That's a helpful piece from IESO. We've also got the attached from our officials, which was developed for SCOPA.

Subject: IESO Special Audit

Hi all,

Flagging that the "Special Audit of the Financial Statements of IESO" went out April 11, 2018. I know there was some confusion on the date but it seems as though the AG buried it on her website and already released it.

Below is a link.

Let me know if you have any questions.

Thanks.
