RRRP Option 3(a) – Hydro One Low-Density (R2) Ratepayer Impacts

- As a result of eliminating the \$40.83 benefit and re-allocating funding proportionally across rate classes, most R2 customers see less benefit under this option.

RRR - RRRP 3(a) R2
Note: All figures are estimates and
may vary from actual values due
to rounding.

* Includes Electricity Delivery and
Distribution Charges. Excludes RRRP and
RRR.
