Hi Alex,

In connection with setting up the expert panel, I'm looking for an actuary who has a high level of expertise in JSPPs. Ideally, it would be someone from one of the actuarial firms (could be retired). I've attached the terms of reference.

Would you be able to reach out to your actuarial contacts for suggestions. I don't think we'll be able to appoint someone who does work for the Province (e.g. Allan Shapira who has the skill set we would need), but thought he or your other contacts may have someone in their network with the required skills.

There is a report back date by the end of this calendar year, so we need to get moving on this.

Thanks,

Cindy
