The parties agree that, with respect to the exercise of the Intercept generally, the terms of this section 5.7 shall be applied consistently with the terms set out in the Intercept Letter which shall apply in full. (3) Respecting the first Advance to be made under this Agreement (the "**First Advance**"), a specified portion thereof (the "**Repayment Amount**") shall be used to repay a portion of the IESO's outstanding indebtedness to the OFA under the credit agreement between the Parties dated January 1, 2005, as amended (the "**Existing Credit Facility**"). The amount of the Repayment Amount shall be detailed in the Borrowing Notice issued in respect of the First Advance. Concurrently with the First Advance, OFA shall provide to IESO an updated grid in respect of the grid note issued under the Existing Credit Facility evidencing the repayment of the Repayment Amount thereunder.

Section 3.3 Elections Regarding Advances.

(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 5 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

(2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than

10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 5 days and not later than 95 days after the current Repayment Date (the "**New Repayment Date"**). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the Grid Note in accordance with Section 3.2(2).

(5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date.

Section 3.4 Interest on Advances.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the Repayment Date of such Advance, at an annual rate equal to the Province of Ontario's cost of funds for borrowings with a similar term as determined by the OFA plus 0.25 percent per annum, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after Default and shall be payable on the Repayment Date for such Advance. Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the

OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

Section 3.5 Conditions Precedent

ADVANCES

Section 3.1 Advances.

The OFA agrees, on the terms and conditions of this Agreement, to make Advances to the OPA under the Operating Facility from time to time on any Business Day prior to November 30, 2006.

Section 3.2 Procedure for Advances.

(1) Subject to Section 3.3(3), each Advance shall be made on one Business Day's prior notice given not later than 10:00 a.m. (Toronto time) by the OPA to the OFA. Each notice of an Advance (a **"Borrowing Notice"**) shall be substantially in the form of Schedule 1, shall be irrevocable and binding on the OPA and shall specify (a) the requested date of the Advance, and (b) the principal amount of the Advance, and (c) the Repayment Date of the Advance which shall be not later than 1 month, 2 months or 3 months after the requested date of the Advance. The OFA will make the principal amount of each Advance available to the OPA in accordance with Article 2.

(2) On or before the date of the first Advance hereunder, the OPA shall execute and deliver to the OFA a grid promissory note in respect of Advances substantially in the form of Schedule 3. The OPA authorizes the OFA to record on the grid promissory note (a) the date and amount of each Advance, including any Advance all or a portion of which is continued by election under Section 3.3; (b) the applicable rate of interest for each Advance; (c) the Repayment Date of each Advance; (d) the date and amount of each payment of interest and each payment of principal in respect of each Advance; and (e) the outstanding principal amount of the grid promissory note. Such notations, in the absence of manifest error, shall be prima facie evidence of the such advances and repayments; provided that the failure of the OFA to record any amount, rate or date shall not affect the obligation of the OPA to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement.

Section 3.3 Elections Regarding Advances.

(1) The OPA may elect to continue all or a portion of the principal amount of any Advance for a further period of 1 month, 2 months or 3 months beginning on the then current Repayment Date in accordance with Section 3.3(2).

(2) Each election to continue an Advance for a further period shall be made one Business Day's prior notice given, in each case, not later than 10:00 a.m. (Toronto time) by the OPA to the OFA. Each such notice (an **"Election Notice"**) shall be given substantially in the form of Schedule 2 and shall be irrevocable and binding upon the OPA. If the OPA fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date.

Section 3.4 Interest on Advances.

(1) The OPA shall pay interest on the unpaid principal amount of each Advance in accordance with this Section 3.4 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the Repayment Date of such Advance, at an annual rate equal to the Province's cost of funds for borrowings with a similar term as determined by the OFA plus 0.25 percent per annum, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after default and shall be payable on the Repayment Date for such Advance. Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the OPA elects to continue an Advance in accordance with Section 3.3(2), the Province shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the OPA promissory note in respect of Advances held by it.

Section 3.5 Conditions Precedent

The obligation of the OFA to make the Advances pursuant to Section 2.1 is subject to the following conditions being satisfied to the OFA's satisfaction at the time of making each Advance:

(a) that the representations and warranties of the OPA contained in this Agreement are true and correct as at the date of making the Advance;

The IESO shall use the proceeds of Advances for the purposes for which it is authorized to borrow funds pursuant to Regulation 280/14 made under the *Electricity Act, 1998*, as such regulation may be amended or replaced from time to time, subject to the condition that proceeds of Advances may be used only for IESO's financing needs and requirements of any kind arising in connection with the IESO's role with respect to and obligations under the OFHP.

Section 2.3 Credit Facility Limit.

The Advances Outstanding shall not at any time exceed the Commitment. The Credit Facility shall revolve and no payment under the Credit Facility shall reduce the Commitment.

Section 2.4 Mandatory Repayment.

Subject to Sections 2.5 and 5.2, the IESO shall repay each Advance together with the interest accrued thereon on the applicable Repayment Date, and, in any event, shall repay all Advances Outstanding, together with all accrued interest and all other amounts owing hereunder on September 30, 2022.

Section 2.5 Prepayments.

The IESO is not entitled to prepay any part of the Advances Outstanding or the interest accrued thereon without the prior written consent of the OFA.

Section 2.6 Payments under this Agreement.

(1) The OFA shall make Advances to the IESO under this Agreement to or to the order of the IESO by wire transfer of immediately available funds in accordance with wire transfer instructions given by the IESO to the OFA from time to time, or in such other manner as the IESO may specify to the OFA from time to time.

(2) The IESO shall make any payment required hereunder to be made by it to the OFA, to or to the order of the OFA, by wire transfer of immediately available funds in accordance with wire transfer instruction given by the OFA to the IESO from time to time, or in such other manner as the OFA may specify to the IESO from time to time. The IESO shall make each such payment in Canadian Dollars.

Section 2.7 Computations of Interest.

(1) All computations of interest shall be made by the OFA taking into account the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest is payable on the basis of a year of 365 days or 366 days, as the case may be.

(2) For the purposes of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest which is equivalent to a rate of interest payable under this Agreement for any period of less than a year may be determined by multiplying the rate of interest for such period by a fraction, the numerator of which is the actual number of days in a year commencing on and including the first day in such period and ending on but excluding the corresponding day in the next calendar year and the denominator of which is the actual number of days in such period.

Section 2.8 Limit on Rate of Interest.

(1) Notwithstanding any provision contained in this Agreement, the IESO shall not be obliged to make any payments of interest or other amounts payable to the OFA hereunder in excess of the amount or rate which would be prohibited by applicable law or would result in the receipt by the OFA of interest at a criminal rate (as such terms are construed under the *Criminal Code* (Canada)).

(2) In the event that any such payments are limited or prohibited as provided in Section 2.8(1), the OFA shall have no further obligation to make any Advances available hereunder and the Advances Outstanding, together with all accrued interest and all other amounts owing hereunder, shall become immediately due and payable.

Section 2.9 Application of Payments.

All payments made by the IESO under this Agreement shall be applied firstly to the payment of interest payable to the OFA on late payments of principal or interest hereunder, secondly, to the payment of accrued and unpaid interest payable to the OFA hereunder and thirdly, to the payment of the outstanding principal amount of any Advances payable to the OFA.

ARTICLE 3
ADVANCES

Section 3.1 Advances.

The OFA agrees, on the terms and conditions of this Agreement, to make Advances to the IESO under the Credit Facility from time to time on any Business Day prior to September 23, 2022.

Section 3.2 Procedure for Advances.

(1) Subject to Section 3.3(5), each Advance shall be made subject to two Business Days' prior notice given not later than 10:00 a.m. (Toronto time) by the IESO to the OFA. Each notice of an Advance (a "**Borrowing Notice**") shall be substantially in the form of Schedule 1, other than a Borrowing Notice that is included in an Election Notice as permitted by Section 3.3(3). Each Borrowing Notice shall be irrevocable and binding on the IESO and shall specify (a) the requested date of the Advance; (b) the principal amount of the Advance, and (c) the Repayment Date of the Advance which shall not be earlier than 5 days and not later than 95 days after the date of the requested Advance. Each Borrowing Notice shall also certify the use of proceeds of the Advance which shall in any case be in accordance with Section 2.2. The OFA will make the principal amount of each Advance available to the IESO in accordance with Article 2.

(2) On or before the date of the first Advance hereunder, the IESO shall execute and deliver to the OFA a grid promissory note in respect of Advances substantially in the form of Schedule 3 (the "**Grid Note**"). The IESO authorizes the OFA to record on the Grid Note (a) the date and amount of each Advance or Continued Advance; (b) the applicable rate of interest for each Advance or Continued Advance; (c) the Repayment Date of each Advance or Continued Advance; (d) the date and amount of each payment of interest and each payment of principal or portion thereof in respect of each Advance or Continued Advance; and (e) Advances Outstanding. Such notations, in the absence of manifest error, shall be *prima facie* evidence of such Advances and repayments; provided that the failure of the OFA to record any amount, rate or date shall not affect the obligation of the IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement.

(3) Respecting the first Advance to be made under this Agreement (the "**First Advance**"), a specified portion thereof (the "**Repayment Amount**") shall be used to repay a portion of the IESO's outstanding indebtedness to the OFA under the credit agreement between the Parties dated January 1, 2005, as amended (the "**Existing Credit Facility**"). The amount of the Repayment Amount shall be detailed in the Borrowing Notice issued in respect of the First Advance. Concurrently with the First Advance, OFA shall provide to IESO an updated grid in respect of the grid note issued under the Existing Credit Facility evidencing the repayment of the Repayment Amount thereunder.

Section 3.3 Elections Regarding Advances.

(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 5 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

(2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than

10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 5 days and not later than 95 days after the current Repayment Date (the "**New Repayment Date"**). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the Grid Note in accordance with Section 3.2(2).

(5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date.

(6) The Credit Facility shall at all times rank *pari passu* with all other unsubordinated and unsecured Indebtedness of the IESO, subject to the existence of any Liens that secure Indebtedness, as permitted by subections 4.6 (a) through (e) hereof.

(7) All amounts owing in respect of the Advances shall be paid without exercising any right of set off or counterclaim by the IESO.

Section 3.4 Interest on Advances.

(1) The IESO shall pay interest on the unpaid principal amount of each Advance in accordance with this Section 3.4 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the Repayment Date of such Advance, at an annual rate equal to the Province of Ontario's cost of funds for borrowings with a similar term as determined by the OFA plus 0.25 percent per annum, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after Default and shall be payable on the Repayment Date for such Advance. Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the

OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

Section 3.5 Conditions Precedent

The obligation of the OFA to make the Advances to the IESO pursuant to Section 2.1 is subject to the following conditions being satisfied to the OFA's satisfaction at the time of making each Advance:

(a) that the representations and warranties of the IESO contained in this Agreement are true and correct as at the date of making the Advance;

(b) that no Event of Default has occurred and is continuing;

(c) that there shall, in the reasonable opinion of the OFA, have been no material adverse change in the financial condition of the IESO or a Material Subsidiary; and

(d) that the OFA has received such other documentation which it has reasonably requested to ensure that the IESO is in compliance with the terms and conditions of this Agreement, including certified true copies of any necessary resolutions, a written legal opinion from counsel to the IESO confirming that the borrowing is within the legal powers of the IESO and that the Agreement is a direct, unsecured obligation of the IESO enforceable against the IESO in form satisfactory to the OFA.

(c) The IESO agrees that any notice from the OFA to the Minister of Finance in relation to this section 5.7 (Intercept) may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance and, upon receipt of such notice, an amount equal to the amount that the IESO has failed to pay when due to the OFA on account of indebtedness under this Agreement shall be deducted from the Appropriated Funds and paid to the OFA.

(d) For further certainty, the OFA acknowledges and agrees that the Intercept as provided for herein and in the Intercept Letter shall not apply with respect to any funds appropriated by the Legislature for payment to the IESO through ministries other than the Ministry of Energy or through Ontario Climate Change Solutions Deployment Corporation.

(e) The parties agree that, with respect to the exercise of the Intercept generally, the terms of this section 5.7 shall be applied consistently with the terms set out in the Intercept Letter which shall apply in full. Notwithstanding the foregoing, in the event of a conflict or

inconsistency between the terms and conditions of the Intercept Letter and the terms and conditions contained in this Agreement, the terms and conditions contained in this Agreement shall prevail.

A. INDEPENDENT ELECTRICITY SYSTEM OPERATOR, (the "Company")

B. ONTARIO ELECTRICITY FINANCIAL CORPORATION ("OEFC")

RECITALS:

1. Pursuant to section 116 of the *Electricity Act, 1998*, the Lieutenant Governor in Council made an order ("Transfer Order") transferring certain officers, employees, assets, liabilities, rights and obligations of Ontario Hydro to the Company;

2. Pursuant to the Transfer Order, the Company and OEFC entered into an agreement dated April 1, 1999 ("Note Agreement") under which the Company issued a note in the amount of $70.3 million ("Initial Note") to OEFC in partial payment for the assets and rights described above;

3. The Company and OEFC entered into an amending agreement dated March 23, 2000 (which together with the Note Agreement is referred to in this amending agreement as the "Amended Note Agreement") to provide for the issuance of a new note ("Existing Note") in the amount of $78.2 million in replacement for the Initial Note;

4. The Company was continued under the name Independent Electricity System Operator pursuant to subsection 4(1) of the Electricity Act, 1998 effective January 1, 2005;

5. The Minister of Finance has directed OEFC to extend the term of the loan from May 1, 2009 to May 1, 2011.

6. The parties wish to further amend the Amended Note Agreement.

These powers are coupled with an interest, have been given for valuable consideration (the receipt and adequacy of which is acknowledged), survive, and do not terminate upon, the bankruptcy, dissolution, winding up or insolvency of the Grantor, and are irrevocable until the Statutory Obligation has been satisfied in full and this Agreement is terminated and the security interest created herein has been released. This power of attorney extends to and is binding upon the Grantor's successors and permitted assigns. The Grantor authorizes the Secured Party to delegate in writing to another person any power and authority of the Secured Party under this power of attorney as may be necessary or desirable in the opinion of the Secured Party, and to revoke or suspend such delegation.

3. COVENANTS OF THE GRANTOR

3.1 Covenants

The Grantor hereby covenants and agrees with the Secured Party as follows:

4. DEALING WITH COLLATERAL

4.1 Grantor's Rights

Until the Secured Party is entitled to exercise its rights and remedies under Section 6.2, the Grantor shall be entitled to deal with the Collateral in the ordinary course of business, provided however, that no such action shall be taken which would impair the effectiveness of the security interests created hereby, the provisions of this Agreement or any other written agreement between the Secured Party and the Grantor.

4.2 General Restrictions

The Grantor shall not, without the prior written consent of the Secured Party:

(a) sell, lease or otherwise dispose of the Collateral or any part thereof except in the ordinary course of business; or

4.3 Release by the Secured Party

The Secured Party may, at its discretion, at any time release from the security interest created by this Agreement any part or parts of the Collateral or any other security or any surety for the Statutory Obligation either with or without sufficient consideration therefor without thereby releasing any other part of the Collateral or any person from this Agreement.

5. REPRESENTATIONS AND WARRANTIES

5.1 Representations and Warranties

The Grantor hereby represents and warrants to the Secured Party, the matters set out below:

(a) **Incorporation and Qualifications** – The Grantor is a statutory corporation amalgamated under the laws of the Province of Ontario, with requisite power and authority to own its properties, to conduct its business as such properties are currently owned and such business is presently conducted by it, and to execute, deliver and carry out the terms of this Agreement.

(b) **Corporate Authority and Power** – The Grantor has the requisite power and authority to execute and deliver this Agreement and to carry out its terms. The execution, delivery and performance of all obligations under this Agreement have been duly authorized by all necessary action on the part of the Grantor under all applicable laws.

(c) **Non-Conflict** – Neither the execution nor the performance of this Agreement requires the approval of any regulatory agency having jurisdiction over the Grantor nor is this Agreement in contravention of or in conflict with the by-laws or resolutions of the directors or shareholders of the Grantor or of the provisions of any agreement to which the Grantor is a party or by which any of its property may be bound or of any statute, regulation, by-law, ordinance or other law, or to the best of its knowledge of any judgement, decree, award, ruling or order to which the Grantor or any of its property may be subject, other than approvals that have been obtained.

(d) **Ownership of Collateral Free of Liens** – The Grantor is the owner of or has rights in the existing Collateral free and clear of any liens other than Permitted Liens.

(e) **Grantor Information** – Schedule A sets forth (a) the Grantor's jurisdiction of incorporation, (b) the location of the Grantor's registered office and business operations and records, and (c) the Grantor's exact legal name (in English and French).

5.2 Reliance and Survival

All representations and warranties of the Grantor made in this Agreement shall survive the execution and delivery of this Agreement and shall continue in full force and effect without time limit. The Secured Party shall be deemed to have relied upon each such representation and

warranty notwithstanding any investigation made by or on behalf of the Secured Party at any time.

6. ENFORCEMENT

6.1 Enforceability of Security

The security hereby constituted shall become enforceable only upon the failure of the Grantor to pay the Statutory Obligations when due, and then only to the extent of the Statutory Obligations not then paid when due. The Grantor acknowledges that it has no right in any circumstance to accelerate payment of the Statutory Obligations, to apply proceeds of Collateral on account of Statutory Obligations not yet due, or to reserve or hold proceeds of Collateral on account of Statutory Obligations not yet due.

6.2 Remedies

At any time that the security hereby constituted shall have become enforceable, the Secured Party may give notice of its intention to its exercise rights and remedies hereunder. At any time ten Business Days following the giving of such notice, and unless the amounts due and owing on account of the carrying Costs at the time of the Notice have been paid, the Secured Party shall have the following rights, powers and remedies:

(a) to appoint any person to be an agent or any person to be a receiver, manager or receiver and manager (herein called the "**Receiver**") of the Collateral and to remove any Receiver so appointed and to appoint another if the Secured Party so desires; it being agreed that any Receiver appointed pursuant to the provisions of this Agreement shall have all of the powers of the Secured Party hereunder;

(b) to make payments to parties having prior charges or encumbrances on the Collateral;

(c) to preserve, protect and maintain the Collateral;

(d) to enjoy and exercise all powers necessary or incidental to the performance of all functions provided for in this Agreement;

(e) to sell or dispose of all or any part of the Collateral whether by public or private sale or otherwise and on any terms so long as every aspect of the disposition is commercially reasonable, including without limitation, terms that provide time for payment on credit;

(f) to enjoy and exercise in respect of the Collateral all of the rights and remedies of a secured party under the PPSA;

(g) to notify the account debtors or obligors under any Accounts which constitute part of the Collateral of the assignment of such Accounts to the Secured Party and to direct such account debtors or obligors to make payment of all amounts due or to become due to the Grantor thereunder directly to the Secured Party and to give valid and binding receipts and discharges therefor and in respect thereof and,

upon such notification and at the expense of the Grantor, to enforce collection of any such Accounts, and to adjust, settle or compromise the amount or payment thereof, in the same manner and to the same extent as the Grantor might have done; and

(h) to commence, continue or defend proceedings in any court of competent jurisdiction in the name of the Secured Party, the Receiver or the Grantor for the purpose of exercising any of the rights, powers and remedies set out in this Section, including the institution of proceedings for the appointment of a receiver, manager or receiver and manager of the Collateral.

6.3 Special Rules re Accounts

At any time that the Secured Party is entitled to exercise its rights and remedies under Section 6.2,

(a) all Money or other form of payment received by the Grantor in respect of the Collateral shall be received in trust for the benefit of the Secured Party hereunder, shall be segregated from other funds of the Grantor and shall be forthwith paid over to the Secured Party in the same form as so received (with any necessary endorsement) to be held as cash collateral and applied as provided by Section 6.8; and

(b) the Grantor shall not adjust, settle or compromise the amount or payment of any Collateral.

6.4 Receiver as Agent

The Receiver shall be deemed to be the agent of the Grantor for the purpose of establishing liability for the acts or omissions of the Receiver and the Secured Party shall not be liable for such acts or omissions and, without restricting the generality of the foregoing, the Grantor hereby irrevocably authorizes the Secured Party to give instructions to the Receiver relating to the performance of its duties as set out herein.

6.5 Expenses of Enforcement

The Grantor shall pay to the Receiver the remuneration of the Receiver and all costs and expenses (including, without limitation, legal fees and disbursements on a full indemnity basis) properly incurred by the Receiver pursuant to its appointment and the exercise of its powers hereunder, and shall pay to the Secured Party and the Receiver as required all amounts of Money (including interest thereon) borrowed or advanced by either of them pursuant to the powers set out herein, and the obligations of the Grantor to the Secured Party and the Receiver pursuant to this Section 6.5 shall be payable on demand.

6.6 Indulgences and Releases

Either the Secured Party or the Receiver may grant extensions of time and other indulgences, take and give up securities, accept compositions, grant releases and discharges, release any part of the Collateral to third parties and otherwise deal with the Grantor, debtors of the Grantor,

sureties and others and with the Collateral and other security as the Secured Party or the Receiver may see fit without prejudice to the right of the Secured Party and the Receiver to repossess, hold, collect and realize the Collateral.

6.7 No Liability for Failure to Exercise Remedies

The Secured Party and the Receiver shall not be liable or accountable to the Grantor or to any other person for any failure to exercise any of the rights, powers and remedies set out in this Agreement, and shall not be bound to commence, continue or defend proceedings for the purpose of preserving or protecting any rights of the Secured Party, the Receiver, the Grantor or any other party in respect of the same.

6.8 Proceeds of Disposition

All Moneys received by the Secured Party or by the Receiver pursuant to Section 6.2 shall be promptly applied as follows:

(a) first, in payment of all costs and expenses incurred by the Secured Party in the exercise of all or any of the powers granted to it under this Agreement and in payment of all of the remuneration of the Receiver and all costs and expenses properly incurred by the Receiver in the exercise of all or any of the powers granted to it under this Agreement, including, without limitation, the remuneration, costs and expenses referred to in Section 6.5;

(b) second, in payment of all amounts of Money borrowed or advanced by either of the Secured Party or the Receiver pursuant to the powers set out in this Agreement and any interest thereon;

(c) third, in payment of the Statutory Obligation, provided that if there are not sufficient Moneys to fully pay and perform the Statutory Obligation, the Secured Party may apply the Moneys available to such part or parts thereof as the Secured Party, in its sole discretion, may determine; and

(d) fourth, in payment of any surplus in accordance with applicable law.

6.9 Grantor Liable for Deficiency

If the Moneys received by the Secured Party or the Receiver pursuant to Section 6.2 are not sufficient to pay the claims set out in Section 6.8, the Grantor shall immediately pay the Secured Party the amount of such deficiency.

6.10 Restriction on Grantor

Upon notification of the account debtors or obligors under any Accounts which constitute part of the Collateral of the assignment of such Accounts to the Secured Party or the appointment of a Receiver in respect of the Collateral, all the powers, functions, rights and privileges of the Grantor or any officer, director, servant or agent of the Grantor with respect to the Collateral shall, to the extent permitted by applicable law, be suspended unless specifically continued by the written consent of the Secured Party; however, all other powers, functions, rights and

privileges of the Grantor or any officer, director, servant or agent of the Grantor shall be unaffected by such events.

6.11 Rights Cumulative

All rights and remedies of the Secured Party set out in this Agreement shall be cumulative and no right or remedy contained herein is intended to be exclusive but each shall be in addition to every other right or remedy contained herein or in any existing or future security document or now or hereafter existing at law or in equity or by statute.

7. GENERAL

7.1 Waiver

Any default by the Grantor in the observance or performance of any covenant or condition required to be observed or performed by the Grantor hereunder, may only be waived by the Secured Party in writing, provided that no such waiver by the Secured Party shall extend to or be taken in any manner to affect any subsequent breach or default or the rights resulting therefrom.

7.2 The Secured Party as Attorney

At any time that the Secured Party is entitled to exercise its rights and remedies under Section 6.2, the Grantor hereby irrevocably appoints the Secured Party and any person further designated by the Secured Party to be the attorney of the Grantor for and in the name of the Grantor to execute and do any deeds, documents, transfers, demands, assignments, assurances, consents and things which the Grantor is obliged to sign, execute or do hereunder and, to commence, continue and defend any proceedings authorized to be taken hereunder and generally to use the name of the Grantor in the exercise of all or any of the powers hereby conferred on the Secured Party. These powers are coupled with an interest, have been given for valuable consideration (the receipt and adequacy of which is acknowledged), survive, and do not terminate upon, the bankruptcy, dissolution, winding up or insolvency of the Grantor, and are irrevocable until the Statutory Obligation has been satisfied in full and this Agreement is terminated and the security interest created herein has been released. This power of attorney extends to and is binding upon the Grantor's successors and permitted assigns. The Grantor authorizes the Secured Party to delegate in writing to another person any power and authority of the Secured Party under this power of attorney as may be necessary or desirable in the opinion of the Secured Party, and to revoke or suspend such delegation.

7.3 Further Assurances

The Grantor shall do, execute, acknowledge and deliver or cause to be done, executed, acknowledged and delivered, such further acts, deeds, mortgages, transfers and assurances as the Secured Party shall reasonably require for the better assuring, charging, assigning and conferring unto the Secured Party a security interest in the Collateral, or which the Grantor may hereafter become bound to charge in favour of the Secured Party, for the purpose of accomplishing and effecting the intention of this Agreement.

Hi Lisa/Ryan,

Thank you very much for the responses and that's helpful!

I will go back to IESO to verify what's their rationale to for the request. But before I go back, I just want to make sure that I understand the concerns/suggestions from our side first.

The change we made for the OFA credit facility agreement was to allow IESO to take liens related to FHP in the event if IESO can't pay OFA back the loan, correct? What was the reason for this change? And wouldn't the same reason apply for the loans that IESO has with OEFC? And if IESO can't pay back the loans to OEFC, should they still be able to take any liens related to FHP, or not? But if they were able to do so under the OFA credit facility agreement, are there any reasons that they cannot do the same under the OEFC credit facility agreement?

I understand that the $120M and $160M credit facilities are not for FHP purposes, but I think this is a separate question from whether they can take liens related to FHP if IESO can't pay OEFC back the loans? Similarly, I believe the existing $475M IESO credit facility with OFA was not for the FHP purpose, but the agreement was amended by the amendment #10 to include the FHP lien clause in the actual agreement, right? So I am just a bit confused about this process and trying to find out whether we should apply a consistent approach for OEFC's credit facilities before I push this back to IESO.

Also, a separate question on the $160M credit facility agreement. Since it was amended to be used for FHP purpose previously, do we need to amend that now since a separate facility agreement was created specifically for FHP purposes? Or that amendment automatically expires when the $2B FHP credit facility was created, and for sure we don't need to update anything in the $160M credit facility agreement to that effect?

Thanks,
Gavin He

Hi Gavin,

Thank you for your note. After reviewing your note and the attached agreements we had a few comments:

- We understand that the $160M credit facility agreement will not be used for FHP purposes, although an amendment was made earlier in 2017 to allow advances for the purposes of FHP.
- It is our assumption that the $160M credit facility agreement was amended in April, 2017, pursuant to Reg. 280/14 as a potential temporary option for FHP funding requirements until such time as a separate facility agreement was created specifically for FHP purposes (i.e. the $2B OFA-IESO credit facility)
- There is an existing $120M loan agreement, maturing June 30, 2020, which is not a credit facility, but a fixed term loan. No amendments were made here in relation to FHP, as it is non-revolving and used for capital purposes.
- Since the $160M credit facility agreement will not be used for FHP purposes, it is not clear to us why the change to definition of Permitted Liens is required, and how not making this change would prevent IESO from performing its obligations under the OFHP Act. Please clarify.
- Kindly confirm with Anthony why IESO believes these amendments are necessary in respect of the $160M credit facility and $120M loan agreement.

We look forward to hearing back from you. Happy to discuss further as always.

Thank You,

Subject: IESO - OEFC Nov 7

Ryan,

As discussed with Will today, I understand you will be co-ordinating the proposed 2 amendments to the existing IESO-OEFC credit facilities.

For starters, there are no expected changes being asked to the existing agreement's key business content (e.g. amounts, dates, interest, notices etc.), rather given that IESO-OFA have just finished two new agreements pertaining to the new fair hydro program, ….I suggest we just copy and paste the salient sections from these agreements that would now be relevant to the OEFC agreements for fair hydro namely;

1.DRAFT
The definition of "Permitted Liens" is amended by deleting the word "and" at the end of subsection (xx); replacing the "." at the end of subsection (xx) and replacing it with "; and" ; and adding the following subsection (xx):
"(xx) any Lien arising from the IESO's role and obligations under the OFHP, including with respect to any amount received or receivable by the IESO (such as, without limitation, amounts received or receivable in respect of the Clean Energy Adjustment), or any other lien, whether arising from the action or inaction of IESO, that is created in connection with the OFHP."

2.DRAFT
The OFA agreements had required an intercept provision, …..not sure if the same applies to OEFC if yes:

"Section 5.7 Intercept
(a) The IESO hereby acknowledges that, in accordance with the terms of the letter agreement of November 6th , 2017 herewith entered between the Ministry of Energy, the IESO and the OFA made pursuant to Section 23 of the Capital Investment Plan Act, 1993 (the "Intercept Letter"), the Minister of Finance is entitled to deduct only from those monies appropriated by the Legislature for payment through the Ministry of Energy to the IESO ("Appropriated Funds"), amounts equal to any amounts that the IESO fails to pay to the OFA on account of indebtedness under this Agreement. On the occurrence of an Event of Default relating to a failure by IESO to pay when due any amounts owing hereunder, subject to the OFA's compliance with any relevant provisions hereof and as set out in the Intercept Letter, the Minister of Finance is irrevocably authorized to deduct from the Appropriated Funds amounts equal to any amounts that the IESO has failed to pay to the OFA in accordance with the provisions of this Agreement and to pay such amounts directly to the OFA ("Intercept").
(b) If, after following the process specified in the Intercept Letter (including, without limitation, allowing for a reasonable cure period on the terms specified therein), the OFA determines that it is necessary to request the Minister of Finance to exercise the Intercept, the OFA will give written notice to the Minister of Finance, with a copy to the Ministry of Energy, detailing the IESO's failure to pay when due any amounts owing hereunder and requesting the deduction from the Appropriated Funds of amounts equal to the amounts that the IESO has failed to pay to the OFA under this Agreement.
(c) The IESO agrees that any notice from the OFA to the Minister of Finance in relation to this section 5.7 (Intercept) may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance and, upon receipt of such notice, an amount equal to the amount that the IESO has failed to pay when due to the OFA on account of indebtedness under this Agreement shall be deducted

from the Appropriated Funds and paid to the OFA.
(d) For further certainty, the OFA acknowledges and agrees that the Intercept as provided for herein and in the Intercept Letter shall not apply with respect to any funds appropriated by the Legislature for payment to the IESO through ministries other than the Ministry of Energy or through Ontario Climate Change Solutions Deployment Corporation.
The parties agree that, with respect to the exercise of the Intercept generally, the terms of this section 5.7 shall be applied consistently with the terms set out in the Intercept Letter which shall apply in full. Notwithstanding the foregoing, in the event of a conflict or inconsistency between the terms and conditions of the Intercept Letter and the terms and conditions contained in this Agreement, the terms and conditions contained in this Agreement shall prevail."

3.
If any… other relevant updates that make sense to do now……I do not anticipate any material ones.

We need your support to expedite the above in order to avoid delays in the Fair Hydro implementation.
Regards.

Hi Lisa/Sarah H.,

We touched based with IESO and they told us that the OEFC agreements do not contemplate a general grant of security by IESO over its assets as is currently under discussion with the OPG Trust relative to the implementation of the OFHP. The changes required to allow for such a grant would be to amend the permitted liens and negative covenant language in the OEFC agreements so as to make it the same as, or very similar to, the language in the two OFA Agreements that were signed recently.

We will get a policy direction soon and will draft a note for you to review once it's ready.

Hi Lisa/Ryan,

Thank you very much for the responses and that's helpful!

I will go back to IESO to verify what's their rationale to for the request. But before I go back, I just want to make sure that I understand the concerns/suggestions from our side first.

The change we made for the OFA credit facility agreement was to allow IESO to take liens related to FHP in the event if IESO can't pay OFA back the loan, correct? What was the reason for this change? And wouldn't the same reason apply for the loans that IESO has with OEFC? And if IESO can't pay back the loans to OEFC, should they still be able to take any liens related to FHP, or not? But if they were able to do so under the OFA credit facility agreement, are there any reasons that they cannot do the same under the OEFC credit facility agreement?

I understand that the $120M and $160M credit facilities are not for FHP purposes, but I think this is a separate question from whether they can take liens related to FHP if IESO can't pay OEFC back the loans? Similarly, I believe the existing $475M IESO credit facility with OFA was not for the FHP purpose, but the agreement was amended by the amendment #10 to include the FHP lien clause in the actual agreement, right? So I am just a bit confused about this process and trying to find out whether we should apply a consistent approach for OEFC's credit facilities before I push this back to IESO.

Also, a separate question on the $160M credit facility agreement. Since it was amended to be used for FHP purpose previously, do we need to amend that now since a separate facility agreement was created specifically for FHP purposes? Or that amendment automatically expires when the $2B FHP credit facility was created, and for sure we don't need to update anything in the $160M credit facility agreement to that effect?

Thanks,
Gavin He

Subject: RE: IESO / OEFC - $120MM and $160MM

Hi Lisa/Ryan,
Thank you very much for the responses and that's helpful!
I will go back to IESO to verify what's their rationale to for the request. But before I go back, I just want to make sure that I understand the concerns/suggestions from our side first.
The change we made for the OFA credit facility agreement was to allow IESO to take liens related to FHP in the event if IESO can't pay OFA back the loan, correct? What was the reason for this change? And wouldn't the same reason apply for the loans that IESO has with OEFC? And if IESO can't pay back the loans to OEFC, should they still be able to take any liens related to FHP, or not? But if they were able to do so under the OFA credit facility agreement, are there any reasons that they cannot do the same under the OEFC credit facility agreement?
I understand that the $120M and $160M credit facilities are not for FHP purposes, but I think this is a separate question from whether they can take liens related to FHP if IESO can't pay OEFC back the loans? Similarly, I believe the existing $475M IESO credit facility with OFA was not for the FHP purpose, but the agreement was amended by the amendment #10 to include the FHP lien clause in the actual agreement, right? So I am just a bit confused about this process and trying to find out whether we should apply a consistent approach for OEFC's credit facilities before I push this back to IESO.
Also, a separate question on the $160M credit facility agreement. Since it was amended to be used for FHP purpose previously, do we need to amend that now since a separate facility agreement was created specifically for FHP purposes? Or that amendment automatically expires when the $2B FHP credit facility was created, and for sure we don't need to update anything in the $160M credit facility agreement to that effect?
Thanks,
Gavin He

Subject: IESO / OEFC - $120MM and $160MM

Hi Gavin,

Thank you for your note. After reviewing your note and the attached agreements we had a few comments:

- We understand that the $160M credit facility agreement will not be used for FHP purposes, although an amendment was made earlier in 2017 to allow advances for the purposes of FHP.
- It is our assumption that the $160M credit facility agreement was amended in April, 2017, pursuant to Reg. 280/14 as a potential temporary option for FHP funding requirements until such time as a separate facility agreement was created specifically for FHP purposes (i.e. the $2B OFA-IESO credit facility)
- There is an existing $120M loan agreement, maturing June 30, 2020, which is not a credit facility, but a fixed term loan. No amendments were made here in relation to FHP, as it is non-revolving and used for capital purposes.
- Since the $160M credit facility agreement will not be used for FHP purposes, it is not clear to us why the change to definition of Permitted Liens is required, and how not making this change would prevent IESO from performing its obligations under the OFHP Act. Please clarify.
- Kindly confirm with Anthony why IESO believes these amendments are necessary in respect of the $160M credit facility and $120M loan agreement.

We look forward to hearing back from you. Happy to discuss further as always.

Thank You,

Subject: IESO - OEFC Nov 7

Ryan,

As discussed with Will today, I understand you will be co-ordinating the proposed 2 amendments to

the existing IESO-OEFC credit facilities.
For starters, there are no expected changes being asked to the existing agreement's key business content (e.g. amounts, dates, interest, notices etc.), rather given that IESO-OFA have just finished two new agreements pertaining to the new fair hydro program, ….I suggest we just copy and paste the salient sections from these agreements that would now be relevant to the OEFC agreements for fair hydro namely;

1.DRAFT

The definition of "Permitted Liens" is amended by deleting the word "and" at the end of subsection (xx); replacing the "." at the end of subsection (xx) and replacing it with "; and" ; and adding the following subsection (xx):
"(xx) any Lien arising from the IESO's role and obligations under the OFHP, including with respect to any amount received or receivable by the IESO (such as, without limitation, amounts received or receivable in respect of the Clean Energy Adjustment), or any other lien, whether arising from the action or inaction of IESO, that is created in connection with the OFHP."

2.DRAFT

The OFA agreements had required an intercept provision, …..not sure if the same applies to OEFC if yes:
"Section 5.7 Intercept
(a) The IESO hereby acknowledges that, in accordance with the terms of the letter agreement of November 6th , 2017 herewith entered between the Ministry of Energy, the IESO and the OFA made pursuant to Section 23 of the Capital Investment Plan Act, 1993 (the "Intercept Letter"), the Minister of Finance is entitled to deduct only from those monies appropriated by the Legislature for payment through the Ministry of Energy to the IESO ("Appropriated Funds"), amounts equal to any amounts that the IESO fails to pay to the OFA on account of indebtedness under this Agreement. On the occurrence of an Event of Default relating to a failure by IESO to pay when due any amounts owing hereunder, subject to the OFA's compliance with any relevant provisions hereof and as set out in the Intercept Letter, the Minister of Finance is irrevocably authorized to deduct from the Appropriated Funds amounts equal to any amounts that the IESO has failed to pay to the OFA in accordance with the provisions of this Agreement and to pay such amounts directly to the OFA ("Intercept").
(b) If, after following the process specified in the Intercept Letter (including, without limitation, allowing for a reasonable cure period on the terms specified therein), the OFA determines that it is necessary to request the Minister of Finance to exercise the Intercept, the OFA will give written notice to the Minister of Finance, with a copy to the Ministry of Energy, detailing the IESO's failure to pay when due any amounts owing hereunder and requesting the deduction from the Appropriated Funds of amounts equal to the amounts that the IESO has failed to pay to the OFA under this Agreement.
(c) The IESO agrees that any notice from the OFA to the Minister of Finance in relation to this section 5.7 (Intercept) may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance and, upon receipt of such notice, an amount equal to the amount that the IESO has failed to pay when due to the OFA on account of indebtedness under this Agreement shall be deducted from the Appropriated Funds and paid to the OFA.
(d) For further certainty, the OFA acknowledges and agrees that the Intercept as provided for herein and in the Intercept Letter shall not apply with respect to any funds appropriated by the Legislature for payment to the IESO through ministries other than the Ministry of Energy or through Ontario Climate Change Solutions Deployment Corporation.

The parties agree that, with respect to the exercise of the Intercept generally, the terms of this section 5.7 shall be applied consistently with the terms set out in the Intercept Letter which shall apply in full. Notwithstanding the foregoing, in the event of a conflict or inconsistency between the terms and conditions of the Intercept Letter and the terms and conditions contained in this Agreement, the terms and conditions contained in this Agreement shall prevail."

3.

If any… other relevant updates that make sense to do now……I do not anticipate any material ones.

We need your support to expedite the above in order to avoid delays in the Fair Hydro implementation.

Regards.

Hi Lisa/Sarah H.,

We touched based with IESO and they told us that the OEFC agreements do not contemplate a general grant of security by IESO over its assets as is currently under discussion with the OPG Trust relative to the implementation of the OFHP. The changes required to allow for such a grant would be to amend the permitted liens and negative covenant language in the OEFC agreements so as to make it the same as, or very similar to, the language in the two OFA Agreements that were signed recently.

We will get a policy direction soon and will draft a note for you to review once it's ready.

No, I don't think the OFA Lending Policy would apply to these OEFC loans. The OFA Lending Policy addresses lending activities to public bodies undertaken where the OFA is acting as an intermediary on behalf of the Province.

OEFC -- IESO CREDIT FACILITY AGREEMENT & THE PERMITTED LIENS

ISSUE

The IESO has requested OEFC to reopen the existing credit facility agreement between OEFC and IESO to make amendment to the definition of the permitted liens.

CONTEXT

To support IESO's role in the implementation and participation under the *Ontario Fair Hydro Plan Act, 2017* ("OFHP Act"), OFA recently amended the credit facility agreement between OFA and the IESO. One of the amendments to the agreement is to amend the definition of the permitted liens to include any lien arising from the IESO's role and obligations under the OFHP.

The OFA credit facility agreement was amended due to additional roles IESO is taking on under Ontario's Fair Hydro Plan. To fufil its obligation, the IESO will need a general grant of security on any lien arising from the IESO's role and obligations under the OFHP. Therefore, the OFA credit facility agreement was amended to allow for such a general grant of security.

For the same reason, the IESO has requested OEFC to reopen the existing credit facility agreement between OEFC and IESO to make the similar amendment. Specifically, adding a clause in the OEFC credit facility agreement that any lien related to OFHP will not be viewed as negative pledge by OEFC, so those liens can be used to secure the performance of IESO's obligations to OEFC.

RECOMMENDATION

- To maintain a consistent approach with IESO's credit facilities, CEFD staff and IESO are of the view that the exisiting OEFC credit facility should amend the permitted liens and negative covenant language to make it the same as, or very similar to, the language in the two OFA Agreements that were signed recently.
- Although the OEFC credit facility is not used for OFHP's purpose, such change to the permitted liens is still required in order for IESO to meet its role and obligation under the OFHP Act.

BACKGROUND

- Currently, under the existing credit facility agreement between OEFC and the IESO, the definition of the "permitted liens" does not include any lien arising from the IESO's role and obligations under the OFHP, including with respect to any amount received or receivable by the IESO (such as, without limitation, amounts received or receivable in respect of the Clean Energy Adjustment), or any other lien, whether arising from the action or inaction of IESO, that is created in connection with the OFHP.
- On November 6, 2017, OFA and IESO signed an updated OFA IESO credit facility agreement with respect to changes related to OFHP. Below are the related changes made to the OFA credit facility:

  Excerpt from the excuted OFA IESO Amending Agreement #10:

  > *The definition of "Permitted Liens" is amended by deleting the word "and" at the end of subsection (i); replacing the "." at the end of subsection (j) and replacing it with "; and" ; and adding the following subsection (k):*
  >
  > > *"(k) any Lien arising from the IESO's role and obligations under the OFHP, including with respect to any amount received or receivable by the IESO (such as, without limitation, amounts received or receivable in respect of the Clean Energy Adjustment), or any other lien, whether arising from the action or inaction of IESO, that is created in connection with the OFHP."*

Hi Lisa, Sarah, and William,

Following my email on Tuesday, EFB has drafted the attached note on the IESO's request on the OEFC credit facility, including the background information, our recommendation, and the rationale. Could you please review the accuracy of the note and would you be able to provide me with your feedback before noon today?

Sorry for the short turnaround time, but we all would like to move on this as soon as possible.

Thanks,

Gavin He

Hi Lisa/Sarah H.,

We touched based with IESO and they told us that the OEFC agreements do not contemplate a general grant of security by IESO over its assets as is currently under discussion with the OPG Trust relative to the implementation of the OFHP. The changes required to allow for such a grant would be to amend the permitted liens and negative covenant language in the OEFC agreements so as to make it the same as, or very similar to, the language in the two OFA Agreements that were signed recently.

We will get a policy direction soon and will draft a note for you to review once it's ready.

Regards,

Gavin He

No, I don't think the OFA Lending Policy would apply to these OEFC loans. The OFA Lending Policy addresses lending activities to public bodies undertaken where the OFA is acting as an intermediary on behalf of the Province.

Once we have completed the 2 OFA facilities and the intercept letter – we then have to turn to the 2 outstanding IESO-OEFC credit facilities to contemplate any further amendments too.

Just ensuring that these 2 OEFC facilities are not missed.

OEFC -- IESO CREDIT FACILITY AGREEMENT & THE PERMITTED LIENS

ISSUE

The IESO has requested OEFC to reopen the existing credit facility agreement between OEFC and IESO to make amendment to the definition of the permitted liens.

CONTEXT

To support IESO's role in the implementation and participation under the *Ontario Fair Hydro Plan Act, 2017* ("OFHP Act"), OFA recently amended the credit facility agreement between OFA and the IESO. One of the amendments to the agreement is to amend the definition of the permitted liens to include any lien arising from the IESO's role and obligations under the OFHP.

The OFA credit facility agreement was amended due to additional roles IESO is taking on under Ontario's Fair Hydro Plan. To fufil its obligation, the IESO will need a general grant of security on any lien arising from the IESO's role and obligations under the OFHP. Therefore, the OFA credit facility agreement was amended to allow for such a general grant of security.

For the same reason, the IESO has requested OEFC to reopen the existing credit facility agreement between OEFC and IESO to make the similar amendment. Specifically, adding a clause in the OEFC credit facility agreement that any lien related to OFHP will not be viewed as negative pledge by OEFC, so those liens can be used to secure the performance of IESO's obligations to OEFC.

RECOMMENDATION

- To maintain a consistent approach with IESO's credit facilities, CEFD staff and IESO are of the view that the exisiting OEFC credit facility should amend the permitted liens and negative covenant language to make it the same as, or very similar to, the language in the two OFA Agreements that were signed recently.
- Although the OEFC credit facility is not used for OFHP's purpose, such change to the permitted liens is still required in order for IESO to meet its role and obligation under the OFHP Act.

BACKGROUND

- Currently, under the existing credit facility agreement between OEFC and the IESO, the definition of the "permitted liens" does not include any lien arising from the IESO's role and obligations under the OFHP, including with respect to any amount received or receivable by the IESO (such as, without limitation, amounts received or receivable in respect of the Clean Energy Adjustment), or any other lien, whether arising from the action or inaction of IESO, that is created in connection with the OFHP.
- On November 6, 2017, OFA and IESO signed an updated OFA IESO credit facility agreement with respect to changes related to OFHP. Below are the related changes made to the OFA credit facility:

  Excerpt from the excuted OFA IESO Amending Agreement #10:

  > *The definition of "Permitted Liens" is amended by deleting the word "and" at the end of subsection (i); replacing the "." at the end of subsection (j) and replacing it with "; and" ; and adding the following subsection (k):*
  >
  > > *"(k) any Lien arising from the IESO's role and obligations under the OFHP, including with respect to any amount received or receivable by the IESO (such as, without limitation, amounts received or receivable in respect of the Clean Energy Adjustment), or any other lien, whether arising from the action or inaction of IESO, that is created in connection with the OFHP."*

Hi Lisa/Ryan,
Thank you very much for the responses and that's helpful!
I will go back to IESO to verify what's their rationale to for the request. But before I go back, I just want to make sure that I understand the concerns/suggestions from our side first.
The change we made for the OFA credit facility agreement was to allow IESO to take liens related to FHP in the event if IESO can't pay OFA back the loan, correct? What was the reason for this change? And wouldn't the same reason apply for the loans that IESO has with OEFC? And if IESO can't pay back the loans to OEFC, should they still be able to take any liens related to FHP, or not? But if they were able to do so under the OFA credit facility agreement, are there any reasons that they cannot do the same under the OEFC credit facility agreement?
I understand that the $120M and $160M credit facilities are not for FHP purposes, but I think this is a separate question from whether they can take liens related to FHP if IESO can't pay OEFC back the loans? Similarly, I believe the existing $475M IESO credit facility with OFA was not for the FHP purpose, but the agreement was amended by the amendment #10 to include the FHP lien clause in the actual agreement, right? So I am just a bit confused about this process and trying to find out whether we should apply a consistent approach for OEFC's credit facilities before I push this back to IESO.
Also, a separate question on the $160M credit facility agreement. Since it was amended to be used for FHP purpose previously, do we need to amend that now since a separate facility agreement was created specifically for FHP purposes? Or that amendment automatically expires when the $2B FHP credit facility was created, and for sure we don't need to update anything in the $160M credit facility agreement to that effect?
Thanks,
Gavin He

Hi Gavin,

Thank you for your note. After reviewing your note and the attached agreements we had a few comments:

- We understand that the $160M credit facility agreement will not be used for FHP purposes, although an amendment was made earlier in 2017 to allow advances for the purposes of FHP.
- It is our assumption that the $160M credit facility agreement was amended in April, 2017, pursuant to Reg. 280/14 as a potential temporary option for FHP funding requirements until such time as a separate facility agreement was created specifically for FHP purposes (i.e. the $2B OFA-IESO credit facility)
- There is an existing $120M loan agreement, maturing June 30, 2020, which is not a credit facility, but a fixed term loan. No amendments were made here in relation to FHP, as it is non-revolving and used for capital purposes.
- Since the $160M credit facility agreement will not be used for FHP purposes, it is not clear to us why the change to definition of Permitted Liens is required, and how not making this change would prevent IESO from performing its obligations under the OFHP Act. Please clarify.
- Kindly confirm with Anthony why IESO believes these amendments are necessary in respect of the $160M credit facility and $120M loan agreement.

We look forward to hearing back from you. Happy to discuss further as always.

Subject: IESO - OEFC Nov 7

Ryan,

As discussed with Will today, I understand you will be co-ordinating the proposed 2 amendments to

the existing IESO-OEFC credit facilities.
For starters, there are no expected changes being asked to the existing agreement's key business content (e.g. amounts, dates, interest, notices etc.), rather given that IESO-OFA have just finished two new agreements pertaining to the new fair hydro program, ….I suggest we just copy and paste the salient sections from these agreements that would now be relevant to the OEFC agreements for fair hydro namely;

1.DRAFT

The definition of "Permitted Liens" is amended by deleting the word "and" at the end of subsection (xx); replacing the "." at the end of subsection (xx) and replacing it with "; and" ; and adding the following subsection (xx):
"(xx) any Lien arising from the IESO's role and obligations under the OFHP, including with respect to any amount received or receivable by the IESO (such as, without limitation, amounts received or receivable in respect of the Clean Energy Adjustment), or any other lien, whether arising from the action or inaction of IESO, that is created in connection with the OFHP."

2.DRAFT

The OFA agreements had required an intercept provision, …..not sure if the same applies to OEFC if yes:
"Section 5.7 Intercept
(a) The IESO hereby acknowledges that, in accordance with the terms of the letter agreement of November 6th , 2017 herewith entered between the Ministry of Energy, the IESO and the OFA made pursuant to Section 23 of the Capital Investment Plan Act, 1993 (the "Intercept Letter"), the Minister of Finance is entitled to deduct only from those monies appropriated by the Legislature for payment through the Ministry of Energy to the IESO ("Appropriated Funds"), amounts equal to any amounts that the IESO fails to pay to the OFA on account of indebtedness under this Agreement. On the occurrence of an Event of Default relating to a failure by IESO to pay when due any amounts owing hereunder, subject to the OFA's compliance with any relevant provisions hereof and as set out in the Intercept Letter, the Minister of Finance is irrevocably authorized to deduct from the Appropriated Funds amounts equal to any amounts that the IESO has failed to pay to the OFA in accordance with the provisions of this Agreement and to pay such amounts directly to the OFA ("Intercept").
(b) If, after following the process specified in the Intercept Letter (including, without limitation, allowing for a reasonable cure period on the terms specified therein), the OFA determines that it is necessary to request the Minister of Finance to exercise the Intercept, the OFA will give written notice to the Minister of Finance, with a copy to the Ministry of Energy, detailing the IESO's failure to pay when due any amounts owing hereunder and requesting the deduction from the Appropriated Funds of amounts equal to the amounts that the IESO has failed to pay to the OFA under this Agreement.
(c) The IESO agrees that any notice from the OFA to the Minister of Finance in relation to this section 5.7 (Intercept) may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance and, upon receipt of such notice, an amount equal to the amount that the IESO has failed to pay when due to the OFA on account of indebtedness under this Agreement shall be deducted from the Appropriated Funds and paid to the OFA.
(d) For further certainty, the OFA acknowledges and agrees that the Intercept as provided for herein and in the Intercept Letter shall not apply with respect to any funds appropriated by the Legislature for payment to the IESO through ministries other than the Ministry of Energy or through Ontario Climate Change Solutions Deployment Corporation.

The parties agree that, with respect to the exercise of the Intercept generally, the terms of this section 5.7 shall be applied consistently with the terms set out in the Intercept Letter which shall apply in full. Notwithstanding the foregoing, in the event of a conflict or inconsistency between the terms and conditions of the Intercept Letter and the terms and conditions contained in this Agreement, the terms and conditions contained in this Agreement shall prevail."

3.

If any… other relevant updates that make sense to do now……I do not anticipate any material ones.

We need your support to expedite the above in order to avoid delays in the Fair Hydro implementation.

Regards.

Hi Lisa/Sarah H.,

We touched based with IESO and they told us that the OEFC agreements do not contemplate a general grant of security by IESO over its assets as is currently under discussion with the OPG Trust relative to the implementation of the OFHP. The changes required to allow for such a grant would be to amend the permitted liens and negative covenant language in the OEFC agreements so as to make it the same as, or very similar to, the language in the two OFA Agreements that were signed recently.

We will get a policy direction soon and will draft a note for you to review once it's ready.

OEFC -- IESO CREDIT FACILITY AGREEMENT & THE PERMITTED LIENS

ISSUE

The IESO has requested OEFC to reopen the existing credit facility agreement between OEFC and IESO to make amendment to the definition of the permitted liens.

CONTEXT

To support IESO's role in the implementation and participation under the *Ontario Fair Hydro Plan Act, 2017* ("OFHP Act"), OFA recently amended the credit facility agreement between OFA and the IESO. One of the amendments to the agreement is to amend the definition of the permitted liens to include any lien arising from the IESO's role and obligations under the OFHP.

The OFA credit facility agreement was amended due to additional roles IESO is taking on under Ontario's Fair Hydro Plan. To fufil its obligation, the IESO will need a general grant of security on any lien arising from the IESO's role and obligations under the OFHP. Therefore, the OFA credit facility agreement was amended to allow for such a general grant of security.

For the same reason, the IESO has requested OEFC to reopen the existing credit facility agreement between OEFC and IESO to make the similar amendment. Specifically, adding a clause in the OEFC credit facility agreement that any lien related to OFHP will not be viewed as negative pledge by OEFC, so those liens can be used to secure the performance of IESO's obligations to OEFC.

RECOMMENDATION

- To maintain a consistent approach with IESO's credit facilities, CEFD staff and IESO are of the view that the exisiting OEFC credit facility should amend the permitted liens and negative covenant language to make it the same as, or very similar to, the language in the two OFA Agreements that were signed recently.
- Although the OEFC credit facility is not used for OFHP's purpose, such change to the permitted liens is still required in order for IESO to meet its role and obligation under the OFHP Act.

BACKGROUND

- Currently, under the existing credit facility agreement between OEFC and the IESO, the definition of the "permitted liens" does not include any lien arising from the IESO's role and obligations under the OFHP, including with respect to any amount received or receivable by the IESO (such as, without limitation, amounts received or receivable in respect of the Clean Energy Adjustment), or any other lien, whether arising from the action or inaction of IESO, that is created in connection with the OFHP.
- On November 6, 2017, OFA and IESO signed an updated OFA IESO credit facility agreement with respect to changes related to OFHP. Below are the related changes made to the OFA credit facility:

  Excerpt from the excuted OFA IESO Amending Agreement #10:

  > *The definition of "Permitted Liens" is amended by deleting the word "and" at the end of subsection (i); replacing the "." at the end of subsection (j) and replacing it with "; and" ; and adding the following subsection (k):*
  >
  > > *"(k) any Lien arising from the IESO's role and obligations under the OFHP, including with respect to any amount received or receivable by the IESO (such as, without limitation, amounts received or receivable in respect of the Clean Energy Adjustment), or any other lien, whether arising from the action or inaction of IESO, that is created in connection with the OFHP."*

Hi Sarah and JF – is it ok to send the below to Gavin? (he requested a response by Noon)

Hi Gavin,

Thank you for your note. After reviewing your note and the attached agreements we had a few comments:

- We understand that the $160M credit facility agreement will not be used for FHP purposes, although an amendment was made earlier in 2017 to allow advances for the purposes of FHP.
- It is our assumption that the $160M credit facility agreement was amended in April, 2017, pursuant to Reg. 280/14 as a potential temporary option for FHP funding requirements until such time as a separate facility agreement was created specifically for FHP purposes (i.e. the $2B OFA-IESO credit facility)
- There is an existing $120M loan agreement, maturing June 30, 2020, which is not a credit facility, but a fixed term loan. No amendments were made here in relation to FHP, as it is non-revolving and used for capital purposes.
- Since the $160M credit facility agreement will not be used for FHP purposes, it is not clear to us why the change to definition of Permitted Liens is required, and how not making this change would prevent IESO from performing its obligations under the OFHP Act. Please clarify.
- Kindly confirm with Anthony why IESO believes these amendments are necessary in respect of the $160M credit facility and $120M loan agreement.

We look forward to hearing back from you. Happy to discuss further as always.

Thank You,

Ryan,

As discussed with Will today, I understand you will be co-ordinating the proposed 2 amendments to the existing IESO-OEFC credit facilities.

For starters, there are no expected changes being asked to the existing agreement's key business content (e.g. amounts, dates, interest, notices etc.), rather given that IESO-OFA have just finished two new agreements pertaining to the new fair hydro program, ….I suggest we just copy and paste the salient sections from these agreements that would now be relevant to the OEFC agreements for fair hydro namely;

1.DRAFT

The definition of "Permitted Liens" is amended by deleting the word "and" at the end of subsection (xx); replacing the "." at the end of subsection (xx) and replacing it with "; and" ; and adding the following subsection (xx):

"(xx) any Lien arising from the IESO's role and obligations under the OFHP, including with respect to any amount received or receivable by the IESO (such as, without limitation, amounts received or receivable in respect of the Clean Energy Adjustment), or any other lien, whether arising from the action or inaction of IESO, that is created in connection with the OFHP."

2.DRAFT

The OFA agreements had required an intercept provision, …..not sure if the same applies to OEFC if yes:

"Section 5.7 Intercept

(a) The IESO hereby acknowledges that, in accordance with the terms of the letter agreement of November 6th , 2017 herewith entered between the Ministry of Energy, the IESO and the OFA made pursuant to Section 23 of the Capital Investment Plan Act, 1993 (the "Intercept Letter"), the Minister of Finance is entitled to deduct only from those monies appropriated by the Legislature for payment through the Ministry of Energy to the IESO ("Appropriated Funds"), amounts equal to any amounts that the IESO fails to pay to the OFA on account of indebtedness under this Agreement. On the occurrence of an Event of Default relating to a failure by IESO to pay when due any amounts owing hereunder, subject to the OFA's compliance with any relevant provisions hereof and as set out in the Intercept Letter, the Minister of Finance is irrevocably authorized to deduct from the Appropriated Funds amounts equal to any amounts that the IESO has failed to pay to the OFA in accordance with the provisions of this Agreement and to pay such amounts directly to the OFA ("Intercept").

(b) If, after following the process specified in the Intercept Letter (including, without limitation, allowing for a reasonable cure period on the terms specified therein), the OFA determines that it is necessary to request the Minister of Finance to exercise the Intercept, the OFA will give written notice to the Minister of Finance, with a copy to the Ministry of Energy, detailing the IESO's failure to pay when due any amounts owing hereunder and requesting the deduction from the Appropriated Funds of amounts equal to the amounts that the IESO has failed to pay to the OFA under this Agreement.

(c) The IESO agrees that any notice from the OFA to the Minister of Finance in relation to this section 5.7 (Intercept) may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance and, upon receipt of such notice, an amount equal to the amount that the IESO has failed to pay when due to the OFA on account of indebtedness under this Agreement shall be deducted from the Appropriated Funds and paid to the OFA.

(d) For further certainty, the OFA acknowledges and agrees that the Intercept as provided for herein and in the Intercept Letter shall not apply with respect to any funds appropriated by the Legislature for payment to the IESO through ministries other than the Ministry of Energy or through Ontario Climate Change Solutions Deployment Corporation.
The parties agree that, with respect to the exercise of the Intercept generally, the terms of this section 5.7 shall be applied consistently with the terms set out in the Intercept Letter which shall apply in full. Notwithstanding the foregoing, in the event of a conflict or inconsistency between the terms and conditions of the Intercept Letter and the terms and conditions contained in this Agreement, the terms and conditions contained in this Agreement shall prevail."
3.
If any… other relevant updates that make sense to do now……I do not anticipate any material ones.
We need your support to expedite the above in order to avoid delays in the Fair Hydro implementation.
Regards.

REVOLVING CREDIT FACILITY

OEFC agrees, on the terms and conditions of this Agreement, to make Advances to IESO up to the amount of the Commitment. OEFC shall make each Advance in Canadian Dollars.

Section 2.2 Commitment and Facility Limits.

The Advances Outstanding to IESO under the Credit Facility shall not at any time exceed the Commitment. The Credit Facility shall revolve and no payment under the Credit Facility shall reduce the Commitment.

Section 2.3 Use of Proceeds.

IESO shall use the proceeds of Advances for the following purposes for which it is authorized to borrow funds:

(2) IESO shall make any payment required hereunder to be made by it to OEFC, to or to the order of OEFC, by wire transfer of immediately available funds in accordance with wire transfer instruction given by OEFC to IESO from time to time, or in such other manner as OEFC may specify to IESO from time to time. IESO shall make each such payment in Canadian Dollars

Section 2.6 Evidence of Indebtedness.

IESO authorizes OEFC to open and maintain records evidencing IESO's obligations under this Agreement and to record therein all advances, interest rates, accrued interest, payments of principal and interest and the aggregate principal and accrued interest outstanding from time to time under this Agreement. IESO agrees that the records kept by the OEFC in the absence of manifest error, shall be prima facie evidence of the indebtedness of IESO and the matters recorded provided that the failure of the OEFC to record or correctly record any amount or date shall not affect the obligation of IESO to repay the aggregate principal amounts and accrued interest thereon owing under this Agreement.

ARTICLE 3
ADVANCES AND INTEREST

Section 3.1 Advances.

OEFC agrees, on the terms and conditions of this Agreement, to make Advances to IESO under the Credit Facility on the first Business Day of each month from and including May 3, 2010 to and including April 1, 2013.

Section 3.2 Procedure for Advances.

(1) Each Advance shall be made subject to four Business Day's prior notice given not later than 10:00 a.m. (Toronto time) by IESO to OEFC. Each notice of an Advance (a **"Borrowing Notice"**) shall be substantially in the form of Schedule 1, shall be irrevocable and binding on IESO and shall specify (a) the requested date of the Advance (the **"Advance Date"**), and (b) the principal amount of the Advance which shall be in a minimum amount of $1,000,000.00 (unless otherwise agreed to by OEFC), and in increments of $1,000,000.00 (or such other increments as may be agreed to by OEFC). OEFC will make the principal amount of each Advance available to IESO in accordance with Article 2.

(2) On or before the date of the first Advance hereunder, IESO shall execute and deliver to OEFC a grid promissory note (the "Note") in respect of Advances substantially in the form of Schedule 2. IESO authorizes OEFC to record on the grid promissory note (a) the date and amount of each Advance; (b) the applicable rate of interest for each Advance; (c) the date and amount of each payment of interest and each payment of principal in respect of each Advance; and (d) the outstanding principal amount of the grid promissory note. Such notations, in the absence of manifest error, shall be prima facie evidence of the such advances and repayments; provided that the failure of OEFC to record any amount, rate or date shall not affect the obligation of IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement.

(3) In the event that funds are not received by IESO on the Advance Date, IESO and OEFC agree to take all steps necessary to amend the date of the Advance, without amending the Interest Rate that was agreed to with respect to such Advance.

(4) The Note shall at all times rank *pari passu* with all other unsubordinated Indebtedness of IESO, subject to the existence of any Permitted Liens of IESO.

(5) All amounts owing in respect of the Advances shall be paid without exercising any right or set off or counterclaim by IESO.

Section 3.3 Interest on Advances.

(1) IESO shall pay interest on the principal amount of each Advance then outstanding in accordance with this Section 3.3 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the first Interest Payment Date following the date of the Advance, at the rate equal to the Interest Rate, and shall be payable on the Interest Payment Date for such Advance. The amount of interest payable on an Advance will be calculated by OEFC by dividing the Interest Rate applicable to the Advance by 365 or 366, as the case may be, and multiplying the result by the principal amount of the Advance then outstanding and further multiplying the result by the number of days in the period from the date of the Advance to the Interest Payment Date.

(i) If an Advance is outstanding on an Interest Payment Date, the interest rate applicable to such Advance shall be reset automatically by OEFC on that date (the "Interest Reset Date"), at the Interest Rate determined as of the Interest Reset Date.

(ii) For each Advance, OEFC shall notify IESO via email of the Interest Rate on the Advance Date and on each Interest Reset Date.

(3) Upon four Business Days prior notice by IESO, OEFC may at its discretion agree to capitalize the interest on any Advance on an Interest Payment Date, which shall be determined in the following manner: each such interest payment due on the Interest Payment Date shall be deemed to form part of the principal amount of the outstanding Advance and interest shall accrue and be payable thereon in accordance with Section 3.3(2). OEFC shall record on the grid forming part of the note: (a) the date and amount of the new Advance; (b) the applicable rate of interest for the Advance; and (c) the outstanding principal amount of the grid promissory note.

(4) Interest shall accrue on the principal amount of each Advance at the Interest Rate as determined from time to time, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after default.

Section 3.4 Computations of Interest.

(1) All computations of interest shall be made by OEFC taking into account the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest is payable on the basis of a year of 365 days or 366 days, as the case may be.

(2) For the purposes of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest which is equivalent to a rate of interest payable under this Agreement for any

period of less than a year may be determined by multiplying the rate of interest for such period by a fraction, the numerator of which is the actual number of days in a year commencing on and including the first day in such period and ending on but excluding the corresponding day in the next calendar year and the denominator of which is the actual number of days in such period.

Section 3.5 Limit on Rate of Interest.

(1) Notwithstanding any provision contained in this Agreement, IESO shall not be obliged to make any payments of interest or other amounts payable to OEFC hereunder in excess of the amount or rate which would be prohibited by applicable law or would result in the receipt by OEFC of interest at a criminal rate (as such terms are construed under the *Criminal Code* (Canada), as amended from time to time).

(2) In the event that any such payments are limited or prohibited as provided in Section 3.5(1), OEFC shall have no further obligation to make any Advances available hereunder and the Advances Outstanding, together with all accrued interest and all other amounts owing hereunder, shall become immediately due and payable.

Section 3.6 Conditions Precedent

The obligation of OEFC to make the Advances pursuant to Section 2.1 is subject to the following conditions being met to OEFC's satisfaction at the time of making each Advance:

(a) that the representations and warranties of IESO contained in this Agreement are true and correct as at the date of making the Advance;

(b) that no Event of Default has occurred and is continuing and no event or condition has occurred, which, with the lapse of time or the giving of notice or both would constitute an Event of Default;

(c) that there shall, in the reasonable opinion of OEFC, have been no material adverse change in the financial condition of IESO; and

(d) that OEFC has received such other documentation which it has reasonably requested to ensure that IESO is in compliance with the terms and conditions of this Agreement, including certified true copies of any necessary resolutions including resolutions authorizing the borrowing and authorized signatories.

Hi Sarah and JF – is it ok to send the below to Gavin? (he requested a response by Noon)

Hi Gavin,

Thank you for your note. After reviewing your note and the attached agreements we had a few comments:

- We understand that the $160M credit facility agreement will not be used for FHP purposes, although an amendment was made earlier in 2017 to allow advances for the purposes of FHP.
- It is our assumption that the $160M credit facility agreement was amended in April, 2017, pursuant to Reg. 280/14 as a potential temporary option for FHP funding requirements until such time as a separate facility agreement was created specifically for FHP purposes (i.e. the $2B OFA-IESO credit facility)
- There is an existing $120M loan agreement, maturing June 30, 2020, which is not a credit facility, but a fixed term loan. No amendments were made here in relation to FHP, as it is non-revolving and used for capital purposes.
- Since the $160M credit facility agreement will not be used for FHP purposes, it is not clear to us why the change to definition of Permitted Liens is required, and how not making this change would prevent IESO from performing its obligations under the OFHP Act. Please clarify.
- Kindly confirm with Anthony why IESO believes these amendments are necessary in respect of the $160M credit facility and $120M loan agreement.

We look forward to hearing back from you. Happy to discuss further as always.

Thank You,

Ryan,

As discussed with Will today, I understand you will be co-ordinating the proposed 2 amendments to the existing IESO-OEFC credit facilities.

For starters, there are no expected changes being asked to the existing agreement's key business content (e.g. amounts, dates, interest, notices etc.), rather given that IESO-OFA have just finished two new agreements pertaining to the new fair hydro program, ….I suggest we just copy and paste the salient sections from these agreements that would now be relevant to the OEFC agreements for fair hydro namely;

1.DRAFT

The definition of "Permitted Liens" is amended by deleting the word "and" at the end of subsection (xx); replacing the "." at the end of subsection (xx) and replacing it with "; and" ; and adding the following subsection (xx):

"(xx) any Lien arising from the IESO's role and obligations under the OFHP, including with respect to any amount received or receivable by the IESO (such as, without limitation, amounts received or receivable in respect of the Clean Energy Adjustment), or any other lien, whether arising from the action or inaction of IESO, that is created in connection with the OFHP."

2.DRAFT

The OFA agreements had required an intercept provision, …..not sure if the same applies to OEFC if yes:

"Section 5.7 Intercept

(a) The IESO hereby acknowledges that, in accordance with the terms of the letter agreement of November 6th , 2017 herewith entered between the Ministry of Energy, the IESO and the OFA made pursuant to Section 23 of the Capital Investment Plan Act, 1993 (the "Intercept Letter"), the Minister of Finance is entitled to deduct only from those monies appropriated by the Legislature for payment through the Ministry of Energy to the IESO ("Appropriated Funds"), amounts equal to any amounts that the IESO fails to pay to the OFA on account of indebtedness under this Agreement. On the occurrence of an Event of Default relating to a failure by IESO to pay when due any amounts owing hereunder, subject to the OFA's compliance with any relevant provisions hereof and as set out in the Intercept Letter, the Minister of Finance is irrevocably authorized to deduct from the Appropriated Funds amounts equal to any amounts that the IESO has failed to pay to the OFA in accordance with the provisions of this Agreement and to pay such amounts directly to the OFA ("Intercept").

(b) If, after following the process specified in the Intercept Letter (including, without limitation, allowing for a reasonable cure period on the terms specified therein), the OFA determines that it is necessary to request the Minister of Finance to exercise the Intercept, the OFA will give written notice to the Minister of Finance, with a copy to the Ministry of Energy, detailing the IESO's failure to pay when due any amounts owing hereunder and requesting the deduction from the Appropriated Funds of amounts equal to the amounts that the IESO has failed to pay to the OFA under this Agreement.

(c) The IESO agrees that any notice from the OFA to the Minister of Finance in relation to this section 5.7 (Intercept) may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance and, upon receipt of such notice, an amount equal to the amount that the IESO has failed to pay when due to the OFA on account of indebtedness under this Agreement shall be deducted from the Appropriated Funds and paid to the OFA.

(d) For further certainty, the OFA acknowledges and agrees that the Intercept as provided for herein and in the Intercept Letter shall not apply with respect to any funds appropriated by the Legislature for payment to the IESO through ministries other than the Ministry of Energy or through Ontario Climate Change Solutions Deployment Corporation.
The parties agree that, with respect to the exercise of the Intercept generally, the terms of this section 5.7 shall be applied consistently with the terms set out in the Intercept Letter which shall apply in full. Notwithstanding the foregoing, in the event of a conflict or inconsistency between the terms and conditions of the Intercept Letter and the terms and conditions contained in this Agreement, the terms and conditions contained in this Agreement shall prevail."
3.
If any… other relevant updates that make sense to do now……I do not anticipate any material ones.
We need your support to expedite the above in order to avoid delays in the Fair Hydro implementation.
Regards.

Hi Lisa, Sarah, and William,
Following my email on Tuesday, EFB has drafted the attached note on the IESO's request on the OEFC credit facility, including the background information, our recommendation, and the rationale. Could you please review the accuracy of the note and would you be able to provide me with your feedback before noon today?
Sorry for the short turnaround time, but we all would like to move on this as soon as possible.
Thanks,

Hi Lisa/Sarah H.,

We touched based with IESO and they told us that the OEFC agreements do not contemplate a general grant of security by IESO over its assets as is currently under discussion with the OPG Trust relative to the implementation of the OFHP. The changes required to allow for such a grant would be to amend the permitted liens and negative covenant language in the OEFC agreements so as to make it the same as, or very similar to, the language in the two OFA Agreements that were signed recently.

We will get a policy direction soon and will draft a note for you to review once it's ready.

Regards,

Gavin He

No, I don't think the OFA Lending Policy would apply to these OEFC loans. The OFA Lending Policy addresses lending activities to public bodies undertaken where the OFA is acting as an intermediary on behalf of the Province.

Will – unless any concerns, will appreciate if you please begin to draft the two OEFC amendments this week – given that the IESO is targeting to sign the OPG / IESO fair hydro agreement by this month's end,….we need to have the two OEFC's done before this.

Once we have completed the 2 OFA facilities and the intercept letter – we then have to turn to the 2 outstanding IESO-OEFC credit facilities to contemplate any further amendments too.
Just ensuring that these 2 OEFC facilities are not missed.

The Advances Outstanding to IESO under the Credit Facility shall not at any time exceed the Commitment. The Credit Facility shall revolve and no payment under the Credit Facility shall reduce the Commitment.

IESO shall make each such payment in Canadian Dollars

Section 2.6 Evidence of Indebtedness.

IESO authorizes OEFC to open and maintain records evidencing IESO's obligations under this Agreement and to record therein all advances, interest rates, accrued interest, payments of principal and interest and the aggregate principal and accrued interest outstanding from time to time under this Agreement. IESO agrees that the records kept by the OEFC in the absence of manifest error, shall be prima facie evidence of the indebtedness of IESO and the matters recorded provided that the failure of the OEFC to record or correctly record any amount or date shall not affect the obligation of IESO to repay the aggregate principal amounts and accrued interest thereon owing under this Agreement.

ARTICLE 3
ADVANCES AND INTEREST

Section 3.1 Advances.

OEFC agrees, on the terms and conditions of this Agreement, to make Advances to IESO under the Credit Facility on the first Business Day of each month from and including May 3, 2010 to and including April 1, 2013.

Section 3.2 Procedure for Advances.

(1) Each Advance shall be made subject to four Business Day's prior notice given not later than 10:00 a.m. (Toronto time) by IESO to OEFC. Each notice of an Advance (a **"Borrowing Notice"**) shall be substantially in the form of Schedule 1, shall be irrevocable and binding on IESO and shall specify (a) the requested date of the Advance (the **"Advance Date"**), and (b) the principal amount of the Advance which shall be in a minimum amount of $1,000,000.00 (unless otherwise agreed to by OEFC), and in increments of $1,000,000.00 (or such other increments as may be agreed to by OEFC). OEFC will make the principal amount of each Advance available to IESO in accordance with Article 2.

(2) On or before the date of the first Advance hereunder, IESO shall execute and deliver to OEFC a grid promissory note (the "Note") in respect of Advances substantially in the form of Schedule 2. IESO authorizes OEFC to record on the grid promissory note (a) the date and amount of each Advance; (b) the applicable rate of interest for each Advance; (c) the date and amount of each payment of interest and each payment of principal in respect of each Advance; and (d) the outstanding principal amount of the grid promissory note. Such notations, in the absence of manifest error, shall be prima facie evidence of the such advances and repayments; provided that the failure of OEFC to record any amount, rate or date shall not affect the obligation of IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement.

(3) In the event that funds are not received by IESO on the Advance Date, IESO and OEFC agree to take all steps necessary to amend the date of the Advance, without amending the Interest Rate that was agreed to with respect to such Advance.

(4) The Note shall at all times rank *pari passu* with all other unsubordinated Indebtedness of IESO, subject to the existence of any Permitted Liens of IESO.

(5) All amounts owing in respect of the Advances shall be paid without exercising any right or set off or counterclaim by IESO.

Section 3.3 Interest on Advances.

(1) IESO shall pay interest on the principal amount of each Advance then outstanding in accordance with this Section 3.3 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the first Interest Payment Date following the date of the Advance, at the rate equal to the Interest Rate, and shall be payable on the Interest Payment Date for such Advance. The amount of interest payable on an Advance will be calculated by OEFC by dividing the Interest Rate applicable to the Advance by 365 or 366, as the case may be, and multiplying the result by the principal amount of the Advance then outstanding and further multiplying the result by the number of days in the period from the date of the Advance to the Interest Payment Date.

(i) If an Advance is outstanding on an Interest Payment Date, the interest rate applicable to such Advance shall be reset automatically by OEFC on that date (the "Interest Reset Date"), at the Interest Rate determined as of the Interest Reset Date.

(ii) For each Advance, OEFC shall notify IESO via email of the Interest Rate on the Advance Date and on each Interest Reset Date.

(3) Upon four Business Days prior notice by IESO, OEFC may at its discretion agree to capitalize the interest on any Advance on an Interest Payment Date, which shall be determined in the following manner: each such interest payment due on the Interest Payment Date shall be deemed to form part of the principal amount of the outstanding Advance and interest shall accrue and be payable thereon in accordance with Section 3.3(2). OEFC shall record on the grid forming part of the note: (a) the date and amount of the new Advance; (b) the applicable rate of interest for the Advance; and (c) the outstanding principal amount of the grid promissory note.

(4) Interest shall accrue on the principal amount of each Advance at the Interest Rate as determined from time to time, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after default.

Section 3.4 Computations of Interest.

(1) All computations of interest shall be made by OEFC taking into account the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest is payable on the basis of a year of 365 days or 366 days, as the case may be.

(2) For the purposes of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest which is equivalent to a rate of interest payable under this Agreement for any

period of less than a year may be determined by multiplying the rate of interest for such period by a fraction, the numerator of which is the actual number of days in a year commencing on and including the first day in such period and ending on but excluding the corresponding day in the next calendar year and the denominator of which is the actual number of days in such period.

Section 3.5 Limit on Rate of Interest.

(1) Notwithstanding any provision contained in this Agreement, IESO shall not be obliged to make any payments of interest or other amounts payable to OEFC hereunder in excess of the amount or rate which would be prohibited by applicable law or would result in the receipt by OEFC of interest at a criminal rate (as such terms are construed under the *Criminal Code* (Canada), as amended from time to time).

(2) In the event that any such payments are limited or prohibited as provided in Section 3.5(1), OEFC shall have no further obligation to make any Advances available hereunder and the Advances Outstanding, together with all accrued interest and all other amounts owing hereunder, shall become immediately due and payable.

Section 3.6 Conditions Precedent

The obligation of OEFC to make the Advances pursuant to Section 2.1 is subject to the following conditions being met to OEFC's satisfaction at the time of making each Advance:

(a) that the representations and warranties of IESO contained in this Agreement are true and correct as at the date of making the Advance;

(b) that no Event of Default has occurred and is continuing and no event or condition has occurred, which, with the lapse of time or the giving of notice or both would constitute an Event of Default;

(c) that there shall, in the reasonable opinion of OEFC, have been no material adverse change in the financial condition of IESO; and

(d) that OEFC has received such other documentation which it has reasonably requested to ensure that IESO is in compliance with the terms and conditions of this Agreement, including certified true copies of any necessary resolutions including resolutions authorizing the borrowing and authorized signatories.

ARTICLE 4

IESO will duly and punctually pay or cause to be paid all amounts owing under this Agreement in accordance with the terms and subject to the conditions of this Agreement.

Section 4.3 IESO will Maintain its Corporate Existence.

Hi Sarah and JF – is it ok to send the below to Gavin? (he requested a response by Noon)

Hi Gavin,

Thank you for the note. After reviewing your note and the attached agreements we had a few comments:

- If it is understood that the OEFC credit facilities are not to be used for OFHP purposes, why do we need to change the language around permitted liens to match the two OFA agreements (which do allow for OFHP related borrowing)?
- If we were to make the recommended changes to the IESO-OEFC agreements would the changes apply to both the $160M and $120M credit facilities? The email I received from Anthony Martinello at IESO earlier in the week (pasted below) suggested that IESO expected amendments to be made to both the IESO-OEFC credit facility agreements. However, after reviewing the attached agreements we noticed that although the $160M and $120M credit facility agreements were amended at the same time (April 30, 2017) the $160M amending agreement made clear references to the Ontario Fair Hydro Plan (and O.Reg 280/14 which was amended to allow for IESO borrowing related to the OFHP) while the $120M amending agreement did not make any references to OFHP at all.

Our concern is that the amendments to O.Reg 280/14 and to the $160M credit facility agreements that were made in the spring of 2017 were made to provide a stop-gap until such time that the $2 billion IESO-OFA credit facility was in place. Now that the $2 billion credit facility that allows for OFHP borrowing is available to IESO, is it still prudent to amend the IESO-OEFC agreements that are not to be used for OFHP purposes, in such a way as to allow for liens arising from IESO's role in OFHP?

Happy to discuss further as always.

Thank You,

Subject: IESO - OEFC Nov 7

Ryan,
As discussed with Will today, I understand you will be co-ordinating the proposed 2 amendments to the existing IESO-OEFC credit facilities.
For starters, there are no expected changes being asked to the existing agreement's key business content (e.g. amounts, dates, interest, notices etc.), rather given that IESO-OFA have just finished two new agreements pertaining to the new fair hydro program, ….I suggest we just copy and paste the salient sections from these agreements that would now be relevant to the OEFC agreements for fair hydro namely;
1.DRAFT
The definition of "Permitted Liens" is amended by deleting the word "and" at the end of subsection (xx); replacing the "." at the end of subsection (xx) and replacing it with "; and" ; and adding the following subsection (xx):
"(xx) any Lien arising from the IESO's role and obligations under the OFHP, including with respect to any amount received or receivable by the IESO (such as, without limitation, amounts received or receivable in respect of the Clean Energy Adjustment), or any other lien, whether arising from the action or inaction of IESO, that is created in connection with the OFHP."
2.DRAFT
The OFA agreements had required an intercept provision, …..not sure if the same applies to OEFC if yes:
"Section 5.7 Intercept
(a) The IESO hereby acknowledges that, in accordance with the terms of the letter agreement of November 6th , 2017 herewith entered between the Ministry of Energy, the IESO and the OFA made pursuant to Section 23 of the Capital Investment Plan Act, 1993 (the "Intercept Letter"), the Minister of Finance is entitled to deduct only from those monies appropriated by the Legislature for payment through the Ministry of Energy to the IESO ("Appropriated Funds"), amounts equal to any amounts that the IESO fails to pay to the OFA on account of indebtedness under this Agreement. On the occurrence of an Event of Default relating to a failure by IESO to pay when due any amounts owing hereunder, subject to the OFA's compliance with any relevant provisions hereof and as set out in the Intercept Letter, the Minister of Finance is irrevocably authorized to deduct from the Appropriated Funds amounts equal to any amounts that the IESO has failed to pay to the OFA in accordance with the provisions of this Agreement and to pay such amounts directly to the OFA ("Intercept").
(b) If, after following the process specified in the Intercept Letter (including, without limitation, allowing for a reasonable cure period on the terms specified therein), the OFA determines that it is necessary to request the Minister of Finance to exercise the Intercept, the OFA will give written notice to the Minister of Finance, with a copy to the Ministry of Energy, detailing the IESO's failure to pay when due any amounts owing hereunder and requesting the deduction from the Appropriated Funds of amounts equal to the amounts that the IESO has failed to pay to the OFA under this Agreement.
(c) The IESO agrees that any notice from the OFA to the Minister of Finance in relation to this section 5.7 (Intercept) may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance and, upon receipt of such notice, an amount equal to the amount that the IESO has failed to pay when due to the OFA on account of indebtedness under this Agreement shall be deducted from the Appropriated Funds and paid to the OFA.
(d) For further certainty, the OFA acknowledges and agrees that the Intercept as provided for herein and in the Intercept Letter shall not apply with respect to any funds appropriated by the Legislature

for payment to the IESO through ministries other than the Ministry of Energy or through Ontario Climate Change Solutions Deployment Corporation.
The parties agree that, with respect to the exercise of the Intercept generally, the terms of this section 5.7 shall be applied consistently with the terms set out in the Intercept Letter which shall apply in full. Notwithstanding the foregoing, in the event of a conflict or inconsistency between the terms and conditions of the Intercept Letter and the terms and conditions contained in this Agreement, the terms and conditions contained in this Agreement shall prevail."
3.
If any… other relevant updates that make sense to do now……I do not anticipate any material ones.
We need your support to expedite the above in order to avoid delays in the Fair Hydro implementation.
Regards.

Following my email on Tuesday, EFB has drafted the attached note on the IESO's request on the OEFC credit facility, including the background information, our recommendation, and the rationale. Could you please review the accuracy of the note and would you be able to provide me with your feedback before noon today?
Sorry for the short turnaround time, but we all would like to move on this as soon as possible.

Hi Lisa/Sarah H.,

We touched based with IESO and they told us that the OEFC agreements do not contemplate a general grant of security by IESO over its assets as is currently under discussion with the OPG Trust relative to the implementation of the OFHP. The changes required to allow for such a grant would be to amend the permitted liens and negative covenant language in the OEFC agreements so as to make it the same as, or very similar to, the language in the two OFA Agreements that were signed recently.

We will get a policy direction soon and will draft a note for you to review once it's ready.

Regards,

No, I don't think the OFA Lending Policy would apply to these OEFC loans. The OFA Lending Policy addresses lending activities to public bodies undertaken where the OFA is acting as an intermediary on behalf of the Province.

Once we have completed the 2 OFA facilities and the intercept letter – we then have to turn to the 2 outstanding IESO-OEFC credit facilities to contemplate any further amendments too.
Just ensuring that these 2 OEFC facilities are not missed.

ARTICLE 3
ADVANCES AND INTEREST

Section 3.1 Advances.

OEFC agrees, on the terms and conditions of this Agreement, to make Advances to IESO under the Credit Facility on the first Business Day of each month from and including May 3, 2010 to and including April 1, 2013.

Section 3.2 Procedure for Advances.

(1) Each Advance shall be made subject to four Business Day's prior notice given not later than 10:00 a.m. (Toronto time) by IESO to OEFC. Each notice of an Advance (a **"Borrowing Notice"**) shall be substantially in the form of Schedule 1, shall be irrevocable and binding on IESO and shall specify (a) the requested date of the Advance (the **"Advance Date"**), and (b) the principal amount of the Advance which shall be in a minimum amount of $1,000,000.00 (unless otherwise agreed to by OEFC), and in increments of $1,000,000.00 (or such other increments as may be agreed to by OEFC). OEFC will make the principal amount of each Advance available to IESO in accordance with Article 2.

(2) On or before the date of the first Advance hereunder, IESO shall execute and deliver to OEFC a grid promissory note (the "Note") in respect of Advances substantially in the form of Schedule 2. IESO authorizes OEFC to record on the grid promissory note (a) the date and amount of each Advance; (b) the applicable rate of interest for each Advance; (c) the date and amount of each payment of interest and each payment of principal in respect of each Advance; and (d) the outstanding principal amount of the grid promissory note. Such notations, in the absence of manifest error, shall be prima facie evidence of the such advances and repayments; provided that the failure of OEFC to record any amount, rate or date shall not affect the obligation of IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement.

(3) In the event that funds are not received by IESO on the Advance Date, IESO and OEFC agree to take all steps necessary to amend the date of the Advance, without amending the Interest Rate that was agreed to with respect to such Advance.

(4) The Note shall at all times rank *pari passu* with all other unsubordinated Indebtedness of IESO, subject to the existence of any Permitted Liens of IESO.

(5) All amounts owing in respect of the Advances shall be paid without exercising any right or set off or counterclaim by IESO.

Section 3.3 Interest on Advances.

(1) IESO shall pay interest on the principal amount of each Advance then outstanding in accordance with this Section 3.3 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the first Interest Payment Date following the date of the Advance, at the rate equal to the Interest Rate, and shall be payable on the Interest Payment Date for such Advance. The amount of interest payable on an Advance will be calculated by OEFC by dividing the Interest Rate applicable to the Advance by 365 or 366, as the case may be, and multiplying the result by the principal amount of the Advance then outstanding and further multiplying the result by the number of days in the period from the date of the Advance to the Interest Payment Date.

(i) If an Advance is outstanding on an Interest Payment Date, the interest rate applicable to such Advance shall be reset automatically by OEFC on that date (the "Interest Reset Date"), at the Interest Rate determined as of the Interest Reset Date.

(ii) For each Advance, OEFC shall notify IESO via email of the Interest Rate on the Advance Date and on each Interest Reset Date.

(3) Upon four Business Days prior notice by IESO, OEFC may at its discretion agree to capitalize the interest on any Advance on an Interest Payment Date, which shall be determined in the following manner: each such interest payment due on the Interest Payment Date shall be deemed to form part of the principal amount of the outstanding Advance and interest shall accrue and be payable thereon in accordance with Section 3.3(2). OEFC shall record on the grid forming part of the note: (a) the date and amount of the new Advance; (b) the applicable rate of interest for the Advance; and (c) the outstanding principal amount of the grid promissory note.

(4) Interest shall accrue on the principal amount of each Advance at the Interest Rate as determined from time to time, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after default.

Section 3.4 Computations of Interest.

(1) All computations of interest shall be made by OEFC taking into account the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest is payable on the basis of a year of 365 days or 366 days, as the case may be.

(2) For the purposes of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest which is equivalent to a rate of interest payable under this Agreement for any

period of less than a year may be determined by multiplying the rate of interest for such period by a fraction, the numerator of which is the actual number of days in a year commencing on and including the first day in such period and ending on but excluding the corresponding day in the next calendar year and the denominator of which is the actual number of days in such period.

Section 3.5 Limit on Rate of Interest.

(1) Notwithstanding any provision contained in this Agreement, IESO shall not be obliged to make any payments of interest or other amounts payable to OEFC hereunder in excess of the amount or rate which would be prohibited by applicable law or would result in the receipt by OEFC of interest at a criminal rate (as such terms are construed under the *Criminal Code* (Canada), as amended from time to time).

(2) In the event that any such payments are limited or prohibited as provided in Section 3.5(1), OEFC shall have no further obligation to make any Advances available hereunder and the Advances Outstanding, together with all accrued interest and all other amounts owing hereunder, shall become immediately due and payable.

Section 3.6 Conditions Precedent

The obligation of OEFC to make the Advances pursuant to Section 2.1 is subject to the following conditions being met to OEFC's satisfaction at the time of making each Advance:

(a) that the representations and warranties of IESO contained in this Agreement are true and correct as at the date of making the Advance;

(b) that no Event of Default has occurred and is continuing and no event or condition has occurred, which, with the lapse of time or the giving of notice or both would constitute an Event of Default;

(c) that there shall, in the reasonable opinion of OEFC, have been no material adverse change in the financial condition of IESO; and

(d) that OEFC has received such other documentation which it has reasonably requested to ensure that IESO is in compliance with the terms and conditions of this Agreement, including certified true copies of any necessary resolutions including resolutions authorizing the borrowing and authorized signatories.

The principal amount of this Note remaining from time to time unpaid and outstanding shall bear interest from the date of this Note both before and after maturity and both before and after default at the rate per annum equal to the Province of Ontario's cost of borrowing for the period from April 30, 2017 to June 30, 2020, as determined by the Chief Executive Officer of OEFC or the Chief Operating Officer of OEFC, or by a person designated by either of them, plus fifty basis points (0.50%). This Note is issued pursuant to, and is subject to and payable in accordance with the provisions of an agreement providing for the issuance of a note dated April 1, 1999 between the IESO and OEFC and amended by an amending agreement dated March 23, 2000, an amending agreement dated April 23, 2009, an amending agreement dated May 1, 2011, an amending agreement dated May 1, 2013, an amending agreement dated April 30, 2014, and an amending agreement dated April 30, 2017 (as so amended, the "Agreement"), which Agreement provides for, among other things, the acceleration of the principal amount upon the occurrence of certain events.

This Note is not transferable or negotiable without the prior written consent of IESO.

This Note shall be construed in accordance with and governed by the laws of the Province of Ontario and the laws of Canada applicable therein.

IN WITNESS WHEREOF IESO has executed this Note.

Hi Sarah and JF – is it ok to send the below to Gavin? (he requested a response by Noon)

Hi Gavin,

Thank you for the note. After reviewing your note and the attached agreements we had a few comments:

- If it is understood that the OEFC credit facilities are not to be used for OFHP purposes, why do we need to change the language around permitted liens to match the two OFA agreements (which do allow for OFHP related borrowing)?
- If we were to make the recommended changes to the IESO-OEFC agreements would the changes apply to both the $160M and $120M credit facilities? The email I received from Anthony Martinello at IESO earlier in the week (pasted below) suggested that IESO expected amendments to be made to both the IESO-OEFC credit facility agreements. However, after reviewing the attached agreements we noticed that although the $160M and $120M credit facility agreements were amended at the same time (April 30, 2017) the $160M amending agreement made clear references to the Ontario Fair Hydro Plan (and O.Reg 280/14 which was amended to allow for IESO borrowing related to the OFHP) while the $120M amending agreement did not make any references to OFHP at all.

Our concern is that the amendments to O.Reg 280/14 and to the $160M credit facility agreements that were made in the spring of 2017 were made to provide a stop-gap until such time that the $2 billion IESO-OFA credit facility was in place. Now that the $2 billion credit facility that allows for OFHP borrowing is available to IESO, is it still prudent to amend the IESO-OEFC agreements that are not to be used for OFHP purposes, in such a way as to allow for liens arising from IESO's role in OFHP?

Happy to discuss further as always.

Thank You,

Subject: IESO - OEFC Nov 7

Ryan,
As discussed with Will today, I understand you will be co-ordinating the proposed 2 amendments to the existing IESO-OEFC credit facilities.
For starters, there are no expected changes being asked to the existing agreement's key business content (e.g. amounts, dates, interest, notices etc.), rather given that IESO-OFA have just finished two new agreements pertaining to the new fair hydro program, ….I suggest we just copy and paste the salient sections from these agreements that would now be relevant to the OEFC agreements for fair hydro namely;
1.DRAFT
The definition of "Permitted Liens" is amended by deleting the word "and" at the end of subsection (xx); replacing the "." at the end of subsection (xx) and replacing it with "; and" ; and adding the following subsection (xx):
"(xx) any Lien arising from the IESO's role and obligations under the OFHP, including with respect to any amount received or receivable by the IESO (such as, without limitation, amounts received or receivable in respect of the Clean Energy Adjustment), or any other lien, whether arising from the action or inaction of IESO, that is created in connection with the OFHP."
2.DRAFT
The OFA agreements had required an intercept provision, …..not sure if the same applies to OEFC if yes:
"Section 5.7 Intercept
(a) The IESO hereby acknowledges that, in accordance with the terms of the letter agreement of November 6th , 2017 herewith entered between the Ministry of Energy, the IESO and the OFA made pursuant to Section 23 of the Capital Investment Plan Act, 1993 (the "Intercept Letter"), the Minister of Finance is entitled to deduct only from those monies appropriated by the Legislature for payment through the Ministry of Energy to the IESO ("Appropriated Funds"), amounts equal to any amounts that the IESO fails to pay to the OFA on account of indebtedness under this Agreement. On the occurrence of an Event of Default relating to a failure by IESO to pay when due any amounts owing hereunder, subject to the OFA's compliance with any relevant provisions hereof and as set out in the Intercept Letter, the Minister of Finance is irrevocably authorized to deduct from the Appropriated Funds amounts equal to any amounts that the IESO has failed to pay to the OFA in accordance with the provisions of this Agreement and to pay such amounts directly to the OFA ("Intercept").
(b) If, after following the process specified in the Intercept Letter (including, without limitation, allowing for a reasonable cure period on the terms specified therein), the OFA determines that it is necessary to request the Minister of Finance to exercise the Intercept, the OFA will give written notice to the Minister of Finance, with a copy to the Ministry of Energy, detailing the IESO's failure to pay when due any amounts owing hereunder and requesting the deduction from the Appropriated Funds of amounts equal to the amounts that the IESO has failed to pay to the OFA under this Agreement.
(c) The IESO agrees that any notice from the OFA to the Minister of Finance in relation to this section 5.7 (Intercept) may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance and, upon receipt of such notice, an amount equal to the amount that the IESO has failed to pay when due to the OFA on account of indebtedness under this Agreement shall be deducted from the Appropriated Funds and paid to the OFA.
(d) For further certainty, the OFA acknowledges and agrees that the Intercept as provided for herein and in the Intercept Letter shall not apply with respect to any funds appropriated by the Legislature

for payment to the IESO through ministries other than the Ministry of Energy or through Ontario Climate Change Solutions Deployment Corporation.
The parties agree that, with respect to the exercise of the Intercept generally, the terms of this section 5.7 shall be applied consistently with the terms set out in the Intercept Letter which shall apply in full. Notwithstanding the foregoing, in the event of a conflict or inconsistency between the terms and conditions of the Intercept Letter and the terms and conditions contained in this Agreement, the terms and conditions contained in this Agreement shall prevail."
3.
If any… other relevant updates that make sense to do now……I do not anticipate any material ones.
We need your support to expedite the above in order to avoid delays in the Fair Hydro implementation.
Regards.

Hi Lisa, Sarah, and William,
Following my email on Tuesday, EFB has drafted the attached note on the IESO's request on the OEFC credit facility, including the background information, our recommendation, and the rationale. Could you please review the accuracy of the note and would you be able to provide me with your feedback before noon today?
Sorry for the short turnaround time, but we all would like to move on this as soon as possible.
Thanks,

Hi Lisa/Sarah H.,

We touched based with IESO and they told us that the OEFC agreements do not contemplate a general grant of security by IESO over its assets as is currently under discussion with the OPG Trust relative to the implementation of the OFHP. The changes required to allow for such a grant would be to amend the permitted liens and negative covenant language in the OEFC agreements so as to make it the same as, or very similar to, the language in the two OFA Agreements that were signed recently.

We will get a policy direction soon and will draft a note for you to review once it's ready.

Regards,

Gavin He

No, I don't think the OFA Lending Policy would apply to these OEFC loans. The OFA Lending Policy addresses lending activities to public bodies undertaken where the OFA is acting as an intermediary on behalf of the Province.

Will – unless any concerns, will appreciate if you please begin to draft the two OEFC amendments this week – given that the IESO is targeting to sign the OPG / IESO fair hydro agreement by this month's end,….we need to have the two OEFC's done before this.

Once we have completed the 2 OFA facilities and the intercept letter – we then have to turn to the 2 outstanding IESO-OEFC credit facilities to contemplate any further amendments too.
Just ensuring that these 2 OEFC facilities are not missed.

OEFC agrees, on the terms and conditions of this Agreement, to make Advances to IESO under the Credit Facility on the first Business Day of each month from and including May 3, 2010 to and including April 1, 2013.

Section 3.2 Procedure for Advances.

(1) Each Advance shall be made subject to four Business Day's prior notice given not later than 10:00 a.m. (Toronto time) by IESO to OEFC. Each notice of an Advance (a **"Borrowing Notice"**) shall be substantially in the form of Schedule 1, shall be irrevocable and binding on IESO and shall specify (a) the requested date of the Advance (the **"Advance Date"**), and (b) the principal amount of the Advance which shall be in a minimum amount of $1,000,000.00 (unless otherwise agreed to by OEFC), and in increments of $1,000,000.00 (or such other increments as may be agreed to by OEFC). OEFC will make the principal amount of each Advance available to IESO in accordance with Article 2.

(2) On or before the date of the first Advance hereunder, IESO shall execute and deliver to OEFC a grid promissory note (the "Note") in respect of Advances substantially in the form of Schedule 2. IESO authorizes OEFC to record on the grid promissory note (a) the date and amount of each Advance; (b) the applicable rate of interest for each Advance; (c) the date and amount of each payment of interest and each payment of principal in respect of each Advance; and (d) the outstanding principal amount of the grid promissory note. Such notations, in the absence of manifest error, shall be prima facie evidence of the such advances and repayments; provided that the failure of OEFC to record any amount, rate or date shall not affect the obligation of IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement.

(3) In the event that funds are not received by IESO on the Advance Date, IESO and OEFC agree to take all steps necessary to amend the date of the Advance, without amending the Interest Rate that was agreed to with respect to such Advance.

(4) The Note shall at all times rank *pari passu* with all other unsubordinated Indebtedness of IESO, subject to the existence of any Permitted Liens of IESO.

(5) All amounts owing in respect of the Advances shall be paid without exercising any right or set off or counterclaim by IESO.

Section 3.3 Interest on Advances.

(1) IESO shall pay interest on the principal amount of each Advance then outstanding in accordance with this Section 3.3 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the first Interest Payment Date following the date of the Advance, at the rate equal to the Interest Rate, and shall be payable on the Interest Payment Date for such Advance. The amount of interest payable on an Advance will be calculated by OEFC by dividing the Interest Rate applicable to the Advance by 365 or 366, as the case may be, and multiplying the result by the principal amount of the Advance then outstanding and further multiplying the result by the number of days in the period from the date of the Advance to the Interest Payment Date.

(i) If an Advance is outstanding on an Interest Payment Date, the interest rate applicable to such Advance shall be reset automatically by OEFC on that date (the "Interest Reset Date"), at the Interest Rate determined as of the Interest Reset Date.

(ii) For each Advance, OEFC shall notify IESO via email of the Interest Rate on the Advance Date and on each Interest Reset Date.

(3) Upon four Business Days prior notice by IESO, OEFC may at its discretion agree to capitalize the interest on any Advance on an Interest Payment Date, which shall be determined in the following manner: each such interest payment due on the Interest Payment Date shall be deemed to form part of the principal amount of the outstanding Advance and interest shall accrue and be payable thereon in accordance with Section 3.3(2). OEFC shall record on the grid forming part of the note: (a) the date and amount of the new Advance; (b) the applicable rate of interest for the Advance; and (c) the outstanding principal amount of the grid promissory note.

(4) Interest shall accrue on the principal amount of each Advance at the Interest Rate as determined from time to time, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after default.

Section 3.4 Computations of Interest.

(1) All computations of interest shall be made by OEFC taking into account the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest is payable on the basis of a year of 365 days or 366 days, as the case may be.

(2) For the purposes of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest which is equivalent to a rate of interest payable under this Agreement for any

period of less than a year may be determined by multiplying the rate of interest for such period by a fraction, the numerator of which is the actual number of days in a year commencing on and including the first day in such period and ending on but excluding the corresponding day in the next calendar year and the denominator of which is the actual number of days in such period.

Section 3.5 Limit on Rate of Interest.

(1) Notwithstanding any provision contained in this Agreement, IESO shall not be obliged to make any payments of interest or other amounts payable to OEFC hereunder in excess of the amount or rate which would be prohibited by applicable law or would result in the receipt by OEFC of interest at a criminal rate (as such terms are construed under the *Criminal Code* (Canada), as amended from time to time).

(2) In the event that any such payments are limited or prohibited as provided in Section 3.5(1), OEFC shall have no further obligation to make any Advances available hereunder and the Advances Outstanding, together with all accrued interest and all other amounts owing hereunder, shall become immediately due and payable.

Section 3.6 Conditions Precedent

The obligation of OEFC to make the Advances pursuant to Section 2.1 is subject to the following conditions being met to OEFC's satisfaction at the time of making each Advance:

(a) that the representations and warranties of IESO contained in this Agreement are true and correct as at the date of making the Advance;

(b) that no Event of Default has occurred and is continuing and no event or condition has occurred, which, with the lapse of time or the giving of notice or both would constitute an Event of Default;

(c) that there shall, in the reasonable opinion of OEFC, have been no material adverse change in the financial condition of IESO; and

(d) that OEFC has received such other documentation which it has reasonably requested to ensure that IESO is in compliance with the terms and conditions of this Agreement, including certified true copies of any necessary resolutions including resolutions authorizing the borrowing and authorized signatories.

Hi Lisa/Sarah H.,
We touched based with IESO and they told us that the OEFC agreements do not contemplate a general grant of security by IESO over its assets as is currently under discussion with the OPG Trust relative to the implementation of the OFHP. The changes required to allow for such a grant would be to amend the permitted liens and negative covenant language in the OEFC agreements so as to make it the same as, or very similar to, the language in the two OFA Agreements that were signed recently.
We will get a policy direction soon and will draft a note for you to review once it's ready.

No, I don't think the OFA Lending Policy would apply to these OEFC loans. The OFA Lending Policy addresses lending activities to public bodies undertaken where the OFA is acting as an intermediary on behalf of the Province.

Once we have completed the 2 OFA facilities and the intercept letter – we then have to turn to the 2 outstanding IESO-OEFC credit facilities to contemplate any further amendments too.

Just ensuring that these 2 OEFC facilities are not missed.

OEFC -- IESO CREDIT FACILITY AGREEMENT & THE PERMITTED LIENS

ISSUE

The IESO has requested OEFC to reopen the existing credit facility agreement between OEFC and IESO to make amendment to the definition of the permitted liens.

CONTEXT

To support IESO's role in the implementation and participation under the *Ontario Fair Hydro Plan Act, 2017* ("OFHP Act"), OFA recently amended the credit facility agreement between OFA and the IESO. One of the amendments to the agreement is to amend the definition of the permitted liens to include any lien arising from the IESO's role and obligations under the OFHP.

The OFA credit facility agreement was amended due to additional roles IESO is taking on under Ontario's Fair Hydro Plan. To fufil its obligation, the IESO will need a general grant of security on any lien arising from the IESO's role and obligations under the OFHP. Therefore, the OFA credit facility agreement was amended to allow for such a general grant of security.

For the same reason, the IESO has requested OEFC to reopen the existing credit facility agreement between OEFC and IESO to make the similar amendment. Specifically, adding a clause in the OEFC credit facility agreement that any lien related to OFHP will not be viewed as negative pledge by OEFC, so those liens can be used to secure the performance of IESO's obligations to OEFC.

RECOMMENDATION

- To maintain a consistent approach with IESO's credit facilities, CEFD staff and IESO are of the view that the exisiting OEFC credit facility should amend the permitted liens and negative covenant language to make it the same as, or very similar to, the language in the two OFA Agreements that were signed recently.
- Although the OEFC credit facility is not used for OFHP's purpose, such change to the permitted liens is still required in order for IESO to meet its role and obligation under the OFHP Act.

BACKGROUND

- Currently, under the existing credit facility agreement between OEFC and the IESO, the definition of the "permitted liens" does not include any lien arising from the IESO's role and obligations under the OFHP, including with respect to any amount received or receivable by the IESO (such as, without limitation, amounts received or receivable in respect of the Clean Energy Adjustment), or any other lien, whether arising from the action or inaction of IESO, that is created in connection with the OFHP.
- On November 6, 2017, OFA and IESO signed an updated OFA IESO credit facility agreement with respect to changes related to OFHP. Below are the related changes made to the OFA credit facility:

  Excerpt from the excuted OFA IESO Amending Agreement #10:

  > *The definition of "Permitted Liens" is amended by deleting the word "and" at the end of subsection (i); replacing the "." at the end of subsection (j) and replacing it with "; and" ; and adding the following subsection (k):*
  >
  > > *"(k) any Lien arising from the IESO's role and obligations under the OFHP, including with respect to any amount received or receivable by the IESO (such as, without limitation, amounts received or receivable in respect of the Clean Energy Adjustment), or any other lien, whether arising from the action or inaction of IESO, that is created in connection with the OFHP."*

Hi Sarah and JF – is it ok to send the below to Gavin? (he requested a response by Noon)

Hi Gavin,

Thank you for your note. After reviewing your note and the attached agreements we had a few comments:

- We understand that the $160M credit facility agreement will not be used for FHP purposes, although an amendment was made earlier in 2017 to allow advances for the purposes of FHP.
- It is our assumption that the $160M credit facility agreement was amended in April, 2017, pursuant to Reg. 280/14 as a potential temporary option for FHP funding requirements until such time as a separate facility agreement was created specifically for FHP purposes (i.e. the $2B OFA-IESO credit facility)
- There is an existing $120M loan agreement, maturing June 30, 2020, which is not a credit facility, but a fixed term loan. No amendments were made here in relation to FHP, as it is non-revolving and used for capital purposes.
- Since the $160M credit facility agreement will not be used for FHP purposes, it is not clear to us why the change to definition of Permitted Liens is required, and how not making this change would prevent IESO from performing its obligations under the OFHP Act. Please clarify.
- Kindly confirm with Anthony why IESO believes these amendments are necessary in respect of the $160M credit facility and $120M loan agreement.

We look forward to hearing back from you. Happy to discuss further as always.

Thank You,

Subject: IESO - OEFC Nov 7

Ryan,

As discussed with Will today, I understand you will be co-ordinating the proposed 2 amendments to the existing IESO-OEFC credit facilities.

For starters, there are no expected changes being asked to the existing agreement's key business content (e.g. amounts, dates, interest, notices etc.), rather given that IESO-OFA have just finished two new agreements pertaining to the new fair hydro program, ….I suggest we just copy and paste the salient sections from these agreements that would now be relevant to the OEFC agreements for fair hydro namely;

1.DRAFT

The definition of "Permitted Liens" is amended by deleting the word "and" at the end of subsection (xx); replacing the "." at the end of subsection (xx) and replacing it with "; and" ; and adding the following subsection (xx):

"(xx) any Lien arising from the IESO's role and obligations under the OFHP, including with respect to any amount received or receivable by the IESO (such as, without limitation, amounts received or receivable in respect of the Clean Energy Adjustment), or any other lien, whether arising from the action or inaction of IESO, that is created in connection with the OFHP."

2.DRAFT

The OFA agreements had required an intercept provision, …..not sure if the same applies to OEFC if yes:

"Section 5.7 Intercept

(a) The IESO hereby acknowledges that, in accordance with the terms of the letter agreement of November 6th , 2017 herewith entered between the Ministry of Energy, the IESO and the OFA made pursuant to Section 23 of the Capital Investment Plan Act, 1993 (the "Intercept Letter"), the Minister of Finance is entitled to deduct only from those monies appropriated by the Legislature for payment through the Ministry of Energy to the IESO ("Appropriated Funds"), amounts equal to any amounts that the IESO fails to pay to the OFA on account of indebtedness under this Agreement. On the occurrence of an Event of Default relating to a failure by IESO to pay when due any amounts owing hereunder, subject to the OFA's compliance with any relevant provisions hereof and as set out in the Intercept Letter, the Minister of Finance is irrevocably authorized to deduct from the Appropriated Funds amounts equal to any amounts that the IESO has failed to pay to the OFA in accordance with the provisions of this Agreement and to pay such amounts directly to the OFA ("Intercept").

(b) If, after following the process specified in the Intercept Letter (including, without limitation, allowing for a reasonable cure period on the terms specified therein), the OFA determines that it is

necessary to request the Minister of Finance to exercise the Intercept, the OFA will give written notice to the Minister of Finance, with a copy to the Ministry of Energy, detailing the IESO's failure to pay when due any amounts owing hereunder and requesting the deduction from the Appropriated Funds of amounts equal to the amounts that the IESO has failed to pay to the OFA under this Agreement.

(c) The IESO agrees that any notice from the OFA to the Minister of Finance in relation to this section 5.7 (Intercept) may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance and, upon receipt of such notice, an amount equal to the amount that the IESO has failed to pay when due to the OFA on account of indebtedness under this Agreement shall be deducted from the Appropriated Funds and paid to the OFA.

(d) For further certainty, the OFA acknowledges and agrees that the Intercept as provided for herein and in the Intercept Letter shall not apply with respect to any funds appropriated by the Legislature for payment to the IESO through ministries other than the Ministry of Energy or through Ontario Climate Change Solutions Deployment Corporation.

The parties agree that, with respect to the exercise of the Intercept generally, the terms of this section 5.7 shall be applied consistently with the terms set out in the Intercept Letter which shall apply in full. Notwithstanding the foregoing, in the event of a conflict or inconsistency between the terms and conditions of the Intercept Letter and the terms and conditions contained in this Agreement, the terms and conditions contained in this Agreement shall prevail."

3.

If any… other relevant updates that make sense to do now……I do not anticipate any material ones.

We need your support to expedite the above in order to avoid delays in the Fair Hydro implementation.

Regards.

ARTICLE 3
ADVANCES AND INTEREST

Section 3.1 Advances.

OEFC agrees, on the terms and conditions of this Agreement, to make Advances to IESO under the Credit Facility on the first Business Day of each month from and including May 3, 2010 to and including April 1, 2013.

Section 3.2 Procedure for Advances.

(1) Each Advance shall be made subject to four Business Day's prior notice given not later than 10:00 a.m. (Toronto time) by IESO to OEFC. Each notice of an Advance (a **"Borrowing Notice"**) shall be substantially in the form of Schedule 1, shall be irrevocable and binding on IESO and shall specify (a) the requested date of the Advance (the **"Advance Date"**), and (b) the principal amount of the Advance which shall be in a minimum amount of $1,000,000.00 (unless otherwise agreed to by OEFC), and in increments of $1,000,000.00 (or such other increments as may be agreed to by OEFC). OEFC will make the principal amount of each Advance available to IESO in accordance with Article 2.

(2) On or before the date of the first Advance hereunder, IESO shall execute and deliver to OEFC a grid promissory note (the "Note") in respect of Advances substantially in the form of Schedule 2. IESO authorizes OEFC to record on the grid promissory note (a) the date and amount of each Advance; (b) the applicable rate of interest for each Advance; (c) the date and amount of each payment of interest and each payment of principal in respect of each Advance; and (d) the outstanding principal amount of the grid promissory note. Such notations, in the absence of manifest error, shall be prima facie evidence of the such advances and repayments; provided that the failure of OEFC to record any amount, rate or date shall not affect the obligation of IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement.

(3) In the event that funds are not received by IESO on the Advance Date, IESO and OEFC agree to take all steps necessary to amend the date of the Advance, without amending the Interest Rate that was agreed to with respect to such Advance.

(4) The Note shall at all times rank *pari passu* with all other unsubordinated Indebtedness of IESO, subject to the existence of any Permitted Liens of IESO.

(5) All amounts owing in respect of the Advances shall be paid without exercising any right or set off or counterclaim by IESO.

Section 3.3 Interest on Advances.

(1) IESO shall pay interest on the principal amount of each Advance then outstanding in accordance with this Section 3.3 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the first Interest Payment Date following the date of the Advance, at the rate equal to the Interest Rate, and shall be payable on the Interest Payment Date for such Advance. The amount of interest payable on an Advance will be calculated by OEFC by dividing the Interest Rate applicable to the Advance by 365 or 366, as the case may be, and multiplying the result by the principal amount of the Advance then outstanding and further multiplying the result by the number of days in the period from the date of the Advance to the Interest Payment Date.

(i) If an Advance is outstanding on an Interest Payment Date, the interest rate applicable to such Advance shall be reset automatically by OEFC on that date (the "Interest Reset Date"), at the Interest Rate determined as of the Interest Reset Date.

(ii) For each Advance, OEFC shall notify IESO via email of the Interest Rate on the Advance Date and on each Interest Reset Date.

(3) Upon four Business Days prior notice by IESO, OEFC may at its discretion agree to capitalize the interest on any Advance on an Interest Payment Date, which shall be determined in the following manner: each such interest payment due on the Interest Payment Date shall be deemed to form part of the principal amount of the outstanding Advance and interest shall accrue and be payable thereon in accordance with Section 3.3(2). OEFC shall record on the grid forming part of the note: (a) the date and amount of the new Advance; (b) the applicable rate of interest for the Advance; and (c) the outstanding principal amount of the grid promissory note.

(4) Interest shall accrue on the principal amount of each Advance at the Interest Rate as determined from time to time, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after default.

Section 3.4 Computations of Interest.

(1) All computations of interest shall be made by OEFC taking into account the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest is payable on the basis of a year of 365 days or 366 days, as the case may be.

(2) For the purposes of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest which is equivalent to a rate of interest payable under this Agreement for any

period of less than a year may be determined by multiplying the rate of interest for such period by a fraction, the numerator of which is the actual number of days in a year commencing on and including the first day in such period and ending on but excluding the corresponding day in the next calendar year and the denominator of which is the actual number of days in such period.

Section 3.5 Limit on Rate of Interest.

(1) Notwithstanding any provision contained in this Agreement, IESO shall not be obliged to make any payments of interest or other amounts payable to OEFC hereunder in excess of the amount or rate which would be prohibited by applicable law or would result in the receipt by OEFC of interest at a criminal rate (as such terms are construed under the *Criminal Code* (Canada), as amended from time to time).

(2) In the event that any such payments are limited or prohibited as provided in Section 3.5(1), OEFC shall have no further obligation to make any Advances available hereunder and the Advances Outstanding, together with all accrued interest and all other amounts owing hereunder, shall become immediately due and payable.

Section 3.6 Conditions Precedent

The obligation of OEFC to make the Advances pursuant to Section 2.1 is subject to the following conditions being met to OEFC's satisfaction at the time of making each Advance:

(a) that the representations and warranties of IESO contained in this Agreement are true and correct as at the date of making the Advance;

(b) that no Event of Default has occurred and is continuing and no event or condition has occurred, which, with the lapse of time or the giving of notice or both would constitute an Event of Default;

(c) that there shall, in the reasonable opinion of OEFC, have been no material adverse change in the financial condition of IESO; and

(d) that OEFC has received such other documentation which it has reasonably requested to ensure that IESO is in compliance with the terms and conditions of this Agreement, including certified true copies of any necessary resolutions including resolutions authorizing the borrowing and authorized signatories.

Please move forward and seek the necessary approvals. TD wants to read the $2B agreement to ensure IESO has FH liquidity during the 4 years.

Hi Anthony,
I think the steps we would take to allow it, if at all, could be quite onerous and time-consuming. Are there any specific concern they have that we should be able to address without actually letting them see the agreement?

John, William,
TD Bank has asked to review the $2B Fair Hydro credit facility executed between IESO and OFA.
TD wants to gain comfort (themselves) that the credit facility is going to support the IESO's fair hydro transactions during the next 4 years.
I have verbally assured them of the above, but they wish to review themselves.
Let me know if I may share and TD will treat the document as confidential.
Regards.

OEFC -- IESO CREDIT FACILITY AGREEMENT & THE PERMITTED LIENS

ISSUE

The Independent Electricity System Operator ("IESO") has requested OEFC to ~~reopen the~~amend the existing credit facility agreement between OEFC and IESO (for $XX) to~~-~~address the additional obligations the IESO is taking on under Ontario's Fair Hydro Plan.~~make amendment to the definition of the permitted liens~~.

CONTEXT

To support IESO's role in the implementation and participation under the *Ontario Fair Hydro Plan Act, 2017* ("OFHP Act"), OFA recently amended the credit facility agreement between OFA and the IESO [insert date] (the "OFA Agreement"). One of the amendments to the agreement is to amend the definition of the permitted liens to include any lien arising from the IESO's role and obligations under the OFHP.

The OFA credit facility agreement was amended due to additional roles IESO is taking on under Ontario's Fair Hydro Plan. To fufil its obligation, the IESO will need a general grant of security on any lien arising from the IESO's role and obligations under the OFHP. Therefore, the OFA credit facility agreement was amended to allow for such a general grant of security.

For the same reason, the IESO has requested OEFC to reopen the existing credit facility agreement between OEFC and IESO to make the similar amendment. Specifically, adding a clause in the OEFC credit facility agreement that any lien related to OFHP will not be viewed as negative pledge by OEFC, so those liens can be used to secure the performance of IESO's obligations to OEFC.

RECOMMENDATION

- To maintain a consistent approach with IESO's credit facilities, CEFD staff ~~and IESO~~ are of the view that the exisiting OEFC credit facility ~~should amend~~requires amendments to the permitted liens and negative covenant language to make it the same as, or very similar to, the language in the two OFA Agreements that were signed recently.
- Although the OEFC credit facility is not used for OFHP's purpose, such change to the permitted liens is still required in order for IESO to meet its role and obligation under the OFHP Act.

BACKGROUND

- Currently, under the existing credit facility agreement between OEFC and the IESO, the definition of the "permitted liens" does not include any lien arising from the IESO's role and obligations under the OFHP, including with respect to any amount received or receivable by the IESO (such as, without limitation, amounts received or receivable in respect of the Clean Energy Adjustment), or any other lien, whether arising from the action or inaction of IESO, that is created in connection with the OFHP.
- ~~On November 6, 2017, OFA and IESO signed an updated OFA IESO credit facility agreement with respect to changes related to OFHP. Below are the related changes made to the OFA credit facility:~~

~~*Excerpt from the excuted OFA IESO Amending Agreement #10:*~~

~~*The definition of "Permitted Liens" is amended by deleting the word "and" at the end of subsection (i); replacing the "." at the end of subsection (j) and replacing it with "; and" ; and adding the following subsection (k):*~~

~~*"(k) any Lien arising from the IESO's role and obligations under the OFHP, including with respect to any amount received or receivable by the IESO (such as, without limitation, amounts received or receivable in respect of the Clean Energy Adjustment), or any other lien, whether arising from the action or inaction of IESO, that is created in connection with the OFHP."*~~

COMMERCIALLY SENSITIVE AND CONFIDENTIAL ADVICE

Commented [LS1]: I recommend moving this to the background section with less detail and explaining the purpose for the amendment on its own, as the IESO OEFC credit facility agreement is separate and needs to be amended on its own merits.

Commented [LS2]: See above.

Commented [LS3]: Is this the only amendment? I'll review again once re-drafted as per above comments.

Commented [LS4]: I don't think this is relevant here

Commented [LS5]: There are no prior references to the FHP Credit Facility Agreement. Again, as per earlier comments, please add a reference to a background section.

Commented [LS6]: Is it actually required?

Hi Victor,

Thank you for the update. When you send the soft copy signatures, would it be possible to include the signatures within the agreements?

You were probably going to include the following signed soft copies anyway but out of caution I have listed them below:

- Resolution of the Board of Directors
- Incumbency Certificate

- Intercept Letter
- $2 B Grid Note
- $475 MM Grid Note

Hardcopy of the Intercept Letter and $2B Grid Note – overnight delivery is fine.
Per s. 16 AA #10 - Anthony and I discussed on Friday that $475MM Grid note would be signed today but held by IESO until November 21. After the borrowing notice and election notices are actioned, OFA will produce the grid notes to evidence payment and advancements. IESO will then send the new $475MM prom note to OFA. Once received OFA will send the $975MM cancelled prom note to IESO.
Thanks,
Will

Hardcopy of Intercept Letter to follow as you prefer – overnight or pickup? We also need to make arrangements re delivery of the $2Bn Grid Note.
Per s.16 of AA#10, the other Note for $475MM is to be delivered following the Effective Time in exchange for the return by OFA of the Nov 30 2016 Note for $975MM.

The IESO shall use the proceeds of Advances for the purposes for which it is authorized to borrow funds pursuant to Regulation 280/14 made under the *Electricity Act, 1998*, as such regulation may be amended or replaced from time to time, subject to the condition that proceeds of Advances may be used only for IESO's financing needs and requirements of any kind arising in connection with the IESO's role with respect to and obligations under the OFHP.

Section 2.3 Credit Facility Limit.

Subject to Sections 2.5 and 5.2, the IESO shall repay each Advance together with the interest accrued thereon on the applicable Repayment Date, and, in any event, shall repay all Advances Outstanding, together with all accrued interest and all other amounts owing hereunder on September 30, 2022.

(2) The IESO shall make any payment required hereunder to be made by it to the OFA, to or to the order of the OFA, by wire transfer of immediately available funds in accordance with wire transfer instruction given by the OFA to the IESO from time to time, or in such other manner as the OFA may specify to the IESO from time to time. The IESO shall make each such payment in Canadian Dollars.

Section 2.7 Computations of Interest.

(1) All computations of interest shall be made by the OFA taking into account the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest is payable on the basis of a year of 365 days or 366 days, as the case may be.

(2) For the purposes of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest which is equivalent to a rate of interest payable under this Agreement for any period of less than a year may be determined by multiplying the rate of interest for such period by a fraction, the numerator of which is the actual number of days in a year commencing on and including the first day in such period and ending on but excluding the corresponding day in the next calendar year and the denominator of which is the actual number of days in such period.

Section 2.8 Limit on Rate of Interest.

(1) Notwithstanding any provision contained in this Agreement, the IESO shall not be obliged to make any payments of interest or other amounts payable to the OFA hereunder in excess of the amount or rate which would be prohibited by applicable law or would result in the receipt by the OFA of interest at a criminal rate (as such terms are construed under the *Criminal Code* (Canada)).

(2) In the event that any such payments are limited or prohibited as provided in Section 2.8(1), the OFA shall have no further obligation to make any Advances available hereunder and the Advances Outstanding, together with all accrued interest and all other amounts owing hereunder, shall become immediately due and payable.

Section 2.9 Application of Payments.

All payments made by the IESO under this Agreement shall be applied firstly to the payment of interest payable to the OFA on late payments of principal or interest hereunder, secondly, to the payment of accrued and unpaid interest payable to the OFA hereunder and thirdly, to the payment of the outstanding principal amount of any Advances payable to the OFA.

ARTICLE 3
ADVANCES

Section 3.1 Advances.

The OFA agrees, on the terms and conditions of this Agreement, to make Advances to the IESO under the Credit Facility from time to time on any Business Day prior to September 23, 2022.

Section 3.2 Procedure for Advances.

(1) Subject to Section 3.3(5), each Advance shall be made subject to two Business Days' prior notice given not later than 10:00 a.m. (Toronto time) by the IESO to the OFA. Each notice of an Advance (a "**Borrowing Notice**") shall be substantially in the form of Schedule 1, other than a Borrowing Notice that is included in an Election Notice as permitted by Section 3.3(3). Each Borrowing Notice shall be irrevocable and binding on the IESO and shall specify (a) the requested date of the Advance; (b) the principal amount of the Advance, and (c) the Repayment Date of the Advance which shall not be earlier than 5 days and not later than 95 days after the date of the requested Advance. Each Borrowing Notice shall also certify the use of proceeds of the Advance which shall in any case be in accordance with Section 2.2. The OFA will make the principal amount of each Advance available to the IESO in accordance with Article 2.

(2) On or before the date of the first Advance hereunder, the IESO shall execute and deliver to the OFA a grid promissory note in respect of Advances substantially in the form of Schedule 3 (the "**Grid Note**"). The IESO authorizes the OFA to record on the Grid Note (a) the date and amount of each Advance or Continued Advance; (b) the applicable rate of interest for each Advance or Continued Advance; (c) the Repayment Date of each Advance or Continued Advance; (d) the date and amount of each payment of interest and each payment of principal or portion thereof in respect of each Advance or Continued Advance; and (e) Advances Outstanding. Such notations, in the absence of manifest error, shall be *prima facie* evidence of such Advances and repayments; provided that the failure of the OFA to record any amount, rate or date shall not affect the obligation of the IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement.

(3) Respecting the first Advance to be made under this Agreement (the "**First Advance**"), a specified portion thereof (the "**Repayment Amount**") shall be used to repay a portion of the IESO's outstanding indebtedness to the OFA under the credit agreement between the Parties dated January 1, 2005, as amended (the "**Existing Credit Facility**"). The amount of the Repayment Amount shall be detailed in the Borrowing Notice issued in respect of the First Advance. Concurrently with the First Advance, OFA shall provide to IESO an updated grid in respect of the grid note issued under the Existing Credit Facility evidencing the repayment of the Repayment Amount thereunder.

Section 3.3 Elections Regarding Advances.

(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 5 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

(2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than

10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 5 days and not later than 95 days after the current Repayment Date (the "**New Repayment Date**"). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the Grid Note in accordance with Section 3.2(2).

(5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date.

(6) The Credit Facility shall at all times rank *pari passu* with all other unsubordinated and unsecured Indebtedness of the IESO, subject to the existence of any Liens that secure Indebtedness, as permitted by subections 4.6 (a) through (e) hereof.

(7) All amounts owing in respect of the Advances shall be paid without exercising any right of set off or counterclaim by the IESO.

Section 3.4 Interest on Advances.

(1) The IESO shall pay interest on the unpaid principal amount of each Advance in accordance with this Section 3.4 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the Repayment Date of such Advance, at an annual rate equal to the Province of Ontario's cost of funds for borrowings with a similar term as determined by the OFA plus 0.25 percent per annum, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after Default and shall be payable on the Repayment Date for such Advance. Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the

OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

Section 3.5 Conditions Precedent

The obligation of the OFA to make the Advances to the IESO pursuant to Section 2.1 is subject to the following conditions being satisfied to the OFA's satisfaction at the time of making each Advance:

(a) that the representations and warranties of the IESO contained in this Agreement are true and correct as at the date of making the Advance;

(b) that no Event of Default has occurred and is continuing;

(c) that there shall, in the reasonable opinion of the OFA, have been no material adverse change in the financial condition of the IESO or a Material Subsidiary; and

(h) if there shall be rendered against the IESO or any Material Subsidiary a final judgment or judgments for the payment of money in an aggregate amount in excess of $5 million by a court or courts of competent jurisdiction, and the IESO or any Material Subsidiary shall have failed to satisfy such judgments or to appeal therefrom (or from the order, decree or process pursuant to which such judgments were granted, passed, entered or affirmed) and to obtain a stay of execution thereof within the period prescribed by law for appeals, and to have such judgments discharged within 30 days after the expiration of such period or the period of any such stay, whichever shall later expire.

Section 5.2 Acceleration of Maturity; Rescission and Annulment.

If an Event of Default occurs and is continuing, then and in every such case the OFA may at its option, in addition to any other remedy available to the OFA at law, by written notice to the IESO, take any or all of the following actions:

(a) suspend the right of the IESO to request any further Advance until the Event of Default has been cured to the OFA's satisfaction or, if the Event of Default is not

cured within three (3) Business Days after the date on which written notice of such Event of Default shall have been given to the IESO by the OFA, declare all amounts owing hereunder including all interest accrued to be due and payable immediately, by a notice in writing to the IESO, and upon any such declaration all such amounts shall become immediately due and payable.

(b) invoke the Intercept pursuant to section 5.7 of this Agreement to require payment of any amount due and payable under this Agreement.

Section 5.3 Suits for Enforcement by the OFA.

If an Event of Default occurs and is continuing, the OFA may proceed to protect and enforce the rights vested in it by this Agreement either by suit in equity or by action at law or by proceedings in bankruptcy or otherwise, whether for the specific enforcement of any covenant or agreement contained in this Agreement or in aid of the exercise of any power granted in this Agreement, or to enforce any other legal or equitable right vested in the OFA by this Agreement or by law.

Section 5.4 OFA May File Proof of Claim.

If proceedings for the receivership, insolvency, liquidation, bankruptcy, winding-up, reorganization, arrangement or composition of the IESO under any applicable law are pending, or if a receiver, trustee, custodian or other similar official shall have been appointed for the property of the IESO, or if any other judicial proceedings relative to the IESO, its creditors or its property are pending, the OFA shall be entitled and empowered, by intention in such proceeding or otherwise:

(a) to file and prove a claim for all amounts owing under this Agreement and to file such other papers or documents as may be necessary or advisable in order to have the claims of the OFA (including any claim for fees and disbursements of the OFA, its agents and counsel) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claim.

Section 5.5 Rights and Remedies Cumulative.

No right or remedy herein conferred upon or reserved to the OFA is intended to be exclusive of any other such right or remedy, and every such right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.6 Delay or Omission not Waiver.

No delay or omission of the OFA to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right or remedy given by this Article 5 or by law to OFA may be exercised from time to time, and as often as may be deemed expedient, by the OFA.

Section 5.7 Intercept

(a) The IESO hereby acknowledges that, in accordance with the terms of the letter agreement of even date herewith entered between the Ministry of Energy, the IESO and the OFA made pursuant to Section 23 of the *Capital Investment Plan Act, 1993* (the "**Intercept Letter**"), the Minister of Finance is entitled to deduct only from those monies appropriated by the Legislature for payment through the Ministry of Energy to the IESO ("**Appropriated Funds**"), amounts equal to any amounts that the IESO fails to pay to the OFA on account of indebtedness under this Agreement. On the occurrence of an Event of Default relating to a failure by IESO to pay when due any amounts owing hereunder, subject to the OFA's compliance with any relevant provisions hereof and as set out in the Intercept Letter, the Minister of Finance is irrevocably authorized to deduct from the Appropriated Funds amounts equal to any amounts that the IESO has failed to pay to the OFA in accordance with the provisions of this Agreement and to pay such amounts directly to the OFA ("**Intercept**").

(b) If, after following the process specified in the Intercept Letter (including, without limitation, allowing for a reasonable cure period on the terms specified therein), the OFA determines that it is necessary to request the Minister of Finance to exercise the Intercept, the OFA will give written notice to the Minister of Finance, with a copy to the Ministry of Energy, detailing the IESO's failure to pay when due any amounts owing hereunder and requesting the deduction from the Appropriated Funds of amounts equal to the amounts that the IESO has failed to pay to the OFA under this Agreement.

(c) The IESO agrees that any notice from the OFA to the Minister of Finance in relation to this section 5.7 (Intercept) may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance and, upon receipt of such notice, an amount equal to the amount that the IESO has failed to pay when due to the OFA on account of indebtedness under this Agreement shall be deducted from the Appropriated Funds and paid to the OFA.

(d) For further certainty, the OFA acknowledges and agrees that the Intercept as provided for herein and in the Intercept Letter shall not apply with respect to any funds appropriated by the Legislature for payment to the IESO through ministries other than the Ministry of Energy or through Ontario Climate Change Solutions Deployment Corporation.

(e) The parties agree that, with respect to the exercise of the Intercept generally, the terms of this section 5.7 shall be applied consistently with the terms set out in the Intercept Letter which shall apply in full. Notwithstanding the foregoing, in the event of a conflict or

inconsistency between the terms and conditions of the Intercept Letter and the terms and conditions contained in this Agreement, the terms and conditions contained in this Agreement shall prevail.

ARTICLE 6

Just so I get it right, should I courier the hardcopies of the Intercept Letter and Note to your attention and address, Will? Call me if it's quicker.

Hi Victor,

Thank you for the update. When you send the soft copy signatures, would it be possible to include the signatures within the agreements?

You were probably going to include the following signed soft copies anyway but out of caution I have listed them below:

- Resolution of the Board of Directors
- Incumbency Certificate

- Intercept Letter
- $2 B Grid Note
- $475 MM Grid Note

Hardcopy of the Intercept Letter and $2B Grid Note – overnight delivery is fine.
Per s. 16 AA #10 - Anthony and I discussed on Friday that $475MM Grid note would be signed today but held by IESO until November 21. After the borrowing notice and election notices are actioned, OFA will produce the grid notes to evidence payment and advancements. IESO will then send the new $475MM prom note to OFA. Once received OFA will send the $975MM cancelled prom note to IESO.
Thanks,
Will

Hardcopy of Intercept Letter to follow as you prefer – overnight or pickup? We also need to make arrangements re delivery of the $2Bn Grid Note.
Per s.16 of AA#10, the other Note for $475MM is to be delivered following the Effective Time in exchange for the return by OFA of the Nov 30 2016 Note for $975MM.

Each Borrowing Notice shall be irrevocable and binding on the IESO and shall specify (a) the requested date of the Advance; (b) the principal amount of the Advance, and (c) the Repayment Date of the Advance which shall not be earlier than 5 days and not later than 95 days after the date of the requested Advance. Each Borrowing Notice shall also certify the use of proceeds of the Advance which shall in any case be in accordance with Section 2.2. Such notations, in the absence of manifest error, shall be *prima facie* evidence of such Advances and repayments; provided that the failure of the OFA to record any amount, rate or date shall not affect the obligation of the IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement.

(3) Respecting the first Advance to be made under this Agreement (the "**First Advance**"), a specified portion thereof (the "**Repayment Amount**") shall be used to repay a portion of the IESO's outstanding indebtedness to the OFA under the credit agreement between the Parties dated January 1, 2005, as amended (the "**Existing Credit Facility**"). The amount of the Repayment Amount shall be detailed in the Borrowing Notice issued in respect of the First Advance. Concurrently with the First Advance, OFA shall provide to IESO an updated grid in respect of the grid note issued under the Existing Credit Facility evidencing the repayment of the Repayment Amount thereunder.

Section 3.3 Elections Regarding Advances.

(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 5 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

(2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than

10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 5 days and not later than 95 days after the current Repayment Date (the "**New Repayment Date**"). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the Grid Note in accordance with Section 3.2(2).

(5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date.

Section 3.4 Interest on Advances.

(1) The IESO shall pay interest on the unpaid principal amount of each Advance in accordance with this Section 3.4 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the Repayment Date of such Advance, at an annual rate equal to the Province of Ontario's cost of funds for borrowings with a similar term as determined by the OFA plus 0.25 percent per annum, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after Default and shall be payable on the Repayment Date for such Advance. Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the

OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

Section 3.5 Conditions Precedent

(c) The IESO agrees that any notice from the OFA to the Minister of Finance in relation to this section 5.7 (Intercept) may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance and, upon receipt of such notice, an amount equal to the amount that the IESO has failed to pay when due to the OFA on account of indebtedness under this Agreement shall be deducted from the Appropriated Funds and paid to the OFA.

(d) For further certainty, the OFA acknowledges and agrees that the Intercept as provided for herein and in the Intercept Letter shall not apply with respect to any funds appropriated by the Legislature for payment to the IESO through ministries other than the Ministry of Energy or through Ontario Climate Change Solutions Deployment Corporation.

(e) The parties agree that, with respect to the exercise of the Intercept generally, the terms of this section 5.7 shall be applied consistently with the terms set out in the Intercept Letter which shall apply in full. Notwithstanding the foregoing, in the event of a conflict or

inconsistency between the terms and conditions of the Intercept Letter and the terms and conditions contained in this Agreement, the terms and conditions contained in this Agreement shall prevail.

John, William,
TD Bank has asked to review the $2B Fair Hydro credit facility executed between IESO and OFA.
TD wants to gain comfort (themselves) that the credit facility is going to support the IESO's fair hydro transactions during the next 4 years.
I have verbally assured them of the above, but they wish to review themselves.
Let me know if I may share and TD will treat the document as confidential.

Hi Will – thanks for your email. Having looked at our records and correspondence, I agree with your analysis that the revised Form of Borrowing Notice should have been attached to Amendment No. 6 and was not.

Going forward, we will ensure the form of notice makes reference to "IESO Corporate Requirements" as indicated, and we agree to use the general format for showing the numbers as in the version provided by Sarah this morning (see attached). Also, a minor detail but we will head it "Borrowing Notice" when we send it over, rather than "Form of Borrowing Notice" (assuming you agree).

Let me know if there is anything else you require.

Best Regards,
Victor

Hello Victor,

RE: Use of Funds – IESO Corporate Requirements

I hope you are enjoying the warm weather. I am emailing you regarding the Form of Borrowing Notice under the OEFC/IESO $160M Revolving Credit Facility. Olga has provided a Borrowing Notice from Amending Agreement No. 5, requesting an **new** advance of $30M and **roll-over** of $30M. According to our records the most current version of the Borrowing Notice is from Amending Agreement No. 6. We noticed the Grid Promissory Note was incorrectly attached as Schedule 1. The key addition to the Borrowing Notice is under Use of Funds to include "IESO Corporate

Requirements". I have attached a copy of the Borrowing Notice that was supposed to be included as Schedule 1, in AA No.6. Please review the notice and acknowledge that this will be the correct Borrowing Notice going forward.

For your reference I have included AA No. 6, Olga's request and Borrowing Notice.

Thanks,

Will

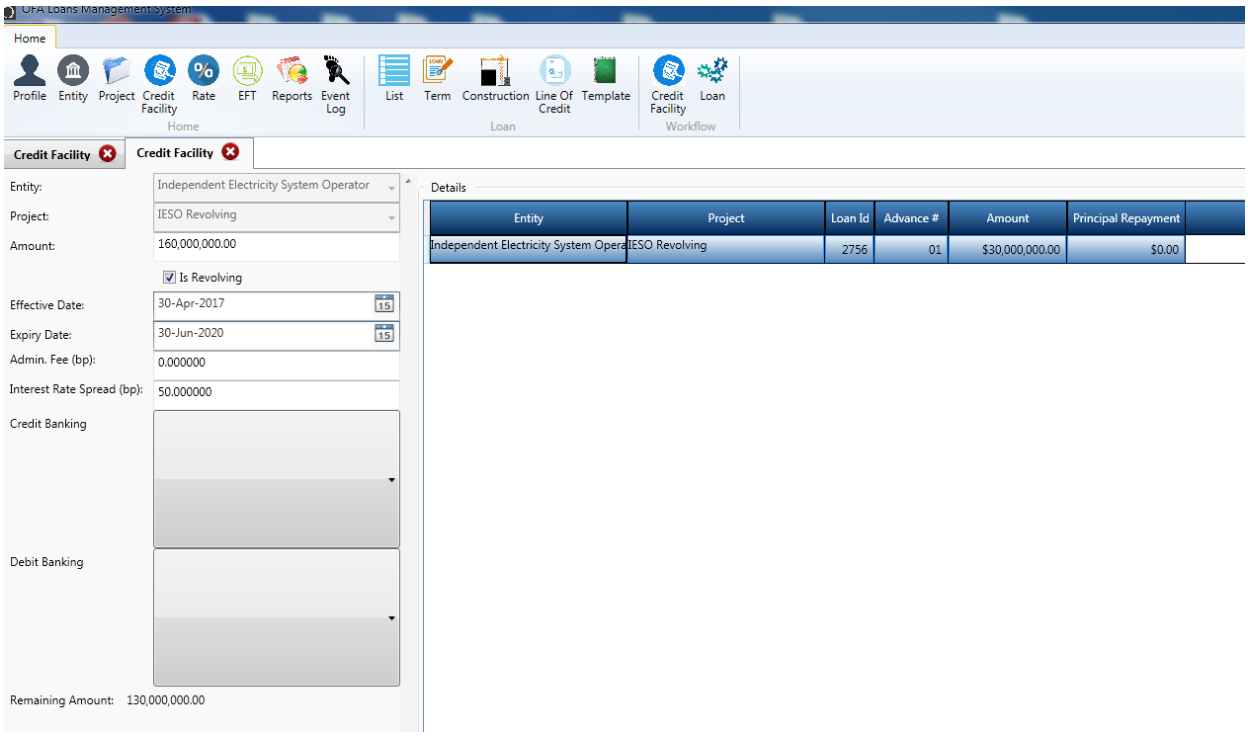
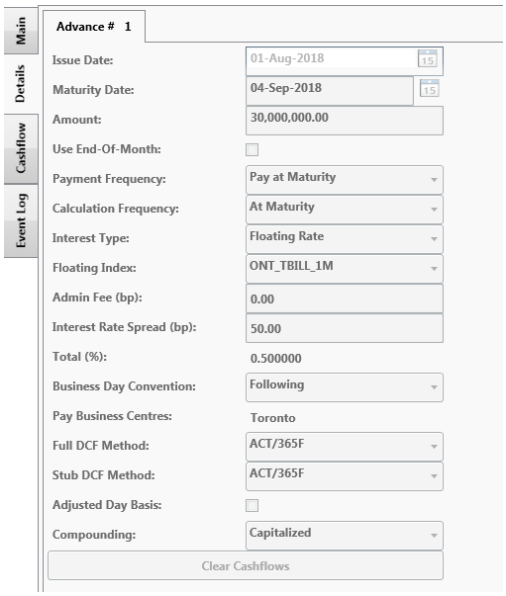
Credit Facility Agreement, April 23, 2010, executed..pdf
Grid Promissory Note-template .pdf

Hi Sarah,



As per the email chain below, we received the attached $30M advance request from IESO with an advance date of September 4, 2018. I spoke with Ricky Lai and he said the desk is already aware of the request and the details have already been entered into OLMS (confirmed as per screenshots below).



As per section 3.2 of the attached credit facility agreement dated April 23, 2010 there does not appear to be any additional documentation requirements on our end. The next step will be for IESO to deliver an executed Grid Promissory Note in the form of the attached pdf on or before the advance date (September 4, 2018).

I was wondering if we could sit down and discuss the way I should be recording these advances going forward. You may recall that I assisted on drafting Amending Agreement No.7 for this facility back in December 2017 for the purposes of the Ontario Fair Hydro Plan (permitted liens etc). However, this is my first time observing an Advance under this facility and I was not able to find procedures similar to what we have for OPG advances. It does look like Documentation have been tracking the grid notes we receive under this credit facility agreement in the following folder:

Z:\Users\CMB\Documentation\IESO-OPA Merger\IESO(IMO)\OEFC - Revolving Credit Facility 2010-$160M\Advances

However, I'm uncertain if this is up to date as the last Grid Note saved in this folder is for an advance dated March 1, 2013.

Thanks,
Ryan

ARTICLE 2
REVOLVING CREDIT FACILITY

Section 2.1 Availability.

OEFC agrees, on the terms and conditions of this Agreement, to make Advances to IESO up to the amount of the Commitment. OEFC shall make each Advance in Canadian Dollars.

Section 2.2 Commitment and Facility Limits.

The Advances Outstanding to IESO under the Credit Facility shall not at any time exceed the Commitment. The Credit Facility shall revolve and no payment under the Credit Facility shall reduce the Commitment.

Section 2.3 Use of Proceeds.

IESO shall use the proceeds of Advances for the following purposes for which it is authorized to borrow funds:

(a) to repay the revolving line of credit with the Toronto Dominion Bank;

(b) for liquidity purposes; and

(c) to fund corporate requirements.

Section 2.4 Mandatory Repayment.

Subject to Sections 3.5 and 5.2, IESO, shall repay all Advances Outstanding, together with all accrued interest and all other amounts owing hereunder in full on or before April 30, 2013.

Section 2.5 Advances and Payments under this Agreement.

(2) IESO shall make any payment required hereunder to be made by it to OEFC, to or to the order of OEFC, by wire transfer of immediately available funds in accordance with wire transfer instruction given by OEFC to IESO from time to time, or in such other manner as OEFC may specify to IESO from time to time. IESO shall make each such payment in Canadian Dollars

Section 2.6 Evidence of Indebtedness.

IESO authorizes OEFC to open and maintain records evidencing IESO's obligations under this Agreement and to record therein all advances, interest rates, accrued interest, payments of principal and interest and the aggregate principal and accrued interest outstanding from time to time under this Agreement. IESO agrees that the records kept by the OEFC in the absence of manifest error, shall be prima facie evidence of the indebtedness of IESO and the matters recorded provided that the failure of the OEFC to record or correctly record any amount or date shall not affect the obligation of IESO to repay the aggregate principal amounts and accrued interest thereon owing under this Agreement.

ARTICLE 3
ADVANCES AND INTEREST

Section 3.1 Advances.

OEFC agrees, on the terms and conditions of this Agreement, to make Advances to IESO under the Credit Facility on the first Business Day of each month from and including May 3, 2010 to and including April 1, 2013.

Section 3.2 Procedure for Advances.

(1) Each Advance shall be made subject to four Business Day's prior notice given not later than 10:00 a.m. (Toronto time) by IESO to OEFC. Each notice of an Advance (a **"Borrowing Notice"**) shall be substantially in the form of Schedule 1, shall be irrevocable and binding on IESO and shall specify (a) the requested date of the Advance (the **"Advance Date"**), and (b) the principal amount of the Advance which shall be in a minimum amount of $1,000,000.00 (unless otherwise agreed to by OEFC), and in increments of $1,000,000.00 (or such other increments as may be agreed to by OEFC). OEFC will make the principal amount of each Advance available to IESO in accordance with Article 2.

(2) On or before the date of the first Advance hereunder, IESO shall execute and deliver to OEFC a grid promissory note (the "Note") in respect of Advances substantially in the form of Schedule 2. IESO authorizes OEFC to record on the grid promissory note (a) the date and amount of each Advance; (b) the applicable rate of interest for each Advance; (c) the date and amount of each payment of interest and each payment of principal in respect of each Advance; and (d) the outstanding principal amount of the grid promissory note. Such notations, in the absence of manifest error, shall be prima facie evidence of the such advances and repayments; provided that the failure of OEFC to record any amount, rate or date shall not affect the obligation of IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement.

(3) In the event that funds are not received by IESO on the Advance Date, IESO and OEFC agree to take all steps necessary to amend the date of the Advance, without amending the Interest Rate that was agreed to with respect to such Advance.

(4) The Note shall at all times rank *pari passu* with all other unsubordinated Indebtedness of IESO, subject to the existence of any Permitted Liens of IESO.

(5) All amounts owing in respect of the Advances shall be paid without exercising any right or set off or counterclaim by IESO.

Section 3.3 Interest on Advances.

(1) IESO shall pay interest on the principal amount of each Advance then outstanding in accordance with this Section 3.3 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the first Interest Payment Date following the date of the Advance, at the rate equal to the Interest Rate, and shall be payable on the Interest Payment Date for such Advance. The amount of interest payable on an Advance will be calculated by OEFC by dividing the Interest Rate applicable to the Advance by 365 or 366, as the case may be, and multiplying the result by the principal amount of the Advance then outstanding and further multiplying the result by the number of days in the period from the date of the Advance to the Interest Payment Date.

(i) If an Advance is outstanding on an Interest Payment Date, the interest rate applicable to such Advance shall be reset automatically by OEFC on that date (the "Interest Reset Date"), at the Interest Rate determined as of the Interest Reset Date.

(ii) For each Advance, OEFC shall notify IESO via email of the Interest Rate on the Advance Date and on each Interest Reset Date.

(3) Upon four Business Days prior notice by IESO, OEFC may at its discretion agree to capitalize the interest on any Advance on an Interest Payment Date, which shall be determined in the following manner: each such interest payment due on the Interest Payment Date shall be deemed to form part of the principal amount of the outstanding Advance and interest shall accrue and be payable thereon in accordance with Section 3.3(2). OEFC shall record on the grid forming part of the note: (a) the date and amount of the new Advance; (b) the applicable rate of interest for the Advance; and (c) the outstanding principal amount of the grid promissory note.

(4) Interest shall accrue on the principal amount of each Advance at the Interest Rate as determined from time to time, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after default.

Section 3.4 Computations of Interest.

(1) All computations of interest shall be made by OEFC taking into account the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest is payable on the basis of a year of 365 days or 366 days, as the case may be.

(2) For the purposes of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest which is equivalent to a rate of interest payable under this Agreement for any

period of less than a year may be determined by multiplying the rate of interest for such period by a fraction, the numerator of which is the actual number of days in a year commencing on and including the first day in such period and ending on but excluding the corresponding day in the next calendar year and the denominator of which is the actual number of days in such period.

Section 3.5 Limit on Rate of Interest.

(1) Notwithstanding any provision contained in this Agreement, IESO shall not be obliged to make any payments of interest or other amounts payable to OEFC hereunder in excess of the amount or rate which would be prohibited by applicable law or would result in the receipt by OEFC of interest at a criminal rate (as such terms are construed under the *Criminal Code* (Canada), as amended from time to time).

(2) In the event that any such payments are limited or prohibited as provided in Section 3.5(1), OEFC shall have no further obligation to make any Advances available hereunder and the Advances Outstanding, together with all accrued interest and all other amounts owing hereunder, shall become immediately due and payable.

Section 3.6 Conditions Precedent

The obligation of OEFC to make the Advances pursuant to Section 2.1 is subject to the following conditions being met to OEFC's satisfaction at the time of making each Advance:

(a) that the representations and warranties of IESO contained in this Agreement are true and correct as at the date of making the Advance;

(b) that no Event of Default has occurred and is continuing and no event or condition has occurred, which, with the lapse of time or the giving of notice or both would constitute an Event of Default;

(c) that there shall, in the reasonable opinion of OEFC, have been no material adverse change in the financial condition of IESO; and

(d) that OEFC has received such other documentation which it has reasonably requested to ensure that IESO is in compliance with the terms and conditions of this Agreement, including certified true copies of any necessary resolutions including resolutions authorizing the borrowing and authorized signatories.

Section 4.8 Payment of OEFC Expenses.

IESO will, on demand, reimburse and indemnify OEFC for all reasonable costs, charges and expenses, including reasonable fees and disbursements of its agents and counsel, incurred by OEFC in connection with the preservation of rights under or enforcement of this Agreement at

any time during the continuance of a Default or Event of Default. All such costs, charges and expenses shall bear interest at the Province's cost of funds plus 0.25 percent per annum (as determined by OEFC) calculated and payable monthly not in advance from in each case from the date on which OEFC incurs the cost, charge or expense until the date on which IESO reimbursement OEFC therefor. OEFC agrees, acting reasonably, to invoice IESO for any such costs, charges and expense as they are incurred, together with interest at the aforesaid rate (with interest on overdue interest).

Section 4.9 Reporting Requirements.

IESO covenants to provide to OEFC, or at its direction, to the Province of Ontario and the Ontario Financing Authority,

(a) any available information respecting its financial position which may be reasonably requested by OEFC, the Province of Ontario or the Ontario Financing Authority from time to time; and

Credit Facility Agreement, April 23, 2010, executed..pdf
Grid Promissory Note-template .pdf

Hi Sarah,
As per the email chain below, we received the attached $30M advance request from IESO with an advance date of September 4, 2018. I spoke with Ricky Lai and he said the desk is already aware of the request and the details have already been entered into OLMS (confirmed as per screenshots below).
As per section 3.2 of the attached credit facility agreement dated April 23, 2010 there does not appear to be any additional documentation requirements on our end. The next step will be for IESO to deliver an executed Grid Promissory Note in the form of the attached pdf on or before the advance date (September 4, 2018).
I was wondering if we could sit down and discuss the way I should be recording these advances going forward. You may recall that I assisted on drafting Amending Agreement No.7 for this facility back in December 2017 for the purposes of the Ontario Fair Hydro Plan (permitted liens etc). However, this is my first time observing an Advance under this facility and I was not able to find procedures similar to what we have for OPG advances. It does look like Documentation have been tracking the grid notes we receive under this credit facility agreement in the following folder:
Z:\Users\CMB\Documentation\IESO-OPA Merger\IESO(IMO)\OEFC - Revolving Credit Facility 2010-$160M\Advances
However, I'm uncertain if this is up to date as the last Grid Note saved in this folder is for an advance dated March 1, 2013.

Thanks,
Ryan

(2) IESO shall make any payment required hereunder to be made by it to OEFC, to or to the order of OEFC, by wire transfer of immediately available funds in accordance with wire transfer instruction given by OEFC to IESO from time to time, or in such other manner as OEFC may specify to IESO from time to time. IESO shall make each such payment in Canadian Dollars

Section 2.6 Evidence of Indebtedness.

IESO authorizes OEFC to open and maintain records evidencing IESO's obligations under this Agreement and to record therein all advances, interest rates, accrued interest, payments of principal and interest and the aggregate principal and accrued interest outstanding from time to time under this Agreement. IESO agrees that the records kept by the OEFC in the absence of manifest error, shall be prima facie evidence of the indebtedness of IESO and the matters recorded provided that the failure of the OEFC to record or correctly record any amount or date shall not affect the obligation of IESO to repay the aggregate principal amounts and accrued interest thereon owing under this Agreement.

ARTICLE 3
ADVANCES AND INTEREST

Section 3.1 Advances.

OEFC agrees, on the terms and conditions of this Agreement, to make Advances to IESO under the Credit Facility on the first Business Day of each month from and including May 3, 2010 to and including April 1, 2013.

Section 3.2 Procedure for Advances.

(1) Each Advance shall be made subject to four Business Day's prior notice given not later than 10:00 a.m. (Toronto time) by IESO to OEFC. Each notice of an Advance (a **"Borrowing Notice"**) shall be substantially in the form of Schedule 1, shall be irrevocable and binding on IESO and shall specify (a) the requested date of the Advance (the **"Advance Date"**), and (b) the principal amount of the Advance which shall be in a minimum amount of $1,000,000.00 (unless otherwise agreed to by OEFC), and in increments of $1,000,000.00 (or such other increments as may be agreed to by OEFC). OEFC will make the principal amount of each Advance available to IESO in accordance with Article 2.

(2) On or before the date of the first Advance hereunder, IESO shall execute and deliver to OEFC a grid promissory note (the "Note") in respect of Advances substantially in the form of Schedule 2. IESO authorizes OEFC to record on the grid promissory note (a) the date and amount of each Advance; (b) the applicable rate of interest for each Advance; (c) the date and amount of each payment of interest and each payment of principal in respect of each Advance; and (d) the outstanding principal amount of the grid promissory note. Such notations, in the absence of manifest error, shall be prima facie evidence of the such advances and repayments; provided that the failure of OEFC to record any amount, rate or date shall not affect the obligation of IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement.

(3) In the event that funds are not received by IESO on the Advance Date, IESO and OEFC agree to take all steps necessary to amend the date of the Advance, without amending the Interest Rate that was agreed to with respect to such Advance.

(4) The Note shall at all times rank *pari passu* with all other unsubordinated Indebtedness of IESO, subject to the existence of any Permitted Liens of IESO.

(5) All amounts owing in respect of the Advances shall be paid without exercising any right or set off or counterclaim by IESO.

Section 3.3 Interest on Advances.

(1) IESO shall pay interest on the principal amount of each Advance then outstanding in accordance with this Section 3.3 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the first Interest Payment Date following the date of the Advance, at the rate equal to the Interest Rate, and shall be payable on the Interest Payment Date for such Advance. The amount of interest payable on an Advance will be calculated by OEFC by dividing the Interest Rate applicable to the Advance by 365 or 366, as the case may be, and multiplying the result by the principal amount of the Advance then outstanding and further multiplying the result by the number of days in the period from the date of the Advance to the Interest Payment Date.

(i) If an Advance is outstanding on an Interest Payment Date, the interest rate applicable to such Advance shall be reset automatically by OEFC on that date (the "Interest Reset Date"), at the Interest Rate determined as of the Interest Reset Date.

(ii) For each Advance, OEFC shall notify IESO via email of the Interest Rate on the Advance Date and on each Interest Reset Date.

(3) Upon four Business Days prior notice by IESO, OEFC may at its discretion agree to capitalize the interest on any Advance on an Interest Payment Date, which shall be determined in the following manner: each such interest payment due on the Interest Payment Date shall be deemed to form part of the principal amount of the outstanding Advance and interest shall accrue and be payable thereon in accordance with Section 3.3(2). OEFC shall record on the grid forming part of the note: (a) the date and amount of the new Advance; (b) the applicable rate of interest for the Advance; and (c) the outstanding principal amount of the grid promissory note.

(4) Interest shall accrue on the principal amount of each Advance at the Interest Rate as determined from time to time, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after default.

Section 3.4 Computations of Interest.

(1) All computations of interest shall be made by OEFC taking into account the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest is payable on the basis of a year of 365 days or 366 days, as the case may be.

(2) For the purposes of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest which is equivalent to a rate of interest payable under this Agreement for any

period of less than a year may be determined by multiplying the rate of interest for such period by a fraction, the numerator of which is the actual number of days in a year commencing on and including the first day in such period and ending on but excluding the corresponding day in the next calendar year and the denominator of which is the actual number of days in such period.

Section 3.5 Limit on Rate of Interest.

(1) Notwithstanding any provision contained in this Agreement, IESO shall not be obliged to make any payments of interest or other amounts payable to OEFC hereunder in excess of the amount or rate which would be prohibited by applicable law or would result in the receipt by OEFC of interest at a criminal rate (as such terms are construed under the *Criminal Code* (Canada), as amended from time to time).

(2) In the event that any such payments are limited or prohibited as provided in Section 3.5(1), OEFC shall have no further obligation to make any Advances available hereunder and the Advances Outstanding, together with all accrued interest and all other amounts owing hereunder, shall become immediately due and payable.

Section 3.6 Conditions Precedent

The obligation of OEFC to make the Advances pursuant to Section 2.1 is subject to the following conditions being met to OEFC's satisfaction at the time of making each Advance:

(a) that the representations and warranties of IESO contained in this Agreement are true and correct as at the date of making the Advance;

(b) that no Event of Default has occurred and is continuing and no event or condition has occurred, which, with the lapse of time or the giving of notice or both would constitute an Event of Default;

(c) that there shall, in the reasonable opinion of OEFC, have been no material adverse change in the financial condition of IESO; and

(d) that OEFC has received such other documentation which it has reasonably requested to ensure that IESO is in compliance with the terms and conditions of this Agreement, including certified true copies of any necessary resolutions including resolutions authorizing the borrowing and authorized signatories.

Every right or remedy given by this Article 5 or by law to OEFC may be exercised from time to time, and as often as may be deemed expedient, by OEFC.

ARTICLE 6

Section 6.2 Successor Substituted.

Upon any consolidation, amalgamation, merger or Disposition described in, and complying with the provisions of, Section 6.1 in which IESO is not the continuing corporation, the successor Person shall succeed to all of the rights and obligations of IESO under this Agreement, and from time to time may exercise every right and power of IESO under this Agreement.

(b) the execution and delivery of this Agreement, the consummation of the transactions contemplated by this Agreement and the compliance with the terms and conditions of this Agreement will not conflict with or result in a breach of any of the terms or provisions of the constituting documents or by-laws of IESO, laws of Ontario, including laws of Canada applicable therein, applicable to IESO or any contractual or other obligation binding on IESO; and

(c) this Agreement will, when executed and delivered, constitute the legal, valid and binding obligation of IESO enforceable against it in accordance with its terms.

Section 7.2 Continuation of Representation and Warranties.

FYI Sarah,
I reached out to Anthony Martinello. I couldn't get anything substantial. I contacted their main reception and put in touch with their account payable department without any progress. I sent an email to IT Service Helpdesk to verify it wasn't a phishing email. Finally I reached out to Andrew and it worked out.

Hello,

I have reviewed the agreements and amendments for $120M – IESO OEFC Agreement Providing for Issuance of a Note & $160M – IESO OEFC Revolving Credit Facility and unable to find anything that requires OEFC to provide authorized signatories to IESO. Please let me know if you require any additional information.

Best regards,

Hi John,

Anthony at IESO has approached us to begin discussions on an increase to the $2B cap to the FHP. Is this a discussion that you would initially be having with IESO?

Thanks,
Sarah

We need to begin discussions in Oct 2018 on making an amendment to increase the $2B cap.

The FH Trust did not purchase this month's variance and I have no further info on if or when a purchase will occur.

IESO will be at $1.175B drawn this month.

Should I set up time to talk?

We need to begin discussions in Oct 2018 on making an amendment to increase the $2B cap.

The FH Trust did not purchase this month's variance and I have no further info on if or when a purchase will occur.

IESO will be at $1.175B drawn this month.

Should I set up time to talk?

The IESO:OFA Fair Hydro line of credit is at about $1 billion drawn out of the $2 billion max capacity. We are drawing on avg about $200-300million/month.

The Fair Hydro Trust has not purchased the IESO's reg asset for a few months….if this continues I will be coming back to OFA to seek to increase the line of credit.

Hi Lisa,

The immediate matter pertaining to the roller/advance has been resolved.
The matter below to negotiate an increase to the $2B FHP is a separate matter. There is currently nothing to do. Anthony is monitoring the situation and will let us know in early October.

Thanks,

Will

Just a courtesy email …nothing to do yet.

The IESO:OFA Fair Hydro line of credit is at about $1 billion drawn out of the $2 billion max capacity. We are drawing on avg about $200-300million/month.

The Fair Hydro Trust has not purchased the IESO's reg asset for a few months….if this continues I will be coming back to OFA to seek to increase the line of credit.

Hello Sujeev,
Just to let you know, IESO provided us with a draft (unexecuted) certificate. It looks fine, and I've asked them to try to execute it today.
I spoke with Carlos about whether the payment would be held back tomorrow morning if we don't receive the executed cert by that time. Carlos is following up with John Kim, but I don't think we don't think we would be holding back the payment if it isn't received tonight.
I will confirm with you when we receive the executed certificate. I have to leave at 3 p.m, however, so if we don't receive the executed cert by then, please follow up with Carlos to confirm that the payment should be released.
Thanks,
Sarah

Thank you very much for the draft.

Overall, the certificate looks fine. The only comment we have is that we don't think the last paragraph at the bottom of the page (certification by Barb Anderson for Michael Lyle) is necessary; if that is your standard, however, that's fine.
If it possible to have the draft executed by end of day, that will be helpful ensuring the payment is released ASAP.

Hello Anthony,

As per conversation regarding the required signing authority documents for Barb Anderson VP, & CFO on the election notices for June 20. Please provide completed documents for one of the following options below before June 20.

While option 6 is a suitable solution, it should be viewed as a temporary solution. Therefore, I recommend option 1, as a comprehensive long-term solution.

Options provided in May, 2018:

1. Certified resolution of the board of directors for IESO authorizing both the Fair Hydro Plan Credit Agreement and for the Existing Credit Facility authorizing the signatory and Updated Incumbency Certificate.
2. ~~A delegation of authority from the (former) IESO CFO to the IESO CEO (or other authorized signatories).~~
3. A general signing authority resolution of the IESO Board of Directors.
4. By-law or other document in place providing authorization to the IESO ~~CEO~~ CFO.
5. A certificate from the IESO Corporate Secretary stating that the IESO ~~CEO~~ CFO has signing authority.
6. A signature under seal of the corporation.

Hello Sujeev,
Just to let you know, IESO provided us with a draft (unexecuted) certificate. It looks fine, and I've asked them to try to execute it today.
I spoke with Carlos about whether the payment would be held back tomorrow morning if we don't receive the executed cert by that time. Carlos is following up with John Kim, but I don't think we don't think we would be holding back the payment if it isn't received tonight.
I will confirm with you when we receive the executed certificate. I have to leave at 3 p.m, however, so if we don't receive the executed cert by then, please follow up with Carlos to confirm that the payment should be released.
Thanks,
Sarah

Victor,
Thank you very much for the draft.
Overall, the certificate looks fine. The only comment we have is that we don't think the last paragraph at the bottom of the page (certification by Barb Anderson for Michael Lyle) is necessary; if that is your standard, however, that's fine.
If it possible to have the draft executed by end of day, that will be helpful ensuring the payment is released ASAP.
Thanks,
Sarah

Hello Anthony,

As per conversation regarding the required signing authority documents for Barb Anderson VP, & CFO on the election notices for June 20. Please provide completed documents for one of the following options below before June 20.

While option 6 is a suitable solution, it should be viewed as a temporary solution. Therefore, I recommend option 1, as a comprehensive long-term solution.

Options provided in May, 2018:

1. Certified resolution of the board of directors for IESO authorizing both the Fair Hydro Plan Credit Agreement and for the Existing Credit Facility authorizing the signatory and Updated Incumbency Certificate.
2. ~~A delegation of authority from the (former) IESO CFO to the IESO CEO (or other authorized signatories).~~
3. A general signing authority resolution of the IESO Board of Directors.
4. By-law or other document in place providing authorization to the IESO ~~CEO~~ CFO.

5. A certificate from the IESO Corporate Secretary stating that the IESO ~~CEO~~ CFO has signing authority.
6. A signature under seal of the corporation.

" Resolution of the Board of Directors
Independent Electricity System Operator

June 14, 2017

In Respect of the establishment of a new credit facility and revision of existing credit facilities in relation to the Fair Hydro Plan

---

WHEREAS, as further described in the memorandum to the Audit Committee entitled "Fair Hydro Plan Credit Facility" dated June 13, 2017 (the "**Memorandum**"), the Corporation has determined that in order to support the IESO's role in the Fair Hydro Plan it requires greater credit liquidity;

AND WHEREAS the Corporation proposes to enter into a new credit facility with the Ontario Financing Authority or Ontario Electricity Financial Corporation to support the Corporation's role in the Fair Hydro Plan in an amount yet to be determined of between $1,800 million and $2,500 million (the "**New Facility**");

AND WHEREAS, due to the structure of the Fair Hydro Plan, once the New Facility is established, the Corporation's existing credit facility with the Ontario Financing Authority in the amount of $975 million (the "**OFA Facility**") will include unnecessary and duplicative credit liquidity such that the OFA Facility may be reduced to an amount yet to be determined between $400 million and $500 million;

AND WHEREAS ...[Recital redacted]...

NOW THEREFORE BE IT RESOLVED THAT:

1. The Board of Directors hereby authorizes and approves the establishment of the New Facility and the amendment of the OFA Facility ...**[Redacted]**... on such terms and conditions as are generally outlined in the Memorandum (collectively, all facilities being the "**Credit Facilities**").

2. The Chief Financial Officer or her delegate is hereby authorized for and on behalf of the Corporation to:

(a) finalize, execute and deliver

(i) all relevant agreements, instruments and other documents required for the establishment or amendment, as applicable, of the Credit Facilities, and

(ii) all ancillary documents, deeds and instruments determined to be necessary or desirable in connection therewith (the execution of any such document, deed or instrument being conclusive evidence of such determination),

and to perform the Corporation's obligations thereunder, and to obtain the benefits thereof;

(b) draw upon or continue to draw upon, as applicable, the Credit Facilities from time to time in accordance with their terms; and

(c) do any and all such further acts as may be determined to be necessary or desirable to give effect to the foregoing transactions including, for further certainty, amending any other agreements as may be required as a consequence of such transactions. "

I certify that the above is a true, redacted copy of a resolution approved by the Board of Directors of the Independent Electricity System Operator on June 14, 2017.

Hello Sujeev,

Just to let you know, IESO provided us with a draft (unexecuted) certificate. It looks fine, and I've asked them to try to execute it today.

I spoke with Carlos about whether the payment would be held back tomorrow morning if we don't receive the executed cert by that time. Carlos is following up with John Kim, but I don't think we don't think we would be holding back the payment if it isn't received tonight.

I will confirm with you when we receive the executed certificate. I have to leave at 3 p.m, however, so if we don't receive the executed cert by then, please follow up with Carlos to confirm that the payment should be released.

Thanks,
Sarah

Victor,

Thank you very much for the draft.

Overall, the certificate looks fine. The only comment we have is that we don't think the last paragraph at the bottom of the page (certification by Barb Anderson for Michael Lyle) is necessary; if that is your standard, however, that's fine.

If it possible to have the draft executed by end of day, that will be helpful ensuring the payment is released ASAP.

Thanks,
Sarah

Subject: RE: IESO - Signing Authority Documents

Hello Anthony and Olga,

I am following-up to get an indication of the solution you wish to pursue. Also, when will you be providing the documents. As a heads-up I will be out-of-the-office on Tuesday. For signatory related documents please coordinate with Sarah Harris.

Thanks,

Will

Subject: IESO - Signing Authority Documents

Hello Anthony,

As per conversation regarding the required signing authority documents for Barb Anderson VP, & CFO on the election notices for June 20. Please provide completed documents for one of the following options below before June 20.

While option 6 is a suitable solution, it should be viewed as a temporary solution. Therefore, I recommend option 1, as a comprehensive long-term solution.

Options provided in May, 2018:

1. Certified resolution of the board of directors for IESO authorizing both the Fair Hydro Plan Credit Agreement and for the Existing Credit Facility authorizing the signatory and Updated Incumbency Certificate.
2. ~~A delegation of authority from the (former) IESO CFO to the IESO CEO (or other authorized signatories).~~
3. A general signing authority resolution of the IESO Board of Directors.
4. By-law or other document in place providing authorization to the IESO ~~CEO~~ CFO.
5. A certificate from the IESO Corporate Secretary stating that the IESO ~~CEO~~ CFO has signing authority.
6. A signature under seal of the corporation.

Best regards,

Hi Caroline,
I will notify IESO that the waiver letter will be provided after OFA receives the Election Notice.
Thanks for adding the reference to March 22.
One comment, my preference would be to align this with the "New Repayment Date of March 22, 2018…" as above. However, I'm not particularly fussed about this if you feel this is fine the way it is.
What are you thoughts?

Hi Will,
I have added a reference to the March 22 New Repayment Date in the first paragraph. As discussed last week, the waiver letter has been drafted assuming that it will be provided to the IESO after the OFA receives the Election Notice. After you receive the Election Notice, the date of the Election Notice will need to be inserted into the letter.
Please let me know if you would like to discuss. I am working from home today and can be reached on my cell: 416-270-0362.

Hi Caroline,
Once IESO sends the notices I will change the date on the draft waiver.
According to James Devine, the method to price a 5 day minimum period is the same to price for a 1 or 2 day period. He also expects the price to be similar in both situations.
You will need to change this date in the draft waiver letter that Lisa sent you yesterday. I don't think any other changes will be needed to the draft letter as a result of this change.
Once IESO sends the notices I will change the date on the draft waiver.
I also wanted to follow-up with you on the issues that Lisa raised:

- Do the interest provisions in the Credit Agreement continue to apply to this Proposed Advance and Continued Advance (will the interest calculation be the same for this Proposed and/or Continued Advance as set out in the Credit Agreement)? Do we need to specify further details in the waiver?
  According to James Devine, the method to price a 5 day minimum period is the same to price for a 1 or 2 day period. He also expects the price to be similar in both situations.
- Do we need to consider imposing a specific minimum borrowing period (of one or two days)?
  Would it be possible to tighten the language in the waiver to reflect the March 22 repayment, rather than "no minimum days…? This doesn't seem consistent with election notice.

Thanks,
Will

Hello Salvatore,

I spoke to Olga (IESO). She informed me that $322M, matures on March 20,(not March 21, previously reported). IESO would need to borrow $530M for 2 days (not 1 day, previously reported) for a maturity of March 22. Please let me know if your area has concerns from an operational standpoint regarding this.

Thanks,

WIll

Hello all,

IESO has asked OFA for a one-time exception to waive the minimum period for advances of 5 days (FHP Credit Facility Agreement). IESO has asked for an advance period of 1 day, so it may use money expected from OPG to repay its advance on the same day it matures.

IESO's current outstanding advance of $322M, matures on March 21, 2018. IESO will require an additional advance of $208M (to pay power generators) for a total of $530M, but will only require this for 1 day because IESO expects to receive funds from OPG to repay its advances on March 22. Rather than incurring additional interest costs of borrowing until March 26, 2018 (5 day minimum), IESO would prefer to match the maturity of its advances and expected cash inflow from OPG.

Please let me know if your respective areas have any concerns or issues from an operational standpoint.

Hi Caroline,
I will notify IESO that the waiver letter will be provided after OFA receives the Election Notice.
Thanks for adding the reference to March 22.
One comment, my preference would be to align this with the "New Repayment Date of March 22, 2018…" as above. However, I'm not particularly fussed about this if you feel this is fine the way it is.
What are you thoughts?
Thanks,

Hi Will,
I have added a reference to the March 22 New Repayment Date in the first paragraph. As discussed last week, the waiver letter has been drafted assuming that it will be provided to the IESO after the OFA receives the Election Notice. After you receive the Election Notice, the date of the Election Notice will need to be inserted into the letter.
Please let me know if you would like to discuss. I am working from home today and can be reached on my cell: 416-270-0362.

Hi Caroline,
Once IESO sends the notices I will change the date on the draft waiver.
According to James Devine, the method to price a 5 day minimum period is the same to price for a 1 or 2 day period. He also expects the price to be similar in both situations.
You will need to change this date in the draft waiver letter that Lisa sent you yesterday. I don't think any other changes will be needed to the draft letter as a result of this change.
Once IESO sends the notices I will change the date on the draft waiver.
I also wanted to follow-up with you on the issues that Lisa raised:

- Do the interest provisions in the Credit Agreement continue to apply to this Proposed Advance and Continued Advance (will the interest calculation be the same for this Proposed and/or Continued Advance as set out in the Credit Agreement)? Do we need to specify further details in the waiver?
  According to James Devine, the method to price a 5 day minimum period is the same to price for a 1 or 2 day period. He also expects the price to be similar in both situations.
- Do we need to consider imposing a specific minimum borrowing period (of one or two days)?
  Would it be possible to tighten the language in the waiver to reflect the March 22 repayment, rather than "no minimum days…? This doesn't seem consistent with election notice.

Thanks,
Will

Hi Ryan,

I am fine with this approach - please check the agreement to confirm the section that deals parties agreeing to changes to agreement. Next, please touch base with OFA legal to let them know that it is the intention of the parties to waive the 30 year requirement in respect of this loan, and that you will draft them a letter for review (I'm assuming section in agreement will state that written agreement is required between the two parties). If OFA Legal has any objections, they'll let you know, but there should be none.

Thanks,
Sarah

Interest at such rate shall accrue daily and shall be payable in arrears, in equal semi-annual payments on March 22nd and September 22nd of each year commencing September 22, 2018 until repaid in full. Overdue interest shall bear interest at the same rate, calculated as aforesaid. Whenever it is necessary to compute interest in respect of this Note for a period of less than one full year, other than such equal semi-annual payments, such interest shall be calculated on the basis of the actual number of days elapsed in a year of 365 days.

This Note is issued pursuant to, and is subject to and payable in accordance with the provisions of the General Corporate Requirements Credit Facility Agreement dated June 17, 2016 between OPG and OEFC (as amended supplemented or replaced from time to time, the "**Agreement**"), which Agreement provides for, among other things, the acceleration of the principal amount upon the occurrence of certain events.

This Note is not transferable or negotiable without the prior written consent of OPG. OPG waives presentment for payment and notice of non-payment.

Such notations, in the absence of manifest error, shall be *prima facie* evidence of such Advances and repayments; provided that the failure of the OFA to record any amount, rate or date shall not affect the obligation of the IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement."

7. Section 3.3 "Elections Regarding Advances" of the Credit Agreement is deleted in its entirety and replaced by the following:

"(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 28 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

(2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than 10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 28 days and not later than 95 days after the Current Repayment Date (the "**New Repayment Date"**). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the grid promissory note in respect of Advances in accordance with Section 3.2(2).

(5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date."

8. Section 5.2 "Acceleration of Maturity; Recission and Annulement" of the Credit Agreement is deleted in its entirety and replaced by the following:

"If an Event of Default occurs and is continuing, then and in every such case the OFA may at its option, in addition to any other remedy available to the OFA at law, by written notice to the IESO, take any or all of the following actions:

(a) suspend the right of the IESO to request any further Advance until the Event of Default has been cured to the OFA's satisfaction or, if the Event of Default is not cured within three (3) Business Days after the date on which written notice of such Event of Default shall have been given to the IESO by the OFA, declare all amounts owing hereunder including all interest accrued to be due and payable immediately, by a notice in writing to the IESO, and upon any such declaration all such amounts shall become immediately due and payable.

(b) invoke the Intercept pursuant to section 5.7 of this Agreement to require payment of any amount due and payable under this Agreement."

9. Section 5.7 "Intercept" is added to the Credit Agreement, stating as follows:

On the occurrence of an Event of Default relating to a failure by IESO to pay when due any amounts owing hereunder, subject to the OFA's compliance with any relevant provisions hereof and as set out in the Intercept Letter, the Minister of Finance is irrevocably authorized to deduct from the Appropriated Funds amounts equal to any amounts that the IESO has failed to pay to the OFA in accordance with the provisions of this Agreement and to pay such amounts directly to the OFA ("**Intercept**").

(b) If, after following the process specified in the Intercept Letter (including, without limitation, allowing for a reasonable cure period on the terms specified therein), the OFA determines that it is necessary to request the Minister of Finance to exercise the Intercept, the OFA will give written notice to the Minister of Finance, with a copy to the Ministry of Energy, detailing the IESO's failure to pay when due any amounts owing hereunder

Commented [LS1]: NTD: TBC

and requesting the deduction from the Appropriated Funds of amounts equal to the amounts that the IESO has failed to pay to the OFA under this Agreement.

(c) The IESO agrees that any notice from the OFA to the Minister of Finance in relation to this section 5.7 (Intercept) may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance and, upon receipt of such notice, an amount equal to the amount that the IESO has failed to pay when due to the OFA on account of indebtedness under this Agreement shall be deducted from the Appropriated Funds and paid to the OFA.

(d) For further certainty, the OFA acknowledges and agrees that the Intercept as provided for herein and in the Intercept Letter shall not apply with respect to any funds appropriated by the Legislature for payment to the IESO through ministries other than the Ministry of Energy or through Ontario Climate Change Solutions Deployment Corporation.

The parties agree that, with respect to the exercise of the Intercept generally, the terms of this section 5.7 shall be applied consistently with the terms set out in the Intercept Letter which shall apply in full. Notwithstanding the foregoing, in the event of a conflict or inconsistency between the terms and conditions of the Intercept Letter and the terms and conditions contained in this Agreement, the terms and conditions contained in this Agreement shall prevail."

10. Section 7.9 "Entire Agreement' is added to the Credit Agreement, stating as follows:

"Section 7.9 Entire Agreement

Hi,
I consulted Ken Kandeepan with respect to the appropriateness of including the IESO-OFA FHP related OIC in the reporting and he agrees it should be included.
The attached is the final report provided to Accounting for use in the financial statements as at Dec 31, 2017. I believe they pick up the total OIC amount which will jump by 2 billion and the date range which will be pushed to 2047 on the far end as a result of the addition of the FHP related OIC.
Regards,
Andrea

Hi,
I have tentatively updated a report of OFA OIC amounts we provide to Accounting quarterly for financial reporting purposes to include the OIC that supports the $2 billion dollar Credit Facility Agreement between the OFA and IESO related to the Fair Hydro Plan.
As this is a significant addition, I would like to give interested parties the opportunity to consider the appropriateness of its inclusion.
Accounting should be able to provide you further details with respect to the nature of the reporting which is based on this input should it be needed.
Please let me know as soon as possible should there be an issue with its inclusion
Regards,
Andrea

On the recommendation of the undersigned, the Lieutenant Governor of Ontario, by and with the advice and concurrence of the Executive Council of Ontario, orders that:

Sur la recommandation de la personne soussignée, la lieutenante-gouverneure de l'Ontario, sur l'avis et avec le consentement du Conseil exécutif de l'Ontario, décrète ce qui suit :

WHEREAS pursuant to subsection 22(1) of the *Capital Investment Plan Act, 1993* (the "Act"), the Minister of Finance may purchase securities of or make loans to corporations established under subsection 2(1) of the Act in such amounts, at such times and on such terms and conditions as the Lieutenant Governor in Council considers expedient;

AND WHEREAS the Ontario Financing Authority (the "OFA") is a corporation established under subsection 2(1) of the Act;

AND WHEREAS pursuant to subsection 6(3) of the Act, the power of a corporation established under subsection 2(1) of the Act to borrow and issue securities, among other things, may only be exercised under the authority of a by-law that has been approved by the Minister of Finance;

AND WHEREAS the OFA wishes to borrow up to Two Billion Dollars in lawful money of Canada from the Minister of Finance and has been authorized to do so by a borrowing by-law approved in accordance with the Act;

THEREFORE:

Pursuant to subsection 22 (1) of the Act, the Minister of Finance is authorized to lend a maximum of Two Billion Dollars in lawful money of Canada to the OFA on the following terms and conditions:

(a) the loan may be advanced in such amounts and at such time or times as required by the OFA;

(b) repayment of advances made under the loan plus accrued interest may be made in whole or in part at any time provided that the loan plus any accrued interest shall be fully repaid by December 31, 2047;

(c) each advance (an "Advance") made under the loan hereby authorized shall bear interest at a rate which is determined as follows:

(i) from the date of the Advance to (but excluding) the date of repayment the Advance shall bear interest at a per annum rate equivalent to the yield earned on

ninety day Province of Ontario treasury bills on the date before the Advance Date as determined by the Province, provided that if an Advance is outstanding for longer than ninety days, the interest rate shall be reset on the last day of each ninety day period (the "Reset Date") to the yield earned on ninety day Province of Ontario treasury bills immediately preceding the Reset Date for such ninety day period as determined by the Province;

(ii) in the event that moneys included in an Advance are used by the OFA for the purpose of funding loans to third parties (a "Third Party Loan"), the rate of interest payable by the OFA to the Province on the portion of the Advance so used shall be adjusted effective as of the date that the portion of the Advance is used to fund the Third Party Loan so that the per annum rate of interest payable by the OFA on such moneys is equivalent to the per annum rate of interest payable to the OFA under the Third Party Loan less an amount as may be determined by the Minister of Finance in respect of such Third Party Loan or a class of such Third Party Loans, until but excluding the date on which the Third Party Loan is repaid, at which time the interest rate set out in subparagraph (i) shall again be applicable to that portion of the Advance; and

(iii) in the event that moneys described in subparagraph (ii), once repaid, are subsequently used to fund loans to third parties, subparagraph (ii) shall again be applicable in determining the interest rate payable to the Province on that portion of the Advance used to fund such loan, and so on, until the Advance shall be repaid to the Province in full;

(iv) despite subparagraphs (ii) and (iii), in the event that no interest is payable to the OFA under a Third Party Loan, no interest shall be payable by the OFA on the portion of the Advance so used and to the extent that the terms of a Third Party Loan provide for the deferral of the payment of accrued interest for a period, the interest payment terms of an Advance or portion thereof shall also be deferred for a similar period.

(d) interest for any period of less than one year shall be payable for the actual number of days included in such period, computed on the basis of a 365-day year;

(e) despite paragraph (b) of this Order, interest on any portion of an Advance made to the OFA under the loan that is used by the OFA to fund a Third Party Loan shall accrue on the basis stated above but shall become payable only to the extent the OFA receives payment of interest under the relevant Third Party Loan;

(f) despite paragraph (b) of this Order, any portion of the principal of an Advance made to the OFA under the loan that is used by the OFA to fund a Third Party Loan shall become payable only to the extent the OFA receives repayment of principal under the relevant Third Party Loan; and

(g) the loan hereby authorized shall be evidenced by a promissory note.

ATTENDU QUE le ministre des Finances peut, en vertu du paragraphe 22 (1) de la *Loi de 1993 sur le plan d'investissement* (la « Loi »), acheter des valeurs mobilières des personnes morales

créées en vertu du paragraphe 2 (1) de la Loi ou leur consentir des prêts selon les montants, aux moments et aux conditions que le lieutenant-gouverneur en conseil estime opportuns;

ATTENDU QUE l'Office ontarien de financement (l'« OOF ») est une personne morale créée en vertu du paragraphe 2 (1) de la Loi;

ATTENDU QUE, conformément au paragraphe 6 (3) de la Loi, le pouvoir qu'ont les personnes morales créées en vertu du paragraphe 2 (1) de la Loi de contracter des emprunts et d'émettre des valeurs mobilières, entre autres, ne peut être exercé qu'aux termes d'un règlement administratif approuvé par le ministre des Finances;

ATTENDU QUE l'OOF souhaite emprunter jusqu'à concurrence de deux milliards de dollars en monnaie légale du Canada du ministre des Finances et qu'il a été autorisé à le faire par un règlement administratif d'emprunt approuvé conformément à la Loi;

PAR CONSÉQUENT :

en vertu du paragraphe 22 (1) de la Loi, le ministre des Finances est autorisé à prêter un montant maximal de deux milliards de dollars en monnaie légale du Canada à l'OOF, aux conditions suivantes :

a) le prêt peut être consenti selon les montants et aux moments qui conviennent à l'OOF;

b) le remboursement des avances consenties au titre du prêt, plus les intérêts courus, peut à tout moment être effectué en totalité ou en partie, pourvu que le prêt et les intérêts courus soient entièrement remboursés au plus tard le 31 décembre 2047;

c) chaque avance (« avance ») faite au titre du prêt autorisé par les présentes portera intérêt au taux est fixé comme suit :

(i) de la date où elle a été faite jusqu'à la date (non comprise) de son remboursement, l'avance portera intérêt à un taux annuel équivalant au rendement gagné sur des bons du Trésor de la province de l'Ontario de quatre-vingt-dix jours à la date précédant la date de l'avance fixée par la province, pourvu que ce taux d'intérêt soit rajusté le dernier jour de chaque période de quatre-vingt-dix jours (« date de rajustement ») selon le rendement gagné sur de tels bons du Trésor immédiatement avant la date de rajustement pour une période de quatre-vingt-dix jours décidée par la province, si l'avance est impayée pendant plus de quatre-vingt-dix jours;

(ii) dans l'éventualité où l'OOF se servirait de sommes comprises dans une avance pour financer des prêts à des tiers, le taux d'intérêt à payer par l'OOF à la province sur la partie de l'avance ainsi utilisée sera rajusté à la date à laquelle la partie de l'avance sera utilisée pour le financement du prêt à un tiers de façon que le taux d'intérêt annuel à payer par l'OOF sur de telles sommes soit équivalent à ce dernier taux moins un montant que pourra fixer le ministre des Finances à l'égard d'un tel prêt ou d'une telle catégorie de prêt, jusqu'à la date (non comprise) à laquelle le prêt à un tiers sera remboursé, date à laquelle le taux d'intérêt établi au sous-alinéa (i) s'appliquera de nouveau à cette partie de l'avance;

(iii) dans l'éventualité où les sommes décrites au sous-alinéa (ii), une fois remboursées, seraient ultérieurement utilisées pour le financement de prêts à des tiers, le sous-alinéa (ii) s'appliquera de nouveau dans l'établissement du taux d'intérêt à payer à la province sur la partie de l'avance utilisée à cette fin, et ainsi de suite, jusqu'à ce que l'avance ait été remboursée intégralement à la province;

(iv) malgré les sous-alinéas (ii) et (iii), dans l'éventualité où aucun intérêt ne serait payable à l'OOF au titre d'un prêt à un tiers, aucun intérêt ne sera à payer par l'OOF sur la partie de l'avance ainsi utilisée et dans la mesure où les conditions du prêt à un tiers prévoient le report du paiement d'intérêts courus pour une période, le paiement d'intérêts au titre d'une avance ou d'une partie d'une avance sera également reporté pour une période d'égale durée;

d) l'intérêt payable relativement à toute période de moins d'un an sera calculé en fonction du nombre de jours réellement compris dans cette période, par rapport à une année comptant 365 jours;

e) par dérogation à l'alinéa a) ci-dessus, l'intérêt sur toute partie d'une avance consentie à l'OOF dans le cadre du prêt que cette dernière utilise pour financer un prêt à un tiers est calculé comme il est indiqué ci-dessus, mais cet intérêt devient payable uniquement dans la mesure où l'OOF reçoit un paiement d'intérêts au titre du prêt à un tiers;

f) par dérogation à l'alinéa b) ci-dessus, toute partie du capital d'une avance consentie à l'OOF dans le cadre du prêt que cette dernière utilise pour financer un prêt à un tiers devient payable uniquement dans la mesure où l'OOF reçoit un remboursement du capital au titre du prêt à un tiers

g) le prêt autorisé en vertu des présentes sera attesté par un billet à ordre.

Hi Ken,

We are trying to finalize the attached worksheet for Accounting. I believe it is used in the statements to populate the highlighted sentence:

5. TRANSACTIONS WITH PUBLIC BODIES

The OFA provides financing to various public bodies on direction from the Province. As the OFA is directed by the Province to make these loans in furtherance of stated Provincial initiatives, and these loans are included in the Province's consolidated financial statements, these transactions are not reflected in these financial statements.

Funds for these loans are advanced to the OFA by the Province under credit facilities aggregating $16.9 billion expiring from 2036 to 2044. Principal repayments received from public bodies by the OFA are forwarded to the Province. The interest rates charged to public bodies is generally slightly higher than the rate charged by the Province on the advances to fund the loans ("the spread").

We have tentatively added the IESO-OFA FHP OIC to the worksheet but want to ensure this is both expected and acceptable.

We approached Corporate Finance/Corporate Electricity Finance to see if they had any concerns but have yet to hear back.

We are hoping that you may be able to confirm the appropriateness of its inclusion in light of the fact that it will cause a $2 billion jump in the amount reported and push the far date out to 2047.

Hi,

I consulted Ken Kandeepan with respect to the appropriateness of including the IESO-OFA FHP related OIC in the reporting and he agrees it should be included.

The attached is the final report provided to Accounting for use in the financial statements as at Dec 31, 2017. I believe they pick up the total OIC amount which will jump by 2 billion and the date range which will be pushed to 2047 on the far end as a result of the addition of the FHP related OIC.

Andrea

Hi,

I have tentatively updated a report of OFA OIC amounts we provide to Accounting quarterly for financial reporting purposes to include the OIC that supports the $2 billion dollar Credit Facility Agreement between the OFA and IESO related to the Fair Hydro Plan.

As this is a significant addition, I would like to give interested parties the opportunity to consider the appropriateness of its inclusion.

Accounting should be able to provide you further details with respect to the nature of the reporting which is based on this input should it be needed.

Please let me know as soon as possible should there be an issue with its inclusion

Hi San,

Sarah asked me to address this request
The only changes are as follows:
OIC 1883/06 - $800,000,000 - the amended maturity date is June 1, 2041 (previously November 1, 2032).
OIC 2144/07 - $2,000,000,000 - the amended maturity date is June 1, 2041 (previously December 1, 2037).
and the changes have been made to the OFA Summary attached.
These updates take into account the amendment to the maturity dates incorporated in OIC 844/2008 (attached for your reference).
Other than that:
I can confirm that the total OIC amounts remains unchanged as of March 31, 2017. I can also confirm that there have been no additional OICs. I cannot however, comment on any loans or transactions undertaken under the OICs. Documentation does not keep track of this. If needed, I believe that Corporate Finance keeps track of this information. As such the supporting documentation provided is comprised of copies of the OIC's in question.

Andrea

Hi,

I consulted Ken Kandeepan with respect to the appropriateness of including the IESO-OFA FHP related OIC in the reporting and he agrees it should be included.

The attached is the final report provided to Accounting for use in the financial statements as at Dec 31, 2017. I believe they pick up the total OIC amount which will jump by 2 billion and the date range which will be pushed to 2047 on the far end as a result of the addition of the FHP related OIC.

Regards,

Andrea

Hi,

I have tentatively updated a report of OFA OIC amounts we provide to Accounting quarterly for financial reporting purposes to include the OIC that supports the $2 billion dollar Credit Facility Agreement between the OFA and IESO related to the Fair Hydro Plan.

As this is a significant addition, I would like to give interested parties the opportunity to consider the appropriateness of its inclusion.

Accounting should be able to provide you further details with respect to the nature of the reporting which is based on this input should it be needed.

Please let me know as soon as possible should there be an issue with its inclusion

Regards,

Andrea

OIC 2144/07 - $2,000,000,000 - the amended maturity date is June 1, 2041 (previously December 1, 2037).

Other than that:
I can confirm that the total OIC amounts remains unchanged as of March 31, 2017. I can also confirm that there have been no additional OICs. I cannot however, comment on any loans or transactions undertaken under the OICs. Documentation does not keep track of this. Executive Council of Ontario/Conseil exécutif de l'Ontario **[Bilingual]**

Ontario

Order in Council
Décret

On the recommendation of the undersigned, the Lieutenant Governor of Ontario, by and with the advice and concurrence of the Executive Council of Ontario, orders that:

Sur la recommandation de la personne soussignée, la lieutenante-gouverneure de l'Ontario, sur l'avis et avec le consentement du Conseil exécutif de l'Ontario, décrète ce qui suit :

WHEREAS pursuant to subsection 22(1) of the *Capital Investment Plan Act, 1993* (the "Act"), the Minister of Finance may purchase securities of or make loans to corporations established under subsection 2(1) of the Act in such amounts, at such times and on such terms and conditions as the Lieutenant Governor in Council considers expedient;

AND WHEREAS the Ontario Financing Authority (the "OFA") is a corporation established under subsection 2(1) of the Act;

AND WHEREAS pursuant to subsection 6(3) of the Act, the power of a corporation established under subsection 2(1) of the Act to borrow and issue securities, among other things, may only be exercised under the authority of a by-law that has been approved by the Minister of Finance;

AND WHEREAS the OFA wishes to borrow up to Two Billion Dollars in lawful money of Canada from the Minister of Finance and has been authorized to do so by a borrowing by-law approved in accordance with the Act;

THEREFORE:

Pursuant to subsection 22 (1) of the Act, the Minister of Finance is authorized to lend a maximum of Two Billion Dollars in lawful money of Canada to the OFA on the following terms and conditions:

(a) the loan may be advanced in such amounts and at such time or times as required by the OFA;

(b) repayment of advances made under the loan plus accrued interest may be made in whole or in part at any time provided that the loan plus any accrued interest shall be fully repaid by December 31, 2047;

(c) each advance (an "Advance") made under the loan hereby authorized shall bear interest at a rate which is determined as follows:

(i) from the date of the Advance to (but excluding) the date of repayment the Advance shall bear interest at a per annum rate equivalent to the yield earned on

ninety day Province of Ontario treasury bills on the date before the Advance Date as determined by the Province, provided that if an Advance is outstanding for longer than ninety days, the interest rate shall be reset on the last day of each ninety day period (the "Reset Date") to the yield earned on ninety day Province of Ontario treasury bills immediately preceding the Reset Date for such ninety day period as determined by the Province;

(ii) in the event that moneys included in an Advance are used by the OFA for the purpose of funding loans to third parties (a "Third Party Loan"), the rate of interest payable by the OFA to the Province on the portion of the Advance so used shall be adjusted effective as of the date that the portion of the Advance is used to fund the Third Party Loan so that the per annum rate of interest payable by the OFA on such moneys is equivalent to the per annum rate of interest payable to the OFA under the Third Party Loan less an amount as may be determined by the Minister of Finance in respect of such Third Party Loan or a class of such Third Party Loans, until but excluding the date on which the Third Party Loan is repaid, at which time the interest rate set out in subparagraph (i) shall again be applicable to that portion of the Advance; and

(iii) in the event that moneys described in subparagraph (ii), once repaid, are subsequently used to fund loans to third parties, subparagraph (ii) shall again be applicable in determining the interest rate payable to the Province on that portion of the Advance used to fund such loan, and so on, until the Advance shall be repaid to the Province in full;

(iv) despite subparagraphs (ii) and (iii), in the event that no interest is payable to the OFA under a Third Party Loan, no interest shall be payable by the OFA on the portion of the Advance so used and to the extent that the terms of a Third Party Loan provide for the deferral of the payment of accrued interest for a period, the interest payment terms of an Advance or portion thereof shall also be deferred for a similar period.

(d) interest for any period of less than one year shall be payable for the actual number of days included in such period, computed on the basis of a 365-day year;

(e) despite paragraph (b) of this Order, interest on any portion of an Advance made to the OFA under the loan that is used by the OFA to fund a Third Party Loan shall accrue on the basis stated above but shall become payable only to the extent the OFA receives payment of interest under the relevant Third Party Loan;

(f) despite paragraph (b) of this Order, any portion of the principal of an Advance made to the OFA under the loan that is used by the OFA to fund a Third Party Loan shall become payable only to the extent the OFA receives repayment of principal under the relevant Third Party Loan; and

(g) the loan hereby authorized shall be evidenced by a promissory note.

ATTENDU QUE l'Office ontarien de financement (l'« OOF ») est une personne morale créée en vertu du paragraphe 2 (1) de la Loi;

ATTENDU QUE, conformément au paragraphe 6 (3) de la Loi, le pouvoir qu'ont les personnes morales créées en vertu du paragraphe 2 (1) de la Loi de contracter des emprunts et d'émettre des valeurs mobilières, entre autres, ne peut être exercé qu'aux termes d'un règlement administratif approuvé par le ministre des Finances;

ATTENDU QUE l'OOF souhaite emprunter jusqu'à concurrence de deux milliards de dollars en monnaie légale du Canada du ministre des Finances et qu'il a été autorisé à le faire par un règlement administratif d'emprunt approuvé conformément à la Loi;

PAR CONSÉQUENT :

en vertu du paragraphe 22 (1) de la Loi, le ministre des Finances est autorisé à prêter un montant maximal de deux milliards de dollars en monnaie légale du Canada à l'OOF, aux conditions suivantes :

a) le prêt peut être consenti selon les montants et aux moments qui conviennent à l'OOF;

b) le remboursement des avances consenties au titre du prêt, plus les intérêts courus, peut à tout moment être effectué en totalité ou en partie, pourvu que le prêt et les intérêts courus soient entièrement remboursés au plus tard le 31 décembre 2047;

c) chaque avance (« avance ») faite au titre du prêt autorisé par les présentes portera intérêt au taux est fixé comme suit :

(i) de la date où elle a été faite jusqu'à la date (non comprise) de son remboursement, l'avance portera intérêt à un taux annuel équivalant au rendement gagné sur des bons du Trésor de la province de l'Ontario de quatre-vingt-dix jours à la date précédant la date de l'avance fixée par la province, pourvu que ce taux d'intérêt soit rajusté le dernier jour de chaque période de quatre-vingt-dix jours (« date de rajustement ») selon le rendement gagné sur de tels bons du Trésor immédiatement avant la date de rajustement pour une période de quatre-vingt-dix jours décidée par la province, si l'avance est impayée pendant plus de quatre-vingt-dix jours;

(ii) dans l'éventualité où l'OOF se servirait de sommes comprises dans une avance pour financer des prêts à des tiers, le taux d'intérêt à payer par l'OOF à la province sur la partie de l'avance ainsi utilisée sera rajusté à la date à laquelle la partie de l'avance sera utilisée pour le financement du prêt à un tiers de façon que le taux d'intérêt annuel à payer par l'OOF sur de telles sommes soit équivalent à ce dernier taux moins un montant que pourra fixer le ministre des Finances à l'égard d'un tel prêt ou d'une telle catégorie de prêt, jusqu'à la date (non comprise) à laquelle le prêt à un tiers sera remboursé, date à laquelle le taux d'intérêt établi au sous-alinéa (i) s'appliquera de nouveau à cette partie de l'avance;

(iii) dans l'éventualité où les sommes décrites au sous-alinéa (ii), une fois remboursées, seraient ultérieurement utilisées pour le financement de prêts à des tiers, le sous-alinéa (ii) s'appliquera de nouveau dans l'établissement du taux d'intérêt à payer à la province sur la partie de l'avance utilisée à cette fin, et ainsi de suite, jusqu'à ce que l'avance ait été remboursée intégralement à la province;

(iv) malgré les sous-alinéas (ii) et (iii), dans l'éventualité où aucun intérêt ne serait payable à l'OOF au titre d'un prêt à un tiers, aucun intérêt ne sera à payer par l'OOF sur la partie de l'avance ainsi utilisée et dans la mesure où les conditions du prêt à un tiers prévoient le report du paiement d'intérêts courus pour une période, le paiement d'intérêts au titre d'une avance ou d'une partie d'une avance sera également reporté pour une période d'égale durée;

d) l'intérêt payable relativement à toute période de moins d'un an sera calculé en fonction du nombre de jours réellement compris dans cette période, par rapport à une année comptant 365 jours;

e) par dérogation à l'alinéa a) ci-dessus, l'intérêt sur toute partie d'une avance consentie à l'OOF dans le cadre du prêt que cette dernière utilise pour financer un prêt à un tiers est calculé comme il est indiqué ci-dessus, mais cet intérêt devient payable uniquement dans la mesure où l'OOF reçoit un paiement d'intérêts au titre du prêt à un tiers;

f) par dérogation à l'alinéa b) ci-dessus, toute partie du capital d'une avance consentie à l'OOF dans le cadre du prêt que cette dernière utilise pour financer un prêt à un tiers devient payable uniquement dans la mesure où l'OOF reçoit un remboursement du capital au titre du prêt à un tiers

g) le prêt autorisé en vertu des présentes sera attesté par un billet à ordre.

Hi,
I have tentatively updated a report of OFA OIC amounts we provide to Accounting quarterly for financial reporting purposes to include the OIC that supports the $2 billion dollar Credit Facility Agreement between the OFA and IESO related to the Fair Hydro Plan.
As this is a significant addition, I would like to give interested parties the opportunity to consider the appropriateness of its inclusion.
Accounting should be able to provide you further details with respect to the nature of the reporting which is based on this input should it be needed.
Please let me know as soon as possible should there be an issue with its inclusion
Regards,
Andrea

Order in Council
Décret

On the recommendation of the undersigned, the Lieutenant Governor of Ontario, by and with the advice and concurrence of the Executive Council of Ontario, orders that:

Sur la recommandation de la personne soussignée, la lieutenante-gouverneure de l'Ontario, sur l'avis et avec le consentement du Conseil exécutif de l'Ontario, décrète ce qui suit :

WHEREAS pursuant to subsection 22(1) of the *Capital Investment Plan Act, 1993* (the "Act"), the Minister of Finance may purchase securities of or make loans to corporations established under subsection 2(1) of the Act in such amounts, at such times and on such terms and conditions as the Lieutenant Governor in Council considers expedient;

AND WHEREAS the Ontario Financing Authority (the "OFA") is a corporation established under subsection 2(1) of the Act;

AND WHEREAS pursuant to subsection 6(3) of the Act, the power of a corporation established under subsection 2(1) of the Act to borrow and issue securities, among other things, may only be exercised under the authority of a by-law that has been approved by the Minister of Finance;

AND WHEREAS the OFA wishes to borrow up to Two Billion Dollars in lawful money of Canada from the Minister of Finance and has been authorized to do so by a borrowing by-law approved in accordance with the Act;

THEREFORE:

Pursuant to subsection 22 (1) of the Act, the Minister of Finance is authorized to lend a maximum of Two Billion Dollars in lawful money of Canada to the OFA on the following terms and conditions:

(a) the loan may be advanced in such amounts and at such time or times as required by the OFA;

(b) repayment of advances made under the loan plus accrued interest may be made in whole or in part at any time provided that the loan plus any accrued interest shall be fully repaid by December 31, 2047;

(c) each advance (an "Advance") made under the loan hereby authorized shall bear interest at a rate which is determined as follows:

(i) from the date of the Advance to (but excluding) the date of repayment the Advance shall bear interest at a per annum rate equivalent to the yield earned on

ninety day Province of Ontario treasury bills on the date before the Advance Date as determined by the Province, provided that if an Advance is outstanding for longer than ninety days, the interest rate shall be reset on the last day of each ninety day period (the "Reset Date") to the yield earned on ninety day Province of Ontario treasury bills immediately preceding the Reset Date for such ninety day period as determined by the Province;

(ii) in the event that moneys included in an Advance are used by the OFA for the purpose of funding loans to third parties (a "Third Party Loan"), the rate of interest payable by the OFA to the Province on the portion of the Advance so used shall be adjusted effective as of the date that the portion of the Advance is used to fund the Third Party Loan so that the per annum rate of interest payable by the OFA on such moneys is equivalent to the per annum rate of interest payable to the OFA under the Third Party Loan less an amount as may be determined by the Minister of Finance in respect of such Third Party Loan or a class of such Third Party Loans, until but excluding the date on which the Third Party Loan is repaid, at which time the interest rate set out in subparagraph (i) shall again be applicable to that portion of the Advance; and

(iii) in the event that moneys described in subparagraph (ii), once repaid, are subsequently used to fund loans to third parties, subparagraph (ii) shall again be applicable in determining the interest rate payable to the Province on that portion of the Advance used to fund such loan, and so on, until the Advance shall be repaid to the Province in full;

(iv) despite subparagraphs (ii) and (iii), in the event that no interest is payable to the OFA under a Third Party Loan, no interest shall be payable by the OFA on the portion of the Advance so used and to the extent that the terms of a Third Party Loan provide for the deferral of the payment of accrued interest for a period, the interest payment terms of an Advance or portion thereof shall also be deferred for a similar period.

(d) interest for any period of less than one year shall be payable for the actual number of days included in such period, computed on the basis of a 365-day year;

(e) despite paragraph (b) of this Order, interest on any portion of an Advance made to the OFA under the loan that is used by the OFA to fund a Third Party Loan shall accrue on the basis stated above but shall become payable only to the extent the OFA receives payment of interest under the relevant Third Party Loan;

(f) despite paragraph (b) of this Order, any portion of the principal of an Advance made to the OFA under the loan that is used by the OFA to fund a Third Party Loan shall become payable only to the extent the OFA receives repayment of principal under the relevant Third Party Loan; and

(g) the loan hereby authorized shall be evidenced by a promissory note.

ATTENDU QUE le ministre des Finances peut, en vertu du paragraphe 22 (1) de la *Loi de 1993 sur le plan d'investissement* (la « Loi »), acheter des valeurs mobilières des personnes morales

créées en vertu du paragraphe 2 (1) de la Loi ou leur consentir des prêts selon les montants, aux moments et aux conditions que le lieutenant-gouverneur en conseil estime opportuns;

ATTENDU QUE l'Office ontarien de financement (l'« OOF ») est une personne morale créée en vertu du paragraphe 2 (1) de la Loi;

ATTENDU QUE, conformément au paragraphe 6 (3) de la Loi, le pouvoir qu'ont les personnes morales créées en vertu du paragraphe 2 (1) de la Loi de contracter des emprunts et d'émettre des valeurs mobilières, entre autres, ne peut être exercé qu'aux termes d'un règlement administratif approuvé par le ministre des Finances;

ATTENDU QUE l'OOF souhaite emprunter jusqu'à concurrence de deux milliards de dollars en monnaie légale du Canada du ministre des Finances et qu'il a été autorisé à le faire par un règlement administratif d'emprunt approuvé conformément à la Loi;

PAR CONSÉQUENT :

en vertu du paragraphe 22 (1) de la Loi, le ministre des Finances est autorisé à prêter un montant maximal de deux milliards de dollars en monnaie légale du Canada à l'OOF, aux conditions suivantes :

a) le prêt peut être consenti selon les montants et aux moments qui conviennent à l'OOF;

b) le remboursement des avances consenties au titre du prêt, plus les intérêts courus, peut à tout moment être effectué en totalité ou en partie, pourvu que le prêt et les intérêts courus soient entièrement remboursés au plus tard le 31 décembre 2047;

c) chaque avance (« avance ») faite au titre du prêt autorisé par les présentes portera intérêt au taux est fixé comme suit :

(i) de la date où elle a été faite jusqu'à la date (non comprise) de son remboursement, l'avance portera intérêt à un taux annuel équivalant au rendement gagné sur des bons du Trésor de la province de l'Ontario de quatre-vingt-dix jours à la date précédant la date de l'avance fixée par la province, pourvu que ce taux d'intérêt soit rajusté le dernier jour de chaque période de quatre-vingt-dix jours (« date de rajustement ») selon le rendement gagné sur de tels bons du Trésor immédiatement avant la date de rajustement pour une période de quatre-vingt-dix jours décidée par la province, si l'avance est impayée pendant plus de quatre-vingt-dix jours;

(ii) dans l'éventualité où l'OOF se servirait de sommes comprises dans une avance pour financer des prêts à des tiers, le taux d'intérêt à payer par l'OOF à la province sur la partie de l'avance ainsi utilisée sera rajusté à la date à laquelle la partie de l'avance sera utilisée pour le financement du prêt à un tiers de façon que le taux d'intérêt annuel à payer par l'OOF sur de telles sommes soit équivalent à ce dernier taux moins un montant que pourra fixer le ministre des Finances à l'égard d'un tel prêt ou d'une telle catégorie de prêt, jusqu'à la date (non comprise) à laquelle le prêt à un tiers sera remboursé, date à laquelle le taux d'intérêt établi au sous-alinéa (i) s'appliquera de nouveau à cette partie de l'avance;

(iii) dans l'éventualité où les sommes décrites au sous-alinéa (ii), une fois remboursées, seraient ultérieurement utilisées pour le financement de prêts à des tiers, le sous-alinéa (ii) s'appliquera de nouveau dans l'établissement du taux d'intérêt à payer à la province sur la partie de l'avance utilisée à cette fin, et ainsi de suite, jusqu'à ce que l'avance ait été remboursée intégralement à la province;

(iv) malgré les sous-alinéas (ii) et (iii), dans l'éventualité où aucun intérêt ne serait payable à l'OOF au titre d'un prêt à un tiers, aucun intérêt ne sera à payer par l'OOF sur la partie de l'avance ainsi utilisée et dans la mesure où les conditions du prêt à un tiers prévoient le report du paiement d'intérêts courus pour une période, le paiement d'intérêts au titre d'une avance ou d'une partie d'une avance sera également reporté pour une période d'égale durée;

d) l'intérêt payable relativement à toute période de moins d'un an sera calculé en fonction du nombre de jours réellement compris dans cette période, par rapport à une année comptant 365 jours;

e) par dérogation à l'alinéa a) ci-dessus, l'intérêt sur toute partie d'une avance consentie à l'OOF dans le cadre du prêt que cette dernière utilise pour financer un prêt à un tiers est calculé comme il est indiqué ci-dessus, mais cet intérêt devient payable uniquement dans la mesure où l'OOF reçoit un paiement d'intérêts au titre du prêt à un tiers;

f) par dérogation à l'alinéa b) ci-dessus, toute partie du capital d'une avance consentie à l'OOF dans le cadre du prêt que cette dernière utilise pour financer un prêt à un tiers devient payable uniquement dans la mesure où l'OOF reçoit un remboursement du capital au titre du prêt à un tiers

g) le prêt autorisé en vertu des présentes sera attesté par un billet à ordre.

AND WHEREAS the OFA wishes to borrow up to Two Billion Dollars in lawful money of Canada from the Minister of Finance and has been authorized to do so by a borrowing by-law approved in accordance with the Act;

THEREFORE:

Pursuant to subsection 22 (1) of the Act, the Minister of Finance is authorized to lend a maximum of Two Billion Dollars in lawful money of Canada to the OFA on the following terms and conditions:

(a) the loan may be advanced in such amounts and at such time or times as required by the OFA;

(b) repayment of advances made under the loan plus accrued interest may be made in whole or in part at any time provided that the loan plus any accrued interest shall be fully repaid by December 31, 2047;

(c) each advance (an "Advance") made under the loan hereby authorized shall bear interest at a rate which is determined as follows:

(i) from the date of the Advance to (but excluding) the date of repayment the Advance shall bear interest at a per annum rate equivalent to the yield earned on

ninety day Province of Ontario treasury bills on the date before the Advance Date as determined by the Province, provided that if an Advance is outstanding for longer than ninety days, the interest rate shall be reset on the last day of each ninety day period (the "Reset Date") to the yield earned on ninety day Province of Ontario treasury bills immediately preceding the Reset Date for such ninety day period as determined by the Province;

(ii) in the event that moneys included in an Advance are used by the OFA for the purpose of funding loans to third parties (a "Third Party Loan"), the rate of interest payable by the OFA to the Province on the portion of the Advance so used shall be adjusted effective as of the date that the portion of the Advance is used to fund the Third Party Loan so that the per annum rate of interest payable by the OFA on such moneys is equivalent to the per annum rate of interest payable to the OFA under the Third Party Loan less an amount as may be determined by the Minister of Finance in respect of such Third Party Loan or a class of such Third Party Loans, until but excluding the date on which the Third Party Loan is repaid, at which time the interest rate set out in subparagraph (i) shall again be applicable to that portion of the Advance; and

(iii) in the event that moneys described in subparagraph (ii), once repaid, are subsequently used to fund loans to third parties, subparagraph (ii) shall again be applicable in determining the interest rate payable to the Province on that portion of the Advance used to fund such loan, and so on, until the Advance shall be repaid to the Province in full;

(iv) despite subparagraphs (ii) and (iii), in the event that no interest is payable to the OFA under a Third Party Loan, no interest shall be payable by the OFA on the portion of the Advance so used and to the extent that the terms of a Third Party Loan provide for the deferral of the payment of accrued interest for a period, the interest payment terms of an Advance or portion thereof shall also be deferred for a similar period.

(d) interest for any period of less than one year shall be payable for the actual number of days included in such period, computed on the basis of a 365-day year;

(e) despite paragraph (b) of this Order, interest on any portion of an Advance made to the OFA under the loan that is used by the OFA to fund a Third Party Loan shall accrue on the basis stated above but shall become payable only to the extent the OFA receives payment of interest under the relevant Third Party Loan;

(f) despite paragraph (b) of this Order, any portion of the principal of an Advance made to the OFA under the loan that is used by the OFA to fund a Third Party Loan shall become payable only to the extent the OFA receives repayment of principal under the relevant Third Party Loan; and

(g) the loan hereby authorized shall be evidenced by a promissory note.

Hi,
I have tentatively updated a report of OFA OIC amounts we provide to Accounting quarterly for financial reporting purposes to include the OIC that supports the $2 billion dollar Credit Facility Agreement between the OFA and IESO related to the Fair Hydro Plan.
As this is a significant addition, I would like to give interested parties the opportunity to consider the appropriateness of its inclusion.
Accounting should be able to provide you further details with respect to the nature of the reporting which is based on this input should it be needed.
Please let me know as soon as possible should there be an issue with its inclusion
Regards,
Andrea

Hi,

I consulted Ken Kandeepan with respect to the appropriateness of including the IESO-OFA FHP related OIC in the reporting and he agrees it should be included.

The attached is the final report provided to Accounting for use in the financial statements as at Dec 31, 2017. I believe they pick up the total OIC amount which will jump by 2 billion and the date range which will be pushed to 2047 on the far end as a result of the addition of the FHP related OIC.

Regards,

Andrea

Subject: FW: OIC Total Amount for OFA Loans as of Dec 31, 2017

Hi,

I have tentatively updated a report of OFA OIC amounts we provide to Accounting quarterly for financial reporting purposes to include the OIC that supports the $2 billion dollar Credit Facility Agreement between the OFA and IESO related to the Fair Hydro Plan.

As this is a significant addition, I would like to give interested parties the opportunity to consider the

appropriateness of its inclusion.

Accounting should be able to provide you further details with respect to the nature of the reporting which is based on this input should it be needed.

Please let me know as soon as possible should there be an issue with its inclusion

Regards,

Andrea

Order in Council
Décret

On the recommendation of the undersigned, the Lieutenant Governor of Ontario, by and with the advice and concurrence of the Executive Council of Ontario, orders that:

Sur la recommandation de la personne soussignée, la lieutenante-gouverneure de l'Ontario, sur l'avis et avec le consentement du Conseil exécutif de l'Ontario, décrète ce qui suit :

WHEREAS pursuant to subsection 22(1) of the *Capital Investment Plan Act, 1993* (the "Act"), the Minister of Finance may purchase securities of or make loans to corporations established under subsection 2(1) of the Act in such amounts, at such times and on such terms and conditions as the Lieutenant Governor in Council considers expedient;

AND WHEREAS the Ontario Financing Authority (the "OFA") is a corporation established under subsection 2(1) of the Act;

AND WHEREAS pursuant to subsection 6(3) of the Act, the power of a corporation established under subsection 2(1) of the Act to borrow and issue securities, among other things, may only be exercised under the authority of a by-law that has been approved by the Minister of Finance;

AND WHEREAS the OFA wishes to borrow up to Two Billion Dollars in lawful money of Canada from the Minister of Finance and has been authorized to do so by a borrowing by-law approved in accordance with the Act;

THEREFORE:

Pursuant to subsection 22 (1) of the Act, the Minister of Finance is authorized to lend a maximum of Two Billion Dollars in lawful money of Canada to the OFA on the following terms and conditions:

(a) the loan may be advanced in such amounts and at such time or times as required by the OFA;

(b) repayment of advances made under the loan plus accrued interest may be made in whole or in part at any time provided that the loan plus any accrued interest shall be fully repaid by December 31, 2047;

(c) each advance (an "Advance") made under the loan hereby authorized shall bear interest at a rate which is determined as follows:

(i) from the date of the Advance to (but excluding) the date of repayment the Advance shall bear interest at a per annum rate equivalent to the yield earned on

ninety day Province of Ontario treasury bills on the date before the Advance Date as determined by the Province, provided that if an Advance is outstanding for longer than ninety days, the interest rate shall be reset on the last day of each ninety day period (the "Reset Date") to the yield earned on ninety day Province of Ontario treasury bills immediately preceding the Reset Date for such ninety day period as determined by the Province;

(ii) in the event that moneys included in an Advance are used by the OFA for the purpose of funding loans to third parties (a "Third Party Loan"), the rate of interest payable by the OFA to the Province on the portion of the Advance so used shall be adjusted effective as of the date that the portion of the Advance is used to fund the Third Party Loan so that the per annum rate of interest payable by the OFA on such moneys is equivalent to the per annum rate of interest payable to the OFA under the Third Party Loan less an amount as may be determined by the Minister of Finance in respect of such Third Party Loan or a class of such Third Party Loans, until but excluding the date on which the Third Party Loan is repaid, at which time the interest rate set out in subparagraph (i) shall again be applicable to that portion of the Advance; and

(iii) in the event that moneys described in subparagraph (ii), once repaid, are subsequently used to fund loans to third parties, subparagraph (ii) shall again be applicable in determining the interest rate payable to the Province on that portion of the Advance used to fund such loan, and so on, until the Advance shall be repaid to the Province in full;

(iv) despite subparagraphs (ii) and (iii), in the event that no interest is payable to the OFA under a Third Party Loan, no interest shall be payable by the OFA on the portion of the Advance so used and to the extent that the terms of a Third Party Loan provide for the deferral of the payment of accrued interest for a period, the interest payment terms of an Advance or portion thereof shall also be deferred for a similar period.

(d) interest for any period of less than one year shall be payable for the actual number of days included in such period, computed on the basis of a 365-day year;

(e) despite paragraph (b) of this Order, interest on any portion of an Advance made to the OFA under the loan that is used by the OFA to fund a Third Party Loan shall accrue on the basis stated above but shall become payable only to the extent the OFA receives payment of interest under the relevant Third Party Loan;

(f) despite paragraph (b) of this Order, any portion of the principal of an Advance made to the OFA under the loan that is used by the OFA to fund a Third Party Loan shall become payable only to the extent the OFA receives repayment of principal under the relevant Third Party Loan; and

(g) the loan hereby authorized shall be evidenced by a promissory note.

ATTENDU QUE l'OOF souhaite emprunter jusqu'à concurrence de deux milliards de dollars en monnaie légale du Canada du ministre des Finances et qu'il a été autorisé à le faire par un règlement administratif d'emprunt approuvé conformément à la Loi;

PAR CONSÉQUENT :

en vertu du paragraphe 22 (1) de la Loi, le ministre des Finances est autorisé à prêter un montant maximal de deux milliards de dollars en monnaie légale du Canada à l'OOF, aux conditions suivantes :

f) par dérogation à l'alinéa b) ci-dessus, toute partie du capital d'une avance consentie à l'OOF dans le cadre du prêt que cette dernière utilise pour financer un prêt à un tiers devient payable uniquement dans la mesure où l'OOF reçoit un remboursement du capital au titre du prêt à un tiers

Hi,

Let me know you thoughts re my draft response:

"For the purposes of September 30, 2017, there is no change in the OIC amounts. I have cleaned up the spreadsheet a bit (please see attached) but the substance has not changed.

A suggestion for consideration in terms of wording:

Funds for these loans are advanced to the OFA by the Province under authority provided pursuant to the Capital Investment Plan Act, 1993. The total advanced to the OFA cannot exceed $16.9 billion based on authority provided to date.

The thinking behind this suggestion is as follows:

-the $16.9 billion is the total original amount of all OIC's that provided the authority for the Province to fund the OFA in support of the public body financing.
- little concerned about reference to credit facilities in this context
-the financing to public bodies is through a combination of loans and lines of credit.
-the auto loan related OIC's do not actually specify a repayment date so we are not sure if stating the expiry range as being from 2036-2044 is appropriate

Let me know should you have any questions or concerns."

Hi Andrea,

This is what we disclose in the notes to OFA's quarterly and yearly financial statements. Provided below is the note in June 30, 2017 FS:

5. TRANSACTIONS WITH PUBLIC BODIES

The OFA provides financing to various public bodies on direction from the Province. As the OFA is directed by the Province to make these loans in furtherance of stated Provincial initiatives, and these loans are included in the Province's consolidated financial statements, these transactions are not reflected in these financial statements.

Funds for these loans are advanced to the OFA by the Province under credit facilities aggregating $16.9 billion expiring from 2036 to 2044. Principal repayments received from public bodies by the OFA are forwarded to the Province. The interest rates charged to public bodies is generally slightly higher than the rate charged by the Province on the advances to fund the loans ("the spread").

Thanks,
San

We are trying to get a better idea as to what is being communicated in order to hopefully determine if the Fair Hydro Plan OIC should be added given it is not included for the purposes of the OFA Lending Directive.

Hi San

We confirm the authorized amounts for the OIC's in the attached table are unchanged totaling $16,916,000,000 as at September 30, 2017. I have cleaned up the spreadsheet a bit (please see attached) but the substance has not changed.

A suggestion for consideration in terms of wording:

Funds for these loans are advanced to the OFA by the Province through a combination of loans and credit facilities. The total advanced by the Province cannot exceed $16.916 billion.

The thinking behind this suggestion is as follows:

-the $16.916 billion is the total original authority available to the Province (under all OICs) to fund the OFA in support of the referenced public body financing.
-the financing to public bodies is through a combination of loans and credit facilities.
-the auto loan related OIC's do not specify a final repayment date

Let me know should you have any questions or concerns.

Andrea

Hi Andrea,

This is what we disclose in the notes to OFA's quarterly and yearly financial statements. Provided below is the note in June 30, 2017 FS:

5. TRANSACTIONS WITH PUBLIC BODIES

The OFA provides financing to various public bodies on direction from the Province. As the OFA is directed by the Province to make these loans in furtherance of stated Provincial initiatives, and these loans are included in the Province's consolidated financial statements, these transactions are not reflected in these financial statements.

Funds for these loans are advanced to the OFA by the Province under credit facilities aggregating $16.9 billion expiring from 2036 to 2044. Principal repayments received from public bodies by the OFA are forwarded to the Province. The interest rates charged to public bodies is generally slightly higher than the rate charged by the Province on the advances to fund the loans ("the spread").

Thanks,
San

Hi San,

Is there any way you can send me a copy of the note and whatever section of the OFA statements the note refers to?

We are trying to get a better idea as to what is being communicated in order to hopefully determine if the Fair Hydro Plan OIC should be added given it is not included for the purposes of the OFA Lending Directive.

Andrea

Hi San,

Sarah asked me to address this request

The only changes are as follows:

OIC 1883/06 - $800,000,000 - the amended maturity date is June 1, 2041 (previously November 1, 2032).
OIC 2144/07 - $2,000,000,000 - the amended maturity date is June 1, 2041 (previously December 1, 2037).

and the changes have been made to the OFA Summary attached.

These updates take into account the amendment to the maturity dates incorporated in OIC 844/2008 (attached for your reference).

Other than that:

I can confirm that the total OIC amounts remains unchanged as of March 31, 2017. I can also confirm that there have been no additional OICs. I cannot however, comment on any loans or transactions undertaken under the OICs. Documentation does not keep track of this. If needed, I believe that Corporate Finance keeps track of this information. As such the supporting documentation provided is comprised of copies of the OIC's in question.

Andrea

Hi Will,

Thanks for the draft completed PDP. The date of the PDP results go from August 2016 to Aug 2017, so you should just include the results up to August 4, 2017, and then you can prep a new one for August 4, 2017 to Aug 4, 2018. So, what you can say for example, is that you're drafting the IESO credit facility, but you can't say you completed it. If it wasn't complete up to August 4, 2017, then you save it for the completion of the next period. You should also include results saying how you added value, reduced risk, and state both successes and things where you recognize where things need development. Please give it another crack, and also prepare the draft framework for August 4, 2017- August 4, 2018.

From our meeting last month on the PIP, I attach the results (my apologies for the delay; as you know I've been away couple times in Ottawa for my dad's health issues). You'll see that I've noted the areas that have improved and areas that need further development. You've put in noticeable effort and have made progress; you do need to continue to further develop on a number of items. I attach a draft PIP for December 18, 2017 to March 19, 2018. It essentially mirrors the current one, with a few minor tweaks. If you don't have any comments, we can execute on Monday.

Thanks,

Sarah

- p.14 reference to Executive Director needs to updated to current title

  I'll get that corrected.

- Form of pricing term sheet and Loan Terms Confirmation – did you verify with Carlos/Craig that it should be 30/360T – "T" is an internal reference, and it may be worth checking with Craig about alternatives

  Yes, Craig confirmed that 30/360T is correct.

Also, did Carlos confirm he was fine with the wording on the "Make Whole" provision?

Carlos, is fine with how the Make Whole Provision is worded.

For purposes of finalizing comment sand circulating drafts, the analyst is usually the point person for doing this work for these types of agreements (just like the FHP facility). Though there isn't harm in Nicole circulating it, it is preferable that you finalize the draft comments and allow Nicole to "sign-off", as well as you send the file to the other party.

Sure, I'll initiate the next round of edit emails.

Thanks,

Will

Hi Will,

I noted a couple of the changes that we discussed were not made in the draft.

- p.14 reference to Executive Director needs to updated to current title
- Form of pricing term sheet and Loan Terms Confirmation – did you verify with Carlos/Craig that it should be 30/360T – "T" is an internal reference, and it may be worth checking with Craig about alternatives

You can address those in the next turn of the document.

Also, did Carlos confirm he was fine with the wording on the "Make Whole" provision?

Hi Anjlee,

I hope that you're doing well. I've attached a draft of the long-term loan agreement for your review. We have accepted most of IOs comments, however, there were a few that were not incorporated. This draft also includes the OFA/MOF comments as well.
Happy to discuss any outstanding issues.

Just a note for future. Yesterday I asked you to forward Lisa's email to Jean-Francois and Ryan so they have the whole picture. It would have been a good idea to have also forwarded Lisa's intercept e-mail at the same time as the other agreements, with a covering e-mail for context.

Hi JF,
Sorry for the confusion. I am getting familiar with task myself. My understanding is IESO requires OEFC agreements for $160M Revolving Credit Facility Agreement and $120M Agreement Providing for Issuance of a Note to reflect most of the provision updates from the FHP Credit Facility. For your reference I included the FHP Agreement.
According to Lisa Stein email attached OEFC is not subject to OFA's lending policies.

The title of your email below states "IESO-OEFC Update" yet the agreements you forwarded are the ones for IESO-OFA which we already have. Please advise as I understood from Sarah that Kelly was previously working on these 2 IESO-OEFC credit facility agreements. Did you forward the wrong documents?
An additional question I have is whether OEFC's lending policies permit for the intercept provision to be applied the same way as for the OFA? Also, is the goal of the 2 IESO-OEFC credit facility

agreements to incorporate FHP elements or do they serve a separate purpose altogether? Any background you can provide to bring me up to speed would be helpful.
Thanks,

No, I don't think the OFA Lending Policy would apply to these OEFC loans. The OFA Lending Policy addresses lending activities to public bodies undertaken where the OFA is acting as an intermediary on behalf of the Province.

Hi JF,
Just to clarify, Kelly had previously amended the last IESO –OEFC credit facilities, but at the time he left, no further revisions were immediately pending. Ryan requested to 'take over' the IESO facilities, so we (Kelly, Ryan, and I) had a brief hand-off meeting to provide brief background on the facilities, with the understanding that Ryan would take care of any future amendments. IESO had mentioned a short time ago that it might be looking to address any OEFC changes after the OFA facilities were completed, but there were no working drafts, since the nature of the changes were not known.
All that to say, there is currently no OEFC-IESO draft amending agreements for the FHP changes. Ryan will need to draft, but will need to see the FHP lien/negative pledge clauses in the OFA-IESO credit facilities that were just signed.
Thanks,
Sarah
