Jordan here's the most updated one. Bill has edits come see us during a friendly.

Version 1

- I wish to inform the house that there will be a delay in the tabling of Public Accounts, which is permitted under the *Financial Administration Act* for extraordinary circumstances, as we work with the Office of the Auditor General to finalize the documents.
- I have directed senior Treasury Board officials to work with the Office of the Auditor General to develop a plan to finalize the Public Accounts by ____ date.

Version 2

- I wish to inform the house that there will be a delay in the tabling of Public Accounts, which is permitted under the *Financial Administration Act* for extraordinary circumstances, as there was a professional disagreement between the Office of the Auditor General and the Ontario Public Service regarding accounting principles related to how the Ontario Teachers' Pension is accounted for.
- This professional disagreement comes despite the Province using same accounting principles for 15 years under 3 different Auditor Generals, including the current Auditor General for the past 2 years.
- I have directed senior Treasury Board officials to work with the Office of the Auditor General to develop a plan to finalize the Public Accounts by ____ date.
