Hey David and Karen,

SIB is requesting speaking notes for each priority item identified in their PD&G deck for September 28.

Could you have Advisors work up brief remarks for their respective items. I will consolidate into one set to share with Martha for review. If you could provide this to me by Wednesday at noon I would appreciate it.

Thanks,

John Johnston

Subject: Preparing Materials for September PD&G - Next Steps (DM Speaking Notes)

Hi Fatima and John,

Thank you again for your assistance and support in helping us get the necessary edits and updates together for the latest Priorities Report for the PD&G deck; for your reference, now attached are the latest versions of both the deck and the Appendix.

At this time, we are kindly asking for advisors to provide us with speaking notes for the Deputy that will provide him with key points for each identified priority. Could you please provide us with consolidated notes from your teams directly in the PD&G deck (not the Appendix) [by this Thursday at noon](#)?

We are also currently working on scheduling a DM briefing for later this week so you can expect to see an invite for that shortly.

Thanks,
Cecilia
