1. Helping You and Your Family

Priority: Early Years and Child Care

Key Activity: 4.67 | Early Years and Child Care Plan

Pillar: Supporting Children with Complex Needs

1. Helping You and Your Family

Priority: Ontario's Fair Hydro Plan/The 2017 Long-Term Energy Plan

Key Activity: 15.11 | Long-Term Energy Plan (LTEP) and Related Initiatives, 15.21 | Ontario's Fair Hydro Plan

Pillar: Managing Ontario's Energy Resources

Ontario's Fair Hydro Plan (OFHP)-Global Adjustment (GA) Refinancing implementation (Sept-Dec 2017)

Implementation of the partial GA refinancing including: Minister of Energy to set Fair Allocation Amount (FAA), Ontario Power Generation(OPG)/Special Purpose Vehicles (SPV) to produce financing plans consistent with FAA, OPG/SPV to begin purchasing investment asset, OPG/SPV working with lenders and credit rating agencies in establishing the vehicles for selling of investment asset interests.

Ontario Electricity Support Program (OESP) Automatic Enrollment of New Social Assistance (SA) Recipients:

Implementation of OESP automatic enrollment for new social assistance recipients via Social Assistance Management System as part of intake. In the interim, new and existing SA clients will be enrolled through a manual process led by a dedicated team at MCSS. This team is responsible for reaching out to over 90,000 existing SA clients that have not enrolled in the OESP as well as processing over 5,000 new grants each month referred from local offices. MCSS will report back to TB/MBC on progress in Fall 2017.

Long-Term Energy Plan (LTEP) and Independent Electricity System Operator (IESO)/ Ontario Energy Board (OEB)

Implementation Directives: Approval of final LTEP document and the implementation directives to the IESO and OEB. The agencies must then submit implementation to the Minister of Energy by January 31, 2018 for approval.

Public Release of 2017 Long-Term Energy Plan (LTEP)

ON-QC Trade, Storage etc. Report Back:

ENERGY continue to work with the IESO, the Ontario Energy Board (OEB) and appropriate ministries to identify opportunities to remove costs and greenhouse gas (GHG) emissions from the electricity system through efficiencies, other funding sources and supply mix decisions, consistent with government priorities, including ongoing discussions with Hydro Québec, storage providers and other electricity market participants, and report back to Cabinet in 2017.

Independent Electricity System Operator (IESO) and Ontario Energy Board (OEB) Implementation Plans to Minister:

IESO and OEB Implementation Plans due to the Minister of Energy for approval.

1. Helping You and Your Family

Priority: Consumer Protection

Key Activity: 4.52 | Enhancing Consumer Protections

Pillar: Protecting Consumers

Introduce Tarion Legislation:

Introduce legislation to increase consumer protection and support quality new home building by: Introducing greater transparency, accountability and oversight measures for Tarion; making government, not Tarion, the decision maker on the content of the mandatory warranty and new home builder and vendor regulation; creating a new administrative authority to regulate new home builders and vendors and strengthen the regulation of builders and vendors; addressing transition issues to ensure continuity of coverage and stability of the system; and, maintaining Tarion as the sole warranty provider.

Loyalty Points:

Regulatory amendments to implement 2016's Bill 47, the *Protecting Rewards Point Act (Consumer Protection Amendment)* to prohibit expiry of loyalty points due to the passage of time alone.

Door to Door Sales:

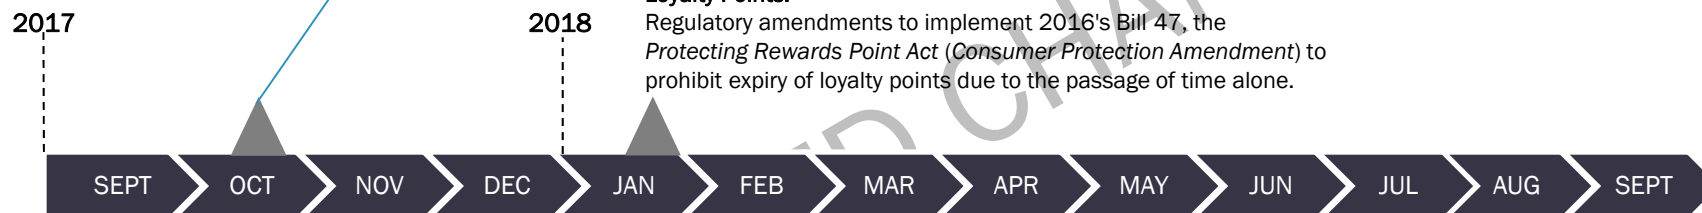

Regulatory amendments under the *Consumer Protection Act*, to implement 2017's *Bill 59 - Putting Consumers First Act* to improve consumer protection against high pressure door-to-door solicitation and contracting tactics for certain goods and services.

Consumer Real Estate and Travel:

Legislative amendments to *Travel Industry Act* and *Real Estate Business Brokers Act* to enhance consumer protections in travel and real estate industries.

Tickets Speculation Act:

Policy approval to repeal and replace the *Ticket Speculation Act (TSA)* with legislation that would promote fairness, transparency and consumer protection in the ticket industry. Legislation to be combined with *Consumer Protection Bill* - Fall 2017 introduction.
