All payments made by the IESO under this Agreement shall be applied firstly to the payment of interest payable to the OFA on late payments of principal or interest hereunder, secondly, to the payment of accrued and unpaid interest payable to the OFA hereunder and thirdly, to the payment of the outstanding principal amount of any Advances payable to the OFA.

ARTICLE 3
ADVANCES

Section 3.1 Advances.

The OFA agrees, on the terms and conditions of this Agreement, to make Advances to the IESO under the Credit Facility from time to time on any Business Day prior to September 23, 2022.

Section 3.2 Procedure for Advances.

(1) Subject to Section 3.3(5), each Advance shall be made subject to two Business Days' prior notice given not later than 10:00 a.m. (Toronto time) by the IESO to the OFA. Each notice of an Advance (a "**Borrowing Notice**") shall be substantially in the form of Schedule 1, other than a Borrowing Notice that is included in an Election Notice as permitted by Section 3.3(3). Each Borrowing Notice shall be irrevocable and binding on the IESO and shall specify (a) the requested date of the Advance; (b) the principal amount of the Advance, and (c) the Repayment Date of the Advance which shall not be earlier than 5 days and not later than 95 days after the date of the requested Advance. Each Borrowing Notice shall also certify the use of proceeds of the Advance which shall in any case be in accordance with Section 2.2. The OFA will make the principal amount of each Advance available to the IESO in accordance with Article 2.

(2) On or before the date of the first Advance hereunder, the IESO shall execute and deliver to the OFA a grid promissory note in respect of Advances substantially in the form of Schedule 3 (the "**Grid Note**"). The IESO authorizes the OFA to record on the Grid Note (a) the date and amount of each Advance or Continued Advance; (b) the applicable rate of interest for each Advance or Continued Advance; (c) the Repayment Date of each Advance or Continued Advance; (d) the date and amount of each payment of interest and each payment of principal or portion thereof in respect of each Advance or Continued Advance; and (e) Advances Outstanding. Such notations, in the absence of manifest error, shall be *prima facie* evidence of such Advances and repayments; provided that the failure of the OFA to record any amount, rate or date shall not affect the obligation of the IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement.

(3) Respecting the first Advance to be made under this Agreement (the "**First Advance**"), a specified portion thereof (the "**Repayment Amount**") shall be used to repay a portion of the IESO's outstanding indebtedness to the OFA under the credit agreement between the Parties dated January 1, 2005, as amended (the "**Existing Credit Facility**"). The amount of the Repayment Amount shall be detailed in the Borrowing Notice issued in respect of the First Advance. Concurrently with the First Advance, OFA shall provide to IESO an updated grid in respect of the grid note issued under the Existing Credit Facility evidencing the repayment of the Repayment Amount thereunder.

Section 3.3 Elections Regarding Advances.

(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 5 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

(2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than

10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 5 days and not later than 95 days after the current Repayment Date (the "**New Repayment Date"**). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the Grid Note in accordance with Section 3.2(2).

(5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date.

(6) The Credit Facility shall at all times rank *pari passu* with all other unsubordinated and unsecured Indebtedness of the IESO, subject to the existence of any Liens that secure Indebtedness, as permitted by subections 4.6 (a) through (e) hereof.

(7) All amounts owing in respect of the Advances shall be paid without exercising any right of set off or counterclaim by the IESO.

Section 3.4 Interest on Advances.

(1) The IESO shall pay interest on the unpaid principal amount of each Advance in accordance with this Section 3.4 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the Repayment Date of such Advance, at an annual rate equal to the Province of Ontario's cost of funds for borrowings with a similar term as determined by the OFA plus 0.25 percent per annum, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after Default and shall be payable on the Repayment Date for such Advance. Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the

OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

Section 3.5 Conditions Precedent

The obligation of the OFA to make the Advances to the IESO pursuant to Section 2.1 is subject to the following conditions being satisfied to the OFA's satisfaction at the time of making each Advance:

(a) that the representations and warranties of the IESO contained in this Agreement are true and correct as at the date of making the Advance;

(b) that no Event of Default has occurred and is continuing;

(c) that there shall, in the reasonable opinion of the OFA, have been no material adverse change in the financial condition of the IESO or a Material Subsidiary; and

(d) that the OFA has received such other documentation which it has reasonably requested to ensure that the IESO is in compliance with the terms and conditions of this Agreement, including certified true copies of any necessary resolutions, a written legal opinion from counsel to the IESO confirming that the borrowing is within the legal powers of the IESO and that the Agreement is a direct, unsecured obligation of the IESO enforceable against the IESO in form satisfactory to the OFA.

The OFA agrees, acting reasonably, to invoice the IESO for any such costs, charges and expense as they are incurred, together with interest at the aforesaid rate (with interest on overdue interest).

Section 4.8 Reporting.

The IESO will promptly provide to the OFA any reports or supporting documents that the OFA may request from time to time.

(a) suspend the right of the IESO to request any further Advance until the Event of Default has been cured to the OFA's satisfaction or, if the Event of Default is not

Section 5.7 Intercept

(a) The IESO hereby acknowledges that, in accordance with the terms of the letter agreement of even date herewith entered between the Ministry of Energy, the IESO and the OFA made pursuant to Section 23 of the *Capital Investment Plan Act, 1993* (the "**Intercept Letter**"), the Minister of Finance is entitled to deduct only from those monies appropriated by the Legislature for payment through the Ministry of Energy to the IESO ("**Appropriated Funds**"), amounts equal to any amounts that the IESO fails to pay to the OFA on account of indebtedness under this Agreement. On the occurrence of an Event of Default relating to a failure by IESO to pay when due any amounts owing hereunder, subject to the OFA's compliance with any relevant provisions hereof and as set out in the Intercept Letter, the Minister of Finance is irrevocably authorized to deduct from the Appropriated Funds amounts equal to any amounts that the IESO has failed to pay to the OFA in accordance with the provisions of this Agreement and to pay such amounts directly to the OFA ("**Intercept**").

(b) If, after following the process specified in the Intercept Letter (including, without limitation, allowing for a reasonable cure period on the terms specified therein), the OFA determines that it is necessary to request the Minister of Finance to exercise the Intercept, the OFA will give written notice to the Minister of Finance, with a copy to the Ministry of Energy, detailing the IESO's failure to pay when due any amounts owing hereunder and requesting the deduction from the Appropriated Funds of amounts equal to the amounts that the IESO has failed to pay to the OFA under this Agreement.

(c) The IESO agrees that any notice from the OFA to the Minister of Finance in relation to this section 5.7 (Intercept) may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance and, upon receipt of such notice, an amount equal to the amount that the IESO has failed to pay when due to the OFA on account of indebtedness under this Agreement shall be deducted from the Appropriated Funds and paid to the OFA.

(d) For further certainty, the OFA acknowledges and agrees that the Intercept as provided for herein and in the Intercept Letter shall not apply with respect to any funds appropriated by the Legislature for payment to the IESO through ministries other than the Ministry of Energy or through Ontario Climate Change Solutions Deployment Corporation.

(e) The parties agree that, with respect to the exercise of the Intercept generally, the terms of this section 5.7 shall be applied consistently with the terms set out in the Intercept Letter which shall apply in full. Notwithstanding the foregoing, in the event of a conflict or

inconsistency between the terms and conditions of the Intercept Letter and the terms and conditions contained in this Agreement, the terms and conditions contained in this Agreement shall prevail.

(2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than 10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 5 days and not later than 95 days after the current Repayment Date (the "**New Repayment Date"**). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the Grid Note in accordance with Section 3.2(2).

Section 3.4 Interest on Advances.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the Repayment Date of such Advance, at an annual rate equal to the Province of Ontario's cost of funds for borrowings with a similar term as determined by the OFA plus 0.25 percent per annum, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after Default and shall be payable on the Repayment Date for such Advance. Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

Section 3.5 Conditions Precedent

The obligation of the OFA to make the Advances to the IESO pursuant to Section 2.1 is subject to the following conditions being satisfied to the OFA's satisfaction at the time of making each Advance:

Each such Election Notice shall be given substantially in the form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 5 days and not later than 95 days after the current Repayment Date (the "**New Repayment Date"**). (3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the Grid Note in accordance with Section 3.2(2).

Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

(3) Respecting the first Advance to be made under this Agreement (the "**First Advance**"), a specified portion thereof (the "**Repayment Amount**") shall be used to repay a portion of the IESO's outstanding indebtedness to the OFA under the credit agreement between the Parties dated January 1, 2005, as amended (the "**Existing Credit Facility**"). The amount of the Repayment Amount shall be detailed in the Borrowing Notice issued in respect of the First Advance. If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the Grid Note in accordance with Section 3.2(2).

(5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date.

(1) The IESO shall pay interest on the unpaid principal amount of each Advance in accordance with this Section 3.4 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the Repayment Date of such Advance, at an annual rate equal to the Province of Ontario's cost of funds for borrowings with a similar term as determined by the OFA plus 0.25 percent per annum, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after Default and shall be payable on the Repayment Date for such Advance. Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the

OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

Section 3.5 Conditions Precedent

The obligation of the OFA to make the Advances to the IESO pursuant to Section 2.1 is subject to the following conditions being satisfied to the OFA's satisfaction at the time of making each Advance:

All such costs, charges and expenses shall bear interest at the Province of Ontario's cost of funds plus 0.25 percent per annum (as determined by the OFA) calculated and payable monthly not in advance from in each case from the date on which the OFA incurs the cost, charge or expense until the date on which the IESO reimbursement the OFA therefor. The OFA agrees, acting reasonably, to invoice the IESO for any such costs, charges and expense as they are incurred, together with interest at the aforesaid rate (with interest on overdue interest).

Section 4.8 Reporting.

The IESO will promptly provide to the OFA any reports or supporting documents that the OFA may request from time to time.

Section 5.7 Intercept

(a) The IESO hereby acknowledges that, in accordance with the terms of the letter agreement of even date herewith entered between the Ministry of Energy, the IESO and the OFA made pursuant to Section 23 of the *Capital Investment Plan Act, 1993* (the "**Intercept Letter**"), the Minister of Finance is entitled to deduct only from those monies appropriated by the Legislature for payment through the Ministry of Energy to the IESO ("**Appropriated Funds**"), amounts equal to any amounts that the IESO fails to pay to the OFA on account of indebtedness under this Agreement. On the occurrence of an Event of Default relating to a failure by IESO to pay when due any amounts owing hereunder, subject to the OFA's compliance with any relevant provisions hereof and as set out in the Intercept Letter, the Minister of Finance is irrevocably authorized to deduct from the Appropriated Funds amounts equal to any amounts that the IESO has failed to pay to the OFA in accordance with the provisions of this Agreement and to pay such amounts directly to the OFA ("**Intercept**").

(b) If, after following the process specified in the Intercept Letter (including, without limitation, allowing for a reasonable cure period on the terms specified therein), the OFA determines that it is necessary to request the Minister of Finance to exercise the Intercept, the OFA will give written notice to the Minister of Finance, with a copy to the Ministry of Energy, detailing the IESO's failure to pay when due any amounts owing hereunder and requesting the deduction from the Appropriated Funds of amounts equal to the amounts that the IESO has failed to pay to the OFA under this Agreement.

(c) The IESO agrees that any notice from the OFA to the Minister of Finance in relation to this section 5.7 (Intercept) may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance and, upon receipt of such notice, an amount equal to the amount that the IESO has failed to pay when due to the OFA on account of indebtedness under this Agreement shall be deducted from the Appropriated Funds and paid to the OFA.

(d) For further certainty, the OFA acknowledges and agrees that the Intercept as provided for herein and in the Intercept Letter shall not apply with respect to any funds appropriated by the Legislature for payment to the IESO through ministries other than the Ministry of Energy or through Ontario Climate Change Solutions Deployment Corporation.

(e) The parties agree that, with respect to the exercise of the Intercept generally, the terms of this section 5.7 shall be applied consistently with the terms set out in the Intercept Letter which shall apply in full. Notwithstanding the foregoing, in the event of a conflict or

inconsistency between the terms and conditions of the Intercept Letter and the terms and conditions contained in this Agreement, the terms and conditions contained in this Agreement shall prevail.

(3) Respecting the first Advance to be made under this Agreement (the "**First Advance**"), a specified portion thereof (the "**Repayment Amount**") shall be used to repay a portion of the IESO's outstanding indebtedness to the OFA under the credit agreement between the Parties dated January 1, 2005, as amended (the "**Existing Credit Facility**"). The amount of the Repayment Amount shall be detailed in the Borrowing Notice issued in respect of the First Advance. Concurrently with the First Advance, OFA shall provide to IESO an updated grid in respect of the grid note issued under the Existing Credit Facility evidencing the repayment of the Repayment Amount thereunder.

(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 5 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

(2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than

10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 5 days and not later than 95 days after the current Repayment Date (the "**New Repayment Date"**). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the Grid Note in accordance with Section 3.2(2).

(5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the Repayment Date of such Advance, at an annual rate equal to the Province of Ontario's cost of funds for borrowings with a similar term as determined by the OFA plus 0.25 percent per annum, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after Default and shall be payable on the Repayment Date for such Advance. Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the

OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

Section 5.7 Intercept

(a) The IESO hereby acknowledges that, in accordance with the terms of the letter agreement of even date herewith entered between the Ministry of Energy, the IESO and the OFA made pursuant to Section 23 of the *Capital Investment Plan Act, 1993* (the "**Intercept Letter**"), the Minister of Finance is entitled to deduct only from those monies appropriated by the Legislature for payment through the Ministry of Energy to the IESO ("**Appropriated Funds**"), amounts equal to any amounts that the IESO fails to pay to the OFA on account of indebtedness under this Agreement. (b) If, after following the process specified in the Intercept Letter (including, without limitation, allowing for a reasonable cure period on the terms specified therein), the OFA determines that it is necessary to request the Minister of Finance to exercise the Intercept, the OFA will give written notice to the Minister of Finance, with a copy to the Ministry of Energy, detailing the IESO's failure to pay when due any amounts owing hereunder and requesting the deduction from the Appropriated Funds of amounts equal to the amounts that the IESO has failed to pay to the OFA under this Agreement.

(c) The IESO agrees that any notice from the OFA to the Minister of Finance in relation to this section 5.7 (Intercept) may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance and, upon receipt of such notice, an amount equal to the amount that the IESO has failed to pay when due to the OFA on account of indebtedness under this Agreement shall be deducted from the Appropriated Funds and paid to the OFA.

(d) For further certainty, the OFA acknowledges and agrees that the Intercept as provided for herein and in the Intercept Letter shall not apply with respect to any funds appropriated by the Legislature for payment to the IESO through ministries other than the Ministry of Energy or through Ontario Climate Change Solutions Deployment Corporation.

(e) The parties agree that, with respect to the exercise of the Intercept generally, the terms of this section 5.7 shall be applied consistently with the terms set out in the Intercept Letter which shall apply in full. Notwithstanding the foregoing, in the event of a conflict or

inconsistency between the terms and conditions of the Intercept Letter and the terms and conditions contained in this Agreement, the terms and conditions contained in this Agreement shall prevail.

(2) In the event that any such payments are limited or prohibited as provided in Section 2.8(1), the OFA shall have no further obligation to make any Advances available hereunder and the Advances Outstanding, together with all accrued interest and all other amounts owing hereunder, shall become immediately due and payable.

Section 2.9 Application of Payments.

All payments made by the IESO under this Agreement shall be applied firstly to the payment of interest payable to the OFA on late payments of principal or interest hereunder, secondly, to the payment of accrued and unpaid interest payable to the OFA hereunder and thirdly, to the payment of the outstanding principal amount of any Advances payable to the OFA.

ARTICLE 3
ADVANCES

Section 3.1 Advances.

The OFA agrees, on the terms and conditions of this Agreement, to make Advances to the IESO under the Credit Facility from time to time on any Business Day prior to September 23, 2022.

Section 3.2 Procedure for Advances.

(1) Subject to Section 3.3(5), each Advance shall be made subject to two Business Days' prior notice given not later than 10:00 a.m. (Toronto time) by the IESO to the OFA. Each notice of an Advance (a "**Borrowing Notice**") shall be substantially in the form of Schedule 1, other than a Borrowing Notice that is included in an Election Notice as permitted by Section 3.3(3). Each Borrowing Notice shall be irrevocable and binding on the IESO and shall specify (a) the requested date of the Advance; (b) the principal amount of the Advance, and (c) the Repayment Date of the Advance which shall not be earlier than 5 days and not later than 95 days after the date of the requested Advance. Each Borrowing Notice shall also certify the use of proceeds of the Advance which shall in any case be in accordance with Section 2.2. The OFA will make the principal amount of each Advance available to the IESO in accordance with Article 2.

(2) On or before the date of the first Advance hereunder, the IESO shall execute and deliver to the OFA a grid promissory note in respect of Advances substantially in the form of Schedule 3 (the "**Grid Note**"). The IESO authorizes the OFA to record on the Grid Note (a) the date and amount of each Advance or Continued Advance; (b) the applicable rate of interest for each Advance or Continued Advance; (c) the Repayment Date of each Advance or Continued Advance; (d) the date and amount of each payment of interest and each payment of principal or portion thereof in respect of each Advance or Continued Advance; and (e) Advances Outstanding. Such notations, in the absence of manifest error, shall be *prima facie* evidence of such Advances and repayments; provided that the failure of the OFA to record any amount, rate or date shall not affect the obligation of the IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement.

(3) Respecting the first Advance to be made under this Agreement (the "**First Advance**"), a specified portion thereof (the "**Repayment Amount**") shall be used to repay a portion of the IESO's outstanding indebtedness to the OFA under the credit agreement between the Parties dated January 1, 2005, as amended (the "**Existing Credit Facility**"). The amount of the Repayment Amount shall be detailed in the Borrowing Notice issued in respect of the First Advance. Concurrently with the First Advance, OFA shall provide to IESO an updated grid in respect of the grid note issued under the Existing Credit Facility evidencing the repayment of the Repayment Amount thereunder.

Section 3.3 Elections Regarding Advances.

(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 5 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

(2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than

10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 5 days and not later than 95 days after the current Repayment Date (the "**New Repayment Date"**). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the Grid Note in accordance with Section 3.2(2).

(5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date.

(6) The Credit Facility shall at all times rank *pari passu* with all other unsubordinated and unsecured Indebtedness of the IESO, subject to the existence of any Liens that secure Indebtedness, as permitted by subections 4.6 (a) through (e) hereof.

(7) All amounts owing in respect of the Advances shall be paid without exercising any right of set off or counterclaim by the IESO.

Section 3.4 Interest on Advances.

(1) The IESO shall pay interest on the unpaid principal amount of each Advance in accordance with this Section 3.4 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the Repayment Date of such Advance, at an annual rate equal to the Province of Ontario's cost of funds for borrowings with a similar term as determined by the OFA plus 0.25 percent per annum, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after Default and shall be payable on the Repayment Date for such Advance. Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the

OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

Section 3.5 Conditions Precedent

The obligation of the OFA to make the Advances to the IESO pursuant to Section 2.1 is subject to the following conditions being satisfied to the OFA's satisfaction at the time of making each Advance:

(a) that the representations and warranties of the IESO contained in this Agreement are true and correct as at the date of making the Advance;

(b) that no Event of Default has occurred and is continuing;

(c) that there shall, in the reasonable opinion of the OFA, have been no material adverse change in the financial condition of the IESO or a Material Subsidiary; and

(d) that the OFA has received such other documentation which it has reasonably requested to ensure that the IESO is in compliance with the terms and conditions of this Agreement, including certified true copies of any necessary resolutions, a written legal opinion from counsel to the IESO confirming that the borrowing is within the legal powers of the IESO and that the Agreement is a direct, unsecured obligation of the IESO enforceable against the IESO in form satisfactory to the OFA.

Section 5.7 Intercept

(c) The IESO agrees that any notice from the OFA to the Minister of Finance in relation to this section 5.7 (Intercept) may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance and, upon receipt of such notice, an amount equal to the amount that the IESO has failed to pay when due to the OFA on account of indebtedness under this Agreement shall be deducted from the Appropriated Funds and paid to the OFA.

(d) For further certainty, the OFA acknowledges and agrees that the Intercept as provided for herein and in the Intercept Letter shall not apply with respect to any funds appropriated by the Legislature for payment to the IESO through ministries other than the Ministry of Energy or through Ontario Climate Change Solutions Deployment Corporation.

(e) The parties agree that, with respect to the exercise of the Intercept generally, the terms of this section 5.7 shall be applied consistently with the terms set out in the Intercept Letter which shall apply in full. Notwithstanding the foregoing, in the event of a conflict or

inconsistency between the terms and conditions of the Intercept Letter and the terms and conditions contained in this Agreement, the terms and conditions contained in this Agreement shall prevail.

(2) The IESO shall make any payment required hereunder to be made by it to the OFA, to or to the order of the OFA, by wire transfer of immediately available funds in accordance with wire transfer instruction given by the OFA to the IESO from time to time, or in such other manner as the OFA may specify to the IESO from time to time. (2) In the event that any such payments are limited or prohibited as provided in Section 2.8(1), the OFA shall have no further obligation to make any Advances available hereunder and the Advances Outstanding, together with all accrued interest and all other amounts owing hereunder, shall become immediately due and payable.

ARTICLE 3
ADVANCES

Section 3.1 Advances.

The OFA agrees, on the terms and conditions of this Agreement, to make Advances to the IESO under the Credit Facility from time to time on any Business Day prior to September 23, 2022.

(1) Subject to Section 3.3(5), each Advance shall be made subject to two Business Days' prior notice given not later than 10:00 a.m. (Toronto time) by the IESO to the OFA. Each notice of an Advance (a "**Borrowing Notice**") shall be substantially in the form of Schedule 1, other than a Borrowing Notice that is included in an Election Notice as permitted by Section 3.3(3). Each Borrowing Notice shall be irrevocable and binding on the IESO and shall specify (a) the requested date of the Advance; (b) the principal amount of the Advance, and (c) the Repayment Date of the Advance which shall not be earlier than 5 days and not later than 95 days after the date of the requested Advance. Each Borrowing Notice shall also certify the use of proceeds of the Advance which shall in any case be in accordance with Section 2.2. The OFA will make the principal amount of each Advance available to the IESO in accordance with Article 2.

Such notations, in the absence of manifest error, shall be *prima facie* evidence of such Advances and repayments; provided that the failure of the OFA to record any amount, rate or date shall not affect the obligation of the IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement.

(3) Respecting the first Advance to be made under this Agreement (the "**First Advance**"), a specified portion thereof (the "**Repayment Amount**") shall be used to repay a portion of the IESO's outstanding indebtedness to the OFA under the credit agreement between the Parties dated January 1, 2005, as amended (the "**Existing Credit Facility**"). The amount of the Repayment Amount shall be detailed in the Borrowing Notice issued in respect of the First Advance. Concurrently with the First Advance, OFA shall provide to IESO an updated grid in respect of the grid note issued under the Existing Credit Facility evidencing the repayment of the Repayment Amount thereunder.

Section 3.3 Elections Regarding Advances.

(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 5 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

(2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than

10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 5 days and not later than 95 days after the current Repayment Date (the "**New Repayment Date"**). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the Grid Note in accordance with Section 3.2(2).

(5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date.

(6) The Credit Facility shall at all times rank *pari passu* with all other unsubordinated and unsecured Indebtedness of the IESO, subject to the existence of any Liens that secure Indebtedness, as permitted by subections 4.6 (a) through (e) hereof.

(7) All amounts owing in respect of the Advances shall be paid without exercising any right of set off or counterclaim by the IESO.

Section 3.4 Interest on Advances.

(1) The IESO shall pay interest on the unpaid principal amount of each Advance in accordance with this Section 3.4 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the Repayment Date of such Advance, at an annual rate equal to the Province of Ontario's cost of funds for borrowings with a similar term as determined by the OFA plus 0.25 percent per annum, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after Default and shall be payable on the Repayment Date for such Advance. Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the

OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

Section 3.5 Conditions Precedent

The obligation of the OFA to make the Advances to the IESO pursuant to Section 2.1 is subject to the following conditions being satisfied to the OFA's satisfaction at the time of making each Advance:

(d) For further certainty, the OFA acknowledges and agrees that the Intercept as provided for herein and in the Intercept Letter shall not apply with respect to any funds appropriated by the Legislature for payment to the IESO through ministries other than the Ministry of Energy or through Ontario Climate Change Solutions Deployment Corporation.

(e) The parties agree that, with respect to the exercise of the Intercept generally, the terms of this section 5.7 shall be applied consistently with the terms set out in the Intercept Letter which shall apply in full. Notwithstanding the foregoing, in the event of a conflict or

(1) Subject to Section 3.3(5), each Advance shall be made subject to two Business Days' prior notice given not later than 10:00 a.m. (Toronto time) by the IESO to the OFA. Each notice of an Advance (a "**Borrowing Notice**") shall be substantially in the form of Schedule 1, other than a Borrowing Notice that is included in an Election Notice as permitted by Section 3.3(3). Each Borrowing Notice shall be irrevocable and binding on the IESO and shall specify (a) the requested date of the Advance; (b) the principal amount of the Advance, and (c) the Repayment Date of the Advance which shall not be earlier than 5 days and not later than 95 days after the date of the requested Advance. Each Borrowing Notice shall also certify the use of proceeds of the Advance which shall in any case be in accordance with Section 2.2. Such notations, in the absence of manifest error, shall be *prima facie* evidence of such Advances and repayments; provided that the failure of the OFA to record any amount, rate or date shall not affect the obligation of the IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement.

(3) Respecting the first Advance to be made under this Agreement (the "**First Advance**"), a specified portion thereof (the "**Repayment Amount**") shall be used to repay a portion of the IESO's outstanding indebtedness to the OFA under the credit agreement between the Parties dated January 1, 2005, as amended (the "**Existing Credit Facility**"). The amount of the Repayment Amount shall be detailed in the Borrowing Notice issued in respect of the First Advance. Concurrently with the First Advance, OFA shall provide to IESO an updated grid in respect of the grid note issued under the Existing Credit Facility evidencing the repayment of the Repayment Amount thereunder.

Section 3.3 Elections Regarding Advances.

(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 5 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

(2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than

10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 5 days and not later than 95 days after the current Repayment Date (the "**New Repayment Date"**). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the Grid Note in accordance with Section 3.2(2).

(5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date.

(6) The Credit Facility shall at all times rank *pari passu* with all other unsubordinated and unsecured Indebtedness of the IESO, subject to the existence of any Liens that secure Indebtedness, as permitted by subections 4.6 (a) through (e) hereof.

Section 3.4 Interest on Advances.

(1) The IESO shall pay interest on the unpaid principal amount of each Advance in accordance with this Section 3.4 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the Repayment Date of such Advance, at an annual rate equal to the Province of Ontario's cost of funds for borrowings with a similar term as determined by the OFA plus 0.25 percent per annum, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after Default and shall be payable on the Repayment Date for such Advance. Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the

OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

Section 3.5 Conditions Precedent

The obligation of the OFA to make the Advances to the IESO pursuant to Section 2.1 is subject to the following conditions being satisfied to the OFA's satisfaction at the time of making each Advance:

Each Borrowing Notice shall be irrevocable and binding on the IESO and shall specify (a) the requested date of the Advance; (b) the principal amount of the Advance, and (c) the Repayment Date of the Advance which shall not be earlier than 5 days and not later than 95 days after the date of the requested Advance. Each Borrowing Notice shall also certify the use of proceeds of the Advance in accordance with Section 2.2. The OFA will make the principal amount of each Advance available to the IESO in accordance with Article 2.

(2) On or before the date of the first Advance hereunder, the IESO shall execute and deliver to the OFA a grid promissory note in respect of Advances substantially in the form of Schedule 3 (the "**Grid Note**"). The IESO authorizes the OFA to record on the Grid Note (a) the date and amount of each Advance or Continued Advance; (b) the applicable rate of interest for each Advance or Continued Advance; (c) the Repayment Date of each Advance or Continued Advance; (d) the date and amount of each payment of interest and each payment of principal or portion thereof in respect of each Advance or Continued Advance; and (e) the outstanding principal amount of the Grid Note. Such notations, in the absence of manifest error, shall be *prima facie* evidence of the such advances and repayments; provided that the failure of the OFA to record any amount, rate or date shall not affect the obligation of the IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement.

Section 3.3 Elections Regarding Advances.

(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 5 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

(2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than 10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the

form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 5 days and not later than 95 days after the current Repayment Date (the "**New Repayment Date"**). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the Grid Note in accordance with Section 3.2(2).

(5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date.

(6) The Credit Facility shall at all times rank *pari passu* with all other unsubordinated and unsecured Indebtedness of the IESO, subject to the existence of any Liens that secure Indebtedness, as permitted by subections 4.6 (a) through (e) hereof.

(7) All amounts owing in respect of the Advances shall be paid without exercising any right of set off or counterclaim by the IESO.

Section 3.4 Interest on Advances.

(1) The IESO shall pay interest on the unpaid principal amount of each Advance in accordance with this Section 3.4 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the Repayment Date of such Advance, at an annual rate equal to the Province of Ontario's cost of funds for borrowings with a similar term as determined by the OFA plus 0.25 percent per annum, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after default and shall be payable on the Repayment Date for such Advance. Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case

may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

Section 3.5 Conditions Precedent

The obligation of the OFA to make the Advances to the IESO pursuant to Section 2.1 is subject to the following conditions being satisfied to the OFA's satisfaction at the time of making each Advance:

(b) that no Event of Default has occurred and is continuing;

(c) that there shall, in the reasonable opinion of the OFA, have been no material adverse change in the financial condition of the IESO or a Material Subsidiary; and

Section 2.2 Use of Proceeds.

The IESO shall use the proceeds of Advances for the purposes for which it is authorized to borrow funds pursuant to Regulation 280/14 made under the *Electricity Act, 1998*, subject to the condition that proceeds of Advances may be used only for IESO's financing needs and requirements of any kind arising in connection with the IESO's role with respect to and obligations under the OFHP.

Section 2.3 Credit Facility Limit.

The Advances Outstanding shall not at any time exceed the Commitment. The Credit Facility shall revolve and no payment under the Credit Facility shall reduce the Commitment.

Section 2.4 Mandatory Repayment.

Subject to Sections 2.5 and 5.2, the IESO shall repay each Advance together with the interest accrued thereon on the applicable Repayment Date, and, in any event, shall repay all Advances Outstanding, together with all accrued interest and all other amounts owing hereunder on September 30, 2022.

ADVANCES

The OFA agrees, on the terms and conditions of this Agreement, to make Advances to the IESO under the Credit Facility from time to time on any Business Day prior to September 23, 2022.

Section 3.2 Procedure for Advances.

(1) Subject to Section 3.3(5), each Advance shall be made subject to two Business Days' prior notice given not later than 10:00 a.m. (Toronto time) by the IESO to the OFA. Each notice of an Advance (a "**Borrowing Notice**") shall be substantially in the form of Schedule 1, other than a Borrowing Notice that is included in an Election Notice as permitted by Section 3.3(3). Each Borrowing Notice shall be irrevocable and binding on the IESO and shall specify (a) the requested date of the Advance; (b) the principal amount of the Advance, and (c) the Repayment Date of the Advance which shall not be earlier than 5 days and not later than 95 days after the date of the requested Advance. Each Borrowing Notice shall also certify the use of proceeds of the Advance in accordance with Section 2.2. The OFA will make the principal amount of each Advance available to the IESO in accordance with Article 2.

(2) On or before the date of the first Advance hereunder, the IESO shall execute and deliver to the OFA a grid promissory note in respect of Advances substantially in the form of Schedule 3 (the "**Grid Note**"). The IESO authorizes the OFA to record on the Grid Note (a) the date and amount of each Advance or Continued Advance; (b) the applicable rate of interest for each Advance or Continued Advance; (c) the Repayment Date of each Advance or Continued Advance; (d) the date and amount of each payment of interest and each payment of principal or portion thereof in respect of each Advance or Continued Advance; and (e) the outstanding principal amount of the Grid Note. Such notations, in the absence of manifest error, shall be *prima facie* evidence of the such advances and repayments; provided that the failure of the OFA to record any amount, rate or date shall not affect the obligation of the IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement.

Section 3.3 Elections Regarding Advances.

(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 5 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

(2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than 10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the

form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 5 days and not later than 95 days after the current Repayment Date (the "**New Repayment Date"**). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the Grid Note in accordance with Section 3.2(2).

(5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date.

(6) The Credit Facility shall at all times rank *pari passu* with all other unsubordinated and unsecured Indebtedness of the IESO, subject to the existence of any Liens that secure Indebtedness, as permitted by subections 4.6 (a) through (e) hereof.

(7) All amounts owing in respect of the Advances shall be paid without exercising any right of set off or counterclaim by the IESO.

Section 3.4 Interest on Advances.

(1) The IESO shall pay interest on the unpaid principal amount of each Advance in accordance with this Section 3.4 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the Repayment Date of such Advance, at an annual rate equal to the Province of Ontario's cost of funds for borrowings with a similar term as determined by the OFA plus 0.25 percent per annum, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after default and shall be payable on the Repayment Date for such Advance. Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case

may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

Section 3.5 Conditions Precedent

The obligation of the OFA to make the Advances to the IESO pursuant to Section 2.1 is subject to the following conditions being satisfied to the OFA's satisfaction at the time of making each Advance:

The IESO shall use the proceeds of Advances for the purposes for which it is authorized to borrow funds pursuant to Regulation 280/14 made under the *Electricity Act, 1998*, as such regulation may be amended or replaced from time to time, subject to the condition that proceeds of Advances may be used only for IESO's financing needs and requirements of any kind arising in connection with the IESO's role with respect to and obligations under the OFHP.

Section 2.3 Credit Facility Limit.

(2) In the event that any such payments are limited or prohibited as provided in Section 2.8(1), the OFA shall have no further obligation to make any Advances available hereunder and the Advances Outstanding, together with all accrued interest and all other amounts owing hereunder, shall become immediately due and payable.

ARTICLE 3
ADVANCES

Section 3.2 Procedure for Advances.

(1) Subject to Section 3.3(5), each Advance shall be made subject to two Business Days' prior notice given not later than 10:00 a.m. (Toronto time) by the IESO to the OFA. Each notice of an Advance (a "**Borrowing Notice**") shall be substantially in the form of Schedule 1, other than a Borrowing Notice that is included in an Election Notice as permitted by Section 3.3(3). Each Borrowing Notice shall be irrevocable and binding on the IESO and shall specify (a) the requested date of the Advance; (b) the principal amount of the Advance, and (c) the Repayment Date of the Advance which shall not be earlier than 5 days and not later than 95 days after the date of the requested Advance. Each Borrowing Notice shall also certify the use of proceeds of the Advance which shall in any case be in accordance with Section 2.2. The OFA will make the principal amount of each Advance available to the IESO in accordance with Article 2.

(2) On or before the date of the first Advance hereunder, the IESO shall execute and deliver to the OFA a grid promissory note in respect of Advances substantially in the form of Schedule 3 (the "**Grid Note**"). The IESO authorizes the OFA to record on the Grid Note (a) the date and amount of each Advance or Continued Advance; (b) the applicable rate of interest for each Advance or Continued Advance; (c) the Repayment Date of each Advance or Continued Advance; (d) the date and amount of each payment of interest and each payment of principal or portion thereof in respect of each Advance or Continued Advance; and (e) Advances Outstanding. Such notations, in the absence of manifest error, shall be *prima facie* evidence of such Advances and repayments; provided that the failure of the OFA to record any amount, rate or date shall not affect the obligation of the IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement.

Section 3.3 Elections Regarding Advances.

(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 5 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

(2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than 10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the

form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 5 days and not later than 95 days after the current Repayment Date (the "**New Repayment Date"**). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the Grid Note in accordance with Section 3.2(2).

(5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date.

(6) The Credit Facility shall at all times rank *pari passu* with all other unsubordinated and unsecured Indebtedness of the IESO, subject to the existence of any Liens that secure Indebtedness, as permitted by subections 4.6 (a) through (e) hereof.

(7) All amounts owing in respect of the Advances shall be paid without exercising any right of set off or counterclaim by the IESO.

Section 3.4 Interest on Advances.

(1) The IESO shall pay interest on the unpaid principal amount of each Advance in accordance with this Section 3.4 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the Repayment Date of such Advance, at an annual rate equal to the Province of Ontario's cost of funds for borrowings with a similar term as determined by the OFA plus 0.25 percent per annum, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after Default and shall be payable on the Repayment Date for such Advance. Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case

may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

Section 3.5 Conditions Precedent

The obligation of the OFA to make the Advances to the IESO pursuant to Section 2.1 is subject to the following conditions being satisfied to the OFA's satisfaction at the time of making each Advance:

(a) that the representations and warranties of the IESO contained in this Agreement are true and correct as at the date of making the Advance;

(b) that no Event of Default has occurred and is continuing;

(c) that there shall, in the reasonable opinion of the OFA, have been no material adverse change in the financial condition of the IESO or a Material Subsidiary; and

The IESO shall use the proceeds of Advances for the purposes for which it is authorized to borrow funds pursuant to Regulation 280/14 made under the *Electricity Act, 1998*, as such regulation may be amended or replaced from time to time, subject to the condition that proceeds of Advances may be used only for IESO's financing needs and requirements of any kind arising in connection with the IESO's role with respect to and obligations under the OFHP.

Section 2.3 Credit Facility Limit.

Section 2.4 Mandatory Repayment.

Subject to Sections 2.5 and 5.2, the IESO shall repay each Advance together with the interest accrued thereon on the applicable Repayment Date, and, in any event, shall repay all Advances Outstanding, together with all accrued interest and all other amounts owing hereunder on September 30, 2022.

(2) In the event that any such payments are limited or prohibited as provided in Section 2.8(1), the OFA shall have no further obligation to make any Advances available hereunder and the Advances Outstanding, together with all accrued interest and all other amounts owing hereunder, shall become immediately due and payable.

ADVANCES

Section 3.2 Procedure for Advances.

(1) Subject to Section 3.3(5), each Advance shall be made subject to two Business Days' prior notice given not later than 10:00 a.m. (Toronto time) by the IESO to the OFA. Each notice of an Advance (a "**Borrowing Notice**") shall be substantially in the form of Schedule 1, other than a Borrowing Notice that is included in an Election Notice as permitted by Section 3.3(3). Each Borrowing Notice shall be irrevocable and binding on the IESO and shall specify (a) the requested date of the Advance; (b) the principal amount of the Advance, and (c) the Repayment Date of the Advance which shall not be earlier than 5 days and not later than 95 days after the date of the requested Advance. Each Borrowing Notice shall also certify the use of proceeds of the Advance which shall in any case be in accordance with Section 2.2. The OFA will make the principal amount of each Advance available to the IESO in accordance with Article 2.

(2) On or before the date of the first Advance hereunder, the IESO shall execute and deliver to the OFA a grid promissory note in respect of Advances substantially in the form of Schedule 3 (the "**Grid Note**"). The IESO authorizes the OFA to record on the Grid Note (a) the date and amount of each Advance or Continued Advance; (b) the applicable rate of interest for each Advance or Continued Advance; (c) the Repayment Date of each Advance or Continued Advance; (d) the date and amount of each payment of interest and each payment of principal or portion thereof in respect of each Advance or Continued Advance; and (e) Advances Outstanding. Such notations, in the absence of manifest error, shall be *prima facie* evidence of such Advances and repayments; provided that the failure of the OFA to record any amount, rate or date shall not affect the obligation of the IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement.

Section 3.3 Elections Regarding Advances.

(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 5 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

(2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than 10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the

form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 5 days and not later than 95 days after the current Repayment Date (the "**New Repayment Date"**). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the Grid Note in accordance with Section 3.2(2).

(5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date.

(6) The Credit Facility shall at all times rank *pari passu* with all other unsubordinated and unsecured Indebtedness of the IESO, subject to the existence of any Liens that secure Indebtedness, as permitted by subections 4.6 (a) through (e) hereof.

(7) All amounts owing in respect of the Advances shall be paid without exercising any right of set off or counterclaim by the IESO.

Section 3.4 Interest on Advances.

(1) The IESO shall pay interest on the unpaid principal amount of each Advance in accordance with this Section 3.4 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the Repayment Date of such Advance, at an annual rate equal to the Province of Ontario's cost of funds for borrowings with a similar term as determined by the OFA plus 0.25 percent per annum, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after Default and shall be payable on the Repayment Date for such Advance. Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case

may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

Section 3.5 Conditions Precedent

The obligation of the OFA to make the Advances to the IESO pursuant to Section 2.1 is subject to the following conditions being satisfied to the OFA's satisfaction at the time of making each Advance:

The amount of interest payable on an Advance will be calculated by the OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

The amount of interest payable on an Advance will be calculated by the OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case

may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

Section 2.2 Use of Proceeds.

The IESO shall use the proceeds of Advances for the purposes for which it is authorized to borrow funds pursuant to Regulation 280/14 made under the *Electricity Act, 1998*, subject to the condition that proceeds of Advances may be used only for IESO's financing needs and requirements of any kind arising in connection with the IESO's role with respect to and obligations under the OFHP.

Section 2.3 Credit Facility Limit.

Subject to Sections 2.5 and 5.2, the IESO shall repay each Advance together with the interest accrued thereon on the applicable Repayment Date, and, in any event, shall repay all Advances Outstanding, together with all accrued interest and all other amounts owing hereunder on September 30, 2022.

(1) Subject to Section 3.3(5), each Advance shall be made subject to two Business Days' prior notice given not later than 10:00 a.m. (Toronto time) by the IESO to the OFA. Each notice of an Advance (a "**Borrowing Notice**") shall be substantially in the form of Schedule 1, other than a Borrowing Notice that is included in an Election Notice as permitted by Section 3.3(3). Each Borrowing Notice shall be irrevocable and binding on the IESO and shall specify (a) the requested date of the Advance; (b) the principal amount of the Advance, and (c) the Repayment Date of the Advance which shall not be earlier than 5 days and not later than 95 days after the date of the requested Advance. Each Borrowing Notice shall also certify the use of proceeds of the Advance in accordance with Section 2.2. The OFA will make the principal amount of each Advance available to the IESO in accordance with Article 2.

(2) On or before the date of the first Advance hereunder, the IESO shall execute and deliver to the OFA a grid promissory note in respect of Advances substantially in the form of Schedule 3 (the "**Grid Note**"). The IESO authorizes the OFA to record on the Grid Note (a) the date and amount of each Advance or Continued Advance; (b) the applicable rate of interest for each Advance or Continued Advance; (c) the Repayment Date of each Advance or Continued Advance; (d) the date and amount of each payment of interest and each payment of principal or portion thereof in respect of each Advance or Continued Advance; and (e) the outstanding principal amount of the Grid Note. Such notations, in the absence of manifest error, shall be *prima facie* evidence of the such advances and repayments; provided that the failure of the OFA to record any amount, rate or date shall not affect the obligation of the IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement.

Section 3.3 Elections Regarding Advances.

(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 5 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

(2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than 10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the

form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 5 days and not later than 95 days after the current Repayment Date (the "**New Repayment Date"**). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the Grid Note in accordance with Section 3.2(2).

(5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date.

(6) The Credit Facility shall at all times rank *pari passu* with all other unsubordinated and unsecured Indebtedness of the IESO, subject to the existence of any Liens that secure Indebtedness, as permitted by subections 4.6 (a) through (e) hereof.

(7) All amounts owing in respect of the Advances shall be paid without exercising any right of set off or counterclaim by the IESO.

Section 3.4 Interest on Advances.

(1) The IESO shall pay interest on the unpaid principal amount of each Advance in accordance with this Section 3.4 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the Repayment Date of such Advance, at an annual rate equal to the Province of Ontario's cost of funds for borrowings with a similar term as determined by the OFA plus 0.25 percent per annum, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after default and shall be payable on the Repayment Date for such Advance. Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case

may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

Section 3.5 Conditions Precedent

The obligation of the OFA to make the Advances to the IESO pursuant to Section 2.1 is subject to the following conditions being satisfied to the OFA's satisfaction at the time of making each Advance:

The IESO shall use the proceeds of Advances for the purposes for which it is authorized to borrow funds pursuant to Regulation 280/14 made under the *Electricity Act, 1998*, subject to the condition that proceeds of Advances may be used only for IESO's financing needs and requirements of any kind arising in connection with the IESO's role with respect to and obligations under the OFHP.

Section 2.3 Credit Facility Limit.

The Advances Outstanding shall not at any time exceed the Commitment. The Credit Facility shall revolve and no payment under the Credit Facility shall reduce the Commitment.

Section 2.4 Mandatory Repayment.

Subject to Sections 2.5 and 5.2, the IESO shall repay each Advance together with the interest accrued thereon on the applicable Repayment Date, and, in any event, shall repay all Advances Outstanding, together with all accrued interest and all other amounts owing hereunder on September 30, 2022.

(2) The IESO shall make any payment required hereunder to be made by it to the OFA, to or to the order of the OFA, by wire transfer of immediately available funds in accordance with wire transfer instruction given by the OFA to the IESO from time to time, or in such other manner as the OFA may specify to the IESO from time to time. The IESO shall make each such payment in Canadian Dollars.

Section 2.7 Computations of Interest.

(1) All computations of interest shall be made by the OFA taking into account the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest is payable on the basis of a year of 365 days or 366 days, as the case may be.

(2) For the purposes of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest which is equivalent to a rate of interest payable under this Agreement for any period of less than a year may be determined by multiplying the rate of interest for such period by a fraction, the numerator of which is the actual number of days in a year commencing on and including the first day in such period and ending on but excluding the corresponding day in the next calendar year and the denominator of which is the actual number of days in such period.

Section 2.8 Limit on Rate of Interest.

(2) In the event that any such payments are limited or prohibited as provided in Section 2.8(1), the OFA shall have no further obligation to make any Advances available hereunder and the Advances Outstanding, together with all accrued interest and all other amounts owing hereunder, shall become immediately due and payable.

Section 2.9 Application of Payments.

All payments made by the IESO under this Agreement shall be applied firstly to the payment of interest payable to the OFA on late payments of principal or interest hereunder, secondly, to the payment of accrued and unpaid interest payable to the OFA hereunder and thirdly, to the payment of the outstanding principal amount of any Advances payable to the OFA.

ARTICLE 3
ADVANCES

Section 3.1 Advances.

The OFA agrees, on the terms and conditions of this Agreement, to make Advances to the IESO under the Credit Facility from time to time on any Business Day prior to September 23, 2022.

Section 3.2 Procedure for Advances.

(1) Subject to Section 3.3(5), each Advance shall be made subject to two Business Days' prior notice given not later than 10:00 a.m. (Toronto time) by the IESO to the OFA. Each notice of an Advance (a "**Borrowing Notice**") shall be substantially in the form of Schedule 1, other than a Borrowing Notice that is included in an Election Notice as permitted by Section 3.3(3). Each Borrowing Notice shall be irrevocable and binding on the IESO and shall specify (a) the requested date of the Advance; (b) the principal amount of the Advance, and (c) the Repayment Date of the Advance which shall not be earlier than 5 days and not later than 95 days after the date of the requested Advance. Each Borrowing Notice shall also certify the use of proceeds of the Advance in accordance with Section 2.2. The OFA will make the principal amount of each Advance available to the IESO in accordance with Article 2.

(2) On or before the date of the first Advance hereunder, the IESO shall execute and deliver to the OFA a grid promissory note in respect of Advances substantially in the form of Schedule 3 (the "**Grid Note**"). The IESO authorizes the OFA to record on the Grid Note (a) the date and amount of each Advance or Continued Advance; (b) the applicable rate of interest for each Advance or Continued Advance; (c) the Repayment Date of each Advance or Continued Advance; (d) the date and amount of each payment of interest and each payment of principal or portion thereof in respect of each Advance or Continued Advance; and (e) the outstanding principal amount of the Grid Note. Such notations, in the absence of manifest error, shall be *prima facie* evidence of the such advances and repayments; provided that the failure of the OFA to record any amount, rate or date shall not affect the obligation of the IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement.

Section 3.3 Elections Regarding Advances.

(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 5 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

(2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than 10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the

form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 5 days and not later than 95 days after the current Repayment Date (the "**New Repayment Date"**). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the Grid Note in accordance with Section 3.2(2).

(5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date.

(6) The Credit Facility shall at all times rank *pari passu* with all other unsubordinated and unsecured Indebtedness of the IESO, subject to the existence of any Liens that secure Indebtedness, as permitted by subections 4.6 (a) through (e) hereof.

(7) All amounts owing in respect of the Advances shall be paid without exercising any right of set off or counterclaim by the IESO.

Section 3.4 Interest on Advances.

(1) The IESO shall pay interest on the unpaid principal amount of each Advance in accordance with this Section 3.4 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the Repayment Date of such Advance, at an annual rate equal to the Province of Ontario's cost of funds for borrowings with a similar term as determined by the OFA plus 0.25 percent per annum, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after default and shall be payable on the Repayment Date for such Advance. Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case

may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

Section 3.5 Conditions Precedent

The obligation of the OFA to make the Advances to the IESO pursuant to Section 2.1 is subject to the following conditions being satisfied to the OFA's satisfaction at the time of making each Advance:

(a) that the representations and warranties of the IESO contained in this Agreement are true and correct as at the date of making the Advance;

(b) that no Event of Default has occurred and is continuing;

(c) that there shall, in the reasonable opinion of the OFA, have been no material adverse change in the financial condition of the IESO or a Material Subsidiary; and

(d) that the OFA has received such other documentation which it has reasonably requested to ensure that the IESO is in compliance with the terms and conditions of this Agreement, including certified true copies of any necessary resolutions, a written legal opinion from counsel to the IESO confirming that the borrowing is within the legal powers of the IESO and that the Agreement is a direct, unsecured obligation of the IESO enforceable against the IESO in form satisfactory to the OFA.

Such notations, in the absence of manifest error, shall be *prima facie* evidence of the such advances and repayments; provided that the failure of the OFA to record any amount, rate or date shall not affect the obligation of the IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement.

Section 3.3 Elections Regarding Advances.

(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 5 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the Grid Note in accordance with Section 3.2(2).

(5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date.

Section 3.4 Interest on Advances.

(1) The IESO shall pay interest on the unpaid principal amount of each Advance in accordance with this Section 3.4 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the Repayment Date of such Advance, at an annual rate equal to the Province of Ontario's cost of funds for borrowings with a similar term as determined by the OFA plus 0.25 percent per annum, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after default and shall be payable on the Repayment Date for such Advance. Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case

may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

Section 2.2 Use of Proceeds.

The IESO shall use the proceeds of Advances for the purposes for which it is authorized to borrow funds pursuant to Regulation 280/14 made under the *Electricity Act, 1998*, subject to the condition that proceeds of Advances may be used only for IESO's financing needs and requirements of any kind arising in connection with the IESO's role with respect to and obligations under the OFHP.

Section 2.3 Credit Facility Limit.

The Advances Outstanding shall not at any time exceed the Commitment. The Credit Facility shall revolve and no payment under the Credit Facility shall reduce the Commitment.

Section 2.4 Mandatory Repayment.

Subject to Sections 2.5 and 5.2, the IESO shall repay each Advance together with the interest accrued thereon on the applicable Repayment Date, and, in any event, shall repay all Advances Outstanding, together with all accrued interest and all other amounts owing hereunder on September 30, 2022.

Section 2.5 Prepayments.

The IESO is not entitled to prepay any part of the Advances Outstanding or the interest accrued thereon without the prior written consent of the OFA.

(2) The IESO shall make any payment required hereunder to be made by it to the OFA, to or to the order of the OFA, by wire transfer of immediately available funds in accordance with wire transfer instruction given by the OFA to the IESO from time to time, or in such other manner as the OFA may specify to the IESO from time to time. The IESO shall make each such payment in Canadian Dollars.

Section 2.7 Computations of Interest.

(1) All computations of interest shall be made by the OFA taking into account the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest is payable on the basis of a year of 365 days or 366 days, as the case may be.

(2) For the purposes of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest which is equivalent to a rate of interest payable under this Agreement for any period of less than a year may be determined by multiplying the rate of interest for such period by a fraction, the numerator of which is the actual number of days in a year commencing on and including the first day in such period and ending on but excluding the corresponding day in the next calendar year and the denominator of which is the actual number of days in such period.

Section 2.8 Limit on Rate of Interest.

(1) Notwithstanding any provision contained in this Agreement, the IESO shall not be obliged to make any payments of interest or other amounts payable to the OFA hereunder in excess of the amount or rate which would be prohibited by applicable law or would result in the receipt by the OFA of interest at a criminal rate (as such terms are construed under the *Criminal Code* (Canada)).

(2) In the event that any such payments are limited or prohibited as provided in Section 2.8(1), the OFA shall have no further obligation to make any Advances available hereunder and the Advances Outstanding, together with all accrued interest and all other amounts owing hereunder, shall become immediately due and payable.

Section 2.9 Application of Payments.

All payments made by the IESO under this Agreement shall be applied firstly to the payment of interest payable to the OFA on late payments of principal or interest hereunder, secondly, to the payment of accrued and unpaid interest payable to the OFA hereunder and thirdly, to the payment of the outstanding principal amount of any Advances payable to the OFA.

ARTICLE 3
ADVANCES

Section 3.1 Advances.

The OFA agrees, on the terms and conditions of this Agreement, to make Advances to the IESO under the Credit Facility from time to time on any Business Day prior to September 23, 2022.

Section 3.2 Procedure for Advances.

(1) Subject to Section 3.3(5), each Advance shall be made subject to two Business Days' prior notice given not later than 10:00 a.m. (Toronto time) by the IESO to the OFA. Each notice of an Advance (a "**Borrowing Notice**") shall be substantially in the form of Schedule 1, other than a Borrowing Notice that is included in an Election Notice as permitted by Section 3.3(3). Each Borrowing Notice shall be irrevocable and binding on the IESO and shall specify (a) the requested date of the Advance; (b) the principal amount of the Advance, and (c) the Repayment Date of the Advance which shall not be earlier than 5 days and not later than 95 days after the date of the requested Advance. Each Borrowing Notice shall also certify the use of proceeds of the Advance in accordance with Section 2.2. The OFA will make the principal amount of each Advance available to the IESO in accordance with Article 2.

(2) On or before the date of the first Advance hereunder, the IESO shall execute and deliver to the OFA a grid promissory note in respect of Advances substantially in the form of Schedule 3 (the "**Grid Note**"). The IESO authorizes the OFA to record on the Grid Note (a) the date and amount of each Advance or Continued Advance; (b) the applicable rate of interest for each Advance or Continued Advance; (c) the Repayment Date of each Advance or Continued Advance; (d) the date and amount of each payment of interest and each payment of principal or portion thereof in respect of each Advance or Continued Advance; and (e) the outstanding principal amount of the Grid Note. Such notations, in the absence of manifest error, shall be *prima facie* evidence of the such advances and repayments; provided that the failure of the OFA to record any amount, rate or date shall not affect the obligation of the IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement.

Section 3.3 Elections Regarding Advances.

(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 5 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

(2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than 10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the

form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 5 days and not later than 95 days after the current Repayment Date (the "**New Repayment Date"**). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the Grid Note in accordance with Section 3.2(2).

(5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date.

(6) The Credit Facility shall at all times rank *pari passu* with all other unsubordinated and unsecured Indebtedness of the IESO, subject to the existence of any Liens that secure Indebtedness, as permitted by subections 4.6 (a) through (e) hereof.

(7) All amounts owing in respect of the Advances shall be paid without exercising any right of set off or counterclaim by the IESO.

Section 3.4 Interest on Advances.

(1) The IESO shall pay interest on the unpaid principal amount of each Advance in accordance with this Section 3.4 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the Repayment Date of such Advance, at an annual rate equal to the Province of Ontario's cost of funds for borrowings with a similar term as determined by the OFA plus 0.25 percent per annum, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after default and shall be payable on the Repayment Date for such Advance. Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case

may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

Section 3.5 Conditions Precedent

The obligation of the OFA to make the Advances to the IESO pursuant to Section 2.1 is subject to the following conditions being satisfied to the OFA's satisfaction at the time of making each Advance:

(a) that the representations and warranties of the IESO contained in this Agreement are true and correct as at the date of making the Advance;

(b) that no Event of Default has occurred and is continuing;

(c) that there shall, in the reasonable opinion of the OFA, have been no material adverse change in the financial condition of the IESO or a Material Subsidiary; and

(d) that the OFA has received such other documentation which it has reasonably requested to ensure that the IESO is in compliance with the terms and conditions of this Agreement, including certified true copies of any necessary resolutions, a written legal opinion from counsel to the IESO confirming that the borrowing is within the legal powers of the IESO and that the Agreement is a direct, unsecured obligation of the IESO enforceable against the IESO in form satisfactory to the OFA.

Section 2.3 Credit Facility Limit.

The Advances Outstanding shall not at any time exceed the Commitment. The Credit Facility shall revolve and no payment under the Credit Facility shall reduce the Commitment.

Section 2.4 Mandatory Repayment.

Subject to Sections 2.5 and 5.2, the IESO shall repay each Advance together with the interest accrued thereon on the applicable Repayment Date, and, in any event, shall repay all Advances Outstanding, together with all accrued interest and all other amounts owing hereunder on September 30, 2022.

Section 2.5 Prepayments.

The IESO is not entitled to prepay any part of the Advances Outstanding or the interest accrued thereon without the prior written consent of the OFA.

Section 2.6 Payments under this Agreement.

(1) The OFA shall make Advances to the IESO under this Agreement to or to the order of the IESO by wire transfer of immediately available funds in accordance with wire transfer instructions given by the IESO to the OFA from time to time, or in such other manner as the IESO may specify to the OFA from time to time.

(2) The IESO shall make any payment required hereunder to be made by it to the OFA, to or to the order of the OFA, by wire transfer of immediately available funds in accordance with wire transfer instruction given by the OFA to the IESO from time to time, or in such other manner as the OFA may specify to the IESO from time to time. The IESO shall make each such payment in Canadian Dollars.

Section 2.7 Computations of Interest.

(1) All computations of interest shall be made by the OFA taking into account the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest is payable on the basis of a year of 365 days or 366 days, as the case may be.

(2) For the purposes of disclosure pursuant to the *Interest Act* (Canada), the yearly rate of interest which is equivalent to a rate of interest payable under this Agreement for any period of less than a year may be determined by multiplying the rate of interest for such period by a fraction, the numerator of which is the actual number of days in a year commencing on and including the first day in such period and ending on but excluding the corresponding day in the next calendar year and the denominator of which is the actual number of days in such period.

Section 2.8 Limit on Rate of Interest.

(1) Notwithstanding any provision contained in this Agreement, the IESO shall not be obliged to make any payments of interest or other amounts payable to the OFA hereunder in excess of the amount or rate which would be prohibited by applicable law or would result in the receipt by the OFA of interest at a criminal rate (as such terms are construed under the *Criminal Code* (Canada)).

(2) In the event that any such payments are limited or prohibited as provided in Section 2.8(1), the OFA shall have no further obligation to make any Advances available hereunder and the Advances Outstanding, together with all accrued interest and all other amounts owing hereunder, shall become immediately due and payable.

Section 2.9 Application of Payments.

All payments made by the IESO under this Agreement shall be applied firstly to the payment of interest payable to the OFA on late payments of principal or interest hereunder, secondly, to the payment of accrued and unpaid interest payable to the OFA hereunder and thirdly, to the payment of the outstanding principal amount of any Advances payable to the OFA.

ARTICLE 3
ADVANCES

Section 3.1 Advances.

The OFA agrees, on the terms and conditions of this Agreement, to make Advances to the IESO under the Credit Facility from time to time on any Business Day prior to September 23, 2022.

Section 3.2 Procedure for Advances.

(1) Subject to Section 3.3(5), each Advance shall be made subject to two Business Days' prior notice given not later than 10:00 a.m. (Toronto time) by the IESO to the OFA. Each notice of an Advance (a "**Borrowing Notice**") shall be substantially in the form of Schedule 1, other than a Borrowing Notice that is included in an Election Notice as permitted by Section 3.3(3). Each Borrowing Notice shall be irrevocable and binding on the IESO and shall specify (a) the requested date of the Advance; (b) the principal amount of the Advance, and (c) the Repayment Date of the Advance which shall not be earlier than 5 days and not later than 95 days after the date of the requested Advance. Each Borrowing Notice shall also certify the use of proceeds of the Advance in accordance with Section 2.2. The OFA will make the principal amount of each Advance available to the IESO in accordance with Article 2.

(2) On or before the date of the first Advance hereunder, the IESO shall execute and deliver to the OFA a grid promissory note in respect of Advances substantially in the form of Schedule 3 (the "**Grid Note**"). The IESO authorizes the OFA to record on the Grid Note (a) the date and amount of each Advance or Continued Advance; (b) the applicable rate of interest for each Advance or Continued Advance; (c) the Repayment Date of each Advance or Continued Advance; (d) the date and amount of each payment of interest and each payment of principal or portion thereof in respect of each Advance or Continued Advance; and (e) the outstanding principal amount of the Grid Note. Such notations, in the absence of manifest error, shall be *prima facie* evidence of the such advances and repayments; provided that the failure of the OFA to record any amount, rate or date shall not affect the obligation of the IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement.

Section 3.3 Elections Regarding Advances.

(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 5 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

(2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than 10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the

form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 5 days and not later than 95 days after the current Repayment Date (the "**New Repayment Date"**). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the Grid Note in accordance with Section 3.2(2).

(5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date.

(6) The Credit Facility shall at all times rank *pari passu* with all other unsubordinated and unsecured Indebtedness of the IESO, subject to the existence of any Liens that secure Indebtedness, as permitted by subections 4.6 (a) through (e) hereof.

(7) All amounts owing in respect of the Advances shall be paid without exercising any right of set off or counterclaim by the IESO.

Section 3.4 Interest on Advances.

(1) The IESO shall pay interest on the unpaid principal amount of each Advance in accordance with this Section 3.4 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the Repayment Date of such Advance, at an annual rate equal to the Province of Ontario's cost of funds for borrowings with a similar term as determined by the OFA plus 0.25 percent per annum, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after default and shall be payable on the Repayment Date for such Advance. Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case

may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

Section 3.5 Conditions Precedent

The obligation of the OFA to make the Advances to the IESO pursuant to Section 2.1 is subject to the following conditions being satisfied to the OFA's satisfaction at the time of making each Advance:

(a) that the representations and warranties of the IESO contained in this Agreement are true and correct as at the date of making the Advance;

Formatted: Font: Italic

Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

Commented [TPW9]: I don't think this does anything, and may in fact be detrimental, as we may be able to argue for some kind of PMSI or other security arising from the operation of the OFHP. Useful if "unsubordinated", but not if "unsecured".

Commented [LS10]: Bruno: Please advise if you are comfortable with this deletion, as suggested by Toby. I am in agreement with his approach; if we add in "unsubordinated" it may require further discussions with IESO counsel (based on earlier comments/discussions).
