Hi Will,
Just a note for future. Yesterday I asked you to forward Lisa's email to Jean-Francois and Ryan so they have the whole picture. It would have been a good idea to have also forwarded Lisa's intercept e-mail at the same time as the other agreements, with a covering e-mail for context.
Thanks,
Sarah

Hi JF,
Sorry for the confusion. I am getting familiar with task myself. My understanding is IESO requires OEFC agreements for $160M Revolving Credit Facility Agreement and $120M Agreement Providing for Issuance of a Note to reflect most of the provision updates from the FHP Credit Facility. For your reference I included the FHP Agreement.
According to Lisa Stein email attached OEFC is not subject to OFA's lending policies.
Thanks,
Will

Hi Will,
The title of your email below states "IESO-OEFC Update" yet the agreements you forwarded are the ones for IESO-OFA which we already have. Please advise as I understood from Sarah that Kelly was previously working on these 2 IESO-OEFC credit facility agreements. Did you forward the wrong documents?
An additional question I have is whether OEFC's lending policies permit for the intercept provision to be applied the same way as for the OFA? Also, is the goal of the 2 IESO-OEFC credit facility

agreements to incorporate FHP elements or do they serve a separate purpose altogether? Any background you can provide to bring me up to speed would be helpful.
Thanks,
JF

No, I don't think the OFA Lending Policy would apply to these OEFC loans. The OFA Lending Policy addresses lending activities to public bodies undertaken where the OFA is acting as an intermediary on behalf of the Province.

Hi John,

We've received no internal direction on the nature of changes IESO is looking for in relation to existing OEFC credit facility with the IESO and the FHP. I surmise it may have to do with adjusting the agreement to allow FHP permitted liens (which we would need internal approval to do) or similar changes, but do you know if IESO communicated requirements to Gadi or Ron?

Will – unless any concerns, will appreciate if you please begin to draft the two OEFC amendments this week – given that the IESO is targeting to sign the OPG / IESO fair hydro agreement by this month's end,….we need to have the two OEFC's done before this.

Once we have completed the 2 OFA facilities and the intercept letter – we then have to turn to the 2 outstanding IESO-OEFC credit facilities to contemplate any further amendments too.

Just ensuring that these 2 OEFC facilities are not missed.

I will scan and send all documents you listed in their entirety, not just signature pages. Can you confirm, are you saying you want a scan of the $475MM grid note?

Just so I get it right, should I courier the hardcopies of the Intercept Letter and Note to your attention and address, Will? Call me if it's quicker.

Hi Victor,

Thank you for the update. When you send the soft copy signatures, would it be possible to include

the signatures within the agreements?
You were probably going to include the following signed soft copies anyway but out of caution I have listed them below:

- Resolution of the Board of Directors
- Incumbency Certificate
- Intercept Letter
- $2 B Grid Note
- $475 MM Grid Note

Hardcopy of the Intercept Letter and $2B Grid Note – overnight delivery is fine.
Per s. 16 AA #10 - Anthony and I discussed on Friday that $475MM Grid note would be signed today but held by IESO until November 21. After the borrowing notice and election notices are actioned, OFA will produce the grid notes to evidence payment and advancements. IESO will then send the new $475MM prom note to OFA. Once received OFA will send the $975MM cancelled prom note to IESO.
Thanks,
Will

Hi Will – I have a signing meeting scheduled with our signatory at 2:30pm this afternoon – so I will send you counterpart signatures and a scanned version of the Intercept Letter by 3:00pm or possibly earlier.
Hardcopy of Intercept Letter to follow as you prefer – overnight or pickup? We also need to make arrangements re delivery of the $2Bn Grid Note.
Per s.16 of AA#10, the other Note for $475MM is to be delivered following the Effective Time in exchange for the return by OFA of the Nov 30 2016 Note for $975MM.

ARTICLE 2
REVOLVING CREDIT FACILITY

Section 2.1 Availability.

The OFA agrees, on the terms and conditions of this Agreement, to make Advances to the IESO. The OFA shall make each Advance in Dollars.

Section 2.2 Use of Proceeds.

The IESO shall use the proceeds of Advances for the purposes for which it is authorized to borrow funds pursuant to Regulation 280/14 made under the *Electricity Act, 1998*, as such regulation may be amended or replaced from time to time, subject to the condition that proceeds of Advances may be used only for IESO's financing needs and requirements of any kind arising in connection with the IESO's role with respect to and obligations under the OFHP.

Section 2.3 Credit Facility Limit.

The Advances Outstanding shall not at any time exceed the Commitment. The Credit Facility shall revolve and no payment under the Credit Facility shall reduce the Commitment.

Section 2.4 Mandatory Repayment.

Subject to Sections 2.5 and 5.2, the IESO shall repay each Advance together with the interest accrued thereon on the applicable Repayment Date, and, in any event, shall repay all Advances Outstanding, together with all accrued interest and all other amounts owing hereunder on September 30, 2022.

Section 2.5 Prepayments.

The IESO is not entitled to prepay any part of the Advances Outstanding or the interest accrued thereon without the prior written consent of the OFA.

Section 2.6 Payments under this Agreement.

(1) The OFA shall make Advances to the IESO under this Agreement to or to the order of the IESO by wire transfer of immediately available funds in accordance with wire transfer instructions given by the IESO to the OFA from time to time, or in such other manner as the IESO may specify to the OFA from time to time.

(2) The IESO shall make any payment required hereunder to be made by it to the OFA, to or to the order of the OFA, by wire transfer of immediately available funds in accordance with wire transfer instruction given by the OFA to the IESO from time to time, or in such other manner as the OFA may specify to the IESO from time to time. The IESO shall make each such payment in Canadian Dollars.

Section 2.7 Computations of Interest.

(1) All computations of interest shall be made by the OFA taking into account the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest is payable on the basis of a year of 365 days or 366 days, as the case may be.

(2) For the purposes of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest which is equivalent to a rate of interest payable under this Agreement for any period of less than a year may be determined by multiplying the rate of interest for such period by a fraction, the numerator of which is the actual number of days in a year commencing on and including the first day in such period and ending on but excluding the corresponding day in the next calendar year and the denominator of which is the actual number of days in such period.

Section 2.8 Limit on Rate of Interest.

(1) Notwithstanding any provision contained in this Agreement, the IESO shall not be obliged to make any payments of interest or other amounts payable to the OFA hereunder in excess of the amount or rate which would be prohibited by applicable law or would result in the receipt by the OFA of interest at a criminal rate (as such terms are construed under the *Criminal Code* (Canada)).

(2) In the event that any such payments are limited or prohibited as provided in Section 2.8(1), the OFA shall have no further obligation to make any Advances available hereunder and the Advances Outstanding, together with all accrued interest and all other amounts owing hereunder, shall become immediately due and payable.

Section 2.9 Application of Payments.

All payments made by the IESO under this Agreement shall be applied firstly to the payment of interest payable to the OFA on late payments of principal or interest hereunder, secondly, to the payment of accrued and unpaid interest payable to the OFA hereunder and thirdly, to the payment of the outstanding principal amount of any Advances payable to the OFA.

ARTICLE 3
ADVANCES

Section 3.1 Advances.

The OFA agrees, on the terms and conditions of this Agreement, to make Advances to the IESO under the Credit Facility from time to time on any Business Day prior to September 23, 2022.

Section 3.2 Procedure for Advances.

(1) Subject to Section 3.3(5), each Advance shall be made subject to two Business Days' prior notice given not later than 10:00 a.m. (Toronto time) by the IESO to the OFA. Each notice of an Advance (a "**Borrowing Notice**") shall be substantially in the form of Schedule 1, other than a Borrowing Notice that is included in an Election Notice as permitted by Section 3.3(3). Each Borrowing Notice shall be irrevocable and binding on the IESO and shall specify (a) the requested date of the Advance; (b) the principal amount of the Advance, and (c) the Repayment Date of the Advance which shall not be earlier than 5 days and not later than 95 days after the date of the requested Advance. Each Borrowing Notice shall also certify the use of proceeds of the Advance which shall in any case be in accordance with Section 2.2. The OFA will make the principal amount of each Advance available to the IESO in accordance with Article 2.

(2) On or before the date of the first Advance hereunder, the IESO shall execute and deliver to the OFA a grid promissory note in respect of Advances substantially in the form of Schedule 3 (the "**Grid Note**"). The IESO authorizes the OFA to record on the Grid Note (a) the date and amount of each Advance or Continued Advance; (b) the applicable rate of interest for each Advance or Continued Advance; (c) the Repayment Date of each Advance or Continued Advance; (d) the date and amount of each payment of interest and each payment of principal or portion thereof in respect of each Advance or Continued Advance; and (e) Advances Outstanding. Such notations, in the absence of manifest error, shall be *prima facie* evidence of such Advances and repayments; provided that the failure of the OFA to record any amount, rate or date shall not affect the obligation of the IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement.

(3) Respecting the first Advance to be made under this Agreement (the "**First Advance**"), a specified portion thereof (the "**Repayment Amount**") shall be used to repay a portion of the IESO's outstanding indebtedness to the OFA under the credit agreement between the Parties dated January 1, 2005, as amended (the "**Existing Credit Facility**"). The amount of the Repayment Amount shall be detailed in the Borrowing Notice issued in respect of the First Advance. Concurrently with the First Advance, OFA shall provide to IESO an updated grid in respect of the grid note issued under the Existing Credit Facility evidencing the repayment of the Repayment Amount thereunder.

Section 3.3 Elections Regarding Advances.

(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 5 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

(2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than

10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 5 days and not later than 95 days after the current Repayment Date (the "**New Repayment Date**"). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the Grid Note in accordance with Section 3.2(2).

(5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date.

(6) The Credit Facility shall at all times rank *pari passu* with all other unsubordinated and unsecured Indebtedness of the IESO, subject to the existence of any Liens that secure Indebtedness, as permitted by subections 4.6 (a) through (e) hereof.

(7) All amounts owing in respect of the Advances shall be paid without exercising any right of set off or counterclaim by the IESO.

Section 3.4 Interest on Advances.

(1) The IESO shall pay interest on the unpaid principal amount of each Advance in accordance with this Section 3.4 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the Repayment Date of such Advance, at an annual rate equal to the Province of Ontario's cost of funds for borrowings with a similar term as determined by the OFA plus 0.25 percent per annum, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after Default and shall be payable on the Repayment Date for such Advance. Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the

OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

Section 3.5 Conditions Precedent

The obligation of the OFA to make the Advances to the IESO pursuant to Section 2.1 is subject to the following conditions being satisfied to the OFA's satisfaction at the time of making each Advance:

(a) that the representations and warranties of the IESO contained in this Agreement are true and correct as at the date of making the Advance;

(b) that no Event of Default has occurred and is continuing;

(c) that there shall, in the reasonable opinion of the OFA, have been no material adverse change in the financial condition of the IESO or a Material Subsidiary; and

(d) that the OFA has received such other documentation which it has reasonably requested to ensure that the IESO is in compliance with the terms and conditions of this Agreement, including certified true copies of any necessary resolutions, a written legal opinion from counsel to the IESO confirming that the borrowing is within the legal powers of the IESO and that the Agreement is a direct, unsecured obligation of the IESO enforceable against the IESO in form satisfactory to the OFA.

All such costs, charges and expenses shall bear interest at the Province of Ontario's cost of funds plus 0.25 percent per annum (as determined by the OFA) calculated and payable monthly not in advance from in each case from the date on which the OFA incurs the cost, charge or expense until the date on which the IESO reimbursement the OFA therefor. The OFA agrees, acting reasonably, to invoice the IESO for any such costs, charges and expense as they are incurred, together with interest at the aforesaid rate (with interest on overdue interest).

Section 4.8 Reporting.

On the occurrence of an Event of Default relating to a failure by IESO to pay when due any amounts owing hereunder, subject to the OFA's compliance with any relevant provisions hereof and as set out in the Intercept Letter, the Minister of Finance is irrevocably authorized to deduct from the Appropriated Funds amounts equal to any amounts that the IESO has failed to pay to the OFA in accordance with the provisions of this Agreement and to pay such amounts directly to the OFA ("**Intercept**").

(b) If, after following the process specified in the Intercept Letter (including, without limitation, allowing for a reasonable cure period on the terms specified therein), the OFA determines that it is necessary to request the Minister of Finance to exercise the Intercept, the OFA will give written notice to the Minister of Finance, with a copy to the Ministry of Energy, detailing the IESO's failure to pay when due any amounts owing hereunder and requesting the deduction from the Appropriated Funds of amounts equal to the amounts that the IESO has failed to pay to the OFA under this Agreement.

(c) The IESO agrees that any notice from the OFA to the Minister of Finance in relation to this section 5.7 (Intercept) may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance and, upon receipt of such notice, an amount equal to the amount that the IESO has failed to pay when due to the OFA on account of indebtedness under this Agreement shall be deducted from the Appropriated Funds and paid to the OFA.

(d) For further certainty, the OFA acknowledges and agrees that the Intercept as provided for herein and in the Intercept Letter shall not apply with respect to any funds appropriated by the Legislature for payment to the IESO through ministries other than the Ministry of Energy or through Ontario Climate Change Solutions Deployment Corporation.

(e) The parties agree that, with respect to the exercise of the Intercept generally, the terms of this section 5.7 shall be applied consistently with the terms set out in the Intercept Letter which shall apply in full. Notwithstanding the foregoing, in the event of a conflict or

inconsistency between the terms and conditions of the Intercept Letter and the terms and conditions contained in this Agreement, the terms and conditions contained in this Agreement shall prevail.

4. The following definitions are added to Section 1.1 of the Credit Agreement:

6. Section 3.2 "Procedures for Advances" of the Credit Agreement is deleted in its entirety and replaced by the following:

"(1) Subject to Section 3.3(5), each Advance shall be made subject to two Business Days' prior notice given not later than 10:00 a.m. (Toronto time) by the IESO to the OFA. "(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 28 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the grid promissory note in respect of Advances in accordance with Section 3.2(2).

(5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date."

On the occurrence of an Event of Default relating to a failure by IESO to pay when due any amounts owing hereunder, subject to the OFA's compliance with any relevant provisions hereof and as set out in the Intercept Letter, the Minister of Finance is irrevocably authorized to deduct from the Appropriated Funds amounts equal to any amounts that the IESO has failed to pay to the OFA in accordance with the provisions of this Agreement and to pay such amounts directly to the OFA ("**Intercept**").

(c) The IESO agrees that any notice from the OFA to the Minister of Finance in relation to this section 5.7 (Intercept) may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance and, upon receipt of such notice, an amount equal to the amount that the IESO has failed to pay when due to the OFA on account of indebtedness under this Agreement shall be deducted from the Appropriated Funds and paid to the OFA.

(d) For further certainty, the OFA acknowledges and agrees that the Intercept as provided for herein and in the Intercept Letter shall not apply with respect to any funds appropriated by the Legislature for payment to the IESO through ministries other than the Ministry of Energy or through Ontario Climate Change Solutions Deployment Corporation.

The parties agree that, with respect to the exercise of the Intercept generally, the terms of this section 5.7 shall be applied consistently with the terms set out in the Intercept Letter which shall apply in full. Notwithstanding the foregoing, in the event of a conflict or inconsistency between the terms and conditions of the Intercept Letter and the terms and conditions contained in this Agreement, the terms and conditions contained in this Agreement shall prevail."

   iii. the repayment by the IESO of all Advances Outstanding (as defined in the Credit Agreement) exceeding $475 million; and,

   iv. the payment by the IESO to OFA of the interest then owing under the Credit Agreement.

15. The Parties shall endeavour to complete and exchange all usual documentation relating to the Transfers of Funds, and to any other related matters occurring on the Effective Date, prior to 5:00 p.m. on the Effective Date, and in any case no later than the next business day.

Hello Lisa,
It appears as though Victor will be forwarding only the scanned signature portion of the agreement and not the scanned signatures embedded in the agreement. Obviously it is implied they are signing the agreement. However, from a legal perspective should be ask for them to send a soft copy of the signatures embedded agreement in its entirety?
Thanks,
Will

Will,

Please find attached the following documents signed by IESO:

1. Amending Agreement #10 to the Jan. 1, 2005 Credit Agreement;
2. Certified IESO Board Resolution and Incumbency Certificate;
3. Scan of the $2 Billion Grid Note.
4. Intercept Letter Agreement.

I will send the new Revolving Credit Facility Agreement in relation to FHP under a separate email immediately following.

We have already overnighted the original grid note for $2 billion and an original Intercept Letter signed by all parties. Per your request, we will send original agreement signature pages for both agreements as well – can we send those tomorrow or do you need the overnighted too?

Let us know. We look forward to receiving your confirmation of closing.

Victor

Hi Victor,

My apologies. Please scan the separated $2B and $475 MM Grid promissory notes. Forward the $2B promissory note but hold on to the $475MM Grid Promissory Note until November 21.

- Resolution of the Board of Directors
- Incumbency Certificate
- Intercept Letter
- $2 B Grid Promissory Note
- $475 MM Grid Promissory Note

Yes, please forward the documents to myself.

I will scan and send all documents you listed in their entirety, not just signature pages. Can you confirm, are you saying you want a scan of the $475MM grid note?

Just so I get it right, should I courier the hardcopies of the Intercept Letter and Note to your attention and address, Will? Call me if it's quicker.

Hi Victor,

Thank you for the update. When you send the soft copy signatures, would it be possible to include the signatures within the agreements?

You were probably going to include the following signed soft copies anyway but out of caution I have listed them below:

- Resolution of the Board of Directors
- Incumbency Certificate
- Intercept Letter
- $2 B Grid Note
- $475 MM Grid Note

Hardcopy of the Intercept Letter and $2B Grid Note – overnight delivery is fine.

Per s. 16 AA #10 - Anthony and I discussed on Friday that $475MM Grid note would be signed today but held by IESO until November 21. After the borrowing notice and election notices are actioned, OFA will produce the grid notes to evidence payment and advancements. IESO will then send the new $475MM prom note to OFA. Once received OFA will send the $975MM cancelled prom note to IESO.
Thanks,
Will

AMENDING AGREEMENT NO. 10

This Amending Agreement No. 10 (this "**Amending Agreement**") is made as of the 21st day of November, 2017 (the "**Effective Date**")

BETWEEN:

INDEPENDENT ELECTRICITY SYSTEM OPERATOR, a statutory corporation without share capital existing under Part II of the *Electricity Act, 1998* ("**IESO**")

-and-

WHEREAS the Ontario Power Authority ("**OPA**") and the OFA entered into a credit agreement dated January 1, 2005 (the "**Original Agreement**");

AND WHEREAS effective January 1, 2015, the OPA and the then existing Independent Electricity System Operator amalgamated and continued as a corporation without share capital under Part II of the *Electricity Act, 1998* with the name "Independent Electricity System Operator" (**"IESO"),** and the obligations of the OPA became obligations of the IESO;

AND WHEREAS pursuant to the amending agreements dated February 14, 2005, October 11, 2005 (titled, "Amending Agreement No. 3"), September 27, 2006 (titled, "Amending Agreement No. 4"), July 13, 2007 (titled, "Amending Agreement No. 5"), November 9, 2010 (titled, "Amending Agreement No. 6"), December 20, 2013 (titled, "Amending Agreement No. 7"), December 19, 2014 (titled, "Amending Agreement No. 8") and November 30, 2016 (titled, "Amending Agreement No. 9"), the OPA or IESO (as applicable) and the OFA amended the Original Agreement (as so amended, the **"Credit Agreement",** the terms defined therein being used herein as therein defined);

AND WHEREAS the Parties have now agreed to: (i) at the request of the IESO, decrease the total principal amount available under the Credit Agreement from $975,000,000 to a total principal amount of up to $475,000,000; (ii) amend the use of proceeds under the Credit Agreement; (iii) amend the Form of Election Notice and related provisions under the Credit Agreement; and (iv) make other amendments required as a consequence of the implementation of the OFHP (as defined below);

AND WHEREAS pursuant to Section 7.3 of the Credit Agreement, the Credit Agreement may only be amended or otherwise modified by written agreement executed by the Parties.

THEREFORE, in consideration of the mutual covenants and agreements herein contained and other good and valuable consideration, the receipt and sufficiency of which is hereby

acknowledged, and subject to the terms and conditions hereafter set out, the Parties agree that, as of the Effective Time (as defined below):

1. The definition of "Advances" in Section 1.1 of the Credit Agreement is deleted and replaced by the following:

   "**Advances**" means advances made by the OFA to the IESO under Article 3 and "Advance" means any one of such advances, and in the case of an election by the IESO under Section 3.3, includes a "Continued Advance", as defined in Section 3.3(1), as applicable."

2. The definition of "**Commitment**" in Section 1.1 of the Credit Agreement is amended by deleting "$975,000,000" and substituting "$475,000,000" therefor.

3. The definition of "**Permitted Liens**" is amended by deleting the word "and" at the end of subsection (i); replacing the "." at the end of subsection (j) and replacing it with "; and" ; and adding the following subsection (k):

   "(k) any Lien arising from the IESO's role and obligations under the OFHP, including with respect to any amount received or receivable by the IESO (such as, without limitation, amounts received or receivable in respect of the Clean Energy Adjustment), or any other lien, whether arising from the action or inaction of IESO, that is created in connection with the OFHP."

4. The following definitions are added to Section 1.1 of the Credit Agreement:

   "Clean Energy Adjustment" has the same meaning as that term is defined in the OFHP.

   "Continued Advance" has the meaning specified in Section 3.3(1).

   "**Current Repayment Date**" has the meaning specified in Section 3.3(2).

   "**New Repayment Date**" has the meaning specified in Section 3.3(2).

   "OFHP" means the *Ontario Fair Hydro Plan Act, 2017*, S.O. 2017, c. 16, Schedule 1, including any regulations made thereunder, and all as amended from time to time.

5. Section 2.3 "Use of Proceeds" of the Credit Agreement is deleted in its entirety (with the exception of the title of the section, which exception also applies regarding the amendments made under sections 6, 7 and 8 hereof) and replaced by the following:

   "The IESO shall use the proceeds of Advances for the purposes for which it is authorized to borrow funds pursuant to Regulation 280/14 made under the *Electricity Act, 1998,* as such regulation may be amended or replaced from time to time, provided that Advances may be used only for liquidity purposes."

6. Section 3.2 "Procedures for Advances" of the Credit Agreement is deleted in its entirety and replaced by the following:

"(1) Subject to Section 3.3(5), each Advance shall be made subject to two Business Days' prior notice given not later than 10:00 a.m. (Toronto time) by the IESO to the OFA. Each notice of an Advance (a "**Borrowing Notice**") shall be substantially in the form of Schedule 1, other than a Borrowing Notice that is included in an Election Notice as permitted by Section 3.3(3). Each Borrowing Notice shall be irrevocable and binding on the IESO and shall specify (a) the requested date of the Advance; (b) the principal amount of the Advance, and (c) the Repayment Date of the Advance which shall be no earlier than 28 days and not later than 95 days after the date of the requested Advance. Each Borrowing Notice shall also certify the use of proceeds of the Advance which shall in any case be in accordance with Section 2.3. The OFA will make the principal amount of each Advance available to the IESO in accordance with Article 2.

(2) On or before the date of the first Advance hereunder, the IESO shall execute and deliver to the OFA a grid promissory note in respect of Advances substantially in the form of Schedule 3 (the **"Grid Note")**. The IESO authorizes the OFA to record on the Grid Note (a) the date and amount of each Advance or Continued Advance; (b) the applicable rate of interest for each Advance or Continued Advance; (c) the Repayment Date of each Advance or Continued Advance; (d) the date and amount of each payment of interest and each payment of principal or portion thereof in respect of each Advance or Continued Advance; and (e) Advances Outstanding. Such notations, in the absence of manifest error, shall be *prima facie* evidence of such Advances and repayments; provided that the failure of the OFA to record any amount, rate or date shall not affect the obligation of the IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement."

7. Section 3.3 "Elections Regarding Advances" of the Credit Agreement is deleted in its entirety and replaced by the following:

"(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 28 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

(2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than 10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 28 days and not later than 95 days after the Current Repayment Date (the "**New Repayment Date**"). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment

Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the grid promissory note in respect of Advances in accordance with Section 3.2(2).

(5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date."

8. Section 5.2 "Acceleration of Maturity; Recission and Annulement" of the Credit Agreement is deleted in its entirety and replaced by the following:

"If an Event of Default occurs and is continuing, then and in every such case the OFA may at its option, in addition to any other remedy available to the OFA at law, by written notice to the IESO, take any or all of the following actions:

(a) suspend the right of the IESO to request any further Advance until the Event of Default has been cured to the OFA's satisfaction or, if the Event of Default is not cured within three (3) Business Days after the date on which written notice of such Event of Default shall have been given to the IESO by the OFA, declare all amounts owing hereunder including all interest accrued to be due and payable immediately, by a notice in writing to the IESO, and upon any such declaration all such amounts shall become immediately due and payable.

(b) invoke the Intercept pursuant to section 5.7 of this Agreement to require payment of any amount due and payable under this Agreement."

9. Section 5.7 "Intercept" is added to the Credit Agreement, stating as follows:

"Section 5.7 Intercept

(a) The IESO hereby acknowledges that, in accordance with the terms of the letter agreement of November 6th , 2017 herewith entered between the Ministry of Energy, the IESO and the OFA made pursuant to Section 23 of the *Capital Investment Plan Act, 1993* (the "**Intercept Letter**"), the Minister of Finance is entitled to deduct only from those monies appropriated by the Legislature for payment through the Ministry of Energy to the IESO ("**Appropriated Funds**"), amounts equal to any amounts that the IESO fails to pay to the OFA on account of indebtedness under this Agreement. On the occurrence of an Event of Default relating to a failure by IESO to pay when due any amounts owing hereunder, subject to the OFA's compliance with any relevant provisions hereof and as set out in the Intercept Letter, the Minister of Finance is irrevocably authorized to deduct from the Appropriated Funds amounts equal to any amounts that the IESO has failed to pay to the OFA in accordance with the provisions of this Agreement and to pay such amounts directly to the OFA ("**Intercept**").

(b) If, after following the process specified in the Intercept Letter (including, without limitation, allowing for a reasonable cure period on the terms specified therein), the OFA determines that it is necessary to request the Minister of Finance to exercise the Intercept, the OFA will give written notice to the Minister of Finance, with a copy to the Ministry of Energy, detailing the IESO's failure to pay when due any amounts owing hereunder and requesting the deduction from the Appropriated Funds of amounts equal to the amounts that the IESO has failed to pay to the OFA under this Agreement.

(c) The IESO agrees that any notice from the OFA to the Minister of Finance in relation to this section 5.7 (Intercept) may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance and, upon receipt of such notice, an amount equal to the amount that the IESO has failed to pay when due to the OFA on account of indebtedness under this Agreement shall be deducted from the Appropriated Funds and paid to the OFA.

(d) For further certainty, the OFA acknowledges and agrees that the Intercept as provided for herein and in the Intercept Letter shall not apply with respect to any funds appropriated by the Legislature for payment to the IESO through ministries other than the Ministry of Energy or through Ontario Climate Change Solutions Deployment Corporation.

The parties agree that, with respect to the exercise of the Intercept generally, the terms of this section 5.7 shall be applied consistently with the terms set out in the Intercept Letter which shall apply in full. Notwithstanding the foregoing, in the event of a conflict or inconsistency between the terms and conditions of the Intercept Letter and the terms and conditions contained in this Agreement, the terms and conditions contained in this Agreement shall prevail."

10. Section 7.9 "Entire Agreement' is added to the Credit Agreement, stating as follows:

"Section 7.9 Entire Agreement

This Agreement as amended from time to time and including the schedules hereto and any other agreements expressly referred to herein, constitutes the whole agreement between the Parties with respect to the matters dealt with in it, and it supersedes any prior agreement, undertakings, discussions and the like respecting the matters dealt with in this Agreement and entered into by the Parties before the date the OFA signs this Agreement."

11. Schedule 1 of the Credit Agreement, Form of Borrowing Notice, is deleted in its entirety and replaced by the Form of Borrowing Notice attached hereto as Schedule 1.

12. Schedule 2 of the Credit Agreement, Form of Election Notice, is deleted in its entirety and replaced by the Form of Election Notice attached hereto as Schedule 2.

13. Schedule 3 of the Credit Agreement, IESO Grid Note, is deleted in its entirety and replaced by the Form of Grid Note attached hereto as Schedule 3.

14. For the purposes of this Amending Agreement and its coming into effect:

a. "**Effective Time**" means the time on the Effective Date by which the Transfers of Funds (defined below) have been completed; or such other time as the Parties may subsequently agree to in writing as being the "Effective Time";

b. "**Transfers of Funds**" means those transfers of funds to be completed between the Parties on the Effective Date, being:

   ii. the completion of all Advances described in the Election Notice to be provided by the IESO to the OFA no later than November 17, 2017 (such terms having the meanings defined in the Credit Agreement) that are to be funded under the Credit Agreement on the Effective Date; and,

   iii. the repayment by the IESO of all Advances Outstanding (as defined in the Credit Agreement) exceeding $475 million; and,

   iv. the payment by the IESO to OFA of the interest then owing under the Credit Agreement.

15. The Parties shall endeavour to complete and exchange all usual documentation relating to the Transfers of Funds, and to any other related matters occurring on the Effective Date, prior to 5:00 p.m. on the Effective Date, and in any case no later than the next business day.

16. After the Effective Time, and prior to any further Advances under the Credit Agreement, the IESO shall execute and deliver to the OFA a new grid promissory note in the principal amount of up to $475,000,000 substantially in the form attached hereto as Schedule 3 (the "**Grid Note**") and indicating a total principal amount of Advances Outstanding as of the Effective Time. Upon receipt of the new Grid Note delivered hereunder, the OFA will cancel and return the grid promissory note dated November 30, 2016 to the IESO.

17. This Amending Agreement may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same Amending Agreement.

IN ALL OTHER RESPECTS, the Credit Agreement is confirmed by the Parties.

June 14, 2017

In Respect of the establishment of a new credit facility and revision of existing credit facilities in relation to the Fair Hydro Plan

---

WHEREAS, as further described in the memorandum to the Audit Committee entitled "Fair Hydro Plan Credit Facility" dated June 13, 2017 (the "**Memorandum**"), the Corporation has determined that in order to support the IESO's role in the Fair Hydro Plan it requires greater credit liquidity;

AND WHEREAS, due to the structure of the Fair Hydro Plan, once the New Facility is established, the Corporation's existing credit facility with the Ontario Financing Authority in the amount of $975 million (the "**OFA Facility**") will include unnecessary and duplicative credit liquidity such that the OFA Facility may be reduced to an amount yet to be determined between $400 million and $500 million;

AND WHEREAS ...[Recital redacted]...

NOW THEREFORE BE IT RESOLVED THAT:

1. The Board of Directors hereby authorizes and approves the establishment of the New Facility and the amendment of the OFA Facility ...**[Redacted]**... on such terms and conditions as are generally outlined in the Memorandum (collectively, all facilities being the "**Credit Facilities**").

2. The Chief Financial Officer or her delegate is hereby authorized for and on behalf of the Corporation to:

(b) draw upon or continue to draw upon, as applicable, the Credit Facilities from time to time in accordance with their terms; and

(c) do any and all such further acts as may be determined to be necessary or desirable to give effect to the foregoing transactions including, for further certainty, amending any other agreements as may be required as a consequence of such transactions. "

Ms. Kimberly Marshall

Dear Mr. Steen Hume and Ms. Kimberly Marshall:

I am writing in relation to the Independent Electricity System Operator's ("IESO") request to the Ontario Financing Authority ("OFA") for a new revolving credit facility in an amount of up to CAD $2 billion (the "New Credit Facility") to support the IESO's role in the implementation of and participation under the *Ontario Fair Hydro Plan Act, 2017.* Under the OFA Lending Policy, the OFA requires an intercept provision in respect of loans made by the OFA to public bodies on an unsecured basis. In general, an intercept provision allows the Minister of Finance to deduct from money appropriated by the Legislature for payment to the public body amounts equal to any amounts the public body fails to pay the OFA under a loan agreement.

The IESO and the Ministry of Energy ("ENERGY") confirm and the OFA acknowledges that at this time there are no amounts appropriated by the Legislature for payment to the IESO by ENERGY and the intent of such intercept provision is that it would apply if and when amounts were to be appropriated for payment by ENERGY to the IESO in the future.

Prior to entering into a loan agreement with the IESO for the New Credit Facility (the "OFHP Credit Facility Agreement") on an unsecured basis, the OFA requires ENERGY and the IESO to agree to the terms and conditions set out below in relation to the above OFA Lending Policy intercept provision requirement.

These terms and conditions shall also apply to the IESO's existing $975 million credit facility, established in a credit agreement entered into between the OFA and the Ontario Power Authority dated January 1, 2005, as amended (the "Original Credit Facility Agreement").

... 2

- The OFA, the IESO, and ENERGY agree as follows in respect of any advances made by the OFA to the IESO pursuant to the OFHP Credit Facility Agreement or the Original Credit Facility Agreement (each a "Loan Agreement"; together, the "Loan Agreements"):

    - Pursuant to section 23 of the *Capital Investment Plan Act, 1993*, the IESO and ENERGY agree that, in the event that the Legislature appropriates any funds for payment by ENERGY to the IESO for any purpose ("Appropriated Funds"), the Minister of Finance would be entitled to deduct from such Appropriated Funds amounts equal to any amounts that the IESO fails to pay to the OFA on account of indebtedness under a Loan Agreement (the "intercept provision"). Terms relating to the intercept provision shall also be separately included in the Loan Agreements.

    - If the intercept provision is exercised, the IESO agrees that any notice from the OFA to the Minister of Finance in relation to its failure to make a payment that is due under a Loan Agreement may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance.

    - Prior to recommending to the Minister of Finance that the intercept provision be exercised, the OFA will raise the issue with ENERGY and seek ENERGY's support in getting the IESO to pay the amounts owing to OFA within a reasonable cure period.

    - Upon receipt of notice from the OFA that the IESO has failed to make one or more payments owing to it in accordance with the provisions of a Loan Agreement, ENERGY will provide the OFA with all information requested by the OFA respecting amounts appropriated by the Legislature for payments to the IESO by ENERGY, including the intended purpose and expected timing of such payments to be made by ENERGY. Upon request, ENERGY will provide similar information to the Minister of Finance.

    - ENERGY acknowledges and agrees that, upon receipt of a direction from the Minister of Finance that an amount is to be deducted from money appropriated by the Legislature for payment by ENERGY to the IESO, ENERGY will take all necessary action required by it in order to effect such deduction and payment to the OFA in accordance with the Minister of Finance's direction.

    - For further certainty, the OFA and ENERGY acknowledge and agree that the intercept provision as provided for herein, and this letter agreement generally, shall not apply with respect to any funds appropriated by the Legislature for payment to the IESO through ministries other than ENERGY or through Ontario Climate Change Solutions Deployment Corporation.

... 3

This letter agreement may be executed in counterparts. Therefore, if you are in agreement with the above terms and conditions in relation to the Loan Agreements, kindly sign this letter agreement below in triplicate and send back two copies to my attention.

Sincerely,

Ronald Kwan

Assistant Deputy Minister, Corporate and Electricity Finance Division, OFA

c. Gadi Mayman, Chief Executive Officer, OFA

The undersigned hereby agree to the terms and conditions as set out in this letter agreement and have executed this letter agreement as of the date first noted above.

- Incumbency Certificate
- Intercept Letter
- $2 B Grid Note
- $475 MM Grid Note

1. The definition of "Advances" in Section 1.1 of the Credit Agreement is deleted and replaced by the following:

   "**Advances**" means advances made by the OFA to the IESO under Article 3 and "Advance" means any one of such advances, and in the case of an election by the IESO under Section 3.3, includes a "Continued Advance", as defined in Section 3.3(1), as applicable."

6. Section 3.2 "Procedures for Advances" of the Credit Agreement is deleted in its entirety and replaced by the following:

"(1) Subject to Section 3.3(5), each Advance shall be made subject to two Business Days' prior notice given not later than 10:00 a.m. (Toronto time) by the IESO to the OFA. Such notations, in the absence of manifest error, shall be *prima facie* evidence of such Advances and repayments; provided that the failure of the OFA to record any amount, rate or date shall not affect the obligation of the IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement."

7. Section 3.3 "Elections Regarding Advances" of the Credit Agreement is deleted in its entirety and replaced by the following:

"(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 28 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

(2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than 10:00 a.m. (Toronto time). (3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment

Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the grid promissory note in respect of Advances in accordance with Section 3.2(2).

(5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date."

8. Section 5.2 "Acceleration of Maturity; Recission and Annulement" of the Credit Agreement is deleted in its entirety and replaced by the following:

On the occurrence of an Event of Default relating to a failure by IESO to pay when due any amounts owing hereunder, subject to the OFA's compliance with any relevant provisions hereof and as set out in the Intercept Letter, the Minister of Finance is irrevocably authorized to deduct from the Appropriated Funds amounts equal to any amounts that the IESO has failed to pay to the OFA in accordance with the provisions of this Agreement and to pay such amounts directly to the OFA ("**Intercept**").

(b) If, after following the process specified in the Intercept Letter (including, without limitation, allowing for a reasonable cure period on the terms specified therein), the OFA determines that it is necessary to request the Minister of Finance to exercise the Intercept, the OFA will give written notice to the Minister of Finance, with a copy to the Ministry of Energy, detailing the IESO's failure to pay when due any amounts owing hereunder and requesting the deduction from the Appropriated Funds of amounts equal to the amounts that the IESO has failed to pay to the OFA under this Agreement.

(c) The IESO agrees that any notice from the OFA to the Minister of Finance in relation to this section 5.7 (Intercept) may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance and, upon receipt of such notice, an amount equal to the amount that the IESO has failed to pay when due to the OFA on account of indebtedness under this Agreement shall be deducted from the Appropriated Funds and paid to the OFA.

(d) For further certainty, the OFA acknowledges and agrees that the Intercept as provided for herein and in the Intercept Letter shall not apply with respect to any funds appropriated by the Legislature for payment to the IESO through ministries other than the Ministry of Energy or through Ontario Climate Change Solutions Deployment Corporation.

The parties agree that, with respect to the exercise of the Intercept generally, the terms of this section 5.7 shall be applied consistently with the terms set out in the Intercept Letter which shall apply in full. Notwithstanding the foregoing, in the event of a conflict or inconsistency between the terms and conditions of the Intercept Letter and the terms and conditions contained in this Agreement, the terms and conditions contained in this Agreement shall prevail."

10. Section 7.9 "Entire Agreement' is added to the Credit Agreement, stating as follows:

"Section 7.9 Entire Agreement

This Agreement as amended from time to time and including the schedules hereto and any other agreements expressly referred to herein, constitutes the whole agreement between the Parties with respect to the matters dealt with in it, and it supersedes any prior agreement, undertakings, discussions and the like respecting the matters dealt with in this Agreement and entered into by the Parties before the date the OFA signs this Agreement."

11. Schedule 1 of the Credit Agreement, Form of Borrowing Notice, is deleted in its entirety and replaced by the Form of Borrowing Notice attached hereto as Schedule 1.

12. Schedule 2 of the Credit Agreement, Form of Election Notice, is deleted in its entirety and replaced by the Form of Election Notice attached hereto as Schedule 2.

   iii. the repayment by the IESO of all Advances Outstanding (as defined in the Credit Agreement) exceeding $475 million; and,

   iv. the payment by the IESO to OFA of the interest then owing under the Credit Agreement.

15. The Parties shall endeavour to complete and exchange all usual documentation relating to the Transfers of Funds, and to any other related matters occurring on the Effective Date, prior to 5:00 p.m. on the Effective Date, and in any case no later than the next business day.

16. Upon receipt of the new Grid Note delivered hereunder, the OFA will cancel and return the grid promissory note dated November 30, 2016 to the IESO.

---

WHEREAS, as further described in the memorandum to the Audit Committee entitled "Fair Hydro Plan Credit Facility" dated June 13, 2017 (the "**Memorandum**"), the Corporation has determined that in order to support the IESO's role in the Fair Hydro Plan it requires greater credit liquidity;

FOR VALUE RECEIVED, INDEPENDENT ELECTRICITY SYSTEM OPERATOR (the "**IESO**"), incorporated under the laws of the Province of Ontario and having its principal office and place of business at Toronto, Ontario, **PROMISES TO PAY** to or to the order of **ONTARIO FINANCING AUTHORITY** ("**OFA**") at its offices at Toronto, Ontario or at such other place as the OFA may designate, the principal amount of each and all Advances made by the OFA to the IESO, all as recorded by the OFA on the grid attached to and forming part of this Grid Note, in lawful money of Canada, with interest on each Advance at the rate, calculated in the manner and payable at the times specified in the Revolving Credit Facility Agreement (as defined below).

OFA shall and is unconditionally and absolutely authorized and directed by the IESO to record on the Grid Note (i) the date and amount of each Advance, including any Advance all or a portion of which is continued by election under Section 3.3; (ii) the applicable rate of interest for each Advance; (iii) the repayment date of each Advance; (iv) the date and amount of each payment of interest and each payment of principal in respect of each Advance; and (v) the outstanding principal amount of the Grid Note. Such notations, in the absence of manifest error, shall be *prima facie* evidence of such advances and repayments; provided that the failure of the OFA to record the same shall not affect the obligations of the Borrower to pay such amounts to the OFA.

The outstanding principal amount of each Advance under this Grid Note together with all interest accrued thereon shall become due and payable as specified in the Revolving Credit Facility Agreement dated November 6, 2017 as amended, supplemented or restated from time to time, between the Borrower and the OFA (the "Agreement"). All capitalized terms used herein and not otherwise defined herein shall have the meanings given to such terms in the Agreement.

This Grid Note is not transferable or negotiable without the prior written consent of the IESO.

The IESO waives presentment for payment and notice of non-payment.

Ms. Kimberly Marshall

120 Adelaide St W #1600
Toronto, ON M5H 1T1

Dear Mr. Steen Hume and Ms. Kimberly Marshall:

I am writing in relation to the Independent Electricity System Operator's ("IESO") request to the Ontario Financing Authority ("OFA") for a new revolving credit facility in an amount of up to CAD $2 billion (the "New Credit Facility") to support the IESO's role in the implementation of and participation under the *Ontario Fair Hydro Plan Act, 2017.* Under the OFA Lending Policy, the OFA requires an intercept provision in respect of loans made by the OFA to public bodies on an unsecured basis. In general, an intercept provision allows the Minister of Finance to deduct from money appropriated by the Legislature for payment to the public body amounts equal to any amounts the public body fails to pay the OFA under a loan agreement.

The IESO and the Ministry of Energy ("ENERGY") confirm and the OFA acknowledges that at this time there are no amounts appropriated by the Legislature for payment to the IESO by ENERGY and the intent of such intercept provision is that it would apply if and when amounts were to be appropriated for payment by ENERGY to the IESO in the future.

Prior to entering into a loan agreement with the IESO for the New Credit Facility (the "OFHP Credit Facility Agreement") on an unsecured basis, the OFA requires ENERGY and the IESO to agree to the terms and conditions set out below in relation to the above OFA Lending Policy intercept provision requirement.

These terms and conditions shall also apply to the IESO's existing $975 million credit facility, established in a credit agreement entered into between the OFA and the Ontario Power Authority dated January 1, 2005, as amended (the "Original Credit Facility Agreement").

... 2

- The OFA, the IESO, and ENERGY agree as follows in respect of any advances made by the OFA to the IESO pursuant to the OFHP Credit Facility Agreement or the Original Credit Facility Agreement (each a "Loan Agreement"; together, the "Loan Agreements"):

    - Pursuant to section 23 of the *Capital Investment Plan Act, 1993*, the IESO and ENERGY agree that, in the event that the Legislature appropriates any funds for payment by ENERGY to the IESO for any purpose ("Appropriated Funds"), the Minister of Finance would be entitled to deduct from such Appropriated Funds amounts equal to any amounts that the IESO fails to pay to the OFA on account of indebtedness under a Loan Agreement (the "intercept provision"). Terms relating to the intercept provision shall also be separately included in the Loan Agreements.

    - If the intercept provision is exercised, the IESO agrees that any notice from the OFA to the Minister of Finance in relation to its failure to make a payment that is due under a Loan Agreement may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance.

    - Prior to recommending to the Minister of Finance that the intercept provision be exercised, the OFA will raise the issue with ENERGY and seek ENERGY's support in getting the IESO to pay the amounts owing to OFA within a reasonable cure period.

    - Upon receipt of notice from the OFA that the IESO has failed to make one or more payments owing to it in accordance with the provisions of a Loan Agreement, ENERGY will provide the OFA with all information requested by the OFA respecting amounts appropriated by the Legislature for payments to the IESO by ENERGY, including the intended purpose and expected timing of such payments to be made by ENERGY. Upon request, ENERGY will provide similar information to the Minister of Finance.

    - ENERGY acknowledges and agrees that, upon receipt of a direction from the Minister of Finance that an amount is to be deducted from money appropriated by the Legislature for payment by ENERGY to the IESO, ENERGY will take all necessary action required by it in order to effect such deduction and payment to the OFA in accordance with the Minister of Finance's direction.

    - For further certainty, the OFA and ENERGY acknowledge and agree that the intercept provision as provided for herein, and this letter agreement generally, shall not apply with respect to any funds appropriated by the Legislature for payment to the IESO through ministries other than ENERGY or through Ontario Climate Change Solutions Deployment Corporation.

... 3

This letter agreement may be executed in counterparts. Therefore, if you are in agreement with the above terms and conditions in relation to the Loan Agreements, kindly sign this letter agreement below in triplicate and send back two copies to my attention.

Sincerely,

Ronald Kwan

Assistant Deputy Minister, Corporate and Electricity Finance Division, OFA

c. Gadi Mayman, Chief Executive Officer, OFA

The undersigned hereby agree to the terms and conditions as set out in this letter agreement and have executed this letter agreement as of the date first noted above.

1. Amending Agreement #10 to the Jan. 1, 2005 Credit Agreement;
2. Certified IESO Board Resolution and Incumbency Certificate;
3. Scan of the $2 Billion Grid Note.

Just so I get it right, should I courier the hardcopies of the Intercept Letter and Note to your attention and address, Will? Call me if it's quicker.

Hi Victor,

Thank you for the update. When you send the soft copy signatures, would it be possible to include the signatures within the agreements?

You were probably going to include the following signed soft copies anyway but out of caution I have listed them below:

- Resolution of the Board of Directors
- Incumbency Certificate
- Intercept Letter
- $2 B Grid Note
- $475 MM Grid Note

Hardcopy of the Intercept Letter and $2B Grid Note – overnight delivery is fine.

Per s. 16 AA #10 - Anthony and I discussed on Friday that $475MM Grid note would be signed today but held by IESO until November 21. After the borrowing notice and election notices are actioned, OFA will produce the grid notes to evidence payment and advancements. IESO will then send the new $475MM prom note to OFA. Once received OFA will send the $975MM cancelled prom note to IESO.

Thanks,

Will

Hardcopy of Intercept Letter to follow as you prefer – overnight or pickup? We also need to make arrangements re delivery of the $2Bn Grid Note.

Per s.16 of AA#10, the other Note for $475MM is to be delivered following the Effective Time in exchange for the return by OFA of the Nov 30 2016 Note for $975MM.

I will scan and send all documents you listed in their entirety, not just signature pages. Can you confirm, are you saying you want a scan of the $475MM grid note?

Just so I get it right, should I courier the hardcopies of the Intercept Letter and Note to your attention and address, Will? Call me if it's quicker.

Hi Victor,

Thank you for the update. When you send the soft copy signatures, would it be possible to include

the signatures within the agreements?
You were probably going to include the following signed soft copies anyway but out of caution I have listed them below:

- Resolution of the Board of Directors
- Incumbency Certificate
- Intercept Letter
- $2 B Grid Note
- $475 MM Grid Note

Hardcopy of the Intercept Letter and $2B Grid Note – overnight delivery is fine.
Per s. 16 AA #10 - Anthony and I discussed on Friday that $475MM Grid note would be signed today but held by IESO until November 21. After the borrowing notice and election notices are actioned, OFA will produce the grid notes to evidence payment and advancements. IESO will then send the new $475MM prom note to OFA. Once received OFA will send the $975MM cancelled prom note to IESO.
Thanks,
Will

The IESO is not entitled to prepay any part of the Advances Outstanding or the interest accrued thereon without the prior written consent of the OFA.

Section 2.6 Payments under this Agreement.

(1) The OFA shall make Advances to the IESO under this Agreement to or to the order of the IESO by wire transfer of immediately available funds in accordance with wire transfer instructions given by the IESO to the OFA from time to time, or in such other manner as the IESO may specify to the OFA from time to time.

(2) The IESO shall make any payment required hereunder to be made by it to the OFA, to or to the order of the OFA, by wire transfer of immediately available funds in accordance with wire transfer instruction given by the OFA to the IESO from time to time, or in such other manner as the OFA may specify to the IESO from time to time. The IESO shall make each such payment in Canadian Dollars.

Section 2.7 Computations of Interest.

(1) All computations of interest shall be made by the OFA taking into account the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest is payable on the basis of a year of 365 days or 366 days, as the case may be.

(2) For the purposes of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest which is equivalent to a rate of interest payable under this Agreement for any period of less than a year may be determined by multiplying the rate of interest for such period by a fraction, the numerator of which is the actual number of days in a year commencing on and including the first day in such period and ending on but excluding the corresponding day in the next calendar year and the denominator of which is the actual number of days in such period.

Section 2.8 Limit on Rate of Interest.

(1) Notwithstanding any provision contained in this Agreement, the IESO shall not be obliged to make any payments of interest or other amounts payable to the OFA hereunder in excess of the amount or rate which would be prohibited by applicable law or would result in the receipt by the OFA of interest at a criminal rate (as such terms are construed under the *Criminal Code* (Canada)).

(2) In the event that any such payments are limited or prohibited as provided in Section 2.8(1), the OFA shall have no further obligation to make any Advances available hereunder and the Advances Outstanding, together with all accrued interest and all other amounts owing hereunder, shall become immediately due and payable.

Section 2.9 Application of Payments.

All payments made by the IESO under this Agreement shall be applied firstly to the payment of interest payable to the OFA on late payments of principal or interest hereunder, secondly, to the payment of accrued and unpaid interest payable to the OFA hereunder and thirdly, to the payment of the outstanding principal amount of any Advances payable to the OFA.

ARTICLE 3
ADVANCES

Section 3.1 Advances.

The OFA agrees, on the terms and conditions of this Agreement, to make Advances to the IESO under the Credit Facility from time to time on any Business Day prior to September 23, 2022.

Section 3.2 Procedure for Advances.

(1) Subject to Section 3.3(5), each Advance shall be made subject to two Business Days' prior notice given not later than 10:00 a.m. (Toronto time) by the IESO to the OFA. Each notice of an Advance (a "**Borrowing Notice**") shall be substantially in the form of Schedule 1, other than a Borrowing Notice that is included in an Election Notice as permitted by Section 3.3(3). Each Borrowing Notice shall be irrevocable and binding on the IESO and shall specify (a) the requested date of the Advance; (b) the principal amount of the Advance, and (c) the Repayment Date of the Advance which shall not be earlier than 5 days and not later than 95 days after the date of the requested Advance. Each Borrowing Notice shall also certify the use of proceeds of the Advance which shall in any case be in accordance with Section 2.2. The OFA will make the principal amount of each Advance available to the IESO in accordance with Article 2.

(2) On or before the date of the first Advance hereunder, the IESO shall execute and deliver to the OFA a grid promissory note in respect of Advances substantially in the form of Schedule 3 (the "**Grid Note**"). The IESO authorizes the OFA to record on the Grid Note (a) the date and amount of each Advance or Continued Advance; (b) the applicable rate of interest for each Advance or Continued Advance; (c) the Repayment Date of each Advance or Continued Advance; (d) the date and amount of each payment of interest and each payment of principal or portion thereof in respect of each Advance or Continued Advance; and (e) Advances Outstanding. Such notations, in the absence of manifest error, shall be *prima facie* evidence of such Advances and repayments; provided that the failure of the OFA to record any amount, rate or date shall not affect the obligation of the IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement.

(3) Respecting the first Advance to be made under this Agreement (the "**First Advance**"), a specified portion thereof (the "**Repayment Amount**") shall be used to repay a portion of the IESO's outstanding indebtedness to the OFA under the credit agreement between the Parties dated January 1, 2005, as amended (the "**Existing Credit Facility**"). The amount of the Repayment Amount shall be detailed in the Borrowing Notice issued in respect of the First Advance. Concurrently with the First Advance, OFA shall provide to IESO an updated grid in respect of the grid note issued under the Existing Credit Facility evidencing the repayment of the Repayment Amount thereunder.

Section 3.3 Elections Regarding Advances.

(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 5 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

(2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than

10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 5 days and not later than 95 days after the current Repayment Date (the "**New Repayment Date**"). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the Grid Note in accordance with Section 3.2(2).

(5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date.

(6) The Credit Facility shall at all times rank *pari passu* with all other unsubordinated and unsecured Indebtedness of the IESO, subject to the existence of any Liens that secure Indebtedness, as permitted by subections 4.6 (a) through (e) hereof.

(7) All amounts owing in respect of the Advances shall be paid without exercising any right of set off or counterclaim by the IESO.

Section 3.4 Interest on Advances.

(1) The IESO shall pay interest on the unpaid principal amount of each Advance in accordance with this Section 3.4 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the Repayment Date of such Advance, at an annual rate equal to the Province of Ontario's cost of funds for borrowings with a similar term as determined by the OFA plus 0.25 percent per annum, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after Default and shall be payable on the Repayment Date for such Advance. Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the

OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

Section 3.5 Conditions Precedent

The obligation of the OFA to make the Advances to the IESO pursuant to Section 2.1 is subject to the following conditions being satisfied to the OFA's satisfaction at the time of making each Advance:

(a) that the representations and warranties of the IESO contained in this Agreement are true and correct as at the date of making the Advance;

(b) that no Event of Default has occurred and is continuing;

(c) that there shall, in the reasonable opinion of the OFA, have been no material adverse change in the financial condition of the IESO or a Material Subsidiary; and

(d) that the OFA has received such other documentation which it has reasonably requested to ensure that the IESO is in compliance with the terms and conditions of this Agreement, including certified true copies of any necessary resolutions, a written legal opinion from counsel to the IESO confirming that the borrowing is within the legal powers of the IESO and that the Agreement is a direct, unsecured obligation of the IESO enforceable against the IESO in form satisfactory to the OFA.

(c) The IESO agrees that any notice from the OFA to the Minister of Finance in relation to this section 5.7 (Intercept) may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance and, upon receipt of such notice, an amount equal to the amount that the IESO has failed to pay when due to the OFA on account of indebtedness under this Agreement shall be deducted from the Appropriated Funds and paid to the OFA.

(d) For further certainty, the OFA acknowledges and agrees that the Intercept as provided for herein and in the Intercept Letter shall not apply with respect to any funds appropriated by the Legislature for payment to the IESO through ministries other than the Ministry of Energy or through Ontario Climate Change Solutions Deployment Corporation.

(e) The parties agree that, with respect to the exercise of the Intercept generally, the terms of this section 5.7 shall be applied consistently with the terms set out in the Intercept Letter which shall apply in full. Notwithstanding the foregoing, in the event of a conflict or

inconsistency between the terms and conditions of the Intercept Letter and the terms and conditions contained in this Agreement, the terms and conditions contained in this Agreement shall prevail.

4. The following definitions are added to Section 1.1 of the Credit Agreement:

The parties agree that, with respect to the exercise of the Intercept generally, the terms of this section 5.7 shall be applied consistently with the terms set out in the Intercept Letter which shall apply in full. Notwithstanding the foregoing, in the event of a conflict or inconsistency between the terms and conditions of the Intercept Letter and the terms and conditions contained in this Agreement, the terms and conditions contained in this Agreement shall prevail."

I'm okay with leaving the language unchanged as per Victor's e-mail.

Thanks Will. I can confirm that the term "Credit Facilities" in the resolution refers to all of the credit facilities referenced in the resolution, including both OFA facilities.

Regarding the suggested adder ("as may be amended from time to time"), I would propose to leave the language as is. Firstly, for the sake of consistency. The reference in the Certificate to the 2005 agreement "as amended" is a reference to the fact that the 2005 agreement had already been amended numerous times – and was being amended one more time – at the time the Certificate was executed. On the other hand, the FHP loan had not been amended as of execution (this being the original loan), and it has yet to be amended as of today.

Second, if the FHP facility is amended in the future, this would likely be accompanied by a new Certificate in any case, at which time the wording can be amended to reflect the then applicable circumstances.

So for the above reasons, I propose to leave the language unchanged. Hopefully this makes sense.

Thanks,
Victor

Hello Victor,

The Board Resolution in relation to the OFA credit facilities is redacted, as such the reference to "Credit Facilities" therein may not be general. In any event, it is appropriate that the COI refers to the two specific OFA agreements. The only comment is the reference to the 2017 FHP agreement

could also state “as may be amended from time to time”.

Also, there is no need for a new certificate in relation to the OEFC financings at this time.

Thanks,

Will

Hi Will – I will have to defer to your group on the details relating to differences in documentation for the different financings. We have been using the forms of incumbency certificates OEFC/OFA gave to us for each of the financings (as this is a lender requirement).

The first two items on your list are the OEFC financings which were last renewed on May 1, 2017. These used a slightly different form of Incumbency Certificate than the one that I forwarded re the last two financings (i.e. the OFA financings). The certificate for the OEFC financings addressed the identity and authority of the authorized signatory only as of the date of execution of the May 2017 amending agreements. Separately, we also provided a certified Board resolution authorizing IESO’s CFO to draw funds under the OEFC financings.

The form of certificate I forwarded for your review yesterday is the one OFA required in the past in connection with the two OFA financings only.

Hello Victor,

May I provide final comments tomorrow? Lisa Stein is away until tomorrow. However, if this matter is urgent, I can call upon another contact.

In the interim, to my knowledge IESO has four agreements with OFA. The Incumbency Certificate only mentions two agreements. Unless of course you intended to provide signing authority to these two specific agreements only.

$160M Revolving Credit Facility, April 23, 2010

Hi Will. In Olga's absence this week, I wanted to get the ball rolling on updating IESO's Incumbency Certificate re the OFA financings.

At the August meeting of our Board, Barb Anderson's position as VP and CFO was changed so that it is no longer "Interim". The change was made retroactive to July 9.

I have prepared a draft updated certificate based on the current certificate (see attached) and just wanted to confirm its form is acceptable to OFA prior to arranging for it to be executed.

Thanks,
Victor

Hi Will – I will have to defer to your group on the details relating to differences in documentation for the different financings. We have been using the forms of incumbency certificates OEFC/OFA gave to us for each of the financings (as this is a lender requirement).

The first two items on your list are the OEFC financings which were last renewed on May 1, 2017. These used a slightly different form of Incumbency Certificate than the one that I forwarded re the last two financings (i.e. the OFA financings). The certificate for the OEFC financings addressed the identity and authority of the authorized signatory only as of the date of execution of the May 2017 amending agreements. Separately, we also provided a certified Board resolution authorizing IESO's CFO to draw funds under the OEFC financings.

The form of certificate I forwarded for your review yesterday is the one OFA required in the past in connection with the two OFA financings only.

Hello Victor,

May I provide final comments tomorrow? Lisa Stein is away until tomorrow. However, if this matter is urgent, I can call upon another contact.

In the interim, to my knowledge IESO has four agreements with OFA. The Incumbency Certificate only mentions two agreements. Unless of course you intended to provide signing authority to these two specific agreements only.

Hi Will. In Olga's absence this week, I wanted to get the ball rolling on updating IESO's Incumbency Certificate re the OFA financings.

At the August meeting of our Board, Barb Anderson's position as VP and CFO was changed so that it is no longer "Interim". The change was made retroactive to July 9.

I have prepared a draft updated certificate based on the current certificate (see attached) and just wanted to confirm its form is acceptable to OFA prior to arranging for it to be executed.

Thanks,
Victor

Hi Lisa,

My only comment is the IESO has four credit facilities with us and only two of them were noted on the COI. According to the Board Resolution, the CFO has general signing authority, so it may not be necessary to note the two specific credit facilities. Other than that, I have no other concerns.

Thanks,

Will

Subject: Updated Incumbency Certificate

Hi Will. In Olga's absence this week, I wanted to get the ball rolling on updating IESO's Incumbency Certificate re the OFA financings.

At the August meeting of our Board, Barb Anderson's position as VP and CFO was changed so that it is no longer "Interim". The change was made retroactive to July 9.

I have prepared a draft updated certificate based on the current certificate (see attached) and just wanted to confirm its form is acceptable to OFA prior to arranging for it to be executed.

Thanks,
Victor

June 14, 2017

In Respect of the establishment of a new credit facility and revision of existing credit facilities in relation to the Fair Hydro Plan

---

WHEREAS, as further described in the memorandum to the Audit Committee entitled "Fair Hydro Plan Credit Facility" dated June 13, 2017 (the "**Memorandum**"), the Corporation has determined that in order to support the IESO's role in the Fair Hydro Plan it requires greater credit liquidity;

AND WHEREAS, due to the structure of the Fair Hydro Plan, once the New Facility is established, the Corporation's existing credit facility with the Ontario Financing Authority in the amount of $975 million (the "**OFA Facility**") will include unnecessary and duplicative credit liquidity such that the OFA Facility may be reduced to an amount yet to be determined between $400 million and $500 million;

Thanks Will. I can confirm that the term "Credit Facilities" in the resolution refers to all of the credit facilities referenced in the resolution, including both OFA facilities.

Regarding the suggested adder ("as may be amended from time to time"), I would propose to leave the language as is. Firstly, for the sake of consistency. The reference in the Certificate to the 2005 agreement "as amended" is a reference to the fact that the 2005 agreement had already been amended numerous times – and was being amended one more time – at the time the Certificate was executed. On the other hand, the FHP loan had not been amended as of execution (this being the original loan), and it has yet to be amended as of today.

Second, if the FHP facility is amended in the future, this would likely be accompanied by a new Certificate in any case, at which time the wording can be amended to reflect the then applicable circumstances.

So for the above reasons, I propose to leave the language unchanged. Hopefully this makes sense.

Thanks,

Victor

Hello Victor,

The Board Resolution in relation to the OFA credit facilities is redacted, as such the reference to "Credit Facilities" therein may not be general. In any event, it is appropriate that the COI refers to the two specific OFA agreements. The only comment is the reference to the 2017 FHP agreement could also state "as may be amended from time to time".

Also, there is no need for a new certificate in relation to the OEFC financings at this time.

Thanks,

Will

Hi Will – I will have to defer to your group on the details relating to differences in documentation for

the different financings. We have been using the forms of incumbency certificates OEFC/OFA gave to us for each of the financings (as this is a lender requirement).
The first two items on your list are the OEFC financings which were last renewed on May 1, 2017. These used a slightly different form of Incumbency Certificate than the one that I forwarded re the last two financings (i.e. the OFA financings). The certificate for the OEFC financings addressed the identity and authority of the authorized signatory only as of the date of execution of the May 2017 amending agreements. Separately, we also provided a certified Board resolution authorizing IESO's CFO to draw funds under the OEFC financings.
The form of certificate I forwarded for your review yesterday is the one OFA required in the past in connection with the two OFA financings only.

Hello Victor,
May I provide final comments tomorrow? Lisa Stein is away until tomorrow. However, if this matter is urgent, I can call upon another contact.
In the interim, to my knowledge IESO has four agreements with OFA. The Incumbency Certificate only mentions two agreements. Unless of course you intended to provide signing authority to these two specific agreements only.
$120M Note, April 1, 1999
$160M Revolving Credit Facility, April 23, 2010
$2B Revolving Credit Facility, Nov 6, 2017
$475M Credit Agreement, Jan 1, 2005

After discussing this matter further with Toby this morning we've decided that arranging an internal call would be appropriate to discuss outstanding issues. Can you please set up a call with everyone on this e-mail for this afternoon (and anyone else who may be required)? In the meantime I'm still tweaking the latest draft to include intercept provisions (in the event that they are required) and Toby is going to put together a list of remaining questions/issues based on our discussions.

Hi Will,

After discussing this matter further with Toby this morning we've decided that arranging an internal call would be appropriate to discuss outstanding issues. Can you please set up a call with everyone on this e-mail for this afternoon (and anyone else who may be required)? In the meantime I'm still tweaking the latest draft to include intercept provisions (in the event that they are required) and Toby is going to put together a list of remaining questions/issues based on our discussions.

Thank you,

Lisa

Hi Sarah,

- Opal signed-off on the Loan Act OIC briefing note with minor comments yesterday afternoon. The note has now been passed along to Tara.
- The due diligence call went well this morning. Opal has asked me to find out how to get a recording of the call which I am in the process of doing
- Patrick has provided me with a draft copy of the Loan Act OIC's
- I spoke with Linda this morning regarding OPG borrowing. She reiterated that she does not expect OPG to do any more borrowing in 2018 but this could change at any time. It sounds like further borrowing requirements going forward after the existing facility expires on December 31, 2018 are fairly uncertain at this time. However, the expectation is that OPG will request a further $700M in borrowing over 3 years (2019,2020,2021) which could take the form of a new facility or an extension of the existing facility. Linda and Ron are in continuous contact with OPG and will keep us updated of developments. Linda requested I update her on the remaining borrowing authority numbers and the remaining borrowing available under the existing facility that expires on December 31, 2018. I emailed these figures to her this morning (and cc'd you).
- I am currently completing the minutes from the IBOR meeting last week (Mike requested I record the the minutes in Elizabeth's absence) I will post them to the IBOR portal when complete.

Thanks,
Ryan

Hi Sarah,

- Linda is meeting with OPG this week to discuss their plans looking forward. She did not expect any further OPG borrowing under the existing facility in 2018. She said she expects OPG to request a new 3-year $700M credit facility that would become active when the existing credit-facility expires December 31, 2018. I will follow up with her after her meeting with OPG
- Waiting to hear back from Patrick on draft LRC approval form and DM/CO memos. He is also in process of preparing draft OIC

Hi Sarah,

- Opal signed-off on the Loan Act OIC briefing note with minor comments yesterday afternoon. The note has now been passed along to Tara.
- The due diligence call went well this morning. Opal has asked me to find out how to get a recording of the call which I am in the process of doing
- Patrick has provided me with a draft copy of the Loan Act OIC's
- I spoke with Linda this morning regarding OPG borrowing. She reiterated that she does not expect OPG to do any more borrowing in 2018 but this could change at any time. It sounds

like further borrowing requirements going forward after the existing facility expires on December 31, 2018 are fairly uncertain at this time. However, the expectation is that OPG will request a further $700M in borrowing over 3 years (2019,2020,2021) which could take the form of a new facility or an extension of the existing facility. Linda and Ron are in continuous contact with OPG and will keep us updated of developments. Linda requested I update her on the remaining borrowing authority numbers and the remaining borrowing available under the existing facility that expires on December 31, 2018. I emailed these figures to her this morning (and cc'd you).

- I am currently completing the minutes from the IBOR meeting last week (Mike requested I record the the minutes in Elizabeth's absence) I will post them to the IBOR portal when complete.

Thanks,
Ryan

Hi Sarah,

- Linda is meeting with OPG this week to discuss their plans looking forward. She did not expect any further OPG borrowing under the existing facility in 2018. She said she expects OPG to request a new 3-year $700M credit facility that would become active when the existing credit-facility expires December 31, 2018. I will follow up with her after her meeting with OPG
- Waiting to hear back from Patrick on draft LRC approval form and DM/CO memos. He is also in process of preparing draft OIC
- Working with Andrea on briefing notes requested by Tara McGrath related to Loan Act and Refinancing Act OIC's
- Working on training manual materials

Thanks,
Ryan

OEFC -- IESO CREDIT FACILITY AGREEMENT & THE PERMITTED LIENS

The Independent Electricity System Operator ("IESO") has requested that OEFC amend the existing credit facility agreements between OEFC and IESO (for $160M and $120M) to address the additional obligations IESO is taking on under Ontario's Fair Hydro Plan. IESO has indicated that OEFC credit facilities will not be used for Ontario Fair Hydro Plan (FHP) purposes.

- On November 28, 2017, IESO staff wrote to staff that without the terms of the OEFC facilities being amended, it would need to ask for an interim waiver from the OEFC to avoid being in default.

CONTEXT

- Under the FHP, the IESO and Ontario Power Generation (OPG) are interacting to refinance a portion of the Global Adjustment over a longer period of time.

- IESO and OPG are in a discussion to grant a security/priority interest on IESO's assets to OPG Trust for the period of the first 4 years of the GA deferral.

- The IESO sought and received its Board's approval on Nov 22, 2017 to enter into a security agreement with OPG Trust. The security agreement is currently in draft form. Without amending the existing OEFC $160M and $120M credit facility agreements (the "OEFC Agreements"), IESO could potentially be considered to be in default of the terms of the various agreements. IESO staff wrote:

  > *"…it likely is best to add to the definition of "Permitted Liens" in the two OEFC facilities to address a) IESO granting security to the OPG Trust during the first 4 years of fair hydro program and b) the possibility that the Clean Energy Adjustment funds collected by IESO might be considered to be subject to a lien. The IESO does not want to be inadvertently in default."*

- The IESO provided a draft Security Agreement, dated November 7th, 2017, between them and the OPG Trust to OFA. According to the draft Security Agreement, in the unlikely event that the IESO runs into financial difficulty, the IESO would give OPG Trust a priority in the IESO's assets, including all accounts of the IESO and all cash and proceeds from LDCs, that would put OPG Trust ahead of unsecured creditors, including the OFA and the OEFC.
  - The security agreement is not limited to the Clean Energy Adjustment funds collected by the IESO only.

- In order to address this issue, the IESO has requested to amend the definition of the "permitted liens" in both existing OEFC Agreements to include any liens related to the FHP. Specifically, adding a clause in the existing OEFC Agreements that any lien related to OFHP will not be viewed as negative pledge by OEFC, so those liens can be used to secure the performance of IESO's obligations to OPG under the FHP. This would allow IESO to grant security to the OPG Trust during the first 4 years of implementing the GA deferral and also avoid breaching the terms of the existing agreements with OEFC.

- To support IESO's role in the implementation and participation under the Ontario Fair Hydro Plan Act, 2017 ("OFHP Act"), in July 2017 the IESO had requested that the OFA make similar changes to the credit facility agreements with OFA in October.
  - On November 6, 2017, the OFA amended the $475M facility to amend the definition of "permitted liens" and also included same for the new $2B credit facility agreement between OFA and the IESO , as requested by the IESO.

CONSIDERATIONS

- With the proposed new security agreement between OPG Trust and the IESO, OPG Trust would have a priority claim against the IESO's assets, the OEFC could find itself unable to collect payments due from the IESO. The likelihood of this scenario could be assessed as low.
  - The extent of this risk is subject to uncertainty at this time, given that the regulations that govern the payments related to the Fair Allocation Amount in each period, and how that relates to the obligations to the Financing Entity, are still under development.

- IESO is an agency of the government consolidated line-by-line in the Province's accounts.

- The OFA agreed to IESO's requested changes to the OFA credit facilities.

- OFA'S Capital Markets Operations staff have commented that the legislation governing OEFC, the *Electricity Act, 1998*, may provide differing context from the OFA's objects and mandate under the *Capital Investment Plan Act, 1993* and any changes to the OEFC agreements should take this into account.

- According to the Minister's Directives associated with the OEFC Agreements, the loan and the credit facilities are "subject to such other terms as OEFC deems appropriate." Therefore, an amendment for permitted liens can be done under the existing directives, and new or revised directives from the Minister of Finance are not deemed necessary. This would be consistent with the approach when the pre-existing OFA-IESO credit facility agreement was amended for permited liens on November 6, 2017.

RECOMMENDATIONS

- In order to support IESO's request in relation to its obligation with respect to FHP, OFA staff are of the view that the exisiting OEFC Agreements can be amended to include liens related to FHP under the definition of the "permitted liens".

BACKGROUND

- In order to support IESO's role with the implementation of the OFHP Act, OFA staff made similar changes to the definition of 'permitted liens" in existing OFA-IESO credit facility agreements on November 6, 2017.

- Currently, under the existing credit facility agreements between OEFC and the IESO, the definition of "permitted liens" does not include any lien arising from the IESO's role and obligations under the OFHP, including with respect to any amount received or receivable by the IESO (such as, without limitation, amounts received or receivable in respect of the Clean Energy Adjustment), or any other lien, whether arising from the action or inaction of IESO, that is created in connection with the OFHP.

Ensure that the terms and conditions reflect the operational requirements of the participants in the transactions. Administer Documentation's invoice tracking and payment process for the Province's borrowing programs	Led several DMTN bond issues. I am working independently and improving upon my accuracy. I was provided with some additional background information on the differences between bring-down calls and due diligence calls resulting in vast improvement in this area. I have, in turn, passed this on to two new colleagues on their first bring-down calls and due diligence calls. Administered the invoice tracking and payment process. Processed a rare OILC FRN Loan which involved researching and comparing the differences between FRN and conventional loans documents. This allowed me to provide guidance to our client to ensure a smooth loan execution process. I have developed/maintained a good relationship with OILC team as the lead contact by answering their questions regarding borrowing authority, loan agreement, providing support to help maintain their deadlines, managing workflow, reviewing documents for errors etc. FHP Agreement Assigned as the lead in the drafting of the Fair Hydro Plan (FHP) Credit Facility Agreement, amendment for an existing credit facility and Historical Summary. This was a learning opportunity, where I was exposed to Microsoft Word document editing, the credit facility negotiation process, project management stages and related tasks. Under the guidance of my manager, I conducted research into processes and provisions after consulting with legal counsel before incorporating them into the agreements. Examples: Settlements (Grid Note process) - Learned the payment flows for advances as they related to Borrowing and Election Notices and how it was tracked on the Grid Note, provided me with a deeper understanding of the process to further assist me in the editing of the FHP Agreement. Providing Status Update – I learned the value of providing status updates to other departments to inform them of events that would impact them. This was also an

		opportunity for areas to ask questions and make preparations. This assisted other areas by mapping out the order of events and forced me to have a greater understanding and appreciation Documentation's role in the "bigger picture". Shared timelines with stakeholders (IESO, OFA legal etc.) to help move create urgency and help move the project along. Interest only payments on FHP debt led to changes to the Borrowing Notice and Election Notice. This provided with me some exposure to legal language describing outlining financial instrument guidelines. Identified potential risk related to IESO's request to change the "Use of Proceeds" and managed it by consulting with internal and external counsel to assist in the redrafting the section which required multiple follow-up meetings and draft versions. Also identified conflicting language related to liens and reverse pledge and Permitted Liens (k). Continued exposure to the combination of reading and comprehending financial language provides me with more experience to identify gaps in risk and language. Participated in rewording the Borrowing Notice and Election Notice. Obtained Capital Markets commitment to include an interest only in both credit facilities.
Ad hoc assignments and projects.	Work on any assignments, projects, and tasks as determined by Manager.	Prepared credit facility amendment agreement history/summary. I was exposed to the original IESO credit facility agreement and how all the amendments impact the final agreement. This exercise was helpful because I was previously only familiar with restated agreements. Created the Agreement due date tracking sheet. I became familiar with the different outstanding agreements, credit facilities and how to navigate the folders. Participated in the RNS announcement/NSM submission

		project. This provided me with an opportunity to collaborate with another colleague and become familiar with research and mapping out specific steps to add to a procedure. Began work on the OLMS Report/OILC Loan Confirmation Improvement. This project involves coordinating with technology on process improvement. Created BSC email distribution list to efficiently track and manage the Required and Optional meeting attendees. This will save administration time and effort in tracking. Assisted in facilitating a bond extension and exchange. This particular transaction had additional complexities compared to traditional bond exchanges. I gained experience in bond optionality, documentation process, the steps involved and how to plan for it. Following the procedure is only part of the process. Understanding every aspect of the task, planning and making preparations have provided me with valuable experience. Subsequently, updated bond extension and exchange procedures. This allowed me to reflect on a process that was dynamic and complicated (during a process with a number of unexpected events) I was able to re learn the lessons at a more comfortable pace. Drafted a note on Challenges in issuing equity linked bonds. Summary of Investment Management Agreement Spreadsheet. This exercise allowed me to become familiar with the different types of investment management agreements and government agencies we work with. Assisted in the OEFC agreement/partial payment and issuance of new promissory note. The note required legal interpretation of the promissory notes instructions. OEFC Board Resolution was required to approve amendments to the promissory note loan agreement and promissory

		note itself. Replied to bond queries from external parties. This task is a good opportunity for me to learn about different bonds the OFA has issued and the various features.

Hi Sarah,

As Malle says, the best approach and the approach we, including Gadi, are recommending is that the "commitment" (in whatever form) be provided by MOH. However, it appears as though the loan will be required eventually and will only work under a 35 year amortization (again Gadi has agreed to this amortization in principle), so we will need to amend the OIC. Given that our Plan B, which may be needed, is to provide some joint assurance MOF/MOH to HOOPP by April 30, I would like to work with Capital Markets to try to get the OIC in place so that we can use Plan B if necessary.

If you agree, just let me know what you need from me.

Thanks,

Garth

Malle,

Thank you very much for your quick response.

Garth – I'm not familiar with the various inputs Malle has mentioned below with the loan, and the timing for getting these. Is it possible to obtain all the required approvals, etc. prior to April 30th? As Malle indicates, a binding commitment doesn't seem possible without these elements. On the other hand, if it is possible, we could try to make the case for including an amending OIC for the April 16th LRC.

Thanks,

Sarah

Hi,

Dimitri has been working on this as well so copying him here. According to the current OIC's, OFA must repay the funds borrowed from the Province by 2040 (I haven't check them all now but assume that you have) so the OFA couldn't make a longer term loan to a third party such as the hospital without an amending OIC as you describe.

I think that the only thing that could be done is to see whether there is any possibility of walking this OIC in at this point if it is that critical. However, at the same time, I know that there have been numerous elements regarding this potential loan including possibly having MOHLTC provide an indemnity to the OFA regarding the repayment by the hospital. Not sure that we could in anyway provide a binding commitment that the

money will be available in 2019 since there would be many other elements such as a Minister's directive, the negotiation of the loan agreement and due diligence that would make it conditional. However, it seems that the amendment to the OIC is a necessary precondition.
Also just thinking general about this project, is it anticipated that any other approvals or signing of agreements, etc. would be proposed during the writ period?
Thanks,
Malle

Hello Malle,
I am writing to you to inquire about the timing for an approval for an OIC in relation to a loan that the OFA may be making to St. Michael's, as detailed below.
In short, the OFA has the available room under its existing lending OICs (i.e. the OICs where the OFA borrows from Her Majesty, and then in turn makes loans to public bodies), but the expiry dates of the existing OICs are shorter than the proposed maturity. The OICs expire in 2041 and the loan would mature in late 2054. In order for the St. Micheal's loan to occur, there has to be a binding assurance to HOOPP by April 30th that funds will be available to be advance in the summer of 2019. In order for us to provide this, we would need to get approval for an amending OIC to extend the expiry dates of the existing OICs to 2055.
Given that the last LRC scheduled is for April 16th, and the deadlines for providing materials has passed (March 20th), it doesn't seem possible to get approval for an amending OIC prior to April 30th. Do you know of any options that might make this possible?
Thanks,
Sarah

Hi Andrea,
We are in discussions with St. Michael's Hospital to provide them with a $100M loan that would be amortized over 35 years. This is with regard to pension assets that they are transferring to HOOPP that need to be topped up by $100M.
A wrinkle is that they need to provide a binding assurance to HOOPP by April 30 that they have the funds although the effective date of the loan and the transfer of funds won't take place until July/August of 2019. This means that the loan wouldn't be paid off until late 2054.

We understand that the latest dated OIC is 844/2008 which ends June 1, 2041, so in order to make this loan we would need an OIC out to say, 2055 – although we may wish to make it later. A smaller request from Grand River hospital would be similar. Both loans would fit within the existing authorized amounts but not the repayment date. Please advise the best way to proceed towards the required OIC amendment re timing. Thanks. I will call to follow up.
Thanks,
Garth

Hi Garth,
I have been asked to respond to your query. Attached is the most current listing we have available of the OFA loans under the two OIC's. This listing was finalized in conjunction with Daki in Corporate Finance.
Based on this July 11, 2017 listing, the remaining authority under the two OIC's are as follows:

1) OIC 675/97 (the currently active one) has remaining authority of $721,594,955.57 as of July 11, 2017

2) OIC 767/99 has authority in the amount of $656,000,000.00 as of July 11, 2017

So it seems, we should be able to draw on OIC 675/97 for the additional loans you reference given it was noted in the BN you attached that the 2017-2018 OFA Borrowing and On-lending Plan was set at $486 million and apparently $250 million of that was postponed to 2018-2019.
Let me know should you have any further question or concerns.

Hi Sarah,

As Malle says, the best approach and the approach we, including Gadi, are recommending is that the "commitment" (in whatever form) be provided by MOH. However, it appears as though the loan will be required eventually and will only work under a 35 year amortization (again Gadi has agreed to this amortization in principle), so we will need to amend the OIC. Given that our Plan B, which may be needed, is to provide some joint assurance MOF/MOH to HOOPP by April 30, I would like to work with Capital Markets to try to get the OIC in place so that we can use Plan B if necessary.

If you agree, just let me know what you need from me.

Thanks,

Garth

Malle,

Thank you very much for your quick response.

Garth – I'm not familiar with the various inputs Malle has mentioned below with the loan, and the timing for getting these. Is it possible to obtain all the required approvals, etc. prior to April 30th? As Malle indicates, a binding commitment doesn't seem possible without these elements. On the other hand, if it is possible, we could try to make the case for including an amending OIC for the April 16th LRC.

Thanks,

As for the IESO CEO signing the draw, the resolution you already have notes that the CFO delegate can sign and thus the IESO CEO (CFO's boss) is now signing the draws.

I have requested our legal group to address your request and prepare an updated cert….it is pending.
I'm not sure this cert will be ready by today or tomorrow…let me know if this is a

problem.
As for the IESO CEO signing the draw, the resolution you already have notes that the CFO delegate can sign and thus the IESO CEO (CFO's boss) is now signing the draws.

1. Certified resolution of the board of directors for IESO authorizing both the Fair Hydro Plan Credit Agreement and for the Existing Credit Facility authorizing the signatory.
2. Updated Incumbency Certificate.

Attached is an example of the documents.

Ryan,
As discussed with Will today, I understand you will be co-ordinating the proposed 2 amendments to the existing IESO-OEFC credit facilities.
For starters, there are no expected changes being asked to the existing agreement's key business content (e.g. amounts, dates, interest, notices etc.), rather given that IESO-OFA have just finished two new agreements pertaining to the new fair hydro program, ….I suggest we just copy and paste the salient sections from these agreements that would now be relevant to the OEFC agreements for fair hydro namely;
1.DRAFT
The definition of "Permitted Liens" is amended by deleting the word "and" at the end of subsection (xx); replacing the "." at the end of subsection (xx) and replacing it with "; and" ; and adding the following subsection (xx):
"(xx) any Lien arising from the IESO's role and obligations under the OFHP, including with respect to any amount received or receivable by the IESO (such as, without limitation, amounts received or receivable in respect of the Clean Energy Adjustment),

or any other lien, whether arising from the action or inaction of IESO, that is created in connection with the OFHP."

2.DRAFT

The OFA agreements had required an intercept provision, …..not sure if the same applies to OEFC if yes:

"Section 5.7 Intercept

(a) The IESO hereby acknowledges that, in accordance with the terms of the letter agreement of November 6th , 2017 herewith entered between the Ministry of Energy, the IESO and the OFA made pursuant to Section 23 of the Capital Investment Plan Act, 1993 (the "Intercept Letter"), the Minister of Finance is entitled to deduct only from those monies appropriated by the Legislature for payment through the Ministry of Energy to the IESO ("Appropriated Funds"), amounts equal to any amounts that the IESO fails to pay to the OFA on account of indebtedness under this Agreement. On the occurrence of an Event of Default relating to a failure by IESO to pay when due any amounts owing hereunder, subject to the OFA's compliance with any relevant provisions hereof and as set out in the Intercept Letter, the Minister of Finance is irrevocably authorized to deduct from the Appropriated Funds amounts equal to any amounts that the IESO has failed to pay to the OFA in accordance with the provisions of this Agreement and to pay such amounts directly to the OFA ("Intercept").

(b) If, after following the process specified in the Intercept Letter (including, without limitation, allowing for a reasonable cure period on the terms specified therein), the OFA determines that it is necessary to request the Minister of Finance to exercise the Intercept, the OFA will give written notice to the Minister of Finance, with a copy to the Ministry of Energy, detailing the IESO's failure to pay when due any amounts owing hereunder and requesting the deduction from the Appropriated Funds of amounts equal to the amounts that the IESO has failed to pay to the OFA under this Agreement.

(c) The IESO agrees that any notice from the OFA to the Minister of Finance in relation to this section 5.7 (Intercept) may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance and, upon receipt of such notice, an amount equal to the amount that the IESO has failed to pay when due to the OFA on account of indebtedness under this Agreement shall be deducted from the Appropriated Funds and paid to the OFA.

(d) For further certainty, the OFA acknowledges and agrees that the Intercept as provided for herein and in the Intercept Letter shall not apply with respect to any funds appropriated by the Legislature for payment to the IESO through ministries other than the Ministry of Energy or through Ontario Climate Change Solutions Deployment Corporation.

The parties agree that, with respect to the exercise of the Intercept generally, the terms of this section 5.7 shall be applied consistently with the terms set out in the Intercept Letter which shall apply in full. Notwithstanding the foregoing, in the event of a conflict or inconsistency between the terms and conditions of the Intercept Letter and the terms and conditions contained in this Agreement, the terms and conditions contained in this Agreement shall prevail."

3.

If any… other relevant updates that make sense to do now……I do not anticipate any

material ones.
We need your support to expedite the above in order to avoid delays in the Fair Hydro implementation.
Regards.

Hi there,
I thought Sarah asked us to touch base with IESO on the policy side of things before you were going to talk to them on implementation?

Subject: IESO - OEFC Nov 7

Ryan,
As discussed with Will today, I understand you will be co-ordinating the proposed 2 amendments to the existing IESO-OEFC credit facilities.
For starters, there are no expected changes being asked to the existing agreement's key business content (e.g. amounts, dates, interest, notices etc.), rather given that IESO-OFA have just finished two new agreements pertaining to the new fair hydro program, ….I suggest we just copy and paste the salient sections from these agreements that would now be relevant to the OEFC agreements for fair hydro namely;
1.DRAFT
The definition of "Permitted Liens" is amended by deleting the word "and" at the end of subsection (xx); replacing the "." at the end of subsection (xx) and replacing it with "; and" ; and adding the following subsection (xx):
"(xx) any Lien arising from the IESO's role and obligations under the OFHP, including with respect to any amount received or receivable by the IESO (such as, without limitation, amounts received or receivable in respect of the Clean Energy Adjustment),

or any other lien, whether arising from the action or inaction of IESO, that is created in connection with the OFHP."

2.DRAFT

The OFA agreements had required an intercept provision, …..not sure if the same applies to OEFC if yes:

"Section 5.7 Intercept

(a) The IESO hereby acknowledges that, in accordance with the terms of the letter agreement of November 6th , 2017 herewith entered between the Ministry of Energy, the IESO and the OFA made pursuant to Section 23 of the Capital Investment Plan Act, 1993 (the "Intercept Letter"), the Minister of Finance is entitled to deduct only from those monies appropriated by the Legislature for payment through the Ministry of Energy to the IESO ("Appropriated Funds"), amounts equal to any amounts that the IESO fails to pay to the OFA on account of indebtedness under this Agreement. On the occurrence of an Event of Default relating to a failure by IESO to pay when due any amounts owing hereunder, subject to the OFA's compliance with any relevant provisions hereof and as set out in the Intercept Letter, the Minister of Finance is irrevocably authorized to deduct from the Appropriated Funds amounts equal to any amounts that the IESO has failed to pay to the OFA in accordance with the provisions of this Agreement and to pay such amounts directly to the OFA ("Intercept").

(b) If, after following the process specified in the Intercept Letter (including, without limitation, allowing for a reasonable cure period on the terms specified therein), the OFA determines that it is necessary to request the Minister of Finance to exercise the Intercept, the OFA will give written notice to the Minister of Finance, with a copy to the Ministry of Energy, detailing the IESO's failure to pay when due any amounts owing hereunder and requesting the deduction from the Appropriated Funds of amounts equal to the amounts that the IESO has failed to pay to the OFA under this Agreement.

(c) The IESO agrees that any notice from the OFA to the Minister of Finance in relation to this section 5.7 (Intercept) may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance and, upon receipt of such notice, an amount equal to the amount that the IESO has failed to pay when due to the OFA on account of indebtedness under this Agreement shall be deducted from the Appropriated Funds and paid to the OFA.

(d) For further certainty, the OFA acknowledges and agrees that the Intercept as provided for herein and in the Intercept Letter shall not apply with respect to any funds appropriated by the Legislature for payment to the IESO through ministries other than the Ministry of Energy or through Ontario Climate Change Solutions Deployment Corporation.

The parties agree that, with respect to the exercise of the Intercept generally, the terms of this section 5.7 shall be applied consistently with the terms set out in the Intercept Letter which shall apply in full. Notwithstanding the foregoing, in the event of a conflict or inconsistency between the terms and conditions of the Intercept Letter and the terms and conditions contained in this Agreement, the terms and conditions contained in this Agreement shall prevail."

3.

If any… other relevant updates that make sense to do now……I do not anticipate any

material ones.
We need your support to expedite the above in order to avoid delays in the Fair Hydro implementation.
Regards.

Subject: IESO - Signing Authority Documents

Hello Anthony,

As per conversation regarding the required signing authority documents for Barb Anderson VP, & CFO on the election notices for June 20. Please provide completed documents for one of the following options below before June 20.

While option 6 is a suitable solution, it should be viewed as a temporary solution. Therefore, I recommend option 1, as a comprehensive long-term solution.

Options provided in May, 2018:

1. Certified resolution of the board of directors for IESO authorizing both the Fair Hydro Plan Credit Agreement and for the Existing Credit Facility authorizing the signatory and Updated Incumbency Certificate.
2. ~~A delegation of authority from the (former) IESO CFO to the IESO CEO (or other authorized signatories).~~
3. A general signing authority resolution of the IESO Board of Directors.
4. By-law or other document in place providing authorization to the IESO ~~CEO~~ CFO.

5. A certificate from the IESO Corporate Secretary stating that the IESO ~~CEO~~ CFO has signing authority.
6. A signature under seal of the corporation.

Hi John,

We've received no internal direction on the nature of changes IESO is looking for in relation to existing OEFC credit facility with the IESO and the FHP. I surmise it may have to do with adjusting the agreement to allow FHP permitted liens (which we would need internal approval to do) or similar changes, but do you know if IESO communicated requirements to Gadi or Ron?

Thanks,

Carlos, Jim,

Confirmed, the closing will be Dec 21, 2017 and therefore IESO repayment to OFA will be the same on Dec 21, 2017.

Therefore, please send an updated grid note (Nov 21 to Dec 21 period) with one more day of interest added ….approx $33K more.

Olga will send a revised rollover notice for a) adding $33K interest to the balance, and b) revise the period for Dec 21 2017 to January 19, 2018.

Again (3rd time), thanks for being flexible.

Regards.

Carlos
Our current ofa roll date is march 20.
The fair hydro trust asked for march 22 close.

Therefore we will roll $332 million on march 20 plus need further advance $128 million for total of $460 million until march 22. We will pay the interest due on march 20 and again on march 22.

Carlos, Jim,

Confirmed, the closing will be Dec 21, 2017 and therefore IESO repayment to OFA will be the same on Dec 21, 2017.

Therefore, please send an updated grid note (Nov 21 to Dec 21 period) with one more day of interest added ….approx $33K more.

Olga will send a revised rollover notice for a) adding $33K interest to the balance, and b) revise the period for Dec 21 2017 to January 19, 2018.

Again (3rd time), thanks for being flexible.

Regards.

Hi Will,
Olga contact me from IESO, and she said she found the corporate seal, and will be going with option 6. She asked how to get the notice to us.
I told her to darken the scan of the borrowing notice so it will show the seal, and she can send the .pdf to us. I confirmed to her the payment would go through today. I will ask you to circulate as necessary, once received.
Thanks,
Sarah

Hello Anthony,

As per conversation regarding the required signing authority documents for Barb Anderson VP, & CFO on the election notices for June 20. Please provide completed documents for one of the following options below before June 20.

While option 6 is a suitable solution, it should be viewed as a temporary solution. Therefore, I recommend option 1, as a comprehensive long-term solution.

Options provided in May, 2018:

1. Certified resolution of the board of directors for IESO authorizing both the Fair Hydro Plan Credit Agreement and for the Existing Credit Facility authorizing the signatory and Updated Incumbency Certificate.
2. ~~A delegation of authority from the (former) IESO CFO to the IESO CEO (or other authorized signatories).~~
3. A general signing authority resolution of the IESO Board of Directors.
4. By-law or other document in place providing authorization to the IESO ~~CEO~~ CFO.
5. A certificate from the IESO Corporate Secretary stating that the IESO ~~CEO~~ CFO has signing authority.
6. A signature under seal of the corporation.

Best regards,

I will scan and send all documents you listed in their entirety, not just signature pages. Can you confirm, are you saying you want a scan of the $475MM grid note?

Just so I get it right, should I courier the hardcopies of the Intercept Letter and Note to your attention and address, Will? Call me if it's quicker.

Hi Victor,

Thank you for the update. When you send the soft copy signatures, would it be possible to include the signatures within the agreements?

You were probably going to include the following signed soft copies anyway but out of caution I have listed them below:

- Resolution of the Board of Directors
- Incumbency Certificate
- Intercept Letter
- $2 B Grid Note
- $475 MM Grid Note

Hardcopy of the Intercept Letter and $2B Grid Note – overnight delivery is fine.

Per s. 16 AA #10 - Anthony and I discussed on Friday that $475MM Grid note would be signed today but held by IESO until November 21. After the borrowing notice and election notices are actioned, OFA will produce the grid notes to evidence payment and advancements. IESO will then send the new $475MM prom note to OFA. Once received OFA will send the $975MM cancelled prom note to IESO.

Thanks,

Will

Hardcopy of Intercept Letter to follow as you prefer – overnight or pickup? We also need to make arrangements re delivery of the $2Bn Grid Note.

Per s.16 of AA#10, the other Note for $475MM is to be delivered following the Effective Time in exchange for the return by OFA of the Nov 30 2016 Note for $975MM.

(2) The IESO shall make any payment required hereunder to be made by it to the OFA, to or to the order of the OFA, by wire transfer of immediately available funds in accordance with wire transfer instruction given by the OFA to the IESO from time to time, or in such other manner as the OFA may specify to the IESO from time to time. The IESO shall make each such payment in Canadian Dollars.

ADVANCES

Section 3.1 Advances.

The OFA agrees, on the terms and conditions of this Agreement, to make Advances to the IESO under the Credit Facility from time to time on any Business Day prior to September 23, 2022.

Section 3.2 Procedure for Advances.

(1) Subject to Section 3.3(5), each Advance shall be made subject to two Business Days' prior notice given not later than 10:00 a.m. (Toronto time) by the IESO to the OFA. Each notice of an Advance (a "**Borrowing Notice**") shall be substantially in the form of Schedule 1, other than a Borrowing Notice that is included in an Election Notice as permitted by Section 3.3(3). Each Borrowing Notice shall be irrevocable and binding on the IESO and shall specify (a) the requested date of the Advance; (b) the principal amount of the Advance, and (c) the Repayment Date of the Advance which shall not be earlier than 5 days and not later than 95 days after the date of the requested Advance. Each Borrowing Notice shall also certify the use of proceeds of the Advance which shall in any case be in accordance with Section 2.2. The OFA will make the principal amount of each Advance available to the IESO in accordance with Article 2.

Such notations, in the absence of manifest error, shall be *prima facie* evidence of such Advances and repayments; provided that the failure of the OFA to record any amount, rate or date shall not affect the obligation of the IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement.

(3) Respecting the first Advance to be made under this Agreement (the "**First Advance**"), a specified portion thereof (the "**Repayment Amount**") shall be used to repay a portion of the IESO's outstanding indebtedness to the OFA under the credit agreement between the Parties dated January 1, 2005, as amended (the "**Existing Credit Facility**"). The amount of the Repayment Amount shall be detailed in the Borrowing Notice issued in respect of the First Advance. Concurrently with the First Advance, OFA shall provide to IESO an updated grid in respect of the grid note issued under the Existing Credit Facility evidencing the repayment of the Repayment Amount thereunder.

Section 3.3 Elections Regarding Advances.

(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 5 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

(2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than

10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 5 days and not later than 95 days after the current Repayment Date (the "**New Repayment Date**"). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the Grid Note in accordance with Section 3.2(2).

(5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date.

(6) The Credit Facility shall at all times rank *pari passu* with all other unsubordinated and unsecured Indebtedness of the IESO, subject to the existence of any Liens that secure Indebtedness, as permitted by subections 4.6 (a) through (e) hereof.

(7) All amounts owing in respect of the Advances shall be paid without exercising any right of set off or counterclaim by the IESO.

Section 3.4 Interest on Advances.

(1) The IESO shall pay interest on the unpaid principal amount of each Advance in accordance with this Section 3.4 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the Repayment Date of such Advance, at an annual rate equal to the Province of Ontario's cost of funds for borrowings with a similar term as determined by the OFA plus 0.25 percent per annum, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after Default and shall be payable on the Repayment Date for such Advance. Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the

OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

Section 3.5 Conditions Precedent

The obligation of the OFA to make the Advances to the IESO pursuant to Section 2.1 is subject to the following conditions being satisfied to the OFA's satisfaction at the time of making each Advance:

(b) that no Event of Default has occurred and is continuing;

(c) that there shall, in the reasonable opinion of the OFA, have been no material adverse change in the financial condition of the IESO or a Material Subsidiary; and

(d) For further certainty, the OFA acknowledges and agrees that the Intercept as provided for herein and in the Intercept Letter shall not apply with respect to any funds appropriated by the Legislature for payment to the IESO through ministries other than the Ministry of Energy or through Ontario Climate Change Solutions Deployment Corporation.

(e) The parties agree that, with respect to the exercise of the Intercept generally, the terms of this section 5.7 shall be applied consistently with the terms set out in the Intercept Letter which shall apply in full. Notwithstanding the foregoing, in the event of a conflict or

inconsistency between the terms and conditions of the Intercept Letter and the terms and conditions contained in this Agreement, the terms and conditions contained in this Agreement shall prevail.

I will scan and send all documents you listed in their entirety, not just signature pages. Can you confirm, are you saying you want a scan of the $475MM grid note?

Just so I get it right, should I courier the hardcopies of the Intercept Letter and Note to your attention and address, Will? Call me if it's quicker.

Hi Victor,

Thank you for the update. When you send the soft copy signatures, would it be possible to include the signatures within the agreements?

You were probably going to include the following signed soft copies anyway but out of caution I have listed them below:

- Resolution of the Board of Directors
- Incumbency Certificate
- Intercept Letter
- $2 B Grid Note
- $475 MM Grid Note

Hardcopy of the Intercept Letter and $2B Grid Note – overnight delivery is fine.

Per s. 16 AA #10 - Anthony and I discussed on Friday that $475MM Grid note would be signed today but held by IESO until November 21. After the borrowing notice and election notices are actioned, OFA will produce the grid notes to evidence payment and advancements. IESO will then send the new $475MM prom note to OFA. Once received OFA will send the $975MM cancelled prom note to IESO.

Thanks,

Will

Hi Will – I have a signing meeting scheduled with our signatory at 2:30pm this afternoon – so I will send you counterpart signatures and a scanned version of the Intercept Letter by 3:00pm or possibly earlier.

Hardcopy of Intercept Letter to follow as you prefer – overnight or pickup? We also need to make arrangements re delivery of the $2Bn Grid Note.

Per s.16 of AA#10, the other Note for $475MM is to be delivered following the Effective Time in exchange for the return by OFA of the Nov 30 2016 Note for $975MM.

On the occurrence of an Event of Default relating to a failure by IESO to pay when due any amounts owing hereunder, subject to the OFA's compliance with any relevant provisions hereof and as set out in the Intercept Letter, the Minister of Finance is irrevocably authorized to deduct from the Appropriated Funds amounts equal to any amounts that the IESO has failed to pay to the OFA in accordance with the provisions of this Agreement and to pay such amounts directly to the OFA ("**Intercept**").

(b) If, after following the process specified in the Intercept Letter (including, without limitation, allowing for a reasonable cure period on the terms specified therein), the OFA determines that it is necessary to request the Minister of Finance to exercise the Intercept, the OFA will give written notice to the Minister of Finance, with a copy to the Ministry of Energy, detailing the IESO's failure to pay when due any amounts owing hereunder and requesting the deduction from the Appropriated Funds of amounts equal to the amounts that the IESO has failed to pay to the OFA under this Agreement.

(c) The IESO agrees that any notice from the OFA to the Minister of Finance in relation to this section 5.7 (Intercept) may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance and, upon receipt of such notice, an amount equal to the amount that the IESO has failed to pay when due to the OFA on account of indebtedness under this Agreement shall be deducted from the Appropriated Funds and paid to the OFA.

(d) For further certainty, the OFA acknowledges and agrees that the Intercept as provided for herein and in the Intercept Letter shall not apply with respect to any funds appropriated by the Legislature for payment to the IESO through ministries other than the Ministry of Energy or through Ontario Climate Change Solutions Deployment Corporation.

"Section 7.9 Entire Agreement

This Agreement as amended from time to time and including the schedules hereto and any other agreements expressly referred to herein, constitutes the whole agreement between the Parties with respect to the matters dealt with in it, and it supersedes any prior agreement, undertakings, discussions and the like respecting the matters dealt with in this Agreement and entered into by the Parties before the date the OFA signs this Agreement."

11. Schedule 1 of the Credit Agreement, Form of Borrowing Notice, is deleted in its entirety and replaced by the Form of Borrowing Notice attached hereto as Schedule 1.

14. For the purposes of this Amending Agreement and its coming into effect:

a. "**Effective Time**" means the time on the Effective Date by which the Transfers of Funds (defined below) have been completed; or such other time as the Parties may subsequently agree to in writing as being the "Effective Time";

b. "**Transfers of Funds**" means those transfers of funds to be completed between the Parties on the Effective Date, being:

   ii. the completion of all Advances described in the Election Notice to be provided by the IESO to the OFA no later than November 17, 2017 (such terms having the meanings defined in the Credit Agreement) that are to be funded under the Credit Agreement on the Effective Date; and,

   iii. the repayment by the IESO of all Advances Outstanding (as defined in the Credit Agreement) exceeding $475 million; and,

   iv. the payment by the IESO to OFA of the interest then owing under the Credit Agreement.

15. The Parties shall endeavour to complete and exchange all usual documentation relating to the Transfers of Funds, and to any other related matters occurring on the Effective Date, prior to 5:00 p.m. on the Effective Date, and in any case no later than the next business day.

16. After the Effective Time, and prior to any further Advances under the Credit Agreement, the IESO shall execute and deliver to the OFA a new grid promissory note in the principal amount of up to $475,000,000 substantially in the form attached hereto as Schedule 3 (the "**Grid Note**") and indicating a total principal amount of Advances Outstanding as of the Effective Time. Upon receipt of the new Grid Note delivered hereunder, the OFA will cancel and return the grid promissory note dated November 30, 2016 to the IESO.

17. This Amending Agreement may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same Amending Agreement.

IN ALL OTHER RESPECTS, the Credit Agreement is confirmed by the Parties.

In Respect of the establishment of a new credit facility and revision of existing credit facilities in relation to the Fair Hydro Plan

---

WHEREAS, as further described in the memorandum to the Audit Committee entitled "Fair Hydro Plan Credit Facility" dated June 13, 2017 (the "**Memorandum**"), the Corporation has determined that in order to support the IESO's role in the Fair Hydro Plan it requires greater credit liquidity;

AND WHEREAS, due to the structure of the Fair Hydro Plan, once the New Facility is established, the Corporation's existing credit facility with the Ontario Financing Authority in the amount of $975 million (the "**OFA Facility**") will include unnecessary and duplicative credit liquidity such that the OFA Facility may be reduced to an amount yet to be determined between $400 million and $500 million;

AND WHEREAS ...[Recital redacted]...

NOW THEREFORE BE IT RESOLVED THAT:

(c) do any and all such further acts as may be determined to be necessary or desirable to give effect to the foregoing transactions including, for further certainty, amending any other agreements as may be required as a consequence of such transactions. "

Ms. Kimberly Marshall

Toronto, ON M5H 1T1

Dear Mr. Steen Hume and Ms. Kimberly Marshall:

I am writing in relation to the Independent Electricity System Operator's ("IESO") request to the Ontario Financing Authority ("OFA") for a new revolving credit facility in an amount of up to CAD $2 billion (the "New Credit Facility") to support the IESO's role in the implementation of and participation under the *Ontario Fair Hydro Plan Act, 2017.* Under the OFA Lending Policy, the OFA requires an intercept provision in respect of loans made by the OFA to public bodies on an unsecured basis. In general, an intercept provision allows the Minister of Finance to deduct from money appropriated by the Legislature for payment to the public body amounts equal to any amounts the public body fails to pay the OFA under a loan agreement.

The IESO and the Ministry of Energy ("ENERGY") confirm and the OFA acknowledges that at this time there are no amounts appropriated by the Legislature for payment to the IESO by ENERGY and the intent of such intercept provision is that it would apply if and when amounts were to be appropriated for payment by ENERGY to the IESO in the future.

Prior to entering into a loan agreement with the IESO for the New Credit Facility (the "OFHP Credit Facility Agreement") on an unsecured basis, the OFA requires ENERGY and the IESO to agree to the terms and conditions set out below in relation to the above OFA Lending Policy intercept provision requirement.

These terms and conditions shall also apply to the IESO's existing $975 million credit facility, established in a credit agreement entered into between the OFA and the Ontario Power Authority dated January 1, 2005, as amended (the "Original Credit Facility Agreement").

... 2

- The OFA, the IESO, and ENERGY agree as follows in respect of any advances made by the OFA to the IESO pursuant to the OFHP Credit Facility Agreement or the Original Credit Facility Agreement (each a "Loan Agreement"; together, the "Loan Agreements"):

    - Pursuant to section 23 of the *Capital Investment Plan Act, 1993*, the IESO and ENERGY agree that, in the event that the Legislature appropriates any funds for payment by ENERGY to the IESO for any purpose ("Appropriated Funds"), the Minister of Finance would be entitled to deduct from such Appropriated Funds amounts equal to any amounts that the IESO fails to pay to the OFA on account of indebtedness under a Loan Agreement (the "intercept provision"). Terms relating to the intercept provision shall also be separately included in the Loan Agreements.

    - If the intercept provision is exercised, the IESO agrees that any notice from the OFA to the Minister of Finance in relation to its failure to make a payment that is due under a Loan Agreement may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance.

    - Prior to recommending to the Minister of Finance that the intercept provision be exercised, the OFA will raise the issue with ENERGY and seek ENERGY's support in getting the IESO to pay the amounts owing to OFA within a reasonable cure period.

    - Upon receipt of notice from the OFA that the IESO has failed to make one or more payments owing to it in accordance with the provisions of a Loan Agreement, ENERGY will provide the OFA with all information requested by the OFA respecting amounts appropriated by the Legislature for payments to the IESO by ENERGY, including the intended purpose and expected timing of such payments to be made by ENERGY. Upon request, ENERGY will provide similar information to the Minister of Finance.

    - ENERGY acknowledges and agrees that, upon receipt of a direction from the Minister of Finance that an amount is to be deducted from money appropriated by the Legislature for payment by ENERGY to the IESO, ENERGY will take all necessary action required by it in order to effect such deduction and payment to the OFA in accordance with the Minister of Finance's direction.

    - For further certainty, the OFA and ENERGY acknowledge and agree that the intercept provision as provided for herein, and this letter agreement generally, shall not apply with respect to any funds appropriated by the Legislature for payment to the IESO through ministries other than ENERGY or through Ontario Climate Change Solutions Deployment Corporation.

... 3

This letter agreement may be executed in counterparts. Therefore, if you are in agreement with the above terms and conditions in relation to the Loan Agreements, kindly sign this letter agreement below in triplicate and send back two copies to my attention.

Sincerely,

Ronald Kwan

Assistant Deputy Minister, Corporate and Electricity Finance Division, OFA

c. Gadi Mayman, Chief Executive Officer, OFA

The undersigned hereby agree to the terms and conditions as set out in this letter agreement and have executed this letter agreement as of the date first noted above.

Just so I get it right, should I courier the hardcopies of the Intercept Letter and Note to your attention and address, Will? Call me if it's quicker.

Hi Victor,

Thank you for the update. When you send the soft copy signatures, would it be possible to include the signatures within the agreements?

You were probably going to include the following signed soft copies anyway but out of caution I have listed them below:

- Resolution of the Board of Directors
- Incumbency Certificate
- Intercept Letter
- $2 B Grid Note
- $475 MM Grid Note

Hardcopy of the Intercept Letter and $2B Grid Note – overnight delivery is fine.

Per s. 16 AA #10 - Anthony and I discussed on Friday that $475MM Grid note would be signed today but held by IESO until November 21. After the borrowing notice and election notices are actioned, OFA will produce the grid notes to evidence payment and advancements. IESO will then send the new $475MM prom note to OFA. Once received OFA will send the $975MM cancelled prom note to IESO.

Thanks,

Will

Hi Will – I have a signing meeting scheduled with our signatory at 2:30pm this afternoon – so I will send you counterpart signatures and a scanned version of the Intercept Letter by 3:00pm or possibly earlier.

Hardcopy of Intercept Letter to follow as you prefer – overnight or pickup? We also need to make arrangements re delivery of the $2Bn Grid Note.

Per s.16 of AA#10, the other Note for $475MM is to be delivered following the Effective Time in exchange for the return by OFA of the Nov 30 2016 Note for $975MM.

The IESO shall use the proceeds of Advances for the purposes for which it is authorized to borrow funds pursuant to Regulation 280/14 made under the *Electricity Act, 1998*, as such regulation may be amended or replaced from time to time, subject to the condition that proceeds of Advances may be used only for IESO's financing needs and requirements of any kind arising in connection with the IESO's role with respect to and obligations under the OFHP.

Section 2.3 Credit Facility Limit.

Section 2.4 Mandatory Repayment.

Subject to Sections 2.5 and 5.2, the IESO shall repay each Advance together with the interest accrued thereon on the applicable Repayment Date, and, in any event, shall repay all Advances Outstanding, together with all accrued interest and all other amounts owing hereunder on September 30, 2022.

Section 2.5 Prepayments.

(1) The OFA shall make Advances to the IESO under this Agreement to or to the order of the IESO by wire transfer of immediately available funds in accordance with wire transfer instructions given by the IESO to the OFA from time to time, or in such other manner as the IESO may specify to the OFA from time to time.

(2) The IESO shall make any payment required hereunder to be made by it to the OFA, to or to the order of the OFA, by wire transfer of immediately available funds in accordance with wire transfer instruction given by the OFA to the IESO from time to time, or in such other manner as the OFA may specify to the IESO from time to time. The IESO shall make each such payment in Canadian Dollars.

Section 2.7 Computations of Interest.

(1) All computations of interest shall be made by the OFA taking into account the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest is payable on the basis of a year of 365 days or 366 days, as the case may be.

(2) For the purposes of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest which is equivalent to a rate of interest payable under this Agreement for any period of less than a year may be determined by multiplying the rate of interest for such period by a fraction, the numerator of which is the actual number of days in a year commencing on and including the first day in such period and ending on but excluding the corresponding day in the next calendar year and the denominator of which is the actual number of days in such period.

Section 2.8 Limit on Rate of Interest.

(1) Notwithstanding any provision contained in this Agreement, the IESO shall not be obliged to make any payments of interest or other amounts payable to the OFA hereunder in excess of the amount or rate which would be prohibited by applicable law or would result in the receipt by the OFA of interest at a criminal rate (as such terms are construed under the *Criminal Code* (Canada)).

(2) In the event that any such payments are limited or prohibited as provided in Section 2.8(1), the OFA shall have no further obligation to make any Advances available hereunder and the Advances Outstanding, together with all accrued interest and all other amounts owing hereunder, shall become immediately due and payable.

Section 2.9 Application of Payments.

All payments made by the IESO under this Agreement shall be applied firstly to the payment of interest payable to the OFA on late payments of principal or interest hereunder, secondly, to the payment of accrued and unpaid interest payable to the OFA hereunder and thirdly, to the payment of the outstanding principal amount of any Advances payable to the OFA.

ARTICLE 3
ADVANCES

Section 3.1 Advances.

The OFA agrees, on the terms and conditions of this Agreement, to make Advances to the IESO under the Credit Facility from time to time on any Business Day prior to September 23, 2022.

Section 3.2 Procedure for Advances.

(1) Subject to Section 3.3(5), each Advance shall be made subject to two Business Days' prior notice given not later than 10:00 a.m. (Toronto time) by the IESO to the OFA. Each notice of an Advance (a "**Borrowing Notice**") shall be substantially in the form of Schedule 1, other than a Borrowing Notice that is included in an Election Notice as permitted by Section 3.3(3). Each Borrowing Notice shall be irrevocable and binding on the IESO and shall specify (a) the requested date of the Advance; (b) the principal amount of the Advance, and (c) the Repayment Date of the Advance which shall not be earlier than 5 days and not later than 95 days after the date of the requested Advance. Each Borrowing Notice shall also certify the use of proceeds of the Advance which shall in any case be in accordance with Section 2.2. The OFA will make the principal amount of each Advance available to the IESO in accordance with Article 2.

(2) On or before the date of the first Advance hereunder, the IESO shall execute and deliver to the OFA a grid promissory note in respect of Advances substantially in the form of Schedule 3 (the "**Grid Note**"). The IESO authorizes the OFA to record on the Grid Note (a) the date and amount of each Advance or Continued Advance; (b) the applicable rate of interest for each Advance or Continued Advance; (c) the Repayment Date of each Advance or Continued Advance; (d) the date and amount of each payment of interest and each payment of principal or portion thereof in respect of each Advance or Continued Advance; and (e) Advances Outstanding. Such notations, in the absence of manifest error, shall be *prima facie* evidence of such Advances and repayments; provided that the failure of the OFA to record any amount, rate or date shall not affect the obligation of the IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement.

(3) Respecting the first Advance to be made under this Agreement (the "**First Advance**"), a specified portion thereof (the "**Repayment Amount**") shall be used to repay a portion of the IESO's outstanding indebtedness to the OFA under the credit agreement between the Parties dated January 1, 2005, as amended (the "**Existing Credit Facility**"). The amount of the Repayment Amount shall be detailed in the Borrowing Notice issued in respect of the First Advance. Concurrently with the First Advance, OFA shall provide to IESO an updated grid in respect of the grid note issued under the Existing Credit Facility evidencing the repayment of the Repayment Amount thereunder.

Section 3.3 Elections Regarding Advances.

(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 5 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

(2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than

10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 5 days and not later than 95 days after the current Repayment Date (the "**New Repayment Date**"). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the Grid Note in accordance with Section 3.2(2).

(5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date.

(6) The Credit Facility shall at all times rank *pari passu* with all other unsubordinated and unsecured Indebtedness of the IESO, subject to the existence of any Liens that secure Indebtedness, as permitted by subections 4.6 (a) through (e) hereof.

(7) All amounts owing in respect of the Advances shall be paid without exercising any right of set off or counterclaim by the IESO.

Section 3.4 Interest on Advances.

(1) The IESO shall pay interest on the unpaid principal amount of each Advance in accordance with this Section 3.4 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the Repayment Date of such Advance, at an annual rate equal to the Province of Ontario's cost of funds for borrowings with a similar term as determined by the OFA plus 0.25 percent per annum, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after Default and shall be payable on the Repayment Date for such Advance. Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the

OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

Section 3.5 Conditions Precedent

The obligation of the OFA to make the Advances to the IESO pursuant to Section 2.1 is subject to the following conditions being satisfied to the OFA's satisfaction at the time of making each Advance:

(a) that the representations and warranties of the IESO contained in this Agreement are true and correct as at the date of making the Advance;

(b) that no Event of Default has occurred and is continuing;

(c) that there shall, in the reasonable opinion of the OFA, have been no material adverse change in the financial condition of the IESO or a Material Subsidiary; and

Section 5.2 Acceleration of Maturity; Rescission and Annulment.

If an Event of Default occurs and is continuing, then and in every such case the OFA may at its option, in addition to any other remedy available to the OFA at law, by written notice to the IESO, take any or all of the following actions:

(a) suspend the right of the IESO to request any further Advance until the Event of Default has been cured to the OFA's satisfaction or, if the Event of Default is not

cured within three (3) Business Days after the date on which written notice of such Event of Default shall have been given to the IESO by the OFA, declare all amounts owing hereunder including all interest accrued to be due and payable immediately, by a notice in writing to the IESO, and upon any such declaration all such amounts shall become immediately due and payable.

(b) invoke the Intercept pursuant to section 5.7 of this Agreement to require payment of any amount due and payable under this Agreement.

Section 5.3 Suits for Enforcement by the OFA.

If an Event of Default occurs and is continuing, the OFA may proceed to protect and enforce the rights vested in it by this Agreement either by suit in equity or by action at law or by proceedings in bankruptcy or otherwise, whether for the specific enforcement of any covenant or agreement contained in this Agreement or in aid of the exercise of any power granted in this Agreement, or to enforce any other legal or equitable right vested in the OFA by this Agreement or by law.

Section 5.4 OFA May File Proof of Claim.

If proceedings for the receivership, insolvency, liquidation, bankruptcy, winding-up, reorganization, arrangement or composition of the IESO under any applicable law are pending, or if a receiver, trustee, custodian or other similar official shall have been appointed for the property of the IESO, or if any other judicial proceedings relative to the IESO, its creditors or its property are pending, the OFA shall be entitled and empowered, by intention in such proceeding or otherwise:

(b) to collect and receive any monies or other property payable or deliverable on any such claim.

Section 5.5 Rights and Remedies Cumulative.

No right or remedy herein conferred upon or reserved to the OFA is intended to be exclusive of any other such right or remedy, and every such right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.6 Delay or Omission not Waiver.

No delay or omission of the OFA to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right or remedy given by this Article 5 or by law to OFA may be exercised from time to time, and as often as may be deemed expedient, by the OFA.

Section 5.7 Intercept

(a) The IESO hereby acknowledges that, in accordance with the terms of the letter agreement of even date herewith entered between the Ministry of Energy, the IESO and the OFA made pursuant to Section 23 of the *Capital Investment Plan Act, 1993* (the "**Intercept Letter**"), the Minister of Finance is entitled to deduct only from those monies appropriated by the Legislature for payment through the Ministry of Energy to the IESO ("**Appropriated Funds**"), amounts equal to any amounts that the IESO fails to pay to the OFA on account of indebtedness under this Agreement. On the occurrence of an Event of Default relating to a failure by IESO to pay when due any amounts owing hereunder, subject to the OFA's compliance with any relevant provisions hereof and as set out in the Intercept Letter, the Minister of Finance is irrevocably authorized to deduct from the Appropriated Funds amounts equal to any amounts that the IESO has failed to pay to the OFA in accordance with the provisions of this Agreement and to pay such amounts directly to the OFA ("**Intercept**").

(b) If, after following the process specified in the Intercept Letter (including, without limitation, allowing for a reasonable cure period on the terms specified therein), the OFA determines that it is necessary to request the Minister of Finance to exercise the Intercept, the OFA will give written notice to the Minister of Finance, with a copy to the Ministry of Energy, detailing the IESO's failure to pay when due any amounts owing hereunder and requesting the deduction from the Appropriated Funds of amounts equal to the amounts that the IESO has failed to pay to the OFA under this Agreement.

(c) The IESO agrees that any notice from the OFA to the Minister of Finance in relation to this section 5.7 (Intercept) may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance and, upon receipt of such notice, an amount equal to the amount that the IESO has failed to pay when due to the OFA on account of indebtedness under this Agreement shall be deducted from the Appropriated Funds and paid to the OFA.

(d) For further certainty, the OFA acknowledges and agrees that the Intercept as provided for herein and in the Intercept Letter shall not apply with respect to any funds appropriated by the Legislature for payment to the IESO through ministries other than the Ministry of Energy or through Ontario Climate Change Solutions Deployment Corporation.

(e) The parties agree that, with respect to the exercise of the Intercept generally, the terms of this section 5.7 shall be applied consistently with the terms set out in the Intercept Letter which shall apply in full. Notwithstanding the foregoing, in the event of a conflict or

inconsistency between the terms and conditions of the Intercept Letter and the terms and conditions contained in this Agreement, the terms and conditions contained in this Agreement shall prevail.

Just so I get it right, should I courier the hardcopies of the Intercept Letter and Note to your attention

and address, Will? Call me if it's quicker.

Hi Victor,

Thank you for the update. When you send the soft copy signatures, would it be possible to include the signatures within the agreements?

You were probably going to include the following signed soft copies anyway but out of caution I have listed them below:

- Resolution of the Board of Directors
- Incumbency Certificate
- Intercept Letter
- $2 B Grid Note
- $475 MM Grid Note

Hardcopy of the Intercept Letter and $2B Grid Note – overnight delivery is fine.

Per s. 16 AA #10 - Anthony and I discussed on Friday that $475MM Grid note would be signed today but held by IESO until November 21. After the borrowing notice and election notices are actioned, OFA will produce the grid notes to evidence payment and advancements. IESO will then send the new $475MM prom note to OFA. Once received OFA will send the $975MM cancelled prom note to IESO.

Thanks,

Will

Hi Will – I have a signing meeting scheduled with our signatory at 2:30pm this afternoon – so I will send you counterpart signatures and a scanned version of the Intercept Letter by 3:00pm or possibly earlier.

Hardcopy of Intercept Letter to follow as you prefer – overnight or pickup? We also need to make arrangements re delivery of the $2Bn Grid Note.

Per s.16 of AA#10, the other Note for $475MM is to be delivered following the Effective Time in exchange for the return by OFA of the Nov 30 2016 Note for $975MM.

3. The definition of "**Permitted Liens**" is amended by deleting the word "and" at the end of subsection (i); replacing the "." at the end of subsection (j) and replacing it with "; and" ; and adding the following subsection (k):

   "(k) any Lien arising from the IESO's role and obligations under the OFHP, including with respect to any amount received or receivable by the IESO (such as, without limitation, amounts received or receivable in respect of the Clean Energy Adjustment), or any other lien, whether arising from the action or inaction of IESO, that is created in connection with the OFHP."

4. The following definitions are added to Section 1.1 of the Credit Agreement:

   "Clean Energy Adjustment" has the same meaning as that term is defined in the OFHP.

   "Continued Advance" has the meaning specified in Section 3.3(1).

   "**Current Repayment Date**" has the meaning specified in Section 3.3(2).

   "**New Repayment Date**" has the meaning specified in Section 3.3(2).

   "OFHP" means the *Ontario Fair Hydro Plan Act, 2017*, S.O. 2017, c. 16, Schedule 1, including any regulations made thereunder, and all as amended from time to time.

5. Section 2.3 "Use of Proceeds" of the Credit Agreement is deleted in its entirety (with the exception of the title of the section, which exception also applies regarding the amendments made under sections 6, 7 and 8 hereof) and replaced by the following:

   "The IESO shall use the proceeds of Advances for the purposes for which it is authorized to borrow funds pursuant to Regulation 280/14 made under the *Electricity Act, 1998,* as such regulation may be amended or replaced from time to time, provided that Advances may be used only for liquidity purposes."

6. Section 3.2 "Procedures for Advances" of the Credit Agreement is deleted in its entirety and replaced by the following:

"(1) Subject to Section 3.3(5), each Advance shall be made subject to two Business Days' prior notice given not later than 10:00 a.m. (Toronto time) by the IESO to the OFA. Each notice of an Advance (a "**Borrowing Notice**") shall be substantially in the form of Schedule 1, other than a Borrowing Notice that is included in an Election Notice as permitted by Section 3.3(3). Each Borrowing Notice shall be irrevocable and binding on the IESO and shall specify (a) the requested date of the Advance; (b) the principal amount of the Advance, and (c) the Repayment Date of the Advance which shall be no earlier than 28 days and not later than 95 days after the date of the requested Advance. Each Borrowing Notice shall also certify the use of proceeds of the Advance which shall in any case be in accordance with Section 2.3. The OFA will make the principal amount of each Advance available to the IESO in accordance with Article 2.

(2) On or before the date of the first Advance hereunder, the IESO shall execute and deliver to the OFA a grid promissory note in respect of Advances substantially in the form of Schedule 3 (the **"Grid Note")**. The IESO authorizes the OFA to record on the Grid Note (a) the date and amount of each Advance or Continued Advance; (b) the applicable rate of interest for each Advance or Continued Advance; (c) the Repayment Date of each Advance or Continued Advance; (d) the date and amount of each payment of interest and each payment of principal or portion thereof in respect of each Advance or Continued Advance; and (e) Advances Outstanding. Such notations, in the absence of manifest error, shall be *prima facie* evidence of such Advances and repayments; provided that the failure of the OFA to record any amount, rate or date shall not affect the obligation of the IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement."

7. Section 3.3 "Elections Regarding Advances" of the Credit Agreement is deleted in its entirety and replaced by the following:

"(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 28 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

(2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than 10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 28 days and not later than 95 days after the Current Repayment Date (the "**New Repayment Date**"). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment

Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the grid promissory note in respect of Advances in accordance with Section 3.2(2).

(5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date."

8. Section 5.2 "Acceleration of Maturity; Recission and Annulement" of the Credit Agreement is deleted in its entirety and replaced by the following:

"If an Event of Default occurs and is continuing, then and in every such case the OFA may at its option, in addition to any other remedy available to the OFA at law, by written notice to the IESO, take any or all of the following actions:

(a) suspend the right of the IESO to request any further Advance until the Event of Default has been cured to the OFA's satisfaction or, if the Event of Default is not cured within three (3) Business Days after the date on which written notice of such Event of Default shall have been given to the IESO by the OFA, declare all amounts owing hereunder including all interest accrued to be due and payable immediately, by a notice in writing to the IESO, and upon any such declaration all such amounts shall become immediately due and payable.

(b) invoke the Intercept pursuant to section 5.7 of this Agreement to require payment of any amount due and payable under this Agreement."

9. Section 5.7 "Intercept" is added to the Credit Agreement, stating as follows:

"Section 5.7 Intercept

(a) The IESO hereby acknowledges that, in accordance with the terms of the letter agreement of November 6th , 2017 herewith entered between the Ministry of Energy, the IESO and the OFA made pursuant to Section 23 of the *Capital Investment Plan Act, 1993* (the "**Intercept Letter**"), the Minister of Finance is entitled to deduct only from those monies appropriated by the Legislature for payment through the Ministry of Energy to the IESO ("**Appropriated Funds**"), amounts equal to any amounts that the IESO fails to pay to the OFA on account of indebtedness under this Agreement. On the occurrence of an Event of Default relating to a failure by IESO to pay when due any amounts owing hereunder, subject to the OFA's compliance with any relevant provisions hereof and as set out in the Intercept Letter, the Minister of Finance is irrevocably authorized to deduct from the Appropriated Funds amounts equal to any amounts that the IESO has failed to pay to the OFA in accordance with the provisions of this Agreement and to pay such amounts directly to the OFA ("**Intercept**").

(b) If, after following the process specified in the Intercept Letter (including, without limitation, allowing for a reasonable cure period on the terms specified therein), the OFA determines that it is necessary to request the Minister of Finance to exercise the Intercept, the OFA will give written notice to the Minister of Finance, with a copy to the Ministry of Energy, detailing the IESO's failure to pay when due any amounts owing hereunder and requesting the deduction from the Appropriated Funds of amounts equal to the amounts that the IESO has failed to pay to the OFA under this Agreement.

(c) The IESO agrees that any notice from the OFA to the Minister of Finance in relation to this section 5.7 (Intercept) may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance and, upon receipt of such notice, an amount equal to the amount that the IESO has failed to pay when due to the OFA on account of indebtedness under this Agreement shall be deducted from the Appropriated Funds and paid to the OFA.

(d) For further certainty, the OFA acknowledges and agrees that the Intercept as provided for herein and in the Intercept Letter shall not apply with respect to any funds appropriated by the Legislature for payment to the IESO through ministries other than the Ministry of Energy or through Ontario Climate Change Solutions Deployment Corporation.

The parties agree that, with respect to the exercise of the Intercept generally, the terms of this section 5.7 shall be applied consistently with the terms set out in the Intercept Letter which shall apply in full. Notwithstanding the foregoing, in the event of a conflict or inconsistency between the terms and conditions of the Intercept Letter and the terms and conditions contained in this Agreement, the terms and conditions contained in this Agreement shall prevail."

10. Section 7.9 "Entire Agreement' is added to the Credit Agreement, stating as follows:

"Section 7.9 Entire Agreement

This Agreement as amended from time to time and including the schedules hereto and any other agreements expressly referred to herein, constitutes the whole agreement between the Parties with respect to the matters dealt with in it, and it supersedes any prior agreement, undertakings, discussions and the like respecting the matters dealt with in this Agreement and entered into by the Parties before the date the OFA signs this Agreement."

11. Schedule 1 of the Credit Agreement, Form of Borrowing Notice, is deleted in its entirety and replaced by the Form of Borrowing Notice attached hereto as Schedule 1.

12. Schedule 2 of the Credit Agreement, Form of Election Notice, is deleted in its entirety and replaced by the Form of Election Notice attached hereto as Schedule 2.

13. Schedule 3 of the Credit Agreement, IESO Grid Note, is deleted in its entirety and replaced by the Form of Grid Note attached hereto as Schedule 3.

14. For the purposes of this Amending Agreement and its coming into effect:

a. "**Effective Time**" means the time on the Effective Date by which the Transfers of Funds (defined below) have been completed; or such other time as the Parties may subsequently agree to in writing as being the "Effective Time";

   ii. the completion of all Advances described in the Election Notice to be provided by the IESO to the OFA no later than November 17, 2017 (such terms having the meanings defined in the Credit Agreement) that are to be funded under the Credit Agreement on the Effective Date; and,

   iii. the repayment by the IESO of all Advances Outstanding (as defined in the Credit Agreement) exceeding $475 million; and,

   iv. the payment by the IESO to OFA of the interest then owing under the Credit Agreement.

15. The Parties shall endeavour to complete and exchange all usual documentation relating to the Transfers of Funds, and to any other related matters occurring on the Effective Date, prior to 5:00 p.m. on the Effective Date, and in any case no later than the next business day.

16. After the Effective Time, and prior to any further Advances under the Credit Agreement, the IESO shall execute and deliver to the OFA a new grid promissory note in the principal amount of up to $475,000,000 substantially in the form attached hereto as Schedule 3 (the "**Grid Note**") and indicating a total principal amount of Advances Outstanding as of the Effective Time. Upon receipt of the new Grid Note delivered hereunder, the OFA will cancel and return the grid promissory note dated November 30, 2016 to the IESO.

17. This Amending Agreement may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same Amending Agreement.

IN ALL OTHER RESPECTS, the Credit Agreement is confirmed by the Parties.

---

WHEREAS, as further described in the memorandum to the Audit Committee entitled "Fair Hydro Plan Credit Facility" dated June 13, 2017 (the "**Memorandum**"), the Corporation has determined that in order to support the IESO's role in the Fair Hydro Plan it requires greater credit liquidity;

Ms. Kimberly Marshall

Dear Mr. Steen Hume and Ms. Kimberly Marshall:

I am writing in relation to the Independent Electricity System Operator's ("IESO") request to the Ontario Financing Authority ("OFA") for a new revolving credit facility in an amount of up to CAD $2 billion (the "New Credit Facility") to support the IESO's role in the implementation of and participation under the *Ontario Fair Hydro Plan Act, 2017.* Under the OFA Lending Policy, the OFA requires an intercept provision in respect of loans made by the OFA to public bodies on an unsecured basis. In general, an intercept provision allows the Minister of Finance to deduct from money appropriated by the Legislature for payment to the public body amounts equal to any amounts the public body fails to pay the OFA under a loan agreement.

The IESO and the Ministry of Energy ("ENERGY") confirm and the OFA acknowledges that at this time there are no amounts appropriated by the Legislature for payment to the IESO by ENERGY and the intent of such intercept provision is that it would apply if and when amounts were to be appropriated for payment by ENERGY to the IESO in the future.

Prior to entering into a loan agreement with the IESO for the New Credit Facility (the "OFHP Credit Facility Agreement") on an unsecured basis, the OFA requires ENERGY and the IESO to agree to the terms and conditions set out below in relation to the above OFA Lending Policy intercept provision requirement.

These terms and conditions shall also apply to the IESO's existing $975 million credit facility, established in a credit agreement entered into between the OFA and the Ontario Power Authority dated January 1, 2005, as amended (the "Original Credit Facility Agreement").

... 2

- The OFA, the IESO, and ENERGY agree as follows in respect of any advances made by the OFA to the IESO pursuant to the OFHP Credit Facility Agreement or the Original Credit Facility Agreement (each a "Loan Agreement"; together, the "Loan Agreements"):

    - Pursuant to section 23 of the *Capital Investment Plan Act, 1993*, the IESO and ENERGY agree that, in the event that the Legislature appropriates any funds for payment by ENERGY to the IESO for any purpose ("Appropriated Funds"), the Minister of Finance would be entitled to deduct from such Appropriated Funds amounts equal to any amounts that the IESO fails to pay to the OFA on account of indebtedness under a Loan Agreement (the "intercept provision"). Terms relating to the intercept provision shall also be separately included in the Loan Agreements.

    - If the intercept provision is exercised, the IESO agrees that any notice from the OFA to the Minister of Finance in relation to its failure to make a payment that is due under a Loan Agreement may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance.

    - Prior to recommending to the Minister of Finance that the intercept provision be exercised, the OFA will raise the issue with ENERGY and seek ENERGY's support in getting the IESO to pay the amounts owing to OFA within a reasonable cure period.

    - Upon receipt of notice from the OFA that the IESO has failed to make one or more payments owing to it in accordance with the provisions of a Loan Agreement, ENERGY will provide the OFA with all information requested by the OFA respecting amounts appropriated by the Legislature for payments to the IESO by ENERGY, including the intended purpose and expected timing of such payments to be made by ENERGY. Upon request, ENERGY will provide similar information to the Minister of Finance.

    - ENERGY acknowledges and agrees that, upon receipt of a direction from the Minister of Finance that an amount is to be deducted from money appropriated by the Legislature for payment by ENERGY to the IESO, ENERGY will take all necessary action required by it in order to effect such deduction and payment to the OFA in accordance with the Minister of Finance's direction.

THIS AGREEMENT is made on the 23rd day of March, 2000 between:

A. **INDEPENDENT ELECTRICITY MARKET OPERATOR** (the "**Company**")

B. **ONTARIO ELECTRICITY FINANCIAL CORPORATION** ("**OEFC**")

RECITALS:

1. Pursuant to section 116 of the *Electricity Act, 1998*, the Lieutenant Governor in Council has made an order (the "**Transfer Order**") transferring certain officers, employees, assets, liabilities, rights and obligations of Ontario Hydro (subsequently continued as OEFC) to the Company;

2. Pursuant to the Transfer Order, the Company and OEFC entered into an agreement dated April 1, 1999 (the "**Note Agreement**") under which the Company issued a note (the "**Note**") to OEFC in partial payment for the assets and rights described above;

3. Section 5.1 of the Transfer Order provides that the amount to be paid by the Company shall be determined by the Minister of Finance or a person designated by the Minister of Finance;

4. The Minister of Finance has determined that the principal amount of the Note, originally set at $70.3 million, should be increased by $7.9 million to reflect a revised valuation of the assets and rights transferred to the Company; and

5. The Company and OEFC have agreed to effect such an increase in the amount of the Note by replacing it with a new note (the "**New Note**"), and the Company has agreed to make a one-time payment to OEFC in respect of interest on the additional principal amount from April 1, 1999 until the date hereof.

NOW THEREFORE in consideration of the mutual agreements contained herein (the receipt and adequacy of which are acknowledged), the parties agree as follows:

Section 1 Defined Terms.

Capitalized terms used in this amending agreement and not otherwise defined herein have the meanings specified in the Note Agreement.

Section 2 Amendment to Section 2.2 of the Note Agreement.

Section 2.2 of the Note Agreement is amended effective as of April 1, 1999 as follows:

(a) The words "aggregate principal amount of $70.3 million" are removed and replaced with the words "aggregate principal amount of $78.2 million".

The amount of the Interest Adjustment shall be determined by applying, without compounding, the interest rate of 7.90% per annum to the Additional Principal for the period from April 1, 1999 to November 1, 1999. Thereafter, interest on any amounts outstanding under the New Note from time to time shall be payable in accordance with the terms of the New Note.

Section 4 Exchange of Notes

Upon execution and delivery of this amending agreement, the parties shall replace the Note with the New Note by effecting the following steps simultaneously:

(a) OEFC shall deliver to the Company the Note, which shall thereupon be marked as being and thereby shall be cancelled and of no further force and effect; and

(b) the Company shall deliver to OEFC an executed New Note, in the form attached hereto as Schedule 4(b).

Except as specifically amended by this amending agreement, the Note Agreement shall remain in full force and effect and is hereby ratified and confirmed.

Section 6 No Waiver, etc.

The execution, delivery and effectiveness of this amending agreement shall not, except as expressly provided herein, constitute a waiver of any provision of the Note Agreement.

Section 7 Governing Law.

This amending agreement shall be governed by and interpreted and enforced in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein.

Section 8 Counterparts.

This amending agreement may be executed in any number of counterparts and all of such counterparts taken together shall be deemed to constitute one and the same instrument.

(2) On or before the date of the first Advance hereunder, IESO shall execute and deliver to OEFC a grid promissory note (the "Note") in respect of Advances substantially in the form of Schedule 2. IESO authorizes OEFC to record on the grid promissory note (a) the date and amount of each Advance; (b) the applicable rate of interest for each Advance; (c) the date and amount of each payment of interest and each payment of principal in respect of each Advance; and (d) the outstanding principal amount of the grid promissory note. Such notations, in the absence of manifest error, shall be prima facie evidence of the such advances and repayments; provided that the failure of OEFC to record any amount, rate or date shall not affect the obligation of IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement.

(3) In the event that funds are not received by IESO on the Advance Date, IESO and OEFC agree to take all steps necessary to amend the date of the Advance, without amending the Interest Rate that was agreed to with respect to such Advance.

(4) The Note shall at all times rank *pari passu* with all other unsubordinated Indebtedness of IESO, subject to the existence of any Permitted Liens of IESO.

(5) All amounts owing in respect of the Advances shall be paid without exercising any right or set off or counterclaim by IESO.

Section 3.3 Interest on Advances.

(1) IESO shall pay interest on the principal amount of each Advance then outstanding in accordance with this Section 3.3 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the first Interest Payment Date following the date of the Advance, at the rate equal to the Interest Rate, and shall be payable on the Interest Payment Date for such Advance. The amount of interest payable on an Advance will be calculated by OEFC by dividing the Interest Rate applicable to the Advance by 365 or 366, as the case may be, and multiplying the result by the principal amount of the Advance then outstanding and further multiplying the result by the number of days in the period from the date of the Advance to the Interest Payment Date.

(i) If an Advance is outstanding on an Interest Payment Date, the interest rate applicable to such Advance shall be reset automatically by OEFC on that date (the "Interest Reset Date"), at the Interest Rate determined as of the Interest Reset Date.

(ii) For each Advance, OEFC shall notify IESO via email of the Interest Rate on the Advance Date and on each Interest Reset Date.

(3) Upon four Business Days prior notice by IESO, OEFC may at its discretion agree to capitalize the interest on any Advance on an Interest Payment Date, which shall be determined in the following manner: each such interest payment due on the Interest Payment Date shall be deemed to form part of the principal amount of the outstanding Advance and interest shall accrue and be payable thereon in accordance with Section 3.3(2). OEFC shall record on the grid forming part of the note: (a) the date and amount of the new Advance; (b) the applicable rate of interest for the Advance; and (c) the outstanding principal amount of the grid promissory note.

(4) Interest shall accrue on the principal amount of each Advance at the Interest Rate as determined from time to time, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after default.

Section 3.4 Computations of Interest.

(1) All computations of interest shall be made by OEFC taking into account the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest is payable on the basis of a year of 365 days or 366 days, as the case may be.

(2) For the purposes of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest which is equivalent to a rate of interest payable under this Agreement for any

period of less than a year may be determined by multiplying the rate of interest for such period by a fraction, the numerator of which is the actual number of days in a year commencing on and including the first day in such period and ending on but excluding the corresponding day in the next calendar year and the denominator of which is the actual number of days in such period.

Section 3.5 Limit on Rate of Interest.

(1) Notwithstanding any provision contained in this Agreement, IESO shall not be obliged to make any payments of interest or other amounts payable to OEFC hereunder in excess of the amount or rate which would be prohibited by applicable law or would result in the receipt by OEFC of interest at a criminal rate (as such terms are construed under the *Criminal Code* (Canada), as amended from time to time).

(2) In the event that any such payments are limited or prohibited as provided in Section 3.5(1), OEFC shall have no further obligation to make any Advances available hereunder and the Advances Outstanding, together with all accrued interest and all other amounts owing hereunder, shall become immediately due and payable.

Section 3.6 Conditions Precedent

The obligation of OEFC to make the Advances pursuant to Section 2.1 is subject to the following conditions being met to OEFC's satisfaction at the time of making each Advance:

(a) that the representations and warranties of IESO contained in this Agreement are true and correct as at the date of making the Advance;

(b) that no Event of Default has occurred and is continuing and no event or condition has occurred, which, with the lapse of time or the giving of notice or both would constitute an Event of Default;

(c) that there shall, in the reasonable opinion of OEFC, have been no material adverse change in the financial condition of IESO; and

(d) that OEFC has received such other documentation which it has reasonably requested to ensure that IESO is in compliance with the terms and conditions of this Agreement, including certified true copies of any necessary resolutions including resolutions authorizing the borrowing and authorized signatories.

IESO authorizes OEFC to open and maintain records evidencing IESO's obligations under this Agreement and to record therein all advances, interest rates, accrued interest, payments of principal and interest and the aggregate principal and accrued interest outstanding from time to time under this Agreement. IESO agrees that the records kept by the OEFC in the absence of manifest error, shall be prima facie evidence of the indebtedness of IESO and the matters recorded provided that the failure of the OEFC to record or correctly record any amount or date shall not affect the obligation of IESO to repay the aggregate principal amounts and accrued interest thereon owing under this Agreement.

ARTICLE 3
ADVANCES AND INTEREST

Section 3.1 Advances.

OEFC agrees, on the terms and conditions of this Agreement, to make Advances to IESO under the Credit Facility on the first Business Day of each month from and including May 3, 2010 to and including April 1, 2013.

Section 3.2 Procedure for Advances.

(1) Each Advance shall be made subject to four Business Day's prior notice given not later than 10:00 a.m. (Toronto time) by IESO to OEFC. Each notice of an Advance (a **"Borrowing Notice"**) shall be substantially in the form of Schedule 1, shall be irrevocable and binding on IESO and shall specify (a) the requested date of the Advance (the **"Advance Date"**), and (b) the principal amount of the Advance which shall be in a minimum amount of $1,000,000.00 (unless otherwise agreed to by OEFC), and in increments of $1,000,000.00 (or such other increments as may be agreed to by OEFC). OEFC will make the principal amount of each Advance available to IESO in accordance with Article 2.

(2) On or before the date of the first Advance hereunder, IESO shall execute and deliver to OEFC a grid promissory note (the "Note") in respect of Advances substantially in the form of Schedule 2. IESO authorizes OEFC to record on the grid promissory note (a) the date and amount of each Advance; (b) the applicable rate of interest for each Advance; (c) the date and amount of each payment of interest and each payment of principal in respect of each Advance; and (d) the outstanding principal amount of the grid promissory note. Such notations, in the absence of manifest error, shall be prima facie evidence of the such advances and repayments; provided that the failure of OEFC to record any amount, rate or date shall not affect the obligation of IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement.

(3) In the event that funds are not received by IESO on the Advance Date, IESO and OEFC agree to take all steps necessary to amend the date of the Advance, without amending the Interest Rate that was agreed to with respect to such Advance.

(4) The Note shall at all times rank *pari passu* with all other unsubordinated Indebtedness of IESO, subject to the existence of any Permitted Liens of IESO.

(5) All amounts owing in respect of the Advances shall be paid without exercising any right or set off or counterclaim by IESO.

Section 3.3 Interest on Advances.

(1) IESO shall pay interest on the principal amount of each Advance then outstanding in accordance with this Section 3.3 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the first Interest Payment Date following the date of the Advance, at the rate equal to the Interest Rate, and shall be payable on the Interest Payment Date for such Advance. The amount of interest payable on an Advance will be calculated by OEFC by dividing the Interest Rate applicable to the Advance by 365 or 366, as the case may be, and multiplying the result by the principal amount of the Advance then outstanding and further multiplying the result by the number of days in the period from the date of the Advance to the Interest Payment Date.

(i) If an Advance is outstanding on an Interest Payment Date, the interest rate applicable to such Advance shall be reset automatically by OEFC on that date (the "Interest Reset Date"), at the Interest Rate determined as of the Interest Reset Date.

(ii) For each Advance, OEFC shall notify IESO via email of the Interest Rate on the Advance Date and on each Interest Reset Date.

(3) Upon four Business Days prior notice by IESO, OEFC may at its discretion agree to capitalize the interest on any Advance on an Interest Payment Date, which shall be determined in the following manner: each such interest payment due on the Interest Payment Date shall be deemed to form part of the principal amount of the outstanding Advance and interest shall accrue and be payable thereon in accordance with Section 3.3(2). OEFC shall record on the grid forming part of the note: (a) the date and amount of the new Advance; (b) the applicable rate of interest for the Advance; and (c) the outstanding principal amount of the grid promissory note.

(4) Interest shall accrue on the principal amount of each Advance at the Interest Rate as determined from time to time, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after default.

Section 3.4 Computations of Interest.

(1) All computations of interest shall be made by OEFC taking into account the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest is payable on the basis of a year of 365 days or 366 days, as the case may be.

(2) For the purposes of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest which is equivalent to a rate of interest payable under this Agreement for any

period of less than a year may be determined by multiplying the rate of interest for such period by a fraction, the numerator of which is the actual number of days in a year commencing on and including the first day in such period and ending on but excluding the corresponding day in the next calendar year and the denominator of which is the actual number of days in such period.

Section 3.5 Limit on Rate of Interest.

(1) Notwithstanding any provision contained in this Agreement, IESO shall not be obliged to make any payments of interest or other amounts payable to OEFC hereunder in excess of the amount or rate which would be prohibited by applicable law or would result in the receipt by OEFC of interest at a criminal rate (as such terms are construed under the *Criminal Code* (Canada), as amended from time to time).

(2) In the event that any such payments are limited or prohibited as provided in Section 3.5(1), OEFC shall have no further obligation to make any Advances available hereunder and the Advances Outstanding, together with all accrued interest and all other amounts owing hereunder, shall become immediately due and payable.

Section 3.6 Conditions Precedent

The obligation of OEFC to make the Advances pursuant to Section 2.1 is subject to the following conditions being met to OEFC's satisfaction at the time of making each Advance:

(a) that the representations and warranties of IESO contained in this Agreement are true and correct as at the date of making the Advance;

(b) that no Event of Default has occurred and is continuing and no event or condition has occurred, which, with the lapse of time or the giving of notice or both would constitute an Event of Default;

(c) that there shall, in the reasonable opinion of OEFC, have been no material adverse change in the financial condition of IESO; and

(d) that OEFC has received such other documentation which it has reasonably requested to ensure that IESO is in compliance with the terms and conditions of this Agreement, including certified true copies of any necessary resolutions including resolutions authorizing the borrowing and authorized signatories.

Hi Sarah,
I discussed the sharing of the agreement with Opal last week and noted that it is a business decision. There are no contractual or legislative provisions which prohibit the sharing of the agreement. If there are concerns from a business perspective, we can discuss an NDA or other options if necessary.

Hi Opal,
I took a look and asked Carlos as well. There is nothing from a market perspective that is controversial, and I don't see anything in the provisions that concern me. I thought about the intercept provision, but I think it is fine since the legislation 'publicly' allows for that carve out.
Lisa, do you have any objections about IESO sharing any of the contents of the $2B facility with TD?

Hi Sarah,
I was just in the midst of an email to you regarding this matter. John Kim has let IESO know they can move forward with working with CMO on the agreements, but also communicated that the inclusion of the requested language is pending approval. Its fine to work on amending the agreements, as

from all sides the indication is that final signoff will occur.
Regarding IESO's request to share the OFA-IESO agreement with TD, since there's nothing in the agreement prohibiting it and neither Gadi nor OFA legal is concerned about it being shared, it seems unreasonable to withhold it. As there is no obligation for us to provide/deny permission, perhaps we can just point that out to IESO (in an email) and tell them we are leaving the decision as to whether or not to share the agreement to their discretion. Not sure if a more formal response needs to be provided to IESO, but I can discuss with John the best way to convey that info to IESO.
Thanks,
Opal.

Ryan,
As discussed with Will today, I understand you will be co-ordinating the proposed 2 amendments to the existing IESO-OEFC credit facilities.

For starters, there are no expected changes being asked to the existing agreement's key business content (e.g. amounts, dates, interest, notices etc.), rather given that IESO-OFA have just finished two new agreements pertaining to the new fair hydro program, ….I suggest we just copy and paste the salient sections from these agreements that would now be relevant to the OEFC agreements for fair hydro namely;

1.DRAFT

The definition of "Permitted Liens" is amended by deleting the word "and" at the end of subsection (xx); replacing the "." at the end of subsection (xx) and replacing it with "; and" ; and adding the following subsection (xx):

"(xx) any Lien arising from the IESO's role and obligations under the OFHP, including with respect to any amount received or receivable by the IESO (such as, without limitation, amounts received or receivable in respect of the Clean Energy Adjustment), or any other lien, whether arising from the action or inaction of IESO, that is created in connection with the OFHP."

2.DRAFT

The OFA agreements had required an intercept provision, …..not sure if the same applies to OEFC if yes:

"Section 5.7 Intercept

(a) The IESO hereby acknowledges that, in accordance with the terms of the letter agreement of November 6th , 2017 herewith entered between the Ministry of Energy, the IESO and the OFA made pursuant to Section 23 of the Capital Investment Plan Act, 1993 (the "Intercept Letter"), the Minister of Finance is entitled to deduct only from those monies appropriated by the Legislature for payment through the Ministry of Energy to the IESO ("Appropriated Funds"), amounts equal to any amounts that the IESO fails to pay to the OFA on account of indebtedness under this Agreement. On the occurrence of an Event of Default relating to a failure by IESO to pay when due any amounts owing hereunder, subject to the OFA's compliance with any relevant provisions hereof and as set out in the Intercept Letter, the Minister of Finance is irrevocably authorized to deduct from the Appropriated Funds amounts equal to any amounts that the IESO has failed to pay to the OFA in accordance with the provisions of this Agreement and to pay such amounts directly to the OFA ("Intercept").

(b) If, after following the process specified in the Intercept Letter (including, without limitation, allowing for a reasonable cure period on the terms specified therein), the OFA determines that it is necessary to request the Minister of Finance to exercise the Intercept, the OFA will give written notice to the Minister of Finance, with a copy to the Ministry of Energy, detailing the IESO's failure to pay when due any amounts owing hereunder and requesting the deduction from the Appropriated Funds of amounts equal to the amounts that the IESO has failed to pay to the OFA under this Agreement.

(c) The IESO agrees that any notice from the OFA to the Minister of Finance in relation to this section 5.7 (Intercept) may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance and, upon receipt of such notice, an amount equal to the amount that the IESO has failed to pay when due to the OFA on account of indebtedness under this Agreement shall be deducted from the Appropriated Funds and paid to the OFA.

(d) For further certainty, the OFA acknowledges and agrees that the Intercept as provided for herein and in the Intercept Letter shall not apply with respect to any funds appropriated by the Legislature for payment to the IESO through ministries other than the Ministry of Energy or through Ontario Climate Change Solutions Deployment Corporation.

The parties agree that, with respect to the exercise of the Intercept generally, the terms of this

section 5.7 shall be applied consistently with the terms set out in the Intercept Letter which shall apply in full. Notwithstanding the foregoing, in the event of a conflict or inconsistency between the terms and conditions of the Intercept Letter and the terms and conditions contained in this Agreement, the terms and conditions contained in this Agreement shall prevail."

3.

If any… other relevant updates that make sense to do now……I do not anticipate any material ones.

We need your support to expedite the above in order to avoid delays in the Fair Hydro implementation.

Regards.

Hi Lisa/Ryan,

Thank you very much for the responses and that's helpful!

I will go back to IESO to verify what's their rationale to for the request. But before I go back, I just want to make sure that I understand the concerns/suggestions from our side first.

The change we made for the OFA credit facility agreement was to allow IESO to take liens related to FHP in the event if IESO can't pay OFA back the loan, correct? What was the reason for this change? And wouldn't the same reason apply for the loans that IESO has with OEFC? And if IESO can't pay back the loans to OEFC, should they still be able to take any liens related to FHP, or not? But if they were able to do so under the OFA credit facility agreement, are there any reasons that they cannot do the same under the OEFC credit facility agreement?

I understand that the $120M and $160M credit facilities are not for FHP purposes, but I think this is a separate question from whether they can take liens related to FHP if IESO can't pay OEFC back the loans? Similarly, I believe the existing $475M IESO credit facility with OFA was not for the FHP purpose, but the agreement was amended by the amendment #10 to include the FHP lien clause in the actual agreement, right? So I am just a bit confused about this process and trying to find out whether we should apply a consistent approach for OEFC's credit facilities before I push this back to IESO.

Also, a separate question on the $160M credit facility agreement. Since it was amended to be used for FHP purpose previously, do we need to amend that now since a separate facility agreement was created specifically for FHP purposes? Or that amendment automatically expires when the $2B FHP credit facility was created, and for sure we don't need to update anything in the $160M credit facility agreement to that effect?

Thanks,
Gavin He

Hi Gavin,

Thank you for your note. After reviewing your note and the attached agreements we had a few comments:

- We understand that the $160M credit facility agreement will not be used for FHP purposes, although an amendment was made earlier in 2017 to allow advances for the purposes of FHP.
- It is our assumption that the $160M credit facility agreement was amended in April, 2017, pursuant to Reg. 280/14 as a potential temporary option for FHP funding requirements until such time as a separate facility agreement was created specifically for FHP purposes (i.e. the $2B OFA-IESO credit facility)
- There is an existing $120M loan agreement, maturing June 30, 2020, which is not a credit facility, but a fixed term loan. No amendments were made here in relation to FHP, as it is non-revolving and used for capital purposes.
- Since the $160M credit facility agreement will not be used for FHP purposes, it is not clear to us why the change to definition of Permitted Liens is required, and how not making this change would prevent IESO from performing its obligations under the OFHP Act. Please clarify.
- Kindly confirm with Anthony why IESO believes these amendments are necessary in respect of the $160M credit facility and $120M loan agreement.

We look forward to hearing back from you. Happy to discuss further as always.

Ryan,

As discussed with Will today, I understand you will be co-ordinating the proposed 2 amendments to the existing IESO-OEFC credit facilities.

For starters, there are no expected changes being asked to the existing agreement's key business content (e.g. amounts, dates, interest, notices etc.), rather given that IESO-OFA have just finished two new agreements pertaining to the new fair hydro program, ….I suggest we just copy and paste the salient sections from these agreements that would now be relevant to the OEFC agreements for fair hydro namely;

1.DRAFT
The definition of "Permitted Liens" is amended by deleting the word "and" at the end of subsection (xx); replacing the "." at the end of subsection (xx) and replacing it with "; and" ; and adding the following subsection (xx):
"(xx) any Lien arising from the IESO's role and obligations under the OFHP, including with respect to any amount received or receivable by the IESO (such as, without limitation, amounts received or receivable in respect of the Clean Energy Adjustment), or any other lien, whether arising from the action or inaction of IESO, that is created in connection with the OFHP."

2.DRAFT
The OFA agreements had required an intercept provision, …..not sure if the same applies to OEFC if yes:

"Section 5.7 Intercept
(a) The IESO hereby acknowledges that, in accordance with the terms of the letter agreement of November 6th , 2017 herewith entered between the Ministry of Energy, the IESO and the OFA made pursuant to Section 23 of the Capital Investment Plan Act, 1993 (the "Intercept Letter"), the Minister of Finance is entitled to deduct only from those monies appropriated by the Legislature for payment through the Ministry of Energy to the IESO ("Appropriated Funds"), amounts equal to any amounts that the IESO fails to pay to the OFA on account of indebtedness under this Agreement. On the occurrence of an Event of Default relating to a failure by IESO to pay when due any amounts owing hereunder, subject to the OFA's compliance with any relevant provisions hereof and as set out in the Intercept Letter, the Minister of Finance is irrevocably authorized to deduct from the Appropriated Funds amounts equal to any amounts that the IESO has failed to pay to the OFA in accordance with the provisions of this Agreement and to pay such amounts directly to the OFA ("Intercept").
(b) If, after following the process specified in the Intercept Letter (including, without limitation, allowing for a reasonable cure period on the terms specified therein), the OFA determines that it is necessary to request the Minister of Finance to exercise the Intercept, the OFA will give written notice to the Minister of Finance, with a copy to the Ministry of Energy, detailing the IESO's failure to pay when due any amounts owing hereunder and requesting the deduction from the Appropriated Funds of amounts equal to the amounts that the IESO has failed to pay to the OFA under this Agreement.
(c) The IESO agrees that any notice from the OFA to the Minister of Finance in relation to this section 5.7 (Intercept) may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance and, upon receipt of such notice, an amount equal to the amount that the IESO has failed to pay when due to the OFA on account of indebtedness under this Agreement shall be deducted

from the Appropriated Funds and paid to the OFA.
(d) For further certainty, the OFA acknowledges and agrees that the Intercept as provided for herein and in the Intercept Letter shall not apply with respect to any funds appropriated by the Legislature for payment to the IESO through ministries other than the Ministry of Energy or through Ontario Climate Change Solutions Deployment Corporation.
The parties agree that, with respect to the exercise of the Intercept generally, the terms of this section 5.7 shall be applied consistently with the terms set out in the Intercept Letter which shall apply in full. Notwithstanding the foregoing, in the event of a conflict or inconsistency between the terms and conditions of the Intercept Letter and the terms and conditions contained in this Agreement, the terms and conditions contained in this Agreement shall prevail."

3.
If any… other relevant updates that make sense to do now……I do not anticipate any material ones.

We need your support to expedite the above in order to avoid delays in the Fair Hydro implementation.
Regards.

Hi Lisa/Sarah H.,

We touched based with IESO and they told us that the OEFC agreements do not contemplate a general grant of security by IESO over its assets as is currently under discussion with the OPG Trust relative to the implementation of the OFHP. The changes required to allow for such a grant would be to amend the permitted liens and negative covenant language in the OEFC agreements so as to make it the same as, or very similar to, the language in the two OFA Agreements that were signed recently.

We will get a policy direction soon and will draft a note for you to review once it's ready.

No, I don't think the OFA Lending Policy would apply to these OEFC loans. The OFA Lending Policy addresses lending activities to public bodies undertaken where the OFA is acting as an intermediary on behalf of the Province.

Hi John,

We've received no internal direction on the nature of changes IESO is looking for in relation to existing OEFC credit facility with the IESO and the FHP. Hi Lisa, Sarah, and William,

Following my email on Tuesday, EFB has drafted the attached note on the IESO's request on the OEFC credit facility, including the background information, our recommendation, and the rationale. Could you please review the accuracy of the note and would you be able to provide me with your feedback before noon today?

Sorry for the short turnaround time, but we all would like to move on this as soon as possible.

Hi Lisa/Sarah H.,

We touched based with IESO and they told us that the OEFC agreements do not contemplate a general grant of security by IESO over its assets as is currently under discussion with the OPG Trust relative to the implementation of the OFHP. The changes required to allow for such a grant would be to amend the permitted liens and negative covenant language in the OEFC agreements so as to make it the same as, or very similar to, the language in the two OFA Agreements that were signed recently.

We will get a policy direction soon and will draft a note for you to review once it's ready.

Gavin He

No, I don't think the OFA Lending Policy would apply to these OEFC loans. The OFA Lending Policy addresses lending activities to public bodies undertaken where the OFA is acting as an intermediary on behalf of the Province.

Hi John,

Hi Gavin,

Thank you for your note. After reviewing your note and the attached agreements we had a few comments:

- We understand that the $160M credit facility agreement will not be used for FHP purposes, although an amendment was made earlier in 2017 to allow advances for the purposes of FHP.
- It is our assumption that the $160M credit facility agreement was amended in April, 2017, pursuant to Reg. 280/14 as a potential temporary option for FHP funding requirements until such time as a separate facility agreement was created specifically for FHP purposes (i.e. the $2B OFA-IESO credit facility)
- There is an existing $120M loan agreement, maturing June 30, 2020, which is not a credit facility, but a fixed term loan. No amendments were made here in relation to FHP, as it is non-revolving and used for capital purposes.
- Since the $160M credit facility agreement will not be used for FHP purposes, it is not clear to us why the change to definition of Permitted Liens is required, and how not making this change would prevent IESO from performing its obligations under the OFHP Act. Please clarify.
- Kindly confirm with Anthony why IESO believes these amendments are necessary in respect of the $160M credit facility and $120M loan agreement.

We look forward to hearing back from you. Happy to discuss further as always.

Subject: IESO - OEFC Nov 7

Ryan,

As discussed with Will today, I understand you will be co-ordinating the proposed 2 amendments to

the existing IESO-OEFC credit facilities.
For starters, there are no expected changes being asked to the existing agreement's key business content (e.g. amounts, dates, interest, notices etc.), rather given that IESO-OFA have just finished two new agreements pertaining to the new fair hydro program, ….I suggest we just copy and paste the salient sections from these agreements that would now be relevant to the OEFC agreements for fair hydro namely;

1.DRAFT

The definition of "Permitted Liens" is amended by deleting the word "and" at the end of subsection (xx); replacing the "." at the end of subsection (xx) and replacing it with "; and" ; and adding the following subsection (xx):
"(xx) any Lien arising from the IESO's role and obligations under the OFHP, including with respect to any amount received or receivable by the IESO (such as, without limitation, amounts received or receivable in respect of the Clean Energy Adjustment), or any other lien, whether arising from the action or inaction of IESO, that is created in connection with the OFHP."

2.DRAFT

The OFA agreements had required an intercept provision, …..not sure if the same applies to OEFC if yes:
"Section 5.7 Intercept
(a) The IESO hereby acknowledges that, in accordance with the terms of the letter agreement of November 6th , 2017 herewith entered between the Ministry of Energy, the IESO and the OFA made pursuant to Section 23 of the Capital Investment Plan Act, 1993 (the "Intercept Letter"), the Minister of Finance is entitled to deduct only from those monies appropriated by the Legislature for payment through the Ministry of Energy to the IESO ("Appropriated Funds"), amounts equal to any amounts that the IESO fails to pay to the OFA on account of indebtedness under this Agreement. On the occurrence of an Event of Default relating to a failure by IESO to pay when due any amounts owing hereunder, subject to the OFA's compliance with any relevant provisions hereof and as set out in the Intercept Letter, the Minister of Finance is irrevocably authorized to deduct from the Appropriated Funds amounts equal to any amounts that the IESO has failed to pay to the OFA in accordance with the provisions of this Agreement and to pay such amounts directly to the OFA ("Intercept").
(b) If, after following the process specified in the Intercept Letter (including, without limitation, allowing for a reasonable cure period on the terms specified therein), the OFA determines that it is necessary to request the Minister of Finance to exercise the Intercept, the OFA will give written notice to the Minister of Finance, with a copy to the Ministry of Energy, detailing the IESO's failure to pay when due any amounts owing hereunder and requesting the deduction from the Appropriated Funds of amounts equal to the amounts that the IESO has failed to pay to the OFA under this Agreement.
(c) The IESO agrees that any notice from the OFA to the Minister of Finance in relation to this section 5.7 (Intercept) may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance and, upon receipt of such notice, an amount equal to the amount that the IESO has failed to pay when due to the OFA on account of indebtedness under this Agreement shall be deducted from the Appropriated Funds and paid to the OFA.
(d) For further certainty, the OFA acknowledges and agrees that the Intercept as provided for herein and in the Intercept Letter shall not apply with respect to any funds appropriated by the Legislature for payment to the IESO through ministries other than the Ministry of Energy or through Ontario Climate Change Solutions Deployment Corporation.

The parties agree that, with respect to the exercise of the Intercept generally, the terms of this section 5.7 shall be applied consistently with the terms set out in the Intercept Letter which shall apply in full. Notwithstanding the foregoing, in the event of a conflict or inconsistency between the terms and conditions of the Intercept Letter and the terms and conditions contained in this Agreement, the terms and conditions contained in this Agreement shall prevail."

REVOLVING CREDIT FACILITY

The Advances Outstanding to IESO under the Credit Facility shall not at any time exceed the Commitment. The Credit Facility shall revolve and no payment under the Credit Facility shall reduce the Commitment.

Section 2.3 Use of Proceeds.

IESO shall use the proceeds of Advances for the following purposes for which it is authorized to borrow funds:

IESO shall make each such payment in Canadian Dollars

Section 2.6 Evidence of Indebtedness.

IESO authorizes OEFC to open and maintain records evidencing IESO's obligations under this Agreement and to record therein all advances, interest rates, accrued interest, payments of principal and interest and the aggregate principal and accrued interest outstanding from time to time under this Agreement. IESO agrees that the records kept by the OEFC in the absence of manifest error, shall be prima facie evidence of the indebtedness of IESO and the matters recorded provided that the failure of the OEFC to record or correctly record any amount or date shall not affect the obligation of IESO to repay the aggregate principal amounts and accrued interest thereon owing under this Agreement.

ARTICLE 3
ADVANCES AND INTEREST

Section 3.1 Advances.

OEFC agrees, on the terms and conditions of this Agreement, to make Advances to IESO under the Credit Facility on the first Business Day of each month from and including May 3, 2010 to and including April 1, 2013.

Section 3.2 Procedure for Advances.

(1) Each Advance shall be made subject to four Business Day's prior notice given not later than 10:00 a.m. (Toronto time) by IESO to OEFC. Each notice of an Advance (a **"Borrowing Notice"**) shall be substantially in the form of Schedule 1, shall be irrevocable and binding on IESO and shall specify (a) the requested date of the Advance (the **"Advance Date"**), and (b) the principal amount of the Advance which shall be in a minimum amount of $1,000,000.00 (unless otherwise agreed to by OEFC), and in increments of $1,000,000.00 (or such other increments as may be agreed to by OEFC). OEFC will make the principal amount of each Advance available to IESO in accordance with Article 2.

(2) On or before the date of the first Advance hereunder, IESO shall execute and deliver to OEFC a grid promissory note (the "Note") in respect of Advances substantially in the form of Schedule 2. IESO authorizes OEFC to record on the grid promissory note (a) the date and amount of each Advance; (b) the applicable rate of interest for each Advance; (c) the date and amount of each payment of interest and each payment of principal in respect of each Advance; and (d) the outstanding principal amount of the grid promissory note. Such notations, in the absence of manifest error, shall be prima facie evidence of the such advances and repayments; provided that the failure of OEFC to record any amount, rate or date shall not affect the obligation of IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement.

(3) In the event that funds are not received by IESO on the Advance Date, IESO and OEFC agree to take all steps necessary to amend the date of the Advance, without amending the Interest Rate that was agreed to with respect to such Advance.

(4) The Note shall at all times rank *pari passu* with all other unsubordinated Indebtedness of IESO, subject to the existence of any Permitted Liens of IESO.

(5) All amounts owing in respect of the Advances shall be paid without exercising any right or set off or counterclaim by IESO.

Section 3.3 Interest on Advances.

(1) IESO shall pay interest on the principal amount of each Advance then outstanding in accordance with this Section 3.3 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the first Interest Payment Date following the date of the Advance, at the rate equal to the Interest Rate, and shall be payable on the Interest Payment Date for such Advance. The amount of interest payable on an Advance will be calculated by OEFC by dividing the Interest Rate applicable to the Advance by 365 or 366, as the case may be, and multiplying the result by the principal amount of the Advance then outstanding and further multiplying the result by the number of days in the period from the date of the Advance to the Interest Payment Date.

(i) If an Advance is outstanding on an Interest Payment Date, the interest rate applicable to such Advance shall be reset automatically by OEFC on that date (the "Interest Reset Date"), at the Interest Rate determined as of the Interest Reset Date.

(ii) For each Advance, OEFC shall notify IESO via email of the Interest Rate on the Advance Date and on each Interest Reset Date.

(3) Upon four Business Days prior notice by IESO, OEFC may at its discretion agree to capitalize the interest on any Advance on an Interest Payment Date, which shall be determined in the following manner: each such interest payment due on the Interest Payment Date shall be deemed to form part of the principal amount of the outstanding Advance and interest shall accrue and be payable thereon in accordance with Section 3.3(2). OEFC shall record on the grid forming part of the note: (a) the date and amount of the new Advance; (b) the applicable rate of interest for the Advance; and (c) the outstanding principal amount of the grid promissory note.

(4) Interest shall accrue on the principal amount of each Advance at the Interest Rate as determined from time to time, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after default.

Section 3.4 Computations of Interest.

(1) All computations of interest shall be made by OEFC taking into account the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest is payable on the basis of a year of 365 days or 366 days, as the case may be.

(2) For the purposes of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest which is equivalent to a rate of interest payable under this Agreement for any

period of less than a year may be determined by multiplying the rate of interest for such period by a fraction, the numerator of which is the actual number of days in a year commencing on and including the first day in such period and ending on but excluding the corresponding day in the next calendar year and the denominator of which is the actual number of days in such period.

Section 3.5 Limit on Rate of Interest.

(1) Notwithstanding any provision contained in this Agreement, IESO shall not be obliged to make any payments of interest or other amounts payable to OEFC hereunder in excess of the amount or rate which would be prohibited by applicable law or would result in the receipt by OEFC of interest at a criminal rate (as such terms are construed under the *Criminal Code* (Canada), as amended from time to time).

(2) In the event that any such payments are limited or prohibited as provided in Section 3.5(1), OEFC shall have no further obligation to make any Advances available hereunder and the Advances Outstanding, together with all accrued interest and all other amounts owing hereunder, shall become immediately due and payable.

Section 3.6 Conditions Precedent

The obligation of OEFC to make the Advances pursuant to Section 2.1 is subject to the following conditions being met to OEFC's satisfaction at the time of making each Advance:

(a) that the representations and warranties of IESO contained in this Agreement are true and correct as at the date of making the Advance;

(b) that no Event of Default has occurred and is continuing and no event or condition has occurred, which, with the lapse of time or the giving of notice or both would constitute an Event of Default;

(c) that there shall, in the reasonable opinion of OEFC, have been no material adverse change in the financial condition of IESO; and

(d) that OEFC has received such other documentation which it has reasonably requested to ensure that IESO is in compliance with the terms and conditions of this Agreement, including certified true copies of any necessary resolutions including resolutions authorizing the borrowing and authorized signatories.

Hi Gavin,

Thank you for your note. After reviewing your note and the attached agreements we had a few comments:

- We understand that the $160M credit facility agreement will not be used for FHP purposes, although an amendment was made earlier in 2017 to allow advances for the purposes of FHP.
- It is our assumption that the $160M credit facility agreement was amended in April, 2017, pursuant to Reg. 280/14 as a potential temporary option for FHP funding requirements until such time as a separate facility agreement was created specifically for FHP purposes (i.e. the $2B OFA-IESO credit facility)
- There is an existing $120M loan agreement, maturing June 30, 2020, which is not a credit facility, but a fixed term loan. No amendments were made here in relation to FHP, as it is non-revolving and used for capital purposes.
- Since the $160M credit facility agreement will not be used for FHP purposes, it is not clear to us why the change to definition of Permitted Liens is required, and how not making this change would prevent IESO from performing its obligations under the OFHP Act. Please clarify.
- Kindly confirm with Anthony why IESO believes these amendments are necessary in respect of the $160M credit facility and $120M loan agreement.

We look forward to hearing back from you. Happy to discuss further as always.

Subject: IESO - OEFC Nov 7

Ryan,

As discussed with Will today, I understand you will be co-ordinating the proposed 2 amendments to

the existing IESO-OEFC credit facilities.
For starters, there are no expected changes being asked to the existing agreement's key business content (e.g. amounts, dates, interest, notices etc.), rather given that IESO-OFA have just finished two new agreements pertaining to the new fair hydro program, ….I suggest we just copy and paste the salient sections from these agreements that would now be relevant to the OEFC agreements for fair hydro namely;

1.DRAFT

The definition of "Permitted Liens" is amended by deleting the word "and" at the end of subsection (xx); replacing the "." at the end of subsection (xx) and replacing it with "; and" ; and adding the following subsection (xx):
"(xx) any Lien arising from the IESO's role and obligations under the OFHP, including with respect to any amount received or receivable by the IESO (such as, without limitation, amounts received or receivable in respect of the Clean Energy Adjustment), or any other lien, whether arising from the action or inaction of IESO, that is created in connection with the OFHP."

2.DRAFT

The OFA agreements had required an intercept provision, …..not sure if the same applies to OEFC if yes:
"Section 5.7 Intercept
(a) The IESO hereby acknowledges that, in accordance with the terms of the letter agreement of November 6th , 2017 herewith entered between the Ministry of Energy, the IESO and the OFA made pursuant to Section 23 of the Capital Investment Plan Act, 1993 (the "Intercept Letter"), the Minister of Finance is entitled to deduct only from those monies appropriated by the Legislature for payment through the Ministry of Energy to the IESO ("Appropriated Funds"), amounts equal to any amounts that the IESO fails to pay to the OFA on account of indebtedness under this Agreement. On the occurrence of an Event of Default relating to a failure by IESO to pay when due any amounts owing hereunder, subject to the OFA's compliance with any relevant provisions hereof and as set out in the Intercept Letter, the Minister of Finance is irrevocably authorized to deduct from the Appropriated Funds amounts equal to any amounts that the IESO has failed to pay to the OFA in accordance with the provisions of this Agreement and to pay such amounts directly to the OFA ("Intercept").
(b) If, after following the process specified in the Intercept Letter (including, without limitation, allowing for a reasonable cure period on the terms specified therein), the OFA determines that it is necessary to request the Minister of Finance to exercise the Intercept, the OFA will give written notice to the Minister of Finance, with a copy to the Ministry of Energy, detailing the IESO's failure to pay when due any amounts owing hereunder and requesting the deduction from the Appropriated Funds of amounts equal to the amounts that the IESO has failed to pay to the OFA under this Agreement.
(c) The IESO agrees that any notice from the OFA to the Minister of Finance in relation to this section 5.7 (Intercept) may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance and, upon receipt of such notice, an amount equal to the amount that the IESO has failed to pay when due to the OFA on account of indebtedness under this Agreement shall be deducted from the Appropriated Funds and paid to the OFA.
(d) For further certainty, the OFA acknowledges and agrees that the Intercept as provided for herein and in the Intercept Letter shall not apply with respect to any funds appropriated by the Legislature for payment to the IESO through ministries other than the Ministry of Energy or through Ontario Climate Change Solutions Deployment Corporation.

The parties agree that, with respect to the exercise of the Intercept generally, the terms of this section 5.7 shall be applied consistently with the terms set out in the Intercept Letter which shall apply in full. Notwithstanding the foregoing, in the event of a conflict or inconsistency between the terms and conditions of the Intercept Letter and the terms and conditions contained in this Agreement, the terms and conditions contained in this Agreement shall prevail."

If any… other relevant updates that make sense to do now……I do not anticipate any material ones.

We need your support to expedite the above in order to avoid delays in the Fair Hydro implementation.

Hi Lisa, Sarah, and William,

Following my email on Tuesday, EFB has drafted the attached note on the IESO's request on the OEFC credit facility, including the background information, our recommendation, and the rationale. Could you please review the accuracy of the note and would you be able to provide me with your feedback before noon today?

Sorry for the short turnaround time, but we all would like to move on this as soon as possible.

Thanks,

Hi Lisa/Sarah H.,

We touched based with IESO and they told us that the OEFC agreements do not contemplate a general grant of security by IESO over its assets as is currently under discussion with the OPG Trust relative to the implementation of the OFHP. The changes required to allow for such a grant would be to amend the permitted liens and negative covenant language in the OEFC agreements so as to make it the same as, or very similar to, the language in the two OFA Agreements that were signed recently.

We will get a policy direction soon and will draft a note for you to review once it's ready.

Regards,

Gavin He

No, I don't think the OFA Lending Policy would apply to these OEFC loans. The OFA Lending Policy addresses lending activities to public bodies undertaken where the OFA is acting as an intermediary on behalf of the Province.

Will – unless any concerns, will appreciate if you please begin to draft the two OEFC amendments this week – given that the IESO is targeting to sign the OPG / IESO fair hydro agreement by this month's end,….we need to have the two OEFC's done before this.

Once we have completed the 2 OFA facilities and the intercept letter – we then have to turn to the 2 outstanding IESO-OEFC credit facilities to contemplate any further amendments too.
Just ensuring that these 2 OEFC facilities are not missed.

IESO shall make each such payment in Canadian Dollars

Section 2.6 Evidence of Indebtedness.

IESO authorizes OEFC to open and maintain records evidencing IESO's obligations under this Agreement and to record therein all advances, interest rates, accrued interest, payments of principal and interest and the aggregate principal and accrued interest outstanding from time to time under this Agreement. IESO agrees that the records kept by the OEFC in the absence of manifest error, shall be prima facie evidence of the indebtedness of IESO and the matters recorded provided that the failure of the OEFC to record or correctly record any amount or date shall not affect the obligation of IESO to repay the aggregate principal amounts and accrued interest thereon owing under this Agreement.

ARTICLE 3
ADVANCES AND INTEREST

Section 3.1 Advances.

OEFC agrees, on the terms and conditions of this Agreement, to make Advances to IESO under the Credit Facility on the first Business Day of each month from and including May 3, 2010 to and including April 1, 2013.

Section 3.2 Procedure for Advances.

(1) Each Advance shall be made subject to four Business Day's prior notice given not later than 10:00 a.m. (Toronto time) by IESO to OEFC. Each notice of an Advance (a **"Borrowing Notice"**) shall be substantially in the form of Schedule 1, shall be irrevocable and binding on IESO and shall specify (a) the requested date of the Advance (the **"Advance Date"**), and (b) the principal amount of the Advance which shall be in a minimum amount of $1,000,000.00 (unless otherwise agreed to by OEFC), and in increments of $1,000,000.00 (or such other increments as may be agreed to by OEFC). OEFC will make the principal amount of each Advance available to IESO in accordance with Article 2.

(2) On or before the date of the first Advance hereunder, IESO shall execute and deliver to OEFC a grid promissory note (the "Note") in respect of Advances substantially in the form of Schedule 2. IESO authorizes OEFC to record on the grid promissory note (a) the date and amount of each Advance; (b) the applicable rate of interest for each Advance; (c) the date and amount of each payment of interest and each payment of principal in respect of each Advance; and (d) the outstanding principal amount of the grid promissory note. Such notations, in the absence of manifest error, shall be prima facie evidence of the such advances and repayments; provided that the failure of OEFC to record any amount, rate or date shall not affect the obligation of IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement.

(3) In the event that funds are not received by IESO on the Advance Date, IESO and OEFC agree to take all steps necessary to amend the date of the Advance, without amending the Interest Rate that was agreed to with respect to such Advance.

(4) The Note shall at all times rank *pari passu* with all other unsubordinated Indebtedness of IESO, subject to the existence of any Permitted Liens of IESO.

(5) All amounts owing in respect of the Advances shall be paid without exercising any right or set off or counterclaim by IESO.

Section 3.3 Interest on Advances.

(1) IESO shall pay interest on the principal amount of each Advance then outstanding in accordance with this Section 3.3 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the first Interest Payment Date following the date of the Advance, at the rate equal to the Interest Rate, and shall be payable on the Interest Payment Date for such Advance. The amount of interest payable on an Advance will be calculated by OEFC by dividing the Interest Rate applicable to the Advance by 365 or 366, as the case may be, and multiplying the result by the principal amount of the Advance then outstanding and further multiplying the result by the number of days in the period from the date of the Advance to the Interest Payment Date.

(i) If an Advance is outstanding on an Interest Payment Date, the interest rate applicable to such Advance shall be reset automatically by OEFC on that date (the "Interest Reset Date"), at the Interest Rate determined as of the Interest Reset Date.

(ii) For each Advance, OEFC shall notify IESO via email of the Interest Rate on the Advance Date and on each Interest Reset Date.

(3) Upon four Business Days prior notice by IESO, OEFC may at its discretion agree to capitalize the interest on any Advance on an Interest Payment Date, which shall be determined in the following manner: each such interest payment due on the Interest Payment Date shall be deemed to form part of the principal amount of the outstanding Advance and interest shall accrue and be payable thereon in accordance with Section 3.3(2). OEFC shall record on the grid forming part of the note: (a) the date and amount of the new Advance; (b) the applicable rate of interest for the Advance; and (c) the outstanding principal amount of the grid promissory note.

(4) Interest shall accrue on the principal amount of each Advance at the Interest Rate as determined from time to time, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after default.

Section 3.4 Computations of Interest.

(1) All computations of interest shall be made by OEFC taking into account the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest is payable on the basis of a year of 365 days or 366 days, as the case may be.

(2) For the purposes of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest which is equivalent to a rate of interest payable under this Agreement for any

period of less than a year may be determined by multiplying the rate of interest for such period by a fraction, the numerator of which is the actual number of days in a year commencing on and including the first day in such period and ending on but excluding the corresponding day in the next calendar year and the denominator of which is the actual number of days in such period.

Section 3.5 Limit on Rate of Interest.

(1) Notwithstanding any provision contained in this Agreement, IESO shall not be obliged to make any payments of interest or other amounts payable to OEFC hereunder in excess of the amount or rate which would be prohibited by applicable law or would result in the receipt by OEFC of interest at a criminal rate (as such terms are construed under the *Criminal Code* (Canada), as amended from time to time).

(2) In the event that any such payments are limited or prohibited as provided in Section 3.5(1), OEFC shall have no further obligation to make any Advances available hereunder and the Advances Outstanding, together with all accrued interest and all other amounts owing hereunder, shall become immediately due and payable.

Section 3.6 Conditions Precedent

The obligation of OEFC to make the Advances pursuant to Section 2.1 is subject to the following conditions being met to OEFC's satisfaction at the time of making each Advance:

(a) that the representations and warranties of IESO contained in this Agreement are true and correct as at the date of making the Advance;

(b) that no Event of Default has occurred and is continuing and no event or condition has occurred, which, with the lapse of time or the giving of notice or both would constitute an Event of Default;

(c) that there shall, in the reasonable opinion of OEFC, have been no material adverse change in the financial condition of IESO; and

(d) that OEFC has received such other documentation which it has reasonably requested to ensure that IESO is in compliance with the terms and conditions of this Agreement, including certified true copies of any necessary resolutions including resolutions authorizing the borrowing and authorized signatories.

IESO will cause all property owned by IESO or any Material Subsidiary to be maintained and kept in good condition, repair and working order, all as in the judgment of IESO or any Material Subsidiary may be necessary for the proper operation of such property, except as and to the extent that IESO or any Material Subsidiary may be prevented from doing so by fire, strikes, lockouts, walkouts, labour unrest, acts of God, inability to obtain labour or materials, enemy action, governmental restrictions, civil commotion, or unavoidable casualty or similar causes; provided, however, that nothing in this Section 4.4 shall prevent IESO or any Material Subsidiary from discontinuing the maintenance of any such property or decommissioning any such property if such discontinuance or decommissioning is, in the judgment of IESO or any Material Subsidiary, desirable in the conduct of its business or the business of any such Material Subsidiary, or has been directly or indirectly requested or required by the Province of Ontario.

Section 4.5 Insurance.

IESO will cause all property owned by IESO or any Material Subsidiary which is of a character usually insured by companies operating similar businesses to be insured and kept insured with reputable insurers (which may include associations or other organizations for mutual or reciprocal insurance) against loss or damage by fire or other hazards or risks of the nature and to the extent that such property is usually insured by companies operating similar businesses.

Section 4.6 Conduct of Business.

Subject to Section 4.3, IESO will, and will cause the Subsidiaries to, carry on and conduct their respective businesses in a proper, efficient and business-like manner and in accordance with good business practice.

Hi Sarah,

Please see Anthony's request below. IESO requires confirmation of their outstanding borrowings with the OFA and OEFC for a KPMG audit of their December 31, 2017 financial statements.

As discussed, I went through the original and amending agreements for the 2 IESO-OFA facilities and 2 IESO-OEFC facilities and am confident in the accuracy of the amounts, interest rates and maturity dates of each outstanding facility detailed in the attached documents. As per screenshots below I also checked OLMS and ITS and was able to locate 3 of the 4 facilities (unable to find the $160M IESO-OEFC revolving credit facility in OLMS or ITS).

I am not certain of how to confirm the amounts currently outstanding for each facility. There are "Remaining Amount" figures provided in OLMS for the IESO-OFA facilities (as per screenshots below – but I'm not 100% sure these are accurate?). Also, for the IESO-OEFC credit facilities, Documentation may not have up to date Grid Notes. Please advise how you would like me to proceed.

Hi Sarah,

Please see Anthony's request below. IESO requires confirmation of their outstanding borrowings with the OFA and OEFC for a KPMG audit of their December 31, 2017 financial statements.

As discussed, I went through the original and amending agreements for the 2 IESO-OFA facilities and 2 IESO-OEFC facilities and am confident in the accuracy of the amounts, interest rates and maturity dates of each outstanding facility detailed in the attached documents. As per screenshots below I also checked OLMS and ITS and was able to locate 3 of the 4 facilities (unable to find the $160M IESO-OEFC revolving credit facility in OLMS or ITS).

I am not certain of how to confirm the amounts currently outstanding for each facility. There are "Remaining Amount" figures provided in OLMS for the IESO-OFA facilities (as per screenshots below – but I'm not 100% sure these are accurate?). Also, for the IESO-OEFC credit facilities, Documentation may not have up to date Grid Notes. Please advise how you would like me to proceed.

Subject: RE: FHP Credit Facility Agreement
Hi Will. Attached you will find IESO's mark-up of the FHP Credit Facility Agreement. Most of the changes are self-explanatory, but it may be helpful if I provide a few words of explanation about the more substantive changes:
1. We added paragraph (k) to the definition of "Permitted Liens" to address the possibility that the Clean Energy Adjustment funds collected by IESO might be considered to be subject to a lien, and we did not want to be inadvertently in default. (Please note that, assuming this addition to the definition of "Permitted Liens" is acceptable, the same or similar language should also be added to the definition of Permitted Liens in Amending Agreement #10 to the existing OFA line of credit that we discussed yesterday.)
2. We amended Section 2.2 Use of Proceeds as shown in the draft because: (i) there is a possibility that the funding provided under the FHP Credit Agreement may accumulate and be outstanding for an extended period of time (i.e. in excess of 12 months); and (ii) the use of the terminology "cash flow timing differences" does not seem appropriate given its implication of a shorter-term funding requirement (something on the order of month-to-month), taking into account all of the obligations of IESO under the FHP.
3. We amended the exceptions to the *pari passu* requirement under Section 3.3(5) to avoid a conflict with the different list of exceptions in s.4.6, the negative pledge. An alternative, and arguably

cleaner, way of avoiding the conflict between s.3.3(5) and s.4.6 would be to delete the *pari passu* requirement in s.3.3(5) altogether, since the negative pledge in s.4.6 already contains more tailored language that performs essentially the same function.

In addition to the above changes marked-up directly on the document, in general with respect to all revolving lines, it seems that the definition of "Advances" should probably also include Continued Advances where an Election Notice is used (though I didn't make any changes to reflect this). I say this because Advances can become Continued Advances through an initial Election Notice, and then those Continued Advances can be continued again as further Continued Advances, and so on. In other words, the practice and intent of IESO and OFA has been and continues to be that an original Advance can be Continued (rolled-over) many times but, unless I am missing something, the language and definitions do not quite capture that intent. It might be easier if I were to discuss what is essentially a drafting point with your Legal Counsel assigned to this – as I say, it's entirely possible that I am simply missing something here.

I didn't know who would be reviewing this from your Legal group, so did not copy anyone else at OFA – I will rely on you to forward it as required.

Regards,

Victor

Subject: RE: FHP Credit Facility Agreement
Hi Will. Attached you will find IESO's mark-up of the FHP Credit Facility Agreement. Most of the changes are self-explanatory, but it may be helpful if I provide a few words of explanation about the more substantive changes:
1. We added paragraph (k) to the definition of "Permitted Liens" to address the possibility that the Clean Energy Adjustment funds collected by IESO might be considered to be subject to a lien, and we did not want to be inadvertently in default. (Please note that, assuming this addition to the definition of "Permitted Liens" is acceptable, the same or similar language should also be added to the definition of Permitted Liens in Amending Agreement #10 to the existing OFA line of credit that we discussed yesterday.)
2. We amended Section 2.2 Use of Proceeds as shown in the draft because: (i) there is a possibility that the funding provided under the FHP Credit Agreement may accumulate and be outstanding for an extended period of time (i.e. in excess of 12 months); and (ii) the use of the terminology "cash flow timing differences" does not seem appropriate given its implication of a shorter-term funding requirement (something on the order of month-to-month), taking into account all of the obligations of IESO under the FHP.
3. We amended the exceptions to the *pari passu* requirement under Section 3.3(5) to avoid a conflict with the different list of exceptions in s.4.6, the negative pledge. An alternative, and arguably

cleaner, way of avoiding the conflict between s.3.3(5) and s.4.6 would be to delete the *pari passu* requirement in s.3.3(5) altogether, since the negative pledge in s.4.6 already contains more tailored language that performs essentially the same function.

In addition to the above changes marked-up directly on the document, in general with respect to all revolving lines, it seems that the definition of "Advances" should probably also include Continued Advances where an Election Notice is used (though I didn't make any changes to reflect this). I say this because Advances can become Continued Advances through an initial Election Notice, and then those Continued Advances can be continued again as further Continued Advances, and so on. In other words, the practice and intent of IESO and OFA has been and continues to be that an original Advance can be Continued (rolled-over) many times but, unless I am missing something, the language and definitions do not quite capture that intent. It might be easier if I were to discuss what is essentially a drafting point with your Legal Counsel assigned to this – as I say, it's entirely possible that I am simply missing something here.

I didn't know who would be reviewing this from your Legal group, so did not copy anyone else at OFA – I will rely on you to forward it as required.

Regards,

Victor

OEFC -- IESO CREDIT FACILITY AGREEMENT & THE PERMITTED LIENS

ISSUE

The Independent Electricity System Operator ("IESO") has requested OEFC to ~~reopen the~~amend the existing credit facility agreement between OEFC and IESO (for $XX) to~~-~~address the additional obligations the IESO is taking on under Ontario's Fair Hydro Plan.~~make amendment to the definition of the permitted liens~~.

CONTEXT

To support IESO's role in the implementation and participation under the *Ontario Fair Hydro Plan Act, 2017* ("OFHP Act"), OFA recently amended the credit facility agreement between OFA and the IESO [insert date] (the "OFA Agreement"). One of the amendments to the agreement is to amend the definition of the permitted liens to include any lien arising from the IESO's role and obligations under the OFHP.

The OFA credit facility agreement was amended due to additional roles IESO is taking on under Ontario's Fair Hydro Plan. To fufil its obligation, the IESO will need a general grant of security on any lien arising from the IESO's role and obligations under the OFHP. Therefore, the OFA credit facility agreement was amended to allow for such a general grant of security.

For the same reason, the IESO has requested OEFC to reopen the existing credit facility agreement between OEFC and IESO to make the similar amendment. Specifically, adding a clause in the OEFC credit facility agreement that any lien related to OFHP will not be viewed as negative pledge by OEFC, so those liens can be used to secure the performance of IESO's obligations to OEFC.

RECOMMENDATION

- To maintain a consistent approach with IESO's credit facilities, CEFD staff ~~and IESO~~ are of the view that the exisiting OEFC credit facility ~~should amend~~requires amendments to the permitted liens and negative covenant language to make it the same as, or very similar to, the language in the two OFA Agreements that were signed recently.
- Although the OEFC credit facility is not used for OFHP's purpose, such change to the permitted liens is still required in order for IESO to meet its role and obligation under the OFHP Act.

BACKGROUND

- Currently, under the existing credit facility agreement between OEFC and the IESO, the definition of the "permitted liens" does not include any lien arising from the IESO's role and obligations under the OFHP, including with respect to any amount received or receivable by the IESO (such as, without limitation, amounts received or receivable in respect of the Clean Energy Adjustment), or any other lien, whether arising from the action or inaction of IESO, that is created in connection with the OFHP.
- ~~On November 6, 2017, OFA and IESO signed an updated OFA IESO credit facility agreement with respect to changes related to OFHP. Below are the related changes made to the OFA credit facility:~~

~~*Excerpt from the excuted OFA IESO Amending Agreement #10:*~~

~~*The definition of "Permitted Liens" is amended by deleting the word "and" at the end of subsection (i); replacing the "." at the end of subsection (j) and replacing it with "; and" ; and adding the following subsection (k):*~~

~~*"(k) any Lien arising from the IESO's role and obligations under the OFHP, including with respect to any amount received or receivable by the IESO (such as, without limitation, amounts received or receivable in respect of the Clean Energy Adjustment), or any other lien, whether arising from the action or inaction of IESO, that is created in connection with the OFHP."*~~

COMMERCIALLY SENSITIVE AND CONFIDENTIAL ADVICE

Commented [LS1]: I recommend moving this to the background section with less detail and explaining the purpose for the amendment on its own, as the IESO OEFC credit facility agreement is separate and needs to be amended on its own merits.

Commented [LS2]: See above.

Commented [LS3]: Is this the only amendment? I'll review again once re-drafted as per above comments.

Commented [LS4]: I don't think this is relevant here

Commented [LS5]: There are no prior references to the FHP Credit Facility Agreement. Again, as per earlier comments, please add a reference to a background section.

Commented [LS6]: Is it actually required?

OEFC -- IESO CREDIT FACILITY AGREEMENT & THE PERMITTED LIENS

~~ISSUE~~

The Independent Electricity System Operator ("IESO") has requested that OEFC amend the existing credit facility agreements between OEFC and IESO (for $160M and $120M) to address the additional obligations IESO is taking on under Ontario's Fair Hydro Plan. IESO has indicated that OEFC credit facilities will not be used for Ontario Fair Hydro Plan (FHP) purposes.

~~CONTEXT~~ IESO'S REQUEST

- Under t~~T~~he FHP, ~~requires~~ the IESO and Ontario Power Generation (OPG) are interacting~~to work together~~ to refinance ~~Ontario's clean energy investments~~a portion of the Global Adjustment over a longer period of time.

- IESO and OPG are in a discussion to grant a security/priority interest on IESO's assets to OPG Trust for the period of the first 4 years of the GA deferral.

- The IESO is planning to seek its Board's approval on Nov 22, 2017 to enter into a ~~for the~~ security agreement with OPG Trust. The security agreement is currently in draft form. Without amending the existing OEFC $160M and $120M credit facility agreements (the "OEFC Agreements"), IESO could potentially be considered to be in default of the terms of the security agreement~~s~~. IESO staff wrote:

  > *"…it likely is best to add to the definition of "Permitted Liens" in the two OEFC facilities to address a) IESO granting security to the OPG Trust during the first 4 years of fair hydro program and b) the possibility that the Clean Energy Adjustment funds collected by IESO might be considered to be subject to a lien. The IESO does not want to be inadvertently in default."*

- In order to address this issue, the IESO has requested to amend the definition of the "permitted liens" in both existing OEFC Agreements to include any liens related to the FHP. Specifically, adding a clause in the existing OEFC Agreements that any lien related to OFHP will not be viewed as negative pledge by OEFC, so those liens can be used to secure the performance of IESO's obligations to OPG under the FHP. This would allow IESO to grant security to the OPG Trust during the first 4 years of implementing the GA deferral and also avoid ~~of~~ breaching the terms of the existing agreements with OEFC.

- To support IESO's role in the implementation and participation under the Ontario Fair Hydro Plan Act, 2017 ("OFHP Act"), in July 2017~~,~~ the IESO had requested that the OFA ~~to~~ make ~~the same~~similar ~~request~~ changes to the credit facility agreements with OFA in October.
  - On November 6, 2017, the OFA amended the $475M facility to amend the definition of ~~the~~ "permitted liens" and also included same for the new $2B credit facility agreement between OFA and the IESO , as requested by the IESO.

CONSIDERATIONS

- ~~OFA's Capital Markets – Operations staff have commented that the legislation governing OEFC, the *Electricity Act, 1998*, may provide differing context from the OFA's objects and mandate under the *Capital Investment Plan Act, 1993*.~~

- With the proposed new security agreement between OPG Trust and IESO, OPG Trust would have a priority claim against potentially the Clean Energy Adjustment funds collected by or flowing~~n~~ through the IESO, the OEFC could find itself unable to collect payments due from the IESO. The likelihood of this scenario could be assessed as low.

Commented [JK1]: Or vice versa, their agreements with the OEFC but this is fine.

Commented [JK2]: Unless Documentation can provide specific differences that are significant, I suggest we delete.

Commented [OK3R2]: The fact that OFA's objects/mandate are detailed under CIPA is a distinct differentiation from OEFC. This is relevant as it goes to the reach of OFA, which OEFC does not share.

- ~~and~~ IESO is an agency of the government consolidated line-by-line in the Province's accounts. ~~[This was a bullet inserted by CMD – Operations.]~~

- The OFA agreed to IESO's requested changes to ~~included the requested changes in~~ the OFA credit facilities~~.~~

- OFA'S Capital Markets~~—~~ Operations staff have commented that the legislation governing OEFC, the *Electricity Act, 1998*, may provide differing context from the OFA's objects and mandate under the *Capital Investment Plan Act, 1993*, and any changes to the OEFC agreements should take this into account. ~~providing a precedent of having considered the changes/inclusion of the same request. Treating the current request differently by seeking either a Minister's directive or not granting the IESO its request would mean having to take steps on the OFA credit facilities which were either signed recently or amended recently.~~

Commented [JK4]: Given that we are moving towards a consensus, the rest of the sentence is moot.

Commented [JK5]: Unless Documentation can provide specific differences that are significant, I suggest we delete.

Commented [OK6R5]: The fact that OFA's objects/mandate are detailed under CIPA is a distinct differentiation from OEFC. This is only relevant as it goes to the reach of OFA. Not fussed if you wish to delete.

Commented [OK7]: The OFA and OEFC are different corporate entities, so treatment of each may be different depending on the circumstances, even when dealing with the same borrower.

Commented [OK8]: The OFA credit facility was provided pursuant to the minister's directive, so seeking a minister's directive wrt OEFC would be consistent with how OFA was treated. Not suggesting this is necessary.

RECOMMENDATIONS

- In order to support IESO's request in relation to its obligation with respect to FHP~~remain consistent with the language recently incorporated in existing IESO-OFA agreements~~, OFA staff are of the view that the exisiting OEFC Agreements can be amended to include liens related to FHP under the definition of the "permitted liens".

BACKGROUND

- In order to support IESO's role with the implementation of the OFHP Act, OFA staff made similar changes to the definition of 'permitted liens" in existing OFA-IESO credit facility agreements on November 6, 2017.

- Currently, under the existing credit facility agreements between OEFC and the IESO, the definition of "permitted liens" does not include any lien arising from the IESO's role and obligations under the OFHP, including with respect to any amount received or receivable by the IESO (such as, without limitation, amounts received or receivable in respect of the Clean Energy Adjustment), or any other lien, whether arising from the action or inaction of IESO, that is created in connection with the OFHP.

I will scan and send all documents you listed in their entirety, not just signature pages. Can you confirm, are you saying you want a scan of the $475MM grid note?

Just so I get it right, should I courier the hardcopies of the Intercept Letter and Note to your attention and address, Will? Call me if it's quicker.

Hi Victor,

Thank you for the update. When you send the soft copy signatures, would it be possible to include the signatures within the agreements?

You were probably going to include the following signed soft copies anyway but out of caution I have listed them below:

- Resolution of the Board of Directors
- Incumbency Certificate
- Intercept Letter
- $2 B Grid Note

- $475 MM Grid Note

Hardcopy of the Intercept Letter and $2B Grid Note – overnight delivery is fine.
Per s. 16 AA #10 - Anthony and I discussed on Friday that $475MM Grid note would be signed today but held by IESO until November 21. After the borrowing notice and election notices are actioned, OFA will produce the grid notes to evidence payment and advancements. IESO will then send the new $475MM prom note to OFA. Once received OFA will send the $975MM cancelled prom note to IESO.
Thanks,
Will

Hi Will – I have a signing meeting scheduled with our signatory at 2:30pm this afternoon – so I will send you counterpart signatures and a scanned version of the Intercept Letter by 3:00pm or possibly earlier.
Hardcopy of Intercept Letter to follow as you prefer – overnight or pickup? We also need to make arrangements re delivery of the $2Bn Grid Note.
Per s.16 of AA#10, the other Note for $475MM is to be delivered following the Effective Time in exchange for the return by OFA of the Nov 30 2016 Note for $975MM.

Section 2.1 Availability.

The OFA agrees, on the terms and conditions of this Agreement, to make Advances to the IESO. The OFA shall make each Advance in Dollars.

Section 2.2 Use of Proceeds.

The IESO shall use the proceeds of Advances for the purposes for which it is authorized to borrow funds pursuant to Regulation 280/14 made under the *Electricity Act, 1998*, as such regulation may be amended or replaced from time to time, subject to the condition that proceeds of Advances may be used only for IESO's financing needs and requirements of any kind arising in connection with the IESO's role with respect to and obligations under the OFHP.

Section 2.3 Credit Facility Limit.

The Advances Outstanding shall not at any time exceed the Commitment. The Credit Facility shall revolve and no payment under the Credit Facility shall reduce the Commitment.

Section 2.4 Mandatory Repayment.

Subject to Sections 2.5 and 5.2, the IESO shall repay each Advance together with the interest accrued thereon on the applicable Repayment Date, and, in any event, shall repay all Advances Outstanding, together with all accrued interest and all other amounts owing hereunder on September 30, 2022.

Section 2.5 Prepayments.

The IESO is not entitled to prepay any part of the Advances Outstanding or the interest accrued thereon without the prior written consent of the OFA.

Section 2.6 Payments under this Agreement.

(1) The OFA shall make Advances to the IESO under this Agreement to or to the order of the IESO by wire transfer of immediately available funds in accordance with wire transfer instructions given by the IESO to the OFA from time to time, or in such other manner as the IESO may specify to the OFA from time to time.

(2) The IESO shall make any payment required hereunder to be made by it to the OFA, to or to the order of the OFA, by wire transfer of immediately available funds in accordance with wire transfer instruction given by the OFA to the IESO from time to time, or in such other manner as the OFA may specify to the IESO from time to time. The IESO shall make each such payment in Canadian Dollars.

Section 2.7 Computations of Interest.

(1) All computations of interest shall be made by the OFA taking into account the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest is payable on the basis of a year of 365 days or 366 days, as the case may be.

(2) For the purposes of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest which is equivalent to a rate of interest payable under this Agreement for any period of less than a year may be determined by multiplying the rate of interest for such period by a fraction, the numerator of which is the actual number of days in a year commencing on and including the first day in such period and ending on but excluding the corresponding day in the next calendar year and the denominator of which is the actual number of days in such period.

Section 2.8 Limit on Rate of Interest.

(1) Notwithstanding any provision contained in this Agreement, the IESO shall not be obliged to make any payments of interest or other amounts payable to the OFA hereunder in excess of the amount or rate which would be prohibited by applicable law or would result in the receipt by the OFA of interest at a criminal rate (as such terms are construed under the *Criminal Code* (Canada)).

(2) In the event that any such payments are limited or prohibited as provided in Section 2.8(1), the OFA shall have no further obligation to make any Advances available hereunder and the Advances Outstanding, together with all accrued interest and all other amounts owing hereunder, shall become immediately due and payable.

Section 2.9 Application of Payments.

All payments made by the IESO under this Agreement shall be applied firstly to the payment of interest payable to the OFA on late payments of principal or interest hereunder, secondly, to the payment of accrued and unpaid interest payable to the OFA hereunder and thirdly, to the payment of the outstanding principal amount of any Advances payable to the OFA.

ARTICLE 3
ADVANCES

Section 3.1 Advances.

The OFA agrees, on the terms and conditions of this Agreement, to make Advances to the IESO under the Credit Facility from time to time on any Business Day prior to September 23, 2022.

Section 3.2 Procedure for Advances.

(1) Subject to Section 3.3(5), each Advance shall be made subject to two Business Days' prior notice given not later than 10:00 a.m. (Toronto time) by the IESO to the OFA. Each notice of an Advance (a "**Borrowing Notice**") shall be substantially in the form of Schedule 1, other than a Borrowing Notice that is included in an Election Notice as permitted by Section 3.3(3). Each Borrowing Notice shall be irrevocable and binding on the IESO and shall specify (a) the requested date of the Advance; (b) the principal amount of the Advance, and (c) the Repayment Date of the Advance which shall not be earlier than 5 days and not later than 95 days after the date of the requested Advance. Each Borrowing Notice shall also certify the use of proceeds of the Advance which shall in any case be in accordance with Section 2.2. The OFA will make the principal amount of each Advance available to the IESO in accordance with Article 2.

(2) On or before the date of the first Advance hereunder, the IESO shall execute and deliver to the OFA a grid promissory note in respect of Advances substantially in the form of Schedule 3 (the "**Grid Note**"). The IESO authorizes the OFA to record on the Grid Note (a) the date and amount of each Advance or Continued Advance; (b) the applicable rate of interest for each Advance or Continued Advance; (c) the Repayment Date of each Advance or Continued Advance; (d) the date and amount of each payment of interest and each payment of principal or portion thereof in respect of each Advance or Continued Advance; and (e) Advances Outstanding. Such notations, in the absence of manifest error, shall be *prima facie* evidence of such Advances and repayments; provided that the failure of the OFA to record any amount, rate or date shall not affect the obligation of the IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement.

(3) Respecting the first Advance to be made under this Agreement (the "**First Advance**"), a specified portion thereof (the "**Repayment Amount**") shall be used to repay a portion of the IESO's outstanding indebtedness to the OFA under the credit agreement between the Parties dated January 1, 2005, as amended (the "**Existing Credit Facility**"). The amount of the Repayment Amount shall be detailed in the Borrowing Notice issued in respect of the First Advance. Concurrently with the First Advance, OFA shall provide to IESO an updated grid in respect of the grid note issued under the Existing Credit Facility evidencing the repayment of the Repayment Amount thereunder.

Section 3.3 Elections Regarding Advances.

(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 5 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

(2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than

10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 5 days and not later than 95 days after the current Repayment Date (the "**New Repayment Date**"). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the Grid Note in accordance with Section 3.2(2).

(5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date.

(6) The Credit Facility shall at all times rank *pari passu* with all other unsubordinated and unsecured Indebtedness of the IESO, subject to the existence of any Liens that secure Indebtedness, as permitted by subections 4.6 (a) through (e) hereof.

(7) All amounts owing in respect of the Advances shall be paid without exercising any right of set off or counterclaim by the IESO.

Section 3.4 Interest on Advances.

(1) The IESO shall pay interest on the unpaid principal amount of each Advance in accordance with this Section 3.4 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the Repayment Date of such Advance, at an annual rate equal to the Province of Ontario's cost of funds for borrowings with a similar term as determined by the OFA plus 0.25 percent per annum, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after Default and shall be payable on the Repayment Date for such Advance. Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the

OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

Section 3.5 Conditions Precedent

The obligation of the OFA to make the Advances to the IESO pursuant to Section 2.1 is subject to the following conditions being satisfied to the OFA's satisfaction at the time of making each Advance:

(a) that the representations and warranties of the IESO contained in this Agreement are true and correct as at the date of making the Advance;

(b) that no Event of Default has occurred and is continuing;

(c) that there shall, in the reasonable opinion of the OFA, have been no material adverse change in the financial condition of the IESO or a Material Subsidiary; and

(d) that the OFA has received such other documentation which it has reasonably requested to ensure that the IESO is in compliance with the terms and conditions of this Agreement, including certified true copies of any necessary resolutions, a written legal opinion from counsel to the IESO confirming that the borrowing is within the legal powers of the IESO and that the Agreement is a direct, unsecured obligation of the IESO enforceable against the IESO in form satisfactory to the OFA.

Section 5.6 Delay or Omission not Waiver.

No delay or omission of the OFA to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Section 5.7 Intercept

(a) The IESO hereby acknowledges that, in accordance with the terms of the letter agreement of even date herewith entered between the Ministry of Energy, the IESO and the OFA made pursuant to Section 23 of the *Capital Investment Plan Act, 1993* (the "**Intercept Letter**"), the Minister of Finance is entitled to deduct only from those monies appropriated by the Legislature for payment through the Ministry of Energy to the IESO ("**Appropriated Funds**"), amounts equal to any amounts that the IESO fails to pay to the OFA on account of indebtedness under this Agreement. On the occurrence of an Event of Default relating to a failure by IESO to pay when due any amounts owing hereunder, subject to the OFA's compliance with any relevant provisions hereof and as set out in the Intercept Letter, the Minister of Finance is irrevocably authorized to deduct from the Appropriated Funds amounts equal to any amounts that the IESO has failed to pay to the OFA in accordance with the provisions of this Agreement and to pay such amounts directly to the OFA ("**Intercept**").

(b) If, after following the process specified in the Intercept Letter (including, without limitation, allowing for a reasonable cure period on the terms specified therein), the OFA determines that it is necessary to request the Minister of Finance to exercise the Intercept, the OFA will give written notice to the Minister of Finance, with a copy to the Ministry of Energy, detailing the IESO's failure to pay when due any amounts owing hereunder and requesting the deduction from the Appropriated Funds of amounts equal to the amounts that the IESO has failed to pay to the OFA under this Agreement.

(c) The IESO agrees that any notice from the OFA to the Minister of Finance in relation to this section 5.7 (Intercept) may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance and, upon receipt of such notice, an amount equal to the amount that the IESO has failed to pay when due to the OFA on account of indebtedness under this Agreement shall be deducted from the Appropriated Funds and paid to the OFA.

(d) For further certainty, the OFA acknowledges and agrees that the Intercept as provided for herein and in the Intercept Letter shall not apply with respect to any funds appropriated by the Legislature for payment to the IESO through ministries other than the Ministry of Energy or through Ontario Climate Change Solutions Deployment Corporation.

(e) The parties agree that, with respect to the exercise of the Intercept generally, the terms of this section 5.7 shall be applied consistently with the terms set out in the Intercept Letter which shall apply in full. Notwithstanding the foregoing, in the event of a conflict or

inconsistency between the terms and conditions of the Intercept Letter and the terms and conditions contained in this Agreement, the terms and conditions contained in this Agreement shall prevail.

Just so I get it right, should I courier the hardcopies of the Intercept Letter and Note to your attention and address, Will? Call me if it's quicker.

Hi Victor,

Thank you for the update. When you send the soft copy signatures, would it be possible to include the signatures within the agreements?

You were probably going to include the following signed soft copies anyway but out of caution I have listed them below:

- Resolution of the Board of Directors
- Incumbency Certificate
- Intercept Letter
- $2 B Grid Note

- $475 MM Grid Note

Hardcopy of the Intercept Letter and $2B Grid Note – overnight delivery is fine.
Per s. 16 AA #10 - Anthony and I discussed on Friday that $475MM Grid note would be signed today but held by IESO until November 21. After the borrowing notice and election notices are actioned, OFA will produce the grid notes to evidence payment and advancements. IESO will then send the new $475MM prom note to OFA. Once received OFA will send the $975MM cancelled prom note to IESO.
Thanks,
Will

Hardcopy of Intercept Letter to follow as you prefer – overnight or pickup? We also need to make arrangements re delivery of the $2Bn Grid Note.
Per s.16 of AA#10, the other Note for $475MM is to be delivered following the Effective Time in exchange for the return by OFA of the Nov 30 2016 Note for $975MM.

(2) The IESO shall make any payment required hereunder to be made by it to the OFA, to or to the order of the OFA, by wire transfer of immediately available funds in accordance with wire transfer instruction given by the OFA to the IESO from time to time, or in such other manner as the OFA may specify to the IESO from time to time. The IESO shall make each such payment in Canadian Dollars.

Section 2.7 Computations of Interest.

(2) For the purposes of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest which is equivalent to a rate of interest payable under this Agreement for any period of less than a year may be determined by multiplying the rate of interest for such period by a fraction, the numerator of which is the actual number of days in a year commencing on and including the first day in such period and ending on but excluding the corresponding day in the next calendar year and the denominator of which is the actual number of days in such period.

Section 2.8 Limit on Rate of Interest.

(1) Notwithstanding any provision contained in this Agreement, the IESO shall not be obliged to make any payments of interest or other amounts payable to the OFA hereunder in excess of the amount or rate which would be prohibited by applicable law or would result in the receipt by the OFA of interest at a criminal rate (as such terms are construed under the *Criminal Code* (Canada)).

(2) In the event that any such payments are limited or prohibited as provided in Section 2.8(1), the OFA shall have no further obligation to make any Advances available hereunder and the Advances Outstanding, together with all accrued interest and all other amounts owing hereunder, shall become immediately due and payable.

ARTICLE 3
ADVANCES

Section 3.1 Advances.

The OFA agrees, on the terms and conditions of this Agreement, to make Advances to the IESO under the Credit Facility from time to time on any Business Day prior to September 23, 2022.

Section 3.2 Procedure for Advances.

(1) Subject to Section 3.3(5), each Advance shall be made subject to two Business Days' prior notice given not later than 10:00 a.m. (Toronto time) by the IESO to the OFA. Each notice of an Advance (a "**Borrowing Notice**") shall be substantially in the form of Schedule 1, other than a Borrowing Notice that is included in an Election Notice as permitted by Section 3.3(3). Each Borrowing Notice shall be irrevocable and binding on the IESO and shall specify (a) the requested date of the Advance; (b) the principal amount of the Advance, and (c) the Repayment Date of the Advance which shall not be earlier than 5 days and not later than 95 days after the date of the requested Advance. Each Borrowing Notice shall also certify the use of proceeds of the Advance which shall in any case be in accordance with Section 2.2. The OFA will make the principal amount of each Advance available to the IESO in accordance with Article 2.

(2) On or before the date of the first Advance hereunder, the IESO shall execute and deliver to the OFA a grid promissory note in respect of Advances substantially in the form of Schedule 3 (the "**Grid Note**"). The IESO authorizes the OFA to record on the Grid Note (a) the date and amount of each Advance or Continued Advance; (b) the applicable rate of interest for each Advance or Continued Advance; (c) the Repayment Date of each Advance or Continued Advance; (d) the date and amount of each payment of interest and each payment of principal or portion thereof in respect of each Advance or Continued Advance; and (e) Advances Outstanding. Such notations, in the absence of manifest error, shall be *prima facie* evidence of such Advances and repayments; provided that the failure of the OFA to record any amount, rate or date shall not affect the obligation of the IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement.

(3) Respecting the first Advance to be made under this Agreement (the "**First Advance**"), a specified portion thereof (the "**Repayment Amount**") shall be used to repay a portion of the IESO's outstanding indebtedness to the OFA under the credit agreement between the Parties dated January 1, 2005, as amended (the "**Existing Credit Facility**"). The amount of the Repayment Amount shall be detailed in the Borrowing Notice issued in respect of the First Advance. Concurrently with the First Advance, OFA shall provide to IESO an updated grid in respect of the grid note issued under the Existing Credit Facility evidencing the repayment of the Repayment Amount thereunder.

Section 3.3 Elections Regarding Advances.

(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 5 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

(2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than

10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 5 days and not later than 95 days after the current Repayment Date (the "**New Repayment Date**"). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the Grid Note in accordance with Section 3.2(2).

(5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date.

(6) The Credit Facility shall at all times rank *pari passu* with all other unsubordinated and unsecured Indebtedness of the IESO, subject to the existence of any Liens that secure Indebtedness, as permitted by subections 4.6 (a) through (e) hereof.

(7) All amounts owing in respect of the Advances shall be paid without exercising any right of set off or counterclaim by the IESO.

Section 3.4 Interest on Advances.

(1) The IESO shall pay interest on the unpaid principal amount of each Advance in accordance with this Section 3.4 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the Repayment Date of such Advance, at an annual rate equal to the Province of Ontario's cost of funds for borrowings with a similar term as determined by the OFA plus 0.25 percent per annum, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after Default and shall be payable on the Repayment Date for such Advance. Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the

OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

Section 3.5 Conditions Precedent

The obligation of the OFA to make the Advances to the IESO pursuant to Section 2.1 is subject to the following conditions being satisfied to the OFA's satisfaction at the time of making each Advance:

(a) that the representations and warranties of the IESO contained in this Agreement are true and correct as at the date of making the Advance;

(b) that no Event of Default has occurred and is continuing;

(c) that there shall, in the reasonable opinion of the OFA, have been no material adverse change in the financial condition of the IESO or a Material Subsidiary; and

If an Event of Default occurs and is continuing, then and in every such case the OFA may at its option, in addition to any other remedy available to the OFA at law, by written notice to the IESO, take any or all of the following actions:

(a) suspend the right of the IESO to request any further Advance until the Event of Default has been cured to the OFA's satisfaction or, if the Event of Default is not

cured within three (3) Business Days after the date on which written notice of such Event of Default shall have been given to the IESO by the OFA, declare all amounts owing hereunder including all interest accrued to be due and payable immediately, by a notice in writing to the IESO, and upon any such declaration all such amounts shall become immediately due and payable.

(b) invoke the Intercept pursuant to section 5.7 of this Agreement to require payment of any amount due and payable under this Agreement.

Section 5.3 Suits for Enforcement by the OFA.

If an Event of Default occurs and is continuing, the OFA may proceed to protect and enforce the rights vested in it by this Agreement either by suit in equity or by action at law or by proceedings in bankruptcy or otherwise, whether for the specific enforcement of any covenant or agreement contained in this Agreement or in aid of the exercise of any power granted in this Agreement, or to enforce any other legal or equitable right vested in the OFA by this Agreement or by law.

Section 5.4 OFA May File Proof of Claim.

If proceedings for the receivership, insolvency, liquidation, bankruptcy, winding-up, reorganization, arrangement or composition of the IESO under any applicable law are pending, or if a receiver, trustee, custodian or other similar official shall have been appointed for the property of the IESO, or if any other judicial proceedings relative to the IESO, its creditors or its property are pending, the OFA shall be entitled and empowered, by intention in such proceeding or otherwise:

(a) to file and prove a claim for all amounts owing under this Agreement and to file such other papers or documents as may be necessary or advisable in order to have the claims of the OFA (including any claim for fees and disbursements of the OFA, its agents and counsel) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claim.

Section 5.5 Rights and Remedies Cumulative.

No right or remedy herein conferred upon or reserved to the OFA is intended to be exclusive of any other such right or remedy, and every such right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.6 Delay or Omission not Waiver.

No delay or omission of the OFA to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right or remedy given by this Article 5 or by law to OFA may be exercised from time to time, and as often as may be deemed expedient, by the OFA.

Section 5.7 Intercept

(a) The IESO hereby acknowledges that, in accordance with the terms of the letter agreement of even date herewith entered between the Ministry of Energy, the IESO and the OFA made pursuant to Section 23 of the *Capital Investment Plan Act, 1993* (the "**Intercept Letter**"), the Minister of Finance is entitled to deduct only from those monies appropriated by the Legislature for payment through the Ministry of Energy to the IESO ("**Appropriated Funds**"), amounts equal to any amounts that the IESO fails to pay to the OFA on account of indebtedness under this Agreement. On the occurrence of an Event of Default relating to a failure by IESO to pay when due any amounts owing hereunder, subject to the OFA's compliance with any relevant provisions hereof and as set out in the Intercept Letter, the Minister of Finance is irrevocably authorized to deduct from the Appropriated Funds amounts equal to any amounts that the IESO has failed to pay to the OFA in accordance with the provisions of this Agreement and to pay such amounts directly to the OFA ("**Intercept**").

(b) If, after following the process specified in the Intercept Letter (including, without limitation, allowing for a reasonable cure period on the terms specified therein), the OFA determines that it is necessary to request the Minister of Finance to exercise the Intercept, the OFA will give written notice to the Minister of Finance, with a copy to the Ministry of Energy, detailing the IESO's failure to pay when due any amounts owing hereunder and requesting the deduction from the Appropriated Funds of amounts equal to the amounts that the IESO has failed to pay to the OFA under this Agreement.

(c) The IESO agrees that any notice from the OFA to the Minister of Finance in relation to this section 5.7 (Intercept) may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance and, upon receipt of such notice, an amount equal to the amount that the IESO has failed to pay when due to the OFA on account of indebtedness under this Agreement shall be deducted from the Appropriated Funds and paid to the OFA.

(d) For further certainty, the OFA acknowledges and agrees that the Intercept as provided for herein and in the Intercept Letter shall not apply with respect to any funds appropriated by the Legislature for payment to the IESO through ministries other than the Ministry of Energy or through Ontario Climate Change Solutions Deployment Corporation.

(e) The parties agree that, with respect to the exercise of the Intercept generally, the terms of this section 5.7 shall be applied consistently with the terms set out in the Intercept Letter which shall apply in full. Notwithstanding the foregoing, in the event of a conflict or

inconsistency between the terms and conditions of the Intercept Letter and the terms and conditions contained in this Agreement, the terms and conditions contained in this Agreement shall prevail.

Hi Sarah,
I understand JF is drafting a response to John Kim's note that he was going to pass on to you. In the meantime I was looking over Kelly's presentation again regarding the FHP. In order to fund the SPV/Trust it looks like 51% of funds are coming from Tranche A senior debt and 49% are to come from Tranche B sub debt from OPG – "via OEFC". The PowerPoint is not incredibly detailed and I was trying to see if there was any more information in the emails I received from Kelly –but had no luck. Would John Kim be able to provide us with additional information about how this works?
I know the $120M and $160M OEFC-IESO facilities have no relation to funding this "Tranche B Sub-debt" but I was just wondering if OPG Trusts concerns with respect to having "security/priority on IESO's assets to the OPG Trust for the period of the first four years of the GA deferral" have more to do with this then they do with the OEFC-IESO credit agreements we are looking at now? I passed my comments regarding this along to JF and I understand that you are having a call later. Please let me know if there is anything you would like me to research further. But I agree with JF's view that we need more information before making IESO's suggested amendments.

The IESO will sell the right to collect deferred future revenue from ratepayers to the SPV in return for Global adjustment funding cash proceeds.
(The Province is providing both a service guarantee and a performance guarantee to ensure that the obligations of the IESO are carried out).

Notes:

* Tranche C sub debt from OPG via Capital Markets 5%

** Tranche B sub debt from OPG via OEFC 39% + Tranche C sub debt from OPG via OEFC 5%

*** Tranche A senior debt from Capital Markets 51%

The SPV structure is used to accomplish the following:

- SPV holds the right to charge customers for the benefit of debt holders;
- Allows the financing vehicle to be separated from OPG as an SPV structure is set up as generally single purpose entities with no other operations that could add risk to the SPV, dilute debt holder rights, allow parties from other operations to claim rights to the future recovery from customers or allow these other parties to initiate bankruptcy proceedings;
- Enables SPV to potentially get a higher credit rating than OPG;
- Supports consolidation with OPG provided accounting requirements arc satisfied;

This approach supports a number of objectives of the Global Adjustment Recovery Right:

- 51% external senior debt supports separation of the SPV from the Province
- 5% junior subordinated debt establishes OPG's "at risk" equity which supports separation of the SPV from the Province
- Subordinated debt provides flexibility to the financing structure and additional credit support to external debt holders
- Subordinated debt sourced from OPG (mainly funded by equity injection from the Province) minimizes impact on OPG credit metrics reducing risk of an OPG rating downgrade that could result in the SPV being consolidated directly with the Province as the SPY would be considered an arm of the Province.

Potential Documents For Documentation Review (where OEFC or OFA or Province are a party):

OEFC – OPG equity master subscription agreement term sheet (June)

Provincial service and performance guarantees re IESO

IESO needs a backstop credit facility in the event the SPV does not, or cannot, purchase “assets” from IESO (right to collect electricity bill payments).

Other documents look to me to be “indirect”, but we may be asked to comment on sub debt docs and the like (but the parties are the SPV and the bond market).

Hi Sarah and Malle,

As we have been working on the documents and OIC for the new OFA-IESO FHP credit facility, I was looking at the existing OFA OIC 675/97 (see page 10 of the attached .pdf) which underpins the existing 975M OFA-IESO credit facility as well as various other OFA loans. While there are no active IESO advances under this loan, there are other active OFA loans to third parties under this OIC.

Accompanying the 675/97 (on p. 14 of the attached .pdf) is a form of prom note issued

by the OFA to the Minister of Finance on any loans the OFA borrows from the Minister in relation to that OIC. I am trying to locate the executed prom note for this OIC675/97. We have looked in the Documentation safe and it is not in there.

Would you have any record of this prom note having been executed?

Thanks,

Sarah

Corp. Finance
Borrowing Bylaw
for the OFA

On the recommendation of the undersigned, the Lieutenant Governor, by and with the advice and concurrence of the Executive Council, orders that:

Sur la recommandation du soussigné, le lieutenant-gouverneur, sur l'avis et avec le consentement du Conseil des ministres, décrète ce qui suit :

WHEREAS pursuant to subsection 22(1) of the *Capital Investment Plan Act, 1993* (the "Act"), the Minister of Finance may purchase securities of or make loans to corporations established under subsection 2(1) of the Act in such amounts, at such times and on such terms and conditions as the Lieutenant Governor in Council considers expedient;

AND WHEREAS the Ontario Financing Authority (the "OFA") is a corporation established under subsection 2(1) of the Act;

AND WHEREAS pursuant to subsection 6(3) of the Act, the power of a corporation to borrow and issue securities, among other things, may only be exercised under the authority of a by-law that has been approved by the Minister of Finance;

AND WHEREAS the OFA wishes to borrow Six Hundred and Fifty-six Million Dollars from the Minister of Finance and has been authorized to do so by a borrowing by-law in accordance with the Act and approved by the Minister of Finance;

THEREFORE:

Pursuant to subsection 22 (1) of the Act, the Minister of Finance is authorized to lend a maximum of Six Hundred and Fifty-six Million Dollars in lawful money of Canada to the OFA on the following terms and conditions:

(a) the loan may be advanced in such amounts and at such time or times as required by the OFA;

(b) repayment of advances made under the loan plus accrued interest may be made in whole or in part at any time provided that the loan plus accrued interest shall be fully repaid by August 31, 2029;

(c) the OFA shall be entitled to use the loan as a revolving credit facility allowing for successive advances of moneys repaid under the loan, provided that the maximum principal amount of the loan outstanding at any time shall not exceed Six Hundred and Fifty-six Million Dollars;

(d) each advance (an "Advance") made under the loan hereby authorized shall bear interest at a rate which is determined as follows:

(i) from the date of advance to (but excluding) the date of repayment, the Advance shall bear interest at a per annum rate equivalent to the interest rate paid on ninety day Province of Ontario treasury bills (determined as at the auction date immediately preceding the date of the Advance), provided that if an Advance is outstanding for longer than ninety days, the interest rate shall be reset on the last day of each ninety day period (the "Reset Date") to the interest rate paid on ninety day Province of Ontario treasury bills as at the auction date immediately preceding the Reset Date for such ninety day period;

(ii) in the event that moneys included in an Advance are subsequently loaned by the OFA to third parties for the purposes contemplated in the Act, (a "Third Party Loan") the rate of interest payable by the OFA to the Province on the portion of the Advance so loaned may be adjusted at the option of the OFA effective as of the date of the Third Party Loan so that the per annum rate of interest payable by the OFA on such moneys is equivalent to either:

(A) the per annum rate of interest payable to the OFA under the Third Party Loan, or

(B) the per annum rate of interest payable to the OFA under the Third Party Loan less 25 basis points,

until but excluding the date on which the Third Party Loan is repaid, at which time the interest rate set out in subparagraph (i) shall again be applicable to that portion of the Advance; and

(iii) in the event that moneys described in subparagraph (ii), once repaid, are subsequently loaned to third parties again, subparagraph (ii) shall again be applicable in determining the interest rate payable to the Province on that portion of the Advance included in any subsequent loan, and so on, until the Advance shall be repaid to the Province in full;

(e) interest for any period of less than one year shall be payable for the actual number of days included in such period, computed on the basis of a 365-day year;

(f) the loan hereby authorized shall be evidenced by a promissory note in a form acceptable to the Minister of Finance.

MEMORANDUM TO: The Honourable Ernie Eves
Minister of Finance

SUBJECT: **Ontario Financing Authority 1999-2000 Borrowing OIC**

Attached for your approval and signature is an Order in Council (OIC) authorizing the Province to lend up to $656 Million to the Ontario Financing Authority ("OFA").

The amount authorized to be borrowed by the OFA from the Province will provide financing to Ontario Housing Corporation, Ontario Northland Transportation Commission and other public bodies. The borrowed funds can only be on-lent to these public bodies by the OFA for projects that have received approval from Management Board of Cabinet or the Minister of Finance or for specific lines of credit for cash management purposes.

The attached material contains supporting briefing notes and schedules. Staff are available to brief you should you have any questions regarding the OIC.

If you approve this request, will you please sign the proposed OIC so that it may be place on the agenda for the Cabinet meeting scheduled for March 10, 1999.

Bryne Purchase
Deputy Minister

ONTARIO FINANCING AUTHORITY

Issue:

An Order in Council (OIC) authorizing the Ontario Financing Authority (OFA) to borrow up to $656 million from the Province.

Comments:

- The OIC for $656 million will fund the OFA's lending requirements for the 1999/2000 fiscal year.

- The $656 million will be loaned to meet Government committments to Ontario Housing Corporation, Ontario Northland Transportation Commission and other public bodies as per attached schedule showing the projected use of funds for these organizations as well as the previous fiscal year advances.

- The OFA lends funds to public bodies, as an intermediary of the Province subject to the conditions and restrictions of the OFA Lending Policy.

- The OFA Lending Policy requires that the OFA Board approve an annual borrowing plan for the OFA that identifies;

  (i) the OFA's borrowing requirements for the year from the Province and any other sources; and

  (ii) the projects or purposes for which the borrowed funds will be used, including loans to public bodies for specific projects and contingencies.

- All necessary OFA Board and Management Board approvals must be in place before the OFA will execute this borrowing authority and on-lend funds to any government agency.

- Interest will be paid by the OFA to the Province under one of the following rates:

  - the Provincial 90-day Treasury Bill rate,
  - the rates charged by OFA on the corresponding loans by the OFA to government agencies, or
  - less 25 basis points on the said loans.

  This flexibility will allow the OFA to match the terms of the loan from the Province to the terms of the loans made by the OFA to government agencies.

RECOMMENDATION:

- Approval of the OIC authorizing a loan up to $656 million to the OFA.

1999-00 REVIEW OF OFA LENDING POLICY: FOR OFA LENDING UNDERTAKEN as an INTERMEDIARY of the PROVINCE

Issue

- Review of the OFA Lending Policy for lending activities undertaken where the OFA is acting as an intermediary of the Province.

Recommendation

- It is recommended that the OFA Board make no changes to the current OFA Lending Policy for the year 1999-00. No amendments are required to the Lending Policy since it still accurately reflects the lending activities of the OFA, and no change is anticipated in those lending activities.

Background

- Under the current Lending Policy, the OFA:

  (i) does not lend to public bodies, other than as an intermediary of the Province, without the prior approval of the OFA Board;

  (ii) advances loans to Crown Agencies and Other Public Bodies where the Province supports the provision of Provincial financing and it is advantageous to the Province for the OFA to provide the loan; and

  (iii) does not receive a fee from the Province or earn a profit for lending activities where it is acting as an intermediary on behalf of the Province.

- The Lending Policy requires that an annual borrowing plan for the OFA be provided to the OFA Board for approval along with a report outlining the status of all loans outstanding.

- Where Cabinet, Management Board of Cabinet or the Minister of Finance requests the OFA to advance a loan to a public body or authorizes the public body to borrow from the OFA, no further OFA Board approval is required.

- Where the Province has approved Provincial financing to a public body without specifying the role of the OFA, the OFA will advance the loan if:

  – the CEO of the OFA and the Director of Corporate Finance or a committee of the OFA Board or the Board has authorized the OFA to advance the loan; and

- there is sufficient allocation for the loan in the annual borrowing plan.

- The OFA will adhere to the lending terms and conditions outlined in the Lending Policy unless otherwise requested by Cabinet, Management Board of Cabinet or the Minister of Finance.

Promissory Note

For value received, the Ontario Financing Authority (the "Borrower") promises to pay to Her Majesty the Queen in right of Ontario as represented by the Minister of Finance, Province of Ontario (the "Lender") at the City of Toronto in lawful money of Canada, the lesser of;

(i) Two Billion One Hundred and Sixty Million Dollars; and
(ii) the aggregate unpaid principal balance of all advances made by the Lender as recorded on the reverse of this note or on any attachment described below;

at such time and on such other terms and conditions including the payment of interest as follows;

(a) the Borrower shall be entitled to advances of the loan (an "Advance") in such amounts and at such times as it requires;

(b) the Borrower shall be entitled to repay Advances plus accrued interest either in whole or in part and at such time or times as it determines provided that all Advances plus accrued interest shall be fully repaid by August 31, 2027;

(c) the Borrower shall be entitled to use the loan as a revolving credit facility allowing for successive advances of moneys repaid under the loan; provided that the maximum principal amount of the loan outstanding at any time shall not exceed Two Billion One Hundred and Fifty-Five Million Dollars;

(d) the Borrower shall pay to the Lender interest on each Advance at a rate which is determined as follows:

(i) from the date of advance to (but excluding) the date of repayment the Borrower shall pay to the Lender interest on the Advance at a per annum rate equivalent to the yield earned on ninety day Province of Ontario treasury bills (determined as at the auction date immediately preceding the date of the Advance), provided that if an Advance is outstanding for longer than ninety days, the interest rate shall be reset on the last day of each ninety day period (the "Reset Date") to the yield earned on ninety day Province of Ontario treasury bills as at the auction date immediately preceding the Reset Date for such ninety day period;

(ii) in the event that moneys included in an Advance are subsequently loaned by the Borrower to third parties for the purposes contemplated in the Act, (a "Third Party Loan") the rate of interest payable by the Borrower to the Lender on the portion of the Advance so loaned may be adjusted at the option of the Borrower effective as of the date of the Third Party Loan so that the per annum rate of interest payable by the Borrower on such moneys is equivalent to either

(A) the per annum rate of interest payable to the Borrower under the Third Party Loan, or

(B) the per annum rate of interest payable to the Borrower under the Third Party Loan less 25 basis points,

rather than the rate specified in subparagraph (i), until but excluding the date on which the Third Party Loan is repaid, at which time the interest rate set out in subparagraph (i) shall again be applicable to that portion of the Advance;

(iii) in the event that moneys described in subparagraph (ii), once repaid, are subsequently loaned to third parties again, subparagraph (ii) shall again be applicable in determining the interest rate payable to the Lender on that portion of the Advance included in any subsequent loan, and so on, until the Advance shall be repaid to the Province in full; and

(e) interest for any period of less than one year shall be payable for the actual number of days included in such period, computed on the basis of a 365-day year.

The undersigned authorizes the Lender to record on the reverse of this note or on any attachment to this note all advances, repayments and prepayments of principal and interest and the unpaid balance of principal from time to time. The undersigned agrees that in the absence of manifest error the record kept by the Lender on this note or any attachment shall be conclusive evidence of the matters recorded, provided that the failure of the Lender to record or correctly record any amount or date shall not affect the obligation of the undersigned to pay the outstanding principal amount of the Advances and interest.

Hi Opal,

Regarding the OEFC business plan, on Page 3 - Item 4. *Provide financial assistance, as required, to the Ontario Hydro successor corporations*, the first bullet is no longer accurate. The bullet covers results for 2016-2017, and while the OPG credit facility initially was 700M to Dec 2017, the was amended in September 2017:

> ***AND WHEREAS*** *OPG and OEFC have now agreed to increase the total commitment amount under the Agreement to an amount of up to Two Billion Three Hundred Fifty Million Dollars, with no more than One Billion Five Hundred Million Dollars to be advanced prior to January 1, 2018;*

I suggest we include something to this effect:

- Continued to monitor and implement financial assistance from OEFC to Ontario Power Generation (OPG), including a new credit facility of $700 million put in place for 2017 for the purpose of financing general corporate purposes, including the Darlington refurbishment project. The credit facility agreement was subsequently amended to increase the limit to $1.5 billion up to December 31, 2017 and $2.35 billion thereafter until December 31, 2018.

Additionally, we should update IESO's loan and Credit facility limits on the table on p. 29

- Monitoring a $120 million loan refinancing and a $160 million credit facility extension to the IESO, both expiring June 30, 2020, to provide the IESO with flexibility to meet financing and liquidity requirements.

Let me know if you have any comments, and I will update the draft.

Hi Sarah and Malle,

As we have been working on the documents and OIC for the new OFA-IESO FHP credit facility, I was looking at the existing OFA OIC 675/97 (see page 10 of the attached .pdf) which underpins the existing 975M OFA-IESO credit facility as well as various other OFA loans. While there are no active IESO advances under this loan, there are other active OFA loans to third parties under this OIC.

Accompanying the 675/97 (on p. 14 of the attached .pdf) is a form of prom note issued by the OFA to the Minister of Finance on any loans the OFA borrows from the Minister in relation to that OIC. I am trying to locate the executed prom note for this OIC675/97. We have looked in the Documentation safe and it is not in there.

Would you have any record of this prom note having been executed?

Thanks,
Sarah

MEMORANDUM TO: The Honourable Ernie Eves
Minister of Finance

SUBJECT: **Ontario Financing Authority 1999-2000 Borrowing OIC**

Attached for your approval and signature is an Order in Council (OIC) authorizing the Province to lend up to $656 Million to the Ontario Financing Authority ("OFA").

The amount authorized to be borrowed by the OFA from the Province will provide financing to Ontario Housing Corporation, Ontario Northland Transportation Commission and other public bodies. The borrowed funds can only be on-lent to these public bodies by the OFA for projects that have received approval from Management Board of Cabinet or the Minister of Finance or for specific lines of credit for cash management purposes.

The attached material contains supporting briefing notes and schedules. Staff are available to brief you should you have any questions regarding the OIC.

If you approve this request, will you please sign the proposed OIC so that it may be place on the agenda for the Cabinet meeting scheduled for March 10, 1999.

Bryne Purchase
Deputy Minister

ONTARIO FINANCING AUTHORITY

Issue:

An Order in Council (OIC) authorizing the Ontario Financing Authority (OFA) to borrow up to $656 million from the Province.

Comments:

- The OIC for $656 million will fund the OFA's lending requirements for the 1999/2000 fiscal year.

- The $656 million will be loaned to meet Government committments to Ontario Housing Corporation, Ontario Northland Transportation Commission and other public bodies as per attached schedule showing the projected use of funds for these organizations as well as the previous fiscal year advances.

- The OFA lends funds to public bodies, as an intermediary of the Province subject to the conditions and restrictions of the OFA Lending Policy.

- The OFA Lending Policy requires that the OFA Board approve an annual borrowing plan for the OFA that identifies;

  (i) the OFA's borrowing requirements for the year from the Province and any other sources; and

  (ii) the projects or purposes for which the borrowed funds will be used, including loans to public bodies for specific projects and contingencies.

- All necessary OFA Board and Management Board approvals must be in place before the OFA will execute this borrowing authority and on-lend funds to any government agency.

- Interest will be paid by the OFA to the Province under one of the following rates:

  - the Provincial 90-day Treasury Bill rate,
  - the rates charged by OFA on the corresponding loans by the OFA to government agencies, or
  - less 25 basis points on the said loans.

  This flexibility will allow the OFA to match the terms of the loan from the Province to the terms of the loans made by the OFA to government agencies.

RECOMMENDATION:

- Approval of the OIC authorizing a loan up to $656 million to the OFA.

1999-00 REVIEW OF OFA LENDING POLICY: FOR OFA LENDING UNDERTAKEN as an INTERMEDIARY of the PROVINCE

Issue

- Review of the OFA Lending Policy for lending activities undertaken where the OFA is acting as an intermediary of the Province.

Recommendation

- It is recommended that the OFA Board make no changes to the current OFA Lending Policy for the year 1999-00. No amendments are required to the Lending Policy since it still accurately reflects the lending activities of the OFA, and no change is anticipated in those lending activities.

Background

- Under the current Lending Policy, the OFA:

  (i) does not lend to public bodies, other than as an intermediary of the Province, without the prior approval of the OFA Board;

  (ii) advances loans to Crown Agencies and Other Public Bodies where the Province supports the provision of Provincial financing and it is advantageous to the Province for the OFA to provide the loan; and

  (iii) does not receive a fee from the Province or earn a profit for lending activities where it is acting as an intermediary on behalf of the Province.

- The Lending Policy requires that an annual borrowing plan for the OFA be provided to the OFA Board for approval along with a report outlining the status of all loans outstanding.

- Where Cabinet, Management Board of Cabinet or the Minister of Finance requests the OFA to advance a loan to a public body or authorizes the public body to borrow from the OFA, no further OFA Board approval is required.

- Where the Province has approved Provincial financing to a public body without specifying the role of the OFA, the OFA will advance the loan if:

  – the CEO of the OFA and the Director of Corporate Finance or a committee of the OFA Board or the Board has authorized the OFA to advance the loan; and

- there is sufficient allocation for the loan in the annual borrowing plan.

- The OFA will adhere to the lending terms and conditions outlined in the Lending Policy unless otherwise requested by Cabinet, Management Board of Cabinet or the Minister of Finance.
