Gabrielle,

Here is the TBS messaging which focuses on pensions.

MOF is not ready to send out their note at this time. It "may" be ready tonight but likely tomorrow morning. I will send it to you asap.

Also, I want to point out that it appears the originally planned media conference scheduled for 1:30 pm on Wednesday is no longer listed.

MOF feels that the FAO report will now be tabled at 9 am with NO media conference.

(Reminder – just last week Stephen LeClair cancelled his press conference on Fair Hydro)

Hi all!

We've heard that the emphasis is on pensions, but I don't believe any of us have seen a copy. Are we still tracking to have some materials tonight? I don't imagine our messages on the key issues will change but still, good to have.

Thanks!

**Subject:** FAO Report - Materials

Hi MO-

Quick update on the FAO Report that is being released tomorrow.

- Our Issues team is working with MOF's Issues team. We will have copies of their materials as soon as they're approved.
- We're also updating the HBN and Media Qs for PAEAP (Pension Asset Expert Advisory Panel).
- OTB is also developing briefing materials.

Please let us know if there's anything else you need. Ideally, we should have a package ready to share with you tonight.

Thanks,

Erin Ovenden
