Maddy/Emily – these likely just arrived in your offices, but there is nothing in the P's (or anyone's Cabinet binders).

Based on where we are right now, the attached material reflects the current electricity rate proposal. (this is the deck from Fiscal Prep yesterday).

DO you think you could print these two documents out and add into her binder for slide 6? (Emily – could you do the same for Andrew?)

Password to follow.

Let me know if you have any questions/concerns.

Thanks,
Rob
