Subject: RE: Fair Hydro -- Change of Law Process Agreement

Hi,

Please find (attached) a further turn of the Change of Law Process Agreement, reflecting the Province's comments on the mark-up of the Agreement circulated yesterday afternoon by Torys. The attached blackline shows changes made to yesterday's Torys mark-up.

This version addresses concerns Rocco raised last night, to the extent the Province feels that the issues can be accommodated. For your information, I have set out below responses to Rocco's comments/observations (in CAPs).

The Province would like to proceed with the Ministers briefing early next week, on the basis that this version (minus the explanatory notes) is now in final form. If there are any critical revisions that the other parties believe reflect 'must have' priority, then the Province would like to have a call to discuss them as soon as possible.

Responses to Rocco's Points:

1. The change of the definition of Breach Event in Section 6.01 (i.e., the change to clause (a) and the addition of clause (b)) will result in an inconsistency with section 7.01(b) of the Change of Law Protection Agreement. This will require further consideration. [AGREED. 7.01(b) and 7.01(c) WILL NEED TO MIRROR THE CURE LANGUAGE WE SETTLE ON IN THE PROCESS AGREEMENT (SEE MY EARLIER COMMENTS). PERHAPS THE "which continues …" LANGUAGE IN 7.01(B) CAN BE REVISED TO READ: "to the extent that the Province would be entitled to provide a Suspension Notice in accordance with the terms of the agreement or agreements between the Province and OPG under which such obligations, requirements and processes arise". SIMILAR CHANGE FOR 7.01(C).

2. The right of the Province to issue an objection notice under Section 3.04(b) in connection with a Transaction Document provided to the Province which is required for a Refinancing of an Approved Obligation remains an outstanding issue. Clearly, this will depend upon what Adherence Conditions will be required under Section 4.02 of the Change of Law Protection Agreement in order to permit such Refinancing to become an Approved Obligation. If the Adherence Conditions set out in Section 4.02(a) of the Province's draft of the Change of Law Protection Agreement of December 4 were to apply to such Refinancing, to the extent that such refinancing required a change to a Transaction Document (e.g., as a result of a change to some rating agency condition or criteria), the Province's ability to issue an objection notice and thereby prevent the issuance of a Process Certificate under Section 3.01 (by virtue of Section 3.04) would have the effect of preventing a Refinancing. We trust that this was an unintended outcome of the drafting of Section 3.04 and/or the Adherence Conditions applicable to Refinancings. [THAT IS THE INTENDED EFFECT. THE ADHERENCE CONDITIONS WOULD APPLY TO THE REFINANCING, SO IF THE REFINANCING TERMS DEVIATED MATERIALLY (BASED ON THE SUBSTANTIALLY IN THE FORM" THRESHOLD"), THEN OPG WOULD REQUIRE THE PROVINCE NOT TO OBJECT IN ORDER TO PROCEED WITH THOSE NEW TERMS. OTHERWISE, THE REFINANCING COULD INCORPORATE TERMS AND CONDITIONS, WHICH WOULD BIND THE PROVINCE UNDER THE LIMITED GUARANTEE, THAT WOULD BE UNCONSTRAINED AND WITHOUT ANY ACCOUNTABILITY TO THE PROVINCE. IN ROCCO'S EXAMPLE, THAT MIGHT MEAN THAT OPG WOULD NEED TO RESORT TO UNRATED DEBT, IF THE PROVINCE WAS UNWILLING TO ACCEPT THE NEW TERMS. PRESUMABLY EVERYONE WOULD ACT RATIONALLY. HOWEVER, AS A FAILSAFE, OPG COULD OFFER INCREASED PRICING IN ORDER TO ATTRACT INVESTORS TO ACCEPT THE EARLIER VETTED TERMS (BASED ON THE THEN ACCEPTED REVIEWED DOCUMENTATION).]

3. Given that the Indenture Trustee is not a party to the Change of Law Process Agreement, the Province and OPG can amend the terms and conditions of this agreement without the consent of the indenture Trustee. Specified Creditors under an Approved Obligation need to be assured that the Province cannot prevent a Refinancing of an Approved Obligation either by virtue of the objection notice discussed in point #2 above or as a result of a future amendment to the agreement. There are a couple of ways to deal with this point. The first is to a add a beneficiary/third party rights clause in the Change of Law Process Agreement which acknowledges that the Indenture Trustee is a beneficiary of certain provisions of this agreement and as a result, the agreement cannot be

amended without the consent of the Indenture Trustee. The second is to ensure that the Adherence Conditions relating to Refinancings under the Change of Law Protection Agreement are not dependent upon the terms of the Change of Law Process Agreement. In light of the desire to not disclose the terms and conditions of the Change of Law Process Agreement to the rating agencies, especially at this late stage in the process, we would expect that the latter approach would be preferable. [THE SUGGESTION REGARDING THE PROVINCE PREVENTING A REFINANCING IS ADDRESSED IN #2. IF THE REFINANCING TERMS WOULD EXCEED THE SCOPE OF THE TRANSACTION DOCUMENTS REVIEWED AND NOT OBJECTED TO BY THE PROVINCE, THEN THAT SUGGESTS THERE IS A MATERIAL EFFECT ON THE PROVINCE AND SO THE PROVINCE WOULD NEED THE ABILITY TO REVIEW AND CONSIDER THE PROPRIETY OF THOSE NEW TERMS FROM ITS PERSPECTIVE. AS FOR THE STANDALONE NATURE OF THE PROCESS AGREEMENT, THE INTENTION IS THAT THE PROCESS AGREEMENT BE UNCOUPLED AND NOT PART OF THE COLLATERAL, AND AS MICHAEL FELDMAN HAS EXPLAINED, LEAVE FUTURE FLEXIBILITY FOR THIS LONG-TERM STRUCTURE. TO ADDRESS ROCCO'S CONCERN THAT THE PROVINCE AND OPG COULD CHANGE THE UNDERLYING OBLIGATIONS APPLICABLE TO ADHERENCE IN RELATION TO A NEW OBLIGATION, REQUIREMENT OR PROCESS IN THE PROCESS AGREEMENT THAT WOULD MAKE A REFINANCING LESS LIKELY TO OCCUR, WE HAVE ADDED AND USED IN THE ATTACHED VERSION A NEW DEFFINTION:

> "Approved Refinancing" means a Certified Primary Obligation proposed to be incurred as a Refinancing of an existing Certified Primary Obligation in respect of which the Adherence Conditions had been satisfied on the date such existing Certified Primary Obligation was incurred, that, at the time of incurrence, satisfies each of each of the Adherence Conditions except that the certificate contemplated to be delivered under Section 4.02(b) shall instead confirm that OPG has delivered to the Province a certificate by its applicable officers confirming that OPG would be in compliance with all obligations to the Province and internal requirements and processes in connection with the adherence of the Limited Guarantee to the proposed Certified Primary Obligation that applied as between the Province and OPG on the date of issuance of such existing Certified Primary Obligation." Various references to "Refinancing" in the Protection Agreement can also be revised to refer to "Approved Refinancing", as required.

I have reviewed the revised draft of the Change of Law Process Agreement that Torys has prepared and would like to pass along the following comments/observations:

1. The change of the definition of Breach Event in Section 6.01 (i.e., the change to clause (a) and the addition of clause (b)) will result in an inconsistency with section 7.01(b) of the Change of Law Protection Agreement. This will require further consideration.

Blakes team,

Please find attached OPG and Torys' comments on the Process Agreement reflecting our discussions from yesterday's call. Please note that this draft is subject to continuing review and comment by Osler and the dealers. As discussed at the tail end of our call yesterday, the section in the Process Agreement that gives the Province the right to object to new and material changes to transaction documents dovetails with the Protection Agreement so additional comments from Oslers may be forthcoming on this draft.

We are working on getting you a revised draft of the Protection Agreement either later today or tomorrow. In the meantime, please let us know if you have any comments or questions on the Process Agreement.

Best Regards,

Nina

Without limiting any rights of subrogation or succession that arise pursuant to applicable law or pursuant to the Province's rights as an assignee, subrogee or pursuant to Section 2.01 or Section 5.01, all of the rights, interests, elections and privileges that would arise in favour of a Beneficiary under the Trust Indenture or other Funding Obligation Agreement under which a related Primary Obligation arises shall automatically arise, vest in and be available to the Province to the extent of the performance by the Province of the Primary Obligation.

[2] This language was reinserted as the guarantee statements required to be delivered by the Manager should be binding on the Province.

1.08 Severability

Each of the provisions contained in this Agreement is distinct and severable and a declaration of invalidity or unenforceability of any such provision or part thereof by a court of competent jurisdiction will not affect the validity or enforceability of any other provision hereof. To the extent permitted by applicable law, the parties waive any provision of law which renders any provision of this Agreement invalid or unenforceable in any respect.

1.09 Governing Law

THIS AGREEMENT WILL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE PROVINCE OF ONTARIO AND THE FEDERAL LAWS OF CANADA APPLICABLE THEREIN, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

A party's failure or delay in exercising any right under this Agreement will not operate as a waiver of that right. A single or partial exercise of any right will not preclude a party from any other or further exercise of that right or the exercise of any other right.

1.16 Interest Act

For the purpose of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest to which any rate of interest payable under this Agreement that is calculated on any basis other than a full calendar year is equivalent may be determined by multiplying such rate by a fraction, the numerator of which is the actual number of days in the calendar year in which such yearly rate of interest is to be ascertained and the denominator of which is the number of days comprising such other basis. The parties further agree that for the purposes of the *Interest Act* (Canada), (i) the principle of deemed reinvestment of interest shall not apply to any interest calculation under this Agreement, and (ii) the rates of interest stipulated in this Agreement are intended to be nominal rates and not effective rates or yields.

1.17 Currency

Unless stated otherwise, all amounts herein are stated in Canadian Dollars.

1.18 References to Acts of the Financing Entity

For greater certainty, where any reference is made in this Agreement, or in any other instrument executed pursuant hereto or contemplated hereby to which the Financing Entity or the Financing Entity Trustee, as trustee of the Financing Entity, is party, to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or release to be provided by, a suit or proceeding to be taken by or against, or a covenant, representation or warranty (other than relating to the constitution or existence of the Financing Entity) by or with respect to (i) the Financing Entity or (ii) the Financing Entity Trustee, such reference shall be construed and applied for all purposes as if it referred to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or release to be provided by, a suit or proceeding to be taken by or against or a covenant, representation or warranty (other than relating to the constitution or existence of the Financing Entity) by or with respect to, the Financing Entity Trustee as trustee of the Financing Entity.

1.19 Judgment Currency

(a) If for the purpose of obtaining judgment in any court or for any other purposes (other than conversions specifically provided for in the agreement under which an Approved Obligation arises), it is necessary to convert any amount due under this Agreement from the currency in which it is due (the "**Original Currency**") into another currency (the "**Second Currency**"), the rate of exchange applied shall be that at which, in accordance with normal banking procedures, the purchaser could purchase, in the New York foreign exchange market, the Original Currency with the Second Currency on the date on which judgment is given. The obligation of the Province in respect of any Original Currency due from it to the Indenture Trustee under this Agreement shall, notwithstanding any judgment or payment in such other currency, be discharged only to the extent that, on the Business Day following receipt of any sum so paid or adjudged to be due under this Agreement in the Second Currency, the Indenture Trustee may, in accordance with normal banking procedures, purchase in the New York foreign exchange market the Original Currency with the amount of the Second Currency so paid or so adjudged to be due; and if the amount of the Original Currency so purchased is less than the amount originally due in the Original Currency, the Province shall indemnify the Indenture Trustee against such loss.

(b) The term "rate of exchange" in this Section 1.19 means the spot rate at which the Indenture Trustee, in accordance with normal practice, is able on the relevant date to purchase the Original Currency with the Second Currency and includes any premium and costs of exchange payable in connection with such purchase.

ARTICLE II
AGREEMENT TO PERFORM APPROVED OBLIGATIONS

2.01 Limited Guarantee

(a) Upon the occurrence of a Protection Event, the Indenture Trustee ~~shall (unless the Rating Agency Condition has been satisfied with respect to a demand not being made as a result of the Protection Event),~~may deliver a written demand, substantially in the form attached as Exhibit A (a "**Payment Demand**"), to the Province requiring the Province to make payments in respect of the Approved Obligations at the times, in the amounts and subject to the requirements specified in this Agreement. From and after such delivery of a Payment Demand, the Province shall make the following payments in respect of the Approved Obligations (the "**Limited Guarantee**"), and the Financing Entity shall pay, and the Province shall be entitled to be paid, the Subrogation Entitlements specified below:

i. Not less than 3 Business Days prior to each day when any payment or payments are to be made in respect of one or more Approved Obligations occurring after such delivery of a Payment Demand (each such day, a "**Guarantee Payment Date**"), the Manager shall deliver a written statement setting forth the Aggregate Approved Obligations Amount, if any, in respect of the Approved Obligations that are due and payable on such Guarantee Payment Date, together with a detailed description identifying such Approved Obligations and the nature and amount of payments due and payable thereunder on the Guarantee Payment Date, the aggregate outstanding amount payable by the Financing Entity under such Approved Obligations as of the date of such written statement, and details regarding any default in performance by any party obligated thereunder.

ii. On each such Guarantee Payment Date, the Province shall deposit the Aggregate Approved Obligations Amount into the Protection Account.

iii. On each such Guarantee Payment Date, the Financing Entity and the Indenture Trustee shall ensure that the amounts on deposit in the Protection Account are applied to pay each Beneficiary to whom an amount is due and payable under an Approved Obligation on the Guarantee Payment Date the Approved Obligation Amount for such Beneficiary in respect of such Approved Obligation on such Guarantee Payment Date; provided that if the amount deposited pursuant to clause 2.01(a)ii is insufficient to pay all such Approved Obligation Amounts in full, the

amount on deposit in the Protection Account on the Guarantee Payment Date shall be applied to pay Beneficiaries in the order of priority in which such Approved Obligations are payable under the payment provisions of the Trust Indenture applicable to the making of such payments on the Guarantee Payment Date (each, a "**Beneficiary Payee**" and each payment made to a Beneficiary Payee on a Guarantee Payment Date, a "**Guarantee Payment**").

iv. On any Guarantee Payment Date on which an amount is paid by the Province pursuant to clause 2.01(a)ii, the applicable payment provisions of the Trust Indenture shall, notwithstanding the express terms of such provisions set forth in the Trust Indenture, be applied and operate on the following basis:

(A) [2]the amount payable to a Beneficiary Payee in respect of an Approved Obligation from amounts available under such payment provisions on such Guarantee Payment Date shall be reduced by the amount of the Guarantee Payment paid to the Beneficiary Payee pursuant to clause 2.01(a)iii in respect of such Approved Obligation on such Guarantee Payment Date;

(B) the Province shall be paid the amount payable to a Beneficiary Payee in respect of an Approved Obligation from amounts available to pay the Beneficiary Payee under such payment provisions on the Guarantee Payment Date, determined without regard to the Guarantee Payment paid on such Guarantee Payment Date and the corresponding reduction of the amount owing to the Beneficiary Payee pursuant to subclause 2.01(a)iv(A) (each such amount payable to the Province being a "**Subrogation Amount**");

(C) no Beneficiary having a right to be paid an amount in respect of an Approved Obligation, and no other Person entitled under an Obligation Secured, in each case that ranks equal with or subordinate to an Approved Obligation in respect of which a Subrogation Amount is payable to the Province

~~[2] Explanatory Note: In a particular period, the cash available from CEAs may exceed the aggregate Finance Amounts payable - for example, as a result of the "true-up" under the Act, which will determine the actual amount of cash available. The basic structure is that the Province will pay all Approved Obligation Amounts, and will be entitled to receive all cash flows available to the Beneficiary Payees. Limiting the subrogation amounts to the lesser of such available cash and the Guarantee Payments could result in leakage of the cash that the Province looks to under this arrangement.~~

under subclause 2.01(a)iv(B), shall be entitled to make any claim or assert any right in or to the amounts paid or payable to the Province under such subclause (including any right of reimbursement, contribution or indemnity) and no such Beneficiary or other Person shall have any right or interest in, to or under the Collateral or any proceeds therefrom in respect of any such Subrogation Amount;

(D) [3]on the first day when any payment or payments are to be made in respect of Obligations Secured that occurs ~~on or~~ after the date on which all amounts payable under all Approved Obligations have been paid in full, whether pursuant to Guarantee Payments or payments made pursuant to the payment provisions of the Trust Indenture or any combination thereof, the Province shall be entitled to be paid from amounts available to pay Obligations Secured on such day (and thereafter on each subsequent day when any payment or payments are to be made in respect of Obligations Secured, until paid in full), in each case in accordance with the applicable payment provisions of the Trust Indenture on such day, the following amounts ~~(each, a "**Final Subrogation Amount**")~~, in each case in the priorities specified below:

(I) as an amount ranking equally with ~~[~~principal amounts of Senior Funding Obligations~~]~~[4], the amount by which (1) the sum of (x) all Guarantee Payments paid by the Province up to and including such day in respect of Approved Obligations ranking equally with or prior to ~~[~~principal amounts of Senior Funding Obligations~~]~~, plus (y) the sum of amounts determined in respect of interest on each such Guarantee Payment from and including the date of its payment by the Province to but excluding the date a Subrogation Amount is paid to the Province

[3] ~~Explanatory Note: The Province will be entitled to receive subrogation cash flows after satisfaction of all Approved Obligations. This provision provides how that these amounts will be payable from available cash flows, based on priorities that address cash entitlements opposite non-guaranteed obligations secured (e.g., after a suspension event). Conforming changes will need to be made to the Trust Indenture once these mechanics have been settled.~~

[4] ~~Explanatory Note: Nomenclature to be conformed, once the corresponding provisions of the Trust Indenture have been settled.~~

in respect of such Guarantee Payment, as attributed to such Guarantee Payment in accordance with the Trust Indenture and calculated based on the applicable interest rate borne by the Approved Obligation to which such Guarantee Payment related[5], exceeds (2) the sum of all Subrogation Amounts paid to the Province up to and including such day (such amount, the "**Senior Final Subrogation Amount**");

(II) as an amount ranking equally with [principal amounts of Subordinated Funding Obligations], the amount by which (1) the sum of (x) all Guarantee Payments paid by the Province up to and including such day in respect of Approved Obligations ranking equally with or prior to [principal amounts of Subordinated Funding Obligations], plus (y) the sum of amounts determined in respect of interest on each such Guarantee Payment from and including the date of its payment by the Province to but excluding the date a Subrogation Amount is paid to the Province in respect of such Guarantee Payment, as attributed to such Guarantee Payment in accordance with the Trust Indenture and calculated based on the applicable interest rate borne by the Approved Obligation to which such Guarantee Payment related, exceeds (2) the sum of (x) all Subrogation Amounts paid to the Province up to and including such day, plus (y) the amount determined under (I) (such amount, the "**Subordinated Final Subrogation Amount**"); and

(III) as an amount ranking equally with [principal amounts of Junior Subordinated Obligations], the amount by which (1) the sum of (x) all Guarantee Payments paid by the Province up to and including such day in respect of Approved Obligations ranking equally with or prior to [principal amounts of

[5] ~~Explanatory Note: Nomenclature to be conformed, once the corresponding provisions of the Trust Indenture have been settled.~~

Junior Subordinated Funding Obligations], plus (y) the sum of amounts determined in respect of interest on each such Guarantee Payment from and including the date of its payment by the Province to but excluding the date a Subrogation Amount is paid to the Province in respect of such Guarantee Payment, as attributed to such Guarantee Payment in accordance with the Trust Indenture and calculated based on the applicable interest rate borne by the Approved Obligation to which such Guarantee Payment related, exceeds (2) the sum of (x) all Subrogation Amounts paid to the Province up to and including such day, plus (y) the sum of the amounts determined under (I) plus (z) the sum of the amounts determined under (II) (such amount, the "**Junior Subordinated Final Subrogation Amount**" and, together with the Senior Final Subrogation Amount and the Subordinated Final Subrogation Amount, the "**Final Subrogation Amounts**")[3]; and

(E) no Person entitled under an Obligation Secured that ranks equal with or subordinate to a Final Subrogation Amount shall be entitled to make any claim or assert any right in or to the amounts paid or payable to the Province in respect of such Final Subrogation Amount and no such Person shall have any right or interest in, to or under the Collateral or any proceeds therefrom in respect of any such Final Subrogation Amount.

v. On any Guarantee Payment Date, the Indenture Trustee shall release and pay to the Province free and clear of any Liens any amount remaining on deposit in the Protection Account that has not been applied to pay Guarantee Payments to Beneficiary Payees on the Guarantee Payment Date in accordance with clause 2.01(a)iiiiii.

[3] Separate definitions were included to facilitate inserting these amounts into Trust Indenture priority of payment provisions.

vi. In preparing any payment instructions under the Trust Indenture, the Manager shall reflect the amounts payable under Section 2.01(a).

(b) The Province shall, as a payee of Subrogation Amounts under clause 2.01(a)~~(~~iv~~)~~(B), as a payee of each Final Subrogation Amount under clause 2.01(a)(iv)(~~B~~D) and as a payee of any amounts payable under clause 2.01(a)~~(~~v~~)~~, be a "Specified Creditor" under the Trust Indenture and have the benefit of the Collateral thereunder.

(c) For greater certainty, the Limited Guarantee will not apply to any amount or obligation of the Financing Entity that is not or does not arise under an Approved Obligation and will be limited to the right to receive the Approved Obligation Amounts, if any, for payment to Beneficiary Payees and will be subject to the priorities and to the Province's rights to Subrogation Entitlements, set forth in Section 2.01(a).

(d) Except as expressly provided in this Agreement, the Province's obligation to provide and perform the Limited Guarantee shall be irrevocable, absolute and unconditional.

(e) Any amount payable by the Province under the Limited Guarantee in respect of an Approved Obligation that is not paid by the Province when required herein shall bear interest from the applicable due date until paid in full at the rate or rates expressed to be payable on the Approved Obligation by their terms.

(f) The right to deliver a Payment Demand and thereupon enforce the Limited Guarantee shall constitute the only remedy available to the Indenture Trustee (and to the Beneficiaries, to the extent they are permitted to exercise any rights, interests, or elections under and in accordance with the Trust Indenture) under this Agreement. Under no circumstances shall the Province be obligated to pay or indemnify the Indenture Trustee or any Beneficiary for consequential, special or punitive damages, or for economic loss or loss of profits; provided that, for greater certainty, economic loss shall not include any amount in respect of any amount due and payable to a Beneficiary Payee under the Limited Guarantee.

2.02 Intentionally Deleted.

2.03 Absence of Set-off

Subject to applicable law, the Province acknowledges and agrees that each payment to be made by the Province hereunder in respect of an Approved Obligation shall be made as required in whole, without application of any right of set-off and without regard to any equities as between or among any of the Province, the Beneficiaries and/or the Indenture Trustee.

2.04 Payment into Protection Account in Satisfaction

(a) On or before the date of delivery of a Payment Demand to the Province, the Indenture Trustee shall cause to be established and maintained an Eligible Deposit Account (the "**Protection Account**") in the name of the Indenture Trustee, bearing a designation clearly indicating that the funds and other property credited thereto are held for the benefit of the Indenture Trustee and the Beneficiaries. The Protection Account shall be under the control of the Indenture Trustee for the benefit of the Beneficiaries. If, at any time, the institution holding the Protection Account ceases to be an Eligible Institution, the FSM shall notify the Indenture Trustee, and the Indenture Trustee upon being notified in writing of such ineligibility (or the FSM on its behalf) shall within 30 days (or such longer period, not to exceed 45 days, so long as the Rating Agency Condition is satisfied) establish a new Protection Account that is an Eligible Deposit Account and shall transfer any funds or other property from such Protection Account to such new Protection Account. From the date each such new Protection Account is established, it shall be the "Protection Account" for purposes of this Agreement. Funds credited to the Protection Account will be invested and held in accordance with Section **[7.03]** of the Trust Indenture on the basis that it is an Issuer Account.

(b) Notwithstanding the priority of payment requirements set forth in the Trust Indenture and any legal rule concerning the imputation of payments, the Financing Entity and the Indenture Trustee shall ensure that all amounts paid by the Province into the Protection Account on a Guarantee Payment Date in respect of an Approved Obligation are applied to pay the amounts due and payable to the Beneficiaries as and to the extent provided for in Section 2.01(a). Upon a payment having been made by or on behalf of the Province into the Protection Account, the amounts so paid shall for all purposes be considered to have been applied to pay the applicable Beneficiaries as provided for in Section 2.01(a) and thereby reduce the amount due and payable to such Beneficiaries in respect of the applicable Approved Obligations, whereupon an affected Beneficiary shall have no continuing rights, interests or entitlements (including rights as a secured party) in respect of the Approved Obligation to the extent so paid. For greater certainty, the obligations arising in respect of an applicable Approved Obligation shall not be reduced by such payment as the Province shall become entitled to be paid related Subrogation Entitlements and the rights contemplated under Section 2.01(a) and Section 5.01 in relation to such continuing obligations.

2.05 Certain Waivers

The Province hereby waives:

(a) any requirement, and any right to require, that any power be exercised or any action be taken against the Financing Entity or any Collateral for any of the Approved Obligations;

(b) all notices which may be required by applicable law to preserve any rights against the Province hereunder, including any notice of default, demand, dishonour, presentment and protest;

(c) diligence; and

(d) any defence based upon, arising out of or in any way related to any claim that any election of remedies by the Beneficiaries impaired, reduced, released or extinguished any rights that the Province might otherwise have had against the Financing Entity or any other surety.

The Province agrees that each such waiver is made with full knowledge of its significance and consequences and if any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the maximum extent permitted by applicable law.

2.06 Additional Security

This Agreement shall be in addition to and without prejudice to any other security by whomsoever given, held at any time by the Indenture Trustee or for the benefit of any of the Beneficiaries.

2.07 Continuing Liability of the Province

The Approved Obligations shall be deemed not to have been paid, observed or performed, and the liability of the Province hereunder in respect thereof shall continue and not be discharged, to the extent that any payment, observance or performance thereof by the Financing Entity, or out of the proceeds of any Collateral, is recovered from or reimbursed by or for the account of any of the Beneficiaries for any reason, including a preference or fraudulent transfer or by virtue of any subordination (whether present or future or contractual or otherwise) of the Approved Obligations, whether such recovery or payment over is effected by any judgment, decree or order of any court or Governmental Authority, by any plan of reorganization or by settlement or compromise by any of the Beneficiaries (whether or not consented to by the Financing Entity or the Province) of any claim for any such recovery or payment over.

2.08 Continuance of the Limited Guarantee

Subject to Section 2.07, the Limited Guarantee shall continue in full force and effect until the indefeasible payment, observance and performance in full of the Approved Obligations in accordance with Section 8.01.

2.09 Modifications of Approved Obligations

The Province expressly authorizes the Indenture Trustee, at any time and from time to time, without notice and without affecting the liability of the Province hereunder, but subject to compliance with the requirements of the Program Agreements and this Agreement, to:

(a) accept new, additional or replacement instruments, documents, agreements or security in connection with all or any part of the Approved Obligations;

(b) accept partial payments on the Approved Obligations; and

(c) waive, release, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, compromise, liquidate and enforce all or any part of the Approved Obligations and any security or guarantee therefor, and apply any such security and direct the order or manner of sale thereof as the Indenture Trustee (for the benefit of the Beneficiaries) in its discretion may determine.

ARTICLE III
THE INDENTURE TRUSTEE

3.01 The Indenture Trustee

This Agreement is made in favour of the Indenture Trustee in its capacity as trustee under the Trust Indenture. Accordingly, in the event of a new trustee being appointed under the Trust Indenture, such new trustee shall thereupon become and be the Indenture Trustee hereunder, but nevertheless, the Indenture Trustee shall forthwith assign, transfer and make over to the new trustee hereunder this Agreement. All provisions of the Trust Indenture for the protection of the Indenture Trustee or for facilitating the administration of the trusts or otherwise relating to the Indenture Trustee solely as to its holding of the rights thereunder shall apply *mutatis mutandis* to this Agreement and the Indenture Trustee's duties hereunder.

3.02 Acceptance of Trusts

The Indenture Trustee hereby accepts the trusts hereof and agrees to carry out and discharge the same unless and until a new trustee shall be appointed as contemplated in Section 3.01.

ARTICLE IV
APPROVED OBLIGATIONS

4.01 Approval Process

A Primary Obligation shall constitute an Approved Obligation if (i) the Adherence Conditions applicable thereto have been satisfied at the time the Primary Obligation was incurred, or (ii) the Province, in its sole discretion, designates in writing that it is an Approved Obligation.

4.02 Adherence Conditions

(a) The following shall be the Adherence Conditions applicable in relation to each Certified Primary Obligation:

i. ~~(a)~~ the Certified Primary Obligation when incurred is an Obligation Secured under the Trust Indenture; and

ii. ~~(b)~~ OPG, as FSM, delivers ~~a certificate~~an Adherence Compliance Certificate in the form attached hereto as Exhibit B-1 signed by the Chief Financial Officer and the Treasurer of OPG, or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) and addressed to the Indenture Trustee, on or before the incurrence of a Certified Primary Obligation (provided that delivery may not be more than 5 Business Days before the incurrence of the Certified Primary Obligation)~~, confirming that OPG has delivered to the Province a certificate signed by the Chief Financial Officer and the Treasurer of OPG, or any two Executive Officers of OPG (for clarity, such certificate is to be~~* ~~provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) confirming that OPG has complied with all of its obligations to the Province and internal requirements and processes in connection with the adherence of the Limited Guarantee to the Certified Primary Obligation~~*;[4] and

iii. ~~(c) in respect of a Certified Primary Obligation other than a Refinancing of a Primary Obligation in respect of which the Adherence Conditions had been satisfied,~~ the Province has not provided a Suspension Notice to the Indenture Trustee, OPG and the Financing Entity.

(b) The following shall be the Adherence Conditions applicable in relation to each Refinancing:

i. such Refinancing when incurred is an Obligation Secured under the Trust Indenture; and

ii. OPG, as FSM, delivers an Adherence Compliance Certificate in the form attached hereto as Exhibit B-2 signed by the Chief Financial Officer and the Treasurer of OPG, or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) and addressed to the Indenture Trustee and the Province, on or before the incurrence of the Refinancing (provided that delivery may not be more than 5 Business Days before the incurrence of such Refinancing).[5]

[4] Given the importance of this certificate, the form of the Adherence Compliance Certificate is set out in Exhibit B-1 to this Agreement and accordingly this language has been deleted from this para (ii) and is reproduced in the form of certificate attached as Exhibit B-1.

[5] Given the importance of this certificate, the form of the Adherence Compliance Certificate is set out in Exhibit B-2 to this Agreement.

For greater certainty, (y) satisfaction of the Adherence Conditions for a Certified Primary Obligation or a Refinancing shall be deemed satisfaction of the Adherence Conditions in respect of all principal, interest and other amounts owing under the Certified Primary Obligation or the Refinancing, as applicable, as such Certified Primary Obligation or Refinancing may be amended, restated, supplemented or otherwise modified from time to time, and (z) there shall be no Adherence Conditions applicable in relation to a Primary Obligation that is not a Certified Primary Obligation or a Refinancing.

4.03 Evidence of Satisfaction

~~A closing certificate~~An Adherence Compliance Certificate delivered in accordance with Section 4.02(~~b) in connection with an incurrence of a Certified Primary Obligation~~a)ii or in accordance with Section 4.02(b)ii, as the case may be, shall be determinative as to whether the applicable Adherence Conditions with respect thereto have been satisfied, notwithstanding that such certificate may include inaccuracies, be incomplete or otherwise be defective or deficient, and such closing certificate may be relied upon by any addressee as conclusive evidence of same. ~~A closing certificate~~An Adherence Compliance Certificate that purports on its face to be signed by officers specified in Section 4.02(~~b~~)a)ii or Section 4.02(b)ii, as applicable, may be relied upon by any addressee without further enquiry or evidence as to the incumbency or signatures of such officers. If ~~a closing certificate~~an Adherence Compliance Certificate is not delivered in accordance with the timing requirements of Section 4.02(~~b) in respect of a Certified Primary Obligation~~a)ii or Section 4.02(b)ii, as applicable, such certificate may be delivered at a later date, and be effective as if it had been delivered in accordance with the timing requirement of Section 4.02(~~b~~)a)ii or Section 4.02(b)ii, as applicable, if at the time such certificate was required to be delivered OPG had delivered to the Province all certifications required by the Province in connection with the adherence of the Limited Guarantee to the Certified Primary Obligation or the Refinancing.

The Indenture Trustee shall recognize the Province as being entitled to all of the rights, interests and entitlements of the Beneficiary (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)) in respect and to the extent of the Approved Obligation so paid, determined as of the time of payment, for all purposes under the Trust Indenture, and the Province shall be treated as a Specified Creditor in respect thereof for all purposes under the Trust Indenture and any other agreement under which the Approved Obligation arises.

(b) The Province (i) acknowledges and agrees in favour of the Indenture Trustee that, upon being subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation in accordance with Section 5.01(a), the Province, in its capacity as a Specified Creditor, will be subject to the provisions applicable to Specified Creditors under the Trust Indenture, including ~~[~~Sections **[7.04]** through **[7.11]** and **[8.13]** (Payment Priorities), Section **[7.12]** (Payments Held in Trust), Section **[8.11]** (Control by Controlling Class Creditors), Section **[8.12]** (Limitation on Suits), Section **[8.14]** (Limited Recourse), Article IX (The Indenture Trustee), including all limitations of liability thereunder, Section **[9.14]** (Communications to Specified Creditors) and Section **[16.01]** (No Petition)~~]~~; (ii) consents, requests and authorizes the Issuer and the Indenture Trustee to (x) add the Province to the register of Specified Creditors described in subsection **[13.13(b)]** of the Trust Indenture and (y) disseminate the notice details of the Province to other Specified Creditors for the purposes set out in subsection **[9.14(b)]** of the Trust Indenture, and (iii) confirms that it will execute and deliver, or cause to be executed and delivered, all such further agreements, documents and instruments in connection with this Section 5.01 as the Indenture Trustee may request from time to time for the purpose of giving effect to the terms of this Section ~~5.01.~~5.01.

extent of the priorities established in relation to the Approved Obligation under the Trust Indenture in the manner and to the extent contemplated in Section [**7.10**~~(d)~~] of the Trust Indenture.

ARTICLE VII

(a) a Program Breach;

(b) a default in the performance, or breach, of any covenants of OPG, as FSM, or OPG, in its corporate capacity, in each case to the Province in connection with its obligations to the Province pursuant to internal requirements and processes in connection with the ~~provision~~adherence of the Limited Guarantee~~, which continues for thirty (30) days after written notice by the Province to OPG of such default or breach~~ to the Certified Primary Obligations and the expiration of any applicable cure period;

(c) a representation or warranty made by OPG or a certification made by one or more officers of OPG, in each case whether as FSM or in its corporate capacity, to the Province in connection with its obligations to the Province pursuant to internal requirements and processes in connection with the ~~provision~~adherence of the Limited Guarantee to the Certified Primary Obligations, proves to be incorrect in

[6] Explanatory Note: ~~The Province is content to receive the same~~Indenture Trustee representations ~~as are provided~~have been conformed to the MTI and are subject to review and sign off by the Indenture Trustee ~~should be under the Trust Indenture. Please conform.~~

any material respect on the date made and, if curable, is not cured within thirty (30) days after written notice by the Province to OPG of such misrepresentation; or

(d) the FSM no longer being the Manager or actions having been taken by or on behalf of the Indenture Trustee to remove the FSM as the Manager,

the Province may declare that the Limited Guarantee under this Agreement shall not apply to any Primary Obligations incurred on or after such declaration, other than any Refinancing of a Primaryan Approved Obligation in respect of which the Adherence Conditions had previously been satisfied (provided that theor if such Refinancing is otherwise an Approved Obligation), by delivering a written notice in the form of Exhibit BC (a "**Suspension Notice**") to the Indenture Trustee, the FSM and the Financing Entity.[7]

The Limited Guarantee shall apply to any Certified Primary Obligation incurred after a Suspension Event on the basis that it is a Refinancing (provided that such Refinancing is an Approved Obligation) only if the FSM certifies to the Province in writing prior to the incurrence that the proceeds of such incurrence* will be used solely for the *purposes of repaying one or more Certified Primary Obligations incurred prior to the Suspension Event and to which the Limited Guarantee adhered as of the time the Suspension Event occurred, and the delivery of such written certification by the FSM to the Province shall be determinative for the purposes of concluding that such incurrence is a Refinancing for the purposes of Sections 7.01, 7.02 and 7.03.

7.02 Suspension

If a Suspension Notice has been provided under Section 7.01 (the provision of such notice being a "**Suspension Event**"), the Limited Guarantee shall not apply in respect of: (i) any Primary Obligation incurred or amended(ii) any amendment of any Primary Obligation that results in an increase to the principal amount of such Primary Obligation, in each case, on or after the time such Suspension Notice is delivered, other than any Refinancing of a Primaryan Approved Obligation in respect of which the Adherence Conditions had previously been satisfied (provided that theor if such Refinancing is otherwise an Approved Obligation).

7.03 No Impact on Adherence

For greater certainty, the occurrence of a Suspension Event or a failure by the FSM or the Financing Entity to perform its covenants under this Agreement will not invalidate or extinguish the obligations of the Province under the Limited Guarantee in respect of Approved Obligations in existence prior to the occurrence of the Suspension Event or in respect of any Refinancing of a Primaryan Approved Obligation in respect of which the Adherence Conditions had previously been satisfied (provided that theor if such Refinancing is otherwise an Approved Obligation).

[7] The paragraph that was deleted from Section 7.01 was modified slightly and moved to the form of the Adherence Compliance Certificate set out in Exhibit B-2 as the Adherence Condition for the Refinancing so that it is clear what conditions have to be satisfied for a Refinancing to be an Approved Obligation. As discussed in our meeting with the principals and in response to the DBRS comments, debt issued on a refinancing of protected debt should continue to be protected debt.

[8] ~~Explanatory Note: The Trust Indenture states that if extra cash is available in the Collections Account, it can be held until a subsequent Payment Date.~~

[98] Explanatory Note: Early amortization events may be included in a supplemental indenture, so retaining that concept makes sense.

(b) a court of competent jurisdiction determines that all or a portion of the Act or the regulations made under the Act, as in effect on the date hereof, is *ultra vires* or invalid in a way that materially and adversely affects the ability of the Financing Entity to receive amounts in respect of its Investment Interest so that it can pay Obligations Secured and that has the effect of the Financing Entity not in fact having sufficient funds to pay such Obligations Secured that have become due and payable.

"**Senior Final Subrogation Amount**" has the meaning ascribed thereto in subclause 2.01(a)iv(D).

[~~10~~9] Explanatory Note: This relates to a refinancing of an existing debt obligation; not an undrawn commitment to fund.

[~~11~~10] Explanatory Note: The General Regulation provides that debt can be considered a "Refinancing" when incurred within the 6 months prior to the maturity date of a funding obligation. The Act/Regulation's definition doesn't require that "Refinancings" be simultaneous with the repayment of existing Approved Obligations. We have added a certificate mechanic in 7.01 by which there can be certainty when an obligation is incurred that if the obligation is intended to be a refinancing, it will be covered by the guarantee.

This **AGREEMENT**, among Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), Computershare Trust Company of Canada, in its capacity as trustee (the "**Financing Entity Trustee**") of Fair Hydro Trust, a trust organized under the laws of the Province of Ontario (the "**Financing Entity**"), Ontario Power Generation Inc., in its capacity as Manager of the Financing Entity and in its capacity as the Financial Services Manager in accordance with the Act (the "**FSM**") and BNY Trust Company of Canada, a trust company existing under the laws of Canada, as Indenture Trustee, is made and entered into as of [■], 2017.

RECITALS

Pursuant to Subsection 5(3) of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**"), the Lieutenant Governor in Council may by order, authorize the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to agree to guarantee or indemnify certain debts, obligations, securities or undertakings associated with an Investment Interest.

Pursuant to an Order in Council 1981/2017 (the "**OIC**"), the Lieutenant Governor in Council has, among other things, authorized the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to enter into one or more agreements to guarantee or indemnify the debts, obligations, securities or undertakings of one or more financing entities established or caused to be established pursuant to Subsection 22(2) of the Act by the FSM and that may incur Funding Obligations in connection with one or more Investment Interests.

Pursuant to a Declaration of Trust dated as of ■, 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

The Financing Entity Trustee, in its capacity as trustee of the Financing Entity, and the Indenture Trustee are parties to the Trust Indenture and propose to create and issue series of notes, bonds and other securities as contemplated therein, and to provide security over the assets and undertaking of the Financing Entity in respect of such notes, bonds and securities, as well as other Obligations Secured.

The Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, have determined to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Primary Obligations that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions at the time the Approved Obligation is incurred. This Agreement sets out the terms and conditions of such protections and assurances.

All things necessary to make this Agreement a valid and legally binding agreement of the Province, the Financing Entity, the FSM and the Indenture Trustee, in accordance with the Act, the OIC and the Trust Indenture, have been done.

AGREEMENT OF THE PARTIES

In consideration of the respective agreements herein contained, the parties hereto covenant and agree as follows:

1.08 Severability

Each of the provisions contained in this Agreement is distinct and severable and a declaration of invalidity or unenforceability of any such provision or part thereof by a court of competent jurisdiction will not affect the validity or enforceability of any other provision hereof. To the extent permitted by applicable law, the parties waive any provision of law which renders any provision of this Agreement invalid or unenforceable in any respect.

1.09 Governing Law

THIS AGREEMENT WILL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE PROVINCE OF ONTARIO AND THE FEDERAL LAWS OF CANADA APPLICABLE THEREIN, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

(a) If for the purpose of obtaining judgment in any court or for any other purposes (other than conversions specifically provided for in the agreement under which an Approved Obligation arises), it is necessary to convert any amount due under this Agreement from the currency in which it is due (the "**Original Currency**") into another currency (the "**Second Currency**"), the rate of exchange applied shall be that at which, in accordance with normal banking procedures, the purchaser could purchase, in the New York foreign exchange market, the Original Currency with the Second Currency on the date on which judgment is given. The obligation of the Province in respect of any Original Currency due from it to the Indenture Trustee under this Agreement shall, notwithstanding any judgment or payment in such other currency, be discharged only to the extent that, on the Business Day following receipt of any sum so paid or adjudged to be due under this Agreement in the Second Currency, the Indenture Trustee may, in accordance with normal banking procedures, purchase in the New York foreign exchange market the Original Currency with the amount of the Second Currency so paid or so adjudged to be due; and if the amount of the Original Currency so purchased is less than the amount originally due in the Original Currency, the Province shall indemnify the Indenture Trustee against such loss.

(b) The term "rate of exchange" in this Section 1.19 means the spot rate at which the Indenture Trustee, in accordance with normal practice, is able on the relevant date to purchase the Original Currency with the Second Currency and includes any premium and costs of exchange payable in connection with such purchase.

AGREEMENT TO PERFORM APPROVED OBLIGATIONS

(a) Upon the occurrence of a Protection Event, the Indenture Trustee may deliver a written demand, substantially in the form attached as Exhibit A (a "**Payment Demand**"), to the Province requiring the Province to make payments in respect of the Approved Obligations at the times, in the amounts and subject to the requirements specified in this Agreement. From and after such delivery of a Payment Demand, the Province shall make the following payments in respect of the Approved Obligations (the "**Limited Guarantee**"), and the Financing Entity shall pay, and the Province shall be entitled to be paid, the Subrogation Entitlements specified below:

i. Not less than 3 Business Days prior to each day when any payment or payments are to be made in respect of one or more Approved Obligations occurring after such delivery of a Payment Demand (each such day, a "**Guarantee Payment Date**"), the Manager shall deliver a written statement setting forth the Aggregate Approved Obligations Amount, if any, in respect of the Approved Obligations that are due and payable on such Guarantee Payment Date, together with a detailed description identifying such Approved Obligations and the nature and amount of payments due and payable thereunder on the Guarantee Payment Date, the aggregate outstanding amount payable by the Financing Entity under such Approved Obligations as of the date of such written statement, and details regarding any default in performance by any party obligated thereunder.

ii. On each such Guarantee Payment Date, the Province shall deposit the Aggregate Approved Obligations Amount into the Protection Account.

iii. iv. On any Guarantee Payment Date on which an amount is paid by the Province pursuant to clause 2.01(a)ii, the applicable payment provisions of the Trust Indenture shall, notwithstanding the express terms of such provisions set forth in the Trust Indenture, be applied and operate on the following basis:

(A) the amount payable to a Beneficiary Payee in respect of an Approved Obligation from amounts available under such payment provisions on such Guarantee Payment Date shall be reduced by the amount of the Guarantee Payment paid to the Beneficiary Payee pursuant to clause 2.01(a)iii in respect of such Approved Obligation on such Guarantee Payment Date;

(B) the Province shall be paid the amount payable to a Beneficiary Payee in respect of an Approved Obligation from amounts available to pay the Beneficiary Payee under such payment provisions on the Guarantee Payment Date, determined without regard to the Guarantee Payment paid on such Guarantee Payment Date and the corresponding reduction of the amount owing to the Beneficiary Payee pursuant to subclause 2.01(a)iv(A) (each such amount payable to the Province being a "**Subrogation Amount**");

(C) no Beneficiary having a right to be paid an amount in respect of an Approved Obligation, and no other Person entitled under an Obligation Secured, in each case that ranks equal with or subordinate to an Approved Obligation in respect of which a Subrogation Amount is payable to the Province under subclause 2.01(a)iv(B), shall be entitled to make any claim or assert any right in or to the amounts paid or payable to the Province under such subclause (including any right of reimbursement, contribution or indemnity) and no such Beneficiary or other Person shall have any right or interest in, to or under the Collateral or any proceeds therefrom in respect of any such Subrogation Amount;

(D) on the first day when any payment or payments are to be made in respect of Obligations Secured that occurs after the date on which all amounts payable under all Approved Obligations have been paid in full, whether pursuant to Guarantee Payments or payments made pursuant to the payment provisions of the Trust Indenture or any combination thereof, the Province shall be entitled to be

paid from amounts available to pay Obligations Secured on such day (and thereafter on each subsequent day when any payment or payments are to be made in respect of Obligations Secured, until paid in full), in each case in accordance with the applicable payment provisions of the Trust Indenture on such day, the following amounts, in each case in the priorities specified below:

(I) as an amount ranking equally with principal amounts of Senior Funding Obligations, the amount by which (1) the sum of (x) all Guarantee Payments paid by the Province up to and including such day in respect of Approved Obligations ranking equally with or prior to principal amounts of Senior Funding Obligations, plus (y) the sum of amounts determined in respect of interest on each such Guarantee Payment from and including the date of its payment by the Province to but excluding the date a Subrogation Amount is paid to the Province in respect of such Guarantee Payment, as attributed to such Guarantee Payment in accordance with the Trust Indenture and calculated based on the applicable interest rate borne by the Approved Obligation to which such Guarantee Payment related, exceeds (2) the sum of all Subrogation Amounts paid to the Province up to and including such day (such amount, the "**Senior Final Subrogation Amount**");

(II) as an amount ranking equally with principal amounts of Subordinated Funding Obligations, the amount by which (1) the sum of (x) all Guarantee Payments paid by the Province up to and including such day in respect of Approved Obligations ranking equally with or prior to principal amounts of Subordinated Funding Obligations, plus (y) the sum of amounts determined in respect of interest on each such Guarantee Payment from and including the date of its payment by the Province to but excluding the date a Subrogation Amount is paid to the Province in respect of such Guarantee Payment, as attributed to such Guarantee Payment in accordance with the Trust Indenture and calculated based on the applicable interest rate

borne by the Approved Obligation to which such Guarantee Payment related, exceeds (2) the sum of (x) all Subrogation Amounts paid to the Province up to and including such day, plus (y) the amount determined under (I) (such amount, the "**Subordinated Final Subrogation Amount**"); and

(III) as an amount ranking equally with principal amounts of Junior Subordinated Obligations, the amount by which (1) the sum of (x) all Guarantee Payments paid by the Province up to and including such day in respect of Approved Obligations ranking equally with or prior to principal amounts of Junior Subordinated Funding Obligations, plus (y) the sum of amounts determined in respect of interest on each such Guarantee Payment from and including the date of its payment by the Province to but excluding the date a Subrogation Amount is paid to the Province in respect of such Guarantee Payment, as attributed to such Guarantee Payment in accordance with the Trust Indenture and calculated based on the applicable interest rate borne by the Approved Obligation to which such Guarantee Payment related, exceeds (2) the sum of (x) all Subrogation Amounts paid to the Province up to and including such day, plus (y) the sum of the amounts determined under (I) plus (z) the sum of the amounts determined under (II) (such amount, the "**Junior Subordinated Final Subrogation Amount**" and, together with the Senior Final Subrogation Amount and the Subordinated Final Subrogation Amount, the "**Final Subrogation Amounts**")[3]; and

(E) no Person entitled under an Obligation Secured that ranks equal with or subordinate to a Final Subrogation Amount shall be entitled to make any claim or assert any right in or to the amounts paid or payable to the Province in respect of such Final Subrogation Amount and no such Person shall have any right or interest in, to or under the

[3] Separate definitions were included to facilitate inserting these amounts into Trust Indenture priority of payment provisions.

Collateral or any proceeds therefrom in respect of any such Final Subrogation Amount.

v. On any Guarantee Payment Date, the Indenture Trustee shall release and pay to the Province free and clear of any Liens any amount remaining on deposit in the Protection Account that has not been applied to pay Guarantee Payments to Beneficiary Payees on the Guarantee Payment Date in accordance with clause 2.01(a)iii.

vi. In preparing any payment instructions under the Trust Indenture, the Manager shall reflect the amounts payable under Section 2.01(a).

(b) The Province shall, as a payee of Subrogation Amounts under clause 2.01(a)iv(B), as a payee of each Final Subrogation Amount under clause 2.01(a)(iv)(D) and as a payee of any amounts payable under clause 2.01(a)v, be a "Specified Creditor" under the Trust Indenture and have the benefit of the Collateral thereunder.

(c) For greater certainty, the Limited Guarantee will not apply to any amount or obligation of the Financing Entity that is not or does not arise under an Approved Obligation and will be limited to the right to receive the Approved Obligation Amounts, if any, for payment to Beneficiary Payees and will be subject to the priorities and to the Province's rights to Subrogation Entitlements, set forth in Section 2.01(a).

(d) Except as expressly provided in this Agreement, the Province's obligation to provide and perform the Limited Guarantee shall be irrevocable, absolute and unconditional.

(e) Any amount payable by the Province under the Limited Guarantee in respect of an Approved Obligation that is not paid by the Province when required herein shall bear interest from the applicable due date until paid in full at the rate or rates expressed to be payable on the Approved Obligation by their terms.

(f) The right to deliver a Payment Demand and thereupon enforce the Limited Guarantee shall constitute the only remedy available to the Indenture Trustee (and to the Beneficiaries, to the extent they are permitted to exercise any rights, interests, or elections under and in accordance with the Trust Indenture) under this Agreement. Under no circumstances shall the Province be obligated to pay or indemnify the Indenture Trustee or any Beneficiary for consequential, special or punitive damages, or for economic loss or loss of profits; provided that, for greater certainty, economic loss shall not include any amount in respect of any amount due and payable to a Beneficiary Payee under the Limited Guarantee.

2.02 Intentionally Deleted.

2.03 Absence of Set-off

Subject to applicable law, the Province acknowledges and agrees that each payment to be made by the Province hereunder in respect of an Approved Obligation shall be made as required in whole, without application of any right of set-off and without regard to any equities as between or among any of the Province, the Beneficiaries and/or the Indenture Trustee.

2.04 Payment into Protection Account in Satisfaction

(a) On or before the date of delivery of a Payment Demand to the Province, the Indenture Trustee shall cause to be established and maintained an Eligible Deposit Account (the "**Protection Account**") in the name of the Indenture Trustee, bearing a designation clearly indicating that the funds and other property credited thereto are held for the benefit of the Indenture Trustee and the Beneficiaries. The Protection Account shall be under the control of the Indenture Trustee for the benefit of the Beneficiaries. If, at any time, the institution holding the Protection Account ceases to be an Eligible Institution, the FSM shall notify the Indenture Trustee, and the Indenture Trustee upon being notified in writing of such ineligibility (or the FSM on its behalf) shall within 30 days (or such longer period, not to exceed 45 days, so long as the Rating Agency Condition is satisfied) establish a new Protection Account that is an Eligible Deposit Account and shall transfer any funds or other property from such Protection Account to such new Protection Account. From the date each such new Protection Account is established, it shall be the "Protection Account" for purposes of this Agreement. Funds credited to the Protection Account will be invested and held in accordance with Section **[7.03]** of the Trust Indenture on the basis that it is an Issuer Account.

(b) Notwithstanding the priority of payment requirements set forth in the Trust Indenture and any legal rule concerning the imputation of payments, the Financing Entity and the Indenture Trustee shall ensure that all amounts paid by the Province into the Protection Account on a Guarantee Payment Date in respect of an Approved Obligation are applied to pay the amounts due and payable to the Beneficiaries as and to the extent provided for in Section 2.01(a). Upon a payment having been made by or on behalf of the Province into the Protection Account, the amounts so paid shall for all purposes be considered to have been applied to pay the applicable Beneficiaries as provided for in Section 2.01(a) and thereby reduce the amount due and payable to such Beneficiaries in respect of the applicable Approved Obligations, whereupon an affected Beneficiary shall have no continuing rights, interests or entitlements (including rights as a secured party) in respect of the Approved Obligation to the extent so paid. For greater certainty, the obligations arising in respect of an applicable Approved Obligation shall not be reduced by such payment as the Province shall become entitled to be paid related Subrogation Entitlements and the rights contemplated under Section 2.01(a) and Section 5.01 in relation to such continuing obligations.

2.05 Certain Waivers

The Province hereby waives:

(a) any requirement, and any right to require, that any power be exercised or any action be taken against the Financing Entity or any Collateral for any of the Approved Obligations;

(b) all notices which may be required by applicable law to preserve any rights against the Province hereunder, including any notice of default, demand, dishonour, presentment and protest;

(c) diligence; and

(d) any defence based upon, arising out of or in any way related to any claim that any election of remedies by the Beneficiaries impaired, reduced, released or extinguished any rights that the Province might otherwise have had against the Financing Entity or any other surety.

The Province agrees that each such waiver is made with full knowledge of its significance and consequences and if any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the maximum extent permitted by applicable law.

2.06 Additional Security

This Agreement shall be in addition to and without prejudice to any other security by whomsoever given, held at any time by the Indenture Trustee or for the benefit of any of the Beneficiaries.

2.07 Continuing Liability of the Province

The Approved Obligations shall be deemed not to have been paid, observed or performed, and the liability of the Province hereunder in respect thereof shall continue and not be discharged, to the extent that any payment, observance or performance thereof by the Financing Entity, or out of the proceeds of any Collateral, is recovered from or reimbursed by or for the account of any of the Beneficiaries for any reason, including a preference or fraudulent transfer or by virtue of any subordination (whether present or future or contractual or otherwise) of the Approved Obligations, whether such recovery or payment over is effected by any judgment, decree or order of any court or Governmental Authority, by any plan of reorganization or by settlement or compromise by any of the Beneficiaries (whether or not consented to by the Financing Entity or the Province) of any claim for any such recovery or payment over.

ARTICLE III
THE INDENTURE TRUSTEE

3.01 The Indenture Trustee

This Agreement is made in favour of the Indenture Trustee in its capacity as trustee under the Trust Indenture. Accordingly, in the event of a new trustee being appointed under the Trust Indenture, such new trustee shall thereupon become and be the Indenture Trustee hereunder, but nevertheless, the Indenture Trustee shall forthwith assign, transfer and make over to the new trustee hereunder this Agreement. All provisions of the Trust Indenture for the protection of the Indenture Trustee or for facilitating the administration of the trusts or otherwise relating to the Indenture Trustee solely as to its holding of the rights thereunder shall apply *mutatis mutandis* to this Agreement and the Indenture Trustee's duties hereunder.

3.02 Acceptance of Trusts

The Indenture Trustee hereby accepts the trusts hereof and agrees to carry out and discharge the same unless and until a new trustee shall be appointed as contemplated in Section 3.01.

ARTICLE IV
APPROVED OBLIGATIONS

4.01 Approval Process

A Primary Obligation shall constitute an Approved Obligation if (i) the Adherence Conditions applicable thereto have been satisfied at the time the Primary Obligation was incurred, or (ii) the Province, in its sole discretion, designates in writing that it is an Approved Obligation.

4.02 Adherence Conditions

(a) The following shall be the Adherence Conditions applicable in relation to each Certified Primary Obligation:

i. the Certified Primary Obligation when incurred is an Obligation Secured under the Trust Indenture; and

ii. OPG, as FSM, delivers an Adherence Compliance Certificate in the form attached hereto as Exhibit B-1 signed by the Chief Financial Officer and the Treasurer of OPG, or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) and addressed to the Indenture Trustee, on or before the incurrence of a Certified Primary Obligation (provided that delivery may not be more than 5 Business Days before the incurrence of the Certified Primary Obligation);[4] and

iii. the Province has not provided a Suspension Notice to the Indenture Trustee, OPG and the Financing Entity.

(b) The following shall be the Adherence Conditions applicable in relation to each Refinancing:

For greater certainty, (y) satisfaction of the Adherence Conditions for a Certified Primary Obligation or a Refinancing shall be deemed satisfaction of the Adherence Conditions in respect of all principal, interest and other amounts owing under the Certified Primary Obligation or the Refinancing, as applicable, as such Certified Primary Obligation or Refinancing may be amended, restated, supplemented or otherwise modified from time to

4.03 Evidence of Satisfaction

An Adherence Compliance Certificate that purports on its face to be signed by officers specified in Section 4.02(a)ii or Section 4.02(b)ii, as applicable, may be relied upon by any addressee without further enquiry or evidence as to the incumbency or signatures of such officers. If an Adherence Compliance Certificate is not delivered in accordance with the timing requirements of Section 4.02(a)ii or Section 4.02(b)ii, as applicable, such certificate may be delivered at a later date, and be effective as if it had been delivered in accordance with the timing requirement of Section 4.02(a)ii or Section 4.02(b)ii, as applicable, if at the time such certificate was required to be delivered OPG had delivered to the Province all certifications required by the Province in connection with the adherence of the Limited Guarantee to the Certified Primary Obligation or the Refinancing.

ARTICLE V
PROVINCE MATTERS

5.01 Assignment and Subrogation

(a) Upon paying an amount in respect of an Approved Obligation to or at the direction of the Indenture Trustee in satisfaction of the Limited Guarantee, the Province (in addition to and without prejudice to any rights it otherwise has in law or equity) shall be subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation to the extent of such payment, including (i) the right and entitlement to be paid and receive the related Subrogation Entitlements, (ii) the benefits of the related Collateral and (iii) all proceeds therefrom. The Province shall have and be entitled to enforce all rights and interests (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)), under and in respect of such Approved Obligation to the extent of the payment by the Province in respect of the Approved Obligation as an absolute assignee of the applicable Beneficiary, with effect from and after the time of such payment, without any further requirement for notice to or acceptance by the Financing Entity of such absolute assignment and without any reduction, set-off or counterclaim on account of any amounts that may, at or after the time of payment, be or become owing by the Beneficiary to the Financing Entity and unaffected by any other rights or equities that arise thereafter as between the Beneficiary and the Financing Entity. The Indenture Trustee shall recognize the Province as being entitled to all of the rights, interests and entitlements of the Beneficiary (including as a Specified Creditor under the

Trust Indenture on the basis contemplated in Section 5.01(b)) in respect and to the extent of the Approved Obligation so paid, determined as of the time of payment, for all purposes under the Trust Indenture, and the Province shall be treated as a Specified Creditor in respect thereof for all purposes under the Trust Indenture and any other agreement under which the Approved Obligation arises.

(b) The Province (i) acknowledges and agrees in favour of the Indenture Trustee that, upon being subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation in accordance with Section 5.01(a), the Province, in its capacity as a Specified Creditor, will be subject to the provisions applicable to Specified Creditors under the Trust Indenture, including Sections **[7.04]** through **[7.11]** and **[8.13]** (Payment Priorities), Section **[7.12]** (Payments Held in Trust), Section **[8.11]** (Control by Controlling Class Creditors), Section **[8.12]** (Limitation on Suits), Section **[8.14]** (Limited Recourse), Article IX (The Indenture Trustee), including all limitations of liability thereunder, Section **[9.14]** (Communications to Specified Creditors) and Section **[16.01]** (No Petition); (ii) consents, requests and authorizes the Issuer and the Indenture Trustee to (x) add the Province to the register of Specified Creditors described in subsection **[13.13(b)]** of the Trust Indenture and (y) disseminate the notice details of the Province to other Specified Creditors for the purposes set out in subsection **[9.14(b)]** of the Trust Indenture, and (iii) confirms that it will execute and deliver, or cause to be executed and delivered, all such further agreements, documents and instruments in connection with this Section 5.01 as the Indenture Trustee may request from time to time for the purpose of giving effect to the terms of this Section 5.01.

5.02 Priorities

For greater certainty, the rights, interests and entitlements of the Province as an assignee and subrogee of and with respect to an Approved Obligation shall rank equally with the rights, interests and entitlements of a Beneficiary to whom a Limited Guarantee payment is made in respect of, and to the extent of the payment made to satisfy, the Approved Obligation and the Province shall not be subject to postponement or subordination with respect thereto except to the extent of the priorities established in relation to the Approved Obligation under the Trust Indenture in the manner and to the extent contemplated in Section **[7.10]** of the Trust Indenture.

5.03 Intentionally Deleted

5.04 Representations and Warranties

The Province hereby represents and warrants that:

(a) the execution and delivery of, and the performance of its obligations under, this Agreement by the Province have been authorized by all necessary action on the part of the Province;

(b) the execution and delivery of, and the performance of its obligations under, this Agreement by the Province do not result in the violation of any applicable law; and

(c) this Agreement has been duly executed and delivered by the Province.

ARTICLE VI
INDENTURE TRUSTEE MATTERS

6.01 Limited Recourse

No recourse may be taken, directly or indirectly, with respect to the obligations of the Financing Entity under this Agreement, or any certificate or other writing delivered in connection herewith or therewith, against (a) the Financing Entity Trustee in its individual capacity, (b) any owner of a beneficial interest in the Financing Entity or (c) any partner, owner, beneficiary, agent, officer, director, employee or agent of the Financing Entity Trustee in its individual capacity, any holder of a beneficial interest in the Financing Entity or the Financing Entity Trustee or of any successor or assign of the Financing Entity Trustee in its individual capacity, except as any such Person may have expressly agreed (it being understood that the Financing Entity Trustee has no such obligations in its individual capacity).

6.02 Not Responsible for Recitals

The recitals contained herein will be taken as the statements of the Province, the Financing Entity and the FSM, and the Indenture Trustee assumes no responsibility for their correctness. The Indenture Trustee makes no representations as to the validity or sufficiency of this Agreement.

6.03 Representations and Covenants of the Indenture Trustee[6]

The Indenture Trustee represents, warrants and covenants that:

(a) the Indenture Trustee is a trust company organized, existing and in good standing under the laws of Canada;

(b) the Indenture Trustee has full power and authority to execute, deliver and perform this Agreement and has taken all necessary action to authorize the execution, delivery and performance by it of this Agreement;

(c) this Agreement has been duly executed and delivered by the Indenture Trustee and constitutes its legal, valid and binding obligation in accordance with its terms; and

[6] Explanatory Note: Indenture Trustee representations have been conformed to the MTI and are subject to review and sign off by the Indenture Trustee.

(d) the Indenture Trustee is authorized to carry on the business of a trust company in each of the provinces and territories of Canada. If, notwithstanding the provisions of this subsection 6.03(d), the Indenture Trustee ceases to be so authorized to carry on business, the validity and enforceability of this Agreement shall not be affected in any manner whatsoever by reason only of such event.

ARTICLE VII
SUSPENSION OF ADHERENCE FOR NEW PRIMARY OBLIGATIONS

7.01 Suspension Notice

Upon:

(a) a Program Breach;

(b) a default in the performance, or breach, of any covenants of OPG, as FSM, or OPG, in its corporate capacity, in each case to the Province in connection with its obligations to the Province pursuant to internal requirements and processes in connection with the adherence of the Limited Guarantee to the Certified Primary Obligations and the expiration of any applicable cure period;

(c) a representation or warranty made by OPG or a certification made by one or more officers of OPG, in each case whether as FSM or in its corporate capacity, to the Province in connection with its obligations to the Province pursuant to internal requirements and processes in connection with the adherence of the Limited Guarantee to the Certified Primary Obligations, proves to be incorrect in any material respect on the date made and, if curable, is not cured within thirty (30) days after written notice by the Province to OPG of such misrepresentation; or

(d) the FSM no longer being the Manager or actions having been taken by or on behalf of the Indenture Trustee to remove the FSM as the Manager,

the Province may declare that the Limited Guarantee under this Agreement shall not apply to any Primary Obligations incurred on or after such declaration, other than any Refinancing of an Approved Obligation in respect of which the Adherence Conditions had previously been satisfied or if such Refinancing is otherwise an Approved Obligation, by delivering a written notice in the form of Exhibit C (a "**Suspension Notice**") to the Indenture Trustee, the FSM and the Financing Entity.[7]

[7] The paragraph that was deleted from Section 7.01 was modified slightly and moved to the form of the Adherence Compliance Certificate set out in Exhibit B-2 as the Adherence Condition for the Refinancing so that it is clear what conditions have to be satisfied for a Refinancing to be an Approved Obligation. As discussed in our meeting with the principals and in response to the DBRS comments, debt issued on a refinancing of protected debt should continue to be protected debt.

7.02 Suspension

If a Suspension Notice has been provided under Section 7.01 (the provision of such notice being a "**Suspension Event**"), the Limited Guarantee shall not apply in respect of: (i) any Primary Obligation incurred or (ii) any amendment of any Primary Obligation that results in an increase to the principal amount of such Primary Obligation, in each case, on or after the time such Suspension Notice is delivered, other than any Refinancing of an Approved Obligation in respect of which the Adherence Conditions had previously been satisfied or if such Refinancing is otherwise an Approved Obligation.

7.03 No Impact on Adherence

For greater certainty, the occurrence of a Suspension Event or a failure by the FSM or the Financing Entity to perform its covenants under this Agreement will not invalidate or extinguish the obligations of the Province under the Limited Guarantee in respect of Approved Obligations in existence prior to the occurrence of the Suspension Event or in respect of any Refinancing of an Approved Obligation in respect of which the Adherence Conditions had previously been satisfied or if such Refinancing is otherwise an Approved Obligation.

(b) a court of competent jurisdiction determines that all or a portion of the Act or the regulations made under the Act, as in effect on the date hereof, is *ultra vires* or invalid in a way that materially and adversely affects the ability of the Financing Entity to receive amounts in respect of its Investment Interest so that it can pay Obligations Secured and that has the effect of the Financing Entity not in fact having sufficient funds to pay such Obligations Secured that have become due and payable.

[8] Explanatory Note: Early amortization events may be included in a supplemental indenture, so retaining that concept makes sense.

For clarity, for purposes of the definition of "Protection Event", the occurrence of an event described in any of clauses (i) to (v) of paragraph (a) or a determination by a court of competent jurisdiction described in paragraph (b) which (x) results, or could reasonably be expected to result, in a rating downgrade or withdrawal of a rating by a Rating Agency, or (y) results in a Rating Agency publicly announcing that it has placed under surveillance or review, with possible negative implications, its rating of any Approved Obligation in effect prior to the occurrence of such event or court determination shall be sufficient to establish the required "materially and adversely" threshold.

"**Province**" has the meaning ascribed thereto in the first paragraph of this Agreement.

"**Rating Agency**" has the meaning ascribed thereto in the Trust Indenture, except that the reference to "Issuer Funding Obligation" in the definition of "Rating Agency" in the Trust Indenture shall be replaced with a reference to an Issuer Funding Obligation that is an Approved Obligation.

"**Rating Agency Condition**" has the meaning ascribed thereto in the Trust Indenture, except that the reference to "Issuer Funding Obligation" in the definition of "Rating Agency Condition" in the Trust Indenture shall be replaced with a reference to an Issuer Funding Obligation that is an Approved Obligation.

"**Reference Period**" has the meaning ascribed thereto in the Act.

"**Refinancing**"[9] has the meaning ascribed to the term "refinancing" in the Act as of the date hereof, as more particularly described and given meaning in the General Regulation as of the date hereof.[10]

"**Second Currency**" has the meaning ascribed thereto in Section 1.19(b).

"**Senior Final Subrogation Amount**" has the meaning ascribed thereto in subclause 2.01(a)iv(D).

"**Specified Creditors**" has the meaning ascribed thereto in the Trust Indenture.

"**Subordinated Final Subrogation Amount**" has the meaning ascribed thereto in subclause 2.01(a)iv(D).

"**Subrogation Entitlement**" means each Subrogation Amount and each Final Subrogation Amount.

---

[9] Explanatory Note: This relates to a refinancing of an existing debt obligation; not an undrawn commitment to fund.

[10] Explanatory Note: The General Regulation provides that debt can be considered a "Refinancing" when incurred within the 6 months prior to the maturity date of a funding obligation. The Act/Regulation's definition doesn't require that "Refinancings" be simultaneous with the repayment of existing Approved Obligations. We have added a certificate mechanic in 7.01 by which there can be certainty when an obligation is incurred that if the obligation is intended to be a refinancing, it will be covered by the guarantee.

"**Subrogation Amount**" has the meaning ascribed thereto in subclause 2.01(a)iv(B).

"**Supplemental Indenture**" has the meaning ascribed in the Trust Indenture.

"**Supplemental Reserve Account**" has the meaning ascribed in the Trust Indenture.

"**Suspension Event**" has the meaning ascribed thereto in Section 7.02.

"**Suspension Notice**" has the meaning ascribed thereto in Section 7.01.

"**this Agreement**" means this agreement, as amended, supplemented, restated or otherwise modified from time to time.

"**Trust Indenture**" means the trust indenture between the Financing Entity and the Indenture Trustee dated as of [■], 2017, as amended, supplemented, restated or otherwise modified from time to time.

Subject: RE: Fair Hydro - Change of Law Protection Agreement

Hi,

Attached is a revised version of the Change of Law Protection Agreement. I believe that most of the changes reflected from last night's Osler version (blackline is attached) are of a drafting or conforming nature, other than: (1) the Province disagrees that Approved Refinancing terms should be unfettered by adherence conditions post-Suspension Event and (2) the proposed rating-based "materially and adversely" qualification in the definition of Protection Event (and in fact any such qualification) is not acceptable to the Province. With regard to (1), this version comes into line with the proposed approach (i.e., using a modified adherence condition) that was incorporated into the version of the Change of Law Process Agreement I circulated yesterday. A further turn of that Agreement, to conform the open item identified in section 3.02 to the revised Change of Law Protection Agreement, is also included here for your reference.

Please note that the Province is working through the drafting concurrently and so further drafting comments may be provided.

As mentioned yesterday, the Province would like to proceed with the Ministers sign-off briefing early next week, on the basis that these versions (minus the explanatory notes) are now in substantially final form. Please identify if you believe there are other 'must have' points (other than the 2 mentioned above).

Subject: RE: Fair Hydro -- Change of Law Process Agreement

Hi,

Please find (attached) a further turn of the Change of Law Process Agreement, reflecting the Province's comments on the mark-up of the Agreement circulated yesterday afternoon by Torys. The attached blackline shows changes made to yesterday's Torys mark-up.

This version addresses concerns Rocco raised last night, to the extent the Province feels that the issues can be accommodated. For your information, I have set out below responses to Rocco's comments/observations (in CAPs).

The Province would like to proceed with the Ministers briefing early next week, on the basis that this version (minus the explanatory notes) is now in final form. If there are any critical revisions that the other parties believe

reflect 'must have' priority, then the Province would like to have a call to discuss them as soon as possible.

Responses to Rocco's Points:

1. The change of the definition of Breach Event in Section 6.01 (i.e., the change to clause (a) and the addition of clause (b)) will result in an inconsistency with section 7.01(b) of the Change of Law Protection Agreement. This will require further consideration. [AGREED. 7.01(b) and 7.01(c) WILL NEED TO MIRROR THE CURE LANGUAGE WE SETTLE ON IN THE PROCESS AGREEMENT (SEE MY EARLIER COMMENTS). PERHAPS THE "which continues …" LANGUAGE IN 7.01(B) CAN BE REVISED TO READ: "to the extent that the Province would be entitled to provide a Suspension Notice in accordance with the terms of the agreement or agreements between the Province and OPG under which such obligations, requirements and processes arise". SIMILAR CHANGE FOR 7.01(C).

2. The right of the Province to issue an objection notice under Section 3.04(b) in connection with a Transaction Document provided to the Province which is required for a Refinancing of an Approved Obligation remains an outstanding issue. Clearly, this will depend upon what Adherence Conditions will be required under Section 4.02 of the Change of Law Protection Agreement in order to permit such Refinancing to become an Approved Obligation. If the Adherence Conditions set out in Section 4.02(a) of the Province's draft of the Change of Law Protection Agreement of December 4 were to apply to such Refinancing, to the extent that such refinancing required a change to a Transaction Document (e.g., as a result of a change to some rating agency condition or criteria), the Province's ability to issue an objection notice and thereby prevent the issuance of a Process Certificate under Section 3.01 (by virtue of Section 3.04) would have the effect of preventing a Refinancing. We trust that this was an unintended outcome of the drafting of Section 3.04 and/or the Adherence Conditions applicable to Refinancings. [THAT IS THE INTENDED EFFECT. THE ADHERENCE CONDITIONS WOULD APPLY TO THE REFINANCING, SO IF THE REFINANCING TERMS DEVIATED MATERIALLY (BASED ON THE SUBSTANTIALLY IN THE FORM" THRESHOLD"), THEN OPG WOULD REQUIRE THE PROVINCE NOT TO OBJECT IN ORDER TO PROCEED WITH THOSE NEW TERMS. OTHERWISE, THE REFINANCING COULD INCORPORATE TERMS AND CONDITIONS, WHICH WOULD BIND THE PROVINCE UNDER THE LIMITED GUARANTEE, THAT WOULD BE UNCONSTRAINED AND WITHOUT ANY ACCOUNTABILITY TO THE PROVINCE. IN ROCCO'S EXAMPLE, THAT MIGHT MEAN THAT OPG WOULD NEED TO RESORT TO UNRATED DEBT, IF THE PROVINCE WAS UNWILLING TO ACCEPT THE NEW TERMS. PRESUMABLY EVERYONE WOULD ACT RATIONALLY. HOWEVER, AS A FAILSAFE, OPG COULD OFFER INCREASED PRICING IN ORDER TO ATTRACT INVESTORS TO ACCEPT THE EARLIER VETTED TERMS (BASED ON THE THEN ACCEPTED REVIEWED DOCUMENTATION).]

3. Given that the Indenture Trustee is not a party to the Change of Law Process Agreement, the Province and OPG can amend the terms and conditions of this agreement without the consent of the indenture Trustee. Specified Creditors under an Approved Obligation need to be assured that the Province cannot prevent a Refinancing of an Approved Obligation either by virtue of the objection notice discussed in point #2 above or as a result of a future amendment to the agreement. There are a couple of ways to deal with this point. The first is to a add a beneficiary/third party rights clause in the Change of Law Process Agreement which acknowledges that the Indenture Trustee is a beneficiary of certain provisions of this agreement and as a result, the agreement cannot be amended without the consent of the Indenture Trustee. The second is to ensure that the Adherence Conditions relating to Refinancings under the Change of Law Protection Agreement are not dependent upon the terms of the Change of Law Process Agreement. In light of the desire to not disclose the terms and conditions of the Change of

Law Process Agreement to the rating agencies, especially at this late stage in the process, we would expect that the latter approach would be preferable. [THE SUGGESTION REGARDING THE PROVINCE PREVENTING A REFINANCING IS ADDRESSED IN #2. IF THE REFINANCING TERMS WOULD EXCEED THE SCOPE OF THE TRANSACTION DOCUMENTS REVIEWED AND NOT OBJECTED TO BY THE PROVINCE, THEN THAT SUGGESTS THERE IS A MATERIAL EFFECT ON THE PROVINCE AND SO THE PROVINCE WOULD NEED THE ABILITY TO REVIEW AND CONSIDER THE PROPRIETY OF THOSE NEW TERMS FROM ITS PERSPECTIVE. AS FOR THE STANDALONE NATURE OF THE PROCESS AGREEMENT, THE INTENTION IS THAT THE PROCESS AGREEMENT BE UNCOUPLED AND NOT PART OF THE COLLATERAL, AND AS MICHAEL FELDMAN HAS EXPLAINED, LEAVE FUTURE FLEXIBILITY FOR THIS LONG-TERM STRUCTURE. TO ADDRESS ROCCO'S CONCERN THAT THE PROVINCE AND OPG COULD CHANGE THE UNDERLYING OBLIGATIONS APPLICABLE TO ADHERENCE IN RELATION TO A NEW OBLIGATION, REQUIREMENT OR PROCESS IN THE PROCESS AGREEMENT THAT WOULD MAKE A REFINANCING LESS LIKELY TO OCCUR, WE HAVE ADDED AND USED IN THE ATTACHED VERSION A NEW DEFFINTION:

> "Approved Refinancing" means a Certified Primary Obligation proposed to be incurred as a Refinancing of an existing Certified Primary Obligation in respect of which the Adherence Conditions had been satisfied on the date such existing Certified Primary Obligation was incurred, that, at the time of incurrence, satisfies each of each of the Adherence Conditions except that the certificate contemplated to be delivered under Section 4.02(b) shall instead confirm that OPG has delivered to the Province a certificate by its applicable officers confirming that OPG would be in compliance with all obligations to the Province and internal requirements and processes in connection with the adherence of the Limited Guarantee to the proposed Certified Primary Obligation that applied as between the Province and OPG on the date of issuance of such existing Certified Primary Obligation." Various references to "Refinancing" in the Protection Agreement can also be revised to refer to "Approved Refinancing", as required.

Subject: RE: Fair Hydro -- Change of Law Process Agreement

I have reviewed the revised draft of the Change of Law Process Agreement that Torys has prepared and would like to pass along the following comments/observations:

1. The change of the definition of Breach Event in Section 6.01 (i.e., the change to clause (a) and the addition of clause (b)) will result in an inconsistency with section 7.01(b) of the Change of Law Protection Agreement. This will require further consideration.

We trust that this was an unintended outcome of the drafting of Section 3.04 and/or the Adherence Conditions applicable to Refinancings.

3. Given that the Indenture Trustee is not a party to the Change of Law Process Agreement, the Province and OPG can amend the terms and conditions of this agreement without the consent of the indenture Trustee. Specified Creditors under an Approved Obligation need to be assured that the Province cannot prevent a Refinancing of an Approved Obligation either by virtue of the objection notice discussed in point #2 above or as a result of a future amendment to the agreement. Blakes team,

Please find attached OPG and Torys' comments on the Process Agreement reflecting our discussions from yesterday's call. Please note that this draft is subject to continuing review and comment by Osler and the dealers. As discussed at the tail end of our call yesterday, the section in the Process Agreement that gives the Province the right to object to new and material changes to transaction documents dovetails with the Protection

Agreement so additional comments from Oslers may be forthcoming on this draft.

We are working on getting you a revised draft of the Protection Agreement either later today or tomorrow. In the meantime, please let us know if you have any comments or questions on the Process Agreement.

Best Regards,

Nina

RECITALS

Pursuant to Subsection 5(3) of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**"), the Lieutenant Governor in Council may by order, authorize the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to agree to guarantee or indemnify certain debts, obligations, securities or undertakings associated with an Investment Interest.

Pursuant to an Order in Council 1981/2017 (the "**OIC**"), the Lieutenant Governor in Council has, among other things, authorized the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to enter into one or more agreements to guarantee or indemnify the debts, obligations, securities or undertakings of one or more financing entities established or caused to be established pursuant to Subsection 22(2) of the Act by the FSM and that may incur Funding Obligations in connection with one or more Investment Interests.

Pursuant to a Declaration of Trust dated as of ■, 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

The Financing Entity Trustee, in its capacity as trustee of the Financing Entity, and the Indenture Trustee are parties to the Trust Indenture and propose to create and issue series of notes, bonds and other securities as contemplated therein, and to provide security over the assets and undertaking of the Financing Entity in respect of such notes, bonds and securities, as well as other Obligations Secured.

The Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, have determined to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Primary Obligations that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions at the time the Approved Obligation is incurred. This Agreement sets out the terms and conditions of such protections and assurances.

All things necessary to make this Agreement a valid and legally binding agreement of the Province, the Financing Entity, the FSM and the Indenture Trustee, in accordance with the Act, the OIC and the Trust Indenture, have been done.

The Manager shall act diligently in the preparation of each such statement and shall provide the Indenture Trustee and the Province with all supporting computations and calculations used by the Manager to prepare each such statement promptly following a request therefor made by the Indenture Trustee or the Province.

1.04 Limitation on Rights of and Actions by Specified Creditors

Specified Creditors, as Beneficiaries, shall not have or be permitted to exercise any rights, interests, or elections under this Agreement, other than in the manner and to the extent effected and exercised under, in accordance with and subject to the limitations set forth in the Trust Indenture as of the date of this Agreement.

1.05 Province Retains Rights of Beneficiaries

Without limiting any rights of subrogation or succession that arise pursuant to applicable law or pursuant to the Province's rights as an assignee, subrogee or pursuant to Section 2.01 or Section 5.01, all of the rights, interests, elections and privileges that would arise in favour of a Beneficiary under the Trust Indenture or other Funding Obligation Agreement under which a related Primary Obligation arises shall automatically arise, vest in and be available to the Province to the extent of the performance by the Province of the Primary Obligation.

1.08 Severability

Each of the provisions contained in this Agreement is distinct and severable and a declaration of invalidity or unenforceability of any such provision or part thereof by a court of competent jurisdiction will not affect the validity or enforceability of any other provision hereof. To the extent permitted by applicable law, the parties waive any provision of law which renders any provision of this Agreement invalid or unenforceable in any respect.

1.09 Governing Law

THIS AGREEMENT WILL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE PROVINCE OF ONTARIO AND THE FEDERAL LAWS OF CANADA APPLICABLE THEREIN, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

1.15 Waiver, Amendment

Except as expressly provided in this Agreement, no amendment or waiver of this Agreement will be binding unless executed in writing by the party to be bound thereby. A party's failure or delay in exercising any right under this Agreement will not operate as a waiver of that right. A single or partial exercise of any right will not preclude a party from any other or further exercise of that right or the exercise of any other right.

The parties further agree that for the purposes of the *Interest Act* (Canada), (i) the principle of deemed reinvestment of interest shall not apply to any interest calculation under this Agreement, and (ii) the rates of interest stipulated in this Agreement are intended to be nominal rates and not effective rates or yields.

1.17 Currency

Unless stated otherwise, all amounts herein are stated in Canadian Dollars.

1.18 References to Acts of the Financing Entity

For greater certainty, where any reference is made in this Agreement, or in any other instrument executed pursuant hereto or contemplated hereby to which the Financing Entity or the Financing Entity Trustee, as trustee of the Financing Entity, is party, to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or release to be provided by, a suit or proceeding to be taken by or against, or a covenant, representation or warranty (other than relating to the constitution or existence of the Financing Entity) by or with respect to (i) the Financing Entity or (ii) the Financing Entity Trustee, such reference shall be construed and applied for all purposes as if it referred to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or release to be provided by, a suit or proceeding to be taken by or against or a covenant, representation or warranty (other than relating to the constitution or existence of the Financing Entity) by or with respect to, the Financing Entity Trustee as trustee of the Financing Entity.

1.19 Judgment Currency

(a) If for the purpose of obtaining judgment in any court or for any other purposes (other than conversions specifically provided for in the agreement under which an Approved Obligation arises), it is necessary to convert any amount due under this Agreement from the currency in which it is due (the "**Original Currency**") into another currency (the "**Second Currency**"), the rate of exchange applied shall be that at which, in accordance with normal banking procedures, the purchaser could purchase, in the New York foreign exchange market, the Original Currency with the Second Currency on the date on which judgment is given. The obligation of the Province in respect of any Original Currency due from it to the Indenture Trustee under this Agreement shall, notwithstanding any judgment or payment in such other currency, be discharged only to the extent that, on the Business Day following receipt of any sum so paid or adjudged to be due under this Agreement in the Second Currency, the Indenture Trustee may, in accordance with normal banking procedures, purchase in the New York foreign exchange market the Original Currency with the amount of the Second Currency so paid or so adjudged to be due; and if the amount of the Original Currency so purchased is less than the amount originally due in the Original Currency, the Province shall indemnify the Indenture Trustee against such loss.

(b) The term "rate of exchange" in this Section 1.19 means the spot rate at which the Indenture Trustee, in accordance with normal practice, is able on the relevant date to purchase the Original Currency with the Second Currency and includes any premium and costs of exchange payable in connection with such purchase.

ARTICLE II
AGREEMENT TO PERFORM APPROVED OBLIGATIONS

2.01 Limited Guarantee

(a) Upon the occurrence of a Protection Event, the Indenture Trustee may deliver a written demand, substantially in the form attached as **[Exhibit A]** (a "**Payment Demand**"), to the Province requiring the Province to make payments in respect of the Approved Obligations at the times, in the amounts and subject to the requirements specified in this Agreement. From and after such delivery of a Payment Demand, the Province shall make the following payments in respect of the Approved Obligations (the "**Limited Guarantee**"), the Financing Entity shall pay, and the Province shall be entitled to be paid, the Subrogation Amounts specified below, and the following terms shall apply:

i. Not less than three (3) Business Days prior to each day when any payment or payments are to be made in respect of one or more Approved Obligations occurring after such delivery of a Payment Demand (each such day, a "**Guarantee Payment Date**"), the Manager shall deliver a written statement setting forth the Aggregate Approved Obligations Amount, if any, in respect of the Approved Obligations that are due and payable on such Guarantee Payment Date, together with a detailed description identifying such Approved Obligations and the nature and amount of payments due and payable thereunder on the Guarantee Payment Date, the aggregate outstanding amount payable by the Financing Entity under such Approved Obligations as of the date of such written statement, and details regarding any default in performance by any party obligated thereunder.

ii. On each such Guarantee Payment Date, the Province shall deposit the Aggregate Approved Obligations Amount into the Protection Account.

iii. On each such Guarantee Payment Date, the Financing Entity and the Indenture Trustee shall ensure that the amounts on deposit in the Protection Account are applied to pay each Beneficiary to whom an amount is due and payable under an Approved Obligation on the Guarantee Payment Date the Approved Obligation Amount for such Beneficiary in respect of such Approved Obligation on such Guarantee Payment Date; provided that if the amount deposited pursuant to clause 2.01(a)ii is insufficient to pay all such Approved Obligation Amounts in full, the amount on deposit in the Protection Account on the Guarantee Payment Date shall be applied to pay Beneficiaries in the order of priority in which such Approved Obligations are payable under the payment provisions of the Trust Indenture applicable to the making of such payments on the Guarantee Payment Date (each, a "**Beneficiary Payee**"

and each payment made to a Beneficiary Payee on a Guarantee Payment Date, a "**Guarantee Payment**").

iv. On the first Guarantee Payment Date and on each subsequent Guarantee Payment Date, Payment Date or other day on which any amount is required to be paid in respect of any Obligations Secured under the Trust Indenture (a "**Subrogation Payment Date**"), the Issuer and the Indenture Trustee shall ensure that the applicable payment provisions of the Trust Indenture shall be applied and operate on the following basis:

(A) If such day is a Guarantee Payment Date, then for each Approved Obligation for which amounts are paid to a Beneficiary Payee on such day pursuant to clause 2.01(a)iii in respect of principal, interest or any other amounts ("**Payable Approved Amounts**"), the amounts payable by the Financing Entity in respect of such amounts for such Approved Obligation shall be reduced by the respective amounts of such payments to the Beneficiary Payee, and equivalent amounts shall be payable by the Financing Entity to the Province as "**Subrogation Amounts**" in respect of such Approved Obligations, such Subrogation Amounts being payable in the same order of priority and with the same entitlements accruing to the Province as applied in respect of the related Payable Approved Amounts which were previously owing to the Beneficiary Payee, and to reflect this subrogation the payments set out in clause 2.01(a)iv(B) below shall be made by the Financing Entity.

(B) If the Province has made all deposits required to be made by it on each Guarantee Payment Date occurring on or before such day in accordance with clause 2.01(a)ii (or the related Approved Obligation Amounts have otherwise all been paid in full), then in respect of each Approved Obligation for which any related Subrogation Amounts have not yet been paid in full to the Province, the Financing Entity shall pay to the Province from amounts available under the Trust Indenture payment provisions and in accordance with the priority of payment provisions in the Trust Indenture the amount that would be payable on such date in satisfaction of the relevant Payable Approved Amounts, as determined without regard to any Guarantee Payment paid on any Guarantee Payment Date and also without regard to the corresponding reduction of the amounts owing to present and former Beneficiary

Payees pursuant to subclause 2.01(a)iv(A) up to the amount of the unpaid related Subrogation Amounts.

(C) No Beneficiary having a right to be paid an amount in respect of an Approved Obligation, and no other Person entitled under an Obligation Secured, in each case that ranks equal with or subordinate to the Payable Approved Amount in respect of which a Subrogation Amount is payable to the Province under subclause 2.01(a)iv(B), shall be entitled to make any claim or assert any right in or to the amounts paid or payable to the Province under such subclause (including any right of set-off, offset, reimbursement, contribution or indemnity) and no such Beneficiary or other Person shall have any right or interest in, to or under the Collateral or any proceeds therefrom in respect of any such Subrogation Amount.

(D) For greater certainty, the entitlements of the Province in respect of Subrogation Amounts arising in respect of Payable Approved Obligations that are interest and principal obligations on Notes shall be treated for all purposes of the Trust Indenture as interest and principal obligations, respectively, arising under Notes having the same priority as and any applicable voting rights under the related Approved Obligations, and accordingly the Province (and any successor, assignee or transferee of such entitlements) shall be entitled to all of the rights, entitlements, interests and privileges of a Holder of such a Notes in accordance with the Trust Indenture, as supplemented by the Supplemental Indenture or other indenture document under which the related Approved Obligations were issued.

(b) On each Guarantee Payment Date and upon demand by the Province, the Indenture Trustee shall release and pay to the Province free and clear of any Liens any amount remaining on deposit in the Protection Account that has not been applied to pay Guarantee Payments to Beneficiary Payees on the Guarantee Payment Date in accordance with clause 2.01(a)iii or that otherwise remains on deposit in the Protection Account on the relevant date.

(c) In preparing any payment instructions under the Trust Indenture, the Manager shall reflect the amounts payable under Section 2.01(a), if applicable.

(d) The Province shall, as a payee of Subrogation Amounts under clause 2.01(a)iv(B) and as a payee of any amounts payable under clause 2.01(b), be a “Specified

Creditor" under the Trust Indenture and have the benefit of the Collateral thereunder.

(e) For greater certainty, the Limited Guarantee will not apply to any amount or obligation of the Financing Entity that is not or does not arise under an Approved Obligation and will be limited to the right to receive the Approved Obligation Amounts, if any, for payment to Beneficiary Payees and will be subject to the priorities and to the Province's rights to Subrogation Amounts, set forth in Section 2.01(a).

(f) Except as expressly provided in this Agreement, the Province's obligation to provide and perform the Limited Guarantee shall be irrevocable, absolute and unconditional.

(g) Any amount payable by the Province under the Limited Guarantee in respect of an Approved Obligation that is not paid by the Province when required herein shall bear interest from the applicable due date until paid in full at the rate or rates expressed to be payable on the Approved Obligation by their terms.

(h) Any amount payable to the Province in respect of a Subrogation Amount shall bear interest from and including the date of payment by the Province of the related Guarantee Payment to but excluding the date of payment of the Subrogation Amount to the Province, such interest to accrue at the rate equivalent to the applicable interest rate borne by the related Approved Obligation, and such interest amounts shall be added to their respective Subrogated Amounts and shall consequently be payable in the same priority as the relevant Subrogated Amount under clause 2.01(a)iv(B), all such accruing interest amounts to be calculated and added to the Subrogation Amounts by the Manager in its discretion acting in a commercially reasonable fashion.

(i) The right to deliver a Payment Demand and thereupon enforce the Limited Guarantee shall constitute the only remedy available to the Indenture Trustee (and to the Beneficiaries, to the extent they are permitted to exercise any rights, interests, or elections under and in accordance with the Trust Indenture) under this Agreement. Under no circumstances shall the Province be obligated to pay or indemnify the Indenture Trustee or any Beneficiary for consequential, special or punitive damages, or for economic loss or loss of profits; provided that, for greater certainty, economic loss shall not include any amount in respect of any amount due and payable to a Beneficiary Payee under the Limited Guarantee.

2.02 Intentionally Deleted.

2.03 Absence of Set-off

Subject to applicable law, the Province acknowledges and agrees that each payment to be made by the Province hereunder in respect of an Approved Obligation shall be made as required

in whole, without application of any right of set-off and without regard to any equities as between or among any of the Province, the Beneficiaries and/or the Indenture Trustee.

2.04 Payment into Protection Account in Satisfaction

(a) On or before the date of delivery of a Payment Demand to the Province, the Indenture Trustee shall cause to be established and maintained an Eligible Deposit Account (the "**Protection Account**") in the name of the Indenture Trustee, bearing a designation clearly indicating that the funds and other property credited thereto are held for the benefit of the Indenture Trustee and the Beneficiaries. The Protection Account shall be under the control of the Indenture Trustee for the benefit of the Beneficiaries. If, at any time, the institution holding the Protection Account ceases to be an Eligible Institution, the FSM shall notify the Indenture Trustee, and the Indenture Trustee upon being notified in writing of such ineligibility (or the FSM on its behalf) shall within 30 days (or such longer period, not to exceed 45 days, so long as the Rating Agency Condition is satisfied) establish a new Protection Account that is an Eligible Deposit Account and shall transfer any funds or other property from such Protection Account to such new Protection Account. From the date each such new Protection Account is established, it shall be the "Protection Account" for purposes of this Agreement. Funds credited to the Protection Account will be invested and held in accordance with Section **[7.03]** of the Trust Indenture on the basis that it is an Issuer Account.

(b) Notwithstanding the priority of payment requirements set forth in the Trust Indenture and any legal rule concerning the imputation of payments, the Financing Entity and the Indenture Trustee shall ensure that all amounts paid by the Province into the Protection Account on a Guarantee Payment Date in respect of an Approved Obligation are applied to pay the amounts due and payable to the Beneficiary Payee as and to the extent provided for in Section 2.01(a). Upon a payment having been made by or on behalf of the Province into the Protection Account, the amounts so paid shall for all purposes be considered to have been applied to pay the applicable Beneficiary Payee as provided for in Section 2.01(a) and thereby reduce the amount due and payable to such Beneficiary Payee in respect of the applicable Approved Obligations, whereupon an affected Beneficiary Payee shall have no continuing rights, interests or entitlements (including rights as a secured party) in respect of the Approved Obligation to the extent so paid. For greater certainty, the obligations arising in respect of an applicable Approved Obligation shall not be reduced by such payment as the Province shall become entitled to be paid related Subrogation Amounts and the rights contemplated under Section 2.01(a) and Section 5.01 in relation to such continuing obligations.

2.05 Certain Waivers

The Province hereby waives:

(a) any requirement, and any right to require, that any power be exercised or any action be taken against the Financing Entity or any Collateral for any of the Approved Obligations;

(b) all notices which may be required by applicable law to preserve any rights against the Province hereunder, including any notice of default, demand, dishonour, presentment and protest;

(c) diligence; and

(d) any defence based upon, arising out of or in any way related to any claim that any election of remedies by the Beneficiaries impaired, reduced, released or extinguished any rights that the Province might otherwise have had against the Financing Entity or any other surety.

The Province agrees that each such waiver is made with full knowledge of its significance and consequences and if any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the maximum extent permitted by applicable law.

2.06 Additional Security

This Agreement shall be in addition to and without prejudice to any other security by whomsoever given, held at any time by the Indenture Trustee or for the benefit of any of the Beneficiaries.

2.07 Continuing Liability of the Province

The Approved Obligations shall be deemed not to have been paid, observed or performed, and the liability of the Province hereunder in respect thereof shall continue and not be discharged, to the extent that any payment, observance or performance thereof by the Financing Entity, or out of the proceeds of any Collateral, is recovered from or reimbursed by or for the account of any of the Beneficiaries for any reason, including a preference or fraudulent transfer or by virtue of any subordination (whether present or future or contractual or otherwise) of the Approved Obligations, whether such recovery or payment over is effected by any judgment, decree or order of any court or Governmental Authority, by any plan of reorganization or by settlement or compromise by any of the Beneficiaries (whether or not consented to by the Financing Entity or the Province) of any claim for any such recovery or payment over.

2.08 Continuance of the Limited Guarantee

Subject to Section 2.07, the Limited Guarantee shall continue in full force and effect until the indefeasible payment, observance and performance in full of the Approved Obligations in accordance with Section 8.01.

2.09 Modifications of Approved Obligations

The Province expressly authorizes the Indenture Trustee, at any time and from time to time, without notice and without affecting the liability of the Province hereunder, but subject to compliance with the requirements of the Program Agreements and this Agreement, to:

(a) accept new, additional or replacement instruments, documents, agreements or security in connection with all or any part of the Approved Obligations;

(b) accept partial payments on the Approved Obligations; and

(c) waive, release, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, compromise, liquidate and enforce all or any part of the Approved Obligations and any security or guarantee therefor, and apply any such security and direct the order or manner of sale thereof as the Indenture Trustee (for the benefit of the Beneficiaries) in its discretion may determine.

ARTICLE III
THE INDENTURE TRUSTEE

3.01 The Indenture Trustee

This Agreement is made in favour of the Indenture Trustee in its capacity as trustee under the Trust Indenture. Accordingly, in the event of a new trustee being appointed under the Trust Indenture, such new trustee shall thereupon become and be the Indenture Trustee hereunder, but nevertheless, the Indenture Trustee shall forthwith assign, transfer and make over to the new trustee hereunder this Agreement. All provisions of the Trust Indenture for the protection of the Indenture Trustee or for facilitating the administration of the trusts or otherwise relating to the Indenture Trustee solely as to its holding of the rights thereunder shall apply *mutatis mutandis* to this Agreement and the Indenture Trustee's duties hereunder.

3.02 Acceptance of Trusts

The Indenture Trustee hereby accepts the trusts hereof and agrees to carry out and discharge the same unless and until a new trustee shall be appointed as contemplated in Section 3.01.

ARTICLE IV
APPROVED OBLIGATIONS

4.01 Approval Process

Except in respect of any Primary Obligation to which the Limited Guarantee will not apply on or after a Suspension Notice is delivered in accordance with Section 7.02, a Primary Obligation that is not a Certified Primary Obligation shall be an Approved Obligation. A Certified Primary Obligation shall constitute an Approved Obligation if (i) the Adherence

Conditions applicable thereto have been satisfied at the time the Primary Obligation was incurred or (ii) the Province, in its sole discretion, designates in writing that it is an Approved Obligation.

4.02 Adherence Conditions

(a) The following shall be the Adherence Conditions applicable in relation to each Certified Primary Obligation:

i. the Certified Primary Obligation when incurred is an Obligation Secured under the Trust Indenture; and

ii. OPG, as FSM, delivers an Adherence Compliance Certificate in the form attached hereto as Exhibit B signed by the Chief Financial Officer and the Treasurer of OPG, or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) and addressed to the Indenture Trustee, on or before the incurrence of the Certified Primary Obligation (provided that delivery may not be more than 5 Business Days before the incurrence of the Certified Primary Obligation); and

iii. the Province has not provided a Suspension Notice to the Indenture Trustee, OPG and the Financing Entity.

(b) Without limiting any obligations of OPG to the Province arising other than pursuant to this Agreement, satisfaction of the Adherence Conditions for a Certified Primary Obligation shall be deemed satisfaction of the Adherence Conditions in respect of all principal, interest and other amounts owing under the Certified Primary Obligation, as such Certified Primary Obligation may be amended, restated, supplemented or modified from time to time.

(c) For greater certainty, there shall be no Adherence Conditions applicable in relation to a Primary Obligation that is not a Certified Primary Obligation.

4.03 Evidence of Satisfaction

An Adherence Compliance Certificate delivered in accordance with clause 4.02(a)ii shall be determinative as to whether the applicable Adherence Condition with respect thereto has been satisfied, notwithstanding that such certificate may include inaccuracies, be incomplete or otherwise be defective or deficient, and such closing certificate may be relied upon by any addressee as conclusive evidence of same. An Adherence Compliance Certificate that purports on its face to be signed by officers specified in clause 4.02(a)ii may be relied upon by any addressee without further enquiry or evidence as to the incumbency or signatures of such officers. If an Adherence Compliance Certificate is not delivered in accordance with the timing requirements of clause 4.02(a)ii such certificate may be delivered at a later date, and be effective as if it had been delivered in accordance with the timing requirement of clause 4.02(a)ii if at the time such certificate was otherwise required to be delivered OPG had delivered to the Province

all certifications required by the Province in connection with the adherence of the Limited Guarantee to the Certified Primary Obligation.

ARTICLE V
PROVINCE MATTERS

5.01 Assignment and Subrogation

(a) Upon paying an amount in respect of an Approved Obligation to or at the direction of the Indenture Trustee in satisfaction of the Limited Guarantee, the Province (in addition to and without prejudice to any rights it otherwise has in law or equity) shall be subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation to the extent of such payment, and shall be entitled to (i) the right and entitlement to be paid and receive the related Subrogation Amounts, (ii) the benefits of the related Collateral and (iii) all proceeds therefrom. The Province shall have and be entitled to enforce all rights and interests (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)), under and in respect of such Approved Obligation to the extent of the payment by the Province in respect of the Approved Obligation as an absolute assignee of the applicable Beneficiary, with effect from and after the time of such payment, without any further requirement for notice to or acceptance by the Financing Entity of such absolute assignment and without any reduction, set-off or counterclaim on account of any amounts that may, at or after the time of payment, be or become owing by the Beneficiary to the Financing Entity and unaffected by any other rights or equities that arise thereafter as between the Beneficiary and the Financing Entity. The Indenture Trustee shall recognize the Province as being entitled to all of the rights, interests and entitlements of the Beneficiary (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)) in respect and to the extent of the Approved Obligation so paid, determined as of the time of payment, for all purposes under the Trust Indenture, and the Province shall be treated as a Specified Creditor in respect thereof for all purposes under the Trust Indenture and any other agreement under which the Approved Obligation arises.

(b) The Province (i) acknowledges and agrees in favour of the Indenture Trustee that, upon being subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation in accordance with Section 5.01(a), the Province, in its capacity as a Specified Creditor, will be subject to the provisions applicable to Specified Creditors under the Trust Indenture, including Sections **[7.04]** through **[7.11]** and **[8.13]** (Payment Priorities), Section **[7.12]** (Payments Held in Trust), Section **[8.11]** (Control by Controlling Class Creditors), Section **[8.12]** (Limitation on Suits), Section **[8.14]** (Limited Recourse), Article IX (The Indenture Trustee), including all limitations of liability thereunder, Section **[9.14]** (Communications to Specified Creditors) and Section **[16.01]** (No Petition); (ii) consents, requests and authorizes the Issuer

and the Indenture Trustee to (x) add the Province to the register of Specified Creditors described in subsection **[13.13(b)]** of the Trust Indenture and (y) disseminate the notice details of the Province to other Specified Creditors for the purposes set out in subsection **[9.14(b)]** of the Trust Indenture, and (iii) confirms that it will execute and deliver, or cause to be executed and delivered, all such further agreements, documents and instruments in connection with this Section 5.01 as the Indenture Trustee may request from time to time for the purpose of giving effect to the terms of this Section 5.01.

5.02 Priorities

For greater certainty, the rights, interests and entitlements of the Province as an assignee and subrogee of and with respect to an Approved Obligation and the Payable Approved Amounts thereunder shall rank equally with the rights, interests and entitlements of a Beneficiary to whom a Limited Guarantee payment is made in respect of, and to the extent of the payment made to satisfy, the Approved Obligation and the Province shall not be subject to postponement or subordination with respect thereto except to the extent of the priorities established in relation to the Approved Obligation under the Trust Indenture in the manner and to the extent contemplated in Section **[7.10]** of the Trust Indenture.

5.03 Intentionally Deleted

5.04 Representations and Warranties

(a) the execution and delivery of, and the performance of its obligations under, this Agreement by the Province have been authorized by all necessary action on the part of the Province;

(b) the execution and delivery of, and the performance of its obligations under, this Agreement by the Province do not result in the violation of any applicable law; and

(c) this Agreement has been duly executed and delivered by the Province.

ARTICLE VI

Entity Trustee or of any successor or assign of the Financing Entity Trustee in its individual capacity, except as any such Person may have expressly agreed (it being understood that the Financing Entity Trustee has no such obligations in its individual capacity).

6.02 Not Responsible for Recitals

The recitals contained herein will be taken as the statements of the Province, the Financing Entity and the FSM, and the Indenture Trustee assumes no responsibility for their correctness. The Indenture Trustee makes no representations as to the validity or sufficiency of this Agreement.

The Indenture Trustee represents, warrants and covenants that:

(a) the Indenture Trustee is a trust company organized, existing and in good standing under the laws of Canada;

Upon:

(a) a Program Breach;

(b) a default in the performance, or breach, of any covenants of OPG, as FSM, or OPG, in its corporate capacity, in each case to the Province in connection with its obligations to the Province pursuant to internal requirements and processes in connection with the provision or adherence of the Limited Guarantee to or in respect of any Certified Primary Obligation and the expiration of any applicable cure period;

(c) a representation or warranty made by OPG or a certification made by one or more officers of OPG, in each case whether as FSM or in its corporate capacity, to the Province in connection with its obligations to the Province and its internal requirements and processes in connection with the provision or adherence of the Limited Guarantee to or in respect of any Certified Primary Obligations, proves to be incorrect in any material respect on the date made and the expiration of any applicable cure period; or

(d) the FSM no longer being the Manager or actions having been taken by or on behalf of the Indenture Trustee to remove the FSM as the Manager;

the Province may deliver a written notice in the form of Exhibit C (a "**Suspension Notice**") to the Indenture Trustee, the FSM and the Financing Entity.

7.02 Suspension

If a Suspension Notice has been provided under Section 7.01 (the provision of such notice being a "**Suspension Event**"), the Limited Guarantee shall not apply in respect of: (i) any Primary Obligation incurred, excluding Post-Suspension Refinancings, or (ii) any amendment of any Primary Obligation that has a Material Effect, unless otherwise agreed to by the Province, in each case, on or after the time such Suspension Notice is delivered.

7.03 Additional Right of the Province Regarding Post-Suspension Refinancings

Following the occurrence of a Suspension Event, the Limited Guarantee shall continue to apply in respect of any Post-Suspension Refinancing (for greater certainty, without regard to the satisfaction of any Adherence Conditions); provided that prior to the Financing Entity incurring any Primary Obligation constituting a Post-Suspension Refinancing, the Manager shall provide the Province with at least 30 days' notice of its intention to seek a Post-Suspension Refinancing and prior to incurrence, which notice shall describe the material covenants, events of default, representations and warranties and indemnities of the Financing Entity and other material terms, excluding financial terms, rates and levels, and that shall be in respect of the full amount of the amount becoming due and payable in respect of the applicable Primary Obligation less amounts otherwise available to the Financing Entity from other available or committed sources (the "**Proposal**"), and during such 30 day period the Province may, but is not obligated to, offer to fund such Post-Suspension Refinancing or arrange for another Person to fund such Post-Suspension Refinancing on the same terms as set out in the Proposal or on such other terms as may be considered by the Province to be not more onerous on the Financing Entity and that are acceptable on that basis to the Financing Entity, acting reasonably. If, within such 30-day period, the Province elects to offer to fund such Post-Suspension Refinancing as provided in the preceding sentence, the Manager shall accept such offer; however, if the Province does not elect to offer to fund such Post-Suspension Refinancing, the Manager shall cause the Financing Entity to incur Primary Obligations constituting such a Post-Suspension Refinancing on substantially the same terms (excluding, for greater certainty, any financial terms, rates or levels) as those set out in the Proposal if the Post-Suspension Refinancing can be completed by the Financing Entity

in compliance with the Act, or on such other terms as would not have a Material Effect, without taking into account any financial terms, rates or levels.

7.04 No Impact on Adherence

For greater certainty, the occurrence of a Suspension Event or a failure by the FSM or the Financing Entity to perform its covenants under this Agreement will not invalidate or extinguish the obligations of the Province under the Limited Guarantee in respect of Approved Obligations in existence prior to the occurrence of the Suspension Event or in respect of any Post-Suspension Refinancing.

Pursuant to Subsection 5(3) of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**"), the Lieutenant Governor in Council may by order, authorize the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to agree to guarantee or indemnify certain debts, obligations, securities or undertakings associated with an Investment Interest.

Pursuant to an Order in Council 1981/2017 (the "**OIC**"), the Lieutenant Governor in Council has, among other things, authorized the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to enter into one or more agreements to guarantee or indemnify the debts, obligations, securities or undertakings of one or more financing entities established or caused to be established pursuant to Subsection 22(2) of the Act by the FSM and that may incur Funding Obligations in connection with one or more Investment Interests.

Pursuant to a Declaration of Trust dated as of ■, 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

The Financing Entity Trustee, in its capacity as trustee of the Financing Entity, and the Indenture Trustee are parties to the Trust Indenture and propose to create and issue series of notes, bonds and other securities as contemplated therein, and to provide security over the assets and undertaking of the Financing Entity in respect of such notes, bonds and securities, as well as other Obligations Secured.

The Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, have determined to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Primary Obligations that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions at the time the Approved Obligation is incurred. This Agreement sets out the terms and conditions of such protections and assurances.

All things necessary to make this Agreement a valid and legally binding agreement of the Province, the Financing Entity, the FSM and the Indenture Trustee, in accordance with the Act, the OIC and the Trust Indenture, have been done.

AGREEMENT OF THE PARTIES

The obligation of the Province in respect of any Original Currency due from it to the Indenture Trustee under this Agreement shall, notwithstanding any judgment or payment in such other currency, be discharged only to the extent that, on the Business Day following receipt of any sum so paid or adjudged to be due under this Agreement in the Second Currency, the Indenture Trustee may, in accordance with normal banking procedures, purchase in the New York foreign exchange market the Original Currency with the amount of the Second Currency so paid or so adjudged to be due; and if the amount of the Original Currency so purchased is less than the amount originally due in the Original Currency, the Province shall indemnify the Indenture Trustee against such loss.

(b) The term "rate of exchange" in this Section 1.19 means the spot rate at which the Indenture Trustee, in accordance with normal practice, is able on the relevant date to purchase the Original Currency with the Second Currency and includes any premium and costs of exchange payable in connection with such purchase.

ARTICLE II
AGREEMENT TO PERFORM APPROVED OBLIGATIONS

2.01 Limited Guarantee

(a) Upon the occurrence of a Protection Event, the Indenture Trustee may deliver a written demand, substantially in the form attached as **[Exhibit A]** (a "**Payment Demand**"), to the Province requiring the Province to make payments in respect of the Approved Obligations at the times, in the amounts and subject to the requirements specified in this Agreement. From and after such delivery of a Payment Demand, the Province shall make the following payments in respect of the Approved Obligations (the "**Limited Guarantee**"), the Financing Entity shall pay, and the Province shall be entitled to be paid, the Subrogation Amounts specified below, and the following terms shall apply:

i. Not less than three (3) Business Days prior to each day when any payment or payments are to be made in respect of one or more Approved Obligations occurring after such delivery of a Payment Demand (each such day, a "**Guarantee Payment Date**"), the Manager shall deliver a written statement setting forth the Aggregate Approved Obligations Amount, if any, in respect of the Approved Obligations that are due and payable on such Guarantee Payment Date, together with a detailed description identifying such Approved Obligations and the nature and amount of payments due and payable thereunder on the Guarantee Payment Date, the aggregate outstanding amount payable by the Financing Entity under such Approved Obligations as of the date of such written statement, and details regarding any default in performance by any party obligated thereunder.

ii. On each such Guarantee Payment Date, the Province shall deposit the Aggregate Approved Obligations Amount into the Protection Account.

iii. On each such Guarantee Payment Date, the Financing Entity and the Indenture Trustee shall ensure that the amounts on deposit in the Protection Account are applied to pay each Beneficiary to whom an amount is due and payable under an Approved Obligation on the Guarantee Payment Date the Approved Obligation Amount for such Beneficiary in respect of such Approved Obligation on such Guarantee Payment Date; provided that if the amount deposited pursuant to clause 2.01(a)ii is insufficient to pay all such Approved Obligation Amounts in full, the amount on deposit in the Protection Account on the Guarantee Payment Date shall be applied to pay Beneficiaries in the order of

priority in which such Approved Obligations are payable under the payment provisions of the Trust Indenture applicable to the making of such payments on the Guarantee Payment Date (each, a "**Beneficiary Payee**" and each payment made to a Beneficiary Payee on a Guarantee Payment Date, a "**Guarantee Payment**").

iv. On the first Guarantee Payment Date and on each subsequent Guarantee Payment Date, Payment Date or other day on which any amount is required to be paid in respect of any Obligations Secured under the Trust Indenture (a "**Subrogation Payment Date**"), the Issuer and the Indenture Trustee shall ensure that the applicable payment provisions of the Trust Indenture shall be applied and operate on the following basis~~1~~:

(A) If such day is a Guarantee Payment Date, then for each Approved Obligation for which amounts are paid to a Beneficiary Payee on such day pursuant to clause 2.01(a)iii in respect of principal, interest or any other amounts ("**Payable Approved Amounts**"), the amounts payable by the Financing Entity in respect of such amounts for such Approved Obligation shall be reduced by the respective amounts of such payments to the Beneficiary Payee, and equivalent amounts shall be payable by the Financing Entity to the Province as "**Subrogation Amounts**" in respect of such Approved Obligations, such Subrogation Amounts being payable in the same order of priority and with the same entitlements accruing to the Province as applied in respect of the related Payable Approved Amounts which were previously owing to the Beneficiary Payee, and to reflect this subrogation the payments set out in clause 2.01(a)iv(B) below shall be made by the Financing Entity.

(B) If the Province has made all deposits required to be made by it on each Guarantee Payment Date occurring on or before such day in accordance with clause 2.01(a)ii (or the related Approved Obligation Amounts have otherwise all been paid in full), then in respect of each Approved Obligation for which any related Subrogation Amounts have not yet been paid in full to the Province, the Financing Entity shall pay to the Province from amounts available under

~~1 Explanatory Note: The deletion of the paramountcy provision is acceptable as long as section 2.01 if fully reflected in the Trust Indenture. To be confirmed.~~

the Trust Indenture payment provisions and in accordance with the priority of payment provisions in the Trust Indenture the amount that would be payable on such date in satisfaction of the relevant Payable Approved Amounts, as determined without regard to any Guarantee Payment paid on any Guarantee Payment Date and also without regard to the corresponding reduction of the amounts owing to present and former Beneficiary Payees pursuant to subclause 2.01(a)iv(A) up to the amount of the unpaid related Subrogation Amounts.

(C) No Beneficiary having a right to be paid an amount in respect of an Approved Obligation, and no other Person entitled under an Obligation Secured, in each case that ranks equal with or subordinate to the Payable Approved Amount in respect of which a Subrogation Amount is payable to the Province under subclause 2.01(a)iv(B), shall be entitled to make any claim or assert any right in or to the amounts paid or payable to the Province under such subclause (including any right of set-off, offset, reimbursement, contribution or indemnity) and no such Beneficiary or other Person shall have any right or interest in, to or under the Collateral or any proceeds therefrom in respect of any such Subrogation Amount.

(D) For greater certainty, the entitlements of the Province in respect of Subrogation Amounts arising in respect of Payable Approved Obligations that are interest and principal obligations on Notes shall be treated for all purposes of the Trust Indenture as interest and principal obligations, respectively, arising under Notes having the same priority as and any applicable voting rights[2] under the related Approved Obligations, and accordingly the Province (and any successor, assignee or transferee of such entitlements) shall be entitled to all of the rights, entitlements, interests and privileges of a Holder of such a Notes in accordance with the Trust Indenture, as supplemented by the Supplemental

[2] ~~Explanatory Note: As discussed, the Province understands that voting rights may be muted by the "outstanding" language in the Trust Indenture. Nevertheless, if voting rights would arise under the Trust Indenture they should be available to the Province.~~

Indenture or other indenture document under which the related Approved Obligations were issued.

(b) On each Guarantee Payment Date and upon demand by the Province, the Indenture Trustee shall release and pay to the Province free and clear of any Liens any amount remaining on deposit in the Protection Account that has not been applied to pay Guarantee Payments to Beneficiary Payees on the Guarantee Payment Date in accordance with clause 2.01(a)iii or that otherwise remains on deposit in the Protection Account on the relevant date.

(c) In preparing any payment instructions under the Trust Indenture, the Manager shall reflect the amounts payable under Section 2.01(a), if applicable.

(d) The Province shall, as a payee of Subrogation Amounts under clause 2.01(a)iv(B) and as a payee of any amounts payable under clause 2.01(~~a~~b)~~v~~, be a "Specified Creditor" under the Trust Indenture and have the benefit of the Collateral thereunder.

(e) For greater certainty, the Limited Guarantee will not apply to any amount or obligation of the Financing Entity that is not or does not arise under an Approved Obligation and will be limited to the right to receive the Approved Obligation Amounts, if any, for payment to Beneficiary Payees and will be subject to the priorities and to the Province's rights to Subrogation Amounts, set forth in Section 2.01(a).

(f) Except as expressly provided in this Agreement, the Province's obligation to provide and perform the Limited Guarantee shall be irrevocable, absolute and unconditional.

(g) Any amount payable by the Province under the Limited Guarantee in respect of an Approved Obligation that is not paid by the Province when required herein shall bear interest from the applicable due date until paid in full at the rate or rates expressed to be payable on the Approved Obligation by their terms.

(h) Any amount payable to the Province in respect of a Subrogation Amount shall bear interest from and including the date of payment by the Province of the related Guarantee Payment to but excluding the date of payment of the Subrogation Amount to the Province, such interest to accrue at the rate equivalent to the applicable interest rate borne by the related Approved Obligation, and such interest amounts shall be added to their respective Subrogated Amounts and shall consequently be payable in the same priority as the relevant Subrogated Amount under clause 2.01(a)iv(B), all such accruing interest amounts to be calculated and

added to the Subrogation Amounts by the Manager in its discretion acting in a commercially reasonable fashion.

(i) The right to deliver a Payment Demand and thereupon enforce the Limited Guarantee shall constitute the only remedy available to the Indenture Trustee (and to the Beneficiaries, to the extent they are permitted to exercise any rights, interests, or elections under and in accordance with the Trust Indenture) under this Agreement. Under no circumstances shall the Province be obligated to pay or indemnify the Indenture Trustee or any Beneficiary for consequential, special or punitive damages, or for economic loss or loss of profits; provided that, for greater certainty, economic loss shall not include any amount in respect of any amount due and payable to a Beneficiary Payee under the Limited Guarantee.

2.02 Intentionally Deleted.

2.03 Absence of Set-off

Subject to applicable law, the Province acknowledges and agrees that each payment to be made by the Province hereunder in respect of an Approved Obligation shall be made as required in whole, without application of any right of set-off and without regard to any equities as between or among any of the Province, the Beneficiaries and/or the Indenture Trustee.

2.04 Payment into Protection Account in Satisfaction

(a) On or before the date of delivery of a Payment Demand to the Province, the Indenture Trustee shall cause to be established and maintained an Eligible Deposit Account (the "**Protection Account**") in the name of the Indenture Trustee, bearing a designation clearly indicating that the funds and other property credited thereto are held for the benefit of the Indenture Trustee and the Beneficiaries. The Protection Account shall be under the control of the Indenture Trustee for the benefit of the Beneficiaries. If, at any time, the institution holding the Protection Account ceases to be an Eligible Institution, the FSM shall notify the Indenture Trustee, and the Indenture Trustee upon being notified in writing of such ineligibility (or the FSM on its behalf) shall within 30 days (or such longer period, not to exceed 45 days, so long as the Rating Agency Condition is satisfied) establish a new Protection Account that is an Eligible Deposit Account and shall transfer any funds or other property from such Protection Account to such new Protection Account. From the date each such new Protection Account is established, it shall be the "Protection Account" for purposes of this Agreement. Funds credited to the Protection Account will be invested and held in accordance with Section **[7.03]** of the Trust Indenture on the basis that it is an Issuer Account.

(b) Notwithstanding the priority of payment requirements set forth in the Trust Indenture and any legal rule concerning the imputation of payments, the Financing Entity and the Indenture Trustee shall ensure that all amounts paid by the Province

into the Protection Account on a Guarantee Payment Date in respect of an Approved Obligation are applied to pay the amounts due and payable to the Beneficiary Payee as and to the extent provided for in Section 2.01(a). Upon a payment having been made by or on behalf of the Province into the Protection Account, the amounts so paid shall for all purposes be considered to have been applied to pay the applicable Beneficiary Payee as provided for in Section 2.01(a) and thereby reduce the amount due and payable to such Beneficiary Payee in respect of the applicable Approved Obligations, whereupon an affected Beneficiary Payee shall have no continuing rights, interests or entitlements (including rights as a secured party) in respect of the Approved Obligation to the extent so paid. For greater certainty, the obligations arising in respect of an applicable Approved Obligation shall not be reduced by such payment as the Province shall become entitled to be paid related Subrogation Amounts and the rights contemplated under Section 2.01(a) and Section 5.01 in relation to such continuing obligations.

2.05 Certain Waivers

The Province hereby waives:

(a) any requirement, and any right to require, that any power be exercised or any action be taken against the Financing Entity or any Collateral for any of the Approved Obligations;

(b) all notices which may be required by applicable law to preserve any rights against the Province hereunder, including any notice of default, demand, dishonour, presentment and protest;

(c) diligence; and

(d) any defence based upon, arising out of or in any way related to any claim that any election of remedies by the Beneficiaries impaired, reduced, released or extinguished any rights that the Province might otherwise have had against the Financing Entity or any other surety.

The Province agrees that each such waiver is made with full knowledge of its significance and consequences and if any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the maximum extent permitted by applicable law.

2.06 Additional Security

This Agreement shall be in addition to and without prejudice to any other security by whomsoever given, held at any time by the Indenture Trustee or for the benefit of any of the Beneficiaries.

2.07 Continuing Liability of the Province

The Approved Obligations shall be deemed not to have been paid, observed or performed, and the liability of the Province hereunder in respect thereof shall continue and not be discharged, to the extent that any payment, observance or performance thereof by the Financing Entity, or out of the proceeds of any Collateral, is recovered from or reimbursed by or for the account of any of the Beneficiaries for any reason, including a preference or fraudulent transfer or by virtue of any subordination (whether present or future or contractual or otherwise) of the Approved Obligations, whether such recovery or payment over is effected by any judgment, decree or order of any court or Governmental Authority, by any plan of reorganization or by settlement or compromise by any of the Beneficiaries (whether or not consented to by the Financing Entity or the Province) of any claim for any such recovery or payment over.

2.08 Continuance of the Limited Guarantee

Subject to Section 2.07, the Limited Guarantee shall continue in full force and effect until the indefeasible payment, observance and performance in full of the Approved Obligations in accordance with Section 8.01.

2.09 Modifications of Approved Obligations

The Province expressly authorizes the Indenture Trustee, at any time and from time to time, without notice and without affecting the liability of the Province hereunder, but subject to compliance with the requirements of the Program Agreements and this Agreement, to:

(a) accept new, additional or replacement instruments, documents, agreements or security in connection with all or any part of the Approved Obligations;

(b) accept partial payments on the Approved Obligations; and

(c) waive, release, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, compromise, liquidate and enforce all or any part of the Approved Obligations and any security or guarantee therefor, and apply any such security and direct the order or manner of sale thereof as the Indenture Trustee (for the benefit of the Beneficiaries) in its discretion may determine.

ARTICLE III
THE INDENTURE TRUSTEE

3.01 The Indenture Trustee

This Agreement is made in favour of the Indenture Trustee in its capacity as trustee under the Trust Indenture. Accordingly, in the event of a new trustee being appointed under the Trust Indenture, such new trustee shall thereupon become and be the Indenture Trustee hereunder, but nevertheless, the Indenture Trustee shall forthwith assign, transfer and make over to the new

trustee hereunder this Agreement. All provisions of the Trust Indenture for the protection of the Indenture Trustee or for facilitating the administration of the trusts or otherwise relating to the Indenture Trustee solely as to its holding of the rights thereunder shall apply *mutatis mutandis* to this Agreement and the Indenture Trustee's duties hereunder.

3.02 Acceptance of Trusts

The Indenture Trustee hereby accepts the trusts hereof and agrees to carry out and discharge the same unless and until a new trustee shall be appointed as contemplated in Section 3.01.

ARTICLE IV
APPROVED OBLIGATIONS

4.01 Approval Process

Except ~~as provided in Section 7.02,~~**in respect of any Primary Obligation to which the Limited Guarantee will not apply on or after a Suspension Notice is delivered in accordance with Section 7.02,** a Primary Obligation that is not a Certified Primary Obligation shall be an Approved Obligation. A Certified Primary Obligation shall constitute an Approved Obligation if (i) the Adherence Conditions applicable thereto have been satisfied at the time the Primary Obligation was incurred or (ii) the Province, in its sole discretion, designates in writing that it is an Approved Obligation.

4.02 Adherence Conditions

(a) The following shall be the Adherence Conditions applicable in relation to each Certified Primary Obligation:

i. the Certified Primary Obligation when incurred is an Obligation Secured under the Trust Indenture; and

ii. OPG, as FSM, delivers an Adherence Compliance Certificate in the form attached hereto as Exhibit B signed by the Chief Financial Officer and the Treasurer of OPG, or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) and addressed to the Indenture Trustee, on or before the incurrence of the Certified Primary Obligation (provided that delivery may not be more than 5 Business Days before the incurrence of the Certified Primary Obligation); and

iii. the Province has not provided a Suspension Notice to the Indenture Trustee, OPG and the Financing Entity.

(b) Without limiting any obligations of OPG to the Province arising other than pursuant to this Agreement, satisfaction of the Adherence Conditions for a

Certified Primary Obligation shall be deemed satisfaction of the Adherence Conditions in respect of all principal, interest and other amounts owing under the Certified Primary Obligation, as such Certified Primary Obligation may be amended, restated, supplemented or modified from time to time.

(c) For greater certainty, there shall be no Adherence Conditions applicable in relation to a Primary Obligation that is not a Certified Primary Obligation.

4.03 Evidence of Satisfaction

An Adherence Compliance Certificate delivered in accordance with clause 4.02(a)ii shall be determinative as to whether the applicable Adherence Condition with respect thereto has been satisfied, notwithstanding that such certificate may include inaccuracies, be incomplete or otherwise be defective or deficient, and such closing certificate may be relied upon by any addressee as conclusive evidence of same. An Adherence Compliance Certificate that purports on its face to be signed by officers specified in clause 4.02(a)ii may be relied upon by any addressee without further enquiry or evidence as to the incumbency or signatures of such officers. If an Adherence Compliance Certificate is not delivered in accordance with the timing requirements of clause 4.02(a)ii such certificate may be delivered at a later date, and be effective as if it had been delivered in accordance with the timing requirement of clause 4.02(a)ii if at the time such certificate was otherwise required to be delivered OPG had delivered to the Province all certifications required by the Province in connection with the adherence of the Limited Guarantee to the Certified Primary Obligation.

ARTICLE V
PROVINCE MATTERS

5.01 Assignment and Subrogation

(a) Upon paying an amount in respect of an Approved Obligation to or at the direction of the Indenture Trustee in satisfaction of the Limited Guarantee, the Province (in addition to and without prejudice to any rights it otherwise has in law or equity) shall be subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation to the extent of such payment, and shall be entitled to (i) the right and entitlement to be paid and receive the related Subrogation Amounts, (ii) the benefits of the related Collateral and (iii) all proceeds therefrom. The Province shall have and be entitled to enforce all rights and interests (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)), under and in respect of such Approved Obligation to the extent of the payment by the Province in respect of the Approved Obligation as an absolute assignee of the applicable Beneficiary, with effect from and after the time of such payment, without any further requirement for notice to or acceptance by

the Financing Entity of such absolute assignment and without any reduction, set-off or counterclaim on account of any amounts that may, at or after the time of payment, be or become owing by the Beneficiary to the Financing Entity and unaffected by any other rights or equities that arise thereafter as between the Beneficiary and the Financing Entity. The Indenture Trustee shall recognize the Province as being entitled to all of the rights, interests and entitlements of the Beneficiary (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)) in respect and to the extent of the Approved Obligation so paid, determined as of the time of payment, for all purposes under the Trust Indenture, and the Province shall be treated as a Specified Creditor in respect thereof for all purposes under the Trust Indenture and any other agreement under which the Approved Obligation arises.

(c) a representation or warranty made by OPG or a certification made by one or more officers of OPG, in each case whether as FSM or in its corporate capacity, to the Province in connection with its obligations to the Province and its internal requirements and processes in connection with the provision or adherence of the Limited Guarantee to or in respect of any Certified Primary Obligations, proves to be incorrect in any material respect on the date made and the expiration of any applicable cure period; or

(d) the FSM no longer being the Manager or actions having been taken by or on behalf of the Indenture Trustee to remove the FSM as the Manager;

the Province may ~~declare that the Limited Guarantee under this Agreement shall not apply to any Primary Obligations incurred on or after such declaration, excluding Post-Suspension Refinancings or Pre-Approved Refinancings, by delivering~~**deliver** a written notice in the form of Exhibit C (a "**Suspension Notice**") to the Indenture Trustee, the FSM and the Financing Entity.

7.02 Suspension

If, within such 30-day period, the Province elects to offer to fund such Post-Suspension Refinancing as provided in the preceding sentence, the Manager shall accept such offer; however, if the Province does not elect to offer to fund such Post-Suspension Refinancing, the Manager shall cause the Financing Entity to incur Primary Obligations constituting such a Post-Suspension Refinancing on substantially the same terms **(excluding, for greater certainty, any financial terms, rates or levels)** as ~~than~~ those set out in the Proposal if the Post-Suspension Refinancing can be completed by the Financing Entity in compliance with the Act, or on such other terms as would not have a Material Effect**, without taking into account any financial terms, rates or levels**.

7.04 No Impact on Adherence

For greater certainty, the occurrence of a Suspension Event or a failure by the FSM or the Financing Entity to perform its covenants under this Agreement will not invalidate or extinguish the obligations of the Province under the Limited Guarantee in respect of Approved Obligations in existence prior to the occurrence of the Suspension Event or in respect of any Post-Suspension Refinancing.

I see in Nina's email a reference to ISDA. Are we, under the change of law assumption agreement, guaranteeing any swaps that OPG trust may enter?

Hi Nina,

We will be reviewing your comments and mark-up.

On a related point, do you have available yet drafts of any of the other agreements that will be required in connection with a proposed issuance by the financing entity and that we have previously discussed and requested copies of

such as a draft supplemental indenture, draft disclosure documents, drafts of other agreements referenced in the master trust indenture to the extent they would be used in or related to an issuance by the Financing Entity etc. The Protection Agreement is proposed to work in the context of these other agreements and this would provide a better context for review by the Province. If they are not yet available, when are they expected to be available?

Thank you.

Toby – further to discussions between OPG and the Province, please find attached comments on the draft proposal under the Change of Law Protection Agreement (blacklined to the draft circulated below). The attached reflects our comments from accounting, operational and financeability perspectives. In particular, the financeability of the program will turn on whether there is a clear and concise way for investors to determine that an incurrence of funding obligations will be covered under the Change of Law Protection Agreement and that, once confirmed, the confirmation is irrevocable. Accordingly, we have proposed in the attached that a simple confirmation from OPG to a third party binds the Province in respect of the incurrence of the applicable funding obligations provided that OPG has satisfied the requirements of the approval process (which we propose be the subject of a separate procedures agreement or memo). Please note that the attached remains subject to the review of the working group including the dealers and the rating agencies.

Nina

Please find attached our comments on your response of October 6. We have moved the text of your email to the attached document and responded inline in square brackets for ease of review.

We recognize that we are running out of time, and that we should discuss and move this forward at the beginning of next week.

We also generally recognize that, although there are still some gaps in our respective approaches, we would find it helpful to have some more specific suggestions and comments on our Sept. 27 draft in order to help move this forward. This might include also the timing issues, with some indication of where, if OPG finds the timing does not work, some alternatives can be suggested for consideration.

Toby,

Thank you for your draft proposal; we have set out below our conceptual comments and concerns on it. Please note that the points below remain subject to the continuing review of OPG. Please also note that we have not yet sought the dealers' views on the proposal. We think it is premature to do so until we settle these points amongst ourselves and a revised draft of the proposal is circulated reflecting our agreement.

As further discussed below, your proposal deviates in some key ways from what we proposed in our email of September 19 (attached) and raises the accounting and operational issues we tried to avoid in the September 19th proposal. Given the need to settle the Protection Agreement as soon as possible, we'd appreciate if we could discuss these points early next week.

Best Regards,
Nina

Accounting Issues:
E&Y has concerns from an accounting perspective with the level of Provincial oversight and input on certain parts of the process, namely:

-that OPG will likely have to go back to the Province on each incurrence of debt and they will have to do so prior to that incurrence
-that OPG must certify and provide a lot of detailed reporting with respect to each incurrence of debt
-the level of frequency of reporting in general (not just the certifications/information noted above but also the contemplated annual forecasts and quarterly updates of those forecasts)
-the negative pledge with respect to the exercise of certain options on the debt
-the fact that OPG must give notice to the Province when incurring funding obligations that are expressly excluded from the Protection Agreement

Taken as a whole, we understand that E&Y sees all of this as the Province exerting a level of control on the debt that no typical guarantor would have. Please also advise

if the Province's accountants have reviewed the proposal.

Practical Issues:

- The procedural steps to bind the Province are lengthy and complicated. From our perspective, as drafted, OPG will likely have to seek Provincial approval on each debt issuance (which weakens the accounting as discussed above). The dealers and their counsel will have a reaction to the proposed adherence conditions but query whether there is value in setting out the adherence conditions in the Protection Agreement itself. Setting aside the mechanics of how we get there, the dealers want comfort that the incurrence of obligations by the financing entity will be covered by the Protection Agreement. We would propose that the mechanics of any approval process (once we settle the terms of that process) be the subject of a separate procedures agreement or memo from the Province to OPG, whereby the Province delegates to OPG the ability to bind the Province under the Protection Agreement with respect to an incurrence of obligations so long as the adherence conditions in the procedures agreement or memo have been met. The Protection Agreement would then simply state that, upon OPG certifying to the indenture trustee that the adherence conditions have been satisfied under the procedures agreement/memo, the Province will be deemed to be bound under the Protection Agreement with respect to the specific obligations incurred at the time of the certification.
- In addition to the accounting concerns, the level of detail and frequency of reporting required present timing and operational issues. For example, as part of the adherence conditions, you are asking for details on the interest rate. However, pricing will in part be driven off whether that specific incurrence will have the benefits of the Protection Agreement.

Drafting Issues:

- Please refer to the existing terminology of the Act to ensure there is certainty on the obligations covered under the Protection Agreement. We think the best way for you to approach this would be to refer to all finance amounts and then expressly carve out what you are proposing not be covered.
- We'd like to understand the reason OPG's management fees have been excluded. We assume you do not intend for OPG's reimbursement costs (costs incurred by OPG on behalf of the Financing Entity) to be excluded? Please advise why taxes are being excluded?
- There are a few references to "exceed the maximum amount specified therefor in the applicable governing document". Please advise what is being contemplated here.
- We have a number of other drafting comments which we'll revisit once we've settled on the conceptual points above and have reviewed a revised draft of the document.

Steve, Malle and Toby, further to our meeting the other day, set out below for your review is a proposal on the Provincial approval process under the Change of Law Assumption Agreement. Once we have your feedback on this, we will need to share it with Osler and the accountants and as John mentioned, we are under some time pressure to bring this to a resolution prior to the upcoming June 29 OPG Board meeting. We look forward to your comments, and feel free to reach out if you have any questions. -- Rima

Obligor Approval

The Change of Law Assumption Agreement will apply to all Specified Claims relating to Funding Obligations that are incurred by an Eligible Financing Entity in accordance with the Obligor's approval process. The definition of Specified Claims to be mutually agreed by all parties.

In order for a Financing Entity to become designated as an Eligible Financing Entity by the Obligor, prior to the initial issuance of Funding Obligations by such Financing Entity, the Obligor will be provided with copies of the following documents (collectively the "Program Documents") for review:

(i) the constating documents of such Financing Entity;
(ii) the management agreement between the Financing Entity and OPG;
(iii) the master transfer and servicing agreement between the Financing Entity

and the IESO;
(iv) the master trust indenture governing the issuance of Funding Obligations by the Financing Entity;
(v) a form of supplemental indenture governing the issuance of bonds, issuable in series, by the Financing Entity;
(vi) a form of note purchase agreement or credit agreement governing the issuance of short term Funding Obligations by the Financing Entity;
(vii) a form of schedule to an ISDA Master Agreement governing derivative transactions that may be entered into the Financing Entity from time to time; and
(viii) such other documents as may be requested by the Obligor.

Once a Financing Entity is designated by the Obligor as an Eligible Financing Entity, it will not be necessary for the Obligor to approve the documentation related to specific issuances of Funding Obligations; however, OPG will be expected to notify the Obligor of any new material program documentation or any material amendments to existing program documentation before such new documentation or amendments become effective. The failure of OPG to provide any such notice will not invalidate the application of the Change of Law Assumption Agreement to any Specified Claims.

It will not be necessary for the Obligor to approve each new issuance of Funding Obligations provided that such Funding Obligations are issued in accordance with following:

(1) The Funding Obligations are issued in accordance with agreements that contain: (a) covenants of the Eligible Financing Entity that are no more onerous in any material respect and (b) events of default that are consistent in all material respects, respectively, with the covenants of the Eligible Financing Entity and events of default contained in the draft Program Documents.

(2) At least [30 days] prior to the initial issuance of Funding Obligations by an Eligible Financing Entity, OPG will provide the Obligor with a forecast of the principal amount and expected term of the Funding Obligations that OPG expects such Eligible Financing Entity to issue in accordance with the Financing Plan in the next two years (a "Two Year Forecast"). The execution of the Change of Law Assumption Agreement in respect of such Eligible Financing Entity shall constitute the Obligor's approval of the issuance of Funding Obligations by such Eligible Financing Entity in accordance with the Two Year Forecast.

(3) OPG shall provide the Obligor with an updated Two Year Forecast between 9 and 12 months prior to the expiry of each current Two Year Forecast.

(4) Unless the Obligor provides OPG with a written notice no later than 3 months prior to the date following receipt of the current Two Year Forecast that the Change of Law Assumption Agreement will be inapplicable with respect to new Funding Obligations incurred following the expiry of the current Two Year Forecast, the Obligor will be deemed to approve the application of the Change of Law Assumption Agreement to all Funding Obligations incurred up to the expiry of the new Two Year Forecast.

At the time of issuance of Funding Obligations by an Eligible Financing Entity, the Financing Entity will provide (i) any required certifications to the underwriters/agents that such Funding Obligations are covered by the Change of Law Assumption Agreement; and (ii) notice to the Obligor of the material terms of the Funding Obligations issued, together with electronic copies of the final executed Program Documents.

That lines up with my recollection. In the process agreement on 4.01, the only point that I'll raise in addition to what you've written is that OPCD may have a view. On the Protection Agreement, I also had a note on 2.09c where I was wondering why they wouldn't want the consent of the Province if changing your obligations. On 5.01, we were wondering why OPG want to remove the subrogation after we've taken on the obligations, and why they would care at that point. For 7.04, we were wondering what is meant by collateral in this agreement, and whether it would

include sinking funds, because if it does, we should get the sinking funds, not leave them with OPG. One other point I had was on 9.07 and a question of why they'd want the Force Majeure clause removed.

Thanks for putting this together.

Hi Gadi,

As discussed, here are the areas that you may want to raise with Malle this afternoon before we arrange a meeting with the larger group:

<u>Process Agreement</u>

<!--[if !supportLists]-->• <!--[endif]-->2.01 Deliveries to the Province
- <!--[if !supportLists]-->o <!--[endif]-->No concerns with removing PILS/tax language

- <!--[if !supportLists]-->o <!--[endif]-->OPG likely to use boilerplate description of the guarantee

<!--[if !supportLists]-->• <!--[endif]-->2.02 (c) Indemnity

<!--[if !supportLists]-->• <!--[endif]-->4.01 Protection Agreement Maximum
- <!--[if !supportLists]-->o <!--[endif]-->CRITICAL – we can be flexible on the wording but we can't agree to removing Provincial approval of a maximum

<!--[if !supportLists]-->• <!--[endif]-->5.02 Reps and Warranties of the Province

<u>Protection Agreement</u>

<!--[if !supportLists]-->• <!--[endif]-->Need to review the Indemnity Agreement
<!--[if !supportLists]-->• <!--[endif]-->1.17 References to the Financing Entity
<!--[if !supportLists]-->o <!--[endif]-->No concerns with removing Trustee
<!--[if !supportLists]-->• <!--[endif]-->Article V

<!--[if !supportLists]-->• <!--[endif]-->5.01 Assignment and Subrogation
<!--[if !supportLists]-->• <!--[endif]-->7.04 Release of All Collateral

I've highlighted the last two because I'm not sure I understand what our concerns were on these two areas of the Agreement.

Hopefully these line up with your own notes, but I would recommend just scanning to make sure I haven't missed anything.

Thanks, Anna

Given our need to resolve these issues as soon as possible, this approach seems reasonable. Please let me know if you are ok with this approach, and I will share potential timing with you as I get more details. I've asked John to share the business issues prior to the session and will update you when I get more details.

IV. KEY COMMENTS AND CONSIDERATIONS

Under the *Fair Hydro Plan Act, 2017*, (FHPA), which enables Global Adjustments (GA) Refinancing, the Independent Electricity System Operator (IESO) will have a funding gap resulting from the reduction in amounts collected from consumers.

- IESO will incur a cash shortfall, as the amounts collected from the consumers of electricity (collected by local distribution companies) will be reduced, but the amounts paid to the generators of electricity will remain at the market and/or contractual rates.

The legislation enables IESO to record the under-collection of GA in a variance account, and deems this under-collected amount to be a "Regulatory Asset".

The OFHPA provides for IESO to sell all or a portion of the Regulatory Asset (i.e., to sell the right to recover those deferred amounts from specified consumers in the future). Under the FHPA, a Financing Entity (i.e., an entity established or caused to be established by OPG as the Financial Services Manager under the FHPA) will he the right, but not the obligation to purchase the regulatory asset, effectively financing the shortfall generated by the reduction in amounts collected from eligible ratepayers.

To purchase the regulatory asset from IESO, the Financing Entity will borrow a portion of the funds (planned to be 51%, with other financing to come from OPG and, indirectly the Province) from the capital markets.

OPG's financial advisors have indicated that without adequate protection against legislative and judicial risk, the debt would not be financeable. OPG, therefore, has advised that the Government of Ontario provide a protection agreement to the Financing Entity and prospective debt holders such that, under certain circumstances, the Province would pay the funding obligations of the Financing Entity.

- Providing this through Provincial assurance and guarantee provisions was recommended in a May 2017 TB/MBC item reviewing proposed FHPA.

What would trigger the protection agreement?

Ontario Financing Authority (OFA), the Ministry of Finance and external advisors recommend limiting activation of the protection agreement to the following circumstances (Appendix C provides the non-binding term sheet):

- Actions of the Legislative Assembly that undermine the financing arrangement, i.e., repeal or amendment of the FHPA/related regulations or new legislation that materially and adversely affects the ability of an OPG Financing Entity to receive amounts relating to its investments interest so that it can pay its funding obligations
- A court decision that declares the ability of an OPG Financing Entity to receive amounts on its investment interest so it can pay its funding obligations to be invalid; and
- A change in the organization or structure of the IESO or Ontario's electricity market undertaken at the initiative of the Province or an entity controlled by the Province that materially and adversely affects the ability of an OPG Financing Entity to receive amounts relating to its investment interest so that it can pay its funding obligations.

Financial:

If the protection agreement is provided, the Province takes on a contingent liability. The amount of the contingent liability would increase over the duration of Ontario's Fair Hydro Plan (OFHP) and peak at approximately $20B of debt (final cost forecasts TBC), including principal and accumulated interest.

- In the event the protection agreement is triggered, the Province's net debt would be expected to

increase by an amount equal to the contingent liability for the debt outstanding at that point in time.

- The Province's interest payments will also increase by the debt interest servicing of the debt payment obligations it will be required to make under the protection agreement. In addition there may be additional payments related to derivatives agreements and for service providers that the Province will be required to make. The fiscal impact of the increased interest payments will depend on the circumstances of the change (e.g. will the amounts continue to be recovered from the ratepayers through the clean energy adjustment as provided for under the FHPA).

Financial (Risk) – In the event the protection agreement is triggered:

The Province would be required to pay principal and interest on debt issued by the Financing Entity and other obligations of the Financing Entity as they come due (without acceleration). The Province may also be required to pay other obligations which may include payments under derivatives agreements (e.g. the Financing Entity might enter into interest rate swap agreements to hedge the interest rate payable on its issued debt) and to service providers.

- The Minister of Finance and Minister of Energy will negotiate terms and conditions as part of the proposed protection agreement that would provide a process for determining which future obligations, securities/derivatives would have the benefit of the protection agreement. The process and framework is currently under development but may include approving standard terms and conditions of debt issuances in advance, setting a maximum amount of debt that may be issued within a period.

This would likely have implications for the Province's fiscal plan and appropriation requirements.

- The Province's net debt would be expected to increase by an amount equal to the contingent liability for the debt outstanding at that point in time, and the Province may incur an expense equal to the amount of the debt.
- The Province's interest payments will also increase by the debt interest servicing of the debt payment obligations it will be required to make under the protection agreement. The worst case scenario would be the Province assuming the debt at its peak at which point interest on debt (IOD) expense could increase between $0.8B and $1.3B per annum (final cost forecasts TBC), depending on the interest rate at which the Financing Entity will be able to borrow at.
- In addition there may be additional payments on derivatives agreements and for service providers that the Province will be required to make.

The protection agreement would continue until all guaranteed obligations of the Financing Entity are fully discharged. In addition, the Province would have the option to directly replace the OPG Financing Entity with respect to its outstanding rights obligations and liabilities, but if the Province decided to do so additional authority would be required and may require a change in legislation.

The Ministries indicate that if the protection agreement is triggered, and the Province becomes responsible for the obligation to service and pay down the debt, that the magnitude of the fiscal impact (IOD expense) will depend on whether or not some portions of the OFHPA continue in some form, or not.

- For example, if the payment streams from ratepayers via the collection of the Clean Energy Adjustment (CEA) continue, this would offset the debt and interest payments, albeit not necessarily in the same fiscal period; however, if the CEA is ended (e.g., if the OFHPA is repealed or is determined by a court not to be constitutional) and not replaced by another authorized charge, the incremental IOD expense as well as any continued impact of reduced electricity rates would impact the Government's fiscal plan and likely takes away fiscal resources that can be otherwise used.

- Debt incurred to benefit the ratepayer could become the responsibility of the taxpayer.

TBS staff note the protection agreement, assuming the Board proceeds with the request, would be approved prior to the commercial agreements being finalized. Also from an accounting perspective, previously provided opinions/memos from KPMG re: IESO and EY re: OPG have yet to be updated.

Implementation
The Minister of Finance will be asked to approve for the purpose of FAA s. 28 the two Ministers seeking the OIC in the form attached to the final TB/MBC Submission.

The Minister of Finance will also be requested to approve under FAA s. 28 the final form of protection agreement to be entered into by the Minister of Energy and the Ministry of Finance as authorized by the OIC.

MOF Legal indicates the intention is that the protection agreement signed by the two Ministers would apply to all subsequent agreements entered into by the Financing Entity subject to compliance with the terms and conditions set out in the protection agreement. A section 28 approval of the protection agreement should cover these subsequent agreements. This may change as the protection agreement and the terms and conditions of the process have not been determined by the Ministers.

This Term Sheet is to be held confidential. Unless otherwise specified, defined terms used herein have the meanings ascribed to them in the Act. The provincial protection and assurance arrangements contemplated in this Term Sheet will include such terms and conditions as the Minister of Energy and the Minister of Finance determine to be appropriate. This Term Sheet is not intended to create any obligations or be binding.*

Change of Law Protection Agreement:	A Change of Law Protection Agreement will be among the Obligor, a Financing Entity and an Indenture Trustee, acting for and on behalf of the Beneficiaries in accordance with a Trust Indenture.
Obligor:	The Province of Ontario, by the Minister of Energy and the Minister of Finance acting together.
Indenture Trustee:	An indenture trustee, acting for itself and on behalf of other persons entitled under an applicable Trust Indenture.
Beneficiaries:	The Indenture Trustee, acting for itself and on behalf of other persons entitled under Specified Claims.
Specified Claims:	Payment obligations of the Financing Entity that are secured under the Trust Indenture and that are approved as contemplated below under Obligor Approval.
Protection Events:	Any of the following would constitute a Protection Event: (A) (1) the Legislature repeals (and does not replace on an equivalent basis) or amends the Act or any portion thereof; (2) the Legislature enacts or amends any other statute; (3) the Lieutenant Governor in Council repeals (and does not replace on an equivalent basis) or amends the Regulation made under the Act or any portion thereof; or (4) the Lieutenant Governor in Council, a minister of the Crown, an official of the government or a board or commission all the members of which are appointed by the Lieutenant Governor in Council makes or amends any "regulation" (as defined in Part III of the *Legislation Act, 2006*);

	(5) there is a change in the organization or structure of the IESO or Ontario's electricity market undertaken at the initiative of the Province or an entity controlled by the Province, in each case, that [materially][1] and adversely affects (a) the ability of the Financing Entity to receive amounts on its investment interest so that it can pay Specified Claims, or (b) the Change of Law Protection Agreement or any of the agreements under which Specified Claims arise, other than if the Indenture Trustee has confirmed in writing that the affect under such agreements is otherwise acceptable; or (B) a court of competent jurisdiction [in a final and non-appealable judgement][2] determines that all or a portion of the Act or the Regulation is *ultra vires* or invalid in a way that [materially][3] and adversely affects the ability of the Financing Entity to receive amounts on its investment interest so that it can pay Specified Claims.

The exercise of such right by the Indenture Trustee in accordance with the Trust Indenture shall constitute the only remedy available under the Change of Law Protection Agreement. Under no circumstances shall the Obligor be obligated to pay or indemnify a Beneficiary for consequential, special or punitive damages, or for economic loss or loss of profits.

Risk	Level of Risk	Risk Response
Refinancing GA costs through an OPG SPV Trust may increase costs and/or require provincial funding.	**Risk Likelihood:** Possible **Risk Impact:** Major **Time Scale:** 12 to 24 months **Rationale** • The proposed borrowing structure will be reviewed by credit agencies to allow OPG to borrow in the open market. Depending on assessment, there may be an impact on the interest rate for borrowing, the amount of equity / funding the province may need to provide and the requirement for a provincial guarantee. • As the OPG SPV/Trust will be borrowing in its own corporate capacity from the public markets, it will likely incur a higher interest cost compared to the Province's borrowing. • There is a risk that credit rating agencies may perceive OPG SPV/Trust's borrowing as debt supported by Province, impacting Province's own ratings and cost of borrowing. • If the Trust can't raise the full funding requirements, additional cash injections would be required. If the borrowing cap of $28B (in the March 1, 2017 Cabinet Submission) is reached sooner than forecast, the province may have to provide incremental funding to float the program to 2047. • Beyond 2022, when steep increases are required, there will likely be additional pressure on the province to offset a part of the scheduled increases. • Fiscal impacts will be subject to fluctuations in Ontario electricity demand, GA and interests rates in the medium-to long term. As well as if a protection agreement is called upon: o OPG, has advised that the Government of Ontario provide a change of law protection agreement to the Financing Entity and prospective debt holders such that, under certain circumstances, the Province would pay the funding obligations of the Financing Entity.	Risk can be mitigated by: • Providing a "provincial guarantee" for the cost of borrowing. • Drafting legislation to provide assurance to OPG and investors regarding the permanence of the GA refinancing framework and the authority of the legislation to pass the legislation; and enable the Province to guarantee borrowing of the trust in the event of a market disruption. • Specifics of a guarantee are dependent on the negotiation of agreements not yet initiated. Limiting triggers of a protection agreement to legislative (regulatory) changes and/or judicial decisions etc. • Equity injections from the province to support OPG as the owner and manager of GA refinancing and allow OPG to strengthen the capital structure of the Trust in order to secure financing at a reasonable cost.

> Below are questions, hopefully responses can be provided in advance of Chair's pre-brief on Wednesday afternoon (so responses by Wednesday morning to include in revised note, if needed).

- Draft sub takes about a Change of Law Protection Agreement and identifies three triggers. The first two make sense talking about legislative/regulation changes and judicial changes, the third dealing changes within IESO adversely impacting the Financing Entity does seem to be related to change of law. Please clarify.
    - Regarding the third trigger, is this in or out? If in, is there any consideration being given to the Province to narrow the very broad scope?
- What are derivative agreements? Payments under derivative agreements?
- Does the Province have any consideration/protection regarding the subsequent form of obligations, securities/derivatives that can be brought/offered to the market?
- Following this submission, will there be the typical submissions seeking s28 FAA approvals for the guarantee or indemnification provided? If not, how does the requested minute cover off s28 FAA?

Thanks in advance,

IV. KEY COMMENTS AND CONSIDERATIONS

Under the *Ontario Fair Hydro Plan Act, 2017*, (OFHPA), which enables Global Adjustments (GA) Refinancing, the Independent Electricity System Operator (IESO) will have a funding gap resulting from the reduction in amounts collected. The legislation enables IESO to record the under-collection of GA in a variance account, and deems this under-collected amount to be a "Regulatory Asset".

The OFHPA provides for the IESO to sell all or a portion of the Regulatory Asset (i.e., to sell the right to recover those deferred amounts from specified consumers in the future). Under the OFHPA, a Financing Entity (i.e., an entity established or caused to be established by OPG as the Financial Services Manager under the OFHPA) will purchase the regulatory asset, effectively financing the shortfall in current rates not received from the ratepayers.

To purchase the regulatory asset from IESO, the Financing Entity must borrow a portion of the funds (planned to be 51%, with other financing to come from OPG and, indirectly the Province) from the capital markets

OPG's financial advisors have indicated that without adequate protection against legislative and judicial risk, the debt would not be financeable. OPG, therefore, has advised that the Government of Ontario provide a change of law protection agreement to the Financing Entity and prospective debt holders such that, under certain circumstances, the Province would pay the funding obligations of the Financing Entity.

- Providing this, in a May 2017 TB/MBC item reviewing proposed Ontario Fair Hydro Plan legislation, through Province assurance and guarantee provisions, was recommended.

What would trigger the protection agreement?

Ontario Financing Authority (OFA), the Ministry of Finance and external advisors – consistent with OPG advice – recommend limiting activation of the protection agreement to the following circumstances (Appendix C provides the non-binding term sheet):

- Actions of the Legislative Assembly that undermine the financing arrangement, i.e., repeal or amendment of the OFHPA or new legislation that adversely affects the ability of an OPG Financing Entity to receive amounts relating to its investments interest so that it can pay its funding obligations
- A court decision that declares the ability of an OPG Financing Entity to receive amounts on its investment interest so it can pay its funding obligations to be invalid or unenforceable; and
- [Changes to the organization, structure or operations of IESO or a change in the electricity market structure or operations that adversely affects the ability of the Financing Entity to receive amounts on its investment interest such that it can pay its specified creditors, including making payments on its debt obligations.
  - *Note: this third protection event is not included in the current draft of the term sheet agreed to by Ministry of Finance staff; however, OPG is expected to continue to negotiate for its inclusion. It has been included in the TB submission, but may be removed once negotiations are complete, prior to TB/MBC consideration of this item on September 26, 2017.*]

….the third bullet isn't change of Law related?…

Financial:

If the protection agreement is provided, the Province takes on a contingent liability. The amount of the liability would increase over the duration of the OFHP and peak at an estimated $24B to $26B of debt (final cost forecasts TBC), including principal and accumulated interest.

- In the event the protection agreement is triggered, the Province's net debt would be expected to increase by an amount equal to the contingent liability for the debt outstanding at that point in time.
- The Province's interest payments will also increase by the debt interest servicing of the debt payment obligations it will be required to make under the protection agreement. In addition there may be additional payments on derivatives agreements and for service providers that the Province will be required to make.

Financial (Risk) – In the event the protection agreement is triggered:

The Province would be required to pay principal and interest on debt issued by the Financing Entity and other obligations of the Financing Entity as they come due (without acceleration). The Province may also be required to pay other obligations which may include payments under derivatives agreements and to service providers. This would likely have implications for the Province's fiscal plan and appropriation requirements.

- The Province's net debt would be expected to increase by an amount equal to the contingent liability for the debt outstanding at that point in time.
- The Province's interest payments will also increase by the debt interest servicing of the debt payment obligations it will be required to make under the protection agreement.
- In addition there may be additional payments on derivatives agreements and for service providers that the Province will be required to make.

The protection agreement would continue until all guaranteed obligations of the Financing Entity are fully discharged. In addition, the Province would also have the option to directly replace the OPG Financing Entity with respect to its outstanding rights obligations and liabilities, but if the Province decided to do so additional authority would be required.

The Ministries indicate that if the protection agreement is triggered, and the Province becomes responsible for the obligation to service and pay down the debt, that the magnitude of the fiscal impact (Interest On Debt (IOD) expense) will depend on whether or not some portions of the OFHPA continue in some form, or not.

- For example if the If the payment streams from ratepayers via the collection of the Clean Energy Adjustment (CEA) continue, this would offset the debt and interest payments; however, if the CEA is ended (e.g., if the OFHPA is repealed or is determined by a court not to be constitutional) and not replaced by another authorized charge, the incremental IOD expense would impact the Government's fiscal plan and likely takes away fiscal resources that can be otherwise used.
- Debt incurred to benefit the ratepayer becomes the responsibility of the taxpayer.

This Term Sheet is to be held confidential. Unless otherwise specified, defined terms used herein have the meanings ascribed to them in the Act. The provincial protection and assurance arrangements contemplated in this Term Sheet will include such terms and conditions as the Minister of Energy and the Minister of Finance determine to be appropriate. This Term Sheet is not intended to create any obligations or be binding on the parties.*

Change of Law Protection Agreement:	A Change of Law Protection Agreement will be among the Obligor, a Financing Entity and an Indenture Trustee, acting for and on behalf of the Beneficiaries in accordance with a Trust Indenture.
Obligor:	The Province of Ontario, by the Minister of Energy and the Minister of Finance acting together.
Indenture Trustee:	An indenture trustee, acting for itself and on behalf of other persons entitled under an applicable Trust Indenture.
Beneficiaries:	The Indenture Trustee, acting for itself and on behalf of other persons entitled under Specified Claims.
Specified Claims:	Payment obligations of the Financing Entity that are secured under the Trust Indenture and that are approved as contemplated below under Obligor Approval.
Protection Events:	Any of the following would constitute a Protection Event: (A) (1) the Legislature repeals (and does not replace on an equivalent basis) or amends the Act or any portion thereof; (2) the Legislature enacts or amends any other statute; (3) the Lieutenant Governor in Council repeals (and does not replace on an equivalent basis) the General Regulation made under the Act or any portion thereof; or (4) the Lieutenant Governor in Council, a minister of the Crown, an official of the government or a board or commission all the members of which are appointed by the Lieutenant Governor in Council

	makes or amends any "regulation" (as defined in Part III of the *Legislation Act, 2006*), in each case, that materially and adversely affects (a) the ability of the Financing Entity to receive amounts on its investment interest so that it can pay Specified Claims, or (b) the Change of Law Protection Agreement or any of the agreements under which Specified Claims arise, other than if the Indenture Trustee has confirmed in writing that the affect under such agreements is otherwise acceptable; or (B) a court of competent jurisdiction in a final and non-appealable judgement determines that all or a portion of the Act or the Regulation is *ultra vires* in a way that materially and adversely affects the ability of the Financing Entity to receive amounts on its investment interest so that it can pay Specified Claims.

APPENDIX E: PROFILE GLOBAL ADJUSTMENT SMOOTHING FOR RPP – ELIGIBLE ONLY – MAY 2017 TB/MBC SUBMISSION

The following graphic and table shows the multi-year profile of the planned approach to GA Smoothing that was included with the May 2017 TB/MBC Submission. The table below supports the Ministries assessment that the potential contingent liability under the protection agreement over the duration of the OFHP would peak at an estimated $24M to $26B (subject to final cost forecasts TBC), including principal and interest.

Notes: Assumes 30 year financing period and a nominal interest rate of 5% (compounded monthly). Ratepayer GA payments increase annually beyond 2020 such that the average monthly residential electricity bill increases by 6.3% per year to a maximum of $2.2 billion above the true cost of GA in any given year to cap repayment charges at around 10% of total bill. IESO forecast is based on IESO's revised OPO forecast as of February 2017. Includes the cancellation of LRP II and EFW, expansion of ICI. Does not include smoothed OPG rates. Above residential bill is based on a 750 kWh per month Toronto Hydro customer. Data shown above is by RPP period. Assumes RPP prices are adjusted in July 2021 instead of May 2021 to coincide with the end of the inflation cap. Fair allocation amounts subject to third party review.

APPENDIX F: OVERVIEW OF RISKS

Prepared by TBS staff, the following chart, as part of the May 2017 OFHP implementation update focused on the proposed legislation. It provides an overview of strategic (versus operational) risks to inform the approval/decision making process regarding the proposed legislation. Each part, GA Partial Refinancing & Electricity social programs, is a separate table.

The current submission, Change of Law Protection Agreement, is reflected under the risk "Refinancing GA costs through an OPG SPV Trust may increase costs and/or require provincial funding" (page 16) as part of risk mitigating strategy.

Global Adjustment Partial Refinancing:

Objective: Provide immediate ratepayer relief by capping rate increases at Consumer Price Index (CPI) for four years and refinancing GA costs over a longer period of time. Develop and implement a financing structure that increases provincial borrowing, but has no impact on annual provincial surplus/deficit.

Risk	Level of Risk	Risk Response
The determination of the appropriate legal and accounting treatment to be applied to the financing model may result in the costs of GA smoothing being allocated to the province.	**Risk Likelihood:** Possible **Risk Impact:** Critical **Time Scale:** 6 to 12 months **Rationale:** • The structure of the GA deferral was designed to result in an increase in provincial borrowing, no increase in net debt and no impact on surplus/deficit. • The proposal assumes GA refinancing does not have a fiscal impact because the legal authority and accounting treatments are met. • If a favourable legal and accounting treatment is not implemented, there could be a negative impact on the province's fiscal plan up to $2.5B in 2017-18 and rising. • Rating agencies and investors in the Province's debt may view all of the borrowing as an obligation of the Province, especially taking into account the nature of provincial guarantees, which could put pressure on the Province's credit rating and overall borrowing capacity. • Proposed structure may result in a negative response from Ontario Auditor General (OAG) due to previous concerns regarding recognition of rate regulated assets and liabilities. The AG has already expressed concerns regarding the accounting treatment on the IESO's books which could lead to a qualification of the Province's consolidated financial statements. • Initial assessment of the accounting considerations suggests that the proposed model is in alignment with established accounting standards.	Risk can be mitigated by: • Commissioning external opinions on the legal, fiscal and accounting requirements, which could be used by the Province to justify structure of financial model and be utilized in discussions with the OAG. • Identify potential options to minimize the balance of rate regulated assets remaining on the IESO's books at fiscal year-end.

Risk	Level of Risk	Risk Response
Uncertainty in the financial model due to dependence on assumptions that are subject to potential volatility may result in higher than anticipated future costs for rate payers and the province.	**Risk Likelihood:** Likely **Risk Impact:** Major **Time Scale:** More than 36 months **Rationale** • The financial model developed is a high level and aggregate model, which is built on independent forecasts. There are a large number of assumptions built into the model explicitly and implicitly (as a larger number of assumptions are embedded into the other forecasts that are used as inputs into the model). • The proposal financing structure will accrue total interest of about $26.2 billion, which is sensitive to many factors, including interest rate, natural gas and carbon prices, generation costs and demand levels.	Risk can be mitigated by: • Development of a risk-based outlook, based on an analysis of scenarios, to determine the financial impact of potential changes in variables used in the financial models. • Building permissive language in the legislation and regulations to allow for timely course correction mechanisms (i.e. higher payment amounts and/or rate increases) • Regulations to prescribe the methodology to be applied by the Ontario Energy Board (OEB) to determine electricity rates in response to potential deviation from forecasted financing plans.
A legal determination that the Province is spreading the costs of GA financing in order to lower the price in the short term by increasing the price in the long term may result in the GA charge characterized as a tax and deemed unconstitutional.	**Risk Likelihood:** Medium **Risk Impact:** High **Time Scale:** Long-Term (More than 36 months) **Rationale** • If characterized as a tax, the GA charge could be subject to legal challenge and struck down as unconstitutional, allowing consumers to recover their payments. • Likelihood dependent on the extent the government is not able to show a proper match between the cost of providing facilities for electricity generation and the group of consumers who benefit year to year. The bigger the reduction in charges to current consumers, the higher likelihood of the risk being realized. • Internal and external expertise have provided opinion that the proposed structure is constitutionally sound in the short-term (2017-18), but the likelihood of the risk increases in the proceeding four years, which will impact commitment to keep rate increase in line with CPI. • If annual increases in bills or the commodity prices are subject to caps, additional borrowing/provincial funding may be required.	Risk can be avoided by: • Imposition of a valid tax. • Change in policy (i.e. allow greater rate increases during the remainder of the rate mitigation phase and higher increases and payment amounts throughout rate increase and payment phase). • Use of public funds to ease pressure. Risk can be mitigated by: • Improve forecasting model and close monitoring of costs and changes in variables built into model. • Analyze the costs and benefits of the long lived assets (specifically usability beyond a 20 year period) to assist in determining a supportable GA deferral structure. • Draft legislation with built-in provisions to allow for the balance of the legislation to remain in effect if any particular clause or section is struck down by a court.

Risk	Level of Risk	Risk Response
Financing the costs of GA smoothing through OPG SPV/Trust and the volatility of interest rates may increase the cost of GA smoothing and/or require additional provincial funding.	**Risk Likelihood:** Possible **Risk Impact:** Moderate **Time Scale:** 12 to 24 months **Rationale** • The proposed structure will be reviewed by credit agencies to allow OPG to borrow in the open market. Depending on assessment, there may be an impact on interest rate for borrowing, the amount of equity/funding the province may need to provide and the requirement for a provincial guarantee. • As the OPG SPV/Trust will be borrowing in its own corporate capacity from the public markets, it will likely incur a higher interest cost compared to the Province's borrowing. • If the Trust can't raise the full funding requirements, additional cash injections would be required. If the borrowing cap of $28B is reached sooner than forecast, the province may have to provide incremental funding to float the program to 2047. • Beyond 2022, when steep increases are required, there will likely be additional pressure on the government to offset a part of the scheduled increases. • Risk that credit rating agencies may perceive OPG SPV/Trust's borrowing as debt supported by Province, impacting Province's ratings and cost of borrowing.	Risk can be avoided by: • Province providing a potential guarantee for the cost of borrowing – however, would redirect risk back to the Province and negate benefits of proposed financing structure. Risk can be mitigated by: • Equity injections from the province to support OPG as the owner and manager of GA refinancing and allow OPG to strengthen the capital structure of the Trust in order to secure financing at a reasonable cost. • Proposed legislation to enable GA refinancing has been draft with input from third-party financers. Provides a 'narrow' provincial guarantee and ensuring that debt holders have the right of action against a future government to recover the amount outstanding including interest, fees, expenses and any damages.

Risk	Level of Risk	Risk Response
The determination of the appropriate legal and accounting treatment to be applied to the financing model may result in the costs of GA Refinancing having a fiscal impact to the province.	**Risk Likelihood:** Possible **Risk Impact:** Critical **Time Scale:** 6 to 12 months **Rationale:** • The structure of the GA deferral was designed to result in an increase in provincial borrowing, no increase in net debt and no impact on surplus/deficit. • The proposal assumes GA refinancing does not have a fiscal impact because the legal authority and accounting treatments are met. • If a favourable legal and accounting treatment is not implemented, there would be a negative impact on the province's fiscal plan of up to $2.5B in 2017-18 and rising. • Rating agencies and investors in Province's debt may view all of the borrowing as an obligation of the Province, which could put pressure on the Province's credit rating and overall borrowing capacity. • The proposed structure may result in an opinion from the Ontario Auditor General (OAG) considering previous concerns regarding recognition of rate regulated assets and liabilities. The OAG may take this into account when the provincial books are audited. • An initial assessment of the accounting considerations suggests that the proposed model is in alignment with established accounting standards. Additional analysis is still required.	Risk can be mitigated by: • Commissioning external opinions on the legal, fiscal and accounting requirements, which could be used by the Province to support discussions of the financial model with the OAG.

Refinancing GA costs through an OPG SPV Trust may increase costs and/or require provincial funding.	**Risk Likelihood:** Possible **Risk Impact:** Major **Time Scale:** 12 to 24 months **Rationale** • The proposed borrowing structure will be reviewed by credit agencies to allow OPG to borrow in the open market. As well as if a protection agreement is called upon: o OPG, has advised that the Government of Ontario provide a change of law protection agreement to the Financing Entity and prospective debt holders such that, under certain circumstances, the Province would pay the funding obligations of the Financing Entity.	Risk can be mitigated by: • Providing a "provincial guarantee" for the cost of borrowing. • Drafting legislation to provide assurance to OPG and investors regarding the permanence of the GA refinancing framework and the authority of the legislation to pass the legislation; and enable the Province to guarantee borrowing of the trust in the event of a market disruption. • Specifics of a guarantee are dependent on the negotiation of agreements not yet initiated. Limiting triggers of a protection agreement to legislative (regulatory) changes and/or judicial decisions etc. • Equity injections from the province to support OPG as the owner and manager of GA refinancing and allow OPG to strengthen the capital structure of the Trust in order to secure financing at a reasonable cost.

Electricity social programs (Enhancing Electricity Support & Conservation Programs):

Objective: Shift funding of existing and new electricity support programs (RRRP, OESP, Affordability Fund, First Nations Credit) from rate to tax base.

Risk	Level of Risk	Risk Response
Uncertainty in forecasting due to exposure to changes and/or volatility (i.e. interest rates, electricity usage patterns, and distribution costs) may result in higher than anticipated fiscal impacts for the Province.	**Risk Likelihood:** Possible **Risk Impact:** Major **Timescale:** 12 to 24 months **Rationale:** • The energy sector is complex and a number of key assumptions used as inputs into forecasting model are variables/forecasts themselves, resulting in a high inherent risk that cost estimates are inaccurate. • Fiscal projection is highly dependent on factors which can fluctuate from year to year, including: o electricity usage; o distributions costs; and o consumer consumption patterns that may change due to extreme weather or other factors. • Fiscal projection is subject to knowledge of future distribution costs and dependent on submission of cost of service applications by Hydro One and LDCs. o Enhanced RRRP may create disincentives from the eligible LDCs towards productivity and performance improvements and/or cause ineligible LDC's to drive up distribution costs to gain access to program.	Risk can be mitigated by: • Development of a risk-based outlook, based on an analysis of scenarios, to determine the sensitivity and financial impact of potential changes in variables used in the forecasting models.

CHANGE OF LAW PROTECTION AGREEMENT

1. PROGRAM/BRANCH: Ontario Financing Authority

2. SUMMARY OF REQUEST:

Provide protection and assurance arrangements in respect of debts, obligations, securities or undertakings associated with investment interests acquired by one or more financing entities established by Ontario Power Generation Inc. pursuant to s. 22 of the *Ontario Fair Hydro Plan Act, 2017* ("OPG Financing Entities"), that, under certain circumstances as set out in the proposed arrangements the Province would pay when due amounts in respect of the obligations of the Financing Entity.

The Ministry of Finance and Ministry of Energy request that Treasury Board/Management Board of Cabinet:

(a) Authorize that the Minister of Finance and Minister of Energy, on behalf of Ontario, provide a protection agreement, to be authorized by Order in Council under the *Ontario Fair Hydro Plan Act, 2017* in respect of the debts, obligations, securities and undertakings of one or more OPG Financing Entities substantially reflecting the terms set out in the Provincial Protection and Assurances Indicative Term Sheet and subject to such revisions that the two ministers acting together may determine;

(b) Recommend to Cabinet an Order in Council, to be made under subsection 5(3) of the *Ontario Fair Hydro Plan Act, 2017* that authorizes the Minister of Finance and the Minister of Energy, acting together on behalf of the Province,

(i) to agree to guarantee or indemnify any debts, obligations, securities or undertakings associated with an investment interest; and

(ii) to determine terms and conditions of the guarantee or indemnity and the maximum liability for the guarantee or indemnity.

DRAFT

3. BACKGROUND:

On March 2, 2017, the government announced its proposed Ontario's Fair Hydro Plan (OFHP) to lower electricity bills by 25%, on average, for a typical residential consumer, and holding increases to the rate of inflation for four years. As part of OFHP, it was announced that a portion of the Global Adjustment (GA) would be refinanced in order to fairly allocate costs across present and future generations of electricity consumers with respect to investments made to decarbonize (i.e., phase-out coal) and modernize Ontario's electricity system (i.e., build and maintain a reliable electricity system). This would be achieved by spreading the cost of electricity investments so that they are shared proportionately by future consumers who cause a need for, or benefit from, the province's multi-billion dollar investments in electricity infrastructure.

To this end, immediate rate relief to eligible ratepayers is provided by deferring and spreading the cost recovery of electricity investments over a longer period of time. Under forecasts provided by the Ministry of Energy at the time of the OFHP announcement in March, the immediate reduction would be about $2.5 billion per year on average over the first ten years. The Ministry of Energy will report back to TB/MBC in fall 2017-18 with an update on out-year projections following analysis on rate applications before the Ontario Energy Board.

Under the *Ontario Fair Hydro Plan Act, 2017,* (the "OFHPA"), which enables GA Refinancing, the Independent Electricity System Operator (IESO) will have a funding gap resulting from the reduction in amounts collected over four years. The legislation enables IESO to record the under-collection of GA in a variance account, and deems this under-collected amount to be a "Regulatory Asset". The OFHPA provides for the IESO to sell all or a portion of the regulatory asset; i.e., the right to recover those deferred amounts from specified consumers in the future. Under the OFHPA, a Financing Entity (i.e., an entity established or caused to be established by OPG as the Financial Services Manager under the OFHPA) will purchase the regulatory asset, effectively financing the shortfall in current rates not received from the ratepayers.

To purchase the regulatory asset from IESO, the Financing Entity must borrow a portion of the funds (planned to be 51%, with other financing to come from OPG and, indirectly, the Province) from the capital markets; however, OPG's financial advisors have indicated that without adequate protection against legislative and judicial risk, the debt would not be financeable. OPG, therefore, has advised that the Government of Ontario provide a change of law protection agreement to the Financing Entity and prospective debt holders such that, under certain circumstances, the Province would pay the funding obligations of the Financing Entity.

OFA, the Ministry of Finance and external advisors – consistent with OPG advice – recommend limiting activation of the protection agreement to the following circumstances:

- Actions of the Legislative Assembly that undermine the financing arrangement, i.e., repeal or amendment of the OFHPA or new legislation that adversely affects the ability of an OPG Financing Entity to receive amounts relating to its investments interest so that it can pay its funding obligations;
- A court decision that declares the ability of an OPG Financing Entity to receive amounts on its investment interest so it can pay its funding obligations to be invalid or unenforceable; and
- [Changes to the organization, structure or operations of IESO or a change in the electricity market structure or operations that adversely affects the ability of the Financing Entity to receive amounts on its investment interest such that it can pay its specified creditors, including making payments on its debt obligations. *Note: this third protection event is not included in the current draft of the term sheet agreed to by Ministry of Finance staff; however, OPG is expected to continue to negotiate for its inclusion. It has been included in the TB submission, but may be removed once negotiations are complete, prior to TB/MBC consideration of this item on September 26, 2017*.]

In the event the protection agreement is triggered, the Province would be required to pay principal and interest on debt issued by the Financing Entity and other obligations of the Financing Entity as they come due (without acceleration). The Province may also be required to pay other obligations which may include payments under derivatives agreements and to service providers.

In addition, the Province would also have the option to directly replace the OPG Financing Entity with respect to its outstanding rights obligations and liabilities, but if the Province decided to do so additional authority would be required.

The protection agreement would continue until all guaranteed obligations of the Financing Entity are fully discharged.

Section 28 of the *Financial Administration Act (FAA), 1990* requires that the Minister of Finance's approval is obtained before a ministry seeks an Order in Council (OIC) to enter into a guarantee or indemnity that would increase the contingent liabilities of Ontario. In this case, the Minister of Finance, together with the Minister of Energy, is recommending the OIC to Cabinet and will, acting together with the Minister of Energy, determine the terms and conditions of and execute the proposed guarantee/indemnity in accordance with the OIC, if approved.

5. ADMINISTRATIVE IMPACTS:

To be managed by existing staff.

6. RISKS:

If the protection agreement is not approved, the Financing Entity would either be unable to raise sufficient financing from capital markets to purchase the regulatory asset from IESO or the cost of the financing will be potentially materially greater than it otherwise would be.

If the protection agreement is provided, the Province takes on a contingent liability. The amount of the liability would increase over the duration of the OFHP and peak at an estimated $24B to $26B of debt (final cost forecasts TBC), including principal and accumulated interest.

In the event the protection agreement is triggered, the Province's net debt would be expected to increase by an amount equal to the contingent liability for the debt outstanding at that point in time. The Province's interest payments will also increase by the debt interest servicing of the debt payment obligations it will be required to make under the protection agreement. In addition there may be additional payments on derivatives agreements and for service providers that the Province will be required to make.

While it is difficult to estimate the actual impact to the Province's interest on debt (IOD) expense, the worst case scenario would be the Province assuming the debt at its peak. If so, IOD expense may increase between $0.8B and $1.3B per annum (final cost forecasts TBC), depending on the interest rate at which the Financing Entity will be able to borrow at.

It is important to note that, if the protection agreement is triggered, and the Province becomes responsible for the obligation to service and pay down the debt, that the magnitude of the fiscal impact (IOD expense) will depend on whether or not some portions of the OFHPA continue in some form, or not. If the payment streams from ratepayers via the collection of the Clean Energy Adjustment (CEA) continue, this would offset the debt and interest payments; however, if the CEA is ended (e.g., if the OFHPA is repealed or is determined by a court not to be constitutional) and not replaced by another authorized charge, the incremental IOD expense would impact the Government's fiscal plan and likely takes away fiscal resources that can be otherwise used. Also, debt incurred to benefit the ratepayer becomes the responsibility of the taxpayer.

7. COMMUNICATION PLAN

Key Messages

- Ontario's Fair Hydro Plan has resulted in the biggest electricity rate reduction in Ontario's history.
- We have heard from Ontarians across the province that the price of electricity has risen too quickly, which is why we moved forward with a plan to ensure the costs are shared more evenly over the years ahead.
- The government is following through on its commitment to balance the books as announced in its 2017 Budget, while continuing to make investments in priority areas such as electricity price relief.

Strategic Approach

- Low-profile, reactive and targeted to industry stakeholders and government employees as necessary. Reactive messaging contingent upon legislative changes only with back-pocket QAs to support as needed.
- Communications support will continue to be led by the Ministry of Energy.

8. RECOMMENDATION

The Ministry of Finance and Ministry of Energy request that Treasury Board/Management Board of Cabinet:

(a) Authorize that the Minister of Finance and Minister of Energy provide a protection agreement, to be authorized by Order in Council under the *Ontario Fair Hydro Plan Act, 2017* in respect of the debts, obligations, securities and undertakings of one or more OPG Financing Entities substantially reflecting the terms set out in the Provincial Protection and Assurances Indicative Term Sheet and subject to such revisions that the two ministers acting together may determine;

(b) Recommend that Cabinet approve an Order in Council, in accordance with section 5 of the Ontario Fair Hydro Act, that authorizes the Minister of Finance and the Minister of Energy, acting together on behalf of the Province,

(i) to agree to guarantee or indemnify any debts, obligations, securities or undertakings associated with an investment interest; and
(ii) to determine terms and conditions of the guarantee or indemnity and the maximum liability for the guarantee or indemnity.

*This indicative term sheet (the "**Term Sheet**") relates to transactions contemplated to be undertaken under the Ontario Fair Hydro Plan Act, 2017 (the "**Act**") and the regulations made thereunder (the "**Regulation**"). This Term Sheet is to be held confidential. Unless otherwise specified, defined terms used herein have the meanings ascribed to them in the Act. The provincial protection and assurance arrangements contemplated in this Term Sheet will include such terms and conditions as the Minister of Energy and the Minister of Finance determine to be appropriate. This Term Sheet is not intended to create any obligations or be binding on the parties.*

Change of Law Protection Agreement:	A Change of Law Protection Agreement will be among the Obligor, a Financing Entity and an Indenture Trustee, acting for and on behalf of the Beneficiaries in accordance with a Trust Indenture.
Obligor:	The Province of Ontario, by the Minister of Energy and the Minister of Finance acting together.
Indenture Trustee:	An indenture trustee, acting for itself and on behalf of other persons entitled under an applicable Trust Indenture.
Beneficiaries:	The Indenture Trustee, acting for itself and on behalf of other persons entitled under Specified Claims.
Specified Claims:	Payment obligations of the Financing Entity that are secured under the Trust Indenture and that are approved as contemplated below under Obligor Approval.
Protection Events:	Any of the following would constitute a Protection Event: (A) (1) the Legislature repeals (and does not replace on an equivalent basis) or amends the Act or any portion thereof; (2) the Legislature enacts or amends any other statute; (3) the Lieutenant Governor in Council repeals (and does not replace on an equivalent basis) the General Regulation made under the Act or any portion thereof; or (4) the Lieutenant Governor in Council, a minister of the Crown, an official of the government or a board or commission all the members of which are appointed by the Lieutenant Governor in Council

	makes or amends any "regulation" (as defined in Part III of the *Legislation Act, 2006*), in each case, that materially and adversely affects (a) the ability of the Financing Entity to receive amounts on its investment interest so that it can pay Specified Claims, or (b) the Change of Law Protection Agreement or any of the agreements under which Specified Claims arise, other than if the Indenture Trustee has confirmed in writing that the affect under such agreements is otherwise acceptable; or (B) a court of competent jurisdiction in a final and non-appealable judgement determines that all or a portion of the Act or the Regulation is *ultra vires* in a way that materially and adversely affects the ability of the Financing Entity to receive amounts on its investment interest so that it can pay Specified Claims.
Obligation to Pay Specified Claims:	Upon the occurrence of a Protection Event, the Indenture Trustee will have the right to require the Obligor to pay the Specified Claims owing by the Financing Entity when they become due and payable (without acceleration). The exercise of such right by the Indenture Trustee in accordance with the Trust Indenture shall constitute the only remedy available under the Change of Law Protection Agreement. Under no circumstances shall the Obligor be obligated to pay or indemnify a Beneficiary for consequential, special or punitive damages, or for economic loss or loss of profits.
Subrogation:	Upon paying a Specified Claim to a Beneficiary, the Obligor as guarantor shall have rights of subrogation, including becoming entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Specified Claim, including the security interest in each related investment interest and related property of the Financing Entity and the obligations of the Financing Entity owing under the agreements under which the Specified Claim arises. The Financing Entity may not change or consent to any change in such rights and interests without the Obligor's prior written consent.

Optional Replacement:	At any time following the exercise by the Indenture Trustee of its right to require the Obligor to pay Specified Claims when due and payable, the Obligor shall be entitled (but not obligated) to replace the Financing Entity as obligor and debtor and directly assume all of the Financing Entity's outstanding obligations and liabilities. The Financing Entity (including through the Financial Services Manager) will ensure that any obligation and liabilities undertaken or assumed by it will by their terms permit such a replacement and assumption (or, if applicable, satisfaction and termination) by the Obligor without additional cost or penalty and without any requirement for further consent, approval or agreement.
Term:	The Change of Law Protection Agreement will continue for as long as any Specified Claim remains outstanding.
Obligor Approval:	The Change of Law Protection Agreement will become effective in respect of a Specified Claim (including any modification) only after the Obligor has confirmed in writing that the Change of Law Protection Agreement applies to such Specified Claim. The Change of Law Protection Agreement will annex the applicable forms of program and series documents under which obligations of the Financing Entity may arise (e.g., including the form of trust indenture and series supplemental indenture) and set out the terms and conditions and process for obtaining the Obligor's approval and confirmation that the Change of Law Protection Agreement will apply to Specified Claims. Such approval may be made conditional on such matters as may be specified by the Obligor, including a maximum amount applicable to Specified Claims. The Province's approval of the form of any IESO/Financing Entity transfer agreement and any amendments will also be required.
FIPPA:	The Change of Law Protection Agreement will acknowledge that the Obligor will be bound by the *Freedom of Information and Protection of Privacy Act* (Ontario) and that any information provided to the Obligor, or any agent or representative of the Obligor in connection with the Change of Law Protection Agreement, may be subject to disclosure in accordance with the act or as otherwise required by law.

Hi. In the interest of time, here are my preliminary comments on the version of the Process Agreement just circulated by Torys (at 4:39 this afternoon). You will see that there are several provisions that tie-in to what appear to be new proposed changes to the Protection Agreement – although we won't be able to understand them until that other document is circulated by Torys. I have highlighted those and a few other points for you to specifically consider, in yellow or in new footnotes. It would be helpful if you could review my interim mark-up, as you look over the blackline forwarded by Torys this afternoon (also attached here for your convenience), and let me know if you agree with my suggested revisions. Thanks, Steve

Blakes team,

Please find attached OPG and Torys' comments on the Process Agreement reflecting our discussions from yesterday's call. Please note that this draft is subject to continuing review and comment by Osler and the dealers. As discussed at the tail end of our call yesterday, the section in the Process Agreement that gives the Province the right to object to new and material changes to transaction documents dovetails with the Protection Agreement so additional comments from Oslers may be forthcoming on this draft.

We are working on getting you a revised draft of the Protection Agreement either later today or tomorrow. In the meantime, please let us know if you have any comments or questions on the Process Agreement.

Best Regards,

Nina

HER MAJESTY THE QUEEN IN RIGHT OF ONTARIO, AS REPRESENTED BY THE MINISTER OF ENERGY AND THE MINISTER OF FINANCE

AND

ONTARIO POWER GENERATION INC.

CHANGE OF LAW PROCESS AGREEMENT[1]

Dated as of [■], 2017

[1] Explanatory Note: Closing mechanics under consideration by the Province. Province to advise what is under consideration.

This **CHANGE OF LAW PROCESS AGREEMENT**, between Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), and Ontario Power Generation Inc. ("**OPG**") is made and entered into as of [■], 2017.

RECITALS

OPG is appointed as the Financial Services Manager under Section 18 of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**").

Pursuant to Section 22(2) of the Act, OPG, in its capacity as the Financial Services Manager (the "**FSM**"), may establish or cause to be established one or more financing entities (as defined in the Act), which may incur Funding Obligations in accordance with the Act.

Pursuant to a Declaration of Trust dated as of [■], 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

Concurrent with this Agreement, the Province, the FSM, the Financing Entity and the Indenture Trustee will enter into the Change of Law Protection Agreement under which the Province will agree to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Obligations Secured that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions.

Prior to entering into this Agreement, OPG provided the Province with the proposed forms of certain of the Transaction Documents listed on Exhibit "A", and the Province has not objected to such forms and has confirmed to OPG that such Transaction Documents constitute "Reference Documentation" for purposes of this Agreement.

Prior to entering into this Agreement, OPG, as the FSM, provided the Province with the initial Financing Plan, which includes the initial forecast (the "**Initial Forecast**") setting out OPG's expectations regarding the aggregate maximum amount of Repayments that would arise in the future under Approved Obligations to be incurred during the 24 month period from December 1, 2017 to November 30, 2019 (the "**Initial Forecast Period**") and the initial Protection Agreement Maximum (the "**Initial Protection Agreement Maximum**"). The Province has acknowledged receipt of the initial Financing Plan and has not objected to the Initial Forecast or the Initial Protection Agreement Maximum.

This Agreement sets out the obligations OPG has agreed to perform and assurances OPG has agreed to provide and on which the Province will rely in entering into and implementing the Change of Law Protection Agreement, including for the purposes of determining whether the Adherence Conditions have been satisfied and maintaining information related to the Program Agreements and the Approved Obligations.

All things necessary to make this Agreement a valid and legally binding agreement of OPG and the Province, have been done.

ARTICLE II
COVENANTS OF OPG

2.01 Deliveries to the Province

(a) OPG shall promptly deliver to the Province a copy of any proposed change to or replacement of the Financing Plan.

(b) Not less than 10 Business Days, or such lesser period as the Province may agree to in writing, prior to:

(i) any proposed change in the material terms or conditions applicable to a Primary Obligation in a previously provided Transaction Document becoming effective or otherwise being used, including regarding the timing of or circumstances under which related payments are or may become due or accrue (including as a result of any default, acceleration, termination, wind-up, liquidation or realization), or that would affect the Province's rights of subrogation or assignment (including pursuant to Sections 1.05, 2.01 or 5.01 of the Change of Law Protection Agreement) or its interests as a subrogee or an assignee, that would arise as a result of performing the Limited Guarantee in respect of the applicable Primary Obligation; provided, however, that the foregoing does not apply to any proposed change in particular financial terms, rates and levels, and

(ii) any additional or replacement Transaction Document becoming effective or otherwise being used,

OPG shall deliver to the Province a copy of such proposed change to the Transaction Document and any such additional or replacement Transaction Document.

(c) Promptly following (i) any change, modification, alteration, amendment, supplement, extension, renewal, compromise, novation, replacement, suspension or waiver of the terms of all or any part of the Approved Obligations or any Collateral therefor being made, (ii) any new, additional or replacement instruments, documents, agreements or security being used or granted in connection with all or any part of the Approved Obligations, or (iii) any waiver, release, reconveyance, termination, abandonment, subordination, exchange, substitution, transfer, compound, compromise, liquidation or enforcement of all or any part of the Approved Obligations or any security or guarantee therefor being effected, OPG shall deliver to the Province a detailed description of such event and the reasons for it together with any related documents, agreements and instruments.

(d) Promptly following any incurrence of a Funding Obligation or any amendment of a Funding Obligation, OPG shall provide the Province with electronic copies of all related Governing Documents and all other closing documents executed by or on behalf of the Financing Entity in connection with such incurrence or amendment that would affect the Financing Entity's assets or obligations (including, for greater certainty, any related Disclosure Document) and which have not been previously provided to the Province.

(e) Promptly upon request, OPG shall provide the Province with such additional information and documentation as the Province reasonably requests in order to enable the Province to assess the nature and extent of its obligations under the Change of Law Protection Agreement.

2.02 Covenants

(a) OPG shall use commercially reasonable efforts to cause the Financing Entity to:

(i) punctually perform and observe all of the Financing Entity's obligations and agreements contained in the Program Agreements;

(ii) ensure that all Obligations Secured are incurred pursuant to and in accordance with the terms and conditions of the Trust Indenture;

(iii) ensure that no obligations other than the Obligations Secured are incurred by or on behalf of the Financing Entity;

(iv) not engage in any business other than as permitted under the Declaration of Trust or the other Program Agreements and activities ancillary thereto; and

(v) not (unless waived in writing by the Province):

(A) amend, supplement, modify, restate or replace or waive or consent to a postponement of compliance with the terms and conditions on the part of any other party to any of the Program Agreements, if any such supplementation, amendment, modification, restatement or replacement or waiver or consent could reasonably be considered to be materially prejudicial to the rights or interests of the Province under the Change of Law Protection Agreement; provided, however, that the foregoing does not apply to any change in particular financial terms, rates and levels;

(B) extend, renew, compromise, novate, replace, suspend, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, liquidate or enforce the terms of all or any part of the Approved Obligations or any Collateral, if any such action could reasonably be considered to be materially prejudicial to the rights or interests of the Province under the Change of Law Protection Agreement; provided, however, that the foregoing does not apply to the extent that only particular financial terms, rates and levels are affected; or

(C) permit the validity or effectiveness of the Change of Law Protection Agreement to be impaired.

[NTD: As discussed, para (D) was deleted as a consequence of the Province's assumption right being deleted.]

(b) OPG shall:

(i) comply, and shall use commercially reasonable efforts to cause compliance by the Financing Entity, with the Act, the General Regulation and any other enactment related thereto;

(ii) punctually perform and observe all of its (including as the FSM and as Manager) obligations and agreements contained in the Program Agreements;

(iii) promptly notify the Province of the creation of any Funding Obligation that is not or would not be an Approved Obligation; and

(iv) after the occurrence of any Protection Event (or any event known to OPG that with the passage of time or the giving of notice would be a Protection Event), not, without the Province's prior written consent, permit the Financing Entity to exercise any redemption, pre-payment, early termination or extension right in respect of any Approved Obligation or exercise any other election or privilege in respect of any Approved Obligation, in each case if as a result the obligations applicable to the Approved Obligation under the Change of Law Protection Agreement would be accelerated, delayed or otherwise affected.

(c) The Province and OPG acknowledge that their obligations to each other under the Indemnity Agreement between the Province and OPG dated June 1, 2017 (as amended, the "**Indemnity Agreement**") are not amended by this Agreement and continue in full force and effect, notwithstanding that this Agreement is entered into subsequent to the Indemnity Agreement. ***[NTD: Torys and Blakes have mutually agreed to this language.]***

(d) The Province and OPG acknowledge that their obligations to each other under the Indemnity Agreement are not amended by the Change of Law Protection Agreement and continue in full force and effect, notwithstanding that the Change of Law Protection Agreement was entered into subsequent to the Indemnity Agreement. ***[NTD: Torys and Blakes have mutually agreed to this language.]***

ARTICLE III
PROCESS CERTIFICATE

3.01 Process Certificate

OPG shall deliver a certificate (the "**Process Certificate**"), signed by the Chief Financial Officer and the Treasurer of OPG or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) and addressed to the Province, on or before the incurrence or any amendment of a Funding Obligation, other than any Funding Obligation under which not more than $5,000,000 in the aggregate may become payable by the Financing Entity (provided that delivery

may not be more than 5 Business Days before the incurrence or amendment of the Funding Obligation), setting out the following with respect to such Funding Obligation:

(a) the material terms of the Funding Obligation pertaining to (i) in the case of notes, bonds or other securities, the principal amount, interest or discount rate, third party fees, term to maturity, amortization, redemption or extension features, structure and coupon frequency, as applicable, and (ii) in the case of a Derivative Agreement, OPG's best estimate of the expected notional amount, financial terms and pricing, benchmarks, payment structures and early termination rights; ***[NTD: OPG can only provide an estimate of these matters and the actual pricing may be different than what is provided in the certificate since the price is based on the spot market and subject to change.]***

(b) if an existing Funding Obligation is proposed to be amended, material details respecting such amendment, including regarding the applicable details set forth in Subsection 3.01(a), as the context requires;

(c) a statement to the effect that: (i) the Funding Obligation to be incurred or amended (1) will arise under terms and conditions that are Substantially in the Form of the Reference Documentation applicable thereto; (2) in the opinion of the signatories to the Process Certificate, are reasonably incurred or effected in compliance with the Act, the General Regulation, any other enactments related thereto and the applicable Financing Plan; (3) are of a type and are on terms that a reasonably prudent financial services manager would incur in similar circumstances; and (4) reflect, in all material respects, arm's length terms and conditions; and (ii) any Disclosure Document used in connection with the offering and sale of notes, bonds or other securities is Substantially in the Form of the Reference Documentation;

(d) a statement confirming that any disclosure made in respect of the Funding Obligation (including any Disclosure Document, press release or other written communication prepared for dissemination to third parties in relation to the Funding Obligation) that refers to or describes the terms, effect or adherence of or to this Agreement or the Change of Law Protection Agreement has been made available to the Province prior to use or dissemination, other than where such disclosure was substantially the same as a disclosure previously made;

(e) a statement that no Breach Event has occurred on or prior to the date of the Process Certificate, unless such Breach Event has been waived by the Province in writing; and

(f) confirmation that, at the time the Funding Obligation is incurred or amended, the maximum aggregate payment amounts due or becoming due in the future in respect of Repayments under the Funding Obligation, together with all other outstanding amounts due or becoming due in the future in respect of Repayments under all Approved Obligations, do not and will not exceed the Protection

Agreement Maximum applicable on the date that the Process Certificate is delivered; for clarity, Repayments under Obligations Secured owing in currencies other than Canadian dollars will be determined on the date the Process Certificate is delivered hereunder in accordance with the following:

(i) where a Derivative Agreement has been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the hedged value expressed in Canadian dollars; and

(ii) where a Derivative Agreement has not been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the noon spot rate for conversions of any currencies into Canadian dollars.

3.02 Acknowledgement regarding delivery of certificate under Change of Law Protection Agreement

The Province acknowledges and agrees that, concurrent with the delivery of the Process Certificate pursuant to Section 3.01 of this Agreement, the Chief Financial Officer and the Treasurer of OPG or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) are authorized to deliver the certificate referred to in Subsection 4.02(a)(ii) of the Change of Law Protection Agreement to the Indenture Trustee confirming that OPG has complied with all of its obligations to the Province and internal requirements and processes in connection with adherence of the Limited Guarantee to the incurrence of the Certified Primary Obligations in respect of which the certificate in Subsection 4.02(a)(ii) of the Change of Law Protection Agreement is being delivered; provided that, upon receipt of a Suspension Notice under the Change of Law Protection Agreement, OPG covenants not to deliver any further certificates to the Indenture Trustee under Subsection 4.02(a)(ii) of the Change of Law Protection Agreement but, for greater certainty, OPG, as FSM, may deliver a certificate referred to in Subsection 4.02(b)(ii) of the Change of Law Protection Agreement to the Indenture Trustee and the Province in connection with a Refinancing of a Primary Obligation in respect of which the Adherence Conditions in Subsection 4.02(a) of the Change of Law Protection Agreement had been satisfied at the time such Primary Obligation was incurred. ***[NTD: Conforming changes made to line up with Change of Law Protection Agreement.]***

3.03 Acknowledgement regarding delivery of Suspension Notice

The parties acknowledge and agree that the Province is entitled to deliver a Suspension Notice under Section 7.01 of the Change of Law Protection Agreement if a Program Breach or Breach Event has occurred. The Province agrees not to deliver a Suspension Notice pursuant to Section 7.01 of the Change of Law Protection Agreement unless a Program Breach or a Breach Event has occurred.

3.04 Meaning of "Reference Documentation"

For the purposes of Subsection 3.01(c), the term "Reference Documentation" shall mean each Transaction Document that, at the relevant time:

(a) is a Transaction Document listed on Exhibit "A"; or

(b) is a Transaction Document provided to the Province in accordance with Subsection 2.01(b) that has not been objected to by the Province, by delivery of an objection notice in writing delivered to OPG, within 10 Business Days after it is provided to the Province.

3.05 Meaning of "Substantially in the Form"

For the purposes of Subsection 3.01(c), the term "Substantially in the Form" shall mean:

(a) with respect to the Reference Documentation referred to in clauses (i) to (xi) of the definition of "Transaction Documents", that there are no differences between the proposed documents and such Reference Documentation that could result in a change in the material terms or conditions applicable to the applicable Primary Obligation, including regarding the timing of or circumstances under which related payments are or may become due or accrue (including as a result of any default, acceleration, termination, wind-up, liquidation or realization), or that would affect the Province's rights of subrogation or assignment (including pursuant to Sections 1.05, 2.01 or 5.01 of the Change of Law Protection Agreement) or its interests as a subrogee or an assignee, that would arise as a result of performing the Limited Guarantee in respect of the applicable Primary Obligation; provided, however, that the foregoing does not apply to any variable terms to be set forth in the proposed documents as are reasonably contemplated in the Reference Documentation, including the particular financial terms, rates and levels set forth in the proposed documents other than to the extent that the forms of Reference Documentation themselves specify specific requirements, limitations or parameters with respect to such financial terms, rates, levels and parameters; and

(b) with respect to the Reference Documentation referred to in clause (xii) of the definition of "Transaction Documents", that there are no material differences between the form and substance of the proposed Disclosure Document and such form of Disclosure Document and that the proposed Disclosure Document complies in all material respects with all applicable securities disclosure requirements relating to the Primary Obligation subject to distribution thereunder.

ARTICLE IV
PROTECTION AGREEMENT MAXIMUM

4.01 Protection Agreement Maximum

(a) Between nine (9) and twelve (12) months prior to the end of the Initial Forecast Period, OPG shall, as the FSM, deliver to the Province an updated forecast setting out the sum of (1) the aggregate amount of Repayments that will arise in the future under Approved Obligations that are then outstanding and (2) OPG's expectations regarding the aggregate maximum amount of Repayments that would arise in the future under Approved Obligations to be incurred during the period ending 24 months following the Initial Forecast Period, which expectation shall be consistent with the then applicable Financing Plan. Such updated forecast shall be further updated on a similar basis with respect to each successive 24 month period or more frequently if at any time OPG has knowledge that the most recent forecast is materially inaccurate (the Initial Forecast and each such updated forecast, each a "**Forecast**"). Together with each Forecast, OPG shall also provide a revised Protection Agreement Maximum, which may not exceed such Forecast.

(b) Not more than 10 Business Days, or such lesser period as the Province may agree to in writing, following receipt of any further Forecast and notice of the revised Protection Agreement Maximum from OPG pursuant to Section 4.01(a), the Province may disagree with such further Forecast or revised Protection Agreement Maximum on the basis that (i) there appears to be inaccuracies in the Financing Plan or such further Forecast, (ii) the further Forecast is inconsistent with the Financing Plan, or (iii) the revised Protection Agreement Maximum is more than the further Forecast. If the Province disagrees, OPG shall discuss any discrepancies with the Province, address any inaccuracies and inconsistencies to the reasonable satisfaction of the Province and OPG, and the revised Protection Agreement Maximum will be further revised accordingly and confirmed by an amended notice to the Province.

(c) For clarity, Repayments under Obligations Secured owing in currencies other than Canadian dollars will be valued at the time to be determined for the purposes of this Section 4.01 in accordance with the following:

(i) where a Derivative Agreement has been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the hedged value expressed in Canadian dollars; and

(ii) where a Derivative Agreement has not been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the noon spot rate for conversions of any currencies into Canadian dollars.

(e) There are no actions, suits or proceedings pending or, to the knowledge of OPG, threatened against or affecting the Financing Entity at law or in equity or before or by any Governmental Authority, or before any arbitrator of any kind, which would result in any material adverse change in the business, operations, prospects, properties, assets or condition, financial or otherwise, of the Financing Entity or in the ability of the Financing Entity to perform its obligations under the Program Agreements.

CHANGE OF LAW PROCESS AGREEMENT[1]

Dated as of [■], 2017

[1] Explanatory Note: Closing mechanics under consideration by the Province. **Province to advise what is under consideration.**

This **CHANGE OF LAW PROCESS AGREEMENT**, between Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), and Ontario Power Generation Inc. ("**OPG**") is made and entered into as of [■], 2017.

RECITALS

OPG is appointed as the Financial Services Manager under Section 18 of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**").

Pursuant to Section 22(2) of the Act, OPG, in its capacity as the Financial Services Manager (the "**FSM**"), may establish or cause to be established one or more financing entities (as defined in the Act), which may incur Funding Obligations in accordance with the Act.

Pursuant to a Declaration of Trust dated as of [■], 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

Concurrent with this Agreement, the Province, the FSM, the Financing Entity and the Indenture Trustee will enter into the Change of Law Protection Agreement under which the Province will agree to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Obligations Secured that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions.

Prior to entering into this Agreement, OPG provided the Province with the proposed forms of certain of the Transaction Documents **listed on Exhibit "A"**, and the Province has not objected to such forms **and has confirmed to OPG that such Transaction Documents constitute "Reference Documentation" for purposes of this Agreement.**

Prior to entering into this Agreement, OPG, as the FSM, provided the Province with the initial Financing Plan, which includes the initial forecast (the "Initial Forecast") *setting out OPG's expectations regarding the aggregate maximum amount of Repayments that would arise in the future under Approved Obligations to be incurred during the* **24 month period from December 1, 2017 to November 30, 2019** *(the "**Initial Forecast Period**")* **and** *the initial Protection Agreement Maximum* **(the "Initial Protection Agreement Maximum"). The Province has acknowledged receipt of the initial Financing Plan and has not objected to the Initial Forecast or the Initial Protection Agreement Maximum**.

This Agreement sets out the obligations OPG has agreed to perform and assurances OPG has agreed to provide and on which the Province will rely in entering into and implementing the Change of Law Protection Agreement, including for the purposes of determining whether the Adherence Conditions have been satisfied~~,~~ **and** maintaining information related to the Program Agreements and the Approved Obligations~~, and ensuring that the Province's assumption rights pursuant to Article VI of the Change of Law Protection Agreement may be exercised without impediment on the terms and conditions contemplated in this Agreement and the Change of Law Protection Agreement~~.

All things necessary to make this Agreement a valid and legally binding agreement of OPG and the Province, have been done.

If the Province disagrees, OPG shall discuss any discrepancies with the Province, address any inaccuracies and inconsistencies to the reasonable satisfaction of the Province and OPG, and the revised Protection Agreement Maximum will be further revised accordingly and confirmed by an amended notice to the Province.

HER MAJESTY THE QUEEN IN RIGHT OF ONTARIO, AS REPRESENTED BY THE MINISTER OF ENERGY AND THE MINISTER OF FINANCE

AND

ONTARIO POWER GENERATION INC.

CHANGE OF LAW PROCESS AGREEMENT

Dated as of [■], 2017

This **CHANGE OF LAW PROCESS AGREEMENT**, between Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), and Ontario Power Generation Inc. ("**OPG**") is made and entered into as of [■], 2017.

RECITALS

OPG is appointed as the Financial Services Manager under Section 18 of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**").

Pursuant to Section 22(2) of the Act, OPG, in its capacity as the Financial Services Manager (the "**FSM**"), may establish or cause to be established one or more financing entities (as defined in the Act), which may incur Funding Obligations in accordance with the Act.

Pursuant to a Declaration of Trust dated as of [■], 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

Concurrent with this Agreement, the Province, the FSM, the Financing Entity and the Indenture Trustee will enter into the Change of Law Protection Agreement under which the Province will agree to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Obligations Secured that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions.

Prior to entering into this Agreement, OPG provided the Province with the final forms of certain of the Transaction Documents, as described on Exhibit "A", and the Province has not objected to such forms and has confirmed to OPG that such Transaction Documents will constitute "Reference Documentation" for purposes of this Agreement.

Prior to entering into this Agreement, OPG, as the FSM, provided the Province with the initial Financing Plan, which includes the initial forecast (the "**Initial Forecast**") setting out OPG's expectations regarding the aggregate maximum amount of Repayments that would arise in the future under Obligations Secured to be incurred during the 24 month period from December 1, 2017 to November 30, 2019 (the "**Initial Forecast Period**") and the initial Protection Agreement Maximum (the "**Initial Protection Agreement Maximum**"). The Province has acknowledged receipt of the initial Financing Plan and has not disagreed with the Initial Forecast or the Initial Protection Agreement Maximum on the basis of an apparent inaccuracy in the Initial Forecast, an inconsistency between the Initial Forecast and the initial Financing Plan, or as a result of the Initial Protection Agreement Maximum being more than the Initial Forecast.

This Agreement sets out the obligations OPG has agreed to perform and assurances OPG has agreed to provide and on which the Province will rely in entering into and implementing the Change of Law Protection Agreement, including for the purposes of determining whether the Adherence Conditions have been satisfied and maintaining information related to the Program Agreements and the Approved Obligations.

All things necessary to make this Agreement a valid and legally binding agreement of OPG and the Province, have been done.

AGREEMENT OF THE PARTIES

In consideration of the respective agreements herein contained, the parties hereto covenant and agree as follows:

All covenants and agreements in this Agreement by the parties will bind their respective successors and permitted assigns, whether so expressed or not.

1.05 Severability

Each of the provisions contained in this Agreement is distinct and severable and a declaration of invalidity or unenforceability of any such provision or part thereof by a court of competent jurisdiction will not affect the validity or enforceability of any other provision hereof. To the extent permitted by applicable law, the parties waive any provision of law which renders any provision of this Agreement invalid or unenforceable in any respect.

1.06 Governing Law

THIS AGREEMENT WILL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE PROVINCE OF ONTARIO AND THE FEDERAL LAWS OF CANADA APPLICABLE THEREIN, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

1.07 Proceedings Against the Crown Act

NOTHING IN THIS AGREEMENT OR THE PROGRAM AGREEMENTS AFFECTS THE RIGHTS, PROTECTIONS AND IMMUNITIES OF THE CROWN UNDER THE PROCEEDINGS AGAINST THE CROWN ACT (ONTARIO).

1.08 Attornment

EACH PARTY SUBMITS TO THE EXCLUSIVE JURISDICTION OF ANY ONTARIO COURTS SITTING IN TORONTO IN ANY ACTION, APPLICATION, REFERENCE OR OTHER PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT. THE PARTIES HERETO HEREBY WAIVE ANY RIGHT THEY MAY HAVE TO REQUIRE A TRIAL BY JURY OF ANY PROCEEDING COMMENCED IN CONNECTION WITH THIS AGREEMENT.

1.09 Counterparts; Electronic Delivery

This Agreement may be executed in any number of counterparts, each of which so executed will be deemed to be an original, but all such counterparts will together constitute one and the same instrument. Delivery of an executed signature page to this Agreement by a party by electronic transmission will be as effective as delivery of a manually executed copy of the Agreement by such party.

1.10 Non-Business Days

Whenever any period of time would begin or end or any other action to be taken hereunder shall be stated to be required to be taken, on a day other than a Business Day, then (notwithstanding any other provision of this Agreement) such period of time shall begin or end, and such other action shall be taken on the next succeeding Business Day.

1.11 Waiver, Amendment

Except as expressly provided in this Agreement, no amendment or waiver of this Agreement will be binding unless executed in writing by the party to be bound thereby. No waiver of any provision of this Agreement will constitute a waiver of any other provision nor will any waiver of any provision of this Agreement constitute a continuing waiver unless otherwise expressly provided. A party's failure or delay in exercising any right under this Agreement will not operate as a waiver of that right. A single or partial exercise of any right will not preclude a party from any other or further exercise of that right or the exercise of any other right.

ARTICLE II
COVENANTS OF OPG

2.01 Deliveries to the Province

(a) OPG shall promptly deliver to the Province a copy of any proposed change to or replacement of the Financing Plan.

(b) Not less than 10 Business Days, or such lesser period as the Province may agree to in writing, prior to:

(i) any proposed change in the terms or conditions applicable to a Primary Obligation in a previously provided Transaction Document becoming effective or otherwise being used that could reasonably be expected to have a material effect on the obligations (including as a result of a change in the nature, scope or extent of the Primary Obligation and the affect on the Provinces obligations therefor under the Limited Guarantee) or rights of the Province under the Limited Guarantee, the Change of Law Protection Agreement or this Agreement, including any proposed change that could affect the timing of or circumstances under which related payments would or may become due or accrue (including as a result of any default, acceleration, termination, wind-up, liquidation or realization), or that could affect the Province's rights of subrogation or assignment (including pursuant to Sections 1.05, 2.01 or 5.01 of the Change of Law Protection Agreement) or its interests as a subrogee or an assignee, that would arise as a result of performing the Limited Guarantee in respect of the applicable Primary Obligation; provided, however, that a proposed change in particular financial terms, rates and levels would not be such a material change except to the extent that such proposed change would be a material change to any specific requirements, limitations or parameters with respect to such financial terms, rates and levels that were set forth in the previously provided Transaction Document, and

(ii) any additional, supplemental or replacement Transaction Document becoming effective or otherwise being used,

OPG shall deliver to the Province a copy of such proposed change to the Transaction Document and any such additional, supplemental or replacement Transaction Document.

(c) Promptly following (i) any change, modification, alteration, amendment, supplement, extension, renewal, compromise, novation, replacement, suspension or waiver of the terms of all or any part of the Approved Obligations or any Collateral therefor being made, (ii) any new, additional or replacement instruments, documents, agreements or security being used or granted in connection with all or any part of the Approved Obligations, or (iii) any waiver, release, reconveyance, termination, abandonment, subordination, exchange, substitution, transfer, compound, compromise, liquidation or enforcement of all or any part of the Approved Obligations or any security or guarantee therefor being

effected, OPG shall deliver to the Province a detailed description of such event and the reasons for it together with any related documents, agreements and instruments.

(d) Promptly following any incurrence of a Funding Obligation or any amendment of a Funding Obligation, OPG shall provide the Province with electronic copies of all related Governing Documents and all other closing documents executed by or on behalf of the Financing Entity in connection with such incurrence or amendment that would affect the Financing Entity's assets or obligations (including, for greater certainty, any related Disclosure Document) and which have not been previously provided to the Province.

(e) Promptly upon request, OPG shall provide the Province with such additional information and documentation as the Province reasonably requests in order to enable the Province to assess the nature and extent of its obligations under the Change of Law Protection Agreement.

2.02 Covenants

(a) OPG shall use commercially reasonable efforts to cause the Financing Entity to:

(i) punctually perform and observe all of the Financing Entity's obligations and agreements contained in the Program Agreements;

(ii) ensure that all Obligations Secured are incurred pursuant to and in accordance with the terms and conditions of the Trust Indenture;

(iii) ensure that no obligations other than the Obligations Secured are incurred by or on behalf of the Financing Entity;

(iv) not engage in any business other than as permitted under the Declaration of Trust or the other Program Agreements and activities ancillary thereto; and

(v) not (unless waived in writing by the Province):

(A) amend, supplement, modify, restate or replace or waive or consent to a postponement of compliance with the terms and conditions on the part of any other party to any of the Program Agreements, if any such supplementation, amendment, modification, restatement or replacement or waiver or consent could reasonably be considered to be materially prejudicial to the rights or interests of the Province under the Change of Law Protection Agreement; provided, however, that the foregoing does not apply to any change in particular financial terms, rates and levels;

(B) extend, renew, compromise, novate, replace, suspend, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, liquidate or enforce the terms of all or any part of the Approved Obligations or any Collateral, if any such action could reasonably be considered to be materially prejudicial to the rights or interests of the Province under the Change of Law Protection Agreement; provided, however, that the foregoing does not apply to the extent that only particular financial terms, rates and levels are affected; or

(C) permit the validity or effectiveness of the Change of Law Protection Agreement to be impaired.

[NTD: As discussed, para (D) was deleted as a consequence of the Province's assumption right being deleted.][PROVINCE TO CONSIDER DELETION OF "(D) allow the Financing Entity to enter into any Supplemental Indenture or Loan Agreement where any penalty or make-whole payment, or any requirement for further consent, approval or agreement, of the Specified Creditor party thereto would be required for the Province to assume the Obligations Secured thereunder." *This deletion is not inconsistent with the abandonment of the "assumption option", although Province to consider if leaving some foothold on the point is appropriate.*

(b) OPG shall:

(i) comply, and shall use commercially reasonable efforts to cause compliance by the Financing Entity, with the Act, the General Regulation and any other enactment related thereto;

(ii) punctually perform and observe all of its (including as the FSM and as Manager) obligations and agreements contained in the Program Agreements;

(iii) promptly notify the Province of the creation of any Funding Obligation that is not or would not be an Approved Obligation; and

(iv) after the occurrence of any Protection Event (or any event known to OPG that with the passage of time or the giving of notice would be a Protection Event), not, without the Province's prior written consent, permit the Financing Entity to exercise any redemption, pre-payment, early termination or extension right in respect of any Approved Obligation or exercise any other election or privilege in respect of any Approved Obligation, in each case if as a result the obligations applicable to the Approved Obligation under the Change of Law Protection Agreement would be accelerated, delayed or otherwise affected.

(c) The Province and OPG acknowledge that their obligations to each other under the Indemnity Agreement between the Province and OPG dated June 1, 2017 (as amended, the "**Indemnity Agreement**") are not amended by this Agreement and continue in full force and effect, notwithstanding that this Agreement is entered into subsequent to the Indemnity Agreement. ***[NTD: Torys and Blakes have mutually agreed to this language.]***

(d) The Province and OPG acknowledge that their obligations to each other under the Indemnity Agreement are not amended by the Change of Law Protection Agreement and continue in full force and effect, notwithstanding that the Change of Law Protection Agreement was entered into subsequent to the Indemnity Agreement. ***[NTD: Torys and Blakes have mutually agreed to this language.]***

ARTICLE III
PROCESS CERTIFICATE

3.01 Process Certificate

OPG shall deliver a certificate (the "**Process Certificate**"), signed by the Chief Financial Officer and the Treasurer of OPG or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) and addressed to the Province, on or before the incurrence or any amendment of a Funding Obligation, other than any Funding Obligation under which not more than $5,000,000 in the aggregate may become payable by the Financing Entity (provided that delivery may not be more than 5 Business Days before the incurrence or amendment of the Funding Obligation), setting out the following with respect to such Funding Obligation:

(a) the material terms of the Funding Obligation pertaining to (i) in the case of notes, bonds or other securities, the principal amount, interest or discount rate, third party fees, term to maturity, amortization, redemption or extension features, structure and coupon frequency, as applicable, and (ii) in the case of a Derivative Agreement, OPG's best estimate of the expected notional amount, financial terms and pricing, benchmarks, payment structures and early termination rights; ***[NTD: OPG can only provide an estimate of these matters and the actual pricing may be different than what is provided in the certificate since the price is based on the spot market and subject to change.]***

(b) if an existing Funding Obligation is proposed to be amended, material details respecting such amendment, including regarding the applicable details set forth in Subsection 3.01(a), as the context requires;

(c) a statement to the effect that: (i) the Funding Obligation to be incurred or amended (1) will arise under terms and conditions that are Substantially in the Form of the Reference Documentation applicable thereto; (2) in the opinion of the signatories to the Process Certificate, are reasonably incurred or effected in compliance with the Act, the General Regulation, any other enactments related thereto and the applicable Financing Plan; (3) are of a type and are on terms that a

reasonably prudent financial services manager would incur in similar circumstances; and (4) reflect, in all material respects, arm's length terms and conditions; and (ii) any Disclosure Document used in connection with the offering and sale of notes, bonds or other securities is Substantially in the Form of the Reference Documentation;

(d) a statement confirming that any disclosure made in respect of the Funding Obligation (including any Disclosure Document, press release or other written communication prepared for dissemination to third parties in relation to the Funding Obligation) that refers to or describes the terms, effect or adherence of or to this Agreement or the Change of Law Protection Agreement has been made available to the Province prior to use or dissemination, other than where such disclosure was substantially the same as a disclosure previously made;

(e) a statement that no Breach Event has occurred on or prior to the date of the Process Certificate, unless such Breach Event has been waived by the Province in writing; and

(f) confirmation that, at the time the Funding Obligation is incurred or amended, the maximum aggregate payment amounts due or becoming due in the future in respect of Repayments under the Funding Obligation, together with all other outstanding amounts due or becoming due in the future in respect of Repayments under all Approved Obligations, do not and will not exceed the Protection Agreement Maximum applicable on the date that the Process Certificate is delivered; for clarity, Repayments under Obligations Secured owing in currencies other than Canadian dollars will be determined on the date the Process Certificate is delivered hereunder in accordance with the following:

(i) where a Derivative Agreement has been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the hedged value expressed in Canadian dollars; and

(ii) where a Derivative Agreement has not been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the noon spot rate for conversions of any currencies into Canadian dollars.

3.02 Acknowledgement regarding delivery of certificate under Change of Law Protection Agreement

The Province acknowledges and agrees that, concurrent with the delivery of the Process Certificate pursuant to Section 3.01 of this Agreement, the Chief Financial Officer and the Treasurer of OPG or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) are authorized to deliver the certificate referred to in Subsection [4.02(a)(ii)][1] of the Change of Law

[1] Section change to be confirmed once Protection Agreement is recirculated.

Protection Agreement to the Indenture Trustee confirming that OPG has complied with all of its obligations to the Province and internal requirements and processes in connection with adherence of the Limited Guarantee to the incurrence of the Certified Primary Obligations in respect of which the certificate in Subsection [4.02(a)(ii)] of the Change of Law Protection Agreement is being delivered; provided that, upon receipt of a Suspension Notice under the Change of Law Protection Agreement, OPG covenants not to deliver any further certificates to the Indenture Trustee under Subsection [4.02(a)(ii)] of the Change of Law Protection Agreement [but, for greater certainty, OPG, as FSM, may deliver a certificate referred to in Subsection [4.02(b)(ii)] of the Change of Law Protection Agreement to the Indenture Trustee and the Province in connection with a Refinancing of a Primary Obligation in respect of which the Adherence Conditions in Subsection 4.02(a) of the Change of Law Protection Agreement had been satisfied at the time such Primary Obligation was incurred.][2] ***[NTD: Conforming changes made to line up with Change of Law Protection Agreement.]***

3.03 Acknowledgement regarding delivery of Suspension Notice

The parties acknowledge and agree that the Province is entitled to deliver a Suspension Notice under Section 7.01 of the Change of Law Protection Agreement if a Program Breach or Breach Event has occurred. The Province agrees not to deliver a Suspension Notice pursuant to Section 7.01 of the Change of Law Protection Agreement unless a Program Breach or a Breach Event has occurred.

3.04 Meaning of "Reference Documentation"

For the purposes of Subsection 3.01(c), the term "Reference Documentation" shall mean each Transaction Document that, at the relevant time:

(a) is a Transaction Document listed on Exhibit "A"; or

(b) is a Transaction Document (including any amended Transaction Document) provided to the Province in accordance with Subsection 2.01(b) that has not been objected to by the Province, by delivery of an objection notice in writing delivered to OPG, within 10 Business Days after it is provided to the Province.

[2] Note to Province: Changes have been made to the Protection Agreement that have not been circulated, so we are unable to understand the nature of this change. Torys gave Province a heads up on the 12/5 call that dealers would want any post-Suspension Refinancing not to itself be subject to the Adherence Conditions otherwise applying. This would be a new point and would significantly undermine the internal structure developed to allow the Province to know the scope of its potential obligations. In the absence of the Refinancing transaction being subject to the agreed Adherence Conditions, OPG would have no constraints on the nature and documentation of that Refinancing, and the Province would become subject to those Refinancing terms, whatever they are – without any ability to object or mitigate its exposure. Based on the current Protection Agreement requirements, any Refinancing would be subject to the "substantially in the form" requirements, which would mean that the key Refinancing terms would be unchanged, but the replacement financial terms would be unconstrained (e.g., to achieve a Refinancing, OPG could reprice the debt at a significantly higher interest rate to attract investors, and the Province would have no right to object). Blakes suggests that, if this in fact what is to be contemplated in the next Tory version of the Protection Agreement, OFA should reject this sort of significant weakening of the internal protections now contemplated and tell the dealers that unconstrained repricing flexibility will need to be sufficient to be assured that a Refinancing will be possible.

3.05 Meaning of "Substantially in the Form"

For the purposes of Subsection 3.01(c), the term "Substantially in the Form" shall mean:

(a) with respect to the Reference Documentation referred to in clauses (i) to (xi) of the definition of "Transaction Documents", that there are no differences between the proposed documents and such Reference Documentation that could result in a change in the material terms or conditions applicable to the applicable Primary Obligation, including regarding the timing of or circumstances under which related payments are or may become due or accrue (including as a result of any default, acceleration, termination, wind-up, liquidation or realization), or that would affect the Province's rights of subrogation or assignment (including pursuant to Sections 1.05, 2.01 or 5.01 of the Change of Law Protection Agreement) or its interests as a subrogee or an assignee, that would arise as a result of performing the Limited Guarantee in respect of the applicable Primary Obligation; provided, however, that the foregoing does not apply to any variable terms to be set forth in the proposed documents as are reasonably contemplated in the Reference Documentation, including the particular financial terms, rates and levels set forth in the proposed documents other than to the extent that the forms of Reference Documentation themselves specify specific requirements, limitations or parameters with respect to such financial terms, rates, levels and parameters; and

(b) with respect to the Reference Documentation referred to in clause (xii) of the definition of "Transaction Documents", that there are no material differences between the form and substance of the proposed Disclosure Document and such form of Disclosure Document and that the proposed Disclosure Document complies in all material respects with all applicable securities disclosure requirements relating to the Primary Obligation subject to distribution thereunder.

ARTICLE IV
PROTECTION AGREEMENT MAXIMUM

4.01 Protection Agreement Maximum

(a) Between nine (9) and twelve (12) months prior to the end of the Initial Forecast Period, OPG shall, as the FSM, deliver to the Province an updated forecast setting out the sum of (1) the aggregate amount of Repayments that will arise in the future under Approved Obligations that are then outstanding and (2) OPG's expectations regarding the aggregate maximum amount of Repayments that would arise in the future under Approved Obligations to be incurred during the period ending 24 months following the Initial Forecast Period, which expectation shall be consistent with the then applicable Financing Plan. Such updated forecast shall be further updated on a similar basis with respect to each successive 24 month period or more frequently if at any time OPG has knowledge that the most recent forecast is materially inaccurate (the Initial Forecast and each such updated

forecast, each a "**Forecast**"). Together with each Forecast, OPG shall also provide a revised Protection Agreement Maximum, which may not exceed such Forecast.

(b) Not more than 10 Business Days, or such lesser period as the Province may agree to in writing, following receipt of any further Forecast and notice of the revised Protection Agreement Maximum from OPG pursuant to Section 4.01(a), the Province may disagree with such further Forecast or revised Protection Agreement Maximum on the basis that (i) there appears to be inaccuracies in such further Forecast, (ii) the further Forecast is inconsistent with the Financing Plan, or (iii) the revised Protection Agreement Maximum is more than the further Forecast. If the Province disagrees, OPG shall discuss any discrepancies with the Province, address any inaccuracies and inconsistencies to the reasonable satisfaction of the Province and OPG, and the revised Protection Agreement Maximum will be further revised accordingly and confirmed by an amended notice to the Province.

(c) For clarity, Repayments under Obligations Secured owing in currencies other than Canadian dollars will be valued at the time to be determined for the purposes of this Section 4.01 in accordance with the following:

(i) where a Derivative Agreement has been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the hedged value expressed in Canadian dollars; and

(ii) where a Derivative Agreement has not been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the noon spot rate for conversions of any currencies into Canadian dollars.

ARTICLE V

(e) There are no actions, suits or proceedings pending or, to the knowledge of OPG, threatened against or affecting the Financing Entity at law or in equity or before or by any Governmental Authority, or before any arbitrator of any kind, which would result in any material adverse change in the business, operations, prospects, properties, assets or condition, financial or otherwise, of the Financing Entity or in the ability of the Financing Entity to perform its obligations under the Program Agreements.

(f) There are no actions, suits or proceedings pending or, to the knowledge of OPG, threatened against or affecting OPG at law or in equity or before or by any Governmental Authority, or before any arbitrator of any kind, which would result in any material adverse change in the business, operations, prospects, properties, assets or condition, financial or otherwise, of OPG or in the ability of the OPG to perform its obligations under this Agreement or any Program Agreements.

(g) The performance by the Financing Entity of the Program Agreements does not conflict with, will not conflict with, does not result in, and will not result in, any breach of, and does not constitute, a default under, the Declaration of Trust or any agreements or instruments to which the Financing Entity is a party or by which it or any of its property and assets are bound.

(h) Neither the execution nor delivery of this Agreement, the Program Agreements nor any agreements or instruments delivered pursuant hereto or thereto, the consummation of the transactions herein or therein, nor compliance with the terms, conditions and provisions hereof or thereof conflicts with or will conflict with, or results or will result in any breach of, or constitutes a default under, any of the provisions of the constating documents of OPG or any agreements or instruments to which OPG is a party or by which it or any of its property and assets are bound.

(b) a default in the performance, or breach, by OPG of Section 2.01(b)(i);

(c) any representation or warranty made by OPG in this Agreement, any certification made in a Process Certificate, or any certification made in a certificate contemplated by Subsection 4.02 of the Change of Law Protection Agreement, proves to be incorrect on the date made and, if curable, is not cured within thirty (30) days after written notice by the Province to OPG of such misrepresentation; or

(d) OPG is no longer the Manager or actions have been taken by or on behalf of the Indenture Trustee to remove OPG as the Manager.

HER MAJESTY THE QUEEN IN RIGHT OF ONTARIO, AS REPRESENTED BY THE MINISTER OF ENERGY AND THE MINISTER OF FINANCE

AND

ONTARIO POWER GENERATION INC.

CHANGE OF LAW PROCESS AGREEMENT[1]

Dated as of [■], 2017

[1] ~~Explanatory Note: Closing mechanics under consideration by the Province. Province to advise what is under consideration.~~

This **CHANGE OF LAW PROCESS AGREEMENT**, between Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), and Ontario Power Generation Inc. ("**OPG**") is made and entered into as of [■], 2017.

RECITALS

OPG is appointed as the Financial Services Manager under Section 18 of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**").

Pursuant to Section 22(2) of the Act, OPG, in its capacity as the Financial Services Manager (the "**FSM**"), may establish or cause to be established one or more financing entities (as defined in the Act), which may incur Funding Obligations in accordance with the Act.

Pursuant to a Declaration of Trust dated as of [■], 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

Concurrent with this Agreement, the Province, the FSM, the Financing Entity and the Indenture Trustee will enter into the Change of Law Protection Agreement under which the Province will agree to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Obligations Secured that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions.

Prior to entering into this Agreement, OPG provided the Province with the ~~proposed~~final forms of certain of the Transaction Documents~~ listed~~, as described on Exhibit "A", and the Province has not objected to such forms and has confirmed to OPG that such Transaction Documents will constitute "Reference Documentation" for purposes of this Agreement.

Prior to entering into this Agreement, OPG, as the FSM, provided the Province with the initial Financing Plan, which includes the initial forecast (the "**Initial Forecast**") setting out OPG's expectations regarding the aggregate maximum amount of Repayments that would arise in the future under ~~Approved~~ Obligations Secured to be incurred during the 24 month period from December 1, 2017 to November 30, 2019 (the "**Initial Forecast Period**") and the initial Protection Agreement Maximum (the "**Initial Protection Agreement Maximum**"). The Province has acknowledged receipt of the initial Financing Plan and has not ~~objected to~~disagreed with the Initial Forecast or the Initial Protection Agreement Maximum on the basis of an apparent inaccuracy in the Initial Forecast, an inconsistency between the Initial Forecast and the initial Financing Plan, or as a result of the Initial Protection Agreement Maximum being more than the Initial Forecast.

This Agreement sets out the obligations OPG has agreed to perform and assurances OPG has agreed to provide and on which the Province will rely in entering into and implementing the Change of Law Protection Agreement, including for the purposes of determining whether the

Adherence Conditions have been satisfied and maintaining information related to the Program Agreements and the Approved Obligations.

All things necessary to make this Agreement a valid and legally binding agreement of OPG and the Province, have been done.

AGREEMENT OF THE PARTIES

ARTICLE II
COVENANTS OF OPG

2.01 Deliveries to the Province

(a) OPG shall promptly deliver to the Province a copy of any proposed change to or replacement of the Financing Plan.

(b) Not less than 10 Business Days, or such lesser period as the Province may agree to in writing, prior to:

(i) any proposed change in the ~~material~~ terms or conditions applicable to a Primary Obligation in a previously provided Transaction Document becoming effective or otherwise being used~~, including regarding~~ that could reasonably be expected to have a material effect on the obligations (including as a result of a change in the nature, scope or extent of the Primary Obligation and the affect on the Provinces obligations therefor under the Limited Guarantee) or rights of the Province under the Limited Guarantee, the Change of Law Protection Agreement or this Agreement, including any proposed change that could affect the timing of or circumstances under which related payments ~~are~~would or may become due or accrue (including as a result of any default, acceleration, termination, wind-up, liquidation or realization), or that ~~would~~could affect the Province's rights of subrogation or assignment (including pursuant to Sections 1.05, 2.01 or 5.01 of the Change of Law Protection Agreement) or its interests as a subrogee or an assignee, that would arise as a result of performing the Limited Guarantee in respect of the applicable Primary Obligation; provided, however, that ~~the foregoing does not apply to any~~a proposed change in particular financial terms, rates and levels would not be such a material change except to the extent that such proposed change would be a material change to any specific requirements, limitations or parameters with respect to such financial terms, rates and levels that were set forth in the previously provided Transaction Document, and

(ii) any additional, supplemental or replacement Transaction Document becoming effective or otherwise being used,

OPG shall deliver to the Province a copy of such proposed change to the Transaction Document and any such additional, supplemental or replacement Transaction Document.

(c) Promptly following (i) any change, modification, alteration, amendment, supplement, extension, renewal, compromise, novation, replacement, suspension or waiver of the terms of all or any part of the Approved Obligations or any Collateral therefor being made, (ii) any new, additional or replacement instruments, documents, agreements or security being used or granted in connection with all or any part of the Approved Obligations, or (iii) any waiver, release, reconveyance, termination, abandonment, subordination, exchange, substitution, transfer, compound, compromise, liquidation or enforcement of all or

any part of the Approved Obligations or any security or guarantee therefor being effected, OPG shall deliver to the Province a detailed description of such event and the reasons for it together with any related documents, agreements and instruments.

(d) Promptly following any incurrence of a Funding Obligation or any amendment of a Funding Obligation, OPG shall provide the Province with electronic copies of all related Governing Documents and all other closing documents executed by or on behalf of the Financing Entity in connection with such incurrence or amendment that would affect the Financing Entity's assets or obligations (including, for greater certainty, any related Disclosure Document) and which have not been previously provided to the Province.

(e) Promptly upon request, OPG shall provide the Province with such additional information and documentation as the Province reasonably requests in order to enable the Province to assess the nature and extent of its obligations under the Change of Law Protection Agreement.

2.02 Covenants

(a) OPG shall use commercially reasonable efforts to cause the Financing Entity to:

(i) punctually perform and observe all of the Financing Entity's obligations and agreements contained in the Program Agreements;

(ii) ensure that all Obligations Secured are incurred pursuant to and in accordance with the terms and conditions of the Trust Indenture;

(iii) ensure that no obligations other than the Obligations Secured are incurred by or on behalf of the Financing Entity;

(iv) not engage in any business other than as permitted under the Declaration of Trust or the other Program Agreements and activities ancillary thereto; and

(v) not (unless waived in writing by the Province):

(A) amend, supplement, modify, restate or replace or waive or consent to a postponement of compliance with the terms and conditions on the part of any other party to any of the Program Agreements, if any such supplementation, amendment, modification, restatement or replacement or waiver or consent could reasonably be considered to be materially prejudicial to the rights or interests of the Province under the Change of Law Protection Agreement; provided, however, that the foregoing does not apply to any change in particular financial terms, rates and levels;

(B) extend, renew, compromise, novate, replace, suspend, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, liquidate or enforce the terms of all or any part of the Approved Obligations or any Collateral, if any such action could reasonably be considered to be materially prejudicial to the rights or interests of the Province under the Change of Law Protection Agreement; provided, however, that the foregoing does not apply to the extent that only particular financial terms, rates and levels are affected; or

(C) permit the validity or effectiveness of the Change of Law Protection Agreement to be impaired.

[NTD: As discussed, para (D) was deleted as a consequence of the Province's assumption right being deleted.][PROVINCE TO CONSIDER DELETION OF "(D) allow the Financing Entity to enter into any Supplemental Indenture or Loan Agreement where any penalty or make-whole payment, or any requirement for further consent, approval or agreement, of the Specified Creditor party thereto would be required for the Province to assume the Obligations Secured thereunder." *This deletion is not inconsistent with the abandonment of the "assumption option", although Province to consider if leaving some foothold on the point is appropriate.*

(b) OPG shall:

(i) comply, and shall use commercially reasonable efforts to cause compliance by the Financing Entity, with the Act, the General Regulation and any other enactment related thereto;

(ii) punctually perform and observe all of its (including as the FSM and as Manager) obligations and agreements contained in the Program Agreements;

(iii) promptly notify the Province of the creation of any Funding Obligation that is not or would not be an Approved Obligation; and

(iv) after the occurrence of any Protection Event (or any event known to OPG that with the passage of time or the giving of notice would be a Protection Event), not, without the Province's prior written consent, permit the Financing Entity to exercise any redemption, pre-payment, early termination or extension right in respect of any Approved Obligation or exercise any other election or privilege in respect of any Approved Obligation, in each case if as a result the obligations applicable to the Approved Obligation under the Change of Law Protection Agreement would be accelerated, delayed or otherwise affected.

(c) The Province and OPG acknowledge that their obligations to each other under the Indemnity Agreement between the Province and OPG dated June 1, 2017 (as amended, the "**Indemnity Agreement**") are not amended by this Agreement and continue in full force and effect, notwithstanding that this Agreement is entered into subsequent to the Indemnity Agreement. ***[NTD: Torys and Blakes have mutually agreed to this language.]***

(d) The Province and OPG acknowledge that their obligations to each other under the Indemnity Agreement are not amended by the Change of Law Protection Agreement and continue in full force and effect, notwithstanding that the Change of Law Protection Agreement was entered into subsequent to the Indemnity Agreement. ***[NTD: Torys and Blakes have mutually agreed to this language.]***

ARTICLE III
PROCESS CERTIFICATE

3.01 Process Certificate

OPG shall deliver a certificate (the "**Process Certificate**"), signed by the Chief Financial Officer and the Treasurer of OPG or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) and addressed to the Province, on or before the incurrence or any amendment of a Funding Obligation, other than any Funding Obligation under which not more than $5,000,000 in the aggregate may become payable by the Financing Entity (provided that delivery may not be more than 5 Business Days before the incurrence or amendment of the Funding Obligation), setting out the following with respect to such Funding Obligation:

(a) the material terms of the Funding Obligation pertaining to (i) in the case of notes, bonds or other securities, the principal amount, interest or discount rate, third party fees, term to maturity, amortization, redemption or extension features, structure and coupon frequency, as applicable, and (ii) in the case of a Derivative Agreement, OPG's best estimate of the expected notional amount, financial terms and pricing, benchmarks, payment structures and early termination rights; ***[NTD: OPG can only provide an estimate of these matters and the actual pricing may be different than what is provided in the certificate since the price is based on the spot market and subject to change.]***

(b) if an existing Funding Obligation is proposed to be amended, material details respecting such amendment, including regarding the applicable details set forth in Subsection 3.01(a), as the context requires;

(c) a statement to the effect that: (i) the Funding Obligation to be incurred or amended (1) will arise under terms and conditions that are Substantially in the Form of the Reference Documentation applicable thereto; (2) in the opinion of the signatories to the Process Certificate, are reasonably incurred or effected in compliance with the Act, the General Regulation, any other enactments related thereto and the applicable Financing Plan; (3) are of a type and are on terms that a

reasonably prudent financial services manager would incur in similar circumstances; and (4) reflect, in all material respects, arm's length terms and conditions; and (ii) any Disclosure Document used in connection with the offering and sale of notes, bonds or other securities is Substantially in the Form of the Reference Documentation;

(d) a statement confirming that any disclosure made in respect of the Funding Obligation (including any Disclosure Document, press release or other written communication prepared for dissemination to third parties in relation to the Funding Obligation) that refers to or describes the terms, effect or adherence of or to this Agreement or the Change of Law Protection Agreement has been made available to the Province prior to use or dissemination, other than where such disclosure was substantially the same as a disclosure previously made;

(e) a statement that no Breach Event has occurred on or prior to the date of the Process Certificate, unless such Breach Event has been waived by the Province in writing; and

(f) confirmation that, at the time the Funding Obligation is incurred or amended, the maximum aggregate payment amounts due or becoming due in the future in respect of Repayments under the Funding Obligation, together with all other outstanding amounts due or becoming due in the future in respect of Repayments under all Approved Obligations, do not and will not exceed the Protection Agreement Maximum applicable on the date that the Process Certificate is delivered; for clarity, Repayments under Obligations Secured owing in currencies other than Canadian dollars will be determined on the date the Process Certificate is delivered hereunder in accordance with the following:

(i) where a Derivative Agreement has been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the hedged value expressed in Canadian dollars; and

(ii) where a Derivative Agreement has not been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the noon spot rate for conversions of any currencies into Canadian dollars.

3.02 Acknowledgement regarding delivery of certificate under Change of Law Protection Agreement

The Province acknowledges and agrees that, concurrent with the delivery of the Process Certificate pursuant to Section 3.01 of this Agreement, the Chief Financial Officer and the Treasurer of OPG or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) are authorized to deliver the certificate referred to in Subsection [4.02(a)(ii)][1] of the Change of Law

[1] Section change to be confirmed once Protection Agreement is recirculated.

Protection Agreement to the Indenture Trustee confirming that OPG has complied with all of its obligations to the Province and internal requirements and processes in connection with adherence of the Limited Guarantee to the incurrence of the Certified Primary Obligations in respect of which the certificate in Subsection [4.02(a)(ii)] of the Change of Law Protection Agreement is being delivered; provided that, upon receipt of a Suspension Notice under the Change of Law Protection Agreement, OPG covenants not to deliver any further certificates to the Indenture Trustee under Subsection [4.02(a)(ii)] of the Change of Law Protection Agreement [but, for greater certainty, OPG, as FSM, may deliver a certificate referred to in Subsection [4.02(b)(ii)] of the Change of Law Protection Agreement to the Indenture Trustee and the Province in connection with a Refinancing of a Primary Obligation in respect of which the Adherence Conditions in Subsection 4.02(a) of the Change of Law Protection Agreement had been satisfied at the time such Primary Obligation was incurred.][2] ***[NTD: Conforming changes made to line up with Change of Law Protection Agreement.]***

3.03 Acknowledgement regarding delivery of Suspension Notice

The parties acknowledge and agree that the Province is entitled to deliver a Suspension Notice under Section 7.01 of the Change of Law Protection Agreement if a Program Breach or Breach Event has occurred. The Province agrees not to deliver a Suspension Notice pursuant to Section 7.01 of the Change of Law Protection Agreement unless a Program Breach or a Breach Event has occurred.

3.04 Meaning of "Reference Documentation"

For the purposes of Subsection 3.01(c), the term "Reference Documentation" shall mean each Transaction Document that, at the relevant time:

(a) is a Transaction Document listed on Exhibit "A"; or

(b) is a Transaction Document (including any amended Transaction Document) provided to the Province in accordance with Subsection 2.01(b) that has not been objected to by the Province, by delivery of an objection notice in writing delivered to OPG, within 10 Business Days after it is provided to the Province.

[2] Note to Province: Changes have been made to the Protection Agreement that have not been circulated, so we are unable to understand the nature of this change. Torys gave Province a heads up on the 12/5 call that dealers would want any post-Suspension Refinancing not to itself be subject to the Adherence Conditions otherwise applying. This would be a new point and would significantly undermine the internal structure developed to allow the Province to know the scope of its potential obligations. In the absence of the Refinancing transaction being subject to the agreed Adherence Conditions, OPG would have no constraints on the nature and documentation of that Refinancing, and the Province would become subject to those Refinancing terms, whatever they are – without any ability to object or mitigate its exposure. Based on the current Protection Agreement requirements, any Refinancing would be subject to the "substantially in the form" requirements, which would mean that the key Refinancing terms would be unchanged, but the replacement financial terms would be unconstrained (e.g., to achieve a Refinancing, OPG could reprice the debt at a significantly higher interest rate to attract investors, and the Province would have no right to object). Blakes suggests that, if this in fact what is to be contemplated in the next Tory version of the Protection Agreement, OFA should reject this sort of significant weakening of the internal protections now contemplated and tell the dealers that unconstrained repricing flexibility will need to be sufficient to be assured that a Refinancing will be possible.

3.05 Meaning of "Substantially in the Form"

For the purposes of Subsection 3.01(c), the term "Substantially in the Form" shall mean:

(a) with respect to the Reference Documentation referred to in clauses (i) to (xi) of the definition of "Transaction Documents", that there are no differences between the proposed documents and such Reference Documentation that could result in a change in the material terms or conditions applicable to the applicable Primary Obligation, including regarding the timing of or circumstances under which related payments are or may become due or accrue (including as a result of any default, acceleration, termination, wind-up, liquidation or realization), or that would affect the Province's rights of subrogation or assignment (including pursuant to Sections 1.05, 2.01 or 5.01 of the Change of Law Protection Agreement) or its interests as a subrogee or an assignee, that would arise as a result of performing the Limited Guarantee in respect of the applicable Primary Obligation; provided, however, that the foregoing does not apply to any variable terms to be set forth in the proposed documents as are reasonably contemplated in the Reference Documentation, including the particular financial terms, rates and levels set forth in the proposed documents other than to the extent that the forms of Reference Documentation themselves specify specific requirements, limitations or parameters with respect to such financial terms, rates, levels and parameters; and

(b) with respect to the Reference Documentation referred to in clause (xii) of the definition of "Transaction Documents", that there are no material differences between the form and substance of the proposed Disclosure Document and such form of Disclosure Document and that the proposed Disclosure Document complies in all material respects with all applicable securities disclosure requirements relating to the Primary Obligation subject to distribution thereunder.

ARTICLE IV
PROTECTION AGREEMENT MAXIMUM

4.01 Protection Agreement Maximum

(a) Between nine (9) and twelve (12) months prior to the end of the Initial Forecast Period, OPG shall, as the FSM, deliver to the Province an updated forecast setting out the sum of (1) the aggregate amount of Repayments that will arise in the future under Approved Obligations that are then outstanding and (2) OPG's expectations regarding the aggregate maximum amount of Repayments that would arise in the future under Approved Obligations to be incurred during the period ending 24 months following the Initial Forecast Period, which expectation shall be consistent with the then applicable Financing Plan. Such updated forecast shall be further updated on a similar basis with respect to each successive 24 month period or more frequently if at any time OPG has knowledge that the most recent forecast is materially inaccurate (the Initial Forecast and each such updated forecast, each a

"**Forecast**"). Together with each Forecast, OPG shall also provide a revised Protection Agreement Maximum, which may not exceed such Forecast.

(b) Not more than 10 Business Days, or such lesser period as the Province may agree to in writing, following receipt of any further Forecast and notice of the revised Protection Agreement Maximum from OPG pursuant to Section 4.01(a), the Province may disagree with such further Forecast or revised Protection Agreement Maximum on the basis that (i) there appears to be inaccuracies in ~~the Financing Plan or~~ such further Forecast, (ii) the further Forecast is inconsistent with the Financing Plan, or (iii) the revised Protection Agreement Maximum is more than the further Forecast. If the Province disagrees, OPG shall discuss any discrepancies with the Province, address any inaccuracies and inconsistencies to the reasonable satisfaction of the Province and OPG, and the revised Protection Agreement Maximum will be further revised accordingly and confirmed by an amended notice to the Province.

(c) For clarity, Repayments under Obligations Secured owing in currencies other than Canadian dollars will be valued at the time to be determined for the purposes of this Section 4.01 in accordance with the following:

(i) where a Derivative Agreement has been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the hedged value expressed in Canadian dollars; and

(ii) where a Derivative Agreement has not been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the noon spot rate for conversions of any currencies into Canadian dollars.

ARTICLE V

OPG represents and warrants that on the date hereof and on each day that a Primary Obligation is incurred or amended:

(a) The Financing Entity is a trust duly constituted and validly existing under the laws of the Province of Ontario, is duly qualified to carry on its business in each jurisdiction in which it carries on business, and has the power and authority to perform the acts that OPG, as the FSM, may cause it to perform pursuant to this Agreement and to own its property and carry on its business in accordance with the Program Agreements.

(e) There are no actions, suits or proceedings pending or, to the knowledge of OPG, threatened against or affecting the Financing Entity at law or in equity or before or by any Governmental Authority, or before any arbitrator of any kind, which would result in any material adverse change in the business, operations, prospects, properties, assets or condition, financial or otherwise, of the Financing Entity or in the ability of the Financing Entity to perform its obligations under the Program Agreements.

(g) The performance by the Financing Entity of the Program Agreements does not conflict with, will not conflict with, does not result in, and will not result in, any breach of, and does not constitute, a default under, the Declaration of Trust or any agreements or instruments to which the Financing Entity is a party or by which it or any of its property and assets are bound.

(h) Neither the execution nor delivery of this Agreement, the Program Agreements nor any agreements or instruments delivered pursuant hereto or thereto, the consummation of the transactions herein or therein, nor compliance with the terms, conditions and provisions hereof or thereof conflicts with or will conflict with, or results or will result in any breach of, or constitutes a default under, any of the provisions of the constating documents of OPG or any agreements or instruments to which OPG is a party or by which it or any of its property and assets are bound.

(i) No consent, approval or authorization of, or declaration, registration, filing or qualification with, or giving of notice to, or taking of any other action in respect of, any Governmental Authority on the part of OPG is required in connection with the execution and delivery of this Agreement, the Program Agreements or any agreements or instruments delivered pursuant hereto or thereto or the consummation of any of the transactions contemplated hereby or thereby or in connection with the enforcement of this Agreement, the Program Agreements or any agreements or instruments delivered pursuant hereto or thereto, except those which have been obtained.

Subject: Issues already decided

Hi Gadi

As discussed the following were already decided upon last Friday:

- The Province will accept the removal of the tax information requirements from the Process Agreement
- The Province will accept OPG's revisions to the program maximum requirements in the Process Agreement, as Malle suggested the briefing note to the two ministers will cover any potential risks to the Province from OPG setting the maximum as well as mitigation strategies.
- As very clearly explained by Cindy, the Province does not run the risk of large contingent liabilities in the Public Account's as a result of accepting OPG's revisions to the program maximum.
- In the interests of time the Indenture Trustee should be removed as a party to the Protection Agreement; this can be done by removing OPG's ability to issue US Debt which is now part of the Master Indenture Trust. Naturally OPG may have concerns however, these concerns should be alleviated by pointing out that the removal can be revisited, say one year hence.

Be useful if you can mention this at the start since we can address other outstanding issues.

Thanks

Ken k

Hi Jonathan,

Please find attached, a proposed deck for use at the Joint Ministers briefing on the Protection Agreement, tomorrow at noon. Could you please share with the Energy and TBS DMOs?

I'm copying the rest of the group here that provided input, including OPCD and Energy. And my apologies to the group – our timelines did not allow for me to send this latest draft around for additional comments.

Thanks everyone,

Anna

Ontario's Fair Hydro Plan

Limited Guarantee from the Province – Overview

Joint Ministers Briefing
November 29, 2017

Purpose

- Provide Ministers with an update of the work being done to prepare two provincial agreements to support the implementation of Ontario’s Fair Hydro Plan.

- Provide an overview of the two provincial agreements, including key details of the agreements.

- Outline next steps.

Context

- On March 2, 2017, the government announced its proposed Ontario's Fair Hydro Plan (OFHP), which would lower bills by 25% for a typical residential consumer, starting in the summer of 2017.

- Ontario Power Generation (OPG) has indicated that it requires some level of guarantee from province to be able to secure the financing for the OFHP.

- On September 25, 2017, TB/MBC approved a "term sheet" that set out the broad parameters of this guarantee.

- Ministries have been working with OPG, external lawyers and underwriters to finalize the provincial agreements.

- The provincial agreements must be signed by OPG and the Ministers of Energy and Finance well in advance of December 31st, to allow the Financing Entity to purchase the regulatory asset from the IESO before its year-end.

Overview of Provincial Approvals Already Completed

- Authorization under Section 5(3) of OFHPA
  - Section 5(3) provides that LGIC may by order authorize the Minister of Energy and Minister of Finance, acting together on behalf of the Province, to agree to guarantee or indemnify obligations associated with an Investment Interest

- Order in Council 1981/2017 made pursuant to subsection 5(3) of the OFHPA
  - The OIC, approved by Cabinet on September 27, 2017, authorized the Minister of Energy and the Minister of Finance, acting together on behalf of Ontario, to enter into one or more agreements to guarantee or indemnify the debts, obligations, securities or undertakings of a financing entity established under the OFHPA associated with investment interests acquired by a financing entity.

Overview of Proposed Agreements

- There are two agreements which set out the terms of the limited guarantee:
  1. Change of Law Protection Agreement **("Protection Agreement")**
  2. Change of Law Process Agreement ("**Process Agreement**")

- The **Protection Agreement** describes the circumstances that would trigger the guarantee:
  - A change of law (i.e., repeal or amendment of the *Ontario Fair Hydro Plan Act, 2017*); court decision; or a change in the electricity market structure or operations that adversely affects the ability of the Financing Entity to recover amounts related to funding obligations.

- Should the guarantee be triggered, the Province would take over the financial obligations of the Financing Entity, which would have an immediate impact on the Province's fiscal plan and debt.

- The Protection Agreement also describes "adherence conditions" which must be fulfilled before the guarantee covers debt obligations:
  - For example, OPG must confirm that terms of a bond deal are aligned with reference documentation.

Overview of Proposed Agreements Cont'd

- The **Process Agreement** sets out the information and necessary documentation that has to be provided by OPG to the Province to ensure the continuing application of the limited guarantee.

- A breach of the Process Agreement allows the Province to suspend the limited guarantee for any new obligations.

Accounting Implications

- Reporting structure of the Financing Entity, as determined by OPG, will be a subsidiary of OPG, reporting as a government business enterprise in the Public Accounts on a modified equity, one-line basis (no change from current presentation)

- Reporting under IFRS 10, the ability for OPG to consolidate the Financing Entity is determined by way of its power to direct and access returns from the subsidiary (as set out in the agreements)

- Province can set the terms and conditions without exercising direct control

Risks

- Accounting
  - Any actions taken by the Province to direct the activities of the Financing Entity may result in the Financing Entity being controlled directly by the Province and not consolidated under OPG
  - No assessment has been undertaken as to whether the Financing Entity would be considered a government business enterprise

- Province dependent on OPG for key matters relating to the limited guarantee
  - Less power/information than would typically be afforded to a guarantor
  - Significant reliance on OPG to deliver timely, accurate information
  - Province has no say on financing decisions if permitted by the Financing Plan

- Even without a change of law by the Legislature, a court determination may trigger a Protection Event

- Possible criticism for wholesale delegation to OPG; although accounting considerations and the Act itself lead to this outcome

- Potential for opportunistic litigation by Financing Entity creditors to trigger a Protection Event

Next Steps

- Ministries are working to finalize the two agreements, incorporating recent input from the credit rating agencies and continued input from the underwriters.

- Final agreements will come forward for signature by the Ministers of Energy and Finance in the coming weeks. The Minister of Finance will be asked to provide s.28 approval at the same time as the agreements are signed.

- Upon execution of the agreements, and completion of the rating agency process, the Financing Entity will enter into a short-term borrowing facility (the warehouse) in order to purchase the regulatory asset from the IESO before December 31st.

- In January 2018, the Financing Entity plans to issue long-term notes (bond issue) to empty the warehouse. Going forward, the Financing Entity will make monthly purchases of the regulatory asset. These purchases will be financed through the warehouse, provincial equity injection and OPG borrowing. It is expected that the Financing Entity will enter into approximately three bond issues per year in order to regularly pay down the warehouse.

Appendix

General Background

- Ontario Fair Hydro Plan Act ("**Act**") permits debt financings through one or more [special purpose] financing entities, to be managed by OPG
  - Proceeds of financings are used to acquire portions of the Fair Hydro regulatory asset ("**Investment Interests**") from IESO
  - Amounts owing will be serviced from "clean energy adjustments" ("**CEAs**") collected from "specified consumers"

- Hydro Trust [will be] established to facilitate the first financing transactions
  - Some combination of short-term "warehouse financings" and long-term notes will be issued
  - OPG, funded by the Province, will acquire subordinated debt issued by Hydro Trust
  - Proceeds raised before December 31st are expected to be $•M ($•M from external investors)
  - Future issuances will follow the same pattern (51% external/senior; 49% OPG/subordinated)

- Payment obligations will be owed to noteholders, lenders, credit enhancers, derivative counterparties, service providers, etc.
  - Payment obligations will be governed under a Trust Indenture
  - Hydro Trust payment obligations under the Trust Indenture are "Obligations Secured"

- Limited Guarantee from the Province of obligations payable by Hydro Trust when due
  - Province pays only upon a "Protection Event"
  - Limited Guarantee applies to almost all Obligations Secured
  - Certain "**Adherence Conditions**" to be satisfied before Limited Guarantee willy apply to material obligations

- Two relevant agreements:
  i. Change of Law Protection Agreement ("**Protection Agreement**")
  ii. Change of Law Process Agreement ("**Process Agreement**")

Technical Details – Limited Guarantee from the Province

- Triggered by a "**Protection Event**": Either:
  - There is a change of law (by the Legislature, LGIC, Ministers, government officials, government appointed boards, etc.) or implementation of a change in the organization or structure of the IESO or Ontario's electricity market undertaken at the initiative of the Province or and entity controlled by the Province that materially and adversely affects either (1) the ability of Hydro Trust to receive CEA cash flows or (2) the Protection Agreement or any Obligation Secured
  - A court of competent jurisdiction determines that any part of the OFHPA or the related regulations are *ultra vires* or invalid in a way that materially and adversely affects the ability of Hydro Trust to receive CEA cash flows and that in fact results in a deficiency such that Hydro Trust cannot pay Obligations Secured when they become due

- **Not covered by the Limited Guarantee:**
  - Amounts required to be deposited into collateral or reserve accounts established under the Hydro Trust program to credit enhance or provide liquidity for ultimate payment of Obligations Secured
  - Certain residual payments to OPG under the "payment waterfall"

- **Term:** Until all applicable Obligations Secured are paid in full

Technical Details – Adherence Conditions

- Certain minimal conditions will apply before the Limited Guarantee will attach to applicable Obligations Secured:
  - Incurrence of indebtedness to fund ownership of an Investment Interest
  - Entry into ISDA master agreements
  - Entry into service contracts with term > 3 years and aggregate payments >$5M that are not terminable on giving 3 years notice or less

- Those conditions are:
  - Must be an Obligation Secured under the Trust Indenture
  - Delivery of officer's certificate by OPG to Indenture Trustee confirming compliance with internal processes as between OPG and the Province in connection the Limited Guarantee (under the Process Agreement)
  - Province has not delivered a "Suspension Notice"

Technical Details – Process between Province and OPG

- Process Agreement between Province and OPG
  - Sets out informational requirements and supporting affirmations regarding incurrence or amendment of Obligations Secured
  - Contemplates some (limited) rights of Province to comment on disclosure and terms of Obligations Secured
  - Provides for OPG executive officer affirmation regarding certain matters (in a "**Process Certificate**")

- Delivery of Process Certificate by OPG executive officers to the Province setting out:
  - Material terms of obligations (incurrence or amendment)
  - Confirmation that terms are "**Substantially in the Form**" of the "**Reference Documentation**"
  - Confirmation that the offering document is "**Substantially in the Form**" of the "**Reference Documentation**"
  - Confirmation that no breach of the Process Agreement has occurred
  - Confirmation that the maximum payment amounts due in the future under the obligation plus other outstanding amounts will not exceed the "**Protection Agreement Maximum**"
  - Confirmation that any disclosure referring to the Protection Agreement or Process Agreement was made available to the Province
  - Confirmation as to reasonableness, arm's length terms and conditions, and compliance with the Act and the Financing Plan

- Suspension Right
  - Uncured breach of Process Agreement or breach by any party of other program agreements allows Province to suspend Limited Guarantee for new obligations, other than for refinancings
  - Exercise of suspension right does not impact prior Hydro Trust obligations covered under the Limited Guarantee

Technical Details – Obligation of Province on Protection Event

- Make payments on Limited Guarantee
- Payments replicate stream of CEAs to pay amounts due and payable by Hydro Trust
- In event of an acceleration of any Obligation Secured, Province would pay acceleration amounts, capped at scheduled payment amounts (without acceleration) plus an additional amount up to the “fair allocation” in the aggregate
- Province will be subrogated to rights of the creditors of Hydro Trust to the extent of performance under the Limited Guarantee

Technical Details – Obligations of OPG

- Process Agreement obligates OPG, but without limiting protections under existing indemnity agreement
  - Province has indemnified OPG, its subsidiaries, and each of their respective directors, officers and employees from liability resulting from activities under the Act and activities of Hydro Trust pursuant to an Indemnity Agreement

- If there is any conflict between the Process Agreement, the Protection Agreement and the existing Indemnity Agreement in respect of any matter relating to the Province's indemnification obligations in favour of OPG, the Indemnity Agreement is paramount

OPG will be sending out their newest version of the support agreement today, hopefully first thing in the morning. I don't know any of the details at this time. John Lee is proposing a working session for today to work out the details. I have asked him to come back with potential timing for the session. Given our need to resolve these issues as soon as possible, this approach seems reasonable. Please let me know if you are ok with this approach, and I will share potential timing with you as I get more details. I've asked John to share the business issues prior to the session and will update you when I get more details.

Stephen, Malle, Toby,

Just a head's up, our DMO will likely be organizing another meeting with the three Deputies (Finance, TBS, Energy), on Monday, November 20, likely sometime between 11am and 12:30pm and likely somewhere in Macdonald Block (900 Bay Street). The purpose of Monday's meeting will be to bring everyone up to speed on the outstanding issues on the Protection/Process Agreements. I expect an invite to follow, but you may want to hold that time in your calendars for now.

Thank you,

Anna

Hi Anna,

Does Gadi want me to attend TB on this? Would you have the meeting coordinates?

Also, are speaking points being developed? If the Minister were here, normally the MO would be asking for suggested speaking points. I'm not sure what the case would be this time.

And, as Energy is co-signing, is Energy also in attendance as the submitting ministry, and who would be representing Energy?

Thanks,
Ron

Please find attached a documents setting out MOF Legal's summary and questions from our review of the revised drafts of the Protection Agreement and Process Agreement.

We have reviewed Torys' Nov. 24 markup and also Blakes' Nov 28 markup and based the questions and comments on those drafts. The numbering of the sections is from the Blakes Nov 28 markup. I have attached our comments, as well as the relevant blacklines to this email.

Please review these comments, including the questions and decision points.

Perhaps we should have a meeting tomorrow with this group (including the appropriate Energy clients) to discuss this draft. Can the OFA can set up the meeting/call?

CONFIDENTIAL AND PRIVILEGED LEGAL ADVICE – Nov 30, 2017

Review of Blakes' mark-up dated November 28, 2017 as proposed response to OPG/Dealers/Torys/Oslers' Comments Daft November 24, 2017 [as updated by their further comments dated November 29, 2017 – not included yet.]

Process Agreement

1. Proposed Response: Agree with response to Footnote #1 – Closing mechanics are under consideration by Province.

2. P. 1 Recitals - OPG moved the provisions requiring delivery of the Initial Financing Plan, Initial Forecast and Initial Protection Agreement Maximum into the recitals as they suggest that these actions will have taken place prior the Ministers executing the Process Agreement and Protection Agreement. They would like to add a list of the "reference" agreements, the Initial Financing Plan and Initial Forecast as exhibits to the Process Agreement. This doesn't work for a number of reasons including:
   - The authority for provincial staff to "not object to" and "confirm" these documents flows from the Ministers' power to determine the terms and conditions of the limited guarantee.
   - The agreements and financing plan will not necessarily be in final form at the time that OPG is hoping that the Ministers sign the Process Agreement and Protection Agreement so it is not possible to attach the final form.
   - This reduces flexibility for the Province in reviewing these documents and revises the approach that has already been agreed to through negotiation to date on numerous iterations of the Process Agreement.
   - The recitals are inaccurate as the Province doesn't have a role to "not object to the financing plan" so it seems like OPG is trying to obtain some agreement on a point outside the parameters of the Process Agreement. Financing Plan is delivered to the Minister of Energy under the statute.
   - The Province's role as set out in s. 4.01(b) of the Process Agreement concerns how the Protection Agreement Maximum can be established: "the Province may disagree with the Initial Forecast and the initial Protection Agreement Maximum on the basis that (i) there appears to be inaccuracies in the Financing Plan or the Initial Forecast, (ii) the Initial Forecast is inconsistent with the Financing Plan or (iii) the initial Protection Agreement Maximum is not less than the Initial Forecast. If the Province disagrees, OPG shall discuss any discrepancies with the province, address any inaccuracies and inconsistencies so the reasonable satisfaction of the province and OPG and the initial Protection Agreement Maximum will be revised accordingly and confirmed by an amended notice to the Province."

   Proposed Response: Agree with Blakes' mark-up to revert to previous provisions on all these points.

3. P. 1, Recital 5 – Need to consider whether the delivery of the initial "Reference (formerly "Reviewed") Documents" should be moved into the body of the Process Agreement as an obligation for OPG and Province has right to object within 10 Business Days or such shorter period. OPG suggests adding a schedule that lists these documents but as noted above these Reference Documents are not likely to be in final form prior to Ministers executing agreements. How can these particular documents be identified as being the "Reference Documents" for the purposes of the agreement? Will they be sent under a particular covering letter or dated a particular date or version?

4. Concept of "not objecting to" vs "confirming or accepting". Understand that the preference is for the Province to "not object' rather than "confirm/accept". The original approach was for the Province to positively confirm in writing acceptance or approval but this was revised a few drafts ago. The reason for the revision was based to a certain degree on the limited time that the Province has to review any of the Reference Agreements and as a result the defined term was changed as well. So now certain documents (Reference (Reviewed) Agreements and the delivery of the Initial Forecast and subsequent Forecasts and Protection Agreement Maximum) are delivered to the Province and will be accepted unless the Province objects or disagrees with them. Right now there is a 10 day period for disagreeing in writing with forecast and Protection Agreement Maximum and then discussion and OPG to address discrepancies to reasonable satisfaction of Province and re-send Initial Forecast amount. Also the Province may "object" to any amendments of the "Reference Documents" by "delivery of an objection notice in writing delivered to OPG within 10 Business Days after it is provided to the Province" but no steps as to what happens when Province objects. Would it be informal discussion?
   Province to decide: Also, it is important now from a practical perspective to determine to whom at the Province the following documents are sent under the Process Agreement and who will determine whether or not to object/disagree on behalf of the Province:
   - Deliver initial Financing Plan (s. 2.01(a))
   - Deliver Reference Documents (as mentioned in recital or if moved to obligation under agreement)
   - Deliver Initial Forecast and initial Protection Agreement Maximum (s. 4.01(a))

5. 2.02(a)(v) – Addition of "unless waived in writing by the Province:
   Proposed Response: OK because any provision can be waived in writing by a party anyway.

6. 2.02(a)(v)(D) – This provision would not allow Financing Entity to enter into transactions where there is penalty or make-whole payment or consent right required for Province to assume the obligations?

Proposed Response: Need to discuss whether this is still relevant to be preserved if no assumption right?

7. 2.02(b)(iv) – OPG says they will not be aware of any event that with the passage of time or the giving of notice would be a Protection Event.– we propose adding “known to OPG” so that if they do know something they should not go ahead and exercise redemption etc. rights.
Proposed Response: Agree with Blakes mark-up to insert “known to OPG”.

8. 2.02(c) – OPG inserted that its obligations under the Process Agreement are subject to OPG’s obligation as FSM and as Manager. At the Tuesday evening meeting, we had asked them to narrow this wording so that it identified any points at which their fiduciary or other obligations under those agreements might conflict with the obligations under the Process Agreement, but they haven’t narrowed it so the effect is that they could rely on this to say that in any particular case there is a conflict with their other role so they can’t comply with their obligation to the Province
Proposed Response: Agree with Blakes mark-up not to accept this addition.

9. 2.02(c) – OPG wants to reference that nothing in the Protection Agreement limits the obligations of the Province under the Indemnity Agreement to indemnify OPG. OPG in its own capacity is not a party to the Protection Agreement. Don’t understand why this needs to be added and how anything in the Protection Agreement would affect the Indemnity Agreement. [Need further explanation of disadvantage to Province.]
Proposed Response: Agree with Blakes mark-up not to accept this addition.

10. 3.01 Process Certificate: OPG has significantly reduced the amount of information and its responsibilities under the Process Agreement and is proposing to only provide the Province with a certificate under s. 3.01 in the same circumstances that OPG is giving one to the dealers under the Protection Agreement. The Province agreed to limit delivery of OPG’s certificate under the Protection Agreement because dealers’ counsel refused to agree to provision of a certificate in the case where funding obligations were amended (and the Province agreed to a compromise position where notice of amendments is given to the province under the trustee indenture amendment provisions). OPG has now deleted delivery of that certificate to the Province under the Process Agreement too, which was never discussed or agreed to by the Province. In addition, it has narrowed the obligations for which a certificate is provided under the Process Agreement to the narrower category of Certified Primary Obligations – borrowing, master ISDA agreement and other agreements for with a term of 3 years or longer (without termination within 3 years and above a $5 million thresholds, etc. The Province agreed to a narrower circumstance in the Protection Agreement on the insistence of dealers counsel that there was too much uncertainty associated with when the guarantee applied and so these categories were

delineated. Again, there was no discussion about so restricting the delivery of certificates under the Process Agreement. The principle is quite different and the Process Agreement is between the Province and OPG to ensure that Province receives sufficient information about obligations to which the Province's guarantee will apply.
Proposed Response: Revert to previous version of Process Agreement so that Province receives broader information and certificates. Consider specifically the following:
  - Certificate should be provided before amendment to guaranteed obligations as previously agreed.
  - Footnote 2 on p. 7 - When should certificate be provided? Previously said before earlier of pricing and incurrence of obligation. Have now agreed before "incurrence" In Protection Agreement – do we still want it before earlier of pricing and incurrence of obligation?
- What is the scope of obligations for which certificate must be provided? Previously said Funding Obligations above a $ threshold. $ threshold has not yet been included. The way it is drafted it would apply a $ threshold to all types of obligations. Also, in Protection Agreement, have narrowed it to Certified Primary Obligations as set out above. Would say that this is too narrow for swaps - definitely want it for swap confirms in process agreement as ISDA Master is not informative of any transactions guaranteed. Need to consider this further – what about other obligations? Note that these certificates are informational – they don't determine whether the Limited Guarantee applies.

11. 3.02 Acknowledgement – OPG added a provision in which Province acknowledges that OPG will provide a certificate to Indenture Trustee and that if there is a Suspension Notice, OPG agrees not to deliver any further certificates. In general, this provision seems ok, but OPG deleted the Suspension Notice Delivery provision which should be re-inserted with the specific range of suspension events.
    Proposed Response: Agree with Blakes mark-up to include Acknowledgement but also include a specific acknowledgement about Province's entitlement to deliver a Suspension Notice under the Protection Agreement if there is a Program Breach or Breach Event under Process Agreement and also inclusion in 6.01 of the definition of Breach Event.

12. 6.01 Election to Assume – Deleted.

<u>Protection Agreement</u>

1. Footnote 1 – Agree that logistics of closing are under consideration by Province

2. Footnotes 2 and 3 – Legal note to Torys' that Province will accept Torys opinion on due execution point and establishment of trust as financing entity point.

3. Recital 2 – Insert OIC number 1981/2017 made September 27, 2017

4. P. 2 – Proposed Response: accept deletion of “or amended” because no adherence conditions required on amendments. (compromise position that Province will get notice under Trust indenture).

5. 1.12 – Question from LSB only – Are we going to request original executed copies of these agreements by all parties? Typically we ask for originals. Perhaps we can discuss further?

6. 2.01(a) – Proposed Response: Agree to deletion of form of “Guarantee Settlement Statement” in advance given timing.

7. 2.01(a)(iv)(B) – Proposed Response: Agree to revised wording. The change is to reflect the Province’s subrogation rights. After a Protection Event the Province pays the whole amount owed to the Beneficiary, and not just the deficiency. The Province then receives any payments that it has a right to receive by being subrogated to the rights of the Beneficiary after making payment on the Limited Guarantee. [NTD: Blakes is undertaking further review on this issue and may suggest further changes.]

8. 2.01(b) – Proposed Response: OK, conforming change

9. 2.01(e) – Proposed Response: Fine for completeness.

10. 2.08 – Proposed Response: Fine, 8.01 is the section describing when Limited Guarantee ends – when all obligations are paid.

11. 4.01 – Addition of ability for Province in its sole discretion designate in writing that it is an Approved Obligation.
    Proposed Response; OK, adds flexibility and it is in Province’s sole discretion.

12. 4.02 (b) – Changes to delivery by OPG of Certificate to **[Indenture Trustee][NTD: Is it sufficiently clear who the Certificate is delivered to?]** to confirm adherence of Guarantee to reflect business issues raised by dealers’ counsel re: Protection Agreement. However, OPG has proposed using the same approach for the Process Agreement which is discussed above. We also do not agree to the description of the contents of the Certificate as it must say that OPG has complied with its obligations to the Province and internal requirements and processes in connection with adherence of Limited Guarantee to the Certified Primary Obligation, not that it has delivered all certifications to Province as required.
    Proposed Response: Agree with Blakes mark-up.

    Additional Issues with respect to Certificates:

a) new narrowed concept of Certified Primary Obligation in Definitions for which a certificate will be required for adherence includes: (i) obligations incurred to fund investment interests or repay such funding, (ii) Master ISDA Agreement (not confirms or trades) and (iii) other contracts that have a term of more than 3 years and not terminable within 3 years and with aggregate amount payable of more than $5million.

b) timing of certificate (before incurrence but not more than 5 days in advance). – before it was the earlier of pricing and closing – but reflects discussion at meeting that it would be provided before closing.

13. 4.02(c) – re-insert reference to "in respect of which the Adherence Conditions had been satisfied" because it has to be clear that it is only a Refinancing of an existing Primary Obligation to which the Limited Guarantee already properly applied that is not affected by a Suspension Notice.

14. Proviso to 4.02 – Agree with wording that adherence conditions only apply to Certified Primary Obligations.

15. 4.03 – Reflects discussion at meeting permitting reliance on OPG certificate (without verifying officer authority) and allows for adherence if it can be demonstrated that OPG did comply with Process Agreement respecting delivering certificates for Certified Primary Obligation. However need to review wording "OPG had delivered to the Province all certifications required by the Province in connection with the adherence of the Limited Guarantee to the Certified Primary Obligation – compare this to the wording in 4.02(b)?

16. 5.01(b) and 5.02 – Conforming – To confirm with Blakes.

17. Delete Article VI – Assumption Option - Given the changes that have been made and the reality that OPG is not building this right into the initial documents means that there is limited prospect for the assumption right to be meaningful. Even if exercised with respect to some obligations, does not remove the structure in the event of a Protection Event because there will still be outstanding obligations that are not capable of being assumed, except where the Province is subject to negotiations with certain creditors who may not allow assumption without compensation.

18. 6.03 – Agree with conforming Indenture Trustee reps to whatever is contained in Master Trust Indenture.

19. 7.01 – **Suspension of Adherence**. OPG has significantly reduced the rights of the Province with respect to the Province's rights to suspend the adherence of the Limited Guarantee to new obligations. This relates to the Process Agreement. In previous versions the Province had a right to suspend based on a breach of the Process Agreement, and this has been carved back to a narrower

right to suspend based on a breach in connection with an incurrence of a Primary Obligation. This needs to be revised to provide a link so that a breach of the Process Agreement can result in a suspension of the Limited Guarantee for new obligations going forward.
Proposed Response: Agree with Blakes' mark-up to insert clear suspension right for Program Breach and other defaults related to internal requirements and processes. [NTD: Review wording because perhaps all of the requirements don't actually concern adherence of the Limited Guarantee – consider this because adherence conditions only apply to Certified Primary Obligations.]

20. 7.01 – Note new wording requiring a certification from FSM prior to incurrence that proceeds will be used for refinancing of a Certified Primary Obligation incurred prior to the Suspension. Need to review and consider whether the Province is comfortable with allowing the FSM to make determinative when the suspension may have been a result of FSM breach. Difficult to predict scenarios under which suspension has occurred, but should consider what issues may arise.

21. 7.02 – Do not accept deletion of "amended" as Limited Guarantee should not apply where obligations are amended after suspension event.

22. [OLD 8.03] – Agree to delete Termination Notice as not necessary.

23. 8.01 – Agree to new wording that Agreement continues until amounts are paid under Limited Guarantee.

24. 8.02 – Notices to Province – to whom at MOF and MOE – Should it be Minister or someone else – most likely to be a payment demand? Any other notices that are likely?

25. Definition of Approved Obligation Amount – Should the regulation be referenced here? The "capping regulation" as opposed to just the Act. Footnote 5: **Needs review by MOE**.

26. Footnote 6: We would suggest that monthly draws under warehouse should be Certified Primary Obligations as they will be large amounts and significant obligations under the Protection Agreement.

27. See discussion above about definition of Certified Primary Obligation, including questions in Footnote 7.

28. Definition of Executive Officer – Footnote 8 – Looks like Torys has changed it to National Instrument in next draft which appears to be a better definition – more senior officers. – OFA to confirm whether this works.

29. Definition of Lien [used in 2.01(v)] and Loan Agreement [not used] – Do we need to include these? Lien is a generally understood concept, or do we need more specificity?

30. Definition of Master Agreement – Agree we should delete 1992 as it might not always be a 1992?

31. Definition of Primary Obligation – Footnote 9: Torys to confirm that this matches the Trust Indenture. See question in footnote.

32. Footnote 10 – Deletion because not in Trust Indenture, but a question for Torys because this concept may be included in a supplemental indenture.

33. Definition of “Refinancing” - Footnote 11 - This should be linked to the Act and Regulations. The General Regulation allows for a Refinancing to include amounts incurred within 6 months prior to the maturity date of a funding obligation. Need to consider whether this could lead to any problems with amounts that are intended for a refinancing but then are not used to refinance such debt. Suggesting some review with MOE on this point.

34. We should review the forms of notices attached to agreement.

CHANGE OF LAW PROTECTION AGREEMENT

Dated as of [■], 2017

[1] This Agreement and the Process Agreement will need to be effective on closing but signed and held in escrow as soon as they are settled and prior to pricing of the term deal. **Note to Torys:** Logistics of closing are under consideration.

[~~1~~] ~~Torys and Blakes to discuss signatory~~[2] **Torys Note:** Please advise if there are any further issues with the Manager signing the Protection Agreement on behalf of the Trust? If so, can you please explain the issue. The Manager is currently signing all Program Agreements on behalf of the Trust and has authority to do so. We would ~~propose to do the same on the change of law agreement~~like the Manager to sign this Agreement on behalf of the Trust. **Note to Torys:** Manager derives authority under the Management Agreement to sign Program Agreements. Management Agreement powers determined by reference to the Program Agreements, so authority is circular. Ultimately, Province will accept the opinion of Torys on due execution point.

This **AGREEMENT**, among Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), Computershare Trust Company of Canada, in its capacity as trustee (the "**Financing Entity Trustee**") of Fair Hydro Trust, a trust under the laws of the Province of Ontario (the "**Financing Entity**"), Ontario Power Generation Inc., in its capacity as Manager of the Financing Entity and in its capacity as the Financial Services Manager in accordance with the Act (the "**FSM**") and BNY Trust Company of Canada, a trust company existing under the laws of Canada, as Indenture Trustee, is made and entered into as of [■], 2017.

RECITALS

Pursuant to Subsection 5(3) of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**"), the Lieutenant Governor in Council may by order, authorize the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to agree to guarantee or indemnify certain debts, obligations, securities or undertakings associated with an Investment Interest.

Pursuant to an Order in Council dated as of ■ (the "**OIC**"), the Lieutenant Governor in Council has, among other things, authorized the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to enter into one or more agreements to guarantee or indemnify the debts, obligations, securities or undertakings of one or more financing entities established or caused to be established pursuant to Subsection 22(2) of the Act by the FSM and that may incur Funding Obligations in connection with one or more Investment Interests.

Pursuant to a Declaration of Trust[~~2~~]3 dated as of ■, 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

The Financing Entity Trustee, in its capacity as trustee of the Financing Entity, and the Indenture Trustee are parties to the Trust Indenture and propose to create and issue series of notes, bonds and other securities as contemplated therein, and to provide security over the assets and undertaking of the Financing Entity in respect of such notes, bonds and securities, as well as other Obligations Secured.

The Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, have determined to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Primary Obligations ~~Secured~~ that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence

[~~2~~] ~~Torys to confirm that Trust is a "financing entity" under OFHPA. Under definition, FSM to establish or cause to be established. DofT indicates Computershare declares trust. Need to have this confirmed for purposes of authority under OFHPA 5(3), among other things.~~

[3] **Torys Note:** We are comfortable on this point because OPG has retained Computershare as issuer trustee. The recitals of the Declaration of Trust provide that Computershare has established the Trust at the request of the FSM. We can also provide you with a copy of the Computershare engagement letter upon request. **Note to Torys:** The Province will accept authorities opinion regarding the Trust from Torys.

Conditions at the time the Approved Obligation is incurred ~~or amended~~. This Agreement sets out the terms and conditions of such protections and assurances.

All things necessary to make this Agreement a valid and legally binding agreement of the Province, the Financing Entity, the FSM and the Indenture Trustee, in accordance with the Act, the OIC and the Trust Indenture, have been done.

The obligation of the Province in respect of any Original Currency due from it to the Indenture Trustee under this Agreement shall, notwithstanding any judgment or payment in such other currency, be discharged only to the extent that, on the Business Day following receipt of any sum so paid or adjudged to be due under this Agreement in the Second Currency, the Indenture Trustee may, in accordance with normal banking procedures, purchase in the New York foreign exchange market the Original Currency with the amount of the Second Currency so paid or so adjudged to be due; and if the amount of the Original Currency so purchased is less than the amount originally due in the Original Currency, the Province shall indemnify the Indenture Trustee against such loss.

(b) The term "rate of exchange" in this Section 1.19 means the spot rate at which the Indenture Trustee, in accordance with normal practice, is able

on the relevant date to purchase the Original Currency with the Second Currency and includes any premium and costs of exchange payable in connection with such purchase.

ARTICLE II
AGREEMENT TO PERFORM APPROVED OBLIGATIONS

(a) Upon the occurrence of a Protection Event, the Indenture Trustee may deliver a written demand, substantially in the form attached as Exhibit A (a "**Payment Demand**"), to the Province requiring the Province to make payments in respect of the Approved Obligations at the times, in the amounts and subject to the requirements specified in this Agreement. From and after such delivery of a Payment Demand, the Province shall make the following payments in respect of the Approved Obligations (the "**Limited Guarantee**"), and the Financing Entity shall pay, and the Province shall be entitled to be paid, the Subrogation Amounts specified below, on the specified Guarantee Payment Date:

i. Obligation Amount for such Beneficiary in respect of such Approved Obligation on such Guarantee Payment Date; provided that if the amount deposited pursuant to clause 2.01(a)ii is insufficient to pay all such Approved Obligation Amounts in full, the amount on deposit in the Protection Account on the Guarantee Payment Date shall be applied to pay Beneficiaries in the order of priority in which such Approved Obligations are payable under the payment provisions of the Trust Indenture applicable to the making of such payments on the Guarantee Payment Date (each, a "**Beneficiary Payee**").

iv. On any Guarantee Payment Date on which an amount is paid by the Province pursuant to clause 2.01(a)ii, the applicable payment provisions of the Trust Indenture shall, notwithstanding the express terms of such provisions set forth in the Trust Indenture, be applied and operate on the following basis:

(A) ~~(i)~~ the amount payable to a Beneficiary Payee in respect of an Approved Obligation from amounts available under such payment provisions on such Guarantee Payment Date shall be reduced by the amount paid to the Beneficiary Payee pursuant to clause 2.01(a)iii in respect of such Approved Obligation on such Guarantee Payment Date;

(B) ~~(ii)~~ the Province shall be paid the ~~amount by which~~lesser of (x) the amount payable to a Beneficiary Payee in respect of an Approved Obligation from amounts available to pay the Beneficiary Payee under such payment provisions on the Guarantee Payment Date, determined without regard to subclause 2.01(a)iv(~~i~~A), ~~exceeds~~and (y) the amount paid to the Beneficiary Payee pursuant to clause 2.01(a)iii in respect of such Approved Obligation on the Guarantee Payment Date (such payments to the Province being "**Subrogation Amounts**"); and

(C) ~~(iii)~~ no Beneficiary having a right to be paid an amount in respect of an Approved Obligation that ranks equal with or subordinate to an Approved Obligation in respect of which an amount is payable to the Province under subclause 2.01(a)iv(~~ii~~B) shall be entitled to make any claim or assert any right in or to the amounts paid or payable to the Province under such subclause (including any right or

reimbursement, contribution or indemnity) and no such Beneficiary shall have any right or interest in, to or under the Collateral or any proceeds therefrom in respect of such amounts.

v. On any Guarantee Payment Date, the Indenture Trustee shall release and pay to the Province free and clear of any Liens any amount remaining on deposit in the Protection Account that has not been applied to pay Beneficiary Payees on the Guarantee Payment Date in accordance with clause 2.01(a)iii.

vi. In preparing any payment instructions under the Trust Indenture, the Manager shall reflect the amounts payable for the Guarantee Payment Date under Section 2.01(a).

(b) The Province shall, as a payee of Subrogation Amounts under clause 2.01(a)(iv)(B) and any amounts payable under clause 2.01(a)(v)**,** be a "Specified Creditor" under the Trust Indenture and have the benefit of the Collateral thereunder.

(c) For greater certainty, the Limited Guarantee will not apply to any amount or obligation of the Financing Entity that is not or does not arise under an Approved Obligation and will be limited to the right to receive the Approved Obligation Amounts, if any, for payment to Beneficiary Payees and will be subject to the priorities and to the Province's rights to Subrogation Amounts, set forth in Section 2.01(a).

(d) Except as expressly provided in this Agreement, the Province's obligation to provide and perform the Limited Guarantee shall be irrevocable, absolute and unconditional.

(e) Any amount payable by the Province under the Limited Guarantee in respect of an Approved Obligation that is not paid by the Province when required herein shall bear interest from the applicable due date until paid in full at the rate or rates expressed to be payable on the Approved Obligation by their terms.

(f) The right to deliver a Payment Demand and thereupon enforce the Limited Guarantee shall constitute the only remedy available to the Indenture Trustee (and to the Beneficiaries, to the extent they are permitted to exercise any rights, interests, or elections under and in accordance with the Trust Indenture) under this Agreement. Under no circumstances shall the Province be obligated to pay or indemnify the Indenture Trustee or any Beneficiary for consequential, special or punitive damages, or for economic loss or loss of profits; provided that, for greater certainty, economic loss shall not include any amount in respect of any

amount due and payable to a Beneficiary Payee under the Limited Guarantee.

2.02 Intentionally Deleted.

2.03 Absence of Set-off

Subject to applicable law, the Province acknowledges and agrees that each payment to be made by the Province hereunder in respect of an Approved Obligation shall be made as required in whole, without application of any right of set-off and without regard to any equities as between or among any of the Province, the Beneficiaries and/or the Indenture Trustee.

2.04 Payment into Protection Account[3] in Satisfaction

(a) On or before the date of delivery of a Payment Demand to the Province, the Indenture Trustee shall cause to be established and maintained an Eligible Deposit Account (the "**Protection Account**") in the name of the Indenture Trustee, bearing a designation clearly indicating that the funds and other property credited thereto are held for the benefit of the Indenture Trustee and the Beneficiaries. The Protection Account shall be under the control of the Indenture Trustee for the benefit of the Beneficiaries. If, at any time, the institution holding the Protection Account ceases to be an Eligible Institution, the FSM shall notify the Indenture Trustee, and the Indenture Trustee upon being notified in writing of such ineligibility (or the FSM on its behalf) shall within 30 days (or such longer period, not to exceed 45 days, so long as the Rating Agency Condition is satisfied) establish a new Protection Account that is an Eligible Deposit Account and shall transfer any funds or other property from such Protection Account to such new Protection Account. From the date each such new Protection Account is established, it shall be the "Protection Account" for purposes of this Agreement. Funds credited to the Protection Account will be invested and held in accordance with Section **[7.03]** of the Trust Indenture on the basis that it is an Issuer Account.

(b) Notwithstanding the priority of payment requirements set forth in the Trust Indenture and any legal rule concerning the imputation of payments, the Financing Entity and the Indenture Trustee shall ensure that all amounts paid by the Province into the Protection Account on a Guarantee Payment Date in respect of an Approved Obligation are applied to pay the amounts due and payable to the Beneficiaries as and to the extent provided for in Section 2.01(a). Upon a payment having been made by or on behalf of the Province into the Protection Account, the amounts so paid shall for all purposes be considered to have been applied to pay the applicable Beneficiaries as provided for in Section 2.01(a) and thereby reduce the amount due and payable to such Beneficiaries in respect of the applicable Approved Obligations, whereupon an affected Beneficiary shall have no continuing rights, interests or entitlements (including rights as a secured party) in

[3] ~~Mechanics of Protection Account to be considered by Province after required modifications to Trust Indenture have been provided.~~

respect of the Approved Obligation to the extent so paid[4]. For greater certainty, the obligations arising in respect of an applicable Approved Obligation shall not be reduced by such payment as the Province shall become entitled to be paid related Subrogation Amounts and the rights contemplated under Section 2.01(a) and Section 5.01 in relation to such continuing obligations.

2.05 Certain Waivers

The Province hereby waives:

(a) any requirement, and any right to require, that any power be exercised or any action be taken against the Financing Entity or any Collateral for any of the Approved Obligations;

(b) all notices which may be required by applicable law to preserve any rights against the Province hereunder, including any notice of default, demand, dishonour, presentment and protest;

(c) diligence; and

(d) any defence based upon, arising out of or in any way related to any claim that any election of remedies by the Beneficiaries impaired, reduced, released or extinguished any rights that the Province might otherwise have had against the Financing Entity or any other surety.

The Province agrees that each such waiver is made with full knowledge of its significance and consequences and if any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the maximum extent permitted by applicable law.

2.06 Additional Security

This Agreement shall be in addition to and without prejudice to any other security by whomsoever given, held at any time by the Indenture Trustee or for the benefit of any of the Beneficiaries.

2.07 Continuing Liability of the Province

The Approved Obligations shall be deemed not to have been paid, observed or performed, and the liability of the Province hereunder in respect thereof shall continue and not be discharged, to the extent that any payment, observance or performance thereof by the Financing Entity, or out of the proceeds of any Collateral, is recovered from or reimbursed by or for the account of any of the Beneficiaries for any reason, including a preference or fraudulent transfer or by virtue of any subordination (whether present or future or contractual or otherwise) of the Approved Obligations, whether such recovery or payment over is effected by any judgment,

[4] ~~A corresponding provision needs to be added to the Trust Indenture and each other Funding Obligation Agreement under which the Obligation Secured arises, so that the Beneficiaries are bound by these applications and the agreement of the Indenture Trustee under this Agreement.~~

decree or order of any court or Governmental Authority, by any plan of reorganization or by settlement or compromise by any of the Beneficiaries (whether or not consented to by the Financing Entity or the Province) of any claim for any such recovery or payment over.

2.08 Continuance of the Limited Guarantee

Subject to Section 2.07, the Limited Guarantee shall continue in full force and effect until the indefeasible payment, observance and performance in full of the Approved Obligations~~, or until the Province is no longer required to provide and perform the Limited Guarantee~~ in accordance with Section ~~6.03 or Section 8.02~~.8.01.

2.09 Modifications of Approved Obligations

The Province expressly authorizes the Indenture Trustee, at any time and from time to time, without notice and without affecting the liability of the Province hereunder, but subject to compliance with the requirements of the Program Agreements and this Agreement, to:

(a) accept new, additional or replacement instruments, documents, agreements or security in connection with all or any part of the Approved Obligations;

(b) accept partial payments on the Approved Obligations; and

(c) waive, release, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, compromise, liquidate and enforce all or any part of the Approved Obligations and any security or guarantee therefor, and apply any such security and direct the order or manner of sale thereof as the Indenture Trustee (for the benefit of the Beneficiaries) in its discretion may determine.

ARTICLE III
THE INDENTURE TRUSTEE

3.01 The Indenture Trustee

This Agreement is made in favour of the Indenture Trustee in its capacity as trustee under the Trust Indenture. Accordingly, in the event of a new trustee being appointed under the Trust Indenture, such new trustee shall thereupon become and be the Indenture Trustee hereunder, but nevertheless, the Indenture Trustee shall forthwith assign, transfer and make over to the new trustee hereunder this Agreement. All provisions of the Trust Indenture for the protection of the Indenture Trustee or for facilitating the administration of the trusts or otherwise relating to the Indenture Trustee solely as to its holding of the rights thereunder shall apply *mutatis mutandis* to this Agreement and the Indenture Trustee's duties hereunder.

3.02 Acceptance of Trusts

The Indenture Trustee hereby accepts the trusts hereof and agrees to carry out and discharge the same unless and until a new trustee shall be appointed as contemplated in Section 3.01.

ARTICLE IV
APPROVED OBLIGATIONS

4.01 Approval Process

A Primary Obligation shall constitute an Approved Obligation if (i) the Adherence Conditions applicable thereto have been satisfied at the time the Primary Obligation was incurred, or (ii) the Province, in its sole discretion, designates in writing that it is an Approved Obligation.

4.02 Adherence Conditions[5]

The following shall be the Adherence Conditions applicable in relation to each Certified Primary Obligation ~~other than any Funding Obligation under which not more than $■ in the aggregate may become payable by the Financing Entity~~:

(a) the Certified Primary Obligation when incurred is an Obligation Secured under the Trust Indenture; and

(b) OPG, as FSM, delivers a certificate signed by the Chief Financial Officer and the Treasurer of OPG ~~(or their respective designees, provided that such designees are executive officers of OPG and,~~ , or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) and addressed to the Indenture Trustee, ~~one Business Day prior to the Financing Entity entering into or becoming bound by the related Funding Obligation Agreement~~on or before the incurrence of a Certified Primary Obligation (provided that delivery may not be more than 5 Business Days before the incurrence of the Certified Primary Obligation), confirming that OPG has delivered to the Province a certificate signed by the Chief Financial Officer and the Treasurer of OPG, ~~(or their respective designees, provided that such designees are executive officers of OPG and,~~ or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) confirming that OPG has complied with all of its obligations to the Province and internal requirements and processes in

(c) in respect of a Certified Primary Obligation other than a Refinancing of a Primary Obligation in respect of which the Adherence Conditions had been satisfied, the Province has not provided a Suspension Notice to the Indenture Trustee, OPG and the Financing Entity.

For greater certainty, (y) satisfaction of the Adherence Conditions for a ~~Funding~~Certified Primary Obligation shall be deemed satisfaction of the Adherence Conditions in respect of all principal, interest and other amounts owing under the ~~Funding~~Certified Primary Obligation, as such ~~Funding~~Certified Primary Obligation may be amended, restated, supplemented or otherwise modified from time to time, and (z) there shall be no Adherence Conditions applicable in relation to a Primary Obligation that is not a Certified Primary Obligation.

A closing certificate that purports on its face to be signed by officers specified in Section 4.02(b) may be relied upon by any addressee without further enquiry or evidence as to the incumbency or signatures of such officers. If a closing certificate is not delivered in accordance with the timing requirements of Section 4.02(b) in respect of a Certified Primary Obligation, such certificate may be delivered at a later date, and be effective as if it had been delivered in accordance with the timing requirement of Section 4.02(b), if at the time such certificate was required to be delivered OPG had delivered to the Province all certifications required by the Province in connection with the adherence of the Limited Guarantee to the Certified Primary Obligation.

[10] ~~This needs to tie into the "estimated finance amount" determined under the General Regulation applicable during the Reference Period~~[5] **Note to Province**: MOE should confirm that this captures the limitations contemplated in connection with any "acceleration" under the revised Regulation. Consider whether it is necessary to refer specifically to the Regulation to avoid any disconnect, and to tie-in specifically to the context of the acceleration scenario applicable at the time.

[11] **Torys Note:** Refinancings can occur up to six months prior to the application of the refinancing proceeds to the existing obligation. The regulations provide that if the refinancing proceeds are not applied to repay the intended f unding obligation, then it is not a Refinancing. Accordingly, we have revised the definition to ensure that Refinancings do not have to be simultaneous with repayment of the existing Approved Obligation (we understand from the dealers that in most circumstances they will not be). **Note to Province**: The General Regulation specifically provides that debt can be considered a "Refinancing" when incurred within the 6 months prior to the maturity date of a funding obligation. The Act/Regulation's definition doesn't require that "Refinancings" are simultaneous with the repayment of existing Approved Obligations. Consider if further discussion is required and MOE to specifically confirm understanding of the Regulation on this point.

HER MAJESTY THE QUEEN IN RIGHT OF ONTARIO, AS REPRESENTED BY THE MINISTER OF ENERGY AND THE MINISTER OF FINANCE

AND

ONTARIO POWER GENERATION INC.

CHANGE OF LAW PROCESS AGREEMENT[1]

Dated as of [■], 2017

[1] This Agreement and the Protection Agreement will need to be effective on closing but signed and held in escrow as soon as they are settled and prior to pricing of the term deal. **Note to Torys:** Closing mechanics under consideration by the Province.

This **CHANGE OF LAW PROCESS AGREEMENT**, between Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), and Ontario Power Generation Inc. ("**OPG**") is made and entered into as of [■], 2017.

RECITALS

OPG is appointed as the Financial Services Manager under Section 18 of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**").

Pursuant to Section 22(2) of the Act, OPG, in its capacity as the Financial Services Manager (the "**FSM**"), may establish or cause to be established one or more financing entities (as defined in the Act), which may incur Funding Obligations in accordance with the Act.[1]

Pursuant to a Declaration of Trust dated as of [■], 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.[2]

Concurrent with this Agreement, the Province, the FSM, the Financing Entity and the Indenture Trustee will enter into the Change of Law Protection Agreement under which the Province will agree to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Obligations Secured that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions.

Prior to entering into this Agreement, OPG provided the Province with the proposed forms of certain of the Transaction Documents, and the Province has not objected to such forms.

This Agreement sets out the obligations OPG has agreed to perform and assurances OPG has agreed to provide and on which the Province will rely in entering into and implementing the Change of Law Protection Agreement, including for the purposes of determining whether the Adherence Conditions have been satisfied, maintaining information related to the Program Agreements and the Approved Obligations, and ensuring that the Province's assumption rights pursuant to Article VI of the Change of Law Protection Agreement may be exercised without impediment on the terms and conditions contemplated in this Agreement and the Change of Law Protection Agreement.

All things necessary to make this Agreement a valid and legally binding agreement of OPG and the Province, have been done.

[1] ~~Blakes suggests that it be made clear in the Declaration of Trust that OPG is establishing the Trust. Blakes would appreciate the benefit of Torys analysis as to how the Trust is an "entity" under the OFHPA, as opposed to the trustee. Clearly OPG has not established Computershare. Blakes and Torys to discuss.~~

Dated as of [■], 2017

[1] **This Agreement and the Process Agreement will need to be effective on closing but signed and held in escrow as soon as they are settled and prior to pricing of the term deal.**

~~1~~ ~~Torys and Blakes to discuss signatory~~[2] **Please advise if there are any further issues with the Manager signing the Protection Agreement** on behalf of the Trust**? This **AGREEMENT**, among Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), Computershare Trust Company of Canada, in its capacity as trustee (the "**Financing Entity Trustee**") of Fair Hydro Trust, a trust under the laws of the Province of Ontario (the "**Financing Entity**"), Ontario Power Generation Inc., in its capacity as Manager of the Financing Entity and in its capacity as the Financial Services Manager in accordance with the Act (the "**FSM**") and BNY Trust Company of Canada, a trust company existing under the laws of Canada, as Indenture Trustee, is made and entered into as of [■], 2017.

RECITALS

Pursuant to Subsection 5(3) of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**"), the Lieutenant Governor in Council may by order, authorize the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to agree to guarantee or indemnify certain debts, obligations, securities or undertakings associated with an Investment Interest.

Pursuant to an Order in Council dated as of ■ (the "**OIC**"), the Lieutenant Governor in Council has, among other things, authorized the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to enter into one or more agreements to guarantee or indemnify the debts, obligations, securities or undertakings of one or more financing entities established or caused to be established pursuant to Subsection 22(2) of the Act by the FSM and that may incur Funding Obligations in connection with one or more Investment Interests.

Pursuant to a Declaration of Trust[~~2~~]**[3]** dated as of ■, 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

The Financing Entity Trustee, in its capacity as trustee of the Financing Entity, and the Indenture Trustee are parties to the Trust Indenture and propose to create and issue series of notes, bonds and other securities as contemplated therein, and to provide security over the assets and undertaking of the Financing Entity in respect of such notes, bonds and securities, as well as other Obligations Secured.

The Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, have determined to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of **Primary** Obligations ~~Secured~~ that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence

~~[2] Torys to confirm that Trust is a "financing entity" under OFHPA. Under definition, FSM to establish or cause to be established. DofT indicates Computershare declares trust. Need to have this confirmed for purposes of authority under OFHPA 5(3), among other things~~**[3] We are comfortable on this point because OPG has retained Computershare as issuer trustee. The recitals of the Declaration of Trust provide that Computershare has established the Trust at the request of the FSM. We can also provide you with a copy of the Computershare engagement letter upon request**.

Conditions at the time the Approved Obligation is incurred ~~or amended~~. This Agreement sets out the terms and conditions of such protections and assurances.

All things necessary to make this Agreement a valid and legally binding agreement of the Province, the Financing Entity, the FSM and the Indenture Trustee, in accordance with the Act, the OIC and the Trust Indenture, have been done.

No waiver of any provision of this Agreement will constitute a waiver of any other provision nor will any waiver of any provision of this Agreement constitute a continuing waiver unless otherwise expressly provided. A party's failure or delay in exercising any right under this Agreement will not operate as a waiver of that right. A single or partial exercise of any right will not preclude a party from any other or further exercise of that right or the exercise of any other right.

1.16 Interest Act

For the purpose of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest to which any rate of interest payable under this Agreement that is calculated on any basis other than a full calendar year is equivalent may be determined by multiplying such rate by a fraction, the numerator of which is the actual number of days in the calendar year in which such yearly rate of interest is to be ascertained and the denominator of which is the number of days comprising such other basis. The parties further agree that for the purposes of the *Interest Act* (Canada), (i) the principle of deemed reinvestment of interest shall not apply to any interest

calculation under this Agreement, and (ii) the rates of interest stipulated in this Agreement are intended to be nominal rates and not effective rates or yields.

1.17 Currency

Unless stated otherwise, all amounts herein are stated in Canadian Dollars.

1.18 References to Acts of the Financing Entity

For greater certainty, where any reference is made in this Agreement, or in any other instrument executed pursuant hereto or contemplated hereby to which the Financing Entity or the Financing Entity Trustee, as trustee of the Financing Entity, is party, to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or release to be provided by, a suit or proceeding to be taken by or against, or a covenant, representation or warranty (other than relating to the constitution or existence of the Financing Entity) by or with respect to (i) the Financing Entity or (ii) the Financing Entity Trustee, such reference shall be construed and applied for all purposes as if it referred to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or release to be provided by, a suit or proceeding to be taken by or against or a covenant, representation or warranty (other than relating to the constitution or existence of the Financing Entity) by or with respect to, the Financing Entity Trustee as trustee of the Financing Entity.

1.19 Judgment Currency

(a) If for the purpose of obtaining judgment in any court or for any other purposes (other than conversions specifically provided for in the agreement under which an Approved Obligation arises), it is necessary to convert any amount due under this Agreement from the currency in which it is due (the "**Original Currency**") into another currency (the "**Second Currency**"), the rate of exchange applied shall be that at which, in accordance with normal banking procedures, the purchaser could purchase, in the New York foreign exchange market, the Original Currency with the Second Currency on the date on which judgment is given. The obligation of the Province in respect of any Original Currency due from it to the Indenture Trustee under this Agreement shall, notwithstanding any judgment or payment in such other currency, be discharged only to the extent that, on the Business Day following receipt of any sum so paid or adjudged to be due under this Agreement in the Second Currency, the Indenture Trustee may, in accordance with normal banking procedures, purchase in the New York foreign exchange market the Original Currency with the amount of the Second Currency so paid or so adjudged to be due; and if the amount of the Original Currency so purchased is less than the amount originally due in the Original Currency, the Province shall indemnify the Indenture Trustee against such loss.

(b) The term "rate of exchange" in this Section 1.19 means the spot rate at which the Indenture Trustee, in accordance with normal practice, is able

on the relevant date to purchase the Original Currency with the Second Currency and includes any premium and costs of exchange payable in connection with such purchase.

ARTICLE II
AGREEMENT TO PERFORM APPROVED OBLIGATIONS

2.01 Limited Guarantee

(a) Upon the occurrence of a Protection Event, the Indenture Trustee may deliver a written demand, substantially in the form attached as Exhibit A (a "**Payment Demand**"), to the Province requiring the Province to make payments in respect of the Approved Obligations at the times, in the amounts and subject to the requirements specified in this Agreement. From and after such delivery of a Payment Demand, the Province shall make the following payments in respect of the Approved Obligations (the "**Limited Guarantee**"), and the Financing Entity shall pay, and the Province shall be entitled to be paid, the Subrogation Amounts specified below, on the specified **Guarantee** Payment Date:

i. Not less than ~~[~~3~~]~~ Business Days prior to each day when any payment or payments are to be made in respect of one or more Approved Obligations occurring after such delivery of a Payment Demand and prior to the Assumption Effective Date, if any, (a "**Guarantee Payment Date**"), the Manager shall deliver a written statement~~, substantially in the form attached as Exhibit A.1~~< ~~*(a "Guarantor Settlement Statement")*~~> setting forth the Aggregate Approved Obligations Amount, if any, in respect of the Approved Obligations that are due and payable on such Guarantee Payment Date, together with a detailed description identifying such Approved Obligations and the nature and amount of payments due and payable thereunder on the Guarantee Payment Date, the aggregate outstanding amount payable by the Financing Entity under such Approved Obligations as of the date of the Guarantor Settlement Statement, and details regarding any default in performance by any party obligated thereunder> *(a "Guarantor Settlement Statement")*<[4].

ii. On each such Guarantee Payment Date, the Province shall deposit the Aggregate Approved Obligations Amount into the Protection Account.

iii. On each such Guarantee Payment Date, the Financing Entity and the Indenture Trustee shall ensure that the amounts on deposit in the Protection Account are applied to pay each Beneficiary to

[4] Given timing, we would appreciate if the parties did not negotiate this form now.

whom an amount is due and payable under an Approved Obligation on the Guarantee Payment Date the Approved Obligation Amount for such Beneficiary in respect of such Approved Obligation on such Guarantee Payment Date; provided that if the amount deposited pursuant to clause 2.01(a)ii is insufficient to pay all such Approved Obligation Amounts in full, the amount on deposit in the Protection Account on the Guarantee Payment Date shall be applied to pay Beneficiaries in the order of priority in which such Approved Obligations are payable under the payment provisions of the Trust Indenture applicable to the making of such payments on the Guarantee Payment Date (each, a "**Beneficiary Payee**").

iv. On any Guarantee Payment Date on which an amount is paid by the Province pursuant to clause 2.01(a)ii, the applicable payment provisions of the Trust Indenture shall, notwithstanding the express terms of such provisions set forth in the Trust Indenture, be applied and operate on the following basis:

(A) ~~(i)~~ the amount payable to a Beneficiary Payee in respect of an Approved Obligation from amounts available under such payment provisions on such Guarantee Payment Date shall be reduced by the amount paid to the Beneficiary Payee pursuant to clause 2.01(a)iii in respect of such Approved Obligation on such Guarantee Payment Date;

(B) ~~(ii)~~ the Province shall be paid the ~~amount by which~~**lesser of** (x) the amount payable to a Beneficiary Payee in respect of an Approved Obligation from amounts available to pay the Beneficiary Payee under such payment provisions on the Guarantee Payment Date, determined without regard to subclause 2.01(a)iv(~~i~~**A**), ~~exceeds~~**and (y)** the amount paid to the Beneficiary Payee pursuant to clause 2.01(a)iii in respect of such Approved Obligation on the Guarantee Payment Date (such payments to the Province being "**Subrogation Amounts**"); and[5]

(C) ~~(iii)~~ no Beneficiary having a right to be paid an amount in respect of an Approved Obligation that ranks equal with or subordinate to an Approved Obligation in respect of which an amount is payable to the Province under subclause 2.01(a)iv(~~ii~~**B**) shall

[5] **We thought this section required tweaking to reflect the intention of the parties.**

be entitled to make any claim or assert any right in or to the amounts paid or payable to the Province under such subclause (including any right or reimbursement, contribution or indemnity) and no such Beneficiary shall have any right or interest in, to or under the Collateral or any proceeds therefrom in respect of such amounts.

v. On any Guarantee Payment Date, the Indenture Trustee shall release and pay to the Province free and clear of any Liens any amount remaining on deposit in the Protection Account that has not been applied to pay Beneficiary Payees on the Guarantee Payment Date in accordance with clause 2.01(a)iii.

vi. In preparing any payment instructions under the Trust Indenture, the Manager shall reflect the amounts payable for the Guarantee Payment Date under Section 2.01(a).

(b) The Province shall, as a payee of Subrogation Amounts and any amounts payable under clause 2.01(a)~~v~~**(iv)(B)**, be a "Specified Creditor" under the Trust Indenture and have the benefit of the Collateral thereunder.

(c) For greater certainty, the Limited Guarantee will not apply to any amount or obligation of the Financing Entity that is not or does not arise under an Approved Obligation and will be limited to the right to receive the Approved Obligation Amounts, if any, for payment to Beneficiary Payees and will be subject to the priorities and to the Province's rights to Subrogation Amounts, set forth in Section 2.01(a).

(d) Except as expressly provided in this Agreement, the Province's obligation to provide and perform the Limited Guarantee shall be irrevocable, absolute and unconditional.

(e) Any amount payable by the Province under the Limited Guarantee in respect of an Approved Obligation that is not paid by the Province when required herein shall bear interest from the applicable due date until paid in full at the rate or rates expressed to be payable on the Approved Obligation **by their terms**.

(f) The right to deliver a Payment Demand and thereupon enforce the Limited Guarantee shall constitute the only remedy available to the Indenture Trustee (and to the Beneficiaries, to the extent they are permitted to exercise any rights, interests, or elections under **and** in accordance with the Trust Indenture) under this Agreement. Under no circumstances shall the Province be obligated to pay or indemnify the Indenture Trustee or any Beneficiary for consequential, special or punitive

damages, or for economic loss or loss of profits; provided that, for greater certainty, economic loss shall not include any amount in respect of any amount due and payable to a Beneficiary Payee under the Limited Guarantee.

2.02 Intentionally Deleted.

2.03 Absence of Set-off

Subject to applicable law, the Province acknowledges and agrees that each payment to be made by the Province hereunder in respect of an Approved Obligation shall be made as required in whole, without application of any right of set-off and without regard to any equities as between or among any of the Province, the Beneficiaries and/or the Indenture Trustee.

2.04 Payment into Protection Account[3] in Satisfaction

(a) On or before the date of delivery of a Payment Demand to the Province, the Indenture Trustee shall cause to be established and maintained an Eligible Deposit Account (the "**Protection Account**") in the name of the Indenture Trustee, bearing a designation clearly indicating that the funds and other property credited thereto are held for the benefit of the Indenture Trustee and the Beneficiaries. The Protection Account shall be under the control of the Indenture Trustee for the benefit of the Beneficiaries. If, at any time, the institution holding the Protection Account ceases to be an Eligible Institution, the FSM shall notify the Indenture Trustee, and the Indenture Trustee upon being notified in writing of such ineligibility (or the FSM on its behalf) shall within 30 days (or such longer period, not to exceed 45 days, so long as the Rating Agency Condition is satisfied) establish a new Protection Account that is an Eligible Deposit Account and shall transfer any funds or other property from such Protection Account to such new Protection Account. From the date each such new Protection Account is established, it shall be the "Protection Account" for purposes of this Agreement. Funds credited to the Protection Account will be invested and held in accordance with Section **[7.03]** of the Trust Indenture on the basis that it is an Issuer Account.

(b) Notwithstanding the priority of payment requirements set forth in the Trust Indenture and any legal rule concerning the imputation of payments, the Financing Entity and the Indenture Trustee shall ensure that all amounts paid by the Province into the Protection Account on a Guarantee Payment Date in respect of an Approved Obligation are applied to pay the amounts due and payable to the Beneficiaries as and to the extent provided for in Section 2.01(a). Upon a payment having been made by or on behalf of the Province into the Protection Account, the amounts so paid shall for all purposes be considered to have been applied to pay the applicable Beneficiaries as provided for in Section 2.01(a) and thereby reduce the amount due and payable to such Beneficiaries in respect of the applicable

~~[3] Mechanics of Protection Account to be considered by Province after required modifications to Trust Indenture have been provided.~~

Approved Obligations, whereupon an affected Beneficiary shall have no continuing rights, interests or entitlements (including rights as a secured party) in respect of the Approved Obligation to the extent so paid[4]. For greater certainty, the obligations arising in respect of an applicable Approved Obligation shall not be reduced by such payment as the Province shall become entitled to be paid related Subrogation Amounts and the rights contemplated under Section 2.01(a) and Section 5.01 in relation to such continuing obligations.

2.05 Certain Waivers

The Province hereby waives:

(a) any requirement, and any right to require, that any power be exercised or any action be taken against the Financing Entity or any Collateral for any of the Approved Obligations;

(b) all notices which may be required by applicable law to preserve any rights against the Province hereunder, including any notice of default, demand, dishonour, presentment and protest;

(c) diligence; and

(d) any defence based upon, arising out of or in any way related to any claim that any election of remedies by the Beneficiaries impaired, reduced, released or extinguished any rights that the Province might otherwise have had against the Financing Entity or any other surety.

The Province agrees that each such waiver is made with full knowledge of its significance and consequences and if any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the maximum extent permitted by applicable law.

2.06 Additional Security

This Agreement shall be in addition to and without prejudice to any other security by whomsoever given, held at any time by the Indenture Trustee or for the benefit of any of the Beneficiaries.

2.07 Continuing Liability of the Province

The Approved Obligations shall be deemed not to have been paid, observed or performed, and the liability of the Province hereunder in respect thereof shall continue and not be discharged, to the extent that any payment, observance or performance thereof by the Financing Entity, or out of the proceeds of any Collateral, is recovered from or reimbursed by or for the account of any of the Beneficiaries for any reason, including a preference or fraudulent transfer

[4] ~~A corresponding provision needs to be added to the Trust Indenture and each other Funding Obligation Agreement under which the Obligation Secured arises, so that the Beneficiaries are bound by these applications and the agreement of the Indenture Trustee under this Agreement.~~

or by virtue of any subordination (whether present or future or contractual or otherwise) of the Approved Obligations, whether such recovery or payment over is effected by any judgment, decree or order of any court or Governmental Authority, by any plan of reorganization or by settlement or compromise by any of the Beneficiaries (whether or not consented to by the Financing Entity or the Province) of any claim for any such recovery or payment over.

2.08 Continuance of the Limited Guarantee

Subject to Section 2.07, the Limited Guarantee shall continue in full force and effect until the indefeasible payment, observance and performance in full of the Approved Obligations~~, or until the Province is no longer required to provide and perform the Limited Guarantee~~ in accordance with Section ~~6.03 or Section 8.02~~ 9.01.[6]

2.09 Modifications of Approved Obligations

The Province expressly authorizes the Indenture Trustee, at any time and from time to time, without notice and without affecting the liability of the Province hereunder, but subject to compliance with the requirements of the Program Agreements and this Agreement, to:

(a) accept new, additional or replacement instruments, documents, agreements or security in connection with all or any part of the Approved Obligations;

(b) accept partial payments on the Approved Obligations; and

(c) waive, release, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, compromise, liquidate and enforce all or any part of the Approved Obligations and any security or guarantee therefor, and apply any such security and direct the order or manner of sale thereof as the Indenture Trustee (for the benefit of the Beneficiaries) in its discretion may determine.

ARTICLE III
THE INDENTURE TRUSTEE

3.01 The Indenture Trustee

This Agreement is made in favour of the Indenture Trustee in its capacity as trustee under the Trust Indenture. Accordingly, in the event of a new trustee being appointed under the Trust Indenture, such new trustee shall thereupon become and be the Indenture Trustee hereunder, but nevertheless, the Indenture Trustee shall forthwith assign, transfer and make over to the new trustee hereunder this Agreement. All provisions of the Trust Indenture for the protection of the Indenture Trustee or for facilitating the administration of the trusts or otherwise relating to the Indenture Trustee solely as to its holding of the rights thereunder shall apply *mutatis mutandis* to this Agreement and the Indenture Trustee's duties hereunder.

[6] We made this change to be consistent with the termination clause in section 9.01.

3.02 Acceptance of Trusts

The Indenture Trustee hereby accepts the trusts hereof and agrees to carry out and discharge the same unless and until a new trustee shall be appointed as contemplated in Section 3.01.

ARTICLE IV
APPROVED OBLIGATIONS

4.01 Approval Process

A Primary Obligation shall constitute an Approved Obligation if **(i)** the Adherence Conditions applicable thereto have been satisfied at the time the Primary Obligation was incurred**, or (ii) the Province, in its sole discretion, agrees it is an Approved Obligation**.

4.02 Adherence Conditions[5][7]

The following shall be the Adherence Conditions applicable in relation to each **Certified** Primary Obligation ~~other than any Funding Obligation under which not more than $■ in the aggregate may become payable by the Financing Entity~~:

(a) the **Certified** Primary Obligation when incurred is an Obligation Secured under the Trust Indenture; and

(b) OPG, as FSM, delivers a certificate signed by the Chief Financial Officer and the Treasurer of OPG ~~(or their respective designees, provided that such designees are executive officers of OPG and,~~ **, or any two Executive Officers of OPG (**for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) and addressed to the Indenture Trustee, ~~one Business Day prior to the Financing Entity entering into or becoming bound by the related Funding Obligation Agreement~~**on or before the incurrence of a Certified Primary Obligation[8] (provided that delivery may not be more than 5 Business Days before the incurrence of the Certified Primary Obligation)**, confirming that OPG has ~~delivered to the Province a certificate signed by the Chief Financial Officer and the Treasurer of OPG~~

[5] ~~Dealers to explain how the current structure requiring satisfaction of the adherence conditions in~~[7] **We would propose that the certification in section 4.02(b) of** the Protection Agreement ~~is more onerous than ordinary adherence conditions applicable to government guaranteed bonds and to estimate the quantum impact on the marketability of the transaction and explain what uncertainty an ordinary closing condition of this type poses for investors~~**track the requirements of section 3.01 of the Process Agreement to ensure that the two sections are consistent. Accordingly, we have revised section 4.02(b) of the Protection Agreement to state the certificate delivered to the Indenture Trustee under this section should confirm that all certifications to the Province required in connection with the incurrence of such Certified Primary Obligations have been delivered to the Province**.

[8] **We tried to address all parties concerns expressed at our last meeting by this language. The Province can be assured that no certificate earlier than 5 Business Days prior to incurring the Certified Primary Obligation is delivered and the dealers have comfort that the clause is not too prescriptive.**

~~(or their respective designees, provided that such designees are executive officers of OPG and, for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) confirming that OPG has complied with all of its obligations to~~**provided to the Province all certifications required by** the Province~~ and internal requirements and processes~~ in connection with the ~~adherence of the Limited Guarantee to the~~**incurrence of such Certified** Primary Obligation; and

(c) in respect of a **Certified** Primary Obligation other than a Refinancing~~ of a Primary Obligation in respect of which the Adherence Conditions had been satisfied~~, the Province has not provided **a** Suspension Notice to the Indenture Trustee, OPG and the Financing Entity.

For greater certainty, **(y)** satisfaction of the Adherence Conditions for a ~~Funding~~**Certified Primary** Obligation shall be deemed satisfaction of the Adherence Conditions in respect of all principal, interest and other amounts owing under the ~~Funding~~**Certified Primary** Obligation, as such ~~Funding~~**Certified Primary** Obligation may be amended, restated, supplemented or otherwise modified from time to time**, and (z) there shall be no Adherence Conditions applicable in relation to a Primary Obligation that is not a Certified Primary Obligation**.

4.03 Evidence of Satisfaction

A closing certificate delivered in accordance with Section 4.02(b)~~(x)~~ in connection with an incurrence of a **Certified** Primary Obligation shall be determinative as to whether the applicable Adherence Conditions with respect thereto have been satisfied, notwithstanding that such certificate may include inaccuracies, be incomplete or otherwise be defective or deficient, and such closing certificate may be relied upon by any addressee as conclusive evidence of same. **A closing certificate that purports on its face to be signed by officers specified in Section 4.02(b) may be relied upon by any addressee without further enquiry or evidence as to the incumbency or signatures of such officers. If a closing certificate is not delivered in accordance with the timing requirements of Section 4.02(b), such certificate may be delivered at a later date, and be effective as if it had been delivered in accordance with the timing requirement of Section 4.02(b), if at the time such certificate was required to be delivered OPG had delivered to the Province all certifications required by the Province in connection with the incurrence of a Certified Primary Obligation.**[9]

[9] This additional language was added to address the concerns of the dealers and Oslers discussed at our last meeting.

ARTICLE V
PROVINCE MATTERS

5.01 Assignment and Subrogation

(a) Upon paying an amount in respect of an Approved Obligation to or at the direction of the Indenture Trustee in satisfaction of the Limited Guarantee, the Province (in addition to and without prejudice to any rights it otherwise has in law or equity) shall be subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation to the extent of such payment, including (i) the right and entitlement to be paid and receive the related Subrogation Amounts, (ii) the benefits of the related Collateral and (iii) all proceeds therefrom. The Province shall have and be entitled to enforce all rights and interests (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)), under and in respect of such Approved Obligation to the extent of the payment by the Province in respect of the Approved Obligation as an absolute assignee of the applicable Beneficiary, with effect from and after the time of such payment, without any further requirement for notice to or acceptance by the Financing Entity of such absolute assignment and without any reduction, set-off or counterclaim on account of any amounts that may, at or after the time of payment, be or become owing by the Beneficiary to the Financing Entity and unaffected by any other rights or equities that arise thereafter as between the Beneficiary and the Financing Entity. The Indenture Trustee shall recognize the Province as being entitled to all of the rights, interests and entitlements of the Beneficiary (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)) in respect and to the extent of the Approved Obligation so paid, determined as of the time of payment, for all purposes under the Trust Indenture, and the Province shall be treated as a Specified Creditor in respect thereof for all purposes under the Trust Indenture and any other agreement under which the Approved Obligation arises.

(b) The Province (i) acknowledges and agrees in favour of the Indenture Trustee that, upon being subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation in accordance with Section 5.01(a), the Province, in its capacity as a Specified Creditor, will be subject to the provisions applicable to Specified Creditors under the Trust Indenture, including **[**Sections 7.04 through 7.11**>** *and 8.13 (Payment Priorities),* **<**Section ~~7.11~~7.12 **(Payments Held in Trust), Section 8.11 (Control by Controlling Class Creditors), Section 8.12 (Limitation on Suits),** ~~Sections 7.04~~**<** ~~*and 8.13 (Payment Priorities),*~~ **>Section 8.14 (Limited Recourse), Section 9.14 (Communications to Specified Creditors) and Section 16.01 (No Petition)** ~~thereof]~~ and (ii**]; (ii) consents, requests and authorizes the**

Issuer and the Indenture Trustee to (x) add the Province to the register of Specified Creditors described in subsection [13.13(b)] of the Trust Indenture and (y) disseminate the notice details of the Province to other Specified Creditors for the purposes set out in subsection [9.14(b)] of the Trust Indenture, and (iii) confirms that the Indenture Trustee shall send notices to the Province, in its capacity as a Specified Creditor, in accordance with Section 9.02.[6][10]

5.02 Priorities

For greater certainty, the rights, interests and entitlements of the Province as an assignee ~~and~~**or** subrogee**, as applicable,** of and with respect to an Approved Obligation shall rank equally with the rights, interests and entitlements of a Beneficiary to whom a Limited Guarantee payment is made in respect of, and to the extent of the payment made to satisfy, the Approved Obligation and the Province shall not be subject to postponement or subordination with respect thereto except to the extent of the priorities established in relation to the Approved Obligation under the Trust Indenture in the manner and to the extent contemplated in Section 2.01.

5.03 Intentionally Deleted

5.04 Representations and Warranties

The Province hereby represents and warrants that:

(a) the execution and delivery of, and the performance of its obligations under, this Agreement by the Province have been authorized by all necessary action on the part of the Province;

(b) the execution and delivery of, and the performance of its obligations under, this Agreement by the Province do not result in the violation of any applicable law; and

(c) this Agreement has been duly executed and delivered by the Province.

ARTICLE VI
NOTICE OF ASSUMPTION OF CERTAIN OBLIGATIONS SECURED[11]

6.01 Delivery of Assumption Notice

Following the occurrence of a Protection Event, the Province may (but shall not be obligated to) provide notice (in the form of Exhibit B) to the Indenture Trustee that the Province has elected to assume the Financing Entity's obligations in respect of all Obligations Secured~~, as~~

[6] ~~Section to be updated~~[10] **These changes were made** to conform ~~with section in~~**to the latest draft of** the Trust Indenture~~ once settled~~**, a copy of which will be circulated soon**.

[11] **Please see Torys' cover email to explain changes made in this Article and the related Article in the Process Agreement. Section 6.05 was deleted since it was not applicable in a context where only some of the Obligations Secured would be assumed.**

~~obligor and debtor~~ **permitted to be assumed by their terms** (the "**Assumption Notice**"). The Assumption Notice shall specify the date on which the assignment and assumption of ~~the~~**such** Obligations Secured will be effective (~~the~~**each such date being an** "**Assumption Closing Date**").[12]

6.02 Cooperation to Implement the Assignment and Assumption

The Indenture Trustee, the FSM, the Financing Entity and the Province will cooperate and use best efforts to complete the assignment and assumption of the Obligations Secured **referenced in Section 6.01** by and from the Financing Entity to and by the Province~~,~~ by the **applicable** Assumption Closing Date.[7]

6.03 Effect of Assignment and Assumption

On the date that the assignment and assumption of the Obligations Secured **referenced in Section 6.01** by and from the Financing Entity to and by the Province becomes effective (the "**Assumption Effective Date**"), the Province shall no longer be required to provide and perform the Limited Guarantee but will instead become a primary obligor under ~~the~~**such** Obligations Secured assumed pursuant to and in accordance with an applicable Assumption Agreement. For greater certainty, the obligations of the Province so assumed will not be secured obligations of the Province and the obligees thereof will have no right, interest or claim to or in respect of the Collateral or any proceeds therefrom. ~~**[NTD: the forms of assumption agreement(s) need to be settled before this agreement is finalized.]**~~

6.04 Interim Period

Until the effective time of the assignment and assumption of the Obligations Secured **referenced in Section 6.01** by and from the Financing Entity to and by the Province on the Assumption Effective Date, the Province shall continue to perform and be obligated under the Limited Guarantee **with respect to those Obligations Secured**.

~~6.05 Rights in respect of the Assets Comprising the Collateral~~

~~Upon assuming the Financing Entity's obligations in respect of all Obligations Secured under Article VI, the Province (in addition to and without prejudice to any rights it otherwise has in law or equity) shall be subrogated and entitled to all of the Financing Entity's rights and interests under and in respect of the assets, property and undertaking comprising the Collateral and all proceeds therefrom, free and clear of any liens, encumbrances or restrictions arising under or as a result of the Trust Indenture. The Province shall have and be entitled to enforce all such rights and interests as an absolute assignee of the Financing Entity, with effect from and after the time of such assumption, without any further requirement for notice to or acceptance by the Financing Entity of such absolute assignment and without any reduction, set-off or counterclaim on account of any amounts that may, at or after the time of payment, be or become owing to the~~

[12] **It is not realistic to think that the assumptions of Secured Obligations will all occur on one day. We think it has to happen on a contract by contract basis. As a Secured Obligation is assumed, the Limited Guarantee falls away with respect to it (it becomes a "zero" item in the waterfalls).**

[7] ~~Further details regarding obtaining of third party consents and rating agency approvals to be provided by OPG.~~

~~Financing Entity and unaffected by any other rights, interests or equities that arise thereafter in respect of the assets, property and undertaking comprising the Collateral as between the Beneficiaries and the Financing Entity. The Indenture Trustee and the Beneficiaries shall thereupon recognize the Province as the absolute owner of the assets, property and undertaking comprising the Collateral.~~

ARTICLE VII
INDENTURE TRUSTEE MATTERS

7.02 Not Responsible for Recitals ~~or Issuance of Notes~~

The recitals contained herein will be taken as the statements of the Province, the Financing Entity and the FSM, and the Indenture Trustee assumes no responsibility for their correctness. The Indenture Trustee makes no representations as to the validity or sufficiency of this Agreement.

~~(c) each of this Agreement and the other documents to which it is a party has been duly executed and delivered by the Indenture Trustee and constitutes its legal, valid and binding obligation in accordance with its terms; and~~

[13] **The Indenture Trustee asked us to delete these representations. They will not provide these types of representations without attaining a legal opinion from outside counsel. To avoid delay, we would ask that the parties agree to this deletion.**

(b) ~~(d)~~ the Indenture Trustee is authorized to carry on the business of a trust company in each of the provinces and territories of Canada.

ARTICLE VIII

8.01 Suspension Notice

Upon:

(a) **a Program Breach; or**

(b) **a default in the performance, or breach, of any covenants or representations of the FSM to the Province in connection with an incurrence or amendment of Primary Obligations, which continues for thirty (30) days after written notice by the Province to the FSM of such default or breach; or**

~~The~~**the** Province may~~, at any time and for any reason,~~ declare that the Limited Guarantee under this Agreement shall not apply to any ~~Obligation Secured~~**Primary Obligations** incurred[14] on or after such declaration, other than any Refinancing of a Primary Obligation in respect of which the Adherence Conditions had previously been satisfied, by delivering a written notice in the form of Exhibit C (a "**Suspension Notice**") to the Province to the Indenture Trustee, the FSM and the Financing Entity.[15]

8.02 Suspension

If a Suspension Notice has been provided under Section 8.01 (the provision of such notice being a "**Suspension Event**"), the Limited Guarantee shall not apply in respect of any **Primary** Obligation ~~Secured~~ incurred ~~or amended~~[16] on or after the time such Suspension Notice is delivered, other than any Refinancing of a Primary Obligation in respect of which the Adherence Conditions had previously been satisfied. For greater certainty, the rights of the Province under Article VI shall apply in respect of ~~all~~**the** Obligations Secured **referenced in Section 6.01**, including if incurred ~~or amended~~ on or after the time such Suspension Notice is delivered.

[14] **We will need the ability to amend the Primary Obligations after a Suspension Notice to deal with the Suspension Notice itself.**

[15] **OPG has confirmed that it is problematic from an accounting perspective to give the Province a broad right to suspend at any time. As discussed in the meeting, we therefore reintroduced the concept of the Program Breach and Breach Event but we made the breach event generic to ensure we do not have to reference the Process Agreement in this document.**

[16] **We will need the ability to amend the Primary Obligations after a Suspension Notice to deal with the Suspension Notice itself.**

~~8.03 **Termination Notice** On (a) the occurrence of a Suspension Event or (b) the Assumption Effective Date, the Province may provide to the Indenture Trustee, the FSM and the Financing Entity a notice in the form of Exhibit D (a "**Termination Notice**").~~[17]

8.03 ~~8.04~~ No Impact on Adherence

For greater certainty, the occurrence of Suspension Event or a failure by the FSM or the Financing Entity to perform its covenants under this Agreement will not invalidate or extinguish the obligations of the Province under the Limited Guarantee in respect of Approved Obligations in existence prior to the occurrence of the Suspension Event or in respect of any Refinancing of a Primary Obligation in respect of which the Adherence Conditions had previously been satisfied, nor will it in any way impact the Obligations Secured which are assumed by the Province in accordance with ~~Article~~ARTICLE VI.

ARTICLE IX

HER MAJESTY THE QUEEN IN RIGHT OF ONTARIO, AS REPRESENTED BY THE MINISTER OF ENERGY AND THE MINISTER OF FINANCE

AND

ONTARIO POWER GENERATION INC.

CHANGE OF LAW PROCESS AGREEMENT[1]

Dated as of [■], 2017

[1] This Agreement and the Protection Agreement will need to be effective on closing but signed and held in escrow as soon as they are settled and prior to pricing of the term deal.

This **CHANGE OF LAW PROCESS AGREEMENT**, between Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), and Ontario Power Generation Inc. ("**OPG**") is made and entered into as of [■], 2017.

RECITALS

OPG is appointed as the Financial Services Manager under Section 18 of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**").

Pursuant to Section 22(2) of the Act, OPG, in its capacity as the Financial Services Manager (the "**FSM**"), may establish or cause to be established one or more financing entities (as defined in the Act), which may incur Funding Obligations in accordance with the Act.[1]

Pursuant to a Declaration of Trust dated as of [■], 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.[2]

Concurrent with this Agreement, the Province, the FSM, the Financing Entity and the Indenture Trustee will enter into the Change of Law Protection Agreement under which the Province will agree to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of **Primary** Obligations ~~Secured~~ that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions.

Prior to entering into this Agreement, OPG provided the Province with the proposed forms of ~~certain of~~ the Transaction Documents **listed on Exhibit "A"**, and the Province has not objected to such forms **and has confirmed to OPG that such Transaction Documents constitute "Reference Documentation" for purposes of this Agreement**.

Prior to entering into this Agreement, OPG, as the FSM, provided the Province with the initial Financing Plan attached hereto as Exhibit "B" (the "Initial Financing Plan"), and the Province has not objected to such Initial Financing Plan.

Prior to entering into this Agreement, OPG, as the FSM, provided to the Province (i) the initial forecast attached hereto as Exhibit "C" (the "Initial Forecast")> *setting out OPG's expectations regarding the aggregate maximum amount of Repayments* <>*that would arise in the future under Approved Obligations to be incurred during the* <**24 month period**

[1] ~~Blakes suggests that it be made clear in the Declaration of Trust that OPG is establishing the Trust. Blakes would appreciate the benefit of Torys analysis as to how the Trust is an "entity" under the OFHPA, as opposed to the trustee. Clearly OPG has not established Computershare. Blakes and Torys to discuss.~~

[2] ~~Lawyers to discuss~~**We are comfortable on this point because OPG has retained Computershare as issuer trustee. The recitals of the Declaration of Trust provide that Computershare has established the Trust at the request of the FSM. We can also provide you with a copy of the Computershare engagement letter upon request**.

following the date hereof> *(the "**Initial Forecast Period**")*<**; and (ii) notice of the initial Protection Agreement Maximum of C$■ (the "Initial Protection Agreement Maximum").**[3]**

The Province has not objected to the Initial Forecast and the Initial> *Protection Agreement Maximum on the basis that (i) there*< **does not appear to be inaccuracies in the Initial Financing Plan or the Initial Forecast, (ii) the Initial Forecast is consistent with the Initial Financing Plan, and (iii) the Initial Protection Agreement Maximum is less than the Initial Forecast.**

This Agreement sets out the obligations OPG has agreed to perform and assurances OPG has agreed to provide and on which the Province will rely in entering into and implementing the Change of Law Protection Agreement, including for the purposes of determining whether the Adherence Conditions have been satisfied, maintaining information related to the Program Agreements and the Approved Obligations, and ensuring that the Province's assumption rights pursuant to Article VI of the Change of Law Protection Agreement may be exercised without impediment on the terms and conditions contemplated in this Agreement and the Change of Law Protection Agreement.

All things necessary to make this Agreement a valid and legally binding agreement of OPG and the Province, have been done.

All covenants and agreements in this Agreement by the parties will bind their respective successors and permitted assigns, whether so expressed or not.

1.05 Severability

Each of the provisions contained in this Agreement is distinct and severable and a declaration of invalidity or unenforceability of any such provision or part thereof by a court of competent jurisdiction will not affect the validity or enforceability of any other provision hereof. To the extent permitted by applicable law, the parties waive any provision of law which renders any provision of this Agreement invalid or unenforceable in any respect.

1.06 Governing Law

THIS AGREEMENT WILL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE PROVINCE OF ONTARIO AND THE FEDERAL LAWS OF CANADA APPLICABLE THEREIN, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

1.07 Proceedings Against the Crown Act

NOTHING IN THIS AGREEMENT OR THE PROGRAM AGREEMENTS AFFECTS THE RIGHTS, PROTECTIONS AND IMMUNITIES OF THE CROWN UNDER THE PROCEEDINGS AGAINST THE CROWN ACT **(ONTARIO)**.

1.08 Attornment

EACH PARTY SUBMITS TO THE EXCLUSIVE JURISDICTION OF ANY ONTARIO COURTS SITTING IN TORONTO IN ANY ACTION, APPLICATION, REFERENCE OR OTHER PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT. THE PARTIES HERETO HEREBY WAIVE ANY RIGHT THEY MAY HAVE TO REQUIRE A TRIAL BY JURY OF ANY PROCEEDING COMMENCED IN CONNECTION WITH THIS AGREEMENT.

1.09 Counterparts; Electronic Delivery

This Agreement may be executed in any number of counterparts, each of which so executed will be deemed to be an original, but all such counterparts will together constitute one and the same instrument. Delivery of an executed signature page to this Agreement by a party by electronic transmission will be as effective as delivery of a manually executed copy of the Agreement by such party.

1.10 Non-Business Days

Whenever any period of time would begin or end or any other action to be taken hereunder shall be stated to be required to be taken, on a day other than a Business Day, then (notwithstanding any other provision of this Agreement) such period of time shall begin or end, and such other action shall be taken on the next succeeding Business Day.

1.11 Waiver, Amendment

Except as expressly provided in this Agreement, no amendment or waiver of this Agreement will be binding unless executed in writing by the party to be bound thereby. No waiver of any provision of this Agreement will constitute a waiver of any other provision nor will any waiver of any provision of this Agreement constitute a continuing waiver unless otherwise expressly provided. A party's failure or delay in exercising any right under this Agreement will not operate as a waiver of that right. A single or partial exercise of any right will not preclude a party from any other or further exercise of that right or the exercise of any other right.

ARTICLE II
COVENANTS OF OPG

2.01 Deliveries to the Province

(a) ~~Not less than 15 Business Days, or such lesser period as the Province may agree to in writing, prior to the initial issuance of any Funding Obligation by the Financing Entity, OPG shall deliver to the Province a copy of the initial Financing Plan. Thereafter,~~ OPG shall promptly deliver to the Province a copy of any proposed change to or replacement of the **Initial** Financing Plan.

(b) Not less than 10 Business Days, or such lesser period as the Province may agree to in writing, prior to (i) any proposed change or supplement to a previously provided Transaction Document becoming effective or otherwise being used, (ii) any additional or replacement Transaction Document becoming effective or otherwise being used, OPG shall deliver to the Province a copy of such proposed change or supplement to the Transaction Document and any such additional or replacement Transaction Document.

(c) Promptly following (i) any change, modification, alteration, amendment, supplement, extension, renewal, compromise, novation, replacement, suspension or waiver of the terms of all or any part of the Approved Obligations or any Collateral therefor being made, (ii) any new, additional or replacement instruments, documents, agreements or security being used or granted in connection with all or any part of the Approved Obligations, or (iii) any waiver, release, reconveyance, termination, abandonment, subordination, exchange, substitution, transfer, compound, compromise, liquidation or enforcement of all or any part of the Approved Obligations or any security or guarantee therefor being

effected, OPG shall deliver to the Province a detailed description of such event and the reasons for it together with any related documents, agreements and instruments.

(d) Promptly following any incurrence of a Funding Obligation or any amendment of a Funding Obligation, OPG shall provide the Province with electronic copies of all related Governing Documents and all other closing documents executed by or on behalf of the Financing Entity in connection with such incurrence or amendment that would affect the Financing Entity's assets or obligations (including, for greater certainty, any related Disclosure Document) and which have not been previously provided to the Province.

(e) Promptly upon request, OPG shall provide the Province with such additional information and documentation as the Province reasonably requests in order to enable the Province to assess the nature and extent of its obligations under the Change of Law Protection Agreement.

2.02 Covenants

(a) OPG shall use commercially reasonable efforts to cause the Financing Entity to:

(i) punctually perform and observe all of the Financing Entity's obligations and agreements contained in the Program Agreements;

(ii) ensure that all Obligations Secured are incurred pursuant to and in accordance with the terms and conditions of the Trust Indenture;

(iii) ensure that no obligations other than the Obligations Secured are incurred by or on behalf of the Financing Entity;

(iv) not engage in any business other than as permitted under the Declaration of Trust or the other Program Agreements and activities ancillary thereto; and

(v) not **(unless waived by the Province)**:

(A) amend, supplement, modify, restate or replace or waive or consent to a postponement of compliance with the terms and conditions on the part of any other party to any of the Program Agreements, if any such supplementation, amendment, modification, restatement or replacement or waiver or consent could reasonably be considered to be materially prejudicial to the rights or interests of the Province under the Change of Law Protection Agreement; provided, however, that the foregoing does not apply to any change in particular financial terms, rates and levels;

(B) extend, renew, compromise, novate, replace, suspend, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, liquidate or enforce the terms of all or any part of the Approved Obligations or any Collateral, if any such action could reasonably be considered to be materially prejudicial to the rights or interests of the Province under the Change of Law Protection Agreement; provided, however, that the foregoing does not apply to the extent that only particular financial terms, rates and levels are affected[3];

(C) permit the validity or effectiveness of the Change of Law Protection Agreement to be impaired~~.~~**; or**

(D) allow the Financing Entity to enter into any Supplemental Indenture or Loan Agreement where *any penalty or make-whole payment, or any requirement for further consent, approval or agreement,* **of the Specified Creditor party thereto would be required for** *the Province to assume the Obligations Secured* **thereunder.**[4]

(b) OPG shall:

(i) comply, and shall use commercially reasonable efforts to cause compliance by the Financing Entity, with the Act, the General Regulation and any other enactment related thereto;

(ii) punctually perform and observe all of its (including as the FSM and as Manager) obligations and agreements contained in the Program Agreements;

(iii) promptly notify the Province of the creation of any Funding Obligation that is not or would not be an Approved Obligation; and

(iv) after the occurrence of any Protection Event ~~(or any event that with the passage of time or the giving of notice would be a Protection Event)~~[5], not, without the Province's prior written consent, permit the Financing Entity to exercise any redemption, pre-payment, early termination or extension right in respect of any Approved Obligation or exercise any other election or privilege in respect of any Approved Obligation, in each case if as a result the obligations applicable to the Approved Obligation under the Change of Law Protection Agreement would be accelerated, delayed or otherwise affected.

~~[3] Added to address the scenarios contemplated in 2.01(c).~~

[4] Please see our cover note regarding the proposed assumption by the Province. Lawyers to discuss if appropriate mechanics for the first two deals are possible given timing.

[5] OPG is not in a position to be aware of events that may lead to a Protection Event.

(c) **For greater certainty, the parties hereto acknowledge and agree that OPG's obligations under this Agreement are subject to (i) OPG's obligations as FSM under the Act, and (ii) OPG's obligations under the Management Agreement.**[6]

(d) ~~(c)~~ Nothing in this Agreement ~~[~~nor in the Change of Law Protection Agreement~~]~~[47] shall limit the obligations of the Province under the Indemnity Agreement by the Province in favour of OPG dated June 1, 2017 (as amended, the "**Indemnity Agreement**") and to the extent of any conflict between this Agreement, the Change of Law Protection Agreement and such Indemnity Agreement, in respect of any matter relating to the Province's obligations to indemnify OPG, the Indemnity Agreement shall prevail.

ARTICLE III
PROCESS CERTIFICATE

3.01 Process Certificate[5][8]

OPG shall deliver a certificate (the "**Process Certificate**"), signed by the Chief Financial Officer and the Treasurer of OPG ~~(or their respective designees, provided that such designees are also executive~~**or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as** officers of OPG **acting in its capacity as FSM**) and addressed to the Province, on ~~the earlier of (i) one Business Day prior to~~**or before** the incurrence ~~or any amendment~~ of a ~~Funding~~**Certified Primary** Obligation (~~other than any Funding Obligation under which not more than $■ in the aggregate may become payable by the Financing Entity), and (ii) on the Business Day on which the financial terms of such Funding Obligation are definitively determined (including the interest or discount rate applicable to any notes, bonds or other securities~~**provided that delivery may not be more than 5 Business Days before the incurrence of the Certified Primary Obligation**), setting out the following with respect to such ~~Funding~~**Certified Primary** Obligation:

[6] **We would like to ensure that there is an acknowledgement that OPG has certain obligations under the Act and the Management Agreement.**

[47] This language has extra-contractual implications and so its meaning as between only 2 of the parties to the Protection Agreement is uncertain. Torys to explain intention. **Torys: This provision is intended to clarify that neither the Protection Agreement nor the Process Agreement supersedes or otherwise amends the Province's obligations under the Provincial Indemnity Agreement. It is effectively an acknowledgment by the Province in favour of OPG and does not involve the other parties to the Protection Agreement and so we are comfortable including it here only. However, we do not have an issue with putting an equivalent clause in the Protection Agreement if that is preferable from your perspective.**

[5] ~~OPG/Dealers have indicated that "The current structure requiring satisfaction of~~<~~*the adherence conditions*~~>in~~[8] **The Process Certificate conforms to the certificate delivered under the Change of Law Protection Agreement including the changes to ensure that the Process Certificate is only provided here when a concurrent certificate is required to be delivered by OPG under** the Protection Agreement ~~impacts the marketability of the transaction and creates uncertainty for investors. Province has asked Dealers to explain how the current structure requiring satisfaction of the adherence conditions in the Protection Agreement is more onerous than ordinary adherence conditions applicable to government guaranteed bonds and to estimate the quantum impact on the marketability of the transaction and explain what uncertainty an ordinary closing condition of this type poses for investors~~**. Without this consistency, the obligations can become confusing and the intent of the parties of when Primary Obligations are subject to**> *the adherence conditions* <**may not be clear**.

(a) the material terms of the ~~Funding~~**Certified Primary** Obligation pertaining to (i) in the case of notes, bonds or other securities, the principal amount, interest or discount rate, third party fees, term to maturity, amortization, redemption or extension features, structure and coupon frequency, as applicable, and (ii) in the case of a ~~Derivative~~**Master** Agreement[9]**, events of default**~~, the notional amount, financial terms and pricing, benchmarks, payment structures and early termination rights~~ **termination events and any amendment to the standard terms of the Master Agreement relating to the calculation of termination amounts (and, for greater certainty, it shall not be necessary to set out the terms of any trade confirmation)**;

~~(b) if an existing Funding Obligation is proposed to be amended, material details respecting such amendment, including regarding the applicable details set forth in Subsection 3.01(a), as the context requires;~~

(b) ~~(c)~~ a statement to the effect that: (i) the ~~Funding~~**Certified Primary** Obligation to be incurred~~ or amended~~ (1) will arise under terms and conditions that are Substantially in the Form of the Reference Documentation applicable thereto; (2) in the opinion of the signatories to the Process Certificate, are reasonably incurred or effected in compliance with the Act, the General Regulation, any other enactments related thereto and the applicable Financing Plan; (3) are of a type and are on terms that a reasonably prudent financial services manager would incur in similar circumstances; and (4) reflect, in all material respects, arm's length terms and conditions; and (ii) any Disclosure Document used in connection with the offering and sale of notes, bonds or other securities is Substantially in the Form of the Reference Documentation;

(c) ~~(d)~~ a statement confirming that any disclosure made in respect of the ~~Funding~~**Certified Primary** Obligation (including any Disclosure Document, press release or other written communication prepared for dissemination to third parties in relation to the ~~Funding~~**Certified Primary** Obligation) that refers to or describes the terms, effect or adherence of or to this Agreement or the Change of Law Protection Agreement has been made available to the Province prior to use or dissemination, other than where such disclosure was substantially the same as a disclosure previously made;

(d) ~~(e)~~ a statement that no Breach Event has occurred on or prior to the date of the Process Certificate, unless such Breach Event has been waived by the Province in writing; and

(e) ~~(f)~~ confirmation that, at the time the ~~Funding~~**Certified Primary** Obligation is incurred~~ or amended~~, the maximum aggregate payment amounts due or becoming

[9] **Since we agreed at our meeting that OPG only needs to provide a certificate under section 4.02 of the Change of Law Protection Agreement when they enter into a Master Agreement (and not the broader concept of the Derivative Agreement), we had to revise the language here to conform to what would be expected to be found in a Master Agreement.**

(i) where a Derivative Agreement has been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the hedged value expressed in Canadian dollars; and

(ii) where a Derivative Agreement has not been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the noon spot rate for conversions of any currencies into Canadian dollars.

3.02 ~~Delivery of a Suspension Notice~~ Acknowledgement[10]

The Province acknowledges and agrees that, concurrent with the delivery of the Process Certificate pursuant to Section ~~8.01~~<~~*of the Change of Law Protection Agreement*~~>~~, the Province is entitled to deliver a Suspension Notice. The Province agrees not to deliver a Suspension Notice pursuant to Section 8.01~~**3.01 of this Agreement, the Chief Financial Officer and the Treasurer of OPG or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) are authorized to deliver the certificate referred to in Subsection [4.02(b)] of the** Change of Law Protection Agreement ~~unless any of the following circumstances has occurred:~~**to the Indenture Trustee confirming that OPG has delivered all required certifications to the Province in connection with the incurrence of the Certified Primary Obligations in respect of which the certificate in Subsection [4.02(b)]**> *of the Change of Law Protection Agreement*< **is being delivered; provided that, upon receipt of a Suspension Notice under the Change of Law Protection Agreement, OPG covenants not to deliver any further certificates to the Indenture Trustee under Subsection [4.02(b)] of the Change of Law Protection Agreement other than in connection with a Refinancing.[11]**

~~(a) a Program Breach; and~~

~~(b) a Breach Event.~~

[10] **OPG needs certainty on the conditions in which it is permitted to deliver the certificate under the Change of Law adherence conditions.**

[11] **Since OPG receives a Suspension Notice under the Change of Law Protection Agreement, we removed the concept of such notice here other than to provide the covenant above.**

3.03 Meaning of "Reference Documentation"

For the purposes of Subsection 3.01(~~c~~b), the term "Reference Documentation" shall mean each Transaction Document (including any change, addition or supplement thereto) that, at the relevant time:

(a) is a Transaction Document provided to, and not objected to by, the Province prior to the making of this Agreement, as contemplated in the fifth recital to this Agreement; or

(b) is a Transaction Document provided to the Province in accordance with Subsection 2.01(b) that has not been objected to by the Province, by delivery of an objection notice in writing delivered to OPG, within 10 Business Days after it is provided to the Province.

3.04 Meaning of "Substantially in the Form"

For the purposes of Subsection 3.01(~~c~~b), the term "Substantially in the Form" shall mean:

(a) with respect to the Reference Documentation referred to in clauses (i) to (xi) of the definition of "Transaction Documents", that there are no differences between the proposed documents and such Reference Documentation that could result in a change in the material terms or conditions applicable to the applicable Primary Obligation, including regarding the timing of or circumstances under which related payments are or may become due or accrue (including as a result of any default, acceleration, termination, wind-up, liquidation or realization), or that would affect the Province's rights of subrogation or assignment (including pursuant to **[Section 5.01 or Article VI]** of the Change of Law Protection Agreement) or its interests as a subrogee or an assignee, that would arise as a result of performing the Limited Guarantee in respect of the applicable Primary Obligation or upon the assumption of obligations in accordance with **[Article VI]** of the Change of Law Protection Agreement; provided, however, that the foregoing does not apply to any variable terms to be set forth in the proposed documents as are reasonably contemplated in the Reference Documentation, including the particular financial terms, rates and levels set forth in the proposed documents other than to the extent that the forms of Reference Documentation themselves specify specific requirements, limitations or parameters with respect to such financial terms, rates, levels and parameters; and

(b) with respect to the Reference Documentation referred to in clause (xii) of the definition of "Transaction Documents", that there are no material differences between the form and substance of the proposed Disclosure Document and such form of Disclosure Document and that the proposed Disclosure Document complies in all material respects with all applicable securities disclosure requirements relating to the Primary Obligation subject to distribution thereunder.

ARTICLE IV
PROTECTION AGREEMENT MAXIMUM

4.01 Protection Agreement Maximum[12]

~~(a) Not less than 15 Business Days, or such lesser period as the Province may agree to in writing, prior to the proposed incurrence of the first Funding Obligation, OPG shall, as the FSM, deliver to the Province: (i) a forecast<~~ ~~*setting out OPG's expectations regarding the aggregate maximum amount of Repayments*~~ ~~><that would arise in the future under Approved Obligations to be incurred during the >next following 24 month period<~~ ~~*(the "**Initial Forecast Period**")*~~ ~~>, which expectations shall be consistent with the Financing Plan (the "**Initial Forecast**"); and (ii) notice of the initial Protection Agreement Maximum, which may not exceed the Initial Forecast.~~

~~(b) Not more than 10 Business Days, or such lesser period as the Province may agree to in writing, following receipt of the Initial Forecast and notice of the initial Protection Agreement Maximum from OPG pursuant to Section 4.01(a), the Province may disagree with the Initial Forecast and the initial<~~ ~~*Protection Agreement Maximum on the basis that (i) there*~~ ~~> appears to be inaccuracies in the Financing Plan or the Initial Forecast, (ii) the Initial Forecast is inconsistent with the Financing Plan, or (iii) the initial Protection Agreement Maximum is not less than the Initial Forecast. If the Province disagrees, OPG shall discuss any discrepancies with the Province, address any inaccuracies and inconsistencies to the reasonable satisfaction of the Province and OPG, and the initial Protection Agreement Maximum will be revised accordingly and confirmed by an amended notice to the Province.~~

(a) ~~(c)~~ Between nine (9) and twelve (12) months prior to the end of the Initial Forecast Period, OPG shall, as the FSM, deliver to the Province an updated forecast setting out the sum of (1) the aggregate amount of Repayments that will arise in the future under Approved Obligations that are then outstanding and (2) OPG's expectations regarding the aggregate maximum amount of Repayments that would arise in the future under Approved Obligations to be incurred during the period ending 24 months following the Initial Forecast Period, which expectation shall be consistent with the then applicable Financing Plan. Such updated forecast shall be further updated on a similar basis with respect to each successive 24 month period or more frequently if at any time OPG has knowledge that the most recent forecast is materially inaccurate (the Initial Forecast and each such updated forecast, each a "**Forecast**"). Together with each Forecast, OPG shall also provide a revised Protection Agreement Maximum, which may not exceed such Forecast.

(b) ~~(d)~~ Not more than 10 Business Days, or such lesser period as the Province may agree to in writing, following receipt of any further Forecast and notice of the

[12] **Per an earlier footnote, the items in previous draft (a) and (b) were moved to the recitals.**

revised Protection Agreement Maximum from OPG pursuant to Section 4.01(~~e~~a), the Province may disagree with such further Forecast or revised Protection Agreement Maximum on the basis that (i) there appears to be inaccuracies in the Financing Plan or such further Forecast, (ii) the further Forecast is inconsistent with the Financing Plan, or (iii) the revised Protection Agreement Maximum is ~~not less~~more than the further Forecast. If the Province disagrees, OPG shall discuss any discrepancies with the Province, address any inaccuracies and inconsistencies to the reasonable satisfaction of the Province and OPG, and the revised Protection Agreement Maximum will be further revised accordingly and confirmed by an amended notice to the Province.

(c) ~~(e)~~ For clarity, Repayments under Obligations Secured owing in currencies other than Canadian dollars will be valued at the time to be determined for the purposes of this Section 4.01 in accordance with the following:

(i) where a Derivative Agreement has been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the hedged value expressed in Canadian dollars; and

(ii) where a Derivative Agreement has not been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the noon spot rate for conversions of any currencies into Canadian dollars.

(e) There are no actions, suits or proceedings pending or, to the knowledge of OPG, threatened against or affecting the Financing Entity at law or in equity or before or by any Governmental Authority, or before any arbitrator of any kind, which would result in any material adverse change in the business, operations, prospects, properties, assets or condition, financial or otherwise, of the Financing Entity or in the ability of the Financing Entity to perform its obligations under the Program Agreements.

(f) There are no actions, suits or proceedings pending or, to the knowledge of OPG, threatened against or affecting OPG at law or in equity or before or by any Governmental Authority, or before any arbitrator of any kind, which would result in any material adverse change in the business, operations, prospects, properties, assets or condition, financial or otherwise, of OPG or in the ability of the OPG to perform its obligations under this Agreement or any Program Agreements.

(g) The performance by the Financing Entity of the Program Agreements does not conflict with, will not conflict with, does not result in, and will not result in, any breach of, and does not constitute, a default under, the Declaration of Trust or any agreements or instruments to which the Financing Entity is a party or by which it or any of its property and assets are bound.

ARTICLE VI
PROCESS FOR ELECTION TO ASSUME APPROVED OBLIGATIONS[6][13]

6.01 Election by the Province

Pursuant to Section 6.01 of the Change of Law Protection Agreement, at any time following the occurrence of a Protection Event, the Province may (but shall not be obligated) elect to assume the Financing Entity's obligations in respect of all Obligations Secured~~,~~ **permitted to be assumed by their terms** as obligor and debtor by giving notice to the Indenture Trustee. Prior to determining whether or not to exercise its election, the Province may deliver to OPG a notice in the form of Exhibit ~~A~~**"D"** (an "**Election Information Notice**"). The Election Information Notice shall, among other things, specify the date **or dates** on which the Province proposes to assume the Obligations Secured **referred to in this Section 6.01**, which date **or dates** shall be no earlier than ~~20 Business Days~~**60 days**[14] following delivery of the Election Information Notice to OPG (**with respect to each such Obligation Secured,** the "**Proposed Assumption Date**").

6.02 Details regarding Obligations Secured

~~Promptly~~**Within 10 Business Days** following the delivery of the Election Information Notice to OPG, OPG shall provide the following information and documentation to the Province:

(a) a summary of the amounts that will be owing under ~~all~~**the** Obligations Secured **referred to in Section 6.01** as of the Proposed Assumption Date, together with a

[6] ~~Note: Lawyers to discuss assumption mechanics~~[13] **Please see Torys' cover email to explain changes made in this Article and the related Article in the Protection Agreement. Section 6.05 was deleted and moved up as a covenant in section 2.02(a)(v)(D).**

detailed schedule setting out the dates on which such amounts will become due and payable under ~~the~~**such** Obligations Secured;

(b) a summary of the rights arising under the Obligations Secured **referred to in Section 6.01** that permit the ~~Financing Entity to assign the~~**Province to assume such** Obligations Secured ~~to the Province~~, including details regarding any conditions precedent to such assignment and the related assumption becoming effective and any notices, filings, consents or other actions that will be required in order to implement and effect such assignment and assumption;

(c) current versions of all documentation under which the Obligations Secured **referred to in Section 6.01** arise;

(d) copies of all correspondence exchanged between OPG, as the FSM, or the Financing Entity, on the one hand, and any Specified Creditor, Rating Agency or the Indenture Trustee, on the other hand, in each case that may reasonably be considered to be material to the assumption and performance of the Obligations Secured **referred to in Section 6.01** by the Province; and

(e) all income tax returns and assessments, financial statements and notices of proceedings of or pertaining to the Financing Entity or its business and any documentation related thereto, including any pleadings, appeals, objections, qualifications or other similar materials in respect of the Financing Entity or any Program Agreement.

Following receipt and consideration by the Province of the information and documentation to be provided under Section 6.02, the Province shall confirm in writing whether or not it expects to proceed with the assignment and assumption of the Obligations Secured **referred to in Section 6.01** and, if it will be proceeding with the assignment and assumption, the date on which the Province expects that assignment and assumption will be effected. If it will be proceeding with such assignment and assumption, the Province will deliver an Assumption Notice as contemplated under Section **[6.01]** of the Change of Law Protection Agreement. A decision not to proceed with an election at any time will not limit the Province from proceeding with an election at a later date, including by issuing a further Election Information Notice, and Article VI of this Agreement shall continue to apply unaffected.

6.04 Cooperation to Implement the Assignment and Assumption

OPG shall cooperate with the Province and, as FSM, shall use commercially reasonable efforts to cause the Financing Entity to cooperate, and shall use its commercially reasonable efforts, to complete the assignment and assumption of the Obligations Secured **referred to in Section 6.01** by and from the Financing Entity to and by the Province, by the applicable Assumption Closing Date.

6.05 Terms of Obligations Secured

ARTICLE VII In order to permit< *the Province to assume the Obligations Secured* >in the circumstances contemplated herein, OPG, as FSM, shall cause the Financing Entity to use commercially reasonable efforts to ensure that all Obligations Secured permit such an assignment to and assumption by the Province substantially in accordance with the terms and on the basis contemplated in the Assumption Agreement, without< *any penalty or make-whole payment, or any requirement for further consent, approval or agreement,* >or alternatively, in the case of any Obligations Secured entered into by or on behalf of the Financing Entity for the provision of on-going services to the Financing Entity permitting the satisfaction and termination of such Obligations Secured on or prior to the effective time of such assumption without any acceleration of future fees, profits or other like amounts, other than to the extent of payment obligations that arise under market standard mark-to-market payment terms and conditions included on a commercially reasonable basis under a Derivative Agreement.[7][15]

ARTICLE VII
BREACH EVENTS

7.01 Breach Events

"**Breach Event**" shall mean the occurrence or existence of any one or more of the following:

(a) a default in the performance, or breach, of any covenants of OPG under this Agreement, which continues for thirty (30) days after written notice by the Province to OPG of such default or breach;

(b) any representation or warranty made by OPG in this Agreement, any certification made in a Process Certificate, or any certification made in a certificate contemplated by Section **[4.02]** of the Change of Law Protection Agreement, proves to be incorrect on the date made and, if curable, is not cured within thirty (30) days after written notice by the Province to OPG of such misrepresentation; or

(c) OPG is no longer the Manager or actions have been taken by or on behalf of the Indenture Trustee to remove OPG as the Manager. **ARTICLE VIII**

[7] The Trust Indenture will need to be revised to ensure that the Province's assignment and assumption right is fully contemplated and may be implemented without any requirement for further Specified Creditor or other third party consents. Among other changes, it is contemplated that Torys will add the following to the MTI to address this requirement: (i) Specified Creditors (including in the applicable Funding Obligation Agreement) will be required to acknowledge the rights of the Province to assume the Obligations Secured on the basis contemplated in the form of assumption agreement, and (ii) the Indenture Trustee will be permitted to enter into and give effect to the global Assumption Agreement without the consent of Specified Creditors or any other third parties[15] **Breach events not required to be listed since OPG receives a Suspension Notice under the Change of Law Protection Agreement. Please find attached forms of s. 28 approval for the Change of Law Protection Agreement and the Change of Law Process Agreement. Please let me know if you have any comments.

We have divided these into two separate approvals because the Process Agreement does not have to be shared with the same parties as the Protection Agreement.

Subject:	Provincial Protection Agreement - Dealer Comments
Date:	Friday, September 15, 2017 12:10:52 PM

All,

We (Osler and the dealers) have discussed the several drafts of the Provincial Protections and Assurances Term Sheet that were circulated yesterday. Below are the issues the dealers would like to discuss. We understand that a meeting is being arranged for Monday.

1. In several places, the term sheet provides that decisions will be made by the Ministers or by the Ministers and the Financing Entity/Manager. There is no reference to the Indenture Trustee/dealers. For example, the third sentence of the document provides that the agreement will include "*such terms and conditions as the Minister of Energy and the Minister of Finance determine to be appropriate.*" Either all anticipated parties to the definitive agreement should have the benefit of statements of this nature or they should not be included.

2. The clause headed Specified Claims refers to "payment obligations" that are secured. Is there an intention to exclude any Obligations Secured (to use the Trust Indenture term)?

3. There was a request to expand the scope of the regulations covered to include "connected" regulations; the intention being to include the regulations relating to the recovery of interest during the moratorium period through the Global Adjustment. The Province did not make the requested change. Will these GA regulations be covered? They need to be.

4. While we understand the IESO LC for defaulted LDCs and the step-up pricing for warehouse take-out risk are not specifically the subject of this agreement, they are substitutes for provincial protections that were originally requested. We need to have confirmation that these issues have been resolved.

5. The requirement that the change of law have a "material" adverse effect is not acceptable.

6. We do not want the phrase "in a final and non-appealable judgement" being included in the *ultra vires* provision. Investors will be looking for timely payment.

7. We need it to be clear that the exclusion for "economic loss or loss of profits" does not cover the obvious economic loss/loss of profits that occurs when debt is not paid. The exclusion of consequential, special or punitive damages should be sufficient.

8. We need to understand exactly what is contemplated by an obligation to pay under the heading "Obligation to Pay Specified Claims" versus the option to assume under the heading of "Optional Assumption". We do not see a distinction. We also note that in the subrogation section there is

a reference to the Obligor as guarantor. Our view is that if a Protection Event occurs, the Province assumes all the obligations and is subrogated to all of the rights of the specified creditors against the Financing Entity and in respect of the clean energy adjustment. The Province can then retain as little or as much of the existing structure as it sees fit.

9. A proposal was made to address the issues arising from a post-default acceleration of the funding obligations by giving the province an option to assume the funding obligations to avoid acceleration. If that option is to be pursued, it would need to be in this term sheet. If it is not the solution, what is the solution?

10. We understand that the obligor approval mechanic has been deferred. Investors will need a provision that contemplates either (a) before each funding obligation is incurred, explicit confirmation by the Province that the provincial protection will apply to the protection, or (b) a process for non-specific approvals that the Financing Entity and the Province agree to implement that includes a provision to the effect that if a funding obligation is issued, the provincial protection is applicable. Put another way, the investors will have no obligation to insure that the province and the Financing Entity/Manager followed their agreed process for approvals.

We look forward to discussing.

---

Hi,

Attached is a draft TB/MBC note based on draft submission version 8 (also attached). I've heard there is another updated version on the way. Please provide an update of timing for Ministers signing from both Ministries.

Below are questions, hopefully responses can be provided in advance of Chair's pre-brief on Wednesday afternoon (so responses by Wednesday morning to include in revised note, if needed).

- Draft sub takes about a Change of Law Protection Agreement and identifies three triggers. The first two make sense talking about legislative/regulation changes and judicial changes, the third dealing changes within IESO adversely impacting the Financing Entity does seem to be related to change of law. Please clarify.
    - Regarding the third trigger, is this in or out? If in, is there any consideration being given to the Province to narrow the very broad scope?
- What are derivative agreements? Payments under derivative agreements?
- Does the Province have any consideration/protection regarding the subsequent form of obligations, securities/derivatives that can be brought/offered to the market?
- Following this submission, will there be the typical submissions seeking s28 FAA approvals for the guarantee or indemnification provided? If not, how does the requested minute cover off s28 FAA?

Thanks in advance,

James Strang

IV. KEY COMMENTS AND CONSIDERATIONS

Under the *Ontario Fair Hydro Plan Act, 2017*, (OFHPA), which enables Global Adjustments (GA) Refinancing, the Independent Electricity System Operator (IESO) will have a funding gap resulting from the reduction in amounts collected. The legislation enables IESO to record the under-collection of GA in a variance account, and deems this under-collected amount to be a "Regulatory Asset".

The OFHPA provides for the IESO to sell all or a portion of the Regulatory Asset (i.e., to sell the right to recover those deferred amounts from specified consumers in the future). Under the OFHPA, a Financing Entity (i.e., an entity established or caused to be established by OPG as the Financial Services Manager under the OFHPA) will purchase the regulatory asset, effectively financing the shortfall in current rates not received from the ratepayers.

To purchase the regulatory asset from IESO, the Financing Entity must borrow a portion of the funds (planned to be 51%, with other financing to come from OPG and, indirectly the Province) from the capital markets

OPG's financial advisors have indicated that without adequate protection against legislative and judicial risk, the debt would not be financeable. OPG, therefore, has advised that the Government of Ontario provide a change of law protection agreement to the Financing Entity and prospective debt holders such that, under certain circumstances, the Province would pay the funding obligations of the Financing Entity.

- Providing this, in a May 2017 TB/MBC item reviewing proposed Ontario Fair Hydro Plan legislation, through Province assurance and guarantee provisions, was recommended.

What would trigger the protection agreement?

Ontario Financing Authority (OFA), the Ministry of Finance and external advisors – consistent with OPG advice – recommend limiting activation of the protection agreement to the following circumstances (Appendix C provides the non-binding term sheet):

- Actions of the Legislative Assembly that undermine the financing arrangement, i.e., repeal or amendment of the OFHPA or new legislation that adversely affects the ability of an OPG Financing Entity to receive amounts relating to its investments interest so that it can pay its funding obligations
- A court decision that declares the ability of an OPG Financing Entity to receive amounts on its investment interest so it can pay its funding obligations to be invalid or unenforceable; and
- [Changes to the organization, structure or operations of IESO or a change in the electricity market structure or operations that adversely affects the ability of the Financing Entity to receive amounts on its investment interest such that it can pay its specified creditors, including making payments on its debt obligations.
  - *Note: this third protection event is not included in the current draft of the term sheet agreed to by Ministry of Finance staff; however, OPG is expected to continue to negotiate for its inclusion. It has been included in the TB submission, but may be removed once negotiations are complete, prior to TB/MBC consideration of this item on September 26, 2017.*]

….the third bullet isn't change of Law related?…

Financial:

If the protection agreement is provided, the Province takes on a contingent liability. The amount of the liability would increase over the duration of the OFHP and peak at an estimated $24B to $26B of debt (final cost forecasts TBC), including principal and accumulated interest.

- In the event the protection agreement is triggered, the Province's net debt would be expected to increase by an amount equal to the contingent liability for the debt outstanding at that point in time.
- The Province's interest payments will also increase by the debt interest servicing of the debt payment obligations it will be required to make under the protection agreement. In addition there may be additional payments on derivatives agreements and for service providers that the Province will be required to make.

Financial (Risk) – In the event the protection agreement is triggered:

The Province would be required to pay principal and interest on debt issued by the Financing Entity and other obligations of the Financing Entity as they come due (without acceleration). The Province may also be required to pay other obligations which may include payments under derivatives agreements and to service providers. This would likely have implications for the Province's fiscal plan and appropriation requirements.

- The Province's net debt would be expected to increase by an amount equal to the contingent liability for the debt outstanding at that point in time.
- The Province's interest payments will also increase by the debt interest servicing of the debt payment obligations it will be required to make under the protection agreement.
- In addition there may be additional payments on derivatives agreements and for service providers that the Province will be required to make.

The protection agreement would continue until all guaranteed obligations of the Financing Entity are fully discharged. In addition, the Province would also have the option to directly replace the OPG Financing Entity with respect to its outstanding rights obligations and liabilities, but if the Province decided to do so additional authority would be required.

The Ministries indicate that if the protection agreement is triggered, and the Province becomes responsible for the obligation to service and pay down the debt, that the magnitude of the fiscal impact (Interest On Debt (IOD) expense) will depend on whether or not some portions of the OFHPA continue in some form, or not.

- For example if the If the payment streams from ratepayers via the collection of the Clean Energy Adjustment (CEA) continue, this would offset the debt and interest payments; however, if the CEA is ended (e.g., if the OFHPA is repealed or is determined by a court not to be constitutional) and not replaced by another authorized charge, the incremental IOD expense would impact the Government's fiscal plan and likely takes away fiscal resources that can be otherwise used.
- Debt incurred to benefit the ratepayer becomes the responsibility of the taxpayer.

*This indicative term sheet (the "**Term Sheet**") relates to transactions contemplated to be undertaken under the Ontario Fair Hydro Plan Act, 2017 (the "**Act**") and the regulations made thereunder (the "**Regulation**"). This Term Sheet is to be held confidential. Unless otherwise specified, defined terms used herein have the meanings ascribed to them in the Act. The provincial protection and assurance arrangements contemplated in this Term Sheet will include such terms and conditions as the Minister of Energy and the Minister of Finance determine to be appropriate. This Term Sheet is not intended to create any obligations or be binding on the parties.*

Change of Law Protection Agreement:	A Change of Law Protection Agreement will be among the Obligor, a Financing Entity and an Indenture Trustee, acting for and on behalf of the Beneficiaries in accordance with a Trust Indenture.
Obligor:	The Province of Ontario, by the Minister of Energy and the Minister of Finance acting together.
Indenture Trustee:	An indenture trustee, acting for itself and on behalf of other persons entitled under an applicable Trust Indenture.
Beneficiaries:	The Indenture Trustee, acting for itself and on behalf of other persons entitled under Specified Claims.
Specified Claims:	Payment obligations of the Financing Entity that are secured under the Trust Indenture and that are approved as contemplated below under Obligor Approval.
Protection Events:	Any of the following would constitute a Protection Event: (A) (1) the Legislature repeals (and does not replace on an equivalent basis) or amends the Act or any portion thereof; (2) the Legislature enacts or amends any other statute; (3) the Lieutenant Governor in Council repeals (and does not replace on an equivalent basis) the General Regulation made under the Act or any portion thereof; or (4) the Lieutenant Governor in Council, a minister of the Crown, an official of the government or a board or commission all the members of which are appointed by the Lieutenant Governor in Council

	makes or amends any "regulation" (as defined in Part III of the *Legislation Act, 2006*), in each case, that materially and adversely affects (a) the ability of the Financing Entity to receive amounts on its investment interest so that it can pay Specified Claims, or (b) the Change of Law Protection Agreement or any of the agreements under which Specified Claims arise, other than if the Indenture Trustee has confirmed in writing that the affect under such agreements is otherwise acceptable; or (B) a court of competent jurisdiction in a final and non-appealable judgement determines that all or a portion of the Act or the Regulation is *ultra vires* in a way that materially and adversely affects the ability of the Financing Entity to receive amounts on its investment interest so that it can pay Specified Claims.
Obligation to Pay Specified Claims:	Upon the occurrence of a Protection Event, the Indenture Trustee will have the right to require the Obligor to pay the Specified Claims owing by the Financing Entity when they become due and payable (without acceleration). The exercise of such right by the Indenture Trustee in accordance with the Trust Indenture shall constitute the only remedy available under the Change of Law Protection Agreement. Under no circumstances shall the Obligor be obligated to pay or indemnify a Beneficiary for consequential, special or punitive damages, or for economic loss or loss of profits.
Subrogation:	Upon paying a Specified Claim to a Beneficiary, the Obligor as guarantor shall have rights of subrogation, including becoming entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Specified Claim, including the security interest in each related investment interest and related property of the Financing Entity and the obligations of the Financing Entity owing under the agreements under which the Specified Claim arises. The Financing Entity may not change or consent to any change in such rights and interests without the Obligor's prior written consent.

Optional Replacement:	At any time following the exercise by the Indenture Trustee of its right to require the Obligor to pay Specified Claims when due and payable, the Obligor shall be entitled (but not obligated) to replace the Financing Entity as obligor and debtor and directly assume all of the Financing Entity's outstanding obligations and liabilities. The Financing Entity (including through the Financial Services Manager) will ensure that any obligation and liabilities undertaken or assumed by it will by their terms permit such a replacement and assumption (or, if applicable, satisfaction and termination) by the Obligor without additional cost or penalty and without any requirement for further consent, approval or agreement.
Term:	The Change of Law Protection Agreement will continue for as long as any Specified Claim remains outstanding.
Obligor Approval:	The Change of Law Protection Agreement will become effective in respect of a Specified Claim (including any modification) only after the Obligor has confirmed in writing that the Change of Law Protection Agreement applies to such Specified Claim. The Change of Law Protection Agreement will annex the applicable forms of program and series documents under which obligations of the Financing Entity may arise (e.g., including the form of trust indenture and series supplemental indenture) and set out the terms and conditions and process for obtaining the Obligor's approval and confirmation that the Change of Law Protection Agreement will apply to Specified Claims. APPENDIX E: PROFILE GLOBAL ADJUSTMENT SMOOTHING FOR RPP – ELIGIBLE ONLY – MAY 2017 TB/MBC SUBMISSION

The following graphic and table shows the multi-year profile of the planned approach to GA Smoothing that was included with the May 2017 TB/MBC Submission. The table below supports the Ministries assessment that the potential contingent liability under the protection agreement over the duration of the OFHP would peak at an estimated $24M to $26B (subject to final cost forecasts TBC), including principal and interest.

Notes: Assumes 30 year financing period and a nominal interest rate of 5% (compounded monthly). Ratepayer GA payments increase annually beyond 2020 such that the average monthly residential electricity bill increases by 6.3% per year to a maximum of $2.2 billion above the true cost of GA in any given year to cap repayment charges at around 10% of total bill. IESO forecast is based on IESO's revised OPO forecast as of February 2017. Includes the cancellation of LRP II and EFW, expansion of ICI. Does not include smoothed OPG rates. Above residential bill is based on a 750 kWh per month Toronto Hydro customer. Data shown above is by RPP period. Assumes RPP prices are adjusted in July 2021 instead of May 2021 to coincide with the end of the inflation cap. Fair allocation amounts subject to third party review.

APPENDIX F: OVERVIEW OF RISKS

Prepared by TBS staff, the following chart, as part of the May 2017 OFHP implementation update focused on the proposed legislation. It provides an overview of strategic (versus operational) risks to inform the approval/decision making process regarding the proposed legislation. Each part, GA Partial Refinancing & Electricity social programs, is a separate table.

The current submission, Change of Law Protection Agreement, is reflected under the risk "Refinancing GA costs through an OPG SPV Trust may increase costs and/or require provincial funding" (page 16) as part of risk mitigating strategy.

Global Adjustment Partial Refinancing:

Objective: Provide immediate ratepayer relief by capping rate increases at Consumer Price Index (CPI) for four years and refinancing GA costs over a longer period of time. Develop and implement a financing structure that increases provincial borrowing, but has no impact on annual provincial surplus/deficit.

Risk	Level of Risk	Risk Response
The determination of the appropriate legal and accounting treatment to be applied to the financing model may result in the costs of GA smoothing being allocated to the province.	**Risk Likelihood:** Possible **Risk Impact:** Critical **Time Scale:** 6 to 12 months **Rationale:** • The structure of the GA deferral was designed to result in an increase in provincial borrowing, no increase in net debt and no impact on surplus/deficit. • The proposal assumes GA refinancing does not have a fiscal impact because the legal authority and accounting treatments are met. • If a favourable legal and accounting treatment is not implemented, there could be a negative impact on the province's fiscal plan up to $2.5B in 2017-18 and rising. • Rating agencies and investors in the Province's debt may view all of the borrowing as an obligation of the Province, especially taking into account the nature of provincial guarantees, which could put pressure on the Province's credit rating and overall borrowing capacity. • Proposed structure may result in a negative response from Ontario Auditor General (OAG) due to previous concerns regarding recognition of rate regulated assets and liabilities. The AG has already expressed concerns regarding the accounting treatment on the IESO's books which could lead to a qualification of the Province's consolidated financial statements. • Initial assessment of the accounting considerations suggests that the proposed model is in alignment with established accounting standards.	Risk can be mitigated by: • Commissioning external opinions on the legal, fiscal and accounting requirements, which could be used by the Province to justify structure of financial model and be utilized in discussions with the OAG. • Identify potential options to minimize the balance of rate regulated assets remaining on the IESO's books at fiscal year-end.

Risk	Level of Risk	Risk Response
Uncertainty in the financial model due to dependence on assumptions that are subject to potential volatility may result in higher than anticipated future costs for rate payers and the province.	**Risk Likelihood:** Likely **Risk Impact:** Major **Time Scale:** More than 36 months **Rationale** • The financial model developed is a high level and aggregate model, which is built on independent forecasts. There are a large number of assumptions built into the model explicitly and implicitly (as a larger number of assumptions are embedded into the other forecasts that are used as inputs into the model). • The proposal financing structure will accrue total interest of about $26.2 billion, which is sensitive to many factors, including interest rate, natural gas and carbon prices, generation costs and demand levels.	Risk can be mitigated by: • Development of a risk-based outlook, based on an analysis of scenarios, to determine the financial impact of potential changes in variables used in the financial models. • Building permissive language in the legislation and regulations to allow for timely course correction mechanisms (i.e. higher payment amounts and/or rate increases) • Regulations to prescribe the methodology to be applied by the Ontario Energy Board (OEB) to determine electricity rates in response to potential deviation from forecasted financing plans.
A legal determination that the Province is spreading the costs of GA financing in order to lower the price in the short term by increasing the price in the long term may result in the GA charge characterized as a tax and deemed unconstitutional.	**Risk Likelihood:** Medium **Risk Impact:** High **Time Scale:** Long-Term (More than 36 months) **Rationale** • If characterized as a tax, the GA charge could be subject to legal challenge and struck down as unconstitutional, allowing consumers to recover their payments. • Likelihood dependent on the extent the government is not able to show a proper match between the cost of providing facilities for electricity generation and the group of consumers who benefit year to year. The bigger the reduction in charges to current consumers, the higher likelihood of the risk being realized. • Internal and external expertise have provided opinion that the proposed structure is constitutionally sound in the short-term (2017-18), but the likelihood of the risk increases in the proceeding four years, which will impact commitment to keep rate increase in line with CPI. • If annual increases in bills or the commodity prices are subject to caps, additional borrowing/provincial funding may be required.	Risk can be avoided by: • Imposition of a valid tax. • Change in policy (i.e. allow greater rate increases during the remainder of the rate mitigation phase and higher increases and payment amounts throughout rate increase and payment phase). • Use of public funds to ease pressure. Risk can be mitigated by: • Improve forecasting model and close monitoring of costs and changes in variables built into model. • Analyze the costs and benefits of the long lived assets (specifically usability beyond a 20 year period) to assist in determining a supportable GA deferral structure. • Draft legislation with built-in provisions to allow for the balance of the legislation to remain in effect if any particular clause or section is struck down by a court.

Risk	Level of Risk	Risk Response
Financing the costs of GA smoothing through OPG SPV/Trust and the volatility of interest rates may increase the cost of GA smoothing and/or require additional provincial funding.	**Risk Likelihood:** Possible **Risk Impact:** Moderate **Time Scale:** 12 to 24 months **Rationale** • The proposed structure will be reviewed by credit agencies to allow OPG to borrow in the open market. Depending on assessment, there may be an impact on interest rate for borrowing, the amount of equity/funding the province may need to provide and the requirement for a provincial guarantee. • As the OPG SPV/Trust will be borrowing in its own corporate capacity from the public markets, it will likely incur a higher interest cost compared to the Province's borrowing. • If the Trust can't raise the full funding requirements, additional cash injections would be required. If the borrowing cap of $28B is reached sooner than forecast, the province may have to provide incremental funding to float the program to 2047. • Beyond 2022, when steep increases are required, there will likely be additional pressure on the government to offset a part of the scheduled increases. • Risk that credit rating agencies may perceive OPG SPV/Trust's borrowing as debt supported by Province, impacting Province's ratings and cost of borrowing.	Risk can be avoided by: • Province providing a potential guarantee for the cost of borrowing – however, would redirect risk back to the Province and negate benefits of proposed financing structure. Risk can be mitigated by: • Equity injections from the province to support OPG as the owner and manager of GA refinancing and allow OPG to strengthen the capital structure of the Trust in order to secure financing at a reasonable cost. • Proposed legislation to enable GA refinancing has been draft with input from third-party financers. Provides a 'narrow' provincial guarantee and ensuring that debt holders have the right of action against a future government to recover the amount outstanding including interest, fees, expenses and any damages.

Risk	Level of Risk	Risk Response
The determination of the appropriate legal and accounting treatment to be applied to the financing model may result in the costs of GA Refinancing having a fiscal impact to the province.	**Risk Likelihood:** Possible **Risk Impact:** Critical **Time Scale:** 6 to 12 months **Rationale:** • The structure of the GA deferral was designed to result in an increase in provincial borrowing, no increase in net debt and no impact on surplus/deficit. • The proposal assumes GA refinancing does not have a fiscal impact because the legal authority and accounting treatments are met. • If a favourable legal and accounting treatment is not implemented, there would be a negative impact on the province's fiscal plan of up to $2.5B in 2017-18 and rising. • Rating agencies and investors in Province's debt may view all of the borrowing as an obligation of the Province, which could put pressure on the Province's credit rating and overall borrowing capacity. • The proposed structure may result in an opinion from the Ontario Auditor General (OAG) considering previous concerns regarding recognition of rate regulated assets and liabilities. The OAG may take this into account when the provincial books are audited. • An initial assessment of the accounting considerations suggests that the proposed model is in alignment with established accounting standards. Additional analysis is still required.	Risk can be mitigated by: • Commissioning external opinions on the legal, fiscal and accounting requirements, which could be used by the Province to support discussions of the financial model with the OAG.
Uncertainty in the financial model due to dependence on assumptions that are subject to potential volatility may result in higher than anticipated future costs for rate payers and the province.	**Risk Likelihood:** Likely **Risk Impact:** Major **Time Scale:** More than 36 months **Rationale** • The financial model developed is a high level and aggregate model, which is built on independent forecasts. There are a large number of assumptions built into the model explicitly and implicitly (as a larger number of assumptions are embedded into the other forecasts that are used as inputs into the model). • The proposal financing structure will accrue total interest of about $26.2 billion, which is sensitive to many factors, including interest rate, natural gas and carbon prices, generation costs and demand levels.	Risk can be mitigated by: • Development of a risk-based outlook, based on an analysis of scenarios, to determine the sensitivity and financial impact of potential changes in variables used in the financial models. • Building permissive language in the legislation and regulations to allow for timely course correction mechanisms (i.e. higher payment amounts and/or rate increases) • Regulations to prescribe the methodology to be applied by the Ontario Energy Board (OEB) to determine electricity rates in response to potential deviation from forecasted financing plans.

Risk	Level of Risk	Risk Response
A legal determination that the Province is spreading the costs of GA refinancing in order to lower the price in the short term by increasing the price in the long term may result in the GA charge characterized as a tax and deemed unconstitutional.	**Risk Likelihood:** Possible **Risk Impact:** Major **Time Scale:** Long-Term (More than 36 months) **Rationale** • If characterized as a tax, the GA charge could be subject to legal challenge and struck down as unconstitutional, allowing consumers to recover their payments. • Likelihood dependent on the extent the government is not able to show a proper match between the cost of providing facilities for electricity generation and the group of consumers who benefit year to year. The bigger the reduction in charges to current consumers, the higher likelihood of the risk being realized. • Internal and external expertise have provided opinion that the proposed structure is constitutionally sound in the short-term (2017-18), but the likelihood of the risk increases in the proceeding four years, which will impact commitment to keep rate increase in line with CPI. • If annual increases in bills or the commodity prices are subject to caps, additional borrowing/provincial funding may be required.	Risk can be avoided by: • Imposition of a valid tax. • Change in policy (i.e. allow greater rate increases during the remainder of the rate mitigation phase and higher increases and payment amounts throughout rate increase and payment phase). • Use of public funds to ease pressure. Risk can be mitigated by: • Improve forecasting model and ongoing monitoring of costs and changes in variables built into model. • Analysis of the costs and benefits of the long lived assets (specifically usability beyond a 20 year period) to assist in determining a supportable GA deferral structure. • Draft legislation with built-in provisions to allow for the balance of the legislation to remain in effect if any particular clause or section is struck down by a court.

Risk	Level of Risk	Risk Response
Refinancing GA costs through an OPG SPV Trust may increase costs and/or require provincial funding.	**Risk Likelihood:** Possible **Risk Impact:** Major **Time Scale:** 12 to 24 months **Rationale** • The proposed borrowing structure will be reviewed by credit agencies to allow OPG to borrow in the open market. Depending on assessment, there may be an impact on the interest rate for borrowing, the amount of equity / funding the province may need to provide and the requirement for a provincial guarantee. • As the OPG SPV/Trust will be borrowing in its own corporate capacity from the public markets, it will likely incur a higher interest cost compared to the Province's borrowing. • There is a risk that credit rating agencies may perceive OPG SPV/Trust's borrowing as debt supported by Province, impacting Province's own ratings and cost of borrowing. • If the Trust can't raise the full funding requirements, additional cash injections would be required. If the borrowing cap of $28B (in the March 1, 2017 Cabinet Submission) is reached sooner than forecast, the province may have to provide incremental funding to float the program to 2047. • Beyond 2022, when steep increases are required, there will likely be additional pressure on the province to offset a part of the scheduled increases. • Fiscal impacts will be subject to fluctuations in Ontario electricity demand, GA and interests rates in the medium-to long term. As well as if a protection agreement is called upon: o OPG, has advised that the Government of Ontario provide a change of law protection agreement to the Financing Entity and prospective debt holders such that, under certain circumstances, the Province would pay the funding obligations of the Financing Entity.	Risk can be mitigated by: • Providing a "provincial guarantee" for the cost of borrowing. • Drafting legislation to provide assurance to OPG and investors regarding the permanence of the GA refinancing framework and the authority of the legislation to pass the legislation; and enable the Province to guarantee borrowing of the trust in the event of a market disruption. • Specifics of a guarantee are dependent on the negotiation of agreements not yet initiated. Limiting triggers of a protection agreement to legislative (regulatory) changes and/or judicial decisions etc. • Equity injections from the province to support OPG as the owner and manager of GA refinancing and allow OPG to strengthen the capital structure of the Trust in order to secure financing at a reasonable cost.

Electricity social programs (Enhancing Electricity Support & Conservation Programs):

Objective: Shift funding of existing and new electricity support programs (RRRP, OESP, Affordability Fund, First Nations Credit) from rate to tax base.

Risk	Level of Risk	Risk Response
Uncertainty in forecasting due to exposure to changes and/or volatility (i.e. interest rates, electricity usage patterns, and distribution costs) may result in higher than anticipated fiscal impacts for the Province.	**Risk Likelihood:** Possible **Risk Impact:** Major **Timescale:** 12 to 24 months **Rationale:** • The energy sector is complex and a number of key assumptions used as inputs into forecasting model are variables/forecasts themselves, resulting in a high inherent risk that cost estimates are inaccurate. • Fiscal projection is highly dependent on factors which can fluctuate from year to year, including: o electricity usage; o distributions costs; and o consumer consumption patterns that may change due to extreme weather or other factors. • Fiscal projection is subject to knowledge of future distribution costs and dependent on submission of cost of service applications by Hydro One and LDCs. o Enhanced RRRP may create disincentives from the eligible LDCs towards productivity and performance improvements and/or cause ineligible LDC's to drive up distribution costs to gain access to program.	Risk can be mitigated by: • Development of a risk-based outlook, based on an analysis of scenarios, to determine the sensitivity and financial impact of potential changes in variables used in the forecasting models.

CHANGE OF LAW PROTECTION AGREEMENT

1. PROGRAM/BRANCH: Ontario Financing Authority

2. SUMMARY OF REQUEST:

Provide protection and assurance arrangements in respect of debts, obligations, securities or undertakings associated with investment interests acquired by one or more financing entities established by Ontario Power Generation Inc. pursuant to s. 22 of the *Ontario Fair Hydro Plan Act, 2017* ("OPG Financing Entities"), that, under certain circumstances as set out in the proposed arrangements the Province would pay when due amounts in respect of the obligations of the Financing Entity.

The Ministry of Finance and Ministry of Energy request that Treasury Board/Management Board of Cabinet:

(a) Authorize that the Minister of Finance and Minister of Energy, on behalf of Ontario, provide a protection agreement, to be authorized by Order in Council under the *Ontario Fair Hydro Plan Act, 2017* in respect of the debts, obligations, securities and undertakings of one or more OPG Financing Entities substantially reflecting the terms set out in the Provincial Protection and Assurances Indicative Term Sheet and subject to such revisions that the two ministers acting together may determine;

(b) Recommend to Cabinet an Order in Council, to be made under subsection 5(3) of the *Ontario Fair Hydro Plan Act, 2017* that authorizes the Minister of Finance and the Minister of Energy, acting together on behalf of the Province,

(i) to agree to guarantee or indemnify any debts, obligations, securities or undertakings associated with an investment interest; and

(ii) to determine terms and conditions of the guarantee or indemnity and the maximum liability for the guarantee or indemnity.

DRAFT

3. BACKGROUND:

On March 2, 2017, the government announced its proposed Ontario's Fair Hydro Plan (OFHP) to lower electricity bills by 25%, on average, for a typical residential consumer, and holding increases to the rate of inflation for four years. As part of OFHP, it was announced that a portion of the Global Adjustment (GA) would be refinanced in order to fairly allocate costs across present and future generations of electricity consumers with respect to investments made to decarbonize (i.e., phase-out coal) and modernize Ontario's electricity system (i.e., build and maintain a reliable electricity system). This would be achieved by spreading the cost of electricity investments so that they are shared proportionately by future consumers who cause a need for, or benefit from, the province's multi-billion dollar investments in electricity infrastructure.

To this end, immediate rate relief to eligible ratepayers is provided by deferring and spreading the cost recovery of electricity investments over a longer period of time. Under forecasts provided by the Ministry of Energy at the time of the OFHP announcement in March, the immediate reduction would be about $2.5 billion per year on average over the first ten years. The Ministry of Energy will report back to TB/MBC in fall 2017-18 with an update on out-year projections following analysis on rate applications before the Ontario Energy Board.

Under the *Ontario Fair Hydro Plan Act, 2017,* (the "OFHPA"), which enables GA Refinancing, the Independent Electricity System Operator (IESO) will have a funding gap resulting from the reduction in amounts collected over four years. The legislation enables IESO to record the under-collection of GA in a variance account, and deems this under-collected amount to be a "Regulatory Asset". The OFHPA provides for the IESO to sell all or a portion of the regulatory asset; i.e., the right to recover those deferred amounts from specified consumers in the future. Under the OFHPA, a Financing Entity (i.e., an entity established or caused to be established by OPG as the Financial Services Manager under the OFHPA) will purchase the regulatory asset, effectively financing the shortfall in current rates not received from the ratepayers.

To purchase the regulatory asset from IESO, the Financing Entity must borrow a portion of the funds (planned to be 51%, with other financing to come from OPG and, indirectly, the Province) from the capital markets; however, OPG's financial advisors have indicated that without adequate protection against legislative and judicial risk, the debt would not be financeable. OPG, therefore, has advised that the Government of Ontario provide a change of law protection agreement to the Financing Entity and prospective debt holders such that, under certain circumstances, the Province would pay the funding obligations of the Financing Entity.

OFA, the Ministry of Finance and external advisors – consistent with OPG advice – recommend limiting activation of the protection agreement to the following circumstances:

- Actions of the Legislative Assembly that undermine the financing arrangement, i.e., repeal or amendment of the OFHPA or new legislation that adversely affects the ability of an OPG Financing Entity to receive amounts relating to its investments interest so that it can pay its funding obligations;
- A court decision that declares the ability of an OPG Financing Entity to receive amounts on its investment interest so it can pay its funding obligations to be invalid or unenforceable; and
- [Changes to the organization, structure or operations of IESO or a change in the electricity market structure or operations that adversely affects the ability of the Financing Entity to receive amounts on its investment interest such that it can pay its specified creditors, including making payments on its debt obligations. *Note: this third protection event is not included in the current draft of the term sheet agreed to by Ministry of Finance staff; however, OPG is expected to continue to negotiate for its inclusion. It has been included in the TB submission, but may be removed once negotiations are complete, prior to TB/MBC consideration of this item on September 26, 2017*.]

In the event the protection agreement is triggered, the Province would be required to pay principal and interest on debt issued by the Financing Entity and other obligations of the Financing Entity as they come due (without acceleration). The Province may also be required to pay other obligations which may include payments under derivatives agreements and to service providers.

In addition, the Province would also have the option to directly replace the OPG Financing Entity with respect to its outstanding rights obligations and liabilities, but if the Province decided to do so additional authority would be required.

The protection agreement would continue until all guaranteed obligations of the Financing Entity are fully discharged.

Section 28 of the *Financial Administration Act (FAA), 1990* requires that the Minister of Finance's approval is obtained before a ministry seeks an Order in Council (OIC) to enter into a guarantee or indemnity that would increase the contingent liabilities of Ontario. In this case, the Minister of Finance, together with the Minister of Energy, is recommending the OIC to Cabinet and will, acting together with the Minister of Energy, determine the terms and conditions of and execute the proposed guarantee/indemnity in accordance with the OIC, if approved.

5. ADMINISTRATIVE IMPACTS:

To be managed by existing staff.

6. RISKS:

If the protection agreement is not approved, the Financing Entity would either be unable to raise sufficient financing from capital markets to purchase the regulatory asset from IESO or the cost of the financing will be potentially materially greater than it otherwise would be.

If the protection agreement is provided, the Province takes on a contingent liability. The amount of the liability would increase over the duration of the OFHP and peak at an estimated $24B to $26B of debt (final cost forecasts TBC), including principal and accumulated interest.

In the event the protection agreement is triggered, the Province's net debt would be expected to increase by an amount equal to the contingent liability for the debt outstanding at that point in time. The Province's interest payments will also increase by the debt interest servicing of the debt payment obligations it will be required to make under the protection agreement. In addition there may be additional payments on derivatives agreements and for service providers that the Province will be required to make.

While it is difficult to estimate the actual impact to the Province's interest on debt (IOD) expense, the worst case scenario would be the Province assuming the debt at its peak. If so, IOD expense may increase between $0.8B and $1.3B per annum (final cost forecasts TBC), depending on the interest rate at which the Financing Entity will be able to borrow at.

It is important to note that, if the protection agreement is triggered, and the Province becomes responsible for the obligation to service and pay down the debt, that the magnitude of the fiscal impact (IOD expense) will depend on whether or not some portions of the OFHPA continue in some form, or not. If the payment streams from ratepayers via the collection of the Clean Energy Adjustment (CEA) continue, this would offset the debt and interest payments; however, if the CEA is ended (e.g., if the OFHPA is repealed or is determined by a court not to be constitutional) and not replaced by another authorized charge, the incremental IOD expense would impact the Government's fiscal plan and likely takes away fiscal resources that can be otherwise used. Also, debt incurred to benefit the ratepayer becomes the responsibility of the taxpayer.

7. COMMUNICATION PLAN

Key Messages

- Ontario's Fair Hydro Plan has resulted in the biggest electricity rate reduction in Ontario's history.
- We have heard from Ontarians across the province that the price of electricity has risen too quickly, which is why we moved forward with a plan to ensure the costs are shared more evenly over the years ahead.
- The government is following through on its commitment to balance the books as announced in its 2017 Budget, while continuing to make investments in priority areas such as electricity price relief.

Strategic Approach

- Low-profile, reactive and targeted to industry stakeholders and government employees as necessary. Reactive messaging contingent upon legislative changes only with back-pocket QAs to support as needed.
- Communications support will continue to be led by the Ministry of Energy.

8. RECOMMENDATION

The Ministry of Finance and Ministry of Energy request that Treasury Board/Management Board of Cabinet:

(a) Authorize that the Minister of Finance and Minister of Energy provide a protection agreement, to be authorized by Order in Council under the *Ontario Fair Hydro Plan Act, 2017* in respect of the debts, obligations, securities and undertakings of one or more OPG Financing Entities substantially reflecting the terms set out in the Provincial Protection and Assurances Indicative Term Sheet and subject to such revisions that the two ministers acting together may determine;

(b) Recommend that Cabinet approve an Order in Council, in accordance with section 5 of the Ontario Fair Hydro Act, that authorizes the Minister of Finance and the Minister of Energy, acting together on behalf of the Province,

(i) to agree to guarantee or indemnify any debts, obligations, securities or undertakings associated with an investment interest; and
(ii) to determine terms and conditions of the guarantee or indemnity and the maximum liability for the guarantee or indemnity.

Provincial Protections and Assurances

Indicative Term Sheet

Ontario Fair Hydro Plan Act, 2017

*This indicative term sheet (the "**Term Sheet**") relates to transactions contemplated to be undertaken under the Ontario Fair Hydro Plan Act, 2017 (the "**Act**") and the regulations made thereunder (the "**Regulation**"). This Term Sheet is to be held confidential. Unless otherwise specified, defined terms used herein have the meanings ascribed to them in the Act. The provincial protection and assurance arrangements contemplated in this Term Sheet will include such terms and conditions as the Minister of Energy and the Minister of Finance determine to be appropriate. This Term Sheet is not intended to create any obligations or be binding on the parties.*

Change of Law Protection Agreement:	A Change of Law Protection Agreement will be among the Obligor, a Financing Entity and an Indenture Trustee, acting for and on behalf of the Beneficiaries in accordance with a Trust Indenture.
Obligor:	The Province of Ontario, by the Minister of Energy and the Minister of Finance acting together.
Indenture Trustee:	An indenture trustee, acting for itself and on behalf of other persons entitled under an applicable Trust Indenture.
Beneficiaries:	The Indenture Trustee, acting for itself and on behalf of other persons entitled under Specified Claims.
Specified Claims:	Payment obligations of the Financing Entity that are secured under the Trust Indenture and that are approved as contemplated below under Obligor Approval.
Protection Events:	Any of the following would constitute a Protection Event: (A) (1) the Legislature repeals (and does not replace on an equivalent basis) or amends the Act or any portion thereof; (2) the Legislature enacts or amends any other statute; (3) the Lieutenant Governor in Council repeals (and does not replace on an equivalent basis) the General Regulation made under the Act or any portion thereof; or (4) the Lieutenant Governor in Council, a minister of the Crown, an official of the government or a board or commission all the members of which are appointed by the Lieutenant Governor in Council

	makes or amends any "regulation" (as defined in Part III of the *Legislation Act, 2006*), in each case, that materially and adversely affects (a) the ability of the Financing Entity to receive amounts on its investment interest so that it can pay Specified Claims, or (b) the Change of Law Protection Agreement or any of the agreements under which Specified Claims arise, other than if the Indenture Trustee has confirmed in writing that the affect under such agreements is otherwise acceptable; or (B) a court of competent jurisdiction in a final and non-appealable judgement determines that all or a portion of the Act or the Regulation is *ultra vires* in a way that materially and adversely affects the ability of the Financing Entity to receive amounts on its investment interest so that it can pay Specified Claims.
Obligation to Pay Specified Claims:	Upon the occurrence of a Protection Event, the Indenture Trustee will have the right to require the Obligor to pay the Specified Claims owing by the Financing Entity when they become due and payable (without acceleration). The exercise of such right by the Indenture Trustee in accordance with the Trust Indenture shall constitute the only remedy available under the Change of Law Protection Agreement. Under no circumstances shall the Obligor be obligated to pay or indemnify a Beneficiary for consequential, special or punitive damages, or for economic loss or loss of profits.
Subrogation:	Upon paying a Specified Claim to a Beneficiary, the Obligor as guarantor shall have rights of subrogation, including becoming entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Specified Claim, including the security interest in each related investment interest and related property of the Financing Entity and the obligations of the Financing Entity owing under the agreements under which the Specified Claim arises. The Financing Entity may not change or consent to any change in such rights and interests without the Obligor's prior written consent.

Optional Replacement:	At any time following the exercise by the Indenture Trustee of its right to require the Obligor to pay Specified Claims when due and payable, the Obligor shall be entitled (but not obligated) to replace the Financing Entity as obligor and debtor and directly assume all of the Financing Entity's outstanding obligations and liabilities. The Financing Entity (including through the Financial Services Manager) will ensure that any obligation and liabilities undertaken or assumed by it will by their terms permit such a replacement and assumption (or, if applicable, satisfaction and termination) by the Obligor without additional cost or penalty and without any requirement for further consent, approval or agreement.
Term:	The Change of Law Protection Agreement will continue for as long as any Specified Claim remains outstanding.
Obligor Approval:	The Change of Law Protection Agreement will become effective in respect of a Specified Claim (including any modification) only after the Obligor has confirmed in writing that the Change of Law Protection Agreement applies to such Specified Claim. The Change of Law Protection Agreement will annex the applicable forms of program and series documents under which obligations of the Financing Entity may arise (e.g., including the form of trust indenture and series supplemental indenture) and set out the terms and conditions and process for obtaining the Obligor's approval and confirmation that the Change of Law Protection Agreement will apply to Specified Claims. Such approval may be made conditional on such matters as may be specified by the Obligor, including a maximum amount applicable to Specified Claims. The Province's approval of the form of any IESO/Financing Entity transfer agreement and any amendments will also be required.
FIPPA:	The Change of Law Protection Agreement will acknowledge that the Obligor will be bound by the *Freedom of Information and Protection of Privacy Act* (Ontario) and that any information provided to the Obligor, or any agent or representative of the Obligor in connection with the Change of Law Protection Agreement, may be subject to disclosure in accordance with the act or as otherwise required by law.
Representations and Warranties:	To be determined by the Minister of Finance and Minister of Energy in negotiation with the Financing Entity.

Confidentiality Obligations:	To be determined based on what would be customary and appropriate for similar types of arrangements and is acceptable to the Obligor and the Financing Entity.
Governing Law:	Province of Ontario.

Hi all,

These are really just my notes as I went through the agreement mark-up. Hopefully we can have a call at about 2 pm to go through the mark-up.

Thanks.

Comments on Process Agreement. Some of these questions relate to the closing logistics.

1. What date will the agreement be "dated as of"?

2. P. 1, fifth recital – Agree with changes to reference the final form of the Transaction Documents as described in Exhibit "A". Regarding mechanics – to whom will OPG send the final forms and when and who will confirm to OPG on behalf of the Province that such Transaction Documents will constitute Reference Documentation? Is it necessary to include the phrase "and the Province has not objected to such forms" since the Province is not actually given a contractual right to object to the forms?

3. P. 1 6th recital – When is it expected that OPG will deliver the Financing Plan to the Minister of Energy as required under the statute? i.e. the final version of the financing plan. Will it be done by the time the Ministers are to be briefed on and requested to sign the Protection and Process Agreements. Is the Minister of Energy going to be acknowledging receipt of the Financing Plan? We understand that the Initial Forecast will be included in the Financing Plan? Is it a single dollar amount? And the Initial Protection Agreement Maximum will be the same dollar amount?

4. 2.01(b) and 2.02(a) and 3.05(a) – New definition of Material Effect inserted to cover

5. 2.02(a)(D) – think Province agrees to delete (D) since assumption election has been deleted.

6. 2.02(c) and (d) – think Province is agreeable to this too.

7. 2.02(b) – OPG obligation to notify Province of Breach Events and Program Breaches added

8. 3.01(a) – think an estimate is fine.

9. Footnote 2 – Will need to discuss Oslers' email from last evening and interaction with the Process Agreement

10. 4.01(b) – Agree with deletion here because purpose is not to disagree based on inaccuracies in the Financing Plan but only with respect to the Forecast (which is

contained in the Financing Plan)

11. 6.01 – Amendments to Breach Events to specifically reference in obligations related to “material effect” amendments

12. Footnote 3 - Agree that reference documentation related to term deal should be deleted now as there will not be time to finalize now.

I have made some edits to the Base Fee and Variable Fee on slide#7. It now reads as follows:

- **Base fee**: Monthly fee calculated as 7.5 basis points on monthly funding obligation. The base fee will be independently reviewed in 2018.
- **Variable fee**: Annual fee of 5% of the difference difference between forecast and actual interest rates achieved for each of its funding tranches. The variable fee in any one year will be no more than 5 basis points of the net annual borrowing and can be no less than -5 basis of the net annual borrowing. If the variable fee is a negative amount, such amount will be deducted from the base fee in the following calendar year in twelve equal monthly payments

OFHP Business Issues

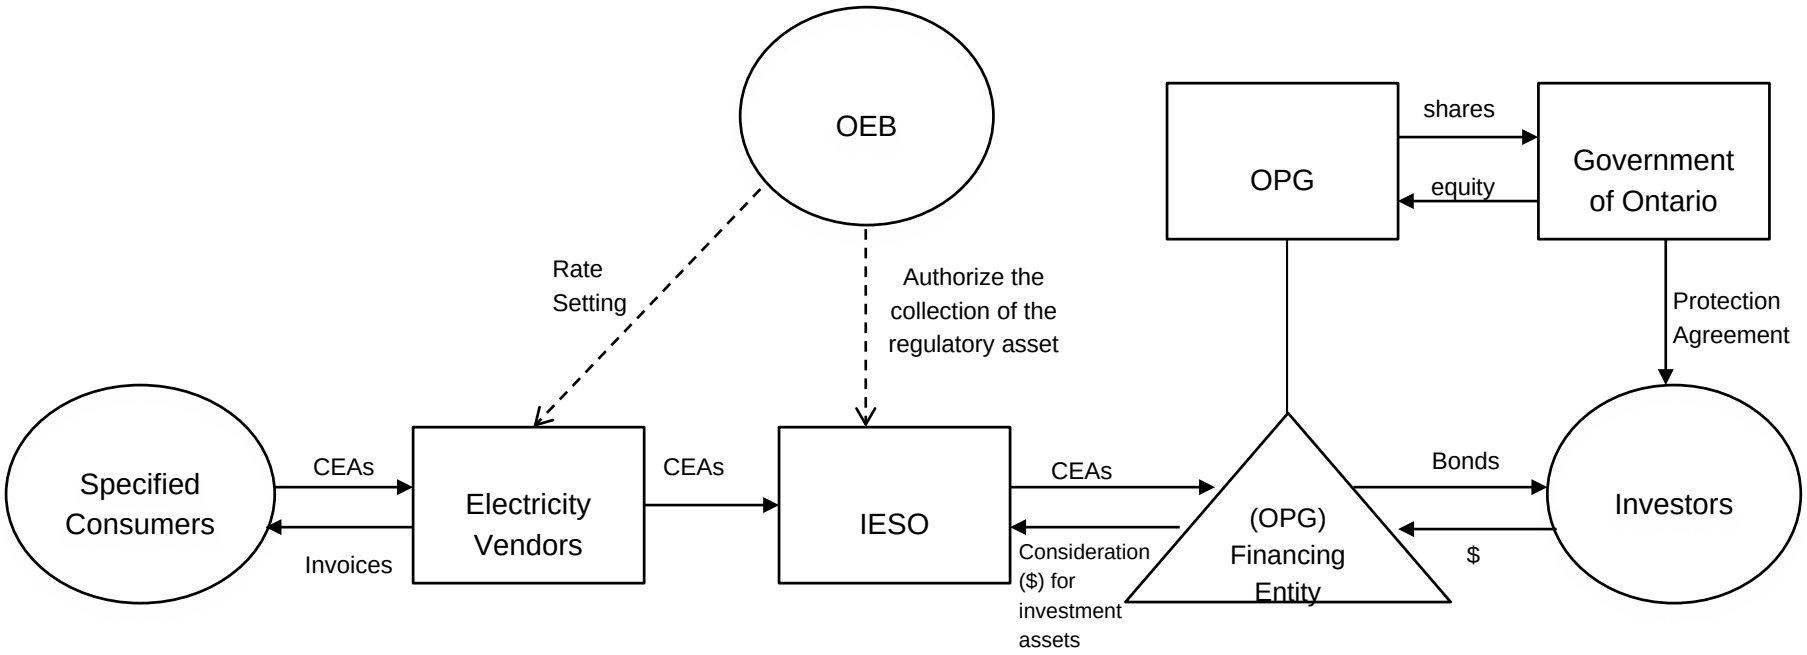
DRAFT – September 11, 2017

CONFIDENTIAL & COMMERCIALLY SENSITIVE

Context: GA Financing

- The *Ontario Fair Hydro Act, 2017,* enables the IESO to establish a variance account to record the deferral amounts from the difference between collections from current ratepayers and payment obligations to generators and conservation, and to create a regulatory asset as the Act provides the IESO the right to recover the balance in the variance account
  - The IESO can then sell the regulatory asset – the right to recover those deferred amounts from specified consumers in the future
  - OPG, as the Financial Services Manager, is authorized to establish one or more financing entities that may incur funding obligations
  - ~~The~~ A financing entity ~~will~~ purchas~~ing~~ ~~e~~ the regulatory asset would~~,~~ effectively finance ~~ing~~ the IESO's shortfall in current rates not received from ratepayers
- In order to support the establishment of a financing entity, facilitate ongoing funding requirements of the Global Adjustment and optimize ratepayer impacts, OPG and the Province are working on finalizing the details for a number of business issues, including
  - Provincial Protection and Assurances Agreement (PPAA)
  - Fair Allocation Amount (FAA)
  - Management Fees Regulation
  - Moratorium Period Interest and Fee Recovery
  - Equity Injections
  - Subordinated Debt Agreement
  - PILs Exemption

Global Adjustment Refinancing – Roles and Responsibilities



Note: CEAs are “clean energy adjustments”

Provincial Protection and Assurances Agreement

Overview:

- To purchase the regulatory asset from the IESO, the Financing Entity must borrow a portion of the funds from capital markets (planned to be 51%, with other financing to come from OPG and, indirectly, the Province)
    - OPG's financial advisors have indicated that without adequate protection against legislative, judicial and organizational risk, the debt would not be financeable or would result in higher financing costs, to be passed on to ratepayers
- Upon receiving TB/MBC approval, and as contemplated under the Act, the Province has agreed to provide a protection agreement that supports the Financing Entity and prospective debt holders such that~~, under certain circumstances,~~ the Province would take over the funding obligations of the Financing Entity, under certain circumstances, including
    - Actions of the Legislative Assembly that undermine the financing arrangement~~,~~; i.e., repeal or amendment of the Ontario Fair Hydro Plan Act, 2017, or new legislation that adversely affect the Financing Entity
    - A court decision that declares the rights of the Financing Entity to recover amounts from ratepayers to be invalid or unenforceable
    - Changes to the organization, structure or operations of IESO or a change in the electricity market structure or operations that adversely affects the ability of the Financing Entity to recover amounts related to funding obligations.

Provincial Protection and Assurances Agreement (Con't)

- In the event the protection agreement is triggered, the Province will be required to pay the obligations of the Financing Entity including principal and interest payments on debt issued to date, any payments to derivatives counterparties and any outstanding payments to service providers
    - The Province could potentially service the debt and other obligations and could replace OPG as the financial services manager
- The protection agreement may need to be revised at a future date, or approval from the Province may be required, if the financing entity must access the U.S. market as investors in that market will likely require additional compensation if the assumption agreement is triggered
- The Province will take on a contingent liability, which will increase over the duration of the Fair Hydro Plan and peak at an estimated $20B of debt (final cost forecasts TBC), including principal and accumulated interest
- In the event the protection agreement is triggered, the Province's net debt will most likely increase by an amount equal to the contingent liability at that point in time
    - The Province's interest payments will also increase by the debt interest servicing of the debt payment obligations it has assumed under the protection agreement
    - IOD expense may increase between $0.8B and $1.0B per annum, assuming the protection agreement is triggered when debt is at its peak, and depending on the interest rate at which the Financing entity will be able to borrow at

Next Steps:

- Province to work with OPG and external legal counsel to finalise the Protection Agreement

Fair Allocation Amount

Overview:

- xx

Next Steps:

- xx

Management Fees Regulation

Overview:

- Ontario Power Generation Inc. (OPG) has been appointed the Financial Services Manager under the Fair Hydro Plan Act, 2017 to, among other things evaluate whether funding obligations should be incurred by the Trust for the purpose of acquiring and financing an investment interest.
- The Act enables OPG to achieve its ~~accounting~~ objectives of consolidation of the Trust with OPG, and the ability to earn a return and take on risk, through its control of the Trust.
- The fee will have a fixed and variable component and be determined by formulas set out in a regulation, which as currently drafted includes:
    - **Base fee**: Monthly fee calculated as 7.5 basis points on monthly funding obligation. The base fee will be independently reviewed in 2018.
    - **Variable fee**: Annual fee of 5% of the difference difference between forecast and actual interest rates achieved for each of its funding tranches. The variable fee in any one year will be no more than 5 basis points of the net annual borrowing and can be no less than -5 basis of the net annual borrowing. If the variable fee is a negative amount, such amount will be deducted from the base fee in the following calendar year in twelve equal monthly payments
- The OEB will have a role in reviewing OPG's fees to ensure that the fees are consistent with prevailing market comparators

Next Steps:

- The Province is working with the OEB and OPG to develop a regulation setting out how the fees would be calculated including appropriate comparators for the OEBs review

Moratorium Period Interest and Fee Recovery

Overview:

- xx

Next Steps:

- xx

Equity Injections

Overview:

- To purchase the regulatory asset from the IESO, an OPG financing entity would be established and borrow funds from the following:
  - Capital markets (51%)
  - Subordinated OPG debt, financed through equity injections from the Province (44%) and OPG, financing from capital markets (5%)
- OPG will require equity injections on an ongoing basis in order to provide the 44% share of financing for the financing entity to acquire the regulatory asset from IESO and keep its capital structure in line, and will require flexibility in order to issue shares to the Province as needed, under a share subscription agreement
- The Ministry of Energy will be responsible for seeking approval for the investment envelope each year and managing the share subscription arrangement with OPG
  - On a periodic basis, OPG will send a notice of share subscription to the Ministry of Energy, requesting a certain amount of equity based on the amount of the regulatory asset it plans to purchase in a fiscal year; the Ontario Financing Authority will flow the funds

Next Steps:

- OPG and the Ministry of Energy have approved the Master Subscription Agreement and will proceed to execute in the coming weeks
- The Ministry of Energy will work with the OFA to ensure a mechanism is in place to flow the funds within the required timeframes after the request is made by OPG

Subordinated Debt Agreement

Overview:

- OPG intends to lend the equity injection from the Province to the Trust by way of subordinated debt
- OPG proposes that OPG, the Fair Hydro Trust and the OFA will enter into a subordinated debt loan agreement, which outlines the terms of the subordinated debt [TBD]
- OPG has proposed that interest rates on the subordinated debt be established as follows:
  - During the Trust short term financing period, when bank facilities are used as funding vehicles, the interest rate on subordinated debt will be the sum of (1) funding rate on senior debt, and (2) additional spread margin of [xx], reflecting the credit rating difference between the senior and subordinated debt [TBD]
  - At the time when senior bonds are being issued to take out (term out) the short term financing, OPG will seek indicative coupon rates on the subordinated debt from dealers, reflecting the sum of underlying Government of Canada yield of equivalent term and the appropriate credit spread. The average indicative coupon rate from dealers will be calculated and set as the subordinated debt rate. [TBD]

Next Steps:

- OPG to incorporate the Province's comments into the next draft of the Subordinated Debt Agreement, which is tracking to be finalized by the end of September [TBD]

PILs Exemption

Overview:

- It is currently contemplated that the first financing entity to be established by OPG, in its capacity as Financial Services Manager, will be a trust (Trust)
- The Trust would be subject to tax under the Income Tax Act (Canada) and the Ontario Taxation Act, 2007
- The beneficiary of the Trust will be a corporation (Subco) that will be directly or indirectly wholly-owned by OPG
  - Subco, given it is owned by OPG, would be exempt from federal and provincial corporate taxes and property taxes payable by private sector companies, and instead make payments in lieu of taxes (PILs) to the Ontario Electricity Financial Corporation (OEFC)
  - PILs are used by the OEFC to help pay down its debt and other liabilities – OEFC is the legal continuation of the former Ontario Hydro
- In order to mitigate the cost to ratepayers, the Ministry of Finance plans to bring forward a proposed Minister of Finance's regulation under the *Electricity Act* , 1998 that would exempt Subco from paying PILs on income received as beneficiary of the Trust
- The Ministry of Finance will also consider similar regulations in the future should OPG establish another financing entity in its role as the Financial Services Manager

Next Steps:

- Draft letter from the Minister of Finance to OPG is in development that will provide comfort that Subco will be exempt from PILs on income received as beneficiary of the Trust.
- The Ministry of Finance is working with OPG on a draft regulation, which will be brought forward in the Fall

Hi John,

It was led by the CEO's office, as Anna worked on the TB submission, etc. MOF Legal drafted the s.28 approval for the OIC. I had forgotten the details, as there is also a separate s.28 on the agreements too (I was thinking the s.28 at the time might have encompassed the whole package), as cited in the TB materials at that time.

OPCD to decide

- Consider deleting the risks slide since OPG will be in the room
  - I'd like to recommend Energy provide additional input on the risks slide (10) to incorporate risks both the Province's and OPG's perspectives – rather than removing it altogether.

If you're ok with my recommendations above, I'll proceed.

Hi Anna,

I made a few small changes to this in red. I think you could circulate this version to others at OFA. I would suggest deleting the last 2 pages Accounting and Risks subject to views of OFA and others. Certainly Accounting page is dependent on OPCD and whether we are including anything in this briefing so suggest delete. Risks page also doesn't seem appropriate for a briefing where OPG attends. However, maybe part of this page could be retained but this is subject to Gadi's and others views.

Should we discuss at some point?

I am going to send this version to Alena (Energy Legal) and Blakes as well to show them what changes have been made but think Energy and OFA should discuss inclusion of Accounting and Risks.

Thanks.

Ontario Fair Hydro Plan

Limited Guarantee from the Province

[Date]Appropriate cover page to be inserted

Context – should be reviewed and updated as required

- Ontario Fair Hydro Plan Act ("**Act**") permits debt financings through one or more [special purpose] financing entities, to be managed by OPG
  - Proceeds of financings are used to acquire portions of the Fair Hydro regulatory asset ("**Investment Interests**") from IESO
  - Amounts owing will be serviced from "clean energy adjustments" ("**CEAs**") collected from "specified consumers"
- Hydro Trust [will be] established to facilitate the first financing transactions
  - Some combination of short-term "warehouse financings" and long-term notes will be issued
  - OPG, funded by the Province, will acquire subordinated debt issued by Hydro Trust
  - Proceeds raised before December 31st are expected to be $•M ($•M from external investors)
  - Future issuances will follow the same pattern (51% external/senior; 49% OPG/subordinated)
- Payment obligations will be owed to noteholders, lenders, credit enhancers, derivative counterparties, service providers, etc.
  - Payment obligations will be governed under a Trust Indenture
  - Hydro Trust payment obligations under the Trust Indenture are "Obligations Secured"
- Limited Guarantee from the Province of obligations payable by Hydro Trust when due
  - Province pays only upon a "Protection Event"
  - Limited Guarantee applies to almost all Obligations Secured
  - Certain "**Adherence Conditions**" to be satisfied before Limited Guarantee willy apply to material obligations
- Two relevant agreements:
  i. Change of Law Protection Agreement ("**Protection Agreement**")
  ii. Change of Law Process Agreement ("**Process Agreement**")

Limited Guarantee from the Province

- Triggered by a "**Protection Event**": Either:
  - There is a change of law (by the Legislature, LGIC, Ministers, government officials, government appointed boards, etc.) or implementation of a change in the organization or structure of the IESO or Ontario's electricity market undertaken at the initiative of the Province or and entity controlled by the Province that materially and adversely affects either (1) the ability of Hydro Trust to receive CEA cash flows or (2) the Protection Agreement or any Obligation Secured
  - A court of competent jurisdiction determines that any part of the OFHPA or the related regulations are *ultra vires* or invalid in a way that materially and adversely affects the ability of Hydro Trust to receive CEA cash flows and that in fact results in a deficiency such that Hydro Trust cannot pay Obligations Secured when they become due

- **Not covered by the Limited Guarantee:**
  - Amounts required to be deposited into collateral or reserve accounts established under the Hydro Trust program to credit enhance or provide liquidity for ultimate payment of Obligations Secured
  - Certain residual payments to OPG under the "payment waterfall"

- **Term:** Until all applicable Obligations Secured are paid in full

Adherence Conditions

- Certain minimal conditions will apply before the Limited Guarantee will attach to applicable Obligations Secured:
  - **Incurrence of indebtedness to fund ownership of an Investment Interest**
  - **Entry into ISDA master agreements**
  - **Entry into service contracts with term > 3 years and aggregate payments >$5M that are not terminable on giving 3 years notice or less**

- Those conditions are:
  - Must be an Obligation Secured under the Trust Indenture
  - Delivery of officer's certificate by OPG to Indenture Trustee confirming compliance with internal processes as between OPG and the Province in connection the Limited Guarantee (under the Process Agreement)
  - Province has not delivered a "Suspension Notice"

Process between Province and OPG

- Process Agreement between Province and OPG
  - Sets out informational requirements and supporting affirmations regarding incurrence or amendment of Obligations Secured
  - Contemplates some (limited) rights of Province to comment on disclosure and terms of Obligations Secured
  - Provides for OPG executive officer affirmation regarding certain matters (in a "**Process Certificate**")

- Delivery of Process Certificate by OPG executive officers to the Province setting out:
  - Material terms of obligations (incurrence or amendment)
  - Confirmation that terms are "**Substantially in the Form**" of the "**Reference Documentation**"
  - Confirmation that the offering document is "**Substantially in the Form**" of the "**Reference Documentation**"
  - Confirmation that no breach of the Process Agreement has occurred
  - Confirmation that the maximum payment amounts due in the future under the obligation plus other outstanding amounts will not exceed the "**Protection Agreement Maximum**"
  - Confirmation that any disclosure referring to the Protection Agreement or Process Agreement was made available to the Province
  - Confirmation as to reasonableness, arm's length terms and conditions, and compliance with the Act and the Financing Plan

- Suspension Right
  - Uncured breach of Process Agreement or breach by any party of other program agreements allows Province to suspend Limited Guarantee for new obligations, other than for refinancings
  - Exercise of suspension right does not impact prior Hydro Trust obligations covered under the Limited Guarantee

Obligation of Province on Protection Event

- Make payments on Limited Guarantee
- Payments replicate stream of CEAs to pay amounts due and payable by Hydro Trust
- In event of an acceleration of any Obligation Secured, Province would pay acceleration amounts, capped at scheduled payment amounts (without acceleration) plus an additional amount up to the “fair allocation” in the aggregate [should this reference regulation?]
- Province will be subrogated to rights of the creditors of Hydro Trust to the extent of performance under the Limited Guarantee

Obligations of OPG

- Process Agreement obligates OPG, but without limiting protections under existing indemnity agreement
  - Province has indemnified OPG, its subsidiaries, and each of their respective directors, officers and employees from liability resulting from activities under the Act and activities of Hydro Trust pursuant to an Indemnity Agreement
- If there is any conflict between the Process Agreement, the Protection Agreement and the existing Indemnity Agreement in respect of any matter relating to the Province's indemnification obligations in favour of OPG, the Indemnity Agreement is paramount

Provincial Approval Process

- Authorization under Section 5(3) of OFHPA
  - Section 5(3) provides that LGIC may by order authorize the Minister of Energy and Minister of Finance, acting together on behalf of the Province, to agree to guarantee or indemnify obligations associated with an Investment Interest
- Order in Council 1981/2017 made pursuant to subsection 5(3) of the OFHPA
  - The OIC authorizes the Minister of Energy and the Minister of Finance, acting together on behalf of Ontario, to enter into one or more agreements to guarantee or indemnify the debts, obligations, securities or undertakings of a financing entity established under the OFHPA associated with investment interests acquired by a financing entity.
- [Should TB approval be included here?]
- Approval under section 28 of *Financial Administration Act* will be required prior to entry into the Protection Agreement and the Process Agreement by the Minister of Finance and the Minister of Energy.

Accounting Implications

- [Please complete. Please describe absence of lump-sum recognition and other disclosure/notes that would be required in Province's financial statements.]

- [Please also complete following slide in respect of accounting risks.]

Risks

- Accounting
  - [Please add a sub-bullet on accounting risks (e.g., control limitations; loss of off-balance sheet treatment if a Protection Event occurs)]
- Province dependent on OPG in relation to most key matters relating to the Limited Guarantee
  - Less power/information than would typically be afforded to a guarantor
  - Significant reliance on OPG to deliver timely, accurate information
  - Province has no say on financing decisions if permitted by the Financing Plan **[, except in narrow circumstances]**
- Even without a change of law by the Legislature, a court determination may trigger a Protection Event
- Possible criticism for wholesale delegation to OPG; although accounting considerations and the Act itself lead to this outcome
- Possible opportunistic litigation by Hydro Trust creditors incentivized by spread differentials to trigger a Protection Event

Hi Ron,

Ok, that makes sense. What I don't fully understand is a need for a separate s.28 on the agreements as once you have an approval for the OIC. I'm not sure how getting the agreements would be separated from the OIC.

I supposed it could be argued that details of the potential liabilities are now known until the terms are complete. (I don't agree but OK.)

Hi John,

It was led by the CEO's office, as Anna worked on the TB submission, etc. MOF Legal drafted the s.28 approval for the OIC. I had forgotten the details, as there is also a separate s.28 on the agreements too (I was thinking the s.28 at the time might have encompassed the whole package), as cited in the TB materials at that time.

I note that Rima has scheduled a meeting from 11:00-2:00pm at Tory's today. We'll need to have Energy and OPCD represented at this meeting and I'd like to propose a pre-call with Stephen OFA, Energy and OPCD for 15-20 minutes beforehand to discuss our strategy. I'll set it up.

Steen, Cindy, please advise if you or a delegate are unable to attend. Without Energy or OPCD representation we'll need to reschedule.

Unfortunately, Gadi is unable to attend due to several conflicts this morning, but I'm assuming Mike/Ken/Ron can be available.

Hi. Here are my comments on the mark-ups forwarded to us by Torys yesterday afternoon. These blacklines show changes from the Torys/Osler 11/20 versions. I have colour coded the open items (gray points require client input; yellow are items for discussion/resolution among the lawyers). I suggest that we meet with the MOE and OFA clients this morning if possible to try to sort out these remaining issues – assuming that OPG needs these matters resolved before submitting the agreements to its Board tomorrow morning. Hi Malle,

I note that Rima has scheduled a meeting from 11:00-2:00pm at Tory's today. We'll need to have Energy and OPCD represented at this meeting and I'd like to propose a pre-call with Stephen OFA, Energy and OPCD for 15-20 minutes beforehand to discuss our strategy. I'll set it up.

Steen, Cindy, please advise if you or a delegate are unable to attend. Without Energy or OPCD representation we'll need to reschedule.

Unfortunately, Gadi is unable to attend due to several conflicts this morning, but I'm assuming Mike/Ken/Ron can be available.

Thanks, Anna

Hi. Here are my comments on the mark-ups forwarded to us by Torys yesterday afternoon. These blacklines show changes from the Torys/Osler 11/20 versions. I have colour coded the open items (gray points require client input; yellow are items for discussion/resolution among the lawyers). I suggest that we meet with the MOE and OFA clients this morning if possible to try to sort out these remaining issues – assuming that OPG needs these matters resolved before submitting the agreements to its Board tomorrow morning. I'll await direction on the timing of the meeting with Torys and Oslers. Hopefully a meeting later this afternoon will be more convenient for OPCD and Energy who may have conflicts with the original timing of 11-2.

Subject: RE: Blakes comments on Torys/Osler 11/20 mark-ups of the Protection and Process Agreements

Hi Malle,

I note that Rima has scheduled a meeting from 11:00-2:00pm at Tory's today. We'll need to have Energy and OPCD represented at this meeting and I'd like to propose a pre-call with Stephen OFA, Energy and OPCD for 15-20 minutes beforehand to discuss our strategy. I'll set it up.

Steen, Cindy, please advise if you or a delegate are unable to attend. Without Energy or OPCD representation we'll need to reschedule.

Unfortunately, Gadi is unable to attend due to several conflicts this morning, but I'm assuming Mike/Ken/Ron can be available.

Thanks, Anna

Subject: Blakes comments on Torys/Osler 11/20 mark-ups of the Protection and Process Agreements

Hi. Here are my comments on the mark-ups forwarded to us by Torys yesterday afternoon. These blacklines show changes from the Torys/Osler 11/20 versions. I have colour coded the open items (gray points require client input; yellow are items for discussion/resolution among the lawyers). I suggest that we meet with the MOE and OFA clients this morning if possible to try to sort out these remaining issues – assuming that OPG needs these matters resolved before submitting the agreements to its Board tomorrow morning. Hi Steve,

We would like to have a call with you this morning to discuss the implications of the alternative option that was discussed yesterday and what OPG's response so far has been. I relayed to Ken, Mike and others the fact that s. 11.01 of the Trust Indenture provides for amendments to be made without consent of specified creditors and that this is one of the reasons why OPG's proposal to put Province in the category of specified creditor alone would not result in the Province getting notice of all amendments from the Indenture

Trustee. I think it would be helpful to have a discussion to go over all of the related issues.

Perhaps about 11 would be a good time – would that work for you?

Also, we are reviewing the revised versions of the agreements and as relayed last evening I have questions about the new wording under limited guarantee among other points so not sure when we will review that as well.

Thanks.

Subject: Change of Law Process Agreement - Section 2.1(b)(ii) Document Deliveries

Importance: High

All,

Reference is made to the Change of Law Process Agreement between Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the Province") and Ontario Power Generation Inc. ("OPG") to be dated as of December 21, 2017 (the "Change of Law Process Agreement"). All capitalized terms used and not defined in this email shall have their respective meanings in the Change of Law Process Agreement.

On behalf of OPG, we have hand-delivered today to the Ministers and the Deputy Ministers the forms of Transaction Documents set out in the attached cover letter. For ease of reference, we also attach these documents here and attach blacklines to the last versions of the term supplemental indentures circulated to you. If you would like a blackline of any other Transaction Document, please send us the version you reviewed last.

We consider these forms settled other than:

· There is one change that has been proposed by the dealers, and which is under discussion, that will impact the term supplemental indentures and will necessitate some additional disclosure to the term sheet. The dealers have advised that following a Principal Payment Date (i.e. the date on which all amounts owing under the notes are expected to be repaid in full), it would be typical for the interest payment dates to accelerate to monthly (instead of semi-annually). Once the dealers and OPG have an opportunity to discuss and come to an agreement on this point next week, the necessary changes to reflect this will be made to the term supplemental indentures and the term sheet

· there are still some bullets in these documents which will be addressed closer to closing (including dates, pricing information and the names of all of the Agents)

· we expect there will be some minor clean up to the OM (including making sure all of our cross-references are correct and that the glossary picks up all defined terms).

Please let us know if you have any questions.

Best Regards,

Nina

I've indicated that we would need a written explanation/rationale of the marketability issue from the dealers on the proposed changes to the adherence conditions which we would discuss later today if and when we have a meeting.

Given the follow up email from Torys proposing changes to the structure of the agreements and the other comments on the agreements, have the dealers been asked to provide their written explanation as set out below as all the requested changes seem predicated on this point.

As I may not be able to join the call this morning, I thought I'd share my view: if this truly is an issue for marketing the bonds to investors, it would be significant from their perspective. Mike and I don't yet understand why it would be, so it is up to the underwriters, or their counsel, to provide us with a written, not oral, explanation as to why it would be. If they are not prepared to put their reasons in a short, plain English, form, I'm not prepared to accept their request.

However I would like to discuss this with you as this seems to be quite a significant change to what we were discussing on Monday and our most recent draft. If we have a call maybe it should be the whole group and include Blakes.

> All – please find attached consolidated comments on the Process Agreement and the Protection Agreement blacklined to the drafts circulated by Blakes on Friday. We understand that the current structure requiring satisfaction of the adherence conditions in the Protection Agreement impacts the marketability of the transaction and creates uncertainty for investors. Accordingly, the dealers and

OPG would like to discuss with the Province the possibility of moving the adherence conditions to the Process Agreement while preserving the Province's oversight of its obligations under the Protection Agreement. We will provide a proposal on that basis to discuss with the Province. Please note that the attached remains subject to the comments of the working group and the rating agencies.

Hi Ken,

Yes this is one of the issues, i.e. where the obligation to provide notice and information to the province would be found. However, we reviewed the master trust indenture further last night. There are some other issues as well as under the trust indenture s. 11.01 the Issuer and the Indenture Trustee have the ability to make a number of types of amendments without the consent of specified creditors including to add to the covenants of the Issuer or to surrender any right or power conferred upon the Issuer for the benefit of debtholders and also to enable the Issuer to file a registration statement for the offering of securities in the U.S. etc.. S. 11.02 provides for the making of a range of amendments with consent of debtholders. This is why Blakes specified these sections in their email to Torys as not all amendments are sent to the specified creditors. I think it would be worthwhile to have a further internal call with Blakes later this morning so that we have a full understanding of the implications of this issue.

If the Province is paying under the limited guarantee in the protection agreement, the Province would be paying in accordance with the terms and conditions of the agreements and obligations that the financing entity has entered into. If the Province determines that it is appropriate to directly assume the debt and obligations and obtains authority and approvals to do so and elects its option to do so, then upon direct assumption of the debt and derivatives, there would an opportunity for the terms be varied to be under the Province's ISDA's.

Thanks,

Malle

Hi Malle

As per our discussion last evening, I understood that the compromise position re the amendments issue was for the Province to be designated as a "specified creditor" thus be informed of any amendments 10 business days prior. The sticking point, as I understand it was our preference that these requirements be part of the Indenture Trust agreement while Tory's/Osler suggested that it be part of the Protection Agreement.

So the question is if we accept the Tory's/Osler position does the Province's risk increase materially,

if not then we can proceed with their suggestion, especially since the Trustee is a party to the Protection Agreement.

I don't believe there any accounting implication from either approach though leave that to Cindy and Mark.

Steve also raises the issue of other Program Agreements presumably referring to agreements for derivatives. I am not too fussed about these, since any derivative arrangement that we will be taking on if the Protection Agreement comes into force will be under our ISDA. Maybe Mike may have something to add to this.

Thanks

Ken k

Here are drafts of the Change of Law Protection Agreement and Change of Law Process Agreement. Please note that while various people at the Province have provided considerable thought and input into these drafts, they remain subject to on-going review, comment and consideration (including where indicated in the drafts) by the Province, and of course remain subject to ultimate consideration and approval by the Ministers. We propose that a consolidated mark-up be prepared that reflects all of the issues that you or those others may have, and ideally reflects input from the rating agencies. Once that mark-up is available, we propose that a meeting of interested parties be held to resolve any outstanding issues.

Hi all,

These revisions were sent out by Steve last evening. Please review to ensure all the comments at the meeting yesterday were captured. Also, please review s. 4.01 in particular as based on discussions with Steve last evening the language was modified a bit to change it so the Province may disagree with the amount for the protection agreement maximum proposed by OPG on reasons related to the inconsistencies or inaccuracies as opposed to agreeing as opposed to confirming agreement. Please let us know if you have comments on this. Thanks.

Rima, Krista, Nina and Michael,

Here are drafts of the Change of Law Protection Agreement and Change of Law Process Agreement. Please note that while various people at the Province have provided considerable thought and input into these drafts, they remain subject to on-going review, comment and consideration (including where indicated in the drafts) by the Province, and of course remain subject to ultimate consideration and approval by the Ministers. This circulation is for discussion purposes only. Please feel free to circulate these drafts to OPG, E&Y, Osler and the Dealers, reflecting that understanding.

We propose that a consolidated mark-up be prepared that reflects all of the issues that you or those others may have, and ideally reflects input from the rating agencies. Once that mark-up is available, we propose that a meeting of interested parties be held to resolve any outstanding issues.

In the meantime, please feel free to call Malle, Toby, Tom, Alena or me if you have questions or concerns.

Regards, Steve

EXECUTION VERSION

INDEMNITY AGREEMENT

THIS INDEMNITY AGREEMENT effective as of this 1st day of June, 2017.

BETWEEN: **Ontario Power Generation Inc.**
(hereinafter the "**Corporation**")

OF THE FIRST PART,

Her Majesty the Queen in Right of the Province of Ontario as Represented by the Minister of Energy

(hereinafter called the "**Province**")

OF THE SECOND PART

WHEREAS the Corporation and/or one or more of its subsidiaries may or, in certain circumstances is or will be required to, carry out certain activities with respect to (i) the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**"), (ii) the regulations made pursuant to the Act, and/or (iii) the agreements (A) relating to any financing entity (as defined in the Act) and/or any debt issued by any such financing entity and/or (B) to which any such financing entity is a party (the Act, such regulations and agreements, collectively the "**Fair Hydro Plan**");

AND WHEREAS the Corporation, its subsidiaries and each of their respective directors, officers and employees may face risk of liability arising as a result of their respective activities, acts and/or omissions in the implementation of, or relating to, the Fair Hydro Plan.

NOW THEREFORE, in consideration of the sum of $1.00 now paid by the Corporation to the Province and other good and valuable consideration (the receipt of which is hereby acknowledged), the Province hereby agrees:

1. To indemnify, defend and save harmless the Corporation, each of the Corporation's subsidiaries (except for any such subsidiary that is a financing entity as defined in the Act) and each of their respective directors, officers, and employees (collectively the "**Protected Persons**" and individually, a "**Protected Person**") from and against all losses, costs, damages, charges, expenses, demands, liabilities, fines, penalties, judgments and/or settlement amounts directly or indirectly suffered, sustained or incurred by any Protected Person, including, without limitation, any direct, special, indirect, incidental, punitive, exemplary and/or consequential damages and/or loss of profits and damages in respect of economic loss and/or loss of opportunity, and all legal and other professional fees and out-of-pocket expenses (collectively, "**Losses**"), as a result of any civil, criminal, administrative, investigative and/or other claim, demand, action, suit, application, litigation, charge, complaint, prosecution, assessment, reassessment, investigation (formal or

informal), hearing and/or other proceeding of any nature or kind whatsoever (any of the foregoing being a "**Claim**") arising, directly or indirectly, as a result of each Protected Person's activities, acts and/or omissions in the implementation of, or otherwise relating to, the Fair Hydro Plan (including, without limitation, where a Protected Person is acting, at the request of the Corporation, in a different capacity than as a director, officer or employee of the Corporation or a subsidiary of the Corporation).

2. For greater clarity, "Corporation's subsidiaries" as used in this indemnity agreement do not include any financing entities (as defined in the Act), whether such financing entities are actually a subsidiary of the Corporation or not; and the terms "Protected Persons" or "Protected Persons" under this indemnity agreement do not include any financing entities (as defined in the Act), being a subsidiary of the Corporation or otherwise, provided that, for clarity, any such financing entities' respective directors, officers, trustees, and/or employees shall be considered "Protected Persons" if he or she is also a director, officer or employee of the Corporation or any of the Corporation's subsidiaries.

3. A Protected Person shall not be entitled to be indemnified in respect of Losses:

   (a) for which coverage is provided under an insurance policy or claims fund to the extent that such Protected Person is actually paid under such insurance policy or claims fund; or

   (b) for which other indemnities are already provided to such Protected Person to the extent that such Protected Person is actually so indemnified for those Losses by such indemnities; or

   (c) if and to the extent that a court of competent jurisdiction in a final, non-appealable judgment determines that the Claim associated with such Losses resulted from such Protected Person's dishonesty, gross negligence or willful misconduct; for greater clarity the Province acknowledges and agrees that any finding that such Protected Person failed to conduct such reasonable investigation as necessary to provide the Corporation, a subsidiary of the Corporation or a financing entity, as applicable, with reasonable grounds for believing any prospectus, registration statement, offering document or any other document filed by, or on behalf of, a financing entity under applicable securities laws contained no misrepresentation shall not in and of itself constitute "gross negligence" or "willful misconduct" for purposes of this Section 3(c) or otherwise disentitle such Protected Person from indemnification hereunder unless a court of competent jurisdiction in a final, non-appealable judgment determines that the Claim associated with such Losses resulted from the gross negligence or willful misconduct of the Protected Person claiming such indemnity, and in such circumstances, the Protected Person shall be disentitled from indemnification hereunder as a result of such Protected Person's gross negligence or willful misconduct; or

(d) in the case of a criminal or administrative action or proceeding that enforces a monetary penalty, to the extent such action or proceeding arises from circumstances in which such Protected Person did not have reasonable grounds for believing that such Protected Person's conduct was lawful.

4. Each Protected Person shall:

(a) Upon becoming aware of a Claim(s) for which such Protected Person may seek indemnification hereunder, as soon as practicable, deliver to the Province (through the Director of the Legal Services Branch of the Ministry of Energy) a notice setting forth in reasonable detail the particulars of the Claim(s);

(b) upon written request of the Province, furnish to the Province copies of any document, or provide to the Province any information, that relates to the Claim(s) that is in the possession or under the control of the Protected Person (except to the extent that provision of same would cause the Protected Person or another Protected Person to lose its entitlement to claim privilege with respect to the same);

(c) take all reasonable steps necessary to secure and preserve the rights of the Protected Person in respect of the Claim(s); and

(d) promptly take all reasonable steps to obtain indemnification or coverage, to the fullest extent possible, under insurance policies and/or under indemnities provided by the Corporation, as referred to in subsections 3(a) and (b) above.

A failure on the part of a Protected Person to take any of the actions provided in this section 4 shall not affect the rights of such Protected Person hereunder except to the extent that, as a result of such failure, the Province was actually prejudiced. A failure on the part of a Protected Person to take any of the actions provided in this section 4 shall not affect the rights of any other Protected Person.

5. The Province shall have the right to participate in or, where the Province has confirmed in writing to the applicable Protected Person(s) that all Losses in respect of a Claim will be indemnified under this indemnity agreement, assume control of the negotiation, settlement or defence of the Claim and in no event shall a Protected Person negotiate, settle, compromise or pay the Claim without the prior written consent of the Province, such consent not to be unreasonably withheld or delayed. If the Province elects to so participate in or assume control of the negotiation, settlement or defence of the Claim, the applicable Protected Person(s) shall co-operate fully with the Province in connection with the same, and each applicable Protected Person shall agree to be represented by legal counsel chosen by the Province, unless, in the opinion of such legal counsel, there would arise a conflict of interest preventing such legal counsel from representing the applicable Protected Person(s). Where it is such legal counsel's opinion that a conflict of interest prevents that legal counsel representing a Protected Person, the Protected Person will be entitled, after consultation with the Province and acting reasonably, to obtain legal counsel of the

Protected Person's choice, and the fees and expenses of the Protected Person's counsel incurred in the Protected Person's representation shall be Losses to which this indemnity extends.

6. The Province shall not agree to any settlement of a Claim on behalf of a Protected Person without the Protected Person's written consent unless (i) the terms of such settlement require only the payment of money (by persons or entities other than the Protected Person) and include an unconditional, full release of the Protected Person, and do not require a Protected Person to admit any wrongdoing or take or refrain from taking any action and (ii) the Province has indemnified the Protected Person with respect to, and held the Protected Person harmless from and against, all Losses incurred by or on behalf of the Protected Person in connection with the Claim.

7. For greater clarity, with respect to directors, officers and employees of the Corporation this indemnity shall apply only to Claim(s) that are referable to the period during which a director, officer or employee of the Corporation is actually a director, officer or employee of the Corporation and of which notice is received by the Province either during the period of time that the director, officer, or employee is a director officer, employee of the Corporation or after he or she ceases to be a director, officer, employee of the Corporation; and with respect to directors, officers and employees of the Corporation's subsidiaries, this indemnity shall only apply to Claim(s) that are referable to the period during which a director, officer or employee of a subsidiary of the Corporation is actually a director, officer or employee of that subsidiary of the Corporation, and of which notice is received by the Province either during the period of time that the director, officer, or employee is a director, officer, employee of that particular subsidiary of the Corporation or after he or she ceases to be a director, officer, employee of that subsidiary of the Corporation

8. The Province shall reimburse or advance the funds necessary for the payment of Losses incurred in connection with any Claim, including, without limitation, the investigation, monitoring, defence and appeal thereof, in advance of the final disposition of such Claim, within ninety (90) days of any request in writing by a Protected Person to the Province for such reimbursement or advance, accompanied by reasonable details and supporting documentation with respect to the Losses in respect of which such reimbursement or advance is requested, so long as the Protected Person is carrying out its obligations under section 4 of this indemnity agreement. A Protected Person shall promptly repay to the Province any advances that are ultimately in excess of amounts necessary for payment of any such Losses or for which it is judicially determined that the Protected Person is not entitled to indemnification hereunder.

9. The Province hereby waives any claim it, as the shareholder of the Corporation, could otherwise make against a Protected Person, who is an individual, whether now or in the future, relating in any way to the Corporation's, any of the Corporation's subsidiaries and/or any such Protected Person's activities, acts and/or omissions in the implementation of, or otherwise relating to, the Fair Hydro Plan (including, without limitation, where a Protected Person who is an individual is acting, at the request of the Corporation, in a different capacity than as a director, officer or employee of the Corporation or a subsidiary of the Corporation), provided that this waiver shall not apply to any claims of dishonesty, gross negligence or willful misconduct against a Protected Person who is an individual.

10. The Province represents and warrants to each Protected Person as follows and acknowledges that each Protected Person is relying on the following representations and warranties in connection with this indemnity agreement:

    (a) the Province has all necessary power, authority and capacity to enter into this indemnity agreement and to perform its obligations hereunder;

    (b) all necessary actions have been taken by the Province or on the Province's part to authorize its execution and delivery of this indemnity agreement, and without limiting the foregoing, the Province has received all necessary approvals under the *Financial Administration Act* (Ontario) (including approval of the Minister of Finance pursuant to Section 28 of the *Financial Administration Act* (Ontario)) and under the Act required for it to enter into this indemnity agreement;

    (c) this indemnity agreement has been duly executed and delivered by the Province and is a legal, valid and binding obligation of it enforceable against it in accordance with its terms, except as that enforcement may be limited by the provisions of the *Proceedings Against the Crown Act* (Ontario), subject to the application of equitable principles and that equitable remedies may be granted only in the discretion of a court of competent jurisdiction, section 11.3 of the *Financial Administration Act* (Ontario) and section 43 of the *Financial Administration Act* (Ontario).

11. It is the intention of the Province to constitute the Corporation as trustee for the Protected Persons that are not party to this indemnity agreement of the covenants, waivers, representations, warranties and obligations of the Province under this indemnity agreement and the Corporation agrees to accept such trust and to hold and enforce such covenants, representations, warranties and obligations on behalf of such Protected Persons.

12. This indemnity agreement shall be interpreted and governed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein.

13. The provisions of this indemnity agreement and the benefit of all covenants, waivers, representations, warranties and other obligations herein contained shall enure to the benefit of the Protected Persons and the Protected Persons' heirs, administrators, executors and assigns as applicable.

Subject: Change of Law Protection Agreement and Change of Law Process Agreement

Rima, Krista, Nina and Michael,

Here are drafts of the Change of Law Protection Agreement and Change of Law Process Agreement. Please note that while various people at the Province have provided considerable thought and input into these drafts, they remain subject to on-going review, comment and consideration (including where indicated in the drafts) by the Province, and of course remain subject to ultimate consideration and approval by the Ministers. This circulation is for discussion purposes only. Please feel free to circulate these drafts to OPG, E&Y, Osler and the Dealers, reflecting that understanding.

We propose that a consolidated mark-up be prepared that reflects all of the issues that you or those others may have, and ideally reflects input from the rating agencies. Once that mark-up is available, we propose that a meeting of interested parties be held to resolve any outstanding issues.

In the meantime, please feel free to call Malle, Toby, Tom, Alena or me if you have questions or concerns.

Regards, Steve

Subject: Change of Law Protection Agreement and Change of Law Process Agreement

Rima, Krista, Nina and Michael,

Here are drafts of the Change of Law Protection Agreement and Change of Law Process Agreement. Please note that while various people at the Province have provided considerable thought and input into these drafts, they remain subject to on-going review, comment and consideration (including where indicated in the drafts) by the Province, and of course remain subject to ultimate consideration and approval by the Ministers. This circulation is for discussion purposes only. Please feel free to circulate these drafts to OPG, E&Y, Osler and the Dealers, reflecting that understanding.

We propose that a consolidated mark-up be prepared that reflects all of the issues that you or those others may have, and ideally reflects input from the rating agencies. Once that mark-up is available, we propose that a meeting of interested parties be held to resolve any outstanding issues.

In the meantime, please feel free to call Malle, Toby, Tom, Alena or me if you have questions or concerns.

Regards, Steve

EXECUTION VERSION

INDEMNITY AGREEMENT

THIS INDEMNITY AGREEMENT effective as of this 1st day of June, 2017.

BETWEEN: **Ontario Power Generation Inc.**
(hereinafter the "**Corporation**")

OF THE FIRST PART,

Her Majesty the Queen in Right of the Province of Ontario as Represented by the Minister of Energy

(hereinafter called the "**Province**")

OF THE SECOND PART

WHEREAS the Corporation and/or one or more of its subsidiaries may or, in certain circumstances is or will be required to, carry out certain activities with respect to (i) the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**"), (ii) the regulations made pursuant to the Act, and/or (iii) the agreements (A) relating to any financing entity (as defined in the Act) and/or any debt issued by any such financing entity and/or (B) to which any such financing entity is a party (the Act, such regulations and agreements, collectively the "**Fair Hydro Plan**");

AND WHEREAS the Corporation, its subsidiaries and each of their respective directors, officers and employees may face risk of liability arising as a result of their respective activities, acts and/or omissions in the implementation of, or relating to, the Fair Hydro Plan.

NOW THEREFORE, in consideration of the sum of $1.00 now paid by the Corporation to the Province and other good and valuable consideration (the receipt of which is hereby acknowledged), the Province hereby agrees:

1. To indemnify, defend and save harmless the Corporation, each of the Corporation's subsidiaries (except for any such subsidiary that is a financing entity as defined in the Act) and each of their respective directors, officers, and employees (collectively the "**Protected Persons**" and individually, a "**Protected Person**") from and against all losses, costs, damages, charges, expenses, demands, liabilities, fines, penalties, judgments and/or settlement amounts directly or indirectly suffered, sustained or incurred by any Protected Person, including, without limitation, any direct, special, indirect, incidental, punitive, exemplary and/or consequential damages and/or loss of profits and damages in respect of economic loss and/or loss of opportunity, and all legal and other professional fees and out-of-pocket expenses (collectively, "**Losses**"), as a result of any civil, criminal, administrative, investigative and/or other claim, demand, action, suit, application, litigation, charge, complaint, prosecution, assessment, reassessment, investigation (formal or

informal), hearing and/or other proceeding of any nature or kind whatsoever (any of the foregoing being a "**Claim**") arising, directly or indirectly, as a result of each Protected Person's activities, acts and/or omissions in the implementation of, or otherwise relating to, the Fair Hydro Plan (including, without limitation, where a Protected Person is acting, at the request of the Corporation, in a different capacity than as a director, officer or employee of the Corporation or a subsidiary of the Corporation).

2. For greater clarity, "Corporation's subsidiaries" as used in this indemnity agreement do not include any financing entities (as defined in the Act), whether such financing entities are actually a subsidiary of the Corporation or not; and the terms "Protected Persons" or "Protected Persons" under this indemnity agreement do not include any financing entities (as defined in the Act), being a subsidiary of the Corporation or otherwise, provided that, for clarity, any such financing entities' respective directors, officers, trustees, and/or employees shall be considered "Protected Persons" if he or she is also a director, officer or employee of the Corporation or any of the Corporation's subsidiaries.

3. A Protected Person shall not be entitled to be indemnified in respect of Losses:

    (a) for which coverage is provided under an insurance policy or claims fund to the extent that such Protected Person is actually paid under such insurance policy or claims fund; or

    (b) for which other indemnities are already provided to such Protected Person to the extent that such Protected Person is actually so indemnified for those Losses by such indemnities; or

    (c) if and to the extent that a court of competent jurisdiction in a final, non-appealable judgment determines that the Claim associated with such Losses resulted from such Protected Person's dishonesty, gross negligence or willful misconduct; for greater clarity the Province acknowledges and agrees that any finding that such Protected Person failed to conduct such reasonable investigation as necessary to provide the Corporation, a subsidiary of the Corporation or a financing entity, as applicable, with reasonable grounds for believing any prospectus, registration statement, offering document or any other document filed by, or on behalf of, a financing entity under applicable securities laws contained no misrepresentation shall not in and of itself constitute "gross negligence" or "willful misconduct" for purposes of this Section 3(c) or otherwise disentitle such Protected Person from indemnification hereunder unless a court of competent jurisdiction in a final, non-appealable judgment determines that the Claim associated with such Losses resulted from the gross negligence or willful misconduct of the Protected Person claiming such indemnity, and in such circumstances, the Protected Person shall be disentitled from indemnification hereunder as a result of such Protected Person's gross negligence or willful misconduct; or

(d) in the case of a criminal or administrative action or proceeding that enforces a monetary penalty, to the extent such action or proceeding arises from circumstances in which such Protected Person did not have reasonable grounds for believing that such Protected Person's conduct was lawful.

4. Each Protected Person shall:

(a) Upon becoming aware of a Claim(s) for which such Protected Person may seek indemnification hereunder, as soon as practicable, deliver to the Province (through the Director of the Legal Services Branch of the Ministry of Energy) a notice setting forth in reasonable detail the particulars of the Claim(s);

(b) upon written request of the Province, furnish to the Province copies of any document, or provide to the Province any information, that relates to the Claim(s) that is in the possession or under the control of the Protected Person (except to the extent that provision of same would cause the Protected Person or another Protected Person to lose its entitlement to claim privilege with respect to the same);

(c) take all reasonable steps necessary to secure and preserve the rights of the Protected Person in respect of the Claim(s); and

(d) promptly take all reasonable steps to obtain indemnification or coverage, to the fullest extent possible, under insurance policies and/or under indemnities provided by the Corporation, as referred to in subsections 3(a) and (b) above.

A failure on the part of a Protected Person to take any of the actions provided in this section 4 shall not affect the rights of such Protected Person hereunder except to the extent that, as a result of such failure, the Province was actually prejudiced. A failure on the part of a Protected Person to take any of the actions provided in this section 4 shall not affect the rights of any other Protected Person.

5. The Province shall have the right to participate in or, where the Province has confirmed in writing to the applicable Protected Person(s) that all Losses in respect of a Claim will be indemnified under this indemnity agreement, assume control of the negotiation, settlement or defence of the Claim and in no event shall a Protected Person negotiate, settle, compromise or pay the Claim without the prior written consent of the Province, such consent not to be unreasonably withheld or delayed. If the Province elects to so participate in or assume control of the negotiation, settlement or defence of the Claim, the applicable Protected Person(s) shall co-operate fully with the Province in connection with the same, and each applicable Protected Person shall agree to be represented by legal counsel chosen by the Province, unless, in the opinion of such legal counsel, there would arise a conflict of interest preventing such legal counsel from representing the applicable Protected Person(s). Where it is such legal counsel's opinion that a conflict of interest prevents that legal counsel representing a Protected Person, the Protected Person will be entitled, after consultation with the Province and acting reasonably, to obtain legal counsel of the

Protected Person's choice, and the fees and expenses of the Protected Person's counsel incurred in the Protected Person's representation shall be Losses to which this indemnity extends.

6. The Province shall not agree to any settlement of a Claim on behalf of a Protected Person without the Protected Person's written consent unless (i) the terms of such settlement require only the payment of money (by persons or entities other than the Protected Person) and include an unconditional, full release of the Protected Person, and do not require a Protected Person to admit any wrongdoing or take or refrain from taking any action and (ii) the Province has indemnified the Protected Person with respect to, and held the Protected Person harmless from and against, all Losses incurred by or on behalf of the Protected Person in connection with the Claim.

7. For greater clarity, with respect to directors, officers and employees of the Corporation this indemnity shall apply only to Claim(s) that are referable to the period during which a director, officer or employee of the Corporation is actually a director, officer or employee of the Corporation and of which notice is received by the Province either during the period of time that the director, officer, or employee is a director officer, employee of the Corporation or after he or she ceases to be a director, officer, employee of the Corporation; and with respect to directors, officers and employees of the Corporation's subsidiaries, this indemnity shall only apply to Claim(s) that are referable to the period during which a director, officer or employee of a subsidiary of the Corporation is actually a director, officer or employee of that subsidiary of the Corporation, and of which notice is received by the Province either during the period of time that the director, officer, or employee is a director, officer, employee of that particular subsidiary of the Corporation or after he or she ceases to be a director, officer, employee of that subsidiary of the Corporation

8. The Province shall reimburse or advance the funds necessary for the payment of Losses incurred in connection with any Claim, including, without limitation, the investigation, monitoring, defence and appeal thereof, in advance of the final disposition of such Claim, within ninety (90) days of any request in writing by a Protected Person to the Province for such reimbursement or advance, accompanied by reasonable details and supporting documentation with respect to the Losses in respect of which such reimbursement or advance is requested, so long as the Protected Person is carrying out its obligations under section 4 of this agreement. A Protected Person shall promptly repay to the Province any advances that are ultimately in excess of amounts necessary for payment of any such Losses or for which it is judicially determined that the Protected Person is not entitled to indemnification hereunder.

9. The Province hereby waives any claim it, as the shareholder of the Corporation, could otherwise make against a Protected Person, who is an individual, whether now or in the future, relating in any way to the Corporation's, any of the Corporation's subsidiaries and/or any such Protected Person's activities, acts and/or omissions in the implementation of, or otherwise relating to, the Fair Hydro Plan (including, without limitation, where a Protected Person who is an individual is acting, at the request of the Corporation, in a different capacity than as a director, officer or employee of the Corporation or a subsidiary of the Corporation), provided that this waiver shall not apply to any claims of dishonesty, gross negligence or willful misconduct against a Protected Person who is an individual.

10. The Province represents and warrants to each Protected Person as follows and acknowledges that each Protected Person is relying on the following representations and warranties in connection with this indemnity agreement:

    (a) the Province has all necessary power, authority and capacity to enter into this indemnity agreement and to perform its obligations hereunder;

    (b) all necessary actions have been taken by the Province or on the Province's part to authorize its execution and delivery of this indemnity agreement, and without limiting the foregoing, the Province has received all necessary approvals under the *Financial Administration Act* (Ontario) (including approval of the Minister of Finance pursuant to Section 28 of the *Financial Administration Act* (Ontario)) and under the Act required for it to enter into this indemnity agreement;

    (c) this indemnity agreement has been duly executed and delivered by the Province and is a legal, valid and binding obligation of it enforceable against it in accordance with its terms, except as that enforcement may be limited by the provisions of the *Proceedings Against the Crown Act* (Ontario), subject to the application of equitable principles and that equitable remedies may be granted only in the discretion of a court of competent jurisdiction, section 11.3 of the *Financial Administration Act* (Ontario) and section 43 of the *Financial Administration Act* (Ontario).

11. It is the intention of the Province to constitute the Corporation as trustee for the Protected Persons that are not party to this indemnity agreement of the covenants, waivers, representations, warranties and obligations of the Province under this indemnity agreement and the Corporation agrees to accept such trust and to hold and enforce such covenants, representations, warranties and obligations on behalf of such Protected Persons.

12. This indemnity agreement shall be interpreted and governed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein.

13. The provisions of this indemnity agreement and the benefit of all covenants, waivers, representations, warranties and other obligations herein contained shall enure to the benefit of the Protected Persons and the Protected Persons' heirs, administrators, executors and assigns as applicable.

NOW THEREFORE, the parties have executed this indemnity agreement effective as of the day and year first written above.

INDEMNITY

THIS INDEMNITY effective as of this 1st day of June, 2017.

BETWEEN: **The Independent Electricity System Operator**
(hereinafter the "**Corporation**")

OF THE FIRST PART,

Her Majesty the Queen in Right of the Province of Ontario as Represented by the Minister of Energy

(hereinafter called the "**Province**"),

OF THE SECOND PART

WHEREAS the Corporation, and its directors, officers and/or employees, may, or in certain circumstances are or will be required to carry out certain activities with respect to (i) the implementation of *the Ontario Fair Hydro Plan Act, 2017* (the "Act"), (ii) the regulations made pursuant to the Act; and/or (iii) any agreements relating to the implementation of the Act or regulations, including with any financing entity (as defined in the Act), (the Act, such regulations and agreements, collectively referred to as the "Fair Hydro Plan");

AND WHEREAS the Corporation, and its directors, officers and/or employees may face risk of liability arising as a result of their respective activities, acts and/or omissions in the implementation of, or relating to, the Fair Hydro Plan;

NOW THEREFORE, in consideration of the sum of $1.00 now paid by the Corporation to the Province and other good and valuable consideration (the receipt of which is hereby acknowledged), the Province hereby agrees:

1. to indemnify, defend, and save harmless the Corporation and its directors, officers, and employees or a member of a committee or panel established by the directors of the Corporation (collectively the "Protected Persons" and individually, a "Protected Person") from and against all losses, costs, damages, charges, expenses, demands, liabilities, fines, penalties, judgments and/or settlement amounts directly or indirectly suffered, sustained or incurred by any Protected Person, including any special, indirect, incidental, punitive, exemplary and/or consequential damages and/or loss of profits and damages in respect of economic loss and/or loss of opportunity, and all legal and other professional fees and out-of-pocket expenses (collectively, "Losses"), as a result of any civil, criminal, administrative, investigative and/or other claim, demand, action, suit, application, litigation, charge, complaint, prosecution, assessment, reassessment, investigation

(formal or informal), hearing and/or other proceeding of any nature or kind whatsoever (any of the foregoing being a "Claim") arising, directly or indirectly, as a result of the Protected Person's activities, acts and/or omissions in the implementation of, or otherwise relating to, the Fair Hydro Plan.

2. A Protected Person shall not be entitled to be indemnified in respect of such Protected Person's Losses, or a portion thereof:

    (a) for which coverage is provided under an insurance policy or claims fund to the extent that such Protected Person is actually paid under such insurance policy or claims fund; or

    (b) for which other indemnities are already provided to a Protected Person to the extent that the Protected Person is actually so indemnified for those Losses by such indemnities; or

    (c) that are a result of such Protected Person's dishonesty, gross negligence or willful misconduct, but only if such dishonesty, gross negligence or willful misconduct on the Protected Person's part has been established by a final and non-appealable judgment or other final adjudication adverse to the Protected Person; for greater clarity the Province acknowledges and agrees that any finding that a Protected Person failed to conduct such reasonable investigation as necessary to provide the Corporation with reasonable grounds for believing any prospectus, registration statement, offering document or any other document filed by, or on behalf of, a financing entity under applicable securities laws, or any information provided to a financing entity in relation thereto, contained no misrepresentation shall not in and of itself constitute "gross negligence" or "willful misconduct" for purposes of this Section 2(c) or otherwise disentitle a Protected Person from indemnification hereunder unless a court of competent jurisdiction in a final, non-appealable judgment determines that the Claim associated with such Losses resulted from the gross negligence or willful misconduct of the Protected Person claiming such indemnity, and in such circumstances, the Protected Person shall be disentitled from indemnification hereunder as a result of such Protected Person's gross negligence or willful misconduct; or

    (d) in the case of a criminal or administrative action or proceeding that enforces a monetary penalty, if such action or proceeding arises from any circumstances in which a Protected Person did not have reasonable grounds for believing, and/or was reckless as to their belief, that the Protected Person's conduct was lawful in the case of a criminal or administrative action or proceeding that enforces a monetary penalty.

3. Each Protected Person shall:

(a) upon becoming aware of a Claim for which such Protected Person may seek indemnification hereunder, as soon as practicable deliver to the Province (through the Director of the Legal Services Branch of the Ministry of Energy) a notice setting forth in reasonable detail the particulars of the Claim(s);

(b) upon written request of the Province, acting reasonably, furnish to the Province copies of any document, or provide to the Province any information that relates to the Claim(s) that is in the possession or under the control of the Protected Person (except to the extent that provision of same would cause the Protected Party to lose its entitlement to claim privilege with respect to the same);

(c) take all reasonable steps necessary to secure and preserve the rights of the Protected Person in respect of the Claim; and

(d) promptly take all reasonable steps to obtain indemnification or coverage to the fullest extent possible under insurance policies or claims funds, or under indemnities provided by the Corporation, that are referred to in subsections 2(a) or (b) above.

A failure on the part of a Protected Person to take any of the actions provided in this section 3 shall not affect the rights of such Protected Person except to the extent that, as a result of such failure, the Province was actually prejudiced. A failure on the part of a Protected Person to take any of the actions provided in this section 3 shall not affect the rights of any other Protected Person.

4. The Province shall have the right to participate in or assume control of the negotiation, settlement or defence of the Claim(s) and in no event shall a Protected Person negotiate, settle, compromise or pay the Claim(s) without the prior written consent of the Province, such consent not to be unreasonably withheld or delayed. If the Province elects to so participate in or assume control of the negotiation, settlement or defence of the Claim(s), the applicable Protected Person(s) shall co-operate fully with the Province in connection with the same, and each applicable Protected Person shall agree to be represented by legal counsel chosen by the Province, unless, in the opinion of such legal counsel, there would arise a conflict of interest preventing such legal counsel from representing the applicable Protected Person. 5. The Province shall not agree to any settlement of a Claim on behalf of a Protected Person without the Protected Person's written consent unless (i) the terms of such settlement require only the payment of money (by persons or entities other than the Protected Person) and include an unconditional, full release of the Protected Person, and do not require a Protected Person to admit any wrongdoing or take or refrain from taking any action and (ii) the Province has indemnified

the Protected Person with respect to, and held the Protected Person harmless from and against, all Losses incurred by or on behalf of the Protected Person in connection with the Claim.

6. For greater clarity, with respect to directors, officers and employees of the Corporation this indemnity shall only apply to Claim(s) that are referable to the period during which a director, officer or employee of the Corporation is actually a director, officer or employee (respectively) of the Corporation, and of which notice is received by the Province either during the period of time that the director, officer, or employee is a director officer, employee of the Corporation or after he or she ceases to be a director, officer, employee of the Corporation.

7. The Province shall reimburse or advance the funds necessary for the payment of Losses incurred in connection with a Claim, including without limitation, the investigation, monitoring, defence and appeal thereof, in advance of the final disposition of such Claim, within ninety (90) days of the Protected Person completing all steps outlined in paragraph 3 of this indemnity agreement. The Protected Person shall promptly repay forthwith to the Province any advances that are ultimately in excess of amounts necessary for payment of any such Losses or for which it is judicially determined that the Protected Person is not entitled to indemnification hereunder.

8. The Province hereby waives any claim it could otherwise make against a Protected Person who is an individual, whether now or in the future, relating in any way to the Corporation's and/or any such Protected Person's activities, acts and/or omissions in the implementation of, or otherwise relating to, the Fair Hydro Plan (including, without limitation, where a Protected Person who is an individual is acting, at the request of the Corporation, in a different capacity than as a director, officer or employee of the Corporation), provided that this waiver shall not apply to claims of gross negligence, dishonesty, or willful misconduct against a Protected Person who is an individual.

9. The Province represents and warrants to each Protected Person as follows and acknowledges that each Protected Person is relying on the following representations and warranties in connection with this indemnity agreement:

    (a) the Province has all necessary power, authority and capacity to enter into this indemnity agreement and to perform its obligations hereunder;

    (b) all necessary actions have been taken by the Province or on the Province's part to authorize its execution and delivery of this indemnity agreement, and without limiting the foregoing, the Province has received all necessary approvals under the *Financial Administration Act* (Ontario) required for it to enter into this indemnity agreement;

    (c) this indemnity agreement has been duly executed and delivered by the Province and is a legal, valid and binding obligation of it enforceable against it in accordance with its terms, except as that enforcement may be limited by the provisions of the *Proceedings Against the Crown Act* (Ontario), to the application of equitable principles and except that equitable remedies may be granted only in the discretion of a court of competent jurisdiction; section 11.3 of the *Financial*

Administration Act (Ontario); and section 43 of the *Financial Administration Act* (Ontario).

10. It is the intention of the Province to constitute the Corporation as trustee for the Protected Persons that are not party to this indemnity agreement of the covenants and obligations of the Province under this indemnity agreement and the Corporation agrees to accept such trust and to hold and enforce such covenants and obligations on behalf of such Protected Persons.

Rima, Krista, Nina and Michael,

Here are drafts of the Change of Law Protection Agreement and Change of Law Process Agreement. Please note that while various people at the Province have provided considerable thought and input into these drafts, they remain subject to on-going review, comment and consideration (including where indicated in the drafts) by the Province, and of course remain subject to ultimate consideration and approval by the Ministers. This circulation is for discussion purposes only. Please feel free to circulate these drafts to OPG, E&Y, Osler and the Dealers, reflecting that understanding.

We propose that a consolidated mark-up be prepared that reflects all of the issues that you or those others may have, and ideally reflects input from the rating agencies. Once that mark-up is available, we propose that a meeting of interested parties be held to resolve any outstanding issues.

In the meantime, please feel free to call Malle, Toby, Tom, Alena or me if you have questions or concerns.

Regards, Steve

As I may not be able to join the call this morning, I thought I'd share my view: if this truly is an issue for marketing the bonds to investors, it would be significant from their perspective. Mike and I don't yet understand why it would be, so it is up to the underwriters, or their counsel, to provide us with a written, not oral, explanation as to why it would be. If they are not prepared to put their reasons in a short, plain English, form, I'm not prepared to accept their request.

According to Torys some of this reflects discussions they had with dealers counsel on the weekend and contacted me to have call to give more context. However I would like to discuss this with you as this seems to be quite a significant change to what we were discussing on Monday and our most recent draft. If we have a call maybe it should be the whole group and include Blakes.

All – please find attached consolidated comments on the Process Agreement and the Protection Agreement blacklined to the drafts circulated by Blakes on Friday. We understand that the current structure requiring satisfaction of the adherence conditions in the Protection Agreement impacts the marketability of the transaction and creates uncertainty for investors. Accordingly, the dealers and OPG would like to discuss with the Province the possibility of moving the adherence conditions to the Process Agreement while preserving the Province's oversight of its obligations under the Protection Agreement. We will provide a proposal on that basis to discuss with the Province. Please note that the attached remains subject to the comments of the working group and the rating agencies.

We have been discussing the Change of Law Protection and Process Agreements with the dealers and their counsel, and there continues to be a strong desire to try and simplify the Protection Agreement as best we can to make it absolutely clear to investors that once debt has been issued they have the benefit of the change of law protection agreement for any amounts owing under the term of that debt. The Adherence Conditions in the Protection Agreement, in particular, are causing some concerns because these are not straight forward provisions that make it absolutely clear when an obligation actually constitutes an Approved Obligation. We have gone part way to address these concerns by including the language that says a certificate can be relied upon once issued by OPG, and by creating two agreements and including all of the "back office" deliverables and oversight mechanics in the Process Agreement between the Province and OPG. But we would like to complete this simplification and really make this a non-issue for investors and OPG, while at the same time leaving the Province in effectively the same position as it currently is in under the agreements.

To that end, here is our proposal:

- The Change of Law Protection Agreement would apply to all Funding Obligations or that otherwise is a payment obligation of the Trust that gives rise to a Finance Amount. We don't view this as a substantive change because currently "Primary Obligations" includes all Funding Obligations and everything that constitutes a Finance Amount (subject to limited carve-outs that apply to the Limited Guarantee, which we have preserved below).

- The Limited Guarantee would capture all Funding Obligations or that otherwise is a payment obligation of the Trust that gives rise to a Finance Amount, excluding any amounts required to be deposited into capital and reserve accounts, amounts that would be remaining amounts of Available Collections required to be held in the Collection Account and any obligation to pay the Trust for remaining amounts of Available Collections. These are the same carve-outs to the definition of "Primary Obligations" so we do not view this as a substantive change.

- The Adherence Conditions would be moved from the Change of Law Protection Agreement and into the Change of Law Process Agreement. We don't view this as a change of significance. The Province would continue to have assurance that the Adherence Conditions are satisfied.

- The Province would have the right to suspend application of the Change of Law Protection Agreement at any time and for any reason by delivery of a Suspension Notice to the indenture trustee/the Trust/the FSM. Following suspension, the Change of Law Protection Agreement would continue to apply to all Primary Obligations of the Trust other than new Funding Obligations relating to the incurrence of debt by the Trust provided that refinancings of existing Funding Obligations would not be considered to be new Funding Obligations. The potential existence of drawn amounts in the warehouse facility when the suspension commences makes the continued availability of refinancings on a protected basis important. This would give the Province a much broader right to suspend application of the agreement than it currently has (suspension rights are currently limited to a breach by OPG of the Process Agreement or an acceleration of debt). As the Province will continue to have the benefit of all of the reporting required from OPG in the Process Agreement and comfort that the Adherence Conditions are required to be satisfied, we think this

gives the Province significant comfort that they will have control over the potential scope of their protected obligations.

- After suspension, the Trust could issue new Funding Obligations relating to the incurrence of debt by the Trust that are not covered by the Protection Agreement if their issuance was approved by the Specified Creditors of the Trust. Although this would be a theoretical possibility, we believe it is unlikely there will be a market for non-protected debt. We understand that retaining this flexibility may be an important factor from an accounting perspective.

As I may not be able to join the call this morning, I thought I'd share my view: if this truly is an issue for marketing the bonds to investors, it would be significant from their perspective. Mike and I don't yet understand why it would be, so it is up to the underwriters, or their counsel, to provide us with a written, not oral, explanation as to why it would be. If they are not prepared to put their reasons in a short, plain English, form, I'm not prepared to accept their request.

According to Torys some of this reflects discussions they had with dealers counsel on the weekend and contacted me to have call to give more context. However I would like to discuss this with you as this seems to be quite a significant change to what we were discussing on Monday and our most recent draft. If we have a call maybe it should be the whole group and include Blakes.

All – please find attached consolidated comments on the Process Agreement and the Protection Agreement blacklined to the drafts circulated by Blakes on Friday. We understand that the current structure requiring satisfaction of the adherence conditions in the Protection Agreement impacts the marketability of the transaction and creates uncertainty for investors. Accordingly, the dealers and OPG would like to discuss with the Province the possibility of moving the adherence conditions to the Process Agreement while preserving the Province's oversight of its obligations under the Protection Agreement. We will provide a proposal on that basis to discuss with the Province. Please note that the attached remains subject to the comments of the working group and the rating agencies.

HER MAJESTY THE QUEEN IN RIGHT OF ONTARIO, AS REPRESENTED BY THE MINISTER OF ENERGY AND THE MINISTER OF FINANCE

AND

COMPUTERSHARE TRUST COMPANY OF CANADA, AS TRUSTEE OF FAIR HYDRO TRUST[1]

AND

ONTARIO POWER GENERATION INC., AS FINANCIAL SERVICES MANAGER AND AS MANAGER OF FAIR HYDRO TRUST

AND

BNY TRUST COMPANY OF CANADA, AS INDENTURE TRUSTEE

CHANGE OF LAW PROTECTION AGREEMENT

Dated as of [■], 2017

[1] Torys and Blakes to discuss signatory on behalf of the Trust. The Manager is currently signing all Program Agreements on behalf of the Trust and has authority to do so. We would propose to do the same on the change of law agreement.

This **AGREEMENT**, among Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), Computershare Trust Company of Canada, in its capacity as trustee (the "**Financing Entity Trustee**") of Fair Hydro Trust, a trust under the laws of the Province of Ontario (the "**Financing Entity**")[1][2], Ontario Power Generation Inc., in its capacity as Manager of the Financing Entity and in its capacity as the Financial Services Manager in accordance with the Act (the "**FSM**") and BNY Trust Company of Canada, a trust company existing under the laws of Canada, as Indenture Trustee, is made and entered into as of [■], 2017.

RECITALS

Pursuant to Subsection 5(3) of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**"), the Lieutenant Governor in Council may by order, authorize the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to agree to guarantee or indemnify certain debts, obligations, securities or undertakings associated with an Investment Interest.

Pursuant to an Order in Council dated as of ■ (the "**OIC**"), the Lieutenant Governor in Council has, among other things, authorized the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to enter into one or more agreements to guarantee or indemnify the debts, obligations, securities or undertakings of one or more financing entities established or caused to be established pursuant to Subsection 22(2) of the Act by the FSM and that may incur Funding Obligations in connection with one or more Investment Interests.

Pursuant to a Declaration of Trust[2][3] dated as of ■, 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

The Financing Entity Trustee, in its capacity as trustee of the Financing Entity, and the Indenture Trustee are parties to the Trust Indenture and propose to create and issue series of notes, bonds and other securities as contemplated therein, and to provide security over the assets and undertaking of the Financing Entity in respect of such notes, bonds and securities, as well as other Obligations Secured.

The Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, have determined to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Obligations Secured that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions at the time the Approved Obligation is incurred or amended. This Agreement sets out the terms and conditions of such protections and assurances.

[1][2] Province needs the Trust as a party to be assured of its rights of subrogation, step-in, etc.

[2][3] Torys to confirm that Trust is a "financing entity" under OFHPA. Under definition, FSM to establish or cause to be established. DofT indicates Computershare declares trust. Need to have this confirmed for purposes of authority under OFHPA 5(3), among other things.

~~OPG and the Province will concurrently enter into the Process Agreement, under which OPG will agree to perform certain activities and to provide certain assurances in relation to this Agreement, on which the Province will rely.~~

All things necessary to make this Agreement a valid and legally binding agreement of the Province, the Financing Entity, the FSM and the Indenture Trustee, in accordance with the Act, the OIC and the Trust Indenture, have been done.

AGREEMENT OF THE PARTIES

In consideration of the respective agreements herein contained, the parties hereto covenant and agree as follows:

ARTICLE I
DEFINITIONS AND OTHER PROVISIONS OF GENERAL APPLICATION

1.01 Interpretation

For all purposes of this Agreement, except as otherwise expressly provided or unless the context otherwise requires:

(a) the terms used in this Agreement that are defined in Schedule A have the meanings assigned to them in Schedule A;

(b) words importing the singular shall include the plural and vice versa, words importing general shall include all genders or the neuter, and words importing the neuter shall include all genders;

(c) all references to any Person shall include such Person's permitted successors and assigns, and any reference to a Person in a particular capacity excludes such Person in other capacities;

(d) references to any law, rule, regulation or order of a Governmental Authority (including, for greater certainty, references to the Act and the General Regulation) shall include such law, rule, regulation or order as from time to time in effect, including any amendment, modification, codification, replacement or reenactment thereof or any substitution therefor;

(e) the word "will" shall be construed to have the same meaning and effect as the word "shall". The word "or" is not exclusive;

(f) any reference to this Agreement or any other agreement, document or instrument shall be construed as a reference to this Agreement or, as the case may be, such other agreement, document or instrument as the same may have been, or may from time to time be, amended, varied, replaced, amended and restated, supplemented or otherwise modified;

(g) all references in this Agreement to designated "Articles", "Sections", "Subsections", "Schedules", "Exhibits" and other subdivisions are to the designated Articles, Sections, Subsections, Schedules, Exhibits and other subdivisions of this Agreement as originally executed. The words "herein", "hereof" and "hereunder" and other words of similar import refer to this Agreement as a whole and not to any particular Article, Section, Subsection, Schedule, Exhibit or other subdivision;

(h) "including" and words of similar import will be deemed to be followed by "without limitation"; and

(i) with respect to the computation of periods of time from a specified date to a later specified date, unless otherwise expressly stated, the word "from" means "from and including" and the words "to" and "until" each mean "to but excluding".

1.02 Trustee to act in accordance with the Trust Indenture

Any action taken, required to be taken or permitted to be taken by the Indenture Trustee under this Agreement shall only be taken in the manner, at the times, for the purposes, subject to the prerequisites, conditions, requirements and limitations, and with the benefits, exculpations, indemnities and protections that are provided to the Indenture Trustee, in each case in respect of such action taken, required to be taken or permitted to be taken by it under the Trust Indenture.

1.03 Proof of Approved Obligations

The efficacy of any agreement, instrument or writing evidencing a Primary Obligation may, in the absence of manifest error, be conclusively proved in any manner that the Indenture Trustee deems to be sufficient.

Any statement of account prepared by the Indenture Trustee as regards the Primary Obligations shall constitute *prima facie* evidence of the amount which, as at the date of the statement so prepared, is due and payable by the Financing Entity to the Beneficiaries and/or the Indenture Trustee and the Province hereby acknowledges and agrees that, absent manifest error, it shall be bound by each such statement. The Indenture Trustee agrees to provide the Province with the computations and calculations used by the Indenture Trustee to prepare each such statement of account promptly following a request therefor.

1.04 Limitation on Rights of and Actions by Specified Creditors

Specified Creditors, as Beneficiaries, shall not have or be permitted to exercise any rights, interests, or elections under this Agreement, other than in the manner and to the extent effected and exercised under, in accordance with and subject to the limitations set forth in the Trust Indenture[34].

[34] With respect to the possibility of unsanctioned amendments, the OPG proposal would allow amendments to be made in favour of bondholders to permit individual bondholders to sue the Province under this agreement. This is one circumstance that demonstrates why the Province needs the right to know about and consider all underlying amendments.

1.05 Province Retains Rights of Beneficiaries

Without limiting any rights of subrogation or succession that arise pursuant to applicable law or pursuant to the Province's rights as an assignee, subrogee or pursuant to Section 2.01 or Section 5.01, all of the rights, interests, elections and privileges that would arise in favour of a Beneficiary under the Trust Indenture or other Funding Obligation Agreement under which a related Primary Obligation arises shall automatically arise, vest in and be available to the Province to the extent of the performance by the Province of the Primary Obligation.

1.06 Effect of Headings

The Article and Section headings herein are for convenience only and will not affect the construction hereof.

1.07 Successors and Assigns

All covenants and agreements in this Agreement by the parties will bind their respective successors and permitted assigns, whether so expressed or not. All covenants and agreements of the **Province, the** Indenture Trustee, the Financing Entity, the Financing Entity Trustee**, the Manager** or the FSM in this Agreement shall bind their respective successors, co-trustees and agents.

1.08 Severability

Each of the provisions contained in this Agreement is distinct and severable and a declaration of invalidity or unenforceability of any such provision or part thereof by a court of competent jurisdiction will not affect the validity or enforceability of any other provision hereof. To the extent permitted by applicable law, the parties waive any provision of law which renders any provision of this Agreement invalid or unenforceable in any respect. **[The parties will engage in good faith negotiations to replace any provision which is declared invalid or unenforceable with a valid and enforceable provision, the economic effect of which comes as close as possible to that of the invalid or unenforceable provision which it replaces.]** **[NTD: this is unusual. Why is it necessary in this Agreement?]**

1.09 Governing Law

THIS AGREEMENT WILL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE PROVINCE OF ONTARIO AND THE FEDERAL LAWS OF CANADA APPLICABLE THEREIN, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

1.10 Proceedings Against the Crown Act

NOTHING IN THIS AGREEMENT OR THE PROGRAM AGREEMENTS AFFECTS THE RIGHTS, PROTECTIONS AND IMMUNITIES OF THE CROWN UNDER THE PROCEEDINGS AGAINST THE CROWN ACT.

1.11 Attornment

EACH PARTY SUBMITS TO THE EXCLUSIVE JURISDICTION OF ANY ONTARIO COURTS SITTING IN TORONTO IN ANY ACTION, APPLICATION, REFERENCE OR OTHER PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT. THE PARTIES HERETO HEREBY WAIVE ANY RIGHT THEY MAY HAVE TO REQUIRE A TRIAL BY JURY OF ANY PROCEEDING COMMENCED IN CONNECTION WITH THIS AGREEMENT.

1.12 Counterparts; Electronic Delivery

This Agreement may be executed in any number of counterparts, each of which so executed will be deemed to be an original, but all such counterparts will together constitute one and the same instrument. Delivery of an executed signature page to this Agreement by a party by electronic transmission will be as effective as delivery of a manually executed copy of the Agreement by such party.

1.13 Change of Law Protection Agreement Referred to in the Trust Indenture

This Agreement is the "Change of Law Protection Agreement" referred to in the Trust Indenture.

1.14 Non-Business Days

Whenever any payment to be made hereunder shall be stated to be due, any period of time would begin or end, any calculation is to be made or any other action to be taken hereunder shall be stated to be required to be taken, on a day other than a Business Day, then (notwithstanding any other provision of this Agreement) such payment shall be made, such period of time shall begin or end, such calculations shall be made and such other action shall be taken on the next succeeding Business Day.

1.15 Waiver, Amendment

Except as expressly provided in this Agreement, no amendment or waiver of this Agreement will be binding unless executed in writing by the party to be bound thereby. No waiver of any provision of this Agreement will constitute a waiver of any other provision nor will any waiver of any provision of this Agreement constitute a continuing waiver unless otherwise expressly provided. A party's failure or delay in exercising any right under this Agreement will not operate as a waiver of that right. A single or partial exercise of any right will not preclude a party from any other or further exercise of that right or the exercise of any other right.

1.16 Interest Act

For the purpose of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest to which any rate of interest payable under this Agreement that is calculated on any basis other than a full calendar year is equivalent may be determined by multiplying such rate by a fraction, the numerator of which is the actual number of days in the calendar year in which such yearly rate of interest is to be ascertained and the denominator of which is the number of days

comprising such other basis. The parties further agree that for the purposes of the *Interest Act* (Canada), (i) the principle of deemed reinvestment of interest shall not apply to any interest calculation under this Agreement, and (ii) the rates of interest stipulated in this Agreement are intended to be nominal rates and not effective rates or yields.

1.17 Currency

Unless stated otherwise, all amounts herein are stated in Canadian Dollars.

1.18 References to Acts of the Financing Entity

For greater certainty, where any reference is made in this Agreement, or in any other instrument executed pursuant hereto or contemplated hereby to which the Financing Entity or the Financing Entity Trustee, as trustee of the Financing Entity, is party, to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or release to be provided by, a suit or proceeding to be taken by or against, or a covenant, representation or warranty (other than relating to the constitution or existence of the Financing Entity) by or with respect to (i) the Financing Entity or (ii) the Financing Entity Trustee, such reference shall be construed and applied for all purposes as if it referred to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or release to be provided by, a suit or proceeding to be taken by or against or a covenant, representation or warranty (other than relating to the constitution or existence of the Financing Entity) by or with respect to, the Financing Entity Trustee as trustee of the Financing Entity.

1.19 Judgment Currency

(a) If for the purpose of obtaining judgment in any court or for any other purposes (other than conversions specifically provided for in the agreement under which an Approved Obligation arises), it is necessary to convert any amount due under this Agreement from the currency in which it is due (the "**Original Currency**") into another currency (the "**Second Currency**"), the rate of exchange applied shall be that at which, in accordance with normal banking procedures, the purchaser could purchase, in the New York foreign exchange market, the Original Currency with the Second Currency on the date on which judgment is given. The obligation of the Province in respect of any Original Currency due from it to the Indenture Trustee under this Agreement shall, notwithstanding any judgment or payment in such other currency, be discharged only to the extent that, on the Business Day following receipt of any sum so paid or adjudged to be due under this Agreement in the Second Currency, the Indenture Trustee may, in accordance with normal banking procedures, purchase in the New York foreign exchange market the Original Currency with the amount of the Second Currency so paid or so adjudged to be due; and if the amount of the Original Currency so purchased is less than the amount originally due in the Original Currency, the Province shall indemnify the Indenture Trustee against such loss.

(b) The term "rate of exchange" in this Section 1.19 means the spot rate at which the Indenture Trustee, in accordance with normal practice, is able on the relevant date to purchase the Original Currency with the Second Currency and includes any premium and costs of exchange payable in connection with such purchase.

iv. On any **Guarantee** Payment Date on which an amount is paid by the Province pursuant to clause 2.01(a)ii, the applicable payment provisions of the Trust Indenture shall, notwithstanding the express terms of such provisions set forth in the Trust Indenture ~~and subject to Section 2.04(b)~~, be applied and operate on the following basis:

the Province under such subclause (including any right or reimbursement, contribution or indemnity) and no such Beneficiary shall have any right or interest in, to or under the Collateral or any proceeds therefrom in respect of such amounts.

v. On any **Guarantee** Payment Date, the Indenture Trustee shall release and pay to the Province free and clear of any Liens any amount ~~on~~ remaining **on** deposit in the Protection Account that has not been applied to pay Beneficiary Payees on the **Guarantee** Payment Date in accordance with clause 2.01(a)iii.

vi. In preparing any payment instructions under the Trust Indenture, the Manager shall reflect the amounts payable for the **Guarantee** Payment Date under Section 2.01(a).

(b) The Province shall, as a payee of Subrogation Amounts and any amounts payable under clause 2.01(a)v, be a "Specified Creditor" under the Trust Indenture and have the benefit of the Collateral thereunder.

(c) For greater certainty, the Limited Guarantee will not apply to any amount or obligation of the Financing Entity that is not or does not arise under an Approved Obligation and will be limited to the right to receive the ~~payment amounts~~**Approved Obligation Amounts**, if any, and will be subject to the priorities and to the Province's rights to Subrogation Amounts, set forth in Section 2.01(a).

(d) Except as expressly provided in this Agreement, the Province's obligation to provide and perform the Limited Guarantee shall be irrevocable, absolute and unconditional.

Under no circumstances shall the Province be obligated to pay or indemnify the Indenture Trustee or any Beneficiary for consequential, special or punitive damages, or for economic loss or loss of profits; provided that, for greater certainty, economic loss shall not include any amount in respect of any amount due and payable to a Beneficiary Payee under the Limited Guarantee.

2.02 Intentionally Deleted.

2.03 Absence of Set-off

Subject to applicable law, the Province acknowledges and agrees that each payment to be made by the Province hereunder in respect of an Approved Obligation shall be made as required in whole, without application of any right of set-off and without regard to any equities as between or among any of the Province, the Beneficiaries and/or the Indenture Trustee.

2.04 Payment into Protection Account[7] in Satisfaction

(a) On or before the date of delivery of a Payment Demand to the Province, the Indenture Trustee shall cause to be established and maintained an Eligible Deposit Account (the "**Protection Account**") in the name of the Indenture Trustee, bearing a designation clearly indicating that the funds and other property credited thereto are held for the benefit of the Indenture Trustee and the Beneficiaries. The Protection Account shall be under the control of the Indenture Trustee for the benefit of the Beneficiaries. If, at any time, the institution holding the Protection Account ceases to be an Eligible Institution, the FSM shall notify the Indenture Trustee, and the Indenture Trustee upon being notified in writing of such ineligibility (or the FSM on its behalf) shall within 30 days (or such longer period, not to exceed 45 days, so long as the Rating Agency Condition is satisfied) establish a new Protection Account that is an Eligible Deposit Account and shall transfer any funds or other property from such Protection Account to such new Protection Account. From the date each such new Protection Account is established, it shall be the "Protection Account" for purposes of this Agreement. Funds credited to the Protection Account will be invested and held in accordance with Section 7.03 of the Trust Indenture on the basis that it is an Issuer Account.

(b) Notwithstanding the priority of payment requirements set forth in the Trust Indenture and any legal rule concerning the imputation of payments, the [Indenture Trustee][8] shall apply all amounts paid by the Province into the Protection Account on a Guarantee Payment Date in respect of an Approved Obligation to pay the amounts due and payable to the Beneficiaries as and to the extent provided for in Section 2.01(a)[9]. Upon a payment having been made by or on behalf of the Province into the Protection Account, the amounts so paid shall for all purposes be considered to have been applied to pay the applicable Beneficiaries as provided for in Section 2.01(a) and thereby reduce the amount due and payable to such Beneficiaries in respect of the applicable Approved Obligations, whereupon an affected Beneficiary shall have no continuing rights, interests or entitlements (including rights as a secured party) in respect of the

Approved Obligation to the extent so paid[10]. For greater certainty, the obligations arising in respect of an applicable Approved Obligation shall not be reduced by such payment as the Province shall become entitled to be paid related Subrogation Amounts and the rights contemplated under Section 2.01(a) and Section 5.01 in relation to such continuing obligations.

2.05 Certain Waivers

The Province hereby waives:

(a) any requirement, and any right to require, that any power be exercised or any action be taken against the Financing Entity or any Collateral for any of the Approved Obligations;

(b) all notices which may be required by applicable law to preserve any rights against the Province hereunder, including any notice of default, demand, dishonour, presentment and protest;

(c) diligence; and

(d) any defence based upon, arising out of or in any way related to any claim that any election of remedies by the Beneficiaries impaired, reduced, released or extinguished any rights that the Province might otherwise have had against the Financing Entity or any other surety.

The Province agrees that each such waiver is made with full knowledge of its significance and consequences and if any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the maximum extent permitted by applicable law.

2.06 Additional Security

2.07 Continuing Liability of the Province

The Approved Obligations shall be deemed not to have been paid, observed or performed, and the liability of the Province hereunder in respect thereof shall continue and not be discharged, to the extent that any payment, observance or performance thereof by the Financing Entity, or out of the proceeds of any Collateral, is recovered from or reimbursed by or for the account of any of the Beneficiaries for any reason, including a preference or fraudulent transfer or by virtue of any subordination (whether present or future or contractual or otherwise) of the Approved Obligations, whether such recovery or payment over is effected by any judgment, decree or order of any court or Governmental Authority, by any plan of reorganization or by

settlement or compromise by any of the Beneficiaries (whether or not consented to by the Financing Entity or the Province) of any claim for any such recovery or payment over.

2.08 Continuance of the Limited Guarantee

Subject to Section 2.07, the Limited Guarantee shall continue in full force and effect until the indefeasible payment, observance and performance in full of the Approved Obligations, or until the Province is no longer required to provide and perform the Limited Guarantee in accordance with ~~Section 6.03 or~~ Section **6.03 or Section** 8.02.

2.09 Modifications of Approved Obligations

The Province expressly authorizes the Indenture Trustee, at any time and from time to time, without notice and without affecting the liability of the Province hereunder, but subject to compliance with the requirements of the Program Agreements[11] and this Agreement, to:

(a) accept new, additional or replacement instruments, documents, agreements or security in connection with all or any part of the Approved Obligations;

(b) accept partial payments on the Approved Obligations; and

(c) waive, release, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, compromise, liquidate and enforce all or any part of the Approved Obligations and any security or guarantee therefor, and apply any such security and direct the order or manner of sale thereof as the Indenture Trustee (for the benefit of the Beneficiaries) in its discretion may determine.

ARTICLE III

3.01 The Indenture Trustee

This Agreement is made in favour of the Indenture Trustee in its capacity as trustee under the Trust Indenture. Accordingly, in the event of a new trustee being appointed under the Trust Indenture, such new trustee shall thereupon become and be the Indenture Trustee hereunder, but nevertheless, the Indenture Trustee shall forthwith assign, transfer and make over to the new trustee hereunder this Agreement. OPG will agree not to allow any of these events without confirming to the Province under the Process Certificate that the changes are within the agreed scope of the Reviewed Documents, etc.

3.02 Acceptance of Trusts

The Indenture Trustee hereby accepts the trusts hereof and agrees to carry out and discharge the same unless and until a new trustee shall be appointed as contemplated in Section 3.01.

4.03 Evidence of Satisfaction

ARTICLE V
PROVINCE MATTERS

5.01 Assignment and Subrogation

(a) Upon paying an amount in respect of an Approved Obligation to or at the direction of the Indenture Trustee in satisfaction of the Limited Guarantee, the Province (in addition to and without prejudice to any rights it otherwise has in law or equity) shall be subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation to the extent of such payment, including (i) the right and entitlement to be paid and receive the related Subrogation Amounts, (ii) the benefits of the related Collateral and (iii) all proceeds therefrom. The Indenture Trustee shall recognize the Province as being entitled to all of the rights, interests and entitlements of the Beneficiary (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)) in respect and to the extent of the Approved Obligation so paid, determined as of the time of payment, for all purposes under the Trust Indenture, and the Province shall be treated as a Specified Creditor in respect thereof for all purposes under the Trust Indenture and any other agreement under which the Approved Obligation arises.

(b) The Province (i) acknowledges and agrees in favour of the Indenture Trustee that, upon being subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation in accordance with Section 5.01(a), the Province, in its capacity as a Specified Creditor, will be subject to the provisions applicable to Specified Creditors under the Trust Indenture, including **[Section 7.11 (Payments Held in Trust), Section 8.12 (Limitation on Suits), Sections 7.04 and 8.13 (Payment Priorities), Section 8.14 (Limited Recourse) and Section 16.01 (No Petition) thereof]** and (ii) confirms that the Indenture Trustee shall send notices to the Province, in its capacity as a Specified Creditor, in accordance with Section 9.02.[14]

5.02 Priorities

5.03 Province May Perform Other Program Agreement Covenants.[15]

If the Financing Entity fails to perform any covenant under any Program Agreement, the Province may (but, except as expressly provided for under this Agreement, shall not be obligated to) perform such covenant on behalf of the Financing Entity. 6.03 Effect of Assumption

On the date that the assignment and assumption of the Obligations Secured by and from the Financing Entity to and by the Province becomes effective (the "**Assumption Effective Date**"), the Province shall no longer be required to provide and perform the Limited Guarantee but will instead become a primary obligor under the Obligations Secured assumed pursuant to and in accordance with an applicable Assumption Agreement. For greater certainty, the obligations of the Province so assumed will not be secured obligations of the Province and the

The Province shall have and be entitled to enforce all such rights and interests as an absolute assignee of the Financing Entity, with effect from and after the time of such assumption, without any further requirement for notice to or acceptance by the Financing Entity of such absolute assignment and without any reduction, set-off or counterclaim on account of any amounts that may, at or after the time of payment, be or become owing to the Financing Entity and unaffected by any other rights, interests or equities that arise thereafter in respect of the assets, property and undertaking comprising the Collateral as between the Beneficiaries and the Financing Entity. The Indenture Trustee and the Beneficiaries shall thereupon recognize the Province as the absolute owner of the assets, property and undertaking comprising the Collateral.

ARTICLE VII

~~(b) following the occurrence of a Breach Event that has not been waived in writing by the Province.~~

[NTD: the concept of Breach Event has been removed from Protection Agreement and replaced by provisions in the Process Agreement providing that upon notice of a Breach Event to OPG in the Process Agreement, OPG will not be permitted to deliver the certificate required to satisfy the Adherence Conditions. This was done to cleanse the Protection Agreement of any references to the Process Agreement but leave the Province in the same position of being able to (indirectly) suspend application of the change of law agreement to future issuances upon a Breach Event.]

If a Suspension Notice has been provided under Section 8.01 (the provision of such notice being a "**Suspension Event**"), the Limited Guarantee shall not apply in respect of any Obligation Secured incurred or amended on or after the time such Suspension Notice is delivered. 8.04 No Impact on Adherence

For greater certainty, the occurrence of Suspension Event or a failure by the FSM or the Financing Entity to perform its covenants under this Agreement will not invalidate or extinguish the obligations of the Province under the Limited Guarantee in respect of Approved Obligations in existence prior to the occurrence of the Suspension Event, nor will it in any way impact the Obligations Secured which are assumed by the Province in accordance with Article VI.

HER MAJESTY THE QUEEN IN RIGHT OF ONTARIO, AS REPRESENTED BY THE MINISTER OF ENERGY AND THE MINISTER OF FINANCE

AND

ONTARIO POWER GENERATION INC.

CHANGE OF LAW PROCESS AGREEMENT

Dated as of [■], 2017

This **CHANGE OF LAW PROCESS AGREEMENT**, between Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), and Ontario Power Generation Inc. ("**OPG**") is made and entered into as of [■], 2017.

RECITALS

OPG is appointed as the Financial Services Manager under Section 18 of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**").

Pursuant to Section 22(2) of the Act, OPG, in its capacity as the Financial Services Manager (the "**FSM**"), may establish or cause to be established one or more financing entities (as defined in the Act), which may incur Funding Obligations in accordance with the Act.[1]

Pursuant to a Declaration of Trust dated as of [■], 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

Concurrent with this Agreement, the Province, the FSM, the Financing Entity and the Indenture Trustee will enter into the Change of Law Protection Agreement under which the Province will agree to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Obligations Secured that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions.

Prior to entering into this Agreement, OPG provided the Province with copies of certain of the Transaction Documents, and the Province has confirmed by a notice delivered to OPG that the reviewed forms (as further described in such notice) shall be Reviewed Documentation for the purposes of this Agreement.[2]

This Agreement sets out the obligations OPG has agreed to perform and assurances OPG has agreed to provide and on which the Province will rely in entering into and implementing the Change of Law Protection Agreement, including for the purposes of determining whether the Adherence Conditions have been satisfied, maintaining information related to the Program Agreements and the Approved Obligations, and ensuring that the Province's assumption rights pursuant to Article VI of the Change of Law Protection Agreement may be exercised without impediment on the terms and conditions contemplated in this Agreement and the Change of Law Protection Agreement.

All things necessary to make this Agreement a valid and legally binding agreement of OPG and the Province, have been done.

[1] Blakes suggests that it be made clear in the Declaration of Trust that OPG is establishing the Trust. Blakes would appreciate the benefit of Torys analysis as to how the Trust is an "entity" under the OFHPA, as opposed to the trustee. Clearly OPG has not established Computershare. **Blakes and Torys to discuss.**

[2] Once agreements are settled, Province to provide draft notice.

AGREEMENT OF THE PARTIES

(b) Not more than 10 Business Days**, or such lesser period as the Province may agree to,** following receipt of the Initial Forecast and notice of the initial Protection Agreement Maximum from OPG pursuant to Section 4.01(a), the Province may disagree with the Initial Forecast and the initial Protection Agreement Maximum on the basis that (i) there appears to be inaccuracies in the Financing Plan or the Initial Forecast, (ii) the Initial Forecast is inconsistent with the Financing Plan, or (iii) the initial Protection Agreement Maximum is not less than the Initial Forecast. If the Province disagrees, OPG shall discuss any discrepancies with the Province, address any inaccuracies and inconsistencies to the reasonable satisfaction of the Province~~,~~ **and OPG,**[11] and the initial Protection Agreement Maximum will be revised accordingly and confirmed by an amended notice to the Province.

[11] **This is an accounting comment.**

Such updated forecast shall be further updated on a similar basis with respect to each successive 24 month period or more frequently if at any time OPG has knowledge that the most recent forecast is materially inaccurate (the Initial Forecast and each such updated forecast, each a "**Forecast**"). Together with each Forecast, OPG shall also provide a revised Protection Agreement Maximum, which may not exceed such Forecast.

(d) Not more than 10 Business Days**, or such lesser period as the Province may agree to,** following receipt of any further Forecast and notice of the revised Protection Agreement Maximum from OPG pursuant to Section 4.01(c), the Province may disagree with such further Forecast or revised Protection Agreement Maximum on the basis that (i) there appears to be inaccuracies in the Financing Plan or such further Forecast, (ii) the further Forecast is inconsistent with the Financing Plan, or (iii) the revised Protection Agreement Maximum is not less than the further Forecast. If the Province disagrees, OPG shall discuss any discrepancies with the Province, address any inaccuracies and inconsistencies to the reasonable satisfaction of the Province~~,~~ **and OPG,**[12] and the revised Protection Agreement Maximum will be further revised accordingly and confirmed by an amended notice to the Province.

(e) For clarity, Repayments under Obligations Secured owing in currencies other than Canadian dollars will be valued at the time to be determined for the purposes of this Section 4.01 in accordance with the following:

(i) where a Derivative Agreement has been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the hedged value expressed in Canadian dollars; and

ARTICLE VI
PROCESS FOR ELECTION TO ASSUME APPROVED OBLIGATIONS[413]

[413] Note: Lawyers to discuss assumption mechanics.

6.01 Election by the Province

Pursuant to Section 6.01 of the Change of Law Protection Agreement, at any time following the occurrence of a Protection Event, the Province may (but shall not be obligated) elect to assume the Financing Entity's obligations in respect of all Obligations Secured, as obligor and debtor by giving notice to the Indenture Trustee. Prior to determining whether or not to exercise its election, the Province may deliver to OPG a notice in the form of Exhibit A (an "**Election Information Notice**"). The Election Information Notice shall, among other things, specify the date on which the Province proposes to assume the Obligations Secured, which date shall be no earlier than 20 Business Days following delivery of the Election Information Notice to OPG (the "**Proposed Assumption Date**").

6.02 Details regarding Obligations Secured

Promptly following the delivery of the Election Information Notice to OPG, OPG shall provide the following information and documentation to the Province:

(a) a summary of the amounts that will be owing under all Obligations Secured as of the Proposed Assumption Date, together with a detailed schedule setting out the dates on which such amounts will become due and payable under the Obligations Secured;

(b) a summary of the rights arising under the Obligations Secured that permit the Financing Entity to assign the Obligations Secured to the Province, including details regarding any conditions precedent to such assignment and the related assumption becoming effective and any notices, filings, consents or other actions that will be required in order to implement and effect such assignment and assumption;

(c) current versions of all documentation under which the Obligations Secured arise;

(d) copies of all correspondence exchanged between OPG, as the FSM, or the Financing Entity, on the one hand, and any Specified Creditor, Rating Agency or the Indenture Trustee, on the other hand, in each case that may reasonably be considered to be material to the assumption and performance of the Obligations Secured by the Province; and

(e) all income tax returns and assessments, financial statements and notices of proceedings of or pertaining to the Financing Entity or its business and any documentation related thereto, including any pleadings, appeals, objections, qualifications or other similar materials in respect of the Financing Entity or any Program Agreement.

6.03 Settlement of Terms

Following receipt and review by the Province of the information and documentation to be provided under Section 6.02, the Province shall confirm in writing whether or not it expects to proceed with the assignment and assumption of the Obligations Secured and, if it will be

proceeding with the assignment and assumption, the date on which the Province expects that assignment and assumption will be effected. If it will be proceeding with such assignment and assumption, the Province will deliver an Assumption Notice as contemplated under Section 6.01 of the Change of Law Protection Agreement. A decision not to proceed with an election at any time will not limit the Province from proceeding with an election at a later date, including by issuing a further Election Information Notice and Article VI of this Agreement shall continues to apply unaffected.

6.04 Cooperation to Implement the Assignment and Assumption

OPG shall cooperate with the Province and, as FSM, will use commercially reasonable efforts to cause the Financing Entity to cooperate, and shall use its commercially reasonable efforts, to complete the assignment and assumption of the Obligations Secured by and from the Financing Entity to and by the Province, by the applicable Assumption Closing Date.

6.05 Terms of Obligations Secured

In order to permit the Province to assume the Obligations Secured in the circumstances contemplated herein, OPG, as FSM, shall cause the Financing Entity to use commercially reasonable efforts to ensure that all Obligations Secured permit such an assignment to and assumption by the Province substantially in accordance with the terms and on the basis contemplated in the Assumption Agreement, without any penalty or make-whole payment, or any requirement for further consent, approval or agreement, or alternatively, in the case of any Obligations Secured entered into by or on behalf of the Financing Entity for the provision of on-going services to the Financing Entity permitting the satisfaction and termination of such Obligations Secured on or prior to the effective time of such assumption without any acceleration of future fees, profits or other like amounts, ~~[~~other than to the extent of payment obligations arise under market standard mark-to-market payment terms and conditions included on a commercially reasonable basis under a Derivative Agreement~~][NTD: Subject to the input of the dealers.]~~[5] [14]

ARTICLE VII

Among other changes, it is contemplated that Torys will add the following to the MTI to address this requirement: (i) Specified Creditors will be required to acknowledge the rights of the Province to assume the Obligations Secured on the basis contemplated in the form of assumption agreement, and (ii) the Indenture Trustee will be permitted to enter into and give effect to the global Assumption Agreement without the consent of Specified Creditors or any other third parties.

(a) a default in the performance, or breach, of any covenants of OPG under this Agreement, which continues for thirty (30) days after written notice by the Province to OPG of such default or breach;

(b) any representation or warranty made by OPG in this Agreement, any certification made in a Process Certificate, or any certification made in a certificate contemplated by Section **[4.02]** of the Change of Law Protection Agreement, proves to be incorrect on the date made and, if curable, is not cured within thirty (30) days after written notice by the Province to OPG of such misrepresentation; or

(c) OPG is no longer the Manager or actions have been taken by or on behalf of the Indenture Trustee to remove OPG as the Manager.

7.02 Notice on Breach Event

If any Breach Event shall have occurred and not been waived in writing by the Province, the Province shall have the right at its option, ~~upon written notice to OPG,~~ and in addition to and not in substitution for any other remedies available hereunder at law or equity, to provide a **written notice in the form of Exhibit ■ (a "Breach Event** Suspension Notice**")** to ~~the Indenture Trustee, OPG and the Financing Entity in accordance with the terms of the Change of Law Protection Agreement~~**OPG**.

ONTARIO POWER GENERATION INC., AS FINANCIAL SERVICES MANAGER AND AS MANAGER OF FAIR HYDRO TRUST

AND

BNY TRUST COMPANY OF CANADA, AS INDENTURE TRUSTEE

CHANGE OF LAW PROTECTION AGREEMENT

Dated as of [■], 2017

[1] Torys and Blakes to discuss signatory on behalf of the Trust. The Manager is currently signing all Program Agreements on behalf of the Trust and has authority to do so. We would propose to do the same on the change of law agreement.

This **AGREEMENT**, among Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), Computershare Trust Company of Canada, in its capacity as trustee (the "**Financing Entity Trustee**") of Fair Hydro Trust, a trust under the laws of the Province of Ontario (the "**Financing Entity**")[2], Ontario Power Generation Inc., in its capacity as Manager of the Financing Entity and in its capacity as the Financial Services Manager in accordance with the Act (the "**FSM**") and BNY Trust Company of Canada, a trust company existing under the laws of Canada, as Indenture Trustee, is made and entered into as of [■], 2017.

RECITALS

Pursuant to Subsection 5(3) of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**"), the Lieutenant Governor in Council may by order, authorize the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to agree to guarantee or indemnify certain debts, obligations, securities or undertakings associated with an Investment Interest.

Pursuant to an Order in Council dated as of ■ (the "**OIC**"), the Lieutenant Governor in Council has, among other things, authorized the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to enter into one or more agreements to guarantee or indemnify the debts, obligations, securities or undertakings of one or more financing entities established or caused to be established pursuant to Subsection 22(2) of the Act by the FSM and that may incur Funding Obligations in connection with one or more Investment Interests.

Pursuant to a Declaration of Trust[3] dated as of ■, 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

The Financing Entity Trustee, in its capacity as trustee of the Financing Entity, and the Indenture Trustee are parties to the Trust Indenture and propose to create and issue series of notes, bonds and other securities as contemplated therein, and to provide security over the assets and undertaking of the Financing Entity in respect of such notes, bonds and securities, as well as other Obligations Secured.

The Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, have determined to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Obligations Secured that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions at the time the Approved Obligation is incurred or amended. This Agreement sets out the terms and conditions of such protections and assurances.

[2] Province needs the Trust as a party to be assured of its rights of subrogation, step-in, etc.

[3] Torys to confirm that Trust is a "financing entity" under OFHPA. Under definition, FSM to establish or cause to be established. DofT indicates Computershare declares trust. Need to have this confirmed for purposes of authority under OFHPA 5(3), among other things.

All things necessary to make this Agreement a valid and legally binding agreement of the Province, the Financing Entity, the FSM and the Indenture Trustee, in accordance with the Act, the OIC and the Trust Indenture, have been done.

AGREEMENT OF THE PARTIES

In consideration of the respective agreements herein contained, the parties hereto covenant and agree as follows:

1.05 Province Retains Rights of Beneficiaries

Without limiting any rights of subrogation or succession that arise pursuant to applicable law or pursuant to the Province's rights as an assignee, subrogee or pursuant to Section 2.01 or

[4] With respect to the possibility of unsanctioned amendments, the OPG proposal would allow amendments to be made in favour of bondholders to permit individual bondholders to sue the Province under this agreement. This is one circumstance that demonstrates why the Province needs the right to know about and consider all underlying amendments.

Section 5.01, all of the rights, interests, elections and privileges that would arise in favour of a Beneficiary under the Trust Indenture or other Funding Obligation Agreement under which a related Primary Obligation arises shall automatically arise, vest in and be available to the Province to the extent of the performance by the Province of the Primary Obligation.

1.08 Severability

Each of the provisions contained in this Agreement is distinct and severable and a declaration of invalidity or unenforceability of any such provision or part thereof by a court of competent jurisdiction will not affect the validity or enforceability of any other provision hereof. To the extent permitted by applicable law, the parties waive any provision of law which renders any provision of this Agreement invalid or unenforceable in any respect. [**The parties will engage in good faith negotiations to replace any provision which is declared invalid or unenforceable with a valid and enforceable provision, the economic effect of which comes as close as possible to that of the invalid or unenforceable provision which it replaces.**] [**NTD: this is unusual. Why is it necessary in this Agreement?**]

1.09 Governing Law

THIS AGREEMENT WILL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE PROVINCE OF ONTARIO AND THE FEDERAL LAWS OF CANADA APPLICABLE THEREIN, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

1.15 Waiver, Amendment

Except as expressly provided in this Agreement, no amendment or waiver of this Agreement will be binding unless executed in writing by the party to be bound thereby. No waiver of any provision of this Agreement will constitute a waiver of any other provision nor will any waiver of any provision of this Agreement constitute a continuing waiver unless otherwise expressly provided. A party's failure or delay in exercising any right under this Agreement will not operate as a waiver of that right. A single or partial exercise of any right will not preclude a party from any other or further exercise of that right or the exercise of any other right.

1.16 Interest Act

For the purpose of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest to which any rate of interest payable under this Agreement that is calculated on any basis other than a full calendar year is equivalent may be determined by multiplying such rate by a fraction, the numerator of which is the actual number of days in the calendar year in which such yearly rate of interest is to be ascertained and the denominator of which is the number of days comprising such other basis. The parties further agree that for the purposes of the *Interest Act* (Canada), (i) the principle of deemed reinvestment of interest shall not apply to any interest calculation under this Agreement, and (ii) the rates of interest stipulated in this Agreement are intended to be nominal rates and not effective rates or yields.

1.17 Currency

Unless stated otherwise, all amounts herein are stated in Canadian Dollars.

1.18 References to Acts of the Financing Entity

For greater certainty, where any reference is made in this Agreement, or in any other instrument executed pursuant hereto or contemplated hereby to which the Financing Entity or the Financing Entity Trustee, as trustee of the Financing Entity, is party, to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or release to be provided by, a suit or proceeding to be taken by or against, or a covenant, representation or warranty (other than relating to the constitution or existence of the Financing Entity) by or with respect to (i) the Financing Entity or (ii) the Financing Entity Trustee, such reference shall be construed and applied for all purposes as if it referred to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or release to be provided by, a suit or proceeding to be taken by or against or a covenant, representation or warranty (other than relating to the constitution or existence of the Financing Entity) by or with respect to, the Financing Entity Trustee as trustee of the Financing Entity.

1.19 Judgment Currency

(a) If for the purpose of obtaining judgment in any court or for any other purposes (other than conversions specifically provided for in the agreement under which an Approved Obligation arises), it is necessary to convert any amount due under this Agreement from the currency in which it is due (the "**Original Currency**") into another currency (the "**Second Currency**"), the rate of exchange applied shall be that at which, in accordance with normal banking procedures, the purchaser could purchase, in the New York foreign exchange market, the Original Currency with the Second Currency on the date on which judgment is given. The obligation of the Province in respect of any Original Currency due from it to the Indenture Trustee under this Agreement shall, notwithstanding any judgment or payment in such other currency, be discharged only to the extent that, on the Business Day following receipt of any sum so paid or adjudged to be due under this Agreement in the Second Currency, the Indenture Trustee may, in accordance with normal banking procedures, purchase in the New York foreign exchange market the Original Currency with the amount of the Second Currency so paid or so adjudged to be due; and if the amount of the Original Currency so purchased is less than the amount originally due in the Original Currency, the Province shall indemnify the Indenture Trustee against such loss.

(b) The term "rate of exchange" in this Section 1.19 means the spot rate at which the Indenture Trustee, in accordance with normal practice, is able on the relevant date to purchase the Original Currency with the Second Currency and includes any premium and costs of exchange payable in connection with such purchase.

ARTICLE II
AGREEMENT TO PERFORM APPROVED OBLIGATIONS

2.01 Limited Guarantee

(a) Upon the occurrence of a Protection Event, the Indenture Trustee may deliver a written demand, substantially in the form attached as Exhibit A (a "**Payment Demand**"), to the Province requiring the Province to make payments in respect of the Approved Obligations at the times, in the amounts and subject to the requirements specified in this Agreement. From and after such delivery of a Payment Demand, the Province shall make the following payments in respect of the Approved Obligations (the "**Limited Guarantee**"), and the Financing Entity shall pay, and the Province shall be entitled to be paid, the Subrogation Amounts specified below, on the specified Payment Date:

i. Not less than [3] Business Days prior to each day when any payment or payments are to be made in respect of one or more Approved Obligations occurring after such delivery of a Payment Demand and prior to the Assumption Effective Date (a "**Guarantee Payment Date**")[5], if any, the Manager shall deliver a written statement, substantially in the form attached as Exhibit A.1 (a "**Guarantor Settlement Statement**") setting forth the Aggregate Approved Obligations Amount, if any, in respect of the Approved Obligations that are due and payable on such Guarantee Payment Date, together with a detailed description identifying such Approved Obligations and the nature and amount of payments due and payable thereunder on the Guarantee Payment Date.

ii. On each such Guarantee Payment Date, the Province shall pay the Aggregate Approved Obligations Amount to the Indenture Trustee and the Indenture Trustee shall deposit such amount to the Protection Account.

iii. On each such Guarantee Payment Date, the Indenture Trustee shall apply all amounts on deposit in the Protection Account to pay each Beneficiary to whom an amount is due and payable under an Approved Obligation on the Guarantee Payment Date the Approved Obligation Amount for such Beneficiary in respect of such Approved Obligation on such Guarantee Payment Date; provided that if the amount deposited pursuant to clause 2.01(a)ii is insufficient to pay all such Approved Obligation Amounts in full, the amount on deposit in the Protection Account on the Guarantee Payment Date shall be applied to pay Beneficiaries in the order of priority in which such Approved Obligations are payable under the payment

[5] PM: Interest Payment Dates and Principal Payment Dates are set in the supplements. While the present intention is to set them on Payment Dates, there is no guarantee that will always be the case.

provisions of the Trust Indenture applicable to the making of such payments on the Guarantee Payment Date (each, a "**Beneficiary Payee**")[6].

iv. On any Guarantee Payment Date on which an amount is paid by the Province pursuant to clause 2.01(a)ii, the applicable payment provisions of the Trust Indenture shall, notwithstanding the express terms of such provisions set forth in the Trust Indenture, be applied and operate on the following basis:

(i) the amount payable to a Beneficiary Payee in respect of an Approved Obligation from amounts available under such payment provisions on such Guarantee Payment Date shall be reduced by the amount paid to the Beneficiary Payee pursuant to clause 2.01(a)iii in respect of such Approved Obligation on such Guarantee Payment Date;

(ii) the Province shall be paid the amount by which (x) the amount payable to a Beneficiary Payee in respect of an Approved Obligation from amounts available to pay the Beneficiary Payee under such payment provisions on the Guarantee Payment Date, determined without regard to subclause 2.01(a)iv(i), exceeds the amount paid to the Beneficiary Payee pursuant to clause 2.01(a)iii in respect of such Approved Obligation on the Guarantee Payment Date (such payments to the Province being "**Subrogation Amounts**"); and

(iii) no Beneficiary having a right to be paid an amount in respect of an Approved Obligation that ranks equal with or subordinate to an Approved Obligation in respect of which an amount is payable to the Province under subclause 2.01(a)iv(ii) shall be entitled to make any claim or assert any right in or to the amounts paid or payable to the Province under such subclause (including any right or reimbursement, contribution or indemnity) and no such Beneficiary shall have any right or interest in, to or under the Collateral or any proceeds therefrom in respect of such amounts.

v. On any Guarantee Payment Date, the Indenture Trustee shall release and pay to the Province free and clear of any Liens any amount remaining on deposit in the Protection Account that has not been applied to pay Beneficiary Payees on the Guarantee Payment Date in accordance with clause 2.01(a)iii.

vi. In preparing any payment instructions under the Trust Indenture, the Manager shall reflect the amounts payable for the Guarantee Payment Date under Section 2.01(a).

[6] For example, the effect of this is that senior notes will receive cash earmarked for sub notes based on the scheduled amounts payable for sub notes. Confirm that is the intention.

(b) The Province shall, as a payee of Subrogation Amounts and any amounts payable under clause 2.01(a)v, be a "Specified Creditor" under the Trust Indenture and have the benefit of the Collateral thereunder.

(c) For greater certainty, the Limited Guarantee will not apply to any amount or obligation of the Financing Entity that is not or does not arise under an Approved Obligation and will be limited to the right to receive the Approved Obligation Amounts, if any, and will be subject to the priorities and to the Province's rights to Subrogation Amounts, set forth in Section 2.01(a).

(d) Except as expressly provided in this Agreement, the Province's obligation to provide and perform the Limited Guarantee shall be irrevocable, absolute and unconditional.

(e) Any amount payable by the Province under the Limited Guarantee in respect of an Approved Obligation that is not paid by the Province when required herein shall bear interest from the applicable due date until paid in full at the rate or rates expressed to be payable on the Approved Obligation.

(f) The right to deliver a Payment Demand and thereupon enforce the Limited Guarantee shall constitute the only remedy available to the Indenture Trustee (and to the Beneficiaries, to the extent they are permitted to exercise any rights, interests, or elections under in accordance with the Trust Indenture) under this Agreement. Under no circumstances shall the Province be obligated to pay or indemnify the Indenture Trustee or any Beneficiary for consequential, special or punitive damages, or for economic loss or loss of profits; provided that, for greater certainty, economic loss shall not include any amount in respect of any amount due and payable to a Beneficiary Payee under the Limited Guarantee.

2.02 Intentionally Deleted.

2.03 Absence of Set-off

Subject to applicable law, the Province acknowledges and agrees that each payment to be made by the Province hereunder in respect of an Approved Obligation shall be made as required in whole, without application of any right of set-off and without regard to any equities as between or among any of the Province, the Beneficiaries and/or the Indenture Trustee.

2.04 Payment into Protection Account[7] in Satisfaction

(a) On or before the date of delivery of a Payment Demand to the Province, the Indenture Trustee shall cause to be established and maintained an Eligible Deposit Account (the "**Protection Account**") in the name of the Indenture Trustee, bearing a designation clearly indicating that the funds and other property credited thereto are held for the benefit of the Indenture Trustee and the Beneficiaries. The

[7] Use of Protection Account to be considered by Province after required modifications to Trust Indenture have been provided.

Protection Account shall be under the control of the Indenture Trustee for the benefit of the Beneficiaries. If, at any time, the institution holding the Protection Account ceases to be an Eligible Institution, the FSM shall notify the Indenture Trustee, and the Indenture Trustee upon being notified in writing of such ineligibility (or the FSM on its behalf) shall within 30 days (or such longer period, not to exceed 45 days, so long as the Rating Agency Condition is satisfied) establish a new Protection Account that is an Eligible Deposit Account and shall transfer any funds or other property from such Protection Account to such new Protection Account. From the date each such new Protection Account is established, it shall be the "Protection Account" for purposes of this Agreement. Funds credited to the Protection Account will be invested and held in accordance with Section 7.03 of the Trust Indenture on the basis that it is an Issuer Account.

(b) Notwithstanding the priority of payment requirements set forth in the Trust Indenture and any legal rule concerning the imputation of payments, the [Indenture Trustee][8] shall apply all amounts paid by the Province into the Protection Account on a Guarantee Payment Date in respect of an Approved Obligation to pay the amounts due and payable to the Beneficiaries as and to the extent provided for in Section 2.01(a)[9]. Upon a payment having been made by or on behalf of the Province into the Protection Account, the amounts so paid shall for all purposes be considered to have been applied to pay the applicable Beneficiaries as provided for in Section 2.01(a) and thereby reduce the amount due and payable to such Beneficiaries in respect of the applicable Approved Obligations, whereupon an affected Beneficiary shall have no continuing rights, interests or entitlements (including rights as a secured party) in respect of the Approved Obligation to the extent so paid[10]. For greater certainty, the obligations arising in respect of an applicable Approved Obligation shall not be reduced by such payment as the Province shall become entitled to be paid related Subrogation Amounts and the rights contemplated under Section 2.01(a) and Section 5.01 in relation to such continuing obligations.

2.05 Certain Waivers

The Province hereby waives:

(a) any requirement, and any right to require, that any power be exercised or any action be taken against the Financing Entity or any Collateral for any of the Approved Obligations;

[8] Conform.

[9] For example, amounts payable in respect of subnotes will not get the amounts payable to them based on scheduled payments since senior notes will preempt them under the acceleration waterfall.

[10] A corresponding provision needs to be added to the Trust Indenture and each other contract under which the Obligation Secured arises, so that the Beneficiaries are bound by these applications and the agreement of the Indenture Trustee under this Agreement.

(b) all notices which may be required by applicable law to preserve any rights against the Province hereunder, including any notice of default, demand, dishonour, presentment and protest;

(c) diligence; and

(d) any defence based upon, arising out of or in any way related to any claim that any election of remedies by the Beneficiaries impaired, reduced, released or extinguished any rights that the Province might otherwise have had against the Financing Entity or any other surety.

The Province agrees that each such waiver is made with full knowledge of its significance and consequences and if any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the maximum extent permitted by applicable law.

2.06 Additional Security

This Agreement shall be in addition to and without prejudice to any other security by whomsoever given, held at any time by the Indenture Trustee or for the benefit of any of the Beneficiaries.

2.07 Continuing Liability of the Province

The Approved Obligations shall be deemed not to have been paid, observed or performed, and the liability of the Province hereunder in respect thereof shall continue and not be discharged, to the extent that any payment, observance or performance thereof by the Financing Entity, or out of the proceeds of any Collateral, is recovered from or reimbursed by or for the account of any of the Beneficiaries for any reason, including a preference or fraudulent transfer or by virtue of any subordination (whether present or future or contractual or otherwise) of the Approved Obligations, whether such recovery or payment over is effected by any judgment, decree or order of any court or Governmental Authority, by any plan of reorganization or by settlement or compromise by any of the Beneficiaries (whether or not consented to by the Financing Entity or the Province) of any claim for any such recovery or payment over.

2.08 Continuance of the Limited Guarantee

Subject to Section 2.07, the Limited Guarantee shall continue in full force and effect until the indefeasible payment, observance and performance in full of the Approved Obligations, or until the Province is no longer required to provide and perform the Limited Guarantee in accordance with Section 6.03 or Section 8.02.

2.09 Modifications of Approved Obligations

The Province expressly authorizes the Indenture Trustee, at any time and from time to time, without notice and without affecting the liability of the Province hereunder, but subject to compliance with the requirements of the Program Agreements[11] and this Agreement, to:

(a) accept new, additional or replacement instruments, documents, agreements or security in connection with all or any part of the Approved Obligations;

(b) accept partial payments on the Approved Obligations; and

(c) waive, release, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, compromise, liquidate and enforce all or any part of the Approved Obligations and any security or guarantee therefor, and apply any such security and direct the order or manner of sale thereof as the Indenture Trustee (for the benefit of the Beneficiaries) in its discretion may determine.

ARTICLE III
THE INDENTURE TRUSTEE

3.01 The Indenture Trustee

This Agreement is made in favour of the Indenture Trustee in its capacity as trustee under the Trust Indenture. Accordingly, in the event of a new trustee being appointed under the Trust Indenture, such new trustee shall thereupon become and be the Indenture Trustee hereunder, but nevertheless, the Indenture Trustee shall forthwith assign, transfer and make over to the new trustee hereunder this Agreement. All provisions of the Trust Indenture for the protection of the Indenture Trustee or for facilitating the administration of the trusts or otherwise relating to the Indenture Trustee solely as to its holding of the rights thereunder shall apply *mutatis mutandis* to this Agreement and the Indenture Trustee's duties hereunder.

3.02 Acceptance of Trusts

The Indenture Trustee hereby accepts the trusts hereof and agrees to carry out and discharge the same unless and until a new trustee shall be appointed as contemplated in Section 3.01.

ARTICLE IV
APPROVED OBLIGATIONS

4.01 Approval Process

A Primary Obligation shall constitute an Approved Obligation if the Adherence Conditions applicable thereto have been satisfied at the time the Primary Obligation was incurred.

[11] The deletion of the earlier proviso in this draft is based on the understanding that the Province will receive adequate notices of these event under the Trust Indenture. OPG will agree not to allow any of these events without confirming to the Province under the Process Certificate that the changes are within the agreed scope of the Reviewed Documents, etc.

4.02 Adherence Conditions[12]

There shall be no Adherence Conditions applicable in relation to: (i) a Primary Obligation that is not a Funding Obligation or (ii) a Primary Obligation that (x) arises under a Derivative Agreement, or (x) is a Funding Obligation that does not provide for the advance of more than $■ to the Financing Entity. The following shall be the Adherence Conditions applicable in relation to a Primary Obligation that is a Funding Obligation that does provide for the advance of more than $■ to the Financing Entity:

(a) the Primary Obligation when incurred will be an Obligation Secured under the Trust Indenture; and

(b) either (x) OPG delivers an officer's certificate addressed to the Indenture Trustee, prior to the entering into of the related Funding Obligation Agreement, confirming that OPG has complied with its obligations to the Province in connection with the Primary Obligation, or (y) OPG has in fact complied with its obligations to the Province in connection with the Primary Obligation; and

(c) the Province has not provided a Suspension Notice to the Indenture Trustee, the FSM and the Financing Entity in accordance with the terms of this Agreement.

For greater certainty, satisfaction of the Adherence Conditions for any Funding Obligation shall be deemed satisfaction of the Adherence Conditions in respect of all principal, interest and other amounts owing under, or in respect of, the Funding Obligation and the related Funding Obligation Agreement as such agreement may be amended, restated, supplemented or otherwise modified from time to time.[13]

4.03 Evidence of Satisfaction

A closing certificate delivered in accordance with Section 4.02(b)(x) in connection with an incurrence of a Primary Obligation shall be determinative as to whether the applicable Adherence Conditions with respect thereto have been satisfied, notwithstanding that such certificate may include inaccuracies, be incomplete or otherwise be defective or deficient, and such closing certificate may be relied upon by any addressee as conclusive evidence of same.

[12] The current structure requiring satisfaction of the adherence conditions in the Protection Agreement impacts the marketability of the transaction and creates uncertainty for investors. Province/OPG/Dealers to discuss moving the adherence conditions to the Process Agreement while preserving Province's oversight of its obligations under the Protection Agreement.

[13] This language was added to track Section 2(2) of the regs and ensure that there is no obligation to satisfy the Adherence Conditions every time interest is incurred in respect of a Funding Obligation for which the Adherence Conditions have already been satisfied.

ARTICLE V
PROVINCE MATTERS

5.01 Assignment and Subrogation

(a) Upon paying an amount in respect of an Approved Obligation to or at the direction of the Indenture Trustee in satisfaction of the Limited Guarantee, the Province (in addition to and without prejudice to any rights it otherwise has in law or equity) shall be subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation to the extent of such payment, including (i) the right and entitlement to be paid and receive the related Subrogation Amounts, (ii) the benefits of the related Collateral and (iii) all proceeds therefrom. The Province shall have and be entitled to enforce all rights and interests (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)), under and in respect of such Approved Obligation to the extent of the payment by the Province in respect of the Approved Obligation as an absolute assignee of the applicable Beneficiary, with effect from and after the time of such payment, without any further requirement for notice to or acceptance by the Financing Entity of such absolute assignment and without any reduction, set-off or counterclaim on account of any amounts that may, at or after the time of payment, be or become owing by the Beneficiary to the Financing Entity and unaffected by any other rights or equities that arise thereafter as between the Beneficiary and the Financing Entity. The Indenture Trustee shall recognize the Province as being entitled to all of the rights, interests and entitlements of the Beneficiary (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)) in respect and to the extent of the Approved Obligation so paid, determined as of the time of payment, for all purposes under the Trust Indenture, and the Province shall be treated as a Specified Creditor in respect thereof for all purposes under the Trust Indenture and any other agreement under which the Approved Obligation arises.

(b) The Province (i) acknowledges and agrees in favour of the Indenture Trustee that, upon being subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation in accordance with Section 5.01(a), the Province, in its capacity as a Specified Creditor, will be subject to the provisions applicable to Specified Creditors under the Trust Indenture, including **[Section 7.11 (Payments Held in Trust), Section 8.12 (Limitation on Suits), Sections 7.04 and 8.13 (Payment Priorities), Section 8.14 (Limited Recourse) and Section 16.01 (No Petition) thereof]** and (ii) confirms that the Indenture Trustee shall send notices to the Province, in its capacity as a Specified Creditor, in accordance with Section 9.02.[14]

[14] Section to be updated to conform with section in the Trust Indenture once settled.

5.02 Priorities

For greater certainty, the rights, interests and entitlements of the Province as an assignee and subrogee of and with respect to an Approved Obligation shall rank equally with the rights, interests and entitlements of a Beneficiary to whom a Limited Guarantee payment is made in respect of, and to the extent of the payment made to satisfy, the Approved Obligation and the Province shall not be subject to postponement or subordination with respect thereto except to the extent of the priorities established in relation to the Approved Obligation under the Trust Indenture in the manner and to the extent contemplated in Section 2.01.

5.03 Province May Perform Other Program Agreement Covenants.[15]

If the Financing Entity fails to perform any covenant under any Program Agreement, the Province may (but, except as expressly provided for under this Agreement, shall not be obligated to) perform such covenant on behalf of the Financing Entity. If the Province performs such a covenant on behalf of the Financing Entity, all sums expended or advanced by the Province in so performing the covenant will bear interest at the rate of interest determined by the Province to reflect market terms and conditions for a borrowing made by the Province at the relevant time from the date of expenditure until repayment by the Financing Entity and will (together with such interest) be paid by the Financing Entity upon demand and will until paid form part of the Obligations Secured subject to Sections **[7.04 and 8.13]** of the Trust Indenture and constitute a Finance Amount.[16]

5.04 Representations and Warranties

The Province hereby represents and warrants that:

(a) the execution and delivery of, and the performance of its obligations under, this Agreement by the Province have been authorized by all necessary action on the part of the Province;

(b) the execution and delivery of, and the performance of its obligations under, this Agreement by the Province do not result in the violation of any applicable law; and

(c) this Agreement has been duly executed and delivered by the Province.

ARTICLE VI
NOTICE OF ASSUMPTION OF OBLIGATIONS SECURED

6.01 Delivery of Assumption Notice

Following the occurrence of a Protection Event, the Province may (but shall not be obligated to) provide notice (in the form of Exhibit B) to the Indenture Trustee that the Province has elected to assume the Financing Entity's obligations in respect of all Obligations Secured, as

[15] To be confirmed this covenant is only meant to apply following a Payment Demand? Note that once the Province exercises this right, ,the desired accounting treatment will be lost.

obligor and debtor (the "**Assumption Notice**"). The Assumption Notice shall specify the date on which the assignment and assumption of the Obligations Secured will be effective (the "**Assumption Closing Date**").

6.02 Cooperation to Implement the Assignment and Assumption

The Indenture Trustee, the FSM, the Financing Entity and the Province will cooperate and use best efforts to complete the assignment and assumption of the Obligations Secured by and from the Financing Entity to and by the Province, by the Assumption Closing Date.[17]

6.03 Effect of Assumption

On the date that the assignment and assumption of the Obligations Secured by and from the Financing Entity to and by the Province becomes effective (the "**Assumption Effective Date**"), the Province shall no longer be required to provide and perform the Limited Guarantee but will instead become a primary obligor under the Obligations Secured assumed pursuant to and in accordance with an applicable Assumption Agreement. For greater certainty, the obligations of the Province so assumed will not be secured obligations of the Province and the obligees thereof will have no right, interest or claim to or in respect of the Collateral or any proceeds therefrom. **[NTD: the forms of assumption agreement(s) need to be settled before this agreement is finalized.]**

6.04 Interim Period

Until the effective time of the assignment and assumption of the Obligations Secured by and from the Financing Entity to and by the Province on the Assumption Effective Date, the Province shall continue to perform and be obligated under the Limited Guarantee.

6.05 Rights in respect of the Assets Comprising the Collateral

Upon assuming the Financing Entity's obligations in respect of all Obligations Secured under Article VI, the Province (in addition to and without prejudice to any rights it otherwise has in law or equity) shall be subrogated and entitled to all of the Financing Entity's rights and interests under and in respect of the assets, property and undertaking comprising the Collateral and all proceeds therefrom, free and clear of any liens, encumbrances or restrictions arising under or as a result of the Trust Indenture. The Province shall have and be entitled to enforce all such rights and interests as an absolute assignee of the Financing Entity, with effect from and after the time of such assumption, without any further requirement for notice to or acceptance by the Financing Entity of such absolute assignment and without any reduction, set-off or counterclaim on account of any amounts that may, at or after the time of payment, be or become owing to the Financing Entity and unaffected by any other rights, interests or equities that arise thereafter in respect of the assets, property and undertaking comprising the Collateral as between the Beneficiaries and the Financing Entity. The Indenture Trustee and the Beneficiaries shall thereupon recognize the Province as the absolute owner of the assets, property and undertaking comprising the Collateral.

[17] Further details regarding obtaining of third party consents and rating agency approvals to be provided by OPG.

ARTICLE VII
INDENTURE TRUSTEE MATTERS

7.01 Limited Recourse

No recourse may be taken, directly or indirectly, with respect to the obligations of the Financing Entity under this Agreement, or any certificate or other writing delivered in connection herewith or therewith, against (a) the Financing Entity Trustee in its individual capacity, (b) any owner of a beneficial interest in the Financing Entity or (c) any partner, owner, beneficiary, agent, officer, director, employee or agent of the Financing Entity Trustee in its individual capacity, any holder of a beneficial interest in the Financing Entity or the Financing Entity Trustee or of any successor or assign of the Financing Entity Trustee in its individual capacity, except as any such Person may have expressly agreed (it being understood that the Financing Entity Trustee has no such obligations in its individual capacity).

7.02 Not Responsible for Recitals or Issuance of Notes

The recitals contained herein will be taken as the statements of the Province, the Financing Entity and the FSM, and the Indenture Trustee assumes no responsibility for their correctness. The Indenture Trustee makes no representations as to the validity or sufficiency of this Agreement.

7.03 Representations and Covenants of the Indenture Trustee

(a) the Indenture Trustee is a trust company organized, existing and in good standing under the laws of Canada;

(c) each of this Agreement and the other documents to which it is a party has been duly executed and delivered by the Indenture Trustee and constitutes its legal, valid and binding obligation in accordance with its terms; and

(d) the Indenture Trustee is authorized to carry on the business of a trust company in each of the provinces and territories of Canada.

ARTICLE VIII
SUSPENSION OF ADHERENCE FOR NEW PRIMARY OBLIGATIONS

8.01 Suspension Notice

A written notice in the form of Exhibit C (a "**Suspension Notice**") may be provided by the Province to the Indenture Trustee, the FSM and the Financing Entity following the Province becoming aware of the occurrence of a Program Breach.

[NTD: the concept of Breach Event has been removed from Protection Agreement and replaced by provisions in the Process Agreement providing that upon notice of a Breach Event to OPG in the Process Agreement, OPG will not be permitted to deliver the certificate required to satisfy the Adherence Conditions. This was done to cleanse the Protection Agreement of any references to the Process Agreement but leave the Province in the same position of being able to (indirectly) suspend application of the change of law agreement to future issuances upon a Breach Event.]

8.02 Suspension

If a Suspension Notice has been provided under Section 8.01 (the provision of such notice being a "**Suspension Event**"), the Limited Guarantee shall not apply in respect of any Obligation Secured incurred or amended on or after the time such Suspension Notice is delivered. For greater certainty, the rights of the Province under Article VI shall apply in respect of all Obligations Secured, including if incurred or amended on or after the time such Suspension Notice is delivered[18].

8.03 Termination Notice

On (a) the occurrence of a Suspension Event or (b) the Assumption Effective Date, the Province may provide to the Indenture Trustee, the FSM and the Financing Entity a notice in the form of Exhibit D (a "**Termination Notice**").

8.04 No Impact on Adherence

For greater certainty, the occurrence of Suspension Event or a failure by the FSM or the Financing Entity to perform its covenants under this Agreement will not invalidate or extinguish the obligations of the Province under the Limited Guarantee in respect of Approved Obligations in existence prior to the occurrence of the Suspension Event, nor will it in any way impact the Obligations Secured which are assumed by the Province in accordance with Article VI.

"**Approved Obligation Amount**" means, for a Beneficiary in respect of an Approved Obligation under which an amount is due and payable on a Guarantee Payment Date:

(a) if no Acceleration has occurred in respect of any Obligation Secured on or before the Guarantee Payment Date, the amount due and payable to the Beneficiary on such Guarantee Payment Date in respect of the Approved Obligation (for greater certainty, determined on the assumption that there are adequate amounts available under the applicable payment provisions of the Trust Indenture to pay in full all amounts referred to in such payment provisions that are due and payable on the Guarantee Payment Date); and

(b) if an Acceleration has occurred in respect of any Obligations Secured on or before the Guarantee Payment Date, the amount that would be available to be paid to the Beneficiary on such Guarantee Payment Date in respect of the Approved Obligation under the applicable payment provisions of the Trust Indenture, determined on the assumption that the amount available for allocation to Specified Creditors in accordance with the terms of the Trust Indenture in respect of each relevant month during each Reference Period from and after May, 2021 is equal to the Finance Amount in respect of such Reference Period divided by the number of months in such Reference Period.[20]

CHANGE OF LAW PROCESS AGREEMENT

Dated as of [■], 2017

This **CHANGE OF LAW PROCESS AGREEMENT**, between Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), and Ontario Power Generation Inc. ("**OPG**") is made and entered into as of [■], 2017.

RECITALS

OPG is appointed as the Financial Services Manager under Section 18 of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**").

Pursuant to Section 22(2) of the Act, OPG, in its capacity as the Financial Services Manager (the "**FSM**"), may establish or cause to be established one or more financing entities (as defined in the Act), which may incur Funding Obligations in accordance with the Act.[1]

Pursuant to a Declaration of Trust dated as of [■], 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

Concurrent with this Agreement, the Province, the FSM, the Financing Entity and the Indenture Trustee will enter into the Change of Law Protection Agreement under which the Province will agree to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Obligations Secured that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions.

Prior to entering into this Agreement, OPG provided the Province with copies of certain of the Transaction Documents, and the Province has confirmed by a notice delivered to OPG that the reviewed forms (as further described in such notice) shall be Reviewed Documentation for the purposes of this Agreement.[2]

This Agreement sets out the obligations OPG has agreed to perform and assurances OPG has agreed to provide and on which the Province will rely in entering into and implementing the Change of Law Protection Agreement, including for the purposes of determining whether the Adherence Conditions have been satisfied, maintaining information related to the Program Agreements and the Approved Obligations, and ensuring that the Province's assumption rights pursuant to Article VI of the Change of Law Protection Agreement may be exercised without impediment on the terms and conditions contemplated in this Agreement and the Change of Law Protection Agreement.

All things necessary to make this Agreement a valid and legally binding agreement of OPG and the Province, have been done.

---

[1] Blakes suggests that it be made clear in the Declaration of Trust that OPG is establishing the Trust. Blakes would appreciate the benefit of Torys analysis as to how the Trust is an "entity" under the OFHPA, as opposed to the trustee. Clearly OPG has not established Computershare. Blakes and Torys to discuss.

[2] Once agreements are settled, Province to provide draft notice.

1.09 Counterparts; Electronic Delivery

This Agreement may be executed in any number of counterparts, each of which so executed will be deemed to be an original, but all such counterparts will together constitute one and the same instrument. Delivery of an executed signature page to this Agreement by a party by electronic transmission will be as effective as delivery of a manually executed copy of the Agreement by such party.

1.10 Non-Business Days

Whenever any period of time would begin or end or any other action to be taken hereunder shall be stated to be required to be taken, on a day other than a Business Day, then (notwithstanding any other provision of this Agreement) such period of time shall begin or end, and such other action shall be taken on the next succeeding Business Day.

1.11 Waiver, Amendment

Except as expressly provided in this Agreement, no amendment or waiver of this Agreement will be binding unless executed in writing by the party to be bound thereby. No waiver of any provision of this Agreement will constitute a waiver of any other provision nor will any waiver of any provision of this Agreement constitute a continuing waiver unless otherwise expressly provided. A party's failure or delay in exercising any right under this Agreement will not operate as a waiver of that right. A single or partial exercise of any right will not preclude a party from any other or further exercise of that right or the exercise of any other right.

ARTICLE II

(a) Not less than [15 Business Days] , or such lesser period as the Province may agree to, prior to the initial issuance of any Funding Obligation by the Financing Entity, OPG shall deliver to the Province a copy of the initial Financing Plan. (d) Promptly following any incurrence of a Funding Obligation or any amendment of a Funding Obligation, OPG shall provide the Province with electronic copies of all related Governing Documents and all other closing documents executed by or on behalf of the Financing Entity in connection with such incurrence or amendment that would affect the Financing Entity's assets or obligations (including, for greater certainty, any related Disclosure Document) and which have not been previously provided to the Province.

(e) Promptly upon request, OPG shall provide the Province with such additional information and documentation as the Province reasonably requests in order to enable the Province to assess the nature and extent of its obligations under the Change of Law Protection Agreement.

2.02 Covenants

(A) amend, supplement, modify, restate or replace or waive or consent to a postponement of compliance with the terms and conditions on the part of any other party to any of the Program Agreements, if any such supplementation, amendment, modification, restatement or replacement or waiver or consent could reasonably be considered to be materially prejudicial to the rights or interests of the Province under the Change of Law Protection Agreement; provided, however, that the foregoing does not apply to any change in particular financial terms, rates and levels; or

(B) [4]

(C) permit the validity or effectiveness of the Change of Law Protection Agreement to be impaired.

(i) comply, and shall use commercially reasonable efforts to cause compliance by the Financing Entity, with the Act, the General Regulation and any other enactment related thereto;

(d) Nothing in this Agreement nor in the Change of Law Protection Agreement shall limit the obligations of the Province under the Indemnity Agreement by the Province in favour of OPG dated June 1, 2017 (as amended, the "**Indemnity Agreement**") and to the extent of any conflict between this Agreement, the Change of Law Protection Agreement and such Indemnity Agreement, in respect of any matter relating to the Province's obligations to indemnify OPG, the Indemnity Agreement shall prevail.

ARTICLE III
PROCESS CERTIFICATE

3.01 Process Certificate[6]

OPG shall deliver a certificate (the "**Process Certificate**"), signed by the Chief Financial Officer and the Treasurer of OPG (or their respective designees, provided that such designees are also executive officers of OPG) and addressed to the Province, on the earlier of (i) one Business Day prior to the incurrence or any amendment of a Funding Obligation[7] (other than a Funding Obligation that (x) arises under a Derivative Agreement, or (y) is a Funding Obligation that does not provide for the advance of more than $■ to the Financing Entity), and (ii) on the Business Day on which the financial terms of such Funding Obligation are definitively determined (including the interest or discount rate applicable to any notes, bonds or other securities), setting out the following with respect to such Funding Obligation:[8]

(a) the material terms of the Funding Obligation pertaining to (i) in the case of notes, bonds or other securities, the principal amount, interest or discount rate, third party fees, term to maturity, amortization, redemption or extension features,

[5] Given that delivery of a Payment Demand is the trigger for the Limited Guarantee, the delivery of the Payment Demand is the more appropriate milestone.

[6] The current structure requiring satisfaction of the adherence conditions in the Protection Agreement impacts the marketability of the transaction and creates uncertainty for investors. Province/OPG/Dealers to discuss moving the adherence conditions to the Process Agreement while preserving Province's oversight of its obligations under the Protection Agreement.

[7] OPG/Province to discuss circumstances in which a certificate will be required under this Section.

[8] Note to Province: We have revised this section so as to allow the Process Agreement to be cleansed from the Change of Law Protection Agreement. In addition to all the deliverables under section 2.01 of this Agreement, the Province will receive the certifications in section 3.01 in the case of an incurrence of funding obligations and an amendment to funding obligations.

structure and coupon frequency, as applicable, and (ii) in the case of a Derivative Agreement, the notional amount, financial terms and pricing, benchmarks, payment structures and early termination rights;

(b) if an existing Funding Obligation is proposed to be amended, material details respecting such amendment, including regarding the applicable details set forth in Subsection 3.01(a), as the context requires;

(c) a statement to the effect that: (i) the Funding Obligation to be incurred or amended (1) will arise under terms and conditions that are Substantially in the Form of the Reviewed Documentation applicable thereto; (2) in the opinion of the signatories to the Process Certificate, are reasonably incurred or effected in compliance with the Act, the General Regulation, any other enactments related thereto and the applicable Financing Plan; (3) are of a type and are on terms that a reasonably prudent financial services manager would incur in similar circumstances; and (4) reflect, in all material respects, arm's length terms and conditions; and (ii) any Disclosure Document used in connection with the offering and sale of notes, bonds or other securities is Substantially in the Form of the Reviewed Documentation;

(d) a statement confirming that any disclosure made in respect of the Funding Obligation (including any Disclosure Document, press release or other written communication prepared for dissemination to third parties in relation to the Funding Obligation) that refers to or describes the terms, effect or adherence of or to this Agreement or the Change of Law Protection Agreement has been made available for review to the Province prior to use or dissemination, other than where such disclosure was substantially the same as a disclosure previously made;

(e) a statement that no Breach Event has occurred on or prior to the date of the Process Certificate, unless such Breach Event has been waived by the Province in writing; and[9]

(f) confirmation that, at the time the Funding Obligation is incurred or amended, the maximum aggregate payment amounts due or becoming due in the future in respect of Repayments under the Funding Obligation, together with all other outstanding amounts due or becoming due in the future in respect of Repayments under all Approved Obligations, do not and will not exceed the Protection Agreement Maximum; for clarity, Repayments under Obligations Secured owing in currencies other than Canadian dollars will be determined on the date the Process Certificate is delivered hereunder in accordance with the following:

(i) where a Derivative Agreement has been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the hedged value expressed in Canadian dollars; and

[9] We have cleansed the Protection Agreement of the concept of the Process Agreement and the related concept of the Breach Event. The process certificate already contemplates that a breach event has not occurred at the time of delivery of the certificate but we have also provided the added comfort of the covenant below in section 3.02.

(ii) where a Derivative Agreement has not been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the noon spot rate for conversions of any currencies into Canadian dollars.

3.02 Acknowledgement

The Province acknowledges and agrees that, concurrent with the delivery of the Process Certificate pursuant to Section 3.01 of this Agreement, any two senior officers of OPG are authorized to deliver the certificate referred to in Subsection 4.02(b) of the Change of Law Protection Agreement to the Indenture Trustee confirming that OPG has complied with its obligations to the Province in connection with the incurrence of the Funding Obligations in respect of which such certificate is delivered; provided that, upon receipt of a Breach Event Suspension Notice, OPG covenants not to deliver the certificate referred to in Subsection 4.02(b) of the Change of Law Protection Agreement to the Indenture Trustee. [10]

3.03 Meaning of "Reviewed Documentation"

For the purposes of Subsection 3.01(c), the term "Reviewed Documentation" shall mean each Transaction Document (including any change, addition or supplement thereto) that, at the relevant time:

(b) is a Transaction Document provided to the Province in accordance with Subsection 2.01(b) that has been accepted by the Province, as confirmed by way of a written notice of acceptance from the Province delivered to OPG.

3.04 Meaning of "Substantially in the Form"

For the purposes of Subsection 3.01(c), the term "Substantially in the Form" shall mean:

(a) with respect to the Reviewed Documentation referred to in clauses (i) to (xi) of the definition of "Transaction Documents", that there are no differences between the proposed documents and such Reviewed Documentation that could result in a change in the material terms or conditions applicable to the applicable Primary Obligation, including regarding the timing of or circumstances under which related payments are or may become due or accrue (including as a result of any default, acceleration, termination, wind-up, liquidation or realization), or that would affect the Province's rights of subrogation or assignment (including pursuant to **[Section 5.01 or Article VI]** of the Change of Law Protection Agreement) or its interests as a subrogee or an assignee, that would arise as a result of performing the Limited Guarantee in respect of the applicable Primary Obligation or upon the assumption of obligations in accordance with **[Article VI]**

[1010] OPG needs the authority to provide this certification.

of the Change of Law Protection Agreement; provided, however, that the foregoing does not apply to any variable terms to be set forth in the proposed documents as are reasonably contemplated in the Reviewed Documentation, including the particular financial terms, rates and levels set forth in the proposed documents other than to the extent that the forms of Reviewed Documentation themselves specify specific requirements, limitations or parameters with respect to such financial terms, rates, levels and parameters; and

(b) with respect to the Reviewed Documentation referred to in clause (xii) of the definition of "Transaction Documents", that there are no material differences between the form and substance of the proposed Disclosure Document and such form of Disclosure Document and that the proposed Disclosure Document complies in all material respects with all applicable securities disclosure requirements relating to the Primary Obligation subject to distribution thereunder.

ARTICLE IV

(b) Not more than 10 Business Days, or such lesser period as the Province may agree to, following receipt of the Initial Forecast and notice of the initial Protection Agreement Maximum from OPG pursuant to Section 4.01(a), the Province may disagree with the Initial Forecast and the initial Protection Agreement Maximum on the basis that (i) there appears to be inaccuracies in the Financing Plan or the Initial Forecast, (ii) the Initial Forecast is inconsistent with the Financing Plan, or (iii) the initial Protection Agreement Maximum is not less than the Initial Forecast. If the Province disagrees, OPG shall discuss any discrepancies with the Province, address any inaccuracies and inconsistencies to the reasonable satisfaction of the Province and OPG,[11] and the initial Protection Agreement Maximum will be revised accordingly and confirmed by an amended notice to the Province.

(c) Between nine (9) and twelve (12) months prior to the end of the Initial Forecast Period, OPG shall, as the FSM, deliver to the Province an updated forecast setting

Such updated forecast shall be further updated on a similar basis with respect to each successive 24 month period or more frequently if at any time OPG has knowledge that the most recent forecast is materially inaccurate (the Initial Forecast and each such updated forecast, each a "**Forecast**"). Together with each Forecast, OPG shall also provide a revised Protection Agreement Maximum, which may not exceed such Forecast.

(d) Not more than 10 Business Days, or such lesser period as the Province may agree to, following receipt of any further Forecast and notice of the revised Protection Agreement Maximum from OPG pursuant to Section 4.01(c), the Province may disagree with such further Forecast or revised Protection Agreement Maximum on the basis that (i) there appears to be inaccuracies in the Financing Plan or such further Forecast, (ii) the further Forecast is inconsistent with the Financing Plan, or (iii) the revised Protection Agreement Maximum is not less than the further Forecast. If the Province disagrees, OPG shall discuss any discrepancies with the Province, address any inaccuracies and inconsistencies to the reasonable satisfaction of the Province and OPG,[12] and the revised Protection Agreement Maximum will be further revised accordingly and confirmed by an amended notice to the Province.

(e) For clarity, Repayments under Obligations Secured owing in currencies other than Canadian dollars will be valued at the time to be determined for the purposes of this Section 4.01 in accordance with the following:

(i) where a Derivative Agreement has been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the hedged value expressed in Canadian dollars; and

(ii) where a Derivative Agreement has not been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the noon spot rate for conversions of any currencies into Canadian dollars.

PROCESS FOR ELECTION TO ASSUME APPROVED OBLIGATIONS[13]

6.01 Election by the Province

Prior to determining whether or not to exercise its election, the Province may deliver to OPG a notice in the form of Exhibit A (an "**Election Information Notice**"). The Election Information Notice shall, among other things,

specify the date on which the Province proposes to assume the Obligations Secured, which date shall be no earlier than 20 Business Days following delivery of the Election Information Notice to OPG (the "**Proposed Assumption Date**").

6.02 Details regarding Obligations Secured

Promptly following the delivery of the Election Information Notice to OPG, OPG shall provide the following information and documentation to the Province:

(a) a summary of the amounts that will be owing under all Obligations Secured as of the Proposed Assumption Date, together with a detailed schedule setting out the dates on which such amounts will become due and payable under the Obligations Secured;

(b) a summary of the rights arising under the Obligations Secured that permit the Financing Entity to assign the Obligations Secured to the Province, including details regarding any conditions precedent to such assignment and the related assumption becoming effective and any notices, filings, consents or other actions that will be required in order to implement and effect such assignment and assumption;

(c) current versions of all documentation under which the Obligations Secured arise;

(d) copies of all correspondence exchanged between OPG, as the FSM, or the Financing Entity, on the one hand, and any Specified Creditor, Rating Agency or the Indenture Trustee, on the other hand, in each case that may reasonably be considered to be material to the assumption and performance of the Obligations Secured by the Province; and

(e) all income tax returns and assessments, financial statements and notices of proceedings of or pertaining to the Financing Entity or its business and any documentation related thereto, including any pleadings, appeals, objections, qualifications or other similar materials in respect of the Financing Entity or any Program Agreement.

6.03 Settlement of Terms

Following receipt and review by the Province of the information and documentation to be provided under Section 6.02, the Province shall confirm in writing whether or not it expects to proceed with the assignment and assumption of the Obligations Secured and, if it will be proceeding with the assignment and assumption, the date on which the Province expects that assignment and assumption will be effected. If it will be proceeding with such assignment and assumption, the Province will deliver an Assumption Notice as contemplated under Section 6.01 of the Change of Law Protection Agreement. A decision not to proceed with an election at any time will not limit the Province from proceeding with an election at a later date, including by issuing a further Election Information Notice and Article VI of this Agreement shall continues to apply unaffected.

6.04 Cooperation to Implement the Assignment and Assumption

OPG shall cooperate with the Province and, as FSM, will use commercially reasonable efforts to cause the Financing Entity to cooperate, and shall use its commercially reasonable efforts, to complete the assignment and assumption of the Obligations Secured by and from the Financing Entity to and by the Province, by the applicable Assumption Closing Date.

6.05 Terms of Obligations Secured

In order to permit the Province to assume the Obligations Secured in the circumstances contemplated herein, OPG, as FSM, shall cause the Financing Entity to use commercially reasonable efforts to ensure that all Obligations Secured permit such an assignment to and assumption by the Province substantially in accordance with the terms and on the basis contemplated in the Assumption Agreement, without any penalty or make-whole payment, or any requirement for further consent, approval or agreement, or alternatively, in the case of any Obligations Secured entered into by or on behalf of the Financing Entity for the provision of on-going services to the Financing Entity permitting the satisfaction and termination of such Obligations Secured on or prior to the effective time of such assumption without any acceleration of future fees, profits or other like amounts, other than to the extent of payment obligations arise under market standard mark-to-market payment terms and conditions included on a commercially reasonable basis under a Derivative Agreement.[14]

[14] The Trust Indenture will need to be revised to ensure that the Province's assignment and assumption right is fully contemplated and may be implemented without any requirement for further Specified Creditor or other third party consents. Among other changes, it is contemplated that Torys will add the following to the MTI to address this requirement: (i) Specified Creditors will be required to acknowledge the rights of the Province to assume the Obligations Secured on the basis contemplated in the form of assumption agreement, and (ii) the Indenture Trustee will be permitted to enter into and give effect to the global Assumption Agreement without the consent of Specified Creditors or any other third parties.

(c) OPG is no longer the Manager or actions have been taken by or on behalf of the Indenture Trustee to remove OPG as the Manager.

7.02 Notice on Breach Event

If any Breach Event shall have occurred and not been waived in writing by the Province, the Province shall have the right at its option, and in addition to and not in substitution for any other remedies available hereunder at law or equity, to provide a written notice in the form of Exhibit ■ (a "Breach Event Suspension Notice") to OPG.

Rima, Krista, Nina and Michael,

Here are drafts of the Change of Law Protection Agreement and Change of Law Process Agreement. Please note that while various people at the Province have provided considerable thought and input into these drafts, they remain subject to on-going review, comment and consideration (including where indicated in the drafts) by the Province, and of course remain subject to ultimate consideration and approval by the Ministers. This circulation is for discussion purposes only. Please feel free to circulate these drafts to OPG, E&Y, Osler and the Dealers, reflecting that understanding.

We propose that a consolidated mark-up be prepared that reflects all of the issues that you or those others may have, and ideally reflects input from the rating agencies. Once that mark-up is available, we propose that a meeting of interested parties be held to resolve any outstanding issues.

In the meantime, please feel free to call Malle, Toby, Tom, Alena or me if you have questions or concerns.

Regards, Steve

Draft: November 17, 2017

HER MAJESTY THE QUEEN IN RIGHT OF ONTARIO, AS REPRESENTED BY THE MINISTER OF ENERGY AND THE MINISTER OF FINANCE

AND

ONTARIO POWER GENERATION INC.

CHANGE OF LAW PROCESS AGREEMENT

Dated as of [■], 2017

This **CHANGE OF LAW PROCESS AGREEMENT**, between Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), and Ontario Power Generation Inc. ("**OPG**") is made and entered into as of [■], 2017.

RECITALS

OPG is appointed as the Financial Services Manager under Section 18 of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**").

Pursuant to Section 22(2) of the Act, OPG, in its capacity as the Financial Services Manager (the "**FSM**"), may establish or cause to be established one or more financing entities (as defined in the Act), which may incur Funding Obligations in accordance with the Act.[1]

Pursuant to a Declaration of Trust dated as of [■], 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

Concurrent with this Agreement, the Province, the FSM, the Financing Entity and the Indenture Trustee will enter into the Change of Law Protection Agreement under which the Province will agree to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Obligations Secured that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions.

Prior to entering into this Agreement, OPG provided the Province with copies of certain of the Transaction Documents, and the Province has confirmed by a notice delivered to OPG that the reviewed forms (as further described in such notice) shall be Reviewed Documentation for the purposes of this Agreement.[2]

This Agreement sets out the obligations OPG has agreed to perform and assurances OPG has agreed to provide and on which the Province will rely in entering into and implementing the Change of Law Protection Agreement, including for the purposes of determining whether the Adherence Conditions have been satisfied, maintaining information related to the Program Agreements and the Approved Obligations, and ensuring that the Province's assumption rights pursuant to Article VI of the Change of Law Protection Agreement may be exercised without impediment on the terms and conditions contemplated in this Agreement and the Change of Law Protection Agreement.

All things necessary to make this Agreement a valid and legally binding agreement of OPG and the Province, have been done.

[1] Blakes suggests that it be made clear in the Declaration of Trust that OPG is establishing the Trust. Blakes would appreciate the benefit of Torys analysis as to how the Trust is an "entity" under the OFHPA, as opposed to the trustee. Clearly OPG has not established Computershare.

(f) confirmation that, at the time the Funding Obligation is incurred or amended, the maximum aggregate payment amounts due or becoming due in the future in respect of Repayments under the Funding Obligation, together with all other outstanding amounts due or becoming due in the future in respect of Repayments under all Approved Obligations, do not and will not exceed the Protection Agreement Maximum; for clarity, Repayments under Obligations Secured owing in currencies other than Canadian dollars will be determined on the date the Process Certificate is delivered hereunder in accordance with the following:

(i) where a Derivative Agreement has been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the hedged value expressed in Canadian dollars; and

(ii) where a Derivative Agreement has not been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the noon spot rate for conversions of any currencies into Canadian dollars.

3.02 Intentionally Deleted

3.03 Meaning of "Reviewed Documentation"

For the purposes of Subsection 3.01(c), the term "Reviewed Documentation" shall mean each Transaction Document (including any change, addition or supplement thereto) that, at the relevant time:

(a) is a Transaction Document provided to the Province prior to the making of this Agreement and in respect of which the notice contemplated in the fifth recital to this Agreement has been delivered by the Province to OPG; or

(b) is a Transaction Document provided to the Province in accordance with Subsection 2.01(b) that has been accepted by the Province, as confirmed by way of a written notice of acceptance from the Province delivered to OPG.

3.04 Meaning of "Substantially in the Form"

For the purposes of Subsection 3.01(c), the term "Substantially in the Form" shall mean:

(a) with respect to the Reviewed Documentation referred to in clauses (i) to (xi) of the definition of "Transaction Documents", that there are no differences between the proposed documents and such Reviewed Documentation that could result in a change in the material terms or conditions applicable to the applicable Primary Obligation, including regarding the timing of or circumstances under which related payments are or may become due or accrue (including as a result of any default, acceleration, termination, wind-up, liquidation or realization), or that would affect the Province's rights of subrogation or assignment (including pursuant to **[Section 5.01 or Article VI]** of the Change of Law Protection Agreement) or its interests as a subrogee or an assignee, that would arise as a result of performing the Limited Guarantee in respect of the applicable Primary Obligation or upon the assumption of obligations in accordance with **[Article VI]** of the Change of Law Protection Agreement; provided, however, that the foregoing does not apply to any variable terms to be set forth in the proposed documents as are reasonably contemplated in the Reviewed Documentation, including the particular financial terms, rates and levels set forth in the proposed documents other than to the extent that the forms of Reviewed Documentation themselves specify specific requirements, limitations or parameters with respect to such financial terms, rates, levels and parameters; and

(b) with respect to the Reviewed Documentation referred to in clause (xii) of the definition of "Transaction Documents", that there are no material differences between the form and substance of the proposed Disclosure Document and such form of Disclosure Document and that the proposed Disclosure Document complies in all material respects with all applicable securities disclosure requirements relating to the Primary Obligation subject to distribution thereunder.

ARTICLE IV
PROTECTION AGREEMENT MAXIMUM

4.01 Protection Agreement Maximum

(a) Not less than 15 Business Days prior to the proposed incurrence of the first Funding Obligation, OPG shall, as the FSM, deliver to the Province: (i) a forecast setting out OPG's expectations regarding the aggregate maximum amount of Repayments that would arise in the future under Approved Obligations to be incurred during the next following 24 month period (the "**Initial Forecast Period**"), which expectations shall be consistent with the Financing Plan (the

"**Initial Forecast**"); and (ii) notice of the initial Protection Agreement Maximum, which may not exceed the Initial Forecast.

(b) Not more than 10 Business Days following receipt of the Initial Forecast and notice of the initial Protection Agreement Maximum from OPG pursuant to Section 4.01(a), the Province may disagree with the Initial Forecast and the initial Protection Agreement Maximum on the basis that (i) there appears to be inaccuracies in the Financing Plan or the Initial Forecast, (ii) the Initial Forecast is inconsistent with the Financing Plan, or (iii) the initial Protection Agreement Maximum is not less than the Initial Forecast. If the Province disagrees, OPG shall discuss any discrepancies with the Province, address any inaccuracies and inconsistencies to the reasonable satisfaction of the Province, and the initial Protection Agreement Maximum will be revised accordingly and confirmed by an amended notice to the Province.

(c) Between nine (9) and twelve (12) months prior to the end of the Initial Forecast Period, OPG shall, as the FSM, deliver to the Province an updated forecast setting out the sum of (1) the aggregate amount of Repayments that will arise in the future under Approved Obligations that are then outstanding and (2) OPG's expectations regarding the aggregate maximum amount of Repayments that would arise in the future under Approved Obligations to be incurred during the period ending 24 months following the Initial Forecast Period, which expectation shall be consistent with the then applicable Financing Plan. Such updated forecast shall be further updated on a similar basis with respect to each successive 24 month period or more frequently if at any time OPG has knowledge that the most recent forecast is materially inaccurate (the Initial Forecast and each such updated forecast, each a "**Forecast**"). Together with each Forecast, OPG shall also provide a revised Protection Agreement Maximum, which may not exceed such Forecast.

(d) Not more than 10 Business Days following receipt of any further Forecast and notice of the revised Protection Agreement Maximum from OPG pursuant to Section 4.01(c), the Province may disagree with such further Forecast or revised Protection Agreement Maximum on the basis that (i) there appears to be inaccuracies in the Financing Plan or such further Forecast, (ii) the further Forecast is inconsistent with the Financing Plan, or (iii) the revised Protection Agreement Maximum is not less than the further Forecast. If the Province disagrees, OPG shall discuss any discrepancies with the Province, address any inaccuracies and inconsistencies to the reasonable satisfaction of the Province, and the revised Protection Agreement Maximum will be further revised accordingly and confirmed by an amended notice to the Province.

(e) For clarity, Repayments under Obligations Secured owing in currencies other than Canadian dollars will be valued at the time to be determined for the purposes of this Section 4.01 in accordance with the following:

(i) where a Derivative Agreement has been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the hedged value expressed in Canadian dollars; and

(ii) where a Derivative Agreement has not been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the noon spot rate for conversions of any currencies into Canadian dollars.

(e) There are no actions, suits or proceedings pending or, to the knowledge of OPG, threatened against or affecting the Financing Entity at law or in equity or before or by any Governmental Authority, or before any arbitrator of any kind, which would result in any material adverse change in the business, operations, prospects, properties, assets or condition, financial or otherwise, of the Financing Entity or

ARTICLE VI
PROCESS FOR ELECTION TO ASSUME APPROVED OBLIGATIONS[4]

6.01 Election by the Province

Pursuant to Section 6.01 of the Change of Law Protection Agreement, at any time following the occurrence of a Protection Event, the Province may (but shall not be obligated) elect to assume the Financing Entity's obligations in respect of all Obligations Secured, as obligor and debtor by giving notice to the Indenture Trustee. Prior to determining whether or not to exercise its election, the Province may deliver to OPG a notice in the form of Exhibit A (an "**Election Information Notice**"). The Election Information Notice shall, among other things, specify the date on which the Province proposes to assume the Obligations Secured, which date shall be no earlier than 20 Business Days following delivery of the Election Information Notice to OPG (the "**Proposed Assumption Date**").

6.02 Details regarding Obligations Secured

Promptly following the delivery of the Election Information Notice to OPG, OPG shall provide the following information and documentation to the Province:

(a) a summary of the amounts that will be owing under all Obligations Secured as of the Proposed Assumption Date, together with a detailed schedule setting out the dates on which such amounts will become due and payable under the Obligations Secured;

(b) a summary of the rights arising under the Obligations Secured that permit the Financing Entity to assign the Obligations Secured to the Province, including details regarding any conditions precedent to such assignment and the related assumption becoming effective and any notices, filings, consents or other actions that will be required in order to implement and effect such assignment and assumption;

(c) current versions of all documentation under which the Obligations Secured arise;

(d) copies of all correspondence exchanged between OPG, as the FSM, or the Financing Entity, on the one hand, and any Specified Creditor, Rating Agency or the Indenture Trustee, on the other hand, in each case that may reasonably be considered to be material to the assumption and performance of the Obligations Secured by the Province; and

[4] Note: Lawyers to discuss assumption mechanics.

(e) all income tax returns and assessments, financial statements and notices of proceedings of or pertaining to the Financing Entity or its business and any documentation related thereto, including any pleadings, appeals, objections, qualifications or other similar materials in respect of the Financing Entity or any Program Agreement.

6.03 Settlement of Terms

Following receipt and review by the Province of the information and documentation to be provided under Section 6.02, the Province shall confirm in writing whether or not it expects to proceed with the assignment and assumption of the Obligations Secured and, if it will be proceeding with the assignment and assumption, the date on which the Province expects that assignment and assumption will be effected. If it will be proceeding with such assignment and assumption, the Province will deliver an Assumption Notice as contemplated under Section 6.01 of the Change of Law Protection Agreement. A decision not to proceed with an election at any time will not limit the Province from proceeding with an election at a later date, including by issuing a further Election Information Notice and Article VI of this Agreement shall continues to apply unaffected.

6.04 Cooperation to Implement the Assignment and Assumption

OPG shall cooperate with the Province and, as FSM, will use commercially reasonable efforts to cause the Financing Entity to cooperate, and shall use its commercially reasonable efforts, to complete the assignment and assumption of the Obligations Secured by and from the Financing Entity to and by the Province, by the applicable Assumption Closing Date.

6.05 Terms of Obligations Secured

In order to permit the Province to assume the Obligations Secured in the circumstances contemplated herein, OPG, as FSM, shall cause the Financing Entity to use commercially reasonable efforts to ensure that all Obligations Secured permit such an assignment to and assumption by the Province substantially in accordance with the terms and on the basis contemplated in the Assumption Agreement, without any penalty or make-whole payment, or any requirement for further consent, approval or agreement, or alternatively, in the case of any Obligations Secured entered into by or on behalf of the Financing Entity for the provision of on-going services to the Financing Entity permitting the satisfaction and termination of such Obligations Secured on or prior to the effective time of such assumption without any acceleration of future fees, profits or other like amounts, **[other than to the extent of payment obligations arise under market standard mark-to-market payment terms and conditions included on a commercially reasonable basis under a Derivative Agreement][NTD: Subject to the input of the dealers.]**[5]

[5] The Trust Indenture will need to be revised to ensure that the Province's assignment and assumption right is fully contemplated and may be implemented without any requirement for further Specified Creditor or other third party consents. Among other changes, it is contemplated that Torys will add the following to the MTI to address this requirement: (i) Specified Creditors will be required to acknowledge the rights of the Province to assume the

FORM OF ELECTION INFORMATION NOTICE

HER MAJESTY THE QUEEN IN RIGHT OF ONTARIO, AS REPRESENTED BY THE MINISTER OF ENERGY AND THE MINISTER OF FINANCE

AND

ONTARIO POWER GENERATION INC.

CHANGE OF LAW PROCESS AGREEMENT

Dated as of [■], 2017

This **CHANGE OF LAW PROCESS AGREEMENT**, between Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), and Ontario Power Generation Inc. ("**OPG**")[1] is made and entered into as of [■], 2017.

RECITALS

OPG is appointed as the Financial Services Manager under Section 18 of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**").

Pursuant to Section 22(2) of the Act, OPG, in its capacity as the Financial Services Manager (the "**FSM**"), may establish or cause to be established one or more financing entities (as defined in the Act), which may incur Funding Obligations in accordance with the Act.[2]

Pursuant to a Declaration of Trust dated as of [■], 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

Concurrent with this Agreement, the Province, the FSM, the Financing Entity and the Indenture Trustee will enter into the Change of Law Protection Agreement under which the Province will agree to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Obligations Secured that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions.

Prior to entering into this Agreement, OPG provided the Province with copies of certain of the Transaction Documents, and the Province has confirmed by a notice delivered to OPG that the reviewed forms (as further described in such notice) shall be Reviewed Documentation for the purposes of this Agreement.[3]

This Agreement sets out the obligations OPG has agreed to perform and assurances OPG has agreed to provide and on which the Province will rely in entering into and implementing the Change of Law Protection Agreement, including for the purposes of determining whether the Adherence Conditions have been satisfied, maintaining information related to the Program Agreements and the Approved Obligations, and ensuring that the Province's assumption rights pursuant to Article VI of the Change of Law Protection Agreement may be exercised without impediment on the terms and conditions contemplated in this Agreement and the Change of Law Protection Agreement.

[1] ~~We do not believe OPG is entering into this Agreement as agent on behalf of the Trust. Rather, OPG is entering into this Agreement at the request of its shareholder, the Province, in order to satisfy the Province's reporting requirements regarding the Fair Hydro Plan.~~

[2] ~~Blakes to advise what they would like to see as evidence of OPG's establishment of the Trust as a financing entity. OPG can send the Province the retainer of Computershare to act as issuer trustee to the Trust~~[1] Blakes suggests that it be made clear in the Declaration of Trust that OPG is establishing the Trust. Blakes would appreciate the benefit of Torys analysis as to how the Trust is an "entity" under the OFHPA, as opposed to the trustee. Clearly OPG has not established Computershare.

[3] Once agreements are settled, Province to provide draft notice.

All things necessary to make this Agreement a valid and legally binding agreement of OPG~~,~~ and ~~of~~ the Province ~~in accordance with the Act~~, have been done.

AND

ONTARIO POWER GENERATION INC., AS FINANCIAL SERVICES MANAGER AND AS MANAGER OF FAIR HYDRO TRUST

AND

BNY TRUST COMPANY OF CANADA, AS INDENTURE TRUSTEE

CHANGE OF LAW PROTECTION AGREEMENT

Dated as of [■], 2017

This **AGREEMENT**, among Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), Computershare Trust Company of Canada, in its capacity as trustee (the "**Financing Entity Trustee**") of Fair Hydro Trust, a trust under the laws of the Province of Ontario (the "**Financing Entity**")[1], Ontario Power Generation Inc., in its capacity as Manager of the Financing Entity and in its capacity as the Financial Services Manager in accordance with the Act (the "**FSM**") and BNY Trust Company of Canada, a trust company existing under the laws of Canada, as Indenture Trustee, is made and entered into as of [■], 2017.

RECITALS

Pursuant to Subsection 5(3) of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**"), the Lieutenant Governor in Council may by order, authorize the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to agree to guarantee or indemnify certain debts, obligations, securities or undertakings associated with an Investment Interest.

Pursuant to an Order in Council dated as of ■ (the "**OIC**"), the Lieutenant Governor in Council has, among other things, authorized the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to enter into one or more agreements to guarantee or indemnify the debts, obligations, securities or undertakings of one or more financing entities established or caused to be established pursuant to Subsection 22(2) of the Act by the FSM and that may incur Funding Obligations in connection with one or more Investment Interests.

Pursuant to a Declaration of Trust[2] dated as of ■, 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

The Financing Entity Trustee, in its capacity as trustee of the Financing Entity, and the Indenture Trustee are parties to the Trust Indenture and propose to create and issue series of notes, bonds and other securities as contemplated therein, and to provide security over the assets and undertaking of the Financing Entity in respect of such notes, bonds and securities, as well as other Obligations Secured.

The Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, have determined to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Obligations Secured that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions at the time the Approved Obligation is incurred or amended. This Agreement sets out the terms and conditions of such protections and assurances.

---

[1] Province needs the Trust as a party to be assured of its rights of subrogation, step-in, etc.

[2] Torys to confirm that Trust is a "financing entity" under OFHPA. Under definition, FSM to establish or cause to be established. DofT indicates Computershare declares trust. Need to have this confirmed for purposes of authority under OFHPA 5(3), among other things.

OPG and the Province will concurrently enter into the Process Agreement, under which OPG will agree to perform certain activities and to provide certain assurances in relation to this Agreement, on which the Province will rely.

All things necessary to make this Agreement a valid and legally binding agreement of the Province, the Financing Entity, the FSM and the Indenture Trustee, in accordance with the Act, the OIC and the Trust Indenture, have been done.

1.12 Counterparts; Electronic Delivery

This Agreement may be executed in any number of counterparts, each of which so executed will be deemed to be an original, but all such counterparts will together constitute one and the same instrument. Delivery of an executed signature page to this Agreement by a party by electronic transmission will be as effective as delivery of a manually executed copy of the Agreement by such party.

1.13 Change of Law Protection Agreement Referred to in the Trust Indenture

This Agreement is the "Change of Law Protection Agreement" referred to in the Trust Indenture.

1.14 Non-Business Days

Whenever any payment to be made hereunder shall be stated to be due, any period of time would begin or end, any calculation is to be made or any other action to be taken hereunder shall be stated to be required to be taken, on a day other than a Business Day, then (notwithstanding any other provision of this Agreement) such payment shall be made, such period of time shall begin or end, such calculations shall be made and such other action shall be taken on the next succeeding Business Day.

1.15 Waiver, Amendment

Except as expressly provided in this Agreement, no amendment or waiver of this Agreement will be binding unless executed in writing by the party to be bound thereby. No waiver of any provision of this Agreement will constitute a waiver of any other provision nor will any waiver of any provision of this Agreement constitute a continuing waiver unless otherwise expressly provided. A party's failure or delay in exercising any right under this Agreement will not operate as a waiver of that right. A single or partial exercise of any right will not preclude a party from any other or further exercise of that right or the exercise of any other right.

1.16 Interest Act

For the purpose of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest to which any rate of interest payable under this Agreement that is calculated on any basis other than a full calendar year is equivalent may be determined by multiplying such rate by a fraction, the numerator of which is the actual number of days in the calendar year in which such yearly rate of interest is to be ascertained and the denominator of which is the number of days comprising such other basis. The parties further agree that for the purposes of the *Interest Act* (Canada), (i) the principle of deemed reinvestment of interest shall not apply to any interest calculation under this Agreement, and (ii) the rates of interest stipulated in this Agreement are intended to be nominal rates and not effective rates or yields.

1.17 Currency

Unless stated otherwise, all amounts herein are stated in Canadian Dollars.

1.18 References to Acts of the Financing Entity

For greater certainty, where any reference is made in this Agreement, or in any other instrument executed pursuant hereto or contemplated hereby to which the Financing Entity or the Financing Entity Trustee, as trustee of the Financing Entity, is party, to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or release to be provided by, a suit or proceeding to be taken by or against, or a covenant, representation or warranty (other than relating to the constitution or existence of the Financing Entity) by or with respect to (i) the Financing Entity or (ii) the Financing Entity Trustee, such reference shall be construed and applied for all purposes as if it referred to an act to be performed by, an appointment to be made by, an obligation or liability of, an asset or right of, a discharge or release to be provided by, a suit or proceeding to be taken by or against or a covenant, representation or warranty (other than relating to the constitution or existence of the Financing Entity) by or with respect to, the Financing Entity Trustee as trustee of the Financing Entity.

1.19 Judgment Currency

(a) If for the purpose of obtaining judgment in any court or for any other purposes (other than conversions specifically provided for in the agreement under which an Approved Obligation arises), it is necessary to convert any amount due under this Agreement from the currency in which it is due (the "**Original Currency**") into another currency (the "**Second Currency**"), the rate of exchange applied shall be that at which, in accordance with normal banking procedures, the purchaser could purchase, in the New York foreign exchange market, the Original Currency with the Second Currency on the date on which judgment is given. The obligation of the Province in respect of any Original Currency due from it to the Indenture Trustee under this Agreement shall, notwithstanding any judgment or payment in such other currency, be discharged only to the extent that, on the Business Day following receipt of any sum so paid or adjudged to be due under this Agreement in the Second Currency, the Indenture Trustee may, in accordance with normal banking procedures, purchase in the New York foreign exchange market the

Original Currency with the amount of the Second Currency so paid or so adjudged to be due; and if the amount of the Original Currency so purchased is less than the amount originally due in the Original Currency, the Province shall indemnify the Indenture Trustee against such loss.

(b) The term "rate of exchange" in this Section 1.19 means the spot rate at which the Indenture Trustee, in accordance with normal practice, is able on the relevant date to purchase the Original Currency with the Second Currency and includes any premium and costs of exchange payable in connection with such purchase.

ARTICLE II
AGREEMENT TO PERFORM APPROVED OBLIGATIONS

2.01 Limited Guarantee

(a) Upon the occurrence of a Protection Event, the Indenture Trustee may deliver a written demand, substantially in the form attached as Exhibit A (a "**Payment Demand**"), to the Province requiring the Province to make payments in respect of the Approved Obligations at the times, in the amounts and subject to the requirements specified in this Agreement. From and after such delivery of a Payment Demand, the Province shall make the following payments in respect of the Approved Obligations (the "**Limited Guarantee**"), and the Financing Entity shall pay, and the Province shall be entitled to be paid, the Subrogation Amounts specified below, on the specified Payment Date:

i. Not less than 3 Business Days prior to each Payment Date occurring after such delivery of a Payment Demand and prior to the Assumption Effective Date, if any, the Manager shall deliver a written statement, substantially in the form attached as Exhibit A.1 (a "**Guarantor Settlement Statement**") setting forth the Aggregate Approved Obligations Amount, if any, in respect of the Approved Obligations that are due and payable on such Payment Date, together with a detailed description identifying such Approved Obligations, the nature and amount of payments due and payable thereunder on the Payment Date, the aggregate outstanding amount payable by the Financing Entity under such Approved Obligations as of the date of the Guarantor Settlement Statement, and details regarding any default in performance by any party obligated thereunder.

ii. On each such Payment Date, the Province shall pay the Aggregate Approved Obligations Amount [to the Indenture Trustee and the Indenture Trustee][4] shall deposit such amount to the Protection Account.

iii. On each such Payment Date, [the Financing Entity shall cause] the Paying Agent[5] [to] shall apply all amounts on deposit in the Protection Account to

pay each Beneficiary to whom an amount is due and payable under an Approved Obligation on the Payment Date the Approved Obligation Amount for such Beneficiary in respect of such Approved Obligation on such Payment Date; provided that if the amount deposited pursuant to clause 2.01(a)ii is insufficient to pay all such Approved Obligation Amounts in full, the amount on deposit in the Protection Account on the Payment Date shall be applied to pay Beneficiaries in the order of priority in which such Approved Obligations are payable under the applicable payment provisions of the Trust Indenture applicable to the making of such payments on the Payment Date (each, a "**Beneficiary Payee**")[6].

iv. On any Payment Date on which an amount is paid by the Province pursuant to clause 2.01(a)ii, the applicable payment provisions of the Trust Indenture shall, notwithstanding the express terms of such provisions set forth in the Trust Indenture and subject to Section 2.04(b), be applied and operate on the following basis:

(i) the amount payable to a Beneficiary Payee in respect of an Approved Obligation from amounts available under such payment provisions on such Payment Date shall be reduced by the amount paid to the Beneficiary Payee pursuant to clause 2.01(a)iii in respect of such Approved Obligation on such Payment Date;

(ii) the Province shall be paid the amount by which (x) the amount payable to a Beneficiary Payee in respect of an Approved Obligation from amounts available to pay the Beneficiary Payee under such payment provisions on the Payment Date, determined without regard to subclause 2.01(a)iv(i), exceeds the amount paid to the Beneficiary Payee pursuant to clause 2.01(a)iii in respect of such Approved Obligation on the Payment Date (such payments to the Province being "**Subrogation Amounts**"); and

(iii) no Beneficiary having a right to be paid an amount in respect of an Approved Obligation that ranks equal with or subordinate to an Approved Obligation in respect of which an amount is payable to the Province under subclause 2.01(a)iv(ii) shall be entitled to make any claim or assert any right in or to the amounts paid or payable to the Province under such subclause (including any right or reimbursement, contribution or indemnity) and no such Beneficiary shall have any right or interest in, to or under the Collateral or any proceeds therefrom in respect of such amounts.

v. On any Payment Date, the Indenture Trustee shall release and pay to the Province free and clear of any Liens any amount on remaining deposit in

the Protection Account that has not been applied to pay Beneficiary Payees on the Payment Date in accordance with clause 2.01(a)iii.

vi. In preparing any payment instructions under the Trust Indenture, the Manager shall reflect the amounts payable for the Payment Date under Section 2.01(a).

(b) The Province shall, as a payee of Subrogation Amounts and any amounts payable under clause 2.01(a)v, be a "Specified Creditor" under the Trust Indenture and have the benefit of the Collateral thereunder.

(c) For greater certainty, the Limited Guarantee will not apply to any amount or obligation of the Financing Entity that is not or does not arise under an Approved Obligation and will be limited to the right to receive the payment amounts, if any, and will be subject to the priorities and to the Province's rights to Subrogation Amounts, set forth in Section 2.01(a).

(d) Except as expressly provided in this Agreement, the Province's obligation to provide and perform the Limited Guarantee shall be irrevocable, absolute and unconditional.

(e) Any amount payable by the Province under the Limited Guarantee in respect of an Approved Obligation that is not paid by the Province when required herein shall bear interest from the applicable due date until paid in full at the rate or rates expressed to be payable on the Approved Obligation.

(f) The right to deliver a Payment Demand and thereupon enforce the Limited Guarantee shall constitute the only remedy available to the Indenture Trustee (and to the Beneficiaries, to the extent they are permitted to exercise any rights, interests, or elections under in accordance with the Trust Indenture) under this Agreement. Under no circumstances shall the Province be obligated to pay or indemnify the Indenture Trustee or any Beneficiary for consequential, special or punitive damages, or for economic loss or loss of profits; provided that, for greater certainty, economic loss shall not include any amount in respect of any amount due and payable to a Beneficiary Payee under the Limited Guarantee.

2.02 Intentionally Deleted.

2.03 <u>Absence of Set-off</u>

Subject to applicable law, the Province acknowledges and agrees that each payment to be made by the Province hereunder in respect of an Approved Obligation shall be made as required in whole, without application of any right of set-off and without regard to any equities as between or among any of the Province, the Beneficiaries and/or the Indenture Trustee.

2.04 Payment into Protection Account[7] in Satisfaction

(a) On or before the date of delivery of a Payment Demand to the Province, the Indenture Trustee shall cause to be established and maintained an Eligible Deposit Account (the "**Protection Account**") in the name of the Indenture Trustee, bearing a designation clearly indicating that the funds and other property credited thereto are held for the benefit of the Indenture Trustee and the Beneficiaries. The Protection Account shall be under the control of the Indenture Trustee for the benefit of the Beneficiaries. If, at any time, the institution holding the Protection Account ceases to be an Eligible Institution, the FSM shall notify the Indenture Trustee, and the Indenture Trustee upon being notified in writing of such ineligibility (or the FSM on its behalf) shall within 30 days (or such longer period, not to exceed 45 days, so long as the Rating Agency Condition is satisfied) establish a new Protection Account that is an Eligible Deposit Account and shall transfer any funds or other property from such Protection Account to such new Protection Account. From the date each such new Protection Account is established, it shall be the "Protection Account" for purposes of this Agreement. Funds credited to the Protection Account will be invested and held in accordance with Section 7.03 of the Trust Indenture on the basis that it is an Issuer Account.

(b) Notwithstanding the priority of payment requirements set forth in the Trust Indenture and any legal rule concerning the imputation of payments, the [Indenture Trustee][8] shall apply all amounts paid by the Province into the Protection Account on a Payment Date in respect of an Approved Obligation to pay the amounts due and payable to the Beneficiaries as and to the extent provided for in Section 2.01(a)[9]. Upon a payment having been made by or on behalf of the Province into the Protection Account, the amounts so paid shall for all purposes be considered to have been applied to pay the applicable Beneficiaries as provided for in Section 2.01(a) and thereby reduce the amount due and payable to such Beneficiaries in respect of the applicable Approved Obligations, whereupon an affected Beneficiary shall have no continuing rights, interests or entitlements (including rights as a secured party) in respect of the Approved Obligation to the extent so paid[10]. For greater certainty, the obligations arising in respect of an applicable Approved Obligation shall not be reduced by such payment as the Province shall become entitled to be paid related Subrogation Amounts and the rights contemplated under Section 2.01(a) and Section 5.01 in relation to such continuing obligations.

---

[7] Use of Protection Account to be considered by Province after required modifications to Trust Indenture have been provided.

[8] Conform.

[9] For example, amounts payable in respect of subnotes will not get the amounts payable to them based on scheduled payments since senior notes will preempt them under the acceleration waterfall.

[10] A corresponding provision needs to be added to the Trust Indenture and each other contract under which the Obligation Secured arises, so that the Beneficiaries are bound by these applications and the agreement of the Indenture Trustee under this Agreement.

2.05 Certain Waivers

The Province hereby waives:

(a) any requirement, and any right to require, that any power be exercised or any action be taken against the Financing Entity or any Collateral for any of the Approved Obligations;

(b) all notices which may be required by applicable law to preserve any rights against the Province hereunder, including any notice of default, demand, dishonour, presentment and protest;

(c) diligence; and

(d) any defence based upon, arising out of or in any way related to any claim that any election of remedies by the Beneficiaries impaired, reduced, released or extinguished any rights that the Province might otherwise have had against the Financing Entity or any other surety.

The Province agrees that each such waiver is made with full knowledge of its significance and consequences and if any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the maximum extent permitted by applicable law.

2.06 Additional Security

This Agreement shall be in addition to and without prejudice to any other security by whomsoever given, held at any time by the Indenture Trustee or for the benefit of any of the Beneficiaries.

2.07 Continuing Liability of the Province

The Approved Obligations shall be deemed not to have been paid, observed or performed, and the liability of the Province hereunder in respect thereof shall continue and not be discharged, to the extent that any payment, observance or performance thereof by the Financing Entity, or out of the proceeds of any Collateral, is recovered from or reimbursed by or for the account of any of the Beneficiaries for any reason, including a preference or fraudulent transfer or by virtue of any subordination (whether present or future or contractual or otherwise) of the Approved Obligations, whether such recovery or payment over is effected by any judgment, decree or order of any court or Governmental Authority, by any plan of reorganization or by settlement or compromise by any of the Beneficiaries (whether or not consented to by the Financing Entity or the Province) of any claim for any such recovery or payment over.

2.08 Continuance of the Limited Guarantee

Subject to Section 2.07, the Limited Guarantee shall continue in full force and effect until the indefeasible payment, observance and performance in full of the Approved Obligations, or

until the Province is no longer required to provide and perform the Limited Guarantee in accordance with Section 6.03 or Section 8.02.

2.09 Modifications of Approved Obligations

The Province expressly authorizes the Indenture Trustee, at any time and from time to time, without notice and without affecting the liability of the Province hereunder, but subject to compliance with the requirements of the Program Agreements[11] and this Agreement, to:

(a) accept new, additional or replacement instruments, documents, agreements or security in connection with all or any part of the Approved Obligations;

(b) accept partial payments on the Approved Obligations; and

(c) waive, release, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, compromise, liquidate and enforce all or any part of the Approved Obligations and any security or guarantee therefor, and apply any such security and direct the order or manner of sale thereof as the Indenture Trustee (for the benefit of the Beneficiaries) in its discretion may determine.

ARTICLE III
THE INDENTURE TRUSTEE

3.01 The Indenture Trustee

This Agreement is made in favour of the Indenture Trustee in its capacity as trustee under the Trust Indenture. Accordingly, in the event of a new trustee being appointed under the Trust Indenture, such new trustee shall thereupon become and be the Indenture Trustee hereunder, but nevertheless, the Indenture Trustee shall forthwith assign, transfer and make over to the new trustee hereunder this Agreement. All provisions of the Trust Indenture for the protection of the Indenture Trustee or for facilitating the administration of the trusts or otherwise relating to the Indenture Trustee solely as to its holding of the rights thereunder shall apply *mutatis mutandis* to this Agreement and the Indenture Trustee's duties hereunder.

3.02 Acceptance of Trusts

The Indenture Trustee hereby accepts the trusts hereof and agrees to carry out and discharge the same unless and until a new trustee shall be appointed as contemplated in Section 3.01.

[11] The deletion of the earlier proviso in this draft is based on the understanding that the Province will receive adequate notices of these event under the Trust Indenture. OPG will agree not to allow any of these events without confirming to the Province under the Process Certificate that the changes are within the agreed scope of the Reviewed Documents, etc.

ARTICLE IV
APPROVED OBLIGATIONS

4.01 Approval Process

A Primary Obligation shall constitute an Approved Obligation if the Adherence Conditions applicable thereto have been satisfied [at the time the Primary Obligation was incurred][12].

4.02 Adherence Conditions

[There shall be no Adherence Conditions applicable in relation to a Primary Obligation that is not a Funding Obligation.][13] The following shall be the Adherence Conditions applicable in relation to a Primary Obligation that is a Funding Obligation:

(a) the Primary Obligation is contemplated under the Trust Indenture as an Obligation Secured; and

(b) the FSM delivers a certificate signed by the Chief Financial Officer and the Treasurer of OPG (or their respective designees, provided that such designees are executive officers of OPG and, for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) and addressed to the Indenture Trustee, prior to the earlier of (i) one Business Day prior to the incurrence [or any amendment][14] of the Primary Obligation, and (ii) [one Business Day after] [on] the Business Day on which the financial terms of the Primary Obligation are definitively determined (including the interest or discount rate applicable to any notes, bonds or other securities), confirming that OPG has delivered to the Province a Process Certificate in accordance with Section **[3.01]** of the Process Agreement; and

(c) the Province has not provided a Suspension Notice to the Indenture Trustee, the FSM and the Financing Entity in accordance with the terms of this Agreement.

4.03 Evidence of Satisfaction

A closing certificate delivered in accordance with Section 4.02 in connection with an incurrence or amendment of a Primary Obligation shall be determinative as to whether the applicable Adherence Conditions with respect thereto have been satisfied, notwithstanding that such certificate may include inaccuracies, be incomplete or otherwise be defective or deficient, and such closing certificate may be relied upon by any addressee as conclusive evidence of same.

ARTICLE V
PROVINCE MATTERS

5.01 Assignment and Subrogation

(a) Upon paying an amount in respect of an Approved Obligation to or at the direction of the Indenture Trustee in satisfaction of the Limited Guarantee, the Province (in addition to and without prejudice to any rights it otherwise has in law or equity) shall be subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation to the extent of such payment, including (i) the right and entitlement to be paid and receive the related Subrogation Amounts, (ii) the benefits of the related Collateral and (iii) all proceeds therefrom. The Province shall have and be entitled to enforce all rights and interests (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)), under and in respect of such Approved Obligation to the extent of the payment by the Province in respect of the Approved Obligation as an absolute assignee of the applicable Beneficiary, with effect from and after the time of such payment, without any further requirement for notice to or acceptance by the Financing Entity of such absolute assignment and without any reduction, set-off or counterclaim on account of any amounts that may, at or after the time of payment, be or become owing by the Beneficiary to the Financing Entity and unaffected by any other rights or equities that arise thereafter as between the Beneficiary and the Financing Entity. The Indenture Trustee shall recognize the Province as being entitled to all of the rights, interests and entitlements of the Beneficiary (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)) in respect and to the extent of the Approved Obligation so paid, determined as of the time of payment, for all purposes under the Trust Indenture, and the Province shall be treated as a Specified Creditor in respect thereof for all purposes under the Trust Indenture and any other agreement under which the Approved Obligation arises.

(b) The Province (i) acknowledges and agrees in favour of the Indenture Trustee that, upon being subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation in accordance with Section 5.01(a), the Province, in its capacity as a Specified Creditor, will be subject to the provisions applicable to Specified Creditors under the Trust Indenture, including **[Section 7.11 (Payments Held in Trust), Section 8.12 (Limitation on Suits), Sections 7.04 and 8.13 (Payment Priorities), Section 8.14 (Limited Recourse) and Section 16.01 (No Petition) thereof]** and (ii) confirms that the Indenture Trustee shall send notices to the Province, in its capacity as a Specified Creditor, in accordance with Section 9.02.

5.02 Priorities

For greater certainty, the rights, interests and entitlements of the Province as an assignee and subrogee of and with respect to an Approved Obligation shall rank equally with the rights,

interests and entitlements of a Beneficiary to whom a Limited Guarantee payment is made in respect of, and to the extent of the payment made to satisfy, the Approved Obligation and the Province shall not be subject to postponement or subordination with respect thereto except to the extent of the priorities established in relation to the Approved Obligation under the Trust Indenture in the manner and to the extent contemplated in Section 2.01.

5.03 Province May Perform Other Program Agreement Covenants.

If the Financing Entity fails to perform any covenant under any Program Agreement, the Province may (but, except as expressly provided for under this Agreement, shall not be obligated to) perform such covenant on behalf of the Financing Entity. If the Province performs such a covenant on behalf of the Financing Entity, all sums expended or advanced by the Province in so performing the covenant will bear interest at the rate of interest determined by the Province to reflect market terms and conditions for a borrowing made by the Province at the relevant time from the date of expenditure until repayment by the Financing Entity and will (together with such interest) be paid by the Financing Entity upon demand and will until paid form part of the Obligations Secured subject to Sections **[7.04 and 8.13]** of the Trust Indenture and constitute a Finance Amount.[15]

5.04 Representations and Warranties

The Province hereby represents and warrants that:

(a) the execution and delivery of, and the performance of its obligations under, this Agreement by the Province have been authorized by all necessary action on the part of the Province;

(b) the execution and delivery of, and the performance of its obligations under, this Agreement by the Province do not result in the violation of any applicable law; and

(c) this Agreement has been duly executed and delivered by the Province.

ARTICLE VI
NOTICE OF ASSUMPTION OF OBLIGATIONS SECURED

6.01 Delivery of Assumption Notice

Following the occurrence of a Protection Event, the Province may (but shall not be obligated to) provide notice (in the form of Exhibit B) to the Indenture Trustee that the Province has elected to assume the Financing Entity's obligations in respect of all Obligations Secured, as obligor and debtor (the "**Assumption Notice**"). The Assumption Notice shall specify the date on which the assignment and assumption of the Obligations Secured will be effective (the "**Assumption Closing Date**").

[15] Payments to be addressed in the Trust Indenture like servicer advances under the waterfall provisions.

6.02 Cooperation to Implement the Assignment and Assumption

The Indenture Trustee, the FSM, the Financing Entity and the Province will cooperate and use best efforts to complete the assignment and assumption of the Obligations Secured by and from the Financing Entity to and by the Province, by the Assumption Closing Date.[16]

6.03 Effect of Assumption

On the date that the assignment and assumption of the Obligations Secured by and from the Financing Entity to and by the Province becomes effective (the "**Assumption Effective Date**"), the Province shall no longer be required to provide and perform the Limited Guarantee but will instead become a primary obligor under the Obligations Secured assumed pursuant to and in accordance with an applicable Assumption Agreement. For greater certainty, the obligations of the Province so assumed will not be secured obligations of the Province and the obligees thereof will have no right, interest or claim to or in respect of the Collateral or any proceeds therefrom. **[NTD: the forms of assumption agreement(s) need to be settled before this agreement is finalized.]**

6.04 Interim Period

Until the effective time of the assignment and assumption of the Obligations Secured by and from the Financing Entity to and by the Province on the Assumption Effective Date, the Province shall continue to perform and be obligated under the Limited Guarantee.

6.05 Rights in respect of the Assets Comprising the Collateral

Upon assuming the Financing Entity's obligations in respect of all Obligations Secured under Article VI, the Province (in addition to and without prejudice to any rights it otherwise has in law or equity) shall be subrogated and entitled to all of the Financing Entity's rights and interests under and in respect of the assets, property and undertaking comprising the Collateral and all proceeds therefrom, free and clear of any liens, encumbrances or restrictions arising under or as a result of the Trust Indenture. The Province shall have and be entitled to enforce all such rights and interests as an absolute assignee of the Financing Entity, with effect from and after the time of such assumption, without any further requirement for notice to or acceptance by the Financing Entity of such absolute assignment and without any reduction, set-off or counterclaim on account of any amounts that may, at or after the time of payment, be or become owing to the Financing Entity and unaffected by any other rights, interests or equities that arise thereafter in respect of the assets, property and undertaking comprising the Collateral as between the Beneficiaries and the Financing Entity. The Indenture Trustee and the Beneficiaries shall thereupon recognize the Province as the absolute owner of the assets, property and undertaking comprising the Collateral.

[16] Further details regarding obtaining of third party consents and rating agency approvals to be provided by OPG.

ARTICLE VII

(a) following the Province becoming aware of the occurrence of a Program Breach; and

(b) following the occurrence of a Breach Event that has not been waived in writing by the Province.

8.02 Suspension

If a Suspension Notice has been provided under Section 8.01 (the provision of such notice being a "**Suspension Event**"), the Limited Guarantee shall not apply in respect of any Obligation Secured incurred or amended on or after the time such Suspension Notice is delivered. 8.03 Termination Notice

On (a) the occurrence of a Suspension Event or (b) the Assumption Effective Date, the Province may provide to the Indenture Trustee, the FSM and the Financing Entity a notice in the form of Exhibit D (a "**Termination Notice**").

8.04 No Impact on Adherence

For greater certainty, the occurrence of Suspension Event or a failure by the FSM or the Financing Entity to perform its covenants under this Agreement will not invalidate or extinguish the obligations of the Province under the Limited Guarantee in respect of Approved Obligations in existence prior to the occurrence of the Suspension Event, nor will it in any way impact the Obligations Secured which are assumed by the Province in accordance with Article VI.

CHANGE OF LAW PROTECTION AGREEMENT

Dated as of [■], 2017

This **AGREEMENT**, among Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the "**Province**"), Computershare Trust Company of Canada, in its capacity as trustee (the "**Financing Entity Trustee**") of Fair Hydro Trust, a trust under the laws of the Province of Ontario (the "**Financing Entity**")[1], Ontario Power Generation Inc., in its capacity as Manager of the Financing Entity and in its capacity as the Financial Services Manager in accordance with the Act (the "**FSM**") and BNY Trust Company of Canada, a trust company existing under the laws of Canada, as Indenture Trustee, is made and entered into as of [■], 2017.

RECITALS

Pursuant to Subsection 5(3) of the *Ontario Fair Hydro Plan Act, 2017* (the "**Act**"), the Lieutenant Governor in Council may by order, authorize the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to agree to guarantee or indemnify certain debts, obligations, securities or undertakings associated with an Investment Interest.

Pursuant to an Order in Council dated as of ■ (the "**OIC**"), the Lieutenant Governor in Council has, among other things, authorized the Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, to enter into one or more agreements to guarantee or indemnify the debts, obligations, securities or undertakings of one or more financing entities established or caused to be established pursuant to Subsection 22(2) of the Act by the FSM and that may incur Funding Obligations in connection with one or more Investment Interests.

Pursuant to a Declaration of Trust[2] dated as of ■, 2017, the Financing Entity was established as a "financing entity" (as defined in the Act) for the purposes contemplated in the Act.

The Financing Entity Trustee, in its capacity as trustee of the Financing Entity, and the Indenture Trustee are parties to the Trust Indenture and propose to create and issue series of notes, bonds and other securities as contemplated therein, and to provide security over the assets and undertaking of the Financing Entity in respect of such notes, bonds and securities, as well as other Obligations Secured.

The Minister of Energy and the Minister of Finance, acting together on behalf of the Province of Ontario, have determined to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Obligations Secured that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the Adherence Conditions at the time the Approved Obligation is incurred or amended. This Agreement sets out the terms and conditions of such protections and assurances.

[1] Province needs the Trust as a party to be assured of its rights of subrogation, step-in, etc.

[2] Torys to confirm that Trust is a "financing entity" under OFHPA. Under definition, FSM to establish or cause to be established. DofT indicates Computershare declares trust. Need to have this confirmed for purposes of authority under OFHPA 5(3), among other things.

OPG and the Province will concurrently enter into the Process Agreement, under which OPG will agree to perform certain activities and to provide certain assurances in relation to this Agreement, on which the Province will rely.

All things necessary to make this Agreement a valid and legally binding agreement of the Province, the Financing Entity, the FSM and the Indenture Trustee, in accordance with the Act, the OIC and the Trust Indenture, have been done.

AGREEMENT OF THE PARTIES

In consideration of the respective agreements herein contained, the parties hereto covenant and agree as follows:

The Indenture Trustee agrees to provide the Province with the computations and calculations used by the Indenture Trustee to prepare each such statement of account promptly following a request therefor.

Specified Creditors, as Beneficiaries, shall not have or be permitted to exercise any rights, interests, or elections under this Agreement, other than in the manner and to the extent effected

and exercised under, in accordance with and subject to the limitations set forth in the Trust Indenture[3].

Each of the provisions contained in this Agreement is distinct and severable and a declaration of invalidity or unenforceability of any such provision or part thereof by a court of competent jurisdiction will not affect the validity or enforceability of any other provision hereof. To the extent permitted by applicable law, the parties waive any provision of law which renders any provision of this Agreement invalid or unenforceable in any respect. The parties will engage in good faith negotiations to replace any provision which is declared invalid or unenforceable with a valid and enforceable provision, the economic effect of which comes as close as possible to that of the invalid or unenforceable provision which it replaces.

1.09 Governing Law

THIS AGREEMENT WILL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE PROVINCE OF ONTARIO AND THE FEDERAL LAWS OF CANADA APPLICABLE THEREIN, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

[3] With respect to the possibility of unsanctioned amendments, the OPG proposal would allow amendments to be made in favour of bondholders to permit individual bondholders to sue the Province under this agreement. This is one circumstance that demonstrates why the Province needs the right to know about and consider all underlying amendments.

A party's failure or delay in exercising any right under this Agreement will not operate as a waiver of that right. A single or partial exercise of any right will not preclude a party from any other or further exercise of that right or the exercise of any other right.

(i) the amount payable to a Beneficiary Payee in respect of an Approved Obligation from amounts available under such payment provisions on such Payment Date shall be reduced by the amount paid to the Beneficiary Payee pursuant to clause 2.01(a)iii in respect of such Approved Obligation on such Payment Date;

(ii) ~~iv. The Manager shall prepare payment instructions for the Payment Date under each section of the Trust Indenture applicable to the making of the payments under clause 2.01(a)iii allocating the amounts available to be allocated under each such section (which~~

(iii) no Beneficiary having a right to be paid an amount in respect of an Approved Obligation that ranks equal with or subordinate to an Approved Obligation in respect of which an amount is payable to the Province under subclause 2.01(a)iv(ii) shall be entitled to make any claim or assert any right in or to the amounts paid or payable to the Province under such subclause (including any right or reimbursement, contribution or indemnity) and no such Beneficiary shall have any right or interest in, to or under the Collateral or any proceeds therefrom in respect of such amounts.

v. On any Payment Date, the Indenture Trustee shall release and pay to the Province free and clear of any Liens any amount on remaining deposit in the Protection Account that has not been applied to pay Beneficiary Payees on the Payment Date in accordance with clause 2.01(a)iii.

vi. In preparing any payment instructions under the Trust Indenture, the Manager shall reflect the amounts payable for the Payment Date under Section 2.01(a).

(b) The Province shall, as a payee of Subrogation Amounts and any amounts payable under clause 2.01(a)v, be a "Specified Creditor" under the Trust Indenture and have the benefit of the Collateral thereunder.

(c) ~~(b)~~ For greater certainty, the Limited Guarantee will not apply to any amount or obligation of the Financing Entity that is not or does not arise under an Approved Obligation and will be limited to the right to receive the payment amounts, if any, and will be subject to the priorities and to the Province's rights to Subrogation Amounts, set forth in Section 2.01(a).

(d) ~~(c)~~ Except as expressly provided in this Agreement, the Province's obligation to provide and perform the Limited Guarantee shall be irrevocable, absolute and unconditional.

(e) ~~(d)~~ Any amount payable by the Province under the Limited Guarantee in respect of an Approved Obligation that is not paid by the Province when required herein shall bear interest from the applicable due date until paid in full at the rate or rates expressed to be payable on the Approved Obligation.

(f) ~~(e)~~ The right to deliver a Payment Demand and thereupon enforce the Limited Guarantee shall constitute the only remedy available to the Indenture Trustee (and to the Beneficiaries, to the extent they are permitted to exercise any rights, interests, or elections under in accordance with the Trust Indenture) under this Agreement. Under no circumstances shall the Province be obligated to pay or indemnify the Indenture Trustee or any Beneficiary for consequential, special or punitive damages, or for economic loss or loss of profits; provided that, for greater certainty, economic loss shall not include ~~the loss represented by the failure to receive the principal and interest itself~~any amount in respect of any amount due and payable to a Beneficiary Payee under the Limited Guarantee.

2.02 Intentionally Deleted.

2.03 Absence of Set-off

Subject to applicable law, the Province acknowledges and agrees that each payment to be made by the Province hereunder in respect of an Approved Obligation shall be made as required in whole, without application of any right of set-off and without regard to any equities as between or among any of the Province, the Beneficiaries and/or the Indenture Trustee.

2.04 Payment into Protection Account[37] in Satisfaction

(a) On or before the date of delivery of a Payment Demand to the Province, the Indenture Trustee shall cause to be established and maintained an Eligible Deposit Account (the "**Protection Account**") in the name of the Indenture Trustee, bearing a designation clearly indicating that the funds and other property credited thereto are held for the benefit of the Indenture Trustee and the Beneficiaries. The Protection Account shall be under the control of the Indenture Trustee for the benefit of the Beneficiaries. If, at any time, the institution holding the Protection Account ceases to be an Eligible Institution, the FSM shall notify the Indenture Trustee, and the Indenture Trustee upon being notified in writing of such ineligibility (or the FSM on its behalf) shall within 30 days (or such longer period,

[37] Use of Protection Account to be considered by Province after required modifications to Trust Indenture have been provided.

not to exceed 45 days, so long as the Rating Agency Condition is satisfied) establish a new Protection Account that is an Eligible Deposit Account and shall transfer any funds or other property from such Protection Account to such new Protection Account. From the date each such new Protection Account is established, it shall be the "Protection Account." for purposes of this Agreement. Funds credited to the Protection Account will be invested and held in accordance with Section 7.03 of the Trust Indenture on the basis that it is an Issuer Account.

(b) Notwithstanding the priority of payment requirements set forth in the Trust Indenture and any legal rule concerning the imputation of payments, the [Indenture Trustee][8] shall apply ~~the full amount~~all amounts paid by the Province into the Protection Account on a Payment Date in respect of an Approved Obligation to pay the ~~corresponding amount~~amounts due and payable to the ~~applicable~~ Beneficiaries ~~under the Approved Obligation~~ as and to the extent provided for in Section 2.01(a)[9]. Upon a payment having been made by or on behalf of the Province into the Protection Account ~~in respect of an Approved Obligation~~, the ~~amount~~amounts so paid shall for all purposes be considered to have been applied to pay the applicable Beneficiaries as provided for in Section 2.01(a) and thereby reduce the amount due and payable to such Beneficiaries in respect of the applicable Approved ~~Obligation~~Obligations, whereupon an affected Beneficiary shall have no continuing rights, interests or entitlements (including rights as a secured party) in respect of the Approved Obligation to the extent so paid[4][10]. For greater certainty, the obligations arising in respect of ~~the~~an applicable Approved Obligation shall not be reduced by such payment as the Province shall become entitled to be paid related Subrogation Amounts and the rights contemplated under Section 2.01(a) and Section 5.01 in relation to such continuing obligations.

2.05 Certain Waivers

The Province hereby waives:

(a) any requirement, and any right to require, that any power be exercised or any action be taken against the Financing Entity or any Collateral for any of the Approved Obligations;

(b) all notices which may be required by applicable law to preserve any rights against the Province hereunder, including any notice of default, demand, dishonour, presentment and protest;

(c) diligence; and

[8] Conform.

[9] For example, amounts payable in respect of subnotes will not get the amounts payable to them based on scheduled payments since senior notes will preempt them under the acceleration waterfall.

[4][10] A corresponding provision needs to be added to the Trust Indenture and each other contract under which the Obligation Secured arises, so that the Beneficiaries are bound by these applications and the agreement of the Indenture Trustee under this Agreement.

(d) any defence based upon, arising out of or in any way related to any claim that any election of remedies by the Beneficiaries impaired, reduced, released or extinguished any rights that the Province might otherwise have had against the Financing Entity or any other surety.

The Province agrees that each such waiver is made with full knowledge of its significance and consequences and if any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the maximum extent permitted by applicable law.

2.06 Additional Security

This Agreement shall be in addition to and without prejudice to any other security by whomsoever given, held at any time by the Indenture Trustee or for the benefit of any of the Beneficiaries.

2.07 Continuing Liability of the Province

The Approved Obligations shall be deemed not to have been paid, observed or performed, and the liability of the Province hereunder in respect thereof shall continue and not be discharged, to the extent that any payment, observance or performance thereof by the Financing Entity, or out of the proceeds of any Collateral, is recovered from or reimbursed by or for the account of any of the Beneficiaries for any reason, including a preference or fraudulent transfer or by virtue of any subordination (whether present or future or contractual or otherwise) of the Approved Obligations, whether such recovery or payment over is effected by any judgment, decree or order of any court or Governmental Authority, by any plan of reorganization or by settlement or compromise by any of the Beneficiaries (whether or not consented to by the Financing Entity or the Province) of any claim for any such recovery or payment over.

2.08 Continuance of the Limited Guarantee

Subject to Section 2.07, the Limited Guarantee shall continue in full force and effect until the indefeasible payment, observance and performance in full of the Approved Obligations, or until the Province is no longer required to provide and perform the Limited Guarantee in accordance with Section 6.03 or Section ~~6.03~~ 8.02.

2.09 Modifications of Approved Obligations

The Province expressly authorizes the Indenture Trustee, at any time and from time to time, without notice and without affecting the liability of the Province hereunder, but subject to compliance with the requirements of the Program Agreements[11] and this Agreement, to:

[11] The deletion of the earlier proviso in this draft is based on the understanding that the Province will receive adequate notices of these event under the Trust Indenture. OPG will agree not to allow any of these events without confirming to the Province under the Process Certificate that the changes are within the agreed scope of the Reviewed Documents, etc.

(a) accept new, additional or replacement instruments, documents, agreements or security in connection with all or any part of the Approved Obligations;

(b) accept partial payments on the Approved Obligations; and

(c) waive, release, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, compromise, liquidate and enforce all or any part of the Approved Obligations and any security or guarantee therefor, and apply any such security and direct the order or manner of sale thereof as the Indenture Trustee (for the benefit of the Beneficiaries) in its discretion may determine.

All provisions of the Trust Indenture for the protection of the Indenture Trustee or for facilitating the administration of the trusts or otherwise relating to the Indenture Trustee solely as to its holding of the rights thereunder shall apply *mutatis mutandis* to this Agreement and the Indenture Trustee's duties hereunder.

[13] Under consideration by the Province. Province is comfortable that immaterial (<1M) obligations need not be subject to these adherence provisions.

[14] Still under consideration. Tied to the discussion around authorized "amendments".

ARTICLE V
PROVINCE MATTERS

(a) Upon paying an amount in respect of an Approved Obligation to or at the direction of the Indenture Trustee in satisfaction of the Limited Guarantee, the Province (in addition to and without prejudice to any rights it otherwise has in law or equity) shall be subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation to the extent of such payment, including (i) the right and entitlement to be paid and receive the related Subrogation Amounts, (ii) the benefits of the related Collateral and (iii) all proceeds therefrom. The Province shall have and be entitled to enforce all rights and interests (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)), under and in respect of such Approved Obligation to the extent of the payment by the Province in respect of the Approved Obligation as an absolute assignee of the applicable Beneficiary, with effect from and after the time of such payment, without any further requirement for notice to or acceptance by the Financing Entity of such absolute assignment and without any reduction, set-off or counterclaim on account of any amounts that may, at or after the time of payment, be or become owing by the Beneficiary to the Financing Entity and unaffected by any other rights or equities that arise thereafter as between the Beneficiary and the Financing Entity. The Indenture Trustee shall recognize the Province as being entitled to all of the rights, interests and entitlements of the Beneficiary (including as a Specified Creditor under the Trust Indenture on the basis contemplated in Section 5.01(b)) in respect and to the extent of the Approved Obligation so paid, determined as of the time of payment, for all purposes under the Trust Indenture, and the Province shall be treated as a Specified Creditor in respect thereof for all purposes under the Trust Indenture and any other agreement under which the Approved Obligation arises.

(b) The Province (i) acknowledges and agrees in favour of the Indenture Trustee that, upon being subrogated and entitled to all of the applicable Beneficiary's rights and interests under and in respect of the Approved Obligation in accordance with Section 5.01(a), the Province, in its capacity as a Specified Creditor, will be subject to the provisions applicable to Specified Creditors under the Trust Indenture, including **[Section 7.11 (Payments Held in Trust), Section 8.12 (Limitation on Suits), Sections 7.04 and 8.13 (Payment Priorities), Section 8.14 (Limited Recourse) and Section 16.01 (No Petition) thereof]** and (ii) confirms that the Indenture Trustee shall send notices to the Province, in its capacity as a Specified Creditor, in accordance with Section 9.02.

5.02 Priorities

For greater certainty, the rights, interests and entitlements of the Province as an assignee and subrogee of and with respect to an Approved Obligation shall rank equally with the rights, interests and entitlements of a Beneficiary ~~for~~to whom a Limited Guarantee payment is made in respect of, and to the extent of the payment made to satisfy, the Approved Obligation and the Province shall not be subject to postponement or subordination with respect thereto except to the extent of the priorities established in relation to the Approved Obligation under the Trust Indenture~~.~~ in the manner and to the extent contemplated in Section 2.01.

5.03 Province May Perform Other Program Agreement Covenants.

If the Financing Entity fails to perform any covenant under any Program Agreement, the Province may (but, except as expressly provided for under this Agreement, shall not be obligated to) perform such covenant on behalf of the Financing Entity. If the Province performs such a covenant on behalf of the Financing Entity, all sums expended or advanced by the Province in so performing the covenant will bear interest at the rate of interest determined by the Province to reflect market terms and conditions for a borrowing made by the Province at the relevant time from the date of expenditure until repayment by the Financing Entity and will (together with such interest) be paid by the Financing Entity upon demand and will until paid form part of the Obligations Secured subject to Sections **[7.04 and 8.13]** of the Trust Indenture and constitute a Finance Amount.[~~5~~15]

5.04 Representations and Warranties

The Province hereby represents and warrants that:

(a) the execution~~,~~ and delivery of, and the performance of its obligations under, this Agreement by the Province have been authorized by all necessary action on the part of the Province;

(b) the execution~~,~~ and delivery of, and the performance of its obligations under, this Agreement by the Province do not result in the violation of any applicable law; and

(c) this Agreement has been duly executed and delivered by the Province.

6.01 Delivery of Assumption Notice

Following the occurrence of a Protection Event, the Province may (but shall not be obligated to) provide notice (in the form of Exhibit B) to the Indenture Trustee that the Province has elected to assume the Financing Entity's obligations in respect of all Obligations Secured, as obligor and debtor (the "**Assumption Notice**"). The Assumption Notice shall specify the date on

[~~5~~15] Payments to be addressed in the Trust Indenture like servicer advances under the waterfall provisions.

which the assignment and assumption of the Obligations Secured will be effective (the "**Assumption Closing Date**").

6.02 Cooperation to Implement the Assignment and Assumption

The Indenture Trustee, the FSM, the Financing Entity and the Province will cooperate and use best efforts to complete the assignment and assumption of the Obligations Secured by and from the Financing Entity to and by the Province, by the Assumption Closing Date.[616]

6.03 Effect of Assumption

On the date that the assignment and assumption of the Obligations Secured by and from the Financing Entity to and by the Province becomes effective (the "**Assumption Effective Date**"), the Province shall no longer be required to provide and perform the Limited Guarantee but will instead become a primary obligor under the Obligations Secured assumed pursuant to and in accordance with an applicable Assumption Agreement. For greater certainty, the obligations of the Province so assumed will not be secured obligations of the Province and the obligees thereof will have no right, interest or claim to or in respect of the Collateral or any proceeds therefrom. **[NTD: the forms of assumption agreement(s) need to be settled before this agreement is finalized.]**

6.04 Interim Period

Until the effective time of the assignment and assumption of the Obligations Secured by and from the Financing Entity to and by the Province on the Assumption Effective Date, the Province shall continue to perform and be obligated under the Limited Guarantee.

6.05 Rights in respect of the Assets Comprising the Collateral

Upon assuming the Financing Entity's obligations in respect of all Obligations Secured under Article VI, the Province (in addition to and without prejudice to any rights it otherwise has in law or equity) shall be subrogated and entitled to all of the Financing Entity's rights and interests under and in respect of the assets, property and undertaking comprising the Collateral and all proceeds therefrom, free and clear of any liens, encumbrances or restrictions arising under or as a result of the Trust Indenture. The Province shall have and be entitled to enforce all such rights and interests as an absolute assignee of the Financing Entity, with effect from and after the time of such assumption, without any further requirement for notice to or acceptance by the Financing Entity of such absolute assignment and without any reduction, set-off or counterclaim on account of any amounts that may, at or after the time of payment, be or become owing to the Financing Entity and unaffected by any other rights, interests or equities that arise thereafter in respect of the assets, property and undertaking comprising the Collateral as between the Beneficiaries and the Financing Entity. The Indenture Trustee and the Beneficiaries shall thereupon recognize the Province as the absolute owner of the assets, property and undertaking comprising the Collateral.

[616] Further details regarding obtaining of third party consents and rating agency approvals to be provided by OPG.

ARTICLE VII

7.02 Not Responsible for Recitals or Issuance of Notes

The recitals contained herein will be taken as the statements of the Province, the Financing Entity and the FSM, and the Indenture Trustee assumes no responsibility for their correctness. The Indenture Trustee makes no representations as to the validity or sufficiency of this Agreement.

7.03 Representations and Covenants of the Indenture Trustee

The Indenture Trustee represents, warrants and covenants that:

(a) the Indenture Trustee is a trust company organized, existing and in good standing under the laws of Canada;

(b) the Indenture Trustee has full power and authority to execute, deliver and perform this Agreement and has taken all necessary action to authorize the execution, delivery and performance by it of this Agreement and other documents to which it is a party;

(c) each of this Agreement and the other documents to which it is a party has been duly executed and delivered by the Indenture Trustee and constitutes its legal, valid and binding obligation in accordance with its terms; and

(d) the Indenture Trustee is authorized to carry on the business of a trust company in each of the provinces and territories of Canada.

ARTICLE VIII
SUSPENSION OF ADHERENCE FOR NEW PRIMARY OBLIGATIONS

8.01 Suspension Notice

A written notice in the form of Exhibit C (a "**Suspension Notice**") may be provided by the Province to the Indenture Trustee, the FSM and the Financing Entity in any of the following circumstances:

(a) ~~upon~~following the Province becoming aware of the occurrence of a Program Breach; and

(b) following the occurrence of a Breach Event that has not been waived in writing by the Province.

8.02 Suspension

If a Suspension Notice has been provided under Section 8.01 (the provision of such notice being a "**Suspension Event**"), the Limited Guarantee shall not apply in respect of any Obligation Secured incurred or amended on or after the time such Suspension Notice is delivered. For greater certainty, the rights of the Province under Article VI shall apply in respect of all Obligations Secured, including if incurred or amended on or after the time such Suspension Notice is delivered[17].

8.03 Termination Notice

On (a) the occurrence of a Suspension Event or (b) the Assumption Effective Date, the Province may provide to the Indenture Trustee, the FSM and the Financing Entity a notice in the form of Exhibit D (a "**Termination Notice**").~~[7]~~

8.04 No Impact on Adherence

For greater certainty, the occurrence of Suspension Event or a failure by the FSM or the Financing Entity to perform its covenants under this Agreement will not invalidate or extinguish the obligations of the Province under the Limited Guarantee in respect of Approved Obligations in existence prior to the occurrence of the Suspension Event, nor will it in any way impact the Obligations Secured which are assumed by the Province in accordance with Article VI.

[17] This will be affected by the resolution of the "amendments" point.

~~[7] The suspension right in favour of the Province is intended to allow the Province to cut-off future obligations under this Agreement, but not affect rights that have arisen prior to the suspension notice. The termination notice is a further step that allows the Province to bring this agreement to an end, but that only happens (under section 9.01) after all amounts capable of becoming due under the Limited Guarantee have been paid (i.e., the last obligation incurred prior to the suspension notice has been satisfied), including as a result of an assumption under Art VI.~~

Hi Ken,

Yes this is one of the issues, i.e. where the obligation to provide notice and information to the province would be found. However, we reviewed the master trust indenture further last night. There are some other issues as well as under the trust indenture s. 11.01 the Issuer and the Indenture Trustee have the ability to make a number of types of amendments without the consent of specified creditors including to add to the covenants of the Issuer or to surrender any right or power conferred upon the Issuer for the benefit of debtholders and also to enable the Issuer to file a registration statement for the offering of securities in the U.S. etc.. S. 11.02 provides for the making of a range of amendments with consent of debtholders. This is why Blakes specified these sections in their email to Torys as not all amendments are sent to the specified creditors. I think it would be worthwhile to have a further internal call with Blakes later this morning so that we have a full understanding of the implications of this issue.

If the Province is paying under the limited guarantee in the protection agreement, the Province would be paying in accordance with the terms and conditions of the agreements and obligations that the financing entity has entered into. If the Province determines that it is appropriate to directly assume the debt and obligations and obtains authority and approvals to do so and elects its option to do so, then upon direct assumption of the debt and derivatives, there would an opportunity for the terms be varied to be under the Province's ISDA's.

Thanks,

Malle

Hi Malle

As per our discussion last evening, I understood that the compromise position re the amendments issue was for the Province to be designated as a "specified creditor" thus be informed of any amendments 10 business days prior. The sticking point, as I understand it was our preference that these requirements be part of the Indenture Trust agreement while Tory's/Osler suggested that it be part of the Protection Agreement.

So the question is if we accept the Tory's/Osler position does the Province's risk increase materially, if not then we can proceed with their suggestion, especially since the Trustee is a party to the Protection Agreement.

I don't believe there any accounting implication from either approach though leave that to Cindy and Mark.

Steve also raises the issue of other Program Agreements presumably referring to agreements for derivatives. I am not too fussed about these, since any derivative arrangement that we will be taking on if the Protection Agreement comes into force will be under our ISDA. Maybe Mike may have something to add to this.

Thanks

Ken k

Rima, Krista, Nina and Michael,

Here are drafts of the Change of Law Protection Agreement and Change of Law Process Agreement. Please note that while various people at the Province have provided considerable thought and input into these drafts, they remain subject to on-going review, comment and consideration (including where indicated in the drafts) by the Province, and of course remain subject to ultimate consideration and approval by the Ministers. This circulation is for discussion purposes only. Please feel free to circulate these drafts to OPG, E&Y, Osler and the Dealers, reflecting that understanding.

We propose that a consolidated mark-up be prepared that reflects all of the issues that you or those others may have, and ideally reflects input from the rating agencies. Once that mark-up is available, we propose that a meeting of interested parties be held to resolve any outstanding issues.

In the meantime, please feel free to call Malle, Toby, Tom, Alena or me if you have questions or concerns.

Regards, Steve

Given the follow up email from Torys proposing changes to the structure of the agreements and the other comments on the agreements, have the dealers been asked to provide their written explanation as set out below as all the requested changes seem predicated on this point.

As I may not be able to join the call this morning, I thought I'd share my view: if this truly is an issue for marketing the bonds to investors, it would be significant from their perspective. Mike and I don't yet understand why it would be, so it is up to the underwriters, or their counsel, to provide us with a written, not oral, explanation as to why it would be. If they are not prepared to put their reasons in a short, plain English, form, I'm not prepared to accept their request.

According to Torys some of this reflects discussions they had with dealers counsel on the weekend and contacted me to have call to give more context. However I would like to discuss this with you as this seems to be quite a significant change to what we were discussing on Monday and our most recent draft. If we have a call maybe it should be the whole group and include Blakes.

Law Process Agreement - Fair Hydro

All – please find attached consolidated comments on the Process Agreement and the Protection Agreement blacklined to the drafts circulated by Blakes on Friday. We understand that the current structure requiring satisfaction of the adherence conditions in the Protection Agreement impacts the marketability of the transaction and creates uncertainty for investors. Accordingly, the dealers and OPG would like to discuss with the Province the possibility of moving the adherence conditions to the Process Agreement while preserving the Province's oversight of its obligations under the Protection Agreement. We will provide a proposal on that basis to discuss with the Province. Please note that the attached remains subject to the comments of the working group and the rating agencies.

Best Regards,
Nina

All,

Please find attached clean and blacklined copies of the Change of Law agreements.

I wasn't sure which blackline would be most helpful for your review. I've attached blacklines against:

- The Province's previous external circulated draft (November 21)
- Torys' draft (November 24)
- The Province's previous internal circulated draft (discussed on Friday).

I look forward to discussing tomorrow.

Kind regards,
Jon
