Hi Chris,

I just wanted to follow-up and ask if you have received a copy of Energy's submission.

Thanks,
Emily

Hi Emily – Attached is a draft pink note from CO (that has not been fact checked by ENERGY). CO may be in a position to share a deck from ENERGY later today or tomorrow (I'll let you know).

In addition, I have attached a deck used at a SoC briefing last week.

Thanks,
Chris

Hi Chris,

Yes, we would be able to take the lead on this item. Would you be able to share the Cabinet submission with me?

Thanks,
Emily

Hi Emily – LTEP is currently tracking as part of TB's policy pre-brief cycle. My understanding is that the OFA has led LTEP related briefings in the past, so I'd like to confirm that this would be the case for this upcoming briefing cycle.

Please let us know.

Thank you and I'm happy to discuss further.

Chris

Subject: Wednesday's TBS/MOF Committees and Cabinet pre-brief

Good afternoon and happy mid-July!

Since we haven't spoken since my pre-vacation email back in late June, I thought it best to provide both a reminder of Wednesday's pre-brief and an update of items up for discussion.

First, please note the time change - this week's pre-brief takes place on Wednesday, July 19th at **4:15pm** in the 6th Floor, FN Corporate Bdrm. Notes are due end of day, Tuesday, July 18th (if this is not possible, please let me know and we'll work on other arrangements).

Second, I've updated the agenda based on the latest planning calendar. If there are any changes to the items below, please let me know and I'll adjust the agenda accordingly – it's likely that some Cabinet items will be deferred.
