Please see an updated version of the Cab Sub (2.1).

I've cleaned up the options and – on the advice of MBC Support Branch - have changed the language to refer to “Advisory Audit Committee” and “Advisory Agency” rather than Audit Committee. And a few other wording changes.

Subject: Audit Committee - Draft Submission

Hi Cindy

Please see attached for the draft submission on the audit committee for your review and comment. You will see there are notes within where further information is still pending.

Please let us know if you have any questions or edits. I can pull together a meeting with the team for when you get back this week if you would like a walk through.

Thanks
Sarah
