Hi,

Attached please find a draft of the CBN for the price mitigation item. There are still placeholders in the note and some embedded comments that will need to be filled in based on final submission and there are some sections that would benefit from advice/proposed language from MOF/OFA and TBS/OPCD.

We have attempted to capture some of the risks flagged in emails last night and this version aligns to the minute sent around yesterday afternoon.

(Serge/Keley – we sent a draft note to you yesterday morning, this note is slightly updated to reflect the emails of yesterday as well as some feedback we received from Steven and TBS).

Same password.

Comments/questions/concerns – please share!  
Thanks,  
Martha
