Subject: Re: QAs with LSB responses

Looks for the number of people and the number of search terms. I wouldn't say the AG approved of the terms, only the AG was made aware of the process and the number of people and search terms.

Hi Deputy,

LSB responses on the email search included in the attached version of the QAs. Tracked version has it on pages 9 and 10.

Let me know if this works.

Thanks,
Martin
