Hi Cindy

For tomorrow's 9am OTPP meeting, Nelson has updated the previous slide deck based on the pension panel update (namely slides 3-5). Please let me know if any questions or concerns.

Thanks
Sarah

Subject: Updated OTPP Asset Option slide deck for January 10th meeting

Sarah

As discussed, I updated, basically the first few slides and the appendice, where the original had OPCD as a placeholder. The information were from: (1) Nadine's slide deck and (2) Expert Panel Briefing slide deck from today.

Key Messaging for Associate:

- Was updated this afternoon and EDU & MOF has not reviewed
- With the Panel's conclusion, more fulsome discussion of p7 – Potential Options which may lead to the following slides to be updated by EDU and/or MOF.

Thank

Nelson
