Kyle and Nicole,

I'm still reviewing this, but do either of you know the answer to Comms' question below as to whether this is something that Helen has discussed with the AG?

Subject: APPROVAL: PAEAP Supplementary Report - Media Qs and HBN

Hi-

As you know, we're making the PAEAP Supplemental Report on HOOPP and CAATPP available to the public on Thursday, in conjunction with the release of the Budget. Attached for your approval are the updated HBN (see yellow highlights) and media qs. Pages 1-5 contain new media qs related to the supplemental report. The rest are the media qs we prepared in February for the first report on OTPP and OPSEUPP. We've included them as reference only.

We're monitoring media for any reaction from the Auditor General – a copy of the report was shared

with her March 22. For our reference, do you know of any conversations that the DM may have had with the Auditor General about this supplemental report?

Ideally, we'd like to get these products to the MO by Thursday. Is this doable?

Thanks,

Erin Ovenden
