Cindy,

First draft of SoC deck:

- Left the PA slides from the previously cancelled meeting (no edits)
- Added one slide on transit focused on accounting considerations;
- Added one slide with brief description of items we identified in our discussion – will continue to think if there are any others we may wish to add

Gary's new slide is not in the multi-pager I've attached.

Happy to discuss.
Mark

Hi Cindy find attached our contribution to the SOC deck for next week. Will provide speaking points on other items on Monday PWC is working up some material for us.
Thanks
Gary
