Commented [VB4]: The term "Note" is not defined in the Agreement as far as I can tell, having checked all amendments. It occurs 6 times on this page. In the 2nd para, the term "grid promissory note" is also used and means the same thing. These should be consistent. "Note" should be defined, or we could use "Grid Note" throughout, but again it's preferable for it to be defined in some manner.

Commented [VB5]: The original 2005 agreement is not defined as or entitled "Credit Agreement", so this occurrence should be lower case.

Commented [VB5]: The term "Note" is not defined in the Agreement as far as I can tell, having checked all amendments. It occurs 6 times on this page. In the 2nd para, the term "grid promissory note" is also used and means the same thing. These should be consistent. "Note" should be defined, or we could use "Grid Note" throughout, but again it's preferable for it to be defined in some manner.

Commented [LS6]: "Grid Note" now defined in s. 3.2 of Credit Agreement.

Commented [VB7]: The original 2005 agreement is not defined as or entitled "Credit Agreement", so this occurrence should be lower case.

Commented [WT8R7]: agreed

Commented [LS9]: "Grid Note" now defined in s. 3.2 of Credit Agreement.

Commented [A1]: I agree with the change.

Commented [A2]: I suggest we keep this paragraph because the current change is to the credit facility amounts. This was provided to provide the reader context to the previous credit facility amount changes. However, previous amending agreements do not always memorialize previous changes. I do not have strong feelings to keep this paragraph.

Commented [A3]: From a chronological perspective I suggest we move, down to paragraph 5.

Commented [A4]: Agree. To maintain consistency with this amending agreement, previous amending agreements and this credit facility the OPA/IESO is stated before OFA.

Commented [A5]: I suggest we keep the crossed out paragraph 3 because it provides context to the reader. However, previous amending agreements do not always memorialize previous changes. I do not have strong feelings to keep this paragraph.

Commented [A6]: I agree with IESO Legal by combining this paragraph and the paragraph above as seen in proposed paragraph two.

Commented [A7]: Fine.

AND WHEREAS the IESO and the OFA have now agreed to: (i) decrease the total principal amount of the operating facility from $975,000,000 to a total principal amount of up to $475,000,000; and (ii) to update the uses which IESO may make of the funds drawn under the facility;

AND WHEREAS pursuant to Section 7.3 of the Credit Agreement, the Credit Agreement may only be amended or otherwise modified by written agreement executed by each of the OFA and the IESO.

THEREFORE, in consideration of the mutual covenants and agreements herein contained and other good and valuable consideration, the receipt and sufficiency of which is hereby ~~acknowledge~~acknowledged, and subject to the terms and conditions hereafter set out, the parties agree that:

1. The definition of "Commitment" in Section 1.1 of the Credit Agreement is amended by deleting "$975,000,000" and substituting ~~" $~~"$475,000,000" therefor.

2. On the date of this Amending Agreement ~~and prior to any further advances under the Credit Agreement~~, the IESO ~~shall execute~~has executed and ~~deliver~~delivered to the OFA (and included it in Schedule 1 to this Amending Agreement) a new grid promissory note in the principal amount of up to $475,000,000 ~~substantially in the form of the grid~~, which note ~~attached hereto and indicating a~~ indicates the total principal amount of advances outstanding ~~to~~as of the date ~~of $114,383,131.40,~~hereof.

3. ~~Upon receipt of~~In exchange for the ~~new~~ grid promissory note delivered hereunder, the OFA ~~will cancel~~has cancelled and ~~return~~returned the grid promissory note dated November 30, 2016 to the IESO.

4. Delete Section 2.3 "Use of Proceeds" of the Credit Agreement and replace it as follows:

   "The IESO shall use the proceeds of Advances for the purposes for which it is authorized to borrow funds pursuant to Regulation 280/14 made under the *Electricity Act, 1998*, as such regulation may be amended or replaced from time to time."

IN ALL OTHER RESPECTS, the Credit Agreement is confirmed by the parties.

[*signature page follows*]

Commented [A8]: To confirm with Salman

Commented [A9]: Should be Schedule 3 Grid Note (not Schedule 1. Schedule 1 is Form of Borrowing Notice). Otherwise, changes are fine.

Commented [A10]: This is correct as of July 4 2017. Likely to change by mid-July.

Commented [A11]: Fine

Commented [A12]: To cofirm with Salman

(1)Ameding agreement #8 of this agreement also includes a restriction under Use of Proceeds uuder section 2.3(2;) "with the exception of funds borrowed solely for the purposes of funding the payment of amounts payable by the OPA under section 25.33 of the Electricity Act, 1998, the OPA or successor "new" IESO is expected to recover or repay such proceeds over a period of no more than 12 months from the date of the Advance. This restriction is also included in draft for the new $2 billion credit facility. I suggest we include the retriction, ensuring the reference to the Electricity Act is still appropriate.

Per our call earlier this afternoon, please find attached clean and blacklined versions of the FHP Credit Agreement and Amending Agreement No.10 to the Existing Credit Agreement. These are ready for execution on Monday.

Per our discussion, I have removed the names of the OFA signatories which I understand you will fill in by hand when completed. Other than that there are very few changes to the text. Please note that in the final version of the FHP agreement I fixed the justification of the first two paragraphs of s.5.7 the Intercept clause (changed from full justify to left justify, consistent with the remainder of that clause and the Agreement generally).

As mentioned, I have also prepared separate Grid Notes for both agreements in the $2Bn and $475MM amounts. The $2Bn Note will be effective immediately and so will be provided by same day delivery. The $475MM Note does not become effective until the Effective Time on November 21 so we should discuss the appropriate manner of dealing with this Note pending its coming into effect.

Finally, I have updated the Incumbency Certificate and Certified Board Resolution to show current dates, and will complete the Intercept Letter with a Nov 6 date on Monday.

Let me know if you have any questions.

Regards,
Victor

Hi Will,

I understand from Sarah that the $475M promissory note does not require review. I've reviewed the $2B promissory note as per her request and it is consistent with the OIC – I have no comments.

Thank you,

Lisa

Hello Lisa,

Please review and comment on the promissory note between the Province of Ontario and the OFA for the new reduced amount of $475M. I've included the previously approved $2B FHP promissory note for comparison purposes.

Hi Will and Sarah,

Further to my earlier e-mails, if none of the requested documents are available from the IESO (i.e. by-law, delegation of signing authority, or signing authority resolution), we can also accept:

- A certificate from the IESO Corporate Secretary stating that the IESO CEO has signing authority (although this will be unlikely if there is no evidence of signing authority available); or,
- A signature under seal of the corporation

If none of the above are available, it will be a business decision as to whether the OFA is willing to accept borrowing notices that are not properly executed. It would likely be low risk, given that all of the other details are consistent with the terms of the agreement. However, this would not be a legal decision.

Happy to discuss further,

Lisa

Hello Lisa and Sarah N.,

On May 10, IESO notified us that Kimberly Marshall is no longer with the company (the only person we had documented to have signing authority). Anthony Martinello (IESO) was informed of the required documents to facilitate a new signatory. Yesterday, we received a Borrowing Notice with an advance date for tomorrow (May 18), signed by the their president and CEO. According to Anthony, their legal department is working on providing us with the required documents. However, he has informed us that there is a real possibility that the required documents may not be provided by today or tomorrow.

Could you provide some guidance as to how to proceed if the documents are not received in time or options available to us?

Thanks,

Will

Will,
I have requested our legal group to address your request and prepare an updated cert….it is pending.
I'm not sure this cert will be ready by today or tomorrow…let me know if this is a problem.
As for the IESO CEO signing the draw, the resolution you already have notes that the CFO delegate can sign and thus the IESO CEO (CFO's boss) is now signing the draws.

Regards.

Hello Anthony,

As per our earlier conversation, we would require updated signing authority documents.

Please provide the following:

1. Certified resolution of the board of directors for IESO authorizing both the Fair Hydro Plan Credit Agreement and for the Existing Credit Facility authorizing the signatory.
2. Updated Incumbency Certificate.

Attached is an example of the documents.

Thanks,

Hi,

The IESO's CFO, Kim Marshall, is no longer with the IESO effective May-1-2018.

We are actively recruiting for a CFO, but no CFO and no acting CFO is yet named……the new CFO is not expected to be in place until July 2018.

For the $2B and $475MM facilities, we will be drawing on these next week……..are you ok if I sign the OFA notices or do you require the IESO CEO (remember no CFO is present).

Please advise.

Regards.

Hi Caroline,

I will notify IESO that the waiver letter will be provided after OFA receives the Election Notice. Thanks for adding the reference to March 22.
One comment, my preference would be to align this with the "New Repayment Date of March 22, 2018…" as above. However, I'm not particularly fussed about this if you feel this is fine the way it is. What are you thoughts?

Thanks,

Will

Hi Will,

I have added a reference to the March 22 New Repayment Date in the first paragraph. As discussed last week, the waiver letter has been drafted assuming that it will be provided to the IESO after the OFA receives the Election Notice. After you receive the Election Notice, the date of the Election Notice will need to be inserted into the letter.

Please let me know if you would like to discuss. I am working from home today and can be reached on my cell: 416-270-0362.

Hi Caroline,

Once IESO sends the notices I will change the date on the draft waiver.
According to James Devine, the method to price a 5 day minimum period is the same to price for a 1 or 2 day period. He also expects the price to be similar in both situations.

You will need to change this date in the draft waiver letter that Lisa sent you yesterday. I don't think any other changes will be needed to the draft letter as a result of this change.
Once IESO sends the notices I will change the date on the draft waiver.

I also wanted to follow-up with you on the issues that Lisa raised:

- Do the interest provisions in the Credit Agreement continue to apply to this Proposed Advance and Continued Advance (will the interest calculation be the same for this Proposed and/or Continued Advance as set out in the Credit Agreement)? Do we need to specify further details in the waiver?
  According to James Devine, the method to price a 5 day minimum period is the same to price for a 1 or 2 day period. He also expects the price to be similar in both situations.

- Do we need to consider imposing a specific minimum borrowing period (of one or two days)?
  Would it be possible to tighten the language in the waiver to reflect the March 22 repayment, rather than "no minimum days…? This doesn't seem consistent with election notice.

Thanks,
Will

Fyi

I spoke to Olga (IESO). She informed me that $332M, matures on March 20,(not March 21, previously reported). IESO would need to borrow $530M for 2 days (not 1 day, previously reported) for a maturity of March 22.

Attached is Cash Management confirmation that they have no concerns regarding the two day roll-over.
Settlements has no concerns either.
James Devin has informed IESO that OFA is fine with the roll-over.

Thanks,

Will

DIRECTIVE

MINISTER OF FINANCE

INDEPENDENT ELECTRICITY SYSTEM OPERATOR CREDIT FACILITY

To: Ontario Financing Authority ("OFA")

Whereas:

Under the *Capital Investment Plan Act, 1993* ("CIPA"), the OFA provides financing to public bodies as directed by the Minister of Finance.

Pursuant to OIC ####, the Minister of Finance is authorized to lend a maximum of $2 billion to the OFA for the credit facility

The Independent Electricity System Operator ("IESO"), a public body for the purposes of CIPA, has requested funding from the OFA to support the IESO's role in the implementation of the *Ontario Fair Hydro Plan Act, 2017* (the "OFHP").

In order to fulfil the Province's commitments under the OFHP, it is desirable for the Minister of Finance to provide direction to the OFA to provide a revolving credit facility for the purposes of short to medium term financing related to the OFHP.

~~The OFA will be borrowing funds for this requested credit facility under the authority of OIC ###.~~

Therefore:

i) **Line of Credit**

Pursuant to sub-section 16(2) of CIPA, the OFA is directed to lend to the IESO under a revolving credit facility (the "Line of Credit") for the purpose of short to medium term financing related to the IESO's implementation of the OFHP, an aggregate principal amount of up to CAD $2 billion.

The Line of Credit shall be subject to the following terms:

- The Line of Credit shall be evidenced by an agreement between the IESO and the OFA containing terms and conditions consistent with this Directive (the "Credit Agreement").

- Interest on the Line of Credit shall be payable at a rate established as of [insert], equal to the Province's cost of funds as based on the term as set out the Credit Agreement, and as determined by the Chief Executive Officer of the OFA or the Assistant Deputy Minister, Corporate and Electricity Finance Division, OFA, or a person designated by either of them, plus a twenty-five (25) basis point spread ~~to cover the OFA's lending costs~~ ("~~Cost Recovery Fee~~Spread").

- ~~Advances under t~~The Line of Credit will only be made at the request and on the recommendation of the Minister of Energy.

Commented [LS1]: Program area to confirm; differs from LRC form

Commented [SQ22R1]: Mentioned in s1 of LRC form:

oThis will help the IESO to fulfil the commitments under the *Fair Hydro Act, 2017* as the IESO will have to finance short to medium term funding shortfalls in the implementation of the Fair Hydro Plan.

Commented [SQ23]: Should this be mentioned in the second Whereas recital?

Commented [LS4]: Program area

Commented [SQ25R4]: This is a revolving credit facility, rates would be established as the OFA deems necessary, as set out in the Credit Agreement.

Commented [SQ26]: This is simply a spread – I would not classify this as a cost recovery fee.

Commented [LS7]: Business decision; program area to confirm.

Commented [SQ28R7]: Not Advances. Only the Agreement itself.

Commented [LS9]: Further discussion required. This may require the Minister of Energy to be a party to the loan agreement.

Commented [SQ210R9]: This is incorrect. The Credit Agreement will be made at the request of and recommendation of Minister of Energy, if at all – not the advances. Minister of Energy won't be a party to the proposed agreement.

DRAFT

- All amounts outstanding under the Line of Credit shall be repaid in full on or before the date no later than ~~five years after the execution of the Credit Agreement~~September 30, 2022.

- The Line of Credit shall be subject to such other terms as the OFA deems appropriate from time to time.

ii) Retention of spread

Pursuant to Order in Council ####, made under sub-section 22(1) of CIPA, the Minister of Finance is authorized to make loans to the OFA and to determine the amount of the spread to be retained by the OFA where those funds are subsequently loaned to public bodies. It is hereby determined that for the Line of Credit made under the authority of this Directive, the amount of the spread retained by the OFA shall be for the amount of the ~~Cost Recovery Fee~~Spread as set out above.

Dated , 2017

Charles Sousa

Minister of Finance

Commented [LS11]: Is this reasonable given the principal amount of the line? Previous draft provided had 40 year term (as per draft OIC). IESO has requested 5 year term in letter dated 05/12/17,

Commented [SQ212R11]: We made the decision to do the OIC for the entire OFHP period in order to avoid going back to LRC for a new OIC as we expect the requirement for a credit facility will be there.
The Directive is more aligned with the ask from IESO, and is meant to be a little tighter on the terms.

As per IESO request and previous drafts, this should say September 30, 2022.

Commented [LS13]: Confirm authorization is contained in new OIC

Commented [LS14]: As previously discussed, this is a business decision. My understanding is that this is generally retained only where there is commercial risk. Should this be remitted back to the Province?

Commented [SQ215R14]: We will be retaining this to remain consistent with past credit facility – unless otherwise advised.

DRAFT

ii) Retention of spread

Pursuant to Order in Council ####, made under sub-section 22(1) of CIPA, the Minister of Finance is authorized to make loans to the OFA and to determine the amount of the spread to be retained by the OFA where those funds are subsequently loaned to public bodies. It is hereby determined that for the Line of Credit made under the authority of this Directive, the amount of the spread retained by the OFA shall be for the amount of the Spread as set out above.

The parties agree that, with respect to the exercise of the Intercept generally, the terms of this section 5.7 shall be applied consistently with the terms set out in the Intercept Letter which shall apply in full. 6. Section 3.2 "Procedures for Advances" of the Credit Agreement is deleted in its entirety and replaced by the following:

"(1) Subject to Section 3.3(5), each Advance shall be made subject to two Business Days' prior notice given not later than 10:00 a.m. (Toronto time) by the IESO to the OFA. "(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 28 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

On the occurrence of an Event of Default relating to a failure by IESO to pay when due any amounts owing hereunder, subject to the OFA's compliance with any relevant provisions hereof and as set out in the Intercept Letter, the Minister of Finance is irrevocably authorized to deduct from the Appropriated Funds amounts equal to any amounts that the IESO has failed to pay to the OFA in accordance with the provisions of this Agreement and to pay such amounts directly to the OFA ("**Intercept**").

(b) If, after following the process specified in the Intercept Letter (including, without limitation, allowing for a reasonable cure period on the terms specified therein), the OFA determines that it is necessary to request the Minister of Finance to exercise the Intercept, the OFA will give written notice to the Minister of Finance, with a copy to the Ministry of Energy, detailing the IESO's failure to pay when due any amounts owing hereunder and requesting the deduction from the Appropriated Funds of amounts equal to the amounts that the IESO has failed to pay to the OFA under this Agreement.

(c) The IESO agrees that any notice from the OFA to the Minister of Finance in relation to this section 5.7 (Intercept) may be relied upon by the Minister of Finance without further inquiry or verification by the Minister of Finance and, upon receipt of such notice, an amount equal to the amount that the IESO has failed to pay when due to the OFA on account of indebtedness under this Agreement shall be deducted from the Appropriated Funds and paid to the OFA.

(d) For further certainty, the OFA acknowledges and agrees that the Intercept as provided for herein and in the Intercept Letter shall not apply with respect to any funds appropriated by the Legislature for payment to the IESO through ministries other than the Ministry of Energy or through Ontario Climate Change Solutions Deployment Corporation.

The parties agree that, with respect to the exercise of the Intercept generally, the terms of this section 5.7 shall be applied consistently with the terms set out in the Intercept Letter which shall apply in full. Notwithstanding the foregoing, in the event of a conflict or inconsistency between the terms and conditions of the Intercept Letter and the terms and conditions contained in this Agreement, the terms and conditions contained in this Agreement shall prevail."

10. Section 7.9 "Entire Agreement' is added to the Credit Agreement, stating as follows:

"Section 7.9 Entire Agreement

This Agreement as amended from time to time and including the schedules hereto and any other agreements expressly referred to herein, constitutes the whole agreement between the Parties with respect to the matters dealt with in it, and it supersedes any prior agreement, undertakings, discussions and the like respecting the matters dealt with in this Agreement and entered into by the Parties before the date the OFA signs this Agreement."

   iii. the repayment by the IESO of all Advances Outstanding (as defined in the Credit Agreement) exceeding $475 million; and,

   iv. the payment by the IESO to OFA of the interest then owing under the Credit Agreement.

15. The Parties shall endeavour to complete and exchange all usual documentation relating to the Transfers of Funds, and to any other related matters occurring on the Effective Date, prior to 5:00 p.m. on the Effective Date, and in any case no later than the next business day.

Re: **$460,213,364.11 Election Notice dated March 20, 2018**

Dear Kimberly,

The Ontario Financing Authority ("OFA") is in receipt of the Election Notice provided by the Independent Electricity System Operator ("IESO") to the OFA dated March 16, 2018 for a new Proposed Advance of $127,812,803.97 and a proposed Continued Advance of $332,400,560.14 specifying a New Repayment Date of March 22, 2018 (the "March 2018 Election Notice") under the Revolving Credit Facility Agreement between the IESO and OFA dated November 6, 2017, (the "Credit Agreement"), the terms defined therein being used herein as therein defined.

For the sole purpose of the March 2018 Election Notice, the OFA hereby agrees to waive the requirement set out in section 3.3(1) of the Credit Agreement that a Continued Advance must be for a further period of at least 5 days, beginning on the then current Repayment Date.

For greater clarity, the OFA acknowledges that the New Repayment Date for the proposed Continued Advance under the March 2018 Election Notice is March 22, 2018, which is two days after the Current Repayment Date. Pursuant to section 3.3(3) of the Credit Agreement, the Repayment Date of the requested Proposed Advance under the March 2018 Election Notice shall be the New Repayment Date.

Accordingly, the OFA hereby agrees to waive the requirement for the IESO to specify on the March 2018 Election Notice a New Repayment Date that is not earlier than 5 days after the current Repayment Date for the Advance, as required in section 3.3(2) and Schedule 2 of the Credit Agreement.

Subject to the foregoing, section 3.3 of the Credit Agreement applies in its entirety to all future Proposed Advances and Continued Advances.

Best Regards,

ONTARIO FINANCING AUTHORITY

I reviewed the draft Promissory Note against the OIC, and noticed a discrepancy in the wording used in s. (d)(i) of the Prom Note. I have amended it (attached) to align with the wording in the OIC.

I've cc'd Toby since he is also reviewing this – Toby, could you please let me know if you are okay with this change, or would like to discuss?

(d) the Borrower shall pay to the Lender interest on each Advance at a rate which is determined as follows

(i) from the date of Advance to (but excluding) the date of repayment the Borrower shall pay to the Lender interest on the Advance at a per annum rate equivalent to the yield earned on ninety day Province of Ontario treasury bills on the date before the Advance Date as determined by the Province, provided that if an Advance is outstanding for longer than ninety days ~~or longer~~, the interest rate shall be reset on the last day of each ninety day period (the "Reset Date") to the yield earned on ninety day Province

(ii) in the event that moneys included in an Advance are subsequently loaned by the Borrower to third parties for the purposes contemplated in the Act, (a "Third Party Loan") the rate of interest payable by the Borrower to the Lender on the portion of the Advance so loaned shall be adjusted at the option of the OFA effective as of the date of the Third Party Loan so that the per annum rate of interest payable by the Borrower on such moneys is equivalent to either:

(A) the per annum rate of interest payable to the Borrower under the Third Party Loan, or

(B) the per annum rate of interest payable to the Borrower under the Third Party Loan less an amount not exceeding 25 basis points,

rather than the rate specified in subparagraph (i), until (but excluding) the date on which the Third Party Loan is repaid to the OFA, at which time the interest rate set out in subparagraph (i) shall again be applicable to that portion of the Advance; and

(iii) in the event that moneys described in subparagraph (ii), once repaid, are subsequently loaned to third parties again, subparagraph (ii) shall again be applicable in determining the interest rate payable to the Lender on that portion of the Advance included in any subsequent loan, and so on, until the Advance shall be repaid to the Province in full;

Commented [WT1]: Lisa, what type of additional written authorization is required for the Minister to specify 'the amount determined by the Minister of Finance" or is this handled by the Directive that is being drafted?

(f) interest for any period of less than one year shall be payable for the actual number of days included in such period, computed on the basis of a 365-day year;

(g) despite paragraph (b), interest on any portion of an Advance made to the Borrower under the loan that is loaned by the Borrower as a Third Party Loan shall accrue on the basis stated above but shall become payable only to the extent the Borrower receives payment of interest under the relevant Third Party Loan; and

(h) despite paragraph (b), any portion of the principal of an Advance made to the Borrower under the loan that is loaned by the Borrower as a Third Party Loan shall become payable only to the extent the Borrower receives repayment of principal under the relevant Third Party Loan.

The undersigned authorizes the Lender to record on the reverse of this note or on any attachment to this note all advances, repayments and prepayments of principal and interest and the unpaid balance of principal from time to time. The undersigned agrees that in the absence of manifest error the record kept by the Lender on this note or any attachment shall be conclusive evidence of the matters recorded, provided that the failure of the Lender to record or correctly record any amount or date shall not affect the obligation of the undersigned to pay the outstanding principal amount of the Advances and interest.

(f) interest for any period of less than one year shall be payable for the actual number of days included in such period, computed on the basis of a 365-day year;

(g) despite paragraph (b), interest on any portion of an Advance made to the Borrower under the loan that is loaned by the Borrower as a Third Party Loan shall accrue on the basis stated above but shall become payable only to the extent the Borrower receives payment of interest under the relevant Third Party Loan; and

(1) The IESO may elect to continue all or a portion of the principal amount of any Advance for a further period of 7 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

Commented [WT34]: Lisa –
Should the last advance date be September 21, 2022 for example or one month prior ?

The current agreement is 7 days to 95 days.

According to Amending Agreement 9 of the $975 Credit Facility Agreement, Section 3.1 allows advances until November 30, 2019 with an agreement expiry of Dec 31, 2019. The min/max advancement period is 28 to 95 days.

Commented [LS35R34]: 7 days prior? Confirm with Sarah Harris? See s. 3.2 below.

Commented [WT36R34]: Confirmed with Sarah H. Last advance will be 7 calendar days before the CF agreement expires.

Commented [WT37R34]: Correction made above.

Commented [LS38]: Change to defined term throughout

Commented [WT39R38]: Will discuss with Sarah H. that this format is fine.

Commented [WT40]: Discussed the language with Carlos Yep. He is satisfied that Section 3.3.2 and 3.3.3 provides choice of either repayment or advance for a further period. The reset rate would apply to the portion that is extended. Unless I'm not understanding the question.

Commented [LS41]: This section and accompanying form needs further consideration/amendments. Need to add a provision re: interest rate for any such extension if applicable (unless treated as a late payment). LEGAL to review again.

(2) Each election to continue an Advance for a further period shall be made two Business Day's prior notice given, in each case, not later than 10:00 a.m. (Toronto time) by the IESO to the OFA. If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date.

(4) The ~~Note~~ Credit Facility shall at all times rank pari passu with all other unsubordinated Indebtedness of IESO, subject to the existence of any Permitted Liens of IESO.

Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the ~~IESO~~ Grid Note ~~promissory note~~ in respect of Advances held by it.

Sur la recommandation de la personne soussignée, la lieutenante-gouverneure de l'Ontario, sur l'avis et avec le consentement du Conseil exécutif de l'Ontario, décrète ce qui suit :

WHEREAS pursuant to subsection 22(1) of the *Capital Investment Plan Act, 1993* (the "Act"), the Minister of Finance may purchase securities of or make loans to corporations established under subsection 2(1) of the Act in such amounts, at such times and on such terms and conditions as the Lieutenant Governor in Council considers expedient;

AND WHEREAS the Ontario Financing Authority (the "OFA") is a corporation established under subsection 2(1) of the Act;

AND WHEREAS pursuant to subsection 6(3) of the Act, the power of a corporation established under subsection 2(1) of the Act to borrow and issue securities, among other things, may only be exercised under the authority of a by-law that has been approved by the Minister of Finance;

AND WHEREAS the OFA wishes to borrow up to Two Billion Dollars in lawful money of Canada from the Minister of Finance and has been authorized to do so by a borrowing by-law approved in accordance with the Act;

THEREFORE:

Pursuant to subsection 22 (1) of the Act, the Minister of Finance is authorized to lend a maximum of Two Billion Dollars in lawful money of Canada to the OFA on the following terms and conditions:

(a) the loan may be advanced in such amounts and at such time or times as required by the OFA;

(b) repayment of advances made under the loan plus accrued interest may be made in whole or in part at any time provided that the loan plus any accrued interest shall be fully repaid by December 31, 2047;

(c) each advance (an "Advance") made under the loan hereby authorized shall bear interest at a rate which is determined as follows:

(i) from the date of the Advance to (but excluding) the date of repayment the Advance shall bear interest at a per annum rate equivalent to the yield earned on

ninety day Province of Ontario treasury bills on the date before the Advance Date as determined by the Province, provided that if an Advance is outstanding for longer than ninety days, the interest rate shall be reset on the last day of each ninety day period (the "Reset Date") to the yield earned on ninety day Province of Ontario treasury bills immediately preceding the Reset Date for such ninety day period as determined by the Province;

(ii) in the event that moneys included in an Advance are used by the OFA for the purpose of funding loans to third parties (a "Third Party Loan"), the rate of interest payable by the OFA to the Province on the portion of the Advance so used shall be adjusted effective as of the date that the portion of the Advance is used to fund the Third Party Loan so that the per annum rate of interest payable by the OFA on such moneys is equivalent to the per annum rate of interest payable to the OFA under the Third Party Loan less an amount as may be determined by the Minister of Finance in respect of such Third Party Loan or a class of such Third Party Loans, until but excluding the date on which the Third Party Loan is repaid, at which time the interest rate set out in subparagraph (i) shall again be applicable to that portion of the Advance; and

(iii) in the event that moneys described in subparagraph (ii), once repaid, are subsequently used to fund loans to third parties, subparagraph (ii) shall again be applicable in determining the interest rate payable to the Province on that portion of the Advance used to fund such loan, and so on, until the Advance shall be repaid to the Province in full;

(iv) despite subparagraphs (ii) and (iii), in the event that no interest is payable to the OFA under a Third Party Loan, no interest shall be payable by the OFA on the portion of the Advance so used and to the extent that the terms of a Third Party Loan provide for the deferral of the payment of accrued interest for a period, the interest payment terms of an Advance or portion thereof shall also be deferred for a similar period.

(d) interest for any period of less than one year shall be payable for the actual number of days included in such period, computed on the basis of a 365-day year;

(e) despite paragraph (b) of this Order, interest on any portion of an Advance made to the OFA under the loan that is used by the OFA to fund a Third Party Loan shall accrue on the basis stated above but shall become payable only to the extent the OFA receives payment of interest under the relevant Third Party Loan;

(f) despite paragraph (b) of this Order, any portion of the principal of an Advance made to the OFA under the loan that is used by the OFA to fund a Third Party Loan shall become payable only to the extent the OFA receives repayment of principal under the relevant Third Party Loan; and

(g) the loan hereby authorized shall be evidenced by a promissory note.

(iii) dans l'éventualité où les sommes décrites au sous-alinéa (ii), une fois remboursées, seraient ultérieurement utilisées pour le financement de prêts à des tiers, le sous-alinéa (ii) s'appliquera de nouveau dans l'établissement du taux d'intérêt à payer à la province sur la partie de l'avance utilisée à cette fin, et ainsi de suite, jusqu'à ce que l'avance ait été remboursée intégralement à la province;

     - Timing: Guarantees are required to support rating agency review which is expected by the end of July

2. **Payments in Lieu of Taxes (PILs) Exemption**
   - The Province would like to minimize to the extent possible , the PILs payable by the OPG financing vehicle, as those costs will be recovered from ratepayers
   - The Province is considering regulation changes to exempt the income arising as a consequence of the Fair Hydro Plan from PILs
   - As part of the OFHP, the financing entity will raise debt and acquire "investment assets" from the IESO. Given the unique nature of the investment assets, there are no specific rules which govern the manner which investment assets should be treated for tax purposes, and further analysis is required to ensure the cost of the investment assets are appropriately recognized as a deduction or offset in computing the income of the financing entity
   - **Next Steps:**
     - The Ministries of Finance, OFA and OPG are working together to determine required regulation changes
     - Timing: [Next steps for a decision / when is a decision required / when would these regulation changes occur]

3. **Fair Hydro Plan - Master Subscription Agreement Term Sheet (Equity Injection Process)**

- OPG will require equity injections on a monthly basis in order to maintain its capital structure, and will require flexibility in order to issue shares as needed by the Province
- The Ministry of Energy received appropriation for $1.1B through PRRT to support equity injections for the 2017-18 period, and will continue to provide multi-year forecasts each year through PRRT
- **Next Steps:**
    - The Ministry of Energy, OFA and OPG are working through the short term mechanics of this process which will ultimately feed into a Master Subscription Agreement. A draft term sheet is underway.
    - Timing: OPG will require the ability to issue equity in July, so mechanics and agreements should be finalized in June

4. **Management Fees**
    - OPG will be providing all required services to the Trust as part of the OFHP, including planning, strategy, financing, deal execution etc.
    - The legislation allows OPG to establish and charge a management fee for those services in accordance with the regulations which are currently in development
    - OPG and OEB are currently working together on a management fee structure that balances the interests of minimizing costs and satisfying accounting consolidation requirements
    - **Next Steps:**
        - OPG and OEB will bring forward a recommended framework for developing management fees
        - Timing: For incorporation into regulations being brought forward in June

5. **IESO – Increased Credit Facilities**
    - The OPG financing entity has the right to purchase the regulatory asset from IESO but does not have to purchase it.
    - IESO is working with the OFA to increase the credit facilities in the event that the OPG financing entity does not purchase the regulatory asset
    - **Next Steps:**
        - OFA is drafting a new agreement for a $2 billion credit facility for the OFA to lend funds to IESO for FHP purposes. Concurrently, the OFA is seeking LRC approval for a new $2 billion OIC, as well as a Directive from the Minister of Finance, which are both necessary for the OFA to lend funds to IESO under the new Credit Facility. .....
        - Timing: The OIC is scheduled as item for the June 27, 2017 LRC meeting. The Directive and Credit Facility Agreement are currently being drafted, to be in place by July 1st, 2017.....

(i) ~~Two Billion~~Four Hundred Seventy-Five Million Dollars; and

(ii) the aggregate unpaid principal balance of all advances made by the Lender as recorded on the reverse of this note or on any attachment described below;

at such time and on such other terms and conditions including the payment of interest as follows;

(a) the Borrower shall be entitled to advances of the loan (an "Advance") in such amounts and at such times as it requires provided that the aggregate amount advanced shall not exceed ~~Two Billion~~Four Hundred Seventy-Five Million Dollars;

(b) the Borrower shall be entitled to repay Advances either in whole or in part and at such time or times as it determines provided that all Advances plus any accrued interest shall be fully repaid by ~~December 31, 2047~~January 1, 2041;

(c) the Borrower shall be entitled to use the loan as a revolving credit facility allowing for successive advances of moneys repaid under the loan; provided that the maximum principal amount of the loan outstanding at any time shall not exceed ~~Two Billion~~Four Hundred Seventy-Five Million Dollars;

(d) the Borrower shall pay to the Lender interest on each Advance at a rate which is determined as follows

(i) from the date of Advance to (but excluding) the date of repayment the Borrower shall pay to the Lender interest on the Advance at a per annum rate equivalent to the yield earned on ninety day Province of Ontario treasury bills on the date before the Advance Date as determined by the Province, provided that if an Advance is outstanding for longer than ninety days, the interest rate shall be reset on the last day of each ninety day

period (the "Reset Date") to the yield earned on ninety day Province of Ontario treasury bills immediately preceding the Reset Date as determined by the Province;

(ii) in the event that moneys included in an Advance are subsequently loaned by the Borrower to third parties for the purposes contemplated in the Act, (a "Third Party Loan") the rate of interest payable by the Borrower to the Lender on the portion of the Advance so loaned shall be adjusted at the option of the OFA effective as of the date of the Third Party Loan so that the per annum rate of interest payable by the Borrower on such moneys is equivalent to either:

(A) the per annum rate of interest payable to the Borrower under the Third Party Loan, or

(B) the per annum rate of interest payable to the Borrower under the Third Party Loan less an amount not exceeding 25 basis points,

rather than the rate specified in subparagraph (i), until (but excluding) the date on which the Third Party Loan is repaid to the OFA, at which time the interest rate set out in subparagraph (i) shall again be applicable to that portion of the Advance; and

(iii) in the event that moneys described in subparagraph (ii), once repaid, are subsequently loaned to third parties again, subparagraph (ii) shall again be applicable in determining the interest rate payable to the Lender on that portion of the Advance included in any subsequent loan, and so on, until the Advance shall be repaid to the Province in full;

(e) despite subparagraphs (c)(ii) and (iii) in the event that no interest is payable to the Borrower under a Third Party Loan, no- interest shall be payable by the Borrower on the portion of the Advance so loaned and to the extent that the terms of a Third Party Loan provide for the deferral of the payment of accrued interest for a period, the interest payment terms of an Advance or portion thereof shall also be deferred for a similar period;

(f) interest for any period of less than one year shall be payable for the actual number of days included in such period, computed on the basis of a 365-day year;

(g) despite paragraph (b), interest on any portion of an Advance made to the Borrower under the loan that is loaned by the Borrower as a Third Party Loan shall accrue on the basis stated above but shall become payable only to the extent the Borrower receives payment of interest under the relevant Third Party Loan; and

(h) despite paragraph (b), any portion of the principal of an Advance made to the Borrower under the loan that is loaned by the Borrower as a Third Party Loan shall become payable only to the extent the Borrower receives repayment of principal under the relevant Third Party Loan.

The undersigned authorizes the Lender to record on the reverse of this note or on any attachment to this note all advances, repayments and prepayments of principal and interest and the unpaid balance of principal from time to time. The undersigned agrees that in the absence of manifest error the record kept by the Lender on this note or any attachment shall be conclusive evidence of the matters recorded, provided that the failure of the Lender to record or correctly record any amount or date shall not affect the obligation of the undersigned to pay the outstanding principal amount of the Advances and interest.

Subject: FHP Agreement, 5-day minimum period exception

Hello all,

IESO has asked OFA for a one-time exception to waive the minimum period for advances of 5 days (FHP Credit Facility Agreement). IESO has asked for an advance period of 1 day, so it may use money expected from OPG to repay its advance on the same day it matures.

IESO's current outstanding advance of $322M, matures on March 21, 2018. IESO will require an additional advance of $208M (to pay power generators) for a total of $530M, but will only require this for 1 day because IESO expects to receive funds from OPG to repay its advances on March 22. Rather than incurring additional interest costs of borrowing until March 26, 2018 (5 day minimum), IESO would prefer to match the maturity of its advances and expected cash inflow from OPG.

Please let me know if your respective areas have any concerns or issues from an operational standpoint.

Hello Anthony and Olga,

I apologise for the multiple emails. I have additional solutions as I am having a fluid conversation with my legal department.

1. Certified resolution of the board of directors for IESO authorizing both the Fair Hydro Plan Credit Agreement and for the Existing Credit Facility authorizing the signatory and Updated Incumbency Certificate.
2. A delegation of authority from the (former) IESO CFO to the IESO CEO (or other authorized signatories).
3. A general signing authority resolution of the IESO Board of Directors.
4. By-law or other document in place providing authorization to the IESO CEO.
5. A certificate from the IESO Corporate Secretary stating that the IESO CEO has signing authority.
6. A signature under seal of the corporation.

Thanks,

Will

I have requested our legal group to address your request and prepare an updated cert….it is pending.
I'm not sure this cert will be ready by today or tomorrow…let me know if this is a problem.
As for the IESO CEO signing the draw, the resolution you already have notes that the CFO delegate can sign and thus the IESO CEO (CFO's boss) is now signing the draws.

Hi,

The IESO's CFO, Kim Marshall, is no longer with the IESO effective May-1-2018.

We are actively recruiting for a CFO, but no CFO and no acting CFO is yet named……the new CFO is not expected to be in place until July 2018.

For the $2B and $475MM facilities, we will be drawing on these next week……..are you ok if I sign the OFA notices or do you require the IESO CEO (remember no CFO is present).

Please advise.

Hello Salvatore,

I spoke to Olga (IESO). She informed me that $322M, matures on March 20,(not March 21, previously reported). IESO would need to borrow $530M for 2 days (not 1 day, previously reported) for a maturity of March 22. Please let me know if your area has concerns from an operational standpoint regarding this.

Thanks,

WIll

Subject: FHP Agreement, 5-day minimum period exception

Hello all,

IESO has asked OFA for a one-time exception to waive the minimum period for advances of 5 days (FHP Credit Facility Agreement). IESO has asked for an advance period of 1 day, so it may use money expected from OPG to repay its advance on the same day it matures.

IESO's current outstanding advance of $322M, matures on March 21, 2018. IESO will require an additional advance of $208M (to pay power generators) for a total of $530M, but will only require this for 1 day because IESO expects to receive funds from OPG to repay its advances on March 22. Rather than incurring additional interest costs of borrowing until March 26, 2018 (5 day minimum), IESO would prefer to match the maturity of its advances and expected cash inflow from OPG.

Please let me know if your respective areas have any concerns or issues from an operational standpoint.

Re: $460,213,364.11 Election Notice dated March 20, 2018

Dear Kimberly,

The Ontario Financing Authority ("OFA") is in receipt of the Election Notice provided by the Independent Electricity System Operator ("IESO") to the OFA dated March 16, 2018 for a new Proposed Advance of $127,812,803.97 and a proposed Continued Advance of $332,400,560.14 specifying a New Repayment Date of March 22, 2018 (the "March 2018 Election Notice") under the Revolving Credit Facility Agreement between the IESO and OFA dated November 6, 2017, (the "Credit Agreement"), the terms defined therein being used herein as therein defined.

For the sole purpose of the March 2018 Election Notice, the OFA hereby agrees to waive the requirement set out in section 3.3(1) of the Credit Agreement that a Continued Advance must be for a further period of at least 5 days, beginning on the then current Repayment Date.

For greater clarity, the OFA acknowledges that the New Repayment Date for the proposed Continued Advance under the March 2018 Election Notice is March 22, 2018, which is two days after the Current Repayment Date. Pursuant to section 3.3(3) of the Credit Agreement, the Repayment Date of the requested Proposed Advance under the March 2018 Election Notice shall be the New Repayment Date.

Accordingly, the OFA hereby agrees to waive the requirement for the IESO to specify on the March 2018 Election Notice a New Repayment Date that is not earlier than 5 days after the current Repayment Date for the Advance, as required in section 3.3(2) and Schedule 2 of the Credit Agreement.

Subject to the foregoing, section 3.3 of the Credit Agreement applies in its entirety to all future Proposed Advances and Continued Advances.

Such notations, in the absence of manifest error, shall be *prima facie* evidence of such Advances and repayments; provided that the failure of the OFA to record any amount, rate or date shall not affect the obligation of the IESO to pay the Advances Outstanding and all interest accrued thereon and any other amounts due under this Agreement.

Section 3.3 Elections Regarding Advances.

(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 5 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

(2) Each notice to continue an Advance for a further period (an "**Election Notice**") shall be provided by the IESO to the OFA at least two Business Days prior to the Repayment Date of the Advance (the "**Current Repayment Date**"), and in each case, not later than 10:00 a.m. (Toronto time). Each such Election Notice shall be given substantially in the

form of Schedule 2 and shall be irrevocable and binding upon the IESO and shall specify: (a) the Current Repayment Date; (b) the new aggregate total amount of the proposed Continued Advance; (c) the amount of interest or principal, if any, to be paid or re-paid by the IESO with respect to such Advance on the Current Repayment Date; and (d) the new Repayment Date of the proposed Continued Advance, which shall be no earlier than 5 days and not later than 95 days after the current Repayment Date (the "**New Repayment Date"**). If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the Grid Note in accordance with Section 3.2(2).

(5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date.

(6) The Credit Facility shall at all times rank *pari passu* with all other unsubordinated and unsecured Indebtedness of the IESO, subject to the existence of any Liens that secure Indebtedness, as permitted by subections 4.6 (a) through (e) hereof.

(7) All amounts owing in respect of the Advances shall be paid without exercising any right of set off or counterclaim by the IESO.

Section 3.4 Interest on Advances.

(1) The IESO shall pay interest on the unpaid principal amount of each Advance in accordance with this Section 3.4 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the Repayment Date of such Advance, at an annual rate equal to the Province of Ontario's cost of funds for borrowings with a similar term as determined by the OFA plus 0.25 percent per annum, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after Default and shall be payable on the Repayment Date for such Advance. Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case

may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

Section 3.5 Conditions Precedent

Section 3.3 Elections Regarding Advances.

(1) The IESO may elect to continue all or a portion of the principal amount of any Advance and any amount of interest on such Advance (together, the "**Continued Advance**") for a further period of at least 5 days and up to a maximum of 95 days beginning on the then current Repayment Date in accordance with Section 3.3(2).

If the IESO fails to deliver an Election Notice to the OFA for any Advance as provided herein, such Advance shall be repayable on the applicable Repayment Date.

(3) An Election Notice with respect to a proposed Continued Advance may include a Borrowing Notice for a further Advance proposed to be made on the Current Repayment Date. The Repayment Date of such further Advance shall be the New Repayment Date of the Continued Advance that is specified in the Election Notice. Such Borrowing Notice shall be given substantially in the form of Schedule 2.

(4) The calculation of interest on a Continued Advance shall be determined in the same manner as an Advance under Section 3.4 and shall be recorded on the Grid Note in accordance with Section 3.2(2).

(5) Any portion of an Advance not continued for a further period in accordance with Section 3.3(2) shall be repayable on the applicable Repayment Date.

(6) The Credit Facility shall at all times rank *pari passu* with all other unsubordinated and unsecured Indebtedness of the IESO, subject to the existence of any Liens that secure Indebtedness, as permitted by subections 4.6 (a) through (e) hereof.

(7) All amounts owing in respect of the Advances shall be paid without exercising any right of set off or counterclaim by the IESO.

Section 3.4 Interest on Advances.

(1) The IESO shall pay interest on the unpaid principal amount of each Advance in accordance with this Section 3.4 from and including the date of such Advance until the principal amount of such Advance is repaid in full.

(2) Interest shall accrue on the principal amount of each Advance from and including the date of the Advance to but excluding the Repayment Date of such Advance, at an annual rate equal to the Province of Ontario's cost of funds for borrowings with a similar term as determined by the OFA plus 0.25 percent per annum, before as well as after the date such principal amount or interest thereon becomes due hereunder and both before and after Default and shall be payable on the Repayment Date for such Advance. Any amount of interest arising hereunder which is not paid when due shall bear interest at the same rate compounded monthly at which it accrued from the due date for payment until the date of actual payment. The amount of interest payable on an Advance will be calculated by the OFA by dividing the interest rate applicable to the Advance by 365 or 366, as the case

may be, and multiplying the result by the principal amount of the Advance and further multiplying the result by the number of days in the period from the date of the Advance to the Repayment Date of the Advance.

(3) If the IESO elects to continue an Advance in accordance with Section 3.3(2), the OFA shall determine the interest rate applicable after the original Repayment Date of the Advance and endorse the said rate on the grid forming part of the Grid Note in respect of Advances held by it.

Section 3.5 Conditions Precedent

The obligation of the OFA to make the Advances to the IESO pursuant to Section 2.1 is subject to the following conditions being satisfied to the OFA's satisfaction at the time of making each Advance:

The OFA agrees, acting reasonably, to invoice the IESO for any such costs, charges and expense as they are incurred, together with interest at the aforesaid rate (with interest on overdue interest).

Section 4.8 Reporting.

Hello William and Gavin:

For the purposes of coming to a decision on the question of the use of proceeds, I thought it might be helpful to consolidate all the different moving parts into one document.

Current Use of Proceeds under the Credit Facility (as amended on December 19, 2014 by Amendment No. 8):

Section 1 was amended to add the following definition of "Regulation" means O. Reg. 280/14 made under the *Electricity Act, 1998*, as such regulation may be amended or replaced from time to time.

2.3 Use of Proceeds:

Up to the effective time of Amalgamation, the OPA shall use the proceeds of Advances for the purposes for which it is authorized to borrow funds pursuant to Regulation 423/04 made under the Electricity Act, subject to the following conditions:

(1) effective as of December 31,2013, the proceeds of Advances may be used only for liquidity purposes and to temporarily fund corporate requirements; and,
(2) with the exception of funds borrowed solely for the purposes of funding the payment of amounts payable by the OPA under section 25.33 of the Electricity Act, the OPA is expected to recover or repay such proceeds over a period of no more than 12 months from the date of the Advance.

From and after the effective time of the Amalgamation: (a) New IESO shall use the proceeds of Advances only as authorized by the Regulation, and, to the extent not inconsistent with the Regulation, for purposes and requirements in relation to the operations and activities of the OPA prior to the Amalgamation, to the extent those operations and activities are carried on by New IESO following the Amalgamation; and (b) the following conditions will apply:

(1) the proceeds of the Advances may be used only for liquidity purposes and to temporarily fund corporate requirements; and
(2) with the exception of funds borrowed solely for the purposes of funding the payment of amounts payable by New IESO under section 25.33 of the Electricity Act, New IESO is expected to recover or repay such proceeds over a period of no more than 12 months from the date of the Advance.

Proposed Change to Section 2.3 Requested by the IESO

The IESO has requested that the above be deleted in its entirety and replaced with the following:

The IESO shall use the proceeds of Advances for the purposes for which it is authorized to borrow funds pursuant to Regulation 280/14 made under the *Electricity Act, 1998*, as such regulation may be amended or replaced from time to time.

Comments:

(1) The "Pre-Amalgamation" structuring language is removed. Are there any implications arising from this related to existing loans?

(2) The "Post-Amalgamation" structuring which tied borrowing to the purposes and requirements in relation to the operations and activities of the OPA prior to the Amalgamation, to the extent those operations and activities are carried on by New IESO following the Amalgamation has also been removed along with the additional conditions set out sub-paragraphs (1) and (2). Does this cause any concern in respect of how the Credit Facility operates?;

(3) The reference to the Regulation can be abbreviated to simply "Regulation" given the addition of the defined term in Amending Agreement No. 8

(4) I note that the condition in sub(2) is phrased not as an obligation but an "expectation". It appears to have an intended purpose of restraining the renewal of certain advances beyond 12months. I do not know the rationale for its inclusion (this language was added in Amending Agreement 8). The Regulation and the Act, at least as they apply now, do not appear to require this (see below). I also note it is not drafted as an enforceable restriction or constraint in other relevant sections of the Agreement (as amended) e.g. in Section 3.3 which details the requirements for "Elections Regarding Advances" or in the Borrowing Notice, and there is no required related disclosure in respect of the Borrowing Notice for Renewed Advances. Is this possibly a requirement in the SIPP or the Minister's Directive, if there is one? I note that our file contains drafts of a reduction specific Minister's Directive which includes the following rationale for the reduction in the Credit Facility: "The IESO has requested that that the OFA decrease the maximum aggregate amount of the Loans from $975 million to $475 million to eliminate duplicate credit needs for the purpose of the implementation of the *Ontario Fair Hydro Plan Act, 2017"* but this language is flagged as requiring confirmation and I have no final version of the directive in the file, was this abandoned?

I note that the letter from the IESO to Gadi, requesting the $2 billion line, notes that the $975 credit facility is currently being used but the separate line is being requested for the following reason: "The IESO proposes that a separate and additional credit facility be provided by either the OFA or [the OEFC] to support only the FHP credit needs. A separate facility for the FHP is preferable to ensure operational efficiency and interest tracking" and goes on to state "The above $500 million reduction in the current OFA facility is to eliminate duplicate credit needs and reflect the replacement of the current RPP by the new FHP". If there is concern about adopting the IESO's broad use of proceeds language that it will continue to borrow for FHP once the FHP agreement is in place, is one option to replicated the Pre- and Post- Amalgamation structure in Amending Agreement 8, allowing the line to be used until the FHP Credit Facility is not place but not after? This would not impact on timing of the agreements and would provide for the transition.

Regulation 280

Hello Gavin,

The first draft of Amending Agreement 10, that went to IESO had no changes to "Use of Proceeds". IESO proposed changes to "Use of Proceeds". Upon further review I discovered that "Use of Proceeds" in Amending Agreement 8, had very specific wording. I have drafted some proposed language but also wanted to bring to your attention the differences in language IESO has proposed compared to Amending Agreement 8. If you accept Documentation draft language for "Use of Proceeds" please reply to my email sent on Sunday 7/16/2017 at 2:38pm.

I have included the language from Amending Agreement 8, for your convenience.

IESO Proposed:

4. Delete Section 2.3 "Use of Proceeds" of the Credit Agreement and replace it as follows:

"The IESO shall use the proceeds of Advances for the purposes for which it is authorized to borrow funds pursuant to Regulation 280/14 made under the Electricity Act, 1998, as such regulation may be amended or replaced from time to time."

Documentation draft 2 version:

4. Delete Section 2.3 "Use of Proceeds" of the Credit Agreement and replace it as follows:

"The IESO shall use the proceeds of Advances for the purposes for which it is authorized to borrow funds pursuant to Regulation 280/14 made under the *Electricity Act, 1998,* as such regulation may be amended or replaced from time to time.

The IESO is expected to recover or repay the proceeds for each Advance over a period of no more than 12 months from the date of such Advance" .

Amending Agreement 8:

From and after the effective time of the Amalgamation: (a) New IESO shall use the proceeds of Advances only as authorized by Regulation, and, to the extent not inconsistent with the Regulation, for purposes and requirements in relation to the operations and activities of the OPA prior to the Amalgamation, to the extent those operations and activities are carried on by New IESO follow the Amalgamation; and (b) the following conditions will apply

"The IESO shall use the proceeds of Advances for the purposes for which it is authorized to borrow funds pursuant to Regulation 280/14 made under the *Electricity Act, 1998,* as such regulation may be amended or replaced from time to time and subject to the following conditions:

(1) the proceeds of Advances may be used only for liquidity purposes and to temporarily fund corporate requirements; and

(2) with the exception of funds borrowed solely for the purposes of funding the payment of amounts payable by IESO under section 25.33 of the Electricity Act, IESO is expected to recover or repay such proceeds over a period of no more than 12 months from the date of the Advance. "

Thanks,

Will

Hi

I think I'm in agreement Sarah's comments on the $475M. My understand is that the $475M will be used for certain day-to-day non-OFHP IESO purposes, but is also currently used for OFHP purposes, per the amended language in Reg. 280/14 attached. But the use of proceeds for the $475M facility is not and can't be restricted to use for OFHP.

Will, I have no objection to adding in the condition on timing of repayment that you drafted to be consistent with previous agreement

> *"The IESO is expected to recover or repay the proceeds for each Advance over a period of no more than 12 months from the date of such advance."*

I don't know much about the history around paragraph 2, but I take Sarah's point and that makes sense if a change of the current obligation was not contemplated or agreed to.

Will, in regard to your question about the IESO striking out the paragraphs that refer to the original $500M agreement and the subsequent increase to $975M, I have no objection to having these struck. It seems to me that it's a bit more streamlined to get straight to "facility is currently $975M and we're reducing it to $475M". However, I don't know what the convention is regrading maintaining the complete history.

I am away for the next two weeks, but Gavin will be here and could attend a meeting as necessary.

Thanks
Bruno

Hi Sarah and Bruno – Sarah, just got your voicemail indicating you are out of office until the 18th.

It seems we have a chicken and egg situation here. My understanding from Lisa had been that it was

important for the $475 line to be executed first in the process to ensure that borrowing limits were maintained, but it appears given the borrowing for OFHP that has already been done under that line, that can't be done if the use of proceeds under the $475 line restricts use for OFHP. Ultimately (assuming the Regulatory authorities are as stated below by IESO, which I will need to parse through, and further assuming there is nothing in the approval framework under which the OF is operating that requires the $975/475 line to prohibit OFHP borrowing, which I will also have to parse through) then this is a business decision. Is timing such that we could have a meeting with everyone involved when you are back to work next week, Sarah, to sort through these questions and make sure we are all on the same page, or is there a greater urgency here?

With respect to other substantive issues on the IESO's mark-up of amendment 10, the only significant issue I have noted is that paragraph 2 should be reverted back to the original language. The changes made by IESO contemplate that the actual signed grid note will be an attachment to the amending agreement. This is not correct. The obligation in the amendment is to deliver a signed note. The signed grid note needs to be delivered on closing prior to any advance, the form of the grid note to be delivered is what is set out in the schedule to the amending agreement. If the actual grid note is attached it becomes part of the agreement and whenever the grid needs to be updated that will be a further amendment to the agreement requiring signature of both parties, the IESO proposed structure could also potentially lead to enforcement issues.

Please let me know if you are amenable to a meeting next Tuesday to work through next steps and our response to the IESO's position below.

Hi Bruno:

1. Re your question about Reg. 423/04 being replaced with Reg. 280/14, this already occurred at the beginning of January 2015 when IESO and OPA amalgamated and the new IESO entity became subject to Reg 280/14 as of that date, together with certain additional restrictions - see section 2 of Amending Agreement #8 for further details.
2. I agree that, as drafted, the OFHP facility clearly restricts funds drawn to use exclusively for implementation of OFHP. As for the $475M facility, as proposed in our draft of Amendment #10, the Use of Proceeds clause would not prevent IESO from drawing on it with respect to OFHP because Reg. 280/14 was recently amended to allow IESO "To provide such funds as may be required for the purposes of the Ontario Fair Hydro Plan Act, 2017..." (see s.3(2)5 of the Reg. 280 for the full text). So if the intent is to only allow OFHP borrowing to occur under the new $2Bn line and not at all under the $475M line, then the Use of Proceeds clause in the $475M line would have to be changed to expressly exclude borrowing for OFHP purposes. As Anthony has mentioned, he is currently using the $975/$475M line to fund OFHP variances, so this would presumably end only once the $2Bn line is available. In this regard, it would seem to make sense to sign and bring into effect the new OFHP line before or at the same time that any restrictions on the existing line take effect.

Let me know if you have any other questions.
Regards,
Victor

Hi Victor

Could you confirm (or not) my understanding of couple of things with respect to the attached markup you provided.

1. In terms of Item 4., Use of proceeds. My reading is that this is amendment updates to Reg. 280/14 IESO: *Eligible Investments and Borrowing* replacing Reg. 423/04 *OPA, Eligible investments and Borrowing,* which is revoked. But that otherwise the regulations are largely similar.

2. The use of proceeds, for the reduced $475M facility is different from the new $2B facility. I.e., The latter is specifically covering timing difference with regard to IESO's role in administering the OFHP. The previous $975M facility was reduced as some of the use of proceeds for that facility are now covered by the new $2B facility. There is a differentiation in the use of proceeds for the amended $475M facility – as described in Reg 280/14 – from the use of proceeds for the $2B facility.

Thanks for your help

Subject: FW: IESO : OFA new FH credit facility

Hello Anthony,

Please find the attached Amending Agreement 10. If comments for the FHP Credit Facility is not possible this week, would it be possible to have the Amending Agreement 10 signed along with an updated Resolution of the Board of Directors, Certificate of Incumbency and Delegation of Authority (IESO Statement of Policy) first? This is necessary to reduce the existing credit facility from $975 million to $475 million to eliminate duplicate credit needs.

Thanks,

Will

Good morning Anthony,

As part of our update for the Amending Agreement 10 and new FHP Credit Facility we will require an updated Resolution of the Board of Directors, Certificate of Incumbency and Delegation of Authority (IESO Statement of Policy). Please find the attached Certificate of Incumbency and Delegation of Authority/Statement of Policy as an example. (Delegation of authority outlines responsibilities and level of signing authority). If you have any questions my contact information is on my signature below.

Thanks,

Will

Hello Anthony,

Currently the credit facility agreement is being reviewed by OFA legal for review and comment. Once the recommended changes have been made the draft is then reviewed by MOF legal for review and comment. I expect to have the agreement to you early next week.

Thanks,

Will
