Secretary

Please find attached the following:

- Latest attendee list. Also attached is the agenda/questions (no changes from what we previously sent).
- The TBOT policy committee, who you are meeting with tomorrow, helped craft their provincial advocacy campaign, the Agenda for Growth. The campaign covers the areas of energy, housing and transit. Each topic has an easily digestible "playbook" that you may wish to skim. I've attached them as well. The full technical papers are posted online at - <https://www.bot.com/PolicyAdvocacy/AgendaforGrowth.aspx>
- MTO note on the TBOT Good Movement Report
- MTO note on Superlinx
- MMA note on TBOT Planning for an Urban Future Report

I have also re-attached the remarks you shared with me yesterday.

Thank you
Boafoa
