Hi Deputy,

Attached is a meeting note for the monthly ENERGY-MOECC ministers' meeting. The next is on Wednesday, Oct 2.

This note is built off the work we did last week, so changes are tracked (everything else you've seen).

- CRED adjusted the Green Bank section based on yesterday's cabinet meeting.
- ESP added a section on the AG's Climate Change Value-for-Money audit.

Okay to send to MO?

Eric
