Title: Opposition Day Motion

Time: 5:45 to 6:00

Body:

*Mr. Brown — Whereas, the Auditor General revealed that the government's Fair Hydro Plan could cost Ontarians up to \$4 billion more than necessary;
Whereas, the government passed legislation to make their own accounting rules that serve to dilute the impact of their financial decisions;
Whereas, the government's intention in creating the accounting and financing design to handle the costs of the electricity rate reduction was to avoid affecting its fiscal plan;
Whereas, the government should have recorded the true financial impact of the Fair Hydro Plan's electricity rate reduction on the Province's budgets and consolidated financial statements;
Whereas, the government should have used a financing structure to fund the rate reduction that is least costly for Ontarians;
Therefore, the Legislative Assembly of Ontario calls on the Liberal government to issue an apology to the Auditor General and the people of Ontario.*
