Hi Nancy, David, Karen:

Please see attached re electricity price mitigation.

David and Nancy, I wanted to draw your attention to the Business Issues document, as under the issue "PILs Exemption" it contemplates a MOF regulation sometime in the fall. This is the first I am hearing of it and there was no specific timing discussion today at the meeting, but I wanted to give you a heads up.

Karen, another thing that came out of today is that in addition to the expected reg dealing with the FSM fees and OEN oversight, we may expect another reg related to the GA to help work through some technical accounting issues the group has encountered. Also just heads up for now, so stay tuned.
