If the Indenture Trustee shall elect not to afford such applicants access to such information, the Indenture Trustee shall, upon the written request of such applicants, mail to each applicable Lender and to each holder of a Registered Note of the applicable **Classes,** Series~~, Classes~~ and Tranches whose names and addresses appear in the information preserved at the time by the Indenture Trustee in accordance with subsection 9.14(a), a copy of the form of proxy or other communication which is specified in such request, with reasonable promptness after a tender to the Indenture Trustee of the material to be mailed and of payment, or provision for the payment, of the reasonable expenses of mailing, unless, within five days after such tender, the Indenture Trustee shall mail to such applicants, together with a copy of the material to be mailed, a written statement to the effect that, in the opinion of the Indenture Trustee, such mailing would be contrary to the best interests of the Debtholders for which such mailing is intended or would be in violation of applicable law. Such written statement will specify the basis of such opinion.

(c) Every Debtholder agrees with the Issuer and the Indenture Trustee that neither the Issuer nor the Indenture Trustee will be held accountable by reason of the disclosure of any such information as to the names and addresses of the Debtholders in accordance with subsection 9.14(b), regardless of the source from which such information was derived, and that the Indenture Trustee will not be held accountable by reason of mailing any material pursuant to a request made under subsection 9.14(b).

9.15 Acceptance of Trusts by Indenture Trustee

The Indenture Trustee hereby accepts the trusts in this Indenture and agrees to perform the same upon the terms and conditions herein set forth.

9.16 Paying Agent

(a) The Paying Agent, on behalf of the Indenture Trustee, will make distributions to Specified Creditors from the Collection Account or other applicable Issuer Account pursuant to the provisions of this Indenture and any applicable Program Agreement and will report the amounts of such distributions to the Indenture Trustee. Any Paying Agent will have the revocable power to withdraw funds from the Collection Account or other applicable Issuer Account for the purpose of making the distributions referred to above.

(b) The Indenture Trustee may revoke such power and remove the Paying Agent if the Indenture Trustee determines in its sole discretion that the Paying Agent has failed to perform its obligations under this Indenture in any material respect. The Paying Agent upon removal will return all funds in its possession to the Indenture Trustee.

(c) The Issuer will cause each Paying Agent (other than the Indenture Trustee) to execute and deliver to the Indenture Trustee an instrument in which such Paying Agent will agree with the Indenture Trustee (and if the Indenture Trustee acts as Paying Agent, it so agrees), subject to the provisions of this Section 9.16, that such Paying Agent will:

(iv) open and maintain appropriate records with respect to each Note; record by appropriate entries therein each payment made on account of interest, principal, fees and other amounts owing with respect to each such Note. For the purposes thereof, the Paying Agent shall provide to the Issuer and the Indenture Trustee satisfactory evidence of each payment as soon as practicable after making such payment. The failure to record, or any error in recording, any such payment shall not, however, limit or otherwise affect the obligations of the Issuer as to the principal amount or accrued interest owing with respect to any Note. Such records of payment shall be conclusive evidence of the unpaid principal balance and interest owing in respect of the Notes in the absence of demonstrable error;

(v) immediately resign as a Paying Agent and, if such Paying Agent is not the Indenture Trustee, forthwith pay to the Indenture Trustee all sums held by it in trust for the payment of Issuer Funding Obligations if at any time it ceases to meet the standards described in this Section 9.16 required to be met by a Paying Agent at the time of its appointment; and

(vi) comply with all requirements of the Income Tax Act or any other applicable tax law with respect to the withholding from any payments made by it on any amounts contemplated under this Indenture of any

applicable withholding taxes imposed thereon and with respect to any applicable reporting requirements in connection therewith.

(d) Each Paying Agent, if not OPG, will at all times have, or be a wholly owned subsidiary of a corporation which has, a combined capital and surplus of at least $50,000,000 and be subject to supervision or examination by a Canadian federal, provincial or territorial authority or be regulated by or subject to the supervision or examination of a Governmental Authority of a nation that is a member of the Organization for Economic Co-operation and Development. If such Paying Agent publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this subsection 9.16(d), the combined capital and surplus of such Paying Agent will be deemed to be its combined capital and surplus as set forth in its most recent report of condition as so published.

(e) There are no actions, suits or proceedings pending or, to the knowledge of the Issuer, threatened against or affecting the Issuer at law or in equity or before or by any Governmental Authority, or before any arbitrator of any kind, which would result in any material adverse change in the business, operations, prospects, properties, assets or condition, financial or otherwise, of the Issuer or in the ability of the Issuer to perform its obligations under this Indenture, the other Program Agreements executed by it or any agreement or instrument delivered pursuant hereto or thereto; and the Issuer is not aware of any existing ground on which such action, suit or proceeding might be commenced with any reasonable likelihood of success or of any default with respect to any judgment, order, writ, injunction, decree, award, rule or regulation of any court, arbitrator or Governmental Authority, which, either separately or in the aggregate, would result in any such material adverse change.

(f) The Issuer is not a party to any agreement or instrument which materially adversely affects its ability to perform its obligations under this Indenture, the other Program Agreements executed by it or any agreements or instruments delivered pursuant hereto or thereto or materially adversely affects the business, operations, prospects, properties, assets or condition, financial or otherwise of the Issuer.

(g) The Issuer is not subject to any restriction or any judgment, order, writ, injunction, decree, award, rule or regulation which materially adversely affects, or in the future may materially adversely affect, the business, operations, prospects, properties, assets or condition, financial or otherwise of the Issuer or its ability to perform its obligations under this Indenture, the other Program Agreements executed by it or any agreements or instruments delivered pursuant hereto or thereto.

(c) The Issuer will enforce the Servicer's compliance with and performance of all of the Servicer's material obligations under the Master Transfer and Servicing Agreement. 13.12 Notice of Events of Default

The Issuer agrees to give the Indenture Trustee and the Rating Agencies prompt written notice of (i) each Event of Default, (ii) each breach on the part of the Issuer or the Servicer of its respective obligations under the Master Transfer and Servicing Agreement, (iii) each breach on the part of the Manager of its obligations under the Management Agreement, and (iv) any default of the Issuer or a Derivative Counterparty under a Derivative Agreement.

13.13 Issuer To Furnish Indenture Trustee Names and Addresses of Specified Creditors

(a) The Issuer will furnish or cause to be furnished to the Indenture Trustee:

(b) Upon written request from the Indenture Trustee, within 30 days after the receipt by the Issuer of any such request, the Issuer will furnish or cause to be furnished to the Indenture Trustee a list of the names and addresses of all other Specified Creditors.

13.14 Other Positive Covenants

The Issuer will:

(a) in the event that the Issuer shall be required to file tax returns, the Manager shall prepare or shall cause to be prepared such tax returns and shall provide such tax returns to the Issuer for signature at least five (5) Business Days before such tax returns are due to be filed. The Issuer, in accordance with the terms of each

The Indenture Trustee, upon written request, will furnish the Manager with all such information known to the Indenture Trustee as may be reasonably requested and required in connection with the preparation of all tax returns of the Issuer;

(b) pay or cause to be paid all Taxes levied, assessed or imposed upon the Issuer and its property or any part thereof, as and when the same become due and payable; provided that the Issuer may protest the payment of any such Taxes if it is acting in good faith and if it either provides the Indenture Trustee with cash in an amount sufficient to satisfy the same or otherwise satisfies the Indenture Trustee that its interests are not prejudiced thereby and the Rating Agency Condition is satisfied;

(c) upon the written request of the Indenture Trustee, use reasonable commercial efforts, following any (i) termination or resignation of the Servicer, the Manager or the Paying Agent or, in each case, any successor thereof; or (ii) termination, non-renewal or expiry of a Liquidity Agreement or a Credit Enhancement Agreement (other than, in the latter case, a termination, non-renewal or expiry which occurs because neither party thereto has any further obligation thereunder), to appoint and enter into an agreement with a successor to such Servicer, Manager or Paying Agent, or replace or renew such Liquidity Agreement or Credit Enhancement Agreement, in form and substance the same as the applicable provisions in the previously existing Program Agreement and will notify the Indenture Trustee and the Rating Agencies of each such occurrence and new agreement, and will execute and deliver all Supplemental Indentures and amendments hereto and all instruments of further assurance and other instruments and will take other and further action as the Indenture Trustee, relying on the advice of counsel, may consider necessary or advisable to assign and render subject to this Indenture any such agreement; and

13.15 Rule 144A Information

For so long as Notes of any **Class,** Series~~, Class~~ or Tranche are "restricted securities" within the meaning of Rule 144(a)(3) under the Securities Exchange Act, the Issuer agrees to

provide to any Noteholder of such **Class,** Series~~, Class~~ or Tranche and to any prospective purchaser of Notes designated by such Noteholder, upon the request of such Noteholder or prospective purchaser, any information required to be provided to such Noteholder or prospective purchaser to satisfy the conditions set forth in Rule 144A(d)(4) under the Securities Exchange Act.

(ii) consent, if consent is required, to the resignation of the Manager under the Management Agreement unless the Rating Agency Condition is satisfied.

(b) The Issuer will not amend the Declaration of Trust if such amendment would have an Adverse Effect or would reasonably be expected to have an Adverse Effect at any time in the future; provided that if an amendment would have, or would reasonably be expected to have, an Adverse Effect, such amendment may only be made with the consent of the Debtholders affected thereby, acting pursuant to an Ordinary Resolution.

The Issuer shall not consolidate or merge with or into any other Person, or sell, convey, exchange, transfer or otherwise dispose of any of its properties or assets included in the Collateral to any Person (in this Section 13.19, a "**transaction**"), unless:

No such resignation shall become effective until a Successor Servicer that is a Permitted Successor has assumed the servicing obligations and duties hereunder of the Servicer in accordance with Section 7.2.

3.11 Mergers

Any Person (a) into which the Servicer may be merged, converted or amalgamated and that is a Permitted Successor, (b) that may result from any merger, conversion or amalgamation to which the Servicer shall be a party and that is a Permitted Successor, (c) that may succeed to the properties and assets of the Servicer substantially as a whole and that is a Permitted Successor, or (d) that otherwise is a Permitted Successor, which Person in any of the foregoing cases executes an agreement of assumption to perform all of the obligations of the Servicer hereunder, shall be the successor to the Servicer under this Agreement without further act on the part of any of the parties to this Agreement; provided, however, that (i) immediately after giving effect to such transaction, no representation or warranty made pursuant to Section 4.1 shall have been breached and no Servicer Default and no event that, after notice or lapse of time, or both, would become a Servicer Default shall have occurred and be continuing, (ii) the Servicer shall have delivered to the Issuer an Officer's Certificate and an Opinion of Counsel from external counsel stating that such consolidation, conversion, merger or succession and such agreement of assumption complies with this Section 3.11 and that all conditions precedent, if any, provided for in this Agreement relating to such transaction have been complied with, and (iii) the Servicer shall have given to the Issuer prior written notice of such transaction. When any Person that is a Permitted Successor acquires the properties and assets of the Servicer substantially as a whole or otherwise becomes the successor, by merger, conversion, consolidation, sale, transfer, lease or otherwise, to all or substantially all the assets of the Servicer in accordance with the terms of this Section 3.11, then, upon satisfaction of all of the

other conditions of this Section 3.11, the preceding Servicer shall automatically and without further notice be released from all of its obligations hereunder (except for responsibilities for its actions prior to such release).

3.12 The IESO Not to Resign as Servicer

Subject to the provisions of Section 3.11, the IESO shall not resign from the obligations and duties imposed on it as Servicer under this Agreement except upon a determination that the performance of its duties under this Agreement shall no longer be permissible under applicable Requirements of Law. Notice of any such determination permitting the resignation of the IESO as Servicer shall be communicated to the Issuer and each Rating Agency at the earliest practicable time (and, if such communication is not in writing, shall be confirmed in writing at the earliest practicable time), and any such determination shall be evidenced by an Opinion of Counsel to such effect delivered to the Issuer and each Rating Agency concurrently with or promptly after such notice. No such resignation shall become effective until a Successor Servicer that is a Permitted Successor has assumed the servicing obligations and duties hereunder of the Servicer in accordance with Section 7.2.

3.13 IESO Regulatory Obligation to Pay Carrying Costs

(a) The IESO acknowledges that it has an obligation to pay monthly Carrying Costs pursuant to the Regulations for the prescribed period set out in the Regulations (the "**Prescribed Period**") and agrees to comply with its obligations under the Regulations to pay and remit the Carrying Costs to the Issuer on a monthly basis.

(b) On or before the 4th Business Day of each calendar month during the Prescribed Period, the Issuer shall prepare and deliver to the IESO a written statement substantially in the form of Exhibit C (a "**Monthly Carrying Costs Statement**") certifying the amount of the Carrying Costs incurred in the preceding calendar month ("**Monthly Carrying Costs**"). If requested by the IESO, the Issuer shall, in lieu of providing the Monthly Carrying Costs Statement, enter the amount of the Monthly Carrying Costs in the IESO operated portal, or such other similar facility operated by the IESO, and such entry shall be deemed to be a certification of the accuracy of the amount entered.

(c) On or before the [14th] Business Day following receipt by the IESO of the Monthly Carrying Costs Statement, the IESO shall, as required under the Regulations, deliver or cause to be delivered to the Issuer, by wire transfer or electronic funds transfer in immediately available funds, an amount in Canadian dollars equal to the Monthly Carrying Costs certified by the Issuer in the applicable Monthly Carrying Costs Statement.

If required by the Issuer, the IESO shall provide to the Issuer, on or prior to the first day of the first Billing Period when amounts are invoiced to Specified Consumers in respect of Clean Energy Adjustments, a letter of credit in an amount equal to $■, or such other form of security as may be acceptable to the Issuer, as security for any failure of Electricity Vendors

which are either not rated or are rated less than investment grade to remit their Electricity Vendor CEA Collections.

ARTICLE 4
REPRESENTATIONS AND WARRANTIES OF THE IESO

4.1 Representations and Warranties

Subject to Section 3.6, the IESO makes the following representations and warranties as of the date hereof and as of each applicable Closing Date, and the IESO acknowledges that the Issuer will rely thereon in paying the Purchase Price related to Transfers of Specified Portions of the Regulatory Asset, and the Issuer has relied thereon in entering into this Agreement relating to the servicing of the corresponding Investment Interests.

(a) Organization and Good Standing. The IESO is a statutory corporation amalgamated under the laws of the Province of Ontario, with requisite corporate power and authority to own its properties, to conduct its business as such properties are currently owned and such business is presently conducted by it.

(b) Due Qualification. The IESO has obtained all necessary licences and approvals, in all jurisdictions in which the ownership or lease of property or the conduct of its business (including acting as Servicer under this Agreement) shall require such licences or approvals, except where the failure to so qualify or obtain such licences and approvals would not be reasonably likely to have a material adverse effect on the IESO's business, operations, assets, revenues or properties, the Regulatory Asset or the servicing of related Investment Interests.

(c) Power and Authority. The IESO has the requisite corporate power and authority to execute and deliver this Agreement and to carry out its terms. The IESO has full corporate power and authority to hold the Regulatory Asset and to Transfer Specified Portions of the Regulatory Asset to the Issuer and the IESO has duly authorized such Transfer to the Issuer by all necessary corporate action. The execution, delivery and performance of all obligations under this Agreement have been duly authorized by all necessary corporate action on the part of the IESO under all applicable laws.

(d) Binding Obligation. This Agreement constitutes a legal, valid and binding obligation of the IESO, enforceable against the IESO in accordance with its terms, subject to bankruptcy, receivership, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally from time to time in effect and to general principles of equity (including concepts of materiality, reasonableness, good faith and fair dealing).

(e) No Violation. The consummation of the transactions contemplated by this Agreement and the fulfillment of the terms hereof by the IESO do not conflict with, result in any breach of any of the terms and provisions of, or constitute (with or without notice or lapse of time, or both) a default under, the IESO's by-laws, or

any indenture, or other material agreement or instrument to which the IESO is a party or by which it is bound, result in the creation or imposition of any Lien upon any of the IESO's properties pursuant to the terms of any such indenture, agreement or other instrument or violate any existing law or any order, rule or regulation applicable to the IESO issued by any Governmental Authority having jurisdiction over the IESO or its properties, except, in each case, where such breach would not reasonably be expected to materially and adversely affect the performance by the IESO of its obligations under this Agreement or the Act or the validity or enforceability of this Agreement.

(f) No Proceedings. To the IESO's knowledge, except as disclosed in writing to the Issuer, there are no Proceedings pending or threatened against the IESO or its properties: (a) asserting the invalidity of this Agreement or the Act, (b) seeking to prevent the consummation of any of the transactions contemplated by this Agreement or the Act, or (c) seeking a determination or ruling that could reasonably be expected to materially and adversely affect the performance by the IESO of its obligations under this Agreement or the Act or the validity or enforceability of this Agreement.

(g) Approvals. No approvals, authorizations, consents, orders or other actions or filings with any Governmental Authority are required for the IESO to execute, deliver and perform its obligations under this Agreement except those which have previously been obtained or made.

(h) Information. Except in respect of information provided by a third party, all written information, as amended or supplemented from time to time, provided by the Transferor to the Issuer with respect to the Issuer in a Transfer Notice and a Monthly Report is true and correct in all material respects and does not omit any material fact.

(i) The Transfer. After the completion of the Transfer on the applicable Closing Date, the IESO will have no right, title or interest in the Investment Interest related to the Specified Portion of the Regulatory Asset as set forth in the applicable Transfer Notice, and the related Investment Interest shall not form part of the estate of the IESO in the event of an Insolvency Event in respect of the IESO.

(j) No Transfer. Except for Permitted Transfers, the IESO has not sold, transferred, assigned or otherwise conveyed any interest in the Regulatory Asset to any Person.

(k) Liens. IESO has not pledged or otherwise granted a Lien to any Person in the Regulatory Asset and to the IESO's knowledge (after due inquiry), there is no registered financing statement listing the IESO as debtor covering or extending to the Regulatory Asset.

(l) Tax Liens. The IESO (i) is not aware, after due inquiry, of any judgment or tax lien filing against the IESO, and (ii) is not a non-resident of Canada for purposes of the *Income Tax Act* (Canada).

(m) Solvency. On the date hereof and after giving effect to each Transfer, the IESO:

(i) reasonably believes that it will be able to pay its debts as they come due; and

(ii) is able to pay its debts as they mature and does not intend to incur, or believes that it will not incur, indebtedness that it will not be able to repay at its maturity.

(n) No Court Order. There is no order by any court that seeks to enjoin the performance of any obligations of the IESO under the Act or this Agreement.

4.2 Survival

The representations and warranties set forth in Section 4.1 shall survive the execution and delivery of this Agreement, each Transfer of a Specified Portion of a Regulatory Asset to the Issuer and the pledge of the corresponding Investment Asset to the Indenture Trustee pursuant to the Indenture and may not be waived by any party hereto except pursuant to a written agreement executed in accordance with Section 8.1 and as to which the Rating Agency Condition has been satisfied.

ARTICLE 5
COVENANTS OF THE IESO

5.1 Existence

So long as any Issuer Funding Obligations are outstanding, the IESO (a) shall not take any action to impair its corporate existence, and (b) will obtain and preserve its qualification to do business in the Province of Ontario.

5.2 No Transfer or Liens

Except for Transfers under this Agreement to the Issuer or Permitted Transfers, the IESO will not Transfer the Regulatory Asset or any portion thereof to any person. The IESO will not grant, create, incur, assume or suffer to exist any Lien on the Regulatory Asset or any portion thereof. The IESO will not at any time assert any Lien against or with respect to the Issuer Investment Interest, except for any Lien granted by the Issuer to the IESO.

5.3 Notice of Liens

The IESO shall notify the Issuer promptly after becoming aware of any Lien on any portion of the Regulatory Asset.

5.4 Compliance with Law

The IESO will comply with all Requirements of Law applicable to, and binding upon, the IESO or relating to the Regulatory Asset, except to the extent that failure to so comply would not materially adversely affect the Transfer of Specified Portions of the Regulatory Asset or the IESO's performance of its obligations under this Agreement; provided, however, that the foregoing is not intended to, and shall not, impose any liability on the IESO for non-compliance with any Requirement of Law that the IESO is contesting in good faith in accordance with its customary standards and procedures.

5.5 Covenants Related to the Investment Interest

(a) So long as any Issuer Funding Obligations are outstanding, the IESO shall treat the Issuer Investment Interest as the Issuer's property for all purposes.

(b) Except for investments held for employee benefit purposes, the IESO shall not at any time become a holder of Issuer Funding Obligations.

(c) The IESO shall disclose the effects of all transactions between the IESO and the Issuer in accordance with generally accepted accounting principles (for government entities).

(d) (i) In all Proceedings relating directly or indirectly to the Issuer Investment Interest, the IESO shall affirmatively certify and confirm that it has Transferred all of its rights and interests in and to the Specified Portions of the Regulatory Asset giving rise to the Issuer Investment Interest, (ii) the IESO shall not make any statement or reference in respect of the Issuer Investment Interest that is inconsistent with the ownership interest of the Issuer, and (iii) the IESO shall not take any action in respect of the Issuer Investment Interest except solely in its capacity as the Servicer thereof pursuant to this Agreement.

5.6 Non-petition Covenants

Notwithstanding any prior termination of this Agreement or the Indenture, the IESO shall not, prior to the date that is one year plus one day after termination of the Indenture and the payment in full of all Issuer Funding Obligations and any other amounts owed under the Indenture, petition or otherwise invoke the process of any Governmental Authority for the purpose of commencing or sustaining a Proceeding against the Issuer under any Canadian bankruptcy, insolvency or similar law, appointing a receiver, liquidator, assignee, trustee, custodian, sequestrator or other similar official or any substantial part of the property of the Issuer.

5.7 Disclosure

The IESO shall provide such non-confidential information regarding IESO, the Regulatory Asset and the services provided by the Servicer hereunder (collectively, the "**IESO Disclosure**") as may be reasonably requested by the Issuer for inclusion in any offering document of the Issuer from time to time, including but not limited to offering memoranda,

prospectuses, registration statements and continuous disclosure documents (the "**Offering Documents**"), provided that the IESO has been given a reasonable opportunity by the Issuer to review any such Offering Documents. The IESO represents that, except in respect information provided by a third party, all IESO Disclosure, as at the respective dates of delivery to the Issuer, is true and correct in all material respects and contains no misrepresentation.

5.8 Further Assurances

Upon the request of the Issuer, the IESO shall execute and deliver such further instruments and do such further acts as may reasonably be necessary to carry out the provisions and purposes of this Agreement.

5.9 Access to Certain Records and Information

The IESO shall provide to the Issuer access to all records relating to the IESO Deferral, the Fair Hydro Variance Account, the IESO Segregated Account and Servicer CEA Receipts, as is reasonably required for the Issuer to confirm compliance by the IESO with its obligations under this Agreement. Access shall be afforded without charge, but only upon reasonable request and during normal business hours at the offices of the IESO. Nothing in this Section 5.9 shall affect the obligation of the IESO to comply with any Requirement of Law prohibiting disclosure of information, and the failure of the IESO to provide access to such information as a result of such obligation shall not constitute a breach of this Section 5.9.

5.10 Maintenance of Operations

Subject to Section 3.11, the IESO agrees to continue, unless prevented by circumstances beyond its control, to operate as the electricity system operator in the Province of Ontario so long as it is acting as the Servicer under this Agreement.

ARTICLE 6
IESO INDEMNITIES

6.1 Liability of the IESO; Indemnities

(a) The IESO shall indemnify the Issuer and each of its trustees, officers, directors and employees (each, an "**Indemnified Party**"), for, and defend and hold harmless each such Person from and against, any and all liabilities, obligations, losses, damages, payments and claims, and reasonable costs or expenses, of any kind whatsoever (collectively, "**Indemnified Losses**") imposed on, incurred by or asserted against such Person, as a result of (i) the failure of the IESO to perform its covenants and other obligations under this Agreement or any other Program Agreement to which the IESO is a party; or (ii) the breach by the IESO of any of its representations or warranties under this Agreement or any other Program Agreement to which the IESO is a party and, except to the extent of Indemnified Losses resulting from the willful misconduct, bad faith or gross negligence of such Person seeking indemnification hereunder; provided that, in each case, the IESO shall not be required to indemnify an Indemnified Party for any amount

paid or payable by such Indemnified Party in the settlement of any Proceeding or investigation without the written consent of the IESO, which consent shall not be unreasonably withheld. Promptly after receipt by an Indemnified Party of notice of the commencement of any Proceeding or investigation, such Indemnified Party shall, if a claim in respect thereof is to be made against the IESO under this Section 6.1(a), notify the IESO in writing of the commencement thereof. Failure by an Indemnified Party to so notify the IESO shall relieve the IESO from the obligation to indemnify and hold harmless such Indemnified Party under this Section 6.1(a) only to the extent that the IESO suffers actual prejudice as a result of such failure. With respect to any Proceeding or investigation brought by a third party for which indemnification may be sought under this Section 6.1(a), the IESO shall be entitled to conduct and control, at its expense and with counsel of its choosing that is reasonably satisfactory to such Indemnified Party, the defence of any such Proceeding or investigation (in which case the IESO shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the Indemnified Party except as set forth below); provided, that the Indemnified Party shall have the right to participate in such Proceeding or investigation through counsel chosen by it and at its own expense. Notwithstanding the IESO's election to assume the defence of any Proceeding or investigation, the Indemnified Party shall have the right to employ separate counsel, and the IESO shall bear the reasonable fees, costs and expenses of such separate counsel, if (i) the defendants in any such action include both the Indemnified Party and the IESO and the Indemnified Party shall have reasonably concluded that there may be legal defences available to it that are different from or additional to those available to the IESO, (ii) the IESO shall not have employed counsel reasonably satisfactory to the Indemnified Party to represent the Indemnified Party within a reasonable time after notice of the institution of such action, or (iii) the IESO authorizes the Indemnified Party to employ separate counsel at the expense of the IESO. Notwithstanding the foregoing, the IESO shall not be obligated to pay for the fees, costs and expenses of more than one separate counsel for the Indemnified Parties other than one local counsel, if appropriate. The IESO will not, without the prior written consent of the Indemnified Party, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim or Proceeding in respect of which indemnification may be sought under this Section 6.1(a) (whether or not the Indemnified Party is an actual or potential party to such claim or action) unless such settlement, compromise or consent includes an unconditional release of the Indemnified Party from all liability arising out of such claim or Proceeding.

(b) For purposes of Section 6.1(a), in the event of the termination of the rights and obligations of the IESO (or any successor thereto pursuant to Section 3.11) as Servicer pursuant to Section 7.1, or a resignation by such Servicer pursuant to Section 3.10 of this Agreement, the IESO shall be deemed to be the Servicer pending appointment of a Successor Servicer pursuant to Section 7.2.

(c) Indemnification under Section 6.1(a) shall include reasonable out-of-pocket fees and expenses of investigation and litigation (including reasonable legal fees and expenses), except as otherwise expressly provided in this Agreement.

(d) Indemnification under this Section 6.1 shall survive any repeal of, modification of, or supplement to, or judicial invalidation of, the Act and shall survive the termination of this Agreement and will rank *pari passu* with other general, unsecured obligations of the IESO.

(e) The IESO shall not be required to indemnify any party under this Section 6.1 for any losses resulting from changes in law after the date hereof, whether such changes in law are effected by means of any legislative enactment or any final and non-appealable judicial decision.

ARTICLE 7
SERVICER DEFAULT

7.1 Servicer Default

If any one or more of the following events (each, a "**Servicer Default**") shall occur and be continuing:

(a) any failure by the Servicer to remit to the Collection Account any required remittance that shall continue unremedied for a period of **[two/three]** Business Days after written notice of such failure is received by the Servicer from the Issuer or after discovery of such failure by a Responsible Officer of the Servicer;

(b) any failure on the part of the Servicer or, so long as the Servicer is the IESO, any failure on the part of the IESO, as the case may be, duly to observe or to perform in any respect any covenants or agreements of the Servicer or the IESO, as the case may be, set forth in this Agreement or in any other Program Agreement to which it is a party (other than as provided in Section 7.1(a)), which failure shall (i) materially and adversely affect the rights of the Specified Creditors and (ii) continue unremedied for a period of 30 days after the date on which (A) written notice of such failure, requiring the same to be remedied, shall have been given to the Servicer or the IESO, as the case may be, by the Issuer or (B) such failure is discovered by a Responsible Officer of the Servicer;

(c) any representation or warranty made by the Servicer in this Agreement, any other Program Agreement to which it is a party, any Transfer Notice or any Monthly Report shall prove to have been incorrect when made, which has a material adverse effect on the Issuer and which remains unremedied for a period of 30 days after the date on which (i) written notice thereof, requiring the same to be remedied, shall have been delivered to the Servicer by the Issuer or (ii) such failure is discovered by a Responsible Officer of the Servicer;

(d) an Insolvency Event occurs with respect to the Servicer or the IESO; or

(e) any additional "Servicer Default" as specified in any Co-Owner Agreement occurs;

then, and in each and every case, the Issuer may, subject to the terms of any Co-Owner Agreement, by notice then given in writing to the Servicer (a "**Termination Notice**"), terminate all the rights and obligations (other than the obligations set forth in Section 6.1 and the obligation under Section 7.2 to continue performing its functions as Servicer until a Successor Servicer is appointed) of the Servicer under this Agreement and under the Co-Owner Agreement. In addition, upon a Servicer Default described in Section 7.1(a), Issuer shall be entitled to apply to a court of appropriate jurisdiction for an order for sequestration and payment of revenues arising with respect to the Issuer. On or after the receipt by the Servicer of a Termination Notice, all authority and power of the Servicer under this Agreement, whether with respect to the Investment Interest, the Clean Energy Adjustments or otherwise, shall, without further action, pass to and be vested in such Successor Servicer as may be appointed under Section 7.2; and, without limitation, the Issuer is hereby authorized and empowered to execute and deliver, on behalf of the predecessor Servicer, as attorney-in-fact or otherwise, any and all documents and other instruments, and to do or accomplish all other acts or things necessary or appropriate to effect the purposes of such Termination Notice, whether to complete the transfer of all documents and records related to the Regulatory Asset, the Fair Hydro Variance Account and related documents or records, or otherwise (the "**Records**"). The predecessor Servicer shall cooperate with the Successor Servicer and the Issuer in effecting the termination of the responsibilities and rights of the predecessor Servicer under this Agreement, including the transfer to the Successor Servicer for administration by it of all Records and all cash amounts that shall at the time be held by the predecessor Servicer for remittance, or shall thereafter be received by it with respect to the Investment Interest or the Clean Energy Adjustment. As soon as practicable after receipt by the Servicer of such Termination Notice, the Servicer shall deliver the Records to the Successor Servicer. If a Successor Servicer has been appointed as a result of a Servicer Default, all reasonable costs and expenses (including reasonable legal fees and expenses) incurred in connection with transferring the Records to the Successor Servicer and amending this Agreement and any Co-Owner Agreement to reflect such succession as Servicer pursuant to this Section 7.1 shall be paid by the predecessor Servicer upon presentation of reasonable documentation of such costs and expenses. Termination of the IESO as Servicer shall not terminate the IESO's rights or obligations under this Agreement (except rights thereunder deriving from its rights as the Servicer hereunder).

7.2 Appointment of Successor Servicer

(a) Upon the Servicer's receipt of a Termination Notice pursuant to Section 7.1 or the Servicer's resignation or removal in accordance with the terms of this Agreement, the predecessor Servicer shall continue to perform its functions as Servicer under this Agreement, until a Successor Servicer shall have assumed in writing the obligations of the Servicer hereunder as described below. In the event of the Servicer's removal or resignation hereunder, the Issuer may, but subject to the provisions of the applicable Co-Owner Agreement, appoint a Successor Servicer and the Successor Servicer shall accept its appointment by a written assumption in form reasonably acceptable to the Issuer. If, within 30 days after the delivery of the Termination Notice, a Successor Servicer shall not have been appointed, the

Issuer may petition a court of competent jurisdiction to appoint a Successor Servicer under this Agreement. A Person shall qualify as a Successor Servicer only if (i) such Person is permitted under the Act to perform the duties of the Servicer, (ii) the Rating Agency Condition shall have been satisfied with respect to such appointment, (iii) such Person enters into a master transfer and servicing agreement with the Issuer having substantially the same provisions as this Agreement and (iv) such Person agrees to perform the obligations of the Servicer under any Co-Owner Agreement. In no event shall the Issuer be liable for its appointment of a Successor Servicer..

(b) Upon appointment, the Successor Servicer shall be the successor in all respects to the predecessor Servicer and shall be subject to all the responsibilities, duties and liabilities arising thereafter placed on the predecessor Servicer and shall be entitled to all the rights granted to the predecessor Servicer by the terms and provisions of this Agreement.

7.3 Waiver of Past Defaults

The Issuer may waive in writing any default by the Servicer in the performance of its obligations hereunder and its consequences. Upon any such waiver of a past default, such default shall cease to exist, and any Servicer Default arising therefrom shall be deemed to have been remedied for every purpose of this Agreement. No such waiver shall extend to any subsequent or other default or impair any right consequent thereto.

7.4 Notice of Servicer Default

The Servicer shall deliver to the Issuer, promptly after having obtained knowledge thereof, but in no event later than five Business Days thereafter, written notice of any event that, with the giving of notice or lapse of time, or both, would become a Servicer Default under Section 7.1.

7.5 Cooperation with Successor Servicer

The Servicer covenants and agrees with the Issuer that it will, on an ongoing basis, cooperate with the Successor Servicer and provide whatever information is, and take whatever actions are, reasonably necessary to assist the Successor Servicer in performing its obligations hereunder.

ARTICLE 8
MISCELLANEOUS

8.1 Amendment

This Agreement may be amended in writing by the IESO and the Issuer, and with satisfaction of the Rating Agency Condition, such satisfaction to be confirmed by the Issuer at the time of such amendment. Promptly after the execution of any such amendment, the Issuer shall furnish copies of such amendment to each of the Rating Agencies.

8.2 Withholding Rights

The parties shall be entitled to deduct and withhold from amounts payable under this Agreement such amounts as each is required to deduct and withhold with respect to such payment under the *Income Tax Act* (Canada) or any provision of any applicable federal, provincial, territorial, state, local or foreign tax law. To the extent that amounts are so withheld, such withheld amounts shall be treated for all purposes as having been paid to the recipient of the payment in respect of which such deduction and withholding was made, provided that such withheld amounts are actually remitted in accordance with applicable law to the appropriate taxing authority.

8.3 No Partnership

Each party expressly disclaims any intention to create a partnership, and none of the Issuer or the IESO will be deemed to be carrying on business in partnership by reason of its execution and delivery of this Agreement or the exercise or performance by it of its respective rights and obligations hereunder.

8.5 Assignment

Notwithstanding anything to the contrary contained herein, except as provided in the provisions of this Agreement concerning the resignation of the Servicer, this Agreement may not be assigned by the IESO.

8.6 Limitations on Rights of Third Parties

The provisions of this Agreement are solely for the benefit of the IESO and the Issuer, and such Persons shall have the right to enforce the relevant provisions of this Agreement. Nothing in this Agreement, whether express or implied, shall be construed to give to any other Person any legal or equitable right, remedy or claim in the Issuer Investment Interest or under or in respect of this Agreement or any covenants, conditions or provisions contained herein.

8.7 Severability

Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remainder of such provision (if any) or the remaining provisions hereof (unless such construction shall be unreasonable), and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

8.8 Separate Counterparts; Electronic Delivery

This Agreement may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute but one and the same instrument. Delivery of an executed signature page to this Agreement by a party by electronic transmission will be as effective as delivery of a manually executed copy of this Agreement by such party.

8.9 Governing Law

This Agreement shall be construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein, and each party to this Agreement attorns to the non-exclusive jurisdiction of the courts of the Province of Ontario.

8.10 Grant of Security Interest to Indenture Trustee

The IESO hereby acknowledges and consents to the grant of a Lien by the Issuer to the Indenture Trustee pursuant to the Indenture for the benefit of the Specified Creditors

against all right, title and interest of the Issuer in, to and under this Agreement, the Investment Interest and the proceeds thereof and the assignment of any or all of the Issuer's rights hereunder to the Indenture Trustee for the benefit of the Specified Creditors.

8.11 Limitation of Liability of the Issuer Trustee

(a) It is expressly understood and agreed by the parties hereto that the Issuer Trustee is acting solely in its capacity as trustee of the Issuer, and not in any other capacity. The Issuer solely shall be responsible for the performance of the Issuer's obligations hereunder and the assets of the Issuer solely shall be subject to levy or execution in satisfaction of such obligations.

(b) The Issuer Trustee will not be subject to any liability whatsoever, in tort, in contract or otherwise, in connection with the Issuer's property or the Issuer's activities, to the Issuer's beneficiaries or to any other Person, for any action taken or permitted by the Issuer Trustee to be taken, or the Issuer Trustee's failure to compel in any way any former or acting Issuer Trustee to redress any breach of trust with respect to the execution of the duties of its office or in respect of the Issuer's property or the Issuer's activities, provided that the foregoing limitation will not apply in respect of action or failure to act arising from or in connection with dishonesty, bad faith, willful misconduct, gross negligence or reckless disregard of a duty by the Issuer Trustee. The Issuer Trustee, in doing anything or permitting anything to be done in respect of the execution of the duties of its office or in respect of the Issuer's property or the Issuer's activities, is, and will be conclusively deemed to be, acting as trustee of the Issuer and not in any other capacity. Except as to the extent provided in this Section 8.11, the Issuer Trustee will not be subject to any liability for any debts, liabilities, obligations, claims, demands, judgments, costs, charges or expenses against or with respect to the Issuer, arising out of anything done or permitted by it to be done or its failure to take any action in respect of the execution of the duties of its office or for or in respect of the Issuer's property or the Issuer's activities and resort will be had solely to the Issuer's property for the payment or performance thereof. No property or assets of the Issuer Trustee owned in its personal capacity will be subject to levy, execution or other enforcement procedure with regard to any obligation under this Agreement.

Nothing in this Section 5.9 shall affect the obligation of the IESO to comply with any Requirement of Law prohibiting disclosure of information, and the failure of the IESO to provide access to such information as a result of such obligation shall not constitute a breach of this Section 5.9.

ARTICLE 6
IESO INDEMNITIES

6.1 Liability of the IESO; Indemnities

(a) The IESO shall indemnify the Issuer~~, the Manager~~ and each of ~~their respective~~its trustees, officers, directors and employees (each, an "**Indemnified Party**"), for, and defend and hold harmless each such Person from and against, any and all liabilities, obligations, losses, damages, payments and claims, and reasonable costs or expenses, of any kind whatsoever (collectively, "**Indemnified Losses**") imposed on, incurred by or asserted against such Person, as a result of (i) the failure of the IESO to perform its covenants and other obligations under this Agreement or any other Program Agreement to which the IESO is a party; or (ii) the breach by the IESO of any of its representations or warranties under this Agreement or any other Program Agreement to which the IESO is a party and, except to the extent of Indemnified Losses resulting from the willful misconduct, bad faith or gross negligence of such Person seeking indemnification hereunder; provided that, in each case, the IESO shall not be required to indemnify an Indemnified Party for any amount paid or payable by such Indemnified Party in the settlement of any Proceeding or investigation without the written consent of the IESO, which consent shall not be unreasonably withheld. Promptly after receipt by an Indemnified Party of notice of the commencement of any Proceeding or investigation, such Indemnified Party shall, if a claim in respect thereof is to be made against the IESO under this Section 6.1(a), notify the IESO in writing of the commencement thereof. Failure by an Indemnified Party to so notify the IESO shall relieve the IESO from the obligation to indemnify and hold harmless such Indemnified Party under this Section 6.1(a) only to the extent that the IESO suffers actual prejudice as a result of such failure. With respect to any Proceeding or investigation brought by a third party for which indemnification may be sought under this Section 6.1(a), the IESO shall be entitled to conduct and control, at its expense and with counsel of its choosing that is reasonably satisfactory to such Indemnified Party, the defence of any such Proceeding or investigation (in which case the IESO shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the Indemnified Party except as set forth below); provided, that the Indemnified Party shall have the right to participate in such Proceeding or investigation through counsel chosen by it and at its own expense. Notwithstanding the IESO's election to assume the defence of any Proceeding or investigation, the Indemnified Party shall have the right to employ separate counsel, and the IESO shall bear the reasonable fees, costs and expenses of such separate counsel, if (i) the defendants in any such action include both the Indemnified Party and the IESO and the Indemnified Party shall have reasonably concluded that there may be legal defences available to it that are different from or additional to those available to the IESO, (ii) the IESO shall not have employed

counsel reasonably satisfactory to the Indemnified Party to represent the Indemnified Party within a reasonable time after notice of the institution of such action, or (iii) the IESO authorizes the Indemnified Party to employ separate counsel at the expense of the IESO. Notwithstanding the foregoing, the IESO shall not be obligated to pay for the fees, costs and expenses of more than one separate counsel for the Indemnified Parties other than one local counsel, if appropriate. The IESO will not, without the prior written consent of the Indemnified Party, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim or Proceeding in respect of which indemnification may be sought under this Section 6.1(a) (whether or not the Indemnified Party is an actual or potential party to such claim or action) unless such settlement, compromise or consent includes an unconditional release of the Indemnified Party from all liability arising out of such claim or Proceeding.

(b) For purposes of Section 6.1(a), in the event of the termination of the rights and obligations of the IESO (or any successor thereto pursuant to Section 3.11) as Servicer pursuant to Section 7.1, or a resignation by such Servicer pursuant to Section 3.10 of this Agreement, the IESO shall be deemed to be the Servicer pending appointment of a Successor Servicer pursuant to Section 7.2.

(c) Indemnification under Section 6.1(a) shall include reasonable out-of-pocket fees and expenses of investigation and litigation (including reasonable legal fees and expenses), except as otherwise expressly provided in this Agreement.

ARTICLE 7
SERVICER DEFAULT

7.1 Servicer Default

If any one or more of the following events (each, a "**Servicer Default**") shall occur and be continuing:

(a) any failure by the Servicer to remit to the Collection Account any required remittance that shall continue unremedied for a period of **[two/three~~] [NTD: Rating Agencies will expect 2-3 days~~]** Business Days after written notice of such failure is received by the Servicer from the Issuer or after discovery of such failure by a Responsible Officer of the Servicer;

(b) any failure on the part of the Servicer or, so long as the Servicer is the IESO, any failure on the part of the IESO, as the case may be, duly to observe or to perform in any respect any covenants or agreements of the Servicer or the IESO, as the case may be, set forth in this Agreement or in any other Program Agreement to which it is a party (other than as provided in Section 7.1(a)), which failure shall (i) materially and adversely affect the rights of the Specified Creditors and (ii) continue unremedied for a period of 30 days after the date on which (A) written notice of such failure, requiring the same to be remedied, shall have been given to the Servicer or the IESO, as the case may be, by the Issuer or (B) such failure is discovered by a Responsible Officer of the Servicer;

(c) any representation or warranty made by the Servicer in this Agreement, any other Program Agreement to which it is a party, any Transfer Notice or any Monthly Report shall prove to have been incorrect when made, which has a material adverse effect on the Issuer and which remains unremedied for a period of 30 days after the date on which (i) written notice thereof, requiring the same to be remedied, shall have been delivered to the Servicer by the Issuer or (ii) such failure is discovered by a Responsible Officer of the Servicer;

(d) an Insolvency Event occurs with respect to the Servicer or the IESO; or

(e) any additional "Servicer Default" as specified in any Co-Owner Agreement occurs;

then, and in each and every case, the Issuer may, subject to the terms of any Co-Owner Agreement, by notice then given in writing to the Servicer (a "**Termination Notice**"), terminate all the rights and obligations (other than the obligations set forth in Section 6.1 and the obligation under Section 7.2 to continue performing its functions as Servicer until a Successor Servicer is appointed) of the Servicer under this Agreement and under the Co-Owner Agreement. In addition, upon a Servicer Default described in Section 7.1(a), Issuer shall be entitled to apply to a court of appropriate jurisdiction for an order for sequestration and payment of revenues arising with respect to the Issuer. On or after the receipt by the Servicer of a Termination Notice, all authority and power of the Servicer under this Agreement, whether with respect to the Investment

Interest, the Clean Energy Adjustments or otherwise, shall, without further action, pass to and be vested in such Successor Servicer as may be appointed under Section 7.2; and, without limitation, the Issuer is hereby authorized and empowered to execute and deliver, on behalf of the predecessor Servicer, as attorney-in-fact or otherwise, any and all documents and other instruments, and to do or accomplish all other acts or things necessary or appropriate to effect the purposes of such Termination Notice, whether to complete the transfer of all documents and records related to the Regulatory Asset, the Fair Hydro Variance Account and related documents or records, or otherwise (the "**Records**"). The predecessor Servicer shall cooperate with the Successor Servicer and the Issuer in effecting the termination of the responsibilities and rights of the predecessor Servicer under this Agreement, including the transfer to the Successor Servicer for administration by it of all Records and all cash amounts that shall at the time be held by the predecessor Servicer for remittance, or shall thereafter be received by it with respect to the Investment Interest or the Clean Energy Adjustment. As soon as practicable after receipt by the Servicer of such Termination Notice, the Servicer shall deliver the Records to the Successor Servicer. If a Successor Servicer has been appointed as a result of a Servicer Default, all reasonable costs and expenses (including reasonable legal fees and expenses) incurred in connection with transferring the Records to the Successor Servicer and amending this Agreement and any Co-Owner Agreement to reflect such succession as Servicer pursuant to this Section 7.1 shall be paid by the predecessor Servicer upon presentation of reasonable documentation of such costs and expenses. Termination of the IESO as Servicer shall not terminate the IESO's rights or obligations under this Agreement (except rights thereunder deriving from its rights as the Servicer hereunder).

7.2 Appointment of Successor Servicer

(a) Upon the Servicer's receipt of a Termination Notice pursuant to Section 7.1 or the Servicer's resignation or removal in accordance with the terms of this Agreement, the predecessor Servicer shall continue to perform its functions as Servicer under this Agreement, until a Successor Servicer shall have assumed in writing the obligations of the Servicer hereunder as described below. In the event of the Servicer's removal or resignation hereunder, the Issuer may, but subject to the provisions of the applicable Co-Owner Agreement, appoint a Successor Servicer and the Successor Servicer shall accept its appointment by a written assumption in form reasonably acceptable to the Issuer. If, within 30 days after the delivery of the Termination Notice, a Successor Servicer shall not have been appointed, the Issuer may petition a court of competent jurisdiction to appoint a Successor Servicer under this Agreement. A Person shall qualify as a Successor Servicer only if (i) such Person is permitted under the Act to perform the duties of the Servicer, (ii) the Rating Agency Condition shall have been satisfied with respect to such appointment, (iii) such Person enters into a master transfer and servicing agreement with the Issuer having substantially the same provisions as this Agreement and (iv) such Person agrees to perform the obligations of the Servicer under any Co-Owner Agreement. In no event shall the Issuer be liable for its appointment of a Successor Servicer..

(b) Upon appointment, the Successor Servicer shall be the successor in all respects to the predecessor Servicer and shall be subject to all the responsibilities, duties and

liabilities arising thereafter placed on the predecessor Servicer and shall be entitled to all the rights granted to the predecessor Servicer by the terms and provisions of this Agreement.

7.3 Waiver of Past Defaults

The Issuer may waive in writing any default by the Servicer in the performance of its obligations hereunder and its consequences. Upon any such waiver of a past default, such default shall cease to exist, and any Servicer Default arising therefrom shall be deemed to have been remedied for every purpose of this Agreement. No such waiver shall extend to any subsequent or other default or impair any right consequent thereto.

7.4 Notice of Servicer Default

The Servicer shall deliver to the Issuer, promptly after having obtained knowledge thereof, but in no event later than five Business Days thereafter, written notice of any event that, with the giving of notice or lapse of time, or both, would become a Servicer Default under Section 7.1.

7.5 Cooperation with Successor Servicer

The Servicer covenants and agrees with the Issuer that it will, on an ongoing basis, cooperate with the Successor Servicer and provide whatever information is, and take whatever actions are, reasonably necessary to assist the Successor Servicer in performing its obligations hereunder.

ARTICLE 8
MISCELLANEOUS

8.1 Amendment

This Agreement may be amended in writing by the IESO and the Issuer, and with satisfaction of the Rating Agency Condition**, such satisfaction to be confirmed by the Issuer at the time of such amendment**. Promptly after the execution of any such amendment, the Issuer shall furnish copies of such amendment to each of the Rating Agencies.

8.2 Withholding Rights

The parties shall be entitled to deduct and withhold from amounts payable under this Agreement such amounts as each is required to deduct and withhold with respect to such payment under the *Income Tax Act* (Canada) or any provision of any applicable federal, provincial, territorial, state, local or foreign tax law. To the extent that amounts are so withheld, such withheld amounts shall be treated for all purposes as having been paid to the recipient of the payment in respect of which such deduction and withholding was made, provided that such withheld amounts are actually remitted in accordance with applicable law to the appropriate taxing authority.

8.3 No Partnership

Each party expressly disclaims any intention to create a partnership, and none of the Issuer or the IESO will be deemed to be carrying on business in partnership by reason of its execution and delivery of this Agreement or the exercise or performance by it of its respective rights and obligations hereunder.

8.5 Assignment

Notwithstanding anything to the contrary contained herein, except as provided in the provisions of this Agreement concerning the resignation of the Servicer, this Agreement may not be assigned by the IESO.

8.6 Limitations on Rights of Third Parties

The provisions of this Agreement are solely for the benefit of the IESO and the Issuer, and such Persons shall have the right to enforce the relevant provisions of this Agreement. Nothing in this Agreement, whether express or implied, shall be construed to give to any other Person any legal or equitable right, remedy or claim in the Issuer Investment Interest or under or in respect of this Agreement or any covenants, conditions or provisions contained herein.

8.7 Severability

Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remainder of such provision (if any) or the remaining provisions hereof (unless such construction shall be unreasonable), and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

8.8 Separate Counterparts; Electronic Delivery

This Agreement may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute but one and the same instrument. Delivery of an executed signature page to this Agreement by a party by electronic transmission will be as effective as delivery of a manually executed copy of this Agreement by such party.

8.9 Governing Law

This Agreement shall be construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein, and each party to this Agreement attorns to the non-exclusive jurisdiction of the courts of the Province of Ontario.

8.10 Grant of Security Interest to Indenture Trustee

The IESO hereby acknowledges and consents to the grant of a Lien by the Issuer to the Indenture Trustee pursuant to the Indenture for the benefit of the Specified Creditors against all right, title and interest of the Issuer in, to and under this Agreement, the Investment Interest and the proceeds thereof and the assignment of any or all of the Issuer's rights hereunder to the Indenture Trustee for the benefit of the Specified Creditors.

8.11 Limitation of Liability of the Issuer Trustee

(a) It is expressly understood and agreed by the parties hereto that the Issuer Trustee is acting solely in its capacity as trustee of the Issuer, and not in any other capacity. The Issuer solely shall be responsible for the performance of the Issuer's obligations hereunder and the assets of the Issuer solely shall be subject to levy or execution in satisfaction of such obligations.

(b) The Issuer Trustee will not be subject to any liability whatsoever, in tort, in contract or otherwise, in connection with the Issuer's property or the Issuer's activities, to the Issuer's beneficiaries or to any other Person, for any action taken or permitted by the Issuer Trustee to be taken, or the Issuer Trustee's failure to compel in any way any former or acting Issuer Trustee to redress any breach of trust with respect to the execution of the duties of its office or in respect of the Issuer's property or the Issuer's activities, provided that the foregoing limitation will not apply in respect of action or failure to act arising from or in connection with dishonesty, bad faith, willful misconduct, gross negligence or reckless disregard of a duty by the Issuer Trustee. The Issuer Trustee, in doing anything or permitting anything to be done in respect of the execution of the duties of its office or in respect of the Issuer's property or the Issuer's activities, is, and will be conclusively deemed to be, acting as trustee of the Issuer and not in any other capacity. Except as to the extent provided in this Section 8.11, the Issuer Trustee will not be subject to any liability for any debts, liabilities, obligations, claims, demands, judgments, costs, charges or expenses against or with respect to the Issuer, arising out of anything done or permitted by it to be done or its failure to take any action in respect of the execution of the duties of its office or for or in respect of the Issuer's property or the Issuer's activities and resort will be had solely to the Issuer's property for the payment or performance thereof. No property or assets of the Issuer Trustee owned in its personal capacity will be subject to levy, execution or other enforcement procedure with regard to any obligation under this Agreement.

(c) The holders of the units of the Issuer will not be subject to any liability whatsoever, in tort, in contract or otherwise, in connection with the Issuer's property or the Issuer's activities, to the Issuer's beneficiaries or to any other Person, for any action taken or permitted by it to be taken. The holders of the units

of the Issuer will not be subject to any liability for any debts, liabilities, obligations, claims, demands, judgments, costs, charges or expenses against or with respect to the Issuer, arising out of anything done or permitted by it to be done or its failure to take any action in respect of the execution of the duties of its office or for or in respect of the Issuer's property or the Issuer's activities and resort will be had solely to the Issuer's property for the payment or performance thereof. No property or assets of the holders of the units of the Issuer owned in their personal capacity will be subject to levy, execution or other enforcement procedure with regard to any obligation under this Agreement.

8.12 Waivers

Any term or provision of this Agreement may be waived, or the time for its performance may be extended, by the party or parties entitled to the benefit thereof. Any such waiver shall be validly and sufficiently authorized for the purposes of this Agreement if, as to any party, it is authorized in writing by an authorized representative of such party, with prompt written notice of any such waiver to be provided to the Rating Agencies. The failure of any party hereto to enforce at any time any provision of this Agreement shall not be construed to be a waiver of such provision, nor in any way to affect the validity of this Agreement or any part hereof or the right of any party thereafter to enforce each and every such provision. No waiver of any breach of this Agreement shall be held to constitute a waiver of any other or subsequent breach.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

The Secured Party may, at its discretion, at any time release from the security interest created by this Agreement any part or parts of the Collateral or any other security or any surety for the Statutory Obligation either with or without sufficient consideration therefor without thereby releasing any other part of the Collateral or any person from this Agreement.

5. REPRESENTATIONS AND WARRANTIES

5.1 Representations and Warranties

The Grantor hereby represents and warrants to the Secured Party, the matters set out below:

(a) **Incorporation and Qualifications** – The Grantor is a statutory corporation amalgamated under the laws of the Province of Ontario, with requisite power and authority to own its properties, to conduct its business as such properties are currently owned and such business is presently conducted by it, and to execute, deliver and carry out the terms of this Agreement.

(b) **Corporate Authority and Power** – The Grantor has the requisite power and authority to execute and deliver this Agreement and to carry out its terms. The execution, delivery and performance of all obligations under this Agreement have been duly authorized by all necessary action on the part of the Grantor under all applicable laws.

(c) **Non-Conflict** – Neither the execution nor the performance of this Agreement requires the approval of any regulatory agency having jurisdiction over the Grantor nor is this Agreement in contravention of or in conflict with the by-laws or resolutions of the directors or shareholders of the Grantor or of the provisions of any agreement to which the Grantor is a party or by which any of its property may be bound or of any statute, regulation, by-law, ordinance or other law, or to the best of its knowledge of any judgement, decree, award, ruling or order to which the Grantor or any of its property may be subject, other than approvals that have been obtained.

(d) **Ownership of Collateral Free of Liens** – The Grantor is the owner of or has rights in the existing Collateral free and clear of any liens other than Permitted Liens.

5.2 Reliance and Survival

All representations and warranties of the Grantor made in this Agreement shall survive the execution and delivery of this Agreement and shall continue in full force and effect without time limit. The Secured Party shall be deemed to have relied upon each such representation and

warranty notwithstanding any investigation made by or on behalf of the Secured Party at any time.

6. ENFORCEMENT

6.1 Enforceability of Security

The security hereby constituted shall become enforceable only upon the failure of the Grantor to pay the Statutory Obligations when due, and then only to the extent of the Statutory Obligations not then paid when due. The Grantor acknowledges that it has no right in any circumstance to accelerate payment of the Statutory Obligations, to apply proceeds of Collateral on account of Statutory Obligations not yet due, or to reserve or hold proceeds of Collateral on account of Statutory Obligations not yet due.

6.2 Remedies

At any time that the security hereby constituted shall have become enforceable, the Secured Party may give notice of its intention to its exercise rights and remedies hereunder. At any time ten Business Days following the giving of such notice, and unless the amounts due and owing on account of the carrying Costs at the time of the Notice have been paid, the Secured Party shall have the following rights, powers and remedies:

(a) to appoint any person to be an agent or any person to be a receiver, manager or receiver and manager (herein called the "**Receiver**") of the Collateral and to remove any Receiver so appointed and to appoint another if the Secured Party so desires; it being agreed that any Receiver appointed pursuant to the provisions of this Agreement shall have all of the powers of the Secured Party hereunder;

(b) to make payments to parties having prior charges or encumbrances on the Collateral;

(c) to preserve, protect and maintain the Collateral;

(d) to enjoy and exercise all powers necessary or incidental to the performance of all functions provided for in this Agreement;

(e) to sell or dispose of all or any part of the Collateral whether by public or private sale or otherwise and on any terms so long as every aspect of the disposition is commercially reasonable, including without limitation, terms that provide time for payment on credit;

(f) to enjoy and exercise in respect of the Collateral all of the rights and remedies of a secured party under the PPSA;

(g) to notify the account debtors or obligors under any Accounts which constitute part of the Collateral of the assignment of such Accounts to the Secured Party and to direct such account debtors or obligors to make payment of all amounts due or to become due to the Grantor thereunder directly to the Secured Party and to give valid and binding receipts and discharges therefor and in respect thereof and,

upon such notification and at the expense of the Grantor, to enforce collection of any such Accounts, and to adjust, settle or compromise the amount or payment thereof, in the same manner and to the same extent as the Grantor might have done; and

(h) to commence, continue or defend proceedings in any court of competent jurisdiction in the name of the Secured Party, the Receiver or the Grantor for the purpose of exercising any of the rights, powers and remedies set out in this Section, including the institution of proceedings for the appointment of a receiver, manager or receiver and manager of the Collateral.

6.3 Special Rules re Accounts

At any time that the Secured Party is entitled to exercise its rights and remedies under Section 6.2,

(a) all Money or other form of payment received by the Grantor in respect of the Collateral shall be received in trust for the benefit of the Secured Party hereunder, shall be segregated from other funds of the Grantor and shall be forthwith paid over to the Secured Party in the same form as so received (with any necessary endorsement) to be held as cash collateral and applied as provided by Section 6.8; and

(b) the Grantor shall not adjust, settle or compromise the amount or payment of any Collateral.

6.4 Receiver as Agent

The Receiver shall be deemed to be the agent of the Grantor for the purpose of establishing liability for the acts or omissions of the Receiver and the Secured Party shall not be liable for such acts or omissions and, without restricting the generality of the foregoing, the Grantor hereby irrevocably authorizes the Secured Party to give instructions to the Receiver relating to the performance of its duties as set out herein.

6.5 Expenses of Enforcement

The Grantor shall pay to the Receiver the remuneration of the Receiver and all costs and expenses (including, without limitation, legal fees and disbursements on a full indemnity basis) properly incurred by the Receiver pursuant to its appointment and the exercise of its powers hereunder, and shall pay to the Secured Party and the Receiver as required all amounts of Money (including interest thereon) borrowed or advanced by either of them pursuant to the powers set out herein, and the obligations of the Grantor to the Secured Party and the Receiver pursuant to this Section 6.5 shall be payable on demand.

6.6 Indulgences and Releases

Either the Secured Party or the Receiver may grant extensions of time and other indulgences, take and give up securities, accept compositions, grant releases and discharges, release any part of the Collateral to third parties and otherwise deal with the Grantor, debtors of the Grantor,

sureties and others and with the Collateral and other security as the Secured Party or the Receiver may see fit without prejudice to the right of the Secured Party and the Receiver to repossess, hold, collect and realize the Collateral.

6.7 No Liability for Failure to Exercise Remedies

The Secured Party and the Receiver shall not be liable or accountable to the Grantor or to any other person for any failure to exercise any of the rights, powers and remedies set out in this Agreement, and shall not be bound to commence, continue or defend proceedings for the purpose of preserving or protecting any rights of the Secured Party, the Receiver, the Grantor or any other party in respect of the same.

6.8 Proceeds of Disposition

All Moneys received by the Secured Party or by the Receiver pursuant to Section 6.2 shall be promptly applied as follows:

(a) first, in payment of all costs and expenses incurred by the Secured Party in the exercise of all or any of the powers granted to it under this Agreement and in payment of all of the remuneration of the Receiver and all costs and expenses properly incurred by the Receiver in the exercise of all or any of the powers granted to it under this Agreement, including, without limitation, the remuneration, costs and expenses referred to in Section 6.5;

(b) second, in payment of all amounts of Money borrowed or advanced by either of the Secured Party or the Receiver pursuant to the powers set out in this Agreement and any interest thereon;

(c) third, in payment of the Statutory Obligation, provided that if there are not sufficient Moneys to fully pay and perform the Statutory Obligation, the Secured Party may apply the Moneys available to such part or parts thereof as the Secured Party, in its sole discretion, may determine; and

(d) fourth, in payment of any surplus in accordance with applicable law.

6.9 Grantor Liable for Deficiency

If the Moneys received by the Secured Party or the Receiver pursuant to Section 6.2 are not sufficient to pay the claims set out in Section 6.8, the Grantor shall immediately pay the Secured Party the amount of such deficiency.

6.10 Restriction on Grantor

Upon notification of the account debtors or obligors under any Accounts which constitute part of the Collateral of the assignment of such Accounts to the Secured Party or the appointment of a Receiver in respect of the Collateral, all the powers, functions, rights and privileges of the Grantor or any officer, director, servant or agent of the Grantor with respect to the Collateral shall, to the extent permitted by applicable law, be suspended unless specifically continued by the written consent of the Secured Party; however, all other powers, functions, rights and

privileges of the Grantor or any officer, director, servant or agent of the Grantor shall be unaffected by such events.

6.11 Rights Cumulative

All rights and remedies of the Secured Party set out in this Agreement shall be cumulative and no right or remedy contained herein is intended to be exclusive but each shall be in addition to every other right or remedy contained herein or in any existing or future security document or now or hereafter existing at law or in equity or by statute.

7. GENERAL

7.1 Waiver

Any default by the Grantor in the observance or performance of any covenant or condition required to be observed or performed by the Grantor hereunder, may only be waived by the Secured Party in writing, provided that no such waiver by the Secured Party shall extend to or be taken in any manner to affect any subsequent breach or default or the rights resulting therefrom.

7.2 The Secured Party as Attorney

At any time that the Secured Party is entitled to exercise its rights and remedies under Section 6.2, the Grantor hereby irrevocably appoints the Secured Party and any person further designated by the Secured Party to be the attorney of the Grantor for and in the name of the Grantor to execute and do any deeds, documents, transfers, demands, assignments, assurances, consents and things which the Grantor is obliged to sign, execute or do hereunder and, to commence, continue and defend any proceedings authorized to be taken hereunder and generally to use the name of the Grantor in the exercise of all or any of the powers hereby conferred on the Secured Party. These powers are coupled with an interest, have been given for valuable consideration (the receipt and adequacy of which is acknowledged), survive, and do not terminate upon, the bankruptcy, dissolution, winding up or insolvency of the Grantor, and are irrevocable until the Statutory Obligation has been satisfied in full and this Agreement is terminated and the security interest created herein has been released. This power of attorney extends to and is binding upon the Grantor's successors and permitted assigns. The Grantor authorizes the Secured Party to delegate in writing to another person any power and authority of the Secured Party under this power of attorney as may be necessary or desirable in the opinion of the Secured Party, and to revoke or suspend such delegation.

7.3 Further Assurances

The Grantor shall do, execute, acknowledge and deliver or cause to be done, executed, acknowledged and delivered, such further acts, deeds, mortgages, transfers and assurances as the Secured Party shall reasonably require for the better assuring, charging, assigning and conferring unto the Secured Party a security interest in the Collateral, or which the Grantor may hereafter become bound to charge in favour of the Secured Party, for the purpose of accomplishing and effecting the intention of this Agreement.

7.4 Amalgamation of the Grantor

The Grantor acknowledges and agrees that in the event that it amalgamates with any other persons, then (i) the Collateral and the security interest shall extend to and include all of the property and undertaking that any of the amalgamating corporations then owns, all of the property and undertaking that the amalgamated corporation thereafter acquires, all of the property and undertaking in which any of the amalgamating corporations then has any interest, and all of the property and undertaking in which the amalgamated corporation thereafter acquires any interest, and (ii) all references herein to the Grantor shall extend to and include the amalgamated corporation.

7.5 Continuing Security

The security interest constituted hereby shall be deemed to be a continuing security for the Statutory Obligation until the Statutory Obligation is paid and performed in full.

3.3 Procedure for Initial Issuance and for Increasing the Series 2017-1 Principal Amount

(a) (i) On any Business Day prior to [**December 15, 2017**], in the case of a Non-Conduit Purchaser Group, the Related Non-Conduit Purchaser hereby agrees, or in the case of a CP Conduit Purchaser Group, the CP Conduit Purchaser in such CP Conduit Purchaser Group may agree, in its sole discretion, and the Group Bank with respect to such CP Conduit Purchaser hereby agrees, that it will purchase a Series 2017-1 Senior Note for an initial purchase price equal to the Commitment Percentage with respect to such Purchaser Group of the Series 2017-1 Initial Principal Amount upon the request of the Issuer (the date on which the initial purchase occurs being referred to as the "**Closing Date**"); provided, however, that the Issuer shall have given the Administrative Agent (with a copy to the Indenture Trustee) irrevocable written notice (effective upon receipt), by email communication, substantially in the form of Schedule C no later than **[3:00 p.m.]** (Toronto time) on the third Business Day prior to the Closing Date. The written notice of the initial purchase of the Series 2017-1 Senior Notes shall state (x) the Closing Date, and (y) the initial total purchase price to be paid for the Series 2017-1 Senior Notes (the "**Series 2017-1 Initial Principal Amount**"); and (ii) subject to Section 3.3(e), on any Business Day during the period from the initial purchase of the Series 2017-1 Senior Notes hereunder to and including the Commitment Expiry Date, in the case of a Non-Conduit Purchaser Group, the Related Non-Conduit Purchaser hereby agrees, or in the case of a CP Conduit Purchaser Group, the CP Conduit Purchaser in such CP Conduit Purchaser Group may agree, in its sole discretion, and the Group Bank with respect to such CP Conduit Purchaser hereby agrees that the Purchaser Group Principal Amount with respect to such Purchaser Group may be increased by an amount equal to the Commitment Percentage with respect to such Purchaser Group of the Increase Amount (an "**Increase**"), upon the request of the Issuer (each date on which an increase in the Series 2017-1 Principal Amount occurs hereunder being herein referred to as the "**Increase Date**" applicable to such Increase); provided, however, that the Issuer shall have given the Administrative Agent (with

a copy to the Indenture Trustee) irrevocable (other than as specified in Section 3.3(e)) written notice (effective upon receipt), by email communication, substantially in the form of Schedule C (an "**Increase Notice**") no later than **[3:00 p.m.]** (Toronto time) on (A) with respect to a Deferrable Increase Notice, the third Business Day prior to such Increase Date, or (B) with respect to a Non-Deferrable Increase Notice, the second Business Day prior to such Increase Date. (b) If a CP Conduit Purchaser elects not to fund the full amount of its Commitment Percentage of a requested Increase, such CP Conduit Purchaser shall notify the Administrative Agent and the Funding Agent with respect to such CP Conduit Purchaser, and the Group Bank with respect to such CP Conduit Purchaser shall fund the portion of the Commitment Percentage with respect to such Related Purchaser Group of such Increase not funded by such CP Conduit Purchaser.

(c) No Purchaser Group shall be required to increase its Purchaser Group Principal Amount on any Increase Date hereunder unless:

(i) such Purchaser Group's Commitment Percentage of such Increase Amount is (A) equal to $**[1,000,000]** or more, or (B) if less than $[1,000,000], the difference between the Maximum Purchaser Group Principal Amount with respect to such Purchaser Group and the Purchaser Group Principal Amount with respect to such Purchaser Group; and

(ii) after giving effect to such Increase Amount, the sum of the (x) the Purchaser Group Principal Amount, and (y) any unfunded Delayed Amounts with respect to such Purchaser Group would not exceed the Maximum Purchaser Group Principal Amount with respect to such Purchaser Group;

(d) Upon receipt of any notice required by Section 3.3(a) or permitted by Section 3.3(e) from the Issuer, the Administrative Agent shall forward (by email communication) a copy of such notice to each Non-Conduit Purchaser and the Funding Agent with respect to each CP Conduit Purchaser Group (or, with respect to any notice pursuant to Section 3.3(e) requiring a Delayed Funding Purchaser Group to decrease its Delayed Amount, the applicable Non-Conduit Purchaser or Funding Agent), no later than **[5:00 p.m.]** (Toronto time) on the Business Day received. After receipt by any Funding Agent with respect to a CP Conduit Purchaser Group of such notice from the Administrative Agent, such Funding Agent shall, so long as the conditions set forth in Sections 3.3(a) and (c) and Article 4 are satisfied, promptly provide notice by email communication to the related CP Conduit Purchaser and the related Group Bank, of the Increase Date and of such CP Conduit Purchaser Group's Commitment Percentage of the Closing Date or Increase Amount, as applicable. Subject to Section 3.3(e), if such CP Conduit Purchaser elects to fund all or a portion of its Commitment Percentage of the Series 2017-1 Initial Principal Amount or the Increase Amount, as applicable, such CP Conduit Purchaser shall pay in immediately available funds its Commitment Percentage (or any portion thereof) of the amount of the Series 2017-1 Initial Principal Amount or Increase Amount, as applicable, on the Closing Date or the related Increase

Date, as applicable, to the Funding Agent with respect to such CP Conduit Purchaser Group for remittance to the Issuer for application in accordance with Section 3.3(h). Subject to Section 3.3(e), if such CP Conduit Purchaser does not fund the full amount of the Commitment Percentage of such CP Conduit Purchaser Group of the Series 2017-1 Initial Principal Amount or an Increase Amount, as applicable, and the related Group Bank is required to fund the portion thereof not funded by the CP Conduit Purchaser, such Group Bank shall pay in immediately available funds such portion on the Closing Date or the related Increase Date, as applicable, to the Funding Agent with respect to such CP Conduit Purchaser Group. Each Funding Agent shall remit the amounts received by it from its CP Conduit Purchaser or the related Group Bank pursuant to this Section 3.3(d) to the Issuer for application in accordance with Section 3.3(h). Subject to Section 3.3(e), so long as the conditions set forth in Sections 3.3(a) and (c) and Article 4 are satisfied, each Non-Conduit Purchaser shall pay in immediately available funds the Commitment Percentage of such Non-Conduit Purchaser of the amount of the Series 2017-1 Initial Principal Amount or Increase Amount, as applicable, on the Closing Date or the Increase Date, as applicable, to the Issuer for application in accordance with Section 3.3(h).

(e) Notwithstanding any of the foregoing, any Group Bank or Non-Conduit Purchaser who shall have previously notified the Issuer in writing that it or any related Program Support Provider may, in the absence of the Group Bank or Non-Conduit Purchaser having the ability to deliver Delayed Funding Notices hereunder, incur charges under, or in anticipation of, Basel III (which may include external charges incurred by the Group Bank, Non-Conduit Purchaser or Program Support Provider or internal charges incurred by any of their businesses) in respect of its Commitment hereunder or any agreement to support such Commitment, or in respect of its interest in the Series 2017-1 Senior Notes, based on its "liquidity coverage ratio" calculated under Basel III, may, upon receipt of any Deferrable Increase Notice pursuant to Section 3.3(a), notify the Issuer in writing (a "**Delayed Funding Notice**") on or prior to **[12:00 noon]** (Toronto time) on the second Business Day preceding the related Increase Date, of its intent to fund an amount up to its Commitment Percentage of the related Increase Amount (such amount, subject to any adjustment described below, the "**Delayed Amount**") on a Business Day that is on or before the thirty-third (33rd) day following the Increase Date specified in such Deferrable Increase Notice (the "**Delayed Funding Date**") rather than on such Increase Date. If any Group Bank or Non-Conduit Purchaser provides a Delayed Funding Notice to the Issuer following the Issuer's delivery of an Increase Notice pursuant to Section 3.3(a), the Issuer may with written notice to the Administrative Agent delivered prior to 3:00 pm on the second Business Day preceding such Increase Date, (x) decrease the Increase Amount with respect to such Deferrable Increase Notice (or revoke such Deferrable Increase Notice by decreasing the Increase Amount to zero), and/or (y) require any Group Bank or Non-Conduit Purchaser who has provided a Delayed Funding Notice to reduce the Delayed Amount with respect to such Increase by an amount no greater than the Non-Deferrable Draw Amount with respect to such Purchaser Group as of the related Increase Date. In the event that the Increase Amount with respect to such Deferrable Increase Notice is reduced, but not to zero, then any Delayed Amount with respect to any Purchaser Group shall be reduced on a pro rata basis unless otherwise specified by the Issuer pursuant to clause (y) above. No Purchaser Group that has provided a Delayed Funding Notice in respect of an Increase (each a "**Delayed Funding Purchaser Group**") shall be considered to be in default of its obligation to fund its Delayed Amount pursuant to this Section 3.3 unless and until it has failed to fund the Delayed Amount (and/or the Delayed Funding Reimbursement Amount with respect to such Delayed Amount) on or before the Delayed Funding Date. [**NTD: the definition of "Non-Deferrable Draw Amount"**

includes a percentage (currently [10]%) that represents the amount that cannot be deferred by the dealers. OPG should make a proposal as to this percentage.]

(f) If (i) one or more Delayed Funding Purchaser Groups provides a Delayed Funding Notice to the Issuer in respect of any Increase Date; and (ii) the Issuer shall not have decreased the related Increase Amount to zero or required each such Delayed Funding Purchaser Group to reduce the Delayed Amount with respect to such Increase to zero, in each case, pursuant to Section 3.3(e), the Administrative Agent shall, by no later than **[12:00 noon]** (Toronto time) on the Business Day preceding such Increase Date, direct each Purchaser Group that is not a Delayed Funding Purchaser Group with respect to such Increase Date (each a "**Non-Delayed Funding Purchaser Group**") to fund an additional portion of such Increase Amount on such Increase Date equal to such Non-Delayed Funding Purchaser Group's proportionate share (based upon the Maximum Purchaser Group Principal Amount with respect to such Non-Delayed Funding Purchaser Group relative to the sum of the Maximum Purchaser Group Principal Amounts with respect to all Non-Delayed Funding Purchaser Groups) of the aggregate Delayed Amounts with respect to such Increase Date; provided that no Non-Delayed Funding Purchaser Group shall be required to fund any portion of the aggregate Delayed Amounts that would cause its Purchaser Group Principal Amount to exceed its Maximum Purchaser Group Principal Amount. Subject to Section 3.3(a), in the case of a Non-Delayed Funding Purchaser Group that is a Non-Conduit Purchaser, such Non-Conduit Purchaser hereby agrees, or, in the case of a Non-Delayed Funding Purchaser Group that is a CP Conduit Purchaser Group, the CP Conduit in such CP Conduit Purchaser Group may agree, in its sole discretion, and the Group Bank in such CP Conduit Purchaser Group hereby agrees, to fund such portion of the Increase Amount on such Increase Date.

(g) After the Non-Delayed Funding Purchaser Groups fund a Delayed Amount on any Increase Date in accordance with Section 3.3(f), the Delayed Funding Purchaser Group in respect of such Delayed Amount will be obligated to fund the Delayed Funding Reimbursement Amount with respect to such Delayed Amount on or before its Delayed Funding Date, irrespective of whether the Scheduled Commitment Expiry Date shall have occurred on or prior to such Delayed Funding Date or the Issuer would be able to satisfy the conditions set forth in Section 3.3(c) to an Increase in an amount equal to such Delayed Funding Reimbursement Amount on such Delayed Funding Date. Such Delayed Funding Purchaser Group shall fund such Delayed Funding Reimbursement Amount on such Delayed Funding Date by paying such amount to the Administrative Agent in immediately available funds, and the Administrative Agent shall distribute such funds to each such Non-Delayed Funding Purchaser Group, *pro rata* based on the relative amount of such Delayed Amount funded by such Non-Delayed Funding Purchaser Group on such Increase Date pursuant to Section 3.3(f).

(h) The Issuer shall apply amounts paid to it pursuant to Sections 3.3(d) and 3.3(f) in the following order of priority:

(i) As to an amount equal to ●% of the amounts paid to pursuant to Sections 3.3(d) and 3.3(f), by deposit to the Program Cash Reserve Account; and

(ii) as to the balance, in respect of the proceeds of the initial purchase of the Series 2017-1 Notes or a Transfer Increase, by application to payment of the purchase price payable by the Issuer to the IESO under the Master Transfer and Servicing Agreement in respect of the related Transfer and, in respect of the proceeds of a Refinancing Increase, by deposit to the Refinancing Account.

3.4 Procedure for Decreasing the Series 2017-1 Principal Amount; Optional Termination

(a) In the case of a Non-Conduit Purchaser Group, the Related Non-Conduit Purchaser hereby agrees, and in the case of a CP Conduit Purchaser Group, each of the CP Conduit Purchasers and the Group Bank in such CP Conduit Purchaser Group hereby agrees, that the Purchaser Group Principal Amount with respect to such Purchaser Group may be decreased on any Payment Date by such Purchaser Group's Commitment Percentage of a Decrease Amount (a "**Decrease**"), upon the request of the Issuer. Each Payment Date on which a Decrease in the Series 2017-1 Principal Amount occurs hereunder being herein referred to as the "**Decrease Date**" applicable to such Decrease; provided, however, that the Issuer shall have given the Administrative Agent (with a copy to the Indenture Trustee) irrevocable written notice (effective upon receipt), by email communication, substantially in the form of Schedule D (a "**Decrease Notice**") no later than **[3:00 p.m.]** (Toronto time) on the second Business Day prior to any Payment Date that is a Decrease Date. Each Decrease Notice shall state (x) the Decrease Date, and (y) the proposed amount of the decrease in the Series 2017-1 Principal Amount (a "**Decrease Amount**").

(b) Upon each Decrease, the Administrative Agent shall indicate in its records such Decrease and the Purchaser Group Principal Amount outstanding with respect to each Purchaser Group after giving effect to such Decrease. Upon receipt of any notice required by Section 3.4(a) from the Issuer, the Administrative Agent shall forward (by email communication) a copy of such notice to each Non-Conduit Purchaser and the Funding Agent with respect to each CP Conduit Purchaser Group, no later than **[1:00 p.m.]** (Toronto time) on the Business Day received.

(c) On any Business Day, the Issuer shall have the right to deliver an irrevocable written notice (an "**Optional Termination Notice**") to the Administrative Agent in which the Issuer declares that the Commitments shall terminate on the date (the "**Optional Termination Date**") set forth in such notice (which date, in any event, shall be a Payment Date not less than twenty (20) Business Days from the date on which such notice is delivered). Upon receipt of any Optional Termination Notice from the Issuer, the Administrative Agent shall promptly notify each Non-Conduit Purchaser and the Funding Agent with respect to each CP Conduit Purchaser Group thereof.

3.5 Increases and Reductions of the Commitments

(a) The Issuer may from time to time request that any Purchaser Group agree to increase its Maximum Purchaser Group Principal Amount. An increase in such amount shall be effective hereunder if such Purchaser Group shall have agreed in its sole discretion to such increase.

(b) On any Business Day, the Issuer may, upon two (2) Business Days' prior written notice to the Administrative Agent (effective upon receipt) (with copies to the Indenture Trustee) reduce the Series 2017-1 Maximum Principal Amount in an amount equal to $**[10,000,000]** or a whole multiple of $**[1,000,000]** in excess thereof; provided that no such termination or reduction shall be permitted if, after giving effect thereto and to any reduction in the Series 2017-1 Principal Amount on such date, the Purchaser Group Principal Amount with respect to any Purchaser Group would exceed the Maximum Purchaser Group Principal Amount with respect to such Purchaser Group then in effect. Any reduction in the Series 2017-1 Maximum Principal Amount shall be made on a pro rata basis to the Maximum Purchaser Group Principal Amounts with respect to the Purchaser Groups, based on the Maximum Purchaser Group Principal Amount with respect to each Purchaser Group. Once reduced, the Maximum Purchaser Group Principal Amounts may not be

subsequently reinstated without each such Purchaser Group's prior written consent, which consent shall be granted or not in the sole discretion of such Purchaser Group.

(c) The Issuer may extend the Scheduled Commitment Expiry Date only with the prior written consent of the Administrative Agent, each Non-Conduit Purchaser and each Funding Agent.

3.6 Interest; Fees and Other Amounts

(a) Interest shall be payable on the Series 2017-1 Senior Notes on each Payment Date.

(b) The Issuer shall pay to each CP Conduit Purchaser Group and each Non-Conduit Purchaser, on each Payment Date, a commitment fee with respect to the preceding Billing Period (the "**Commitment Fee**") during the period from the Closing Date to and including the Commitment Expiry Date in an amount equal to the sum of the following amounts calculated for each day during such Billing Period: (x) the Commitment Fee Rate, multiplied by (y) the amount by which Maximum Purchaser Group Principal Amount with respect to such Purchaser Group on such day exceeds the Purchaser Group Principal Amount with respect to such Purchaser Group on such day, and divided by (z) 365. The Commitment Fees shall be payable monthly in arrears on each Payment Date.

(c) The Funding Agent with respect to each CP Conduit Purchaser Group and each Non-Conduit Purchaser shall provide written notice to the Issuer and the Paying Agent no later than two (2) Business Days prior to each Payment Date, setting forth the Group Monthly Interest and the Group Monthly Fees and Other Amounts with respect to its Related Purchaser Group with respect to the Payment Date.

(d) The Monthly Interest shall be included in each calculation of the Interest Accrual Amount (Senior) for the purposes of Section 7.04(e)(iii) of the Trust Indenture and shall be payable pursuant to Sections 7.05(a), 7.08(a)(i) or 8.13(c) of the Trust Indenture, as applicable. On each Payment Date, the Monthly Fees and Other Amounts shall be payable in respect of the Series 2017-1 Notes pursuant to Sections 7.04(e)(iii) or 8.13(c) of the Trust Indenture, as applicable. On each Payment Date the Paying Agent shall, subject to availability of funds, pay to each CP Conduit Purchaser Group and each Non-Conduit Purchaser its Group Monthly Interest and its Group Monthly Fees and Other Amounts with respect to the Payment Date; provided that if the amounts available to pay such Group Monthly Interest and Group Monthly Fees and Other Amounts are insufficient, the amounts available shall be paid *pro rata* based on the amounts owing to each Purchaser Group.

3.7 Accumulation and Repayment of Principal

(a) For the purposes of the Trust Indenture and the Series 2017-1 Notes:

(i) for each Payment Date before the Principal Accumulation Date, the Principal Accumulation Amount shall be the Principal Payment Amount for such Payment Date; and

(ii) for each Payment Date on or after the Principal Accumulation Date, the Principal Accumulation Amount shall be the greater of (x) the Principal Payment Amount

for such Payment Date, and (y) the Principal Accumulation Amount, for such Payment Date.

(b) Each Payment Date where the Principal Payment Amount is not nil shall be a Principal Payment Date in respect of the Series 2017-1 Notes. On each Principal Payment Date in respect of the Series 2017-1 Notes, the Paying Agent shall pay to each Non-Conduit Purchaser and each Funding Agent with respect to its Related Purchaser Group, such Purchaser Group's Pro Rata Share of the Principal Payment Amount for such Principal Payment Date out of funds allocated to the Series 2017-1 Senior Notes pursuant to Sections **7.04(e)(iv)(A), 7.06(a) or 8.13(d)** of the Trust Indenture, as applicable, in repayment of the principal amount of the Series 2017-1 Notes.

3.8 Indemnification by the Issuer

The Issuer agrees to indemnify and hold harmless the Indenture Trustee, the Administrative Agent, each Funding Agent, each CP Conduit Purchaser, the Group Bank, each Non-Conduit Purchaser and each of their respective officers, directors, agents and employees (each, an "**Issuer indemnified person**") from and against any loss, liability, expense, damage or injury suffered or sustained by such Issuer indemnified person by reason of (a) any acts, omissions or alleged acts or omissions arising out of, or relating to, activities of the Issuer pursuant to the Program Agreements to which it is a party; (b) a breach of any representation or warranty made or deemed made by the Issuer (or any of its officers) in any Program Agreement; or (c) a failure by the Issuer to comply with any applicable law or regulation or to perform its covenants, agreements, duties or obligations required to be performed or observed by it in accordance with the provisions of the Program Agreements, including, but not limited to, any judgment, award, settlement, reasonable attorneys' fees and other reasonable costs or expenses incurred in connection with the defense of any actual or threatened action, proceeding or claim, except to the extent such loss, liability, expense, damage or injury resulted from the gross negligence, bad faith or willful misconduct of such Issuer indemnified person or its officers, directors, agents, principals, employees or employers as determined by a court of competent jurisdiction in a final non-appealable judgement or includes any Excluded Taxes; provided that any payments made by the Issuer pursuant to this Section 3.8 shall be made solely from funds available pursuant to Section **[7.04] or [8.13]** of the Trust Indenture, as applicable, shall be non-recourse other than with respect to such funds, and shall not constitute a claim against the Issuer to the extent that such funds are insufficient to make such payment.

3.9 Funding Agents

(a) The Funding Agent with respect to each CP Conduit Purchaser Group is hereby authorized to determine the Group Monthly Interest and Group Monthly Fees and Other Amounts with respect to each Payment Date and such CP Conduit Purchaser Group. Any such determination by a Funding Agent, absent manifest error, shall constitute prima facie evidence of the accuracy of the calculation. Furthermore, the Funding Agent with respect to each CP Conduit Purchaser Group will maintain records sufficient to identify the percentage interest of the related CP Conduit Purchaser and the Group Bank with respect to such CP Conduit Purchaser Group holding an interest in the Series 2017-1 Senior Note registered in the name of such Funding Agent and any amounts owing thereunder.

(b) Upon receipt of funds on each Payment Date, each Funding Agent shall pay such funds to the related CP Conduit Purchaser and/or the related Group Bank owed such funds. If a Funding

Agent shall have paid to any CP Conduit Purchaser or Group Bank any funds that (i) must be returned for any reason (including bankruptcy); or (ii) exceeds that which such CP Conduit Purchaser or Group Bank was entitled to receive, such amount shall be promptly repaid to such Funding Agent by such CP Conduit Purchaser or Group Bank.

3.10 Taxes

(a) All payments by or on account of any obligation of the Issuer hereunder shall, to the extent allowed by law, be made free and clear of, and without deduction or withholding for or on account of Taxes, excluding (i) income taxes (including branch profit taxes, minimum taxes and taxes computed under alternative methods, at least one of which is based on or measured by net income), franchise taxes (imposed in lieu of income taxes), or any other Taxes based on or measured by the net income of any person legally entitled to receive such payments (each a "**Recipient**") as a result of a present or former connection between the Recipient and the jurisdiction of the Governmental Authority imposing such Taxes (other than any such connection arising solely from the Recipient having executed, delivered or performed its obligations or received a payment under, disposed of, or enforced, this Supplemental Indenture); (ii) any withholding or deduction imposed pursuant to (A) Sections 1471 to 1474 of the U.S. Internal Revenue Code of 1986, as amended ("**FATCA**"), or any successor version thereof, or any similar legislation imposed by any other Governmental Authority, or (B) any treaty, law or regulation or other official guidance enacted by Canada implementing FATCA or any intergovernmental agreement with respect to FATCA or any similar legislation imposed by any other Governmental Authority, including, for greater certainty, the Canada-United States Enhanced Tax Information Exchange Agreement Implementation Act (Canada) and Parts XVIII and XIX of the Income Tax Act (Canada), as amended (collectively, and including FATCA, the "**AEOI Legislation**"); and (iii) any interest, penalties and additions to Taxes in respect of (i) and (ii) (all such excluded Taxes being hereinafter called "**Excluded Taxes**"). If any Taxes, other than Excluded Taxes, are required to be withheld from any amounts payable to a Recipient hereunder, the amounts so payable to the Recipient shall be increased, and the Recipient shall be entitled to be paid by the Issuer the amount of such increase to the extent necessary to yield to the Recipient (after payment of all such Taxes other than Excluded Taxes) interest or any such other amounts payable hereunder or thereunder at the rates or in the amounts specified hereunder. Where the amount payable by the Issuer is increased in accordance with the previous sentence, the Group Monthly Interest shall be increased by the amount of such increase. Whenever any Taxes are payable on or with respect to amounts distributed to a Recipient, as promptly as possible thereafter the Issuer shall send to such Recipient a certified copy of an original official receipt showing payment thereof.

(b) If a payment by or on account of any obligation of the Issuer hereunder would be subject to withholding Taxes under any AEOI Legislation if the Recipient were to fail to comply with the applicable reporting requirements of any AEOI Legislation, such Recipient shall deliver to the Issuer at the time or times prescribed by law and at such time or times reasonably requested by the Issuer such documentation prescribed by applicable law and such additional documentation reasonably requested by the Issuer as may be necessary for the Issuer to comply with its obligations under any AEOI Legislation and to determine that such Recipient has complied with its obligations under any AEOI Legislation, or to determine the amount to deduct and withhold from such payment. If any form or certification it previously delivered by a Recipient expires or becomes obsolete or inaccurate in any respect, the Recipient shall update such form or certification or promptly notify the Issuer in writing of its legal inability to do so.

(c) If a Recipient is legally entitled to receive a refund of any Taxes (other than Excluded Taxes) as to which it has been indemnified or with respect to which additional amounts have been paid to it hereunder or it is legally entitled to receive a credit or deduction with respect to such Taxes or with respect to such additional amounts that have been paid hereunder (in each case pursuant to Section 3.10(a)), it shall use commercially reasonable efforts to obtain or claim such refund, credit or deduction and pay over such refund or the value of such credit or deduction to the Issuer, together with any interest thereon.

3.11 Increased Costs

(a) (i) If any Regulatory Change (x) subjects any Affected Party to any charge or withholding on or with respect to any Support Facility or this Supplemental Indenture or an Affected Person's obligations under a Support Facility or this Supplemental Indenture, or changes the basis of taxation of payments to any Affected Person of any amounts payable under any Support Facility or this Supplemental Indenture Agreement (except for changes in the rate of tax on the overall net income of an Affected Person or Excluded Taxes) or (y) imposes, modifies or deems applicable any reserve, assessment, fee, tax, insurance charge, special deposit or similar requirement against assets of, deposits with or for the account of, or liabilities of an Affected Person, or credit extended by an Affected Person pursuant to a Support Facility or this Supplemental Indenture or (z) imposes any other condition the result of which is to increase the cost to an Affected Person of performing its obligations under a Support Facility or this Supplemental Indenture, or to reduce the rate of return on an Affected Person's capital or assets as a consequence of its obligations under a Support Facility or this Supplemental Indenture, or to reduce the amount of any sum received or receivable by an Affected Person under a Support Facility or this Supplemental Indenture, or to require any payment calculated by reference to the amount of interests or loans held or interest received by it, then, upon written request by such Affected Party (through the Funding Agent for its Purchaser Group if the Affected Party is a Program Support Provider, CP Conduit Purchaser or Group Bank) of a written request therefore to the Issuer, such Affected Party (through the Funding Agent for its Purchaser Group if the Affected Party is a Program Support Provider, CP Conduit Purchaser or Group Bank) shall be entitled to be paid, such amounts charged to such Affected Party or such amounts to otherwise compensate such Affected for such increased cost or such reduction, no later than the Payment Date following receipt by the Issuer of such request for compensation under this Section 3.11(a)(i), if such request is received by the Issuer no later than five (5) Business Days prior to the end of the Interest Period related to such Payment Date, and otherwise on the following Payment Date.

(ii) The Issuer acknowledges that any Affected Party may implement, as an internal institutional matter, measures in anticipation of a final or proposed Regulatory Change (including, without limitation, the imposition of internal charges on such Affected Party's interest or obligations under any Support Agreement or this Supplemental Indenture) and may commence recognizing the incurrence of charges by seeking compensation under Section 3.11(a)(i) in connection with such measures, in advance of the effective date of such final or proposed Regulatory Change, and the Issuer agrees that such charges or compensation shall be payable, to the related Funding Agent, for the benefit of Affected Party, following demand therefor without regard to whether such proposed Regulatory Change has been adopted or whether such effective date has occurred; provided, that (I) the Affected Party shall provide thirty (30) days prior written notice to the Issuer of its intent to impose or incur any such charges or compensation, (II) an Affected Party shall not be compensated for any such amount pursuant to this subsection 3.11(a)(ii)

relating to any period ending, and of which such Affected Party has had knowledge, more than one year prior to the date that such Affected Party provided the Issuer with the written notice contemplated by the preceding clause (I) of this subsection 3.11(a)(ii), (III) if, after the payment by the Trust of any charges or compensation pursuant to this subsection 3.11(a)(ii), either (A) the Issuer requests in writing that the applicable Affected Party re-compute any such charge or compensation in light of differences between a proposed Regulatory Change and the final effective version thereof or (B) the applicable Affected Party determines that the amount of the charge imposed on and required to be compensated by the Issuer exceeds the amount necessary to compensate it for the applicable Regulatory Change as contemplated by subsection 3.11(a)(i), then (x) the amount of such charge or compensation shall, from and after such determination, be reduced by the amount of such excess and (y) such Affected Party shall, within thirty (30) days of such determination, either repay the amount of such excess or credit the amount of such excess against future charges under this subsection 3.11(a)(ii). The Issuer further acknowledges that any charge or compensation demanded hereunder may take the form of a monthly charge to be assessed by such Affected Party.

(b) Each Affected Party claiming increased amounts described in subsection 3.11(a) of this Supplemental Indenture will furnish to the Issuer (together with its request for compensation) a certificate prepared in good faith setting forth the basis and the calculation of the amount (in reasonable detail) of each request by such Affected Party for any such increased amounts referred to in subsection 3.11(a) hereof. Any such certificate shall be conclusive absent manifest error. Failure on the part of any Affected Party to demand compensation for any amount pursuant to subsection 3.11(a) hereof with respect to any period shall not constitute a waiver of such Affected Party's right to demand compensation with respect to such period.

ARTICLE 7
AGENTS

7.1 Administrative Agent

(a) Each of the Non-Conduit Purchasers, CP Conduit Purchasers, the Group Banks and the Funding Agents hereby irrevocably designates and appoints the Administrative Agent as the agent of such Person under this Supplemental Indenture and irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Supplemental Indenture and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Supplemental Indenture, together with such other

powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Supplemental Indenture, the Administrative Agent shall not have any duties or responsibilities except those expressly set forth herein, or any fiduciary relationship with any Non-Conduit Purchaser, any CP Conduit Purchaser, any Group Bank or any Funding Agent, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Supplemental Indenture or otherwise exist against the Administrative Agent.

(b) The Administrative Agent may execute any of its duties under this Supplemental Indenture by or through agents or attorneys in fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. The Administrative Agent shall not be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care.

(c) Neither the Administrative Agent nor any of its officers, directors, employees, agents, attorneys in fact or Affiliates shall be (i) liable for any action lawfully taken or omitted to be taken by it or such Person under or in connection with the Trust Indenture, this Supplemental Indenture or any other Program Agreement (except to the extent that any of the foregoing are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from its or such Person's own gross negligence or willful misconduct) or (ii) responsible in any manner to any of the Non-Conduit Purchasers, the CP Conduit Purchasers, the Group Banks or the Funding Agents for any recitals, statements, representations or warranties made by the Issuer, the IESO, the Manager or any officer thereof contained in this Supplemental Indenture or any other Program Agreement or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Supplemental Indenture or any other Program Agreement or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Supplemental Indenture, any other Program Agreement, or for any failure of any of the Issuer, the Manager or the IESO to perform its obligations hereunder or thereunder. The Administrative Agent shall not be under any obligation to any Non-Conduit Purchaser, any CP Conduit Purchaser, any Group Bank or any Funding Agent to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Supplemental Indenture, any other Program Agreement or to inspect the properties, books or records of the Issuer, the Manager or the IESO.

(d) The Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter or electronic message, statement, order or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including, without limitation, counsel to the Issuer, the Manager or the IESO), independent accountants and other experts selected by the Administrative Agent.

(e) The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Termination Event unless the Administrative Agent has received written notice from a Non-Conduit Purchaser, a CP Conduit Purchaser, a Group Bank, a Funding Agent, the Issuer or the Manager referring to the Trust Indenture or this Supplemental Indenture, describing such Termination Event and stating that such notice is a "notice of a Termination Event". In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give notice thereof to the Non-Conduit Purchasers, the Funding Agents, the Issuer Trustee and the Manager.

(f) Each of the Non-Conduit Purchasers, the CP Conduit Purchasers, the Group Banks and the Funding Agents expressly acknowledges that neither the Administrative Agent nor any of its officers, directors, employees, agents, attorneys in fact or Affiliates has made any representations or warranties to it and that no act by the Administrative Agent hereinafter taken, including any review of the affairs of the Issuer, the Manager or the IESO shall be deemed to constitute any representation or warranty by the Administrative Agent to any such Person. Each of the Non-Conduit Purchasers, the CP Conduit Purchasers, the Group Banks and the Funding Agents represents to the Administrative Agent that it has, independently and without reliance upon the Administrative Agent or any other Non-Conduit Purchaser, CP Conduit Purchaser, Group Bank or Funding Agent and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Issuer, the Manager and the IESO and made its own decision to enter into this Supplemental Indenture. Each of the Non-Conduit Purchasers, the CP Conduit Purchasers, the Group Banks and the Funding Agents also represents that it will, independently and without reliance upon the Administrative Agent or any other Non-Conduit Purchaser, CP Conduit Purchaser, Group Bank or Funding Agent, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Supplemental Indenture and the other Program Agreements, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Issuer, the Manager and the IESO. Except for notices, reports and other documents expressly required to be furnished to the Non-Conduit Purchasers and the Funding Agents by the Administrative Agent hereunder, the Administrative Agent shall have no duty or responsibility to provide any Non-Conduit Purchaser, any CP Conduit Purchaser, any Group Bank or any Funding Agent with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of the Issuer, the Manager or the IESO which may come into the possession of the Administrative Agent or any of its officers, directors, employees, agents, attorneys in fact or Affiliates.

(g) The Administrative Agent and its Affiliates may make loans to, accept deposits from and generally engage in any kind of business with the Issuer, the Manager and the IESO as though the Administrative Agent were not the Administrative Agent hereunder. With respect to any Series 2017-1 Senior Note held by the Administrative Agent, the Administrative Agent shall have the same rights and powers under this Supplemental Indenture and the other Program Agreements as any Group Bank or Funding Agent and may exercise the same as though it were not the Administrative Agent, and the terms "Group Bank," and "Funding Agent" shall include the Administrative Agent in its individual capacity.

(h) The Administrative Agent may resign as Administrative Agent at any time by giving 30 days' notice to the Non-Conduit Purchasers, the Funding Agents, the Indenture Trustee, the Issuer and the Manager. If ● shall resign as Administrative Agent under this Supplemental Indenture, then the Requisite Series 2017-1 Noteholders shall appoint a successor administrative agent from among the Non-Conduit Purchasers and Funding Agents, whereupon such successor agent shall succeed to the rights, powers and duties of the Administrative Agent, and the term "Administrative Agent" shall mean such successor agent effective upon such appointment and approval, and the former Administrative Agent's rights, powers and duties as Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Supplemental Indenture. If no successor administrative agent

has accepted appointment as Administrative Agent prior to the effective date of the resignation of the Administrative Agent, the retiring Administrative Agent may appoint, after consulting with the Non-Conduit Purchasers and the Funding Agents, a successor Administrative Agent from among the Non-Conduit Purchasers and the Funding Agents. If no successor administrative agent has accepted appointment by the date which is thirty (30) days following a retiring Administrative Agent's notice of resignation, the retiring Administrative Agent's resignation shall nevertheless thereupon become effective and Manager shall assume and perform all of the duties of the Administrative Agent hereunder until such time, if any, as the Requisite Series 2017-1 Noteholders appoint a successor administrative agent as provided for above. After any retiring Administrative Agent's resignation as Administrative Agent, the provisions of this Article 7 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Supplemental Indenture.

7.2 Funding Agents

(a) Each CP Conduit Purchaser and each Group Bank with respect to such CP Conduit Purchaser hereby irrevocably designates and appoints the Funding Agent set forth next to such CP Conduit Purchaser's name on Schedule E as the agent of such Person under this Supplemental Indenture and irrevocably authorizes such Funding Agent, in such capacity, to take such action on its behalf under the provisions of this Supplemental Indenture and to exercise such powers and perform such duties as are expressly delegated to such Funding Agent by the terms of this Supplemental Indenture, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Supplemental Indenture, each Funding Agent shall not have any duties or responsibilities except those expressly set forth herein, or any fiduciary relationship with any CP Conduit Purchaser or Group Bank and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Supplemental Indenture or otherwise exist against each Funding Agent.

(b) Each Funding Agent may execute any of its duties under this Supplemental Indenture by or through agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. Each Funding Agent shall not be responsible to the CP Conduit Purchaser or any Group Bank in its CP Conduit Purchaser Group for the negligence or misconduct of any agents or attorneys in fact selected by it with reasonable care.

(c) Each Funding Agent and any of its officers, directors, employees, agents, attorneys in fact or Affiliates shall not be (i) liable for any action lawfully taken or omitted to be taken by it or such Person under or in connection with the Trust Indenture, this Supplemental Indenture or any other Program Agreement (except to the extent that any of the foregoing are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from its or such Person's own gross negligence or willful misconduct) or (ii) responsible in any manner to any of the CP Conduit Purchasers and/or Group Banks for any recitals, statements, representations or warranties made by the Issuer, the Manager or the IESO, or any officer thereof contained in this Supplemental Indenture or any other Program Agreement or in any certificate, report, statement or other document referred to or provided for in, or received by such Funding Agent under or in connection with, this Supplemental Indenture or any other Program Agreement or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Supplemental Indenture, any other Program Agreement, or for any failure of any of the Issuer, the Manager or the IESO to perform its obligations hereunder or thereunder. Each Funding Agent shall not be under any obligation to the CP Conduit Purchaser or any Group Bank in its CP Conduit Purchaser Group to

ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Supplemental Indenture, any other Program Agreement or to inspect the properties, books or records of the Issuer, the Manager or the IESO.

(d) Each Funding Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter or electronic message, statement, order or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including, without limitation, counsel to the Issuer, the Manager or the IESO), independent accountants and other experts selected by such Funding Agent. Each Funding Agent shall be fully justified in failing or refusing to take any action under this Supplemental Indenture or any other Program Agreement unless it shall first receive such advice or concurrence of the Related Purchaser Group, as it deems appropriate or it shall first be indemnified to its satisfaction by the Related Purchaser Group against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action.

(e) Each Funding Agent shall not be deemed to have knowledge or notice of the occurrence of any Termination Event unless such Funding Agent has received written notice from a Non-Conduit Purchaser, a CP Conduit Purchaser, a Group Bank, the Issuer, the Manager or the Administrative Agent referring to the Trust Indenture or this Supplemental Indenture, describing such Termination Event and stating that such notice is a "notice of a Termination Event," as the case may be. In the event that any Funding Agent receives such a notice, such Funding Agent shall give notice thereof to the CP Conduit Purchaser and Group Bank in its CP Conduit Purchaser Group. Such Funding Agent shall take such action with respect to such event as shall be reasonably directed by the CP Conduit Purchaser and Group Bank in its CP Conduit Purchaser Group, provided that unless and until such Funding Agent shall have received such directions, such Funding Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such event as it shall deem advisable in the best interests of the CP Conduit Purchaser and Group Bank in its CP Conduit Purchaser Group.

(f) Each CP Conduit Purchaser and each of the related Group Banks expressly acknowledge that neither its Funding Agent nor any of its officers, directors, employees, agents, attorneys in fact or Affiliates has made any representations or warranties to it and that no act by such Funding Agent hereinafter taken, including any review of the affairs of the Issuer, the Manager or the IESO shall be deemed to constitute any representation or warranty by such Funding Agent to any such Person. Each CP Conduit Purchaser and each of the related Group Banks represents to its Funding Agent that it has, independently and without reliance upon such Funding Agent and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Issuer, the Manager and the IESO and made its own decision to enter into this Supplemental Indenture. Each CP Conduit Purchaser and each of the related Group Banks also represents that it will, independently and without reliance upon its Funding Agent and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Supplemental Indenture and the other Program Agreements, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other conditions and creditworthiness of the Issuer, the Manager and the IESO.

(g) Each Group Bank in a CP Conduit Purchaser Group agrees to indemnify its Funding Agent in its capacity as such (to the extent not reimbursed by the Issuer and without limiting the obligation of the Issuer to do so), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever which may at any time be imposed on, incurred by or asserted against such Funding Agent in any way relating to or arising out of this Supplemental Indenture, any of the other Program Agreements or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Funding Agent under or in connection with any of the foregoing; provided that no Group Bank shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from such related Funding Agent's gross negligence or willful misconduct. The agreements in this Section shall survive the payment of all amounts payable hereunder.

ARTICLE 8
GENERAL

8.1 Successor and Assigns

(a) This Supplemental Indenture shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, except that (i) the Issuer may not assign or transfer any of its rights under this Supplemental Indenture without the prior written consent of all of the Series 2017-1 Noteholders; (ii) no Non-Conduit Purchaser may assign or transfer any of its rights under this Supplemental Indenture other than pursuant to paragraph (e) or (f) below; (iii) no CP Conduit Purchaser may assign or transfer any of its rights under this Supplemental Indenture other than to the Group Bank with respect to such CP Conduit Purchaser or a Program Support Provider with respect to such CP Conduit Purchaser or pursuant to clause (b) or (e) below of this Section 8.1; and (iv) no Group Bank may assign or transfer any of its rights or obligations under this Supplemental Indenture except to a Program Support Provider or pursuant to clause (c), (d) or (e) below of this Section 8.1.

(b) Without limiting the foregoing, each CP Conduit Purchaser may assign all or a portion of the Purchaser Group Principal Amount with respect to such CP Conduit Purchaser and its rights and obligations under this Supplemental Indenture to a Conduit Assignee with respect to such CP Conduit Purchaser. Prior to or concurrently with the effectiveness of any such assignment (or if impracticable, immediately thereafter), the assigning CP Conduit Purchaser shall notify the Administrative Agent and the Issuer. Upon such assignment by a CP Conduit Purchaser to a Conduit Assignee, (i) such Conduit Assignee shall be the owner of the Purchaser Group Principal Amount or such portion thereof with respect to such CP Conduit Purchaser; (ii) the related administrative or managing agent for such Conduit Assignee will act as the administrative agent for such Conduit Assignee hereunder, with all corresponding rights and powers, express or implied, granted to the Funding Agent hereunder; (iii) such Conduit Assignee and its liquidity support provider(s) and credit support provider(s) and other related parties shall have the benefit of all the rights and protections provided to such CP Conduit Purchaser herein (including, without limitation, any limitation on recourse against such Conduit Assignee as provided in this paragraph); (iv) such Conduit Assignee shall assume all of such CP Conduit Purchaser's obligations, if any, hereunder with respect to such portion of the Purchaser Group Principal Amount and such CP Conduit Purchaser shall be released from such obligations; (v) all

distributions in respect of the Purchaser Group Principal Amount or such portion thereof with respect to such CP Conduit Purchaser shall be made to the applicable agent or administrative agent, as applicable, on behalf of such Conduit Assignee; and (vi) if requested by the Administrative Agent or the agent or administrative agent with respect to the Conduit Assignee, the parties will execute and deliver such further agreements and documents and take such other actions as the Administrative Agent or such agent or administrative agent may reasonably request to evidence and give effect to the foregoing. No assignment by any CP Conduit Purchaser to a Conduit Assignee of the Purchaser Group Principal Amount with respect to such CP Conduit Purchaser shall in any way diminish the obligations of the Group Bank with respect to such CP Conduit Purchaser under Section 3.3 to fund any Increase.

(c) Any Group Bank may, in the ordinary course of its business and in accordance with applicable law, at any time, sell all or any part of its rights and obligations under this Supplemental Indenture and the Series 2017-1 Senior Notes, with the prior written consent of the Administrative Agent and the Issuer (in each case, which consent shall not be unreasonably withheld), to one or more banks (an "**Acquiring Group Bank**") pursuant to a transfer supplement, substantially in the form of Exhibit H (the "**Transfer Supplement**"), executed by such Acquiring Group Bank, such assigning Group Bank, the Funding Agent with respect to such Group Bank, the Administrative Agent and the Issuer and delivered to the Administrative Agent. Notwithstanding the foregoing, no Group Bank shall so sell its rights hereunder if such Acquiring Group Bank is not an Eligible Assignee.

(d) Any Group Bank may, in the ordinary course of its business and in accordance with applicable law at any time sell to one or more financial institutions or other entities ("**Group Bank Participants**") participations in its Commitment Amount with respect to its related CP Conduit Purchaser Group, its Series 2017-1 Senior Note and its rights hereunder pursuant to documentation in form and substance satisfactory to such Group Bank and the Group Bank Participant; provided, however, that (i) in the event of any such sale by a Group Bank to a Group Bank Participant, (A) such Group Bank's obligations under this Supplemental Indenture shall remain unchanged, (B) such Group Bank shall remain solely responsible for the performance thereof, and (C) the Issuer and the Administrative Agent shall continue to deal solely and directly with such Group Bank in connection with its rights and obligations under this Supplemental Indenture; and (ii) no Group Bank shall sell any participating interest under which the Group Bank Participant shall have rights to approve any amendment to, or any consent or waiver with respect to, this Supplemental Indenture, the Trust Indenture or any Program Agreement, except to the extent that the approval of such amendment, consent or waiver otherwise would require the unanimous consent of all Group Banks hereunder. A Group Bank Participant shall have the right to receive compensation pursuant to Sections 3.10 and 3.11 but only to the extent that the related selling Group Bank would have had such right absent the sale of the related participation and, with respect to amounts due pursuant to Sections 3.10 and 3.11, only to the extent such Group Bank Participant shall have complied with the provisions of Sections 3.10 and 3.11 as if such Group Bank Participant were a Group Bank.

(e) Any CP Conduit Purchaser and the Group Bank with respect to such CP Conduit Purchaser may, at any time, sell all or any part of their respective rights and obligations, and any Non-Conduit Purchaser may, at any time, sell all or any part of its rights and obligations, under this Supplemental Indenture and the Series 2017-1 Senior Notes, with the prior written consent of the Administrative Agent and the Issuer (in each case, which consent shall not be unreasonably withheld), (x) to a

multi-seller commercial paper conduit and one or more banks providing support to such multi-seller commercial paper conduit, or (y) to a financial institution or other entity (an "**Acquiring Purchaser Group**") pursuant to a transfer supplement, substantially in the form of Exhibit I (the "**Purchaser Group Supplement**"), executed by such Acquiring Purchaser Group (including the CP Conduit Purchaser and the Group Banks, if any, with respect to such Acquiring Purchaser Group), the Funding Agent, if any, with respect to such Acquiring Purchaser Group, such assigning Purchaser Group (including the Group Banks, if any, with respect to such assigning Purchaser Group), the Funding Agent, if any, with respect to such assigning Purchaser Group and the Administrative Agent and the Issuer and delivered to the Administrative Agent.

(f) Any Non-Conduit Purchaser may, in the ordinary course of its business and in accordance with applicable law, at any time sell to one or more financial institutions or other entities ("**Non-Conduit Purchaser Participants**") participations in its Commitment, its Series 2017-1 Senior Note and its rights hereunder pursuant to documentation in form and substance satisfactory to such Non-Conduit Purchaser and the Non-Conduit Purchaser Participant; provided, however, that (i) in the event of any such sale by a Non-Conduit Purchaser to a Non-Conduit Purchaser Participant, (A) such Non-Conduit Purchaser's obligations under this Supplemental Indenture shall remain unchanged, (B) such Non-Conduit Purchaser shall remain solely responsible for the performance thereof, and (C) the Issuer and the Administrative Agent shall continue to deal solely and directly with such Non-Conduit Purchaser in connection with its rights and obligations under this Supplemental Indenture; and (ii) no Non-Conduit Purchaser shall sell any participating interest under which the Non-Conduit Purchaser Participant shall have rights to approve any amendment to, or any consent or waiver with respect to, this Supplemental Indenture, the Trust Indenture or any Program Agreement, except to the extent that the approval of such amendment, consent or waiver otherwise would require the unanimous consent of all Series 2017-1 Noteholders hereunder. A Non-Conduit Purchaser Participant shall have the right to receive compensation under Sections 3.10 and 3.11 but only to the extent that the related selling Non-Conduit Purchaser would have had such right absent the sale of the related participation and, with respect to amounts due pursuant to Sections 3.10 and 3.11, only to the extent such Non-Conduit Purchaser Participant shall have complied with the provisions of Sections 3.10 and 3.11 as if such Non-Conduit Purchaser Participant were a Non-Conduit Purchaser.

(g) The Issuer authorizes each Group Bank and Non-Conduit Purchaser to disclose to any Group Bank Participant, Acquiring Group Bank, Non-Conduit Purchaser Participant or Acquiring Purchaser Group (each, a "**Transferee**") and any prospective Transferee any and all financial information in such Group Bank's or Non-Conduit Purchaser's possession concerning the Issuer, the Issuer Investment Asset and the Program Agreements which has been delivered to such Group Bank by the Issuer or the Manager in connection with such Group Bank's credit evaluation of the Issuer and the Issuer Investment Asset.

(h) Notwithstanding any other provision of this Supplemental Indenture to the contrary, any Non-Conduit Purchaser, any Group Bank or any Program Support Provider may at any time pledge or grant a security interest in all or any portion of its rights under its Series 2017-1 Senior Note and this Supplemental Indenture to secure obligations of such Non-Conduit Purchaser, such Group Bank or such Program Support Provider to a Federal Reserve Bank or the Bank of Canada, without notice to or consent of the Administrative Agent, the Issuer or the Administrator; provided that no such pledge or grant of a security interest shall release a Non-Conduit Purchaser or an Group Bank

from any of its obligations hereunder or substitute any such pledgee or grantee for such Non-Conduit Purchaser or such Group Bank as a party hereto.

8.2 Waiver

Without limiting the requirements of Section **[11.02]** of the Trust Indenture which shall be applicable to this Supplemental Indenture, no waiver of any provision of this Supplemental Indenture or consent to any departure by the Issuer from any provision of this Supplemental Indenture will be effective (in whole or in part) unless in writing and signed by the Requisite Series 2017-1 Noteholders. Such waiver will be effective only in the specific instance, for the specific purpose and for the specific length of time for which it is given by the Requisite Series 2017-1 Noteholders.

8.3 Notice

All notices, requests, instructions and demands to or upon any party hereto to be effective shall be given (a) in the case of the Issuer and the Indenture Trustee, in the manner set forth in Article **[15]** of the Trust Indenture; and (b) in the case of the Administrative Agent, the Non-Conduit Purchasers, the CP Conduit Purchasers, the Group Banks and the Funding Agents, in writing, and, unless otherwise expressly provided herein, shall be deemed to have been duly given or made when delivered by hand or three days after being deposited in the mail, postage prepaid, in the case of facsimile notice, when received, or in the case of overnight air courier, one Business Day after the date such notice is delivered to such overnight courier, addressed as follows in the case of the Administrative Agent and to the addresses therefor set forth in Schedule E, in the case of the Non-Conduit Purchasers, the CP Conduit Purchasers, the Group Banks and the Funding Agents; or to such other address as may be hereafter notified by the respective parties hereto:

8.4 No Waiver: Remedies

No failure on the part of any party to exercise, and no delay in exercising, any power, right or remedy hereunder will operate as a waiver thereof; nor will any single or partial exercise of any such power, right or remedy hereunder preclude any other or further exercise thereof or the exercise of any other power, right or remedy. The rights and remedies herein provided are cumulative and not exclusive of any remedies provided by applicable law.

8.5 Entire Agreement

This Supplemental Indenture, the Fee Letter, the Trust Indenture and the other Program Agreements contain the entire agreement between the parties relative to the subject matter hereof and supersede all prior and contemporaneous agreements, term sheets, commitments, understandings, negotiations and discussions, whether oral or written. There are no warranties, representations or other agreements between the parties in connection with the subject matter

hereof except as specifically set forth in this Supplemental Indenture, the Fee Letter, the Trust Indenture and the other Program Agreements.

The Administrative Agent, each Non-Conduit Purchaser, each CP Conduit Purchaser, each Group Bank and each Funding Agent hereby acknowledges and agrees in favour of the Indenture Trustee that it is a Specified Creditor under the Trust Indenture and its entitlements as a Specified Creditor are subject to the provisions applicable to Specified Creditors under the Trust Indenture including, without limitation, Section **[7.06]** (Payments Held in Trust), Section **[8.12]** (Limitation on Suits), Sections **[7.04 and 8.13]** (Payment Priorities), Section **[8.14]** (Limited Recourse) and Section **[16.01]** (No Petition).

8.8 Expenses

The Issuer agrees to pay on demand (a) to the Indenture Trustee, the Administrative Agent and the Purchaser Groups all reasonable costs and expenses in connection with the preparation, execution, and delivery of this Supplemental Indenture and the other documents to be delivered hereunder or in connection herewith, including, the reasonable fees and out-of-pocket expenses of counsel for the Administrative Agent and the Purchaser Groups, with respect thereto, and the reasonable fees and out-of-pocket expenses incurred by the CP Conduit Purchasers in connection with the review by each rating agency then rating the Commercial Paper of such CP Conduit Purchaser of the transactions contemplated by this Supplemental Indenture and the Program Agreements; (b) to the Indenture Trustee, the Administrative Agent and each Purchaser Group all reasonable costs and expenses in connection with any amendments of or waivers or consents under this Supplemental Indenture or the Program Agreements, including in each case the reasonable fees and out-of-pocket expenses of counsel with respect thereto, and the reasonable fees and out-of-pocket expenses incurred by the CP Conduit Purchasers in connection with the review by any rating agency then rating the Commercial Paper of such CP Conduit Purchasers; and (c) to the Indenture Trustee, the Administrative Agent and each Purchaser Group, on demand, all reasonable costs and expenses (including reasonable fees and expenses of counsel to the Administrative Agent and each Purchaser Group), if any, in connection with the enforcement of this Supplemental Indenture or any of the Program Agreements, and the other documents delivered thereunder or in connection therewith.

8.9 Further Assurances

2.5 Rights of Unitholders

No Unitholder shall be entitled to call for any partition or division of the Trust Property or for a distribution of any particular asset forming part of the Trust Property or of any particular monies or funds received by the Issuer Trustee. The legal ownership of the Trust Property and the right to conduct the activities of the Trust are vested exclusively in the Issuer Trustee, and no Unitholder has or is deemed to have any right of ownership in any of the Trust Property, except as specifically provided herein. Except as specifically provided herein, no Unitholder or Unitholders shall be entitled to interfere with or give any direction to the Issuer Trustee with respect to the affairs of the Trust or in connection with the exercise of any powers or authorities conferred upon the Issuer Trustee under this Declaration of Trust. The Units shall be personal property and shall confer upon the holders thereof only the interest and rights, and impose upon the holders thereof only those liabilities and obligations, specifically set forth in this Declaration of Trust.

ARTICLE 3
UNITS

3.1 Nature of Units

The beneficial interests in the Trust shall be divided into a single class of Units. Each Unit represents an equal undivided beneficial interest in any distributions by the Trust, whether of Income of the Trust, Net Realized Capital Gains of the Trust (other than Net Realized Capital Gains of the Trust Allocated on Redemption to redeeming Unitholders), or other amounts, and, in the event of termination or winding up of the Trust, in the net assets of the Trust remaining after satisfaction of all liabilities. All Units rank equally among themselves and rateably without discrimination, preference or priority. Each Unit will entitle the Unitholder of record thereof to one vote at all meetings of the Unitholders or in respect of any written resolution of the Unitholders. Each Unit, when issued, shall vest indefeasibly in the holder thereof.

The number of Units which the Trust may issue is unlimited. The issued and outstanding Units may be subdivided or consolidated from time to time by the Issuer Trustee without notice to or approval of the Unitholders. Unless the Issuer Trustee determines otherwise, immediately after any *pro rata* issuance of additional Units to all Unitholders pursuant to subsection 11.3(3), the number of outstanding Units will automatically be consolidated such that each such holder will hold after the consolidation the same number of Units as such holder held before the issuance of additional Units.

3.2 Consideration of Units

A Unit will not be fully paid until the consideration therefor has been received in full by or on behalf of the Trust. The consideration for any Unit will be paid in money or in property (including, without limitation, a debt instrument issued to the Trust) or in past services received by the Trust that are not less in value than the fair equivalent of the money that the Trust would have received if the Unit had been issued for money. In determining whether property or past services are the fair equivalent of consideration paid in money, the Issuer Trustee may take into account reasonable charges and expenses of organization and reorganization and payments for property and past services reasonably expected to benefit the Trust. In no case will a Unit be issued to a Designated Beneficiary.

3.3 No Pre-Emptive Rights

No Person shall be entitled, as a matter of right, to subscribe for or purchase any Units of the Trust. There are no pre-emptive rights attaching to the Units.

3.4 Fractional Units

If as a result of any act of the Issuer Trustee hereunder, any Person becomes entitled to a fraction of a Unit, such Person will not be entitled to receive a certificate therefor. Fractional Units will not, except to the extent that they may represent in the aggregate one or more whole Units, entitle the holders thereof to notice of or to attend or to vote at meetings of the Unitholders. Subject to the foregoing, such fractional Units will have attached thereto the rights, restrictions, conditions and limitations attaching to whole Units in the proportion that they bear to a whole Unit.

3.5 Allotment and Issue

Subject to Section 3.6, the Issuer Trustee may allot and issue Units at such time or times and in such manner (including pursuant to any plan from time to time in effect relating to reinvestment by the Unitholders of distributions of the Trust in Units) and to such Person, Persons or class of Persons as the Issuer Trustee in its sole discretion will determine. The price or the value of the consideration for which Units may be issued and the terms and conditions of issuance of the Units will be determined by the Issuer Trustee in its sole discretion. Not restricting the generality of the foregoing, the Issuer Trustee may accept amounts received from a Unitholder as a prepayment in respect of the obligation of the Unitholder to pay all or any part of the subscription price of Units to be issued at a later date by the Issuer Trustee. In such circumstances, such prepayment will form part of the Trust Property. In the event that Units are issued in whole or in part for a consideration other than money, the resolution of the Issuer Trustee allotting and issuing such Units will express the fair equivalent in money of the other consideration received.

3.6 Prohibited Issuances and Transfers

(1) Notwithstanding any other provision in this Declaration of Trust, at no time, may Units be issued or transferred to a Person who would be a "designated beneficiary" within the meaning of Part XII.2 of the ITA ("**Designated Beneficiary**"), and the Issuer Trustee will not accept a subscription for Units from, or issue or register a transfer of Units to, a Person unless the Person provides a declaration to the Issuer Trustee that it would not be a Designated Beneficiary and covenants to maintain such representation true for as long as it continues to hold one or more Units. If, notwithstanding the foregoing, the Issuer Trustee determines that a Person has purported to become or remain a Unitholder in breach of the above mentioned declaration or covenant, or if the Unitholder fails to provide, upon request, a declaration in form and content satisfactory to the Issuer Trustee that it is not a Designated Beneficiary, (i) the Issuer Trustee will require such Person to dispose of the Units within a specified period not to exceed 60 days to a Person who does not contravene the above mentioned limitation on ownership ("**New Holder**"), and (ii) effective immediately prior to the breach, such Person will be deemed to have ceased to be a holder of such Units, the voting and distribution rights attached to such Units will be suspended and such Units will be deemed not to be outstanding until acquired by a New Holder (provided that holders of other Units will not be entitled to any portion of the distributions that may have been paid in respect of Units that have been so deemed not to be outstanding) and such Person's rights in respect of such Units will be limited to receiving the net proceeds of the sale thereof. If such Person has not, within such period, sold such Units or provided the Issuer Trustee with a declaration in form and content satisfactory to the Issuer Trustee that it is not a Designated Beneficiary, the Issuer Trustee may sell such Units on behalf of such Person (and the Issuer Trustee will have the power of attorney of such Person to do so), and such Person's rights in respect of such Units will be limited to receiving the net proceeds of sale upon surrender of the certificates representing such Units.

(2) Subject to this section 3.6, and until the Issuer Trustee will have been required to do so under the terms hereof, the Issuer Trustee will not be bound to do or take any proceeding or action with respect to this section 3.6 by virtue of the powers conferred on it hereby. The Issuer Trustee will have the sole right and authority to make any determination required

for the administration of the provisions of, or contemplated under this section 3.6, and without limiting the generality of the foregoing, if the Issuer Trustee considers that there are reasonable grounds for believing that a contravention of the above mentioned limitation on ownership has occurred or may occur, the Issuer Trustee will make a determination with respect to the matter. Any such determination will be conclusive, final and binding for the purposes of this section 3.6 except to the extent modified by any subsequent determination by the Issuer Trustee. The Issuer Trustee may require declarations as to whether a Unitholder is a Designated Beneficiary or as to factual information that will enable the Issuer Trustee to determine whether a Unitholder or a prospective transferee of a Unit may be a Designated Beneficiary. In any situation where it is unclear whether Units may be held by a Person who may be a Designated Beneficiary, the Issuer Trustee may exercise its discretion in determining whether such Person is or is not a Designated Beneficiary, and any such exercise by it of its discretion will be binding for the purposes of this section 3.6.

3.7 Liability of Unitholders

No Unitholder of the Trust, in its capacity as such, will incur or be subject to any liability, direct or indirect, absolute or contingent, in contract or in tort or of any other kind, to any Person in connection with: (i) the Trust Property or the ownership, use, operation, acquisition or disposition thereof or exercise or enjoyment of the rights, privileges, conditions or benefits attached thereto, associated therewith or derived therefrom; (ii) the obligations, liabilities, activities or affairs of the Trust; (iii) any actual or alleged act or omission of the Issuer Trustee or any other Person in respect of the activities or affairs of the Trust (whether or not authorized by or pursuant to this Declaration of Trust); (iv) any actual or alleged act or omission of the Issuer Trustee or any other Person in the performance or exercise, or purported or attempted performance or exercise, of any obligation, power, discretion or authority conferred upon the Issuer Trustee or such other Person in respect of the activities or affairs of the Trust (whether or not authorized by or pursuant to this Declaration of Trust); (v) any transaction entered into by the Issuer Trustee or by any other Person in respect of the activities or affairs of the Trust (whether or not authorized by or pursuant to this Declaration of Trust); or (vi) any taxes, levies, imposts or charges or fines, penalties or interest in respect thereof payable by the Trust or by the Issuer Trustee or by any other Person (except the Unitholders to the extent required by applicable tax laws) on behalf of or in connection with the activities or affairs of the Trust. No Unitholder will be liable to indemnify the Issuer Trustee or any other Person with respect to any such liability or liabilities incurred by the Issuer Trustee or by any such other Person or Persons or with respect to any taxes payable by the Trust or by the Issuer Trustee or any other Person on behalf of or in connection with the Trust. To the extent that any such liabilities of the Unitholders may arise, they will be enforceable only against, and will be satisfied only out of, the Trust Property to the full extent of such liability and the costs of any litigation or other proceedings in which such liability will have been determined, including without limitation, the fees and disbursements of counsel.

ARTICLE 4
REDEMPTION OF UNITS

4.1 Redemption of Units

Each Unitholder will be entitled to require the Trust to redeem at any time and from time to time at the demand of such Unitholder all or any part of the Units held by such Unitholder as follows:

(1) The Unitholder will give notice in writing to the Trust at its head office of its intention to redeem Units and the number of Units to be redeemed.

(2) Upon receipt by the Trust of such notice from the Unitholder to redeem Units, the Unitholder will be entitled to receive, subject to subsection 4.1(3), an amount equal to the aggregate fair market value of such Units immediately before the redemption (the "**Redemption Price**") established by the Issuer Trustee, acting reasonably, payable by certified cheque or via wire transfer of funds.

(3) In the event that the Trust has insufficient funds to make the payment required pursuant to subsection 4.1(2) or such payment is restricted under the terms of the Indenture, the Trust will satisfy the Redemption Price, subject to compliance with any regulatory requirements, by either issuing a promissory note to the Unitholder, which note shall have a principal amount equal to the Redemption Price and such other terms as is determined at the time of issuance by the Issuer Trustee, or by distributing to the redeeming Unitholder *in specie* a proportionate amount of the Trust Property, the fair market value of which, as determined by the Issuer Trustee, acting reasonably, is equal to the Redemption Price. In the event that property is distributed *in specie*, the amount of Net Realized Capital Gains of the Trust Allocated on Redemption as contemplated by subsection 4.1(5) payable in connection with the redemption of Units shall be payable to the Unitholder in kind, and to the extent of the amount thereof, the Redemption Price of the Units being redeemed shall be reduced accordingly (the "**Adjusted Redemption Price**").

(4) Upon satisfaction of the Redemption Price or the Adjusted Redemption Price, as the case may be, the redeeming Unitholder will not be entitled to any rights or benefits, including voting and the right to receive distributions, in connection with the Units redeemed.

(5) Where the Trust distributes Trust Property *in specie* as contemplated in subsection 4.1(3), the Issuer Trustee shall designate and pay to the redeeming Unitholder such part of the Net Realized Capital Gains of the Trust as is realized by the Trust in connection with such *in specie* distribution, provided that the amount of the Net Realize Capital Gains on the Trust so allocated shall not exceed the amount, if any, by which the Redemption Price of the particular Units being redeemed exceeds the aggregate adjusted cost base of such Units to the Unitholder for the purpose of the ITA immediately before the redemption (the "**Net Realized Capital Gains of the Trust Allocated on Redemption**"). If the total Net Realized Capital Gains of the Trust Allocated on Redemption determined by the Issuer Trustee pursuant to the preceding sentence for all redeeming Unitholders in any taxation year exceeds the Net Realized Capital Gains of the Trust for that year, the Net Realized

Capital Gains of the Trust for that taxation year shall be allocated rateably to all redeeming Unitholders for the year based on the Net Realized Capital Gains of the Trust Allocated on Redemption as otherwise determined pursuant to the preceding sentence. The Net Realized Capital Gains of the Trust Allocated on Redemption designated and paid on the redemption of Units as determined under this subsection shall be deemed to be a distribution of Net Realized Capital Gains of the Trust for the particular taxation year in which the redemption occurs. If the Issuer Trustee is required to deduct or withhold an amount from such distribution, the Unitholder shall make the cash payment described in Section 11.7 to the Issuer Trustee on or prior to the date the Units are to be redeemed.

ARTICLE 5
RIGHTS AND POWERS OF ISSUER TRUSTEE

5.1 General Rights and Powers

Subject to the specific restrictions and limitations set forth in this Declaration of Trust and notwithstanding the provisions of the *Trustee Act* (Ontario) or any other similar legislation in any jurisdiction, the Issuer Trustee will have, without the necessity of authorization by, and free from any power or control on the part of, the Unitholders, full, exclusive and absolute power, control and authority over the Trust Property and the Trust Activities to the same extent as if the Issuer Trustee were the sole and absolute owner thereof in its own right including, without limitation, such power, control and authority to do all such acts and things as in its sole judgment and discretion are necessary, incidental or desirable for carrying on the Trust Activities in accordance with the Program Agreements with such powers of delegation as may be permitted by this Declaration of Trust, including the right, power and authority to amend this Declaration of Trust subject to and in accordance with the terms hereof and to appoint, employ or contract with any Person as the Issuer Trustee may deem necessary, appropriate or desirable for the transaction of the Trust Activities, including for the administration of the Trust. The Issuer Trustee shall exercise the functions of the trustee of the Trust in Ontario, Canada. For greater certainty, the powers of the Issuer Trustee that may be exercised as aforesaid include the powers set forth in Section 5.2 to and including Section 5.18. The enumeration of any specific power or authority in this Declaration of Trust will not be construed as limiting the aforesaid power or authority or any other specific power or authority. Subject only to the express limitations contained in this Declaration of Trust, every discretion or power hereby conferred on the Issuer Trustee is an absolute and uncontrolled discretion or power.

5.2 Acquisition of Assets and Deposit of Funds

Subject to Section 2.1, the Issuer Trustee will have the power to acquire Investment Interests in accordance with the Program Agreements. Subject to compliance with the terms of the Program Agreements, the Issuer Trustee will have the power to deposit any money forming part of the Trust Property with any bank (which bank may be an Affiliate of the Issuer Trustee) licensed under the laws of Canada or any trust company (which includes the Issuer Trustee) licensed under the laws of any province of Canada and to withdraw such deposits in accordance with the Program Agreements. The Issuer Trustee will have no liability for any loss which may occur by reason of the failure of any depository with whom such money has been deposited or for the depreciation of any investment.

5.3 Legal Title and Custody

The Issuer Trustee will have the power to cause any and all Trust Property to be held by and/or registered in the name of any Person.

5.4 Disposition of Trust Property

In accordance with and subject to the terms of the Program Agreements, the Issuer Trustee will have the power to sell, convey, transfer and assign all Trust Property free and clear of any and all trusts hereby established, at public or private sale, for cash or on terms, with or without advertisement and subject to such restrictions, stipulations, agreements and reservations as it may deem proper.

5.5 Management of Trust Property

In accordance with and subject to the terms of the Program Agreements, the Issuer Trustee will have the power to own, manage, use, invest and hold the Trust Property (including, without limitation, the power to make investments in Eligible Investments) and to enter into agreements in respect of the Trust Property or its use including, without limitation, agreements to modify, amend, extend, renew or terminate any grant or agreement relating to the Trust Property and to waive compliance with any of the terms and conditions thereof, all, in each case, without the approval of or notice to the Unitholders.

5.6 Power to Borrow Money and Issue Funding Obligations

In accordance with and subject to the terms of the Program Agreements, the Issuer Trustee will have the power to:

(a) borrow or in any other manner raise money and to evidence the same by the issuance of Funding Obligations, by private placement, public offering or otherwise;

(b) reacquire or redeem Funding Obligations;

(c) execute and deliver any trust indenture or supplement thereto, security agreement, mortgage, pledge, hypothec, assignment or other instrument to secure Funding Obligations, and amendments, modifications, restatements or replacements thereof, whether by fixed or floating charge or by assignment or by the granting of a security interest, free and clear of any and all trusts hereby established and, in lieu of or in addition to granting any security, to grant to any Person a negative pledge whereby the Issuer Trustee agrees not to encumber any Trust Property and such other covenants as may be consistent with those set out in the Program Agreements or as may otherwise be specified by any applicable Rating Agency in accordance with the foregoing; and

(d) execute and/or deliver any agreement, instrument, certificate, direction or other document necessary or desirable in order to permit or give effect to the provisions of this Section 5.6, including, without limitation, prospectuses, offering

memoranda, regulatory filings, dealer agreements, Underwriting Agreements, subscription agreements, letters of representation, consent letters, and any instruments ancillary thereto.

5.7 Hedging Agreements

In accordance with and subject to the terms of the Program Agreements, the Issuer Trustee will have the power to enter into Hedging Agreements in connection with or related to the borrowing or other raising of money by the Issuer Trustee or the purchase or ownership of Investment Interests, provided that such Hedging Agreements may be entered into only at or prior to the time that such securities are sold, or such borrowing, other raising of money or purchase takes place, as applicable, or as otherwise expressly permitted in the Management Agreement; provided, however, that amendments, modifications or novations of or to a Hedging Agreement may be entered into at any time after the original Hedging Agreement was executed.

5.8 Execution of Instruments

Every deed, transfer, assignment, hypothec, agreement, certificate, direction, instrument, prospectus, or any other document which is necessary or desirable to be executed by the Trust, including, without limitation, any document evidencing Funding Obligations or relating to the issuance of Funding Obligations, will be signed on behalf of the Trust by the Issuer Trustee or its duly appointed agent, including the Manager.

5.9 Facsimile Signatures

The Issuer Trustee may authorize the use of facsimile signatures on the documents evidencing Funding Obligations, provided, however, that where facsimile signatures are so used, documents evidencing Funding Obligations will be manually countersigned or certified by a transfer agent, trustee, registrar or similar Person. If a Funding Obligation contains a printed or mechanically reproduced signature of a Person, the Issuer Trustee may issue the Funding Obligation notwithstanding that the Person has ceased to be a director, officer or signing officer of the Issuer Trustee, and the Funding Obligation will be as valid as if the Person were a director, an officer or a signing officer at the date of its issue.

5.10 Taxes

The Issuer Trustee will have the power to pay all taxes or assessments of whatever kind or nature imposed upon the Issuer Trustee and/or the Trust in connection with the Trust Property or the Trust Activities or upon or against the income from the Trust Activities or any part thereof, to settle and compromise disputed tax liabilities and, for the foregoing purposes, to make such returns and do all such other acts and things as may be deemed by the Issuer Trustee necessary or desirable. The Issuer Trustee will have the power to deduct and remit any taxes which are required by law to be deducted and remitted from any payment made by the Issuer Trustee under any Program Agreements or otherwise.

5.11 Collection

In accordance with and subject to the terms of the Program Agreements, the Issuer Trustee will have the power to:

(a) collect, receive, give receipts for and sue for all sums of money or other property due to the Trust;

(b) consent to extensions of time for payment of, or the renewal of, any securities or obligations of the Trust;

(c) engage or intervene in, prosecute, defend, compound, compromise, abandon or adjust by arbitration or otherwise deal with or settle any actions, suits, proceedings, disputes, claims, demands or things relating to the Trust Property or the Trust Activities;

(d) exercise any and all remedies available to it under any Program Agreements or otherwise, including any power of foreclosure or sale available to the Issuer Trustee at law or pursuant to any agreement and, in connection with any such foreclosure or sale, to purchase or otherwise acquire title to any property and to convey good title thereto free of any and all trusts hereby established, or to take or retake possession of any property secured or unsecured thereunder or such other security;

(e) extend the time, with or without security, for the payment or delivery of any debts or property and to execute and enter into releases, agreements and other instruments; and

(f) pay or satisfy any debts or claims upon any evidence that the Issuer Trustee determines to be sufficient.

5.12 Expenses and Compensation of Issuer Trustee

(a) The Issuer Trustee will have the power to incur and make payment of any charges or expenses which in the opinion of the Issuer Trustee are necessary or incidental to or proper for carrying out any of the purposes of this Declaration of Trust and the Trust Activities, and to pay appropriate compensation or fees from the Trust Property to Persons with whom the Trust has contracted or transacted business including, without limitation, any charges, expenses, compensation or fees payable under or in connection with the Program Agreements.

(b) The Issuer Trustee will be entitled to be paid from the funds of the Trust, without any requirement of a passing of accounts in respect thereof or approval of the Unitholders, such fees as the Issuer Trustee and the Manager may agree to from time to time for its services hereunder and all reasonable expenses, disbursements and advances incurred or made by the Issuer Trustee in the administration or execution of the trusts hereby created (including the reasonable compensation and the disbursements of its counsel and all other advisers and assistants not regularly in its employ) until all the duties of the Issuer Trustee under the trusts hereby

created shall be finally and fully performed, except any such expense, disbursement or advance as may arise from or in connection with the dishonesty, bad faith, wilful misconduct, negligence or reckless disregard of any duty or the failure to comply with the standard of care referred to in Section 7.1 by the Issuer Trustee, its officers, employees or agents. All such amounts will be payable at such times as the Issuer Trustee and the Manager may agree from time to time. All such amounts shall be exclusive of any applicable taxes and any applicable taxes shall be paid to the Issuer Trustee in addition to such amounts. Any amount not paid when due shall bear interest at a rate per annum equal to the rate designated by the Issuer Trustee as the then current rate charged by the Issuer Trustee or its successors from time to time to its corporate customers, payable on demand. After default and unless otherwise provided in the Indenture and any documents contemplated thereunder, all amounts so payable and the interest thereon shall be payable out of any funds coming into the possession of the Issuer Trustee or its successors in the trusts hereunder in priority to any payments to other Specified Creditors.

5.13 Allocation

The Issuer Trustee will have the power to determine conclusively whether money or other assets received by the Trust or expenses or disbursements made by the Trust will be charged or credited to income or capital or allocated between income and capital, provided, however, that such determination will not be inconsistent with calculation of income in accordance with the ITA at the time the determination is made.

5.14 Fiscal Year and Form of Accounts

The fiscal year of the Trust will end on December 31. The Issuer Trustee will have the power to determine and from time to time change the method or form in which the accounts of the Trust will be kept, provided such method or form reasonably complies with Canadian generally accepted accounting principles as applicable from time to time.

5.15 Power to Contract

In accordance with and subject to the terms of the Program Agreements, the Issuer Trustee will have the power to appoint, employ or contract with any Person as the Issuer Trustee may deem necessary or desirable for the transaction of the Trust Activities and may transfer assets to such Person and, save and except for such matters as are listed in Section 2.2, delegate to such Person any or all of the discretionary powers given to the Issuer Trustee with respect to the management of the Trust Property. Without in any way limiting the generality of the foregoing, the Issuer Trustee will have the power to:

(a) enter into, execute, deliver, perform the obligations of the Trust under, and grant security as provided for in, the Program Agreements;

(b) appoint, employ or contract with the Manager or any other Person who, under the supervision of the Manager, may, among other things: (i) furnish and supervise or cause to be furnished and supervised the performance of the clerical and administrative services necessary to the administration of the Trust and the Trust

Property including, without limitation, the provision of office space, office equipment and personnel for the performance of such services, property management, administration and servicing, the maintenance of documents, books and Records for the Trust (including those described in Section 8.1), the receipt and disbursement of Trust Property, the servicing and payment of debt and other obligations and generally all matters relating to the obtaining of and the administration and servicing of Trust Property, including, without limitation, as provided in the Management Agreement; (ii) serve as an advisor to the Issuer Trustee, furnish reports to the Issuer Trustee and provide research, economic and statistical data in connection with the Trust Activities; (iii) act as consultant, accountant, correspondent, lender, technical advisor, counsel, broker and dealer, underwriter, fiscal agent, corporate fiduciary, escrow agent, depository, custodian or agent for collection from obligors, loan administrator, appraiser, bank, insurer or insurance agent, transfer agent or registrar or issuing and paying agent for Funding Obligations or in any other capacity deemed by the Issuer Trustee necessary or desirable; (iv) act as attorney or agent in the purchase or sale or other disposition of the Trust Property or the property secured thereby and the handling, prosecution or settling of any claims of the Trust and assist in the performance of such functions necessary in the management of the Trust as may be agreed upon with the Issuer Trustee; and (v) execute and deliver the Program Agreements. For greater certainty, the appointment by the Issuer Trustee of the Manager under the Management Agreement will, where applicable, be deemed to constitute adequate supervision by the Issuer Trustee for purposes of the *Trustee Act* (Ontario) and this Declaration of Trust of any Person thereby engaged in connection with the foregoing activities; and

(c) investigate, select and conduct negotiations with Persons acting in the capacities referred to in Section 5.15(b) and pay appropriate fees to, and enter into appropriate contracts with, employ or retain the services of, any of them in connection with the Trust Property or property secured thereby, other assets and any security related thereto funded, acquired, sold or otherwise disposed of, or committed, negotiated or contemplated to be funded, acquired, sold, or otherwise disposed of in connection with Funding Obligations.

5.16 Indemnification

In accordance with and subject to the terms of the Program Agreements, the Issuer Trustee will have the power to indemnify or enter into agreements with respect to indemnification with any Person with whom the Issuer Trustee or the Trust deals to such extent as the Issuer Trustee determines necessary or desirable.

5.17 Further Powers

Subject to Section 2.1, the Issuer Trustee will have the power to perform and do all such other acts and things and to execute itself (or have executed by any Person appointed by it pursuant to Section 5.15) all such deeds, transfers, assignments, hypothecs, agreements, certificates, directions, instruments or other documents whatsoever as it deems necessary, proper or desirable

in order to carry on the Trust Activities in accordance with and subject to the Program Agreements notwithstanding that such acts, things, deeds, transfers, assignments, hypothecs, agreements, certificates, directions, instruments or other documents are not herein specifically mentioned. Any determination as to what is necessary, proper or desirable in order to carry on the Trust Activities in accordance with the Program Agreements or otherwise, provided it is made by the Issuer Trustee honestly and in good faith, will be conclusive. Any construction of this Declaration of Trust or the existence of any power or authority hereunder, made honestly and in good faith by the Issuer Trustee upon the advice of counsel, will be conclusive to the extent consistent with the law. In construing the provisions of this Declaration of Trust, there will be a presumption in favour of a grant of power to the Issuer Trustee.

5.18 Auditors

In accordance with and subject to the terms of the Program Agreements, the Issuer Trustee will have the power from time to time to select and appoint and discharge and reappoint an auditor of the Trust in its discretion and to negotiate and fix the fees of any such auditor.

5.19 Defect in Appointment

Notwithstanding anything to the contrary herein contained, no action taken by the Issuer Trustee will be invalid by reason only of any defect that is thereafter discovered in its appointment.

5.20 Status

The Issuer Trustee shall not have the status of bankrupt and shall be resident in Canada for purposes of the ITA.

ARTICLE 6
REPLACEMENT OF ISSUER TRUSTEE

6.1 Resignation of Issuer Trustee

(a) If the Issuer Trustee desires to resign and be discharged from the trusts and powers reposed in or conferred on it by this Declaration of Trust, it will provide 120 days written notice (or such shorter period of notice as the Unitholders , the Indenture Trustee and the Rating Agencies may agree to) thereof to the Unitholders, the Indenture Trustee and the Rating Agencies provided that no such voluntary resignation shall be effective until a replacement Issuer Trustee acceptable to the Unitholders and the Indenture Trustee has been appointed and has executed a written agreement whereby such replacement Issuer Trustee agrees to assume the obligations of the Issuer Trustee hereunder, under the Program Agreements and under any other contract pursuant to which the Issuer Trustee is obligated.

(b) The Issuer Trustee shall resign if a material conflict of interest arises in its role as a trustee under this Declaration of Trust that is not eliminated within 90 days after the Issuer Trustee becomes aware that it has such a material conflict of interest. Forthwith after the Issuer Trustee becomes aware that it has such a material conflict of interest, it shall provide the Unitholders, the Indenture Trustee and the Rating

Agencies with written notice of the nature of such material conflict of interest. Upon such resignation, the Issuer Trustee shall (subject to Section 6.6) be discharged from its office under this Declaration of Trust. If, notwithstanding the foregoing provisions of this Section 6.1(b), the Issuer Trustee has such a material conflict of interest, the validity and enforceability of this Declaration of Trust and any agreement entered into by the Issuer Trustee shall not be affected in any manner whatsoever by reason only of the existence of such material conflict of interest. If the Issuer Trustee contravenes the foregoing provisions of this Section 6.1(b), the Unitholders, may apply, on notice to the Rating Agencies, to a court of competent jurisdiction for an order that the Issuer Trustee be replaced as Issuer Trustee hereunder.

6.2 Removal of Issuer Trustee

The Issuer Trustee may be removed from its office under this Declaration of Trust by the Unitholders, at any time by notice in writing delivered to the Issuer Trustee not less than 90 days prior to the date that such removal is to take effect.

6.3 Vacancy

In the event of the bankruptcy or insolvency of the Issuer Trustee or the inability of the Issuer Trustee to exercise its duties under this Declaration of Trust, the Unitholders may forthwith terminate the term of office of the Issuer Trustee as trustee and, in such instance, a vacancy will occur. No vacancy (including upon a resignation of the Issuer Trustee pursuant to Section 6.1(b)) shall operate to annul this Declaration of Trust or affect the continuity of the Trust or terminate the appointment of the Manager under the Management Agreement.

6.4 Appointment of New Issuer Trustee

If, pursuant to this Article 6, the Issuer Trustee resigns or a vacancy occurs in the office of the Issuer Trustee for any reason, the Unitholders may by instrument in writing appoint a Trust Company, which either (i) has risk-based capital of at least $50,000,000 or, in the case of an entity that is not subject to risk-based capital adequacy requirements, has a combined capital and surplus of at least $50,000,000; or (ii) has been approved in writing by each Rating Agency prior to its appointment by the Unitholders, in order to replace the Issuer Trustee. If the Unitholders fails to make such appointment within 60 days of the occurrence of any such resignation, removal or vacancy, then the Issuer Trustee may make an application, on notice to the Rating Agencies, to a court of competent jurisdiction to appoint a successor Issuer Trustee hereunder. If the Issuer Trustee elects not to make such an application, the Unitholders may do so on notice to the Rating Agencies. The expense of any act, document, deed or other instrument or thing required under this Section 6.4 will be satisfied from the Trust Property.

6.5 Merger, Consolidation and Amalgamation

Any company into which the Issuer Trustee may be merged or with which it may be consolidated or amalgamated, or any company resulting from any merger, consolidation or amalgamation to which the Issuer Trustee is a party or any company succeeding to the corporate trust business of the Issuer Trustee will be a successor Issuer Trustee under this Declaration of

Trust without any further action on the part of the Issuer Trustee, provided that such company shall be a Trust Company.

6.6 Vesting in Successor Issuer Trustee

Any successor Issuer Trustee will become vested with all the estates, properties, rights, powers, duties, responsibilities and trusts of its predecessors in the trusts hereunder as if it had been originally named as Issuer Trustee pursuant to this Declaration of Trust. In furtherance of the foregoing, upon written request of the successor Issuer Trustee, the Issuer Trustee ceasing to act will do, make, execute, deliver or cause to be done, made, executed or delivered all such acts, documents, deeds or other instruments and things as may be necessary or desirable in order to more effectively assign, transfer and deliver to, and vest in, the successor Issuer Trustee, upon the trusts herein expressed, all the rights, powers and trusts of, and all property and money held by the Issuer Trustee so ceasing to act. The expense of any act, document, deed or other instrument or thing required under this Section 6.6 will be satisfied from the Trust Property.

6.7 Confidentiality

At all times (including, without limitation, at any time the Issuer Trustee should resign or be discharged from the trusts and powers reposed in or conferred on it by this Declaration of Trust), the Issuer Trustee (or the trustee so resigning and being discharged, as the case may be) will treat as confidential all information relating to the Trust, the Trust Activities and the transactions contemplated by the Program Agreements obtained by it in its capacity as Issuer Trustee.

6.8 Right to Disclose

The Issuer Trustee shall have the right to disclose any information disclosed or released to it if in the opinion of legal counsel to the Issuer Trustee it is required to disclose under any applicable laws, court order or directions of Governmental Authorities or if it is requested by a Rating Agency. The Issuer Trustee shall not be responsible or liable to any party for any loss or damage arising out of or in any way sustained or incurred or in any way relating to such disclosure.

ARTICLE 7
STANDARD OF CARE, LIMITATION OF LIABILITY OF ISSUER TRUSTEE AND OTHER MATTERS

7.1 Standard of Care

The Issuer Trustee will exercise its powers and carry out its obligations hereunder as Issuer Trustee honestly, in good faith and in the best interests of the Trust and the Unitholders and in connection therewith will exercise that degree of care, diligence and skill that a reasonably prudent Person would exercise in comparable circumstances. To the extent that the Issuer Trustee has delegated or subcontracted the performance of all or a portion of its duties to the Manager as contemplated by Section 5.15, it will be deemed to have satisfied the aforesaid standard of care. Unless otherwise required by law, the Issuer Trustee will not be required to give bond, surety or security in any jurisdiction for the performance of any duties or obligations hereunder. The Issuer Trustee will not be required to devote its entire time to the Trust Activities. For greater certainty,

the entering into of any Program Agreement by the Trust and the performance by the Trust of its obligations thereunder will be deemed to be in the best interests of the Unitholders and the Trust.

7.2 Limitation of Liability of Issuer Trustee

The Issuer Trustee has entered into this Declaration of Trust solely in its capacity as trustee of the Trust and not in its personal capacity, and any and all of the representations, warranties, undertakings, covenants, indemnities, agreements and other obligations made on the part of the Issuer Trustee herein are made and intended not as personal representations, warranties, undertakings, covenants, indemnities, agreements and other obligations by the Issuer Trustee or for the purpose or with the intention of binding the Issuer Trustee in its personal capacity, but are made and intended for the purpose of binding only the Trust Property or a specific portion thereof. No property or assets of the Issuer Trustee, whether owned beneficially by it in its personal capacity or otherwise (other than the Trust Property), will be subject to levy, execution or other enforcement procedures with regard to any of the representations, warranties, undertakings, covenants, indemnities, agreements and other obligations of the Trust or the Issuer Trustee hereunder, and no recourse may be had or taken, directly or indirectly, against the Issuer Trustee in its personal capacity, any Unitholder or any Affiliate, shareholder, director, officer, representative, employee or agent of the Issuer Trustee or any predecessor or successor of the Issuer Trustee with regard to the representations, warranties, undertakings, covenants, indemnities, agreements and other obligations of the Trust or the Issuer Trustee hereunder; provided that the foregoing limitation will not apply in respect of any action or failure to act arising from or in connection with the wilful misconduct, negligence or the failure to comply with the standard of care referred to in Section 7.1. Notwithstanding any other provision of this Article 7, but subject to the Indenture, each Specified Creditor is entitled to recourse to the Trust Property to satisfy in full the obligations of the Trust to it even if the Issuer Trustee has no right, or only an impaired right, to seek indemnification from the Trust Property or to apply the Trust Property in satisfaction of such obligations.

7.3 Indemnification of the Issuer Trustee

The Issuer Trustee, its directors, officers, agents, representatives and employees will at all times be indemnified and saved harmless out of the Trust Property from and against all claims (including any claim arising out of the assessment of any tax on income by a taxing authority), demands, levies, penalties, suits, losses, actions, causes of action, costs, charges, fees and expenses, damages and liabilities whatsoever, including, without limitation, those arising out of or related to actions taken or omitted to be taken by any agent of the Issuer Trustee, including, without limitation, the Manager, as contemplated hereby, legal fees and disbursements on a substantial indemnity basis and costs and expenses incurred in connection with the enforcement of this indemnity (each, a "**Claim**"), which the Issuer Trustee, its directors, officers, representatives and employees may suffer or incur, whether at law or in equity, in any way caused by or arising, directly or indirectly, in respect of any act, deed, matter or thing whatsoever made, done, acquiesced in or omitted in or about or in relation to the execution of its duties as Issuer Trustee or which it sustains or incurs in or about or in relation to the Trust Property and the Trust Activities. Further, the Issuer Trustee will not be liable to the Trust, to any Unitholder or to any other Person for any loss or damage relating to any matter regarding the Trust, including any loss or diminution in the value of the Trust Property. The foregoing provisions of this Section 7.3 do not apply to the

extent that in any circumstances there has been wilful misconduct, gross negligence or the failure to comply with standard of care referred to in Section 7.1 on the part of the Issuer Trustee, its directors, officers, agents, representatives or employees excluding the other parties to the Program Agreements. Notwithstanding any other provision hereof, this indemnity will survive the removal or resignation of the Issuer Trustee, the termination of this Declaration of Trust and the termination of any trust created hereby.

7.4 Reliance upon Advice

The Issuer Trustee may rely and act upon any statement, notice, report or opinion prepared by or any advice received from the Manager or from the auditors, counsel or other professional advisors of the Issuer Trustee and will not be responsible or held liable for any loss or damage resulting from so relying or acting if the Issuer Trustee acted reasonably and in good faith relied upon the advice received and if the professional advisor was aware that the Issuer Trustee was receiving the advice in its capacity as Issuer Trustee. The Issuer Trustee is entitled to be reimbursed from the Trust Property for all costs, charges and expenses it incurs in connection with obtaining any such statement, notice, report, opinion or advice. The Issuer Trustee is entitled to rely and act upon the genuineness and authenticity of any writing submitted to it that it in good faith believes to be genuine.

7.5 Retain Experts

The Issuer Trustee may appoint such agents and employ or retain such counsel, accountants, engineers, appraisers or other experts or advisers as it may reasonably require for the purpose of discharging its duties hereunder and shall not be responsible for any misconduct on the part of any of them. The Issuer Trustee may pay remuneration out of the Trust Property for all services performed for it in the discharge of the trusts hereof without taxation for costs or fees of any counsel, solicitor or attorney.

7.6 Reliance on Experts

The Issuer Trustee may act and rely and shall be protected in acting in good faith on the opinion or advice of or information obtained from any agent, counsel, accountant, engineer, appraiser or other expert or adviser in relation to any matter arising in the performance of its duties under the Program Agreements.

7.7 Provisions Regarding Liability

Any written instrument creating an obligation of the Issuer Trustee will be conclusively deemed to have been executed by the Issuer Trustee only in its capacity as Issuer Trustee. Any written instrument creating an obligation of the Issuer Trustee will contain a provision to the effect that the obligations thereunder are not binding upon the Issuer Trustee except in its capacity as Issuer Trustee, nor will recourse be had to the property of the Issuer Trustee except in its capacity as Issuer Trustee, but that the Trust Property or a specific portion thereof only will be bound, and may at the request of the Issuer Trustee make specific provision to the foregoing effect and contain any further provisions which the Issuer Trustee may deem appropriate, but the omission of any such provisions will not operate to invalidate any such instrument or to impose liability on the

Issuer Trustee, except as aforesaid. The Issuer Trustee shall not be required to expend or risk its own funds or otherwise incur financial liability in the performance of its duties hereunder.

ARTICLE 8
RECORDS

8.1 Records to be Kept

The Issuer Trustee will keep or cause to be kept at the head office of the Trust a copy of this Declaration of Trust, a register of Unitholders, minutes of meetings and resolutions of Unitholders, minutes of meetings and resolutions of the Issuer Trustee, and such Records as are by law or good business practice necessary. The Records may be kept at the office of any Person whom the Issuer Trustee has appointed to maintain the same, provided that the Issuer Trustee has access to the Records on one Business Day's notice to such Person.

8.2 Segregation of Assets

The Issuer Trustee shall maintain the Trust Property separate from all other property in its possession.

8.3 Method of Keeping Records

Where this Declaration of Trust requires the Issuer Trustee to cause a Record to be kept, it may be kept in bound or loose-leaf form or by means of a mechanical, electronic or other device.

8.4 Annual Financial Statements

A copy of the annual financial statements of the Trust, signed by the Issuer Trustee, shall be mailed or otherwise made available within 120 days following the end of a fiscal year to which they relate to each Unitholder. The financial statements shall include all information required to be included in annual financial statements of the Trust by applicable laws.

ARTICLE 9
MEETINGS OF UNITHOLDERS AND DECISION OF UNITHOLDERS

9.1 Annual Meeting

There will not be an annual meeting of the Unitholders.

9.2 Other Meetings

The Issuer Trustee will have power at any time to call meetings of the Unitholders at such time and place as the Issuer Trustee may determine. Unitholders holding in the aggregate not less than a majority of the outstanding Units may requisition the Issuer Trustee in writing to call a meeting of the Unitholders for the purposes stated in the requisition. The requisition shall state in reasonable detail the business proposed to be transacted at the meeting and will be sent to the Issuer Trustee at the address of the Issuer Trustee. Upon receiving the requisition, the Issuer Trustee will call a meeting of the Unitholders to transact the business referred to in the requisition. If the Issuer

Trustee does not within 10 days after receiving the requisition call a meeting, any Unitholder who signed the requisition may call the meeting.

9.3 Quorum and Voting

A quorum for any meeting of the Unitholders will be persons present being Unitholders or representing by proxy Unitholders who hold in the aggregate a majority of the total number of outstanding Units. Unitholders may attend and vote at all meetings of the Unitholders either in person or by proxy. Each Unit will be entitled to one vote at all meetings of the Unitholders. Any action to be taken by the Unitholders will, except as otherwise required by this Declaration of Trust, or by law, be authorized when approved by a majority of the votes cast at a meeting of the Unitholders. The chairman of any such meeting will not have a second or casting vote.

9.4 Written Resolution

Any business which may be conducted at a meeting of the Unitholders may be approved by a resolution in writing in lieu thereof. Notice of such resolution will be given to all Unitholders and approval of such resolution will be evidenced by the signature on any such resolution or counterpart thereof by the required percentage of Unitholders for the matter to be determined.

ARTICLE 10
AMENDMENT

10.1 Amendment

Subject to Section 2.1 and compliance with the terms of the applicable Program Agreements, the Issuer Trustee may, from time to time, amend, vary, supplement, replace or restate the provisions of this Declaration of Trust without the consent or approval of the Unitholders or any court as follows:

(a) to the extent deemed necessary by the Issuer Trustee in good faith to be necessary to ensure compliance with, or to remove any conflicts or other inconsistencies which may exist between any term of this Declaration of Trust and the provisions of, any applicable law in effect from time to time;

(b) to the extent deemed necessary by the Issuer Trustee in good faith to be necessary to make any change or correction in this Declaration of Trust which is a typographical change or correction or which the Issuer Trustee has been advised by legal counsel is required for the purpose of curing any ambiguity or defect or inconsistent provision or clerical omission or mistake or manifest error contained herein, or

(c) subject to the satisfaction of the Rating Agency Condition, to the extent deemed necessary or desirable in the sole discretion of the Issuer Trustee to permit or facilitate the carrying on of the Trust Activities, including the accommodation of requests made by the Rating Agencies or regulatory authorities in relation to the issuance of Funding Obligations.

However, any such amendment may be made only if it will not materially adversely affect the interest of any Unitholder, unless that Unitholder has also approved of the amendment in writing. The Issuer Trustee will immediately upon the entering into thereof, provide the Rating Agencies and the Indenture Trustee with a copy of any amendment, variation, supplement, replacement or restatement of this Declaration of Trust.

10.2 Automatic Amendment

Upon the Issuer Trustee ceasing to be a trustee of the Trust, this Declaration of Trust will be automatically amended to delete any reference to the name of the trustee so ceasing to be a trustee of the Trust and to substitute therefor the name of the successor trustee of the Trust. Notice of any change in the Issuer Trustee may be endorsed upon or attached to this Declaration of Trust and signed by the successor Issuer Trustee and every such notice will be sufficient evidence to any Person dealing with the Issuer Trustee under this Declaration of Trust as to the facts to which it relates.

10.3 Supplemental Declaration of Trust

The Issuer Trustee is authorized to execute any supplemental declaration of trust to give effect to amendments to this Declaration of Trust made pursuant to this Article 10. The Issuer Trustee shall not be obligated to enter into any such supplemental declaration if it adversely affects the Issuer Trustee's rights, duties or immunities under this Declaration of Trust or otherwise. No amendment to or amendment and restatement of this Declaration of Trust, whether pursuant to this Article 10 or otherwise, shall be construed as a termination of the Trust or the settlement or establishment of a new trust.

ARTICLE 11
DISTRIBUTION OF TRUST PROPERTY[1]

11.1 Distributions

(1) The Issuer Trustee may declare to be payable and make distributions, from time to time, out of Income of the Trust, Net Realized Capital Gains of the Trust, capital of the Trust or otherwise, in any year, in such amount or amounts, and on such dates as the Issuer Trustee may determine, to the Unitholders at the record date for such distribution. The Issuer Trustee may declare such amounts to be payable or authorize such distributions in advance by way of a standing resolution that is effective for a period not exceeding 12 months after the date of the resolution.

(2) Where the Trust proposes to distribute Trust Property in specie to a redeeming Unitholder as contemplated in subsection 4.1(3), and the Issuer Trustee reasonably expects that such in specie distribution will give rise to Income of the Trust and / or Net Realized Capital Gains of the Trust in excess of the amount of the Net Realized Capital Gains of the Trust Allocated on Redemption to the particular Unitholder whose Units are being redeemed (collectively, the "**Excess Income on Redemption**"), the Issuer Trustee shall declare to be

[1] Subject to PILs exemption.

payable and make a distribution, on the record date that is one Business Day before the redemption, to Unitholders at such record date in an amount equal to the estimated Excess Income on Redemption. Such distribution will be satisfied by the issuance of additional Units, or fractions of Units, having a fair market value equal to the amount of such distribution. If the Issuer Trustee is required to deduct or withhold an amount from such distribution, the applicable Unitholder shall make the cash payment described in Section 11.7 to the Issuer Trustee on or prior to the date the distribution.

(3) If the Issuer Trustee declares to be payable or makes a distribution pursuant to subsections 11.1(1) or 11.1(2) without determining the portion of such distribution that is payable out of Income of the Trust, Net Realized Capital Gains of the Trust, capital of the Trust or otherwise, such allocation shall be made pursuant to subsection 11.2(2).

(4) Having regard to the present intention of the Issuer Trustee to make payable to Unitholders all of the Income of the Trust and Net Realized Capital Gains of the Trust for each taxation year so that the Trust will not have any liability for tax under Part I of the ITA in any taxation year (other than alternative minimum tax or taxes payable under the "SIFT trust" rules in the ITA), unless the Issuer Trustee, in its sole discretion determines otherwise, the following amounts will, without any further actions on the part of the Issuer Trustee, be due and payable to the Unitholders of record on the last day in each such taxation year:

(a) an amount equal to the amount, if any, by which the Income of the Trust for such year exceeds the aggregate of (A) the aggregate of the portions of the distributions paid or payable by the Trust which have been determined by the Issuer Trustee to have been payable by the Trust out of the Income of the Trust for such year, if any, and (B) the aggregate of the portions of distributions deemed by subsection 11.2(2)(a) to be paid or payable by the Trust out of the Income of the Trust for such year; and

(b) an amount equal to the amount, if any, by which the Net Realized Capital Gains of the Trust for such year exceeds the aggregate of (A) any amount of the Net Realized Capital Gains of the Trust Allocated on Redemption for the year payable to redeeming Unitholders pursuant to subsection 4.1(5), (B) the aggregate of the portions of the distributions paid or payable by the Trust which have been determined by the Issuer Trustee to have been payable by the Trust out of Net Realized Capital Gains of the Trust for such year, if any, and (C) the aggregate of the portions of distributions deemed by subsection 11.2(2)(b) to be paid or payable by the Trust out of the Net Realized Capital Gains of the Trust for such year, if any.

Any determinations by the Issuer Trustee not to make a distribution described in this subsection 11.1(4) must be exercised by the Issuer Trustee in writing prior to December 31 of the applicable taxation year.

(5) The proportionate share of each Unit of the amount of any distribution made pursuant to this section will be determined by dividing such amount by the number of issued and outstanding Units on the applicable record date in respect of a distribution pursuant to subsections 4.1(5), 11.1(1) or 11.1(2) and on the last day of the taxation year in respect of

a distribution pursuant to subsection 11.1(4). Each Unitholder's share of the amount of any such distribution will be an amount equal to the proportionate share of each Unit of such amount multiplied by the number of Units owned of record by each such Unitholder on such applicable record date or the last day of the taxation year, as the case may be, and such Unitholder shall, on such date, be entitled to enforce payment of the Unitholder's share. Subject to subsections 4.1(5) and 11.1(2) and section 11.3, amounts which are payable to Unitholders will be paid in cash.

11.2 Allocation

(1) Subject to subsection 11.2(2), distributions payable to the Unitholders pursuant to Article 11 will be deemed to be distributions of Income of the Trust (including dividends), Net Realized Capital Gains of the Trust, returns of capital of the Trust or other items in such amount as the Issuer Trustee in its absolute discretion determines and will be allocated to the Unitholders in the same proportions as distributions received by the Unitholders.

(2) If the Issuer Trustee has declared to be payable or made one or more distributions in a taxation year pursuant to subsection 11.1(1) without determining the portion of such distributions that is payable out of Income of the Trust, Net Realized Capital Gains of the Trust, capital of the Trust or otherwise, such distributions shall be deemed to be paid or payable out of:

(a) first, the Income of the Trust for such year to the extent, if any, that the Income of the Trust for such year exceeds the aggregate of the amounts in subsection 11.1(4)(a)(A);

(b) second, the Net Realized Capital Gains of the Trust for such year to the extent, if any, that the Net Realized Capital Gains of the Trust for such year exceeds the aggregate of the amounts in subsection 11.1(4)(b)(A) and 11.1(4)(b)(B); and

(c) as to any balance, the capital of the Trust;

and such amounts will be allocated to the Unitholders in the same proportions as such distributions were received by the Unitholders.

(3) For greater certainty it is hereby declared that any distribution of Net Realized Capital Gains of the Trust will include the non-taxable portion of the capital gains of the Trust which are included in such distribution.

11.3 Payment of Distributions

(1) Distributions to a Unitholder (other than distributions described in subsections 4.1(5) and 11.1(2)) will be made by cash, wire transfer or cheque payable to or to the order of the Unitholder or by such other manner provided for in subsection 11.3(3). The payment, if made by cheque, will be conclusively deemed to have been made upon hand delivery of a cheque to the Unitholder or to its agent duly authorized in writing or upon the mailing of a cheque by prepaid first-class mail addressed to the Unitholder at its address set out in the records of the Issuer Trustee unless the cheque is not paid on presentation, or in any other

manner determined by the Issuer Trustee in its discretion. The Issuer Trustee may issue a replacement cheque if it is satisfied that the original cheque has not been received or has been lost or destroyed upon being furnished with such evidence of loss, indemnity or other document in connection therewith that the Issuer Trustee may in its discretion consider necessary.

(2) The Issuer Trustee may, in its sole discretion, transfer temporarily from capital to income within the Trust sufficient cash to facilitate payments of Income of the Trust to Unitholders. A permanent transfer from capital to income may be effected if payments made by and /or expenses of the Trust in any year exceed the aggregate of the net income and Net Realized Capital Gains of the Trust in such year.

(3) Without limiting the generality of the foregoing, a distribution to a Unitholder may be paid (i) by the issuance of additional Units, or fractions of Units having a fair market value equal to the amount of such distribution, (ii) by the issuance of a promissory note for a principal amount equal to the amount of such distribution and/or (iii) *in specie* by the transfer of Trust Property having a fair market value equal to the amount of such distribution, all as may be determined by the Issuer Trustee, acting reasonably. The Issuer Trustee acknowledges and agrees that it will elect to make payment to a Unitholder of the amount of a distribution in the manner described in this subsection 11.3(3) only if it has received prior written notice from the Unitholder that such payment method is acceptable, and the Unitholder makes the cash payment described in Section 11.7 to the Issuer Trustee, which written notice may be revoked in writing by the Unitholder at any time. If the Issuer Trustee elects to make payment of the amount of a distribution by the issuance of a promissory note, such promissory note shall bear interest at a fixed or floating rate, shall be repayable on demand or on the expiry of a stated term, and shall contain such other terms all of which may be determined by the Issuer Trustee such that the fair market value of such promissory note is equal to the amount of the distribution. Any such promissory note or additional Units issued, or Trust Property transferred, by the Trust shall constitute absolute and unconditional payment in full of the distribution and, by becoming a Unitholder, each Unitholder hereby acknowledges that any such note, additional Units or transfer of Trust Property will be accepted by the Unitholder as such absolute and unconditional payment of the distribution payable to the Unitholder.

11.4 Legal Rights

For greater certainty, it is hereby declared that the Unitholders shall have the legal right to enforce payment of any amount to be distributed or payable hereunder at the time such amount is due and payable.

11.5 Income Tax Matters

In reporting income for income tax purposes, the Trust will claim the maximum amount available to it as deductions under the relevant law, unless the Issuer Trustee determines otherwise.

11.6 Designations

In accordance with and to the extent permitted by the ITA, the Issuer Trustee will, in each taxation year, make such designations for income tax purposes in respect of amounts paid or payable or deemed to be paid to the Unitholders for such amounts that the Issuer Trustee considers to be reasonable in all circumstances, including designations relating to taxable dividends received or deemed to be received by the Trust in the year on shares of taxable Canadian corporations, net taxable capital gains of the Trust in the year and foreign source income of the Trust and foreign taxes in respect of such foreign source income for the year, if any.

11.7 Withholding Taxes

The Issuer Trustee will deduct or withhold from distributions or other amounts payable under this Declaration of Trust amounts required by law to be deducted or withheld from such distributions or payments, whether such distributions or payments are satisfied in the form of cash, cheque, promissory note, additional Units or otherwise. To the extent that any amounts are deducted or withheld from payments made by cash, cheque or wire transfer, including those described in subsection 11.3(1), such deducted or withheld amounts shall be treated for all purposes as having been paid to the recipient of the payment in respect of the distribution or other amount payable, provided that such deducted or withheld amounts are actually remitted in accordance with applicable law to the appropriate taxing authority. In the event that the Issuer Trustee makes a distribution or payment that is satisfied in a manner other than cash, cheque or wire transfer, including those described in subsections 4.1(3), 4.1(5) or 11.3(3), the recipient of the payment shall provide cash to the Issuer Trustee in amount equal to any required deduction or withholding, which the Issuer Trustee shall forthwith remit to the appropriate taxing authority on behalf of the Unitholder.

ARTICLE 12
TERMINATION OF THE TRUST

12.1 Termination

(a) The Trust will continue in full force and effect for a period of twelve months from the date hereof and thereafter for so long as any Funding Obligations remain outstanding and until the Trust has satisfied all of its obligations under the Program Agreements or otherwise for the purposes of carrying on the Trust Activities. Notwithstanding the foregoing, the Issuer Trustee may, with the unanimous approval of Unitholders, wind-up the affairs of the Trust and terminate the Trust and distribute the Trust Property then remaining to the Unitholders in proportion to the number of Units held by each Unitholder no later than the date that is one day prior to the 21st anniversary of the death of the last surviving lineal descendent of Queen Elizabeth, II of England living at the date this declaration is made.

(b) Subject to Section 12.1(a), the Issuer Trustee may, with the unanimous approval of the Unitholders, wind up the affairs of the Trust and terminate the Trust. To the fullest extent permitted by law, and notwithstanding any duty otherwise existing at law or in equity, the Issuer Trustee shall consider only the interests of the Trust,

including its creditors, in acting on the matters referred to in this Section 12.1. On the date the Trust is terminated, the Issuer Trustee will, upon receipt of such releases, indemnities and refunding agreements as the Issuer Trustee may deem necessary for its protection, distribute the remaining Trust Property, after payment of all other obligations of the Trust, in cash or in kind , or partly in each, to the Unitholders in proportion to the number of Units held by each Unitholder

ARTICLE 13
GENERAL

13.1 Irrevocability

The Trust shall be irrevocable.

13.2 Change of Office

The Issuer Trustee may at any time and from time to time during the existence of the trusts hereby created change the head office, chief executive office, chief place of business and situs of the administration of the Trust to another location within Ontario or have such other offices or places of administration within Canada as the Issuer Trustee may from time to time determine is necessary or desirable.

Any notice so given shall be deemed to have been given on the day of hand delivery or the day following that on which the notice was mailed.

13.5 Taxation Information

13.6 Severability

The provisions of this Declaration of Trust are severable and if any provisions are in conflict with any applicable law, the conflicting provisions shall be deemed never to have constituted a part of this Declaration of Trust and shall not affect or impair any of the remaining provisions thereof. If any provision of this Declaration of Trust shall be held invalid or unenforceable in any jurisdiction, such invalidity or unenforceability shall attach only to such provision in such jurisdiction and shall not in any manner affect or render invalid or unenforceable such provision in any other jurisdiction or any other provision of this Declaration of Trust in any jurisdiction.

13.7 Governing Law

This Declaration of Trust shall be interpreted and governed by and take effect exclusively in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein. Any and all disputes arising under this Declaration of Trust, whether as to interpretation, performance or otherwise, shall be subject to the exclusive jurisdiction of the courts of the Province of Ontario and the Issuer Trustee hereby irrevocably attorns, and each Unitholder shall be deemed to hereby irrevocably attorn, to the exclusive jurisdiction of the courts of such province.

IN WITNESS WHEREOF the Issuer Trustee has caused this Declaration of Trust to be executed as of the day and year first above written by its duly authorized signatories.

In carrying out its obligations hereunder, the Manager may rely upon the opinion or advice of or information obtained from any counsel, auditor, valuer or certificates from officers of any of the other parties to Program Agreements. Unless otherwise required by applicable law, the Manager will not be required to give bond, surety or security in any jurisdiction for the performance of any duties or obligations hereunder. The Manager will not be required to devote its entire time to its duties hereunder. Notwithstanding anything else to the contrary herein contained, nothing herein shall be interpreted or construed as an obligation of or on the part of the Manager, and the Manager shall not be liable or obligated, to pay or make any payment of, on or in respect of any debt, liability or obligation of the Issuer (including any payment of, on or in

respect of any Issuer Funding Obligations or under any other Program Agreement), as agent for or on behalf of the Issuer or otherwise, except from the monies or funds of the Issuer which are made available to the Manager pursuant to this Agreement or the other Program Agreements for the purpose of such payment.

5.2 Compliance with Program Agreements; Conformity with Law

The Manager acknowledges that it has received copies of the Program Agreements, the Act and the Regulations in effect on the date hereof and is familiar with and understands the duties of the respective parties thereto or governed thereby, including those duties of the Issuer which are being delegated to the Manager hereunder. Notwithstanding anything herein to the contrary, the Manager shall perform its duties hereunder in a manner consistent with any applicable provisions of the Program Agreements in effect from time to time, and the Manager will not, in performing its obligations hereunder, take any action which it knows or ought reasonably to know would cause it or the Issuer to be in violation of any law, rule or regulation applicable to it. The Manager will use reasonable commercial efforts to comply with the terms applicable to the Issuer when acting on its behalf under all Program Agreements and will use reasonable commercial efforts in accordance with its Standard of Care to take such actions as would reasonably be expected to result in the representations and warranties given by the Issuer in any Program Agreement being true and correct in all material respects when made.

5.3 Liabilities

Except as provided in Section 5.6,

(a) the Manager will not be liable for any liabilities of the Issuer; and

(b) subject to the payment priorities specified in the Program Agreements, the Issuer agrees to indemnify, defend and hold harmless the Manager from and against any and all liabilities which may be imposed on, incurred by or assessed against the Manager as a result of any act or omission of the Issuer or the Manager under this Agreement or under any Program Agreement; provided that this Section 5.3(b) does not apply to the extent that in any circumstances there has been wilful misconduct or gross negligence of the Manager or its respective officers, employees or agents or any failure to comply with the Standard of Care.

To the extent that a liability is attributable solely to a single Series or a number of specific Series of Issuer Funding Obligations, the Manager will first exhaust its recourse against the assets available for recovery of such liability and designated to such Series of Issuer Funding Obligations. If such assets are insufficient to satisfy the indemnity set out in this Section 5.3, or if the liability is not attributable to a single Series or a number of specific Series of Issuer Funding Obligations, the liability will be satisfied on a pro rata basis as among the assets available for recovery of such liability and designated to all Issuer Funding Obligations.

Each party expressly disclaims any intention to create a partnership, and neither the Issuer nor the Manager will be deemed to be carrying on business in partnership by reason of its execution and delivery of this Agreement or the exercise or performance by it of its respective rights and obligations hereunder.

5.4 Compensation of the Manager

In consideration of and as compensation for all services provided and duties performed by the Manager pursuant to this Agreement, and so long as the Financial Services Manager is also the Manager, all services provided and duties performed by the Financial Services Manager, the Issuer will pay to the Manager, subject to the payment priorities specified in the Program Agreements, the Management Fees. The Issuer Compensation is exclusive of any applicable sales taxes and the Manager shall pay to the Issuer the amount of any applicable sales taxes in addition to the Issuer Compensation.

The Issuer and the Manager agree that in respect of any month that the Issuer has an amount payable to the Manager under Section 5.4 in an amount that is not less than $10 (plus the amount of any applicable sales taxes on the Issuer Compensation), the Manager's obligation to pay the compensation to the Issuer under this Section will be fully satisfied by way of setting-off $10 (plus the amount of any applicable sales taxes on the Issuer Compensation) of the amount payable by the Issuer to the Manager under Section 5.4 against the Manager's amount payable to the Issuer under this Section.

5.6 Indemnification by Manager

(a) The Manager shall indemnify and defend and hold harmless the Issuer from and against, any and all liabilities which may be imposed on, incurred by or assessed against the Issuer as the result of any wilful misconduct or gross negligence by the Manager, its officers, employees or agents or any failure to comply with the Standard of Care, provided that the Manager will have the exclusive right to compromise or defend, through counsel selected and retained by the Manager, any such liabilities or related claims at its own expense, which decision will be binding upon the Issuer.

(b) The Manager shall indemnify each Indenture Indemnified Person and defend and hold harmless each such Indenture Indemnified Person from and against, any and all liabilities, obligations, losses, damages, payments and claims, and reasonable costs or expenses, of any kind whatsoever (collectively, "**Indenture Indemnified Losses**") imposed on, incurred by or asserted against such Indenture Indemnified Person, as a result of (i) the failure of the Manager to perform its covenants and other obligations under this Agreement; or (ii) the breach by the Manager of any of its representations or warranties under this Agreement and, except to the extent of Indenture Indemnified Losses resulting from the willful misconduct, bad faith or gross negligence of such Indenture Indemnified Person seeking indemnification

hereunder; provided that, in each case, the Manager shall not be required to indemnify an Indenture Indemnified Person for any amount paid or payable by such Indenture Indemnified Person in the settlement of any Proceeding or investigation without the written consent of the Manager, which consent shall not be unreasonably withheld. Promptly after receipt by an Indenture Indemnified Person of notice of the commencement of any Proceeding or investigation, such Indenture Indemnified Person shall, if a claim in respect thereof is to be made against the Manager under this Section 5.6(b), notify the Manager in writing of the commencement thereof. Failure by an Indenture Indemnified Person to so notify the Manager shall relieve the Manger from the obligation to indemnify and hold harmless such Indenture Indemnified Person under this Section 5.6(b) only to the extent that the Manager suffers actual prejudice as a result of such failure. With respect to any Proceeding or investigation brought by a third party for which indemnification may be sought under this Section 5.6(b), the Manager shall be entitled to conduct and control, at its expense and with counsel of its choosing that is reasonably satisfactory to such Indenture Indemnified Person, the defence of any such Proceeding or investigation (in which case the Manager shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the Indenture Indemnified Person except as set forth below); provided, that the Indenture Indemnified Person shall have the right to participate in such Proceeding or investigation through counsel chosen by it and at its own expense. Notwithstanding the Manager's election to assume the defence of any Proceeding or investigation, the Indenture Indemnified Person shall have the right to employ separate counsel, and the Manager shall bear the reasonable fees, costs and expenses of such separate counsel, if (i) the defendants in any such action include both the Indenture Indemnified Person and the Manager and the Indenture Indemnified Person shall have reasonably concluded that there may be legal defences available to it that are different from or additional to those available to the Manager, (ii) the Manager shall not have employed counsel reasonably satisfactory to the Indenture Indemnified Person to represent the Indenture Indemnified Person within a reasonable time after notice of the institution of such action, or (iii) the Manager authorizes the Indenture Indemnified Person to employ separate counsel at the expense of the Manager. Notwithstanding the foregoing, the Manager shall not be obligated to pay for the fees, costs and expenses of more than one separate counsel for the Indenture Indemnified Persons other than one local counsel, if appropriate. The Manager will not, without the prior written consent of the Indenture Indemnified Person, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim or Proceeding in respect of which indemnification may be sought under this Section 5.6(b) (whether or not the Indenture Indemnified Person is an actual or potential party to such claim or action) unless such settlement, compromise or consent includes an unconditional release of the Indenture Indemnified Person from all liability arising out of such claim or Proceeding.

(c) Indemnification under Section 5.6(b) shall survive any repeal of, modification of, or supplement to, or judicial invalidation of, the Act and shall survive the

termination of this Agreement and will rank pari passu with other general, unsecured obligations of the Manager.

(d) Notwithstanding anything contained in this Agreement, it is expressly understood that the Manager is not agreeing to indemnify or hold the Issuer or any Indenture Indemnified Person harmless with respect to any of the following:

(i) payments due on Issuer Funding Obligations or other amounts borrowed;

(i) any breach or failure to perform on the part of any other third party under any Program Agreement;

(ii) any claim arising out of the assessment of any tax or payments in lieu of tax by a taxing authority against the Issuer;

(iii) any liability of the Issuer or any Indenture Indemnified Person accruing after the termination of this Agreement unless attributable to the actions or omissions of the Manager prior to such termination;

(iv) any losses of the Issuer or any Indenture Indemnified Person arising due to risks inherent in the Issuer Investment Interest;

(v) any statements or certificates provided by the Issuer to the effect that (X) any Funding Obligation is consistent with the Financing Plan or (Y) the estimated Finance Amount that would have become due and payable in any Reference Period is expected to align with the Fair Allocation Amount determined in respect of such Reference Period; or

(vi) any losses resulting from changes in law after the date hereof, whether such changes in law are effected by means of any legislative enactment or any final and non-appealable judicial decision.

(e) Notwithstanding anything contained in this Agreement, it is expressly understood that the Manager is not agreeing to indemnify or hold harmless: (i) the Issuer with respect to any amount for which the Issuer agrees to indemnify the Manager hereunder; or (ii) the Issuer Trustee with respect to any liabilities resulting from the failure of the Issuer Trustee to satisfy the standard of care set out in the Declaration of Trust. Where the Manager has assumed total defense of a claim, it shall agree to ensure that any settlement of such claim does not include any form of admission of liability on the part of the Issuer Trustee (in its personal capacity).

5.7 Contracting with Itself and Affiliates

In the exercise of its rights, duties and obligations, the Manager may, if it is acting in good faith, enter into, as Manager for the Issuer, agreements and other contracts to which the Manager, in its personal capacity, or an Affiliate of the Manager, is a party.

The Manager's rights and obligations under this Agreement (other than under Sections 5.3, 5.4, 5.6 and 8.5) will terminate, if the Manager receives a termination notice from (i) the Issuer Trustee, with the consent of the Indenture Trustee, or (ii) the Indenture Trustee, subject to the terms and conditions of the Indenture, in each case, on the 30th day after receipt of such notice. Notwithstanding the foregoing, no termination shall be effective until a replacement manager that satisfies the Rating Agency Condition has been approved and has entered into a management agreement whereby the replacement manager agrees to assume, in substance, the obligations of the Manager hereunder. Upon the termination of its rights and obligations under this Agreement, the Manager will notify the Rating Agencies and, promptly and upon the request of the Issuer, deliver to the Issuer all records (including Investment Interest Records) in the possession of the Manager relating to the performance of its services hereunder.

ARTICLE 8
MISCELLANEOUS

8.1 Acknowledgement of Indenture

and directs the Indenture Trustee on its behalf to take such action (including the execution and delivery of documents of subordination) as may be necessary or appropriate to further assure the priority arrangements provided for in the Indenture and (iii) appoints the Indenture Trustee as its agent for any and all such purposes.

8.2 Appointment of Manager as Attorney-in-Fact

Subject to any Program Agreement, the Issuer hereby irrevocably appoints the Manager as the Issuer's attorney-in-fact during the term of this Agreement, with full authority in the place and stead of and in the name of the Issuer or otherwise, including full power of substitution, from time to time in the Manager's discretion or as required by this Agreement, to take such actions on behalf of the Issuer as the Manager may deem necessary or advisable to comply with or effect the purposes of this Agreement and any Program Agreement including, without limitation, to execute any documents, instruments or certificates in connection therewith, to ask, demand, collect, sue for, recover, compound, receive and give acquittances and receipts for monies due or becoming due to the Issuer or otherwise owed thereto, to receive, endorse and collect any drafts or other instruments, documents and chattel paper in connection therewith, and to file any claims or take any action or institute any proceedings which the Manager may deem necessary or desirable for the collection thereof, or to enforce compliance with the terms and conditions of any Program Agreement.

8.3 Amendments and Waivers

(a) Subject to Section 8.3(b), this Agreement may be amended, supplemented, modified, restated or replaced from time to time by written instrument signed by the Issuer and the Manager. The Manager will forthwith after the execution of any such instrument by the Issuer and the Manager provide the Rating Agencies with a copy of such instrument.

(b) No provision of this Agreement may be amended, supplemented, modified, restated or replaced in any material respect without first obtaining the written consent of the Indenture Trustee in accordance with the Indenture and such amendment, supplement, modification or replacement will only be effective if the Rating Agency Condition has been satisfied.

(c) No waiver of any provision of this Agreement, nor consent to any departure by any party therefrom, shall in any event be effective unless the same shall be in writing and signed by such party and such waiver or consent, if material, will only be effective if the Rating Agency Condition has been satisfied, and then said waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. No failure on the part of any party to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof.

8.4 Withholding Rights

The parties hereto shall be entitled to deduct and withhold from amounts payable under this Agreement such amounts as each is required to deduct and withhold with respect to such payment under the *Income Tax Act* (Canada) or any provision of any applicable federal, provincial,

To the extent that amounts are so withheld, such withheld amounts shall be treated for all purposes as having been paid to the recipient of the payment in respect of which such deduction and withholding was made, provided that such withheld amounts are actually remitted in accordance with applicable law to the appropriate taxing authority.

8.5 No Petition

The Manager hereby agrees that it will not, prior to the date that is one year and one day after the termination of the Indenture and payment in full of the Issuer Funding Obligations and any other amounts owed under the Indenture, institute or encourage against the Issuer, or join or acquiesce in any institution against the Issuer of, any bankruptcy, reorganization, arrangement, insolvency, winding-up or liquidation proceedings, or other proceedings under any federal or provincial bankruptcy, insolvency or similar law in connection with any obligations relating to this Agreement or any of the other Program Agreements. The IESO shall notify the Issuer promptly after becoming aware of any Lien on any portion of the Regulatory Asset.

5.4 Compliance with Law

The IESO will comply with all Requirements of Law applicable to, and binding upon, the IESO or relating to the Regulatory Asset, except to the extent that failure to so comply

would not materially adversely affect the Transfer of Specified Portions of the Regulatory Asset or the IESO's performance of its obligations under this Agreement; provided, however, that the foregoing is not intended to, and shall not, impose any liability on the IESO for non-compliance with any Requirement of Law that the IESO is contesting in good faith in accordance with its customary standards and procedures.

5.5 Covenants Related to the Investment Interest

(a) So long as any Issuer Funding Obligations are outstanding, the IESO shall treat the Issuer Investment Interest as the Issuer's property for all purposes.

(b) Except for investments held for employee benefit purposes, the IESO shall not at any time become a holder of Issuer Funding Obligations.

(c) The IESO shall disclose the effects of all transactions between the IESO and the Issuer in accordance with generally accepted accounting principles (for government entities).

(d) (i) In all Proceedings relating directly or indirectly to the Issuer Investment Interest, the IESO shall affirmatively certify and confirm that it has Transferred all of its rights and interests in and to the Specified Portions of the Regulatory Asset giving rise to the Issuer Investment Interest, (ii) the IESO shall not make any statement or reference in respect of the Issuer Investment Interest that is inconsistent with the ownership interest of the Issuer, and (iii) the IESO shall not take any action in respect of the Issuer Investment Interest except solely in its capacity as the Servicer thereof pursuant to this Agreement.

5.6 Non-petition Covenants

Notwithstanding any prior termination of this Agreement or the Indenture, the IESO shall not, prior to the date that is one year plus one day after termination of the Indenture and the payment in full of all Issuer Funding Obligations and any other amounts owed under the Indenture, petition or otherwise invoke the process of any Governmental Authority for the purpose of commencing or sustaining a Proceeding against the Issuer under any Canadian bankruptcy, insolvency or similar law, appointing a receiver, liquidator, assignee, trustee, custodian, sequestrator or other similar official or any substantial part of the property of the Issuer.

5.7 Disclosure

The IESO shall provide such non-confidential information regarding IESO, the Regulatory Asset and the services provided by the Servicer hereunder (collectively, the "**IESO Disclosure**") as may be reasonably requested by the Issuer for inclusion in any offering document of the Issuer from time to time, including but not limited to offering memoranda, prospectuses, registration statements and continuous disclosure documents (the "**Offering Documents**"), provided that the IESO has been given a reasonable opportunity by the Issuer to review any such Offering Documents. The IESO represents that, except in respect information

provided by a third party, all IESO Disclosure, as at the respective dates of delivery to the Issuer, is true and correct in all material respects and contains no misrepresentation.

5.8 Further Assurances

Upon the request of the Issuer, the IESO shall execute and deliver such further instruments and do such further acts as may reasonably be necessary to carry out the provisions and purposes of this Agreement.

5.9 Access to Certain Records and Information

The IESO shall provide to the Issuer access to all records relating to the IESO Deferral, the Fair Hydro Variance Account, the IESO Segregated Account and Servicer CEA Receipts, as is reasonably required for the Issuer to confirm compliance by the IESO with its obligations under this Agreement. Access shall be afforded without charge, but only upon reasonable request and during normal business hours at the offices of the IESO. Nothing in this Section 5.9 shall affect the obligation of the IESO to comply with any Requirement of Law prohibiting disclosure of information, and the failure of the IESO to provide access to such information as a result of such obligation shall not constitute a breach of this Section 5.9.

5.10 Maintenance of Operations

Subject to Section 3.11, the IESO agrees to continue, unless prevented by circumstances beyond its control, to operate as the electricity system operator in the Province of Ontario so long as it is acting as the Servicer under this Agreement.

ARTICLE 6
IESO INDEMNITIES

6.1 Liability of the IESO; Indemnities

(a) The IESO shall indemnify the Issuer and each of its trustees, officers, directors and employees (each, an "**Indemnified Party**"), for, and defend and hold harmless each such Person from and against, any and all liabilities, obligations, losses, damages, payments and claims, and reasonable costs or expenses, of any kind whatsoever (collectively, "**Indemnified Losses**") imposed on, incurred by or asserted against such Person, as a result of (i) the failure of the IESO to perform its covenants and other obligations under this Agreement or any other Program Agreement to which the IESO is a party; or (ii) the breach by the IESO of any of its representations or warranties under this Agreement or any other Program Agreement to which the IESO is a party and, except to the extent of Indemnified Losses resulting from the willful misconduct, bad faith or gross negligence of such Person seeking indemnification hereunder; provided that, in each case, the IESO shall not be required to indemnify an Indemnified Party for any amount paid or payable by such Indemnified Party in the settlement of any Proceeding or investigation without the written consent of the IESO, which consent shall not be unreasonably withheld. Promptly after receipt by an Indemnified Party of notice

of the commencement of any Proceeding or investigation, such Indemnified Party shall, if a claim in respect thereof is to be made against the IESO under this Section 6.1(a), notify the IESO in writing of the commencement thereof. Failure by an Indemnified Party to so notify the IESO shall relieve the IESO from the obligation to indemnify and hold harmless such Indemnified Party under this Section 6.1(a) only to the extent that the IESO suffers actual prejudice as a result of such failure. With respect to any Proceeding or investigation brought by a third party for which indemnification may be sought under this Section 6.1(a), the IESO shall be entitled to conduct and control, at its expense and with counsel of its choosing that is reasonably satisfactory to such Indemnified Party, the defence of any such Proceeding or investigation (in which case the IESO shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the Indemnified Party except as set forth below); provided, that the Indemnified Party shall have the right to participate in such Proceeding or investigation through counsel chosen by it and at its own expense. Notwithstanding the IESO's election to assume the defence of any Proceeding or investigation, the Indemnified Party shall have the right to employ separate counsel, and the IESO shall bear the reasonable fees, costs and expenses of such separate counsel, if (i) the defendants in any such action include both the Indemnified Party and the IESO and the Indemnified Party shall have reasonably concluded that there may be legal defences available to it that are different from or additional to those available to the IESO, (ii) the IESO shall not have employed counsel reasonably satisfactory to the Indemnified Party to represent the Indemnified Party within a reasonable time after notice of the institution of such action, or (iii) the IESO authorizes the Indemnified Party to employ separate counsel at the expense of the IESO. Notwithstanding the foregoing, the IESO shall not be obligated to pay for the fees, costs and expenses of more than one separate counsel for the Indemnified Parties other than one local counsel, if appropriate. The IESO will not, without the prior written consent of the Indemnified Party, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim or Proceeding in respect of which indemnification may be sought under this Section 6.1(a) (whether or not the Indemnified Party is an actual or potential party to such claim or action) unless such settlement, compromise or consent includes an unconditional release of the Indemnified Party from all liability arising out of such claim or Proceeding.

(b) For purposes of Section 6.1(a), in the event of the termination of the rights and obligations of the IESO (or any successor thereto pursuant to Section 3.11) as Servicer pursuant to Section 7.1, or a resignation by such Servicer pursuant to Section 3.12 of this Agreement, the IESO shall be deemed to be the Servicer pending appointment of a Successor Servicer pursuant to Section 7.2.

(c) Indemnification under Section 6.1(a) shall include reasonable out-of-pocket fees and expenses of investigation and litigation (including reasonable legal fees and expenses), except as otherwise expressly provided in this Agreement.

(d) Indemnification under this Section 6.1 shall survive any repeal of, modification of, or supplement to, or judicial invalidation of, the Act and shall survive the termination of this Agreement and will rank *pari passu* with other general, unsecured obligations of the IESO.

(e) The IESO shall not be required to indemnify any party under this Section 6.1 for any losses resulting from changes in law after the date hereof, whether such changes in law are effected by means of any legislative enactment or any final and non-appealable judicial decision.

ARTICLE 7
SERVICER DEFAULT

7.1 Servicer Default

If any one or more of the following events (each, a "**Servicer Default**") shall occur and be continuing:

(a) any failure by the Servicer to remit to the Collection Account any required remittance that shall continue unremedied for a period of **[two/three]** Business Days after written notice of such failure is received by the Servicer from the Issuer or after discovery of such failure by a Responsible Officer of the Servicer;

(b) any failure on the part of the Servicer or, so long as the Servicer is the IESO, any failure on the part of the IESO, as the case may be, duly to observe or to perform in any respect any covenants or agreements of the Servicer or the IESO, as the case may be, set forth in this Agreement or in any other Program Agreement to which it is a party (other than as provided in Section 7.1(a)), which failure shall (i) materially and adversely affect the rights of the Specified Creditors and (ii) continue unremedied for a period of 30 days after the date on which (A) written notice of such failure, requiring the same to be remedied, shall have been given to the Servicer or the IESO, as the case may be, by the Issuer or (B) such failure is discovered by a Responsible Officer of the Servicer;

(c) any representation or warranty made by the Servicer in this Agreement, any other Program Agreement to which it is a party, any Transfer Notice or any Monthly Report shall prove to have been incorrect when made, which has a material adverse effect on the Issuer and which remains unremedied for a period of 30 days after the date on which (i) written notice thereof, requiring the same to be remedied, shall have been delivered to the Servicer by the Issuer or (ii) such failure is discovered by a Responsible Officer of the Servicer;

(d) an Insolvency Event occurs with respect to the Servicer or the IESO; or

(e) any additional "Servicer Default" as specified in any Co-Owner Agreement occurs;

then, and in each and every case, the Issuer may, subject to the terms of any Co-Owner Agreement, by notice then given in writing to the Servicer (a "**Termination Notice**"), terminate all the rights and obligations (other than the obligations set forth in Section 6.1 and the obligation under Section 7.2 to continue performing its functions as Servicer until a Successor Servicer is appointed) of the Servicer under this Agreement and under the Co-Owner Agreement. In addition, upon a Servicer Default described in Section 7.1(a), Issuer shall be entitled to apply to a court of appropriate jurisdiction for an order for sequestration and payment of revenues arising with respect to the Issuer. On or after the receipt by the Servicer of a Termination Notice, all authority and power of the Servicer under this Agreement, whether with respect to the Investment Interest, the Clean Energy Adjustments or otherwise, shall, without further action, pass to and be vested in such Successor Servicer as may be appointed under Section 7.2; and, without limitation, the Issuer is hereby authorized and empowered to execute and deliver, on behalf of the predecessor Servicer, as attorney-in-fact or otherwise, any and all documents and other instruments, and to do or accomplish all other acts or things necessary or appropriate to effect the purposes of such Termination Notice, whether to complete the transfer of all documents and records related to the Regulatory Asset, the Fair Hydro Variance Account and related documents or records, or otherwise (the "**Records**"). The predecessor Servicer shall cooperate with the Successor Servicer and the Issuer in effecting the termination of the responsibilities and rights of the predecessor Servicer under this Agreement, including the transfer to the Successor Servicer for administration by it of all Records and all cash amounts that shall at the time be held by the predecessor Servicer for remittance, or shall thereafter be received by it with respect to the Investment Interest or the Clean Energy Adjustment. As soon as practicable after receipt by the Servicer of such Termination Notice, the Servicer shall deliver the Records to the Successor Servicer. If a Successor Servicer has been appointed as a result of a Servicer Default, all reasonable costs and expenses (including reasonable legal fees and expenses) incurred in connection with transferring the Records to the Successor Servicer and amending this Agreement and any Co-Owner Agreement to reflect such succession as Servicer pursuant to this Section 7.1 shall be paid by the predecessor Servicer upon presentation of reasonable documentation of such costs and expenses. Termination of the IESO as Servicer shall not terminate the IESO's rights or obligations under this Agreement (except rights thereunder deriving from its rights as the Servicer hereunder).

7.2 Appointment of Successor Servicer

(a) Upon the Servicer's receipt of a Termination Notice pursuant to Section 7.1 or the Servicer's resignation or removal in accordance with the terms of this Agreement, the predecessor Servicer shall continue to perform its functions as Servicer under this Agreement, until a Successor Servicer shall have assumed in writing the obligations of the Servicer hereunder as described below. In the event of the Servicer's removal or resignation hereunder, the Issuer may, but subject to the provisions of the applicable Co-Owner Agreement, appoint a Successor Servicer and the Successor Servicer shall accept its appointment by a written assumption in form reasonably acceptable to the Issuer. If, within 30 days after the delivery of the Termination Notice, a Successor Servicer shall not have been appointed, the Issuer may petition a court of competent jurisdiction to appoint a Successor Servicer under this Agreement. A Person shall qualify as a Successor Servicer only if (i) such Person is permitted under the Act to perform the duties of the

Servicer, (ii) the Rating Agency Condition shall have been satisfied with respect to such appointment, (iii) such Person enters into a master transfer and servicing agreement with the Issuer having substantially the same provisions as this Agreement and (iv) such Person agrees to perform the obligations of the Servicer under any Co-Owner Agreement. In no event shall the Issuer be liable for its appointment of a Successor Servicer..

(b) Upon appointment, the Successor Servicer shall be the successor in all respects to the predecessor Servicer and shall be subject to all the responsibilities, duties and liabilities arising thereafter placed on the predecessor Servicer and shall be entitled to all the rights granted to the predecessor Servicer by the terms and provisions of this Agreement.

7.3 Waiver of Past Defaults

The Issuer may waive in writing any default by the Servicer in the performance of its obligations hereunder and its consequences. Upon any such waiver of a past default, such default shall cease to exist, and any Servicer Default arising therefrom shall be deemed to have been remedied for every purpose of this Agreement. No such waiver shall extend to any subsequent or other default or impair any right consequent thereto.

7.4 Notice of Servicer Default

The Servicer shall deliver to the Issuer, promptly after having obtained knowledge thereof, but in no event later than five Business Days thereafter, written notice of any event that, with the giving of notice or lapse of time, or both, would become a Servicer Default under Section 7.1.

7.5 Cooperation with Successor Servicer

The Servicer covenants and agrees with the Issuer that it will, on an ongoing basis, cooperate with the Successor Servicer and provide whatever information is, and take whatever actions are, reasonably necessary to assist the Successor Servicer in performing its obligations hereunder.

ARTICLE 8
MISCELLANEOUS

8.1 Amendment

This Agreement may be amended in writing by the IESO and the Issuer, and with satisfaction of the Rating Agency Condition, such satisfaction to be confirmed by the Issuer at the time of such amendment. Promptly after the execution of any such amendment, the Issuer shall furnish copies of such amendment to each of the Rating Agencies.

8.2 Withholding Rights

The parties shall be entitled to deduct and withhold from amounts payable under this Agreement such amounts as each is required to deduct and withhold with respect to such payment under the *Income Tax Act* (Canada) or any provision of any applicable federal, provincial, territorial, state, local or foreign tax law. To the extent that amounts are so withheld, such withheld amounts shall be treated for all purposes as having been paid to the recipient of the payment in respect of which such deduction and withholding was made, provided that such withheld amounts are actually remitted in accordance with applicable law to the appropriate taxing authority.

8.3 No Partnership

Each party expressly disclaims any intention to create a partnership, and none of the Issuer or the IESO will be deemed to be carrying on business in partnership by reason of its execution and delivery of this Agreement or the exercise or performance by it of its respective rights and obligations hereunder.

8.4 Notices

Any notice, report or other communication given hereunder shall be in writing and shall be effective (a) upon receipt when sent through the mails, registered or certified mail, return receipt requested, postage prepaid, with such receipt to be effective the date of delivery indicated on the return receipt, (b) upon receipt when sent by an overnight courier, (c) on the date personally delivered to an authorized officer of the party to which sent, or (d) on the date transmitted by electronic transmission with a confirmation of receipt in all cases, addressed as follows:

Each party hereto may, by notice given in accordance herewith to the other party or parties hereto, designate any further or different address to which subsequent notices, reports and other communications shall be sent. Any notice, report or communication required to be given by the IESO hereunder to a Rating Agency shall be given to the address provided by the Issuer from time to time.

8.5 Assignment

Notwithstanding anything to the contrary contained herein, except as provided in the provisions of this Agreement concerning the resignation of the Servicer, this Agreement may not be assigned by the IESO.

8.6 Limitations on Rights of Third Parties

The provisions of this Agreement are solely for the benefit of the IESO and the Issuer, and such Persons shall have the right to enforce the relevant provisions of this Agreement. Nothing in this Agreement, whether express or implied, shall be construed to give to any other Person any legal or equitable right, remedy or claim in the Issuer Investment Interest or under or in respect of this Agreement or any covenants, conditions or provisions contained herein.

8.7 Severability

Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remainder of such provision (if any) or the remaining provisions hereof (unless such construction shall be unreasonable), and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

8.8 Separate Counterparts; Electronic Delivery

This Agreement may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute but one and the same instrument. Delivery of an executed signature page to this Agreement by a party by electronic transmission will be as effective as delivery of a manually executed copy of this Agreement by such party.

8.9 Governing Law

This Agreement shall be construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein, and each party to this Agreement attorns to the non-exclusive jurisdiction of the courts of the Province of Ontario.

8.10 Grant of Security Interest to Indenture Trustee

The IESO hereby acknowledges and consents to the grant of a Lien by the Issuer to the Indenture Trustee pursuant to the Indenture for the benefit of the Specified Creditors

against all right, title and interest of the Issuer in, to and under this Agreement, the Investment Interest and the proceeds thereof and the assignment of any or all of the Issuer's rights hereunder to the Indenture Trustee for the benefit of the Specified Creditors.

8.11 Limitation of Liability of the Issuer Trustee

(a) It is expressly understood and agreed by the parties hereto that the Issuer Trustee is acting solely in its capacity as trustee of the Issuer, and not in any other capacity. The Issuer solely shall be responsible for the performance of the Issuer's obligations hereunder and the assets of the Issuer solely shall be subject to levy or execution in satisfaction of such obligations.

(b) The Issuer Trustee will not be subject to any liability whatsoever, in tort, in contract or otherwise, in connection with the Issuer's property or the Issuer's activities, to the Issuer's beneficiaries or to any other Person, for any action taken or permitted by the Issuer Trustee to be taken, or the Issuer Trustee's failure to compel in any way any former or acting Issuer Trustee to redress any breach of trust with respect to the execution of the duties of its office or in respect of the Issuer's property or the Issuer's activities, provided that the foregoing limitation will not apply in respect of action or failure to act arising from or in connection with dishonesty, bad faith, willful misconduct, gross negligence or reckless disregard of a duty by the Issuer Trustee. The Issuer Trustee, in doing anything or permitting anything to be done in respect of the execution of the duties of its office or in respect of the Issuer's property or the Issuer's activities, is, and will be conclusively deemed to be, acting as trustee of the Issuer and not in any other capacity. Except as to the extent provided in this Section 8.11, the Issuer Trustee will not be subject to any liability for any debts, liabilities, obligations, claims, demands, judgments, costs, charges or expenses against or with respect to the Issuer, arising out of anything done or permitted by it to be done or its failure to take any action in respect of the execution of the duties of its office or for or in respect of the Issuer's property or the Issuer's activities and resort will be had solely to the Issuer's property for the payment or performance thereof. No property or assets of the Issuer Trustee owned in its personal capacity will be subject to levy, execution or other enforcement procedure with regard to any obligation under this Agreement.

(c) The holders of the units of the Issuer will not be subject to any liability whatsoever, in tort, in contract or otherwise, in connection with the Issuer's property or the Issuer's activities, to the Issuer's beneficiaries or to any other Person, for any action taken or permitted by it to be taken. The holders of the units of the Issuer will not be subject to any liability for any debts, liabilities, obligations, claims, demands, judgments, costs, charges or expenses against or with respect to the Issuer, arising out of anything done or permitted by it to be done or its failure to take any action in respect of the execution of the duties of its office or for or in respect of the Issuer's property or the Issuer's activities and resort will be had solely to the Issuer's property for the payment or performance thereof. No property or assets of the holders of the units of the Issuer owned in

their personal capacity will be subject to levy, execution or other enforcement procedure with regard to any obligation under this Agreement.

8.12 Waivers

Any term or provision of this Agreement may be waived, or the time for its performance may be extended, by the party or parties entitled to the benefit thereof. Any such waiver shall be validly and sufficiently authorized for the purposes of this Agreement if, as to any party, it is authorized in writing by an authorized representative of such party, with prompt written notice of any such waiver to be provided to the Rating Agencies. The failure of any party hereto to enforce at any time any provision of this Agreement shall not be construed to be a waiver of such provision, nor in any way to affect the validity of this Agreement or any part hereof or the right of any party thereafter to enforce each and every such provision. No waiver of any breach of this Agreement shall be held to constitute a waiver of any other or subsequent breach.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed by their respective officers as of the day and year first above written.

(b) ***Maximum Purchaser Group Principal Amounts***. Notwithstanding anything to the contrary contained in this Supplemental Indenture, at no time shall a Purchaser Group be required to make the initial purchase of a Series 2017-1 Senior Note or increase its Purchaser Group Principal Amount if the sum of (x) Purchaser Group Principal Amount with respect to such Purchaser Group, after giving effect to such purchase or increase, and (y) the sum of any unfunded Delayed Amounts with respect to such Purchaser Group, would exceed the Maximum Purchaser Group Principal Amount with respect to such Purchaser Group at such time.

3.2 Delivery

(a) On the Closing Date (or on any later date that any Purchaser Group becomes a party to this Supplemental Indenture), Series 2017-1 Senior Notes shall be executed, authenticated and delivered by the Issuer in accordance with Section 4.03 of the Trust Indenture (i) in the case of a CP Conduit Purchaser Group, in the name of the Funding Agent with respect to such CP Conduit Purchaser Group (or as otherwise requested by such CP Conduit Purchaser Group and agreed to by the Issuer) in an amount equal to the Maximum Purchaser Group Principal Amount with respect to such CP Conduit Purchaser Group and delivered to such Funding Agent; or (ii) in the case of a Non-Conduit Purchaser Group, in the name of the Related Non-Conduit Purchaser in an amount equal to the Maximum Purchaser Group Principal Amount with respect to such Related Non-Conduit Purchaser Group and delivered to such Related Non-Conduit Purchaser.

(b) The Administrative Agent shall maintain a record of the actual Purchaser Group Principal Amount outstanding with respect to each Purchaser Group and the actual Series 2017-1 Principal Amount outstanding on any date of determination, which, absent manifest error, shall constitute prima facie evidence of the outstanding Purchaser Group Principal Amounts and outstanding Series 2017-1 Principal Amount from time to time. Upon a written request from the Indenture Trustee, the Administrative Agent shall provide in writing the identity of the Purchaser Groups, the related Funding Agents for each CP Conduit Purchaser Group, the Purchaser Group Principal Amount for each Purchaser Group and the Commitment Percentage with respect to such Purchaser Group to the Indenture Trustee.

3.3 Procedure for Initial Issuance and for Increasing the Series 2017-1 Principal Amount

(a) (i) On any Business Day prior to [**December 15, 2017**], in the case of a Non-Conduit Purchaser Group, the Related Non-Conduit Purchaser hereby agrees, or in the case of a CP Conduit Purchaser Group, the CP Conduit Purchaser in such CP Conduit Purchaser Group may agree, in its sole discretion, and the Group Bank with respect to such CP Conduit Purchaser hereby agrees, that it will purchase a Series 2017-1 Senior Note for an initial purchase price equal to the Commitment Percentage with respect to such Purchaser Group of the Series 2017-1 Initial Principal Amount upon the request of the Issuer (the date on which the initial purchase occurs being referred to as the "**Closing Date**"); provided, however, that the Issuer shall have given the Administrative Agent (with a copy to the Indenture Trustee) irrevocable written notice (effective upon receipt), by email communication, substantially in the form of Schedule C no later than **[3:00 p.m.]** (Toronto time) on the third Business Day prior to the Closing Date. The written notice of the initial purchase of the Series 2017-1 Senior Notes shall state (x) the Closing Date, and (y) the initial total purchase price to be paid for the Series 2017-1 Senior Notes (the "**Series 2017-1 Initial Principal Amount**"); and (ii) subject to Section 3.3(e), on any Business Day during the period from the initial purchase of the Series 2017-1 Senior Notes hereunder to and including the Commitment Expiry Date, in the case of a Non-Conduit Purchaser Group, the Related Non-Conduit Purchaser hereby agrees, or in the case of a CP Conduit Purchaser Group, the CP Conduit Purchaser in such CP Conduit Purchaser Group may agree, in its sole discretion, and the Group Bank with respect to such CP Conduit Purchaser hereby agrees that the Purchaser Group Principal Amount with respect to such Purchaser Group may be increased by an amount equal to the Commitment Percentage with respect to such Purchaser Group of the Increase Amount (an "**Increase**"), upon the request of the Issuer (each date on which an increase in the Series 2017-1 Principal Amount occurs hereunder being herein referred to as the "**Increase Date**" applicable to such Increase); provided, however, that the Issuer shall have given the Administrative Agent (with

a copy to the Indenture Trustee) irrevocable (other than as specified in Section 3.3(e)) written notice (effective upon receipt), by email communication, substantially in the form of Schedule C (an "**Increase Notice**") no later than **[3:00 p.m.]** (Toronto time) on (A) with respect to a Deferrable Increase Notice, the third Business Day prior to such Increase Date, or (B) with respect to a Non-Deferrable Increase Notice, the second Business Day prior to such Increase Date. Each Increase Notice shall state (x) the Increase Date, (y) the proposed amount of the increase in the Series 2017-1 Principal Amount (an "**Increase Amount**"), (z) whether a Delayed Funding Notice may be delivered in connection with such Increase pursuant to Section 3.3(e) and whether the Increase is to fund a Transfer (a "**Transfer Increase**") or is in respect of a Refinancing (a "**Refinancing Increase**"). The Commitment Percentage with respect to any Purchaser Group of the Increase Amount set forth in any Non-Deferrable Increase Notice shall not exceed such Purchaser Group's Non-Deferrable Draw Amount as of the related Increase Date.

(b) If a CP Conduit Purchaser elects not to fund the full amount of its Commitment Percentage of a requested Increase, such CP Conduit Purchaser shall notify the Administrative Agent and the Funding Agent with respect to such CP Conduit Purchaser, and the Group Bank with respect to such CP Conduit Purchaser shall fund the portion of the Commitment Percentage with respect to such Related Purchaser Group of such Increase not funded by such CP Conduit Purchaser.

(c) No Purchaser Group shall be required to increase its Purchaser Group Principal Amount on any Increase Date hereunder unless:

(i) such Purchaser Group's Commitment Percentage of such Increase Amount is (A) equal to $1,000,000 or more, or (B) if less than $1,000,000, the difference between the Maximum Purchaser Group Principal Amount with respect to such Purchaser Group and the Purchaser Group Principal Amount with respect to such Purchaser Group; and

(ii) after giving effect to such Increase Amount, the sum of the (x) the Purchaser Group Principal Amount, and (y) any unfunded Delayed Amounts with respect to such Purchaser Group would not exceed the Maximum Purchaser Group Principal Amount with respect to such Purchaser Group;

(d) Upon receipt of any notice required by Section 3.3(a) or permitted by Section 3.3(e) from the Issuer, the Administrative Agent shall forward (by email communication) a copy of such notice to each Non-Conduit Purchaser and the Funding Agent with respect to each CP Conduit Purchaser Group (or, with respect to any notice pursuant to Section 3.3(e) requiring a Delayed Funding Purchaser Group to decrease its Delayed Amount, the applicable Non-Conduit Purchaser or Funding Agent), no later than **[5:00 p.m.]** (Toronto time) on the Business Day received. After receipt by any Funding Agent with respect to a CP Conduit Purchaser Group of such notice from the Administrative Agent, such Funding Agent shall, so long as the conditions set forth in Sections 3.3(a) and (c) and Article 4 are satisfied, promptly provide notice by email communication to the related CP Conduit Purchaser and the related Group Bank, of the Increase Date and of such CP Conduit Purchaser Group's Commitment Percentage of the Closing Date or Increase Amount, as applicable. Subject to Section 3.3(e), if such CP Conduit Purchaser elects to fund all or a portion of its Commitment Percentage of the Series 2017-1 Initial Principal Amount or the Increase Amount, as applicable, such CP Conduit Purchaser shall pay in immediately available funds its Commitment Percentage (or any portion thereof) of the amount of the Series 2017-1 Initial Principal Amount or Increase Amount, as applicable, on the Closing Date or the

related Increase Date, as applicable, to the Funding Agent with respect to such CP Conduit Purchaser Group for remittance to the Issuer for application in accordance with Section 3.3(h). Subject to Section 3.3(e), if such CP Conduit Purchaser does not fund the full amount of the Commitment Percentage of such CP Conduit Purchaser Group of the Series 2017-1 Initial Principal Amount or an Increase Amount, as applicable, and the related Group Bank is required to fund the portion thereof not funded by the CP Conduit Purchaser, such Group Bank shall pay in immediately available funds such portion on the Closing Date or the related Increase Date, as applicable, to the Funding Agent with respect to such CP Conduit Purchaser Group. Each Funding Agent shall remit the amounts received by it from its CP Conduit Purchaser or the related Group Bank pursuant to this Section 3.3(d) to the Issuer for application in accordance with Section 3.3(h). Subject to Section 3.3(e), so long as the conditions set forth in Sections 3.3(a) and (c) and Article 4 are satisfied, each Non-Conduit Purchaser shall pay in immediately available funds the Commitment Percentage of such Non-Conduit Purchaser of the amount of the Series 2017-1 Initial Principal Amount or Increase Amount, as applicable, on the Closing Date or the Increase Date, as applicable, to the Issuer for application in accordance with Section 3.3(h).

(e) Notwithstanding any of the foregoing, any Group Bank or Non-Conduit Purchaser who shall have previously notified the Issuer in writing that it or any related Program Support Provider may, in the absence of the Group Bank or Non-Conduit Purchaser having the ability to deliver Delayed Funding Notices hereunder, incur charges under, or in anticipation of, Basel III (which may include external charges incurred by the Group Bank, Non-Conduit Purchaser or Program Support Provider or internal charges incurred by any of their businesses) in respect of its Commitment hereunder or any agreement to support such Commitment, or in respect of its interest in the Series 2017-1 Senior Notes, based on its "liquidity coverage ratio" calculated under Basel III, may, upon receipt of any Deferrable Increase Notice pursuant to Section 3.3(a), notify the Issuer in writing (a "**Delayed Funding Notice**") on or prior to **[12:00 noon]** (Toronto time) on the second Business Day preceding the related Increase Date, of its intent to fund an amount up to its Commitment Percentage of the related Increase Amount (such amount, subject to any adjustment described below, the "**Delayed Amount**") on a Business Day that is on or before the thirty-third (33rd) day following the Increase Date specified in such Deferrable Increase Notice (the "**Delayed Funding Date**") rather than on such Increase Date. If any Group Bank or Non-Conduit Purchaser provides a Delayed Funding Notice to the Issuer following the Issuer's delivery of an Increase Notice pursuant to Section 3.3(a), the Issuer may with written notice to the Administrative Agent delivered prior to 3:00 pm on the second Business Day preceding such Increase Date, (x) decrease the Increase Amount with respect to such Deferrable Increase Notice (or revoke such Deferrable Increase Notice by decreasing the Increase Amount to zero), and/or (y) require any Group Bank or Non-Conduit Purchaser who has provided a Delayed Funding Notice to reduce the Delayed Amount with respect to such Increase by an amount no greater than the Non-Deferrable Draw Amount with respect to such Purchaser Group as of the related Increase Date. In the event that the Increase Amount with respect to such Deferrable Increase Notice is reduced, but not to zero, then any Delayed Amount with respect to any Purchaser Group shall be reduced on a pro rata basis unless otherwise specified by the Issuer pursuant to clause (y) above. No Purchaser Group that has provided a Delayed Funding Notice in respect of an Increase (each a "**Delayed Funding Purchaser Group**") shall be considered to be in default of its obligation to fund its Delayed Amount pursuant to this Section 3.3 unless and until it has failed to fund the Delayed Amount (and/or the Delayed Funding Reimbursement Amount with respect to such Delayed Amount) on or before the Delayed Funding Date.

(f) If (i) one or more Delayed Funding Purchaser Groups provides a Delayed Funding Notice to the Issuer in respect of any Increase Date; and (ii) the Issuer shall not have decreased the related Increase Amount to zero or required each such Delayed Funding Purchaser Group to reduce the Delayed Amount with respect to such Increase to zero, in each case, pursuant to Section 3.3(e), the Administrative Agent shall, by no later than **[12:00 noon]** (Toronto time) on the Business Day preceding such Increase Date, direct each Purchaser Group that is not a Delayed Funding Purchaser Group with respect to such Increase Date (each a "**Non-Delayed Funding Purchaser Group**") to fund an additional portion of such Increase Amount on such Increase Date equal to such Non-Delayed Funding Purchaser Group's proportionate share (based upon the Maximum Purchaser Group Principal Amount with respect to such Non-Delayed Funding Purchaser Group relative to the sum of the Maximum Purchaser Group Principal Amounts with respect to all Non-Delayed Funding Purchaser Groups) of the aggregate Delayed Amounts with respect to such Increase Date; provided that no Non-Delayed Funding Purchaser Group shall be required to fund any portion of the aggregate Delayed Amounts that would cause its Purchaser Group Principal Amount to exceed its Maximum Purchaser Group Principal Amount. Subject to Section 3.3(a), in the case of a Non-Delayed Funding Purchaser Group that is a Non-Conduit Purchaser, such Non-Conduit Purchaser hereby agrees, or, in the case of a Non-Delayed Funding Purchaser Group that is a CP Conduit Purchaser Group, the CP Conduit in such CP Conduit Purchaser Group may agree, in its sole discretion, and the Group Bank in such CP Conduit Purchaser Group hereby agrees, to fund such portion of the Increase Amount on such Increase Date.

(g) After the Non-Delayed Funding Purchaser Groups fund a Delayed Amount on any Increase Date in accordance with Section 3.3(f), the Delayed Funding Purchaser Group in respect of such Delayed Amount will be obligated to fund the Delayed Funding Reimbursement Amount with respect to such Delayed Amount on or before its Delayed Funding Date, irrespective of whether the Scheduled Commitment Expiry Date shall have occurred on or prior to such Delayed Funding Date or the Issuer would be able to satisfy the conditions set forth in Section 3.3(c) to an Increase in an amount equal to such Delayed Funding Reimbursement Amount on such Delayed Funding Date. Such Delayed Funding Purchaser Group shall fund such Delayed Funding Reimbursement Amount on such Delayed Funding Date by paying such amount to the Administrative Agent in immediately available funds, and the Administrative Agent shall distribute such funds to each such Non-Delayed Funding Purchaser Group, *pro rata* based on the relative amount of such Delayed Amount funded by such Non-Delayed Funding Purchaser Group on such Increase Date pursuant to Section 3.3(f).

(h) The Issuer shall apply amounts paid to it pursuant to Sections 3.3(d) and 3.3(f) in the following order of priority:

(i) As to an amount equal to ●% of the amounts paid to pursuant to Sections 3.3(d) and 3.3(f), by deposit to the Program Cash Reserve Account; **[NTD: OPG would like to understand what this account is needed for]** and

(ii) as to the balance, in respect of the proceeds of the initial purchase of the Series 2017-1 Notes or a Transfer Increase, by application to payment of the purchase price payable by the Issuer to the IESO under the Master Transfer and Servicing Agreement in respect of the related Transfer and, in respect of the proceeds of a Refinancing Increase, by deposit to the Refinancing Account.

3.4 Procedure for Decreasing the Series 2017-1 Principal Amount; Optional Termination

(a) In the case of a Non-Conduit Purchaser Group, the Related Non-Conduit Purchaser hereby agrees, and in the case of a CP Conduit Purchaser Group, each of the CP Conduit Purchasers and the Group Bank in such CP Conduit Purchaser Group hereby agrees, that the Purchaser Group Principal Amount with respect to such Purchaser Group may be decreased on any Payment Date by such Purchaser Group's Commitment Percentage of a Decrease Amount (a "**Decrease**"), upon the request of the Issuer. Each Payment Date on which a Decrease in the Series 2017-1 Principal Amount occurs hereunder being herein referred to as the "**Decrease Date**" applicable to such Decrease; provided, however, that the Issuer shall have given the Administrative Agent (with a copy to the Indenture Trustee) irrevocable written notice (effective upon receipt), by email communication, substantially in the form of Schedule D (a "**Decrease Notice**") no later than **[3:00 p.m.]** (Toronto time) on the second Business Day prior to any Payment Date that is a Decrease Date. Each Decrease Notice shall state (x) the Decrease Date, and (y) the proposed amount of the decrease in the Series 2017-1 Principal Amount (a "**Decrease Amount**").

(b) Upon each Decrease, the Administrative Agent shall indicate in its records such Decrease and the Purchaser Group Principal Amount outstanding with respect to each Purchaser Group after giving effect to such Decrease. Upon receipt of any notice required by Section 3.4(a) from the Issuer, the Administrative Agent shall forward (by email communication) a copy of such notice to each Non-Conduit Purchaser and the Funding Agent with respect to each CP Conduit Purchaser Group, no later than **[1:00 p.m.]** (Toronto time) on the Business Day received.

(c) On any Business Day, the Issuer shall have the right to deliver an irrevocable written notice (an "**Optional Termination Notice**") to the Administrative Agent in which the Issuer declares that the Commitments shall terminate on the date (the "**Optional Termination Date**") set forth in such notice (which date, in any event, shall be a Payment Date not less than twenty (20) Business Days from the date on which such notice is delivered). Upon receipt of any Optional Termination Notice from the Issuer, the Administrative Agent shall promptly notify each Non-Conduit Purchaser and the Funding Agent with respect to each CP Conduit Purchaser Group thereof.

3.5 Increases and Reductions of the Commitments

(a) The Issuer may from time to time request that any Purchaser Group agree to increase its Maximum Purchaser Group Principal Amount. An increase in such amount shall be effective hereunder if such Purchaser Group shall have agreed in its sole discretion to such increase.

(b) On any Business Day, the Issuer may, upon two (2) Business Days' prior written notice to the Administrative Agent (effective upon receipt) (with copies to the Indenture Trustee) reduce the Series 2017-1 Maximum Principal Amount in an amount equal to $10,000,000 or a whole multiple of $1,000,000 in excess thereof; provided that no such termination or reduction shall be permitted if, after giving effect thereto and to any reduction in the Series 2017-1 Principal Amount on such date, the Purchaser Group Principal Amount with respect to any Purchaser Group would exceed the Maximum Purchaser Group Principal Amount with respect to such Purchaser Group then in effect. Any reduction in the Series 2017-1 Maximum Principal Amount shall be made on a pro rata basis to the Maximum Purchaser Group Principal Amounts with respect to the Purchaser Groups, based on the Maximum Purchaser Group Principal Amount with respect to each Purchaser Group. Once reduced, the Maximum Purchaser Group Principal Amounts may not be

subsequently reinstated without each such Purchaser Group's prior written consent, which consent shall be granted or not in the sole discretion of such Purchaser Group.

(c) The Issuer may extend the Scheduled Commitment Expiry Date only with the prior written consent of the Administrative Agent, each Non-Conduit Purchaser and each Funding Agent.

3.6 Interest; Fees and Other Amounts

(a) Interest shall be payable on the Series 2017-1 Senior Notes on each Payment Date.

(b) The Issuer shall pay to each CP Conduit Purchaser Group and each Non-Conduit Purchaser, on each Payment Date, a commitment fee with respect to the preceding Billing Period (the "**Commitment Fee**") during the period from the Closing Date to and including the Commitment Expiry Date in an amount equal to the sum of the following amounts calculated for each day during such Billing Period: (x) the Commitment Fee Rate, multiplied by (y) the amount by which Maximum Purchaser Group Principal Amount with respect to such Purchaser Group on such day exceeds the Purchaser Group Principal Amount with respect to such Purchaser Group on such day, and divided by (z) 365. The Commitment Fees shall be payable monthly in arrears on each Payment Date.

(c) The Funding Agent with respect to each CP Conduit Purchaser Group and each Non-Conduit Purchaser shall provide written notice to the Issuer and the Paying Agent no later than two (2) Business Days prior to each Payment Date, setting forth the Group Monthly Interest and the Group Monthly Fees and Other Amounts with respect to its Related Purchaser Group with respect to the Payment Date.

(d) The Monthly Interest shall be included in each calculation of the Interest Accrual Amount (Senior) for the purposes of Section 7.04(e)(iii) of the Trust Indenture and shall be payable pursuant to Sections 7.05(a), 7.08(a)(i) or 8.13(c) of the Trust Indenture, as applicable. On each Payment Date, the Monthly Fees and Other Amounts shall be payable in respect of the Series 2017-1 Notes pursuant to Sections 7.04(e)(iii) or 8.13(c) of the Trust Indenture, as applicable. On each Payment Date the Paying Agent shall, subject to availability of funds, pay to each CP Conduit Purchaser Group and each Non-Conduit Purchaser its Group Monthly Interest and its Group Monthly Fees and Other Amounts with respect to the Payment Date; provided that if the amounts available to pay such Group Monthly Interest and Group Monthly Fees and Other Amounts are insufficient, the amounts available shall be paid *pro rata* based on the amounts owing to each Purchaser Group.

3.7 Accumulation and Repayment of Principal

(a) For the purposes of the Trust Indenture and the Series 2017-1 Notes:

(i) for each Payment Date before the Principal Accumulation Date, the Principal Accumulation Amount shall be the Principal Payment Amount for such Payment Date; and

(ii) for each Payment Date on or after the Principal Accumulation Date, the Principal Accumulation Amount shall be the greater of (x) the Principal Payment Amount

for such Payment Date, and (y) the Principal Accumulation Amount, for such Payment Date.

(b) Each Payment Date where the Principal Payment Amount is not nil shall be a Principal Payment Date in respect of the Series 2017-1 Notes. On each Principal Payment Date in respect of the Series 2017-1 Notes, the Paying Agent shall pay to each Non-Conduit Purchaser and each Funding Agent with respect to its Related Purchaser Group, such Purchaser Group's Pro Rata Share of the Principal Payment Amount for such Principal Payment Date out of funds allocated to the Series 2017-1 Senior Notes pursuant to Sections **7.04(e)(iv)(A), 7.06(a) or 8.13(d)** of the Trust Indenture, as applicable, in repayment of the principal amount of the Series 2017-1 Notes.

3.8 Indemnification by the Issuer

The Issuer agrees to indemnify and hold harmless the Indenture Trustee, the Administrative Agent, each Funding Agent, each CP Conduit Purchaser, the Group Bank, each Non-Conduit Purchaser and each of their respective officers, directors, agents and employees (each, an "**Issuer indemnified person**") from and against any loss, liability, expense, damage or injury suffered or sustained by such Issuer indemnified person by reason of (a) any acts, omissions or alleged acts or omissions arising out of, or relating to, activities of the Issuer pursuant to the Program Agreements to which it is a party; (b) a breach of any representation or warranty made or deemed made by the Issuer (or any of its officers) in any Program Agreement; or (c) a failure by the Issuer to comply with any applicable law or regulation or to perform its covenants, agreements, duties or obligations required to be performed or observed by it in accordance with the provisions of the Program Agreements, including, but not limited to, any judgment, award, settlement, reasonable attorneys' fees and other reasonable costs or expenses incurred in connection with the defense of any actual or threatened action, proceeding or claim, except to the extent such loss, liability, expense, damage or injury resulted from the gross negligence, bad faith or willful misconduct of such Issuer indemnified person or its officers, directors, agents, principals, employees or employers as determined by a court of competent jurisdiction in a final non-appealable judgement or includes any Excluded Taxes; provided that any payments made by the Issuer pursuant to this Section 3.8 shall be made solely from funds available pursuant to Section **[7.04] or [8.13]** of the Trust Indenture, as applicable, shall be non-recourse other than with respect to such funds, and shall not constitute a claim against the Issuer to the extent that such funds are insufficient to make such payment.

3.9 Funding Agents

(a) The Funding Agent with respect to each CP Conduit Purchaser Group is hereby authorized to determine the Group Monthly Interest and Group Monthly Fees and Other Amounts with respect to each Payment Date and such CP Conduit Purchaser Group. Any such determination by a Funding Agent, absent manifest error, shall constitute prima facie evidence of the accuracy of the calculation. Furthermore, the Funding Agent with respect to each CP Conduit Purchaser Group will maintain records sufficient to identify the percentage interest of the related CP Conduit Purchaser and the Group Bank with respect to such CP Conduit Purchaser Group holding an interest in the Series 2017-1 Senior Note registered in the name of such Funding Agent and any amounts owing thereunder.

(b) Upon receipt of funds on each Payment Date, each Funding Agent shall pay such funds to the related CP Conduit Purchaser and/or the related Group Bank owed such funds. If a Funding

Agent shall have paid to any CP Conduit Purchaser or Group Bank any funds that (i) must be returned for any reason (including bankruptcy); or (ii) exceeds that which such CP Conduit Purchaser or Group Bank was entitled to receive, such amount shall be promptly repaid to such Funding Agent by such CP Conduit Purchaser or Group Bank.

3.10 Taxes

(a) All payments by or on account of any obligation of the Issuer hereunder shall, to the extent allowed by law, be made free and clear of, and without deduction or withholding for or on account of Taxes, excluding (i) income taxes (including branch profit taxes, minimum taxes and taxes computed under alternative methods, at least one of which is based on or measured by net income), franchise taxes (imposed in lieu of income taxes), or any other Taxes based on or measured by the net income of any person legally entitled to receive such payments (each a "**Recipient**") as a result of a present or former connection between the Recipient and the jurisdiction of the Governmental Authority imposing such Taxes (other than any such connection arising solely from the Recipient having executed, delivered or performed its obligations or received a payment under, disposed of, or enforced, this Supplemental Indenture); (ii) any withholding or deduction imposed pursuant to (A) Sections 1471 to 1474 of the U.S. Internal Revenue Code of 1986, as amended ("**FATCA**"), or any successor version thereof, or any similar legislation imposed by any other Governmental Authority, or (B) any treaty, law or regulation or other official guidance enacted by Canada implementing FATCA or any intergovernmental agreement with respect to FATCA or any similar legislation imposed by any other Governmental Authority, including, for greater certainty, the Canada-United States Enhanced Tax Information Exchange Agreement Implementation Act (Canada) and Parts XVIII and XIX of the Income Tax Act (Canada), as amended (collectively, and including FATCA, the "**AEOI Legislation**"); and (iii) any interest, penalties and additions to Taxes in respect of (i) and (ii) (all such excluded Taxes being hereinafter called "**Excluded Taxes**"). If any Taxes, other than Excluded Taxes, are required to be withheld from any amounts payable to a Recipient hereunder, the amounts so payable to the Recipient shall be increased, and the Recipient shall be entitled to be paid by the Issuer the amount of such increase to the extent necessary to yield to the Recipient (after payment of all such Taxes other than Excluded Taxes) interest or any such other amounts payable hereunder or thereunder at the rates or in the amounts specified hereunder. Where the amount payable by the Issuer is increased in accordance with the previous sentence, the Group Monthly Interest shall be increased by the amount of such increase. Whenever any Taxes are payable on or with respect to amounts distributed to a Recipient, as promptly as possible thereafter the Issuer shall send to such Recipient a certified copy of an original official receipt showing payment thereof.

(b) If a payment by or on account of any obligation of the Issuer hereunder would be subject to withholding Taxes under any AEOI Legislation if the Recipient were to fail to comply with the applicable reporting requirements of any AEOI Legislation, such Recipient shall deliver to the Issuer at the time or times prescribed by law and at such time or times reasonably requested by the Issuer such documentation prescribed by applicable law and such additional documentation reasonably requested by the Issuer as may be necessary for the Issuer to comply with its obligations under any AEOI Legislation and to determine that such Recipient has complied with its obligations under any AEOI Legislation, or to determine the amount to deduct and withhold from such payment. If any form or certification it previously delivered by a Recipient expires or becomes obsolete or inaccurate in any respect, the Recipient shall update such form or certification or promptly notify the Issuer in writing of its legal inability to do so.

(c) If a Recipient is legally entitled to receive a refund of any Taxes (other than Excluded Taxes) as to which it has been indemnified or with respect to which additional amounts have been paid to it hereunder or it is legally entitled to receive a credit or deduction with respect to such Taxes or with respect to such additional amounts that have been paid hereunder (in each case pursuant to Section 3.10(a)), it shall use commercially reasonable efforts to obtain or claim such refund, credit or deduction and pay over such refund or the value of such credit or deduction to the Issuer, together with any interest thereon.

3.11 Increased Costs

(a) (i) If any Regulatory Change (x) subjects any Affected Party to any charge or withholding on or with respect to any Support Facility or this Supplemental Indenture or an Affected Person's obligations under a Support Facility or this Supplemental Indenture, or changes the basis of taxation of payments to any Affected Person of any amounts payable under any Support Facility or this Supplemental Indenture Agreement (except for changes in the rate of tax on the overall net income of an Affected Person or Excluded Taxes) or (y) imposes, modifies or deems applicable any reserve, assessment, fee, tax, insurance charge, special deposit or similar requirement against assets of, deposits with or for the account of, or liabilities of an Affected Person, or credit extended by an Affected Person pursuant to a Support Facility or this Supplemental Indenture or (z) imposes any other condition the result of which is to increase the cost to an Affected Person of performing its obligations under a Support Facility or this Supplemental Indenture, or to reduce the rate of return on an Affected Person's capital or assets as a consequence of its obligations under a Support Facility or this Supplemental Indenture, or to reduce the amount of any sum received or receivable by an Affected Person under a Support Facility or this Supplemental Indenture, or to require any payment calculated by reference to the amount of interests or loans held or interest received by it, then, upon written request by such Affected Party (through the Funding Agent for its Purchaser Group if the Affected Party is a Program Support Provider, CP Conduit Purchaser or Group Bank) of a written request therefore to the Issuer, such Affected Party (through the Funding Agent for its Purchaser Group if the Affected Party is a Program Support Provider, CP Conduit Purchaser or Group Bank) shall be entitled to be paid, such amounts charged to such Affected Party or such amounts to otherwise compensate such Affected for such increased cost or such reduction, no later than the Payment Date following receipt by the Issuer of such request for compensation under this Section 3.11(a)(i), if such request is received by the Issuer no later than five (5) Business Days prior to the end of the Interest Period related to such Payment Date, and otherwise on the following Payment Date.

(ii) The Issuer acknowledges that any Affected Party may implement, as an internal institutional matter, measures in anticipation of a final or proposed Regulatory Change (including, without limitation, the imposition of internal charges on such Affected Party's interest or obligations under any Support Agreement or this Supplemental Indenture) and may commence recognizing the incurrence of charges by seeking compensation under Section 3.11(a)(i) in connection with such measures, in advance of the effective date of such final or proposed Regulatory Change, and the Issuer agrees that such charges or compensation shall be payable, to the related Funding Agent, for the benefit of Affected Party, following demand therefor without regard to whether such proposed Regulatory Change has been adopted or whether such effective date has occurred; provided, that (I) the Affected Party shall provide thirty (30) days prior written notice to the Issuer of its intent to impose or incur any such charges or compensation, (II) an Affected Party shall not be compensated for any such amount pursuant to this subsection 3.11(a)(ii)

relating to any period ending, and of which such Affected Party has had knowledge, more than ninety (90) days prior to the date that such Affected Party provided the Issuer with the written notice contemplated by the preceding clause (I) of this subsection 3.11(a)(ii), (III) if, after the payment by the Trust of any charges or compensation pursuant to this subsection 3.11(a)(ii), either (A) the Issuer requests in writing that the applicable Affected Party re-compute any such charge or compensation in light of differences between a proposed Regulatory Change and the final effective version thereof or (B) the applicable Affected Party determines that the amount of the charge imposed on and required to be compensated by the Issuer exceeds the amount necessary to compensate it for the applicable Regulatory Change as contemplated by subsection 3.11(a)(i), then (x) the amount of such charge or compensation shall, from and after such determination, be reduced by the amount of such excess and (y) such Affected Party shall, within thirty (30) days of such determination, either repay the amount of such excess or credit the amount of such excess against future charges under this subsection 3.11(a)(ii). The Issuer further acknowledges that any charge or compensation demanded hereunder may take the form of a monthly charge to be assessed by such Affected Party.

(b) Each Affected Party claiming increased amounts described in subsection 3.11(a) of this Supplemental Indenture will furnish to the Issuer (together with its request for compensation) a certificate prepared in good faith setting forth the basis and the calculation of the amount (in reasonable detail) of each request by such Affected Party for any such increased amounts referred to in subsection 3.11(a) hereof. Any such certificate shall be conclusive absent manifest error. Failure on the part of any Affected Party to demand compensation for any amount pursuant to subsection 3.11(a) hereof with respect to any period shall not constitute a waiver of such Affected Party's right to demand compensation with respect to such period.

ARTICLE 7
AGENTS

7.1 Administrative Agent

(a) Each of the Non-Conduit Purchasers, CP Conduit Purchasers, the Group Banks and the Funding Agents hereby irrevocably designates and appoints the Administrative Agent as the agent of such Person under this Supplemental Indenture and irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Supplemental Indenture and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Supplemental Indenture, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Supplemental Indenture, the Administrative Agent shall not have any duties or responsibilities except those expressly set forth herein, or any fiduciary relationship with any Non-Conduit Purchaser, any CP Conduit Purchaser, any Group Bank or any Funding Agent, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Supplemental Indenture or otherwise exist against the Administrative Agent.

(b) The Administrative Agent may execute any of its duties under this Supplemental Indenture by or through agents or attorneys in fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. The Administrative Agent shall not be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care.

(c) Neither the Administrative Agent nor any of its officers, directors, employees, agents, attorneys in fact or Affiliates shall be (i) liable for any action lawfully taken or omitted to be taken by it or such Person under or in connection with the Trust Indenture, this Supplemental Indenture or any other Program Agreement (except to the extent that any of the foregoing are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from its or such Person's own gross negligence or willful misconduct) or (ii) responsible in any manner to any of the Non-Conduit Purchasers, the CP Conduit Purchasers, the Group Banks or the Funding Agents for any recitals, statements, representations or warranties made by the Issuer, the IESO, the Manager or any officer thereof contained in this Supplemental Indenture or any other Program Agreement or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Supplemental Indenture or any other Program Agreement or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Supplemental Indenture, any other Program Agreement, or for any failure of any of the Issuer, the Manager or the IESO to perform its obligations hereunder or thereunder. The Administrative Agent shall not be under any obligation to any Non-Conduit Purchaser, any CP Conduit Purchaser, any Group Bank or any Funding Agent to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Supplemental Indenture, any other Program Agreement or to inspect the properties, books or records of the Issuer, the Manager or the IESO.

(d) The Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter or electronic message, statement, order or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including, without limitation, counsel to the Issuer, the Manager or the IESO), independent accountants and other experts selected by the Administrative Agent.

(e) The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Termination Event unless the Administrative Agent has received written notice from a Non-Conduit Purchaser, a CP Conduit Purchaser, a Group Bank, a Funding Agent, the Issuer or the Manager referring to the Trust Indenture or this Supplemental Indenture, describing such Termination Event and stating that such notice is a "notice of a Termination Event". In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give notice thereof to the Non-Conduit Purchasers, the Funding Agents, the Issuer Trustee and the Manager.

(f) Each of the Non-Conduit Purchasers, the CP Conduit Purchasers, the Group Banks and the Funding Agents expressly acknowledges that neither the Administrative Agent nor any of its officers, directors, employees, agents, attorneys in fact or Affiliates has made any representations or warranties to it and that no act by the Administrative Agent hereinafter taken, including any review of the affairs of the Issuer, the Manager or the IESO shall be deemed to constitute any representation or warranty by the Administrative Agent to any such Person. Each of the Non-Conduit Purchasers, the CP Conduit Purchasers, the Group Banks and the Funding Agents represents to the Administrative Agent that it has, independently and without reliance upon the Administrative Agent or any other Non-Conduit Purchaser, CP Conduit Purchaser, Group Bank or Funding Agent and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Issuer, the Manager and the IESO and made its own decision to enter into this Supplemental Indenture. Each of the Non-Conduit Purchasers, the CP Conduit Purchasers, the Group Banks and the Funding Agents also represents that it will, independently and without reliance upon the Administrative Agent or any other Non-Conduit Purchaser, CP Conduit Purchaser, Group Bank or Funding Agent, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Supplemental Indenture and the other Program Agreements, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Issuer, the Manager and the IESO. Except for notices, reports and other documents expressly required to be furnished to the Non-Conduit Purchasers and the Funding Agents by the Administrative Agent hereunder, the Administrative Agent shall have no duty or responsibility to provide any Non-Conduit Purchaser, any CP Conduit Purchaser, any Group Bank or any Funding Agent with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of the Issuer, the Manager or the IESO which may come into the possession of the Administrative Agent or any of its officers, directors, employees, agents, attorneys in fact or Affiliates.

(g) The Administrative Agent and its Affiliates may make loans to, accept deposits from and generally engage in any kind of business with the Issuer, the Manager and the IESO as though the Administrative Agent were not the Administrative Agent hereunder. With respect to any Series 2017-1 Senior Note held by the Administrative Agent, the Administrative Agent shall have the same rights and powers under this Supplemental Indenture and the other Program Agreements as any Group Bank or Funding Agent and may exercise the same as though it were not the Administrative Agent, and the terms "Group Bank," and "Funding Agent" shall include the Administrative Agent in its individual capacity.

(h) The Administrative Agent may resign as Administrative Agent at any time by giving 30 days' notice to the Non-Conduit Purchasers, the Funding Agents, the Indenture Trustee, the Issuer and the Manager. If ● shall resign as Administrative Agent under this Supplemental Indenture, then the Requisite Series 2017-1 Noteholders shall appoint a successor administrative agent from among the Non-Conduit Purchasers and Funding Agents, whereupon such successor agent shall succeed to the rights, powers and duties of the Administrative Agent, and the term "Administrative Agent" shall mean such successor agent effective upon such appointment and approval, and the former Administrative Agent's rights, powers and duties as Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Supplemental Indenture. If no successor administrative agent has accepted appointment as Administrative Agent prior to the effective date of the resignation of the Administrative Agent, the retiring Administrative Agent may appoint, after consulting with the Non-Conduit Purchasers and the Funding Agents, a successor Administrative Agent from among the Non-Conduit Purchasers and the Funding Agents. If no successor administrative agent has accepted appointment by the date which is thirty (30) days following a retiring Administrative Agent's notice of resignation, the retiring Administrative Agent's resignation shall nevertheless thereupon become effective and Manager shall assume and perform all of the duties of the Administrative Agent hereunder until such time, if any, as the Requisite Series 2017-1 Noteholders appoint a successor administrative agent as provided for above. After any retiring Administrative Agent's resignation as Administrative Agent, the provisions of this Article 7 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Supplemental Indenture.

7.2 Funding Agents

(a) Each CP Conduit Purchaser and each Group Bank with respect to such CP Conduit Purchaser hereby irrevocably designates and appoints the Funding Agent set forth next to such CP Conduit Purchaser's name on Schedule E as the agent of such Person under this Supplemental Indenture and irrevocably authorizes such Funding Agent, in such capacity, to take such action on its behalf under the provisions of this Supplemental Indenture and to exercise such powers and perform such duties as are expressly delegated to such Funding Agent by the terms of this Supplemental Indenture, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Supplemental Indenture, each Funding Agent shall not have any duties or responsibilities except those expressly set forth herein, or any fiduciary relationship with any CP Conduit Purchaser or Group Bank and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Supplemental Indenture or otherwise exist against each Funding Agent.

(b) Each Funding Agent may execute any of its duties under this Supplemental Indenture by or through agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. Each Funding Agent shall not be responsible to the CP Conduit Purchaser or any Group Bank in its CP Conduit Purchaser Group for the negligence or misconduct of any agents or attorneys in fact selected by it with reasonable care.

(c) Each Funding Agent and any of its officers, directors, employees, agents, attorneys in fact or Affiliates shall not be (i) liable for any action lawfully taken or omitted to be taken by it or such Person under or in connection with the Trust Indenture, this Supplemental Indenture or any other Program Agreement (except to the extent that any of the foregoing are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from its or such

Person's own gross negligence or willful misconduct) or (ii) responsible in any manner to any of the CP Conduit Purchasers and/or Group Banks for any recitals, statements, representations or warranties made by the Issuer, the Manager or the IESO, or any officer thereof contained in this Supplemental Indenture or any other Program Agreement or in any certificate, report, statement or other document referred to or provided for in, or received by such Funding Agent under or in connection with, this Supplemental Indenture or any other Program Agreement or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Supplemental Indenture, any other Program Agreement, or for any failure of any of the Issuer, the Manager or the IESO to perform its obligations hereunder or thereunder. Each Funding Agent shall not be under any obligation to the CP Conduit Purchaser or any Group Bank in its CP Conduit Purchaser Group to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Supplemental Indenture, any other Program Agreement or to inspect the properties, books or records of the Issuer, the Manager or the IESO.

(d) Each Funding Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter or electronic message, statement, order or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including, without limitation, counsel to the Issuer, the Manager or the IESO), independent accountants and other experts selected by such Funding Agent. Each Funding Agent shall be fully justified in failing or refusing to take any action under this Supplemental Indenture or any other Program Agreement unless it shall first receive such advice or concurrence of the Related Purchaser Group, as it deems appropriate or it shall first be indemnified to its satisfaction by the Related Purchaser Group against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action.

(e) Each Funding Agent shall not be deemed to have knowledge or notice of the occurrence of any Termination Event unless such Funding Agent has received written notice from a Non-Conduit Purchaser, a CP Conduit Purchaser, a Group Bank, the Issuer, the Manager or the Administrative Agent referring to the Trust Indenture or this Supplemental Indenture, describing such Termination Event and stating that such notice is a "notice of a Termination Event," as the case may be. In the event that any Funding Agent receives such a notice, such Funding Agent shall give notice thereof to the CP Conduit Purchaser and Group Bank in its CP Conduit Purchaser Group. Such Funding Agent shall take such action with respect to such event as shall be reasonably directed by the CP Conduit Purchaser and Group Bank in its CP Conduit Purchaser Group, provided that unless and until such Funding Agent shall have received such directions, such Funding Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such event as it shall deem advisable in the best interests of the CP Conduit Purchaser and Group Bank in its CP Conduit Purchaser Group.

(f) Each CP Conduit Purchaser and each of the related Group Banks expressly acknowledge that neither its Funding Agent nor any of its officers, directors, employees, agents, attorneys in fact or Affiliates has made any representations or warranties to it and that no act by such Funding Agent hereinafter taken, including any review of the affairs of the Issuer, the Manager or the IESO shall be deemed to constitute any representation or warranty by such Funding Agent to any such Person. Each CP Conduit Purchaser and each of the related Group Banks represents to its Funding Agent that it has, independently and without reliance upon such Funding Agent and based on such documents and information as it has deemed appropriate, made its own appraisal of and

investigation into the business, operations, property, financial and other condition and creditworthiness of the Issuer, the Manager and the IESO and made its own decision to enter into this Supplemental Indenture. Each CP Conduit Purchaser and each of the related Group Banks also represents that it will, independently and without reliance upon its Funding Agent and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Supplemental Indenture and the other Program Agreements, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other conditions and creditworthiness of the Issuer, the Manager and the IESO.

(g) Each Group Bank in a CP Conduit Purchaser Group agrees to indemnify its Funding Agent in its capacity as such (to the extent not reimbursed by the Issuer and without limiting the obligation of the Issuer to do so), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever which may at any time be imposed on, incurred by or asserted against such Funding Agent in any way relating to or arising out of this Supplemental Indenture, any of the other Program Agreements or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Funding Agent under or in connection with any of the foregoing; provided that no Group Bank shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from such related Funding Agent's gross negligence or willful misconduct. The agreements in this Section shall survive the payment of all amounts payable hereunder.

ARTICLE 8
GENERAL

8.1 Successor and Assigns

(a) This Supplemental Indenture shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, except that (i) the Issuer may not assign or transfer any of its rights under this Supplemental Indenture without the prior written consent of all of the Series 2017-1 Noteholders; (ii) no Non-Conduit Purchaser may assign or transfer any of its rights under this Supplemental Indenture other than pursuant to paragraph (e) or (f) below; (iii) no CP Conduit Purchaser may assign or transfer any of its rights under this Supplemental Indenture other than to the Group Bank with respect to such CP Conduit Purchaser or a Program Support Provider with respect to such CP Conduit Purchaser or pursuant to clause (b) or (e) below of this Section 8.1; and (iv) no Group Bank may assign or transfer any of its rights or obligations under this Supplemental Indenture except to a Program Support Provider or pursuant to clause (c), (d) or (e) below of this Section 8.1.

(b) Without limiting the foregoing, each CP Conduit Purchaser may assign all or a portion of the Purchaser Group Principal Amount with respect to such CP Conduit Purchaser and its rights and obligations under this Supplemental Indenture to a Conduit Assignee with respect to such CP Conduit Purchaser. Prior to or concurrently with the effectiveness of any such assignment (or if impracticable, immediately thereafter), the assigning CP Conduit Purchaser shall notify the Administrative Agent and the Issuer. Upon such assignment by a CP Conduit Purchaser to a Conduit Assignee, (i) such Conduit Assignee shall be the owner of the Purchaser Group Principal

Amount or such portion thereof with respect to such CP Conduit Purchaser; (ii) the related administrative or managing agent for such Conduit Assignee will act as the administrative agent for such Conduit Assignee hereunder, with all corresponding rights and powers, express or implied, granted to the Funding Agent hereunder; (iii) such Conduit Assignee and its liquidity support provider(s) and credit support provider(s) and other related parties shall have the benefit of all the rights and protections provided to such CP Conduit Purchaser herein (including, without limitation, any limitation on recourse against such Conduit Assignee as provided in this paragraph); (iv) such Conduit Assignee shall assume all of such CP Conduit Purchaser's obligations, if any, hereunder with respect to such portion of the Purchaser Group Principal Amount and such CP Conduit Purchaser shall be released from such obligations; (v) all distributions in respect of the Purchaser Group Principal Amount or such portion thereof with respect to such CP Conduit Purchaser shall be made to the applicable agent or administrative agent, as applicable, on behalf of such Conduit Assignee; and (vi) if requested by the Administrative Agent or the agent or administrative agent with respect to the Conduit Assignee, the parties will execute and deliver such further agreements and documents and take such other actions as the Administrative Agent or such agent or administrative agent may reasonably request to evidence and give effect to the foregoing. No assignment by any CP Conduit Purchaser to a Conduit Assignee of the Purchaser Group Principal Amount with respect to such CP Conduit Purchaser shall in any way diminish the obligations of the Group Bank with respect to such CP Conduit Purchaser under Section 3.3 to fund any Increase.

(c) Any Group Bank may, in the ordinary course of its business and in accordance with applicable law, at any time, sell all or any part of its rights and obligations under this Supplemental Indenture and the Series 2017-1 Senior Notes, with the prior written consent of the Administrative Agent and the Issuer (in each case, which consent shall not be unreasonably withheld), to one or more banks (an "**Acquiring Group Bank**") pursuant to a transfer supplement, substantially in the form of Exhibit H (the "**Transfer Supplement**"), executed by such Acquiring Group Bank, such assigning Group Bank, the Funding Agent with respect to such Group Bank, the Administrative Agent and the Issuer and delivered to the Administrative Agent. 3.8 Indemnification by the Issuer

The Issuer agrees to indemnify and hold harmless the Indenture Trustee and the Purchaser and each of their respective officers, directors, agents and employees (each, an "**Issuer Indemnified Person**") from and against any loss, liability, expense, damage or injury suffered or sustained by such Issuer Indemnified Person by reason of (a) any acts, omissions or alleged acts or omissions arising out of, or relating to, activities of the Issuer pursuant to the Program Agreements to which it is a party; (b) a breach of any representation or warranty made or deemed made by the Issuer (or any of its officers) in any Program Agreement; or (c) a failure by the Issuer to comply with any applicable law or regulation or to perform its covenants, agreements, duties or obligations required to be performed or observed by it in accordance with the provisions of the Program Agreements, including, but not limited to, any judgment, award, settlement, reasonable attorneys' fees and other reasonable costs or expenses incurred in connection with the defense of any actual or threatened action, proceeding or claim, except to the extent such loss, liability, expense, damage or injury resulted from the gross negligence, bad faith or willful misconduct of such Issuer indemnified person or its officers, directors, agents, principals, employees or employers as determined by a court of competent jurisdiction in a final non-appealable judgement or includes any Excluded Taxes; provided that any payments made by the Issuer pursuant to this Section 3.8 shall be made solely from funds available pursuant to Section **[7.04] or [8.13]** of the Trust Indenture, as applicable, shall be non-recourse other than with respect to such funds, and shall not constitute a claim against the Issuer to the extent that such funds are insufficient to make such payment.

3.9 Taxes

(a) All payments by or on account of any obligation of the Issuer hereunder shall, to the extent allowed by law, be made free and clear of, and without deduction or withholding for or on account of Taxes, excluding (i) income taxes (including branch profit taxes, minimum taxes and taxes computed under alternative methods, at least one of which is based on or measured by net income),

franchise taxes (imposed in lieu of income taxes), or any other Taxes based on or measured by the net income of any person legally entitled to receive such payments (each a "**Recipient**") as a result of a present or former connection between the Recipient and the jurisdiction of the Governmental Authority imposing such Taxes (other than any such connection arising solely from the Recipient having executed, delivered or performed its obligations or received a payment under, disposed of, or enforced, this Supplemental Indenture); (ii) any withholding or deduction imposed pursuant to (A) Sections 1471 to 1474 of the U.S. Internal Revenue Code of 1986, as amended ("**FATCA**"), or any successor version thereof, or any similar legislation imposed by any other Governmental Authority, or (B) any treaty, law or regulation or other official guidance enacted by Canada implementing FATCA or any intergovernmental agreement with respect to FATCA or any similar legislation imposed by any other Governmental Authority, including, for greater certainty, the Canada-United States Enhanced Tax Information Exchange Agreement Implementation Act (Canada) and Parts XVIII and XIX of the Income Tax Act (Canada), as amended (collectively, and including FATCA, the "**AEOI Legislation**"); and (iii) any interest, penalties and additions to Taxes in respect of (i) and (ii) (all such excluded Taxes being hereinafter called "**Excluded Taxes**"). If any Taxes, other than Excluded Taxes, are required to be withheld from any amounts payable to a Recipient hereunder, the amounts so payable to the Recipient shall be increased, and the Recipient shall be entitled to be paid by the Issuer the amount of such increase to the extent necessary to yield to the Recipient (after payment of all such Taxes other than Excluded Taxes) interest or any such other amounts payable hereunder or thereunder at the rates or in the amounts specified hereunder. Where the amount payable by the Issuer is increased in accordance with the previous sentence, the Monthly Interest shall be increased by the amount of such increase. Whenever any Taxes are payable on or with respect to amounts distributed to a Recipient, as promptly as possible thereafter the Issuer shall send to such Recipient a certified copy of an original official receipt showing payment thereof.

(b) If a payment by or on account of any obligation of the Issuer hereunder would be subject to withholding Taxes under any AEOI Legislation if the Recipient were to fail to comply with the applicable reporting requirements of any AEOI Legislation, such Recipient shall deliver to the Issuer at the time or times prescribed by law and at such time or times reasonably requested by the Issuer such documentation prescribed by applicable law and such additional documentation reasonably requested by the Issuer as may be necessary for the Issuer to comply with its obligations under any AEOI Legislation and to determine that such Recipient has complied with its obligations under any AEOI Legislation, or to determine the amount to deduct and withhold from such payment. If any form or certification it previously delivered by a Recipient expires or becomes obsolete or inaccurate in any respect, the Recipient shall update such form or certification or promptly notify the Issuer in writing of its legal inability to do so.

(c) If a Recipient is legally entitled to receive a refund of any Taxes (other than Excluded Taxes) as to which it has been indemnified or with respect to which additional amounts have been paid to it hereunder or it is legally entitled to receive a credit or deduction with respect to such Taxes or with respect to such additional amounts that have been paid hereunder (in each case pursuant to Section 3.9(a)), it shall use commercially reasonable efforts to obtain or claim such refund, credit or deduction and pay over such refund or the value of such credit or deduction to the Issuer, together with any interest thereon.

3.10 Increased Costs

(a) (i) If any Regulatory Change (x) subjects the Purchaser to any charge or withholding on or with respect to any Support Facility or this Supplemental Indenture or the Purchaser's obligations under a Support Facility or this Supplemental Indenture, or changes the basis of taxation of payments to the Purchaser of any amounts payable under any Support Facility or this Supplemental Indenture Agreement (except for changes in the rate of tax on the overall net income of the Purchaser or Excluded Taxes) or (y) imposes, modifies or deems applicable any reserve, assessment, fee, tax, insurance charge, special deposit or similar requirement against assets of, deposits with or for the account of, or liabilities of the Purchaser, or credit extended by the Purchaser pursuant to a Support Facility or this Supplemental Indenture or (z) imposes any other condition the result of which is to increase the cost to the Purchaser of performing its obligations under a Support Facility or this Supplemental Indenture, or to reduce the rate of return on the Purchaser's capital or assets as a consequence of its obligations under a Support Facility or this Supplemental Indenture, or to reduce the amount of any sum received or receivable by the Purchaser under a Support Facility or this Supplemental Indenture, or to require any payment calculated by reference to the amount of interests or loans held or interest received by it, then, upon written request by the Purchaser of a written request therefore to the Issuer, the Purchaser shall be entitled to be paid, such amounts charged to the Purchaser or such amounts to otherwise compensate the Purchaser for such increased cost or such reduction, no later than the Payment Date following receipt by the Issuer of such request for compensation under this Section 3.10(a)(i), if such request is received by the Issuer no later than five (5) Business Days prior to the end of the Interest Period related to such Payment Date, and otherwise on the following Payment Date.

(ii) The Issuer acknowledges that the Purchaser may implement, as an internal institutional matter, measures in anticipation of a final or proposed Regulatory Change (including, without limitation, the imposition of internal charges on the Purchaser's interest or obligations under any Support Agreement or this Supplemental Indenture) and may commence recognizing the incurrence of charges by seeking compensation under Section 3.10(a)(i) in connection with such measures, in advance of the effective date of such final or proposed Regulatory Change, and the Issuer agrees that such charges or compensation shall be payable, to the Purchaser, following demand therefor without regard to whether such proposed Regulatory Change has been adopted or whether such effective date has occurred; provided, that (I) the Purchaser shall provide thirty (30) days prior written notice to the Issuer of its intent to impose or incur any such charges or compensation, (II) the Purchaser shall not be compensated for any such amount pursuant to this subsection 3.10(a)(ii) relating to any period ending, and of which the Purchaser has had knowledge, more than ninety (90) days prior to the date that the Purchaser provided the Issuer with the written notice contemplated by the preceding clause (I) of this subsection 3.10(a)(ii), (III) if, after the payment by the Issuer of any charges or compensation pursuant to this subsection 3.10(a)(ii), either (A) the Issuer requests in writing that the Purchaser re-compute any such charge or compensation in light of differences between a proposed Regulatory Change and the final effective version thereof or (B) the the Purchaser determines that the amount of the charge imposed on and required to be compensated by the Issuer exceeds the amount necessary to compensate it for the applicable Regulatory Change as contemplated by subsection 3.10(a)(i), then (x) the amount of such charge or compensation shall, from and after such determination, be reduced by the amount of such excess and (y) the Purchaser shall, within thirty (30) days of such determination, either repay the amount of such excess or credit the amount of such excess against future charges under this subsection 3.10(a)(ii). The Issuer further acknowledges that any charge

or compensation demanded hereunder may take the form of a monthly charge to be assessed by the Purchaser.

(b) The Purchaser claiming increased amounts described in subsection 3.10(a) of this Supplemental Indenture will furnish to the Issuer (together with its request for compensation) a certificate prepared in good faith setting forth the basis and the calculation of the amount (in reasonable detail) of each request by the Purchaser for any such increased amounts referred to in subsection 3.10(a) hereof. Any such certificate shall be conclusive absent manifest error. Failure on the part of the Purchaser to demand compensation for any amount pursuant to subsection 3.10(a) hereof with respect to any period shall not constitute a waiver of the Purchaser's right to demand compensation with respect to such period.

2.3 Name and Head Office

The English form of the name of the Trust is "■**Fair Hydro Trust**" and the French form of the name of the Trust is "■". The Trust may use and may be legally designated by either the English form or the French form of its name. Should the Issuer Trustee determine that the use of such name is not practicable, legal or convenient, it may use such other designation or adopt such other name for the Trust as it deems proper and the Trust may hold property and conduct the Trust Activities under such other designation or name. The head office, chief executive office, chief place of business and situs of administration of the Trust will initially be situated at the offices of the Issuer Trustee situated at ~~[*address of Issuer Trustee*]~~ **100 University Avenue, 11th Floor, Toronto, Ontario M5J 2Y1.**

2.4 Nature of the Trust

The Trust is an unincorporated open-ended unit trust established for the purposes specified in Section 2.1. The Trust shall be governed by the general law of trusts, except as such general law of trusts has been or is from time to time modified, altered or abridged for the Trust by:

(a) applicable laws and regulations or other requirements imposed by applicable securities or other regulatory authorities, including the Act and Regulations; and

(b) the terms, conditions and trusts set forth in this Declaration of Trust.

The beneficial interest and rights generally of the Unitholders in the Trust shall be limited to the right to participate in distributions when and as declared by the Issuer Trustee and distributions upon the termination of the Trust. The Trust is not and is not intended to be, shall not be deemed to be and shall not be treated as a general partnership, limited partnership, syndicate, association, joint venture, company, corporation or joint stock company nor shall the Issuer Trustee or the Unitholders or any of them for any purpose be, or be deemed to be treated in any way whatsoever to be, liable or responsible hereunder as partners or joint venturers. The Issuer Trustee shall not be, or be deemed to be, an agent of the Unitholders. The relationship of the Unitholders to the Issuer Trustee, to the Trust and to the Trust Property shall be solely that of beneficiaries in accordance with this Declaration of Trust.

2.5 Rights of Unitholders

No Unitholder shall be entitled to call for any partition or division of the Trust Property or for a distribution of any particular asset forming part of the Trust Property or of any particular monies or funds received by the Issuer Trustee. The legal ownership of the Trust Property and the right to conduct the activities of the Trust are vested exclusively in the Issuer Trustee, and no Unitholder has or is deemed to have any right of ownership in any of the Trust Property, except

as specifically provided herein. Except as specifically provided herein, no Unitholder or Unitholders shall be entitled to interfere with or give any direction to the Issuer Trustee with respect to the affairs of the Trust or in connection with the exercise of any powers or authorities conferred upon the Issuer Trustee under this Declaration of Trust. The Units shall be personal property and shall confer upon the holders thereof only the interest and rights, and impose upon the holders thereof only those liabilities and obligations, specifically set forth in this Declaration of Trust.

ARTICLE 3
UNITS

3.1 Nature of Units

The beneficial interests in the Trust shall be divided into a single class of Units. Each Unit represents an equal undivided beneficial interest in any distributions by the Trust, whether of Income of the Trust, Net Realized Capital Gains of the Trust (other than Net Realized Capital Gains of the Trust Allocated on Redemption to redeeming Unitholders), or other amounts, and, in the event of termination or winding up of the Trust, in the net assets of the Trust remaining after satisfaction of all liabilities. All Units rank equally among themselves and rateably without discrimination, preference or priority. Each Unit will entitle the Unitholder of record thereof to one vote at all meetings of the Unitholders or in respect of any written resolution of the Unitholders. Each Unit, when issued, shall vest indefeasibly in the holder thereof.

The number of Units which the Trust may issue is unlimited. The issued and outstanding Units may be subdivided or consolidated from time to time by the Issuer Trustee without notice to or approval of the Unitholders. Unless the Issuer Trustee determines otherwise, immediately after any *pro rata* issuance of additional Units to all Unitholders pursuant to subsection 11.3(3), the number of outstanding Units will automatically be consolidated such that each such holder will hold after the consolidation the same number of Units as such holder held before the issuance of additional Units.

3.2 Consideration of Units

A Unit will not be fully paid until the consideration therefor has been received in full by or on behalf of the Trust. The consideration for any Unit will be paid in money or in property (including, without limitation, a debt instrument issued to the Trust) or in past services received by the Trust that are not less in value than the fair equivalent of the money that the Trust would have received if the Unit had been issued for money. In determining whether property or past services are the fair equivalent of consideration paid in money, the Issuer Trustee may take into account reasonable charges and expenses of organization and reorganization and payments for property and past services reasonably expected to benefit the Trust. In no case will a Unit be issued to a Designated Beneficiary.

3.3 No Pre-Emptive Rights

No Person shall be entitled, as a matter of right, to subscribe for or purchase any Units of the Trust. There are no pre-emptive rights attaching to the Units.

3.4 Fractional Units

If as a result of any act of the Issuer Trustee hereunder, any Person becomes entitled to a fraction of a Unit, such Person will not be entitled to receive a certificate therefor. Fractional Units will not, except to the extent that they may represent in the aggregate one or more whole Units, entitle the holders thereof to notice of or to attend or to vote at meetings of the Unitholders. Subject to the foregoing, such fractional Units will have attached thereto the rights, restrictions, conditions and limitations attaching to whole Units in the proportion that they bear to a whole Unit.

3.5 Allotment and Issue

Subject to Section 3.6, the Issuer Trustee may allot and issue Units at such time or times and in such manner (including pursuant to any plan from time to time in effect relating to reinvestment by the Unitholders of distributions of the Trust in Units) and to such Person, Persons or class of Persons as the Issuer Trustee in its sole discretion will determine. The price or the value of the consideration for which Units may be issued and the terms and conditions of issuance of the Units will be determined by the Issuer Trustee in its sole discretion. Not restricting the generality of the foregoing, the Issuer Trustee may accept amounts received from a Unitholder as a prepayment in respect of the obligation of the Unitholder to pay all or any part of the subscription price of Units to be issued at a later date by the Issuer Trustee. In such circumstances, such prepayment will form part of the Trust Property. In the event that Units are issued in whole or in part for a consideration other than money, the resolution of the Issuer Trustee allotting and issuing such Units will express the fair equivalent in money of the other consideration received.

3.6 Prohibited Issuances and Transfers

(1) Notwithstanding any other provision in this Declaration of Trust, at no time, may Units be issued or transferred to a Person who would be a "designated beneficiary" within the meaning of Part XII.2 of the ITA ("**Designated Beneficiary**"), and the Issuer Trustee will not accept a subscription for Units from, or issue or register a transfer of Units to, a Person unless the Person provides a declaration to the Issuer Trustee that it would not be a Designated Beneficiary and covenants to maintain such representation true for as long as it continues to hold one or more Units. If, notwithstanding the foregoing, the Issuer Trustee determines that a Person has purported to become or remain a Unitholder in breach of the above mentioned declaration or covenant, or if the Unitholder fails to provide, upon request, a declaration in form and content satisfactory to the Issuer Trustee that it is not a Designated Beneficiary, (i) the Issuer Trustee will require such Person to dispose of the Units within a specified period not to exceed 60 days to a Person who does not contravene the above mentioned limitation on ownership ("**New Holder**"), and (ii) effective immediately prior to the breach, such Person will be deemed to have ceased to be a holder of such Units, the voting and distribution rights attached to such Units will be suspended and such Units will be deemed not to be outstanding until acquired by a New Holder (provided that holders of other Units will not be entitled to any portion of the distributions that may have been paid in respect of Units that have been so deemed not to be outstanding) and such Person's rights in respect of such Units will be limited to

receiving the net proceeds of the sale thereof. If such Person has not, within such period, sold such Units or provided the Issuer Trustee with a declaration in form and content satisfactory to the Issuer Trustee that it is not a Designated Beneficiary, the Issuer Trustee may sell such Units on behalf of such Person (and the Issuer Trustee will have the power of attorney of such Person to do so), and such Person's rights in respect of such Units will be limited to receiving the net proceeds of sale upon surrender of the certificates representing such Units.

(2) Subject to this section 3.6, and until the Issuer Trustee will have been required to do so under the terms hereof, the Issuer Trustee will not be bound to do or take any proceeding or action with respect to this section 3.6 by virtue of the powers conferred on it hereby. The Issuer Trustee will have the sole right and authority to make any determination required for the administration of the provisions of, or contemplated under this section 3.6, and without limiting the generality of the foregoing, if the Issuer Trustee considers that there are reasonable grounds for believing that a contravention of the above mentioned limitation on ownership has occurred or may occur, the Issuer Trustee will make a determination with respect to the matter. Any such determination will be conclusive, final and binding for the purposes of this section 3.6 except to the extent modified by any subsequent determination by the Issuer Trustee. The Issuer Trustee may require declarations as to whether a Unitholder is a Designated Beneficiary or as to factual information that will enable the Issuer Trustee to determine whether a Unitholder or a prospective transferee of a Unit may be a Designated Beneficiary. In any situation where it is unclear whether Units may be held by a Person who may be a Designated Beneficiary, the Issuer Trustee may exercise its discretion in determining whether such Person is or is not a Designated Beneficiary, and any such exercise by it of its discretion will be binding for the purposes of this section 3.6.

3.7 Liability of Unitholders

No Unitholder of the Trust, in its capacity as such, will incur or be subject to any liability, direct or indirect, absolute or contingent, in contract or in tort or of any other kind, to any Person in connection with: (i) the Trust Property or the ownership, use, operation, acquisition or disposition thereof or exercise or enjoyment of the rights, privileges, conditions or benefits attached thereto, associated therewith or derived therefrom; (ii) the obligations, liabilities, activities or affairs of the Trust; (iii) any actual or alleged act or omission of the Issuer Trustee or any other Person in respect of the activities or affairs of the Trust (whether or not authorized by or pursuant to this Declaration of Trust); (iv) any actual or alleged act or omission of the Issuer Trustee or any other Person in the performance or exercise, or purported or attempted performance or exercise, of any obligation, power, discretion or authority conferred upon the Issuer Trustee or such other Person in respect of the activities or affairs of the Trust (whether or not authorized by or pursuant to this Declaration of Trust); (v) any transaction entered into by the Issuer Trustee or by any other Person in respect of the activities or affairs of the Trust (whether or not authorized by or pursuant to this Declaration of Trust); or (vi) any taxes, levies, imposts or charges or fines, penalties or interest in respect thereof payable by the Trust or by the Issuer Trustee or by any other Person (except the Unitholders to the extent required by applicable tax laws) on behalf of or in connection with the activities or affairs of the Trust. No Unitholder will be liable to indemnify the Issuer Trustee or any other Person with respect to any such liability or

liabilities incurred by the Issuer Trustee or by any such other Person or Persons or with respect to any taxes payable by the Trust or by the Issuer Trustee or any other Person on behalf of or in connection with the Trust. To the extent that any such liabilities of the Unitholders may arise, they will be enforceable only against, and will be satisfied only out of, the Trust Property to the full extent of such liability and the costs of any litigation or other proceedings in which such liability will have been determined, including without limitation, the fees and disbursements of counsel.

ARTICLE 4
REDEMPTION OF UNITS

4.1 Redemption of Units

Each Unitholder will be entitled to require the Trust to redeem at any time and from time to time at the demand of such Unitholder all or any part of the Units held by such Unitholder as follows:

(1) The Unitholder will give notice in writing to the Trust at its head office of its intention to redeem Units and the number of Units to be redeemed.

(2) Upon receipt by the Trust of such notice from the Unitholder to redeem Units, the Unitholder will be entitled to receive, subject to subsection 4.1(3), an amount equal to the aggregate fair market value of such Units immediately before the redemption (the "**Redemption Price**") established by the Issuer Trustee, acting reasonably, payable by certified cheque or via wire transfer of funds.

(3) In the event that the Trust has insufficient funds to make the payment required pursuant to subsection 4.1(2) or such payment is restricted under the terms of the Indenture, the Trust will **satisfy the Redemption Price**, subject to compliance with any regulatory requirements, ~~distribute~~**by either issuing a promissory note to the Unitholder, which note shall have a principal amount equal to the Redemption Price and such other terms as is determined at the time of issuance by the Issuer Trustee, or by distributing** to the redeeming Unitholder *in specie* a proportionate amount of the Trust Property, the fair market value of which, as determined by the Issuer Trustee, acting reasonably, is equal to the Redemption Price. ~~The~~ **In the event that property is distributed *in specie*, the** amount of Net Realized Capital Gains of the Trust Allocated on Redemption as contemplated by subsection 4.1(5) payable in connection with the redemption of Units shall be payable to the Unitholder in kind, and to the extent of the amount thereof, the Redemption Price of the Units being redeemed shall be reduced accordingly (the "**Adjusted Redemption Price**").

(4) Upon satisfaction of the Redemption Price or the Adjusted Redemption Price, as the case may be, the redeeming Unitholder will not be entitled to any rights or benefits, including voting and the right to receive distributions, in connection with the Units redeemed.

(5) Where the Trust distributes Trust Property *in specie* as contemplated in subsection 4.1(3), the Issuer Trustee shall designate and pay to the redeeming Unitholder such part of the

Net Realized Capital Gains of the Trust as is realized by the Trust in connection with such *in specie* distribution, provided that the amount of the Net Realize Capital Gains on the Trust so allocated shall not exceed the amount, if any, by which the Redemption Price of the particular Units being redeemed exceeds the aggregate adjusted cost base of such Units to the Unitholder for the purpose of the ITA immediately before the redemption (the "**Net Realized Capital Gains of the Trust Allocated on Redemption**"). If the total Net Realized Capital Gains of the Trust Allocated on Redemption determined by the Issuer Trustee pursuant to the preceding sentence for all redeeming Unitholders in any taxation year exceeds the Net Realized Capital Gains of the Trust for that year, the Net Realized Capital Gains of the Trust for that taxation year shall be allocated rateably to all redeeming Unitholders for the year based on the Net Realized Capital Gains of the Trust Allocated on Redemption as otherwise determined pursuant to the preceding sentence. The Net Realized Capital Gains of the Trust Allocated on Redemption designated and paid on the redemption of Units as determined under this subsection shall be deemed to be a distribution of Net Realized Capital Gains of the Trust for the particular taxation year in which the redemption occurs. If the Issuer Trustee is required to deduct or withhold an amount from such distribution, the Unitholder shall make the cash payment described in Section 11.7 to the Issuer Trustee on or prior to the date the Units are to be redeemed.

ARTICLE 5
RIGHTS AND POWERS OF ISSUER TRUSTEE

5.1 General Rights and Powers

Subject to the specific restrictions and limitations set forth in this Declaration of Trust and notwithstanding the provisions of the *Trustee Act* (Ontario) or any other similar legislation in any jurisdiction, the Issuer Trustee will have, without the necessity of authorization by, and free from any power or control on the part of, the Unitholders, full, exclusive and absolute power, control and authority over the Trust Property and the Trust Activities to the same extent as if the Issuer Trustee were the sole and absolute owner thereof in its own right including, without limitation, such power, control and authority to do all such acts and things as in its sole judgment and discretion are necessary, incidental or desirable for carrying on the Trust Activities in accordance with the Program Agreements with such powers of delegation as may be permitted by this Declaration of Trust, including the right, power and authority to amend this Declaration of Trust subject to and in accordance with the terms hereof and to appoint, employ or contract with any Person as the Issuer Trustee may deem necessary, appropriate or desirable for the transaction of the Trust Activities, including for the administration of the Trust. **The Issuer Trustee shall exercise the functions of the trustee of the Trust in Ontario, Canada.** For greater certainty, the powers of the Issuer Trustee that may be exercised as aforesaid include the powers set forth in Section 5.2 to and including Section 5.18. The enumeration of any specific power or authority in this Declaration of Trust will not be construed as limiting the aforesaid power or authority or any other specific power or authority. Subject only to the express limitations contained in this Declaration of Trust, every discretion or power hereby conferred on the Issuer Trustee is an absolute and uncontrolled discretion or power.

5.2 Acquisition of Assets and Deposit of Funds

Subject to Section 2.1, the Issuer Trustee will have the power to acquire Investment Interests in accordance with the Program Agreements. Subject to compliance with the terms of the Program Agreements, the Issuer Trustee will have the power to deposit any money forming part of the Trust Property with any bank (which bank may be an Affiliate of the Issuer Trustee) licensed under the laws of Canada or any trust company (which includes the Issuer Trustee) licensed under the laws of any province of Canada and to withdraw such deposits in accordance with the Program Agreements. The Issuer Trustee will have no liability for any loss which may occur by reason of the failure of any depository with whom such money has been deposited or for the depreciation of any investment.

5.3 Legal Title and Custody

The Issuer Trustee will have the power to cause any and all Trust Property to be held by and/or registered in the name of any Person.

5.4 Disposition of Trust Property

In accordance with and subject to the terms of the Program Agreements, the Issuer Trustee will have the power to sell, convey, transfer and assign all Trust Property free and clear of any and all trusts hereby established, at public or private sale, for cash or on terms, with or without advertisement and subject to such restrictions, stipulations, agreements and reservations as it may deem proper.

5.5 Management of Trust Property

In accordance with and subject to the terms of the Program Agreements, the Issuer Trustee will have the power to own, manage, use, invest and hold the Trust Property (including, without limitation, the power to make investments in Eligible Investments) and to enter into agreements in respect of the Trust Property or its use including, without limitation, agreements to modify, amend, extend, renew or terminate any grant or agreement relating to the Trust Property and to waive compliance with any of the terms and conditions thereof, all, in each case, without the approval of or notice to the Unitholders.

5.6 Power to Borrow Money and Issue Funding Obligations

In accordance with and subject to the terms of the Program Agreements, the Issuer Trustee will have the power to:

(a) borrow or in any other manner raise money and to evidence the same by the issuance of Funding Obligations, by private placement, public offering or otherwise;

(b) reacquire or redeem Funding Obligations;

(c) execute and deliver any trust indenture or supplement thereto, security agreement, mortgage, pledge, hypothec, assignment or other instrument to secure Funding

Obligations, and amendments, modifications, restatements or replacements thereof, whether by fixed or floating charge or by assignment or by the granting of a security interest, free and clear of any and all trusts hereby established and, in lieu of or in addition to granting any security, to grant to any Person a negative pledge whereby the Issuer Trustee agrees not to encumber any Trust Property and such other covenants as may be consistent with those set out in the Program Agreements or as may otherwise be specified by any applicable Rating Agency in accordance with the foregoing; and

(d) execute and/or deliver any agreement, instrument, certificate, direction or other document necessary or desirable in order to permit or give effect to the provisions of this Section 5.6, including, without limitation, prospectuses, offering memoranda, regulatory filings, dealer agreements, Underwriting Agreements, subscription agreements, letters of representation, consent letters, and any instruments ancillary thereto.

5.7 Hedging Agreements

In accordance with and subject to the terms of the Program Agreements, the Issuer Trustee will have the power to enter into Hedging Agreements in connection with or related to the borrowing or other raising of money by the Issuer Trustee or the purchase or ownership of Investment Interests, provided that such Hedging Agreements may be entered into only at or prior to the time that such securities are sold, or such borrowing, other raising of money or purchase takes place, as applicable, or as otherwise expressly permitted in the Management Agreement; provided, however, that amendments, modifications or novations of or to a Hedging Agreement may be entered into at any time after the original Hedging Agreement was executed.

5.8 Execution of Instruments

Every deed, transfer, assignment, hypothec, agreement, certificate, direction, instrument, prospectus, or any other document which is necessary or desirable to be executed by the Trust, including, without limitation, any document evidencing Funding Obligations or relating to the issuance of Funding Obligations, will be signed on behalf of the Trust by the Issuer Trustee or its duly appointed agent, including the Manager.

5.9 Facsimile Signatures

The Issuer Trustee may authorize the use of facsimile signatures on the documents evidencing Funding Obligations, provided, however, that where facsimile signatures are so used, documents evidencing Funding Obligations will be manually countersigned or certified by a transfer agent, trustee, registrar or similar Person. If a Funding Obligation contains a printed or mechanically reproduced signature of a Person, the Issuer Trustee may issue the Funding Obligation notwithstanding that the Person has ceased to be a director, officer or signing officer of the Issuer Trustee, and the Funding Obligation will be as valid as if the Person were a director, an officer or a signing officer at the date of its issue.

5.10 Taxes

The Issuer Trustee will have the power to pay all taxes or assessments of whatever kind or nature imposed upon the Issuer Trustee and/or the Trust in connection with the Trust Property or the Trust Activities or upon or against the income from the Trust Activities or any part thereof, to settle and compromise disputed tax liabilities and, for the foregoing purposes, to make such returns and do all such other acts and things as may be deemed by the Issuer Trustee necessary or desirable. The Issuer Trustee will have the power to deduct and remit any taxes which are required by law to be deducted and remitted from any payment made by the Issuer Trustee under any Program Agreements or otherwise.

5.11 Collection

In accordance with and subject to the terms of the Program Agreements, the Issuer Trustee will have the power to:

(a) collect, receive, give receipts for and sue for all sums of money or other property due to the Trust;

(b) consent to extensions of time for payment of, or the renewal of, any securities or obligations of the Trust;

(c) engage or intervene in, prosecute, defend, compound, compromise, abandon or adjust by arbitration or otherwise deal with or settle any actions, suits, proceedings, disputes, claims, demands or things relating to the Trust Property or the Trust Activities;

(d) exercise any and all remedies available to it under any Program Agreements or otherwise, including any power of foreclosure or sale available to the Issuer Trustee at law or pursuant to any agreement and, in connection with any such foreclosure or sale, to purchase or otherwise acquire title to any property and to convey good title thereto free of any and all trusts hereby established, or to take or retake possession of any property secured or unsecured thereunder or such other security;

(e) extend the time, with or without security, for the payment or delivery of any debts or property and to execute and enter into releases, agreements and other instruments; and

(f) pay or satisfy any debts or claims upon any evidence that the Issuer Trustee determines to be sufficient.

5.12 Expenses and Compensation of Issuer Trustee

(a) The Issuer Trustee will have the power to incur and make payment of any charges or expenses which in the opinion of the Issuer Trustee are necessary or incidental to or proper for carrying out any of the purposes of this Declaration of Trust and the Trust Activities, and to pay appropriate compensation or fees from the Trust

Property to Persons with whom the Trust has contracted or transacted business including, without limitation, any charges, expenses, compensation or fees payable under or in connection with the Program Agreements.

(b) The Issuer Trustee will be entitled to be paid from the funds of the Trust, without any requirement of a passing of accounts in respect thereof or approval of the Unitholders, such fees as the Issuer Trustee and the Manager may agree to from time to time for its services hereunder and all reasonable expenses, disbursements and advances incurred or made by the Issuer Trustee in the administration or execution of the trusts hereby created (including the reasonable compensation and the disbursements of its counsel and all other advisers and assistants not regularly in its employ) until all the duties of the Issuer Trustee under the trusts hereby created shall be finally and fully performed, except any such expense, disbursement or advance as may arise from or in connection with the dishonesty, bad faith, wilful misconduct, negligence or reckless disregard of any duty or the failure to comply with the standard of care referred to in Section 7.1 by the Issuer Trustee, its officers, employees or agents. All such amounts will be payable at such times as the Issuer Trustee and the Manager may agree from time to time. All such amounts shall be exclusive of any applicable taxes and any applicable taxes shall be paid to the Issuer Trustee in addition to such amounts. Any amount not paid when due shall bear interest at a rate per annum equal to the rate designated by the Issuer Trustee as the then current rate charged by the Issuer Trustee or its successors from time to time to its corporate customers, payable on demand. After default and unless otherwise provided in the Indenture and any documents contemplated thereunder, all amounts so payable and the interest thereon shall be payable out of any funds coming into the possession of the Issuer Trustee or its successors in the trusts hereunder in priority to any payments to other Specified Creditors.

5.13 Allocation

The Issuer Trustee will have the power to determine conclusively whether money or other assets received by the Trust or expenses or disbursements made by the Trust will be charged or credited to income or capital or allocated between income and capital, provided, however, that such determination will not be inconsistent with calculation of income in accordance with the ITA at the time the determination is made.

5.14 Fiscal Year and Form of Accounts

The fiscal year of the Trust will end on December 31. The Issuer Trustee will have the power to determine and from time to time change the method or form in which the accounts of the Trust will be kept, provided such method or form reasonably complies with Canadian generally accepted accounting principles as applicable from time to time.

5.15 Power to Contract

In accordance with and subject to the terms of the Program Agreements, the Issuer Trustee will have the power to appoint, employ or contract with any Person as the Issuer Trustee may deem necessary or desirable for the transaction of the Trust Activities and may transfer assets to such Person and, save and except for such matters as are listed in Section 2.2, delegate to such Person any or all of the discretionary powers given to the Issuer Trustee with respect to the management of the Trust Property. Without in any way limiting the generality of the foregoing, the Issuer Trustee will have the power to:

(a) enter into, execute, deliver, perform the obligations of the Trust under, and grant security as provided for in, the Program Agreements;

(b) appoint, employ or contract with the Manager or any other Person who, under the supervision of the Manager, may, among other things: (i) furnish and supervise or cause to be furnished and supervised the performance of the clerical and administrative services necessary to the administration of the Trust and the Trust Property including, without limitation, the provision of office space, office equipment and personnel for the performance of such services, property management, administration and servicing, the maintenance of documents, books and Records for the Trust (including those described in Section 8.1), the receipt and disbursement of Trust Property, the servicing and payment of debt and other obligations and generally all matters relating to the obtaining of and the administration and servicing of Trust Property, including, without limitation, as provided in the Management Agreement; (ii) serve as an advisor to the Issuer Trustee, furnish reports to the Issuer Trustee and provide research, economic and statistical data in connection with the Trust Activities; (iii) act as consultant, accountant, correspondent, lender, technical advisor, counsel, broker and dealer, underwriter, fiscal agent, corporate fiduciary, escrow agent, depository, custodian or agent for collection from obligors, loan administrator, appraiser, bank, insurer or insurance agent, transfer agent or registrar or issuing and paying agent for Funding Obligations or in any other capacity deemed by the Issuer Trustee necessary or desirable; (iv) act as attorney or agent in the purchase or sale or other disposition of the Trust Property or the property secured thereby and the handling, prosecution or settling of any claims of the Trust and assist in the performance of such functions necessary in the management of the Trust as may be agreed upon with the Issuer Trustee; and (v) execute and deliver the Program Agreements. For greater certainty, the appointment by the Issuer Trustee of the Manager under the Management Agreement will, where applicable, be deemed to constitute adequate supervision by the Issuer Trustee for purposes of the *Trustee Act* (Ontario) and this Declaration of Trust of any Person thereby engaged in connection with the foregoing activities; and

(c) investigate, select and conduct negotiations with Persons acting in the capacities referred to in Section 5.15(b) and pay appropriate fees to, and enter into appropriate contracts with, employ or retain the services of, any of them in connection with the Trust Property or property secured thereby, other assets and

any security related thereto funded, acquired, sold or otherwise disposed of, or committed, negotiated or contemplated to be funded, acquired, sold, or otherwise disposed of in connection with Funding Obligations.

5.16 Indemnification

In accordance with and subject to the terms of the Program Agreements, the Issuer Trustee will have the power to indemnify or enter into agreements with respect to indemnification with any Person with whom the Issuer Trustee or the Trust deals to such extent as the Issuer Trustee determines necessary or desirable.

5.17 Further Powers

Subject to Section 2.1, the Issuer Trustee will have the power to perform and do all such other acts and things and to execute itself (or have executed by any Person appointed by it pursuant to Section 5.15) all such deeds, transfers, assignments, hypothecs, agreements, certificates, directions, instruments or other documents whatsoever as it deems necessary, proper or desirable in order to carry on the Trust Activities in accordance with and subject to the Program Agreements notwithstanding that such acts, things, deeds, transfers, assignments, hypothecs, agreements, certificates, directions, instruments or other documents are not herein specifically mentioned. Any determination as to what is necessary, proper or desirable in order to carry on the Trust Activities in accordance with the Program Agreements or otherwise, provided it is made by the Issuer Trustee honestly and in good faith, will be conclusive. Any construction of this Declaration of Trust or the existence of any power or authority hereunder, made honestly and in good faith by the Issuer Trustee upon the advice of counsel, will be conclusive to the extent consistent with the law. In construing the provisions of this Declaration of Trust, there will be a presumption in favour of a grant of power to the Issuer Trustee.

5.18 Auditors

In accordance with and subject to the terms of the Program Agreements, the Issuer Trustee will have the power from time to time to select and appoint and discharge and reappoint an auditor of the Trust in its discretion and to negotiate and fix the fees of any such auditor.

5.19 Defect in Appointment

Notwithstanding anything to the contrary herein contained, no action taken by the Issuer Trustee will be invalid by reason only of any defect that is thereafter discovered in its appointment.

5.20 Status

The Issuer Trustee shall not have the status of bankrupt and shall be resident in Canada for purposes of the ITA.

ARTICLE 6
REPLACEMENT OF ISSUER TRUSTEE

6.1 Resignation of Issuer Trustee

(a) If the Issuer Trustee desires to resign and be discharged from the trusts and powers reposed in or conferred on it by this Declaration of Trust, it will provide 120 days written notice (or such shorter period of notice as the Unitholders , the Indenture Trustee and the Rating Agencies may agree to) thereof to the Unitholders, the Indenture Trustee and the Rating Agencies provided that no such voluntary resignation shall be effective until a replacement Issuer Trustee acceptable to the Unitholders and the Indenture Trustee has been appointed and has executed a written agreement whereby such replacement Issuer Trustee agrees to assume the obligations of the Issuer Trustee hereunder, under the Program Agreements and under any other contract pursuant to which the Issuer Trustee is obligated.

(b) The Issuer Trustee shall resign if a material conflict of interest arises in its role as a trustee under this Declaration of Trust that is not eliminated within 90 days after the Issuer Trustee becomes aware that it has such a material conflict of interest. Forthwith after the Issuer Trustee becomes aware that it has such a material conflict of interest, it shall provide the Unitholders, the Indenture Trustee and the Rating Agencies with written notice of the nature of such material conflict of interest. Upon such resignation, the Issuer Trustee shall (subject to Section 6.6) be discharged from its office under this Declaration of Trust. If, notwithstanding the foregoing provisions of this Section 6.1(b), the Issuer Trustee has such a material conflict of interest, the validity and enforceability of this Declaration of Trust and any agreement entered into by the Issuer Trustee shall not be affected in any manner whatsoever by reason only of the existence of such material conflict of interest. If the Issuer Trustee contravenes the foregoing provisions of this Section 6.1(b), the Unitholders, may apply, on notice to the Rating Agencies, to a court of competent jurisdiction for an order that the Issuer Trustee be replaced as Issuer Trustee hereunder.

6.2 Removal of Issuer Trustee

The Issuer Trustee may be removed from its office under this Declaration of Trust by the Unitholders, at any time by notice in writing delivered to the Issuer Trustee not less than 90 days prior to the date that such removal is to take effect.

6.3 Vacancy

In the event of the bankruptcy or insolvency of the Issuer Trustee or the inability of the Issuer Trustee to exercise its duties under this Declaration of Trust, the Unitholders may forthwith terminate the term of office of the Issuer Trustee as trustee and, in such instance, a vacancy will occur. No vacancy (including upon a resignation of the Issuer Trustee pursuant to

Section 6.1(b)) shall operate to annul this Declaration of Trust or affect the continuity of the Trust or terminate the appointment of the Manager under the Management Agreement.

6.4 Appointment of New Issuer Trustee

If, pursuant to this Article 6, the Issuer Trustee resigns or a vacancy occurs in the office of the Issuer Trustee for any reason, the Unitholders may by instrument in writing appoint a Trust Company, which either (i) has risk-based capital of at least $50,000,000 or, in the case of an entity that is not subject to risk-based capital adequacy requirements, has a combined capital and surplus of at least $50,000,000; or (ii) has been approved in writing by each Rating Agency prior to its appointment by the Unitholders, in order to replace the Issuer Trustee. If the Unitholders fails to make such appointment within 60 days of the occurrence of any such resignation, removal or vacancy, then the Issuer Trustee may make an application, on notice to the Rating Agencies, to a court of competent jurisdiction to appoint a successor Issuer Trustee hereunder. If the Issuer Trustee elects not to make such an application, the Unitholders may do so on notice to the Rating Agencies. The expense of any act, document, deed or other instrument or thing required under this Section 6.4 will be satisfied from the Trust Property.

6.5 Merger, Consolidation and Amalgamation

Any company into which the Issuer Trustee may be merged or with which it may be consolidated or amalgamated, or any company resulting from any merger, consolidation or amalgamation to which the Issuer Trustee is a party or any company succeeding to the corporate trust business of the Issuer Trustee will be a successor Issuer Trustee under this Declaration of Trust without any further action on the part of the Issuer Trustee, provided that such company shall be a Trust Company.

6.6 Vesting in Successor Issuer Trustee

Any successor Issuer Trustee will become vested with all the estates, properties, rights, powers, duties, responsibilities and trusts of its predecessors in the trusts hereunder as if it had been originally named as Issuer Trustee pursuant to this Declaration of Trust. In furtherance of the foregoing, upon written request of the successor Issuer Trustee, the Issuer Trustee ceasing to act will do, make, execute, deliver or cause to be done, made, executed or delivered all such acts, documents, deeds or other instruments and things as may be necessary or desirable in order to more effectively assign, transfer and deliver to, and vest in, the successor Issuer Trustee, upon the trusts herein expressed, all the rights, powers and trusts of, and all property and money held by the Issuer Trustee so ceasing to act. The expense of any act, document, deed or other instrument or thing required under this Section 6.6 will be satisfied from the Trust Property.

6.7 Confidentiality

At all times (including, without limitation, at any time the Issuer Trustee should resign or be discharged from the trusts and powers reposed in or conferred on it by this Declaration of Trust), the Issuer Trustee (or the trustee so resigning and being discharged, as the case may be) will treat as confidential all information relating to the Trust, the Trust Activities and the transactions contemplated by the Program Agreements obtained by it in its capacity as Issuer Trustee.

6.8 Right to Disclose

The Issuer Trustee shall have the right to disclose any information disclosed or released to it if in the opinion of legal counsel to the Issuer Trustee it is required to disclose under any applicable laws, court order or directions of Governmental Authorities or if it is requested by a Rating Agency. The Issuer Trustee shall not be responsible or liable to any party for any loss or damage arising out of or in any way sustained or incurred or in any way relating to such disclosure.

ARTICLE 7
STANDARD OF CARE, LIMITATION OF LIABILITY OF ISSUER TRUSTEE AND OTHER MATTERS

7.1 Standard of Care

The Issuer Trustee will exercise its powers and carry out its obligations hereunder as Issuer Trustee honestly, in good faith and in the best interests of the Trust and the Unitholders and in connection therewith will exercise that degree of care, diligence and skill that a reasonably prudent Person would exercise in comparable circumstances. To the extent that the Issuer Trustee has delegated or subcontracted the performance of all or a portion of its duties to the Manager as contemplated by Section 5.15, it will be deemed to have satisfied the aforesaid standard of care. Unless otherwise required by law, the Issuer Trustee will not be required to give bond, surety or security in any jurisdiction for the performance of any duties or obligations hereunder. The Issuer Trustee will not be required to devote its entire time to the Trust Activities. For greater certainty, the entering into of any Program Agreement by the Trust and the performance by the Trust of its obligations thereunder will be deemed to be in the best interests of the Unitholders and the Trust.

7.2 Limitation of Liability of Issuer Trustee

The Issuer Trustee has entered into this Declaration of Trust solely in its capacity as trustee of the Trust and not in its personal capacity, and any and all of the representations, warranties, undertakings, covenants, indemnities, agreements and other obligations made on the part of the Issuer Trustee herein are made and intended not as personal representations, warranties, undertakings, covenants, indemnities, agreements and other obligations by the Issuer Trustee or for the purpose or with the intention of binding the Issuer Trustee in its personal capacity, but are made and intended for the purpose of binding only the Trust Property or a specific portion thereof. No property or assets of the Issuer Trustee, whether owned beneficially by it in its personal capacity or otherwise (other than the Trust Property), will be subject to levy, execution or other enforcement procedures with regard to any of the representations, warranties, undertakings, covenants, indemnities, agreements and other obligations of the Trust or the Issuer Trustee hereunder, and no recourse may be had or taken, directly or indirectly, against the Issuer Trustee in its personal capacity, any Unitholder or any Affiliate, shareholder, director, officer, representative, employee or agent of the Issuer Trustee or any predecessor or successor of the Issuer Trustee with regard to the representations, warranties, undertakings, covenants, indemnities, agreements and other obligations of the Trust or the Issuer Trustee hereunder; provided that the foregoing limitation will not apply in respect of any action or failure to act arising from or in connection with the wilful misconduct, negligence or the failure to comply

with the standard of care referred to in Section 7.1. Notwithstanding any other provision of this Article 7, but subject to the Indenture, each Specified Creditor is entitled to recourse to the Trust Property to satisfy in full the obligations of the Trust to it even if the Issuer Trustee has no right, or only an impaired right, to seek indemnification from the Trust Property or to apply the Trust Property in satisfaction of such obligations.

7.3 Indemnification of the Issuer Trustee

The Issuer Trustee, its directors, officers, agents, representatives and employees will at all times be indemnified and saved harmless out of the Trust Property from and against all claims (including any claim arising out of the assessment of any tax on income by a taxing authority), demands, levies, penalties, suits, losses, actions, causes of action, costs, charges, fees and expenses, damages and liabilities whatsoever, including, without limitation, those arising out of or related to actions taken or omitted to be taken by any agent of the Issuer Trustee, including, without limitation, the Manager, as contemplated hereby, legal fees and disbursements on a substantial indemnity basis and costs and expenses incurred in connection with the enforcement of this indemnity (each, a "**Claim**"), which the Issuer Trustee, its directors, officers, representatives and employees may suffer or incur, whether at law or in equity, in any way caused by or arising, directly or indirectly, in respect of any act, deed, matter or thing whatsoever made, done, acquiesced in or omitted in or about or in relation to the execution of its duties as Issuer Trustee or which it sustains or incurs in or about or in relation to the Trust Property and the Trust Activities. Further, the Issuer Trustee will not be liable to the Trust, to any Unitholder or to any other Person for any loss or damage relating to any matter regarding the Trust, including any loss or diminution in the value of the Trust Property. The foregoing provisions of this Section 7.3 do not apply to the extent that in any circumstances there has been wilful misconduct, gross negligence or the failure to comply with standard of care referred to in Section 7.1 on the part of the Issuer Trustee, its directors, officers, agents, representatives or employees excluding the other parties to the Program Agreements. Notwithstanding any other provision hereof, this indemnity will survive the removal or resignation of the Issuer Trustee, the termination of this Declaration of Trust and the termination of any trust created hereby.

7.4 Reliance upon Advice

The Issuer Trustee may rely and act upon any statement, notice, report or opinion prepared by or any advice received from the Manager or from the auditors, counsel or other professional advisors of the Issuer Trustee and will not be responsible or held liable for any loss or damage resulting from so relying or acting if the Issuer Trustee acted reasonably and in good faith relied upon the advice received and if the professional advisor was aware that the Issuer Trustee was receiving the advice in its capacity as Issuer Trustee. The Issuer Trustee is entitled to be reimbursed from the Trust Property for all costs, charges and expenses it incurs in connection with obtaining any such statement, notice, report, opinion or advice. The Issuer Trustee is entitled to rely and act upon the genuineness and authenticity of any writing submitted to it that it in good faith believes to be genuine.

7.5 Retain Experts

The Issuer Trustee may appoint such agents and employ or retain such counsel, accountants, engineers, appraisers or other experts or advisers as it may reasonably require for the purpose of discharging its duties hereunder and shall not be responsible for any misconduct on the part of any of them. The Issuer Trustee may pay remuneration out of the Trust Property for all services performed for it in the discharge of the trusts hereof without taxation for costs or fees of any counsel, solicitor or attorney.

7.6 Reliance on Experts

The Issuer Trustee may act and rely and shall be protected in acting in good faith on the opinion or advice of or information obtained from any agent, counsel, accountant, engineer, appraiser or other expert or adviser in relation to any matter arising in the performance of its duties under the Program Agreements.

7.7 Provisions Regarding Liability

Any written instrument creating an obligation of the Issuer Trustee will be conclusively deemed to have been executed by the Issuer Trustee only in its capacity as Issuer Trustee. Any written instrument creating an obligation of the Issuer Trustee will contain a provision to the effect that the obligations thereunder are not binding upon the Issuer Trustee except in its capacity as Issuer Trustee, nor will recourse be had to the property of the Issuer Trustee except in its capacity as Issuer Trustee, but that the Trust Property or a specific portion thereof only will be bound, and may at the request of the Issuer Trustee make specific provision to the foregoing effect and contain any further provisions which the Issuer Trustee may deem appropriate, but the omission of any such provisions will not operate to invalidate any such instrument or to impose liability on the Issuer Trustee, except as aforesaid. The Issuer Trustee shall not be required to expend or risk its own funds or otherwise incur financial liability in the performance of its duties hereunder.

ARTICLE 8
RECORDS

8.1 Records to be Kept

The Issuer Trustee will keep or cause to be kept at the head office of the Trust a copy of this Declaration of Trust, a register of Unitholders, minutes of meetings and resolutions of Unitholders, minutes of meetings and resolutions of the Issuer Trustee, and such Records as are by law or good business practice necessary. The Records may be kept at the office of any Person whom the Issuer Trustee has appointed to maintain the same, provided that the Issuer Trustee has access to the Records on one Business Day's notice to such Person.

8.2 Segregation of Assets

The Issuer Trustee shall maintain the Trust Property separate from all other property in its possession.

8.3 Method of Keeping Records

Where this Declaration of Trust requires the Issuer Trustee to cause a Record to be kept, it may be kept in bound or loose-leaf form or by means of a mechanical, electronic or other device.

8.4 Annual Financial Statements

A copy of the annual financial statements of the Trust, signed by the Issuer Trustee, shall be mailed or otherwise made available within 120 days following the end of a fiscal year to which they relate to each Unitholder. The financial statements shall include all information required to be included in annual financial statements of the Trust by applicable laws.

ARTICLE 9
MEETINGS OF UNITHOLDERS AND DECISION OF UNITHOLDERS

9.1 Annual Meeting

There will not be an annual meeting of the Unitholders.

9.2 Other Meetings

The Issuer Trustee will have power at any time to call meetings of the Unitholders at such time and place as the Issuer Trustee may determine. Unitholders holding in the aggregate not less than a majority of the outstanding Units may requisition the Issuer Trustee in writing to call a meeting of the Unitholders for the purposes stated in the requisition. The requisition shall state in reasonable detail the business proposed to be transacted at the meeting and will be sent to the Issuer Trustee at the address of the Issuer Trustee. Upon receiving the requisition, the Issuer Trustee will call a meeting of the Unitholders to transact the business referred to in the requisition. If the Issuer Trustee does not within 10 days after receiving the requisition call a meeting, any Unitholder who signed the requisition may call the meeting.

9.3 Quorum and Voting

A quorum for any meeting of the Unitholders will be persons present being Unitholders or representing by proxy Unitholders who hold in the aggregate a majority of the total number of outstanding Units. Unitholders may attend and vote at all meetings of the Unitholders either in person or by proxy. Each Unit will be entitled to one vote at all meetings of the Unitholders. Any action to be taken by the Unitholders will, except as otherwise required by this Declaration of Trust, or by law, be authorized when approved by a majority of the votes cast at a meeting of the Unitholders. The chairman of any such meeting will not have a second or casting vote.

9.4 Written Resolution

Any business which may be conducted at a meeting of the Unitholders may be approved by a resolution in writing in lieu thereof. Notice of such resolution will be given to all Unitholders and approval of such resolution will be evidenced by the signature on any such

resolution or counterpart thereof by the required percentage of Unitholders for the matter to be determined.

ARTICLE 10
AMENDMENT

10.1 Amendment

Subject to Section 2.1 and compliance with the terms of the applicable Program Agreements, the Issuer Trustee may, from time to time, amend, vary, supplement, replace or restate the provisions of this Declaration of Trust without the consent or approval of the Unitholders or any court as follows:

(a) to the extent deemed necessary by the Issuer Trustee in good faith to be necessary to ensure compliance with, or to remove any conflicts or other inconsistencies which may exist between any term of this Declaration of Trust and the provisions of, any applicable law in effect from time to time;

(b) to the extent deemed necessary by the Issuer Trustee in good faith to be necessary to make any change or correction in this Declaration of Trust which is a typographical change or correction or which the Issuer Trustee has been advised by legal counsel is required for the purpose of curing any ambiguity or defect or inconsistent provision or clerical omission or mistake or manifest error contained herein, or

(c) subject to the satisfaction of the Rating Agency Condition, to the extent deemed necessary or desirable in the sole discretion of the Issuer Trustee to permit or facilitate the carrying on of the Trust Activities, including the accommodation of requests made by the Rating Agencies or regulatory authorities in relation to the issuance of Funding Obligations.

However, any such amendment may be made only if it will not materially adversely affect the interest of any Unitholder, unless that Unitholder has also approved of the amendment in writing. The Issuer Trustee will immediately upon the entering into thereof, provide the Rating Agencies and the Indenture Trustee with a copy of any amendment, variation, supplement, replacement or restatement of this Declaration of Trust.

10.2 Automatic Amendment

Upon the Issuer Trustee ceasing to be a trustee of the Trust, this Declaration of Trust will be automatically amended to delete any reference to the name of the trustee so ceasing to be a trustee of the Trust and to substitute therefor the name of the successor trustee of the Trust. Notice of any change in the Issuer Trustee may be endorsed upon or attached to this Declaration of Trust and signed by the successor Issuer Trustee and every such notice will be sufficient evidence to any Person dealing with the Issuer Trustee under this Declaration of Trust as to the facts to which it relates.

10.3 Supplemental Declaration of Trust

The Issuer Trustee is authorized to execute any supplemental declaration of trust to give effect to amendments to this Declaration of Trust made pursuant to this Article 10. The Issuer Trustee shall not be obligated to enter into any such supplemental declaration if it adversely affects the Issuer Trustee's rights, duties or immunities under this Declaration of Trust or otherwise. No amendment to or amendment and restatement of this Declaration of Trust, whether pursuant to this Article 10 or otherwise, shall be construed as a termination of the Trust or the settlement or establishment of a new trust.

ARTICLE 11
DISTRIBUTION OF TRUST PROPERTY[1]

11.1 Distributions

(1) The Issuer Trustee may declare to be payable and make distributions, from time to time, out of Income of the Trust, Net Realized Capital Gains of the Trust, capital of the Trust or otherwise, in any year, in such amount or amounts, and on such dates as the Issuer Trustee may determine, to the Unitholders at the record date for such distribution. The Issuer Trustee may declare such amounts to be payable or authorize such distributions in advance by way of a standing resolution that is effective for a period not exceeding 12 months after the date of the resolution.

(2) Where the Trust proposes to distribute Trust Property in specie to a redeeming Unitholder as contemplated in subsection 4.1(3), and the Issuer Trustee reasonably expects that such in specie distribution will give rise to Income of the Trust and / or Net Realized Capital Gains of the Trust in excess of the amount of the Net Realized Capital Gains of the Trust Allocated on Redemption to the particular Unitholder whose Units are being redeemed (collectively, the "**Excess Income on Redemption**"), the Issuer Trustee shall declare to be payable and make a distribution, on the record date that is one Business Day before the redemption, to Unitholders at such record date in an amount equal to the estimated Excess Income on Redemption. Such distribution will be satisfied by the issuance of additional Units, or fractions of Units, having a fair market value equal to the amount of such distribution. If the Issuer Trustee is required to deduct or withhold an amount from such distribution, the applicable Unitholder shall make the cash payment described in Section 11.7 to the Issuer Trustee on or prior to the date the distribution.

(3) If the Issuer Trustee declares to be payable or makes a distribution pursuant to subsections 11.1(1) or 11.1(2) without determining the portion of such distribution that is payable out of Income of the Trust, Net Realized Capital Gains of the Trust, capital of the Trust or otherwise, such allocation shall be made pursuant to subsection 11.2(2).

(4) Having regard to the present intention of the Issuer Trustee to make payable to Unitholders all of the Income of the Trust and Net Realized Capital Gains of the Trust for each taxation year so that the Trust will not have any liability for tax under Part I of the ITA in any taxation year (other than alternative minimum tax or taxes payable under the

[1] Subject to PILs exemption.

"SIFT trust" rules in the ITA), unless the Issuer Trustee, in its sole discretion determines otherwise, the following amounts will, without any further actions on the part of the Issuer Trustee, be due and payable to the Unitholders of record on the last day in each such taxation year:

(a) an amount equal to the amount, if any, by which the Income of the Trust for such year exceeds the aggregate of (A) the aggregate of the portions of the distributions paid or payable by the Trust which have been determined by the Issuer Trustee to have been payable by the Trust out of the Income of the Trust for such year, if any, and (B) the aggregate of the portions of distributions deemed by subsection 11.2(2)(a) to be paid or payable by the Trust out of the Income of the Trust for such year; and

(b) an amount equal to the amount, if any, by which the Net Realized Capital Gains of the Trust for such year exceeds the aggregate of (A) any amount of the Net Realized Capital Gains of the Trust Allocated on Redemption for the year payable to redeeming Unitholders pursuant to subsection 4.1(5), (B) the aggregate of the portions of the distributions paid or payable by the Trust which have been determined by the Issuer Trustee to have been payable by the Trust out of Net Realized Capital Gains of the Trust for such year, if any, and (C) the aggregate of the portions of distributions deemed by subsection 11.2(2)(b) to be paid or payable by the Trust out of the Net Realized Capital Gains of the Trust for such year, if any.

Any determinations by the Issuer Trustee not to make a distribution described in this subsection 11.1(4) must be exercised by the Issuer Trustee in writing prior to December 31 of the applicable taxation year.

(1) The proportionate share of each Unit of the amount of any distribution made pursuant to this section will be determined by dividing such amount by the number of issued and outstanding Units on the applicable record date in respect of a distribution pursuant to subsections 4.1(5), 11.1(1) or 11.1(2) and on the last day of the taxation year in respect of a distribution pursuant to subsection 11.1(4). Each Unitholder's share of the amount of any such distribution will be an amount equal to the proportionate share of each Unit of such amount multiplied by the number of Units owned of record by each such Unitholder on such applicable record date or the last day of the taxation year, as the case may be, and such Unitholder shall, on such date, be entitled to enforce payment of the Unitholder's share. Subject to subsections 4.1(5) and 11.1(2) and section 11.3, amounts which are payable to Unitholders will be paid in cash.

11.2 Allocation

(1) Subject to subsection 11.2(2), distributions payable to the Unitholders pursuant to Article 11 will be deemed to be distributions of Income of the Trust (including dividends), Net Realized Capital Gains of the Trust, returns of capital of the Trust or other items in such amount as the Issuer Trustee in its absolute discretion determines and will be allocated to the Unitholders in the same proportions as distributions received by the Unitholders.

(2) If the Issuer Trustee has declared to be payable or made one or more distributions in a taxation year pursuant to subsection 11.1(1) without determining the portion of such distributions that is payable out of Income of the Trust, Net Realized Capital Gains of the Trust, capital of the Trust or otherwise, such distributions shall be deemed to be paid or payable out of:

(a) first, the Income of the Trust for such year to the extent, if any, that the Income of the Trust for such year exceeds the aggregate of the amounts in subsection 11.1(4)(a)(A);

(b) second, the Net Realized Capital Gains of the Trust for such year to the extent, if any, that the Net Realized Capital Gains of the Trust for such year exceeds the aggregate of the amounts in subsection 11.1(4)(b)(A) and 11.1(4)(b)(B); and

(c) as to any balance, the capital of the Trust;

and such amounts will be allocated to the Unitholders in the same proportions as such distributions were received by the Unitholders.

(1) For greater certainty it is hereby declared that any distribution of Net Realized Capital Gains of the Trust will include the non-taxable portion of the capital gains of the Trust which are included in such distribution.

11.3 Payment of Distributions

(1) Distributions to a Unitholder (other than distributions described in subsections 4.1(5) and 11.1(2)) will be made by cash, wire transfer or cheque payable to or to the order of the Unitholder or by such other manner provided for in subsection 11.3(3). The payment, if made by cheque, will be conclusively deemed to have been made upon hand delivery of a cheque to the Unitholder or to its agent duly authorized in writing or upon the mailing of a cheque by prepaid first-class mail addressed to the Unitholder at its address set out in the records of the Issuer Trustee unless the cheque is not paid on presentation, or in any other manner determined by the Issuer Trustee in its discretion. The Issuer Trustee may issue a replacement cheque if it is satisfied that the original cheque has not been received or has been lost or destroyed upon being furnished with such evidence of loss, indemnity or other document in connection therewith that the Issuer Trustee may in its discretion consider necessary.

(2) The Issuer Trustee may, in its sole discretion, transfer temporarily from capital to income within the Trust sufficient cash to facilitate payments of Income of the Trust to Unitholders. A permanent transfer from capital to income may be effected if payments made by and /or expenses of the Trust in any year exceed the aggregate of the net income and Net Realized Capital Gains of the Trust in such year.

(3) Without limiting the generality of the foregoing, a distribution to a Unitholder may be paid (i) by the issuance of additional Units, or fractions of Units having a fair market value equal to the amount of such distribution, (ii) by the issuance of a promissory note for a principal amount equal to the amount of such distribution and/or (iii) *in specie* by

the transfer of Trust Property having a fair market value equal to the amount of such distribution, all as may be determined by the Issuer Trustee, acting reasonably. The Issuer Trustee acknowledges and agrees that it will elect to make payment to a Unitholder of the amount of a distribution in the manner described in this subsection 11.3(3) only if it has received prior written notice from the Unitholder that such payment method is acceptable, and the Unitholder makes the cash payment described in Section 11.7 to the Issuer Trustee, which written notice may be revoked in writing by the Unitholder at any time. If the Issuer Trustee elects to make payment of the amount of a distribution by the issuance of a promissory note, such promissory note shall bear interest at a fixed or floating rate, shall be repayable on demand or on the expiry of a stated term, and shall contain such other terms all of which may be determined by the Issuer Trustee such that the fair market value of such promissory note is equal to the amount of the distribution. Any such promissory note or additional Units issued, or Trust Property transferred, by the Trust shall constitute absolute and unconditional payment in full of the distribution and, by becoming a Unitholder, each Unitholder hereby acknowledges that any such note, additional Units or transfer of Trust Property will be accepted by the Unitholder as such absolute and unconditional payment of the distribution payable to the Unitholder.

11.4 Legal Rights

For greater certainty, it is hereby declared that the Unitholders shall have the legal right to enforce payment of any amount to be distributed or payable hereunder at the time such amount is due and payable.

11.5 Income Tax Matters

In reporting income for income tax purposes, the Trust will claim the maximum amount available to it as deductions under the relevant law, unless the Issuer Trustee determines otherwise.

11.6 Designations

In accordance with and to the extent permitted by the ITA, the Issuer Trustee will, in each taxation year, make such designations for income tax purposes in respect of amounts paid or payable or deemed to be paid to the Unitholders for such amounts that the Issuer Trustee considers to be reasonable in all circumstances, including designations relating to taxable dividends received or deemed to be received by the Trust in the year on shares of taxable Canadian corporations, net taxable capital gains of the Trust in the year and foreign source income of the Trust and foreign taxes in respect of such foreign source income for the year, if any.

11.7 Withholding Taxes

The Issuer Trustee will deduct or withhold from distributions **or other amounts** payable ~~to a Unitholder~~**under this Declaration of Trust** amounts required by law to be deducted or withheld from such ~~Unitholder's~~ distributions **or payments**, whether such distributions **or payments** are **satisfied** in the form of cash, ~~a~~**cheque,** promissory note, additional Units or

otherwise. To the extent that any amounts are deducted or withheld from payments **made by cash, cheque or wire transfer, including those** described in subsection 11.3(1), such deducted or withheld amounts shall be treated for all purposes as having been paid to ~~a Unitholder~~**the recipient of the payment** in respect of the distribution **or other amount** payable, provided that such deducted or withheld amounts are actually remitted in accordance with applicable law to the appropriate taxing authority. In the event that the Issuer Trustee makes a distribution **or payment that is satisfied in a manner other than cash, cheque or wire transfer, including those** described in subsections **4.1(3),** 4.1(5) or ~~11.1(2), or elects to pay a distribution in the manner contemplated in subsection~~ 11.3(3), the ~~Unitholder~~**recipient of the payment** shall provide cash to the Issuer Trustee in amount equal to any required deduction or withholding, which the Issuer Trustee shall forthwith remit to the appropriate taxing authority on behalf of the Unitholder.

ARTICLE 12
TERMINATION OF THE TRUST

12.1 Termination

(a) The Trust will continue in full force and effect for a period of twelve months from the date hereof and thereafter for so long as any Funding Obligations remain outstanding and until the Trust has satisfied all of its obligations under the Program Agreements or otherwise for the purposes of carrying on the Trust Activities. Notwithstanding the foregoing, the Issuer Trustee may, with the unanimous approval of Unitholders, wind-up the affairs of the Trust and terminate the Trust and distribute the Trust Property then remaining to the Unitholders in proportion to the number of Units held by each Unitholder no later than the date that is one day prior to the 21st anniversary of the death of the last surviving lineal descendent of Queen Elizabeth, II of England living at the date this declaration is made.

(b) Subject to Section 12.1(a), the Issuer Trustee may, with the unanimous approval of the Unitholders, wind up the affairs of the Trust and terminate the Trust. To the fullest extent permitted by law, and notwithstanding any duty otherwise existing at law or in equity, the Issuer Trustee shall consider only the interests of the Trust, including its creditors, in acting on the matters referred to in this Section 12.1. On the date the Trust is terminated, the Issuer Trustee will, upon receipt of such releases, indemnities and refunding agreements as the Issuer Trustee may deem necessary for its protection, distribute the remaining Trust Property, after payment of all other obligations of the Trust, in cash or in kind , or partly in each, to the Unitholders in proportion to the number of Units held by each Unitholder

The Manager will perform its duties hereunder (including, for so long as it is the Financial Services Manager, its duties as Financial Services Manager under the Act and the Regulations) diligently and in conformity with the Issuer's obligations under the Program Agreements and with the Act and the Regulations, as applicable, and honestly, in good faith and in the best interests of the Issuer and, in connection therewith, will exercise the degree of care, diligence and skill that a reasonably prudent Person would exercise in comparable circumstances (the "**Standard of Care**"). In carrying out its obligations hereunder, the Manager may rely upon the opinion or advice of or information obtained from any counsel, auditor, valuer or certificates from officers of any of the other parties to Program Agreements. Unless otherwise required by applicable law, the Manager will not be required to give bond, surety or security in any jurisdiction for the performance of any duties or obligations hereunder. The Manager will not be required to devote its entire time to its duties hereunder. Notwithstanding anything else to the contrary herein contained, nothing herein shall be interpreted or construed as an obligation of or on the part of the Manager, and the Manager shall not be liable or obligated, to pay or make any payment of, on or in respect of any debt, liability or obligation of the Issuer (including any payment of, on or in respect of any Issuer Funding Obligations or under any other Program Agreement), as agent for or on behalf of the Issuer or otherwise, except from the monies or funds of the Issuer which are made available to the Manager pursuant to this Agreement or the other Program Agreements for the purpose of such payment.

5.2 Compliance with Program Agreements; Conformity with Law

The Manager acknowledges that it has received copies of the Program Agreements, the Act and the Regulations in effect on the date hereof and is familiar with and understands the duties of the respective parties thereto or governed thereby, including those duties of the Issuer which are being delegated to the Manager hereunder. Notwithstanding anything herein to the contrary, the Manager shall perform its duties hereunder in a manner consistent with any applicable provisions of the Program Agreements in effect from time to time, and the Manager will not, in performing its obligations hereunder, take any action which it knows or ought reasonably to know would cause it or the Issuer to be in violation of any law, rule or regulation applicable to it. The Manager will use reasonable commercial efforts to comply with the terms applicable to the Issuer when acting on its behalf under all Program Agreements and will use reasonable commercial efforts in accordance with its Standard of Care to take such actions as would reasonably be expected to result in the representations and warranties given by the Issuer in any Program Agreement being true and correct in all material respects when made.

5.3 Liabilities

Except as provided in Section 5.6,

(a) the Manager will not be liable for any liabilities of the Issuer; and

(b) subject to the payment priorities specified in the Program Agreements, the Issuer agrees to indemnify, defend and hold harmless the Manager from and against any and all liabilities which may be imposed on, incurred by or assessed against the Manager as a result of any act or omission of the Issuer or the Manager under this Agreement or under any Program Agreement; provided that this Section 5.3(b) does not apply to the extent that in any circumstances there has been wilful misconduct or gross negligence of the Manager or its respective officers, employees or agents or any failure to comply with the ~~standard of care required under Section 5.1~~**Standard of Care**.

To the extent that a liability is attributable solely to a single Series or a number of specific Series of Issuer Funding Obligations, the Manager will first exhaust its recourse against the assets available for recovery of such liability and designated to such Series of Issuer Funding Obligations. If such assets are insufficient to satisfy the indemnity set out in this Section 5.3, or if the liability is not attributable to a single Series or a number of specific Series of Issuer Funding Obligations, the liability will be satisfied on a pro rata basis as among the assets available for recovery of such liability and designated to all Issuer Funding Obligations.

Each party expressly disclaims any intention to create a partnership, and neither the Issuer nor the Manager will be deemed to be carrying on business in partnership by reason of its execution and delivery of this Agreement or the exercise or performance by it of its respective rights and obligations hereunder.

5.4 Compensation of the Manager

In consideration of and as compensation for all services provided and duties performed by the Manager pursuant to this Agreement, **and so long as the Financial Services Manager is also the Manager, all services provided and duties performed by the Financial Services Manager,** the Issuer will pay to the Manager, subject to the payment priorities specified in the Program Agreements, the Management Fees. The Management Fees are exclusive of any applicable sales taxes and the Issuer shall pay to the Manager the amount of any applicable sales taxes in addition to such fees.

5.5 Compensation of the Issuer

In consideration of the Issuer engaging in the activities contemplated by the Act, the Manager will pay to the Issuer, on a monthly basis, the sum of $10 per month for any month or part thereof that the Issuer is engaged in such activities (the "**Issuer Compensation**"). The Issuer Compensation is exclusive of any applicable sales taxes and the Manager shall pay to the Issuer the amount of any applicable sales taxes in addition to the Issuer Compensation.

The Issuer and the Manager agree that in respect of any month that the Issuer has an amount payable to the Manager under Section 5.4 in an amount that is not less than $10 (plus the amount of any applicable sales taxes on the Issuer Compensation), the Manager's obligation to pay the compensation to the Issuer under this Section will be fully satisfied by way of setting-off $10 (plus the amount of any applicable sales taxes on the Issuer Compensation) of the

amount payable by the Issuer to the Manager under Section 5.4 against the Manager's amount payable to the Issuer under this Section.

5.6 Indemnification by Manager

(a) The Manager ~~agrees to~~**shall** indemnify~~,~~ **and** defend and hold harmless the Issuer from and against**,** any and all liabilities which may be imposed on, incurred by or assessed against the Issuer as the result of any wilful misconduct or gross negligence by the Manager, its officers, employees or agents or any failure to comply with the ~~standard of care required under Section 5.1~~**Standard of Care**, provided that the Manager will have the exclusive right to compromise or defend, through counsel selected and retained by the Manager, any such liabilities or related claims at its own expense, which decision will be binding upon the Issuer.~~ It is, however, expressly understood that the Manager is not agreeing to indemnify or hold the Issuer harmless with respect to any of the following:~~

(b) **The Manager shall indemnify each Indenture Indemnified Person and defend and hold harmless each such Indenture Indemnified Person from and against, any and all liabilities, obligations, losses, damages, payments and claims, and reasonable costs or expenses, of any kind whatsoever (collectively, "Indenture Indemnified Losses")** imposed on, incurred by or asserted against **such Indenture Indemnified Person, as a result of (i) the failure of the Manager to perform its covenants and other obligations under this Agreement; or (ii) the breach by the Manager of any of its representations or warranties under this Agreement and, except to the extent of Indenture Indemnified Losses resulting from the willful** misconduct, bad faith or gross negligence of **such Indenture Indemnified Person seeking indemnification hereunder; provided that, in each case, the Manager shall not be required to indemnify an Indenture Indemnified Person for any amount paid or payable by such Indenture Indemnified Person in the settlement of any Proceeding or investigation without the written consent of the Manager, which consent shall not be unreasonably withheld. Promptly after receipt by an Indenture Indemnified Person of notice of the commencement of any Proceeding or investigation, such Indenture Indemnified Person shall, if a claim in respect thereof is to be made against the Manager under this Section 5.6(b), notify the Manager in writing of the commencement thereof. Failure by an Indenture Indemnified Person to so notify the Manager shall relieve the Manger from the obligation to indemnify and hold harmless such Indenture Indemnified Person under this Section 5.6(b) only to the extent that the Manager suffers actual prejudice as a result of such failure. With respect to any Proceeding or investigation brought by a third party for which indemnification may be sought under this Section 5.6(b), the Manager shall be entitled to conduct and control, at its expense and with counsel of its choosing that is reasonably satisfactory to such Indenture Indemnified Person, the defence of any such Proceeding or investigation (in which case the Manager shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the Indenture**

Indemnified Person except as set forth below); provided, that the Indenture Indemnified Person shall have the right to participate in such Proceeding or investigation through counsel chosen by it and at its own expense. Notwithstanding the Manager's election to assume the defence of any Proceeding or investigation, the Indenture Indemnified Person shall have the right to employ separate counsel, and the Manager shall bear the reasonable fees, costs and expenses of such separate counsel, if (i) the defendants in any such action include both the Indenture Indemnified Person and the Manager and the Indenture Indemnified Person shall have reasonably concluded that there may be legal defences available to it that are different from or additional to those available to the Manager, (ii) the Manager shall not have employed counsel reasonably satisfactory to the Indenture Indemnified Person to represent the Indenture Indemnified Person within a reasonable time after notice of the institution of such action, or (iii) the Manager authorizes the Indenture Indemnified Person to employ separate counsel at the expense of the Manager. Notwithstanding the foregoing, the Manager shall not be obligated to pay for the fees, costs and expenses of more than one separate counsel for the Indenture Indemnified Persons other than one local counsel, if appropriate. The Manager will not, without the prior written consent of the Indenture Indemnified Person, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim or Proceeding in respect of which indemnification may be sought under this Section 5.6(b) (whether or not the Indenture Indemnified Person is an actual or potential party to such claim or action) unless such settlement, compromise or consent includes an unconditional release of the Indenture Indemnified Person from all liability arising out of such claim or Proceeding.

(c) **Indemnification under Section 5.6(b) shall survive any repeal of, modification of, or supplement to, or judicial invalidation of, the Act and shall survive the termination of this Agreement and will rank pari passu with other general, unsecured obligations of the Manager.**

(d) **Notwithstanding anything contained in this Agreement, it is** expressly understood that the Manager is not agreeing to indemnify or hold the Issuer **or any Indenture Indemnified Person** harmless with respect to any of the following:

~~(a)~~ **(i)** payments due on Issuer Funding Obligations or other amounts borrowed;

(i) ~~(b)~~ any breach or failure to perform on the part of any other third party under any Program Agreement;

(ii) ~~(c)~~ any claim arising out of the assessment of any tax or payments in lieu of tax by a taxing authority against the Issuer;

~~(d) any amount for which the Issuer agrees to indemnify the Manager hereunder;~~

(iii) ~~(e)~~ any liability of the Issuer **or any Indenture Indemnified Person** accruing after the termination of this Agreement unless attributable to the actions or omissions of the Manager prior to such termination;

(iv) ~~(f)~~ any losses of the Issuer **or any Indenture Indemnified Person** arising due to risks inherent in the Issuer Investment Interest; ~~or~~

(v) ~~(g)~~ any statements or certificates provided by the Issuer to the effect that ~~(i)~~ **(X)** any Funding Obligation is consistent with the Financing Plan~~,~~ or ~~(ii)~~ **(Y)** the estimated Finance Amount that would have become due and payable in any Reference Period is expected to align with the Fair Allocation Amount determined in respect of such Reference Period**; or**

(vi) **any losses resulting from changes in law after the date hereof, whether such changes in law are effected by means of any legislative enactment or any final and non-appealable judicial decision**.

(e) ~~It is further~~**Notwithstanding anything contained in this Agreement, it is expressly** understood that the Manager is not agreeing to indemnify or hold harmless**: (i) the Issuer with respect to any amount for which the Issuer agrees to indemnify the Manager hereunder; or (ii)** the Issuer Trustee with respect to any liabilities resulting from the failure of the Issuer Trustee to satisfy the standard of care set out in the Declaration of Trust. Where the Manager has assumed total defense of a claim, it shall agree to ensure that any settlement of such claim does not include any form of admission of liability on the part of the Issuer Trustee (in its personal capacity).

~~The Manager agrees to indemnify, defend and hold harmless the Indenture Trustee from and against any and all liabilities which may be imposed on, incurred by or asserted against the Indenture Trustee as the result of any wilful misconduct or gross negligence relating to the maintenance and custody by the Manager, as custodian, of the Investment Interest Records; provided that (a) the Manager will have the exclusive right to compromise or defend, through counsel selected and retained by the Manager, any such liabilities or related claims at its own expense, which decision will be binding upon the Indenture Trustee and (b) the Manager shall not be liable for any portion of any liability resulting from the wilful misconduct, bad faith or gross negligence of the Indenture Trustee.~~

5.7 Contracting with Itself and Affiliates

In the exercise of its rights, duties and obligations, the Manager may, if it is acting in good faith, enter into, as Manager for the Issuer, agreements and other contracts to which the Manager, in its personal capacity, or an Affiliate of the Manager, is a party.

ARTICLE 6

ARTICLE 7
TERMINATION AND RESIGNATION

The Manager shall not be entitled to resign as manager of the Issuer or to terminate this Agreement for so long as any Funding Obligations remain outstanding. The Manager's rights and obligations under this Agreement (other than under Sections 5.3, 5.4, 5.6 and ~~8.3~~**8.5**) will terminate, if the Manager receives a termination notice from (i) the Issuer Trustee, with the consent of the Indenture Trustee, or (ii) the Indenture Trustee, subject to the terms and conditions of the Indenture, in each case, on the 30th day after receipt of such notice. Notwithstanding the foregoing, no termination shall be effective until a replacement manager that satisfies the Rating Agency Condition has been approved and has entered into a management agreement whereby the replacement manager agrees to assume, in substance, the obligations of the Manager hereunder. Upon the termination of its rights and obligations under this Agreement, the Manager will notify the Rating Agencies and, promptly and upon the request of the Issuer, deliver to the Issuer all records (including Investment Interest Records) in the possession of the Manager relating to the performance of its services hereunder.

ARTICLE 8
MISCELLANEOUS

8.1 Acknowledgement of Indenture

The Manager (i) acknowledges and agrees in favour of the Indenture Trustee that it is a Specified Creditor under the Indenture and its entitlements as a Specified Creditor are subject to the provisions applicable to Specified Creditors under the

Indenture, (ii) irrevocably authorizes and directs the Indenture Trustee on its behalf to take such action (including the execution and delivery of documents of subordination) as may be necessary or appropriate to further assure the priority arrangements provided for in the Indenture and (iii) appoints the Indenture Trustee as its agent for any and all such purposes.

8.2 ~~**8.1**~~ **Appointment of Manager as Attorney-in-Fact**

Subject to any Program Agreement, the Issuer hereby irrevocably appoints the Manager as the Issuer's attorney-in-fact during the term of this Agreement, with full authority in the place and stead of and in the name of the Issuer or otherwise, including full power of substitution, from time to time in the Manager's discretion or as required by this Agreement, to take such actions on behalf of the Issuer as the Manager may deem necessary or advisable to comply with or effect the purposes of this Agreement and any Program Agreement including, without limitation, to execute any documents, instruments or certificates in connection therewith, to ask, demand, collect, sue for, recover, compound, receive and give acquittances and receipts for monies due or becoming due to the Issuer or otherwise owed thereto, to receive, endorse and collect any drafts or other instruments, documents and chattel paper in connection therewith, and to file any claims or take any action or institute any proceedings which the Manager may deem necessary or desirable for the collection thereof, or to enforce compliance with the terms and conditions of any Program Agreement.

8.3 ~~**8.2**~~ **Amendments and Waivers**

(a) Subject to Section ~~8.2~~**8.3**(b), this Agreement may be amended, supplemented, modified, restated or replaced from time to time by written instrument signed by the Issuer and the Manager. The Manager will forthwith after the execution of any such instrument by the Issuer and the Manager provide the Rating Agencies with a copy of such instrument.

(b) No provision of this Agreement may be amended, supplemented, modified, restated or replaced in any material respect without first obtaining the written consent of the Indenture Trustee in accordance with the Indenture and such amendment, supplement, modification or replacement will only be effective if the Rating Agency Condition has been satisfied.

(c) No waiver of any provision of this Agreement, nor consent to any departure by any party therefrom, shall in any event be effective unless the same shall be in writing and signed by such party and such waiver or consent, if material, will only be effective if the Rating Agency Condition has been satisfied, and then said waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. No failure on the part of any party to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof.

8.4 ~~8.3~~ Withholding Rights

The parties hereto shall be entitled to deduct and withhold from amounts payable under this Agreement such amounts as each is required to deduct and withhold with respect to such payment under the *Income Tax Act* (Canada) or any provision of any applicable federal, provincial, territorial, state, local or foreign tax law. To the extent that amounts are so withheld, such withheld amounts shall be treated for all purposes as having been paid to the recipient of the payment in respect of which such deduction and withholding was made, provided that such withheld amounts are actually remitted in accordance with applicable law to the appropriate taxing authority.

8.5 ~~8.4~~ No Petition

The Manager hereby agrees that it will not, prior to the date that is one year and one day after the termination of the Indenture and payment in full of the Issuer Funding Obligations and any other amounts owed under the Indenture, institute or encourage against the Issuer, or join or acquiesce in any institution against the Issuer of, any bankruptcy, reorganization, arrangement, insolvency, winding-up or liquidation proceedings, or other proceedings under any federal or provincial bankruptcy, insolvency or similar law in connection with any obligations relating to this Agreement or any of the other Program Agreements. 3.11 Mergers

Any Person (a) into which the Servicer may be merged, converted or amalgamated and that is a Permitted Successor, (b) that may result from any merger, conversion or amalgamation to which the Servicer shall be a party and that is a Permitted Successor, (c) that may succeed to the properties and assets of the Servicer substantially as a whole and that is a Permitted Successor, or (d) that otherwise is a Permitted Successor, which Person in any of the foregoing cases executes an agreement of assumption to perform all of the obligations of the Servicer hereunder, shall be the successor to the Servicer under this Agreement without further act on the part of any of the parties to this Agreement; provided, however, that (i) immediately after giving effect to such transaction, no representation or warranty made pursuant to Section 4.1 shall have been breached and no Servicer Default and no event that, after notice or lapse of time, or both, would become a Servicer Default shall have occurred and be continuing, (ii) the Servicer shall have delivered to the Issuer an Officer's Certificate and an Opinion of Counsel from external counsel stating that such consolidation, conversion, merger or succession and such agreement of assumption complies with this Section 3.11 and that all conditions precedent, if any, provided for in this Agreement relating to such transaction have been complied with, and (iii) the Servicer shall have given to the Issuer prior written notice of such transaction. When any Person that is a Permitted Successor acquires the properties and assets of the Servicer

substantially as a whole or otherwise becomes the successor, by merger, conversion, consolidation, sale, transfer, lease or otherwise, to all or substantially all the assets of the Servicer in accordance with the terms of this Section 3.11, then, upon satisfaction of all of the other conditions of this Section 3.11, the preceding Servicer shall automatically and without further notice be released from all of its obligations hereunder (except for responsibilities for its actions prior to such release).

3.12 The IESO Not to Resign as Servicer

Subject to the provisions of Section 3.11, the IESO shall not resign from the obligations and duties imposed on it as Servicer under this Agreement except upon a determination that the performance of its duties under this Agreement shall no longer be permissible under applicable Requirements of Law. Notice of any such determination permitting the resignation of the IESO as Servicer shall be communicated to the Issuer and each Rating Agency at the earliest practicable time (and, if such communication is not in writing, shall be confirmed in writing at the earliest practicable time), and any such determination shall be evidenced by an Opinion of Counsel to such effect delivered to the Issuer and each Rating Agency concurrently with or promptly after such notice. No such resignation shall become effective until a Successor Servicer that is a Permitted Successor has assumed the servicing obligations and duties hereunder of the Servicer in accordance with Section 7.2.

3.13 IESO Regulatory Obligation to Pay Carrying Costs

(a) The IESO acknowledges that it has an obligation to pay monthly Carrying Costs pursuant to the Regulations for the prescribed period set out in the Regulations (the "**Prescribed Period**") and agrees to comply with its obligations under the Regulations to pay and remit the Carrying Costs to the Issuer on a monthly basis.

If requested by the IESO, the Issuer shall, in lieu of providing the Monthly Carrying Costs Statement, enter the amount of the Monthly Carrying Costs in the IESO operated portal, or such other similar facility operated by the IESO, and such entry shall be deemed to be a certification of the accuracy of the amount entered.

(c) On or before the [14th] Business Day following receipt by the IESO of the Monthly Carrying Costs Statement, the IESO shall, as required under the Regulations, deliver or cause to be delivered to the Issuer, by wire transfer or electronic funds transfer in immediately available funds, an amount in Canadian dollars equal to the Monthly Carrying Costs certified by the Issuer in the applicable Monthly Carrying Costs Statement.

ARTICLE 4
REPRESENTATIONS AND WARRANTIES OF THE IESO

4.1 Representations and Warranties

Subject to Section ~~3.6~~3.7, the IESO makes the following representations and warranties as of the date hereof and as of each applicable Closing Date, and the IESO acknowledges that the Issuer will rely thereon in paying the Purchase Price related to Transfers of Specified Portions of the Regulatory Asset, and the Issuer has relied thereon in entering into this Agreement relating to the servicing of the corresponding Investment Interests.

(a) Organization and Good Standing. The IESO is a statutory corporation amalgamated under the laws of the Province of Ontario, with requisite corporate power and authority to own its properties, to conduct its business as such properties are currently owned and such business is presently conducted by it.

(b) Due Qualification. The IESO has obtained all necessary licences and approvals, in all jurisdictions in which the ownership or lease of property or the conduct of its business (including acting as Servicer under this Agreement) shall require such licences or approvals, except where the failure to so qualify or obtain such licences and approvals would not be reasonably likely to have a material adverse effect on the IESO's business, operations, assets, revenues or properties, the Regulatory Asset or the servicing of related Investment Interests.

(c) Power and Authority. The IESO has the requisite corporate power and authority to execute and deliver this Agreement and to carry out its terms. The IESO has full corporate power and authority to hold the Regulatory Asset and to Transfer Specified Portions of the Regulatory Asset to the Issuer and the IESO has duly authorized such Transfer to the Issuer by all necessary corporate action. The execution, delivery and performance of all obligations under this Agreement have been duly authorized by all necessary corporate action on the part of the IESO under all applicable laws.

(d) Binding Obligation. This Agreement constitutes a legal, valid and binding obligation of the IESO, enforceable against the IESO in accordance with its terms, subject to bankruptcy, receivership, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally from time to time in effect and to general principles of equity (including concepts of materiality, reasonableness, good faith and fair dealing).

(e) No Violation. The consummation of the transactions contemplated by this Agreement and the fulfillment of the terms hereof by the IESO do not conflict with, result in any breach of any of the terms and provisions of, or constitute (with or without notice or lapse of time, or both) a default under, the IESO's by-laws, or any indenture, or other material agreement or instrument to which the IESO is a party or by which it is bound, result in the creation or imposition of any Lien upon any of the IESO's properties pursuant to the terms of any such indenture, agreement or other instrument or violate any existing law or any order, rule or regulation applicable to the IESO issued by any Governmental Authority having jurisdiction over the IESO or its properties, except, in each case, where such breach would not reasonably be expected to materially and adversely affect the performance by the IESO of its obligations under this Agreement or the Act or the validity or enforceability of this Agreement.

(f) No Proceedings. To the IESO's knowledge, except as disclosed in writing to the Issuer, there are no Proceedings pending or threatened against the IESO or its properties: (a) asserting the invalidity of this Agreement or the Act, (b) seeking to prevent the consummation of any of the transactions contemplated by this Agreement or the Act, or (c) seeking a determination or ruling that could reasonably be expected to materially and adversely affect the performance by the IESO of its obligations under this Agreement or the Act or the validity or enforceability of this Agreement.

(g) Approvals. No approvals, authorizations, consents, orders or other actions or filings with any Governmental Authority are required for the IESO to execute, deliver and perform its obligations under this Agreement except those which have previously been obtained or made.

(h) Information. Except in respect of information provided by a third party, all written information, as amended or supplemented from time to time, provided by the Transferor to the Issuer with respect to the Issuer in a Transfer Notice and a Monthly Report is true and correct in all material respects and does not omit any material fact.

(i) The Transfer. After the completion of the Transfer on the applicable Closing Date, the IESO will have no right, title or interest in the Investment Interest related to the Specified Portion of the Regulatory Asset as set forth in the applicable Transfer Notice, and the related Investment Interest shall not form part of the estate of the IESO in the event of an Insolvency Event in respect of the IESO.

(j) No Transfer. Except for Permitted Transfers, the IESO has not sold, transferred, assigned or otherwise conveyed any interest in the Regulatory Asset to any Person.

(k) Liens. IESO has not pledged or otherwise granted a Lien to any Person in the Regulatory Asset and to the IESO's knowledge (after due inquiry), there is no registered financing statement listing the IESO as debtor covering or extending to the Regulatory Asset.

(l) Tax Liens. The IESO (i) is not aware, after due inquiry, of any judgment or tax lien filing against the IESO, and (ii) is not a non-resident of Canada for purposes of the *Income Tax Act* (Canada).

(m) Solvency. On the date hereof and after giving effect to each Transfer, the IESO:

(i) reasonably believes that it will be able to pay its debts as they come due; and

(ii) is able to pay its debts as they mature and does not intend to incur, or believes that it will not incur, indebtedness that it will not be able to repay at its maturity.

(n) No Court Order. There is no order by any court that seeks to enjoin the performance of any obligations of the IESO under the Act or this Agreement.

4.2 Survival

The representations and warranties set forth in Section 4.1 shall survive the execution and delivery of this Agreement, each Transfer of a Specified Portion of a Regulatory Asset to the Issuer and the pledge of the corresponding Investment Asset to the Indenture Trustee pursuant to the Indenture and may not be waived by any party hereto except pursuant to a written agreement executed in accordance with Section 8.1 and as to which the Rating Agency Condition has been satisfied.

ARTICLE 5
COVENANTS OF THE IESO

5.1 Existence

So long as any Issuer Funding Obligations are outstanding, the IESO (a) shall not take any action to impair its corporate existence, and (b) will obtain and preserve its qualification to do business in the Province of Ontario.

5.2 No Transfer or Liens

Except for Transfers under this Agreement to the Issuer or Permitted Transfers, the IESO will not Transfer the Regulatory Asset or any portion thereof to any person. The IESO will not grant, create, incur, assume or suffer to exist any Lien on the Regulatory Asset or any portion thereof. The IESO will not at any time assert any Lien against or with respect to the Issuer Investment Interest, except for any Lien granted by the Issuer to the IESO.

5.3 Notice of Liens

The IESO shall notify the Issuer promptly after becoming aware of any Lien on any portion of the Regulatory Asset.

5.4 Compliance with Law

The IESO will comply with all Requirements of Law applicable to, and binding upon, the IESO or relating to the Regulatory Asset, except to the extent that failure to so comply would not materially adversely affect the Transfer of Specified Portions of the Regulatory Asset or the IESO's performance of its obligations under this Agreement; provided, however, that the foregoing is not intended to, and shall not, impose any liability on the IESO for non-compliance with any Requirement of Law that the IESO is contesting in good faith in accordance with its customary standards and procedures.

5.5 Covenants Related to the Investment Interest

(a) So long as any Issuer Funding Obligations are outstanding, the IESO shall treat the Issuer Investment Interest as the Issuer's property for all purposes.

(b) Except for investments held for employee benefit purposes, the IESO shall not at any time become a holder of Issuer Funding Obligations.

(c) The IESO shall disclose the effects of all transactions between the IESO and the Issuer in accordance with generally accepted accounting principles (for government entities).

(d) (i) In all Proceedings relating directly or indirectly to the Issuer Investment Interest, the IESO shall affirmatively certify and confirm that it has Transferred all of its rights and interests in and to the Specified Portions of the Regulatory Asset giving rise to the Issuer Investment Interest, (ii) the IESO shall not make any statement or reference in respect of the Issuer Investment Interest that is inconsistent with the ownership interest of the Issuer, and (iii) the IESO shall not take any action in respect of the Issuer Investment Interest except solely in its capacity as the Servicer thereof pursuant to this Agreement.

5.6 Non-petition Covenants

Notwithstanding any prior termination of this Agreement or the Indenture, the IESO shall not, prior to the date that is one year plus one day after termination of the Indenture and the payment in full of all Issuer Funding Obligations and any other amounts owed under the Indenture, petition or otherwise invoke the process of any Governmental Authority for the purpose of commencing or sustaining a Proceeding against the Issuer under any Canadian bankruptcy, insolvency or similar law, appointing a receiver, liquidator, assignee, trustee, custodian, sequestrator or other similar official or any substantial part of the property of the Issuer.

5.7 Disclosure

The IESO shall provide such non-confidential information regarding IESO, the Regulatory Asset and the services provided by the Servicer hereunder (collectively, the "**IESO Disclosure**") as may be reasonably requested by the Issuer for inclusion in any offering document of the Issuer from time to time, including but not limited to offering memoranda, prospectuses, registration statements and continuous disclosure documents (the "**Offering Documents**"), provided that the IESO has been given a reasonable opportunity by the Issuer to review any such Offering Documents. The IESO represents that, except in respect information provided by a third party, all IESO Disclosure, as at the respective dates of delivery to the Issuer, is true and correct in all material respects and contains no misrepresentation.

5.8 Further Assurances

Upon the request of the Issuer, the IESO shall execute and deliver such further instruments and do such further acts as may reasonably be necessary to carry out the provisions and purposes of this Agreement.

5.9 Access to Certain Records and Information

The IESO shall provide to the Issuer access to all records relating to the IESO Deferral, the Fair Hydro Variance Account, the IESO Segregated Account and Servicer CEA Receipts, as is reasonably required for the Issuer to confirm compliance by the IESO with its obligations under this Agreement. Access shall be afforded without charge, but only upon reasonable request and during normal business hours at the offices of the IESO. Nothing in this Section 5.9 shall affect the obligation of the IESO to comply with any Requirement of Law prohibiting disclosure of information, and the failure of the IESO to provide access to such information as a result of such obligation shall not constitute a breach of this Section 5.9.

5.10 Maintenance of Operations

Subject to Section 3.11, the IESO agrees to continue, unless prevented by circumstances beyond its control, to operate as the electricity system operator in the Province of Ontario so long as it is acting as the Servicer under this Agreement.

ARTICLE 6
IESO INDEMNITIES

6.1 Liability of the IESO; Indemnities

(a) The IESO shall indemnify the Issuer and each of its trustees, officers, directors and employees (each, an "**Indemnified Party**"), for, and defend and hold harmless each such Person from and against, any and all liabilities, obligations, losses, damages, payments and claims, and reasonable costs or expenses, of any kind whatsoever (collectively, "**Indemnified Losses**") imposed on, incurred by or asserted against such Person, as a result of (i) the failure of the IESO to perform its covenants and other obligations under this Agreement or any other Program Agreement to which the IESO is a party; or (ii) the breach by the IESO of any of its representations or warranties under this Agreement or any other Program Agreement to which the IESO is a party and, except to the extent of Indemnified Losses resulting from the willful misconduct, bad faith or gross negligence of such Person seeking indemnification hereunder; provided that, in each case, the IESO shall not be required to indemnify an Indemnified Party for any amount paid or payable by such Indemnified Party in the settlement of any Proceeding or investigation without the written consent of the IESO, which consent shall not be unreasonably withheld. Promptly after receipt by an Indemnified Party of notice of the commencement of any Proceeding or investigation, such Indemnified Party shall, if a claim in respect thereof is to be made against the IESO under this Section 6.1(a), notify the IESO in writing of the commencement thereof. Failure

by an Indemnified Party to so notify the IESO shall relieve the IESO from the obligation to indemnify and hold harmless such Indemnified Party under this Section 6.1(a) only to the extent that the IESO suffers actual prejudice as a result of such failure. With respect to any Proceeding or investigation brought by a third party for which indemnification may be sought under this Section 6.1(a), the IESO shall be entitled to conduct and control, at its expense and with counsel of its choosing that is reasonably satisfactory to such Indemnified Party, the defence of any such Proceeding or investigation (in which case the IESO shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the Indemnified Party except as set forth below); provided, that the Indemnified Party shall have the right to participate in such Proceeding or investigation through counsel chosen by it and at its own expense. Notwithstanding the IESO's election to assume the defence of any Proceeding or investigation, the Indemnified Party shall have the right to employ separate counsel, and the IESO shall bear the reasonable fees, costs and expenses of such separate counsel, if (i) the defendants in any such action include both the Indemnified Party and the IESO and the Indemnified Party shall have reasonably concluded that there may be legal defences available to it that are different from or additional to those available to the IESO, (ii) the IESO shall not have employed counsel reasonably satisfactory to the Indemnified Party to represent the Indemnified Party within a reasonable time after notice of the institution of such action, or (iii) the IESO authorizes the Indemnified Party to employ separate counsel at the expense of the IESO. Notwithstanding the foregoing, the IESO shall not be obligated to pay for the fees, costs and expenses of more than one separate counsel for the Indemnified Parties other than one local counsel, if appropriate. The IESO will not, without the prior written consent of the Indemnified Party, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim or Proceeding in respect of which indemnification may be sought under this Section 6.1(a) (whether or not the Indemnified Party is an actual or potential party to such claim or action) unless such settlement, compromise or consent includes an unconditional release of the Indemnified Party from all liability arising out of such claim or Proceeding.

(b) For purposes of Section 6.1(a), in the event of the termination of the rights and obligations of the IESO (or any successor thereto pursuant to Section 3.11) as Servicer pursuant to Section 7.1, or a resignation by such Servicer pursuant to Section ~~3.10~~**3.12** of this Agreement, the IESO shall be deemed to be the Servicer pending appointment of a Successor Servicer pursuant to Section 7.2.

(c) Indemnification under Section 6.1(a) shall include reasonable out-of-pocket fees and expenses of investigation and litigation (including reasonable legal fees and expenses), except as otherwise expressly provided in this Agreement.

(d) Indemnification under this Section 6.1 shall survive any repeal of, modification of, or supplement to, or judicial invalidation of, the Act and shall survive the termination of this Agreement and will rank *pari passu* with other general, unsecured obligations of the IESO.

(e) The IESO shall not be required to indemnify any party under this Section 6.1 for any losses resulting from changes in law after the date hereof, whether such changes in law are effected by means of any legislative enactment or any final and non-appealable judicial decision.

ARTICLE 7
SERVICER DEFAULT

7.1 Servicer Default

If any one or more of the following events (each, a "**Servicer Default**") shall occur and be continuing:

(a) any failure by the Servicer to remit to the Collection Account any required remittance that shall continue unremedied for a period of **[two/three]** Business Days after written notice of such failure is received by the Servicer from the Issuer or after discovery of such failure by a Responsible Officer of the Servicer;

(b) any failure on the part of the Servicer or, so long as the Servicer is the IESO, any failure on the part of the IESO, as the case may be, duly to observe or to perform in any respect any covenants or agreements of the Servicer or the IESO, as the case may be, set forth in this Agreement or in any other Program Agreement to which it is a party (other than as provided in Section 7.1(a)), which failure shall (i) materially and adversely affect the rights of the Specified Creditors and (ii) continue unremedied for a period of 30 days after the date on which (A) written notice of such failure, requiring the same to be remedied, shall have been given to the Servicer or the IESO, as the case may be, by the Issuer or (B) such failure is discovered by a Responsible Officer of the Servicer;

(c) any representation or warranty made by the Servicer in this Agreement, any other Program Agreement to which it is a party, any Transfer Notice or any Monthly Report shall prove to have been incorrect when made, which has a material adverse effect on the Issuer and which remains unremedied for a period of 30 days after the date on which (i) written notice thereof, requiring the same to be remedied, shall have been delivered to the Servicer by the Issuer or (ii) such failure is discovered by a Responsible Officer of the Servicer;

(d) an Insolvency Event occurs with respect to the Servicer or the IESO; or

(e) any additional "Servicer Default" as specified in any Co-Owner Agreement occurs;

then, and in each and every case, the Issuer may, subject to the terms of any Co-Owner Agreement, by notice then given in writing to the Servicer (a "**Termination Notice**"), terminate all the rights and obligations (other than the obligations set forth in Section 6.1 and the obligation under Section 7.2 to continue performing its functions as Servicer until a Successor Servicer is appointed) of the Servicer under this Agreement and under the Co-Owner Agreement. In addition, upon a Servicer Default described in Section 7.1(a), Issuer shall be entitled to apply to a court of appropriate jurisdiction for an order for sequestration and payment of revenues arising with respect to the Issuer. On or after the receipt by the Servicer of a Termination Notice, all authority and power of the Servicer under this Agreement, whether with respect to the Investment Interest, the Clean Energy Adjustments or otherwise, shall, without further action, pass to and be vested in such Successor Servicer as may be appointed under Section 7.2; and, without limitation, the Issuer is hereby authorized and empowered to execute and deliver, on behalf of the predecessor Servicer, as attorney-in-fact or otherwise, any and all documents and other instruments, and to do or accomplish all other acts or things necessary or appropriate to effect the purposes of such Termination Notice, whether to complete the transfer of all documents and records related to the Regulatory Asset, the Fair Hydro Variance Account and related documents or records, or otherwise (the "**Records**"). The predecessor Servicer shall cooperate with the Successor Servicer and the Issuer in effecting the termination of the responsibilities and rights of the predecessor Servicer under this Agreement, including the transfer to the Successor Servicer for administration by it of all Records and all cash amounts that shall at the time be held by the predecessor Servicer for remittance, or shall thereafter be received by it with respect to the Investment Interest or the Clean Energy Adjustment. As soon as practicable after receipt by the Servicer of such Termination Notice, the Servicer shall deliver the Records to the Successor Servicer. If a Successor Servicer has been appointed as a result of a Servicer Default, all reasonable costs and expenses (including reasonable legal fees and expenses) incurred in connection with transferring the Records to the Successor Servicer and amending this Agreement and any Co-Owner Agreement to reflect such succession as Servicer pursuant to this Section 7.1 shall be paid by the predecessor Servicer upon presentation of reasonable documentation of such costs and expenses. Termination of the IESO as Servicer shall not terminate the IESO's rights or obligations under this Agreement (except rights thereunder deriving from its rights as the Servicer hereunder).

7.2 Appointment of Successor Servicer

(a) Upon the Servicer's receipt of a Termination Notice pursuant to Section 7.1 or the Servicer's resignation or removal in accordance with the terms of this Agreement, the predecessor Servicer shall continue to perform its functions as Servicer under this Agreement, until a Successor Servicer shall have assumed in writing the obligations of the Servicer hereunder as described below. In the event of the Servicer's removal or resignation hereunder, the Issuer may, but subject to the provisions of the applicable Co-Owner Agreement, appoint a Successor Servicer and the Successor Servicer shall accept its appointment by a written assumption in form reasonably acceptable to the Issuer. If, within 30 days after the delivery of the Termination Notice, a Successor Servicer shall not have been appointed, the

Issuer may petition a court of competent jurisdiction to appoint a Successor Servicer under this Agreement. A Person shall qualify as a Successor Servicer only if (i) such Person is permitted under the Act to perform the duties of the Servicer, (ii) the Rating Agency Condition shall have been satisfied with respect to such appointment, (iii) such Person enters into a master transfer and servicing agreement with the Issuer having substantially the same provisions as this Agreement and (iv) such Person agrees to perform the obligations of the Servicer under any Co-Owner Agreement. In no event shall the Issuer be liable for its appointment of a Successor Servicer..

(b) Upon appointment, the Successor Servicer shall be the successor in all respects to the predecessor Servicer and shall be subject to all the responsibilities, duties and liabilities arising thereafter placed on the predecessor Servicer and shall be entitled to all the rights granted to the predecessor Servicer by the terms and provisions of this Agreement.

7.3 Waiver of Past Defaults

The Issuer may waive in writing any default by the Servicer in the performance of its obligations hereunder and its consequences. Upon any such waiver of a past default, such default shall cease to exist, and any Servicer Default arising therefrom shall be deemed to have been remedied for every purpose of this Agreement. No such waiver shall extend to any subsequent or other default or impair any right consequent thereto.

7.4 Notice of Servicer Default

The Servicer shall deliver to the Issuer, promptly after having obtained knowledge thereof, but in no event later than five Business Days thereafter, written notice of any event that, with the giving of notice or lapse of time, or both, would become a Servicer Default under Section 7.1.

7.5 Cooperation with Successor Servicer

The Servicer covenants and agrees with the Issuer that it will, on an ongoing basis, cooperate with the Successor Servicer and provide whatever information is, and take whatever actions are, reasonably necessary to assist the Successor Servicer in performing its obligations hereunder.

ARTICLE 8
MISCELLANEOUS

8.1 Amendment

This Agreement may be amended in writing by the IESO and the Issuer, and with satisfaction of the Rating Agency Condition, such satisfaction to be confirmed by the Issuer at

the time of such amendment. Promptly after the execution of any such amendment, the Issuer shall furnish copies of such amendment to each of the Rating Agencies.

8.2 Withholding Rights

The parties shall be entitled to deduct and withhold from amounts payable under this Agreement such amounts as each is required to deduct and withhold with respect to such payment under the *Income Tax Act* (Canada) or any provision of any applicable federal, provincial, territorial, state, local or foreign tax law. 8.3 No Partnership

Each party expressly disclaims any intention to create a partnership, and none of the Issuer or the IESO will be deemed to be carrying on business in partnership by reason of its execution and delivery of this Agreement or the exercise or performance by it of its respective rights and obligations hereunder.

8.5 Assignment

Notwithstanding anything to the contrary contained herein, except as provided in the provisions of this Agreement concerning the resignation of the Servicer, this Agreement may not be assigned by the IESO.

8.6 Limitations on Rights of Third Parties

The provisions of this Agreement are solely for the benefit of the IESO and the Issuer, and such Persons shall have the right to enforce the relevant provisions of this Agreement. Nothing in this Agreement, whether express or implied, shall be construed to give to any other Person any legal or equitable right, remedy or claim in the Issuer Investment Interest or under or in respect of this Agreement or any covenants, conditions or provisions contained herein.

8.7 Severability

Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remainder of such provision (if any) or the remaining provisions hereof (unless such construction shall be unreasonable), and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

8.8 Separate Counterparts; Electronic Delivery

This Agreement may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute but one and the same instrument. Delivery of an executed signature page to this Agreement by a party by electronic transmission will be as effective as delivery of a manually executed copy of this Agreement by such party.

8.9 Governing Law

This Agreement shall be construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein, and each party to this Agreement attorns to the non-exclusive jurisdiction of the courts of the Province of Ontario.

8.10 Grant of Security Interest to Indenture Trustee

The IESO hereby acknowledges and consents to the grant of a Lien by the Issuer to the Indenture Trustee pursuant to the Indenture for the benefit of the Specified Creditors against all right, title and interest of the Issuer in, to and under this Agreement, the Investment Interest and the proceeds thereof and the assignment of any or all of the Issuer's rights hereunder to the Indenture Trustee for the benefit of the Specified Creditors.

8.11 Limitation of Liability of the Issuer Trustee

(a) It is expressly understood and agreed by the parties hereto that the Issuer Trustee is acting solely in its capacity as trustee of the Issuer, and not in any other capacity. The Issuer solely shall be responsible for the performance of the Issuer's obligations hereunder and the assets of the Issuer solely shall be subject to levy or execution in satisfaction of such obligations.

(b) The Issuer Trustee will not be subject to any liability whatsoever, in tort, in contract or otherwise, in connection with the Issuer's property or the Issuer's activities, to the Issuer's beneficiaries or to any other Person, for any action taken or permitted by the Issuer Trustee to be taken, or the Issuer Trustee's failure to compel in any way any former or acting Issuer Trustee to redress any breach of trust with respect to the execution of the duties of its office or in respect of the Issuer's property or the Issuer's activities, provided that the foregoing limitation will not apply in respect of action or failure to act arising from or in connection with dishonesty, bad faith, willful misconduct, gross negligence or reckless disregard of a duty by the Issuer Trustee. The Issuer Trustee, in doing anything or permitting anything to be done in respect of the execution of the duties of its office or in respect of the Issuer's property or the Issuer's activities, is, and will be conclusively deemed to be, acting as trustee of the Issuer and not in any other capacity. Except as to the extent provided in this Section 8.11, the Issuer Trustee will not be subject to any liability for any debts, liabilities, obligations, claims, demands, judgments, costs, charges or expenses against or with respect to the

Issuer, arising out of anything done or permitted by it to be done or its failure to take any action in respect of the execution of the duties of its office or for or in respect of the Issuer's property or the Issuer's activities and resort will be had solely to the Issuer's property for the payment or performance thereof. No property or assets of the Issuer Trustee owned in its personal capacity will be subject to levy, execution or other enforcement procedure with regard to any obligation under this Agreement.

The Indenture Trustee shall retain the right not to act and shall not be liable for refusing to act if, due to a lack of information or for any other reason whatsoever, the Indenture Trustee, in its sole judgment, acting reasonably, determines that such act may cause it to be in non-compliance with any applicable anti-money laundering, anti-terrorism or economic sanction legislation, regulation or guideline. Further, should the Indenture Trustee, in its sole judgment, acting reasonably, determine at any time that its acting under this Supplemental Indenture has resulted in non-compliance with any applicable anti-money laundering, anti-terrorism or economic sanction legislation, regulation or guideline, then it shall have the right to resign pursuant to the terms of Section ● of the Trust Indenture, provided that (i) the Indenture Trustee's written notice of resignation shall describe the circumstances of such non-compliance; and (ii) if such circumstances are rectified to the Indenture Trustee's satisfaction within 15 Business Days of the receipt of such notice of resignation, then such notice shall not be effective.

Each Funding Agent shall remit the amounts received by it from its CP Conduit Purchaser or the related Group Bank pursuant to this Section 3.3(d) to the Issuer for application in accordance with Section 3.3(h). Subject to Section 3.3(e), so long as the conditions set forth in Sections 3.3(a) and (c) and Article 4 are satisfied, each Non-Conduit Purchaser shall pay in immediately available funds the Commitment Percentage of such Non-Conduit Purchaser of the amount of the Series 2017-1 Initial Principal Amount or Increase Amount, as applicable, on the Closing Date or the Increase Date, as applicable, to the Issuer for application in accordance with Section 3.3(h).

(e) Notwithstanding any of the foregoing, any Group Bank or Non-Conduit Purchaser who shall have previously notified the Issuer in writing that it or any related Program Support Provider may, in the absence of the Group Bank or Non-Conduit Purchaser having the ability to deliver Delayed Funding Notices hereunder, incur charges under, or in anticipation of, Basel III (which may include external charges incurred by the Group Bank, Non-Conduit Purchaser or Program Support Provider or internal charges incurred by any of their businesses) in respect of its Commitment hereunder or any agreement to support such Commitment, or in respect of its interest in the Series 2017-1 Senior Notes, based on its "liquidity coverage ratio" calculated under Basel III, may, upon receipt of any Deferrable Increase Notice pursuant to Section 3.3(a), notify the Issuer in writing (a "**Delayed Funding Notice**") on or prior to **[12:00 noon]** (Toronto time) on the second Business Day preceding the related Increase Date, of its intent to fund an amount up to its Commitment Percentage of the related Increase Amount (such amount, subject to any adjustment described below, the "**Delayed Amount**") on a Business Day that is on or before the thirty-third (33rd) day following the Increase Date specified in such Deferrable Increase Notice (the "**Delayed Funding Date**") rather than on such Increase Date. If any Group Bank or Non-Conduit Purchaser provides a Delayed Funding Notice to the Issuer following the Issuer's delivery of an Increase Notice pursuant to Section 3.3(a), the Issuer may with written notice to the Administrative Agent delivered prior to 3:00 pm on the second Business Day preceding such Increase Date, (x) decrease the Increase Amount with respect to such Deferrable Increase Notice (or revoke such Deferrable Increase Notice by decreasing the Increase Amount to zero), and/or (y) require any Group Bank or Non-Conduit Purchaser who has provided a Delayed Funding Notice to reduce the Delayed Amount with respect to such Increase by an amount no greater than the Non-Deferrable Draw Amount with respect to such Purchaser Group as of the related Increase Date. In the event that the Increase Amount with respect to such Deferrable Increase Notice is reduced, but not to zero, then any Delayed Amount with respect to any Purchaser Group shall be reduced on a pro rata basis unless otherwise specified by the Issuer

pursuant to clause (y) above. No Purchaser Group that has provided a Delayed Funding Notice in respect of an Increase (each a "**Delayed Funding Purchaser Group**") shall be considered to be in default of its obligation to fund its Delayed Amount pursuant to this Section 3.3 unless and until it has failed to fund the Delayed Amount (and/or the Delayed Funding Reimbursement Amount with respect to such Delayed Amount) on or before the Delayed Funding Date. ~~[NTD: the definition of "Non-Deferrable Draw Amount" includes a percentage (currently [10]%) that represents the amount that cannot be deferred by the dealers. OPG should make a proposal as to this percentage.]~~

(f) If (i) one or more Delayed Funding Purchaser Groups provides a Delayed Funding Notice to the Issuer in respect of any Increase Date; and (ii) the Issuer shall not have decreased the related Increase Amount to zero or required each such Delayed Funding Purchaser Group to reduce the Delayed Amount with respect to such Increase to zero, in each case, pursuant to Section 3.3(e), the Administrative Agent shall, by no later than **[12:00 noon]** (Toronto time) on the Business Day preceding such Increase Date, direct each Purchaser Group that is not a Delayed Funding Purchaser Group with respect to such Increase Date (each a "**Non-Delayed Funding Purchaser Group**") to fund an additional portion of such Increase Amount on such Increase Date equal to such Non-Delayed Funding Purchaser Group's proportionate share (based upon the Maximum Purchaser Group Principal Amount with respect to such Non-Delayed Funding Purchaser Group relative to the sum of the Maximum Purchaser Group Principal Amounts with respect to all Non-Delayed Funding Purchaser Groups) of the aggregate Delayed Amounts with respect to such Increase Date; provided that no Non-Delayed Funding Purchaser Group shall be required to fund any portion of the aggregate Delayed Amounts that would cause its Purchaser Group Principal Amount to exceed its Maximum Purchaser Group Principal Amount. Subject to Section 3.3(a), in the case of a Non-Delayed Funding Purchaser Group that is a Non-Conduit Purchaser, such Non-Conduit Purchaser hereby agrees, or, in the case of a Non-Delayed Funding Purchaser Group that is a CP Conduit Purchaser Group, the CP Conduit in such CP Conduit Purchaser Group may agree, in its sole discretion, and the Group Bank in such CP Conduit Purchaser Group hereby agrees, to fund such portion of the Increase Amount on such Increase Date.

(g) After the Non-Delayed Funding Purchaser Groups fund a Delayed Amount on any Increase Date in accordance with Section 3.3(f), the Delayed Funding Purchaser Group in respect of such Delayed Amount will be obligated to fund the Delayed Funding Reimbursement Amount with respect to such Delayed Amount on or before its Delayed Funding Date, irrespective of whether the Scheduled Commitment Expiry Date shall have occurred on or prior to such Delayed Funding Date or the Issuer would be able to satisfy the conditions set forth in Section 3.3(c) to an Increase in an amount equal to such Delayed Funding Reimbursement Amount on such Delayed Funding Date. Such Delayed Funding Purchaser Group shall fund such Delayed Funding Reimbursement Amount on such Delayed Funding Date by paying such amount to the Administrative Agent in immediately available funds, and the Administrative Agent shall distribute such funds to each such Non-Delayed Funding Purchaser Group, *pro rata* based on the relative amount of such Delayed Amount funded by such Non-Delayed Funding Purchaser Group on such Increase Date pursuant to Section 3.3(f).

(h) The Issuer shall apply amounts paid to it pursuant to Sections 3.3(d) and 3.3(f) in the following order of priority:

(i) As to an amount equal to ●% of the amounts paid to pursuant to Sections 3.3(d) and 3.3(f), by deposit to the Program Cash Reserve Account; **[NTD: OPG would like to understand what this account is needed for]** and

(ii) as to the balance, in respect of the proceeds of the initial purchase of the Series 2017-1 Notes or a Transfer Increase, by application to payment of the purchase price payable by the Issuer to the IESO under the Master Transfer and Servicing Agreement in respect of the related Transfer and, in respect of the proceeds of a Refinancing Increase, by deposit to the Refinancing Account.

3.4 Procedure for Decreasing the Series 2017-1 Principal Amount; Optional Termination

(a) In the case of a Non-Conduit Purchaser Group, the Related Non-Conduit Purchaser hereby agrees, and in the case of a CP Conduit Purchaser Group, each of the CP Conduit Purchasers and the Group Bank in such CP Conduit Purchaser Group hereby agrees, that the Purchaser Group Principal Amount with respect to such Purchaser Group may be decreased on any Payment Date by such Purchaser Group's Commitment Percentage of a Decrease Amount (a "**Decrease**"), upon the request of the Issuer. Each Payment Date on which a Decrease in the Series 2017-1 Principal Amount occurs hereunder being herein referred to as the "**Decrease Date**" applicable to such Decrease; provided, however, that the Issuer shall have given the Administrative Agent (with a copy to the Indenture Trustee) irrevocable written notice (effective upon receipt), by email communication, substantially in the form of Schedule D (a "**Decrease Notice**") no later than **[3:00 p.m.]** (Toronto time) on the second Business Day prior to any Payment Date that is a Decrease Date. Each Decrease Notice shall state (x) the Decrease Date, and (y) the proposed amount of the decrease in the Series 2017-1 Principal Amount (a "**Decrease Amount**").

(b) Upon each Decrease, the Administrative Agent shall indicate in its records such Decrease and the Purchaser Group Principal Amount outstanding with respect to each Purchaser Group after giving effect to such Decrease. Upon receipt of any notice required by Section 3.4(a) from the Issuer, the Administrative Agent shall forward (by email communication) a copy of such notice to each Non-Conduit Purchaser and the Funding Agent with respect to each CP Conduit Purchaser Group, no later than **[1:00 p.m.]** (Toronto time) on the Business Day received.

(c) On any Business Day, the Issuer shall have the right to deliver an irrevocable written notice (an "**Optional Termination Notice**") to the Administrative Agent in which the Issuer declares that the Commitments shall terminate on the date (the "**Optional Termination Date**") set forth in such notice (which date, in any event, shall be a Payment Date not less than twenty (20) Business Days from the date on which such notice is delivered). Upon receipt of any Optional Termination Notice from the Issuer, the Administrative Agent shall promptly notify each Non-Conduit Purchaser and the Funding Agent with respect to each CP Conduit Purchaser Group thereof.

3.5 Increases and Reductions of the Commitments

(a) The Issuer may from time to time request that any Purchaser Group agree to increase its Maximum Purchaser Group Principal Amount. An increase in such amount shall be effective hereunder if such Purchaser Group shall have agreed in its sole discretion to such increase.

(b) On any Business Day, the Issuer may, upon two (2) Business Days' prior written notice to the Administrative Agent (effective upon receipt) (with copies to the Indenture Trustee) reduce the Series 2017-1 Maximum Principal Amount in an amount equal to $~~[~~10,000,000~~]~~ or a whole multiple of $~~[~~1,000,000~~]~~ in excess thereof; provided that no such termination or reduction shall be permitted if, after giving effect thereto and to any reduction in the Series 2017-1 Principal Amount on such date, the Purchaser Group Principal Amount with respect to any Purchaser Group would exceed the Maximum Purchaser Group Principal Amount with respect to such Purchaser Group then in effect. Any reduction in the Series 2017-1 Maximum Principal Amount shall be made on a pro rata basis to the Maximum Purchaser Group Principal Amounts with respect to the Purchaser Groups, based on the Maximum Purchaser Group Principal Amount with respect to each Purchaser Group. Once reduced, the Maximum Purchaser Group Principal Amounts may not be subsequently reinstated without each such Purchaser Group's prior written consent, which consent shall be granted or not in the sole discretion of such Purchaser Group.

(c) The Issuer may extend the Scheduled Commitment Expiry Date only with the prior written consent of the Administrative Agent, each Non-Conduit Purchaser and each Funding Agent.

3.6 Interest; Fees and Other Amounts

(a) Interest shall be payable on the Series 2017-1 Senior Notes on each Payment Date.

(b) The Issuer shall pay to each CP Conduit Purchaser Group and each Non-Conduit Purchaser, on each Payment Date, a commitment fee with respect to the preceding Billing Period (the "**Commitment Fee**") during the period from the Closing Date to and including the Commitment Expiry Date in an amount equal to the sum of the following amounts calculated for each day during such Billing Period: (x) the Commitment Fee Rate, multiplied by (y) the amount by which Maximum Purchaser Group Principal Amount with respect to such Purchaser Group on such day exceeds the Purchaser Group Principal Amount with respect to such Purchaser Group on such day, and divided by (z) 365. The Commitment Fees shall be payable monthly in arrears on each Payment Date.

(c) The Funding Agent with respect to each CP Conduit Purchaser Group and each Non-Conduit Purchaser shall provide written notice to the Issuer and the Paying Agent no later than two (2) Business Days prior to each Payment Date, setting forth the Group Monthly Interest and the Group Monthly Fees and Other Amounts with respect to its Related Purchaser Group with respect to the Payment Date.

(d) The Monthly Interest shall be included in each calculation of the Interest Accrual Amount (Senior) for the purposes of Section 7.04(e)(iii) of the Trust Indenture and shall be payable pursuant to Sections 7.05(a), 7.08(a)(i) or 8.13(c) of the Trust Indenture, as applicable. On each Payment Date, the Monthly Fees and Other Amounts shall be payable in respect of the Series 2017-1 Notes pursuant to Sections 7.04(e)(iii) or 8.13(c) of the Trust Indenture, as applicable. On each Payment Date the Paying Agent shall, subject to availability of funds, pay to each CP Conduit Purchaser Group and each Non-Conduit Purchaser its Group Monthly Interest and its Group Monthly Fees and Other Amounts with respect to the Payment Date; provided that if the amounts available to pay such Group Monthly Interest and Group Monthly Fees and Other Amounts are insufficient, the amounts available shall be paid *pro rata* based on the amounts owing to each Purchaser Group.

3.7 Accumulation and Repayment of Principal

(a) For the purposes of the Trust Indenture and the Series 2017-1 Notes:

(i) for each Payment Date before the Principal Accumulation Date, the Principal Accumulation Amount shall be the Principal Payment Amount for such Payment Date; and

(ii) for each Payment Date on or after the Principal Accumulation Date, the Principal Accumulation Amount shall be the greater of (x) the Principal Payment Amount for such Payment Date, and (y) the Principal Accumulation Amount, for such Payment Date.

(b) Each Payment Date where the Principal Payment Amount is not nil shall be a Principal Payment Date in respect of the Series 2017-1 Notes. On each Principal Payment Date in respect of the Series 2017-1 Notes, the Paying Agent shall pay to each Non-Conduit Purchaser and each Funding Agent with respect to its Related Purchaser Group, such Purchaser Group's Pro Rata Share of the Principal Payment Amount for such Principal Payment Date out of funds allocated to the Series 2017-1 Senior Notes pursuant to Sections **7.04(e)(iv)(A), 7.06(a) or 8.13(d)** of the Trust Indenture, as applicable, in repayment of the principal amount of the Series 2017-1 Notes.

3.8 Indemnification by the Issuer

The Issuer agrees to indemnify and hold harmless the Indenture Trustee, the Administrative Agent, each Funding Agent, each CP Conduit Purchaser, the Group Bank, each Non-Conduit Purchaser and each of their respective officers, directors, agents and employees (each, an "**Issuer indemnified person**") from and against any loss, liability, expense, damage or injury suffered or sustained by such Issuer indemnified person by reason of (a) any acts, omissions or alleged acts or omissions arising out of, or relating to, activities of the Issuer pursuant to the Program Agreements to which it is a party; (b) a breach of any representation or warranty made or deemed made by the Issuer (or any of its officers) in any Program Agreement; or (c) a failure by the Issuer to comply with any applicable law or regulation or to perform its covenants, agreements, duties or obligations required to be performed or observed by it in accordance with the provisions of the Program Agreements, including, but not limited to, any judgment, award, settlement, reasonable attorneys' fees and other reasonable costs or expenses incurred in connection with the defense of any actual or threatened action, proceeding or claim, except to the extent such loss, liability, expense, damage or injury resulted from the gross negligence, bad faith or willful misconduct of such Issuer indemnified person or its officers, directors, agents, principals, employees or employers as determined by a court of competent jurisdiction in a final non-appealable judgement or includes any Excluded Taxes; provided that any payments made by the Issuer pursuant to this Section 3.8 shall be made solely from funds available pursuant to Section **[7.04] or [8.13]** of the Trust Indenture, as applicable, shall be non-recourse other than with respect to such funds, and shall not constitute a claim against the Issuer to the extent that such funds are insufficient to make such payment.

3.9 Funding Agents

(a) The Funding Agent with respect to each CP Conduit Purchaser Group is hereby authorized to determine the Group Monthly Interest and Group Monthly Fees and Other

Amounts with respect to each Payment Date and such CP Conduit Purchaser Group. Any such determination by a Funding Agent, absent manifest error, shall constitute prima facie evidence of the accuracy of the calculation. Furthermore, the Funding Agent with respect to each CP Conduit Purchaser Group will maintain records sufficient to identify the percentage interest of the related CP Conduit Purchaser and the Group Bank with respect to such CP Conduit Purchaser Group holding an interest in the Series 2017-1 Senior Note registered in the name of such Funding Agent and any amounts owing thereunder.

(b) Upon receipt of funds on each Payment Date, each Funding Agent shall pay such funds to the related CP Conduit Purchaser and/or the related Group Bank owed such funds. If a Funding Agent shall have paid to any CP Conduit Purchaser or Group Bank any funds that (i) must be returned for any reason (including bankruptcy); or (ii) exceeds that which such CP Conduit Purchaser or Group Bank was entitled to receive, such amount shall be promptly repaid to such Funding Agent by such CP Conduit Purchaser or Group Bank.

3.10 Taxes

(a) All payments by or on account of any obligation of the Issuer hereunder shall, to the extent allowed by law, be made free and clear of, and without deduction or withholding for or on account of Taxes, excluding (i) income taxes (including branch profit taxes, minimum taxes and taxes computed under alternative methods, at least one of which is based on or measured by net income), franchise taxes (imposed in lieu of income taxes), or any other Taxes based on or measured by the net income of any person legally entitled to receive such payments (each a "**Recipient**") as a result of a present or former connection between the Recipient and the jurisdiction of the Governmental Authority imposing such Taxes (other than any such connection arising solely from the Recipient having executed, delivered or performed its obligations or received a payment under, disposed of, or enforced, this Supplemental Indenture); (ii) any withholding or deduction imposed pursuant to (A) Sections 1471 to 1474 of the U.S. Internal Revenue Code of 1986, as amended ("**FATCA**"), or any successor version thereof, or any similar legislation imposed by any other Governmental Authority, or (B) any treaty, law or regulation or other official guidance enacted by Canada implementing FATCA or any intergovernmental agreement with respect to FATCA or any similar legislation imposed by any other Governmental Authority, including, for greater certainty, the Canada-United States Enhanced Tax Information Exchange Agreement Implementation Act (Canada) and Parts XVIII and XIX of the Income Tax Act (Canada), as amended (collectively, and including FATCA, the "**AEOI Legislation**"); and (iii) any interest, penalties and additions to Taxes in respect of (i) and (ii) (all such excluded Taxes being hereinafter called "**Excluded Taxes**"). If any Taxes, other than Excluded Taxes, are required to be withheld from any amounts payable to a Recipient hereunder, the amounts so payable to the Recipient shall be increased, and the Recipient shall be entitled to be paid by the Issuer the amount of such increase to the extent necessary to yield to the Recipient (after payment of all such Taxes other than Excluded Taxes) interest or any such other amounts payable hereunder or thereunder at the rates or in the amounts specified hereunder. Where the amount payable by the Issuer is increased in accordance with the previous sentence, the Group Monthly Interest shall be increased by the amount of such increase. Whenever any Taxes are payable on or with respect to amounts distributed to a Recipient, as promptly as possible thereafter the Issuer shall send to such Recipient a certified copy of an original official receipt showing payment thereof.

(b) If a payment by or on account of any obligation of the Issuer hereunder would be subject to withholding Taxes under any AEOI Legislation if the Recipient were to fail to comply with the applicable reporting requirements of any AEOI Legislation, such Recipient shall deliver to the Issuer at the time or times prescribed by law and at such time or times reasonably requested by the Issuer such documentation prescribed by applicable law and such additional documentation reasonably requested by the Issuer as may be necessary for the Issuer to comply with its obligations under any AEOI Legislation and to determine that such Recipient has complied with its obligations under any AEOI Legislation, or to determine the amount to deduct and withhold from such payment. If any form or certification it previously delivered by a Recipient expires or becomes obsolete or inaccurate in any respect, the Recipient shall update such form or certification or promptly notify the Issuer in writing of its legal inability to do so.

(c) If a Recipient is legally entitled to receive a refund of any Taxes (other than Excluded Taxes) as to which it has been indemnified or with respect to which additional amounts have been paid to it hereunder or it is legally entitled to receive a credit or deduction with respect to such Taxes or with respect to such additional amounts that have been paid hereunder (in each case pursuant to Section 3.10(a)), it shall use commercially reasonable efforts to obtain or claim such refund, credit or deduction and pay over such refund or the value of such credit or deduction to the Issuer, together with any interest thereon.

3.11 Increased Costs

(a) (i) If any Regulatory Change (x) subjects any Affected Party to any charge or withholding on or with respect to any Support Facility or this Supplemental Indenture or an Affected Person's obligations under a Support Facility or this Supplemental Indenture, or changes the basis of taxation of payments to any Affected Person of any amounts payable under any Support Facility or this Supplemental Indenture Agreement (except for changes in the rate of tax on the overall net income of an Affected Person or Excluded Taxes) or (y) imposes, modifies or deems applicable any reserve, assessment, fee, tax, insurance charge, special deposit or similar requirement against assets of, deposits with or for the account of, or liabilities of an Affected Person, or credit extended by an Affected Person pursuant to a Support Facility or this Supplemental Indenture or (z) imposes any other condition the result of which is to increase the cost to an Affected Person of performing its obligations under a Support Facility or this Supplemental Indenture, or to reduce the rate of return on an Affected Person's capital or assets as a consequence of its obligations under a Support Facility or this Supplemental Indenture, or to reduce the amount of any sum received or receivable by an Affected Person under a Support Facility or this Supplemental Indenture, or to require any payment calculated by reference to the amount of interests or loans held or interest received by it, then, upon written request by such Affected Party (through the Funding Agent for its Purchaser Group if the Affected Party is a Program Support Provider, CP Conduit Purchaser or Group Bank) of a written request therefore to the Issuer, such Affected Party (through the Funding Agent for its Purchaser Group if the Affected Party is a Program Support Provider, CP Conduit Purchaser or Group Bank) shall be entitled to be paid, such amounts charged to such Affected Party or such amounts to otherwise compensate such Affected for such increased cost or such reduction, no later than the Payment Date following receipt by the Issuer of such request for compensation under this Section 3.11(a)(i), if such request is received by the Issuer no later than five (5) Business Days prior to the end of the Interest Period related to such Payment Date, and otherwise on the following Payment Date.

(ii) The Issuer acknowledges that any Affected Party may implement, as an internal institutional matter, measures in anticipation of a final or proposed Regulatory Change (including, without limitation, the imposition of internal charges on such Affected Party's interest or obligations under any Support Agreement or this Supplemental Indenture) and may commence recognizing the incurrence of charges by seeking compensation under Section 3.11(a)(i) in connection with such measures, in advance of the effective date of such final or proposed Regulatory Change, and the Issuer agrees that such charges or compensation shall be payable, to the related Funding Agent, for the benefit of Affected Party, following demand therefor without regard to whether such proposed Regulatory Change has been adopted or whether such effective date has occurred; provided, that (I) the Affected Party shall provide thirty (30) days prior written notice to the Issuer of its intent to impose or incur any such charges or compensation, (II) an Affected Party shall not be compensated for any such amount pursuant to this subsection 3.11(a)(ii) relating to any period ending, and of which such Affected Party has had knowledge, more than ~~one year~~**ninety (90) days** prior to the date that such Affected Party provided the Issuer with the written notice contemplated by the preceding clause (I) of this subsection 3.11(a)(ii), (III) if, after the payment by the Trust of any charges or compensation pursuant to this subsection 3.11(a)(ii), either (A) the Issuer requests in writing that the applicable Affected Party re-compute any such charge or compensation in light of differences between a proposed Regulatory Change and the final effective version thereof or (B) the applicable Affected Party determines that the amount of the charge imposed on and required to be compensated by the Issuer exceeds the amount necessary to compensate it for the applicable Regulatory Change as contemplated by subsection 3.11(a)(i), then (x) the amount of such charge or compensation shall, from and after such determination, be reduced by the amount of such excess and (y) such Affected Party shall, within thirty (30) days of such determination, either repay the amount of such excess or credit the amount of such excess against future charges under this subsection 3.11(a)(ii). The Issuer further acknowledges that any charge or compensation demanded hereunder may take the form of a monthly charge to be assessed by such Affected Party.

(b) Each Affected Party claiming increased amounts described in subsection 3.11(a) of this Supplemental Indenture will furnish to the Issuer (together with its request for compensation) a certificate prepared in good faith setting forth the basis and the calculation of the amount (in reasonable detail) of each request by such Affected Party for any such increased amounts referred to in subsection 3.11(a) hereof. Any such certificate shall be conclusive absent manifest error. Failure on the part of any Affected Party to demand compensation for any amount pursuant to subsection 3.11(a) hereof with respect to any period shall not constitute a waiver of such Affected Party's right to demand compensation with respect to such period.

(b) The Issuer shall provide to the Administrative Agent, each Funding Agent and each Non-Conduit Purchaser (in multiple copies, if requested) such other information, documents, records or reports respecting the Issuer Investment Interest, the Issuer or the IESO which is in the possession or under the control of the Issuer or the Manager, as the Administrative Agent, a Funding Agent or a Non-Conduit Purchaser may from time to time reasonably request.

(c) The Issuer shall furnish to the Administrative Agent, each Funding Agent and each Non-Conduit Purchaser promptly after known to the Issuer or the Manager, information with respect to any action, suit or proceeding involving the Manager, the Issuer or the IESO or any of their respective Affiliates by or before any court or any Governmental Authority which, if adversely determined, would have an Adverse Effect.

(d) The Issuer will, at all times, cause the aggregate outstanding principal amount of Subordinated Funding Obligations and Junior Subordinated Funding Obligations to be not less than ~~[49]~~**twenty-five percent (25)**% of the aggregate outstanding principal amount of all Issuer Funding Obligations. **[NTD: OPG has discussed with Dealers.]**

ARTICLE 7
AGENTS

7.1 Administrative Agent

(a) Each of the Non-Conduit Purchasers, CP Conduit Purchasers, the Group Banks and the Funding Agents hereby irrevocably designates and appoints the Administrative Agent as the agent of such Person under this Supplemental Indenture and irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Supplemental Indenture and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Supplemental Indenture, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Supplemental Indenture, the Administrative Agent shall not have any duties or responsibilities except those expressly set forth herein, or any fiduciary relationship with any Non-Conduit Purchaser, any CP Conduit Purchaser, any Group Bank or any Funding Agent, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Supplemental Indenture or otherwise exist against the Administrative Agent.

(b) The Administrative Agent may execute any of its duties under this Supplemental Indenture by or through agents or attorneys in fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. The Administrative Agent shall not be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care.

(c) Neither the Administrative Agent nor any of its officers, directors, employees, agents, attorneys in fact or Affiliates shall be (i) liable for any action lawfully taken or omitted to be taken by it or such Person under or in connection with the Trust Indenture, this Supplemental Indenture or any other Program Agreement (except to the extent that any of the foregoing are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from its or such Person's own gross negligence or willful misconduct) or (ii) responsible in any manner to any of the Non-Conduit Purchasers, the CP Conduit Purchasers, the Group Banks or the Funding Agents for any recitals, statements, representations or warranties made by the Issuer, the IESO, the Manager or any officer thereof contained in this Supplemental Indenture or any other Program Agreement or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Supplemental Indenture or any other Program Agreement or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Supplemental Indenture, any other Program Agreement, or for any failure of any of the Issuer, the Manager or the IESO to perform its obligations hereunder or thereunder. The Administrative Agent shall not be under any obligation to any Non-Conduit Purchaser, any CP Conduit Purchaser, any Group Bank or any Funding Agent to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Supplemental Indenture, any other Program Agreement or to inspect the properties, books or records of the Issuer, the Manager or the IESO.

(d) The Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter or electronic message, statement, order or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and

statements of legal counsel (including, without limitation, counsel to the Issuer, the Manager or the IESO), independent accountants and other experts selected by the Administrative Agent.

(e) The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Termination Event unless the Administrative Agent has received written notice from a Non-Conduit Purchaser, a CP Conduit Purchaser, a Group Bank, a Funding Agent, the Issuer or the Manager referring to the Trust Indenture or this Supplemental Indenture, describing such Termination Event and stating that such notice is a "notice of a Termination Event". In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give notice thereof to the Non-Conduit Purchasers, the Funding Agents, the Issuer Trustee and the Manager.

(f) Each of the Non-Conduit Purchasers, the CP Conduit Purchasers, the Group Banks and the Funding Agents expressly acknowledges that neither the Administrative Agent nor any of its officers, directors, employees, agents, attorneys in fact or Affiliates has made any representations or warranties to it and that no act by the Administrative Agent hereinafter taken, including any review of the affairs of the Issuer, the Manager or the IESO shall be deemed to constitute any representation or warranty by the Administrative Agent to any such Person. Each of the Non-Conduit Purchasers, the CP Conduit Purchasers, the Group Banks and the Funding Agents represents to the Administrative Agent that it has, independently and without reliance upon the Administrative Agent or any other Non-Conduit Purchaser, CP Conduit Purchaser, Group Bank or Funding Agent and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Issuer, the Manager and the IESO and made its own decision to enter into this Supplemental Indenture. Each of the Non-Conduit Purchasers, the CP Conduit Purchasers, the Group Banks and the Funding Agents also represents that it will, independently and without reliance upon the Administrative Agent or any other Non-Conduit Purchaser, CP Conduit Purchaser, Group Bank or Funding Agent, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Supplemental Indenture and the other Program Agreements, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Issuer, the Manager and the IESO. Except for notices, reports and other documents expressly required to be furnished to the Non-Conduit Purchasers and the Funding Agents by the Administrative Agent hereunder, the Administrative Agent shall have no duty or responsibility to provide any Non-Conduit Purchaser, any CP Conduit Purchaser, any Group Bank or any Funding Agent with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of the Issuer, the Manager or the IESO which may come into the possession of the Administrative Agent or any of its officers, directors, employees, agents, attorneys in fact or Affiliates.

(g) The Administrative Agent and its Affiliates may make loans to, accept deposits from and generally engage in any kind of business with the Issuer, the Manager and the IESO as though the Administrative Agent were not the Administrative Agent hereunder. With respect to any Series 2017-1 Senior Note held by the Administrative Agent, the Administrative Agent shall have the same rights and powers under this Supplemental Indenture and the other Program Agreements as any Group Bank or Funding Agent and may exercise the same as though it were not the

Administrative Agent, and the terms "Group Bank," and "Funding Agent" shall include the Administrative Agent in its individual capacity.

(h) The Administrative Agent may resign as Administrative Agent at any time by giving 30 days' notice to the Non-Conduit Purchasers, the Funding Agents, the Indenture Trustee, the Issuer and the Manager. If ● shall resign as Administrative Agent under this Supplemental Indenture, then the Requisite Series 2017-1 Noteholders shall appoint a successor administrative agent from among the Non-Conduit Purchasers and Funding Agents, whereupon such successor agent shall succeed to the rights, powers and duties of the Administrative Agent, and the term "Administrative Agent" shall mean such successor agent effective upon such appointment and approval, and the former Administrative Agent's rights, powers and duties as Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Supplemental Indenture. If no successor administrative agent has accepted appointment as Administrative Agent prior to the effective date of the resignation of the Administrative Agent, the retiring Administrative Agent may appoint, after consulting with the Non-Conduit Purchasers and the Funding Agents, a successor Administrative Agent from among the Non-Conduit Purchasers and the Funding Agents. If no successor administrative agent has accepted appointment by the date which is thirty (30) days following a retiring Administrative Agent's notice of resignation, the retiring Administrative Agent's resignation shall nevertheless thereupon become effective and Manager shall assume and perform all of the duties of the Administrative Agent hereunder until such time, if any, as the Requisite Series 2017-1 Noteholders appoint a successor administrative agent as provided for above. After any retiring Administrative Agent's resignation as Administrative Agent, the provisions of this Article 7 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Supplemental Indenture.

7.2 Funding Agents

(a) Each CP Conduit Purchaser and each Group Bank with respect to such CP Conduit Purchaser hereby irrevocably designates and appoints the Funding Agent set forth next to such CP Conduit Purchaser's name on Schedule E as the agent of such Person under this Supplemental Indenture and irrevocably authorizes such Funding Agent, in such capacity, to take such action on its behalf under the provisions of this Supplemental Indenture and to exercise such powers and perform such duties as are expressly delegated to such Funding Agent by the terms of this Supplemental Indenture, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Supplemental Indenture, each Funding Agent shall not have any duties or responsibilities except those expressly set forth herein, or any fiduciary relationship with any CP Conduit Purchaser or Group Bank and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Supplemental Indenture or otherwise exist against each Funding Agent.

(b) Each Funding Agent may execute any of its duties under this Supplemental Indenture by or through agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. Each Funding Agent shall not be responsible to the CP Conduit Purchaser or any Group Bank in its CP Conduit Purchaser Group for the negligence or misconduct of any agents or attorneys in fact selected by it with reasonable care.

(c) Each Funding Agent and any of its officers, directors, employees, agents, attorneys in fact or Affiliates shall not be (i) liable for any action lawfully taken or omitted to be taken by it or

such Person under or in connection with the Trust Indenture, this Supplemental Indenture or any other Program Agreement (except to the extent that any of the foregoing are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from its or such Person's own gross negligence or willful misconduct) or (ii) responsible in any manner to any of the CP Conduit Purchasers and/or Group Banks for any recitals, statements, representations or warranties made by the Issuer, the Manager or the IESO, or any officer thereof contained in this Supplemental Indenture or any other Program Agreement or in any certificate, report, statement or other document referred to or provided for in, or received by such Funding Agent under or in connection with, this Supplemental Indenture or any other Program Agreement or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Supplemental Indenture, any other Program Agreement, or for any failure of any of the Issuer, the Manager or the IESO to perform its obligations hereunder or thereunder. Each Funding Agent shall not be under any obligation to the CP Conduit Purchaser or any Group Bank in its CP Conduit Purchaser Group to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Supplemental Indenture, any other Program Agreement or to inspect the properties, books or records of the Issuer, the Manager or the IESO.

(d) Each Funding Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter or electronic message, statement, order or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including, without limitation, counsel to the Issuer, the Manager or the IESO), independent accountants and other experts selected by such Funding Agent. Each Funding Agent shall be fully justified in failing or refusing to take any action under this Supplemental Indenture or any other Program Agreement unless it shall first receive such advice or concurrence of the Related Purchaser Group, as it deems appropriate or it shall first be indemnified to its satisfaction by the Related Purchaser Group against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action.

(e) Each Funding Agent shall not be deemed to have knowledge or notice of the occurrence of any Termination Event unless such Funding Agent has received written notice from a Non-Conduit Purchaser, a CP Conduit Purchaser, a Group Bank, the Issuer, the Manager or the Administrative Agent referring to the Trust Indenture or this Supplemental Indenture, describing such Termination Event and stating that such notice is a "notice of a Termination Event," as the case may be. In the event that any Funding Agent receives such a notice, such Funding Agent shall give notice thereof to the CP Conduit Purchaser and Group Bank in its CP Conduit Purchaser Group. Such Funding Agent shall take such action with respect to such event as shall be reasonably directed by the CP Conduit Purchaser and Group Bank in its CP Conduit Purchaser Group, provided that unless and until such Funding Agent shall have received such directions, such Funding Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such event as it shall deem advisable in the best interests of the CP Conduit Purchaser and Group Bank in its CP Conduit Purchaser Group.

(f) Each CP Conduit Purchaser and each of the related Group Banks expressly acknowledge that neither its Funding Agent nor any of its officers, directors, employees, agents, attorneys in fact or Affiliates has made any representations or warranties to it and that no act by such Funding Agent hereinafter taken, including any review of the affairs of the Issuer, the Manager or the IESO shall be deemed to constitute any representation or warranty by such Funding Agent to any

such Person. Each CP Conduit Purchaser and each of the related Group Banks represents to its Funding Agent that it has, independently and without reliance upon such Funding Agent and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Issuer, the Manager and the IESO and made its own decision to enter into this Supplemental Indenture. Each CP Conduit Purchaser and each of the related Group Banks also represents that it will, independently and without reliance upon its Funding Agent and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Supplemental Indenture and the other Program Agreements, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other conditions and creditworthiness of the Issuer, the Manager and the IESO.

(g) Each Group Bank in a CP Conduit Purchaser Group agrees to indemnify its Funding Agent in its capacity as such (to the extent not reimbursed by the Issuer and without limiting the obligation of the Issuer to do so), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever which may at any time be imposed on, incurred by or asserted against such Funding Agent in any way relating to or arising out of this Supplemental Indenture, any of the other Program Agreements or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Funding Agent under or in connection with any of the foregoing; provided that no Group Bank shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from such related Funding Agent's gross negligence or willful misconduct. The agreements in this Section shall survive the payment of all amounts payable hereunder.

ARTICLE 8
GENERAL

8.1 Successor and Assigns

(a) This Supplemental Indenture shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, except that (i) the Issuer may not assign or transfer any of its rights under this Supplemental Indenture without the prior written consent of all of the Series 2017-1 Noteholders; (ii) no Non-Conduit Purchaser may assign or transfer any of its rights under this Supplemental Indenture other than pursuant to paragraph (e) or (f) below; (iii) no CP Conduit Purchaser may assign or transfer any of its rights under this Supplemental Indenture other than to the Group Bank with respect to such CP Conduit Purchaser or a Program Support Provider with respect to such CP Conduit Purchaser or pursuant to clause (b) or (e) below of this Section 8.1; and (iv) no Group Bank may assign or transfer any of its rights or obligations under this Supplemental Indenture except to a Program Support Provider or pursuant to clause (c), (d) or (e) below of this Section 8.1.

(b) Without limiting the foregoing, each CP Conduit Purchaser may assign all or a portion of the Purchaser Group Principal Amount with respect to such CP Conduit Purchaser and its rights and obligations under this Supplemental Indenture to a Conduit Assignee with respect to such CP Conduit Purchaser. Prior to or concurrently with the effectiveness of any such assignment (or if

impracticable, immediately thereafter), the assigning CP Conduit Purchaser shall notify the Administrative Agent and the Issuer. Upon such assignment by a CP Conduit Purchaser to a Conduit Assignee, (i) such Conduit Assignee shall be the owner of the Purchaser Group Principal Amount or such portion thereof with respect to such CP Conduit Purchaser; (ii) the related administrative or managing agent for such Conduit Assignee will act as the administrative agent for such Conduit Assignee hereunder, with all corresponding rights and powers, express or implied, granted to the Funding Agent hereunder; (iii) such Conduit Assignee and its liquidity support provider(s) and credit support provider(s) and other related parties shall have the benefit of all the rights and protections provided to such CP Conduit Purchaser herein (including, without limitation, any limitation on recourse against such Conduit Assignee as provided in this paragraph); (iv) such Conduit Assignee shall assume all of such CP Conduit Purchaser's obligations, if any, hereunder with respect to such portion of the Purchaser Group Principal Amount and such CP Conduit Purchaser shall be released from such obligations; (v) all distributions in respect of the Purchaser Group Principal Amount or such portion thereof with respect to such CP Conduit Purchaser shall be made to the applicable agent or administrative agent, as applicable, on behalf of such Conduit Assignee; and (vi) if requested by the Administrative Agent or the agent or administrative agent with respect to the Conduit Assignee, the parties will execute and deliver such further agreements and documents and take such other actions as the Administrative Agent or such agent or administrative agent may reasonably request to evidence and give effect to the foregoing. No assignment by any CP Conduit Purchaser to a Conduit Assignee of the Purchaser Group Principal Amount with respect to such CP Conduit Purchaser shall in any way diminish the obligations of the Group Bank with respect to such CP Conduit Purchaser under Section 3.3 to fund any Increase.

(c) Any Group Bank may, in the ordinary course of its business and in accordance with applicable law, at any time, sell all or any part of its rights and obligations under this Supplemental Indenture and the Series 2017-1 Senior Notes, with the prior written consent of the Administrative Agent and the Issuer (in each case, which consent shall not be unreasonably withheld), to one or more banks (an "**Acquiring Group Bank**") pursuant to a transfer supplement, substantially in the form of Exhibit H (the "**Transfer Supplement**"), executed by such Acquiring Group Bank, such assigning Group Bank, the Funding Agent with respect to such Group Bank, the Administrative Agent and the Issuer and delivered to the Administrative Agent. Notwithstanding the foregoing, no Group Bank shall so sell its rights hereunder if such Acquiring Group Bank is not an Eligible Assignee.

(d) Any Group Bank may, in the ordinary course of its business and in accordance with applicable law at any time sell to one or more financial institutions or other entities ("**Group Bank Participants**") participations in its Commitment Amount with respect to its related CP Conduit Purchaser Group, its Series 2017-1 Senior Note and its rights hereunder pursuant to documentation in form and substance satisfactory to such Group Bank and the Group Bank Participant; provided, however, that (i) in the event of any such sale by a Group Bank to a Group Bank Participant, (A) such Group Bank's obligations under this Supplemental Indenture shall remain unchanged, (B) such Group Bank shall remain solely responsible for the performance thereof, and (C) the Issuer and the Administrative Agent shall continue to deal solely and directly with such Group Bank in connection with its rights and obligations under this Supplemental Indenture; and (ii) no Group Bank shall sell any participating interest under which the Group Bank Participant shall have rights to approve any amendment to, or any consent or waiver with respect to, this Supplemental Indenture, the Trust Indenture or any Program Agreement, except to

the extent that the approval of such amendment, consent or waiver otherwise would require the unanimous consent of all Group Banks hereunder. A Group Bank Participant shall have the right to receive compensation pursuant to Sections 3.10 and 3.11 but only to the extent that the related selling Group Bank would have had such right absent the sale of the related participation and, with respect to amounts due pursuant to Sections 3.10 and 3.11, only to the extent such Group Bank Participant shall have complied with the provisions of Sections 3.10 and 3.11 as if such Group Bank Participant were a Group Bank.

(e) Any CP Conduit Purchaser and the Group Bank with respect to such CP Conduit Purchaser may, at any time, sell all or any part of their respective rights and obligations, and any Non-Conduit Purchaser may, at any time, sell all or any part of its rights and obligations, under this Supplemental Indenture and the Series 2017-1 Senior Notes, with the prior written consent of the Administrative Agent and the Issuer (in each case, which consent shall not be unreasonably withheld), (x) to a multi-seller commercial paper conduit and one or more banks providing support to such multi-seller commercial paper conduit, or (y) to a financial institution or other entity (an "**Acquiring Purchaser Group**") pursuant to a transfer supplement, substantially in the form of Exhibit I (the "**Purchaser Group Supplement**"), executed by such Acquiring Purchaser Group (including the CP Conduit Purchaser and the Group Banks, if any, with respect to such Acquiring Purchaser Group), the Funding Agent, if any, with respect to such Acquiring Purchaser Group, such assigning Purchaser Group (including the Group Banks, if any, with respect to such assigning Purchaser Group), the Funding Agent, if any, with respect to such assigning Purchaser Group and the Administrative Agent and the Issuer and delivered to the Administrative Agent.

(f) Any Non-Conduit Purchaser may, in the ordinary course of its business and in accordance with applicable law, at any time sell to one or more financial institutions or other entities ("**Non-Conduit Purchaser Participants**") participations in its Commitment, its Series 2017-1 Senior Note and its rights hereunder pursuant to documentation in form and substance satisfactory to such Non-Conduit Purchaser and the Non-Conduit Purchaser Participant; provided, however, that (i) in the event of any such sale by a Non-Conduit Purchaser to a Non-Conduit Purchaser Participant, (A) such Non-Conduit Purchaser's obligations under this Supplemental Indenture shall remain unchanged, (B) such Non-Conduit Purchaser shall remain solely responsible for the performance thereof, and (C) the Issuer and the Administrative Agent shall continue to deal solely and directly with such Non-Conduit Purchaser in connection with its rights and obligations under this Supplemental Indenture; and (ii) no Non-Conduit Purchaser shall sell any participating interest under which the Non-Conduit Purchaser Participant shall have rights to approve any amendment to, or any consent or waiver with respect to, this Supplemental Indenture, the Trust Indenture or any Program Agreement, except to the extent that the approval of such amendment, consent or waiver otherwise would require the unanimous consent of all Series 2017-1 Noteholders hereunder. A Non-Conduit Purchaser Participant shall have the right to receive compensation under Sections 3.10 and 3.11 but only to the extent that the related selling Non-Conduit Purchaser would have had such right absent the sale of the related participation and, with respect to amounts due pursuant to Sections 3.10 and 3.11, only to the extent such Non-Conduit Purchaser Participant shall have complied with the provisions of Sections 3.10 and 3.11 as if such Non-Conduit Purchaser Participant were a Non-Conduit Purchaser.

(g) The Issuer authorizes each Group Bank and Non-Conduit Purchaser to disclose to any Group Bank Participant, Acquiring Group Bank, Non-Conduit Purchaser Participant or Acquiring Purchaser Group (each, a "**Transferee**") and any prospective Transferee any and all financial information in such Group Bank's or Non-Conduit Purchaser's possession concerning the Issuer, the Issuer Investment Asset and the Program Agreements which has been delivered to such Group Bank by the Issuer or the Manager in connection with such Group Bank's credit evaluation of the Issuer and the Issuer Investment Asset.

(h) Notwithstanding any other provision of this Supplemental Indenture to the contrary, any Non-Conduit Purchaser, any Group Bank or any Program Support Provider may at any time pledge or grant a security interest in all or any portion of its rights under its Series 2017-1 Senior Note and this Supplemental Indenture to secure obligations of such Non-Conduit Purchaser, such Group Bank or such Program Support Provider to a Federal Reserve Bank or the Bank of Canada, without notice to or consent of the Administrative Agent, the Issuer or the Administrator; provided that no such pledge or grant of a security interest shall release a Non-Conduit Purchaser or an Group Bank from any of its obligations hereunder or substitute any such pledgee or grantee for such Non-Conduit Purchaser or such Group Bank as a party hereto.

8.2 Waiver

Without limiting the requirements of Section **[11.02]** of the Trust Indenture which shall be applicable to this Supplemental Indenture, no waiver of any provision of this Supplemental Indenture or consent to any departure by the Issuer from any provision of this Supplemental Indenture will be effective (in whole or in part) unless in writing and signed by the Requisite Series 2017-1 Noteholders. Such waiver will be effective only in the specific instance, for the specific purpose and for the specific length of time for which it is given by the Requisite Series 2017-1 Noteholders.

8.3 Notice

All notices, requests, instructions and demands to or upon any party hereto to be effective shall be given (a) in the case of the Issuer and the Indenture Trustee, in the manner set forth in Article **[15]** of the Trust Indenture; and (b) in the case of the Administrative Agent, the Non-Conduit Purchasers, the CP Conduit Purchasers, the Group Banks and the Funding Agents, in writing, and, unless otherwise expressly provided herein, shall be deemed to have been duly given or made when delivered by hand or three days after being deposited in the mail, postage prepaid, in the case of facsimile notice, when received, or in the case of overnight air courier, one Business Day after the date such notice is delivered to such overnight courier, addressed as follows in the case of the Administrative Agent and to the addresses therefor set forth in Schedule E, in the case of the Non-Conduit Purchasers, the CP Conduit Purchasers, the Group Banks and the Funding Agents; or to such other address as may be hereafter notified by the respective parties hereto:

Administrative Agent:

8.4 No Waiver: Remedies

No failure on the part of any party to exercise, and no delay in exercising, any power, right or remedy hereunder will operate as a waiver thereof; nor will any single or partial exercise of any such power, right or remedy hereunder preclude any other or further exercise thereof or the exercise of any other power, right or remedy. The rights and remedies herein provided are cumulative and not exclusive of any remedies provided by applicable law.

8.5 Entire Agreement

This Supplemental Indenture, the Fee Letter, the Trust Indenture and the other Program Agreements contain the entire agreement between the parties relative to the subject matter hereof and supersede all prior and contemporaneous agreements, term sheets, commitments, understandings, negotiations and discussions, whether oral or written. The Issuer agrees to pay on demand (a) to the Indenture Trustee, the Administrative Agent and the Purchaser Groups all reasonable costs and expenses in connection with the preparation, execution, and delivery of this Supplemental Indenture and the other documents to be delivered hereunder or in connection herewith, including, the reasonable fees and out-of-pocket expenses of counsel for the Administrative Agent and the Purchaser Groups, with respect thereto, and the reasonable fees and out-of-pocket expenses incurred by the CP Conduit Purchasers in connection with the review by each rating agency then rating the Commercial Paper of such CP Conduit Purchaser of the transactions contemplated by this Supplemental Indenture and the Program Agreements; (b) to the Indenture Trustee, the Administrative Agent and each Purchaser Group all reasonable costs and expenses in connection with any amendments of or waivers or consents under this Supplemental Indenture or the Program Agreements, including in each case the reasonable fees and out-of-pocket expenses of counsel with respect thereto, and the reasonable fees and out-of-pocket expenses incurred by the CP Conduit Purchasers in connection with the review by any rating agency then rating the Commercial Paper of such CP Conduit Purchasers;

(e) Notwithstanding any of the foregoing, any Group Bank or Non-Conduit Purchaser who shall have previously notified the Issuer in writing that it or any related Program Support Provider may, in the absence of the Group Bank or Non-Conduit Purchaser having the ability to deliver Delayed Funding Notices hereunder, incur charges under, or in anticipation of, Basel III (which may include external charges incurred by the Group Bank, Non-Conduit Purchaser or Program Support Provider or internal charges incurred by any of their businesses) in respect of its Commitment hereunder or any agreement to support such Commitment, or in respect of its interest in the Series 2017-1 Senior Notes, based on its "liquidity coverage ratio" calculated under Basel III, may, upon receipt of any Deferrable Increase Notice pursuant to Section 3.3(a), notify the Issuer in writing (a "**Delayed Funding Notice**") on or prior to **[12:00 noon]** (Toronto time) on the second Business Day preceding the related Increase Date, of its intent to fund an amount up to its Commitment Percentage of the related Increase Amount (such amount, subject to any adjustment described below, the "**Delayed Amount**") on a Business Day that is on or before the thirty-third (33rd) day following the Increase Date specified in such Deferrable Increase Notice (the "**Delayed Funding Date**") rather than on such Increase Date. If any Group Bank or Non-Conduit Purchaser provides a Delayed Funding Notice to the Issuer following the Issuer's delivery of an Increase Notice pursuant to Section 3.3(a), the Issuer may with written notice to the Administrative Agent delivered prior to 3:00 pm on the second Business Day preceding such Increase Date, (x) decrease the Increase Amount with respect to such Deferrable Increase Notice (or revoke such Deferrable Increase Notice by decreasing the Increase Amount to zero), and/or (y) require any Group Bank or Non-Conduit Purchaser who has provided a Delayed Funding Notice to reduce the Delayed Amount with respect to such Increase by an amount no greater than the Non-Deferrable Draw Amount with respect to such Purchaser Group as of the related Increase Date. In the event that the Increase Amount with respect to such Deferrable Increase Notice is reduced, but not to zero, then any Delayed Amount with respect to any Purchaser Group shall be reduced on a pro rata basis unless otherwise specified by the Issuer pursuant to clause (y) above. No Purchaser Group that has provided a Delayed Funding Notice in respect of an Increase (each a "**Delayed Funding Purchaser Group**") shall be considered to be in default of its obligation to fund its Delayed Amount pursuant to this Section 3.3 unless and until it has failed to fund the Delayed Amount (and/or the Delayed Funding Reimbursement Amount with respect to such Delayed Amount) on or before the Delayed Funding Date.

(f) If (i) one or more Delayed Funding Purchaser Groups provides a Delayed Funding Notice to the Issuer in respect of any Increase Date; and (ii) the Issuer shall not have decreased the related Increase Amount to zero or required each such Delayed Funding Purchaser Group to reduce the Delayed Amount with respect to such Increase to zero, in each case, pursuant to Section 3.3(e), the Administrative Agent shall, by no later than **[12:00 noon]** (Toronto time) on the Business Day preceding such Increase Date, direct each Purchaser Group that is not a Delayed Funding Purchaser Group with respect to such Increase Date (each a "**Non-Delayed Funding Purchaser Group**") to fund an additional portion of such Increase Amount on such Increase Date equal to such Non-Delayed Funding Purchaser Group's proportionate share (based upon the Maximum Purchaser Group Principal Amount with respect to such Non-Delayed Funding Purchaser Group relative to the sum of the Maximum Purchaser Group Principal Amounts with respect to all Non-Delayed Funding Purchaser Groups) of the aggregate Delayed Amounts with respect to such Increase Date; provided that no Non-Delayed Funding Purchaser

~~Group shall be required to fund any portion of the aggregate Delayed Amounts that would cause its Purchaser Group Principal Amount to exceed its Maximum Purchaser Group Principal Amount. Subject to Section 3.3(a), in the case of a Non-Delayed Funding Purchaser Group that is a Non-Conduit Purchaser, such Non-Conduit Purchaser hereby agrees, or, in the case of a Non-Delayed Funding Purchaser Group that is a CP Conduit Purchaser Group, the CP Conduit in such CP Conduit Purchaser Group may agree, in its sole discretion, and the Group Bank in such CP Conduit Purchaser Group hereby agrees, to fund such portion of the Increase Amount on such Increase Date.~~

~~(g) After the Non-Delayed Funding Purchaser Groups fund a Delayed Amount on any Increase Date in accordance with Section 3.3(f), the Delayed Funding Purchaser Group in respect of such Delayed Amount will be obligated to fund the Delayed Funding Reimbursement Amount with respect to such Delayed Amount on or before its Delayed Funding Date, irrespective of whether the Scheduled Commitment Expiry Date shall have occurred on or prior to such Delayed Funding Date or the Issuer would be able to satisfy the conditions set forth in Section 3.3(c) to an Increase in an amount equal to such Delayed Funding Reimbursement Amount on such Delayed Funding Date. Such Delayed Funding Purchaser Group shall fund such Delayed Funding Reimbursement Amount on such Delayed Funding Date by paying such amount to the Administrative Agent in immediately available funds, and the Administrative Agent shall distribute such funds to each such Non-Delayed Funding Purchaser Group, *pro rata* based on the relative amount of such Delayed Amount funded by such Non-Delayed Funding Purchaser Group on such Increase Date pursuant to Section 3.3(f).~~

(c) ~~(h)~~ The Issuer shall apply amounts paid to it pursuant to ~~Sections~~**Section** 3.3(~~d) and 3.3(f~~**a**) in the following order of priority:

(i) **[As to an amount equal to ●% of the amounts paid to pursuant to ~~Sections~~Section 3.3(~~d) and 3.3(f~~a), by deposit to the Program Cash Reserve Account; and] [NTD: ~~OPG would like to understand what~~Discuss how this account is ~~needed for~~] ~~and~~to be funded.]**

(ii) as to the balance, in respect of the proceeds of the initial purchase of the Series 2017-1 Notes or a Transfer Increase, by application to payment of the purchase price payable by the Issuer to the IESO under the Master Transfer and Servicing Agreement in respect of the related Transfer and, in respect of the proceeds of a Refinancing Increase, by deposit to the Refinancing Account.

3.4 Procedure for Decreasing the Series 2017-1 Subordinated Principal Amount~~; Optional Termination~~

The Commitment Fees shall be payable monthly in arrears on each Payment Date. (c) The Funding Agent with respect to each CP Conduit Purchaser Group and each Non-Conduit~~ Purchaser shall provide written notice to the Issuer and the Paying Agent no later than two (2) Business Days prior to each Payment Date, setting forth the ~~Group~~ Monthly Interest and the ~~Group~~ Monthly ~~Fees and~~ Other Amounts with respect~~ to its Related Purchaser Group with respect~~ to the Payment Date.

3.9 ~~3.10~~ Taxes

(a) All payments by or on account of any obligation of the Issuer hereunder shall, to the extent allowed by law, be made free and clear of, and without deduction or withholding for or on account of Taxes, excluding (i) income taxes (including branch profit taxes, minimum taxes and taxes computed under alternative methods, at least one of which is based on or measured by net income), franchise taxes (imposed in lieu of income taxes), or any other Taxes based on or measured by the net income of any person legally entitled to receive such payments (each a "**Recipient**") as a result of a present or former connection between the Recipient and the jurisdiction of the Governmental Authority imposing such Taxes (other than any such connection arising solely from the Recipient having executed, delivered or performed its obligations or received a payment under, disposed of, or enforced, this Supplemental Indenture); (ii) any withholding or deduction imposed pursuant to (A) Sections 1471 to 1474 of the U.S. Internal Revenue Code of 1986, as amended ("**FATCA**"), or any successor version thereof, or any similar legislation imposed by any other Governmental Authority, or (B) any treaty, law or regulation or other official guidance enacted by Canada implementing FATCA or any intergovernmental agreement with respect to FATCA or any similar legislation imposed by any other Governmental Authority, including, for greater certainty, the Canada-United States Enhanced Tax Information Exchange Agreement Implementation Act (Canada) and Parts XVIII and XIX of the Income Tax Act (Canada), as amended (collectively, and including FATCA, the "**AEOI Legislation**"); and (iii) any interest, penalties and additions to Taxes in respect of (i) and (ii) (all such excluded Taxes being hereinafter called "**Excluded Taxes**"). hereunder or thereunder at the rates or in the amounts specified hereunder. Where the amount payable by the Issuer is increased in accordance with the previous sentence, the ~~Group~~ Monthly Interest shall be increased by the amount of such increase. Whenever any Taxes are payable on or with respect to amounts distributed to a Recipient, as promptly as possible thereafter the Issuer shall send to such Recipient a certified copy of an original official receipt showing payment thereof.

(b) If a payment by or on account of any obligation of the Issuer hereunder would be subject to withholding Taxes under any AEOI Legislation if the Recipient were to fail to comply with the applicable reporting requirements of any AEOI Legislation, such Recipient shall deliver to the Issuer at the time or times prescribed by law and at such time or times reasonably requested by the Issuer such documentation prescribed by applicable law and such additional documentation reasonably requested by the Issuer as may be necessary for the Issuer to comply with its obligations under any AEOI Legislation and to determine that such Recipient has complied with its obligations under any AEOI Legislation, or to determine the amount to deduct and withhold from such payment. If any form or certification it previously delivered by a Recipient expires or becomes obsolete or inaccurate in any respect, the Recipient shall update such form or certification or promptly notify the Issuer in writing of its legal inability to do so.

(c) If a Recipient is legally entitled to receive a refund of any Taxes (other than Excluded Taxes) as to which it has been indemnified or with respect to which additional amounts have been paid to it hereunder or it is legally entitled to receive a credit or deduction with respect to such Taxes or with respect to such additional amounts that have been paid hereunder (in each case pursuant to Section ~~3.10~~**3.9**(a)), it shall use commercially reasonable efforts to obtain or claim such refund, credit or deduction and pay over such refund or the value of such credit or deduction to the Issuer, together with any interest thereon.

~~or Group Bank)~~**the Purchaser** of a written request therefore to the Issuer, ~~such Affected Party (through the Funding Agent for its Purchaser Group if the Affected Party is a Program Support Provider, CP Conduit Purchaser or Group Bank)~~**the Purchaser** shall be entitled to be paid, such amounts charged to ~~such Affected Party~~**the Purchaser** or such amounts to otherwise compensate ~~such Affected~~**the Purchaser** for such increased cost or such reduction, no later than the Payment Date following receipt by the Issuer of such request for compensation under this Section ~~3.11~~**3.10**(a)(i), if such request is received by the Issuer no later than five (5) Business Days prior to the end of the Interest Period related to such Payment Date, and otherwise on the following Payment Date.

(ii) The Issuer acknowledges that ~~any Affected Party~~**the Purchaser** may implement, as an internal institutional matter, measures in anticipation of a final or proposed Regulatory Change (including, without limitation, the imposition of internal charges on ~~such Affected Party~~**the Purchaser**'s interest or obligations under any Support Agreement or this Supplemental Indenture) and may commence recognizing the incurrence of charges by seeking compensation under Section ~~3.11~~**3.10**(a)(i) in connection with such measures, in advance of the effective date of such final or proposed Regulatory Change, and the Issuer agrees that such charges or compensation shall be payable, to the ~~related Funding Agent, for the benefit of Affected Party~~**Purchaser**, following demand therefor without regard to whether such proposed Regulatory Change has been adopted or whether such effective date has occurred; provided, that (I) the ~~Affected Party~~**Purchaser** shall provide thirty (30) days prior written notice to the Issuer of its intent to impose or incur any such charges or compensation, (II) ~~an Affected Party~~**the Purchaser** shall not be compensated for any such amount pursuant to this subsection ~~3.11~~**3.10**(a)(ii) relating to any period ending, and of which ~~such Affected Party~~**the Purchaser** has had knowledge, more than ninety (90) days prior to the date that ~~such Affected Party~~**the Purchaser** provided the Issuer with the written notice contemplated by the preceding clause (I) of this subsection ~~3.11~~**3.10**(a)(ii), (III) if, after the payment by the ~~Trust~~**Issuer** of any charges or compensation pursuant to this subsection ~~3.11~~**3.10**(a)(ii), either (A) the Issuer requests in writing that the ~~applicable Affected Party~~**Purchaser** re-compute any such charge or compensation in light of differences between a proposed Regulatory Change and the final effective version thereof or (B) the ~~applicable Affected Party~~**the Purchaser** determines that the amount of the charge imposed on and required to be compensated by the Issuer exceeds the amount necessary to compensate it for the applicable Regulatory Change as contemplated by subsection ~~3.11~~**3.10**(a)(i), then (x) the amount of such charge or compensation shall, from and after such determination, be reduced by the amount of such excess and (y) ~~such Affected Party~~**the Purchaser** shall, within thirty (30) days of such determination, either repay the amount of such excess or credit the amount of such excess against future charges under this subsection ~~3.11~~**3.10**(a)(ii). The Issuer further acknowledges that any charge or compensation demanded hereunder may take the form of a monthly charge to be assessed by ~~such Affected Party~~**the Purchaser**.

(b) ~~Each Affected Party~~**The Purchaser** claiming increased amounts described in subsection ~~3.11~~**3.10**(a) of this Supplemental Indenture will furnish to the Issuer (together with its request for compensation) a certificate prepared in good faith setting forth the basis and the calculation of the amount (in reasonable detail) of each request by ~~such Affected Party~~**the Purchaser** for any such increased amounts referred to in subsection ~~3.11~~**3.10**(a) hereof. Any such certificate shall be conclusive absent manifest error. Failure on the part of ~~any Affected Party~~**the Purchaser** to demand compensation for any amount pursuant to subsection ~~3.11~~**3.10**(a) hereof with respect to

any period shall not constitute a waiver of ~~such Affected Party~~**the Purchaser**'s right to demand compensation with respect to such period.

Notwithstanding any provision to the contrary elsewhere in this Supplemental Indenture, the Administrative Agent shall not have any duties or responsibilities except those expressly set forth herein, or any fiduciary relationship with any Non-Conduit Purchaser, any CP Conduit Purchaser, any Group Bank or any Funding Agent, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Supplemental Indenture or otherwise exist against the Administrative Agent.~~

~~(b) The Administrative Agent may execute any of its duties under this Supplemental Indenture by or through agents or attorneys in fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. The Administrative Agent shall not be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care.~~

(c) Neither the Administrative Agent nor any of its officers, directors, employees, agents, attorneys in fact or Affiliates shall be (i) liable for any action lawfully taken or omitted to be taken by it or such Person under or in connection with the Trust Indenture, this Supplemental Indenture or any other Program Agreement (except to the extent that any of the foregoing are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from its or such Person's own gross negligence or willful misconduct) or (ii) responsible in any manner to any of the Non-Conduit Purchasers, the CP Conduit Purchasers, the Group Banks or the Funding Agents for any recitals, statements, representations or warranties made by the Issuer, the IESO, the Manager or any officer thereof contained in this Supplemental Indenture or any other Program Agreement or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Supplemental Indenture or any other Program Agreement or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Supplemental Indenture, any other Program Agreement, or for any failure of any of the Issuer, the Manager or the IESO to perform its obligations hereunder or thereunder. The Administrative Agent shall not be under any obligation to any Non-Conduit Purchaser, any CP Conduit Purchaser, any Group Bank or any Funding Agent to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Supplemental Indenture, any other Program Agreement or to inspect the properties, books or records of the Issuer, the Manager or the IESO.

(d) The Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter or electronic message, statement, order or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including, without limitation, counsel to the Issuer, the Manager or the IESO), independent accountants and other experts selected by the Administrative Agent.

(e) The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Termination Event unless the Administrative Agent has received written notice from a Non-Conduit Purchaser, a CP Conduit Purchaser, a Group Bank, a Funding Agent, the Issuer or the Manager referring to the Trust Indenture or this Supplemental Indenture, describing such Termination Event and stating that such notice is a "notice of a Termination Event". In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give notice thereof to the Non-Conduit Purchasers, the Funding Agents, the Issuer Trustee and the Manager.

(f) Each of the Non-Conduit Purchasers, the CP Conduit Purchasers, the Group Banks and the Funding Agents expressly acknowledges that neither the Administrative Agent nor any of its officers, directors, employees, agents, attorneys in fact or Affiliates has made any representations or warranties to it and that no act by the Administrative Agent hereinafter taken, including any review of the affairs of the Issuer, the Manager or the IESO shall be deemed to constitute any representation or warranty by the Administrative Agent to any such Person. decision to enter into this Supplemental Indenture. Each of the Non-Conduit Purchasers, the CP Conduit Purchasers, the Group Banks and the Funding Agents also represents that it will, independently and without reliance upon the Administrative Agent or any other Non-Conduit Purchaser, CP Conduit Purchaser, Group Bank or Funding Agent, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Supplemental Indenture and the other Program Agreements, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Issuer, the Manager and the IESO. Except for notices, reports and other documents expressly required to be furnished to the Non-Conduit Purchasers and the Funding Agents by the Administrative Agent hereunder, the Administrative Agent shall have no duty or responsibility to provide any Non-Conduit Purchaser, any CP Conduit Purchaser, any Group Bank or any Funding Agent with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of the Issuer, the Manager or the IESO which may come into the possession of the Administrative Agent or any of its officers, directors, employees, agents, attorneys in fact or Affiliates.

(g) The Administrative Agent and its Affiliates may make loans to, accept deposits from and generally engage in any kind of business with the Issuer, the Manager and the IESO as though the Administrative Agent were not the Administrative Agent hereunder. (h) The Administrative Agent may resign as Administrative Agent at any time by giving 30 days' notice to the Non-Conduit Purchasers, the Funding Agents, the Indenture Trustee, the Issuer and the Manager. If ● shall resign as Administrative Agent under this Supplemental Indenture, then the Requisite Series 2017-1 Noteholders shall appoint a successor administrative agent from among the Non-Conduit Purchasers and Funding Agents, whereupon such successor agent shall succeed to the rights, powers and duties of the Administrative Agent, and the term "Administrative Agent" shall mean such successor agent effective upon such appointment and approval, and the former Administrative Agent's rights, powers and duties as Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Supplemental Indenture. If no successor administrative agent has accepted appointment as Administrative Agent prior to the effective date of the resignation of the Administrative Agent, the retiring Administrative Agent may appoint, after consulting with the Non-Conduit Purchasers and the Funding Agents, a successor Administrative Agent from among the Non-Conduit Purchasers and the Funding Agents. If no successor administrative agent has accepted appointment by the date which is thirty (30) days following a retiring Administrative Agent's notice of resignation, the retiring Administrative Agent's resignation shall nevertheless thereupon become effective and Manager shall assume and perform all of the duties of the Administrative Agent hereunder until such time, if any, as the Requisite Series 2017-1 Noteholders appoint a successor administrative agent as provided for above. After any retiring Administrative Agent's resignation as Administrative Agent, the provisions of this Article 7 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Supplemental Indenture.

7.2 Funding Agents

(a) Each CP Conduit Purchaser and each Group Bank with respect to such CP Conduit Purchaser hereby irrevocably designates and appoints the Funding Agent set forth next to such CP Conduit Purchaser's name on Schedule E as the agent of such Person under this Supplemental Indenture and irrevocably authorizes such Funding Agent, in such capacity, to take such action on its behalf under the provisions of this Supplemental Indenture and to exercise such powers and perform such duties as are expressly delegated to such Funding Agent by the terms of this Supplemental Indenture, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Supplemental Indenture, each Funding Agent shall not have any duties or responsibilities except those expressly set forth herein, or any fiduciary relationship with any CP Conduit Purchaser or Group Bank and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Supplemental Indenture or otherwise exist against each Funding Agent.

(b) Each Funding Agent may execute any of its duties under this Supplemental Indenture by or through agents or attorneys in fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. Each Funding Agent shall not be responsible to the CP Conduit Purchaser or any Group Bank in its CP Conduit Purchaser Group for the negligence or misconduct of any agents or attorneys in fact selected by it with reasonable care.

(c) Each Funding Agent and any of its officers, directors, employees, agents, attorneys in fact or Affiliates shall not be (i) liable for any action lawfully taken or omitted to be taken by it or such Person under or in connection with the Trust Indenture, this Supplemental Indenture or any other Program Agreement (except to the extent that any of the foregoing are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from its or such Person's own gross negligence or willful misconduct) or (ii) responsible in any manner to any of the CP Conduit Purchasers and/or Group Banks for any recitals, statements, representations or warranties made by the Issuer, the Manager or the IESO, or any officer thereof contained in this Supplemental Indenture or any other Program Agreement or in any certificate, report, statement or other document referred to or provided for in, or received by such Funding Agent under or in connection with, this Supplemental Indenture or any other Program Agreement or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Supplemental Indenture, any other Program Agreement, or for any failure of any of the Issuer, the Manager or the IESO to perform its obligations hereunder or thereunder. Each Funding Agent shall not be under any obligation to the CP Conduit Purchaser or any Group Bank in its CP Conduit Purchaser Group to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Supplemental Indenture, any other Program Agreement or to inspect the properties, books or records of the Issuer, the Manager or the IESO.

(d) Each Funding Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter or electronic message, statement, order or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including, without limitation, counsel to the Issuer, the Manager or the IESO), independent accountants and other experts selected by such Funding Agent. Each Funding Agent shall be fully justified in failing or refusing to take any action under this Supplemental Indenture or any other Program Agreement unless it shall first receive such advice or concurrence of the Related Purchaser Group, as it deems appropriate or it shall first be

~~indemnified to its satisfaction by the Related Purchaser Group against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action.~~

~~(e) Each Funding Agent shall not be deemed to have knowledge or notice of the occurrence of any Termination Event unless such Funding Agent has received written notice from a Non-Conduit Purchaser, a CP Conduit Purchaser, a Group Bank, the Issuer, the Manager or the Administrative Agent referring to the Trust Indenture or this Supplemental Indenture, describing such Termination Event and stating that such notice is a "notice of a Termination Event," as the case may be. In the event that any Funding Agent receives such a notice, such Funding Agent shall give notice thereof to the CP Conduit Purchaser and Group Bank in its CP Conduit Purchaser Group. Such Funding Agent shall take such action with respect to such event as shall be reasonably directed by the CP Conduit Purchaser and Group Bank in its CP Conduit Purchaser Group, provided that unless and until such Funding Agent shall have received such directions, such Funding Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such event as it shall deem advisable in the best interests of the CP Conduit Purchaser and Group Bank in its CP Conduit Purchaser Group.~~

~~(f) Each CP Conduit Purchaser and each of the related Group Banks expressly acknowledge that neither its Funding Agent nor any of its officers, directors, employees, agents, attorneys in fact or Affiliates has made any representations or warranties to it and that no act by such Funding Agent hereinafter taken, including any review of the affairs of the Issuer, the Manager or the IESO shall be deemed to constitute any representation or warranty by such Funding Agent to any such Person. Each CP Conduit Purchaser and each of the related Group Banks represents to its Funding Agent that it has, independently and without reliance upon such Funding Agent and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Issuer, the Manager and the IESO and made its own decision to enter into this Supplemental Indenture. Each CP Conduit Purchaser and each of the related Group Banks also represents that it will, independently and without reliance upon its Funding Agent and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Supplemental Indenture and the other Program Agreements, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other conditions and creditworthiness of the Issuer, the Manager and the IESO.~~

~~(g) Each Group Bank in a CP Conduit Purchaser Group agrees to indemnify its Funding Agent in its capacity as such (to the extent not reimbursed by the Issuer and without limiting the obligation of the Issuer to do so), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever which may at any time be imposed on, incurred by or asserted against such Funding Agent in any way relating to or arising out of this Supplemental Indenture, any of the other Program Agreements or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Funding Agent under or in connection with any of the foregoing; provided that no Group Bank shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from such related Funding Agent's gross negligence or willful misconduct. The agreements in this Section shall~~

~~survive the payment of all amounts payable hereunder.~~ **~~ARTICLE 8~~**
GENERAL

7.1 **~~8.1~~ Successor and Assigns**

(a) This Supplemental Indenture shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns~~,~~ except that (i) the Issuer may not assign or transfer any of its rights **or obligations** under this Supplemental Indenture without the prior written consent of ~~all of the Series 2017-1 Noteholders; (ii) no Non-Conduit Purchaser may assign or transfer any of its rights under this Supplemental Indenture other than pursuant to paragraph (e) or (f) below; (iii) no CP Conduit Purchaser may assign or transfer any of its rights under this Supplemental Indenture other than to the Group Bank with respect to such CP Conduit Purchaser or a Program Support Provider with respect to such CP Conduit Purchaser or pursuant to clause (b) or (e) below of this Section 8.1; and (iv) no Group Bank may~~**the Purchaser; and (ii) the Purchaser may, without the prior written consent of the Issuer,** assign or transfer any of its rights or obligations under this Supplemental Indenture ~~except to a Program Support Provider or pursuant to clause (c), (d) or (e) below of this Section 8.1.~~ **in the ordinary course of its business and in accordance with applicable law to another Person (each, a "Transferee") pursuant to a transfer supplement, substantially in the form of Exhibit ■ (the "Transfer Supplement").**

~~(b) Without limiting the foregoing, each CP Conduit Purchaser may assign all or a portion of the Purchaser Group Principal Amount with respect to such CP Conduit Purchaser and its rights and obligations under this Supplemental Indenture to a Conduit Assignee with respect to such CP Conduit Purchaser. Prior to or concurrently with the effectiveness of any such assignment (or if impracticable, immediately thereafter), the assigning CP Conduit Purchaser shall notify the Administrative Agent and the Issuer. Upon such assignment by a CP Conduit Purchaser to a Conduit Assignee, (i) such Conduit Assignee shall be the owner of the Purchaser Group Principal Amount or such portion thereof with respect to such CP Conduit Purchaser; (ii) the related administrative or managing agent for such Conduit Assignee will act as the administrative agent for such Conduit Assignee hereunder, with all corresponding rights and powers, express or implied, granted to the Funding Agent hereunder; (iii) such Conduit Assignee and its liquidity support provider(s) and credit support provider(s) and other related parties shall have the benefit of all the rights and protections provided to such CP Conduit Purchaser herein (including, without limitation, any limitation on recourse against such Conduit Assignee as provided in this paragraph); (iv) such Conduit Assignee shall assume all of such CP Conduit Purchaser's obligations, if any, hereunder with respect to such portion of the Purchaser Group Principal Amount and such CP Conduit Purchaser shall be released from such obligations; (v) all distributions in respect of the Purchaser Group Principal Amount or such portion thereof with respect to such CP Conduit Purchaser shall be made to the applicable agent or administrative agent, as applicable, on behalf of such Conduit Assignee; and (vi) if requested by the Administrative Agent or the agent or administrative agent with respect to the Conduit Assignee, the parties will execute and deliver such further agreements and documents and take such other actions as the Administrative Agent or such agent or administrative agent may reasonably request to evidence and give effect to the foregoing. No assignment by any CP Conduit Purchaser to a Conduit Assignee of the Purchaser Group Principal Amount with respect to such CP Conduit Purchaser shall in any way diminish the obligations of the Group Bank with respect to such CP Conduit Purchaser under Section 3.3 to fund any Increase.~~

~~(c) Any Group Bank may, in the ordinary course of its business and in accordance with applicable law, at any time, sell all or any part of its rights and obligations under this Supplemental Indenture and the Series 2017-1 Senior Notes, with the prior written consent of the Administrative Agent and the Issuer (in each case, which consent shall not be unreasonably withheld), to one or more banks (an "**Acquiring Group Bank**") pursuant to a transfer supplement, substantially in the form of Exhibit H (the "**Transfer Supplement**"), executed by such Acquiring Group Bank, such assigning Group Bank, the Funding Agent with respect to such Group Bank, the Administrative Agent and the Issuer and delivered to the Administrative Agent. ~~(d) Any Group Bank may, in the ordinary course of its business and in accordance with applicable law at any time sell to one or more financial institutions or other entities ("**Group Bank Participants**") participations in its Commitment Amount with respect to its related CP Conduit Purchaser Group, its Series 2017-1 Senior Note and its rights hereunder pursuant to documentation in form and substance satisfactory to such Group Bank and the Group Bank Participant; provided, however, that (i) in the event of any such sale by a Group Bank to a Group Bank Participant, (A) such Group Bank's obligations under this Supplemental Indenture shall remain unchanged, (B) such Group Bank shall remain solely responsible for the performance thereof, and (C) the Issuer and the Administrative Agent shall continue to deal solely and directly with such Group Bank in connection with its rights and obligations under this Supplemental Indenture; and (ii) no Group Bank shall sell any participating interest under which the Group Bank Participant shall have rights to approve any amendment to, or any consent or waiver with respect to, this Supplemental Indenture, the Trust Indenture or any Program Agreement, except to the extent that the approval of such amendment, consent or waiver otherwise would require the unanimous consent of all Group Banks hereunder. A Group Bank Participant shall have the right to receive compensation pursuant to Sections 3.10 and 3.11 but only to the extent that the related selling Group Bank would have had such right absent the sale of the related participation and, with respect to amounts due pursuant to Sections 3.10 and 3.11, only to the extent such Group Bank Participant shall have complied with the provisions of Sections 3.10 and 3.11 as if such Group Bank Participant were a Group Bank.~~

~~(e) Any CP Conduit Purchaser and the Group Bank with respect to such CP Conduit Purchaser may, at any time, sell all or any part of their respective rights and obligations, and any Non-Conduit Purchaser may, at any time, sell all or any part of its rights and obligations, under this Supplemental Indenture and the Series 2017-1 Senior Notes, with the prior written consent of the Administrative Agent and the Issuer (in each case, which consent shall not be unreasonably withheld), (x) to a multi-seller commercial paper conduit and one or more banks providing support to such multi-seller commercial paper conduit, or (y) to a financial institution or other entity (an "**Acquiring Purchaser Group**") pursuant to a transfer supplement, substantially in the form of Exhibit I (the "**Purchaser Group Supplement**"), executed by such Acquiring Purchaser Group (including the CP Conduit Purchaser and the Group Banks, if any, with respect to such Acquiring Purchaser Group), the Funding Agent, if any, with respect to such Acquiring Purchaser Group, such assigning Purchaser Group (including the Group Banks, if any, with respect to such assigning Purchaser Group), the Funding Agent, if any, with respect to such assigning Purchaser Group and the Administrative Agent and the Issuer and delivered to the Administrative Agent.~~

~~(f) Any Non-Conduit Purchaser may, in the ordinary course of its business and in accordance with applicable law, at any time sell to one or more financial institutions or other entities ("**Non-Conduit Purchaser Participants**") participations in its Commitment, its Series 2017-1 Senior Note and its rights hereunder pursuant to documentation in form and substance satisfactory to such Non-Conduit Purchaser and the Non-Conduit Purchaser Participant; provided, however, that (i) in the event of any such sale by a Non-Conduit Purchaser to a Non-Conduit Purchaser Participant, (A) such Non-Conduit Purchaser's obligations under this Supplemental Indenture shall remain unchanged, (B) such Non-Conduit Purchaser shall remain solely responsible for the performance thereof, and (C) the Issuer and the Administrative Agent shall continue to deal solely and directly with such Non-Conduit Purchaser in connection with its rights and obligations under this Supplemental Indenture; and (ii) no Non-Conduit Purchaser shall sell any participating interest under which the Non-Conduit Purchaser Participant shall have rights to approve any amendment to, or any consent or waiver with respect to, this Supplemental Indenture, the Trust Indenture or any Program Agreement, except to the extent that the approval of such amendment, consent or waiver otherwise would require the unanimous consent of all Series 2017-1 Noteholders hereunder. A Non-Conduit Purchaser Participant shall have the right to receive compensation under Sections 3.10 and 3.11 but only to the extent that the related selling Non-Conduit Purchaser would have had such right absent the sale of the related participation and, with respect to amounts due pursuant to Sections 3.10 and 3.11, only to the extent such Non-Conduit Purchaser Participant shall have complied with the provisions of Sections 3.10 and 3.11 as if such Non-Conduit Purchaser Participant were a Non-Conduit Purchaser.~~

(b) ~~(g)~~ The Issuer authorizes ~~each Group Bank and Non-Conduit~~**the** Purchaser to disclose to any ~~Group Bank Participant, Acquiring Group Bank, Non-Conduit Purchaser Participant or Acquiring Purchaser Group (each, a "**Transferee**")~~**Transferee** and any prospective Transferee any and all financial information in ~~such Group Bank's or Non-Conduit~~**the** Purchaser's possession concerning the Issuer, the Issuer Investment Asset and the Program Agreements which has been delivered to ~~such Group Bank~~**the Purchaser** by the Issuer or the Manager ~~in connection with such Group Bank's credit evaluation of the Issuer and the Issuer Investment Asset~~.

Lee Anne,

Legal Counsel advises that there is no specific period of recovery specified in the legislation. The “fair allocation” is a constraint on recovery and will be calculated for each reference period to 2047.

Hi Lee Anne.

I think that Cindy was planning to provide feedback, but I'm not sure of the status. I'm copying her assistant so that she might be able to help to get you a timeframe. I am away from the office right now.

Hi Nadine,

Do you know when Cindy will be providing comments? If it's going to be soon, I'll hold off on making changes/replying to your comments until I have the version with her comments to avoid having two different live versions.

Lee Anne

Thanks. Has TD seen this, or commented on it? The make whole provision, rather than just moving the outstanding bonds up to being provincial debt could be extremely expensive if the guarantee is triggered and exercised.

I assume the challenge to the rating is that we're not AAA, so the debt would be downgraded to our level, but this shows the flaw in the ratings methodology, because why would you want a guarantee from someone who is supposedly less credit worthy? This is definitely, in my mind, worth pushing back on.

Regards,
Gadi

Hey John, Ken,

Further to our discussion earlier today, please see the note below which outlines our collective views on the Provincial guarantee that would be required for the Fair Hydro Program. Happy to discuss further.

There are two types of “guarantees” that we are looking for from the Province in relation to this program on the basis that any debt issued under the Fair Hydro Program will be AAA-rated. In addition, the following is based on the understanding that the transition charges collected from prescribed consumers will begin upon the commencement of the program and will not be subject to any cap or restrictions.

The legislation must include a specific reference to the Province being required to provide a guarantee on debt repayment and servicing in certain circumstances.

The first is “Springing Guarantee”, which would be via a legal agreement put in place when establishing the program and would require the Province to step in and assume responsibility for paying all amounts that are or become due in respect of (i) any of the outstanding funding obligations; (ii) the operation and maintenance of the financing entity; and (iii) any other amounts due in relation to the program that have not yet been paid (collectively, the “Fair Hydro Program Costs”). This Springing Guarantee would kick in should any of the following happen:

(1) There is any change in the legislation or regulations that is, or could be, adverse to finance entity noteholders or the legislation is determined to be ultra vires. In this situation, the Springing Guarantee would require the immediate repayment of all Fair Hydro Program Costs (including any makewhole prepayment obligations).

(2) There is a market disruption (i.e. there is a period of time when capital markets term funding is not available to take out the warehouse facilities (bank facility or ABCP)). In this situation, either (i) we start to charge ratepayers for principal recovery via transition charges; or (ii) the Province must be responsible for the immediate repayment of those warehouse facilities.

The period of time that must lapse before this Springing Guarantee becomes applicable with respect to the warehouse facilities can be set to accommodate a short term dislocation in the term funding market (6-18 months). We would note that depending on the size of the warehouse facility, if there is no term takeout for an extended period of time, it is likely that the warehouse facilities will also quickly reach their credit limits and the province would likely have to fund any future shortfalls if they wished to continue the program.

To the extent that the Springing Guarantee does not require the Province to make the repayment contemplated under scenario (1), but simply requires the Province to repay the debt in accordance with its original repayment terms, this may adversely impact the rating of the Fair Hydro Program.

The second type of guarantee we are looking for from the province is a performance guarantee. This is not a credit guarantee. The performance guarantee would require the Province to stand behind certain obligations of the Servicer (initially IESO) in the program. This performance guarantee would be included as part of the Securitization documents for the program. It would, amongst other things, require the province to stand behind (including taking responsibility for helping remedy any breaches in) the representations, warranties, or covenants made by the servicer. It would also require the province to ensure that the servicer performs its servicing activities as set out in the securitization documents and if it does not, put in place an alternative servicer who would perform those servicing activities. The performance guarantee would also include standing behind any indemnities that may be owing by the servicer.

As committed to, attached is an initial draft of a document that lays out key accounting and operating conditions for the financing of the Fair Hydro Plan. Broken out between what we have been able to see in the current drafts of the legislation as well as what is required in yet to be drafted Regulations or other principle documents such as Trust indenture docs.

Again, an initial draft for others to consider from their perspective.

Statement of Facts-OPG draft April 19.pdf

Statement of Facts – Fair Hydro Plan Legislation / Regulation

Included in the legislation – Draft April 17, 2017

Item	Meets "operability" criteria (financing)	Meets "accounting" criteria for Control
Legislation needs to address that OPG will be paid management fees (both fixed and variable)	**Yes**-management fees will be part of the regulatory assets and to be recovered in future. Management fees will also be built in Management Agreement between OPG and the Trust	**Yes**
Part IV – Limitation 12(1.1) - The Financing Plan shall not provide for the collection of the clean energy adjustment by specified consumers before May 1, 2022.	**NO** – not collecting interest before May 1, 2022 will cause financeability issue. Agree with "accounting" assessment, the Legislation must require interest, carrying and administrative costs to be paid to the Trust	**NO** - The Legislation must require interest, carrying and administrative costs to be paid to the Trust on a monthly basis, so that the Trust is able to recognize appropriate revenue to offset any ongoing costs.
Part IV – Section 12.(1) – Contents of Financing Plan	Need to know the restrictions in the Plan to decide on financeability	**NO** – Too many restrictions here on what the Financing Plan should have, specifically point *6) such other matters as may be prescribed.* Too open ended. Weakens accounting argument. This section should stick only to principles and parameters.
Regulations 100x The Lieutenant Governor in Council may make regulations, governing the inclusion of adjustments under this Act on invoices, which may include requiring notice to be provided by electricity vendors to specified persons regarding the adjustments.	N/A	**No –** The Province should not have the right to change how OPG will ultimately collect the intangible asset once financing is issued.

Part IV – Section 8.1 – Principles • The allocation of the costs among specified consumers should be proportionate to the benefits of the clean energy initiative to those specified consumers over time. • During a reference period, no specified consumer should bear an unreasonably disproportionate share of the costs.	**NO –** this may create risk on financeability Need to know details on these items to further assess financeability	**MAYBE –** How is the allocation of costs supposed to be measured, what is defined as 'disproportionate'? Need to ensure that this would not impact any regulatory assets that are already being financed and does not impact recoverability.
Part IV – Section 8.2 – Implementation - The IESO shall ensure that the IESO funding shortfall during a reference period does not exceed the maximum amount set out for the reference period in the Fair Allocation Plan.	**NO –** this restriction will make it not be financeable	**MAYBE** – Is this meant to ensure that it is in line with the 25% reduction and does not impact the recoverability of debt already issued?
Part IV – Section 8.(2) – Amendments to the Plan	**MAYBE**- as long as it does not affect existing debt (similar to accounting assessment)	**MAYBE** – Amendments made by the Minister relating to the Fair Allocation Plan **cannot** impact the recoverability of debt already issued
Part IV – Financial Services Manager to Prepare Financing Plan – Consistency with Fair Allocation Plan - Section 11(1) (2) The Financing Plan in effect at any given time shall be consistent with the applicable Fair Allocation Plan.	Need details re Fair Allocation Plan to assess it	**MAYBE** – to clarify what is meant by this? This clause cannot impact the recoverability of debt already issued.
Part IV – Termination of Appointment 12.1(1)	**NO** – This could be a financing issue if Province could terminate OPG as the manager, relating to existing bond.	**MAYBE** – This could raise control issues, depending on the circumstances under which OPG could be removed and replaced. It is preferable to bifurcate the roles so that the Province could not remove OPG as manager/administrator with respect to the existing debt placed by the Trust, but could remove OPG's responsibility/right to prepare the Financing Plan going forward.

Expected to be included in subsequent regulation:

Issue	Expected Operability criterion	Expected Accounting Criterion for Control
Needs to be clear that OPG has the choice in whether to **buy** the Regulatory Asset (not the Province having the option to sell)	To make it financeable, The trust need to have the "right" but not "obligation" to buy the regulatory assets	
Management fees (both fixed and variable) must be payable to OPG as Financial Services Manager of the Trust.	Management fees will be part of the regulatory assets and to be recovered in future. Management fees will also be built in Management Agreement between OPG and the Trust. Possibly subject to OEB "prudency" review	OPG must have the ability to earn variable returns by exercising its authority. • The cash flow from the restructured asset shall include interest determined based on a relevant benchmark that is appropriate relative to the restructured asset, plus an appropriate margin consistent with the relevant market and other risks • OPG shall have the authority to determine the financing strategy, which will vary the financing costs with the objective of enabling the Trust to achieve a more favourable return compared to the benchmark for interest on the restructured asset
OPG should be the sole unitholder of the Trust and make all decisions regarding the operating and financing policies of the Trust. OPG must have the ability to make decisions about the financing alternatives, duration, and the strategy to minimize financing costs. OPG must have the power to establish operating and capital budgets of the Trust with no veto right by the Province.	Agree with accounting assessment and Financeability will depend on the level of Province involvement	• OPG must have the ability to appoint and remove the Trustee (or Board of Trustees), with no veto right by the Province. No party shall have the ability to remove OPG from its role and authority in the Trust. • OPG must have the power to determine or change operating and financing policies of the Trust, which will affect the variability of risks and returns.

The Special Committee of the Board of Directors
Ontario Power Generation Inc. (the "Company")
700 University Avenue
Toronto, ON M5G 1X6

May 17 2017

Dear Sirs/Madames:

This letter is being issued to the Special Committee to assist them in their evaluation of management's analysis of the application of International Financial Reporting Standards ("IFRS") as adopted by the International Accounting Standards Board ("IASB")) to the specific transaction described in the Company's memorandum entitled *OPG Accounting Considerations of Ontario Fair Hydro* dated May 17 2017, herein referred to as "the Management Memorandum". We are issuing this letter in our role as auditors of the Company for the year ending December 31, 2017. As the Province consolidates OPG on an IFRS basis, this letter pertains solely to management's IFRS analysis as contained in the Management Memorandum.

We have read the Management Memorandum and we agree with management's analysis therein, subject to all of the assumptions and limitations identified therein. Specifically, we concur that the existing legislation, along with the yet undrafted Regulation and special purpose vehicle (TRUST) documents, and various other agreements assuming they include the required criteria that Management has identified as outstanding in its Appendix A, would be sufficient to support consolidation of the TRUST with OPG Inc.

Additionally, we specifically refer you to the section entitled "Conclusion" in the Management Memorandum, which indicates that their analysis is based on the tabled legislation as well as their assumptions regarding the terms and conditions of certain contractual arrangements and other documentary evidence that is not yet drafted. Therefore, the Management Memorandum will be required to be updated to reflect the final contents of other relevant contractual arrangements and documentary evidence. We will review the updated Management Memorandum once it is available, and update you on our viewpoints once our review of such updated Management Memorandum is completed.

The scope of this letter and any views expressed herein are limited to the transactions, facts, circumstances and assumptions provided to us by management or the Company as described in the Management Memorandum. If such facts, circumstances or assumptions differ, our conclusions may change.

We have not performed an audit or a review of the Management Memorandum. Additionally, we have not performed an audit as of any date or for any period subsequent to December 31, 2016.

The ultimate responsibility for the proper accounting treatment under IFRS and US GAAP rests with the Company.

We have not been asked for, nor do we express, an opinion on the tax consequences of the transactions described herein.

The accounting for such transactions could be affected by actions of the International Accounting Standards Board, the IFRS Interpretations Committee, the Ontario Securities Commission, or other regulatory bodies. Any such actions occurring prior to the finalization of the 2017 IFRS consolidated financial information will be required to be analyzed by management, and such analysis will be reviewed by us in the context of the audit procedures we will perform on the consolidated IFRS financial information for the year ending December 31, 2017.

Our work does not include the provision of legal advice and we make no representations regarding questions of legal interpretation of any possible structure or strategy. We make no representation regarding the sufficiency of our work for any purpose.

This report is intended solely for the information and use of the Special Committee, Board of Directors and management. We understand that a copy of this letter may be provided to the Province of Ontario, the Independent Electricity System Operator, and/or the Ontario Energy Board. It is not intended to be, and should not be, used by anyone other than these specified parties.

This analysis, or portions thereof, should not be referred to or distributed to any other person or entity, other than those noted in the paragraph directly above. It is not to be referred to or quoted, in whole or in part, in any registration statement, prospectus, public filing, loan agreement, or other agreement or document.

GA Consolidated Memo_May 17 FINAL.pdf

May 17, 2017

OPG ACCOUNTING CONSIDERATIONS OF ONTARIO FAIR HYDRO PLAN

Purpose:

The purpose of this document is to summarize the preliminary views of Ontario Power Generation (OPG) on the ability for OPG to consolidate the Financing Entity Trust associated with the Ontario Fair Hydro Plan.

This memo is assessed against *Bill 132 – An Act to enact the Ontario Fair Hydro Plan Act, 2017 and to make amendments to the Electricity Act, 1998 and the Ontario Energy Board Act, 1998*, (Bill 132 or Legislation) legislation as introduced on May 11, 2017.

This assessment is preliminary pending the passing of the Legislation, the Trust indentures, Regulations, financing structure and other detailed terms, and all related documentary evidence. This assessment will be updated once final documentation is available.

Background:

On March 2, 2017, the Province of Ontario (the Province) announced Ontario's Fair Hydro Plan (the Plan) aimed at reducing electricity bills by 25 percent on average for all residential consumers in the province. As part of the Plan, the Province has proposed financing a portion of the Global Adjustment costs over a longer time period for Regulated Price Plan eligible customers (e.g., residential, farm, small businesses).

On April 13th, the Province requested that OPG consider administering the financing associated with the Plan, because of OPG's participation in the market, regulatory knowledge and the potential ability to consolidate the related financing activities. To undertake this financing, OPG will establish a Financing Entity Trust (the Trust) to finance and administer the Global Adjustment costs through a mixture of external financing and an equity injection from the Ontario Financing Authority. It is expected that OPG will control the Trust for accounting purposes and that its financial position and results will be consolidated within OPG's consolidated financial statements.

Assumptions made to perform accounting analysis which are not yet addressed in Legislation – it is expected that these matters will be addressed in Regulations, Trust documents, and various other agreements:

- The Regulation must require interest, carrying and administrative costs to be paid to the Trust in cash on a monthly basis, so that the Trust is able to recognize appropriate revenue to offset any ongoing costs.
- The Regulations, Trust documents and various agreements will provide that OPG will have significant variability and exposure from the activities of the Trust relative to the rate of return that OPG would recognize from its role as the Financial Services Manager of the Trust. The performance fee will be meaningful and allow OPG to make decisions that will significantly impact its returns.
- The Minister of Energy will have the ability to replace the Financial Services Manger (OPG) if there is a failure to perform. There will be a bifurcation of roles where the Province could not remove OPG as manager/administrator with respect to the existing debt placed by the Trust, but could remove OPG's responsibility/right to prepare the Financing Plan going forward. The ability for the Minister of Energy to

remove OPG as the Financial Services Manager should not impact the recoverability of existing intangible assets.

- The calculation of the Fair Allocation Amount will be performed by the Minister of Energy.
- OPG has the ability to appoint and remove the Trustee (or Board of Trustees) and there are no veto rights by the Province. No party has the ability to remove OPG from its role and authority in the Trust.
- Neither the Ontario Energy Board (OEB) nor any other party can discretionally reduce the management fee or performance fee except due to a calculation error.
- The margin on the interest rates associated with Tranche B and Tranche C which will be recovered from the ratepayers will be reflective of the risk profile of the debt and the associated market terms.
- The indemnification provided to the Trust by the Minister of Finance on behalf of the Province as described in *Part I – General – Section 5(3) Guarantee, indemnification* of the Legislation will be subject to terms and conditions in a separate Provincial support agreement. The guarantee is expected to be in place only in the event of a Payment Guarantee Event, such as if the Legislative Assembly of Ontario repeals the Legislation or amends the Legislation in a way that adversely impacts the ability of the Trust to fully recover an intangible asset in order to pay the obligations of the Trust.
- The approval by the Ontario Energy Board of the Financial Services Manager (i.e. OPG's) fees as described in *Part IV – Implementation – Duties and Powers – Section 19(4) Same, Board approval* of the Legislation will not allow the OEB to change or limit the management fee structure, but only ensure that it is prudent by ensuring it is calculated in accordance with the Regulations.
- In the event that a different Financial Services Manager is appointed by the Minister of Energy, the IESO is required to continue to make cash payments for interest to the Trust for the existing debt. Principal repayments on existing debt will continue to be repaid by ratepayers to the Trust in accordance with the terms of the issued debt.
- All other items as indicated in Appendix A.

Accounting Analysis:

In order to meet the accounting definition of 'control', accounting guidance must be considered. There are no bright lines to determine whether OPG has exposure, or rights, to variable returns from its involvement with the Trust, or whether it has the ability to affect the returns of the Trust through its power over the Trust. Rather, all facts and circumstances are considered when assessing whether an entity has control over another entity.

In order to consolidate the Trust, OPG must be able to demonstrate that it controls the Trust.

Control

An investor controls an investee if and only if the investor has all the following:

a) *power over the investee;*
b) *exposure, or rights, to variable returns from its involvement with the investee; and*
c) *the ability to use its power over the investee to affect the amount of the investor's returns.* [IFRS 10, paragraph 7]

Purpose and design of the investee

When assessing control of an investee, an investor shall consider the purpose and design of the investee in order to identify the relevant activities, how decisions about the relevant activities are made, who has the current ability to direct those activities and who receives returns from those activities. [IFRS 10, paragraph B5]

Criteria	Analysis
Purpose and design of the Trust	The purpose of the Trust is to allow OPG to earn a return on the Intangible Asset from the IESO by effectively managing financing to earn a spread, earn management fees, and earn interest fees.
Relevant activities of the Trust and how decisions are made about those activities	<u>Relevant activities:</u> The relevant activities of the Trust are: • To evaluate and make decisions on financing alternatives, duration, and the strategy to minimize financing costs. • To effectively manage funding obtained through the capital markets and be able to make or lose any spread from financing • To provide funding to the IESO in return for an interest in a future cash flow stream • To obtain funding through the capital markets and other vehicles available to OPG to be able to provide the IESO funding. • To make capital and funding decisions required to meet the Fair Allocation Amount objectives as set out in Legislation • To finance the requirements associated with the short-fall amount • To raise debt, pay bond debt holders, and determine capacity for the Trust to raise additional financing <u>Financing Plan (Legislation: Part IV – Implementation)</u> • OPG's plan for managing the assets of the Trust will be dictated through a 'Financing Plan'. • The Financial Services Manager (i.e. the Trust) shall provide the Financing Plan to the Minister. The Financing Plan is expected to follow Principles as stipulated in the Legislation which indicate that the assumptions must be reasonable and that the Trust has the power to determine what is reasonable and cost-effective. The Trust makes all the decisions in determining the relevant activities as listed above. • OPG can amend the Financing Plan at any time without the approval of the Minister. <u>Fair Allocation Amount (Legislation: Part IV – Implementation)</u> • The 'Fair Allocation Amount' ("FAA") is the amount of the deferral for the reference period and includes finance amounts. The current Legislation dictates that the Minister of Energy is to calculate the FAA. • This does not impact OPG's relevant activities in the Trust as OPG's variable returns are based on financing decisions which are not dictated by the FAA. OPG can choose to

Purpose and design of the investee *When assessing control of an investee, an investor shall consider the purpose and design of the investee in order to identify the relevant activities, how decisions about the relevant activities are made, who has the current ability to direct those activities and who receives returns from those activities.* [IFRS 10, paragraph B5]	
	accept or reject the purchase of the intangible asset which is based on the Fair Allocation Amount. Decisions made and voting rights of the Trust ***The following is not addressed by the Legislation and must be addressed in Regulations, Trust Documentation or various other agreements.*** • OPG has the ability to appoint and remove the Trustee (and if applicable Board of Trustees) and there are no veto rights by the Province. No party has the ability to remove OPG from its role and authority in the Trust. • Except as otherwise stated, all decisions of the members (if applicable) shall be made by the Trustee who will be appointed by OPG. Termination Rights ***The following is not addressed by the Legislation and must be addressed in Regulations, Trust Documentation or various other agreements.*** • OPG cannot be removed from its role in the Trust. The Province has the right to remove OPG as the 'Financial Services Manager' for failure to perform. This will not impact debt that has already been issued for which OPG is already managing through the Trust or the recoverability of existing intangible assets. If the right is exercised, it serves to reduce or eliminate the scope of new business activities of the Trust but it does not affect OPG's ability to control the Trust. Should a new Financial Services Manager be appointed, a separate assessment would be made as to which party if any would control it.
Assessment	The purpose of the Trust is to allow OPG to earn a return on the Intangible Asset from the IESO by effectively managing financing to earn a spread, earn management fees, and earn interest fees. For the reasons noted above, OPG has control over the decisions to be made about the relevant activities.

Power over the investee	
Criteria	**Analysis**
Identify whether OPG's rights give it the current ability to direct the relevant activities of the Trust (Substantive rights)	See above for relevant activities of the Trust.
Assessment	OPG has the ability to direct the relevant activities of the Trust. OPG can amend the Financing Plan at any time, without approval from the Minister. Further, if the Minister of Energy chooses not to continue with OPG's current Financing Plan, OPG can withdraw its Financing

Power over the investee	
	Plan, without impacting the existing debt and related intangible assets that is already in the Trust. The Province would just appoint a new party to participate in future securitizations and OPG would continue to manage the debt that already exists in the Trust. If future financing transactions are with a different Financing Entity, a separate consolidation analysis would be prepared at that time as to which party if any would consolidate the Financing Entity.

Exposure or rights to variable returns	
Criteria	**Analysis**
Dividends, other distributions of economic benefits from an investee and changes in the value of the investor's investment in that investee [IFRS 10, paragraph B57(a)]	OPG is expected to realize management fees from its activities with the Trust.
Remuneration for servicing an investee's assets or liabilities, fees and exposure to loss from providing credit or liquidity support, residual interests in the investee's assets and liabilities on liquidation of that investee, tax benefits, and access to future liquidity that an investor has from its involvement with an investee [IFRS 10, paragraph B57(b)]	***The following is not addressed by Legislation and must be addressed in Regulations, Trust Documentation or various other agreements.*** OPG has exposure and rights to variable returns from the Trust in the form of the following: • The Regulations, Trust documents and various agreements will provide that OPG will have significant variability and exposure from the activities of the Trust relative to the rate of return that OPG would recognize from its role as the Financial Services Manager of the Trust. The performance fee will be meaningful and allow OPG to make decisions that will significantly impact its returns. • OPG, through ownership of the most subordinated debt, is exposed to risk of non-collection. Given that the program is expected to run until 2047, this 30 year time period results in uncertainty about the future collection of OPG's amount at risk. OPG and the Ontario Financing Authority (OFA) (5% out of 44% contribution) would be the last parties to get paid in the event that the program stops running due to a change in Government, if electricity demand is not high enough to allow for collection from ratepayers in a timely manner, etc. The end date of 2047 that is prescribed in the Legislation results in uncertainty toward whether this program will continue and whether OPG will have collected its amount at risk at that time. • In the event that there is a market disruption whereby OPG is not able to obtain debt from the financial markets (e.g. due to a recession), the Province will provide funding in the event that OPG wishes to continue purchasing intangible assets from the IESO. This is considered to be a protective right as it does not impact the relevant activities of the Trust, but is designed to protect both parties and does not give either party more or less power over the Trust. It is designed to allow OPG to keep purchasing intangible

Exposure or rights to variable returns	
	assets if it wishes to. • Protective rights are typically held to prohibit fundamental changes in the activities of an investee that the holder does not agree with and usually apply only in exceptional circumstances (i.e., upon a contingent event). This is true for this right as it is only applicable if there is a market disruption and the Trust is not able to obtain financing from external markets. Further, the fundamental activities of the Trust would change if it were not able to obtain financing from external markets.
Returns that are not available to other interest holders. For example, an investor might use its assets in combination with the assets of the investee, such as combining operating functions to achieve economies of scale, cost savings, sourcing scarce products, gaining access to proprietary knowledge or limiting some operations or assets, to enhance the value of the investor's other assets [IFRS 10, paragraph B57 (c)]	• OPG will have synergistic benefits from combining operating functions with the Trust given its extensive knowledge on the market and current regulatory knowledge.
Assessment	To determine which party is the most 'at risk' in the event that the loans default, expected loss rates were obtained from Moody's and DBRS. Using the *Moody's Investors Service – Loss Given Default for Speculative Grade Companies* dated December 4, 2015, the 4-year Idealized Expected Loss ranges from 0.00% for a triple A rated bond to 0.30% for an A3 rated bond. DBRS Expected Loss Ratings give an indication of the expected loss of a loan portfolio. As per a November 2016 publication, the 10-year expected loss rates range from 0.1% for a AAA rated bond to 1.7% for an A (low) rated bond. Given that OPG's subordinated debt is equal to 5% of the total debt, which is higher than the default rates above, 100% of the risk is with both OPG and the OFA since they are the last parties to get paid should there be any default with the debt. OPG is also exposed to variable returns from the Trust from its performance on decisions made on financing alternatives, duration, and the strategy to minimize financing costs through the variable fee component of the management fee. Therefore, OPG has the exposure to variable returns from the Trust.

Ability to use power to affect returns	
Criteria	**Analysis**
Ability of investor to use its power to affect the investor's returns from its involvement with the investee	OPG needs to have both power over the Trust (i.e. as a Principal, not an agent), exposure or rights to the variable returns from the Trust, and the ability to use its power to affect OPG's returns from its involvement with the Trust OPG has the ability to use its power over the relevant activities of the Trust to affect its returns from its involvement with the Trust through the variable fee component. Further, the Trust's ability to use its power to affect returns is in a manner that is consistent with being a principal. See Appendix B for Principal-Agent analysis.
Assessment	OPG has the ability to use its power to affect returns of the Trust.

Conclusion:

Based on *Bill 132 – An Act to enact the Ontario Fair Hydro Plan Act, 2017 and to make amendments to the Electricity Act, 1998 and the Ontario Energy Board Act, 1998*, legislation as introduced on May 11, 2017, the conditions to ensure the ability of OPG to consolidate the operations of the Trust have not fully been reflected. As noted in Appendix A, several conditions must be evident in the Regulations, Trust documents, and various other agreements which are not yet drafted and therefore not yet available for our review and assessment. In OPG's assessment, while no current clause of the Legislation would hamper the ability to effect a consolidation within OPG Inc.'s financial statements, there are several key conditions for consolidation that are currently not present within the Legislation. On the assumption that future Regulations, Trust documents and various other agreements fully capture these operating conditions, and that no new conditions that would conflict with OPG's control of the trust are introduced, OPG believes that consolidation of the Trust is supportable.

APPENDIX A:

Terms necessary for OPG to consolidate the Global Adjustment Trust

This analysis is assessed against Bill 132 – An Act to enact the Ontario Fair Hydro Plan Act, 2017 and to make amendments to the Electricity Act, 1998 and the Ontario Energy Board Act, 1998, legislation as introduced on May 11, 2017.

Directive	1 ✓	The Trust must be undertaken by OPG as a business initiative on its merits. A Shareholder Directive is to be limited to direct OPG to investigate the option of establishing a Trust vehicle to administer, finance and operate the Global Adjustment plan and the operation of that Trust and the control, risk and rewards of that Trust will determine its consolidation into OPG as a business enterprise. ***The Province will not direct OPG to participate in the Fair Hydro Plan. A letter was issued from the Minister of Energy to OPG on April 13th requesting OPG's involvement in the implementation of the Fair Hydro Plan. OPG's Board Chair responded to the Minister on April 18th committing OPG to work with the IESO and OEB to develop a plan. OPG will have the option to prepare, implement and amend a financing plan (in accordance with principles set out in legislation) and propose the adoption of such plan as the 'Financing Plan'. OPG will have the right to withdraw its financing plan at any time.***

	8 RT	OPG must have the ability to earn variable returns by exercising its authority, which shall be accomplished as follows: a. The cash flow from the restructured asset shall include interest determined based on a relevant benchmark that is appropriate relative to the restructured asset, plus an appropriate margin consistent with the relevant market and other risks ***The cash flow from the restructured asset will include interest income that is equal to the interest expense (i.e. interest expense is passed back to the ratepayers). The Trust will also receive a margin as discussed in the 'Exposure or rights to variable returns' section above.*** ***Part IV – Implementation – Fees – Section 3 of Legislation addresses that the Financial Services Manager may establish and charge fees, recover costs and expenditures and to earn a return. This is not expected to impact consolidation of the Trust because this is seen as a protective right which is only in affect when a contingency arises and not as a result of the relevant activities of the Trust.***
Legislation	9 ✓	The Legislation must require interest, carrying and administrative costs to be paid to the Trust on a monthly basis, so that the Trust is able to recognize appropriate revenue to offset any ongoing costs. ***Under Part III – Clean Energy Adjustment – Section 13(3) – Terms of the Legislation, the expectation is that the Legislation will allow for interest payments to be paid to the Trust on a monthly basis in cash. The Trust will not accrue interest to the current intangible asset balances but this interest amount could form part of future intangible assets that are purchased from the IESO.***
	10 RT	The Legislation must dictate the manner in which the restructured asset would be determined, collected, and the period of collection, so that the determination of the restructured asset will not be subject to the Province's decisions on an ongoing basis, but determined based on a formula. Alternatively, the Legislation may allow for an adjustment to the pre-determined deferral formula based on specific parameters that would limit the adjustment to the restructured asset. Adjustments beyond the specific parameters would require approval by the Board of Trustee. ***The Regulations are expected to dictate the 'Fair Allocation Amount' which will be based on high level Principles and***

APPENDIX B:

Link between power and returns: principal-agency situations

The third criterion for having control is that the investor must have the ability to use its power over the investee to affect the amount of the investor's returns. When decision-making rights have been delegated or are being held for the benefit of others, it is necessary to assess whether the decision-maker is a principal or an agent to determine whether it has control. This is because if the decision-maker has been delegated rights that give it power, the decision-maker must assess whether those rights give it power for its own benefit, or merely power for the benefit of others. As an agent cannot have control over the investee, it does not consolidate the investee. A principal may have control over the investee, and if so, would consolidate the investee.

A decision maker shall consider the overall relationship between itself, the investee being managed and other parties involved with the investee, in particular all the factors below, in determining whether it is an agent:

a) the scope of its decision-making authority over the investee

   As discussed above, OPG has decision-making authority over the Trust and its relevant activities. The Province has no right to determine what sort of funding decisions OPG should make to fund the intangible assets that they will purchase and OPG can choose not to purchase future intangible asset purchases.

   Terms necessary for OPG to consolidate the Global Adjustment Trust (Appendix A) to support this point: 1, 2, 3, 4, 5

b) the rights held by other parties (paragraphs B64–B67).

   There are no substantive removal rights held by the Province for debt that already exists in the Trust.

   Terms necessary for OPG to consolidate the Global Adjustment Trust (Appendix A) to support this point: 3, 4, 5

c) the remuneration to which it is entitled in accordance with the remuneration agreement(s) (paragraphs B68–B70).

   See section on 'Exposure or rights to variable returns' above.

   Terms necessary for OPG to consolidate the Global Adjustment Trust (Appendix A) to support this point: 6, 7, 8, 9

d) the decision maker's exposure to variability of returns from other interests that it holds in the investee (paragraphs B71 and B72).

   See section on 'Exposure or rights to variable returns' above.

   OPG will receive a 44% equity injection from the Province of Ontario, indirectly through the Ontario Financing Authority. Given that currently, the majority (currently 51%) of the Trust debt will be from External Markets and not the Province, it can be argued that OPG did not receive the majority of its interest in the investee as a contribution or loan from the Province. This shows that OPG is a principal, not a de-facto agent.

Terms necessary for OPG to consolidate the Global Adjustment Trust (Appendix A) to support this point: 6, 7, 8, 9

Conclusion: OPG is not an agent for the Province as the arrangement does not provide for the Province to directly absorb any variability associated with the structure. If the Province decides to intervene at a later date due to evolving market conditions, an assessment would be made at that future date.

Analysis on whether OPG is an agent for ratepayers

OPG is not an agent for the ratepayers because OPG has substantive exposure to risk of loss of its own funds. The ratepayers do not have any of their own funds in any of the subordinated tranches and further, no decision making authority is delegated to the ratepayers relating to the relevant activities of the Trust.

Analysis on whether OPG is an agent for the IESO

OPG is not an agent of the IESO because the IESO faces no continuing risk of loss after sale of the intangible asset to OPG.

Subject: RE: Ontario Fair Hydro Plan

Carolyn,

OPG, Torys, the Dealers, Oslers and Hunton & Williams had a call yesterday with a view to coming up with broader issues for discussion at this afternoon's meeting. Below is a list of what we believe are the broader issues. We expect that on the drafting issues you and Blakes continue to try to move legislative counsel closer to the last version of the Blakes memo that you circulated along with the draft Bill on Saturday night. We are inclined to leave you to pursue that process and will reserve any drafting comments until we see the next version of the Bill.

Our larger issues are:

1. It appears as though IESO will not be able to create a funding shortfall (regulatory asset) in a month when the Fair Adjustment would be less than "Past Over-Charges". How will Investors be able to get comfort that IESO is not selling an asset to a Financing Entity (FE) that might exceed "Past Over-Charges" ? Is there transparency around this calculation ? Is the information that would be required to due diligence this point publicly available ? Would it be reasonable to suggest that we could get a certification from MOE before each financing that the IESO shortfall together with all previous IESO shortfalls under this Act would not exceed Past Over-Charges ?

2. According to the note after s. 5 there will be a five year moratorium on clean energy adjustments (contrary to what we had been led to believe). This means that it will be necessary to capitalize all interest, financing charges and other expenses for five years. Hopefully this is just a case of the legislative drafting being behind the decision making. However, if this is the intention then it is a big problem. In additional to the financing challenges, we are advised that in order for the desired accounting treatment to be available it is necessary that there be sufficient cash flow to service the debt on a current basis. It will not be sufficient to purchase the regulatory asset at a deep discount or pay interest and expenses out of cash reserves.

3. In light of 2, the absence of a market disruption guarantee in s. 4 is most concerning. A market disruption guarantee could be contained in a contractual undertaking by the Crown, but since it is not included in s.4(3) lenders would have to be comfortable that the Province could do this outside of the provisions of the Act. We

suggest that section 4(3) be revised to provide the Minister with the broadest possible authority to enter into agreements in support of the Fair Allocation Plan rather than the limited scope currently provided.

4. We need more specificity around the "funding obligation" definition. Permit this definition to refer to the Regs (ie, “payment obligations as may be prescribed”).

5. How will Investors get comfortable that particular funding obligations have been incurred in accordance with the Financing Plan. The proposal in s. 9x(2)(b) is one solution but there appears to be some reluctance in the note to draft. I am not sure there is anyone else other than the Province who is capable of covering the consequences if a funding obligation is declared invalid because it was not issued in accordance with the FP, but this does not appear to be covered by s. 4. Our understanding was that there should be no adverse consequences if funding obligations are issued in a way that does not fit the Financing Plan. This is far from clear in the draft Bill.

6. In s. 12x(3) IESO should not have a statutory duty to "make reasonably diligent efforts". The standard of care should be set out in the applicable agreements and we expect that it will be to use the same standard of care that IESO currently uses in its role of collecting the GA amounts for electricity generators. But the standard should not be hardwired into the statute. We are all in agreement that IESO is not guaranteeing collections.

7. Section 8.1, items 2 to 6 are far too vague to be able to verify compliance. In any event, Investors cannot be expected to take a risk that their debt is not incompliance with the FAP. There needs to be some way to get assurances from the Province that once the Financial Services Manager has authorized the issuance of funding obligations by a Financing Entity there is no risk of such debt being declared invalidly issued or being declared as unauthorized debt.

8. In section 8.0.1(a) we would like an explanation of what is intended to be included. It is not clear to our regulatory lawyers that this is all “green energy”.

9. Section 11(1) must not state that the Financing Plan is cost-effective. It will clearly not be as cost-effective as direct funding by the Province.

10. There is still no restriction on who can be an owner of an investment asset (although section 26(1) appears to be heading in that direction). Is it necessary to define Financing Entity and limit investment asset owners to FEs, or is it OK to have an operating enterprise as an investment asset owner so long as it is administered by OPG on behalf of Brookfield ? Dealers have a concern that perhaps the Province (through an agency or Crown corporation) could become an investment asset owner and through something like a “collective rights agreement” affect the rights of other investors.

11. Section 22(1) needs to define the IESO funding shortfall precisely and determinatively. It cannot be subject to 22(1.1)(1). It must be determined each month before it is sold. Also, the Act should provide the basis by which IESO (in the absence of a transfer) would be entitled to recover this shortfall. (We understand that is required in order for IESO to treat the shortfall as a regulatory asset.) Also, s. 22.1(1) is a problem because we cannot have the recorded amount subject to an approval order from OEB (otherwise, any financing would be conditional on getting that order and ensuring that any possible appeal process has expired). Section 22.1(3) seems to contradict 22.1(1). Section 22.2(2) can't be based on actual use; it can only be based on estimated use. In sum, this section needs lots of work and probably much of it can be moved to the Regs.

12. Sections 23(1) and 23(2). We can't have the transfer of a regulatory asset be subject to the Financing Plan. Also, can't impose restrictions on the price at which IESO sells the regulatory asset. Sales must be conclusive and not subject to post-closing analysis.

13. Section 23.1 is a key section and it currently does not work as it should (hopefully because legislative counsel were working of an old version of the Blakes memo). I would redraft that section to read as follows:

'Upon transfer of the regulatory asset or a portion thereof to a transferee, the regulatory asset or portion thereof shall comprise a portion of the investment asset recoverable by the transferee in accordance with this Act and shall be immediately vested in such transferee."

I think it is also important to update the definition of "transfer" to catch the latest changes to the definition of "Disposition" in the Blakes memo (ie, that it includes a release by IESO of its right to recover its regulatory asset in order to enable the investment asset owner to recover such amount).

In a separate email we will also be sending to you and a smaller group than this some tax comments from OPG's perspective.

All - Please find attached the draft “Intergenerational Fairness in Hydro Rates Act, 2017”. A tremendous amount of work has gone into getting to this draft and much more work is required to get this ready for the House. The goal of sharing this document now is to further the process we have engaged in over the last weeks. In the attached, we have included notes to try to address where the drafting is not yet consistent with our thinking. These notes are neither comprehensive nor complete. They are intended only as flags and as colour to the draft. We have not forgotten the comments that you have already provided and we are continuing to working through the translation of the commercial terms we have been discussing into legislative language.

For ease of reference, included with the draft bill are the partially updated Blakes’ summary, a chart that attempts links the articles in that document to the sections of the bill (which is imperfectly numbered at best) and excerpts from the Electricity Act and the Ontario Energy Board Act, related to the consequential amendments.

In your review, please focus on the broad stroke concepts, rather than the minutia, and keep in mind the cascade of instruments that will be required – legislation first, then regulations and finally commercial agreements. We look forward to discussing the broader concepts on Monday

August 29, 2017

Dear Madam:

In connection with the preparation of a technical accounting paper by the Office of the Provincial Controller Department (the "OPCD") related to the Fair Hydro Plan, 2017, KPMG LLP ("KPMG") understands that the OPCD has requested that a copy of our Memorandum to File dated July 25, 2017 be provided to their accounting adviser, Ernst and Young LLP ("EY"). In regards to this request, the Independent Electricity System Operator ("the IESO") has asked that we allow EY access to our Memorandum to File prepared in connection with our audit of the 2016 financial statements of the IESO. We have received authorization from IESO management to allow EY such access to our Memorandum prepared in the course of the audit.

Our audit of the 2016 financial statements of the IESO was conducted in accordance with generally accepted auditing standards, the objective of which was to form an opinion on whether the financial statements, which are the responsibility and representations of management of the IESO, present fairly, in all material respects, the financial position and results of operations and cash flows of the IESO in conformity with generally accepted accounting principles. Under those standards, we have the responsibility, within the inherent limitations of the auditing process, to design our audit to provide reasonable assurance of detecting errors and irregularities that are material to the financial statements and to exercise due care in the conduct of our audit. The concept of selective testing of the data being audited, which involves judgment regarding both the number of transactions to be audited and the areas to be tested, has been generally accepted as a valid and sufficient basis for an auditor to express an opinion on financial statements. Thus, our audit, based on the concept of selective testing, is subject to the inherent risk that material errors or irregularities, if they exist, will not be detected. In addition, an audit does not address the possibility that material errors or irregularities may occur in the future. The conduct of an audit requires the application of professional judgment and the assessment of materiality in connection with financial statement assertions.

Our audit of the IESO's 2016 financial statements was not planned or conducted in contemplation of the preparation of a technical accounting paper related to the Fair Hydro Plan and may not be appropriate for your purposes. Items of possible interest to OPCD may not have been specifically addressed.

We have not reported on the IESO's financial statements for any period subsequent to December 31, 2016 and significant events may have occurred since that date. Our Memorandum prepared in connection therewith and our responses to EY's questions, should not be taken to supplant other inquiries

KPMG LLP is a Canadian limited liability partnership and a member firm of the KPMG network of independent member firms affiliated with KPMG International Cooperative ("KPMG International"), a Swiss entity. KPMG Canada provides services to KPMG LLP.

and procedures that OPCD should undertake for the preparation of the technical accounting paper described above or for any other purpose.

We accept no responsibility whatsoever for any reliance that OPCD, EY or any other person or body may place on the information provided by us.

In consideration of our permitting access to the Memorandum referred to above and for providing explanations relating to it if asked, and to the information contained therein, OPCD (on behalf of itself, all parties acting for it in the preparation of the technical accounting paper, all recipients of the technical accounting paper, all connected persons and entities and the accounting adviser EY - “the OPCD Parties”) agrees that:

a) such access to our Memorandum and provision of information and explanations is not provided pursuant to any agreement or other arrangements of a contractually binding nature between our firm and any of the OPCD Parties;

b) the OPCD Parties do not acquire any rights against our firm or otherwise as a result of such access or as a result of what our Memorandum contain;

c) our firm, our partners and staff do not have any duties, responsibilities, liabilities, or obligations to the OPCD Parties as a result of permitting such access or providing such information and explanations;

d) the OPCD Parties will not commence any action, suit or proceeding or make any demand, complaint or claim against us arising out of permitting such access or providing such information and explanation, or for any omission therein unless such action, suit or proceeding arises from our willful misconduct or failure to act in good faith in responding to specific questions raised by Ernst and Young.

OPCD also agrees that except as required by law, the information acquired as a result of the review of our Memorandum will be maintained in confidence and will not be disclosed to any third party (except as otherwise permitted herein) and will be used by it and EY in connection with the preparation of the technical accounting paper described above and that it will show this letter to, and secure the commitment to the provisions of this paragraph by EY.

Please confirm your agreement with the foregoing by signing and dating a copy of this letter and returning it to us.

Yours very truly

Dear Madam:

We write in connection with our Memorandum to File dated July 25, 2017, which addressed the issues raised by the Office of the Auditor General in its email sent to John Gordon on June 20, 2017, regarding our audit opinion of the financial statements of the Independent Electricity System Operator ("the IESO") for the financial year ended December 31, 2016.

KPMG LLP ("KPMG") understands that the Office of the Provincial Controller Department (the "OPCD") has requested that a copy of our Memorandum be provided to their accounting adviser, Ernst and Young LLP ("EY"), to assist in their preparation of a technical accounting paper addressing similar issues to those contained in our Memorandum. We agree to the IESO providing a copy of the Memorandum to Ernst and Young LLP.

The IESO will accept the risk, and not hold KPMG responsible, if providing the Memorandum to Ernst and Young LLP directly or indirectly results in any actions, damages, claims, fines, penalties, complaints, demands, suits, proceedings, liabilities, costs, expenses, or losses (collectively "Claims") against or to the IESO.

In the event of any Claims by any third party against KPMG that directly or indirectly arise out of or relate to the IESO providing a copy of the Memorandum to EY, the IESO will indemnify and hold harmless KPMG from all such Claims, including without limitation, reasonable legal fees, except to the extent finally determined to have resulted from the intentional, deliberate or fraudulent misconduct of KPMG.

For purposes of this letter, the term "KPMG" shall include its subsidiaries, its associated and affiliated entities and their respective current and former partners, directors, officers, employees, agents and representatives. This letter shall apply regardless of the form of Claim, whether in contract, statute, tort (including, without limitation, negligence) or otherwise.

Please indicate your acceptance to the terms of this letter and to our providing the requested information to the recipient by signing and returning a copy of this letter to the undersigned.

Dear Madam:

In connection with the preparation of a technical accounting paper by the Office of the Provincial Controller Division, Treasury Board Secretariat (the "Recipient") related to the Fair Hydro Plan, 2017, KPMG LLP ("KPMG") understands that you have requested a copy of our letter to IESO, dated February 12, 2018, regarding our accounting opinion on the application of PSAS to the consolidation of a trust, and to the recognition and derecognition of a variance account in relation to the Ontario Fair Hydro Plan Act, 2017 (the "Document").

KPMG is prepared to consent to IESO providing you with a copy of the Document subject to your agreement to the terms of this letter agreement.

The Document was prepared solely in accordance with the specific terms of reference (the "Engagement Letter") agreed between ourselves and IESO for their exclusive use and for no other purpose.

The Document should not be regarded as suitable for use by any person or persons other than the addressees of the Document or for any purpose other than set out in the Engagement Letter. We accept no responsibility or liability for any reliance that the Recipient may place on the Document.

You should note that we have not sought to update the Document for events subsequent to February 12, 2018 and significant events may well have occurred since that date.

In consideration of IESO providing the Document to the Recipient, the Recipient hereby agrees to the following:

d) The Recipient does not acquire any rights against our firm or otherwise as a result of our agreement to disclose the Document to the Recipient;

e) Our firm and personnel do not have any duties, responsibilities, liabilities or obligations to the Recipient relating to the Document; and

f) The Recipient will not commence any action, suit or proceeding or make any demand, complaint or claim against us relating to the Document.

Also, in the event of a claim against KPMG or its personnel which arises out of or relates to our providing access to the Document by the Recipient, the Recipient will indemnify and hold harmless KPMG, its partners and personnel from all such claims, liabilities, damages, costs and expenses.

Further the Recipient agrees that the Document will be maintained by it in strict confidence and not disclosed to any other party, will be used by it only in connection with purpose described above, and that the Recipient will notify KPMG promptly of any request received by Recipient from any court, regulatory authority or other person or entity with respect to the Document.

This letter sets out the entire understanding of the parties in relation to the conditions upon which access to the Document is provided and replaces all prior understandings, if any, made by KPMG.

Please indicate your acceptance to the terms of this letter by signing and returning one copy of this letter to the undersigned.

Dear Madam:

In connection with the Government of Ontario's Fair Hydro Plan, IESO has requested that KPMG LLP ("**KPMG**") consent to the provision of a copy of our letter to IESO, dated February 12, 2018, regarding our accounting opinion on the application of PSAS to the consolidation of a trust, and to the recognition and derecognition of a variance account in relation to the Ontario Fair Hydro Plan Act, 2017 (the "**Document**") to the Office of the Provincial Controller, Ontario Treasury Board Secretariat (the "**Recipient**").

Hi Nadine:

Pls find attached an updated issue tracker which has been revised to include a list of possible white papers and related considerations. We spoke with the OPG team earlier this week so we can provide an update on those discussions tomorrow morning as well as discuss comments on the updated version of the legislation.

I will do my best to be on the call tomorrow. If I can't though, both Blake and Lee Anne have indicated that they expect to be on the call.

Thanks,

Suzie

Comments (Additional information)
Individual white papers to be combined to form final document
consider market, dealers, OPG role, etc. Wait to see support from OPG paper on the substance of the transaction.

- current acctg is that it does not meet criteria of financial asset for OPG because buying from a ratepayer class and not an RRA in OPG because no costs incurred by Trust which leaves intangible but then need to explain impact of financing costs on the asset. Understand that OPG Trust will bill IESO for interest and admin costs - included in the RRA - trust will borrow to buy that RRA component. Also, consider how intangible will be derecognized. Waiting on OPG/IESO papers

including map out of entries

-waiting on IESO memo

guarantee, termination clause, kick out rights, other entities involved in transaction; consider accounting if in, say 5 years, new legislation comes along that wipes out the structure - waiting on OPG paper as base

understanding of how FAP/FP/rate setting will work together and achieve appropriate deferrals and financing along with changes to those throughout the period (year 1-5, year 6, etc.)

include discussion with OPG EY team

Comments on consultation v3 sent April 22; comments on April 26 v4 of legislation provided on April 27

producers and users that you could share with us. I've included the following in a deck re: the market accounts and wanted to have a few other entity names to reference. I don't need a complete list, so even 5 of the largest on each side would be great. Today if possible.

Thanks,

§ The IESO is a party to the contracts with each market participant, and each market participant either owes an amount to the IESO or is owed an amount from the IESO.

§ For example:

- Ontario Power Generation has a receivable from IESO recorded on its financial statements related to power generated, and historically, IESO did not have a payable recorded to Ontario Power Generation – now it does

- Hydro One has a payable to IESO recorded on its financial statements related to power purchases, and historically, IESO did not have a receivable recorded from Hydro One – now it does

I've been asked to share the account below with you.

The Globe is also pressing KPMG with more questions. We will likely respond on Monday with the same answers as before, repackaged. If the substance is different, we will canvass you first as usual.

My observation (not my client's) - this has been an arduous experience. Obviously, for your client too.

Let's stay close as this unfolds.

Subject: Meeting between AGO and Elio Luongo - Privileged and Confidential

Elio and I went to AGO office on Thursday afternoon. In attendance from AGO were bonnie Lysyk, Susan Klein and an individual that took notes. There was no indication of any reason why we wouldn't share the outcome of this discussion with our client.

Summary of the discussion:

· Bonnie talked through the background, providing Elio with her perspective on the problem and concern. Her comments here were similar to those of previous meetings

· She talked about how she knows that they are right, because they understand government accounting;

· She referred to her due diligence involving Tim Beauchamp (former director/staff at PSAB);

· She referred to letters from other AG offices in Canada

· She referred to letters from other firms. She acknowledged the comments in our letter of earlier in the day. Elio asked about whether any of those firms were big 4 firms. Again she refused to provide any info on who they were, noting that to do so would make it difficult for them to work with her in the future (which is a curious comment that transparency of their work would be concern to them)

· She criticized us for not engaging in discussion with her team on the technical aspects of the materials provided to us.

· She asked about our internal due diligence. We indicated that we had involved many senior people including Dowad, Owen, Dotzlaw, Janet Allen, Picard, and Betik. She asked about Janel Allen, and we indicated that she was a retired partner that had been involved prior to her retirement. Bonnie made a somewhat vague comment about how she understood that someone that had left the firm might now have a different view. (I Subsequently spoke to Janet Allen and she has not had any discussions with AGO reps since retirement).

· Bonnie referred to emails that indicated contrary views to the final view. She did not seem to accept that the thought process, and accordingly the emails, reflected a process of research, and evolving thinking on basis of that research.

· Bonnie referred to her right to timely communication on accounting policy changes, and how we had missed those deadlines in Feb 2017, until it was too late. She did not acknowledge that the Province reporting timeline is 3 months later;

· Bonnie referred to our participation in the press briefing with our client and reps from the Province. I indicated that our role there was no different than at any AGM. Our client asked us to attend in case there were questions about our audit. (there were no questions)

· Bonnie referred to Mat advising the Board/AC of IESO that “this” wasn’t a good idea (subsequently Mat Betik advises that he has not recollection of any such comments)

· Bonnie referred to conflict (from her perspective) of being involved in advising IESO and also as auditors;

· Bonnie asked us why we would not accept her suggestion of changing to “an appropriately disclosed basis of accounting”. I indicated that this would require a regulation to be issued, and IESO to make a different decision on accounting policies, both of which were out of our control. She suggested that a regulation could be passed quickly. I suggested that it might be unlikely that the Government would do that

· Bonnie asked again why we didn’t encourage our client to have us do a joint audit. We indicated that this was a matter for them to decide. We indicated that we ensured they were aware of her comments, but that this was out of our control;

· Bonnie encouraged us to resign for a period of 1 or 2 years, and that the AGO could “clean this up” and we could resume our role as auditors after that – noted that “I don’t want to be auditors for the long term”. It was not clear whether she was referring to resigning before the completion of our 2017 audit, or form future audits.

· Bonnie referred to the Board of IESO saying that “I have never seen anything like it”. Not clear what she meant.

· Elio spoke about how Bill Thomas had advised him of this matter after the AGO call to Bill last year, and how he had ensured we were taking this matter seriously, and had ensure we had the right people involved such as Gordon and our most senior technical people, and that we had engaged DT

· Bonnie asked about our process to select the partner at DT. We indicated again, that our request was to the leader of their professional Practice Group. She indicated that Kerry Danyluk did not have experience in the area. We indicated that our report was from DT as a firm, and that we were aware that they had involved a number of people rather than just KD.

· I indicated that while our team had previous opportunities to hear the AGOs perspective, this discussion had been useful for Elio, and that it would be constructive for him to go back and discuss with our team. We referred to the acceptance (as noted in our letter) of the AGOs request for another technical session. She had not yet had a chance to read that letter, or share it with her team. She asked about the adjustment to the iESO process/timing and we referred to our understanding that they were willing to wait until after March 6th .

I've been asked to share the account below with you.

The Globe is also pressing KPMG with more questions. We will likely respond on Monday with the same answers as before, repackaged. If the substance is different, we will canvass you first as usual.

My observation (not my client's) - this has been an arduous experience. Obviously, for your client too.

Let's stay close as this unfolds.

Subject: Meeting between AGO and Elio Luongo - Privileged and Confidential

Elio and I went to AGO office on Thursday afternoon. In attendance from AGO were bonnie Lysyk, Susan Klein and an individual that took notes. There was no indication of any reason why we wouldn't share the outcome of this discussion with our client.

Summary of the discussion:

· Bonnie talked through the background, providing Elio with her perspective on the problem and concern. Her comments here were similar to those of previous meetings

· She talked about how she knows that they are right, because they understand government accounting;

· She referred to her due diligence involving Tim Beauchamp (former director/staff at PSAB);

· She referred to letters from other AG offices in Canada

· She referred to letters from other firms. She acknowledged the comments in our letter of earlier in the day. Elio asked about whether any of those firms were big 4 firms. Again she refused to provide any info on who they were, noting that to do so would make it difficult for them to work with her in the future (which is a curious comment that transparency of their work would be concern to them)

· She criticized us for not engaging in discussion with her team on the technical aspects of the materials provided to us.

· She asked about our internal due diligence. We indicated that we had involved many senior people including Dowad, Owen, Dotzlaw, Janet Allen, Picard, and Betik. She asked about Janel Allen, and we indicated that she was a retired partner that had been involved prior to her retirement. Bonnie made a somewhat vague comment about how she understood that someone that had left the firm might now have a different view. (I Subsequently spoke to Janet Allen and she has not had any discussions with AGO reps since retirement).

· Bonnie referred to emails that indicated contrary views to the final view. She did not seem to accept that the thought process, and accordingly the emails, reflected a process of research, and evolving thinking on basis of that research.

· Bonnie referred to her right to timely communication on accounting policy changes, and how we had missed those deadlines in Feb 2017, until it was too late. She did not acknowledge that the Province reporting timeline is 3 months later;

· Bonnie referred to our participation in the press briefing with our client and reps from the Province. I indicated that our role there was no different than at any AGM. Our client asked us to attend in case there were questions about our audit. (there were no questions)

· Bonnie referred to Mat advising the Board/AC of IESO that “this” wasn’t a good idea (subsequently Mat Betik advises that he has not recollection of any such comments)

· Bonnie referred to conflict (from her perspective) of being involved in advising IESO and also as auditors;

· Bonnie asked us why we would not accept her suggestion of changing to “an appropriately disclosed basis of accounting”. I indicated that this would require a regulation to be issued, and IESO to make a different decision on accounting policies, both of which were out of our control. She suggested that a regulation could be passed quickly. I suggested that it might be unlikely that the Government would do that

· Bonnie asked again why we didn’t encourage our client to have us do a joint audit. We indicated that this was a matter for them to decide. We indicated that we ensured they were aware of her comments, but that this was out of our control;

· Bonnie encouraged us to resign for a period of 1 or 2 years, and that the AGO could “clean this up” and we could resume our role as auditors after that – noted that “I don’t want to be auditors for the long term”. It was not clear whether she was referring to resigning before the completion of our 2017 audit, or form future audits.

· Bonnie referred to the Board of IESO saying that “I have never seen anything like it”. Not clear what she meant.

· Elio spoke about how Bill Thomas had advised him of this matter after the AGO call to Bill last year, and how he had ensured we were taking this matter seriously, and had ensure we had the right people involved such as Gordon and our most senior technical people, and that we had engaged DT

· Bonnie asked about our process to select the partner at DT. We indicated again, that our request was to the leader of their professional Practice Group. She indicated that Kerry Danyluk did not have experience in the area. We indicated that our report was from DT as a firm, and that we were aware that they had involved a number of people rather than just KD.

· I indicated that while our team had previous opportunities to hear the AGOs perspective, this discussion had been useful for Elio, and that it would be constructive for him to go back and discuss with our team. We referred to the acceptance (as noted in our letter) of the AGOs request for another technical session. She had not yet had a chance to read that letter, or share it with her team. She asked about the adjustment to the iESO process/timing and we referred to our understanding that they were willing to wait until after March 6th .

All - Please find attached the next turn in the consultation draft (v.3) of the proposed legislation. We have been working to address the feedback that you provided earlier in the week. A number of points remain in progress. As with the earlier versions, by sharing this document, we hope to continue to advance our discussions.

Our timeline has been extended and we are now working to a pens down date of April 28th. We will not get another extension. Accordingly, we ask for your detailed, written comments on the draft, which we require no later than Sunday at noon.

We will continue to work on the bill in the interim, so earlier instructions are helpful to us. With your input on this timeline, we expect to be able to provide one more circulation around Tuesday or Wednesday next week.

We have not had the opportunity to add notes or to update our crosswalk to the Blakes summary document.

We look forward to receiving your written comments.

Subject: Ontario Fair Hydro Plan

All - Please find attached the draft "Intergenerational Fairness in Hydro Rates Act, 2017". A tremendous amount of work has gone into getting to this draft and much more work is required to get this ready for the House. The goal of sharing this document now is to further the process we have engaged in over the last weeks. In the attached, we have included notes to try to address where the drafting is not yet consistent with our thinking. These notes are neither comprehensive nor complete. They are intended only as flags and as colour to the draft. We have not forgotten the comments that you have already provided and we are continuing to working through the translation of the commercial terms we have been discussing into legislative language.

For ease of reference, included with the draft bill are the partially updated Blakes' summary, a chart that attempts links the articles in that document to the sections of the bill (which is imperfectly numbered at best) and excerpts from the Electricity Act and the Ontario Energy Board Act, related to the consequential amendments.

In your review, please focus on the broad stroke concepts, rather than the minutia, and keep in mind the cascade of instruments that will be required – legislation first, then regulations and finally commercial agreements. We look forward to discussing the broader concepts on Monday

Sub-meter customers

(3) A specified consumer who provides electricity to a sub-meter customer and any unit sub-meter provider who provides unit sub-metering for the specified consumer shall ensure that the rate payable by each sub-meter customer is the rate determined under subsection (2).

(a) determined by the Board within seven business days after this section receives Royal Assent; and

(b) effective as of the first day of the calendar month immediately following the determination.

Fair adjustment, May 1, 2018 to April 30, 2022

7xx. The Lieutenant Governor in Council may, [to more fairly measure and allocate the clean energy costs and clean energy benefits among present and future generations of specified consumers,] make regulations prescribing the rate for electricity payable by specified consumers and sub-meter customers during the period beginning on May 1, 2018 and ending on April 30, 2022.

True up amount

(2) For the purposes of paragraph 2 of subsection (1), the Lieutenant Governor in Council may make regulations prescribing the method for determining the true up amount, having regard to the following principles:

1. The true up amount should serve to ensure that the collection of the clean energy adjustment is sufficient to pay the estimated finance amount when it is due.

2. The method for determining the true up amount should take into account historical and reasonably foreseeable,

Confidential Draft

The amount, if any, by which the estimated [clean energy costs] [clean energy benefits] to be allocated to specified consumers in respect of the reference period exceeds the estimated amount of [the global adjustment] that would be borne by the specified consumers in respect of clean energy costs [in the absence of this Act].

2. An allocable portion of the value of any fair adjustment, determined in accordance with subsection (3).

Principles

(2) In calculating the fair allocation amount [or in developing the fair allocation calculation?], subject to subsection (3), the Financial Services Manager shall have regard to the following principles:

Hi

Attached for your information is a draft briefing note on Ministry of Energy's s. 28 (FAA) request for approval of indemnities for OPG and IESO. A number of clarifications have been requested from OPG/IESO mainly related to the scope of the indemnity request.

This draft note is also intended to facilitate coordination as necessary in various ongoing discussions such as IESO/OPG indemnities, provincial guarantees, PiLs exemption. I'm not sure if the indemnity may also have implications for accounting treatment.

Comments welcome.

OFHP_GA - OPG IESO Indemnities - FAA s28 - BN_v10.pdf

MINISTER OF ENERGY REQUEST FOR SECTION 28 APPROVAL FOR INDEMNITY AGREEMENTS IN FAVOUR OF OPG AND IESO FOR THEIR PARTICIPATION UNDER THE ONTARIO FAIR HYDRO PLAN ACT

ISSUE

The Minister of Energy is requesting approval from the Minister of Finance, pursuant to Section 28 of the *Financial Administration Act (*"FAA"*)* to enter into Indemnity Agreements ("Agreements"), on behalf of the Crown, in favour of Ontario Power Generation ("OPG"),and its subsidiaries and the Independent Electricity System Operator ("IESO") with respect to their respective roles in carrying out the implementation of the Ontario Fair Hydro Plan ("OFHP") under the *Ontario Fair Hydro Plan Act, 2017* (the "OFHP Act"). The indemnities would extend to the directors, officers and employees of these entities as well as the agents of the IESO.

Section 28 of the FAA requires that all ministries and public entities request the prior written approval of the Minister of Finance or the President of the Treasury Board for any transaction or commitment that would directly or indirectly increase the indebtedness or contingent liabilities of Ontario.

- The Minister of Energy would sign an Indemnity Agreement in favour of OPG and in favour of IESO.
- The Ministry of Energy indicates both OPG and the IESO expect to carry out activities that fall outside the scope of their pre-OFHP typical business activities and corporate mandate. This creates the risk that such activities could be perceived as not being carried out in "good faith" or in the best interest of the corporation thereby exposing OPG and/or the IESO to increased liability (pre-existing statutory protections from liability only extend to "good faith acts").
- In addition, statutory protections do not indemnify for costs relating to defending a claim.

Commented [A1]: Would Energy think it fair to add this wording to its business case?

RECOMMENDATION

- IESO and OPG have stated that these indemnities are required for their participation in the implementation of the OFHP Act.
- In order for the OFHP Act to be successful, it is recommended by the Minister of Energy that the Minister of Finance approve this request.
- [The requirement for indemnities was referenced in the recent Cabinet Submission by Minister of Energy, dated _____.]

Commented [A2]: This is placeholder language. TBD/TBC

WHAT IS THE MINISTER BEING ASKED TO SIGN?

- The Minister is being asked to sign the section 28 approval forms and the transmittal letter to Minister Thibeault.

FISCAL IMPACT

- The fiscal impact of a future indemnity claim is unknown. Ministry of Energy ("MENE") states that the likelihood of this indemnity being called upon is low and that the fiscal exposure is unquantifiable at this time.
- An line item or an appropriation for the contingent liability is not required by the Ministry of Energy at this time.
- An approval would be required for a voted appropriation for the Ministry of Energy to make payments if indemnity was called upon.
- MENE has confirmed in its [draft] request letter that it bears responsibility for funding, within its approved allocation, for payments associated with the indemnities provided under the Agreements.

Commented [A3]: Is this statement in the business case? P. 5 says "The risk to the Province of giving the indemnities is undeterminable at this time." Whereas the contingent liability table says it is low.
Can we have MENE to put this right up front. Need a bit of a narrative – what we [Energy] believe and why.

Commented [BA4]: We need to make clear what this means. Is it meaningful to claim to be responsible for funding if amount is unknown? And bullets above note ministry would need an approval for an appropriation. (This could include no approval and instruction to manage).

SUMMARY OF PROPOSED INDEMNITIES

This summary of the OPG/IESO Indemnity Agreement sets out who is being indemnified, for what, and also addresses the proposed waiver of claims, whereby the Province agrees not to bring certain claims against the indemnified parties.

Who the Indemnity Applies to

- The indemnity is being given in favour of "Protected Persons" which comprises OPG, each of OPG's subsidiaries [NTD: We have not received confirmation of whether the financing entity is a subsidiary of OPG] and each of their respective directors, officers and employees.

- Protected Persons are being indemnified against all losses, costs, damages and other expenses for any amount for which they incur damages in relation to any civil, criminal, administrative, investigative and/or other claim, including a broad range of types of damages. This also includes punitive and a broad range of types of damages that are not always included in an indemnity, such as consequential damages and economic losses. The indemnity also covers costs and expenses for defending themselves. These indemnities are for any act or omission and activity that relates to the Fair Hydro Plan.

What indemnities are being provided?

- The Indemnity Agreement provides that the Protected Person shall not benefit from the indemnity to the extent that the losses are already covered by an insurance policy or another indemnity.
- The indemnity also does not apply where the loss relates to the gross negligence or willful misconduct of the Protected Person. It is also explicitly carved out of this exception that a failure to conduct reasonable due diligence investigation will not in itself constitute gross negligence or willful misconduct, which narrows the exception in the context of disclosure and activities relating to issuing securities in public markets such that failing to conduct due diligence will not necessarily invalidate the Indemnity.
- The indemnity also applies where, in the case of a criminal or administrative proceeding, the Protected Person had a reasonable belief that their conduct was lawful.

- The Indemnity Agreement sets out how the Protected Person should notify the Province of any claims, and how any proceedings should be dealt with amongst the parties, as well as how any expenses and amounts should be paid during the determination of the claim.

The Indemnity Agreement includes a waiver of claim provision, which is not a normal provision for an indemnity agreement.

- This additionally provides that the Province will not make a claim against a Protected Person who is an individual (i.e., does not apply to OPG/IESO or subsidiaries) relating to any activities associated with the Fair Hydro Plan. This does not apply to claims for willful misconduct, dishonesty or gross negligence.

The Indemnity Agreement includes a warranty section given by the Province. In this section the Province Warrants that it has the authority and capacity, and has taken all necessary steps to enter into the Indemnity Agreement.

- This is an unusual provision, but likely relates to the fact that the Province is not the employer of the indemnified party, or the officers and directors are not the officers and directors of the Province.

ANALYSIS

Commented [A5]: s.28 notes usually talk about mitigation, as does the contingent liability table. Anything we can add here?

Scope of liability from Indemnities

The IESO and OPG are asking the Province to agree to indemnify, defend and hold harmless the IESO (and its agents) and OPG (and its subsidiaries), as well as their respective directors, officers and employees, from all claims, liabilities, costs, losses, taxes, fines, penalties judgments (including indirect and consequential damages/loss of profits, economic loss/loss of opportunity) that might, directly or indirectly, be incurred by any of the indemnified entities and individuals in relation to any civil, criminal administrative investigative or other claims or proceedings arising directly or indirectly as a result of the entities or individual's activities, acts and/or omissions in the implementation of or otherwise relating to the OFHP (including where an individual is acting at the request of OPG or IESO in a different capacity than as a director, officer or employee of OPG or a subsidiary).

- The indemnity would also include coverage for the financing entity (SPV), created by OPG, (as a subsidiary of OPG) to facilitate the purchase of the deferred assets ("regulatory assets") under the Global Adjustment ("GA").

Commented [A6]: Has the scope of this indemnity been compared to the proposed Provincial guarantee related to the financing? Is there overlap or duplication?

Commented [A7R6]: Comments from MOF Legal:

Even if Board has indemnities from OPG, wouldn't be able to cover as is not in the best interest of corporation.

MOF Legal: up to Energy to tell us. OPG must have given Board members the normal indemnities.

Bruce Lease one covers the not in the best interest of corporation.

OBCA indemnity: immunity from suit. May indemnity corp. directors and officers. Limited to indemnity in good faith. Other specific provisions exist in EA and FHA.

IESO covers quite a bit. Including Board, directors, employees.

MENE states that the OFHP Act activities of both OPG and the IESO would otherwise fall outside the scope of their typical business activities and corporate mandates. According to MENE, this creates the risk that such activities could be perceived as not being carried out in "good faith" or in the best interest of the corporation, thereby exposing OPG and/or the IESO to increased liability.

Commented [A8]: Fair to insert?

Commented [A9]: Would Energy change this to "historical" in its business case?

Commented [A10R9]: MOF Legal: OPG Board appears to be concerned some would say not in good faith despite objects being changed.

Examples of specific risks to OPG include, without limitation,

- liability as a promoter under Canadian securities laws (or the equivalent, if any, under other applicable securities laws),
- secondary market liability under Canadian and/or other applicable securities laws,
- liability that the signatories to the prospectuses will have (i.e., the individuals signing the prospectus), and
- liability of OPG as the Financial Services Manager under any of the transaction agreements (e.g., the Financial Services Management Agreement, the Administration Agreement, the MSSA, the Master Trust Indenture and any Supplemental Indentures).

Examples of specific risks to the IESO include, without limitation, liability for its role in potential securities offerings of OPG's financing entity, which may come with heightened exposure to liability for the IESO, particularly for offerings into the U.S. market. It is not clear whether the statutory protections would apply federally or in the U.S. context. If they would not extend to a U.S. claim, for example, it would support the need for a separate indemnity for the IESO.

If the indemnities are not provided, ENE indicates that this could affect OPG and IESO's willingness to undertake such activities, jeopardizing the successful implementation of the OFHP Act. Both the IESO and OPG have specifically asked for these Indemnities in order to allow them to carry out their roles in implementing the OFHP Act.

Commented [A11]: Can we know this in advance, or is this only to be known if tested in the courts?

Commented [A12R11]: IESO is indirectly involved. Not clear EA 19(1) for IESO. Unclear whether it'd protect from US suit. OFA Board also raised. MOF Legal: this is a valid point.

Commented [A13]: The business case is somewhat inconsistent on specifically citing directors, or being broader. Which is it?

Key Comments:

In providing the approval under Section 28 of the FAA, it is important to flag the following key items that arise from the Indemnity Agreements that the Minister of Energy is proposing to sign [subject to finalising drafting – TBC].

1. Acting in "Good Faith"

Without duplication of the coverage for liabilities that could arise for OPG and IESO, both are requesting to be indemnified for their activities that may be found to have not been conducted in "good faith" and/or in the best interests for their respective corporations.

Since IESO and OPG are expected to carry out activities under the OFHP that fall outside the scope of their typical business activities and corporate mandate to date, management in IESO and OPG are of the view that this creates the risk that such activities could be perceived as not being carried out in "good faith" or in the best interest of the corporation thereby exposing OPG and/or the IESO and their directors, officers and employees to increased liability.

- The concern seems to be that carrying out activities to implement the OFHP Act, even if in some cases required by the Act would not be considered to be in the best interest of the respective corporation.

  - Is there a difference between acting in good faith in the best interests of the corporation versus acting in good faith in the exercise or performance of powers or duties under the Act?
- Statutory protections from liability only extend to "good faith acts as set out below for IESO directors, officers, employees and agents and for OPG employees".
  - Since OPG is falls under Ontario's *Business Corporations Act* (OBCA), directors and officers of OPG are subject to the standard set out in that Act which includes a limitation on indemnities from corporations, whereby indemnities can only be given to the extent that the directors and officers carried out their activities in good faith and in the best interest of the corporation. The proposed Provincial indemnity, however, would not be restricted to that standard.
  - The standard applicable to directors of IESO is set out in s. 12 of the *Electricity Act, 1988*, i.e., to act honestly and in good faith in the best interests of the IESO and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances.
  - So the standard is similar for both OPG and IESO directors.

Commented [A14]: There is no statutory protection for directors and officers of OPG. Most likely OPG has provided them with a typical indemnity consistent with OBCA provisions

Both the *Electricity Act, 1998* and the *Ontario Fair Hydro Plan Act, 2017*, provide coverages for such liabilities as long as those activities are done in "good faith".

- Subsection 19(1) of the Electricity Act, 1998 already provides IESO directors, officers and employees with the following protection from liability:

  "No action or other civil proceeding shall be commenced against a director, officer, employee or agent of the IESO or a member of a committee or panel established by the board of directors of the IESO for any act done in good faith in the exercise or performance or the intended exercise or performance of a power or duty under any Act, the regulations under any Act, the IESO's licence, the IESO's by-laws or the market rules, or for any neglect or default in the exercise or performance in good faith of such a power or duty."

- Subsection 39(1) of the *Ontario Fair Hydro Plan Act, 2017* also provides similar protection from liability for OPG:

  "No action or other civil proceeding shall be commenced against any employee of the Province or Ontario Power Generation Inc. for any act done in good faith in the exercise or performance or the intended exercise or performance of a power or duty under this Act, the regulations or for any alleged neglect or default in the exercise or performance in good faith of such a power or duty."

Commented [BA15]: Does this mean
- employee of the Province or employee of OPG, or
- employee of the Province or OPG (i.e., the corporation itself)?

2. Potential for Fiscal Exposure of the OFHP Act

In addition to the potential fiscal impact due to a call on the indemnity, there may be a risk associated with the anticipated accounting treatment of the GA Financing portion of the OFHP. With the Province providing guarantee agreements, financial support through credit facilities and

the proposed agreements to indemnify the IESO and OPG, the case for the anticipated accounting treatment of the GA structure could be weakened.

Commented [A16]: Whether to include or not, or how to position it, we should see what OPG and E&Y say on the impact on the accounting opinion.

Commented [A17]: Need to get an update from OPCD on whether the proposed indemnities would have a significant impact on this analysis.

BACKGROUND

- On March 2, 2017, the government announced Ontario's Fair Hydro Plan (the "OFHP"), under which the government will take steps to lower electricity bills [on an after-tax basis] by 25 per cent on average for a typical residential customer, starting July 1, 2017, relative to what the bills would otherwise have been without the OFHP.
- Changes to refinance a portion of the Global Adjustment ("GA") are a component of the 25 per cent rate relief under the OFHP. This includes roles for both IESO and OPG:
  - IESO – legislation imposes certain obligations and requirements on IESO to carry out various activities to implement the OFHP such as the creation of a regulatory asset in relation to deferred costs and the GA financing component of the OFHP, the conveyance of that asset to a financing entity (expected to be established by OPG) and providing a servicing role in recovering the financing entity's funding costs from future ratepayers. IESO may also be required to play a role in potential securities offerings of OPG's financing entity. This may come with heightened exposure to liability for the IESO.
  - OPG – OPG is expected to finance the purchase of the regulatory asset, related to deferred costs, through a financing entity that OPG creates. OPG considers risks associated with these OFHP-related activities to be beyond OPG's usual business/operations. This is particularly true with respect to any securities offerings of OPG's financing entity. Products are expected to be offered into the Canadian and U.S. Markets. As a result, pre-existing indemnities and protections do not adequately protect OPG, its directors, officers and employees.
- The 25 per cent rate relief also includes the rebate amount equivalent to the 8 per cent Provincial portion of the HST that has been in effect since January 1, 2017 under the Ontario Rebate for Electricity Consumers Act, 2016, and the expected savings from the shifting of the Ontario Electricity Support Program ("OESP") and the Rural or Remote Rate Protection program ("RRRP") costs from ratepayers to being funded by the Province.
- The government introduced legislation, passed on May 31, 2017 and received Royal Ascent on June 1, 2017, to enable the implementation of the OFHP Act.

2. For the purposes of subsection 7 (1) of the Act, a hypothetical regulated rate consumer meets the following criteria:

[OLC Note: Section 7 of the Act refers to "a hypothetical regulated rate consumer who meets the prescribed criteria" so we need to prescribe criteria under this section.]

1. The consumer purchases electricity directly from Toronto Hydro.

2. The consumer has an account with Toronto Hydro that falls within the residential-service rate classification as specified in a rate order made by the Board under section 78 of the *Ontario Energy Board Act, 1998*.

3. The consumer is invoiced by Toronto Hydro on a monthly basis.

[OLC Note: To help me understand how the various terminology is meant to operate, does para. 3 above mean that the "billing period" is one month?]

4. The consumer is not invoiced by Toronto Hydro for electricity on an equal monthly payment plan, an equal billing plan or a net metered basis.
5. The consumer is not a rate-assisted consumer within the meaning of section 79.2 of the *Ontario Energy Board Act, 1998*.

6. The consumer uses 750 kilowatt hours of electricity in each billing period.

7. The consumer's time-of-use consumption profile in each billing period is described as follows:

    i. 65 per cent of the consumer's usage occurs during off-peak periods associated with the regulated price referred to as $RPEM_{OFF}$ in section 3.4 of the "Standard Supply Service Code for Electricity Distributors" issued by the Board.

    ii. 17 per cent of the consumer's usage occurs during mid-peak periods associated with the regulated price referred to as $RPEM_{MID}$ in section 3.4 of the "Standard Supply Service Code for Electricity Distributors" issued by the Board.

    iii. 18 per cent of the consumer's usage occurs during on-peak periods associated with the regulated price referred to as $RPEM_{ON}$ in section 3.4 of the "Standard Supply Service Code for Electricity Distributors" issued by the Board.

Regulated rate consumers, first fair adjustment under s. 7 of the Act

3. (1) The Board shall apply the following methodology for the purposes of section 7 of the Act:

1. Subject to subsections (2) and (3), determine the total invoice amount, consisting of the following types of amounts, that would be invoiced in respect of a billing period to a hypothetical regulated rate consumer who meets the criteria set out in section 2:

    i. The commodity price of the electricity under the comparison rates described in subsection 7 (3) of the Act.

    ii. The rates and charges as of May 1, 2017 as set out in the applicable rate order issued by the Board under subsection 78 (3) of the *Ontario Energy Board Act, 1998,* except for the rates and charges related to any rural or remote rate protection compensation required under subsection 79 (4) of the *Ontario Energy Board Act, 1998* or any compensation required under subsection 79.2 (10) of that Act.

    iii. The rates and charges as of April 30, 2017 as set out in the applicable rate order issued by the Board under subsection 78 (3) of the *Ontario Energy Board Act, 1998,* related to any rural or remote rate protection compensation required under subsection 79 (4) of the *Ontario Energy Board Act, 1998* or any compensation required under subsection 79.2 (10) of that Act.

iv. The amount of any harmonized sales tax payable by the consumer under Part IX of the *Excise Tax Act* (Canada) in respect of the amounts mentioned in subparagraphs i, ii and iii.

2. Subject to subsections (2) and (3), determine the rates that, when applied as the commodity price of the electricity in subparagraph 1 i would result in the hypothetical regulated rate consumer who meets the criteria set out in section 2 being invoiced a total invoice amount in respect of a billing period, consisting of the following types of amounts, that is 25 per cent less than the total invoice amount determined under paragraph 1:

   i. The commodity price of the electricity.

   ii. The rates and charges as of May 1, 2017 as set out in the applicable rate order issued by the Board under subsection 78 (3) of the *Ontario Energy Board Act, 1998,* except for the rates and charges related to any rural or remote rate protection compensation required under subsection 79 (4) of the *Ontario Energy Board Act, 1998***.**

   iii. The rates and charges as of July 1, 2017 as set out in the applicable rate order issued by the Board under subsection 78 (3) of the *Ontario Energy Board Act, 1998*, related to any rural or remote rate protection compensation required under subsection 79 (4) of the *Ontario Energy Board Act, 1998***.**

   iv. The amount of any harmonized sales tax payable by the consumer under Part IX of the *Excise Tax Act* (Canada) in respect of the amounts mentioned in subparagraphs i, ii and iii.

(2) The following types of amounts shall be excluded from the total invoice amount determined under paragraph 1 or 2 of subsection (1).

1. The balance of any amounts carried forward from previous invoices in respect of previous invoice periods.

2. Penalties or interest.

3. Charges that do not relate to the use of electricity.

4. Any of the following charges that may be set out in an order issued by the Board under subsection 78 (3) of the *Ontario Energy Board Act, 1998:*

Confidential Draft

i. A fixed monthly service charge payable by a generation facility within the meaning of section 56 of the *Ontario Energy Board Act, 1998* and classified as "microFIT".

ii. A charge labelled as a "specific service charge" or "retail service charge".

(3) For the purposes of determining the total invoice amount mentioned in paragraph 1 of subsection (1), the Board shall not take into account any financial assistance under the *Ontario Rebate for Electricity Consumers Act, 2016* but the Board shall do so for the purposes of determining the total invoice amount mentioned in paragraph 2 of subsection (1).

Other specified consumers, first fair adjustment under s. 8 of the Act

4. (1) For the purposes of section 8 of the Act, the Board shall determine a dollar per megawatt hour amount that represents the difference between the following:

1. The comparison rates mentioned in subparagraph 1 i of subsection 3 (1).

2. The rates determined by the Board under paragraph 2 of subsection 3 (1).

(2) The adjustment to be applied by electricity vendors in respect of each billing period with respect to specified consumers who are not regulated rate consumers shall be determined as follows:

1. The electricity vendor shall multiply the dollar per megawatt hour amount determined by the Board under subsection (1) by the total volume of electricity consumed by the specified consumer during the billing period.

2. The electricity vendor shall deduct the amount determined under paragraph 1 from the amount otherwise payable by the specified consumer in respect of the billing period relating to adjustments made under section 25.33 of the *Electricity Act, 1998*.

(3) For the purposes of paragraph 1 of subsection (2), the total amount of electricity consumed by a specified consumer in a billing period shall be,

(a) in the case of a specified consumer that is a market participant as defined in the *Electricity Act, 1998*, the net volume of electricity withdrawn from the IESO-controlled grid by the specified consumer during the billing period, as determined in accordance with the market rules made under section 32 of the *Electricity Act, 1998*; and

(b) in any other case, the volume of electricity distributed to the specified consumer during the billing period by the electricity vendor, adjusted for losses as required by

Confidential Draft

the Retail Settlement Code issued by the Board under the *Ontario Energy Board Act, 1998*.

(4) For greater certainty, if the amount determined under paragraph 2 of subsection (2) in respect of a billing period is a negative amount, that amount shall be a credit for the specified consumer for that billing period.

Subsequent adjustments, regulated rate consumers, cl. 11 (1) (a) of the Act

5. (1) For the purpose of determining the electricity rates payable by regulated rate consumers for the period beginning on May 1, 2018 and ending on April 30, 2019, the Board shall,

(a) if the rate of inflation is a negative amount, maintain electricity rates for regulated rate consumers at the rates determined under paragraph 2 of subsection 3 (1); or

[ENE LSB Note: Is this in keeping with the policy intention? Maintaining rates as per July 1, 2017 if the rate of inflation is negative is more than likely to result in bills rising (and, of course, by more than the rate of inflation). If Toronto Hydro's distribution rates rise by 5% (and, say, 2% on the bill as a consequence) when inflation is negative or zero, the bill would rise by more than the rate of inflation. Please confirm.]

(b) in any other case, the Board shall determine electricity rates for regulated rate consumers in accordance with subsections (2) and (4).

(2) For the purposes of clause (1) (b), the rates must, when applied as the commodity price of the electricity, result in a hypothetical rate regulated consumer described in section 2 being invoiced a total invoice amount in respect of a billing period, consisting of the following types of amounts but excluding the types of amounts referred to in subsection (3), that is higher than the total invoice amount referred to in paragraph 2 of subsection 3 (1) by the rate of inflation:

1. The commodity price of the electricity.

2. The rates and charges as of May 1, 2018 as set out in the applicable rate order issued by the Board under subsection 78(3) of the *Ontario Energy Board Act, 1998*.

3. The amount of any harmonized sales tax payable by the consumer under Part IX of the *Excise Tax Act* (Canada) in respect of the amounts mentioned in paragraphs 1 and 2.

(3) The types of amounts to be excluded for the purposes of subsection (2) are the types of amounts referred to in subsection 3 (2).

Confidential Draft

(4) For the purposes of subsection (1) , the Board shall, when determining the total invoice amount referred to in paragraph 2 of subsection 3 (1), take into account any financial assistance under the *Ontario Rebate for Energy Consumers Act, 2016.*

[OLC Note: I've suggested slightly different wording than "first total invoice amount" because I don't think that term is sufficiently clear as a drafting matter. I have also included your note immediately below, as per your request.]

[ENE LSB Note: The reference to the "first total invoice amount" is intended to refer to the May 2018 invoice that has the attributes set out in paragraphs 1 to 3 of subsection (1). If there is a better way of referring to it, we are open to suggestions. The difficulty is that there are two "total invoice amounts" referred to in subsection (1), and we are trying to identify to which one subsection (4) relates.]

(5) In this section,

"Ontario Consumer Price Index" means, for a 12-month period, the Consumer Price Index for Ontario (All-Items) as reported monthly by Statistics Canada under the authority of the *Statistics Act* (Canada), averaged over the 12-month period;

"rate of inflation" means the percentage change between,

[ENE LSB Note: Does this work with a comment Tim made regarding CPI being computed for ten, versus twelve, months? Does this align with OEB RPP rate-setting processes and timing?]

(a) the value of the Ontario Consumer Price Index for the 12-month period immediately preceding the 12-month period described in clause (b), and

(b) the vaolue of the Ontario Consumer Price Index for the 12-month period ending on the last day of the most current month for which the Ontario Consumer Price Index is reported by Statistics Canada as of the time the Board applies the methodology mentioned in subsection (1).

Subsequent adjustments, other specified consumers, cl. 11 (1) (b) of the Act

6. (1) For the purpose of determining adjustments to be applied in respect of specified consumers who are not regulated rate consumers for the period beginning on May 1, 2018 and ending on April 30, 2019, the Board shall determine a dollar per megawatt hour amount that represents the difference between the following:

1. The rates mentioned in subsection (4).

2. The rates determined by the Board under subsection 5 (1).

(2) The adjustment to be applied by electricity vendors in respect of each billing period for the period beginning on May 1, 2018 and ending on April 30, 2019 with respect to specified consumers who are not regulated rate consumers shall be determined as follows:

Confidential Draft

1. The electricity vendor shall multiply the dollar per megawatt hour amount determined by the Board under subsection (1) by the total amount of the electricity consumed by the specified consumer during the billing period.

2. The electricity vendor shall deduct the amount determined under paragraph 1 from the amount otherwise payable by the specified consumer in respect of a billing period in respect of the adjustments made under section 25.33 of the *Electricity Act, 1998*.

(3) For the purposes of paragraph 1 of subsection (2), the total amount of the electricity consumed by a specified consumer in a billing period shall be,

(a) in the case of a specified consumer that is a market participant as defined in the *Electricity Act, 1998*, the net volume of electricity withdrawn from the IESO-controlled grid by the specified consumer during the billing period, as determined in accordance with the market rules made under section 32 of the *Electricity Act, 1998*; or

(b) in any other case, the volume of electricity distributed to the specified consumer during the billing period by the electricity vendor, adjusted for losses as required by the Retail Settlement Code issued by the Board under the *Ontario Energy Board Act, 1998.*

(4) The rates referred to in paragraph 1 of subsection (1) are the rates that would have been effective May 1, 2018 if they had been determined by the Board using the method prescribed by regulations made under clause 79.16 (1) (b) of the *Ontario Energy Board Act, 1998*, without taking into account any forecasted impact of any provision of the Act.

(5) If the amount determined under paragraph 2 of subsection (2) in respect of a billing period is a negative amount, that amount shall be given as a credit to the specified consumer in respect of that billing period.

(6) In determining the rates mentioned in subsection (4), the Board shall take into account any financial assistance under the *Ontario Rebate for Electricity Consumers Act, 2016.*
[ENE LSB note: If this provision is required, the OEB believes that it needs to be that the OEB will take ORECA into account.]

Sub-metering

7. For the purposes of subsection 12 (2) of the Act, the amount payable for the electricity by the person who is liable to pay the invoice shall, in respect of each billing period, reflect the person's proportionate share of any determination of the Board under section 9 or 11 of the Act that applies to the invoice for electricity payable by the specified consumer.

[OLC Note: Total Invoice Amount A is the one determined at the "comparison rates" under 7 (3) of the Act, which is the benchmark for the 25 % reduction.]

1. The commodity price of the electricity, as determined under the comparison rates described in subsection 7 (3) of the Act.

2. The rates and charges as of May 1, 2017 as set out in the applicable rate order issued by the Board under subsection 78 (3) of the *Ontario Energy Board Act, 1998*, except for the rates and charges related to any rural or remote rate protection compensation required under subsection 79 (4) of the *Ontario Energy Board Act, 1998* or any compensation required under subsection 79.2 (10) of that Act.

The rates and charges as of May 1, 2017 as set out in the applicable rate order issued by the Board under subsection 78 (3) of the *Ontario Energy Board Act, 1998*, except for the rates and charges related to any rural or remote rate protection compensation required under subsection 79 (4) of the *Ontario Energy Board Act, 1998*.

3. The rates and charges as of July 1, 2017 as set out in the applicable rate order issued by the Board under subsection 78 (3) of the *Ontario Energy Board Act, 1998*, related

to any rural or remote rate protection compensation required under subsection 79 (4) of the *Ontario Energy Board Act, 1998***.**

4. The amount of any harmonized sales tax payable by the consumer under Part IX of the *Excise Tax Act* (Canada) in respect of the amounts mentioned in subparagraphs i, ii and iii.

(4) Total Invoice Amount C consists of the following types of amounts that would be invoiced in respect of a billing period to a hypothetical regulated rate consumer who meets the criteria set out in section 2:
[OLC Note: Total Invoice Amount C is the one that must achieve an incremental increase to Total Invoice Amount B as a result of inflation.]

1. The commodity price of the electricity, as determined under the rates determined in accordance with subsection 5 (2).

2. The rates and charges as of May 1, 2018 as set out in the applicable rate order issued by the Board under subsection 78 (3) of the *Ontario Energy Board Act, 1998*.

(5) The following types of amounts shall be excluded from Total Invoice Amount A, Total Invoice Amount B and Total Invoice Amount C:

1. The balance of any amounts carried forward from previous invoices in respect of previous invoice periods.

2. Penalties or interest.

3. Charges that do not relate to the consumption of electricity.

4. Any of the following charges that may be set out in the applicable rate order issued by the Board under subsection 78 (3) of the *Ontario Energy Board Act, 1998:*

    i. A fixed monthly service charge payable by a generation facility within the meaning of section 56 of the *Ontario Energy Board Act, 1998* and classified as “microFIT”.

    ii. A charge labelled as a “specific service charge” or “retail service charge”.

(6) The Board shall take into account any financial assistance under the *Ontario Rebate for Energy Consumers Act, 2016* when determining Total Invoice Amount B and Total Invoice Amount C but shall not do so when determining Total Invoice Amount A.

Hypothetical regulated rate consumer

2. For the purposes of subsection 7 (2) of the Act, a hypothetical regulated rate consumer meets the following criteria:

1. The consumer purchases electricity directly from Toronto Hydro.

2. The consumer has an account with Toronto Hydro that falls within the residential-service rate classification as specified in a rate order made by the Board under section 78 of the *Ontario Energy Board Act, 1998*.

3. The consumer's billing period is one month.

4. The consumer is not invoiced by Toronto Hydro for electricity on an equal monthly payment plan, an equal billing plan or a net metered basis.

5. The consumer is not a rate-assisted consumer within the meaning of section 79.2 of the *Ontario Energy Board Act, 1998*.

6. The consumer uses 750 kilowatt hours of electricity in each billing period.

7. The consumer's time-of-use consumption profile in each billing period is described as follows:

    i. 65 per cent of the consumer's usage occurs during off-peak periods associated with the regulated price referred to as $RPEM_{OFF}$ in section 3.4 of the "Standard Supply Service Code for Electricity Distributors" issued by the Board.

    ii. 17 per cent of the consumer's usage occurs during mid-peak periods associated with the regulated price referred to as $RPEM_{MID}$ in section 3.4 of the "Standard Supply Service Code for Electricity Distributors" issued by the Board.

    iii. 18 per cent of the consumer's usage occurs during on-peak periods associated with the regulated price referred to as $RPEM_{ON}$ in section 3.4 of the "Standard Supply Service Code for Electricity Distributors" issued by the Board.

Regulated rate consumers, first fair adjustment under s. 7 of the Act

3. (1) The Board shall determine the rates that would, when applied for the purposes of determining the commodity price of the electricity included in Total Invoice Amount B, result in Total Invoice Amount B being 25 per cent less than Total Invoice Amount A.

Other specified consumers, first fair adjustment under s. 8 of the Act

4. (1) For the purposes of section 8 of the Act, the Board shall determine a dollar per megawatt hour amount that represents the difference between the following:

1. The comparison rates described in subsection 7 (3) of the Act.

2. The rates determined by the Board under subsection 3 (1).

(2) The adjustment to be applied by electricity vendors in respect of each billing period with respect to specified consumers who are not regulated rate consumers shall be determined as follows:

1. The electricity vendor shall multiply the dollar per megawatt hour amount determined by the Board under subsection (1) by the total volume of electricity consumed by the specified consumer during the billing period.

2. The electricity vendor shall deduct the amount determined under paragraph 1 from the amount otherwise payable by the specified consumer in respect of the billing period for adjustments made under section 25.33 of the *Electricity Act, 1998*.

(3) For the purposes of paragraph 1 of subsection (2), the total volume of electricity consumed by a specified consumer in a billing period shall be,

(a) in the case of a specified consumer that is a market participant as defined in the *Electricity Act, 1998*, the net volume of electricity withdrawn from the IESO-controlled grid by the specified consumer during the billing period, as determined in accordance with the market rules made under section 32 of the *Electricity Act, 1998*; and

(b) in any other case, the volume of electricity distributed to the specified consumer during the billing period by the electricity vendor, adjusted for losses as defined in and in accordance with the Retail Settlement Code, issued by the Board under the *Ontario Energy Board Act, 1998.*

[OLC Note: Instructions said "as appropriate" but this would be an extremely vague standard without more details about what is meant. I'm wondering if you mean "in accordance with the Retail Settlement Code" (assuming that the RSC sets out some guidance on when it is appropriate to adjust for losses?)]

(4) For greater certainty, if the amount determined under paragraph 2 of subsection (2) in respect of a billing period is a negative amount, that amount shall be a credit for the specified consumer for that billing period.

Subsequent adjustments, regulated rate consumers, cl. 11 (1) (a) of the Act

5. (1) For the purpose of determining the electricity rates payable by regulated rate consumers for the period beginning on May 1, 2018 and ending on April 30, 2019, the Board shall,

(a) if the rate of inflation is a negative amount, maintain electricity rates for regulated rate consumers at the rates determined under subsection 3 (1); or

(b) in any other case, determine electricity rates for regulated rate consumers in accordance with subsection (2).

(2) For the purposes of clause (1) (b), the Board shall determine the rates that would, when applied for the purposes of determining the commodity price of the electricity included in Total Invoice Amount C, result in Total Invoice Amount C being greater than Total Invoice Amount B by the rate of inflation.

Subsequent adjustments, other specified consumers, cl. 11 (1) (b) of the Act

6. (1) For the purpose of determining adjustments to be applied in respect of specified consumers who are not regulated rate consumers for the period beginning on May 1, 2018 and ending on April 30, 2019, the Board shall determine a dollar per megawatt hour amount that represents the difference between the following:

1. The rates mentioned in subsection (4).

2. The rates determined by the Board under subsection 5 (1).

(2) The adjustment to be applied by electricity vendors in respect of each billing period for the period beginning on May 1, 2018 and ending on April 30, 2019 with respect to specified consumers who are not regulated rate consumers shall be determined as follows:

1. The electricity vendor shall multiply the dollar per megawatt hour amount determined by the Board under subsection (1) by the total volume of electricity consumed by the specified consumer during the billing period.

2. The electricity vendor shall deduct the amount determined under paragraph 1 from the amount otherwise payable by the specified consumer in respect of a billing period for adjustments made under section 25.33 of the *Electricity Act, 1998*.

(3) For the purposes of paragraph 1 of subsection (2), the total volume of the electricity consumed by a specified consumer in a billing period shall be,

(a) in the case of a specified consumer that is a market participant as defined in the *Electricity Act, 1998*, the net volume of electricity withdrawn from the IESO-controlled grid by the specified consumer during the billing period, as determined in accordance with the market rules made under section 32 of the *Electricity Act, 1998*; or

(b) in any other case, the volume of electricity distributed to the specified consumer during the billing period by the electricity vendor, adjusted for losses as defined in and in accordance with the Retail Settlement Code issued by the Board under the *Ontario Energy Board Act, 1998.*

(4) The rates referred to in paragraph 1 of subsection (1) are the rates that would have been effective May 1, 2018 if they had been determined by the Board using the method prescribed by regulations made under clause 79.16 (1) (b) of the *Ontario Energy Board Act, 1998*, without taking into account any forecasted impact of any provision of the Act.

(5) If the amount determined under paragraph 2 of subsection (2) in respect of a billing period is a negative amount, that amount shall be a credit for the specified consumer in that billing period.

(6) In determining the rates mentioned in subsection (4), the Board shall take into account any financial assistance under the *Ontario Rebate for Electricity Consumers Act, 2016.*

Sub-metering

7. For the purposes of subsection 12 (2) of the Act, the amount payable for the electricity by the person who is liable to pay the invoice shall, in respect of each billing period, reflect the person's proportionate share of any determination of the Board under section 9 or 11 of the Act that applies to the invoice for electricity payable by the specified consumer.

All - Please find attached the next turn in the consultation draft (v.3) of the proposed legislation. We have been working to address the feedback that you provided earlier in the week. A number of points remain in progress. As with the earlier versions, by sharing this document, we hope to continue to advance our discussions.

Our timeline has been extended and we are now working to a pens down date of April 28th. We will not get another extension. Accordingly, we ask for your detailed, written comments on the draft, which we require no later than Sunday at noon.

We will continue to work on the bill in the interim, so earlier instructions are helpful to us. With your input on this timeline, we expect to be able to provide one more circulation around Tuesday or Wednesday next week.

We have not had the opportunity to add notes or to update our crosswalk to the Blakes summary document.

We look forward to receiving your written comments.

Subject: Ontario Fair Hydro Plan

All - Please find attached the draft "Intergenerational Fairness in Hydro Rates Act, 2017". A tremendous amount of work has gone into getting to this draft and much more work is required to get this ready for the House. The goal of sharing this document now is to further the process we have engaged in over the last weeks. In the attached, we have included notes to try to address where the drafting is not yet consistent with our thinking. These notes are neither comprehensive nor complete. They are intended only as flags and as colour to the draft. We have not forgotten the comments that you have already provided and we are continuing to working through the translation of the commercial terms we have been discussing into legislative language.

For ease of reference, included with the draft bill are the partially updated Blakes' summary, a chart that attempts links the articles in that document to the sections of the bill (which is imperfectly numbered at best) and excerpts from the Electricity Act and the Ontario Energy Board Act, related to the consequential amendments.

In your review, please focus on the broad stroke concepts, rather than the minutia, and keep in mind the cascade of instruments that will be required – legislation first, then regulations and finally commercial agreements. We look forward to discussing the broader concepts on Monday

Definition

6xx. (1) In this section,

"average baseline invoice amount" means the average monthly invoice amount that would be payable by a representative consumer under the average baseline rate; ("French")

"average baseline rate" means the average rate that would be payable effective May 1, 2017 by the class of consumers prescribed by the regulations under the *Ontario Energy Board Act, 1998* for the purposes of subsection 79.16 (1) of that Act, as determined by the Board by applying the method prescribed by the regulations under clause 79.16 (1) (b) of that Act; ("French")

Rate determination

(2) Subject to subsection (3), [to more fairly measure and allocate the clean energy costs and clean energy benefits among present and future generations of specified consumers,] the rate for electricity payable by a specified consumer for the period beginning on May 1, 2017 and ending on April 30, 2018 is the average rate that would be payable by a representative consumer in order for the representative consumer to receive a monthly invoice amount that is 25 per cent less than the average baseline invoice amount.

Sub-meter customers

(3) A specified consumer who provides electricity to a sub-meter customer and any unit sub-meter provider who provides unit sub-metering for the specified consumer shall ensure that the rate payable by each sub-meter customer is the rate determined under subsection (2).

Determining rate

(4) The rate mentioned in subsection (2) shall be,

(a) determined by the Board within seven business days after this section receives Royal Assent; and

(b) effective as of the first day of the calendar month immediately following the determination.

Confidential Draft

Transition

(5) If, for technical or operational reasons, an electricity vendor, specified consumer or unit sub-meter provider is unable to adapt its invoices to comply with this section by the time it issues its first invoice for electricity consumed on or after May 1, 2017,

(a) the electricity vendor, specified consumer or unit sub-meter provider shall adapt its invoices as soon as possible and, in any event, no later than [August 1, 2017]; and

(b) the electricity vendor, specified consumer or unit sub-meter provider shall ensure that any specified consumer or sub-meter customer invoiced at a rate higher than the applicable rate receives the difference between the rate shown on their invoice and the applicable rate as a lump sum credit on the first invoice issued after the invoices have been adapted or by such other means as may be prescribed by the regulations.

Fair adjustment, May 1, 2018 to April 30, 2022

7xx. The Lieutenant Governor in Council may, [to more fairly measure and allocate the clean energy costs and clean energy benefits among present and future generations of specified consumers,] make regulations prescribing the rate for electricity payable by specified consumers and sub-meter customers during the period beginning on May 1, 2018 and ending on April 30, 2022.

PART III
CLEAN ENERGY ADJUSTMENT

Specified consumers to pay clean energy adjustment

8xx. (1) Upon receipt of an invoice that includes a clean energy adjustment, a specified consumer shall pay the clean energy adjustment to the electricity vendor, as agent of the investment asset owners, in accordance with such terms of payment as may be specified in the invoice, which may include terms relating to late payment fees and interest charges.

Same

(2) For greater certainty, subsection (1) applies regardless of,

(a) whether the clean energy adjustment is inconsistent with the fair allocation calculation applicable at the time when the payment is due; and

(b) whether the clean energy adjustment relates to funding obligations that were incurred in a manner that was inconsistent with the Financing Plan.

Confidential Draft

Indebtedness of specified consumer

(4) An unpaid clean energy adjustment that is required to be paid by a specified consumer under this section constitutes indebtedness of the consumer to each investment asset owner in respect of each owner's respective interest in the investment asset.

Same

(5) The indebtedness mentioned in subsection (4) is a single and separate debt obligation owed by the specified consumer and may be enforced independently from any other payment obligation or indebtedness owing by the specified consumer under the invoice or otherwise.

Irrevocability of clean energy adjustment

9xx. (1) The amount of the clean energy adjustment shown on an invoice issued to a specified consumer under this Act is determinative of the amount of the consumer's indebtedness created by the adjustment and is irrevocable upon invoicing the consumer and may not be set off or by passed.

Exception

(2) Subsection (1) does not apply to the extent that there is a calculation error by the electricity vendor.

Determination of clean energy adjustment

10xx. (1) The clean energy adjustment payable by all specified consumers in respect of a reference period shall be determined as follows:

1. Calculate the estimated finance amount for the reference period in accordance with Schedule 1 and such additional rules as may be prescribed.

2. Add the true up amount for the reference period, as determined in accordance with the prescribed method, to the estimated finance amount calculated under paragraph 1.

True up amount

(2) For the purposes of paragraph 2 of subsection (1), the Lieutenant Governor in Council may make regulations prescribing the method for determining the true up amount, having regard to the following principles:

1. The true up amount should serve to ensure that the collection of the clean energy adjustment is sufficient to pay the estimated finance amount when it is due.

2. The method for determining the true up amount should take into account historical and reasonably foreseeable,

Confidential Draft

i. differences between amounts billed and amounts collected due to various factors, including applicable taxes, consumer defaults and delays, billing lags and write-offs, and

ii. variations in billings due to variations in electricity consumption.

IESO to issue remittance notice to electricity vendors

11xx. (1) The IESO shall, in accordance with the regulations, issue a remittance notice to each electricity vendor for the electricity vendor's portion, as determined in accordance with the regulations, of the clean energy adjustment in respect of a reference period.

IESO to collect

(2) The IESO shall, as an agent of the investment asset owners, collect the clean energy adjustment from electricity vendors [in accordance with the monthly settlement process set out in the market rules made under section 32 of the *Electricity Act, 1998]*.
