SCHEDULE A

"**Action**" has the meaning ascribed thereto under the Trust Indenture.

"**Approved Obligation Amount**" means, for a Beneficiary in respect of an Approved Obligation under which an amount is due and payable on a Guarantee Payment Date:

(a) if no Acceleration has occurred in respect of any Obligation Secured on or before the Guarantee Payment Date, the amount due and payable to the Beneficiary on such Guarantee Payment Date in respect of the Approved Obligation (for greater certainty, determined on the assumption that there are adequate amounts available under the applicable payment provisions of the Trust Indenture to pay in full all amounts referred to in such payment provisions that are due and payable on the Guarantee Payment Date); and

(b) if an Acceleration has occurred in respect of any Obligations Secured on or before the Guarantee Payment Date, the amount that would be available to be paid to the Beneficiary on such Guarantee Payment Date in respect of the Approved Obligation under the applicable payment provisions of the Trust Indenture, determined on the assumption that the amount available for allocation to Specified Creditors in accordance with the terms of the Trust Indenture in respect of each relevant month during each Reference Period from and after May, 2021 is equal to the Finance Amount in respect of such Reference Period divided by the number of months in such Reference Period.[20]

[19] If Province is satisfied that it will receive notice of any amendments, waivers, etc. under the various agreements, and corresponding rights under the trust indenture, Province will not require veto rights over changes to the defined terms in the MTI. All of this is predicated on Province receiving comfort from OPG that no changes, amendments, waivers, etc. will be made if outside the pre-agreed scope of the reviewed documents.

[20] PM: the challenge is that the permitted acceleration amount is determined under the Regulations but in a post-change of law environment, we don't know what provisions of the Regulation remain. CHANGE OF LAW PROCESS AGREEMENT

Dated as of [■], 2017

This **CHANGE OF LAW PROCESS AGREEMENT**, between Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), and Ontario Power Generation Inc. ("**OPG**") is made and entered into as of [■], 2017.

RECITALS

OPG is appointed as the Financial Services Manager under Section 18 of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**").

Pursuant to Section 22(2) of the Act, OPG, in its capacity as the Financial Services Manager (the "**FSM**"), may establish or cause to be established one or more financing entities (as defined in the Act), which may incur Funding Obligations in accordance with the Act.[1]

Pursuant to a Declaration of Trust dated as of [■], 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

Concurrent with this Agreement, the Province, the FSM, the Financing Entity and the Indenture Trustee will enter into the Change of Law Protection Agreement under which the Province will agree to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Obligations Secured that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions.

Prior to entering into this Agreement, OPG provided the Province with copies of certain of the Transaction Documents, and the Province has confirmed by a notice delivered to OPG that the reviewed forms (as further described in such notice) shall be Reviewed Documentation for the purposes of this Agreement.[2]

This Agreement sets out the obligations OPG has agreed to perform and assurances OPG has agreed to provide and on which the Province will rely in entering into and implementing the Change of Law Protection Agreement, including for the purposes of determining whether the Adherence Conditions have been satisfied, maintaining information related to the Program Agreements and the Approved Obligations, and ensuring that the Province's assumption rights pursuant to Article VI of the Change of Law Protection Agreement may be exercised without impediment on the terms and conditions contemplated in this Agreement and the Change of Law Protection Agreement.

All things necessary to make this Agreement a valid and legally binding agreement of OPG and the Province, have been done.

---

[1] Blakes suggests that it be made clear in the Declaration of Trust that OPG is establishing the Trust. Blakes would appreciate the benefit of Torys analysis as to how the Trust is an "entity" under the OFHPA, as opposed to the trustee. Clearly OPG has not established Computershare. Blakes and Torys to discuss.

[2] Once agreements are settled, Province to provide draft notice.

ARTICLE II
COVENANTS OF OPG

2.01 Deliveries to the Province

(a) Not less than [15 Business Days] , or such lesser period as the Province may agree to, prior to the initial issuance of any Funding Obligation by the Financing Entity, OPG shall deliver to the Province a copy of the initial Financing Plan. Thereafter, OPG shall promptly deliver to the Province a copy of any proposed change to or replacement of the Financing Plan.

(e) Promptly upon request, OPG shall provide the Province with such additional information and documentation as the Province reasonably requests in order to enable the Province to assess the nature and extent of its obligations under the Change of Law Protection Agreement.

2.02 Covenants

(a) OPG shall use commercially reasonable efforts to cause the Financing Entity to:

[3] This change was made due to accounting.

(i) punctually perform and observe all of the Financing Entity's obligations and agreements contained in the Program Agreements;

(ii) ensure that all Obligations Secured are incurred pursuant to and in accordance with the terms and conditions of the Trust Indenture;

(iii) ensure that no obligations other than the Obligations Secured are incurred by or on behalf of the Financing Entity;

(iv) not engage in any business other than as permitted under the Declaration of Trust or the other Program Agreements and activities ancillary thereto; and

(v) not:

(A) amend, supplement, modify, restate or replace or waive or consent to a postponement of compliance with the terms and conditions on the part of any other party to any of the Program Agreements, if any such supplementation, amendment, modification, restatement or replacement or waiver or consent could reasonably be considered to be materially prejudicial to the rights or interests of the Province under the Change of Law Protection Agreement; provided, however, that the foregoing does not apply to any change in particular financial terms, rates and levels; or

(B) [4]

(C) permit the validity or effectiveness of the Change of Law Protection Agreement to be impaired.

(b) OPG shall:

(i) comply, and shall use commercially reasonable efforts to cause compliance by the Financing Entity, with the Act, the General Regulation and any other enactment related thereto;

(ii) punctually perform and observe all of its (including as the FSM and as Manager) obligations and agreements contained in the Program Agreements;

(iii) promptly notify the Province of the creation of any Funding Obligation that is not or would not be an Approved Obligation; and

(iv) after the delivery of a Payment Demand[5], not, without the Province's prior written consent, permit the Financing Entity to exercise any redemption,

[4] As discussed in the meeting, this causes an accounting issue. Additionally, OPG is not permitted to resign under the Management Agreement.

pre-payment, early termination or extension right in respect of any Approved Obligation or exercise any other election or privilege in respect of any Approved Obligation, in each case if as a result the obligations applicable to the Approved Obligation under the Change of Law Protection Agreement would be accelerated, delayed or otherwise affected.

(c) For greater certainty, nothing in this Agreement is intended to derogate from OPG's obligations as FSM and Manager.

(d) Nothing in this Agreement nor in the Change of Law Protection Agreement shall limit the obligations of the Province under the Indemnity Agreement by the Province in favour of OPG dated June 1, 2017 (as amended, the "**Indemnity Agreement**") and to the extent of any conflict between this Agreement, the Change of Law Protection Agreement and such Indemnity Agreement, in respect of any matter relating to the Province's obligations to indemnify OPG, the Indemnity Agreement shall prevail.

(a) the material terms of the Funding Obligation pertaining to (i) in the case of notes, bonds or other securities, the principal amount, interest or discount rate, third party fees, term to maturity, amortization, redemption or extension features,

---

[5] Given that delivery of a Payment Demand is the trigger for the Limited Guarantee, the delivery of the Payment Demand is the more appropriate milestone.

[6] The current structure requiring satisfaction of the adherence conditions in the Protection Agreement impacts the marketability of the transaction and creates uncertainty for investors. Province/OPG/Dealers to discuss moving the adherence conditions to the Process Agreement while preserving Province's oversight of its obligations under the Protection Agreement.

[7] OPG/Province to discuss circumstances in which a certificate will be required under this Section.

[8] Note to Province: We have revised this section so as to allow the Process Agreement to be cleansed from the Change of Law Protection Agreement. In addition to all the deliverables under section 2.01 of this Agreement, the Province will receive the certifications in section 3.01 in the case of an incurrence of funding obligations and an amendment to funding obligations.

structure and coupon frequency, as applicable, and (ii) in the case of a Derivative Agreement, the notional amount, financial terms and pricing, benchmarks, payment structures and early termination rights;

(b) if an existing Funding Obligation is proposed to be amended, material details respecting such amendment, including regarding the applicable details set forth in Subsection 3.01(a), as the context requires;

(c) a statement to the effect that: (i) the Funding Obligation to be incurred or amended (1) will arise under terms and conditions that are Substantially in the Form of the Reviewed Documentation applicable thereto; (2) in the opinion of the signatories to the Process Certificate, are reasonably incurred or effected in compliance with the Act, the General Regulation, any other enactments related thereto and the applicable Financing Plan; (3) are of a type and are on terms that a reasonably prudent financial services manager would incur in similar circumstances; and (4) reflect, in all material respects, arm's length terms and conditions; and (ii) any Disclosure Document used in connection with the offering and sale of notes, bonds or other securities is Substantially in the Form of the Reviewed Documentation;

(d) a statement confirming that any disclosure made in respect of the Funding Obligation (including any Disclosure Document, press release or other written communication prepared for dissemination to third parties in relation to the Funding Obligation) that refers to or describes the terms, effect or adherence of or to this Agreement or the Change of Law Protection Agreement has been made available for review to the Province prior to use or dissemination, other than where such disclosure was substantially the same as a disclosure previously made;

(e) a statement that no Breach Event has occurred on or prior to the date of the Process Certificate, unless such Breach Event has been waived by the Province in writing; and[9]

(f) confirmation that, at the time the Funding Obligation is incurred or amended, the maximum aggregate payment amounts due or becoming due in the future in respect of Repayments under the Funding Obligation, together with all other outstanding amounts due or becoming due in the future in respect of Repayments under all Approved Obligations, do not and will not exceed the Protection Agreement Maximum; for clarity, Repayments under Obligations Secured owing in currencies other than Canadian dollars will be determined on the date the Process Certificate is delivered hereunder in accordance with the following:

(i) where a Derivative Agreement has been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the hedged value expressed in Canadian dollars; and

[9] We have cleansed the Protection Agreement of the concept of the Process Agreement and the related concept of the Breach Event. The process certificate already contemplates that a breach event has not occurred at the time of delivery of the certificate but we have also provided the added comfort of the covenant below in section 3.02.

(ii) where a Derivative Agreement has not been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the noon spot rate for conversions of any currencies into Canadian dollars.

ARTICLE IV
PROTECTION AGREEMENT MAXIMUM

4.01 Protection Agreement Maximum

(a) Not less than 15 Business Days, or such lesser period as the Province may agree to, prior to the proposed incurrence of the first Funding Obligation, OPG shall, as the FSM, deliver to the Province: (i) a forecast setting out OPG's expectations regarding the aggregate maximum amount of Repayments that would arise in the future under Approved Obligations to be incurred during the next following 24 month period (the "**Initial Forecast Period**"), which expectations shall be consistent with the Financing Plan (the "**Initial Forecast**"); and (ii) notice of the initial Protection Agreement Maximum, which may not exceed the Initial Forecast.

(b) Not more than 10 Business Days, or such lesser period as the Province may agree to, following receipt of the Initial Forecast and notice of the initial Protection Agreement Maximum from OPG pursuant to Section 4.01(a), the Province may disagree with the Initial Forecast and the initial Protection Agreement Maximum on the basis that (i) there appears to be inaccuracies in the Financing Plan or the Initial Forecast, (ii) the Initial Forecast is inconsistent with the Financing Plan, or (iii) the initial Protection Agreement Maximum is not less than the Initial Forecast. If the Province disagrees, OPG shall discuss any discrepancies with the Province, address any inaccuracies and inconsistencies to the reasonable satisfaction of the Province and OPG,[11] and the initial Protection Agreement Maximum will be revised accordingly and confirmed by an amended notice to the Province.

(c) Between nine (9) and twelve (12) months prior to the end of the Initial Forecast Period, OPG shall, as the FSM, deliver to the Province an updated forecast setting

Such updated forecast shall be further updated on a similar basis with respect to each successive 24 month period or more frequently if at any time OPG has knowledge that the most recent forecast is materially inaccurate (the Initial Forecast and each such updated forecast, each a "**Forecast**"). Together with each Forecast, OPG shall also provide a revised Protection Agreement Maximum, which may not exceed such Forecast.

(d) Not more than 10 Business Days, or such lesser period as the Province may agree to, following receipt of any further Forecast and notice of the revised Protection Agreement Maximum from OPG pursuant to Section 4.01(c), the Province may disagree with such further Forecast or revised Protection Agreement Maximum on the basis that (i) there appears to be inaccuracies in the Financing Plan or such further Forecast, (ii) the further Forecast is inconsistent with the Financing Plan, or (iii) the revised Protection Agreement Maximum is not less than the further Forecast. If the Province disagrees, OPG shall discuss any discrepancies with the Province, address any inaccuracies and inconsistencies to the reasonable satisfaction of the Province and OPG,[12] and the revised Protection Agreement Maximum will be further revised accordingly and confirmed by an amended notice to the Province.

(e) For clarity, Repayments under Obligations Secured owing in currencies other than Canadian dollars will be valued at the time to be determined for the purposes of this Section 4.01 in accordance with the following:

PROCESS FOR ELECTION TO ASSUME APPROVED OBLIGATIONS[13]

6.01 Election by the Province

Pursuant to Section 6.01 of the Change of Law Protection Agreement, at any time following the occurrence of a Protection Event, the Province may (but shall not be obligated) elect to assume the Financing Entity's obligations in respect of all Obligations Secured, as obligor and debtor by giving notice to the Indenture Trustee. Prior to determining whether or not to exercise its election, the Province may deliver to OPG a notice in the form of Exhibit A (an "**Election Information Notice**"). The Election Information Notice shall, among other things,

[13] Note: Lawyers to discuss assumption mechanics.

specify the date on which the Province proposes to assume the Obligations Secured, which date shall be no earlier than 20 Business Days following delivery of the Election Information Notice to OPG (the "**Proposed Assumption Date**").

6.02 Details regarding Obligations Secured

Promptly following the delivery of the Election Information Notice to OPG, OPG shall provide the following information and documentation to the Province:

(a) a summary of the amounts that will be owing under all Obligations Secured as of the Proposed Assumption Date, together with a detailed schedule setting out the dates on which such amounts will become due and payable under the Obligations Secured;

(b) a summary of the rights arising under the Obligations Secured that permit the Financing Entity to assign the Obligations Secured to the Province, including details regarding any conditions precedent to such assignment and the related assumption becoming effective and any notices, filings, consents or other actions that will be required in order to implement and effect such assignment and assumption;

(c) current versions of all documentation under which the Obligations Secured arise;

(d) copies of all correspondence exchanged between OPG, as the FSM, or the Financing Entity, on the one hand, and any Specified Creditor, Rating Agency or the Indenture Trustee, on the other hand, in each case that may reasonably be considered to be material to the assumption and performance of the Obligations Secured by the Province; and

(e) all income tax returns and assessments, financial statements and notices of proceedings of or pertaining to the Financing Entity or its business and any documentation related thereto, including any pleadings, appeals, objections, qualifications or other similar materials in respect of the Financing Entity or any Program Agreement.

6.03 Settlement of Terms

Following receipt and review by the Province of the information and documentation to be provided under Section 6.02, the Province shall confirm in writing whether or not it expects to proceed with the assignment and assumption of the Obligations Secured and, if it will be proceeding with the assignment and assumption, the date on which the Province expects that assignment and assumption will be effected. If it will be proceeding with such assignment and assumption, the Province will deliver an Assumption Notice as contemplated under Section 6.01 of the Change of Law Protection Agreement. A decision not to proceed with an election at any time will not limit the Province from proceeding with an election at a later date, including by issuing a further Election Information Notice and Article VI of this Agreement shall continues to apply unaffected.

6.04 Cooperation to Implement the Assignment and Assumption

OPG shall cooperate with the Province and, as FSM, will use commercially reasonable efforts to cause the Financing Entity to cooperate, and shall use its commercially reasonable efforts, to complete the assignment and assumption of the Obligations Secured by and from the Financing Entity to and by the Province, by the applicable Assumption Closing Date.

6.05 Terms of Obligations Secured

In order to permit the Province to assume the Obligations Secured in the circumstances contemplated herein, OPG, as FSM, shall cause the Financing Entity to use commercially reasonable efforts to ensure that all Obligations Secured permit such an assignment to and assumption by the Province substantially in accordance with the terms and on the basis contemplated in the Assumption Agreement, without any penalty or make-whole payment, or any requirement for further consent, approval or agreement, or alternatively, in the case of any Obligations Secured entered into by or on behalf of the Financing Entity for the provision of on-going services to the Financing Entity permitting the satisfaction and termination of such Obligations Secured on or prior to the effective time of such assumption without any acceleration of future fees, profits or other like amounts, other than to the extent of payment obligations arise under market standard mark-to-market payment terms and conditions included on a commercially reasonable basis under a Derivative Agreement.[14]

[14] The Trust Indenture will need to be revised to ensure that the Province's assignment and assumption right is fully contemplated and may be implemented without any requirement for further Specified Creditor or other third party consents. Among other changes, it is contemplated that Torys will add the following to the MTI to address this requirement: (i) Specified Creditors will be required to acknowledge the rights of the Province to assume the Obligations Secured on the basis contemplated in the form of assumption agreement, and (ii) the Indenture Trustee will be permitted to enter into and give effect to the global Assumption Agreement without the consent of Specified Creditors or any other third parties.

(c) OPG is no longer the Manager or actions have been taken by or on behalf of the Indenture Trustee to remove OPG as the Manager.

7.02 Notice on Breach Event

If any Breach Event shall have occurred and not been waived in writing by the Province, the Province shall have the right at its option, and in addition to and not in substitution for any other remedies available hereunder at law or equity, to provide a written notice in the form of Exhibit ■ (a "Breach Event Suspension Notice") to OPG.

All,

Please find attached clean and blacklined copies of the Change of Law agreements.

- The Province's previous external circulated draft (November 21)

- Torys' draft (November 24)

- The Province's previous internal circulated draft (discussed on Friday).

I look forward to discussing tomorrow.

HER MAJESTY THE QUEEN IN RIGHT OF ONTARIO, AS REPRESENTED BY THE MINISTER OF ENERGY AND THE MINISTER OF FINANCE

AND

ONTARIO POWER GENERATION INC.

CHANGE OF LAW PROCESS AGREEMENT[1]

Dated as of [■], 2017

[1] This Agreement and the Protection Agreement will need to be effective on closing but signed and held in escrow as soon as they are settled. **Note to Torys:** Closing mechanics under consideration by the Province.

This **CHANGE OF LAW PROCESS AGREEMENT**, between Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), and Ontario Power Generation Inc. ("**OPG**") is made and entered into as of [■], 2017.

RECITALS

OPG is appointed as the Financial Services Manager under Section 18 of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**").

Pursuant to Section 22(2) of the Act, OPG, in its capacity as the Financial Services Manager (the "**FSM**"), may establish or cause to be established one or more financing entities (as defined in the Act), which may incur Funding Obligations in accordance with the Act.

Pursuant to a Declaration of Trust dated as of [■], 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

Concurrent with this Agreement, the Province, the FSM, the Financing Entity and the Indenture Trustee will enter into the Change of Law Protection Agreement under which the Province will agree to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Obligations Secured that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions.

Prior to entering into this Agreement, OPG provided the Province with the proposed forms of certain of the Transaction Documents, and the Province has not objected to such forms.

This Agreement sets out the obligations OPG has agreed to perform and assurances OPG has agreed to provide and on which the Province will rely in entering into and implementing the Change of Law Protection Agreement, including for the purposes of determining whether the Adherence Conditions have been satisfied, maintaining information related to the Program Agreements and the Approved Obligations, and ensuring that the Province's assumption rights pursuant to Article VI of the Change of Law Protection Agreement may be exercised without impediment on the terms and conditions contemplated in this Agreement and the Change of Law Protection Agreement.

All things necessary to make this Agreement a valid and legally binding agreement of OPG and the Province, have been done.

2.01 Deliveries to the Province

(a) Not less than 15 Business Days, or such lesser period as the Province may agree to in writing, prior to the initial issuance of any Funding Obligation by the Financing Entity, OPG shall deliver to the Province a copy of the initial Financing Plan. Thereafter, OPG shall promptly deliver to the Province a copy of any proposed change to or replacement of the Financing Plan.

(d) Promptly following any incurrence of a Funding Obligation or any amendment of a Funding Obligation, OPG shall provide the Province with electronic copies of all related Governing Documents and all other closing documents executed by or on behalf of the Financing Entity in connection with such incurrence or amendment that would affect the Financing Entity's assets or obligations (including, for greater certainty, any related Disclosure Document) and which have not been previously provided to the Province.

(e) Promptly upon request, OPG shall provide the Province with such additional information and documentation as the Province reasonably requests in order to enable the Province to assess the nature and extent of its obligations under the Change of Law Protection Agreement.

(a) OPG shall use commercially reasonable efforts to cause the Financing Entity to:

(i) punctually perform and observe all of the Financing Entity's obligations and agreements contained in the Program Agreements;

(B) extend, renew, compromise, novate, replace, suspend, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, liquidate or enforce the terms of all or any part of the Approved Obligations or any Collateral, if any such action could reasonably be considered to be materially prejudicial to the rights or interests of the Province under the Change of Law Protection Agreement; provided, however, that the foregoing does not apply to the extent that only particular financial terms, rates and levels are affected;

(C) permit the validity or effectiveness of the Change of Law Protection Agreement to be impaired; or

(D) allow the Financing Entity to enter into any Supplemental Indenture or Loan Agreement where any penalty or make-whole payment, or any requirement for further consent, approval or agreement, of the Specified Creditor party thereto would be required for the Province to assume the Obligations Secured thereunder.

(i) comply, and shall use commercially reasonable efforts to cause compliance by the Financing Entity, with the Act, the General Regulation and any other enactment related thereto;

(ii) punctually perform and observe all of its (including as the FSM and as Manager) obligations and agreements contained in the Program Agreements;

(iii) promptly notify the Province of the creation of any Funding Obligation that is not or would not be an Approved Obligation; and

(iv) after the occurrence of any Protection Event (or any event known to OPG that with the passage of time or the giving of notice would be a Protection Event), not, without the Province's prior written consent, permit the Financing Entity to exercise any redemption, pre-payment, early termination or extension right in respect of any Approved Obligation or exercise any other election or privilege in respect of any Approved Obligation, in each case if as a result the obligations applicable to the Approved Obligation under the Change of Law Protection Agreement would be accelerated, delayed or otherwise affected.

(c) Nothing in this Agreement shall limit the obligations of the Province under the Indemnity Agreement by the Province in favour of OPG dated June 1, 2017 (as amended, the "**Indemnity Agreement**") and to the extent of any conflict between this Agreement and such Indemnity Agreement, in respect of any matter relating to the Province's obligations to indemnify OPG, the Indemnity Agreement shall prevail.

ARTICLE III
PROCESS CERTIFICATE

3.01 Process Certificate

OPG shall deliver a certificate (the "**Process Certificate**"), signed by the Chief Financial Officer and the Treasurer of OPG or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) and addressed to the Province, on or before the incurrence or any amendment of a Funding Obligation, other than any Funding Obligation under which not more than $**[5,000,000]** in the aggregate may become payable by the Financing Entity (provided that delivery may not be more than 5 Business Days before the incurrence or amendment of the Funding Obligation), setting out the following with respect to such Funding Obligation:

(a) the material terms of the Funding Obligation pertaining to (i) in the case of notes, bonds or other securities, the principal amount, interest or discount rate, third party fees, term to maturity, amortization, redemption or extension features, structure and coupon frequency, as applicable, and (ii) in the case of a Derivative Agreement, the notional amount, financial terms and pricing, benchmarks, payment structures and early termination rights;

(b) if an existing Funding Obligation is proposed to be amended, material details respecting such amendment, including regarding the applicable details set forth in Subsection 3.01(a), as the context requires;

(c) a statement to the effect that: (i) the Funding Obligation to be incurred or amended (1) will arise under terms and conditions that are Substantially in the

Form of the Reference Documentation applicable thereto; (2) in the opinion of the signatories to the Process Certificate, are reasonably incurred or effected in compliance with the Act, the General Regulation, any other enactments related thereto and the applicable Financing Plan; (3) are of a type and are on terms that a reasonably prudent financial services manager would incur in similar circumstances; and (4) reflect, in all material respects, arm's length terms and conditions; and (ii) any Disclosure Document used in connection with the offering and sale of notes, bonds or other securities is Substantially in the Form of the Reference Documentation;

(d) a statement confirming that any disclosure made in respect of the Funding Obligation (including any Disclosure Document, press release or other written communication prepared for dissemination to third parties in relation to the Funding Obligation) that refers to or describes the terms, effect or adherence of or to this Agreement or the Change of Law Protection Agreement has been made available to the Province prior to use or dissemination, other than where such disclosure was substantially the same as a disclosure previously made;

(e) a statement that no Breach Event has occurred on or prior to the date of the Process Certificate, unless such Breach Event has been waived by the Province in writing; and

(f) confirmation that, at the time the Funding Obligation is incurred or amended, the maximum aggregate payment amounts due or becoming due in the future in respect of Repayments under the Funding Obligation, together with all other outstanding amounts due or becoming due in the future in respect of Repayments under all Approved Obligations, do not and will not exceed the Protection Agreement Maximum applicable on the date that the Process Certificate is delivered;[2] for clarity, Repayments under Obligations Secured owing in currencies other than Canadian dollars will be determined on the date the Process Certificate is delivered hereunder in accordance with the following:

(i) where a Derivative Agreement has been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the hedged value expressed in Canadian dollars; and

(ii) where a Derivative Agreement has not been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the noon spot rate for conversions of any currencies into Canadian dollars.

[2] **Note to Torys:** We believe the revision makes clear that OPG is only certifying as to the Protection Agreement Maximum as at the date the Process Certificate is delivered.

3.02 Acknowledgement regarding delivery of certificate under Change of Law protection Agreement

The Province acknowledges and agrees that, concurrent with the delivery of the Process Certificate pursuant to Section 3.01 of this Agreement, the Chief Financial Officer and the Treasurer of OPG or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) are authorized to deliver the certificate referred to in **[Subsection 4.02(b)]** of the Change of Law Protection Agreement to the Indenture Trustee confirming that OPG has delivered all required certifications to the Province in connection with adherence of the Limited Guarantee to the incurrence of the Certified Primary Obligations in respect of which the certificate in **[Subsection 4.02(b)]** of the Change of Law Protection Agreement is being delivered; provided that, upon receipt of a Suspension Notice under the Change of Law Protection Agreement, OPG covenants not to deliver any further certificates to the Indenture Trustee under **[Subsection 4.02(b)]** of the Change of Law Protection Agreement other than in connection with a Refinancing of a Primary Obligation in respect of which the Adherence Conditions had been satisfied at the time such Primary Obligation was incurred.

3.03 Acknowledgement regarding delivery of Suspension Notice

The parties acknowledge and agree that the Province is entitled to deliver a Suspension Notice under **[Section 7.01]** of the Change of Law Protection Agreement if a Program Breach or Breach Event has occurred. The Province agrees not to deliver a Suspension Notice pursuant to **[Section 7.01]** of the Change of Law Protection Agreement unless a Program Breach or a Breach Event has occurred.

3.04 Meaning of "Reference Documentation"

For the purposes of Subsection 3.01(c), the term "Reference Documentation" shall mean each Transaction Document (including any change, addition or supplement thereto) that, at the relevant time:

(a) is a Transaction Document provided to, and not objected to by, the Province prior to the making of this Agreement, as contemplated in the fifth recital to this Agreement; or

(b) is a Transaction Document provided to the Province in accordance with Subsection 2.01(b) that has not been objected to by the Province, by delivery of an objection notice in writing delivered to OPG, within 10 Business Days after it is provided to the Province.

3.05 Meaning of "Substantially in the Form"

For the purposes of Subsection 3.01(c), the term "Substantially in the Form" shall mean:

(a) with respect to the Reference Documentation referred to in clauses (i) to (xi) of the definition of "Transaction Documents", that there are no differences between

the proposed documents and such Reference Documentation that could result in a change in the material terms or conditions applicable to the applicable Primary Obligation, including regarding the timing of or circumstances under which related payments are or may become due or accrue (including as a result of any default, acceleration, termination, wind-up, liquidation or realization), or that would affect the Province's rights of subrogation or assignment (including pursuant to **[Section 5.01]** of the Change of Law Protection Agreement) or its interests as a subrogee or an assignee, that would arise as a result of performing the Limited Guarantee in respect of the applicable Primary Obligation; provided, however, that the foregoing does not apply to any variable terms to be set forth in the proposed documents as are reasonably contemplated in the Reference Documentation, including the particular financial terms, rates and levels set forth in the proposed documents other than to the extent that the forms of Reference Documentation themselves specify specific requirements, limitations or parameters with respect to such financial terms, rates, levels and parameters; and

(b) with respect to the Reference Documentation referred to in clause (xii) of the definition of "Transaction Documents", that there are no material differences between the form and substance of the proposed Disclosure Document and such form of Disclosure Document and that the proposed Disclosure Document complies in all material respects with all applicable securities disclosure requirements relating to the Primary Obligation subject to distribution thereunder.

ARTICLE IV
PROTECTION AGREEMENT MAXIMUM

4.01 Protection Agreement Maximum

(a) Not less than 15 Business Days, or such lesser period as the Province may agree to in writing, prior to the proposed incurrence of the first Funding Obligation, OPG shall, as the FSM, deliver to the Province: (i) a forecast setting out OPG's expectations regarding the aggregate maximum amount of Repayments that would arise in the future under Approved Obligations to be incurred during the next following 24 month period (the "**Initial Forecast Period**"), which expectations shall be consistent with the Financing Plan (the "**Initial Forecast**"); and (ii) notice of the initial Protection Agreement Maximum, which may not exceed the Initial Forecast.

(b) Not more than 10 Business Days, or such lesser period as the Province may agree to in writing, following receipt of the Initial Forecast and notice of the initial Protection Agreement Maximum from OPG pursuant to Section 4.01(a), the Province may disagree with the Initial Forecast and the initial Protection Agreement Maximum on the basis that (i) there appears to be inaccuracies in the Financing Plan or the Initial Forecast, (ii) the Initial Forecast is inconsistent with the Financing Plan, or (iii) the initial Protection Agreement Maximum is more than the Initial Forecast. If the Province disagrees, OPG shall discuss any

discrepancies with the Province, address any inaccuracies and inconsistencies to the reasonable satisfaction of the Province and OPG, and the initial Protection Agreement Maximum will be revised accordingly and confirmed by an amended notice to the Province.

(c) Between nine (9) and twelve (12) months prior to the end of the Initial Forecast Period, OPG shall, as the FSM, deliver to the Province an updated forecast setting out the sum of (1) the aggregate amount of Repayments that will arise in the future under Approved Obligations that are then outstanding and (2) OPG's expectations regarding the aggregate maximum amount of Repayments that would arise in the future under Approved Obligations to be incurred during the period ending 24 months following the Initial Forecast Period, which expectation shall be consistent with the then applicable Financing Plan. Such updated forecast shall be further updated on a similar basis with respect to each successive 24 month period or more frequently if at any time OPG has knowledge that the most recent forecast is materially inaccurate (the Initial Forecast and each such updated forecast, each a "**Forecast**"). Together with each Forecast, OPG shall also provide a revised Protection Agreement Maximum, which may not exceed such Forecast.

(d) Not more than 10 Business Days, or such lesser period as the Province may agree to in writing, following receipt of any further Forecast and notice of the revised Protection Agreement Maximum from OPG pursuant to Section 4.01(c), the Province may disagree with such further Forecast or revised Protection Agreement Maximum on the basis that (i) there appears to be inaccuracies in the Financing Plan or such further Forecast, (ii) the further Forecast is inconsistent with the Financing Plan, or (iii) the revised Protection Agreement Maximum is more than the further Forecast. If the Province disagrees, OPG shall discuss any discrepancies with the Province, address any inaccuracies and inconsistencies to the reasonable satisfaction of the Province and OPG, and the revised Protection Agreement Maximum will be further revised accordingly and confirmed by an amended notice to the Province.

(e) For clarity, Repayments under Obligations Secured owing in currencies other than Canadian dollars will be valued at the time to be determined for the purposes of this Section 4.01 in accordance with the following:

(i) where a Derivative Agreement has been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the hedged value expressed in Canadian dollars; and

(ii) where a Derivative Agreement has not been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the noon spot rate for conversions of any currencies into Canadian dollars.

ARTICLE V

(e) There are no actions, suits or proceedings pending or, to the knowledge of OPG, threatened against or affecting the Financing Entity at law or in equity or before or by any Governmental Authority, or before any arbitrator of any kind, which would result in any material adverse change in the business, operations, prospects, properties, assets or condition, financial or otherwise, of the Financing Entity or in the ability of the Financing Entity to perform its obligations under the Program Agreements.

CHANGE OF LAW PROTECTION AGREEMENT

Dated as of [■], 2017

[1] This Agreement and the Process Agreement will need to be effective on closing but signed and held in escrow as soon as they are settled. **Note to Torys:** Logistics of closing are under consideration.

[2] **Torys Note:** Please advise if there are any further issues with the Manager signing the Protection Agreement on behalf of the Trust? If so, can you please explain the issue. The Manager is currently signing all Program Agreements on behalf of the Trust and has authority to do so. We would like the Manager to sign this Agreement on behalf of the Trust. **Note to Torys:** Manager derives authority under the Management Agreement to sign Program Agreements. Management Agreement powers determined by reference to the Program Agreements, so authority is circular. Ultimately, Province will accept the opinion of Torys on due execution point.

This **AGREEMENT**, among Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), Computershare Trust Company of Canada, in its capacity as trustee (the "**Financing Entity Trustee**") of Fair Hydro Trust, a trust under the laws of the Province of Ontario (the "**Financing Entity**"), Ontario Power Generation Inc., in its capacity as Manager of the Financing Entity and in its capacity as the Financial Services Manager in accordance with the Act (the "**FSM**") and BNY Trust Company of Canada, a trust company existing under the laws of Canada, as Indenture Trustee, is made and entered into as of [■], 2017.

RECITALS

Pursuant to Subsection 5(3) of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**"), the Lieutenant Governor in Council may by order, authorize the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to agree to guarantee or indemnify certain debts, obligations, securities or undertakings associated with an Investment Interest.

Pursuant to an Order in Council dated as of 1981/2017 (the "**OIC**"), the Lieutenant Governor in Council has, among other things, authorized the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to enter into one or more agreements to guarantee or indemnify the debts, obligations, securities or undertakings of one or more financing entities established or caused to be established pursuant to Subsection 22(2) of the Act by the FSM and that may incur Funding Obligations in connection with one or more Investment Interests.

Pursuant to a Declaration of Trust[3] dated as of ■, 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

The Financing Entity Trustee, in its capacity as trustee of the Financing Entity, and the Indenture Trustee are parties to the Trust Indenture and propose to create and issue series of notes, bonds and other securities as contemplated therein, and to provide security over the assets and undertaking of the Financing Entity in respect of such notes, bonds and securities, as well as other Obligations Secured.

The Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, have determined to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Primary Obligations that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions at the time the Approved Obligation is incurred. This Agreement sets out the terms and conditions of such protections and assurances.

---

[3] **Torys Note:** We are comfortable on this point because OPG has retained Computershare as issuer trustee. The recitals of the Declaration of Trust provide that Computershare has established the Trust at the request of the FSM. We can also provide you with a copy of the Computershare engagement letter upon request. **Note to Torys:** The Province will accept authorities opinion regarding the Trust from Torys.

All things necessary to make this Agreement a valid and legally binding agreement of the Province, the Financing Entity, the FSM and the Indenture Trustee, in accordance with the Act, the OIC and the Trust Indenture, have been done.

The obligation of the Province in respect of any Original Currency due from it to the Indenture Trustee under this Agreement shall, notwithstanding any judgment or payment in such other currency, be discharged only to the extent that, on the Business Day following receipt of any sum so paid or adjudged to be due under this Agreement in the Second Currency, the Indenture Trustee may, in accordance with normal banking procedures, purchase in the New York foreign exchange market the Original Currency with the amount of the Second Currency so paid or so adjudged to be due; and if the amount of the Original Currency so purchased is less than the amount originally due in the Original Currency, the Province shall indemnify the Indenture Trustee against such loss.

(b) The term "rate of exchange" in this Section 1.19 means the spot rate at which the Indenture Trustee, in accordance with normal practice, is able on the relevant date to purchase the Original Currency with the Second Currency and includes any premium and costs of exchange payable in connection with such purchase.

ARTICLE II
AGREEMENT TO PERFORM APPROVED OBLIGATIONS

2.01 Limited Guarantee

(a) Upon the occurrence of a Protection Event, the Indenture Trustee shall (absent the Rating Agency Condition being satisfied with respect to the Protection Event not occurring) deliver a written demand, substantially in the form attached as Exhibit A (a "**Payment Demand**"), to the Province requiring the Province to make payments in respect of the Approved Obligations at the times, in the amounts and subject to the requirements specified in this Agreement. From and after such delivery of a Payment Demand, the Province shall make the following payments in respect of the Approved Obligations (the "**Limited Guarantee**"), and the Financing Entity shall pay, and the Province shall be entitled to be paid, the Subrogation Amounts specified below, on the specified Guarantee Payment Date:

i. Not less than 3 Business Days prior to each day when any payment or payments are to be made in respect of one or more Approved Obligations occurring after such delivery of a Payment Demand (a "**Guarantee Payment Date**"), the Manager shall deliver a written statement setting forth the Aggregate Approved Obligations Amount, if any, in respect of the Approved Obligations that are due and payable on such Guarantee Payment Date, together with a detailed description identifying such Approved Obligations and the nature and amount of payments due and payable thereunder on the Guarantee Payment Date, the aggregate outstanding amount payable by the Financing Entity under such Approved Obligations as of the date of such written statement, and details regarding any default in performance by any party obligated thereunder.

ii. On each such Guarantee Payment Date, the Province shall deposit the Aggregate Approved Obligations Amount into the Protection Account.

iii. On each such Guarantee Payment Date, the Financing Entity and the Indenture Trustee shall ensure that the amounts on deposit in the Protection Account are applied to pay each Beneficiary to whom an amount is due and payable under an Approved Obligation on the Guarantee Payment Date the Approved Obligation Amount for such Beneficiary in respect of such Approved Obligation on such Guarantee Payment Date; provided that if the amount deposited pursuant to clause 2.01(a)ii is insufficient to pay all such Approved Obligation Amounts in full, the amount on deposit in the Protection Account on the Guarantee Payment Date shall be applied to pay Beneficiaries in the order of priority in which such Approved Obligations are payable under the payment provisions of the Trust Indenture applicable to the making of such payments on the Guarantee Payment Date (each, a "**Beneficiary Payee**").

iv. On any Guarantee Payment Date on which an amount is paid by the Province pursuant to clause 2.01(a)ii, the applicable payment provisions of the Trust Indenture shall, notwithstanding the express terms of such provisions set forth in the Trust Indenture, be applied and operate on the following basis:

(A) the amount payable to a Beneficiary Payee in respect of an Approved Obligation from amounts available under such payment provisions on such Guarantee Payment Date shall be reduced by the amount paid to the Beneficiary Payee pursuant to clause 2.01(a)iii in respect of such Approved Obligation on such Guarantee Payment Date;

(B) the Province shall be paid the lesser of (x) the amount payable to a Beneficiary Payee in respect of an Approved

Obligation from amounts available to pay the Beneficiary Payee under such payment provisions on the Guarantee Payment Date, determined without regard to subclause 2.01(a)iv(A), and (y) the amount paid to the Beneficiary Payee pursuant to clause 2.01(a)iii in respect of such Approved Obligation on the Guarantee Payment Date (such amounts paid to Beneficiary Payees being "**Subrogation Amounts**"); and[4]

(C) no Beneficiary having a right to be paid an amount in respect of an Approved Obligation that ranks equal with or subordinate to an Approved Obligation in respect of which an amount is payable to the Province under subclause 2.01(a)iv(B) shall be entitled to make any claim or assert any right in or to the amounts paid or payable to the Province under such subclause (including any right or reimbursement, contribution or indemnity) and no such Beneficiary shall have any right or interest in, to or under the Collateral or any proceeds therefrom in respect of such amounts.

v. On any Guarantee Payment Date, the Indenture Trustee shall release and pay to the Province free and clear of any Liens any amount remaining on deposit in the Protection Account that has not been applied to pay Beneficiary Payees on the Guarantee Payment Date in accordance with clause 2.01(a)iii.

vi. In preparing any payment instructions under the Trust Indenture, the Manager shall reflect the amounts payable for the Guarantee Payment Date under Section 2.01(a).

(b) The Province shall, as a payee of Subrogation Amounts under clause 2.01(a)(iv)(B) and any amounts payable under clause 2.01(a)(v)**,** be a "Specified Creditor" under the Trust Indenture and have the benefit of the Collateral thereunder.

(c) For greater certainty, the Limited Guarantee will not apply to any amount or obligation of the Financing Entity that is not or does not arise under an Approved Obligation and will be limited to the right to receive the Approved Obligation Amounts, if any, for payment to Beneficiary Payees and will be subject to the

[4] **Note:** The Province will be entitled to receive cash flows that would have been required to pay Approved Obligations remaining under the payment waterfalls after satisfaction of all Approved Obligations. Further consideration is required in order to ensure these amounts are paid to the Province, despite those amounts not being paid on a "Guarantee Payment Date" (ie. no amount is paid by the Province under the Limited Guarantee on those later Payment Dates, so currently not covered as not arising on a Guarantee Payment Date). Those residual entitlements must be included as "Subrogation Amounts".

priorities and to the Province's rights to Subrogation Amounts, set forth in Section 2.01(a).

(d) Except as expressly provided in this Agreement, the Province's obligation to provide and perform the Limited Guarantee shall be irrevocable, absolute and unconditional.

(e) Any amount payable by the Province under the Limited Guarantee in respect of an Approved Obligation that is not paid by the Province when required herein shall bear interest from the applicable due date until paid in full at the rate or rates expressed to be payable on the Approved Obligation by their terms.

(f) The right to deliver a Payment Demand and thereupon enforce the Limited Guarantee shall constitute the only remedy available to the Indenture Trustee (and to the Beneficiaries, to the extent they are permitted to exercise any rights, interests, or elections under and in accordance with the Trust Indenture) under this Agreement. Under no circumstances shall the Province be obligated to pay or indemnify the Indenture Trustee or any Beneficiary for consequential, special or punitive damages, or for economic loss or loss of profits; provided that, for greater certainty, economic loss shall not include any amount in respect of any amount due and payable to a Beneficiary Payee under the Limited Guarantee.

2.02 Intentionally Deleted.

2.03 Absence of Set-off

Subject to applicable law, the Province acknowledges and agrees that each payment to be made by the Province hereunder in respect of an Approved Obligation shall be made as required in whole, without application of any right of set-off and without regard to any equities as between or among any of the Province, the Beneficiaries and/or the Indenture Trustee.

2.04 Payment into Protection Account in Satisfaction

(a) On or before the date of delivery of a Payment Demand to the Province, the Indenture Trustee shall cause to be established and maintained an Eligible Deposit Account (the "**Protection Account**") in the name of the Indenture Trustee, bearing a designation clearly indicating that the funds and other property credited thereto are held for the benefit of the Indenture Trustee and the Beneficiaries. The Protection Account shall be under the control of the Indenture Trustee for the benefit of the Beneficiaries. If, at any time, the institution holding the Protection Account ceases to be an Eligible Institution, the FSM shall notify the Indenture Trustee, and the Indenture Trustee upon being notified in writing of such ineligibility (or the FSM on its behalf) shall within 30 days (or such longer period, not to exceed 45 days, so long as the Rating Agency Condition is satisfied) establish a new Protection Account that is an Eligible Deposit Account and shall transfer any funds or other property from such Protection Account to such new Protection Account. From the date each such new Protection Account is

established, it shall be the "Protection Account" for purposes of this Agreement. Funds credited to the Protection Account will be invested and held in accordance with Section **[7.03]** of the Trust Indenture on the basis that it is an Issuer Account.

(b) Notwithstanding the priority of payment requirements set forth in the Trust Indenture and any legal rule concerning the imputation of payments, the Financing Entity and the Indenture Trustee shall ensure that all amounts paid by the Province into the Protection Account on a Guarantee Payment Date in respect of an Approved Obligation are applied to pay the amounts due and payable to the Beneficiaries as and to the extent provided for in Section 2.01(a). Upon a payment having been made by or on behalf of the Province into the Protection Account, the amounts so paid shall for all purposes be considered to have been applied to pay the applicable Beneficiaries as provided for in Section 2.01(a) and thereby reduce the amount due and payable to such Beneficiaries in respect of the applicable Approved Obligations, whereupon an affected Beneficiary shall have no continuing rights, interests or entitlements (including rights as a secured party) in respect of the Approved Obligation to the extent so paid. For greater certainty, the obligations arising in respect of an applicable Approved Obligation shall not be reduced by such payment as the Province shall become entitled to be paid related Subrogation Amounts and the rights contemplated under Section 2.01(a) and Section 5.01 in relation to such continuing obligations.

2.05 <u>Certain Waivers</u>

The Province hereby waives:

(a) any requirement, and any right to require, that any power be exercised or any action be taken against the Financing Entity or any Collateral for any of the Approved Obligations;

(b) all notices which may be required by applicable law to preserve any rights against the Province hereunder, including any notice of default, demand, dishonour, presentment and protest;

(c) diligence; and

(d) any defence based upon, arising out of or in any way related to any claim that any election of remedies by the Beneficiaries impaired, reduced, released or extinguished any rights that the Province might otherwise have had against the Financing Entity or any other surety.

The Province agrees that each such waiver is made with full knowledge of its significance and consequences and if any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the maximum extent permitted by applicable law.

2.06 Additional Security

This Agreement shall be in addition to and without prejudice to any other security by whomsoever given, held at any time by the Indenture Trustee or for the benefit of any of the Beneficiaries.

2.07 Continuing Liability of the Province

The Approved Obligations shall be deemed not to have been paid, observed or performed, and the liability of the Province hereunder in respect thereof shall continue and not be discharged, to the extent that any payment, observance or performance thereof by the Financing Entity, or out of the proceeds of any Collateral, is recovered from or reimbursed by or for the account of any of the Beneficiaries for any reason, including a preference or fraudulent transfer or by virtue of any subordination (whether present or future or contractual or otherwise) of the Approved Obligations, whether such recovery or payment over is effected by any judgment, decree or order of any court or Governmental Authority, by any plan of reorganization or by settlement or compromise by any of the Beneficiaries (whether or not consented to by the Financing Entity or the Province) of any claim for any such recovery or payment over.

2.08 Continuance of the Limited Guarantee

Subject to Section 2.07, the Limited Guarantee shall continue in full force and effect until the indefeasible payment, observance and performance in full of the Approved Obligations in accordance with Section 8.01.

2.09 Modifications of Approved Obligations

The Province expressly authorizes the Indenture Trustee, at any time and from time to time, without notice and without affecting the liability of the Province hereunder, but subject to compliance with the requirements of the Program Agreements and this Agreement, to:

(a) accept new, additional or replacement instruments, documents, agreements or security in connection with all or any part of the Approved Obligations;

(b) accept partial payments on the Approved Obligations; and

(c) waive, release, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, compromise, liquidate and enforce all or any part of the Approved Obligations and any security or guarantee therefor, and apply any such security and direct the order or manner of sale thereof as the Indenture Trustee (for the benefit of the Beneficiaries) in its discretion may determine.

ARTICLE III
THE INDENTURE TRUSTEE

3.01 The Indenture Trustee

This Agreement is made in favour of the Indenture Trustee in its capacity as trustee under the Trust Indenture. Accordingly, in the event of a new trustee being appointed under the Trust Indenture, such new trustee shall thereupon become and be the Indenture Trustee hereunder, but nevertheless, the Indenture Trustee shall forthwith assign, transfer and make over to the new trustee hereunder this Agreement. All provisions of the Trust Indenture for the protection of the Indenture Trustee or for facilitating the administration of the trusts or otherwise relating to the Indenture Trustee solely as to its holding of the rights thereunder shall apply *mutatis mutandis* to this Agreement and the Indenture Trustee's duties hereunder.

3.02 Acceptance of Trusts

The Indenture Trustee hereby accepts the trusts hereof and agrees to carry out and discharge the same unless and until a new trustee shall be appointed as contemplated in Section 3.01.

ARTICLE IV
APPROVED OBLIGATIONS

4.01 Approval Process

A Primary Obligation shall constitute an Approved Obligation if (i) the Adherence Conditions applicable thereto have been satisfied at the time the Primary Obligation was incurred, or (ii) the Province, in its sole discretion, designates in writing that it is an Approved Obligation.

4.02 Adherence Conditions

The following shall be the Adherence Conditions applicable in relation to each Certified Primary Obligation:

(a) the Certified Primary Obligation when incurred is an Obligation Secured under the Trust Indenture; and

(b) OPG, as FSM, delivers a certificate signed by the Chief Financial Officer and the Treasurer of OPG, or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) and addressed to the Indenture Trustee, on or before the incurrence of a Certified Primary Obligation (provided that delivery may not be more than 5 Business Days before the incurrence of the Certified Primary Obligation), confirming that OPG has delivered to the Province a certificate signed by the Chief Financial Officer and the Treasurer of OPG, or any two Executive Officers of OPG (for clarity, such certificate is to be provided by

such officers in their capacity as officers of OPG acting in its capacity as FSM) confirming that OPG has complied with all of its obligations to the Province and internal requirements and processes in connection with the adherence of the Limited Guarantee to the Certified Primary Obligation; and

(c) in respect of a Certified Primary Obligation other than a Refinancing of a Primary Obligation in respect of which the Adherence Conditions had been satisfied, the Province has not provided a Suspension Notice to the Indenture Trustee, OPG and the Financing Entity.

For greater certainty, (y) satisfaction of the Adherence Conditions for a Certified Primary Obligation shall be deemed satisfaction of the Adherence Conditions in respect of all principal, interest and other amounts owing under the Certified Primary Obligation, as such Certified Primary Obligation may be amended, restated, supplemented or otherwise modified from time to time, and (z) there shall be no Adherence Conditions applicable in relation to a Primary Obligation that is not a Certified Primary Obligation.

4.03 Evidence of Satisfaction

A closing certificate delivered in accordance with Section 4.02(b) in connection with an incurrence of a Certified Primary Obligation shall be determinative as to whether the applicable Adherence Conditions with respect thereto have been satisfied, notwithstanding that such certificate may include inaccuracies, be incomplete or otherwise be defective or deficient, and such closing certificate may be relied upon by any addressee as conclusive evidence of same. A closing certificate that purports on its face to be signed by officers specified in Section 4.02(b) may be relied upon by any addressee without further enquiry or evidence as to the incumbency or signatures of such officers. If a closing certificate is not delivered in accordance with the timing requirements of Section 4.02(b) in respect of a Certified Primary Obligation, such certificate may be delivered at a later date, and be effective as if it had been delivered in accordance with the timing requirement of Section 4.02(b), if at the time such certificate was required to be delivered OPG had delivered to the Province all certifications required by the Province in connection with the adherence of the Limited Guarantee to the Certified Primary Obligation.

ARTICLE V
PROVINCE MATTERS

5.01 Assignment and Subrogation

(a) Upon paying an amount in respect of an Approved Obligation to or at the direction of the Indenture Trustee in satisfaction of the Limited Guarantee, the Province (in addition to and without prejudice to any rights it otherwise has in law or equity) shall be subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation to the extent of such payment, including (i) the right and entitlement to be paid and receive the related Subrogation Amounts, (ii) the benefits of the related Collateral and (iii) all proceeds therefrom. The Province shall have and be entitled to enforce all rights

and interests (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)), under and in respect of such Approved Obligation to the extent of the payment by the Province in respect of the Approved Obligation as an absolute assignee of the applicable Beneficiary, with effect from and after the time of such payment, without any further requirement for notice to or acceptance by the Financing Entity of such absolute assignment and without any reduction, set-off or counterclaim on account of any amounts that may, at or after the time of payment, be or become owing by the Beneficiary to the Financing Entity and unaffected by any other rights or equities that arise thereafter as between the Beneficiary and the Financing Entity. The Indenture Trustee shall recognize the Province as being entitled to all of the rights, interests and entitlements of the Beneficiary (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)) in respect and to the extent of the Approved Obligation so paid, determined as of the time of payment, for all purposes under the Trust Indenture, and the Province shall be treated as a Specified Creditor in respect thereof for all purposes under the Trust Indenture and any other agreement under which the Approved Obligation arises.

(b) The Province (i) acknowledges and agrees in favour of the Indenture Trustee that, upon being subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation in accordance with Section 5.01(a), the Province, in its capacity as a Specified Creditor, will be subject to the provisions applicable to Specified Creditors under the Trust Indenture, including **[Sections 7.04 through 7.11 and 8.13 (Payment Priorities), Section 7.12 (Payments Held in Trust), Section 8.11 (Control by Controlling Class Creditors), Section 8.12 (Limitation on Suits), Section 8.14 (Limited Recourse), Article IX (The Indenture Trustee), including all limitations of liability thereunder, Section 9.14 (Communications to Specified Creditors) and Section 16.01 (No Petition)]**; (ii) consents, requests and authorizes the Issuer and the Indenture Trustee to (x) add the Province to the register of Specified Creditors described in subsection **[13.13(b)]** of the Trust Indenture and (y) disseminate the notice details of the Province to other Specified Creditors for the purposes set out in subsection **[9.14(b)]** of the Trust Indenture, and (iii) confirms that it will execute and deliver, or cause to be executed and delivered, all such further agreements, documents and instruments in connection with this Section 5.01 as the Indenture Trustee may request from time to time for the purpose of giving effect to the terms of this Section 5.01.

5.02 <u>Priorities</u>

For greater certainty, the rights, interests and entitlements of the Province as an assignee and subrogee of and with respect to an Approved Obligation shall rank equally with the rights, interests and entitlements of a Beneficiary to whom a Limited Guarantee payment is made in respect of, and to the extent of the payment made to satisfy, the Approved Obligation and the Province shall not be subject to postponement or subordination with respect thereto except to the

extent of the priorities established in relation to the Approved Obligation under the Trust Indenture in the manner and to the extent contemplated in Section 7.10(d) of the Trust Indenture.

5.03 Intentionally Deleted

(c) this Agreement has been duly executed and delivered by the Province.

ARTICLE VI
INDENTURE TRUSTEE MATTERS

6.01 Limited Recourse

No recourse may be taken, directly or indirectly, with respect to the obligations of the Financing Entity under this Agreement, or any certificate or other writing delivered in connection herewith or therewith, against (a) the Financing Entity Trustee in its individual capacity, (b) any owner of a beneficial interest in the Financing Entity or (c) any partner, owner, beneficiary, agent, officer, director, employee or agent of the Financing Entity Trustee in its individual capacity, any holder of a beneficial interest in the Financing Entity or the Financing Entity Trustee or of any successor or assign of the Financing Entity Trustee in its individual capacity, except as any such Person may have expressly agreed (it being understood that the Financing Entity Trustee has no such obligations in its individual capacity).

6.02 Not Responsible for Recitals

The recitals contained herein will be taken as the statements of the Province, the Financing Entity and the FSM, and the Indenture Trustee assumes no responsibility for their correctness. The Indenture Trustee makes no representations as to the validity or sufficiency of this Agreement.

6.03 Representations and Covenants of the Indenture Trustee[5]

The Indenture Trustee represents, warrants and covenants that:

(a) the Indenture Trustee is a trust company organized, existing and in good standing under the laws of Canada; and

(b) the Indenture Trustee is authorized to carry on the business of a trust company in each of the provinces and territories of Canada.

ARTICLE VII
SUSPENSION OF ADHERENCE FOR NEW PRIMARY OBLIGATIONS

7.01 Suspension Notice

Upon:

(a) a Program Breach;

(b) a default in the performance, or breach, of any covenants of OPG, as FSM, or OPG, in its corporate capacity, in each case to the Province in connection with its obligations to the Province pursuant to internal requirements and processes in connection with the provision of the Limited Guarantee, which continues for thirty (30) days after written notice by the Province to OPG of such default or breach;

(c) a representation or warranty made by OPG or a certification made by one or more officers of OPG, in each case whether as FSM or in its corporate capacity, to the Province in connection with its obligations to the Province pursuant to internal requirements and processes in connection with the provision of the Limited Guarantee, proves to be incorrect on the date made and, if curable, is not cured within thirty (30) days after written notice by the Province to OPG of such misrepresentation; or

(d) the FSM no longer being the Manager or actions having been taken by or on behalf of the Indenture Trustee to remove the FSM as the Manager,

the Province may declare that the Limited Guarantee under this Agreement shall not apply to any Primary Obligations incurred on or after such declaration, other than any Refinancing of a Primary Obligation in respect of which the Adherence Conditions had previously been satisfied (provided that the Refinancing is an Approved Obligation), by delivering a written notice in the form of Exhibit B (a "**Suspension Notice**") to the Indenture Trustee, the FSM and the Financing Entity.

[5] **Torys Note:** The Indenture Trustee asked us to delete these representations. They will not provide these types of representations without attaining a legal opinion from outside counsel. To avoid delay, we would ask that the parties agree to this deletion. **Note to Torys:** The representations provided by the Indenture Trustee should be consistent with those in the Trust Indenture.

The Limited Guarantee shall apply to any Certified Primary Obligation incurred after a Suspension Event on the basis that it is a Refinancing (provided that such Refinancing is an Approved Obligation) only if the FSM certifies to the Province in writing prior to the incurrence that the proceeds of such incurrence will be used solely for the purposes of repaying one or more Certified Primary Obligations incurred prior to the Suspension Event and to which the Limited Guarantee adhered as of the time the Suspension Event occurred, and the delivery of such written certification by the FSM to the Province shall be determinative for the purposes of concluding that such incurrence is a Refinancing for the purposes of Sections 7.01, 7.02 and 7.03.

7.02 Suspension

If a Suspension Notice has been provided under Section 7.01 (the provision of such notice being a "**Suspension Event**"), the Limited Guarantee shall not apply in respect of any Primary Obligation incurred or amended on or after the time such Suspension Notice is delivered, other than any Refinancing of a Primary Obligation in respect of which the Adherence Conditions had previously been satisfied (provided that the Refinancing is an Approved Obligation).

7.03 No Impact on Adherence

For greater certainty, the occurrence of a Suspension Event or a failure by the FSM or the Financing Entity to perform its covenants under this Agreement will not invalidate or extinguish the obligations of the Province under the Limited Guarantee in respect of Approved Obligations in existence prior to the occurrence of the Suspension Event or in respect of any Refinancing of a Primary Obligation in respect of which the Adherence Conditions had previously been satisfied (provided that the Refinancing is an Approved Obligation).

[10] **Torys Note:** Refinancings can occur up to six months prior to the application of the refinancing proceeds to the existing obligation. The regulations provide that if the refinancing proceeds are not applied to repay the intended funding obligation, then it is not a Refinancing. Accordingly, we have revised the definition to ensure that Refinancings do not have to be simultaneous with repayment of the existing Approved Obligation (we understand from the dealers that in most circumstances they will not be). **Note to Torys**: The General Regulation specifically provides that debt can be considered a "Refinancing" when incurred within the 6 months prior to the maturity date of a funding obligation. The Act/Regulation's definition doesn't require that "Refinancings" are simultaneous with the repayment of existing Approved Obligations. We have added a certificate mechanic in 7.01 by which there can be certainty when an obligation is incurred that if the obligation is intended to be a refinancing, it will be covered by the guarantee.

CHANGE OF LAW PROCESS AGREEMENT[1]

Dated as of [■], 2017

[1] This Agreement and the Protection Agreement will need to be effective on closing but signed and held in escrow as soon as they are settled. **Note to Torys:** Closing mechanics under consideration by the Province.

This **CHANGE OF LAW PROCESS AGREEMENT**, between Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), and Ontario Power Generation Inc. ("**OPG**") is made and entered into as of [■], 2017.

RECITALS

OPG is appointed as the Financial Services Manager under Section 18 of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**").

Pursuant to Section 22(2) of the Act, OPG, in its capacity as the Financial Services Manager (the "**FSM**"), may establish or cause to be established one or more financing entities (as defined in the Act), which may incur Funding Obligations in accordance with the Act.[1]

Pursuant to a Declaration of Trust dated as of [■], 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.[2]

Concurrent with this Agreement, the Province, the FSM, the Financing Entity and the Indenture Trustee will enter into the Change of Law Protection Agreement under which the Province will agree to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Obligations Secured that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions.

Prior to entering into this Agreement, OPG provided the Province with the proposed forms of certain of the Transaction Documents, and the Province has not objected to such forms.

This Agreement sets out the obligations OPG has agreed to perform and assurances OPG has agreed to provide and on which the Province will rely in entering into and implementing the Change of Law Protection Agreement, including for the purposes of determining whether the Adherence Conditions have been satisfied, maintaining information related to the Program Agreements and the Approved Obligations, and ensuring that the Province's assumption rights pursuant to Article VI of the Change of Law Protection Agreement may be exercised without impediment on the terms and conditions contemplated in this Agreement and the Change of Law Protection Agreement.

All things necessary to make this Agreement a valid and legally binding agreement of OPG and the Province, have been done.

[1] ~~Blakes suggests that it be made clear in the Declaration of Trust that OPG is establishing the Trust. Blakes would appreciate the benefit of Torys analysis as to how the Trust is an "entity" under the OFHPA, as opposed to the trustee. Clearly OPG has not established Computershare. Blakes and Torys to discuss.~~

[4] This language has extra-contractual implications and so its meaning as between only 2 of the parties to the Protection Agreement is uncertain. Torys to explain intention.

[5] OPG/Dealers have indicated that "The current structure requiring satisfaction of the adherence conditions in the Protection Agreement impacts the marketability of the transaction and creates uncertainty for investors. Province has asked Dealers to explain how the current structure requiring satisfaction of the adherence conditions in the Protection Agreement is more onerous than ordinary adherence conditions applicable to government guaranteed bonds and to estimate the quantum impact on the marketability of the transaction and explain what uncertainty an ordinary closing condition of this type poses for investors.

(a) the material terms of the Funding Obligation pertaining to (i) in the case of notes, bonds or other securities, the principal amount, interest or discount rate, third party fees, term to maturity, amortization, redemption or extension features, structure and coupon frequency, as applicable, and (ii) in the case of a Derivative Agreement, the notional amount, financial terms and pricing, benchmarks, payment structures and early termination rights;

(f) confirmation that, at the time the Funding Obligation is incurred or amended, the maximum aggregate payment amounts due or becoming due in the future in respect of Repayments under the Funding Obligation, together with all other outstanding amounts due or becoming due in the future in respect of Repayments under all Approved Obligations, do not and will not exceed the Protection Agreement Maximum~~;~~ applicable on the date that the Process Certificate is delivered;[2] for clarity, Repayments under Obligations Secured owing in currencies other than Canadian dollars will be determined on the date the Process Certificate is delivered hereunder in accordance with the following:

[2] **Note to Torys:** We believe the revision makes clear that OPG is only certifying as to the Protection Agreement Maximum as at the date the Process Certificate is delivered.

CHANGE OF LAW PROTECTION AGREEMENT

Dated as of [■], 2017

[1] This Agreement and the Process Agreement will need to be effective on closing but signed and held in escrow as soon as they are settled. **Note to Torys:** Logistics of closing are under consideration.

~~[1] Torys and Blakes to discuss signatory~~[2] **Torys Note:** Please advise if there are any further issues with the Manager signing the Protection Agreement on behalf of the Trust? If so, can you please explain the issue. The Manager is currently signing all Program Agreements on behalf of the Trust and has authority to do so. We would ~~propose to do the same on the change of law agreement~~like the Manager to sign this Agreement on behalf of the Trust. **Note to Torys:** Manager derives authority under the Management Agreement to sign Program Agreements. Management Agreement powers determined by reference to the Program Agreements, so authority is circular. Ultimately, Province will accept the opinion of Torys on due execution point.

This **AGREEMENT**, among Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), Computershare Trust Company of Canada, in its capacity as trustee (the "**Financing Entity Trustee**") of Fair Hydro Trust, a trust under the laws of the Province of Ontario (the "**Financing Entity**"), Ontario Power Generation Inc., in its capacity as Manager of the Financing Entity and in its capacity as the Financial Services Manager in accordance with the Act (the "**FSM**") and BNY Trust Company of Canada, a trust company existing under the laws of Canada, as Indenture Trustee, is made and entered into as of [■], 2017.

RECITALS

Pursuant to Subsection 5(3) of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**"), the Lieutenant Governor in Council may by order, authorize the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to agree to guarantee or indemnify certain debts, obligations, securities or undertakings associated with an Investment Interest.

Pursuant to an Order in Council dated as of ■1981/2017 (the "**OIC**"), the Lieutenant Governor in Council has, among other things, authorized the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to enter into one or more agreements to guarantee or indemnify the debts, obligations, securities or undertakings of one or more financing entities established or caused to be established pursuant to Subsection 22(2) of the Act by the FSM and that may incur Funding Obligations in connection with one or more Investment Interests.

Pursuant to a Declaration of Trust[2][3] dated as of ■, 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

The Financing Entity Trustee, in its capacity as trustee of the Financing Entity, and the Indenture Trustee are parties to the Trust Indenture and propose to create and issue series of notes, bonds and other securities as contemplated therein, and to provide security over the assets and undertaking of the Financing Entity in respect of such notes, bonds and securities, as well as other Obligations Secured.

The Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, have determined to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Primary Obligations ~~Secured~~ that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence

[2] ~~Torys to confirm that Trust is a "financing entity" under OFHPA. Under definition, FSM to establish or cause to be established. DofT indicates Computershare declares trust. Need to have this confirmed for purposes of authority under OFHPA 5(3), among other things.~~

[3] **Torys Note:** We are comfortable on this point because OPG has retained Computershare as issuer trustee. The recitals of the Declaration of Trust provide that Computershare has established the Trust at the request of the FSM. We can also provide you with a copy of the Computershare engagement letter upon request. **Note to Torys:** The Province will accept authorities opinion regarding the Trust from Torys.

Conditions at the time the Approved Obligation is incurred ~~or amended~~. This Agreement sets out the terms and conditions of such protections and assurances.

All things necessary to make this Agreement a valid and legally binding agreement of the Province, the Financing Entity, the FSM and the Indenture Trustee, in accordance with the Act, the OIC and the Trust Indenture, have been done.

1.19 Judgment Currency

(a) If for the purpose of obtaining judgment in any court or for any other purposes (other than conversions specifically provided for in the agreement under which an Approved Obligation arises), it is necessary to convert any amount due under this Agreement from the currency in which it is due (the "**Original Currency**") into another currency (the "**Second Currency**"), the rate of exchange applied shall be that at which, in accordance with normal banking procedures, the purchaser could purchase, in the New York foreign exchange market, the Original Currency with the Second Currency on the date on which judgment is given. The obligation of the Province in respect of any Original Currency due from it to the Indenture Trustee under this Agreement shall, notwithstanding any judgment or payment in such other currency, be discharged only to the extent that, on the Business Day following receipt of any sum so paid or adjudged to be due under this Agreement in the Second Currency, the Indenture Trustee may, in accordance with normal banking procedures, purchase in the New York foreign exchange market the Original Currency with the amount of the Second Currency so paid or so adjudged to be due; and if the amount of the Original Currency so purchased is less than the amount originally due in the Original Currency, the Province shall indemnify the Indenture Trustee against such loss.

(b) The term "rate of exchange" in this Section 1.19 means the spot rate at which the Indenture Trustee, in accordance with normal practice, is able

on the relevant date to purchase the Original Currency with the Second Currency and includes any premium and costs of exchange payable in connection with such purchase.

ARTICLE II
AGREEMENT TO PERFORM APPROVED OBLIGATIONS

2.01 Limited Guarantee

(a) Upon the occurrence of a Protection Event, the Indenture Trustee ~~may~~shall (absent the Rating Agency Condition being satisfied with respect to the Protection Event not occurring) deliver a written demand, substantially in the form attached as Exhibit A (a "**Payment Demand**"), to the Province requiring the Province to make payments in respect of the Approved Obligations at the times, in the amounts and subject to the requirements specified in this Agreement. From and after such delivery of a Payment Demand, the Province shall make the following payments in respect of the Approved Obligations (the "**Limited Guarantee**"), and the Financing Entity shall pay, and the Province shall be entitled to be paid, the Subrogation Amounts specified below, on the specified Guarantee Payment Date:

i. Not less than ~~[~~3~~]~~ Business Days prior to each day when any payment or payments are to be made in respect of one or more Approved Obligations occurring after such delivery of a Payment Demand~~ and prior to the Assumption Effective Date, if any,~~ (a "**Guarantee Payment Date**"), the Manager shall deliver a written statement~~, substantially in the form attached as Exhibit A.1 (a "**Guarantor Settlement Statement**")~~ setting forth the Aggregate Approved Obligations Amount, if any, in respect of the Approved Obligations that are due and payable on such Guarantee Payment Date, together with a detailed description identifying such Approved Obligations and the nature and amount of payments due and payable thereunder on the Guarantee Payment Date, the aggregate outstanding amount payable by the Financing Entity under such Approved Obligations as of the date of ~~the Guarantor Settlement Statement~~such written statement, and details regarding any default in performance by any party obligated thereunder.

ii. On each such Guarantee Payment Date, the Province shall deposit the Aggregate Approved Obligations Amount into the Protection Account.

iii. On each such Guarantee Payment Date, the Financing Entity and the Indenture Trustee shall ensure that the amounts on deposit in the Protection Account are applied to pay each Beneficiary to

whom an amount is due and payable under an Approved Obligation on the Guarantee Payment Date the Approved Obligation Amount for such Beneficiary in respect of such Approved Obligation on such Guarantee Payment Date; provided that if the amount deposited pursuant to clause 2.01(a)ii is insufficient to pay all such Approved Obligation Amounts in full, the amount on deposit in the Protection Account on the Guarantee Payment Date shall be applied to pay Beneficiaries in the order of priority in which such Approved Obligations are payable under the payment provisions of the Trust Indenture applicable to the making of such payments on the Guarantee Payment Date (each, a "**Beneficiary Payee**").

iv. On any Guarantee Payment Date on which an amount is paid by the Province pursuant to clause 2.01(a)ii, the applicable payment provisions of the Trust Indenture shall, notwithstanding the express terms of such provisions set forth in the Trust Indenture, be applied and operate on the following basis:

(A) ~~(i)~~ the amount payable to a Beneficiary Payee in respect of an Approved Obligation from amounts available under such payment provisions on such Guarantee Payment Date shall be reduced by the amount paid to the Beneficiary Payee pursuant to clause 2.01(a)iii in respect of such Approved Obligation on such Guarantee Payment Date;

(B) ~~(ii)~~ the Province shall be paid the ~~amount by which~~lesser of (x) the amount payable to a Beneficiary Payee in respect of an Approved Obligation from amounts available to pay the Beneficiary Payee under such payment provisions on the Guarantee Payment Date, determined without regard to subclause 2.01(a)iv(~~i~~A), ~~exceeds~~and (y) the amount paid to the Beneficiary Payee pursuant to clause 2.01(a)iii in respect of such Approved Obligation on the Guarantee Payment Date (such ~~payments to the Province~~amounts paid to Beneficiary Payees being "**Subrogation Amounts**"); and[4]

[4] **Note:** The Province will be entitled to receive cash flows that would have been required to pay Approved Obligations remaining under the payment waterfalls after satisfaction of all Approved Obligations. Further consideration is required in order to ensure these amounts are paid to the Province, despite those amounts not being paid on a "Guarantee Payment Date" (ie. no amount is paid by the Province under the Limited Guarantee on those later Payment Dates, so currently not covered as not arising on a Guarantee Payment Date). Those residual entitlements must be included as "Subrogation Amounts".

(C) ~~(iii)~~ no Beneficiary having a right to be paid an amount in respect of an Approved Obligation that ranks equal with or subordinate to an Approved Obligation in respect of which an amount is payable to the Province under subclause 2.01(a)iv(~~ii~~B) shall be entitled to make any claim or assert any right in or to the amounts paid or payable to the Province under such subclause (including any right or reimbursement, contribution or indemnity) and no such Beneficiary shall have any right or interest in, to or under the Collateral or any proceeds therefrom in respect of such amounts.

v. On any Guarantee Payment Date, the Indenture Trustee shall release and pay to the Province free and clear of any Liens any amount remaining on deposit in the Protection Account that has not been applied to pay Beneficiary Payees on the Guarantee Payment Date in accordance with clause 2.01(a)iii.

vi. In preparing any payment instructions under the Trust Indenture, the Manager shall reflect the amounts payable for the Guarantee Payment Date under Section 2.01(a).

(b) The Province shall, as a payee of Subrogation Amounts under clause 2.01(a)(iv)(B) and any amounts payable under clause 2.01(a)(v), be a "Specified Creditor" under the Trust Indenture and have the benefit of the Collateral thereunder.

(c) For greater certainty, the Limited Guarantee will not apply to any amount or obligation of the Financing Entity that is not or does not arise under an Approved Obligation and will be limited to the right to receive the Approved Obligation Amounts, if any, for payment to Beneficiary Payees and will be subject to the priorities and to the Province's rights to Subrogation Amounts, set forth in Section 2.01(a).

(d) Except as expressly provided in this Agreement, the Province's obligation to provide and perform the Limited Guarantee shall be irrevocable, absolute and unconditional.

(e) Any amount payable by the Province under the Limited Guarantee in respect of an Approved Obligation that is not paid by the Province when required herein shall bear interest from the applicable due date until paid in full at the rate or rates expressed to be payable on the Approved Obligation by their terms.

(f) The right to deliver a Payment Demand and thereupon enforce the Limited Guarantee shall constitute the only remedy available to the

Indenture Trustee (and to the Beneficiaries, to the extent they are permitted to exercise any rights, interests, or elections under and in accordance with the Trust Indenture) under this Agreement. Under no circumstances shall the Province be obligated to pay or indemnify the Indenture Trustee or any Beneficiary for consequential, special or punitive damages, or for economic loss or loss of profits; provided that, for greater certainty, economic loss shall not include any amount in respect of any amount due and payable to a Beneficiary Payee under the Limited Guarantee.

2.02 Intentionally Deleted.

2.03 Absence of Set-off

Subject to applicable law, the Province acknowledges and agrees that each payment to be made by the Province hereunder in respect of an Approved Obligation shall be made as required in whole, without application of any right of set-off and without regard to any equities as between or among any of the Province, the Beneficiaries and/or the Indenture Trustee.

2.04 Payment into Protection Account[3] in Satisfaction

(a) On or before the date of delivery of a Payment Demand to the Province, the Indenture Trustee shall cause to be established and maintained an Eligible Deposit Account (the "**Protection Account**") in the name of the Indenture Trustee, bearing a designation clearly indicating that the funds and other property credited thereto are held for the benefit of the Indenture Trustee and the Beneficiaries. The Protection Account shall be under the control of the Indenture Trustee for the benefit of the Beneficiaries. If, at any time, the institution holding the Protection Account ceases to be an Eligible Institution, the FSM shall notify the Indenture Trustee, and the Indenture Trustee upon being notified in writing of such ineligibility (or the FSM on its behalf) shall within 30 days (or such longer period, not to exceed 45 days, so long as the Rating Agency Condition is satisfied) establish a new Protection Account that is an Eligible Deposit Account and shall transfer any funds or other property from such Protection Account to such new Protection Account. From the date each such new Protection Account is established, it shall be the "Protection Account" for purposes of this Agreement. Funds credited to the Protection Account will be invested and held in accordance with Section **[7.03]** of the Trust Indenture on the basis that it is an Issuer Account.

(b) Notwithstanding the priority of payment requirements set forth in the Trust Indenture and any legal rule concerning the imputation of payments, the Financing Entity and the Indenture Trustee shall ensure that all amounts paid by the Province into the Protection Account on a Guarantee Payment Date in respect of an Approved Obligation are applied to pay the amounts due and payable to the

[3] ~~Mechanics of Protection Account to be considered by Province after required modifications to Trust Indenture have been provided.~~

Beneficiaries as and to the extent provided for in Section 2.01(a). Upon a payment having been made by or on behalf of the Province into the Protection Account, the amounts so paid shall for all purposes be considered to have been applied to pay the applicable Beneficiaries as provided for in Section 2.01(a) and thereby reduce the amount due and payable to such Beneficiaries in respect of the applicable Approved Obligations, whereupon an affected Beneficiary shall have no continuing rights, interests or entitlements (including rights as a secured party) in respect of the Approved Obligation to the extent so paid[4]. For greater certainty, the obligations arising in respect of an applicable Approved Obligation shall not be reduced by such payment as the Province shall become entitled to be paid related Subrogation Amounts and the rights contemplated under Section 2.01(a) and Section 5.01 in relation to such continuing obligations.

2.05 Certain Waivers

The Province hereby waives:

(a) any requirement, and any right to require, that any power be exercised or any action be taken against the Financing Entity or any Collateral for any of the Approved Obligations;

(b) all notices which may be required by applicable law to preserve any rights against the Province hereunder, including any notice of default, demand, dishonour, presentment and protest;

(c) diligence; and

(d) any defence based upon, arising out of or in any way related to any claim that any election of remedies by the Beneficiaries impaired, reduced, released or extinguished any rights that the Province might otherwise have had against the Financing Entity or any other surety.

The Province agrees that each such waiver is made with full knowledge of its significance and consequences and if any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the maximum extent permitted by applicable law.

2.06 Additional Security

This Agreement shall be in addition to and without prejudice to any other security by whomsoever given, held at any time by the Indenture Trustee or for the benefit of any of the Beneficiaries.

[4] ~~A corresponding provision needs to be added to the Trust Indenture and each other Funding Obligation Agreement under which the Obligation Secured arises, so that the Beneficiaries are bound by these applications and the agreement of the Indenture Trustee under this Agreement.~~

2.07 Continuing Liability of the Province

The Approved Obligations shall be deemed not to have been paid, observed or performed, and the liability of the Province hereunder in respect thereof shall continue and not be discharged, to the extent that any payment, observance or performance thereof by the Financing Entity, or out of the proceeds of any Collateral, is recovered from or reimbursed by or for the account of any of the Beneficiaries for any reason, including a preference or fraudulent transfer or by virtue of any subordination (whether present or future or contractual or otherwise) of the Approved Obligations, whether such recovery or payment over is effected by any judgment, decree or order of any court or Governmental Authority, by any plan of reorganization or by settlement or compromise by any of the Beneficiaries (whether or not consented to by the Financing Entity or the Province) of any claim for any such recovery or payment over.

2.08 Continuance of the Limited Guarantee

Subject to Section 2.07, the Limited Guarantee shall continue in full force and effect until the indefeasible payment, observance and performance in full of the Approved Obligations~~, or until the Province is no longer required to provide and perform the Limited Guarantee~~ in accordance with Section ~~6.03 or Section 8.02.~~8.01.

2.09 Modifications of Approved Obligations

The Province expressly authorizes the Indenture Trustee, at any time and from time to time, without notice and without affecting the liability of the Province hereunder, but subject to compliance with the requirements of the Program Agreements and this Agreement, to:

(a) accept new, additional or replacement instruments, documents, agreements or security in connection with all or any part of the Approved Obligations;

(b) accept partial payments on the Approved Obligations; and

(c) waive, release, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, compromise, liquidate and enforce all or any part of the Approved Obligations and any security or guarantee therefor, and apply any such security and direct the order or manner of sale thereof as the Indenture Trustee (for the benefit of the Beneficiaries) in its discretion may determine.

ARTICLE III
THE INDENTURE TRUSTEE

3.01 The Indenture Trustee

This Agreement is made in favour of the Indenture Trustee in its capacity as trustee under the Trust Indenture. Accordingly, in the event of a new trustee being appointed under the Trust Indenture, such new trustee shall thereupon become and be the Indenture Trustee hereunder, but

nevertheless, the Indenture Trustee shall forthwith assign, transfer and make over to the new trustee hereunder this Agreement. All provisions of the Trust Indenture for the protection of the Indenture Trustee or for facilitating the administration of the trusts or otherwise relating to the Indenture Trustee solely as to its holding of the rights thereunder shall apply *mutatis mutandis* to this Agreement and the Indenture Trustee's duties hereunder.

3.02 Acceptance of Trusts

The Indenture Trustee hereby accepts the trusts hereof and agrees to carry out and discharge the same unless and until a new trustee shall be appointed as contemplated in Section 3.01.

ARTICLE IV
APPROVED OBLIGATIONS

4.01 Approval Process

A Primary Obligation shall constitute an Approved Obligation if (i) the Adherence Conditions applicable thereto have been satisfied at the time the Primary Obligation was incurred, or (ii) the Province, in its sole discretion, designates in writing that it is an Approved Obligation.

4.02 Adherence Conditions[5]

The following shall be the Adherence Conditions applicable in relation to each Certified Primary Obligation ~~other than any Funding Obligation under which not more than $■ in the aggregate may become payable by the Financing Entity~~:

(a) the Certified Primary Obligation when incurred is an Obligation Secured under the Trust Indenture; and

(b) OPG, as FSM, delivers a certificate signed by the Chief Financial Officer and the Treasurer of OPG ~~(or their respective designees, provided that such designees are executive officers of OPG and,~~ , or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) and addressed to the Indenture Trustee, ~~one Business Day prior to the Financing Entity entering into or becoming bound by the related Funding Obligation Agreement~~on or before the incurrence of a Certified Primary Obligation (provided that delivery may not be more than 5 Business Days before the incurrence of the Certified Primary Obligation), confirming that OPG has delivered to the Province a certificate signed by the Chief Financial Officer and the Treasurer of OPG, ~~(or their respective~~

[5] ~~Dealers to explain how the current structure requiring satisfaction of the adherence conditions in the Protection Agreement is more onerous than ordinary adherence conditions applicable to government guaranteed bonds and to estimate the quantum impact on the marketability of the transaction and explain what uncertainty an ordinary closing condition of this type poses for investors.~~

~~designees, provided that such designees are executive officers of OPG and,~~ or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) confirming that OPG has complied with all of its obligations to the Province and internal requirements and processes in connection with the adherence of the Limited Guarantee to the Certified Primary Obligation; and

(c) in respect of a Certified Primary Obligation other than a Refinancing of a Primary Obligation in respect of which the Adherence Conditions had been satisfied, the Province has not provided a Suspension Notice to the Indenture Trustee, OPG and the Financing Entity.

For greater certainty, (y) satisfaction of the Adherence Conditions for a ~~Funding~~Certified Primary Obligation shall be deemed satisfaction of the Adherence Conditions in respect of all principal, interest and other amounts owing under the ~~Funding~~Certified Primary Obligation, as such ~~Funding~~Certified Primary Obligation may be amended, restated, supplemented or otherwise modified from time to time, and (z) there shall be no Adherence Conditions applicable in relation to a Primary Obligation that is not a Certified Primary Obligation.

4.03 Evidence of Satisfaction

A closing certificate delivered in accordance with Section 4.02(b~~)(x~~) in connection with an incurrence of a Certified Primary Obligation shall be determinative as to whether the applicable Adherence Conditions with respect thereto have been satisfied, notwithstanding that such certificate may include inaccuracies, be incomplete or otherwise be defective or deficient, and such closing certificate may be relied upon by any addressee as conclusive evidence of same. A closing certificate that purports on its face to be signed by officers specified in Section 4.02(b) may be relied upon by any addressee without further enquiry or evidence as to the incumbency or signatures of such officers. If a closing certificate is not delivered in accordance with the timing requirements of Section 4.02(b) in respect of a Certified Primary Obligation, such certificate may be delivered at a later date, and be effective as if it had been delivered in accordance with the timing requirement of Section 4.02(b), if at the time such certificate was required to be delivered OPG had delivered to the Province all certifications required by the Province in connection with the adherence of the Limited Guarantee to the Certified Primary Obligation.

ARTICLE V
PROVINCE MATTERS

5.01 Assignment and Subrogation

(a) Upon paying an amount in respect of an Approved Obligation to or at the direction of the Indenture Trustee in satisfaction of the Limited Guarantee, the Province (in addition to and without prejudice to any rights it otherwise has in law or equity) shall be subrogated and entitled to all of the

applicable Beneficiary's rights and interests under and in respect of the Approved Obligation to the extent of such payment, including (i) the right and entitlement to be paid and receive the related Subrogation Amounts, (ii) the benefits of the related Collateral and (iii) all proceeds therefrom. The Province shall have and be entitled to enforce all rights and interests (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)), under and in respect of such Approved Obligation to the extent of the payment by the Province in respect of the Approved Obligation as an absolute assignee of the applicable Beneficiary, with effect from and after the time of such payment, without any further requirement for notice to or acceptance by the Financing Entity of such absolute assignment and without any reduction, set-off or counterclaim on account of any amounts that may, at or after the time of payment, be or become owing by the Beneficiary to the Financing Entity and unaffected by any other rights or equities that arise thereafter as between the Beneficiary and the Financing Entity. The Indenture Trustee shall recognize the Province as being entitled to all of the rights, interests and entitlements of the Beneficiary (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)) in respect and to the extent of the Approved Obligation so paid, determined as of the time of payment, for all purposes under the Trust Indenture, and the Province shall be treated as a Specified Creditor in respect thereof for all purposes under the Trust Indenture and any other agreement under which the Approved Obligation arises.

(b) The Province (i) acknowledges and agrees in favour of the Indenture Trustee that, upon being subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation in accordance with Section 5.01(a), the Province, in its capacity as a Specified Creditor, will be subject to the provisions applicable to Specified Creditors under the Trust Indenture, including **[**Sections 7.04 through 7.11 and 8.13 (Payment Priorities), **Section ~~7.11~~7.12 (Payments Held in Trust), Section 8.11 (Control by Controlling Class Creditors), Section 8.12 (Limitation on Suits), ~~Sections 7.04 and 8.13 (Payment Priorities),~~ Section 8.14 (Limited Recourse), Article IX (The Indenture Trustee), including all limitations of liability thereunder, Section 9.14 (Communications to Specified Creditors) and Section 16.01 (No Petition) ~~thereof]~~** ~~and (ii) confirms that the Indenture Trustee shall send notices to the Province, in its capacity as a Specified Creditor, in accordance with Section 9.02.~~[6]**]**; (ii) consents, requests and authorizes the Issuer and the Indenture Trustee to (x) add the Province to the register of Specified Creditors described in subsection **[13.13(b)]** of the Trust Indenture and (y) disseminate the notice details of the Province to other Specified Creditors for the purposes set out in subsection **[9.14(b)]**

of the Trust Indenture, and (iii) confirms that it will execute and deliver, or cause to be executed and delivered, all such further agreements, documents and instruments in connection with this Section 5.01 as the Indenture Trustee may request from time to time for the purpose of giving effect to the terms of this Section 5.01.

5.02 Priorities

For greater certainty, the rights, interests and entitlements of the Province as an assignee and subrogee of and with respect to an Approved Obligation shall rank equally with the rights, interests and entitlements of a Beneficiary to whom a Limited Guarantee payment is made in respect of, and to the extent of the payment made to satisfy, the Approved Obligation and the Province shall not be subject to postponement or subordination with respect thereto except to the extent of the priorities established in relation to the Approved Obligation under the Trust Indenture in the manner and to the extent contemplated in Section ~~2.01.~~7.10(d) of the Trust Indenture.

5.03 Intentionally Deleted

5.04 Representations and Warranties

The Province hereby represents and warrants that:

(a) the execution and delivery of, and the performance of its obligations under, this Agreement by the Province have been authorized by all necessary action on the part of the Province;

(b) the execution and delivery of, and the performance of its obligations under, this Agreement by the Province do not result in the violation of any applicable law; and

(c) this Agreement has been duly executed and delivered by the Province.

~~**ARTICLE VI**~~
~~**NOTICE OF ASSUMPTION OF OBLIGATIONS SECURED**~~

~~**6.01 Delivery of Assumption Notice**~~

~~Following the occurrence of a Protection Event, the Province may (but shall not be obligated to) provide notice (in the form of Exhibit B) to the Indenture Trustee that the Province has elected to assume the Financing Entity's obligations in respect of all Obligations Secured, as obligor and debtor (the "**Assumption Notice**"). The Assumption Notice shall specify the date on which the assignment and assumption of the Obligations Secured will be effective (the "**Assumption Closing Date**").~~

6.02 Cooperation to Implement the Assignment and Assumption

The Indenture Trustee, the FSM, the Financing Entity and the Province will cooperate and use best efforts to complete the assignment and assumption of the Obligations Secured by and from the Financing Entity to and by the Province, by the Assumption Closing Date.[7]

6.03 Effect of Assumption

On the date that the assignment and assumption of the Obligations Secured by and from the Financing Entity to and by the Province becomes effective (the "**Assumption Effective Date**"), the Province shall no longer be required to provide and perform the Limited Guarantee but will instead become a primary obligor under the Obligations Secured assumed pursuant to and in accordance with an applicable Assumption Agreement. For greater certainty, the obligations of the Province so assumed will not be secured obligations of the Province and the obligees thereof will have no right, interest or claim to or in respect of the Collateral or any proceeds therefrom. **[NTD: the forms of assumption agreement(s) need to be settled before this agreement is finalized.]**

6.04 Interim Period

Until the effective time of the assignment and assumption of the Obligations Secured by and from the Financing Entity to and by the Province on the Assumption Effective Date, the Province shall continue to perform and be obligated under the Limited Guarantee.

6.05 Rights in respect of the Assets Comprising the Collateral

Upon assuming the Financing Entity's obligations in respect of all Obligations Secured under Article VI, the Province (in addition to and without prejudice to any rights it otherwise has in law or equity) shall be subrogated and entitled to all of the Financing Entity's rights and interests under and in respect of the assets, property and undertaking comprising the Collateral and all proceeds therefrom, free and clear of any liens, encumbrances or restrictions arising under or as a result of the Trust Indenture. The Province shall have and be entitled to enforce all such rights and interests as an absolute assignee of the Financing Entity, with effect from and after the time of such assumption, without any further requirement for notice to or acceptance by the Financing Entity of such absolute assignment and without any reduction, set-off or counterclaim on account of any amounts that may, at or after the time of payment, be or become owing to the Financing Entity and unaffected by any other rights, interests or equities that arise thereafter in respect of the assets, property and undertaking comprising the Collateral as between the Beneficiaries and the Financing Entity. The Indenture Trustee and the Beneficiaries shall thereupon recognize the Province as the absolute owner of the assets, property and undertaking comprising the Collateral.

~~The~~the Province may~~, at any time and for any reason,~~ declare that the Limited Guarantee under this Agreement shall not apply to any ~~Obligation Secured~~Primary Obligations incurred on or after such declaration, other than any Refinancing of a Primary Obligation in respect of which the Adherence Conditions had previously been satisfied (provided that the Refinancing is an Approved Obligation), by delivering a written notice in the form of Exhibit ~~C~~B (a "**Suspension Notice**") ~~to the Province~~ to the Indenture Trustee, the FSM and the Financing Entity.

The Limited Guarantee shall apply to any Certified Primary Obligation incurred after a Suspension Event on the basis that it is a Refinancing (provided that such Refinancing is an Approved Obligation) only if the FSM certifies to the Province in writing prior to the incurrence that the proceeds of such incurrence will be used solely for the purposes of repaying one or more Certified Primary Obligations incurred prior to the Suspension Event and to which the Limited Guarantee adhered as of the time the Suspension Event occurred, and the delivery of such written certification by the FSM to the Province shall be determinative for the purposes of concluding that such incurrence is a Refinancing for the purposes of Sections 7.01, 7.02 and 7.03.

7.03 ~~8.04~~ No Impact on Adherence

For greater certainty, the occurrence of a Suspension Event or a failure by the FSM or the Financing Entity to perform its covenants under this Agreement will not invalidate or extinguish the obligations of the Province under the Limited Guarantee in respect of Approved Obligations in existence prior to the occurrence of the Suspension Event or in respect of any Refinancing of a Primary Obligation in respect of which the Adherence Conditions had previously been satisfied~~, nor will it in any way impact the Obligations Secured which are assumed by the Province in accordance with Article VI~~ (provided that the Refinancing is an Approved Obligation).

[10] **Torys Note:** Refinancings can occur up to six months prior to the application of the refinancing proceeds to the existing obligation. The regulations provide that if the refinancing proceeds are not applied to repay the intended f unding obligation, then it is not a Refinancing. Accordingly, we have revised the definition to ensure that Refinancings do not have to be simultaneous with repayment of the existing Approved Obligation (we understand from the dealers that in most circumstances they will not be). **Note to Torys**: The General Regulation specifically provides that debt can be considered a "Refinancing" when incurred within the 6 months prior to the maturity date of a funding obligation. The Act/Regulation's definition doesn't require that "Refinancings" are simultaneous with the repayment of existing Approved Obligations. We have added a certificate mechanic in 7.01 by which there can be certainty when an obligation is incurred that if the obligation is intended to be a refinancing, it will be covered by the guarantee.

HER MAJESTY THE QUEEN IN RIGHT OF ONTARIO, AS REPRESENTED BY THE MINISTER OF ENERGY AND THE MINISTER OF FINANCE

AND

ONTARIO POWER GENERATION INC.

CHANGE OF LAW PROCESS AGREEMENT[1]

Dated as of [■], 2017

[1] This Agreement and the Protection Agreement will need to be effective on closing but signed and held in escrow as soon as they are settled ~~and prior to pricing of the term deal~~. **Note to Torys:** Closing mechanics under consideration by the Province.

This **CHANGE OF LAW PROCESS AGREEMENT**, between Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), and Ontario Power Generation Inc. ("**OPG**") is made and entered into as of [■], 2017.

RECITALS

OPG is appointed as the Financial Services Manager under Section 18 of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**").

Pursuant to Section 22(2) of the Act, OPG, in its capacity as the Financial Services Manager (the "**FSM**"), may establish or cause to be established one or more financing entities (as defined in the Act), which may incur Funding Obligations in accordance with the Act.

Pursuant to a Declaration of Trust dated as of [■], 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.[2]

Concurrent with this Agreement, the Province, the FSM, the Financing Entity and the Indenture Trustee will enter into the Change of Law Protection Agreement under which the Province will agree to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of ~~Primary~~ Obligations Secured that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions.

Prior to entering into this Agreement, OPG provided the Province with the proposed forms of certain of the Transaction Documents ~~listed on Exhibit "A"~~, and the Province has not objected to such forms ~~and has confirmed to OPG that such Transaction Documents constitute "Reference Documentation" for purposes of this Agreement~~.

~~Prior to entering into this Agreement, OPG, as the FSM, provided the Province with the initial Financing Plan attached hereto as Exhibit "B" (the "**Initial Financing Plan**"), and the Province has not objected to such Initial Financing Plan.~~

~~Prior to entering into this Agreement, OPG, as the FSM, provided to the Province (i) the initial forecast attached hereto as Exhibit "C" (the "**Initial Forecast**") setting out OPG's expectations regarding the aggregate maximum amount of Repayments that would arise in the future under Approved Obligations to be incurred during the 24 month period following the date hereof (the "**Initial Forecast Period**"); and (ii) notice of the initial Protection Agreement Maximum of C$■ (the "**Initial Protection Agreement Maximum**").~~[3]

[2] ~~We are comfortable on this point because OPG has retained Computershare as issuer trustee. The recitals of the Declaration of Trust provide that Computershare has established the Trust at the request of the FSM. We can also provide you with a copy of the Computershare engagement letter upon request.~~

[3] ~~Given that this Agreement would now be delivered on or immediately prior to closing, we thought it would be acceptable to reference these initial items as delivered versus as future deliverables. Please note that OPG is working with the Province to deliver the initial financing plan and the initial forecast and to confirm the initial protection agreement maximum.~~

~~The Province has not objected to the Initial Forecast and the Initial Protection Agreement Maximum on the basis that (i) there does not appear to be inaccuracies in the Initial Financing Plan or the Initial Forecast, (ii) the Initial Forecast is consistent with the Initial Financing Plan, and (iii) the Initial Protection Agreement Maximum is less than the Initial Forecast.~~

This Agreement sets out the obligations OPG has agreed to perform and assurances OPG has agreed to provide and on which the Province will rely in entering into and implementing the Change of Law Protection Agreement, including for the purposes of determining whether the Adherence Conditions have been satisfied, maintaining information related to the Program Agreements and the Approved Obligations, and ensuring that the Province's assumption rights pursuant to Article VI of the Change of Law Protection Agreement may be exercised without impediment on the terms and conditions contemplated in this Agreement and the Change of Law Protection Agreement.

All things necessary to make this Agreement a valid and legally binding agreement of OPG and the Province, have been done.

1.05 Severability

To the extent permitted by applicable law, the parties waive any provision of law which renders any provision of this Agreement invalid or unenforceable in any respect.

1.06 Governing Law

THIS AGREEMENT WILL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE PROVINCE OF ONTARIO AND THE FEDERAL LAWS OF CANADA APPLICABLE THEREIN, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

ARTICLE II
COVENANTS OF OPG

2.01 Deliveries to the Province

(a) Not less than 15 Business Days, or such lesser period as the Province may agree to in writing, prior to the initial issuance of any Funding Obligation by the Financing Entity, OPG shall deliver to the Province a copy of the initial Financing Plan. Thereafter, OPG shall promptly deliver to the Province a copy of any proposed change to or replacement of the ~~Initial~~ Financing Plan.

(b) Not less than 10 Business Days, or such lesser period as the Province may agree to in writing, prior to (i) any proposed change or supplement to a previously provided Transaction Document becoming effective or otherwise being used, (ii) any additional or replacement Transaction Document becoming effective or otherwise being used, OPG shall deliver to the Province a copy of such proposed change or supplement to the Transaction Document and any such additional or replacement Transaction Document.

(c) Promptly following (i) any change, modification, alteration, amendment, supplement, extension, renewal, compromise, novation, replacement, suspension or waiver of the terms of all or any part of the Approved Obligations or any Collateral therefor being made, (ii) any new, additional or replacement instruments, documents, agreements or security being used or granted in connection with all or any part of the Approved Obligations, or (iii) any waiver, release, reconveyance, termination, abandonment, subordination, exchange, substitution, transfer, compound, compromise, liquidation or enforcement of all or any part of the Approved Obligations or any security or guarantee therefor being effected, OPG shall deliver to the Province a detailed description of such event and the reasons for it together with any related documents, agreements and instruments.

(d) Promptly following any incurrence of a Funding Obligation or any amendment of a Funding Obligation, OPG shall provide the Province with electronic copies of all related Governing Documents and all other closing documents executed by or on behalf of the Financing Entity in connection with such incurrence or amendment that would affect the Financing Entity's assets or obligations (including, for greater certainty, any related Disclosure Document) and which have not been previously provided to the Province.

(e) Promptly upon request, OPG shall provide the Province with such additional information and documentation as the Province reasonably requests in order to enable the Province to assess the nature and extent of its obligations under the Change of Law Protection Agreement.

2.02 Covenants

(a) OPG shall use commercially reasonable efforts to cause the Financing Entity to:

(i) punctually perform and observe all of the Financing Entity's obligations and agreements contained in the Program Agreements;

(ii) ensure that all Obligations Secured are incurred pursuant to and in accordance with the terms and conditions of the Trust Indenture;

(iii) ensure that no obligations other than the Obligations Secured are incurred by or on behalf of the Financing Entity;

(iv) not engage in any business other than as permitted under the Declaration of Trust or the other Program Agreements and activities ancillary thereto; and

(v) not (unless waived in writing by the Province):

(A) amend, supplement, modify, restate or replace or waive or consent to a postponement of compliance with the terms and conditions on the part of any other party to any of the Program Agreements, if any such supplementation, amendment, modification, restatement or replacement or waiver or consent could reasonably be considered to be materially prejudicial to the rights or interests of the Province under the Change of Law Protection Agreement; provided, however, that the foregoing does not apply to any change in particular financial terms, rates and levels;

(B) extend, renew, compromise, novate, replace, suspend, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, liquidate or enforce the terms of all or any part of the Approved Obligations or any Collateral, if any such action could reasonably be considered to be materially prejudicial to the rights or interests of the Province under the Change of Law Protection Agreement; provided, however, that the foregoing does not apply to the extent that only particular financial terms, rates and levels are affected;

(C) permit the validity or effectiveness of the Change of Law Protection Agreement to be impaired; or

(D) allow the Financing Entity to enter into any Supplemental Indenture or Loan Agreement where any penalty or make-whole payment, or any requirement for further consent, approval or agreement, of the Specified Creditor party thereto would be required for the Province to assume the Obligations Secured thereunder.[4]

(b) OPG shall:

(i) comply, and shall use commercially reasonable efforts to cause compliance by the Financing Entity, with the Act, the General Regulation and any other enactment related thereto;

(ii) punctually perform and observe all of its (including as the FSM and as Manager) obligations and agreements contained in the Program Agreements;

(iii) promptly notify the Province of the creation of any Funding Obligation that is not or would not be an Approved Obligation; and

(iv) after the occurrence of any Protection Event[5] (or any event known to OPG that with the passage of time or the giving of notice would be a Protection Event), not, without the Province's prior written consent, permit the Financing Entity to exercise any redemption, pre-payment, early termination or extension right in respect of any Approved Obligation or exercise any other election or privilege in respect of any Approved Obligation, in each case if as a result the obligations applicable to the Approved Obligation under the Change of Law Protection Agreement would be accelerated, delayed or otherwise affected.

~~(c) For greater certainty, the parties hereto acknowledge and agree that OPG's obligations under this Agreement are subject to (i) OPG's obligations as FSM under the Act, and (ii) OPG's obligations under the Management Agreement.[6]~~

(c) ~~(d)~~ Nothing in this Agreement ~~nor in the Change of Law Protection Agreement~~[7] shall limit the obligations of the Province under the Indemnity Agreement by the

[4] ~~Please see our cover note regarding the proposed assumption by the Province. Lawyers to discuss if appropriate mechanics for the first two deals are possible given timing.~~

[5] ~~OPG is not in a position to be aware of events that may lead to a Protection Event.~~

[6] ~~We would like to ensure that there is an acknowledgement that OPG has certain obligations under the Act and the Management Agreement.~~

[7] ~~This language has extra-contractual implications and so its meaning as between only 2 of the parties to the Protection Agreement is uncertain. Torys to explain intention. Torys: This provision is intended to clarify that neither the Protection Agreement nor the Process Agreement supersedes or otherwise amends the Province's obligations under the Provincial Indemnity Agreement. It is effectively an acknowledgment by the Province in favour of OPG and does not involve the other parties to the Protection Agreement and so we are comfortable including it here only. However, we do not have an issue with putting an equivalent clause in the Protection Agreement if that is preferable from your perspective.~~

Province in favour of OPG dated June 1, 2017 (as amended, the "**Indemnity Agreement**") and to the extent of any conflict between this Agreement~~, the Change of Law Protection Agreement~~ and such Indemnity Agreement, in respect of any matter relating to the Province's obligations to indemnify OPG, the Indemnity Agreement shall prevail.

ARTICLE III
PROCESS CERTIFICATE

3.01 Process Certificate[8]

OPG shall deliver a certificate (the "**Process Certificate**"), signed by the Chief Financial Officer and the Treasurer of OPG or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) and addressed to the Province, on or before the incurrence or any amendment of a ~~Certified Primary Obligation~~Funding Obligation, other than any Funding Obligation under which not more than $**[5,000,000]** in the aggregate may become payable by the Financing Entity (provided that delivery may not be more than 5 Business Days before the incurrence or amendment of the ~~Certified Primary~~Funding Obligation), setting out the following with respect to such ~~Certified Primary~~Funding Obligation:

(a) the material terms of the ~~Certified Primary~~Funding Obligation pertaining to (i) in the case of notes, bonds or other securities, the principal amount, interest or discount rate, third party fees, term to maturity, amortization, redemption or extension features, structure and coupon frequency, as applicable, and (ii) in the case of a ~~Master~~Derivative Agreement[9]~~, events of default, termination events and any amendment to the standard terms of the Master Agreement relating to the calculation of termination amounts (and, for greater certainty, it shall not be necessary to set out the terms of any trade confirmation)~~, the notional amount, financial terms and pricing, benchmarks, payment structures and early termination rights;

(b) if an existing Funding Obligation is proposed to be amended, material details respecting such amendment, including regarding the applicable details set forth in Subsection 3.01(a), as the context requires;

(c) ~~(b)~~ a statement to the effect that: (i) the ~~Certified Primary~~Funding Obligation to be incurred or amended (1) will arise under terms and conditions that are

[8] ~~The Process Certificate conforms to the certificate delivered under the Change of Law Protection Agreement including the changes to ensure that the Process Certificate is only provided here when a concurrent certificate is required to be delivered by OPG under the Protection Agreement. Without this consistency, the obligations can become confusing and the intent of the parties of when Primary Obligations are subject to the adherence conditions may not be clear.~~

[9] ~~Since we agreed at our meeting that OPG only needs to provide a certificate under section 4.02 of the Change of Law Protection Agreement when they enter into a Master Agreement (and not the broader concept of the Derivative Agreement), we had to revise the language here to conform to what would be expected to be found in a Master Agreement.~~

(d) ~~(c)~~ a statement confirming that any disclosure made in respect of the ~~Certified Primary~~Funding Obligation (including any Disclosure Document, press release or other written communication prepared for dissemination to third parties in relation to the ~~Certified Primary~~Funding Obligation) that refers to or describes the terms, effect or adherence of or to this Agreement or the Change of Law Protection Agreement has been made available to the Province prior to use or dissemination, other than where such disclosure was substantially the same as a disclosure previously made;

(e) ~~(d)~~ a statement that no Breach Event has occurred on or prior to the date of the Process Certificate, unless such Breach Event has been waived by the Province in writing; and

(f) ~~(e)~~ confirmation that, at the time the ~~Certified Primary~~Funding Obligation is incurred or amended, the maximum aggregate payment amounts due or becoming due in the future in respect of Repayments under the ~~Certified Primary~~Funding Obligation, together with all other outstanding amounts due or becoming due in the future in respect of Repayments under all Approved Obligations, do not and will not exceed the ~~then applicable~~ Protection Agreement Maximum~~;~~ applicable on the date that the Process Certificate is delivered;[2] for clarity, Repayments under Obligations Secured owing in currencies other than Canadian dollars will be determined on the date the Process Certificate is delivered hereunder in accordance with the following:

(i) where a Derivative Agreement has been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the hedged value expressed in Canadian dollars; and

(ii) where a Derivative Agreement has not been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the noon spot rate for conversions of any currencies into Canadian dollars.

[2] **Note to Torys:** We believe the revision makes clear that OPG is only certifying as to the Protection Agreement Maximum as at the date the Process Certificate is delivered.

3.02 Acknowledgement[10] regarding delivery of certificate under Change of Law protection Agreement

The Province acknowledges and agrees that, concurrent with the delivery of the Process Certificate pursuant to Section 3.01 of this Agreement, the Chief Financial Officer and the Treasurer of OPG or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) are authorized to deliver the certificate referred to in **[Subsection [4.02(b)]** of the Change of Law Protection Agreement to the Indenture Trustee confirming that OPG has delivered all required certifications to the Province in connection with adherence of the Limited Guarantee to the incurrence of the Certified Primary Obligations in respect of which the certificate in **[Subsection [4.02(b)]** of the Change of Law Protection Agreement is being delivered; provided that, upon receipt of a Suspension Notice under the Change of Law Protection Agreement, OPG covenants not to deliver any further certificates to the Indenture Trustee under **[Subsection [4.02(b)]** of the Change of Law Protection Agreement other than in connection with a Refinancing of a Primary Obligation in respect of which the Adherence Conditions had been satisfied at the time such Primary Obligation was incurred.[11]

3.03 Acknowledgement regarding delivery of Suspension Notice

The parties acknowledge and agree that the Province is entitled to deliver a Suspension Notice under **[Section 7.01]** of the Change of Law Protection Agreement if a Program Breach or Breach Event has occurred. The Province agrees not to deliver a Suspension Notice pursuant to **[Section 7.01]** of the Change of Law Protection Agreement unless a Program Breach or a Breach Event has occurred.

3.04 ~~3.03~~ Meaning of "Reference Documentation"

For the purposes of Subsection 3.01(~~b~~c), the term "Reference Documentation" shall mean each Transaction Document (including any change, addition or supplement thereto) that, at the relevant time:

(a) is a Transaction Document provided to, and not objected to by, the Province prior to the making of this Agreement, as contemplated in the fifth recital to this Agreement; or

(b) is a Transaction Document provided to the Province in accordance with Subsection 2.01(b) that has not been objected to by the Province, by delivery of an objection notice in writing delivered to OPG, within 10 Business Days after it is provided to the Province.

[10] OPG needs certainty on the conditions in which it is permitted to deliver the certificate under the Change of Law adherence conditions.

[11] Since OPG receives a Suspension Notice under the Change of Law Protection Agreement, we removed the concept of such notice here other than to provide the covenant above.

3.05 ~~3.04~~ Meaning of "Substantially in the Form"

For the purposes of Subsection 3.01(~~b~~c), the term "Substantially in the Form" shall mean:

(a) with respect to the Reference Documentation referred to in clauses (i) to (xi) of the definition of "Transaction Documents", that there are no differences between the proposed documents and such Reference Documentation that could result in a change in the material terms or conditions applicable to the applicable Primary Obligation, including regarding the timing of or circumstances under which related payments are or may become due or accrue (including as a result of any default, acceleration, termination, wind-up, liquidation or realization), or that would affect the Province's rights of subrogation or assignment (including pursuant to **[Section 5.01~~ or Article VI~~]** of the Change of Law Protection Agreement) or its interests as a subrogee or an assignee, that would arise as a result of performing the Limited Guarantee in respect of the applicable Primary Obligation~~ or upon the assumption of obligations in accordance with **[Article VI]** of the Change of Law Protection Agreement~~; provided, however, that the foregoing does not apply to any variable terms to be set forth in the proposed documents as are reasonably contemplated in the Reference Documentation, including the particular financial terms, rates and levels set forth in the proposed documents other than to the extent that the forms of Reference Documentation themselves specify specific requirements, limitations or parameters with respect to such financial terms, rates, levels and parameters; and

(b) with respect to the Reference Documentation referred to in clause (xii) of the definition of "Transaction Documents", that there are no material differences between the form and substance of the proposed Disclosure Document and such form of Disclosure Document and that the proposed Disclosure Document complies in all material respects with all applicable securities disclosure requirements relating to the Primary Obligation subject to distribution thereunder.

ARTICLE IV
PROTECTION AGREEMENT MAXIMUM

4.01 Protection Agreement Maximum~~12~~

(a) Not less than 15 Business Days, or such lesser period as the Province may agree to in writing, prior to the proposed incurrence of the first Funding Obligation, OPG shall, as the FSM, deliver to the Province: (i) a forecast setting out OPG's expectations regarding the aggregate maximum amount of Repayments that would arise in the future under Approved Obligations to be incurred during the next following 24 month period (the "**Initial Forecast Period**"), which expectations shall be consistent with the Financing Plan (the "**Initial Forecast**"); and (ii) notice of the initial Protection Agreement Maximum, which may not exceed the Initial Forecast.

~~12 Per an earlier footnote, the items in previous draft (a) and (b) were moved to the recitals.~~

(b) Not more than 10 Business Days, or such lesser period as the Province may agree to in writing, following receipt of the Initial Forecast and notice of the initial Protection Agreement Maximum from OPG pursuant to Section 4.01(a), the Province may disagree with the Initial Forecast and the initial Protection Agreement Maximum on the basis that (i) there appears to be inaccuracies in the Financing Plan or the Initial Forecast, (ii) the Initial Forecast is inconsistent with the Financing Plan, or (iii) the initial Protection Agreement Maximum is more than the Initial Forecast. If the Province disagrees, OPG shall discuss any discrepancies with the Province, address any inaccuracies and inconsistencies to the reasonable satisfaction of the Province and OPG, and the initial Protection Agreement Maximum will be revised accordingly and confirmed by an amended notice to the Province.

(c) ~~(a)~~ Between nine (9) and twelve (12) months prior to the end of the Initial Forecast Period, OPG shall, as the FSM, deliver to the Province an updated forecast setting out the sum of (1) the aggregate amount of Repayments that will arise in the future under Approved Obligations that are then outstanding and (2) OPG's expectations regarding the aggregate maximum amount of Repayments that would arise in the future under Approved Obligations to be incurred during the period ending 24 months following the Initial Forecast Period, which expectation shall be consistent with the then applicable Financing Plan. Such updated forecast shall be further updated on a similar basis with respect to each successive 24 month period or more frequently if at any time OPG has knowledge that the most recent forecast is materially inaccurate (the Initial Forecast and each such updated forecast, each a "**Forecast**"). Together with each Forecast, OPG shall also provide a revised Protection Agreement Maximum, which may not exceed such Forecast.

(d) ~~(b)~~ Not more than 10 Business Days, or such lesser period as the Province may agree to in writing, following receipt of any further Forecast and notice of the revised Protection Agreement Maximum from OPG pursuant to Section 4.01(~~a~~c), the Province may disagree with such further Forecast or revised Protection Agreement Maximum on the basis that (i) there appears to be inaccuracies in the Financing Plan or such further Forecast, (ii) the further Forecast is inconsistent with the Financing Plan, or (iii) the revised Protection Agreement Maximum is more than the further Forecast. If the Province disagrees, OPG shall discuss any discrepancies with the Province, address any inaccuracies and inconsistencies to the reasonable satisfaction of the Province and OPG, and the revised Protection Agreement Maximum will be further revised accordingly and confirmed by an amended notice to the Province.

(e) ~~(c)~~ For clarity, Repayments under Obligations Secured owing in currencies other than Canadian dollars will be valued at the time to be determined for the purposes of this Section 4.01 in accordance with the following:

(i) where a Derivative Agreement has been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the hedged value expressed in Canadian dollars; and

(ii) where a Derivative Agreement has not been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the noon spot rate for conversions of any currencies into Canadian dollars.

CHANGE OF LAW PROTECTION AGREEMENT

Dated as of [■], 2017

[1] This Agreement and the Process Agreement will need to be effective on closing but signed and held in escrow as soon as they are settled ~~and prior to pricing of the term deal~~. **Note to Torys:** Logistics of closing are under consideration.

[2] **Torys Note:** Please advise if there are any further issues with the Manager signing the Protection Agreement on behalf of the Trust? If so, can you please explain the issue. The Manager is currently signing all Program Agreements on behalf of the Trust and has authority to do so. We would like the Manager to sign this Agreement on behalf of the Trust. **Note to Torys:** Manager derives authority under the Management Agreement to sign Program Agreements. Management Agreement powers determined by reference to the Program Agreements, so authority is circular. Ultimately, Province will accept the opinion of Torys on due execution point.

This **AGREEMENT**, among Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), Computershare Trust Company of Canada, in its capacity as trustee (the "**Financing Entity Trustee**") of Fair Hydro Trust, a trust under the laws of the Province of Ontario (the "**Financing Entity**"), Ontario Power Generation Inc., in its capacity as Manager of the Financing Entity and in its capacity as the Financial Services Manager in accordance with the Act (the "**FSM**") and BNY Trust Company of Canada, a trust company existing under the laws of Canada, as Indenture Trustee, is made and entered into as of [■], 2017.

RECITALS

Pursuant to Subsection 5(3) of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**"), the Lieutenant Governor in Council may by order, authorize the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to agree to guarantee or indemnify certain debts, obligations, securities or undertakings associated with an Investment Interest.

Pursuant to an Order in Council dated as of ■1981/2017 (the "**OIC**"), the Lieutenant Governor in Council has, among other things, authorized the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to enter into one or more agreements to guarantee or indemnify the debts, obligations, securities or undertakings of one or more financing entities established or caused to be established pursuant to Subsection 22(2) of the Act by the FSM and that may incur Funding Obligations in connection with one or more Investment Interests.

Pursuant to a Declaration of Trust[3] dated as of ■, 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

The Financing Entity Trustee, in its capacity as trustee of the Financing Entity, and the Indenture Trustee are parties to the Trust Indenture and propose to create and issue series of notes, bonds and other securities as contemplated therein, and to provide security over the assets and undertaking of the Financing Entity in respect of such notes, bonds and securities, as well as other Obligations Secured.

The Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, have determined to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Primary Obligations that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions at the time the Approved Obligation is incurred. This Agreement sets out the terms and conditions of such protections and assurances.

[3] **Torys Note:** We are comfortable on this point because OPG has retained Computershare as issuer trustee. The recitals of the Declaration of Trust provide that Computershare has established the Trust at the request of the FSM. We can also provide you with a copy of the Computershare engagement letter upon request. **Note to Torys:** The Province will accept authorities opinion regarding the Trust from Torys.

All things necessary to make this Agreement a valid and legally binding agreement of the Province, the Financing Entity, the FSM and the Indenture Trustee, in accordance with the Act, the OIC and the Trust Indenture, have been done.

(A) the amount payable to a Beneficiary Payee in respect of an Approved Obligation from amounts available under such payment provisions on such Guarantee Payment Date shall be reduced by the amount paid to the Beneficiary Payee pursuant to clause 2.01(a)iii in respect of such Approved Obligation on such Guarantee Payment Date;

(B) the Province shall be paid the lesser of (x) the amount payable to a Beneficiary Payee in respect of an Approved Obligation from amounts available to pay the Beneficiary Payee under such payment provisions on the Guarantee Payment Date, determined without regard to subclause 2.01(a)iv(A), and (y) the amount paid to the Beneficiary Payee pursuant to clause 2.01(a)iii in respect of such Approved Obligation on the Guarantee Payment Date (such ~~payments~~amounts paid to ~~the Province~~Beneficiary Payees being "**Subrogation Amounts**"); and[5~~4~~]

(C) no Beneficiary having a right to be paid an amount in respect of an Approved Obligation that ranks equal with or subordinate to an Approved Obligation in respect of which an amount is payable to the

[5] ~~We thought this section~~[4] **Note:** The Province will be entitled to receive cash flows that would have been required ~~tweaking to reflect the intention of~~to pay Approved Obligations remaining under the payment waterfalls after satisfaction of all Approved Obligations. Further consideration is required in order to ensure these amounts are paid to the ~~parties.~~ Province, despite those amounts not being paid on a "Guarantee Payment Date" (ie. no amount is paid by the Province under the Limited Guarantee on those later Payment Dates, so currently not covered as not arising on a Guarantee Payment Date). Those residual entitlements must be included as "Subrogation Amounts".

Province under subclause 2.01(a)iv(B) shall be entitled to make any claim or assert any right in or to the amounts paid or payable to the Province under such subclause (including any right or reimbursement, contribution or indemnity) and no such Beneficiary shall have any right or interest in, to or under the Collateral or any proceeds therefrom in respect of such amounts.

v. On any Guarantee Payment Date, the Indenture Trustee shall release and pay to the Province free and clear of any Liens any amount remaining on deposit in the Protection Account that has not been applied to pay Beneficiary Payees on the Guarantee Payment Date in accordance with clause 2.01(a)iii.

vi. In preparing any payment instructions under the Trust Indenture, the Manager shall reflect the amounts payable for the Guarantee Payment Date under Section 2.01(a).

(b) The Province shall, as a payee of Subrogation Amounts under clause 2.01(a)(iv)(B) and any amounts payable under clause 2.01(a)(~~iv)(B~~v)**,** be a "Specified Creditor" under the Trust Indenture and have the benefit of the Collateral thereunder.

(c) For greater certainty, the Limited Guarantee will not apply to any amount or obligation of the Financing Entity that is not or does not arise under an Approved Obligation and will be limited to the right to receive the Approved Obligation Amounts, if any, for payment to Beneficiary Payees and will be subject to the priorities and to the Province's rights to Subrogation Amounts, set forth in Section 2.01(a).

(d) Except as expressly provided in this Agreement, the Province's obligation to provide and perform the Limited Guarantee shall be irrevocable, absolute and unconditional.

(e) Any amount payable by the Province under the Limited Guarantee in respect of an Approved Obligation that is not paid by the Province when required herein shall bear interest from the applicable due date until paid in full at the rate or rates expressed to be payable on the Approved Obligation by their terms.

(f) The right to deliver a Payment Demand and thereupon enforce the Limited Guarantee shall constitute the only remedy available to the Indenture Trustee (and to the Beneficiaries, to the extent they are permitted to exercise any rights, interests, or elections under and in accordance with the Trust Indenture) under this Agreement. Under no circumstances shall the Province be obligated to pay or indemnify the

Indenture Trustee or any Beneficiary for consequential, special or punitive damages, or for economic loss or loss of profits; provided that, for greater certainty, economic loss shall not include any amount in respect of any amount due and payable to a Beneficiary Payee under the Limited Guarantee.

2.02 Intentionally Deleted.

2.03 Absence of Set-off

Subject to applicable law, the Province acknowledges and agrees that each payment to be made by the Province hereunder in respect of an Approved Obligation shall be made as required in whole, without application of any right of set-off and without regard to any equities as between or among any of the Province, the Beneficiaries and/or the Indenture Trustee.

2.04 Payment into Protection Account in Satisfaction

(a) On or before the date of delivery of a Payment Demand to the Province, the Indenture Trustee shall cause to be established and maintained an Eligible Deposit Account (the "**Protection Account**") in the name of the Indenture Trustee, bearing a designation clearly indicating that the funds and other property credited thereto are held for the benefit of the Indenture Trustee and the Beneficiaries. The Protection Account shall be under the control of the Indenture Trustee for the benefit of the Beneficiaries. If, at any time, the institution holding the Protection Account ceases to be an Eligible Institution, the FSM shall notify the Indenture Trustee, and the Indenture Trustee upon being notified in writing of such ineligibility (or the FSM on its behalf) shall within 30 days (or such longer period, not to exceed 45 days, so long as the Rating Agency Condition is satisfied) establish a new Protection Account that is an Eligible Deposit Account and shall transfer any funds or other property from such Protection Account to such new Protection Account. From the date each such new Protection Account is established, it shall be the "Protection Account" for purposes of this Agreement. Funds credited to the Protection Account will be invested and held in accordance with Section **[7.03]** of the Trust Indenture on the basis that it is an Issuer Account.

(b) Notwithstanding the priority of payment requirements set forth in the Trust Indenture and any legal rule concerning the imputation of payments, the Financing Entity and the Indenture Trustee shall ensure that all amounts paid by the Province into the Protection Account on a Guarantee Payment Date in respect of an Approved Obligation are applied to pay the amounts due and payable to the Beneficiaries as and to the extent provided for in Section 2.01(a). Upon a payment having been made by or on behalf of the Province into the Protection Account, the amounts so paid shall for all purposes be considered to have been applied to pay the applicable Beneficiaries as provided for in Section 2.01(a) and thereby reduce the amount due and payable to such Beneficiaries in respect of the applicable Approved Obligations, whereupon an affected Beneficiary shall have no

continuing rights, interests or entitlements (including rights as a secured party) in respect of the Approved Obligation to the extent so paid. For greater certainty, the obligations arising in respect of an applicable Approved Obligation shall not be reduced by such payment as the Province shall become entitled to be paid related Subrogation Amounts and the rights contemplated under Section 2.01(a) and Section 5.01 in relation to such continuing obligations.

2.05 Certain Waivers

The Province hereby waives:

(a) any requirement, and any right to require, that any power be exercised or any action be taken against the Financing Entity or any Collateral for any of the Approved Obligations;

(b) all notices which may be required by applicable law to preserve any rights against the Province hereunder, including any notice of default, demand, dishonour, presentment and protest;

(c) diligence; and

(d) any defence based upon, arising out of or in any way related to any claim that any election of remedies by the Beneficiaries impaired, reduced, released or extinguished any rights that the Province might otherwise have had against the Financing Entity or any other surety.

The Province agrees that each such waiver is made with full knowledge of its significance and consequences and if any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the maximum extent permitted by applicable law.

2.06 Additional Security

This Agreement shall be in addition to and without prejudice to any other security by whomsoever given, held at any time by the Indenture Trustee or for the benefit of any of the Beneficiaries.

2.07 Continuing Liability of the Province

The Approved Obligations shall be deemed not to have been paid, observed or performed, and the liability of the Province hereunder in respect thereof shall continue and not be discharged, to the extent that any payment, observance or performance thereof by the Financing Entity, or out of the proceeds of any Collateral, is recovered from or reimbursed by or for the account of any of the Beneficiaries for any reason, including a preference or fraudulent transfer or by virtue of any subordination (whether present or future or contractual or otherwise) of the Approved Obligations, whether such recovery or payment over is effected by any judgment, decree or order of any court or Governmental Authority, by any plan of reorganization or by

settlement or compromise by any of the Beneficiaries (whether or not consented to by the Financing Entity or the Province) of any claim for any such recovery or payment over.

2.08 Continuance of the Limited Guarantee

Subject to Section 2.07, the Limited Guarantee shall continue in full force and effect until the indefeasible payment, observance and performance in full of the Approved Obligations in accordance with Section ~~9.01~~8.01.[6]

2.09 Modifications of Approved Obligations

The Province expressly authorizes the Indenture Trustee, at any time and from time to time, without notice and without affecting the liability of the Province hereunder, but subject to compliance with the requirements of the Program Agreements and this Agreement, to:

(a) accept new, additional or replacement instruments, documents, agreements or security in connection with all or any part of the Approved Obligations;

(b) accept partial payments on the Approved Obligations; and

(c) waive, release, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, compromise, liquidate and enforce all or any part of the Approved Obligations and any security or guarantee therefor, and apply any such security and direct the order or manner of sale thereof as the Indenture Trustee (for the benefit of the Beneficiaries) in its discretion may determine.

ARTICLE III
THE INDENTURE TRUSTEE

3.01 The Indenture Trustee

This Agreement is made in favour of the Indenture Trustee in its capacity as trustee under the Trust Indenture. Accordingly, in the event of a new trustee being appointed under the Trust Indenture, such new trustee shall thereupon become and be the Indenture Trustee hereunder, but nevertheless, the Indenture Trustee shall forthwith assign, transfer and make over to the new trustee hereunder this Agreement. All provisions of the Trust Indenture for the protection of the Indenture Trustee or for facilitating the administration of the trusts or otherwise relating to the Indenture Trustee solely as to its holding of the rights thereunder shall apply *mutatis mutandis* to this Agreement and the Indenture Trustee's duties hereunder.

[6] ~~We made this change to be consistent with the termination clause in section 9.01.~~

3.02 Acceptance of Trusts

The Indenture Trustee hereby accepts the trusts hereof and agrees to carry out and discharge the same unless and until a new trustee shall be appointed as contemplated in Section 3.01.

ARTICLE IV
APPROVED OBLIGATIONS

4.01 Approval Process

A Primary Obligation shall constitute an Approved Obligation if (i) the Adherence Conditions applicable thereto have been satisfied at the time the Primary Obligation was incurred, or (ii) the Province, in its sole discretion, ~~agrees~~designates in writing that it is an Approved Obligation.

4.02 Adherence Conditions[7]

The following shall be the Adherence Conditions applicable in relation to each Certified Primary Obligation:

(a) the Certified Primary Obligation when incurred is an Obligation Secured under the Trust Indenture; and

(b) OPG, as FSM, delivers a certificate signed by the Chief Financial Officer and the Treasurer of OPG, or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) and addressed to the Indenture Trustee, on or before the incurrence of a Certified Primary Obligation[8] (provided that delivery may not be more than 5 Business Days before the incurrence of the Certified Primary Obligation), confirming that OPG has ~~provided to the Province all certifications required by~~delivered to the Province a certificate signed by the Chief Financial Officer and the Treasurer of OPG, or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) confirming that OPG has complied with all of its obligations to the Province and internal requirements and processes in connection with the ~~incurrence of such~~adherence of the Limited Guarantee to the Certified Primary Obligation; and

[7] ~~We would propose that the certification in section 4.02(b) of the Protection Agreement track the requirements of section 3.01 of the Process Agreement to ensure that the two sections are consistent. Accordingly, we have revised section 4.02(b) of the Protection Agreement to state the certificate delivered to the Indenture Trustee under this section should confirm that all certifications to the Province required in connection with the incurrence of such Certified Primary Obligations have been delivered to the Province.~~

[8] ~~We tried to address all parties concerns expressed at our last meeting by this language. The Province can be assured that no certificate earlier than 5 Business Days prior to incurring the Certified Primary Obligation is delivered and the dealers have comfort that the clause is not too prescriptive.~~

(c) in respect of a Certified Primary Obligation other than a Refinancing of a Primary Obligation in respect of which the Adherence Conditions had been satisfied, the Province has not provided a Suspension Notice to the Indenture Trustee, OPG and the Financing Entity.

For greater certainty, (y) satisfaction of the Adherence Conditions for a Certified Primary Obligation shall be deemed satisfaction of the Adherence Conditions in respect of all principal, interest and other amounts owing under the Certified Primary Obligation, as such Certified Primary Obligation may be amended, restated, supplemented or otherwise modified from time to time, and (z) there shall be no Adherence Conditions applicable in relation to a Primary Obligation that is not a Certified Primary Obligation.

4.03 Evidence of Satisfaction

A closing certificate delivered in accordance with Section 4.02(b) in connection with an incurrence of a Certified Primary Obligation shall be determinative as to whether the applicable Adherence Conditions with respect thereto have been satisfied, notwithstanding that such certificate may include inaccuracies, be incomplete or otherwise be defective or deficient, and such closing certificate may be relied upon by any addressee as conclusive evidence of same. A closing certificate that purports on its face to be signed by officers specified in Section 4.02(b) may be relied upon by any addressee without further enquiry or evidence as to the incumbency or signatures of such officers. If a closing certificate is not delivered in accordance with the timing requirements of Section 4.02(b) in respect of a Certified Primary Obligation, such certificate may be delivered at a later date, and be effective as if it had been delivered in accordance with the timing requirement of Section 4.02(b), if at the time such certificate was required to be delivered OPG had delivered to the Province all certifications required by the Province in connection with the ~~incurrence of a~~adherence of the Limited Guarantee to the Certified Primary Obligation.[9]

ARTICLE V
PROVINCE MATTERS

5.01 Assignment and Subrogation

(a) Upon paying an amount in respect of an Approved Obligation to or at the direction of the Indenture Trustee in satisfaction of the Limited Guarantee, the Province (in addition to and without prejudice to any rights it otherwise has in law or equity) shall be subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation to the extent of such payment, including (i) the right and entitlement to be paid and receive the related Subrogation Amounts, (ii) the benefits of the related Collateral and (iii) all proceeds therefrom. The Province shall have and be entitled to enforce all rights and interests (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)), under and in respect of such Approved

[9] ~~This additional language was added to address the concerns of the dealers and Oslers discussed at our last meeting.~~

Obligation to the extent of the payment by the Province in respect of the Approved Obligation as an absolute assignee of the applicable Beneficiary, with effect from and after the time of such payment, without any further requirement for notice to or acceptance by the Financing Entity of such absolute assignment and without any reduction, set-off or counterclaim on account of any amounts that may, at or after the time of payment, be or become owing by the Beneficiary to the Financing Entity and unaffected by any other rights or equities that arise thereafter as between the Beneficiary and the Financing Entity. The Indenture Trustee shall recognize the Province as being entitled to all of the rights, interests and entitlements of the Beneficiary (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)) in respect and to the extent of the Approved Obligation so paid, determined as of the time of payment, for all purposes under the Trust Indenture, and the Province shall be treated as a Specified Creditor in respect thereof for all purposes under the Trust Indenture and any other agreement under which the Approved Obligation arises.

(b) The Province (i) acknowledges and agrees in favour of the Indenture Trustee that, upon being subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation in accordance with Section 5.01(a), the Province, in its capacity as a Specified Creditor, will be subject to the provisions applicable to Specified Creditors under the Trust Indenture, including **[Sections 7.04 through 7.11 and 8.13 (Payment Priorities), Section 7.12 (Payments Held in Trust), Section 8.11 (Control by Controlling Class Creditors), Section 8.12 (Limitation on Suits), Section 8.14 (Limited Recourse), Article IX (The Indenture Trustee), including all limitations of liability thereunder, Section 9.14 (Communications to Specified Creditors) and Section 16.01 (No Petition)]**; (ii) consents, requests and authorizes the Issuer and the Indenture Trustee to (x) add the Province to the register of Specified Creditors described in subsection **[13.13(b)]** of the Trust Indenture and (y) disseminate the notice details of the Province to other Specified Creditors for the purposes set out in subsection **[9.14(b)]** of the Trust Indenture, and (iii) confirms that it will execute and deliver, or cause to be executed and delivered, all such further agreements, documents and instruments in connection with this Section 5.01 as the Indenture Trustee ~~shall send notices to the Province, in its capacity as a Specified Creditor, in accordance with Section 9.02.~~[10] may request from time to time for the purpose of giving effect to the terms of this Section 5.01.

[10] ~~These changes were made to conform to the latest draft of the Trust Indenture, a copy of which will be circulated soon.~~

5.02 Priorities

For greater certainty, the rights, interests and entitlements of the Province as an assignee ~~or~~and subrogee~~, as applicable,~~ of and with respect to an Approved Obligation shall rank equally with the rights, interests and entitlements of a Beneficiary to whom a Limited Guarantee payment is made in respect of, and to the extent of the payment made to satisfy, the Approved Obligation and the Province shall not be subject to postponement or subordination with respect thereto except to the extent of the priorities established in relation to the Approved Obligation under the Trust Indenture in the manner and to the extent contemplated in Section ~~2.01.~~7.10(d) of the Trust Indenture.

5.03 Intentionally Deleted

5.04 Representations and Warranties

The Province hereby represents and warrants that:

(a) the execution and delivery of, and the performance of its obligations under, this Agreement by the Province have been authorized by all necessary action on the part of the Province;

(b) the execution and delivery of, and the performance of its obligations under, this Agreement by the Province do not result in the violation of any applicable law; and

(c) this Agreement has been duly executed and delivered by the Province.

~~ARTICLE VI~~
~~NOTICE OF ASSUMPTION OF CERTAIN OBLIGATIONS SECURED~~[11]

~~6.01 Delivery of Assumption Notice~~

~~Following the occurrence of a Protection Event, the Province may (but shall not be obligated to) provide notice (in the form of Exhibit B) to the Indenture Trustee that the Province has elected to assume the Financing Entity's obligations in respect of all Obligations Secured permitted to be assumed by their terms (the "**Assumption Notice**"). The Assumption Notice shall specify the date on which the assignment and assumption of such Obligations Secured will be effective (each such date being an "**Assumption Closing Date**").~~[12]

~~[11] Please see Torys' cover email to explain changes made in this Article and the related Article in the Process Agreement. Section 6.05 was deleted since it was not applicable in a context where only some of the Obligations Secured would be assumed.~~

~~[12] It is not realistic to think that the assumptions of Secured Obligations will all occur on one day. We think it has to happen on a contract by contract basis. As a Secured Obligation is assumed, the Limited Guarantee falls away with respect to it (it becomes a "zero" item in the waterfalls).~~

~~6.02 Cooperation to Implement the Assignment and Assumption~~

~~The Indenture Trustee, the FSM, the Financing Entity and the Province will cooperate and use best efforts to complete the assignment and assumption of the Obligations Secured referenced in Section 6.01 by and from the Financing Entity to and by the Province by the applicable Assumption Closing Date.~~

~~6.03 Effect of Assignment and Assumption~~

~~On the date that the assignment and assumption of the Obligations Secured referenced in Section 6.01 by and from the Financing Entity to and by the Province becomes effective (the "**Assumption Effective Date**"), the Province shall no longer be required to provide and perform the Limited Guarantee but will instead become a primary obligor under such Obligations Secured assumed pursuant to and in accordance with an applicable Assumption Agreement. For greater certainty, the obligations of the Province so assumed will not be secured obligations of the Province and the obligees thereof will have no right, interest or claim to or in respect of the Collateral or any proceeds therefrom.~~

~~6.04 Interim Period~~

~~Until the effective time of the assignment and assumption of the Obligations Secured referenced in Section 6.01 by and from the Financing Entity to and by the Province on the Assumption Effective Date, the Province shall continue to perform and be obligated under the Limited Guarantee with respect to those Obligations Secured.~~

ARTICLE VI~~ARTICLE VII~~
INDENTURE TRUSTEE MATTERS

6.01 ~~7.01~~ Limited Recourse

No recourse may be taken, directly or indirectly, with respect to the obligations of the Financing Entity under this Agreement, or any certificate or other writing delivered in connection herewith or therewith, against (a) the Financing Entity Trustee in its individual capacity, (b) any owner of a beneficial interest in the Financing Entity or (c) any partner, owner, beneficiary, agent, officer, director, employee or agent of the Financing Entity Trustee in its individual capacity, any holder of a beneficial interest in the Financing Entity or the Financing Entity Trustee or of any successor or assign of the Financing Entity Trustee in its individual capacity, except as any such Person may have expressly agreed (it being understood that the Financing Entity Trustee has no such obligations in its individual capacity).

6.02 ~~7.02~~ Not Responsible for Recitals

The recitals contained herein will be taken as the statements of the Province, the Financing Entity and the FSM, and the Indenture Trustee assumes no responsibility for their correctness. The Indenture Trustee makes no representations as to the validity or sufficiency of this Agreement.

6.03 ~~7.03~~ Representations and Covenants of the Indenture Trustee[13]~~5~~

The Indenture Trustee represents, warrants and covenants that:

(a) the Indenture Trustee is a trust company organized, existing and in good standing under the laws of Canada; and

(b) the Indenture Trustee is authorized to carry on the business of a trust company in each of the provinces and territories of Canada.

ARTICLE VII~~ARTICLE VIII~~
SUSPENSION OF ADHERENCE FOR NEW PRIMARY OBLIGATIONS

7.01 ~~8.01~~ Suspension Notice

Upon:

(a) a Program Breach;~~ or~~

(b) a default in the performance, or breach, of any covenants ~~or representations of the FSM~~of OPG, as FSM, or OPG, in its corporate capacity, in each case to the Province in connection with ~~an incurrence or amendment of Primary Obligations~~its obligations to the Province pursuant to internal requirements and processes in connection with the provision of the Limited Guarantee, which continues for thirty (30) days after written notice by the Province to ~~the FSM~~OPG of such default or breach;

(c) a representation or warranty made by OPG or a certification made by one or more officers of OPG, in each case whether as FSM or in its corporate capacity, to the Province in connection with its obligations to the Province pursuant to internal requirements and processes in connection with the provision of the Limited Guarantee, proves to be incorrect on the date made and, if curable, is not cured within thirty (30) days after written notice by the Province to OPG of such misrepresentation; or

(d) ~~(c)~~ the FSM no longer being the Manager or actions having been taken by or on behalf of the Indenture Trustee to remove the FSM as the Manager,

the Province may declare that the Limited Guarantee under this Agreement shall not apply to any Primary Obligations incurred[14] on or after such declaration, other than any Refinancing of a Primary Obligation in respect of which the Adherence Conditions had previously been satisfied (provided that the Refinancing is an Approved Obligation), by delivering a written notice in the

[13]~~5~~ **Torys Note:** The Indenture Trustee asked us to delete these representations. They will not provide these types of representations without attaining a legal opinion from outside counsel. To avoid delay, we would ask that the parties agree to this deletion. **Note to Torys:** The representations provided by the Indenture Trustee should be consistent with those in the Trust Indenture.

[14] ~~We will need the ability to amend the Primary Obligations after a Suspension Notice to deal with the Suspension Notice itself.~~

form of Exhibit ~~C~~B (a "**Suspension Notice**") ~~to the Province~~ to the Indenture Trustee, the FSM and the Financing Entity.[15]

The Limited Guarantee shall apply to any Certified Primary Obligation incurred after a Suspension Event on the basis that it is a Refinancing (provided that such Refinancing is an Approved Obligation) only if the FSM certifies to the Province in writing prior to the incurrence that the proceeds of such incurrence will be used solely for the purposes of repaying one or more Certified Primary Obligations incurred prior to the Suspension Event and to which the Limited Guarantee adhered as of the time the Suspension Event occurred, and the delivery of such written certification by the FSM to the Province shall be determinative for the purposes of concluding that such incurrence is a Refinancing for the purposes of Sections 7.01, 7.02 and 7.03.

7.02 ~~8.02~~ Suspension

If a Suspension Notice has been provided under Section ~~8.01~~7.01 (the provision of such notice being a "**Suspension Event**"), the Limited Guarantee shall not apply in respect of any Primary Obligation incurred[16] or amended on or after the time such Suspension Notice is delivered, other than any Refinancing of a Primary Obligation in respect of which the Adherence Conditions had previously been satisfied~~. For greater certainty, the rights of the Province under Article VI shall apply in respect of the Obligations Secured referenced in Section 6.01, including if incurred on or after the time such Suspension Notice is delivered.~~[17] (provided that the Refinancing is an Approved Obligation).

7.03 ~~8.03~~ No Impact on Adherence

For greater certainty, the occurrence of a Suspension Event or a failure by the FSM or the Financing Entity to perform its covenants under this Agreement will not invalidate or extinguish the obligations of the Province under the Limited Guarantee in respect of Approved Obligations in existence prior to the occurrence of the Suspension Event or in respect of any Refinancing of a Primary Obligation in respect of which the Adherence Conditions had previously been satisfied~~, nor will it in any way impact the Obligations Secured which are assumed by the Province in accordance with ARTICLE VI~~ (provided that the Refinancing is an Approved Obligation).

~~[15] OPG has confirmed that it is problematic from an accounting perspective to give the Province a broad right to suspend at any time. As discussed in the meeting, we therefore reintroduced the concept of the Program Breach and Breach Event but we made the breach event generic to ensure we do not have to reference the Process Agreement in this document.~~

~~[16] We will need the ability to amend the Primary Obligations after a Suspension Notice to deal with the Suspension Notice itself.~~

~~[17] We have deleted the concept of the termination notice since it no longer serves a purpose and is potentially confusing to the reader.~~

The Act/Regulation's definition doesn't require that "Refinancings" are simultaneous with the repayment of existing Approved Obligations. We have added a certificate mechanic in 7.01 by which there can be certainty when an obligation is incurred that if the obligation is intended to be a refinancing, it will be covered by the guarantee.

CHANGE OF LAW PROTECTION AGREEMENT

Dated as of [■], 2017

[1] This Agreement and the Process Agreement will need to be effective on closing but signed and held in escrow as soon as they are settled ~~and prior to pricing of the term deal~~. **Note to Torys:** Logistics of closing are under consideration.

[2] **Torys Note:** Please advise if there are any further issues with the Manager signing the Protection Agreement on behalf of the Trust? If so, can you please explain the issue. The Manager is currently signing all Program Agreements on behalf of the Trust and has authority to do so. We would like the Manager to sign this Agreement on behalf of the Trust. **Note to Torys:** Manager derives authority under the Management Agreement to sign Program Agreements. Management Agreement powers determined by reference to the Program Agreements, so authority is circular. Ultimately, Province will accept the opinion of Torys on due execution point.

This **AGREEMENT**, among Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), Computershare Trust Company of Canada, in its capacity as trustee (the "**Financing Entity Trustee**") of Fair Hydro Trust, a trust under the laws of the Province of Ontario (the "**Financing Entity**"), Ontario Power Generation Inc., in its capacity as Manager of the Financing Entity and in its capacity as the Financial Services Manager in accordance with the Act (the "**FSM**") and BNY Trust Company of Canada, a trust company existing under the laws of Canada, as Indenture Trustee, is made and entered into as of [■], 2017.

RECITALS

Pursuant to Subsection 5(3) of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**"), the Lieutenant Governor in Council may by order, authorize the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to agree to guarantee or indemnify certain debts, obligations, securities or undertakings associated with an Investment Interest.

Pursuant to an Order in Council dated as of ■1981/2017 (the "**OIC**"), the Lieutenant Governor in Council has, among other things, authorized the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to enter into one or more agreements to guarantee or indemnify the debts, obligations, securities or undertakings of one or more financing entities established or caused to be established pursuant to Subsection 22(2) of the Act by the FSM and that may incur Funding Obligations in connection with one or more Investment Interests.

Pursuant to a Declaration of Trust[3] dated as of ■, 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

The Financing Entity Trustee, in its capacity as trustee of the Financing Entity, and the Indenture Trustee are parties to the Trust Indenture and propose to create and issue series of notes, bonds and other securities as contemplated therein, and to provide security over the assets and undertaking of the Financing Entity in respect of such notes, bonds and securities, as well as other Obligations Secured.

The Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, have determined to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Primary Obligations that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions at the time the Approved Obligation is incurred. This Agreement sets out the terms and conditions of such protections and assurances.

[3] **Torys Note:** We are comfortable on this point because OPG has retained Computershare as issuer trustee. The recitals of the Declaration of Trust provide that Computershare has established the Trust at the request of the FSM. We can also provide you with a copy of the Computershare engagement letter upon request. **Note to Torys:** The Province will accept authorities opinion regarding the Trust from Torys.

All things necessary to make this Agreement a valid and legally binding agreement of the Province, the Financing Entity, the FSM and the Indenture Trustee, in accordance with the Act, the OIC and the Trust Indenture, have been done.

Unless stated otherwise, all amounts herein are stated in Canadian Dollars.

1.18 References to Acts of the Financing Entity

For greater certainty, where any reference is made in this Agreement, or in any other instrument executed pursuant hereto or contemplated hereby to which the Financing Entity or the Financing Entity Trustee, as trustee of the Financing Entity, is party, to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or release to be provided by, a suit or proceeding to be taken by or against, or a covenant, representation or warranty (other than relating to the constitution or existence of the Financing Entity) by or with respect to (i) the Financing Entity or (ii) the Financing Entity Trustee, such reference shall be construed and applied for all purposes as if it referred to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or release to be provided by, a suit or proceeding to be taken by or against or a covenant, representation or warranty (other than relating to the constitution or existence of the Financing Entity) by or with respect to, the Financing Entity Trustee as trustee of the Financing Entity.

1.19 Judgment Currency

(a) If for the purpose of obtaining judgment in any court or for any other purposes (other than conversions specifically provided for in the agreement under which an Approved Obligation arises), it is necessary to convert any amount due under this Agreement from the currency in which it is due (the "**Original Currency**") into another currency (the "**Second Currency**"), the rate of exchange applied shall be that at which, in accordance with normal banking procedures, the purchaser could purchase, in the New York foreign exchange market, the Original Currency with the Second Currency on the date on which judgment is given. The obligation of the Province in respect of any Original Currency due from it to the Indenture Trustee under this Agreement shall, notwithstanding any judgment or payment in such other currency, be discharged only to the extent that, on the Business Day following receipt of any sum so paid or adjudged to be due under this Agreement in the Second Currency, the Indenture Trustee may, in accordance with normal banking procedures, purchase in the New York foreign exchange market the Original Currency with the amount of the Second Currency so paid or so adjudged to be due; and if the amount of the Original Currency so purchased is less than the amount originally due in the Original Currency, the Province shall indemnify the Indenture Trustee against such loss.

(b) The term "rate of exchange" in this Section 1.19 means the spot rate at which the Indenture Trustee, in accordance with normal practice, is able on the relevant date to purchase the Original Currency with the Second Currency and includes any premium and costs of exchange payable in connection with such purchase.

ARTICLE II
AGREEMENT TO PERFORM APPROVED OBLIGATIONS

2.01 Limited Guarantee

(a) Upon the occurrence of a Protection Event, the Indenture Trustee ~~may~~shall (absent the Rating Agency Condition being satisfied with respect to the Protection Event not occurring) deliver a written demand, substantially in the form attached as Exhibit A (a "**Payment Demand**"), to the Province requiring the Province to make payments in respect of the Approved Obligations at the times, in the amounts and subject to the requirements specified in this Agreement. From and after such delivery of a Payment Demand, the Province shall make the following payments in respect of the Approved Obligations (the "**Limited Guarantee**"), and the Financing Entity shall pay, and the Province shall be entitled to be paid, the Subrogation Amounts specified below, on the specified Guarantee Payment Date:

i. Not less than 3 Business Days prior to each day when any payment or payments are to be made in respect of one or more Approved Obligations occurring after such delivery of a Payment Demand (a "**Guarantee Payment Date**"), the Manager shall deliver a written statement setting forth the Aggregate Approved Obligations Amount, if any, in respect of the Approved Obligations that are due and payable on such Guarantee Payment Date, together with a detailed description identifying such Approved Obligations and the nature and amount of payments due and payable thereunder on the Guarantee Payment Date, the aggregate outstanding amount payable by the Financing Entity under such Approved Obligations as of the date of such written statement, and details regarding any default in performance by any party obligated thereunder.

ii. On each such Guarantee Payment Date, the Province shall deposit the Aggregate Approved Obligations Amount into the Protection Account.

iii. On each such Guarantee Payment Date, the Financing Entity and the Indenture Trustee shall ensure that the amounts on deposit in the Protection Account are applied to pay each Beneficiary to whom an amount is due and payable under an Approved Obligation on the Guarantee Payment Date the Approved Obligation Amount for such Beneficiary in respect of such Approved Obligation on such Guarantee Payment Date; provided that if the amount deposited pursuant to clause 2.01(a)ii is insufficient to pay all such Approved Obligation Amounts in full, the

amount on deposit in the Protection Account on the Guarantee Payment Date shall be applied to pay Beneficiaries in the order of priority in which such Approved Obligations are payable under the payment provisions of the Trust Indenture applicable to the making of such payments on the Guarantee Payment Date (each, a "**Beneficiary Payee**").

iv. On any Guarantee Payment Date on which an amount is paid by the Province pursuant to clause 2.01(a)ii, the applicable payment provisions of the Trust Indenture shall, notwithstanding the express terms of such provisions set forth in the Trust Indenture, be applied and operate on the following basis:

(A) the amount payable to a Beneficiary Payee in respect of an Approved Obligation from amounts available under such payment provisions on such Guarantee Payment Date shall be reduced by the amount paid to the Beneficiary Payee pursuant to clause 2.01(a)iii in respect of such Approved Obligation on such Guarantee Payment Date;

(B) the Province shall be paid the lesser of (x) the amount payable to a Beneficiary Payee in respect of an Approved Obligation from amounts available to pay the Beneficiary Payee under such payment provisions on the Guarantee Payment Date, determined without regard to subclause 2.01(a)iv(A), and (y) the amount paid to the Beneficiary Payee pursuant to clause 2.01(a)iii in respect of such Approved Obligation on the Guarantee Payment Date (such ~~payments~~amounts paid to ~~the Province~~Beneficiary Payees being "**Subrogation Amounts**"); and[4]

(C) no Beneficiary having a right to be paid an amount in respect of an Approved Obligation that ranks equal with or subordinate to an Approved Obligation in respect of which an amount is payable to the Province under subclause 2.01(a)iv(B) shall be entitled to make any claim or assert any right in or to the amounts paid or payable to the Province under

[4] **Note:** The Province will be entitled to receive cash flows that would have been required to pay Approved Obligations remaining under the payment waterfalls after satisfaction of all Approved Obligations. Further consideration is required in order to ensure these amounts are paid to the Province, despite those amounts not being paid on a "Guarantee Payment Date" (ie. no amount is paid by the Province under the Limited Guarantee on those later Payment Dates, so currently not covered as not arising on a Guarantee Payment Date). Those residual entitlements must be included as "Subrogation Amounts".

such subclause (including any right or reimbursement, contribution or indemnity) and no such Beneficiary shall have any right or interest in, to or under the Collateral or any proceeds therefrom in respect of such amounts.

v. On any Guarantee Payment Date, the Indenture Trustee shall release and pay to the Province free and clear of any Liens any amount remaining on deposit in the Protection Account that has not been applied to pay Beneficiary Payees on the Guarantee Payment Date in accordance with clause 2.01(a)iii.

vi. In preparing any payment instructions under the Trust Indenture, the Manager shall reflect the amounts payable for the Guarantee Payment Date under Section 2.01(a).

(b) The Province shall, as a payee of Subrogation Amounts under clause 2.01(a)(iv)(B) and any amounts payable under clause 2.01(a)(v)**,** be a "Specified Creditor" under the Trust Indenture and have the benefit of the Collateral thereunder.

(c) For greater certainty, the Limited Guarantee will not apply to any amount or obligation of the Financing Entity that is not or does not arise under an Approved Obligation and will be limited to the right to receive the Approved Obligation Amounts, if any, for payment to Beneficiary Payees and will be subject to the priorities and to the Province's rights to Subrogation Amounts, set forth in Section 2.01(a).

(d) Except as expressly provided in this Agreement, the Province's obligation to provide and perform the Limited Guarantee shall be irrevocable, absolute and unconditional.

(e) Any amount payable by the Province under the Limited Guarantee in respect of an Approved Obligation that is not paid by the Province when required herein shall bear interest from the applicable due date until paid in full at the rate or rates expressed to be payable on the Approved Obligation by their terms.

(f) The right to deliver a Payment Demand and thereupon enforce the Limited Guarantee shall constitute the only remedy available to the Indenture Trustee (and to the Beneficiaries, to the extent they are permitted to exercise any rights, interests, or elections under and in accordance with the Trust Indenture) under this Agreement. Under no circumstances shall the Province be obligated to pay or indemnify the Indenture Trustee or any Beneficiary for consequential, special or punitive damages, or for economic loss or loss of profits; provided that, for greater certainty, economic loss shall not include any amount in respect of any

amount due and payable to a Beneficiary Payee under the Limited Guarantee.

2.02 Intentionally Deleted.

2.03 Absence of Set-off

Subject to applicable law, the Province acknowledges and agrees that each payment to be made by the Province hereunder in respect of an Approved Obligation shall be made as required in whole, without application of any right of set-off and without regard to any equities as between or among any of the Province, the Beneficiaries and/or the Indenture Trustee.

2.04 Payment into Protection Account in Satisfaction

(a) On or before the date of delivery of a Payment Demand to the Province, the Indenture Trustee shall cause to be established and maintained an Eligible Deposit Account (the "**Protection Account**") in the name of the Indenture Trustee, bearing a designation clearly indicating that the funds and other property credited thereto are held for the benefit of the Indenture Trustee and the Beneficiaries. The Protection Account shall be under the control of the Indenture Trustee for the benefit of the Beneficiaries. If, at any time, the institution holding the Protection Account ceases to be an Eligible Institution, the FSM shall notify the Indenture Trustee, and the Indenture Trustee upon being notified in writing of such ineligibility (or the FSM on its behalf) shall within 30 days (or such longer period, not to exceed 45 days, so long as the Rating Agency Condition is satisfied) establish a new Protection Account that is an Eligible Deposit Account and shall transfer any funds or other property from such Protection Account to such new Protection Account. From the date each such new Protection Account is established, it shall be the "Protection Account" for purposes of this Agreement. Funds credited to the Protection Account will be invested and held in accordance with Section **[7.03]** of the Trust Indenture on the basis that it is an Issuer Account.

(b) Notwithstanding the priority of payment requirements set forth in the Trust Indenture and any legal rule concerning the imputation of payments, the Financing Entity and the Indenture Trustee shall ensure that all amounts paid by the Province into the Protection Account on a Guarantee Payment Date in respect of an Approved Obligation are applied to pay the amounts due and payable to the Beneficiaries as and to the extent provided for in Section 2.01(a). Upon a payment having been made by or on behalf of the Province into the Protection Account, the amounts so paid shall for all purposes be considered to have been applied to pay the applicable Beneficiaries as provided for in Section 2.01(a) and thereby reduce the amount due and payable to such Beneficiaries in respect of the applicable Approved Obligations, whereupon an affected Beneficiary shall have no continuing rights, interests or entitlements (including rights as a secured party) in respect of the Approved Obligation to the extent so paid. For greater certainty, the obligations arising in respect of an applicable Approved Obligation shall not be

reduced by such payment as the Province shall become entitled to be paid related Subrogation Amounts and the rights contemplated under Section 2.01(a) and Section 5.01 in relation to such continuing obligations.

2.05 Certain Waivers

The Province hereby waives:

(a) any requirement, and any right to require, that any power be exercised or any action be taken against the Financing Entity or any Collateral for any of the Approved Obligations;

(b) all notices which may be required by applicable law to preserve any rights against the Province hereunder, including any notice of default, demand, dishonour, presentment and protest;

(c) diligence; and

(d) any defence based upon, arising out of or in any way related to any claim that any election of remedies by the Beneficiaries impaired, reduced, released or extinguished any rights that the Province might otherwise have had against the Financing Entity or any other surety.

The Province agrees that each such waiver is made with full knowledge of its significance and consequences and if any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the maximum extent permitted by applicable law.

2.06 Additional Security

This Agreement shall be in addition to and without prejudice to any other security by whomsoever given, held at any time by the Indenture Trustee or for the benefit of any of the Beneficiaries.

2.07 Continuing Liability of the Province

The Approved Obligations shall be deemed not to have been paid, observed or performed, and the liability of the Province hereunder in respect thereof shall continue and not be discharged, to the extent that any payment, observance or performance thereof by the Financing Entity, or out of the proceeds of any Collateral, is recovered from or reimbursed by or for the account of any of the Beneficiaries for any reason, including a preference or fraudulent transfer or by virtue of any subordination (whether present or future or contractual or otherwise) of the Approved Obligations, whether such recovery or payment over is effected by any judgment, decree or order of any court or Governmental Authority, by any plan of reorganization or by settlement or compromise by any of the Beneficiaries (whether or not consented to by the Financing Entity or the Province) of any claim for any such recovery or payment over.

2.08 Continuance of the Limited Guarantee

Subject to Section 2.07, the Limited Guarantee shall continue in full force and effect until the indefeasible payment, observance and performance in full of the Approved Obligations in accordance with Section 8.01.

2.09 Modifications of Approved Obligations

The Province expressly authorizes the Indenture Trustee, at any time and from time to time, without notice and without affecting the liability of the Province hereunder, but subject to compliance with the requirements of the Program Agreements and this Agreement, to:

(a) accept new, additional or replacement instruments, documents, agreements or security in connection with all or any part of the Approved Obligations;

(b) accept partial payments on the Approved Obligations; and

(c) waive, release, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, compromise, liquidate and enforce all or any part of the Approved Obligations and any security or guarantee therefor, and apply any such security and direct the order or manner of sale thereof as the Indenture Trustee (for the benefit of the Beneficiaries) in its discretion may determine.

ARTICLE III
THE INDENTURE TRUSTEE

3.01 The Indenture Trustee

This Agreement is made in favour of the Indenture Trustee in its capacity as trustee under the Trust Indenture. Accordingly, in the event of a new trustee being appointed under the Trust Indenture, such new trustee shall thereupon become and be the Indenture Trustee hereunder, but nevertheless, the Indenture Trustee shall forthwith assign, transfer and make over to the new trustee hereunder this Agreement. All provisions of the Trust Indenture for the protection of the Indenture Trustee or for facilitating the administration of the trusts or otherwise relating to the Indenture Trustee solely as to its holding of the rights thereunder shall apply *mutatis mutandis* to this Agreement and the Indenture Trustee's duties hereunder.

3.02 Acceptance of Trusts

The Indenture Trustee hereby accepts the trusts hereof and agrees to carry out and discharge the same unless and until a new trustee shall be appointed as contemplated in Section 3.01.

ARTICLE IV
APPROVED OBLIGATIONS

4.01 Approval Process

A Primary Obligation shall constitute an Approved Obligation if (i) the Adherence Conditions applicable thereto have been satisfied at the time the Primary Obligation was incurred, or (ii) the Province, in its sole discretion, designates in writing that it is an Approved Obligation.

4.02 Adherence Conditions

The following shall be the Adherence Conditions applicable in relation to each Certified Primary Obligation:

(a) the Certified Primary Obligation when incurred is an Obligation Secured under the Trust Indenture; and

(b) OPG, as FSM, delivers a certificate signed by the Chief Financial Officer and the Treasurer of OPG, or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) and addressed to the Indenture Trustee, on or before the incurrence of a Certified Primary Obligation (provided that delivery may not be more than 5 Business Days before the incurrence of the Certified Primary Obligation), confirming that OPG has delivered to the Province a certificate signed by the Chief Financial Officer and the Treasurer of OPG, or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) confirming that OPG has complied with all of its obligations to the Province and internal requirements and processes in connection with the adherence of the Limited Guarantee to the Certified Primary Obligation; and

(c) in respect of a Certified Primary Obligation other than a Refinancing of a Primary Obligation in respect of which the Adherence Conditions had been satisfied, the Province has not provided a Suspension Notice to the Indenture Trustee, OPG and the Financing Entity.

For greater certainty, (y) satisfaction of the Adherence Conditions for a Certified Primary Obligation shall be deemed satisfaction of the Adherence Conditions in respect of all principal, interest and other amounts owing under the Certified Primary Obligation, as such Certified Primary Obligation may be amended, restated, supplemented or otherwise modified from time to time, and (z) there shall be no Adherence Conditions applicable in relation to a Primary Obligation that is not a Certified Primary Obligation.

4.03 Evidence of Satisfaction

A closing certificate delivered in accordance with Section 4.02(b) in connection with an incurrence of a Certified Primary Obligation shall be determinative as to whether the applicable Adherence Conditions with respect thereto have been satisfied, notwithstanding that such certificate may include inaccuracies, be incomplete or otherwise be defective or deficient, and such closing certificate may be relied upon by any addressee as conclusive evidence of same. A closing certificate that purports on its face to be signed by officers specified in Section 4.02(b) may be relied upon by any addressee without further enquiry or evidence as to the incumbency or signatures of such officers. If a closing certificate is not delivered in accordance with the timing requirements of Section 4.02(b) in respect of a Certified Primary Obligation, such certificate may be delivered at a later date, and be effective as if it had been delivered in accordance with the timing requirement of Section 4.02(b), if at the time such certificate was required to be delivered OPG had delivered to the Province all certifications required by the Province in connection with the adherence of the Limited Guarantee to the Certified Primary Obligation.

ARTICLE V
PROVINCE MATTERS

5.01 Assignment and Subrogation

(a) Upon paying an amount in respect of an Approved Obligation to or at the direction of the Indenture Trustee in satisfaction of the Limited Guarantee, the Province (in addition to and without prejudice to any rights it otherwise has in law or equity) shall be subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation to the extent of such payment, including (i) the right and entitlement to be paid and receive the related Subrogation Amounts, (ii) the benefits of the related Collateral and (iii) all proceeds therefrom. The Province shall have and be entitled to enforce all rights and interests (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)), under and in respect of such Approved Obligation to the extent of the payment by the Province in respect of the Approved Obligation as an absolute assignee of the applicable Beneficiary, with effect from and after the time of such payment, without any further requirement for notice to or acceptance by the Financing Entity of such absolute assignment and without any reduction, set-off or counterclaim on account of any amounts that may, at or after the time of payment, be or become owing by the Beneficiary to the Financing Entity and unaffected by any other rights or equities that arise thereafter as between the Beneficiary and the Financing Entity. The Indenture Trustee shall recognize the Province as being entitled to all of the rights, interests and entitlements of the Beneficiary (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)) in respect and to the extent of the Approved Obligation so paid, determined as of the time of payment, for all purposes under the Trust Indenture, and

the Province shall be treated as a Specified Creditor in respect thereof for all purposes under the Trust Indenture and any other agreement under which the Approved Obligation arises.

(b) The Province (i) acknowledges and agrees in favour of the Indenture Trustee that, upon being subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation in accordance with Section 5.01(a), the Province, in its capacity as a Specified Creditor, will be subject to the provisions applicable to Specified Creditors under the Trust Indenture, including **[Sections 7.04 through 7.11 and 8.13 (Payment Priorities), Section 7.12 (Payments Held in Trust), Section 8.11 (Control by Controlling Class Creditors), Section 8.12 (Limitation on Suits), Section 8.14 (Limited Recourse), Article IX (The Indenture Trustee), including all limitations of liability thereunder, Section 9.14 (Communications to Specified Creditors) and Section 16.01 (No Petition)]**; (ii) consents, requests and authorizes the Issuer and the Indenture Trustee to (x) add the Province to the register of Specified Creditors described in subsection **[13.13(b)]** of the Trust Indenture and (y) disseminate the notice details of the Province to other Specified Creditors for the purposes set out in subsection **[9.14(b)]** of the Trust Indenture, and (iii) confirms that it will execute and deliver, or cause to be executed and delivered, all such further agreements, documents and instruments in connection with this Section 5.01 as the Indenture Trustee ~~shall send notices to the Province, in its capacity as a Specified Creditor, in accordance with Section 8.02.~~may request from time to time for the purpose of giving effect to the terms of this Section 5.01.

5.02 Priorities

For greater certainty, the rights, interests and entitlements of the Province as an assignee and subrogee of and with respect to an Approved Obligation shall rank equally with the rights, interests and entitlements of a Beneficiary to whom a Limited Guarantee payment is made in respect of, and to the extent of the payment made to satisfy, the Approved Obligation and the Province shall not be subject to postponement or subordination with respect thereto except to the extent of the priorities established in relation to the Approved Obligation under the Trust Indenture in the manner and to the extent contemplated in Section ~~7.1~~7.10(d) of the Trust Indenture.

5.03 Intentionally Deleted

5.04 Representations and Warranties

The Province hereby represents and warrants that:

(a) the execution and delivery of, and the performance of its obligations under, this Agreement by the Province have been authorized by all necessary action on the part of the Province;

(b) the execution and delivery of, and the performance of its obligations under, this Agreement by the Province do not result in the violation of any applicable law; and

(c) this Agreement has been duly executed and delivered by the Province.

ARTICLE VI
INDENTURE TRUSTEE MATTERS

6.01 Limited Recourse

No recourse may be taken, directly or indirectly, with respect to the obligations of the Financing Entity under this Agreement, or any certificate or other writing delivered in connection herewith or therewith, against (a) the Financing Entity Trustee in its individual capacity, (b) any owner of a beneficial interest in the Financing Entity or (c) any partner, owner, beneficiary, agent, officer, director, employee or agent of the Financing Entity Trustee in its individual capacity, any holder of a beneficial interest in the Financing Entity or the Financing Entity Trustee or of any successor or assign of the Financing Entity Trustee in its individual capacity, except as any such Person may have expressly agreed (it being understood that the Financing Entity Trustee has no such obligations in its individual capacity).

6.02 Not Responsible for Recitals

The recitals contained herein will be taken as the statements of the Province, the Financing Entity and the FSM, and the Indenture Trustee assumes no responsibility for their correctness. The Indenture Trustee makes no representations as to the validity or sufficiency of this Agreement.

6.03 Representations and Covenants of the Indenture Trustee[45]

The Indenture Trustee represents, warrants and covenants that:

(a) the Indenture Trustee is a trust company organized, existing and in good standing under the laws of Canada; and

(b) the Indenture Trustee is authorized to carry on the business of a trust company in each of the provinces and territories of Canada.

[45] **Torys Note:** The Indenture Trustee asked us to delete these representations. They will not provide these types of representations without attaining a legal opinion from outside counsel. To avoid delay, we would ask that the parties agree to this deletion. **Note to Torys:** The representations provided by the Indenture Trustee should be consistent with those in the Trust Indenture.

ARTICLE VII
SUSPENSION OF ADHERENCE FOR NEW PRIMARY OBLIGATIONS

7.01 Suspension Notice

Upon:

(a) a Program Breach;

(b) a default in the performance, or breach, of any covenants of OPG, as FSM, or OPG, in its corporate capacity, in each case to the Province in connection with its obligations to the Province pursuant to internal requirements and processes in connection with the ~~adherence~~provision of the Limited Guarantee, which continues for thirty (30) days after written notice by the Province to OPG of such default or breach;

(c) a representation or warranty made by OPG or a certification made by one or more officers of OPG, in each case whether as FSM or in its corporate capacity, to the Province in connection with its obligations to the Province pursuant to internal requirements and processes in connection with the ~~adherence~~provision of the Limited Guarantee, proves to be incorrect on the date made and, if curable, is not cured within thirty (30) days after written notice by the Province to OPG of such misrepresentation; or

(d) the FSM no longer being the Manager or actions having been taken by or on behalf of the Indenture Trustee to remove the FSM as the Manager,

the Province may declare that the Limited Guarantee under this Agreement shall not apply to any Primary Obligations incurred on or after such declaration, other than any Refinancing of a Primary Obligation in respect of which the Adherence Conditions had previously been satisfied (provided that the Refinancing is an Approved Obligation), by delivering a written notice in the form of Exhibit B (a "**Suspension Notice**") to the Indenture Trustee, the FSM and the Financing Entity.

The Limited Guarantee shall apply to any Certified Primary Obligation incurred after a Suspension Event on the basis that it is a Refinancing (provided that such Refinancing is an Approved Obligation) only if the FSM certifies to the Province in writing prior to the incurrence that the proceeds of such incurrence will be used solely for the purposes of repaying one or more Certified Primary Obligations incurred prior to the Suspension Event and to which the Limited Guarantee adhered as of the time the Suspension Event occurred, and the delivery of such written certification by the FSM to the Province shall be determinative for the purposes of concluding that such incurrence is a Refinancing for the purposes of Sections 7.01, 7.02 and 7.03.

7.02 Suspension

If a Suspension Notice has been provided under Section 7.01 (the provision of such notice being a "**Suspension Event**"), the Limited Guarantee shall not apply in respect of any

Primary Obligation incurred or amended on or after the time such Suspension Notice is delivered, other than any Refinancing of a Primary Obligation in respect of which the Adherence Conditions had previously been satisfied (provided that the Refinancing is an Approved Obligation).

7.03 No Impact on Adherence

For greater certainty, the occurrence of a Suspension Event or a failure by the FSM or the Financing Entity to perform its covenants under this Agreement will not invalidate or extinguish the obligations of the Province under the Limited Guarantee in respect of Approved Obligations in existence prior to the occurrence of the Suspension Event or in respect of any Refinancing of a Primary Obligation in respect of which the Adherence Conditions had previously been satisfied (provided that the Refinancing is an Approved Obligation).

(b) if an Acceleration has occurred in respect of any Obligations Secured on or before the Guarantee Payment Date, the amount that would be available to be paid to the Beneficiary on such Guarantee Payment Date in respect of the Approved Obligation under the applicable payment provisions of the Trust Indenture, determined on the assumption that the amount available for allocation to Specified Creditors in accordance with such applicable payment provisions of the Trust Indenture in respect of each relevant month during each Reference Period is equal to the estimated Finance Amount determined in respect of such Reference Period for purposes of section 15(1) of the Act (in effect on the date hereof)[5] divided by the number of months in such Reference Period.

[5] ~~**Note to Province**: MOE should confirm that this captures the limitations contemplated in connection with any "acceleration" under the revised Regulation. Consider whether it is necessary to refer specifically to the Regulation to avoid any disconnect, and to tie in specifically to the context of the acceleration scenario applicable at the time.~~

in each case, that materially and adversely affects (a) the ability of the Financing Entity to receive amounts in respect of its Investment Interest so that it can pay Obligations Secured, or (b) this Agreement or any of the agreements under which Obligations Secured arise; or

(b) a court of competent jurisdiction determines that all or a portion of the Act or the regulations made under the Act, as in effect on the date hereof, is *ultra vires* or invalid in a way that materially and adversely affects the ability of the Financing Entity to receive amounts in respect of its Investment Interest so that it can pay Obligations Secured and that has the effect of the Financing Entity not in fact having sufficient funds to pay such Obligations Secured that have become due and payable.

[~~11~~10] **Torys Note:** Refinancings can occur up to six months prior to the application of the refinancing proceeds to the existing obligation. The regulations provide that if the refinancing proceeds are not applied to repay the intended funding obligation, then it is not a Refinancing. Accordingly, we have revised the definition to ensure that Refinancings do not have to be simultaneous with repayment of the existing Approved Obligation (we understand from the dealers that in most circumstances they will not be). **Note to ~~Province~~Torys**: The General Regulation specifically provides that debt can be considered a "Refinancing" when incurred within the 6 months prior to the maturity date of a funding obligation. The Act/Regulation's definition doesn't require that "Refinancings" are simultaneous with the repayment of existing Approved Obligations. ~~Consider if further discussion is required and MOE to specifically confirm understanding of the Regulation on this point~~We have added a certificate mechanic in 7.01 by which there can be certainty when an obligation is incurred that if the obligation is intended to be a refinancing, it will be covered by the guarantee.

PROCESS CERTIFICATE

3.01 Process Certificate

OPG shall deliver a certificate (the "**Process Certificate**"), signed by the Chief Financial Officer and the Treasurer of OPG or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) and addressed to the Province, on or before the incurrence or any amendment[2] of a Funding Obligation, other than any Funding Obligation under which not more than $~~.~~ **[5,000,000]** in the aggregate may become payable by the Financing Entity (provided that delivery may not be more than 5 Business Days before the incurrence or amendment of the Funding Obligation), setting out the following with respect to such Funding Obligation:

(a) the material terms of the Funding Obligation pertaining to (i) in the case of notes, bonds or other securities, the principal amount, interest or discount rate, third party fees, term to maturity, amortization, redemption or extension features, structure and coupon frequency, as applicable, and (ii) in the case of a Derivative Agreement, the notional amount, financial terms and pricing, benchmarks, payment structures and early termination rights;

(b) if an existing Funding Obligation is proposed to be amended, material details respecting such amendment, including regarding the applicable details set forth in Subsection 3.01(a), as the context requires;

[2] ~~**Note to Province:** Please confirm that the timing of the delivery of the Process Certificate is satisfactory to you. The Process Certificate is delivered "on or before" incurrence or amendment. If preferable, we can revert back to the prior timing, which was delivery on the earlier of incurrence/ amendment, or pricing.~~

(c) a statement to the effect that: (i) the Funding Obligation to be incurred or amended (1) will arise under terms and conditions that are Substantially in the Form of the Reference Documentation applicable thereto; (2) in the opinion of the signatories to the Process Certificate, are reasonably incurred or effected in compliance with the Act, the General Regulation, any other enactments related thereto and the applicable Financing Plan; (3) are of a type and are on terms that a reasonably prudent financial services manager would incur in similar circumstances; and (4) reflect, in all material respects, arm's length terms and conditions; and (ii) any Disclosure Document used in connection with the offering and sale of notes, bonds or other securities is Substantially in the Form of the Reference Documentation;

(d) a statement confirming that any disclosure made in respect of the Funding Obligation (including any Disclosure Document, press release or other written communication prepared for dissemination to third parties in relation to the Funding Obligation) that refers to or describes the terms, effect or adherence of or to this Agreement or the Change of Law Protection Agreement has been made available to the Province prior to use or dissemination, other than where such disclosure was substantially the same as a disclosure previously made;

(e) a statement that no Breach Event has occurred on or prior to the date of the Process Certificate, unless such Breach Event has been waived by the Province in writing; and

(f) confirmation that, at the time the Funding Obligation is incurred or amended, the maximum aggregate payment amounts due or becoming due in the future in respect of Repayments under the Funding Obligation, together with all other outstanding amounts due or becoming due in the future in respect of Repayments under all Approved Obligations, do not and will not exceed the ~~then applicable~~ Protection Agreement Maximum~~;~~ applicable on the date that the Process Certificate is delivered;[2] for clarity, Repayments under Obligations Secured owing in currencies other than Canadian dollars will be determined on the date the Process Certificate is delivered hereunder in accordance with the following:

(i) where a Derivative Agreement has been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the hedged value expressed in Canadian dollars; and

(ii) where a Derivative Agreement has not been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the noon spot rate for conversions of any currencies into Canadian dollars.

[2] **Note to Torys:** We believe the revision makes clear that OPG is only certifying as to the Protection Agreement Maximum as at the date the Process Certificate is delivered.

3.02 Acknowledgement regarding delivery of certificate under Change of Law protection Agreement

The Province acknowledges and agrees that, concurrent with the delivery of the Process Certificate pursuant to Section 3.01 of this Agreement, the Chief Financial Officer and the Treasurer of OPG or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) are authorized to deliver the certificate referred to in **[Subsection 4.02(b)]** of the Change of Law Protection Agreement to the Indenture Trustee confirming that OPG has delivered all required certifications to the Province in connection with adherence of the Limited Guarantee to the incurrence of the Certified Primary Obligations in respect of which the certificate in **[Subsection 4.02(b)]** of the Change of Law Protection Agreement is being delivered; provided that, upon receipt of a Suspension Notice under the Change of Law Protection Agreement, OPG covenants not to deliver any further certificates to the Indenture Trustee under **[Subsection 4.02(b)]** of the Change of Law Protection Agreement other than in connection with a Refinancing of a Primary Obligation in respect of which the Adherence Conditions had been satisfied at the time such Primary Obligation was incurred.

3.03 Acknowledgement regarding delivery of Suspension Notice

The parties acknowledge and agree that the Province is entitled to deliver a Suspension Notice under **[Section 7.01]** of the Change of Law Protection Agreement if a Program Breach or Breach Event has occurred. The Province agrees not to deliver a Suspension Notice pursuant to **[Section 7.01]** of the Change of Law Protection Agreement unless a Program Breach or a Breach Event has occurred.

3.04 Meaning of "Reference Documentation"

For the purposes of Subsection 3.01(c), the term "Reference Documentation" shall mean each Transaction Document (including any change, addition or supplement thereto) that, at the relevant time:

(a) is a Transaction Document provided to, and not objected to by, the Province prior to the making of this Agreement, as contemplated in the fifth recital to this Agreement; or

(b) is a Transaction Document provided to the Province in accordance with Subsection 2.01(b) that has not been objected to by the Province, by delivery of an objection notice in writing delivered to OPG, within 10 Business Days after it is provided to the Province.

3.05 Meaning of "Substantially in the Form"

For the purposes of Subsection 3.01(c), the term "Substantially in the Form" shall mean:

(a) with respect to the Reference Documentation referred to in clauses (i) to (xi) of the definition of "Transaction Documents", that there are no differences between

the proposed documents and such Reference Documentation that could result in a change in the material terms or conditions applicable to the applicable Primary Obligation, including regarding the timing of or circumstances under which related payments are or may become due or accrue (including as a result of any default, acceleration, termination, wind-up, liquidation or realization), or that would affect the Province's rights of subrogation or assignment (including pursuant to **[Section 5.01]** of the Change of Law Protection Agreement) or its interests as a subrogee or an assignee, that would arise as a result of performing the Limited Guarantee in respect of the applicable Primary Obligation; provided, however, that the foregoing does not apply to any variable terms to be set forth in the proposed documents as are reasonably contemplated in the Reference Documentation, including the particular financial terms, rates and levels set forth in the proposed documents other than to the extent that the forms of Reference Documentation themselves specify specific requirements, limitations or parameters with respect to such financial terms, rates, levels and parameters; and

(b) with respect to the Reference Documentation referred to in clause (xii) of the definition of "Transaction Documents", that there are no material differences between the form and substance of the proposed Disclosure Document and such form of Disclosure Document and that the proposed Disclosure Document complies in all material respects with all applicable securities disclosure requirements relating to the Primary Obligation subject to distribution thereunder.

ARTICLE IV
PROTECTION AGREEMENT MAXIMUM

4.01 Protection Agreement Maximum

(a) Not less than 15 Business Days, or such lesser period as the Province may agree to in writing, prior to the proposed incurrence of the first Funding Obligation, OPG shall, as the FSM, deliver to the Province: (i) a forecast setting out OPG's expectations regarding the aggregate maximum amount of Repayments that would arise in the future under Approved Obligations to be incurred during the next following 24 month period (the "**Initial Forecast Period**"), which expectations shall be consistent with the Financing Plan (the "**Initial Forecast**"); and (ii) notice of the initial Protection Agreement Maximum, which may not exceed the Initial Forecast.

(b) Not more than 10 Business Days, or such lesser period as the Province may agree to in writing, following receipt of the Initial Forecast and notice of the initial Protection Agreement Maximum from OPG pursuant to Section 4.01(a), the Province may disagree with the Initial Forecast and the initial Protection Agreement Maximum on the basis that (i) there appears to be inaccuracies in the Financing Plan or the Initial Forecast, (ii) the Initial Forecast is inconsistent with the Financing Plan, or (iii) the initial Protection Agreement Maximum is more than the Initial Forecast. If the Province disagrees, OPG shall discuss any

discrepancies with the Province, address any inaccuracies and inconsistencies to the reasonable satisfaction of the Province and OPG, and the initial Protection Agreement Maximum will be revised accordingly and confirmed by an amended notice to the Province.

(c) Between nine (9) and twelve (12) months prior to the end of the Initial Forecast Period, OPG shall, as the FSM, deliver to the Province an updated forecast setting out the sum of (1) the aggregate amount of Repayments that will arise in the future under Approved Obligations that are then outstanding and (2) OPG's expectations regarding the aggregate maximum amount of Repayments that would arise in the future under Approved Obligations to be incurred during the period ending 24 months following the Initial Forecast Period, which expectation shall be consistent with the then applicable Financing Plan. Such updated forecast shall be further updated on a similar basis with respect to each successive 24 month period or more frequently if at any time OPG has knowledge that the most recent forecast is materially inaccurate (the Initial Forecast and each such updated forecast, each a "**Forecast**"). Together with each Forecast, OPG shall also provide a revised Protection Agreement Maximum, which may not exceed such Forecast.

(d) Not more than 10 Business Days, or such lesser period as the Province may agree to in writing, following receipt of any further Forecast and notice of the revised Protection Agreement Maximum from OPG pursuant to Section 4.01(c), the Province may disagree with such further Forecast or revised Protection Agreement Maximum on the basis that (i) there appears to be inaccuracies in the Financing Plan or such further Forecast, (ii) the further Forecast is inconsistent with the Financing Plan, or (iii) the revised Protection Agreement Maximum is more than the further Forecast. If the Province disagrees, OPG shall discuss any discrepancies with the Province, address any inaccuracies and inconsistencies to the reasonable satisfaction of the Province and OPG, and the revised Protection Agreement Maximum will be further revised accordingly and confirmed by an amended notice to the Province.

(e) For clarity, Repayments under Obligations Secured owing in currencies other than Canadian dollars will be valued at the time to be determined for the purposes of this Section 4.01 in accordance with the following:

(i) where a Derivative Agreement has been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the hedged value expressed in Canadian dollars; and

(ii) where a Derivative Agreement has not been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the noon spot rate for conversions of any currencies into Canadian dollars.

Subject: Change of Law Protection Agreement and Change of Law Process Agreement

Rima, Krista, Nina and Michael,

Here are drafts of the Change of Law Protection Agreement and Change of Law Process Agreement. Please note that while various people at the Province have provided considerable thought and input into these drafts, they remain subject to on-going review, comment and consideration (including where indicated in the drafts) by the Province, and of course remain subject to ultimate consideration and approval by the Ministers. This circulation is for discussion purposes only. Please feel free to circulate these drafts to OPG, E&Y, Osler and the Dealers, reflecting that understanding.

We propose that a consolidated mark-up be prepared that reflects all of the issues that you or those others may have, and ideally reflects input from the rating agencies. Once that mark-up is available, we propose that a meeting of interested parties be held to resolve any outstanding issues.

In the meantime, please feel free to call Malle, Toby, Tom, Alena or me if you have questions or concerns.

Regards, Steve

HER MAJESTY THE QUEEN IN RIGHT OF ONTARIO, AS REPRESENTED BY THE MINISTER OF ENERGY AND THE MINISTER OF FINANCE

AND

FAIR HYDRO TRUST, BY ITS MANAGER, ONTARIO POWER GENERATION INC.

AND

ONTARIO POWER GENERATION INC., AS FINANCIAL SERVICES MANAGER

AND

BNY TRUST COMPANY OF CANADA, AS INDENTURE TRUSTEE

CHANGE OF LAW PROTECTION AGREEMENT

Dated as of [■], 2017

This **AGREEMENT**, among Her Majesty the Queen in Right of Ontario as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), Ontario Power Generation Inc., as the Manager and in its capacity as Manager of Fair Hydro Trust, a trust settled by the FSM under the laws of the Province of Ontario (the "**Financing Entity**"), Ontario Power Generation Inc. in its capacity as the Financial Services Manager in accordance with the Act (the "**FSM**") and BNY Trust Company of Canada, a trust company existing under the laws of Canada, as Indenture Trustee and in its capacity as trustee for the Beneficiaries in accordance with the Trust Indenture, is made and entered into as of [■], 2017.

RECITALS

Pursuant to Subsection 5(3) of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**"), the Lieutenant Governor in Council may by order, authorize the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to agree to guarantee or indemnify certain debts, obligations, securities or undertakings associated with an Investment Interest.

Pursuant to an Order in Council dated as of ■ (the "**OIC**"), the Lieutenant Governor in Council has, among other things, authorized the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to enter into one or more agreements to guarantee or indemnify the debts, obligations, securities or undertakings of one or more financing entities established or caused to be established pursuant to Subsection 22(2) of the Act by the FSM and that may incur Funding Obligations in connection with one or more Investment Interests.

Pursuant to a Declaration of Trust dated as of ■, 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

The FSM, as agent of the Financing Entity Trustee, in its capacity as trustee of the Financing Entity, and the Indenture Trustee are parties to the Trust Indenture and propose to create and issue series of notes, bonds and other securities as contemplated therein, and to provide security over the assets and undertaking of the Financing Entity in respect of such notes, bonds and securities, as well as other Obligations Secured.

The Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, have determined to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Obligations Secured that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions at the time the Approved Obligation is incurred or amended. This Agreement sets out the terms and conditions of such protections and assurances.

The FSM and the Province will concurrently enter into the Process Agreement, under which the FSM will agree to perform certain related activities and to provide certain assurances on which the Province will rely, including for the purposes of determining whether the Adherence Conditions have been satisfied in connection with the incurrence or amendment of an Approved Obligation and ensuring that the Province's assumption right may be exercised without impediment on the terms and conditions contemplated in this Agreement.

All things necessary to make this Agreement a valid and legally binding agreement of the Province, the FSM and the Indenture Trustee, in accordance with the Act, the OIC and the Trust Indenture, have been done.

AGREEMENT OF THE PARTIES

In consideration of the respective agreements herein contained, the parties hereto covenant and agree as follows:

ARTICLE I
DEFINITIONS AND OTHER PROVISIONS OF GENERAL APPLICATION

1.01 Interpretation

(a) the terms used in this Agreement that are defined in Schedule A have the meanings assigned to them in Schedule A;

(b) words importing the singular shall include the plural and vice versa, words importing general shall include all genders or the neuter, and words importing the neuter shall include all genders;

(e) the word "will" shall be construed to have the same meaning and effect as the word "shall". The word "or" is not exclusive;

(f) any reference to this Agreement or any other agreement, document or instrument shall be construed as a reference to this Agreement or, as the case may be, such other agreement, document or instrument as the same may have been, or may from time to time be, amended, varied, replaced, amended and restated, supplemented or otherwise modified;

(g) all references in this Agreement to designated "Articles", "Sections", "Subsections", "Schedules", "Exhibits" and other subdivisions are to the designated Articles, Sections, Subsections, Schedules, Exhibits and other subdivisions of this Agreement as originally executed. (i) with respect to the computation of periods of time from a specified date to a later specified date, unless otherwise expressly stated, the word "from" means "from and including" and the words "to" and "until" each mean "to but excluding".

1.02 Proof of Approved Obligations

The efficacy of any agreement, instrument or writing evidencing a Primary Obligation may, in the absence of manifest error, be conclusively proved in any manner that the Indenture Trustee deems to be sufficient.

Any statement of account prepared by the Indenture Trustee as regards the Primary Obligations shall constitute *prima facie* evidence of the amount which, as at the date of the statement so prepared, is due and payable by the Financing Entity to the Beneficiaries and/or the Indenture Trustee and the Province hereby acknowledges and agrees that, absent manifest error, it shall be bound by each such statement. The Indenture Trustee agrees to provide the Province with the computations and calculations used by the Indenture Trustee to prepare each such statement of account promptly following a request therefor.

1.03 Limitation on Rights of and Actions by Specified Creditors

Specified Creditors, as Beneficiaries, shall not have or be permitted to exercise any rights, interests, or elections under this Agreement, other than in the manner and to the extent effected and exercised through the Indenture Trustee under, in accordance with and subject to the limitations set forth in the Trust Indenture.

1.04 Province Retains Rights of Beneficiaries

Without limiting any rights of subrogation or succession that arise pursuant to applicable law or pursuant to the Province's rights as an assignee, subrogee or pursuant to Section 5.01, all of the rights, interests, elections and privileges that would arise in favour of a Beneficiary under the Trust Indenture or other Funding Obligation Agreement under which a related Primary Obligation arises shall automatically arise, vest in and be available to the Province upon performance by the Province of the Primary Obligation. To the extent of any conflict between this Agreement and the Indemnity Agreement by the Province in favour of OPG dated June 1, 2017 in respect of any matter relating to the Province's obligations to indemnify the FSM or the Financing Entity, the latter shall prevail.

1.05 Effect of Headings

The Article and Section headings herein are for convenience only and will not affect the construction hereof.

1.06 Successors and Assigns

All covenants and agreements in this Agreement by the parties will bind their respective successors and permitted assigns, whether so expressed or not. All covenants and agreements of the Indenture Trustee or the FSM in this Agreement shall bind their respective successors, co-trustees and agents.

1.07 Severability

Each of the provisions contained in this Agreement is distinct and severable and a declaration of invalidity or unenforceability of any such provision or part thereof by a court of competent jurisdiction will not affect the validity or enforceability of any other provision hereof. To the extent permitted by applicable law, the parties waive any provision of law which renders any provision of this Agreement invalid or unenforceable in any respect. The parties will engage in good faith negotiations to replace any provision which is declared invalid or unenforceable with a valid and enforceable provision, the economic effect of which comes as close as possible to that of the invalid or unenforceable provision which it replaces.

1.08 Governing Law

THIS AGREEMENT WILL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE PROVINCE OF ONTARIO AND THE FEDERAL LAWS OF CANADA APPLICABLE THEREIN, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

1.09 Proceedings Against the Crown Act

NOTHING IN THIS AGREEMENT OR THE PROGRAM AGREEMENTS AFFECTS THE RIGHTS, PROTECTIONS AND IMMUNITIES OF THE CROWN UNDER THE PROCEEDINGS AGAINST THE CROWN ACT.

1.10 Attornment

EACH PARTY SUBMITS TO THE EXCLUSIVE JURISDICTION OF ANY ONTARIO COURTS SITTING IN TORONTO IN ANY ACTION, APPLICATION, REFERENCE OR OTHER PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT. THE PARTIES HERETO HEREBY WAIVE ANY RIGHT THEY MAY HAVE TO REQUIRE A TRIAL BY JURY OF ANY PROCEEDING COMMENCED IN CONNECTION WITH THIS AGREEMENT.

1.11 Counterparts; Electronic Delivery

This Agreement may be executed in any number of counterparts, each of which so executed will be deemed to be an original, but all such counterparts will together constitute one and the same instrument. Delivery of an executed signature page to this Agreement by a party by electronic transmission will be as effective as delivery of a manually executed copy of the Agreement by such party.

1.12 Change of Law Protection Agreement Referred to in the Trust Indenture

This Agreement is the "Change of Law Protection Agreement" referred to in the Trust Indenture.

1.13 Non-Business Days

Whenever any payment to be made hereunder shall be stated to be due, any period of time would begin or end, any calculation is to be made or any other action to be taken hereunder shall be stated to be required to be taken, on a day other than a Business Day, then (notwithstanding any other provision of this Agreement) such payment shall be made, such period of time shall begin or end, such calculations shall be made and such other action shall be taken on the next succeeding Business Day.

1.14 Waiver, Amendment

Except as expressly provided in this Agreement, no amendment or waiver of this Agreement will be binding unless executed in writing by the party to be bound thereby. No waiver of any provision of this Agreement will constitute a waiver of any other provision nor will any waiver of any provision of this Agreement constitute a continuing waiver unless otherwise expressly provided. A party's failure or delay in exercising any right under this Agreement will not operate as a waiver of that right. A single or partial exercise of any right will not preclude a party from any other or further exercise of that right or the exercise of any other right.

1.15 Interest Act

For the purpose of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest to which any rate of interest payable under this Agreement that is calculated on any basis other than a full calendar year is equivalent may be determined by multiplying such rate by a fraction, the numerator of which is the actual number of days in the calendar year in which such yearly rate of interest is to be ascertained and the denominator of which is the number of days comprising such other basis. The parties further agree that for the purposes of the *Interest Act* (Canada), (i) the principle of deemed reinvestment of interest shall not apply to any interest calculation under this Agreement, and (ii) the rates of interest stipulated in this Agreement are intended to be nominal rates and not effective rates or yields.

1.16 Currency

Unless stated otherwise, all amounts herein are stated in Canadian Dollars.

1.17 References to Acts of the Financing Entity

For greater certainty, where any reference is made in this Agreement, or in any other instrument executed pursuant hereto or contemplated hereby to which the Financing Entity is party, to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or release to be provided by, a suit or proceeding to be taken by or against, or a covenant, representation or warranty (other than relating to the constitution or existence of the Financing Entity) by or with respect to the Financing Entity, such reference shall

be construed and applied for all purposes as if it referred to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or release to be provided by, a suit or proceeding to be taken by or against or a covenant, representation or warranty (other than relating to the constitution or existence of the Financing Entity) by or with respect to, the FSM as agent for the Financing Entity Trustee (in its capacity as trustee of the Financing Entity). **[NTD: Discuss whether the Financing Entity Trustee should be a party to this Agreement and references to the Financing Entity Trustee re-inserted into this section and others.]**

1.18 Judgment Currency

(a) If for the purpose of obtaining judgment in any court or for any other purposes (other than conversions specifically provided for in the agreement under which an Approved Obligation arises), it is necessary to convert any amount due under this Agreement from the currency in which it is due (the "**Original Currency**") into another currency (the "**Second Currency**"), the rate of exchange applied shall be that at which, in accordance with normal banking procedures, the purchaser could purchase, in the New York foreign exchange market, the Original Currency with the Second Currency on the date on which judgment is given. The obligation of the Province in respect of any Original Currency due from it to the Indenture Trustee under this Agreement shall, notwithstanding any judgment or payment in such other currency, be discharged only to the extent that, on the Business Day following receipt of any sum so paid or adjudged to be due under this Agreement in the Second Currency, the Indenture Trustee may, in accordance with normal banking procedures, purchase in the New York foreign exchange market the Original Currency with the amount of the Second Currency so paid or so adjudged to be due; and if the amount of the Original Currency so purchased is less than the amount originally due in the Original Currency, the Province shall indemnify the Indenture Trustee against such loss.

(b) The term "rate of exchange" in this Section 1.19 means the spot rate at which the Indenture Trustee, in accordance with normal practice, is able on the relevant date to purchase the Original Currency with the Second Currency and includes any premium and costs of exchange payable in connection with such purchase.

ARTICLE II
AGREEMENT TO PERFORM APPROVED OBLIGATIONS

2.01 Limited Guarantee

(a) Upon the occurrence of a Protection Event, the Indenture Trustee may provide a written demand, in the form attached as Exhibit A (a "**Payment Demand**"), to the Province requiring the Province to pay the Approved Obligations owing from time to time by the Financing Entity to the Indenture Trustee as and when they become

due and payable[1]. A Payment Demand will not be valid with respect to an Approved Obligation until the amount claimed becomes due and payable in respect of the Approved Obligation in accordance with the Trust Indenture and has not otherwise been paid by the Financing Entity.

(b) Following receipt of a valid Payment Demand under Subsection 2.01(a), the Province shall pay the amounts owing by the Financing Entity to the Indenture Trustee, on behalf of the applicable Beneficiaries, in respect of each Approved Obligation[2], in each case as and when the Approved Obligation becomes due and payable in accordance with its terms and on its scheduled, specified or determined payment date, in each case by the Province depositing or causing the deposit of the applicable payment amount into the Protection Account 5 Business Days prior to the fifteen day of each calendar month (the "**Limited Guarantee**"). For greater certainty, the Limited Guarantee will not apply to any amount or obligation of the Financing Entity that is not or does not arise under an Approved Obligation.

(c) Except as expressly provided in this Agreement, the Province's obligation to provide and perform the Limited Guarantee shall be irrevocable, absolute and unconditional.

(d) Any amount payable by the Province under the Limited Guarantee in respect of an Approved Obligation that is not paid when required herein shall bear interest from the applicable due date until paid in full at the rate or rates expressed to be payable on the Approved Obligation.

(e) The right to deliver a Payment Demand and thereupon enforce the Limited Guarantee shall constitute the only remedy available to the Indenture Trustee under this Agreement. Under no circumstances shall the Province be obligated to pay or indemnify the Indenture Trustee or any Beneficiary for consequential, special or punitive damages.

2.02 <u>Gross-up</u>

All amounts payable by the Province under this Agreement shall be made free and clear of and without deduction for or on account of any present or future taxes, charges, fees, levies, duties or withholdings of any kind. If the Province is obliged to deduct or withhold an amount in respect of any such taxes, charges, fees, levies, duties or withholdings, then in such event the Province shall deposit into the Protection Account such additional amount as is necessary to ensure that the Indenture Trustee receives (on an after-tax basis, after payment of any and all income taxes on such additional amounts) an amount equal to the full amount otherwise due and payable in respect

[1] Consider mechanics for notifying the Province regarding the specific amounts payable and their due dates. Consider attaching a detailed schedule of payments under the Payment Demand and the respective due date of each payment.

[2] Under Subsection 5(3) of the Act, the Province can guarantee only obligations "associated with an investment interest". The guarantee in Section 2.01 of the draft agreement guarantees "Approved Obligations", which in turn relies on the definition of Primary Obligations. The connection between a Primary Obligations and an "investment interest" is therefore crucial. Blakes is considering how to more precisely connect these concepts.

of the related Approved Obligation, net of any such taxes, charges, fees, levies, duties or withholdings.

2.03 Absence of Set-off

The Province acknowledges and agrees that each payment to be made by the Province hereunder in respect of an Approved Obligation shall be made as required in whole, without application of any right of set-off and without regard to any equities as between or among any of the Province, the Beneficiaries and/or the Indenture Trustee.

2.04 Payment into Protection Account in Satisfaction

(a) On or before the date of delivery of a Payment Demand to the Province, the Indenture Trustee shall cause to be established and maintained an Eligible Deposit Account (the "**Protection Account**") in the name of the Indenture Trustee, bearing a designation clearly indicating that the funds and other property credited thereto are held for the benefit of the Indenture Trustee and the Beneficiaries. The Protection Account shall be under the control of the Indenture Trustee for the benefit of the Beneficiaries. If, at any time, the institution holding the Protection Account ceases to be an Eligible Institution, the FSM shall notify the Indenture Trustee, and the Indenture Trustee upon being notified in writing of such ineligibility (or the FSM on its behalf) shall within 30 days (or such longer period, not to exceed 45 days, so long as the Rating Agency Condition is satisfied) establish a new Protection Account that is an Eligible Deposit Account and shall transfer any funds or other property from such Protection Account to such new Protection Account. From the date each such new Protection Account is established, it shall be the "Protection Account." for purposes of this Agreement. Funds credited to the Protection Account will be invested and held in accordance with Section 7.03 of the Trust Indenture as if it were an Issuer Account.

(b) Notwithstanding the priority of payment requirements set forth in the Trust Indenture and any legal rule concerning the imputation of payments, the Indenture Trustee shall apply the full amount paid by the Province into the Protection Account in respect of an Approved Obligation to pay the corresponding amount due and payable to the applicable Beneficiaries under the Approved Obligation. Upon a payment having been made by or on behalf of the Province into the Protection Account in respect of an Approved Obligation, the amount so paid shall for all purposes be considered to have been applied to pay the applicable Beneficiaries and thereby reduce the amount due and payable under the Approved Obligation, whereupon an affected Beneficiary shall have no continuing rights, interests or entitlements (including rights as a secured party) in respect of the Approved Obligation to the extent so paid[3].

[3] Consider how Beneficiary rights under Obligations Secured will be amended under an agreement to which a Beneficiary is not directly a party. To achieve a binding relationship, a corresponding provision should appear in the Trust Indenture and each other contract under which the Obligation Secured arises, to the effect that the Beneficiaries will be deemed to be bound by the agreement of the Indenture Trustee under this Agreement. Please see our addition

2.05 Certain Waivers

The Province hereby waives:

(a) any requirement, and any right to require, that any power be exercised or any action be taken against the Financing Entity or any Collateral for any of the Approved Obligations;

(b) all notices which may be required by applicable law to preserve any rights against the Province hereunder, including any notice of default, demand, dishonour, presentment and protest;

(c) diligence; and

(d) any defence based upon, arising out of or in any way related to any claim that any election of remedies by the Beneficiaries impaired, reduced, released or extinguished any rights that the Province might otherwise have had against the Financing Entity or any other surety. **[NTD: Further consideration required as to whether there should be a waiver of any other equitable defences.]**

The Province agrees that each such waiver is made with full knowledge of its significance and consequences and if any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the maximum extent permitted by applicable law.

2.06 Additional Security

This Agreement shall be in addition to and without prejudice to any other security by whomsoever given, held at any time by the Indenture Trustee or for the benefit of any of the Beneficiaries.

2.07 Continuing Liability of the Province

2.08 Continuance of the Limited Guarantee

Subject to Section 2.07, the Limited Guarantee shall continue in full force and effect until the indefeasible payment, observance and performance in full of the Approved Obligations and termination of the Trust Indenture, or until the Province is no longer required to provide and perform the Limited Guarantee in accordance with Section 6.03.

2.09 Modifications of Approved Obligations

The Province expressly authorizes the Indenture Trustee, at any time and from time to time, without notice and without affecting the liability of the Province hereunder, but subject to compliance with the requirements of the Program Agreements, to:

ARTICLE III
THE INDENTURE TRUSTEE

3.01 The Indenture Trustee

This Agreement is made in favour of the Indenture Trustee in its capacity as trustee under the Trust Indenture. Accordingly, in the event of a new trustee being appointed under the Trust Indenture, such new trustee shall thereupon become and be the Indenture Trustee hereunder, but nevertheless, the Indenture Trustee shall forthwith assign, transfer and make over to the new trustee hereunder this Agreement. All provisions of the Trust Indenture for the protection of the Indenture Trustee or for facilitating the administration of the trusts or otherwise relating to the Indenture Trustee solely as to its holding of the rights thereunder shall apply *mutatis mutandis* to this Agreement and the Indenture Trustee's duties hereunder.

3.02 Acceptance of Trusts

The Indenture Trustee hereby accepts the trusts hereof and agrees to carry out and discharge the same unless and until a new trustee shall be appointed as contemplated in Section 3.01.

ARTICLE IV

The following shall be the Adherence Conditions applicable in relation to a Primary Obligation:

(a) the Primary Obligation is contemplated under the Trust Indenture as an Obligation Secured; and

(b) **[NTD: already covered in process certificate in section 3.01 of the Process Agreement]**

(c) **[NTD: already covered under Process Agreement.]**

(d) the FSM delivers a certificate signed by the Chief Financial Officer and the Treasurer of OPG (or their respective designees, provided that such designees are executive officers of OPG and, for clarity, such certificate is to be provided in OPG's capacity as FSM) and addressed to the Indenture Trustee, one Business Day prior to the earlier of (i) one Business Day prior to the incurrence or any amendment of the Primary Obligation, and (ii) on the Business Day on which the financial terms of the Primary Obligation are definitively determined (including the interest or discount rate applicable to any notes, bonds or other securities), confirming that the FSM has delivered to the Province a Process Certificate in accordance with Section **[3.01]** of the Process Agreement; and

(e) **[NTD: This is more properly dealt with in Section 8.02 of this Agreement.]**.

4.03 Evidence of Satisfaction

A closing certificate delivered in accordance with Section 4.02 in connection with an incurrence or amendment of a Primary Obligation shall be determinative as to whether the applicable Adherence Conditions with respect thereto have been satisfied, notwithstanding that such certificate may include inaccuracies, be incomplete or otherwise be defective or deficient, and such closing certificate may be relied upon by any addressee as conclusive evidence of same.

ARTICLE V
PROVINCE MATTERS

5.01 Assignment and Subrogation

(a) Upon paying an amount in respect of an Approved Obligation:

i. to or at the direction of the Indenture Trustee in satisfaction of the Limited Guarantee; or

ii. **[as a result of assuming the Financing Entity's obligations in respect of all Obligations Secured under Article VI,] [NTD: This requires further discussion depending on the terms of the assignment and assumption agreement. If the Obligations Secured are assigned and assumed by the Province under Article VI, how would the Province be subrogated and entitled to the Beneficiary's rights and interests under the Approved Obligation? Consider limiting the application of this section 5.01 to the Limited Guarantee.]**

the Province (in addition to and without prejudice to any rights it otherwise has in law or equity) shall be subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation to the extent of such payment, including (i) the right and entitlement to be paid and receive distributions of such amount by the Financing Entity in accordance with and in the priority applicable to the Approved Obligation applicable in respect of the payment under the Trust Indenture, (ii) the benefits of the related Collateral and (iii) all proceeds therefrom. Subject to Section 5.01(b), the Province shall have and be entitled to enforce all rights and interests (including as a Specified Creditor under the Trust Indenture) under such Approved Obligation as an absolute assignee of the applicable Beneficiary, with effect from and after the time of such payment, without any further requirement for notice to or acceptance by the Financing Entity of such absolute assignment and without any reduction, set-off or counterclaim on account of any amounts that may, at or after the time of payment, be or become owing by the Beneficiary to the Financing Entity and unaffected by any other rights or equities that arise thereafter as between the Beneficiary and the Financing Entity. Subject to Section 5.01(b), the Indenture Trustee shall recognize the Province as being entitled to all of the rights, interests and entitlements of the Beneficiary (including, if applicable, as a Noteholder) in respect and to the extent of the Approved Obligation so paid, determined as of the time of payment, for all purposes under the Trust Indenture, and the Province shall be treated as a Specified Creditor in respect thereof for all purposes under the Trust Indenture and any other agreement under which the Approved Obligation arises.

(b) the Province (i) acknowledges and agrees in favour of the Indenture Trustee that, upon being subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation in accordance with Section 5.01(a), the Province will be a Specified Creditor hereunder and its entitlements as a Specified Creditor are subject to the provisions applicable to Specified Creditors under the Trust Indenture including, without limitation, **[Section 7.11 (Payments Held in Trust), Section 8.12 (Limitation on Suits), Sections 7.04 and 8.13 (Payment Priorities), Section 8.14 (Limited Recourse) and Section 16.01 (No Petition) thereof]**, (ii) irrevocably authorizes and directs the Indenture Trustee on its behalf to take such action (including the execution and delivery of documents of subordination) as may be necessary or appropriate to

further assure the priority arrangements provided for in **[Article VI and Sections 7.04 and 8.13 of the Trust Indenture]**, (iii) appoints the Indenture Trustee as its agent for any and all such purposes, and (iv) confirms that the Indenture Trustee shall send notices to the Province in accordance with Section 9.02.

5.02 Priorities

For greater certainty, the rights, interests and entitlements of the Province as an assignee and subrogee of and with respect to an Approved Obligation shall rank equally with the rights, interests and entitlements of a Beneficiary for whom a Limited Guarantee payment is made in respect of, and to the extent of the payment made to satisfy, the Approved Obligation and the Province shall not be subject to postponement or subordination with respect thereto except to the extent of the priorities established in relation to the Approved Obligation under the Trust Indenture.

5.03 Voting Rights under "Outstanding Notes"

[Notwithstanding the last three sentences of the definition of "Outstanding" in the Trust Indenture[4]:

(a) **Notes in connection with Approved Obligations in respect of which the Province has rights and interest pursuant to Section 5.01 shall be regarded as "Outstanding" within the meaning of the Trust Indenture; and**

(b) **in determining whether Noteholders of the requisite principal amount of Notes that are Outstanding (as defined in the Trust Indenture) have taken any Action under the Trust Indenture, and for the purposes of Article X of the Trust Indenture, the Province shall be deemed to have the amount of Outstanding (as defined in the Trust Indenture) Notes in proportion to its interest in such Notes based on the amounts that the Province has paid in respect of Approved Obligations under this Agreement.] [NTD: To be discussed. Giving these voting rights to the Province may affect the marketability of the debt under this program.]**

5.04 Province May Perform Other Program Agreement Covenants.

If the Financing Entity fails to perform any covenant under any Program Agreement, the Province may (but, except as expressly provided for under this Agreement, shall not be obligated to) perform such covenant on behalf of the Financing Entity. If the Province performs such a covenant on behalf of the Financing Entity, all sums expended or advanced by the Province in so performing the covenant will bear interest at the rate of interest determined by the Province to reflect market terms and conditions for a borrowing made by the Province at the relevant time from the date of expenditure until repayment by the Financing Entity and will (together with such interest) be paid by the Financing Entity upon demand and will until paid form part of the Obligations Secured subject to Sections **[7.04 and 8.13]** of the Trust Indenture and constitute a

(a) the Province has the necessary power, authority and capacity to execute and perform its obligations under this Agreement;

(b) the execution, delivery and performance by the Province of this Agreement and the completion of the transactions contemplated hereby do not and will not result in a violation of any applicable law;

(c) all necessary action has been taken by the Province including, without limitation, under sections 5(2) and 5(3) of the Act and section 28(1.1) of the *Financial Administration Act*, R.S.O. 1990 c. F. 12, to authorize the execution and delivery of this Agreement by the Province and the performance by the Province of its obligations hereunder; and

On the date that the assignment and assumption of the Obligations Secured by and from the Financing Entity to and by the Province becomes effective (the "**Assumption Effective Date**"), the Province shall no longer be required to provide and perform the Limited Guarantee but will instead be primary obligor under the Obligations Secured. **[NTD: Need to move Article VI of the Change of Law Process Agreement into this Article VI and amend accordingly. Also, we will need to attach the form of Assumption Agreement as an Exhibit to this Agreement that will be used for the assignment and assumption of all Obligations Secured. Contrary to the statement in Section 6.02(f) of the Change of Law Protection Agreement, there will not be a separate form of Assumption Agreement for each Obligation Secured.]**

6.04 Interim Period

Until the effective time of the assignment and assumption of the Obligations Secured by and from the Financing Entity to and by the Province on the Assumption Effective Date, the Province shall continue to perform and be obligated under the Limited Guarantee.

8.04 No Impact on Adherence

For greater certainty, the occurrence of Suspension Event or a failure by the FSM or the Financing Entity to perform its covenants under this Agreement will not invalidate or extinguish the obligations of the Province under the Limited Guarantee in respect of Approved Obligations

This **AGREEMENT**, among Her Majesty the Queen in Right of Ontario as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), ~~**[FINANCING ENTITY TRUSTEE]***~~Ontario Power Generation Inc.*, as the ~~Financing Entity Trustee~~Manager and in its capacity as ~~trustee of the **[FINANCING ENTITY]**~~Manager of Fair Hydro Trust, a trust settled by the FSM under the laws of the Province of Ontario (the "**Financing Entity**"), Ontario Power Generation Inc. in its capacity as the Financial Services Manager in accordance with the Act (the "**FSM**") and ~~**[INDENTURE TRUSTEE]**~~BNY Trust Company of Canada, a trust company existing under the laws of Canada, as Indenture Trustee and in its capacity as trustee for the Beneficiaries in accordance with the Trust Indenture, is made and entered into as of [■], 2017.

Pursuant to an Order in Council dated as of ■ (the "**OIC**"), the Lieutenant Governor in Council has, among other things, authorized the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to enter into one or more agreements to guarantee or indemnify the debts, obligations, securities or undertakings of one or more financing entities established or caused to be established pursuant to Subsection 22(2) of the Act by the FSM and that may incur Funding Obligations in connection with one or more Investment Interests.

Pursuant to a Declaration of Trust dated as of ■, 2017, the ~~FSM established the~~ Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

The ~~trustee~~FSM, as agent of the ~~Financing Entity in its capacity as~~ Financing Entity Trustee, in its capacity as trustee of the Financing Entity, and the Indenture Trustee are parties to the Trust Indenture and propose to create and issue series of notes, bonds and other securities as contemplated therein, and to provide security over the assets and undertaking of the Financing Entity in respect of such notes, bonds and securities, as well as other Obligations Secured.

The Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, have determined to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Obligations Secured that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions at the time the Approved Obligation is incurred or amended. This Agreement sets out the terms and conditions of such protections and assurances.

~~OPG~~The FSM and the Province will concurrently enter into the Process Agreement, under which ~~OPG~~the FSM will agree to perform certain related activities and to provide certain

assurances on which the Province will rely, including for the purposes of determining whether the Adherence Conditions have been satisfied in connection with the incurrence or amendment of an Approved Obligation and ensuring that the Province's assumption right may be exercised without impediment on the terms and conditions contemplated in this Agreement.

All things necessary to make this Agreement a valid and legally binding agreement of the Province, ~~the Financing Entity Trustee,~~ the FSM and the Indenture Trustee, in accordance with the Act, the OIC and the Trust Indenture, have been done.

1.07 ~~1.08~~ Severability

Each of the provisions contained in this Agreement is distinct and severable and a declaration of invalidity or unenforceability of any such provision or part thereof by a court of competent jurisdiction will not affect the validity or enforceability of any other provision hereof. To the extent permitted by applicable law, the parties waive any provision of law which renders any provision of this Agreement invalid or unenforceable in any respect. The parties will engage in good faith negotiations to replace any provision which is declared invalid or unenforceable with a valid and enforceable provision, the economic effect of which comes as close as possible to that of the invalid or unenforceable provision which it replaces.

1.08 ~~1.09~~ Governing Law

THIS AGREEMENT WILL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE PROVINCE OF ONTARIO AND THE FEDERAL LAWS OF CANADA APPLICABLE THEREIN, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

1.14 ~~1.15~~ Waiver, Amendment

Except as expressly provided in this Agreement, no amendment or waiver of this Agreement will be binding unless executed in writing by the party to be bound thereby. No waiver of any provision of this Agreement will constitute a waiver of any other provision nor will any waiver of any provision of this Agreement constitute a continuing waiver unless otherwise expressly provided. A party's failure or delay in exercising any right under this Agreement will not operate as a waiver of that right. A single or partial exercise of any right will not preclude a party from any other or further exercise of that right or the exercise of any other right.

1.15 ~~1.16~~ Interest Act

For the purpose of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest to which any rate of interest payable under this Agreement that is calculated on any basis other than a full calendar year is equivalent may be determined by multiplying such rate by a fraction, the numerator of which is the actual number of days in the calendar year in which such

yearly rate of interest is to be ascertained and the denominator of which is the number of days comprising such other basis. The parties further agree that for the purposes of the *Interest Act* (Canada), (i) the principle of deemed reinvestment of interest shall not apply to any interest calculation under this Agreement, and (ii) the rates of interest stipulated in this Agreement are intended to be nominal rates and not effective rates or yields.

1.16 ~~1.17~~ Currency

Unless stated otherwise, all amounts herein are stated in Canadian Dollars.

1.17 ~~1.18~~ References to Acts of the Financing Entity ~~Trustee~~

For greater certainty, where any reference is made in this Agreement, or in any other instrument executed pursuant hereto or contemplated hereby to which the Financing Entity ~~or the Financing Entity Trustee, as trustee of the Financing Entity,~~ is party, to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or release to be provided by, a suit or proceeding to be taken by or against, or a covenant, representation or warranty (other than relating to the constitution or existence of the Financing Entity) by or with respect to ~~(i)~~ the Financing Entity ~~or (ii) the Financing Entity Trustee~~, such reference shall be construed and applied for all purposes as if it referred to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or release to be provided by, a suit or proceeding to be taken by or against or a covenant, representation or warranty (other than relating to the constitution or existence of the Financing Entity) by or with respect to, the FSM as agent for the Financing Entity Trustee (in its capacity as trustee of the Financing Entity~~,~~). **[NTD: Discuss whether the Financing Entity Trustee should be a party to this Agreement and references to the Financing Entity Trustee re-inserted into this section and others.]**

1.18 ~~1.19~~ Judgment Currency

(a) If for the purpose of obtaining judgment in any court or for any other purposes (other than conversions specifically provided for in the agreement under which an Approved Obligation arises), it is necessary to convert any amount due under this Agreement from the currency in which it is due (the "**Original Currency**") into another currency (the "**Second Currency**"), the rate of exchange applied shall be that at which, in accordance with normal banking procedures, the purchaser could purchase, in the New York foreign exchange market, the Original Currency with the Second Currency on the date on which judgment is given. The obligation of the Province in respect of any Original Currency due from it to the Indenture Trustee under this Agreement shall, notwithstanding any judgment or payment in such other currency, be discharged only to the extent that, on the Business Day following receipt of any sum so paid or adjudged to be due under this Agreement in the Second Currency, the Indenture Trustee may, in accordance with normal banking procedures, purchase in the New York foreign exchange market the Original Currency with the amount of the Second Currency so paid or

so adjudged to be due; and if the amount of the Original Currency so purchased is less than the amount originally due in the Original Currency, the ~~Financing Entity~~Province shall indemnify the Indenture Trustee against such loss.

(b) The term "rate of exchange" in this Section 1.19 means the spot rate at which the Indenture Trustee, in accordance with normal practice, is able on the relevant date to purchase the Original Currency with the Second Currency and includes any premium and costs of exchange payable in connection with such purchase.

ARTICLE II
AGREEMENT TO PERFORM APPROVED OBLIGATIONS

2.01 Limited Guarantee

(a) Upon the occurrence of a Protection Event, the Indenture Trustee may provide a written demand, in the form attached as Exhibit A (a "**Payment Demand**"), to the Province requiring the Province to pay the Approved Obligations owing from time to time by the Financing Entity to the Indenture Trustee as and when they become due and payable~~, without Acceleration~~[1]. A Payment Demand will not be valid with respect to an Approved Obligation until the amount claimed becomes due and payable in respect of the Approved Obligation ~~(without Acceleration)~~ in accordance with the Trust Indenture and has not otherwise been paid by the Financing Entity.

(b) Following receipt of a valid Payment Demand under Subsection 2.01(a), the Province shall pay the amounts owing by the Financing Entity to the Indenture Trustee, on behalf of the applicable Beneficiaries, in respect of each Approved Obligation[2], in each case as and when the Approved Obligation becomes due and payable in accordance with its terms and on its scheduled, specified or determined payment date, ~~as determined without regard to any Acceleration or rights of Acceleration arising under the Approved Obligation,~~ in each case by the Province depositing or causing the deposit of the applicable payment amount into the ~~Collection~~Protection Account 5 Business Days prior to the fifteen day of each calendar month (the "**Limited Guarantee**"). For greater certainty, the Limited Guarantee will not apply to any amount or obligation of the Financing Entity that is not or does not arise under an Approved Obligation~~, including (i) any amounts that are or become payable as a~~

[1] Consider mechanics for notifying the Province regarding the specific amounts payable and their due dates. Consider attaching a detailed schedule of payments under the Payment Demand and the respective due date of each payment.

[2] Under Subsection 5(3) of the Act, the Province can guarantee only obligations "associated with an investment interest". The guarantee in Section 2.01 of the draft agreement guarantees "Approved Obligations", which in turn relies on the definition of Primary Obligations. The connection between a Primary Obligations and an "investment interest" is therefore crucial. Blakes is considering how to more precisely connect these concepts.

result of the exercise of an option of the Financing Entity following a Protection Event, and (ii) amounts required to be deposited by or on behalf of the Financing Entity into any Capital Account, Finance Reserve Account or a Supplemental Reserve Account.

(c) Except as expressly provided in this Agreement, the Province's obligation to provide and perform the Limited Guarantee shall be irrevocable, absolute and unconditional.

(d) Any amount payable by the Province under the Limited Guarantee in respect of an Approved Obligation that is not paid when required herein shall bear interest from the applicable due date until paid in full at the rate or rates expressed to be payable on the Approved Obligation.

(e) The right to deliver a Payment Demand and thereupon enforce the Limited Guarantee shall constitute the only remedy available to the Indenture Trustee under this Agreement. Under no circumstances shall the Province be obligated to pay or indemnify the Indenture Trustee or any Beneficiary for consequential, special or punitive damages, or for economic loss or loss of profits.

2.02 Gross-up

[All amounts payable by the Province under this Agreement shall be made free and clear of and without deduction for or on account of any present or future taxes, charges, fees, levies, duties or withholdings of any kind. If the Province is obliged to deduct or withhold an amount in respect of any such taxes, charges, fees, levies, duties or withholdings, then in such event the Province shall deposit into the CollectionProtection Account such additional amount as is necessary to ensure that the Indenture Trustee receives (on an after-tax basis, after payment of any and all income taxes on such additional amounts) an amount equal to the full amount otherwise due and payable in respect of the related Approved Obligation, net of any such taxes, charges, fees, levies, duties or withholdings.][3]

2.03 Absence of Set-off

The Province acknowledges and agrees that each payment to be made by the Province hereunder in respect of an Approved Obligation shall be made as required in whole, without application of any right of set-off and without regard to any equities as between or among any of the Province, the Beneficiaries and/or the Indenture Trustee.

2.04 Payment into CollectionProtection Account in Satisfaction

(a) On or before the date of delivery of a Payment Demand to the Province, the Indenture Trustee shall cause to be established and maintained an Eligible Deposit Account (the "**Protection Account**") in the name of the Indenture Trustee, bearing a designation clearly indicating that the funds and other property credited

[3] Under consideration.

thereto are held for the benefit of the Indenture Trustee and the Beneficiaries. The Protection Account shall be under the control of the Indenture Trustee for the benefit of the Beneficiaries. If, at any time, the institution holding the Protection Account ceases to be an Eligible Institution, the FSM shall notify the Indenture Trustee, and the Indenture Trustee upon being notified in writing of such ineligibility (or the FSM on its behalf) shall within 30 days (or such longer period, not to exceed 45 days, so long as the Rating Agency Condition is satisfied) establish a new Protection Account that is an Eligible Deposit Account and shall transfer any funds or other property from such Protection Account to such new Protection Account. From the date each such new Protection Account is established, it shall be the "Protection Account." for purposes of this Agreement. Funds credited to the Protection Account will be invested and held in accordance with Section 7.03 of the Trust Indenture as if it were an Issuer Account.

(b) Notwithstanding the priority of payment requirements set forth in the Trust Indenture and any legal rule concerning the imputation of payments, the Indenture Trustee shall apply the full amount paid by the Province into the ~~Collection~~Protection Account in respect of an Approved Obligation to pay the corresponding amount due and payable to the applicable Beneficiaries under the Approved Obligation.[4] Upon a payment having been made by or on behalf of the Province into the ~~Collection~~Protection Account in respect of an Approved Obligation, the amount so paid shall for all purposes be considered to have been applied to pay the applicable Beneficiaries and thereby reduce the amount due and payable under the Approved Obligation, whereupon an affected Beneficiary shall have no continuing rights, interests or entitlements (including rights as a secured party) in respect of the Approved Obligation to the extent so paid~~5~~3.

2.05 Certain Waivers

The Province hereby waives:

(a) any requirement, and any right to require, that any power be exercised or any action be taken against the Financing Entity or any Collateral for any of the Approved Obligations;

(b) all notices which may be required by applicable law to preserve any rights against the Province hereunder, including any notice of default, demand, dishonour, presentment and protest;

[4] ~~This will need to operate in tandem with the Trust Indenture waterfall. The idea is that the Approved Obligations may not necessarily follow the sequence of the "payment waterfall" included in the Trust Indenture, and so amounts from the Province would need to operate independently.~~

~~5~~3 Consider how Beneficiary rights under Obligations Secured will be amended under an agreement to which a Beneficiary is not directly a party. To achieve a binding relationship, a corresponding provision should appear in the Trust Indenture and each other contract under which the Obligation Secured arises, to the effect that the Beneficiaries will be deemed to be bound by the agreement of the Indenture Trustee under this Agreement. Please see our addition in Section 9.08. The Specified Creditors already make the necessary acknowledgement in Article 5 of the Trust Indenture. Isn't this also addressed in section 1.03 above?

(c) diligence; and

(d) any defence based upon, arising out of or in any way related to any claim that any election of remedies by the Beneficiaries impaired, reduced, released or extinguished any rights that the Province might otherwise have had against the Financing Entity or any other surety. **[NTD: Further consideration required as to whether there should be a waiver of any other equitable defences.]**

The Province agrees that each such waiver is made with full knowledge of its significance and consequences and if any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the maximum extent permitted by applicable law.

2.06 Additional Security

This Agreement shall be in addition to and without prejudice to any other security by whomsoever given, held at any time by the Indenture Trustee or for the benefit of any of the Beneficiaries.

2.07 Continuing Liability of the Province

The Approved Obligations shall be deemed not to have been paid, observed or performed, and the liability of the Province hereunder in respect thereof shall continue and not be discharged, to the extent that any payment, observance or performance thereof by the Financing Entity, or out of the proceeds of any Collateral, is recovered from or reimbursed by or for the account of any of the Beneficiaries for any reason, including a preference or fraudulent transfer or by virtue of any subordination (whether present or future or contractual or otherwise) of the Approved Obligations, whether such recovery or payment over is effected by any judgment, decree or order of any court or Governmental Authority, by any plan of reorganization or by settlement or compromise by any of the Beneficiaries (whether or not consented to by the Financing Entity or the Province) of any claim for any such recovery or payment over.

2.08 Continuance of the Limited Guarantee

Subject to Section 2.07, the Limited Guarantee shall continue in full force and effect until the indefeasible payment, observance and performance in full of the Approved Obligations and termination of the Trust Indenture, or until the Province is no longer required to provide and perform the Limited Guarantee in accordance with Section 6.03~~)~~.

2.09 Modifications of Approved Obligations

The Province expressly authorizes the Indenture Trustee, at any time and from time to time, without notice and without affecting the liability of the Province hereunder, but subject to compliance with the requirements of the Program Agreements ~~and this Agreement~~, to:

(a) accept new, additional or replacement instruments, documents, agreements or security in connection with all or any part of the Approved Obligations;

(b) accept partial payments on the Approved Obligations; and

(c) waive, release, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, compromise, liquidate and enforce all or any part of the Approved Obligations and any security or guarantee therefor, and apply any such security and direct the order or manner of sale thereof as the Indenture Trustee (for the benefit of the Beneficiaries) in its discretion may determine~~,provided, however, that the Indenture Trustee shall not permit any change, modification, alteration, amendment, supplement, extension, renewal, compromise, novation, replacement, suspension or waiver of the terms of all or any part of the Approved Obligations or any Collateral therefor expect with the prior written consent of the Province having first been obtained~~.

ARTICLE III
THE INDENTURE TRUSTEE

3.01 The Indenture Trustee

This Agreement is made in favour of the Indenture Trustee in its capacity as trustee under the Trust Indenture. Accordingly, in the event of a new trustee being appointed under the Trust Indenture, such new trustee shall thereupon become and be the Indenture Trustee hereunder, but nevertheless, the Indenture Trustee shall forthwith assign, transfer and make over to the new trustee hereunder this Agreement. All provisions of the Trust Indenture for the protection of the Indenture Trustee or for facilitating the administration of the trusts or otherwise relating to the Indenture Trustee solely as to its holding of the rights thereunder shall apply *mutatis mutandis* to this Agreement and the Indenture Trustee's duties hereunder.

3.02 Acceptance of Trusts

(b) at the time the Primary Obligation is incurred or amended, the maximum aggregate payment amounts due or becoming due in the future in respect of Repayments[6] under the Primary Obligation, together with all other outstanding amounts due or becoming due in the future in respect of Repayments under Approved Obligations, do not exceed the Protection Agreement Maximum;**[NTD: already covered in process certificate in section 3.01 of the Process Agreement]**

(c) the FSM delivers a notice to the Indenture Trustee, with a copy to the Province, one Business Day prior to the incurrence or any amendment of the Primary Obligation, setting out the Protection Agreement Maximum;**[NTD: already covered under Process Agreement.]**

(d) the FSM delivers a certificate signed by the Chief Financial Officer and the Treasurer of OPG (or their respective designees, provided that such designees are executive officers of OPG and, for clarity, such certificate is to be provided in OPG's capacity as FSM) and addressed to the Province and the Indenture Trustee, one Business Day prior to the earlier of (i) one Business Day prior to the incurrence or any amendment of the Primary Obligation, and (ii) on the Business Day on which the financial terms of the Primary Obligation are definitively determined (including the interest or discount rate applicable to any notes, bonds or other securities), setting out the following with respect to the Primary Obligation:

i. confirmation that, at the time the Primary Obligation is incurred or amended, the maximum aggregate payment amounts due or becoming due in the future in respect of Repayments under the Primary Obligation (if any), together with all other outstanding amounts due or becoming due in the future in respect of Repayments under Approved Obligations, do not and will not exceed the Protection Agreement Maximum; andii. confirmation that confirming that the FSM has delivered to the Province a certificateProcess Certificate in accordance with Section **[3.01]** of the Process Agreement confirming, among other things, that the transaction documents in respect of the Primary Obligation are in substantially the form of the documentation reviewed by the Province; and

4.03 Evidence of Satisfaction

ARTICLE V
~~RIGHTS OF THE~~ PROVINCE MATTERS

5.01 Assignment and Subrogation

(a) Upon paying an amount in respect of an Approved Obligation:

i. ~~(a)~~ to or at the direction of the Indenture Trustee in satisfaction of the Limited Guarantee; or

ii. ~~(b)~~ **[as a result of assuming the Financing Entity's obligations in respect of all Obligations Secured under Article VI,] [NTD: This requires further discussion depending on the terms of the assignment and assumption agreement. If the Obligations Secured are assigned and assumed by the Province under Article VI, how would the Province be subrogated and entitled to the Beneficiary's rights and interests under the Approved Obligation? Consider limiting the application of this section 5.01 to the Limited Guarantee.]**

the Province (in addition to and without prejudice to any rights it otherwise has in law or equity) shall be subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation to the extent of such payment, including (i) the right and entitlement to be paid and receive distributions of such amount by the Financing Entity in accordance with and in the priority applicable to the Approved Obligation applicable in respect of the payment under the Trust Indenture, (ii) the benefits of the related Collateral and (iii) all proceeds therefrom. ~~The~~Subject to Section 5.01(b), the Province shall have and be entitled to enforce all rights and interests (including as a ~~secured party~~Specified Creditor under the Trust Indenture) under such Approved Obligation as an absolute assignee of the applicable Beneficiary, with effect from and after the time of such payment, without any further requirement for notice to or acceptance by the Financing Entity of such absolute assignment and without any reduction, set-off or counterclaim on account of any amounts that may, at or after the time of payment, be or become owing by the Beneficiary to the Financing Entity and unaffected by any other rights or equities that arise thereafter as between the Beneficiary and the Financing Entity. ~~The~~Subject to Section 5.01(b), the Indenture Trustee shall recognize the Province as being entitled to all

of the rights, interests and entitlements of the Beneficiary (including, if applicable, as a Noteholder) in respect and to the extent of the Approved Obligation so paid, determined as of the time of payment, for all purposes under the Trust Indenture, and the Province shall be treated as a Specified Creditor in respect thereof for all purposes under the Trust Indenture and any other agreement under which the Approved Obligation arises.

(b) the Province (i) acknowledges and agrees in favour of the Indenture Trustee that, upon being subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation in accordance with Section 5.01(a), the Province will be a Specified Creditor hereunder and its entitlements as a Specified Creditor are subject to the provisions applicable to Specified Creditors under the Trust Indenture including, without limitation, **[Section 7.11 (Payments Held in Trust), Section 8.12 (Limitation on Suits), Sections 7.04 and 8.13 (Payment Priorities), Section 8.14 (Limited Recourse) and Section 16.01 (No Petition) thereof]**, (ii) irrevocably authorizes and directs the Indenture Trustee on its behalf to take such action (including the execution and delivery of documents of subordination) as may be necessary or appropriate to further assure the priority arrangements provided for in **[Article VI and Sections 7.04 and 8.13 of the Trust Indenture]**, (iii) appoints the Indenture Trustee as its agent for any and all such purposes, and (iv) confirms that the Indenture Trustee shall send notices to the Province in accordance with Section 9.02.

5.02 Priorities

For greater certainty, the rights, interests and entitlements of the Province as an assignee and subrogee of and with respect to an Approved Obligation shall rank equally with the rights, interests and entitlements of a Beneficiary for whom a Limited Guarantee payment is made in respect of, and to the extent of the payment made to satisfy, the Approved Obligation and the Province shall not be subject to postponement or subordination with respect thereto except to the extent of the priorities established in relation to the Approved Obligation under the Trust Indenture.

5.03 Voting Rights under "Outstanding Notes"

[Notwithstanding the last three sentences of the definition of "Outstanding" in the Trust Indenture[74]:

CHANGE OF LAW PROCESS AGREEMENT

Dated as of [■], 2017

This **CHANGE OF LAW PROCESS AGREEMENT**, between Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), and Ontario Power Generation Inc. ("**OPG**"), as Financial Services Manager for the Financing Entity in accordance with the Act, is made and entered into as of [■], 2017.

RECITALS

OPG is appointed as the Financial Services Manager under Section 18 of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**").

Pursuant to Section 22(2) of the Act, OPG, in its capacity as the Financial Services Manager (the "**FSM**"), may establish or cause to be established one or more financing entities (as defined in the Act), which may incur Funding Obligations in accordance with the Act.

Pursuant to a Declaration of Trust dated as of [■], 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.[1]

Concurrent with this Agreement, the Province, the FSM, the Financing Entity and the Indenture Trustee will enter into the Change of Law Protection Agreement under which the Province will agree to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Obligations Secured that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions at the time the Approved Obligation is incurred or amended.

Prior to entering into this Agreement, the FSM provided the Province with copies of certain of the Transaction Documents, and the Province has confirmed by a notice delivered to the FSM that the reviewed forms (as further described in such notice) shall be Reviewed Documentation for the purposes of this Agreement.

This Agreement sets out the obligations the FSM has agreed to perform and assurances the FSM has agreed to provide and on which the Province will rely in entering into and implementing the Change of Law Protection Agreement, including for the purposes of determining whether the Adherence Conditions have been satisfied in connection with the incurrence or amendment of an Approved Obligation, maintaining information related to the Program Agreements and the Approved Obligations, and ensuring that the Province's assumption rights pursuant to Article VI of the Change of Law Protection Agreement may be exercised without impediment on the terms and conditions contemplated in this Agreement and the Change of Law Protection Agreement.

All things necessary to make this Agreement a valid and legally binding agreement of the FSM, and of the Province in accordance with the Act, have been done.

[1] Note: This draft only addresses the first Financing Entity. If additional financing entities are established, revisions to this Agreement may be made at that time, in context. Any additional financing entities contemplated should be as contemplated in the Financing Plan.

(c) current versions of all documentation under which the Obligations Secured arise;

(d) copies of all correspondence exchanged between OPG, as the FSM, or the Financing Entity, on the one hand, and any Specified Creditor, Rating Agency or the Indenture Trustee, on the other hand, in each case that may reasonably be considered to be material to the assumption and performance of the Obligations Secured by the Province;

Hi Nina

I'm not sure that this timeframe is doable as we have to review and consult with clients before having this call . I think Tuesday is probably more reasonable to give us time to review the draft that we received late this afternoon coming out of comments at a meeting last Tuesday evening

Thanks

Provincial legal/Blakes/Oslers teams,

As a follow up to my email below and given the challenges with all our schedules, we thought it prudent to block off some time on Monday to discuss the revised Change of Law Agreements. I can confirm that Torys is available for a call between 9:30 am and 2 pm on Monday. Please let us know what times work for you in that window and we will circulate a dial-in.

Best Regards,

Blakes team,

Please find attached consolidated comments from the dealers and OPG (and their counsels) on the draft documents circulated below. These changes are drafting changes and clean up changes that reflect our discussions from earlier this week where we addressed all the open business points. Where we changed a concept or revised the drafting, we provided an explanation in the footnote to assist in your review.

The one substantive point we think requires further discussion is on the assumption mechanics; we understand that the Province is no longer seeking an exchange right. Once you have digested these new drafts, we'd like to schedule a lawyers call early next week to finalize them.

Best Regards,
Nina

Hi Rima. Here are my mark-ups of the agreements Torys circulated yesterday afternoon. These versions have not been reviewed by the Province, but are being circulated to this group to facilitate a discussion shortly at your office. They are/remain subject to Province input, etc. We propose to gather at your office at 5:45, if that makes sense to you.

Hi all

Before we discuss with Oslers and Torys we will have to review these agreements and if there are issue,s that need to be discussed with clients to do that as well so don't think this timing works well for us. Also I have a number of meetings already scheduled for Monday. So it may be that Tuesday works better for us.

Of course we will be reviewing over the weekend because this is the window that they leave us but not sure we will have time for the review and client consultation we need

Thanks

Provincial legal/Blakes/Oslers teams,

As a follow up to my email below and given the challenges with all our schedules, we thought it prudent to block off some time on Monday to discuss the revised Change of Law Agreements. I can confirm that Torys is available for a call between 9:30 am and 2 pm on Monday. Please let us know what times work for you in that window and we will circulate a dial-in.

Best Regards,
Nina

Hi Rima. Here are my mark-ups of the agreements Torys circulated yesterday afternoon. These versions have not been reviewed by the Province, but are being circulated to this group to facilitate a discussion shortly at your office. They are/remain subject to Province input, etc. We propose to gather at your office at 5:45, if that makes sense to you. Regards, Steve

Malle, Steve and Osler Team, attached are rating agency comments on the change of law protection agreement just received from DBRS. We are reviewing these concurrently but are circulating to all parties now in the interests of time (you will see that many of the comments are simply to provide notices to the rating agencies of certain events and there are also some questions about the subrogation mechanics that Blakes/Osler/Torys will need to consider).

Malle and Steve, I expect you previously received the comments communicated to the dealers from Moodys – for ease of reference, I am attaching those comments to this email as well.

Subject: RE: UPDATED - Fair Hydro -- Change of Law Agreements

Malle and Steve, we received a few minor comments from the indenture trustee on the Protection Agreement which are reflected in the attached blackline. We also updated the attached change of law agreements to reflect the following:

n Provide the correct cross-reference in the definition of "executive officers".

n Update the list of Initial Reference Documentation in Schedule A to the Process Agreement to remove the references to the term debt supplements, Master ISDA and OM (since the term deal is no longer closing this year, we are anticipating that those documents may not be finalized prior to execution of the change of law documents).

n A minor change to Section 3.01(e) of the Process Certificate provisions – as we were drafting the form of this certificate for OPG, we realized that the clause didn't work as drafted because it required OPG to make a forward-looking certification tied to a rolling Protection Agreement Maximum. Whenever certified primary obligations are incurred, OPG will certify that the principal payable under those certified primary obligations (together with all other principal repayments in respect of Approved Obligations as of that date) do not exceed the Protection Agreement Maximum at the time of incurrence.

Blacklines are to the versions Nina circulated on Friday. Happy to discuss if you have any questions.

Thanks,
Rima

Subject: Re: UPDATED - Fair Hydro -- Change of Law Agreements

Hi Malle, I appreciate there may have been more blacklining than you expected, but we didn't view the changes as deviating from our business discussion last week. From our perspective, the changes were mainly clean up in nature and we tried to include explanatory footnotes to the revisions so you understood our rationale for the changes. The only point we think we need to discuss is how the assumption is intended to work given that we understand the Province is no longer requiring a right to exchange the Fair Hydro bonds with Provincial bonds — this wasn't a point we discussed in any detail in our meeting so I think we we need to just talk through how we think this would work and then address in the docs as appropriate.

We are on standby and will make ourselves available to discuss at your convenience.

Thanks,
Rima

Hi Nina

I'm not sure that this timeframe is doable as we have to review and consult with clients before having this call . I think Tuesday is probably more reasonable to give us time to review the draft that we received late this afternoon coming out of comments at a meeting last Tuesday evening

Thanks

Provincial legal/Blakes/Oslers teams,

As a follow up to my email below and given the challenges with all our schedules, we thought it prudent to block off some time on Monday to discuss the revised Change of Law Agreements. I can confirm that Torys is available for a call between 9:30 am and 2 pm on Monday. Please let us know what times work for you in that window and we will circulate a dial-in.

Best Regards,

Subject: RE: UPDATED - Fair Hydro -- Change of Law Agreements

Blakes team,

Please find attached consolidated comments from the dealers and OPG (and their counsels) on the draft documents circulated below. These changes are drafting changes and clean up changes that reflect our discussions from earlier this week where we addressed all the open business points. Where we changed a concept or revised the drafting, we provided an explanation in the footnote to assist in your review.

The one substantive point we think requires further discussion is on the assumption mechanics; we understand that the Province is no longer seeking an exchange right. Once you have digested these new drafts, we'd like to schedule a lawyers call early next week to finalize them.

Best Regards,
Nina

Hi Rima. Here are my mark-ups of the agreements Torys circulated yesterday afternoon. These versions have not been reviewed by the Province, but are being circulated to this group to facilitate a discussion shortly at your office. They are/remain subject to Province input, etc. We propose to gather at your office at 5:45, if that makes sense to you. Regards, Steve

*** Exercise caution. This is an EXTERNAL email. DO NOT open attachments or click links from unknown senders or unexpected email. ***

DBRS questions/comments on the draft of the CLPA received Nov 22 below:

- Will there be a legal opinion addressing the binding nature and enforceability of the Protection Agreement on its terms?
- Section 1.15: DBRS expects any material amendment or material waiver to the agreement to be subject to a RAC and prompt notice of any other amendments/waivers/consents.
- Section 2.01: Please provide DBRS prompt written notice of a Protection Event.
    - Section 2.01 (a): “Payment Date” is not defined in this Agreement. Is the reference to the Guarantee Payment Date?
    - Section 2.01 (a)(iv)(ii): Subrogated Amounts: this calculation is confusing and seems to missing the next prong “y”. Is the subrogated amount the amount that has been actually paid to the Beneficiary by the Province in relation to the amounts payable from amounts available?
    - To the extent the amounts paid by the Province into the Protection Account exceed the amounts payable to Beneficiary from amounts available – is that excess the subrogation amount or is that excess just returned to the Province?

- **As a general comment**: With respect to subrogation amounts owing to the Province - the Province seems to maintain a subrogated claim against the Financing Entity that has the same ranking as the Beneficiary obligation that has been paid by the

Province and that subrogated claim is to be paid on the same date the amounts on deposit in the Protection Account are paid to the Beneficiary (i.e. the Province's subrogated claim becomes a Specified Creditor under the Trust Indenture and potentially ranks in priority or pari passu to all other securityholders claims depending on applicable Beneficiary's obligation's respective ranking within the trust indenture waterfall). How will this subrogated claim be satisfied – from what resources? Why has the right of subrogation of the guarantor (the Province) not been postponed until after all the rated obligations have been paid in full?

- Section 4.02: Adherence Obligations:

    - With respect to Funding Obligations under a certain amount that do not need to meet the Adherence Conditions, what would those Funding Obligations consist of? Are these limited amounts still treated as Primary Obligations pursuant to which the guarantee obligation applies?

- Section 4.03: Is 4.02(b)(x) a typo? There is no "x" in 4.02(b)?
- Section 5.01 (a): As per the question above on section 2.01(a)(iv)(ii), please clarify how the Subrogation Amount is calculated (if not based on the actual amount paid by the Province in respect of amounts payable).
- Section 6.01: Why is it at the Province's election to provide the Indenture Trustee notice of the Province's election to assume the Financing Entity's Obligations Secured? Under what circumstances would the Province decide not to provide the Indenture Trustee notice of its election to assume? In any event, DBRS expects to receive prompt written notice of an election to assume and copy of any such Assumption Notice.
- Section 6.04: How long can the Interim Period be in effect during the implementation and completion of the assumption terms? Are the securityholders and Indenture Trustee stayed from accelerating and enforcing if there is an Event of Default under the rated notes during the Interim Period? Are there any other restrictions on the SPV Financing Entity and/or the securityholders during the Interim Period?
- Section 8.01: Under this section the Province may declare at any time for any reason that the guarantee shall not apply to any Obligation Secured incurred on after the date of such declaration (other than the refinancing of a previously incurred funding obligation) by delivering a "Suspension Notice" to the Indenture Trustee/OPG/SPV.

    - Please provide DBRS with prompt written notice of any such Suspension Notice.
    - Please confirm how the Suspension Notice would apply with respect to refinancing, increases or issuances up the program limits under the Warehouse Supplement. For example if a suspension notice is issued does the suspension apply to any issuance of notes for the purposes of refinancing outstanding ABCP? Or does this type of refinancing fall within the carve-out from a suspension notice, "Refinancing of a Primary Obligation" noted in this section 8.01?" Further, will issuances after the Suspension Notice but up to the program limit or already permitted increases be subject to a Suspension Notice?

- Section 8.03: Please provide DBRS with prompt written notice of any such Termination Notice.
- Section 9.03: Please provide DBRS with prompt written notice of any assignment.
- Definitions: Approved Obligation Amount (subsection (b)): Where an acceleration has occurred, how will this calculation address circumstances under which the CEA is no longer able to be charged or collected? Where amounts that would be available to be paid is compromised in some way and acceleration has occurred, could the Approved Obligation Amount be nil?

Subject: Fair Hydro Preliminary Draft Offering Memorandum

DBRS Team,

We have attached a preliminary draft of the Offering Memorandum. Typically we would not share the current form of the OM at this early stage, but we think it may help to advance your process by offering a high-level summary of the market, roles of the various participants and structure. It is worth noting that the OM is not synchronized with the most recent versions of the underlying documents.

As always, please let us know if you have any questions.

Subject: Fair Hydro Materials

DBRS Team,

Further to our kick-off meeting on October 10th, I have attached a comprehensive presentation which contains information about the Ontario Electricity Market, Transaction Overview, Key Agreements and other information that we hope you will find helpful in your understanding and analysis.

In addition I have attached drafts of the Declaration of Trust and Management Agreement. The Declaration of Trust establishes a trust for the purpose of carrying on the activities of a financing entity as defined in the Ontario Fair Hydro Act, 2017. The Management Agreement delegates to OPG all powers and duties of managing the financing entity.

Please let us know if you would like us to arrange a call to walk you through these materials and provide context. Alternatively as you are going through the materials please reach-out with any questions you have.

*** Exercise caution. This is an EXTERNAL email. DO NOT open attachments or click links from unknown senders or unexpected email. ***

John – I spoke with Moody's and DBRS on the Change of Law Protection Agreement ("CPLA"). Here is an update from each rating agency:

Moody's provided the following three comments:

• Section 2.01(a) – "Upon the occurrence of a Protection Event, the Indenture Trustee **may** deliver a written demand to the Province requiring the Province to make payments in respect of the Approved Obligations". Moody's is looking for something that is more iron clad and expected to see "shall" instead of "may".

• Schedule A Defined Terms – "Protection Event":

• at the bottom of paragraph (a) it indicates that the occurrence of any of the events in (i) through (v) are subject to materiality. Moody's view is that if there are any adverse effects it should constitute a Protection Event, and that the materiality threshold should be deleted. The CPLA is a critical piece in their evaluation, and there should be no ambiguity, uncertainty or dispute in determining whether a Protection Event has occurred. Given the large scale of the program, it may be difficult to prove that smaller payment obligations are material, even though it may affect their ability to rate the timely payment of interest, or ultimate payment of principal.

• The test for an adverse effect is that it impairs the ability of the issuer to pay

“Obligations Secured”. Moody’s would like for it to read “Obligations Secured in accordance with their original terms”. Since the Moody’s rating at the time of issuance addresses the timely payment of scheduled interest and repayment of principal on the stated maturity date, they are concerned there could be a change of law that extends the collection period that would still allow for payment of secured debts, but on an elongated timeline. That ability is an issue in their rating of the notes.

DBRS

• I spoke with DBRS this afternoon, and they have prioritized the CPLA, and expect to provide comments by the end of the day tomorrow.

As for the modelling, Moody’s has no further stress cases that it needs evaluated (for now). DBRS mentioned they have asked CIBC to run several different sensitivities and they are awaiting feedback.

Subject: RE: Change of Law Protection Agreement and Change of Law Process Agreement - Fair Hydro

All – please find attached consolidated comments on the Process Agreement and the Protection Agreement blacklined to the drafts circulated by Blakes on Friday. We understand that the current structure requiring satisfaction of the adherence conditions in the Protection Agreement impacts the marketability of the transaction and creates uncertainty for investors. Accordingly, the dealers and OPG would like to discuss with the Province the possibility of moving the adherence conditions to the Process Agreement while preserving the Province's oversight of its obligations under the Protection Agreement. We will provide a proposal on that basis to discuss with the Province. Please note that the attached remains subject to the comments of the working group and the rating agencies.

Nina

HER MAJESTY THE QUEEN IN RIGHT OF ONTARIO, AS REPRESENTED BY THE MINISTER OF ENERGY AND THE MINISTER OF FINANCE

AND

COMPUTERSHARE TRUST COMPANY OF CANADA, AS TRUSTEE OF FAIR HYDRO TRUST[1]

AND

ONTARIO POWER GENERATION INC., AS FINANCIAL SERVICES MANAGER AND AS MANAGER OF FAIR HYDRO TRUST

AND

BNY TRUST COMPANY OF CANADA, AS INDENTURE TRUSTEE

CHANGE OF LAW PROTECTION AGREEMENT

Dated as of [■], 2017

[1] Torys and Blakes to discuss signatory on behalf of the Trust. The Manager is currently signing all Program Agreements on behalf of the Trust and has authority to do so. We would propose to do the same on the change of law agreement.

This **AGREEMENT**, among Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), Computershare Trust Company of Canada, in its capacity as trustee (the "**Financing Entity Trustee**") of Fair Hydro Trust, a trust under the laws of the Province of Ontario (the "**Financing Entity**")[1][2], Ontario Power Generation Inc., in its capacity as Manager of the Financing Entity and in its capacity as the Financial Services Manager in accordance with the Act (the "**FSM**") and BNY Trust Company of Canada, a trust company existing under the laws of Canada, as Indenture Trustee, is made and entered into as of [■], 2017.

RECITALS

Pursuant to Subsection 5(3) of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**"), the Lieutenant Governor in Council may by order, authorize the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to agree to guarantee or indemnify certain debts, obligations, securities or undertakings associated with an Investment Interest.

Pursuant to an Order in Council dated as of ■ (the "**OIC**"), the Lieutenant Governor in Council has, among other things, authorized the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to enter into one or more agreements to guarantee or indemnify the debts, obligations, securities or undertakings of one or more financing entities established or caused to be established pursuant to Subsection 22(2) of the Act by the FSM and that may incur Funding Obligations in connection with one or more Investment Interests.

Pursuant to a Declaration of Trust[2][3] dated as of ■, 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

The Financing Entity Trustee, in its capacity as trustee of the Financing Entity, and the Indenture Trustee are parties to the Trust Indenture and propose to create and issue series of notes, bonds and other securities as contemplated therein, and to provide security over the assets and undertaking of the Financing Entity in respect of such notes, bonds and securities, as well as other Obligations Secured.

The Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, have determined to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Obligations Secured that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions at the time the Approved Obligation is incurred or amended. This Agreement sets out the terms and conditions of such protections and assurances.

[1][2] Province needs the Trust as a party to be assured of its rights of subrogation, step-in, etc.

[2][3] Torys to confirm that Trust is a "financing entity" under OFHPA. Under definition, FSM to establish or cause to be established. DofT indicates Computershare declares trust. Need to have this confirmed for purposes of authority under OFHPA 5(3), among other things.

~~OPG and the Province will concurrently enter into the Process Agreement, under which OPG will agree to perform certain activities and to provide certain assurances in relation to this Agreement, on which the Province will rely.~~

All things necessary to make this Agreement a valid and legally binding agreement of the Province, the Financing Entity, the FSM and the Indenture Trustee, in accordance with the Act, the OIC and the Trust Indenture, have been done.

AGREEMENT OF THE PARTIES

In consideration of the respective agreements herein contained, the parties hereto covenant and agree as follows:

ARTICLE I
DEFINITIONS AND OTHER PROVISIONS OF GENERAL APPLICATION

1.01 Interpretation

For all purposes of this Agreement, except as otherwise expressly provided or unless the context otherwise requires:

(a) the terms used in this Agreement that are defined in Schedule A have the meanings assigned to them in Schedule A;

(b) words importing the singular shall include the plural and vice versa, words importing general shall include all genders or the neuter, and words importing the neuter shall include all genders;

(c) all references to any Person shall include such Person's permitted successors and assigns, and any reference to a Person in a particular capacity excludes such Person in other capacities;

(d) references to any law, rule, regulation or order of a Governmental Authority (including, for greater certainty, references to the Act and the General Regulation) shall include such law, rule, regulation or order as from time to time in effect, including any amendment, modification, codification, replacement or reenactment thereof or any substitution therefor;

(e) the word "will" shall be construed to have the same meaning and effect as the word "shall". The word "or" is not exclusive;

(f) any reference to this Agreement or any other agreement, document or instrument shall be construed as a reference to this Agreement or, as the case may be, such other agreement, document or instrument as the same may have been, or may from time to time be, amended, varied, replaced, amended and restated, supplemented or otherwise modified;

(g) all references in this Agreement to designated "Articles", "Sections", "Subsections", "Schedules", "Exhibits" and other subdivisions are to the designated Articles, Sections, Subsections, Schedules, Exhibits and other subdivisions of this Agreement as originally executed. The words "herein", "hereof" and "hereunder" and other words of similar import refer to this Agreement as a whole and not to any particular Article, Section, Subsection, Schedule, Exhibit or other subdivision;

(h) "including" and words of similar import will be deemed to be followed by "without limitation"; and

(i) with respect to the computation of periods of time from a specified date to a later specified date, unless otherwise expressly stated, the word "from" means "from and including" and the words "to" and "until" each mean "to but excluding".

1.02 Trustee to act in accordance with the Trust Indenture

Any action taken, required to be taken or permitted to be taken by the Indenture Trustee under this Agreement shall only be taken in the manner, at the times, for the purposes, subject to the prerequisites, conditions, requirements and limitations, and with the benefits, exculpations, indemnities and protections that are provided to the Indenture Trustee, in each case in respect of such action taken, required to be taken or permitted to be taken by it under the Trust Indenture.

1.03 Proof of Approved Obligations

The efficacy of any agreement, instrument or writing evidencing a Primary Obligation may, in the absence of manifest error, be conclusively proved in any manner that the Indenture Trustee deems to be sufficient.

Any statement of account prepared by the Indenture Trustee as regards the Primary Obligations shall constitute *prima facie* evidence of the amount which, as at the date of the statement so prepared, is due and payable by the Financing Entity to the Beneficiaries and/or the Indenture Trustee and the Province hereby acknowledges and agrees that, absent manifest error, it shall be bound by each such statement. The Indenture Trustee agrees to provide the Province with the computations and calculations used by the Indenture Trustee to prepare each such statement of account promptly following a request therefor.

1.04 Limitation on Rights of and Actions by Specified Creditors

Specified Creditors, as Beneficiaries, shall not have or be permitted to exercise any rights, interests, or elections under this Agreement, other than in the manner and to the extent effected and exercised under, in accordance with and subject to the limitations set forth in the Trust Indenture[34].

[34] With respect to the possibility of unsanctioned amendments, the OPG proposal would allow amendments to be made in favour of bondholders to permit individual bondholders to sue the Province under this agreement. This is one circumstance that demonstrates why the Province needs the right to know about and consider all underlying amendments.

1.05 Province Retains Rights of Beneficiaries

Without limiting any rights of subrogation or succession that arise pursuant to applicable law or pursuant to the Province's rights as an assignee, subrogee or pursuant to Section 2.01 or Section 5.01, all of the rights, interests, elections and privileges that would arise in favour of a Beneficiary under the Trust Indenture or other Funding Obligation Agreement under which a related Primary Obligation arises shall automatically arise, vest in and be available to the Province to the extent of the performance by the Province of the Primary Obligation.

1.06 Effect of Headings

The Article and Section headings herein are for convenience only and will not affect the construction hereof.

1.07 Successors and Assigns

All covenants and agreements in this Agreement by the parties will bind their respective successors and permitted assigns, whether so expressed or not. All covenants and agreements of the **Province, the** Indenture Trustee, the Financing Entity, the Financing Entity Trustee**, the Manager** or the FSM in this Agreement shall bind their respective successors, co-trustees and agents.

1.08 Severability

Each of the provisions contained in this Agreement is distinct and severable and a declaration of invalidity or unenforceability of any such provision or part thereof by a court of competent jurisdiction will not affect the validity or enforceability of any other provision hereof. To the extent permitted by applicable law, the parties waive any provision of law which renders any provision of this Agreement invalid or unenforceable in any respect. **[The parties will engage in good faith negotiations to replace any provision which is declared invalid or unenforceable with a valid and enforceable provision, the economic effect of which comes as close as possible to that of the invalid or unenforceable provision which it replaces.]** **[NTD: this is unusual. Why is it necessary in this Agreement?]**

1.09 Governing Law

THIS AGREEMENT WILL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE PROVINCE OF ONTARIO AND THE FEDERAL LAWS OF CANADA APPLICABLE THEREIN, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

1.10 Proceedings Against the Crown Act

NOTHING IN THIS AGREEMENT OR THE PROGRAM AGREEMENTS AFFECTS THE RIGHTS, PROTECTIONS AND IMMUNITIES OF THE CROWN UNDER THE PROCEEDINGS AGAINST THE CROWN ACT.

1.11 Attornment

EACH PARTY SUBMITS TO THE EXCLUSIVE JURISDICTION OF ANY ONTARIO COURTS SITTING IN TORONTO IN ANY ACTION, APPLICATION, REFERENCE OR OTHER PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT. THE PARTIES HERETO HEREBY WAIVE ANY RIGHT THEY MAY HAVE TO REQUIRE A TRIAL BY JURY OF ANY PROCEEDING COMMENCED IN CONNECTION WITH THIS AGREEMENT.

1.12 Counterparts; Electronic Delivery

This Agreement may be executed in any number of counterparts, each of which so executed will be deemed to be an original, but all such counterparts will together constitute one and the same instrument. Delivery of an executed signature page to this Agreement by a party by electronic transmission will be as effective as delivery of a manually executed copy of the Agreement by such party.

1.13 Change of Law Protection Agreement Referred to in the Trust Indenture

This Agreement is the "Change of Law Protection Agreement" referred to in the Trust Indenture.

1.14 Non-Business Days

Whenever any payment to be made hereunder shall be stated to be due, any period of time would begin or end, any calculation is to be made or any other action to be taken hereunder shall be stated to be required to be taken, on a day other than a Business Day, then (notwithstanding any other provision of this Agreement) such payment shall be made, such period of time shall begin or end, such calculations shall be made and such other action shall be taken on the next succeeding Business Day.

1.15 Waiver, Amendment

Except as expressly provided in this Agreement, no amendment or waiver of this Agreement will be binding unless executed in writing by the party to be bound thereby. No waiver of any provision of this Agreement will constitute a waiver of any other provision nor will any waiver of any provision of this Agreement constitute a continuing waiver unless otherwise expressly provided. A party's failure or delay in exercising any right under this Agreement will not operate as a waiver of that right. A single or partial exercise of any right will not preclude a party from any other or further exercise of that right or the exercise of any other right.

1.16 Interest Act

For the purpose of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest to which any rate of interest payable under this Agreement that is calculated on any basis other than a full calendar year is equivalent may be determined by multiplying such rate by a fraction, the numerator of which is the actual number of days in the calendar year in which such yearly rate of interest is to be ascertained and the denominator of which is the number of days

comprising such other basis. The parties further agree that for the purposes of the *Interest Act* (Canada), (i) the principle of deemed reinvestment of interest shall not apply to any interest calculation under this Agreement, and (ii) the rates of interest stipulated in this Agreement are intended to be nominal rates and not effective rates or yields.

1.17 Currency

Unless stated otherwise, all amounts herein are stated in Canadian Dollars.

1.18 References to Acts of the Financing Entity

For greater certainty, where any reference is made in this Agreement, or in any other instrument executed pursuant hereto or contemplated hereby to which the Financing Entity or the Financing Entity Trustee, as trustee of the Financing Entity, is party, to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or release to be provided by, a suit or proceeding to be taken by or against, or a covenant, representation or warranty (other than relating to the constitution or existence of the Financing Entity) by or with respect to (i) the Financing Entity or (ii) the Financing Entity Trustee, such reference shall be construed and applied for all purposes as if it referred to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or release to be provided by, a suit or proceeding to be taken by or against or a covenant, representation or warranty (other than relating to the constitution or existence of the Financing Entity) by or with respect to, the Financing Entity Trustee as trustee of the Financing Entity.

1.19 Judgment Currency

(a) If for the purpose of obtaining judgment in any court or for any other purposes (other than conversions specifically provided for in the agreement under which an Approved Obligation arises), it is necessary to convert any amount due under this Agreement from the currency in which it is due (the "**Original Currency**") into another currency (the "**Second Currency**"), the rate of exchange applied shall be that at which, in accordance with normal banking procedures, the purchaser could purchase, in the New York foreign exchange market, the Original Currency with the Second Currency on the date on which judgment is given. The obligation of the Province in respect of any Original Currency due from it to the Indenture Trustee under this Agreement shall, notwithstanding any judgment or payment in such other currency, be discharged only to the extent that, on the Business Day following receipt of any sum so paid or adjudged to be due under this Agreement in the Second Currency, the Indenture Trustee may, in accordance with normal banking procedures, purchase in the New York foreign exchange market the Original Currency with the amount of the Second Currency so paid or so adjudged to be due; and if the amount of the Original Currency so purchased is less than the amount originally due in the Original Currency, the Province shall indemnify the Indenture Trustee against such loss.

(b) The term "rate of exchange" in this Section 1.19 means the spot rate at which the Indenture Trustee, in accordance with normal practice, is able on the relevant date to purchase the Original Currency with the Second Currency and includes any premium and costs of exchange payable in connection with such purchase.

vi. In preparing any payment instructions under the Trust Indenture, the Manager shall reflect the amounts payable for the **Guarantee** Payment Date under Section 2.01(a).

(b) The Province shall, as a payee of Subrogation Amounts and any amounts payable under clause 2.01(a)v, be a "Specified Creditor" under the Trust Indenture and have the benefit of the Collateral thereunder.

(c) For greater certainty, the Limited Guarantee will not apply to any amount or obligation of the Financing Entity that is not or does not arise under an Approved Obligation and will be limited to the right to receive the ~~payment amounts~~**Approved Obligation Amounts**, if any, and will be subject to the priorities and to the Province's rights to Subrogation Amounts, set forth in Section 2.01(a).

Under no circumstances shall the Province be obligated to pay or indemnify the Indenture Trustee or any Beneficiary for consequential, special or punitive damages, or for economic loss or loss of profits; provided that, for greater certainty, economic loss shall not include any amount in respect of any amount due and payable to a Beneficiary Payee under the Limited Guarantee.

2.02 Intentionally Deleted.

2.03 Absence of Set-off

Subject to applicable law, the Province acknowledges and agrees that each payment to be made by the Province hereunder in respect of an Approved Obligation shall be made as required in whole, without application of any right of set-off and without regard to any equities as between or among any of the Province, the Beneficiaries and/or the Indenture Trustee.

2.04 Payment into Protection Account[7] in Satisfaction

(a) On or before the date of delivery of a Payment Demand to the Province, the Indenture Trustee shall cause to be established and maintained an Eligible Deposit Account (the "**Protection Account**") in the name of the Indenture Trustee, bearing a designation clearly indicating that the funds and other property credited thereto are held for the benefit of the Indenture Trustee and the Beneficiaries. The Protection Account shall be under the control of the Indenture Trustee for the benefit of the Beneficiaries. If, at any time, the institution holding the Protection Account ceases to be an Eligible Institution, the FSM shall notify the Indenture Trustee, and the Indenture Trustee upon being notified in writing of such ineligibility (or the FSM on its behalf) shall within 30 days (or such longer period, not to exceed 45 days, so long as the Rating Agency Condition is satisfied) establish a new Protection Account that is an Eligible Deposit Account and shall transfer any funds or other property from such Protection Account to such new Protection Account. From the date each such new Protection Account is established, it shall be the "Protection Account" for purposes of this Agreement. Upon a payment having been made by or on behalf of the Province into the Protection Account, the amounts so paid shall for all purposes be considered to have been applied to pay the applicable Beneficiaries as provided for in Section 2.01(a) and thereby reduce the amount due and payable to such Beneficiaries in respect of the applicable Approved Obligations, whereupon an affected Beneficiary shall have no continuing rights, interests or entitlements (including rights as a secured party) in respect of the

For greater certainty, the obligations arising in respect of an applicable Approved Obligation shall not be reduced by such payment as the Province shall become entitled to be paid related Subrogation Amounts and the rights contemplated under Section 2.01(a) and Section 5.01 in relation to such continuing obligations.

2.05 Certain Waivers

The Province hereby waives:

(a) any requirement, and any right to require, that any power be exercised or any action be taken against the Financing Entity or any Collateral for any of the Approved Obligations;

(b) all notices which may be required by applicable law to preserve any rights against the Province hereunder, including any notice of default, demand, dishonour, presentment and protest;

(c) diligence; and

(d) any defence based upon, arising out of or in any way related to any claim that any election of remedies by the Beneficiaries impaired, reduced, released or extinguished any rights that the Province might otherwise have had against the Financing Entity or any other surety.

The Province agrees that each such waiver is made with full knowledge of its significance and consequences and if any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the maximum extent permitted by applicable law.

2.08 Continuance of the Limited Guarantee

Subject to Section 2.07, the Limited Guarantee shall continue in full force and effect until the indefeasible payment, observance and performance in full of the Approved Obligations, or until the Province is no longer required to provide and perform the Limited Guarantee in accordance with ~~Section 6.03 or~~ Section **6.03 or Section** 8.02.

2.09 Modifications of Approved Obligations

The Province expressly authorizes the Indenture Trustee, at any time and from time to time, without notice and without affecting the liability of the Province hereunder, but subject to compliance with the requirements of the Program Agreements[11] and this Agreement, to:

(a) accept new, additional or replacement instruments, documents, agreements or security in connection with all or any part of the Approved Obligations;

(b) accept partial payments on the Approved Obligations; and

(c) waive, release, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, compromise, liquidate and enforce all or any part of the Approved Obligations and any security or guarantee therefor, and apply any such security and direct the order or manner of sale thereof as the Indenture Trustee (for the benefit of the Beneficiaries) in its discretion may determine.

~~(b) following the occurrence of a Breach Event that has not been waived in writing by the Province.~~

[NTD: the concept of Breach Event has been removed from Protection Agreement and replaced by provisions in the Process Agreement providing that upon notice of a Breach Event to OPG in the Process Agreement, OPG will not be permitted to deliver the certificate required to satisfy the Adherence Conditions. This was done to cleanse the Protection Agreement of any references to the Process Agreement but leave the Province in the same position of being able to (indirectly) suspend application of the change of law agreement to future issuances upon a Breach Event.]

8.02 Suspension

If a Suspension Notice has been provided under Section 8.01 (the provision of such notice being a "**Suspension Event**"), the Limited Guarantee shall not apply in respect of any Obligation Secured incurred or amended on or after the time such Suspension Notice is delivered. 8.04 No Impact on Adherence

For greater certainty, the occurrence of Suspension Event or a failure by the FSM or the Financing Entity to perform its covenants under this Agreement will not invalidate or extinguish the obligations of the Province under the Limited Guarantee in respect of Approved Obligations in existence prior to the occurrence of the Suspension Event, nor will it in any way impact the Obligations Secured which are assumed by the Province in accordance with Article VI.

ARTICLE IX

HER MAJESTY THE QUEEN IN RIGHT OF ONTARIO, AS REPRESENTED BY THE MINISTER OF ENERGY AND THE MINISTER OF FINANCE

AND

ONTARIO POWER GENERATION INC.

CHANGE OF LAW PROCESS AGREEMENT

Dated as of [■], 2017

This **CHANGE OF LAW PROCESS AGREEMENT**, between Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), and Ontario Power Generation Inc. ("**OPG**") is made and entered into as of [■], 2017.

RECITALS

OPG is appointed as the Financial Services Manager under Section 18 of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**").

Pursuant to Section 22(2) of the Act, OPG, in its capacity as the Financial Services Manager (the "**FSM**"), may establish or cause to be established one or more financing entities (as defined in the Act), which may incur Funding Obligations in accordance with the Act.[1]

Pursuant to a Declaration of Trust dated as of [■], 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

Concurrent with this Agreement, the Province, the FSM, the Financing Entity and the Indenture Trustee will enter into the Change of Law Protection Agreement under which the Province will agree to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Obligations Secured that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions.

Prior to entering into this Agreement, OPG provided the Province with copies of certain of the Transaction Documents, and the Province has confirmed by a notice delivered to OPG that the reviewed forms (as further described in such notice) shall be Reviewed Documentation for the purposes of this Agreement.[2]

This Agreement sets out the obligations OPG has agreed to perform and assurances OPG has agreed to provide and on which the Province will rely in entering into and implementing the Change of Law Protection Agreement, including for the purposes of determining whether the Adherence Conditions have been satisfied, maintaining information related to the Program Agreements and the Approved Obligations, and ensuring that the Province's assumption rights pursuant to Article VI of the Change of Law Protection Agreement may be exercised without impediment on the terms and conditions contemplated in this Agreement and the Change of Law Protection Agreement.

All things necessary to make this Agreement a valid and legally binding agreement of OPG and the Province, have been done.

[1] Blakes suggests that it be made clear in the Declaration of Trust that OPG is establishing the Trust. Blakes would appreciate the benefit of Torys analysis as to how the Trust is an "entity" under the OFHPA, as opposed to the trustee. Clearly OPG has not established Computershare. **Blakes and Torys to discuss.**

[2] Once agreements are settled, Province to provide draft notice.

AGREEMENT OF THE PARTIES

In consideration of the respective agreements herein contained, the parties hereto covenant and agree as follows:

PROCESS FOR ELECTION TO ASSUME APPROVED OBLIGATIONS[413]

[413] Note: Lawyers to discuss assumption mechanics.

6.01 Election by the Province

Pursuant to Section 6.01 of the Change of Law Protection Agreement, at any time following the occurrence of a Protection Event, the Province may (but shall not be obligated) elect to assume the Financing Entity's obligations in respect of all Obligations Secured, as obligor and debtor by giving notice to the Indenture Trustee. Prior to determining whether or not to exercise its election, the Province may deliver to OPG a notice in the form of Exhibit A (an "**Election Information Notice**"). The Election Information Notice shall, among other things, specify the date on which the Province proposes to assume the Obligations Secured, which date shall be no earlier than 20 Business Days following delivery of the Election Information Notice to OPG (the "**Proposed Assumption Date**").

6.02 Details regarding Obligations Secured

Promptly following the delivery of the Election Information Notice to OPG, OPG shall provide the following information and documentation to the Province:

(a) a summary of the amounts that will be owing under all Obligations Secured as of the Proposed Assumption Date, together with a detailed schedule setting out the dates on which such amounts will become due and payable under the Obligations Secured;

(b) a summary of the rights arising under the Obligations Secured that permit the Financing Entity to assign the Obligations Secured to the Province, including details regarding any conditions precedent to such assignment and the related assumption becoming effective and any notices, filings, consents or other actions that will be required in order to implement and effect such assignment and assumption;

(c) current versions of all documentation under which the Obligations Secured arise;

(d) copies of all correspondence exchanged between OPG, as the FSM, or the Financing Entity, on the one hand, and any Specified Creditor, Rating Agency or the Indenture Trustee, on the other hand, in each case that may reasonably be considered to be material to the assumption and performance of the Obligations Secured by the Province; and

(e) all income tax returns and assessments, financial statements and notices of proceedings of or pertaining to the Financing Entity or its business and any documentation related thereto, including any pleadings, appeals, objections, qualifications or other similar materials in respect of the Financing Entity or any Program Agreement.

6.03 Settlement of Terms

Following receipt and review by the Province of the information and documentation to be provided under Section 6.02, the Province shall confirm in writing whether or not it expects to proceed with the assignment and assumption of the Obligations Secured and, if it will be

proceeding with the assignment and assumption, the date on which the Province expects that assignment and assumption will be effected. If it will be proceeding with such assignment and assumption, the Province will deliver an Assumption Notice as contemplated under Section 6.01 of the Change of Law Protection Agreement. A decision not to proceed with an election at any time will not limit the Province from proceeding with an election at a later date, including by issuing a further Election Information Notice and Article VI of this Agreement shall continues to apply unaffected.

6.04 Cooperation to Implement the Assignment and Assumption

OPG shall cooperate with the Province and, as FSM, will use commercially reasonable efforts to cause the Financing Entity to cooperate, and shall use its commercially reasonable efforts, to complete the assignment and assumption of the Obligations Secured by and from the Financing Entity to and by the Province, by the applicable Assumption Closing Date.

6.05 Terms of Obligations Secured

In order to permit the Province to assume the Obligations Secured in the circumstances contemplated herein, OPG, as FSM, shall cause the Financing Entity to use commercially reasonable efforts to ensure that all Obligations Secured permit such an assignment to and assumption by the Province substantially in accordance with the terms and on the basis contemplated in the Assumption Agreement, without any penalty or make-whole payment, or any requirement for further consent, approval or agreement, or alternatively, in the case of any Obligations Secured entered into by or on behalf of the Financing Entity for the provision of on-going services to the Financing Entity permitting the satisfaction and termination of such Obligations Secured on or prior to the effective time of such assumption without any acceleration of future fees, profits or other like amounts, ~~[~~other than to the extent of payment obligations arise under market standard mark-to-market payment terms and conditions included on a commercially reasonable basis under a Derivative Agreement~~][NTD: Subject to the input of the dealers.]~~[5] [14]

Among other changes, it is contemplated that Torys will add the following to the MTI to address this requirement: (i) Specified Creditors will be required to acknowledge the rights of the Province to assume the Obligations Secured on the basis contemplated in the form of assumption agreement, and (ii) the Indenture Trustee will be permitted to enter into and give effect to the global Assumption Agreement without the consent of Specified Creditors or any other third parties.

(a) a default in the performance, or breach, of any covenants of OPG under this Agreement, which continues for thirty (30) days after written notice by the Province to OPG of such default or breach;

(b) any representation or warranty made by OPG in this Agreement, any certification made in a Process Certificate, or any certification made in a certificate contemplated by Section **[4.02]** of the Change of Law Protection Agreement, proves to be incorrect on the date made and, if curable, is not cured within thirty (30) days after written notice by the Province to OPG of such misrepresentation; or

(c) OPG is no longer the Manager or actions have been taken by or on behalf of the Indenture Trustee to remove OPG as the Manager.

7.02 Notice on Breach Event

If any Breach Event shall have occurred and not been waived in writing by the Province, the Province shall have the right at its option, ~~upon written notice to OPG,~~ and in addition to and not in substitution for any other remedies available hereunder at law or equity, to provide a **written notice in the form of Exhibit ■ (a "Breach Event** Suspension Notice**")** to ~~the Indenture Trustee, OPG and the Financing Entity in accordance with the terms of the Change of Law Protection Agreement~~**OPG**.

HER MAJESTY THE QUEEN IN RIGHT OF ONTARIO, AS REPRESENTED BY THE MINISTER OF ENERGY AND THE MINISTER OF FINANCE

AND

COMPUTERSHARE TRUST COMPANY OF CANADA, AS TRUSTEE OF FAIR HYDRO TRUST[1]

AND

ONTARIO POWER GENERATION INC., AS FINANCIAL SERVICES MANAGER AND AS MANAGER OF FAIR HYDRO TRUST

AND

BNY TRUST COMPANY OF CANADA, AS INDENTURE TRUSTEE

CHANGE OF LAW PROTECTION AGREEMENT

Dated as of [■], 2017

[1] Torys and Blakes to discuss signatory on behalf of the Trust. The Manager is currently signing all Program Agreements on behalf of the Trust and has authority to do so. We would propose to do the same on the change of law agreement.

This **AGREEMENT**, among Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), Computershare Trust Company of Canada, in its capacity as trustee (the "**Financing Entity Trustee**") of Fair Hydro Trust, a trust under the laws of the Province of Ontario (the "**Financing Entity**")[2], Ontario Power Generation Inc., in its capacity as Manager of the Financing Entity and in its capacity as the Financial Services Manager in accordance with the Act (the "**FSM**") and BNY Trust Company of Canada, a trust company existing under the laws of Canada, as Indenture Trustee, is made and entered into as of [■], 2017.

RECITALS

Pursuant to Subsection 5(3) of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**"), the Lieutenant Governor in Council may by order, authorize the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to agree to guarantee or indemnify certain debts, obligations, securities or undertakings associated with an Investment Interest.

Pursuant to an Order in Council dated as of ■ (the "**OIC**"), the Lieutenant Governor in Council has, among other things, authorized the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to enter into one or more agreements to guarantee or indemnify the debts, obligations, securities or undertakings of one or more financing entities established or caused to be established pursuant to Subsection 22(2) of the Act by the FSM and that may incur Funding Obligations in connection with one or more Investment Interests.

Pursuant to a Declaration of Trust[3] dated as of ■, 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

The Financing Entity Trustee, in its capacity as trustee of the Financing Entity, and the Indenture Trustee are parties to the Trust Indenture and propose to create and issue series of notes, bonds and other securities as contemplated therein, and to provide security over the assets and undertaking of the Financing Entity in respect of such notes, bonds and securities, as well as other Obligations Secured.

The Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, have determined to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Obligations Secured that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions at the time the Approved Obligation is incurred or amended. This Agreement sets out the terms and conditions of such protections and assurances.

[2] Province needs the Trust as a party to be assured of its rights of subrogation, step-in, etc.

[3] Torys to confirm that Trust is a "financing entity" under OFHPA. Under definition, FSM to establish or cause to be established. DofT indicates Computershare declares trust. Need to have this confirmed for purposes of authority under OFHPA 5(3), among other things.

All things necessary to make this Agreement a valid and legally binding agreement of the Province, the Financing Entity, the FSM and the Indenture Trustee, in accordance with the Act, the OIC and the Trust Indenture, have been done.

AGREEMENT OF THE PARTIES

In consideration of the respective agreements herein contained, the parties hereto covenant and agree as follows:

ARTICLE I
DEFINITIONS AND OTHER PROVISIONS OF GENERAL APPLICATION

1.01 Interpretation

For all purposes of this Agreement, except as otherwise expressly provided or unless the context otherwise requires:

(a) the terms used in this Agreement that are defined in Schedule A have the meanings assigned to them in Schedule A;

(b) words importing the singular shall include the plural and vice versa, words importing general shall include all genders or the neuter, and words importing the neuter shall include all genders;

(e) the word "will" shall be construed to have the same meaning and effect as the word "shall". The word "or" is not exclusive;

(f) any reference to this Agreement or any other agreement, document or instrument shall be construed as a reference to this Agreement or, as the case may be, such other agreement, document or instrument as the same may have been, or may from time to time be, amended, varied, replaced, amended and restated, supplemented or otherwise modified;

(g) all references in this Agreement to designated "Articles", "Sections", "Subsections", "Schedules", "Exhibits" and other subdivisions are to the designated Articles, Sections, Subsections, Schedules, Exhibits and other subdivisions of this Agreement as originally executed. The words "herein", "hereof" and "hereunder"

and other words of similar import refer to this Agreement as a whole and not to any particular Article, Section, Subsection, Schedule, Exhibit or other subdivision;

(h) "including" and words of similar import will be deemed to be followed by "without limitation"; and

(i) with respect to the computation of periods of time from a specified date to a later specified date, unless otherwise expressly stated, the word "from" means "from and including" and the words "to" and "until" each mean "to but excluding".

1.02 Trustee to act in accordance with the Trust Indenture

Any action taken, required to be taken or permitted to be taken by the Indenture Trustee under this Agreement shall only be taken in the manner, at the times, for the purposes, subject to the prerequisites, conditions, requirements and limitations, and with the benefits, exculpations, indemnities and protections that are provided to the Indenture Trustee, in each case in respect of such action taken, required to be taken or permitted to be taken by it under the Trust Indenture.

1.03 Proof of Approved Obligations

The efficacy of any agreement, instrument or writing evidencing a Primary Obligation may, in the absence of manifest error, be conclusively proved in any manner that the Indenture Trustee deems to be sufficient.

Any statement of account prepared by the Indenture Trustee as regards the Primary Obligations shall constitute *prima facie* evidence of the amount which, as at the date of the statement so prepared, is due and payable by the Financing Entity to the Beneficiaries and/or the Indenture Trustee and the Province hereby acknowledges and agrees that, absent manifest error, it shall be bound by each such statement. The Indenture Trustee agrees to provide the Province with the computations and calculations used by the Indenture Trustee to prepare each such statement of account promptly following a request therefor.

1.04 Limitation on Rights of and Actions by Specified Creditors

Specified Creditors, as Beneficiaries, shall not have or be permitted to exercise any rights, interests, or elections under this Agreement, other than in the manner and to the extent effected and exercised under, in accordance with and subject to the limitations set forth in the Trust Indenture[4].

1.05 Province Retains Rights of Beneficiaries

Without limiting any rights of subrogation or succession that arise pursuant to applicable law or pursuant to the Province's rights as an assignee, subrogee or pursuant to Section 2.01 or

[4] With respect to the possibility of unsanctioned amendments, the OPG proposal would allow amendments to be made in favour of bondholders to permit individual bondholders to sue the Province under this agreement. This is one circumstance that demonstrates why the Province needs the right to know about and consider all underlying amendments.

Section 5.01, all of the rights, interests, elections and privileges that would arise in favour of a Beneficiary under the Trust Indenture or other Funding Obligation Agreement under which a related Primary Obligation arises shall automatically arise, vest in and be available to the Province to the extent of the performance by the Province of the Primary Obligation.

1.06 Effect of Headings

The Article and Section headings herein are for convenience only and will not affect the construction hereof.

1.07 Successors and Assigns

All covenants and agreements in this Agreement by the parties will bind their respective successors and permitted assigns, whether so expressed or not. All covenants and agreements of the Province, the Indenture Trustee, the Financing Entity, the Financing Entity Trustee, the Manager or the FSM in this Agreement shall bind their respective successors, co-trustees and agents.

1.08 Severability

Each of the provisions contained in this Agreement is distinct and severable and a declaration of invalidity or unenforceability of any such provision or part thereof by a court of competent jurisdiction will not affect the validity or enforceability of any other provision hereof. To the extent permitted by applicable law, the parties waive any provision of law which renders any provision of this Agreement invalid or unenforceable in any respect. [**The parties will engage in good faith negotiations to replace any provision which is declared invalid or unenforceable with a valid and enforceable provision, the economic effect of which comes as close as possible to that of the invalid or unenforceable provision which it replaces.**] [**NTD: this is unusual. Why is it necessary in this Agreement?**]

1.09 Governing Law

THIS AGREEMENT WILL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE PROVINCE OF ONTARIO AND THE FEDERAL LAWS OF CANADA APPLICABLE THEREIN, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

1.12 Counterparts; Electronic Delivery

This Agreement may be executed in any number of counterparts, each of which so executed will be deemed to be an original, but all such counterparts will together constitute one and the same instrument. Delivery of an executed signature page to this Agreement by a party by electronic transmission will be as effective as delivery of a manually executed copy of the Agreement by such party.

1.13 Change of Law Protection Agreement Referred to in the Trust Indenture

This Agreement is the "Change of Law Protection Agreement" referred to in the Trust Indenture.

1.14 Non-Business Days

Whenever any payment to be made hereunder shall be stated to be due, any period of time would begin or end, any calculation is to be made or any other action to be taken hereunder shall be stated to be required to be taken, on a day other than a Business Day, then (notwithstanding any other provision of this Agreement) such payment shall be made, such period of time shall begin or end, such calculations shall be made and such other action shall be taken on the next succeeding Business Day.

1.15 Waiver, Amendment

Except as expressly provided in this Agreement, no amendment or waiver of this Agreement will be binding unless executed in writing by the party to be bound thereby. No waiver of any provision of this Agreement will constitute a waiver of any other provision nor will any waiver of any provision of this Agreement constitute a continuing waiver unless otherwise expressly provided. A party's failure or delay in exercising any right under this Agreement will not operate as a waiver of that right. A single or partial exercise of any right will not preclude a party from any other or further exercise of that right or the exercise of any other right.

1.16 Interest Act

For the purpose of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest to which any rate of interest payable under this Agreement that is calculated on any basis other than a full calendar year is equivalent may be determined by multiplying such rate by a fraction, the numerator of which is the actual number of days in the calendar year in which such yearly rate of interest is to be ascertained and the denominator of which is the number of days comprising such other basis. The parties further agree that for the purposes of the *Interest Act* (Canada), (i) the principle of deemed reinvestment of interest shall not apply to any interest calculation under this Agreement, and (ii) the rates of interest stipulated in this Agreement are intended to be nominal rates and not effective rates or yields.

1.17 Currency

Unless stated otherwise, all amounts herein are stated in Canadian Dollars.

1.18 References to Acts of the Financing Entity

For greater certainty, where any reference is made in this Agreement, or in any other instrument executed pursuant hereto or contemplated hereby to which the Financing Entity or the Financing Entity Trustee, as trustee of the Financing Entity, is party, to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or release to be provided by, a suit or proceeding to be taken by or against, or a covenant, representation or warranty (other than relating to the constitution or existence of the Financing Entity) by or with respect to (i) the Financing Entity or (ii) the Financing Entity Trustee, such reference shall be construed and applied for all purposes as if it referred to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or release to be provided by, a suit or proceeding to be taken by or against or a covenant, representation or warranty (other than relating to the constitution or existence of the Financing Entity) by or with respect to, the Financing Entity Trustee as trustee of the Financing Entity.

1.19 Judgment Currency

(a) If for the purpose of obtaining judgment in any court or for any other purposes (other than conversions specifically provided for in the agreement under which an Approved Obligation arises), it is necessary to convert any amount due under this Agreement from the currency in which it is due (the "**Original Currency**") into another currency (the "**Second Currency**"), the rate of exchange applied shall be that at which, in accordance with normal banking procedures, the purchaser could purchase, in the New York foreign exchange market, the Original Currency with the Second Currency on the date on which judgment is given. The obligation of the Province in respect of any Original Currency due from it to the Indenture Trustee under this Agreement shall, notwithstanding any judgment or payment in such other currency, be discharged only to the extent that, on the Business Day following receipt of any sum so paid or adjudged to be due under this Agreement in the Second Currency, the Indenture Trustee may, in accordance with normal banking procedures, purchase in the New York foreign exchange market the Original Currency with the amount of the Second Currency so paid or so adjudged to be due; and if the amount of the Original Currency so purchased is less than the amount originally due in the Original Currency, the Province shall indemnify the Indenture Trustee against such loss.

(b) The term "rate of exchange" in this Section 1.19 means the spot rate at which the Indenture Trustee, in accordance with normal practice, is able on the relevant date to purchase the Original Currency with the Second Currency and includes any premium and costs of exchange payable in connection with such purchase.

ARTICLE II
AGREEMENT TO PERFORM APPROVED OBLIGATIONS

2.01 Limited Guarantee

(a) Upon the occurrence of a Protection Event, the Indenture Trustee may deliver a written demand, substantially in the form attached as Exhibit A (a "**Payment Demand**"), to the Province requiring the Province to make payments in respect of the Approved Obligations at the times, in the amounts and subject to the requirements specified in this Agreement. From and after such delivery of a Payment Demand, the Province shall make the following payments in respect of the Approved Obligations (the "**Limited Guarantee**"), and the Financing Entity shall pay, and the Province shall be entitled to be paid, the Subrogation Amounts specified below, on the specified Payment Date:

i. Not less than [3] Business Days prior to each day when any payment or payments are to be made in respect of one or more Approved Obligations occurring after such delivery of a Payment Demand and prior to the Assumption Effective Date (a "**Guarantee Payment Date**")[5], if any, the Manager shall deliver a written statement, substantially in the form attached as Exhibit A.1 (a "**Guarantor Settlement Statement**") setting forth the Aggregate Approved Obligations Amount, if any, in respect of the Approved Obligations that are due and payable on such Guarantee Payment Date, together with a detailed description identifying such Approved Obligations and the nature and amount of payments due and payable thereunder on the Guarantee Payment Date.

ii. On each such Guarantee Payment Date, the Province shall pay the Aggregate Approved Obligations Amount to the Indenture Trustee and the Indenture Trustee shall deposit such amount to the Protection Account.

iii. On each such Guarantee Payment Date, the Indenture Trustee shall apply all amounts on deposit in the Protection Account to pay each Beneficiary to whom an amount is due and payable under an Approved Obligation on the Guarantee Payment Date the Approved Obligation Amount for such Beneficiary in respect of such Approved Obligation on such Guarantee Payment Date; provided that if the amount deposited pursuant to clause 2.01(a)ii is insufficient to pay all such Approved Obligation Amounts in full, the amount on deposit in the Protection Account on the Guarantee Payment Date shall be applied to pay Beneficiaries in the order of priority in which such Approved Obligations are payable under the payment

[5] PM: Interest Payment Dates and Principal Payment Dates are set in the supplements. While the present intention is to set them on Payment Dates, there is no guarantee that will always be the case.

provisions of the Trust Indenture applicable to the making of such payments on the Guarantee Payment Date (each, a "**Beneficiary Payee**")[6].

iv. On any Guarantee Payment Date on which an amount is paid by the Province pursuant to clause 2.01(a)ii, the applicable payment provisions of the Trust Indenture shall, notwithstanding the express terms of such provisions set forth in the Trust Indenture, be applied and operate on the following basis:

(i) the amount payable to a Beneficiary Payee in respect of an Approved Obligation from amounts available under such payment provisions on such Guarantee Payment Date shall be reduced by the amount paid to the Beneficiary Payee pursuant to clause 2.01(a)iii in respect of such Approved Obligation on such Guarantee Payment Date;

(ii) the Province shall be paid the amount by which (x) the amount payable to a Beneficiary Payee in respect of an Approved Obligation from amounts available to pay the Beneficiary Payee under such payment provisions on the Guarantee Payment Date, determined without regard to subclause 2.01(a)iv(i), exceeds the amount paid to the Beneficiary Payee pursuant to clause 2.01(a)iii in respect of such Approved Obligation on the Guarantee Payment Date (such payments to the Province being "**Subrogation Amounts**"); and

(iii) no Beneficiary having a right to be paid an amount in respect of an Approved Obligation that ranks equal with or subordinate to an Approved Obligation in respect of which an amount is payable to the Province under subclause 2.01(a)iv(ii) shall be entitled to make any claim or assert any right in or to the amounts paid or payable to the Province under such subclause (including any right or reimbursement, contribution or indemnity) and no such Beneficiary shall have any right or interest in, to or under the Collateral or any proceeds therefrom in respect of such amounts.

v. On any Guarantee Payment Date, the Indenture Trustee shall release and pay to the Province free and clear of any Liens any amount remaining on deposit in the Protection Account that has not been applied to pay Beneficiary Payees on the Guarantee Payment Date in accordance with clause 2.01(a)iii.

vi. In preparing any payment instructions under the Trust Indenture, the Manager shall reflect the amounts payable for the Guarantee Payment Date under Section 2.01(a).

[6] For example, the effect of this is that senior notes will receive cash earmarked for sub notes based on the scheduled amounts payable for sub notes. Confirm that is the intention.

(b) The Province shall, as a payee of Subrogation Amounts and any amounts payable under clause 2.01(a)v, be a "Specified Creditor" under the Trust Indenture and have the benefit of the Collateral thereunder.

(c) For greater certainty, the Limited Guarantee will not apply to any amount or obligation of the Financing Entity that is not or does not arise under an Approved Obligation and will be limited to the right to receive the Approved Obligation Amounts, if any, and will be subject to the priorities and to the Province's rights to Subrogation Amounts, set forth in Section 2.01(a).

(d) Except as expressly provided in this Agreement, the Province's obligation to provide and perform the Limited Guarantee shall be irrevocable, absolute and unconditional.

(e) Any amount payable by the Province under the Limited Guarantee in respect of an Approved Obligation that is not paid by the Province when required herein shall bear interest from the applicable due date until paid in full at the rate or rates expressed to be payable on the Approved Obligation.

(f) The right to deliver a Payment Demand and thereupon enforce the Limited Guarantee shall constitute the only remedy available to the Indenture Trustee (and to the Beneficiaries, to the extent they are permitted to exercise any rights, interests, or elections under in accordance with the Trust Indenture) under this Agreement. Under no circumstances shall the Province be obligated to pay or indemnify the Indenture Trustee or any Beneficiary for consequential, special or punitive damages, or for economic loss or loss of profits; provided that, for greater certainty, economic loss shall not include any amount in respect of any amount due and payable to a Beneficiary Payee under the Limited Guarantee.

2.02 Intentionally Deleted.

2.03 Absence of Set-off

Subject to applicable law, the Province acknowledges and agrees that each payment to be made by the Province hereunder in respect of an Approved Obligation shall be made as required in whole, without application of any right of set-off and without regard to any equities as between or among any of the Province, the Beneficiaries and/or the Indenture Trustee.

2.04 Payment into Protection Account[7] in Satisfaction

(a) On or before the date of delivery of a Payment Demand to the Province, the Indenture Trustee shall cause to be established and maintained an Eligible Deposit Account (the "**Protection Account**") in the name of the Indenture Trustee, bearing a designation clearly indicating that the funds and other property credited thereto are held for the benefit of the Indenture Trustee and the Beneficiaries. The

[7] Use of Protection Account to be considered by Province after required modifications to Trust Indenture have been provided.

Protection Account shall be under the control of the Indenture Trustee for the benefit of the Beneficiaries. If, at any time, the institution holding the Protection Account ceases to be an Eligible Institution, the FSM shall notify the Indenture Trustee, and the Indenture Trustee upon being notified in writing of such ineligibility (or the FSM on its behalf) shall within 30 days (or such longer period, not to exceed 45 days, so long as the Rating Agency Condition is satisfied) establish a new Protection Account that is an Eligible Deposit Account and shall transfer any funds or other property from such Protection Account to such new Protection Account. From the date each such new Protection Account is established, it shall be the "Protection Account" for purposes of this Agreement. Funds credited to the Protection Account will be invested and held in accordance with Section 7.03 of the Trust Indenture on the basis that it is an Issuer Account.

(b) Notwithstanding the priority of payment requirements set forth in the Trust Indenture and any legal rule concerning the imputation of payments, the [Indenture Trustee][8] shall apply all amounts paid by the Province into the Protection Account on a Guarantee Payment Date in respect of an Approved Obligation to pay the amounts due and payable to the Beneficiaries as and to the extent provided for in Section 2.01(a)[9]. Upon a payment having been made by or on behalf of the Province into the Protection Account, the amounts so paid shall for all purposes be considered to have been applied to pay the applicable Beneficiaries as provided for in Section 2.01(a) and thereby reduce the amount due and payable to such Beneficiaries in respect of the applicable Approved Obligations, whereupon an affected Beneficiary shall have no continuing rights, interests or entitlements (including rights as a secured party) in respect of the Approved Obligation to the extent so paid[10]. For greater certainty, the obligations arising in respect of an applicable Approved Obligation shall not be reduced by such payment as the Province shall become entitled to be paid related Subrogation Amounts and the rights contemplated under Section 2.01(a) and Section 5.01 in relation to such continuing obligations.

2.05 Certain Waivers

The Province hereby waives:

(a) any requirement, and any right to require, that any power be exercised or any action be taken against the Financing Entity or any Collateral for any of the Approved Obligations;

[8] Conform.

[9] For example, amounts payable in respect of subnotes will not get the amounts payable to them based on scheduled payments since senior notes will preempt them under the acceleration waterfall.

[10] A corresponding provision needs to be added to the Trust Indenture and each other contract under which the Obligation Secured arises, so that the Beneficiaries are bound by these applications and the agreement of the Indenture Trustee under this Agreement.

(b) all notices which may be required by applicable law to preserve any rights against the Province hereunder, including any notice of default, demand, dishonour, presentment and protest;

(c) diligence; and

(d) any defence based upon, arising out of or in any way related to any claim that any election of remedies by the Beneficiaries impaired, reduced, released or extinguished any rights that the Province might otherwise have had against the Financing Entity or any other surety.

The Province agrees that each such waiver is made with full knowledge of its significance and consequences and if any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the maximum extent permitted by applicable law.

2.06 Additional Security

This Agreement shall be in addition to and without prejudice to any other security by whomsoever given, held at any time by the Indenture Trustee or for the benefit of any of the Beneficiaries.

2.07 Continuing Liability of the Province

The Approved Obligations shall be deemed not to have been paid, observed or performed, and the liability of the Province hereunder in respect thereof shall continue and not be discharged, to the extent that any payment, observance or performance thereof by the Financing Entity, or out of the proceeds of any Collateral, is recovered from or reimbursed by or for the account of any of the Beneficiaries for any reason, including a preference or fraudulent transfer or by virtue of any subordination (whether present or future or contractual or otherwise) of the Approved Obligations, whether such recovery or payment over is effected by any judgment, decree or order of any court or Governmental Authority, by any plan of reorganization or by settlement or compromise by any of the Beneficiaries (whether or not consented to by the Financing Entity or the Province) of any claim for any such recovery or payment over.

2.08 Continuance of the Limited Guarantee

Subject to Section 2.07, the Limited Guarantee shall continue in full force and effect until the indefeasible payment, observance and performance in full of the Approved Obligations, or until the Province is no longer required to provide and perform the Limited Guarantee in accordance with Section 6.03 or Section 8.02.

2.09 Modifications of Approved Obligations

The Province expressly authorizes the Indenture Trustee, at any time and from time to time, without notice and without affecting the liability of the Province hereunder, but subject to compliance with the requirements of the Program Agreements[11] and this Agreement, to:

(a) accept new, additional or replacement instruments, documents, agreements or security in connection with all or any part of the Approved Obligations;

(b) accept partial payments on the Approved Obligations; and

(c) waive, release, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, compromise, liquidate and enforce all or any part of the Approved Obligations and any security or guarantee therefor, and apply any such security and direct the order or manner of sale thereof as the Indenture Trustee (for the benefit of the Beneficiaries) in its discretion may determine.

ARTICLE III
THE INDENTURE TRUSTEE

3.01 The Indenture Trustee

This Agreement is made in favour of the Indenture Trustee in its capacity as trustee under the Trust Indenture. Accordingly, in the event of a new trustee being appointed under the Trust Indenture, such new trustee shall thereupon become and be the Indenture Trustee hereunder, but nevertheless, the Indenture Trustee shall forthwith assign, transfer and make over to the new trustee hereunder this Agreement. All provisions of the Trust Indenture for the protection of the Indenture Trustee or for facilitating the administration of the trusts or otherwise relating to the Indenture Trustee solely as to its holding of the rights thereunder shall apply *mutatis mutandis* to this Agreement and the Indenture Trustee's duties hereunder.

3.02 Acceptance of Trusts

The Indenture Trustee hereby accepts the trusts hereof and agrees to carry out and discharge the same unless and until a new trustee shall be appointed as contemplated in Section 3.01.

ARTICLE IV
APPROVED OBLIGATIONS

4.01 Approval Process

A Primary Obligation shall constitute an Approved Obligation if the Adherence Conditions applicable thereto have been satisfied at the time the Primary Obligation was incurred.

[11] The deletion of the earlier proviso in this draft is based on the understanding that the Province will receive adequate notices of these event under the Trust Indenture. OPG will agree not to allow any of these events without confirming to the Province under the Process Certificate that the changes are within the agreed scope of the Reviewed Documents, etc.

4.02 Adherence Conditions[12]

There shall be no Adherence Conditions applicable in relation to: (i) a Primary Obligation that is not a Funding Obligation or (ii) a Primary Obligation that (x) arises under a Derivative Agreement, or (x) is a Funding Obligation that does not provide for the advance of more than $■ to the Financing Entity. The following shall be the Adherence Conditions applicable in relation to a Primary Obligation that is a Funding Obligation that does provide for the advance of more than $■ to the Financing Entity:

(a) the Primary Obligation when incurred will be an Obligation Secured under the Trust Indenture; and

(b) either (x) OPG delivers an officer's certificate addressed to the Indenture Trustee, prior to the entering into of the related Funding Obligation Agreement, confirming that OPG has complied with its obligations to the Province in connection with the Primary Obligation, or (y) OPG has in fact complied with its obligations to the Province in connection with the Primary Obligation; and

(c) the Province has not provided a Suspension Notice to the Indenture Trustee, the FSM and the Financing Entity in accordance with the terms of this Agreement.

For greater certainty, satisfaction of the Adherence Conditions for any Funding Obligation shall be deemed satisfaction of the Adherence Conditions in respect of all principal, interest and other amounts owing under, or in respect of, the Funding Obligation and the related Funding Obligation Agreement as such agreement may be amended, restated, supplemented or otherwise modified from time to time.[13]

4.03 Evidence of Satisfaction

A closing certificate delivered in accordance with Section 4.02(b)(x) in connection with an incurrence of a Primary Obligation shall be determinative as to whether the applicable Adherence Conditions with respect thereto have been satisfied, notwithstanding that such certificate may include inaccuracies, be incomplete or otherwise be defective or deficient, and such closing certificate may be relied upon by any addressee as conclusive evidence of same.

[12] The current structure requiring satisfaction of the adherence conditions in the Protection Agreement impacts the marketability of the transaction and creates uncertainty for investors. Province/OPG/Dealers to discuss moving the adherence conditions to the Process Agreement while preserving Province's oversight of its obligations under the Protection Agreement.

[13] This language was added to track Section 2(2) of the regs and ensure that there is no obligation to satisfy the Adherence Conditions every time interest is incurred in respect of a Funding Obligation for which the Adherence Conditions have already been satisfied.

ARTICLE V
PROVINCE MATTERS

5.01 Assignment and Subrogation

(a) Upon paying an amount in respect of an Approved Obligation to or at the direction of the Indenture Trustee in satisfaction of the Limited Guarantee, the Province (in addition to and without prejudice to any rights it otherwise has in law or equity) shall be subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation to the extent of such payment, including (i) the right and entitlement to be paid and receive the related Subrogation Amounts, (ii) the benefits of the related Collateral and (iii) all proceeds therefrom. The Province shall have and be entitled to enforce all rights and interests (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)), under and in respect of such Approved Obligation to the extent of the payment by the Province in respect of the Approved Obligation as an absolute assignee of the applicable Beneficiary, with effect from and after the time of such payment, without any further requirement for notice to or acceptance by the Financing Entity of such absolute assignment and without any reduction, set-off or counterclaim on account of any amounts that may, at or after the time of payment, be or become owing by the Beneficiary to the Financing Entity and unaffected by any other rights or equities that arise thereafter as between the Beneficiary and the Financing Entity. The Indenture Trustee shall recognize the Province as being entitled to all of the rights, interests and entitlements of the Beneficiary (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)) in respect and to the extent of the Approved Obligation so paid, determined as of the time of payment, for all purposes under the Trust Indenture, and the Province shall be treated as a Specified Creditor in respect thereof for all purposes under the Trust Indenture and any other agreement under which the Approved Obligation arises.

(b) The Province (i) acknowledges and agrees in favour of the Indenture Trustee that, upon being subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation in accordance with Section 5.01(a), the Province, in its capacity as a Specified Creditor, will be subject to the provisions applicable to Specified Creditors under the Trust Indenture, including **[Section 7.11 (Payments Held in Trust), Section 8.12 (Limitation on Suits), Sections 7.04 and 8.13 (Payment Priorities), Section 8.14 (Limited Recourse) and Section 16.01 (No Petition) thereof]** and (ii) confirms that the Indenture Trustee shall send notices to the Province, in its capacity as a Specified Creditor, in accordance with Section 9.02.[14]

[14] Section to be updated to conform with section in the Trust Indenture once settled.

5.02 Priorities

For greater certainty, the rights, interests and entitlements of the Province as an assignee and subrogee of and with respect to an Approved Obligation shall rank equally with the rights, interests and entitlements of a Beneficiary to whom a Limited Guarantee payment is made in respect of, and to the extent of the payment made to satisfy, the Approved Obligation and the Province shall not be subject to postponement or subordination with respect thereto except to the extent of the priorities established in relation to the Approved Obligation under the Trust Indenture in the manner and to the extent contemplated in Section 2.01.

5.03 Province May Perform Other Program Agreement Covenants.[15]

If the Financing Entity fails to perform any covenant under any Program Agreement, the Province may (but, except as expressly provided for under this Agreement, shall not be obligated to) perform such covenant on behalf of the Financing Entity. If the Province performs such a covenant on behalf of the Financing Entity, all sums expended or advanced by the Province in so performing the covenant will bear interest at the rate of interest determined by the Province to reflect market terms and conditions for a borrowing made by the Province at the relevant time from the date of expenditure until repayment by the Financing Entity and will (together with such interest) be paid by the Financing Entity upon demand and will until paid form part of the Obligations Secured subject to Sections **[7.04 and 8.13]** of the Trust Indenture and constitute a Finance Amount.[16]

5.04 Representations and Warranties

The Province hereby represents and warrants that:

(a) the execution and delivery of, and the performance of its obligations under, this Agreement by the Province have been authorized by all necessary action on the part of the Province;

(b) the execution and delivery of, and the performance of its obligations under, this Agreement by the Province do not result in the violation of any applicable law; and

(c) this Agreement has been duly executed and delivered by the Province.

ARTICLE VI

6.01 Delivery of Assumption Notice

Following the occurrence of a Protection Event, the Province may (but shall not be obligated to) provide notice (in the form of Exhibit B) to the Indenture Trustee that the Province has elected to assume the Financing Entity's obligations in respect of all Obligations Secured, as

[15] To be confirmed this covenant is only meant to apply following a Payment Demand? Note that once the Province exercises this right, ,the desired accounting treatment will be lost.

[16] Payments to be addressed in the Trust Indenture like servicer advances under the waterfall provisions.

6.02 Cooperation to Implement the Assignment and Assumption

The Indenture Trustee, the FSM, the Financing Entity and the Province will cooperate and use best efforts to complete the assignment and assumption of the Obligations Secured by and from the Financing Entity to and by the Province, by the Assumption Closing Date.[17]

6.03 Effect of Assumption

On the date that the assignment and assumption of the Obligations Secured by and from the Financing Entity to and by the Province becomes effective (the "**Assumption Effective Date**"), the Province shall no longer be required to provide and perform the Limited Guarantee but will instead become a primary obligor under the Obligations Secured assumed pursuant to and in accordance with an applicable Assumption Agreement. For greater certainty, the obligations of the Province so assumed will not be secured obligations of the Province and the obligees thereof will have no right, interest or claim to or in respect of the Collateral or any proceeds therefrom. **[NTD: the forms of assumption agreement(s) need to be settled before this agreement is finalized.]**

6.04 Interim Period

Until the effective time of the assignment and assumption of the Obligations Secured by and from the Financing Entity to and by the Province on the Assumption Effective Date, the Province shall continue to perform and be obligated under the Limited Guarantee.

6.05 Rights in respect of the Assets Comprising the Collateral

Upon assuming the Financing Entity's obligations in respect of all Obligations Secured under Article VI, the Province (in addition to and without prejudice to any rights it otherwise has in law or equity) shall be subrogated and entitled to all of the Financing Entity's rights and interests under and in respect of the assets, property and undertaking comprising the Collateral and all proceeds therefrom, free and clear of any liens, encumbrances or restrictions arising under or as a result of the Trust Indenture. The Province shall have and be entitled to enforce all such rights and interests as an absolute assignee of the Financing Entity, with effect from and after the time of such assumption, without any further requirement for notice to or acceptance by the Financing Entity of such absolute assignment and without any reduction, set-off or counterclaim on account of any amounts that may, at or after the time of payment, be or become owing to the Financing Entity and unaffected by any other rights, interests or equities that arise thereafter in respect of the assets, property and undertaking comprising the Collateral as between the Beneficiaries and the Financing Entity. The Indenture Trustee and the Beneficiaries shall thereupon recognize the Province as the absolute owner of the assets, property and undertaking comprising the Collateral.

[17] Further details regarding obtaining of third party consents and rating agency approvals to be provided by OPG.

ARTICLE VII
INDENTURE TRUSTEE MATTERS

7.01 Limited Recourse

No recourse may be taken, directly or indirectly, with respect to the obligations of the Financing Entity under this Agreement, or any certificate or other writing delivered in connection herewith or therewith, against (a) the Financing Entity Trustee in its individual capacity, (b) any owner of a beneficial interest in the Financing Entity or (c) any partner, owner, beneficiary, agent, officer, director, employee or agent of the Financing Entity Trustee in its individual capacity, any holder of a beneficial interest in the Financing Entity or the Financing Entity Trustee or of any successor or assign of the Financing Entity Trustee in its individual capacity, except as any such Person may have expressly agreed (it being understood that the Financing Entity Trustee has no such obligations in its individual capacity).

7.02 Not Responsible for Recitals or Issuance of Notes

(d) the Indenture Trustee is authorized to carry on the business of a trust company in each of the provinces and territories of Canada.

ARTICLE VIII
SUSPENSION OF ADHERENCE FOR NEW PRIMARY OBLIGATIONS

8.01 Suspension Notice

A written notice in the form of Exhibit C (a "**Suspension Notice**") may be provided by the Province to the Indenture Trustee, the FSM and the Financing Entity following the Province becoming aware of the occurrence of a Program Breach.

[NTD: the concept of Breach Event has been removed from Protection Agreement and replaced by provisions in the Process Agreement providing that upon notice of a Breach Event to OPG in the Process Agreement, OPG will not be permitted to deliver the certificate required to satisfy the Adherence Conditions. This was done to cleanse the Protection Agreement of any references to the Process Agreement but leave the Province in the same position of being able to (indirectly) suspend application of the change of law agreement to future issuances upon a Breach Event.]

8.02 Suspension

If a Suspension Notice has been provided under Section 8.01 (the provision of such notice being a "**Suspension Event**"), the Limited Guarantee shall not apply in respect of any Obligation Secured incurred or amended on or after the time such Suspension Notice is delivered. For greater certainty, the rights of the Province under Article VI shall apply in respect of all Obligations Secured, including if incurred or amended on or after the time such Suspension Notice is delivered[18].

8.03 Termination Notice

On (a) the occurrence of a Suspension Event or (b) the Assumption Effective Date, the Province may provide to the Indenture Trustee, the FSM and the Financing Entity a notice in the form of Exhibit D (a "**Termination Notice**").

8.04 No Impact on Adherence

For greater certainty, the occurrence of Suspension Event or a failure by the FSM or the Financing Entity to perform its covenants under this Agreement will not invalidate or extinguish the obligations of the Province under the Limited Guarantee in respect of Approved Obligations in existence prior to the occurrence of the Suspension Event, nor will it in any way impact the Obligations Secured which are assumed by the Province in accordance with Article VI.

(a) if no Acceleration has occurred in respect of any Obligation Secured on or before the Guarantee Payment Date, the amount due and payable to the Beneficiary on such Guarantee Payment Date in respect of the Approved Obligation (for greater certainty, determined on the assumption that there are adequate amounts available under the applicable payment provisions of the Trust Indenture to pay in full all amounts referred to in such payment provisions that are due and payable on the Guarantee Payment Date); and

(b) if an Acceleration has occurred in respect of any Obligations Secured on or before the Guarantee Payment Date, the amount that would be available to be paid to the Beneficiary on such Guarantee Payment Date in respect of the Approved Obligation under the applicable payment provisions of the Trust Indenture, determined on the assumption that the amount available for allocation to Specified Creditors in accordance with the terms of the Trust Indenture in respect of each relevant month during each Reference Period from and after May, 2021 is equal to the Finance Amount in respect of such Reference Period divided by the number of months in such Reference Period.[20]

CHANGE OF LAW PROCESS AGREEMENT

Dated as of [■], 2017

This **CHANGE OF LAW PROCESS AGREEMENT**, between Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), and Ontario Power Generation Inc. ("**OPG**") is made and entered into as of [■], 2017.

RECITALS

OPG is appointed as the Financial Services Manager under Section 18 of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**").

Pursuant to Section 22(2) of the Act, OPG, in its capacity as the Financial Services Manager (the "**FSM**"), may establish or cause to be established one or more financing entities (as defined in the Act), which may incur Funding Obligations in accordance with the Act.[1]

Pursuant to a Declaration of Trust dated as of [■], 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

Concurrent with this Agreement, the Province, the FSM, the Financing Entity and the Indenture Trustee will enter into the Change of Law Protection Agreement under which the Province will agree to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Obligations Secured that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions.

Prior to entering into this Agreement, OPG provided the Province with copies of certain of the Transaction Documents, and the Province has confirmed by a notice delivered to OPG that the reviewed forms (as further described in such notice) shall be Reviewed Documentation for the purposes of this Agreement.[2]

This Agreement sets out the obligations OPG has agreed to perform and assurances OPG has agreed to provide and on which the Province will rely in entering into and implementing the Change of Law Protection Agreement, including for the purposes of determining whether the Adherence Conditions have been satisfied, maintaining information related to the Program Agreements and the Approved Obligations, and ensuring that the Province's assumption rights pursuant to Article VI of the Change of Law Protection Agreement may be exercised without impediment on the terms and conditions contemplated in this Agreement and the Change of Law Protection Agreement.

All things necessary to make this Agreement a valid and legally binding agreement of OPG and the Province, have been done.

---

[1] Blakes suggests that it be made clear in the Declaration of Trust that OPG is establishing the Trust. Blakes would appreciate the benefit of Torys analysis as to how the Trust is an "entity" under the OFHPA, as opposed to the trustee. Clearly OPG has not established Computershare. Blakes and Torys to discuss.

[2] Once agreements are settled, Province to provide draft notice.

AGREEMENT OF THE PARTIES

To the extent permitted by applicable law, the parties waive any provision of law which renders any provision of this Agreement invalid or unenforceable in any respect. The parties will engage in good faith negotiations to replace any provision which is declared invalid or unenforceable with a valid and enforceable provision, the economic effect of which comes as close as possible to that of the invalid or unenforceable provision which it replaces.

ARTICLE III

[5] Given that delivery of a Payment Demand is the trigger for the Limited Guarantee, the delivery of the Payment Demand is the more appropriate milestone.

[6] The current structure requiring satisfaction of the adherence conditions in the Protection Agreement impacts the marketability of the transaction and creates uncertainty for investors. Province/OPG/Dealers to discuss moving the adherence conditions to the Process Agreement while preserving Province's oversight of its obligations under the Protection Agreement.

[7] OPG/Province to discuss circumstances in which a certificate will be required under this Section.

[8] Note to Province: We have revised this section so as to allow the Process Agreement to be cleansed from the Change of Law Protection Agreement. In addition to all the deliverables under section 2.01 of this Agreement, the Province will receive the certifications in section 3.01 in the case of an incurrence of funding obligations and an amendment to funding obligations.

structure and coupon frequency, as applicable, and (ii) in the case of a Derivative Agreement, the notional amount, financial terms and pricing, benchmarks, payment structures and early termination rights;

(b) if an existing Funding Obligation is proposed to be amended, material details respecting such amendment, including regarding the applicable details set forth in Subsection 3.01(a), as the context requires;

(c) a statement to the effect that: (i) the Funding Obligation to be incurred or amended (1) will arise under terms and conditions that are Substantially in the Form of the Reviewed Documentation applicable thereto; (2) in the opinion of the signatories to the Process Certificate, are reasonably incurred or effected in compliance with the Act, the General Regulation, any other enactments related thereto and the applicable Financing Plan; (3) are of a type and are on terms that a reasonably prudent financial services manager would incur in similar circumstances; and (4) reflect, in all material respects, arm's length terms and conditions; and (ii) any Disclosure Document used in connection with the offering and sale of notes, bonds or other securities is Substantially in the Form of the Reviewed Documentation;

(d) a statement confirming that any disclosure made in respect of the Funding Obligation (including any Disclosure Document, press release or other written communication prepared for dissemination to third parties in relation to the Funding Obligation) that refers to or describes the terms, effect or adherence of or to this Agreement or the Change of Law Protection Agreement has been made available for review to the Province prior to use or dissemination, other than where such disclosure was substantially the same as a disclosure previously made;

(e) a statement that no Breach Event has occurred on or prior to the date of the Process Certificate, unless such Breach Event has been waived by the Province in writing; and[9]

(f) confirmation that, at the time the Funding Obligation is incurred or amended, the maximum aggregate payment amounts due or becoming due in the future in respect of Repayments under the Funding Obligation, together with all other outstanding amounts due or becoming due in the future in respect of Repayments under all Approved Obligations, do not and will not exceed the Protection Agreement Maximum; for clarity, Repayments under Obligations Secured owing in currencies other than Canadian dollars will be determined on the date the Process Certificate is delivered hereunder in accordance with the following:

(i) where a Derivative Agreement has been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the hedged value expressed in Canadian dollars; and

[9] We have cleansed the Protection Agreement of the concept of the Process Agreement and the related concept of the Breach Event. The process certificate already contemplates that a breach event has not occurred at the time of delivery of the certificate but we have also provided the added comfort of the covenant below in section 3.02.

(ii) where a Derivative Agreement has not been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the noon spot rate for conversions of any currencies into Canadian dollars.

3.02 Acknowledgement

The Province acknowledges and agrees that, concurrent with the delivery of the Process Certificate pursuant to Section 3.01 of this Agreement, any two senior officers of OPG are authorized to deliver the certificate referred to in Subsection 4.02(b) of the Change of Law Protection Agreement to the Indenture Trustee confirming that OPG has complied with its obligations to the Province in connection with the incurrence of the Funding Obligations in respect of which such certificate is delivered; provided that, upon receipt of a Breach Event Suspension Notice, OPG covenants not to deliver the certificate referred to in Subsection 4.02(b) of the Change of Law Protection Agreement to the Indenture Trustee. [10]

3.03 Meaning of "Reviewed Documentation"

For the purposes of Subsection 3.01(c), the term "Reviewed Documentation" shall mean each Transaction Document (including any change, addition or supplement thereto) that, at the relevant time:

For the purposes of Subsection 3.01(c), the term "Substantially in the Form" shall mean:

(a) with respect to the Reviewed Documentation referred to in clauses (i) to (xi) of the definition of "Transaction Documents", that there are no differences between the proposed documents and such Reviewed Documentation that could result in a change in the material terms or conditions applicable to the applicable Primary Obligation, including regarding the timing of or circumstances under which related payments are or may become due or accrue (including as a result of any default, acceleration, termination, wind-up, liquidation or realization), or that would affect the Province's rights of subrogation or assignment (including pursuant to **[Section 5.01 or Article VI]** of the Change of Law Protection Agreement) or its interests as a subrogee or an assignee, that would arise as a result of performing the Limited Guarantee in respect of the applicable Primary Obligation or upon the assumption of obligations in accordance with **[Article VI]**

[1010] OPG needs the authority to provide this certification.

of the Change of Law Protection Agreement; provided, however, that the foregoing does not apply to any variable terms to be set forth in the proposed documents as are reasonably contemplated in the Reviewed Documentation, including the particular financial terms, rates and levels set forth in the proposed documents other than to the extent that the forms of Reviewed Documentation themselves specify specific requirements, limitations or parameters with respect to such financial terms, rates, levels and parameters; and

(b) with respect to the Reviewed Documentation referred to in clause (xii) of the definition of "Transaction Documents", that there are no material differences between the form and substance of the proposed Disclosure Document and such form of Disclosure Document and that the proposed Disclosure Document complies in all material respects with all applicable securities disclosure requirements relating to the Primary Obligation subject to distribution thereunder.

Such updated forecast shall be further updated on a similar basis with respect to each successive 24 month period or more frequently if at any time OPG has knowledge that the most recent forecast is materially inaccurate (the Initial Forecast and each such updated forecast, each a "**Forecast**"). Together with each Forecast, OPG shall also provide a revised Protection Agreement Maximum, which may not exceed such Forecast.

(d) Not more than 10 Business Days, or such lesser period as the Province may agree to, following receipt of any further Forecast and notice of the revised Protection Agreement Maximum from OPG pursuant to Section 4.01(c), the Province may disagree with such further Forecast or revised Protection Agreement Maximum on the basis that (i) there appears to be inaccuracies in the Financing Plan or such further Forecast, (ii) the further Forecast is inconsistent with the Financing Plan, or (iii) the revised Protection Agreement Maximum is not less than the further Forecast. If the Province disagrees, OPG shall discuss any discrepancies with the Province, address any inaccuracies and inconsistencies to the reasonable satisfaction of the Province and OPG,[12] and the revised Protection Agreement Maximum will be further revised accordingly and confirmed by an amended notice to the Province.

6.02 Details regarding Obligations Secured

Promptly following the delivery of the Election Information Notice to OPG, OPG shall provide the following information and documentation to the Province:

(a) a summary of the amounts that will be owing under all Obligations Secured as of the Proposed Assumption Date, together with a detailed schedule setting out the dates on which such amounts will become due and payable under the Obligations Secured;

(c) current versions of all documentation under which the Obligations Secured arise;

(d) copies of all correspondence exchanged between OPG, as the FSM, or the Financing Entity, on the one hand, and any Specified Creditor, Rating Agency or the Indenture Trustee, on the other hand, in each case that may reasonably be considered to be material to the assumption and performance of the Obligations Secured by the Province; and

If it will be proceeding with such assignment and assumption, the Province will deliver an Assumption Notice as contemplated under Section 6.01 of the Change of Law Protection Agreement. A decision not to proceed with an election at any time will not limit the Province from proceeding with an election at a later date, including by issuing a further Election Information Notice and Article VI of this Agreement shall continues to apply unaffected.

6.04 Cooperation to Implement the Assignment and Assumption

OPG shall cooperate with the Province and, as FSM, will use commercially reasonable efforts to cause the Financing Entity to cooperate, and shall use its commercially reasonable efforts, to complete the assignment and assumption of the Obligations Secured by and from the Financing Entity to and by the Province, by the applicable Assumption Closing Date.

- Torys' draft (November 24)

- The Province's previous internal circulated draft (discussed on Friday).

I look forward to discussing tomorrow.

HER MAJESTY THE QUEEN IN RIGHT OF ONTARIO, AS REPRESENTED BY THE MINISTER OF ENERGY AND THE MINISTER OF FINANCE

AND

ONTARIO POWER GENERATION INC.

CHANGE OF LAW PROCESS AGREEMENT[1]

Dated as of [■], 2017

[1] This Agreement and the Protection Agreement will need to be effective on closing but signed and held in escrow as soon as they are settled. **Note to Torys:** Closing mechanics under consideration by the Province.

This **CHANGE OF LAW PROCESS AGREEMENT**, between Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), and Ontario Power Generation Inc. ("**OPG**") is made and entered into as of [■], 2017.

RECITALS

OPG is appointed as the Financial Services Manager under Section 18 of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**").

Pursuant to Section 22(2) of the Act, OPG, in its capacity as the Financial Services Manager (the "**FSM**"), may establish or cause to be established one or more financing entities (as defined in the Act), which may incur Funding Obligations in accordance with the Act.

Pursuant to a Declaration of Trust dated as of [■], 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

Concurrent with this Agreement, the Province, the FSM, the Financing Entity and the Indenture Trustee will enter into the Change of Law Protection Agreement under which the Province will agree to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Obligations Secured that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions.

Prior to entering into this Agreement, OPG provided the Province with the proposed forms of certain of the Transaction Documents, and the Province has not objected to such forms.

This Agreement sets out the obligations OPG has agreed to perform and assurances OPG has agreed to provide and on which the Province will rely in entering into and implementing the Change of Law Protection Agreement, including for the purposes of determining whether the Adherence Conditions have been satisfied, maintaining information related to the Program Agreements and the Approved Obligations, and ensuring that the Province's assumption rights pursuant to Article VI of the Change of Law Protection Agreement may be exercised without impediment on the terms and conditions contemplated in this Agreement and the Change of Law Protection Agreement.

All things necessary to make this Agreement a valid and legally binding agreement of OPG and the Province, have been done.

ARTICLE III
PROCESS CERTIFICATE

3.01 Process Certificate

OPG shall deliver a certificate (the "**Process Certificate**"), signed by the Chief Financial Officer and the Treasurer of OPG or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) and addressed to the Province, on or before the incurrence or any amendment of a Funding Obligation, other than any Funding Obligation under which not more than $**[5,000,000]** in the aggregate may become payable by the Financing Entity (provided that delivery may not be more than 5 Business Days before the incurrence or amendment of the Funding Obligation), setting out the following with respect to such Funding Obligation:

(a) the material terms of the Funding Obligation pertaining to (i) in the case of notes, bonds or other securities, the principal amount, interest or discount rate, third party fees, term to maturity, amortization, redemption or extension features, structure and coupon frequency, as applicable, and (ii) in the case of a Derivative Agreement, the notional amount, financial terms and pricing, benchmarks, payment structures and early termination rights;

(b) if an existing Funding Obligation is proposed to be amended, material details respecting such amendment, including regarding the applicable details set forth in Subsection 3.01(a), as the context requires;

(c) a statement to the effect that: (i) the Funding Obligation to be incurred or amended (1) will arise under terms and conditions that are Substantially in the

Form of the Reference Documentation applicable thereto; (2) in the opinion of the signatories to the Process Certificate, are reasonably incurred or effected in compliance with the Act, the General Regulation, any other enactments related thereto and the applicable Financing Plan; (3) are of a type and are on terms that a reasonably prudent financial services manager would incur in similar circumstances; and (4) reflect, in all material respects, arm's length terms and conditions; and (ii) any Disclosure Document used in connection with the offering and sale of notes, bonds or other securities is Substantially in the Form of the Reference Documentation;

(d) a statement confirming that any disclosure made in respect of the Funding Obligation (including any Disclosure Document, press release or other written communication prepared for dissemination to third parties in relation to the Funding Obligation) that refers to or describes the terms, effect or adherence of or to this Agreement or the Change of Law Protection Agreement has been made available to the Province prior to use or dissemination, other than where such disclosure was substantially the same as a disclosure previously made;

(e) a statement that no Breach Event has occurred on or prior to the date of the Process Certificate, unless such Breach Event has been waived by the Province in writing; and

(f) confirmation that, at the time the Funding Obligation is incurred or amended, the maximum aggregate payment amounts due or becoming due in the future in respect of Repayments under the Funding Obligation, together with all other outstanding amounts due or becoming due in the future in respect of Repayments under all Approved Obligations, do not and will not exceed the Protection Agreement Maximum applicable on the date that the Process Certificate is delivered;[2] for clarity, Repayments under Obligations Secured owing in currencies other than Canadian dollars will be determined on the date the Process Certificate is delivered hereunder in accordance with the following:

3.04 Meaning of "Reference Documentation"

For the purposes of Subsection 3.01(c), the term "Reference Documentation" shall mean each Transaction Document (including any change, addition or supplement thereto) that, at the relevant time:

(a) is a Transaction Document provided to, and not objected to by, the Province prior to the making of this Agreement, as contemplated in the fifth recital to this Agreement; or

3.05 Meaning of "Substantially in the Form"

For the purposes of Subsection 3.01(c), the term "Substantially in the Form" shall mean:

(a) with respect to the Reference Documentation referred to in clauses (i) to (xi) of the definition of "Transaction Documents", that there are no differences between

the proposed documents and such Reference Documentation that could result in a change in the material terms or conditions applicable to the applicable Primary Obligation, including regarding the timing of or circumstances under which related payments are or may become due or accrue (including as a result of any default, acceleration, termination, wind-up, liquidation or realization), or that would affect the Province's rights of subrogation or assignment (including pursuant to **[Section 5.01]** of the Change of Law Protection Agreement) or its interests as a subrogee or an assignee, that would arise as a result of performing the Limited Guarantee in respect of the applicable Primary Obligation; provided, however, that the foregoing does not apply to any variable terms to be set forth in the proposed documents as are reasonably contemplated in the Reference Documentation, including the particular financial terms, rates and levels set forth in the proposed documents other than to the extent that the forms of Reference Documentation themselves specify specific requirements, limitations or parameters with respect to such financial terms, rates, levels and parameters; and

ARTICLE IV
PROTECTION AGREEMENT MAXIMUM

4.01 Protection Agreement Maximum

(a) Not less than 15 Business Days, or such lesser period as the Province may agree to in writing, prior to the proposed incurrence of the first Funding Obligation, OPG shall, as the FSM, deliver to the Province: (i) a forecast setting out OPG's expectations regarding the aggregate maximum amount of Repayments that would arise in the future under Approved Obligations to be incurred during the next following 24 month period (the "**Initial Forecast Period**"), which expectations shall be consistent with the Financing Plan (the "**Initial Forecast**"); and (ii) notice of the initial Protection Agreement Maximum, which may not exceed the Initial Forecast.

(b) Not more than 10 Business Days, or such lesser period as the Province may agree to in writing, following receipt of the Initial Forecast and notice of the initial Protection Agreement Maximum from OPG pursuant to Section 4.01(a), the Province may disagree with the Initial Forecast and the initial Protection Agreement Maximum on the basis that (i) there appears to be inaccuracies in the Financing Plan or the Initial Forecast, (ii) the Initial Forecast is inconsistent with the Financing Plan, or (iii) the initial Protection Agreement Maximum is more than the Initial Forecast. If the Province disagrees, OPG shall discuss any

discrepancies with the Province, address any inaccuracies and inconsistencies to the reasonable satisfaction of the Province and OPG, and the initial Protection Agreement Maximum will be revised accordingly and confirmed by an amended notice to the Province.

(c) Between nine (9) and twelve (12) months prior to the end of the Initial Forecast Period, OPG shall, as the FSM, deliver to the Province an updated forecast setting out the sum of (1) the aggregate amount of Repayments that will arise in the future under Approved Obligations that are then outstanding and (2) OPG's expectations regarding the aggregate maximum amount of Repayments that would arise in the future under Approved Obligations to be incurred during the period ending 24 months following the Initial Forecast Period, which expectation shall be consistent with the then applicable Financing Plan. Such updated forecast shall be further updated on a similar basis with respect to each successive 24 month period or more frequently if at any time OPG has knowledge that the most recent forecast is materially inaccurate (the Initial Forecast and each such updated forecast, each a "**Forecast**"). Together with each Forecast, OPG shall also provide a revised Protection Agreement Maximum, which may not exceed such Forecast.

(d) Not more than 10 Business Days, or such lesser period as the Province may agree to in writing, following receipt of any further Forecast and notice of the revised Protection Agreement Maximum from OPG pursuant to Section 4.01(c), the Province may disagree with such further Forecast or revised Protection Agreement Maximum on the basis that (i) there appears to be inaccuracies in the Financing Plan or such further Forecast, (ii) the further Forecast is inconsistent with the Financing Plan, or (iii) the revised Protection Agreement Maximum is more than the further Forecast. If the Province disagrees, OPG shall discuss any discrepancies with the Province, address any inaccuracies and inconsistencies to the reasonable satisfaction of the Province and OPG, and the revised Protection Agreement Maximum will be further revised accordingly and confirmed by an amended notice to the Province.

(e) For clarity, Repayments under Obligations Secured owing in currencies other than Canadian dollars will be valued at the time to be determined for the purposes of this Section 4.01 in accordance with the following:

(i) where a Derivative Agreement has been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the hedged value expressed in Canadian dollars; and

(ii) where a Derivative Agreement has not been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the noon spot rate for conversions of any currencies into Canadian dollars.

CHANGE OF LAW PROTECTION AGREEMENT

Dated as of [■], 2017

[1] This Agreement and the Process Agreement will need to be effective on closing but signed and held in escrow as soon as they are settled. **Note to Torys:** Logistics of closing are under consideration.

[2] **Torys Note:** Please advise if there are any further issues with the Manager signing the Protection Agreement on behalf of the Trust? If so, can you please explain the issue. The Manager is currently signing all Program Agreements on behalf of the Trust and has authority to do so. We would like the Manager to sign this Agreement on behalf of the Trust. **Note to Torys:** Manager derives authority under the Management Agreement to sign Program Agreements. Management Agreement powers determined by reference to the Program Agreements, so authority is circular. Ultimately, Province will accept the opinion of Torys on due execution point.

This **AGREEMENT**, among Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), Computershare Trust Company of Canada, in its capacity as trustee (the "**Financing Entity Trustee**") of Fair Hydro Trust, a trust under the laws of the Province of Ontario (the "**Financing Entity**"), Ontario Power Generation Inc., in its capacity as Manager of the Financing Entity and in its capacity as the Financial Services Manager in accordance with the Act (the "**FSM**") and BNY Trust Company of Canada, a trust company existing under the laws of Canada, as Indenture Trustee, is made and entered into as of [■], 2017.

RECITALS

Pursuant to Subsection 5(3) of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**"), the Lieutenant Governor in Council may by order, authorize the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to agree to guarantee or indemnify certain debts, obligations, securities or undertakings associated with an Investment Interest.

Pursuant to an Order in Council dated as of 1981/2017 (the "**OIC**"), the Lieutenant Governor in Council has, among other things, authorized the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to enter into one or more agreements to guarantee or indemnify the debts, obligations, securities or undertakings of one or more financing entities established or caused to be established pursuant to Subsection 22(2) of the Act by the FSM and that may incur Funding Obligations in connection with one or more Investment Interests.

Pursuant to a Declaration of Trust[3] dated as of ■, 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

The Financing Entity Trustee, in its capacity as trustee of the Financing Entity, and the Indenture Trustee are parties to the Trust Indenture and propose to create and issue series of notes, bonds and other securities as contemplated therein, and to provide security over the assets and undertaking of the Financing Entity in respect of such notes, bonds and securities, as well as other Obligations Secured.

The Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, have determined to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Primary Obligations that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions at the time the Approved Obligation is incurred. This Agreement sets out the terms and conditions of such protections and assurances.

---

[3] **Torys Note:** We are comfortable on this point because OPG has retained Computershare as issuer trustee. The recitals of the Declaration of Trust provide that Computershare has established the Trust at the request of the FSM. We can also provide you with a copy of the Computershare engagement letter upon request. **Note to Torys:** The Province will accept authorities opinion regarding the Trust from Torys.

All things necessary to make this Agreement a valid and legally binding agreement of the Province, the Financing Entity, the FSM and the Indenture Trustee, in accordance with the Act, the OIC and the Trust Indenture, have been done.

This Agreement is the "Change of Law Protection Agreement" referred to in the Trust Indenture.

1.14 Non-Business Days

Whenever any payment to be made hereunder shall be stated to be due, any period of time would begin or end, any calculation is to be made or any other action to be taken hereunder shall be stated to be required to be taken, on a day other than a Business Day, then (notwithstanding any other provision of this Agreement) such payment shall be made, such period of time shall begin or end, such calculations shall be made and such other action shall be taken on the next succeeding Business Day.

1.15 Waiver, Amendment

Except as expressly provided in this Agreement, no amendment or waiver of this Agreement will be binding unless executed in writing by the party to be bound thereby. No waiver of any provision of this Agreement will constitute a waiver of any other provision nor will any waiver of any provision of this Agreement constitute a continuing waiver unless otherwise expressly provided. A party's failure or delay in exercising any right under this Agreement will not operate as a waiver of that right. A single or partial exercise of any right will not preclude a party from any other or further exercise of that right or the exercise of any other right.

1.16 Interest Act

For the purpose of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest to which any rate of interest payable under this Agreement that is calculated on any basis other than a full calendar year is equivalent may be determined by multiplying such rate by a fraction, the numerator of which is the actual number of days in the calendar year in which such yearly rate of interest is to be ascertained and the denominator of which is the number of days comprising such other basis. The parties further agree that for the purposes of the *Interest Act* (Canada), (i) the principle of deemed reinvestment of interest shall not apply to any interest calculation under this Agreement, and (ii) the rates of interest stipulated in this Agreement are intended to be nominal rates and not effective rates or yields.

1.17 Currency

Unless stated otherwise, all amounts herein are stated in Canadian Dollars.

1.18 References to Acts of the Financing Entity

For greater certainty, where any reference is made in this Agreement, or in any other instrument executed pursuant hereto or contemplated hereby to which the Financing Entity or the Financing Entity Trustee, as trustee of the Financing Entity, is party, to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or release to be provided by, a suit or proceeding to be taken by or against, or a covenant, representation or warranty (other than relating to the constitution or existence of the Financing Entity) by or with respect to (i) the Financing Entity or (ii) the Financing Entity Trustee, such reference shall be construed and applied for all purposes as if it referred to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or

release to be provided by, a suit or proceeding to be taken by or against or a covenant, representation or warranty (other than relating to the constitution or existence of the Financing Entity) by or with respect to, the Financing Entity Trustee as trustee of the Financing Entity.

1.19 Judgment Currency

(a) If for the purpose of obtaining judgment in any court or for any other purposes (other than conversions specifically provided for in the agreement under which an Approved Obligation arises), it is necessary to convert any amount due under this Agreement from the currency in which it is due (the "**Original Currency**") into another currency (the "**Second Currency**"), the rate of exchange applied shall be that at which, in accordance with normal banking procedures, the purchaser could purchase, in the New York foreign exchange market, the Original Currency with the Second Currency on the date on which judgment is given. The obligation of the Province in respect of any Original Currency due from it to the Indenture Trustee under this Agreement shall, notwithstanding any judgment or payment in such other currency, be discharged only to the extent that, on the Business Day following receipt of any sum so paid or adjudged to be due under this Agreement in the Second Currency, the Indenture Trustee may, in accordance with normal banking procedures, purchase in the New York foreign exchange market the Original Currency with the amount of the Second Currency so paid or so adjudged to be due; and if the amount of the Original Currency so purchased is less than the amount originally due in the Original Currency, the Province shall indemnify the Indenture Trustee against such loss.

(b) The term "rate of exchange" in this Section 1.19 means the spot rate at which the Indenture Trustee, in accordance with normal practice, is able on the relevant date to purchase the Original Currency with the Second Currency and includes any premium and costs of exchange payable in connection with such purchase.

ARTICLE II
AGREEMENT TO PERFORM APPROVED OBLIGATIONS

2.01 Limited Guarantee

(a) Upon the occurrence of a Protection Event, the Indenture Trustee shall (absent the Rating Agency Condition being satisfied with respect to the Protection Event not occurring) deliver a written demand, substantially in the form attached as Exhibit A (a "**Payment Demand**"), to the Province requiring the Province to make payments in respect of the Approved Obligations at the times, in the amounts and subject to the requirements specified in this Agreement. From and after such delivery of a Payment Demand, the Province shall make the following payments in respect of the Approved Obligations (the "**Limited Guarantee**"), and the Financing Entity shall pay, and the Province shall be entitled to be paid, the Subrogation Amounts specified below, on the specified Guarantee Payment Date:

i. Not less than 3 Business Days prior to each day when any payment or payments are to be made in respect of one or more Approved Obligations occurring after such delivery of a Payment Demand (a "**Guarantee Payment Date**"), the Manager shall deliver a written statement setting forth the Aggregate Approved Obligations Amount, if any, in respect of the Approved Obligations that are due and payable on such Guarantee Payment Date, together with a detailed description identifying such Approved Obligations and the nature and amount of payments due and payable thereunder on the Guarantee Payment Date, the aggregate outstanding amount payable by the Financing Entity under such Approved Obligations as of the date of such written statement, and details regarding any default in performance by any party obligated thereunder.

ii. On each such Guarantee Payment Date, the Province shall deposit the Aggregate Approved Obligations Amount into the Protection Account.

iii. On each such Guarantee Payment Date, the Financing Entity and the Indenture Trustee shall ensure that the amounts on deposit in the Protection Account are applied to pay each Beneficiary to whom an amount is due and payable under an Approved Obligation on the Guarantee Payment Date the Approved Obligation Amount for such Beneficiary in respect of such Approved Obligation on such Guarantee Payment Date; provided that if the amount deposited pursuant to clause 2.01(a)ii is insufficient to pay all such Approved Obligation Amounts in full, the amount on deposit in the Protection Account on the Guarantee Payment Date shall be applied to pay Beneficiaries in the order of priority in which such Approved Obligations are payable under the payment provisions of the Trust Indenture applicable to the making of such payments on the Guarantee Payment Date (each, a "**Beneficiary Payee**").

iv. On any Guarantee Payment Date on which an amount is paid by the Province pursuant to clause 2.01(a)ii, the applicable payment provisions of the Trust Indenture shall, notwithstanding the express terms of such provisions set forth in the Trust Indenture, be applied and operate on the following basis:

(A) the amount payable to a Beneficiary Payee in respect of an Approved Obligation from amounts available under such payment provisions on such Guarantee Payment Date shall be reduced by the amount paid to the Beneficiary Payee pursuant to clause 2.01(a)iii in respect of such Approved Obligation on such Guarantee Payment Date;

(B) the Province shall be paid the lesser of (x) the amount payable to a Beneficiary Payee in respect of an Approved

Obligation from amounts available to pay the Beneficiary Payee under such payment provisions on the Guarantee Payment Date, determined without regard to subclause 2.01(a)iv(A), and (y) the amount paid to the Beneficiary Payee pursuant to clause 2.01(a)iii in respect of such Approved Obligation on the Guarantee Payment Date (such amounts paid to Beneficiary Payees being "**Subrogation Amounts**"); and[4]

(C) no Beneficiary having a right to be paid an amount in respect of an Approved Obligation that ranks equal with or subordinate to an Approved Obligation in respect of which an amount is payable to the Province under subclause 2.01(a)iv(B) shall be entitled to make any claim or assert any right in or to the amounts paid or payable to the Province under such subclause (including any right or reimbursement, contribution or indemnity) and no such Beneficiary shall have any right or interest in, to or under the Collateral or any proceeds therefrom in respect of such amounts.

v. On any Guarantee Payment Date, the Indenture Trustee shall release and pay to the Province free and clear of any Liens any amount remaining on deposit in the Protection Account that has not been applied to pay Beneficiary Payees on the Guarantee Payment Date in accordance with clause 2.01(a)iii.

vi. In preparing any payment instructions under the Trust Indenture, the Manager shall reflect the amounts payable for the Guarantee Payment Date under Section 2.01(a).

(b) The Province shall, as a payee of Subrogation Amounts under clause 2.01(a)(iv)(B) and any amounts payable under clause 2.01(a)(v)**,** be a "Specified Creditor" under the Trust Indenture and have the benefit of the Collateral thereunder.

(c) For greater certainty, the Limited Guarantee will not apply to any amount or obligation of the Financing Entity that is not or does not arise under an Approved Obligation and will be limited to the right to receive the Approved Obligation Amounts, if any, for payment to Beneficiary Payees and will be subject to the

[4] **Note:** The Province will be entitled to receive cash flows that would have been required to pay Approved Obligations remaining under the payment waterfalls after satisfaction of all Approved Obligations. Further consideration is required in order to ensure these amounts are paid to the Province, despite those amounts not being paid on a "Guarantee Payment Date" (ie. no amount is paid by the Province under the Limited Guarantee on those later Payment Dates, so currently not covered as not arising on a Guarantee Payment Date). Those residual entitlements must be included as "Subrogation Amounts".

priorities and to the Province's rights to Subrogation Amounts, set forth in Section 2.01(a).

(d) Except as expressly provided in this Agreement, the Province's obligation to provide and perform the Limited Guarantee shall be irrevocable, absolute and unconditional.

(e) Any amount payable by the Province under the Limited Guarantee in respect of an Approved Obligation that is not paid by the Province when required herein shall bear interest from the applicable due date until paid in full at the rate or rates expressed to be payable on the Approved Obligation by their terms.

(f) The right to deliver a Payment Demand and thereupon enforce the Limited Guarantee shall constitute the only remedy available to the Indenture Trustee (and to the Beneficiaries, to the extent they are permitted to exercise any rights, interests, or elections under and in accordance with the Trust Indenture) under this Agreement. Under no circumstances shall the Province be obligated to pay or indemnify the Indenture Trustee or any Beneficiary for consequential, special or punitive damages, or for economic loss or loss of profits; provided that, for greater certainty, economic loss shall not include any amount in respect of any amount due and payable to a Beneficiary Payee under the Limited Guarantee.

2.02 Intentionally Deleted.

2.03 Absence of Set-off

Subject to applicable law, the Province acknowledges and agrees that each payment to be made by the Province hereunder in respect of an Approved Obligation shall be made as required in whole, without application of any right of set-off and without regard to any equities as between or among any of the Province, the Beneficiaries and/or the Indenture Trustee.

2.04 Payment into Protection Account in Satisfaction

(a) On or before the date of delivery of a Payment Demand to the Province, the Indenture Trustee shall cause to be established and maintained an Eligible Deposit Account (the "**Protection Account**") in the name of the Indenture Trustee, bearing a designation clearly indicating that the funds and other property credited thereto are held for the benefit of the Indenture Trustee and the Beneficiaries. The Protection Account shall be under the control of the Indenture Trustee for the benefit of the Beneficiaries. If, at any time, the institution holding the Protection Account ceases to be an Eligible Institution, the FSM shall notify the Indenture Trustee, and the Indenture Trustee upon being notified in writing of such ineligibility (or the FSM on its behalf) shall within 30 days (or such longer period, not to exceed 45 days, so long as the Rating Agency Condition is satisfied) establish a new Protection Account that is an Eligible Deposit Account and shall transfer any funds or other property from such Protection Account to such new Protection Account. From the date each such new Protection Account is

established, it shall be the "Protection Account" for purposes of this Agreement. Funds credited to the Protection Account will be invested and held in accordance with Section **[7.03]** of the Trust Indenture on the basis that it is an Issuer Account.

(b) Notwithstanding the priority of payment requirements set forth in the Trust Indenture and any legal rule concerning the imputation of payments, the Financing Entity and the Indenture Trustee shall ensure that all amounts paid by the Province into the Protection Account on a Guarantee Payment Date in respect of an Approved Obligation are applied to pay the amounts due and payable to the Beneficiaries as and to the extent provided for in Section 2.01(a). Upon a payment having been made by or on behalf of the Province into the Protection Account, the amounts so paid shall for all purposes be considered to have been applied to pay the applicable Beneficiaries as provided for in Section 2.01(a) and thereby reduce the amount due and payable to such Beneficiaries in respect of the applicable Approved Obligations, whereupon an affected Beneficiary shall have no continuing rights, interests or entitlements (including rights as a secured party) in respect of the Approved Obligation to the extent so paid. For greater certainty, the obligations arising in respect of an applicable Approved Obligation shall not be reduced by such payment as the Province shall become entitled to be paid related Subrogation Amounts and the rights contemplated under Section 2.01(a) and Section 5.01 in relation to such continuing obligations.

2.05 <u>Certain Waivers</u>

The Province hereby waives:

(a) any requirement, and any right to require, that any power be exercised or any action be taken against the Financing Entity or any Collateral for any of the Approved Obligations;

(b) all notices which may be required by applicable law to preserve any rights against the Province hereunder, including any notice of default, demand, dishonour, presentment and protest;

(c) diligence; and

(d) any defence based upon, arising out of or in any way related to any claim that any election of remedies by the Beneficiaries impaired, reduced, released or extinguished any rights that the Province might otherwise have had against the Financing Entity or any other surety.

The Province agrees that each such waiver is made with full knowledge of its significance and consequences and if any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the maximum extent permitted by applicable law.

2.06 Additional Security

This Agreement shall be in addition to and without prejudice to any other security by whomsoever given, held at any time by the Indenture Trustee or for the benefit of any of the Beneficiaries.

2.07 Continuing Liability of the Province

The Approved Obligations shall be deemed not to have been paid, observed or performed, and the liability of the Province hereunder in respect thereof shall continue and not be discharged, to the extent that any payment, observance or performance thereof by the Financing Entity, or out of the proceeds of any Collateral, is recovered from or reimbursed by or for the account of any of the Beneficiaries for any reason, including a preference or fraudulent transfer or by virtue of any subordination (whether present or future or contractual or otherwise) of the Approved Obligations, whether such recovery or payment over is effected by any judgment, decree or order of any court or Governmental Authority, by any plan of reorganization or by settlement or compromise by any of the Beneficiaries (whether or not consented to by the Financing Entity or the Province) of any claim for any such recovery or payment over.

2.08 Continuance of the Limited Guarantee

Subject to Section 2.07, the Limited Guarantee shall continue in full force and effect until the indefeasible payment, observance and performance in full of the Approved Obligations in accordance with Section 8.01.

2.09 Modifications of Approved Obligations

The Province expressly authorizes the Indenture Trustee, at any time and from time to time, without notice and without affecting the liability of the Province hereunder, but subject to compliance with the requirements of the Program Agreements and this Agreement, to:

(a) accept new, additional or replacement instruments, documents, agreements or security in connection with all or any part of the Approved Obligations;

(b) accept partial payments on the Approved Obligations; and

(c) waive, release, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, compromise, liquidate and enforce all or any part of the Approved Obligations and any security or guarantee therefor, and apply any such security and direct the order or manner of sale thereof as the Indenture Trustee (for the benefit of the Beneficiaries) in its discretion may determine.

ARTICLE III
THE INDENTURE TRUSTEE

3.01 The Indenture Trustee

This Agreement is made in favour of the Indenture Trustee in its capacity as trustee under the Trust Indenture. Accordingly, in the event of a new trustee being appointed under the Trust Indenture, such new trustee shall thereupon become and be the Indenture Trustee hereunder, but nevertheless, the Indenture Trustee shall forthwith assign, transfer and make over to the new trustee hereunder this Agreement. All provisions of the Trust Indenture for the protection of the Indenture Trustee or for facilitating the administration of the trusts or otherwise relating to the Indenture Trustee solely as to its holding of the rights thereunder shall apply *mutatis mutandis* to this Agreement and the Indenture Trustee's duties hereunder.

3.02 Acceptance of Trusts

The Indenture Trustee hereby accepts the trusts hereof and agrees to carry out and discharge the same unless and until a new trustee shall be appointed as contemplated in Section 3.01.

ARTICLE IV
APPROVED OBLIGATIONS

4.01 Approval Process

A Primary Obligation shall constitute an Approved Obligation if (i) the Adherence Conditions applicable thereto have been satisfied at the time the Primary Obligation was incurred, or (ii) the Province, in its sole discretion, designates in writing that it is an Approved Obligation.

4.02 Adherence Conditions

The following shall be the Adherence Conditions applicable in relation to each Certified Primary Obligation:

(a) the Certified Primary Obligation when incurred is an Obligation Secured under the Trust Indenture; and

(b) OPG, as FSM, delivers a certificate signed by the Chief Financial Officer and the Treasurer of OPG, or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) and addressed to the Indenture Trustee, on or before the incurrence of a Certified Primary Obligation (provided that delivery may not be more than 5 Business Days before the incurrence of the Certified Primary Obligation), confirming that OPG has delivered to the Province a certificate signed by the Chief Financial Officer and the Treasurer of OPG, or any two Executive Officers of OPG (for clarity, such certificate is to be provided by

such officers in their capacity as officers of OPG acting in its capacity as FSM) confirming that OPG has complied with all of its obligations to the Province and internal requirements and processes in connection with the adherence of the Limited Guarantee to the Certified Primary Obligation; and

(c) in respect of a Certified Primary Obligation other than a Refinancing of a Primary Obligation in respect of which the Adherence Conditions had been satisfied, the Province has not provided a Suspension Notice to the Indenture Trustee, OPG and the Financing Entity.

For greater certainty, (y) satisfaction of the Adherence Conditions for a Certified Primary Obligation shall be deemed satisfaction of the Adherence Conditions in respect of all principal, interest and other amounts owing under the Certified Primary Obligation, as such Certified Primary Obligation may be amended, restated, supplemented or otherwise modified from time to time, and (z) there shall be no Adherence Conditions applicable in relation to a Primary Obligation that is not a Certified Primary Obligation.

4.03 Evidence of Satisfaction

A closing certificate delivered in accordance with Section 4.02(b) in connection with an incurrence of a Certified Primary Obligation shall be determinative as to whether the applicable Adherence Conditions with respect thereto have been satisfied, notwithstanding that such certificate may include inaccuracies, be incomplete or otherwise be defective or deficient, and such closing certificate may be relied upon by any addressee as conclusive evidence of same. A closing certificate that purports on its face to be signed by officers specified in Section 4.02(b) may be relied upon by any addressee without further enquiry or evidence as to the incumbency or signatures of such officers. If a closing certificate is not delivered in accordance with the timing requirements of Section 4.02(b) in respect of a Certified Primary Obligation, such certificate may be delivered at a later date, and be effective as if it had been delivered in accordance with the timing requirement of Section 4.02(b), if at the time such certificate was required to be delivered OPG had delivered to the Province all certifications required by the Province in connection with the adherence of the Limited Guarantee to the Certified Primary Obligation.

ARTICLE V
PROVINCE MATTERS

5.01 Assignment and Subrogation

(a) Upon paying an amount in respect of an Approved Obligation to or at the direction of the Indenture Trustee in satisfaction of the Limited Guarantee, the Province (in addition to and without prejudice to any rights it otherwise has in law or equity) shall be subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation to the extent of such payment, including (i) the right and entitlement to be paid and receive the related Subrogation Amounts, (ii) the benefits of the related Collateral and (iii) all proceeds therefrom. The Province shall have and be entitled to enforce all rights

and interests (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)), under and in respect of such Approved Obligation to the extent of the payment by the Province in respect of the Approved Obligation as an absolute assignee of the applicable Beneficiary, with effect from and after the time of such payment, without any further requirement for notice to or acceptance by the Financing Entity of such absolute assignment and without any reduction, set-off or counterclaim on account of any amounts that may, at or after the time of payment, be or become owing by the Beneficiary to the Financing Entity and unaffected by any other rights or equities that arise thereafter as between the Beneficiary and the Financing Entity. The Indenture Trustee shall recognize the Province as being entitled to all of the rights, interests and entitlements of the Beneficiary (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)) in respect and to the extent of the Approved Obligation so paid, determined as of the time of payment, for all purposes under the Trust Indenture, and the Province shall be treated as a Specified Creditor in respect thereof for all purposes under the Trust Indenture and any other agreement under which the Approved Obligation arises.

(b) The Province (i) acknowledges and agrees in favour of the Indenture Trustee that, upon being subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation in accordance with Section 5.01(a), the Province, in its capacity as a Specified Creditor, will be subject to the provisions applicable to Specified Creditors under the Trust Indenture, including **[Sections 7.04 through 7.11 and 8.13 (Payment Priorities), Section 7.12 (Payments Held in Trust), Section 8.11 (Control by Controlling Class Creditors), Section 8.12 (Limitation on Suits), Section 8.14 (Limited Recourse), Article IX (The Indenture Trustee), including all limitations of liability thereunder, Section 9.14 (Communications to Specified Creditors) and Section 16.01 (No Petition)]**; (ii) consents, requests and authorizes the Issuer and the Indenture Trustee to (x) add the Province to the register of Specified Creditors described in subsection **[13.13(b)]** of the Trust Indenture and (y) disseminate the notice details of the Province to other Specified Creditors for the purposes set out in subsection **[9.14(b)]** of the Trust Indenture, and (iii) confirms that it will execute and deliver, or cause to be executed and delivered, all such further agreements, documents and instruments in connection with this Section 5.01 as the Indenture Trustee may request from time to time for the purpose of giving effect to the terms of this Section 5.01.

5.02 <u>Priorities</u>

For greater certainty, the rights, interests and entitlements of the Province as an assignee and subrogee of and with respect to an Approved Obligation shall rank equally with the rights, interests and entitlements of a Beneficiary to whom a Limited Guarantee payment is made in respect of, and to the extent of the payment made to satisfy, the Approved Obligation and the Province shall not be subject to postponement or subordination with respect thereto except to the

extent of the priorities established in relation to the Approved Obligation under the Trust Indenture in the manner and to the extent contemplated in Section 7.10(d) of the Trust Indenture.

5.03 Intentionally Deleted

5.04 Representations and Warranties

The Province hereby represents and warrants that:

(a) the execution and delivery of, and the performance of its obligations under, this Agreement by the Province have been authorized by all necessary action on the part of the Province;

(b) the execution and delivery of, and the performance of its obligations under, this Agreement by the Province do not result in the violation of any applicable law; and

(c) this Agreement has been duly executed and delivered by the Province.

ARTICLE VI
INDENTURE TRUSTEE MATTERS

6.01 Limited Recourse

No recourse may be taken, directly or indirectly, with respect to the obligations of the Financing Entity under this Agreement, or any certificate or other writing delivered in connection herewith or therewith, against (a) the Financing Entity Trustee in its individual capacity, (b) any owner of a beneficial interest in the Financing Entity or (c) any partner, owner, beneficiary, agent, officer, director, employee or agent of the Financing Entity Trustee in its individual capacity, any holder of a beneficial interest in the Financing Entity or the Financing Entity Trustee or of any successor or assign of the Financing Entity Trustee in its individual capacity, except as any such Person may have expressly agreed (it being understood that the Financing Entity Trustee has no such obligations in its individual capacity).

6.02 Not Responsible for Recitals

The recitals contained herein will be taken as the statements of the Province, the Financing Entity and the FSM, and the Indenture Trustee assumes no responsibility for their correctness. The Indenture Trustee makes no representations as to the validity or sufficiency of this Agreement.

6.03 Representations and Covenants of the Indenture Trustee[5]

The Indenture Trustee represents, warrants and covenants that:

(a) the Indenture Trustee is a trust company organized, existing and in good standing under the laws of Canada; and

(b) the Indenture Trustee is authorized to carry on the business of a trust company in each of the provinces and territories of Canada.

ARTICLE VII
SUSPENSION OF ADHERENCE FOR NEW PRIMARY OBLIGATIONS

7.01 Suspension Notice

Upon:

(a) a Program Breach;

(b) a default in the performance, or breach, of any covenants of OPG, as FSM, or OPG, in its corporate capacity, in each case to the Province in connection with its obligations to the Province pursuant to internal requirements and processes in connection with the provision of the Limited Guarantee, which continues for thirty (30) days after written notice by the Province to OPG of such default or breach;

(c) a representation or warranty made by OPG or a certification made by one or more officers of OPG, in each case whether as FSM or in its corporate capacity, to the Province in connection with its obligations to the Province pursuant to internal requirements and processes in connection with the provision of the Limited Guarantee, proves to be incorrect on the date made and, if curable, is not cured within thirty (30) days after written notice by the Province to OPG of such misrepresentation; or

(d) the FSM no longer being the Manager or actions having been taken by or on behalf of the Indenture Trustee to remove the FSM as the Manager,

the Province may declare that the Limited Guarantee under this Agreement shall not apply to any Primary Obligations incurred on or after such declaration, other than any Refinancing of a Primary Obligation in respect of which the Adherence Conditions had previously been satisfied (provided that the Refinancing is an Approved Obligation), by delivering a written notice in the form of Exhibit B (a "**Suspension Notice**") to the Indenture Trustee, the FSM and the Financing Entity.

[5] **Torys Note:** The Indenture Trustee asked us to delete these representations. They will not provide these types of representations without attaining a legal opinion from outside counsel. To avoid delay, we would ask that the parties agree to this deletion. **Note to Torys:** The representations provided by the Indenture Trustee should be consistent with those in the Trust Indenture.

The Limited Guarantee shall apply to any Certified Primary Obligation incurred after a Suspension Event on the basis that it is a Refinancing (provided that such Refinancing is an Approved Obligation) only if the FSM certifies to the Province in writing prior to the incurrence that the proceeds of such incurrence will be used solely for the purposes of repaying one or more Certified Primary Obligations incurred prior to the Suspension Event and to which the Limited Guarantee adhered as of the time the Suspension Event occurred, and the delivery of such written certification by the FSM to the Province shall be determinative for the purposes of concluding that such incurrence is a Refinancing for the purposes of Sections 7.01, 7.02 and 7.03.

7.02 Suspension

If a Suspension Notice has been provided under Section 7.01 (the provision of such notice being a "**Suspension Event**"), the Limited Guarantee shall not apply in respect of any Primary Obligation incurred or amended on or after the time such Suspension Notice is delivered, other than any Refinancing of a Primary Obligation in respect of which the Adherence Conditions had previously been satisfied (provided that the Refinancing is an Approved Obligation).

7.03 No Impact on Adherence

For greater certainty, the occurrence of a Suspension Event or a failure by the FSM or the Financing Entity to perform its covenants under this Agreement will not invalidate or extinguish the obligations of the Province under the Limited Guarantee in respect of Approved Obligations in existence prior to the occurrence of the Suspension Event or in respect of any Refinancing of a Primary Obligation in respect of which the Adherence Conditions had previously been satisfied (provided that the Refinancing is an Approved Obligation).

[10] **Torys Note:** Refinancings can occur up to six months prior to the application of the refinancing proceeds to the existing obligation. The regulations provide that if the refinancing proceeds are not applied to repay the intended funding obligation, then it is not a Refinancing. Accordingly, we have revised the definition to ensure that Refinancings do not have to be simultaneous with repayment of the existing Approved Obligation (we understand from the dealers that in most circumstances they will not be). **Note to Torys**: The General Regulation specifically provides that debt can be considered a "Refinancing" when incurred within the 6 months prior to the maturity date of a funding obligation. The Act/Regulation's definition doesn't require that "Refinancings" are simultaneous with the repayment of existing Approved Obligations. We have added a certificate mechanic in 7.01 by which there can be certainty when an obligation is incurred that if the obligation is intended to be a refinancing, it will be covered by the guarantee.

CHANGE OF LAW PROCESS AGREEMENT[1]

Dated as of [■], 2017

[1] This Agreement and the Protection Agreement will need to be effective on closing but signed and held in escrow as soon as they are settled. **Note to Torys:** Closing mechanics under consideration by the Province.

This **CHANGE OF LAW PROCESS AGREEMENT**, between Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), and Ontario Power Generation Inc. ("**OPG**") is made and entered into as of [■], 2017.

RECITALS

OPG is appointed as the Financial Services Manager under Section 18 of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**").

Pursuant to Section 22(2) of the Act, OPG, in its capacity as the Financial Services Manager (the "**FSM**"), may establish or cause to be established one or more financing entities (as defined in the Act), which may incur Funding Obligations in accordance with the Act.[1]

Pursuant to a Declaration of Trust dated as of [■], 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.[2]

Concurrent with this Agreement, the Province, the FSM, the Financing Entity and the Indenture Trustee will enter into the Change of Law Protection Agreement under which the Province will agree to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Obligations Secured that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions.

Prior to entering into this Agreement, OPG provided the Province with the proposed forms of certain of the Transaction Documents, and the Province has not objected to such forms.

This Agreement sets out the obligations OPG has agreed to perform and assurances OPG has agreed to provide and on which the Province will rely in entering into and implementing the Change of Law Protection Agreement, including for the purposes of determining whether the Adherence Conditions have been satisfied, maintaining information related to the Program Agreements and the Approved Obligations, and ensuring that the Province's assumption rights pursuant to Article VI of the Change of Law Protection Agreement may be exercised without impediment on the terms and conditions contemplated in this Agreement and the Change of Law Protection Agreement.

All things necessary to make this Agreement a valid and legally binding agreement of OPG and the Province, have been done.

[1] ~~Blakes suggests that it be made clear in the Declaration of Trust that OPG is establishing the Trust. Blakes would appreciate the benefit of Torys analysis as to how the Trust is an "entity" under the OFHPA, as opposed to the trustee. Clearly OPG has not established Computershare. Blakes and Torys to discuss.~~

CHANGE OF LAW PROTECTION AGREEMENT

Dated as of [■], 2017

[1] This Agreement and the Process Agreement will need to be effective on closing but signed and held in escrow as soon as they are settled. **Note to Torys:** Logistics of closing are under consideration.

~~[1] Torys and Blakes to discuss signatory~~[2] **Torys Note:** Please advise if there are any further issues with the Manager signing the Protection Agreement on behalf of the Trust? If so, can you please explain the issue. The Manager is currently signing all Program Agreements on behalf of the Trust and has authority to do so. We would ~~propose to do the same on the change of law agreement~~like the Manager to sign this Agreement on behalf of the Trust. **Note to Torys:** Manager derives authority under the Management Agreement to sign Program Agreements. Management Agreement powers determined by reference to the Program Agreements, so authority is circular. Ultimately, Province will accept the opinion of Torys on due execution point.

This **AGREEMENT**, among Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), Computershare Trust Company of Canada, in its capacity as trustee (the "**Financing Entity Trustee**") of Fair Hydro Trust, a trust under the laws of the Province of Ontario (the "**Financing Entity**"), Ontario Power Generation Inc., in its capacity as Manager of the Financing Entity and in its capacity as the Financial Services Manager in accordance with the Act (the "**FSM**") and BNY Trust Company of Canada, a trust company existing under the laws of Canada, as Indenture Trustee, is made and entered into as of [■], 2017.

RECITALS

Pursuant to Subsection 5(3) of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**"), the Lieutenant Governor in Council may by order, authorize the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to agree to guarantee or indemnify certain debts, obligations, securities or undertakings associated with an Investment Interest.

Pursuant to an Order in Council dated as of ■1981/2017 (the "**OIC**"), the Lieutenant Governor in Council has, among other things, authorized the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to enter into one or more agreements to guarantee or indemnify the debts, obligations, securities or undertakings of one or more financing entities established or caused to be established pursuant to Subsection 22(2) of the Act by the FSM and that may incur Funding Obligations in connection with one or more Investment Interests.

Pursuant to a Declaration of Trust[2][3] dated as of ■, 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

The Financing Entity Trustee, in its capacity as trustee of the Financing Entity, and the Indenture Trustee are parties to the Trust Indenture and propose to create and issue series of notes, bonds and other securities as contemplated therein, and to provide security over the assets and undertaking of the Financing Entity in respect of such notes, bonds and securities, as well as other Obligations Secured.

The Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, have determined to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Primary Obligations ~~Secured~~ that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence

[2] ~~Torys to confirm that Trust is a "financing entity" under OFHPA. Under definition, FSM to establish or cause to be established. DofT indicates Computershare declares trust. Need to have this confirmed for purposes of authority under OFHPA 5(3), among other things.~~

[3] **Torys Note:** We are comfortable on this point because OPG has retained Computershare as issuer trustee. The recitals of the Declaration of Trust provide that Computershare has established the Trust at the request of the FSM. We can also provide you with a copy of the Computershare engagement letter upon request. **Note to Torys:** The Province will accept authorities opinion regarding the Trust from Torys.

Conditions at the time the Approved Obligation is incurred ~~or amended~~. This Agreement sets out the terms and conditions of such protections and assurances.

All things necessary to make this Agreement a valid and legally binding agreement of the Province, the Financing Entity, the FSM and the Indenture Trustee, in accordance with the Act, the OIC and the Trust Indenture, have been done.

The obligation of the Province in respect of any Original Currency due from it to the Indenture Trustee under this Agreement shall, notwithstanding any judgment or payment in such other currency, be discharged only to the extent that, on the Business Day following receipt of any sum so paid or adjudged to be due under this Agreement in the Second Currency, the Indenture Trustee may, in accordance with normal banking procedures, purchase in the New York foreign exchange market the Original Currency with the amount of the Second Currency so paid or so adjudged to be due; and if the amount of the Original Currency so purchased is less than the amount originally due in the Original Currency, the Province shall indemnify the Indenture Trustee against such loss.

(b) The term "rate of exchange" in this Section 1.19 means the spot rate at which the Indenture Trustee, in accordance with normal practice, is able

on the relevant date to purchase the Original Currency with the Second Currency and includes any premium and costs of exchange payable in connection with such purchase.

ARTICLE II
AGREEMENT TO PERFORM APPROVED OBLIGATIONS

2.01 Limited Guarantee

(a) Upon the occurrence of a Protection Event, the Indenture Trustee ~~may~~shall (absent the Rating Agency Condition being satisfied with respect to the Protection Event not occurring) deliver a written demand, substantially in the form attached as Exhibit A (a "**Payment Demand**"), to the Province requiring the Province to make payments in respect of the Approved Obligations at the times, in the amounts and subject to the requirements specified in this Agreement. From and after such delivery of a Payment Demand, the Province shall make the following payments in respect of the Approved Obligations (the "**Limited Guarantee**"), and the Financing Entity shall pay, and the Province shall be entitled to be paid, the Subrogation Amounts specified below, on the specified Guarantee Payment Date:

i. Not less than ~~[~~3~~]~~ Business Days prior to each day when any payment or payments are to be made in respect of one or more Approved Obligations occurring after such delivery of a Payment Demand~~ and prior to the Assumption Effective Date, if any,~~ (a "**Guarantee Payment Date**"), the Manager shall deliver a written statement~~, substantially in the form attached as Exhibit A.1 (a "**Guarantor Settlement Statement**")~~ setting forth the Aggregate Approved Obligations Amount, if any, in respect of the Approved Obligations that are due and payable on such Guarantee Payment Date, together with a detailed description identifying such Approved Obligations and the nature and amount of payments due and payable thereunder on the Guarantee Payment Date, the aggregate outstanding amount payable by the Financing Entity under such Approved Obligations as of the date of ~~the Guarantor Settlement Statement~~such written statement, and details regarding any default in performance by any party obligated thereunder.

ii. On each such Guarantee Payment Date, the Province shall deposit the Aggregate Approved Obligations Amount into the Protection Account.

iii. On each such Guarantee Payment Date, the Financing Entity and the Indenture Trustee shall ensure that the amounts on deposit in the Protection Account are applied to pay each Beneficiary to

whom an amount is due and payable under an Approved Obligation on the Guarantee Payment Date the Approved Obligation Amount for such Beneficiary in respect of such Approved Obligation on such Guarantee Payment Date; provided that if the amount deposited pursuant to clause 2.01(a)ii is insufficient to pay all such Approved Obligation Amounts in full, the amount on deposit in the Protection Account on the Guarantee Payment Date shall be applied to pay Beneficiaries in the order of priority in which such Approved Obligations are payable under the payment provisions of the Trust Indenture applicable to the making of such payments on the Guarantee Payment Date (each, a "**Beneficiary Payee**").

iv. On any Guarantee Payment Date on which an amount is paid by the Province pursuant to clause 2.01(a)ii, the applicable payment provisions of the Trust Indenture shall, notwithstanding the express terms of such provisions set forth in the Trust Indenture, be applied and operate on the following basis:

(A) ~~(i)~~ the amount payable to a Beneficiary Payee in respect of an Approved Obligation from amounts available under such payment provisions on such Guarantee Payment Date shall be reduced by the amount paid to the Beneficiary Payee pursuant to clause 2.01(a)iii in respect of such Approved Obligation on such Guarantee Payment Date;

(B) ~~(ii)~~ the Province shall be paid the ~~amount by which~~lesser of (x) the amount payable to a Beneficiary Payee in respect of an Approved Obligation from amounts available to pay the Beneficiary Payee under such payment provisions on the Guarantee Payment Date, determined without regard to subclause 2.01(a)iv(~~i~~A), ~~exceeds~~and (y) the amount paid to the Beneficiary Payee pursuant to clause 2.01(a)iii in respect of such Approved Obligation on the Guarantee Payment Date (such ~~payments to the Province~~amounts paid to Beneficiary Payees being "**Subrogation Amounts**"); and[4]

[4] **Note:** The Province will be entitled to receive cash flows that would have been required to pay Approved Obligations remaining under the payment waterfalls after satisfaction of all Approved Obligations. Further consideration is required in order to ensure these amounts are paid to the Province, despite those amounts not being paid on a "Guarantee Payment Date" (ie. no amount is paid by the Province under the Limited Guarantee on those later Payment Dates, so currently not covered as not arising on a Guarantee Payment Date). Those residual entitlements must be included as "Subrogation Amounts".

(C) ~~(iii)~~ no Beneficiary having a right to be paid an amount in respect of an Approved Obligation that ranks equal with or subordinate to an Approved Obligation in respect of which an amount is payable to the Province under subclause 2.01(a)iv(~~ii~~B) shall be entitled to make any claim or assert any right in or to the amounts paid or payable to the Province under such subclause (including any right or reimbursement, contribution or indemnity) and no such Beneficiary shall have any right or interest in, to or under the Collateral or any proceeds therefrom in respect of such amounts.

v. On any Guarantee Payment Date, the Indenture Trustee shall release and pay to the Province free and clear of any Liens any amount remaining on deposit in the Protection Account that has not been applied to pay Beneficiary Payees on the Guarantee Payment Date in accordance with clause 2.01(a)iii.

vi. In preparing any payment instructions under the Trust Indenture, the Manager shall reflect the amounts payable for the Guarantee Payment Date under Section 2.01(a).

(b) The Province shall, as a payee of Subrogation Amounts under clause 2.01(a)(iv)(B) and any amounts payable under clause 2.01(a)(v), be a "Specified Creditor" under the Trust Indenture and have the benefit of the Collateral thereunder.

(c) For greater certainty, the Limited Guarantee will not apply to any amount or obligation of the Financing Entity that is not or does not arise under an Approved Obligation and will be limited to the right to receive the Approved Obligation Amounts, if any, for payment to Beneficiary Payees and will be subject to the priorities and to the Province's rights to Subrogation Amounts, set forth in Section 2.01(a).

(d) Except as expressly provided in this Agreement, the Province's obligation to provide and perform the Limited Guarantee shall be irrevocable, absolute and unconditional.

(e) Any amount payable by the Province under the Limited Guarantee in respect of an Approved Obligation that is not paid by the Province when required herein shall bear interest from the applicable due date until paid in full at the rate or rates expressed to be payable on the Approved Obligation by their terms.

(f) The right to deliver a Payment Demand and thereupon enforce the Limited Guarantee shall constitute the only remedy available to the

Indenture Trustee (and to the Beneficiaries, to the extent they are permitted to exercise any rights, interests, or elections under and in accordance with the Trust Indenture) under this Agreement. Under no circumstances shall the Province be obligated to pay or indemnify the Indenture Trustee or any Beneficiary for consequential, special or punitive damages, or for economic loss or loss of profits; provided that, for greater certainty, economic loss shall not include any amount in respect of any amount due and payable to a Beneficiary Payee under the Limited Guarantee.

2.02 Intentionally Deleted.

2.03 Absence of Set-off

Subject to applicable law, the Province acknowledges and agrees that each payment to be made by the Province hereunder in respect of an Approved Obligation shall be made as required in whole, without application of any right of set-off and without regard to any equities as between or among any of the Province, the Beneficiaries and/or the Indenture Trustee.

2.04 Payment into Protection Account[3] in Satisfaction

(a) On or before the date of delivery of a Payment Demand to the Province, the Indenture Trustee shall cause to be established and maintained an Eligible Deposit Account (the "**Protection Account**") in the name of the Indenture Trustee, bearing a designation clearly indicating that the funds and other property credited thereto are held for the benefit of the Indenture Trustee and the Beneficiaries. The Protection Account shall be under the control of the Indenture Trustee for the benefit of the Beneficiaries. If, at any time, the institution holding the Protection Account ceases to be an Eligible Institution, the FSM shall notify the Indenture Trustee, and the Indenture Trustee upon being notified in writing of such ineligibility (or the FSM on its behalf) shall within 30 days (or such longer period, not to exceed 45 days, so long as the Rating Agency Condition is satisfied) establish a new Protection Account that is an Eligible Deposit Account and shall transfer any funds or other property from such Protection Account to such new Protection Account. From the date each such new Protection Account is established, it shall be the "Protection Account" for purposes of this Agreement. Funds credited to the Protection Account will be invested and held in accordance with Section **[7.03]** of the Trust Indenture on the basis that it is an Issuer Account.

(b) Notwithstanding the priority of payment requirements set forth in the Trust Indenture and any legal rule concerning the imputation of payments, the Financing Entity and the Indenture Trustee shall ensure that all amounts paid by the Province into the Protection Account on a Guarantee Payment Date in respect of an Approved Obligation are applied to pay the amounts due and payable to the

[3] ~~Mechanics of Protection Account to be considered by Province after required modifications to Trust Indenture have been provided.~~

Beneficiaries as and to the extent provided for in Section 2.01(a). Upon a payment having been made by or on behalf of the Province into the Protection Account, the amounts so paid shall for all purposes be considered to have been applied to pay the applicable Beneficiaries as provided for in Section 2.01(a) and thereby reduce the amount due and payable to such Beneficiaries in respect of the applicable Approved Obligations, whereupon an affected Beneficiary shall have no continuing rights, interests or entitlements (including rights as a secured party) in respect of the Approved Obligation to the extent so paid[4]. For greater certainty, the obligations arising in respect of an applicable Approved Obligation shall not be reduced by such payment as the Province shall become entitled to be paid related Subrogation Amounts and the rights contemplated under Section 2.01(a) and Section 5.01 in relation to such continuing obligations.

2.05 Certain Waivers

The Province hereby waives:

(a) any requirement, and any right to require, that any power be exercised or any action be taken against the Financing Entity or any Collateral for any of the Approved Obligations;

(b) all notices which may be required by applicable law to preserve any rights against the Province hereunder, including any notice of default, demand, dishonour, presentment and protest;

(c) diligence; and

(d) any defence based upon, arising out of or in any way related to any claim that any election of remedies by the Beneficiaries impaired, reduced, released or extinguished any rights that the Province might otherwise have had against the Financing Entity or any other surety.

The Province agrees that each such waiver is made with full knowledge of its significance and consequences and if any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the maximum extent permitted by applicable law.

2.06 Additional Security

This Agreement shall be in addition to and without prejudice to any other security by whomsoever given, held at any time by the Indenture Trustee or for the benefit of any of the Beneficiaries.

[4] ~~A corresponding provision needs to be added to the Trust Indenture and each other Funding Obligation Agreement under which the Obligation Secured arises, so that the Beneficiaries are bound by these applications and the agreement of the Indenture Trustee under this Agreement.~~

2.07 Continuing Liability of the Province

The Approved Obligations shall be deemed not to have been paid, observed or performed, and the liability of the Province hereunder in respect thereof shall continue and not be discharged, to the extent that any payment, observance or performance thereof by the Financing Entity, or out of the proceeds of any Collateral, is recovered from or reimbursed by or for the account of any of the Beneficiaries for any reason, including a preference or fraudulent transfer or by virtue of any subordination (whether present or future or contractual or otherwise) of the Approved Obligations, whether such recovery or payment over is effected by any judgment, decree or order of any court or Governmental Authority, by any plan of reorganization or by settlement or compromise by any of the Beneficiaries (whether or not consented to by the Financing Entity or the Province) of any claim for any such recovery or payment over.

2.08 Continuance of the Limited Guarantee

Subject to Section 2.07, the Limited Guarantee shall continue in full force and effect until the indefeasible payment, observance and performance in full of the Approved Obligations~~, or until the Province is no longer required to provide and perform the Limited Guarantee~~ in accordance with Section ~~6.03 or Section 8.02.~~8.01.

2.09 Modifications of Approved Obligations

The Province expressly authorizes the Indenture Trustee, at any time and from time to time, without notice and without affecting the liability of the Province hereunder, but subject to compliance with the requirements of the Program Agreements and this Agreement, to:

(a) accept new, additional or replacement instruments, documents, agreements or security in connection with all or any part of the Approved Obligations;

(b) accept partial payments on the Approved Obligations; and

(c) waive, release, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, compromise, liquidate and enforce all or any part of the Approved Obligations and any security or guarantee therefor, and apply any such security and direct the order or manner of sale thereof as the Indenture Trustee (for the benefit of the Beneficiaries) in its discretion may determine.

ARTICLE III
THE INDENTURE TRUSTEE

3.01 The Indenture Trustee

This Agreement is made in favour of the Indenture Trustee in its capacity as trustee under the Trust Indenture. Accordingly, in the event of a new trustee being appointed under the Trust Indenture, such new trustee shall thereupon become and be the Indenture Trustee hereunder, but

nevertheless, the Indenture Trustee shall forthwith assign, transfer and make over to the new trustee hereunder this Agreement. All provisions of the Trust Indenture for the protection of the Indenture Trustee or for facilitating the administration of the trusts or otherwise relating to the Indenture Trustee solely as to its holding of the rights thereunder shall apply *mutatis mutandis* to this Agreement and the Indenture Trustee's duties hereunder.

3.02 Acceptance of Trusts

The Indenture Trustee hereby accepts the trusts hereof and agrees to carry out and discharge the same unless and until a new trustee shall be appointed as contemplated in Section 3.01.

ARTICLE IV
APPROVED OBLIGATIONS

4.01 Approval Process

A Primary Obligation shall constitute an Approved Obligation if (i) the Adherence Conditions applicable thereto have been satisfied at the time the Primary Obligation was incurred, or (ii) the Province, in its sole discretion, designates in writing that it is an Approved Obligation.

4.02 Adherence Conditions[5]

The following shall be the Adherence Conditions applicable in relation to each Certified Primary Obligation ~~other than any Funding Obligation under which not more than $■ in the aggregate may become payable by the Financing Entity~~:

(a) the Certified Primary Obligation when incurred is an Obligation Secured under the Trust Indenture; and

Additionally, money in the Collection Account is required to flow through the waterfall and is not required to be held in the Collection Account otherwise. **Note to Torys:** Please confirm. The Trust Indenture states that if extra cash is available in the Collections Account, it can be held until a subsequent Pay ment Date.

[9] **Torys Note:** We deleted early amortization events because that is no longer a concept used in the Trust Indenture. **Note to Torys:** Early amortization events may be included in a supplemental indenture so we think retaining that reference makes sense.

(ii) the Legislature enacts or amends any other statute;

(iii) the Lieutenant Governor in Council repeals (and does not replace on an equivalent basis) the regulations made under the Act or any portion thereof as in effect on the date hereof; or

(iv) the Lieutenant Governor in Council, a minister of the ~~[~~Crown~~]~~, an official of the government or a board or commission all the members of which are appointed by the Lieutenant Governor in Council makes or amends any "regulation" (as defined in Part III of the *Legislation Act, 2006*) as in effect on the date hereof;

in each case, that materially and adversely affects (a) the ability of the Financing Entity to receive amounts in respect of its Investment Interest so that it can pay Obligations Secured, or (b) this Agreement or any of the agreements under which Obligations Secured arise; or

(b) a court of competent jurisdiction determines that all or a portion of the Act or the regulations made under the Act, as in effect on the date hereof, is *ultra vires* or invalid in a way that materially and adversely affects the ability of the Financing Entity to receive amounts in respect of its Investment Interest so that it can pay Obligations Secured and that has the effect of the Financing Entity not in fact having sufficient funds to pay such Obligations Secured that have become due and payable.

"**Province**" has the meaning ascribed thereto in the first paragraph of this Agreement.

"**Rating Agency** ~~**Condition**~~" has the meaning ascribed thereto in the Trust Indenture, except that the reference to "Issuer Funding Obligation" in the definition of "Rating Agency" in the Trust Indenture shall be replaced with a reference to an Issuer Funding Obligation that is an Approved Obligation.

"**Trust Indenture**" means the trust indenture between the Financing Entity and the Indenture Trustee dated as of [■], 2017, as amended, supplemented, restated or otherwise modified from time to time.

[10] **Torys Note:** Refinancings can occur up to six months prior to the application of the refinancing proceeds to the existing obligation. The regulations provide that if the refinancing proceeds are not applied to repay the intended f unding obligation, then it is not a Refinancing. Accordingly, we have revised the definition to ensure that Refinancings do not have to be simultaneous with repayment of the existing Approved Obligation (we understand from the dealers that in most circumstances they will not be). **Note to Torys**: The General Regulation specifically provides that debt can be considered a "Refinancing" when incurred within the 6 months prior to the maturity date of a funding obligation. The Act/Regulation's definition doesn't require that "Refinancings" are simultaneous with the repayment of existing Approved Obligations. We have added a certificate mechanic in 7.01 by which there can be certainty when an obligation is incurred that if the obligation is intended to be a refinancing, it will be covered by the guarantee.

HER MAJESTY THE QUEEN IN RIGHT OF ONTARIO, AS REPRESENTED BY THE MINISTER OF ENERGY AND THE MINISTER OF FINANCE

AND

ONTARIO POWER GENERATION INC.

CHANGE OF LAW PROCESS AGREEMENT[1]

Dated as of [■], 2017

[1] This Agreement and the Protection Agreement will need to be effective on closing but signed and held in escrow as soon as they are settled ~~and prior to pricing of the term deal~~. **Note to Torys:** Closing mechanics under consideration by the Province.

This **CHANGE OF LAW PROCESS AGREEMENT**, between Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), and Ontario Power Generation Inc. ("**OPG**") is made and entered into as of [■], 2017.

RECITALS

OPG is appointed as the Financial Services Manager under Section 18 of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**").

Pursuant to Section 22(2) of the Act, OPG, in its capacity as the Financial Services Manager (the "**FSM**"), may establish or cause to be established one or more financing entities (as defined in the Act), which may incur Funding Obligations in accordance with the Act.

Pursuant to a Declaration of Trust dated as of [■], 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.[2]

Concurrent with this Agreement, the Province, the FSM, the Financing Entity and the Indenture Trustee will enter into the Change of Law Protection Agreement under which the Province will agree to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of ~~Primary~~ Obligations Secured that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions.

Prior to entering into this Agreement, OPG provided the Province with the proposed forms of certain of the Transaction Documents ~~listed on Exhibit "A"~~, and the Province has not objected to such forms ~~and has confirmed to OPG that such Transaction Documents constitute "Reference Documentation" for purposes of this Agreement~~.

~~Prior to entering into this Agreement, OPG, as the FSM, provided the Province with the initial Financing Plan attached hereto as Exhibit "B" (the "**Initial Financing Plan**"), and the Province has not objected to such Initial Financing Plan.~~

~~Prior to entering into this Agreement, OPG, as the FSM, provided to the Province (i) the initial forecast attached hereto as Exhibit "C" (the "**Initial Forecast**") setting out OPG's expectations regarding the aggregate maximum amount of Repayments that would arise in the future under Approved Obligations to be incurred during the 24 month period following the date hereof (the "**Initial Forecast Period**"); and (ii) notice of the initial Protection Agreement Maximum of C$■ (the "**Initial Protection Agreement Maximum**").~~[3]

[2] ~~We are comfortable on this point because OPG has retained Computershare as issuer trustee. The recitals of the Declaration of Trust provide that Computershare has established the Trust at the request of the FSM. We can also provide you with a copy of the Computershare engagement letter upon request.~~

[3] ~~Given that this Agreement would now be delivered on or immediately prior to closing, we thought it would be acceptable to reference these initial items as delivered versus as future deliverables. Please note that OPG is working with the Province to deliver the initial financing plan and the initial forecast and to confirm the initial protection agreement maximum.~~

~~The Province has not objected to the Initial Forecast and the Initial Protection Agreement Maximum on the basis that (i) there does not appear to be inaccuracies in the Initial Financing Plan or the Initial Forecast, (ii) the Initial Forecast is consistent with the Initial Financing Plan, and (iii) the Initial Protection Agreement Maximum is less than the Initial Forecast.~~

This Agreement sets out the obligations OPG has agreed to perform and assurances OPG has agreed to provide and on which the Province will rely in entering into and implementing the Change of Law Protection Agreement, including for the purposes of determining whether the Adherence Conditions have been satisfied, maintaining information related to the Program Agreements and the Approved Obligations, and ensuring that the Province's assumption rights pursuant to Article VI of the Change of Law Protection Agreement may be exercised without impediment on the terms and conditions contemplated in this Agreement and the Change of Law Protection Agreement.

All things necessary to make this Agreement a valid and legally binding agreement of OPG and the Province, have been done.

AGREEMENT OF THE PARTIES

ARTICLE II
COVENANTS OF OPG

2.01 Deliveries to the Province

(a) Not less than 15 Business Days, or such lesser period as the Province may agree to in writing, prior to the initial issuance of any Funding Obligation by the Financing Entity, OPG shall deliver to the Province a copy of the initial Financing Plan. Thereafter, OPG shall promptly deliver to the Province a copy of any proposed change to or replacement of the ~~Initial~~ Financing Plan.

(b) Not less than 10 Business Days, or such lesser period as the Province may agree to in writing, prior to (i) any proposed change or supplement to a previously provided Transaction Document becoming effective or otherwise being used, (ii) any additional or replacement Transaction Document becoming effective or otherwise being used, OPG shall deliver to the Province a copy of such proposed change or supplement to the Transaction Document and any such additional or replacement Transaction Document.

(c) Promptly following (i) any change, modification, alteration, amendment, supplement, extension, renewal, compromise, novation, replacement, suspension or waiver of the terms of all or any part of the Approved Obligations or any Collateral therefor being made, (ii) any new, additional or replacement instruments, documents, agreements or security being used or granted in connection with all or any part of the Approved Obligations, or (iii) any waiver, release, reconveyance, termination, abandonment, subordination, exchange, substitution, transfer, compound, compromise, liquidation or enforcement of all or any part of the Approved Obligations or any security or guarantee therefor being effected, OPG shall deliver to the Province a detailed description of such event and the reasons for it together with any related documents, agreements and instruments.

(d) Promptly following any incurrence of a Funding Obligation or any amendment of a Funding Obligation, OPG shall provide the Province with electronic copies of all related Governing Documents and all other closing documents executed by or on behalf of the Financing Entity in connection with such incurrence or amendment that would affect the Financing Entity's assets or obligations (including, for greater certainty, any related Disclosure Document) and which have not been previously provided to the Province.

(e) Promptly upon request, OPG shall provide the Province with such additional information and documentation as the Province reasonably requests in order to enable the Province to assess the nature and extent of its obligations under the Change of Law Protection Agreement.

2.02 Covenants

(a) OPG shall use commercially reasonable efforts to cause the Financing Entity to:

(i) punctually perform and observe all of the Financing Entity's obligations and agreements contained in the Program Agreements;

(ii) ensure that all Obligations Secured are incurred pursuant to and in accordance with the terms and conditions of the Trust Indenture;

(iii) ensure that no obligations other than the Obligations Secured are incurred by or on behalf of the Financing Entity;

(iv) not engage in any business other than as permitted under the Declaration of Trust or the other Program Agreements and activities ancillary thereto; and

(v) not (unless waived in writing by the Province):

(A) amend, supplement, modify, restate or replace or waive or consent to a postponement of compliance with the terms and conditions on the part of any other party to any of the Program Agreements, if any such supplementation, amendment, modification, restatement or replacement or waiver or consent could reasonably be considered to be materially prejudicial to the rights or interests of the Province under the Change of Law Protection Agreement; provided, however, that the foregoing does not apply to any change in particular financial terms, rates and levels;

(B) extend, renew, compromise, novate, replace, suspend, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, liquidate or enforce the terms of all or any part of the Approved Obligations or any Collateral, if any such action could reasonably be considered to be materially prejudicial to the rights or interests of the Province under the Change of Law Protection Agreement; provided, however, that the foregoing does not apply to the extent that only particular financial terms, rates and levels are affected;

(C) permit the validity or effectiveness of the Change of Law Protection Agreement to be impaired; or

(D) allow the Financing Entity to enter into any Supplemental Indenture or Loan Agreement where any penalty or make-whole payment, or any requirement for further consent, approval or agreement, of the Specified Creditor party thereto would be required for the Province to assume the Obligations Secured thereunder.[4]

(b) OPG shall:

(i) comply, and shall use commercially reasonable efforts to cause compliance by the Financing Entity, with the Act, the General Regulation and any other enactment related thereto;

(ii) punctually perform and observe all of its (including as the FSM and as Manager) obligations and agreements contained in the Program Agreements;

(iii) promptly notify the Province of the creation of any Funding Obligation that is not or would not be an Approved Obligation; and

(iv) after the occurrence of any Protection Event[5] (or any event known to OPG that with the passage of time or the giving of notice would be a Protection Event), not, without the Province's prior written consent, permit the Financing Entity to exercise any redemption, pre-payment, early termination or extension right in respect of any Approved Obligation or exercise any other election or privilege in respect of any Approved Obligation, in each case if as a result the obligations applicable to the Approved Obligation under the Change of Law Protection Agreement would be accelerated, delayed or otherwise affected.

~~(c) For greater certainty, the parties hereto acknowledge and agree that OPG's obligations under this Agreement are subject to (i) OPG's obligations as FSM under the Act, and (ii) OPG's obligations under the Management Agreement.[6]~~

(c) ~~(d)~~ Nothing in this Agreement ~~nor in the Change of Law Protection Agreement~~[7] shall limit the obligations of the Province under the Indemnity Agreement by the

[4] ~~Please see our cover note regarding the proposed assumption by the Province. Lawyers to discuss if appropriate mechanics for the first two deals are possible given timing.~~

[5] ~~OPG is not in a position to be aware of events that may lead to a Protection Event.~~

[6] ~~We would like to ensure that there is an acknowledgement that OPG has certain obligations under the Act and the Management Agreement.~~

[7] ~~This language has extra-contractual implications and so its meaning as between only 2 of the parties to the Protection Agreement is uncertain. Torys to explain intention. Torys: This provision is intended to clarify that neither the Protection Agreement nor the Process Agreement supersedes or otherwise amends the Province's obligations under the Provincial Indemnity Agreement. It is effectively an acknowledgment by the Province in favour of OPG and does not involve the other parties to the Protection Agreement and so we are comfortable including it here only. However, we do not have an issue with putting an equivalent clause in the Protection Agreement if that is preferable from your perspective.~~

Province in favour of OPG dated June 1, 2017 (as amended, the "**Indemnity Agreement**") and to the extent of any conflict between this Agreement~~, the Change of Law Protection Agreement~~ and such Indemnity Agreement, in respect of any matter relating to the Province's obligations to indemnify OPG, the Indemnity Agreement shall prevail.

ARTICLE III
PROCESS CERTIFICATE

3.01 Process Certificate[8]

OPG shall deliver a certificate (the "**Process Certificate**"), signed by the Chief Financial Officer and the Treasurer of OPG or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) and addressed to the Province, on or before the incurrence or any amendment of a ~~Certified Primary Obligation~~Funding Obligation, other than any Funding Obligation under which not more than $**[5,000,000]** in the aggregate may become payable by the Financing Entity (provided that delivery may not be more than 5 Business Days before the incurrence or amendment of the ~~Certified Primary~~Funding Obligation), setting out the following with respect to such ~~Certified Primary~~Funding Obligation:

(a) the material terms of the ~~Certified Primary~~Funding Obligation pertaining to (i) in the case of notes, bonds or other securities, the principal amount, interest or discount rate, third party fees, term to maturity, amortization, redemption or extension features, structure and coupon frequency, as applicable, and (ii) in the case of a ~~Master~~Derivative Agreement[9]~~, events of default, termination events and any amendment to the standard terms of the Master Agreement relating to the calculation of termination amounts (and, for greater certainty, it shall not be necessary to set out the terms of any trade confirmation)~~, the notional amount, financial terms and pricing, benchmarks, payment structures and early termination rights;

(b) if an existing Funding Obligation is proposed to be amended, material details respecting such amendment, including regarding the applicable details set forth in Subsection 3.01(a), as the context requires;

(c) ~~(b)~~ a statement to the effect that: (i) the ~~Certified Primary~~Funding Obligation to be incurred or amended (1) will arise under terms and conditions that are

[8] ~~The Process Certificate conforms to the certificate delivered under the Change of Law Protection Agreement including the changes to ensure that the Process Certificate is only provided here when a concurrent certificate is required to be delivered by OPG under the Protection Agreement. Without this consistency, the obligations can become confusing and the intent of the parties of when Primary Obligations are subject to the adherence conditions may not be clear.~~

[9] ~~Since we agreed at our meeting that OPG only needs to provide a certificate under section 4.02 of the Change of Law Protection Agreement when they enter into a Master Agreement (and not the broader concept of the Derivative Agreement), we had to revise the language here to conform to what would be expected to be found in a Master Agreement.~~

Substantially in the Form of the Reference Documentation applicable thereto; (2) in the opinion of the signatories to the Process Certificate, are reasonably incurred or effected in compliance with the Act, the General Regulation, any other enactments related thereto and the applicable Financing Plan; (3) are of a type and are on terms that a reasonably prudent financial services manager would incur in similar circumstances; and (4) reflect, in all material respects, arm's length terms and conditions; and (ii) any Disclosure Document used in connection with the offering and sale of notes, bonds or other securities is Substantially in the Form of the Reference Documentation;

(d) ~~(c)~~ a statement confirming that any disclosure made in respect of the ~~Certified Primary~~Funding Obligation (including any Disclosure Document, press release or other written communication prepared for dissemination to third parties in relation to the ~~Certified Primary~~Funding Obligation) that refers to or describes the terms, effect or adherence of or to this Agreement or the Change of Law Protection Agreement has been made available to the Province prior to use or dissemination, other than where such disclosure was substantially the same as a disclosure previously made;

(e) ~~(d)~~ a statement that no Breach Event has occurred on or prior to the date of the Process Certificate, unless such Breach Event has been waived by the Province in writing; and

(f) ~~(e)~~ confirmation that, at the time the ~~Certified Primary~~Funding Obligation is incurred or amended, the maximum aggregate payment amounts due or becoming due in the future in respect of Repayments under the ~~Certified Primary~~Funding Obligation, together with all other outstanding amounts due or becoming due in the future in respect of Repayments under all Approved Obligations, do not and will not exceed the ~~then applicable~~ Protection Agreement Maximum~~;~~ applicable on the date that the Process Certificate is delivered;[2] for clarity, Repayments under Obligations Secured owing in currencies other than Canadian dollars will be determined on the date the Process Certificate is delivered hereunder in accordance with the following:

(i) where a Derivative Agreement has been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the hedged value expressed in Canadian dollars; and

(ii) where a Derivative Agreement has not been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the noon spot rate for conversions of any currencies into Canadian dollars.

[2] **Note to Torys:** We believe the revision makes clear that OPG is only certifying as to the Protection Agreement Maximum as at the date the Process Certificate is delivered.

3.02 Acknowledgement[10] regarding delivery of certificate under Change of Law protection Agreement

The Province acknowledges and agrees that, concurrent with the delivery of the Process Certificate pursuant to Section 3.01 of this Agreement, the Chief Financial Officer and the Treasurer of OPG or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) are authorized to deliver the certificate referred to in **[Subsection [4.02(b)]** of the Change of Law Protection Agreement to the Indenture Trustee confirming that OPG has delivered all required certifications to the Province in connection with adherence of the Limited Guarantee to the incurrence of the Certified Primary Obligations in respect of which the certificate in **[Subsection [4.02(b)]** of the Change of Law Protection Agreement is being delivered; provided that, upon receipt of a Suspension Notice under the Change of Law Protection Agreement, OPG covenants not to deliver any further certificates to the Indenture Trustee under **[Subsection [4.02(b)]** of the Change of Law Protection Agreement other than in connection with a Refinancing of a Primary Obligation in respect of which the Adherence Conditions had been satisfied at the time such Primary Obligation was incurred.[11]

3.03 Acknowledgement regarding delivery of Suspension Notice

The parties acknowledge and agree that the Province is entitled to deliver a Suspension Notice under **[Section 7.01]** of the Change of Law Protection Agreement if a Program Breach or Breach Event has occurred. The Province agrees not to deliver a Suspension Notice pursuant to **[Section 7.01]** of the Change of Law Protection Agreement unless a Program Breach or a Breach Event has occurred.

3.04 ~~3.03~~ Meaning of "Reference Documentation"

For the purposes of Subsection 3.01(~~b~~c), the term "Reference Documentation" shall mean each Transaction Document (including any change, addition or supplement thereto) that, at the relevant time:

(a) is a Transaction Document provided to, and not objected to by, the Province prior to the making of this Agreement, as contemplated in the fifth recital to this Agreement; or

(b) is a Transaction Document provided to the Province in accordance with Subsection 2.01(b) that has not been objected to by the Province, by delivery of an objection notice in writing delivered to OPG, within 10 Business Days after it is provided to the Province.

[10] OPG needs certainty on the conditions in which it is permitted to deliver the certificate under the Change of Law adherence conditions.

[11] Since OPG receives a Suspension Notice under the Change of Law Protection Agreement, we removed the concept of such notice here other than to provide the covenant above.

3.05 ~~3.04~~ Meaning of "Substantially in the Form"

For the purposes of Subsection 3.01(~~b~~c), the term "Substantially in the Form" shall mean:

(a) with respect to the Reference Documentation referred to in clauses (i) to (xi) of the definition of "Transaction Documents", that there are no differences between the proposed documents and such Reference Documentation that could result in a change in the material terms or conditions applicable to the applicable Primary Obligation, including regarding the timing of or circumstances under which related payments are or may become due or accrue (including as a result of any default, acceleration, termination, wind-up, liquidation or realization), or that would affect the Province's rights of subrogation or assignment (including pursuant to **[Section 5.01~~ or Article VI~~]** of the Change of Law Protection Agreement) or its interests as a subrogee or an assignee, that would arise as a result of performing the Limited Guarantee in respect of the applicable Primary Obligation~~ or upon the assumption of obligations in accordance with **[Article VI]** of the Change of Law Protection Agreement~~; provided, however, that the foregoing does not apply to any variable terms to be set forth in the proposed documents as are reasonably contemplated in the Reference Documentation, including the particular financial terms, rates and levels set forth in the proposed documents other than to the extent that the forms of Reference Documentation themselves specify specific requirements, limitations or parameters with respect to such financial terms, rates, levels and parameters; and

(b) with respect to the Reference Documentation referred to in clause (xii) of the definition of "Transaction Documents", that there are no material differences between the form and substance of the proposed Disclosure Document and such form of Disclosure Document and that the proposed Disclosure Document complies in all material respects with all applicable securities disclosure requirements relating to the Primary Obligation subject to distribution thereunder.

~~12 Per an earlier footnote, the items in previous draft (a) and (b) were moved to the recitals.~~

(b) Not more than 10 Business Days, or such lesser period as the Province may agree to in writing, following receipt of the Initial Forecast and notice of the initial Protection Agreement Maximum from OPG pursuant to Section 4.01(a), the Province may disagree with the Initial Forecast and the initial Protection Agreement Maximum on the basis that (i) there appears to be inaccuracies in the Financing Plan or the Initial Forecast, (ii) the Initial Forecast is inconsistent with the Financing Plan, or (iii) the initial Protection Agreement Maximum is more than the Initial Forecast. If the Province disagrees, OPG shall discuss any discrepancies with the Province, address any inaccuracies and inconsistencies to the reasonable satisfaction of the Province and OPG, and the initial Protection Agreement Maximum will be revised accordingly and confirmed by an amended notice to the Province.

(c) ~~(a)~~ Between nine (9) and twelve (12) months prior to the end of the Initial Forecast Period, OPG shall, as the FSM, deliver to the Province an updated forecast setting out the sum of (1) the aggregate amount of Repayments that will arise in the future under Approved Obligations that are then outstanding and (2) OPG's expectations regarding the aggregate maximum amount of Repayments that would arise in the future under Approved Obligations to be incurred during the period ending 24 months following the Initial Forecast Period, which expectation shall be consistent with the then applicable Financing Plan. Such updated forecast shall be further updated on a similar basis with respect to each successive 24 month period or more frequently if at any time OPG has knowledge that the most recent forecast is materially inaccurate (the Initial Forecast and each such updated forecast, each a "**Forecast**"). Together with each Forecast, OPG shall also provide a revised Protection Agreement Maximum, which may not exceed such Forecast.

(d) ~~(b)~~ Not more than 10 Business Days, or such lesser period as the Province may agree to in writing, following receipt of any further Forecast and notice of the revised Protection Agreement Maximum from OPG pursuant to Section 4.01(~~a~~c), the Province may disagree with such further Forecast or revised Protection Agreement Maximum on the basis that (i) there appears to be inaccuracies in the Financing Plan or such further Forecast, (ii) the further Forecast is inconsistent with the Financing Plan, or (iii) the revised Protection Agreement Maximum is more than the further Forecast. If the Province disagrees, OPG shall discuss any discrepancies with the Province, address any inaccuracies and inconsistencies to the reasonable satisfaction of the Province and OPG, and the revised Protection Agreement Maximum will be further revised accordingly and confirmed by an amended notice to the Province.

(e) ~~(c)~~ For clarity, Repayments under Obligations Secured owing in currencies other than Canadian dollars will be valued at the time to be determined for the purposes of this Section 4.01 in accordance with the following:

(i) where a Derivative Agreement has been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the hedged value expressed in Canadian dollars; and

HER MAJESTY THE QUEEN IN RIGHT OF ONTARIO, AS REPRESENTED BY THE MINISTER OF ENERGY AND THE MINISTER OF FINANCE[1]

AND

COMPUTERSHARE TRUST COMPANY OF CANADA, AS TRUSTEE OF FAIR HYDRO TRUST[2]

AND

ONTARIO POWER GENERATION INC., AS FINANCIAL SERVICES MANAGER AND AS MANAGER OF FAIR HYDRO TRUST

AND

BNY TRUST COMPANY OF CANADA, AS INDENTURE TRUSTEE

CHANGE OF LAW PROTECTION AGREEMENT

Dated as of [■], 2017

[1] This Agreement and the Process Agreement will need to be effective on closing but signed and held in escrow as soon as they are settled ~~and prior to pricing of the term deal~~. **Note to Torys:** Logistics of closing are under consideration.

[2] **Torys Note:** Please advise if there are any further issues with the Manager signing the Protection Agreement on behalf of the Trust? If so, can you please explain the issue. The Manager is currently signing all Program Agreements on behalf of the Trust and has authority to do so. We would like the Manager to sign this Agreement on behalf of the Trust. **Note to Torys:** Manager derives authority under the Management Agreement to sign Program Agreements. Management Agreement powers determined by reference to the Program Agreements, so authority is circular. Ultimately, Province will accept the opinion of Torys on due execution point.

This **AGREEMENT**, among Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), Computershare Trust Company of Canada, in its capacity as trustee (the "**Financing Entity Trustee**") of Fair Hydro Trust, a trust under the laws of the Province of Ontario (the "**Financing Entity**"), Ontario Power Generation Inc., in its capacity as Manager of the Financing Entity and in its capacity as the Financial Services Manager in accordance with the Act (the "**FSM**") and BNY Trust Company of Canada, a trust company existing under the laws of Canada, as Indenture Trustee, is made and entered into as of [■], 2017.

RECITALS

Pursuant to Subsection 5(3) of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**"), the Lieutenant Governor in Council may by order, authorize the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to agree to guarantee or indemnify certain debts, obligations, securities or undertakings associated with an Investment Interest.

Pursuant to an Order in Council dated as of ■1981/2017 (the "**OIC**"), the Lieutenant Governor in Council has, among other things, authorized the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to enter into one or more agreements to guarantee or indemnify the debts, obligations, securities or undertakings of one or more financing entities established or caused to be established pursuant to Subsection 22(2) of the Act by the FSM and that may incur Funding Obligations in connection with one or more Investment Interests.

Pursuant to a Declaration of Trust[3] dated as of ■, 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

The Financing Entity Trustee, in its capacity as trustee of the Financing Entity, and the Indenture Trustee are parties to the Trust Indenture and propose to create and issue series of notes, bonds and other securities as contemplated therein, and to provide security over the assets and undertaking of the Financing Entity in respect of such notes, bonds and securities, as well as other Obligations Secured.

The Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, have determined to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Primary Obligations that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions at the time the Approved Obligation is incurred. This Agreement sets out the terms and conditions of such protections and assurances.

[3] **Torys Note:** We are comfortable on this point because OPG has retained Computershare as issuer trustee. The recitals of the Declaration of Trust provide that Computershare has established the Trust at the request of the FSM. We can also provide you with a copy of the Computershare engagement letter upon request. **Note to Torys:** The Province will accept authorities opinion regarding the Trust from Torys.

All things necessary to make this Agreement a valid and legally binding agreement of the Province, the Financing Entity, the FSM and the Indenture Trustee, in accordance with the Act, the OIC and the Trust Indenture, have been done.

1.08 Severability

Each of the provisions contained in this Agreement is distinct and severable and a declaration of invalidity or unenforceability of any such provision or part thereof by a court of competent jurisdiction will not affect the validity or enforceability of any other provision hereof. To the extent permitted by applicable law, the parties waive any provision of law which renders any provision of this Agreement invalid or unenforceable in any respect.

1.09 Governing Law

THIS AGREEMENT WILL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE PROVINCE OF ONTARIO AND THE FEDERAL LAWS OF CANADA APPLICABLE THEREIN, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

The obligation of the Province in respect of any Original Currency due from it to the Indenture Trustee under this Agreement shall, notwithstanding any judgment or payment in such other currency, be discharged only to the extent that, on the Business Day following receipt of any sum so paid or adjudged to be due under this Agreement in the Second Currency, the Indenture Trustee may, in accordance with normal banking procedures, purchase in the New York foreign exchange market the Original Currency with the amount of the Second Currency so paid or so adjudged to be due; and if the amount of the Original Currency so purchased is less than the amount originally due in the Original Currency, the Province shall indemnify the Indenture Trustee against such loss.

(b) The term "rate of exchange" in this Section 1.19 means the spot rate at which the Indenture Trustee, in accordance with normal practice, is able on the relevant date to purchase the Original Currency with the Second Currency and includes any premium and costs of exchange payable in connection with such purchase.

ARTICLE II
AGREEMENT TO PERFORM APPROVED OBLIGATIONS

2.01 Limited Guarantee

(a) Upon the occurrence of a Protection Event, the Indenture Trustee ~~may~~shall (absent the Rating Agency Condition being satisfied with respect to the Protection Event not occurring) deliver a written demand, substantially in the form attached as Exhibit A (a "**Payment Demand**"), to the Province requiring the Province to make payments in respect of the Approved Obligations at the times, in the amounts and subject to the requirements specified in this Agreement. From and after such delivery of a Payment Demand, the Province shall make the following payments in respect of the Approved Obligations (the "**Limited Guarantee**"), and the Financing Entity shall pay, and the Province shall be entitled to be paid, the Subrogation Amounts specified below, on the specified Guarantee Payment Date:

i. Not less than 3 Business Days prior to each day when any payment or payments are to be made in respect of one or more Approved Obligations occurring after such delivery of a Payment Demand ~~and prior to the Assumption Effective Date, if any,~~ (a "**Guarantee Payment Date**"), the Manager shall deliver a written statement setting forth the Aggregate Approved Obligations Amount, if any, in respect of the Approved Obligations that are due and payable on such Guarantee Payment Date, together with a detailed description identifying such Approved Obligations and the nature and amount of payments due and payable thereunder on the Guarantee Payment Date, the aggregate outstanding amount payable by the Financing Entity under such Approved Obligations as of the date of ~~the Guarantor Settlement Statement~~such written statement, and details regarding any default in performance by any party obligated thereunder ~~(a "**Guarantor Settlement Statement**")~~[4] .

ii. On each such Guarantee Payment Date, the Province shall deposit the Aggregate Approved Obligations Amount into the Protection Account.

iii. On each such Guarantee Payment Date, the Financing Entity and the Indenture Trustee shall ensure that the amounts on deposit in the Protection Account are applied to pay each Beneficiary to whom an amount is due and payable under an Approved Obligation on the Guarantee Payment Date the Approved Obligation Amount for such Beneficiary in respect of such

Approved Obligation on such Guarantee Payment Date; provided that if the amount deposited pursuant to clause 2.01(a)ii is insufficient to pay all such Approved Obligation Amounts in full, the amount on deposit in the Protection Account on the Guarantee Payment Date shall be applied to pay Beneficiaries in the order of priority in which such Approved Obligations are payable under the payment provisions of the Trust Indenture applicable to the making of such payments on the Guarantee Payment Date (each, a "**Beneficiary Payee**").

iv. On any Guarantee Payment Date on which an amount is paid by the Province pursuant to clause 2.01(a)ii, the applicable payment provisions of the Trust Indenture shall, notwithstanding the express terms of such provisions set forth in the Trust Indenture, be applied and operate on the following basis:

(A) the amount payable to a Beneficiary Payee in respect of an Approved Obligation from amounts available under such payment provisions on such Guarantee Payment Date shall be reduced by the amount paid to the Beneficiary Payee pursuant to clause 2.01(a)iii in respect of such Approved Obligation on such Guarantee Payment Date;

(B) the Province shall be paid the lesser of (x) the amount payable to a Beneficiary Payee in respect of an Approved Obligation from amounts available to pay the Beneficiary Payee under such payment provisions on the Guarantee Payment Date, determined without regard to subclause 2.01(a)iv(A), and (y) the amount paid to the Beneficiary Payee pursuant to clause 2.01(a)iii in respect of such Approved Obligation on the Guarantee Payment Date (such ~~payments~~amounts paid to ~~the Province~~Beneficiary Payees being "**Subrogation Amounts**"); and[5~~4~~]

(C) no Beneficiary having a right to be paid an amount in respect of an Approved Obligation that ranks equal with or subordinate to an Approved Obligation in respect of which an amount is payable to the

[5] ~~We thought this section~~[4] **Note:** The Province will be entitled to receive cash flows that would have been required ~~tweaking to reflect the intention of~~to pay Approved Obligations remaining under the payment waterfalls after satisfaction of all Approved Obligations. Further consideration is required in order to ensure these amounts are paid to the ~~parties.~~ Province, despite those amounts not being paid on a "Guarantee Payment Date" (ie. no amount is paid by the Province under the Limited Guarantee on those later Payment Dates, so currently not covered as not arising on a Guarantee Payment Date). Those residual entitlements must be included as "Subrogation Amounts".

Province under subclause 2.01(a)iv(B) shall be entitled to make any claim or assert any right in or to the amounts paid or payable to the Province under such subclause (including any right or reimbursement, contribution or indemnity) and no such Beneficiary shall have any right or interest in, to or under the Collateral or any proceeds therefrom in respect of such amounts.

v. On any Guarantee Payment Date, the Indenture Trustee shall release and pay to the Province free and clear of any Liens any amount remaining on deposit in the Protection Account that has not been applied to pay Beneficiary Payees on the Guarantee Payment Date in accordance with clause 2.01(a)iii.

vi. In preparing any payment instructions under the Trust Indenture, the Manager shall reflect the amounts payable for the Guarantee Payment Date under Section 2.01(a).

(b) The Province shall, as a payee of Subrogation Amounts under clause 2.01(a)(iv)(B) and any amounts payable under clause 2.01(a)(~~iv)(B~~v)**,** be a "Specified Creditor" under the Trust Indenture and have the benefit of the Collateral thereunder.

(c) For greater certainty, the Limited Guarantee will not apply to any amount or obligation of the Financing Entity that is not or does not arise under an Approved Obligation and will be limited to the right to receive the Approved Obligation Amounts, if any, for payment to Beneficiary Payees and will be subject to the priorities and to the Province's rights to Subrogation Amounts, set forth in Section 2.01(a).

(d) Except as expressly provided in this Agreement, the Province's obligation to provide and perform the Limited Guarantee shall be irrevocable, absolute and unconditional.

(e) Any amount payable by the Province under the Limited Guarantee in respect of an Approved Obligation that is not paid by the Province when required herein shall bear interest from the applicable due date until paid in full at the rate or rates expressed to be payable on the Approved Obligation by their terms.

(f) The right to deliver a Payment Demand and thereupon enforce the Limited Guarantee shall constitute the only remedy available to the Indenture Trustee (and to the Beneficiaries, to the extent they are permitted to exercise any rights, interests, or elections under and in accordance with the Trust Indenture) under this Agreement. Under no circumstances shall the Province be obligated to pay or indemnify the

Indenture Trustee or any Beneficiary for consequential, special or punitive damages, or for economic loss or loss of profits; provided that, for greater certainty, economic loss shall not include any amount in respect of any amount due and payable to a Beneficiary Payee under the Limited Guarantee.

2.02 Intentionally Deleted.

2.03 Absence of Set-off

Subject to applicable law, the Province acknowledges and agrees that each payment to be made by the Province hereunder in respect of an Approved Obligation shall be made as required in whole, without application of any right of set-off and without regard to any equities as between or among any of the Province, the Beneficiaries and/or the Indenture Trustee.

2.04 Payment into Protection Account in Satisfaction

(a) On or before the date of delivery of a Payment Demand to the Province, the Indenture Trustee shall cause to be established and maintained an Eligible Deposit Account (the "**Protection Account**") in the name of the Indenture Trustee, bearing a designation clearly indicating that the funds and other property credited thereto are held for the benefit of the Indenture Trustee and the Beneficiaries. The Protection Account shall be under the control of the Indenture Trustee for the benefit of the Beneficiaries. If, at any time, the institution holding the Protection Account ceases to be an Eligible Institution, the FSM shall notify the Indenture Trustee, and the Indenture Trustee upon being notified in writing of such ineligibility (or the FSM on its behalf) shall within 30 days (or such longer period, not to exceed 45 days, so long as the Rating Agency Condition is satisfied) establish a new Protection Account that is an Eligible Deposit Account and shall transfer any funds or other property from such Protection Account to such new Protection Account. From the date each such new Protection Account is established, it shall be the "Protection Account" for purposes of this Agreement. Funds credited to the Protection Account will be invested and held in accordance with Section **[7.03]** of the Trust Indenture on the basis that it is an Issuer Account.

(b) Notwithstanding the priority of payment requirements set forth in the Trust Indenture and any legal rule concerning the imputation of payments, the Financing Entity and the Indenture Trustee shall ensure that all amounts paid by the Province into the Protection Account on a Guarantee Payment Date in respect of an Approved Obligation are applied to pay the amounts due and payable to the Beneficiaries as and to the extent provided for in Section 2.01(a). Upon a payment having been made by or on behalf of the Province into the Protection Account, the amounts so paid shall for all purposes be considered to have been applied to pay the applicable Beneficiaries as provided for in Section 2.01(a) and thereby reduce the amount due and payable to such Beneficiaries in respect of the applicable Approved Obligations, whereupon an affected Beneficiary shall have no

continuing rights, interests or entitlements (including rights as a secured party) in respect of the Approved Obligation to the extent so paid. For greater certainty, the obligations arising in respect of an applicable Approved Obligation shall not be reduced by such payment as the Province shall become entitled to be paid related Subrogation Amounts and the rights contemplated under Section 2.01(a) and Section 5.01 in relation to such continuing obligations.

2.05 Certain Waivers

The Province hereby waives:

(a) any requirement, and any right to require, that any power be exercised or any action be taken against the Financing Entity or any Collateral for any of the Approved Obligations;

(b) all notices which may be required by applicable law to preserve any rights against the Province hereunder, including any notice of default, demand, dishonour, presentment and protest;

(c) diligence; and

(d) any defence based upon, arising out of or in any way related to any claim that any election of remedies by the Beneficiaries impaired, reduced, released or extinguished any rights that the Province might otherwise have had against the Financing Entity or any other surety.

The Province agrees that each such waiver is made with full knowledge of its significance and consequences and if any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the maximum extent permitted by applicable law.

2.06 Additional Security

This Agreement shall be in addition to and without prejudice to any other security by whomsoever given, held at any time by the Indenture Trustee or for the benefit of any of the Beneficiaries.

2.07 Continuing Liability of the Province

The Approved Obligations shall be deemed not to have been paid, observed or performed, and the liability of the Province hereunder in respect thereof shall continue and not be discharged, to the extent that any payment, observance or performance thereof by the Financing Entity, or out of the proceeds of any Collateral, is recovered from or reimbursed by or for the account of any of the Beneficiaries for any reason, including a preference or fraudulent transfer or by virtue of any subordination (whether present or future or contractual or otherwise) of the Approved Obligations, whether such recovery or payment over is effected by any judgment, decree or order of any court or Governmental Authority, by any plan of reorganization or by

settlement or compromise by any of the Beneficiaries (whether or not consented to by the Financing Entity or the Province) of any claim for any such recovery or payment over.

2.08 Continuance of the Limited Guarantee

Subject to Section 2.07, the Limited Guarantee shall continue in full force and effect until the indefeasible payment, observance and performance in full of the Approved Obligations in accordance with Section ~~9.01~~8.01.[6]

2.09 Modifications of Approved Obligations

The Province expressly authorizes the Indenture Trustee, at any time and from time to time, without notice and without affecting the liability of the Province hereunder, but subject to compliance with the requirements of the Program Agreements and this Agreement, to:

(a) accept new, additional or replacement instruments, documents, agreements or security in connection with all or any part of the Approved Obligations;

(b) accept partial payments on the Approved Obligations; and

(c) waive, release, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, compromise, liquidate and enforce all or any part of the Approved Obligations and any security or guarantee therefor, and apply any such security and direct the order or manner of sale thereof as the Indenture Trustee (for the benefit of the Beneficiaries) in its discretion may determine.

ARTICLE III
THE INDENTURE TRUSTEE

3.01 The Indenture Trustee

This Agreement is made in favour of the Indenture Trustee in its capacity as trustee under the Trust Indenture. Accordingly, in the event of a new trustee being appointed under the Trust Indenture, such new trustee shall thereupon become and be the Indenture Trustee hereunder, but nevertheless, the Indenture Trustee shall forthwith assign, transfer and make over to the new trustee hereunder this Agreement. All provisions of the Trust Indenture for the protection of the Indenture Trustee or for facilitating the administration of the trusts or otherwise relating to the Indenture Trustee solely as to its holding of the rights thereunder shall apply *mutatis mutandis* to this Agreement and the Indenture Trustee's duties hereunder.

[6] ~~We made this change to be consistent with the termination clause in section 9.01.~~

3.02 Acceptance of Trusts

The Indenture Trustee hereby accepts the trusts hereof and agrees to carry out and discharge the same unless and until a new trustee shall be appointed as contemplated in Section 3.01.

ARTICLE IV
APPROVED OBLIGATIONS

4.01 Approval Process

A Primary Obligation shall constitute an Approved Obligation if (i) the Adherence Conditions applicable thereto have been satisfied at the time the Primary Obligation was incurred, or (ii) the Province, in its sole discretion, ~~agrees~~designates in writing that it is an Approved Obligation.

4.02 Adherence Conditions[7]

The following shall be the Adherence Conditions applicable in relation to each Certified Primary Obligation:

(a) the Certified Primary Obligation when incurred is an Obligation Secured under the Trust Indenture; and

(b) OPG, as FSM, delivers a certificate signed by the Chief Financial Officer and the Treasurer of OPG, or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) and addressed to the Indenture Trustee, on or before the incurrence of a Certified Primary Obligation[8] (provided that delivery may not be more than 5 Business Days before the incurrence of the Certified Primary Obligation), confirming that OPG has ~~provided to the Province all certifications required by~~delivered to the Province a certificate signed by the Chief Financial Officer and the Treasurer of OPG, or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) confirming that OPG has complied with all of its obligations to the Province and internal requirements and processes in connection with the ~~incurrence of such~~adherence of the Limited Guarantee to the Certified Primary Obligation; and

[7] ~~We would propose that the certification in section 4.02(b) of the Protection Agreement track the requirements of section 3.01 of the Process Agreement to ensure that the two sections are consistent. Accordingly, we have revised section 4.02(b) of the Protection Agreement to state the certificate delivered to the Indenture Trustee under this section should confirm that all certifications to the Province required in connection with the incurrence of such Certified Primary Obligations have been delivered to the Province.~~

[8] ~~We tried to address all parties concerns expressed at our last meeting by this language. The Province can be assured that no certificate earlier than 5 Business Days prior to incurring the Certified Primary Obligation is delivered and the dealers have comfort that the clause is not too prescriptive.~~

(c) in respect of a Certified Primary Obligation other than a Refinancing of a Primary Obligation in respect of which the Adherence Conditions had been satisfied, the Province has not provided a Suspension Notice to the Indenture Trustee, OPG and the Financing Entity.

For greater certainty, (y) satisfaction of the Adherence Conditions for a Certified Primary Obligation shall be deemed satisfaction of the Adherence Conditions in respect of all principal, interest and other amounts owing under the Certified Primary Obligation, as such Certified Primary Obligation may be amended, restated, supplemented or otherwise modified from time to time, and (z) there shall be no Adherence Conditions applicable in relation to a Primary Obligation that is not a Certified Primary Obligation.

4.03 Evidence of Satisfaction

A closing certificate delivered in accordance with Section 4.02(b) in connection with an incurrence of a Certified Primary Obligation shall be determinative as to whether the applicable Adherence Conditions with respect thereto have been satisfied, notwithstanding that such certificate may include inaccuracies, be incomplete or otherwise be defective or deficient, and such closing certificate may be relied upon by any addressee as conclusive evidence of same. A closing certificate that purports on its face to be signed by officers specified in Section 4.02(b) may be relied upon by any addressee without further enquiry or evidence as to the incumbency or signatures of such officers. If a closing certificate is not delivered in accordance with the timing requirements of Section 4.02(b) in respect of a Certified Primary Obligation, such certificate may be delivered at a later date, and be effective as if it had been delivered in accordance with the timing requirement of Section 4.02(b), if at the time such certificate was required to be delivered OPG had delivered to the Province all certifications required by the Province in connection with the ~~incurrence of a~~adherence of the Limited Guarantee to the Certified Primary Obligation.[9]

ARTICLE V
PROVINCE MATTERS

5.01 Assignment and Subrogation

(a) Upon paying an amount in respect of an Approved Obligation to or at the direction of the Indenture Trustee in satisfaction of the Limited Guarantee, the Province (in addition to and without prejudice to any rights it otherwise has in law or equity) shall be subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation to the extent of such payment, including (i) the right and entitlement to be paid and receive the related Subrogation Amounts, (ii) the benefits of the related Collateral and (iii) all proceeds therefrom. The Province shall have and be entitled to enforce all rights and interests (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)), under and in respect of such Approved

[9] ~~This additional language was added to address the concerns of the dealers and Oslers discussed at our last meeting.~~

The Indenture Trustee shall recognize the Province as being entitled to all of the rights, interests and entitlements of the Beneficiary (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)) in respect and to the extent of the Approved Obligation so paid, determined as of the time of payment, for all purposes under the Trust Indenture, and the Province shall be treated as a Specified Creditor in respect thereof for all purposes under the Trust Indenture and any other agreement under which the Approved Obligation arises.

(b) The Province (i) acknowledges and agrees in favour of the Indenture Trustee that, upon being subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation in accordance with Section 5.01(a), the Province, in its capacity as a Specified Creditor, will be subject to the provisions applicable to Specified Creditors under the Trust Indenture, including **[Sections 7.04 through 7.11 and 8.13 (Payment Priorities), Section 7.12 (Payments Held in Trust), Section 8.11 (Control by Controlling Class Creditors), Section 8.12 (Limitation on Suits), Section 8.14 (Limited Recourse), Article IX (The Indenture Trustee), including all limitations of liability thereunder, Section 9.14 (Communications to Specified Creditors) and Section 16.01 (No Petition)]**; (ii) consents, requests and authorizes the Issuer and the Indenture Trustee to (x) add the Province to the register of Specified Creditors described in subsection **[13.13(b)]** of the Trust Indenture and (y) disseminate the notice details of the Province to other Specified Creditors for the purposes set out in subsection **[9.14(b)]** of the Trust Indenture, and (iii) confirms that it will execute and deliver, or cause to be executed and delivered, all such further agreements, documents and instruments in connection with this Section 5.01 as the Indenture Trustee ~~shall send notices to the Province, in its capacity as a Specified Creditor, in accordance with Section 9.02.~~[10] may request from time to time for the purpose of giving effect to the terms of this Section 5.01.

5.02 Priorities

For greater certainty, the rights, interests and entitlements of the Province as an assignee ~~or~~and subrogee~~, as applicable,~~ of and with respect to an Approved Obligation shall rank equally with the rights, interests and entitlements of a Beneficiary to whom a Limited Guarantee payment is made in respect of, and to the extent of the payment made to satisfy, the Approved Obligation and the Province shall not be subject to postponement or subordination with respect thereto except to the extent of the priorities established in relation to the Approved Obligation under the Trust Indenture in the manner and to the extent contemplated in Section ~~2.01.~~7.10(d) of the Trust Indenture.

5.03 Intentionally Deleted

5.04 Representations and Warranties

The Province hereby represents and warrants that:

(a) the execution and delivery of, and the performance of its obligations under, this Agreement by the Province have been authorized by all necessary action on the part of the Province;

(b) the execution and delivery of, and the performance of its obligations under, this Agreement by the Province do not result in the violation of any applicable law; and

(c) this Agreement has been duly executed and delivered by the Province.

~~ARTICLE VI~~
~~NOTICE OF ASSUMPTION OF CERTAIN OBLIGATIONS SECURED~~[11]

~~6.01 Delivery of Assumption Notice~~

~~Following the occurrence of a Protection Event, the Province may (but shall not be obligated to) provide notice (in the form of Exhibit B) to the Indenture Trustee that the Province has elected to assume the Financing Entity's obligations in respect of all Obligations Secured permitted to be assumed by their terms (the "**Assumption Notice**"). The Assumption Notice shall specify the date on which the assignment and assumption of such Obligations Secured will be effective (each such date being an "**Assumption Closing Date**").~~[12]

~~[11] Please see Torys' cover email to explain changes made in this Article and the related Article in the Process Agreement. Section 6.05 was deleted since it was not applicable in a context where only some of the Obligations Secured would be assumed.~~

~~[12] It is not realistic to think that the assumptions of Secured Obligations will all occur on one day. We think it has to happen on a contract by contract basis. As a Secured Obligation is assumed, the Limited Guarantee falls away with respect to it (it becomes a "zero" item in the waterfalls).~~

~~6.02 Cooperation to Implement the Assignment and Assumption~~

~~The Indenture Trustee, the FSM, the Financing Entity and the Province will cooperate and use best efforts to complete the assignment and assumption of the Obligations Secured referenced in Section 6.01 by and from the Financing Entity to and by the Province by the applicable Assumption Closing Date.~~

~~6.03 Effect of Assignment and Assumption~~

~~On the date that the assignment and assumption of the Obligations Secured referenced in Section 6.01 by and from the Financing Entity to and by the Province becomes effective (the "**Assumption Effective Date**"), the Province shall no longer be required to provide and perform the Limited Guarantee but will instead become a primary obligor under such Obligations Secured assumed pursuant to and in accordance with an applicable Assumption Agreement. For greater certainty, the obligations of the Province so assumed will not be secured obligations of the Province and the obligees thereof will have no right, interest or claim to or in respect of the Collateral or any proceeds therefrom.~~

~~6.04 Interim Period~~

~~Until the effective time of the assignment and assumption of the Obligations Secured referenced in Section 6.01 by and from the Financing Entity to and by the Province on the Assumption Effective Date, the Province shall continue to perform and be obligated under the Limited Guarantee with respect to those Obligations Secured.~~

ARTICLE VI~~ARTICLE VII~~
INDENTURE TRUSTEE MATTERS

6.01 ~~7.01~~ Limited Recourse

No recourse may be taken, directly or indirectly, with respect to the obligations of the Financing Entity under this Agreement, or any certificate or other writing delivered in connection herewith or therewith, against (a) the Financing Entity Trustee in its individual capacity, (b) any owner of a beneficial interest in the Financing Entity or (c) any partner, owner, beneficiary, agent, officer, director, employee or agent of the Financing Entity Trustee in its individual capacity, any holder of a beneficial interest in the Financing Entity or the Financing Entity Trustee or of any successor or assign of the Financing Entity Trustee in its individual capacity, except as any such Person may have expressly agreed (it being understood that the Financing Entity Trustee has no such obligations in its individual capacity).

6.02 ~~7.02~~ Not Responsible for Recitals

The recitals contained herein will be taken as the statements of the Province, the Financing Entity and the FSM, and the Indenture Trustee assumes no responsibility for their correctness. The Indenture Trustee makes no representations as to the validity or sufficiency of this Agreement.

6.03 ~~7.03~~ Representations and Covenants of the Indenture Trustee[13]~~5~~

The Indenture Trustee represents, warrants and covenants that:

(a) the Indenture Trustee is a trust company organized, existing and in good standing under the laws of Canada; and

(b) the Indenture Trustee is authorized to carry on the business of a trust company in each of the provinces and territories of Canada.

ARTICLE VII~~ARTICLE VIII~~
SUSPENSION OF ADHERENCE FOR NEW PRIMARY OBLIGATIONS

7.01 ~~8.01~~ Suspension Notice

Upon:

(a) a Program Breach;~~ or~~

(b) a default in the performance, or breach, of any covenants ~~or representations of the FSM~~of OPG, as FSM, or OPG, in its corporate capacity, in each case to the Province in connection with ~~an incurrence or amendment of Primary Obligations~~its obligations to the Province pursuant to internal requirements and processes in connection with the provision of the Limited Guarantee, which continues for thirty (30) days after written notice by the Province to ~~the FSM~~OPG of such default or breach;

(c) a representation or warranty made by OPG or a certification made by one or more officers of OPG, in each case whether as FSM or in its corporate capacity, to the Province in connection with its obligations to the Province pursuant to internal requirements and processes in connection with the provision of the Limited Guarantee, proves to be incorrect on the date made and, if curable, is not cured within thirty (30) days after written notice by the Province to OPG of such misrepresentation; or

(d) ~~(c)~~ the FSM no longer being the Manager or actions having been taken by or on behalf of the Indenture Trustee to remove the FSM as the Manager,

the Province may declare that the Limited Guarantee under this Agreement shall not apply to any Primary Obligations incurred[14] on or after such declaration, other than any Refinancing of a Primary Obligation in respect of which the Adherence Conditions had previously been satisfied (provided that the Refinancing is an Approved Obligation), by delivering a written notice in the

[13]~~5~~ **Torys Note:** The Indenture Trustee asked us to delete these representations. They will not provide these types of representations without attaining a legal opinion from outside counsel. To avoid delay, we would ask that the parties agree to this deletion. **Note to Torys:** The representations provided by the Indenture Trustee should be consistent with those in the Trust Indenture.

[14] ~~We will need the ability to amend the Primary Obligations after a Suspension Notice to deal with the Suspension Notice itself.~~

form of Exhibit ~~C~~B (a "**Suspension Notice**") ~~to the Province~~ to the Indenture Trustee, the FSM and the Financing Entity.[15]

The Limited Guarantee shall apply to any Certified Primary Obligation incurred after a Suspension Event on the basis that it is a Refinancing (provided that such Refinancing is an Approved Obligation) only if the FSM certifies to the Province in writing prior to the incurrence that the proceeds of such incurrence will be used solely for the purposes of repaying one or more Certified Primary Obligations incurred prior to the Suspension Event and to which the Limited Guarantee adhered as of the time the Suspension Event occurred, and the delivery of such written certification by the FSM to the Province shall be determinative for the purposes of concluding that such incurrence is a Refinancing for the purposes of Sections 7.01, 7.02 and 7.03.

7.02 ~~8.02~~ Suspension

If a Suspension Notice has been provided under Section ~~8.01~~7.01 (the provision of such notice being a "**Suspension Event**"), the Limited Guarantee shall not apply in respect of any Primary Obligation incurred[16] or amended on or after the time such Suspension Notice is delivered, other than any Refinancing of a Primary Obligation in respect of which the Adherence Conditions had previously been satisfied~~. For greater certainty, the rights of the Province under Article VI shall apply in respect of the Obligations Secured referenced in Section 6.01, including if incurred on or after the time such Suspension Notice is delivered.~~[17] (provided that the Refinancing is an Approved Obligation).

7.03 ~~8.03~~ No Impact on Adherence

For greater certainty, the occurrence of a Suspension Event or a failure by the FSM or the Financing Entity to perform its covenants under this Agreement will not invalidate or extinguish the obligations of the Province under the Limited Guarantee in respect of Approved Obligations in existence prior to the occurrence of the Suspension Event or in respect of any Refinancing of a Primary Obligation in respect of which the Adherence Conditions had previously been satisfied~~, nor will it in any way impact the Obligations Secured which are assumed by the Province in accordance with ARTICLE VI~~ (provided that the Refinancing is an Approved Obligation).

~~[15] OPG has confirmed that it is problematic from an accounting perspective to give the Province a broad right to suspend at any time. As discussed in the meeting, we therefore reintroduced the concept of the Program Breach and Breach Event but we made the breach event generic to ensure we do not have to reference the Process Agreement in this document.~~

~~[16] We will need the ability to amend the Primary Obligations after a Suspension Notice to deal with the Suspension Notice itself.~~

~~[17] We have deleted the concept of the termination notice since it no longer serves a purpose and is potentially confusing to the reader.~~

~~24~~10 **Torys Note:** Refinancings can occur up to six months prior to the application of the refinancing proceeds to the existing obligation. The regulations provide that if the refinancing proceeds are not applied to repay the intended funding obligation, then it is not a Refinancing. Accordingly, we have revised the definition to ensure that Refinancings do not have to be simultaneous with repayment of the existing Approved Obligation (we understand from the dealers that in most circumstances they will not be). **Note to Torys**: The General Regulation specifically provides that debt can be considered a "Refinancing" when incurred within the 6 months prior to the maturity date of a funding obligation. The Act/Regulation's definition doesn't require that "Refinancings" are simultaneous with the repayment of existing Approved Obligations. We have added a certificate mechanic in 7.01 by which there can be certainty when an obligation is incurred that if the obligation is intended to be a refinancing, it will be covered by the guarantee.

CHANGE OF LAW PROTECTION AGREEMENT

Dated as of [■], 2017

[1] This Agreement and the Process Agreement will need to be effective on closing but signed and held in escrow as soon as they are settled ~~and prior to pricing of the term deal~~. **Note to Torys:** Logistics of closing are under consideration.

[2] **Torys Note:** Please advise if there are any further issues with the Manager signing the Protection Agreement on behalf of the Trust? If so, can you please explain the issue. The Manager is currently signing all Program Agreements on behalf of the Trust and has authority to do so. We would like the Manager to sign this Agreement on behalf of the Trust. **Note to Torys:** Manager derives authority under the Management Agreement to sign Program Agreements. Management Agreement powers determined by reference to the Program Agreements, so authority is circular. Ultimately, Province will accept the opinion of Torys on due execution point.

This **AGREEMENT**, among Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), Computershare Trust Company of Canada, in its capacity as trustee (the "**Financing Entity Trustee**") of Fair Hydro Trust, a trust under the laws of the Province of Ontario (the "**Financing Entity**"), Ontario Power Generation Inc., in its capacity as Manager of the Financing Entity and in its capacity as the Financial Services Manager in accordance with the Act (the "**FSM**") and BNY Trust Company of Canada, a trust company existing under the laws of Canada, as Indenture Trustee, is made and entered into as of [■], 2017.

RECITALS

Pursuant to Subsection 5(3) of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**"), the Lieutenant Governor in Council may by order, authorize the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to agree to guarantee or indemnify certain debts, obligations, securities or undertakings associated with an Investment Interest.

Pursuant to an Order in Council dated as of ■1981/2017 (the "**OIC**"), the Lieutenant Governor in Council has, among other things, authorized the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to enter into one or more agreements to guarantee or indemnify the debts, obligations, securities or undertakings of one or more financing entities established or caused to be established pursuant to Subsection 22(2) of the Act by the FSM and that may incur Funding Obligations in connection with one or more Investment Interests.

Pursuant to a Declaration of Trust[3] dated as of ■, 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

The Financing Entity Trustee, in its capacity as trustee of the Financing Entity, and the Indenture Trustee are parties to the Trust Indenture and propose to create and issue series of notes, bonds and other securities as contemplated therein, and to provide security over the assets and undertaking of the Financing Entity in respect of such notes, bonds and securities, as well as other Obligations Secured.

The Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, have determined to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Primary Obligations that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions at the time the Approved Obligation is incurred. This Agreement sets out the terms and conditions of such protections and assurances.

[3] **Torys Note:** We are comfortable on this point because OPG has retained Computershare as issuer trustee. The recitals of the Declaration of Trust provide that Computershare has established the Trust at the request of the FSM. We can also provide you with a copy of the Computershare engagement letter upon request. **Note to Torys:** The Province will accept authorities opinion regarding the Trust from Torys.

All things necessary to make this Agreement a valid and legally binding agreement of the Province, the Financing Entity, the FSM and the Indenture Trustee, in accordance with the Act, the OIC and the Trust Indenture, have been done.

AGREEMENT OF THE PARTIES

In consideration of the respective agreements herein contained, the parties hereto covenant and agree as follows:

1.08 Severability

Each of the provisions contained in this Agreement is distinct and severable and a declaration of invalidity or unenforceability of any such provision or part thereof by a court of competent jurisdiction will not affect the validity or enforceability of any other provision hereof. To the extent permitted by applicable law, the parties waive any provision of law which renders any provision of this Agreement invalid or unenforceable in any respect.

1.09 Governing Law

THIS AGREEMENT WILL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE PROVINCE OF ONTARIO AND THE FEDERAL LAWS OF CANADA APPLICABLE THEREIN, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

The obligation of the Province in respect of any Original Currency due from it to the Indenture Trustee under this Agreement shall, notwithstanding any judgment or payment in such other currency, be discharged only to the extent that, on the Business Day following receipt of any sum so paid or adjudged to be due under this Agreement in the Second Currency, the Indenture Trustee may, in accordance with normal banking procedures, purchase in the New York foreign exchange market the Original Currency with the amount of the Second Currency so paid or so adjudged to be due; and if the amount of the Original Currency so purchased is less than the amount originally due in the Original Currency, the Province shall indemnify the Indenture Trustee against such loss.

(b) The term "rate of exchange" in this Section 1.19 means the spot rate at which the Indenture Trustee, in accordance with normal practice, is able on the relevant date to purchase the Original Currency with the Second Currency and includes any premium and costs of exchange payable in connection with such purchase.

ARTICLE II
AGREEMENT TO PERFORM APPROVED OBLIGATIONS

2.01 Limited Guarantee

(a) Upon the occurrence of a Protection Event, the Indenture Trustee ~~may~~shall (absent the Rating Agency Condition being satisfied with respect to the Protection Event not occurring) deliver a written demand, substantially in the form attached as Exhibit A (a "**Payment Demand**"), to the Province requiring the Province to make payments in respect of the Approved Obligations at the times, in the amounts and subject to the requirements specified in this Agreement. From and after such delivery of a Payment Demand, the Province shall make the following payments in respect of the Approved Obligations (the "**Limited Guarantee**"), and the Financing Entity shall pay, and the Province shall be entitled to be paid, the Subrogation Amounts specified below, on the specified Guarantee Payment Date:

i. Not less than 3 Business Days prior to each day when any payment or payments are to be made in respect of one or more Approved Obligations occurring after such delivery of a Payment Demand (a "**Guarantee Payment Date**"), the Manager shall deliver a written statement setting forth the Aggregate Approved Obligations Amount, if any, in respect of the Approved Obligations that are due and payable on such Guarantee Payment Date, together with a detailed description identifying such Approved Obligations and the nature and amount of payments due and payable thereunder on the Guarantee Payment Date, the aggregate outstanding amount payable by the Financing Entity under such Approved Obligations as of the date of such written statement, and details regarding any default in performance by any party obligated thereunder.

ii. On each such Guarantee Payment Date, the Province shall deposit the Aggregate Approved Obligations Amount into the Protection Account.

iii. On each such Guarantee Payment Date, the Financing Entity and the Indenture Trustee shall ensure that the amounts on deposit in the Protection Account are applied to pay each Beneficiary to whom an amount is due and payable under an Approved Obligation on the Guarantee Payment Date the Approved Obligation Amount for such Beneficiary in respect of such Approved Obligation on such Guarantee Payment Date; provided that if the amount deposited pursuant to clause 2.01(a)ii is insufficient to pay all such Approved Obligation Amounts in full, the

amount on deposit in the Protection Account on the Guarantee Payment Date shall be applied to pay Beneficiaries in the order of priority in which such Approved Obligations are payable under the payment provisions of the Trust Indenture applicable to the making of such payments on the Guarantee Payment Date (each, a "**Beneficiary Payee**").

iv. On any Guarantee Payment Date on which an amount is paid by the Province pursuant to clause 2.01(a)ii, the applicable payment provisions of the Trust Indenture shall, notwithstanding the express terms of such provisions set forth in the Trust Indenture, be applied and operate on the following basis:

(A) the amount payable to a Beneficiary Payee in respect of an Approved Obligation from amounts available under such payment provisions on such Guarantee Payment Date shall be reduced by the amount paid to the Beneficiary Payee pursuant to clause 2.01(a)iii in respect of such Approved Obligation on such Guarantee Payment Date;

(B) the Province shall be paid the lesser of (x) the amount payable to a Beneficiary Payee in respect of an Approved Obligation from amounts available to pay the Beneficiary Payee under such payment provisions on the Guarantee Payment Date, determined without regard to subclause 2.01(a)iv(A), and (y) the amount paid to the Beneficiary Payee pursuant to clause 2.01(a)iii in respect of such Approved Obligation on the Guarantee Payment Date (such ~~payments~~amounts paid to ~~the Province~~Beneficiary Payees being "**Subrogation Amounts**"); and[4]

(C) no Beneficiary having a right to be paid an amount in respect of an Approved Obligation that ranks equal with or subordinate to an Approved Obligation in respect of which an amount is payable to the Province under subclause 2.01(a)iv(B) shall be entitled to make any claim or assert any right in or to the amounts paid or payable to the Province under

[4] **Note:** The Province will be entitled to receive cash flows that would have been required to pay Approved Obligations remaining under the payment waterfalls after satisfaction of all Approved Obligations. Further consideration is required in order to ensure these amounts are paid to the Province, despite those amounts not being paid on a "Guarantee Payment Date" (ie. no amount is paid by the Province under the Limited Guarantee on those later Payment Dates, so currently not covered as not arising on a Guarantee Payment Date). Those residual entitlements must be included as "Subrogation Amounts".

such subclause (including any right or reimbursement, contribution or indemnity) and no such Beneficiary shall have any right or interest in, to or under the Collateral or any proceeds therefrom in respect of such amounts.

v. On any Guarantee Payment Date, the Indenture Trustee shall release and pay to the Province free and clear of any Liens any amount remaining on deposit in the Protection Account that has not been applied to pay Beneficiary Payees on the Guarantee Payment Date in accordance with clause 2.01(a)iii.

vi. In preparing any payment instructions under the Trust Indenture, the Manager shall reflect the amounts payable for the Guarantee Payment Date under Section 2.01(a).

(b) The Province shall, as a payee of Subrogation Amounts under clause 2.01(a)(iv)(B) and any amounts payable under clause 2.01(a)(v)**,** be a "Specified Creditor" under the Trust Indenture and have the benefit of the Collateral thereunder.

(c) For greater certainty, the Limited Guarantee will not apply to any amount or obligation of the Financing Entity that is not or does not arise under an Approved Obligation and will be limited to the right to receive the Approved Obligation Amounts, if any, for payment to Beneficiary Payees and will be subject to the priorities and to the Province's rights to Subrogation Amounts, set forth in Section 2.01(a).

(d) Except as expressly provided in this Agreement, the Province's obligation to provide and perform the Limited Guarantee shall be irrevocable, absolute and unconditional.

(e) Any amount payable by the Province under the Limited Guarantee in respect of an Approved Obligation that is not paid by the Province when required herein shall bear interest from the applicable due date until paid in full at the rate or rates expressed to be payable on the Approved Obligation by their terms.

(f) The right to deliver a Payment Demand and thereupon enforce the Limited Guarantee shall constitute the only remedy available to the Indenture Trustee (and to the Beneficiaries, to the extent they are permitted to exercise any rights, interests, or elections under and in accordance with the Trust Indenture) under this Agreement. Under no circumstances shall the Province be obligated to pay or indemnify the Indenture Trustee or any Beneficiary for consequential, special or punitive damages, or for economic loss or loss of profits; provided that, for greater certainty, economic loss shall not include any amount in respect of any

amount due and payable to a Beneficiary Payee under the Limited Guarantee.

2.02 Intentionally Deleted.

2.03 Absence of Set-off

Subject to applicable law, the Province acknowledges and agrees that each payment to be made by the Province hereunder in respect of an Approved Obligation shall be made as required in whole, without application of any right of set-off and without regard to any equities as between or among any of the Province, the Beneficiaries and/or the Indenture Trustee.

2.04 Payment into Protection Account in Satisfaction

(a) On or before the date of delivery of a Payment Demand to the Province, the Indenture Trustee shall cause to be established and maintained an Eligible Deposit Account (the "**Protection Account**") in the name of the Indenture Trustee, bearing a designation clearly indicating that the funds and other property credited thereto are held for the benefit of the Indenture Trustee and the Beneficiaries. The Protection Account shall be under the control of the Indenture Trustee for the benefit of the Beneficiaries. If, at any time, the institution holding the Protection Account ceases to be an Eligible Institution, the FSM shall notify the Indenture Trustee, and the Indenture Trustee upon being notified in writing of such ineligibility (or the FSM on its behalf) shall within 30 days (or such longer period, not to exceed 45 days, so long as the Rating Agency Condition is satisfied) establish a new Protection Account that is an Eligible Deposit Account and shall transfer any funds or other property from such Protection Account to such new Protection Account. From the date each such new Protection Account is established, it shall be the "Protection Account" for purposes of this Agreement. Funds credited to the Protection Account will be invested and held in accordance with Section **[7.03]** of the Trust Indenture on the basis that it is an Issuer Account.

(b) Notwithstanding the priority of payment requirements set forth in the Trust Indenture and any legal rule concerning the imputation of payments, the Financing Entity and the Indenture Trustee shall ensure that all amounts paid by the Province into the Protection Account on a Guarantee Payment Date in respect of an Approved Obligation are applied to pay the amounts due and payable to the Beneficiaries as and to the extent provided for in Section 2.01(a). Upon a payment having been made by or on behalf of the Province into the Protection Account, the amounts so paid shall for all purposes be considered to have been applied to pay the applicable Beneficiaries as provided for in Section 2.01(a) and thereby reduce the amount due and payable to such Beneficiaries in respect of the applicable Approved Obligations, whereupon an affected Beneficiary shall have no continuing rights, interests or entitlements (including rights as a secured party) in respect of the Approved Obligation to the extent so paid. For greater certainty, the obligations arising in respect of an applicable Approved Obligation shall not be

reduced by such payment as the Province shall become entitled to be paid related Subrogation Amounts and the rights contemplated under Section 2.01(a) and Section 5.01 in relation to such continuing obligations.

2.05 Certain Waivers

The Province hereby waives:

(a) any requirement, and any right to require, that any power be exercised or any action be taken against the Financing Entity or any Collateral for any of the Approved Obligations;

(b) all notices which may be required by applicable law to preserve any rights against the Province hereunder, including any notice of default, demand, dishonour, presentment and protest;

(c) diligence; and

(d) any defence based upon, arising out of or in any way related to any claim that any election of remedies by the Beneficiaries impaired, reduced, released or extinguished any rights that the Province might otherwise have had against the Financing Entity or any other surety.

The Province agrees that each such waiver is made with full knowledge of its significance and consequences and if any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the maximum extent permitted by applicable law.

2.06 Additional Security

This Agreement shall be in addition to and without prejudice to any other security by whomsoever given, held at any time by the Indenture Trustee or for the benefit of any of the Beneficiaries.

2.07 Continuing Liability of the Province

The Approved Obligations shall be deemed not to have been paid, observed or performed, and the liability of the Province hereunder in respect thereof shall continue and not be discharged, to the extent that any payment, observance or performance thereof by the Financing Entity, or out of the proceeds of any Collateral, is recovered from or reimbursed by or for the account of any of the Beneficiaries for any reason, including a preference or fraudulent transfer or by virtue of any subordination (whether present or future or contractual or otherwise) of the Approved Obligations, whether such recovery or payment over is effected by any judgment, decree or order of any court or Governmental Authority, by any plan of reorganization or by settlement or compromise by any of the Beneficiaries (whether or not consented to by the Financing Entity or the Province) of any claim for any such recovery or payment over.

2.08 Continuance of the Limited Guarantee

Subject to Section 2.07, the Limited Guarantee shall continue in full force and effect until the indefeasible payment, observance and performance in full of the Approved Obligations in accordance with Section 8.01.

2.09 Modifications of Approved Obligations

The Province expressly authorizes the Indenture Trustee, at any time and from time to time, without notice and without affecting the liability of the Province hereunder, but subject to compliance with the requirements of the Program Agreements and this Agreement, to:

(a) accept new, additional or replacement instruments, documents, agreements or security in connection with all or any part of the Approved Obligations;

(b) accept partial payments on the Approved Obligations; and

(c) waive, release, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, compromise, liquidate and enforce all or any part of the Approved Obligations and any security or guarantee therefor, and apply any such security and direct the order or manner of sale thereof as the Indenture Trustee (for the benefit of the Beneficiaries) in its discretion may determine.

ARTICLE III
THE INDENTURE TRUSTEE

3.01 The Indenture Trustee

This Agreement is made in favour of the Indenture Trustee in its capacity as trustee under the Trust Indenture. Accordingly, in the event of a new trustee being appointed under the Trust Indenture, such new trustee shall thereupon become and be the Indenture Trustee hereunder, but nevertheless, the Indenture Trustee shall forthwith assign, transfer and make over to the new trustee hereunder this Agreement. All provisions of the Trust Indenture for the protection of the Indenture Trustee or for facilitating the administration of the trusts or otherwise relating to the Indenture Trustee solely as to its holding of the rights thereunder shall apply *mutatis mutandis* to this Agreement and the Indenture Trustee's duties hereunder.

3.02 Acceptance of Trusts

The Indenture Trustee hereby accepts the trusts hereof and agrees to carry out and discharge the same unless and until a new trustee shall be appointed as contemplated in Section 3.01.

ARTICLE IV
APPROVED OBLIGATIONS

4.01 Approval Process

A Primary Obligation shall constitute an Approved Obligation if (i) the Adherence Conditions applicable thereto have been satisfied at the time the Primary Obligation was incurred, or (ii) the Province, in its sole discretion, designates in writing that it is an Approved Obligation.

4.02 Adherence Conditions

The following shall be the Adherence Conditions applicable in relation to each Certified Primary Obligation:

(a) the Certified Primary Obligation when incurred is an Obligation Secured under the Trust Indenture; and

(b) OPG, as FSM, delivers a certificate signed by the Chief Financial Officer and the Treasurer of OPG, or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) and addressed to the Indenture Trustee, on or before the incurrence of a Certified Primary Obligation (provided that delivery may not be more than 5 Business Days before the incurrence of the Certified Primary Obligation), confirming that OPG has delivered to the Province a certificate signed by the Chief Financial Officer and the Treasurer of OPG, or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) confirming that OPG has complied with all of its obligations to the Province and internal requirements and processes in connection with the adherence of the Limited Guarantee to the Certified Primary Obligation; and

(c) in respect of a Certified Primary Obligation other than a Refinancing of a Primary Obligation in respect of which the Adherence Conditions had been satisfied, the Province has not provided a Suspension Notice to the Indenture Trustee, OPG and the Financing Entity.

For greater certainty, (y) satisfaction of the Adherence Conditions for a Certified Primary Obligation shall be deemed satisfaction of the Adherence Conditions in respect of all principal, interest and other amounts owing under the Certified Primary Obligation, as such Certified Primary Obligation may be amended, restated, supplemented or otherwise modified from time to time, and (z) there shall be no Adherence Conditions applicable in relation to a Primary Obligation that is not a Certified Primary Obligation.

4.03 Evidence of Satisfaction

A closing certificate delivered in accordance with Section 4.02(b) in connection with an incurrence of a Certified Primary Obligation shall be determinative as to whether the applicable Adherence Conditions with respect thereto have been satisfied, notwithstanding that such certificate may include inaccuracies, be incomplete or otherwise be defective or deficient, and such closing certificate may be relied upon by any addressee as conclusive evidence of same. A closing certificate that purports on its face to be signed by officers specified in Section 4.02(b) may be relied upon by any addressee without further enquiry or evidence as to the incumbency or signatures of such officers. If a closing certificate is not delivered in accordance with the timing requirements of Section 4.02(b) in respect of a Certified Primary Obligation, such certificate may be delivered at a later date, and be effective as if it had been delivered in accordance with the timing requirement of Section 4.02(b), if at the time such certificate was required to be delivered OPG had delivered to the Province all certifications required by the Province in connection with the adherence of the Limited Guarantee to the Certified Primary Obligation.

The Province shall have and be entitled to enforce all rights and interests (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)), under and in respect of such Approved Obligation to the extent of the payment by the Province in respect of the Approved Obligation as an absolute assignee of the applicable Beneficiary, with effect from and after the time of such payment, without any further requirement for notice to or acceptance by the Financing Entity of such absolute assignment and without any reduction, set-off or counterclaim on account of any amounts that may, at or after the time of payment, be or become owing by the Beneficiary to the Financing Entity and unaffected by any other rights or equities that arise thereafter as between the Beneficiary and the Financing Entity. The Indenture Trustee shall recognize the Province as being entitled to all of the rights, interests and entitlements of the Beneficiary (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)) in respect and to the extent of the Approved Obligation so paid, determined as of the time of payment, for all purposes under the Trust Indenture, and

the Province shall be treated as a Specified Creditor in respect thereof for all purposes under the Trust Indenture and any other agreement under which the Approved Obligation arises.

(b) The Province (i) acknowledges and agrees in favour of the Indenture Trustee that, upon being subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation in accordance with Section 5.01(a), the Province, in its capacity as a Specified Creditor, will be subject to the provisions applicable to Specified Creditors under the Trust Indenture, including **[Sections 7.04 through 7.11 and 8.13 (Payment Priorities), Section 7.12 (Payments Held in Trust), Section 8.11 (Control by Controlling Class Creditors), Section 8.12 (Limitation on Suits), Section 8.14 (Limited Recourse), Article IX (The Indenture Trustee), including all limitations of liability thereunder, Section 9.14 (Communications to Specified Creditors) and Section 16.01 (No Petition)]**; (ii) consents, requests and authorizes the Issuer and the Indenture Trustee to (x) add the Province to the register of Specified Creditors described in subsection **[13.13(b)]** of the Trust Indenture and (y) disseminate the notice details of the Province to other Specified Creditors for the purposes set out in subsection **[9.14(b)]** of the Trust Indenture, and (iii) confirms that it will execute and deliver, or cause to be executed and delivered, all such further agreements, documents and instruments in connection with this Section 5.01 as the Indenture Trustee ~~shall send notices to the Province, in its capacity as a Specified Creditor, in accordance with Section 8.02.~~may request from time to time for the purpose of giving effect to the terms of this Section 5.01.

5.02 Priorities

For greater certainty, the rights, interests and entitlements of the Province as an assignee and subrogee of and with respect to an Approved Obligation shall rank equally with the rights, interests and entitlements of a Beneficiary to whom a Limited Guarantee payment is made in respect of, and to the extent of the payment made to satisfy, the Approved Obligation and the Province shall not be subject to postponement or subordination with respect thereto except to the extent of the priorities established in relation to the Approved Obligation under the Trust Indenture in the manner and to the extent contemplated in Section ~~7.1~~7.10(d) of the Trust Indenture.

(c) a representation or warranty made by OPG or a certification made by one or more officers of OPG, in each case whether as FSM or in its corporate capacity, to the Province in connection with its obligations to the Province pursuant to internal requirements and processes in connection with the ~~adherence~~provision of the Limited Guarantee, proves to be incorrect on the date made and, if curable, is not cured within thirty (30) days after written notice by the Province to OPG of such misrepresentation; or

the Province may declare that the Limited Guarantee under this Agreement shall not apply to any Primary Obligations incurred on or after such declaration, other than any Refinancing of a Primary Obligation in respect of which the Adherence Conditions had previously been satisfied (provided that the Refinancing is an Approved Obligation), by delivering a written notice in the form of Exhibit B (a "**Suspension Notice**") to the Indenture Trustee, the FSM and the Financing Entity.

The Limited Guarantee shall apply to any Certified Primary Obligation incurred after a Suspension Event on the basis that it is a Refinancing (provided that such Refinancing is an Approved Obligation) only if the FSM certifies to the Province in writing prior to the incurrence that the proceeds of such incurrence will be used solely for the purposes of repaying one or more Certified Primary Obligations incurred prior to the Suspension Event and to which the Limited Guarantee adhered as of the time the Suspension Event occurred, and the delivery of such written certification by the FSM to the Province shall be determinative for the purposes of concluding that such incurrence is a Refinancing for the purposes of Sections 7.01, 7.02 and 7.03.

7.02 Suspension

If a Suspension Notice has been provided under Section 7.01 (the provision of such notice being a "**Suspension Event**"), the Limited Guarantee shall not apply in respect of any

Primary Obligation incurred or amended on or after the time such Suspension Notice is delivered, other than any Refinancing of a Primary Obligation in respect of which the Adherence Conditions had previously been satisfied (provided that the Refinancing is an Approved Obligation).

7.03 No Impact on Adherence

For greater certainty, the occurrence of a Suspension Event or a failure by the FSM or the Financing Entity to perform its covenants under this Agreement will not invalidate or extinguish the obligations of the Province under the Limited Guarantee in respect of Approved Obligations in existence prior to the occurrence of the Suspension Event or in respect of any Refinancing of a Primary Obligation in respect of which the Adherence Conditions had previously been satisfied (provided that the Refinancing is an Approved Obligation).

(b) if an Acceleration has occurred in respect of any Obligations Secured on or before the Guarantee Payment Date, the amount that would be available to be paid to the Beneficiary on such Guarantee Payment Date in respect of the Approved Obligation under the applicable payment provisions of the Trust Indenture, determined on the assumption that the amount available for allocation to Specified Creditors in accordance with such applicable payment provisions of the Trust Indenture in respect of each relevant month during each Reference Period is equal to the estimated Finance Amount determined in respect of such Reference Period for purposes of section 15(1) of the Act (in effect on the date hereof)[5] divided by the number of months in such Reference Period.

[5] ~~**Note to Province**: MOE should confirm that this captures the limitations contemplated in connection with any "acceleration" under the revised Regulation. The Trust Indenture states that if extra cash is available in the Collections Account, it can be held until a subsequent Payment Date.

[109] **Torys Note:** We deleted early amortization events because that is no longer a concept used in the Trust Indenture. **Note to Torys:** Early amortization events may be included in a supplemental indenture so we think retaining that reference makes sense.

(v) the implementation of a change in the organization or structure of the IESO or Ontario's electricity market undertaken at the initiative of the Province or an entity controlled by the Province,

in each case, that materially and adversely affects (a) the ability of the Financing Entity to receive amounts in respect of its Investment Interest so that it can pay Obligations Secured, or (b) this Agreement or any of the agreements under which Obligations Secured arise; or

(b) a court of competent jurisdiction determines that all or a portion of the Act or the regulations made under the Act, as in effect on the date hereof, is *ultra vires* or invalid in a way that materially and adversely affects the ability of the Financing Entity to receive amounts in respect of its Investment Interest so that it can pay Obligations Secured and that has the effect of the Financing Entity not in fact having sufficient funds to pay such Obligations Secured that have become due and payable.

"**Province**" has the meaning ascribed thereto in the first paragraph of this Agreement.

[~~11~~10] **Torys Note:** Refinancings can occur up to six months prior to the application of the refinancing proceeds to the existing obligation. The regulations provide that if the refinancing proceeds are not applied to repay the intended funding obligation, then it is not a Refinancing. Accordingly, we have revised the definition to ensure that Refinancings do not have to be simultaneous with repayment of the existing Approved Obligation (we understand from the dealers that in most circumstances they will not be). **Note to ~~Province~~Torys**: The General Regulation specifically provides that debt can be considered a "Refinancing" when incurred within the 6 months prior to the maturity date of a funding obligation. The Act/Regulation's definition doesn't require that "Refinancings" are simultaneous with the repayment of existing Approved Obligations. ~~Consider if further discussion is required and MOE to specifically confirm understanding of the Regulation on this point~~We have added a certificate mechanic in 7.01 by which there can be certainty when an obligation is incurred that if the obligation is intended to be a refinancing, it will be covered by the guarantee.

HER MAJESTY THE QUEEN IN RIGHT OF ONTARIO, AS REPRESENTED BY THE MINISTER OF ENERGY AND THE MINISTER OF FINANCE

AND

ONTARIO POWER GENERATION INC.

CHANGE OF LAW PROCESS AGREEMENT[1]

Dated as of [■], 2017

[1] This Agreement and the Protection Agreement will need to be effective on closing but signed and held in escrow as soon as they are settled ~~and prior to pricing of the term deal~~. **Note to Torys:** Closing mechanics under consideration by the Province.

This **CHANGE OF LAW PROCESS AGREEMENT**, between Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), and Ontario Power Generation Inc. ("**OPG**") is made and entered into as of [■], 2017.

RECITALS

OPG is appointed as the Financial Services Manager under Section 18 of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**").

Pursuant to Section 22(2) of the Act, OPG, in its capacity as the Financial Services Manager (the "**FSM**"), may establish or cause to be established one or more financing entities (as defined in the Act), which may incur Funding Obligations in accordance with the Act.

Pursuant to a Declaration of Trust dated as of [■], 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

Concurrent with this Agreement, the Province, the FSM, the Financing Entity and the Indenture Trustee will enter into the Change of Law Protection Agreement under which the Province will agree to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Obligations Secured that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions.

Prior to entering into this Agreement, OPG provided the Province with the proposed forms of certain of the Transaction Documents, and the Province has not objected to such forms.

This Agreement sets out the obligations OPG has agreed to perform and assurances OPG has agreed to provide and on which the Province will rely in entering into and implementing the Change of Law Protection Agreement, including for the purposes of determining whether the Adherence Conditions have been satisfied, maintaining information related to the Program Agreements and the Approved Obligations, and ensuring that the Province's assumption rights pursuant to Article VI of the Change of Law Protection Agreement may be exercised without impediment on the terms and conditions contemplated in this Agreement and the Change of Law Protection Agreement.

All things necessary to make this Agreement a valid and legally binding agreement of OPG and the Province, have been done.

(a) Not less than 15 Business Days, or such lesser period as the Province may agree to in writing, prior to the initial issuance of any Funding Obligation by the Financing Entity, OPG shall deliver to the Province a copy of the initial Financing Plan. Thereafter, OPG shall promptly deliver to the Province a copy of any proposed change to or replacement of the Financing Plan.

(a) OPG shall use commercially reasonable efforts to cause the Financing Entity to:

(i) punctually perform and observe all of the Financing Entity's obligations and agreements contained in the Program Agreements;

(B) extend, renew, compromise, novate, replace, suspend, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, liquidate or enforce the terms of all or any part of the Approved Obligations or any Collateral, if any such action could reasonably be considered to be materially prejudicial to the rights or interests of the Province under the Change of Law Protection Agreement; provided, however, that the foregoing does not apply to the extent that only particular financial terms, rates and levels are affected;

(C) permit the validity or effectiveness of the Change of Law Protection Agreement to be impaired; or

(c) Nothing in this Agreement shall limit the obligations of the Province under the Indemnity Agreement by the Province in favour of OPG dated June 1, 2017 (as amended, the "**Indemnity Agreement**") and to the extent of any conflict between this Agreement and such Indemnity Agreement, in respect of any matter relating to the Province's obligations to indemnify OPG, the Indemnity Agreement shall prevail.

ARTICLE III
PROCESS CERTIFICATE

3.01 Process Certificate

OPG shall deliver a certificate (the "**Process Certificate**"), signed by the Chief Financial Officer and the Treasurer of OPG or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) and addressed to the Province, on or before the incurrence or any amendment[2] of a Funding Obligation, other than any Funding Obligation under which not more than $~~.~~ **[5,000,000]** in the aggregate may become payable by the Financing Entity (provided that delivery may not be more than 5 Business Days before the incurrence or amendment of the Funding Obligation), setting out the following with respect to such Funding Obligation:

(a) the material terms of the Funding Obligation pertaining to (i) in the case of notes, bonds or other securities, the principal amount, interest or discount rate, third party fees, term to maturity, amortization, redemption or extension features, structure and coupon frequency, as applicable, and (ii) in the case of a Derivative Agreement, the notional amount, financial terms and pricing, benchmarks, payment structures and early termination rights;

(b) if an existing Funding Obligation is proposed to be amended, material details respecting such amendment, including regarding the applicable details set forth in Subsection 3.01(a), as the context requires;

[2] ~~**Note to Province:** Please confirm that the timing of the delivery of the Process Certificate is satisfactory to you. The Process Certificate is delivered "on or before" incurrence or amendment. If preferable, we can revert back to the prior timing, which was delivery on the earlier of incurrence/ amendment, or pricing.~~

(c) a statement to the effect that: (i) the Funding Obligation to be incurred or amended (1) will arise under terms and conditions that are Substantially in the Form of the Reference Documentation applicable thereto; (2) in the opinion of the signatories to the Process Certificate, are reasonably incurred or effected in compliance with the Act, the General Regulation, any other enactments related thereto and the applicable Financing Plan; (3) are of a type and are on terms that a reasonably prudent financial services manager would incur in similar circumstances; and (4) reflect, in all material respects, arm's length terms and conditions; and (ii) any Disclosure Document used in connection with the offering and sale of notes, bonds or other securities is Substantially in the Form of the Reference Documentation;

(d) a statement confirming that any disclosure made in respect of the Funding Obligation (including any Disclosure Document, press release or other written communication prepared for dissemination to third parties in relation to the Funding Obligation) that refers to or describes the terms, effect or adherence of or to this Agreement or the Change of Law Protection Agreement has been made available to the Province prior to use or dissemination, other than where such disclosure was substantially the same as a disclosure previously made;

(e) a statement that no Breach Event has occurred on or prior to the date of the Process Certificate, unless such Breach Event has been waived by the Province in writing; and

(f) confirmation that, at the time the Funding Obligation is incurred or amended, the maximum aggregate payment amounts due or becoming due in the future in respect of Repayments under the Funding Obligation, together with all other outstanding amounts due or becoming due in the future in respect of Repayments under all Approved Obligations, do not and will not exceed the ~~then applicable~~ Protection Agreement Maximum~~;~~ applicable on the date that the Process Certificate is delivered;[2] for clarity, Repayments under Obligations Secured owing in currencies other than Canadian dollars will be determined on the date the Process Certificate is delivered hereunder in accordance with the following:

(i) where a Derivative Agreement has been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the hedged value expressed in Canadian dollars; and

(ii) where a Derivative Agreement has not been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the noon spot rate for conversions of any currencies into Canadian dollars.

[2] **Note to Torys:** We believe the revision makes clear that OPG is only certifying as to the Protection Agreement Maximum as at the date the Process Certificate is delivered.

3.02 Acknowledgement regarding delivery of certificate under Change of Law protection Agreement

The Province acknowledges and agrees that, concurrent with the delivery of the Process Certificate pursuant to Section 3.01 of this Agreement, the Chief Financial Officer and the Treasurer of OPG or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) are authorized to deliver the certificate referred to in **[Subsection 4.02(b)]** of the Change of Law Protection Agreement to the Indenture Trustee confirming that OPG has delivered all required certifications to the Province in connection with adherence of the Limited Guarantee to the incurrence of the Certified Primary Obligations in respect of which the certificate in **[Subsection 4.02(b)]** of the Change of Law Protection Agreement is being delivered; provided that, upon receipt of a Suspension Notice under the Change of Law Protection Agreement, OPG covenants not to deliver any further certificates to the Indenture Trustee under **[Subsection 4.02(b)]** of the Change of Law Protection Agreement other than in connection with a Refinancing of a Primary Obligation in respect of which the Adherence Conditions had been satisfied at the time such Primary Obligation was incurred.

3.03 Acknowledgement regarding delivery of Suspension Notice

The parties acknowledge and agree that the Province is entitled to deliver a Suspension Notice under **[Section 7.01]** of the Change of Law Protection Agreement if a Program Breach or Breach Event has occurred. The Province agrees not to deliver a Suspension Notice pursuant to **[Section 7.01]** of the Change of Law Protection Agreement unless a Program Breach or a Breach Event has occurred.

3.04 Meaning of "Reference Documentation"

For the purposes of Subsection 3.01(c), the term "Reference Documentation" shall mean each Transaction Document (including any change, addition or supplement thereto) that, at the relevant time:

(a) is a Transaction Document provided to, and not objected to by, the Province prior to the making of this Agreement, as contemplated in the fifth recital to this Agreement; or

(b) is a Transaction Document provided to the Province in accordance with Subsection 2.01(b) that has not been objected to by the Province, by delivery of an objection notice in writing delivered to OPG, within 10 Business Days after it is provided to the Province.

3.05 Meaning of "Substantially in the Form"

For the purposes of Subsection 3.01(c), the term "Substantially in the Form" shall mean:

(a) with respect to the Reference Documentation referred to in clauses (i) to (xi) of the definition of "Transaction Documents", that there are no differences between

the proposed documents and such Reference Documentation that could result in a change in the material terms or conditions applicable to the applicable Primary Obligation, including regarding the timing of or circumstances under which related payments are or may become due or accrue (including as a result of any default, acceleration, termination, wind-up, liquidation or realization), or that would affect the Province's rights of subrogation or assignment (including pursuant to **[Section 5.01]** of the Change of Law Protection Agreement) or its interests as a subrogee or an assignee, that would arise as a result of performing the Limited Guarantee in respect of the applicable Primary Obligation; provided, however, that the foregoing does not apply to any variable terms to be set forth in the proposed documents as are reasonably contemplated in the Reference Documentation, including the particular financial terms, rates and levels set forth in the proposed documents other than to the extent that the forms of Reference Documentation themselves specify specific requirements, limitations or parameters with respect to such financial terms, rates, levels and parameters; and

(b) with respect to the Reference Documentation referred to in clause (xii) of the definition of "Transaction Documents", that there are no material differences between the form and substance of the proposed Disclosure Document and such form of Disclosure Document and that the proposed Disclosure Document complies in all material respects with all applicable securities disclosure requirements relating to the Primary Obligation subject to distribution thereunder.

ARTICLE IV
PROTECTION AGREEMENT MAXIMUM

4.01 Protection Agreement Maximum

(a) Not less than 15 Business Days, or such lesser period as the Province may agree to in writing, prior to the proposed incurrence of the first Funding Obligation, OPG shall, as the FSM, deliver to the Province: (i) a forecast setting out OPG's expectations regarding the aggregate maximum amount of Repayments that would arise in the future under Approved Obligations to be incurred during the next following 24 month period (the "**Initial Forecast Period**"), which expectations shall be consistent with the Financing Plan (the "**Initial Forecast**"); and (ii) notice of the initial Protection Agreement Maximum, which may not exceed the Initial Forecast.

(b) Not more than 10 Business Days, or such lesser period as the Province may agree to in writing, following receipt of the Initial Forecast and notice of the initial Protection Agreement Maximum from OPG pursuant to Section 4.01(a), the Province may disagree with the Initial Forecast and the initial Protection Agreement Maximum on the basis that (i) there appears to be inaccuracies in the Financing Plan or the Initial Forecast, (ii) the Initial Forecast is inconsistent with the Financing Plan, or (iii) the initial Protection Agreement Maximum is more than the Initial Forecast. If the Province disagrees, OPG shall discuss any

discrepancies with the Province, address any inaccuracies and inconsistencies to the reasonable satisfaction of the Province and OPG, and the initial Protection Agreement Maximum will be revised accordingly and confirmed by an amended notice to the Province.

(c) Between nine (9) and twelve (12) months prior to the end of the Initial Forecast Period, OPG shall, as the FSM, deliver to the Province an updated forecast setting out the sum of (1) the aggregate amount of Repayments that will arise in the future under Approved Obligations that are then outstanding and (2) OPG's expectations regarding the aggregate maximum amount of Repayments that would arise in the future under Approved Obligations to be incurred during the period ending 24 months following the Initial Forecast Period, which expectation shall be consistent with the then applicable Financing Plan. Such updated forecast shall be further updated on a similar basis with respect to each successive 24 month period or more frequently if at any time OPG has knowledge that the most recent forecast is materially inaccurate (the Initial Forecast and each such updated forecast, each a "**Forecast**"). Together with each Forecast, OPG shall also provide a revised Protection Agreement Maximum, which may not exceed such Forecast.

(d) Not more than 10 Business Days, or such lesser period as the Province may agree to in writing, following receipt of any further Forecast and notice of the revised Protection Agreement Maximum from OPG pursuant to Section 4.01(c), the Province may disagree with such further Forecast or revised Protection Agreement Maximum on the basis that (i) there appears to be inaccuracies in the Financing Plan or such further Forecast, (ii) the further Forecast is inconsistent with the Financing Plan, or (iii) the revised Protection Agreement Maximum is more than the further Forecast. If the Province disagrees, OPG shall discuss any discrepancies with the Province, address any inaccuracies and inconsistencies to the reasonable satisfaction of the Province and OPG, and the revised Protection Agreement Maximum will be further revised accordingly and confirmed by an amended notice to the Province.

(e) For clarity, Repayments under Obligations Secured owing in currencies other than Canadian dollars will be valued at the time to be determined for the purposes of this Section 4.01 in accordance with the following:

(i) where a Derivative Agreement has been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the hedged value expressed in Canadian dollars; and

(ii) where a Derivative Agreement has not been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the noon spot rate for conversions of any currencies into Canadian dollars.

See some thoughts from Tory's. If you believe it has some traction we should discuss how best to run this by the dealers as this has not been floated by them.

John and Les, further to our discussion earlier today about the change of law protection agreement and the rating agency/dealer/Osler request to delete the word "materially" from the change of law triggering events – attached is a revised draft of the definition of a Protection Event that removes the word materially while addressing the Province's concern that they don't want a change in some unrelated law or reg to trigger the guarantee (we just moved down some of the general change in law triggers so they only trigger the guarantee if the change actually results in the FE not having sufficient funds to pay obligations when due (so if conservation legislation was passed, that would only trigger a protection event if that law prevented the FE from collecting enough CEA amounts to pay its obligations when due).

As we mentioned on our call, if you want to float an alternative to try and bridge the gap on this point, you could send this to the Province and let them raise it with Osler/the dealers/the rating agencies in their revised draft of the change of law protection agreement as a compromise position. However, as we discussed, I think if some sort of compromise is going to be suggested, it is best coming directly from the Province.

Let us know if you have any questions.

Rima

*** Exercise caution. This is an EXTERNAL email. DO NOT open attachments or click links from unknown senders or unexpected email. ***

John – We have spent considerable time on the Change of Law Protection Agreement (the "Protection Agreement") to ensure that its benefits can easily be identified and understood by investors. The robustness of the Protection Agreement is critical for obtaining optimal ratings, and the marketability of the warehouse and term debt transactions. Here are our collective thoughts on the concepts of having Adherence Conditions and a suspension right in the Protection Agreement:

<!--[if !supportLists]-->• <!--[endif]-->Investors need certainty that when they invest in the Financing Entity, they have the protection of the change of law agreement for any amounts owing under the terms of their debt

<!--[if !supportLists]-->• <!--[endif]-->It is important for all creditors of the Financing Entity to have the benefit of the Protection Agreement to ensure that there is no misalignment between different groups of creditors

<!--[if !supportLists]-->• <!--[endif]-->Under the current draft, Financing Entity obligations are only protected under the Protection Agreement if they satisfy the "Adherence Conditions"

<!--[if !supportLists]-->• <!--[endif]-->The concept of having any Adherence Conditions makes it uncertain when something is covered; for example, the current draft provides that OPG has to deliver a certificate for some subset of obligations (the scope of that subset of obligations is still an open point in the draft)

<!--[if !supportLists]-->• <!--[endif]-->Even if we could get 100% clarity on when a certificate is required to be delivered in order for an obligation to be protected, the dealers have to rely on OPG delivering that certificate and there is concern that a certificate may not always be delivered

<!--[if !supportLists]-->• <!--[endif]-->Essentially, Adherence Conditions make it impossible to be certain that obligations are or aren't covered under the Protection Agreement

The proposal we shared this morning was designed to give investors (and all creditors) of the Financing Entity assurance that obligations are protected while maintaining the Province's oversight over the program. We should also point out that with respect to the right to suspend the application of the Protection Agreement, its effect on refinancing the warehouse must be addressed.

Thanks, Ian

Please find enclosed revised drafts of the Change of Law Protection Agreement and the Change of Law Process Agreement. I have also enclosed redlines to the drafts which Stephen circulated on November 2nd. The revised drafts and comments contained in these two agreements are a consolidation of comments from Osler and Torys. Please note that we have not had an opportunity to discuss all of the revisions and comments contained in these revised drafts with OPG and the Dealers and therefore, are subject to any further comments which the Dealers and OPG may have.

The initial drafts of these two agreement have not been provided to the rating agencies for their review and therefore, further revisions may be required following their review and comment once drafts have been provided to them to review.

Subject: Change of Law Protection Agreement and Change of Law Process Agreement

Rima, Krista, Nina and Michael,

Here are drafts of the Change of Law Protection Agreement and Change of Law Process Agreement. Please note that while various people at the Province have provided considerable thought and input into these drafts, they remain subject to on-going review, comment and consideration (including where indicated in the drafts) by the Province, and of course remain subject to ultimate consideration and approval by the Ministers. This circulation is for discussion purposes only. Please feel free to circulate these drafts to OPG, E&Y, Osler and the Dealers, reflecting that understanding.

We propose that a consolidated mark-up be prepared that reflects all of the issues that you or those others may have, and ideally reflects input from the rating agencies. Once that mark-up is available, we propose that a meeting of interested parties be held to resolve any outstanding issues.

In the meantime, please feel free to call Malle, Toby, Tom, Alena or me if you have questions or concerns.

Regards, Steve

HER MAJESTY THE QUEEN IN RIGHT OF ONTARIO, AS REPRESENTED BY THE MINISTER OF ENERGY AND THE MINISTER OF FINANCE

AND

FAIR HYDRO TRUST, BY ITS MANAGER, ONTARIO POWER GENERATION INC.

AND

ONTARIO POWER GENERATION INC., AS FINANCIAL SERVICES MANAGER

AND

BNY TRUST COMPANY OF CANADA, AS INDENTURE TRUSTEE

CHANGE OF LAW PROTECTION AGREEMENT

Dated as of [■], 2017

This **AGREEMENT**, among Her Majesty the Queen in Right of Ontario as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), Ontario Power Generation Inc., as the Manager and in its capacity as Manager of Fair Hydro Trust, a trust settled by the FSM under the laws of the Province of Ontario (the "**Financing Entity**"), Ontario Power Generation Inc. in its capacity as the Financial Services Manager in accordance with the Act (the "**FSM**") and BNY Trust Company of Canada, a trust company existing under the laws of Canada, as Indenture Trustee and in its capacity as trustee for the Beneficiaries in accordance with the Trust Indenture, is made and entered into as of [■], 2017.

RECITALS

Pursuant to Subsection 5(3) of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**"), the Lieutenant Governor in Council may by order, authorize the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to agree to guarantee or indemnify certain debts, obligations, securities or undertakings associated with an Investment Interest.

Pursuant to an Order in Council dated as of ■ (the "**OIC**"), the Lieutenant Governor in Council has, among other things, authorized the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to enter into one or more agreements to guarantee or indemnify the debts, obligations, securities or undertakings of one or more financing entities established or caused to be established pursuant to Subsection 22(2) of the Act by the FSM and that may incur Funding Obligations in connection with one or more Investment Interests.

Pursuant to a Declaration of Trust dated as of ■, 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

The FSM, as agent of the Financing Entity Trustee, in its capacity as trustee of the Financing Entity, and the Indenture Trustee are parties to the Trust Indenture and propose to create and issue series of notes, bonds and other securities as contemplated therein, and to provide security over the assets and undertaking of the Financing Entity in respect of such notes, bonds and securities, as well as other Obligations Secured.

The Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, have determined to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Obligations Secured that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions at the time the Approved Obligation is incurred or amended. This Agreement sets out the terms and conditions of such protections and assurances.

The FSM and the Province will concurrently enter into the Process Agreement, under which the FSM will agree to perform certain related activities and to provide certain assurances on which the Province will rely, including for the purposes of determining whether the Adherence Conditions have been satisfied in connection with the incurrence or amendment of an Approved Obligation and ensuring that the Province's assumption right may be exercised without impediment on the terms and conditions contemplated in this Agreement.

All things necessary to make this Agreement a valid and legally binding agreement of the Province, the FSM and the Indenture Trustee, in accordance with the Act, the OIC and the Trust Indenture, have been done.

AGREEMENT OF THE PARTIES

In consideration of the respective agreements herein contained, the parties hereto covenant and agree as follows:

ARTICLE I
DEFINITIONS AND OTHER PROVISIONS OF GENERAL APPLICATION

1.01 Interpretation

For all purposes of this Agreement, except as otherwise expressly provided or unless the context otherwise requires:

(a) the terms used in this Agreement that are defined in Schedule A have the meanings assigned to them in Schedule A;

(b) words importing the singular shall include the plural and vice versa, words importing general shall include all genders or the neuter, and words importing the neuter shall include all genders;

(e) the word "will" shall be construed to have the same meaning and effect as the word "shall". The word "or" is not exclusive;

(f) any reference to this Agreement or any other agreement, document or instrument shall be construed as a reference to this Agreement or, as the case may be, such other agreement, document or instrument as the same may have been, or may from time to time be, amended, varied, replaced, amended and restated, supplemented or otherwise modified;

(g) all references in this Agreement to designated "Articles", "Sections", "Subsections", "Schedules", "Exhibits" and other subdivisions are to the designated Articles, Sections, Subsections, Schedules, Exhibits and other subdivisions of this Agreement as originally executed. (i) with respect to the computation of periods of time from a specified date to a later specified date, unless otherwise expressly stated, the word "from" means "from and including" and the words "to" and "until" each mean "to but excluding".

1.02 Proof of Approved Obligations

The efficacy of any agreement, instrument or writing evidencing a Primary Obligation may, in the absence of manifest error, be conclusively proved in any manner that the Indenture Trustee deems to be sufficient.

Any statement of account prepared by the Indenture Trustee as regards the Primary Obligations shall constitute *prima facie* evidence of the amount which, as at the date of the statement so prepared, is due and payable by the Financing Entity to the Beneficiaries and/or the Indenture Trustee and the Province hereby acknowledges and agrees that, absent manifest error, it shall be bound by each such statement. The Indenture Trustee agrees to provide the Province with the computations and calculations used by the Indenture Trustee to prepare each such statement of account promptly following a request therefor.

1.03 Limitation on Rights of and Actions by Specified Creditors

Specified Creditors, as Beneficiaries, shall not have or be permitted to exercise any rights, interests, or elections under this Agreement, other than in the manner and to the extent effected and exercised through the Indenture Trustee under, in accordance with and subject to the limitations set forth in the Trust Indenture.

1.04 Province Retains Rights of Beneficiaries

Without limiting any rights of subrogation or succession that arise pursuant to applicable law or pursuant to the Province's rights as an assignee, subrogee or pursuant to Section 5.01, all of the rights, interests, elections and privileges that would arise in favour of a Beneficiary under the Trust Indenture or other Funding Obligation Agreement under which a related Primary Obligation arises shall automatically arise, vest in and be available to the Province upon performance by the Province of the Primary Obligation. To the extent of any conflict between this Agreement and the Indemnity Agreement by the Province in favour of OPG dated June 1, 2017 in respect of any matter relating to the Province's obligations to indemnify the FSM or the Financing Entity, the latter shall prevail.

1.05 Effect of Headings

The Article and Section headings herein are for convenience only and will not affect the construction hereof.

1.06 Successors and Assigns

All covenants and agreements in this Agreement by the parties will bind their respective successors and permitted assigns, whether so expressed or not. All covenants and agreements of the Indenture Trustee or the FSM in this Agreement shall bind their respective successors, co-trustees and agents.

1.07 Severability

Each of the provisions contained in this Agreement is distinct and severable and a declaration of invalidity or unenforceability of any such provision or part thereof by a court of competent jurisdiction will not affect the validity or enforceability of any other provision hereof. To the extent permitted by applicable law, the parties waive any provision of law which renders any provision of this Agreement invalid or unenforceable in any respect. The parties will engage in good faith negotiations to replace any provision which is declared invalid or unenforceable with a valid and enforceable provision, the economic effect of which comes as close as possible to that of the invalid or unenforceable provision which it replaces.

1.08 Governing Law

THIS AGREEMENT WILL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE PROVINCE OF ONTARIO AND THE FEDERAL LAWS OF CANADA APPLICABLE THEREIN, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

1.09 Proceedings Against the Crown Act

NOTHING IN THIS AGREEMENT OR THE PROGRAM AGREEMENTS AFFECTS THE RIGHTS, PROTECTIONS AND IMMUNITIES OF THE CROWN UNDER THE PROCEEDINGS AGAINST THE CROWN ACT.

1.10 Attornment

EACH PARTY SUBMITS TO THE EXCLUSIVE JURISDICTION OF ANY ONTARIO COURTS SITTING IN TORONTO IN ANY ACTION, APPLICATION, REFERENCE OR OTHER PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT. THE PARTIES HERETO HEREBY WAIVE ANY RIGHT THEY MAY HAVE TO REQUIRE A TRIAL BY JURY OF ANY PROCEEDING COMMENCED IN CONNECTION WITH THIS AGREEMENT.

1.11 Counterparts; Electronic Delivery

This Agreement may be executed in any number of counterparts, each of which so executed will be deemed to be an original, but all such counterparts will together constitute one and the same instrument. Delivery of an executed signature page to this Agreement by a party by electronic transmission will be as effective as delivery of a manually executed copy of the Agreement by such party.

1.12 Change of Law Protection Agreement Referred to in the Trust Indenture

This Agreement is the "Change of Law Protection Agreement" referred to in the Trust Indenture.

1.13 Non-Business Days

Whenever any payment to be made hereunder shall be stated to be due, any period of time would begin or end, any calculation is to be made or any other action to be taken hereunder shall be stated to be required to be taken, on a day other than a Business Day, then (notwithstanding any other provision of this Agreement) such payment shall be made, such period of time shall begin or end, such calculations shall be made and such other action shall be taken on the next succeeding Business Day.

1.14 Waiver, Amendment

Except as expressly provided in this Agreement, no amendment or waiver of this Agreement will be binding unless executed in writing by the party to be bound thereby. No waiver of any provision of this Agreement will constitute a waiver of any other provision nor will any waiver of any provision of this Agreement constitute a continuing waiver unless otherwise expressly provided. A party's failure or delay in exercising any right under this Agreement will not operate as a waiver of that right. A single or partial exercise of any right will not preclude a party from any other or further exercise of that right or the exercise of any other right.

1.15 Interest Act

For the purpose of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest to which any rate of interest payable under this Agreement that is calculated on any basis other than a full calendar year is equivalent may be determined by multiplying such rate by a fraction, the numerator of which is the actual number of days in the calendar year in which such yearly rate of interest is to be ascertained and the denominator of which is the number of days comprising such other basis. The parties further agree that for the purposes of the *Interest Act* (Canada), (i) the principle of deemed reinvestment of interest shall not apply to any interest calculation under this Agreement, and (ii) the rates of interest stipulated in this Agreement are intended to be nominal rates and not effective rates or yields.

1.16 Currency

Unless stated otherwise, all amounts herein are stated in Canadian Dollars.

1.17 References to Acts of the Financing Entity

For greater certainty, where any reference is made in this Agreement, or in any other instrument executed pursuant hereto or contemplated hereby to which the Financing Entity is party, to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or release to be provided by, a suit or proceeding to be taken by or against, or a covenant, representation or warranty (other than relating to the constitution or existence of the Financing Entity) by or with respect to the Financing Entity, such reference shall

be construed and applied for all purposes as if it referred to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or release to be provided by, a suit or proceeding to be taken by or against or a covenant, representation or warranty (other than relating to the constitution or existence of the Financing Entity) by or with respect to, the FSM as agent for the Financing Entity Trustee (in its capacity as trustee of the Financing Entity). **[NTD: Discuss whether the Financing Entity Trustee should be a party to this Agreement and references to the Financing Entity Trustee re-inserted into this section and others.]**

1.18 Judgment Currency

(a) If for the purpose of obtaining judgment in any court or for any other purposes (other than conversions specifically provided for in the agreement under which an Approved Obligation arises), it is necessary to convert any amount due under this Agreement from the currency in which it is due (the "**Original Currency**") into another currency (the "**Second Currency**"), the rate of exchange applied shall be that at which, in accordance with normal banking procedures, the purchaser could purchase, in the New York foreign exchange market, the Original Currency with the Second Currency on the date on which judgment is given. The obligation of the Province in respect of any Original Currency due from it to the Indenture Trustee under this Agreement shall, notwithstanding any judgment or payment in such other currency, be discharged only to the extent that, on the Business Day following receipt of any sum so paid or adjudged to be due under this Agreement in the Second Currency, the Indenture Trustee may, in accordance with normal banking procedures, purchase in the New York foreign exchange market the Original Currency with the amount of the Second Currency so paid or so adjudged to be due; and if the amount of the Original Currency so purchased is less than the amount originally due in the Original Currency, the Province shall indemnify the Indenture Trustee against such loss.

(b) The term "rate of exchange" in this Section 1.19 means the spot rate at which the Indenture Trustee, in accordance with normal practice, is able on the relevant date to purchase the Original Currency with the Second Currency and includes any premium and costs of exchange payable in connection with such purchase.

ARTICLE II
AGREEMENT TO PERFORM APPROVED OBLIGATIONS

2.01 Limited Guarantee

(a) Upon the occurrence of a Protection Event, the Indenture Trustee may provide a written demand, in the form attached as Exhibit A (a "**Payment Demand**"), to the Province requiring the Province to pay the Approved Obligations owing from time to time by the Financing Entity to the Indenture Trustee as and when they become

due and payable[1]. A Payment Demand will not be valid with respect to an Approved Obligation until the amount claimed becomes due and payable in respect of the Approved Obligation in accordance with the Trust Indenture and has not otherwise been paid by the Financing Entity.

(b) Following receipt of a valid Payment Demand under Subsection 2.01(a), the Province shall pay the amounts owing by the Financing Entity to the Indenture Trustee, on behalf of the applicable Beneficiaries, in respect of each Approved Obligation[2], in each case as and when the Approved Obligation becomes due and payable in accordance with its terms and on its scheduled, specified or determined payment date, in each case by the Province depositing or causing the deposit of the applicable payment amount into the Protection Account 5 Business Days prior to the fifteen day of each calendar month (the "**Limited Guarantee**"). For greater certainty, the Limited Guarantee will not apply to any amount or obligation of the Financing Entity that is not or does not arise under an Approved Obligation.

(c) Except as expressly provided in this Agreement, the Province's obligation to provide and perform the Limited Guarantee shall be irrevocable, absolute and unconditional.

(d) Any amount payable by the Province under the Limited Guarantee in respect of an Approved Obligation that is not paid when required herein shall bear interest from the applicable due date until paid in full at the rate or rates expressed to be payable on the Approved Obligation.

(e) The right to deliver a Payment Demand and thereupon enforce the Limited Guarantee shall constitute the only remedy available to the Indenture Trustee under this Agreement. Under no circumstances shall the Province be obligated to pay or indemnify the Indenture Trustee or any Beneficiary for consequential, special or punitive damages.

2.02 <u>Gross-up</u>

All amounts payable by the Province under this Agreement shall be made free and clear of and without deduction for or on account of any present or future taxes, charges, fees, levies, duties or withholdings of any kind. If the Province is obliged to deduct or withhold an amount in respect of any such taxes, charges, fees, levies, duties or withholdings, then in such event the Province shall deposit into the Protection Account such additional amount as is necessary to ensure that the Indenture Trustee receives (on an after-tax basis, after payment of any and all income taxes on such additional amounts) an amount equal to the full amount otherwise due and payable in respect

[1] Consider mechanics for notifying the Province regarding the specific amounts payable and their due dates. Consider attaching a detailed schedule of payments under the Payment Demand and the respective due date of each payment.

[2] Under Subsection 5(3) of the Act, the Province can guarantee only obligations "associated with an investment interest". The guarantee in Section 2.01 of the draft agreement guarantees "Approved Obligations", which in turn relies on the definition of Primary Obligations. The connection between a Primary Obligations and an "investment interest" is therefore crucial. Blakes is considering how to more precisely connect these concepts.

of the related Approved Obligation, net of any such taxes, charges, fees, levies, duties or withholdings.

2.03 Absence of Set-off

The Province acknowledges and agrees that each payment to be made by the Province hereunder in respect of an Approved Obligation shall be made as required in whole, without application of any right of set-off and without regard to any equities as between or among any of the Province, the Beneficiaries and/or the Indenture Trustee.

2.04 Payment into Protection Account in Satisfaction

(a) On or before the date of delivery of a Payment Demand to the Province, the Indenture Trustee shall cause to be established and maintained an Eligible Deposit Account (the "**Protection Account**") in the name of the Indenture Trustee, bearing a designation clearly indicating that the funds and other property credited thereto are held for the benefit of the Indenture Trustee and the Beneficiaries. The Protection Account shall be under the control of the Indenture Trustee for the benefit of the Beneficiaries. If, at any time, the institution holding the Protection Account ceases to be an Eligible Institution, the FSM shall notify the Indenture Trustee, and the Indenture Trustee upon being notified in writing of such ineligibility (or the FSM on its behalf) shall within 30 days (or such longer period, not to exceed 45 days, so long as the Rating Agency Condition is satisfied) establish a new Protection Account that is an Eligible Deposit Account and shall transfer any funds or other property from such Protection Account to such new Protection Account. From the date each such new Protection Account is established, it shall be the "Protection Account." for purposes of this Agreement. Funds credited to the Protection Account will be invested and held in accordance with Section 7.03 of the Trust Indenture as if it were an Issuer Account.

(b) Notwithstanding the priority of payment requirements set forth in the Trust Indenture and any legal rule concerning the imputation of payments, the Indenture Trustee shall apply the full amount paid by the Province into the Protection Account in respect of an Approved Obligation to pay the corresponding amount due and payable to the applicable Beneficiaries under the Approved Obligation. Upon a payment having been made by or on behalf of the Province into the Protection Account in respect of an Approved Obligation, the amount so paid shall for all purposes be considered to have been applied to pay the applicable Beneficiaries and thereby reduce the amount due and payable under the Approved Obligation, whereupon an affected Beneficiary shall have no continuing rights, interests or entitlements (including rights as a secured party) in respect of the Approved Obligation to the extent so paid[3].

[3] Consider how Beneficiary rights under Obligations Secured will be amended under an agreement to which a Beneficiary is not directly a party. To achieve a binding relationship, a corresponding provision should appear in the Trust Indenture and each other contract under which the Obligation Secured arises, to the effect that the Beneficiaries will be deemed to be bound by the agreement of the Indenture Trustee under this Agreement. Please see our addition

2.05 Certain Waivers

The Province hereby waives:

(a) any requirement, and any right to require, that any power be exercised or any action be taken against the Financing Entity or any Collateral for any of the Approved Obligations;

(b) all notices which may be required by applicable law to preserve any rights against the Province hereunder, including any notice of default, demand, dishonour, presentment and protest;

(c) diligence; and

(d) any defence based upon, arising out of or in any way related to any claim that any election of remedies by the Beneficiaries impaired, reduced, released or extinguished any rights that the Province might otherwise have had against the Financing Entity or any other surety. **[NTD: Further consideration required as to whether there should be a waiver of any other equitable defences.]**

The Province agrees that each such waiver is made with full knowledge of its significance and consequences and if any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the maximum extent permitted by applicable law.

2.06 Additional Security

This Agreement shall be in addition to and without prejudice to any other security by whomsoever given, held at any time by the Indenture Trustee or for the benefit of any of the Beneficiaries.

2.07 Continuing Liability of the Province

2.08 Continuance of the Limited Guarantee

Subject to Section 2.07, the Limited Guarantee shall continue in full force and effect until the indefeasible payment, observance and performance in full of the Approved Obligations and termination of the Trust Indenture, or until the Province is no longer required to provide and perform the Limited Guarantee in accordance with Section 6.03.

2.09 Modifications of Approved Obligations

The Province expressly authorizes the Indenture Trustee, at any time and from time to time, without notice and without affecting the liability of the Province hereunder, but subject to compliance with the requirements of the Program Agreements, to:

ARTICLE III
THE INDENTURE TRUSTEE

3.01 The Indenture Trustee

This Agreement is made in favour of the Indenture Trustee in its capacity as trustee under the Trust Indenture. Accordingly, in the event of a new trustee being appointed under the Trust Indenture, such new trustee shall thereupon become and be the Indenture Trustee hereunder, but nevertheless, the Indenture Trustee shall forthwith assign, transfer and make over to the new trustee hereunder this Agreement. All provisions of the Trust Indenture for the protection of the Indenture Trustee or for facilitating the administration of the trusts or otherwise relating to the Indenture Trustee solely as to its holding of the rights thereunder shall apply *mutatis mutandis* to this Agreement and the Indenture Trustee's duties hereunder.

3.02 Acceptance of Trusts

The Indenture Trustee hereby accepts the trusts hereof and agrees to carry out and discharge the same unless and until a new trustee shall be appointed as contemplated in Section 3.01.

ARTICLE IV

The following shall be the Adherence Conditions applicable in relation to a Primary Obligation:

(a) the Primary Obligation is contemplated under the Trust Indenture as an Obligation Secured; and

(b) **[NTD: already covered in process certificate in section 3.01 of the Process Agreement]**

(c) **[NTD: already covered under Process Agreement.]**

(d) the FSM delivers a certificate signed by the Chief Financial Officer and the Treasurer of OPG (or their respective designees, provided that such designees are executive officers of OPG and, for clarity, such certificate is to be provided in OPG's capacity as FSM) and addressed to the Indenture Trustee, one Business Day prior to the earlier of (i) one Business Day prior to the incurrence or any amendment of the Primary Obligation, and (ii) on the Business Day on which the financial terms of the Primary Obligation are definitively determined (including the interest or discount rate applicable to any notes, bonds or other securities), confirming that the FSM has delivered to the Province a Process Certificate in accordance with Section **[3.01]** of the Process Agreement; and

(e) **[NTD: This is more properly dealt with in Section 8.02 of this Agreement.]**.

4.03 Evidence of Satisfaction

A closing certificate delivered in accordance with Section 4.02 in connection with an incurrence or amendment of a Primary Obligation shall be determinative as to whether the applicable Adherence Conditions with respect thereto have been satisfied, notwithstanding that such certificate may include inaccuracies, be incomplete or otherwise be defective or deficient, and such closing certificate may be relied upon by any addressee as conclusive evidence of same.

ARTICLE V
PROVINCE MATTERS

5.01 Assignment and Subrogation

(a) Upon paying an amount in respect of an Approved Obligation:

i. to or at the direction of the Indenture Trustee in satisfaction of the Limited Guarantee; or

ii. **[as a result of assuming the Financing Entity's obligations in respect of all Obligations Secured under Article VI,] [NTD: This requires further discussion depending on the terms of the assignment and assumption agreement. If the Obligations Secured are assigned and assumed by the Province under Article VI, how would the Province be subrogated and entitled to the Beneficiary's rights and interests under the Approved Obligation? Consider limiting the application of this section 5.01 to the Limited Guarantee.]**

the Province (in addition to and without prejudice to any rights it otherwise has in law or equity) shall be subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation to the extent of such payment, including (i) the right and entitlement to be paid and receive distributions of such amount by the Financing Entity in accordance with and in the priority applicable to the Approved Obligation applicable in respect of the payment under the Trust Indenture, (ii) the benefits of the related Collateral and (iii) all proceeds therefrom. Subject to Section 5.01(b), the Province shall have and be entitled to enforce all rights and interests (including as a Specified Creditor under the Trust Indenture) under such Approved Obligation as an absolute assignee of the applicable Beneficiary, with effect from and after the time of such payment, without any further requirement for notice to or acceptance by the Financing Entity of such absolute assignment and without any reduction, set-off or counterclaim on account of any amounts that may, at or after the time of payment, be or become owing by the Beneficiary to the Financing Entity and unaffected by any other rights or equities that arise thereafter as between the Beneficiary and the Financing Entity. Subject to Section 5.01(b), the Indenture Trustee shall recognize the Province as being entitled to all of the rights, interests and entitlements of the Beneficiary (including, if applicable, as a Noteholder) in respect and to the extent of the Approved Obligation so paid, determined as of the time of payment, for all purposes under the Trust Indenture, and the Province shall be treated as a Specified Creditor in respect thereof for all purposes under the Trust Indenture and any other agreement under which the Approved Obligation arises.

(b) the Province (i) acknowledges and agrees in favour of the Indenture Trustee that, upon being subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation in accordance with Section 5.01(a), the Province will be a Specified Creditor hereunder and its entitlements as a Specified Creditor are subject to the provisions applicable to Specified Creditors under the Trust Indenture including, without limitation, **[Section 7.11 (Payments Held in Trust), Section 8.12 (Limitation on Suits), Sections 7.04 and 8.13 (Payment Priorities), Section 8.14 (Limited Recourse) and Section 16.01 (No Petition) thereof]**, (ii) irrevocably authorizes and directs the Indenture Trustee on its behalf to take such action (including the execution and delivery of documents of subordination) as may be necessary or appropriate to

further assure the priority arrangements provided for in **[Article VI and Sections 7.04 and 8.13 of the Trust Indenture]**, (iii) appoints the Indenture Trustee as its agent for any and all such purposes, and (iv) confirms that the Indenture Trustee shall send notices to the Province in accordance with Section 9.02.

5.02 Priorities

For greater certainty, the rights, interests and entitlements of the Province as an assignee and subrogee of and with respect to an Approved Obligation shall rank equally with the rights, interests and entitlements of a Beneficiary for whom a Limited Guarantee payment is made in respect of, and to the extent of the payment made to satisfy, the Approved Obligation and the Province shall not be subject to postponement or subordination with respect thereto except to the extent of the priorities established in relation to the Approved Obligation under the Trust Indenture.

5.03 Voting Rights under "Outstanding Notes"

[Notwithstanding the last three sentences of the definition of "Outstanding" in the Trust Indenture[4]:

(a) **Notes in connection with Approved Obligations in respect of which the Province has rights and interest pursuant to Section 5.01 shall be regarded as "Outstanding" within the meaning of the Trust Indenture; and**

(b) **in determining whether Noteholders of the requisite principal amount of Notes that are Outstanding (as defined in the Trust Indenture) have taken any Action under the Trust Indenture, and for the purposes of Article X of the Trust Indenture, the Province shall be deemed to have the amount of Outstanding (as defined in the Trust Indenture) Notes in proportion to its interest in such Notes based on the amounts that the Province has paid in respect of Approved Obligations under this Agreement.] [NTD: To be discussed. Giving these voting rights to the Province may affect the marketability of the debt under this program.]**

5.04 Province May Perform Other Program Agreement Covenants.

If the Financing Entity fails to perform any covenant under any Program Agreement, the Province may (but, except as expressly provided for under this Agreement, shall not be obligated to) perform such covenant on behalf of the Financing Entity. If the Province performs such a covenant on behalf of the Financing Entity, all sums expended or advanced by the Province in so performing the covenant will bear interest at the rate of interest determined by the Province to reflect market terms and conditions for a borrowing made by the Province at the relevant time from the date of expenditure until repayment by the Financing Entity and will (together with such interest) be paid by the Financing Entity upon demand and will until paid form part of the Obligations Secured subject to Sections **[7.04 and 8.13]** of the Trust Indenture and constitute a

(a) the Province has the necessary power, authority and capacity to execute and perform its obligations under this Agreement;

(b) the execution, delivery and performance by the Province of this Agreement and the completion of the transactions contemplated hereby do not and will not result in a violation of any applicable law;

(c) all necessary action has been taken by the Province including, without limitation, under sections 5(2) and 5(3) of the Act and section 28(1.1) of the *Financial Administration Act*, R.S.O. 1990 c. F. 12, to authorize the execution and delivery of this Agreement by the Province and the performance by the Province of its obligations hereunder; and

On the date that the assignment and assumption of the Obligations Secured by and from the Financing Entity to and by the Province becomes effective (the "**Assumption Effective Date**"), the Province shall no longer be required to provide and perform the Limited Guarantee but will instead be primary obligor under the Obligations Secured. **[NTD: Need to move Article VI of the Change of Law Process Agreement into this Article VI and amend accordingly. Also, we will need to attach the form of Assumption Agreement as an Exhibit to this Agreement that will be used for the assignment and assumption of all Obligations Secured. Contrary to the statement in Section 6.02(f) of the Change of Law Protection Agreement, there will not be a separate form of Assumption Agreement for each Obligation Secured.]**

6.04 Interim Period

Until the effective time of the assignment and assumption of the Obligations Secured by and from the Financing Entity to and by the Province on the Assumption Effective Date, the Province shall continue to perform and be obligated under the Limited Guarantee.

8.04 No Impact on Adherence

For greater certainty, the occurrence of Suspension Event or a failure by the FSM or the Financing Entity to perform its covenants under this Agreement will not invalidate or extinguish the obligations of the Province under the Limited Guarantee in respect of Approved Obligations

This **AGREEMENT**, among Her Majesty the Queen in Right of Ontario as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), ~~**[FINANCING ENTITY TRUSTEE]***~~Ontario Power Generation Inc.*, as the ~~Financing Entity Trustee~~Manager and in its capacity as ~~trustee of the **[FINANCING ENTITY]**~~Manager of Fair Hydro Trust, a trust settled by the FSM under the laws of the Province of Ontario (the "**Financing Entity**"), Ontario Power Generation Inc. in its capacity as the Financial Services Manager in accordance with the Act (the "**FSM**") and ~~**[INDENTURE TRUSTEE]**~~BNY Trust Company of Canada, a trust company existing under the laws of Canada, as Indenture Trustee and in its capacity as trustee for the Beneficiaries in accordance with the Trust Indenture, is made and entered into as of [■], 2017.

Pursuant to an Order in Council dated as of ■ (the "**OIC**"), the Lieutenant Governor in Council has, among other things, authorized the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to enter into one or more agreements to guarantee or indemnify the debts, obligations, securities or undertakings of one or more financing entities established or caused to be established pursuant to Subsection 22(2) of the Act by the FSM and that may incur Funding Obligations in connection with one or more Investment Interests.

Pursuant to a Declaration of Trust dated as of ■, 2017, the ~~FSM established the~~ Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

The ~~trustee~~FSM, as agent of the ~~Financing Entity in its capacity as~~ Financing Entity Trustee, in its capacity as trustee of the Financing Entity, and the Indenture Trustee are parties to the Trust Indenture and propose to create and issue series of notes, bonds and other securities as contemplated therein, and to provide security over the assets and undertaking of the Financing Entity in respect of such notes, bonds and securities, as well as other Obligations Secured.

The Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, have determined to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Obligations Secured that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions at the time the Approved Obligation is incurred or amended. This Agreement sets out the terms and conditions of such protections and assurances.

~~OPG~~The FSM and the Province will concurrently enter into the Process Agreement, under which ~~OPG~~the FSM will agree to perform certain related activities and to provide certain

assurances on which the Province will rely, including for the purposes of determining whether the Adherence Conditions have been satisfied in connection with the incurrence or amendment of an Approved Obligation and ensuring that the Province's assumption right may be exercised without impediment on the terms and conditions contemplated in this Agreement.

All things necessary to make this Agreement a valid and legally binding agreement of the Province, ~~the Financing Entity Trustee,~~ the FSM and the Indenture Trustee, in accordance with the Act, the OIC and the Trust Indenture, have been done.

1.07 ~~1.08~~ Severability

Each of the provisions contained in this Agreement is distinct and severable and a declaration of invalidity or unenforceability of any such provision or part thereof by a court of competent jurisdiction will not affect the validity or enforceability of any other provision hereof. To the extent permitted by applicable law, the parties waive any provision of law which renders any provision of this Agreement invalid or unenforceable in any respect. The parties will engage in good faith negotiations to replace any provision which is declared invalid or unenforceable with a valid and enforceable provision, the economic effect of which comes as close as possible to that of the invalid or unenforceable provision which it replaces.

1.08 ~~1.09~~ Governing Law

THIS AGREEMENT WILL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE PROVINCE OF ONTARIO AND THE FEDERAL LAWS OF CANADA APPLICABLE THEREIN, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

1.14 ~~1.15~~ Waiver, Amendment

Except as expressly provided in this Agreement, no amendment or waiver of this Agreement will be binding unless executed in writing by the party to be bound thereby. No waiver of any provision of this Agreement will constitute a waiver of any other provision nor will any waiver of any provision of this Agreement constitute a continuing waiver unless otherwise expressly provided. A party's failure or delay in exercising any right under this Agreement will not operate as a waiver of that right. A single or partial exercise of any right will not preclude a party from any other or further exercise of that right or the exercise of any other right.

1.15 ~~1.16~~ Interest Act

For the purpose of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest to which any rate of interest payable under this Agreement that is calculated on any basis other than a full calendar year is equivalent may be determined by multiplying such rate by a fraction, the numerator of which is the actual number of days in the calendar year in which such

yearly rate of interest is to be ascertained and the denominator of which is the number of days comprising such other basis. The parties further agree that for the purposes of the *Interest Act* (Canada), (i) the principle of deemed reinvestment of interest shall not apply to any interest calculation under this Agreement, and (ii) the rates of interest stipulated in this Agreement are intended to be nominal rates and not effective rates or yields.

1.16 ~~1.17~~ Currency

Unless stated otherwise, all amounts herein are stated in Canadian Dollars.

1.17 ~~1.18~~ References to Acts of the Financing Entity ~~Trustee~~

For greater certainty, where any reference is made in this Agreement, or in any other instrument executed pursuant hereto or contemplated hereby to which the Financing Entity ~~or the Financing Entity Trustee, as trustee of the Financing Entity,~~ is party, to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or release to be provided by, a suit or proceeding to be taken by or against, or a covenant, representation or warranty (other than relating to the constitution or existence of the Financing Entity) by or with respect to ~~(i)~~ the Financing Entity ~~or (ii) the Financing Entity Trustee~~, such reference shall be construed and applied for all purposes as if it referred to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or release to be provided by, a suit or proceeding to be taken by or against or a covenant, representation or warranty (other than relating to the constitution or existence of the Financing Entity) by or with respect to, the FSM as agent for the Financing Entity Trustee (in its capacity as trustee of the Financing Entity~~,~~). **[NTD: Discuss whether the Financing Entity Trustee should be a party to this Agreement and references to the Financing Entity Trustee re-inserted into this section and others.]**

1.18 ~~1.19~~ Judgment Currency

(a) If for the purpose of obtaining judgment in any court or for any other purposes (other than conversions specifically provided for in the agreement under which an Approved Obligation arises), it is necessary to convert any amount due under this Agreement from the currency in which it is due (the "**Original Currency**") into another currency (the "**Second Currency**"), the rate of exchange applied shall be that at which, in accordance with normal banking procedures, the purchaser could purchase, in the New York foreign exchange market, the Original Currency with the Second Currency on the date on which judgment is given. The obligation of the Province in respect of any Original Currency due from it to the Indenture Trustee under this Agreement shall, notwithstanding any judgment or payment in such other currency, be discharged only to the extent that, on the Business Day following receipt of any sum so paid or adjudged to be due under this Agreement in the Second Currency, the Indenture Trustee may, in accordance with normal banking procedures, purchase in the New York foreign exchange market the Original Currency with the amount of the Second Currency so paid or

so adjudged to be due; and if the amount of the Original Currency so purchased is less than the amount originally due in the Original Currency, the ~~Financing Entity~~Province shall indemnify the Indenture Trustee against such loss.

(b) The term "rate of exchange" in this Section 1.19 means the spot rate at which the Indenture Trustee, in accordance with normal practice, is able on the relevant date to purchase the Original Currency with the Second Currency and includes any premium and costs of exchange payable in connection with such purchase.

ARTICLE II
AGREEMENT TO PERFORM APPROVED OBLIGATIONS

2.01 Limited Guarantee

(a) Upon the occurrence of a Protection Event, the Indenture Trustee may provide a written demand, in the form attached as Exhibit A (a "**Payment Demand**"), to the Province requiring the Province to pay the Approved Obligations owing from time to time by the Financing Entity to the Indenture Trustee as and when they become due and payable~~, without Acceleration~~[1]. A Payment Demand will not be valid with respect to an Approved Obligation until the amount claimed becomes due and payable in respect of the Approved Obligation ~~(without Acceleration)~~ in accordance with the Trust Indenture and has not otherwise been paid by the Financing Entity.

(b) Following receipt of a valid Payment Demand under Subsection 2.01(a), the Province shall pay the amounts owing by the Financing Entity to the Indenture Trustee, on behalf of the applicable Beneficiaries, in respect of each Approved Obligation[2], in each case as and when the Approved Obligation becomes due and payable in accordance with its terms and on its scheduled, specified or determined payment date, ~~as determined without regard to any Acceleration or rights of Acceleration arising under the Approved Obligation,~~ in each case by the Province depositing or causing the deposit of the applicable payment amount into the ~~Collection~~Protection Account 5 Business Days prior to the fifteen day of each calendar month (the "**Limited Guarantee**"). For greater certainty, the Limited Guarantee will not apply to any amount or obligation of the Financing Entity that is not or does not arise under an Approved Obligation~~, including (i) any amounts that are or become payable as a~~

[1] Consider mechanics for notifying the Province regarding the specific amounts payable and their due dates. Consider attaching a detailed schedule of payments under the Payment Demand and the respective due date of each payment.

[2] Under Subsection 5(3) of the Act, the Province can guarantee only obligations "associated with an investment interest". The guarantee in Section 2.01 of the draft agreement guarantees "Approved Obligations", which in turn relies on the definition of Primary Obligations. The connection between a Primary Obligations and an "investment interest" is therefore crucial. Blakes is considering how to more precisely connect these concepts.

result of the exercise of an option of the Financing Entity following a Protection Event, and (ii) amounts required to be deposited by or on behalf of the Financing Entity into any Capital Account, Finance Reserve Account or a Supplemental Reserve Account.

(c) Except as expressly provided in this Agreement, the Province's obligation to provide and perform the Limited Guarantee shall be irrevocable, absolute and unconditional.

(d) Any amount payable by the Province under the Limited Guarantee in respect of an Approved Obligation that is not paid when required herein shall bear interest from the applicable due date until paid in full at the rate or rates expressed to be payable on the Approved Obligation.

(e) The right to deliver a Payment Demand and thereupon enforce the Limited Guarantee shall constitute the only remedy available to the Indenture Trustee under this Agreement. Under no circumstances shall the Province be obligated to pay or indemnify the Indenture Trustee or any Beneficiary for consequential, special or punitive damages, or for economic loss or loss of profits.

2.02 Gross-up

[All amounts payable by the Province under this Agreement shall be made free and clear of and without deduction for or on account of any present or future taxes, charges, fees, levies, duties or withholdings of any kind. If the Province is obliged to deduct or withhold an amount in respect of any such taxes, charges, fees, levies, duties or withholdings, then in such event the Province shall deposit into the CollectionProtection Account such additional amount as is necessary to ensure that the Indenture Trustee receives (on an after-tax basis, after payment of any and all income taxes on such additional amounts) an amount equal to the full amount otherwise due and payable in respect of the related Approved Obligation, net of any such taxes, charges, fees, levies, duties or withholdings.][3]

2.03 Absence of Set-off

The Province acknowledges and agrees that each payment to be made by the Province hereunder in respect of an Approved Obligation shall be made as required in whole, without application of any right of set-off and without regard to any equities as between or among any of the Province, the Beneficiaries and/or the Indenture Trustee.

2.04 Payment into CollectionProtection Account in Satisfaction

(a) On or before the date of delivery of a Payment Demand to the Province, the Indenture Trustee shall cause to be established and maintained an Eligible Deposit Account (the "**Protection Account**") in the name of the Indenture Trustee, bearing a designation clearly indicating that the funds and other property credited

[3] Under consideration.

thereto are held for the benefit of the Indenture Trustee and the Beneficiaries. The Protection Account shall be under the control of the Indenture Trustee for the benefit of the Beneficiaries. If, at any time, the institution holding the Protection Account ceases to be an Eligible Institution, the FSM shall notify the Indenture Trustee, and the Indenture Trustee upon being notified in writing of such ineligibility (or the FSM on its behalf) shall within 30 days (or such longer period, not to exceed 45 days, so long as the Rating Agency Condition is satisfied) establish a new Protection Account that is an Eligible Deposit Account and shall transfer any funds or other property from such Protection Account to such new Protection Account. From the date each such new Protection Account is established, it shall be the "Protection Account." for purposes of this Agreement. Funds credited to the Protection Account will be invested and held in accordance with Section 7.03 of the Trust Indenture as if it were an Issuer Account.

(b) Notwithstanding the priority of payment requirements set forth in the Trust Indenture and any legal rule concerning the imputation of payments, the Indenture Trustee shall apply the full amount paid by the Province into the ~~Collection~~Protection Account in respect of an Approved Obligation to pay the corresponding amount due and payable to the applicable Beneficiaries under the Approved Obligation.[4] Upon a payment having been made by or on behalf of the Province into the ~~Collection~~Protection Account in respect of an Approved Obligation, the amount so paid shall for all purposes be considered to have been applied to pay the applicable Beneficiaries and thereby reduce the amount due and payable under the Approved Obligation, whereupon an affected Beneficiary shall have no continuing rights, interests or entitlements (including rights as a secured party) in respect of the Approved Obligation to the extent so paid~~5~~3.

2.05 Certain Waivers

The Province hereby waives:

(a) any requirement, and any right to require, that any power be exercised or any action be taken against the Financing Entity or any Collateral for any of the Approved Obligations;

(b) all notices which may be required by applicable law to preserve any rights against the Province hereunder, including any notice of default, demand, dishonour, presentment and protest;

[4] ~~This will need to operate in tandem with the Trust Indenture waterfall. The idea is that the Approved Obligations may not necessarily follow the sequence of the "payment waterfall" included in the Trust Indenture, and so amounts from the Province would need to operate independently.~~

~~5~~3 Consider how Beneficiary rights under Obligations Secured will be amended under an agreement to which a Beneficiary is not directly a party. To achieve a binding relationship, a corresponding provision should appear in the Trust Indenture and each other contract under which the Obligation Secured arises, to the effect that the Beneficiaries will be deemed to be bound by the agreement of the Indenture Trustee under this Agreement. Please see our addition in Section 9.08. The Specified Creditors already make the necessary acknowledgement in Article 5 of the Trust Indenture. Isn't this also addressed in section 1.03 above?

(c) diligence; and

(d) any defence based upon, arising out of or in any way related to any claim that any election of remedies by the Beneficiaries impaired, reduced, released or extinguished any rights that the Province might otherwise have had against the Financing Entity or any other surety. **[NTD: Further consideration required as to whether there should be a waiver of any other equitable defences.]**

The Province agrees that each such waiver is made with full knowledge of its significance and consequences and if any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the maximum extent permitted by applicable law.

2.06 Additional Security

This Agreement shall be in addition to and without prejudice to any other security by whomsoever given, held at any time by the Indenture Trustee or for the benefit of any of the Beneficiaries.

2.07 Continuing Liability of the Province

The Approved Obligations shall be deemed not to have been paid, observed or performed, and the liability of the Province hereunder in respect thereof shall continue and not be discharged, to the extent that any payment, observance or performance thereof by the Financing Entity, or out of the proceeds of any Collateral, is recovered from or reimbursed by or for the account of any of the Beneficiaries for any reason, including a preference or fraudulent transfer or by virtue of any subordination (whether present or future or contractual or otherwise) of the Approved Obligations, whether such recovery or payment over is effected by any judgment, decree or order of any court or Governmental Authority, by any plan of reorganization or by settlement or compromise by any of the Beneficiaries (whether or not consented to by the Financing Entity or the Province) of any claim for any such recovery or payment over.

2.08 Continuance of the Limited Guarantee

Subject to Section 2.07, the Limited Guarantee shall continue in full force and effect until the indefeasible payment, observance and performance in full of the Approved Obligations and termination of the Trust Indenture, or until the Province is no longer required to provide and perform the Limited Guarantee in accordance with Section 6.03~~)~~.

2.09 Modifications of Approved Obligations

The Province expressly authorizes the Indenture Trustee, at any time and from time to time, without notice and without affecting the liability of the Province hereunder, but subject to compliance with the requirements of the Program Agreements ~~and this Agreement~~, to:

(a) accept new, additional or replacement instruments, documents, agreements or security in connection with all or any part of the Approved Obligations;

(b) accept partial payments on the Approved Obligations; and

(c) waive, release, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, compromise, liquidate and enforce all or any part of the Approved Obligations and any security or guarantee therefor, and apply any such security and direct the order or manner of sale thereof as the Indenture Trustee (for the benefit of the Beneficiaries) in its discretion may determine~~,provided, however, that the Indenture Trustee shall not permit any change, modification, alteration, amendment, supplement, extension, renewal, compromise, novation, replacement, suspension or waiver of the terms of all or any part of the Approved Obligations or any Collateral therefor expect with the prior written consent of the Province having first been obtained~~.

ARTICLE III
THE INDENTURE TRUSTEE

3.01 The Indenture Trustee

This Agreement is made in favour of the Indenture Trustee in its capacity as trustee under the Trust Indenture. Accordingly, in the event of a new trustee being appointed under the Trust Indenture, such new trustee shall thereupon become and be the Indenture Trustee hereunder, but nevertheless, the Indenture Trustee shall forthwith assign, transfer and make over to the new trustee hereunder this Agreement. All provisions of the Trust Indenture for the protection of the Indenture Trustee or for facilitating the administration of the trusts or otherwise relating to the Indenture Trustee solely as to its holding of the rights thereunder shall apply *mutatis mutandis* to this Agreement and the Indenture Trustee's duties hereunder.

3.02 Acceptance of Trusts

(b) at the time the Primary Obligation is incurred or amended, the maximum aggregate payment amounts due or becoming due in the future in respect of Repayments[6] under the Primary Obligation, together with all other outstanding amounts due or becoming due in the future in respect of Repayments under Approved Obligations, do not exceed the Protection Agreement Maximum;**[NTD: already covered in process certificate in section 3.01 of the Process Agreement]**

(c) the FSM delivers a notice to the Indenture Trustee, with a copy to the Province, one Business Day prior to the incurrence or any amendment of the Primary Obligation, setting out the Protection Agreement Maximum;**[NTD: already covered under Process Agreement.]**

(d) the FSM delivers a certificate signed by the Chief Financial Officer and the Treasurer of OPG (or their respective designees, provided that such designees are executive officers of OPG and, for clarity, such certificate is to be provided in OPG's capacity as FSM) and addressed to the Province and the Indenture Trustee, one Business Day prior to the earlier of (i) one Business Day prior to the incurrence or any amendment of the Primary Obligation, and (ii) on the Business Day on which the financial terms of the Primary Obligation are definitively determined (including the interest or discount rate applicable to any notes, bonds or other securities), setting out the following with respect to the Primary Obligation:

i. confirmation that, at the time the Primary Obligation is incurred or amended, the maximum aggregate payment amounts due or becoming due in the future in respect of Repayments under the Primary Obligation (if any), together with all other outstanding amounts due or becoming due in the future in respect of Repayments under Approved Obligations, do not and will not exceed the Protection Agreement Maximum; andii. confirmation that confirming that the FSM has delivered to the Province a certificateProcess Certificate in accordance with Section **[3.01]** of the Process Agreement confirming, among other things, that the transaction documents in respect of the Primary Obligation are in substantially the form of the documentation reviewed by the Province; and

4.03 Evidence of Satisfaction

ARTICLE V
~~RIGHTS OF THE~~ PROVINCE MATTERS

5.01 Assignment and Subrogation

(a) Upon paying an amount in respect of an Approved Obligation:

i. ~~(a)~~ to or at the direction of the Indenture Trustee in satisfaction of the Limited Guarantee; or

ii. ~~(b)~~ **[as a result of assuming the Financing Entity's obligations in respect of all Obligations Secured under Article VI,] [NTD: This requires further discussion depending on the terms of the assignment and assumption agreement. If the Obligations Secured are assigned and assumed by the Province under Article VI, how would the Province be subrogated and entitled to the Beneficiary's rights and interests under the Approved Obligation? Consider limiting the application of this section 5.01 to the Limited Guarantee.]**

the Province (in addition to and without prejudice to any rights it otherwise has in law or equity) shall be subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation to the extent of such payment, including (i) the right and entitlement to be paid and receive distributions of such amount by the Financing Entity in accordance with and in the priority applicable to the Approved Obligation applicable in respect of the payment under the Trust Indenture, (ii) the benefits of the related Collateral and (iii) all proceeds therefrom. ~~The~~Subject to Section 5.01(b), the Province shall have and be entitled to enforce all rights and interests (including as a ~~secured party~~Specified Creditor under the Trust Indenture) under such Approved Obligation as an absolute assignee of the applicable Beneficiary, with effect from and after the time of such payment, without any further requirement for notice to or acceptance by the Financing Entity of such absolute assignment and without any reduction, set-off or counterclaim on account of any amounts that may, at or after the time of payment, be or become owing by the Beneficiary to the Financing Entity and unaffected by any other rights or equities that arise thereafter as between the Beneficiary and the Financing Entity. ~~The~~Subject to Section 5.01(b), the Indenture Trustee shall recognize the Province as being entitled to all

of the rights, interests and entitlements of the Beneficiary (including, if applicable, as a Noteholder) in respect and to the extent of the Approved Obligation so paid, determined as of the time of payment, for all purposes under the Trust Indenture, and the Province shall be treated as a Specified Creditor in respect thereof for all purposes under the Trust Indenture and any other agreement under which the Approved Obligation arises.

(b) the Province (i) acknowledges and agrees in favour of the Indenture Trustee that, upon being subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation in accordance with Section 5.01(a), the Province will be a Specified Creditor hereunder and its entitlements as a Specified Creditor are subject to the provisions applicable to Specified Creditors under the Trust Indenture including, without limitation, **[Section 7.11 (Payments Held in Trust), Section 8.12 (Limitation on Suits), Sections 7.04 and 8.13 (Payment Priorities), Section 8.14 (Limited Recourse) and Section 16.01 (No Petition) thereof]**, (ii) irrevocably authorizes and directs the Indenture Trustee on its behalf to take such action (including the execution and delivery of documents of subordination) as may be necessary or appropriate to further assure the priority arrangements provided for in **[Article VI and Sections 7.04 and 8.13 of the Trust Indenture]**, (iii) appoints the Indenture Trustee as its agent for any and all such purposes, and (iv) confirms that the Indenture Trustee shall send notices to the Province in accordance with Section 9.02.

5.02 Priorities

For greater certainty, the rights, interests and entitlements of the Province as an assignee and subrogee of and with respect to an Approved Obligation shall rank equally with the rights, interests and entitlements of a Beneficiary for whom a Limited Guarantee payment is made in respect of, and to the extent of the payment made to satisfy, the Approved Obligation and the Province shall not be subject to postponement or subordination with respect thereto except to the extent of the priorities established in relation to the Approved Obligation under the Trust Indenture.

5.03 Voting Rights under "Outstanding Notes"

[Notwithstanding the last three sentences of the definition of "Outstanding" in the Trust Indenture[74]:

CHANGE OF LAW PROCESS AGREEMENT

Dated as of [■], 2017

This **CHANGE OF LAW PROCESS AGREEMENT**, between Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), and Ontario Power Generation Inc. ("**OPG**"), as Financial Services Manager for the Financing Entity in accordance with the Act, is made and entered into as of [■], 2017.

RECITALS

OPG is appointed as the Financial Services Manager under Section 18 of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**").

Pursuant to Section 22(2) of the Act, OPG, in its capacity as the Financial Services Manager (the "**FSM**"), may establish or cause to be established one or more financing entities (as defined in the Act), which may incur Funding Obligations in accordance with the Act.

Pursuant to a Declaration of Trust dated as of [■], 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.[1]

Concurrent with this Agreement, the Province, the FSM, the Financing Entity and the Indenture Trustee will enter into the Change of Law Protection Agreement under which the Province will agree to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Obligations Secured that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions at the time the Approved Obligation is incurred or amended.

Prior to entering into this Agreement, the FSM provided the Province with copies of certain of the Transaction Documents, and the Province has confirmed by a notice delivered to the FSM that the reviewed forms (as further described in such notice) shall be Reviewed Documentation for the purposes of this Agreement.

This Agreement sets out the obligations the FSM has agreed to perform and assurances the FSM has agreed to provide and on which the Province will rely in entering into and implementing the Change of Law Protection Agreement, including for the purposes of determining whether the Adherence Conditions have been satisfied in connection with the incurrence or amendment of an Approved Obligation, maintaining information related to the Program Agreements and the Approved Obligations, and ensuring that the Province's assumption rights pursuant to Article VI of the Change of Law Protection Agreement may be exercised without impediment on the terms and conditions contemplated in this Agreement and the Change of Law Protection Agreement.

All things necessary to make this Agreement a valid and legally binding agreement of the FSM, and of the Province in accordance with the Act, have been done.

[1] Note: This draft only addresses the first Financing Entity. If additional financing entities are established, revisions to this Agreement may be made at that time, in context. Any additional financing entities contemplated should be as contemplated in the Financing Plan.

(b) a summary of the rights arising under the Obligations Secured that permit the Financing Entity to assign the Obligations Secured to the Province, including details regarding any conditions precedent to such assignment and the related assumption becoming effective and any notices, filings, consents or other actions that will be required in order to implement and effect such assignment and assumption;

(c) current versions of all documentation under which the Obligations Secured arise;

(d) copies of all correspondence exchanged between OPG, as the FSM, or the Financing Entity, on the one hand, and any Specified Creditor, Rating Agency or the Indenture Trustee, on the other hand, in each case that may reasonably be considered to be material to the assumption and performance of the Obligations Secured by the Province;

(e) all income tax returns and assessments, financial statements and notices of proceedings of or pertaining to the Financing Entity or its business and any documentation related thereto, including any pleadings, appeals, objections, qualifications or other similar materials in respect of the Financing Entity or any Program Agreement; and

(f) ~~a draft version of~~ the form of Assumption Agreement ~~prepared in relation to each Obligation Secured, prepared in accordance with and having regard to the requirements of the relevant agreement(s) under which the Obligation Secured arises.~~ in respect of the assignment and assumption of all Obligations Secured is attached as Exhibit E to the Change of Law Protection Agreement.[3]

6.03 Settlement of Terms

Within 20 Business Days following receipt by the Province of the information and documentation to be provided under Section 6.02, the Province shall confirm in writing whether or not it will proceed with the assignment and assumption of the Obligations Secured and, if it will be proceeding with the assignment and assumption, the date on which the Province intends that assignment and assumption will be effected, which may not be earlier than the Proposed Assumption Date. If it will be proceeding with such assignment and assumption, the Province will deliver an Assumption Notice as contemplated under Section 6.01 of the Change of Law Protection Agreement, which will specify such date as the "Assumption Closing Date" for the purposes thereof.

[3] Note to Province: A form of global Assumption Agreement for all Obligations Secured is required. It is impractical to have an assumption agreement for each type of Obligation Secured.

6.04 Cooperation to Implement the Assignment and Assumption

~~OPG~~The FSM shall cooperate with the Province and~~, as FSM,~~ will use commercially reasonable efforts to cause the Financing Entity to cooperate, and ~~each~~ shall use its ~~best~~commercially reasonable efforts, to complete the assignment and assumption of the Obligations Secured by and from the Financing Entity to and by the Province, by the applicable Assumption Closing Date.[3][4]

6.05 Terms of Obligations Secured

In order to permit the Province to assume the Obligations Secured in the circumstances contemplated herein, ~~OPG will, and as~~the FSM~~,~~ will use commercially reasonable efforts to cause the Financing Entity to, use commercially reasonably efforts to ensure that all Obligations Secured permit such an assignment to and assumption by the Province substantially in accordance with the terms and on the basis contemplated in the Assumption Agreement, without any penalty or make-whole payment, or any requirement for further consent, approval or agreement, or alternatively, in the case of any Obligations Secured entered into by or on behalf of the Financing Entity for the provision of on-going services to the Financing Entity~~,~~ permitting the satisfaction and termination of such Obligations Secured on or prior to the effective time of such assumption without any acceleration of future fees, profits or other like amounts~~.~~[4]; provided that, this Section 6.05 shall not apply to any Obligations Secured under a Derivative Agreement.[5]

We will add the following to the MTI to otherwise address your comment: (i) Specified Creditors will be required to acknowledge the rights of the Province to assume the Obligations Secured pursuant to Sections 5.01(f) and 5.03(b) of the MTI, and (ii) we will add language in section 11.01 of the MTI that allows the Indenture Trustee to enter into the global Assumption Agreement without the consent of Specified Creditors.]**

within sixty (60) days after written notice by the Province to the FSM of such misrepresentation; or

(c) OPG is no longer the ~~FSM, the Administrative Agent or the~~ Manager or actions have been taken by or on behalf of the Indenture Trustee to remove OPG as ~~the FSM, the Administrative Agent or~~ the Manager. **[NTD: The FSM is a statutory role and OPG can only be removed as FSM by the Province.]**

7.02 Notice on Breach Event

If any Breach Event shall have occurred and not been waived in writing by the Province, the Province shall have the right at its option, upon written notice to ~~OPG~~the FSM, and in addition to and not in substitution for any other remedies available hereunder at law or equity, to provide a Suspension Notice to the Indenture Trustee, the FSM and the Financing Entity in accordance with the terms of the Change of Law Protection Agreement.

John, in addition to the points raised in Katrina's email, here are some others that we would like to raise:

1. Process Agreement – we feel that this should be shared with RAs and become a part of the Program Agreements

2. We need some clarification that the Province will continue to running the Fair Hydro Trust in "normal" course even after a Protection Event – for example, they cannot stop paying surveillance fees to RAs as investors will continue to expect a rating on their bond until they are repaid. Similarly, if any amendments need to be made (e.g. a new Trustee is coming onboard etc), then these will be made
3. Changes made by Blakes to Suspension Event language in 7.02 which now does not cover any amendments after a Suspension Event – this is problematic as it can hold up any routine amendments. The language proposed by Osler / Tory's in Thursday's draft was much more objective

Sunil.

Subject: Change of Law Protection Agreement

John,

We plan to discuss the below on the call with you at 8:30, but wanted to formalize our thoughts in email for your reference. The Friday draft with the changes to Section 2.01 and to the Adherence Conditions was materially worse from our perspective than the draft which we received from the Province last Monday. The document as is does not work, and we are at the point that continuing iterations around the agreement endangers the closing of the warehouse facility prior to year-end.

More complete thoughts below, but in summary: in order for the rating agencies to rate a deal and the Dealers to be able to close the warehouse financing, the Change of Law Protection Agreement will need to be in the form proposed by Osler/Torys in the draft of December 7 (with the exception that section 2.01(a)(iv)(D) be entirely deleted (or revised as noted below) as the concepts in section 2.01(a)(iv)(D) in any form will require material changes to the MTI).
Best,
Katrina

****

With respect to the Adherence Conditions, the Dealers have been consistent with our concerns that there should not be strips or traps that could prevent the ability of a Primary Obligation to become an Approved Obligation. Furthermore, we have stressed the importance of the Adherence Conditions not preventing the ability to effect a Refinancing of an Approved Obligation. Our strong preference has been all along that there be no Adherence Conditions; however, in light of the Province's insistence that it needed a level of control that went beyond the protections set out in the Change of Law Process Agreement, we agreed to consider the existence of straightforward Adherence Conditions. The draft of the Adherence Conditions and Adherence Compliance Certificate which were reflect in our draft of the Change of Law Protection Agreement of Thursday evening is as far as the Dealers are prepared to accept under the circumstances.
As relates to the Province's right to object to a Transaction Document under the Process Agreement in connection with a Refinancing, that should remain an issue as between the Province and the FSM and should not be a risk passed on to the Dealers under the Change or Law Protection Agreement. To be clear, the concern with the Province's ability to object to a Refinancing is not simply one which arises following the occurrence of a suspension event. The Dealers have included a step-up in market pricing to deal with a market disruption event which causes a delay in the timing of the Refinancing, but the Dealers are not in a position to accept the risk that a Refinancing cannot proceed, for example, because the rating agencies have determined that there needs to be a change to the Program Agreements. Furthermore, the requirements relating to a Refinancing need to apply equally to any Refinancing, including the refinancing of any term debt.
As relates to Protection Events, we need a clear and objective standard to determine what would satisfy a "materially and adversely" threshold. To be clear, this is not simply an issue raised by the rating agencies. The Dealers have been concerned with this issue dating back to our review of the Province's term sheet. This was included as one of the specific items that the Dealers were concerned about as summarized in the email from Osler to the Province back in September and we expressly asked that it be deleted from the term sheet.
Notwithstanding our stated position on this issue, we agreed to permit the "materially and adversely" threshold to remain in the definition provided that there is an objective standard to be able to satisfy this threshold condition which is reflected in our draft "for clarity" language in the definition. Without an objective standard, we would be faced with the potential of a drawn out dispute with the Province before the Province would be obligated to honor its obligations under the Limited Guarantee; for example, would a $10 million impact of the warehouse or another tranche of debt be "material" in the context of $8 to $10 billion in debt at the end of the moratorium period? This is not a risk which the Dealers can take in the face of a Protection Event. The Province must stand behind the Limited Guarantee if there is a downgrade or other negative impact on the rating of such debt which arises because of an event contemplated in the definition of Protection Event.
We do not understand why the Limited Guarantee has to include any provisions to deal with the "theoretical" possibility that the Province's subrogation rights to collect on amounts paid under Approved Obligations would compete with those existing Primary Obligations which are not Approved Obligations. The Program Agreements already contemplate a restriction on the FSM issuing Certified Primary Obligations which are not Approved Obligations. The changes to section 2.01 (as set out in Section 2.01 (a)(iv)(D) and then further expanded by the Province in Friday's draft under Section 2.01(a)(v) proposed by the Province to address this "theoretical" possibility would undermine this approach and would require us to explain to the Rating Agencies why the MTI needs extensive revisions to address something which is not supposed to happen. The implications of this would most certainly result in a delay in the rating agency process and would jeopardize the ability to close the warehouse financing before December 31. This is not acceptable and we require that these concepts be abandoned.
As a side-note, we have been advised that Blakes today proposed a revised draft of Section 2.01(a) which is somewhat consistent with a proposed draft of Section 2.01(a) which Torys and Osler jointly prepared last Tuesday/Wednesday which Blakes completely dismissed at that time. If this revised draft can be implemented with minimal revisions to the MTI, then we may be prepared to move forward on that basis; however, given that we no longer have any luxury of time, we need Torys and Osler to advise us by the latest midday on Monday as to whether this alternate approach is feasible under the current constraints.

All,

Attached for your review is a revised draft of the Change of Law Protection Agreement, clean and blacklined to the last version circulated by Blakes and reflecting the meetings held earlier today. As discussed, we need to provide the attached to the rating agencies **by no later than noon tomorrow** in order to meet our end of year financing deadline. Accordingly, we will be circulating a calendar invite to this group for 10 a.m. tomorrow morning to confirm the parties are signed off. If Osler or Blakes have any comments on the attached, we would ask that they be circulated to this group prior to the 10 a.m. call.

Kind regards,
Brett

Subject: RE: Fair Hydro - Change of Law Protection Agreement

Hi,

Attached is a revised version of the Change of Law Protection Agreement. I believe that most of the changes reflected from last night's Osler version (blackline is attached) are of a drafting or conforming nature, other than: (1) the Province disagrees that Approved Refinancing terms should be unfettered by adherence conditions post-Suspension Event and (2) the proposed rating-based "materially and adversely" qualification in the definition of Protection Event (and in fact any such qualification) is not acceptable to the Province. With regard to (1), this version comes into line with the proposed approach (i.e., using a modified adherence condition) that was incorporated into the version of the Change of Law Process Agreement I circulated yesterday. A further turn of that Agreement, to conform the open item identified in section 3.02 to the revised Change of Law Protection Agreement, is also included here for your reference.

Please note that the Province is working through the drafting concurrently and so further drafting comments may be provided.

As mentioned yesterday, the Province would like to proceed with the Ministers sign-off briefing early next week, on the basis that these versions (minus the explanatory notes) are now in substantially final form. Please identify if you believe there are other 'must have' points (other than the 2 mentioned above).

Subject: RE: Fair Hydro -- Change of Law Process Agreement

Hi,

Please find (attached) a further turn of the Change of Law Process Agreement, reflecting the Province's comments on the mark-up of the Agreement circulated yesterday afternoon by Torys. The attached blackline shows changes made to yesterday's Torys mark-up.

This version addresses concerns Rocco raised last night, to the extent the Province feels that the issues can be accommodated. For your information, I have set out below responses to Rocco's comments/observations (in CAPs).

The Province would like to proceed with the Ministers briefing early next week, on the basis that this version (minus the explanatory notes) is now in final form. If there are any critical revisions that the other parties believe reflect 'must have' priority, then the Province would like to have a call to discuss them as soon as possible.

Responses to Rocco's Points:

1. The change of the definition of Breach Event in Section 6.01 (i.e., the change to clause (a) and the addition of clause (b)) will result in an inconsistency with section 7.01(b) of the Change of Law Protection Agreement. This will require further consideration. [AGREED. 7.01(b) and 7.01(c) WILL NEED TO MIRROR THE CURE LANGUAGE WE SETTLE ON IN THE PROCESS AGREEMENT (SEE MY EARLIER COMMENTS). PERHAPS THE "which continues …" LANGUAGE IN 7.01(B) CAN BE REVISED TO READ: "to the extent that the Province would be entitled to provide a Suspension Notice in accordance with the terms of the agreement or agreements between the Province and OPG under which such obligations, requirements and processes arise". SIMILAR CHANGE FOR 7.01(C).

2. The right of the Province to issue an objection notice under Section 3.04(b) in connection with a Transaction Document provided to the Province which is required for a Refinancing of an Approved Obligation remains an outstanding issue. Clearly, this will depend upon what Adherence Conditions will be required under Section 4.02 of the Change of Law Protection Agreement in order to permit such Refinancing to become an Approved Obligation. If the Adherence Conditions set out in Section 4.02(a) of the Province's draft of the Change of Law Protection Agreement of December 4 were to apply to such Refinancing, to the extent that such refinancing required a change to a Transaction Document (e.g., as a result of a change to some rating agency condition or criteria), the Province's ability to issue an objection notice and thereby prevent the issuance of a Process Certificate under Section 3.01 (by virtue of Section 3.04) would have the effect of preventing a Refinancing. We trust that this was an unintended outcome of the drafting of Section 3.04 and/or the Adherence Conditions applicable to Refinancings. [THAT IS THE INTENDED EFFECT. THE ADHERENCE CONDITIONS WOULD APPLY TO THE REFINANCING, SO IF THE REFINANCING TERMS DEVIATED MATERIALLY (BASED ON THE SUBSTANTIALLY IN THE FORM" THRESHOLD"), THEN OPG WOULD REQUIRE THE PROVINCE NOT TO OBJECT IN ORDER TO PROCEED WITH THOSE NEW TERMS. OTHERWISE, THE REFINANCING COULD INCORPORATE TERMS AND CONDITIONS, WHICH WOULD BIND THE PROVINCE UNDER THE LIMITED GUARANTEE, THAT WOULD BE UNCONSTRAINED AND WITHOUT ANY ACCOUNTABILITY TO THE PROVINCE. IN ROCCO'S EXAMPLE, THAT MIGHT MEAN THAT OPG WOULD NEED TO RESORT TO UNRATED DEBT, IF THE PROVINCE WAS UNWILLING TO ACCEPT THE NEW TERMS. PRESUMABLY EVERYONE WOULD ACT RATIONALLY. HOWEVER, AS A FAILSAFE, OPG COULD OFFER INCREASED PRICING IN ORDER TO ATTRACT INVESTORS TO ACCEPT THE EARLIER VETTED TERMS (BASED ON THE THEN ACCEPTED REVIEWED DOCUMENTATION).]

3. Given that the Indenture Trustee is not a party to the Change of Law Process Agreement, the Province and OPG can amend the terms and conditions of this agreement without the consent of the indenture Trustee. Specified Creditors under an Approved Obligation need to be assured that the Province cannot prevent a Refinancing of an Approved Obligation either by virtue of the objection notice discussed in point #2 above or as a result of a future amendment to the agreement. There are a couple of ways to deal with this point. The first is to a add a beneficiary/third party rights clause in the Change of Law Process Agreement which acknowledges that the Indenture Trustee is a beneficiary of certain provisions of this agreement and as a result, the agreement cannot be

amended without the consent of the Indenture Trustee. The second is to ensure that the Adherence Conditions relating to Refinancings under the Change of Law Protection Agreement are not dependent upon the terms of the Change of Law Process Agreement. In light of the desire to not disclose the terms and conditions of the Change of Law Process Agreement to the rating agencies, especially at this late stage in the process, we would expect that the latter approach would be preferable. [THE SUGGESTION REGARDING THE PROVINCE PREVENTING A REFINANCING IS ADDRESSED IN #2. IF THE REFINANCING TERMS WOULD EXCEED THE SCOPE OF THE TRANSACTION DOCUMENTS REVIEWED AND NOT OBJECTED TO BY THE PROVINCE, THEN THAT SUGGESTS THERE IS A MATERIAL EFFECT ON THE PROVINCE AND SO THE PROVINCE WOULD NEED THE ABILITY TO REVIEW AND CONSIDER THE PROPRIETY OF THOSE NEW TERMS FROM ITS PERSPECTIVE. AS FOR THE STANDALONE NATURE OF THE PROCESS AGREEMENT, THE INTENTION IS THAT THE PROCESS AGREEMENT BE UNCOUPLED AND NOT PART OF THE COLLATERAL, AND AS MICHAEL FELDMAN HAS EXPLAINED, LEAVE FUTURE FLEXIBILITY FOR THIS LONG-TERM STRUCTURE. TO ADDRESS ROCCO'S CONCERN THAT THE PROVINCE AND OPG COULD CHANGE THE UNDERLYING OBLIGATIONS APPLICABLE TO ADHERENCE IN RELATION TO A NEW OBLIGATION, REQUIREMENT OR PROCESS IN THE PROCESS AGREEMENT THAT WOULD MAKE A REFINANCING LESS LIKELY TO OCCUR, WE HAVE ADDED AND USED IN THE ATTACHED VERSION A NEW DEFFINTION:

> "Approved Refinancing" means a Certified Primary Obligation proposed to be incurred as a Refinancing of an existing Certified Primary Obligation in respect of which the Adherence Conditions had been satisfied on the date such existing Certified Primary Obligation was incurred, that, at the time of incurrence, satisfies each of each of the Adherence Conditions except that the certificate contemplated to be delivered under Section 4.02(b) shall instead confirm that OPG has delivered to the Province a certificate by its applicable officers confirming that OPG would be in compliance with all obligations to the Province and internal requirements and processes in connection with the adherence of the Limited Guarantee to the proposed Certified Primary Obligation that applied as between the Province and OPG on the date of issuance of such existing Certified Primary Obligation." Various references to "Refinancing" in the Protection Agreement can also be revised to refer to "Approved Refinancing", as required.

Subject: RE: Fair Hydro -- Change of Law Process Agreement

I have reviewed the revised draft of the Change of Law Process Agreement that Torys has prepared and would like to pass along the following comments/observations:

1. The change of the definition of Breach Event in Section 6.01 (i.e., the change to clause (a) and the addition of clause (b)) will result in an inconsistency with section 7.01(b) of the Change of Law Protection Agreement. This will require further consideration.

2. The right of the Province to issue an objection notice under Section 3.04(b) in connection with a Transaction Document provided to the Province which is required for a Refinancing of an Approved Obligation remains an outstanding issue. Clearly, this will depend upon what Adherence Conditions will be required under Section 4.02 of the Change of Law Protection Agreement in order to permit such Refinancing to become an Approved Obligation. If the Adherence Conditions set out in Section 4.02(a) of the Province's draft of the Change of Law Protection Agreement of December 4 were to apply to such Refinancing, to the extent that such refinancing required a change to a Transaction Document (e.g., as a result of a change to some rating agency condition or criteria), the Province's ability to issue an objection notice and thereby prevent the issuance of a Process Certificate under Section 3.01 (by virtue of Section 3.04) would have the effect of preventing a Refinancing. We trust that this was an unintended outcome of the drafting of Section 3.04 and/or the Adherence Conditions

applicable to Refinancings.

3. Given that the Indenture Trustee is not a party to the Change of Law Process Agreement, the Province and OPG can amend the terms and conditions of this agreement without the consent of the indenture Trustee. Specified Creditors under an Approved Obligation need to be assured that the Province cannot prevent a Refinancing of an Approved Obligation either by virtue of the objection notice discussed in point #2 above or as a result of a future amendment to the agreement. There are a couple of ways to deal with this point. The first is to a add a beneficiary/third party rights clause in the Change of Law Process Agreement which acknowledges that the Indenture Trustee is a beneficiary of certain provisions of this agreement and as a result, the agreement cannot be amended without the consent of the Indenture Trustee. The second is to ensure that the Adherence Conditions relating to Refinancings under the Change of Law Protection Agreement are not dependent upon the terms of the Change of Law Process Agreement. In light of the desire to not disclose the terms and conditions of the Change of Law Process Agreement to the rating agencies, especially at this late stage in the process, we would expect that the latter approach would be preferable.

Subject: Fair Hydro -- Change of Law Process Agreement

Blakes team,

Please find attached OPG and Torys' comments on the Process Agreement reflecting our discussions from yesterday's call. Please note that this draft is subject to continuing review and comment by Osler and the dealers. As discussed at the tail end of our call yesterday, the section in the Process Agreement that gives the Province the right to object to new and material changes to transaction documents dovetails with the Protection Agreement so additional comments from Oslers may be forthcoming on this draft.

We are working on getting you a revised draft of the Protection Agreement either later today or tomorrow. In the meantime, please let us know if you have any comments or questions on the Process Agreement.

Best Regards,

Nina
