Confidential/Solicitor & Client Privileged – DRAFT REGULATIONS RE ELECTRICITY SOCIAL PROGRAMS (TO BE FUNDED BY TAX-BASE)

Hi, Cindy. Please find attached the most recent drafts (that is, in most cases, the finishing touches are still being put on the regs) of the electricity social program regulations. While I had been very involved in creating the governing legislation in this area, I have not been directly involved in developing the regulations..

If you do have any questions, however, let us know and we'll get you the information you need.

I will send the passwords separately (there are three to work with, sorry!)

Again, due to the cabinet-confidential nature of these documents, please do not further forward – thank you!
