Hi ECs,

I've suggested the following flow for today's meeting. Please let me know if you have any questions or concerns:

- Gillian – opens meeting
- Beckie – provides feedback from last session, and any flags/notes for upcoming session
- Lucia – quick overview of the attached planning tracker, including new features
- Lucia w/ECs and PO, GHLO, and OLC (Mark) – walk through each item, **ECs and PO to identify proposed placement, readiness, and other considerations**
- PO – identify any items not currently on the list that should be considered
- Lucia - confirms interest in any subsequent summer meetings
