Please find attached some suggested edits. We've suggested deleting the second scenario altogether, since it's the same story except for 2016-17.

Happy to discuss.

Assume we'd bring this into the Minister's briefing along with the fiscal tables which we'll also bring with us.

Thanks Kelly – trying to get you something in the next 30 minutes or so. A few tweaks here and there, and just checking in with the accountants and Brian L on some of the economic language so you get the one window response on the whole piece.

Hi Tim,

As discussed, here is the draft comms narrative. If you and your team are able to update for the meeting this afternoon, that would be great.

Best,
Kelly
