Hi Jane –

Apologies for the delay, the supporting communications materials and briefing notes for the 2017 Budget are attached for your reference. The Top Media Q and As are most relevant I think but the briefing book, in all its exhaustive glory, may also be useful.

As always, I recommend working closely with MOF comms on this to reduce duplication.

Thanks,

P.

Patrick,

Thanks for this reassuring email! I know your material will put us on the right path.

Please send me the budget day material and I will begin working with that.

Best,
Jane

Hi Jane –

I'm copying Sarah and Nina in PEMD and OPCD so they are aware of this request.

Per the usual process, MOF will be leading a summary note and some key messages which we can share when ready. Further to this, I think we could help with some TBS specific materials which would mainly focus on the Jointly Sponsored Pension Plans piece. I think we can fairly easily repurpose budget day materials for this given the content is the same – do you have access to this material or do you need us to

provide?

P.

Hi Patrick,

Now that we know the FAO is releasing its Spring 2017 Fiscal outlook report on Wednesday, I've been asked to pull together our TBS-specific messaging/Q&As asap.

Have you previously done some analysis, and are you able to share it with us?

Thanks so much
Jane
