			a mix of market housing and new, permanent, sustainable and affordable housing 04E.12 – Enhancing Consumer Protections • Ticket Speculation Act – in force July 1, 2018 • Elevator Availability Action Plan and Legislation – introduced Jan. 25, 2018 (re-intro March 20) • Access to Consumer Credit Reports Act – introduced Jan. 25, 2018 (re-intro March 20) • Loyalty Rewards Points amendments to prevent expiry on time alone – effective as of January 1, 2018 • Ban on Door-to-Door Sales to protect consumers – effective as of March 1, 2018 • Strengthened rules for Debt Collection to protect vulnerable consumers – effective July 1, 2018 and penalties effective Jan. 1 2019 • Enhanced rules to protect consumers in Real Estate and Travel Industry – legislation passed December 2017	• Travel Outcomes: ○ Better protections for consumers when they purchase travel through clearer information on the protections available from a registered travel seller and requiring out of province travel sellers to follow Ontario’s advertising requirements ○ Lessening the burden on travel businesses by updating requirements, such as financial reporting, working capital, security deposits and trust accounting ○ Improving compliance with the rules by implementing new tools such as administrative penalties

Area of Action #	KA #s	Pillar or Area of Action	Key Milestones (Policy and Delivery)	Outcomes Achieved
			• In 2009, the Auditor General warned that the WSIB's costs had begun to significantly outstrip its revenues, putting at risk the WSIB's capacity to meet its obligations to injured workers. Following a funding review, legislation was passed in 2012 requiring the WSIB to eliminate its unfunded liability (UFL) by 2027, with interim funding targets in 2017 and 2022. • In 2016, the government passed the <i>Supporting Ontario's First Responders Act</i> (Posttraumatic Stress Disorder) to establish a PTSD presumption for first responders. In March 2018, proposed amendments to the WSIA to expand the PTSD presumption for first responders to include additional occupations were introduced as part of Bill 31, <i>Plan for Care and Opportunity (Budget Measures)</i>, 2018. • Between 2015 and 2017 the Changing Workplaces Review was undertaken by special advisors retained by the government. The final report of the Changing Workplaces Review was released in May 2017. Recommendations from the CWR	• Significant changes undertaken to address the high prevalence of precarious work in Ontario and strengthen employment standards, reduce barriers to unionization and collective bargaining, and create a societal expectation of compliance with employment standards. • The WSIB is in a strong financial standing and is expected to remain on track to retire the UFL by 2020 as outlined in the 2017 WSIB Economic Statement. • Support provided for mental health in the workplace by expediting treatment, recovery and return to work for first responders and other front-line workers with PTSD.
