Dear Mr. Imbrogno:

Re: Approval OAGO/F0617-19O

Please find attached my Compliance Opinion for your submission entitled “Ontario Fair Hydro Plan” for the Ontario Fair Hydro Plan Phase II campaign, submitted June 23, 2017.

I have confirmed that your Items are in compliance with the *Government Advertising Act, 2004*, as amended on June 16, 2015. We have assigned the above approval number to them. This number demonstrates to Canadian Broadcasting Corporation and Telecaster that an item meets the required standards.

This approval extends for the period of the media buy as outlined in your submission—that is, until August 13, 2017. Should you wish to use an Item beyond this date and up to June 28, 2018, you must notify our Office at least one week in advance. Should you or any other government office wish to use an item beyond the one-year approval period, a new submission must be prepared and submitted to my Office for review and approval.

Sincerely,

Bonnie Lysyk
Auditor General
