Hi guys –

Quick heads up that Karen would like to debrief CAOs on the DMC trip next Friday using the attached. If you could please let your folks know. Did anyone else have updates to add?

David – this is more FYI for you/Dorothy, I don't think she needs to attend unless she really wants to.

Thanks,

P.

Deputies;

Please find attached a fiscal strategy deck that can be used tomorrow morning at DMC. The focus of this version of the deck is the back-end slides on the various strategies

required to ensure fiscal targets are met. In the interest of allowing DM's to keep the slide deck, we've reduced the front end fiscal plan architecture slides to one contextual slide that can be spoken to.

Hope this works.
