Attachments: Delivery Line Overview and Options v1.pptx (1.53 MB); Rate Mitigation Plan Options 20170124__Clean1.pptx (565.25 kB)

LTEP timeline included. It shows April for cab approval as FYI, think we had early march and I do see that as impossible given they aren't even looking at LTEP until they land the path forward on rates. I doubt we'll get to LTEP timing in FPC but at least we have it! a slide we have seen before I think?
