Hi Nadine,

I've updated the numbers based on the deck for MO briefing yesterday, and added remedy and PBGF in the under review section. I left the impact area blank for these two items since I'm not sure about it.

Thanks.
Wendy

Wendy,
In Bharat's absence, can you please follow up with Sarah to see what she needs? I think that she'll want Remedy and PBGF added to the outstanding list, that the tax numbers may be updated and the range of potential change would also have to change. N

Yes, that's the plan. Given it's a holiday on Monday, we should aim to get the updated deck to Cindy EOD Friday.

Sarah,

I assume that the update will just take the PASC deck and update for any new info on revs/expenses?

Hey guys – spent the whole time on Brian's deck today, so we'll do the PRRT discussion (and anything else you wanted to tack on) next week.

Then Public Accounts the following Wednesday.

Trying to lock down items for Major projects – at the moment, its looking like we'll have SSO/Policing next week (need to confirm it is ready), and Cannabis the following week.

Let me know if there are any concerns with those (or if you wanted to add anything onto the list).
