that it is a Refinancing only if the FSM certifies to the Province in writing prior to the incurrence that the proceeds of such incurrence will be used solely for the purposes of repaying one or more Certified Primary Obligations incurred prior to the Suspension Event and to which the Limited Guarantee adhered as of the time the Suspension Event occurred, and the delivery of such written certification by the FSM to the Province shall be determinative

~~[14] We will need the ability to amend the Primary Obligations after a Suspension Notice to deal with the Suspension Notice itself.~~

~~[15] OPG has confirmed that it is problematic from an accounting perspective to give the Province a broad right to suspend at any time. As discussed in the meeting, we therefore reintroduced the concept of the Program Breach and Breach Event but we made the breach event generic to ensure we do not have to reference the Process Agreement in this document.~~

for the purposes of concluding that such incurrence is a Refinancing for the purposes of Sections 7.01, 7.02 and 7.03.

7.02 ~~8.02~~ Suspension

If a Suspension Notice has been provided under Section ~~8.01~~7.01 (the provision of such notice being a "**Suspension Event**"), the Limited Guarantee shall not apply in respect of any Primary Obligation incurred[16] or amended on or after the time such Suspension Notice is delivered, other than any Refinancing of a Primary Obligation in respect of which the Adherence Conditions had previously been satisfied. ~~For greater certainty, the rights of the Province under Article VI shall apply in respect of the Obligations Secured referenced in Section 6.01, including if incurred on or after the time such Suspension Notice is delivered.~~[17]

7.03 ~~8.03~~ No Impact on Adherence

For greater certainty, the occurrence of Suspension Event or a failure by the FSM or the Financing Entity to perform its covenants under this Agreement will not invalidate or extinguish the obligations of the Province under the Limited Guarantee in respect of Approved Obligations in existence prior to the occurrence of the Suspension Event or in respect of any Refinancing of a Primary Obligation in respect of which the Adherence Conditions had previously been satisfied~~, nor will it in any way impact the Obligations Secured which are assumed by the Province in accordance with ARTICLE VI~~.

ARTICLE VIII~~ARTICLE IX~~

SCHEDULE A
DEFINED TERMS

"**Acceleration**" has the meaning ascribed to the term "acceleration" in the General Regulation.

"**Action**" has the meaning ascribed thereto under the Trust Indenture.

"**Adherence Conditions**", means, in respect of ~~the~~a Certified Primary ~~Obligations~~Obligation, the conditions set out in Section 4.02.

"**Aggregate Approved Obligations Amount**" means, in respect of a Guarantee Payment Date, the aggregate of the Approved Obligation Amounts for such Guarantee Payment Date.

"**Approved Obligation**" means a Primary Obligation that constitutes an Approved Obligation pursuant to Section 4.01.

"**Approved Obligation Amount**" means, for a Beneficiary in respect of an Approved Obligation under which an amount is due and payable on a Guarantee Payment Date:

(a) if no Acceleration has occurred in respect of any Obligation Secured on or before the Guarantee Payment Date, the amount due and payable to the Beneficiary on such Guarantee Payment Date in respect of the Approved Obligation (for greater certainty, determined on the assumption that there are adequate amounts available under the applicable payment provisions of the Trust Indenture to pay in full all amounts referred to in such payment provisions that are due and payable on the Guarantee Payment Date); and

(b) if an Acceleration has occurred in respect of any Obligations Secured on or before the Guarantee Payment Date, the amount that would be available to be paid to the Beneficiary on such Guarantee Payment Date in respect of the Approved Obligation under the applicable payment provisions of the Trust Indenture, determined on the assumption that the amount available for allocation to Specified Creditors in accordance with such applicable payment provisions of the Trust Indenture in respect of each relevant month during each Reference Period is equal to the estimated Finance Amount determined in respect of such Reference Period for purposes of section 15(1) of the Act (in effect on the date hereof)[5] divided by the number of months in such Reference Period.

[5] **Note to Province**: MOE should confirm that this captures the limitations contemplated in connection with any "acceleration" under the revised Regulation. Consider whether it is necessary to refer specifically to the Regulation to avoid any disconnect, and to tie-in specifically to the context of the acceleration scenario applicable at the time.

~~"**Assumption Agreement**" means the agreement among the Province, the Indenture Trustee, the Financing Entity and any other person that is party to the applicable Supplemental Indenture or Loan Agreement affected by the assignment and assumption contemplated under Article VI, which agreement shall be in substantially the form of assumption agreement set forth in the applicable Supplemental Indenture or Loan Agreement.~~

"**Beneficiary Payee**" has the meaning ascribed thereto in Section 2.01(a)iii.

"**Business Day**" means any day other than a Saturday, a Sunday or a day on which banking institutions in Toronto, Ontario are authorized or obligated by applicable law, regulation or executive order to be closed.

"**Capital Account**" has the meaning ascribed to the term "capital account" in the General Regulation.

"**Certified Primary Obligations**" means Primary Obligations that ~~are payment obligations that~~ are: (i) incurred by or on behalf of the Financing Entity to fund its ownership of an Investment Interest or to repay payment obligations that were incurred by or on behalf of the Financing Entity to fund its ownership of an Investment Interest,~~18~~[6] (ii) incurred by or on behalf of the Financing Entity upon the Financing Entity entering into a Derivative Agreement, in which case the Certified Primary Obligation therefor shall be the Master Agreement applicable to such Derivative Agreement and not each individual trade confirmation, or (iii) incurred by or on behalf of the Financing Entity upon entering into a contract that has a term of more than three (3) years which is not terminable by the Financing Entity giving three (3) years' notice or less and aggregate payments by the Financing Entity thereunder during the term of such contract is in excess of C$5,000,000 (that, for greater certainty, is not otherwise captured in clauses (i) and (ii) above).~~19~~[7]

"**Change of Law Protection Agreement**" means this Agreement.

"**Collateral**" has the meaning ascribed thereto in the Trust Indenture.

~~18~~[6] **Torys Query**: For a warehouse facility, does the Province want a Certificate for each monthly draw? **Note to Province:** Please advise. We may respond that to extent the draw is a Certified Primary Obligation, we would like to maintain the process set out in this Agreement.

~~19~~ ~~This~~[7] **Note to Province**: Torys suggests that this concept reflects what Primary Obligations the parties agreed to be subject to the adherence conditions. Province to confirm that this is their understanding from meeting on Tuesday, November 21, particularly prongs (ii) and (iii) of the definition.

"**Declaration of Trust**" means the declaration of trust made as of [■], 2017 under which the Financing Entity was established.

"**Derivative Agreement**" means any rate swap transaction, basis swap, forward rate transaction, bond option, interest rate option, foreign exchange transaction, cap transaction, floor transaction, collar transaction, currency swap transaction, cross-currency rate swap transaction, currency option, total return swap transaction, credit default swap transaction or any other similar transaction (including any option with respect to any of those transactions) or any combination of these transactions entered into from time to time by the Financing Entity in connection with or related to Funding Obligations.

"**Funding Obligation**" has the meaning ascribed to the term "funding obligation" in the Act as of the date of this Agreement.

[8] **Note to Torys:** We have used the definition from NI 51-102 as there is only a definition of "officer" (but not "executive officer") in the OSA. **Note to Province:** Province to confirm that scope is acceptable. Additionally, money in the Collection Account is required to flow through the waterfall and is not required to be held in the Collection Account otherwise. **Note to Torys:** Please confirm. The Trust Indenture states that if extra cash is available in the Collections Account, it can be held until a subsequent Payment Date.

~~23~~10 **Torys Note:** We deleted early amortization events because that is no longer a concept used in the Trust Indenture. **Note to Torys:** Early amortization events may be included in a supplemental indenture so we think retaining that reference makes sense.

(v) the implementation of a change in the organization or structure of the IESO or Ontario's electricity market undertaken at the initiative of the Province or an entity controlled by the Province,

in each case, that materially and adversely affects (a) the ability of the Financing Entity to receive amounts in respect of its Investment Interest so that it can pay Obligations Secured, or (b) this Agreement or any of the agreements under which Obligations Secured arise; or

(b) a court of competent jurisdiction determines that all or a portion of the Act or the regulations made under the Act, as in effect on the date hereof, is *ultra vires* or invalid in a way that materially and adversely affects the ability of the Financing Entity to receive amounts in respect of its Investment Interest so that it can pay Obligations Secured and that has the effect of the Financing Entity not in fact having sufficient funds to pay such Obligations Secured that have become due and payable.

"**Province**" has the meaning ascribed thereto in the first paragraph of this Agreement.

"**Rating Agency Condition**" has the meaning ascribed thereto in the Trust Indenture.

"**Reference Period**" has the meaning ascribed thereto in the Act.

"**Refinancing**" ~~means the incurrence of debt where at the time of issuance the use of the proceeds thereof are identified by the Issuer as to be used to repay an existing Approved Obligation.~~[24]has the meaning ascribed to the term "refinancing" in the Act as of the date hereof,

as more particularly described and given meaning in the General Regulation as of the date hereof.[11]

"**Second Currency**" has the meaning ascribed thereto in Section 1.19(b).

"**Specified Creditors**" has the meaning ascribed thereto in the Trust Indenture.

"**Subrogation Amounts**" has the meaning ascribed thereto in subclause 2.01(a)iv(~~ii~~B).

"**Trust Indenture**" means the trust indenture between the Financing Entity and the Indenture Trustee dated as of [■], 2017, as amended, supplemented, restated or otherwise modified from time to time.

~~24~~11 **Torys Note:** Refinancings can occur up to six months prior to the application of the refinancing proceeds to the existing obligation. The regulations provide that if the refinancing proceeds are not applied to repay the intended funding obligation, then it is not a Refinancing. Accordingly, we have revised the definition to ensure that Refinancings do not have to be simultaneous with repayment of the existing Approved Obligation (we understand from the dealers that in most circumstances they will not be). **Note to Province**: The General Regulation specifically provides that debt can be considered a "Refinancing" when incurred within the 6 months prior to the maturity date of a funding obligation. The Act/Regulation's definition doesn't require that "Refinancings" are simultaneous with the repayment of existing Approved Obligations. Consider if further discussion is required and MOE to specifically confirm understanding of the Regulation on this point.

AND

ONTARIO POWER GENERATION INC.

CHANGE OF LAW PROCESS AGREEMENT[1]

Dated as of [■], 2017

[1] This Agreement and the Protection Agreement will need to be effective on closing but signed and held in escrow as soon as they are settled and prior to pricing of the term deal. **Note to Torys:** Closing mechanics under consideration by the Province.

This **CHANGE OF LAW PROCESS AGREEMENT**, between Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), and Ontario Power Generation Inc. ("**OPG**") is made and entered into as of [■], 2017.

RECITALS

OPG is appointed as the Financial Services Manager under Section 18 of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**").

Pursuant to Section 22(2) of the Act, OPG, in its capacity as the Financial Services Manager (the "**FSM**"), may establish or cause to be established one or more financing entities (as defined in the Act), which may incur Funding Obligations in accordance with the Act.

Pursuant to a Declaration of Trust dated as of [■], 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

Concurrent with this Agreement, the Province, the FSM, the Financing Entity and the Indenture Trustee will enter into the Change of Law Protection Agreement under which the Province will agree to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Obligations Secured that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions.

Prior to entering into this Agreement, OPG provided the Province with the proposed forms of certain of the Transaction Documents, and the Province has not objected to such forms.

This Agreement sets out the obligations OPG has agreed to perform and assurances OPG has agreed to provide and on which the Province will rely in entering into and implementing the Change of Law Protection Agreement, including for the purposes of determining whether the Adherence Conditions have been satisfied, maintaining information related to the Program Agreements and the Approved Obligations, and ensuring that the Province's assumption rights pursuant to Article VI of the Change of Law Protection Agreement may be exercised without impediment on the terms and conditions contemplated in this Agreement and the Change of Law Protection Agreement.

All things necessary to make this Agreement a valid and legally binding agreement of OPG and the Province, have been done.

(c) Nothing in this Agreement shall limit the obligations of the Province under the Indemnity Agreement by the Province in favour of OPG dated June 1, 2017 (as amended, the "**Indemnity Agreement**") and to the extent of any conflict between this Agreement and such Indemnity Agreement, in respect of any matter relating to the Province's obligations to indemnify OPG, the Indemnity Agreement shall prevail.

ARTICLE III
PROCESS CERTIFICATE

3.01 Process Certificate

OPG shall deliver a certificate (the "**Process Certificate**"), signed by the Chief Financial Officer and the Treasurer of OPG or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) and addressed to the Province, on or before the incurrence or any amendment[2] of a Funding Obligation, other than any Funding Obligation under which not more than $• in the aggregate may become payable by the Financing Entity (provided that delivery may not be more than 5 Business Days before the incurrence or amendment of the Funding Obligation), setting out the following with respect to such Funding Obligation:

(a) the material terms of the Funding Obligation pertaining to (i) in the case of notes, bonds or other securities, the principal amount, interest or discount rate, third party fees, term to maturity, amortization, redemption or extension features, structure and coupon frequency, as applicable, and (ii) in the case of a Derivative Agreement, the notional amount, financial terms and pricing, benchmarks, payment structures and early termination rights;

[2] **Note to Province:** Please confirm that the timing of the delivery of the Process Certificate is satisfactory to you. The Process Certificate is delivered "on or before" incurrence or amendment. If preferable, we can revert back to the prior timing, which was delivery on the earlier of incurrence/ amendment, or pricing.

(b) if an existing Funding Obligation is proposed to be amended, material details respecting such amendment, including regarding the applicable details set forth in Subsection 3.01(a), as the context requires;

(c) a statement to the effect that: (i) the Funding Obligation to be incurred or amended (1) will arise under terms and conditions that are Substantially in the Form of the Reference Documentation applicable thereto; (2) in the opinion of the signatories to the Process Certificate, are reasonably incurred or effected in compliance with the Act, the General Regulation, any other enactments related thereto and the applicable Financing Plan; (3) are of a type and are on terms that a reasonably prudent financial services manager would incur in similar circumstances; and (4) reflect, in all material respects, arm's length terms and conditions; and (ii) any Disclosure Document used in connection with the offering and sale of notes, bonds or other securities is Substantially in the Form of the Reference Documentation;

(d) a statement confirming that any disclosure made in respect of the Funding Obligation (including any Disclosure Document, press release or other written communication prepared for dissemination to third parties in relation to the Funding Obligation) that refers to or describes the terms, effect or adherence of or to this Agreement or the Change of Law Protection Agreement has been made available to the Province prior to use or dissemination, other than where such disclosure was substantially the same as a disclosure previously made;

(e) a statement that no Breach Event has occurred on or prior to the date of the Process Certificate, unless such Breach Event has been waived by the Province in writing; and

(f) confirmation that, at the time the Funding Obligation is incurred or amended, the maximum aggregate payment amounts due or becoming due in the future in respect of Repayments under the Funding Obligation, together with all other outstanding amounts due or becoming due in the future in respect of Repayments under all Approved Obligations, do not and will not exceed the then applicable Protection Agreement Maximum; for clarity, Repayments under Obligations Secured owing in currencies other than Canadian dollars will be determined on the date the Process Certificate is delivered hereunder in accordance with the following:

(i) where a Derivative Agreement has been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the hedged value expressed in Canadian dollars; and

(ii) where a Derivative Agreement has not been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the noon spot rate for conversions of any currencies into Canadian dollars.

3.02 Acknowledgement regarding delivery of certificate under Change of Law protection Agreement

The Province acknowledges and agrees that, concurrent with the delivery of the Process Certificate pursuant to Section 3.01 of this Agreement, the Chief Financial Officer and the Treasurer of OPG or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) are authorized to deliver the certificate referred to in **[Subsection 4.02(b)]** of the Change of Law Protection Agreement to the Indenture Trustee confirming that OPG has delivered all required certifications to the Province in connection with adherence of the Limited Guarantee to the incurrence of the Certified Primary Obligations in respect of which the certificate in **[Subsection 4.02(b)]** of the Change of Law Protection Agreement is being delivered; provided that, upon receipt of a Suspension Notice under the Change of Law Protection Agreement, OPG covenants not to deliver any further certificates to the Indenture Trustee under **[Subsection 4.02(b)]** of the Change of Law Protection Agreement other than in connection with a Refinancing of a Primary Obligation in respect of which the Adherence Conditions had been satisfied at the time such Primary Obligation was incurred.

3.03 Acknowledgement regarding delivery of Suspension Notice

The parties acknowledge and agree that the Province is entitled to deliver a Suspension Notice under **[Section 7.01]** of the Change of Law Protection Agreement if a Program Breach or Breach Event has occurred. The Province agrees not to deliver a Suspension Notice pursuant to **[Section 7.01]** of the Change of Law Protection Agreement unless a Program Breach or a Breach Event has occurred.

3.04 Meaning of "Reference Documentation"

For the purposes of Subsection 3.01(c), the term "Reference Documentation" shall mean each Transaction Document (including any change, addition or supplement thereto) that, at the relevant time:

(a) is a Transaction Document provided to, and not objected to by, the Province prior to the making of this Agreement, as contemplated in the fifth recital to this Agreement; or

(b) is a Transaction Document provided to the Province in accordance with Subsection 2.01(b) that has not been objected to by the Province, by delivery of an objection notice in writing delivered to OPG, within 10 Business Days after it is provided to the Province.

3.05 Meaning of "Substantially in the Form"

For the purposes of Subsection 3.01(c), the term "Substantially in the Form" shall mean:

(a) with respect to the Reference Documentation referred to in clauses (i) to (xi) of the definition of "Transaction Documents", that there are no differences between

the proposed documents and such Reference Documentation that could result in a change in the material terms or conditions applicable to the applicable Primary Obligation, including regarding the timing of or circumstances under which related payments are or may become due or accrue (including as a result of any default, acceleration, termination, wind-up, liquidation or realization), or that would affect the Province's rights of subrogation or assignment (including pursuant to **[Section 5.01]** of the Change of Law Protection Agreement) or its interests as a subrogee or an assignee, that would arise as a result of performing the Limited Guarantee in respect of the applicable Primary Obligation; provided, however, that the foregoing does not apply to any variable terms to be set forth in the proposed documents as are reasonably contemplated in the Reference Documentation, including the particular financial terms, rates and levels set forth in the proposed documents other than to the extent that the forms of Reference Documentation themselves specify specific requirements, limitations or parameters with respect to such financial terms, rates, levels and parameters; and

(b) with respect to the Reference Documentation referred to in clause (xii) of the definition of "Transaction Documents", that there are no material differences between the form and substance of the proposed Disclosure Document and such form of Disclosure Document and that the proposed Disclosure Document complies in all material respects with all applicable securities disclosure requirements relating to the Primary Obligation subject to distribution thereunder.

ARTICLE IV
PROTECTION AGREEMENT MAXIMUM

4.01 Protection Agreement Maximum

(a) Not less than 15 Business Days, or such lesser period as the Province may agree to in writing, prior to the proposed incurrence of the first Funding Obligation, OPG shall, as the FSM, deliver to the Province: (i) a forecast setting out OPG's expectations regarding the aggregate maximum amount of Repayments that would arise in the future under Approved Obligations to be incurred during the next following 24 month period (the "**Initial Forecast Period**"), which expectations shall be consistent with the Financing Plan (the "**Initial Forecast**"); and (ii) notice of the initial Protection Agreement Maximum, which may not exceed the Initial Forecast.

(b) Not more than 10 Business Days, or such lesser period as the Province may agree to in writing, following receipt of the Initial Forecast and notice of the initial Protection Agreement Maximum from OPG pursuant to Section 4.01(a), the Province may disagree with the Initial Forecast and the initial Protection Agreement Maximum on the basis that (i) there appears to be inaccuracies in the Financing Plan or the Initial Forecast, (ii) the Initial Forecast is inconsistent with the Financing Plan, or (iii) the initial Protection Agreement Maximum is more than the Initial Forecast. If the Province disagrees, OPG shall discuss any

discrepancies with the Province, address any inaccuracies and inconsistencies to the reasonable satisfaction of the Province and OPG, and the initial Protection Agreement Maximum will be revised accordingly and confirmed by an amended notice to the Province.

(c) Between nine (9) and twelve (12) months prior to the end of the Initial Forecast Period, OPG shall, as the FSM, deliver to the Province an updated forecast setting out the sum of (1) the aggregate amount of Repayments that will arise in the future under Approved Obligations that are then outstanding and (2) OPG's expectations regarding the aggregate maximum amount of Repayments that would arise in the future under Approved Obligations to be incurred during the period ending 24 months following the Initial Forecast Period, which expectation shall be consistent with the then applicable Financing Plan. Such updated forecast shall be further updated on a similar basis with respect to each successive 24 month period or more frequently if at any time OPG has knowledge that the most recent forecast is materially inaccurate (the Initial Forecast and each such updated forecast, each a "**Forecast**"). Together with each Forecast, OPG shall also provide a revised Protection Agreement Maximum, which may not exceed such Forecast.

(d) Not more than 10 Business Days, or such lesser period as the Province may agree to in writing, following receipt of any further Forecast and notice of the revised Protection Agreement Maximum from OPG pursuant to Section 4.01(c), the Province may disagree with such further Forecast or revised Protection Agreement Maximum on the basis that (i) there appears to be inaccuracies in the Financing Plan or such further Forecast, (ii) the further Forecast is inconsistent with the Financing Plan, or (iii) the revised Protection Agreement Maximum is more than the further Forecast. If the Province disagrees, OPG shall discuss any discrepancies with the Province, address any inaccuracies and inconsistencies to the reasonable satisfaction of the Province and OPG, and the revised Protection Agreement Maximum will be further revised accordingly and confirmed by an amended notice to the Province.

(e) For clarity, Repayments under Obligations Secured owing in currencies other than Canadian dollars will be valued at the time to be determined for the purposes of this Section 4.01 in accordance with the following:

(i) where a Derivative Agreement has been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the hedged value expressed in Canadian dollars; and

(ii) where a Derivative Agreement has not been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the noon spot rate for conversions of any currencies into Canadian dollars.

ARTICLE V

5.01 Representations and Warranties of OPG

OPG represents and warrants that on the date hereof and on each day that a Primary Obligation is incurred or amended:

(a) The Financing Entity is a trust duly constituted and validly existing under the laws of the Province of Ontario, is duly qualified to carry on its business in each jurisdiction in which it carries on business, and has the power and authority to perform the acts that OPG, as the FSM, may cause it to perform pursuant to this Agreement and to own its property and carry on its business in accordance with the Program Agreements.

CHANGE OF LAW PROTECTION AGREEMENT

Dated as of [■], 2017

[1] This Agreement and the Process Agreement will need to be effective on closing but signed and held in escrow as soon as they are settled and prior to pricing of the term deal. **Note to Torys:** Logistics of closing are under consideration.

[2] **Torys Note:** Please advise if there are any further issues with the Manager signing the Protection Agreement on behalf of the Trust? If so, can you please explain the issue. The Manager is currently signing all Program Agreements on behalf of the Trust and has authority to do so. We would like the Manager to sign this Agreement on behalf of the Trust. **Note to Torys:** Manager derives authority under the Management Agreement to sign Program Agreements. Management Agreement powers determined by reference to the Program Agreements, so authority is circular. Ultimately, Province will accept the opinion of Torys on due execution point.

This **AGREEMENT**, among Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), Computershare Trust Company of Canada, in its capacity as trustee (the "**Financing Entity Trustee**") of Fair Hydro Trust, a trust under the laws of the Province of Ontario (the "**Financing Entity**"), Ontario Power Generation Inc., in its capacity as Manager of the Financing Entity and in its capacity as the Financial Services Manager in accordance with the Act (the "**FSM**") and BNY Trust Company of Canada, a trust company existing under the laws of Canada, as Indenture Trustee, is made and entered into as of [■], 2017.

RECITALS

Pursuant to Subsection 5(3) of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**"), the Lieutenant Governor in Council may by order, authorize the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to agree to guarantee or indemnify certain debts, obligations, securities or undertakings associated with an Investment Interest.

Pursuant to an Order in Council dated as of ■ (the "**OIC**"), the Lieutenant Governor in Council has, among other things, authorized the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to enter into one or more agreements to guarantee or indemnify the debts, obligations, securities or undertakings of one or more financing entities established or caused to be established pursuant to Subsection 22(2) of the Act by the FSM and that may incur Funding Obligations in connection with one or more Investment Interests.

Pursuant to a Declaration of Trust[3] dated as of ■, 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

The Financing Entity Trustee, in its capacity as trustee of the Financing Entity, and the Indenture Trustee are parties to the Trust Indenture and propose to create and issue series of notes, bonds and other securities as contemplated therein, and to provide security over the assets and undertaking of the Financing Entity in respect of such notes, bonds and securities, as well as other Obligations Secured.

The Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, have determined to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Primary Obligations that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions at the time the Approved Obligation is incurred. This Agreement sets out the terms and conditions of such protections and assurances.

---

[3] **Torys Note:** We are comfortable on this point because OPG has retained Computershare as issuer trustee. The recitals of the Declaration of Trust provide that Computershare has established the Trust at the request of the FSM. We can also provide you with a copy of the Computershare engagement letter upon request. **Note to Torys:** The Province will accept authorities opinion regarding the Trust from Torys.

All things necessary to make this Agreement a valid and legally binding agreement of the Province, the Financing Entity, the FSM and the Indenture Trustee, in accordance with the Act, the OIC and the Trust Indenture, have been done.

To the extent permitted by applicable law, the parties waive any provision of law which renders any provision of this Agreement invalid or unenforceable in any respect.

On any Guarantee Payment Date on which an amount is paid by the Province pursuant to clause 2.01(a)ii, the applicable payment provisions of the Trust Indenture shall, notwithstanding the express terms of such provisions set forth in the Trust Indenture, be applied and operate on the following basis:

(A) the amount payable to a Beneficiary Payee in respect of an Approved Obligation from amounts available under such payment provisions on such Guarantee Payment Date shall be reduced by the amount paid to the Beneficiary Payee pursuant to clause 2.01(a)iii in respect of such Approved Obligation on such Guarantee Payment Date;

(B) the Province shall be paid the lesser of (x) the amount payable to a Beneficiary Payee in respect of an Approved Obligation from amounts available to pay the Beneficiary Payee under such payment provisions on the Guarantee Payment Date, determined without regard to subclause 2.01(a)iv(A), and (y) the amount paid to the Beneficiary Payee pursuant to clause 2.01(a)iii in respect of such Approved Obligation on the Guarantee Payment Date (such payments to the Province being "**Subrogation Amounts**"); and

(C) no Beneficiary having a right to be paid an amount in respect of an Approved Obligation that ranks equal with or subordinate to an Approved Obligation in respect of which an amount is payable to the Province under subclause 2.01(a)iv(B) shall be entitled to make any claim or assert any right in or to the amounts paid or payable to the Province under such subclause (including any right or reimbursement, contribution or indemnity) and no such Beneficiary shall have any right or interest in, to or under the Collateral or any proceeds therefrom in respect of such amounts.

v. On any Guarantee Payment Date, the Indenture Trustee shall release and pay to the Province free and clear of any Liens any amount remaining on deposit in the Protection Account that has not been applied to pay Beneficiary Payees on the Guarantee Payment Date in accordance with clause 2.01(a)iii.

vi. In preparing any payment instructions under the Trust Indenture, the Manager shall reflect the amounts payable for the Guarantee Payment Date under Section 2.01(a).

(b) The Province shall, as a payee of Subrogation Amounts under clause 2.01(a)(iv)(B) and any amounts payable under clause 2.01(a)(v)**,** be a "Specified Creditor" under the Trust Indenture and have the benefit of the Collateral thereunder.

(c) For greater certainty, the Limited Guarantee will not apply to any amount or obligation of the Financing Entity that is not or does not arise under an Approved Obligation and will be limited to the right to receive the Approved Obligation Amounts, if any, for payment to Beneficiary Payees and will be subject to the priorities and to the Province's rights to Subrogation Amounts, set forth in Section 2.01(a).

(d) Except as expressly provided in this Agreement, the Province's obligation to provide and perform the Limited Guarantee shall be irrevocable, absolute and unconditional.

(e) Any amount payable by the Province under the Limited Guarantee in respect of an Approved Obligation that is not paid by the Province when required herein shall bear interest from the applicable due date until paid in full at the rate or rates expressed to be payable on the Approved Obligation by their terms.

(f) The right to deliver a Payment Demand and thereupon enforce the Limited Guarantee shall constitute the only remedy available to the Indenture Trustee (and to the Beneficiaries, to the extent they are permitted to exercise any rights, interests, or elections under and in accordance with the Trust Indenture) under this Agreement. Under no circumstances shall the Province be obligated to pay or indemnify the Indenture Trustee or any Beneficiary for consequential, special or punitive damages, or for economic loss or loss of profits; provided that, for greater certainty, economic loss shall not include any amount in respect of any amount due and payable to a Beneficiary Payee under the Limited Guarantee.

2.02 Intentionally Deleted.

2.03 Absence of Set-off

Subject to applicable law, the Province acknowledges and agrees that each payment to be made by the Province hereunder in respect of an Approved Obligation shall be made as required in whole, without application of any right of set-off and without regard to any equities as between or among any of the Province, the Beneficiaries and/or the Indenture Trustee.

2.04 Payment into Protection Account in Satisfaction

(a) On or before the date of delivery of a Payment Demand to the Province, the Indenture Trustee shall cause to be established and maintained an Eligible Deposit Account (the "**Protection Account**") in the name of the Indenture Trustee, bearing a designation clearly indicating that the funds and other property credited thereto are held for the benefit of the Indenture Trustee and the Beneficiaries. The

Protection Account shall be under the control of the Indenture Trustee for the benefit of the Beneficiaries. If, at any time, the institution holding the Protection Account ceases to be an Eligible Institution, the FSM shall notify the Indenture Trustee, and the Indenture Trustee upon being notified in writing of such ineligibility (or the FSM on its behalf) shall within 30 days (or such longer period, not to exceed 45 days, so long as the Rating Agency Condition is satisfied) establish a new Protection Account that is an Eligible Deposit Account and shall transfer any funds or other property from such Protection Account to such new Protection Account. From the date each such new Protection Account is established, it shall be the "Protection Account" for purposes of this Agreement. Funds credited to the Protection Account will be invested and held in accordance with Section **[7.03]** of the Trust Indenture on the basis that it is an Issuer Account.

(b) Notwithstanding the priority of payment requirements set forth in the Trust Indenture and any legal rule concerning the imputation of payments, the Financing Entity and the Indenture Trustee shall ensure that all amounts paid by the Province into the Protection Account on a Guarantee Payment Date in respect of an Approved Obligation are applied to pay the amounts due and payable to the Beneficiaries as and to the extent provided for in Section 2.01(a). Upon a payment having been made by or on behalf of the Province into the Protection Account, the amounts so paid shall for all purposes be considered to have been applied to pay the applicable Beneficiaries as provided for in Section 2.01(a) and thereby reduce the amount due and payable to such Beneficiaries in respect of the applicable Approved Obligations, whereupon an affected Beneficiary shall have no continuing rights, interests or entitlements (including rights as a secured party) in respect of the Approved Obligation to the extent so paid. For greater certainty, the obligations arising in respect of an applicable Approved Obligation shall not be reduced by such payment as the Province shall become entitled to be paid related Subrogation Amounts and the rights contemplated under Section 2.01(a) and Section 5.01 in relation to such continuing obligations.

2.05 Certain Waivers

The Province hereby waives:

(a) any requirement, and any right to require, that any power be exercised or any action be taken against the Financing Entity or any Collateral for any of the Approved Obligations;

(b) all notices which may be required by applicable law to preserve any rights against the Province hereunder, including any notice of default, demand, dishonour, presentment and protest;

(c) diligence; and

(d) any defence based upon, arising out of or in any way related to any claim that any election of remedies by the Beneficiaries impaired, reduced, released or

extinguished any rights that the Province might otherwise have had against the Financing Entity or any other surety.

The Province agrees that each such waiver is made with full knowledge of its significance and consequences and if any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the maximum extent permitted by applicable law.

2.06 Additional Security

This Agreement shall be in addition to and without prejudice to any other security by whomsoever given, held at any time by the Indenture Trustee or for the benefit of any of the Beneficiaries.

2.07 Continuing Liability of the Province

The Approved Obligations shall be deemed not to have been paid, observed or performed, and the liability of the Province hereunder in respect thereof shall continue and not be discharged, to the extent that any payment, observance or performance thereof by the Financing Entity, or out of the proceeds of any Collateral, is recovered from or reimbursed by or for the account of any of the Beneficiaries for any reason, including a preference or fraudulent transfer or by virtue of any subordination (whether present or future or contractual or otherwise) of the Approved Obligations, whether such recovery or payment over is effected by any judgment, decree or order of any court or Governmental Authority, by any plan of reorganization or by settlement or compromise by any of the Beneficiaries (whether or not consented to by the Financing Entity or the Province) of any claim for any such recovery or payment over.

2.08 Continuance of the Limited Guarantee

Subject to Section 2.07, the Limited Guarantee shall continue in full force and effect until the indefeasible payment, observance and performance in full of the Approved Obligations in accordance with Section 8.01.

2.09 Modifications of Approved Obligations

The Province expressly authorizes the Indenture Trustee, at any time and from time to time, without notice and without affecting the liability of the Province hereunder, but subject to compliance with the requirements of the Program Agreements and this Agreement, to:

(a) accept new, additional or replacement instruments, documents, agreements or security in connection with all or any part of the Approved Obligations;

(b) accept partial payments on the Approved Obligations; and

(c) waive, release, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, compromise, liquidate and enforce all or any part of the Approved Obligations and any security or guarantee therefor, and apply any such

security and direct the order or manner of sale thereof as the Indenture Trustee (for the benefit of the Beneficiaries) in its discretion may determine.

ARTICLE III
THE INDENTURE TRUSTEE

3.01 The Indenture Trustee

This Agreement is made in favour of the Indenture Trustee in its capacity as trustee under the Trust Indenture. Accordingly, in the event of a new trustee being appointed under the Trust Indenture, such new trustee shall thereupon become and be the Indenture Trustee hereunder, but nevertheless, the Indenture Trustee shall forthwith assign, transfer and make over to the new trustee hereunder this Agreement. All provisions of the Trust Indenture for the protection of the Indenture Trustee or for facilitating the administration of the trusts or otherwise relating to the Indenture Trustee solely as to its holding of the rights thereunder shall apply *mutatis mutandis* to this Agreement and the Indenture Trustee's duties hereunder.

3.02 Acceptance of Trusts

The Indenture Trustee hereby accepts the trusts hereof and agrees to carry out and discharge the same unless and until a new trustee shall be appointed as contemplated in Section 3.01.

ARTICLE IV
APPROVED OBLIGATIONS

4.01 Approval Process

A Primary Obligation shall constitute an Approved Obligation if (i) the Adherence Conditions applicable thereto have been satisfied at the time the Primary Obligation was incurred, or (ii) the Province, in its sole discretion, designates in writing that it is an Approved Obligation.

4.02 Adherence Conditions

The following shall be the Adherence Conditions applicable in relation to each Certified Primary Obligation:

(a) the Certified Primary Obligation when incurred is an Obligation Secured under the Trust Indenture; and

(b) OPG, as FSM, delivers a certificate signed by the Chief Financial Officer and the Treasurer of OPG, or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) and addressed to the Indenture Trustee, on or before the incurrence of a Certified Primary Obligation (provided that delivery may not be more than 5 Business Days before the incurrence of the Certified

Primary Obligation), confirming that OPG has delivered to the Province a certificate signed by the Chief Financial Officer and the Treasurer of OPG, or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) confirming that OPG has complied with all of its obligations to the Province and internal requirements and processes in connection with the adherence of the Limited Guarantee to the Certified Primary Obligation; and

(c) in respect of a Certified Primary Obligation other than a Refinancing of a Primary Obligation in respect of which the Adherence Conditions had been satisfied, the Province has not provided a Suspension Notice to the Indenture Trustee, OPG and the Financing Entity.

For greater certainty, (y) satisfaction of the Adherence Conditions for a Certified Primary Obligation shall be deemed satisfaction of the Adherence Conditions in respect of all principal, interest and other amounts owing under the Certified Primary Obligation, as such Certified Primary Obligation may be amended, restated, supplemented or otherwise modified from time to time, and (z) there shall be no Adherence Conditions applicable in relation to a Primary Obligation that is not a Certified Primary Obligation.

4.03 Evidence of Satisfaction

A closing certificate delivered in accordance with Section 4.02(b) in connection with an incurrence of a Certified Primary Obligation shall be determinative as to whether the applicable Adherence Conditions with respect thereto have been satisfied, notwithstanding that such certificate may include inaccuracies, be incomplete or otherwise be defective or deficient, and such closing certificate may be relied upon by any addressee as conclusive evidence of same. A closing certificate that purports on its face to be signed by officers specified in Section 4.02(b) may be relied upon by any addressee without further enquiry or evidence as to the incumbency or signatures of such officers. If a closing certificate is not delivered in accordance with the timing requirements of Section 4.02(b) in respect of a Certified Primary Obligation, such certificate may be delivered at a later date, and be effective as if it had been delivered in accordance with the timing requirement of Section 4.02(b), if at the time such certificate was required to be delivered OPG had delivered to the Province all certifications required by the Province in connection with the adherence of the Limited Guarantee to the Certified Primary Obligation.

ARTICLE V
PROVINCE MATTERS

5.01 Assignment and Subrogation

(a) Upon paying an amount in respect of an Approved Obligation to or at the direction of the Indenture Trustee in satisfaction of the Limited Guarantee, the Province (in addition to and without prejudice to any rights it otherwise has in law or equity) shall be subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation to the extent

of such payment, including (i) the right and entitlement to be paid and receive the related Subrogation Amounts, (ii) the benefits of the related Collateral and (iii) all proceeds therefrom. The Province shall have and be entitled to enforce all rights and interests (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)), under and in respect of such Approved Obligation to the extent of the payment by the Province in respect of the Approved Obligation as an absolute assignee of the applicable Beneficiary, with effect from and after the time of such payment, without any further requirement for notice to or acceptance by the Financing Entity of such absolute assignment and without any reduction, set-off or counterclaim on account of any amounts that may, at or after the time of payment, be or become owing by the Beneficiary to the Financing Entity and unaffected by any other rights or equities that arise thereafter as between the Beneficiary and the Financing Entity. The Indenture Trustee shall recognize the Province as being entitled to all of the rights, interests and entitlements of the Beneficiary (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)) in respect and to the extent of the Approved Obligation so paid, determined as of the time of payment, for all purposes under the Trust Indenture, and the Province shall be treated as a Specified Creditor in respect thereof for all purposes under the Trust Indenture and any other agreement under which the Approved Obligation arises.

(b) The Province (i) acknowledges and agrees in favour of the Indenture Trustee that, upon being subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation in accordance with Section 5.01(a), the Province, in its capacity as a Specified Creditor, will be subject to the provisions applicable to Specified Creditors under the Trust Indenture, including **[Sections 7.04 through 7.11 and 8.13 (Payment Priorities), Section 7.12 (Payments Held in Trust), Section 8.11 (Control by Controlling Class Creditors), Section 8.12 (Limitation on Suits), Section 8.14 (Limited Recourse), Section 9.14 (Communications to Specified Creditors) and Section 16.01 (No Petition)]**; (ii) consents, requests and authorizes the Issuer and the Indenture Trustee to (x) add the Province to the register of Specified Creditors described in subsection **[13.13(b)]** of the Trust Indenture and (y) disseminate the notice details of the Province to other Specified Creditors for the purposes set out in subsection **[9.14(b)]** of the Trust Indenture, and (iii) confirms that the Indenture Trustee shall send notices to the Province, in its capacity as a Specified Creditor, in accordance with Section 8.02.

5.02 <u>Priorities</u>

For greater certainty, the rights, interests and entitlements of the Province as an assignee and subrogee of and with respect to an Approved Obligation shall rank equally with the rights, interests and entitlements of a Beneficiary to whom a Limited Guarantee payment is made in respect of, and to the extent of the payment made to satisfy, the Approved Obligation and the Province shall not be subject to postponement or subordination with respect thereto except to the

extent of the priorities established in relation to the Approved Obligation under the Trust Indenture in the manner and to the extent contemplated in Section 7.1(d) of the Trust Indenture.

5.03 Intentionally Deleted

5.04 Representations and Warranties

The Province hereby represents and warrants that:

(a) the execution and delivery of, and the performance of its obligations under, this Agreement by the Province have been authorized by all necessary action on the part of the Province;

(b) the execution and delivery of, and the performance of its obligations under, this Agreement by the Province do not result in the violation of any applicable law; and

(c) this Agreement has been duly executed and delivered by the Province.

ARTICLE VI
INDENTURE TRUSTEE MATTERS

6.01 Limited Recourse

No recourse may be taken, directly or indirectly, with respect to the obligations of the Financing Entity under this Agreement, or any certificate or other writing delivered in connection herewith or therewith, against (a) the Financing Entity Trustee in its individual capacity, (b) any owner of a beneficial interest in the Financing Entity or (c) any partner, owner, beneficiary, agent, officer, director, employee or agent of the Financing Entity Trustee in its individual capacity, any holder of a beneficial interest in the Financing Entity or the Financing Entity Trustee or of any successor or assign of the Financing Entity Trustee in its individual capacity, except as any such Person may have expressly agreed (it being understood that the Financing Entity Trustee has no such obligations in its individual capacity).

6.02 Not Responsible for Recitals

The recitals contained herein will be taken as the statements of the Province, the Financing Entity and the FSM, and the Indenture Trustee assumes no responsibility for their correctness. The Indenture Trustee makes no representations as to the validity or sufficiency of this Agreement.

6.03 Representations and Covenants of the Indenture Trustee[4]

The Indenture Trustee represents, warrants and covenants that:

(a) the Indenture Trustee is a trust company organized, existing and in good standing under the laws of Canada; and

(b) the Indenture Trustee is authorized to carry on the business of a trust company in each of the provinces and territories of Canada.

ARTICLE VII
SUSPENSION OF ADHERENCE FOR NEW PRIMARY OBLIGATIONS

7.01 Suspension Notice

Upon:

(a) a Program Breach;

(b) a default in the performance, or breach, of any covenants of OPG, as FSM, or OPG, in its corporate capacity, in each case to the Province in connection with its obligations to the Province pursuant to internal requirements and processes in connection with the adherence of the Limited Guarantee, which continues for thirty (30) days after written notice by the Province to OPG of such default or breach;

(c) a representation or warranty made by OPG or a certification made by one or more officers of OPG, in each case whether as FSM or in its corporate capacity, to the Province in connection with its obligations to the Province pursuant to internal requirements and processes in connection with the adherence of the Limited Guarantee, proves to be incorrect on the date made and, if curable, is not cured within thirty (30) days after written notice by the Province to OPG of such misrepresentation; or

(d) the FSM no longer being the Manager or actions having been taken by or on behalf of the Indenture Trustee to remove the FSM as the Manager,

the Province may declare that the Limited Guarantee under this Agreement shall not apply to any Primary Obligations incurred on or after such declaration, other than any Refinancing of a Primary Obligation in respect of which the Adherence Conditions had previously been satisfied, by delivering a written notice in the form of Exhibit B (a "**Suspension Notice**") to the Indenture Trustee, the FSM and the Financing Entity.

[4] **Torys Note:** The Indenture Trustee asked us to delete these representations. They will not provide these types of representations without attaining a legal opinion from outside counsel. To avoid delay, we would ask that the parties agree to this deletion. **Note to Torys:** The representations provided by the Indenture Trustee should be consistent with those in the Trust Indenture.

The Limited Guarantee shall apply to any Certified Primary Obligation incurred after a Suspension Event on the basis that it is a Refinancing only if the FSM certifies to the Province in writing prior to the incurrence that the proceeds of such incurrence will be used solely for the purposes of repaying one or more Certified Primary Obligations incurred prior to the Suspension Event and to which the Limited Guarantee adhered as of the time the Suspension Event occurred, and the delivery of such written certification by the FSM to the Province shall be determinative for the purposes of concluding that such incurrence is a Refinancing for the purposes of Sections 7.01, 7.02 and 7.03.

7.02 Suspension

If a Suspension Notice has been provided under Section 7.01 (the provision of such notice being a "**Suspension Event**"), the Limited Guarantee shall not apply in respect of any Primary Obligation incurred or amended on or after the time such Suspension Notice is delivered, other than any Refinancing of a Primary Obligation in respect of which the Adherence Conditions had previously been satisfied.

7.03 No Impact on Adherence

For greater certainty, the occurrence of Suspension Event or a failure by the FSM or the Financing Entity to perform its covenants under this Agreement will not invalidate or extinguish the obligations of the Province under the Limited Guarantee in respect of Approved Obligations in existence prior to the occurrence of the Suspension Event or in respect of any Refinancing of a Primary Obligation in respect of which the Adherence Conditions had previously been satisfied.

---

[5] **Note to Province**: MOE should confirm that this captures the limitations contemplated in connection with any "acceleration" under the revised Regulation. "**Beneficiary Payee**" has the meaning ascribed thereto in Section 2.01(a)iii.

"**Business Day**" means any day other than a Saturday, a Sunday or a day on which banking institutions in Toronto, Ontario are authorized or obligated by applicable law, regulation or executive order to be closed.

"**Eligible Deposit Account**" has the meaning ascribed thereto in the Trust Indenture.

"**Eligible Institution**" has the meaning ascribed thereto in the Trust Indenture.

---

[6] **Torys Query**: For a warehouse facility, does the Province want a Certificate for each monthly draw? **Note to Province:** Please advise. We may respond that to extent the draw is a Certified Primary Obligation, we would like to maintain the process set out in this Agreement.

[7] **Note to Province**: Torys suggests that this concept reflects what Primary Obligations the parties agreed to be subject to the adherence conditions. Province to confirm that this is their understanding from meeting on Tuesday, November 21, particularly prongs (ii) and (iii) of the definition.

"**Executive Officer**" has the meaning ascribed thereto in National Instrument 51-102 – *Continuous Disclosure Obligations*.[8]

"**Finance Amount**" has the meaning ascribed to the term "finance amount" in the Act as of the date of this Agreement.

"**Financing Entity**" has the meaning ascribed thereto in the first paragraph of this Agreement.

"**FSM**" has the meaning ascribed thereto in the first paragraph of this Agreement.

"**Funding Obligation**" has the meaning ascribed to the term "funding obligation" in the Act as of the date of this Agreement.

"**Funding Obligation Agreement**" has the meaning ascribed thereto in the Trust Indenture.

[8] **Note to Torys:** We have used the definition from NI 51-102 as there is only a definition of "officer" (but not "executive officer") in the OSA. **Note to Province:** Province to confirm that scope is acceptable. to pay the Financing Entity or on the Financing Entity's direction any remaining amounts in the Collection Account pursuant to the Trust Indenture.[9]

[9] **Torys Note:** These changes were made to conform to the most current version of the Trust Indenture, a copy of which will be circulated soon. Additionally, money in the Collection Account is required to flow through the waterfall and is not required to be held in the Collection Account otherwise. **Note to Torys:** Please confirm. The Trust Indenture states that if extra cash is available in the Collections Account, it can be held until a subsequent Payment Date.

[10] **Torys Note:** We deleted early amortization events because that is no longer a concept used in the Trust Indenture. **Note to Torys:** Early amortization events may be included in a supplemental indenture so we think retaining that reference makes sense.

(b) a court of competent jurisdiction determines that all or a portion of the Act or the regulations made under the Act, as in effect on the date hereof, is *ultra vires* or invalid in a way that materially and adversely affects the ability of the Financing Entity to receive amounts in respect of its Investment Interest so that it can pay Obligations Secured and that has the effect of the Financing Entity not in fact having sufficient funds to pay such Obligations Secured that have become due and payable.

---

[11] **Torys Note:** Refinancings can occur up to six months prior to the application of the refinancing proceeds to the existing obligation. The regulations provide that if the refinancing proceeds are not applied to repay the intended funding obligation, then it is not a Refinancing. Accordingly, we have revised the definition to ensure that Refinancings do not have to be simultaneous with repayment of the existing Approved Obligation (we understand from the dealers that in most circumstances they will not be). **Note to Province**: The General Regulation specifically provides that debt can be considered a "Refinancing" when incurred within the 6 months prior to the maturity date of a funding obligation. The Act/Regulation's definition doesn't require that "Refinancings" are simultaneous with the repayment of existing Approved Obligations. Consider if further discussion is required and MOE to specifically confirm understanding of the Regulation on this point.

CHANGE OF LAW PROCESS AGREEMENT

Dated as of [■], 2017

This **CHANGE OF LAW PROCESS AGREEMENT**, between Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), and Ontario Power Generation Inc. ("**OPG**"), is made and entered into as of [■], 2017.

RECITALS

OPG is appointed as the Financial Services Manager under Section 18 of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**").

Pursuant to Section 22(2) of the Act, OPG, in its capacity as the Financial Services Manager (the "**FSM**"), may establish or cause to be established one or more financing entities (as defined in the Act), which may incur Funding Obligations in accordance with the Act.

Pursuant to a Declaration of Trust dated as of ■, 2017, the FSM ~~[~~established~~]~~ the Financing Entity as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.[1]

Concurrent with this Agreement, the Province, the FSM, the Financing Entity and the Indenture Trustee will enter into the Change of Law Protection Agreement under which the Province will agree to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Obligations Secured that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions at the time the Approved Obligation is incurred or amended.

Prior to entering into this Agreement, OPG provided the Province with copies of certain of the Transaction Documents, and the Province has confirmed by a notice delivered to OPG that the reviewed forms (as further described in such notice) shall be Reviewed Documentation for the purposes of this Agreement.

This Agreement sets out the obligations OPG has agreed to perform and assurances OPG has agreed to provide and on which the Province will rely in entering into and implementing the Change of Law Protection Agreement, including for the purposes of determining whether the Adherence Conditions have been satisfied in connection with the incurrence or amendment of an Approved Obligation, maintaining information related to the Program ~~Agreement~~Agreements and the Approved Obligations, and ensuring that the Province's assumption rights pursuant to Article VI of the Change of Law Protection Agreement may be exercised without impediment on the terms and conditions contemplated in this Agreement and the Change of Law Protection Agreement.

All things necessary to make this Agreement a valid and legally binding agreement of OPG, and of the Province in accordance with the Act ~~and the OIC~~, have been done.

[1] Note: This draft only addresses the first Financing Entity. If additional financing entities are established, revisions to this Agreement may be made at that time, in context. Any additional financing entities contemplated should be as contemplated in the Financing Plan.

1.03 Proof of Approved Obligations

The efficacy of any agreement, instrument or writing evidencing a Primary Obligation may, in the absence of manifest error, be conclusively proved in any manner that the Indenture Trustee deems to be sufficient.

Any statement of account prepared by the Indenture Trustee as regards the Primary Obligations shall constitute *prima facie* evidence of the amount which, as at the date of the statement so prepared, is due and payable by the Financing Entity to the Beneficiaries and/or the Indenture Trustee and the Province hereby acknowledges and agrees that, absent manifest error, it shall be bound by each such statement. The Indenture Trustee agrees to provide the Province with the computations and calculations used by the Indenture Trustee to prepare each such statement of account promptly following a request therefor.

1.04 Limitation on Rights of and Actions by Specified Creditors

Specified Creditors, as Beneficiaries, shall not have or be permitted to exercise any rights, interests, or elections under this Agreement, other than in the manner and to the extent effected and exercised through the Indenture Trustee under, in accordance with and subject to the limitations set forth in the Trust Indenture. No Specified Creditor will have any right to institute any proceeding, judicial or otherwise, with respect to this Agreement.

1.05 Province Retains Rights of Beneficiaries

Without limiting any rights of subrogation or succession that arise pursuant to applicable law or pursuant to the Province's rights as an assignee, subrogee or pursuant to Section 5.01, all of the rights, interests, elections and privileges that would arise in favour of a Beneficiary under the Trust Indenture or other agreement under which a related Primary Obligation arises shall automatically arise, vest in and be available to the Province upon performance by the Province of the Primary Obligation.

1.06 Effect of Headings

The Article and Section headings herein are for convenience only and will not affect the construction hereof.

1.07 Successors and Assigns

All covenants and agreements in this Agreement by the parties will bind their respective successors and permitted assigns, whether so expressed or not. All covenants and agreements of the Indenture Trustee or the FSM in this Agreement shall bind their respective successors, co-trustees and agents.

1.08 Severability

Each of the provisions contained in this Agreement is distinct and severable and a declaration of invalidity or unenforceability of any such provision or part thereof by a court of competent jurisdiction will not affect the validity or enforceability of any other provision hereof. To the extent permitted by applicable law, the parties waive any provision of law which renders any provision of this Agreement invalid or unenforceable in any respect. The parties will engage in good faith negotiations to replace any provision which is declared invalid or unenforceable with a valid and enforceable provision, the economic effect of which comes as close as possible to that of the invalid or unenforceable provision which it replaces.

1.09 Governing Law

THIS AGREEMENT WILL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE PROVINCE OF ONTARIO AND THE FEDERAL LAWS OF CANADA APPLICABLE THEREIN, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

1.10 Proceedings Against the Crown Act

NOTHING IN THIS AGREEMENT OR THE PROGRAM AGREEMENTS AFFECTS THE RIGHTS, PROTECTIONS AND IMMUNITIES OF THE CROWN UNDER THE PROCEEDINGS AGAINST THE CROWN ACT.

1.11 Attornment

EACH PARTY SUBMITS TO THE EXCLUSIVE JURISDICTION OF ANY ONTARIO COURTS SITTING IN TORONTO IN ANY ACTION, APPLICATION, REFERENCE OR OTHER PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT. THE PARTIES HERETO HEREBY WAIVE ANY RIGHT THEY MAY HAVE TO REQUIRE A TRIAL BY JURY OF ANY PROCEEDING COMMENCED IN CONNECTION WITH THIS AGREEMENT.

1.12 Counterparts; Electronic Delivery

This Agreement may be executed in any number of counterparts, each of which so executed will be deemed to be an original, but all such counterparts will together constitute one and the same instrument. Delivery of an executed signature page to this Agreement by a party by electronic transmission will be as effective as delivery of a manually executed copy of the Agreement by such party.

1.13 Change of Law Protection Agreement Referred to in the Trust Indenture

This Agreement is the "Change of Law Protection Agreement" referred to in the Trust Indenture.

1.14 Non-Business Days

Whenever any payment to be made hereunder shall be stated to be due, any period of time would begin or end, any calculation is to be made or any other action to be taken hereunder shall be stated to be required to be taken, on a day other than a Business Day, then (notwithstanding any other provision of this Agreement) such payment shall be made, such period of time shall begin or end, such calculations shall be made and such other action shall be taken on the next succeeding Business Day.

1.15 Waiver, Amendment

Except as expressly provided in this Agreement, no amendment or waiver of this Agreement will be binding unless executed in writing by the party to be bound thereby. No waiver of any provision of this Agreement will constitute a waiver of any other provision nor will any waiver of any provision of this Agreement constitute a continuing waiver unless otherwise expressly provided. A party's failure or delay in exercising any right under this Agreement will not operate as a waiver of that right. A single or partial exercise of any right will not preclude a party from any other or further exercise of that right or the exercise of any other right.

1.16 Interest Act

For the purpose of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest to which any rate of interest payable under this Agreement that is calculated on any basis other than a full calendar year is equivalent may be determined by multiplying such rate by a fraction, the numerator of which is the actual number of days in the calendar year in which such yearly rate of interest is to be ascertained and the denominator of which is the number of days

comprising such other basis. The parties further agree that for the purposes of the *Interest Act* (Canada), (~~a~~i) the principle of deemed reinvestment of interest shall not apply to any interest calculation under this Agreement, and (~~b~~ii) the rates of interest stipulated in this Agreement are intended to be nominal rates and not effective rates or yields.

1.17 Currency

Unless stated otherwise, all amounts herein are stated in Canadian Dollars.

1.18 References to Acts of the Financing Entity Trustee

For greater certainty, where any reference is made in this Agreement, or in any other instrument executed pursuant hereto or contemplated hereby to which the Financing Entity or the Financing Entity Trustee, as trustee of the Financing Entity, is party, to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or release to be provided by, a suit or proceeding to be taken by or against, or a covenant, representation or warranty (other than relating to the constitution or existence of the Financing Entity) by or with respect to (i) the Financing Entity or (ii) the Financing Entity Trustee, such reference shall be construed and applied for all purposes as if it referred to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or release to be provided by, a suit or proceeding to be taken by or against or a covenant, representation or warranty (other than relating to the constitution or existence of the Financing Entity) by or with respect to, the Financing Entity Trustee as trustee of the Financing Entity.

1.19 Judgment Currency

(a) If for the purpose of obtaining judgment in any court or for any other purposes (other than conversions specifically provided for in the agreement under which an Approved Obligation arises), it is necessary to convert any amount due under this Agreement from the currency in which it is due (the "**Original Currency**") into another currency (the "**Second Currency**"), the rate of exchange applied shall be that at which, in accordance with normal banking procedures, the purchaser could purchase, in the New York foreign exchange market, the Original Currency with the Second Currency on the date on which judgment is given. The obligation of the Province in respect of any Original Currency due from it to the Indenture Trustee under this Agreement shall, notwithstanding any judgment or payment in such other currency, be discharged only to the extent that, on the Business Day following receipt of any sum so paid or adjudged to be due under this Agreement in the Second Currency, the Indenture Trustee may, in accordance with normal banking procedures, purchase in the New York foreign exchange market the Original Currency with the amount of the Second Currency so paid or so adjudged to be due; and if the amount of the Original Currency so purchased is less than the amount originally due in the Original Currency, the Financing Entity shall indemnify the Indenture Trustee against such loss.

(b) The term "rate of exchange" in this Section ~~1.18~~1.19 means the spot rate at which the Indenture Trustee, in accordance with normal practice, is able on the relevant date to purchase the Original Currency with the Second Currency and includes any premium and costs of exchange payable in connection with such purchase.

ARTICLE II
AGREEMENT TO PERFORM APPROVED OBLIGATIONS

2.01 Limited Guarantee

(a) Upon the occurrence of a Protection Event, the Indenture Trustee may provide a written demand, in the form attached as Exhibit A (a "**Payment Demand**"), to the Province requiring the Province to pay the Approved Obligations owing from time to time by the Financing Entity to the Indenture Trustee as and when they become due and payable, without Acceleration[1]. A Payment Demand will not be valid with respect to an Approved Obligation until the amount claimed becomes due and payable in respect of the Approved Obligation (without Acceleration) in accordance with the Trust Indenture and has not otherwise been paid by the Financing Entity.

(b) Following receipt of a valid Payment Demand under Subsection 2.01(a), the Province shall pay the amounts owing by the Financing Entity to the Indenture Trustee, on behalf of the applicable Beneficiaries, in respect of each Approved Obligation[2], in each case as and when the Approved Obligation becomes due and payable in accordance with its terms and on its scheduled, specified or determined payment date, as determined without regard to any Acceleration or rights of Acceleration arising under the Approved Obligation, in each case by the Province depositing or causing the deposit of the applicable payment amount into the Collection Account (the "**Limited Guarantee**"). For greater certainty, the Limited Guarantee will not apply to any amount or obligation of the Financing Entity that is not or does not arise under an Approved Obligation, including (i) any amounts that are or become payable as a result of the exercise of an option of the Financing Entity following a Protection Event, and ~~[~~(ii) amounts required to be deposited by or on behalf of the Financing

[1] Consider mechanics for notifying the Province regarding the specific amounts payable and their due dates. Consider attaching a detailed schedule of payments under the Payment Demand and the respective due date of each payment.

[2] ~~Note:~~ Under Subsection 5(3) of the Act, the Province can guarantee only obligations "associated with an investment interest". The guarantee in Section 2.01 of the draft agreement guarantees "Approved Obligations", which in turn relies on the definition of Primary Obligations. The connection between a Primary ~~Obligation~~Obligations and an "investment interest" is therefore crucial~~. Unfortunately, the nexus is not straightforward~~. Blakes is considering how to more precisely connect these concepts.

Entity into any Capital Account, Finance Reserve Account or a Supplemental Reserve Account.][3]

(c) Except as expressly provided in this Agreement, the Province's obligation to provide and perform the Limited Guarantee shall be irrevocable, absolute and unconditional.

(d) Any amount payable by the Province under the Limited Guarantee in respect of an Approved Obligation that is not paid when required herein shall bear interest from the applicable due date until paid in full at the rate or rates expressed to be payable on the Approved Obligation.

(e) The right to deliver a Payment Demand and thereupon enforce the Limited Guarantee shall constitute the only remedy available to the Indenture Trustee under this Agreement. Under no circumstances shall the Province be obligated to pay or indemnify the Indenture Trustee or any Beneficiary for consequential, special or punitive damages, or for economic loss or loss of profits.

2.02 Gross-up

[All amounts payable by the Province under this Agreement shall be made free and clear of and without deduction for or on account of any present or future taxes, charges, fees, levies, duties or withholdings of any kind. If the Province is obliged to deduct or withhold an amount in respect of any such taxes, charges, fees, levies, duties or withholdings, then in such event the Province shall deposit into the Collection Account such additional amount as is necessary to ensure that the Indenture Trustee receives (on an after-tax basis, after payment of any and all income taxes on such additional amounts) an amount equal to the full amount otherwise due and payable in respect of the related Approved Obligation, net of any such taxes, charges, fees, levies, duties or withholdings.][4][3]

2.03 Absence of Set-off

The Province acknowledges and agrees that each payment to be made by the Province hereunder in respect of an Approved Obligation shall be made as required in whole, without application of any right of set-off and without regard to any equities as between or among any of the Province, the Beneficiaries and/or the Indenture Trustee.

[3] Note: OFA to confirm whether the Limited Guarantee will extend to require the Province to fill sinking fund and collateral accounts during the period when the Province is required to make payments. If not, then we will need to consider the impact on ratepayers and the potential impact on the CEA calculations, which will have been based originally on these deposits being made during particular reference periods.

[4] Province to advise on extension of a tax gross up. We assume this is necessary, although we have not discussed it specifically and it may be that we delete this provision on the basis that the determination of a tax gross up (and the Province's liability for it) will be based on the inclusion of that concept in the Trust Indenture itself[3] Under consideration.

2.04 Payment into Collection Account in Satisfaction

Notwithstanding the priority of payment requirements set forth in the Trust Indenture and any legal rule concerning the imputation of payments, the Indenture Trustee shall apply the full amount paid by the Province into the Collection Account in respect of an Approved Obligation to pay the corresponding amount due and payable to the applicable Beneficiaries under the Approved Obligation.[54] Upon a payment having been made by or on behalf of the Province into the Collection Account in respect of an Approved Obligation, the amount so paid shall for all purposes be considered to have been applied to pay the applicable Beneficiaries and thereby reduce the amount due and payable under the Approved Obligation, whereupon an affected Beneficiary shall have no continuing rights, interests or entitlements (including rights as a secured party) in respect of the Approved Obligation to the extent so paid[65].

2.05 Certain Waivers

The Province hereby waives:

(a) any requirement, and any right to require, that any power be exercised or any action be taken against the Financing Entity or any Collateral for any of the Approved Obligations;

(b) all notices which may be required by applicable law to preserve any rights against the Province hereunder, including any notice of default, demand, dishonour, presentment and protest;

(c) diligence; and

(d) any defence based upon, arising out of or in any way related to any claim that any election of remedies by the Beneficiaries impaired, reduced, released or extinguished any rights that the Province might otherwise have had against the Financing Entity or any other surety.

The Province agrees that each such waiver is made with full knowledge of its significance and consequences and if any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the maximum extent permitted by applicable law.

2.06 Additional Security

This Agreement shall be in addition to and without prejudice to any other security by whomsoever given, held at any time by the Indenture Trustee or for the benefit of any of the Beneficiaries.

[54] ~~Note:~~ This will need to operate in tandem with the Trust Indenture waterfall. The idea is that the Approved Obligations may not necessarily follow the sequence of the "payment waterfall" included in the Trust Indenture, and so amounts from the Province would need to operate independently. ~~To be discussed with Torys.~~

[65] ~~Note:~~ Consider ~~if~~how Beneficiary rights under Obligations Secured ~~can in fact be affected in this way~~will be amended under an agreement to which a Beneficiary is not directly a party. To achieve a binding relationship, a corresponding provision should appear in the Trust Indenture and each other contract under which the Obligation Secured arises, to the effect that the Beneficiaries will be deemed to be bound by the agreement of the Indenture Trustee ~~insofar as the Beneficiaries rights against the financing entity are to be affected~~under this Agreement.

2.07 Continuing Liability of the Province

The Approved Obligations shall be deemed not to have been paid, observed or performed, and the liability of the Province hereunder in respect thereof shall continue and not be discharged, to the extent that any payment, observance or performance thereof by the Financing Entity, or out of the proceeds of any Collateral, is recovered from or reimbursed by or for the account of any of the Beneficiaries for any reason, including a preference or fraudulent transfer or by virtue of any subordination (whether present or future or contractual or otherwise) of the Approved Obligations, whether such recovery or payment over is effected by any judgment, decree or order of any court or Governmental Authority, by any plan of reorganization or by settlement or compromise by any of the Beneficiaries (whether or not consented to by the Financing Entity or the Province) of any claim for any such recovery or payment over.

2.08 Continuance of the Limited Guarantee

Subject to Section 2.07, the Limited Guarantee shall continue in full force and effect until the indefeasible payment, observance and performance in full of the Approved Obligations, or until the Province is no longer required to provide and perform the Limited Guarantee in accordance with Section 6.03].

2.09 Modifications of Approved Obligations

The Province expressly authorizes the Indenture Trustee, at any time and from time to time, without notice and without affecting the liability of the Province hereunder, but subject to compliance with the requirements of the Program Agreements and this Agreement, to:

(a) accept new, additional or replacement instruments, documents, agreements or security in connection with all or any part of the Approved Obligations;

(b) accept partial payments on the Approved Obligations; and

(c) waive, release, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, compromise, liquidate and enforce all or any part of the Approved Obligations and any security or guarantee therefor, and apply any such security and direct the order or manner of sale thereof as the Indenture Trustee (for the benefit of the Beneficiaries) in its discretion may determine,

provided, however, that the Indenture Trustee shall not permit any change, modification, alteration, amendment, supplement, extension, renewal, compromise, novation, replacement, suspension or waiver of the terms of all or any part of the Approved Obligations or any Collateral therefor expect with the prior written consent of the Province having first been obtained.

ARTICLE III
THE INDENTURE TRUSTEE

3.01 The Indenture Trustee

This Agreement is made in favour of the Indenture Trustee in its capacity as trustee under the Trust Indenture. Accordingly, in the event of a new trustee being appointed under the Trust Indenture, such new trustee shall thereupon become and be the Indenture Trustee hereunder, but nevertheless, the Indenture Trustee shall forthwith assign, transfer and make over to the new trustee hereunder this Agreement. All provisions of the Trust Indenture for the protection of the Indenture Trustee or for facilitating the administration of the trusts or otherwise relating to the Indenture Trustee solely as to its holding of the rights thereunder shall apply *mutatis mutandis* to this Agreement and the Indenture Trustee's duties hereunder.

3.02 Acceptance of Trusts

The Indenture Trustee hereby accepts the trusts hereof and agrees to carry out and discharge the same unless and until a new trustee shall be appointed as contemplated in Section 3.01.

ARTICLE IV
APPROVED OBLIGATIONS

4.01 Approval Process

A Primary Obligation shall constitute an Approved Obligation if (a) the Adherence Conditions applicable thereto have been satisfied; or (b) the Province has specifically approved in writing the particular terms, conditions and documentation for the Primary Obligation.

4.02 Adherence Conditions

The following shall be the Adherence Conditions applicable in relation to a Primary Obligation:

(a) the Primary Obligation is contemplated under the Trust Indenture as an Obligation Secured;

(b) ~~if the Primary Obligation is a [borrowing][7],~~ at the time the Primary Obligation is incurred or amended, the maximum aggregate payment amounts due or becoming due in the future in respect of Repayments[~~8~~6] under the Primary Obligation, together with all other outstanding amounts due or becoming due in the future in respect of Repayments under

[8] ~~Note: The~~[6] Use of the concept of "repayments" under the OFHPA ~~take account of contemplated refinancings. There is some risk that an anticipated refinancing would not manifest as contemplated, in which case the amount financed (and subject to the Limited Guarantee) could exceed the Protection Agreement Maximum and result in a balloon payment obligation~~for this purpose is under consideration.

Approved Obligations,[9] do not exceed the Protection Agreement Maximum;

(c) the FSM delivers a notice to the Indenture Trustee, with a copy to the Province, ~~not less than ■~~one Business ~~Days and not more than ■ Business Days~~Day prior to the incurrence or any amendment of the Primary Obligation, setting out the Protection Agreement Maximum;

(d) the FSM delivers a certificate signed by the Chief Financial Officer and the Treasurer of OPG (or their respective designees, provided that such designees are executive officers of OPG) and addressed to the Province and the Indenture Trustee, ~~not less than ■~~one Business ~~Days and not more than ■~~Day prior to the earlier of (i) one Business ~~Days~~Day prior to the incurrence or any amendment of the Primary Obligation, and (ii) on the Business Day on which the financial terms of the Primary Obligation are definitively determined (including the interest or discount rate applicable to any notes, bonds or other securities), setting out the following with respect to the Primary Obligation:

i. ~~if the Primary Obligation is a [borrowing],~~ confirmation that, at the time the Primary Obligation is incurred or amended, the maximum aggregate payment amounts due or becoming due in the future in respect of Repayments under the Primary Obligation (if any), together with all other outstanding amounts due or becoming due in the future in respect of Repayments under Approved Obligations, do not and will not exceed the Protection Agreement Maximum; and

ii. confirmation that the FSM has delivered to the Province a certificate in accordance with the Process Agreement confirming, among other things, that the transaction documents in respect of the Primary Obligation are in substantially the form of the documentation reviewed by the Province; and

(e) the Province has not provided ~~notice~~a Suspension Notice to the Indenture Trustee ~~that a Breach Event has occurred and that the Limited Guarantee does not apply to any further Primary Obligations that are incurred.~~[10], the FSM and the Financing Entity in accordance with the terms of this Agreement.

4.03 Evidence of Satisfaction

A closing certificate signed by at least two executive officers of OPG in connection with an incurrence or amendment of a Primary Obligation shall be determinative as to whether the

applicable Adherence Conditions with respect thereto have been satisfied, notwithstanding that such certificate may include inaccuracies, be incomplete or otherwise be defect or deficient, and such closing certificate may be relied upon by any addressee as conclusive evidence of same.

ARTICLE V
RIGHTS OF THE PROVINCE

5.01 Assignment and Subrogation

Upon paying an amount in respect of an Approved Obligation:

(a) to or at the direction of the Indenture Trustee in satisfaction of the Limited Guarantee; or

(b) as a result of assuming the Financing Entity's obligations in respect of all Obligations Secured under Article VI,

the Province (in addition to and without prejudice to any rights it otherwise has in law or equity) shall be subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation to the extent of such payment, including (~~a~~i) the right and entitlement to be paid and receive distributions of such amount by the Financing Entity in accordance with and in the priority applicable to the Approved Obligation applicable in respect of the payment under the Trust Indenture, (~~b~~ii) the benefits of the related Collateral and (~~c~~iii) all proceeds therefrom. The Province shall have and be entitled to enforce all rights and interests (including as a secured party under the Trust Indenture) under such Approved Obligation as an absolute assignee of the applicable Beneficiary, with effect from and after the time of such payment, without any further requirement for notice to or acceptance by the Financing Entity of such absolute assignment and without any reduction, set-off or counterclaim on account of any amounts that may, at or after the time of payment, be or become owing by the Beneficiary to the Financing Entity and unaffected by any other rights or equities that arise thereafter as between the Beneficiary and the Financing Entity. The Indenture Trustee shall recognize the Province as being entitled to all of the rights, interests and entitlements of the Beneficiary (including, if applicable, as a Noteholder) in respect and to the extent of the Approved Obligation so paid, determined as of the time of payment, for all purposes under the Trust Indenture, and the Province shall be treated as a Specified Creditor in respect thereof for all purposes under the Trust Indenture and any other agreement under which the Approved Obligation arises.

5.02 Priorities

For greater certainty, the rights, interests and entitlements of the Province as an assignee and subrogee of and with respect to an Approved Obligation shall rank equally with the rights, interests and entitlements of a Beneficiary for whom a Limited Guarantee payment is made in respect of, and to the extent of the payment made to satisfy, the Approved Obligation and the Province shall not be subject to postponement or subordination with respect thereto except to the

extent of the priorities established in relation to the Approved Obligation under the Trust Indenture.

5.03 Voting Rights under "Outstanding Notes"

Notwithstanding the last three sentences of the definition of "Outstanding" in the Trust Indenture[11][7]:

(a) Notes in connection with Approved Obligations in respect of which the Province has rights and interest pursuant to Section 5.01 shall be regarded as "Outstanding" within the meaning of the Trust Indenture; and

(b) in determining whether Noteholders of the requisite principal amount of Notes that are Outstanding (as defined in the Trust Indenture) have taken any Action under the Trust Indenture, and for the purposes of Article X of the Trust Indenture, the Province shall be deemed to have the amount of Outstanding (as defined in the Trust Indenture) Notes in proportion to its interest in such Notes based on the amounts that the Province has paid in respect of Approved Obligations under this Agreement.

5.04 Province May Perform Other Program Agreement Covenants.

If the Financing Entity fails to perform any covenant under any Program Agreement, the Province may (but, except as expressly provided for under this Agreement, shall not be obligated to) perform such covenant on behalf of the Financing Entity. If the Province performs such a covenant on behalf of the Financing Entity, all sums expended or advanced by the Province in so performing the covenant will bear interest at the rate of interest determined by the Province to reflect market terms and conditions for a borrowing made by the Province at the relevant time from the date of expenditure until repayment by the Financing Entity [and will (together with such interest) be paid by the Financing Entity upon demand and will until paid form part of the Obligations Secured and constitute a Finance Amount.[12][8]

ARTICLE VI
NOTICE OF ASSUMPTION OF OBLIGATIONS SECURED

6.01 Delivery of Assumption Notice

TheFollowing the occurrence of a Protection Event, the Province may provide notice (in the form of Exhibit B) to the Indenture Trustee that, in accordance with the terms of the Process Agreement, that the Province has elected to assume the Financing Entity's obligations in respect of all Obligations Secured, as obligor and debtor (the "**Assumption Notice**"). The Assumption Notice shall specify the date on which the assignment and assumption of the Obligations Secured will be effective (the "**Assumption Closing Date**").

[11][7] Note: This concept shouldneeds to be reflected in the Trust Indenture to be effective. Additional scenarios where the Province's rights as an affiliate of OPG may differ from what is expected are to be identified in the underlying Program Agreements.

[12] Note:[8] General Regulation mustto be revised such that "Finance Amount" picks up guarantor amounts. Under consideration by MOE.

6.02 Cooperation to Implement the Assignment and Assumption

The Indenture Trustee, the FSM, the Financing Entity and the Province will cooperate and use ~~[commercially reasonable~~best efforts~~]~~ to complete the assignment and assumption of the Obligations Secured by and from the Financing Entity to and by the Province, by the Assumption Closing Date.~~13~~9

6.03 Effect of Assumption

On the date that the assignment and assumption of the Obligations Secured by and from the Financing Entity to and by the Province becomes effective (the "**Assumption Effective Date**"), the Province shall no longer be required to provide and perform the Limited Guarantee.

6.04 Interim Period

Until the effective time of the assignment and assumption of the Obligations Secured by and from the Financing Entity to and by the Province on the Assumption Effective Date, the Province shall continue to perform and be obligated under the Limited Guarantee.

ARTICLE VII

7.04 Release of all Collateral

(a) The Indenture Trustee shall not execute instruments to release Collateral from the Security Interest of the Trust Indenture, or convey the Indenture Trustee's interest (which is held by the Indenture Trustee for the benefit of the Specified Creditors) in the same, unless and until the rights and interests of the Province under Section 5.01 or otherwise as an assignee of any of the Obligations Secured or as a subrogee have been satisfied in full and the Province has no continuing obligations under this Agreement.

(a) shall be provided by the FSM ~~to~~or the Province ~~and~~to the Indenture Trustee promptly following the occurrence of a Program Breach; and

(b) may be provided by the Province to the Indenture Trustee, the FSM and the Financing Entity following the occurrence of a Breach Event that has not been waived in writing by the Province.

8.02 Suspension

If a Suspension Notice has been provided under Section 8.01 (the provision of such notice being a "**Suspension Event**"), the Financing Entity shall not incur any new or additional Obligation Secured and shall not amend or terminate any existing Obligation Secured except with the prior written consent of the Province.

8.03 Termination Notice

On the occurrence of a Suspension Event, the Province may provide to the Indenture Trustee, the FSM and the Financing Entity a notice in the form of Exhibit D (a "**Termination Notice**").

8.04 No Impact on Adherence

For greater certainty, the occurrence of Suspension Event or a failure by the FSM or the Financing Entity to perform its covenants under this Agreement will not invalidate or extinguish the obligations of the Province under the Limited Guarantee in respect of Approved Obligations in existence prior to the occurrence of the Suspension Event.

ARTICLE IX

9.01 Term of Agreement

Hi

We had a call with OFA staff regarding some of the business points just now and the direction is to remove the assumption right, revert to the previous version of the process agreement (for the most part) and include a clearer suspension right in both.

We wanted to let you know this so that you can relay to Energy clients but in the interests of time would like to ask Blakes to revise the drafts accordingly for tomorrow morning. (given Ministers' briefing scheduled for Wednesday).

If you would like to discuss this, please give me a call at 416-325-1457 but if I don't hear I should go ahead and ask Blakes to review based on this approach.

Thanks.

> John,
>
> We plan to discuss the below on the call with you at 8:30, but wanted to formalize our thoughts in email for your reference. The Friday draft with the changes to Section 2.01 and to the Adherence Conditions was materially worse from our perspective than the draft which we received from the Province last Monday. The document as is does not work, and we are at the point that continuing iterations around the agreement endangers the closing of the warehouse facility prior to year-end.
>
> More complete thoughts below, but in summary: in order for the rating agencies to rate a deal and the Dealers to be able to close the warehouse financing, the Change of Law Protection Agreement will need to be in the form proposed by Osler/Torys in the draft of December 7 (with the exception that section 2.01(a)iv(D) be entirely deleted (or revised as noted below) as the concepts in section 2.01(a)(iv)(D) in any form will require material changes to the MTI).
> Best,
> Katrina
>
> *******
>
> With respect to the Adherence Conditions, the Dealers have been consistent with our concerns that there should not be trips or traps that could prevent the ability of a Primary Obligation to become an Approved Obligation. Furthermore, we have stressed the importance of the Adherence Conditions not preventing the ability to effect a Refinancing of an Approved Obligation. Our strong preference has been all along that there be no Adherence Conditions; however, in light of the Province's insistence that it needed a level of control that went beyond the protections set out in the Change of Law Process Agreement, we agreed to consider the existence of straightforward Adherence Conditions. The draft of the Adherence Conditions and Adherence Compliance Certificates which were reflect in our draft of the Change of Law Protection Agreement of Thursday evening is as far as the Dealers are prepared to accept under the circumstances.
> As relates to the Province's right to object to a Transaction Document under the Process Agreement in connection with a Refinancing, that should remain an issue as between the Province and the FSM and should not be a risk passed on to the Dealers under the Change or Law Protection Agreement. To be clear, the concern with the Province's ability to object to a Refinancing is not simply one which arises following the occurrence of a suspension event. The Dealers have included a step-up in market pricing to deal with a market disruption event which causes a delay in the timing of the Refinancing, but the Dealers are not in a position to accept the risk that a Refinancing cannot proceed, for example, because the rating agencies have determined that there needs to be a change to the Program Agreements. Furthermore, the requirements relating to a Refinancing need to apply equally to any Refinancing, including the refinancing of any term debt.
> As relates to Protection Events, we need a clear and objective standard to determine what would satisfy a "materially and adversely" threshold. To be clear, this is not simply an issue raised by the rating agencies. The Dealers have been concerned with this issue dating back to our review of the Province's term sheet. This was included as one of the specific items that the Dealers were concerned about as summarized in the email from Osler to the Province back in September and we expressly asked that it be deleted from the term sheet. Notwithstanding our stated position on this issue, we agreed to permit the "materially and adversely" threshold to remain in the definition provided that there is an objective standard to be able to satisfy this threshold condition which is reflected in our draft "for clarity" language in the definition. Without an objective standard, we would be faced with the potential of a drawn out dispute with the Province before the Province would be obligated to honor its obligations under the Limited Guarantee; for example, would a $10 million impact of the warehouse or another tranche of debt be "material" in the context of $8 to $10 billion in debt at the end of the moratorium period? This is not a risk which the Dealers can take in the face of a Protection Event. The Province must stand behind the Limited Guarantee if there is a downgrade or other negative impact on the rating of such debt which arises because of an event contemplated in the definition of Protection Event.
> As relates to section 2.01 of the Friday draft (or the Monday draft), we do not understand why the Limited Guarantee has to include any provisions to deal with the "theoretical" possibility that the Province's subrogation rights to collect on amounts paid under Approved Obligations would compete with then-existing Primary Obligations which are not Approved Obligations. The Program Agreements already contemplate a restriction on the FSM issuing Certified Primary Obligations which are not Approved Obligations. The changes to section 2.01 (as set out in Section 2.01 (a)iv(D) and then further expended by the Province in Friday's draft under Section 2.01(a)v) proposed by the Province to address this "theoretical" possibility would undermine this approach and would require us to explain to the Rating Agencies why the MTI needs extensive revisions to address something which is not supposed to happen. The implications of this would most certainly result in a delay in the rating agency process and would jeopardize the ability to close the warehouse financing before December 31. This is not acceptable and we require that these concepts be abandoned.
> As a side note, we have been advised that Blakes today proposed a revised draft of Section 2.01(a) which is somewhat consistent with a proposed draft of Section 2.01(a) which Torys and Osler jointly prepared last Tuesday/Wednesday which Blakes completely dismissed at that time. If this revised draft can be implemented with minimal revisions to the MTI, then we may be prepared to move forward on that basis; however, given that we no longer have any luxury of time, we need Torys and Osler to advise us by the latest midday on Monday as to whether this alternate approach is feasible under the current constraints.

Mike:
See some thoughts from Tory's. If you believe it has some traction we should discuss how best to run this by the dealers as this has not been floated by them.

John and Les, further to our discussion earlier today about the change of law protection agreement and the rating agency/dealer/Osler request to delete the word "materially" from the change of law triggering events – attached is a revised draft of the definition of a Protection Event that removes the word materially while addressing the Province's concern that they don't want a change in some unrelated law or reg to trigger the guarantee (we just moved down some of the general change in law triggers so they only trigger the guarantee if the change actually results in the FE not having sufficient funds to pay obligations when due (so if conservation legislation was passed, that would only trigger a protection event if that law prevented the FE from collecting enough CEA amounts to pay its obligations when due).

As we mentioned on our call, if you want to float an alternative to try and bridge the gap on this point, you could send this to the Province and let them raise it with Osler/the dealers/the rating agencies in their revised draft of the change of law protection agreement as a compromise position. However, as we discussed, I think if some sort of compromise is going to be suggested, it is best coming directly from the Province.

Let us know if you have any questions.

Rima

Subject: Fair Hydro Plan Financing Program

Moody's Team,

Attached is a December 5 draft of Change of Law Protection Agreement. This draft was provided by the Province and has not been commented on by OPG or the Dealers. The Dealers and OPG do expect to have comments.

You will note that there is a new Section 2.01(a)(iv)(D). This new Section only applies in the situation where all Approved Obligations (that is, obligations with the benefit of the Protection Agreement) have been repaid in full and there are still subrogation amounts owing to the Province. As we don't expect there will be any rated debt issued that is not an Approved Obligation, we don't think these provisions should be of significant concern to the rating agencies.

You will also note that the provisions allowing for the province to assume the obligations of Fair Hydro Trust have been dropped. The implementation of this proposal had a number of challenges so the decision was made to abandon it. As it was at the option of the Province and not a right of the noteholders, we do not consider this adverse.

Please let us know if you have any questions

COMPUTERSHARE TRUST COMPANY OF CANADA, AS TRUSTEE OF FAIR HYDRO TRUST

AND

ONTARIO POWER GENERATION INC., AS FINANCIAL SERVICES MANAGER AND AS MANAGER OF FAIR HYDRO TRUST

CHANGE OF LAW PROTECTION AGREEMENT

Dated as of [■], 2017

This **AGREEMENT**, among Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), Computershare Trust Company of Canada, in its capacity as trustee (the "**Financing Entity Trustee**") of Fair Hydro Trust, a trust organized under the laws of the Province of Ontario (the "**Financing Entity**"), Ontario Power Generation Inc., in its capacity as Manager of the Financing Entity and in its capacity as the Financial Services Manager in accordance with the Act (the "**FSM**") and BNY Trust Company of Canada, a trust company existing under the laws of Canada, as Indenture Trustee, is made and entered into as of [■], 2017.

RECITALS

Pursuant to Subsection 5(3) of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**"), the Lieutenant Governor in Council may by order, authorize the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to agree to guarantee or indemnify certain debts, obligations, securities or undertakings associated with an Investment Interest.

Pursuant to an Order in Council 1981/2017 (the "**OIC**"), the Lieutenant Governor in Council has, among other things, authorized the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to enter into one or more agreements to guarantee or indemnify the debts, obligations, securities or undertakings of one or more financing entities established or caused to be established pursuant to Subsection 22(2) of the Act by the FSM and that may incur Funding Obligations in connection with one or more Investment Interests.

Pursuant to a Declaration of Trust dated as of ■, 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

The Financing Entity Trustee, in its capacity as trustee of the Financing Entity, and the Indenture Trustee are parties to the Trust Indenture and propose to create and issue series of notes, bonds and other securities as contemplated therein, and to provide security over the assets and undertaking of the Financing Entity in respect of such notes, bonds and securities, as well as other Obligations Secured.

The Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, have determined to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Primary Obligations that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions at the time the Approved Obligation is incurred. This Agreement sets out the terms and conditions of such protections and assurances.

All things necessary to make this Agreement a valid and legally binding agreement of the Province, the Financing Entity, the FSM and the Indenture Trustee, in accordance with the Act, the OIC and the Trust Indenture, have been done.

AGREEMENT OF THE PARTIES

In consideration of the respective agreements herein contained, the parties hereto covenant and agree as follows:

ARTICLE I

The Manager shall act diligently in the preparation of each such statement and shall provide the Indenture Trustee and the Province with all supporting computations and calculations used by the Manager to prepare each such statement promptly following a request therefor made by the Indenture Trustee or the Province.

1.08 Severability

Each of the provisions contained in this Agreement is distinct and severable and a declaration of invalidity or unenforceability of any such provision or part thereof by a court of competent jurisdiction will not affect the validity or enforceability of any other provision hereof. To the extent permitted by applicable law, the parties waive any provision of law which renders any provision of this Agreement invalid or unenforceable in any respect.

1.09 Governing Law

THIS AGREEMENT WILL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE PROVINCE OF ONTARIO AND THE FEDERAL LAWS OF CANADA APPLICABLE THEREIN, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

1.15 Waiver, Amendment

Except as expressly provided in this Agreement, no amendment or waiver of this Agreement will be binding unless executed in writing by the party to be bound thereby. A party's failure or delay in exercising any right under this Agreement will not operate as a waiver of that right. A single or partial exercise of any right will not preclude a party from any other or further exercise of that right or the exercise of any other right.

1.16 Interest Act

For the purpose of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest to which any rate of interest payable under this Agreement that is calculated on any basis other than a full calendar year is equivalent may be determined by multiplying such rate by a fraction, the numerator of which is the actual number of days in the calendar year in which such yearly rate of interest is to be ascertained and the denominator of which is the number of days comprising such other basis. The parties further agree that for the purposes of the *Interest Act* (Canada), (i) the principle of deemed reinvestment of interest shall not apply to any interest calculation under this Agreement, and (ii) the rates of interest stipulated in this Agreement are intended to be nominal rates and not effective rates or yields.

1.17 Currency

Unless stated otherwise, all amounts herein are stated in Canadian Dollars.

1.18 References to Acts of the Financing Entity

For greater certainty, where any reference is made in this Agreement, or in any other instrument executed pursuant hereto or contemplated hereby to which the Financing Entity or the Financing Entity Trustee, as trustee of the Financing Entity, is party, to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or release to be provided by, a suit or proceeding to be taken by or against, or a covenant, representation or warranty (other than relating to the constitution or existence of the Financing Entity) by or with respect to (i) the Financing Entity or (ii) the Financing Entity Trustee, such reference shall be construed and applied for all purposes as if it referred to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or release to be provided by, a suit or proceeding to be taken by or against or a covenant, representation or warranty (other than relating to the constitution or existence of the Financing Entity) by or with respect to, the Financing Entity Trustee as trustee of the Financing Entity.

1.19 Judgment Currency

(a) If for the purpose of obtaining judgment in any court or for any other purposes (other than conversions specifically provided for in the agreement under which an Approved Obligation arises), it is necessary to convert any amount due under this Agreement from the currency in which it is due (the "**Original Currency**") into another currency (the "**Second Currency**"), the rate of exchange applied shall be that at which, in accordance with normal banking procedures, the purchaser could purchase, in the New York foreign exchange market, the Original Currency with the Second Currency on the date on which judgment is given. The obligation of the Province in respect of any Original Currency due from it to the Indenture Trustee under this Agreement shall, notwithstanding any judgment or payment in such other currency, be discharged only to the extent that, on the Business Day following receipt of any sum so paid or adjudged to be due under this Agreement in the Second Currency, the Indenture Trustee may, in accordance with normal banking procedures, purchase in the New York foreign exchange market the Original Currency with the amount of the Second Currency so paid or so adjudged to be due; and if the amount of the Original Currency so purchased is less than the amount originally due in the Original Currency, the Province shall indemnify the Indenture Trustee against such loss.

(b) The term "rate of exchange" in this Section 1.19 means the spot rate at which the Indenture Trustee, in accordance with normal practice, is able on the relevant date to purchase the Original Currency with the Second Currency and includes any premium and costs of exchange payable in connection with such purchase.

ARTICLE II
AGREEMENT TO PERFORM APPROVED OBLIGATIONS

2.01 Limited Guarantee

(a) Upon the occurrence of a Protection Event, the Indenture Trustee may deliver a written demand, substantially in the form attached as **[Exhibit A]** (a "**Payment Demand**"), to the Province requiring the Province to make payments in respect of the Approved Obligations at the times, in the amounts and subject to the requirements specified in this Agreement. From and after such delivery of a Payment Demand, the Province shall make the following payments in respect of the Approved Obligations (the "**Limited Guarantee**"), the Financing Entity shall pay, and the Province shall be entitled to be paid, the Subrogation Amounts specified below, and the following terms shall apply:

i. Not less than three (3) Business Days prior to each day when any payment or payments are to be made in respect of one or more Approved Obligations occurring after such delivery of a Payment Demand (each such day, a "**Guarantee Payment Date**"), the Manager shall deliver a written statement setting forth the Aggregate Approved Obligations Amount, if any, in respect of the Approved Obligations that are due and payable on such Guarantee Payment Date, together with a detailed description identifying such Approved Obligations and the nature and amount of payments due and payable thereunder on the Guarantee Payment Date, the aggregate outstanding amount payable by the Financing Entity under such Approved Obligations as of the date of such written statement, and details regarding any default in performance by any party obligated thereunder.

ii. On each such Guarantee Payment Date, the Province shall deposit the Aggregate Approved Obligations Amount into the Protection Account.

iii. On each such Guarantee Payment Date, the Financing Entity and the Indenture Trustee shall ensure that the amounts on deposit in the Protection Account are applied to pay each Beneficiary to whom an amount is due and payable under an Approved Obligation on the Guarantee Payment Date the Approved Obligation Amount for such Beneficiary in respect of such Approved Obligation on such Guarantee Payment Date; provided that if the amount deposited pursuant to clause 2.01(a)ii is insufficient to pay all such Approved Obligation Amounts in full, the amount on deposit in the Protection Account on the Guarantee Payment Date shall be applied to pay Beneficiaries in the order of priority in which such Approved Obligations are payable under the payment provisions of the Trust Indenture applicable to the making of such payments on the Guarantee Payment Date (each, a "**Beneficiary Payee**"

and each payment made to a Beneficiary Payee on a Guarantee Payment Date, a "**Guarantee Payment**").

iv. On the first Guarantee Payment Date and on each subsequent Guarantee Payment Date, Payment Date or other day on which any amount is required to be paid in respect of any Obligations Secured under the Trust Indenture (a "**Subrogation Payment Date**"), the Issuer and the Indenture Trustee shall ensure that the applicable payment provisions of the Trust Indenture shall be applied and operate on the following basis:

(A) If such day is a Guarantee Payment Date, then for each Approved Obligation for which amounts are paid to a Beneficiary Payee on such day pursuant to clause 2.01(a)iii in respect of principal, interest or any other amounts ("**Payable Approved Amounts**"), the amounts payable by the Financing Entity in respect of such amounts for such Approved Obligation shall be reduced by the respective amounts of such payments to the Beneficiary Payee, and equivalent amounts shall be payable by the Financing Entity to the Province as "**Subrogation Amounts**" in respect of such Approved Obligations, such Subrogation Amounts being payable in the same order of priority and with the same entitlements accruing to the Province as applied in respect of the related Payable Approved Amounts which were previously owing to the Beneficiary Payee, and to reflect this subrogation the payments set out in clause 2.01(a)iv(B) below shall be made by the Financing Entity.

(B) If the Province has made all deposits required to be made by it on each Guarantee Payment Date occurring on or before such day in accordance with clause 2.01(a)ii (or the related Approved Obligation Amounts have otherwise all been paid in full), then in respect of each Approved Obligation for which any related Subrogation Amounts have not yet been paid in full to the Province, the Financing Entity shall pay to the Province from amounts available under the Trust Indenture payment provisions and in accordance with the priority of payment provisions in the Trust Indenture the amount that would be payable on such date in satisfaction of the relevant Payable Approved Amounts, as determined without regard to any Guarantee Payment paid on any Guarantee Payment Date and also without regard to the corresponding reduction of the amounts owing to present and former Beneficiary

Payees pursuant to subclause 2.01(a)iv(A) up to the amount of the unpaid related Subrogation Amounts.

(C) No Beneficiary having a right to be paid an amount in respect of an Approved Obligation, and no other Person entitled under an Obligation Secured, in each case that ranks equal with or subordinate to the Payable Approved Amount in respect of which a Subrogation Amount is payable to the Province under subclause 2.01(a)iv(B), shall be entitled to make any claim or assert any right in or to the amounts paid or payable to the Province under such subclause (including any right of set-off, offset, reimbursement, contribution or indemnity) and no such Beneficiary or other Person shall have any right or interest in, to or under the Collateral or any proceeds therefrom in respect of any such Subrogation Amount.

(D) For greater certainty, the entitlements of the Province in respect of Subrogation Amounts arising in respect of Payable Approved Obligations that are interest and principal obligations on Notes shall be treated for all purposes of the Trust Indenture as interest and principal obligations, respectively, arising under Notes having the same priority as and any applicable voting rights under the related Approved Obligations, and accordingly the Province (and any successor, assignee or transferee of such entitlements) shall be entitled to all of the rights, entitlements, interests and privileges of a Holder of such a Notes in accordance with the Trust Indenture, as supplemented by the Supplemental Indenture or other indenture document under which the related Approved Obligations were issued.

(b) On each Guarantee Payment Date and upon demand by the Province, the Indenture Trustee shall release and pay to the Province free and clear of any Liens any amount remaining on deposit in the Protection Account that has not been applied to pay Guarantee Payments to Beneficiary Payees on the Guarantee Payment Date in accordance with clause 2.01(a)iii or that otherwise remains on deposit in the Protection Account on the relevant date.

(c) In preparing any payment instructions under the Trust Indenture, the Manager shall reflect the amounts payable under Section 2.01(a), if applicable.

(d) The Province shall, as a payee of Subrogation Amounts under clause 2.01(a)iv(B) and as a payee of any amounts payable under clause 2.01(b), be a “Specified

Creditor" under the Trust Indenture and have the benefit of the Collateral thereunder.

(e) For greater certainty, the Limited Guarantee will not apply to any amount or obligation of the Financing Entity that is not or does not arise under an Approved Obligation and will be limited to the right to receive the Approved Obligation Amounts, if any, for payment to Beneficiary Payees and will be subject to the priorities and to the Province's rights to Subrogation Amounts, set forth in Section 2.01(a).

(f) Except as expressly provided in this Agreement, the Province's obligation to provide and perform the Limited Guarantee shall be irrevocable, absolute and unconditional.

(g) Any amount payable by the Province under the Limited Guarantee in respect of an Approved Obligation that is not paid by the Province when required herein shall bear interest from the applicable due date until paid in full at the rate or rates expressed to be payable on the Approved Obligation by their terms.

(h) Any amount payable to the Province in respect of a Subrogation Amount shall bear interest from and including the date of payment by the Province of the related Guarantee Payment to but excluding the date of payment of the Subrogation Amount to the Province, such interest to accrue at the rate equivalent to the applicable interest rate borne by the related Approved Obligation, and such interest amounts shall be added to their respective Subrogated Amounts and shall consequently be payable in the same priority as the relevant Subrogated Amount under clause 2.01(a)iv(B), all such accruing interest amounts to be calculated and added to the Subrogation Amounts by the Manager in its discretion acting in a commercially reasonable fashion.

(i) The right to deliver a Payment Demand and thereupon enforce the Limited Guarantee shall constitute the only remedy available to the Indenture Trustee (and to the Beneficiaries, to the extent they are permitted to exercise any rights, interests, or elections under and in accordance with the Trust Indenture) under this Agreement. Under no circumstances shall the Province be obligated to pay or indemnify the Indenture Trustee or any Beneficiary for consequential, special or punitive damages, or for economic loss or loss of profits; provided that, for greater certainty, economic loss shall not include any amount in respect of any amount due and payable to a Beneficiary Payee under the Limited Guarantee.

2.02 Intentionally Deleted.

2.03 Absence of Set-off

Subject to applicable law, the Province acknowledges and agrees that each payment to be made by the Province hereunder in respect of an Approved Obligation shall be made as required

in whole, without application of any right of set-off and without regard to any equities as between or among any of the Province, the Beneficiaries and/or the Indenture Trustee.

2.04 Payment into Protection Account in Satisfaction

(a) On or before the date of delivery of a Payment Demand to the Province, the Indenture Trustee shall cause to be established and maintained an Eligible Deposit Account (the "**Protection Account**") in the name of the Indenture Trustee, bearing a designation clearly indicating that the funds and other property credited thereto are held for the benefit of the Indenture Trustee and the Beneficiaries. The Protection Account shall be under the control of the Indenture Trustee for the benefit of the Beneficiaries. If, at any time, the institution holding the Protection Account ceases to be an Eligible Institution, the FSM shall notify the Indenture Trustee, and the Indenture Trustee upon being notified in writing of such ineligibility (or the FSM on its behalf) shall within 30 days (or such longer period, not to exceed 45 days, so long as the Rating Agency Condition is satisfied) establish a new Protection Account that is an Eligible Deposit Account and shall transfer any funds or other property from such Protection Account to such new Protection Account. From the date each such new Protection Account is established, it shall be the "Protection Account" for purposes of this Agreement. Funds credited to the Protection Account will be invested and held in accordance with Section **[7.03]** of the Trust Indenture on the basis that it is an Issuer Account.

(b) Notwithstanding the priority of payment requirements set forth in the Trust Indenture and any legal rule concerning the imputation of payments, the Financing Entity and the Indenture Trustee shall ensure that all amounts paid by the Province into the Protection Account on a Guarantee Payment Date in respect of an Approved Obligation are applied to pay the amounts due and payable to the Beneficiary Payee as and to the extent provided for in Section 2.01(a). Upon a payment having been made by or on behalf of the Province into the Protection Account, the amounts so paid shall for all purposes be considered to have been applied to pay the applicable Beneficiary Payee as provided for in Section 2.01(a) and thereby reduce the amount due and payable to such Beneficiary Payee in respect of the applicable Approved Obligations, whereupon an affected Beneficiary Payee shall have no continuing rights, interests or entitlements (including rights as a secured party) in respect of the Approved Obligation to the extent so paid. For greater certainty, the obligations arising in respect of an applicable Approved Obligation shall not be reduced by such payment as the Province shall become entitled to be paid related Subrogation Amounts and the rights contemplated under Section 2.01(a) and Section 5.01 in relation to such continuing obligations.

2.05 Certain Waivers

The Province hereby waives:

(a) any requirement, and any right to require, that any power be exercised or any action be taken against the Financing Entity or any Collateral for any of the Approved Obligations;

(b) all notices which may be required by applicable law to preserve any rights against the Province hereunder, including any notice of default, demand, dishonour, presentment and protest;

(c) diligence; and

(d) any defence based upon, arising out of or in any way related to any claim that any election of remedies by the Beneficiaries impaired, reduced, released or extinguished any rights that the Province might otherwise have had against the Financing Entity or any other surety.

The Province agrees that each such waiver is made with full knowledge of its significance and consequences and if any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the maximum extent permitted by applicable law.

2.06 Additional Security

This Agreement shall be in addition to and without prejudice to any other security by whomsoever given, held at any time by the Indenture Trustee or for the benefit of any of the Beneficiaries.

2.07 Continuing Liability of the Province

The Approved Obligations shall be deemed not to have been paid, observed or performed, and the liability of the Province hereunder in respect thereof shall continue and not be discharged, to the extent that any payment, observance or performance thereof by the Financing Entity, or out of the proceeds of any Collateral, is recovered from or reimbursed by or for the account of any of the Beneficiaries for any reason, including a preference or fraudulent transfer or by virtue of any subordination (whether present or future or contractual or otherwise) of the Approved Obligations, whether such recovery or payment over is effected by any judgment, decree or order of any court or Governmental Authority, by any plan of reorganization or by settlement or compromise by any of the Beneficiaries (whether or not consented to by the Financing Entity or the Province) of any claim for any such recovery or payment over.

2.08 Continuance of the Limited Guarantee

Subject to Section 2.07, the Limited Guarantee shall continue in full force and effect until the indefeasible payment, observance and performance in full of the Approved Obligations in accordance with Section 8.01.

2.09 Modifications of Approved Obligations

The Province expressly authorizes the Indenture Trustee, at any time and from time to time, without notice and without affecting the liability of the Province hereunder, but subject to compliance with the requirements of the Program Agreements and this Agreement, to:

(a) accept new, additional or replacement instruments, documents, agreements or security in connection with all or any part of the Approved Obligations;

(b) accept partial payments on the Approved Obligations; and

(c) waive, release, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, compromise, liquidate and enforce all or any part of the Approved Obligations and any security or guarantee therefor, and apply any such security and direct the order or manner of sale thereof as the Indenture Trustee (for the benefit of the Beneficiaries) in its discretion may determine.

ARTICLE III
THE INDENTURE TRUSTEE

3.01 The Indenture Trustee

This Agreement is made in favour of the Indenture Trustee in its capacity as trustee under the Trust Indenture. Accordingly, in the event of a new trustee being appointed under the Trust Indenture, such new trustee shall thereupon become and be the Indenture Trustee hereunder, but nevertheless, the Indenture Trustee shall forthwith assign, transfer and make over to the new trustee hereunder this Agreement. All provisions of the Trust Indenture for the protection of the Indenture Trustee or for facilitating the administration of the trusts or otherwise relating to the Indenture Trustee solely as to its holding of the rights thereunder shall apply *mutatis mutandis* to this Agreement and the Indenture Trustee's duties hereunder.

3.02 Acceptance of Trusts

The Indenture Trustee hereby accepts the trusts hereof and agrees to carry out and discharge the same unless and until a new trustee shall be appointed as contemplated in Section 3.01.

ARTICLE IV
APPROVED OBLIGATIONS

4.01 Approval Process

Except in respect of any Primary Obligation to which the Limited Guarantee will not apply on or after a Suspension Notice is delivered in accordance with Section 7.02, a Primary Obligation that is not a Certified Primary Obligation shall be an Approved Obligation. A Certified Primary Obligation shall constitute an Approved Obligation if (i) the Adherence

Conditions applicable thereto have been satisfied at the time the Primary Obligation was incurred or (ii) the Province, in its sole discretion, designates in writing that it is an Approved Obligation.

4.02 Adherence Conditions

(a) The following shall be the Adherence Conditions applicable in relation to each Certified Primary Obligation:

i. the Certified Primary Obligation when incurred is an Obligation Secured under the Trust Indenture; and

ii. OPG, as FSM, delivers an Adherence Compliance Certificate in the form attached hereto as Exhibit B signed by the Chief Financial Officer and the Treasurer of OPG, or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) and addressed to the Indenture Trustee, on or before the incurrence of the Certified Primary Obligation (provided that delivery may not be more than 5 Business Days before the incurrence of the Certified Primary Obligation); and

7.01 Suspension Notice

Upon:

(a) a Program Breach;

(b) a default in the performance, or breach, of any covenants of OPG, as FSM, or OPG, in its corporate capacity, in each case to the Province in connection with its obligations to the Province pursuant to internal requirements and processes in connection with the provision or adherence of the Limited Guarantee to or in respect of any Certified Primary Obligation and the expiration of any applicable cure period;

(c) a representation or warranty made by OPG or a certification made by one or more officers of OPG, in each case whether as FSM or in its corporate capacity, to the Province in connection with its obligations to the Province and its internal requirements and processes in connection with the provision or adherence of the Limited Guarantee to or in respect of any Certified Primary Obligations, proves to be incorrect in any material respect on the date made and the expiration of any applicable cure period; or

(d) the FSM no longer being the Manager or actions having been taken by or on behalf of the Indenture Trustee to remove the FSM as the Manager;

the Province may deliver a written notice in the form of Exhibit C (a "**Suspension Notice**") to the Indenture Trustee, the FSM and the Financing Entity.

7.02 Suspension

If a Suspension Notice has been provided under Section 7.01 (the provision of such notice being a "**Suspension Event**"), the Limited Guarantee shall not apply in respect of: (i) any Primary Obligation incurred, excluding Post-Suspension Refinancings, or (ii) any amendment of any Primary Obligation that has a Material Effect, unless otherwise agreed to by the Province, in each case, on or after the time such Suspension Notice is delivered.

7.03 Additional Right of the Province Regarding Post-Suspension Refinancings

If, within such 30-day period, the Province elects to offer to fund such Post-Suspension Refinancing as provided in the preceding sentence, the Manager shall accept such offer; however, if the Province does not elect to offer to fund such Post-Suspension Refinancing, the Manager shall cause the Financing Entity to incur Primary Obligations constituting such a Post-Suspension Refinancing on substantially the same terms (excluding, for greater certainty, any financial terms, rates or levels) as those set out in the Proposal if the Post-Suspension Refinancing can be completed by the Financing Entity

in compliance with the Act, or on such other terms as would not have a Material Effect, without taking into account any financial terms, rates or levels.

7.04 No Impact on Adherence

For greater certainty, the occurrence of a Suspension Event or a failure by the FSM or the Financing Entity to perform its covenants under this Agreement will not invalidate or extinguish the obligations of the Province under the Limited Guarantee in respect of Approved Obligations in existence prior to the occurrence of the Suspension Event or in respect of any Post-Suspension Refinancing.

RECITALS

Pursuant to Subsection 5(3) of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**"), the Lieutenant Governor in Council may by order, authorize the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to agree to guarantee or indemnify certain debts, obligations, securities or undertakings associated with an Investment Interest.

Pursuant to an Order in Council ~~dated as of~~ 1981/2017 (the "**OIC**"), the Lieutenant Governor in Council has, among other things, authorized the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to enter into one or more agreements to guarantee or indemnify the debts, obligations, securities or undertakings of one or more financing entities established or caused to be established pursuant to Subsection 22(2) of the Act by the FSM and that may incur Funding Obligations in connection with one or more Investment Interests.

Pursuant to a Declaration of Trust dated as of ■, 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

The Financing Entity Trustee, in its capacity as trustee of the Financing Entity, and the Indenture Trustee are parties to the Trust Indenture and propose to create and issue series of notes, bonds and other securities as contemplated therein, and to provide security over the assets and undertaking of the Financing Entity in respect of such notes, bonds and securities, as well as other Obligations Secured.

The Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, have determined to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Primary Obligations that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions at the time the Approved Obligation is incurred. This Agreement sets out the terms and conditions of such protections and assurances.

All things necessary to make this Agreement a valid and legally binding agreement of the Province, the Financing Entity, the FSM and the Indenture Trustee, in accordance with the Act, the OIC and the Trust Indenture, have been done.

AGREEMENT OF THE PARTIES

1.19 Judgment Currency

(a) If for the purpose of obtaining judgment in any court or for any other purposes (other than conversions specifically provided for in the agreement under which an Approved Obligation arises), it is necessary to convert any amount due under this Agreement from the currency in which it is due (the "**Original Currency**") into another currency (the "**Second Currency**"), the rate of exchange applied shall be that at which, in accordance with normal banking procedures, the purchaser could purchase, in the New York foreign exchange market, the Original Currency with the Second Currency on the date on which judgment is given. The obligation of the Province in respect of any Original Currency due from it to the Indenture Trustee under this Agreement shall, notwithstanding any judgment or payment in such other currency, be discharged only to the extent that, on the Business Day following receipt of any sum so paid or adjudged to be due under this Agreement in the Second Currency, the Indenture Trustee may, in accordance with normal banking procedures, purchase in the New York foreign exchange market the Original Currency with the amount of the Second Currency so paid or so adjudged to be due; and if the amount of the Original Currency so purchased is less than the amount originally due in the Original Currency, the Province shall indemnify the Indenture Trustee against such loss.

(b) The term "rate of exchange" in this Section 1.19 means the spot rate at which the Indenture Trustee, in accordance with normal practice, is able on the relevant date to purchase the Original Currency with the Second Currency and includes any premium and costs of exchange payable in connection with such purchase.

ARTICLE II
AGREEMENT TO PERFORM APPROVED OBLIGATIONS

2.01 Limited Guarantee

(a) Upon the occurrence of a Protection Event, the Indenture Trustee may deliver a written demand, substantially in the form attached as **[Exhibit A]** (a "**Payment Demand**"), to the Province requiring the Province to make payments in respect of the Approved Obligations at the times, in the amounts and subject to the requirements specified in this Agreement. From and after such delivery of a Payment Demand, the Province shall make the following payments in respect of the Approved Obligations (the "**Limited Guarantee**"), ~~and~~ the Financing Entity shall pay, and the Province shall be entitled to be paid, the Subrogation ~~Entitlements~~**Amounts** specified below**, and the following terms shall apply**:

i. Not less than **three (**3**)** Business Days prior to each day when any payment or payments are to be made in respect of one or more Approved Obligations occurring after such delivery of a Payment Demand (each such day, a "**Guarantee Payment Date**"), the Manager shall deliver a written statement setting forth the Aggregate Approved Obligations Amount, if any, in respect of the Approved Obligations that are due and payable on such Guarantee Payment Date, together with a detailed description identifying such Approved Obligations and the nature and amount of payments due and payable thereunder on the Guarantee Payment Date, the aggregate outstanding amount payable by the Financing Entity under such Approved Obligations as of the date of such written statement, and details regarding any default in performance by any party obligated thereunder.

ii. On each such Guarantee Payment Date, the Province shall deposit the Aggregate Approved Obligations Amount into the Protection Account.

iii. On each such Guarantee Payment Date, the Financing Entity and the Indenture Trustee shall ensure that the amounts on deposit in the Protection Account are applied to pay each Beneficiary to whom an amount is due and payable under an Approved Obligation on the Guarantee Payment Date the Approved Obligation Amount for such Beneficiary in respect of such Approved Obligation on such Guarantee Payment Date; provided that if the amount deposited pursuant to clause 2.01(a)ii is insufficient to pay all such Approved Obligation Amounts in full, the amount on deposit in the Protection Account on the Guarantee

Payment Date shall be applied to pay Beneficiaries in the order of priority in which such Approved Obligations are payable under the payment provisions of the Trust Indenture applicable to the making of such payments on the Guarantee Payment Date (each, a "**Beneficiary Payee**" and each payment made to a Beneficiary Payee on a Guarantee Payment Date, a "**Guarantee Payment**").

iv. On ~~any~~**the first** Guarantee Payment Date**, and on each subsequent Guarantee Payment Date, Payment Date or other day** on which ~~an amount is paid by the Province pursuant to clause 2.01(a)ii~~**any amount is required to be paid in respect of any Obligations Secured under the Trust Indenture (a "Subrogation Payment Date"), the Issuer and the Indenture Trustee shall ensure that** the applicable payment provisions of the Trust Indenture shall~~, notwithstanding the express terms of such provisions set forth in the Trust Indenture,~~ be applied and operate on the following basis:

(A) ~~[2]the amount payable to a Beneficiary Payee in respect of an Approved Obligation from amounts available under such payment provisions on such Guarantee Payment Date~~**If such day is a Guarantee Payment Date, then for each Approved Obligation for which amounts are paid to a Beneficiary Payee on such day pursuant to clause 2.01(a)iii in respect of principal, interest or any other amounts ("Payable Approved Amounts"), the amounts payable by the Financing Entity in respect of such amounts for such Approved Obligation** shall be reduced by the ~~amount of the Guarantee Payment paid~~**respective amounts of such payments** to the Beneficiary Payee~~ pursuant to clause 2.01(a)iii in respect of such Approved Obligation on such Guarantee Payment Date;~~**, and equivalent amounts shall be payable by the Financing Entity to the Province as "Subrogation Amounts" in respect of such Approved Obligations, such Subrogation Amounts being payable in the same order of priority and with the same entitlements accruing**

~~[2] Explanatory Note: In a particular period, the cash available from CEAs may exceed the aggregate Finance Amounts payable - for example, as a result of the "true-up" under the Act, which will determine the actual amount of cash available. The basic structure is that the Province will pay all Approved Obligation Amounts, and will be entitled to receive all cash flows available to the Beneficiary Payees. Limiting the subrogation amounts to the lesser of such available cash and the Guarantee Payments could result in leakage of the cash that the Province looks to under this arrangement.~~

to the Province as applied in respect of the related Payable Approved Amounts which were previously owing to the Beneficiary Payee, and to reflect this subrogation the payments set out in clause 2.01(a)iv(B) below shall be made by the Financing Entity.

(B) ~~the Province shall be paid the amount payable to a Beneficiary Payee in respect of an Approved Obligation~~**If the Province has made all deposits required to be made by it on each Guarantee Payment Date occurring on or before such day in accordance with clause 2.01(a)ii (or the related Approved Obligation Amounts have otherwise all been paid in full), then in respect of each Approved Obligation for which any related Subrogation Amounts have not yet been paid in full to the Province, the Financing Entity shall pay to the Province** from amounts available ~~to pay the Beneficiary Payee~~ under ~~such payment provisions on the Guarantee Payment Date,~~**the Trust Indenture payment provisions and in accordance with the priority of payment provisions in the Trust Indenture the amount that would be payable on such date in satisfaction of the relevant Payable Approved Amounts, as** determined without regard to ~~the~~**any** Guarantee Payment paid on ~~such~~**any** Guarantee Payment Date and **also without regard to** the corresponding reduction of the ~~amount~~**amounts** owing to ~~the~~**present and former** Beneficiary ~~Payee~~**Payees** pursuant to subclause 2.01(a)iv(A) ~~(each such~~**up to the** amount ~~payable to~~**of** the ~~Province being a "~~**unpaid related** Subrogation ~~**Amount**");~~**Amounts.**

(C) ~~no~~**No** Beneficiary having a right to be paid an amount in respect of an Approved Obligation, and no other Person entitled under an Obligation Secured, in each case that ranks equal with or subordinate to ~~an~~**the Payable** Approved ~~Obligation~~**Amount** in respect of which a Subrogation Amount is payable to the Province under subclause 2.01(a)iv(B), shall be entitled to make any claim or assert any right in or to the amounts paid or payable to the Province under such subclause (including any right of **set-off, offset,** reimbursement, contribution

or indemnity) and no such Beneficiary or other Person shall have any right or interest in, to or under the Collateral or any proceeds therefrom in respect of any such Subrogation Amount~~;~~

~~(D)~~ [3]~~on the first day when any payment or payments are to be made in respect of Obligations Secured that occurs on or after the date on which all amounts payable under all Approved Obligations have been paid in full, the Province shall be entitled to be paid from amounts available to pay Obligations Secured on such day (and thereafter on each subsequent day when any payment or payments are to be made in respect of Obligations Secured, until paid in full), in each case in accordance with the applicable payment provisions of the Trust Indenture on such day, the following amounts (each, a "**Final Subrogation Amount**"), in each case in the priorities specified below:~~

~~(I) as an amount ranking equally with [Senior Obligations][4], the amount by which (1) the sum of (x) all Guarantee Payments paid by the Province up to and including such day in respect of Approved Obligations ranking equally with or prior to [Senior Obligations], plus (y) the sum of amounts determined in respect of interest on each such Guarantee Payment from and including the date of its payment by the Province to but excluding the date a Subrogation Amount is paid to the Province in respect of such Guarantee Payment, as attributed to such Guarantee Payment in accordance with the Trust Indenture and calculated based on the applicable interest rate borne by the Approved Obligation to which such Guarantee Payment related[5], exceeds (2)~~

[3] ~~Explanatory Note: The Province will be entitled to receive subrogation cash flows after satisfaction of all Approved Obligations. This provision provides how that these amounts will be payable from available cash flows, based on priorities that address cash entitlements opposite non-guaranteed obligations secured (e.g., after a suspension event). Conforming changes will need to be made to the Trust Indenture once these mechanics have been settled.~~

[4] ~~Explanatory Note: Nomenclature to be conformed, once the corresponding provisions of the Trust Indenture have been settled.~~

[5] ~~Explanatory Note: Nomenclature to be conformed, once the corresponding provisions of the Trust Indenture have been settled.~~

~~the sum of all Subrogation Amounts paid to the Province up to and including such day;~~

~~(II) as an amount ranking equally with [Subordinated Obligations], the amount by which (1) the sum of (x) all Guarantee Payments paid by the Province up to and including such day in respect of Approved Obligations ranking equally with or prior to [Subordinated Obligations], plus (y) the sum of amounts determined in respect of interest on each such Guarantee Payment from and including the date of its payment by the Province to but excluding the date a Subrogation Amount is paid to the Province in respect of such Guarantee Payment, as attributed to such Guarantee Payment in accordance with the Trust Indenture and calculated based on the applicable interest rate borne by the Approved Obligation to which such Guarantee Payment related, exceeds (2) the sum of (x) all Subrogation Amounts paid to the Province up to and including such day, plus (y) the amount determined under (I); and~~

~~(III) as an amount ranking equally with [Junior Obligations], the amount by which (1) the sum of (x) all Guarantee Payments paid by the Province up to and including such day in respect of Approved Obligations ranking equally with or prior to [Junior Obligations], plus (y) the sum of amounts determined in respect of interest on each such Guarantee Payment from and including the date of its payment by the Province to but excluding the date a Subrogation Amount is paid to the Province in respect of such Guarantee Payment, as attributed to such Guarantee Payment in accordance with the Trust Indenture and calculated based on the applicable interest rate borne by the Approved Obligation to which such Guarantee Payment related, exceeds (2) the sum of (x) all Subrogation Amounts paid to the Province up to and including such~~

~~day, plus (y) the sum of the amounts determined under (I) plus (z) the sum of the amounts determined under (II); and(E)~~

~~no Person entitled under an Obligation Secured that ranks equal with or subordinate to a Final Subrogation Amount shall be entitled to make any claim or assert any right in or to the amounts paid or payable to the Province in respect of such Final Subrogation Amount and no such Person shall have any right or interest in, to or under the Collateral or any proceeds therefrom in respect of any such Final Subrogation Amount~~.

(D) **For greater certainty, the entitlements of the Province in respect of Subrogation Amounts arising in respect of Payable Approved Obligations that are interest and principal obligations on Notes shall be treated for all purposes of the Trust Indenture as interest and principal obligations, respectively, arising under Notes having the same priority as and any applicable voting rights under the related Approved Obligations, and accordingly the Province (and any successor, assignee or transferee of such entitlements) shall be entitled to all of the rights, entitlements, interests and privileges of a Holder of such a Notes in accordance with the Trust Indenture, as supplemented by the Supplemental Indenture or other indenture document under which the related Approved Obligations were issued.**

(b) ~~v.~~ On ~~any~~**each** Guarantee Payment Date **and upon demand by the Province**, the Indenture Trustee shall release and pay to the Province free and clear of any Liens any amount remaining on deposit in the Protection Account that has not been applied to pay Guarantee Payments to Beneficiary Payees on the Guarantee Payment Date in accordance with clause 2.01(a)~~iii.~~ **iii or that otherwise remains on deposit in the Protection Account on the relevant date.**

(c) ~~vi.~~ In preparing any payment instructions under the Trust Indenture, the Manager shall reflect the amounts payable under Section 2.01(a)**, if applicable**.

(d) ~~(b)~~ The Province shall, as a payee of Subrogation Amounts under clause 2.01(a)~~(iv)(B), as a payee of each Final Subrogation Amount under clause 2.01(a)(iv)~~**iv**(B) and as a payee of any amounts payable under clause 2.01(~~a)(v~~**b**), be a "Specified Creditor" under the Trust Indenture and have the benefit of the Collateral thereunder.

(e) ~~(c)~~ For greater certainty, the Limited Guarantee will not apply to any amount or obligation of the Financing Entity that is not or does not arise under an Approved Obligation and will be limited to the right to receive the Approved Obligation Amounts, if any, for payment to Beneficiary Payees and will be subject to the priorities and to the Province's rights to Subrogation ~~Entitlements~~**Amounts**, set forth in Section 2.01(a).

(f) ~~(d)~~ Except as expressly provided in this Agreement, the Province's obligation to provide and perform the Limited Guarantee shall be irrevocable, absolute and unconditional.

(g) ~~(e)~~ Any amount payable by the Province under the Limited Guarantee in respect of an Approved Obligation that is not paid by the Province when required herein shall bear interest from the applicable due date until paid in full at the rate or rates expressed to be payable on the Approved Obligation by their terms.

(h) **Any amount payable to the Province in respect of a Subrogation Amount shall bear interest from and including the date of payment by the Province of the related Guarantee Payment to but excluding the date of payment of the Subrogation Amount to the Province, such interest to accrue at the rate equivalent to the applicable interest rate borne by the related Approved Obligation, and such interest amounts shall be added to their respective Subrogated Amounts and shall consequently be payable in the same priority as the relevant Subrogated Amount under clause 2.01(a)iv(B), all such accruing interest amounts to be calculated and added to the Subrogation Amounts by the Manager in its discretion acting in a commercially reasonable fashion.**

(i) ~~(f)~~ The right to deliver a Payment Demand and thereupon enforce the Limited Guarantee shall constitute the only remedy available to the Indenture Trustee (and to the Beneficiaries, to the extent they are permitted to exercise any rights, interests, or elections under and in accordance with the Trust Indenture) under this Agreement. Under no circumstances shall the Province be obligated to pay or indemnify the Indenture Trustee or any Beneficiary for consequential, special or punitive damages, or for economic loss or loss of profits; provided that, for greater certainty, economic loss shall not include any amount in respect of any

amount due and payable to a Beneficiary Payee under the Limited Guarantee.

2.02 Intentionally Deleted.

2.03 Absence of Set-off

Subject to applicable law, the Province acknowledges and agrees that each payment to be made by the Province hereunder in respect of an Approved Obligation shall be made as required in whole, without application of any right of set-off and without regard to any equities as between or among any of the Province, the Beneficiaries and/or the Indenture Trustee.

2.04 Payment into Protection Account in Satisfaction

(a) On or before the date of delivery of a Payment Demand to the Province, the Indenture Trustee shall cause to be established and maintained an Eligible Deposit Account (the "**Protection Account**") in the name of the Indenture Trustee, bearing a designation clearly indicating that the funds and other property credited thereto are held for the benefit of the Indenture Trustee and the Beneficiaries. The Protection Account shall be under the control of the Indenture Trustee for the benefit of the Beneficiaries. If, at any time, the institution holding the Protection Account ceases to be an Eligible Institution, the FSM shall notify the Indenture Trustee, and the Indenture Trustee upon being notified in writing of such ineligibility (or the FSM on its behalf) shall within 30 days (or such longer period, not to exceed 45 days, so long as the Rating Agency Condition is satisfied) establish a new Protection Account that is an Eligible Deposit Account and shall transfer any funds or other property from such Protection Account to such new Protection Account. From the date each such new Protection Account is established, it shall be the "Protection Account" for purposes of this Agreement. Funds credited to the Protection Account will be invested and held in accordance with Section **[7.03]** of the Trust Indenture on the basis that it is an Issuer Account.

(b) Notwithstanding the priority of payment requirements set forth in the Trust Indenture and any legal rule concerning the imputation of payments, the Financing Entity and the Indenture Trustee shall ensure that all amounts paid by the Province into the Protection Account on a Guarantee Payment Date in respect of an Approved Obligation are applied to pay the amounts due and payable to the ~~Beneficiaries~~**Beneficiary Payee** as and to the extent provided for in Section 2.01(a). Upon a payment having been made by or on behalf of the Province into the Protection Account, the amounts so paid shall for all purposes be considered to have been applied to pay the applicable ~~Beneficiaries~~**Beneficiary Payee** as provided for in Section 2.01(a) and thereby reduce the amount due and payable to such ~~Beneficiaries~~**Beneficiary Payee** in respect of the applicable Approved Obligations, whereupon an affected Beneficiary **Payee** shall have no continuing rights, interests or entitlements (including rights as a secured party) in respect of the Approved Obligation to the extent so paid. For greater certainty, the

obligations arising in respect of an applicable Approved Obligation shall not be reduced by such payment as the Province shall become entitled to be paid related Subrogation ~~Entitlements~~**Amounts** and the rights contemplated under Section 2.01(a) and Section 5.01 in relation to such continuing obligations.

2.05 Certain Waivers

The Province hereby waives:

(a) any requirement, and any right to require, that any power be exercised or any action be taken against the Financing Entity or any Collateral for any of the Approved Obligations;

(b) all notices which may be required by applicable law to preserve any rights against the Province hereunder, including any notice of default, demand, dishonour, presentment and protest;

(c) diligence; and

(d) any defence based upon, arising out of or in any way related to any claim that any election of remedies by the Beneficiaries impaired, reduced, released or extinguished any rights that the Province might otherwise have had against the Financing Entity or any other surety.

The Province agrees that each such waiver is made with full knowledge of its significance and consequences and if any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the maximum extent permitted by applicable law.

2.06 Additional Security

This Agreement shall be in addition to and without prejudice to any other security by whomsoever given, held at any time by the Indenture Trustee or for the benefit of any of the Beneficiaries.

2.07 Continuing Liability of the Province

The Approved Obligations shall be deemed not to have been paid, observed or performed, and the liability of the Province hereunder in respect thereof shall continue and not be discharged, to the extent that any payment, observance or performance thereof by the Financing Entity, or out of the proceeds of any Collateral, is recovered from or reimbursed by or for the account of any of the Beneficiaries for any reason, including a preference or fraudulent transfer or by virtue of any subordination (whether present or future or contractual or otherwise) of the Approved Obligations, whether such recovery or payment over is effected by any judgment, decree or order of any court or Governmental Authority, by any plan of reorganization or by settlement or compromise by any of the Beneficiaries (whether or not consented to by the Financing Entity or the Province) of any claim for any such recovery or payment over.

2.08 Continuance of the Limited Guarantee

Subject to Section 2.07, the Limited Guarantee shall continue in full force and effect until the indefeasible payment, observance and performance in full of the Approved Obligations in accordance with Section 8.01.

2.09 Modifications of Approved Obligations

The Province expressly authorizes the Indenture Trustee, at any time and from time to time, without notice and without affecting the liability of the Province hereunder, but subject to compliance with the requirements of the Program Agreements and this Agreement, to:

(a) accept new, additional or replacement instruments, documents, agreements or security in connection with all or any part of the Approved Obligations;

(b) accept partial payments on the Approved Obligations; and

(c) waive, release, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, compromise, liquidate and enforce all or any part of the Approved Obligations and any security or guarantee therefor, and apply any such security and direct the order or manner of sale thereof as the Indenture Trustee (for the benefit of the Beneficiaries) in its discretion may determine.

ARTICLE III
THE INDENTURE TRUSTEE

3.01 The Indenture Trustee

This Agreement is made in favour of the Indenture Trustee in its capacity as trustee under the Trust Indenture. Accordingly, in the event of a new trustee being appointed under the Trust Indenture, such new trustee shall thereupon become and be the Indenture Trustee hereunder, but nevertheless, the Indenture Trustee shall forthwith assign, transfer and make over to the new trustee hereunder this Agreement. All provisions of the Trust Indenture for the protection of the Indenture Trustee or for facilitating the administration of the trusts or otherwise relating to the Indenture Trustee solely as to its holding of the rights thereunder shall apply *mutatis mutandis* to this Agreement and the Indenture Trustee's duties hereunder.

of the payment by the Province in respect of the Approved Obligation as an absolute assignee of the applicable Beneficiary, with effect from and after the time of such payment, without any further requirement for notice to or acceptance by the Financing Entity of such absolute assignment and without any reduction, set-off or counterclaim on account of any amounts that may, at or after the time of payment, be or become owing by the Beneficiary to the Financing Entity and unaffected by any other rights or equities that arise thereafter as between the Beneficiary and the Financing Entity. The Indenture Trustee shall recognize the Province as being entitled to all of the rights, interests and entitlements of the Beneficiary (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)) in respect and to the extent of the Approved Obligation so paid, determined as of the time of payment, for all purposes under the Trust Indenture, and the Province shall be treated as a Specified Creditor in respect thereof for all purposes under the Trust Indenture and any other agreement under which the Approved Obligation arises.

5.02 Priorities

For greater certainty, the rights, interests and entitlements of the Province as an assignee and subrogee of and with respect to an Approved Obligation **and the Payable Approved Amounts thereunder** shall rank equally with the rights, interests and entitlements of a Beneficiary to whom a Limited Guarantee payment is made in respect of, and to the extent of the

payment made to satisfy, the Approved Obligation and the Province shall not be subject to postponement or subordination with respect thereto except to the extent of the priorities established in relation to the Approved Obligation under the Trust Indenture in the manner and to the extent contemplated in Section [**7.10**~~(d)~~] of the Trust Indenture.

5.03 Intentionally Deleted

(a) the execution and delivery of, and the performance of its obligations under, this Agreement by the Province have been authorized by all necessary action on the part of the Province;

(b) the execution and delivery of, and the performance of its obligations under, this Agreement by the Province do not result in the violation of any applicable law; and

(c) this Agreement has been duly executed and delivered by the Province.

ARTICLE VI
INDENTURE TRUSTEE MATTERS

ARTICLE VII

7.01 Suspension Notice

(a) a Program Breach;

(b) a default in the performance, or breach, of any covenants of OPG, as FSM, or OPG, in its corporate capacity, in each case to the Province in connection with its obligations to the Province pursuant to internal requirements and processes in connection with the provision **or adherence** of the Limited Guarantee~~, which continues for thirty (30) days after written notice by the Province to OPG of such default or breach~~ **to or in respect of** any Certified Primary Obligation **and the expiration of any applicable cure period**;

(c) a representation or warranty made by OPG or a certification made by one or more officers of OPG, in each case whether as FSM or in its corporate capacity, to the Province in connection with its obligations to the Province ~~pursuant to~~**and its** internal requirements and processes in connection with the provision **or adherence** of the Limited Guarantee **to or in respect of any Certified Primary**

(d) the FSM no longer being the Manager or actions having been taken by or on behalf of the Indenture Trustee to remove the FSM as the Manager~~,~~**;**

the Province may ~~declare that the Limited Guarantee under this Agreement shall not apply to any Primary Obligations incurred on or after such declaration, other than any Refinancing of a Primary Obligation in respect of which the Adherence Conditions had previously been satisfied (provided that the Refinancing is an Approved Obligation), by delivering~~**deliver** a written notice in the form of Exhibit ~~B~~**C** (a "**Suspension Notice**") to the Indenture Trustee, the FSM and the Financing Entity.

~~The Limited Guarantee shall apply to any Certified Primary Obligation incurred after a Suspension Event on the basis that it is a Refinancing (provided that such Refinancing is an Approved Obligation) only if the FSM certifies to the Province in writing prior to the incurrence that the proceeds of such incurrence will be used solely for the purposes of repaying one or more Certified Primary Obligations incurred prior to the Suspension Event and to which the Limited Guarantee adhered as of the time the Suspension Event occurred, and the delivery of such written certification by the FSM to the Province shall be determinative for the purposes of concluding that such incurrence is a Refinancing for the purposes of Sections 7.01, 7.02 and 7.03.~~

7.02 Suspension

If a Suspension Notice has been provided under Section 7.01 (the provision of such notice being a "**Suspension Event**"), the Limited Guarantee shall not apply in respect of**: (i)** any Primary Obligation incurred ~~or amended~~**, excluding Post-Suspension Refinancings, or (ii) any amendment of any Primary Obligation that has a Material Effect, unless otherwise agreed to by the Province, in each case,** on or after the time such Suspension Notice is delivered~~, other than any Refinancing of a Primary Obligation in respect of which the Adherence Conditions had previously been satisfied (provided that the Refinancing is an Approved Obligation).~~ **.**

7.03 Additional Right of the Province Regarding Post-Suspension Refinancings

Following the occurrence of a Suspension Event, the Limited Guarantee shall continue to apply in respect of any Post-Suspension Refinancing (for greater certainty, without regard to the satisfaction of any Adherence Conditions); provided that prior to the Financing Entity incurring any Primary Obligation constituting a Post-Suspension Refinancing, the Manager shall provide the Province with at least 30 days' notice of its intention to seek a Post-Suspension Refinancing and prior to incurrence, which notice shall describe the material covenants, events of default, representations and warranties and indemnities of the Financing Entity and other material terms, excluding financial terms, rates and levels, and that shall be in respect of the full amount of the amount becoming due and payable in respect of the applicable Primary Obligation less amounts otherwise

available to the Financing Entity from other available or committed sources (the "Proposal"), and during such 30 day period the Province may, but is not obligated to, offer to fund such Post-Suspension Refinancing or arrange for another Person to fund such Post-Suspension Refinancing on the same terms as set out in the Proposal or on such other terms as may be considered by the Province to be not more onerous on the Financing Entity and that are acceptable on that basis to the Financing Entity, acting reasonably. If, within such 30-day period, the Province elects to offer to fund such Post-Suspension Refinancing as provided in the preceding sentence, the Manager shall accept such offer; however, if the Province does not elect to offer to fund such Post-Suspension Refinancing, the Manager shall cause the Financing Entity to incur Primary Obligations constituting such a Post-Suspension Refinancing on substantially the same terms (excluding, for greater certainty, any financial terms, rates or levels) as those set out in the Proposal if the Post-Suspension Refinancing can be completed by the Financing Entity in compliance with the Act, or on such other terms as would not have a Material Effect, without taking into account any financial terms, rates or levels.

7.04 ~~7.03~~ No Impact on Adherence

For greater certainty, the occurrence of a Suspension Event or a failure by the FSM or the Financing Entity to perform its covenants under this Agreement will not invalidate or extinguish the obligations of the Province under the Limited Guarantee in respect of Approved Obligations in existence prior to the occurrence of the Suspension Event or in respect of any **Post-Suspension** Refinancing**.** ~~of a Primary Obligation in respect of which the Adherence Conditions had previously been satisfied (provided that the Refinancing is an Approved Obligation).~~

John – We have spent considerable time on the Change of Law Protection Agreement (the "Protection Agreement") to ensure that its benefits can easily be identified and understood by investors. The robustness of the Protection Agreement is critical for obtaining optimal ratings, and the marketability of the warehouse and term debt transactions. Here are our collective thoughts on the concepts of having Adherence Conditions and a suspension right in the Protection Agreement:

- Investors need certainty that when they invest in the Financing Entity, they have the protection of the change of law agreement for any amounts owing under the terms of their debt
- It is important for all creditors of the Financing Entity to have the benefit of the Protection Agreement to ensure that there is no misalignment between different groups of creditors
- Under the current draft, Financing Entity obligations are only protected under the Protection Agreement if they satisfy the "Adherence Conditions"
- The concept of having any Adherence Conditions makes it uncertain when something is covered; for example, the current draft provides that OPG has to deliver a certificate for some subset of obligations (the scope of that subset of obligations is still an open point in the draft)
- Even if we could get 100% clarity on when a certificate is required to be delivered in order for an obligation to be protected, the dealers have to rely on OPG delivering that certificate and there is concern that a certificate may not always be delivered
- Essentially, Adherence Conditions make it impossible to be certain that obligations are or aren't covered under the Protection Agreement

The proposal we shared this morning was designed to give investors (and all creditors) of the Financing Entity assurance that obligations are protected while maintaining the Province's oversight over the program. We should also point out that with respect to the right to suspend the application of the Protection Agreement, its effect on refinancing the warehouse must be addressed.

Thanks, Ian

John – I spoke with Moody's and DBRS on the Change of Law Protection Agreement ("CPLA"). Here is an update from each rating agency:

Moody's provided the following three comments:
Section 2.01(a) – "Upon the occurrence of a Protection Event, the Indenture Trustee **may** deliver a written demand to the Province requiring the Province to make payments in respect of the Approved Obligations". Moody's is looking for something that is more iron clad and expected to see "shall" instead of "may".
Schedule A Defined Terms – "Protection Event":
at the bottom of paragraph (a) it indicates that the occurrence of any of the events in (i) through (v) are subject to materiality. Moody's view is that if there are any adverse effects it should constitute a Protection Event, and that the materiality threshold should be deleted. The CPLA is a critical piece in their evaluation, and there should be no ambiguity, uncertainty or dispute in determining whether a Protection Event has occurred. Given the large scale of the program, it may be difficult to prove that

smaller payment obligations are material, even though it may affect their ability to rate the timely payment of interest, or ultimate payment of principal.

The test for an adverse effect is that it impairs the ability of the issuer to pay "Obligations Secured". Moody's would like for it to read "Obligations Secured in accordance with their original terms". Since the Moody's rating at the time of issuance addresses the timely payment of scheduled interest and repayment of principal on the stated maturity date, they are concerned there could be a change of law that extends the collection period that would still allow for payment of secured debts, but on an elongated timeline. That ability is an issue in their rating of the notes.

DBRS

I spoke with DBRS this afternoon, and they have prioritized the CPLA, and expect to provide comments by the end of the day tomorrow.

As for the modelling, Moody's has no further stress cases that it needs evaluated (for now). DBRS mentioned they have asked CIBC to run several different sensitivities and they are awaiting feedback.

Dear Malle,

We have provided instructions to Torys to reflect your request below in the MTI. They will need to run the changes by the Dealers' counsel, and will circulate the changed pages of the MTI to the group as soon as they have received sign-off from Dealers' counsel.

Hi John

As a follow up here the province is requesting that this be in the master trust indenture. That it be an obligation of the Trust and Indenture Trustee and that it be included in the amendment provisions of the trust indenture s 11,01 11'02 and 13.18 and acknowledge the point about the point that failure to reliever the notice does not invalidate. As noted we are requesting inclusion in the Trust Indenture not protection agreement

Thanks

Malle

Rima:

Further to our early discussion I have confirmed with Mike the approach to the amendments, can you draft something that reflect the following points:

- Province gets a copy of all the notices regarding amendments that OPG sends to the Indenture Trustee under the MTI;
- Province gets a copy of all of the notices regarding amendments that the Indenture Trustee under the MTI sends out to bondholders;
- This could be put in the Change of Law Protection Agreement, where the Indenture Trustee is a party. However, if it is in the MTI, the Province would not be a party to the MTI as this may trip accounting test. Please note the Province request below that it be in the MTI.
- The failure by OPG or the Indenture Trustee to deliver a notice to the Province does not invalidate the amendments or the Province's guarantee which is the key point from the Dealers.

We will need Torys (in consultation with Oslers) to prepare the specific language and confirm where it will go.
If you could expedite this request that would be appreciated.

Thanks

John

Thanks John.

Regarding the other item that you discussed with Mike on the approach to amendments to the master trust indenture respecting notice to the Province, we would appreciate receive a mark-up of the master trust indenture of OPG's proposal for the Province's review as soon as possible for our review as this is an important item for the Province.

Thank you.

Subject: Change of Law Protection Agreement and Change of Law Process Agreement

Rima, Krista, Nina and Michael,

Here are drafts of the Change of Law Protection Agreement and Change of Law Process Agreement. Please note that while various people at the Province have provided considerable thought and input into these drafts, they remain subject to on-going review, comment and consideration (including where indicated in the drafts) by the Province, and of course remain subject to ultimate consideration and approval by the Ministers. This circulation is for discussion purposes only. Please feel free to circulate these drafts to OPG, E&Y, Osler and the Dealers, reflecting that understanding.

We propose that a consolidated mark-up be prepared that reflects all of the issues that you or those others may have, and ideally reflects input from the rating agencies. Once that mark-up is available, we propose that a meeting of interested parties be held to resolve any outstanding issues.

In the meantime, please feel free to call Malle, Toby, Tom, Alena or me if you have questions or concerns.

Regards, Steve

10.06 Signed Instruments

Any resolution or instrument signed in one or more counterparts by (a) Debtholders holding not less than 50% of the aggregate Outstanding Dollar Principal Amount of Issuer Funding Obligations of a Debtholder Group, in the case of matters capable of being decided by Ordinary Resolution, and (b) Debtholders holding not less than 66⅔% of the aggregate Outstanding Dollar Principal Amount of Issuer Funding Obligations of all Controlling Class Obligations in the case of matters required to be decided by Extraordinary Resolution, shall, in either case, have the same force and effect as a resolution duly passed at a meeting of such Debtholders by the affirmative vote of all of the votes cast upon a poll. Notice of any Ordinary Resolution or Extraordinary Resolution passed in accordance with this Section 10.06 shall be given by the Indenture Trustee to all applicable Debtholders within 30 days of the date on which such Ordinary Resolution or Extraordinary Resolution was passed.

10.07 Persons Who May Attend

Each Debtholder, by their respective officers, directors, employees, and the legal advisers of such parties, may attend any meeting of Debtholders.

10.08 Binding Effect of Resolutions

Every Ordinary Resolution and every Extraordinary Resolution passed in accordance with the provisions of this Article X at a meeting of Debtholders of a Debtholder Group will be binding upon all of the Debtholders of such Debtholder Group whether present at or absent from such meeting, and every instrument in writing signed by Debtholders in accordance with Section 10.06 will be binding upon all of the Debtholders of such Debtholder Group, whether signatories thereto or not, and the Indenture Trustee will be bound to give effect accordingly to every such Ordinary Resolution, Extraordinary Resolution and instrument in writing. For greater certainty, any Extraordinary Resolution shall bind all Debtholders in accordance with Section 10.03.

10.09 Notes Regarded as Not Outstanding for Certain Purposes

If, in the opinion of the Indenture Trustee and upon receipt of an Issuer Certificate in respect of the following, any business to be transacted at any meeting of Debtholders or any action to be taken or power exercised by instrument in writing under Section 10.06 does not materially adversely affect the rights of the Debtholders of one or more particular Class, Series or Tranche of Issuer Funding Obligations, the provisions of this Article X shall apply as if the Issuer Funding Obligations of that Class, Series or Tranche were not Outstanding, and no notice of any such meeting need be given to the Debtholders of that Class, Series or Tranche.

ARTICLE XI
SUPPLEMENTAL INDENTURES

11.01 Supplemental Indentures and Amendments Without Consent of Specified Creditors

Without the consent of Specified Creditors but with 10 Business Days' prior notice to each Rating Agency **and the Province**, the Issuer and the Indenture Trustee, at any time and from time to time, and upon delivery by the Issuer to the Indenture Trustee of an Issuer

Certificate to the effect that the Issuer reasonably believes that such amendment will not have an Adverse Effect and is not reasonably expected to have an Adverse Effect at any time in the future, the Issuer may amend this Indenture, including any Supplemental Indenture or enter into one or more Supplemental Indentures, in form satisfactory to the Indenture Trustee, for any of the following purposes:

(a) to evidence the succession or successive successions of another Financing Entity to the Issuer, and the assumption by any such successor of the covenants of the Issuer herein and in the Notes; or

(b) to evidence the assumption by the Province of all Obligations Secured in connection with Section 5.06; or

(c) to add to the covenants of the Issuer, or to surrender any right or power herein conferred upon the Issuer by the Issuer, for the benefit of Debtholders of any or all Classes, Series or Tranches of Issuer Funding Obligations; or

(d) to cure any ambiguity, to correct or supplement any provision herein which may be inconsistent with any other provision herein, to correct a clear clerical or administrative error, or to make any other provisions with respect to matters or questions arising under this Indenture; or

(e) to provide for the issuance of any Series or Tranche of Notes as provided in Article IV and Article V and to set forth the terms thereof, and/or to add to the rights of the Noteholders of any Class, Series or Tranche; or

(f) to evidence and provide for the acceptance of appointment by another corporation as a successor Indenture Trustee hereunder; or

(g) to add any additional Events of Default in respect of any or all Classes, Series or Tranches of Issuer Funding Obligations; or

(h) to provide for the consolidation of any Financing Entity and the Issuer into a single Person or the transfer of assets in any Financing Entity to the Issuer; or

(i) if IESO is replaced under the Master Transfer and Servicing Agreement as Servicer, to make any necessary changes to this Indenture or any other related document; or

(j) to provide for additional forms of Credit Enhancement for any Class, Series or Tranche of Issuer Funding Obligations; or

(k) to facilitate the issuance of Foreign Currency Issuer Funding Obligations; or

(l) to comply with any regulatory, accounting, securities or tax laws, rules, regulations or requirements, or changes to Rating Agency ratings criteria; or

(m) to enable the Issuer to file a registration statement (and any related exhibits thereto) for the offering of securities registered under the U.S. Securities Act and to comply with Regulation AB (including, without limitation, ongoing reporting obligations thereunder); or

(n) to qualify for sale treatment under generally accepted accounting principles.

Additionally, notwithstanding any provision of this Article XI to the contrary and in addition to clauses (a) through (n) above, the Issuer and the Indenture Trustee may amend this Indenture, including any Supplemental Indenture, without the consent of any Specified Creditor **but with 10 Business Days' prior notice to the Province by the Indenture Trustee and the Issuer**, to modify, eliminate or add to the provisions of this Indenture (i) to facilitate compliance with any amendment to any change of law or regulation which applies to the Issuer or the transactions governed by the Program Agreements, or (ii) to cause the provisions hereof to conform to or be consistent with or in furtherance of the statements made with respect to this Indenture in any applicable offering document; in each case, provided that the Issuer shall deliver to the Indenture Trustee an Issuer Certificate to the effect that (A) the Issuer reasonably believes that such amendment will not have an Adverse Effect and is not reasonably expected to have an Adverse Effect at any time in the future or (B) such amendment is required to remain in compliance with any change of law or regulation which applies to the Issuer or the transactions governed by the Program Agreements, or such amendment is required to cause the provisions hereof to conform to or be consistent with or in furtherance of the statements made with respect to this Indenture in any applicable offering document.

Additionally, notwithstanding any provision of this Article XI to the contrary and in addition to clauses (a) through (n) above and the immediately preceding paragraph, this Indenture, including any Supplemental Indenture, may also be amended by the Issuer and the Indenture Trustee, without the consent of any Specified Creditor **but with 10 Business Days' prior notice to the Province by the Indenture Trustee and the Issuer**, for the purpose of (i) adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Indenture or any Supplemental Indenture or (ii) modifying in any manner the rights of the Specified Creditors under this Indenture or any Supplemental Indenture; provided, however, that (A) the Issuer shall deliver to the Indenture Trustee an Issuer Certificate to the effect that the Issuer reasonably believes that such amendment will not have an Adverse Effect and is not reasonably expected to have an Adverse Effect at any time in the future, and (B) the Rating Agency Condition shall be satisfied.

Additionally, notwithstanding any provision of this Article XI to the contrary and in addition to clauses (a) through (n) above and the immediately preceding paragraphs, this Indenture, including any Supplemental Indenture, may also be amended by the Issuer and the Indenture Trustee, without the consent of any Specified Creditor **but with 10 Business Days' prior notice to the Province by the Indenture Trustee and the Issuer**, to provide for those changes necessary for compliance with securities law requirements or banking laws or regulations; provided, however, that (i) the Issuer shall deliver to the Indenture Trustee an Issuer Certificate to the effect that the Issuer reasonably believes that such amendment will not have an Adverse Effect and is not reasonably expected to have an Adverse Effect at any time in the future, and (ii) the Rating Agency Condition shall be satisfied.

The Issuer **and the Indenture Trustee** shall send a copy of any amendment to this Indenture or any Supplemental Indenture to each Rating Agency **and the Province in accordance with this Section 11.01; provided that failure to send copies of any amendment to this Indenture or any Supplemental Indenture or failure to provide any notice under this Section 11.01 shall not invalidate such amendment to this Indenture or Supplemental Indenture**.

The Indenture Trustee may, but shall not be obligated to, enter into any amendment which adversely affects the Indenture Trustee's rights, duties, benefits, protections, privileges or immunities under this Indenture or otherwise.

11.02 Supplemental Indentures and Amendments with Consent of Debtholders

In addition to any amendment permitted pursuant to Section 11.01, with **10 Business Days'** prior notice to each Rating Agency **and the Province,** and the consent of Debtholders of each Class, Series or Tranche of Issuer Funding Obligations affected by such amendment of this Indenture, including any Supplemental Indenture, by Ordinary Resolution delivered to the Issuer and the Indenture Trustee, the Issuer and the Indenture Trustee may enter into an amendment of this Indenture or any Supplemental Indenture for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Indenture or of modifying in any manner the rights of the Debtholders of each such Class, Series or Tranche of Issuer Funding Obligations under this Indenture or any Supplemental Indenture; provided, however, that no such amendment of this Indenture or any Supplemental Indenture will, without the consent of each Debtholder of Issuer Funding Obligations affected thereby:

(a) change an Interest Payment Date, Principal Payment Date or Principal Payment Default Date of any Issuer Funding Obligation;

(b) reduce the principal amount of, or the interest rate on any Note, or change the method of computing the Outstanding Dollar Principal Amount, the Outstanding Currency Specific Dollar Principal Amount or the Outstanding Dollar Principal Amount in a manner that is adverse to any Debtholders;

(c) reduce the amount of a Discount Note payable upon its acceleration;

(d) reduce the percentage in Outstanding Dollar Principal Amount of Issuer Funding Obligations of any Class, Series or Tranche, the consent of whose holders is required for any such amendment, or the consent of whose holders is required for any waiver of compliance with the provisions of this Indenture or of defaults hereunder and their consequences, provided for in this Indenture;

(e) modify any of the provisions of this Section 11.02 or Section 8.03, except to increase any percentage of Debtholders required to consent to any such amendment or to provide that other provisions of this Indenture cannot be modified or waived without the consent of the Debtholders affected thereby;

(f) change any Place of Payment where any principal of, or interest on, any Note is payable, unless otherwise provided in the Related Supplemental Indenture; or

(g) change the method of computing the amount of principal of, or interest on, any Note on any date.

An amendment of this Indenture or a Supplemental Indenture which changes or eliminates any covenant or other provision of this Indenture which has expressly been included solely for the benefit of one or more particular Classes, Series or Tranches of Issuer Funding Obligations, or which modifies the rights of the Debtholders of such Class, Series or Tranche with respect to such covenant or other provision, will be deemed not to affect the rights under this Indenture of the Debtholders of any other Class, Series or Tranche of Issuer Funding Obligations.

It will not be necessary for any Ordinary Resolution under this Section 11.02 to approve the particular form of any proposed amendment or Supplemental Indenture, but it will be sufficient if such Ordinary Resolution will approve the substance thereof.

The Issuer and the Indenture Trustee shall send a copy of any amendment to this Indenture or any Supplemental Indenture to each Rating Agency and the Province in accordance with this Section 11.02; provided that failure to send copies of any amendment to this Indenture or any Supplemental Indenture or failure to provide any notice under this Section 11.02 shall not invalidate such amendment to this Indenture or Supplemental Indenture.

11.03 Execution of Amendments and Supplemental Indentures

In executing or accepting the additional trusts created by any amendment of this Indenture or Supplemental Indenture permitted by this Article XI or the modifications thereby of the trusts created by this Indenture, the Indenture Trustee will be provided with, and (subject to Section 9.01) will be fully protected in relying upon, an Opinion of Counsel stating that the execution of such amendment or Supplemental Indenture is authorized or permitted by this Indenture and that all conditions precedent thereto have been satisfied. The Indenture Trustee may, but will not (except to the extent required in the case of an amendment or Supplemental Indenture entered into under subsection 11.01(f)) be obligated to, enter into any such amendment or Supplemental Indenture which affects the Indenture Trustee's own rights, duties or immunities under this Indenture or otherwise.

11.04 Effect of Amendments and Supplemental Indentures

Upon the execution of any amendment of this Indenture or any Supplemental Indenture under this Article XI, this Indenture and/or such Supplemental Indenture will be modified in accordance therewith with respect to each Class, Series or Tranche of Issuer Funding Obligations affected thereby, or all Issuer Funding Obligations, as the case may be, and such amendment or Supplemental Indenture will form a part of this Indenture and such Supplemental Indenture for all purposes; and every holder of Issuer Funding Obligations theretofore or thereafter incurred and every other Specified Creditor will be bound thereby to the extent provided therein.

causing to be disclosed information) as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

13.17 No Other Business

The Issuer will not engage in any business other than as permitted under the Declaration of Trust or the other Program Agreements and activities ancillary thereto.

13.18 Amendments to Program Agreements

(a) The Issuer will not:

(i) amend, supplement, modify, restate or replace, or waive or consent to a postponement of compliance with the terms and conditions on the part of any other party to, any of the Funding Obligation Agreements (other than this Indenture and Derivative Agreements) if any such supplementation, amendment, modification, restatement or replacement, or waiver or consent, could reasonably be considered to be materially prejudicial to the rights or interests of any Specified Creditor, except as expressly permitted by such Specified Creditor, and unless the Rating Agency Condition is satisfied **and the Issuer has provided the Province with 10 Business Days' prior written notice (provided that failure to provide such notice shall not invalidate such supplementation, amendment, modification, restatement or replacement, or waiver or consent)**; or

(ii) consent, if consent is required, to the resignation of the Manager under the Management Agreement unless the Rating Agency Condition is satisfied.

(b) The Issuer will not amend the Declaration of Trust if such amendment would have an Adverse Effect or would reasonably be expected to have an Adverse Effect at any time in the future; provided that if an amendment would have, or would reasonably be expected to have, an Adverse Effect, such amendment may only be made with the consent of the Debtholders affected thereby, acting pursuant to an Ordinary Resolution.

13.19 Issuer May Consolidate, Etc., Only on Certain Terms

The Issuer shall not consolidate or merge with or into any other Person, or sell, convey, exchange, transfer or otherwise dispose of any of its properties or assets included in the Collateral to any Person (in this Section 13.19, a "**transaction**"), unless:

(a) the Person (if other than the Issuer) formed by or surviving the consolidation or merger, or the Person that acquires by conveyance or transfer the properties and assets of the Issuer the conveyance or transfer of which is restricted, as applicable, shall: (i) be a Financing Entity, (ii) be organized and existing under the laws of Canada or any province or territory thereof, (iii) not be a Non-resident, (iv) not be subject to regulation as an "investment company" under the Investment Company Act, (v) expressly assume, pursuant to an assignment and/or assumption

Change of Law Assumption Agreement

Indicative Term Sheet

Ontario Fair Hydro Plan Act, 2017

*This indicative term sheet (the "**Term Sheet**") relates to transactions contemplated to be undertaken under the Ontario Fair Hydro Plan Act, 2017 (the "**Act**") and the regulations made thereunder and made in connection thereto (the "**Regulation**").[1] This Term Sheet is to be held confidential. Unless otherwise specified, defined terms used herein have the meanings ascribed to them in the Act or the August 23, 2017 draft of the Master Trust Indenture (as defined below), as applicable. The provincial assumption arrangements contemplated in this Term Sheet will include such terms and conditions as the Minister of Energy and the Minister of Finance determine to be appropriate. This Term Sheet is not intended to create any obligations or be binding on the parties.*

This Term Sheet does not discuss the servicing commingling risk and the warehousing takeout risk, which will be addressed separately by the following (i) the Master Transfer and Servicing Agreement will include an obligation for the IESO to provide a letter of credit if required to support the Funding Obligations in an amount equal to one month of anticipated collections of the clean energy adjustments by all non-rated local distribution companies, and (ii) there will be a step up in pricing reflected in the documents evidencing the short term debt issuance.

Change of Law Assumption Agreement:	A Change of Law Assumption Agreement will be among the Obligor, a Financing Entity and an Indenture Trustee, acting for and on behalf of the Specified Creditors in accordance with the Master Trust Indenture.
Obligor:	The Province of Ontario, by the Minister of Energy and the Minister of Finance.
Indenture Trustee:	An indenture trustee, acting for and on behalf of the Specified Creditors under a master trust indenture to be entered into by the Financing Entity, as issuer (the "**Master Trust Indenture**").
Beneficiaries:	The Indenture Trustee, acting for and on behalf of the Specified Creditors.

[1] Regulations covered by the Change of Law Assumption Agreement must also include the regulations obligating the IESO to pay the debt carrying costs during the moratorium period.

Obligations Secured:	Obligations Secured approved as contemplated below under Obligor Approval.[2]
Assumption Events:	Any of the following would constitute an Assumption Event: (A) (1) the Legislature repeals (and does not replace on an equivalent basis) or amends the Act or any portion thereof; (2) the Legislature enacts or amends any other statute; (3) the Lieutenant Governor in Council repeals (and does not replace on an equivalent basis) or amends the Regulation made under the Act or any portion thereof; (4) the Lieutenant Governor in Council, a minister of the Crown, an official of the government or a board or commission all the members of which are appointed by the Lieutenant Governor in Council makes or amends any "regulation" (as defined in Part III of the *Legislation Act, 2006*); or (5) there is a change in the organization, structure or operations of the IESO or a change in the electricity market structure or operations not otherwise effected through the actions described in clauses (A)(1) through (4) above.[3] in each case, that is reasonably expected to adversely affect (a) the ability of the Financing Entity to receive amounts on its investment interest so that it can pay the Obligations Secured or (b) the Change of Law Assumption Agreement or any of the agreements under which Obligations Secured arise without the agreement of the Indenture Trustee; or[4] (B) a court of competent jurisdiction determines that all or a portion of the Act or the Regulation is *ultra vires*, invalid or inoperative in a way that adversely affects the ability of the Financing Entity to receive amounts on its investment

[2] "Obligations Secured" is a defined term in the Master Trust Indenture and encompasses all debts and liabilities of the Financing Entity owing to the Specified Creditors and captures subordinated debt as well. As discussed on the call with Blakes and the Provincial legal team, excluding subordinated debt from the benefits of the Assumption Agreement will increase the pricing of such debt, the costs of which would ultimately be passed on to ratepayers.

[3] We understand certain internal changes to the structure of the IESO may be made by the IESO board without statutory enactments.

[4] A materiality qualifier is not appropriate since a change of law that would result in either (a) or (b) is by its nature material.

	interest so that it can pay the Obligations Secured including, without limitation, a declaration that any funding obligations of the Financing Entity or any investment interests are invalid or unenforceable.
Obligation to Pay the Obligations Secured:	Upon the occurrence of an Assumption Event, the Obligor will pay the amounts pertaining to the Obligations Secured on behalf of the Financing Entity when they become due and payable (without acceleration). The exercise of such right by the Indenture Trustee in accordance with the Master Trust Indenture shall constitute the only remedy available under the Change of Law Assumption Agreement. Under no circumstances shall the Obligor be obligated to pay or indemnify a Beneficiary for consequential, special or punitive damages.
Subrogation:	Upon paying an amount to a Beneficiary in respect of an Obligation Secured, the Obligor shall become entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Obligations Secured, including the security interest in the property of the Financing Entity.

Event of Default Cure:[5]	Upon the occurrence of a Default under the Master Trust Indenture (being an event which, with the passage of time or giving of notice could become an Event of Default), the Obligor would have the following rights: (A) a right to receive written notice from the Indenture Trustee (at the same time that such trustee provides a notice to the Financing Entity through OPG as the manager) that a Default has occurred; (B) in the event of the occurrence of an Event of Default that is not based upon the occurrence of a Default followed by a cure period (such as insolvency of the Financing Entity), a right to receive written notice from the Indenture Trustee that an Event of Default has occurred; and (C) a right (but not an obligation) to cure the Default or the Event of Default, as the case may be, within a specified cure period, which will run concurrently with any cure period available under the Master Trust Indenture with respect to the applicable Event of Default. The Master Trust Indenture will provide that notwithstanding the occurrence of an Event of Default, the Obligations Secured may not be accelerated until the expiry of the cure period available to the Obligor. If the Default or Event of Default in question cannot be cured by the Obligor on behalf of the Financing Entity within this cure period, then the Obligor will have the option (but not an obligation) to "cure" and avoid acceleration of the Obligations Secured by assuming those Obligations Secured. In such circumstances, the Fair Hydro program would be discontinued and the Obligations Secured owing under the program would be those of the Obligor.
Optional Assumption:	At any time following an Assumption Event or an Event of Default, the Obligor shall be entitled (but not obligated) to assume all of the Obligations Secured. The Financing Entity (including through the Manager) will ensure that any Obligations Secured by their contractual terms permit, on an Assumption Event or an Event of Default, an assumption by the Obligor without any requirement for further consent, approval or agreement of the applicable Specified Creditor.
Term:	The Change of Law Assumption Agreement will continue for as long as any Obligations Secured remain outstanding.

[5] We have layered in our proposal on acceleration which was provided to all parties in a memo from OPG dated August 30, 2017.

Obligor Approval:	The Change of Law Assumption Agreement will apply to all Obligations Secured that are incurred by an "Eligible Financing Entity" designated as such in accordance with the following process: In order for a Financing Entity to become designated as an Eligible Financing Entity by the Obligor, prior to the initial issuance of Funding Obligations by such Financing Entity, the Obligor will review the constating documents of such Financing Entity and the various program agreements. Once a Financing Entity is designated by the Obligor as an Eligible Financing Entity, it will not be necessary for the Obligor to approve the documentation related to specific issuances of Funding Obligations; however, the Manager will notify the Obligor of any new material program documentation or any material amendments to existing program documentation before such new documentation or amendments become effective.[6] It will not be necessary for the Obligor to approve each new issuance of Funding Obligations provided that such Funding Obligations are issued in accordance with following process: (A) At least **[30 days]** prior to the initial issuance of Funding Obligations by an Eligible Financing Entity, the Manager will provide the Obligor with a forecast of the principal amount of Funding Obligations that the Manager expects such Eligible Financing Entity to issue in accordance with the Financing Plan in the next two years (a "**Two Year Forecast**"). The execution of the Change of Law Assumption Agreement in respect of such Eligible Financing Entity shall constitute the Obligor's approval of the issuance of Funding Obligations by such Eligible Financing Entity in accordance with the Two Year Forecast. (B) the Manager shall provide the Obligor with an updated Two Year Forecast between **[6 and 9 months]** prior to the expiry of each current Two Year Forecast. (C) Unless the Obligor provides the Manager with a written notice no later than **[3 months]** prior to the expiry of the current Two Year Forecast that the Change of Law Assumption Agreement will be inapplicable with respect to new Funding Obligations incurred following the expiry of the current Two Year Forecast, the Obligor will be deemed to approve the application of the Change of Law Assumption Agreement to all Funding Obligations and all

	other Obligations Secured in connection thereto incurred up to the expiry of the new Two Year Forecast.
FIPPA:	The Change of Law Assumption Agreement will acknowledge that the Obligor will be bound by the *Freedom of Information and Protection of Privacy Act* (Ontario) and that any information provided to the Obligor, or any agent or representative of the Obligor in connection with the Change of Law Assumption Agreement, may be subject to disclosure in accordance with the act or as otherwise required by law.
Representations and Warranties:	To be determined by the Minister of Finance and Minister of Energy in negotiation with the Financing Entity.
Confidentiality Obligations:	To be determined based on what would be customary and appropriate for similar types of arrangements and is acceptable to the Obligor and the Financing Entity.
Governing Law:	Province of Ontario.

Indicative Term Sheet

Ontario Fair Hydro Plan Act, 2017

*This indicative term sheet (the "**Term Sheet**") relates to transactions contemplated to be undertaken under the Ontario Fair Hydro Plan Act, 2017 (the "**Act**") and the regulations made thereunder* ***and made in connection thereto*** *(the "**Regulation**").*[1] *This Term Sheet is to be held confidential. Unless otherwise specified, defined terms used herein have the meanings ascribed to them in the Act* ***or the August 23, 2017 draft of the Master Trust Indenture (as defined below), as applicable****. The provincial* ~~*protection and assurance*~~***assumption*** *arrangements contemplated in this Term Sheet will include such terms and conditions as the Minister of Energy and the Minister of Finance determine to be appropriate. This Term Sheet is not intended to create any obligations or be binding on the parties.*

This Term Sheet does not discuss the servicing commingling risk and the warehousing takeout risk, which will be addressed separately by the following (i) the Master Transfer and Servicing Agreement will include an obligation for the IESO to provide a letter of credit if required to support the Funding Obligations in an amount equal to one month of anticipated collections of the clean energy adjustments by all non-rated local distribution companies, and (ii) there will be a step up in pricing reflected in the documents evidencing the short term debt issuance.

Change of Law Assumption Agreement:	A Change of Law Assumption Agreement will be among the Obligor, a Financing Entity and an Indenture Trustee, acting for and on behalf of the ~~Beneficiaries~~**Specified Creditors** in accordance with ~~a~~**the Master** Trust Indenture.
Obligor:	The Province of Ontario, by the Minister of Energy and the Minister of Finance ~~acting together~~.

Assumption Events:	Any of the following would constitute an Assumption Event: (A) (1) the Legislature repeals (and does not replace on an equivalent basis) or amends the Act or any portion thereof; (B) (2) the Legislature enacts or amends any other statute; (C) (3) the Lieutenant Governor in Council repeals (and does not replace on an equivalent basis) **or amends** the ~~General~~ Regulation made under the Act or any portion thereof; ~~or~~ (D) (4) the Lieutenant Governor in Council, a minister of the Crown, an official of the government or a board or commission all the members of which are appointed by the Lieutenant Governor in Council makes or amends any "regulation" (as defined in Part III of the *Legislation Act, 2006*)~~,~~**; or** (E) **(5) there is a change in the organization, structure or operations of the IESO or a change in the electricity market structure or operations not otherwise effected through the actions described in clauses (A)(1) through (4) above.**[3] (F) in each case, that ~~materially and~~**is reasonably expected to** adversely ~~affects~~**affect** (a) the ability of the Financing Entity to receive amounts on its investment interest so that it can

As discussed on the call with Blakes and the Provincial legal team, excluding subordinated debt from the benefits of the Assumption Agreement will increase the pricing of such debt, the costs of which would ultimately be passed on to ratepayers.

Obligation to ~~Assume Specified Claims~~Pay the Obligations Secured:	Upon the occurrence of an Assumption Event, ~~the Indenture Trustee will have the right to require~~ the Obligor ~~to~~**will** pay the ~~amount of Specified Claims~~**amounts pertaining to the Obligations Secured** on behalf of the Financing Entity when they become due and payable (without acceleration). The exercise of such right by the Indenture Trustee in accordance with the **Master** Trust Indenture shall constitute the only remedy available under the Change of Law Assumption Agreement. Under no circumstances shall the Obligor be obligated to pay or indemnify a Beneficiary for consequential, special or punitive damages~~, or for economic loss or loss of profits~~.
Subrogation:	Upon paying an amount to a Beneficiary in respect of ~~a Specified Claim~~**an Obligation Secured**, the Obligor shall become entitled to all of the applicable Beneficiary's rights and interests under and in respect of the ~~Specified Claim~~**Obligations Secured**, including the security interest in ~~each related investment interest and related~~**the** property of the Financing Entity~~ and the obligations of the Financing Entity owing under the agreements under which the Specified Claim arises. The Financing Entity may not change or consent to any change in such rights and interests without the Obligor's prior written consent~~.

If the Default or Event of Default in question cannot be cured by the Obligor on behalf of the Financing Entity within this cure period, then the Obligor will have the option (but not an obligation) to "cure" and avoid acceleration of the Obligations Secured by assuming those Obligations Secured. In such circumstances, the Fair Hydro program would be discontinued and the Obligations Secured owing under the program would be those of the Obligor.**
Optional ~~Replacement~~Assumption:	At any time following ~~the exercise by the Indenture Trustee of its right to require the Obligor to pay Specified Claims when due and payable~~**an Assumption Event or an Event of Default**, the Obligor shall be entitled (but not obligated) to ~~replace the Financing Entity as obligor and debtor and directly~~ assume all of the ~~Financing Entity's outstanding obligations and liabilities~~**Obligations Secured**. Term:	The Change of Law Assumption Agreement will continue for as long as any ~~Specified Claim remains~~**Obligations Secured remain** outstanding.
Obligor Approval:	The<~~ *Change of Law Assumption Agreement* >~~will become effective in respect of a Specified Claim (including any modification) only after the Obligor has confirmed in writing that the Change of Law Assumption Agreement applies to such Specified Claim.~~ ~~The Change of Law Assumption Agreement will annex the applicable forms of program and series documents under which obligations of the Financing Entity may arise (e.g., including the form of trust indenture and series supplemental indenture) and set out the terms and conditions and process for obtaining the Obligor's approval and confirmation that the~~ Change of Law Assumption Agreement will apply to ~~Specified Claims. ~~**Warehousing Takeout Risk and Servicing (Commingling) Risk**~~

~~*Note – these items are provided for information purposes only as these risks were included in the previous version of the term sheet as items that the Dealers/OPG were looking for the Province for protection against. The current proposals with respect to these items is described below. These do not contain any requirement for the Province to directly backstop these risks.*~~

Commingling Risk (applies to Warehouse as well as any Term transactions)	
Commingling Risk Mitigant:	For any LDC which is not investment grade rated by each of the rating agencies which are rating the funding obligations (the "Non-Investment Grade LDCs"), either: (A) The IESO must post a Letter of Credit (L/C), or deposit funds in a Commingling Reserve Account in a quantum equal to the Commingling Risk Amount; or (B) The IESO, for so long as it is rated investment grade by the rating agencies which are rating the funding obligations, will assume responsibility for commingling risk by the LDCs and will agree to remit to the Financing Entity any clean energy adjustment amounts collected by the LDC, regardless of whether the LDC remitted those amounts to the IESO for remittance to the Financing Entity
Commingling Risk Amount:	An amount equal to the sum of the expected Clean Energy Adjustment collections from the Non-Investment Grade LDCs over the next [45-60] days
Commingling Risk Amount Reset Date:	Each settlement date for the Financing Entity (monthly)
Beneficiary:	The beneficiary of the L/C or the Commingling Reserve Account would be the Financing Entity and the Indenture Trustee for the benefit of the creditors of the Financing Entity. The Financing Entity and/or the Indenture Trustee would have the ability to draw down the L/C or draw on the Commingling Reserve Account for any clean energy adjustment amounts expected to be received from the IESO but which were not received due to those funds not being remitted from an LDC to the IESO for that period
L/C Provider:	An entity rated at least A+ (or equivalent)
Approvals:	The approach is subject to approval from the IESO, by the rating agencies rating the funding obligations of the Financing Entity and the risk management areas of the banks providing the warehouse facilities
Warehouse Takeout Risk	
Commitment Period for	

Warehouse[1]:	Expected to be 12-24 months
Takeout for Warehouse:	Expected to be every 3-6 months
Warehouse Default Event:	One of the events of default for the warehouse will be the failure to repay the warehouse facility at the end of the commitment term
Consequences of Warehouse Default Event:	If the Warehouse Default Event[2] described above occurs, all amounts funded through the warehouse would become immediately due and payable, subject to the Warehouse Default Payment Cap, and Default Pricing will be charged on any amounts funded through the warehouse facility
Default Pricing:	Step up in pricing to [x] until the moratorium period ends and thereafter stepping up in increments of [y] every six months until the warehouse facility is repaid
Warehouse Default Payment Cap:	For any given reference period following the occurrence of a Warehouse Default Event, the amount that shall be remitted to the Financing Entity for repayment of the warehouse facilities will be the sum of (x) the interest amount due on the warehouse facilities (which, for greater certainty will include any program fees) and (y) the lessor of: (a) The outstanding amount funded through the warehouse facilities; and (b) The maximum amount that can be charged for that period so that clean energy adjustments are equal to, but do not exceed, the fair allocation amount for such period.
Approval Requirement:	Subject to approval by the risk management areas of the banks providing the warehouse facilities which will in part depend on receipt of information on the fair allocation curve and an understanding of how long the "tail risk" could be following a Warehouse Default Event

[1] Please note that this is not intended to be an exhaustive list of terms for the warehouse facility, but rather is a summary of a few select terms that relate to the warehouse takeout risk.

[2] Note there may be other Warehouse Default Events beyond the takeout risk item described above. The consequences for a breach of these other Warehouse Default Events may be different than the one described above where the default is related to failure to takeout the warehouse facility by the end of the commitment period.

Change of Law Assumption Agreement

Indicative Term Sheet

Ontario Fair Hydro Plan Act, 2017

*This indicative term sheet (the "**Term Sheet**") relates to transactions contemplated to be undertaken under the Ontario Fair Hydro Plan Act, 2017 (the "**Act**") and the regulations made thereunder and made in connection thereto (the "**Regulation**").[1] This Term Sheet is to be held confidential. Unless otherwise specified, defined terms used herein have the meanings ascribed to them in the Act or the August 23, 2017 draft of the Master Trust Indenture (as defined below), as applicable. The provincial assumption arrangements contemplated in this Term Sheet will include such terms and conditions as the Minister of Energy and the Minister of Finance determine to be appropriate. This Term Sheet is not intended to create any obligations or be binding on the parties.*

This Term Sheet does not discuss the servicing commingling risk and the warehousing takeout risk, which will be addressed separately by the following (i) the Master Transfer and Servicing Agreement will include an obligation for the IESO to provide a letter of credit if required to support the Funding Obligations in an amount equal to one month of anticipated collections of the clean energy adjustments by all non-rated local distribution companies, and (ii) there will be a step up in pricing reflected in the documents evidencing the short term debt issuance.

Change of Law Assumption Agreement:	A Change of Law Assumption Agreement will be among the Obligor, a Financing Entity and an Indenture Trustee, acting for and on behalf of the Specified Creditors in accordance with the Master Trust Indenture.
Obligor:	The Province of Ontario, by the Minister of Energy and the Minister of Finance.
Indenture Trustee:	An indenture trustee, acting for and on behalf of the Specified Creditors under a master trust indenture to be entered into by the Financing Entity, as issuer (the "**Master Trust Indenture**").
Beneficiaries:	The Indenture Trustee, acting for and on behalf of the Specified Creditors.

[1] Regulations covered by the Change of Law Assumption Agreement must also include the regulations obligating the IESO to pay the debt carrying costs during the moratorium period.

Obligations Secured:	Obligations Secured approved as contemplated below under Obligor Approval.[2]
Assumption Events:	Any of the following would constitute an Assumption Event: (A) (1) the Legislature repeals (and does not replace on an equivalent basis) or amends the Act or any portion thereof; (2) the Legislature enacts or amends any other statute; (3) the Lieutenant Governor in Council repeals (and does not replace on an equivalent basis) or amends the Regulation made under the Act or any portion thereof; (4) the Lieutenant Governor in Council, a minister of the Crown, an official of the government or a board or commission all the members of which are appointed by the Lieutenant Governor in Council makes or amends any "regulation" (as defined in Part III of the *Legislation Act, 2006*); or (5) there is a change in the organization, structure or operations of the IESO or a change in the electricity market structure or operations not otherwise effected through the actions described in clauses (A)(1) through (4) above.[3] in each case, that is reasonably expected to adversely affect (a) the ability of the Financing Entity to receive amounts on its investment interest so that it can pay the Obligations Secured or (b) the Change of Law Assumption Agreement or any of the agreements under which Obligations Secured arise without the agreement of the Indenture Trustee; or[4] (B) a court of competent jurisdiction determines that all or a portion of the Act or the Regulation is *ultra vires*, invalid or inoperative in a way that adversely affects the ability of the Financing Entity to receive amounts on its investment

[2] "Obligations Secured" is a defined term in the Master Trust Indenture and encompasses all debts and liabilities of the Financing Entity owing to the Specified Creditors and captures subordinated debt as well. As discussed on the call with Blakes and the Provincial legal team, excluding subordinated debt from the benefits of the Assumption Agreement will increase the pricing of such debt, the costs of which would ultimately be passed on to ratepayers.

[3] We understand certain internal changes to the structure of the IESO may be made by the IESO board without statutory enactments.

[4] A materiality qualifier is not appropriate since a change of law that would result in either (a) or (b) is by its nature material.

	interest so that it can pay the Obligations Secured including, without limitation, a declaration that any funding obligations of the Financing Entity or any investment interests are invalid or unenforceable.
Obligation to Pay the Obligations Secured:	Upon the occurrence of an Assumption Event, the Obligor will pay the amounts pertaining to the Obligations Secured on behalf of the Financing Entity when they become due and payable (without acceleration). The exercise of such right by the Indenture Trustee in accordance with the Master Trust Indenture shall constitute the only remedy available under the Change of Law Assumption Agreement. Under no circumstances shall the Obligor be obligated to pay or indemnify a Beneficiary for consequential, special or punitive damages.
Subrogation:	Upon paying an amount to a Beneficiary in respect of an Obligation Secured, the Obligor shall become entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Obligations Secured, including the security interest in the property of the Financing Entity.

Event of Default Cure:[5]	Upon the occurrence of a Default under the Master Trust Indenture (being an event which, with the passage of time or giving of notice could become an Event of Default), the Obligor would have the following rights: (A) a right to receive written notice from the Indenture Trustee (at the same time that such trustee provides a notice to the Financing Entity through OPG as the manager) that a Default has occurred; (B) in the event of the occurrence of an Event of Default that is not based upon the occurrence of a Default followed by a cure period (such as insolvency of the Financing Entity), a right to receive written notice from the Indenture Trustee that an Event of Default has occurred; and (C) a right (but not an obligation) to cure the Default or the Event of Default, as the case may be, within a specified cure period, which will run concurrently with any cure period available under the Master Trust Indenture with respect to the applicable Event of Default. The Master Trust Indenture will provide that notwithstanding the occurrence of an Event of Default, the Obligations Secured may not be accelerated until the expiry of the cure period available to the Obligor. If the Default or Event of Default in question cannot be cured by the Obligor on behalf of the Financing Entity within this cure period, then the Obligor will have the option (but not an obligation) to "cure" and avoid acceleration of the Obligations Secured by assuming those Obligations Secured. In such circumstances, the Fair Hydro program would be discontinued and the Obligations Secured owing under the program would be those of the Obligor.
Optional Assumption:	At any time following an Assumption Event or an Event of Default, the Obligor shall be entitled (but not obligated) to assume all of the Obligations Secured. The Financing Entity (including through the Manager) will ensure that any Obligations Secured by their contractual terms permit, on an Assumption Event or an Event of Default, an assumption by the Obligor without any requirement for further consent, approval or agreement of the applicable Specified Creditor.
Term:	The Change of Law Assumption Agreement will continue for as long as any Obligations Secured remain outstanding.

[5] We have layered in our proposal on acceleration which was provided to all parties in a memo from OPG dated August 30, 2017.

Obligor Approval:	The Change of Law Assumption Agreement will apply to all Obligations Secured that are incurred by an "Eligible Financing Entity" designated as such in accordance with the following process: In order for a Financing Entity to become designated as an Eligible Financing Entity by the Obligor, prior to the initial issuance of Funding Obligations by such Financing Entity, the Obligor will review the constating documents of such Financing Entity and the various program agreements. Once a Financing Entity is designated by the Obligor as an Eligible Financing Entity, it will not be necessary for the Obligor to approve the documentation related to specific issuances of Funding Obligations; however, the Manager will notify the Obligor of any new material program documentation or any material amendments to existing program documentation before such new documentation or amendments become effective.[6] It will not be necessary for the Obligor to approve each new issuance of Funding Obligations provided that such Funding Obligations are issued in accordance with following process: (A) At least **[30 days]** prior to the initial issuance of Funding Obligations by an Eligible Financing Entity, the Manager will provide the Obligor with a forecast of the principal amount of Funding Obligations that the Manager expects such Eligible Financing Entity to issue in accordance with the Financing Plan in the next two years (a "**Two Year Forecast**"). The execution of the Change of Law Assumption Agreement in respect of such Eligible Financing Entity shall constitute the Obligor's approval of the issuance of Funding Obligations by such Eligible Financing Entity in accordance with the Two Year Forecast. (B) the Manager shall provide the Obligor with an updated Two Year Forecast between **[6 and 9 months]** prior to the expiry of each current Two Year Forecast. (C) Unless the Obligor provides the Manager with a written notice no later than **[3 months]** prior to the expiry of the current Two Year Forecast that the Change of Law Assumption Agreement will be inapplicable with respect to new Funding Obligations incurred following the expiry of the current Two Year Forecast, the Obligor will be deemed to approve the application of the Change of Law Assumption Agreement to all Funding Obligations and all

	other Obligations Secured in connection thereto incurred up to the expiry of the new Two Year Forecast.
FIPPA:	The Change of Law Assumption Agreement will acknowledge that the Obligor will be bound by the *Freedom of Information and Protection of Privacy Act* (Ontario) and that any information provided to the Obligor, or any agent or representative of the Obligor in connection with the Change of Law Assumption Agreement, may be subject to disclosure in accordance with the act or as otherwise required by law.
Representations and Warranties:	To be determined by the Minister of Finance and Minister of Energy in negotiation with the Financing Entity.
Confidentiality Obligations:	To be determined based on what would be customary and appropriate for similar types of arrangements and is acceptable to the Obligor and the Financing Entity.
Governing Law:	Province of Ontario.

[6] We have not included an express right of the Province to review and sign off on program agreements since that is subsumed in the concept of Eligible Financing Entity – the Province will confirm it is comfortable with such documents prior to designating a Financing Entity an Eligible Financing Entity.

This Term Sheet is not intended to create any obligations or be binding on the parties.***

This Term Sheet does not discuss the servicing commingling risk and the warehousing takeout risk, which will be addressed separately by the following (i) the Master Transfer and Servicing Agreement will include an obligation for the IESO to provide a letter of credit if required to support the Funding Obligations in an amount equal to one month of anticipated collections of the clean energy adjustments by all non-rated local distribution companies, and (ii) there will be a step up in pricing reflected in the documents evidencing the short term debt issuance.

Indenture Trustee:	**An indenture trustee, acting for and on behalf of the Specified Creditors under a master trust indenture to be entered into by the Financing Entity, as issuer (the "Master Trust Indenture").**
Beneficiaries:	**The Indenture Trustee, acting for and on behalf of the Specified Creditors.**

[3] **We understand certain internal changes to the structure of the IESO may be made by the IESO board without statutory enactments.**

The obligations of the Financing Entity include its funding obligations as well as any other obligation the Financing Entity has related to the Fair Hydro program such as payments to service providers (such as trustees, auditors, etc), rating agencies and any fees due to the securities commissions~~. The exercise of such right by the Indenture Trustee in accordance with the Master Trust Indenture shall constitute the only remedy available under the Change of Law Assumption Agreement. Under no circumstances shall the Obligor be obligated to pay or indemnify a Beneficiary for consequential, special or punitive damages.
Subrogation:	Upon paying an amount to a Beneficiary in respect of an Obligation Secured, the Obligor shall become entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Obligations Secured, including the security interest in the property of the Financing Entity.
Event of Default Cure:[5]	Upon the occurrence of a Default under the Master Trust Indenture (being an event which, with the passage of time or giving of notice could become an Event of Default), the Obligor would have the following rights: (A) a right to receive written notice from the Indenture Trustee (at the same time that such trustee provides a

	notice to the Financing Entity through OPG as the manager) that a Default has occurred; (B) in the event of the occurrence of an Event of Default that is not based upon the occurrence of a Default followed by a cure period (such as insolvency of the Financing Entity), a right to receive written notice from the Indenture Trustee that an Event of Default has occurred; and (C) a right (but not an obligation) to cure the Default or the Event of Default, as the case may be, within a specified cure period, which will run concurrently with any cure period available under the Master Trust Indenture with respect to the applicable Event of Default. (D) The Master Trust Indenture will provide that notwithstanding the occurrence of an Event of Default, the Obligations Secured may not be accelerated until the expiry of the cure period available to the Obligor. If the Default or Event of Default in question cannot be cured by the Obligor on behalf of the Financing Entity within this cure period, then the Obligor will have the option (but not an obligation) to "cure" and avoid acceleration of the Obligations Secured by assuming those Obligations Secured. In such circumstances, the Fair Hydro program would be discontinued and the Obligations Secured owing under the program would be those of the Obligor.
Optional Assumption:	At any time following an Assumption Event or an Event of Default, the Obligor shall be entitled (but not obligated) to assume all of the Obligations Secured. The Financing Entity (including through the Manager) will ensure that any Obligations Secured by their contractual terms permit, on an Assumption Event or an Event of Default, an assumption by the Obligor without any requirement for further consent, approval or agreement of the applicable Specified Creditor.
Term:	The ~~Guarantee~~Change of Law Assumption Agreement will continue for as long as ~~the Financing Entity has~~ any Obligations Secured remain outstanding~~ financing or other contractual obligations and until such obligations have all been paid in full or otherwise satisfied~~.
Obligor **Approval**~~-~~	The ~~guarantee agreement containing the terms and conditions contemplated by this term sheet shall be entered into prior to the~~

~~**Requirement**~~**:**	~~Financing Entity incurring its first funding obligation. The Province shall enter into the guarantee based on forms of program and series financing documents required for each financing transaction (e.g., form of supplemental indenture). As long as the financing transaction documents are generally consistent with the agreed upon form, the Province's specific approval for specific funding obligations incurred by the Financing Entity will not be required. Subsequent approval is only needed if the form of such documents are materially changed. For greater certainty, deal specific terms (such as tenor, pricing, etc) shall not be considered a change in the form of transaction and series documents~~**Change of Law Assumption Agreement will apply to all Obligations Secured that are incurred by an "Eligible Financing Entity" designated as such in accordance with the following process:** **In order for a Financing Entity to become designated as an Eligible Financing Entity by the Obligor, prior to the initial issuance of Funding Obligations by such Financing Entity, the Obligor will review the constating documents of such Financing Entity and the various program agreements. Once a Financing Entity is designated by the Obligor as an Eligible Financing Entity, it will not be necessary for the Obligor to approve the documentation related to specific issuances of Funding Obligations; however, the Manager will notify the Obligor of any new material program documentation or any material amendments to existing program documentation before such new documentation or amendments become effective.[6]** **It will not be necessary for the Obligor to approve each new issuance of Funding Obligations provided that such Funding Obligations are issued in accordance with following process:** **(A) At least [30 days] prior to the initial issuance of Funding Obligations by an Eligible Financing Entity, the Manager will provide the Obligor with a forecast of the principal amount of Funding Obligations that the Manager expects such Eligible Financing Entity to issue in accordance with the Financing Plan in the next two years (a "Two Year Forecast"). FIPPA:	The ~~parties~~**Change of Law Assumption Agreement** will acknowledge that the ~~Guarantor~~**Obligor** will be bound by the *Freedom of Information and Protection of Privacy Act* (Ontario) and that any information provided to the ~~Guarantor~~**Obligor**, or any agent or representative of the ~~Guarantor~~**Obligor** in connection with the ~~Guarantee~~**Change of Law Assumption Agreement,** may be subject to disclosure in accordance with the act or as otherwise required by law**.**

~~**Warehousing Takeout Risk and Servicing (Commingling) Risk**~~

~~*Note – these items are provided for information purposes only as these risks were included in the previous version of the term sheet as items that the Dealers/OPG were looking for the Province for protection against. The current proposals with respect to these items is described below. These do not contain any requirement for the Province to directly backstop these risks.*~~

Commingling Risk (applies to Warehouse as well as any Term transactions)	
Commingling Risk Mitigant:	For any LDC which is not investment grade rated by each of the rating agencies which are rating the funding obligations (the "Non-Investment Grade LDCs"), either: (A) The IESO must post a Letter of Credit (L/C), or deposit funds in a Commingling Reserve Account in a quantum equal to the Commingling Risk Amount; or (B) The IESO, for so long as it is rated investment grade by the rating agencies which are rating the funding obligations, will assume responsibility for commingling risk by the LDCs and will agree to remit to the Financing Entity any clean energy adjustment amounts collected by the LDC, regardless of whether the LDC remitted those amounts to the IESO for remittance to the Financing Entity
Commingling Risk Amount:	An amount equal to the sum of the expected Clean Energy Adjustment collections from the Non-Investment Grade LDCs over the next [45-60] days
Commingling Risk Amount Reset Date:	Each settlement date for the Financing Entity (monthly)
Beneficiary:	The beneficiary of the L/C or the Commingling Reserve Account would be the Financing Entity and the Indenture Trustee for the benefit of the creditors of the Financing Entity. The Financing Entity and/or the Indenture Trustee would have the ability to draw down the L/C or draw on the Commingling Reserve Account for any clean energy adjustment amounts expected to be received from the IESO but which were not received due to those funds not being remitted from an LDC to the IESO for that period
L/C Provider:	An entity rated at least A+ (or equivalent)
Approvals:	The approach is subject to approval from the IESO, by the rating agencies rating the funding obligations of the Financing Entity and the risk management areas of the banks providing the warehouse facilities
Warehouse Takeout Risk	
Commitment Period for	

Warehouse[1]:	Expected to be 12-24 months
Takeout for Warehouse:	Expected to be every 3-6 months
Warehouse Default Event:	One of the events of default for the warehouse will be the failure to repay the warehouse facility at the end of the commitment term
Consequences of Warehouse Default Event:	If the Warehouse Default Event[2] described above occurs, all amounts funded through the warehouse would become immediately due and payable, subject to the Warehouse Default Payment Cap, and Default Pricing will be charged on any amounts funded through the warehouse facility
Default Pricing:	Step up in pricing to [x] until the moratorium period ends and thereafter stepping up in increments of [y] every six months until the warehouse facility is repaid
Warehouse Default Payment Cap:	For any given reference period following the occurrence of a Warehouse Default Event, the amount that shall be remitted to the Financing Entity for repayment of the warehouse facilities will be the sum of (x) the interest amount due on the warehouse facilities (which, for greater certainty will include any program fees) and (y) the lessor of: (a) The outstanding amount funded through the warehouse facilities; and (b) The maximum amount that can be charged for that period so that clean energy adjustments are equal to, but do not exceed, the fair allocation amount for such period.
Approval Requirement:	Subject to approval by the risk management areas of the banks providing the warehouse facilities which will in part depend on receipt of information on the fair allocation curve and an understanding of how long the "tail risk" could be following a Warehouse Default Event

[1] Please note that this is not intended to be an exhaustive list of terms for the warehouse facility, but rather is a summary of a few select terms that relate to the warehouse takeout risk.

[2] Note there may be other Warehouse Default Events beyond the takeout risk item described above. The consequences for a breach of these other Warehouse Default Events may be different than the one described above where the default is related to failure to takeout the warehouse facility by the end of the commitment period.

Change of Law Assumption Agreement

Indicative Term Sheet

Ontario Fair Hydro Plan Act, 2017

*This indicative term sheet (the "**Term Sheet**") relates to transactions contemplated to be undertaken under the Ontario Fair Hydro Plan Act, 2017 (the "**Act**") and the regulations made thereunder and made in connection thereto (the "**Regulation**").[1] This Term Sheet is to be held confidential. Unless otherwise specified, defined terms used herein have the meanings ascribed to them in the Act or the August 23, 2017 draft of the Master Trust Indenture (as defined below), as applicable. The provincial assumption arrangements contemplated in this Term Sheet will include such terms and conditions as the Minister of Energy and the Minister of Finance determine to be appropriate. This Term Sheet is not intended to create any obligations or be binding on the parties.*

This Term Sheet does not discuss the servicing commingling risk and the warehousing takeout risk, which will be addressed separately by the following (i) the Master Transfer and Servicing Agreement will include an obligation for the IESO to provide a letter of credit if required to support the Funding Obligations in an amount equal to one month of anticipated collections of the clean energy adjustments by all non-rated local distribution companies, and (ii) there will be a step up in pricing reflected in the documents evidencing the short term debt issuance.

Change of Law Assumption Agreement:	A Change of Law Assumption Agreement will be among the Obligor, a Financing Entity and an Indenture Trustee, acting for and on behalf of the Specified Creditors in accordance with the Master Trust Indenture.
Obligor:	The Province of Ontario, by the Minister of Energy and the Minister of Finance.
Indenture Trustee:	An indenture trustee, acting for and on behalf of the Specified Creditors under a master trust indenture to be entered into by the Financing Entity, as issuer (the "**Master Trust Indenture**").
Beneficiaries:	The Indenture Trustee, acting for and on behalf of the Specified Creditors.

[1] Regulations covered by the Change of Law Assumption Agreement must also include the regulations obligating the IESO to pay the debt carrying costs during the moratorium period.

Obligations Secured:	Obligations Secured approved as contemplated below under Obligor Approval.[2]
Assumption Events:	Any of the following would constitute an Assumption Event: (A) (1) the Legislature repeals (and does not replace on an equivalent basis) or amends the Act or any portion thereof; (2) the Legislature enacts or amends any other statute; (3) the Lieutenant Governor in Council repeals (and does not replace on an equivalent basis) or amends the Regulation made under the Act or any portion thereof; (4) the Lieutenant Governor in Council, a minister of the Crown, an official of the government or a board or commission all the members of which are appointed by the Lieutenant Governor in Council makes or amends any "regulation" (as defined in Part III of the *Legislation Act, 2006*); or (5) there is a change in the organization, structure or operations of the IESO or a change in the electricity market structure or operations not otherwise effected through the actions described in clauses (A)(1) through (4) above.[3] in each case, that is reasonably expected to adversely affect (a) the ability of the Financing Entity to receive amounts on its investment interest so that it can pay the Obligations Secured or (b) the Change of Law Assumption Agreement or any of the agreements under which Obligations Secured arise without the agreement of the Indenture Trustee; or[4] (B) a court of competent jurisdiction determines that all or a portion of the Act or the Regulation is *ultra vires*, invalid or inoperative in a way that adversely affects the ability of the Financing Entity to receive amounts on its investment

[2] "Obligations Secured" is a defined term in the Master Trust Indenture and encompasses all debts and liabilities of the Financing Entity owing to the Specified Creditors and captures subordinated debt as well. As discussed on the call with Blakes and the Provincial legal team, excluding subordinated debt from the benefits of the Assumption Agreement will increase the pricing of such debt, the costs of which would ultimately be passed on to ratepayers.

[3] We understand certain internal changes to the structure of the IESO may be made by the IESO board without statutory enactments.

[4] A materiality qualifier is not appropriate since a change of law that would result in either (a) or (b) is by its nature material.

	interest so that it can pay the Obligations Secured including, without limitation, a declaration that any funding obligations of the Financing Entity or any investment interests are invalid or unenforceable.
Obligation to Pay the Obligations Secured:	Upon the occurrence of an Assumption Event, the Obligor will pay the amounts pertaining to the Obligations Secured on behalf of the Financing Entity when they become due and payable (without acceleration). The exercise of such right by the Indenture Trustee in accordance with the Master Trust Indenture shall constitute the only remedy available under the Change of Law Assumption Agreement. Under no circumstances shall the Obligor be obligated to pay or indemnify a Beneficiary for consequential, special or punitive damages.
Subrogation:	Upon paying an amount to a Beneficiary in respect of an Obligation Secured, the Obligor shall become entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Obligations Secured, including the security interest in the property of the Financing Entity.

Event of Default Cure:[5]	Upon the occurrence of a Default under the Master Trust Indenture (being an event which, with the passage of time or giving of notice could become an Event of Default), the Obligor would have the following rights: (A) a right to receive written notice from the Indenture Trustee (at the same time that such trustee provides a notice to the Financing Entity through OPG as the manager) that a Default has occurred; (B) in the event of the occurrence of an Event of Default that is not based upon the occurrence of a Default followed by a cure period (such as insolvency of the Financing Entity), a right to receive written notice from the Indenture Trustee that an Event of Default has occurred; and (C) a right (but not an obligation) to cure the Default or the Event of Default, as the case may be, within a specified cure period, which will run concurrently with any cure period available under the Master Trust Indenture with respect to the applicable Event of Default. The Master Trust Indenture will provide that notwithstanding the occurrence of an Event of Default, the Obligations Secured may not be accelerated until the expiry of the cure period available to the Obligor. If the Default or Event of Default in question cannot be cured by the Obligor on behalf of the Financing Entity within this cure period, then the Obligor will have the option (but not an obligation) to "cure" and avoid acceleration of the Obligations Secured by assuming those Obligations Secured. In such circumstances, the Fair Hydro program would be discontinued and the Obligations Secured owing under the program would be those of the Obligor.
Optional Assumption:	At any time following an Assumption Event or an Event of Default, the Obligor shall be entitled (but not obligated) to assume all of the Obligations Secured. The Financing Entity (including through the Manager) will ensure that any Obligations Secured by their contractual terms permit, on an Assumption Event or an Event of Default, an assumption by the Obligor without any requirement for further consent, approval or agreement of the applicable Specified Creditor.
Term:	The Change of Law Assumption Agreement will continue for as long as any Obligations Secured remain outstanding.

[5] We have layered in our proposal on acceleration which was provided to all parties in a memo from OPG dated August 30, 2017.

Obligor Approval:	The Change of Law Assumption Agreement will apply to all Obligations Secured that are incurred by an "Eligible Financing Entity" designated as such in accordance with the following process: In order for a Financing Entity to become designated as an Eligible Financing Entity by the Obligor, prior to the initial issuance of Funding Obligations by such Financing Entity, the Obligor will review the constating documents of such Financing Entity and the various program agreements. Once a Financing Entity is designated by the Obligor as an Eligible Financing Entity, it will not be necessary for the Obligor to approve the documentation related to specific issuances of Funding Obligations; however, the Manager will notify the Obligor of any new material program documentation or any material amendments to existing program documentation before such new documentation or amendments become effective.[6] It will not be necessary for the Obligor to approve each new issuance of Funding Obligations provided that such Funding Obligations are issued in accordance with following process: (A) At least **[30 days]** prior to the initial issuance of Funding Obligations by an Eligible Financing Entity, the Manager will provide the Obligor with a forecast of the principal amount of Funding Obligations that the Manager expects such Eligible Financing Entity to issue in accordance with the Financing Plan in the next two years (a "**Two Year Forecast**"). The execution of the Change of Law Assumption Agreement in respect of such Eligible Financing Entity shall constitute the Obligor's approval of the issuance of Funding Obligations by such Eligible Financing Entity in accordance with the Two Year Forecast. (B) the Manager shall provide the Obligor with an updated Two Year Forecast between **[6 and 9 months]** prior to the expiry of each current Two Year Forecast. (C) Unless the Obligor provides the Manager with a written notice no later than **[3 months]** prior to the expiry of the current Two Year Forecast that the Change of Law Assumption Agreement will be inapplicable with respect to new Funding Obligations incurred following the expiry of the current Two Year Forecast, the Obligor will be deemed to approve the application of the Change of Law Assumption Agreement to all Funding Obligations and all

	other Obligations Secured in connection thereto incurred up to the expiry of the new Two Year Forecast.
FIPPA:	The Change of Law Assumption Agreement will acknowledge that the Obligor will be bound by the *Freedom of Information and Protection of Privacy Act* (Ontario) and that any information provided to the Obligor, or any agent or representative of the Obligor in connection with the Change of Law Assumption Agreement, may be subject to disclosure in accordance with the act or as otherwise required by law.

Change of Law Assumption Agreement

Indicative Term Sheet

Ontario Fair Hydro Plan Act, 2017

*This indicative term sheet (the "**Term Sheet**") relates to transactions contemplated to be undertaken under the Ontario Fair Hydro Plan Act, 2017 (the "**Act**") and the regulations made thereunder* ***and made in connection thereto*** *(the "**Regulation**").*[1] *This Term Sheet is to be held confidential. Unless otherwise specified, defined terms used herein have the meanings ascribed to them in the Act* ***or the August 23, 2017 draft of the Master Trust Indenture (as defined below), as applicable****. The provincial* ~~*protection and assurance*~~***assumption*** *arrangements contemplated in this Term Sheet will include such terms and conditions as the Minister of Energy and the Minister of Finance determine to be appropriate. This Term Sheet is not intended to create any obligations or be binding on the parties.*

This Term Sheet does not discuss the servicing commingling risk and the warehousing takeout risk, which will be addressed separately by the following (i) the Master Transfer and Servicing Agreement will include an obligation for the IESO to provide a letter of credit if required to support the Funding Obligations in an amount equal to one month of anticipated collections of the clean energy adjustments by all non-rated local distribution companies, and (ii) there will be a step up in pricing reflected in the documents evidencing the short term debt issuance.

Change of Law Assumption Agreement:	A Change of Law Assumption Agreement will be among the Obligor, a Financing Entity and an Indenture Trustee, acting for and on behalf of the ~~Beneficiaries~~**Specified Creditors** in accordance with ~~a~~**the Master** Trust Indenture.
Obligor:	The Province of Ontario, by the Minister of Energy and the Minister of Finance ~~acting together~~.
Indenture Trustee:	An indenture trustee, acting for ~~itself~~ and on behalf of ~~other persons entitled under an applicable~~**the Specified Creditors under a master trust indenture to be entered into by the Financing Entity, as issuer (the "Master Trust Indenture")**.
Beneficiaries:	The Indenture Trustee, acting for ~~itself~~ and on behalf of ~~other persons entitled under~~**the** Specified ~~Claims~~**Creditors**.
~~**Specified Claims**~~**Obligations Secured:**	~~Payment obligations of the Financing Entity that are secured under the Trust Indenture and that are~~**Obligations Secured**

Assumption Events:	Any of the following would constitute an Assumption Event: (A) (1) the Legislature repeals (and does not replace on an equivalent basis) or amends the Act or any portion thereof; (B) (2) the Legislature enacts or amends any other statute; (C) (3) the Lieutenant Governor in Council repeals (and does not replace on an equivalent basis) **or amends** the ~~General~~ Regulation made under the Act or any portion thereof; ~~or~~ (D) (4) the Lieutenant Governor in Council, a minister of the Crown, an official of the government or a board or commission all the members of which are appointed by the Lieutenant Governor in Council makes or amends any "regulation" (as defined in Part III of the *Legislation Act, 2006*)~~,~~**; or** (E) **(5) there is a change in the organization, structure or operations of the IESO or a change in the electricity market structure or operations not otherwise effected through the actions described in clauses (A)(1) through (4) above.**[3] (F) in each case, that ~~materially and~~**is reasonably expected to** adversely ~~affects~~**affect** (a) the ability of the Financing Entity to receive amounts on its investment interest so that it can

[2] "Obligations Secured" is a defined term in the Master Trust Indenture and encompasses all debts and liabilities of the Financing Entity owing to the Specified Creditors and captures subordinated debt as well. As discussed on the call with Blakes and the Provincial legal team, excluding subordinated debt from the benefits of the Assumption Agreement will increase the pricing of such debt, the costs of which would ultimately be passed on to ratepayers.

Obligation to ~~Assume Specified Claims~~Pay the Obligations Secured:	Upon the occurrence of an Assumption Event, ~~the Indenture Trustee will have the right to require~~ the Obligor ~~to~~**will** pay the ~~amount of Specified Claims~~**amounts pertaining to the Obligations Secured** on behalf of the Financing Entity when they become due and payable (without acceleration). The exercise of such right by the Indenture Trustee in accordance with the **Master** Trust Indenture shall constitute the only remedy available under the Change of Law Assumption Agreement. Under no circumstances shall the Obligor be obligated to pay or indemnify a Beneficiary for consequential, special or punitive damages~~, or for economic loss or loss of profits~~.
Subrogation:	Upon paying an amount to a Beneficiary in respect of ~~a Specified Claim~~**an Obligation Secured**, the Obligor shall become entitled to all of the applicable Beneficiary's rights and interests under and in respect of the ~~Specified Claim~~**Obligations Secured**, including the security interest in ~~each related investment interest and related~~**the** property of the Financing Entity~~ and the obligations of the Financing Entity owing under the agreements under which the Specified Claim arises. The Financing Entity may not change or consent to any change in such rights and interests without the Obligor's prior written consent~~.
Event of Default Cure:[5]	**Upon the occurrence of a Default under the Master Trust Indenture (being an event which, with the passage of time or giving of notice could become an Event of Default), the**

	Obligor would have the following rights: **(A) a right to receive written notice from the Indenture Trustee (at the same time that such trustee provides a notice to the Financing Entity through OPG as the manager) that a Default has occurred;** **(B) in the event of the occurrence of an Event of Default that is not based upon the occurrence of a Default followed by a cure period (such as insolvency of the Financing Entity), a right to receive written notice from the Indenture Trustee that an Event of Default has occurred; and** **(C) a right (but not an obligation) to cure the Default or the Event of Default, as the case may be, within a specified cure period, which will run concurrently with any cure period available under the Master Trust Indenture with respect to the applicable Event of Default.** **(D) The Master Trust Indenture will provide that notwithstanding the occurrence of an Event of Default, the Obligations Secured may not be accelerated until the expiry of the cure period available to the Obligor. If the Default or Event of Default in question cannot be cured by the Obligor on behalf of the Financing Entity within this cure period, then the Obligor will have the option (but not an obligation) to "cure" and avoid acceleration of the Obligations Secured by assuming those Obligations Secured. In such circumstances, the Fair Hydro program would be discontinued and the Obligations Secured owing under the program would be those of the Obligor.**
Optional ~~Replacement~~Assumption:	At any time following ~~the exercise by the Indenture Trustee of its right to require the Obligor to pay Specified Claims when due and payable~~**an Assumption Event or an Event of Default**, the Obligor shall be entitled (but not obligated) to ~~replace the Financing Entity as obligor and debtor and directly~~ assume all of the ~~Financing Entity's outstanding obligations and liabilities~~**Obligations Secured**. Term:	The Change of Law Assumption Agreement will continue for as long as any ~~Specified Claim remains~~**Obligations Secured remain** outstanding.
Obligor Approval:	The<~~ *Change of Law Assumption Agreement* >~~will become effective in respect of a Specified Claim (including any modification) only after the Obligor has confirmed in writing that the Change of Law Assumption Agreement applies to such Specified Claim.~~ ~~The Change of Law Assumption Agreement will annex the applicable forms of program and series documents under which obligations of the Financing Entity may arise (e.g., including the form of trust indenture and series supplemental indenture) and set out the terms and conditions and process for obtaining the Obligor's approval and confirmation that the~~ Change of Law Assumption Agreement will apply to ~~Specified Claims. ~~**Warehousing Takeout Risk and Servicing (Commingling) Risk**~~

~~*Note – these items are provided for information purposes only as these risks were included in the previous version of the term sheet as items that the Dealers/OPG were looking for the Province for protection against. The current proposals with respect to these items is described below. These do not contain any requirement for the Province to directly backstop these risks.*~~

Commingling Risk (applies to Warehouse as well as any Term transactions)	
Commingling Risk Mitigant:	For any LDC which is not investment grade rated by each of the rating agencies which are rating the funding obligations (the "Non-Investment Grade LDCs"), either: (A) The IESO must post a Letter of Credit (L/C), or deposit funds in a Commingling Reserve Account in a quantum equal to the Commingling Risk Amount; or (B) The IESO, for so long as it is rated investment grade by the rating agencies which are rating the funding obligations, will assume responsibility for commingling risk by the LDCs and will agree to remit to the Financing Entity any clean energy adjustment amounts collected by the LDC, regardless of whether the LDC remitted those amounts to the IESO for remittance to the Financing Entity
Commingling Risk Amount:	An amount equal to the sum of the expected Clean Energy Adjustment collections from the Non-Investment Grade LDCs over the next [45-60] days
Commingling Risk Amount Reset Date:	Each settlement date for the Financing Entity (monthly)
Beneficiary:	The beneficiary of the L/C or the Commingling Reserve Account would be the Financing Entity and the Indenture Trustee for the benefit of the creditors of the Financing Entity. The Financing Entity and/or the Indenture Trustee would have the ability to draw down the L/C or draw on the Commingling Reserve Account for any clean energy adjustment amounts expected to be received from the IESO but which were not received due to those funds not being remitted from an LDC to the IESO for that period
L/C Provider:	An entity rated at least A+ (or equivalent)
Approvals:	The approach is subject to approval from the IESO, by the rating agencies rating the funding obligations of the Financing Entity and the risk management areas of the banks providing the warehouse facilities
Warehouse Takeout Risk	
Commitment Period for	

Warehouse[1]:	Expected to be 12-24 months
Takeout for Warehouse:	Expected to be every 3-6 months
Warehouse Default Event:	One of the events of default for the warehouse will be the failure to repay the warehouse facility at the end of the commitment term
Consequences of Warehouse Default Event:	If the Warehouse Default Event[2] described above occurs, all amounts funded through the warehouse would become immediately due and payable, subject to the Warehouse Default Payment Cap, and Default Pricing will be charged on any amounts funded through the warehouse facility
Default Pricing:	Step up in pricing to [x] until the moratorium period ends and thereafter stepping up in increments of [y] every six months until the warehouse facility is repaid
Warehouse Default Payment Cap:	For any given reference period following the occurrence of a Warehouse Default Event, the amount that shall be remitted to the Financing Entity for repayment of the warehouse facilities will be the sum of (x) the interest amount due on the warehouse facilities (which, for greater certainty will include any program fees) and (y) the lessor of: (a) The outstanding amount funded through the warehouse facilities; and (b) The maximum amount that can be charged for that period so that clean energy adjustments are equal to, but do not exceed, the fair allocation amount for such period.
Approval Requirement:	Subject to approval by the risk management areas of the banks providing the warehouse facilities which will in part depend on receipt of information on the fair allocation curve and an understanding of how long the "tail risk" could be following a Warehouse Default Event

[1] Please note that this is not intended to be an exhaustive list of terms for the warehouse facility, but rather is a summary of a few select terms that relate to the warehouse takeout risk.

[2] Note there may be other Warehouse Default Events beyond the takeout risk item described above. The consequences for a breach of these other Warehouse Default Events may be different than the one described above where the default is related to failure to takeout the warehouse facility by the end of the commitment period.

<u>Ontario Fair Hydro Plan Act, 2017</u>

*This indicative term sheet (the "**Term Sheet**") relates to transactions contemplated to be undertaken under the Ontario Fair Hydro Plan Act, 2017 (the "**Act**") and the regulations made thereunder (the "**Regulation**"). This Term Sheet is to be held confidential. Unless otherwise specified, defined terms used herein have the meanings ascribed to them in the Act. The provincial protection and assurance arrangements contemplated in this Term Sheet will include such terms and conditions as the Minister of Energy and the Minister of Finance determine to be appropriate. This Term Sheet is not intended to create any obligations or be binding.*

Change of Law Protection Agreement:	A Change of Law Protection Agreement will be among the Obligor, a Financing Entity and an Indenture Trustee, acting for and on behalf of the Beneficiaries in accordance with a Trust Indenture.
Obligor:	The Province of Ontario, by the Minister of Energy and the Minister of Finance acting together.
Indenture Trustee:	An indenture trustee, acting for itself and on behalf of other persons entitled under an applicable Trust Indenture.
Beneficiaries:	The Indenture Trustee, acting for itself and on behalf of other persons entitled under Specified Claims.
Specified Claims:	Payment obligations of the Financing Entity that are secured under the Trust Indenture and that are approved as contemplated below under Obligor Approval.
Protection Events:	Any of the following would constitute a Protection Event: (A) (1) the Legislature repeals (and does not replace on an equivalent basis) or amends the Act or any portion thereof; (2) the Legislature enacts or amends any other statute; (3) the Lieutenant Governor in Council repeals (and does not replace on an equivalent basis) the Regulation made under the Act or any portion thereof; or (4) the Lieutenant Governor in Council, a minister of the Crown, an official of the government or a board or commission all the members of which are

	appointed by the Lieutenant Governor in Council makes or amends any "regulation" (as defined in Part III of the *Legislation Act, 2006*); (5) there is a change in the organization or structure of the IESO or Ontario's market undertaken at the initiative of the Province or an entity controlled by the Province, in each case, that materially and adversely affects (a) the ability of the Financing Entity to receive amounts on its investment interest so that it can pay Specified Claims, or (b) the Change of Law Protection Agreement or any of the agreements under which Specified Claims arise, other than if the Indenture Trustee has confirmed in writing that the affect under such agreements is otherwise acceptable; or (B) a court of competent jurisdiction [in a final and non-appealable judgement][1] determines that all or a portion of the Act or the Regulation is *ultra vires* or invalid in a way that materially and adversely affects the ability of the Financing Entity to receive amounts on its investment interest so that it can pay Specified Claims.
Obligation to Pay Specified Claims:	Upon the occurrence of a Protection Event, the Indenture Trustee will have the right to require the Obligor to pay the Specified Claims owing by the Financing Entity when they become due and payable (without acceleration). The exercise of such right by the Indenture Trustee in accordance with the Trust Indenture shall constitute the only remedy available under the Change of Law Protection Agreement. Under no circumstances shall the Obligor be obligated to pay or indemnify a Beneficiary for consequential, special or punitive damages, or for economic loss or loss of profits.
Subrogation:	Upon paying a Specified Claim to a Beneficiary, the Obligor as guarantor shall have rights of subrogation, including becoming entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Specified Claim, including the security interest in each related investment interest and related property of the Financing Entity.

Optional Assumption:	At any time following the occurrence of a Protection Event, the Obligor shall be entitled (but not obligated) to assume the Financing Entity's obligations in respect of Specified Claims as obligor and debtor. The Financing Entity (including through the Financial Services Manager) will ensure that Specified Claims permit such an assumption by the Obligor without any penalty or make-whole payment (or, in the case of any contract for the provision of on-going services to the Financing Entity, the satisfaction and termination of the Specified Claims without any acceleration of future fees, profits or other like amounts), or any requirement for further consent, approval or agreement.
Term:	The Change of Law Protection Agreement will continue for as long as any Specified Claim remains outstanding.
Obligor Approval:	The process by which a Specified Claim will become subject to the Change of Law Protection Agreement will be determined by the Minister of Finance and Minister of Energy in negotiation with the Financing Entity.
FIPPA:	The Change of Law Protection Agreement will acknowledge that the Obligor will be bound by the *Freedom of Information and Protection of Privacy Act* (Ontario) and that any information provided to the Obligor, or any agent or representative of the Obligor in connection with the Change of Law Protection Agreement, may be subject to disclosure in accordance with the act or as otherwise required by law.
Representations and Warranties:	To be determined by the Minister of Finance and Minister of Energy in negotiation with the Financing Entity.

Subject: RE: Fair Hydro -- Change of Law Process Agreement

Hi,

Please find (attached) a further turn of the Change of Law Process Agreement, reflecting the Province's comments on the mark-up of the Agreement circulated yesterday afternoon by Torys. The attached blackline shows changes made to yesterday's Torys mark-up.

This version addresses concerns Rocco raised last night, to the extent the Province feels that the issues can be accommodated. For your information, I have set out below responses to Rocco's comments/observations (in CAPs).

The Province would like to proceed with the Ministers briefing early next week, on the basis that this version (minus the explanatory notes) is now in final form. If there are any critical revisions that the

other parties believe reflect 'must have' priority, then the Province would like to have a call to discuss them as soon as possible.

Responses to Rocco's Points:

1. The change of the definition of Breach Event in Section 6.01 (i.e., the change to clause (a) and the addition of clause (b)) will result in an inconsistency with section 7.01(b) of the Change of Law Protection Agreement. This will require further consideration. [AGREED. 7.01(b) and 7.01(c) WILL NEED TO MIRROR THE CURE LANGUAGE WE SETTLE ON IN THE PROCESS AGREEMENT (SEE MY EARLIER COMMENTS). PERHAPS THE "which continues …" LANGUAGE IN 7.01(B) CAN BE REVISED TO READ: "to the extent that the Province would be entitled to provide a Suspension Notice in accordance with the terms of the agreement or agreements between the Province and OPG under which such obligations, requirements and processes arise". SIMILAR CHANGE FOR 7.01(C).

2. The right of the Province to issue an objection notice under Section 3.04(b) in connection with a Transaction Document provided to the Province which is required for a Refinancing of an Approved Obligation remains an outstanding issue. Clearly, this will depend upon what Adherence Conditions will be required under Section 4.02 of the Change of Law Protection Agreement in order to permit such Refinancing to become an Approved Obligation. If the Adherence Conditions set out in Section 4.02(a) of the Province's draft of the Change of Law Protection Agreement of December 4 were to apply to such Refinancing, to the extent that such refinancing required a change to a Transaction Document (e.g., as a result of a change to some rating agency condition or criteria), the Province's ability to issue an objection notice and thereby prevent the issuance of a Process Certificate under Section 3.01 (by virtue of Section 3.04) would have the effect of preventing a Refinancing. We trust that this was an unintended outcome of the drafting of Section 3.04 and/or the Adherence Conditions applicable to Refinancings. [THAT IS THE INTENDED EFFECT. THE ADHERENCE CONDITIONS WOULD APPLY TO THE REFINANCING, SO IF THE REFINANCING TERMS DEVIATED MATERIALLY (BASED ON THE SUBSTANTIALLY IN THE FORM" THRESHOLD"), THEN OPG WOULD REQUIRE THE PROVINCE NOT TO OBJECT IN ORDER TO PROCEED WITH THOSE NEW TERMS. OTHERWISE, THE REFINANCING COULD INCORPORATE TERMS AND CONDITIONS, WHICH WOULD BIND THE PROVINCE UNDER THE LIMITED GUARANTEE, THAT WOULD BE UNCONSTRAINED AND WITHOUT ANY ACCOUNTABILITY TO THE PROVINCE. IN ROCCO'S EXAMPLE, THAT MIGHT MEAN THAT OPG WOULD NEED TO RESORT TO UNRATED DEBT, IF THE PROVINCE WAS UNWILLING TO ACCEPT THE NEW TERMS. PRESUMABLY EVERYONE WOULD ACT RATIONALLY. HOWEVER, AS A FAILSAFE, OPG COULD OFFER INCREASED PRICING IN ORDER TO ATTRACT INVESTORS TO ACCEPT THE EARLIER VETTED TERMS (BASED ON THE THEN ACCEPTED REVIEWED DOCUMENTATION).]

3. Given that the Indenture Trustee is not a party to the Change of Law Process Agreement, the Province and OPG can amend the terms and conditions of this agreement without the consent of the indenture Trustee. Specified Creditors under an Approved Obligation need to be assured that the Province cannot prevent a Refinancing of an Approved Obligation either by virtue of the objection notice discussed in point #2 above or as a result of a future amendment to the agreement. There are a couple of ways to deal with this point. The first is to a add a beneficiary/third party rights clause in the Change of Law Process Agreement which acknowledges that the Indenture Trustee is a beneficiary of certain provisions of this agreement and as a result, the

agreement cannot be amended without the consent of the Indenture Trustee. The second is to ensure that the Adherence Conditions relating to Refinancings under the Change of Law Protection Agreement are not dependent upon the terms of the Change of Law Process Agreement. In light of the desire to not disclose the terms and conditions of the Change of Law Process Agreement to the rating agencies, especially at this late stage in the process, we would expect that the latter approach would be preferable. [THE SUGGESTION REGARDING THE PROVINCE PREVENTING A REFINANCING IS ADDRESSED IN #2. IF THE REFINANCING TERMS WOULD EXCEED THE SCOPE OF THE TRANSACTION DOCUMENTS REVIEWED AND NOT OBJECTED TO BY THE PROVINCE, THEN THAT SUGGESTS THERE IS A MATERIAL EFFECT ON THE PROVINCE AND SO THE PROVINCE WOULD NEED THE ABILITY TO REVIEW AND CONSIDER THE PROPRIETY OF THOSE NEW TERMS FROM ITS PERSPECTIVE. AS FOR THE STANDALONE NATURE OF THE PROCESS AGREEMENT, THE INTENTION IS THAT THE PROCESS AGREEMENT BE UNCOUPLED AND NOT PART OF THE COLLATERAL, AND AS MICHAEL FELDMAN HAS EXPLAINED, LEAVE FUTURE FLEXIBILITY FOR THIS LONG-TERM STRUCTURE. TO ADDRESS ROCCO'S CONCERN THAT THE PROVINCE AND OPG COULD CHANGE THE UNDERLYING OBLIGATIONS APPLICABLE TO ADHERENCE IN RELATION TO A NEW OBLIGATION, REQUIREMENT OR PROCESS IN THE PROCESS AGREEMENT THAT WOULD MAKE A REFINANCING LESS LIKELY TO OCCUR, WE HAVE ADDED AND USED IN THE ATTACHED VERSION A NEW DEFFINTION:

> "Approved Refinancing" means a Certified Primary Obligation proposed to be incurred as a Refinancing of an existing Certified Primary Obligation in respect of which the Adherence Conditions had been satisfied on the date such existing Certified Primary Obligation was incurred, that, at the time of incurrence, satisfies each of each of the Adherence Conditions except that the certificate contemplated to be delivered under Section 4.02(b) shall instead confirm that OPG has delivered to the Province a certificate by its applicable officers confirming that OPG would be in compliance with all obligations to the Province and internal requirements and processes in connection with the adherence of the Limited Guarantee to the proposed Certified Primary Obligation that applied as between the Province and OPG on the date of issuance of such existing Certified Primary Obligation." Various references to "Refinancing" in the Protection Agreement can also be revised to refer to "Approved Refinancing", as required.

I have reviewed the revised draft of the Change of Law Process Agreement that Torys has prepared and would like to pass along the following comments/observations:

Blakes team,

Please find attached OPG and Torys' comments on the Process Agreement reflecting our

discussions from yesterday's call. Please note that this draft is subject to continuing review and comment by Osler and the dealers. As discussed at the tail end of our call yesterday, the section in the Process Agreement that gives the Province the right to object to new and material changes to transaction documents dovetails with the Protection Agreement so additional comments from Oslers may be forthcoming on this draft.

We are working on getting you a revised draft of the Protection Agreement either later today or tomorrow. In the meantime, please let us know if you have any comments or questions on the Process Agreement.

Best Regards,
Nina

RECITALS

Pursuant to Subsection 5(3) of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**"), the Lieutenant Governor in Council may by order, authorize the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to agree to guarantee or indemnify certain debts, obligations, securities or undertakings associated with an Investment Interest.

Pursuant to an Order in Council ~~dated as of~~ 1981/2017 (the "**OIC**"), the Lieutenant Governor in Council has, among other things, authorized the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to enter into one or more agreements to guarantee or indemnify the debts, obligations, securities or undertakings of one or more financing entities established or caused to be established pursuant to Subsection 22(2) of the Act by the FSM and that may incur Funding Obligations in connection with one or more Investment Interests.

Pursuant to a Declaration of Trust dated as of ■, 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

The Financing Entity Trustee, in its capacity as trustee of the Financing Entity, and the Indenture Trustee are parties to the Trust Indenture and propose to create and issue series of notes, bonds and other securities as contemplated therein, and to provide security over the assets and undertaking of the Financing Entity in respect of such notes, bonds and securities, as well as other Obligations Secured.

The Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, have determined to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Primary Obligations that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions at the time the Approved Obligation is incurred. This Agreement sets out the terms and conditions of such protections and assurances.

All things necessary to make this Agreement a valid and legally binding agreement of the Province, the Financing Entity, the FSM and the Indenture Trustee, in accordance with the Act, the OIC and the Trust Indenture, have been done.

AGREEMENT OF THE PARTIES

In consideration of the respective agreements herein contained, the parties hereto covenant and agree as follows:

ARTICLE I

To the extent permitted by applicable law, the parties waive any provision of law which renders any provision of this Agreement invalid or unenforceable in any respect.

1.09 Governing Law

THIS AGREEMENT WILL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE PROVINCE OF ONTARIO AND THE FEDERAL LAWS OF CANADA APPLICABLE THEREIN, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

1.19 Judgment Currency

(a) If for the purpose of obtaining judgment in any court or for any other purposes (other than conversions specifically provided for in the agreement under which an Approved Obligation arises), it is necessary to convert any amount due under this Agreement from the currency in which it is due (the "**Original Currency**") into another currency (the "**Second Currency**"), the rate of exchange applied shall be that at which, in accordance with normal banking procedures, the purchaser could purchase, in the New York foreign exchange market, the Original Currency with the Second Currency on the date on which judgment is given. The obligation of the Province in respect of any Original Currency due from it to the Indenture Trustee under this Agreement shall, notwithstanding any judgment or payment in such other currency, be discharged only to the extent that, on the Business Day following receipt of any sum so paid or adjudged to be due under this Agreement in the Second Currency, the Indenture Trustee may, in accordance with normal banking procedures, purchase in the New York foreign exchange market the Original Currency with the amount of the Second Currency so paid or so adjudged to be due; and if the amount of the Original Currency so purchased is less than the amount originally due in the Original Currency, the Province shall indemnify the Indenture Trustee against such loss.

(b) The term "rate of exchange" in this Section 1.19 means the spot rate at which the Indenture Trustee, in accordance with normal practice, is able on the relevant date to purchase the Original Currency with the Second Currency and includes any premium and costs of exchange payable in connection with such purchase.

ARTICLE II
AGREEMENT TO PERFORM APPROVED OBLIGATIONS

2.01 Limited Guarantee

(a) Upon the occurrence of a Protection Event, the Indenture Trustee ~~shall (unless the Rating Agency Condition has been satisfied with respect to a demand not being made as a result of the Protection Event),~~may deliver a written demand, substantially in the form attached as Exhibit A (a "**Payment Demand**"), to the Province requiring the Province to make payments in respect of the Approved Obligations at the times, in the amounts and subject to the requirements specified in this Agreement. From and after such delivery of a Payment Demand, the Province shall make the following payments in respect of the Approved Obligations (the "**Limited Guarantee**"), and the Financing Entity shall pay, and the Province shall be entitled to be paid, the Subrogation Entitlements specified below:

i. Not less than 3 Business Days prior to each day when any payment or payments are to be made in respect of one or more Approved Obligations occurring after such delivery of a Payment Demand (each such day, a "**Guarantee Payment Date**"), the Manager shall deliver a written statement setting forth the Aggregate Approved Obligations Amount, if any, in respect of the Approved Obligations that are due and payable on such Guarantee Payment Date, together with a detailed description identifying such Approved Obligations and the nature and amount of payments due and payable thereunder on the Guarantee Payment Date, the aggregate outstanding amount payable by the Financing Entity under such Approved Obligations as of the date of such written statement, and details regarding any default in performance by any party obligated thereunder.

ii. On each such Guarantee Payment Date, the Province shall deposit the Aggregate Approved Obligations Amount into the Protection Account.

iii. On each such Guarantee Payment Date, the Financing Entity and the Indenture Trustee shall ensure that the amounts on deposit in the Protection Account are applied to pay each Beneficiary to whom an amount is due and payable under an Approved Obligation on the Guarantee Payment Date the Approved Obligation Amount for such Beneficiary in respect of such Approved Obligation on such Guarantee Payment Date; provided that if the amount deposited pursuant to clause 2.01(a)ii is insufficient to pay all such Approved Obligation Amounts in full, the

amount on deposit in the Protection Account on the Guarantee Payment Date shall be applied to pay Beneficiaries in the order of priority in which such Approved Obligations are payable under the payment provisions of the Trust Indenture applicable to the making of such payments on the Guarantee Payment Date (each, a "**Beneficiary Payee**" and each payment made to a Beneficiary Payee on a Guarantee Payment Date, a "**Guarantee Payment**").

iv. On any Guarantee Payment Date on which an amount is paid by the Province pursuant to clause 2.01(a)ii, the applicable payment provisions of the Trust Indenture shall, notwithstanding the express terms of such provisions set forth in the Trust Indenture, be applied and operate on the following basis:

(A) [2]the amount payable to a Beneficiary Payee in respect of an Approved Obligation from amounts available under such payment provisions on such Guarantee Payment Date shall be reduced by the amount of the Guarantee Payment paid to the Beneficiary Payee pursuant to clause 2.01(a)iii in respect of such Approved Obligation on such Guarantee Payment Date;

(B) the Province shall be paid the amount payable to a Beneficiary Payee in respect of an Approved Obligation from amounts available to pay the Beneficiary Payee under such payment provisions on the Guarantee Payment Date, determined without regard to the Guarantee Payment paid on such Guarantee Payment Date and the corresponding reduction of the amount owing to the Beneficiary Payee pursuant to subclause 2.01(a)iv(A) (each such amount payable to the Province being a "**Subrogation Amount**");

(C) no Beneficiary having a right to be paid an amount in respect of an Approved Obligation, and no other Person entitled under an Obligation Secured, in each case that ranks equal with or subordinate to an Approved Obligation in respect of which a Subrogation Amount is payable to the Province

~~[2] Explanatory Note: In a particular period, the cash available from CEAs may exceed the aggregate Finance Amounts payable - for example, as a result of the "true-up" under the Act, which will determine the actual amount of cash available. The basic structure is that the Province will pay all Approved Obligation Amounts, and will be entitled to receive all cash flows available to the Beneficiary Payees. Limiting the subrogation amounts to the lesser of such available cash and the Guarantee Payments could result in leakage of the cash that the Province looks to under this arrangement.~~

under subclause 2.01(a)iv(B), shall be entitled to make any claim or assert any right in or to the amounts paid or payable to the Province under such subclause (including any right of reimbursement, contribution or indemnity) and no such Beneficiary or other Person shall have any right or interest in, to or under the Collateral or any proceeds therefrom in respect of any such Subrogation Amount;

(D) [3]on the first day when any payment or payments are to be made in respect of Obligations Secured that occurs ~~on or~~ after the date on which all amounts payable under all Approved Obligations have been paid in full, whether pursuant to Guarantee Payments or payments made pursuant to the payment provisions of the Trust Indenture or any combination thereof, the Province shall be entitled to be paid from amounts available to pay Obligations Secured on such day (and thereafter on each subsequent day when any payment or payments are to be made in respect of Obligations Secured, until paid in full), in each case in accordance with the applicable payment provisions of the Trust Indenture on such day, the following amounts ~~(each, a "**Final Subrogation Amount**")~~, in each case in the priorities specified below:

(I) as an amount ranking equally with ~~[~~principal amounts of Senior Funding Obligations~~]~~[4], the amount by which (1) the sum of (x) all Guarantee Payments paid by the Province up to and including such day in respect of Approved Obligations ranking equally with or prior to ~~[~~principal amounts of Senior Funding Obligations~~]~~, plus (y) the sum of amounts determined in respect of interest on each such Guarantee Payment from and including the date of its payment by the Province to but excluding the date a Subrogation Amount is paid to the Province

[3] ~~Explanatory Note: The Province will be entitled to receive subrogation cash flows after satisfaction of all Approved Obligations. This provision provides how that these amounts will be payable from available cash flows, based on priorities that address cash entitlements opposite non-guaranteed obligations secured (e.g., after a suspension event). Conforming changes will need to be made to the Trust Indenture once these mechanics have been settled.~~

[4] ~~Explanatory Note: Nomenclature to be conformed, once the corresponding provisions of the Trust Indenture have been settled.~~

in respect of such Guarantee Payment, as attributed to such Guarantee Payment in accordance with the Trust Indenture and calculated based on the applicable interest rate borne by the Approved Obligation to which such Guarantee Payment related[5], exceeds (2) the sum of all Subrogation Amounts paid to the Province up to and including such day (such amount, the "**Senior Final Subrogation Amount**");

(II) as an amount ranking equally with [principal amounts of Subordinated Funding Obligations], the amount by which (1) the sum of (x) all Guarantee Payments paid by the Province up to and including such day in respect of Approved Obligations ranking equally with or prior to [principal amounts of Subordinated Funding Obligations], plus (y) the sum of amounts determined in respect of interest on each such Guarantee Payment from and including the date of its payment by the Province to but excluding the date a Subrogation Amount is paid to the Province in respect of such Guarantee Payment, as attributed to such Guarantee Payment in accordance with the Trust Indenture and calculated based on the applicable interest rate borne by the Approved Obligation to which such Guarantee Payment related, exceeds (2) the sum of (x) all Subrogation Amounts paid to the Province up to and including such day, plus (y) the amount determined under (I) (such amount, the "**Subordinated Final Subrogation Amount**"); and

(III) as an amount ranking equally with [principal amounts of Junior Subordinated Obligations], the amount by which (1) the sum of (x) all Guarantee Payments paid by the Province up to and including such day in respect of Approved Obligations ranking equally with or prior to [principal amounts of

[5] ~~Explanatory Note: Nomenclature to be conformed, once the corresponding provisions of the Trust Indenture have been settled.~~

Junior Subordinated Funding Obligations], plus (y) the sum of amounts determined in respect of interest on each such Guarantee Payment from and including the date of its payment by the Province to but excluding the date a Subrogation Amount is paid to the Province in respect of such Guarantee Payment, as attributed to such Guarantee Payment in accordance with the Trust Indenture and calculated based on the applicable interest rate borne by the Approved Obligation to which such Guarantee Payment related, exceeds (2) the sum of (x) all Subrogation Amounts paid to the Province up to and including such day, plus (y) the sum of the amounts determined under (I) plus (z) the sum of the amounts determined under (II) (such amount, the "**Junior Subordinated Final Subrogation Amount**" and, together with the Senior Final Subrogation Amount and the Subordinated Final Subrogation Amount, the "**Final Subrogation Amounts**")[3]; and

(E) no Person entitled under an Obligation Secured that ranks equal with or subordinate to a Final Subrogation Amount shall be entitled to make any claim or assert any right in or to the amounts paid or payable to the Province in respect of such Final Subrogation Amount and no such Person shall have any right or interest in, to or under the Collateral or any proceeds therefrom in respect of any such Final Subrogation Amount.

v. On any Guarantee Payment Date, the Indenture Trustee shall release and pay to the Province free and clear of any Liens any amount remaining on deposit in the Protection Account that has not been applied to pay Guarantee Payments to Beneficiary Payees on the Guarantee Payment Date in accordance with clause 2.01(a)iiiiii.

[3] Separate definitions were included to facilitate inserting these amounts into Trust Indenture priority of payment provisions.

vi. In preparing any payment instructions under the Trust Indenture, the Manager shall reflect the amounts payable under Section 2.01(a).

(b) The Province shall, as a payee of Subrogation Amounts under clause 2.01(a)~~(~~iv~~)~~(B), as a payee of each Final Subrogation Amount under clause 2.01(a)(iv)(~~B~~D) and as a payee of any amounts payable under clause 2.01(a)~~(~~v~~)~~, be a "Specified Creditor" under the Trust Indenture and have the benefit of the Collateral thereunder.

(c) For greater certainty, the Limited Guarantee will not apply to any amount or obligation of the Financing Entity that is not or does not arise under an Approved Obligation and will be limited to the right to receive the Approved Obligation Amounts, if any, for payment to Beneficiary Payees and will be subject to the priorities and to the Province's rights to Subrogation Entitlements, set forth in Section 2.01(a).

(d) Except as expressly provided in this Agreement, the Province's obligation to provide and perform the Limited Guarantee shall be irrevocable, absolute and unconditional.

(e) Any amount payable by the Province under the Limited Guarantee in respect of an Approved Obligation that is not paid by the Province when required herein shall bear interest from the applicable due date until paid in full at the rate or rates expressed to be payable on the Approved Obligation by their terms.

(f) The right to deliver a Payment Demand and thereupon enforce the Limited Guarantee shall constitute the only remedy available to the Indenture Trustee (and to the Beneficiaries, to the extent they are permitted to exercise any rights, interests, or elections under and in accordance with the Trust Indenture) under this Agreement. Under no circumstances shall the Province be obligated to pay or indemnify the Indenture Trustee or any Beneficiary for consequential, special or punitive damages, or for economic loss or loss of profits; provided that, for greater certainty, economic loss shall not include any amount in respect of any amount due and payable to a Beneficiary Payee under the Limited Guarantee.

2.02 Intentionally Deleted.

2.03 Absence of Set-off

Subject to applicable law, the Province acknowledges and agrees that each payment to be made by the Province hereunder in respect of an Approved Obligation shall be made as required in whole, without application of any right of set-off and without regard to any equities as between or among any of the Province, the Beneficiaries and/or the Indenture Trustee.

2.04 Payment into Protection Account in Satisfaction

(a) On or before the date of delivery of a Payment Demand to the Province, the Indenture Trustee shall cause to be established and maintained an Eligible Deposit Account (the "**Protection Account**") in the name of the Indenture Trustee, bearing a designation clearly indicating that the funds and other property credited thereto are held for the benefit of the Indenture Trustee and the Beneficiaries. The Protection Account shall be under the control of the Indenture Trustee for the benefit of the Beneficiaries. If, at any time, the institution holding the Protection Account ceases to be an Eligible Institution, the FSM shall notify the Indenture Trustee, and the Indenture Trustee upon being notified in writing of such ineligibility (or the FSM on its behalf) shall within 30 days (or such longer period, not to exceed 45 days, so long as the Rating Agency Condition is satisfied) establish a new Protection Account that is an Eligible Deposit Account and shall transfer any funds or other property from such Protection Account to such new Protection Account. From the date each such new Protection Account is established, it shall be the "Protection Account" for purposes of this Agreement. Funds credited to the Protection Account will be invested and held in accordance with Section **[7.03]** of the Trust Indenture on the basis that it is an Issuer Account.

(b) Notwithstanding the priority of payment requirements set forth in the Trust Indenture and any legal rule concerning the imputation of payments, the Financing Entity and the Indenture Trustee shall ensure that all amounts paid by the Province into the Protection Account on a Guarantee Payment Date in respect of an Approved Obligation are applied to pay the amounts due and payable to the Beneficiaries as and to the extent provided for in Section 2.01(a). Upon a payment having been made by or on behalf of the Province into the Protection Account, the amounts so paid shall for all purposes be considered to have been applied to pay the applicable Beneficiaries as provided for in Section 2.01(a) and thereby reduce the amount due and payable to such Beneficiaries in respect of the applicable Approved Obligations, whereupon an affected Beneficiary shall have no continuing rights, interests or entitlements (including rights as a secured party) in respect of the Approved Obligation to the extent so paid. For greater certainty, the obligations arising in respect of an applicable Approved Obligation shall not be reduced by such payment as the Province shall become entitled to be paid related Subrogation Entitlements and the rights contemplated under Section 2.01(a) and Section 5.01 in relation to such continuing obligations.

2.05 Certain Waivers

The Province hereby waives:

(a) any requirement, and any right to require, that any power be exercised or any action be taken against the Financing Entity or any Collateral for any of the Approved Obligations;

(b) all notices which may be required by applicable law to preserve any rights against the Province hereunder, including any notice of default, demand, dishonour, presentment and protest;

(c) diligence; and

(d) any defence based upon, arising out of or in any way related to any claim that any election of remedies by the Beneficiaries impaired, reduced, released or extinguished any rights that the Province might otherwise have had against the Financing Entity or any other surety.

The Province agrees that each such waiver is made with full knowledge of its significance and consequences and if any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the maximum extent permitted by applicable law.

2.06 Additional Security

This Agreement shall be in addition to and without prejudice to any other security by whomsoever given, held at any time by the Indenture Trustee or for the benefit of any of the Beneficiaries.

2.07 Continuing Liability of the Province

The Approved Obligations shall be deemed not to have been paid, observed or performed, and the liability of the Province hereunder in respect thereof shall continue and not be discharged, to the extent that any payment, observance or performance thereof by the Financing Entity, or out of the proceeds of any Collateral, is recovered from or reimbursed by or for the account of any of the Beneficiaries for any reason, including a preference or fraudulent transfer or by virtue of any subordination (whether present or future or contractual or otherwise) of the Approved Obligations, whether such recovery or payment over is effected by any judgment, decree or order of any court or Governmental Authority, by any plan of reorganization or by settlement or compromise by any of the Beneficiaries (whether or not consented to by the Financing Entity or the Province) of any claim for any such recovery or payment over.

2.08 Continuance of the Limited Guarantee

Subject to Section 2.07, the Limited Guarantee shall continue in full force and effect until the indefeasible payment, observance and performance in full of the Approved Obligations in accordance with Section 8.01.

2.09 Modifications of Approved Obligations

The Province expressly authorizes the Indenture Trustee, at any time and from time to time, without notice and without affecting the liability of the Province hereunder, but subject to compliance with the requirements of the Program Agreements and this Agreement, to:

(a) accept new, additional or replacement instruments, documents, agreements or security in connection with all or any part of the Approved Obligations;

(b) accept partial payments on the Approved Obligations; and

(c) waive, release, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, compromise, liquidate and enforce all or any part of the Approved Obligations and any security or guarantee therefor, and apply any such security and direct the order or manner of sale thereof as the Indenture Trustee (for the benefit of the Beneficiaries) in its discretion may determine.

ARTICLE III

3.01 The Indenture Trustee

This Agreement is made in favour of the Indenture Trustee in its capacity as trustee under the Trust Indenture. Accordingly, in the event of a new trustee being appointed under the Trust Indenture, such new trustee shall thereupon become and be the Indenture Trustee hereunder, but nevertheless, the Indenture Trustee shall forthwith assign, transfer and make over to the new trustee hereunder this Agreement. All provisions of the Trust Indenture for the protection of the Indenture Trustee or for facilitating the administration of the trusts or otherwise relating to the Indenture Trustee solely as to its holding of the rights thereunder shall apply *mutatis mutandis* to this Agreement and the Indenture Trustee's duties hereunder.

3.02 Acceptance of Trusts

The Indenture Trustee hereby accepts the trusts hereof and agrees to carry out and discharge the same unless and until a new trustee shall be appointed as contemplated in Section 3.01.

[5] Given the importance of this certificate, the form of the Adherence Compliance Certificate is set out in Exhibit B-2 to this Agreement.

For greater certainty, (y) satisfaction of the Adherence Conditions for a Certified Primary Obligation or a Refinancing shall be deemed satisfaction of the Adherence Conditions in respect of all principal, interest and other amounts owing under the Certified Primary Obligation or the Refinancing, as applicable, as such Certified Primary Obligation or Refinancing may be amended, restated, supplemented or otherwise modified from time to time, and (z) there shall be no Adherence Conditions applicable in relation to a Primary Obligation that is not a Certified Primary Obligation or a Refinancing.

The Indenture Trustee shall recognize the Province as being entitled to all of the rights, interests and entitlements of the Beneficiary (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)) in respect and to the extent of the Approved Obligation so paid, determined as of the time of payment, for all purposes under the Trust Indenture, and the Province shall be treated as a Specified Creditor in respect thereof for all purposes under the Trust Indenture and any other agreement under which the Approved Obligation arises.

5.02 Priorities

For greater certainty, the rights, interests and entitlements of the Province as an assignee and subrogee of and with respect to an Approved Obligation shall rank equally with the rights, interests and entitlements of a Beneficiary to whom a Limited Guarantee payment is made in respect of, and to the extent of the payment made to satisfy, the Approved Obligation and the Province shall not be subject to postponement or subordination with respect thereto except to the

extent of the priorities established in relation to the Approved Obligation under the Trust Indenture in the manner and to the extent contemplated in Section [**7.10**~~(d)~~] of the Trust Indenture.

The Limited Guarantee shall apply to any Certified Primary Obligation incurred after a Suspension Event on the basis that it is a Refinancing (provided that such Refinancing is an Approved Obligation) only if the FSM certifies to the Province in writing prior to the incurrence that the proceeds of such incurrence* will be used solely for the *purposes of repaying one or more Certified Primary Obligations incurred prior to the Suspension Event and to which the Limited Guarantee adhered as of the time the Suspension Event occurred, and the delivery of such written certification by the FSM to the Province shall be determinative for the purposes of concluding that such incurrence is a Refinancing for the purposes of Sections 7.01, 7.02 and 7.03.

If a Suspension Notice has been provided under Section 7.01 (the provision of such notice being a "**Suspension Event**"), the Limited Guarantee shall not apply in respect of: (i) any Primary Obligation incurred or amended(ii) any amendment of any Primary Obligation that results in an increase to the principal amount of such Primary Obligation, in each case, on or after the time such Suspension Notice is delivered, other than any Refinancing of a Primaryan Approved Obligation in respect of which the Adherence Conditions had previously been satisfied (provided that theor if such Refinancing is otherwise an Approved Obligation).

7.03 No Impact on Adherence

For greater certainty, the occurrence of a Suspension Event or a failure by the FSM or the Financing Entity to perform its covenants under this Agreement will not invalidate or extinguish the obligations of the Province under the Limited Guarantee in respect of Approved Obligations in existence prior to the occurrence of the Suspension Event or in respect of any Refinancing of a Primaryan Approved Obligation in respect of which the Adherence Conditions had previously been satisfied (provided that theor if such Refinancing is otherwise an Approved Obligation).

[7] The paragraph that was deleted from Section 7.01 was modified slightly and moved to the form of the Adherence Compliance Certificate set out in Exhibit B-2 as the Adherence Condition for the Refinancing so that it is clear what conditions have to be satisfied for a Refinancing to be an Approved Obligation. As discussed in our meeting with the principals and in response to the DBRS comments, debt issued on a refinancing of protected debt should continue to be protected debt.

[8] ~~Explanatory Note: The Trust Indenture states that if extra cash is available in the Collections Account, it can be held until a subsequent Payment Date.~~

[98] Explanatory Note: Early amortization events may be included in a supplemental indenture, so retaining that concept makes sense.

(b) a court of competent jurisdiction determines that all or a portion of the Act or the regulations made under the Act, as in effect on the date hereof, is *ultra vires* or invalid in a way that materially and adversely affects the ability of the Financing Entity to receive amounts in respect of its Investment Interest so that it can pay Obligations Secured and that has the effect of the Financing Entity not in fact having sufficient funds to pay such Obligations Secured that have become due and payable.

"**Senior Final Subrogation Amount**" has the meaning ascribed thereto in subclause 2.01(a)iv(D).

[~~10~~9] Explanatory Note: This relates to a refinancing of an existing debt obligation; not an undrawn commitment to fund.

[~~11~~10] Explanatory Note: The General Regulation provides that debt can be considered a "Refinancing" when incurred within the 6 months prior to the maturity date of a funding obligation. The Act/Regulation's definition doesn't require that "Refinancings" be simultaneous with the repayment of existing Approved Obligations. We have added a certificate mechanic in 7.01 by which there can be certainty when an obligation is incurred that if the obligation is intended to be a refinancing, it will be covered by the guarantee.

"**Specified Creditors**" has the meaning ascribed thereto in the Trust Indenture.

"**Subordinated Final Subrogation Amount**" has the meaning ascribed thereto in subclause 2.01(a)iv(D).

RECITALS

Pursuant to Subsection 5(3) of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**"), the Lieutenant Governor in Council may by order, authorize the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to agree to guarantee or indemnify certain debts, obligations, securities or undertakings associated with an Investment Interest.

Pursuant to an Order in Council 1981/2017 (the "**OIC**"), the Lieutenant Governor in Council has, among other things, authorized the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to enter into one or more agreements to guarantee or indemnify the debts, obligations, securities or undertakings of one or more financing entities established or caused to be established pursuant to Subsection 22(2) of the Act by the FSM and that may incur Funding Obligations in connection with one or more Investment Interests.

Pursuant to a Declaration of Trust dated as of ■, 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

The Financing Entity Trustee, in its capacity as trustee of the Financing Entity, and the Indenture Trustee are parties to the Trust Indenture and propose to create and issue series of notes, bonds and other securities as contemplated therein, and to provide security over the assets and undertaking of the Financing Entity in respect of such notes, bonds and securities, as well as other Obligations Secured.

The Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, have determined to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Primary Obligations that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions at the time the Approved Obligation is incurred. This Agreement sets out the terms and conditions of such protections and assurances.

All things necessary to make this Agreement a valid and legally binding agreement of the Province, the Financing Entity, the FSM and the Indenture Trustee, in accordance with the Act, the OIC and the Trust Indenture, have been done.

AGREEMENT OF THE PARTIES

1.08 Severability

Each of the provisions contained in this Agreement is distinct and severable and a declaration of invalidity or unenforceability of any such provision or part thereof by a court of competent jurisdiction will not affect the validity or enforceability of any other provision hereof. To the extent permitted by applicable law, the parties waive any provision of law which renders any provision of this Agreement invalid or unenforceable in any respect.

1.09 Governing Law

THIS AGREEMENT WILL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE PROVINCE OF ONTARIO AND THE FEDERAL LAWS OF CANADA APPLICABLE THEREIN, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

A party's failure or delay in exercising any right under this Agreement will not operate as a waiver of that right. A single or partial exercise of any right will not preclude a party from any other or further exercise of that right or the exercise of any other right.

1.16 Interest Act

For the purpose of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest to which any rate of interest payable under this Agreement that is calculated on any basis other than a full calendar year is equivalent may be determined by multiplying such rate by a fraction, the numerator of which is the actual number of days in the calendar year in which such yearly rate of interest is to be ascertained and the denominator of which is the number of days comprising such other basis. The parties further agree that for the purposes of the *Interest Act* (Canada), (i) the principle of deemed reinvestment of interest shall not apply to any interest calculation under this Agreement, and (ii) the rates of interest stipulated in this Agreement are intended to be nominal rates and not effective rates or yields.

(a) If for the purpose of obtaining judgment in any court or for any other purposes (other than conversions specifically provided for in the agreement under which an Approved Obligation arises), it is necessary to convert any amount due under this Agreement from the currency in which it is due (the "**Original Currency**") into another currency (the "**Second Currency**"), the rate of exchange applied shall be that at which, in accordance with normal banking procedures, the purchaser could purchase, in the New York foreign exchange market, the Original Currency with the Second Currency on the date on which judgment is given. The obligation of the Province in respect of any Original Currency due from it to the Indenture Trustee under this Agreement shall, notwithstanding any judgment or payment in such other currency, be discharged only to the extent that, on the Business Day following receipt of any sum so paid or adjudged to be due under this Agreement in the Second Currency, the Indenture Trustee may, in accordance with normal banking procedures, purchase in the New York foreign exchange market the Original Currency with the amount of the Second Currency so paid or so adjudged to be due; and if the amount of the Original Currency so purchased is less than the amount originally due in the Original Currency, the Province shall indemnify the Indenture Trustee against such loss.

(b) The term "rate of exchange" in this Section 1.19 means the spot rate at which the Indenture Trustee, in accordance with normal practice, is able on the relevant date to purchase the Original Currency with the Second Currency and includes any premium and costs of exchange payable in connection with such purchase.

ARTICLE II
AGREEMENT TO PERFORM APPROVED OBLIGATIONS

2.01 Limited Guarantee

(a) Upon the occurrence of a Protection Event, the Indenture Trustee may deliver a written demand, substantially in the form attached as Exhibit A (a "**Payment Demand**"), to the Province requiring the Province to make payments in respect of the Approved Obligations at the times, in the amounts and subject to the requirements specified in this Agreement. From and after such delivery of a Payment Demand, the Province shall make the following payments in respect of the Approved Obligations (the "**Limited Guarantee**"), and the Financing Entity shall pay, and the Province shall be entitled to be paid, the Subrogation Entitlements specified below:

i. Not less than 3 Business Days prior to each day when any payment or payments are to be made in respect of one or more Approved Obligations occurring after such delivery of a Payment Demand (each such day, a "**Guarantee Payment Date**"), the Manager shall deliver a written statement setting forth the Aggregate Approved Obligations Amount, if any, in respect of the Approved Obligations that are due and payable on such Guarantee Payment Date, together with a detailed description identifying such Approved Obligations and the nature and amount of payments due and payable thereunder on the Guarantee Payment Date, the aggregate outstanding amount payable by the Financing Entity under such Approved Obligations as of the date of such written statement, and details regarding any default in performance by any party obligated thereunder.

ii. On each such Guarantee Payment Date, the Province shall deposit the Aggregate Approved Obligations Amount into the Protection Account.

iii. On each such Guarantee Payment Date, the Financing Entity and the Indenture Trustee shall ensure that the amounts on deposit in the Protection Account are applied to pay each Beneficiary to whom an amount is due and payable under an Approved Obligation on the Guarantee Payment Date the Approved Obligation Amount for such Beneficiary in respect of such Approved Obligation on such Guarantee Payment Date; provided that if the amount deposited pursuant to clause 2.01(a)ii is insufficient to pay all such Approved Obligation Amounts in full, the amount on deposit in the Protection Account on the Guarantee Payment Date shall be applied to pay Beneficiaries in the order of priority in which such Approved Obligations are payable under the payment provisions of the Trust Indenture applicable to the making of such payments on the Guarantee Payment Date (each, a "**Beneficiary Payee**" and each payment made to a Beneficiary Payee on a Guarantee Payment Date, a "**Guarantee Payment**").

iv. On any Guarantee Payment Date on which an amount is paid by the Province pursuant to clause 2.01(a)ii, the applicable payment provisions of the Trust Indenture shall, notwithstanding the express terms of such provisions set forth in the Trust Indenture, be applied and operate on the following basis:

(A) the amount payable to a Beneficiary Payee in respect of an Approved Obligation from amounts available under such payment provisions on such Guarantee Payment Date shall be reduced by the amount of the Guarantee Payment paid to the Beneficiary Payee pursuant to clause 2.01(a)iii in respect of such Approved Obligation on such Guarantee Payment Date;

(B) the Province shall be paid the amount payable to a Beneficiary Payee in respect of an Approved Obligation from amounts available to pay the Beneficiary Payee under such payment provisions on the Guarantee Payment Date, determined without regard to the Guarantee Payment paid on such Guarantee Payment Date and the corresponding reduction of the amount owing to the Beneficiary Payee pursuant to subclause 2.01(a)iv(A) (each such amount payable to the Province being a "**Subrogation Amount**");

(C) no Beneficiary having a right to be paid an amount in respect of an Approved Obligation, and no other Person entitled under an Obligation Secured, in each case that ranks equal with or subordinate to an Approved Obligation in respect of which a Subrogation Amount is payable to the Province under subclause 2.01(a)iv(B), shall be entitled to make any claim or assert any right in or to the amounts paid or payable to the Province under such subclause (including any right of reimbursement, contribution or indemnity) and no such Beneficiary or other Person shall have any right or interest in, to or under the Collateral or any proceeds therefrom in respect of any such Subrogation Amount;

(D) on the first day when any payment or payments are to be made in respect of Obligations Secured that occurs after the date on which all amounts payable under all Approved Obligations have been paid in full, whether pursuant to Guarantee Payments or payments made pursuant to the payment provisions of the Trust Indenture or any combination thereof, the Province shall be entitled to be

paid from amounts available to pay Obligations Secured on such day (and thereafter on each subsequent day when any payment or payments are to be made in respect of Obligations Secured, until paid in full), in each case in accordance with the applicable payment provisions of the Trust Indenture on such day, the following amounts, in each case in the priorities specified below:

(I) as an amount ranking equally with principal amounts of Senior Funding Obligations, the amount by which (1) the sum of (x) all Guarantee Payments paid by the Province up to and including such day in respect of Approved Obligations ranking equally with or prior to principal amounts of Senior Funding Obligations, plus (y) the sum of amounts determined in respect of interest on each such Guarantee Payment from and including the date of its payment by the Province to but excluding the date a Subrogation Amount is paid to the Province in respect of such Guarantee Payment, as attributed to such Guarantee Payment in accordance with the Trust Indenture and calculated based on the applicable interest rate borne by the Approved Obligation to which such Guarantee Payment related, exceeds (2) the sum of all Subrogation Amounts paid to the Province up to and including such day (such amount, the "**Senior Final Subrogation Amount**");

(II) as an amount ranking equally with principal amounts of Subordinated Funding Obligations, the amount by which (1) the sum of (x) all Guarantee Payments paid by the Province up to and including such day in respect of Approved Obligations ranking equally with or prior to principal amounts of Subordinated Funding Obligations, plus (y) the sum of amounts determined in respect of interest on each such Guarantee Payment from and including the date of its payment by the Province to but excluding the date a Subrogation Amount is paid to the Province in respect of such Guarantee Payment, as attributed to such Guarantee Payment in accordance with the Trust Indenture and calculated based on the applicable interest rate

borne by the Approved Obligation to which such Guarantee Payment related, exceeds (2) the sum of (x) all Subrogation Amounts paid to the Province up to and including such day, plus (y) the amount determined under (I) (such amount, the "**Subordinated Final Subrogation Amount**"); and

(III) as an amount ranking equally with principal amounts of Junior Subordinated Obligations, the amount by which (1) the sum of (x) all Guarantee Payments paid by the Province up to and including such day in respect of Approved Obligations ranking equally with or prior to principal amounts of Junior Subordinated Funding Obligations, plus (y) the sum of amounts determined in respect of interest on each such Guarantee Payment from and including the date of its payment by the Province to but excluding the date a Subrogation Amount is paid to the Province in respect of such Guarantee Payment, as attributed to such Guarantee Payment in accordance with the Trust Indenture and calculated based on the applicable interest rate borne by the Approved Obligation to which such Guarantee Payment related, exceeds (2) the sum of (x) all Subrogation Amounts paid to the Province up to and including such day, plus (y) the sum of the amounts determined under (I) plus (z) the sum of the amounts determined under (II) (such amount, the "**Junior Subordinated Final Subrogation Amount**" and, together with the Senior Final Subrogation Amount and the Subordinated Final Subrogation Amount, the "**Final Subrogation Amounts**")[3]; and

(E) no Person entitled under an Obligation Secured that ranks equal with or subordinate to a Final Subrogation Amount shall be entitled to make any claim or assert any right in or to the amounts paid or payable to the Province in respect of such Final Subrogation Amount and no such Person shall have any right or interest in, to or under the

[3] Separate definitions were included to facilitate inserting these amounts into Trust Indenture priority of payment provisions.

Collateral or any proceeds therefrom in respect of any such Final Subrogation Amount.

v. On any Guarantee Payment Date, the Indenture Trustee shall release and pay to the Province free and clear of any Liens any amount remaining on deposit in the Protection Account that has not been applied to pay Guarantee Payments to Beneficiary Payees on the Guarantee Payment Date in accordance with clause 2.01(a)iii.

vi. In preparing any payment instructions under the Trust Indenture, the Manager shall reflect the amounts payable under Section 2.01(a).

(b) The Province shall, as a payee of Subrogation Amounts under clause 2.01(a)iv(B), as a payee of each Final Subrogation Amount under clause 2.01(a)(iv)(D) and as a payee of any amounts payable under clause 2.01(a)v, be a "Specified Creditor" under the Trust Indenture and have the benefit of the Collateral thereunder.

(c) For greater certainty, the Limited Guarantee will not apply to any amount or obligation of the Financing Entity that is not or does not arise under an Approved Obligation and will be limited to the right to receive the Approved Obligation Amounts, if any, for payment to Beneficiary Payees and will be subject to the priorities and to the Province's rights to Subrogation Entitlements, set forth in Section 2.01(a).

(d) Except as expressly provided in this Agreement, the Province's obligation to provide and perform the Limited Guarantee shall be irrevocable, absolute and unconditional.

(e) Any amount payable by the Province under the Limited Guarantee in respect of an Approved Obligation that is not paid by the Province when required herein shall bear interest from the applicable due date until paid in full at the rate or rates expressed to be payable on the Approved Obligation by their terms.

(f) The right to deliver a Payment Demand and thereupon enforce the Limited Guarantee shall constitute the only remedy available to the Indenture Trustee (and to the Beneficiaries, to the extent they are permitted to exercise any rights, interests, or elections under and in accordance with the Trust Indenture) under this Agreement. Under no circumstances shall the Province be obligated to pay or indemnify the Indenture Trustee or any Beneficiary for consequential, special or punitive damages, or for economic loss or loss of profits; provided that, for greater certainty, economic loss shall not include any amount in respect of any amount due and payable to a Beneficiary Payee under the Limited Guarantee.

2.02 Intentionally Deleted.

2.03 Absence of Set-off

Subject to applicable law, the Province acknowledges and agrees that each payment to be made by the Province hereunder in respect of an Approved Obligation shall be made as required in whole, without application of any right of set-off and without regard to any equities as between or among any of the Province, the Beneficiaries and/or the Indenture Trustee.

2.04 Payment into Protection Account in Satisfaction

(a) On or before the date of delivery of a Payment Demand to the Province, the Indenture Trustee shall cause to be established and maintained an Eligible Deposit Account (the "**Protection Account**") in the name of the Indenture Trustee, bearing a designation clearly indicating that the funds and other property credited thereto are held for the benefit of the Indenture Trustee and the Beneficiaries. The Protection Account shall be under the control of the Indenture Trustee for the benefit of the Beneficiaries. If, at any time, the institution holding the Protection Account ceases to be an Eligible Institution, the FSM shall notify the Indenture Trustee, and the Indenture Trustee upon being notified in writing of such ineligibility (or the FSM on its behalf) shall within 30 days (or such longer period, not to exceed 45 days, so long as the Rating Agency Condition is satisfied) establish a new Protection Account that is an Eligible Deposit Account and shall transfer any funds or other property from such Protection Account to such new Protection Account. From the date each such new Protection Account is established, it shall be the "Protection Account" for purposes of this Agreement. Funds credited to the Protection Account will be invested and held in accordance with Section **[7.03]** of the Trust Indenture on the basis that it is an Issuer Account.

(b) Notwithstanding the priority of payment requirements set forth in the Trust Indenture and any legal rule concerning the imputation of payments, the Financing Entity and the Indenture Trustee shall ensure that all amounts paid by the Province into the Protection Account on a Guarantee Payment Date in respect of an Approved Obligation are applied to pay the amounts due and payable to the Beneficiaries as and to the extent provided for in Section 2.01(a). Upon a payment having been made by or on behalf of the Province into the Protection Account, the amounts so paid shall for all purposes be considered to have been applied to pay the applicable Beneficiaries as provided for in Section 2.01(a) and thereby reduce the amount due and payable to such Beneficiaries in respect of the applicable Approved Obligations, whereupon an affected Beneficiary shall have no continuing rights, interests or entitlements (including rights as a secured party) in respect of the Approved Obligation to the extent so paid. For greater certainty, the obligations arising in respect of an applicable Approved Obligation shall not be reduced by such payment as the Province shall become entitled to be paid related Subrogation Entitlements and the rights contemplated under Section 2.01(a) and Section 5.01 in relation to such continuing obligations.

2.05 Certain Waivers

The Province hereby waives:

(a) any requirement, and any right to require, that any power be exercised or any action be taken against the Financing Entity or any Collateral for any of the Approved Obligations;

(b) all notices which may be required by applicable law to preserve any rights against the Province hereunder, including any notice of default, demand, dishonour, presentment and protest;

(c) diligence; and

(d) any defence based upon, arising out of or in any way related to any claim that any election of remedies by the Beneficiaries impaired, reduced, released or extinguished any rights that the Province might otherwise have had against the Financing Entity or any other surety.

The Province agrees that each such waiver is made with full knowledge of its significance and consequences and if any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the maximum extent permitted by applicable law.

2.06 Additional Security

This Agreement shall be in addition to and without prejudice to any other security by whomsoever given, held at any time by the Indenture Trustee or for the benefit of any of the Beneficiaries.

2.07 Continuing Liability of the Province

The Approved Obligations shall be deemed not to have been paid, observed or performed, and the liability of the Province hereunder in respect thereof shall continue and not be discharged, to the extent that any payment, observance or performance thereof by the Financing Entity, or out of the proceeds of any Collateral, is recovered from or reimbursed by or for the account of any of the Beneficiaries for any reason, including a preference or fraudulent transfer or by virtue of any subordination (whether present or future or contractual or otherwise) of the Approved Obligations, whether such recovery or payment over is effected by any judgment, decree or order of any court or Governmental Authority, by any plan of reorganization or by settlement or compromise by any of the Beneficiaries (whether or not consented to by the Financing Entity or the Province) of any claim for any such recovery or payment over.

2.08 Continuance of the Limited Guarantee

Subject to Section 2.07, the Limited Guarantee shall continue in full force and effect until the indefeasible payment, observance and performance in full of the Approved Obligations in accordance with Section 8.01.

2.09 Modifications of Approved Obligations

The Province expressly authorizes the Indenture Trustee, at any time and from time to time, without notice and without affecting the liability of the Province hereunder, but subject to compliance with the requirements of the Program Agreements and this Agreement, to:

(a) accept new, additional or replacement instruments, documents, agreements or security in connection with all or any part of the Approved Obligations;

(b) accept partial payments on the Approved Obligations; and

(c) waive, release, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, compromise, liquidate and enforce all or any part of the Approved Obligations and any security or guarantee therefor, and apply any such security and direct the order or manner of sale thereof as the Indenture Trustee (for the benefit of the Beneficiaries) in its discretion may determine.

ARTICLE III
THE INDENTURE TRUSTEE

3.01 The Indenture Trustee

This Agreement is made in favour of the Indenture Trustee in its capacity as trustee under the Trust Indenture. Accordingly, in the event of a new trustee being appointed under the Trust Indenture, such new trustee shall thereupon become and be the Indenture Trustee hereunder, but nevertheless, the Indenture Trustee shall forthwith assign, transfer and make over to the new trustee hereunder this Agreement. All provisions of the Trust Indenture for the protection of the Indenture Trustee or for facilitating the administration of the trusts or otherwise relating to the Indenture Trustee solely as to its holding of the rights thereunder shall apply *mutatis mutandis* to this Agreement and the Indenture Trustee's duties hereunder.

3.02 Acceptance of Trusts

The Indenture Trustee hereby accepts the trusts hereof and agrees to carry out and discharge the same unless and until a new trustee shall be appointed as contemplated in Section 3.01.

ARTICLE IV
APPROVED OBLIGATIONS

4.01 Approval Process

A Primary Obligation shall constitute an Approved Obligation if (i) the Adherence Conditions applicable thereto have been satisfied at the time the Primary Obligation was incurred, or (ii) the Province, in its sole discretion, designates in writing that it is an Approved Obligation.

4.02 Adherence Conditions

(a) The following shall be the Adherence Conditions applicable in relation to each Certified Primary Obligation:

i. the Certified Primary Obligation when incurred is an Obligation Secured under the Trust Indenture; and

ii. OPG, as FSM, delivers an Adherence Compliance Certificate in the form attached hereto as Exhibit B-1 signed by the Chief Financial Officer and the Treasurer of OPG, or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) and addressed to the Indenture Trustee, on or before the incurrence of a Certified Primary Obligation (provided that delivery may not be more than 5 Business Days before the incurrence of the Certified Primary Obligation);[4] and

iii. the Province has not provided a Suspension Notice to the Indenture Trustee, OPG and the Financing Entity.

(b) The following shall be the Adherence Conditions applicable in relation to each Refinancing:

i. such Refinancing when incurred is an Obligation Secured under the Trust Indenture; and

ii. OPG, as FSM, delivers an Adherence Compliance Certificate in the form attached hereto as Exhibit B-2 signed by the Chief Financial Officer and the Treasurer of OPG, or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) and addressed to the Indenture Trustee and the Province, on or before the incurrence of the Refinancing (provided that delivery may not be more than 5 Business Days before the incurrence of such Refinancing).[5]

For greater certainty, (y) satisfaction of the Adherence Conditions for a Certified Primary Obligation or a Refinancing shall be deemed satisfaction of the Adherence Conditions in respect of all principal, interest and other amounts owing under the Certified Primary Obligation or the Refinancing, as applicable, as such Certified Primary Obligation or Refinancing may be amended, restated, supplemented or otherwise modified from time to

[4] Given the importance of this certificate, the form of the Adherence Compliance Certificate is set out in Exhibit B-1 to this Agreement and accordingly this language has been deleted from this para (ii) and is reproduced in the form of certificate attached as Exhibit B-1.

[5] Given the importance of this certificate, the form of the Adherence Compliance Certificate is set out in Exhibit B-2 to this Agreement.

time, and (z) there shall be no Adherence Conditions applicable in relation to a Primary Obligation that is not a Certified Primary Obligation or a Refinancing.

4.03 Evidence of Satisfaction

An Adherence Compliance Certificate delivered in accordance with Section 4.02(a)ii or in accordance with Section 4.02(b)ii, as the case may be, shall be determinative as to whether the applicable Adherence Conditions with respect thereto have been satisfied, notwithstanding that such certificate may include inaccuracies, be incomplete or otherwise be defective or deficient, and such closing certificate may be relied upon by any addressee as conclusive evidence of same. An Adherence Compliance Certificate that purports on its face to be signed by officers specified in Section 4.02(a)ii or Section 4.02(b)ii, as applicable, may be relied upon by any addressee without further enquiry or evidence as to the incumbency or signatures of such officers. If an Adherence Compliance Certificate is not delivered in accordance with the timing requirements of Section 4.02(a)ii or Section 4.02(b)ii, as applicable, such certificate may be delivered at a later date, and be effective as if it had been delivered in accordance with the timing requirement of Section 4.02(a)ii or Section 4.02(b)ii, as applicable, if at the time such certificate was required to be delivered OPG had delivered to the Province all certifications required by the Province in connection with the adherence of the Limited Guarantee to the Certified Primary Obligation or the Refinancing.

ARTICLE V
PROVINCE MATTERS

5.01 Assignment and Subrogation

(a) Upon paying an amount in respect of an Approved Obligation to or at the direction of the Indenture Trustee in satisfaction of the Limited Guarantee, the Province (in addition to and without prejudice to any rights it otherwise has in law or equity) shall be subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation to the extent of such payment, including (i) the right and entitlement to be paid and receive the related Subrogation Entitlements, (ii) the benefits of the related Collateral and (iii) all proceeds therefrom. The Province shall have and be entitled to enforce all rights and interests (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)), under and in respect of such Approved Obligation to the extent of the payment by the Province in respect of the Approved Obligation as an absolute assignee of the applicable Beneficiary, with effect from and after the time of such payment, without any further requirement for notice to or acceptance by the Financing Entity of such absolute assignment and without any reduction, set-off or counterclaim on account of any amounts that may, at or after the time of payment, be or become owing by the Beneficiary to the Financing Entity and unaffected by any other rights or equities that arise thereafter as between the Beneficiary and the Financing Entity. The Indenture Trustee shall recognize the Province as being entitled to all of the rights, interests and entitlements of the Beneficiary (including as a Specified Creditor under the

Trust Indenture on the basis contemplated in Section 5.01(b)) in respect and to the extent of the Approved Obligation so paid, determined as of the time of payment, for all purposes under the Trust Indenture, and the Province shall be treated as a Specified Creditor in respect thereof for all purposes under the Trust Indenture and any other agreement under which the Approved Obligation arises.

(b) The Province (i) acknowledges and agrees in favour of the Indenture Trustee that, upon being subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation in accordance with Section 5.01(a), the Province, in its capacity as a Specified Creditor, will be subject to the provisions applicable to Specified Creditors under the Trust Indenture, including Sections **[7.04]** through **[7.11]** and **[8.13]** (Payment Priorities), Section **[7.12]** (Payments Held in Trust), Section **[8.11]** (Control by Controlling Class Creditors), Section **[8.12]** (Limitation on Suits), Section **[8.14]** (Limited Recourse), Article IX (The Indenture Trustee), including all limitations of liability thereunder, Section **[9.14]** (Communications to Specified Creditors) and Section **[16.01]** (No Petition); (ii) consents, requests and authorizes the Issuer and the Indenture Trustee to (x) add the Province to the register of Specified Creditors described in subsection **[13.13(b)]** of the Trust Indenture and (y) disseminate the notice details of the Province to other Specified Creditors for the purposes set out in subsection **[9.14(b)]** of the Trust Indenture, and (iii) confirms that it will execute and deliver, or cause to be executed and delivered, all such further agreements, documents and instruments in connection with this Section 5.01 as the Indenture Trustee may request from time to time for the purpose of giving effect to the terms of this Section 5.01.

5.02 Priorities

For greater certainty, the rights, interests and entitlements of the Province as an assignee and subrogee of and with respect to an Approved Obligation shall rank equally with the rights, interests and entitlements of a Beneficiary to whom a Limited Guarantee payment is made in respect of, and to the extent of the payment made to satisfy, the Approved Obligation and the Province shall not be subject to postponement or subordination with respect thereto except to the extent of the priorities established in relation to the Approved Obligation under the Trust Indenture in the manner and to the extent contemplated in Section **[7.10]** of the Trust Indenture.

5.03 Intentionally Deleted

5.04 Representations and Warranties

The Province hereby represents and warrants that:

(a) the execution and delivery of, and the performance of its obligations under, this Agreement by the Province have been authorized by all necessary action on the part of the Province;

(b) the execution and delivery of, and the performance of its obligations under, this Agreement by the Province do not result in the violation of any applicable law; and

(c) this Agreement has been duly executed and delivered by the Province.

ARTICLE VI
INDENTURE TRUSTEE MATTERS

6.01 Limited Recourse

No recourse may be taken, directly or indirectly, with respect to the obligations of the Financing Entity under this Agreement, or any certificate or other writing delivered in connection herewith or therewith, against (a) the Financing Entity Trustee in its individual capacity, (b) any owner of a beneficial interest in the Financing Entity or (c) any partner, owner, beneficiary, agent, officer, director, employee or agent of the Financing Entity Trustee in its individual capacity, any holder of a beneficial interest in the Financing Entity or the Financing Entity Trustee or of any successor or assign of the Financing Entity Trustee in its individual capacity, except as any such Person may have expressly agreed (it being understood that the Financing Entity Trustee has no such obligations in its individual capacity).

6.02 Not Responsible for Recitals

The recitals contained herein will be taken as the statements of the Province, the Financing Entity and the FSM, and the Indenture Trustee assumes no responsibility for their correctness. The Indenture Trustee makes no representations as to the validity or sufficiency of this Agreement.

6.03 Representations and Covenants of the Indenture Trustee[6]

The Indenture Trustee represents, warrants and covenants that:

(a) the Indenture Trustee is a trust company organized, existing and in good standing under the laws of Canada;

(b) the Indenture Trustee has full power and authority to execute, deliver and perform this Agreement and has taken all necessary action to authorize the execution, delivery and performance by it of this Agreement;

(c) this Agreement has been duly executed and delivered by the Indenture Trustee and constitutes its legal, valid and binding obligation in accordance with its terms; and

[6] Explanatory Note: Indenture Trustee representations have been conformed to the MTI and are subject to review and sign off by the Indenture Trustee.

(d) the Indenture Trustee is authorized to carry on the business of a trust company in each of the provinces and territories of Canada. If, notwithstanding the provisions of this subsection 6.03(d), the Indenture Trustee ceases to be so authorized to carry on business, the validity and enforceability of this Agreement shall not be affected in any manner whatsoever by reason only of such event.

ARTICLE VII
SUSPENSION OF ADHERENCE FOR NEW PRIMARY OBLIGATIONS

7.01 Suspension Notice

Upon:

(a) a Program Breach;

(b) a default in the performance, or breach, of any covenants of OPG, as FSM, or OPG, in its corporate capacity, in each case to the Province in connection with its obligations to the Province pursuant to internal requirements and processes in connection with the adherence of the Limited Guarantee to the Certified Primary Obligations and the expiration of any applicable cure period;

(c) a representation or warranty made by OPG or a certification made by one or more officers of OPG, in each case whether as FSM or in its corporate capacity, to the Province in connection with its obligations to the Province pursuant to internal requirements and processes in connection with the adherence of the Limited Guarantee to the Certified Primary Obligations, proves to be incorrect in any material respect on the date made and, if curable, is not cured within thirty (30) days after written notice by the Province to OPG of such misrepresentation; or

(d) the FSM no longer being the Manager or actions having been taken by or on behalf of the Indenture Trustee to remove the FSM as the Manager,

the Province may declare that the Limited Guarantee under this Agreement shall not apply to any Primary Obligations incurred on or after such declaration, other than any Refinancing of an Approved Obligation in respect of which the Adherence Conditions had previously been satisfied or if such Refinancing is otherwise an Approved Obligation, by delivering a written notice in the form of Exhibit C (a "**Suspension Notice**") to the Indenture Trustee, the FSM and the Financing Entity.[7]

[7] The paragraph that was deleted from Section 7.01 was modified slightly and moved to the form of the Adherence Compliance Certificate set out in Exhibit B-2 as the Adherence Condition for the Refinancing so that it is clear what conditions have to be satisfied for a Refinancing to be an Approved Obligation. As discussed in our meeting with the principals and in response to the DBRS comments, debt issued on a refinancing of protected debt should continue to be protected debt.

7.02 Suspension

If a Suspension Notice has been provided under Section 7.01 (the provision of such notice being a "**Suspension Event**"), the Limited Guarantee shall not apply in respect of: (i) any Primary Obligation incurred or (ii) any amendment of any Primary Obligation that results in an increase to the principal amount of such Primary Obligation, in each case, on or after the time such Suspension Notice is delivered, other than any Refinancing of an Approved Obligation in respect of which the Adherence Conditions had previously been satisfied or if such Refinancing is otherwise an Approved Obligation.

7.03 No Impact on Adherence

For greater certainty, the occurrence of a Suspension Event or a failure by the FSM or the Financing Entity to perform its covenants under this Agreement will not invalidate or extinguish the obligations of the Province under the Limited Guarantee in respect of Approved Obligations in existence prior to the occurrence of the Suspension Event or in respect of any Refinancing of an Approved Obligation in respect of which the Adherence Conditions had previously been satisfied or if such Refinancing is otherwise an Approved Obligation.

ARTICLE VIII

[8] Explanatory Note: Early amortization events may be included in a supplemental indenture, so retaining that concept makes sense.

For clarity, for purposes of the definition of "Protection Event", the occurrence of an event described in any of clauses (i) to (v) of paragraph (a) or a determination by a court of competent jurisdiction described in paragraph (b) which (x) results, or could reasonably be expected to result, in a rating downgrade or withdrawal of a rating by a Rating Agency, or (y) results in a Rating Agency publicly announcing that it has placed under surveillance or review, with possible negative implications, its rating of any Approved Obligation in effect prior to the occurrence of such event or court determination shall be sufficient to establish the required "materially and adversely" threshold.

---

[9] Explanatory Note: This relates to a refinancing of an existing debt obligation; not an undrawn commitment to fund.

[10] Explanatory Note: The General Regulation provides that debt can be considered a "Refinancing" when incurred within the 6 months prior to the maturity date of a funding obligation. The Act/Regulation's definition doesn't require that "Refinancings" be simultaneous with the repayment of existing Approved Obligations. We have added a certificate mechanic in 7.01 by which there can be certainty when an obligation is incurred that if the obligation is intended to be a refinancing, it will be covered by the guarantee.

"**Subrogation Amount**" has the meaning ascribed thereto in subclause 2.01(a)iv(B).

Subject: RE: Fair Hydro - Change of Law Protection Agreement

A bit rushed, but here are my comments on the revised Change of Law Protection Agreement:

- In section 4.02(c), add "a Post-Suspension Obligation or a Pre-Approved Refinancing" after "a Certified Primary Obligation".

- In section 7.03, should this apply to both Post-Suspension Refinancings and Pre-Approved Refinancings"? Also, need to change the clause "the Manager shall accept such Proposal" as it was the Manage that submitted the Proposal to the Province. It should read "the Manager shall accept the Province's proposal to provide such Post-Suspension Refinancing". And change the final ";" to a comma before "provided that such Post-Suspension…"

- In section 7.04, add "or Pre-Approved Refinancing" to the end of the sentence.

- In the definition of "Post-Suspension Refinancing", why is the term "one or more Series of Approved Obligations" being used? Why not simply "one or more Approved Obligations"?

- In the definition of "Pre-Approved Refinancing", revise to read "… waived its right to object under the Change of Law Process Agreement or otherwise to such Refinancing being an Approved Obligation."

- In the definition of "Protection Event", in paragraph (a), change "an event described in a(i) to a(v)" to "an event described in any of clauses (i) to (v) of this paragraph (a)". Also, it is not correct to say "after collecting the True-up Amount" because this would suggest having collected the True-up Amount". It should say, "and (ii) in respect of the True-up Amount for the Reference Period immediately following the occurrence of an event described in any of clauses (i) to (v) of this paragraph (a)".

- In the new definitions added which refer to "in the Act", change to "in the Act as of the date hereof" (e.g., "True-up Amount").

Subject: RE: Fair Hydro - Change of Law Protection Agreement

Hi,

Attached is a revised version of the Change of Law Protection Agreement. I believe that most of the changes reflected from last night's Osler version (blackline is attached) are of a drafting or conforming nature, other than: (1) the Province disagrees that Approved Refinancing terms should be unfettered by adherence conditions post-Suspension Event and (2) the proposed rating-based "materially and adversely" qualification in the definition of Protection Event (and in fact any such qualification) is not acceptable to the Province. With regard to (1), this version comes into line with the proposed approach (i.e., using a modified adherence condition) that was incorporated into the version of the Change of Law Process Agreement I circulated yesterday. A further turn of that Agreement, to conform the open item identified in section 3.02 to the revised Change of Law Protection Agreement, is also included here for your reference.

Please note that the Province is working through the drafting concurrently and so further drafting comments may be provided.

As mentioned yesterday, the Province would like to proceed with the Ministers sign-off briefing early next week, on the basis that these versions (minus the explanatory notes) are now in substantially final form. Please identify if you believe there are other 'must have' points (other than the 2 mentioned above).

Subject: RE: Fair Hydro -- Change of Law Process Agreement

Hi,

Please find (attached) a further turn of the Change of Law Process Agreement, reflecting the Province's comments on the mark-up of the Agreement circulated yesterday afternoon by Torys. The attached blackline shows changes made to yesterday's Torys mark-up.

This version addresses concerns Rocco raised last night, to the extent the Province feels that the issues can be accommodated. For your information, I have set out below responses to Rocco's comments/observations (in CAPs).

The Province would like to proceed with the Ministers briefing early next week, on the basis that this version (minus the explanatory notes) is now in final form. If there are any critical revisions that the other parties believe reflect 'must have' priority, then the Province would like to have a call to discuss them as soon as possible.

Responses to Rocco's Points:

1. The change of the definition of Breach Event in Section 6.01 (i.e., the change to clause (a) and the addition of clause (b)) will result in an inconsistency with section 7.01(b) of the Change of Law Protection Agreement. This will require further consideration. [AGREED. 7.01(b) and 7.01(c) WILL NEED TO MIRROR THE CURE LANGUAGE WE SETTLE ON IN THE PROCESS AGREEMENT (SEE MY EARLIER COMMENTS). PERHAPS THE "which continues …" LANGUAGE IN 7.01(B) CAN BE REVISED TO READ: "to the extent that the Province would be entitled to provide a Suspension Notice in accordance with the terms of the agreement or agreements between the Province and OPG under which such obligations, requirements and processes arise". SIMILAR CHANGE FOR 7.01(C).

2. The right of the Province to issue an objection notice under Section 3.04(b) in connection with a Transaction Document provided to the Province which is required for a Refinancing of an Approved Obligation remains an outstanding issue. Clearly, this will depend upon what Adherence Conditions will be required under Section 4.02 of the Change of Law Protection Agreement in order to permit such Refinancing to become an Approved Obligation. If the Adherence Conditions set out

in Section 4.02(a) of the Province's draft of the Change of Law Protection Agreement of December 4 were to apply to such Refinancing, to the extent that such refinancing required a change to a Transaction Document (e.g., as a result of a change to some rating agency condition or criteria), the Province's ability to issue an objection notice and thereby prevent the issuance of a Process Certificate under Section 3.01 (by virtue of Section 3.04) would have the effect of preventing a Refinancing. We trust that this was an unintended outcome of the drafting of Section 3.04 and/or the Adherence Conditions applicable to Refinancings. [THAT IS THE INTENDED EFFECT. THE ADHERENCE CONDITIONS WOULD APPLY TO THE REFINANCING, SO IF THE REFINANCING TERMS DEVIATED MATERIALLY (BASED ON THE SUBSTANTIALLY IN THE FORM" THRESHOLD"), THEN OPG WOULD REQUIRE THE PROVINCE NOT TO OBJECT IN ORDER TO PROCEED WITH THOSE NEW TERMS. OTHERWISE, THE REFINANCING COULD INCORPORATE TERMS AND CONDITIONS, WHICH WOULD BIND THE PROVINCE UNDER THE LIMITED GUARANTEE, THAT WOULD BE UNCONSTRAINED AND WITHOUT ANY ACCOUNTABILITY TO THE PROVINCE. IN ROCCO'S EXAMPLE, THAT MIGHT MEAN THAT OPG WOULD NEED TO RESORT TO UNRATED DEBT, IF THE PROVINCE WAS UNWILLING TO ACCEPT THE NEW TERMS. PRESUMABLY EVERYONE WOULD ACT RATIONALLY. HOWEVER, AS A FAILSAFE, OPG COULD OFFER INCREASED PRICING IN ORDER TO ATTRACT INVESTORS TO ACCEPT THE EARLIER VETTED TERMS (BASED ON THE THEN ACCEPTED REVIEWED DOCUMENTATION).]

3. Given that the Indenture Trustee is not a party to the Change of Law Process Agreement, the Province and OPG can amend the terms and conditions of this agreement without the consent of the indenture Trustee. Specified Creditors under an Approved Obligation need to be assured that the Province cannot prevent a Refinancing of an Approved Obligation either by virtue of the objection notice discussed in point #2 above or as a result of a future amendment to the agreement. There are a couple of ways to deal with this point. The first is to a add a beneficiary/third party rights clause in the Change of Law Process Agreement which acknowledges that the Indenture Trustee is a beneficiary of certain provisions of this agreement and as a result, the agreement cannot be amended without the consent of the Indenture Trustee. The second is to ensure that the Adherence Conditions relating to Refinancings under the Change of Law Protection Agreement are not dependent upon the terms of the Change of Law Process Agreement. In light of the desire to not disclose the terms and conditions of the Change of Law Process Agreement to the rating agencies, especially at this late stage in the process, we would expect that the latter approach would be preferable. [THE SUGGESTION REGARDING THE PROVINCE PREVENTING A REFINANCING IS ADDRESSED IN #2. IF THE REFINANCING TERMS WOULD EXCEED THE SCOPE OF THE TRANSACTION DOCUMENTS REVIEWED AND NOT OBJECTED TO BY THE PROVINCE, THEN THAT SUGGESTS THERE IS A MATERIAL EFFECT ON THE PROVINCE AND SO THE PROVINCE WOULD NEED THE ABILITY TO REVIEW AND CONSIDER THE PROPRIETY OF THOSE NEW TERMS FROM ITS PERSPECTIVE. AS FOR THE STANDALONE NATURE OF THE PROCESS AGREEMENT, THE INTENTION IS THAT THE PROCESS AGREEMENT BE UNCOUPLED AND NOT PART OF THE COLLATERAL, AND AS MICHAEL FELDMAN HAS EXPLAINED, LEAVE FUTURE FLEXIBILITY FOR THIS LONG-TERM STRUCTURE. TO ADDRESS ROCCO'S CONCERN THAT THE PROVINCE AND OPG COULD CHANGE THE UNDERLYING OBLIGATIONS APPLICABLE TO ADHERENCE IN RELATION TO A NEW OBLIGATION, REQUIREMENT OR PROCESS IN THE PROCESS AGREEMENT THAT WOULD MAKE A REFINANCING LESS LIKELY TO OCCUR, WE HAVE ADDED AND USED IN THE ATTACHED VERSION A NEW DEFFINTION:

"Approved Refinancing" means a Certified Primary Obligation proposed to be incurred as a

Refinancing of an existing Certified Primary Obligation in respect of which the Adherence Conditions had been satisfied on the date such existing Certified Primary Obligation was incurred, that, at the time of incurrence, satisfies each of each of the Adherence Conditions except that the certificate contemplated to be delivered under Section 4.02(b) shall instead confirm that OPG has delivered to the Province a certificate by its applicable officers confirming that OPG would be in compliance with all obligations to the Province and internal requirements and processes in connection with the adherence of the Limited Guarantee to the proposed Certified Primary Obligation that applied as between the Province and OPG on the date of issuance of such existing Certified Primary Obligation." Various references to "Refinancing" in the Protection Agreement can also be revised to refer to "Approved Refinancing", as required.

Subject: RE: Fair Hydro -- Change of Law Process Agreement

I have reviewed the revised draft of the Change of Law Process Agreement that Torys has prepared and would like to pass along the following comments/observations:

1. The change of the definition of Breach Event in Section 6.01 (i.e., the change to clause (a) and the addition of clause (b)) will result in an inconsistency with section 7.01(b) of the Change of Law Protection Agreement. This will require further consideration.

2. The right of the Province to issue an objection notice under Section 3.04(b) in connection with a Transaction Document provided to the Province which is required for a Refinancing of an Approved Obligation remains an outstanding issue. Clearly, this will depend upon what Adherence Conditions will be required under Section 4.02 of the Change of Law Protection Agreement in order to permit such Refinancing to become an Approved Obligation. If the Adherence Conditions set out in Section 4.02(a) of the Province's draft of the Change of Law Protection Agreement of December 4 were to apply to such Refinancing, to the extent that such refinancing required a change to a Transaction Document (e.g., as a result of a change to some rating agency condition or criteria), the Province's ability to issue an objection notice and thereby prevent the issuance of a Process Certificate under Section 3.01 (by virtue of Section 3.04) would have the effect of preventing a Refinancing. We trust that this was an unintended outcome of the drafting of Section 3.04 and/or the Adherence Conditions applicable to Refinancings.

3. Given that the Indenture Trustee is not a party to the Change of Law Process Agreement, the Province and OPG can amend the terms and conditions of this agreement without the consent of the indenture Trustee. Specified Creditors under an Approved Obligation need to be assured that the Province cannot prevent a Refinancing of an Approved Obligation either by virtue of the objection notice discussed in point #2 above or as a result of a future amendment to the agreement. There are a couple of ways to deal with this point. The first is to a add a beneficiary/third party rights clause in the Change of Law Process Agreement which acknowledges that the Indenture Trustee is a beneficiary of certain provisions of this agreement and as a result, the agreement cannot be amended without the consent of the Indenture Trustee. The second is to ensure that the Adherence Conditions relating to Refinancings under the Change of Law Protection Agreement are not dependent upon the terms of the Change of Law Process Agreement. In light of the desire to not disclose the terms and conditions of the Change of Law Process Agreement to the rating agencies, especially at this late stage in the process, we would expect that the latter approach would be preferable.

Regards, Rocco

Subject: Fair Hydro -- Change of Law Process Agreement

Blakes team,

Please find attached OPG and Torys' comments on the Process Agreement reflecting our discussions from yesterday's call. Please note that this draft is subject to continuing review and comment by Osler and the dealers. As discussed at the tail end of our call yesterday, the section in the Process Agreement that gives the Province the right to object to new and material changes to transaction documents dovetails with the Protection Agreement so additional comments from Oslers may be forthcoming on this draft.

We are working on getting you a revised draft of the Protection Agreement either later today or tomorrow. In the meantime, please let us know if you have any comments or questions on the Process Agreement.

Best Regards,
Nina

HER MAJESTY THE QUEEN IN RIGHT OF ONTARIO, AS REPRESENTED BY THE MINISTER OF ENERGY AND THE MINISTER OF FINANCE

AND

COMPUTERSHARE TRUST COMPANY OF CANADA, AS TRUSTEE OF FAIR HYDRO TRUST

AND

ONTARIO POWER GENERATION INC., AS FINANCIAL SERVICES MANAGER AND AS MANAGER OF FAIR HYDRO TRUST

AND

BNY TRUST COMPANY OF CANADA, AS INDENTURE TRUSTEE

CHANGE OF LAW PROTECTION AGREEMENT

Dated as of [■], 2017

This **AGREEMENT**, among Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), Computershare Trust Company of Canada, in its capacity as trustee (the "**Financing Entity Trustee**") of Fair Hydro Trust, a trust organized under the laws of the Province of Ontario (the "**Financing Entity**"), Ontario Power Generation Inc., in its capacity as Manager of the Financing Entity and in its capacity as the Financial Services Manager in accordance with the Act (the "**FSM**") and BNY Trust Company of Canada, a trust company existing under the laws of Canada, as Indenture Trustee, is made and entered into as of [■], 2017.

RECITALS

Pursuant to Subsection 5(3) of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**"), the Lieutenant Governor in Council may by order, authorize the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to agree to guarantee or indemnify certain debts, obligations, securities or undertakings associated with an Investment Interest.

Pursuant to an Order in Council 1981/2017 (the "**OIC**"), the Lieutenant Governor in Council has, among other things, authorized the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to enter into one or more agreements to guarantee or indemnify the debts, obligations, securities or undertakings of one or more financing entities established or caused to be established pursuant to Subsection 22(2) of the Act by the FSM and that may incur Funding Obligations in connection with one or more Investment Interests.

Pursuant to a Declaration of Trust dated as of ■, 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

The Financing Entity Trustee, in its capacity as trustee of the Financing Entity, and the Indenture Trustee are parties to the Trust Indenture and propose to create and issue series of notes, bonds and other securities as contemplated therein, and to provide security over the assets and undertaking of the Financing Entity in respect of such notes, bonds and securities, as well as other Obligations Secured.

The Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, have determined to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Primary Obligations that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions at the time the Approved Obligation is incurred. This Agreement sets out the terms and conditions of such protections and assurances.

All things necessary to make this Agreement a valid and legally binding agreement of the Province, the Financing Entity, the FSM and the Indenture Trustee, in accordance with the Act, the OIC and the Trust Indenture, have been done.

AGREEMENT OF THE PARTIES

The Manager shall act diligently in the preparation of each such statement and shall provide the Indenture Trustee and the Province with all supporting computations and calculations used by the Manager to prepare each such statement promptly following a request therefor made by the Indenture Trustee or the Province.

Without limiting any rights of subrogation or succession that arise pursuant to applicable law or pursuant to the Province's rights as an assignee, subrogee or pursuant to Section 2.01 or Section 5.01, all of the rights, interests, elections and privileges that would arise in favour of a Beneficiary under the Trust Indenture or other Funding Obligation Agreement under which a related Primary Obligation arises shall automatically arise, vest in and be available to the Province to the extent of the performance by the Province of the Primary Obligation.

1.08 Severability

Each of the provisions contained in this Agreement is distinct and severable and a declaration of invalidity or unenforceability of any such provision or part thereof by a court of competent jurisdiction will not affect the validity or enforceability of any other provision hereof. To the extent permitted by applicable law, the parties waive any provision of law which renders any provision of this Agreement invalid or unenforceable in any respect.

1.09 Governing Law

THIS AGREEMENT WILL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE PROVINCE OF ONTARIO AND THE FEDERAL LAWS OF CANADA APPLICABLE THEREIN, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

1.10 Proceedings Against the Crown Act

Except as expressly provided in this Agreement, no amendment or waiver of this Agreement will be binding unless executed in writing by the party to be bound thereby. A party's failure or delay in exercising any right under this Agreement will not operate as a waiver of that right. A single or partial exercise of any right will not preclude a party from any other or further exercise of that right or the exercise of any other right.

1.16 Interest Act

For the purpose of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest to which any rate of interest payable under this Agreement that is calculated on any basis other than a full calendar year is equivalent may be determined by multiplying such rate by a fraction, the numerator of which is the actual number of days in the calendar year in which such yearly rate of interest is to be ascertained and the denominator of which is the number of days comprising such other basis. The parties further agree that for the purposes of the *Interest Act* (Canada), (i) the principle of deemed reinvestment of interest shall not apply to any interest calculation under this Agreement, and (ii) the rates of interest stipulated in this Agreement are intended to be nominal rates and not effective rates or yields.

1.17 Currency

Unless stated otherwise, all amounts herein are stated in Canadian Dollars.

1.18 References to Acts of the Financing Entity

For greater certainty, where any reference is made in this Agreement, or in any other instrument executed pursuant hereto or contemplated hereby to which the Financing Entity or the

Financing Entity Trustee, as trustee of the Financing Entity, is party, to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or release to be provided by, a suit or proceeding to be taken by or against, or a covenant, representation or warranty (other than relating to the constitution or existence of the Financing Entity) by or with respect to (i) the Financing Entity or (ii) the Financing Entity Trustee, such reference shall be construed and applied for all purposes as if it referred to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or release to be provided by, a suit or proceeding to be taken by or against or a covenant, representation or warranty (other than relating to the constitution or existence of the Financing Entity) by or with respect to, the Financing Entity Trustee as trustee of the Financing Entity.

1.19 Judgment Currency

(a) If for the purpose of obtaining judgment in any court or for any other purposes (other than conversions specifically provided for in the agreement under which an Approved Obligation arises), it is necessary to convert any amount due under this Agreement from the currency in which it is due (the "**Original Currency**") into another currency (the "**Second Currency**"), the rate of exchange applied shall be that at which, in accordance with normal banking procedures, the purchaser could purchase, in the New York foreign exchange market, the Original Currency with the Second Currency on the date on which judgment is given. The obligation of the Province in respect of any Original Currency due from it to the Indenture Trustee under this Agreement shall, notwithstanding any judgment or payment in such other currency, be discharged only to the extent that, on the Business Day following receipt of any sum so paid or adjudged to be due under this Agreement in the Second Currency, the Indenture Trustee may, in accordance with normal banking procedures, purchase in the New York foreign exchange market the Original Currency with the amount of the Second Currency so paid or so adjudged to be due; and if the amount of the Original Currency so purchased is less than the amount originally due in the Original Currency, the Province shall indemnify the Indenture Trustee against such loss.

(b) The term "rate of exchange" in this Section 1.19 means the spot rate at which the Indenture Trustee, in accordance with normal practice, is able on the relevant date to purchase the Original Currency with the Second Currency and includes any premium and costs of exchange payable in connection with such purchase.

ARTICLE II
AGREEMENT TO PERFORM APPROVED OBLIGATIONS

2.01 Limited Guarantee

(a) Upon the occurrence of a Protection Event, the Indenture Trustee may deliver a written demand, substantially in the form attached as **[Exhibit A]** (a "**Payment Demand**"), to the Province requiring the Province to make payments in respect of the Approved Obligations at the times, in the amounts and subject to the requirements specified in this Agreement. From and after such delivery of a

Payment Demand, the Province shall make the following payments in respect of the Approved Obligations (the "**Limited Guarantee**"), the Financing Entity shall pay, and the Province shall be entitled to be paid, the Subrogation Amounts specified below, and the following terms shall apply:

i. Not less than three (3) Business Days prior to each day when any payment or payments are to be made in respect of one or more Approved Obligations occurring after such delivery of a Payment Demand (each such day, a "**Guarantee Payment Date**"), the Manager shall deliver a written statement setting forth the Aggregate Approved Obligations Amount, if any, in respect of the Approved Obligations that are due and payable on such Guarantee Payment Date, together with a detailed description identifying such Approved Obligations and the nature and amount of payments due and payable thereunder on the Guarantee Payment Date, the aggregate outstanding amount payable by the Financing Entity under such Approved Obligations as of the date of such written statement, and details regarding any default in performance by any party obligated thereunder.

ii. On each such Guarantee Payment Date, the Province shall deposit the Aggregate Approved Obligations Amount into the Protection Account.

iii. On each such Guarantee Payment Date, the Financing Entity and the Indenture Trustee shall ensure that the amounts on deposit in the Protection Account are applied to pay each Beneficiary to whom an amount is due and payable under an Approved Obligation on the Guarantee Payment Date the Approved Obligation Amount for such Beneficiary in respect of such Approved Obligation on such Guarantee Payment Date; provided that if the amount deposited pursuant to clause 2.01(a)ii is insufficient to pay all such Approved Obligation Amounts in full, the amount on deposit in the Protection Account on the Guarantee Payment Date shall be applied to pay Beneficiaries in the order of priority in which such Approved Obligations are payable under the payment provisions of the Trust Indenture applicable to the making of such payments on the Guarantee Payment Date (each, a "**Beneficiary Payee**" and each payment made to a Beneficiary Payee on a Guarantee Payment Date, a "**Guarantee Payment**").

iv. On the first Guarantee Payment Date and on each subsequent Guarantee Payment Date, Payment Date or other day on which any amount is required to be paid in respect of any Obligations Secured under the Trust Indenture (a "**Subrogation Payment Date**"), the Issuer and the Indenture

Trustee shall ensure that the applicable payment provisions of the Trust Indenture shall be applied and operate on the following basis[1]:

(A) If such day is a Guarantee Payment Date, then for each Approved Obligation for which amounts are paid to a Beneficiary Payee on such day pursuant to clause 2.01(a)iii in respect of principal, interest or any other amounts ("**Payable Approved Amounts**"), the amounts payable by the Financing Entity in respect of such amounts for such Approved Obligation shall be reduced by the respective amounts of such payments to the Beneficiary Payee, and equivalent amounts shall be payable by the Financing Entity to the Province as "**Subrogation Amounts**" in respect of such Approved Obligations, such Subrogation Amounts being payable in the same order of priority and with the same entitlements accruing to the Province as applied in respect of the related Payable Approved Amounts which were previously owing to the Beneficiary Payee, and to reflect this subrogation the payments set out in clause 2.01(a)iv(B) below shall be made by the Financing Entity.

(B) If the Province has made all deposits required to be made by it on each Guarantee Payment Date occurring on or before such day in accordance with clause 2.01(a)ii (or the related Approved Obligation Amounts have otherwise all been paid in full), then in respect of each Approved Obligation for which any related Subrogation Amounts have not yet been paid in full to the Province, the Financing Entity shall pay to the Province from amounts available under the Trust Indenture payment provisions and in accordance with the priority of payment provisions in the Trust Indenture the amount that would be payable on such date in satisfaction of the relevant Payable Approved Amounts, as determined without regard to any Guarantee Payment paid on any Guarantee Payment Date and also without regard to the corresponding reduction of the amounts owing to present and former Beneficiary Payees pursuant to subclause 2.01(a)iv(A) up to the amount of the unpaid related Subrogation Amounts.

(C) No Beneficiary having a right to be paid an amount in respect of an Approved Obligation, and no other Person entitled under an Obligation Secured, in each case that

[1] Explanatory Note: The deletion of the paramountcy provision is acceptable as long as section 2.01 if fully reflected in the Trust Indenture. To be confirmed.

ranks equal with or subordinate to the Payable Approved Amount in respect of which a Subrogation Amount is payable to the Province under subclause 2.01(a)iv(B), shall be entitled to make any claim or assert any right in or to the amounts paid or payable to the Province under such subclause (including any right of set-off, offset, reimbursement, contribution or indemnity) and no such Beneficiary or other Person shall have any right or interest in, to or under the Collateral or any proceeds therefrom in respect of any such Subrogation Amount.

(D) For greater certainty, the entitlements of the Province in respect of Subrogation Amounts arising in respect of Payable Approved Obligations that are interest and principal obligations on Notes shall be treated for all purposes of the Trust Indenture as interest and principal obligations, respectively, arising under Notes having the same priority as and any applicable voting rights[2] under the related Approved Obligations, and accordingly the Province (and any successor, assignee or transferee of such entitlements) shall be entitled to all of the rights, entitlements, interests and privileges of a Holder of such a Notes in accordance with the Trust Indenture, as supplemented by the Supplemental Indenture or other indenture document under which the related Approved Obligations were issued.

(b) On each Guarantee Payment Date and upon demand by the Province, the Indenture Trustee shall release and pay to the Province free and clear of any Liens any amount remaining on deposit in the Protection Account that has not been applied to pay Guarantee Payments to Beneficiary Payees on the Guarantee Payment Date in accordance with clause 2.01(a)iii or that otherwise remains on deposit in the Protection Account on the relevant date.

(c) In preparing any payment instructions under the Trust Indenture, the Manager shall reflect the amounts payable under Section 2.01(a), if applicable.

(d) The Province shall, as a payee of Subrogation Amounts under clause 2.01(a)iv(B) and as a payee of any amounts payable under clause 2.01(a)v, be a "Specified Creditor" under the Trust Indenture and have the benefit of the Collateral thereunder.

[2] Explanatory Note: As discussed, the Province understands that voting rights may be muted by the "outstanding" language in the Trust Indenture. Nevertheless, if voting rights would arise under the Trust Indenture they should be available to the Province.

(e) For greater certainty, the Limited Guarantee will not apply to any amount or obligation of the Financing Entity that is not or does not arise under an Approved Obligation and will be limited to the right to receive the Approved Obligation Amounts, if any, for payment to Beneficiary Payees and will be subject to the priorities and to the Province's rights to Subrogation Amounts, set forth in Section 2.01(a).

(f) Except as expressly provided in this Agreement, the Province's obligation to provide and perform the Limited Guarantee shall be irrevocable, absolute and unconditional.

(g) Any amount payable by the Province under the Limited Guarantee in respect of an Approved Obligation that is not paid by the Province when required herein shall bear interest from the applicable due date until paid in full at the rate or rates expressed to be payable on the Approved Obligation by their terms.

(h) Any amount payable to the Province in respect of a Subrogation Amount shall bear interest from and including the date of payment by the Province of the related Guarantee Payment to but excluding the date of payment of the Subrogation Amount to the Province, such interest to accrue at the rate equivalent to the applicable interest rate borne by the related Approved Obligation, and such interest amounts shall be added to their respective Subrogated Amounts and shall consequently be payable in the same priority as the relevant Subrogated Amount under clause 2.01(a)iv(B), all such accruing interest amounts to be calculated and added to the Subrogation Amounts by the Manager in its discretion acting in a commercially reasonable fashion.

(i) The right to deliver a Payment Demand and thereupon enforce the Limited Guarantee shall constitute the only remedy available to the Indenture Trustee (and to the Beneficiaries, to the extent they are permitted to exercise any rights, interests, or elections under and in accordance with the Trust Indenture) under this Agreement. Under no circumstances shall the Province be obligated to pay or indemnify the Indenture Trustee or any Beneficiary for consequential, special or punitive damages, or for economic loss or loss of profits; provided that, for greater certainty, economic loss shall not include any amount in respect of any amount due and payable to a Beneficiary Payee under the Limited Guarantee.

2.02 Intentionally Deleted.

2.03 <u>Absence of Set-off</u>

Subject to applicable law, the Province acknowledges and agrees that each payment to be made by the Province hereunder in respect of an Approved Obligation shall be made as required in whole, without application of any right of set-off and without regard to any equities as between or among any of the Province, the Beneficiaries and/or the Indenture Trustee.

2.04 Payment into Protection Account in Satisfaction

(a) On or before the date of delivery of a Payment Demand to the Province, the Indenture Trustee shall cause to be established and maintained an Eligible Deposit Account (the "**Protection Account**") in the name of the Indenture Trustee, bearing a designation clearly indicating that the funds and other property credited thereto are held for the benefit of the Indenture Trustee and the Beneficiaries. The Protection Account shall be under the control of the Indenture Trustee for the benefit of the Beneficiaries. If, at any time, the institution holding the Protection Account ceases to be an Eligible Institution, the FSM shall notify the Indenture Trustee, and the Indenture Trustee upon being notified in writing of such ineligibility (or the FSM on its behalf) shall within 30 days (or such longer period, not to exceed 45 days, so long as the Rating Agency Condition is satisfied) establish a new Protection Account that is an Eligible Deposit Account and shall transfer any funds or other property from such Protection Account to such new Protection Account. From the date each such new Protection Account is established, it shall be the "Protection Account" for purposes of this Agreement. Funds credited to the Protection Account will be invested and held in accordance with Section **[7.03]** of the Trust Indenture on the basis that it is an Issuer Account.

(b) Notwithstanding the priority of payment requirements set forth in the Trust Indenture and any legal rule concerning the imputation of payments, the Financing Entity and the Indenture Trustee shall ensure that all amounts paid by the Province into the Protection Account on a Guarantee Payment Date in respect of an Approved Obligation are applied to pay the amounts due and payable to the Beneficiary Payee as and to the extent provided for in Section 2.01(a). Upon a payment having been made by or on behalf of the Province into the Protection Account, the amounts so paid shall for all purposes be considered to have been applied to pay the applicable Beneficiary Payee as provided for in Section 2.01(a) and thereby reduce the amount due and payable to such Beneficiary Payee in respect of the applicable Approved Obligations, whereupon an affected Beneficiary Payee shall have no continuing rights, interests or entitlements (including rights as a secured party) in respect of the Approved Obligation to the extent so paid. For greater certainty, the obligations arising in respect of an applicable Approved Obligation shall not be reduced by such payment as the Province shall become entitled to be paid related Subrogation Amounts and the rights contemplated under Section 2.01(a) and Section 5.01 in relation to such continuing obligations.

2.05 Certain Waivers

The Province hereby waives:

(a) any requirement, and any right to require, that any power be exercised or any action be taken against the Financing Entity or any Collateral for any of the Approved Obligations;

(b) all notices which may be required by applicable law to preserve any rights against the Province hereunder, including any notice of default, demand, dishonour, presentment and protest;

(c) diligence; and

(d) any defence based upon, arising out of or in any way related to any claim that any election of remedies by the Beneficiaries impaired, reduced, released or extinguished any rights that the Province might otherwise have had against the Financing Entity or any other surety.

The Province agrees that each such waiver is made with full knowledge of its significance and consequences and if any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the maximum extent permitted by applicable law.

2.06 Additional Security

This Agreement shall be in addition to and without prejudice to any other security by whomsoever given, held at any time by the Indenture Trustee or for the benefit of any of the Beneficiaries.

2.07 Continuing Liability of the Province

The Approved Obligations shall be deemed not to have been paid, observed or performed, and the liability of the Province hereunder in respect thereof shall continue and not be discharged, to the extent that any payment, observance or performance thereof by the Financing Entity, or out of the proceeds of any Collateral, is recovered from or reimbursed by or for the account of any of the Beneficiaries for any reason, including a preference or fraudulent transfer or by virtue of any subordination (whether present or future or contractual or otherwise) of the Approved Obligations, whether such recovery or payment over is effected by any judgment, decree or order of any court or Governmental Authority, by any plan of reorganization or by settlement or compromise by any of the Beneficiaries (whether or not consented to by the Financing Entity or the Province) of any claim for any such recovery or payment over.

2.08 Continuance of the Limited Guarantee

Subject to Section 2.07, the Limited Guarantee shall continue in full force and effect until the indefeasible payment, observance and performance in full of the Approved Obligations in accordance with Section 8.01.

2.09 Modifications of Approved Obligations

The Province expressly authorizes the Indenture Trustee, at any time and from time to time, without notice and without affecting the liability of the Province hereunder, but subject to compliance with the requirements of the Program Agreements and this Agreement, to:

(a) accept new, additional or replacement instruments, documents, agreements or security in connection with all or any part of the Approved Obligations;

(b) accept partial payments on the Approved Obligations; and

(c) waive, release, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, compromise, liquidate and enforce all or any part of the Approved Obligations and any security or guarantee therefor, and apply any such security and direct the order or manner of sale thereof as the Indenture Trustee (for the benefit of the Beneficiaries) in its discretion may determine.

ARTICLE III
THE INDENTURE TRUSTEE

3.01 The Indenture Trustee

This Agreement is made in favour of the Indenture Trustee in its capacity as trustee under the Trust Indenture. Accordingly, in the event of a new trustee being appointed under the Trust Indenture, such new trustee shall thereupon become and be the Indenture Trustee hereunder, but nevertheless, the Indenture Trustee shall forthwith assign, transfer and make over to the new trustee hereunder this Agreement. All provisions of the Trust Indenture for the protection of the Indenture Trustee or for facilitating the administration of the trusts or otherwise relating to the Indenture Trustee solely as to its holding of the rights thereunder shall apply *mutatis mutandis* to this Agreement and the Indenture Trustee's duties hereunder.

3.02 Acceptance of Trusts

The Indenture Trustee hereby accepts the trusts hereof and agrees to carry out and discharge the same unless and until a new trustee shall be appointed as contemplated in Section 3.01.

ARTICLE IV
APPROVED OBLIGATIONS

4.01 Approval Process

A Primary Obligation shall constitute an Approved Obligation if (i) the Adherence Conditions applicable thereto have been satisfied at the time the Primary Obligation was incurred, (ii) the Province, in its sole discretion, designates in writing that it is an Approved Obligation or (iii) the Primary Obligation is a Post-Suspension Refinancing or a Pre-Approved Refinancing.

4.02 Adherence Conditions

(a) The following shall be the Adherence Conditions applicable in relation to each Certified Primary Obligation:

i. the Certified Primary Obligation when incurred is an Obligation Secured under the Trust Indenture; and

ii. OPG, as FSM, delivers an Adherence Compliance Certificate in the form attached hereto as Exhibit B signed by the Chief Financial Officer and the Treasurer of OPG, or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) and addressed to the Indenture Trustee, on or before the incurrence of the Certified Primary Obligation (provided that delivery may not be more than 5 Business Days before the incurrence of the Certified Primary Obligation); and

iii. the Province has not provided a Suspension Notice to the Indenture Trustee, OPG and the Financing Entity.

(b) Without limiting any obligations of OPG to the Province arising other than pursuant to this Agreement, satisfaction of the Adherence Conditions for a Certified Primary Obligation shall be deemed satisfaction of the Adherence Conditions in respect of all principal, interest and other amounts owing under the Certified Primary Obligation, as such Certified Primary Obligation may be amended, restated, supplemented or modified from time to time.

(c) For greater certainty, there shall be no Adherence Conditions applicable in relation to a Primary Obligation that is not a Certified Primary Obligation.

4.03 Evidence of Satisfaction

An Adherence Compliance Certificate delivered in accordance with clause 4.02(a)ii shall be determinative as to whether the applicable Adherence Condition with respect thereto has been satisfied, notwithstanding that such certificate may include inaccuracies, be incomplete or otherwise be defective or deficient, and such closing certificate may be relied upon by any addressee as conclusive evidence of same. An Adherence Compliance Certificate that purports on its face to be signed by officers specified in clause 4.02(a)ii may be relied upon by any addressee without further enquiry or evidence as to the incumbency or signatures of such officers. If an Adherence Compliance Certificate is not delivered in accordance with the timing requirements of clause 4.02(a)ii such certificate may be delivered at a later date, and be effective as if it had been delivered in accordance with the timing requirement of clause 4.02(a)ii if at the time such certificate was otherwise required to be delivered OPG had delivered to the Province all certifications required by the Province in connection with the adherence of the Limited Guarantee to the Certified Primary Obligation.

ARTICLE V
PROVINCE MATTERS

5.01 Assignment and Subrogation

(a) Upon paying an amount in respect of an Approved Obligation to or at the direction of the Indenture Trustee in satisfaction of the Limited Guarantee, the Province (in addition to and without prejudice to any rights it otherwise has in law or equity) shall be subrogated and entitled to all of the applicable Beneficiary's

rights and interests under and in respect of the Approved Obligation to the extent of such payment, and shall be entitled to (i) the right and entitlement to be paid and receive the related Subrogation Amounts, (ii) the benefits of the related Collateral and (iii) all proceeds therefrom. The Province shall have and be entitled to enforce all rights and interests (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)), under and in respect of such Approved Obligation to the extent of the payment by the Province in respect of the Approved Obligation as an absolute assignee of the applicable Beneficiary, with effect from and after the time of such payment, without any further requirement for notice to or acceptance by the Financing Entity of such absolute assignment and without any reduction, set-off or counterclaim on account of any amounts that may, at or after the time of payment, be or become owing by the Beneficiary to the Financing Entity and unaffected by any other rights or equities that arise thereafter as between the Beneficiary and the Financing Entity. The Indenture Trustee shall recognize the Province as being entitled to all of the rights, interests and entitlements of the Beneficiary (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)) in respect and to the extent of the Approved Obligation so paid, determined as of the time of payment, for all purposes under the Trust Indenture, and the Province shall be treated as a Specified Creditor in respect thereof for all purposes under the Trust Indenture and any other agreement under which the Approved Obligation arises.

(b) The Province (i) acknowledges and agrees in favour of the Indenture Trustee that, upon being subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation in accordance with Section 5.01(a), the Province, in its capacity as a Specified Creditor, will be subject to the provisions applicable to Specified Creditors under the Trust Indenture, including Sections **[7.04]** through **[7.11]** and **[8.13]** (Payment Priorities), Section **[7.12]** (Payments Held in Trust), Section **[8.11]** (Control by Controlling Class Creditors), Section **[8.12]** (Limitation on Suits), Section **[8.14]** (Limited Recourse), Article IX (The Indenture Trustee), including all limitations of liability thereunder, Section **[9.14]** (Communications to Specified Creditors) and Section **[16.01]** (No Petition); (ii) consents, requests and authorizes the Issuer and the Indenture Trustee to (x) add the Province to the register of Specified Creditors described in subsection **[13.13(b)]** of the Trust Indenture and (y) disseminate the notice details of the Province to other Specified Creditors for the purposes set out in subsection **[9.14(b)]** of the Trust Indenture, and (iii) confirms that it will execute and deliver, or cause to be executed and delivered, all such further agreements, documents and instruments in connection with this Section 5.01 as the Indenture Trustee may request from time to time for the purpose of giving effect to the terms of this Section 5.01.

5.02 <u>Priorities</u>

For greater certainty, the rights, interests and entitlements of the Province as an assignee and subrogee of and with respect to an Approved Obligation and the Payable Approved Amounts

thereunder shall rank equally with the rights, interests and entitlements of a Beneficiary to whom a Limited Guarantee payment is made in respect of, and to the extent of the payment made to satisfy, the Approved Obligation and the Province shall not be subject to postponement or subordination with respect thereto except to the extent of the priorities established in relation to the Approved Obligation under the Trust Indenture in the manner and to the extent contemplated in Section **[7.10]** of the Trust Indenture.

5.03 Intentionally Deleted

5.04 Representations and Warranties

The Province hereby represents and warrants that:

(a) the execution and delivery of, and the performance of its obligations under, this Agreement by the Province have been authorized by all necessary action on the part of the Province;

(b) the execution and delivery of, and the performance of its obligations under, this Agreement by the Province do not result in the violation of any applicable law; and

(c) this Agreement has been duly executed and delivered by the Province.

ARTICLE VI
INDENTURE TRUSTEE MATTERS

6.01 Limited Recourse

No recourse may be taken, directly or indirectly, with respect to the obligations of the Financing Entity under this Agreement, or any certificate or other writing delivered in connection herewith or therewith, against (a) the Financing Entity Trustee in its individual capacity, (b) any owner of a beneficial interest in the Financing Entity or (c) any partner, owner, beneficiary, agent, officer, director, employee or agent of the Financing Entity Trustee in its individual capacity, any holder of a beneficial interest in the Financing Entity or the Financing Entity Trustee or of any successor or assign of the Financing Entity Trustee in its individual capacity, except as any such Person may have expressly agreed (it being understood that the Financing Entity Trustee has no such obligations in its individual capacity).

6.02 Not Responsible for Recitals

The recitals contained herein will be taken as the statements of the Province, the Financing Entity and the FSM, and the Indenture Trustee assumes no responsibility for their correctness. The Indenture Trustee makes no representations as to the validity or sufficiency of this Agreement.

6.03 Representations and Covenants of the Indenture Trustee

The Indenture Trustee represents, warrants and covenants that:

(a) the Indenture Trustee is a trust company organized, existing and in good standing under the laws of Canada;

(b) the Indenture Trustee has full power and authority to execute, deliver and perform this Agreement and has taken all necessary action to authorize the execution, delivery and performance by it of this Agreement;

(c) this Agreement has been duly executed and delivered by the Indenture Trustee and constitutes its legal, valid and binding obligation in accordance with its terms; and

(d) the Indenture Trustee is authorized to carry on the business of a trust company in each of the provinces and territories of Canada. If, notwithstanding the provisions of this subsection 6.03(d), the Indenture Trustee ceases to be so authorized to carry on business, the validity and enforceability of this Agreement shall not be affected in any manner whatsoever by reason only of such event.

ARTICLE VII
SUSPENSION OF ADHERENCE FOR NEW PRIMARY OBLIGATIONS

7.01 Suspension Notice

Upon:

(a) a Program Breach;

(b) a default in the performance, or breach, of any covenants of OPG, as FSM, or OPG, in its corporate capacity, in each case to the Province in connection with its obligations to the Province pursuant to internal requirements and processes in connection with the provision or adherence of the Limited Guarantee to or in respect of any Certified Primary Obligation and the expiration of any applicable cure period;

(c) a representation or warranty made by OPG or a certification made by one or more officers of OPG, in each case whether as FSM or in its corporate capacity, to the Province in connection with its obligations to the Province and its internal requirements and processes in connection with the provision or adherence of the Limited Guarantee to or in respect of any Certified Primary Obligations, proves to be incorrect in any material respect on the date made and the expiration of any applicable cure period; or

(d) the FSM no longer being the Manager or actions having been taken by or on behalf of the Indenture Trustee to remove the FSM as the Manager;

the Province may declare that the Limited Guarantee under this Agreement shall not apply to any Primary Obligations incurred on or after such declaration, excluding Post-Suspension Refinancings or Pre-Approved Refinancings, by delivering a written notice in

the form of Exhibit C (a "**Suspension Notice**") to the Indenture Trustee, the FSM and the Financing Entity.

7.02 Suspension

If a Suspension Notice has been provided under Section 7.01 (the provision of such notice being a "**Suspension Event**"), the Limited Guarantee shall not apply in respect of: (i) any Primary Obligation incurred, excluding Post-Suspension Refinancings or Pre-Approved Refinancings, or (ii) any amendment of any Primary Obligation that has a Material Effect, unless otherwise agreed to by the Province, in each case, on or after the time such Suspension Notice is delivered.

7.03 Additional Right of the Province Regarding Post-Suspension Refinancings

Following the occurrence of a Suspension Event, the Limited Guarantee shall continue to apply in respect of any Post-Suspension Refinancing (for greater certainty, without regard to the satisfaction of any Adherence Conditions thereto); provided that prior to the Financing Entity incurring any Primary Obligation constituting a Post-Suspension Refinancing, the Manager shall provide the Province with at least 30 days' notice of its intention to seek a Post-Suspension Refinancing and prior to incurrence, which notice shall describe the material covenants, events of default, representations and warranties and indemnities of the Financing Entity and other material terms, excluding financial terms, rates and levels (the "**Proposal**"), and during such 30 day period the Province may, but is not obligated to, offer to fund such Post-Suspension Refinancing or arrange for another Person to fund such Post-Suspension Refinancing on the same terms as set out in the Proposal or on such other terms as may be considered by the Province to be not more onerous on the Financing Entity and that are acceptable on that basis to the Financing Entity, acting reasonably. If, within such 30-day period, the Province elects to offer to fund such Post-Suspension Refinancing as provided in the preceding sentence, the Manager shall accept such offer; however, if the Province does not elect to offer to fund such Post-Suspension Refinancing, the Manager shall cause the Financing Entity to incur Primary Obligations constituting such a Post-Suspension Refinancing on substantially the same terms as than those set out in the Proposal if the Post-Suspension Refinancing can be completed by the Financing Entity in compliance with the Act, or on such other terms as may be considered by the Financing Entity to be not more onerous on the Province and that are acceptable on that basis to the Province, acting reasonably.

7.04 No Impact on Adherence

For greater certainty, the occurrence of a Suspension Event or a failure by the FSM or the Financing Entity to perform its covenants under this Agreement will not invalidate or extinguish the obligations of the Province under the Limited Guarantee in respect of Approved Obligations in existence prior to the occurrence of the Suspension Event or in respect of any Post-Suspension Refinancing.

RECITALS

Pursuant to Subsection 5(3) of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**"), the Lieutenant Governor in Council may by order, authorize the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to agree to guarantee or indemnify certain debts, obligations, securities or undertakings associated with an Investment Interest.

Pursuant to an Order in Council 1981/2017 (the "**OIC**"), the Lieutenant Governor in Council has, among other things, authorized the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to enter into one or more agreements to guarantee or indemnify the debts, obligations, securities or undertakings of one or more financing entities established or caused to be established pursuant to Subsection 22(2) of the Act by the FSM and that may incur Funding Obligations in connection with one or more Investment Interests.

Pursuant to a Declaration of Trust dated as of ■, 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

The Financing Entity Trustee, in its capacity as trustee of the Financing Entity, and the Indenture Trustee are parties to the Trust Indenture and propose to create and issue series of notes, bonds and other securities as contemplated therein, and to provide security over the assets and undertaking of the Financing Entity in respect of such notes, bonds and securities, as well as other Obligations Secured.

The Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, have determined to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Primary Obligations that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions at the time the Approved Obligation is incurred. This Agreement sets out the terms and conditions of such protections and assurances.

All things necessary to make this Agreement a valid and legally binding agreement of the Province, the Financing Entity, the FSM and the Indenture Trustee, in accordance with the Act, the OIC and the Trust Indenture, have been done.

provisions and in accordance with the ~~applicable Payment Waterfalls~~priority of payment provisions in the Trust Indenture the amount that would be payable on such date in satisfaction of the relevant Payable Approved Amounts, as determined without regard to any Guarantee Payment paid on any Guarantee Payment Date and also without regard to the corresponding reduction of the amounts owing to present and former Beneficiary Payees pursuant to subclause 2.01(a)iv(A) up to the amount of the unpaid related Subrogation Amounts.

(C) No Beneficiary having a right to be paid an amount in respect of an Approved Obligation, and no other Person entitled under an Obligation Secured, in each case that ranks equal with or subordinate to the Payable Approved Amount in respect of which a Subrogation Amount is payable to the Province under subclause 2.01(a)iv(B), shall be entitled to make any claim or assert any right in or to the amounts paid or payable to the Province under such subclause (including any right of set-off, offset, reimbursement, contribution or indemnity) and no such Beneficiary or other Person shall have any right or interest in, to or under the Collateral or any proceeds therefrom in respect of any such Subrogation Amount.

(D) For greater certainty, the entitlements of the Province in respect of Subrogation Amounts arising in respect of Payable Approved Obligations that are interest and principal obligations on Notes shall be treated for all purposes of the Trust Indenture as interest and principal obligations, respectively, arising under Notes having the same priority as and any applicable voting rights[2] under the related Approved Obligations, and accordingly the Province (and any successor, assignee or transferee of such entitlements) shall be entitled to all of the rights, entitlements, interests and privileges of a Holder of such a Notes in accordance with the Trust Indenture, as supplemented by the Supplemental Indenture or other indenture document under which the related Approved Obligations were issued.

[2] Explanatory Note: As discussed, the Province understands that voting rights may be muted by the "outstanding" language in the Trust Indenture. Nevertheless, if voting rights would arise under the Trust Indenture they should be available to the Province.

(b) ~~v.~~ On each Guarantee Payment Date and upon demand by the Province, the Indenture Trustee shall release and pay to the Province free and clear of any Liens any amount remaining on deposit in the Protection Account that has not been applied to pay Guarantee Payments to Beneficiary Payees on the Guarantee Payment Date in accordance with clause 2.01(a)iii or that otherwise remains on deposit in the Protection Account on the relevant date.

(c) ~~vi.~~ In preparing any payment instructions under the Trust Indenture, the Manager shall reflect the amounts payable under Section 2.01(a), if applicable.

(d) ~~vii.~~ The Province shall, as a payee of Subrogation Amounts under clause 2.01(a)iv(B) and as a payee of any amounts payable under clause 2.01(a)v, be a "Specified Creditor" under the Trust Indenture and have the benefit of the Collateral thereunder.

(e) ~~viii.~~ For greater certainty, the Limited Guarantee will not apply to any amount or obligation of the Financing Entity that is not or does not arise under an Approved Obligation and will be limited to the right to receive the Approved Obligation Amounts, if any, for payment to Beneficiary Payees and will be subject to the priorities and to the Province's rights to Subrogation Amounts, set forth in Section 2.01(a).

(f) ~~ix.~~ Except as expressly provided in this Agreement, the Province's obligation to provide and perform the Limited Guarantee shall be irrevocable, absolute and unconditional.

(g) ~~x.~~ Any amount payable by the Province under the Limited Guarantee in respect of an Approved Obligation that is not paid by the Province when required herein shall bear interest from the applicable due date until paid in full at the rate or rates expressed to be payable on the Approved Obligation by their terms.

(h) ~~xi.~~ Any amount payable to the Province in respect of a Subrogation Amount shall bear interest from and including the date of payment by the Province of the related Guarantee Payment to but excluding the date of payment of the Subrogation Amount to the Province, such interest to accrue at the rate equivalent to the applicable interest rate borne by the related Approved Obligation, and such interest amounts shall be added to their respective Subrogated Amounts and shall consequently be payable in the same priority as the relevant Subrogated Amount under clause 2.01(a)iv(B), all such accruing interest amounts to be calculated and added to the Subrogation Amounts by the Manager in its discretion acting in a commercially reasonable fashion.

(i) ~~xii.~~ The right to deliver a Payment Demand and thereupon enforce the Limited Guarantee shall constitute the only remedy available to the Indenture Trustee (and to the Beneficiaries, to the extent they are permitted to exercise any rights, interests, or elections under and in accordance with the Trust Indenture) under this Agreement. Under no circumstances shall the Province be obligated to pay or indemnify the Indenture Trustee or any Beneficiary for consequential, special or punitive damages, or for economic loss or loss of profits; provided that, for greater certainty, economic loss shall not include any amount in respect of any amount due and payable to a Beneficiary Payee under the Limited Guarantee.

~~(b) The Province shall, as a payee of Subrogation Amounts under clause 2.01(a)iv(B), and as a payee of any amounts payable under clause 2.01(a)vi, be a "Specified Creditor" under the Trust Indenture and have the benefit of the Collateral thereunder.~~

~~(c) For greater certainty, the Limited Guarantee will not apply to any amount or obligation of the Financing Entity that is not or does not arise under an Approved Obligation and will be limited to the right to receive the Approved Obligation Amounts, if any, for payment to Beneficiary Payees and will be subject to the priorities and to the Province's rights to Subrogation Amounts, set forth in Section 2.01(a).~~

~~(d) Except as expressly provided in this Agreement, the Province's obligation to provide and perform the Limited Guarantee shall be irrevocable, absolute and unconditional.~~

~~(e) Any amount payable by the Province under the Limited Guarantee in respect of an Approved Obligation that is not paid by the Province when required herein shall bear interest from the applicable due date until paid in full at the rate or rates expressed to be payable on the Approved Obligation by their terms.~~

~~(f) The right to deliver a Payment Demand and thereupon enforce the Limited Guarantee shall constitute the only remedy available to the Indenture Trustee (and to the Beneficiaries, to the extent they are permitted to exercise any rights, interests, or elections under and in accordance with the Trust Indenture) under this Agreement. Under no circumstances shall the Province be obligated to pay or indemnify the Indenture Trustee or any Beneficiary for consequential, special or punitive damages, or for economic loss or loss of profits; provided that, for greater certainty, economic loss shall not include any amount in respect of any amount due and payable to a Beneficiary Payee under the Limited Guarantee.~~

2.02 Intentionally Deleted.

2.03 Absence of Set-off

Subject to applicable law, the Province acknowledges and agrees that each payment to be made by the Province hereunder in respect of an Approved Obligation shall be made as required in whole, without application of any right of set-off and without regard to any equities as between or among any of the Province, the Beneficiaries and/or the Indenture Trustee.

2.04 Payment into Protection Account in Satisfaction

(a) On or before the date of delivery of a Payment Demand to the Province, the Indenture Trustee shall cause to be established and maintained an Eligible Deposit Account (the "**Protection Account**") in the name of the Indenture Trustee, bearing a designation clearly indicating that the funds and other property credited thereto are held for the benefit of the Indenture Trustee and the Beneficiaries. The Protection Account shall be under the control of the Indenture Trustee for the benefit of the Beneficiaries. If, at any time, the institution holding the Protection Account ceases to be an Eligible Institution, the FSM shall notify the Indenture Trustee, and the Indenture Trustee upon being notified in writing of such ineligibility (or the FSM on its behalf) shall within 30 days (or such longer period, not to exceed 45 days, so long as the Rating Agency Condition is satisfied) establish a new Protection Account that is an Eligible Deposit Account and shall transfer any funds or other property from such Protection Account to such new Protection Account. From the date each such new Protection Account is established, it shall be the "Protection Account" for purposes of this Agreement. Funds credited to the Protection Account will be invested and held in accordance with Section **[7.03]** of the Trust Indenture on the basis that it is an Issuer Account.

(b) Notwithstanding the priority of payment requirements set forth in the Trust Indenture and any legal rule concerning the imputation of payments, the Financing Entity and the Indenture Trustee shall ensure that all amounts paid by the Province into the Protection Account on a Guarantee Payment Date in respect of an Approved Obligation are applied to pay the amounts due and payable to the Beneficiary Payee as and to the extent provided for in Section 2.01(a). Upon a payment having been made by or on behalf of the Province into the Protection Account, the amounts so paid shall for all purposes be considered to have been applied to pay the applicable Beneficiary Payee as provided for in Section 2.01(a) and thereby reduce the amount due and payable to such Beneficiary Payee in respect of the applicable Approved Obligations, whereupon an affected Beneficiary Payee shall have no continuing rights, interests or entitlements (including rights as a secured party) in respect of the Approved Obligation to the extent so paid. For greater certainty, the obligations arising in respect of an applicable Approved Obligation shall not be reduced by such payment as the Province shall become entitled to be paid related Subrogation Amounts and the rights contemplated under Section 2.01(a) and Section 5.01 in relation to such continuing obligations.

2.05 Certain Waivers

The Province hereby waives:

(a) any requirement, and any right to require, that any power be exercised or any action be taken against the Financing Entity or any Collateral for any of the Approved Obligations;

(b) all notices which may be required by applicable law to preserve any rights against the Province hereunder, including any notice of default, demand, dishonour, presentment and protest;

(c) diligence; and

(d) any defence based upon, arising out of or in any way related to any claim that any election of remedies by the Beneficiaries impaired, reduced, released or extinguished any rights that the Province might otherwise have had against the Financing Entity or any other surety.

The Province agrees that each such waiver is made with full knowledge of its significance and consequences and if any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the maximum extent permitted by applicable law.

2.06 Additional Security

This Agreement shall be in addition to and without prejudice to any other security by whomsoever given, held at any time by the Indenture Trustee or for the benefit of any of the Beneficiaries.

2.07 Continuing Liability of the Province

The Approved Obligations shall be deemed not to have been paid, observed or performed, and the liability of the Province hereunder in respect thereof shall continue and not be discharged, to the extent that any payment, observance or performance thereof by the Financing Entity, or out of the proceeds of any Collateral, is recovered from or reimbursed by or for the account of any of the Beneficiaries for any reason, including a preference or fraudulent transfer or by virtue of any subordination (whether present or future or contractual or otherwise) of the Approved Obligations, whether such recovery or payment over is effected by any judgment, decree or order of any court or Governmental Authority, by any plan of reorganization or by settlement or compromise by any of the Beneficiaries (whether or not consented to by the Financing Entity or the Province) of any claim for any such recovery or payment over.

2.08 Continuance of the Limited Guarantee

Subject to Section 2.07, the Limited Guarantee shall continue in full force and effect until the indefeasible payment, observance and performance in full of the Approved Obligations in accordance with Section 8.01.

2.09 Modifications of Approved Obligations

The Province expressly authorizes the Indenture Trustee, at any time and from time to time, without notice and without affecting the liability of the Province hereunder, but subject to compliance with the requirements of the Program Agreements and this Agreement, to:

(a) accept new, additional or replacement instruments, documents, agreements or security in connection with all or any part of the Approved Obligations;

(b) accept partial payments on the Approved Obligations; and

(c) waive, release, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, compromise, liquidate and enforce all or any part of the Approved Obligations and any security or guarantee therefor, and apply any such security and direct the order or manner of sale thereof as the Indenture Trustee (for the benefit of the Beneficiaries) in its discretion may determine.

ARTICLE III
THE INDENTURE TRUSTEE

3.01 The Indenture Trustee

This Agreement is made in favour of the Indenture Trustee in its capacity as trustee under the Trust Indenture. Accordingly, in the event of a new trustee being appointed under the Trust Indenture, such new trustee shall thereupon become and be the Indenture Trustee hereunder, but nevertheless, the Indenture Trustee shall forthwith assign, transfer and make over to the new trustee hereunder this Agreement. All provisions of the Trust Indenture for the protection of the Indenture Trustee or for facilitating the administration of the trusts or otherwise relating to the Indenture Trustee solely as to its holding of the rights thereunder shall apply *mutatis mutandis* to this Agreement and the Indenture Trustee's duties hereunder.

3.02 Acceptance of Trusts

The Indenture Trustee hereby accepts the trusts hereof and agrees to carry out and discharge the same unless and until a new trustee shall be appointed as contemplated in Section 3.01.

ARTICLE IV
APPROVED OBLIGATIONS

4.01 Approval Process

A Primary Obligation shall constitute an Approved Obligation if (i) the Adherence Conditions applicable thereto have been satisfied at the time the Primary Obligation was incurred, (ii) the Province, in its sole discretion, designates in writing that it is an Approved

Obligation or (iii) the Primary Obligation is a Post-Suspension Refinancing or a Pre-Approved Refinancing.

4.02 Adherence Conditions

(a) The following shall be the Adherence Conditions applicable in relation to each Certified Primary Obligation:

i. the Certified Primary Obligation when incurred is an Obligation Secured under the Trust Indenture; and

ii. OPG, as FSM, delivers an Adherence Compliance Certificate in the form attached hereto as Exhibit B~~-1~~ signed by the Chief Financial Officer and the Treasurer of OPG, or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) and addressed to the Indenture Trustee, on or before the incurrence of ~~a~~the Certified Primary Obligation (provided that delivery may not be more than 5 Business Days before the incurrence of the Certified Primary Obligation); and

iii. the Province has not provided a Suspension Notice to the Indenture Trustee, OPG and the Financing Entity.

(b) ~~For greater certainty~~Without limiting any obligations of OPG to the Province arising other than pursuant to this Agreement, satisfaction of the Adherence Conditions for a Certified Primary Obligation shall be deemed satisfaction of the Adherence Conditions in respect of all principal, interest and other amounts owing under the Certified Primary Obligation, as such Certified Primary Obligation may be amended, restated, supplemented or modified from time to time~~, without limiting any obligations of OPG to the Province arising other than pursuant to this Agreement~~.

(c) For greater certainty, there shall be no Adherence Conditions applicable in relation to a Primary Obligation that is not a Certified Primary Obligation.

4.03 Evidence of Satisfaction

An Adherence Compliance Certificate delivered in accordance with clause 4.02(a)ii shall be determinative as to whether the applicable Adherence ~~Conditions~~Condition with respect thereto ~~have~~has been satisfied, notwithstanding that such certificate may include inaccuracies, be incomplete or otherwise be defective or deficient, and such closing certificate may be relied upon by any addressee as conclusive evidence of same. An Adherence Compliance Certificate that purports on its face to be signed by officers specified in clause 4.02(a)ii may be relied upon by any addressee without further enquiry or evidence as to the incumbency or signatures of such officers. If an Adherence Compliance Certificate is not delivered in accordance with the timing requirements of clause 4.02(a)ii such certificate may be delivered at a later date, and be effective

as if it had been delivered in accordance with the timing requirement of clause 4.02(a)ii if at the time such certificate was otherwise required to be delivered OPG had delivered to the Province all certifications required by the Province in connection with the adherence of the Limited Guarantee to the Certified Primary Obligation.

ARTICLE V
PROVINCE MATTERS

5.01 Assignment and Subrogation

(a) Upon paying an amount in respect of an Approved Obligation to or at the direction of the Indenture Trustee in satisfaction of the Limited Guarantee, the Province (in addition to and without prejudice to any rights it otherwise has in law or equity) shall be subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation to the extent of such payment, and shall be entitled to (i) the right and entitlement to be paid and receive the related Subrogation Amounts, (ii) the benefits of the related Collateral and (iii) all proceeds therefrom. The Province shall have and be entitled to enforce all rights and interests (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)), under and in respect of such Approved Obligation to the extent of the payment by the Province in respect of the Approved Obligation as an absolute assignee of the applicable Beneficiary, with effect from and after the time of such payment, without any further requirement for notice to or acceptance by the Financing Entity of such absolute assignment and without any reduction, set-off or counterclaim on account of any amounts that may, at or after the time of payment, be or become owing by the Beneficiary to the Financing Entity and unaffected by any other rights or equities that arise thereafter as between the Beneficiary and the Financing Entity. The Indenture Trustee shall recognize the Province as being entitled to all of the rights, interests and entitlements of the Beneficiary (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)) in respect and to the extent of the Approved Obligation so paid, determined as of the time of payment, for all purposes under the Trust Indenture, and the Province shall be treated as a Specified Creditor in respect thereof for all purposes under the Trust Indenture and any other agreement under which the Approved Obligation arises.

(b) The Province (i) acknowledges and agrees in favour of the Indenture Trustee that, upon being subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation in accordance with Section 5.01(a), the Province, in its capacity as a Specified Creditor, will be subject to the provisions applicable to Specified Creditors under the Trust Indenture, including Sections **[7.04]** through **[7.11]** and **[8.13]** (Payment Priorities), Section **[7.12]** (Payments Held in Trust), Section **[8.11]** (Control by Controlling Class Creditors),

5.02 Priorities

For greater certainty, the rights, interests and entitlements of the Province as an assignee and subrogee of and with respect to an Approved Obligation and the Payable Approved Amounts thereunder shall rank equally with the rights, interests and entitlements of a Beneficiary to whom a Limited Guarantee payment is made in respect of, and to the extent of the payment made to satisfy, the Approved Obligation and the Province shall not be subject to postponement or subordination with respect thereto except to the extent of the priorities established in relation to the Approved Obligation under the Trust Indenture in the manner and to the extent contemplated in Section **[7.10]** of the Trust Indenture.

5.03 Intentionally Deleted

(c) this Agreement has been duly executed and delivered by the Province.

ARTICLE VI

6.01 Limited Recourse

No recourse may be taken, directly or indirectly, with respect to the obligations of the Financing Entity under this Agreement, or any certificate or other writing delivered in connection

herewith or therewith, against (a) the Financing Entity Trustee in its individual capacity, (b) any owner of a beneficial interest in the Financing Entity or (c) any partner, owner, beneficiary, agent, officer, director, employee or agent of the Financing Entity Trustee in its individual capacity, any holder of a beneficial interest in the Financing Entity or the Financing Entity Trustee or of any successor or assign of the Financing Entity Trustee in its individual capacity, except as any such Person may have expressly agreed (it being understood that the Financing Entity Trustee has no such obligations in its individual capacity).

6.02 Not Responsible for Recitals

The recitals contained herein will be taken as the statements of the Province, the Financing Entity and the FSM, and the Indenture Trustee assumes no responsibility for their correctness. The Indenture Trustee makes no representations as to the validity or sufficiency of this Agreement.

6.03 Representations and Covenants of the Indenture Trustee

The Indenture Trustee represents, warrants and covenants that:

(a) the Indenture Trustee is a trust company organized, existing and in good standing under the laws of Canada;

ARTICLE VII
SUSPENSION OF ADHERENCE FOR NEW PRIMARY OBLIGATIONS

7.01 Suspension Notice

Upon:

(a) a Program Breach;

(b) a default in the performance, or breach, of any covenants of OPG, as FSM, or OPG, in its corporate capacity, in each case to the Province in connection with its

obligations to the Province pursuant to internal requirements and processes in connection with the provision or adherence of the Limited Guarantee to or in respect of any Certified Primary Obligation and the expiration of any applicable cure period;

(c) a representation or warranty made by OPG or a certification made by one or more officers of OPG, in each case whether as FSM or in its corporate capacity, to the Province in connection with its obligations to the Province and its internal requirements and processes in connection with the provision or adherence of the Limited Guarantee to or in respect of any Certified Primary Obligations, proves to be incorrect in any material respect on the date made and the expiration of any applicable cure period; or

(d) the FSM no longer being the Manager or actions having been taken by or on behalf of the Indenture Trustee to remove the FSM as the Manager;

the Province may declare that the Limited Guarantee under this Agreement shall not apply to any Primary Obligations incurred on or after such declaration, excluding Post-Suspension Refinancings or Pre-Approved Refinancings, by delivering a written notice in the form of Exhibit C (a "**Suspension Notice**") to the Indenture Trustee, the FSM and the Financing Entity.

7.02 Suspension

If a Suspension Notice has been provided under Section 7.01 (the provision of such notice being a "**Suspension Event**"), the Limited Guarantee shall not apply in respect of: (i) any Primary Obligation incurred, excluding Post-Suspension Refinancings or Pre-Approved Refinancings, or (ii) any amendment of any Primary Obligation that has a Material Effect, unless otherwise agreed to by the Province, in each case, on or after the time such Suspension Notice is delivered.

7.03 Additional Right of the Province Regarding Post-Suspension Refinancings

Following the occurrence of a Suspension Event, the Limited Guarantee shall continue to apply in respect of any Post-Suspension Refinancing (for greater certainty, without regard to the satisfaction of any Adherence Conditions thereto); provided that prior to the Financing Entity incurring any Primary Obligation constituting a Post-Suspension Refinancing, the Manager shall provide the Province with at least 30 days' notice of its intention to seek a Post-Suspension Refinancing and prior to incurrence, which notice shall ~~include a summary of~~describe the material covenants, events of default, representations and warranties and indemnities of the Financing Entity and other material terms, excluding financial terms, rates and levels (the "**Proposal**"), and during such 30 day period the Province may, but is not obligated to, offer to ~~provide~~fund such Post-Suspension Refinancing or arrange for another Person to ~~provide~~fund such Post-Suspension Refinancing on the same~~, or better,~~ terms as set out in the Proposal or on such other terms as may be considered by the Province to be not more onerous on the Financing Entity and that are acceptable on that basis to the Financing Entity, acting reasonably. If, within such 30-day period, the Province elects to ~~provide~~offer to fund such Post-Suspension

Refinancing as provided in the preceding sentence, the Manager shall accept such ~~Proposal~~offer; however, if the Province does not elect to ~~provide~~offer to fund such Post-Suspension Refinancing, the Manager shall cause the Financing Entity to incur Primary Obligations constituting such a Post-Suspension Refinancing on substantially the same ~~or less onerous~~ terms as than those set out in the Proposal~~; provided that such~~ if the Post-Suspension Refinancing ~~is available on such terms~~can be completed by the Financing Entity in compliance with the Act, or on such other terms as may be considered by the Financing Entity to be not more onerous on the Province and that are acceptable on that basis to the Province, acting reasonably.

7.04 No Impact on Adherence

For greater certainty, the occurrence of a Suspension Event or a failure by the FSM or the Financing Entity to perform its covenants under this Agreement will not invalidate or extinguish the obligations of the Province under the Limited Guarantee in respect of Approved Obligations in existence prior to the occurrence of the Suspension Event or in respect of any Post-Suspension Refinancing.

ARTICLE VIII

I see in Nina's email a reference to ISDA. Are we, under the change of law assumption agreement, guaranteeing any swaps that OPG trust may enter?

Subject: RE: Fair Hydro -- Change of Law Assumption Agreement

Good Morning Malle,

In terms of Program Agreements, here is an update:

-we have previously circulated the MTI and MTSA to Blakes. Both of these agreements are in mid-turn but we will send you the next circulation of these agreements once available.
-we received an initial draft supplemental for the warehouse facility on Tuesday from the dealers' counsel. We have not yet reviewed it nor have we discussed it with Oslers so we will send you the next circulation of this document.
-I am attaching the most current versions of the Declaration of Trust and the Management Agreement (which are subject to the continuing review of the working group).
-we'll have a form of ISDA Schedule to you soon.
-we don't expect to have a substantially advanced draft of the OM to share until November.

Please let me know if you have any questions.

Best Regards,
Nina

Hi Nina,

We will be reviewing your comments and mark-up.

On a related point, do you have available yet drafts of any of the other agreements that will be required in connection with a proposed issuance by the financing entity and that we have previously discussed and requested copies of such as a draft supplemental indenture, draft disclosure documents, drafts of other agreements referenced in the master trust indenture to the extent they would be used in or related to an issuance by the Financing Entity etc. The Protection Agreement is proposed to work in the context of these other agreements and this would provide a better context for review by the Province. If they are not yet available, when are they expected to be available?

Thank you.

Toby – further to discussions between OPG and the Province, please find attached comments on the draft proposal under the Change of Law Protection Agreement (blacklined to the draft circulated below). The attached reflects our comments from accounting, operational and financeability perspectives. In particular, the

financeability of the program will turn on whether there is a clear and concise way for investors to determine that an incurrence of funding obligations will be covered under the Change of Law Protection Agreement and that, once confirmed, the confirmation is irrevocable. Accordingly, we have proposed in the attached that a simple confirmation from OPG to a third party binds the Province in respect of the incurrence of the applicable funding obligations provided that OPG has satisfied the requirements of the approval process (which we propose be the subject of a separate procedures agreement or memo). Please note that the attached remains subject to the review of the working group including the dealers and the rating agencies.

Nina

Please find attached our comments on your response of October 6. We have moved the text of your email to the attached document and responded inline in square brackets for ease of review.

We recognize that we are running out of time, and that we should discuss and move this forward at the beginning of next week.

We also generally recognize that, although there are still some gaps in our respective

approaches, we would find it helpful to have some more specific suggestions and comments on our Sept. 27 draft in order to help move this forward. This might include also the timing issues, with some indication of where, if OPG finds the timing does not work, some alternatives can be suggested for consideration.

Toby,

Thank you for your draft proposal; we have set out below our conceptual comments and concerns on it. Please note that the points below remain subject to the continuing review of OPG. Please also note that we have not yet sought the dealers' views on the proposal. We think it is premature to do so until we settle these points amongst ourselves and a revised draft of the proposal is circulated reflecting our agreement.

As further discussed below, your proposal deviates in some key ways from what we proposed in our email of September 19 (attached) and raises the accounting and operational issues we tried to avoid in the September 19th proposal. Given the need to settle the Protection Agreement as soon as possible, we'd appreciate if we could discuss these points early next week.

Best Regards,
Nina

Accounting Issues:
E&Y has concerns from an accounting perspective with the level of Provincial oversight and input on certain parts of the process, namely:

-that OPG will likely have to go back to the Province on each incurrence of debt and they will have to do so prior to that incurrence
-that OPG must certify and provide a lot of detailed reporting with respect to each

incurrence of debt
-the level of frequency of reporting in general (not just the certifications/information noted above but also the contemplated annual forecasts and quarterly updates of those forecasts)
-the negative pledge with respect to the exercise of certain options on the debt
-the fact that OPG must give notice to the Province when incurring funding obligations that are expressly excluded from the Protection Agreement

Taken as a whole, we understand that E&Y sees all of this as the Province exerting a level of control on the debt that no typical guarantor would have. Please also advise if the Province's accountants have reviewed the proposal.

Practical Issues:

- The procedural steps to bind the Province are lengthy and complicated. From our perspective, as drafted, OPG will likely have to seek Provincial approval on each debt issuance (which weakens the accounting as discussed above). The dealers and their counsel will have a reaction to the proposed adherence conditions but query whether there is value in setting out the adherence conditions in the Protection Agreement itself. Setting aside the mechanics of how we get there, the dealers want comfort that the incurrence of obligations by the financing entity will be covered by the Protection Agreement. We would propose that the mechanics of any approval process (once we settle the terms of that process) be the subject of a separate procedures agreement or memo from the Province to OPG, whereby the Province delegates to OPG the ability to bind the Province under the Protection Agreement with respect to an incurrence of obligations so long as the adherence conditions in the procedures agreement or memo have been met. The Protection Agreement would then simply state that, upon OPG certifying to the indenture trustee that the adherence conditions have been satisfied under the procedures agreement/memo, the Province will be deemed to be bound under the Protection Agreement with respect to the specific obligations incurred at the time of the certification.
- In addition to the accounting concerns, the level of detail and frequency of reporting required present timing and operational issues. For example, as part of the adherence conditions, you are asking for details on the interest rate. However, pricing will in part be driven off whether that specific incurrence will have the benefits of the Protection Agreement.

Drafting Issues:

- Please refer to the existing terminology of the Act to ensure there is certainty on the obligations covered under the Protection Agreement. We think the best way for you to approach this would be to refer to all finance amounts and then expressly carve out what you are proposing not be covered.
- We'd like to understand the reason OPG's management fees have been excluded. We assume you do not intend for OPG's reimbursement costs (costs incurred by OPG on behalf of the Financing Entity) to be excluded? Please advise why taxes are being excluded?
- There are a few references to "exceed the maximum amount specified therefor in the applicable governing document". Please advise what is being contemplated here.

- We have a number of other drafting comments which we'll revisit once we've settled on the conceptual points above and have reviewed a revised draft of the document.

Steve, Malle and Toby, further to our meeting the other day, set out below for your review is a proposal on the Provincial approval process under the Change of Law Assumption Agreement. Once we have your feedback on this, we will need to share it with Osler and the accountants and as John mentioned, we are under some time pressure to bring this to a resolution prior to the upcoming June 29 OPG Board meeting. We look forward to your comments, and feel free to reach out if you have any questions. -- Rima

Obligor Approval

The Change of Law Assumption Agreement will apply to all Specified Claims relating to Funding Obligations that are incurred by an Eligible Financing Entity in accordance with the Obligor's approval process. The definition of Specified Claims to be mutually agreed by all parties.

In order for a Financing Entity to become designated as an Eligible Financing Entity by the Obligor, prior to the initial issuance of Funding Obligations by such

Financing Entity, the Obligor will be provided with copies of the following documents (collectively the "Program Documents") for review:

(i) the constating documents of such Financing Entity;
(ii) the management agreement between the Financing Entity and OPG;
(iii) the master transfer and servicing agreement between the Financing Entity and the IESO;
(iv) the master trust indenture governing the issuance of Funding Obligations by the Financing Entity;
(v) a form of supplemental indenture governing the issuance of bonds, issuable in series, by the Financing Entity;
(vi) a form of note purchase agreement or credit agreement governing the issuance of short term Funding Obligations by the Financing Entity;
(vii) a form of schedule to an ISDA Master Agreement governing derivative transactions that may be entered into the Financing Entity from time to time; and
(viii) such other documents as may be requested by the Obligor.

Once a Financing Entity is designated by the Obligor as an Eligible Financing Entity, it will not be necessary for the Obligor to approve the documentation related to specific issuances of Funding Obligations; however, OPG will be expected to notify the Obligor of any new material program documentation or any material amendments to existing program documentation before such new documentation or amendments become effective. The failure of OPG to provide any such notice will not invalidate the application of the Change of Law Assumption Agreement to any Specified Claims.

It will not be necessary for the Obligor to approve each new issuance of Funding Obligations provided that such Funding Obligations are issued in accordance with following:

(1) The Funding Obligations are issued in accordance with agreements that contain: (a) covenants of the Eligible Financing Entity that are no more onerous in any material respect and (b) events of default that are consistent in all material respects, respectively, with the covenants of the Eligible Financing Entity and events of default contained in the draft Program Documents.

(2) At least [30 days] prior to the initial issuance of Funding Obligations by an Eligible Financing Entity, OPG will provide the Obligor with a forecast of the principal amount and expected term of the Funding Obligations that OPG expects such Eligible Financing Entity to issue in accordance with the Financing Plan in the next two years (a "Two Year Forecast"). The execution of the Change of Law Assumption Agreement in respect of such Eligible Financing Entity shall constitute the Obligor's approval of the issuance of Funding Obligations by such Eligible Financing Entity in accordance with the Two Year Forecast.

(3) OPG shall provide the Obligor with an updated Two Year Forecast between 9 and 12 months prior to the expiry of each current Two Year Forecast.

(4) Unless the Obligor provides OPG with a written notice no later than 3 months prior to the date following receipt of the current Two Year Forecast that the Change

of Law Assumption Agreement will be inapplicable with respect to new Funding Obligations incurred following the expiry of the current Two Year Forecast, the Obligor will be deemed to approve the application of the Change of Law Assumption Agreement to all Funding Obligations incurred up to the expiry of the new Two Year Forecast.

At the time of issuance of Funding Obligations by an Eligible Financing Entity, the Financing Entity will provide (i) any required certifications to the underwriters/agents that such Funding Obligations are covered by the Change of Law Assumption Agreement; and (ii) notice to the Obligor of the material terms of the Funding Obligations issued, together with electronic copies of the final executed Program Documents.

Subject: Fair Hydro -- Change of Law Assumption Agreement

Steve, Malle and Toby, further to our meeting the other day, set out below for your review is a proposal on the Provincial approval process under the Change of Law Assumption Agreement. Once we have your feedback on this, we will need to share it with Osler and the accountants and as John mentioned, we are under some time pressure to bring this to a resolution prior to the upcoming June 29 OPG Board meeting. We look forward to your comments, and feel free to reach out if you have any questions. -- Rima

Obligor Approval

The Change of Law Assumption Agreement will apply to all Specified Claims relating to Funding Obligations that are incurred by an Eligible Financing Entity in accordance with the Obligor's approval process. The definition of Specified Claims to be mutually agreed by all parties.

In order for a Financing Entity to become designated as an Eligible Financing Entity by the Obligor, prior to the initial issuance of Funding Obligations by such Financing Entity, the Obligor will be provided with copies of the following documents (collectively the "Program Documents") for review:

(i) the constating documents of such Financing Entity;
(ii) the management agreement between the Financing Entity and OPG;
(iii) the master transfer and servicing agreement between the Financing Entity and the IESO;
(iv) the master trust indenture governing the issuance of Funding Obligations by the Financing Entity;
(v) a form of supplemental indenture governing the issuance of bonds, issuable in series, by the Financing Entity;
(vi) a form of note purchase agreement or credit agreement governing the issuance of short term Funding Obligations by the Financing Entity;
(vii) a form of schedule to an ISDA Master Agreement governing derivative transactions that may be entered into the Financing Entity from time to time; and

(viii) such other documents as may be requested by the Obligor.

Once a Financing Entity is designated by the Obligor as an Eligible Financing Entity, it will not be necessary for the Obligor to approve the documentation related to specific issuances of Funding Obligations; however, OPG will be expected to notify the Obligor of any new material program documentation or any material amendments to existing program documentation before such new documentation or amendments become effective. The failure of OPG to provide any such notice will not invalidate the application of the Change of Law Assumption Agreement to any Specified Claims.

It will not be necessary for the Obligor to approve each new issuance of Funding Obligations provided that such Funding Obligations are issued in accordance with following:

(1) The Funding Obligations are issued in accordance with agreements that contain: (a) covenants of the Eligible Financing Entity that are no more onerous in any material respect and (b) events of default that are consistent in all material respects, respectively, with the covenants of the Eligible Financing Entity and events of default contained in the draft Program Documents.

(2) At least [30 days] prior to the initial issuance of Funding Obligations by an Eligible Financing Entity, OPG will provide the Obligor with a forecast of the principal amount and expected term of the Funding Obligations that OPG expects such Eligible Financing Entity to issue in accordance with the Financing Plan in the next two years (a "Two Year Forecast"). The execution of the Change of Law Assumption Agreement in respect of such Eligible Financing Entity shall constitute the Obligor's approval of the issuance of Funding Obligations by such Eligible Financing Entity in accordance with the Two Year Forecast.

(3) OPG shall provide the Obligor with an updated Two Year Forecast between 9 and 12 months prior to the expiry of each current Two Year Forecast.

(4) Unless the Obligor provides OPG with a written notice no later than 3 months prior to the date following receipt of the current Two Year Forecast that the Change of Law Assumption Agreement will be inapplicable with respect to new Funding Obligations incurred following the expiry of the current Two Year Forecast, the Obligor will be deemed to approve the application of the Change of Law Assumption Agreement to all Funding Obligations incurred up to the expiry of the new Two Year Forecast.

At the time of issuance of Funding Obligations by an Eligible Financing Entity, the Financing Entity will provide (i) any required certifications to the underwriters/agents that such Funding Obligations are covered by the Change of Law Assumption Agreement; and (ii) notice to the Obligor of the material terms of the Funding Obligations issued, together with electronic copies of the final executed Program Documents.

Adherence of the Change of Law Protection Agreement to Approved Obligations

Words that are not defined below and that are defined in the OFHPA or otherwise in the General Regulation will have the meanings given in the OFHPA or the General Regulation, as applicable.

Approval Process

Subject to satisfaction of the conditions described under "Adherence Condition", below, the Change of Law Protection Agreement will apply (without duplication) in respect of the following "Specified Claims" (as defined in the Term Sheet) of the applicable financing entity (collectively, the "Approved Obligations"):

1. repayments[1], other than to the extent that funds are available for payment thereof from one or more committed refinancings or from amounts on deposit in a capital account, finance reserve account or supplemental reserve account or from payment proceeds under a related derivative agreement ("Principal Obligations");

2. obligations incurred by the financing entity to pay specified redemption amounts, other than to the extent that funds are available for payment thereof from one or more refinancings or from amounts on deposit in a capital account, finance reserve account or supplemental reserve account or from payment proceeds under a related derivative agreement ("Redemption Obligations");

3. interest payable under outstanding indebtedness of the financing entity, other than to the extent that funds are available for payment thereof from a finance reserve account or supplemental reserve account, from a funding rebate[2] or from payment proceeds under a related derivative agreement ("Interest Obligations");

4. derivative payments due and payable by the financing entity, determined on a net payment basis after the application of any collateral posted or available for posting by or on behalf of the financing entity to or for the benefit of the applicable counterparty, other than to the extent that funds are available for payment thereof from a capital account, finance reserve account or supplemental reserve account or from a funding rebate ("Hedging Obligations");

5. other funding costs due and payable by the financing entity and that are not included in 2, 3 or 4, above, other than to the extent that funds are available for payment thereof from a finance reserve account or supplemental reserve account or from a funding rebate ("Other Funding Obligations"); and

[1] This assumes that repayments will only include scheduled principal amounts, without regard to default and acceleration.

[2] Incorporate alternative GA stream, as applicable, in relation to all covered amounts – including interest, derivative payments, other funding costs and expenses contemplated in paras. 3 to 6.

6. finance entity expenses, due and payable by the financing entity and that are not included in 2 to 5, above and [other than amounts charged by the Financial Services Manager][3], other than to the extent that funds are available for payment thereof from a finance reserve account or supplemental reserve account or from a funding rebate ("Third Party Expense Obligations"),

but excluding in each case payments due and payable by the financing entity in respect of any contingent obligation of the financing entity to the extent that such payments would in the aggregate exceed the maximum amount specified therefor in the applicable governing document.

For greater certainty, the Change of Law Protection Agreement will not apply to any other amount or obligation of the financing entity, including (a) any amounts that are or become payable as a result of the exercise of an option of the financing entity following a Protection Event (e.g., redemption or extension rights), (b) amounts required to be deposited by or on behalf of the financing entity into any capital account, finance reserve account or supplemental reserve account, (c) tax liabilities and (d) contingent payment obligations that exceed the maximum amount therefor specified in the applicable governing document.

Adherence Conditions

The Change of Law Protection Agreement will bind the Province in respect of a funding obligation that is an Approved Obligation if:

1. at the time the funding obligation is incurred, the maximum aggregate payment amounts due or becoming due under the funding obligation, together with all other outstanding or committed Approved Obligations, do not exceed the Program Maximum;

2. OPG delivers a certificate, signed by at least two executive officers of OPG and addressed to the Province, not less than • Toronto business days prior to the incurrence or any amendment of the funding obligation, setting out the following with respect to the funding obligation:

   (a) the following information respecting a funding obligation to be incurred:

      (i) in the case of an incurrence of any related Principal Obligation, material details respecting such Principal Obligation, including the amount, timing and conditions of repayments (including any redemption or extension rights), the basis for OPG's expectations regarding the availability of any related refinancings, any required deposits to be made into a capital account or a finance reserve account in order to provide for payment of the Principal Obligation, and the rating (if any) contemplated to be attributed to the Principal Obligation;

[3] Confirm arrangements with OPG.

(ii) in the case of an incurrence of any related Redemption Obligation, material details respecting such Redemption Obligation, including the basis for determining to exercise any right, option or privilege that would result in an obligation to redeem, prepay or pay prior to a scheduled maturity any Approved Obligation, the basis for OPG's expectations regarding the availability of any related refinancings, and any required deposits to be made into a capital account or a finance reserve account in order to provide for payment of the Redemption Obligation;

(iii) in the case of an incurrence of any related Interest Obligation, material details respecting such Interest Obligation, including the applicable rate or rates (including default rates) and the timing and any conditions of payments, any required deposits to be made into a finance reserve account or supplemental account or the availability of any funding rebates in order to provide for payment of the Interest Obligation, and the rating (if any) contemplated to be attributed to the Interest Obligation;

(iv) in the case of an incurrence of any related Hedging Obligation, material details respecting such Hedging Obligation, including the counterparty payor(s), the credit ratings (if any) of the payor(s), the anticipated risk or risks to be mitigated by the related derivative agreement, the circumstances in which the Hedging Obligation may not achieve such mitigation or be subject to early termination and whether collateral posting requirements will apply;

(v) in the case of an incurrence of any related Other Funding Obligation and any related Third Party Expense Obligation, material details respecting such obligations, including the payees, the timing and any conditions of payments, and any required deposits to be made into a finance reserve account or supplemental account or the availability of any funding rebates in order to provide for payment of such obligations;

(vi) in the case of any contingent obligation, material details respecting the contingent obligation of the financing entity under the funding obligation, including the nature and extent of any contingent payment, the circumstances in which the payment may arise and the maximum amount specified therefor in the applicable governing document;

(b) if an existing funding obligation is to be amended, material details respecting such amendment and the anticipated effect of the amendment on or in relation to the affected terms and conditions of the funding obligation, including regarding the applicable details set forth in (a), above, as the context requires;

(c) a statement that:

(i) the Principal Obligations, Redemption Obligations, Interest Obligations and Hedging Obligations becoming payable under the funding obligation (1) will

arise under terms and conditions that are "Substantially in the Form" of the Reviewed Documentation applicable thereto; (2) in the opinion of such officers, are reasonably incurred in compliance with the OFHPA, the General Regulation, any other enactments related thereto and the applicable Financing Plan; (3) are of a type and are on terms that a reasonably prudent financial services manager would incur in similar circumstances; and (4) reflect, in all material respects, arm's length terms and conditions;

(ii) the Other Funding Obligations and Third Party Expense Obligations becoming payable under the funding obligation (1) will, in the opinion of such officers, be reasonably incurred in compliance with the OFHPA, the General Regulation, any other enactments related thereto and the applicable Financing Plan; (2) are of a type and are on terms that a reasonably prudent financial services manager would incur in similar circumstances; and (3) reflect, in all material respects, arm's length terms and conditions;

(iii) any Disclosure Document used in connection with the offering and sale of notes, bonds or other securities is "Substantially in the Form" of the Reviewed Documentation; and

(d) confirmation that if the funding obligation includes any contingent obligation, the applicable governing document for the funding obligation sets forth a maximum amount therefor; and

3. the Province has not provided written notice to OPG within • Toronto business days of receiving the certificate specified in 2, above, in respect of a proposed funding obligation stating that the Change of Law Protection Agreement shall not apply in respect of the funding obligation.

If the Adherence Conditions are satisfied, it will not be necessary for the Province to specifically approve the particular terms, conditions or documentation for the related funding obligations.

In connection with an incurrence or amendment of a funding obligation, OPG may certify to interested third parties that Adherence Condition 2[4] with respect thereto has been satisfied. Such certification shall be determinative (regardless of any inaccuracies, incompleteness or other defect in the certificate delivered) and may be relied upon by any addressee as conclusive evidence of same.

Reviewed Documentation

OPG will ensure that not less than • Toronto business days prior to the initial issuance of any funding obligation by the financing entity, the Province will have received copies, in substantially final form, of the following documents:

[4] Should this only relate to the certification or also the maximum program and the absence of a negating notice?

(a) the constating and organizational documents of the financing entity;

(b) any management, administration or servicing agreement to which the financing entity is a party, including any replacement or standby services agreement;

(c) the master transfer and servicing agreement between the financing entity and the IESO;

(d) the master trust indenture governing the issuance and common terms of notes or bonds and the security and priority of all Specified Claims that may be incurred from time to time by the financing entity;

(e) the form of supplemental indenture (supplemental to the master trust indenture referred to in (d), above) governing the terms and conditions of related series of notes or bonds issued by the financing entity and the particular allocations, security and priority of Specified Claims being serviced by related series property;

(f) the form of any note, bond or securities purchase agreement and any underwriting/agency/selling/subscription agreement with respect to sale of any series of notes, bonds or securities to be issued under the supplemental indenture referred to in (e), above;

(g) the form of any credit agreement governing the issuance of short term loan obligations by the financing entity;

(h) the form of schedule to an ISDA Master Agreement governing derivative transactions that may be entered into the financing entity from time to time;

(i) the form of any other agreement or instrument under which a Principal Obligation, a Redemption Obligation, an Interest Obligation, a Hedging Obligation or an Other Funding Obligation may arise or be affected. For example, any other agreement under which the financing entity incurs a material financial obligation or that affects the Province's subrogation rights and subrogee interests must be provided to the Province and, if accepted, become part of the Reviewed Documentation in the future, such as standby liquidity arrangements or credit enhancement agreements;

(j) if applicable, any other agreement governing the respective interests of persons having rights or interests in the investment asset or other assets of the financing entity, including any agreement of the sort contemplated in subsection 29(5) of the OFHPA; and

(k) the form of disclosure document (including any offering circular, prospectus or other investor disclosure statement) (a "Disclosure Document") describing the material terms of the Funding Obligation together with any related material information.

If acceptable, the Province will confirm that such reviewed documents shall be the "Reviewed Documentation" for the purposes of Adherence Condition 2(c).

Any proposed changes, additions or supplements to the Reviewed Documentation will be provided to the Province not less than • Toronto business days prior to any proposed use or such documents becoming effective. Such modified, additional or supplemental documentation will only become "Reviewed Documentation" for the purposes of satisfying Adherence Condition 2(c) if the Province confirms same not less than • Toronto business days prior to the delivery and effective time of the certificate contemplated in Adherence Condition 2.

For the purposes of Adherence Condition 2(c), the term "Substantially in the Form" means:

(a) with respect to the Reviewed Documentation referred to in (a) to (j), above, that there are no differences between the proposed documents and such Reviewed Documentation that could result in a change in the material terms or conditions applicable to the Approved Obligations, including regarding the amount of the payment obligations or the timing of or circumstances under which related payments are or may become due or accrue (including as a result of any default, acceleration, termination, wind-up, liquidation or realization), or that would affect the Province's rights of subrogation or interests as a subrogee as a result of performing the Change of Law Protection Agreement with respect to any Approved Obligation;

(b) with respect to the Reviewed Documentation referred to in (e) to (h), above, and possibly (i) and (j) as the context requires, that the variable terms to be set forth in the proposed documents are as reasonably contemplated in the Reviewed Documentation, as to the type, scope and extent of the obligations arising thereunder and as to the timing, conditions and circumstances in which such obligations may arise, but without regard to the particular financial terms, rates, levels and parameters set forth in the proposed documents other than to the extent that the forms of Reviewed Documentation specify specific requirements, limitations or parameters with respect thereto; and

(c) with respect to the Disclosure Document referred to in (k), above, that there are no material differences between the form and substance of the proposed disclosure document and such Disclosure Document and that such proposed disclosure document complies in all material respects with all securities disclosure requirements relating to the Funding Obligation subject to distribution thereunder.

Program Maximum

The Program Maximum will be determined by the Province prior to the initial issuance of the first funding obligation. In determining the Program Maximum, the Province will have regard to (but not be bound by) OPG's forecast of the maximum payment obligations expected to arise under Approved Obligations during the next [12] month period, based on and in accordance with the applicable Financing Plan (the "Forecast"). OPG will be required to deliver the Forecast to the Province not less than • Toronto business days prior to the proposed incurrence of the first funding obligation. The Province will confirm the Program Maximum in writing to OPG and the financing entity.

The Forecast will be updated and delivered to the Province [quarterly] thereafter, or more frequently if OPG so elects, to reflect the maximum payment obligations expected to arise under

Approved Obligations during the [12] month period immediately following the date of such updated Forecast, based on and in accordance with the applicable Financing Plan. Upon receiving an updated Forecast, the Province will determine whether or not the Program Maximum will be revised. Any determination to revise the Program Maximum will be confirmed by setting out a new Program Maximum in a written notice from the Province to OPG, the delivery of which will be conclusive evidence that such new Program Maximum will apply until further so revised.

On-Going Deliveries to the Province

Prior to the initial issuance of any funding obligation by the financing entity, OPG will provide the Province with a copy of the applicable Financing Plan and will promptly deliver to the Province a copy of any proposed change to or replacement of the Financing Plan.

Not later than • Toronto business days prior to the use or other dissemination by or on behalf of the financing entity of a disclosure document (including any offering circular, prospectus or other investor disclosure statement) respecting a funding obligation that will constitute an Approved Obligation, OPG will provide the Province with a copy of such disclosure document.

Not later than • Toronto business days prior to the incurrence by the financing entity of a funding obligation that will constitute an Approved Obligation, OPG will provide the Province with a written summary of the final terms and conditions of the proposed funding obligation.

Promptly following any incurrence of a funding obligation that constitutes an Approved Obligation or any amendment of such a funding obligation, OPG will be provide the Province with electronic copies of all related governing and all other closing documents executed by or on behalf of the financing entity in connection with such incurrence or amendment that would affect the financing entity's assets or obligations.

Upon request, OPG will provide the Province with such additional information and documentation as the Province requests in order to enable the Province to assess the nature and extent of its obligations under the Change of Law Protection Agreement.

For greater certainty, a failure by OPG to make the foregoing deliveries will not constitute a failure to satisfy the Adherence Conditions.

Covenants of OPG

To support the approval and related information processes described above, OPG will covenant to the Province (among other things) as follows:

(a) OPG will comply and ensure compliance by any financing entity (including as Financial Services Manager) with the OFHPA, the General Regulation and any other enactment related thereto;

(b) OPG will promptly notify the Province of the creation of any funding obligation that OPG determines is not or would not be an Approved Obligation;

(c) after the occurrence of any Protection Event (or any event that with the passage of time or the giving of notice would be a Protection Event), OPG will not, without the Province's prior written consent, permit any financing entity to exercise any redemption, pre-payment, early termination or extension right in respect of any Approved Obligation or exercise any other election or privilege in respect of any Approved Obligation, in each case if as a result the obligations applicable to the Approved Obligation under the Change of Law Protection Agreement would be accelerated, delayed or otherwise affected;

(d) if a funding obligation that is incurred includes a contingent obligation, OPG will ensure that the governing document for such funding obligation sets forth a maximum amount in order to limit the possible claim amount thereunder and OPG will ensure that such maximum amount is not increased without the Province's prior written consent; and

(e) OPG will ensure that any disclosure (including in any offering document) that refers to or describes the terms, effect or adherence of the Change of Law Protection Agreement will be subject to the prior review and approval of the Province.

For greater certainty, a failure by OPG to perform such covenants will not constitute a failure to satisfy the Adherence Conditions.

Please see below an email from OPG's counsel setting out a proposed approval process setting out how the Provincial protection agreement would apply to any set of obligations of the Financing Entity.

We at MOF Legal along with Energy Legal and Stephen Ashbourne are in the process of reviewing their proposal and preparing comments. We will have significant comments and questions about this proposal, but wanted to give everyone a chance to review the OPG proposal so that we can discuss those comments as soon as we are ready to do so.

Obligor Approval

The Change of Law Assumption Agreement will apply to all Specified Claims relating to Funding Obligations that are incurred by an Eligible Financing Entity in accordance with the Obligor's approval process. The definition of Specified Claims to be mutually agreed by all parties.

In order for a Financing Entity to become designated as an Eligible Financing Entity by the Obligor, prior to the initial issuance of Funding Obligations by such Financing Entity, the Obligor will be provided with copies of the following documents (collectively the "Program Documents") for review:

(i) the constating documents of such Financing Entity;

(ii) the management agreement between the Financing Entity and OPG;
(iii) the master transfer and servicing agreement between the Financing Entity and the IESO;
(iv) the master trust indenture governing the issuance of Funding Obligations by the Financing Entity;
(v) a form of supplemental indenture governing the issuance of bonds, issuable in series, by the Financing Entity;
(vi) a form of note purchase agreement or credit agreement governing the issuance of short term Funding Obligations by the Financing Entity;
(vii) a form of schedule to an ISDA Master Agreement governing derivative transactions that may be entered into the Financing Entity from time to time; and
(viii) such other documents as may be requested by the Obligor.

Once a Financing Entity is designated by the Obligor as an Eligible Financing Entity, it will not be necessary for the Obligor to approve the documentation related to specific issuances of Funding Obligations; however, OPG will be expected to notify the Obligor of any new material program documentation or any material amendments to existing program documentation before such new documentation or amendments become effective. The failure of OPG to provide any such notice will not invalidate the application of the Change of Law Assumption Agreement to any Specified Claims.

It will not be necessary for the Obligor to approve each new issuance of Funding Obligations provided that such Funding Obligations are issued in accordance with following:

(1) The Funding Obligations are issued in accordance with agreements that contain: (a) covenants of the Eligible Financing Entity that are no more onerous in any material respect and (b) events of default that are consistent in all material respects, respectively, with the covenants of the Eligible Financing Entity and events of default contained in the draft Program Documents.

(2) At least [30 days] prior to the initial issuance of Funding Obligations by an Eligible Financing Entity, OPG will provide the Obligor with a forecast of the principal amount and expected term of the Funding Obligations that OPG expects such Eligible Financing Entity to issue in accordance with the Financing Plan in the next two years (a "Two Year Forecast"). The execution of the Change of Law Assumption Agreement in respect of such Eligible Financing Entity shall constitute the Obligor's approval of the issuance of Funding Obligations by such Eligible Financing Entity in accordance with the Two Year Forecast.

(3) OPG shall provide the Obligor with an updated Two Year Forecast between 9 and 12 months prior to the expiry of each current Two Year Forecast.

(4) Unless the Obligor provides OPG with a written notice no later than 3 months prior to the date following receipt of the current Two Year Forecast that the Change of Law Assumption Agreement will be inapplicable with respect to new Funding Obligations incurred following the expiry of the current Two Year Forecast, the Obligor will be deemed to approve the application of the Change of Law Assumption Agreement to all Funding Obligations incurred up to the expiry of the new Two Year Forecast.

At the time of issuance of Funding Obligations by an Eligible Financing Entity, the Financing Entity will provide (i) any required certifications to the underwriters/agents that such Funding Obligations are covered by the Change of Law Assumption Agreement; and (ii) notice to the Obligor of the material terms of the Funding Obligations issued, together with electronic copies

of the final executed Program Documents.

Hi Mike and others

Not sure if you had an opportunity to review this but I did go through quickly and if you read past all of the legal terms and conditions including the language it seems to set out a reasonable process for the Province's review of debt issues by the Financing Entity to ensure that they fall within the terms and conditions of the Protection Agreement.

Page 5 details what will be provided to us prior to each issuance, maybe we can have a discussion with MOF Legal and Steve Ashbourne.

Thanks

Toby,

In the interest of time, we have drafted a procedures agreement incorporating the approval mechanics we circulated below. As noted in previous correspondence, we think the approval process should be the subject of a separate agreement and not included in the Change of Law Protection Agreement you are drafting. Please note that the attached remains subject to the

continuing review of OPG and Torys.

Can you please also let us know when we can expect to see a draft of the Change of Law Protection Agreement?

Many thanks,
Nina

Toby – further to discussions between OPG and the Province, please find attached comments on the draft proposal under the Change of Law Protection Agreement (blacklined to the draft circulated below). The attached reflects our comments from accounting, operational and financeability perspectives. In particular, the financeability of the program will turn on whether there is a clear and concise way for investors to determine that an incurrence of funding obligations will be covered under the Change of Law Protection Agreement and that, once confirmed, the confirmation is irrevocable. Accordingly, we have proposed in the attached that a simple confirmation from OPG to a third party binds the Province in respect of the incurrence of the applicable funding obligations provided that OPG has satisfied the requirements of the approval process (which we propose be the subject of a separate procedures agreement or memo). Please note that the attached remains subject to the review of the working group including the dealers and the rating agencies.

Nina

Please find attached our comments on your response of October 6. We have moved the text of your email to the attached document and responded inline in square brackets for ease of review.

We recognize that we are running out of time, and that we should discuss and move this forward at the beginning of next week.

We also generally recognize that, although there are still some gaps in our respective approaches, we would find it helpful to have some more specific suggestions and comments on our Sept. 27 draft in order to help move this forward. This might include also the timing issues, with some indication of where, if OPG finds the timing does not work, some alternatives can be suggested for consideration.

Toby,

Thank you for your draft proposal; we have set out below our conceptual comments and concerns on it. Please note that the points below remain subject to the continuing review of OPG. Please also note that we have not yet sought the dealers' views on the proposal. We think it is premature to do so until we settle these points amongst ourselves and a revised draft of the proposal is circulated reflecting our agreement.

As further discussed below, your proposal deviates in some key ways from what we proposed in our email of September 19 (attached) and raises the accounting and operational issues we tried to avoid in the September 19th proposal. Given the need to settle the Protection Agreement as soon as possible, we'd appreciate if we could discuss these points early next week.

Best Regards,
Nina

Accounting Issues:
E&Y has concerns from an accounting perspective with the level of Provincial oversight and input on certain parts of the process, namely:

-that OPG will likely have to go back to the Province on each incurrence of debt and they will have to do so prior to that incurrence
-that OPG must certify and provide a lot of detailed reporting with respect to each incurrence of debt
-the level of frequency of reporting in general (not just the certifications/information noted above but also the contemplated annual forecasts and quarterly updates of those forecasts)
-the negative pledge with respect to the exercise of certain options on the debt
-the fact that OPG must give notice to the Province when incurring funding obligations that are expressly excluded from the Protection Agreement

Taken as a whole, we understand that E&Y sees all of this as the Province exerting a level of control on the debt that no typical guarantor would have. Please also advise if the Province's accountants have reviewed the proposal.

Practical Issues:

- The procedural steps to bind the Province are lengthy and complicated. From our perspective, as drafted, OPG will likely have to seek Provincial approval on each debt issuance (which weakens the accounting as discussed above). The dealers and their counsel will have a reaction to the proposed adherence conditions but query whether there is value in setting out the adherence conditions in the Protection Agreement itself. Setting aside the mechanics of how we get there, the dealers want comfort that the incurrence of obligations by the financing entity will be covered by the Protection Agreement. We would propose that the mechanics of any approval process (once we settle the terms of that process) be the subject of a separate procedures agreement or memo from the Province to OPG,

whereby the Province delegates to OPG the ability to bind the Province under the Protection Agreement with respect to an incurrence of obligations so long as the adherence conditions in the procedures agreement or memo have been met. The Protection Agreement would then simply state that, upon OPG certifying to the indenture trustee that the adherence conditions have been satisfied under the procedures agreement/memo, the Province will be deemed to be bound under the Protection Agreement with respect to the specific obligations incurred at the time of the certification.

- In addition to the accounting concerns, the level of detail and frequency of reporting required present timing and operational issues. For example, as part of the adherence conditions, you are asking for details on the interest rate. However, pricing will in part be driven off whether that specific incurrence will have the benefits of the Protection Agreement.

Drafting Issues:

- Please refer to the existing terminology of the Act to ensure there is certainty on the obligations covered under the Protection Agreement. We think the best way for you to approach this would be to refer to all finance amounts and then expressly carve out what you are proposing not be covered.
- We'd like to understand the reason OPG's management fees have been excluded. We assume you do not intend for OPG's reimbursement costs (costs incurred by OPG on behalf of the Financing Entity) to be excluded? Please advise why taxes are being excluded?
- There are a few references to "exceed the maximum amount specified therefor in the applicable governing document". Please advise what is being contemplated here.
- We have a number of other drafting comments which we'll revisit once we've settled on the conceptual points above and have reviewed a revised draft of the document.

Steve, Malle and Toby, further to our meeting the other day, set out below for your review is a proposal on the Provincial approval process under the Change of Law Assumption Agreement. Once we have your feedback on this, we will need to share it with Osler and the accountants and as John mentioned, we are under some time pressure to bring this to a resolution prior to the upcoming June 29 OPG Board meeting. We look forward to your comments, and feel free to reach out if you have any questions. -- Rima

Obligor Approval

The Change of Law Assumption Agreement will apply to all Specified Claims relating to Funding Obligations that are incurred by an Eligible Financing Entity in accordance with the Obligor's approval process. The definition of Specified Claims to be mutually agreed by all parties.

In order for a Financing Entity to become designated as an Eligible Financing Entity by the Obligor, prior to the initial issuance of Funding Obligations by such Financing Entity, the Obligor will be provided with copies of the following documents (collectively the "Program Documents") for review:

(i) the constating documents of such Financing Entity;
(ii) the management agreement between the Financing Entity and OPG;
(iii) the master transfer and servicing agreement between the Financing Entity and the IESO;
(iv) the master trust indenture governing the issuance of Funding Obligations by the Financing Entity;
(v) a form of supplemental indenture governing the issuance of bonds, issuable in series, by the Financing Entity;
(vi) a form of note purchase agreement or credit agreement governing the issuance of short term Funding Obligations by the Financing Entity;
(vii) a form of schedule to an ISDA Master Agreement governing derivative transactions that may be entered into the Financing Entity from time to time; and
(viii) such other documents as may be requested by the Obligor.

Once a Financing Entity is designated by the Obligor as an Eligible Financing Entity, it will not be necessary for the Obligor to approve the documentation related to specific issuances of Funding Obligations; however, OPG will be expected to notify the Obligor of any new material program documentation or any material amendments to existing program documentation before such new documentation or amendments become effective. The failure of OPG to provide any such notice will not invalidate the application of the Change of Law Assumption Agreement to any Specified Claims.

It will not be necessary for the Obligor to approve each new issuance of Funding Obligations provided that such Funding Obligations are issued in accordance with following:

(1) The Funding Obligations are issued in accordance with agreements that contain: (a) covenants of the Eligible Financing Entity that are no more onerous in any material respect and (b) events of default that are consistent in all material respects, respectively, with the covenants of the Eligible Financing Entity and events of default contained in the draft Program Documents.

(2) At least [30 days] prior to the initial issuance of Funding Obligations by an Eligible Financing Entity, OPG will provide the Obligor with a forecast of the principal amount and expected term

of the Funding Obligations that OPG expects such Eligible Financing Entity to issue in accordance with the Financing Plan in the next two years (a "Two Year Forecast"). The execution of the Change of Law Assumption Agreement in respect of such Eligible Financing Entity shall constitute the Obligor's approval of the issuance of Funding Obligations by such Eligible Financing Entity in accordance with the Two Year Forecast.

(3) OPG shall provide the Obligor with an updated Two Year Forecast between 9 and 12 months prior to the expiry of each current Two Year Forecast.

(4) Unless the Obligor provides OPG with a written notice no later than 3 months prior to the date following receipt of the current Two Year Forecast that the Change of Law Assumption Agreement will be inapplicable with respect to new Funding Obligations incurred following the expiry of the current Two Year Forecast, the Obligor will be deemed to approve the application of the Change of Law Assumption Agreement to all Funding Obligations incurred up to the expiry of the new Two Year Forecast.

At the time of issuance of Funding Obligations by an Eligible Financing Entity, the Financing Entity will provide (i) any required certifications to the underwriters/agents that such Funding Obligations are covered by the Change of Law Assumption Agreement; and (ii) notice to the Obligor of the material terms of the Funding Obligations issued, together with electronic copies of the final executed Program Documents.

In this Agreement, unless the context otherwise requires:

1.3.1 words importing the singular shall include the plural and vice versa, words importing gender shall include all genders or the neuter, and words importing the neuter shall include all genders;

1.3.2 the words "include", "includes", "including", or any variations thereof, when following any general term or statement, are not to be construed as limiting the general term or statement to the specific items or matters set forth or to similar items or matters, but rather

as referring to all other items or matters that could reasonably fall within the broadest possible scope of the general term or statement;

The Manager will be required to deliver the Forecast to the Province

not less than **[thirty (30)]** Business Days prior to the proposed incurrence of the initial Funding Obligations under the Indenture. If the Province agrees that the Forecast is consistent with the Financing Plan and the Finance Amounts contemplated thereunder for the applicable Reference Periods are reasonably expected to align with the Fair Allocation Amounts in respect of such Reference Periods, then the Province will confirm in writing to the Manager within **[thirty (30)]** Business Days of receipt of the Forecast that it agrees with the Program Maximum.

(b) The Forecast will be updated and delivered to the Province between nine (9) and twelve (12) months prior to the expiry of the then current Forecast, based on and in accordance with the applicable Financing Plan. Upon receiving an updated Forecast, the Province will confirm that the Forecast is consistent with the Financing Plan and the Finance Amounts contemplated thereunder for the applicable Reference Periods are reasonably expected to align with the Fair Allocation Amounts in respect of such Reference Periods.

(c) If the Province does not agree with the determination of the Program Maximum, then the Province and the Manager will discuss and address any inaccuracies in the Financing Plan to the satisfaction of both parties, and the Program Maximum will be revised within **[thirty (30)]** Business Days of receipt of the Forecast. Any determination to revise the Program Maximum will be confirmed by setting out a new Program Maximum in a written notice from the Province to the Manager, the delivery of which will be conclusive evidence that such new Program Maximum will apply until further so revised.

2.3 Reviewed Documentation

(a) The Manager will ensure that not less than **[■]** Business Days prior to the initial issuance of any Funding Obligations under the Indenture, the Province will have received copies, in substantially final form, of the following documents:

(xiv) the security agreement dated ■, 2017 granted by the IESO to the Issuer; and

(xv) the Preliminary and Final Offering Memorandums of the Issuer together with any related material information.

(b) The Province will confirm within **[■]** Business Days of receipt of the documents referenced in Section 2.3(a) if such reviewed documents shall be the "Reviewed Documentation" for the purposes of this Agreement; provided that the Province agrees that it will not be entitled to provide input on the Reviewed Documentation other than in its capacity as obligor under the Change of Law Protection Agreement.

(c) Any proposed material amendments, additions or supplements to the Reviewed Documentation will be provided to the Province not less than **[fifteen (15)]** Business Days prior to any proposed use or such documents becoming effective. Such material amendments, additional or supplemental documentation will only become "Reviewed Documentation" for the purposes of this Agreement if the Province confirms the same within **[fifteen (15)]** Business Days of receipt of such proposed material changes, additions or supplements to the Reviewed Documentation.

2.4 Termination

This Agreement will continue in full force and effect so long as any Specified Claims remain outstanding and until the Issuer has satisfied all of its obligations under the Reviewed Documentation.

ARTICLE 3
COVENANTS OF MANAGER

3.1 Reporting

Promptly after the issuance of any Funding Obligations by the Issuer (or an amendment or replacement thereof) from time to time, the Manager will provide the Province with:

(a) a copy of the then most recent Financing Plan;

(b) electronic copies of all related closing documents executed by or on behalf of the Issuer in connection with such incurrence, amendment or replacement of such Funding Obligations that would affect the Issuer's assets or obligations (including, for greater certainty, any Disclosure Documents); and

(c) all additional information and documentation as the Province requests in order to enable the Province to assess the nature and extent of its obligations under the Change of Law Protection Agreement.

3.2 Other Covenants

(a) The Manager will comply and ensure compliance by the Issuer with the Act and the regulations made thereunder and any other enactment related thereto;

(b) After the occurrence of any Protection Event (or any event that with the passage of time or the giving of notice would be a Protection Event), the Manager will not, without the Province's prior written consent, permit any Issuer to exercise any redemption, pre-payment, early termination right in respect of any Specified Claim or exercise any other election or privilege in respect of any Specified Claim, in each case, if as a result the obligations applicable to the Specified Claim under the Change of Law Protection Agreement would be accelerated; and

(c) The Manager will ensure that any disclosure (including in any Disclosure Document) that refers to or describes the terms, effect or adherence of the Change of Law Protection Agreement and this Agreement will be subject to the prior review and approval of the Province unless that disclosure is substantially in a form previously approved by the Province.

3.3 Validity

For greater certainty, a failure by the Manager to perform the covenants in this Article 3 will not affect the validity of a Certification made under the Change of Law Protection Agreement in accordance with requirements of Section 2.1 of this Agreement.

ARTICLE 4

Subject: RE: Fair Hydro -- Change of Law Process Agreement

I have reviewed the revised draft of the Change of Law Process Agreement that Torys has prepared and would like to pass along the following comments/observations:

1. The change of the definition of Breach Event in Section 6.01 (i.e., the change to clause (a) and the addition of clause (b)) will result in an inconsistency with section 7.01(b) of the Change of Law Protection Agreement. This will require further consideration. [AGREED. 7.01(b) and 7.01(c) WILL NEED TO MIRROR THE CURE LANGUAGE WE SETTLE ON IN THE PROCESS AGREEMENT (SEE MY EARLIER COMMENTS). PERHAPS THE "which continues …" LANGUAGE IN 7.01(B) CAN BE REVISED TO READ: "to the extent that the Province would be entitled to provide a Suspension Notice in accordance with the terms of the agreement or agreements between the Province and OPG under which such obligations, requirements and processes arise". SIMILAR CHANGE FOR 7.01(C).

2. The right of the Province to issue an objection notice under Section 3.04(b) in connection with a Transaction Document provided to the Province which is required for a Refinancing of an Approved Obligation remains an outstanding issue. Clearly, this will depend upon what Adherence Conditions will be required under Section 4.02 of the Change of Law Protection Agreement in order to permit such Refinancing to become an Approved Obligation. If the Adherence Conditions set out in Section 4.02(a) of the Province's draft of the Change of Law Protection Agreement of December 4 were to apply to such Refinancing, to the extent that such refinancing required a change to a Transaction Document (e.g., as a result of a change to some rating agency condition or criteria), the Province's ability to issue an objection notice and thereby prevent the issuance of a Process Certificate under Section 3.01 (by virtue of Section 3.04) would have the effect of preventing a Refinancing. We trust that this was an unintended outcome of the drafting of Section 3.04 and/or the Adherence Conditions applicable to Refinancings. [THAT IS THE INTENDED EFFECT. THE ADHERENCE CONDITIONS WOULD APPLY TO THE REFINANCING, SO IF THE REFINANCING TERMS DEVIATED MATERIALLY (BASED ON THE SUBSTANTIALLY IN THE FORM" THRESHOLD"), THEN OPG WOULD REQUIRE THE PROVINCE NOT TO OBJECT IN ORDER TO PROCEED WITH THOSE TERMS. OTHERWISE, THE REFINANCING COULD INCORPORATE TERMS AND CONDITIONS, WHICH WOULD BIND THE PROVINCE UNDER THE LIMITED GUARANTEE, THAT WOULD BE UNCONSTRAINED AND WITHOUT ANY ACCOUNTABILITY TO THE PROVINCE. IN ROCCO'S EXAMPLE, THAT MIGHT MEAN THAT OPG WOULD NEED TO RESORT TO UNRATED DEBT, IF THE PROVINCE WAS UNWILLING TO ACCEPT THE NEW TERMS. PRESUMABLY EVERYONE WOULD ACT RATIONALLY AND IF THE NEW TERMS WERE THE BEST SCENARIO IN THE CIRCUMSTANCES, THE PROVINCE WOULD NOT OBJECT. AS A FAILSAFE, OPG COULD OFFER SIGNIFICANTLY INCREASED PRICING IN ORDER TO ATTRACT INVESTORS.]

3. Given that the Indenture Trustee is not a party to the Change of Law Process Agreement, the Province and OPG can amend the terms and conditions of this agreement without the consent of the indenture Trustee. Specified Creditors under an Approved Obligation need to be assured that the Province cannot prevent a Refinancing of an Approved Obligation either by virtue of the objection notice discussed in point #2 above or as a result of a future amendment to the agreement. There are a couple of ways to deal with this point. The first is to a add a

beneficiary/third party rights clause in the Change of Law Process Agreement which acknowledges that the Indenture Trustee is a beneficiary of certain provisions of this agreement and as a result, the agreement cannot be amended without the consent of the Indenture Trustee. The second is to ensure that the Adherence Conditions relating to Refinancings under the Change of Law Protection Agreement are not dependent upon the terms of the Change of Law Process Agreement. In light of the desire to not disclose the terms and conditions of the Change of Law Process Agreement to the rating agencies, especially at this late stage in the process, we would expect that the latter approach would be preferable. [THE SUGGESTION REGARDING THE PROVINCE PREVENTING A REFINANCING IS ADDRESSED IN #2. IF THE REFINANCING TERMS WOULD EXCEED THE SCOPE OF THE TRANSACTION DOCUMENTS REVIEWED AND NOT OBJECTED TO BY THE PROVINCE, THEN THAT MEANS THERE IS A MATERIAL EFFECT ON THE PROVINCE AND SO THE PROVINCE WOULD NEED THE RIGHT TO SEE AND CONSIDER THOSE NEW TERMS. AS FOR THE STANDALONE NATURE OF THE PROCESS AGREEMENT, THE INTENTION IS THAT THE PROCESS AGREEMENT BE UNCOUPLED AND NOT PART OF THE COLLATERAL, AND AS MICHAEL HAS EXPLAINED LEAVE FUTURE FLEXIBILITY FOR THIS LONG-TERM STRUCTURE. TO ADDRESS THE CONCERN (THAT THE PROVINCE AND OPG WOULD CREATE A NEW OBLIGATION, REQUIREMENT OR PROCESS IN THE PROCESS AGREEMENT THAT WOULD MAKE A REFINANCING LESS LIKELY TO OCCUR, WE SUGGEST ADDING A DEFFINTION OF "Approved Refinancing" TO SAY SOMETHING LIKE "means a Certified Primary Obligation proposed to be incurred as a Refinancing of an existing Certified Primary Obligation in respect of which the Adherence Conditions had been satisfied on the date such existing Certified Primary Obligation was incurred, that, at the time of incurrence, satisfies each of each of the Adherence Conditions except that the certificate contemplated to be delivered under Section 4.02(b) shall instead confirm that OPG has delivered to the Province a certificate by its applicable officers confirming that OPG would be in compliance with all obligations to the Province and internal requirements and processes in connection with the adherence of the Limited Guarantee to the proposed Certified Primary Obligation that applied as between the Province and OPG on the date of issuance of such existing Certified Primary Obligation." Various references to "Refinancing" in the Protection Agreement would then be revised to refer to "Approved Refinancing".

Subject: Fair Hydro -- Change of Law Process Agreement

Blakes team,

Please find attached OPG and Torys' comments on the Process Agreement reflecting our discussions from yesterday's call. Please note that this draft is subject to continuing review and comment by Osler and the dealers. As discussed at the tail end of our call yesterday, the section in the Process Agreement that gives the Province the right to object to new and material changes to transaction documents dovetails with the Protection Agreement so additional comments from Oslers may be forthcoming on this draft.

We are working on getting you a revised draft of the Protection Agreement either later today or tomorrow. In the meantime, please let us know if you have any comments or questions on the Process Agreement.

Best Regards,
Nina

1.02 Compliance Certificates and Opinions

Upon any application or request by the Issuer to the Indenture Trustee to take any action under any provision of this Indenture, the Issuer will furnish to the Indenture Trustee (i) an Issuer's Certificate stating that all conditions precedent, if any, provided for in this Indenture relating to the proposed action have been complied with, and (ii) an Opinion of Counsel stating that, in the opinion of such counsel, all such conditions precedent, if any, have been complied with, except that in the case of any such application or request as to which the furnishing of such documents are specifically required by any provision of this Indenture relating to such particular application or request, no additional certificate or opinion need be furnished.

1.04 Actions by Noteholders

(a) Any request, demand, authorization, direction, notice, consent, resolution, waiver or other action (collectively, an "**Action**") provided by this Indenture to be given or taken by Noteholders of any Class, Series or Tranche may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Noteholders in person or by an agent duly appointed in writing. In addition, any Action provided by this Indenture to be given or taken by such Noteholders may, alternatively, be embodied in and evidenced by the record of such Noteholders voting in favor thereof, either in person or by proxies duly appointed in writing, at any meeting of Noteholders duly called and held in accordance with the provisions

of Article X or a combination of such instruments and any such record. Except as herein otherwise expressly provided, such Action will become effective when such instrument or instruments or record are delivered to the Indenture Trustee, and, where it is hereby expressly required, to the Issuer. Proof of execution of any such instrument or of a writing appointing any such agent, or the holding by any Person of a Note, will be sufficient for any purpose of this Indenture and (subject to Section 9.01) conclusive in favor of the Indenture Trustee and the Issuer, if made in the manner provided in this Section 1.04. The record of any meeting of Noteholders shall be proved in the manner provided in Article X.

(b) The fact and date of the execution of any such instrument or writing, or the authority of the person executing the same, may be proved in any manner which the Indenture Trustee deems sufficient.

(c) (i) The ownership of Registered Notes will be proved by the Note Register.

(ii) The ownership of Bearer Notes or coupons will be proved by the production of such Bearer Notes or coupons or by a certificate, satisfactory to the Issuer and the Indenture Trustee, executed, as depositary, by any bank, trust company, recognized securities dealer, as depositary, wherever situated, satisfactory to the Issuer. Each such certificate will be dated and will state that on the date thereof a Bearer Note or coupon bearing a specified serial number was deposited with or exhibited to such bank, trust company or recognized securities dealer by the Person named in such certificate. Any such certificate may be issued in respect of one or more Bearer Notes or coupons specified therein. The holding by the Person named in any such certificate of any Bearer Note specified therein will be presumed to continue for a period of one year from the date of such certificate unless at the time of any determination of such holding (A) another certificate bearing a later date is issued in respect of the same Bearer Note or coupon produced, (B) the Bearer Note or coupon specified in such certificate is produced by some other Person or (C) the Bearer Note or coupon specified in such certificate has ceased to be Outstanding.

(d) The fact and date of execution of any such instrument or writing, the authority of the Person executing the same and the principal amount and serial numbers of Bearer Notes held by the Person so executing such instrument or writing and the date of holding the same may also be proved in any other manner which the Indenture Trustee deems sufficient; and the Indenture Trustee may in any instance require further proof with respect to any of the matters referred to in this Section 1.04.

(e) If the Issuer will solicit from the Noteholders any Action, the Issuer may, at its option, by an Issuer Certificate, fix in advance a record date for the determination of Noteholders entitled to give such Action, but the Issuer will have no obligation to do so. If the Issuer does not so fix a record date, such record date will be the later of 30 days before the first solicitation of such Action or the date of the most recent

list of Noteholders furnished to the Indenture Trustee pursuant to Section 13.13 before such solicitation. Such Action may be given before or after the record date, but only the Noteholders of record at the close of business on the record date will be deemed to be Noteholders for the purposes of determining whether Noteholders of the requisite proportion of Outstanding Notes have authorized or agreed or consented to such Action, and for that purpose the Outstanding Notes will be computed as of the record date; provided that no such authorization, agreement or consent by the Noteholders on the record date will be deemed effective unless it will become effective pursuant to the provisions of this Indenture not later than 6 months after the record date.

(f) Any Action by a Noteholder will bind the holder of every Note issued upon the transfer thereof or in exchange therefor or in lieu thereof, in respect of anything done or suffered to be done by the Indenture Trustee or the Issuer in reliance thereon whether or not notation of such Action is made upon such Note.

(g) Without limiting the foregoing, a Noteholder entitled hereunder to take any Action hereunder with regard to any particular Note may do so with regard to all or any part of the principal amount of such Note or by one or more duly appointed agents each of which may do so pursuant to such appointment with regard to all or any part of such principal amount. Any notice given or Action taken by a Noteholder or its agents with regard to different parts of such principal amount pursuant to this paragraph shall have the same effect as if given or taken by separate Noteholders of each such different part.

(h) Without limiting the generality of the foregoing, unless otherwise specified pursuant to one or more Supplemental Indentures, a Noteholder, including a Depository that is the holder of a Global Note, may make, give or take, by a proxy or proxies duly appointed in writing, any Action provided in this Indenture to be made, given or taken by Noteholders, and a Depository that is the holder of a Global Note may provide its proxy or proxies to the beneficial owners of interests in or security entitlements to any such Global Note through such Depository's standing instructions and customary practices.

(i) The Issuer may fix a record date for the purpose of determining the Persons who are beneficial owners of interests in or security entitlements to any Global Note held by a Depository entitled under the procedures of such Depository to make, give or take, by a proxy or proxies duly appointed in writing, any Action provided in this Indenture to be made, given or taken by Noteholders. If such a record date is fixed, the Noteholders on such record date or their duly appointed proxy or proxies, and only such Persons, shall be entitled to make, give or take such Action, whether or not such Noteholders remain Noteholders after such record date. No such Action shall be valid or effective if made, given or taken more than six months days after such record date.

1.05 Actions of Other Specified Creditors

Any Action provided by this Indenture to be given or taken by any Specified Creditor (other than Noteholders) may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Specified Creditor in person or an agent duly appointed in writing. Proof of execution of any such instrument or of a writing appointing any such agent will be sufficient for any purpose of this Indenture and (subject to Section 9.01) conclusive in favour of the Indenture Trustee and the Issuer, if made in the manner provided in Section 1.04(b).

1.06 Effect of Headings and Table of Contents

The Article and Section headings herein and the Table of Contents are for convenience only and will not affect the construction hereof.

1.07 Successors and Assigns

All covenants and agreements in this Indenture by the Issuer will bind its successors and assigns, whether so expressed or not. All covenants and agreements of the Indenture Trustee in this Indenture shall bind its successors, co-trustees and agents of the Indenture Trustee.

1.08 Severability

In case any provision in this Indenture or in the Notes will be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions will not in any way be affected or impaired thereby.

1.09 Governing Law

THIS INDENTURE WILL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE PROVINCE OF ONTARIO AND THE FEDERAL LAWS OF CANADA APPLICABLE THEREIN, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS. EACH PARTY SUBMITS TO THE EXCLUSIVE JURISDICTION OF ANY ONTARIO COURTS SITTING IN TORONTO IN ANY ACTION, APPLICATION, REFERENCE OR OTHER PROCEEDING ARISING OUT OF OR RELATED TO THIS INDENTURE. 1.13 Interest Act

For the purpose of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest to which any rate of interest payable under this Indenture that is calculated on any basis other than a full calendar year is equivalent may be determined by multiplying such rate by a fraction, the numerator of which is the actual number of days in the calendar year in which such yearly rate of interest is to be ascertained and the denominator of which is the number of days comprising such other basis. The parties further agree that for the purposes of the *Interest Act* (Canada), (i) the principle of deemed reinvestment of interest shall not apply to any interest calculation under this Indenture or the Notes, and (ii) the rates of interest stipulated in this Indenture or the Notes are intended to be nominal rates and not effective rates or yields.

1.14 Currency

Unless stated otherwise, all amounts herein are stated in Dollars.

The obligation of the Issuer in respect of any Original Currency due from it to the Indenture Trustee under this Indenture shall, notwithstanding any judgment or payment in such other currency, be discharged only to the extent that, on the Business Day following receipt of any sum so paid or adjudged to be due under this Indenture in the Second Currency, the Indenture Trustee may, in accordance with normal banking procedures, purchase in the New York foreign exchange market the Original Currency with the amount of the Second Currency so paid or so adjudged to be due; and if the amount of the Original Currency so purchased is less than the amount originally due in the Original Currency, the Issuer shall indemnify the Indenture Trustee against such loss.

(e) Without limiting the generality of subsection 2.02(c) or (d):

(i) The Issuer will cause this Indenture, all amendments and supplements hereto and all financing statements and all amendments to such financing statements and any other necessary documents covering the Indenture Trustee's right, title and interest in and to the Collateral to be promptly recorded, registered and filed, and at all times to be kept recorded, registered and filed, all in such manner and in such places as may be required by applicable law fully to preserve and protect the right, title and interest of the Indenture Trustee in and to all property comprising the Collateral. The Issuer will deliver to the Indenture Trustee file-stamped copies of, or filing receipts for, any document recorded, registered or filed as provided above, as soon as available following such recording, registration or filing. The Issuer hereby authorizes the filing of financing statements (and amendments of financing statements) that name the Issuer as debtor and the Indenture Trustee as secured party and that cover all personal property of the Issuer. The Issuer also hereby ratifies the filing of any such financing statements (or amendments of financing statements) that were filed prior to the execution hereof.

(ii) The Issuer shall not change its name, its jurisdiction of formation or its type of organization unless it has first (A) made all filings and taken all actions in all relevant jurisdictions under the PPSA and other applicable law as are necessary to continue and maintain the first priority perfected Security Interest of the Indenture Trustee in the Collateral, and (B) delivered to the Indenture Trustee an Opinion of Counsel to the effect that all necessary filings have been made under the PPSA (and where applicable, the equivalent thereof) in all relevant jurisdictions as are necessary to continue and maintain the first priority perfected Security Interest of the Indenture Trustee in the Collateral.

2.04 Suits To Protect the Collateral

Subject to the provisions of this Indenture, the Indenture Trustee will have the power to institute and to maintain such suits and proceedings as it may deem expedient to prevent any impairment of the Collateral by any acts which may be unlawful or in violation of this Indenture, and such suits and proceedings as the Indenture Trustee may deem expedient to preserve or protect the interests of the Specified Creditors and the interests of the Indenture Trustee in the Collateral

(including the power to institute and maintain suits or proceedings to restrain the enforcement of, or compliance with, any legislative or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid if the enforcement of, or compliance with, such enactment, rule or order would impair the Security Interest or be prejudicial to the interests of the Specified Creditors or the Indenture Trustee).

2.05 Purchaser Protected

In no event will any purchaser in good faith of any property purported to be released hereunder be bound to ascertain the authority of the Indenture Trustee to execute the release or to inquire as to the satisfaction of any conditions required by the provisions hereof for the exercise of such authority or to see to the application of any consideration given by such purchaser or other transferee; nor will any purchaser or other transferee of any property or rights permitted by this Article II to be sold be under any obligation to ascertain or inquire into the authority of the Issuer to make any such sale or other transfer.

2.06 Powers Exercisable by Receiver or Indenture Trustee

In case the Collateral shall be in the possession of a receiver or trustee lawfully appointed, the powers conferred in this Article II upon the Issuer with respect to the release, sale or other disposition of such property may be exercised by such receiver or trustee, and an instrument signed by such receiver or trustee shall be deemed the equivalent of any similar instrument of the Issuer or of any officer or officers thereof required by the provisions of this Article II.

2.07 Determinations Relating to Collateral

In the event (i) the Indenture Trustee shall receive any written request from the Issuer for consent or approval with respect to any matter or thing relating to any Collateral or the Issuer's obligations with respect thereto, (ii) there shall be due to or from the Indenture Trustee under the provisions hereof any performance or the delivery of any instrument, or (iii) the Indenture Trustee shall become aware of any nonperformance by the Issuer of any covenant or any breach of any representation or warranty of the Issuer set forth in this Indenture, then, in each such event, the Indenture Trustee shall be entitled to hire experts, consultants, agents and attorneys to advise the Indenture Trustee on the manner in which the Indenture Trustee should respond to such request or render any requested performance or response to such nonperformance or breach (the expenses of which will be reimbursed to the Indenture Trustee pursuant to Section 9.05). The Indenture Trustee will be fully protected in the taking of any action recommended or approved by any such expert, consultant, agent or attorney, or agreed to by Extraordinary Resolution of Debtholders of Controlling Class Obligations.

2.08 Satisfaction and Discharge of Indenture

(a) The Issuer may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture with respect to any Class, Series or Tranche of Notes or for any other purpose, pay, or by an Issuer Certificate direct any Paying Agent to pay, to the Indenture Trustee all sums held in trust by the Issuer or such Paying Agent in respect of each and every Class, Series or Tranche of Funding Obligations as to which it seeks to discharge this Indenture or, if for any other purpose, all sums

so held in trust by the Issuer in respect of all Notes, such sums to be held by the Indenture Trustee upon the same trusts as those upon which such sums were held by the Issuer or such Paying Agent; and, upon such payment by any Paying Agent to the Indenture Trustee, such Paying Agent will be released from all further liability with respect to such money.

(b) This Indenture will cease to be of further effect with respect to any Class, Series or Tranche of Funding Obligations (except as to any surviving rights of transfer or exchange of Notes of that Class, Series or Tranche expressly provided for herein or in any form of Note for that Class, Series or Tranche), and the Indenture Trustee, on demand of and at the expense of the Issuer, will execute proper instruments acknowledging satisfaction and discharge of this Indenture as to that Class, Series or Tranche, when:

(i) all Notes of that Class, Series or Tranche theretofore outstanding (other than (A) Notes of that Class, Series or Tranche which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 16.05(b), and (B) Funding Obligations of that Class, Series or Tranche for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from that trust, as provided in Section 16.05(b)) have been delivered to the Indenture Trustee for cancellation or been cancelled;

(ii) the Issuer has paid or caused to be paid all other sums payable under the Indenture (including payments to the Indenture Trustee pursuant to Section 9.05) by the Issuer with respect to the Funding Obligations of that Class, Series or Tranche; and

(iii) the Issuer has delivered to the Indenture Trustee an Issuer Certificate and an Opinion of Counsel each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture with respect to the Notes of that Class, Series or Tranche have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture with respect to any Class, Series or Tranche of Notes, the obligations of the Issuer to the Indenture Trustee with respect to that Class, Series or Tranche of Notes under Section 9.05 and the obligations of the Indenture Trustee under Sections 7.12 and 16.05(b) will survive such satisfaction and discharge.

2.09 Release of all Collateral

(a) Subject to the payment of its fees and expenses pursuant to Section 9.05, the Indenture Trustee shall, at the request of the Issuer or when otherwise required by the provisions of this Indenture, execute instruments to release Collateral from the Security Interest of this Indenture, or convey the Indenture Trustee's interest (which is held by the Indenture Trustee for the benefit of the Specified Creditors) in the same, in a manner and under circumstances which are not inconsistent with the

provisions of this Indenture. No party relying upon an instrument executed by the Indenture Trustee as provided in this Article II will be bound to ascertain the Indenture Trustee's authority, inquire into the satisfaction of any conditions precedent or see to the application of any funds.

(b) Upon delivery of an Officer's Certificate of the Issuer certifying that all Issuer Funding Obligations and all other Obligations Secured have been satisfied and discharged by complying with the provisions of this Article II and all applicable Program Agreements, the Indenture Trustee shall execute and deliver such releases, termination statements and other instruments (in recordable form, where appropriate) as the Issuer may reasonably request evidencing the termination of the Security Interest created by this Indenture.

(c) The Issuer and the Specified Creditors shall be entitled to receive at least 10 days' written notice when the Indenture Trustee proposes to take any action pursuant to clause (a), accompanied by copies of any instruments involved, and the Indenture Trustee shall also be entitled to require, as a condition to such action, an Opinion of Counsel, stating the legal effect of any such action, outlining the steps required to complete the same, and concluding that all conditions precedent to the taking of such action have been complied with. Counsel rendering any such opinion may rely, without independent investigation, on the accuracy and validity of any certificate or other instrument delivered to the Indenture Trustee in connection with any such action.

2.10 Certain Commercial Law Representations and Warranties

The Issuer hereby makes the following representations and warranties. Such representations and warranties shall survive until the termination of this Indenture. Such representations and warranties speak of the date that a Lien in the Collateral is granted to the Indenture Trustee and shall not be waived by any of the parties to this Indenture unless the Rating Agency Condition is satisfied.

(a) This Indenture constitutes the grant of a first priority perfected Lien by the Issuer to the Indenture Trustee in the Collateral which, in the case of the existing Collateral and the proceeds thereof, is enforceable upon execution and delivery of this Indenture or, with respect to after-acquired property, as of the date such property is acquired, and which will be enforceable with respect to the Collateral hereafter and thereafter created and the proceeds thereof upon such creation. Upon the filing of the assignments, financing statements and continuation statements (and other documents where applicable) and, in the case of after-acquired Collateral and the proceeds thereof, upon its creation, the Indenture Trustee shall have a first priority perfected Lien in such property and proceeds.

(b) At the time of its grant of any Lien in the Collateral pursuant to this Indenture, the Issuer owned and had good and marketable title to such Collateral free and clear of any Lien of any other Person (other than Permitted Liens).

(c) The Issuer has caused the filing of all appropriate financing statements in the proper filing office in the Province of Ontario under applicable law in order to perfect the Security Interest.

(d) Other than the Security Interest, the Issuer has not pledged, assigned, sold, granted a Lien in, or otherwise conveyed, the Collateral. The Issuer has not authorized the filing of and is not aware of any financing statements against the Issuer that include a description of the Collateral other than any financing statement relating to the Security Interest or that has been terminated. The Issuer is not aware of any judgment or Tax lien filings against the Issuer.

3.04 Notes Issuable in the Form of a Global Note

(a) If the Issuer establishes that the Notes of a particular Class, Series or Tranche are to be issued in whole or in part in the form of one or more Global Notes, then the Issuer will execute and the Indenture Trustee or its agent will, in accordance with Section 4.03 and the Issuer Certificate delivered to the Indenture Trustee or its agent thereunder, authenticate and deliver, such Global Note or Notes, which, unless otherwise provided in the Related Supplemental Indenture (i) will represent, and will be denominated in an amount equal to the aggregate Stated Principal Amount (or in the case of Discount Notes, the aggregate Stated Principal Amount at the Principal Payment Due Date of such Notes) of the Outstanding Notes of such Class, Series or Tranche to be represented by such Global Note or Notes, or such portion thereof as the Issuer will specify in an Issuer Certificate, (ii) in the case of Registered Notes, will be registered in the name of the Depository for such Global Note or Notes or its nominee, (iii) will be delivered by the Indenture Trustee or its agent to the Depository or pursuant to the Depository's instruction, (iv) if applicable, will bear a legend substantially to the following effect: (A) "Unless this Note is presented by an authorized representative of The Depository Trust Company ("**DTC**"), to Fair Hydro Trust (the "**Issuer**") or its agent for registration of transfer, exchange or payment, and any Note issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), any transfer, pledge or other use hereof for value or otherwise by or to any Person is wrongful inasmuch as the registered owner hereof, Cede & Co., has an interest herein", or (B) "Unless this Note is presented by an authorized representative of CDS Clearing and Depository Services Inc. (b) Notwithstanding any other provisions of this Section 3.04 or of Section 4.05, and subject to the provisions of paragraph (c) below, unless the terms of a Global Note or the Related Supplemental Indenture expressly permit such Global Note to be exchanged in whole or in part for individual Notes, a Global Note may be transferred, in whole but not in part and in the manner provided in Section 4.05, only to a nominee of the Depository for such Global Note, or to the Depository, or a successor Depository for such Global Note selected or approved by the Issuer, or to a nominee of such successor Depository.

(c) With respect to Notes issued within the United States or Canada, unless otherwise specified in the Related Supplemental Indenture, or with respect to Notes issued outside the United States and Canada, if specified in the Related Supplemental Indenture:

(ii) The Issuer may at any time and in its sole discretion determine that the Notes of any Class, Series or Tranche or portion thereof issued or issuable in the form of one or more Global Notes will no longer be represented by such Global Note or Notes.
