Hi Shajee,
Not sure if John is around…was wondering if you've heard anything on the status of the directive? Anthony expressed that he hoped to have the agreement signed today (he's calling Moody's), but either way I'm hoping to let him know where we are…
Thanks,
Sarah

Hi Sarah,

Sorry, I got sidetracked while responding to you earlier. No, we don't have a response yet but Ron is escalating to MO directly. Will keep you posted.

My suggestion is to say it is in the works.

Hi John,

In general, the purpose is to clarify that the Agreement and its Schedules take precedence over any discussions or undertakings that may have occurred between the parties prior to the execution of the agreement. In other words, the OFA may not agree to amend the agreement, for example, to change the permitted liens or remove the intercept provisions, on the basis of previous discussions or e-mails with the IESO.

The clause, which is generally boiler plate in an agreement, states as follows:

This Agreement and the Schedules constitutes the whole agreement between the Parties with respect to the matters dealt with in it, and it supersedes any prior agreements, undertakings, discussions and the like respecting the matters dealt with in this Agreement and entered into by the parties before the date the OFA signs this Agreement.

Thanks,

Lisa

Hi Will,

Please find attached a revised black-lined version of the FHP credit facility agreement. The only change from the last version is the addition of an “entire agreement” clause in section 7.8, as discussed at our internal meeting last week. Please send this amendment to the IESO (and re-format the accompanying draft clean execution version as necessary).

Thank you,

Lisa

ARTICLE 2
REVOLVING CREDIT FACILITY

Section 2.1 Availability.

The OFA agrees, on the terms and conditions of this Agreement, to make Advances to the IESO. The OFA shall make each Advance in Dollars.

Section 2.2 Use of Proceeds.

The IESO shall use the proceeds of Advances for the purposes for which it is authorized to borrow funds pursuant to Regulation 280/14 made under the *Electricity Act, 1998*, as such regulation may be amended or replaced from time to time, subject to the condition that proceeds of Advances may be used only for IESO's financing needs and requirements of any kind arising in connection with the IESO's role with respect to and obligations under the OFHP.

Section 2.3 Credit Facility Limit.

The Advances Outstanding shall not at any time exceed the Commitment. The Credit Facility shall revolve and no payment under the Credit Facility shall reduce the Commitment.

Section 2.4 Mandatory Repayment.

Subject to Sections 2.5 and 5.2, the IESO shall repay each Advance together with the interest accrued thereon on the applicable Repayment Date, and, in any event, shall repay all Advances Outstanding, together with all accrued interest and all other amounts owing hereunder on September 30, 2022.

Section 2.5 Prepayments.

The IESO is not entitled to prepay any part of the Advances Outstanding or the interest accrued thereon without the prior written consent of the OFA.

Section 2.6 Payments under this Agreement.

(1) The OFA shall make Advances to the IESO under this Agreement to or to the order of the IESO by wire transfer of immediately available funds in accordance with wire transfer instructions given by the IESO to the OFA from time to time, or in such other manner as the IESO may specify to the OFA from time to time.

(2) The IESO shall make any payment required hereunder to be made by it to the OFA, to or to the order of the OFA, by wire transfer of immediately available funds in accordance with wire transfer instruction given by the OFA to the IESO from time to time, or in such other manner as the OFA may specify to the IESO from time to time. The IESO shall make each such payment in Canadian Dollars.

Section 2.7 Computations of Interest.

(1) All computations of interest shall be made by the OFA taking into account the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest is payable on the basis of a year of 365 days or 366 days, as the case may be.

(2) For the purposes of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest which is equivalent to a rate of interest payable under this Agreement for any period of less than a year may be determined by multiplying the rate of interest for such period by a fraction, the numerator of which is the actual number of days in a year commencing on and including the first day in such period and ending on but excluding the corresponding day in the next calendar year and the denominator of which is the actual number of days in such period.

Section 2.8 Limit on Rate of Interest.

(1) Notwithstanding any provision contained in this Agreement, the IESO shall not be obliged to make any payments of interest or other amounts payable to the OFA hereunder in excess of the amount or rate which would be prohibited by applicable law or would result in the receipt by the OFA of interest at a criminal rate (as such terms are construed under the *Criminal Code* (Canada)).

(2) In the event that any such payments are limited or prohibited as provided in Section 2.8(1), the OFA shall have no further obligation to make any Advances available hereunder and the Advances Outstanding, together with all accrued interest and all other amounts owing hereunder, shall become immediately due and payable.

Section 2.9 Application of Payments.

All payments made by the IESO under this Agreement shall be applied firstly to the payment of interest payable to the OFA on late payments of principal or interest hereunder, secondly, to the payment of accrued and unpaid interest payable to the OFA hereunder and thirdly, to the payment of the outstanding principal amount of any Advances payable to the OFA.

ARTICLE 3
ADVANCES

Section 3.1 Advances.

The OFA agrees, on the terms and conditions of this Agreement, to make Advances to the IESO under the Credit Facility from time to time on any Business Day prior to September 23, 2022.

Section 3.2 Procedure for Advances.

(1) Subject to Section 3.3(5), each Advance shall be made subject to two Business Days' prior notice given not later than 10:00 a.m. (Toronto time) by the IESO to the OFA. Each notice of an Advance (a "**Borrowing Notice**") shall be substantially in the form of Schedule 1, other than a Borrowing Notice that is included in an Election Notice as permitted by Section 3.3(3). Each Borrowing Notice shall be irrevocable and binding on the IESO and shall specify (a) the requested date of the Advance; (b) the principal amount of the Advance, and (c) the Repayment Date of the Advance which shall not be earlier than 5 days and not later than 95 days after the date of the requested Advance. Each Borrowing Notice shall also certify the use of proceeds of the Advance which shall in any case be in accordance with Section 2.2. The OFA will make the principal amount of each Advance available to the IESO in accordance with Article 2.

(2) On or before the date of the first Advance hereunder, the IESO shall execute and deliver to the OFA a grid promissory note in respect of Advances substantially in the form of Schedule 3 (the "**Grid Note**"). The IESO authorizes the OFA to record on the Grid Note (a) the date and amount of each Advance or Continued Advance; (b) the applicable rate of interest for each Advance or Continued Advance; (c) the Repayment Date of each Advance or Continued Advance; (d) the date and amount of each payment of interest and each payment of principal or portion thereof in respect of each Advance or Continued Advance; and (e) Advances Outstanding. Such notations, in the absence of manifest error, shall be *prima facie* evidence of such Advances and repayments; provided that the failure of the OFA to record any amount, rate or date shall not affect the obligation of the IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement.

Section 3.3 Elections Regarding Advances.

(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 5 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

(2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than 10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the

form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 5 days and not later than 95 days after the current Repayment Date (the "**New Repayment Date"**). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the Grid Note in accordance with Section 3.2(2).

(5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date.

(6) The Credit Facility shall at all times rank *pari passu* with all other unsubordinated and unsecured Indebtedness of the IESO, subject to the existence of any Liens that secure Indebtedness, as permitted by subections 4.6 (a) through (e) hereof.

(7) All amounts owing in respect of the Advances shall be paid without exercising any right of set off or counterclaim by the IESO.

Section 3.4 Interest on Advances.

(1) The IESO shall pay interest on the unpaid principal amount of each Advance in accordance with this Section 3.4 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the Repayment Date of such Advance, at an annual rate equal to the Province of Ontario's cost of funds for borrowings with a similar term as determined by the OFA plus 0.25 percent per annum, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after Default and shall be payable on the Repayment Date for such Advance. Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case

may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

Section 3.5 Conditions Precedent

The obligation of the OFA to make the Advances to the IESO pursuant to Section 2.1 is subject to the following conditions being satisfied to the OFA's satisfaction at the time of making each Advance:

(a) that the representations and warranties of the IESO contained in this Agreement are true and correct as at the date of making the Advance;

(b) that no Event of Default has occurred and is continuing;

(c) that there shall, in the reasonable opinion of the OFA, have been no material adverse change in the financial condition of the IESO or a Material Subsidiary; and

(d) that the OFA has received such other documentation which it has reasonably requested to ensure that the IESO is in compliance with the terms and conditions of this Agreement, including certified true copies of any necessary resolutions, a written legal opinion from counsel to the IESO confirming that the borrowing is within the legal powers of the IESO and that the Agreement is a direct, unsecured obligation of the IESO enforceable against the IESO in form satisfactory to the OFA.

The IESO will not, and will not permit any Material Subsidiary to, create, incur or assume any Lien, charging the interest of the IESO or any Material Subsidiary in any property, to secure any obligations (including any Indebtedness) unless, at or prior to the time such Lien is created, incurred or assumed, all amounts owing under this Agreement are secured equally and rateably with any and all such obligations secured or to be secured by such Lien, for so long as such obligations shall be secured, provided, however, that the foregoing covenant shall not prevent, restrict or apply to any of the following:

All such costs, charges and expenses shall bear interest at the Province of Ontario's cost of funds plus 0.25 percent per annum (as determined by the OFA) calculated and payable monthly not in advance from in each case from the date on which the OFA incurs the cost, charge or expense until the date on which the IESO reimbursement the OFA therefor. The OFA agrees, acting reasonably, to invoice the IESO for any such costs, charges and expense as they are incurred, together with interest at the aforesaid rate (with interest on overdue interest).

Section 4.8 Reporting.

The IESO will promptly provide to the OFA any reports or supporting documents that the OFA may request from time to time.

Section 4.9 Late Repayment of Advance.

Section 5.3 Suits for Enforcement by the OFA.

If an Event of Default occurs and is continuing, the OFA may proceed to protect and enforce the rights vested in it by this Agreement either by suit in equity or by action at law or by proceedings in bankruptcy or otherwise, whether for the specific enforcement of any covenant or agreement contained in this Agreement or in aid of the exercise of any power granted in this Agreement, or to enforce any other legal or equitable right vested in the OFA by this Agreement or by law.

The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.6 Delay or Omission not Waiver.

No delay or omission of the OFA to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right or remedy given by this Article 5 or by law to OFA may be exercised from time to time, and as often as may be deemed expedient, by the OFA.

Section 5.7 Intercept

(a) The IESO hereby acknowledges that the Minister of Finance is entitled to deduct from monies appropriated by the Legislature for payment to the IESO ("**Appropriated Funds**"), amounts equal to any amounts that the IESO fails to pay under this Agreement. On the occurrence of an Event of Default, the Minister of Finance is irrevocably authorized to deduct from the Appropriated Funds amounts equal to any amounts that the IESO fails to pay to the OFA in accordance with the provisions of this Agreement and to pay such amounts directly to the OFA ("**Intercept**").

(b) If the OFA determines that it is necessary to request the Minister of Finance to exercise the Intercept, the OFA will give written notice to the Minister of Finance, with a copy to the Ministry of Energy, of the IESO's failure to pay under this Agreement and requesting the deduction of amounts equal to the amounts that the IESO has failed to pay under this Agreement.

The IESO agrees that any notice from the OFA to the Minister of Finance in relation to this section 5.7 (Intercept) may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance and, upon receipt of such notice, an amount equal to the amount that the IESO fails to pay to the OFA shall be deducted from the Appropriated Funds and paid to the OFA.

(2) For the purposes of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest which is equivalent to a rate of interest payable under this Agreement for any period of less than a year may be determined by multiplying the rate of interest for such period by a fraction, the numerator of which is the actual number of days in a year commencing on and including the first day in such period and ending on but excluding the corresponding day in the next calendar year and the denominator of which is the actual number of days in such period.

ADVANCES

Section 3.2 Procedure for Advances.

(1) Subject to Section 3.3(5), each Advance shall be made subject to two Business Days' prior notice given not later than 10:00 a.m. (Toronto time) by the IESO to the OFA. Each notice of an Advance (a "**Borrowing Notice**") shall be substantially in the form of Schedule 1, other than a Borrowing Notice that is included in an Election Notice as permitted by Section 3.3(3). Each Borrowing Notice shall be irrevocable and binding on the IESO and shall specify (a) the requested date of the Advance; (b) the principal amount of the Advance, and (c) the Repayment Date of the Advance which shall not be earlier than 5 days and not later than 95 days after the date of the requested Advance. Each Borrowing Notice shall also certify the use of proceeds of the Advance which shall in any case be in accordance with Section 2.2. The OFA will make the principal amount of each Advance available to the IESO in accordance with Article 2.

(2) On or before the date of the first Advance hereunder, the IESO shall execute and deliver to the OFA a grid promissory note in respect of Advances substantially in the form of Schedule 3 (the "**Grid Note**"). The IESO authorizes the OFA to record on the Grid Note (a) the date and amount of each Advance or Continued Advance; (b) the applicable rate of interest for each Advance or Continued Advance; (c) the Repayment Date of each Advance or Continued Advance; (d) the date and amount of each payment of interest and each payment of principal or portion thereof in respect of each Advance or Continued Advance; and (e) Advances Outstanding. Such notations, in the absence of manifest error, shall be *prima facie* evidence of such Advances and repayments; provided that the failure of the OFA to record any amount, rate or date shall not affect the obligation of the IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement.

Section 3.3 Elections Regarding Advances.

(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 5 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

(2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than 10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the

form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 5 days and not later than 95 days after the current Repayment Date (the "**New Repayment Date"**). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the Grid Note in accordance with Section 3.2(2).

(5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date.

(6) The Credit Facility shall at all times rank *pari passu* with all other unsubordinated and unsecured Indebtedness of the IESO, subject to the existence of any Liens that secure Indebtedness, as permitted by subections 4.6 (a) through (e) hereof.

(7) All amounts owing in respect of the Advances shall be paid without exercising any right of set off or counterclaim by the IESO.

Section 3.4 Interest on Advances.

(1) The IESO shall pay interest on the unpaid principal amount of each Advance in accordance with this Section 3.4 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the Repayment Date of such Advance, at an annual rate equal to the Province of Ontario's cost of funds for borrowings with a similar term as determined by the OFA plus 0.25 percent per annum, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after Default and shall be payable on the Repayment Date for such Advance. Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case

may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

Section 3.5 Conditions Precedent

The obligation of the OFA to make the Advances to the IESO pursuant to Section 2.1 is subject to the following conditions being satisfied to the OFA's satisfaction at the time of making each Advance:

Hi John,

In general, the purpose is to clarify that the Agreement and its Schedules take precedence over any discussions or undertakings that may have occurred between the parties prior to the execution of the agreement. In other words, the OFA may not agree to amend the agreement, for example, to change the permitted liens or remove the intercept provisions, on the basis of previous discussions or e-mails with the IESO.

The clause, which is generally boiler plate in an agreement, states as follows:

This Agreement and the Schedules constitutes the whole agreement between the Parties with respect to the matters dealt with in it, and it supersedes any prior agreements, undertakings, discussions and the like respecting the matters dealt with in this Agreement and entered into by the parties before the date the OFA signs this Agreement.

Thanks,

Lisa

Hi Will,

Please find attached a revised black-lined version of the FHP credit facility agreement. The only change from the last version is the addition of an “entire agreement” clause in section 7.8, as discussed at our internal meeting last week. Please send this amendment to the IESO (and re-format the accompanying draft clean execution version as necessary).

Thank you,

Lisa

Hi all,

I spoke to Gadi and he recalled that Ron would be signing the letter. I had forgotten that was what was decided with Energy weeks ago.

Since Ron will be signing the letter, I think it only makes sense for him to sign the other related materials - not to mention that CEFD has done the majority of the work on this file and perhaps there is some satisfaction for all of you in seeing it all done! I know Ron may not be familiar with all of the documents, but perhaps Usman can set aside 15 minutes for a briefing with Ron today once the materials are ready to be signed.

Apologies for the late change in direction. Usman, I'll follow up separately with you on this to bring you up to speed.

Thanks, Anna

Mike is away on Friday and according to the OFA Signing authorities Resolution for Lending Instruments, Ronald Kwan and Gadi Mayman are the other two signatories. Do you mind checking on Ronald's availability to sign for the agreements today or tomorrow?
There is a possibility for the agreements to be ready for today but more likely for tomorrow.

Hi William,

Not sure of his availability but know that he is quite jammed. Also, he does not usually deal with credit agreements so wouldn't Gadi be more used to doing so? Ron will go through the whole documents if you put in front of him.

Hello John,

Mike is away on Friday and according to the OFA Signing authorities Resolution for Lending Instruments, Ronald Kwan and Gadi Mayman are the other two signatories. Do you mind checking on Ronald's availability to sign for the agreements today or tomorrow?
There is a possibility for the agreements to be ready for today but more likely for tomorrow.

Hi all,

I spoke to Gadi and he recalled that Ron would be signing the letter. I had forgotten that was what was decided with Energy weeks ago.

Since Ron will be signing the letter, I think it only makes sense for him to sign the other related materials - not to mention that CEFD has done the majority of the work on this file and perhaps there is some satisfaction for all of you in seeing it all done! I know Ron may not be familiar with all of the documents, but perhaps Usman can set aside 15 minutes for a briefing with Ron today once the materials are ready to be signed.

Apologies for the late change in direction. Usman, I'll follow up separately with you on this to bring you up to speed.

Thanks, Anna

Subject: Final Docs for FHP Credit Agreement and AA#10

Hi All – I attach what I am hoping are the closing documents for: (i) the new FHP Revolving Credit Agreement, and (ii) Amending Agreement #10 to the 2005 credit agreement. The following comments are relevant to the attachments:

1. I took the credit agreements you sent for both FHP and Amending Agreement #10 yesterday, accepted all the tracked changes, deleted the comments, made some minor spacing changes and put a blank following "September" as appropriate so that the final signing date can be filled in by hand. Note – regarding AA#10, I also deleted the document ID that showed at the bottom of some of the pages (which ID I assumed was some form of law firm tracking number).
2. I created two standalone Promissory Notes by extracting the Schedules from the FHP and AA#10 respectively – the only change I made (apart from deleting the "Form of…" language at the top of the document) was to change the spacing slightly to fit on one page.
3. I also prepared final versions of the certified IESO board resolution and the incumbency certificate, again inserting a blank following September. Please note that the resolution is changed slightly from the one you reviewed in the sense that I inserted notes (instead of ellipsis) to show where redactions were made of information not related to the OFA financings. For convenience, I also removed the reference to the date of the FHP Credit Agreement.
4. I created pdfs of all documents and also include MS Word versions of the Agreements and Grid Notes for ease of comparison.

Please let me know if these documents appear in order.
Regards,

Victor

Hi Sarah. I have attached what I believe should be the final version of the FHP Credit Facility Agreement (subject to OFA's acceptance and minor adjustments).

The nature of the corrections are mostly evident on their face, though in a couple of cases I inserted a brief note to explain the correction. Changes to the Schedules were to align with the approach in AA#10.

Feel free to call me if you have any questions. I'll be in the office today until shortly after 5:00. I will follow-up with minor fixes to the Amending Agreement No.10 document shortly.

Subject: Touch Base

Hi Anthony and Victor,

Will is sick today, so I wanted touch base with you on the agreements and the directive.

Firstly, the directive as at this point has not been signed. I am following up regularly to get information about the status of execution in our Minister's office and will let you know as soon as I hear anything.

In the meantime, I thought it would be helpful if we could get the agreements in an execution format so that we can promptly execute both agreements once the directive is signed. To that end, could you please confirm if you have any further comments on either of the drafts? Once you are

signed off, we request that you please send clean electronic execution versions (insertion of execution date notwithstanding) that we can do a final review. When the directive is signed:

- we would then ask if you could please insert the execution date, where appropriate, on each agreement
- print out two originals of each agreement and partially execute the agreements
- send us the two originals of each agreement, along with your evidence of signing authority.
- upon receipt, we will fully execute all originals, and send you one fully executed original of each agreement (and will send you scanned executed versions immediately)

Please let me know if you have any concerns regarding any of the above.

Thanks,

Sarah

AMENDING AGREEMENT NO. 10

This Amending Agreement No. 10 (this "**Amending Agreement**") is made as of the ___ day of September, 2017

BETWEEN:

INDEPENDENT ELECTRICITY SYSTEM OPERATOR, a statutory corporation without share capital existing under Part II of the *Electricity Act, 1998* ("**IESO**")

-and-

ONTARIO FINANCING AUTHORITY, a Crown agency established under the *Capital Investment Plan Act, 1993* ("**OFA**")

(together, the "Parties")

WHEREAS the Ontario Power Authority ("**OPA**") and the OFA entered into a credit agreement dated January 1, 2005 (the "**Original Agreement**");

AND WHEREAS effective January 1, 2015, the OPA and the then existing Independent Electricity System Operator amalgamated and continued as a corporation without share capital under Part II of the *Electricity Act, 1998* with the name "Independent Electricity System Operator" (**"IESO")**, and the obligations of the OPA became obligations of the IESO;

AND WHEREAS pursuant to the amending agreements dated February 14, 2005, October 11, 2005 (titled, "Amending Agreement No. 3"), September 27, 2006 (titled, "Amending Agreement No. 4"), July 13, 2007 (titled, "Amending Agreement No. 5"), November 9, 2010 (titled, "Amending Agreement No. 6"), December 20, 2013 (titled, "Amending Agreement No. 7"), December 19, 2014 (titled, "Amending Agreement No. 8") and November 30, 2016 (titled, "Amending Agreement No. 9"), the OPA or IESO (as applicable) and the OFA amended the Original Agreement (as so amended, the "**Credit Agreement",** the terms defined therein being used herein as therein defined);

AND WHEREAS the Parties have now agreed to: (i) at the request of the IESO, decrease the total principal amount available under the Credit Agreement from $975,000,000 to a total principal amount of up to $475,000,000; (ii) amend the use of proceeds under the Credit Agreement; and (iii) amend the Form of Election Notice and related provisions under the Credit Agreement;

AND WHEREAS pursuant to Section 7.3 of the Credit Agreement, the Credit Agreement may only be amended or otherwise modified by written agreement executed by the Parties.

THEREFORE, in consideration of the mutual covenants and agreements herein contained and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and subject to the terms and conditions hereafter set out, the Parties agree that:

1. The definition of “Advances” in Section 1.1 of the Credit Agreement is deleted and replaced by the following:

   “**Advances**” means advances made by the OFA to the IESO under Article 3 and “Advance” means any one of such advances, and in the case of an election by the IESO under Section 3.3, includes a “Continued Advance”, as defined in Section 3.3(1), as applicable.”

2. The definition of “Commitment” in Section 1.1 of the Credit Agreement is amended by deleting “$975,000,000” and substituting “$475,000,000” therefor.

3. The following definitions are added to Section 1.1 of the Agreement

   “**Continued Advance”** has the meaning specified in Section 3.3(1).

   “**Current Repayment Date**” has the meaning specified in Section 3.3(2).

   “**New Repayment Date**” has the meaning specified in Section 3.3(2).

4. Section 2.3 “Use of Proceeds” of the Credit Agreement is deleted in its entirety and replaced by the following:

   “The IESO shall use the proceeds of Advances for the purposes for which it is authorized to borrow funds pursuant to Regulation 280/14 made under the *Electricity Act, 1998*, as such regulation may be amended or replaced from time to time, provided that Advances may be used only for liquidity purposes.”

5. Section 3.2 “Procedures for Advances” of the Credit Agreement is deleted in its entirety and replaced by the following:

   “(1) Subject to Section 3.3(5), each Advance shall be made subject to two Business Days’ prior notice given not later than 10:00 a.m. (Toronto time) by the IESO to the OFA. Each notice of an Advance (a "**Borrowing Notice**") shall be substantially in the form of Schedule 1, other than a Borrowing Notice that is included in an Election Notice as permitted by Section 3.3(3). Each Borrowing Notice shall be irrevocable and binding on the IESO and shall specify (a) the requested date of the Advance; (b) the principal amount of the Advance, and (c) the Repayment Date of the Advance which shall be no earlier than 28 days and not later than 95 days after the date of the requested Advance. Each Borrowing Notice shall also certify the use of proceeds of the Advance which shall in any case be in accordance with Section 2.3. The OFA will make the principal amount of each Advance available to the IESO in accordance with Article 2.

   (2) On or before the date of the first Advance hereunder, the IESO shall execute and deliver to the OFA a grid promissory note in respect of Advances substantially in the form of Schedule 3 (the **“Grid Note”)**. The IESO authorizes the OFA to record on the Grid Note (a) the date and amount of each Advance or Continued Advance; (b) the applicable rate of interest for each Advance or Continued Advance; (c) the Repayment Date of each Advance or Continued Advance; (d) the date and amount of each payment of interest and each payment of principal or portion thereof in respect of each Advance or Continued Advance; and (e) Advances Outstanding. Such notations, in the absence of

manifest error, shall be *prima facie* evidence of such Advances and repayments; provided that the failure of the OFA to record any amount, rate or date shall not affect the obligation of the IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement."

6. Section 3.3 "Elections Regarding Advances" of the Credit Agreement is deleted in its entirety and replaced by the following:

   "(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 28 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

   (2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than 10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 28 days and not later than 95 days after the Current Repayment Date (the "**New Repayment Date"**). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

   (3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

   (4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the grid promissory note in respect of Advances in accordance with Section 3.2(2).

   (5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date."

7. Schedule 1 of the Credit Agreement, Form of Borrowing Notice, is deleted in its entirety and replaced by the Form of Borrowing Notice attached hereto as Schedule 1.

8. Schedule 2 of the Credit Agreement, Form of Election Notice, is deleted in its entirety and replaced by the Form of Election Notice attached hereto as Schedule 2.

9. Schedule 3 of the Credit Agreement, IESO Grid Note, is deleted in its entirety and replaced by the Form of Grid Note attached hereto as Schedule 3.

10. On the date of this Amending Agreement and prior to any further Advances under the Credit Agreement, the IESO shall execute and deliver to the OFA a new grid promissory note in the principal amount of up to $475,000,000 substantially in the form attached hereto as Schedule 3 (the **"Grid Note"**) and indicating a total principal amount of Advances Outstanding to date of $401,878,030.42. The IESO shall use the proceeds of Advances for the purposes for which it is authorized to borrow funds pursuant to Regulation 280/14 made under the *Electricity Act, 1998*, as such regulation may be amended or replaced from time to time, subject to the condition that proceeds of Advances may be used only for IESO's financing needs and requirements of any kind arising in connection with the IESO's role with respect to and obligations under the OFHP.

Section 2.3 Credit Facility Limit.

The Advances Outstanding shall not at any time exceed the Commitment. The Credit Facility shall revolve and no payment under the Credit Facility shall reduce the Commitment.

Subject to Sections 2.5 and 5.2, the IESO shall repay each Advance together with the interest accrued thereon on the applicable Repayment Date, and, in any event, shall repay all Advances Outstanding, together with all accrued interest and all other amounts owing hereunder on September 30, 2022.

(2) In the event that any such payments are limited or prohibited as provided in Section 2.8(1), the OFA shall have no further obligation to make any Advances available hereunder and the Advances Outstanding, together with all accrued interest and all other amounts owing hereunder, shall become immediately due and payable.

ADVANCES

(1) Subject to Section 3.3(5), each Advance shall be made subject to two Business Days' prior notice given not later than 10:00 a.m. (Toronto time) by the IESO to the OFA. Each notice of an Advance (a "**Borrowing Notice**") shall be substantially in the form of Schedule 1, other than a Borrowing Notice that is included in an Election Notice as permitted by Section 3.3(3). Each Borrowing Notice shall be irrevocable and binding on the IESO and shall specify (a) the requested date of the Advance; (b) the principal amount of the Advance, and (c) the Repayment Date of the Advance which shall not be earlier than 5 days and not later than 95 days after the date of the requested Advance. Each Borrowing Notice shall also certify the use of proceeds of the Advance which shall in any case be in accordance with Section 2.2. The OFA will make the principal amount of each Advance available to the IESO in accordance with Article 2.

(2) On or before the date of the first Advance hereunder, the IESO shall execute and deliver to the OFA a grid promissory note in respect of Advances substantially in the form of Schedule 3 (the "**Grid Note**"). The IESO authorizes the OFA to record on the Grid Note (a) the date and amount of each Advance or Continued Advance; (b) the applicable rate of interest for each Advance or Continued Advance; (c) the Repayment Date of each Advance or Continued Advance; (d) the date and amount of each payment of interest and each payment of principal or portion thereof in respect of each Advance or Continued Advance; and (e) Advances Outstanding. Such notations, in the absence of manifest error, shall be *prima facie* evidence of such Advances and repayments; provided that the failure of the OFA to record any amount, rate or date shall not affect the obligation of the IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement.

Section 3.3 Elections Regarding Advances.

(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 5 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

(2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than 10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the

form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 5 days and not later than 95 days after the current Repayment Date (the "**New Repayment Date"**). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the Grid Note in accordance with Section 3.2(2).

(5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date.

(6) The Credit Facility shall at all times rank *pari passu* with all other unsubordinated and unsecured Indebtedness of the IESO, subject to the existence of any Liens that secure Indebtedness, as permitted by subections 4.6 (a) through (e) hereof.

(7) All amounts owing in respect of the Advances shall be paid without exercising any right of set off or counterclaim by the IESO.

Section 3.4 Interest on Advances.

(1) The IESO shall pay interest on the unpaid principal amount of each Advance in accordance with this Section 3.4 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the Repayment Date of such Advance, at an annual rate equal to the Province of Ontario's cost of funds for borrowings with a similar term as determined by the OFA plus 0.25 percent per annum, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after Default and shall be payable on the Repayment Date for such Advance. Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case

may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

Section 3.5 Conditions Precedent

The obligation of the OFA to make the Advances to the IESO pursuant to Section 2.1 is subject to the following conditions being satisfied to the OFA's satisfaction at the time of making each Advance:

(b) that no Event of Default has occurred and is continuing;

(c) that there shall, in the reasonable opinion of the OFA, have been no material adverse change in the financial condition of the IESO or a Material Subsidiary; and

The OFA will make the principal amount of each Advance available to the IESO in accordance with Article 2.

(2) On or before the date of the first Advance hereunder, the IESO shall execute and deliver to the OFA a grid promissory note in respect of Advances substantially in the form of Schedule 3 (the "**Grid Note**"). The IESO authorizes the OFA to record on the Grid Note (a) the date and amount of each Advance or Continued Advance; (b) the applicable rate of interest for each Advance or Continued Advance; (c) the Repayment Date of each Advance or Continued Advance; (d) the date and amount of each payment of interest and each payment of principal or portion thereof in respect of each Advance or Continued Advance; and (e) Advances Outstanding. Such notations, in the absence of manifest error, shall be *prima facie* evidence of such Advances and repayments; provided that the failure of the OFA to record any amount, rate or date shall not affect the obligation of the IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement.

Section 3.3 Elections Regarding Advances.

(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 5 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

(2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than 10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the

form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 5 days and not later than 95 days after the current Repayment Date (the "**New Repayment Date"**). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the Grid Note in accordance with Section 3.2(2).

(5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date.

(6) The Credit Facility shall at all times rank *pari passu* with all other unsubordinated and unsecured Indebtedness of the IESO, subject to the existence of any Liens that secure Indebtedness, as permitted by subections 4.6 (a) through (e) hereof.

(7) All amounts owing in respect of the Advances shall be paid without exercising any right of set off or counterclaim by the IESO.

Section 3.4 Interest on Advances.

(1) The IESO shall pay interest on the unpaid principal amount of each Advance in accordance with this Section 3.4 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the Repayment Date of such Advance, at an annual rate equal to the Province of Ontario's cost of funds for borrowings with a similar term as determined by the OFA plus 0.25 percent per annum, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after Default and shall be payable on the Repayment Date for such Advance. Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case

may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

Section 3.5 Conditions Precedent

The obligation of the OFA to make the Advances to the IESO pursuant to Section 2.1 is subject to the following conditions being satisfied to the OFA's satisfaction at the time of making each Advance:

(a) that the representations and warranties of the IESO contained in this Agreement are true and correct as at the date of making the Advance;

---

WHEREAS, as further described in the memorandum to the Audit Committee entitled "Fair Hydro Plan Credit Facility" dated June 13, 2017 (the "**Memorandum**"), the Corporation has determined that in order to support the IESO's role in the Fair Hydro Plan it requires greater credit liquidity;

Hi All – I attach what I am hoping are the closing documents for: (i) the new FHP Revolving Credit Agreement, and (ii) Amending Agreement #10 to the 2005 credit agreement. The following comments are relevant to the attachments:

1. I took the credit agreements you sent for both FHP and Amending Agreement #10 yesterday, accepted all the tracked changes, deleted the comments, made some minor spacing changes and put a blank following "September" as appropriate so that the final signing date can be filled in by hand. Note – regarding AA#10, I also deleted the document ID that showed at the bottom of some of the pages (which ID I assumed was some form of law firm tracking number).
2. I created two standalone Promissory Notes by extracting the Schedules from the FHP and AA#10 respectively – the only change I made (apart from deleting the "Form of…" language at the top of the document) was to change the spacing slightly to fit on one page.
3. I also prepared final versions of the certified IESO board resolution and the incumbency certificate, again inserting a blank following September. Please note that the resolution is changed slightly from the one you reviewed in the sense that I inserted notes (instead of ellipsis) to show where redactions were made of information not related to the OFA financings. For convenience, I also removed the reference to the date of the FHP Credit Agreement.
4. I created pdfs of all documents and also include MS Word versions of the Agreements and Grid Notes for ease of comparison.

Please let me know if these documents appear in order.

Regards,

Victor

Hi Sarah. I have attached what I believe should be the final version of the FHP Credit Facility Agreement (subject to OFA's acceptance and minor adjustments).

The nature of the corrections are mostly evident on their face, though in a couple of cases I inserted a brief note to explain the correction. Changes to the Schedules were to align with the approach in AA#10.

Feel free to call me if you have any questions. I'll be in the office today until shortly after 5:00. I will follow-up with minor fixes to the Amending Agreement No.10 document shortly.

Regards,

Victor

Subject: Touch Base

Hi Anthony and Victor,

Will is sick today, so I wanted touch base with you on the agreements and the directive.

Firstly, the directive as at this point has not been signed. I am following up regularly to get information about the status of execution in our Minister's office and will let you know as soon as I hear anything.

In the meantime, I thought it would be helpful if we could get the agreements in an execution format so that we can promptly execute both agreements once the directive is signed. To that end, could you please confirm if you have any further comments on either of the drafts? Once you are signed off, we request that you please send clean electronic execution versions (insertion of execution date notwithstanding) that we can do a final review. When the directive is signed:

- we would then ask if you could please insert the execution date, where appropriate, on each agreement
- print out two originals of each agreement and partially execute the agreements
- send us the two originals of each agreement, along with your evidence of signing authority.
- upon receipt, we will fully execute all originals, and send you one fully executed original of each agreement (and will send you scanned executed versions immediately)

Please let me know if you have any concerns regarding any of the above.

Thanks,

Sarah

5. Section 3.2 "Procedures for Advances" of the Credit Agreement is deleted in its entirety and replaced by the following:

   "(1) Subject to Section 3.3(5), each Advance shall be made subject to two Business Days' prior notice given not later than 10:00 a.m. (Toronto time) by the IESO to the OFA.    "(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 28 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

Section 2.2 Use of Proceeds.

The IESO shall use the proceeds of Advances for the purposes for which it is authorized to borrow funds pursuant to Regulation 280/14 made under the *Electricity Act, 1998*, as such regulation may be amended or replaced from time to time, subject to the condition that proceeds of Advances may be used only for IESO's financing needs and requirements of any kind arising in connection with the IESO's role with respect to and obligations under the OFHP.

Section 2.3 Credit Facility Limit.

The Advances Outstanding shall not at any time exceed the Commitment. The Credit Facility shall revolve and no payment under the Credit Facility shall reduce the Commitment.

Section 2.4 Mandatory Repayment.

Subject to Sections 2.5 and 5.2, the IESO shall repay each Advance together with the interest accrued thereon on the applicable Repayment Date, and, in any event, shall repay all Advances Outstanding, together with all accrued interest and all other amounts owing hereunder on September 30, 2022.

The IESO shall make each such payment in Canadian Dollars.

Section 2.7 Computations of Interest.

(1) All computations of interest shall be made by the OFA taking into account the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest is payable on the basis of a year of 365 days or 366 days, as the case may be.

(2) For the purposes of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest which is equivalent to a rate of interest payable under this Agreement for any period of less than a year may be determined by multiplying the rate of interest for such period by a fraction, the numerator of which is the actual number of days in a year commencing on and including the first day in such period and ending on but excluding the corresponding day in the next calendar year and the denominator of which is the actual number of days in such period.

Section 2.8 Limit on Rate of Interest.

(1) Notwithstanding any provision contained in this Agreement, the IESO shall not be obliged to make any payments of interest or other amounts payable to the OFA hereunder in excess of the amount or rate which would be prohibited by applicable law or would result in the receipt by the OFA of interest at a criminal rate (as such terms are construed under the *Criminal Code* (Canada)).

(2) In the event that any such payments are limited or prohibited as provided in Section 2.8(1), the OFA shall have no further obligation to make any Advances available hereunder and the Advances Outstanding, together with all accrued interest and all other amounts owing hereunder, shall become immediately due and payable.

ARTICLE 3
ADVANCES

The OFA agrees, on the terms and conditions of this Agreement, to make Advances to the IESO under the Credit Facility from time to time on any Business Day prior to September 23, 2022.

Section 3.2 Procedure for Advances.

(1) Subject to Section 3.3(5), each Advance shall be made subject to two Business Days' prior notice given not later than 10:00 a.m. (Toronto time) by the IESO to the OFA. Each notice of an Advance (a "**Borrowing Notice**") shall be substantially in the form of Schedule 1, other than a Borrowing Notice that is included in an Election Notice as permitted by Section 3.3(3). Each Borrowing Notice shall be irrevocable and binding on the IESO and shall specify (a) the requested date of the Advance; (b) the principal amount of the Advance, and (c) the Repayment Date of the Advance which shall not be earlier than 5 days and not later than 95 days after the date of the requested Advance. Each Borrowing Notice shall also certify the use of proceeds of the Advance which shall in any case be in accordance with Section 2.2. The OFA will make the principal amount of each Advance available to the IESO in accordance with Article 2.

(2) On or before the date of the first Advance hereunder, the IESO shall execute and deliver to the OFA a grid promissory note in respect of Advances substantially in the form of Schedule 3 (the "**Grid Note**"). The IESO authorizes the OFA to record on the Grid Note (a) the date and amount of each Advance or Continued Advance; (b) the applicable rate of interest for each Advance or Continued Advance; (c) the Repayment Date of each Advance or Continued Advance; (d) the date and amount of each payment of interest and each payment of principal or portion thereof in respect of each Advance or Continued Advance; and (e) Advances Outstanding. Such notations, in the absence of manifest error, shall be *prima facie* evidence of such Advances and repayments; provided that the failure of the OFA to record any amount, rate or date shall not affect the obligation of the IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement.

Section 3.3 Elections Regarding Advances.

(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 5 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

(2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than 10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the

form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 5 days and not later than 95 days after the current Repayment Date (the "**New Repayment Date"**). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the Grid Note in accordance with Section 3.2(2).

(5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date.

(6) The Credit Facility shall at all times rank *pari passu* with all other unsubordinated and unsecured Indebtedness of the IESO, subject to the existence of any Liens that secure Indebtedness, as permitted by subections 4.6 (a) through (e) hereof.

(7) All amounts owing in respect of the Advances shall be paid without exercising any right of set off or counterclaim by the IESO.

Section 3.4 Interest on Advances.

(1) The IESO shall pay interest on the unpaid principal amount of each Advance in accordance with this Section 3.4 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the Repayment Date of such Advance, at an annual rate equal to the Province of Ontario's cost of funds for borrowings with a similar term as determined by the OFA plus 0.25 percent per annum, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after Default and shall be payable on the Repayment Date for such Advance. Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case

may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

Section 3.5 Conditions Precedent

The obligation of the OFA to make the Advances to the IESO pursuant to Section 2.1 is subject to the following conditions being satisfied to the OFA's satisfaction at the time of making each Advance:

The IESO shall use the proceeds of Advances for the purposes for which it is authorized to borrow funds pursuant to Regulation 280/14 made under the *Electricity Act, 1998*, as such regulation may be amended or replaced from time to time, subject to the condition that proceeds of Advances may be used only for IESO's financing needs and requirements of any kind arising in connection with the IESO's role with respect to and obligations under the OFHP.

Section 2.3 Credit Facility Limit.

The Advances Outstanding shall not at any time exceed the Commitment. The Credit Facility shall revolve and no payment under the Credit Facility shall reduce the Commitment.

Subject to Sections 2.5 and 5.2, the IESO shall repay each Advance together with the interest accrued thereon on the applicable Repayment Date, and, in any event, shall repay all Advances Outstanding, together with all accrued interest and all other amounts owing hereunder on September 30, 2022.

(2) In the event that any such payments are limited or prohibited as provided in Section 2.8(1), the OFA shall have no further obligation to make any Advances available hereunder and the Advances Outstanding, together with all accrued interest and all other amounts owing hereunder, shall become immediately due and payable.

ARTICLE 3
ADVANCES

Section 3.2 Procedure for Advances.

(1) Subject to Section 3.3(5), each Advance shall be made subject to two Business Days' prior notice given not later than 10:00 a.m. (Toronto time) by the IESO to the OFA. Each notice of an Advance (a "**Borrowing Notice**") shall be substantially in the form of Schedule 1, other than a Borrowing Notice that is included in an Election Notice as permitted by Section 3.3(3). Each Borrowing Notice shall be irrevocable and binding on the IESO and shall specify (a) the requested date of the Advance; (b) the principal amount of the Advance, and (c) the Repayment Date of the Advance which shall not be earlier than 5 days and not later than 95 days after the date of the requested Advance. Each Borrowing Notice shall also certify the use of proceeds of the Advance which shall in any case be in accordance with Section 2.2. The OFA will make the principal amount of each Advance available to the IESO in accordance with Article 2.

(2) On or before the date of the first Advance hereunder, the IESO shall execute and deliver to the OFA a grid promissory note in respect of Advances substantially in the form of Schedule 3 (the "**Grid Note**"). The IESO authorizes the OFA to record on the Grid Note (a) the date and amount of each Advance or Continued Advance; (b) the applicable rate of interest for each Advance or Continued Advance; (c) the Repayment Date of each Advance or Continued Advance; (d) the date and amount of each payment of interest and each payment of principal or portion thereof in respect of each Advance or Continued Advance; and (e) Advances Outstanding. Such notations, in the absence of manifest error, shall be *prima facie* evidence of such Advances and repayments; provided that the failure of the OFA to record any amount, rate or date shall not affect the obligation of the IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement.

Section 3.3 Elections Regarding Advances.

(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 5 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

(2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than 10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the

form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 5 days and not later than 95 days after the current Repayment Date (the "**New Repayment Date"**). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the Grid Note in accordance with Section 3.2(2).

(5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date.

(6) The Credit Facility shall at all times rank *pari passu* with all other unsubordinated and unsecured Indebtedness of the IESO, subject to the existence of any Liens that secure Indebtedness, as permitted by subections 4.6 (a) through (e) hereof.

(7) All amounts owing in respect of the Advances shall be paid without exercising any right of set off or counterclaim by the IESO.

Section 3.4 Interest on Advances.

(1) The IESO shall pay interest on the unpaid principal amount of each Advance in accordance with this Section 3.4 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the Repayment Date of such Advance, at an annual rate equal to the Province of Ontario's cost of funds for borrowings with a similar term as determined by the OFA plus 0.25 percent per annum, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after Default and shall be payable on the Repayment Date for such Advance. Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case

may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

Section 3.5 Conditions Precedent

The obligation of the OFA to make the Advances to the IESO pursuant to Section 2.1 is subject to the following conditions being satisfied to the OFA's satisfaction at the time of making each Advance:

(a) that the representations and warranties of the IESO contained in this Agreement are true and correct as at the date of making the Advance;

(b) that no Event of Default has occurred and is continuing;

(c) that there shall, in the reasonable opinion of the OFA, have been no material adverse change in the financial condition of the IESO or a Material Subsidiary; and

Section 5.2 Acceleration of Maturity; Rescission and Annulment.

If an Event of Default occurs and is continuing, then and in every such case the OFA may at its option, in addition to any other remedy available to the OFA at law, by written notice to the IESO, suspend the right of the IESO to request any further Advance until the Event of Default has been cured to the OFA's satisfaction or, if the Event of Default is not cured within three (3) Business Days after the date on which written notice of such Event of Default shall have been given to the IESO by the OFA, declare all amounts owing hereunder including all interest

Section 5.3 Suits for Enforcement by the OFA.

If an Event of Default occurs and is continuing, the OFA may proceed to protect and enforce the rights vested in it by this Agreement either by suit in equity or by action at law or by proceedings in bankruptcy or otherwise, whether for the specific enforcement of any covenant or agreement contained in this Agreement or in aid of the exercise of any power granted in this Agreement, or to enforce any other legal or equitable right vested in the OFA by this Agreement or by law.

The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.6 Delay or Omission not Waiver.

No delay or omission of the OFA to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. In Respect of the establishment of a new credit facility and revision of existing credit facilities in relation to the Fair Hydro Plan

---

WHEREAS, as further described in the memorandum to the Audit Committee entitled "Fair Hydro Plan Credit Facility" dated June 13, 2017 (the "**Memorandum**"), the Corporation has determined that in order to support the IESO's role in the Fair Hydro Plan it requires greater credit liquidity;

AND WHEREAS, due to the structure of the Fair Hydro Plan, once the New Facility is established, the Corporation's existing credit facility with the Ontario Financing Authority in the amount of $975 million (the "**OFA Facility**") will include unnecessary and duplicative credit liquidity such that the OFA Facility may be reduced to an amount yet to be determined between $400 million and $500 million;

AND WHEREAS …**[Recital redacted]…**

NOW THEREFORE BE IT RESOLVED THAT:

1. The Board of Directors hereby authorizes and approves the establishment of the New Facility and the amendment of the OFA Facility …**[Redacted]**… on such terms and conditions as are generally outlined in the Memorandum (collectively, all facilities being the "**Credit Facilities**").

2. The Chief Financial Officer or her delegate is hereby authorized for and on behalf of the Corporation to:

(c) do any and all such further acts as may be determined to be necessary or desirable to give effect to the foregoing transactions including, for further certainty, amending any other agreements as may be required as a consequence of such transactions. "

Subject: Final Docs for FHP Credit Agreement and AA#10

Hi All – I attach what I am hoping are the closing documents for: (i) the new FHP Revolving Credit Agreement, and (ii) Amending Agreement #10 to the 2005 credit agreement. The following comments are relevant to the attachments:

1. I took the credit agreements you sent for both FHP and Amending Agreement #10 yesterday, accepted all the tracked changes, deleted the comments, made some minor spacing changes and put a blank following "September" as appropriate so that the final signing date can be filled in by hand. Note – regarding AA#10, I also deleted the document ID that showed at the bottom of some of the pages (which ID I assumed was some form of law firm tracking number).
2. I created two standalone Promissory Notes by extracting the Schedules from the FHP and AA#10 respectively – the only change I made (apart from deleting the "Form of…" language at the top of the document) was to change the spacing slightly to fit on one page.
3. I also prepared final versions of the certified IESO board resolution and the incumbency certificate, again inserting a blank following September. Please note that the resolution is changed slightly from the one you reviewed in the sense that I inserted notes (instead of ellipsis) to show where redactions were made of information not related to the OFA financings. For convenience, I also removed the reference to the date of the FHP Credit Agreement.
4. I created pdfs of all documents and also include MS Word versions of the Agreements and Grid Notes for ease of comparison.

Please let me know if these documents appear in order.

Victor

Hi Sarah. I have attached what I believe should be the final version of the FHP Credit Facility Agreement (subject to OFA's acceptance and minor adjustments).

The nature of the corrections are mostly evident on their face, though in a couple of cases I inserted a brief note to explain the correction. Changes to the Schedules were to align with the approach in AA#10.

Feel free to call me if you have any questions. I'll be in the office today until shortly after 5:00. I will follow-up with minor fixes to the Amending Agreement No.10 document shortly.

Regards,

Victor

Subject: Touch Base

Hi Anthony and Victor,

Will is sick today, so I wanted touch base with you on the agreements and the directive.

Firstly, the directive as at this point has not been signed. I am following up regularly to get information about the status of execution in our Minister's office and will let you know as soon as I hear anything.

In the meantime, I thought it would be helpful if we could get the agreements in an execution format so that we can promptly execute both agreements once the directive is signed. To that end, could you please confirm if you have any further comments on either of the drafts? Once you are

signed off, we request that you please send clean electronic execution versions (insertion of execution date notwithstanding) that we can do a final review. When the directive is signed:

- we would then ask if you could please insert the execution date, where appropriate, on each agreement
- print out two originals of each agreement and partially execute the agreements
- send us the two originals of each agreement, along with your evidence of signing authority.
- upon receipt, we will fully execute all originals, and send you one fully executed original of each agreement (and will send you scanned executed versions immediately)

Please let me know if you have any concerns regarding any of the above.

Thanks,

Sarah

If any form or certification it previously delivered by a recipient expires or becomes obsolete or inaccurate in any respect, the recipient shall update such form or certification or promptly notify the Issuer in writing of its legal inability to do so.

The Trust Indenture, as amended and supplemented by this Supplemental Indenture, is in all respects confirmed.

4.3 Indenture Trustee Not Bound to Act

The Indenture Trustee shall retain the right not to act and shall not be liable for refusing to act if, due to a lack of information or for any other reason whatsoever, the Indenture Trustee, in its sole judgment, acting reasonably, determines that such act may cause it to be in non-compliance with any applicable anti-money laundering, anti-terrorism or economic sanction legislation, regulation or guideline. Further, should the Indenture Trustee, in its sole judgment, acting reasonably, determine at any time that its acting under this Supplemental Indenture has resulted in non-compliance with any applicable anti-money laundering, anti-terrorism or economic sanction legislation, regulation or guideline, then it shall have the right to resign pursuant to the terms of Section ● of the Trust Indenture, provided that (i) the Indenture Trustee's written notice of resignation shall describe the circumstances of such non-compliance; and (ii) if such circumstances are rectified to the Indenture Trustee's satisfaction within 15 Business Days of the receipt of such notice of resignation, then such notice shall not be effective.

4.4 Successor and Assigns

This Supplemental Indenture shall be binding upon and inure to the benefit of the parties hereto and their respective permitted successors and assigns.

4.5 Specified Creditors

The Issuer and the Indenture Trustee (on behalf of the Series 2017-1 Noteholders) acknowledge and agree that the Series 2017-1 Noteholders are Specified Creditors under the Trust Indenture and their entitlements as a Specified Creditor are subject to the provisions applicable to Specified Creditors under the Trust Indenture including, without limitation, Section 7.06 (Payments Held in Trust), Section 8.12 (Limitation on Suits), Sections 7.04 and 8.13 (Payment Priorities), Section 8.15 (Limited Recourse) and Section 17.01 (No Petition).

4.6 Waiver

Without limiting the requirements of Section 11.02 of the Trust Indenture, no waiver of any provision of this Supplemental Indenture or consent to any departure by the Issuer from any provision of this Supplemental Indenture will be effective (in whole or in part) unless in writing and signed by the Requisite Series 2017-1 Noteholders. Such waiver will be effective only in the specific instance, for the specific purpose and for the specific length of time for which it is given by the Requisite Series 2017-1 Noteholders.

4.7 Notice

All notices, requests, instructions and demands to or upon any party hereto to be effective shall be given in the case of the Issuer and the Indenture Trustee, in the manner set forth in Article 16 of the Trust Indenture.

4.8 No Waiver: Remedies

No failure on the part of any party to exercise, and no delay in exercising, any power, right or remedy hereunder will operate as a waiver thereof; nor will any single or partial exercise of any such power, right or remedy hereunder preclude any other or further exercise thereof or the exercise of any other power, right or remedy. The rights and remedies herein provided are cumulative and not exclusive of any remedies provided by applicable law.

4.9 Entire Agreement

This Supplemental Indenture, the Trust Indenture and the other Program Agreements contain the entire agreement between the parties relative to the subject matter hereof and supersede all prior and contemporaneous agreements, term sheets, commitments, understandings, negotiations and discussions, whether oral or written. There are no warranties, representations or other agreements between the parties in connection with the subject matter hereof except as specifically set forth in this Supplemental Indenture, the Trust Indenture and the other Program Agreements.

4.10 Governing Law and Attornment

This Supplemental Indenture shall be governed by, and construed in accordance with, the laws of the Province of Ontario and the parties hereby attorn to the jurisdiction of the courts of Ontario.

4.11 Expenses

The Issuer agrees to pay on demand to the Indenture Trustee: (a) all reasonable costs and expenses in connection with the preparation, execution, and delivery of this Supplemental Indenture; (b) all reasonable costs and expenses in connection with any amendments of or waivers or consents under this Supplemental Indenture or the Program Agreements, including in each case the reasonable fees and out-of-pocket expenses of counsel with respect thereto, and (iii) all reasonable costs and expenses (including reasonable fees and expenses of counsel), if any, in connection with the enforcement of this Supplemental Indenture or any of the Program Agreements, and the other documents delivered thereunder or in connection therewith.

4.12 Further Assurances

Each of the parties hereto upon the request of the other party or parties hereto shall do, execute, acknowledge and deliver or cause to be done, executed acknowledged or delivered all such further acts, deeds, documents, assignments, transfers, conveyances, powers of attorney and assurances as may be reasonably necessary or desirable to effect or complete the consummation of the transactions contemplated by this Supplemental Indenture.

4.13 Limitation of Liability of Issuer Trustee

Each party hereto other than the Issuer acknowledges that the Issuer is a trust, and that ● Trust Company of Canada is the Issuer Trustee. The other parties hereto agree that the Issuer Trustee will not be subject to any liability whatsoever to them, in tort, contract or otherwise, in connection with the Issuer's assets or the trust activities, for any action taken or permitted by it to be taken, or for its failure to take any action; provided that the foregoing limitation will not apply in respect of any action or failure to act arising from or in connection with wilful misconduct, negligence or reckless disregard of a duty by the Issuer Trustee. The Issuer Trustee in doing anything or permitting anything to be done in respect of assets or the trust activities is, and shall be conclusively deemed to be, acting as trustee of the Issuer and not in any other capacity. Except as to the extent provided in this Section 4.13, the Issuer Trustee will not be subject to any debts, liabilities, obligations, claims, demands, judgments, costs, charges or expenses against or with respect to the Issuer, arising out of anything done or permitted by it to be done or its failure to take any action in respect of the Issuer's assets or the trust activities and resort will be had solely to the Collateral for the payment or performance thereof. No property or assets of the Issuer Trustee, whether owned in its personal capacity or otherwise, will be subject to levy, execution or other enforcement procedure with regard to any obligation under this Supplemental Indenture. Nothing contained in this Section 4.13 shall be construed so as to limit the liability of the Issuer under this Supplemental Indenture. This Supplemental Indenture, and every deed, transfer, assignment, agreement or other instrument made pursuant hereto including, without limitation, the Series 2017-1 Senior Notes, made or purporting to be made by or creating an obligation of the Issuer or the Issuer Trustee on behalf of, or as trustee of, the Issuer shall be deemed and construed for all purposes as if made by the Issuer Trustee, in and only in its capacity as trustee of the Issuer. Any obligations of the Issuer Trustee hereunder or thereunder are non-recourse to the Issuer Trustee in its personal capacity.

4.14 Execution in Counterparts

This Supplemental Indenture may be executed in several counterparts, each of which when so executed shall be deemed to be an original and the counterparts together shall constitute one and the same instrument. This Supplemental Indenture may be executed and delivered by facsimile or other electronic transmission of a manually signed counterpart.

4.15 Delivery of Executed Copies

Thanks Lisa - I'd be happy to look at whatever you have by tomorrow mid-afternoon even if not entirely complete in order to keep things moving forward.

Per my email exchange with John earlier this week, we were targeting signing both agreements and the Intercept Letter by no later than middle of next week - please let us know if there is a view that target is at risk or is not achievable for any reason.

Hi Lisa – just wanted to check whether the latest version of AA#10 was ever sent across for our review or whether you were still waiting on finalization of the FHP Credit Agreement ? I can't seem to find anything in my system.

I would like to review the additions to the Permitted Liens language in AA#10 asap even if the addition of the Intercept language is not final.

Thanks,

We will send out a revised version of Amending Agreement #10, which has already been updated to include the Permitted Liens language, once we finalize the Credit Facility Agreement. Do you have any update on that agreement?

Thank you,

Hi Will. The following is the revised paragraph that we ask be substituted for that already in the definition of "Permitted Liens" in the FHP facility, and be added to the definition of Permitted Liens in Amending Agreement #10 for the existing facility –

" any Lien arising from the IESO's role and obligations under the OFHP, including with respect to any amount received or receivable by the IESO (such as, without limitation, amounts received or receivable in respect of the Clean Energy Adjustment), or any other lien, whether arising from the action or inaction of IESO, that is created in connection with the OFHP; "

Regarding the addition to AA#10, this would also require the addition of the definitions for "OFHP" and "Clean Energy Adjustment" to that amendment.

Let me know if you have any questions.

Regards,

Victor

Good morning Victor,

That's correct, I intentionally did not include a copy of the Amending Agreement No. 10 v2, because no changes to be made to it and the current version is still valid.

Yes, please review the Intercept Provision language in the FHP Credit Facility after discussions have concluded with OPG. John Kim is currently reviewing Intercept Provision matter with regards to the Existing Credit Facility.

We look forward to the Permitted Liens changes tomorrow.

Thanks,

Will

Hi Will. Thanks for these drafts. I note that clean Word and pdf versions of v.3 of the FHP Credit Agreement were attached, but there was no attachment re Amending Agreement #10 to the existing facility (not sure if that was intended).

We cannot yet provide detailed comments on the Intercept Letter itself or on the language related to the Intercept Letter now included in v.3 of the FHP Credit Facility. We will provide those comments after we have been able to confirm whether any concerns arise out of the discussions with OPG. However, at a high level, I note that the current draft of the Intercept Letter states that the existing facility (i.e. the one to be

reduced to $475MM) will also be subject to the Intercept mechanism. Based on our prior discussions, we thought this existing facility was being "grandfathered" and so would not be subject to the OFA policy that requires inclusion of the Intercept mechanism/language. Can you please clarify OFA's intended approach on this ?
Also, just wanted to let you know that based on our most recent reviews of the draft documents/transactions (including with external counsel), I will shortly – likely tomorrow morning – send some revisions to paragraph (k) of the Permitted Liens definition, which I do not expect to be controversial. Concerning this language, we would ask that you also add the revised paragraph to the definition of "Permitted Liens" contained in the existing facility by way of Amending Agreement #10.
Feel free to call if you have any questions.
Regards,
Victor

Subject: Final Docs for FHP Credit Agreement and AA#10

Hi All – I attach what I am hoping are the closing documents for: (i) the new FHP Revolving Credit Agreement, and (ii) Amending Agreement #10 to the 2005 credit agreement. The following comments are relevant to the attachments:

1. I took the credit agreements you sent for both FHP and Amending Agreement #10 yesterday, accepted all the tracked changes, deleted the comments, made some minor spacing changes and put a blank following "September" as appropriate so that the final signing date can be filled in by hand. Note – regarding AA#10, I also deleted the document ID that showed at the bottom of some of the pages (which ID I assumed was some form of law firm tracking number).
2. I created two standalone Promissory Notes by extracting the Schedules from the FHP and AA#10 respectively – the only change I made (apart from deleting the "Form of…" language at the top of the document) was to change the spacing slightly to fit on one page.
3. I also prepared final versions of the certified IESO board resolution and the incumbency certificate, again inserting a blank following September. I would like to review the additions to the Permitted Liens language in AA#10 asap even if the addition of the Intercept language is not final.

Hi Will. The following is the revised paragraph that we ask be substituted for that already in the definition of "Permitted Liens" in the FHP facility, and be added to the definition of Permitted Liens in Amending Agreement #10 for the existing facility –

" any Lien arising from the IESO's role and obligations under the OFHP, including with respect to any amount received or receivable by the IESO (such as, without limitation, amounts received or receivable in respect of the Clean Energy Adjustment), or any other lien, whether arising from the action or inaction of IESO, that is created in connection with the OFHP; "

Regarding the addition to AA#10, this would also require the addition of the definitions for "OFHP" and "Clean Energy Adjustment" to that amendment.

Let me know if you have any questions.

Good morning Victor,

That's correct, I intentionally did not include a copy of the Amending Agreement No. 10 v2, because no changes to be made to it and the current version is still valid.

Yes, please review the Intercept Provision language in the FHP Credit Facility after discussions have concluded with OPG. John Kim is currently reviewing Intercept Provision matter with regards to the Existing Credit Facility.

We look forward to the Permitted Liens changes tomorrow.

Thanks,

Will

Hi Will. Thanks for these drafts. I note that clean Word and pdf versions of v.3 of the FHP Credit Agreement were attached, but there was no attachment re Amending Agreement #10 to the existing facility (not sure if that was intended).

We cannot yet provide detailed comments on the Intercept Letter itself or on the language related to the Intercept Letter now included in v.3 of the FHP Credit Facility. We will provide those comments after we have been able to confirm whether any concerns arise out of the discussions with OPG. However, at a high level, I note that the current draft of the Intercept Letter states that the existing facility (i.e. the one to be

reduced to $475MM) will also be subject to the Intercept mechanism. Based on our prior discussions, we thought this existing facility was being "grandfathered" and so would not be subject to the OFA policy that requires inclusion of the Intercept mechanism/language. Can you please clarify OFA's intended approach on this ?
Also, just wanted to let you know that based on our most recent reviews of the draft documents/transactions (including with external counsel), I will shortly – likely tomorrow morning – send some revisions to paragraph (k) of the Permitted Liens definition, which I do not expect to be controversial. Concerning this language, we would ask that you also add the revised paragraph to the definition of "Permitted Liens" contained in the existing facility by way of Amending Agreement #10.
Feel free to call if you have any questions.
Regards,
Victor

Hi All – I attach what I am hoping are the closing documents for: (i) the new FHP Revolving Credit Agreement, and (ii) Amending Agreement #10 to the 2005 credit agreement. The following comments are relevant to the attachments:

1. I took the credit agreements you sent for both FHP and Amending Agreement #10 yesterday, accepted all the tracked changes, deleted the comments, made some minor spacing changes and put a blank following "September" as appropriate so that the final signing date can be filled in by hand. Note – regarding AA#10, I also deleted the document ID that showed at the bottom of some of the pages (which ID I assumed was some form of law firm tracking number).
2. I created two standalone Promissory Notes by extracting the Schedules from the FHP and AA#10 respectively – the only change I made (apart from deleting the "Form of…" language at the top of the document) was to change the spacing slightly to fit on one page.
3. I also prepared final versions of the certified IESO board resolution and the incumbency certificate, again inserting a blank following September. Please note that the resolution is changed slightly from the one you reviewed in the sense that I inserted notes (instead of ellipsis) to show where redactions were made of information not related to the OFA financings. For convenience, I also removed the reference to the date of the FHP Credit Agreement.
4. I created pdfs of all documents and also include MS Word versions of the Agreements and Grid Notes for ease of comparison.

Please let me know if these documents appear in order.

Victor

Hello Victor,

Lisa is in a meeting until 3 p.m.., so I am forwarding our comments on the FHP agreement on her behalf.

We have made a minor change to section 3.2(3) - specifically, we deleted the language "and shall also be noted in the grid of the Grid Note" following "The amount of the Repayment Amount shall be detailed in the Borrowing Notice." This is because the Repayment Amount ($825M) is not the first entry on the FHP Grid; the first entry will be for the entire advance of approximately $1B ($825M + new funds). Anthony and Will just had a call to discuss the particulars of what the various grid notes under the existing facility and new facility will be on November 21st (including partial repayment of the outstanding $840M loan) and Anthony will be circulating an e-mail summarizing that conversation. The Effective Date of the amending agreement to reduce the existing facility will also be November 21st, not November 22nd.

In terms of the intercept letter, we cannot amend the opening paragraph as the OFA Lending Policy requirement is that this agreement must be in place "prior to entering into a loan agreement….". It looks, in practice, that the intercept letter will be executed prior to these two facility agreements, so we surmise this would not be an issue.

We received your most recent draft of the amending agreement. Lisa will be able to review once she is out of her meeting, after 3 p.m.

Thanks,

Sarah

See also minor tweaks to the new Entire Agreement Clause (s.7.8) and to the Form of Grid Note (Schedule 3). Other than for s. 3.2(3), I accepted all of your changes so any changes you see are mine.

Anthony has not had a chance to review this so he may have comments, though I am hoping this is pretty closely in keeping with our discussions.

Regarding the Intercept Letter, could you please consider amending the opening to the third paragraph to read: "Prior to or concurrent with entering into a loan agreement with the IESO for the New Credit Facility…"

Comments on AA#10 to follow tomorrow morning.

We have also added a new sub-section – 3.2(3) to address the IESO's repayment of a portion of the existing credit facility using the first advance. Minor amendments were also made to the Definitions section and the heading in section 4.1.

Please let us know if you have any further comments or if you would like to discuss further. If you are satisfied with this version, we will prepare an execution version and also send over AA#10 for your review.

Subject: RE: FHP Revolving Credit Facility Agreement 2017-2022 Version v7 Revised by IESO Oct 31

Hello Victor,

Lisa is in a meeting until 3 p.m.., so I am forwarding our comments on the FHP agreement on her behalf.

We have made a minor change to section 3.2(3) - specifically, we deleted the language "and shall also be noted in the grid of the Grid Note" following "The amount of the Repayment Amount shall be detailed in the Borrowing Notice." This is because the Repayment Amount ($825M) is not the first entry on the FHP Grid; the first entry will be for the entire advance of approximately $1B ($825M + new funds). Anthony and Will just had a call to discuss the particulars of what the various grid notes under the existing facility and new facility will be on November 21st (including partial repayment of the outstanding $840M loan) and Anthony will be circulating an e-mail summarizing that conversation. The Effective Date of the amending agreement to reduce the existing facility will also be November 21st, not November 22nd.

In terms of the intercept letter, we cannot amend the opening paragraph as the OFA Lending Policy requirement is that this agreement must be in place "prior to entering into a loan agreement….". It looks, in practice, that the intercept letter will be executed prior to these two facility agreements, so we surmise this would not be an issue.

We received your most recent draft of the amending agreement. Lisa will be able to review once she is out of her meeting, after 3 p.m.

Thanks,

Sarah

Following our conference call this afternoon, please find attached a revised draft of the FHP Credit Facility. Main changes are to s.3.2(3) and to the Intercept provision. See also minor tweaks to the new Entire Agreement Clause (s.7.8) and to the Form of Grid Note (Schedule 3). Other than for s. 3.2(3), I accepted all of your changes so any changes you see are mine.

Anthony has not had a chance to review this so he may have comments, though I am hoping this is pretty closely in keeping with our discussions.

Regarding the Intercept Letter, could you please consider amending the opening to the third paragraph to read: "Prior to or concurrent with entering into a loan agreement with the IESO for the New Credit Facility…"

Comments on AA#10 to follow tomorrow morning.

Hi Will,
Looks like we may be making some progress on IESO intercept letter
How close are we to execution versions of the FHP draft and amending agreement draft, and is the Prom Note in good shape? Are all signing authorities also in good shape?
Thanks,
Sarah

Once we have completed the 2 OFA facilities and the intercept letter – we then have to turn to the 2 outstanding IESO-OEFC credit facilities to contemplate any further amendments too.

Just ensuring that these 2 OEFC facilities are not missed.

Hi John –

I met with Gadi this morning after we spoke. He confirmed that the Directive will not be forthcoming from the Minister. We determined, as you had flagged for us, that the only approach is to reinsert the intercept provision back into the agreement because this complies with the OFA Lending Policy. The other documentation requirements of the policy will also need to be met with respect to the IESO and Ministry of Energy agreeing to the concept of the intercept.

Given that there is currently no appropriation authority for the IESO, we would propose, in lieu of an MOU to have a simple tripartite letter (OFA, IESO, and Energy) wherein all parties agree that in the event funds may in the future be appropriated, IESO and Energy agree to the application of the intercept of such funds (in accordance with the OFA's Policy).

There will need to be some high level discussions at IESO and Energy to make sure that there is the buy-in for this approach. How would you suggest the OFA move this forward?

Please let me know if you have questions or would like to discuss further.

Thanks very much,

Sarah

I am writing in relation to the Independent Electricity System Operator's (IESO) request to the Ontario Financing Authority (OFA) for a new revolving credit facility in an amount of up to $2 billion (the "New Credit Facility") to support the IESO's role in the implementation of and participation under the *Ontario Fair Hydro Plan Act, 2017.*

Under the OFA Lending Policy, the OFA requires an intercept provision in respect of loans made by the OFA to public bodies on an unsecured basis. The intercept provision allows the Minister of Finance to deduct from money appropriated by the Legislature for payment to the public body amounts equal to any amounts the public body fails to pay the OFA under a loan agreement. The OFA, IESO and the Ministry of Energy ("MOE") acknowledge and confirm that at this time there are no amounts appropriated by the Legislature for the IESO [Energy to confirm] and the intent of such intercept provision is that it would apply if and when amounts were to be appropriated for payment to the IESO in the future.

Prior to entering into a loan agreement with the IESO for the New Credit Facility (the "OFHP Credit Facility Agreement"), on an unsecured basis, the OFA requires the Ministry of Energy ("MOE") and the IESO to agree to the terms and conditions set out below in relation to the above OFA Lending Policy intercept provision requirement.

These terms and conditions shall also apply to the IESO's existing $975 million credit facility, established in a credit agreement entered into between the OFA and the Ontario Power Authority dated January 1, 2005, as amended (the "Original Credit Facility Agreement").

- The OFA, the IESO, and MOE agree as follows in respect of any advances made by the OFA to the IESO pursuant to the OFHP Credit Facility Agreement or the Original Credit Facility Agreement (each a "Loan Agreement"; together, the "Loan Agreements"):
    - Pursuant to section 23 of the *Capital Investment Plan Act, 1993*, the IESO and MOE agree that in the event that the Legislature appropriates any funds for payment to the IESO for any purpose ("Appropriated Funds"), the Minister of Finance would be entitled to deduct from such Appropriated Funds amounts equal to any amounts that the IESO fails to pay to the OFA on account of indebtedness under a Loan Agreement (the "intercept provision").
    - Under the intercept provision, which shall be included in the Loan Agreements, the IESO also agrees that any notice from the OFA to the Minister of Finance in relation to its failure to pay under a Loan Agreement may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance.
    - Prior to recommending to the Minister of Finance that the intercept provision be exercised, the OFA will raise the issue with MOE and seek MOE's support in getting the IESO to pay the amounts owing within a reasonable cure period.

DRAFT

- Upon receipt of notice from the OFA that the IESO has failed to pay in accordance with the provisions of a Loan Agreement, MOE will provide the OFA with all information requested by the OFA respecting amounts appropriated by the Legislature for payments to the IESO, including the intended purpose and expected timing of such payments to be made by MOE. Upon request, MOE will provide similar information to the Minister of Finance.

- MOE acknowledges and agrees that, upon receipt of a direction from the Minister of Finance that an amount is to be deducted from money appropriated by the Legislature for payment to the IESO, MOE will take all necessary action required by it in order to effect such deduction and payment to the OFA in accordance with the Minister of Finance's direction.

This letter agreement may be executed in counterparts. Therefore, if you are in agreement with the above terms and conditions in relation to the Loan Agreements, kindly sign this letter agreement below in triplicate and send back two copies to my attention.

BACKGROUND NOTE
OFA -- IESO CREDIT FACILITY & THE INTERCEPT PROVISION REQUIRED UNDER THE OFA'S LENDING POLICY

The IESO had requested a new revolving credit facility in an amount of up to $2 billion from the OFA to support its role in the implementation and participation under the *Ontario Fair Hydro Plan Act, 2017* ("OFHP Act").

On June 29, 2017, the OFA received a directive from the Minister to accommodate the IESO's request and provide a revolving credit facility to the IESO in an amount of up to $2 billion (the "OFHP Credit Facility").

Pursuant to the OFA Lending Policy, the OFA is required to include an intercept provision in respect of loans made by the OFA to public bodies on an unsecured basis, unless otherwise directed by the Minister of Finance [or Treasury Board or Cabinet].

In accordance with section 23 of the *Capital Investment Plan Act, 1993* ("CIPA"), the intercept provision allows the Minister of Finance to deduct from money appropriated by the Legislature for payment to the public body, amounts equal to any amounts the public body fails to pay to the OFA under a loan agreement.

Per the requirements of the OFA's Lending Policy, the OFA has reached out to the Ministry of Energy and IESO to fulfill the requirement to include an intercept provision in credit facility agreements with the IESO.

- The OFA Lending Policy, as approved by the OFA Board, provides the following requirement for unsecured loans to public bodies under CIPA:

  > Except where otherwise directed by the Minister of Finance, Treasury Board or Cabinet, and prior to the OFA making any loan to a public body, the OFA will [e]nsure that it has an appropriate intercept in place for the loan.

- The OFA Lending Policy also includes the following intercept provision requirement:

  > The public body and its responsible ministry are to agree that the Minister of Finance is entitled to deduct from money appropriated by the Legislature for payment to the public body amounts equal to any amounts that the public body fails to pay to the OFA on account of indebtedness under its loan agreement with the OFA.

- The new FHP credit facility, with the required intercept clause, will enable the IESO to fulfil its commitments under the OFHP Act as the IESO will have to finance for a short or medium term period the funding shortfalls in the implementation of the OFHP Act, as well as the continued implementation of the market support function for the IESO through the $475 million facility (to be amended from the current $975 million facility) which will also require the intercept clause to be added.

- Including an intercept provision in the credit facility agreements with the IESO is expected to have no practical impact as the IESO receives no appropriations from the Province of Ontario [Energy to confirm], but would bring the lending facilities onside with the requirements of the OFA Lending Policy and be consistent with CIPA.

These terms and conditions shall also apply to the IESO's existing $975 million credit facility, established in a credit agreement entered into between the OFA and the Ontario Power Authority dated January 1, 2005, as amended (the "Original Credit Facility Agreement").

- The OFA, the IESO, and MOE agree as follows in respect of any advances made by the OFA to the IESO pursuant to the OFHP Credit Facility Agreement or the Original Credit Facility Agreement (each a "Loan Agreement"; together, the "Loan Agreements"):
    - Pursuant to section 23 of the *Capital Investment Plan Act, 1993*, the IESO and MOE agree that in the event that the Legislature appropriates any funds for payment to the IESO for any purpose ("Appropriated Funds"), the Minister of Finance would be entitled to deduct from such Appropriated Funds amounts equal to any amounts that the IESO fails to pay to the OFA on account of indebtedness under a Loan Agreement (the "intercept provision").
    - Under the intercept provision, which shall be included in the Loan Agreements, the IESO also agrees that any notice from the OFA to the Minister of Finance in relation to its failure to pay under a Loan Agreement may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance.
    - Prior to recommending to the Minister of Finance that the intercept provision be exercised, the OFA will raise the issue with MOE and seek MOE's support in getting the IESO to pay the amounts owing within a reasonable cure period.

DRAFT

- Upon receipt of notice from the OFA that the IESO has failed to pay in accordance with the provisions of a Loan Agreement, MOE will provide the OFA with all information requested by the OFA respecting amounts appropriated by the Legislature for payments to the IESO, including the intended purpose and expected timing of such payments to be made by MOE. Upon request, MOE will provide similar information to the Minister of Finance.

- MOE acknowledges and agrees that, upon receipt of a direction from the Minister of Finance that an amount is to be deducted from money appropriated by the Legislature for payment to the IESO, MOE will take all necessary action required by it in order to effect such deduction and payment to the OFA in accordance with the Minister of Finance's direction.

This letter agreement may be executed in counterparts. Therefore, if you are in agreement with the above terms and conditions in relation to the Loan Agreements, kindly sign this letter agreement below in triplicate and send back two copies to my attention.

BACKGROUND NOTE
OFA -- IESO CREDIT FACILITY & THE INTERCEPT PROVISION REQUIRED UNDER THE OFA'S LENDING POLICY

The IESO had requested a new revolving credit facility in an amount of up to $2 billion from the OFA to support its role in the implementation and participation under the *Ontario Fair Hydro Plan Act, 2017* ("OFHP Act").

On June 29, 2017, the OFA received a directive from the Minister to accommodate the IESO's request and provide a revolving credit facility to the IESO in an amount of up to $2 billion (the "OFHP Credit Facility").

Pursuant to the OFA Lending Policy, the OFA is required to include an intercept provision in respect of loans made by the OFA to public bodies on an unsecured basis, unless otherwise directed by the Minister of Finance [or Treasury Board or Cabinet].

In accordance with section 23 of the *Capital Investment Plan Act, 1993* ("CIPA"), the intercept provision allows the Minister of Finance to deduct from money appropriated by the Legislature for payment to the public body, amounts equal to any amounts the public body fails to pay to the OFA under a loan agreement.

Per the requirements of the OFA's Lending Policy, the OFA has reached out to the Ministry of Energy and IESO to fulfill the requirement to include an intercept provision in credit facility agreements with the IESO.

- The OFA Lending Policy, as approved by the OFA Board, provides the following requirement for unsecured loans to public bodies under CIPA:

  > Except where otherwise directed by the Minister of Finance, Treasury Board or Cabinet, and prior to the OFA making any loan to a public body, the OFA will [e]nsure that it has an appropriate intercept in place for the loan.

- The OFA Lending Policy also includes the following intercept provision requirement:

  > The public body and its responsible ministry are to agree that the Minister of Finance is entitled to deduct from money appropriated by the Legislature for payment to the public body amounts equal to any amounts that the public body fails to pay to the OFA on account of indebtedness under its loan agreement with the OFA.

- The new FHP credit facility, with the required intercept clause, will enable the IESO to fulfil its commitments under the OFHP Act as the IESO will have to finance for a short or medium term period the funding shortfalls in the implementation of the OFHP Act, as well as the continued implementation of the market support function for the IESO through the $475 million facility (to be amended from the current $975 million facility) which will also require the intercept clause to be added.

- Including an intercept provision in the credit facility agreements with the IESO is expected to have no practical impact as the IESO receives no appropriations from the Province of Ontario [Energy to confirm], but would bring the lending facilities onside with the requirements of the OFA Lending Policy and be consistent with CIPA.

Dear Mr. Steen Hume and Ms. Kimberly Marshall:

I am writing in relation to the Independent Electricity System Operator's ("IESO") request to the Ontario Financing Authority ("OFA") for a new revolving credit facility in an amount of up to CAD $2 billion (the "New Credit Facility") to support the IESO's role in the implementation of and participation under the *Ontario Fair Hydro Plan Act, 2017.* Under the OFA Lending Policy, the OFA requires an intercept provision in respect of loans made by the OFA to public bodies on an unsecured basis. In general, an intercept provision allows the Minister of Finance to deduct from money appropriated by the Legislature for payment to the public body amounts equal to any amounts the public body fails to pay the OFA under a loan agreement.

The IESO and the Ministry of Energy ("ENERGY") confirm and the OFA acknowledges that at this time there are no amounts appropriated by the Legislature for payment to the IESO by ENERGY and the intent of such intercept provision is that it would apply if and when amounts were to be appropriated for payment by ENERGY to the IESO in the future.

Prior to entering into a loan agreement with the IESO for the New Credit Facility (the "OFHP Credit Facility Agreement") on an unsecured basis, the OFA requires ENERGY and the IESO to agree to the terms and conditions set out below in relation to the above OFA Lending Policy intercept provision requirement.

These terms and conditions shall also apply to the IESO's existing $975 million credit facility, established in a credit agreement entered into between the OFA and the Ontario Power Authority dated January 1, 2005, as amended (the "Original Credit Facility Agreement").

- The OFA, the IESO, and ENERGY agree as follows in respect of any advances made by the OFA to the IESO pursuant to the OFHP Credit Facility Agreement or the Original Credit Facility Agreement (each a “Loan Agreement”; together, the “Loan Agreements”):

    - Pursuant to section 23 of the *Capital Investment Plan Act, 1993*, the IESO and ENERGY agree that, in the event that the Legislature appropriates any funds for payment by ENERGY to the IESO for any purpose (“Appropriated Funds”), the Minister of Finance would be entitled to deduct from such Appropriated Funds amounts equal to any amounts that the IESO fails to pay to the OFA on account of indebtedness under a Loan Agreement (the “intercept provision”). Terms relating to the intercept provision shall also be separately included in the Loan Agreements.

    - If the intercept provision is exercised, the IESO agrees that any notice from the OFA to the Minister of Finance in relation to its failure to make a payment that is due under a Loan Agreement may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance.

    - Prior to recommending to the Minister of Finance that the intercept provision be exercised, the OFA will raise the issue with ENERGY and seek ENERGY’s support in getting the IESO to pay the amounts owing to OFA within a reasonable cure period.

    - Upon receipt of notice from the OFA that the IESO has failed to make one or more payments owing to it in accordance with the provisions of a Loan Agreement, ENERGY will provide the OFA with all information requested by the OFA respecting amounts appropriated by the Legislature for payments to the IESO by ENERGY, including the intended purpose and expected timing of such payments to be made by ENERGY. Upon request, ENERGY will provide similar information to the Minister of Finance.

    - ENERGY acknowledges and agrees that, upon receipt of a direction from the Minister of Finance that an amount is to be deducted from money appropriated by the Legislature for payment by ENERGY to the IESO, ENERGY will take all necessary action required by it in order to effect such deduction and payment to the OFA in accordance with the Minister of Finance’s direction.

    - For further certainty, the OFA and ENERGY acknowledge and agree that the intercept provision as provided for herein, and this letter agreement generally, shall not apply with respect to any funds appropriated by the Legislature for payment to the IESO through ministries other than ENERGY or through Ontario Climate Change Solutions Deployment Corporation.

This letter agreement may be executed in counterparts. Therefore, if you are in agreement with the above terms and conditions in relation to the Loan Agreements, kindly sign this letter agreement below in triplicate and send back two copies to my attention.

Sincerely,

- The OFA, the IESO, and ENERGY agree as follows in respect of any advances made by the OFA to the IESO pursuant to the OFHP Credit Facility Agreement or the Original Credit Facility Agreement (each a "Loan Agreement"; together, the "Loan Agreements"):
    - Pursuant to section 23 of the *Capital Investment Plan Act, 1993*, the IESO and ENERGY agree that, in the event that the Legislature appropriates any funds for payment by ENERGY to the IESO for any purpose ("Appropriated Funds"), the Minister of Finance would be entitled to deduct from such Appropriated Funds amounts equal to any amounts that the IESO fails to pay to the OFA on account of indebtedness under a Loan Agreement (the "intercept provision").     - Prior to recommending to the Minister of Finance that the intercept provision be exercised, the OFA will raise the issue with ENERGY and seek ENERGY's support in getting the IESO to pay the amounts owing to OFA within a reasonable cure period.
    - Upon receipt of notice from the OFA that the IESO has failed to make one or more payments owing to it in accordance with the provisions of a Loan Agreement, ENERGY will provide the OFA with all information requested by the OFA respecting amounts appropriated by the Legislature for payments to the IESO by ENERGY, including the intended purpose and expected timing of such payments to be made by ENERGY. Upon request, ENERGY will provide similar information to the Minister of Finance.
    - ENERGY acknowledges and agrees that, upon receipt of a direction from the Minister of Finance that an amount is to be deducted from money appropriated by the Legislature for payment by ENERGY to the IESO, ENERGY will take all necessary action required by it in order to effect such deduction and payment to the OFA in accordance with the Minister of Finance's direction.
    - For further certainty, the OFA and ENERGY acknowledge and agree that the intercept provision as provided for herein, and this letter agreement generally, shall not apply with respect to any funds appropriated by the Legislature for payment to the IESO through ministries other than ENERGY.

This letter agreement may be executed in counterparts. Therefore, if you are in agreement with the above terms and conditions in relation to the Loan Agreements, kindly sign this letter agreement below in triplicate and send back two copies to my attention.

Dear Mr. Steen Hume and Ms. Kimberly Marshall:

I am writing in relation to the Independent Electricity System Operator's ("IESO") request to the Ontario Financing Authority ("OFA") for a new revolving credit facility in an amount of up to CAD $2 billion (the "New Credit Facility") to support the IESO's role in the implementation of and participation under the *Ontario Fair Hydro Plan Act, 2017.* Under the OFA Lending Policy, the OFA requires an intercept provision in respect of loans made by the OFA to public bodies on an unsecured basis. In general, an intercept provision allows the Minister of Finance to deduct from money appropriated by the Legislature for payment to the public body amounts equal to any amounts the public body fails to pay the OFA under a loan agreement.

For further certainty, the OFA and the Ministry of Energy ("ENERGY") acknowledge and agree that the intercept provision as provided for herein, and this letter agreement generally, shall not apply with respect to any funds appropriated by the Legislature for payment to the IESO through ministries other than ENERGY or through Ontario Climate Change Solutions Deployment Corporation.

Prior to entering into a loan agreement with the IESO for the New Credit Facility (the "OFHP Credit Facility Agreement") on an unsecured basis, the OFA requires ENERGY and the IESO to agree to the terms and conditions set out below in relation to the above OFA Lending Policy intercept provision requirement.

These terms and conditions shall also apply to the IESO's existing ~~[~~$975 million~~]~~ credit facility, established in a credit agreement entered into between the OFA and the Ontario Power Authority dated January 1, 2005, as amended (the "Original Credit Facility Agreement").

- The OFA, the IESO, and ENERGY agree as follows in respect of any advances made by the OFA to the IESO pursuant to the OFHP Credit Facility Agreement or the Original Credit Facility Agreement (each a "Loan Agreement"; together, the "Loan Agreements"):
    - Pursuant to section 23 of the *Capital Investment Plan Act, 1993*, the IESO and ENERGY agree that, in the event that the Legislature appropriates any funds for payment by ENERGY to the IESO for any purpose ("Appropriated Funds"), the Minister of Finance would be entitled to deduct from such Appropriated Funds amounts equal to any amounts that the IESO fails to pay to the OFA on account of indebtedness under a Loan Agreement (the "intercept provision"). Terms relating to the intercept provision shall also be separately included in the Loan Agreements.
    - If the intercept provision is exercised, the IESO agrees that any notice from the OFA to the Minister of Finance in relation to its failure to make a payment that is due under a Loan Agreement may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance.
    - Prior to recommending to the Minister of Finance that the intercept provision be exercised, the OFA will raise the issue with ENERGY and seek ENERGY's support in getting the IESO to pay the amounts owing to OFA within a reasonable cure period.
    - Upon receipt of notice from the OFA that the IESO has failed to make one or more payments owing to it in accordance with the provisions of a Loan Agreement, ENERGY will provide the OFA with all information requested by the OFA respecting amounts appropriated by the Legislature for payments to the IESO by ENERGY, including the intended purpose and expected timing of such payments to be made by ENERGY. Upon request, ENERGY will provide similar information to the Minister of Finance.
    - ENERGY acknowledges and agrees that, upon receipt of a direction from the Minister of Finance that an amount is to be deducted from money appropriated by the Legislature for payment by ENERGY to the IESO, ENERGY will take all necessary action required by it in order to effect such deduction and payment to the OFA in accordance with the Minister of Finance's direction.
    - For further certainty, the OFA and ENERGY acknowledge and agree that the intercept provision as provided for herein, and this letter agreement generally, shall not apply with respect to any funds appropriated by the Legislature for payment to the IESO through ministries other than ENERGY.

This letter agreement may be executed in counterparts. Therefore, if you are in agreement with the above terms and conditions in relation to the Loan Agreements, kindly sign this letter agreement below in triplicate and send back two copies to my attention.

Hi John – tweaked the acknowledgement to make it mutual as between all and to narrow the reference to appropriations so that it is clear it is not any MOE appropriation but only that destined for the IESO.
Sarah

I am writing in relation to the Independent Electricity System Operator's (IESO)~~'s~~ request to the Ontario Financing Authority (OFA) for a new revolving credit facility in an amount of up to $2 billion ~~from the OFA~~ (the "New Credit Facility") to support ~~its~~the IESO's role in the implementation of and participation under the *Ontario Fair Hydro Plan Act, 2017.*

~~Pursuant to~~Under the OFA Lending Policy, the OFA ~~is~~ required ~~to include~~ an intercept provision in respect of loans made by the OFA to public bodies on an unsecured basis. The intercept provision allows the Minister of Finance to deduct from money appropriated by the Legislature for payment to the public body amounts equal to any amounts the public body fails to pay the OFA under a loan agreement ~~from money appropriated by the Legislature for payment to the public body~~. The OFA, IESO and the Ministry of Energy ("MOE") ~~I~~ acknowledge and confirm that at this time there are no amounts appropriated by the Legislature for the IESO [Energy to confirm] and the intent of such intercept ~~a~~ provision is that it would ~~e~~ apply if and when amounts were to be appropriated for payment to the IESO in the future.

Prior to entering into a loan agreement with the IESO for the New Credit Facility (the "OFHP Credit Facility Agreement"), on an unsecured basis, the OFA requires the Ministry of Energy ("MOE") and the IESO to agree to the terms and conditions set out below in relation to the above OFA Lending Policy intercept provision requirement.

These terms and conditions shall also apply to the IESO's existing $975 million credit facility, established in a credit agreement entered into between the OFA and the Ontario Power Authority dated January 1, 2005, as amended (the "Original Credit Facility Agreement").

- ~~As such, t~~The OFA, the IESO, and MOE agree as follows in respect of any advances made by the OFA to the IESO pursuant to the OFHP Credit Facility Agreement or the Original Credit Facility Agreement (each a "Loan Agreement"; together, the "Loan Agreements"):
  - Pursuant to section 23 of the *Capital Investment Plan Act, 1993*, the IESO and MOE agree that in the event that the Legislature appropriates any funds for payment to the IESO for any purpose ("Appropriated Funds"), the Minister of Finance ~~is~~ would be entitled to deduct from such Appropriated Funds amounts equal to any amounts that the IESO fails to pay to the OFA on account of indebtedness under a Loan Agreement (the "intercept provision").
  - Under the intercept provision, which shall be included in the Loan Agreements, the IESO also agrees that any notice from the OFA to the Minister of Finance in relation to its failure to pay under a Loan Agreement may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance.

Commented [RK1]: I had thought the earlier discussion contemplated an acknowledgement / confirmation that at this time there are currently no amounts appropriated by the Legislature for the IESO and that these provisions would apply if amounts were appropriated in the future.

Has there been an update to that thinking?

Hi John – tweaked the acknowledgement to make it mutual as between all and to narrow the reference to appropriations so that it is clear it is not any MOE appropriation but only that destined for the IESO.

I am writing in relation to the Independent Electricity System Operator's (IESO)~~'s~~ request to the Ontario Financing Authority (OFA) for a new revolving credit facility in an amount of up to $2 billion ~~from the OFA~~ (the "New Credit Facility") to support ~~its~~the IESO's role in the implementation of and participation under the *Ontario Fair Hydro Plan Act, 2017.*

~~Pursuant to~~Under the OFA Lending Policy, the OFA ~~is~~ required ~~to include~~ an intercept provision in respect of loans made by the OFA to public bodies on an unsecured basis. The intercept provision allows the Minister of Finance to deduct from money appropriated by the Legislature for payment to the public body amounts equal to any amounts the public body fails to pay the OFA under a loan agreement ~~from money appropriated by the Legislature for payment to the public body~~. The OFA, IESO and the Ministry of Energy ("MOE") ~~I~~ acknowledge and confirm that at this time there are no amounts appropriated by the Legislature for the IESO [Energy to confirm] and the intent of such intercept ~~a~~ provision is that it would ~~e~~ apply if and when amounts were to be appropriated for payment to the IESO in the future.

These terms and conditions shall also apply to the IESO's existing $975 million credit facility, established in a credit agreement entered into between the OFA and the Ontario Power Authority dated January 1, 2005, as amended (the "Original Credit Facility Agreement").

- ~~As such, t~~The OFA, the IESO, and MOE agree as follows in respect of any advances made by the OFA to the IESO pursuant to the OFHP Credit Facility Agreement or the Original Credit Facility Agreement (each a "Loan Agreement"; together, the "Loan Agreements"):
  - Pursuant to section 23 of the *Capital Investment Plan Act, 1993*, the IESO and MOE agree that in the event that the Legislature appropriates any funds for payment to the IESO for any purpose ("Appropriated Funds"), the Minister of Finance ~~is~~ would be entitled to deduct from such Appropriated Funds amounts equal to any amounts that the IESO fails to pay to the OFA on account of indebtedness under a Loan Agreement (the "intercept provision").

Commented [RK1]: I had thought the earlier discussion contemplated an acknowledgement / confirmation that at this time there are currently no amounts appropriated by the Legislature for the IESO and that these provisions would apply if amounts were appropriated in the future.

Has there been an update to that thinking?

Dear Mr. Steen Hume and Ms. Kimberly Marshall:

I am writing in relation to the Independent Electricity System Operator's ("IESO") request to the Ontario Financing Authority ("OFA") for a new revolving credit facility in an amount of up to CAD $2 billion (the "New Credit Facility") to support the IESO's role in the implementation of and participation under the *Ontario Fair Hydro Plan Act, 2017.* Under the OFA Lending Policy, the OFA requires an intercept provision in respect of loans made by the OFA to public bodies on an unsecured basis. In general, an intercept provision allows the Minister of Finance to deduct from money appropriated by the Legislature for payment to the public body amounts equal to any amounts the public body fails to pay the OFA under a loan agreement.

The IESO and the Ministry of Energy ("ENERGY") confirm and the OFA acknowledges that at this time there are no amounts appropriated by the Legislature for payment to the IESO by ENERGY and the intent of such intercept provision is that it would apply if and when amounts were to be appropriated for payment by ENERGY to the IESO in the future.

Prior to entering into a loan agreement with the IESO for the New Credit Facility (the "OFHP Credit Facility Agreement") on an unsecured basis, the OFA requires ENERGY and the IESO to agree to the terms and conditions set out below in relation to the above OFA Lending Policy intercept provision requirement.

These terms and conditions shall also apply to the IESO's existing $975 million credit facility, established in a credit agreement entered into between the OFA and the Ontario Power Authority dated January 1, 2005, as amended (the "Original Credit Facility Agreement").

- The OFA, the IESO, and ENERGY agree as follows in respect of any advances made by the OFA to the IESO pursuant to the OFHP Credit Facility Agreement or the Original Credit Facility Agreement (each a “Loan Agreement”; together, the “Loan Agreements”):

    - Pursuant to section 23 of the *Capital Investment Plan Act, 1993*, the IESO and ENERGY agree that, in the event that the Legislature appropriates any funds for payment by ENERGY to the IESO for any purpose (“Appropriated Funds”), the Minister of Finance would be entitled to deduct from such Appropriated Funds amounts equal to any amounts that the IESO fails to pay to the OFA on account of indebtedness under a Loan Agreement (the “intercept provision”). Terms relating to the intercept provision shall also be separately included in the Loan Agreements.

    - If the intercept provision is exercised, the IESO agrees that any notice from the OFA to the Minister of Finance in relation to its failure to make a payment that is due under a Loan Agreement may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance.

    - Prior to recommending to the Minister of Finance that the intercept provision be exercised, the OFA will raise the issue with ENERGY and seek ENERGY’s support in getting the IESO to pay the amounts owing to OFA within a reasonable cure period.

    - Upon receipt of notice from the OFA that the IESO has failed to make one or more payments owing to it in accordance with the provisions of a Loan Agreement, ENERGY will provide the OFA with all information requested by the OFA respecting amounts appropriated by the Legislature for payments to the IESO by ENERGY, including the intended purpose and expected timing of such payments to be made by ENERGY. Upon request, ENERGY will provide similar information to the Minister of Finance.

    - ENERGY acknowledges and agrees that, upon receipt of a direction from the Minister of Finance that an amount is to be deducted from money appropriated by the Legislature for payment by ENERGY to the IESO, ENERGY will take all necessary action required by it in order to effect such deduction and payment to the OFA in accordance with the Minister of Finance’s direction.

    - For further certainty, the OFA and ENERGY acknowledge and agree that the intercept provision as provided for herein, and this letter agreement generally, shall not apply with respect to any funds appropriated by the Legislature for payment to the IESO through ministries other than ENERGY or through Ontario Climate Change Solutions Deployment Corporation.

This letter agreement may be executed in counterparts. Therefore, if you are in agreement with the above terms and conditions in relation to the Loan Agreements, kindly sign this letter agreement below in triplicate and send back two copies to my attention.

    - Prior to recommending to the Minister of Finance that the intercept provision be exercised, the OFA will raise the issue with ENERGY and seek ENERGY’s support in getting the IESO to pay the amounts owing to OFA within a reasonable cure period.

    - Upon receipt of notice from the OFA that the IESO has failed to make one or more payments owing to it in accordance with the provisions of a Loan Agreement, ENERGY will provide the OFA with all information requested by the OFA respecting amounts appropriated by the Legislature for payments to the IESO by ENERGY, including the intended purpose and expected timing of such payments to be made by ENERGY. Upon request, ENERGY will provide similar information to the Minister of Finance.

Hi Sarah, Lisa,

I have a request for a legal interpretation of the OFA Lending Policy.

The OFA Lending Policy as we currently have it, does it provide for a requirement [of the MOU/the letter agreement we have drafted] other than one ministry responsible for the public body? The way I read the policy, I believe there should be one Ministry that provides oversight of the public body.

This morning, at a meeting, IESO representative raised the issue of their managing the government's implementation of Green ON Fund (?). I am presuming that the same type of arrangement applies for this program as the Energy's program, i.e. no appropriation for IESO's operation, and this is TBD but would like to know how implementation of such a program funded by another ministry would factor into what we are looking to do.

The purpose of the question is to entertain whether the MOU/the letter agreement needs to include MOECC or not. I don't think so but would appreciate your assessment.

Thanks,

John

Hi Will,

Please find attached amending agreement #10 with the latest updates. We should still wait to send these to IESO until we know how we are going to proceed regarding the intercept provisions.

On another note, have the borrowing notice and election notice already been updated to reflect the new credit facility agreement notice language?

Thanks,

Lisa

Hi Will,

Please find attached amending agreement #10 with the latest updates. We should still wait to send these to IESO until we know how we are going to proceed regarding the intercept provisions.

On another note, have the borrowing notice and election notice already been updated to reflect the new credit facility agreement notice language?

Thanks,

Lisa

Commented [VB7]: The term "Note" is not defined in the Agreement as far as I can tell, having checked all amendments. It occurs 6 times on this page. In the 2nd para, the term "grid promissory note" is also used and means the same thing. These should be consistent. "Note" should be defined, or we could use "Grid Note" throughout, but again it's preferable for it to be defined in some manner.

Commented [LS8]: "Grid Note" now defined in s. 3.2 of Credit Agreement.

Commented [LS9]: NTD: Consistent with FHP credit facility language; is this accurate or would you prefer to use "Grid"?

Commented [VB10]: The original 2005 agreement is not defined as or entitled "Credit Agreement", so this occurrence should be lower case.

Hi Will,

I reviewed the draft Promissory Note against the OIC, and noticed a discrepancy in the wording used in s. (d)(i) of the Prom Note. I have amended it (attached) to align with the wording in the OIC.

I've cc'd Toby since he is also reviewing this – Toby, could you please let me know if you are okay with this change, or would like to discuss?

Thanks,
Caroline

Promissory Note

For value received, the Ontario Financing Authority (the "Borrower") promises to pay to Her Majesty the Queen in right of Ontario as represented by the Minister of Finance, Province of Ontario (the "Lender") at the City of Toronto in lawful money of Canada, the lesser of:

(i) Two Billion Dollars; and

(ii) the aggregate unpaid principal balance of all advances made by the Lender as recorded on the reverse of this note or on any attachment described below;

at such time and on such other terms and conditions including the payment of interest as follows;

(a) the Borrower shall be entitled to advances of the loan (an "Advance") in such amounts and at such times as it requires provided that the aggregate amount advanced shall not exceed Two Billion Dollars;

(b) the Borrower shall be entitled to repay Advances either in whole or in part and at such time or times as it determines provided that all Advances plus any accrued interest shall be fully repaid by December 31, 2047;

(c) the Borrower shall be entitled to use the loan as a revolving credit facility allowing for successive advances of moneys repaid under the loan; provided that the maximum principal amount of the loan outstanding at any time shall not exceed Two Billion Dollars;

(d) the Borrower shall pay to the Lender interest on each Advance at a rate which is determined as follows

(i) from the date of Advance to (but excluding) the date of repayment the Borrower shall pay to the Lender interest on the Advance at a per annum rate equivalent to the yield earned on ninety day Province of Ontario treasury bills on the date before the Advance Date as determined by the Province, provided that if an Advance is outstanding for longer than ninety days ~~or longer~~, the interest rate shall be reset on the last day of each ninety day period (the "Reset Date") to the yield earned on ninety day Province

of Ontario treasury bills immediately preceding ~~on~~ the Reset Date as determined by the Province;

(ii) in the event that moneys included in an Advance are subsequently loaned by the Borrower to third parties for the purposes contemplated in the Act, (a "Third Party Loan") the rate of interest payable by the Borrower to the Lender on the portion of the Advance so loaned shall be adjusted at the option of the OFA effective as of the date of the Third Party Loan so that the per annum rate of interest payable by the Borrower on such moneys is equivalent to either:

(A) the per annum rate of interest payable to the Borrower under the Third Party Loan, or

(B) the per annum rate of interest payable to the Borrower under the Third Party Loan less an amount not exceeding 25 basis points,

rather than the rate specified in subparagraph (i), until (but excluding) the date on which the Third Party Loan is repaid to the OFA, at which time the interest rate set out in subparagraph (i) shall again be applicable to that portion of the Advance; and

(iii) in the event that moneys described in subparagraph (ii), once repaid, are subsequently loaned to third parties again, subparagraph (ii) shall again be applicable in determining the interest rate payable to the Lender on that portion of the Advance included in any subsequent loan, and so on, until the Advance shall be repaid to the Province in full;

Commented [WT1]: Lisa, what type of additional written authorization is required for the Minister to specify 'the amount determined by the Minister of Finance" or is this handled by the Directive that is being drafted?

(f) interest for any period of less than one year shall be payable for the actual number of days included in such period, computed on the basis of a 365-day year;

(g) despite paragraph (b), interest on any portion of an Advance made to the Borrower under the loan that is loaned by the Borrower as a Third Party Loan shall accrue on the basis stated above but shall become payable only to the extent the Borrower receives payment of interest under the relevant Third Party Loan; and

(h) despite paragraph (b), any portion of the principal of an Advance made to the Borrower under the loan that is loaned by the Borrower as a Third Party Loan shall become payable only to the extent the Borrower receives repayment of principal under the relevant Third Party Loan.

The undersigned authorizes the Lender to record on the reverse of this note or on any attachment to this note all advances, repayments and prepayments of principal and interest and the unpaid balance of principal from time to time. The undersigned agrees that in the absence of manifest error the record kept by the Lender on this note or any attachment shall be conclusive evidence of the matters recorded, provided that the failure of the Lender to record or correctly record any amount or date shall not affect the obligation of the undersigned to pay the outstanding principal amount of the Advances and interest.

Date as of the ~~1st~~ day of ~~July~~, 2017.

(ii) in the event that moneys included in an Advance are used by the OFA for the purpose of funding loans to third parties (a "Third Party Loan"), the rate of interest payable by the OFA to the Province on the portion of the Advance so used shall be adjusted effective as of the date that the portion of the Advance is used to fund the Third Party Loan so that the per annum rate of interest payable by the OFA on such moneys is equivalent to the per annum rate of interest payable to the OFA under the Third Party Loan less an amount as may be determined by the Minister of Finance in respect of such Third Party Loan or a class of such Third Party Loans, until but excluding the date on which the Third Party Loan is repaid, at which time the interest rate set out in subparagraph (i) shall again be applicable to that portion of the Advance; and

(iii) in the event that moneys described in subparagraph (ii), once repaid, are subsequently used to fund loans to third parties, subparagraph (ii) shall again be applicable in determining the interest rate payable to the Province on that portion of the Advance used to fund such loan, and so on, until the Advance shall be repaid to the Province in full;

(iv) despite subparagraphs (ii) and (iii), in the event that no interest is payable to the OFA under a Third Party Loan, no interest shall be payable by the OFA on the portion of the Advance so used and to the extent that the terms of a Third Party Loan provide for the deferral of the payment of accrued interest for a period, the interest payment terms of an Advance or portion thereof shall also be deferred for a similar period.

(d) interest for any period of less than one year shall be payable for the actual number of days included in such period, computed on the basis of a 365-day year;

(e) despite paragraph (b) of this Order, interest on any portion of an Advance made to the OFA under the loan that is used by the OFA to fund a Third Party Loan shall accrue on the basis stated above but shall become payable only to the extent the OFA receives payment of interest under the relevant Third Party Loan;

(f) despite paragraph (b) of this Order, any portion of the principal of an Advance made to the OFA under the loan that is used by the OFA to fund a Third Party Loan shall become payable only to the extent the OFA receives repayment of principal under the relevant Third Party Loan; and

Hi Will,

I reviewed the draft Promissory Note against the OIC, and noticed a discrepancy in the wording used in s. (d)(i) of the Prom Note. I have amended it (attached) to align with the wording in the OIC.

I've cc'd Toby since he is also reviewing this – Toby, could you please let me know if you are okay with this change, or would like to discuss?

Thanks,

Caroline

(c) the Borrower shall be entitled to use the loan as a revolving credit facility allowing for successive advances of moneys repaid under the loan; provided that the maximum principal amount of the loan outstanding at any time shall not exceed Two Billion Dollars;

(d) the Borrower shall pay to the Lender interest on each Advance at a rate which is determined as follows

(i) from the date of Advance to (but excluding) the date of repayment the Borrower shall pay to the Lender interest on the Advance at a per annum rate equivalent to the yield earned on ninety day Province of Ontario treasury bills on the date before the Advance Date as determined by the Province, provided that if an Advance is outstanding for longer than ninety days ~~or longer~~, the interest rate shall be reset on the last day of each ninety day period (the "Reset Date") to the yield earned on ninety day Province

of Ontario treasury bills immediately preceding ~~on~~ the Reset Date as determined by the Province;

(ii) in the event that moneys included in an Advance are subsequently loaned by the Borrower to third parties for the purposes contemplated in the Act, (a "Third Party Loan") the rate of interest payable by the Borrower to the Lender on the portion of the Advance so loaned shall be adjusted at the option of the OFA effective as of the date of the Third Party Loan so that the per annum rate of interest payable by the Borrower on such moneys is equivalent to either:

(A) the per annum rate of interest payable to the Borrower under the Third Party Loan, or

(B) the per annum rate of interest payable to the Borrower under the Third Party Loan less an amount not exceeding 25 basis points,

rather than the rate specified in subparagraph (i), until (but excluding) the date on which the Third Party Loan is repaid to the OFA, at which time the interest rate set out in subparagraph (i) shall again be applicable to that portion of the Advance; and

(iii) in the event that moneys described in subparagraph (ii), once repaid, are subsequently loaned to third parties again, subparagraph (ii) shall again be applicable in determining the interest rate payable to the Lender on that portion of the Advance included in any subsequent loan, and so on, until the Advance shall be repaid to the Province in full;

Commented [WT1]: Lisa, what type of additional written authorization is required for the Minister to specify 'the amount determined by the Minister of Finance" or is this handled by the Directive that is being drafted?

(f) interest for any period of less than one year shall be payable for the actual number of days included in such period, computed on the basis of a 365-day year;

(g) despite paragraph (b), interest on any portion of an Advance made to the Borrower under the loan that is loaned by the Borrower as a Third Party Loan shall accrue on the basis stated above but shall become payable only to the extent the Borrower receives payment of interest under the relevant Third Party Loan; and

(h) despite paragraph (b), any portion of the principal of an Advance made to the Borrower under the loan that is loaned by the Borrower as a Third Party Loan shall become payable only to the extent the Borrower receives repayment of principal under the relevant Third Party Loan.

The undersigned authorizes the Lender to record on the reverse of this note or on any attachment to this note all advances, repayments and prepayments of principal and interest and the unpaid balance of principal from time to time. The undersigned agrees that in the absence of manifest error the record kept by the Lender on this note or any attachment shall be conclusive evidence of the matters recorded, provided that the failure of the Lender to record or correctly record any amount or date shall not affect the obligation of the undersigned to pay the outstanding principal amount of the Advances and interest.

Date as of the ~~1st~~ day of ~~July~~, 2017.

Commented [WT2]: Lisa, what date should we use?

Hi Bonnie,

We provide Accounting (San) with the attached report (Total OIC Amount) as it pertains to authority under OFA OIC's. My understanding is that he uses it in a note to the OFA Financial Statements.

I am of the understanding that there was an OIC approved (OIC 1279-2017- attached) in relation to the Fair Hydro Plan which gives the OFA additional authority of $2billion that expires Dec 31, 2047.

Do you know if this OIC should be included in the Total OIC Amount used by Accounting in the note to the OFA's financial statements? Would doing so be in any way contradictory in terms of the OFA Annual lending directive.

(iv) malgré les sous-alinéas (ii) et (iii), dans l'éventualité où aucun intérêt ne serait payable à l'OOF au titre d'un prêt à un tiers, aucun intérêt ne sera à payer par l'OOF sur la partie de l'avance ainsi utilisée et dans la mesure où les conditions du prêt à un tiers prévoient le report du paiement d'intérêts courus pour une période, le paiement d'intérêts au titre d'une avance ou d'une partie d'une avance sera également reporté pour une période d'égale durée;

d) l'intérêt payable relativement à toute période de moins d'un an sera calculé en fonction du nombre de jours réellement compris dans cette période, par rapport à une année comptant 365 jours;

e) par dérogation à l'alinéa a) ci-dessus, l'intérêt sur toute partie d'une avance consentie à l'OOF dans le cadre du prêt que cette dernière utilise pour financer un prêt à un tiers est calculé comme il est indiqué ci-dessus, mais cet intérêt devient payable uniquement dans la mesure où l'OOF reçoit un paiement d'intérêts au titre du prêt à un tiers;

f) par dérogation à l'alinéa b) ci-dessus, toute partie du capital d'une avance consentie à l'OOF dans le cadre du prêt que cette dernière utilise pour financer un prêt à un tiers devient payable uniquement dans la mesure où l'OOF reçoit un remboursement du capital au titre du prêt à un tiers

g) le prêt autorisé en vertu des présentes sera attesté par un billet à ordre.

Hi Bonnie,

We provide Accounting (San) with the attached report (Total OIC Amount) as it pertains to authority under OFA OIC's. My understanding is that he uses it in a note to the OFA Financial Statements.

I am of the understanding that there was an OIC approved (OIC 1279-2017- attached) in relation to the Fair Hydro Plan which gives the OFA additional authority of $2billion that expires Dec 31, 2047.

Do you know if this OIC should be included in the Total OIC Amount used by Accounting in the note to the OFA's financial statements? Would doing so be in any way contradictory in terms of the OFA Annual lending directive.

Ontario

Order in Council
Décret

On the recommendation of the undersigned, the Lieutenant Governor of Ontario, by and with the advice and concurrence of the Executive Council of Ontario, orders that:

Sur la recommandation de la personne soussignée, la lieutenante-gouverneure de l'Ontario, sur l'avis et avec le consentement du Conseil exécutif de l'Ontario, décrète ce qui suit :

WHEREAS pursuant to subsection 22(1) of the *Capital Investment Plan Act, 1993* (the "Act"), the Minister of Finance may purchase securities of or make loans to corporations established under subsection 2(1) of the Act in such amounts, at such times and on such terms and conditions as the Lieutenant Governor in Council considers expedient;

AND WHEREAS the Ontario Financing Authority (the "OFA") is a corporation established under subsection 2(1) of the Act;

AND WHEREAS pursuant to subsection 6(3) of the Act, the power of a corporation established under subsection 2(1) of the Act to borrow and issue securities, among other things, may only be exercised under the authority of a by-law that has been approved by the Minister of Finance;

AND WHEREAS the OFA wishes to borrow up to Two Billion Dollars in lawful money of Canada from the Minister of Finance and has been authorized to do so by a borrowing by-law approved in accordance with the Act;

THEREFORE:

Pursuant to subsection 22 (1) of the Act, the Minister of Finance is authorized to lend a maximum of Two Billion Dollars in lawful money of Canada to the OFA on the following terms and conditions:

(a) the loan may be advanced in such amounts and at such time or times as required by the OFA;

(b) repayment of advances made under the loan plus accrued interest may be made in whole or in part at any time provided that the loan plus any accrued interest shall be fully repaid by December 31, 2047;

(c) each advance (an "Advance") made under the loan hereby authorized shall bear interest at a rate which is determined as follows:

(i) from the date of the Advance to (but excluding) the date of repayment the Advance shall bear interest at a per annum rate equivalent to the yield earned on

ninety day Province of Ontario treasury bills on the date before the Advance Date as determined by the Province, provided that if an Advance is outstanding for longer than ninety days, the interest rate shall be reset on the last day of each ninety day period (the "Reset Date") to the yield earned on ninety day Province of Ontario treasury bills immediately preceding the Reset Date for such ninety day period as determined by the Province;

(ii) in the event that moneys included in an Advance are used by the OFA for the purpose of funding loans to third parties (a "Third Party Loan"), the rate of interest payable by the OFA to the Province on the portion of the Advance so used shall be adjusted effective as of the date that the portion of the Advance is used to fund the Third Party Loan so that the per annum rate of interest payable by the OFA on such moneys is equivalent to the per annum rate of interest payable to the OFA under the Third Party Loan less an amount as may be determined by the Minister of Finance in respect of such Third Party Loan or a class of such Third Party Loans, until but excluding the date on which the Third Party Loan is repaid, at which time the interest rate set out in subparagraph (i) shall again be applicable to that portion of the Advance; and

(iii) in the event that moneys described in subparagraph (ii), once repaid, are subsequently used to fund loans to third parties, subparagraph (ii) shall again be applicable in determining the interest rate payable to the Province on that portion of the Advance used to fund such loan, and so on, until the Advance shall be repaid to the Province in full;

(iv) despite subparagraphs (ii) and (iii), in the event that no interest is payable to the OFA under a Third Party Loan, no interest shall be payable by the OFA on the portion of the Advance so used and to the extent that the terms of a Third Party Loan provide for the deferral of the payment of accrued interest for a period, the interest payment terms of an Advance or portion thereof shall also be deferred for a similar period.

(d) interest for any period of less than one year shall be payable for the actual number of days included in such period, computed on the basis of a 365-day year;

(e) despite paragraph (b) of this Order, interest on any portion of an Advance made to the OFA under the loan that is used by the OFA to fund a Third Party Loan shall accrue on the basis stated above but shall become payable only to the extent the OFA receives payment of interest under the relevant Third Party Loan;

(f) despite paragraph (b) of this Order, any portion of the principal of an Advance made to the OFA under the loan that is used by the OFA to fund a Third Party Loan shall become payable only to the extent the OFA receives repayment of principal under the relevant Third Party Loan; and

(g) the loan hereby authorized shall be evidenced by a promissory note.

ATTENDU QUE l'Office ontarien de financement (l'« OOF ») est une personne morale créée en vertu du paragraphe 2 (1) de la Loi;

Subject: OLMS FHP Roll-over Challenges
Date: Monday, October 02, 2017 4:03:31 PM

Hi Sarah,

I spoke to Carlos and Risa with regards to the logistics for the October 21 advancement. I have numbered their challenges in order to our proposal of the roll-over. Let's discuss these challenges tomorrow:

1. Allowing the Existing Credit Facility outstanding balance amount to mature.
2. Request for advancement under the new Borrowing Notice $2 Billion FHP Credit Facility Agreement.
3. Effectively roll-over the balance.

Rural or Remote Electricity Rate Protection Variance

Loan Limit: $475,000,000.

Outstanding: $9,841,878.70

Regulated Price Plan Variance

Loan Limit: $975,000,000.00

Outstanding: $604,963,600.47

Carlos:

1. You cannot set-up an identical account by the same name. Each account must have a different name. If you create a new account with bring over the balance, you would lose the advancement and repayment history. Carlos, proposed to increase the $975,000,000 account limit to over $1 Billion to accommodate the $604,963,600.47 o/s that is likely to exceed the $975 million limit.

Risa:

1. Raising the account limit on OLMS is not our decision to make. Electricity Finance should make the decision on this.
2. Risa identified that Amending Agreement No. 10, paragraph 4 "Use of Proceeds" refers to Electricity act 1998 and FHP Credit Facility refers to the Ontario Fair Hydro Plan Act.
3. Suggested that John Kim (Electricity Finance) manage rollover logistics and screen/appropriateness/enter new the loans into the system going forward. (in comparison Carlos does not screen/review, he simply enters all requests as long as there is room under the facility).
   Example: Corporate Finance enters school loans, colleges and universities.
   Electricity Finance enters OLG loans.
4. The IESO Credit Facility was a hold-over from the PBFS days. Other areas have taken ownership of entering their own loans. Settlements does not offer any additional expertise in terms of best solutions in setting up/rolling over FHP amounts into the new FHP. Settlement showed Salman the set-up for the Existing Facility as $475,000,000 RRRP and $975,000,000,000 RPP even though it had a limit of only $975,000,000. Salman signed-off. John Kim's group should be the leading and decision making for the set-up in OLMS.

Will:

1. Perhaps we can keep the existing account and increase the limit and set-up a new account with a slightly different name because the Existing Credit Facility allows for FHP related and non FHP related advances. Risa, raises a good point that Electricity Finance should be

brought-in to make a decision on this.

2. I communicated to Risa the both facilities allow for FHP related uses. Fair comment by her. How can she be expected to know what is an acceptable advancement/loans.
3. Fair comment by Risa. I agree that the Borrowing Notice suitability subcategory screening, loan limit management, loan entering and loan set-up in OLMS should be led by Electricity Finance and roll-over logistics.
4. Perhaps Electricity Finance should set-up the limits in OLMS.

The undersigned agrees that in the absence of manifest error the record kept by the Lender on this note or any attachment shall be conclusive evidence of the matters recorded, provided that the failure of the Lender to record or correctly record any amount or date shall not affect the obligation of the undersigned to pay the outstanding principal amount of the Advances and interest.

(b) the Borrower shall be entitled to repay Advances either in whole or in part and at such time or times as it determines provided that all Advances plus any accrued interest shall be fully repaid by December 31, 2047;

(c) the Borrower shall be entitled to use the loan as a revolving credit facility allowing for successive advances of moneys repaid under the loan; provided that the maximum principal amount of the loan outstanding at any time shall not exceed Two Billion Dollars;

(d) the Borrower shall pay to the Lender interest on each Advance at a rate which is determined as follows

(i) from the date of Advance to (but excluding) the date of repayment the Borrower shall pay to the Lender interest on the Advance at a per annum rate equivalent to the yield earned on ninety day Province of Ontario treasury bills on the date before the Advance Date as determined by the Province, provided that if an Advance is outstanding for longer than ninety days, the interest rate shall be reset on the last day of each ninety day period (the "Reset Date") to the yield earned on ninety day Province of

Ontario treasury bills immediately preceding the Reset Date as determined by the Province;

(ii) in the event that moneys included in an Advance are subsequently loaned by the Borrower to third parties for the purposes contemplated in the Act, (a "Third Party Loan") the rate of interest payable by the Borrower to the Lender on the portion of the Advance so loaned shall be adjusted at the option of the OFA effective as of the date of the Third Party Loan so that the per annum rate of interest payable by the Borrower on such moneys is equivalent to either:

(A) the per annum rate of interest payable to the Borrower under the Third Party Loan, or

(B) the per annum rate of interest payable to the Borrower under the Third Party Loan less an amount not exceeding 25 basis points,

rather than the rate specified in subparagraph (i), until (but excluding) the date on which the Third Party Loan is repaid to the OFA, at which time the interest rate set out in subparagraph (i) shall again be applicable to that portion of the Advance; and

(iii) in the event that moneys described in subparagraph (ii), once repaid, are subsequently loaned to third parties again, subparagraph (ii) shall again be applicable in determining the interest rate payable to the Lender on that portion of the Advance included in any subsequent loan, and so on, until the Advance shall be repaid to the Province in full;

(e) despite subparagraphs (c)(ii) and (iii) in the event that no interest is payable to the Borrower under a Third Party Loan, no- interest shall be payable by the Borrower on the portion of the Advance so loaned and to the extent that the terms of a Third Party Loan provide for the deferral of the payment of accrued interest for a period, the interest payment terms of an Advance or portion thereof shall also be deferred for a similar period;

(f) interest for any period of less than one year shall be payable for the actual number of days included in such period, computed on the basis of a 365-day year;

(g) despite paragraph (b), interest on any portion of an Advance made to the Borrower under the loan that is loaned by the Borrower as a Third Party Loan shall accrue on the basis stated above but shall become payable only to the extent the Borrower receives payment of interest under the relevant Third Party Loan; and

(h) despite paragraph (b), any portion of the principal of an Advance made to the Borrower under the loan that is loaned by the Borrower as a Third Party Loan shall become payable only to the extent the Borrower receives repayment of principal under the relevant Third Party Loan.

The undersigned authorizes the Lender to record on the reverse of this note or on any attachment to this note all advances, repayments and prepayments of principal and interest and the unpaid balance of principal from time to time. The undersigned agrees that in the absence of manifest error the record kept by the Lender on this note or any attachment shall be conclusive evidence of the matters recorded, provided that the failure of the Lender to record or correctly record any amount or date shall not affect the obligation of the undersigned to pay the outstanding principal amount of the Advances and interest.

$475 MILLION~~2 BILLION~~ OF A PROMISSORY NOTE TO PROVINCE OF ONTARIO, November~~JULY~~ 21~~1~~, 2017

Date	PRINCIPAL ADVANCED	RATE	PAYMENT DATE	INTEREST AMOUNT	AMOUNT OF		NOTATION MADE BY
					REPAYMENT OF PRINCIPAL	PAYMENT OF INTEREST	

Promissory Note

For value received, the Ontario Financing Authority (the "Borrower") promises to pay to Her Majesty the Queen in right of Ontario as represented by the Minister of Finance, Province of Ontario (the "Lender") at the City of Toronto in lawful money of Canada, the lesser of:

(i) Two Billion Dollars; and

(ii) the aggregate unpaid principal balance of all advances made by the Lender as recorded on the reverse of this note or on any attachment described below;

at such time and on such other terms and conditions including the payment of interest as follows;

(a) the Borrower shall be entitled to advances of the loan (an "Advance") in such amounts and at such times as it requires provided that the aggregate amount advanced shall not exceed Two Billion Dollars;

(b) the Borrower shall be entitled to repay Advances either in whole or in part and at such time or times as it determines provided that all Advances plus any accrued interest shall be fully repaid by December 31, 2047;

(c) the Borrower shall be entitled to use the loan as a revolving credit facility allowing for successive advances of moneys repaid under the loan; provided that the maximum principal amount of the loan outstanding at any time shall not exceed Two Billion Dollars;

(d) the Borrower shall pay to the Lender interest on each Advance at a rate which is determined as follows

(i) from the date of Advance to (but excluding) the date of repayment the Borrower shall pay to the Lender interest on the Advance at a per annum rate equivalent to the yield earned on ninety day Province of Ontario treasury bills on the date before the Advance Date as determined by the Province, provided that if an Advance is outstanding for longer than ninety days, the interest rate shall be reset on the last day of each ninety day period (the "Reset Date") to the yield earned on ninety day Province of

Ontario treasury bills immediately preceding the Reset Date as determined by the Province;

(ii) in the event that moneys included in an Advance are subsequently loaned by the Borrower to third parties for the purposes contemplated in the Act, (a "Third Party Loan") the rate of interest payable by the Borrower to the Lender on the portion of the Advance so loaned shall be adjusted at the option of the OFA effective as of the date of the Third Party Loan so that the per annum rate of interest payable by the Borrower on such moneys is equivalent to either:

(A) the per annum rate of interest payable to the Borrower under the Third Party Loan, or

(B) the per annum rate of interest payable to the Borrower under the Third Party Loan less an amount not exceeding 25 basis points,

rather than the rate specified in subparagraph (i), until (but excluding) the date on which the Third Party Loan is repaid to the OFA, at which time the interest rate set out in subparagraph (i) shall again be applicable to that portion of the Advance; and

(iii) in the event that moneys described in subparagraph (ii), once repaid, are subsequently loaned to third parties again, subparagraph (ii) shall again be applicable in determining the interest rate payable to the Lender on that portion of the Advance included in any subsequent loan, and so on, until the Advance shall be repaid to the Province in full;

(e) despite subparagraphs (c)(ii) and (iii) in the event that no interest is payable to the Borrower under a Third Party Loan, no- interest shall be payable by the Borrower on the portion of the Advance so loaned and to the extent that the terms of a Third Party Loan provide for the deferral of the payment of accrued interest for a period, the interest payment terms of an Advance or portion thereof shall also be deferred for a similar period;

(f) interest for any period of less than one year shall be payable for the actual number of days included in such period, computed on the basis of a 365-day year;

(g) despite paragraph (b), interest on any portion of an Advance made to the Borrower under the loan that is loaned by the Borrower as a Third Party Loan shall accrue on the basis stated above but shall become payable only to the extent the Borrower receives payment of interest under the relevant Third Party Loan; and

(h) despite paragraph (b), any portion of the principal of an Advance made to the Borrower under the loan that is loaned by the Borrower as a Third Party Loan shall become payable only to the extent the Borrower receives repayment of principal under the relevant Third Party Loan.

The undersigned authorizes the Lender to record on the reverse of this note or on any attachment to this note all advances, repayments and prepayments of principal and interest and the unpaid balance of principal from time to time. The undersigned agrees that in the absence of manifest error the record kept by the Lender on this note or any attachment shall be conclusive evidence of the matters recorded, provided that the failure of the Lender to record or correctly record any amount or date shall not affect the obligation of the undersigned to pay the outstanding principal amount of the Advances and interest.

Date as of the (·) day of (·), 2017.

That works for me.
Apparently Anna/Gadi think that it would be more appropriate for Ron to sign the agreements, so the signature blocks (on both agreements) will need to change. I don't have a certificate of incumbency Ron Kwan. Does OFA Legal (Sarah N.?) have one on file for Ron as an OFA corporate officer?

Is this reasonable from an operational perspective? If so, I'll add it to the latest draft.

Hi Victor and Anthony,

Just a quick note to let you know that Lisa and I both must leave at 5 p.m. today. If we're able receive any draft language soon enough before then, we will take a look and try to revert before then. If not, we'll have to do it first thing in the morning.

Also, if you could please let us know if IESO has received the intercept letter for signature, that would be great. Given the time factor, and once the Intercept Letter is fully executed, it looks like we will be then be signing the two agreements in counterparts (with IESO signing first and sending .pdf's to the OFA).

Hi all,

I spoke to Gadi and he recalled that Ron would be signing the letter. I had forgotten that was what was decided with Energy weeks ago.

Since Ron will be signing the letter, I think it only makes sense for him to sign the other related materials - not to mention that CEFD has done the majority of the work on this file and perhaps there is some satisfaction for all of you in seeing it all done! I know Ron may not be familiar with all of the documents, but perhaps Usman can set aside 15 minutes for a briefing with Ron today once the materials are ready to be signed.

Apologies for the late change in direction. Usman, I'll follow up separately with you on this to bring you up to speed.

Thanks, Anna

Hi William,

Not sure of his availability but know that he is quite jammed. Also, he does not usually deal with credit agreements so wouldn't Gadi be more used to doing so? Ron will go through the whole documents if you put in front of him.

Hello John,

Mike is away on Friday and according to the OFA Signing authorities Resolution for Lending Instruments, Ronald Kwan and Gadi Mayman are the other two signatories. Do you mind checking on Ronald's availability to sign for the agreements today or tomorrow?
There is a possibility for the agreements to be ready for today but more likely for tomorrow.

Hi Victor and Anthony,

Just a quick note to let you know that Lisa and I both must leave at 5 p.m. today. If we're able receive any draft language soon enough before then, we will take a look and try to revert before then. If not, we'll have to do it first thing in the morning.

Also, if you could please let us know if IESO has received the intercept letter for signature, that would be great. Given the time factor, and once the Intercept Letter is fully executed, it looks like we will be then be signing the two agreements in counterparts (with IESO signing first and sending .pdf's to the OFA).

   "**New Repayment Date**" has the meaning specified in Section 3.3(2).

   "OFHP" means the *Ontario Fair Hydro Plan Act, 2017*, S.O. 2017, c. 16, Schedule 1, including any regulations made thereunder, and all as amended from time to time.

5. Section 2.3 "Use of Proceeds" of the Credit Agreement is deleted in its entirety (with the exception of the title of the section, which exception also applies regarding the amendments made under sections 6, 7 and 8 hereof) and replaced by the following:

   "The IESO shall use the proceeds of Advances for the purposes for which it is authorized to borrow funds pursuant to Regulation 280/14 made under the *Electricity Act, 1998*, as such regulation may be amended or replaced from time to time, provided that Advances may be used only for liquidity purposes."

6. Section 3.2 "Procedures for Advances" of the Credit Agreement is deleted in its entirety and replaced by the following:

"(1) Subject to Section 3.3(5), each Advance shall be made subject to two Business Days' prior notice given not later than 10:00 a.m. (Toronto time) by the IESO to the OFA. Each notice of an Advance (a "**Borrowing Notice**") shall be substantially in the form of Schedule 1, other than a Borrowing Notice that is included in an Election Notice as permitted by Section 3.3(3). Each Borrowing Notice shall be irrevocable and binding on the IESO and shall specify (a) the requested date of the Advance; (b) the principal amount of the Advance, and (c) the Repayment Date of the Advance which shall be no earlier than 28 days and not later than 95 days after the date of the requested Advance. Each Borrowing Notice shall also certify the use of proceeds of the Advance which shall in any case be in accordance with Section 2.3. The OFA will make the principal amount of each Advance available to the IESO in accordance with Article 2.

(2) On or before the date of the first Advance hereunder, the IESO shall execute and deliver to the OFA a grid promissory note in respect of Advances substantially in the form of Schedule 3 (the **"Grid Note")**. Such notations, in the absence of manifest error, shall be *prima facie* evidence of such Advances and repayments; provided that the failure of the OFA to record any amount, rate or date shall not affect the obligation of the IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement."

7. Section 3.3 "Elections Regarding Advances" of the Credit Agreement is deleted in its entirety and replaced by the following:

"(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 28 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

(2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than 10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 28 days and not later than 95 days after the Current Repayment Date (the "**New Repayment Date"**). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date

of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the grid promissory note in respect of Advances in accordance with Section 3.2(2).

(5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date."

8. Section 5.2 "Acceleration of Maturity; Recission and Annulement" of the Credit Agreement is deleted in its entirety and replaced by the following:

"If an Event of Default occurs and is continuing, then and in every such case the OFA may at its option, in addition to any other remedy available to the OFA at law, by written notice to the IESO, take any or all of the following actions:

(a) suspend the right of the IESO to request any further Advance until the Event of Default has been cured to the OFA's satisfaction or, if the Event of Default is not cured within three (3) Business Days after the date on which written notice of such Event of Default shall have been given to the IESO by the OFA, declare all amounts owing hereunder including all interest accrued to be due and payable immediately, by a notice in writing to the IESO, and upon any such declaration all such amounts shall become immediately due and payable.

(b) invoke the Intercept pursuant to section 5.7 of this Agreement to require payment of any amount due and payable under this Agreement."

9. Section 5.7 "Intercept" is added to the Credit Agreement, stating as follows:

"Section 5.7 Intercept

(a) The IESO hereby acknowledges that, in accordance with the terms of the letter agreement of **November 3rd, 2017** herewith entered between the Ministry of Energy, the IESO and the OFA made pursuant to Section 23 of the *Capital Investment Plan Act, 1993* (the "**Intercept Letter**"), the Minister of Finance is entitled to deduct only from those monies appropriated by the Legislature for payment through the Ministry of Energy to the IESO ("**Appropriated Funds**"), amounts equal to any amounts that the IESO fails to pay to the OFA on account of indebtedness under this Agreement. (c) The IESO agrees that any notice from the OFA to the Minister of Finance in relation to this section 5.7 (Intercept) may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance and, upon receipt of such notice, an amount equal to the amount that the IESO has failed to pay when due to the OFA on account of indebtedness under this Agreement shall be deducted from the Appropriated Funds and paid to the OFA.

(d) For further certainty, the OFA acknowledges and agrees that the Intercept as provided for herein and in the Intercept Letter shall not apply with respect to any funds appropriated by the Legislature for payment to the IESO through ministries other than the Ministry of Energy or through Ontario Climate Change Solutions Deployment Corporation.

The parties agree that, with respect to the exercise of the Intercept generally, the terms of this section 5.7 shall be applied consistently with the terms set out in the Intercept Letter which shall apply in full. Notwithstanding the foregoing, in the event of a conflict or inconsistency between the terms and conditions of the Intercept Letter and the terms and conditions contained in this Agreement, the terms and conditions contained in this Agreement shall prevail."

Hi Victor and Anthony,

Just a quick note to let you know that Lisa and I both must leave at 5 p.m. today. If we're able receive any draft language soon enough before then, we will take a look and try to revert before then. If not, we'll have to do it first thing in the morning.

Also, if you could please let us know if IESO has received the intercept letter for signature, that would be great. Given the time factor, and once the Intercept Letter is fully executed, it looks like we will be then be signing the two agreements in counterparts (with IESO signing first and sending .pdf's to the OFA).

That works for me.
Apparently Anna/Gadi think that it would be more appropriate for Ron to sign the agreements, so the signature blocks (on both agreements) will need to change. I don't have a certificate of incumbency Ron Kwan. Does OFA Legal (Sarah N.?) have one on file for Ron as an OFA corporate officer?

Hi all,

I spoke to Gadi and he recalled that Ron would be signing the letter. I had forgotten that was what was decided with Energy weeks ago.

Since Ron will be signing the letter, I think it only makes sense for him to sign the other related materials - not to mention that CEFD has done the majority of the work on this file and perhaps there is some satisfaction for all of you in seeing it all done! I know Ron may not be familiar with all of the documents, but perhaps Usman can set aside 15 minutes for a briefing with Ron today once the materials are ready to be signed.

Apologies for the late change in direction. Usman, I'll follow up separately with you on this to bring you up to speed.

Thanks, Anna

Not sure of his availability but know that he is quite jammed. Also, he does not usually deal with credit agreements so wouldn't Gadi be more used to doing so? Ron will go through the whole documents if you put in front of him.

Hello John,

Mike is away on Friday and according to the OFA Signing authorities Resolution for Lending Instruments, Ronald Kwan and Gadi Mayman are the other two signatories. Do you mind checking on Ronald's availability to sign for the agreements today or tomorrow?
There is a possibility for the agreements to be ready for today but more likely for tomorrow.

Hi all,

I spoke to Gadi and he recalled that Ron would be signing the letter. I had forgotten that was what was decided with Energy weeks ago.

Since Ron will be signing the letter, I think it only makes sense for him to sign the other related materials - not to mention that CEFD has done the majority of the work on this file and perhaps there is some satisfaction for all of you in seeing it all done! I know Ron may not be familiar with all of the documents, but perhaps Usman can set aside 15 minutes for a briefing with Ron today once the materials are ready to be signed.

Apologies for the late change in direction. Usman, I'll follow up separately with you on this to bring you up to speed.

Thanks, Anna

Hi William,

Not sure of his availability but know that he is quite jammed. Also, he does not usually deal with credit agreements so wouldn't Gadi be more used to doing so? Ron will go through the whole documents if you put in front of him.

Hello John,

Mike is away on Friday and according to the OFA Signing authorities Resolution for Lending Instruments, Ronald Kwan and Gadi Mayman are the other two signatories. Do you mind checking on Ronald's availability to sign for the agreements today or tomorrow?
There is a possibility for the agreements to be ready for today but more likely for tomorrow.

Thank you, Will. Could you please let IESO that we would be requesting them to send us .pdf's of the execution versions so we can have signed-off versions agreed upon and ready to be executed as soon as the directive is signed. We would ask IESO to sign to copies of each agreement, and send them to us for execution. We would then have Mike sign all drafts and send one set of fully executed docs to IESO
Thanks,

That reminds me to provide everyone with a bit of an update. Had a call with Energy Legal. He still sounds optimistic that things would be resolved on Energy's side by tomorrow. Ron has reached out to IESO as we are just not sure why OPG needs to be involved. If we have to go there, we will go there but will try to talk to them first.

Hi John,

I received a voicemail from Victor Buzza this afternoon. Please give me a call to discuss the current status before I call him back – I was also planning to ask him about OPG's involvement. As we have previously mentioned, we don't have a concern from a legal perspective re: sharing the letter agreement and/or the draft credit facility agreement.

Hello Victor,
As discussed, the extension date of the existing $475 million Revolving Credit Facility to align with the FHP Revolving Credit Facility will be deferred to a future amended and restated agreement. We have included minor edits. Please review and comment.
Thanks,

Hi Will – we have reviewed OFA's draft of Amendment #10 and only have a very few comments, which I have inserted in the attached for your review/consideration, mostly just addressing drafting inconsistencies and the like.
The one substantive proposal we would make is that the termination date for this $475MM revolving loan be extended beyond the current end-date of December 31, 2019 (as stipulated in Amending Agreement #9) to be aligned with the end-date of the FHP Credit Agreement which is September 30 2022. If agreed, it would require minor amendments to sections 2.4 and 5.1(b) of the Agreement. FYI, such a change would be within the scope of the authorization provided by IESO's board resolution.
Let us know your thoughts on this.
Regards,
Victor

Subject: Draft Amending Agreement No. 10

Hello Anthony and Victor,

The Election for to roll-over a portion or all of the interest triggered a number of changes which includes updates to definitions, Section 3.2, 3.3, Schedules 1, 2 and 3.

Section 3.3(4) was added from the FHP Agreement, which addresses calculation of interest on a Continued Advance

> (4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the grid promissory note in respect of Advances in accordance with Section 3.2(2).

Reason for the scope of changes that have been added (this draft updates all of the Schedules to the Agreement and also aligns the language in the related sections of the Agreement).

Please review and comment.

Thanks,

Will

Hello gentleman,

I have been informed by a colleague that we are instructed by the deputy minister for us to pursue our minister to sign the directive for early next week.

As per Anthony's request, we making changes to the Amending Agreement No. 10 to allow IESO:

- Elect to continue all or a portion of the principal and interest .
- The advancement period of 28 days up to 95 days will remain the same.
- Section 3.3 (2) new advances will change from 1 business day to two business days prior notice because advancements under the Borrowing Notice allow for two business days' notice.

Sorry for the inconvenience.

Hello Anthony,
We have reviewed the grid note you provided and your observation is correct that you are provided with one line item with the consolidated total amount compared to the distinct separate the advances we originally understood.
Yes, we have access to a version of the grid note that separates the advances that is not provided to you, which caused the confusion.
Does the revised Section 3.3(2) and Schedule 2 (Form of Election Notice) still functional to you?
Thanks,

Hi,
Just for clarity. Below is an example of the OFA's regular email and grid notes (see attached) that the IESO receives each month directly from the OFA.
You will note that the grid notes shows one row and its respective aggregated amount for each month's advance (previous + new).

It was noted on yesterday's call that each respective advance has its own row and # of days updated in the grid note – in practice the IESO does not see this.
I assume there is an internal OFA grid document which provides each advance as segregate rows.
Victor and I are reviewing today's draft.
Regards.

2. The definition of "Commitment" in Section 1.1 of the Credit Agreement is amended by deleting "$975,000,000" and substituting "$475,000,000" therefor.

3. The following definitions are added to Section 1.1 of the Agreement

5. Section 3.2 "Procedures for Advances" of the Credit Agreement is deleted in its entirety and replaced by the following:

   "(1) Subject to Section 3.3(5), each Advance shall be made subject to two Business Days' prior notice given not later than 10:00 a.m. (Toronto time) by the IESO to the OFA. Commented [VB1]: See comment on similar FHP language and make consistent between documents.

Commented [VB2]: Same as "Advances Outstanding"?? Or is this different?

Such Borrowing Notice shall be given substantially in the form of Schedule 2.

   (4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the grid promissory note in respect of Advances in accordance with Section 3.2(2).

Hi Will and Shajee,
While it is a business/policy decision whether to extend the expiry date of the revolving credit facility agreement as per the IESO's request, please note that the current expiry date is set pursuant to the Ministerial directive dated November 28 ,2016. Therefore it will be necessary to obtain a new ministerial directive to amend the expiry date. It is possible to add this to the new directive which has not yet been signed by the Minister; you will also need to amend the accompanying briefing note.
Please advise how you would like to proceed regarding the directive. I'll provide additional comments on the IESO's edits to the latest amending agreement tomorrow (they are relatively minor).
Shajee/John: It will be necessary to amend the briefing note in any event as I believe the signature line needs to be amended to reference the Minister (and not his delegate).
Thank you,
Lisa

Hello Shajee,
As part of the existing OFA IESO Revolving Credit Facility Amending Agreement No. 10 to reduce to $475 million (from $975 million), IESO has requested to extend the agreement expiry date from December 31, 2019 to September 30, 2022 to align it with the new FHP $2 billion Credit Facility. From an OEFC perspective, do you have any concerns regarding this? FYI subject to the new directive being signed we anticipate that the Amending Agreement No. 10 and FHP Credit Facility to be signed by Friday.

Hi Will – we have reviewed OFA's draft of Amendment #10 and only have a very few comments, which I have inserted in the attached for your review/consideration, mostly just addressing drafting inconsistencies and the like.

The one substantive proposal we would make is that the termination date for this $475MM revolving loan be extended beyond the current end-date of December 31, 2019 (as stipulated in Amending Agreement #9) to be aligned with the end-date of the FHP Credit Agreement which is September 30 2022. If agreed, it would require minor amendments to sections 2.4 and 5.1(b) of the Agreement. FYI, such a change would be within the scope of the authorization provided by IESO's board resolution.

Let us know your thoughts on this.

Regards,

Victor

Hello Anthony and Victor,

The Election for to roll-over a portion or all of the interest triggered a number of changes which includes updates to definitions, Section 3.2, 3.3, Schedules 1, 2 and 3.

Section 3.3(4) was added from the FHP Agreement, which addresses calculation of interest on a Continued Advance

> (4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the grid promissory note in respect of Advances in accordance with Section 3.2(2).

Reason for the scope of changes that have been added (this draft updates all of the Schedules to the Agreement and also aligns the language in the related sections of the Agreement).

Please review and comment.

Thanks,

Will

I have been informed by a colleague that we are instructed by the deputy minister for us to pursue our minister to sign the directive for early next week.
As per Anthony's request, we making changes to the Amending Agreement No. 10 to allow IESO:

- Elect to continue all or a portion of the principal and interest .
- The advancement period of 28 days up to 95 days will remain the same.
- Section 3.3 (2) new advances will change from 1 business day to two business days prior notice because advancements under the Borrowing Notice allow for two business days' notice.

Sorry for the inconvenience.

Hi Will and Shajee,
While it is a business/policy decision whether to extend the expiry date of the revolving credit facility agreement as per the IESO's request, please note that the current expiry date is set pursuant to the Ministerial directive dated November 28 ,2016. Therefore it will be necessary to obtain a new ministerial directive to amend the expiry date. It is possible to add this to the new directive which has not yet been signed by the Minister; you will also need to amend the accompanying briefing note.
Please advise how you would like to proceed regarding the directive. I'll provide additional comments on the IESO's edits to the latest amending agreement tomorrow (they are relatively minor).
Shajee/John: It will be necessary to amend the briefing note in any event as I believe the signature line needs to be amended to reference the Minister (and not his delegate).
Thank you,
Lisa

We have reviewed the grid note you provided and your observation is correct that you are provided

with one line item with the consolidated total amount compared to the distinct separate the advances we originally understood.
Yes, we have access to a version of the grid note that separates the advances that is not provided to you, which caused the confusion.
Does the revised Section 3.3(2) and Schedule 2 (Form of Election Notice) still functional to you?

Hi,
Just for clarity. Below is an example of the OFA's regular email and grid notes (see attached) that the IESO receives each month directly from the OFA.
You will note that the grid notes shows one row and its respective aggregated amount for each month's advance (previous + new).
It was noted on yesterday's call that each respective advance has its own row and # of days updated in the grid note – in practice the IESO does not see this.
I assume there is an internal OFA grid document which provides each advance as segregate rows.
Victor and I are reviewing today's draft.
Regards.

THEREFORE, in consideration of the mutual covenants and agreements herein contained and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and subject to the terms and conditions hereafter set out, the Parties agree that:

2. The definition of "Commitment" in Section 1.1 of the Credit Agreement is amended by deleting "$975,000,000" and substituting "$475,000,000" therefor.

3. The following definitions are added to Section 1.1 of the Agreement

   "**Continued Advance"** has the meaning specified in Section 3.3(1).

   "**Current Repayment Date**" has the meaning specified in Section 3.3(2).

   "**New Repayment Date**" has the meaning specified in Section 3.3(2).

Commented [VB2]: NOTE – consider changing ultimate repayment date to later than December 31, 2019 to align with FHP dates.

4. Section 2.3 "Use of Proceeds" of the Credit Agreement is deleted in its entirety and replaced by the following:

   "The IESO shall use the proceeds of Advances for the purposes for which it is authorized to borrow funds pursuant to Regulation 280/14 made under the *Electricity Act, 1998*, as such regulation may be amended or replaced from time to time, provided that Advances may be used only for liquidity purposes."

5. Section 3.2 "Procedures for Advances" of the Credit Agreement is deleted in its entirety and replaced by the following:

   "(1) Subject to Section 3.3(5), each Advance shall be made subject to two Business Days' prior notice given not later than 10:00 a.m. (Toronto time) by the IESO to the OFA. Each notice of an Advance (a "**Borrowing Notice**") shall be substantially in the form of Schedule 1, other than a Borrowing Notice that is included in an Election Notice as permitted by Section 3.3(3). Each Borrowing Notice shall be irrevocable and binding on the IESO and shall specify (a) the requested date of the Advance; (b) the principal amount of the Advance, and (c) the Repayment Date of the Advance which shall be no earlier than 28 days and not later than 95 days after the date of the requested Advance. Each Borrowing Notice shall also certify the use of proceeds of the Advance in accordance with Section 2.3. The OFA will make the principal amount of each Advance available to the IESO in accordance with Article 2.

   (2) On or before the date of the first Advance hereunder, the IESO shall execute and deliver to the OFA a grid promissory note in respect of Advances substantially in the form of Schedule 3. The IESO authorizes the OFA to record on the grid promissory note (a) the date and amount of each Advance or Continued Advance; (b) the applicable rate of interest for each Advance or Continued Advance; (c) the Repayment Date of each Advance or Continued Advance; (d) the date and amount of each payment of interest and each payment of principal or portion thereof in respect of each Advance or Continued Advance; and (e) the outstanding principal amount of the grid promissory note. Such notations, in the absence of manifest error, shall be *prima facie* evidence of the such advances and repayments; provided that the failure of the OFA to record any amount, rate or date shall not affect the obligation of the IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement."

6. Section 3.3 "Elections Regarding Advances" of the Credit Agreement is deleted in its entirety and replaced by the following:

"(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 28 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

(2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than 10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid ~~or re-paid~~ by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 28 days and not later than 95 days after the Current Repayment Date (the "**New Repayment Date"**). Commented [VB4]: The term "Note" is not defined in the Agreement as far as I can tell, having checked all amendments. It occurs 6 times on this page. In the 2nd para, the term "grid promissory note" is also used and means the same thing. These should be consistent. "Note" should be defined, or we could use "Grid Note" throughout, but again it's preferable for it to be defined in some manner.

Commented [VB5]: The original 2005 agreement is not defined as or entitled "Credit Agreement", so this occurrence should be lower case.

Hi Will – we have reviewed OFA's draft of Amendment #10 and only have a very few comments, which I have inserted in the attached for your review/consideration, mostly just addressing drafting inconsistencies and the like.

The one substantive proposal we would make is that the termination date for this $475MM revolving loan be extended beyond the current end-date of December 31, 2019 (as stipulated in Amending Agreement #9) to be aligned with the end-date of the FHP Credit Agreement which is September 30 2022. If agreed, it would require minor amendments to sections 2.4 and 5.1(b) of the Agreement. FYI, such a change would be within the scope of the authorization provided by IESO's board resolution.

Let us know your thoughts on this.

Regards,

Victor

Hello Anthony and Victor,

The Election for to roll-over a portion or all of the interest triggered a number of changes which includes updates to definitions, Section 3.2, 3.3, Schedules 1, 2 and 3.

Section 3.3(4) was added from the FHP Agreement, which addresses calculation of interest on a Continued Advance

> (4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the grid promissory note in respect of Advances in accordance with Section 3.2(2).

Reason for the scope of changes that have been added (this draft updates all of the Schedules to the Agreement and also aligns the language in the related sections of the Agreement).

Please review and comment.

Thanks,

Will

Hello gentleman,

I have been informed by a colleague that we are instructed by the deputy minister for us to pursue our minister to sign the directive for early next week.

As per Anthony's request, we making changes to the Amending Agreement No. 10 to allow IESO:

- Elect to continue all or a portion of the principal and interest .
- The advancement period of 28 days up to 95 days will remain the same.
- Section 3.3 (2) new advances will change from 1 business day to two business days prior notice because advancements under the Borrowing Notice allow for two business days' notice.

Sorry for the inconvenience.

Will

Hello Anthony,

We have reviewed the grid note you provided and your observation is correct that you are provided

with one line item with the consolidated total amount compared to the distinct separate the advances we originally understood.
Yes, we have access to a version of the grid note that separates the advances that is not provided to you, which caused the confusion.
Does the revised Section 3.3(2) and Schedule 2 (Form of Election Notice) still functional to you?
Thanks,
Will

Hi,
Just for clarity. Below is an example of the OFA's regular email and grid notes (see attached) that the IESO receives each month directly from the OFA.
You will note that the grid notes shows one row and its respective aggregated amount for each month's advance (previous + new).
It was noted on yesterday's call that each respective advance has its own row and # of days updated in the grid note – in practice the IESO does not see this.
I assume there is an internal OFA grid document which provides each advance as segregate rows.
Victor and I are reviewing today's draft.
Regards.

Commented [VB4]: The term "Note" is not defined in the Agreement as far as I can tell, having checked all amendments. It occurs 6 times on this page. In the 2nd para, the term "grid promissory note" is also used and means the same thing. These should be consistent. "Note" should be defined, or we could use "Grid Note" throughout, but again it's preferable for it to be defined in some manner.

Commented [VB5]: The original 2005 agreement is not defined as or entitled "Credit Agreement", so this occurrence should be lower case.

Hello Anthony and Victor,
The Election for to roll-over a portion or all of the interest triggered a number of changes which includes updates to definitions, Section 3.2, 3.3, Schedules 1, 2 and 3.
Section 3.3(4) was added from the FHP Agreement, which addresses calculation of interest on a Continued Advance

> (4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the grid promissory note in respect of Advances in accordance with Section 3.2(2).

Reason for the scope of changes that have been added (this draft updates all of the Schedules to the Agreement and also aligns the language in the related sections of the Agreement).
Please review and comment.
Thanks,
Will

Yes, we have access to a version of the grid note that separates the advances that is not provided to you, which caused the confusion.

Does the revised Section 3.3(2) and Schedule 2 (Form of Election Notice) still functional to you?

Hi,

Just for clarity. Below is an example of the OFA's regular email and grid notes (see attached) that the IESO receives each month directly from the OFA.
You will note that the grid notes shows one row and its respective aggregated amount for each month's advance (previous + new).
It was noted on yesterday's call that each respective advance has its own row and # of days updated in the grid note – in practice the IESO does not see this.
I assume there is an internal OFA grid document which provides each advance as segregate rows.
Victor and I are reviewing today's draft.
Regards.

Hi William,
I have updated the draft Amending Agreement No. 10 including Form of Election Notice to allow for roll-over of interest per your instructions below, by copying the content of the relevant sections of the draft FHP Agreement.
I also:
- changed the date to September
- added s. 3.3(4) from the FHP Agreement, which addresses calculation of interest on a Continued Advance:

> (4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the grid promissory note in respect of Advances in accordance with Section 3.2(2).

If you have any comments or would like to discuss, please let me know.
As noted below, if you are forwarding this to the IESO, please let them know the reason for the scope of changes that have been added (this draft updates all of the Schedules to the Agreement and also aligns the language in the related sections of the Agreement).
(I am not sure what naming convention has been used for these files - I just added "Aug 31 markup" to the previous filename.)
Thanks,
Caroline

Hello Caroline,
I have spoken to Anthony and he has requested to update the existing credit facility agreement ($975 million down to $475 million) to have the same option to roll-over principle and interest. Risa Thau had no concerns from an accounting and operational standpoint. Mike Manning and James Devine also had no concerns from a Capital Markets perspective. Please include the language in the Amending Agreement No. 10 to reflect this.
I have updated the Grid note be appear the same as the FHP Grid Note. I have reviewed you're changes to the Amending Agreement No. 10 and have no other comments.

Hi William,
I have updated the draft Amending Agreement No. 10 including Form of Election Notice to allow for roll-over of interest per your instructions below, by copying the content of the relevant sections of the draft FHP Agreement.
I also:
- changed the date to September
- added s. 3.3(4) from the FHP Agreement, which addresses calculation of interest on a Continued Advance:

> (4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the grid promissory note in respect of Advances in accordance with Section 3.2(2).

If you have any comments or would like to discuss, please let me know.
As noted below, if you are forwarding this to the IESO, please let them know the reason for the scope of changes that have been added (this draft updates all of the Schedules to the Agreement and also aligns the language in the related sections of the Agreement).
(I am not sure what naming convention has been used for these files - I just added "Aug 31 markup" to the previous filename.)
Thanks,
Caroline

Hello Caroline,
I have spoken to Anthony and he has requested to update the existing credit facility agreement ($975 million down to $475 million) to have the same option to roll-over principle and interest. Risa Thau had no concerns from an accounting and operational standpoint. Mike Manning and James Devine also had no concerns from a Capital Markets perspective. Please include the language in the Amending Agreement No. 10 to reflect this.
I have updated the Grid note be appear the same as the FHP Grid Note. I have reviewed you're changes to the Amending Agreement No. 10 and have no other comments.
Thanks,
Will

Hello,
Please find attached draft changes to Amending Agreement No. 10. I worked from the document that Will emailed to the IESO on August 18 at 3:18pm which Lisa shared with me. Please let me know if you have any comments/questions/changes or would like to discuss.
This draft updates all of the Schedules to the Agreement. We also thought it would be prudent to align the language in the related sections of the Agreement. If you are forwarding this to the IESO, please let them know that this is the reason for the scope of the changes that have been included.
I also wanted to flag that Mike Manning's new title should be used on any documents that he signs (Executive Director & Chief Investment Officer).
Thanks,

Hello Lisa,
I have spoken with Mike Manning and presented the option of extending the existing credit facility agreement to align with the same maturity as the FHP credit facility. Conceptually Mike agrees with aligning the maturities of the two credit facilities, however, he feels that we are “out-of-time” and to defer the extension for the next agreement update.
Shajee and I have already spoken. We should then, amend and restate the agreement at a later date.
Thanks,
Will

Hi Will,
Just to clarify, I didn’t say the extension wasn’t realistic. In my e-mail below I indicated that a directive will be necessary if you decide, as a business decision, to extend the expiration date of the revolving credit facility agreement. Happy to discuss further.

Hi Will and Shajee,

While it is a business/policy decision whether to extend the expiry date of the revolving credit facility agreement as per the IESO's request, please note that the current expiry date is set pursuant to the Ministerial directive dated November 28 ,2016. Therefore it will be necessary to obtain a new ministerial directive to amend the expiry date. It is possible to add this to the new directive which has not yet been signed by the Minister; you will also need to amend the accompanying briefing note.

Please advise how you would like to proceed regarding the directive. I'll provide additional comments on the IESO's edits to the latest amending agreement tomorrow (they are relatively minor).

Shajee/John: It will be necessary to amend the briefing note in any event as I believe the signature line needs to be amended to reference the Minister (and not his delegate).

Thank you,

Lisa

Hello Shajee,

As part of the existing OFA IESO Revolving Credit Facility Amending Agreement No. 10 to reduce to $475 million (from $975 million), IESO has requested to extend the agreement expiry date from December 31, 2019 to September 30, 2022 to align it with the new FHP $2 billion Credit Facility. From an OEFC perspective, do you have any concerns regarding this? FYI subject to the new directive being signed we anticipate that the Amending Agreement No. 10 and FHP Credit Facility to be signed by Friday.

Hi Will – we have reviewed OFA's draft of Amendment #10 and only have a very few comments, which I have inserted in the attached for your review/consideration, mostly just addressing drafting inconsistencies and the like.

The one substantive proposal we would make is that the termination date for this $475MM revolving loan be extended beyond the current end-date of December 31, 2019 (as stipulated in Amending Agreement #9) to be aligned with the end-date of the FHP Credit Agreement which is September 30 2022. If agreed, it would require minor amendments to sections 2.4 and 5.1(b) of the Agreement. FYI, such a change would be within the scope of the authorization provided by IESO's board resolution.

Let us know your thoughts on this.

Regards,

Victor

Hello Anthony and Victor,

The Election for to roll-over a portion or all of the interest triggered a number of changes which includes updates to definitions, Section 3.2, 3.3, Schedules 1, 2 and 3.

Section 3.3(4) was added from the FHP Agreement, which addresses calculation of interest on a Continued Advance

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the grid promissory

note in respect of Advances in accordance with Section 3.2(2).

Reason for the scope of changes that have been added (this draft updates all of the Schedules to the Agreement and also aligns the language in the related sections of the Agreement).

Please review and comment.

Thanks,

Will

I have been informed by a colleague that we are instructed by the deputy minister for us to pursue our minister to sign the directive for early next week.

As per Anthony's request, we making changes to the Amending Agreement No. 10 to allow IESO:

- Elect to continue all or a portion of the principal and interest .
- The advancement period of 28 days up to 95 days will remain the same.
- Section 3.3 (2) new advances will change from 1 business day to two business days prior notice because advancements under the Borrowing Notice allow for two business days' notice.

Sorry for the inconvenience.

Hello Lisa,
I have spoken with Mike Manning and presented the option of extending the existing credit facility agreement to align with the same maturity as the FHP credit facility. Conceptually Mike agrees with aligning the maturities of the two credit facilities, however, he feels that we are “out-of-time” and to defer the extension for the next agreement update.
Shajee and I have already spoken. We should then, amend and restate the agreement at a later date.
Thanks,
Will

Hi Will,
Just to clarify, I didn’t say the extension wasn’t realistic. In my e-mail below I indicated that a directive will be necessary if you decide, as a business decision, to extend the expiration date of the revolving credit facility agreement. Happy to discuss further.

Hi Will and Shajee,

While it is a business/policy decision whether to extend the expiry date of the revolving credit facility agreement as per the IESO's request, please note that the current expiry date is set pursuant to the Ministerial directive dated November 28 ,2016. Therefore it will be necessary to obtain a new ministerial directive to amend the expiry date. It is possible to add this to the new directive which has not yet been signed by the Minister; you will also need to amend the accompanying briefing note.

Please advise how you would like to proceed regarding the directive. I'll provide additional comments on the IESO's edits to the latest amending agreement tomorrow (they are relatively minor).

Shajee/John: It will be necessary to amend the briefing note in any event as I believe the signature line needs to be amended to reference the Minister (and not his delegate).

Thank you,

Lisa

Hello Shajee,

As part of the existing OFA IESO Revolving Credit Facility Amending Agreement No. 10 to reduce to $475 million (from $975 million), IESO has requested to extend the agreement expiry date from December 31, 2019 to September 30, 2022 to align it with the new FHP $2 billion Credit Facility. From an OEFC perspective, do you have any concerns regarding this? FYI subject to the new directive being signed we anticipate that the Amending Agreement No. 10 and FHP Credit Facility to be signed by Friday.

Hi Will – we have reviewed OFA's draft of Amendment #10 and only have a very few comments, which I have inserted in the attached for your review/consideration, mostly just addressing drafting inconsistencies and the like.

The one substantive proposal we would make is that the termination date for this $475MM revolving loan be extended beyond the current end-date of December 31, 2019 (as stipulated in Amending Agreement #9) to be aligned with the end-date of the FHP Credit Agreement which is September 30 2022. If agreed, it would require minor amendments to sections 2.4 and 5.1(b) of the Agreement. FYI, such a change would be within the scope of the authorization provided by IESO's board resolution.

Let us know your thoughts on this.

Victor

Hello Anthony and Victor,

The Election for to roll-over a portion or all of the interest triggered a number of changes which includes updates to definitions, Section 3.2, 3.3, Schedules 1, 2 and 3.

Section 3.3(4) was added from the FHP Agreement, which addresses calculation of interest on a Continued Advance

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the grid promissory

note in respect of Advances in accordance with Section 3.2(2).

Reason for the scope of changes that have been added (this draft updates all of the Schedules to the Agreement and also aligns the language in the related sections of the Agreement).

Please review and comment.

Thanks,

Will

Hello gentleman,

I have been informed by a colleague that we are instructed by the deputy minister for us to pursue our minister to sign the directive for early next week.

As per Anthony's request, we making changes to the Amending Agreement No. 10 to allow IESO:

- Elect to continue all or a portion of the principal and interest .
- The advancement period of 28 days up to 95 days will remain the same.
- Section 3.3 (2) new advances will change from 1 business day to two business days prior notice because advancements under the Borrowing Notice allow for two business days' notice.

Sorry for the inconvenience.

Hello gentleman,

I have been informed by a colleague that we are instructed by the deputy minister for us to pursue our minister to sign the directive for early next week.
As per Anthony's request, we making changes to the Amending Agreement No. 10 to allow IESO:

- Elect to continue all or a portion of the principal and interest .
- The advancement period of 28 days up to 95 days will remain the same.
- Section 3.3 (2) new advances will change from 1 business day to two business days prior notice because advancements under the Borrowing Notice allow for two business days' notice.

Sorry for the inconvenience.

Hello Lisa,
I have spoken with Mike Manning and presented the option of extending the existing credit facility agreement to align with the same maturity as the FHP credit facility. Conceptually Mike agrees with aligning the maturities of the two credit facilities, however, he feels that we are "out-of-time" and to defer the extension for the next agreement update.
Shajee and I have already spoken. We should then, amend and restate the agreement at a later date.
Thanks,
Will

Hi Will,
Just to clarify, I didn't say the extension wasn't realistic. In my e-mail below I indicated that a directive will be necessary if you decide, as a business decision, to extend the expiration date of the revolving credit facility agreement. Happy to discuss further.

Hi Will and Shajee,
While it is a business/policy decision whether to extend the expiry date of the revolving credit facility agreement as per the IESO's request, please note that the current expiry date is set pursuant to the Ministerial directive dated November 28 ,2016. Therefore it will be necessary to obtain a new ministerial directive to amend the expiry date. It is possible to add this to the new directive which has not yet been signed by the Minister; you will also need to amend the accompanying briefing note.

Please advise how you would like to proceed regarding the directive. I'll provide additional comments on the IESO's edits to the latest amending agreement tomorrow (they are relatively minor).
Shajee/John: It will be necessary to amend the briefing note in any event as I believe the signature line needs to be amended to reference the Minister (and not his delegate).
Thank you,
Lisa

Hello Shajee,
As part of the existing OFA IESO Revolving Credit Facility Amending Agreement No. 10 to reduce to $475 million (from $975 million), IESO has requested to extend the agreement expiry date from December 31, 2019 to September 30, 2022 to align it with the new FHP $2 billion Credit Facility. From an OEFC perspective, do you have any concerns regarding this? FYI subject to the new directive being signed we anticipate that the Amending Agreement No. 10 and FHP Credit Facility to be signed by Friday.

Hi Will – we have reviewed OFA's draft of Amendment #10 and only have a very few comments, which I have inserted in the attached for your review/consideration, mostly just addressing drafting inconsistencies and the like.
The one substantive proposal we would make is that the termination date for this $475MM revolving loan be extended beyond the current end-date of December 31, 2019 (as stipulated in Amending Agreement #9) to be aligned with the end-date of the FHP Credit Agreement which is

September 30 2022. If agreed, it would require minor amendments to sections 2.4 and 5.1(b) of the Agreement. FYI, such a change would be within the scope of the authorization provided by IESO's board resolution.

Let us know your thoughts on this.

Victor

Hello Anthony and Victor,

The Election for to roll-over a portion or all of the interest triggered a number of changes which includes updates to definitions, Section 3.2, 3.3, Schedules 1, 2 and 3.

Section 3.3(4) was added from the FHP Agreement, which addresses calculation of interest on a Continued Advance

> (4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the grid promissory note in respect of Advances in accordance with Section 3.2(2).

Reason for the scope of changes that have been added (this draft updates all of the Schedules to the Agreement and also aligns the language in the related sections of the Agreement).

Please review and comment.

Thanks,

Will

Hi Will,
Just to clarify, I didn't say the extension wasn't realistic. In my e-mail below I indicated that a directive will be necessary if you decide, as a business decision, to extend the expiration date of the revolving credit facility agreement. Happy to discuss further.

Thanks for the input. I agree, the extension doesn't seem realistic this time around. Chat with you in the morning.

Hi Will and Shajee,
While it is a business/policy decision whether to extend the expiry date of the revolving credit facility agreement as per the IESO's request, please note that the current expiry date is set pursuant to the Ministerial directive dated November 28 ,2016. Therefore it will be necessary to obtain a new ministerial directive to amend the expiry date. It is possible to add this to the new directive which has not yet been signed by the Minister; you will also need to amend the accompanying briefing note.
Please advise how you would like to proceed regarding the directive. I'll provide additional comments on the IESO's edits to the latest amending agreement tomorrow (they are relatively minor).
Shajee/John: It will be necessary to amend the briefing note in any event as I believe the signature line needs to be amended to reference the Minister (and not his delegate).
Thank you,
Lisa

Hello Shajee,

As part of the existing OFA IESO Revolving Credit Facility Amending Agreement No. 10 to reduce to $475 million (from $975 million), IESO has requested to extend the agreement expiry date from December 31, 2019 to September 30, 2022 to align it with the new FHP $2 billion Credit Facility. From an OEFC perspective, do you have any concerns regarding this? FYI subject to the new directive being signed we anticipate that the Amending Agreement No. 10 and FHP Credit Facility to be signed by Friday.

Hi Will – we have reviewed OFA's draft of Amendment #10 and only have a very few comments, which I have inserted in the attached for your review/consideration, mostly just addressing drafting inconsistencies and the like.

The one substantive proposal we would make is that the termination date for this $475MM revolving loan be extended beyond the current end-date of December 31, 2019 (as stipulated in Amending Agreement #9) to be aligned with the end-date of the FHP Credit Agreement which is September 30 2022. If agreed, it would require minor amendments to sections 2.4 and 5.1(b) of the Agreement. FYI, such a change would be within the scope of the authorization provided by IESO's board resolution.

Let us know your thoughts on this.

Regards,

Victor

Hello Anthony and Victor,

The Election for to roll-over a portion or all of the interest triggered a number of changes which includes updates to definitions, Section 3.2, 3.3, Schedules 1, 2 and 3.

Section 3.3(4) was added from the FHP Agreement, which addresses calculation of interest on a Continued Advance

> (4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the grid promissory note in respect of Advances in accordance with Section 3.2(2).

Reason for the scope of changes that have been added (this draft updates all of the Schedules to the Agreement and also aligns the language in the related sections of the Agreement).

Please review and comment.

Thanks,

Will

Hello gentleman,

I have been informed by a colleague that we are instructed by the deputy minister for us to pursue our minister to sign the directive for early next week.

As per Anthony's request, we making changes to the Amending Agreement No. 10 to allow IESO:

- Elect to continue all or a portion of the principal and interest .
- The advancement period of 28 days up to 95 days will remain the same.
- Section 3.3 (2) new advances will change from 1 business day to two business days prior notice because advancements under the Borrowing Notice allow for two business days' notice.

Sorry for the inconvenience.

Yes, we have access to a version of the grid note that separates the advances that is not provided to you, which caused the confusion.
Does the revised Section 3.3(2) and Schedule 2 (Form of Election Notice) still functional to you?

Hi,
Just for clarity. Below is an example of the OFA's regular email and grid notes (see attached) that the IESO receives each month directly from the OFA.
You will note that the grid notes shows one row and its respective aggregated amount for each month's advance (previous + new).

It was noted on yesterday's call that each respective advance has its own row and # of days updated in the grid note – in practice the IESO does not see this.
I assume there is an internal OFA grid document which provides each advance as segregate rows.
Victor and I are reviewing today's draft.
Regards.

AND WHEREAS the Parties have now agreed to: (i) at the request of the IESO, decrease the total principal amount available under the Credit Agreement from $975,000,000 to a total principal amount of up to $475,000,000; (ii) amend the use of proceeds under the Credit Agreement; and (iii) amend the Form of Election Notice and related provisions under the Credit Agreement;

AND WHEREAS pursuant to Section 7.3 of the Credit Agreement, the Credit Agreement may only be amended or otherwise modified by written agreement executed by the Parties.

THEREFORE, in consideration of the mutual covenants and agreements herein contained and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and subject to the terms and conditions hereafter set out, the Parties agree that:

1. The definition of "Advances" in Section 1.1 of the Credit Agreement is deleted and replaced by the following:

2. The definition of "Commitment" in Section 1.1 of the Credit Agreement is amended by deleting "$975,000,000" and substituting "$475,000,000" therefor.

3. The following definitions are added to Section 1.1 of the Agreement

   "**Continued Advance"** has the meaning specified in Section 3.3(1).

   "**Current Repayment Date**" has the meaning specified in Section 3.3(2).

   "**New Repayment Date**" has the meaning specified in Section 3.3(2).

4. Section 2.3 "Use of Proceeds" of the Credit Agreement is deleted in its entirety and replaced by the following:

   "The IESO shall use the proceeds of Advances for the purposes for which it is authorized to borrow funds pursuant to Regulation 280/14 made under the *Electricity Act, 1998*, as such regulation may be amended or replaced from time to time, provided that Advances may be used only for liquidity purposes."

5. Section 3.2 "Procedures for Advances" of the Credit Agreement is deleted in its entirety and replaced by the following:

   "(1) Subject to Section 3.3(5), each Advance shall be made subject to two Business Days' prior notice given not later than 10:00 a.m. (Toronto time) by the IESO to the OFA. Each notice of an Advance (a "**Borrowing Notice**") shall be substantially in the form of Schedule 1, other than a Borrowing Notice that is included in an Election Notice as permitted by Section 3.3(3). Each Borrowing Notice shall be irrevocable and binding on the IESO and shall specify (a) the requested date of the Advance; (b) the principal amount of the Advance, and (c) the Repayment Date of the Advance which shall be no earlier than 28 days and not later than 95 days after the date of the requested Advance. Each Borrowing Notice shall also certify the use of proceeds of the Advance in accordance with Section 2.3. The OFA will make the principal amount of each Advance available to the IESO in accordance with Article 2.

   (2) On or before the date of the first Advance hereunder, the IESO shall execute and deliver to the OFA a grid promissory note in respect of Advances substantially in the form of Schedule 3 (the **"Grid Note")**. The IESO authorizes the OFA to record on the grid promissory note (a) the date and amount of each Advance or Continued Advance; (b) the applicable rate of interest for each Advance or Continued Advance; (c) the Repayment Date of each Advance or Continued Advance; (d) the date and amount of each payment of interest and each payment of principal or portion thereof in respect of each Advance or Continued Advance; and (e) the outstanding principal amount of the Grid Note. Such notations, in the absence of manifest error, shall be *prima facie* evidence of ~~the~~ such Advances~~advances~~ and repayments; provided that the failure of the OFA to record any amount, rate or date shall not affect the obligation of the IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement."

Commented [VB1]: See comment on similar FHP language and make consistent between documents.

Commented [VB2]: Same as "Advances Outstanding"?? Or is this different?

6. Section 3.3 "Elections Regarding Advances" of the Credit Agreement is deleted in its entirety and replaced by the following:

   "(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 28 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

   (2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than 10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 28 days and not later than 95 days after the Current Repayment Date (the "**New Repayment Date"**). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

   (3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

   (4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the grid promissory note in respect of Advances in accordance with Section 3.2(2).

   (5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date."

Hi John

Based on a conversation with Gadi, any solution that continues with the intercept provision will most likely be unacceptable from OPG's perspective. They are concerned that despite the intercept being toothless on a practical basis it may send the wrong message to DBRS as it assess the credit-worthiness of the OFHP debt.

It appears that the only solution is have the Minister sign an exemption and we should focus on getting that in place.

Thanks

Hi Lisa and everyone,

Along with comments from Ken over the weekend, just circling everyone in on the latest information from TBS. Pls. advise if your assessment changes but to me, TBS appears to be advising that Green ON Fund is not IESO's operation expense/allocation but allocation from MOECC to Green ON Fund. Also, IESO staff have thus far signalled positively on the letter agreement. We are potentially looking about 2 days to conclude the process.

One caveat is that OPG is requesting that the trust be given first priority/security over all IESO assets. While the issue is still being discussed, if this is to proceed, the IESO will have to amend its current facilities. I would consider this almost as a separate issue in that if the scenario plays out, then we would need to look at and potentially open up all existing facilities.

John

There is no IESO allocation in Printed Estimates. There is an OREC transfer payment. In the 17-18 PRRT workbook for OREC is the following:

- Electricity utilities are reimbursed by submitting and receiving claims which are netted against their other monthly transactions from the IESO, and the IESO submits and receives one monthly amount from the Ontario Financing Authority on behalf of the Ministry of Energy – this process is streamlined and leverages an already existing reimbursement process, thereby minimizing costs.

The second attachment, email, contains the consolidation worksheet from OPCD. For IESO, I don't see any Transfer Payment flows in from the Province.

Is there a way to quickly see if any allocations were made for the IESO? Whichever way is good. We just want to confirm there is no appropriation for the IESO's operation or operating expense.

Hi Ken,
From the start, the exemption had been the advocated path. I will keep this interception option open until the decision is made to pursue Minister's directive or when we have that directive signed. We can always walk away from this option.
Thanks,

Hi John
Based on a conversation with Gadi, any solution that continues with the intercept provision will most likely be unacceptable from OPG's perspective. They are concerned that despite the intercept being toothless on a practical basis it may send the wrong message to DBRS as it assess the credit-worthiness of the OFHP debt.
It appears that the only solution is have the Minister sign an exemption and we should focus on getting that in place.
Thanks

Hi Lisa and everyone,
Along with comments from Ken over the weekend, just circling everyone in on the latest information from TBS. Pls. advise if your assessment changes but to me, TBS appears to be advising that Green ON Fund is not IESO's operation expense/allocation but allocation from MOECC to Green ON Fund. Also, IESO staff have thus far signalled positively on the letter agreement. We are potentially looking about 2 days to conclude the process.
One caveat is that OPG is requesting that the trust be given first priority/security over all IESO assets. While the issue is still being discussed, if this is to proceed, the IESO will have to amend its current facilities. I would consider this almost as a separate issue in that if the scenario plays out, then we would need to look at and potentially open up all existing facilities.

There is no IESO allocation in Printed Estimates. There is an OREC transfer payment. In the 17-18 PRRT workbook for OREC is the following:

- Electricity utilities are reimbursed by submitting and receiving claims which are netted against their other monthly transactions from the IESO, and the IESO submits and receives one monthly amount from the Ontario Financing Authority on behalf of the Ministry of Energy – this process is streamlined and leverages an already existing reimbursement process, thereby minimizing costs.

The second attachment, email, contains the consolidation worksheet from OPCD. For IESO, I don't see any Transfer Payment flows in from the Province.

Hi Ken,
From the start, the exemption had been the advocated path. I will keep this interception option open until the decision is made to pursue Minister's directive or when we have that directive signed. We can always walk away from this option.
Thanks,
John

Hi John
Based on a conversation with Gadi, any solution that continues with the intercept provision will most likely be unacceptable from OPG's perspective. They are concerned that despite the intercept being toothless on a practical basis it may send the wrong message to DBRS as it assess the credit-worthiness of the OFHP debt.
It appears that the only solution is have the Minister sign an exemption and we should focus on getting that in place.
Thanks

Hi Lisa and everyone,

Along with comments from Ken over the weekend, just circling everyone in on the latest information from TBS. Pls. advise if your assessment changes but to me, TBS appears to be advising that Green ON Fund is not IESO's operation expense/allocation but allocation from MOECC to Green ON Fund. Also, IESO staff have thus far signalled positively on the letter agreement. We are potentially looking about 2 days to conclude the process.
One caveat is that OPG is requesting that the trust be given first priority/security over all IESO assets. While the issue is still being discussed, if this is to proceed, the IESO will have to amend its current facilities. I would consider this almost as a separate issue in that if the scenario plays out, then we would need to look at and potentially open up all existing facilities.
John

There is no IESO allocation in Printed Estimates. There is an OREC transfer payment. In the 17-18 PRRT workbook for OREC is the following:

- Electricity utilities are reimbursed by submitting and receiving claims which are netted against their other monthly transactions from the IESO, and the IESO submits and receives one monthly amount from the Ontario Financing Authority on behalf of the Ministry of Energy – this process is streamlined and leverages an already existing reimbursement process, thereby minimizing costs.

The second attachment, email, contains the consolidation worksheet from OPCD. For IESO, I don't see any Transfer Payment flows in from the Province.

Hi Lisa and everyone,
Along with comments from Ken over the weekend, just circling everyone in on the latest information from TBS. Pls. advise if your assessment changes but to me, TBS appears to be advising that Green ON Fund is not IESO's operation expense/allocation but allocation from MOECC to Green ON Fund. Also, IESO staff have thus far signalled positively on the letter agreement. We are potentially looking about 2 days to conclude the process.
One caveat is that OPG is requesting that the trust be given first priority/security over all IESO assets. While the issue is still being discussed, if this is to proceed, the IESO will have to amend its current facilities. I would consider this almost as a separate issue in that if the scenario plays out, then we would need to look at and potentially open up all existing facilities.

Is there a way to quickly see if any allocations were made for the IESO? Whichever way is good. We just want to confirm there is no appropriation for the IESO's operation or operating expense.

Hello Mike,
As a follow up to our conversation on Friday regarding IESO intercept letter and possible pushback from OPG, it looks like there will need to be a re-think on the Ministerial Directive.
We'll keep you posted.
Thanks,

Hi John
Based on a conversation with Gadi, any solution that continues with the intercept provision will most likely be unacceptable from OPG's perspective. They are concerned that despite the intercept being toothless on a practical basis it may send the wrong message to DBRS as it assess the credit-worthiness of the OFHP debt.
It appears that the only solution is have the Minister sign an exemption and we should focus on getting that in place.
Thanks

Hi Lisa and everyone,

Along with comments from Ken over the weekend, just circling everyone in on the latest information from TBS. Pls. advise if your assessment changes but to me, TBS appears to be advising that Green ON Fund is not IESO's operation expense/allocation but allocation from MOECC to Green ON Fund. Also, IESO staff have thus far signalled positively on the letter agreement. We are potentially looking about 2 days to conclude the process.
One caveat is that OPG is requesting that the trust be given first priority/security over all IESO assets. While the issue is still being discussed, if this is to proceed, the IESO will have to amend its current facilities. I would consider this almost as a separate issue in that if the scenario plays out, then we would need to look at and potentially open up all existing facilities.

There is no IESO allocation in Printed Estimates. There is an OREC transfer payment. In the 17-18 PRRT workbook for OREC is the following:

- Electricity utilities are reimbursed by submitting and receiving claims which are netted against their other monthly transactions from the IESO, and the IESO submits and receives one monthly amount from the Ontario Financing Authority on behalf of the Ministry of Energy – this process is streamlined and leverages an already existing reimbursement process, thereby minimizing costs.

The second attachment, email, contains the consolidation worksheet from OPCD. For IESO, I don't see any Transfer Payment flows in from the Province.

There is no IESO allocation in Printed Estimates. There is an OREC transfer payment. In the 17-18 PRRT workbook for OREC is the following:

- Electricity utilities are reimbursed by submitting and receiving claims which are netted against their other monthly transactions from the IESO, and the IESO submits and receives one monthly amount from the Ontario Financing Authority on behalf of the Ministry of Energy – this process is streamlined and leverages an already existing reimbursement process, thereby minimizing costs.

The second attachment, email, contains the consolidation worksheet from OPCD. For IESO, I don't see any Transfer Payment flows in from the Province.

Hi John

Based on a conversation with Gadi, any solution that continues with the intercept provision will most

likely be unacceptable from OPG's perspective. They are concerned that despite the intercept being toothless on a practical basis it may send the wrong message to DBRS as it assess the credit-worthiness of the OFHP debt.
It appears that the only solution is have the Minister sign an exemption and we should focus on getting that in place.
Thanks

Hi Lisa and everyone,
Along with comments from Ken over the weekend, just circling everyone in on the latest information from TBS. Pls. advise if your assessment changes but to me, TBS appears to be advising that Green ON Fund is not IESO's operation expense/allocation but allocation from MOECC to Green ON Fund. Also, IESO staff have thus far signalled positively on the letter agreement. We are potentially looking about 2 days to conclude the process.
One caveat is that OPG is requesting that the trust be given first priority/security over all IESO assets. While the issue is still being discussed, if this is to proceed, the IESO will have to amend its current facilities. I would consider this almost as a separate issue in that if the scenario plays out, then we would need to look at and potentially open up all existing facilities.

Just wondering if you heard from Ken re: his meeting with Gadi and any further direction on the Ministerial Directive vs. the tripartite letter approach?
Thanks,

Hi John

Based on a conversation with Gadi, any solution that continues with the intercept provision will most likely be unacceptable from OPG's perspective. They are concerned that despite the intercept being toothless on a practical basis it may send the wrong message to DBRS as it assess the credit-worthiness of the OFHP debt.

It appears that the only solution is have the Minister sign an exemption and we should focus on getting that in place.

Thanks

Hi Lisa and everyone,

Along with comments from Ken over the weekend, just circling everyone in on the latest information from TBS. Pls. advise if your assessment changes but to me, TBS appears to be advising that Green ON Fund is not IESO's operation expense/allocation but allocation from MOECC to Green ON Fund. Also, IESO staff have thus far signalled positively on the letter agreement. We are potentially looking about 2 days to conclude the process.

One caveat is that OPG is requesting that the trust be given first priority/security over all IESO assets. While the issue is still being discussed, if this is to proceed, the IESO will have to amend its current facilities. I would consider this almost as a separate issue in that if the scenario plays out, then we would need to look at and potentially open up all existing facilities.

There is no IESO allocation in Printed Estimates. There is an OREC transfer payment. In the 17-18 PRRT workbook for OREC is the following:

- Electricity utilities are reimbursed by submitting and receiving claims which are netted against their other monthly transactions from the IESO, and the IESO submits and receives one monthly amount from the Ontario Financing Authority on behalf of the Ministry of Energy – this process is streamlined and leverages an already existing reimbursement process, thereby minimizing costs.

The second attachment, email, contains the consolidation worksheet from OPCD. For IESO, I don't see any Transfer Payment flows in from the Province.

Hi James,
The Green ON Fund…am I correct to think that this is also not part of IESO's operating expense/allocation? As for the items below (for Energy), it is a program expense facilitated through the IESO?
Thanks,
John

There is no IESO allocation in Printed Estimates. There is an OREC transfer payment. In the 17-18 PRRT workbook for OREC is the following:

- Electricity utilities are reimbursed by submitting and receiving claims which are netted against their other monthly transactions from the IESO, and the IESO submits and receives one monthly amount from the Ontario Financing Authority on behalf of the Ministry of Energy – this process is streamlined and leverages an already existing reimbursement process, thereby minimizing costs.

The second attachment, email, contains the consolidation worksheet from OPCD. For IESO, I don't see any Transfer Payment flows in from the Province.

Is there a way to quickly see if any allocations were made for the IESO? Whichever way is good. We just want to confirm there is no appropriation for the IESO's operation or operating expense.

Can you share Energy's approved PRRT? Have some urgent stuff we are dealing with.

Ok, thanks….all along this group had recommended the exemption directive option. That said, my advice would be to leave both options open but pls. let us know. I have spoken to Ron as well and he is onside with either approach.

Hi Ken,
From the start, the exemption had been the advocated path. I will keep this interception option open until the decision is made to pursue Minister's directive or when we have that directive signed.

We can always walk away from this option.
Thanks,
John

Hi John
Based on a conversation with Gadi, any solution that continues with the intercept provision will most likely be unacceptable from OPG's perspective. They are concerned that despite the intercept being toothless on a practical basis it may send the wrong message to DBRS as it assess the credit-worthiness of the OFHP debt.
It appears that the only solution is have the Minister sign an exemption and we should focus on getting that in place.
Thanks
Ken k

Hi Lisa and everyone,
Along with comments from Ken over the weekend, just circling everyone in on the latest information from TBS. Pls. advise if your assessment changes but to me, TBS appears to be advising that Green ON Fund is not IESO's operation expense/allocation but allocation from MOECC to Green ON Fund. Also, IESO staff have thus far signalled positively on the letter agreement. We are potentially looking about 2 days to conclude the process.
One caveat is that OPG is requesting that the trust be given first priority/security over all IESO assets. While the issue is still being discussed, if this is to proceed, the IESO will have to amend its current facilities. I would consider this almost as a separate issue in that if the scenario plays out, then we would need to look at and potentially open up all existing facilities.
John
