Good afternoon folks,

Please find attached the final 2017 briefing book materials – comprised of three PDF files:

1. Table of Contents
2. Briefing Notes
3. Qs&As

Do keep in mind, **this version is not watermarked** and contains the briefing materials in support of the 2017 Document – in some cases, text from the Papers form part, if not most, of the information found in the briefing notes and/or Qs&As. **Please use caution when and if you print** – these materials should be treated the same as the Yellows (do not leave unattended, do not remove from the building, etc.).

Thanks for your cooperation,
trish

Trish Webb
