Hi Andrew,

As I mentioned, MOF made some edits to the version shared last night to shorten the length.

Thanks,
Martin

Subject: AG Report Materials

Hi Andrew,

Attached are the clean and tracked versions of the government response and consolidated comments. The joint-DM memo remains unchanged from what was shared at the meeting today, so only a clean version of that is attached.

Below are some next steps from MOF on the process.

Thanks,
Martin

Next Steps:

- Please review the documents one last time and make any required changes in the clean versions.
- The key focus at this point should be the government response. At this stage, changes to the consolidated comments should be kept to a minimum.
- **Edits are due by 11:00AM tomorrow** .
- A final package will be distributed by 1:00. The target for getting it to the AG is 2:00.
