The Issuer agrees to indemnify and hold harmless the Indenture Trustee, the Administrative Agent, each Funding Agent, each CP Conduit Purchaser, the Group Bank, each Non-Conduit Purchaser and each of their respective officers, directors, agents and employees (each, an "**Issuer indemnified person**") from and against any loss, liability, expense, damage or injury suffered or

sustained by such Issuer indemnified person by reason of (a) any acts, omissions or alleged acts or omissions arising out of, or relating to, activities of the Issuer pursuant to the Program Agreements to which it is a party; (b) a breach of any representation or warranty made or deemed made by the Issuer (or any of its officers) in any Program Agreement; or (c) a failure by the Issuer to comply with any applicable law or regulation or to perform its covenants, agreements, duties or obligations required to be performed or observed by it in accordance with the provisions of the Program Agreements, including, but not limited to, any judgment, award, settlement, reasonable attorneys' fees and other reasonable costs or expenses incurred in connection with the defense of any actual or threatened action, proceeding or claim, except to the extent such loss, liability, expense, damage or injury resulted from the gross negligence, bad faith or willful misconduct of such Issuer indemnified person or its officers, directors, agents, principals, employees or employers or includes any Excluded Taxes; provided that any payments made by the Issuer pursuant to this Section 3.8 shall be made solely from funds available pursuant to Section **[7.04]** of the Trust Indenture, shall be non-recourse other than with respect to such funds, and shall not constitute a claim against the Issuer to the extent that such funds are insufficient to make such payment.

3.9 Funding Agents

(a) The Funding Agent with respect to each CP Conduit Purchaser Group is hereby authorized to determine the Monthly Interest and Fees with respect to each Billing Period and such CP Conduit Purchaser Group. Any such determination by a Funding Agent, absent manifest error, shall constitute prima facie evidence of the accuracy of the calculation. Furthermore, the Funding Agent with respect to each CP Conduit Purchaser Group will maintain records sufficient to identify the percentage interest of the related CP Conduit Purchaser and the Group Bank with respect to such CP Conduit Purchaser Group holding an interest in the Series 2017-1 Senior Note registered in the name of such Funding Agent and any amounts owing thereunder.

(b) Upon receipt of funds on each Payment Date and the date of any Decrease, each Funding Agent shall pay such funds to the related CP Conduit Purchaser and/or the related Group Bank owed such funds. If a Funding Agent shall have paid to any CP Conduit Purchaser or Group Bank any funds that (i) must be returned for any reason (including bankruptcy); or (ii) exceeds that which such CP Conduit Purchaser or Group Bank was entitled to receive, such amount shall be promptly repaid to such Funding Agent by such CP Conduit Purchaser or Group Bank.

3.10 Taxes

(a) All payments by or on account of any obligation of the Issuer hereunder shall, to the extent allowed by law, be made free and clear of, and without deduction or withholding for or on account of, any present or future income, stamp or other taxes, levies, imposts, duties, charges, fees, deductions or withholdings, now or hereafter imposed, levied, collected, withheld or assessed by any Governmental Authority (collectively, "**Taxes**"), excluding (i) income taxes (including branch profit taxes, minimum taxes and taxes computed under alternative methods, at least one of which is based on or measured by net income), franchise taxes (imposed in lieu of income taxes), or any other taxes based on or measured by the net income of the Purchaser (but specifically excluding any taxes required to be withheld under Section 1446 of the *Internal Revenue Code* of 1986 (as amended, the "**Code**")) as a result of a present or former connection between the recipient and the jurisdiction of the governmental authority imposing such tax (other

than any such connection arising solely from the recipient having executed, delivered or performed its obligations or received a payment under, disposed of, or enforced, this Supplemental Indenture); and (ii) any Taxes imposed under FATCA (as defined below) (including in the case of (i) and (ii), any interest, penalties and additions to tax) (all such excluded taxes being hereinafter called "**Excluded Taxes**"). If any Taxes, other than Excluded Taxes, are required to be withheld from any amounts payable to a recipient hereunder, the amounts so payable to the recipient shall be increased, and the recipient shall be entitled to be paid by the Issuer the amount of such increase to the extent necessary to yield to the recipient (after payment of all such Taxes other than Excluded Taxes) interest or any such other amounts payable hereunder or thereunder at the rates or in the amounts specified hereunder. Where the amount payable by the Issuer is increased in accordance with the previous sentence, the Monthly Interest and Fees shall be increased by the amount of such increase. Whenever any Taxes are payable on or with respect to amounts distributed to a recipient, as promptly as possible thereafter the Issuer shall send to such recipient a certified copy of an original official receipt showing payment thereof.

(b) If a payment by or on account of any obligation of the Issuer hereunder would be subject to U.S. federal withholding Tax imposed by provisions of Chapter 4 of the Code ("**FATCA**") if the recipient of such payment were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such recipient shall deliver to the Issuer at the time or times prescribed by law and at such time or times reasonably requested by the Issuer such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Issuer as may be necessary for the Issuer to comply with their obligations under FATCA and to determine that such recipient has complied with it's obligations under FATCA or to determine the amount to deduct and withhold from such payment. If any form or certification it previously delivered by a recipient expires or becomes obsolete or inaccurate in any respect, the recipient shall update such form or certification or promptly notify the Issuer in writing of its legal inability to do so.

(c) If a recipient is legally entitled to receive a refund of any Taxes (other than Excluded Taxes) as to which it has been indemnified or with respect to which additional amounts have been paid to it hereunder or it is legally entitled to receive a credit or deduction with respect to such Taxes or with respect to such additional amounts that have been paid hereunder (in each case pursuant to Section 3.10(a)), it shall use commercially reasonable efforts to obtain or claim such refund, credit or deduction and pay over such refund or the value of such credit or deduction to the Issuer, together with any interest thereon.

3.11 Increased Costs

(a) (i) If any Regulatory Change (x) subjects any Non-Conduit Purchaser, CP Conduit Purchaser, Group Bank Purchaser or any Program Support Party (an "**Affected Person**") to any charge or withholding on or with respect to any Support Facility or this Supplemental Indenture or an Affected Person's obligations under a Support Facility or this Supplemental Indenture, or changes the basis of taxation of payments to any Affected Person of any amounts payable under any Support Facility or this Supplemental Indenture Agreement (except for changes in the rate of tax on the overall net income of an Affected Person or Excluded Taxes) or (y) imposes, modifies or deems applicable any reserve, assessment, fee, tax, insurance charge, special deposit or similar requirement against assets of, deposits with or for the account of, or liabilities of an Affected

Person, or credit extended by an Affected Person pursuant to a Support Facility or this Supplemental Indenture or (z) imposes any other condition the result of which is to increase the cost to an Affected Person of performing its obligations under a Support Facility or this Supplemental Indenture, or to reduce the rate of return on an Affected Person's capital or assets as a consequence of its obligations under a Support Facility or this Supplemental Indenture, or to reduce the amount of any sum received or receivable by an Affected Person under a Support Facility or this Supplemental Indenture, or to require any payment calculated by reference to the amount of interests or loans held or interest received by it, then, upon written request by such Affected Party (through the Funding Agent for its Purchaser Group if the Affected Party is a Program Support Provider, CP Conduit Purchaser or Group Bank) of a written request therefore to the Issuer, such Affected Party (through the Funding Agent for its Purchaser Group if the Affected Party is a Program Support Provider, CP Conduit Purchaser or Group Bank) shall be entitled to be paid, such amounts charged to such Affected Party or such amounts to otherwise compensate such Affected for such increased cost or such reduction, no later than the Payment Date following receipt by the Issuer of such request for compensation under this Section 3.11(a)(i), if such request is received by the Issuer no later than five (5) Business Days prior to the end of the Billing Period related to such Payment Date, and otherwise on the following Payment Date.

(ii) The Issuer acknowledges that any Affected Party may implement, as an internal institutional matter, measures in anticipation of a final or proposed Regulatory Change (including, without limitation, the imposition of internal charges on such Affected Party's interest or obligations under any Support Agreement or this Supplemental Indenture) and may commence recognizing the incurrence of charges by and seeking compensation under Section 3.11(a)(i) in connection with such measures, in advance of the effective date of such final or proposed Regulatory Change, and the Issuer agrees that such charges or compensation shall be payable, to the related Funding Agent, for the benefit of Affected Party, following demand therefor without regard to whether such proposed Regulatory Change has been adopted or whether such effective date has occurred; provided, that (I) the Affected Party shall provide sixty (60) days prior written notice to the Issuer of its intent to impose or incur any such charges or compensation, (II) an Affected Party shall not be compensated for any such amount pursuant to this subsection 3.11(a)(ii) relating to any period ending, and of which such Affected Party has had knowledge, more than ninety (90) days prior to the date that such Affected Party provided the Issuer with the written notice contemplated by the preceding clause (I) of this subsection 3.11(a)(ii), (III) if, after the payment by the Trust of any charges or compensation pursuant to this subsection 3.11(a)(ii), either (A) the Issuer requests in writing that the applicable Affected Party recompute any such charge or compensation in light of differences between a proposed Regulatory Change and the final effective version thereof or (B) the applicable Affected Party determines that the amount of the charge imposed on and required to be compensated by the Issuer exceeds the amount necessary to compensate it for the applicable Regulatory Change as contemplated by subsection 3.11(a)(i), then (x) the amount of such charge or compensation shall, from and after such determination, be reduced by the amount of such excess and (y) such Affected Party shall, within thirty (30) days of such determination, either repay the amount of such excess or credit the amount of such excess against future charges under this subsection 3.11(a)(ii). The Issuer further acknowledges that any charge or compensation demanded hereunder may take the form of a monthly charge to be assessed by such Affected Party.

(b) Each Affected Party claiming increased amounts described in subsection 3.11(a) of this Supplemental Indenture will furnish to the Issuer (together with its request for compensation) a certificate prepared in good faith setting forth the basis and the calculation of the amount (in reasonable detail) of each request by such Affected Party for any such increased amounts referred to in subsection 3.11(a) hereof. Any such certificate shall be conclusive absent manifest error. Failure on the part of any Affected Party to demand compensation for any amount pursuant to subsection 3.11(a) hereof with respect to any period shall not constitute a waiver of such Affected Party's right to demand compensation with respect to such period.

(a) Each of the Non-Conduit Purchasers, CP Conduit Purchasers, the Group Banks and the Funding Agents hereby irrevocably designates and appoints the Administrative Agent as the agent of such Person under this Supplemental Indenture and irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Supplemental Indenture and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Supplemental Indenture, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Supplemental Indenture, the Administrative Agent shall not have any duties or responsibilities except those expressly set forth herein, or any fiduciary relationship with any Non-Conduit Purchaser, any CP Conduit Purchaser, any Group Bank or any Funding Agent, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Supplemental Indenture or otherwise exist against the Administrative Agent.

(b) The Administrative Agent may execute any of its duties under this Supplemental Indenture by or through agents or attorneys in fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. (c) Neither the Administrative Agent nor any of its officers, directors, employees, agents, attorneys in fact or Affiliates shall be (i) liable for any action lawfully taken or omitted to be taken by it or such Person under or in connection with the Trust Indenture, this Supplemental Indenture or any other Program Agreement (except to the extent that any of the foregoing are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from its or such Person's own gross negligence or willful misconduct) or (ii) responsible in any manner to any of the Non-Conduit Purchasers, the CP Conduit Purchasers, the Group Banks or the Funding Agents for any recitals, statements, representations or warranties made by the Issuer, the IESO, the Manager or any officer thereof contained in this Supplemental Indenture or any other Program Agreement or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this

Supplemental Indenture or any other Program Agreement or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Supplemental Indenture, any other Program Agreement, or for any failure of any of the Issuer, the Manager or the IESO to perform its obligations hereunder or thereunder. The Administrative Agent shall not be under any obligation to any Non-Conduit Purchaser, any CP Conduit Purchaser, any Group Bank or any Funding Agent to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Supplemental Indenture, any other Program Agreement or to inspect the properties, books or records of the Issuer, the Manager or the IESO.

(e) The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Termination Event unless the Administrative Agent has received written notice from a Non-Conduit Purchaser, a CP Conduit Purchaser, a Group Bank, a Funding Agent, the Issuer or the Manager referring to the Trust Indenture or this Supplemental Indenture, describing such Termination Event and stating that such notice is a "notice of a Termination Event". In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give notice thereof to the Non-Conduit Purchasers, the Funding Agents, the Issuer Trustee and the Manager.

(f) Each of the Non-Conduit Purchasers, the CP Conduit Purchasers, the Group Banks and the Funding Agents expressly acknowledges that neither the Administrative Agent nor any of its officers, directors, employees, agents, attorneys in fact or Affiliates has made any representations or warranties to it and that no act by the Administrative Agent hereinafter taken, including any review of the affairs of the Issuer, the Manager or the IESO shall be deemed to constitute any representation or warranty by the Administrative Agent to any such Person. If no successor administrative agent has accepted appointment as Administrative Agent prior to the effective date of the resignation of the Administrative Agent, the retiring Administrative Agent may appoint, after consulting with the Non-Conduit Purchasers and the Funding Agents, a successor Administrative Agent from among the Non-Conduit Purchasers and the Funding Agents. If no successor administrative agent has accepted appointment by the date which is thirty (30) days following a retiring Administrative Agent's notice of resignation, the retiring Administrative Agent's resignation shall nevertheless thereupon become effective and Manager shall assume and perform all of the duties of the Administrative Agent hereunder until such time, if any, as the Requisite Series 2017-1 Noteholders appoint a successor administrative agent as provided for above. expressly set forth herein, or any fiduciary relationship with any CP Conduit Purchaser or Group Bank and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Supplemental Indenture or otherwise exist against each Funding Agent.

(b) Each Funding Agent may execute any of its duties under this Supplemental Indenture by or through agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. Each Funding Agent shall not be responsible to the CP Conduit Purchaser or any Group Bank in its CP Conduit Purchaser Group for the negligence or misconduct of any agents or attorneys in fact selected by it with reasonable care.

(c) Each Funding Agent and any of its officers, directors, employees, agents, attorneys in fact or Affiliates shall not be (i) liable for any action lawfully taken or omitted to be taken by it or such Person under or in connection with the Trust Indenture, this Supplemental Indenture or any other Program Agreement (except to the extent that any of the foregoing are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from its or such Person's own gross negligence or willful misconduct) or (ii) responsible in any manner to any of the CP Conduit Purchasers and/or Group Banks for any recitals, statements, representations or warranties made by the Issuer, the Manager or the IESO, or any officer thereof contained in this Supplemental Indenture or any other Program Agreement or in any certificate, report, statement or other document referred to or provided for in, or received by such Funding Agent under or in connection with, this Supplemental Indenture or any other Program Agreement or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Supplemental Indenture, any other Program Agreement, or for any failure of any of the Issuer, the Manager or the IESO to perform its obligations hereunder or thereunder. Each Funding Agent shall not be under any obligation to the CP Conduit Purchaser or any Group Bank in its CP Conduit Purchaser Group to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Supplemental Indenture, any other Program Agreement or to inspect the properties, books or records of the Issuer, the Manager or the IESO.

(d) Each Funding Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter or telecopy message, statement, order or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including, without limitation, counsel to the Issuer, the Manager or the IESO), independent accountants and other experts selected by such Funding Agent. Each Funding Agent shall be fully justified in failing or refusing to take any action under this Supplemental Indenture or any other Program Agreement unless it shall first receive such advice or concurrence of the Related Purchaser Group, as it deems appropriate or it shall first be indemnified to its satisfaction by the Related Purchaser Group against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action.

(e) Each Funding Agent shall not be deemed to have knowledge or notice of the occurrence of any Termination Event unless such Funding Agent has received written notice from a Non-Conduit Purchaser, a CP Conduit Purchaser, a Group Bank, the Issuer, the Manager or the Administrative Agent referring to the Trust Indenture or this Supplemental Indenture, describing such Termination Event and stating that such notice is a "notice of a Termination Event," as the case may be. In the event that any Funding Agent receives such a notice, such Funding Agent shall give notice thereof to the CP Conduit Purchaser and Group Bank in its CP Conduit Purchaser Group. Such Funding Agent shall take such action with respect to such event as shall

be reasonably directed by the CP Conduit Purchaser and Group Bank in its CP Conduit Purchaser Group, provided that unless and until such Funding Agent shall have received such directions, such Funding Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such event as it shall deem advisable in the best interests of the CP Conduit Purchaser and Group Bank in its CP Conduit Purchaser Group.

(f) Each CP Conduit Purchaser and each of the related Group Banks expressly acknowledge that neither its Funding Agent nor any of its officers, directors, employees, agents, attorneys in fact or Affiliates has made any representations or warranties to it and that no act by such Funding Agent hereinafter taken, including any review of the affairs of the Issuer, the Manager or the IESO shall be deemed to constitute any representation or warranty by such Funding Agent to any such Person. Each CP Conduit Purchaser and each of the related Group Banks represents to its Funding Agent that it has, independently and without reliance upon such Funding Agent and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Issuer, the Manager and the IESO and made its own decision to enter into this Supplemental Indenture. Each CP Conduit Purchaser and each of the related Group Banks also represents that it will, independently and without reliance upon its Funding Agent and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Supplemental Indenture and the other Program Agreements, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other conditions and creditworthiness of the Issuer, the Manager and the IESO.

(g) Each Group Bank in a CP Conduit Purchaser Group agrees to indemnify its Funding Agent in its capacity as such (to the extent not reimbursed by the Issuer and without limiting the obligation of the Issuer to do so), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever which may at any time be imposed on, incurred by or asserted against such Funding Agent in any way relating to or arising out of this Supplemental Indenture, any of the other Program Agreements or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Funding Agent under or in connection with any of the foregoing; provided that no Group Bank shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from such related Funding Agent's gross negligence or willful misconduct. The agreements in this Section shall survive the payment of all amounts payable hereunder.

ARTICLE 9
GENERAL

9.1 Successor and Assigns

(a) This Supplemental Indenture shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, except that (i) the Issuer may not assign or transfer any of its rights under this Supplemental Indenture without the prior written consent of all of the Series 2017-1 Noteholders; (ii) no Non-Conduit Purchaser may assign or transfer any of its rights under this Supplemental Indenture other than pursuant to paragraph (e) or (f) below;

(iii) no CP Conduit Purchaser may assign or transfer any of its rights under this Supplemental Indenture other than to the Group Bank with respect to such CP Conduit Purchaser or a Program Support Provider with respect to such CP Conduit Purchaser or pursuant to clause (b) or (e) below of this Section 9.1; and (iv) no Group Bank may assign or transfer any of its rights or obligations under this Supplemental Indenture except to a Program Support Provider or pursuant to clause (c), (d) or (e) below of this Section 9.1.

(b) Without limiting the foregoing, each CP Conduit Purchaser may assign all or a portion of the Purchaser Group Principal Amount with respect to such CP Conduit Purchaser and its rights and obligations under this Supplemental Indenture to a Conduit Assignee with respect to such CP Conduit Purchaser. Prior to or concurrently with the effectiveness of any such assignment (or if impracticable, immediately thereafter), the assigning CP Conduit Purchaser shall notify the Administrative Agent and the Issuer. Upon such assignment by a CP Conduit Purchaser to a Conduit Assignee, (i) such Conduit Assignee shall be the owner of the Purchaser Group Principal Amount or such portion thereof with respect to such CP Conduit Purchaser; (ii) the related administrative or managing agent for such Conduit Assignee will act as the administrative agent for such Conduit Assignee hereunder, with all corresponding rights and powers, express or implied, granted to the Funding Agent hereunder; (iii) such Conduit Assignee and its liquidity support provider(s) and credit support provider(s) and other related parties shall have the benefit of all the rights and protections provided to such CP Conduit Purchaser herein (including, without limitation, any limitation on recourse against such Conduit Assignee as provided in this paragraph); (iv) such Conduit Assignee shall assume all of such CP Conduit Purchaser's obligations, if any, hereunder with respect to such portion of the Purchaser Group Principal Amount and such CP Conduit Purchaser shall be released from such obligations; (v) all distributions in respect of the Purchaser Group Principal Amount or such portion thereof with respect to such CP Conduit Purchaser shall be made to the applicable agent or administrative agent, as applicable, on behalf of such Conduit Assignee; and (vi) if requested by the Administrative Agent or the agent or administrative agent with respect to the Conduit Assignee, the parties will execute and deliver such further agreements and documents and take such other actions as the Administrative Agent or such agent or administrative agent may reasonably request to evidence and give effect to the foregoing. No assignment by any CP Conduit Purchaser to a Conduit Assignee of the Purchaser Group Principal Amount with respect to such CP Conduit Purchaser shall in any way diminish the obligations of the Group Bank with respect to such CP Conduit Purchaser under Section 3.3 to fund any Increase.

(c) Any Group Bank may, in the ordinary course of its business and in accordance with applicable law, at any time sell all or any part of its rights and obligations under this Supplemental Indenture and the Series 2017-1 Senior Notes, with the prior written consent of the Administrative Agent and the Issuer (in each case, which consent shall not be unreasonably withheld), to one or more banks (an "**Acquiring Group Bank**") pursuant to a transfer supplement, substantially in the form of Exhibit H (the "**Transfer Supplement**"), executed by such Acquiring Group Bank, such assigning Group Bank, the Funding Agent with respect to such Group Bank, the Administrative Agent and the Issuer and delivered to the Administrative Agent. Bank Participants") participations in its Commitment Amount with respect to its related CP Conduit Purchaser Group, its Series 2017-1 Senior Note and its rights hereunder pursuant to documentation in form and substance satisfactory to such Group Bank and the Group Bank Participant; provided, however, that (i) in the event of any such sale by a Group Bank to a Group Bank Participant, (A) such Group Bank's obligations under this Supplemental Indenture shall remain unchanged, (B) such Group Bank shall remain solely responsible for the performance thereof, and (C) the Issuer and the Administrative Agent shall continue to deal solely and directly with such Group Bank in connection with its rights and obligations under this Supplemental Indenture; and (ii) no Group Bank shall sell any participating interest under which the Group Bank Participant shall have rights to approve any amendment to, or any consent or waiver with respect to, this Supplemental Indenture, the Trust Indenture or any Program Agreement, except to the extent that the approval of such amendment, consent or waiver otherwise would require the unanimous consent of all Group Banks hereunder. A Group Bank Participant shall have the right to receive compensation pursuant to Section 3.11 but only to the extent that the related selling Group Bank would have had such right absent the sale of the related participation and, with respect to amounts due pursuant to Section 3.11, only to the extent such Group Bank Participant shall have complied with the provisions of Section 3.11 as if such Group Bank Participant were a Group Bank.

(e) Any CP Conduit Purchaser and the Group Bank with respect to such CP Conduit Purchaser may at any time sell all or any part of their respective rights and obligations, and any Non-Conduit Purchaser may at any time sell all or any part of its rights and obligations, under this Supplemental Indenture and the Series 2017-1 Senior Notes, with the prior written consent of the Administrative Agent and the Issuer (in each case, which consent shall not be unreasonably withheld), (x) to a multi-seller commercial paper conduit and one or more banks providing support to such multi-seller commercial paper conduit, or (y) to a financial institution or other entity (an "**Acquiring Purchaser Group**") pursuant to a transfer supplement, substantially in the form of Exhibit I (the "**Purchaser Group Supplement**"), executed by such Acquiring Purchaser Group (including the CP Conduit Purchaser and the Group Banks, if any, with respect to such Acquiring Purchaser Group), the Funding Agent, if any, with respect to such Acquiring Purchaser Group, such assigning Purchaser Group (including the Group Banks, if any, with respect to such assigning Purchaser Group), the Funding Agent, if any, with respect to such assigning Purchaser Group and the Administrative Agent and the Issuer and delivered to the Administrative Agent.

(f) Any Non-Conduit Purchaser may, in the ordinary course of its business and in accordance with applicable law, at any time sell to one or more financial institutions or other entities ("**Non-Conduit Purchaser Participants**") participations in its Commitment, its Series 2017-1 Senior Note and its rights hereunder pursuant to documentation in form and substance satisfactory to such Non-Conduit Purchaser and the Non-Conduit Purchaser Participant; provided, however, that (i) in the event of any such sale by a Non-Conduit Purchaser to a Non-Conduit Purchaser Participant, (A) such Non-Conduit Purchaser's obligations under this Supplemental Indenture shall remain unchanged, (B) such Non-Conduit Purchaser shall remain solely responsible for the performance thereof, and (C) the Issuer and the Administrative Agent shall continue to deal solely and directly with such Non-Conduit Purchaser in connection with its rights and obligations under this Supplemental Indenture; and (ii) no Non-Conduit Purchaser shall sell any participating interest under which the Non-Conduit Purchaser Participant shall have rights to approve any amendment to, or any consent or waiver with respect to, this Supplemental

Indenture, the Trust Indenture or any Program Agreement, except to the extent that the approval of such amendment, consent or waiver otherwise would require the unanimous consent of all Series 2017-1 Noteholders hereunder. A Non-Conduit Purchaser Participant shall have the right to receive compensation under Section 3.11 but only to the extent that the related selling Non-Conduit Purchaser would have had such right absent the sale of the related participation and, with respect to amounts due pursuant to Section 3.11, only to the extent such Non-Conduit Purchaser Participant shall have complied with the provisions of Section 3.11 as if such Non-Conduit Purchaser Participant were a Non-Conduit Purchaser.

(g) The Issuer authorizes each Group Bank and Non-Conduit Purchaser to disclose to any Group Bank Participant, Acquiring Group Bank, Non-Conduit Purchaser Participant or Acquiring Purchaser Group (each, a "**Transferee**") and any prospective Transferee any and all financial information in such Group Bank's or Non-Conduit Purchaser's possession concerning the Issuer, the Issuer Investment Asset and the Program Agreements which has been delivered to such Group Bank by the Issuer or the Manager in connection with such Group Bank's credit evaluation of the Issuer and the Issuer Investment Asset.

(h) Notwithstanding any other provision of this Supplemental Indenture to the contrary, any Non-Conduit Purchaser, any Group Bank or any Program Support Provider may at any time pledge or grant a security interest in all or any portion of its rights under its Series 2017-1 Senior Note and this Supplemental Indenture to secure obligations of such Non-Conduit Purchaser, such Group Bank or such Program Support Provider to a Federal Reserve Bank or the Bank of Canada, without notice to or consent of the Administrative Agent, the Issuer or the Administrator; provided that no such pledge or grant of a security interest shall release a Non-Conduit Purchaser or an Group Bank from any of its obligations hereunder or substitute any such pledgee or grantee for such Non-Conduit Purchaser or such Group Bank as a party hereto.

9.2 Waiver

Without limiting the requirements of Section 11.02 of the Trust Indenture which shall be applicable to this Supplemental Indenture, no waiver of any provision of this Supplemental Indenture or consent to any departure by the Issuer from any provision of this Supplemental Indenture will be effective (in whole or in part) unless in writing and signed by the Requisite Series 2017-1 Noteholders. Such waiver will be effective only in the specific instance, for the specific purpose and for the specific length of time for which it is given by the Requisite Series 2017-1 Noteholders.

The rights and remedies herein provided are cumulative and not exclusive of any remedies provided by applicable law.

This Supplemental Indenture, the Fee Letter, the Trust Indenture and the other Program Agreements contain the entire agreement between the parties relative to the subject matter hereof and supersede all prior and contemporaneous agreements, term sheets, commitments, understandings, negotiations and discussions, whether oral or written. (a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

Further to OPG's response to our proposals, please find attached a discussion document drafted by our outside legal counsel Stephen Ashbourne and based on discussions amongst our Provincial legal teams.

This document sets out a number of questions that we need to consider and answer in order to respond to OPG with the Province's position.

A meeting amongst this group would be useful to discuss these issues and to inform a response to OPG.

Toby – further to discussions between OPG and the Province, please find attached comments on the draft proposal under the Change of Law Protection Agreement (blacklined to the draft circulated below). The attached reflects our comments from accounting, operational and financeability

perspectives. In particular, the financeability of the program will turn on whether there is a clear and concise way for investors to determine that an incurrence of funding obligations will be covered under the Change of Law Protection Agreement and that, once confirmed, the confirmation is irrevocable. Accordingly, we have proposed in the attached that a simple confirmation from OPG to a third party binds the Province in respect of the incurrence of the applicable funding obligations provided that OPG has satisfied the requirements of the approval process (which we propose be the subject of a separate procedures agreement or memo). Please note that the attached remains subject to the review of the working group including the dealers and the rating agencies.

Nina

Please find attached our comments on your response of October 6. We have moved the text of your email to the attached document and responded inline in square brackets for ease of review.

We recognize that we are running out of time, and that we should discuss and move this forward at the beginning of next week.

We also generally recognize that, although there are still some gaps in our respective approaches, we would find it helpful to have some more specific suggestions and comments on our Sept. 27 draft in order to help move this forward. This might include also the timing issues, with some indication of where, if OPG finds the timing does not work, some alternatives can be suggested for consideration.

Toby,

Thank you for your draft proposal; we have set out below our conceptual comments and concerns on it. Please note that the points below remain subject to the continuing review of OPG. Please also note that we have not yet sought the dealers' views on the proposal. We think it is premature to do so until we settle these points amongst ourselves and a revised draft of the proposal is circulated reflecting our agreement.

As further discussed below, your proposal deviates in some key ways from what we proposed in our email of September 19 (attached) and raises the accounting and operational issues we tried to avoid in the September 19th proposal. Given the need to settle the Protection Agreement as soon as possible, we'd appreciate if we could discuss these points early next week.

Best Regards,
Nina

Accounting Issues:
E&Y has concerns from an accounting perspective with the level of Provincial oversight and input on certain parts of the process, namely:

-that OPG will likely have to go back to the Province on each incurrence of debt and they will have to do so prior to that incurrence
-that OPG must certify and provide a lot of detailed reporting with respect to each incurrence of debt
-the level of frequency of reporting in general (not just the certifications/information noted above but also the contemplated annual forecasts and quarterly updates of those forecasts)
-the negative pledge with respect to the exercise of certain options on the debt
-the fact that OPG must give notice to the Province when incurring funding obligations that are expressly excluded from the Protection Agreement

Taken as a whole, we understand that E&Y sees all of this as the Province exerting a level of control

on the debt that no typical guarantor would have. Please also advise if the Province's accountants have reviewed the proposal.

Practical Issues:

- The procedural steps to bind the Province are lengthy and complicated. From our perspective, as drafted, OPG will likely have to seek Provincial approval on each debt issuance (which weakens the accounting as discussed above). The dealers and their counsel will have a reaction to the proposed adherence conditions but query whether there is value in setting out the adherence conditions in the Protection Agreement itself. Setting aside the mechanics of how we get there, the dealers want comfort that the incurrence of obligations by the financing entity will be covered by the Protection Agreement. We would propose that the mechanics of any approval process (once we settle the terms of that process) be the subject of a separate procedures agreement or memo from the Province to OPG, whereby the Province delegates to OPG the ability to bind the Province under the Protection Agreement with respect to an incurrence of obligations so long as the adherence conditions in the procedures agreement or memo have been met. The Protection Agreement would then simply state that, upon OPG certifying to the indenture trustee that the adherence conditions have been satisfied under the procedures agreement/memo, the Province will be deemed to be bound under the Protection Agreement with respect to the specific obligations incurred at the time of the certification.
- In addition to the accounting concerns, the level of detail and frequency of reporting required present timing and operational issues. For example, as part of the adherence conditions, you are asking for details on the interest rate. However, pricing will in part be driven off whether that specific incurrence will have the benefits of the Protection Agreement.

Drafting Issues:

- Please refer to the existing terminology of the Act to ensure there is certainty on the obligations covered under the Protection Agreement. We think the best way for you to approach this would be to refer to all finance amounts and then expressly carve out what you are proposing not be covered.
- We'd like to understand the reason OPG's management fees have been excluded. We assume you do not intend for OPG's reimbursement costs (costs incurred by OPG on behalf of the Financing Entity) to be excluded? Please advise why taxes are being excluded?
- There are a few references to "exceed the maximum amount specified therefor in the applicable governing document". Please advise what is being contemplated here.
- We have a number of other drafting comments which we'll revisit once we've settled on the conceptual points above and have reviewed a revised draft of the document.

Steve, Malle and Toby, further to our meeting the other day, set out below for your review is a proposal on the Provincial approval process under the Change of Law Assumption Agreement. Once we have your feedback on this, we will need to share it with Osler and the accountants and as John mentioned, we are under some time pressure to bring this to a resolution prior to the upcoming June 29 OPG Board meeting. We look forward to your comments, and feel free to reach out if you have any questions. -- Rima

Obligor Approval

The Change of Law Assumption Agreement will apply to all Specified Claims relating to Funding Obligations that are incurred by an Eligible Financing Entity in accordance with the Obligor's approval process. The definition of Specified Claims to be mutually agreed by all parties.

In order for a Financing Entity to become designated as an Eligible Financing Entity by the Obligor, prior to the initial issuance of Funding Obligations by such Financing Entity, the Obligor will be provided with copies of the following documents (collectively the "Program Documents") for review:

(i) the constating documents of such Financing Entity;
(ii) the management agreement between the Financing Entity and OPG;
(iii) the master transfer and servicing agreement between the Financing Entity and the IESO;
(iv) the master trust indenture governing the issuance of Funding Obligations by the Financing Entity;
(v) a form of supplemental indenture governing the issuance of bonds, issuable in series, by the Financing Entity;
(vi) a form of note purchase agreement or credit agreement governing the issuance of short term Funding Obligations by the Financing Entity;
(vii) a form of schedule to an ISDA Master Agreement governing derivative transactions that may be entered into the Financing Entity from time to time; and
(viii) such other documents as may be requested by the Obligor.

Once a Financing Entity is designated by the Obligor as an Eligible Financing Entity, it will not be necessary for the Obligor to approve the documentation related to specific issuances of Funding Obligations; however, OPG will be expected to notify the Obligor of any new material program documentation or any material amendments to existing program documentation before such new

documentation or amendments become effective. The failure of OPG to provide any such notice will not invalidate the application of the Change of Law Assumption Agreement to any Specified Claims.

It will not be necessary for the Obligor to approve each new issuance of Funding Obligations provided that such Funding Obligations are issued in accordance with following:

(1) The Funding Obligations are issued in accordance with agreements that contain: (a) covenants of the Eligible Financing Entity that are no more onerous in any material respect and (b) events of default that are consistent in all material respects, respectively, with the covenants of the Eligible Financing Entity and events of default contained in the draft Program Documents.

(2) At least [30 days] prior to the initial issuance of Funding Obligations by an Eligible Financing Entity, OPG will provide the Obligor with a forecast of the principal amount and expected term of the Funding Obligations that OPG expects such Eligible Financing Entity to issue in accordance with the Financing Plan in the next two years (a "Two Year Forecast"). The execution of the Change of Law Assumption Agreement in respect of such Eligible Financing Entity shall constitute the Obligor's approval of the issuance of Funding Obligations by such Eligible Financing Entity in accordance with the Two Year Forecast.

(3) OPG shall provide the Obligor with an updated Two Year Forecast between 9 and 12 months prior to the expiry of each current Two Year Forecast.

(4) Unless the Obligor provides OPG with a written notice no later than 3 months prior to the date following receipt of the current Two Year Forecast that the Change of Law Assumption Agreement will be inapplicable with respect to new Funding Obligations incurred following the expiry of the current Two Year Forecast, the Obligor will be deemed to approve the application of the Change of Law Assumption Agreement to all Funding Obligations incurred up to the expiry of the new Two Year Forecast.

At the time of issuance of Funding Obligations by an Eligible Financing Entity, the Financing Entity will provide (i) any required certifications to the underwriters/agents that such Funding Obligations are covered by the Change of Law Assumption Agreement; and (ii) notice to the Obligor of the material terms of the Funding Obligations issued, together with electronic copies of the final executed Program Documents.

Questions for MOE and OFA to consider regarding OPG's Proposed Adherence Terms

A. Scope of Province's Obligations under the Change of Law Protection Agreement (**CLPA**)

1. On a Protection Event, should the Province become responsible for the payment of taxes (if any) owing by the Financing Entity?

2. On a Protection Event, should the Province become liable to pay amounts owing by the Financing Entity to OPG (e.g., FSM fees and expenses)?

3. On a Protection Event, should all available funds (e.g., funds accumulated in sinking funds) be immediately applied to reduce the amount that the Province would be liable for under the CLPA?

4. Should the Province set a "Protection Agreement Maximum" (previously called the "Program Maximum") that measures and relates only to "principal amounts"? In other words, should the limitation be tied only to principal obligations, while the Province's actual obligations would automatically extend, without specific quantum limits, to the other payment obligations under "funding obligations" (e.g., interest, swaps, standby liquidity commitment fees, servicer fees and expenses)?

5. Is the Province comfortable guaranteeing contingent obligations (e.g., indemnity obligations) of the Financing Entity? If so, should the Province require that such contingent obligations be "capped" within the funding obligation itself or should the exposure of the Province be otherwise limited under the CLPA?

6. Should the Province be required to deposit funds to meet sinking fund or collateral deposits (i.e., deposit obligations incorporated in the financing structure on the basis that the "clean energy" cash flows will service the obligations, rather than the Province), notwithstanding that the Province would have become primarily liable for payment obligations under the CLPA?

B. Adhesion

7. Is the Province okay splitting the maximum exposure limitations and "process-related" matters (see below) into a separate agreement - away from the terms of the agreement under which the Province's payment obligations would bind the Province opposite the Indenture Trustee? OPG proposes this in order to keep the optics of the CLPA as simple and straightforward as possible. In other words, is the Province prepared to leave all of the important details regarding what OPG is supposed to do before incurring an obligation that binds the Province to a side agreement with OPG, that is opaque to the Indenture Trustee and Underwriters at the time a funding obligation is incurred and not requiring any third party to have notice or regard to the Province's requirements?

8. OPG proposes that delivery of an officers' certificate to a third party, in OPG's capacity as FSM, will in and of itself bind the Province under the CLPA. That certificate would simply indicate that the Province is bound under the CLPA with respect to the specified funding obligation. It would not be addressed to the Province (although a pre-closing certificate is contemplated to be delivered to the Province) and the "Protection Agreement Maximum" concept would not be incorporated as a specific condition (other

than to the extent that OPG is bound to the Province under the side agreement with the Province). Is this acceptable to the Province? Does this raise any governance/authority issues for the Province (e.g., limit on incurrence needing to be specifically confirmed at closing? scope of permitted delegation to bind? FAA compliance?)

C. "Protection Agreement Maximum" (formerly "Program Maximum" (**PAM**)

9. OPG proposes that the PAM will be determined based on a mechanical calculation and without any real discretion on the part of the Province to set or object to the PAM. Is this acceptable to the Province?

10. OPG's proposed mechanical process to determine PAM would be based on OPG's 24 month forecast (estimate) of payments to be made by the Financing Entity. So long as that forecast (and any refresh) is consistent with the "Financing Plan" (also prepared by OPG) and is "reasonably expected to align with the fair allocation amount", the Province will be required to accept the PAM based on OPG's forecast – i.e., no discretion to reject or modify the aggregate amount of the Province's commitment initially or from time to time. Is the Province prepared to tie its CLPA obligation automatically to the operation of the OFHPA in this way, without review and with perpetual effect?

11. Is the proposed mechanical link to the OFHPA calculations consistent with the OIC or other governance requirements applicable to the Province's authority to approve the CLPA?

12. Is the initial 24 month forecast period appropriate (e.g., 2.5B x 2 – large)? Is OPG's proposed refresh of the PAM (mechanically tied to the new forecast), 9 to 12 months prior to the end of the 24 month forecast period, appropriate?

D. "Process-Related" Matters

13. Assuming the Province is okay with the arrangements described in question 7, above, we would envision a mechanism where the Province could give the Indenture Trustee notice of a breach (if known) by OPG of the PAM or process-related side agreement, and that such a notice would have the effect of cutting off the application of the CLPA for any future incurrences unless the Province further agrees otherwise. Does the Province agree that this sort of failsafe is essential? Note that OPG's suggestion has been that no pre-incurrence non-adherence/failsafe provision be provided, in order to allow the Province to provide notice that the CLPA will not apply to a pending/proposed incurrence.

14. Does the Province need to contemplate other scenarios where the CLPA would become ineffective in respect of future incurrences, such as:

    a. an OPG change of control

    b. a policy-based determination by a future government

    c. an unanticipated circumstance, such as the incurrence by the Financing Entity of assessed tax liabilities, indemnity payments, "increased costs", rating downgrades, offering disclosure-based claims, defaults under the program,

insolvency of a major counterparty (e.g., swap counterparty or services provider), etc.

d. a discretionary circumstance where the Province decides it no longer wishes to be liable under the CLPA?

We expect that OPG would push back so that any suspension of new obligations by the Province would not hamper OPG's ability to complete an anticipated/needed refinancing.

15. Does the Province have any reservations about letting OPG at any time provide a binding certificate to third parties regarding adherence, which would be determinative of the Province's obligations. What conditions for this sort of certificate would make sense (e.g., preview and consent by the Province)? Does this proposal raise any governance/authority issues for the Province (e.g., scope of delegation; FAA compliance)?

16. If the Province is prepared to be liable for taxes owing by the Financing Entity (see question 1, above), what oversight, assurances, documentation and reporting regarding the potential for entity-level taxes should the Province require (if any)?

17. OPG is proposing that the Province will receive a certificate prior to the Financing Entity incurring a funding obligation, that sets out "the material terms of the funding obligations pertaining to the principal amount, pricing and third party fees". Is that a sufficient amount of detail, or would the Province like to specifically itemize its information expectations, to cover things such as:

    a. details respecting any principal obligation, such as:

        i. the amount, timing and conditions of repayments (including any redemption or extension rights)

        ii. the basis for OPG's expectations regarding the availability of any related refinancings

        iii. any required deposits to be made into a capital account or a finance reserve account in order to provide for payment of the principal obligation

        iv. the rating (if any) contemplated to be attributed to the principal repayment of the funding obligation

        v. details respecting any redemption rights, including the nature and conditions applicable to any exercise and OPG's expected basis for determining whether or not to exercise a redemption right, option or privilege;

    b. details respecting interest obligations, such as:

        i. the anticipated interest or discount rate or rates (including default rates)

        ii. the timing/frequency/conditions of coupon payments

iii. any required deposits to be made into a finance reserve account or supplemental account

iv. the availability of any funding rebates in order to provide for payment of interest

v. the rating (if any) contemplated to be attributed to the interest obligation;

c. details respecting any hedging obligation (e.g., interest or FX swaps, options or other derivatives), such as:

i. the name of the counterparty and credit details

ii. the credit ratings (if any) of the payor(s)

iii. the risks sought to be mitigated by the derivative

iv. anticipated circumstances (if any) in which the derivative may not achieve such mitigation or be subject to early termination

v. whether collateral posting requirements will apply;

d. details respecting other funding obligations, such as:

i. the payee

ii. the timing and any conditions of payments

iii. any required deposits to be made into a finance reserve account or supplemental account or the availability of any funding rebates in order to provide for payment of such obligations

iv. in the case of a contingent obligation (e.g., indemnities), the nature and extent of any contingency affecting the payment obligation, the circumstances in which a payment obligation may arise and any specified maximum claim amount

e. assuming that the Province would be liable for capital, reserve or supplementary account deposit obligations (see question 6, above), details respecting the schedule for such deposits and the conditions for the application of such amounts to pay such amounts and the related priorities for application.

18. OPG (and presumably OPG's accountants) is contemplating that the Province will be provided transaction documentation "in substantially final form" and that the Province will not be entitled to provide input "other than in its capacity as obligor under the [CLPA]". In other words, assuming that the CLPA is signed in advance, the Province will have no real opportunity to comment on the forms of transaction documents to be used, and will

have a limited opportunity to "not accept" [1] the documentation. Can the Province live with these limitations?

19. The proposed OPG certificate (pre-incurrence) would include an attestation by OPG regarding the use of pre-reviewed documentation. The test for conformity of the to-be-used documentation, compared to the pre-reviewed documentation, would focus only on whether "the covenants of the Financing Entity are no more onerous in any material respect" and that the "events of default" are consistent "in all material respects". Is the limited scope of this conformity test acceptable, or should it be broadened and cover specific items such as:

    a. no differences in the timing of or circumstances under which payments are or may become due (for example, as a result of any termination, wind-up, liquidation or realization)

    b. no differences that could affect the Province's rights of subrogation or interests as a subrogee

    c. with respect to the anticipated form of series specific documents (as opposed to the upfront terms of program-wide "master" documents), confirming that the variable terms set forth in the proposed documents are as reasonably contemplated in the reviewed forms, having regard to such matters as:

        i. the type of instrument to be issued (i.e., debt (bullet vs. amortizing), equity-linked, pass-through instruments, etc.)

        ii. the scope of the related obligations (e.g., redemption or extension features or other optionality)

        iii. the extent of the related obligations (e.g., limited recourse features, limitations on indemnities, etc.)

        iv. the timing, conditions and circumstances in which payment obligations may arise,

    but making it clear that conformity would not include a comparison to the particular financial terms, rates, levels and parameters of the obligations other than if the reviewed forms specify specific requirements, limitations or parameters.

20. How much time is sufficient for the Province:

    a. to do an initial review of the main transaction documentation (including forms of series-specific documents), which would set the acceptable pattern for future

---

[1] Note that the proposed OPG language is not crystal clear that the Province can reject the reviewed documentation, which we expect is merely drafting, but that will need to be confirmed assuming the Province wishes to work within the OPG/Tory mark-up.

issuances? The proposal is 15 BDs, although that does not seem to make sense given that OPG proposes that the Province must confirm acceptance of the terms within 15 BDs of receipt of the documentation

b. to do a review of any changes to the main transaction documentation (including forms of series-specific documents), which would reset the acceptable pattern for future issuances? The proposal is to receive proposed amendments at least 15 BDs prior to first use, and the Province would confirm acceptance of the terms within 15 BDs of receipt of the documentation

c. to review applicable details of a proposed funding obligation in advance of an incurrence (proposal is 10BDs)?

21. What other items should be incorporated into the timeline from the Province's perspective?

E. Information, Reporting and Other Covenants

22. OPG proposes to provide the Province with an applicable "Financing Plan" only after an incurrence. Does the Province need to see this document as it is issued and changed, rather than only after the time of an incurrence?

23. OPG proposes to provide the Province with any actual offering/disclosure documents only after it is used. Does the Province need to have input into offering/disclosure document before use or dissemination (e.g., the description of the CLPA)?

24. OPG has limited its negative covenant on elections by the Financing Entity following a Protection Event to actions that would accelerate obligations. Should this be broader to cover extensions or other consensual changes that could affect the obligations (e.g., creditor concessions).

F. Parties

25. Will it be sufficient for the CLPA (and any procedural side-letter) to be signed by OPG, acting solely in its capacity as "financial services manager" (i.e., with OPG's liability being limited by the terms of the related management or administrative agreement)? How does this interplay with any other indemnities or exculpatory provisions that the Province is anticipating for OPG (corporate) and its officers?

26. Who from OPG should sign the officer's certificate? The OPG proposal is 2 "executive officers".

27. OPG proposes that a failure to comply with the PAM or "approval process" will not result in any breach. Assuming that OPG is in fact proposing that its failure would have no consequences, including as between the Province and OPG whatsoever, are the process aspects of the OPG proposal even meaningful to the Province?

Hi Opal,

In relation to the Fair Hydro Plan, Malle thought it was a good idea for Documentation to be involved in reviewing the agreements, particularly with a view of structuring the Crown's guarantee as a contingent liability in the event that the funding from rate payers is no longer available to the OPG Asset.

Lot of fun, I'm sure!

Subject: RE: Fair Hydro -- Revised MTSA and IESO Security Agreement

Malle and team, attached is a revised draft of the MTSA (clean and blacklined to the prior draft circulated to Steve), together with an initial draft of the IESO security agreement (as a reminder, in order to achieve a AAA rating in light of the moratorium period, it has been proposed that IESO enter into this security agreement in favour of the financing entity as security for the performance of its regulatory obligation to pay carrying costs during the moratorium).

FYI, these documents are currently under review by the IESO and Stikeman.

ROLE OF THE SERVICER

3.1 Designation of Servicer

Each Transfer of a specified portion of the Regulatory Asset shall be made on the basis that the related Issuer Investment Interest shall be serviced by the Servicer in accordance with this Article 3, and the IESO or any Permitted Successor of the IESO that is the Servicer shall not be entitled to receive any further compensation from the Issuer for its services in connection therewith. The Servicer agrees to perform the duties and obligations of the Servicer pursuant to the terms hereof at no additional cost to the Issuer.

If at any time the IESO Segregated Account ceases to be an Eligible Deposit Account, the Servicer shall within 30 days establish a new IESO Segregated Account as an Eligible Deposit Account and shall transfer any cash and/or any investments held in the former account to such new account and make all future deposits to such new account;

(iii) establish procedures for the invoicing by such Electricity Vendor of amounts in respect of the Clean Energy Adjustment, the identification, deposit and segregation of Electricity Vendor CEA Collections, the remittance of Electricity Vendor CEA Collections to the Servicer and reporting to the Servicer; **[NTD: Generally, someone will need to take responsibility for educating the Electricity Vendors and we believe the IESO is best positioned to take on this role given its existing relationships and opportunities to interact with the EVs.]**

(c) request certification from each Electricity Vendor that the segregated account required by Section 10(2) of the Regulations has been established by that Electricity Vendor;

(d) as agent of the Issuer and, after the Co-Owner Implementation Date, as agent of any other owner or owners of an Investment Interest, receive Electricity Vendor CEA Collections from Electricity Vendors;

(i) review each Electricity Vendor Billing Period Report received by the Servicer for material manifest discrepancies including any discrepancy between the Electricity Vendor CEA Collections reported in respect of the Billing Period and the amount remitted pursuant to Section 3.4(d);

(j) make reasonable efforts to contact each Electricity Vendor that:

(i) does not deliver an Electricity Vendor Billing Period Report in respect of a Billing Period where Clean Energy Adjustments were payable by Specified Consumers;

(ii) does not remit any Electricity Vendor CEA Collections in accordance with Section 3.4(d) or remits Electricity Vendor CEA Collections that do not match the amount thereof reported in its Electricity Vendor Billing Period Report,

(iii) delivers an Electricity Vendor Billing Period Report that has any other material manifest discrepancy detected by the Servicer, or

(iv) does not certify that it has established the segregated account required by Section 10(2) of the Regulations,

and attempt to resolve the applicable issue;

(k) on a periodic basis as requested by the Issuer, review, pursuant to its rights under Section 10(4) of the Regulations, the records maintained by each Electricity Vendor with respect to Clean Energy Adjustments; provided that in the absence of evidence of material non-compliance by an Electricity Vendor with its duties and obligations in respect of Clean Energy Adjustments, the Servicer shall not be required to review the records of a Electricity Vendor more often than ■.

(l) hold the Issuer Share of Servicer CEA Receipts and the Issuer Share of any other proceeds in respect of the Clean Energy Adjustment received by it in trust for the benefit of the Issuer and remit such amounts in accordance with this Section 3.6 without any surcharge, fee, offset, charge or other deduction.

3.5 Reporting

The Servicer shall:

(a) on or before the **[8th Business Day]** following the end of each Billing Period, prepare and deliver to the Issuer a written report substantially in the form of Exhibit B (a "**Monthly Report**");

(b) report to the Issuer any delinquencies by Electricity Vendors in respect of the CEA amounts collected and the remittance of Electricity Vendor CEA Collections;

(c) report to the Issuer any unresolved matters referred to in Section 3.4(j);

(d) promptly notify the Issuer in writing of any Requirement of Law hereafter adopted or announced or the occurrence of any other event or circumstance of which it becomes aware that has a material adverse effect on the Servicer's ability to perform its duties and obligations under this Agreement; and

(e) upon the reasonable request of the Issuer, the Indenture Trustee or any Rating Agency, provide to the Issuer, the Indenture Trustee or such Rating Agency, as the case may be, any public financial information in respect of the Servicer, or any material information regarding the Issuer Investment Interest or the Regulatory Asset, to the extent it is reasonably available to the Servicer and as may be

reasonably necessary and permitted by law, to enable the Issuer, the Indenture Trustee or the Rating Agencies to monitor the performance by the Servicer of its duties and obligations hereunder.

3.6 Remittances

(a) Absent the occurrence of a Daily Remittance Event, the Issuer Share of Servicer CEA Receipts received by the Servicer during a Billing Period and any interest earned thereon shall be remitted by the Servicer to the Collection Account no later than the Remittance Date immediately following such Billing Period.

(b) Following the occurrence of a Daily Remittance Event, the Issuer Share of all Servicer CEA Receipts on deposit in the IESO Segregated Account and any interest earned thereon shall be remitted by the Servicer to the Collection Account on each Business Day.

3.7 Limits to Obligations

Without in any way limiting the duties and obligations of the Servicer arising under the Act or the Regulations, the parties hereto agree the duties and obligations of the Servicer under this Agreement are limited as provided in this Section 3.7.

(a) The Servicer is not responsible for, or in respect of, any amounts not collected by Electricity Vendors from their customers or not remitted by Electricity Vendors to the Servicer.

(b) The Servicer is not responsible for enforcing the obligations of Specified Consumers or Electricity Vendors to invoice, collect or remit Clean Energy Adjustments or any other amounts.

(c) The Servicer shall not be responsible or liable for the performance by Electricity Vendors of their duties and responsibilities under the Act or the Regulations including (i) the invoicing of Specified Consumers in respect of the Clean Energy Adjustment and ancillary matters related thereto; (ii) the collection from Specified Consumers of amounts due in respect of such invoices and the remittance of such payments to the Servicer; (iii) the accuracy of any information provided by the Electricity Vendors; and (iv) any reporting by the Electricity Vendors, including the reporting to the Servicer of the total CEA Consumer Invoice Amounts invoiced by such Electricity Vendor to its Specified Consumers in respect of the Clean Energy Adjustment, the total Electricity Vendor CEA Collections received by such Electricity Vendor and the Issuer Share of Electricity Vendor CEA Collections received by such Electricity Vendor.

(d) The Servicer is under no responsibility or obligation to the Issuer with respect to whether the Clean Energy Adjustments funds remitted by the Servicer to Issuer during any or all periods is sufficient to satisfy the Issuer's obligations.

(e) The Servicer is under no obligation to initiate or prosecute any legal action relating to the collection of the Issuer Investment Interest.

3.8 Servicing and Maintenance Standards

(a) The Servicer shall discharge its duties, responsibilities and obligations hereunder with reasonable care and in material compliance the Requirements of Law, including the Act and the Regulations and shall follow standards, policies and procedures in performing its duties as Servicer hereunder that are customary for an electricity market operator and administrator that regularly performs settlement functions. In furtherance of the foregoing, the Servicer hereby agrees that it shall also have, and shall comply with reasonable care and in material compliance with applicable Requirement of Laws, including the Act and the Regulations, using the same degree of care and diligence that the Servicer exercises with respect to similar settlement activities on its own account.

(b) The Servicer may rely in good faith on the advice of counsel or on any document of any kind, prima facie properly executed and submitted by any Person, respecting any matters arising under this Agreement.

(c) Neither the Servicer nor any of the directors, officers, employees or agents of the Servicer shall be liable to the Issuer or any other Person for any action taken or for refraining from the taking of any action pursuant to this Agreement or for good faith errors in judgment.

3.9 Appointments

The Servicer may at any time appoint any Person to act as its agent to perform all or any portion of its obligations as Servicer hereunder; provided however, that the Rating Agency Condition shall have been satisfied in connection therewith; and provided further that the Servicer shall remain obligated and be liable for the performance of its obligations under this Agreement without diminution of such obligation and liability by virtue of the appointment of such Person and to the same extent and under the same terms and conditions as if the Servicer alone were performing such obligations. The fees and expenses of any such Person shall be as agreed between the Servicer and such Person from time to time, and the Issuer shall not have any responsibility therefor or right or claim thereto. Any such appointment shall not constitute a resignation of the Servicer under Section 3.11.

3.10 Term

The Servicer's appointment as Servicer under this Agreement shall become effective as of the execution hereof and shall continue in full force and effect until the earlier of (a) the effective date of resignation of the Servicer in accordance with the provisions of this Agreement, (b) termination of all of the rights and obligations of the Servicer under Article 7, and (c) the date on which all Issuer Funding Obligations have been paid in full and all CEA Consumer Invoice Amounts have been received or written off (in each case, a "**Termination Event**"). The appointment of the Servicer as servicer under this Agreement shall be terminated effective as of the date of the Termination Event.

3.11 Resignation of Servicer

The IESO shall not resign from the obligations and duties imposed on it as Servicer under this Agreement except upon a determination that the performance of its duties under this Agreement shall no longer be permissible under applicable Requirements of Law. Notice of any such determination permitting the resignation of the IESO as Servicer shall be communicated to the Issuer, the Indenture Trustee and the Rating Agencies at the earliest practicable time (and, if such communication is not in writing, shall be confirmed in writing at the earliest practicable time), and any such determination shall be evidenced by an Opinion of Counsel to such effect delivered to the Issuer, the Indenture Trustee and the Rating Agencies concurrently with or promptly after such notice. No such resignation shall become effective until a Successor Servicer that is a Permitted Successor has assumed the servicing obligations and duties hereunder of the Servicer in accordance with Section 7.2.

3.12 Mergers

Any Person (a) into which the Servicer may be merged, converted or amalgamated and that is a Permitted Successor, (b) that may result from any merger, conversion or amalgamation to which the Servicer shall be a party and that is a Permitted Successor, (c) that may succeed to the properties and assets of the Servicer substantially as a whole and that is a Permitted Successor, or (d) that otherwise is a Permitted Successor, which Person in any of the foregoing cases executes an agreement of assumption to perform all of the obligations of the Servicer hereunder, shall be the successor to the Servicer under this Agreement without further act on the part of any of the parties to this Agreement; provided, however, that (i) immediately after giving effect to such transaction, no representation or warranty made pursuant to Section 4.1 shall have been breached and no Servicer Default and no event that, after notice or lapse of time, or both, would become a Servicer Default shall have occurred and be continuing, (ii) the Servicer shall have delivered to the Issuer and the Indenture Trustee an Officer's Certificate and an Opinion of Counsel from external counsel stating that such consolidation, conversion, merger or succession and such agreement of assumption complies with this Section 3.12 and that all conditions precedent, if any, provided for in this Agreement relating to such transaction have been complied with, and (iii) the Servicer shall have given to the Issuer prior written notice of such transaction. When any Person that is a Permitted Successor acquires the properties and assets of the Servicer substantially as a whole or otherwise becomes the successor, by merger, conversion, consolidation, sale, transfer, lease or otherwise, to all or substantially all the assets of the Servicer in accordance with the terms of this Section 3.12, then, upon satisfaction of all of the other conditions of this Section 3.12, the preceding Servicer shall automatically and without further notice be released from all of its obligations hereunder (except for responsibilities for its actions prior to such release).

3.13 The IESO Not to Resign as Servicer

Subject to the provisions of Section 3.12, the IESO shall not resign from the obligations and duties imposed on it as Servicer under this Agreement except upon a determination that the performance of its duties under this Agreement shall no longer be permissible under applicable Requirements of Law. Notice of any such determination permitting the resignation of the IESO as Servicer shall be communicated to the Issuer, the Indenture Trustee and each Rating Agency at the earliest practicable time (and, if such communication is not in writing, shall be

confirmed in writing at the earliest practicable time), and any such determination shall be evidenced by an Opinion of Counsel to such effect delivered to the Issuer, the Indenture Trustee and each Rating Agency concurrently with or promptly after such notice. No such resignation shall become effective until a Successor Servicer that is a Permitted Successor has assumed the servicing obligations and duties hereunder of the Servicer in accordance with Section 7.2.

3.14 IESO Regulatory Obligation to Pay Carrying Costs

(a) During the period beginning on December 1, 2017 and ending on July 31, 2021, the IESO shall, as required under the Regulations, pay and remit to the Issuer any amounts charged to the IESO by the Issuer in respect of Carrying Costs during the period beginning on June 1, 2017 and ending on July 31, 2021.

(b) On or before the 4th Business Day of each calendar month, the Issuer shall prepare and deliver to the IESO a written statement substantially in the form of Exhibit C (a "**Monthly Carrying Costs Statement**") setting out the amount of Carrying Costs in respect of the preceding calendar month ("**Monthly Carrying Costs**").

(c) On or before the 8th Business Day following receipt by the IESO of the Monthly Carrying Costs Statement, the IESO shall, as required under the Regulations, deliver or cause to be delivered to the Issuer, by wire transfer or electronic funds transfer in immediately available funds, an amount in Canadian dollars equal to the Monthly Carrying Costs set forth in the applicable Monthly Carrying Costs Statement.

3.15 IESO Security for CEA Remittances

If required by the Issuer, the IESO shall provide to the Issuer, on or prior to the first day of the first Billing Period when amounts are invoiced to Specified Consumers in respect of Clean Energy Adjustments, a letter of credit in an amount equal to $■, or such other form of security as may be acceptable to the Issuer and the Indenture Trustee, as security for any failure of Electricity Vendors, following [July 31, 2021], to remit the Electricity Vendor CEA Collections.

ARTICLE 4
REPRESENTATIONS AND WARRANTIES OF THE IESO

4.1 Representations and Warranties

Subject to Section 4.3, the IESO makes the following representations and warranties as of the date hereof and as of each applicable Closing Date, and the IESO acknowledges that the Issuer and the Indenture Trustee will rely thereon in paying the Purchase Price related to Transfers of Specified Portions of the Regulatory Asset, and the Issuer has relied thereon in entering into this Agreement relating to the servicing of the corresponding Investment Interests.

(a) Organization and Good Standing. The IESO is a statutory corporation amalgamated under the laws of the Province of Ontario, with requisite corporate power and

authority to own its properties, to conduct its business as such properties are currently owned and such business is presently conducted by it.

(b) Due Qualification. The IESO has obtained all necessary licences and approvals, in all jurisdictions in which the ownership or lease of property or the conduct of its business (including acting as Servicer under this Agreement) shall require such licences or approvals, except where the failure to so qualify or obtain such licences and approvals would not be reasonably likely to have a material adverse effect on the IESO's business, operations, assets, revenues or properties, the Regulatory Asset or the servicing of related Investment Interests.

(c) Power and Authority. The IESO has the requisite corporate power and authority to execute and deliver this Agreement and to carry out its terms. The IESO has full corporate power and authority to hold the Regulatory Asset and to Transfer Specified Portions of the Regulatory Asset to the Issuer and the IESO has duly authorized such Transfer to the Issuer by all necessary corporate action. The execution, delivery and performance of all obligations under this Agreement have been duly authorized by all necessary corporate action on the part of the IESO under all applicable laws.

(d) Binding Obligation. This Agreement constitutes a legal, valid and binding obligation of the IESO, enforceable against the IESO in accordance with its terms, subject to bankruptcy, receivership, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally from time to time in effect and to general principles of equity (including concepts of materiality, reasonableness, good faith and fair dealing).

(e) No Violation. The consummation of the transactions contemplated by this Agreement and the fulfillment of the terms hereof by the IESO do not conflict with, result in any breach of any of the terms and provisions of, or constitute (with or without notice or lapse of time, or both) a default under, the IESO's by-laws, or any indenture, or other material agreement or instrument to which the IESO is a party or by which it is bound, result in the creation or imposition of any Lien upon any of the IESO's properties pursuant to the terms of any such indenture, agreement or other instrument or violate any existing law or any order, rule or regulation applicable to the IESO issued by any Governmental Authority having jurisdiction over the IESO or its properties.

(f) No Proceedings. To the IESO's knowledge, there are no Proceedings pending or threatened against the IESO or its properties: (a) asserting the invalidity of this Agreement or the Act, (b) seeking to prevent the consummation of any of the transactions contemplated by this Agreement or the Act, or (c) seeking a determination or ruling that could reasonably be expected to materially and adversely affect the performance by the IESO of its obligations under, or the validity or enforceability of, this Agreement or the Act.

(g) Approvals. No approvals, authorizations, consents, orders or other actions or filings with any Governmental Authority are required for the IESO to execute, deliver and perform its obligations under this Agreement except those which have previously been obtained or made.

(h) Information. At the date hereof and as of each applicable Closing Date, except in respect of information provided by a third party, all written information, as amended or supplemented from time to time, provided by the Transferor to the Issuer with respect to the Regulatory Asset is true and correct in all material respects and does not omit any material facts.

(i) The Transfer. After the completion of the Transfer on the applicable Closing Date, the IESO will have no right, title or interest in the Investment Interest related to the Specified Portion of the Regulatory Assets as set forth in the applicable Transfer Notice and the related Investment Interest shall not form part of the estate of the IESO in the event of an Insolvency Event in respect of the IESO.

(j) No Transfer. Except for Permitted Transfers, the IESO has not sold, transferred, assigned or otherwise conveyed any interest in the Regulatory Asset to any Person.

(k) Liens. IESO has not pledged or otherwise granted a Lien to any Person in the Regulatory Asset and to the IESO's knowledge (after due inquiry), there is no registered financing statement listing the IESO as debtor covering or extending to the Regulatory Asset.

(l) Tax Liens. The IESO (i) is not aware, after due inquiry, of any judgment or tax lien filing against the IESO, and (ii) is not a non-resident of Canada for purposes of the *Income Tax Act* (Canada).

(m) Solvency. On the date hereof and after giving effect to each Transfer, the IESO:

(i) reasonably believes that it will be able to pay its debts as they come due; and

(ii) is able to pay its debts as they mature and does not intend to incur, or believes that it will not incur, indebtedness that it will not be able to repay at its maturity.

(n) No Court Order. There is no order by any court that seeks to enjoin the performance of any obligations of the IESO under the Act or this Agreement.

4.2 Survival

The representations and warranties set forth in Section 4.1 shall survive the execution and delivery of this Agreement, each Transfer of an Investment Interest to the Issuer and the pledge thereof to the Indenture Trustee pursuant to the Indenture and may not be waived by any party hereto except pursuant to a written agreement executed in accordance with Section 8.1 and as to which the Rating Agency Condition has been satisfied.

4.3 Limitations on Representations and Warranties

Notwithstanding anything in this Agreement to the contrary, the IESO makes no representation or warranty with respect to the collectability of the Issuer Share of Servicer CEA Receipts or that the Issuer Share of Servicer CEA Receipts be sufficient to satisfy the Issuer's Funding Obligations.

ARTICLE 5
COVENANTS OF THE IESO

5.1 Existence

So long as any Issuer Funding Obligations are outstanding, the IESO (a) will keep in full force and effect its existence and remain validly existing under the laws of the Province of Ontario, and (b) will obtain and preserve its qualifications to do business in each jurisdiction in which such qualification is or will be necessary to protect the validity and enforceability of this Agreement and each other instrument or agreement to which the IESO is a party necessary for the proper administration of this Agreement and the transactions contemplated hereby.

5.2 No Transfer or Liens

Except for Transfers under this Agreement to the Issuer or Permitted Transfers, the IESO will not Transfer the Regulatory Asset or any portion thereof to any person. The IESO will not grant, create, incur, assume or suffer to exist any Lien on the Regulatory Asset or any portion thereof. The IESO will not at any time assert any Lien against or with respect to the Issuer Investment Interest, and will defend the right, title and interest of the Issuer and of the Indenture Trustee, on behalf of the Specified Creditors, in, to and under the Issuer Investment Interest against all claims of third parties claiming through or under the Transferor.

5.3 Notice of Liens

The IESO shall notify the Issuer and the Indenture Trustee promptly after becoming aware of any Lien on any portion of the Regulatory Asset.

5.4 Compliance with Law

The IESO will comply with all Requirements of Law applicable to, and binding upon, the IESO or relating to the Regulatory Asset, the Investment Asset or Investment Interests, except to the extent that failure to so comply would not materially adversely affect the Issuer's or the Indenture Trustee's interests in the Issuer Investment Interest, the value of the Issuer Investment Interest, the timing or amount of Clean Energy Adjustments payable by Specified Consumers or the IESO's performance of its obligations under this Agreement; provided, however, that the foregoing is not intended to, and shall not, impose any liability on the IESO for non-compliance with any Requirement of Law that the IESO is contesting in good faith in accordance with its customary standards and procedures.

5.5 Covenants Related to the Investment Interest

(a) So long as any Issuer Funding Obligations are outstanding, the IESO shall treat the Issuer Investment Interest as the Issuer's property for all purposes.

(b) Except for passive investments held for employee benefit purposes, the IESO shall not at any time become a holder of Issuer Funding Obligations.

(c) The IESO shall disclose the effects of all transactions between the IESO and the Issuer in accordance with generally accepted accounting principles (for government entities).

(d) (i) In all Proceedings relating directly or indirectly to the Issuer Investment Interest, the IESO shall affirmatively certify and confirm that it has Transferred all of its rights and interests in and to the Specified Portion of the Regulatory Asset giving rise to the Issuer Investment Interest, (ii) the IESO shall not make any statement or reference in respect of the Issuer Investment Interest that is inconsistent with the ownership interest of the Issuer, and (iii) the IESO shall not take any action in respect of the Issuer Investment Interest except solely in its capacity as the Servicer thereof pursuant to this Agreement.

5.6 Non-petition Covenants

Notwithstanding any prior termination of this Agreement or the Indenture, the IESO shall not, prior to the date that is one year plus one day after termination of the Indenture and the payment in full of all Issuer Funding Obligations and any other amounts owed under the Indenture, petition or otherwise invoke the process of any Governmental Authority for the purpose of commencing or sustaining a Proceeding against the Issuer under any Canadian bankruptcy, insolvency or similar law, appointing a receiver, liquidator, assignee, trustee, custodian, sequestrator or other similar official or any substantial part of the property of the Issuer.

5.7 Disclosure

The IESO shall provide such non-confidential information regarding IESO, the Regulatory Asset and the services provided by the Servicer hereunder (collectively, the "**IESO Disclosure**") as may be reasonably requested by the Issuer for inclusion in any offering document of the Issuer from time to time, including but not limited to offering memoranda, prospectuses, registration statements and continuous disclosure documents and represents that, except in respect information provided by a third party, all such information is, as at the respective dates of delivery to the Issuer, true and correct in all material respects, contains no misrepresentation and constitutes full, true and plain disclosure of all material facts relating to the IESO Disclosure.

5.8 Further Assurances

Upon the request of the Issuer, the IESO shall execute and deliver such further instruments and do such further acts as may reasonably be necessary to carry out the provisions and purposes of this Agreement.

5.9 Access to Certain Records and Information Regarding Investment Interest

The IESO shall provide to the Issuer and the Indenture Trustee access to all records relating to the IESO Deferral, the Fair Hydro Variance Account, the IESO Segregated Account and Servicer CEA Receipts, as is reasonably required for the Issuer and the Indenture Trustee to confirm compliance by the IESO with its obligations under this Agreement. Access shall be afforded without charge, but only upon reasonable request and during normal business hours at the offices of the IESO. Nothing in this Section 5.9 shall affect the obligation of the IESO to comply with any Requirement of Law prohibiting disclosure of information, and the failure of the IESO to provide access to such information as a result of such obligation shall not constitute a breach of this Section 5.9.

5.10 Maintenance of Operations

Subject to Section 3.12, the IESO agrees to continue, unless prevented by circumstances beyond its control, to operate as the electricity system operator in the Province of Ontario so long as it is acting as the Servicer under this Agreement.

ARTICLE 6
IESO INDEMNITIES

6.1 Liability of the IESO; Indemnities

(a) The IESO shall indemnify the Issuer, the Indenture Trustee (for itself and for the benefit of the Specified Creditors), the Manager and each of their respective trustees, officers, directors, employees and agents (each, an "**Indemnified Party**"), for, and defend and hold harmless each such Person from and against, any and all liabilities, obligations, losses, damages, payments and claims, and reasonable costs or expenses, of any kind whatsoever (collectively, "**Indemnified Losses**") imposed on, incurred by or asserted against any such Person as a result of (i) the failure of the IESO to perform its covenants and other obligations under this Agreement, any Co-Owner Agreement and any other Program Agreement to which the IESO is a party; and (ii) the IESO's breach of any of its representations or warranties under this Agreement, any Co-Owner Agreement and any other Program Agreement to which the IESO is a party; and, except to the extent of Indemnified Losses resulting from the willful misconduct, bad faith or gross negligence of such Person seeking indemnification hereunder; provided that, in each case, the IESO shall not be required to indemnify an Indemnified Party for any amount paid or payable by such Indemnified Party in the settlement of any Proceeding or investigation without the written consent of the IESO, which consent shall not be unreasonably withheld. Promptly after receipt by an Indemnified Party of notice of the commencement of any Proceeding or investigation, such Indemnified Party shall, if a claim in respect thereof is to be made against the IESO under this Section 6.1(a), notify the IESO in writing of the commencement thereof. Failure by an Indemnified Party to so notify the IESO shall relieve the IESO from the obligation to indemnify and hold harmless such Indemnified Party under this Section 6.1(a) only to the extent that the IESO

suffers actual prejudice as a result of such failure. With respect to any Proceeding or investigation brought by a third party for which indemnification may be sought under this Section 6.1(a), the IESO shall be entitled to conduct and control, at its expense and with counsel of its choosing that is reasonably satisfactory to such Indemnified Party, the defence of any such Proceeding or investigation (in which case the IESO shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the Indemnified Party except as set forth below); provided, that the Indemnified Party shall have the right to participate in such Proceeding or investigation through counsel chosen by it and at its own expense. Notwithstanding the IESO's election to assume the defence of any Proceeding or investigation, the Indemnified Party shall have the right to employ separate counsel, and the IESO shall bear the reasonable fees, costs and expenses of such separate counsel, if (i) the defendants in any such action include both the Indemnified Party and the IESO and the Indemnified Party shall have reasonably concluded that there may be legal defences available to it that are different from or additional to those available to the IESO, (ii) the IESO shall not have employed counsel reasonably satisfactory to the Indemnified Party to represent the Indemnified Party within a reasonable time after notice of the institution of such action, (iii) the IESO authorizes the Indemnified Party to employ separate counsel at the expense of the IESO, or (iv) in the case of the Indenture Trustee, such action exposes the Indenture Trustee to a material risk of criminal liability or forfeiture or a Servicer Default has occurred and is continuing. Notwithstanding the foregoing, the IESO shall not be obligated to pay for the fees, costs and expenses of more than one separate counsel for the Indemnified Parties other than one local counsel, if appropriate. The IESO will not, without the prior written consent of the Indemnified Party, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim or Proceeding in respect of which indemnification may be sought under this Section 6.1(a) (whether or not the Indemnified Party is an actual or potential party to such claim or action) unless such settlement, compromise or consent includes an unconditional release of the Indemnified Party from all liability arising out of such claim or Proceeding.

(b) For purposes of Section 6.1(a), in the event of the termination of the rights and obligations of the IESO (or any successor thereto pursuant to Section 3.12) as Servicer pursuant to Section 7.1, or a resignation by such Servicer pursuant to Section 3.11 of this Agreement, the IESO shall be deemed to be the Servicer pending appointment of a Successor Servicer pursuant to Section 7.2.

(c) Indemnification under Section 6.1(a) shall include reasonable out-of-pocket fees and expenses of investigation and litigation (including reasonable legal fees and expenses), except as otherwise expressly provided in this Agreement.

(d) Indemnification under this Section 6.1 shall survive any repeal of, modification of, or supplement to, or judicial invalidation of, the Act and shall survive the resignation or removal of the Indenture Trustee or the termination of this Agreement and will rank *pari passu* with other general, unsecured obligations of the IESO.

(e) The IESO shall not be required to indemnify any party under this Section 6.1 for any losses resulting from changes in law after the date hereof, whether such changes in law are effected by means of any legislative enactment or any final and non-appealable judicial decision.

(f) Except to the extent expressly provided in this Agreement (including the payment of the Purchase Price), the IESO hereby releases and discharges the Issuer and each of its trustees, officers, directors and agents (collectively, the "**Released Parties**"), from any and all actions, claims and demands whatsoever, whenever arising, which the IESO, in its capacity as Servicer or otherwise, shall or may have against any such Person relating to the Investment Interest or the IESO's activities with respect thereto, other than any actions, claims and demands arising out of the willful misconduct, bad faith or gross negligence of the Released Parties.

ARTICLE 7
SERVICER DEFAULT

7.1 Servicer Default

If any one or more of the following events (each, a "**Servicer Default**") shall occur and be continuing:

(a) any failure by the Servicer to remit to the Collection Account any required remittance that shall continue unremedied for a period of **[two/three] [NTD: Rating Agencies will expect 2-3 days]** Business Days after written notice of such failure is received by the Servicer from the Issuer or the Indenture Trustee or after discovery of such failure by a Responsible Officer of the Servicer;

(b) any failure on the part of the Servicer or, so long as the Servicer is the IESO, any failure on the part of the IESO, as the case may be, duly to observe or to perform in any respect any covenants or agreements of the Servicer or the IESO, as the case may be, set forth in this Agreement (other than as provided in Section 7.1(a)) or any other Program Agreement to which it is a party, which failure shall (i) materially and adversely affect the rights of the Specified Creditors and (ii) continue unremedied for a period of 30 days after the date on which (A) written notice of such failure, requiring the same to be remedied, shall have been given to the Servicer or the IESO, as the case may be, by the Issuer or to the Servicer or the IESO, as the case may be, by the Indenture Trustee or (B) such failure is discovered by a Responsible Officer of the Servicer;

(c) any representation or warranty made by the Servicer in this Agreement, any other Program Agreement or in any Monthly Report, shall prove to have been incorrect when made, which has a material adverse effect on the Issuer, the Indenture Trustee or any other Specified Creditor and which remains unremedied for a period of 30 days after the date on which (i) written notice thereof, requiring the same to be remedied, shall have been delivered to the Servicer (with a copy to the Indenture

Trustee) by the Issuer or the Indenture Trustee or (ii) such failure is discovered by a Responsible Officer of the Servicer;

(d) an Insolvency Event occurs with respect to the Servicer or the IESO; or

(e) any additional "Servicer Default" as specified in any Co-Owner Agreement occurs;

then, and in each and every case, the Indenture Trustee shall, upon the instruction of the Specified Creditors as provided for under the Trust Indenture, subject to the terms of any Co-Owner Agreement, by notice then given in writing to the Servicer (and to the Indenture Trustee if given by the Specified Creditors) (a "**Termination Notice**"), terminate all the rights and obligations (other than the obligations set forth in Section 6.1 and the obligation under Section 7.2 to continue performing its functions as Servicer until a Successor Servicer is appointed) of the Servicer under this Agreement and under the Co-Owner Agreement. In addition, upon a Servicer Default described in Section 7.1(a), the Specified Creditors and the Indenture Trustee (or any of their representatives) shall be entitled to apply to a court of appropriate jurisdiction for an order for sequestration and payment of revenues arising with respect to the Issuer. On or after the receipt by the Servicer of a Termination Notice, all authority and power of the Servicer under this Agreement, whether with respect to the Investment Interest, the Clean Energy Adjustments or otherwise, shall, without further action, pass to and be vested in such Successor Servicer as may be appointed under Section 7.2; and, without limitation, the Indenture Trustee is hereby authorized and empowered to execute and deliver, on behalf of the predecessor Servicer, as attorney-in-fact or otherwise, any and all documents and other instruments, and to do or accomplish all other acts or things necessary or appropriate to effect the purposes of such Termination Notice, whether to complete the transfer of all documents and records related to the Regulatory Asset, the Fair Hydro Variance Account and related documents or records, or otherwise (the "**Records**"). The predecessor Servicer shall cooperate with the Successor Servicer, the Issuer and the Indenture Trustee in effecting the termination of the responsibilities and rights of the predecessor Servicer under this Agreement, including the transfer to the Successor Servicer for administration by it of all Records and all cash amounts that shall at the time be held by the predecessor Servicer for remittance, or shall thereafter be received by it with respect to the Investment Interest or the Clean Energy Adjustment. As soon as practicable after receipt by the Servicer of such Termination Notice, the Servicer shall deliver the Records to the Successor Servicer. If a Successor Servicer has been appointed as a result of a Servicer Default, all reasonable costs and expenses (including reasonable legal fees and expenses) incurred in connection with transferring the Records to the Successor Servicer and amending this Agreement and any Co-Owner Agreement to reflect such succession as Servicer pursuant to this Section 7.1 shall be paid by the predecessor Servicer upon presentation of reasonable documentation of such costs and expenses. Termination of the IESO as Servicer shall not terminate the IESO's rights or obligations under this Agreement (except rights thereunder deriving from its rights as the Servicer hereunder).

7.2 Appointment of Successor Servicer

(a) Upon the Servicer's receipt of a Termination Notice pursuant to Section 7.1 or the Servicer's resignation or removal in accordance with the terms of this Agreement, the predecessor Servicer shall continue to perform its functions as Servicer under this Agreement, until a Successor Servicer shall have assumed in writing the

obligations of the Servicer hereunder as described below. In the event of the Servicer's removal or resignation hereunder, the Indenture Trustee may, and at the written direction and with the consent of the Specified Creditors as provided for under the Trust Indenture shall, but subject to the provisions of the applicable Co-Owner Agreement, appoint a Successor Servicer with the Issuer's prior written consent thereto (which consent shall not be unreasonably withheld), and the Successor Servicer shall accept its appointment by a written assumption in form reasonably acceptable to the Issuer. If, within 30 days after the delivery of the Termination Notice, a Successor Servicer shall not have been appointed, the Indenture Trustee may, at the direction of Specified Creditors as provided for under the Trust Indenture, petition a court of competent jurisdiction to appoint a Successor Servicer under this Agreement. A Person shall qualify as a Successor Servicer only if (i) such Person is permitted under the Act to perform the duties of the Servicer, (ii) the Rating Agency Condition shall have been satisfied with respect to such appointment, (iii) such Person enters into a master transfer and servicing agreement with the Issuer having substantially the same provisions as this Agreement and (iv) such Person agrees to perform the obligations of the Servicer under any Co-Owner Agreement. In no event shall the Indenture Trustee be liable for its appointment of a Successor Servicer. The Indenture Trustee's expenses incurred under this Section 7.2(a) shall be at the sole expense of the Issuer and payable from the Collection Account as provided in **[Section 8.02]** of the Indenture.

(b) Upon appointment, the Successor Servicer shall be the successor in all respects to the predecessor Servicer and shall be subject to all the responsibilities, duties and liabilities arising thereafter placed on the predecessor Servicer and shall be entitled to all the rights granted to the predecessor Servicer by the terms and provisions of this Agreement.

7.3 Waiver of Past Defaults

The Indenture Trustee, with the written consent of Specified Creditors as provided for under the Trust Indenture, may waive in writing any default by the Servicer in the performance of its obligations hereunder and its consequences, except a default in making any required deposits to the Collection Account in accordance with this Agreement. Upon any such waiver of a past default, such default shall cease to exist, and any Servicer Default arising therefrom shall be deemed to have been remedied for every purpose of this Agreement. No such waiver shall extend to any subsequent or other default or impair any right consequent thereto.

7.4 Notice of Servicer Default

The Servicer shall deliver to the Issuer, the Manager, the Indenture Trustee and the Rating Agencies promptly after having obtained knowledge thereof, but in no event later than five Business Days thereafter, written notice of any event that, with the giving of notice or lapse of time, or both, would become a Servicer Default under Section 7.1.

7.5 Cooperation with Successor Servicer

The Servicer covenants and agrees with the Issuer that it will, on an ongoing basis, cooperate with the Successor Servicer and provide whatever information is, and take whatever actions are, reasonably necessary to assist the Successor Servicer in performing its obligations hereunder.

To the extent that amounts are so withheld, such withheld amounts shall be treated for all purposes as having been paid to the recipient of the payment in respect of which such deduction and withholding was made, provided that such withheld amounts are actually remitted in accordance with applicable law to the appropriate taxing authority.

8.3 No Partnership

Each party expressly disclaims any intention to create a partnership, and none of the Issuer, the IESO or the Indenture Trustee will be deemed to be carrying on business in partnership by reason of its execution and delivery of this Agreement or the exercise or performance by it of its respective rights and obligations hereunder.

8.5 Assignment

Notwithstanding anything to the contrary contained herein, except as provided in the provisions of this Agreement concerning the resignation of the Servicer, this Agreement may not be assigned by the IESO.

8.6 Limitations on Rights of Third Parties

The provisions of this Agreement are solely for the benefit of the IESO, the Issuer and, to the extent provided herein or in the other Program Agreements, the Indenture Trustee (for its own benefit and for the benefit of the Specified Creditors) and the other Persons expressly referred to herein, and such Persons shall have the right to enforce the relevant provisions of this Agreement. Nothing in this Agreement, whether express or implied, shall be construed to give to any other Person any legal or equitable right, remedy or claim in the Issuer Investment Interest or under or in respect of this Agreement or any covenants, conditions or provisions contained herein.

8.7 Severability

Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remainder of such provision (if any) or the remaining provisions hereof (unless such construction shall be unreasonable), and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

8.8 Separate Counterparts; Electronic Delivery

This Agreement may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute but one and the same instrument. Delivery of an executed signature page to this Agreement by a party by electronic transmission will be as effective as delivery of a manually executed copy of this Agreement by such party.

8.9 Governing Law

This Agreement shall be construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein, and each party to this Agreement attorns to the non-exclusive jurisdiction of the courts of the Province of Ontario.

8.10 Grant of Security Interest to Indenture Trustee

The IESO hereby acknowledges and consents to the grant of a Lien by the Issuer to the Indenture Trustee pursuant to the Indenture for the benefit of the Specified Creditors against all right, title and interest of the Issuer in, to and under this Agreement, the Investment Interest and the proceeds thereof and the assignment of any or all of the Issuer's rights hereunder to the Indenture Trustee for the benefit of the Specified Creditors.

8.11 Limitation of Liability of Indenture Trustee

It is expressly understood and agreed by the parties hereto that this Agreement is executed and delivered by the Indenture Trustee, not individually or personally but solely as Indenture Trustee on behalf of the Specified Creditors, in the exercise of the powers and authority conferred and vested in it. The Indenture Trustee in acting hereunder is entitled to all rights, benefits, protections, immunities and indemnities accorded to it under the Indenture.

8.12 Limitation of Liability of the Issuer Trustee

(a) It is expressly understood and agreed by the parties hereto that the Issuer Trustee is acting solely in its capacity as trustee of the Issuer, and not in any other capacity. The Issuer solely shall be responsible for the performance of the Issuer's obligations hereunder and the assets of the Issuer solely shall be subject to levy or execution in satisfaction of such obligations.

(b) The Issuer Trustee will not be subject to any liability whatsoever, in tort, in contract or otherwise, in connection with the Issuer's property or the Issuer's activities, to the Issuer's beneficiaries or to any other Person, for any action taken or permitted by the Issuer Trustee to be taken, or the Issuer Trustee's failure to compel in any way any former or acting Issuer Trustee to redress any breach of trust with respect to the execution of the duties of its office or in respect of the Issuer's property or the Issuer's activities, provided that the foregoing limitation will not apply in respect of action or failure to act arising from or in connection with dishonesty, bad faith, willful misconduct, gross negligence or reckless disregard of a duty by the Issuer Trustee. The Issuer Trustee, in doing anything or permitting anything to be done in respect of the execution of the duties of its office or in respect of the Issuer's property or the Issuer's activities, is, and will be conclusively deemed to be, acting as trustee of the Issuer and not in any other capacity. Except as to the extent provided in this Section 8.12, the Issuer Trustee will not be subject to any liability for any debts, liabilities, obligations, claims, demands, judgments, costs, charges or expenses against or with respect to the Issuer, arising out of anything done or permitted by it to be done or its failure to take any action in respect of the execution of the duties of its office or for or in respect of the Issuer's property or the Issuer's activities and resort will be had solely to the Issuer's property for the payment or performance thereof. No property or assets of the Issuer Trustee owned in its personal capacity will be subject to levy, execution or other enforcement procedure with regard to any obligation under this Agreement.

(c) The holders of the units of the Issuer will not be subject to any liability whatsoever, in tort, in contract or otherwise, in connection with the Issuer's property or the Issuer's activities, to the Issuer's beneficiaries or to any other Person, for any action taken or permitted by it to be taken. The holders of the units of the Issuer will not be subject to any liability for any debts, liabilities, obligations, claims, demands, judgments, costs, charges or expenses against or with respect to the Issuer, arising out of anything done or permitted by it to be done or its failure to take any action in respect of the execution of the duties of its office or for or in respect of the Issuer's property or the Issuer's activities and resort will be had solely to the Issuer's property for the payment or performance thereof. No property or assets of the holders of the units of the Issuer owned in their personal capacity will be subject to levy, execution or other enforcement procedure with regard to any obligation under this Agreement.

8.13 Waivers

Any term or provision of this Agreement may be waived, or the time for its performance may be extended, by the party or parties entitled to the benefit thereof; provided, however, that no such waiver delivered by the Issuer shall be effective unless the Indenture Trustee has given its prior written consent thereto. Any such waiver shall be validly and sufficiently authorized for the purposes of this Agreement if, as to any party, it is authorized in writing by an authorized representative of such party, with prompt written notice of any such waiver to be provided to the Rating Agencies. The failure of any party hereto to enforce at any time any provision of this Agreement shall not be construed to be a waiver of such provision, nor in any

way to affect the validity of this Agreement or any part hereof or the right of any party thereafter to enforce each and every such provision. No waiver of any breach of this Agreement shall be held to constitute a waiver of any other or subsequent breach.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

(a) The IESO shall indemnify the Issuer, the Indenture Trustee (for itself and for the benefit of the Specified Creditors), the Manager~~, the Administrative Agent~~ and each of their respective trustees, officers, directors, employees and agents (each, an "**Indemnified Party**"), for, and defend and hold harmless each such Person from and against, any and all liabilities, obligations, losses, damages, payments and claims, and reasonable costs or expenses, of any kind whatsoever (collectively, "**Indemnified Losses**") imposed on, incurred by or asserted against any such Person as a result of (i) the failure of the IESO to perform its covenants and other obligations under this Agreement, any Co-Owner Agreement and any other Program Agreement to which the IESO is a party; **and** (ii) the IESO's breach of any of its representations or warranties under this Agreement, any Co-Owner Agreement and any other Program Agreement to which the IESO is a party; and ~~(iii) any litigation and related expenses relating to the IESO's status and obligations as Servicer (other than any Proceeding the IESO is required to institute under this Agreement)~~, except to the extent of Indemnified Losses resulting from the willful misconduct, bad faith or gross negligence of such Person seeking indemnification hereunder; provided that, in each case, the IESO shall not be required to indemnify an Indemnified Party for any amount paid or payable by such Indemnified Party in the settlement of any Proceeding or investigation without the written consent of the IESO, which consent shall not be unreasonably withheld. Promptly after receipt by an Indemnified Party of notice ~~(or, in the case of the Indenture Trustee, receipt of notice by a Responsible Officer only)~~ of the commencement of any Proceeding or investigation, such Indemnified Party shall, if a claim in respect thereof is to be made against the IESO under this Section 6.1(a), notify the IESO in writing of the commencement thereof. With respect to any Proceeding or investigation brought by a third party for which indemnification may be sought under this Section 6.1(a), the IESO shall be entitled to conduct and control, at its expense and with counsel of its choosing that is reasonably satisfactory to such Indemnified Party, the defence of any such Proceeding or investigation (in which case the IESO shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the Indemnified Party except as set forth below); provided, that the Indemnified Party shall have the right to participate in such Proceeding or investigation through counsel chosen by it and at its own expense. Notwithstanding the IESO's election to assume the defence of any Proceeding or investigation, the Indemnified Party

The IESO will not, without the prior written consent of the Indemnified Party, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim or Proceeding in respect of which indemnification may be sought under this Section 6.1(a) (whether or not the Indemnified Party is an actual or potential party to such claim or action) unless such settlement, compromise or consent includes an unconditional release of the Indemnified Party from all liability arising out of such claim or Proceeding.

(b) For purposes of Section 6.1(a), in the event of the termination of the rights and obligations of the IESO (or any successor thereto pursuant to Section ~~3.7~~**3.12**) as Servicer pursuant to Section 7.1, or a resignation by such Servicer pursuant to **Section 3.11 of** this Agreement, the IESO shall be deemed to be the Servicer pending appointment of a Successor Servicer pursuant to Section 7.2.

(c) Indemnification under Section 6.1(a) shall include reasonable out-of-pocket fees and expenses of investigation and litigation (including reasonable legal fees and expenses), except as otherwise expressly provided in this Agreement.

(d) Indemnification under this Section 6.1 shall survive any repeal of, modification of, or supplement to, or judicial invalidation of, the Act and shall survive the resignation or removal of the Indenture Trustee or the termination of this Agreement and will rank *pari passu* with other general, unsecured obligations of the IESO. ~~Other than provided in the preceding sentence, the~~

(e) **The** IESO shall not **be required to** indemnify any party under this Section 6.1 for any **losses resulting from** changes in law after the date hereof, whether such changes in law are effected by means of any legislative enactment or any final and non-appealable judicial decision.

As soon as practicable after receipt by the Servicer of such Termination Notice, the Servicer shall deliver the Records to the Successor Servicer. If a Successor Servicer has been appointed as a result of a Servicer Default, all reasonable costs and expenses (including reasonable legal fees and expenses) incurred in connection with transferring the Records to the Successor Servicer and amending this Agreement and any Co-Owner Agreement to reflect such succession as Servicer pursuant to this Section 7.1 shall be paid by the predecessor Servicer upon presentation of reasonable documentation of such costs and expenses. Termination of the IESO as Servicer shall

7.2 Appointment of Successor Servicer

(a) Upon the Servicer's receipt of a Termination Notice pursuant to Section 7.1 or the Servicer's resignation or removal in accordance with the terms of this Agreement, the predecessor Servicer shall continue to perform its functions as Servicer under this Agreement, until a Successor Servicer shall have assumed in writing the obligations of the Servicer hereunder as described below. The Indenture Trustee's expenses incurred under this Section 7.2(a) shall be at the sole expense of the Issuer and payable from the Collection Account as provided in **[Section 8.02]** of the Indenture.

(b) Upon appointment, the Successor Servicer shall be the successor in all respects to the predecessor Servicer and shall be subject to all the responsibilities, duties and liabilities arising thereafter placed on the predecessor Servicer and shall be entitled to all the rights granted to the predecessor Servicer by the terms and provisions of this Agreement.

7.4 Notice of Servicer Default

The Servicer shall deliver to the Issuer, the Manager, the Indenture Trustee and the Rating Agencies promptly after having obtained knowledge thereof, but in no event later than five Business Days thereafter, written notice of any event that, with the giving of notice or lapse of time, or both, would become a Servicer Default under Section 7.1.

Please find attached our comments on your response of October 6. We have moved the text of your email to the attached document and responded inline in square brackets for ease of review.

We recognize that we are running out of time, and that we should discuss and move this forward at the beginning of next week.

We also generally recognize that, although there are still some gaps in our respective approaches, we would find it helpful to have some more specific suggestions and comments on our Sept. 27 draft in order to help move this forward. This might include also the timing issues, with some indication of where, if OPG finds the timing does not work, some alternatives can be suggested for consideration.

Toby,

Thank you for your draft proposal; we have set out below our conceptual comments and concerns on it. Please note that the points below remain subject to the continuing review of OPG. Please also note that we have not yet sought the dealers' views on the proposal. We think it is premature to do so until we settle these points amongst ourselves and a revised draft of the proposal is circulated reflecting our agreement.

As further discussed below, your proposal deviates in some key ways from what we proposed in our email of September 19 (attached) and raises the accounting and operational issues we tried to avoid in the September 19th proposal. Given the need to settle the Protection Agreement as soon as possible, we'd appreciate if we could discuss these points early next week.

Best Regards,
Nina

Accounting Issues:
E&Y has concerns from an accounting perspective with the level of Provincial oversight and input on certain parts of the process, namely:

-that OPG will likely have to go back to the Province on each incurrence of debt and they will have to do so prior to that incurrence
-that OPG must certify and provide a lot of detailed reporting with respect to each incurrence of debt
-the level of frequency of reporting in general (not just the certifications/information noted above but also the contemplated annual forecasts and quarterly updates of those forecasts)
-the negative pledge with respect to the exercise of certain options on the debt
-the fact that OPG must give notice to the Province when incurring funding obligations that are expressly excluded from the Protection Agreement

Taken as a whole, we understand that E&Y sees all of this as the Province exerting a level of control on the debt that no typical guarantor would have. Please also advise if the Province's accountants have reviewed the proposal.

Practical Issues:

- The procedural steps to bind the Province are lengthy and complicated. From our perspective, as drafted, OPG will likely have to seek Provincial approval on each debt issuance (which weakens the accounting as discussed above). The dealers and their counsel will have a reaction to the proposed adherence conditions but query whether there is value in setting out the adherence conditions in the Protection Agreement itself. Setting aside the mechanics of how we get there, the dealers want comfort that the incurrence of obligations by the financing entity will be covered by the Protection Agreement. We would propose that the mechanics of any approval process (once we settle the terms of that process) be the subject of a separate procedures agreement or memo from the Province to OPG, whereby the Province

delegates to OPG the ability to bind the Province under the Protection Agreement with respect to an incurrence of obligations so long as the adherence conditions in the procedures agreement or memo have been met. The Protection Agreement would then simply state that, upon OPG certifying to the indenture trustee that the adherence conditions have been satisfied under the procedures agreement/memo, the Province will be deemed to be bound under the Protection Agreement with respect to the specific obligations incurred at the time of the certification.

- In addition to the accounting concerns, the level of detail and frequency of reporting required present timing and operational issues. For example, as part of the adherence conditions, you are asking for details on the interest rate. However, pricing will in part be driven off whether that specific incurrence will have the benefits of the Protection Agreement.

Drafting Issues:

- Please refer to the existing terminology of the Act to ensure there is certainty on the obligations covered under the Protection Agreement. We think the best way for you to approach this would be to refer to all finance amounts and then expressly carve out what you are proposing not be covered.
- We'd like to understand the reason OPG's management fees have been excluded. We assume you do not intend for OPG's reimbursement costs (costs incurred by OPG on behalf of the Financing Entity) to be excluded? Please advise why taxes are being excluded?
- There are a few references to "exceed the maximum amount specified therefor in the applicable governing document". Please advise what is being contemplated here.
- We have a number of other drafting comments which we'll revisit once we've settled on the conceptual points above and have reviewed a revised draft of the document.

Steve, Malle and Toby, further to our meeting the other day, set out below for your review is a proposal on the Provincial approval process under the Change of Law Assumption Agreement.

Once we have your feedback on this, we will need to share it with Osler and the accountants and as John mentioned, we are under some time pressure to bring this to a resolution prior to the upcoming June 29 OPG Board meeting. We look forward to your comments, and feel free to reach out if you have any questions. -- Rima

Obligor Approval

The Change of Law Assumption Agreement will apply to all Specified Claims relating to Funding Obligations that are incurred by an Eligible Financing Entity in accordance with the Obligor's approval process. The definition of Specified Claims to be mutually agreed by all parties.

In order for a Financing Entity to become designated as an Eligible Financing Entity by the Obligor, prior to the initial issuance of Funding Obligations by such Financing Entity, the Obligor will be provided with copies of the following documents (collectively the "Program Documents") for review:

(i) the constating documents of such Financing Entity;
(ii) the management agreement between the Financing Entity and OPG;
(iii) the master transfer and servicing agreement between the Financing Entity and the IESO;
(iv) the master trust indenture governing the issuance of Funding Obligations by the Financing Entity;
(v) a form of supplemental indenture governing the issuance of bonds, issuable in series, by the Financing Entity;
(vi) a form of note purchase agreement or credit agreement governing the issuance of short term Funding Obligations by the Financing Entity;
(vii) a form of schedule to an ISDA Master Agreement governing derivative transactions that may be entered into the Financing Entity from time to time; and
(viii) such other documents as may be requested by the Obligor.

Once a Financing Entity is designated by the Obligor as an Eligible Financing Entity, it will not be necessary for the Obligor to approve the documentation related to specific issuances of Funding Obligations; however, OPG will be expected to notify the Obligor of any new material program documentation or any material amendments to existing program documentation before such new documentation or amendments become effective. The failure of OPG to provide any such notice will not invalidate the application of the Change of Law Assumption Agreement to any Specified Claims.

It will not be necessary for the Obligor to approve each new issuance of Funding Obligations provided that such Funding Obligations are issued in accordance with following:

(1) The Funding Obligations are issued in accordance with agreements that contain: (a) covenants of the Eligible Financing Entity that are no more onerous in any material respect and (b) events of default that are consistent in all material respects, respectively, with the covenants of the Eligible Financing Entity and events of default contained in the draft Program Documents.

(2) At least [30 days] prior to the initial issuance of Funding Obligations by an Eligible Financing Entity, OPG will provide the Obligor with a forecast of the principal amount and expected term of

the Funding Obligations that OPG expects such Eligible Financing Entity to issue in accordance with the Financing Plan in the next two years (a "Two Year Forecast"). The execution of the Change of Law Assumption Agreement in respect of such Eligible Financing Entity shall constitute the Obligor's approval of the issuance of Funding Obligations by such Eligible Financing Entity in accordance with the Two Year Forecast.

(3) OPG shall provide the Obligor with an updated Two Year Forecast between 9 and 12 months prior to the expiry of each current Two Year Forecast.

(4) Unless the Obligor provides OPG with a written notice no later than 3 months prior to the date following receipt of the current Two Year Forecast that the Change of Law Assumption Agreement will be inapplicable with respect to new Funding Obligations incurred following the expiry of the current Two Year Forecast, the Obligor will be deemed to approve the application of the Change of Law Assumption Agreement to all Funding Obligations incurred up to the expiry of the new Two Year Forecast.

At the time of issuance of Funding Obligations by an Eligible Financing Entity, the Financing Entity will provide (i) any required certifications to the underwriters/agents that such Funding Obligations are covered by the Change of Law Assumption Agreement; and (ii) notice to the Obligor of the material terms of the Funding Obligations issued, together with electronic copies of the final executed Program Documents.

TORYS
LLP

[NOTE TO DRAFT: CONFIRM THAT TORYS IS REFERRING TO THE OFA/MOE PROPOSAL FROM SEPTEMBER 27TH.]

Toby,

Thank you for your draft proposal; we have set out below our conceptual comments and concerns on it. Please note that the points below remain subject to the continuing review of OPG. Please also note that we have not yet sought the dealers' views on the proposal. We think it is premature to do so until we settle these points amongst ourselves and a revised draft of the proposal is circulated reflecting our agreement.

As further discussed below, your proposal deviates in some key ways from what we proposed in our email of September 19 (attached) and raises the accounting and operational issues we tried to avoid in the September 19th proposal. Given the need to settle the Protection Agreement as soon as possible, we'd appreciate if we could discuss these points early next week.

Best Regards,
Nina

Accounting Issues:
E&Y has concerns from an accounting perspective with the level of Provincial oversight and input on certain parts of the process, namely:

[There is minimal oversight and input from the Province so long as the pre-agreed scope and parameters are adhered to.]

-that OPG will likely have to go back to the Province on each incurrence of debt and they will have to do so prior to that incurrence

[The proposal is that basic information regarding an incurrence will be provided to enable the province to (1) understand the nature and scope of the incurrence, to enable the Province to address internal governance considerations and (2) to be satisfied that the proposed incurrences are in-line with the pre-agreed parameters (the "Parameters"). The intention is not to curtail incurrences that follow the pre-agreed approach. The timing of the notice to the Province may be a point of discussion.]

-that OPG must certify and provide a lot of detailed reporting with respect to each incurrence of debt
[As the entity running the program, OPG will be expected to provide the province with information sufficient to enable the province to make sure any incurrence falls inside the Parameters. The delivery of a certificate in an agreed form, just prior to the time of the incurrence, is meant to create a brightline test for the financing entity's counterparties to know that, so long as the certificate has been delivered (even if it's inaccurate), the Province will be bound. As you suggest below, any inaccuracy will give rise to considerations between the province and OPG. The delivery of the certificate at the time of an incurrence is considered an important due diligence confirmation for the province.
What is the basis for E&Y expressing a reservation regarding the province having access to underlying information about the "approved obligations", which in turn will define the scope of the

province's own obligations if called upon under the change of law protection agreement (CLPA)?]
-the level of frequency of reporting in general (not just the certifications/information noted above but also the contemplated annual forecasts and quarterly updates of those forecasts)
[Any surety in a similar circumstance would want to know the nature and extent of the obligations incurred and to be incurred. That information is intended to allow the province to ensure compliance with the Parameters. Please provide an alternative proposal that meets OPGs requirements and still provides adequate information for the Province.]
-the negative pledge with respect to the exercise of certain options on the debt
[The idea is that if there is optionality in favour of the financing entity, and the exercise would affect the payment profile under the CLPA, such an exercise following a Protection Event should not affect the Province's payment obligations. In effect, the payment schedule will crystalize and cannot be accelerated or extended once the province becomes obligated to pay, following a Protection Event.]
-the fact that OPG must give notice to the Province when incurring funding obligations that are expressly excluded from the Protection Agreement
[The Province needs to understand the overall credit picture of the financing entity since it will become a creditor (through subrogation) if it is called on to perform. Exclusions are narrowly defined and should be minimal in practice.]

Taken as a whole, we understand that E&Y sees all of this as the Province exerting a level of control on the debt that no typical guarantor would have.
[These checks and balances are in-line with the province not writing a "blank cheque" in relation to future incurrences. Prudent sureties would be expected to exercise diligence - indeed to do less could be evidence of interdependence and non-arm's length terms, which presumably would be unhelpful to E&Y's analysis.] Please also advise if the Province's accountants have reviewed the proposal.
[The Province's accountants are involved in this process and are also reviewing the proposal]

Practical Issues:

- The procedural steps to bind the Province are lengthy and complicated.

[The OFHPA will involve very significant and complex financings. The process is intended to provide an appropriate level of third party enquiry given the size and scale of the financing program to the province and in order to ensure the issuances are within the Parameters.] From our perspective, as drafted, OPG will likely have to seek Provincial approval
[No approval is contemplated or expected by the Province, except if the incurrence is outside of the pre-agreed boundaries.] on each debt issuance (which weakens the accounting as discussed above)
[An explanation of the relevant accounting principles that E&Y has expressed concern about would assist the province to understand E&Y'S concerns. Also, a detailed list of any particular troublesome requirements would be helpful, with drafting suggestions as appropriate] [The dealers and their counsel will have a reaction to the proposed adherence conditions but query whether there is value in setting out the adherence conditions in the Protection Agreement itself.
[From the dealers' perspective, the three listed requirements (namely, (1) quantum under the program limit (2) delivery of the OPG certificate (3) absence of contrary notice from the Province) can be easily and objectively verified by the dealers. These process requirements should be reflected in the incurrence procedures as a check/balance at the relevant time, given that the province will not otherwise be directly involved in the incurrence process but will be obligated under the CLPA] Setting aside the mechanics of how we get there, the dealers want

comfort that the incurrence of obligations by the financing entity will be covered by the Protection Agreement.

[As noted above, the three listed requirements can be easily and objectively confirmed by the dealers prior to a closing. inaccuracies or other failures within the certification process will not negate the Province's obligations] We would propose that the mechanics of any approval process (once we settle the terms of that process) be the subject of a separate procedures agreement or memo from the Province to OPG, whereby the Province delegates to OPG the ability to bind the Province under the Protection Agreement with respect to an incurrence of obligations so long as the adherence conditions in the procedures agreement or memo have been met.

[As noted, this due diligence check/balance is how the province will ensure the issuances satisfy the Parameters. It is anticipated that the Ministers will see this process as significant to the exercise of their authorities under OFHPA 5(3). Ultimately, the Province will depend on OPG, which is why the delivery of a certificate, without being impugned by an accuracy, is the contemplated adherence condition - rather than making the confirmation of certificate accuracy a condition, which we assume would be unwelcome by the underwriters.] The Protection Agreement would then simply state that, upon OPG certifying to the indenture trustee that the adherence conditions have been satisfied under the procedures agreement/memo, the Province will be deemed to be bound under the Protection Agreement with respect to the specific obligations incurred at the time of the certification.

[The Province wants an actual certificate to be delivered to it (not just the indenture trustee) as part of the closing process. Also, the program limit and failsafe disapproval notice are considered to be important safeguards for the province]

- In addition to the accounting concerns, the level of detail and frequency of reporting required present timing and operational issues. For example, as part of the adherence conditions, you are asking for details on the interest rate. However, pricing will in part be driven off whether that specific incurrence will have the benefits of the Protection Agreement.
- [In the case of details not known at the time the OPG certificate is to be delivered (which will be expected to occur close to closing), it should be sufficient to indicate the process by which those details will be finalized. For example, it would be sufficient to say "interest rates to be set on or about [date] based on underwriting syndicate pricing indications".]

Drafting Issues:

- Please refer to the existing terminology of the Act to ensure there is certainty on the obligations covered under the Protection Agreement. We think the best way for you to approach this would be to refer to all finance amounts and then expressly carve out what you are proposing not be covered.
- [The proposal uses the specific defined terms from the OFHPA and regulation, in order to tie back to the statute and appropriately narrow the scope to the obligations that are reasonably known to require protection from the province. Considerable thought has been given to the approach reflected in the province's proposal. The Province wishes to focus on each inclusion that requires the support arrangements, which should then be net of available/free cash flows, set-offs, etc. Please provide specific comments on any specific items of concerns.]
- We'd like to understand the reason OPG's management fees have been excluded. [This is still an open question under consideration.] We assume you do not intend for OPG's

reimbursement costs (costs incurred by OPG on behalf of the Financing Entity) to be excluded? [Under consideration] Please advise why taxes are being excluded?

[CRA does not require/is not entitled by law to the benefit of the protection arrangement. Please explain the logic of the request to include taxes]

- There are a few references to "exceed the maximum amount specified therefor in the applicable governing document". Please advise what is being contemplated here.

[For the Province's support arrangement to apply to an obligation, the quantum of the obligation must be factored into the program maximum test. if the obligation is a contingent obligation, the province's obligations must be capped so that the amount of the cap can be factored into the program limit test]

- We have a number of other drafting comments which we'll revisit once we've settled on the conceptual points above and have reviewed a revised draft of the document.

[In the interest of time, please provide any other detailed comments you may have on the September 27th version of the proposal as soon as possible]

Subject: RE: Fair Hydro -- Change of Law Assumption Agreement

Toby,

Thanks for your email. Based on the term sheet, since the Province isn't guaranteeing the obligations under these agreements but only stepping in if there is a change of law "protection event", we did not expect the drafting of the Change of Law Protection Agreement would be implicated by these other agreements (particularly now that we have proposed dealing with the Province's approval of the various program agreements in a separate procedures document). We also understand that in order to be in a position to close on a financing before year end, the Change of Law Protection Agreement needs to be substantially settled by early November. If that is still the case, then we expect the dealers and their counsel will need to see a draft in this coming week.

In the interest of time, we have attached an initial draft of the supplemental indenture for the warehouse facility which, as noted previously, has not yet been reviewed by OPG and Torys. The supplemental for the long term financing will be a simpler document - with mechanics for issuing the notes and pricing information but likely no additional covenants and events of default and no drawdown mechanics like the warehouse facility.

We will start copying the Province and Blakes on circulations of all documents going forward. Please let us know if the entire team on this email should be copied or only Blakes and the Provincial legal team.

Best Regards,

Nina

Nina,

We are working on a draft of the Change of Law Protection Agreement, but cannot complete the drafting until we have seen a draft of the Supplemental Indenture and the other instruments that are to be guaranteed.

We are also working on drafting some responses and comments to your comments from Wednesday on the approval process document, and will get back to you with those soon.

Toby,

In the interest of time, we have drafted a procedures agreement incorporating the approval mechanics we circulated below. As noted in previous correspondence, we think the approval process should be the subject of a separate

agreement and not included in the Change of Law Protection Agreement you are drafting. Please note that the attached remains subject to the continuing review of OPG and Torys.

Can you please also let us know when we can expect to see a draft of the Change of Law Protection Agreement?

Many thanks,

Toby – further to discussions between OPG and the Province, please find attached comments on the draft proposal under the Change of Law Protection Agreement (blacklined to the draft circulated below). The attached reflects our comments from accounting, operational and financeability perspectives. In particular, the financeability of the program will turn on whether there is a clear and concise way for investors to determine that an incurrence of funding obligations will be covered under the Change of Law Protection Agreement and that, once confirmed, the confirmation is irrevocable. Accordingly, we have proposed in the attached that a simple confirmation from OPG to a third party binds the Province in respect of the incurrence of the applicable funding obligations provided that OPG has satisfied the requirements of the approval process (which we propose be the subject of a separate procedures agreement or memo). Please note that the attached remains subject to the review of the working group including the

dealers and the rating agencies.

Please find attached our comments on your response of October 6. We have moved the text of your email to the attached document and responded inline in square brackets for ease of review.

We recognize that we are running out of time, and that we should discuss and move this forward at the beginning of next week.

We also generally recognize that, although there are still some gaps in our respective approaches, we would find it helpful to have some more specific suggestions and comments on our Sept. 27 draft in order to help move this forward. This might include also the timing issues, with some indication of where, if OPG finds the timing does not work, some alternatives can be suggested for consideration.

Subject: RE: Fair Hydro -- Change of Law Assumption Agreement

Toby,

Thank you for your draft proposal; we have set out below our conceptual comments and concerns on it. Please note that the points below remain subject to the continuing review of OPG. Please also note that we have not yet sought the dealers' views on the proposal. We think it is premature to do so until we settle these points amongst ourselves and a revised draft of the proposal is circulated reflecting our agreement.

As further discussed below, your proposal deviates in some key ways from what we proposed in our email of September 19 (attached) and raises the accounting and operational issues we tried to avoid in the September 19th proposal. Given the need to settle the Protection Agreement as soon as possible, we'd appreciate if we could discuss these points early next week.

Best Regards,

Nina

Accounting Issues:

E&Y has concerns from an accounting perspective with the level of Provincial oversight and input on certain parts of the process, namely:

-that OPG will likely have to go back to the Province on each incurrence of debt and they will have to do so prior to that incurrence -that OPG must certify and provide a lot of detailed reporting with respect to each incurrence of debt -the level of frequency of reporting in general (not just the certifications/information noted above but also the contemplated annual forecasts and quarterly updates of those forecasts) -the negative pledge with respect to the exercise of certain options on the debt -the fact that OPG must give notice to the Province when incurring funding obligations that are expressly excluded from the Protection Agreement

Taken as a whole, we understand that E&Y sees all of this as the Province exerting a level of control on the debt that no typical guarantor would have. Please also advise if the Province's accountants have reviewed the proposal.

Practical Issues:

* The procedural steps to bind the Province are lengthy and complicated. From our perspective, as drafted, OPG will likely have to seek Provincial approval on each debt issuance (which weakens the accounting as discussed above). The dealers and their counsel will have a reaction to the proposed adherence conditions but query whether there is value in setting out the adherence conditions in the Protection Agreement itself. Setting aside the mechanics of how we get there, the dealers want comfort that the incurrence of obligations by the financing entity will be covered by the Protection Agreement. We would propose that the mechanics of any approval process (once we settle the terms of that process) be the subject of a separate procedures agreement or memo from the Province to OPG, whereby the Province delegates to OPG the ability to bind the Province under the Protection Agreement with respect to an incurrence of obligations so long as the adherence conditions in the procedures agreement or memo have been met. The Protection Agreement would then simply state that, upon OPG certifying to the indenture trustee that the adherence conditions have been satisfied under the procedures agreement/memo, the Province will be deemed to be bound under the Protection Agreement with respect to the specific obligations incurred at the time of the certification.

* In addition to the accounting concerns, the level of detail and frequency of reporting required present timing

and operational issues. For example, as part of the adherence conditions, you are asking for details on the interest rate. However, pricing will in part be driven off whether that specific incurrence will have the benefits of the Protection Agreement.

Drafting Issues:

* Please refer to the existing terminology of the Act to ensure there is certainty on the obligations covered under the Protection Agreement. We think the best way for you to approach this would be to refer to all finance amounts and then expressly carve out what you are proposing not be covered.

* We'd like to understand the reason OPG's management fees have been excluded. We assume you do not intend for OPG's reimbursement costs (costs incurred by OPG on behalf of the Financing Entity) to be excluded? Please advise why taxes are being excluded?

* There are a few references to "exceed the maximum amount specified therefor in the applicable governing document". Please advise what is being contemplated here.

* We have a number of other drafting comments which we'll revisit once we've settled on the conceptual points above and have reviewed a revised draft of the document.

Subject: Fair Hydro -- Change of Law Assumption Agreement

Steve, Malle and Toby, further to our meeting the other day, set out below for your review is a proposal on the Provincial approval process under the Change of Law Assumption Agreement. Once we have your feedback on this, we will need to share it with Osler and the accountants and as John mentioned, we are under some time pressure to bring this to a resolution prior to the upcoming June 29 OPG Board meeting. We look forward to your comments, and feel free to reach out if you have any questions. -- Rima

Obligor Approval

The Change of Law Assumption Agreement will apply to all Specified Claims relating to Funding Obligations that are incurred by an Eligible Financing Entity in accordance with the Obligor's approval process. The definition of Specified Claims to be mutually agreed by all parties.

In order for a Financing Entity to become designated as an Eligible Financing Entity by the Obligor, prior to the initial issuance of Funding Obligations by such Financing Entity, the Obligor will be provided with copies of the following documents (collectively the "Program Documents") for review:

(i) the constating documents of such Financing Entity;

(ii) the management agreement between the Financing Entity and OPG;

(iii) the master transfer and servicing agreement between the Financing Entity and the IESO;

(iv) the master trust indenture governing the issuance of Funding Obligations by the Financing Entity;

(v) a form of supplemental indenture governing the issuance of bonds, issuable in series, by the Financing Entity;

(vi) a form of note purchase agreement or credit agreement governing the issuance of short term Funding Obligations by the Financing Entity;

(vii) a form of schedule to an ISDA Master Agreement governing derivative transactions that may be entered into the Financing Entity from time to time; and

(viii) such other documents as may be requested by the Obligor.

Once a Financing Entity is designated by the Obligor as an Eligible Financing Entity, it will not be necessary for the Obligor to approve the documentation related to specific issuances of Funding Obligations; however, OPG will be expected to notify the Obligor of any new material program documentation or any material amendments to existing program documentation before such new documentation or amendments become effective. The failure of OPG to provide any such notice will not invalidate the application of the Change of Law Assumption Agreement to any Specified Claims.

It will not be necessary for the Obligor to approve each new issuance of Funding Obligations provided that such Funding Obligations are issued in accordance with following:

(1) The Funding Obligations are issued in accordance with agreements that contain: (a) covenants of the Eligible Financing Entity that are no more onerous in any material respect and (b) events of default that are consistent in all material respects, respectively, with the covenants of the Eligible Financing Entity and events of default contained in the draft Program Documents.

(2) At least [30 days] prior to the initial issuance of Funding Obligations by an Eligible Financing Entity, OPG will provide the Obligor with a forecast of the principal amount and expected term of the Funding Obligations that OPG expects such Eligible Financing Entity to issue in accordance with the Financing Plan in the next two years (a "Two Year Forecast"). The execution of the Change of Law Assumption Agreement in respect of such Eligible Financing Entity shall constitute the Obligor's approval of the issuance of Funding Obligations by such Eligible Financing Entity in accordance with the Two Year Forecast.

(3) OPG shall provide the Obligor with an updated Two Year Forecast between 9 and 12 months prior to the expiry of each current Two Year Forecast.

(4) Unless the Obligor provides OPG with a written notice no later than 3 months prior to the date following receipt of the current Two Year Forecast that the Change of Law Assumption Agreement will be inapplicable with respect to new Funding Obligations incurred following the expiry of the current Two Year Forecast, the Obligor will be deemed to approve the application of the Change of Law Assumption Agreement to all Funding Obligations incurred up to the expiry of the new Two Year Forecast.

At the time of issuance of Funding Obligations by an Eligible Financing Entity, the Financing Entity will provide (i) any required certifications to the underwriters/agents that such Funding Obligations are covered by the Change of Law Assumption Agreement; and (ii) notice to the Obligor of the material terms of the Funding Obligations issued, together with electronic copies of the final executed Program Documents.

(a) ***Initial Purchases***. Subject to the terms and conditions of this Supplemental Indenture, including delivery of notice in accordance with Section 3.3, (i) each Non-Conduit Purchaser shall purchase, and each CP Conduit Purchaser may, in its sole discretion, purchase a Series 2017-1 Senior Note in an amount equal to all or a portion of its Commitment Percentage of the Series 2017-1 Initial Principal Amount on any Business Day during the period from the date hereof to and including **[December 15, 2017]**, and if any such CP Conduit Purchaser shall have notified the Administrative Agent and the Funding Agent with respect to such CP Conduit Purchaser that it has elected not to fund a Series 2017-1 Senior Note in an amount equal to its Commitment Percentage of the Series 2017-1 Initial Principal Amount on the Series 2017-1 Closing Date, the Group Bank with respect to such CP Conduit Purchaser shall fund on the Series 2017-1 Closing Date that portion of such Series 2017-1 Senior Note not to be funded by such CP Conduit Purchaser; and (ii) thereafter, (A) each Non-Conduit Purchaser shall maintain its Series 2017-1 Senior Note, subject to increase or decrease during the period from the Series 2017-1 Closing Date to and including the Commitment Expiry Date, in accordance with the provisions of this Supplemental Indenture, (B) if a CP Conduit Purchaser shall have purchased a Series 2017-1 Senior Note on the Series 2017-1 Closing Date, such CP Conduit Purchaser may, in its sole discretion, maintain its Series 2017-1 Senior Note, subject to increase or decrease during the period from the Series 2017-1 Closing Date to and including the Commitment Expiry Date, in accordance with the provisions of this Supplemental Indenture, and (C) the Group Bank shall maintain its Series 2017-1 Senior Note with respect to its Related Purchaser Group, subject to increase or decrease during the period from the Series 2017-1 Closing Date to and including the Commitment Expiry Date, in accordance with the provisions of this Supplemental Indenture. Payments by the Non-Conduit Purchasers, the CP Conduit Purchasers and/or the Group Bank with respect to the CP Conduit Purchasers shall be made in immediately available funds on the Series 2017-1 Closing Date in accordance with Section 3.3(d).

(b) ***Maximum Purchaser Group Principal Amounts***. Notwithstanding anything to the contrary contained in this Supplemental Indenture, at no time shall a Purchaser Group be required to make the initial purchase of a Series 2017-1 Senior Note or increase its Purchaser Group Principal Amount if the sum of (x) Purchaser Group Principal Amount with respect to such Purchaser Group, after giving effect to such purchase or increase, and (y) the sum of any unfunded Delayed Amounts with respect to such Purchaser Group, would exceed the Maximum Purchaser Group Principal Amount with respect to such Purchaser Group at such time.

3.2 Delivery

(a) On the Series 2017-1 Closing Date (or on any later date that any Purchaser Group becomes a party to this Supplemental Indenture), Series 2017-1 Senior Notes shall be executed, authenticated and delivered by the Issuer in accordance with Section 4.03 of the Trust Indenture (i) in the case of a CP Conduit Purchaser Group, in the name of the Funding Agent with respect to such CP Conduit Purchaser Group (or as otherwise requested by such CP Conduit Purchaser Group and agreed to by the Issuer) in an amount equal to the Maximum Purchaser Group Principal Amount with respect to such CP Conduit Purchaser Group and delivered to such Funding Agent; or (ii) in the case of a Non-Conduit Purchaser Group, in the name of the Related Non-Conduit Purchaser in an amount equal to the Maximum Purchaser Group Principal Amount with respect to such Related Non-Conduit Purchaser Group and delivered to such Related Non-Conduit Purchaser.

(b) The Administrative Agent shall maintain a record of the actual Purchaser Group Principal Amount outstanding with respect to each Purchaser Group and the actual Series 2017-1 Principal Amount outstanding on any date of determination, which, absent manifest error, shall constitute prima facie evidence of the outstanding Purchaser Group Principal Amounts and outstanding Series 2017-1 Principal Amount from time to time. Upon a written request from the Indenture Trustee, the Administrative Agent shall provide in writing the identity of the Purchaser Groups, the related Funding Agents for each CP Conduit Purchaser Group, the Purchaser Group Principal Amount for each Purchaser Group and the Commitment Percentage with respect to such Purchaser Group to the Indenture Trustee.

3.3 Procedure for Initial Issuance and for Increasing the Series 2017-1 Principal Amount

(a) (i) On any Business Day prior to [**December 15, 2017**], in the case of a Non-Conduit Purchaser Group, the Related Non-Conduit Purchaser hereby agrees, or in the case of a CP Conduit Purchaser Group, the CP Conduit Purchaser in such CP Conduit Purchaser Group may agree, in its sole discretion, and the Group Bank with respect to such CP Conduit Purchaser hereby agrees, that it will purchase a Series 2017-1 Senior Note for an initial purchase price equal to the Commitment Percentage with respect to such Purchaser Group of the Series 2017-1 Initial Principal Amount upon the request of the Issuer (the date on which the initial purchase occurs being referred to as the "**Series 2017-1 Closing Date**"); provided, however, that the Issuer shall have given the Administrative Agent (with a copy to the Indenture Trustee) irrevocable written notice (effective upon receipt), by telecopy (receipt confirmed), substantially in the form of Schedule C no later than **[3:00 p.m.]** (Toronto time) on the third Business Day prior to the Series 2017-1 Closing Date. The written notice of the initial purchase of the Series 2017-1 Senior Notes shall state (x) the Series 2017-1 Closing Date, and (y) the initial total purchase price to be paid for the Series 2017-1 Senior Notes (the "**Series 2017-1 Initial Principal Amount**"); and (ii) subject to Section 3.3(e), on any Business Day during the period from the initial purchase of the Series 2017-1 Senior Notes hereunder to and including the Commitment Expiry Date, in the case of a Non-Conduit Purchaser Group, the Related Non-Conduit Purchaser hereby agrees, or in the case of a CP Conduit Purchaser Group, the CP Conduit Purchaser in such CP Conduit Purchaser Group may agree, in its sole discretion, and the Group Bank with respect to such CP Conduit Purchaser hereby agrees that the Purchaser Group Principal Amount with respect to such Purchaser Group may be increased by an amount equal to the Commitment Percentage with respect to such Purchaser Group of the Increase Amount (an

"**Increase**"), upon the request of the Issuer (each date on which an increase in the Series 2017-1 Principal Amount occurs hereunder being herein referred to as the "**Increase Date**" applicable to such Increase); provided, however, that the Issuer shall have given the Administrative Agent (with a copy to the Indenture Trustee) irrevocable (other than as specified in Section 3.3(e)) written notice (effective upon receipt), by telecopy (receipt confirmed), substantially in the form of Schedule C (an "**Increase Notice**") no later than **[3:00 p.m.]** (Toronto time) on (A) with respect to a Deferrable Increase Notice, the third Business Day prior to such Increase Date, or (B) with respect to a Non-Deferrable Increase Notice, the second Business Day prior to such Increase Date. Each Increase Notice shall state (x) the Increase Date, (y) the proposed amount of the increase in the Series 2017-1 Principal Amount (an "**Increase Amount**"), (z) whether a Delayed Funding Notice may be delivered in connection with such Increase pursuant to Section 3.3(e) and whether the Increase is to fund a Transfer (a "**Transfer Increase**") or is in respect of a Refinancing (a "**Refinancing Increase**"). The Commitment Percentage with respect to any Purchaser Group of the Increase Amount set forth in any Non-Deferrable Increase Notice shall not exceed such Purchaser Group's Non-Deferrable Draw Amount as of the related Increase Date.

(b) If a CP Conduit Purchaser elects not to fund the full amount of its Commitment Percentage of a requested Increase, such CP Conduit Purchaser shall notify the Administrative Agent and the Funding Agent with respect to such CP Conduit Purchaser, and the Group Bank with respect to such CP Conduit Purchaser shall fund the portion of the Commitment Percentage with respect to such Related Purchaser Group of such Increase not funded by such CP Conduit Purchaser.

(c) No Purchaser Group shall be required to increase its Purchaser Group Principal Amount on any Increase Date hereunder unless:

(i) such Purchaser Group's Commitment Percentage of such Increase Amount is equal to (A) $**[1,000,000]** or more, or (B) if less, the excess of the Maximum Purchaser Group Principal Amount with respect to such Purchaser Group over the Purchaser Group Principal Amount with respect to such Purchaser Group; and

(ii) after giving effect to such Increase Amount, the sum of the (x) the Purchaser Group Principal Amount, and (y) any unfunded Delayed Amounts with respect to such Purchaser Group would not exceed the Maximum Purchaser Group Principal Amount with respect to such Purchaser Group;

(d) Upon receipt of any notice required by Section 3.3(a) or permitted by Section 3.3(e) from the Issuer, the Administrative Agent shall forward (by telecopy or electronic messaging system) a copy of such notice to each Non-Conduit Purchaser and the Funding Agent with respect to each CP Conduit Purchaser Group (or, with respect to any notice pursuant to Section 3.3(e) requiring a Delayed Funding Purchaser Group to decrease its Delayed Amount, the applicable Non-Conduit Purchaser or Funding Agent), no later than **[5:00 p.m.]** (Toronto time) on the day received. After receipt by any Funding Agent with respect to a CP Conduit Purchaser Group of such notice from the Administrative Agent, such Funding Agent shall, so long as the conditions set forth in Sections 3.3(a) and (c) and Article 4 are satisfied, promptly provide telephonic notice to the related CP Conduit Purchaser and the related Group Bank, of the Increase Date and of such CP Conduit Purchaser Group's Commitment Percentage of the Series 2017-1 Closing Date or Increase Amount, as applicable. Subject to Section 3.3(e), if such CP Conduit Purchaser

elects to fund all or a portion of its Commitment Percentage of the Series 2017-1 Initial Principal Amount or the Increase Amount, as applicable, such CP Conduit Purchaser shall pay in immediately available funds its Commitment Percentage (or any portion thereof) of the amount of the Series 2017-1 Initial Principal Amount or Increase Amount, as applicable, on the Series 2017-1 Closing Date or the related Increase Date, as applicable, to the Funding Agent with respect to such CP Conduit Purchaser Group for remittance to the Indenture Trustee for application in accordance with Section 3.3(h). Subject to Section 3.3(e), if such CP Conduit Purchaser does not fund the full amount of the Commitment Percentage of such CP Conduit Purchaser Group of the Series 2017-1 Initial Principal Amount or an Increase Amount, as applicable, and the related Group Bank is required to fund the portion thereof not funded by the CP Conduit Purchaser, such Group Bank shall pay in immediately available funds such portion on the Series 2017-1 Closing Date or the related Increase Date, as applicable, to the Funding Agent with respect to such CP Conduit Purchaser Group. Each Funding Agent shall remit the amounts received by it from its CP Conduit Purchaser or the related Group Bank pursuant to this Section 3.3(d) to the Indenture Trustee for application in accordance with Section 3.3(h). Subject to Section 3.3(e), so long as the conditions set forth in Sections 3.3(a) and (c) and Article 4 are satisfied, each Non-Conduit Purchaser shall pay in immediately available funds the Commitment Percentage of such Non-Conduit Purchaser of the amount of the Series 2017-1 Initial Principal Amount or Increase Amount, as applicable, on the Series 2017-1 Closing Date or the Increase Date, as applicable, to the Indenture Trustee for application in accordance with Section 3.3(h).

(e) Notwithstanding any of the foregoing, any Group Bank or Non-Conduit Purchaser who shall have previously notified the Issuer in writing that it or any related Program Support Provider may, in the absence of the Group Bank or Non-Conduit Purchaser having the ability to deliver Delayed Funding Notices hereunder, incur charges under, or in anticipation of, Basel III (which may include external charges incurred by the Group Bank, Non-Conduit Purchaser or Program Support Provider or internal charges incurred by any of their businesses) in respect of its Commitment hereunder or any agreement to support such Commitment, or in respect of its interest in the Series 2017-1 Senior Notes, based on its "liquidity coverage ratio" calculated under Basel III, may, upon receipt of any Deferrable Increase Notice pursuant to Section 3.3(a), notify the Issuer in writing (a "**Delayed Funding Notice**") on or prior to **[12:00 noon]** (Toronto time) on the second Business Day preceding the related Increase Date, of its intent to fund an amount up to its Commitment Percentage of the related Increase Amount (such amount, subject to any adjustment described below, the "**Delayed Amount**") on a Business Day that is on or before the thirty-third (33rd) day following the Increase Date specified in such Deferrable Increase Notice (the "**Delayed Funding Date**") rather than on such Increase Date. If any Group Bank or Non-Conduit Purchaser provides a Delayed Funding Notice to the Issuer following the Issuer's delivery of an Increase Notice pursuant to Section 3.3(a), the Issuer may with written notice to the Administrative Agent delivered prior to 3:00 pm on the second Business Day preceding such Increase Date, (x) decrease the Increase Amount with respect to such Deferrable Increase Notice (or revoke such Deferrable Increase Notice by decreasing the Increase Amount to zero), and/or (y) require any Group Bank or Non-Conduit Purchaser who has provided a Delayed Funding Notice to reduce the Delayed Amount with respect to such Increase by an amount no greater than the Non-Deferrable Draw Amount with respect to such Purchaser Group as of the related Increase Date. In the event that the Increase Amount with respect to such Deferrable Increase Notice is reduced, but not to zero, then any Delayed Amount with respect to any Purchaser Group shall be reduced on a pro rata basis unless otherwise specified by the Issuer

pursuant to clause (y) above. No Purchaser Group that has provided a Delayed Funding Notice in respect of an Increase (each a "**Delayed Funding Purchaser Group**") shall be considered to be in default of its obligation to fund its Delayed Amount pursuant to this Section 3.3 unless and until it has failed to fund the Delayed Amount (and/or the Delayed Funding Reimbursement Amount with respect to such Delayed Amount) on or before the Delayed Funding Date.

(f) If (i) one or more Delayed Funding Purchaser Groups provides a Delayed Funding Notice to the Issuer in respect of any Increase Date; and (ii) the Issuer shall not have decreased the related Increase Amount to zero or required each such Delayed Funding Purchaser Group to reduce the Delayed Amount with respect to such Increase to zero, in each case, pursuant to Section 3.3(e), the Administrative Agent shall, by no later than **[12:00 noon]** (Toronto time) on the Business Day preceding such Increase Date, direct each Purchaser Group that is not a Delayed Funding Purchaser Group with respect to such Increase Date (each a "**Non-Delayed Funding Purchaser Group**") to fund an additional portion of such Increase Amount on such Increase Date equal to such Non-Delayed Funding Purchaser Group's proportionate share (based upon the Maximum Purchaser Group Principal Amount with respect to such Non-Delayed Funding Purchaser Group relative to the sum of the Maximum Purchaser Group Principal Amounts with respect to all Non-Delayed Funding Purchaser Groups) of the aggregate Delayed Amounts with respect to such Increase Date; provided that no Non-Delayed Funding Purchaser Group shall be required to fund any portion of the aggregate Delayed Amounts that would cause its Purchaser Group Principal Amount to exceed its Maximum Purchaser Group Principal Amount. Subject to Section 3.3(a), in the case of a Non-Delayed Funding Purchaser Group that is a Non-Conduit Purchaser, such Non-Conduit Purchaser hereby agrees, or, in the case of a Non-Delayed Funding Purchaser Group that is a CP Conduit Purchaser Group, the CP Conduit in such CP Conduit Purchaser Group may agree, in its sole discretion, and the Group Bank in such CP Conduit Purchaser Group hereby agrees, to fund such portion of the Increase Amount on such Increase Date.

(g) After the Non-Delayed Funding Purchaser Groups fund a Delayed Amount on any Increase Date in accordance with Section 3.3(f), the Delayed Funding Purchaser Group in respect of such Delayed Amount will be obligated to fund the Delayed Funding Reimbursement Amount with respect to such Delayed Amount on or before its Delayed Funding Date, irrespective of whether the Scheduled Commitment Expiry Date shall have occurred on or prior to such Delayed Funding Date or the Issuer would be able to satisfy the conditions set forth in Section 3.3(c) to an Increase in an amount equal to such Delayed Funding Reimbursement Amount on such Delayed Funding Date. Such Delayed Funding Purchaser Group shall fund such Delayed Funding Reimbursement Amount on such Delayed Funding Date by paying such amount to the Administrative Agent in immediately available funds, and the Administrative Agent shall distribute such funds to each such Non-Delayed Funding Purchaser Group, *pro rata* based on the relative amount of such Delayed Amount funded by such Non-Delayed Funding Purchaser Group on such Increase Date pursuant to Section 3.3(f).

(h) The Indenture Trustee shall apply amounts paid to it pursuant to Section 3.3(d) in the following order of priority:

(i) As to an amount equal to the Series 2017-1 Cash Reserve Required Amount, by deposit to the Series 2017-1 Cash Reserve Account; and

(ii) as to the balance, in respect of the proceeds of the initial purchase of the Series 2017-1 Notes or a Transfer Increase, by application to payment of the purchase price payable by the Issuer to the IESO under the Master Transfer and Servicing Agreement in respect of the related Transfer and, in respect of the proceeds of a Refinancing Increase, by deposit to the Refinancing Account.

3.4 Procedure for Decreasing the Series 2017-1 Principal Amount; Optional Termination

(a) In the case of a Non-Conduit Purchaser Group, the Related Non-Conduit Purchaser hereby agrees, and in the case of a CP Conduit Purchaser Group, each of the CP Conduit Purchasers and the Group Bank in such CP Conduit Purchaser Group hereby agrees, that the Purchaser Group Principal Amount with respect to such Purchaser Group may be decreased by an amount equal to the Commitment Percentage with respect to such Purchaser Group of a Decrease Amount (a "**Decrease**"), upon the request of the Issuer. Each date on which a Decrease in the Series 2017-1 Principal Amount occurs hereunder being herein referred to as the"**Decrease Date**" applicable to such Decrease; provided, however, that the Issuer shall have given the Administrative Agent (with a copy to the Indenture Trustee) irrevocable written notice (effective upon receipt), by telecopy (receipt confirmed), substantially in the form of Schedule D (a "**Decrease Notice**") no later than **[3:00 p.m.]** (Toronto time) on the second Business Day prior to such Decrease Date. Each Decrease Notice shall state (x) the Decrease Date, (y) the proposed amount of the decrease in the Series 2017-1 Principal Amount (a "**Decrease Amount**"), and (z) whether the Decrease is being funded with the proceeds of a Refinancing (a "**Refinancing Decrease**") or pursuant to the application of collected Clean Energy Adjustments (a "**CEA Decrease**").

(b) Upon each Decrease, the Administrative Agent shall indicate in its records such Decrease and the Purchaser Group Principal Amount outstanding with respect to each Purchaser Group after giving effect to such Decrease. Upon receipt of any notice required by this Section 3.4(a) from the Issuer, the Administrative Agent shall forward (by telecopy or electronic messaging system) a copy of such notice to each Non-Conduit Purchaser and the Funding Agent with respect to each CP Conduit Purchaser Group, no later than **[1:00 p.m.]** (Toronto time) on the Business Day received.

(c) On any Business Day, the Issuer shall have the right to deliver an irrevocable written notice (an "**Optional Termination Notice**") to the Administrative Agent in which the Issuer declares that the Commitments shall terminate on the date (the "**Optional Termination Date**") set forth in such notice (which date, in any event, shall be a Payment Date not less than twenty Business Days from the date on which such notice is delivered). Upon receipt of any Optional Termination Notice from the Issuer, the Administrative Agent shall promptly notify each Non-Conduit Purchaser and the Funding Agent with respect to each CP Conduit Purchaser Group thereof.

3.5 Increases and Reductions of the Commitments

(a) The Issuer may from time to time request that any Purchaser Group agree to increase its Maximum Purchaser Group Principal Amount. An increase in such amount shall be effective hereunder if such Purchaser Group shall have agreed in its sole discretion to such increase.

(b) On any Business Day, the Issuer may, upon two (2) Business Days' prior written notice to the Administrative Agent (effective upon receipt) (with copies to the Indenture Trustee) reduce the Series 2017-1 Maximum Principal Amount in an amount equal to $**[10,000,000]** or a whole multiple of $**[1,000,000]** in excess thereof; provided that no such termination or reduction shall be permitted if, after giving effect thereto and to any reduction in the Series 2017-1 Principal Amount on such date, the Purchaser Group Principal Amount with respect to any Purchaser Group would exceed the Maximum Purchaser Group Principal Amount with respect to such Purchaser Group then in effect. Any reduction in the Series 2017-1 Maximum Principal Amount shall be made on a pro rata basis to the Maximum Purchaser Group Principal Amounts with respect to the Purchaser Groups, based on the Maximum Purchaser Group Principal Amount with respect to each Purchaser Group. Once reduced, the Maximum Purchaser Group Principal Amounts may not be subsequently reinstated without each such Purchaser Group's prior written consent, which consent shall be granted or not in the sole discretion of such Purchaser Group.

(c) The Issuer may extend the Scheduled Commitment Expiry Date only with the prior written consent of the Administrative Agent, each Non-Conduit Purchaser and each Funding Agent.

3.6 Interest; Fees and Other Amounts

(a) Interest shall be payable on the Series 2017-1 Senior Notes on each Payment Date.

(b) The Issuer shall pay to each CP Conduit Purchaser Group and each Non-Conduit Purchaser, on each Payment Date, a commitment fee with respect to the preceding Billing Period (the "**Commitment Fee**") during the period from the Series 2017-1 Closing Date to and including the Commitment Expiry Date in an amount equal to the sum of the following amounts calculated for each day during such Billing Period: (x) the Commitment Fee Rate, multiplied by (y) the amount by which Maximum Purchaser Group Principal Amount with respect to such Purchaser Group on such day exceeds the Purchaser Group Principal Amount with respect to such Purchaser Group on such day, and divided by (z) 365. The Commitment Fees shall be payable monthly in arrears on each Payment Date.

sustained by such Issuer indemnified person by reason of (a) any acts, omissions or alleged acts or omissions arising out of, or relating to, activities of the Issuer pursuant to the Program Agreements to which it is a party; (b) a breach of any representation or warranty made or deemed made by the Issuer (or any of its officers) in any Program Agreement; or (c) a failure by the Issuer to comply with any applicable law or regulation or to perform its covenants, agreements, duties or obligations required to be performed or observed by it in accordance with the provisions of the Program Agreements, including, but not limited to, any judgment, award, settlement, reasonable attorneys' fees and other reasonable costs or expenses incurred in connection with the defense of any actual or threatened action, proceeding or claim, except to the extent such loss, liability, expense, damage or injury resulted from the gross negligence, bad faith or willful misconduct of such Issuer indemnified person or its officers, directors, agents, principals, employees or employers or includes any Excluded Taxes; provided that any payments made by the Issuer pursuant to this Section 3.8 shall be made solely from funds available pursuant to Section **[7.04]** of the Trust Indenture, shall be non-recourse other than with respect to such funds, and shall not constitute a claim against the Issuer to the extent that such funds are insufficient to make such payment.

3.9 Funding Agents

(a) The Funding Agent with respect to each CP Conduit Purchaser Group is hereby authorized to determine the Monthly Interest and Fees with respect to each Billing Period and such CP Conduit Purchaser Group. Any such determination by a Funding Agent, absent manifest error, shall constitute prima facie evidence of the accuracy of the calculation. Furthermore, the Funding Agent with respect to each CP Conduit Purchaser Group will maintain records sufficient to identify the percentage interest of the related CP Conduit Purchaser and the Group Bank with respect to such CP Conduit Purchaser Group holding an interest in the Series 2017-1 Senior Note registered in the name of such Funding Agent and any amounts owing thereunder.

(b) Upon receipt of funds on each Payment Date and the date of any Decrease, each Funding Agent shall pay such funds to the related CP Conduit Purchaser and/or the related Group Bank owed such funds. If a Funding Agent shall have paid to any CP Conduit Purchaser or Group Bank any funds that (i) must be returned for any reason (including bankruptcy); or (ii) exceeds that which such CP Conduit Purchaser or Group Bank was entitled to receive, such amount shall be promptly repaid to such Funding Agent by such CP Conduit Purchaser or Group Bank.

3.10 Taxes

(a) All payments by or on account of any obligation of the Issuer hereunder shall, to the extent allowed by law, be made free and clear of, and without deduction or withholding for or on account of, any present or future income, stamp or other taxes, levies, imposts, duties, charges, fees, deductions or withholdings, now or hereafter imposed, levied, collected, withheld or assessed by any Governmental Authority (collectively, "**Taxes**"), excluding (i) income taxes (including branch profit taxes, minimum taxes and taxes computed under alternative methods, at least one of which is based on or measured by net income), franchise taxes (imposed in lieu of income taxes), or any other taxes based on or measured by the net income of the Purchaser (but specifically excluding any taxes required to be withheld under Section 1446 of the *Internal Revenue Code* of 1986 (as amended, the "**Code**")) as a result of a present or former connection between the recipient and the jurisdiction of the governmental authority imposing such tax (other

than any such connection arising solely from the recipient having executed, delivered or performed its obligations or received a payment under, disposed of, or enforced, this Supplemental Indenture); and (ii) any Taxes imposed under FATCA (as defined below) (including in the case of (i) and (ii), any interest, penalties and additions to tax) (all such excluded taxes being hereinafter called "**Excluded Taxes**"). If any Taxes, other than Excluded Taxes, are required to be withheld from any amounts payable to a recipient hereunder, the amounts so payable to the recipient shall be increased, and the recipient shall be entitled to be paid by the Issuer the amount of such increase to the extent necessary to yield to the recipient (after payment of all such Taxes other than Excluded Taxes) interest or any such other amounts payable hereunder or thereunder at the rates or in the amounts specified hereunder. Where the amount payable by the Issuer is increased in accordance with the previous sentence, the Monthly Interest and Fees shall be increased by the amount of such increase. Whenever any Taxes are payable on or with respect to amounts distributed to a recipient, as promptly as possible thereafter the Issuer shall send to such recipient a certified copy of an original official receipt showing payment thereof.

(b) If a payment by or on account of any obligation of the Issuer hereunder would be subject to U.S. federal withholding Tax imposed by provisions of Chapter 4 of the Code ("**FATCA**") if the recipient of such payment were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such recipient shall deliver to the Issuer at the time or times prescribed by law and at such time or times reasonably requested by the Issuer such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Issuer as may be necessary for the Issuer to comply with their obligations under FATCA and to determine that such recipient has complied with it's obligations under FATCA or to determine the amount to deduct and withhold from such payment. If any form or certification it previously delivered by a recipient expires or becomes obsolete or inaccurate in any respect, the recipient shall update such form or certification or promptly notify the Issuer in writing of its legal inability to do so.

(c) If a recipient is legally entitled to receive a refund of any Taxes (other than Excluded Taxes) as to which it has been indemnified or with respect to which additional amounts have been paid to it hereunder or it is legally entitled to receive a credit or deduction with respect to such Taxes or with respect to such additional amounts that have been paid hereunder (in each case pursuant to Section 3.10(a)), it shall use commercially reasonable efforts to obtain or claim such refund, credit or deduction and pay over such refund or the value of such credit or deduction to the Issuer, together with any interest thereon.

3.11 Increased Costs

(a) (i) If any Regulatory Change (x) subjects any Non-Conduit Purchaser, CP Conduit Purchaser, Group Bank Purchaser or any Program Support Party (an "**Affected Person**") to any charge or withholding on or with respect to any Support Facility or this Supplemental Indenture or an Affected Person's obligations under a Support Facility or this Supplemental Indenture, or changes the basis of taxation of payments to any Affected Person of any amounts payable under any Support Facility or this Supplemental Indenture Agreement (except for changes in the rate of tax on the overall net income of an Affected Person or Excluded Taxes) or (y) imposes, modifies or deems applicable any reserve, assessment, fee, tax, insurance charge, special deposit or similar requirement against assets of, deposits with or for the account of, or liabilities of an Affected

Person, or credit extended by an Affected Person pursuant to a Support Facility or this Supplemental Indenture or (z) imposes any other condition the result of which is to increase the cost to an Affected Person of performing its obligations under a Support Facility or this Supplemental Indenture, or to reduce the rate of return on an Affected Person's capital or assets as a consequence of its obligations under a Support Facility or this Supplemental Indenture, or to reduce the amount of any sum received or receivable by an Affected Person under a Support Facility or this Supplemental Indenture, or to require any payment calculated by reference to the amount of interests or loans held or interest received by it, then, upon written request by such Affected Party (through the Funding Agent for its Purchaser Group if the Affected Party is a Program Support Provider, CP Conduit Purchaser or Group Bank) of a written request therefore to the Issuer, such Affected Party (through the Funding Agent for its Purchaser Group if the Affected Party is a Program Support Provider, CP Conduit Purchaser or Group Bank) shall be entitled to be paid, such amounts charged to such Affected Party or such amounts to otherwise compensate such Affected for such increased cost or such reduction, no later than the Payment Date following receipt by the Issuer of such request for compensation under this Section 3.11(a)(i), if such request is received by the Issuer no later than five (5) Business Days prior to the end of the Billing Period related to such Payment Date, and otherwise on the following Payment Date.

(ii) The Issuer acknowledges that any Affected Party may implement, as an internal institutional matter, measures in anticipation of a final or proposed Regulatory Change (including, without limitation, the imposition of internal charges on such Affected Party's interest or obligations under any Support Agreement or this Supplemental Indenture) and may commence recognizing the incurrence of charges by and seeking compensation under Section 3.11(a)(i) in connection with such measures, in advance of the effective date of such final or proposed Regulatory Change, and the Issuer agrees that such charges or compensation shall be payable, to the related Funding Agent, for the benefit of Affected Party, following demand therefor without regard to whether such proposed Regulatory Change has been adopted or whether such effective date has occurred; provided, that (I) the Affected Party shall provide sixty (60) days prior written notice to the Issuer of its intent to impose or incur any such charges or compensation, (II) an Affected Party shall not be compensated for any such amount pursuant to this subsection 3.11(a)(ii) relating to any period ending, and of which such Affected Party has had knowledge, more than ninety (90) days prior to the date that such Affected Party provided the Issuer with the written notice contemplated by the preceding clause (I) of this subsection 3.11(a)(ii), (III) if, after the payment by the Trust of any charges or compensation pursuant to this subsection 3.11(a)(ii), either (A) the Issuer requests in writing that the applicable Affected Party recompute any such charge or compensation in light of differences between a proposed Regulatory Change and the final effective version thereof or (B) the applicable Affected Party determines that the amount of the charge imposed on and required to be compensated by the Issuer exceeds the amount necessary to compensate it for the applicable Regulatory Change as contemplated by subsection 3.11(a)(i), then (x) the amount of such charge or compensation shall, from and after such determination, be reduced by the amount of such excess and (y) such Affected Party shall, within thirty (30) days of such determination, either repay the amount of such excess or credit the amount of such excess against future charges under this subsection 3.11(a)(ii). The Issuer further acknowledges that any charge or compensation demanded hereunder may take the form of a monthly charge to be assessed by such Affected Party.

(b) Each Affected Party claiming increased amounts described in subsection 3.11(a) of this Supplemental Indenture will furnish to the Issuer (together with its request for compensation) a certificate prepared in good faith setting forth the basis and the calculation of the amount (in reasonable detail) of each request by such Affected Party for any such increased amounts referred to in subsection 3.11(a) hereof. Any such certificate shall be conclusive absent manifest error. Failure on the part of any Affected Party to demand compensation for any amount pursuant to subsection 3.11(a) hereof with respect to any period shall not constitute a waiver of such Affected Party's right to demand compensation with respect to such period.

(f) Each of the Non-Conduit Purchasers, the CP Conduit Purchasers, the Group Banks and the Funding Agents expressly acknowledges that neither the Administrative Agent nor any of its officers, directors, employees, agents, attorneys in fact or Affiliates has made any representations or warranties to it and that no act by the Administrative Agent hereinafter taken, including any review of the affairs of the Issuer, the Manager or the IESO shall be deemed to constitute any representation or warranty by the Administrative Agent to any such Person. Each of the Non-Conduit Purchasers, the CP Conduit Purchasers, the Group Banks and the Funding Agents represents to the Administrative Agent that it has, independently and without reliance upon the Administrative Agent or any other Non-Conduit Purchaser, CP Conduit Purchaser, Group Bank or Funding Agent and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Issuer, the Manager and the IESO and made its own decision to enter into this Supplemental Indenture. Each of the Non-Conduit Purchasers, the CP Conduit Purchasers, the Group Banks and the Funding Agents also represents that it will, independently and without reliance upon the Administrative Agent or any other Non-Conduit Purchaser, CP Conduit Purchaser, Group Bank or Funding Agent, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Supplemental Indenture and the other Program Agreements, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Issuer, the Manager and the IESO. Except for notices, reports and other documents expressly required to be furnished to the Non-Conduit Purchasers and the Funding Agents by the Administrative Agent hereunder, the Administrative Agent shall have no duty or responsibility to

provide any Non-Conduit Purchaser, any CP Conduit Purchaser, any Group Bank or any Funding Agent with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of the Issuer, the Manager or the IESO which may come into the possession of the Administrative Agent or any of its officers, directors, employees, agents, attorneys in fact or Affiliates.

(g) The Administrative Agent and its Affiliates may make loans to, accept deposits from and generally engage in any kind of business with the Issuer, the Manager and the IESO as though the Administrative Agent were not the Administrative Agent hereunder. With respect to any Series 2017-1 Senior Note held by the Administrative Agent, the Administrative Agent shall have the same rights and powers under this Supplemental Indenture and the other Program Agreements as any Group Bank or Funding Agent and may exercise the same as though it were not the Administrative Agent, and the terms "Group Bank," and "Funding Agent" shall include the Administrative Agent in its individual capacity.

(h) The Administrative Agent may resign as Administrative Agent at any time by giving 30 days' notice to the Non-Conduit Purchasers, the Funding Agents, the Indenture Trustee, the Issuer and the Manager. If ● shall resign as Administrative Agent under this Supplemental Indenture, then the Requisite Series 2017-1 Noteholders shall appoint a successor administrative agent from among the Non-Conduit Purchasers and Funding Agents, whereupon such successor agent shall succeed to the rights, powers and duties of the Administrative Agent, and the term "Administrative Agent" shall mean such successor agent effective upon such appointment and approval, and the former Administrative Agent's rights, powers and duties as Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Supplemental Indenture. If no successor administrative agent has accepted appointment as Administrative Agent prior to the effective date of the resignation of the Administrative Agent, the retiring Administrative Agent may appoint, after consulting with the Non-Conduit Purchasers and the Funding Agents, a successor Administrative Agent from among the Non-Conduit Purchasers and the Funding Agents. If no successor administrative agent has accepted appointment by the date which is thirty (30) days following a retiring Administrative Agent's notice of resignation, the retiring Administrative Agent's resignation shall nevertheless thereupon become effective and Manager shall assume and perform all of the duties of the Administrative Agent hereunder until such time, if any, as the Requisite Series 2017-1 Noteholders appoint a successor administrative agent as provided for above. After any retiring Administrative Agent's resignation as Administrative Agent, the provisions of this Article 8 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Supplemental Indenture.

8.2 Funding Agents

(a) Each CP Conduit Purchaser and each Group Bank with respect to such CP Conduit Purchaser hereby irrevocably designates and appoints the Funding Agent set forth next to such CP Conduit Purchaser's name on Schedule E as the agent of such Person under this Supplemental Indenture and irrevocably authorizes such Funding Agent, in such capacity, to take such action on its behalf under the provisions of this Supplemental Indenture and to exercise such powers and perform such duties as are expressly delegated to such Funding Agent by the terms of this Supplemental Indenture, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Supplemental Indenture, each Funding Agent shall not have any duties or responsibilities except those

expressly set forth herein, or any fiduciary relationship with any CP Conduit Purchaser or Group Bank and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Supplemental Indenture or otherwise exist against each Funding Agent.

(b) Each Funding Agent may execute any of its duties under this Supplemental Indenture by or through agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. Each Funding Agent shall not be responsible to the CP Conduit Purchaser or any Group Bank in its CP Conduit Purchaser Group for the negligence or misconduct of any agents or attorneys in fact selected by it with reasonable care.

(c) Each Funding Agent and any of its officers, directors, employees, agents, attorneys in fact or Affiliates shall not be (i) liable for any action lawfully taken or omitted to be taken by it or such Person under or in connection with the Trust Indenture, this Supplemental Indenture or any other Program Agreement (except to the extent that any of the foregoing are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from its or such Person's own gross negligence or willful misconduct) or (ii) responsible in any manner to any of the CP Conduit Purchasers and/or Group Banks for any recitals, statements, representations or warranties made by the Issuer, the Manager or the IESO, or any officer thereof contained in this Supplemental Indenture or any other Program Agreement or in any certificate, report, statement or other document referred to or provided for in, or received by such Funding Agent under or in connection with, this Supplemental Indenture or any other Program Agreement or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Supplemental Indenture, any other Program Agreement, or for any failure of any of the Issuer, the Manager or the IESO to perform its obligations hereunder or thereunder. Each Funding Agent shall not be under any obligation to the CP Conduit Purchaser or any Group Bank in its CP Conduit Purchaser Group to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Supplemental Indenture, any other Program Agreement or to inspect the properties, books or records of the Issuer, the Manager or the IESO.

(d) Each Funding Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter or telecopy message, statement, order or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including, without limitation, counsel to the Issuer, the Manager or the IESO), independent accountants and other experts selected by such Funding Agent. Each Funding Agent shall be fully justified in failing or refusing to take any action under this Supplemental Indenture or any other Program Agreement unless it shall first receive such advice or concurrence of the Related Purchaser Group, as it deems appropriate or it shall first be indemnified to its satisfaction by the Related Purchaser Group against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action.

(e) Each Funding Agent shall not be deemed to have knowledge or notice of the occurrence of any Termination Event unless such Funding Agent has received written notice from a Non-Conduit Purchaser, a CP Conduit Purchaser, a Group Bank, the Issuer, the Manager or the Administrative Agent referring to the Trust Indenture or this Supplemental Indenture, describing such Termination Event and stating that such notice is a "notice of a Termination Event," as the case may be. In the event that any Funding Agent receives such a notice, such Funding Agent shall give notice thereof to the CP Conduit Purchaser and Group Bank in its CP Conduit Purchaser Group. Such Funding Agent shall take such action with respect to such event as shall

be reasonably directed by the CP Conduit Purchaser and Group Bank in its CP Conduit Purchaser Group, provided that unless and until such Funding Agent shall have received such directions, such Funding Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such event as it shall deem advisable in the best interests of the CP Conduit Purchaser and Group Bank in its CP Conduit Purchaser Group.

(f) Each CP Conduit Purchaser and each of the related Group Banks expressly acknowledge that neither its Funding Agent nor any of its officers, directors, employees, agents, attorneys in fact or Affiliates has made any representations or warranties to it and that no act by such Funding Agent hereinafter taken, including any review of the affairs of the Issuer, the Manager or the IESO shall be deemed to constitute any representation or warranty by such Funding Agent to any such Person. Each CP Conduit Purchaser and each of the related Group Banks represents to its Funding Agent that it has, independently and without reliance upon such Funding Agent and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Issuer, the Manager and the IESO and made its own decision to enter into this Supplemental Indenture. Each CP Conduit Purchaser and each of the related Group Banks also represents that it will, independently and without reliance upon its Funding Agent and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Supplemental Indenture and the other Program Agreements, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other conditions and creditworthiness of the Issuer, the Manager and the IESO.

(g) Each Group Bank in a CP Conduit Purchaser Group agrees to indemnify its Funding Agent in its capacity as such (to the extent not reimbursed by the Issuer and without limiting the obligation of the Issuer to do so), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever which may at any time be imposed on, incurred by or asserted against such Funding Agent in any way relating to or arising out of this Supplemental Indenture, any of the other Program Agreements or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Funding Agent under or in connection with any of the foregoing; provided that no Group Bank shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from such related Funding Agent's gross negligence or willful misconduct. The agreements in this Section shall survive the payment of all amounts payable hereunder.

ARTICLE 9
GENERAL

9.1 Successor and Assigns

(a) This Supplemental Indenture shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, except that (i) the Issuer may not assign or transfer any of its rights under this Supplemental Indenture without the prior written consent of all of the Series 2017-1 Noteholders; (ii) no Non-Conduit Purchaser may assign or transfer any of its rights under this Supplemental Indenture other than pursuant to paragraph (e) or (f) below;

(iii) no CP Conduit Purchaser may assign or transfer any of its rights under this Supplemental Indenture other than to the Group Bank with respect to such CP Conduit Purchaser or a Program Support Provider with respect to such CP Conduit Purchaser or pursuant to clause (b) or (e) below of this Section 9.1; and (iv) no Group Bank may assign or transfer any of its rights or obligations under this Supplemental Indenture except to a Program Support Provider or pursuant to clause (c), (d) or (e) below of this Section 9.1.

(b) Without limiting the foregoing, each CP Conduit Purchaser may assign all or a portion of the Purchaser Group Principal Amount with respect to such CP Conduit Purchaser and its rights and obligations under this Supplemental Indenture to a Conduit Assignee with respect to such CP Conduit Purchaser. Prior to or concurrently with the effectiveness of any such assignment (or if impracticable, immediately thereafter), the assigning CP Conduit Purchaser shall notify the Administrative Agent and the Issuer. Upon such assignment by a CP Conduit Purchaser to a Conduit Assignee, (i) such Conduit Assignee shall be the owner of the Purchaser Group Principal Amount or such portion thereof with respect to such CP Conduit Purchaser; (ii) the related administrative or managing agent for such Conduit Assignee will act as the administrative agent for such Conduit Assignee hereunder, with all corresponding rights and powers, express or implied, granted to the Funding Agent hereunder; (iii) such Conduit Assignee and its liquidity support provider(s) and credit support provider(s) and other related parties shall have the benefit of all the rights and protections provided to such CP Conduit Purchaser herein (including, without limitation, any limitation on recourse against such Conduit Assignee as provided in this paragraph); (iv) such Conduit Assignee shall assume all of such CP Conduit Purchaser's obligations, if any, hereunder with respect to such portion of the Purchaser Group Principal Amount and such CP Conduit Purchaser shall be released from such obligations; (v) all distributions in respect of the Purchaser Group Principal Amount or such portion thereof with respect to such CP Conduit Purchaser shall be made to the applicable agent or administrative agent, as applicable, on behalf of such Conduit Assignee; and (vi) if requested by the Administrative Agent or the agent or administrative agent with respect to the Conduit Assignee, the parties will execute and deliver such further agreements and documents and take such other actions as the Administrative Agent or such agent or administrative agent may reasonably request to evidence and give effect to the foregoing. No assignment by any CP Conduit Purchaser to a Conduit Assignee of the Purchaser Group Principal Amount with respect to such CP Conduit Purchaser shall in any way diminish the obligations of the Group Bank with respect to such CP Conduit Purchaser under Section 3.3 to fund any Increase.

(c) Any Group Bank may, in the ordinary course of its business and in accordance with applicable law, at any time sell all or any part of its rights and obligations under this Supplemental Indenture and the Series 2017-1 Senior Notes, with the prior written consent of the Administrative Agent and the Issuer (in each case, which consent shall not be unreasonably withheld), to one or more banks (an "**Acquiring Group Bank**") pursuant to a transfer supplement, substantially in the form of Exhibit H (the "**Transfer Supplement**"), executed by such Acquiring Group Bank, such assigning Group Bank, the Funding Agent with respect to such Group Bank, the Administrative Agent and the Issuer and delivered to the Administrative Agent. Notwithstanding the foregoing, no Group Bank shall so sell its rights hereunder if such Acquiring Group Bank is not an Eligible Assignee.

(d) Any Group Bank may, in the ordinary course of its business and in accordance with applicable law, at any time sell to one or more financial institutions or other entities ("**Group**

Bank Participants") participations in its Commitment Amount with respect to its related CP Conduit Purchaser Group, its Series 2017-1 Senior Note and its rights hereunder pursuant to documentation in form and substance satisfactory to such Group Bank and the Group Bank Participant; provided, however, that (i) in the event of any such sale by a Group Bank to a Group Bank Participant, (A) such Group Bank's obligations under this Supplemental Indenture shall remain unchanged, (B) such Group Bank shall remain solely responsible for the performance thereof, and (C) the Issuer and the Administrative Agent shall continue to deal solely and directly with such Group Bank in connection with its rights and obligations under this Supplemental Indenture; and (ii) no Group Bank shall sell any participating interest under which the Group Bank Participant shall have rights to approve any amendment to, or any consent or waiver with respect to, this Supplemental Indenture, the Trust Indenture or any Program Agreement, except to the extent that the approval of such amendment, consent or waiver otherwise would require the unanimous consent of all Group Banks hereunder. A Group Bank Participant shall have the right to receive compensation pursuant to Section 3.11 but only to the extent that the related selling Group Bank would have had such right absent the sale of the related participation and, with respect to amounts due pursuant to Section 3.11, only to the extent such Group Bank Participant shall have complied with the provisions of Section 3.11 as if such Group Bank Participant were a Group Bank.

(e) Any CP Conduit Purchaser and the Group Bank with respect to such CP Conduit Purchaser may at any time sell all or any part of their respective rights and obligations, and any Non-Conduit Purchaser may at any time sell all or any part of its rights and obligations, under this Supplemental Indenture and the Series 2017-1 Senior Notes, with the prior written consent of the Administrative Agent and the Issuer (in each case, which consent shall not be unreasonably withheld), (x) to a multi-seller commercial paper conduit and one or more banks providing support to such multi-seller commercial paper conduit, or (y) to a financial institution or other entity (an "**Acquiring Purchaser Group**") pursuant to a transfer supplement, substantially in the form of Exhibit I (the "**Purchaser Group Supplement**"), executed by such Acquiring Purchaser Group (including the CP Conduit Purchaser and the Group Banks, if any, with respect to such Acquiring Purchaser Group), the Funding Agent, if any, with respect to such Acquiring Purchaser Group, such assigning Purchaser Group (including the Group Banks, if any, with respect to such assigning Purchaser Group), the Funding Agent, if any, with respect to such assigning Purchaser Group and the Administrative Agent and the Issuer and delivered to the Administrative Agent.

(f) Any Non-Conduit Purchaser may, in the ordinary course of its business and in accordance with applicable law, at any time sell to one or more financial institutions or other entities ("**Non-Conduit Purchaser Participants**") participations in its Commitment, its Series 2017-1 Senior Note and its rights hereunder pursuant to documentation in form and substance satisfactory to such Non-Conduit Purchaser and the Non-Conduit Purchaser Participant; provided, however, that (i) in the event of any such sale by a Non-Conduit Purchaser to a Non-Conduit Purchaser Participant, (A) such Non-Conduit Purchaser's obligations under this Supplemental Indenture shall remain unchanged, (B) such Non-Conduit Purchaser shall remain solely responsible for the performance thereof, and (C) the Issuer and the Administrative Agent shall continue to deal solely and directly with such Non-Conduit Purchaser in connection with its rights and obligations under this Supplemental Indenture; and (ii) no Non-Conduit Purchaser shall sell any participating interest under which the Non-Conduit Purchaser Participant shall have rights to approve any amendment to, or any consent or waiver with respect to, this Supplemental

Indenture, the Trust Indenture or any Program Agreement, except to the extent that the approval of such amendment, consent or waiver otherwise would require the unanimous consent of all Series 2017-1 Noteholders hereunder. A Non-Conduit Purchaser Participant shall have the right to receive compensation under Section 3.11 but only to the extent that the related selling Non-Conduit Purchaser would have had such right absent the sale of the related participation and, with respect to amounts due pursuant to Section 3.11, only to the extent such Non-Conduit Purchaser Participant shall have complied with the provisions of Section 3.11 as if such Non-Conduit Purchaser Participant were a Non-Conduit Purchaser.

(g) The Issuer authorizes each Group Bank and Non-Conduit Purchaser to disclose to any Group Bank Participant, Acquiring Group Bank, Non-Conduit Purchaser Participant or Acquiring Purchaser Group (each, a "**Transferee**") and any prospective Transferee any and all financial information in such Group Bank's or Non-Conduit Purchaser's possession concerning the Issuer, the Issuer Investment Asset and the Program Agreements which has been delivered to such Group Bank by the Issuer or the Manager in connection with such Group Bank's credit evaluation of the Issuer and the Issuer Investment Asset.

(h) Notwithstanding any other provision of this Supplemental Indenture to the contrary, any Non-Conduit Purchaser, any Group Bank or any Program Support Provider may at any time pledge or grant a security interest in all or any portion of its rights under its Series 2017-1 Senior Note and this Supplemental Indenture to secure obligations of such Non-Conduit Purchaser, such Group Bank or such Program Support Provider to a Federal Reserve Bank or the Bank of Canada, without notice to or consent of the Administrative Agent, the Issuer or the Administrator; provided that no such pledge or grant of a security interest shall release a Non-Conduit Purchaser or an Group Bank from any of its obligations hereunder or substitute any such pledgee or grantee for such Non-Conduit Purchaser or such Group Bank as a party hereto.

9.2 Waiver

Without limiting the requirements of Section 11.02 of the Trust Indenture which shall be applicable to this Supplemental Indenture, no waiver of any provision of this Supplemental Indenture or consent to any departure by the Issuer from any provision of this Supplemental Indenture will be effective (in whole or in part) unless in writing and signed by the Requisite Series 2017-1 Noteholders. Such waiver will be effective only in the specific instance, for the specific purpose and for the specific length of time for which it is given by the Requisite Series 2017-1 Noteholders.

All notices, requests, instructions and demands to or upon any party hereto to be effective shall be given (a) in the case of the Issuer and the Indenture Trustee, in the manner set forth in Article 16 of the Trust Indenture; and (b) in the case of the Administrative Agent, the Non-Conduit Purchasers, the CP Conduit Purchasers, the Group Banks and the Funding Agents, in writing, and, unless otherwise expressly provided herein, shall be deemed to have been duly given or made when delivered by hand or three days after being deposited in the mail, postage prepaid, in the case of facsimile notice, when received, or in the case of overnight air courier, one Business Day after the date such notice is delivered to such overnight courier, addressed as follows in the case of the Administrative Agent and to the addresses therefor set forth in Schedule E, in the case of the Non-Conduit Purchasers, the CP Conduit Purchasers, the Group

Banks and the Funding Agents; or to such other address as may be hereafter notified by the respective parties hereto:

9.4 No Waiver: Remedies

No failure on the part of any party to exercise, and no delay in exercising, any power, right or remedy hereunder will operate as a waiver thereof; nor will any single or partial exercise of any such power, right or remedy hereunder preclude any other or further exercise thereof or the exercise of any other power, right or remedy. The rights and remedies herein provided are cumulative and not exclusive of any remedies provided by applicable law.

9.5 Entire Agreement

This Supplemental Indenture, the Fee Letter, the Trust Indenture and the other Program Agreements contain the entire agreement between the parties relative to the subject matter hereof and supersede all prior and contemporaneous agreements, term sheets, commitments, understandings, negotiations and discussions, whether oral or written. 9.10 Confidentiality

(a) Each Purchaser Group and the Administrative Agent covenants and agrees that any Nonpublic Information (as defined herein) obtained by it pursuant to this Supplemental Indenture and the other Program Agreements shall be held in confidence except that the Purchaser Groups or Administrative Agent may disclose such information (i) pursuant to the order of any court or administrative agency or in any pending legal or administrative proceeding (whether or not having the force or effect of law) provided that, unless prohibited by applicable law, a Purchaser Group or the Administrative Agent, as applicable, shall provide prompt notice of such order to the affected party; (ii) upon the request or demand of any regulatory authority having or claiming jurisdiction over any Purchaser Group or the Administrative Agent; (iii) as required by applicable law; (iv) to the extent that such information becomes publicly available other than by reason of improper disclosure by a Purchaser Group or the Administrative Agent; (v) to its affiliates, officers, directors, employees, legal counsel, independent auditors, accountants, advisors, investors, potential investors, commercial paper dealers, providers of surety, guaranty, credit or liquidity enhancement (including the directors, officers and accountants of such surety, guaranty, credit or liquidity enhancement provider), legal counsel of any of the foregoing and other experts or agents who need to know such information and are informed of the confidential nature of such information (provided that the Persons permitted to make such disclosures under clauses (i), (ii) and (iii) of this Section 9.10 shall also include credit or liquidity enhancers of a CP Conduit Purchaser); (vi) for purposes of establishing a "due diligence" defense; (vii) which was available to a Purchaser Group or the Administrative Agent on a non-confidential basis from a source other than the affected party, provided that such source was not to the knowledge of the Purchaser Group or the Administrative Agent, as applicable, bound by a confidentiality agreement with the affected party; (viii) has been independently acquired or developed by a Purchaser Group or the Administrative Agent without violating any of the Purchaser Group's or the Administrative Agent's obligations under this Supplemental Indenture; (ix) if such disclosure

has been approved in writing in advance by the Issuer or the Manager; or (x) regarding the existence of this Supplemental Indenture, but not the financial terms thereof.

(b) The Issuer covenants and agrees to hold in confidence, and not disclose to any Person, the terms of this Supplemental Indenture (including any fees payable in connection with this Supplemental Indenture or the identity of any CP Conduit Purchaser under this Supplemental Indenture), except as the applicable Purchaser Group may have consented to in writing prior to any proposed disclosure and except (i) it may also disclose such information (A) to its officers, employees, agents and legal advisors who are directly involved in the consideration of this Supplemental Indenture (and then only on a confidential basis), (B) as required by applicable law or compulsory legal process, and (C) as expressly permitted by the terms of the Program Agreements; provided, that, in the case of clause (B), the Issuer will use all reasonable efforts to maintain confidentiality and will (unless otherwise prohibited by law) notify the affected Administrative Agent or Purchaser Group of its intention to make any such disclosure prior to making such disclosure; and (ii) it may also disclose the existence (but not the financial terms) of this Supplemental Indenture, including to any actual or prospective purchaser of other Notes.

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-in Action on any such liability, including, if applicable

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments or ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Supplemental Indenture or any other Facility Agreement; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

9.12 Limitation of Liability of Issuer Trustee

Each party hereto other than the Issuer acknowledges that the Issuer is a trust, and that ● Trust Company of Canada is the Issuer Trustee. The other parties hereto agree that the Issuer Trustee will not be subject to any liability whatsoever to them, in tort, contract or otherwise, in

connection with the Issuer's assets or the trust activities, for any action taken or permitted by it to be taken, or for its failure to take any action; provided that the foregoing limitation will not apply in respect of any action or failure to act arising from or in connection with wilful misconduct, negligence or reckless disregard of a duty by the Issuer Trustee. The Issuer Trustee in doing anything or permitting anything to be done in respect of assets or the trust activities is, and shall be conclusively deemed to be, acting as trustee of the Issuer and not in any other capacity. Except as to the extent provided in this Section 9.12, the Issuer Trustee will not be subject to any debts, liabilities, obligations, claims, demands, judgments, costs, charges or expenses against or with respect to the Issuer, arising out of anything done or permitted by it to be done or its failure to take any action in respect of the Issuer's assets or the trust activities and resort will be had solely to the Collateral for the payment or performance thereof. No property or assets of the Issuer Trustee, whether owned in its personal capacity or otherwise, will be subject to levy, execution or other enforcement procedure with regard to any obligation under this Supplemental Indenture. Nothing contained in this Section 9.12 shall be construed so as to limit the liability of the Issuer under this Supplemental Indenture. Any obligations of the Issuer Trustee hereunder or thereunder are non-recourse to the Issuer Trustee in its personal capacity.

Further to OPG's response to our proposals, please find attached a discussion document drafted by our outside legal counsel Stephen Ashbourne and based on discussions amongst our Provincial legal teams.

This document sets out a number of questions that we need to consider and answer in order to respond to OPG with the Province's position.

A meeting amongst this group would be useful to discuss these issues and to inform a response to OPG.

Subject: RE: Fair Hydro -- Change of Law Assumption Agreement

Toby – further to discussions between OPG and the Province, please find attached comments on the draft proposal under the Change of Law Protection Agreement (blacklined to the draft circulated below). The attached reflects our comments from accounting, operational and financeability

perspectives. In particular, the financeability of the program will turn on whether there is a clear and concise way for investors to determine that an incurrence of funding obligations will be covered under the Change of Law Protection Agreement and that, once confirmed, the confirmation is irrevocable. Accordingly, we have proposed in the attached that a simple confirmation from OPG to a third party binds the Province in respect of the incurrence of the applicable funding obligations provided that OPG has satisfied the requirements of the approval process (which we propose be the subject of a separate procedures agreement or memo). Please note that the attached remains subject to the review of the working group including the dealers and the rating agencies.

Best Regards,
Nina

Subject: RE: Fair Hydro -- Change of Law Assumption Agreement

Please find attached our comments on your response of October 6. We have moved the text of your email to the attached document and responded inline in square brackets for ease of review.

We recognize that we are running out of time, and that we should discuss and move this forward at the beginning of next week.

We also generally recognize that, although there are still some gaps in our respective approaches, we would find it helpful to have some more specific suggestions and comments on our Sept. 27 draft in order to help move this forward. This might include also the timing issues, with some indication of where, if OPG finds the timing does not work, some alternatives can be suggested for consideration.

Toby,

Thank you for your draft proposal; we have set out below our conceptual comments and concerns on it. Please note that the points below remain subject to the continuing review of OPG. Please also note that we have not yet sought the dealers' views on the proposal. We think it is premature to do so until we settle these points amongst ourselves and a revised draft of the proposal is circulated reflecting our agreement.

As further discussed below, your proposal deviates in some key ways from what we proposed in our email of September 19 (attached) and raises the accounting and operational issues we tried to avoid in the September 19th proposal. Given the need to settle the Protection Agreement as soon as possible, we'd appreciate if we could discuss these points early next week.

Best Regards,
Nina

Accounting Issues:
E&Y has concerns from an accounting perspective with the level of Provincial oversight and input on certain parts of the process, namely:

-that OPG will likely have to go back to the Province on each incurrence of debt and they will have to do so prior to that incurrence
-that OPG must certify and provide a lot of detailed reporting with respect to each incurrence of debt
-the level of frequency of reporting in general (not just the certifications/information noted above but also the contemplated annual forecasts and quarterly updates of those forecasts)
-the negative pledge with respect to the exercise of certain options on the debt
-the fact that OPG must give notice to the Province when incurring funding obligations that are expressly excluded from the Protection Agreement

Taken as a whole, we understand that E&Y sees all of this as the Province exerting a level of control

on the debt that no typical guarantor would have. Please also advise if the Province's accountants have reviewed the proposal.

Practical Issues:

- The procedural steps to bind the Province are lengthy and complicated. From our perspective, as drafted, OPG will likely have to seek Provincial approval on each debt issuance (which weakens the accounting as discussed above). The dealers and their counsel will have a reaction to the proposed adherence conditions but query whether there is value in setting out the adherence conditions in the Protection Agreement itself. Setting aside the mechanics of how we get there, the dealers want comfort that the incurrence of obligations by the financing entity will be covered by the Protection Agreement. We would propose that the mechanics of any approval process (once we settle the terms of that process) be the subject of a separate procedures agreement or memo from the Province to OPG, whereby the Province delegates to OPG the ability to bind the Province under the Protection Agreement with respect to an incurrence of obligations so long as the adherence conditions in the procedures agreement or memo have been met. The Protection Agreement would then simply state that, upon OPG certifying to the indenture trustee that the adherence conditions have been satisfied under the procedures agreement/memo, the Province will be deemed to be bound under the Protection Agreement with respect to the specific obligations incurred at the time of the certification.
- In addition to the accounting concerns, the level of detail and frequency of reporting required present timing and operational issues. For example, as part of the adherence conditions, you are asking for details on the interest rate. However, pricing will in part be driven off whether that specific incurrence will have the benefits of the Protection Agreement.

Drafting Issues:

- Please refer to the existing terminology of the Act to ensure there is certainty on the obligations covered under the Protection Agreement. We think the best way for you to approach this would be to refer to all finance amounts and then expressly carve out what you are proposing not be covered.
- We'd like to understand the reason OPG's management fees have been excluded. We assume you do not intend for OPG's reimbursement costs (costs incurred by OPG on behalf of the Financing Entity) to be excluded? Please advise why taxes are being excluded?
- There are a few references to "exceed the maximum amount specified therefor in the applicable governing document". Please advise what is being contemplated here.
- We have a number of other drafting comments which we'll revisit once we've settled on the conceptual points above and have reviewed a revised draft of the document.

Steve, Malle and Toby, further to our meeting the other day, set out below for your review is a proposal on the Provincial approval process under the Change of Law Assumption Agreement. Once we have your feedback on this, we will need to share it with Osler and the accountants and as John mentioned, we are under some time pressure to bring this to a resolution prior to the upcoming June 29 OPG Board meeting. We look forward to your comments, and feel free to reach out if you have any questions. -- Rima

Obligor Approval

The Change of Law Assumption Agreement will apply to all Specified Claims relating to Funding Obligations that are incurred by an Eligible Financing Entity in accordance with the Obligor's approval process. The definition of Specified Claims to be mutually agreed by all parties.

In order for a Financing Entity to become designated as an Eligible Financing Entity by the Obligor, prior to the initial issuance of Funding Obligations by such Financing Entity, the Obligor will be provided with copies of the following documents (collectively the "Program Documents") for review:

(i) the constating documents of such Financing Entity;
(ii) the management agreement between the Financing Entity and OPG;
(iii) the master transfer and servicing agreement between the Financing Entity and the IESO;
(iv) the master trust indenture governing the issuance of Funding Obligations by the Financing Entity;
(v) a form of supplemental indenture governing the issuance of bonds, issuable in series, by the Financing Entity;
(vi) a form of note purchase agreement or credit agreement governing the issuance of short term Funding Obligations by the Financing Entity;
(vii) a form of schedule to an ISDA Master Agreement governing derivative transactions that may be entered into the Financing Entity from time to time; and
(viii) such other documents as may be requested by the Obligor.

Once a Financing Entity is designated by the Obligor as an Eligible Financing Entity, it will not be necessary for the Obligor to approve the documentation related to specific issuances of Funding Obligations; however, OPG will be expected to notify the Obligor of any new material program documentation or any material amendments to existing program documentation before such new

documentation or amendments become effective. The failure of OPG to provide any such notice will not invalidate the application of the Change of Law Assumption Agreement to any Specified Claims.

It will not be necessary for the Obligor to approve each new issuance of Funding Obligations provided that such Funding Obligations are issued in accordance with following:

(1) The Funding Obligations are issued in accordance with agreements that contain: (a) covenants of the Eligible Financing Entity that are no more onerous in any material respect and (b) events of default that are consistent in all material respects, respectively, with the covenants of the Eligible Financing Entity and events of default contained in the draft Program Documents.

(2) At least [30 days] prior to the initial issuance of Funding Obligations by an Eligible Financing Entity, OPG will provide the Obligor with a forecast of the principal amount and expected term of the Funding Obligations that OPG expects such Eligible Financing Entity to issue in accordance with the Financing Plan in the next two years (a "Two Year Forecast"). The execution of the Change of Law Assumption Agreement in respect of such Eligible Financing Entity shall constitute the Obligor's approval of the issuance of Funding Obligations by such Eligible Financing Entity in accordance with the Two Year Forecast.

(3) OPG shall provide the Obligor with an updated Two Year Forecast between 9 and 12 months prior to the expiry of each current Two Year Forecast.

(4) Unless the Obligor provides OPG with a written notice no later than 3 months prior to the date following receipt of the current Two Year Forecast that the Change of Law Assumption Agreement will be inapplicable with respect to new Funding Obligations incurred following the expiry of the current Two Year Forecast, the Obligor will be deemed to approve the application of the Change of Law Assumption Agreement to all Funding Obligations incurred up to the expiry of the new Two Year Forecast.

At the time of issuance of Funding Obligations by an Eligible Financing Entity, the Financing Entity will provide (i) any required certifications to the underwriters/agents that such Funding Obligations are covered by the Change of Law Assumption Agreement; and (ii) notice to the Obligor of the material terms of the Funding Obligations issued, together with electronic copies of the final executed Program Documents.

Questions for MOE and OFA to consider regarding OPG's Proposed Adherence Terms

A. Scope of Province's Obligations under the Change of Law Protection Agreement (**CLPA**)

1. On a Protection Event, should the Province become responsible for the payment of taxes (if any) owing by the Financing Entity?

2. On a Protection Event, should the Province become liable to pay amounts owing by the Financing Entity to OPG (e.g., FSM fees and expenses)?

3. On a Protection Event, should all available funds (e.g., funds accumulated in sinking funds) be immediately applied to reduce the amount that the Province would be liable for under the CLPA?

4. Should the Province set a "Protection Agreement Maximum" (previously called the "Program Maximum") that measures and relates only to "principal amounts"? In other words, should the limitation be tied only to principal obligations, while the Province's actual obligations would automatically extend, without specific quantum limits, to the other payment obligations under "funding obligations" (e.g., interest, swaps, standby liquidity commitment fees, servicer fees and expenses)?

5. Is the Province comfortable guaranteeing contingent obligations (e.g., indemnity obligations) of the Financing Entity? If so, should the Province require that such contingent obligations be "capped" within the funding obligation itself or should the exposure of the Province be otherwise limited under the CLPA?

6. Should the Province be required to deposit funds to meet sinking fund or collateral deposits (i.e., deposit obligations incorporated in the financing structure on the basis that the "clean energy" cash flows will service the obligations, rather than the Province), notwithstanding that the Province would have become primarily liable for payment obligations under the CLPA?

B. Adhesion

7. Is the Province okay splitting the maximum exposure limitations and "process-related" matters (see below) into a separate agreement - away from the terms of the agreement under which the Province's payment obligations would bind the Province opposite the Indenture Trustee? OPG proposes this in order to keep the optics of the CLPA as simple and straightforward as possible. In other words, is the Province prepared to leave all of the important details regarding what OPG is supposed to do before incurring an obligation that binds the Province to a side agreement with OPG, that is opaque to the Indenture Trustee and Underwriters at the time a funding obligation is incurred and not requiring any third party to have notice or regard to the Province's requirements?

8. OPG proposes that delivery of an officers' certificate to a third party, in OPG's capacity as FSM, will in and of itself bind the Province under the CLPA. That certificate would simply indicate that the Province is bound under the CLPA with respect to the specified funding obligation. It would not be addressed to the Province (although a pre-closing certificate is contemplated to be delivered to the Province) and the "Protection Agreement Maximum" concept would not be incorporated as a specific condition (other

than to the extent that OPG is bound to the Province under the side agreement with the Province). Is this acceptable to the Province? Does this raise any governance/authority issues for the Province (e.g., limit on incurrence needing to be specifically confirmed at closing? scope of permitted delegation to bind? FAA compliance?)

C. "Protection Agreement Maximum" (formerly "Program Maximum" (**PAM**)

9. OPG proposes that the PAM will be determined based on a mechanical calculation and without any real discretion on the part of the Province to set or object to the PAM. Is this acceptable to the Province?

10. OPG's proposed mechanical process to determine PAM would be based on OPG's 24 month forecast (estimate) of payments to be made by the Financing Entity. So long as that forecast (and any refresh) is consistent with the "Financing Plan" (also prepared by OPG) and is "reasonably expected to align with the fair allocation amount", the Province will be required to accept the PAM based on OPG's forecast – i.e., no discretion to reject or modify the aggregate amount of the Province's commitment initially or from time to time. Is the Province prepared to tie its CLPA obligation automatically to the operation of the OFHPA in this way, without review and with perpetual effect?

11. Is the proposed mechanical link to the OFHPA calculations consistent with the OIC or other governance requirements applicable to the Province's authority to approve the CLPA?

12. Is the initial 24 month forecast period appropriate (e.g., 2.5B x 2 – large)? Is OPG's proposed refresh of the PAM (mechanically tied to the new forecast), 9 to 12 months prior to the end of the 24 month forecast period, appropriate?

D. "Process-Related" Matters

13. Assuming the Province is okay with the arrangements described in question 7, above, we would envision a mechanism where the Province could give the Indenture Trustee notice of a breach (if known) by OPG of the PAM or process-related side agreement, and that such a notice would have the effect of cutting off the application of the CLPA for any future incurrences unless the Province further agrees otherwise. Does the Province agree that this sort of failsafe is essential? Note that OPG's suggestion has been that no pre-incurrence non-adherence/failsafe provision be provided, in order to allow the Province to provide notice that the CLPA will not apply to a pending/proposed incurrence.

14. Does the Province need to contemplate other scenarios where the CLPA would become ineffective in respect of future incurrences, such as:

    a. an OPG change of control

    b. a policy-based determination by a future government

    c. an unanticipated circumstance, such as the incurrence by the Financing Entity of assessed tax liabilities, indemnity payments, "increased costs", rating downgrades, offering disclosure-based claims, defaults under the program,

insolvency of a major counterparty (e.g., swap counterparty or services provider), etc.

d. a discretionary circumstance where the Province decides it no longer wishes to be liable under the CLPA?

We expect that OPG would push back so that any suspension of new obligations by the Province would not hamper OPG's ability to complete an anticipated/needed refinancing.

15. Does the Province have any reservations about letting OPG at any time provide a binding certificate to third parties regarding adherence, which would be determinative of the Province's obligations. What conditions for this sort of certificate would make sense (e.g., preview and consent by the Province)? Does this proposal raise any governance/authority issues for the Province (e.g., scope of delegation; FAA compliance)?

16. If the Province is prepared to be liable for taxes owing by the Financing Entity (see question 1, above), what oversight, assurances, documentation and reporting regarding the potential for entity-level taxes should the Province require (if any)?

17. OPG is proposing that the Province will receive a certificate prior to the Financing Entity incurring a funding obligation, that sets out "the material terms of the funding obligations pertaining to the principal amount, pricing and third party fees". Is that a sufficient amount of detail, or would the Province like to specifically itemize its information expectations, to cover things such as:

    a. details respecting any principal obligation, such as:

        i. the amount, timing and conditions of repayments (including any redemption or extension rights)

        ii. the basis for OPG's expectations regarding the availability of any related refinancings

        iii. any required deposits to be made into a capital account or a finance reserve account in order to provide for payment of the principal obligation

        iv. the rating (if any) contemplated to be attributed to the principal repayment of the funding obligation

        v. details respecting any redemption rights, including the nature and conditions applicable to any exercise and OPG's expected basis for determining whether or not to exercise a redemption right, option or privilege;

    b. details respecting interest obligations, such as:

        i. the anticipated interest or discount rate or rates (including default rates)

        ii. the timing/frequency/conditions of coupon payments

iii. any required deposits to be made into a finance reserve account or supplemental account

iv. the availability of any funding rebates in order to provide for payment of interest

v. the rating (if any) contemplated to be attributed to the interest obligation;

c. details respecting any hedging obligation (e.g., interest or FX swaps, options or other derivatives), such as:

i. the name of the counterparty and credit details

ii. the credit ratings (if any) of the payor(s)

iii. the risks sought to be mitigated by the derivative

iv. anticipated circumstances (if any) in which the derivative may not achieve such mitigation or be subject to early termination

v. whether collateral posting requirements will apply;

d. details respecting other funding obligations, such as:

i. the payee

ii. the timing and any conditions of payments

iii. any required deposits to be made into a finance reserve account or supplemental account or the availability of any funding rebates in order to provide for payment of such obligations

iv. in the case of a contingent obligation (e.g., indemnities), the nature and extent of any contingency affecting the payment obligation, the circumstances in which a payment obligation may arise and any specified maximum claim amount

e. assuming that the Province would be liable for capital, reserve or supplementary account deposit obligations (see question 6, above), details respecting the schedule for such deposits and the conditions for the application of such amounts to pay such amounts and the related priorities for application.

18. OPG (and presumably OPG's accountants) is contemplating that the Province will be provided transaction documentation "in substantially final form" and that the Province will not be entitled to provide input "other than in its capacity as obligor under the [CLPA]". In other words, assuming that the CLPA is signed in advance, the Province will have no real opportunity to comment on the forms of transaction documents to be used, and will

have a limited opportunity to "not accept" [1] the documentation. Can the Province live with these limitations?

19. The proposed OPG certificate (pre-incurrence) would include an attestation by OPG regarding the use of pre-reviewed documentation. The test for conformity of the to-be-used documentation, compared to the pre-reviewed documentation, would focus only on whether "the covenants of the Financing Entity are no more onerous in any material respect" and that the "events of default" are consistent "in all material respects". Is the limited scope of this conformity test acceptable, or should it be broadened and cover specific items such as:

    a. no differences in the timing of or circumstances under which payments are or may become due (for example, as a result of any termination, wind-up, liquidation or realization)

    b. no differences that could affect the Province's rights of subrogation or interests as a subrogee

    c. with respect to the anticipated form of series specific documents (as opposed to the upfront terms of program-wide "master" documents), confirming that the variable terms set forth in the proposed documents are as reasonably contemplated in the reviewed forms, having regard to such matters as:

        i. the type of instrument to be issued (i.e., debt (bullet vs. amortizing), equity-linked, pass-through instruments, etc.)

        ii. the scope of the related obligations (e.g., redemption or extension features or other optionality)

        iii. the extent of the related obligations (e.g., limited recourse features, limitations on indemnities, etc.)

        iv. the timing, conditions and circumstances in which payment obligations may arise,

    but making it clear that conformity would not include a comparison to the particular financial terms, rates, levels and parameters of the obligations other than if the reviewed forms specify specific requirements, limitations or parameters.

20. How much time is sufficient for the Province:

    a. to do an initial review of the main transaction documentation (including forms of series-specific documents), which would set the acceptable pattern for future

---

[1] Note that the proposed OPG language is not crystal clear that the Province can reject the reviewed documentation, which we expect is merely drafting, but that will need to be confirmed assuming the Province wishes to work within the OPG/Tory mark-up.

issuances? The proposal is 15 BDs, although that does not seem to make sense given that OPG proposes that the Province must confirm acceptance of the terms within 15 BDs of receipt of the documentation

b. to do a review of any changes to the main transaction documentation (including forms of series-specific documents), which would reset the acceptable pattern for future issuances? The proposal is to receive proposed amendments at least 15 BDs prior to first use, and the Province would confirm acceptance of the terms within 15 BDs of receipt of the documentation

c. to review applicable details of a proposed funding obligation in advance of an incurrence (proposal is 10BDs)?

21. What other items should be incorporated into the timeline from the Province's perspective?

E. Information, Reporting and Other Covenants

22. OPG proposes to provide the Province with an applicable "Financing Plan" only after an incurrence. Does the Province need to see this document as it is issued and changed, rather than only after the time of an incurrence?

23. OPG proposes to provide the Province with any actual offering/disclosure documents only after it is used. Does the Province need to have input into offering/disclosure document before use or dissemination (e.g., the description of the CLPA)?

24. OPG has limited its negative covenant on elections by the Financing Entity following a Protection Event to actions that would accelerate obligations. Should this be broader to cover extensions or other consensual changes that could affect the obligations (e.g., creditor concessions).

F. Parties

25. Will it be sufficient for the CLPA (and any procedural side-letter) to be signed by OPG, acting solely in its capacity as "financial services manager" (i.e., with OPG's liability being limited by the terms of the related management or administrative agreement)? How does this interplay with any other indemnities or exculpatory provisions that the Province is anticipating for OPG (corporate) and its officers?

26. Who from OPG should sign the officer's certificate? The OPG proposal is 2 "executive officers".

27. OPG proposes that a failure to comply with the PAM or "approval process" will not result in any breach. Assuming that OPG is in fact proposing that its failure would have no consequences, including as between the Province and OPG whatsoever, are the process aspects of the OPG proposal even meaningful to the Province?

Hi Victor and Anthony,

Just a quick note to let you know that Lisa and I both must leave at 5 p.m. today. If we're able receive any draft language soon enough before then, we will take a look and try to revert before then. If not, we'll have to do it first thing in the morning.

Also, if you could please let us know if IESO has received the intercept letter for signature, that would be great. Given the time factor, and once the Intercept Letter is fully executed, it looks like we will be then be signing the two agreements in counterparts (with IESO signing first and sending .pdf's to the OFA).

William Tan 10:55 AM:

question for you.

Re: IESO.

For the $840mm+new advance under the exisiting credit facility $975mm.

IESO intends to move the majority of this balance into the $2B credit facility.

they intend do not intend to repay the $840mm first. They wish to do this on a net basis.

Do you have any issues with this?

Do you require any additional documentation aside from the Borrowing and Election Notices?

Alfonso Soriano 11:04 AM:

Has this been discussed with other unit?

William Tan 11:05 AM:

not yet. I plan to discuss this with John Psina, Risa and Carlos after i speak with you.

Alfonso Soriano 11:05 AM:

My concern is limited to cash flows. There may be other considerations. Accounting may prefer a clear trail, etc.

I think having all of us meet together about this would be a good idea.

William Tan 11:07 AM:

IESO share this with me this morning.

-issue a rollover notice for $2B facility to say the $825M is being rolled over – note that I

will need to borrow another approx. $225M too

William Tan 11:10 AM:

Let me bring up the meeting idea with Sarah.

Do you have any other concerns?

Alfonso Soriano 11:11 AM:

We need to be able to track the $1.1 B cash flow separately

William Tan 11:14 AM:

Is it possible that you discuss this with John/George first? After if the two areas require more information then we'll revisit the conference call?

I can provide John Psinas the details i just share with you.

Hi Will – we have reviewed OFA's draft of Amendment #10 and only have a very few comments, which I have inserted in the attached for your review/consideration, mostly just addressing drafting inconsistencies and the like.

The one substantive proposal we would make is that the termination date for this $475MM revolving loan be extended beyond the current end-date of December 31, 2019 (as stipulated in Amending Agreement #9) to be aligned with the end-date of the FHP Credit Agreement which is

September 30 2022. If agreed, it would require minor amendments to sections 2.4 and 5.1(b) of the Agreement. FYI, such a change would be within the scope of the authorization provided by IESO's board resolution.

Let us know your thoughts on this.

Regards,

Victor

Hello Anthony and Victor,

The Election for to roll-over a portion or all of the interest triggered a number of changes which includes updates to definitions, Section 3.2, 3.3, Schedules 1, 2 and 3.

Section 3.3(4) was added from the FHP Agreement, which addresses calculation of interest on a Continued Advance

> (4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the grid promissory note in respect of Advances in accordance with Section 3.2(2).

Reason for the scope of changes that have been added (this draft updates all of the Schedules to the Agreement and also aligns the language in the related sections of the Agreement).

Please review and comment.

Thanks,

Will

As per Anthony's request, we making changes to the Amending Agreement No. 10 to allow IESO:

- Elect to continue all or a portion of the principal and interest .
- The advancement period of 28 days up to 95 days will remain the same.
- Section 3.3 (2) new advances will change from 1 business day to two business days prior notice because advancements under the Borrowing Notice allow for two business days' notice.

Hi,

Just for clarity. Below is an example of the OFA's regular email and grid notes (see attached) that the IESO receives each month directly from the OFA.

You will note that the grid notes shows one row and its respective aggregated amount for each month's advance (previous + new).

It was noted on yesterday's call that each respective advance has its own row and # of days updated in the grid note – in practice the IESO does not see this.

I assume there is an internal OFA grid document which provides each advance as segregate rows.

Victor and I are reviewing today's draft.

Regards.

I spoke to John Kim with regards to the potential extension of the existing $475mm credit facility from Dec 31, 2019 to Sept 30, 2022. He is fine that I forward it to Shajee to handle while Bruno is away.

Hi Will – we have reviewed OFA's draft of Amendment #10 and only have a very few comments, which I have inserted in the attached for your review/consideration, mostly just addressing drafting inconsistencies and the like.

The one substantive proposal we would make is that the termination date for this $475MM revolving loan be extended beyond the current end-date of December 31, 2019 (as stipulated in Amending Agreement #9) to be aligned with the end-date of the FHP Credit Agreement which is September 30 2022. If agreed, it would require minor amendments to sections 2.4 and 5.1(b) of the Agreement. FYI, such a change would be within the scope of the authorization provided by IESO's board resolution.

Let us know your thoughts on this.

Regards,

Victor

Subject: Draft Amending Agreement No. 10

Hello Anthony and Victor,

The Election for to roll-over a portion or all of the interest triggered a number of changes which includes updates to definitions, Section 3.2, 3.3, Schedules 1, 2 and 3.

Section 3.3(4) was added from the FHP Agreement, which addresses calculation of interest on a Continued Advance

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the grid promissory note in respect of Advances in accordance with Section 3.2(2).

Reason for the scope of changes that have been added (this draft updates all of the Schedules to the Agreement and also aligns the language in the related sections of the Agreement).
Please review and comment.
Thanks,
Will

- The advancement period of 28 days up to 95 days will remain the same.
- Section 3.3 (2) new advances will change from 1 business day to two business days prior notice because advancements under the Borrowing Notice allow for two business days' notice.

Hello Anthony,

We have reviewed the grid note you provided and your observation is correct that you are provided with one line item with the consolidated total amount compared to the distinct separate the advances we originally understood.

Yes, we have access to a version of the grid note that separates the advances that is not provided to you, which caused the confusion.

Does the revised Section 3.3(2) and Schedule 2 (Form of Election Notice) still functional to you?

Thanks,

Hi,

Just for clarity. Below is an example of the OFA's regular email and grid notes (see attached) that the IESO receives each month directly from the OFA.

You will note that the grid notes shows one row and its respective aggregated amount for each month's advance (previous + new).

It was noted on yesterday's call that each respective advance has its own row and # of days updated in the grid note – in practice the IESO does not see this.

I assume there is an internal OFA grid document which provides each advance as segregate rows.

Victor and I are reviewing today's draft.

Regards.

Hi Will – we have reviewed OFA's draft of Amendment #10 and only have a very few comments, which I have inserted in the attached for your review/consideration, mostly just addressing drafting inconsistencies and the like.

The one substantive proposal we would make is that the termination date for this $475MM revolving loan be extended beyond the current end-date of December 31, 2019 (as stipulated in Amending Agreement #9) to be aligned with the end-date of the FHP Credit Agreement which is September 30 2022. If agreed, it would require minor amendments to sections 2.4 and 5.1(b) of the Agreement. FYI, such a change would be within the scope of the authorization provided by IESO's board resolution.

Let us know your thoughts on this.

Victor

Hello Caroline,

I have spoken to Anthony and he has requested to update the existing credit facility agreement ($975 million down to $475 million) to have the same option to roll-over principle and interest. Risa Thau had no concerns from an accounting and operational standpoint. Mike Manning and James Devine also had no concerns from a Capital Markets perspective. Please include the language in the Amending Agreement No. 10 to reflect this.

I have updated the Grid note be appear the same as the FHP Grid Note. I have reviewed you're changes to the Amending Agreement No. 10 and have no other comments.

Hello,

Please find attached draft changes to Amending Agreement No. 10. I worked from the document that Will emailed to the IESO on August 18 at 3:18pm which Lisa shared with me. Please let me know if you have any comments/questions/changes or would like to discuss.

This draft updates all of the Schedules to the Agreement. We also thought it would be prudent to align the language in the related sections of the Agreement. If you are forwarding this to the IESO, please let them know that this is the reason for the scope of the changes that have been included.

I also wanted to flag that Mike Manning's new title should be used on any documents that he signs (Executive Director & Chief Investment Officer).

Hello Caroline,

I have spoken to Anthony and he has requested to update the existing credit facility agreement ($975 million down to $475 million) to have the same option to roll-over principle and interest. Risa Thau had no concerns from an accounting and operational standpoint. Mike Manning and James Devine also had no concerns from a Capital Markets perspective. Please include the language in the Amending Agreement No. 10 to reflect this.

I have updated the Grid note be appear the same as the FHP Grid Note. I have reviewed you're changes to the Amending Agreement No. 10 and have no other comments.

Thanks,

Will

Subject: Draft Amending Agreement No. 10

Hello,

Please find attached draft changes to Amending Agreement No. 10. I worked from the document that Will emailed to the IESO on August 18 at 3:18pm which Lisa shared with me. Please let me know if you have any comments/questions/changes or would like to discuss.

This draft updates all of the Schedules to the Agreement. We also thought it would be prudent to align the language in the related sections of the Agreement. If you are forwarding this to the IESO, please let them know that this is the reason for the scope of the changes that have been included.

I also wanted to flag that Mike Manning's new title should be used on any documents that he signs (Executive Director & Chief Investment Officer).

Thanks,

Caroline

Hello Victor,

As discussed, the extension date of the existing $475 million Revolving Credit Facility to align with the FHP Revolving Credit Facility will be deferred to a future amended and restated agreement. We have included minor edits. Please review and comment.

Thanks,

Will

Hi Will – we have reviewed OFA's draft of Amendment #10 and only have a very few comments, which I have inserted in the attached for your review/consideration, mostly just addressing drafting inconsistencies and the like.

The one substantive proposal we would make is that the termination date for this $475MM revolving loan be extended beyond the current end-date of December 31, 2019 (as stipulated in Amending Agreement #9) to be aligned with the end-date of the FHP Credit Agreement which is September 30 2022. If agreed, it would require minor amendments to sections 2.4 and 5.1(b) of the Agreement. FYI, such a change would be within the scope of the authorization provided by IESO's board resolution.

Let us know your thoughts on this.

Regards,

Victor

Hello Anthony and Victor,

The Election for to roll-over a portion or all of the interest triggered a number of changes which includes updates to definitions, Section 3.2, 3.3, Schedules 1, 2 and 3.

Section 3.3(4) was added from the FHP Agreement, which addresses calculation of interest on a Continued Advance

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the grid promissory note in respect of Advances in accordance with Section 3.2(2).

Reason for the scope of changes that have been added (this draft updates all of the Schedules to the Agreement and also aligns the language in the related sections of the Agreement).
Please review and comment.
Thanks,
Will

Hello gentleman,
I have been informed by a colleague that we are instructed by the deputy minister for us to pursue our minister to sign the directive for early next week.
As per Anthony's request, we making changes to the Amending Agreement No. 10 to allow IESO:

- Elect to continue all or a portion of the principal and interest .
- The advancement period of 28 days up to 95 days will remain the same.
- Section 3.3 (2) new advances will change from 1 business day to two business days prior notice because advancements under the Borrowing Notice allow for two business days' notice.

Sorry for the inconvenience.

Hello Anthony,

We have reviewed the grid note you provided and your observation is correct that you are provided with one line item with the consolidated total amount compared to the distinct separate the advances we originally understood.

Yes, we have access to a version of the grid note that separates the advances that is not provided to you, which caused the confusion.

Does the revised Section 3.3(2) and Schedule 2 (Form of Election Notice) still functional to you?

Thanks,

Will

Hi,

Just for clarity. Below is an example of the OFA's regular email and grid notes (see attached) that the IESO receives each month directly from the OFA.

You will note that the grid notes shows one row and its respective aggregated amount for each month's advance (previous + new).

It was noted on yesterday's call that each respective advance has its own row and # of days updated in the grid note – in practice the IESO does not see this.

I assume there is an internal OFA grid document which provides each advance as segregate rows.

Victor and I are reviewing today's draft.

Regards.

INDEPENDENT ELECTRICITY SYSTEM OPERATOR

Commented [VB5]: The term "Note" is not defined in the Agreement as far as I can tell, having checked all amendments. It occurs 6 times on this page. In the 2nd para, the term "grid promissory note" is also used and means the same thing. These should be consistent. "Note" should be defined, or we could use "Grid Note" throughout, but again it's preferable for it to be defined in some manner.

Commented [LS6]: "Grid Note" now defined in s. 3.2 of Credit Agreement.

Commented [VB7]: The original 2005 agreement is not defined as or entitled "Credit Agreement", so this occurrence should be lower case.

Commented [WT8R7]: agreed

Commented [LS9]: "Grid Note" now defined in s. 3.2 of Credit Agreement.

Hello Victor,

As discussed, the extension date of the existing $475 million Revolving Credit Facility to align with the FHP Revolving Credit Facility will be deferred to a future amended and restated agreement. We have included minor edits. Please review and comment.

Thanks,

Will

Hi Will – we have reviewed OFA's draft of Amendment #10 and only have a very few comments, which I have inserted in the attached for your review/consideration, mostly just addressing drafting inconsistencies and the like.

The one substantive proposal we would make is that the termination date for this $475MM revolving loan be extended beyond the current end-date of December 31, 2019 (as stipulated in Amending Agreement #9) to be aligned with the end-date of the FHP Credit Agreement which is September 30 2022. If agreed, it would require minor amendments to sections 2.4 and 5.1(b) of the Agreement. FYI, such a change would be within the scope of the authorization provided by IESO's board resolution.

Let us know your thoughts on this.

Regards,

Victor

Hello Anthony and Victor,

The Election for to roll-over a portion or all of the interest triggered a number of changes which includes updates to definitions, Section 3.2, 3.3, Schedules 1, 2 and 3.

Section 3.3(4) was added from the FHP Agreement, which addresses calculation of interest on a Continued Advance

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the grid promissory note in respect of Advances in accordance with Section 3.2(2).

Reason for the scope of changes that have been added (this draft updates all of the Schedules to the Agreement and also aligns the language in the related sections of the Agreement).
Please review and comment.
Thanks,
Will

As per Anthony's request, we making changes to the Amending Agreement No. 10 to allow IESO:

- Elect to continue all or a portion of the principal and interest .
- The advancement period of 28 days up to 95 days will remain the same.
- Section 3.3 (2) new advances will change from 1 business day to two business days prior notice because advancements under the Borrowing Notice allow for two business days' notice.

Sorry for the inconvenience.

Hello Anthony,

We have reviewed the grid note you provided and your observation is correct that you are provided with one line item with the consolidated total amount compared to the distinct separate the advances we originally understood.

Yes, we have access to a version of the grid note that separates the advances that is not provided to you, which caused the confusion.

Does the revised Section 3.3(2) and Schedule 2 (Form of Election Notice) still functional to you?

Thanks,

Will

Hi,

Just for clarity. Below is an example of the OFA's regular email and grid notes (see attached) that the IESO receives each month directly from the OFA.

You will note that the grid notes shows one row and its respective aggregated amount for each month's advance (previous + new).

It was noted on yesterday's call that each respective advance has its own row and # of days updated in the grid note – in practice the IESO does not see this.

I assume there is an internal OFA grid document which provides each advance as segregate rows.

Victor and I are reviewing today's draft.

Regards.

INDEPENDENT ELECTRICITY SYSTEM OPERATOR

Commented [VB5]: The term "Note" is not defined in the Agreement as far as I can tell, having checked all amendments. It occurs 6 times on this page. In the 2nd para, the term "grid promissory note" is also used and means the same thing. These should be consistent. "Note" should be defined, or we could use "Grid Note" throughout, but again it's preferable for it to be defined in some manner.

Commented [LS6]: "Grid Note" now defined in s. 3.2 of Credit Agreement.

Commented [VB7]: The original 2005 agreement is not defined as or entitled "Credit Agreement", so this occurrence should be lower case.

Commented [WT8R7]: agreed

Commented [LS9]: "Grid Note" now defined in s. 3.2 of Credit Agreement.

Hi Sarah,
I heard you are not well today. I hope you're not feeling too bad . Normally I wouldn't bother you but I wanted your input. At this stage, should we push-back and ask Victor to leave the deadline extension for the next amendment and explain to him that we would need a new directive? Or call me to discuss.

Just to clarify, I didn't say the extension wasn't realistic. In my e-mail below I indicated that a directive will be necessary if you decide, as a business decision, to extend the expiration date of the revolving credit facility agreement. Happy to discuss further.

Hi Will and Shajee,
While it is a business/policy decision whether to extend the expiry date of the revolving credit facility agreement as per the IESO's request, please note that the current expiry date is set pursuant to the Ministerial directive dated November 28 ,2016. Therefore it will be necessary to obtain a new ministerial directive to amend the expiry date. It is possible to add this to the new directive which has not yet been signed by the Minister; you will also need to amend the accompanying briefing note.
Please advise how you would like to proceed regarding the directive. I'll provide additional comments on the IESO's edits to the latest amending agreement tomorrow (they are relatively minor).
Shajee/John: It will be necessary to amend the briefing note in any event as I believe the signature

line needs to be amended to reference the Minister (and not his delegate).
Thank you,
Lisa

Hello Shajee,

As part of the existing OFA IESO Revolving Credit Facility Amending Agreement No. 10 to reduce to $475 million (from $975 million), IESO has requested to extend the agreement expiry date from December 31, 2019 to September 30, 2022 to align it with the new FHP $2 billion Credit Facility. From an OEFC perspective, do you have any concerns regarding this? FYI subject to the new directive being signed we anticipate that the Amending Agreement No. 10 and FHP Credit Facility to be signed by Friday.

Hi Will – we have reviewed OFA's draft of Amendment #10 and only have a very few comments, which I have inserted in the attached for your review/consideration, mostly just addressing drafting inconsistencies and the like.

The one substantive proposal we would make is that the termination date for this $475MM revolving loan be extended beyond the current end-date of December 31, 2019 (as stipulated in Amending Agreement #9) to be aligned with the end-date of the FHP Credit Agreement which is September 30 2022. If agreed, it would require minor amendments to sections 2.4 and 5.1(b) of the Agreement. FYI, such a change would be within the scope of the authorization provided by IESO's board resolution.

Let us know your thoughts on this.

Victor

Hello Anthony and Victor,

The Election for to roll-over a portion or all of the interest triggered a number of changes which includes updates to definitions, Section 3.2, 3.3, Schedules 1, 2 and 3.

Section 3.3(4) was added from the FHP Agreement, which addresses calculation of interest on a Continued Advance

> (4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the grid promissory note in respect of Advances in accordance with Section 3.2(2).

Reason for the scope of changes that have been added (this draft updates all of the Schedules to the Agreement and also aligns the language in the related sections of the Agreement).

Please review and comment.

Thanks,
Will

Hello Anthony and Victor,

The Election for to roll-over a portion or all of the interest triggered a number of changes which includes updates to definitions, Section 3.2, 3.3, Schedules 1, 2 and 3.

Section 3.3(4) was added from the FHP Agreement, which addresses calculation of interest on a Continued Advance

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the grid promissory note in respect of Advances in accordance with Section 3.2(2).

Reason for the scope of changes that have been added (this draft updates all of the Schedules to the Agreement and also aligns the language in the related sections of the Agreement).
Please review and comment.

I just got off the phone with Shajee and read reading Lisa's email below. Logistically the deadline extension doesn't seem to be realistic. Talk to you tomorrow.

Hi Will and Shajee,

While it is a business/policy decision whether to extend the expiry date of the revolving credit facility agreement as per the IESO's request, please note that the current expiry date is set pursuant to the Ministerial directive dated November 28 ,2016. Therefore it will be necessary to obtain a new ministerial directive to amend the expiry date. It is possible to add this to the new directive which has not yet been signed by the Minister; you will also need to amend the accompanying briefing note.

Please advise how you would like to proceed regarding the directive. I'll provide additional comments on the IESO's edits to the latest amending agreement tomorrow (they are relatively minor).

Shajee/John: It will be necessary to amend the briefing note in any event as I believe the signature line needs to be amended to reference the Minister (and not his delegate).

Thank you,

Lisa

Hello Shajee,

As part of the existing OFA IESO Revolving Credit Facility Amending Agreement No. 10 to reduce to $475 million (from $975 million), IESO has requested to extend the agreement expiry date from December 31, 2019 to September 30, 2022 to align it with the new FHP $2 billion Credit Facility. From an OEFC perspective, do you have any concerns regarding this? FYI subject to the new directive being signed we anticipate that the Amending Agreement No. 10 and FHP Credit Facility to be signed by Friday.

Hi Will – we have reviewed OFA's draft of Amendment #10 and only have a very few comments, which I have inserted in the attached for your review/consideration, mostly just addressing drafting inconsistencies and the like.

The one substantive proposal we would make is that the termination date for this $475MM revolving loan be extended beyond the current end-date of December 31, 2019 (as stipulated in Amending Agreement #9) to be aligned with the end-date of the FHP Credit Agreement which is September 30 2022. If agreed, it would require minor amendments to sections 2.4 and 5.1(b) of the Agreement. FYI, such a change would be within the scope of the authorization provided by IESO's board resolution.

Let us know your thoughts on this.

Regards,

Victor

Hello Anthony and Victor,

The Election for to roll-over a portion or all of the interest triggered a number of changes which includes updates to definitions, Section 3.2, 3.3, Schedules 1, 2 and 3.

Section 3.3(4) was added from the FHP Agreement, which addresses calculation of interest on a Continued Advance

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the grid promissory note in respect of Advances in accordance with Section 3.2(2).

Reason for the scope of changes that have been added (this draft updates all of the Schedules to the Agreement and also aligns the language in the related sections of the Agreement).
Please review and comment.
Thanks,
Will

BETWEEN:

INDEPENDENT ELECTRICITY SYSTEM OPERATOR, a statutory corporation without share capital existing under Part II of the *Electricity Act, 1998* ("**IESO**")

Commented [VB1]: NOTE – Amending Agreement#9 added a definition of "IESO" to the Agreement – this change is just to be consistent with that definition.

AND WHEREAS effective January 1, 2015, the OPA and the then existing Independent Electricity System Operator amalgamated and continued as a corporation without share capital under Part II of the *Electricity Act, 1998* with the name "Independent Electricity System Operator" **("IESO")**, and the obligations of the OPA became obligations of the IESO;

AND WHEREAS pursuant to the amending agreements dated February 14, 2005, October 11, 2005 (titled, "Amending Agreement No. 3"), September 27, 2006 (titled, "Amending Agreement No. 4"), July 13, 2007 (titled, "Amending Agreement No. 5"), November 9, 2010 (titled, "Amending Agreement No. 6"), December 20, 2013 (titled, "Amending Agreement No. 7"), December 19, 2014 (titled, "Amending Agreement No. 8") and November 30, 2016 (titled, "Amending Agreement No. 9"), the OPA or IESO (as applicable) and the OFA amended the Original Agreement (as so amended, the "**Credit Agreement",** the terms defined therein being used herein as therein defined);

AND WHEREAS the Parties have now agreed to: (i) at the request of the IESO, decrease the total principal amount available under the Credit Agreement from $975,000,000 to a total principal amount of up to $475,000,000; (ii) amend the use of proceeds under the Credit Agreement; and (iii) amend the Form of Election Notice and related provisions under the Credit Agreement;

AND WHEREAS pursuant to Section 7.3 of the Credit Agreement, the Credit Agreement may only be amended or otherwise modified by written agreement executed by the Parties.

THEREFORE, in consideration of the mutual covenants and agreements herein contained and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and subject to the terms and conditions hereafter set out, the Parties agree that:

1. The definition of "Advances" in Section 1.1 of the Credit Agreement is deleted and replaced by the following:

"**Advances**" means advances made by the OFA to the IESO under Article 3 and "Advance" means any one of such advances, and in the case of an election by the IESO under Section 3.3, includes a "Continued Advance", as defined in Section 3.3(1), as applicable."

2. The definition of "Commitment" in Section 1.1 of the Credit Agreement is amended by deleting "$975,000,000" and substituting "$475,000,000" therefor.

3. The following definitions are added to Section 1.1 of the Agreement

   "**Continued Advance"** has the meaning specified in Section 3.3(1).

   "**Current Repayment Date**" has the meaning specified in Section 3.3(2).

   "**New Repayment Date**" has the meaning specified in Section 3.3(2).

Commented [VB2]: NOTE – consider changing ultimate repayment date to later than December 31, 2019 to align with FHP dates.

4. Section 2.3 "Use of Proceeds" of the Credit Agreement is deleted in its entirety and replaced by the following:

   "The IESO shall use the proceeds of Advances for the purposes for which it is authorized to borrow funds pursuant to Regulation 280/14 made under the *Electricity Act, 1998*, as such regulation may be amended or replaced from time to time, provided that Advances may be used only for liquidity purposes."

5. Section 3.2 "Procedures for Advances" of the Credit Agreement is deleted in its entirety and replaced by the following:

   "(1) Subject to Section 3.3(5), each Advance shall be made subject to two Business Days' prior notice given not later than 10:00 a.m. (Toronto time) by the IESO to the OFA. 6. Section 3.3 "Elections Regarding Advances" of the Credit Agreement is deleted in its entirety and replaced by the following:

"(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 28 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the grid promissory note in respect of Advances in accordance with Section 3.2(2).

Hello Shajee,

As part of the existing OFA IESO Revolving Credit Facility Amending Agreement No. 10 to reduce to $475 million (from $975 million), IESO has requested to extend the agreement expiry date from December 31, 2019 to September 30, 2022 to align it with the new FHP $2 billion Credit Facility. From an OEFC perspective, do you have any concerns regarding this? FYI subject to the new directive being signed we anticipate that the Amending Agreement No. 10 and FHP Credit Facility to be signed by Friday.

Hi Will – we have reviewed OFA's draft of Amendment #10 and only have a very few comments, which I have inserted in the attached for your review/consideration, mostly just addressing drafting inconsistencies and the like.

The one substantive proposal we would make is that the termination date for this $475MM revolving loan be extended beyond the current end-date of December 31, 2019 (as stipulated in Amending Agreement #9) to be aligned with the end-date of the FHP Credit Agreement which is September 30 2022. If agreed, it would require minor amendments to sections 2.4 and 5.1(b) of the Agreement. FYI, such a change would be within the scope of the authorization provided by IESO's board resolution.

Let us know your thoughts on this.

Victor

Hello Anthony and Victor,

The Election for to roll-over a portion or all of the interest triggered a number of changes which includes updates to definitions, Section 3.2, 3.3, Schedules 1, 2 and 3.

Section 3.3(4) was added from the FHP Agreement, which addresses calculation of interest on a Continued Advance

> (4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the grid promissory note in respect of Advances in accordance with Section 3.2(2).

Reason for the scope of changes that have been added (this draft updates all of the Schedules to the Agreement and also aligns the language in the related sections of the Agreement).

Please review and comment.

Thanks,

Will

I have been informed by a colleague that we are instructed by the deputy minister for us to pursue our minister to sign the directive for early next week.

As per Anthony's request, we making changes to the Amending Agreement No. 10 to allow IESO:

- Elect to continue all or a portion of the principal and interest .
- The advancement period of 28 days up to 95 days will remain the same.
- Section 3.3 (2) new advances will change from 1 business day to two business days prior notice because advancements under the Borrowing Notice allow for two business days' notice.

Sorry for the inconvenience.

AND WHEREAS effective January 1, 2015, the OPA and the then existing Independent Electricity System Operator amalgamated and continued as a corporation without share capital under Part II of the *Electricity Act, 1998* with the name "Independent Electricity System Operator" **("IESO")**, and the obligations of the OPA became obligations of the IESO;

AND WHEREAS pursuant to the amending agreements dated February 14, 2005, October 11, 2005 (titled, "Amending Agreement No. 3"), September 27, 2006 (titled, "Amending Agreement No. 4"), July 13, 2007 (titled, "Amending Agreement No. 5"), November 9, 2010 (titled, "Amending Agreement No. 6"), December 20, 2013 (titled, "Amending Agreement No. 7"), December 19, 2014 (titled, "Amending Agreement No. 8") and November 30, 2016 (titled, "Amending Agreement No. 9"), the OPA or IESO (as applicable) and the OFA amended the Original Agreement (as so amended, the "**Credit Agreement",** the terms defined therein being used herein as therein defined);

AND WHEREAS the Parties have now agreed to: (i) at the request of the IESO, decrease the total principal amount available under the Credit Agreement from $975,000,000 to a total principal amount of up to $475,000,000; (ii) amend the use of proceeds under the Credit Agreement; and (iii) amend the Form of Election Notice and related provisions under the Credit Agreement;

AND WHEREAS pursuant to Section 7.3 of the Credit Agreement, the Credit Agreement may only be amended or otherwise modified by written agreement executed by the Parties.

THEREFORE, in consideration of the mutual covenants and agreements herein contained and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and subject to the terms and conditions hereafter set out, the Parties agree that:

1. The definition of "Advances" in Section 1.1 of the Credit Agreement is deleted and replaced by the following:

"**Advances**" means advances made by the OFA to the IESO under Article 3 and "Advance" means any one of such advances, and in the case of an election by the IESO under Section 3.3, includes a "Continued Advance", as defined in Section 3.3(1), as applicable."

   "The IESO shall use the proceeds of Advances for the purposes for which it is authorized to borrow funds pursuant to Regulation 280/14 made under the *Electricity Act, 1998*, as such regulation may be amended or replaced from time to time, provided that Advances may be used only for liquidity purposes."

5. Section 3.2 "Procedures for Advances" of the Credit Agreement is deleted in its entirety and replaced by the following:

   "(1) Subject to Section 3.3(5), each Advance shall be made subject to two Business Days' prior notice given not later than 10:00 a.m. (Toronto time) by the IESO to the OFA. Hello Victor,

As discussed, the extension date of the existing $475 million Revolving Credit Facility to align with the FHP Revolving Credit Facility will be deferred to a future amended and restated agreement. We have included minor edits. Please review and comment.

Thanks,

Hi Will – we have reviewed OFA's draft of Amendment #10 and only have a very few comments, which I have inserted in the attached for your review/consideration, mostly just addressing drafting inconsistencies and the like.

The one substantive proposal we would make is that the termination date for this $475MM revolving loan be extended beyond the current end-date of December 31, 2019 (as stipulated in Amending Agreement #9) to be aligned with the end-date of the FHP Credit Agreement which is

September 30 2022. If agreed, it would require minor amendments to sections 2.4 and 5.1(b) of the Agreement. FYI, such a change would be within the scope of the authorization provided by IESO's board resolution.

Let us know your thoughts on this.

Regards,

Victor

Subject: Draft Amending Agreement No. 10

Hello Anthony and Victor,

The Election for to roll-over a portion or all of the interest triggered a number of changes which includes updates to definitions, Section 3.2, 3.3, Schedules 1, 2 and 3.

Section 3.3(4) was added from the FHP Agreement, which addresses calculation of interest on a Continued Advance

> (4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the grid promissory note in respect of Advances in accordance with Section 3.2(2).

Reason for the scope of changes that have been added (this draft updates all of the Schedules to the Agreement and also aligns the language in the related sections of the Agreement).

Please review and comment.

Thanks,

Will

Hello gentleman,

I have been informed by a colleague that we are instructed by the deputy minister for us to pursue our minister to sign the directive for early next week.

As per Anthony's request, we making changes to the Amending Agreement No. 10 to allow IESO:

- Elect to continue all or a portion of the principal and interest .
- The advancement period of 28 days up to 95 days will remain the same.
- Section 3.3 (2) new advances will change from 1 business day to two business days prior notice because advancements under the Borrowing Notice allow for two business days' notice.

Sorry for the inconvenience.

Hello Anthony,
We have reviewed the grid note you provided and your observation is correct that you are provided with one line item with the consolidated total amount compared to the distinct separate the advances we originally understood.
Yes, we have access to a version of the grid note that separates the advances that is not provided to you, which caused the confusion.
Does the revised Section 3.3(2) and Schedule 2 (Form of Election Notice) still functional to you?
Thanks,

Hi,

Just for clarity. Below is an example of the OFA's regular email and grid notes (see attached) that the IESO receives each month directly from the OFA.

You will note that the grid notes shows one row and its respective aggregated amount for each month's advance (previous + new).

It was noted on yesterday's call that each respective advance has its own row and # of days updated in the grid note – in practice the IESO does not see this.

I assume there is an internal OFA grid document which provides each advance as segregate rows.

Victor and I are reviewing today's draft.

Regards.

Hi Ken,

From the start, the exemption had been the advocated path. I will keep this interception option open until the decision is made to pursue Minister's directive or when we have that directive signed. We can always walk away from this option.

Thanks,

John

Hi John

Based on a conversation with Gadi, any solution that continues with the intercept provision will most likely be unacceptable from OPG's perspective. They are concerned that despite the intercept being toothless on a practical basis it may send the wrong message to DBRS as it assess the credit-worthiness of the OFHP debt.

It appears that the only solution is have the Minister sign an exemption and we should focus on getting that in place.

Thanks

Hi Lisa and everyone,

Along with comments from Ken over the weekend, just circling everyone in on the latest information from TBS. Pls. advise if your assessment changes but to me, TBS appears to be advising that Green ON Fund is not IESO's operation expense/allocation but allocation from MOECC to Green ON Fund. Also, IESO staff have thus far signalled positively on the letter agreement. We are potentially looking about 2 days to conclude the process.

One caveat is that OPG is requesting that the trust be given first priority/security over all IESO assets. While the issue is still being discussed, if this is to proceed, the IESO will have to amend its current facilities. I would consider this almost as a separate issue in that if the scenario plays out, then we would need to look at and potentially open up all existing facilities.

The Green ON Fund…am I correct to think that this is also not part of IESO's operating expense/allocation? As for the items below (for Energy), it is a program expense facilitated through the IESO?

Sorry for the delay, had to dig in the email archives.
There is no IESO allocation in Printed Estimates. There is an OREC transfer payment. In the 17-18 PRRT workbook for OREC is the following:

- Electricity utilities are reimbursed by submitting and receiving claims which are netted against their other monthly transactions from the IESO, and the IESO

submits and receives one monthly amount from the Ontario Financing Authority on behalf of the Ministry of Energy – this process is streamlined and leverages an already existing reimbursement process, thereby minimizing costs.

The second attachment, email, contains the consolidation worksheet from OPCD. For IESO, I don't see any Transfer Payment flows in from the Province.

Hi Lisa and everyone,
Along with comments from Ken over the weekend, just circling everyone in on the latest information from TBS. Pls. advise if your assessment changes but to me, TBS appears to be advising that Green ON Fund is not IESO's operation expense/allocation but allocation from MOECC to Green ON Fund. Also, IESO staff have thus far signalled positively on the letter agreement. We are potentially looking about 2 days to conclude the process.
One caveat is that OPG is requesting that the trust be given first priority/security over all IESO assets. While the issue is still being discussed, if this is to proceed, the IESO will have to amend its current facilities. I would consider this almost as a separate issue in that if the scenario plays out, then we would need to look at and potentially open up all existing facilities.

There is no IESO allocation in Printed Estimates. There is an OREC transfer payment. In the 17-18 PRRT workbook for OREC is the following:

- Electricity utilities are reimbursed by submitting and receiving claims which are netted against their other monthly transactions from the IESO, and the IESO submits and receives one monthly amount from the Ontario Financing Authority on behalf of the Ministry of Energy – this process is streamlined and leverages an already existing reimbursement process, thereby minimizing costs.

The second attachment, email, contains the consolidation worksheet from OPCD. For IESO, I don't see any Transfer Payment flows in from the Province.

Hi Ken,
From the start, the exemption had been the advocated path. I will keep this interception option open until the decision is made to pursue Minister's directive or when we have that directive signed. We can always walk away from this option.

Thanks,

Hi John
Based on a conversation with Gadi, any solution that continues with the intercept provision will most likely be unacceptable from OPG's perspective. They are concerned that despite the intercept being toothless on a practical basis it may send the wrong message to DBRS as it assess the credit-worthiness of the OFHP debt.
It appears that the only solution is have the Minister sign an exemption and we should focus on getting that in place.
Thanks
Ken k

Ok, thanks….all along this group had recommended the exemption directive option. That said, my advice would be to leave both options open but pls. let us know. I have spoken to Ron as well and he is onside with either approach.

Hi Ken,
From the start, the exemption had been the advocated path. I will keep this interception option open until the decision is made to pursue Minister's directive or when we have that directive signed. We can always walk away from this option.

Thanks,

Hi John
Based on a conversation with Gadi, any solution that continues with the intercept provision will most likely be unacceptable from OPG's perspective. They are concerned that despite the intercept being toothless on a practical basis it may send the wrong message to DBRS as it assess the credit-worthiness of the OFHP debt.
It appears that the only solution is have the Minister sign an exemption and we should focus on getting that in place.
Thanks

Hi Lisa and everyone,
Along with comments from Ken over the weekend, just circling everyone in on the latest information from TBS. Pls. advise if your assessment changes but to me, TBS appears to be advising that Green ON Fund is not IESO's operation expense/allocation but allocation from MOECC to Green ON Fund. Also, IESO staff have thus far signalled positively on the letter agreement. We are potentially looking about 2 days to conclude the process.
One caveat is that OPG is requesting that the trust be given first priority/security over all IESO assets. While the issue is still being discussed, if this is to proceed, the IESO will have to amend its current facilities. I would consider this almost as a separate issue in that if the scenario plays out, then we would need to look at and potentially open up all existing facilities.

There is no IESO allocation in Printed Estimates. There is an OREC transfer payment. In the 17-18 PRRT workbook for OREC is the following:

- Electricity utilities are reimbursed by submitting and receiving claims which are netted against their other monthly transactions from the IESO, and the IESO submits and receives one monthly amount from the Ontario Financing Authority on behalf of the Ministry of Energy – this process is streamlined and leverages an already existing reimbursement process, thereby minimizing costs.

The second attachment, email, contains the consolidation worksheet from OPCD. For IESO, I don't see any Transfer Payment flows in from the Province.

Hello Mike,
As a follow up to our conversation on Friday regarding IESO intercept letter and possible pushback from OPG, it looks like there will need to be a re-think on the Ministerial Directive.
We'll keep you posted.
Thanks,

Hi John
Based on a conversation with Gadi, any solution that continues with the intercept provision will most likely be unacceptable from OPG's perspective. They are concerned that despite the intercept being toothless on a practical basis it may send the wrong message to DBRS as it assess the credit-worthiness of the OFHP debt.
It appears that the only solution is have the Minister sign an exemption and we should focus on getting that in place.
Thanks

Hi Lisa and everyone,
Along with comments from Ken over the weekend, just circling everyone in on the latest information from TBS. Pls. advise if your assessment changes but to me, TBS appears to be advising that Green ON Fund is not IESO's operation expense/allocation but allocation from MOECC to Green ON Fund. Also, IESO staff have thus far signalled positively on the letter agreement. We are potentially looking about 2 days to conclude the process.
One caveat is that OPG is requesting that the trust be given first priority/security over all IESO assets. While the issue is still being discussed, if this is to proceed, the IESO will have to amend its current facilities. I would consider this almost as a separate issue in that if the scenario plays out, then we would need to look at and potentially open up all existing facilities.

There is no IESO allocation in Printed Estimates. There is an OREC transfer payment. In the 17-18 PRRT workbook for OREC is the following:

- Electricity utilities are reimbursed by submitting and receiving claims which are netted against their other monthly transactions from the IESO, and the IESO submits and receives one monthly amount from the Ontario Financing Authority on behalf of the Ministry of Energy – this process is streamlined and leverages an already existing reimbursement process, thereby minimizing costs.

The second attachment, email, contains the consolidation worksheet from OPCD. For IESO, I don't see any Transfer Payment flows in from the Province.

Hi Ken,

From the start, the exemption had been the advocated path. I will keep this interception option open until the decision is made to pursue Minister's directive or when we have that directive signed. We can always walk away from this option.

Hi John

Based on a conversation with Gadi, any solution that continues with the intercept provision will most likely be unacceptable from OPG's perspective. They are concerned that despite the intercept being toothless on a practical basis it may send the wrong message to DBRS as it assess the credit-worthiness of the OFHP debt.

It appears that the only solution is have the Minister sign an exemption and we should focus on getting that in place.

Thanks

Hi Lisa and everyone,

Along with comments from Ken over the weekend, just circling everyone in on the latest information from TBS. Pls. advise if your assessment changes but to me, TBS appears to be advising that Green ON Fund is not IESO's operation expense/allocation but allocation from MOECC to Green ON Fund. Also, IESO staff have thus far signalled positively on the letter agreement. We are potentially looking about 2 days to conclude the process.

One caveat is that OPG is requesting that the trust be given first priority/security over all IESO assets. While the issue is still being discussed, if this is to proceed, the IESO will have to amend its current facilities. I would consider this almost as a separate issue in that if the scenario plays out, then we would need to look at and potentially open up all existing facilities.

John

Fyi
I called Anthony to clarify the following below.
It appears to be a total of $840 million (subject to change) with less than two weeks to go until October 18.

1. He seems open to the idea to providing a forecast and gave me the impression that it changes quite regularly and to be treated as an indication only.
2. He offered, Cash Management to reach out to him a week before the advancement and he could give a far more accurate figure compared to a month or months in advance.
3. The number on the borrowing notice and election notice is "pretty much" set in stone.
4. Advances will likely increase by $200 million to $300 million a month.
5. Local Distribution Company (LDC) LDC's: Toronto Hydro, Whitby Hydro Electric etc. Anthony gets his numbers from the LDC's.
   Numbers off by: $20 million very likely.
   $50 million somewhat likely
   $100 million not likely but can happen.

Next Notice to be sent on Oct 18 …and the OFA funds to be deposited Oct 20.
For Oct, I expect to borrow an addition $235 million plus the rollover of $605 million.
We do forecast our cash positions every day – the FHP cash will be primarily month-to-month, except on those months (maybe 3 times per year) when OPG trust buys from the IESO in which case it will be week-to-week.
Regards.

Hello Anthony,

Approximately how much would be required for the October advancement? Since the 21st falls on a Saturday, what day will you be sending the Election Notice and what day would the advancement occur?
Also, our Cash Management Department forecasts cash requirements on a day-to-day basis. Cash Management is inquiring about the frequency of the advances under the FHP program. For example: Does FHP require funds on a monthly basis?
Does IESO have cash forecasting information what it can share with Cash Management and on an ongoing basis?
Best regards,

Great, I think we are there too. I've made one further change to the definition of OFHP, adding in the full citation (see attached). If no one has any further comments, we will prepare an execution version (and make further formatting changes if required).

Thank you,

Lisa

Ok, I think we may be there on the FHP credit agreement. See attached.

I have accepted all changes and only made one minor change, that being to the definition of OFHP, which I conformed with the version of the definition in AA#10. That is the only track change you should find in this document.

FYI I also hit return and deleted spaces in a few places in an effort to regularize the formatting, but feel free to make further formatting changes as required.

Thanks Lisa – good catch.
Can I assume that, apart from that change, all the other changes are acceptable to OFA? I'd like to go through the Agreement accepting whatever tracked changes I can and see if anything is left of if it is now done.

Hi Victor,
Upon further review, I note an additional minor change to this agreement:
s. 3.3(2)(d) – please replace "ENERGY" with "the Ministry of Energy", as "ENERGY" is not a defined term in this agreement.
Thank you,
Lisa

Hello Victor,
Lisa is in a meeting until 3 p.m.., so I am forwarding our comments on the FHP agreement on her behalf.
We have made a minor change to section 3.2(3) - specifically, we deleted the language "and shall also be noted in the grid of the Grid Note" following "The amount of the Repayment Amount shall be detailed in the Borrowing Notice." This is because the Repayment Amount ($825M) is not the first entry on the FHP Grid; the first entry will be for the entire advance of approximately $1B ($825M + new funds). Anthony and Will just had a call to discuss the particulars of what the various grid notes under the existing facility and new facility will be on November 21st (including partial repayment of the outstanding $840M loan) and Anthony will be circulating an e-mail summarizing that conversation. The Effective Date of the amending agreement to reduce the existing facility will also be November 21st, not November 22nd.
In terms of the intercept letter, we cannot amend the opening paragraph as the OFA Lending Policy

requirement is that this agreement must be in place “prior to entering into a loan agreement….”. It looks, in practice, that the intercept letter will be executed prior to these two facility agreements, so we surmise this would not be an issue.
We received your most recent draft of the amending agreement. Lisa will be able to review once she is out of her meeting, after 3 p.m.
Thanks,
Sarah

Following our conference call this afternoon, please find attached a revised draft of the FHP Credit Facility. Main changes are to s.3.2(3) and to the Intercept provision. See also minor tweaks to the new Entire Agreement Clause (s.7.8) and to the Form of Grid Note (Schedule 3). Other than for s. 3.2(3), I accepted all of your changes so any changes you see are mine.
Anthony has not had a chance to review this so he may have comments, though I am hoping this is pretty closely in keeping with our discussions.
Regarding the Intercept Letter, could you please consider amending the opening to the third paragraph to read: “Prior to or concurrent with entering into a loan agreement with the IESO for the New Credit Facility…”
Comments on AA#10 to follow tomorrow morning.

Victor

Hi Victor,
Please find attached the latest black-lined version of the FHP Credit Facility Agreement. In this version, we have made some additional amendments to section 5.7 (Intercept) and section 7.8 (Entire Agreement). We have also added a new sub-section – 3.2(3) to address the IESO’s repayment of a portion of the existing credit facility using the first advance. Minor amendments were also made to the Definitions section and the heading in section 4.1.
Please let us know if you have any further comments or if you would like to discuss further. If you are satisfied with this version, we will prepare an execution version and also send over AA#10 for your review.
Thank you,

The IESO is not entitled to prepay any part of the Advances Outstanding or the interest accrued thereon without the prior written consent of the OFA.

Section 2.6 Payments under this Agreement.

(1) The OFA shall make Advances to the IESO under this Agreement to or to the order of the IESO by wire transfer of immediately available funds in accordance with wire transfer instructions given by the IESO to the OFA from time to time, or in such other manner as the IESO may specify to the OFA from time to time.

(2) The IESO shall make any payment required hereunder to be made by it to the OFA, to or to the order of the OFA, by wire transfer of immediately available funds in accordance with wire transfer instruction given by the OFA to the IESO from time to time, or in such other manner as the OFA may specify to the IESO from time to time. The IESO shall make each such payment in Canadian Dollars.

Section 2.7 Computations of Interest.

(1) All computations of interest shall be made by the OFA taking into account the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest is payable on the basis of a year of 365 days or 366 days, as the case may be.

(2) For the purposes of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest which is equivalent to a rate of interest payable under this Agreement for any period of less than a year may be determined by multiplying the rate of interest for such period by a fraction, the numerator of which is the actual number of days in a year commencing on and including the first day in such period and ending on but excluding the corresponding day in the next calendar year and the denominator of which is the actual number of days in such period.

Section 2.8 Limit on Rate of Interest.

(1) Notwithstanding any provision contained in this Agreement, the IESO shall not be obliged to make any payments of interest or other amounts payable to the OFA hereunder in excess of the amount or rate which would be prohibited by applicable law or would result in the receipt by the OFA of interest at a criminal rate (as such terms are construed under the *Criminal Code* (Canada)).

(2) In the event that any such payments are limited or prohibited as provided in Section 2.8(1), the OFA shall have no further obligation to make any Advances available hereunder and the Advances Outstanding, together with all accrued interest and all other amounts owing hereunder, shall become immediately due and payable.

Section 2.9 Application of Payments.

All payments made by the IESO under this Agreement shall be applied firstly to the payment of interest payable to the OFA on late payments of principal or interest hereunder, secondly, to the payment of accrued and unpaid interest payable to the OFA hereunder and thirdly, to the payment of the outstanding principal amount of any Advances payable to the OFA.

ARTICLE 3
ADVANCES

Section 3.1 Advances.

The OFA agrees, on the terms and conditions of this Agreement, to make Advances to the IESO under the Credit Facility from time to time on any Business Day prior to September 23, 2022.

Section 3.2 Procedure for Advances.

(1) Subject to Section 3.3(5), each Advance shall be made subject to two Business Days' prior notice given not later than 10:00 a.m. (Toronto time) by the IESO to the OFA. Each notice of an Advance (a "**Borrowing Notice**") shall be substantially in the form of Schedule 1, other than a Borrowing Notice that is included in an Election Notice as permitted by Section 3.3(3). Each Borrowing Notice shall be irrevocable and binding on the IESO and shall specify (a) the requested date of the Advance; (b) the principal amount of the Advance, and (c) the Repayment Date of the Advance which shall not be earlier than 5 days and not later than 95 days after the date of the requested Advance. Each Borrowing Notice shall also certify the use of proceeds of the Advance which shall in any case be in accordance with Section 2.2. The OFA will make the principal amount of each Advance available to the IESO in accordance with Article 2.

(2) On or before the date of the first Advance hereunder, the IESO shall execute and deliver to the OFA a grid promissory note in respect of Advances substantially in the form of Schedule 3 (the "**Grid Note**"). The IESO authorizes the OFA to record on the Grid Note (a) the date and amount of each Advance or Continued Advance; (b) the applicable rate of interest for each Advance or Continued Advance; (c) the Repayment Date of each Advance or Continued Advance; (d) the date and amount of each payment of interest and each payment of principal or portion thereof in respect of each Advance or Continued Advance; and (e) Advances Outstanding. Such notations, in the absence of manifest error, shall be *prima facie* evidence of such Advances and repayments; provided that the failure of the OFA to record any amount, rate or date shall not affect the obligation of the IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement.

(3) Respecting the first Advance to be made under this Agreement (the "**First Advance**"), a specified portion thereof (the "**Repayment Amount**") shall be used to repay a portion of the IESO's outstanding indebtedness to the OFA under the credit agreement between the Parties dated January 1, 2005, as amended (the "**Existing Credit Facility**"). The amount of the Repayment Amount shall be detailed in the Borrowing Notice issued in respect of the First Advance. Concurrently with the First Advance, OFA shall provide to IESO an updated grid in respect of the grid note issued under the Existing Credit Facility evidencing the repayment of the Repayment Amount thereunder.

Section 3.3 Elections Regarding Advances.

(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 5 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

(2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than

10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 5 days and not later than 95 days after the current Repayment Date (the "**New Repayment Date"**). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the Grid Note in accordance with Section 3.2(2).

(5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date.

(6) The Credit Facility shall at all times rank *pari passu* with all other unsubordinated and unsecured Indebtedness of the IESO, subject to the existence of any Liens that secure Indebtedness, as permitted by subections 4.6 (a) through (e) hereof.

(7) All amounts owing in respect of the Advances shall be paid without exercising any right of set off or counterclaim by the IESO.

Section 3.4 Interest on Advances.

(1) The IESO shall pay interest on the unpaid principal amount of each Advance in accordance with this Section 3.4 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the Repayment Date of such Advance, at an annual rate equal to the Province of Ontario's cost of funds for borrowings with a similar term as determined by the OFA plus 0.25 percent per annum, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after Default and shall be payable on the Repayment Date for such Advance. Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the

OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

Section 3.5 Conditions Precedent

The obligation of the OFA to make the Advances to the IESO pursuant to Section 2.1 is subject to the following conditions being satisfied to the OFA's satisfaction at the time of making each Advance:

(a) that the representations and warranties of the IESO contained in this Agreement are true and correct as at the date of making the Advance;

(b) that no Event of Default has occurred and is continuing;

(c) that there shall, in the reasonable opinion of the OFA, have been no material adverse change in the financial condition of the IESO or a Material Subsidiary; and

(d) that the OFA has received such other documentation which it has reasonably requested to ensure that the IESO is in compliance with the terms and conditions of this Agreement, including certified true copies of any necessary resolutions, a written legal opinion from counsel to the IESO confirming that the borrowing is within the legal powers of the IESO and that the Agreement is a direct, unsecured obligation of the IESO enforceable against the IESO in form satisfactory to the OFA.

(c) The IESO agrees that any notice from the OFA to the Minister of Finance in relation to this section 5.7 (Intercept) may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance and, upon receipt of such notice, an amount equal to the amount that the IESO has failed to pay when due to the OFA on account of indebtedness under this Agreement shall be deducted from the Appropriated Funds and paid to the OFA.

(d) For further certainty, the OFA acknowledges and agrees that the Intercept as provided for herein and in the Intercept Letter shall not apply with respect to any funds appropriated by the Legislature for payment to the IESO through ministries other than the Ministry of Energy or through Ontario Climate Change Solutions Deployment Corporation.

(e) The parties agree that, with respect to the exercise of the Intercept generally, the terms of this section 5.7 shall be applied consistently with the terms set out in the Intercept Letter which shall apply in full. Notwithstanding the foregoing, in the event of a conflict or

inconsistency between the terms and conditions of the Intercept Letter and the terms and conditions contained in this Agreement, the terms and conditions contained in this Agreement shall prevail.

Hi Toby,

What are your thoughts on the IESO's amendment to s. 3.2(3)? I believe it reflects the discussion from our conference call yesterday.

In terms of the intercept letter, we cannot amend the opening paragraph as the OFA Lending Policy requirement is that this agreement must be in place "prior to entering into a loan agreement….". Subject to any comments from documentation and CEFD, I am okay with the IESO's other proposed amendments.

Following our conference call this afternoon, please find attached a revised draft of the FHP Credit Facility. Main changes are to s.3.2(3) and to the Intercept provision. See also minor tweaks to the new Entire Agreement Clause (s.7.8) and to the Form of Grid Note (Schedule 3). Other than for s. 3.2(3), I accepted all of your changes so any changes you see are mine.

Anthony has not had a chance to review this so he may have comments, though I am hoping this is pretty closely in keeping with our discussions.

Regarding the Intercept Letter, could you please consider amending the opening to the third paragraph to read: "Prior to or concurrent with entering into a loan agreement with the IESO for the New Credit Facility…"

Comments on AA#10 to follow tomorrow morning.

Victor

Hi Victor,

Please find attached the latest black-lined version of the FHP Credit Facility Agreement. In this version, we have made some additional amendments to section 5.7 (Intercept) and section 7.8 (Entire Agreement). We have also added a new sub-section – 3.2(3) to address the IESO's repayment of a portion of the existing credit facility using the first advance. Minor amendments were also made to the Definitions section and the heading in section 4.1.

Please let us know if you have any further comments or if you would like to discuss further. If you are satisfied with this version, we will prepare an execution version and also send over AA#10 for your review.

Thank you,

Lisa

The IESO shall use the proceeds of Advances for the purposes for which it is authorized to borrow funds pursuant to Regulation 280/14 made under the *Electricity Act, 1998*, as such regulation may be amended or replaced from time to time, subject to the condition that proceeds of Advances may be used only for IESO's financing needs and requirements of any kind arising in connection with the IESO's role with respect to and obligations under the OFHP.

Section 2.3 Credit Facility Limit.

Section 2.8 Limit on Rate of Interest.

(1) Notwithstanding any provision contained in this Agreement, the IESO shall not be obliged to make any payments of interest or other amounts payable to the OFA hereunder in excess of the amount or rate which would be prohibited by applicable law or would result in the receipt by the OFA of interest at a criminal rate (as such terms are construed under the *Criminal Code* (Canada)).

(2) In the event that any such payments are limited or prohibited as provided in Section 2.8(1), the OFA shall have no further obligation to make any Advances available hereunder and the Advances Outstanding, together with all accrued interest and all other amounts owing hereunder, shall become immediately due and payable.

Each notice of an Advance (a "**Borrowing Notice**") shall be substantially in the form of Schedule 1, other than a Borrowing Notice that is included in an Election Notice as permitted by Section 3.3(3). Each Borrowing Notice shall be irrevocable and binding on the IESO and shall specify (a) the requested date of the Advance; (b) the principal amount of the Advance, and (c) the Repayment Date of the Advance which shall not be earlier than 5 days and not later than 95 days after the date of the requested Advance. Each Borrowing Notice shall also certify the use of proceeds of the Advance which shall in any case be in accordance with Section 2.2. The OFA will make the principal amount of each Advance available to the IESO in accordance with Article 2.

Section 3.3 Elections Regarding Advances.

(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 5 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

(2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than 10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 5 days and not later than 95 days after the current Repayment Date (the "**New Repayment Date"**). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the Grid Note in accordance with Section 3.2(2).

(5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date.

(6) The Credit Facility shall at all times rank *pari passu* with all other unsubordinated and unsecured Indebtedness of the IESO, subject to the existence of any Liens that secure Indebtedness, as permitted by subections 4.6 (a) through (e) hereof.

(7) All amounts owing in respect of the Advances shall be paid without exercising any right of set off or counterclaim by the IESO.

Section 3.4 Interest on Advances.

(1) The IESO shall pay interest on the unpaid principal amount of each Advance in accordance with this Section 3.4 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the Repayment Date of such Advance, at an annual rate equal to the Province of Ontario's cost of funds for borrowings with a similar term as determined by the OFA plus 0.25 percent per annum, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after Default and shall be payable on the Repayment Date for such Advance. Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

Section 3.5 Conditions Precedent

The obligation of the OFA to make the Advances to the IESO pursuant to Section 2.1 is subject to the following conditions being satisfied to the OFA's satisfaction at the time of making each Advance:

Hi Toby,

What are your thoughts on the IESO's amendment to s. 3.2(3)? I believe it reflects the discussion from our conference call yesterday.

In terms of the intercept letter, we cannot amend the opening paragraph as the OFA Lending Policy requirement is that this agreement must be in place "prior to entering into a loan agreement….". Subject to any comments from documentation and CEFD, I am okay with the IESO's other proposed amendments.

Following our conference call this afternoon, please find attached a revised draft of the FHP Credit Facility. Main changes are to s.3.2(3) and to the Intercept provision. See also minor tweaks to the new Entire Agreement Clause (s.7.8) and to the Form of Grid Note (Schedule 3). Other than for s. 3.2(3), I accepted all of your changes so any changes you see are mine.

Anthony has not had a chance to review this so he may have comments, though I am hoping this is pretty closely in keeping with our discussions.

Regarding the Intercept Letter, could you please consider amending the opening to the third paragraph to read: "Prior to or concurrent with entering into a loan agreement with the IESO for the New Credit Facility…"

Comments on AA#10 to follow tomorrow morning.

Regards,

Victor

Hi Victor,

Please find attached the latest black-lined version of the FHP Credit Facility Agreement. In this version, we have made some additional amendments to section 5.7 (Intercept) and section 7.8 (Entire Agreement). We have also added a new sub-section – 3.2(3) to address the IESO's repayment of a portion of the existing credit facility using the first advance. Minor amendments were also made to the Definitions section and the heading in section 4.1.

Please let us know if you have any further comments or if you would like to discuss further. If you are satisfied with this version, we will prepare an execution version and also send over AA#10 for your review.

Thank you,

Lisa

The IESO shall use the proceeds of Advances for the purposes for which it is authorized to borrow funds pursuant to Regulation 280/14 made under the *Electricity Act, 1998*, as such regulation may be amended or replaced from time to time, subject to the condition that proceeds of Advances may be used only for IESO's financing needs and requirements of any kind arising in connection with the IESO's role with respect to and obligations under the OFHP.

Section 2.3 Credit Facility Limit.

(1) All computations of interest shall be made by the OFA taking into account the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest is payable on the basis of a year of 365 days or 366 days, as the case may be.

(2) For the purposes of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest which is equivalent to a rate of interest payable under this Agreement for any period of less than a year may be determined by multiplying the rate of interest for such period by a fraction, the numerator of which is the actual number of days in a year commencing on and including the first day in such period and ending on but excluding the corresponding day in the next calendar year and the denominator of which is the actual number of days in such period.

Section 2.8 Limit on Rate of Interest.

(2) In the event that any such payments are limited or prohibited as provided in Section 2.8(1), the OFA shall have no further obligation to make any Advances available hereunder and the Advances Outstanding, together with all accrued interest and all other amounts owing hereunder, shall become immediately due and payable.

Each Borrowing Notice shall be irrevocable and binding on the IESO and shall specify (a) the requested date of the Advance; (b) the principal amount of the Advance, and (c) the Repayment Date of the Advance which shall not be earlier than 5 days and not later than 95 days after the date of the requested Advance. Each Borrowing Notice shall also certify the use of proceeds of the Advance which shall in any case be in accordance with Section 2.2. The OFA will make the principal amount of each Advance available to the IESO in accordance with Article 2.

(2) On or before the date of the first Advance hereunder, the IESO shall execute and deliver to the OFA a grid promissory note in respect of Advances substantially in the form of Schedule 3 (the "**Grid Note**"). Such notations, in the absence of manifest error, shall be *prima facie* evidence of such Advances and repayments; provided that the failure of the OFA to record any amount, rate or date shall not affect the obligation of the IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement.

(3) ~~For the purposes of~~Respecting the first Advance to be made under this Agreement (the "**First Advance**"), ~~the purpose of which shall include the repayment of a~~ specified portion thereof (the "**Repayment Amount**") shall be used to repay a portion of the IESO's outstanding indebtedness to the OFA under the c~~C~~redit a~~A~~greement between the Parties dated January 1, 2005, as amended~~,~~ (the "**Existing Credit Facility**"). Section 3.3 Elections Regarding Advances.

(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 5 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

(2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than 10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 5 days and not later than 95 days after the current Repayment Date (the "**New Repayment Date"**). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the Grid Note in accordance with Section 3.2(2).

(5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date.

(6) The Credit Facility shall at all times rank *pari passu* with all other unsubordinated and unsecured Indebtedness of the IESO, subject to the existence of any Liens that secure Indebtedness, as permitted by subections 4.6 (a) through (e) hereof.

(7) All amounts owing in respect of the Advances shall be paid without exercising any right of set off or counterclaim by the IESO.

Section 3.4 Interest on Advances.

(1) The IESO shall pay interest on the unpaid principal amount of each Advance in accordance with this Section 3.4 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the Repayment Date of such Advance, at an annual rate equal to the Province of Ontario's cost of funds for borrowings with a similar term as determined by the OFA plus 0.25 percent per annum, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after Default and shall be payable on the Repayment Date for such Advance. Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

Section 3.5 Conditions Precedent

The obligation of the OFA to make the Advances to the IESO pursuant to Section 2.1 is subject to the following conditions being satisfied to the OFA's satisfaction at the time of making each Advance:

(a) that the representations and warranties of the IESO contained in this Agreement are true and correct as at the date of making the Advance;

(b) that no Event of Default has occurred and is continuing;

(c) that there shall, in the reasonable opinion of the OFA, have been no material adverse change in the financial condition of the IESO or a Material Subsidiary; and

Section 5.4 OFA May File Proof of Claim.

If proceedings for the receivership, insolvency, liquidation, bankruptcy, winding-up, reorganization, arrangement or composition of the IESO under any applicable law are pending, or if a receiver, trustee, custodian or other similar official shall have been appointed for the property of the IESO, or if any other judicial proceedings relative to the IESO, its creditors or its property are pending, the OFA shall be entitled and empowered, by intention in such proceeding or otherwise:

Section 5.6 Delay or Omission not Waiver.

No delay or omission of the OFA to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right or remedy given by this Article 5 or by law to OFA may be exercised from time to time, and as often as may be deemed expedient, by the OFA.

Section 5.7 Intercept

Hi Toby,

What are your thoughts on the IESO's amendment to s. 3.2(3)? I believe it reflects the discussion from our conference call yesterday.

In terms of the intercept letter, we cannot amend the opening paragraph as the OFA Lending Policy requirement is that this agreement must be in place "prior to entering into a loan agreement….". Subject to any comments from documentation and CEFD, I am okay with the IESO's other proposed amendments.

Following our conference call this afternoon, please find attached a revised draft of the FHP Credit Facility. Main changes are to s.3.2(3) and to the Intercept provision. See also minor tweaks to the new Entire Agreement Clause (s.7.8) and to the Form of Grid Note (Schedule 3). Other than for s. 3.2(3), I accepted all of your changes so any changes you see are mine.

Anthony has not had a chance to review this so he may have comments, though I am hoping this is pretty closely in keeping with our discussions.

Regarding the Intercept Letter, could you please consider amending the opening to the third paragraph to read: "Prior to or concurrent with entering into a loan agreement with the IESO for the New Credit Facility…"

Comments on AA#10 to follow tomorrow morning.

Victor

(2) In the event that any such payments are limited or prohibited as provided in Section 2.8(1), the OFA shall have no further obligation to make any Advances available hereunder and the Advances Outstanding, together with all accrued interest and all other amounts owing hereunder, shall become immediately due and payable.

(2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than 10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 5 days and not later than 95 days after the current Repayment Date (the "**New Repayment Date"**). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the Grid Note in accordance with Section 3.2(2).

Section 3.4 Interest on Advances.

(1) The IESO shall pay interest on the unpaid principal amount of each Advance in accordance with this Section 3.4 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the Repayment Date of such Advance, at an annual rate equal to the Province of Ontario's cost of funds for borrowings with a similar term as determined by the OFA plus 0.25 percent per annum, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after Default and shall be payable on the Repayment Date for such Advance. Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

Section 3.5 Conditions Precedent

The obligation of the OFA to make the Advances to the IESO pursuant to Section 2.1 is subject to the following conditions being satisfied to the OFA's satisfaction at the time of making each Advance:

Section 5.2 Acceleration of Maturity; Rescission and Annulment.

If an Event of Default occurs and is continuing, then and in every such case the OFA may at its option, in addition to any other remedy available to the OFA at law, by written notice to the IESO, take any or all of the following actions:

(a) suspend the right of the IESO to request any further Advance until the Event of Default has been cured to the OFA's satisfaction or, if the Event of Default is not cured within three (3) Business Days after the date on which written notice of such Event of Default shall have been given to the IESO by the OFA, declare all amounts owing hereunder including all interest accrued to be due and payable immediately, by a notice in writing to the IESO, and upon any such declaration all such amounts shall become immediately due and payable.

(b) invoke the Intercept pursuant to section 5.7 of this Agreement to require payment of any amount due and payable under this Agreement.

Section 5.3 Suits for Enforcement by the OFA.

If an Event of Default occurs and is continuing, the OFA may proceed to protect and enforce the rights vested in it by this Agreement either by suit in equity or by action at law or by proceedings in bankruptcy or otherwise, whether for the specific enforcement of any covenant or agreement contained in this Agreement or in aid of the exercise of any power granted in this Agreement, or to enforce any other legal or equitable right vested in the OFA by this Agreement or by law.

Section 5.4 OFA May File Proof of Claim.

The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.6 Delay or Omission not Waiver.

No delay or omission of the OFA to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right or remedy given by this Article 5 or by law to OFA may be exercised from time to time, and as often as may be deemed expedient, by the OFA.

Section 5.7 Intercept

(a) The IESO hereby acknowledges that, in accordance with the terms of the letter agreement of even date herewith entered between the Ministry of Energy, the IESO and the OFA made pursuant to Section 23 of the *Capital Investment Plan Act, 1993* (the "**Intercept Letter**"), the Minister of Finance is entitled to deduct only from those monies appropriated by the Legislature for payment through the Ministry of Energy to the IESO ("**Appropriated Funds**"), amounts equal to any amounts that the IESO fails to pay to the OFA on account of indebtedness under this Agreement. (b) If, after following the process specified in the Intercept Letter (including, without limitation, allowing for a reasonable cure period on the terms specified therein), the OFA determines that it is necessary to request the Minister of Finance to exercise the Intercept, the OFA will give written notice to the Minister of Finance, with a copy to the Ministry of Energy, detailing the IESO's failure to pay when due any amounts owing hereunder

Hi Toby,

What are your thoughts on the IESO's amendment to s. 3.2(3)? I believe it reflects the discussion from our conference call yesterday.

In terms of the intercept letter, we cannot amend the opening paragraph as the OFA Lending Policy requirement is that this agreement must be in place "prior to entering into a loan agreement….". Subject to any comments from documentation and CEFD, I am okay with the IESO's other proposed amendments.

Following our conference call this afternoon, please find attached a revised draft of the FHP Credit Facility. Main changes are to s.3.2(3) and to the Intercept provision. See also minor tweaks to the new Entire Agreement Clause (s.7.8) and to the Form of Grid Note (Schedule 3). Other than for s. 3.2(3), I accepted all of your changes so any changes you see are mine.

Anthony has not had a chance to review this so he may have comments, though I am hoping this is pretty closely in keeping with our discussions.

Regarding the Intercept Letter, could you please consider amending the opening to the third paragraph to read: "Prior to or concurrent with entering into a loan agreement with the IESO for the New Credit Facility…"

Comments on AA#10 to follow tomorrow morning.

Victor

In this version, we have made some additional amendments to section 5.7 (Intercept) and section 7.8 (Entire Agreement). We have also added a new sub-section – 3.2(3) to address the IESO's repayment of a portion of the existing credit facility using the first advance. Minor amendments were also made to the Definitions section and the heading in section 4.1.

Please let us know if you have any further comments or if you would like to discuss further. If you are satisfied with this version, we will prepare an execution version and also send over AA#10 for your review.

Each such Election Notice shall be given substantially in the form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 5 days and not later than 95 days after the current Repayment Date (the "**New Repayment Date"**). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

We have also added a new sub-section – 3.2(3) to address the IESO's repayment of a portion of the existing credit facility using the first advance. Minor amendments were also made to the Definitions section and the heading in section 4.1.

Please let us know if you have any further comments or if you would like to discuss further. If you are satisfied with this version, we will prepare an execution version and also send over AA#10 for your review.

Section 3.1 Advances.

The OFA agrees, on the terms and conditions of this Agreement, to make Advances to the IESO under the Credit Facility from time to time on any Business Day prior to September 23, 2022.

(3) For the purposes of the first Advance to be made under this Agreement (the "**First Advance**"), the purpose of which shall include the repayment of a portion of the IESO's outstanding indebtedness to the OFA under the [Credit Agreement between the Parties dated January 1, 2005, as amended, (the "**Existing Credit Facility**"), the IESO and the OFA agree that a specified portion of the entry of the First Advance on the Grid Note, as indicated in the Borrowing Notice, shall constitute a repayment under the Existing Credit Facility.

(2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than 10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 5 days and not later than 95 days after the current Repayment Date (the "**New Repayment Date"**). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the Grid Note in accordance with Section 3.2(2).

Section 3.4 Interest on Advances.

(1) The IESO shall pay interest on the unpaid principal amount of each Advance in accordance with this Section 3.4 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the Repayment Date of such Advance, at an annual rate equal to the Province of Ontario's cost of funds for borrowings with a similar term as determined by the OFA plus 0.25 percent per annum, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after Default and shall be payable on the Repayment Date for such Advance. Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

Hi Victor,

Please find attached the latest black-lined version of the FHP Credit Facility Agreement. In this version, we have made some additional amendments to section 5.7 (Intercept) and section 7.8 (Entire Agreement). We have also added a new sub-section – 3.2(3) to address the IESO's repayment of a portion of the existing credit facility using the first advance. Minor amendments were also made to the Definitions section and the heading in section 4.1.

Please let us know if you have any further comments or if you would like to discuss further. If you are satisfied with this version, we will prepare an execution version and also send over AA#10 for your review.

Thank you,

Lisa

(3) For the purposes of the first Advance to be made under this Agreement (the "**First Advance**"), the purpose of which shall include the repayment of a portion of the IESO's outstanding indebtedness to the OFA under the [Credit Agreement between the Parties dated January 1, 2005, as amended, (the "**Existing Credit Facility**"), the IESO and the OFA agree that a specified portion of the entry of the First Advance on the Grid Note, as indicated in the Borrowing Notice, shall constitute a repayment under the Existing Credit Facility.

(2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than 10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 5 days and not later than 95 days after the current Repayment Date (the "**New Repayment Date"**). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the Grid Note in accordance with Section 3.2(2).

(5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date.

Section 3.4 Interest on Advances.

(1) The IESO shall pay interest on the unpaid principal amount of each Advance in accordance with this Section 3.4 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the Repayment Date of such Advance, at an annual rate equal to the Province of Ontario's cost of funds for borrowings with a similar term as determined by the OFA plus 0.25 percent per annum, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after Default and shall be payable on the Repayment Date for such Advance. Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

Hi Sarah,

I don't believe "Existing Credit Facility" defined term in the definition section.

Also, do we need to reference the existing Grid Note and existing Borrowing Notice to differentiate between the new Grid Note and new Borrowing Notice?

> (1) For the purposes of the first Advance to be made under this Agreement (the "**First Advance**"), the purpose of which shall include the repayment of a portion of the IESO's outstanding indebtedness to the OFA under the [Credit Agreement between the Parties dated January 1, 2005, as amended, (the "**Existing Credit Facility**"), the IESO and the OFA agree that a specified portion of the entry of the First Advance on the Grid Note, as indicated in the Borrowing Notice, shall constitute a repayment under the Existing Credit Facility.

No other comments.

Hi Victor,

Please find attached the latest black-lined version of the FHP Credit Facility Agreement. In this version, we have made some additional amendments to section 5.7 (Intercept) and section 7.8 (Entire Agreement). We have also added a new sub-section – 3.2(3) to address the IESO's repayment of a portion of the existing credit facility using the first advance. Minor amendments were also made to the Definitions section and the heading in section 4.1.

Please let us know if you have any further comments or if you would like to discuss further. If you are satisfied with this version, we will prepare an execution version and also send over AA#10 for your review.

Hi Sarah,

I don't believe "Existing Credit Facility" defined term in the definition section.

Also, do we need to reference the existing Grid Note and existing Borrowing Notice to differentiate between the new Grid Note and new Borrowing Notice?

> (1) For the purposes of the first Advance to be made under this Agreement (the "**First Advance**"), the purpose of which shall include the repayment of a portion of the IESO's outstanding indebtedness to the OFA under the [Credit Agreement between the Parties dated January 1, 2005, as amended, (the "**Existing Credit Facility**"), the IESO and the OFA agree that a specified portion of the entry of the First Advance on the Grid Note, as indicated in the Borrowing Notice, shall constitute a repayment under the Existing Credit Facility.

No other comments.

Hi Victor,

Please find attached the latest black-lined version of the FHP Credit Facility Agreement. In this version, we have made some additional amendments to section 5.7 (Intercept) and section 7.8 (Entire Agreement). We have also added a new sub-section – 3.2(3) to address the IESO's repayment of a portion of the existing credit facility using the first advance. Minor amendments were also made to the Definitions section and the heading in section 4.1.

Please let us know if you have any further comments or if you would like to discuss further. If you are satisfied with this version, we will prepare an execution version and also send over AA#10 for your review.

Thank you,

(1) The OFA shall make Advances to the IESO under this Agreement to or to the order of the IESO by wire transfer of immediately available funds in accordance with wire transfer instructions given by the IESO to the OFA from time to time, or in such other manner as the IESO may specify to the OFA from time to time.

(2) The IESO shall make any payment required hereunder to be made by it to the OFA, to or to the order of the OFA, by wire transfer of immediately available funds in accordance with wire transfer instruction given by the OFA to the IESO from time to time, or in such other manner as the OFA may specify to the IESO from time to time. The IESO shall make each such payment in Canadian Dollars.

Section 2.7 Computations of Interest.

(1) All computations of interest shall be made by the OFA taking into account the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest is payable on the basis of a year of 365 days or 366 days, as the case may be.

(2) For the purposes of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest which is equivalent to a rate of interest payable under this Agreement for any period of less than a year may be determined by multiplying the rate of interest for such period by a fraction, the numerator of which is the actual number of days in a year commencing on and including the first day in such period and ending on but excluding the corresponding day in the next calendar year and the denominator of which is the actual number of days in such period.

Section 2.8 Limit on Rate of Interest.

(1) Notwithstanding any provision contained in this Agreement, the IESO shall not be obliged to make any payments of interest or other amounts payable to the OFA hereunder in excess of the amount or rate which would be prohibited by applicable law or would result in the receipt by the OFA of interest at a criminal rate (as such terms are construed under the *Criminal Code* (Canada)).

(2) In the event that any such payments are limited or prohibited as provided in Section 2.8(1), the OFA shall have no further obligation to make any Advances available hereunder and the Advances Outstanding, together with all accrued interest and all other amounts owing hereunder, shall become immediately due and payable.

Section 2.9 Application of Payments.

All payments made by the IESO under this Agreement shall be applied firstly to the payment of interest payable to the OFA on late payments of principal or interest hereunder, secondly, to the payment of accrued and unpaid interest payable to the OFA hereunder and thirdly, to the payment of the outstanding principal amount of any Advances payable to the OFA.

ARTICLE 3
ADVANCES

Section 3.1 Advances.

The OFA agrees, on the terms and conditions of this Agreement, to make Advances to the IESO under the Credit Facility from time to time on any Business Day prior to September 23, 2022.

(1) Subject to Section 3.3(5), each Advance shall be made subject to two Business Days' prior notice given not later than 10:00 a.m. (Toronto time) by the IESO to the OFA. Such notations, in the absence of manifest error, shall be *prima facie* evidence of such Advances and repayments; provided that the failure of the OFA to record any amount, rate or date shall not affect the obligation of the IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement.

(3) For the purposes of the first Advance to be made under this Agreement (the "**First Advance**"), the purpose of which shall include the repayment of a portion of the IESO's outstanding indebtedness to the OFA under the [Credit Agreement between the Parties dated January 1, 2005, as amended, (the "**Existing Credit Facility**"), the IESO and the OFA agree that a specified portion of the entry of the First Advance on the Grid Note, as indicated in the Borrowing Notice, shall constitute a repayment under the Existing Credit Facility.

(2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than 10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 5 days and not later than 95 days after the current Repayment Date (the "**New Repayment Date"**). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the Grid Note in accordance with Section 3.2(2).

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the Repayment Date of such Advance, at an annual rate equal to the Province of Ontario's cost of funds for borrowings with a similar term as determined by the OFA plus 0.25 percent per annum, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after Default and shall be payable on the Repayment Date for such Advance. Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

Great, I think we are there too. I've made one further change to the definition of OFHP, adding in the full citation (see attached). If no one has any further comments, we will prepare an execution version (and make further formatting changes if required).

Thank you,

Lisa

Ok, I think we may be there on the FHP credit agreement. See attached.

I have accepted all changes and only made one minor change, that being to the definition of OFHP, which I conformed with the version of the definition in AA#10. That is the only track change you should find in this document.

FYI I also hit return and deleted spaces in a few places in an effort to regularize the formatting, but feel free to make further formatting changes as required.

Thanks Lisa – good catch.

Can I assume that, apart from that change, all the other changes are acceptable to OFA? I'd like to go through the Agreement accepting whatever tracked changes I can and see if anything is left of if it is now done.

Hi Victor,

Upon further review, I note an additional minor change to this agreement:

s. 3.3(2)(d) – please replace "ENERGY" with "the Ministry of Energy", as "ENERGY" is not a defined term in this agreement.

Thank you,

Lisa

Hello Victor,

Lisa is in a meeting until 3 p.m.., so I am forwarding our comments on the FHP agreement on her behalf.

We have made a minor change to section 3.2(3) - specifically, we deleted the language "and shall also be noted in the grid of the Grid Note" following "The amount of the Repayment Amount shall be detailed in the Borrowing Notice." This is because the Repayment Amount ($825M) is not the first entry on the FHP Grid; the first entry will be for the entire advance of approximately $1B ($825M + new funds). Anthony and Will just had a call to discuss the particulars of what the various grid notes under the existing facility and new facility will be on November 21st (including partial repayment of the outstanding $840M loan) and Anthony will be circulating an e-mail summarizing that conversation. The Effective Date of the amending agreement to reduce the existing facility will also be November 21st, not November 22nd.

In terms of the intercept letter, we cannot amend the opening paragraph as the OFA Lending Policy requirement is that this agreement must be in place "prior to entering into a loan agreement….". It looks, in practice, that the intercept letter will be executed prior to these two facility agreements, so we surmise this would not be an issue.

We received your most recent draft of the amending agreement. Lisa will be able to review once she is out of her meeting, after 3 p.m.

Thanks,
Sarah

Following our conference call this afternoon, please find attached a revised draft of the FHP Credit Facility. Main changes are to s.3.2(3) and to the Intercept provision. See also minor tweaks to the new Entire Agreement Clause (s.7.8) and to the Form of Grid Note (Schedule 3). Other than for s. 3.2(3), I accepted all of your changes so any changes you see are mine.

Anthony has not had a chance to review this so he may have comments, though I am hoping this is pretty closely in keeping with our discussions.

Regarding the Intercept Letter, could you please consider amending the opening to the third paragraph to read: "Prior to or concurrent with entering into a loan agreement with the IESO for the New Credit Facility…"

Comments on AA#10 to follow tomorrow morning.

Regards,
Victor

Hi Victor,

Please find attached the latest black-lined version of the FHP Credit Facility Agreement. In this

version, we have made some additional amendments to section 5.7 (Intercept) and section 7.8 (Entire Agreement). We have also added a new sub-section – 3.2(3) to address the IESO's repayment of a portion of the existing credit facility using the first advance. Minor amendments were also made to the Definitions section and the heading in section 4.1.

Please let us know if you have any further comments or if you would like to discuss further. If you are satisfied with this version, we will prepare an execution version and also send over AA#10 for your review.

Thank you,

Lisa

(2) For the purposes of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest which is equivalent to a rate of interest payable under this Agreement for any period of less than a year may be determined by multiplying the rate of interest for such period by a fraction, the numerator of which is the actual number of days in a year commencing on and including the first day in such period and ending on but excluding the corresponding day in the next calendar year and the denominator of which is the actual number of days in such period.

Section 2.8 Limit on Rate of Interest.

(1) Notwithstanding any provision contained in this Agreement, the IESO shall not be obliged to make any payments of interest or other amounts payable to the OFA hereunder in excess of the amount or rate which would be prohibited by applicable law or would result in the receipt by the OFA of interest at a criminal rate (as such terms are construed under the *Criminal Code* (Canada)).

(2) In the event that any such payments are limited or prohibited as provided in Section 2.8(1), the OFA shall have no further obligation to make any Advances available hereunder and the Advances Outstanding, together with all accrued interest and all other amounts owing hereunder, shall become immediately due and payable.

Section 2.9 Application of Payments.

All payments made by the IESO under this Agreement shall be applied firstly to the payment of interest payable to the OFA on late payments of principal or interest hereunder, secondly, to the payment of accrued and unpaid interest payable to the OFA hereunder and thirdly, to the payment of the outstanding principal amount of any Advances payable to the OFA.

ARTICLE 3
ADVANCES

Section 3.1 Advances.

The OFA agrees, on the terms and conditions of this Agreement, to make Advances to the IESO under the Credit Facility from time to time on any Business Day prior to September 23, 2022.

Section 3.2 Procedure for Advances.

(1) Subject to Section 3.3(5), each Advance shall be made subject to two Business Days' prior notice given not later than 10:00 a.m. (Toronto time) by the IESO to the OFA. Each notice of an Advance (a "**Borrowing Notice**") shall be substantially in the form of Schedule 1, other than a Borrowing Notice that is included in an Election Notice as permitted by Section 3.3(3). Each Borrowing Notice shall be irrevocable and binding on the IESO and shall specify (a) the requested date of the Advance; (b) the principal amount of the Advance, and (c) the Repayment Date of the Advance which shall not be earlier than 5 days and not later than 95 days after the date of the requested Advance. Each Borrowing Notice shall also certify the use of proceeds of the Advance which shall in any case be in accordance with Section 2.2. The OFA will make the principal amount of each Advance available to the IESO in accordance with Article 2.

(2) On or before the date of the first Advance hereunder, the IESO shall execute and deliver to the OFA a grid promissory note in respect of Advances substantially in the form of Schedule 3 (the "**Grid Note**"). The IESO authorizes the OFA to record on the Grid Note (a) the date and amount of each Advance or Continued Advance; (b) the applicable rate of interest for each Advance or Continued Advance; (c) the Repayment Date of each Advance or Continued Advance; (d) the date and amount of each payment of interest and each payment of principal or portion thereof in respect of each Advance or Continued Advance; and (e) Advances Outstanding. Such notations, in the absence of manifest error, shall be *prima facie* evidence of such Advances and repayments; provided that the failure of the OFA to record any amount, rate or date shall not affect the obligation of the IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement.

(3) Respecting the first Advance to be made under this Agreement (the "**First Advance**"), a specified portion thereof (the "**Repayment Amount**") shall be used to repay a portion of the IESO's outstanding indebtedness to the OFA under the credit agreement between the Parties dated January 1, 2005, as amended (the "**Existing Credit Facility**"). The amount of the Repayment Amount shall be detailed in the Borrowing Notice issued in respect of the First Advance. Concurrently with the First Advance, OFA shall provide to IESO an updated grid in respect of the grid note issued under the Existing Credit Facility evidencing the repayment of the Repayment Amount thereunder.

Section 3.3 Elections Regarding Advances.

(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 5 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

(2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than

10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 5 days and not later than 95 days after the current Repayment Date (the "**New Repayment Date"**). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the Grid Note in accordance with Section 3.2(2).

(5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date.

(6) The Credit Facility shall at all times rank *pari passu* with all other unsubordinated and unsecured Indebtedness of the IESO, subject to the existence of any Liens that secure Indebtedness, as permitted by subections 4.6 (a) through (e) hereof.

(7) All amounts owing in respect of the Advances shall be paid without exercising any right of set off or counterclaim by the IESO.

Section 3.4 Interest on Advances.

(1) The IESO shall pay interest on the unpaid principal amount of each Advance in accordance with this Section 3.4 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the Repayment Date of such Advance, at an annual rate equal to the Province of Ontario's cost of funds for borrowings with a similar term as determined by the OFA plus 0.25 percent per annum, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after Default and shall be payable on the Repayment Date for such Advance. Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the

OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

Section 3.5 Conditions Precedent

The obligation of the OFA to make the Advances to the IESO pursuant to Section 2.1 is subject to the following conditions being satisfied to the OFA's satisfaction at the time of making each Advance:

(a) that the representations and warranties of the IESO contained in this Agreement are true and correct as at the date of making the Advance;

(b) that no Event of Default has occurred and is continuing;

(c) that there shall, in the reasonable opinion of the OFA, have been no material adverse change in the financial condition of the IESO or a Material Subsidiary; and

(d) that the OFA has received such other documentation which it has reasonably requested to ensure that the IESO is in compliance with the terms and conditions of this Agreement, including certified true copies of any necessary resolutions, a written legal opinion from counsel to the IESO confirming that the borrowing is within the legal powers of the IESO and that the Agreement is a direct, unsecured obligation of the IESO enforceable against the IESO in form satisfactory to the OFA.

All such costs, charges and expenses shall bear interest at the Province of Ontario's cost of funds plus 0.25 percent per annum (as determined by the OFA) calculated and payable monthly not in advance from in each case from the date on which the OFA incurs the cost, charge or expense until the date on which the IESO reimbursement the OFA therefor. The OFA agrees, acting reasonably, to invoice the IESO for any such costs, charges and expense as they are incurred, together with interest at the aforesaid rate (with interest on overdue interest).

Section 4.8 Reporting.

The IESO will promptly provide to the OFA any reports or supporting documents that the OFA may request from time to time.

Section 5.7 Intercept

(a) The IESO hereby acknowledges that, in accordance with the terms of the letter agreement of even date herewith entered between the Ministry of Energy, the IESO and the OFA made pursuant to Section 23 of the *Capital Investment Plan Act, 1993* (the "**Intercept Letter**"), the Minister of Finance is entitled to deduct only from those monies appropriated by the Legislature for payment through the Ministry of Energy to the IESO ("**Appropriated Funds**"), amounts equal to any amounts that the IESO fails to pay to the OFA on account of indebtedness under this Agreement. On the occurrence of an Event of Default relating to a failure by IESO to pay when due any amounts owing hereunder, subject to the OFA's compliance with any relevant provisions hereof and as set out in the Intercept Letter, the Minister of Finance is irrevocably authorized to deduct from the Appropriated Funds amounts equal to any amounts that the IESO has failed to pay to the OFA in accordance with the provisions of this Agreement and to pay such amounts directly to the OFA ("**Intercept**").

(c) The IESO agrees that any notice from the OFA to the Minister of Finance in relation to this section 5.7 (Intercept) may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance and, upon receipt of such notice, an amount equal to the amount that the IESO has failed to pay when due to the OFA on account of indebtedness under this Agreement shall be deducted from the Appropriated Funds and paid to the OFA.

(d) For further certainty, the OFA acknowledges and agrees that the Intercept as provided for herein and in the Intercept Letter shall not apply with respect to any funds appropriated by the Legislature for payment to the IESO through ministries other than the Ministry of Energy or through Ontario Climate Change Solutions Deployment Corporation.

(e) The parties agree that, with respect to the exercise of the Intercept generally, the terms of this section 5.7 shall be applied consistently with the terms set out in the Intercept Letter which shall apply in full. Notwithstanding the foregoing, in the event of a conflict or

inconsistency between the terms and conditions of the Intercept Letter and the terms and conditions contained in this Agreement, the terms and conditions contained in this Agreement shall prevail.

Hi Will,

I made a few clean-ups in the attached (e.g. date of agreement changed from August to September on the first 2 pages and in the Schedules, fixed a cross-reference in s. 5.1(g), fixed Mike Manning's title in s. 7.1 Notices and the signature line).

Please confirm the form of Grid Note in Schedule 3 is correct.

As discussed, I don't think you should call the document the execution version until it is finalized with the date etc.

Once internal OFA review is completed – please prepare a clean version and a blackline against the last version that was sent to the IESO.

Thanks,

Caroline

Section 2.2 Use of Proceeds.

The IESO shall use the proceeds of Advances for the purposes for which it is authorized to borrow funds pursuant to Regulation 280/14 made under the *Electricity Act, 1998*, subject to the condition that proceeds of Advances may be used only for IESO's financing needs and requirements of any kind arising in connection with the IESO's role with respect to and obligations under the OFHP.

Section 2.3 Credit Facility Limit.

The Advances Outstanding shall not at any time exceed the Commitment. The Credit Facility shall revolve and no payment under the Credit Facility shall reduce the Commitment.

Section 2.4 Mandatory Repayment.

Subject to Sections 2.5 and 5.2, the IESO shall repay each Advance together with the interest accrued thereon on the applicable Repayment Date, and, in any event, shall repay all Advances Outstanding, together with all accrued interest and all other amounts owing hereunder on September 30, 2022.

(1) The OFA shall make Advances to the IESO under this Agreement to or to the order of the IESO by wire transfer of immediately available funds in accordance with wire transfer instructions given by the IESO to the OFA from time to time, or in such other manner as the IESO may specify to the OFA from time to time.

(2) The IESO shall make any payment required hereunder to be made by it to the OFA, to or to the order of the OFA, by wire transfer of immediately available funds in accordance with wire transfer instruction given by the OFA to the IESO from time to time, or in such other manner as the OFA may specify to the IESO from time to time. The IESO shall make each such payment in Canadian Dollars.

Section 2.7 Computations of Interest.

(1) All computations of interest shall be made by the OFA taking into account the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest is payable on the basis of a year of 365 days or 366 days, as the case may be.

(2) For the purposes of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest which is equivalent to a rate of interest payable under this Agreement for any period of less than a year may be determined by multiplying the rate of interest for such period by a fraction, the numerator of which is the actual number of days in a year commencing on and including the first day in such period and ending on but excluding the corresponding day in the next calendar year and the denominator of which is the actual number of days in such period.

Section 2.8 Limit on Rate of Interest.

(1) Notwithstanding any provision contained in this Agreement, the IESO shall not be obliged to make any payments of interest or other amounts payable to the OFA hereunder in excess of the amount or rate which would be prohibited by applicable law or would result in the receipt by the OFA of interest at a criminal rate (as such terms are construed under the *Criminal Code* (Canada)).

(2) In the event that any such payments are limited or prohibited as provided in Section 2.8(1), the OFA shall have no further obligation to make any Advances available hereunder and the Advances Outstanding, together with all accrued interest and all other amounts owing hereunder, shall become immediately due and payable.

Section 2.9 Application of Payments.

All payments made by the IESO under this Agreement shall be applied firstly to the payment of interest payable to the OFA on late payments of principal or interest hereunder, secondly, to the payment of accrued and unpaid interest payable to the OFA hereunder and thirdly, to the payment of the outstanding principal amount of any Advances payable to the OFA.

ARTICLE 3
ADVANCES

Section 3.1 Advances.

The OFA agrees, on the terms and conditions of this Agreement, to make Advances to the IESO under the Credit Facility from time to time on any Business Day prior to September 23, 2022.

Section 3.2 Procedure for Advances.

(1) Subject to Section 3.3(5), each Advance shall be made subject to two Business Days' prior notice given not later than 10:00 a.m. (Toronto time) by the IESO to the OFA. Each notice of an Advance (a "**Borrowing Notice**") shall be substantially in the form of Schedule 1, other than a Borrowing Notice that is included in an Election Notice as permitted by Section 3.3(3). Each Borrowing Notice shall be irrevocable and binding on the IESO and shall specify (a) the requested date of the Advance; (b) the principal amount of the Advance, and (c) the Repayment Date of the Advance which shall not be earlier than 5 days and not later than 95 days after the date of the requested Advance. Each Borrowing Notice shall also certify the use of proceeds of the Advance in accordance with Section 2.2. The OFA will make the principal amount of each Advance available to the IESO in accordance with Article 2.

(2) On or before the date of the first Advance hereunder, the IESO shall execute and deliver to the OFA a grid promissory note in respect of Advances substantially in the form of Schedule 3 (the "**Grid Note**"). The IESO authorizes the OFA to record on the Grid Note (a) the date and amount of each Advance or Continued Advance; (b) the applicable rate of interest for each Advance or Continued Advance; (c) the Repayment Date of each Advance or Continued Advance; (d) the date and amount of each payment of interest and each payment of principal or portion thereof in respect of each Advance or Continued Advance; and (e) the outstanding principal amount of the Grid Note. Such notations, in the absence of manifest error, shall be *prima facie* evidence of the such advances and repayments; provided that the failure of the OFA to record any amount, rate or date shall not affect the obligation of the IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement.

Section 3.3 Elections Regarding Advances.

(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 5 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

(2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than 10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the

form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 5 days and not later than 95 days after the current Repayment Date (the "**New Repayment Date"**). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the Grid Note in accordance with Section 3.2(2).

(5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date.

(6) The Credit Facility shall at all times rank *pari passu* with all other unsubordinated and unsecured Indebtedness of the IESO, subject to the existence of any Liens that secure Indebtedness, as permitted by subections 4.6 (a) through (e) hereof.

(7) All amounts owing in respect of the Advances shall be paid without exercising any right of set off or counterclaim by the IESO.

Section 3.4 Interest on Advances.

(1) The IESO shall pay interest on the unpaid principal amount of each Advance in accordance with this Section 3.4 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the Repayment Date of such Advance, at an annual rate equal to the Province of Ontario's cost of funds for borrowings with a similar term as determined by the OFA plus 0.25 percent per annum, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after default and shall be payable on the Repayment Date for such Advance. Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case

may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

Section 3.5 Conditions Precedent

The obligation of the OFA to make the Advances to the IESO pursuant to Section 2.1 is subject to the following conditions being satisfied to the OFA's satisfaction at the time of making each Advance:

(a) that the representations and warranties of the IESO contained in this Agreement are true and correct as at the date of making the Advance;

(b) that no Event of Default has occurred and is continuing;

(c) that there shall, in the reasonable opinion of the OFA, have been no material adverse change in the financial condition of the IESO or a Material Subsidiary; and

(d) that the OFA has received such other documentation which it has reasonably requested to ensure that the IESO is in compliance with the terms and conditions of this Agreement, including certified true copies of any necessary resolutions, a written legal opinion from counsel to the IESO confirming that the borrowing is within the legal powers of the IESO and that the Agreement is a direct, unsecured obligation of the IESO enforceable against the IESO in form satisfactory to the OFA.

The IESO will not, and will not permit any Material Subsidiary to, create, incur or assume any Lien, charging the interest of the IESO or any Material Subsidiary in any property, to secure any obligations (including any Indebtedness) unless, at or prior to the time such Lien is created, incurred or assumed, all amounts owing under this Agreement are secured equally and rateably with any and all such obligations secured or to be secured by such Lien, for so long as such obligations shall be secured, provided, however, that the foregoing covenant shall not prevent, restrict or apply to any of the following:

Section 5.2 Acceleration of Maturity; Rescission and Annulment.

If an Event of Default occurs and is continuing, then and in every such case the OFA may at its option, in addition to any other remedy available to the OFA at law, by written notice to the IESO, suspend the right of the IESO to request any further Advance until the Event of Default has been cured to the OFA's satisfaction or, if the Event of Default is not cured within three (3) Business Days after the date on which written notice of such Event of Default shall have been given to the IESO by the OFA, declare all amounts owing hereunder including all interest

The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.6 Delay or Omission not Waiver.

FYI – in OLMS the new $2B credit facility is related to the Line of Credit - Regulated Price Plan Variance (RPP) which currently has $604,963,600.47 coming due on October 20th

The following is an excerpt from a FHP briefing:

> These are primarily consumers eligible for the Regulated Price Plan (RPP), and aligns with the eligibility under the *Ontario Rebate for Electricity Consumers Act, 2016* (ORECA). ENERGY notes that up to 500,000 small businesses and farms are benefitting from GA refinancing.

Hello All,

This is to provide a status update for the existing $975 million OFA IESO Credit Facility (to be reduced to $475 million) and new $2 Billion FHP Credit Facility agreements. The agreements will be executed immediately after certain approvals have been made.

Currently, FHP related advances are being drawn on the existing $975 million OFA IESO Credit Facility. Once the agreements are in place, the intention is to have IESO draw primarily from the new $2 Billion FHP Credit Facility and reduce the existing $975 million OFA IESO Credit Facility down to the $475 million.

According to IESO the next draw will occur on October 20, for $840 million (outstanding loan + new advance).

The amount for the subsequent draw on November 21, is currently unknown but is expected to exceed the existing $975 million OFA IESO Credit Facility limit.

Assuming the $2 Billion FHP Credit Facility agreement is signed before November 21, we are considering two options for the November 21 advances:

(1) IESO will submit a borrowing notice for the November draw to be drawn entirely from the $2 Billion FHP Credit Facility.

Or

(2) IESO will submit a borrowing notice to draw a portion from the $2 Billion FHP Credit Facility in combination with an election notice to draw a portion of the remaining outstanding amount to allow for the existing OFA IESO Credit Facility to be reduced to a level below $475 million.

I will be consulting with IESO to determine which of these options will be chosen and will advise

as to the option selected. I understand these facilities will need to be updated in OLMS. I am providing this information to all parties so that they may determine what arrangements are necessary in this regard.

Thanks,

Best regards,

Subject: FHP Status Update

Hello All,

This is to provide a status update for the existing $975 million OFA IESO Credit Facility (to be reduced to $475 million) and new $2 Billion FHP Credit Facility agreements. The agreements will be executed immediately after certain approvals have been made.

Currently, FHP related advances are being drawn on the existing $975 million OFA IESO Credit Facility. Once the agreements are in place, the intention is to have IESO draw primarily from the new $2 Billion FHP Credit Facility and reduce the existing $975 million OFA IESO Credit Facility down to the $475 million.

According to IESO the next draw will occur on October 20, for $840 million (outstanding loan + new advance).

The amount for the subsequent draw on November 21, is currently unknown but is expected to exceed the existing $975 million OFA IESO Credit Facility limit.

Assuming the $2 Billion FHP Credit Facility agreement is signed before November 21, we are considering two options for the November 21 advances:

(1) IESO will submit a borrowing notice for the November draw to be drawn entirely from the $2 Billion FHP Credit Facility.

Or

(2) IESO will submit a borrowing notice to draw a portion from the $2 Billion FHP Credit Facility in combination with an election notice to draw a portion of the remaining outstanding amount to allow for the existing OFA IESO Credit Facility to be reduced to a level below $475 million.

I will be consulting with IESO to determine which of these options will be chosen and will advise as to the option selected. I understand these facilities will need to be updated in OLMS. FYI – in OLMS the new $2B credit facility is related to the Line of Credit - Regulated Price Plan Variance (RPP) which currently has $604,963,600.47 coming due on October 20th

The following is an excerpt from a FHP briefing:

> These are primarily consumers eligible for the Regulated Price Plan (RPP), and aligns with the eligibility under the *Ontario Rebate for Electricity Consumers Act, 2016* (ORECA). ENERGY notes that up to 500,000 small businesses and farms are benefitting from GA refinancing.

Why not sign all docs on the same day this week including:
-intercept letter
-$2B facility
-the $975M non-rollover notice (this would confirm that in mid-Nov IESO will not rollover the $825M (the RRRP will continue to rollover with this facility) due on Nov 21)
-issue a rollover notice for $2B facility to say the $825M is being rolled over – note that I will need to borrow another approx. $225M too

This way all is in place by this week's end. Let me know or call me to discuss 905-403-6944.

Hello Anthony and Victor,

Pending the execution of the intercept letter agreement next week, we can certainly target executing the FHP credit facility at that same time, however, we propose holding off the execution of the amending agreement until November 22nd .

Currently there is $840M outstanding under the existing credit facility agreement; we cannot reduce the limit of the $975M to $475M while the $840M is still outstanding. As per our discussion with Anthony, we understand that it is IESO's intention that the next draw for the whole balance of $840M (plus any new advancement) will be entirely funded through the new FHP facility (i.e. that is move all funding for next draw on November 21st from the existing $975 million Credit Facility to the $2 Billion FHP Credit Facility).

In order to achieve this with least disruption we propose:

- Sign the FHP Credit Facility agreement first next week (assuming intercept letter will be signed prior to or at the same time).
- For next advance, Prior to November 21st funding date, IESO sends to the OFA the FHP Borrowing Notice under the new Facility specifying the amount of the next advance ($840 million + new advance).
- Allow the $840 million outstanding under the existing $975 million Credit Facility to mature on November 21st and OFA will fund the November 21st advance (whereby OFA will send any net difference of funds above the $840M to IESO) under the new Facility.

- Arrange to execute Amending Agreement No. 10, on November 22 to reduce the existing credit facility on $475M.

Please provide your thoughts if this is suitable.

Hi John –
Toby from MOF Legal just called Lisa. Tom McKinley, counsel from MOE reached out to him in response to your memo to find out what the rationale was for the memo, apparently IESO reached out to Energy and expressed concern about what was going on.
I think it may be prudent to arrange for a policy level call tomorrow to provide reassurance that there is no substantive issue here, but in the absence of a directive we require inclusion of the intercept provisions. Notwithstanding that there are currently no appropriations. Once this is done the loan agreement can be finalized without further delay.
I've copied Anna given your earlier heads up to her. Please let me know how you would like to proceed.

OK - I will make myself available. Might be helpful to have everyone who needs to be engaged on the same call so that we can get a decision and answer any questions.

As mentioned in my earlier email, this will be brought up potentially at tomorrow's meeting.

Hi John –
Toby from MOF Legal just called Lisa. Tom McKinley, counsel from MOE reached out to him in response to your memo to find out what the rationale was for the memo, apparently IESO reached out to Energy and expressed concern about what was going on.
I think it may be prudent to arrange for a policy level call tomorrow to provide reassurance that there is no substantive issue here, but in the absence of a directive we require inclusion of the intercept provisions. Notwithstanding that there are currently no appropriations. Once this is done the loan agreement can be finalized without further delay.
I've copied Anna given your earlier heads up to her. Please let me know how you would like to proceed.

I am out of the office this week but would expect we should sign the intercept, the 2b facility, and 475m at the same time.

In terms of notices for mid Nov i would expect the current $825m outstanding would just roll over to be on the 2B facikity without any actual cash being moved.

Regards.

Hello Anthony,

I am trying to plot out the logistics on my end in regards to which agreements and borrowing notices need to be signed first etc. It would be helpful if you could let me know your intentions with regards to the rollover of the FHP amounts. Give me a call if it's easier to discuss.
Example:

Existing credit facility – move over entire balance to FHP.

Please find attached our comments on your response of October 6. We have moved the text of your email to the attached document and responded inline in square brackets for ease of review.

We recognize that we are running out of time, and that we should discuss and move this forward at the beginning of next week.

We also generally recognize that, although there are still some gaps in our respective approaches, we would find it helpful to have some more specific suggestions and comments on our Sept. 27 draft in order to help move this forward. This might include also the timing issues, with some indication of where, if OPG finds the timing does not work, some alternatives can be suggested for consideration.

Toby,

Thank you for your draft proposal; we have set out below our conceptual comments and concerns on it. Please note that the points below remain subject to the continuing review of OPG. Please also note that we have not yet sought the dealers' views on the proposal. We think it is premature to do so until we settle these points amongst ourselves and a revised draft of the proposal is circulated reflecting our agreement.

As further discussed below, your proposal deviates in some key ways from what we proposed in our email of September 19 (attached) and raises the accounting and operational issues we tried to avoid in the September 19th proposal. Given the need to settle the Protection Agreement as soon as possible, we'd appreciate if we could discuss these points early next week.

Best Regards,

Nina

Accounting Issues:

E&Y has concerns from an accounting perspective with the level of Provincial oversight and input on certain parts of the process, namely:

-that OPG will likely have to go back to the Province on each incurrence of debt and they will have to do so prior to that incurrence

-that OPG must certify and provide a lot of detailed reporting with respect to each incurrence of debt

-the level of frequency of reporting in general (not just the certifications/information noted above but also the contemplated annual forecasts and quarterly updates of those forecasts)

-the negative pledge with respect to the exercise of certain options on the debt

-the fact that OPG must give notice to the Province when incurring funding obligations that are expressly excluded from the Protection Agreement

Taken as a whole, we understand that E&Y sees all of this as the Province exerting a level of control on the debt that no typical guarantor would have. Please also advise if the Province's accountants have reviewed the proposal.

Practical Issues:

- The procedural steps to bind the Province are lengthy and complicated. From our perspective, as drafted, OPG will likely have to seek Provincial approval on each debt issuance (which weakens the accounting as discussed above). The dealers and their counsel will have a reaction to the proposed adherence conditions but query whether there is value in setting out the adherence conditions in the Protection Agreement itself. Setting aside the mechanics of how we get there, the dealers want comfort that the incurrence of obligations by the financing entity will be covered by the Protection Agreement. We would propose that the mechanics of any approval process (once we settle the terms of that process) be the subject of a separate procedures agreement or memo from the Province to OPG, whereby the Province delegates to OPG the ability to bind the Province under the Protection Agreement with respect to an incurrence of obligations so long as the adherence conditions in the procedures agreement or memo have been met. The Protection Agreement would then simply state that, upon OPG certifying to the indenture trustee that the adherence conditions have been satisfied under the procedures agreement/memo, the Province will be deemed to be bound under the Protection Agreement with respect to the specific obligations incurred at the time of the certification.
- In addition to the accounting concerns, the level of detail and frequency of reporting

required present timing and operational issues. For example, as part of the adherence conditions, you are asking for details on the interest rate. However, pricing will in part be driven off whether that specific incurrence will have the benefits of the Protection Agreement.

Drafting Issues:

- Please refer to the existing terminology of the Act to ensure there is certainty on the obligations covered under the Protection Agreement. We think the best way for you to approach this would be to refer to all finance amounts and then expressly carve out what you are proposing not be covered.
- We'd like to understand the reason OPG's management fees have been excluded. We assume you do not intend for OPG's reimbursement costs (costs incurred by OPG on behalf of the Financing Entity) to be excluded? Please advise why taxes are being excluded?
- There are a few references to "exceed the maximum amount specified therefor in the applicable governing document". Please advise what is being contemplated here.
- We have a number of other drafting comments which we'll revisit once we've settled on the conceptual points above and have reviewed a revised draft of the document.

Steve, Malle and Toby, further to our meeting the other day, set out below for your review is a proposal on the Provincial approval process under the Change of Law Assumption Agreement. Once we have your feedback on this, we will need to share it with Osler and the accountants and as John mentioned, we are under some time pressure to bring this to a resolution prior to the upcoming June 29 OPG Board meeting. We look forward to your comments, and feel free to reach out if you have any questions. -- Rima

Obligor Approval

The Change of Law Assumption Agreement will apply to all Specified Claims relating to Funding Obligations that are incurred by an Eligible Financing Entity in accordance with the Obligor's approval process. The definition of Specified Claims to be mutually agreed by all parties.

In order for a Financing Entity to become designated as an Eligible Financing Entity by the Obligor, prior to the initial issuance of Funding Obligations by such Financing Entity, the Obligor will be provided with copies of the following documents (collectively the "Program Documents") for review:

(i) the constating documents of such Financing Entity;

(ii) the management agreement between the Financing Entity and OPG;

(iii) the master transfer and servicing agreement between the Financing Entity and the IESO;
(iv) the master trust indenture governing the issuance of Funding Obligations by the Financing Entity;
(v) a form of supplemental indenture governing the issuance of bonds, issuable in series, by the Financing Entity;
(vi) a form of note purchase agreement or credit agreement governing the issuance of short term Funding Obligations by the Financing Entity;
(vii) a form of schedule to an ISDA Master Agreement governing derivative transactions that may be entered into the Financing Entity from time to time; and
(viii) such other documents as may be requested by the Obligor.

Once a Financing Entity is designated by the Obligor as an Eligible Financing Entity, it will not be necessary for the Obligor to approve the documentation related to specific issuances of Funding Obligations; however, OPG will be expected to notify the Obligor of any new material program documentation or any material amendments to existing program documentation before such new documentation or amendments become effective. The failure of OPG to provide any such notice will not invalidate the application of the Change of Law Assumption Agreement to any Specified Claims.

It will not be necessary for the Obligor to approve each new issuance of Funding Obligations provided that such Funding Obligations are issued in accordance with following:

(1) The Funding Obligations are issued in accordance with agreements that contain: (a) covenants of the Eligible Financing Entity that are no more onerous in any material respect and (b) events of default that are consistent in all material respects, respectively, with the covenants of the Eligible Financing Entity and events of default contained in the draft Program Documents.

(2) At least [30 days] prior to the initial issuance of Funding Obligations by an Eligible Financing Entity, OPG will provide the Obligor with a forecast of the principal amount and expected term of the Funding Obligations that OPG expects such Eligible Financing Entity to issue in accordance with the Financing Plan in the next two years (a "Two Year Forecast"). The execution of the Change of Law Assumption Agreement in respect of such Eligible Financing Entity shall constitute the Obligor's approval of the issuance of Funding Obligations by such Eligible Financing Entity in accordance with the Two Year Forecast.

(3) OPG shall provide the Obligor with an updated Two Year Forecast between 9 and 12 months prior to the expiry of each current Two Year Forecast.

(4) Unless the Obligor provides OPG with a written notice no later than 3 months prior to the date following receipt of the current Two Year Forecast that the Change of Law Assumption Agreement will be inapplicable with respect to new Funding Obligations incurred following the expiry of the current Two Year Forecast, the Obligor will be deemed to approve the application of the Change of Law Assumption Agreement to all Funding Obligations incurred up to the expiry of the new Two Year Forecast.

At the time of issuance of Funding Obligations by an Eligible Financing Entity, the Financing Entity will provide (i) any required certifications to the underwriters/agents that such Funding

Obligations are covered by the Change of Law Assumption Agreement; and (ii) notice to the Obligor of the material terms of the Funding Obligations issued, together with electronic copies of the final executed Program Documents.

[NOTE TO DRAFT: CONFIRM THAT TORYS IS REFERRING TO THE OFA/MOE PROPOSAL FROM SEPTEMBER 27TH.]

Toby,

Thank you for your draft proposal; we have set out below our conceptual comments and concerns on it. Please note that the points below remain subject to the continuing review of OPG. Please also note that we have not yet sought the dealers' views on the proposal. We think it is premature to do so until we settle these points amongst ourselves and a revised draft of the proposal is circulated reflecting our agreement.

As further discussed below, your proposal deviates in some key ways from what we proposed in our email of September 19 (attached) and raises the accounting and operational issues we tried to avoid in the September 19th proposal. Given the need to settle the Protection Agreement as soon as possible, we'd appreciate if we could discuss these points early next week.

Best Regards,
Nina

Accounting Issues:
E&Y has concerns from an accounting perspective with the level of Provincial oversight and input on certain parts of the process, namely:

[There is minimal oversight and input from the Province so long as the pre-agreed scope and parameters are adhered to.]

-that OPG will likely have to go back to the Province on each incurrence of debt and they will have to do so prior to that incurrence

[The proposal is that basic information regarding an incurrence will be provided to enable the province to (1) understand the nature and scope of the incurrence, to enable the Province to address internal governance considerations and (2) to be satisfied that the proposed incurrences are in-line with the pre-agreed parameters (the "Parameters"). The intention is not to curtail incurrences that follow the pre-agreed approach. The timing of the notice to the Province may be a point of discussion.]

-that OPG must certify and provide a lot of detailed reporting with respect to each incurrence of debt
[As the entity running the program, OPG will be expected to provide the province with information sufficient to enable the province to make sure any incurrence falls inside the Parameters. The delivery of a certificate in an agreed form, just prior to the time of the incurrence, is meant to create a brightline test for the financing entity's counterparties to know that, so long as the certificate has been delivered (even if it's inaccurate), the Province will be bound. As you suggest below, any inaccuracy will give rise to considerations between the province and OPG. The delivery of the certificate at the time of an incurrence is considered an important due diligence confirmation for the province.
What is the basis for E&Y expressing a reservation regarding the province having access to underlying information about the "approved obligations", which in turn will define the scope of the

province's own obligations if called upon under the change of law protection agreement (CLPA)?]
-the level of frequency of reporting in general (not just the certifications/information noted above but also the contemplated annual forecasts and quarterly updates of those forecasts)
[Any surety in a similar circumstance would want to know the nature and extent of the obligations incurred and to be incurred. That information is intended to allow the province to ensure compliance with the Parameters. Please provide an alternative proposal that meets OPGs requirements and still provides adequate information for the Province.]
-the negative pledge with respect to the exercise of certain options on the debt
[The idea is that if there is optionality in favour of the financing entity, and the exercise would affect the payment profile under the CLPA, such an exercise following a Protection Event should not affect the Province's payment obligations. In effect, the payment schedule will crystalize and cannot be accelerated or extended once the province becomes obligated to pay, following a Protection Event.]
-the fact that OPG must give notice to the Province when incurring funding obligations that are expressly excluded from the Protection Agreement
[The Province needs to understand the overall credit picture of the financing entity since it will become a creditor (through subrogation) if it is called on to perform. Exclusions are narrowly defined and should be minimal in practice.]

Taken as a whole, we understand that E&Y sees all of this as the Province exerting a level of control on the debt that no typical guarantor would have.
[These checks and balances are in-line with the province not writing a "blank cheque" in relation to future incurrences. Prudent sureties would be expected to exercise diligence - indeed to do less could be evidence of interdependence and non-arm's length terms, which presumably would be unhelpful to E&Y's analysis.] Please also advise if the Province's accountants have reviewed the proposal.
[The Province's accountants are involved in this process and are also reviewing the proposal]

Practical Issues:

- The procedural steps to bind the Province are lengthy and complicated.

[The OFHPA will involve very significant and complex financings. The process is intended to provide an appropriate level of third party enquiry given the size and scale of the financing program to the province and in order to ensure the issuances are within the Parameters.] From our perspective, as drafted, OPG will likely have to seek Provincial approval
[No approval is contemplated or expected by the Province, except if the incurrence is outside of the pre-agreed boundaries.] on each debt issuance (which weakens the accounting as discussed above)
[An explanation of the relevant accounting principles that E&Y has expressed concern about would assist the province to understand E&Y'S concerns. Also, a detailed list of any particular troublesome requirements would be helpful, with drafting suggestions as appropriate] [The dealers and their counsel will have a reaction to the proposed adherence conditions but query whether there is value in setting out the adherence conditions in the Protection Agreement itself.
[From the dealers' perspective, the three listed requirements (namely, (1) quantum under the program limit (2) delivery of the OPG certificate (3) absence of contrary notice from the Province) can be easily and objectively verified by the dealers. These process requirements should be reflected in the incurrence procedures as a check/balance at the relevant time, given that the province will not otherwise be directly involved in the incurrence process but will be obligated under the CLPA] Setting aside the mechanics of how we get there, the dealers want

comfort that the incurrence of obligations by the financing entity will be covered by the Protection Agreement.

[As noted above, the three listed requirements can be easily and objectively confirmed by the dealers prior to a closing. inaccuracies or other failures within the certification process will not negate the Province's obligations] We would propose that the mechanics of any approval process (once we settle the terms of that process) be the subject of a separate procedures agreement or memo from the Province to OPG, whereby the Province delegates to OPG the ability to bind the Province under the Protection Agreement with respect to an incurrence of obligations so long as the adherence conditions in the procedures agreement or memo have been met.

[As noted, this due diligence check/balance is how the province will ensure the issuances satisfy the Parameters. It is anticipated that the Ministers will see this process as significant to the exercise of their authorities under OFHPA 5(3). Ultimately, the Province will depend on OPG, which is why the delivery of a certificate, without being impugned by an accuracy, is the contemplated adherence condition - rather than making the confirmation of certificate accuracy a condition, which we assume would be unwelcome by the underwriters.] The Protection Agreement would then simply state that, upon OPG certifying to the indenture trustee that the adherence conditions have been satisfied under the procedures agreement/memo, the Province will be deemed to be bound under the Protection Agreement with respect to the specific obligations incurred at the time of the certification.

[The Province wants an actual certificate to be delivered to it (not just the indenture trustee) as part of the closing process. Also, the program limit and failsafe disapproval notice are considered to be important safeguards for the province]

- In addition to the accounting concerns, the level of detail and frequency of reporting required present timing and operational issues. For example, as part of the adherence conditions, you are asking for details on the interest rate. However, pricing will in part be driven off whether that specific incurrence will have the benefits of the Protection Agreement.
- [In the case of details not known at the time the OPG certificate is to be delivered (which will be expected to occur close to closing), it should be sufficient to indicate the process by which those details will be finalized. For example, it would be sufficient to say "interest rates to be set on or about [date] based on underwriting syndicate pricing indications".]

Drafting Issues:

- Please refer to the existing terminology of the Act to ensure there is certainty on the obligations covered under the Protection Agreement. We think the best way for you to approach this would be to refer to all finance amounts and then expressly carve out what you are proposing not be covered.
- [The proposal uses the specific defined terms from the OFHPA and regulation, in order to tie back to the statute and appropriately narrow the scope to the obligations that are reasonably known to require protection from the province. Considerable thought has been given to the approach reflected in the province's proposal. The Province wishes to focus on each inclusion that requires the support arrangements, which should then be net of available/free cash flows, set-offs, etc. Please provide specific comments on any specific items of concerns.]
- We'd like to understand the reason OPG's management fees have been excluded. [This is still an open question under consideration.] We assume you do not intend for OPG's

reimbursement costs (costs incurred by OPG on behalf of the Financing Entity) to be excluded? [Under consideration] Please advise why taxes are being excluded?

[CRA does not require/is not entitled by law to the benefit of the protection arrangement. Please explain the logic of the request to include taxes]

- There are a few references to "exceed the maximum amount specified therefor in the applicable governing document". Please advise what is being contemplated here.

[For the Province's support arrangement to apply to an obligation, the quantum of the obligation must be factored into the program maximum test. if the obligation is a contingent obligation, the province's obligations must be capped so that the amount of the cap can be factored into the program limit test]

- We have a number of other drafting comments which we'll revisit once we've settled on the conceptual points above and have reviewed a revised draft of the document.

[In the interest of time, please provide any other detailed comments you may have on the September 27th version of the proposal as soon as possible]

Toby,

Thanks for your email. Based on the term sheet, since the Province isn't guaranteeing the obligations under these agreements but only stepping in if there is a change of law "protection event", we did not expect the drafting of the Change of Law Protection Agreement would be implicated by these other agreements (particularly now that we have proposed dealing with the Province's approval of the various program agreements in a separate procedures document). We also understand that in order to be in a position to close on a financing before year end, the Change of Law Protection Agreement needs to be substantially settled by early November. If that is still the case, then we expect the dealers and their counsel will need to see a draft in this coming week.

In the interest of time, we have attached an initial draft of the supplemental indenture for the warehouse facility which, as noted previously, has not yet been reviewed by OPG and Torys. The supplemental for the long term financing will be a simpler document - with mechanics for issuing the notes and pricing information but likely no additional covenants and events of default and no drawdown mechanics like the warehouse facility.

We will start copying the Province and Blakes on circulations of all documents going forward. Please let us know if the entire team on this email should be copied or only Blakes and the Provincial legal team.

Best Regards,

Nina

Nina,

We are working on a draft of the Change of Law Protection Agreement, but cannot complete the drafting until we have seen a draft of the Supplemental Indenture and the other instruments that are to be guaranteed.

We are also working on drafting some responses and comments to your comments from Wednesday on the approval process document, and will get back to you with those soon.

Toby,

In the interest of time, we have drafted a procedures agreement incorporating the approval mechanics we circulated below. As noted in previous correspondence, we think the approval process should be the subject of a separate agreement and not included in the Change of Law Protection Agreement you are drafting. Please note that the attached remains subject to the continuing review of OPG and Torys.

Can you please also let us know when we can expect to see a draft of the Change of Law Protection Agreement?

Many thanks,

Toby – further to discussions between OPG and the Province, please find attached comments on the draft proposal under the Change of Law Protection Agreement (blacklined to the draft circulated below). The attached reflects our comments from accounting, operational and financeability perspectives. In particular, the financeability of the program will turn on whether there is a clear and concise way for investors to determine that an incurrence of funding obligations will be covered under the Change of Law Protection Agreement and that, once confirmed, the confirmation is irrevocable. Accordingly, we have proposed in the attached that a simple confirmation from OPG to a third party binds the Province in respect of the incurrence of the applicable funding obligations provided that OPG has satisfied the requirements of the approval process (which we propose be the subject of a separate procedures agreement or memo). Please note that the attached remains subject to the review of the working group including the dealers and the rating agencies.

Please find attached our comments on your response of October 6. We have moved the text of your email to the attached document and responded inline in square brackets for ease of review.

We recognize that we are running out of time, and that we should discuss and move this forward at the beginning of next week.

We also generally recognize that, although there are still some gaps in our respective approaches, we would find it helpful to have some more specific suggestions and comments on our Sept. 27 draft in order to help move this forward. This might include also the timing issues, with some indication of where, if OPG finds the timing does not work, some alternatives can be suggested for consideration.

Toby,

Thank you for your draft proposal; we have set out below our conceptual comments and concerns on it. Please note that the points below remain subject to the continuing review of OPG. Please also note that we have not yet sought the dealers' views on the proposal. We think it is premature to do so until we settle these points amongst ourselves and a revised draft of the proposal is circulated reflecting our agreement.

As further discussed below, your proposal deviates in some key ways from what we proposed in our email of September 19 (attached) and raises the accounting and operational issues we tried to avoid in the September 19th proposal. Given the need to settle the Protection Agreement as soon as possible, we'd appreciate if we could discuss these points early next week.

Best Regards,

Nina

Accounting Issues:

E&Y has concerns from an accounting perspective with the level of Provincial oversight and input on certain parts of the process, namely:

-that OPG will likely have to go back to the Province on each incurrence of debt and they will have to do so prior to that incurrence -that OPG must certify and provide a lot of detailed reporting with respect to each incurrence of debt -the level of frequency of reporting in general (not just the certifications/information noted above but also the contemplated annual forecasts and quarterly updates of those forecasts) -the negative pledge with respect to the exercise of certain options on the debt -the fact that OPG must give notice to the Province when incurring funding obligations that are expressly excluded from the Protection Agreement

Taken as a whole, we understand that E&Y sees all of this as the Province exerting a level of control on the debt that no typical guarantor would have. Please also advise if the Province's accountants have reviewed the proposal.

Practical Issues:

* The procedural steps to bind the Province are lengthy and complicated. From our perspective, as drafted, OPG will likely have to seek Provincial approval on each debt issuance (which weakens the accounting as discussed above). The dealers and their counsel will have a reaction to the proposed adherence conditions but query whether there is value in setting out the adherence conditions in the Protection Agreement itself. Setting aside the mechanics of how we get there, the dealers want comfort that the incurrence of obligations by the financing entity will be covered by the Protection Agreement. We would propose that the mechanics of any approval process (once we settle the terms of that process) be the subject of a separate procedures agreement or memo from the Province to OPG, whereby the Province delegates to OPG the ability to bind the Province under the Protection Agreement with respect to an incurrence of obligations so long as the adherence conditions in the procedures agreement or memo have been met. The Protection Agreement would then simply state that, upon OPG certifying to the indenture trustee that the adherence conditions have been satisfied under the procedures agreement/memo, the Province will be deemed to be bound under the Protection Agreement with respect to the specific obligations incurred at the time of the certification.

* In addition to the accounting concerns, the level of detail and frequency of reporting required present timing and operational issues. For example, as part of the adherence conditions, you are asking for details on the interest rate. However, pricing will in part be driven off whether that specific incurrence will have the benefits of the Protection Agreement.

Drafting Issues:

* Please refer to the existing terminology of the Act to ensure there is certainty on the obligations covered under the Protection Agreement. We think the best way for you to approach this would be to refer to all finance amounts and then expressly carve out what you are proposing not be covered.

* We'd like to understand the reason OPG's management fees have been excluded. We assume you do not intend for OPG's reimbursement costs (costs incurred by OPG on behalf of the Financing Entity) to be excluded? Please advise why taxes are being excluded?

* There are a few references to "exceed the maximum amount specified therefor in the applicable governing document". Please advise what is being contemplated here.

* We have a number of other drafting comments which we'll revisit once we've settled on the conceptual points above and have reviewed a revised draft of the document.

Subject: Fair Hydro -- Change of Law Assumption Agreement

Steve, Malle and Toby, further to our meeting the other day, set out below for your review is a proposal on the Provincial approval process under the Change of Law Assumption Agreement. Once we have your feedback on this, we will need to share it with Osler and the accountants and as John mentioned, we are under some time pressure to bring this to a resolution prior to the upcoming June 29 OPG Board meeting. We look forward to your comments, and feel free to reach out if you have any questions. -- Rima

Obligor Approval

The Change of Law Assumption Agreement will apply to all Specified Claims relating to Funding Obligations that are incurred by an Eligible Financing Entity in accordance with the Obligor's approval process. The definition of Specified Claims to be mutually agreed by all parties.

In order for a Financing Entity to become designated as an Eligible Financing Entity by the Obligor, prior to the initial issuance of Funding Obligations by such Financing Entity, the Obligor will be provided with copies of the following documents (collectively the "Program Documents") for review:

(i) the constating documents of such Financing Entity;

(ii) the management agreement between the Financing Entity and OPG;

(iii) the master transfer and servicing agreement between the Financing Entity and the IESO;

(iv) the master trust indenture governing the issuance of Funding Obligations by the Financing Entity;

(v) a form of supplemental indenture governing the issuance of bonds, issuable in series, by the Financing Entity;

(vi) a form of note purchase agreement or credit agreement governing the issuance of short term Funding Obligations by the Financing Entity;

(vii) a form of schedule to an ISDA Master Agreement governing derivative transactions that may be entered into the Financing Entity from time to time; and

(viii) such other documents as may be requested by the Obligor.

Once a Financing Entity is designated by the Obligor as an Eligible Financing Entity, it will not be necessary for the Obligor to approve the documentation related to specific issuances of Funding Obligations; however, OPG will be expected to notify the Obligor of any new material program documentation or any material amendments to existing program documentation before such new documentation or amendments become effective. The failure of OPG to provide any such notice will not invalidate the application of the Change of Law Assumption Agreement to any Specified Claims.

It will not be necessary for the Obligor to approve each new issuance of Funding Obligations provided that such Funding Obligations are issued in accordance with following:

(1) The Funding Obligations are issued in accordance with agreements that contain: (a) covenants of the Eligible Financing Entity that are no more onerous in any material respect and (b) events of default that are consistent in all material respects, respectively, with the covenants of the Eligible Financing Entity and events of default contained in the draft Program Documents.

(2) At least [30 days] prior to the initial issuance of Funding Obligations by an Eligible Financing Entity, OPG will provide the Obligor with a forecast of the principal amount and expected term of the Funding Obligations that OPG expects such Eligible Financing Entity to issue in accordance with the Financing Plan in the next two years (a "Two Year Forecast"). The execution of the Change of Law Assumption Agreement in respect of such Eligible Financing Entity shall constitute the Obligor's approval of the issuance of Funding Obligations by such Eligible Financing Entity in accordance with the Two Year Forecast.

(3) OPG shall provide the Obligor with an updated Two Year Forecast between 9 and 12 months prior to the expiry of each current Two Year Forecast.

(4) Unless the Obligor provides OPG with a written notice no later than 3 months prior to the date following receipt of the current Two Year Forecast that the Change of Law Assumption Agreement will be inapplicable with respect to new Funding Obligations incurred following the expiry of the

current Two Year Forecast, the Obligor will be deemed to approve the application of the Change of Law Assumption Agreement to all Funding Obligations incurred up to the expiry of the new Two Year Forecast.

At the time of issuance of Funding Obligations by an Eligible Financing Entity, the Financing Entity will provide (i) any required certifications to the underwriters/agents that such Funding Obligations are covered by the Change of Law Assumption Agreement; and (ii) notice to the Obligor of the material terms of the Funding Obligations issued, together with electronic copies of the final executed Program Documents.

(b) ***Maximum Purchaser Group Principal Amounts***. 3.2 Delivery

(a) On the Series 2017-1 Closing Date (or on any later date that any Purchaser Group becomes a party to this Supplemental Indenture), Series 2017-1 Senior Notes shall be executed, authenticated and delivered by the Issuer in accordance with Section 4.03 of the Trust Indenture (i) in the case of a CP Conduit Purchaser Group, in the name of the Funding Agent with respect to such CP Conduit Purchaser Group (or as otherwise requested by such CP Conduit Purchaser Group and agreed to by the Issuer) in an amount equal to the Maximum Purchaser Group Principal Amount with respect to such CP Conduit Purchaser Group and delivered to such Funding Agent; or (ii) in the case of a Non-Conduit Purchaser Group, in the name of the Related Non-Conduit Purchaser in an amount equal to the Maximum Purchaser Group Principal Amount with respect to such Related Non-Conduit Purchaser Group and delivered to such Related Non-Conduit Purchaser.

(b) The Administrative Agent shall maintain a record of the actual Purchaser Group Principal Amount outstanding with respect to each Purchaser Group and the actual Series 2017-1 Principal Amount outstanding on any date of determination, which, absent manifest error, shall constitute prima facie evidence of the outstanding Purchaser Group Principal Amounts and outstanding Series 2017-1 Principal Amount from time to time. Upon a written request from the Indenture Trustee, the Administrative Agent shall provide in writing the identity of the Purchaser Groups, the related Funding Agents for each CP Conduit Purchaser Group, the Purchaser Group Principal Amount for each Purchaser Group and the Commitment Percentage with respect to such Purchaser Group to the Indenture Trustee.

3.3 Procedure for Initial Issuance and for Increasing the Series 2017-1 Principal Amount

(a) (i) On any Business Day prior to [**December 15, 2017**], in the case of a Non-Conduit Purchaser Group, the Related Non-Conduit Purchaser hereby agrees, or in the case of a CP Conduit Purchaser Group, the CP Conduit Purchaser in such CP Conduit Purchaser Group may agree, in its sole discretion, and the Group Bank with respect to such CP Conduit Purchaser hereby agrees, that it will purchase a Series 2017-1 Senior Note for an initial purchase price equal to the Commitment Percentage with respect to such Purchaser Group of the Series 2017-1 Initial Principal Amount upon the request of the Issuer (the date on which the initial purchase occurs being referred to as the "**Series 2017-1 Closing Date**"); provided, however, that the Issuer shall have given the Administrative Agent (with a copy to the Indenture Trustee) irrevocable written notice (effective upon receipt), by telecopy (receipt confirmed), substantially in the form of Schedule C no later than **[3:00 p.m.]** (Toronto time) on the third Business Day prior to the Series 2017-1 Closing Date. The written notice of the initial purchase of the Series 2017-1 Senior Notes shall state (x) the Series 2017-1 Closing Date, and (y) the initial total purchase price to be paid for the Series 2017-1 Senior Notes (the "**Series 2017-1 Initial Principal Amount**"); and (ii) subject to Section 3.3(e), on any Business Day during the period from the initial purchase of the Series 2017-1 Senior Notes hereunder to and including the Commitment Expiry Date, in the case of a Non-Conduit Purchaser Group, the Related Non-Conduit Purchaser hereby agrees, or in the case of a CP Conduit Purchaser Group, the CP Conduit Purchaser in such CP Conduit Purchaser Group may agree, in its sole discretion, and the Group Bank with respect to such CP Conduit Purchaser hereby agrees that the Purchaser Group Principal Amount with respect to such Purchaser Group may be increased by an amount equal to the Commitment Percentage with respect to such Purchaser Group of the Increase Amount (an

"**Increase**"), upon the request of the Issuer (each date on which an increase in the Series 2017-1 Principal Amount occurs hereunder being herein referred to as the "**Increase Date**" applicable to such Increase); provided, however, that the Issuer shall have given the Administrative Agent (with a copy to the Indenture Trustee) irrevocable (other than as specified in Section 3.3(e)) written notice (effective upon receipt), by telecopy (receipt confirmed), substantially in the form of Schedule C (an "**Increase Notice**") no later than **[3:00 p.m.]** (Toronto time) on (A) with respect to a Deferrable Increase Notice, the third Business Day prior to such Increase Date, or (B) with respect to a Non-Deferrable Increase Notice, the second Business Day prior to such Increase Date. Each Increase Notice shall state (x) the Increase Date, (y) the proposed amount of the increase in the Series 2017-1 Principal Amount (an "**Increase Amount**"), (z) whether a Delayed Funding Notice may be delivered in connection with such Increase pursuant to Section 3.3(e) and whether the Increase is to fund a Transfer (a "**Transfer Increase**") or is in respect of a Refinancing (a "**Refinancing Increase**"). The Commitment Percentage with respect to any Purchaser Group of the Increase Amount set forth in any Non-Deferrable Increase Notice shall not exceed such Purchaser Group's Non-Deferrable Draw Amount as of the related Increase Date.

(b) If a CP Conduit Purchaser elects not to fund the full amount of its Commitment Percentage of a requested Increase, such CP Conduit Purchaser shall notify the Administrative Agent and the Funding Agent with respect to such CP Conduit Purchaser, and the Group Bank with respect to such CP Conduit Purchaser shall fund the portion of the Commitment Percentage with respect to such Related Purchaser Group of such Increase not funded by such CP Conduit Purchaser.

(c) No Purchaser Group shall be required to increase its Purchaser Group Principal Amount on any Increase Date hereunder unless:

(i) such Purchaser Group's Commitment Percentage of such Increase Amount is equal to (A) $**[1,000,000]** or more, or (B) if less, the excess of the Maximum Purchaser Group Principal Amount with respect to such Purchaser Group over the Purchaser Group Principal Amount with respect to such Purchaser Group; and

(ii) after giving effect to such Increase Amount, the sum of the (x) the Purchaser Group Principal Amount, and (y) any unfunded Delayed Amounts with respect to such Purchaser Group would not exceed the Maximum Purchaser Group Principal Amount with respect to such Purchaser Group;

(d) Upon receipt of any notice required by Section 3.3(a) or permitted by Section 3.3(e) from the Issuer, the Administrative Agent shall forward (by telecopy or electronic messaging system) a copy of such notice to each Non-Conduit Purchaser and the Funding Agent with respect to each CP Conduit Purchaser Group (or, with respect to any notice pursuant to Section 3.3(e) requiring a Delayed Funding Purchaser Group to decrease its Delayed Amount, the applicable Non-Conduit Purchaser or Funding Agent), no later than **[5:00 p.m.]** (Toronto time) on the day received. After receipt by any Funding Agent with respect to a CP Conduit Purchaser Group of such notice from the Administrative Agent, such Funding Agent shall, so long as the conditions set forth in Sections 3.3(a) and (c) and Article 4 are satisfied, promptly provide telephonic notice to the related CP Conduit Purchaser and the related Group Bank, of the Increase Date and of such CP Conduit Purchaser Group's Commitment Percentage of the Series 2017-1 Closing Date or Increase Amount, as applicable. Subject to Section 3.3(e), if such CP Conduit Purchaser

elects to fund all or a portion of its Commitment Percentage of the Series 2017-1 Initial Principal Amount or the Increase Amount, as applicable, such CP Conduit Purchaser shall pay in immediately available funds its Commitment Percentage (or any portion thereof) of the amount of the Series 2017-1 Initial Principal Amount or Increase Amount, as applicable, on the Series 2017-1 Closing Date or the related Increase Date, as applicable, to the Funding Agent with respect to such CP Conduit Purchaser Group for remittance to the Indenture Trustee for application in accordance with Section 3.3(h). Subject to Section 3.3(e), if such CP Conduit Purchaser does not fund the full amount of the Commitment Percentage of such CP Conduit Purchaser Group of the Series 2017-1 Initial Principal Amount or an Increase Amount, as applicable, and the related Group Bank is required to fund the portion thereof not funded by the CP Conduit Purchaser, such Group Bank shall pay in immediately available funds such portion on the Series 2017-1 Closing Date or the related Increase Date, as applicable, to the Funding Agent with respect to such CP Conduit Purchaser Group. Each Funding Agent shall remit the amounts received by it from its CP Conduit Purchaser or the related Group Bank pursuant to this Section 3.3(d) to the Indenture Trustee for application in accordance with Section 3.3(h). Subject to Section 3.3(e), so long as the conditions set forth in Sections 3.3(a) and (c) and Article 4 are satisfied, each Non-Conduit Purchaser shall pay in immediately available funds the Commitment Percentage of such Non-Conduit Purchaser of the amount of the Series 2017-1 Initial Principal Amount or Increase Amount, as applicable, on the Series 2017-1 Closing Date or the Increase Date, as applicable, to the Indenture Trustee for application in accordance with Section 3.3(h).

(e) Notwithstanding any of the foregoing, any Group Bank or Non-Conduit Purchaser who shall have previously notified the Issuer in writing that it or any related Program Support Provider may, in the absence of the Group Bank or Non-Conduit Purchaser having the ability to deliver Delayed Funding Notices hereunder, incur charges under, or in anticipation of, Basel III (which may include external charges incurred by the Group Bank, Non-Conduit Purchaser or Program Support Provider or internal charges incurred by any of their businesses) in respect of its Commitment hereunder or any agreement to support such Commitment, or in respect of its interest in the Series 2017-1 Senior Notes, based on its "liquidity coverage ratio" calculated under Basel III, may, upon receipt of any Deferrable Increase Notice pursuant to Section 3.3(a), notify the Issuer in writing (a "**Delayed Funding Notice**") on or prior to **[12:00 noon]** (Toronto time) on the second Business Day preceding the related Increase Date, of its intent to fund an amount up to its Commitment Percentage of the related Increase Amount (such amount, subject to any adjustment described below, the "**Delayed Amount**") on a Business Day that is on or before the thirty-third (33rd) day following the Increase Date specified in such Deferrable Increase Notice (the "**Delayed Funding Date**") rather than on such Increase Date. If any Group Bank or Non-Conduit Purchaser provides a Delayed Funding Notice to the Issuer following the Issuer's delivery of an Increase Notice pursuant to Section 3.3(a), the Issuer may with written notice to the Administrative Agent delivered prior to 3:00 pm on the second Business Day preceding such Increase Date, (x) decrease the Increase Amount with respect to such Deferrable Increase Notice (or revoke such Deferrable Increase Notice by decreasing the Increase Amount to zero), and/or (y) require any Group Bank or Non-Conduit Purchaser who has provided a Delayed Funding Notice to reduce the Delayed Amount with respect to such Increase by an amount no greater than the Non-Deferrable Draw Amount with respect to such Purchaser Group as of the related Increase Date. In the event that the Increase Amount with respect to such Deferrable Increase Notice is reduced, but not to zero, then any Delayed Amount with respect to any Purchaser Group shall be reduced on a pro rata basis unless otherwise specified by the Issuer

pursuant to clause (y) above. No Purchaser Group that has provided a Delayed Funding Notice in respect of an Increase (each a "**Delayed Funding Purchaser Group**") shall be considered to be in default of its obligation to fund its Delayed Amount pursuant to this Section 3.3 unless and until it has failed to fund the Delayed Amount (and/or the Delayed Funding Reimbursement Amount with respect to such Delayed Amount) on or before the Delayed Funding Date.

(f) If (i) one or more Delayed Funding Purchaser Groups provides a Delayed Funding Notice to the Issuer in respect of any Increase Date; and (ii) the Issuer shall not have decreased the related Increase Amount to zero or required each such Delayed Funding Purchaser Group to reduce the Delayed Amount with respect to such Increase to zero, in each case, pursuant to Section 3.3(e), the Administrative Agent shall, by no later than **[12:00 noon]** (Toronto time) on the Business Day preceding such Increase Date, direct each Purchaser Group that is not a Delayed Funding Purchaser Group with respect to such Increase Date (each a "**Non-Delayed Funding Purchaser Group**") to fund an additional portion of such Increase Amount on such Increase Date equal to such Non-Delayed Funding Purchaser Group's proportionate share (based upon the Maximum Purchaser Group Principal Amount with respect to such Non-Delayed Funding Purchaser Group relative to the sum of the Maximum Purchaser Group Principal Amounts with respect to all Non-Delayed Funding Purchaser Groups) of the aggregate Delayed Amounts with respect to such Increase Date; provided that no Non-Delayed Funding Purchaser Group shall be required to fund any portion of the aggregate Delayed Amounts that would cause its Purchaser Group Principal Amount to exceed its Maximum Purchaser Group Principal Amount. Subject to Section 3.3(a), in the case of a Non-Delayed Funding Purchaser Group that is a Non-Conduit Purchaser, such Non-Conduit Purchaser hereby agrees, or, in the case of a Non-Delayed Funding Purchaser Group that is a CP Conduit Purchaser Group, the CP Conduit in such CP Conduit Purchaser Group may agree, in its sole discretion, and the Group Bank in such CP Conduit Purchaser Group hereby agrees, to fund such portion of the Increase Amount on such Increase Date.

(g) After the Non-Delayed Funding Purchaser Groups fund a Delayed Amount on any Increase Date in accordance with Section 3.3(f), the Delayed Funding Purchaser Group in respect of such Delayed Amount will be obligated to fund the Delayed Funding Reimbursement Amount with respect to such Delayed Amount on or before its Delayed Funding Date, irrespective of whether the Scheduled Commitment Expiry Date shall have occurred on or prior to such Delayed Funding Date or the Issuer would be able to satisfy the conditions set forth in Section 3.3(c) to an Increase in an amount equal to such Delayed Funding Reimbursement Amount on such Delayed Funding Date. Such Delayed Funding Purchaser Group shall fund such Delayed Funding Reimbursement Amount on such Delayed Funding Date by paying such amount to the Administrative Agent in immediately available funds, and the Administrative Agent shall distribute such funds to each such Non-Delayed Funding Purchaser Group, *pro rata* based on the relative amount of such Delayed Amount funded by such Non-Delayed Funding Purchaser Group on such Increase Date pursuant to Section 3.3(f).

(h) The Indenture Trustee shall apply amounts paid to it pursuant to Section 3.3(d) in the following order of priority:

(i) As to an amount equal to the Series 2017-1 Cash Reserve Required Amount, by deposit to the Series 2017-1 Cash Reserve Account; and

(ii) as to the balance, in respect of the proceeds of the initial purchase of the Series 2017-1 Notes or a Transfer Increase, by application to payment of the purchase price payable by the Issuer to the IESO under the Master Transfer and Servicing Agreement in respect of the related Transfer and, in respect of the proceeds of a Refinancing Increase, by deposit to the Refinancing Account.

3.4 Procedure for Decreasing the Series 2017-1 Principal Amount; Optional Termination

(a) In the case of a Non-Conduit Purchaser Group, the Related Non-Conduit Purchaser hereby agrees, and in the case of a CP Conduit Purchaser Group, each of the CP Conduit Purchasers and the Group Bank in such CP Conduit Purchaser Group hereby agrees, that the Purchaser Group Principal Amount with respect to such Purchaser Group may be decreased by an amount equal to the Commitment Percentage with respect to such Purchaser Group of a Decrease Amount (a "**Decrease**"), upon the request of the Issuer. Each date on which a Decrease in the Series 2017-1 Principal Amount occurs hereunder being herein referred to as the"**Decrease Date**" applicable to such Decrease; provided, however, that the Issuer shall have given the Administrative Agent (with a copy to the Indenture Trustee) irrevocable written notice (effective upon receipt), by telecopy (receipt confirmed), substantially in the form of Schedule D (a "**Decrease Notice**") no later than **[3:00 p.m.]** (Toronto time) on the second Business Day prior to such Decrease Date. Each Decrease Notice shall state (x) the Decrease Date, (y) the proposed amount of the decrease in the Series 2017-1 Principal Amount (a "**Decrease Amount**"), and (z) whether the Decrease is being funded with the proceeds of a Refinancing (a "**Refinancing Decrease**") or pursuant to the application of collected Clean Energy Adjustments (a "**CEA Decrease**").

(b) Upon each Decrease, the Administrative Agent shall indicate in its records such Decrease and the Purchaser Group Principal Amount outstanding with respect to each Purchaser Group after giving effect to such Decrease. Upon receipt of any notice required by this Section 3.4(a) from the Issuer, the Administrative Agent shall forward (by telecopy or electronic messaging system) a copy of such notice to each Non-Conduit Purchaser and the Funding Agent with respect to each CP Conduit Purchaser Group, no later than **[1:00 p.m.]** (Toronto time) on the Business Day received.

(c) On any Business Day, the Issuer shall have the right to deliver an irrevocable written notice (an "**Optional Termination Notice**") to the Administrative Agent in which the Issuer declares that the Commitments shall terminate on the date (the "**Optional Termination Date**") set forth in such notice (which date, in any event, shall be a Payment Date not less than twenty Business Days from the date on which such notice is delivered). Upon receipt of any Optional Termination Notice from the Issuer, the Administrative Agent shall promptly notify each Non-Conduit Purchaser and the Funding Agent with respect to each CP Conduit Purchaser Group thereof.

3.5 Increases and Reductions of the Commitments

(a) The Issuer may from time to time request that any Purchaser Group agree to increase its Maximum Purchaser Group Principal Amount. An increase in such amount shall be effective hereunder if such Purchaser Group shall have agreed in its sole discretion to such increase.

(b) On any Business Day, the Issuer may, upon two (2) Business Days' prior written notice to the Administrative Agent (effective upon receipt) (with copies to the Indenture Trustee) reduce the Series 2017-1 Maximum Principal Amount in an amount equal to $**[10,000,000]** or a whole multiple of $**[1,000,000]** in excess thereof; provided that no such termination or reduction shall be permitted if, after giving effect thereto and to any reduction in the Series 2017-1 Principal Amount on such date, the Purchaser Group Principal Amount with respect to any Purchaser Group would exceed the Maximum Purchaser Group Principal Amount with respect to such Purchaser Group then in effect. Any reduction in the Series 2017-1 Maximum Principal Amount shall be made on a pro rata basis to the Maximum Purchaser Group Principal Amounts with respect to the Purchaser Groups, based on the Maximum Purchaser Group Principal Amount with respect to each Purchaser Group. Once reduced, the Maximum Purchaser Group Principal Amounts may not be subsequently reinstated without each such Purchaser Group's prior written consent, which consent shall be granted or not in the sole discretion of such Purchaser Group.

(c) The Issuer may extend the Scheduled Commitment Expiry Date only with the prior written consent of the Administrative Agent, each Non-Conduit Purchaser and each Funding Agent.

3.6 Interest; Fees and Other Amounts

(a) Interest shall be payable on the Series 2017-1 Senior Notes on each Payment Date.

(b) The Issuer shall pay to each CP Conduit Purchaser Group and each Non-Conduit Purchaser, on each Payment Date, a commitment fee with respect to the preceding Billing Period (the "**Commitment Fee**") during the period from the Series 2017-1 Closing Date to and including the Commitment Expiry Date in an amount equal to the sum of the following amounts calculated for each day during such Billing Period: (x) the Commitment Fee Rate, multiplied by (y) the amount by which Maximum Purchaser Group Principal Amount with respect to such Purchaser Group on such day exceeds the Purchaser Group Principal Amount with respect to such Purchaser Group on such day, and divided by (z) 365. The Commitment Fees shall be payable monthly in arrears on each Payment Date.

(c) The Funding Agent with respect to each CP Conduit Purchaser Group and each Non-Conduit Purchaser shall provide written notice to the Issuer no later than two Business Days prior to each Payment Date, setting forth the Monthly Interest, Fees and Other Amounts with respect to its Related Purchaser Group with respect to the preceding Billing Period.

(d) On each Payment Date, the Monthly Interest, Fees and Other Amounts shall be the amount payable in respect of the Series 2017-1 Notes pursuant to Section 7.04(e)(ii)(A) of the Trust Indenture or Section 8.13(b)(A) of the Trust Indenture, as applicable. On each Payment Date the Indenture Trustee shall, subject to availability of funds, pay to each CP Conduit Purchaser Group and each Non-Conduit Purchaser its Monthly Interest, Fees and Other Amounts with respect to the preceding Billing Period.

(e) If on any Payment Date when distributions of collections are being made under Section 7.04(e)(ii)(A) of the Trust Indenture the amount available to pay Monthly Interest, Fees and Other Amounts under such section is less the Monthly Interest, Fees and Other Amounts, an amount equal to the lesser of (x) such deficiency, and (y) the balance on deposit in the Series

2017-1 Cash Reserve Account shall be withdrawn from the Series 2017-1 Cash Reserve Account and applied to the payment of Monthly Interest, Fees and Other Amounts pursuant to Section 3.6(d).

(f) If the amounts deposited to the Series 2017-1 Distribution Account pursuant to Section 3.6(d) and amounts available pursuant to Section 3.6(e) are insufficient to pay all such amounts in full, the amount available shall be applied in the following order of priority:

(i) Firstly, in respect of Monthly Interest and if insufficient funds are available to pay Monthly Interest in full, to all Purchaser Groups, *pro rata* based on the amount of Monthly Interest owing to each Purchaser Group;

(ii) Secondly, in respect of Commitment Fees and if insufficient funds are available to pay Commitment Fees in full to all Purchaser Groups, *pro rata* based on the amount of Commitment Fees owing to each Purchaser Group; and

(iii) Thirdly, in respect of all other amounts owing to the Purchaser Groups and if insufficient funds are available to pay all other amounts owing in full to all Purchaser Groups, *pro rata* based on the amount of the other amounts owing to each Purchaser Group.

3.7 Repayment of Principal

(a) On each Payment Date, the Payment Date Waterfall Principal Amount shall be the principal amount payable in respect of the Series 2017-1 Senior Notes pursuant to Section 7.04(e)(iii)(A) of the Trust Indenture or Section 8.13(c)(A) of the Trust Indenture, as applicable. On each Payment Date the Indenture Trustee shall, subject to availability of funds, pay to each Non-Conduit Purchaser and each Funding Agent with respect to its Related Purchaser Group, such Purchaser Group's Pro Rata Share of the funds allocated to the Series 2017-1 Senior Notes pursuant to Section 7.04(e)(iii)(A) of the Trust Indenture or Section 8.13(c)(A) of the Trust Indenture, as applicable in repayment of the principal amount of the Series 2017-1 Notes.

(b) If on any Payment Date the amount available to the Purchaser Groups pursuant to Section 7.04(e)(iii)(A) of the Trust Indenture or Section 8.13(c)(A) of the Trust Indenture, as applicable, is less than the Payment Date Waterfall Principal Amount, an amount equal to the lesser of (x) such deficiency, and (y) the balance on deposit in the Series 2017-1 Cash Reserve Account shall be withdrawn from the Series 2017-1 Cash Reserve Account and applied to the repayment of principal amount of the Series 2017-1 Notes.

(c) On each Decrease Date in respect of a Refinancing Decrease Date, the Issuer shall pay to each Non-Conduit Purchaser and each Funding Agent with respect to its Related Purchaser Group, such Purchaser Group's Pro Rata Share of the Decrease Amount.

3.8 Indemnification by the Issuer

The Issuer agrees to indemnify and hold harmless the Indenture Trustee, the Administrative Agent, each Funding Agent, each CP Conduit Purchaser, the Group Bank, each Non-Conduit Purchaser and each of their respective officers, directors, agents and employees (each, an "**Issuer indemnified person**") from and against any loss, liability, expense, damage or injury suffered or

sustained by such Issuer indemnified person by reason of (a) any acts, omissions or alleged acts or omissions arising out of, or relating to, activities of the Issuer pursuant to the Program Agreements to which it is a party; (b) a breach of any representation or warranty made or deemed made by the Issuer (or any of its officers) in any Program Agreement; or (c) a failure by the Issuer to comply with any applicable law or regulation or to perform its covenants, agreements, duties or obligations required to be performed or observed by it in accordance with the provisions of the Program Agreements, including, but not limited to, any judgment, award, settlement, reasonable attorneys' fees and other reasonable costs or expenses incurred in connection with the defense of any actual or threatened action, proceeding or claim, except to the extent such loss, liability, expense, damage or injury resulted from the gross negligence, bad faith or willful misconduct of such Issuer indemnified person or its officers, directors, agents, principals, employees or employers or includes any Excluded Taxes; provided that any payments made by the Issuer pursuant to this Section 3.8 shall be made solely from funds available pursuant to Section **[7.04]** of the Trust Indenture, shall be non-recourse other than with respect to such funds, and shall not constitute a claim against the Issuer to the extent that such funds are insufficient to make such payment.

3.9 Funding Agents

(a) The Funding Agent with respect to each CP Conduit Purchaser Group is hereby authorized to determine the Monthly Interest and Fees with respect to each Billing Period and such CP Conduit Purchaser Group. Any such determination by a Funding Agent, absent manifest error, shall constitute prima facie evidence of the accuracy of the calculation. Furthermore, the Funding Agent with respect to each CP Conduit Purchaser Group will maintain records sufficient to identify the percentage interest of the related CP Conduit Purchaser and the Group Bank with respect to such CP Conduit Purchaser Group holding an interest in the Series 2017-1 Senior Note registered in the name of such Funding Agent and any amounts owing thereunder.

(b) Upon receipt of funds on each Payment Date and the date of any Decrease, each Funding Agent shall pay such funds to the related CP Conduit Purchaser and/or the related Group Bank owed such funds. If a Funding Agent shall have paid to any CP Conduit Purchaser or Group Bank any funds that (i) must be returned for any reason (including bankruptcy); or (ii) exceeds that which such CP Conduit Purchaser or Group Bank was entitled to receive, such amount shall be promptly repaid to such Funding Agent by such CP Conduit Purchaser or Group Bank.

3.10 Taxes

(a) All payments by or on account of any obligation of the Issuer hereunder shall, to the extent allowed by law, be made free and clear of, and without deduction or withholding for or on account of, any present or future income, stamp or other taxes, levies, imposts, duties, charges, fees, deductions or withholdings, now or hereafter imposed, levied, collected, withheld or assessed by any Governmental Authority (collectively, "**Taxes**"), excluding (i) income taxes (including branch profit taxes, minimum taxes and taxes computed under alternative methods, at least one of which is based on or measured by net income), franchise taxes (imposed in lieu of income taxes), or any other taxes based on or measured by the net income of the Purchaser (but specifically excluding any taxes required to be withheld under Section 1446 of the *Internal Revenue Code* of 1986 (as amended, the "**Code**")) as a result of a present or former connection between the recipient and the jurisdiction of the governmental authority imposing such tax (other

than any such connection arising solely from the recipient having executed, delivered or performed its obligations or received a payment under, disposed of, or enforced, this Supplemental Indenture); and (ii) any Taxes imposed under FATCA (as defined below) (including in the case of (i) and (ii), any interest, penalties and additions to tax) (all such excluded taxes being hereinafter called "**Excluded Taxes**"). If any Taxes, other than Excluded Taxes, are required to be withheld from any amounts payable to a recipient hereunder, the amounts so payable to the recipient shall be increased, and the recipient shall be entitled to be paid by the Issuer the amount of such increase to the extent necessary to yield to the recipient (after payment of all such Taxes other than Excluded Taxes) interest or any such other amounts payable hereunder or thereunder at the rates or in the amounts specified hereunder. Where the amount payable by the Issuer is increased in accordance with the previous sentence, the Monthly Interest and Fees shall be increased by the amount of such increase. Whenever any Taxes are payable on or with respect to amounts distributed to a recipient, as promptly as possible thereafter the Issuer shall send to such recipient a certified copy of an original official receipt showing payment thereof.

(b) If a payment by or on account of any obligation of the Issuer hereunder would be subject to U.S. federal withholding Tax imposed by provisions of Chapter 4 of the Code ("**FATCA**") if the recipient of such payment were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such recipient shall deliver to the Issuer at the time or times prescribed by law and at such time or times reasonably requested by the Issuer such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Issuer as may be necessary for the Issuer to comply with their obligations under FATCA and to determine that such recipient has complied with it's obligations under FATCA or to determine the amount to deduct and withhold from such payment. If any form or certification it previously delivered by a recipient expires or becomes obsolete or inaccurate in any respect, the recipient shall update such form or certification or promptly notify the Issuer in writing of its legal inability to do so.

(c) If a recipient is legally entitled to receive a refund of any Taxes (other than Excluded Taxes) as to which it has been indemnified or with respect to which additional amounts have been paid to it hereunder or it is legally entitled to receive a credit or deduction with respect to such Taxes or with respect to such additional amounts that have been paid hereunder (in each case pursuant to Section 3.10(a)), it shall use commercially reasonable efforts to obtain or claim such refund, credit or deduction and pay over such refund or the value of such credit or deduction to the Issuer, together with any interest thereon.

3.11 Increased Costs

(a) (i) If any Regulatory Change (x) subjects any Non-Conduit Purchaser, CP Conduit Purchaser, Group Bank Purchaser or any Program Support Party (an "**Affected Person**") to any charge or withholding on or with respect to any Support Facility or this Supplemental Indenture or an Affected Person's obligations under a Support Facility or this Supplemental Indenture, or changes the basis of taxation of payments to any Affected Person of any amounts payable under any Support Facility or this Supplemental Indenture Agreement (except for changes in the rate of tax on the overall net income of an Affected Person or Excluded Taxes) or (y) imposes, modifies or deems applicable any reserve, assessment, fee, tax, insurance charge, special deposit or similar requirement against assets of, deposits with or for the account of, or liabilities of an Affected

Person, or credit extended by an Affected Person pursuant to a Support Facility or this Supplemental Indenture or (z) imposes any other condition the result of which is to increase the cost to an Affected Person of performing its obligations under a Support Facility or this Supplemental Indenture, or to reduce the rate of return on an Affected Person's capital or assets as a consequence of its obligations under a Support Facility or this Supplemental Indenture, or to reduce the amount of any sum received or receivable by an Affected Person under a Support Facility or this Supplemental Indenture, or to require any payment calculated by reference to the amount of interests or loans held or interest received by it, then, upon written request by such Affected Party (through the Funding Agent for its Purchaser Group if the Affected Party is a Program Support Provider, CP Conduit Purchaser or Group Bank) of a written request therefore to the Issuer, such Affected Party (through the Funding Agent for its Purchaser Group if the Affected Party is a Program Support Provider, CP Conduit Purchaser or Group Bank) shall be entitled to be paid, such amounts charged to such Affected Party or such amounts to otherwise compensate such Affected for such increased cost or such reduction, no later than the Payment Date following receipt by the Issuer of such request for compensation under this Section 3.11(a)(i), if such request is received by the Issuer no later than five (5) Business Days prior to the end of the Billing Period related to such Payment Date, and otherwise on the following Payment Date.

(ii) The Issuer acknowledges that any Affected Party may implement, as an internal institutional matter, measures in anticipation of a final or proposed Regulatory Change (including, without limitation, the imposition of internal charges on such Affected Party's interest or obligations under any Support Agreement or this Supplemental Indenture) and may commence recognizing the incurrence of charges by and seeking compensation under Section 3.11(a)(i) in connection with such measures, in advance of the effective date of such final or proposed Regulatory Change, and the Issuer agrees that such charges or compensation shall be payable, to the related Funding Agent, for the benefit of Affected Party, following demand therefor without regard to whether such proposed Regulatory Change has been adopted or whether such effective date has occurred; provided, that (I) the Affected Party shall provide sixty (60) days prior written notice to the Issuer of its intent to impose or incur any such charges or compensation, (II) an Affected Party shall not be compensated for any such amount pursuant to this subsection 3.11(a)(ii) relating to any period ending, and of which such Affected Party has had knowledge, more than ninety (90) days prior to the date that such Affected Party provided the Issuer with the written notice contemplated by the preceding clause (I) of this subsection 3.11(a)(ii), (III) if, after the payment by the Trust of any charges or compensation pursuant to this subsection 3.11(a)(ii), either (A) the Issuer requests in writing that the applicable Affected Party recompute any such charge or compensation in light of differences between a proposed Regulatory Change and the final effective version thereof or (B) the applicable Affected Party determines that the amount of the charge imposed on and required to be compensated by the Issuer exceeds the amount necessary to compensate it for the applicable Regulatory Change as contemplated by subsection 3.11(a)(i), then (x) the amount of such charge or compensation shall, from and after such determination, be reduced by the amount of such excess and (y) such Affected Party shall, within thirty (30) days of such determination, either repay the amount of such excess or credit the amount of such excess against future charges under this subsection 3.11(a)(ii). The Issuer further acknowledges that any charge or compensation demanded hereunder may take the form of a monthly charge to be assessed by such Affected Party.

(b) Each Affected Party claiming increased amounts described in subsection 3.11(a) of this Supplemental Indenture will furnish to the Issuer (together with its request for compensation) a certificate prepared in good faith setting forth the basis and the calculation of the amount (in reasonable detail) of each request by such Affected Party for any such increased amounts referred to in subsection 3.11(a) hereof. Any such certificate shall be conclusive absent manifest error. Failure on the part of any Affected Party to demand compensation for any amount pursuant to subsection 3.11(a) hereof with respect to any period shall not constitute a waiver of such Affected Party's right to demand compensation with respect to such period.

ARTICLE 8
AGENTS

8.1 Administrative Agent

(a) Each of the Non-Conduit Purchasers, CP Conduit Purchasers, the Group Banks and the Funding Agents hereby irrevocably designates and appoints the Administrative Agent as the agent of such Person under this Supplemental Indenture and irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Supplemental Indenture and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Supplemental Indenture, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Supplemental Indenture, the Administrative Agent shall not have any duties or responsibilities except those expressly set forth herein, or any fiduciary relationship with any Non-Conduit Purchaser, any CP Conduit Purchaser, any Group Bank or any Funding Agent, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Supplemental Indenture or otherwise exist against the Administrative Agent.

(b) The Administrative Agent may execute any of its duties under this Supplemental Indenture by or through agents or attorneys in fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. The Administrative Agent shall not be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care.

(c) Neither the Administrative Agent nor any of its officers, directors, employees, agents, attorneys in fact or Affiliates shall be (i) liable for any action lawfully taken or omitted to be taken by it or such Person under or in connection with the Trust Indenture, this Supplemental Indenture or any other Program Agreement (except to the extent that any of the foregoing are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from its or such Person's own gross negligence or willful misconduct) or (ii) responsible in any manner to any of the Non-Conduit Purchasers, the CP Conduit Purchasers, the Group Banks or the Funding Agents for any recitals, statements, representations or warranties made by the Issuer, the IESO, the Manager or any officer thereof contained in this Supplemental Indenture or any other Program Agreement or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this

Supplemental Indenture or any other Program Agreement or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Supplemental Indenture, any other Program Agreement, or for any failure of any of the Issuer, the Manager or the IESO to perform its obligations hereunder or thereunder. The Administrative Agent shall not be under any obligation to any Non-Conduit Purchaser, any CP Conduit Purchaser, any Group Bank or any Funding Agent to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Supplemental Indenture, any other Program Agreement or to inspect the properties, books or records of the Issuer, the Manager or the IESO.

(d) The Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter or telecopy message, statement, order or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including, without limitation, counsel to the Issuer, the Manager or the IESO), independent accountants and other experts selected by the Administrative Agent.

(e) The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Termination Event unless the Administrative Agent has received written notice from a Non-Conduit Purchaser, a CP Conduit Purchaser, a Group Bank, a Funding Agent, the Issuer or the Manager referring to the Trust Indenture or this Supplemental Indenture, describing such Termination Event and stating that such notice is a "notice of a Termination Event". In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give notice thereof to the Non-Conduit Purchasers, the Funding Agents, the Issuer Trustee and the Manager.

(f) Each of the Non-Conduit Purchasers, the CP Conduit Purchasers, the Group Banks and the Funding Agents expressly acknowledges that neither the Administrative Agent nor any of its officers, directors, employees, agents, attorneys in fact or Affiliates has made any representations or warranties to it and that no act by the Administrative Agent hereinafter taken, including any review of the affairs of the Issuer, the Manager or the IESO shall be deemed to constitute any representation or warranty by the Administrative Agent to any such Person. Each of the Non-Conduit Purchasers, the CP Conduit Purchasers, the Group Banks and the Funding Agents represents to the Administrative Agent that it has, independently and without reliance upon the Administrative Agent or any other Non-Conduit Purchaser, CP Conduit Purchaser, Group Bank or Funding Agent and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Issuer, the Manager and the IESO and made its own decision to enter into this Supplemental Indenture. Each of the Non-Conduit Purchasers, the CP Conduit Purchasers, the Group Banks and the Funding Agents also represents that it will, independently and without reliance upon the Administrative Agent or any other Non-Conduit Purchaser, CP Conduit Purchaser, Group Bank or Funding Agent, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Supplemental Indenture and the other Program Agreements, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Issuer, the Manager and the IESO. Except for notices, reports and other documents expressly required to be furnished to the Non-Conduit Purchasers and the Funding Agents by the Administrative Agent hereunder, the Administrative Agent shall have no duty or responsibility to

provide any Non-Conduit Purchaser, any CP Conduit Purchaser, any Group Bank or any Funding Agent with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of the Issuer, the Manager or the IESO which may come into the possession of the Administrative Agent or any of its officers, directors, employees, agents, attorneys in fact or Affiliates.

(g) The Administrative Agent and its Affiliates may make loans to, accept deposits from and generally engage in any kind of business with the Issuer, the Manager and the IESO as though the Administrative Agent were not the Administrative Agent hereunder. With respect to any Series 2017-1 Senior Note held by the Administrative Agent, the Administrative Agent shall have the same rights and powers under this Supplemental Indenture and the other Program Agreements as any Group Bank or Funding Agent and may exercise the same as though it were not the Administrative Agent, and the terms "Group Bank," and "Funding Agent" shall include the Administrative Agent in its individual capacity.

(h) The Administrative Agent may resign as Administrative Agent at any time by giving 30 days' notice to the Non-Conduit Purchasers, the Funding Agents, the Indenture Trustee, the Issuer and the Manager. If ● shall resign as Administrative Agent under this Supplemental Indenture, then the Requisite Series 2017-1 Noteholders shall appoint a successor administrative agent from among the Non-Conduit Purchasers and Funding Agents, whereupon such successor agent shall succeed to the rights, powers and duties of the Administrative Agent, and the term "Administrative Agent" shall mean such successor agent effective upon such appointment and approval, and the former Administrative Agent's rights, powers and duties as Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Supplemental Indenture. If no successor administrative agent has accepted appointment as Administrative Agent prior to the effective date of the resignation of the Administrative Agent, the retiring Administrative Agent may appoint, after consulting with the Non-Conduit Purchasers and the Funding Agents, a successor Administrative Agent from among the Non-Conduit Purchasers and the Funding Agents. If no successor administrative agent has accepted appointment by the date which is thirty (30) days following a retiring Administrative Agent's notice of resignation, the retiring Administrative Agent's resignation shall nevertheless thereupon become effective and Manager shall assume and perform all of the duties of the Administrative Agent hereunder until such time, if any, as the Requisite Series 2017-1 Noteholders appoint a successor administrative agent as provided for above. After any retiring Administrative Agent's resignation as Administrative Agent, the provisions of this Article 8 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Supplemental Indenture.

8.2 Funding Agents

(a) Each CP Conduit Purchaser and each Group Bank with respect to such CP Conduit Purchaser hereby irrevocably designates and appoints the Funding Agent set forth next to such CP Conduit Purchaser's name on Schedule E as the agent of such Person under this Supplemental Indenture and irrevocably authorizes such Funding Agent, in such capacity, to take such action on its behalf under the provisions of this Supplemental Indenture and to exercise such powers and perform such duties as are expressly delegated to such Funding Agent by the terms of this Supplemental Indenture, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Supplemental Indenture, each Funding Agent shall not have any duties or responsibilities except those

expressly set forth herein, or any fiduciary relationship with any CP Conduit Purchaser or Group Bank and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Supplemental Indenture or otherwise exist against each Funding Agent.

(b) Each Funding Agent may execute any of its duties under this Supplemental Indenture by or through agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. Each Funding Agent shall not be responsible to the CP Conduit Purchaser or any Group Bank in its CP Conduit Purchaser Group for the negligence or misconduct of any agents or attorneys in fact selected by it with reasonable care.

(c) Each Funding Agent and any of its officers, directors, employees, agents, attorneys in fact or Affiliates shall not be (i) liable for any action lawfully taken or omitted to be taken by it or such Person under or in connection with the Trust Indenture, this Supplemental Indenture or any other Program Agreement (except to the extent that any of the foregoing are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from its or such Person's own gross negligence or willful misconduct) or (ii) responsible in any manner to any of the CP Conduit Purchasers and/or Group Banks for any recitals, statements, representations or warranties made by the Issuer, the Manager or the IESO, or any officer thereof contained in this Supplemental Indenture or any other Program Agreement or in any certificate, report, statement or other document referred to or provided for in, or received by such Funding Agent under or in connection with, this Supplemental Indenture or any other Program Agreement or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Supplemental Indenture, any other Program Agreement, or for any failure of any of the Issuer, the Manager or the IESO to perform its obligations hereunder or thereunder. Each Funding Agent shall not be under any obligation to the CP Conduit Purchaser or any Group Bank in its CP Conduit Purchaser Group to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Supplemental Indenture, any other Program Agreement or to inspect the properties, books or records of the Issuer, the Manager or the IESO.

(d) Each Funding Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter or telecopy message, statement, order or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including, without limitation, counsel to the Issuer, the Manager or the IESO), independent accountants and other experts selected by such Funding Agent. Each Funding Agent shall be fully justified in failing or refusing to take any action under this Supplemental Indenture or any other Program Agreement unless it shall first receive such advice or concurrence of the Related Purchaser Group, as it deems appropriate or it shall first be indemnified to its satisfaction by the Related Purchaser Group against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action.

(e) Each Funding Agent shall not be deemed to have knowledge or notice of the occurrence of any Termination Event unless such Funding Agent has received written notice from a Non-Conduit Purchaser, a CP Conduit Purchaser, a Group Bank, the Issuer, the Manager or the Administrative Agent referring to the Trust Indenture or this Supplemental Indenture, describing such Termination Event and stating that such notice is a "notice of a Termination Event," as the case may be. In the event that any Funding Agent receives such a notice, such Funding Agent shall give notice thereof to the CP Conduit Purchaser and Group Bank in its CP Conduit Purchaser Group. Such Funding Agent shall take such action with respect to such event as shall

be reasonably directed by the CP Conduit Purchaser and Group Bank in its CP Conduit Purchaser Group, provided that unless and until such Funding Agent shall have received such directions, such Funding Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such event as it shall deem advisable in the best interests of the CP Conduit Purchaser and Group Bank in its CP Conduit Purchaser Group.

(f) Each CP Conduit Purchaser and each of the related Group Banks expressly acknowledge that neither its Funding Agent nor any of its officers, directors, employees, agents, attorneys in fact or Affiliates has made any representations or warranties to it and that no act by such Funding Agent hereinafter taken, including any review of the affairs of the Issuer, the Manager or the IESO shall be deemed to constitute any representation or warranty by such Funding Agent to any such Person. Each CP Conduit Purchaser and each of the related Group Banks represents to its Funding Agent that it has, independently and without reliance upon such Funding Agent and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Issuer, the Manager and the IESO and made its own decision to enter into this Supplemental Indenture. Each CP Conduit Purchaser and each of the related Group Banks also represents that it will, independently and without reliance upon its Funding Agent and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Supplemental Indenture and the other Program Agreements, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other conditions and creditworthiness of the Issuer, the Manager and the IESO.

(g) Each Group Bank in a CP Conduit Purchaser Group agrees to indemnify its Funding Agent in its capacity as such (to the extent not reimbursed by the Issuer and without limiting the obligation of the Issuer to do so), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever which may at any time be imposed on, incurred by or asserted against such Funding Agent in any way relating to or arising out of this Supplemental Indenture, any of the other Program Agreements or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Funding Agent under or in connection with any of the foregoing; provided that no Group Bank shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from such related Funding Agent's gross negligence or willful misconduct. The agreements in this Section shall survive the payment of all amounts payable hereunder.

ARTICLE 9
GENERAL

9.1 Successor and Assigns

(a) This Supplemental Indenture shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, except that (i) the Issuer may not assign or transfer any of its rights under this Supplemental Indenture without the prior written consent of all of the Series 2017-1 Noteholders; (ii) no Non-Conduit Purchaser may assign or transfer any of its rights under this Supplemental Indenture other than pursuant to paragraph (e) or (f) below;

(iii) no CP Conduit Purchaser may assign or transfer any of its rights under this Supplemental Indenture other than to the Group Bank with respect to such CP Conduit Purchaser or a Program Support Provider with respect to such CP Conduit Purchaser or pursuant to clause (b) or (e) below of this Section 9.1; and (iv) no Group Bank may assign or transfer any of its rights or obligations under this Supplemental Indenture except to a Program Support Provider or pursuant to clause (c), (d) or (e) below of this Section 9.1.

(b) Without limiting the foregoing, each CP Conduit Purchaser may assign all or a portion of the Purchaser Group Principal Amount with respect to such CP Conduit Purchaser and its rights and obligations under this Supplemental Indenture to a Conduit Assignee with respect to such CP Conduit Purchaser. Prior to or concurrently with the effectiveness of any such assignment (or if impracticable, immediately thereafter), the assigning CP Conduit Purchaser shall notify the Administrative Agent and the Issuer. Upon such assignment by a CP Conduit Purchaser to a Conduit Assignee, (i) such Conduit Assignee shall be the owner of the Purchaser Group Principal Amount or such portion thereof with respect to such CP Conduit Purchaser; (ii) the related administrative or managing agent for such Conduit Assignee will act as the administrative agent for such Conduit Assignee hereunder, with all corresponding rights and powers, express or implied, granted to the Funding Agent hereunder; (iii) such Conduit Assignee and its liquidity support provider(s) and credit support provider(s) and other related parties shall have the benefit of all the rights and protections provided to such CP Conduit Purchaser herein (including, without limitation, any limitation on recourse against such Conduit Assignee as provided in this paragraph); (iv) such Conduit Assignee shall assume all of such CP Conduit Purchaser's obligations, if any, hereunder with respect to such portion of the Purchaser Group Principal Amount and such CP Conduit Purchaser shall be released from such obligations; (v) all distributions in respect of the Purchaser Group Principal Amount or such portion thereof with respect to such CP Conduit Purchaser shall be made to the applicable agent or administrative agent, as applicable, on behalf of such Conduit Assignee; and (vi) if requested by the Administrative Agent or the agent or administrative agent with respect to the Conduit Assignee, the parties will execute and deliver such further agreements and documents and take such other actions as the Administrative Agent or such agent or administrative agent may reasonably request to evidence and give effect to the foregoing. No assignment by any CP Conduit Purchaser to a Conduit Assignee of the Purchaser Group Principal Amount with respect to such CP Conduit Purchaser shall in any way diminish the obligations of the Group Bank with respect to such CP Conduit Purchaser under Section 3.3 to fund any Increase.

(c) Any Group Bank may, in the ordinary course of its business and in accordance with applicable law, at any time sell all or any part of its rights and obligations under this Supplemental Indenture and the Series 2017-1 Senior Notes, with the prior written consent of the Administrative Agent and the Issuer (in each case, which consent shall not be unreasonably withheld), to one or more banks (an "**Acquiring Group Bank**") pursuant to a transfer supplement, substantially in the form of Exhibit H (the "**Transfer Supplement**"), executed by such Acquiring Group Bank, such assigning Group Bank, the Funding Agent with respect to such Group Bank, the Administrative Agent and the Issuer and delivered to the Administrative Agent. Notwithstanding the foregoing, no Group Bank shall so sell its rights hereunder if such Acquiring Group Bank is not an Eligible Assignee.

(d) Any Group Bank may, in the ordinary course of its business and in accordance with applicable law, at any time sell to one or more financial institutions or other entities ("**Group**

Bank Participants") participations in its Commitment Amount with respect to its related CP Conduit Purchaser Group, its Series 2017-1 Senior Note and its rights hereunder pursuant to documentation in form and substance satisfactory to such Group Bank and the Group Bank Participant; provided, however, that (i) in the event of any such sale by a Group Bank to a Group Bank Participant, (A) such Group Bank's obligations under this Supplemental Indenture shall remain unchanged, (B) such Group Bank shall remain solely responsible for the performance thereof, and (C) the Issuer and the Administrative Agent shall continue to deal solely and directly with such Group Bank in connection with its rights and obligations under this Supplemental Indenture; and (ii) no Group Bank shall sell any participating interest under which the Group Bank Participant shall have rights to approve any amendment to, or any consent or waiver with respect to, this Supplemental Indenture, the Trust Indenture or any Program Agreement, except to the extent that the approval of such amendment, consent or waiver otherwise would require the unanimous consent of all Group Banks hereunder. A Group Bank Participant shall have the right to receive compensation pursuant to Section 3.11 but only to the extent that the related selling Group Bank would have had such right absent the sale of the related participation and, with respect to amounts due pursuant to Section 3.11, only to the extent such Group Bank Participant shall have complied with the provisions of Section 3.11 as if such Group Bank Participant were a Group Bank.

(e) Any CP Conduit Purchaser and the Group Bank with respect to such CP Conduit Purchaser may at any time sell all or any part of their respective rights and obligations, and any Non-Conduit Purchaser may at any time sell all or any part of its rights and obligations, under this Supplemental Indenture and the Series 2017-1 Senior Notes, with the prior written consent of the Administrative Agent and the Issuer (in each case, which consent shall not be unreasonably withheld), (x) to a multi-seller commercial paper conduit and one or more banks providing support to such multi-seller commercial paper conduit, or (y) to a financial institution or other entity (an "**Acquiring Purchaser Group**") pursuant to a transfer supplement, substantially in the form of Exhibit I (the "**Purchaser Group Supplement**"), executed by such Acquiring Purchaser Group (including the CP Conduit Purchaser and the Group Banks, if any, with respect to such Acquiring Purchaser Group), the Funding Agent, if any, with respect to such Acquiring Purchaser Group, such assigning Purchaser Group (including the Group Banks, if any, with respect to such assigning Purchaser Group), the Funding Agent, if any, with respect to such assigning Purchaser Group and the Administrative Agent and the Issuer and delivered to the Administrative Agent.

(f) Any Non-Conduit Purchaser may, in the ordinary course of its business and in accordance with applicable law, at any time sell to one or more financial institutions or other entities ("**Non-Conduit Purchaser Participants**") participations in its Commitment, its Series 2017-1 Senior Note and its rights hereunder pursuant to documentation in form and substance satisfactory to such Non-Conduit Purchaser and the Non-Conduit Purchaser Participant; provided, however, that (i) in the event of any such sale by a Non-Conduit Purchaser to a Non-Conduit Purchaser Participant, (A) such Non-Conduit Purchaser's obligations under this Supplemental Indenture shall remain unchanged, (B) such Non-Conduit Purchaser shall remain solely responsible for the performance thereof, and (C) the Issuer and the Administrative Agent shall continue to deal solely and directly with such Non-Conduit Purchaser in connection with its rights and obligations under this Supplemental Indenture; and (ii) no Non-Conduit Purchaser shall sell any participating interest under which the Non-Conduit Purchaser Participant shall have rights to approve any amendment to, or any consent or waiver with respect to, this Supplemental

Indenture, the Trust Indenture or any Program Agreement, except to the extent that the approval of such amendment, consent or waiver otherwise would require the unanimous consent of all Series 2017-1 Noteholders hereunder. A Non-Conduit Purchaser Participant shall have the right to receive compensation under Section 3.11 but only to the extent that the related selling Non-Conduit Purchaser would have had such right absent the sale of the related participation and, with respect to amounts due pursuant to Section 3.11, only to the extent such Non-Conduit Purchaser Participant shall have complied with the provisions of Section 3.11 as if such Non-Conduit Purchaser Participant were a Non-Conduit Purchaser.

(g) The Issuer authorizes each Group Bank and Non-Conduit Purchaser to disclose to any Group Bank Participant, Acquiring Group Bank, Non-Conduit Purchaser Participant or Acquiring Purchaser Group (each, a "**Transferee**") and any prospective Transferee any and all financial information in such Group Bank's or Non-Conduit Purchaser's possession concerning the Issuer, the Issuer Investment Asset and the Program Agreements which has been delivered to such Group Bank by the Issuer or the Manager in connection with such Group Bank's credit evaluation of the Issuer and the Issuer Investment Asset.

(h) Notwithstanding any other provision of this Supplemental Indenture to the contrary, any Non-Conduit Purchaser, any Group Bank or any Program Support Provider may at any time pledge or grant a security interest in all or any portion of its rights under its Series 2017-1 Senior Note and this Supplemental Indenture to secure obligations of such Non-Conduit Purchaser, such Group Bank or such Program Support Provider to a Federal Reserve Bank or the Bank of Canada, without notice to or consent of the Administrative Agent, the Issuer or the Administrator; provided that no such pledge or grant of a security interest shall release a Non-Conduit Purchaser or an Group Bank from any of its obligations hereunder or substitute any such pledgee or grantee for such Non-Conduit Purchaser or such Group Bank as a party hereto.

9.2 Waiver

Without limiting the requirements of Section 11.02 of the Trust Indenture which shall be applicable to this Supplemental Indenture, no waiver of any provision of this Supplemental Indenture or consent to any departure by the Issuer from any provision of this Supplemental Indenture will be effective (in whole or in part) unless in writing and signed by the Requisite Series 2017-1 Noteholders. Such waiver will be effective only in the specific instance, for the specific purpose and for the specific length of time for which it is given by the Requisite Series 2017-1 Noteholders.

9.3 Notice

All notices, requests, instructions and demands to or upon any party hereto to be effective shall be given (a) in the case of the Issuer and the Indenture Trustee, in the manner set forth in Article 16 of the Trust Indenture; and (b) in the case of the Administrative Agent, the Non-Conduit Purchasers, the CP Conduit Purchasers, the Group Banks and the Funding Agents, in writing, and, unless otherwise expressly provided herein, shall be deemed to have been duly given or made when delivered by hand or three days after being deposited in the mail, postage prepaid, in the case of facsimile notice, when received, or in the case of overnight air courier, one Business Day after the date such notice is delivered to such overnight courier, addressed as follows in the case of the Administrative Agent and to the addresses therefor set forth in Schedule E, in the case of the Non-Conduit Purchasers, the CP Conduit Purchasers, the Group

Banks and the Funding Agents; or to such other address as may be hereafter notified by the respective parties hereto:

9.4 No Waiver: Remedies

No failure on the part of any party to exercise, and no delay in exercising, any power, right or remedy hereunder will operate as a waiver thereof; nor will any single or partial exercise of any such power, right or remedy hereunder preclude any other or further exercise thereof or the exercise of any other power, right or remedy. The rights and remedies herein provided are cumulative and not exclusive of any remedies provided by applicable law.

9.5 Entire Agreement

This Supplemental Indenture, the Fee Letter, the Trust Indenture and the other Program Agreements contain the entire agreement between the parties relative to the subject matter hereof and supersede all prior and contemporaneous agreements, term sheets, commitments, understandings, negotiations and discussions, whether oral or written. Subject: RE: Fair Hydro -- Change of Law Assumption Agreement

Toby,

Thanks for your email. Based on the term sheet, since the Province isn't guaranteeing the obligations under these agreements but only stepping in if there is a change of law "protection event", we did not expect the drafting of the Change of Law Protection Agreement would be implicated by these other agreements (particularly now that we have proposed dealing with the Province's approval of the various program agreements in a separate procedures document). We also understand that in order to be in a position to close on a financing before year end, the Change of Law Protection Agreement needs to be substantially settled by early November. If that is still the case, then we expect the dealers and their counsel will need to see a draft in this coming week.

In the interest of time, we have attached an initial draft of the supplemental indenture for the warehouse facility which, as noted previously, has not yet been reviewed by OPG and Torys. The supplemental for the long term financing will be a simpler document - with mechanics for issuing the notes and pricing information but likely no additional covenants and events of default and no drawdown mechanics like the warehouse facility.

We will start copying the Province and Blakes on circulations of all documents going forward. Please let us know if the entire team on this email should be copied or only Blakes and the Provincial legal team.

Best Regards,

Nina

Nina,

We are working on a draft of the Change of Law Protection Agreement, but cannot complete the drafting until we have seen a draft of the Supplemental Indenture and the other instruments that are to be guaranteed.

We are also working on drafting some responses and comments to your comments from Wednesday on the approval process document, and will get back to you with those soon.

Best

Toby

Toby,

In the interest of time, we have drafted a procedures agreement incorporating the approval mechanics we circulated below. As noted in previous correspondence, we think the approval process should be the subject of a separate agreement and not included in the Change of Law Protection Agreement you are drafting. Please note that the attached remains subject to the continuing review of OPG and Torys.

Can you please also let us know when we can expect to see a draft of the Change of Law Protection Agreement?

Many thanks,

Nina
