Please find attached the updated deck to be used in the DM Technical briefing tomorrow afternoon from 3-3:45p.m in the TB boardroom.

Please note that the speaking notes provide reminders for who would speak to specific slides – its been arranged so that the flow is as smooth as can be between speakers.

Also note that the “handout” version of this deck will exclude the risks section. The attached version is the one that will be projected on the screen and used in the meeting.

Thanks for everyone’s input, edits and comments. See u there!
