Interest in underspend on infrastructures (forecast vs. actual – saying gov is claiming investments they do not actually make) Greg explained why there would be a difference between the two and also compared to other levels of government

Asked for TB view of pension assets and explanation as to why AG was unable to express an opinion (not sure why the Chair allowed this). Greg explained the AG would be able to express her opinion in the official Public Accounts and confirmed that the bottom line remains consistent.

AG was given an opportunity to respond. Confirmed she delivered her opinion. Expressed her disappointment that statements were released without her opinion and said she had no further comment.
